**Legal Status and Use of Seals and Logos**

The seal of the National Archives and Records Administration (NARA) authenticates the Code of Federal Regulations (CFR) as the official codification of Federal regulations established under the Federal Register Act. Under the provisions of 44 U.S.C. 1507, the contents of the CFR, a special edition of the Federal Register, shall be judicially noticed. The CFR is prima facie evidence of the original documents published in the Federal Register (44 U.S.C. 1510).

It is prohibited to use NARA’s official seal and the stylized Code of Federal Regulations logo on any republication of this material without the express, written permission of the Archivist of the United States or the Archivist’s designee. Any person using NARA’s official seals and logos in a manner inconsistent with the provisions of 36 CFR part 1200 is subject to the penalties specified in 18 U.S.C. 506, 701, and 1017.

**Use of ISBN Prefix**

This is the Official U.S. Government edition of this publication and is herein identified to certify its authenticity. Use of the 0–16 ISBN prefix is for U.S. Government Publishing Office Official Editions only. The Superintendent of Documents of the U.S. Government Publishing Office requests that any reprinted edition clearly be labeled as a copy of the authentic work with a new ISBN.

Cite this Code: CFR

To cite the regulations in this volume use title, part and section number. Thus, 7 CFR 2003.1 refers to title 7, part 2003, section 1.
Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

- Title 1 through Title 16..............................................................as of January 1
- Title 17 through Title 27.................................................................as of April 1
- Title 28 through Title 41..............................................................as of July 1
- Title 42 through Title 50.............................................................as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, January 1, 2016), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cutoff date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96–511) requires Federal agencies to display an OMB control number with their information collection request.
Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

PAST PROVISIONS OF THE CODE

Provisions of the Code that are no longer in force and effect as of the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on any given date in the past by using the appropriate List of CFR Sections Affected (LSA). For the convenience of the reader, a "List of CFR Sections Affected" is published at the end of each CFR volume. For changes to the Code prior to the LSA listings at the end of the volume, consult previous annual editions of the LSA. For changes to the Code prior to 2001, consult the List of CFR Sections Affected compilations, published for 1949-1963, 1964-1972, 1973-1985, and 1986-2000.

"[RESERVED]" TERMINOLOGY

The term "[Reserved]" is used as a place holder within the Code of Federal Regulations. An agency may add regulatory information at a "[Reserved]" location at any time. Occasionally "[Reserved]" is used editorially to indicate that a portion of the CFR was left vacant and not accidentally dropped due to a printing or computer error.

INCORPORATION BY REFERENCE

What is incorporation by reference? Incorporation by reference was established by statute and allows Federal agencies to meet the requirement to publish regulations in the Federal Register by referring to materials already published elsewhere. For an incorporation to be valid, the Director of the Federal Register must approve it. The legal effect of incorporation by reference is that the material is treated as if it were published in full in the Federal Register (5 U.S.C. 552(a)). This material, like any other properly issued regulation, has the force of law.

What is a proper incorporation by reference? The Director of the Federal Register will approve an incorporation by reference only when the requirements of 1 CFR part 51 are met. Some of the elements on which approval is based are:

(a) The incorporation will substantially reduce the volume of material published in the Federal Register.
(b) The matter incorporated is in fact available to the extent necessary to afford fairness and uniformity in the administrative process.
(c) The incorporating document is drafted and submitted for publication in accordance with 1 CFR part 51.

What if the material incorporated by reference cannot be found? If you have any problem locating or obtaining a copy of material listed as an approved incorporation by reference, please contact the agency that issued the regulation containing that incorporation. If, after contacting the agency, you find the material is not available, please notify the Director of the Federal Register, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001, or call 202-741-6010.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Authorities and Rules. A list of CFR titles, chapters, subchapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.
An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

INQUIRIES

For a legal interpretation or explanation of any regulation in this volume, contact the issuing agency. The issuing agency’s name appears at the top of odd-numbered pages.

For inquiries concerning CFR reference assistance, call 202-741-6000 or write to the Director, Office of the Federal Register, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001 or e-mail fedreg.info@nara.gov.

SALES

The Government Publishing Office (GPO) processes all sales and distribution of the CFR. SUBCHAPTER I—ADMINISTRATIVE REGULATIONS

PARTS 2000–2002 [RESERVED]

PART 2003—ORGANIZATION

Subpart A—Functional Organization of the Rural Development Mission Area

§ 2003.1 Definitions.
O&M—Operations and Management.
P&P—Policy and Planning.
RBS—Rural Business-Cooperative Development Service, USDA, or any successor agency.
RHS—Rural Housing Service, USDA, or any successor agency.
Rural Development—Rural Development mission area of USDA.
RUS—Rural Utilities Service, USDA, or any successor agency.
Secretary—the Secretary of USDA.
USDA—the United States Department of Agriculture.

§ 2003.2 General.
The Rural Development mission area of the Department of Agriculture was established as a result of the Department of Agriculture Reorganization Act of 1994, Title II of Pub.L. 103–354. Rural Development’s basic organization consists of Headquarters in Washington, D.C. and 47 State Offices. Headquarters maintains overall planning, coordination, and control of Rural Development agency programs. Administrators head RHS, RBS, and RUS under the direction of the Under Secretary for Rural Development. State Directors head the State Offices and are directly responsible to the Under Secretary for the execution of all Rural Development agency programs within the boundaries of their states.

§§ 2003.3–2003.4 [Reserved]

§ 2003.5 Headquarters organization.
(a) The Rural Development Headquarters is comprised of:
(1) The Office of the Under Secretary;
(2) Two Deputy Under Secretaries; and,
(3) Three Administrators and their staffs.
(b) The Rural Development Headquarters is located at 1400 Independence Avenue, SW., Washington, DC. 20250–0700

§ 2003.6 Office of the Under Secretary.
In accordance with 7 CFR §2.17 the Secretary has delegated to the Under Secretary, Rural Development, authority to manage and administer programs and support functions of the Rural Development mission area.
(a) Office of the Deputy Under Secretary for P&P. This office is headed by the Deputy Under Secretary for P&P. The Under Secretary, Rural Development, has delegated to the Deputy Under Secretary for P&P, responsibility for formulation and development of short-and long-range rural development policies of the Department in accordance with 7 CFR §2.45. The Deputy Under Secretary for P&P reports directly to the Under Secretary, Rural
Development, and provides guidance and supervision for research, policy analysis and development, strategic planning, partnerships and special initiatives. For budget and accounting purposes, all of the staff offices under the Deputy Under Secretary for P&P are housed in RBS.

1) The Budget Analysis Division assesses potential impacts of alternative policies on the mission area’s programs and operations and develops recommendations for change. The units are headed by the Chief Budget Officer, who individually serves as the top policy advisor to the Under Secretary and Deputy Under Secretary on all matters relating to mission area budget policy.

2) The Research, Analysis and Information Division analyzes information on rural conditions and the strategies and techniques for promoting rural development. The division performs, or arranges to have conducted, short-term and major research studies needed to formulate policy.

3) The Reinvention and Capacity Building Division coordinates the mission area’s strategic planning initiatives, both at the National level and in the State Offices. The division assists the Rural Development agencies in their implementation of the Government Performance and Results Act (GPRA) and special initiatives of the Administration, USDA, and the Office of the Under Secretary.

4) The Rural Initiatives and Partnership Division manages the mission area’s involvement and coordination with other Federal and state departments and agencies to assess rural issues and develop model partnerships and initiatives to achieve shared rural development goals. The division is responsible for managing the National Rural Development Partnership and providing support and oversight of 37 State Rural Development Councils.

b) Office of the Deputy Under Secretary for O&M. In accordance with 7 CFR 2.45, the Under Secretary, Rural Development, has delegated to the Deputy Under Secretary for O&M responsibility for providing leadership in planning, developing, and administering overall administrative management program policies and operational activities of the Rural Development mission area. The Deputy Under Secretary for O&M reports directly to the Under Secretary, Rural Development.

1) Office of the Deputy Administrator for O&M. Headed by the Deputy Administrator for O&M, this office reports directly to the Deputy Under Secretary for O&M, and is responsible for directing and coordinating the consolidated administrative and financial management functions for Rural Development. This office provides overall guidance and supervision for budget and financial management, human resources management and personnel services, administrative and procurement services, information resources management and automated data systems. For budget and accounting purposes, all of the staff offices under the Deputy Administrator for O&M are housed in RHS.

i) Office of the Controller. Headed by the Chief Financial Officer, this office supports the Deputy Administrator for O&M in executing Rural Development requirements related to compliance with the Chief Financial Officers Act of 1990 and provides leadership, coordination, and oversight of all financial management matters and financial execution of the budget for the Rural Development agencies. This office also has full responsibility for Rural Development agencies’ accounting, financial, reporting, and internal controls. The office provides direct oversight to the Headquarters Budget Division, Financial Management Division, and the Office of the Assistant Controller, located in St. Louis, Missouri.

ii) Office of Assistant Administrator for Procurement and Administrative Services. Headed by the Assistant Administrator for Procurement and Administrative Services, this office is responsible to the Deputy Administrator for O&M for overseeing the Procurement Management Division, the Property and Supply Management Division, and the Support Services Division.

(A) The Procurement Management Division is responsible for developing, implementing, and interpreting procurement and contracting policies for the Rural Development mission area. Major functions include planning outreach efforts and goals for small and disadvantaged businesses, providing
staff assistance reviews in State and Local Offices, administering the Contracting Officer Professionalism Warrant program for Rural Development agencies, and coordinating the development of Rural Development’s acquisition plans.

(B) The Property and Supply Management Division is responsible for developing office space acquisition and utilization policies, providing training to field office leasing officers, administering the Leasing Officer Warrant program, assuring accessibility compliance in Rural Development’s work sites, administering Rural Development’s Physical Security program, and establishing and providing oversight to the worksite Energy Conservation program. This office operates a nationwide supply warehousing and distribution program, and oversees a nationwide Personal Property Management and Utilization Program, manages the U.S. Department of Agriculture (USDA) Excess Personal Property Program for field level activities, and provides direct support services to Rural Development’s St. Louis facilities.

(C) The Support Services Division has responsibility for designing, developing, administering, and controlling Rural Development’s directives management and issuance system, coordinating Rural Development’s Regulatory Agenda and Regulatory Program submissions to USDA and OMB, serving as Federal Register liaison, and analyzing and coordinating regulatory work plans for the Under Secretary. This office submits Paperwork Reduction Act public burden clearances to OMB, administers all printing programs, manages Rural Development travel policies and programs, and manages Freedom of Information Act, Privacy Act and Tort Claims programs.

(iii) Office of Information Resources Management (IRM). Headed by the Chief Information Officer, this office is responsible to the Deputy Administrator for O&M for developing Rural Development’s IRM policies, regulations, standards and guidelines. This office provides overall leadership and direction to activities assigned to the following four major divisions:

(A) The Customer Services Division is responsible for direct customer and technical support (hardware and software).

(B) The Management Services Division coordinates all IRM acquisition, budget, and policy and planning activities in support of Rural Development automation.

(C) The Information Technology Division provides support technical services in the areas of data administration, system integrity management, research and development, and telecommunications.

(D) The Systems Services Division is responsible for planning, directing, and controlling activities related to Rural Development’s Automated Information Systems.

(iv) Office of the Assistant Administrator for Human Resources. Headed by the Assistant Administrator for Human Resources, this office is responsible to the Deputy Administrator for O&M for the overall development, implementation, and management, of personnel and human resources support services for Rural Development. The office provides direction to the Headquarters Personnel Services, Human Resources Training and Mission Area Personnel Services Division, and Labor Relations Staff offices. The office is also responsible for the establishment of recruitment, retention, and development policies and programs supporting workforce diversity and affirmative action.

(2) Office of Civil Rights Staff. Headed by a staff director, this staff has primary responsibility for providing leadership and administration of the Civil Rights Program for the Rural Development mission area. The staff conducts on-site reviews of borrowers and beneficiaries of Federal financial assistance to ensure compliance with Titles VI and VII of the Civil Rights Act of 1964, as amended, Title VIII of the Civil Rights Act of 1968, as amended, Section 504 of the Rehabilitation Act, the Americans with Disabilities Act, and prepares compliance reports. The staff conducts and evaluates Affirmative Employment programs for minorities, women and
persons with disabilities, and coordinates and conducts community outreach activities at historically black colleges and universities. It also has oversight of special emphasis programs such as the Federal Women’s Program, Hispanic Emphasis Program, and Black Emphasis Program. The staff director reports directly to the Deputy Under Secretary for O&M.

(3) Office of Communications. Headed by a director who reports directly to the Deputy Under Secretary for O&M, this office has primary responsibility for tracking legislation and development and institution of policies to provide public communication and information services related to the Rural Development. The office maintains a constituent data base and conducts minority outreach efforts and administers a public information and media center responsible for media inquiries, news releases, program announcements, media advisories, and information retrieval. This office also serves as a liaison with Office of Congressional Relations (OCR), Office of the General Counsel (OGC), and other Departmental units involved in Congressional relations and public information. This office drafts testimony, prepares witnesses, and provides staff for hearings and markups. In addition, the office briefs Congressional members and staff on the Rural Development matters, coordinates Rural Development’s legislative activities with other USDA agencies and OMB and develops and implements legislative strategy. The staff also coordinates development and production of brochures, press releases, and other public information materials.

§§ 2003.7–2003.9 [Reserved]

§ 2003.10 Rural Development State Offices. 

(a) Headed by State Directors, State Offices report directly to the Under Secretary, Rural Development, and are responsible to the three Rural Development agency Administrators for carrying out agency program operations at the State level, ensuring adherence to program plans approved for the State by the Under Secretary, and rendering staff advisory and manpower support to Area and Local offices. The Rural Development State Directors, for budget and accounting purposes, are housed in the RHS agency.

(b) Program Directors within the State Office provide oversight and leadership on major program functions. Major program functions include: Single Family and Multi-Family Housing loans and grants, Community Facility, Water and Waste Disposal, Business and Cooperative, and the Empowerment Zones and Enterprise Communities (EZ/EC) programs.

§ 2003.14 Field Offices.

Rural Development field offices report to their respective State Director and State Office Program Directors. State Directors may organizationally structure their offices based on the program workloads within their respective State. Field offices generally are patterned in a three or two tier program delivery structure. In a three tier system, Local offices report to an Area office, that reports to the State Office. In a two tier system, a "Local" or "Area" office reports to the State Office. Locations and telephone numbers of Area and Local Offices may be obtained from the appropriate Rural Development State Office.

§§ 2003.15–2003.16 [Reserved]

§ 2003.17 Availability of information.

Information concerning Rural Development programs and agencies may be obtained from the Office of Communications, Rural Development, U. S. Department of Agriculture, STOP 0705, 1400 Independence Avenue SW., Washington, DC 20250–0705.

§ 2003.18 Functional organization of RHS.

(a) General. The Secretary established RHS pursuant to section 233 of the Department of Agriculture Reorganization Act of 1994 (7 U.S.C. 6943).

(b) Office of the Administrator. According to 7 CFR 2.49, the Administrator has responsibility for implementing programs aimed at delivering loans and grant assistance to rural Americans and their communities in obtaining adequate and affordable housing and community facilities, in accordance with Title V of the Housing Act of 1949 (42 U.S.C. 1471 et seq.) and the Consolidated Farm and Rural Development Act (7 U.S.C. 1921 et seq.).

(1) Legislative Affairs Staff. The duties and responsibilities of this staff have now been aligned under the Office of Communication, headed by a director who reports directly to the Under Secretary for O&M. The Office of Communication is responsible for providing and carrying out legislative, public communication, and information services for the Rural Development mission area.

(2) Office of Program Support Staff. The Program Support Staff is headed by a staff director who is responsible to the Administrator for monitoring managerial and technical effectiveness of RHS programs. The staff coordinates review and analysis of legislation, Executive Orders, OMB circulars, and Department regulations for their impact on Agency programs. The staff develops, implements, and reports on architectural and environmental policies, in cooperation with the Department. Staff responsibilities also include managing RHS’s Hazardous Waste Management Fund, coordinating the Debarment and Suspension process for RHS, tracking the use of Program Loan Cost Expense funds, and maintaining the RHS Internet “Home Page.”

(3) Office of Deputy Administrator, Single Family Housing. Headed by the Deputy Administrator, Single Family Housing, this office is responsible to the Administrator for the development and implementation of RHS’s Single Family Housing programs, which extend supervised housing credit to rural people of limited resources, for adequate, modest, decent, safe, and sanitary homes. The office is responsible for administering and managing sections 502 and 504 Rural Housing direct and guaranteed loan and grant programs, Rural Housing and Self-Help Site loans, the Self-Help Technical Assistance grant program, Housing Application Packaging and Technical and Supervisory Assistance grants, and Home Improvement and Repaid loans and grants. The office directs the following three divisions: Single Family Housing Processing Division, Single Family Housing Servicing and Property Management Division, and Single Family Housing Centralized Servicing Center in St. Louis, Mo.

(i) Office of Single Family Housing Processing Division. Headed by a division director, this division is responsible for development and nationwide implementation of policies on processing Single Family Housing direct and guaranteed program loans. In addition, the division provides direction on the following: the Rural Housing Targeted Area Set-Aside program,

Office of Single Family Housing Servicing and Property Management Division. Headed by a division director, this division is responsible for the development and implementation of nationwide policies for servicing RHS’s multi-billion dollar portfolio of Single Family Housing loans, and managing and selling Single Family Housing inventory properties. The division also conducts state program evaluations, identifies program weaknesses, makes recommendations for improvements, and identifies corrective actions.

(iii) Office of Single Family Housing Centralized Servicing Center (CSC)—St. Louis, Missouri. Headed by a director, CSC is responsible for centrally servicing RHS’s multi-billion dollar portfolio of Single Family Housing loans. CSC provides interest credit or payment assistance renewals, performs escrow activities for real estate taxes and property hazard insurance, oversees collection of loan payments, and grants interest credit, payment assistance, and moratoria.

(4) Office of the Deputy Administrator, Multi-Family Housing Division. Headed by the Deputy Administrator, Multi-Family Housing, this office is responsible for the development and nationwide implementation of RHS’s Multi-Family Housing programs, which extend supervised housing credit to rural residents an opportunity to have decent, safe, and sanitary rental housing. The following programs are administered and managed by this office: Section 515 Rural Rental Housing, Rural Cooperative and Congregate Housing Programs, Section 521 Rental Assistance, Farm Labor Housing loan and grant programs, Housing Preservation Grants, rural housing vouchers, and Housing Application Packaging Grants. This office directs the following two divisions:

(i) Multi-Family Housing Processing Division. Headed by a division director, this division is responsible for the development and nationwide implementation of policies on processing Multi-Family Housing program loans. The division manages the following program areas: elderly and family rental housing, Farm Labor Housing loans and grants, outreach contacts, congregate facilities, Housing Preservation Grants, cooperative housing, rural housing vouchers, appraisals, Congregate Housing Services Grants, Rental Assistance, Housing Application Packaging Grants, targeted area and nonprofit set aside, Multi-Family Housing suspensions and debarments, title clearance and loan closing, allocation and monitoring of loan and grant funds, adverse decisions and appeals, commercial credit reports, individual credit reports, and site development.

(ii) Multi-Family Housing Portfolio Management Division. Headed by a division director, this division is responsible for the development and institution of policies on the management and servicing of the nationwide Multi-Family Housing programs. The Division implements current and long range plans for servicing Rural Rental Housing loans, Labor Housing loans and grants, and Rental Assistance or similar tenant subsidies.

(5) Office of the Deputy Administrator, Community Programs. Headed by the Deputy Administrator, Community Programs, this office is responsible for overseeing the administration and management of Community Facilities loans and grants to hospitals and nursing homes, police and fire stations, libraries, schools, adult and child care centers, etc. The office monitors and evaluates the administration of loan and grant programs on a nationwide basis and provides guidance and direction for community programs through two divisions, Community Programs Loan Processing Division and Servicing and Special Authorities Division.

(i) Community Programs Loan Processing Division. Headed by a director, this division is responsible for the overall administration, policy development, fund distribution, and processing of Community Facilities loans and grants and other loan and grant programs assigned to the Division.
(ii) **Servicing and Special Authorities Division.** Headed by a division director, this division is responsible for the overall administration, policy development, and servicing of the Community Facilities loan and grant programs. The division conducts program evaluations, identifies program weaknesses, makes recommendations for improvements, and identifies corrective actions. The division also administers and services Nonprofit National Corporation loans and grants.

§ 2003.22 Functional organization of RUS.

(a) **General.** The Secretary established RUS pursuant to §232 of the Department of Agriculture Reorganization Act of 1994 (7 U.S.C. 6942).

(b) **Office of the Administrator.** According to 7 CFR 2.47, the Administrator has responsibility for managing and administering the programs and support functions of RUS to provide financial and technical support for rural infrastructure to include electrification, clean drinking water, telecommunications, and water disposal systems, pursuant to the Consolidated Farm and Rural Development Act, as amended (7 U.S.C. 1921 et seq.), and the Rural Electrification Act of 1936, as amended (7 U.S.C. 901 et seq.). The office develops and implements strategic plans concerning the Rural Electrification Act of 1936, as amended. The Administrator serves as Governor of the Rural Telephone Bank (RTB) with a 13-member board of directors, and exercises and performs all functions, powers, and duties of the RTB in accordance with 7 U.S.C. 944.

(1) **Borrower and Program Support Services.** Borrower and Program Support Services consist of the three following staffs which are responsible to the Administrator for planning and carrying out a variety of program and administrative services in support of all RUS programs, and providing expert advice and coordination for the Administrator:

   (i) **Administrative Liaison Staff.** Headed by a staff director, this staff advises the Administrator on management issues and policies relating to human resources, EEO, labor-management partnership, administrative services, travel management, automated information systems, and administrative budgeting and funds control.

   (ii) **Program Accounting Services Division.** Headed by a division director, this division develops and evaluates the accounting systems and procedures of Electric, Telecommunications, and Water and Wastewater borrowers; assures that accounting policies, systems, and procedures meet regulatory, Departmental, General Accounting Office, OMB, and Treasury Department requirements; examines borrowers’ records and operations, and reviews expenditures of loans and other funds; develops audit requirements; and approves Certified Public Accountants to perform audits of borrowers.

   (iii) **Program and Financial Services Staff.** Headed by a staff director, this staff evaluates the financial conditions of troubled borrowers, negotiates settlements of delinquent loans, and makes recommendations to program Assistant Administrators on ways to improve the financial health of borrowers.

(2) **Office of Assistant Administrator—Electric Program.** Headed by the Assistant Administrator—Electric Program, this office is responsible to the Administrator for directing and coordinating the Rural Electrification program of RUS nationwide. This office develops, maintains, and implements regulations and program procedures on processing and approving loans and loan-related activities for rural electric borrowers. The office directs the following three divisions:

   (1) **Electric Regional Divisions.** Headed by division directors, these two divisions are responsible for administering the Rural Electrification program in specific geographic areas and serving as the single point of contact for all distribution borrowers. The divisions provide guidance to borrowers on RUS loan policies and procedures, maintain oversight of borrower rate actions, and make recommendations to the Administrator on borrower applications for RUS financing. The divisions also assure that power plant, distribution,
and transmission systems and facilities are designed and constructed in accordance with the terms of the loan and proper engineering practices and specifications.

(ii) Power Supply Division. Headed by a division director, this division is responsible for administering the Rural Electrification program responsibilities with regard to power supply borrowers nationwide and serves as primary point of contact between RUS and all such borrowers. The division develops and maintains a loan processing program for Rural Electrification Act purposes, and develops and administers engineering and construction policies related to planning, design, construction, operation, and maintenance for power supply borrowers.

(iii) Electric Staff Division. Headed by a division director, this division is responsible for engineering activities related to the design, construction, and technical operations and maintenance of power plants; distribution of power; and transmission systems and facilities, including load management and communications. The division develops criteria and techniques for evaluating the financing and performance of electric borrowers and forecasting borrowers' future power needs; and maintains financial expertise on the distribution and power supply loan program, and retail and wholesale rates.

(3) Office of Assistant Administrator—Telecommunications Program. Headed by the Assistant Administrator—Telecommunications Program, this office is responsible to the Administrator for directing and coordinating the National Rural Telecommunications, Distance Learning, and Telemedicine programs of RUS. The Assistant Administrator, Telecommunications Program, serves as Assistant Governor of the RTB and is responsible for the day-to-day activities of the RTB. The office develops, maintains, and implements regulations and program procedures on the processing and approval of grants, loans, and loan-related activities for all rural telecommunications borrowers and grant recipients. The office directs the following three divisions:

(i) Telecommunications Standards Division. Headed by a division director, this division is responsible for engineering staff activities related to the design, construction, and technical operation and maintenance of rural telecommunications systems and facilities. The office develops engineering practices, policies, and technical data related to borrowers' telecommunications systems; and evaluates the application of new communications network technology, including distance learning and telemedicine, to rural telecommunications systems.

(ii) Advanced Telecommunications Services Staff. Headed by a staff director, this staff primarily serves the Assistant Administrator, Telecommunications Program in the role of the Assistant Governor of the RTB. The office performs analyses and makes recommendations to the AAT on issues raised by the RTB Governor, Board of Directors, or RTB borrowers. This staff maintains official records for the RTB Board and prepares minutes of RTB Board meetings. The staff director serves as the Assistant Secretary to the RTB. The staff performs the calculations necessary to determine the cost of money rate to RTB borrowers and recommends and develops program-wide procedures for loan and grant programs. The office is responsible for the Telecommunications Program's home page on the Internet.

(iii) Telecommunications Area Offices. Headed by area directors, these four offices are responsible for administering the Telecommunications, Distance Learning, and Telemedicine programs for specific geographic areas, and serving as the single point of contact for all program applicants and borrowers within their respective areas. The offices provide guidance to applicants and borrowers on RUS and RTB loan policies and procedures, and make recommendations to the Administrator on applications for loans, guarantees, and grants. The offices assure that borrower systems and facilities are designed and constructed in accordance with the terms of the loan, acceptable engineering practices and specifications, and acceptable loan security standards.

(4) Office of the Assistant Administrator—Water and Environmental Programs. Headed by the Assistant Administrator, Water and Environmental Programs.
Programs, this office is responsible to the Administrator for directing and coordinating a nationwide Water and Waste Disposal Program for RUS as authorized under Section 306 of the Consolidated Farm and Rural Development Act, as amended (7 U.S.C. 1926). The office oversees administration of RUS policies on making and servicing loans and grants for water and waste facilities in rural America, and the development of engineering policies, and practices related to the construction and operation of community water and waste disposal systems. This office is responsible for development and coordination of environmental programs with regard to the Water and Waste Disposal Program and directs the following two divisions:

(i) Water Programs Division. Headed by the division director, this division is responsible for administering the Water and Waste Disposal loan and grant making and servicing and special authorities activities nationwide. This office also makes allocation of loan and grant funds to field offices and manages National Office reserves.

(ii) Engineering and Environmental Staff. Headed by a staff director, this staff is responsible for engineering activities at all stages of program implementation, including: review of preliminary engineering plans and specifications, procurement practices, contract awards, construction monitoring, and system operation and maintenance. The staff also develops Agency engineering practices, policies, and technical data related to the construction and operation of community water and waste disposal systems. The staff is responsible for coordinating environmental policy and providing technical support in areas such as: hazardous waste, debarment and suspension, flood insurance, drug free workplace requirements, and computer program software.

§ 2003.26 Functional organization of RBS.

(a) General. The Secretary established RBS pursuant to section 234 of the Department of Agriculture Reorganization Act of 1994 (7 U.S.C. 6944).

(b) Office of the Administrator. According to 7 CFR 2.48, the Administrator is responsible for managing and administering the programs and support functions of RBS to provide assistance to disadvantaged communities through grants and loans and technical assistance to businesses and communities for rural citizens and cooperatives, pursuant to the following authorities: the Rural Electrification Act of 1936, as amended (7 U.S.C. 940c and 950aa et seq.), the Consolidated Farm and Rural Development Act (7 U.S.C. 1921 et seq.), the Cooperative Marketing Act of 1926 (7 U.S.C. 451–457), the Agricultural Marketing Act of 1946 (7 U.S.C. 1621–1627), and the Food Security Act of 1985 (7 U.S.C. 1932). These grants, loans, and technical assistance improve community welfare by enhancing organizational and management skills, developing effective economic strategies, and expanding markets for a wide range of rural products and services.

(1) Resources Coordination Staff. Headed by the staff director, this staff is responsible to the Administrator for preparing legislative initiatives and modifications for program enhancement. The staff monitors legislative and regulatory proposals that potentially impact RBS functions. The staff serves as liaison on budgetary and financial management matters between RBS staff and the Office of the Controller, and assists the Administrator in presenting and supporting RBS's budget and program plans. The staff also advises the Administrator and RBS officials on management issues and policies related to: human resources, labor relations, civil rights, EEO, space, equipment, travel, Senior Executive Service and Schedule C activities, contracting, automated information systems, and accounting. The staff provides analysis and recommendations on the effectiveness of administrative and management activities, and performs liaison functions between RBS and the Office of the Deputy Under Secretary for O&M on a wide variety of administrative functions.

(2) Office of the Deputy Administrator, Business Programs. Headed by the Deputy Administrator, Business Programs,
this office is responsible to the Administrator for overseeing and coordinating the Business and Industry Guaranteed and Direct Loan programs, Intermediary Relending Program loans, Rural Business Enterprise grants, Rural Business Opportunity grants, Rural Economic Development loan and grant programs, and the Rural Venture Capital Demonstration Program. The office participates in policy planning, and program development and evaluation. It also directs the following three divisions:

(i) **Processing Division.** Headed by the division director, this division is responsible for developing and maintaining loan processing regulations, and directs the processing and approval of guaranteed and direct business and industry loans, and the Rural Venture Capital Demonstration Program. It provides technical assistance to field employees and borrowers on loan processing and develops approval criteria and performance standards for loans. The division recommends plans, programs, and activities related to business loan and grant programs.

(ii) **Servicing Division.** Headed by the division director, this office is responsible for developing and maintaining servicing regulations. It directs and provides technical assistance to field employees and borrowers on servicing business loans and grants. The division reviews large, complex, or potentially controversial loan and grant dockets related to loan servicing and recommends servicing plans, programs, and activities related to business loan and grant programs.

(iii) **Specialty Lenders Division.** Headed by the division director, this office is responsible for directing and developing and maintaining regulations concerning the processing and approval of Intermediary Relending loans, Rural Business Enterprise grants, Rural Business Opportunity grants, and Rural Economic Development loan and grant programs. The division provides technical assistance to field employees and borrowers on loan and grant processing and other activities. It also develops approval criteria and performance standards and recommends plans, programs, and activities related to business loan and grant programs.

(3) **Office of the Deputy Administrator, Cooperative Services Programs.** Headed by the Deputy Administrator, Cooperative Services Programs, this office is responsible to the Administrator for providing service to cooperative associations by administering a program of research and analysis of economic, social, legal, financial, and other related issues concerning cooperatives. The office administers programs to assist cooperatives in the organization and management of their associations and a program for economic research and analysis of the marketing aspects of cooperatives. The division administers and monitors activities of the National Sheep Industry Improvement Center and the Appropriate Technology Transfer to Rural Areas Program, and the Rural Cooperative Development Grant Program. The office directs the following three divisions:

(i) **Cooperative Marketing Division.** Headed by the division director, this division is responsible for participating in the formulation of National policies and procedures on cooperative marketing. The division conducts research and analysis and gives technical assistance to farmer cooperatives on cooperative marketing of certain crops, livestock, aquaculture, forestry, poultry, semen, milk, and dairy products to improve their market performance and economic position.

(ii) **Cooperative Development Division.** Headed by the division director, this division is responsible for participating in the formulation of National policies and procedures on cooperative development. The office conducts evaluations and analysis of proposed new cooperatives to develop plans for implementing feasible operations, and advises and assists rural resident groups and developing cooperatives in implementing sound business plans for new cooperatives. It provides research, analysis, and technical assistance to rural residents on cooperative development initiatives and strategies to improve economic conditions through cooperative efforts.
Cooperative Resource Management Division. Headed by the division director, this division is responsible for participating in the formulating of National policies and procedures on cooperative resource management. The division conducts research and analysis and gives technical assistance to cooperatives on their overall structure, strategic management and planning, financial issues, and operational characteristics to improve their use of resources, financial policies, and ability to adapt to market conditions. The division conducts research and analysis of policy, taxation, Federal laws, State statutes, and common laws that apply to cooperative incorporation, structure, and operation to assist cooperatives in meeting legal requirements.

Office of the Deputy Administrator, Community Development. Headed by the Deputy Administrator, Community Development, this office is responsible to the Under Secretary, Rural Development, for coordinating and overseeing all functions in the Community Outreach and Empowerment Program areas. The office assists in providing leadership and coordination to National and local rural economic and community development efforts. For appropriation and accounting purposes, this office is located under RBS. The office directs the following two divisions:

(i) Empowerment Program Division. Headed by the division director, this division is responsible for formulating policies and developing plans, standards, procedures, and schedules for accomplishing RBS activities related to “community empowerment programs”, including EZ/EC, AmeriCorps, and other initiatives. The office develops informational materials and provides technical advice and services to support States on community empowerment programs. It also generates information about rural conditions and strategies and techniques for promoting rural economic development for community empowerment programs.

(ii) Community Outreach Division. Headed by the division director, this division is responsible for designing and overseeing overall systems and developing resources to support State and community level implementation activities for RBS programs. The office designs program delivery systems and tools, removes impediments to effective community-level action, supports field offices with specialized skills, and establishes partnerships with National organizations with grass-roots membership to assure that programs and initiatives are designed and implemented in a way that empowers communities. It develops methods for working with rural business intermediaries to assist them in providing technical assistance to new, small business, and provides Internet-based services to 1890 Land-grant universities, EZ/EC, and AmeriCorps volunteers, linking RBS information support to communities with high levels of need.

Alternative Agricultural Research and Commercialization Corporation. Headed by a director, this Corporation is responsible for providing and monitoring financial assistance for the development and commercialization of new nonfood and nonfeed products from agricultural and forestry commodities in accordance with 7 U.S.C. 5901 et seq. The Corporation acts as a catalyst in forming private and public partnerships and promotes new uses of agricultural materials. It expands market opportunities for U.S. farmers through development of value-added industrial products and promotes environmentally friendly products. For budget and accounting purposes, this office is assigned to RBS. The director of the Corporation is responsible to the Office of the Secretary.

PART 2018—GENERAL

Subparts A–E [Reserved]

Subpart F—Availability of Information

Sec. 2018.251 General statement.
2018.252 Public inspection and copying.
2018.253 Indexes.
2018.254 Requests for records.
2018.255 Appeals.
2018.256–2018.300 [Reserved]

AUTHORITY: 5 U.S.C. 552.

Subparts A–E [Reserved]
§ 2018.251 General statement.

In keeping with the spirit of the Freedom of Information Act (FOIA), the policy of Rural Development and its component agencies, Rural Housing Service (RHS), Rural Utilities Service (RUS), and Rural Business-Cooperative Service (RBS), governing access to information is one of nearly total availability, limited only by the countervailing policies recognized by the FOIA.

§ 2018.252 Public inspection and copying.

Facilities for inspection and copying are provided by the Freedom of Information Officer (FOIO) in the National Office, by the State Director in each State Office, by the Rural Development Manager (formerly, District Director) in each District Office, and by the Community Development Manager (formerly, County Supervisor) in each County Office. A person requesting information may inspect such materials and, upon payment of applicable fees, obtain copies. Material may be reviewed during regular business hours. If any of the Rural Development materials requested are not located at the office to which the request was made, the request will be referred to the office where such materials are available.

§ 2018.253 Indexes.

Since Rural Development does not maintain any materials to which 5 U.S.C. 552(a)(2) applies, it maintains no indexes.

§ 2018.254 Requests for records.

Requests for records are to be submitted in accordance with 7 CFR 1.3 and may be made to the appropriate Community Development Manager, Rural Development Manager, State Administrative Management Program Director (formerly, State Administrative Officer), State Director, Freedom of Information/Privacy Act Specialist, or Freedom of Information Officer. The last two positions are located in the Rural Development Support Services Division, Washington, DC 20250. The phrase “FOIA REQUEST” should appear on the outside of the envelope in capital letters. The FOIA requests under the Farm Credit Programs (formally FmHA Farmer Programs) should be forwarded to the Farm Service Agency (FSA), Freedom of Information Officer, Room 3624, South Agriculture Building, 14th & Independence Avenue, SW., Washington, DC 20250-0506. Requests should be as specific as possible in describing the records being requested. The FOIO, Freedom of Information/Privacy Act Specialist, each State Administrative Management Program Director, each State Director, each Rural Development Manager, and each Community Development Manager are delegated authority to act respectively at the national, state, district, or county level on behalf of Rural Development to:

(a) Deny requests for records determined to be exempt under one or more provisions of 5 U.S.C. 552(b);

(b) Make discretionary releases (unless prohibited by other authority) of such records when it is determined that the public interests in disclosure outweigh the public and/or private ones in withholding; and

(c) Reduce or waive fees to be charged where determined to be appropriate.

§ 2018.255 Appeals.

If all or any part of an initial request is denied, it may be appealed in accordance with 7 CFR 1.7 to that particular Agency possessing the documents. Please select the appropriate Agency to forward your FOIA appeal from the following addresses: Administrator, Rural Housing Service, Room 5014, AG Box 0701, 14th & Independence Avenue, SW.—South Building, Washington, DC 20250–0701; Administrator, Rural Business-Cooperative Service, Room 5045, AG Box 3201, 14th & Independence Avenue, SW.—South Building, Washington, DC 20250–3201 and Administrator, Rural Utilities Service, Room 4501, AG Box 1510, 14th & Independence Avenue, SW.—South Building, Washington, DC
§ 2045.1751 General.

Section 331(b) of the Consolidated Farm and Rural Development Act (Pub. L. 92–419), and section 506(a) of the Housing Act of 1949, empower the Secretary of Agriculture to accept and utilize voluntary and uncompensated services in carrying out the provisions of the above cited Acts. The Secretary has delegated those authorities to the Administrator of the Farmers Home Administration (FmHA) or its successor agency under Public Law 103–354 in 7 CFR 2.70(a) (1) and (2).

§ 2045.1752 Policy.

Voluntary and uncompensated (gratuitous) services may be accepted with the consent of the agency concerned, from the following sources under the conditions set forth in Exhibit A, “Agreement for Utilization of Employee of (Enter Official Title of Governing Body or Other Authorized Organization)” By the Farmers Home Administration or its successor agency under Public Law 103–354” (Agreement Form).

(a) Any agency of State government or of any territory or political subdivision.

(b) Non-profit, educational, and charitable organizations, provided that no partisan, political, or profit motive is involved either explicitly or implicitly.

§ 2045.1753 Authority to accept gratuitous services.

(a) State Directors, Director, Personnel Division, and Director, Finance Office, are hereby authorized to accept and utilize gratuitous services offered by the governmental agencies listed in §2045.1752(a).

(b) An offer received by an FmHA or its successor agency under Public Law 103–354 State or County Office from a source listed in §2045.1752(b) shall be transmitted to the National Office, Attention: Director, Personnel Division, for decision. The offer will be accompanied by copies of the Articles of Incorporation and By-laws (if the organization is incorporated), a statement that the organization accepts the conditions set forth in the Agreement Form, and evidence that the organization is financially able to meet the required fiscal obligations of the agreement.

§ 2045.1754 Scope of gratuitous services performed.

(a) Gratuitous services accepted in accordance with this subpart may be utilized to perform any function performed by regular FmHA or its successor agency under Public Law 103–354 employees (excluding Committee members). Such services must not result in the displacement of employees. Most of the gratuitous services should be performed at the County Office level and conform to a standard FmHA or its successor agency under Public Law 103–354 position description. A nonstandard position description may be developed and used, depending on current agency needs in a particular office and gratuitous skills available.

(b) Orientation and other training will be provided by FmHA or its successor agency under Public Law 103–354 so that gratuitous services may be performed in accordance with current
FmHA or its successor agency under Public Law 103–354 procedure.

(c) Persons performing authorized gratuitous services will be held to the same standard as regular FmHA or its successor agency under Public Law 103–354 employees performing similar duties. The issuance of, and accountability for, identification cards and clearance of employee accountability will be as prescribed in FmHA or its successor agency under Public Law 103–354 Instruction 2024–B which is available in all FmHA or its successor agency under Public Law 103–354 Offices. Such persons, except ConstructionInspectors may, when under direct supervision of County Supervisors, act as Collection Officers and be allowed to use receipt books.

§ 2045.1755 Preparation and disposition of agreement forms.

(a) Agreements to accept and utilize gratuitous services must be identical to the attached Exhibit A (Agreement Form) with such exceptions as may be authorized by the Office of the General Counsel, Department of Agriculture.

(b) Two copies of each signed Agreement Form will be forwarded to the Personnel Division. One copy will be retained in the State or Finance Office.

§ 2045.1756 Records and reports.

The FmHA or its successor agency under Public Law 103–354 official signing the Agreement Form will maintain records to show the names, duty assignments, time worked and work locations of all persons performing gratuitous services. Copies of time reports submitted to the persons' employers should suffice. These records will be necessary to respond to occasional requests for reports on the acceptance and utilization of gratuitous services in the FmHA or its successor agency under Public Law 103–354.

EXHIBIT A TO SUBPART JJ OF PART 2045—AGREEMENT FORM

FOR UTILIZATION OF EMPLOYEES OF (OFFICIAL TITLE OF GOVERNING BODY OR OTHER AUTHORIZED ORGANIZATION, i.e., PICKENS COUNTY, ALA., BOARD OF COMMISSIONERS)

BY THE FARMERS HOME ADMINISTRATION OR ITS SUCCESSOR AGENCY UNDER PUBLIC LAW 103–354

1. This Agreement, dated ______ between, a (political subdivision), (educational), (charitable), (or nonprofit) an organization of the State of ______ (hereinafter called the Agency) and the United States of America acting through Farmers Home Administration or its successor agency under Public Law 103–354, U.S. Department of Agriculture (hereinafter called the Administration) is entered into for the purpose of permitting certain employees of the Agency (hereinafter called the Agency employees) to assist in the Administration’s effort to provide agricultural, housing and other assistance for rural people of the State of ______ in accordance with Section 331(b) of the Consolidated Farm and Rural Development Act and Section 506(a), Title V of the Housing Act of 1949.

2. The Administration certifies that it is empowered by the current Federal laws cited above, and related rules and regulations, to accept personnel assistance from the Agency as provided in paragraphs 4 and 5 below; and that the work assigned to Agency employees will be useful, in the public interest, could not otherwise be provided, and will not result in the displacement of employed workers.

3. The Agency certifies that it has the authority under the laws of the State of ______ to enter into this Agreement and to provide the services agreed upon in the manner provided for.

4. The Administration hereby supplies the Agency with a narrative description which is made a part of this Agreement as Attachment “A.” explicitly setting forth the duties, knowledge, skills, and abilities to be required of Agency employees.

5. The Administration agrees to:

(a) Provide training for and responsible supervision of qualified and acceptable Agency employees in accordance with Attachment “A.”

(b) Provide work within the State of ______ for qualified and acceptable Agency employees for periods not to exceed eight hours per day and 40 hours per week.

(c) Provide the office space, tools, equipment, and supplies to be used by Agency employees in performing work for the Administration.

(d) Report in the Agency, as required, the time worked by and work accomplishments of Agency employees.
(e) Consult with the Agency, as necessary, on situations involving delinquency, misconduct, neglect of work, and apparent conflicts of interest of Agency employees.

(f) Reimburse Agency employees for proper and reasonable travel and per diem expenses incurred in performing official duties for the Administration, in accordance with Administration travel regulations.

(g) Consider Agency employees to be Federal employees for the purposes of the Federal Employees Compensation Act (5 U.S.C. 8101) and of the Federal Tort Claims Act (28 U.S.C. 2671–2680).

6. The Agency agrees to:

(a) Not discriminate against any employee or applicant for employment because of race, color, religion, sex, age, marital status, physical handicap, or national origin. The Agency will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, age, marital status, physical handicap, or national origin. Such action shall include, but not be limited to, the following: Employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training including apprenticeship. The Agency will post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscriminating clause.

(b) Obtain fingerprints, police records, and work qualifications checks on potential assignees, and divulge the results to the Administration or permit the Administration to obtain this information.

(c) Assign only Agency employees who are acceptable to the Administration in terms of meeting the same ability and suitability standards which are applied to Federal employment.

(d) Pay all salaries and other expenses of Agency employees and comply with Federal, State, and local minimum wage statutes. No monies will be paid by the Administration under this agreement, either to the Agency or its employees.

(e) Consider any Tort claims by third parties under applicable laws and regulations.

(f) Reassign or terminate the assignment of Agency employees upon request of the Administration.

7. The Agency and the Administration mutually understand and agree that the reasons for determining that an Agency employee is unacceptable or unsuitable for initial or continued assignment to Administration work may include but shall not be limited to the following:

(a) Practicing or appearing to practice discrimination for reasons of race, color, religion, sex, age, marital status, physical handicap, or national origin.

(b) Being or becoming involved in real or apparent conflicts of interest, such as, engaging directly or indirectly in business transactions with Administration applicants or borrowers, or using or appearing to use the Administration work assignment for private gain.

(c) Engaging in or having engaged in criminal, dishonest, or immoral conduct, or conducting himself in a manner which might embarrass or cause criticism of the Administration.

(d) Being absent from duty without authorization.

(e) Engaging in partisan political activity prohibited to Federal employees doing similar work.

(f) Lack of work.

(g) Inability of the employee to perform the duties of the assignment.

8. The term of this Agreement shall commence on the date thereof. It shall end on , unless extended by mutual agreement, or unless terminated earlier by at least (30) days advanced written notice by either party to the other.

9. The Agency and the Administration respectively certify, each for itself, that its officer signing this Agreement is duly authorized thereto.

(b) Administrator means the Administrator of the Rural Utilities Service of the United States Department of Agriculture.
(c) Board means the Launching Our Communities’ Access to Local (LOCAL) Television Loan Guarantee Board.
(d) Person means any individual, corporation, cooperative, partnership, joint venture, association, joint-stock company, limited liability company or partnership, trust, unincorporated organization, government entity, agency or instrumentality or any subdivision thereof.

§ 2200.2 Purpose and scope.

This part is issued by the Board pursuant to Section 1004 of the Act. This part describes the Board’s organizational structure and the means and rules by which the Board takes actions.

§ 2200.3 Composition of the Board.

The Board consists of the Secretary of the Treasury, the Chairman of the Board of Governors of the Federal Reserve System, the Secretary of Agriculture, and the Secretary of Commerce, or their respective designees. An individual may be designated a member of the Board only if the individual is an officer of the United States pursuant to an appointment by the President, by and with the advice and consent of the Senate.

§ 2200.4 Authority of the Board.

The Board is authorized to guarantee loans in accordance with the provisions of the Act and procedures, rules, and regulations established by the Board; to make the determinations authorized by the Act; and to take such other actions as are necessary to carry out its functions in accordance with the Act.

§ 2200.5 Offices.

The principal offices of the Board are at the U.S. Department of Agriculture, Rural Utilities Service, Room 2919–S, Stop 1541; 1400 Independence Ave., SW.; Washington, DC 20256–1590.

§ 2200.6 Meetings and actions of the Board.

(a) Chair. At its initial meeting, the Board shall select a Chair by an affirmative vote of not less than three members of the Board.
(b) Place and frequency. The Board meets, on the call of the Chair, in order to consider matters requiring action by the Board. Time and place for any such meeting shall be determined by the members of the Board.
(c) Quorum and voting. Three voting members of the Board constitute a quorum for the transaction of business. All decisions and determinations of the Board shall be made by an affirmative vote of not less than three members of the Board. All votes on determinations of the Board required by the Act shall be recorded in the minutes. A Board member may request that any vote be recorded according to individual Board members.
(d) Agenda of meetings. To the extent practicable, an agenda for each meeting shall be distributed to members of the Board at least two days in advance of the date of the meeting, together with copies of materials relevant to the agenda items.
§ 2200.7

(e) Minutes. The Secretary shall keep minutes of each Board meeting and of action taken without a meeting, a draft of which is to be distributed to each member of the Board as soon as practicable after each meeting or action. To the extent practicable, the minutes of a Board meeting shall be corrected and approved at the next meeting of the Board.

(f) Use of conference call communications equipment. Any member may participate in a meeting of the Board through the use of conference call, telephone or similar communications equipment, by means of which all persons participating in the meeting can simultaneously speak to and hear each other. Any member so participating in a meeting shall be deemed present for all purposes. Actions taken by the Board at meetings conducted through the use of such equipment, including the votes of each member, shall be recorded in the usual manner in the minutes of the meetings of the Board.

(g) Actions between meetings. When, in the judgment of the Chair, circumstances occur making it desirable for the Board to consider action when it is not feasible to call a meeting, the relevant information and recommendations for action may be transmitted to the members by the Secretary and the voting members may communicate their votes to the Chair in writing (including an action signed in counterpart by each Board member), electronically, or orally (including telephone communication). Any action taken under this paragraph has the same effect as an action taken at a meeting. Any such action shall be recorded in the minutes.

(h) Officers and staff of the Board. The Board shall appoint a Secretary and may appoint such other officers and staff as it deems appropriate, including an Executive Director and a Legal Counsel. An individual may hold more than one officer or staff position.

(i) Delegations of authority. The Board may delegate authority, subject to such terms and conditions as the Board deems appropriate, to officers and staff to take certain actions not required by the Act to be taken by the Board. All delegations shall be made pursuant to resolutions of the Board and recorded in writing, whether in the minutes of a meeting or otherwise. Any action taken pursuant to such delegated authority has the effect of an action taken by the Board.

§ 2200.7 Officer and staff responsibilities.

(a) Executive Director. The Executive Director advises and assists the Board in carrying out its responsibilities under the Act, provides general direction with respect to the administration of the Board’s actions, directs the activities of the staff, and performs such other duties as the Board may require.

(b) Legal Counsel. The Legal Counsel provides legal advice relating to the responsibilities of the Board and performs such other duties as the Board may require.

(c) Secretary. The Secretary sends notice of all meetings, prepares minutes of all meetings, maintains a complete record of all votes and actions taken by the Board, has custody of all records of the Board, has authority to publish documents in the FEDERAL REGISTER upon approval of the Board and performs such other duties as the Board may require.

(d) Other. The responsibilities of any other officer or staff shall be defined by the Board at the time of appointment of such position.

§ 2200.8 Ex parte communications.

Communication with the Board shall be conducted through the staff of the Board. Oral or written communication, not on the public record, between the Board, or any member of the Board, and any party or parties interested in any matter pending before the Board concerning the substance of that matter is prohibited.

§ 2200.9 Amendments.

The Board’s rules may be adopted or amended, or new rules may be adopted, only by the affirmative vote of not less than three members of the Board. Authority to adopt or amend these rules may not be delegated.

§ 2200.10 Restrictions on lobbying.

(a) No funds received through a Loan guaranteed under this Program in this chapter may be expended by the recipient of a Federal contract, grant, loan,
Local Television Loan Guarantee Board

§ 2200.11

loan guarantee, or cooperative agreement to pay any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any of the following covered Federal actions: the awarding of any Federal contract, the making of any Federal loan or loan Guarantee, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, loan Guarantee, or cooperative agreement.

(b) Each person who requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with that agency a statement, set forth in the application form, whether that person has made or has agreed to make any payment to influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with that loan insurance or Guarantee.

(c) Each person who requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with that agency a Standard Form-LLL if that person has made or has agreed to make any payment to influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with that loan insurance or Guarantee.

(d) Each person shall file a certification, contained in the application form, and a disclosure form (Standard Form-LLL), if required, with each submission that initiates agency consideration of such person for:

(1) Award of a Federal contract, grant, or cooperative agreement exceeding $100,000; or

(2) An award of a Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding $150,000.

(e) Each person shall file a certification, and a disclosure form, if required, upon receipt by such person of:

(1) A Federal contract, grant, or cooperative agreement exceeding $100,000; or

(2) A Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding $150,000, unless such person previously filed a certification, and a disclosure form, if required, under paragraph (c) of this section.

(f) Each person shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed by such person under paragraphs (d) or (e) of this section. An event that materially affects the accuracy of the information reported includes:

(1) A cumulative increase of $25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered Federal action; or

(2) A change in the person(s) or individual(s) influencing or attempting to influence a covered Federal action; or

(3) A change in the officer(s), employee(s), or Member(s) contacted to influence or attempt to influence a covered Federal action.

§ 2200.11 Government-wide debarment and suspension (nonprocurement).

(a) Executive Order (E.O.) 12549 provides that, to the extent permitted by law, Executive departments and agencies shall participate in a governmentwide system for nonprocurement debarment and suspension. A person who is debarred or suspended shall be excluded from Federal financial and nonfinancial assistance and benefits under Federal programs and activities. Debarment or suspension of a participant in a program by one agency shall have governmentwide effect. The Board shall review the List of Debarred entities prior to making final loan Guarantee decisions. Suspension or debarment may be a basis for denying a loan Guarantee.
§ 2200.11 7 CFR Ch. XX (1–1–16 Edition)

(b) This section applies to all persons who have participated, are currently participating or may reasonably be expected to participate in transactions under Federal nonprocurement programs. For purposes of this section such transactions will be referred to as “covered transactions.”

(1) Covered transaction. For purposes of this section, a covered transaction is a primary covered transaction or a lower tier covered transaction. Covered transactions at any tier need not involve the transfer of Federal funds.

(i) Primary covered transaction. Except as noted in paragraph (b)(2) of this section, a primary covered transaction is any nonprocurement transaction between an agency and a person, regardless of type, including: grants, cooperative agreements, scholarships, fellowships, contracts of assistance, loans, loan guarantees, subsidies, insurance, payments for specified use, donation agreements and any other nonprocurement transactions between a Federal agency and a person.

(ii) Lower tier covered transaction. A lower tier covered transaction is:

(A) Any transaction between a participant and a person other than a procurement contract for goods or services, regardless of type, under a primary covered transaction;

(B) Any procurement contract for goods or services between a participant and a person, regardless of type, expected to equal or exceed the Federal procurement small purchase threshold fixed at 10 U.S.C. 2304(g) and 41 U.S.C. 253(g) (currently $100,000) under a primary covered transaction;

(C) Any procurement contract for goods or services between a participant and a person under a covered transaction, regardless of amount, under which that person will have a critical influence on or substantive control over that covered transaction. Such persons may include loan officers or chief executive officers acting as principal investigators and providers of federally required audit services.

(2) Exceptions. The following transactions are not covered:

(i) Statutory entitlements or mandatory awards (but not subtier awards thereunder which are not themselves mandatory), including deposited funds insured by the Federal Government;

(ii) Direct awards to foreign governments or public international organizations, or transactions with foreign governments or foreign governmental entities, public international organizations, foreign government owned (in whole or in part) or controlled entities, entities consisting wholly or partially of foreign governments or foreign governmental entities;

(iii) Benefits to an individual as a personal entitlement without regard to the individual’s present responsibility (but benefits received in an individual’s business capacity are not accepted);

(iv) Federal employment;

(v) Transactions pursuant to national or agency-recognized emergencies or disasters;

(vi) Incidental benefits derived from ordinary governmental operations; and

(vii) Other transactions where the application of this section would be prohibited by law.

(3) Board covered transactions. This section applies to the Board’s Loan Guarantees, subcontracts and transactions at any tier that are charges as direct or indirect costs, regardless of type.

(c) Primary covered transactions. Except to the extent prohibited by law, persons who are debarred or suspended shall be excluded from primary covered transactions as either participants or principals throughout the Executive Branch of the Federal Government for the period of their debarment, suspension, or the period they are proposed for debarment under 48 CFR part 9, subpart 9.4. Accordingly, no agency shall enter into primary covered transactions with such excluded persons during such period, except as permitted pursuant to paragraph (l) of this section.

(d) Lower tier covered transactions. Except to the extent prohibited by law, persons who have been proposed for debarment under 48 CFR part 9, subpart 9.4, debarred or suspended shall be excluded from participating as either participants or principals in all lower tier covered transactions (see paragraph (b)(1)(ii) of this section for the period of their exclusion).
(e) **Exceptions.** Debarment or suspension does not affect a person’s eligibility for:

(1) Statutory entitlements or mandatory awards (but not subtier awards thereunder which are not themselves mandatory), including deposited funds insured by the Federal Government;

(2) Direct awards to foreign governments or public international organizations, or transactions with foreign governments or foreign governmental entities, public international organizations, foreign government owned (in whole or in part) or controlled entities, and entities consisting wholly or partially of foreign governments or foreign governmental entities;

(3) Benefits to an individual as a personal entitlement without regard to the individual’s present responsibility (but benefits received in an individual’s business capacity are not accepted);

(4) Federal employment;

(5) Transactions pursuant to national or agency-recognized emergencies or disasters;

(6) Incidental benefits derived from ordinary governmental operations; and

(7) Other transactions where the application of this section would be prohibited by law.

(f) Persons who are ineligible are excluded in accordance with the applicable statutory, executive order, or regulatory authority.

(g) Persons who accept voluntary exclusions are excluded in accordance with the applicable statutory, executive order, or regulatory authority.

(h) The Board may grant an exception permitting a debarred, suspended, or voluntarily excluded person, or a person proposed for debarment under 48 CFR part 9, subpart 9.4, to participate in a particular covered transaction upon a written determination by the agency head or an authorized designee stating the reason(s) for deviating from the Presidential policy established by Executive Order 12549. However, in accordance with the President’s stated intention in the Executive Order, exceptions shall be granted only infrequently. Exceptions shall be reported in accordance with the Executive Order.

(i) Notwithstanding the debarment, suspension, proposed debarment under 48 CFR part 9, subpart 9.4, determination of ineligibility, or voluntary exclusion of any person by an agency, agencies and participants may continue covered transactions in existence at the time the person was debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, declared ineligible, or voluntarily excluded. A decision as to the type of termination action, if any, to be taken should be made only after thorough review to ensure the propriety of the proposed action.

(j) Agencies and participants shall not renew or extend covered transactions (other than no-cost time extensions) with any person who is debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible or voluntarily excluded, except as provided in paragraph (h) of this section.

(k) Except as permitted under paragraphs (h) or (i) of this section, a participant shall not knowingly do business under a covered transaction with a person who is:

(1) Debarred or suspended;

(2) Proposed for debarment under 48 CFR part 9, subpart 9.4; or

(3) Ineligible for or voluntarily excluded from the covered transaction.

(l) Violation of the restriction under paragraph (k) of this section may result in disallowance of costs, annulment or termination of award, issuance of a stop work order, debarment or suspension, or other remedies as appropriate.

(m) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. An agency has the burden of proof that a participant did knowingly do business with a person that filed an erroneous certification.

§ 2200.12 Freedom of Information Act.

(a) Definitions. All terms used in this section, which are defined in 5 U.S.C. 551 or 5 U.S.C. 552 shall have the same meaning in this section. In addition the following definitions apply to this section:

(1) FOIA, as used in this section, means the “Freedom of Information Act,” as amended, 5 U.S.C. 552.

(2) Commercial use request means a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made.

(3) Direct costs mean those expenditures that the Board actually incurs in searching for, reviewing, and duplicating documents in response to a request made under paragraph (c) of this section. Direct costs include, for example, the labor costs of the employee performing the work (the basic rate of pay for the employee, plus 16 percent of that rate to cover benefits). Not included in direct costs are overhead expenses such as the costs of space and heating or lighting of the facility in which the records are kept.

(4) Duplication means the process of making a copy of a document in response to a request for disclosure of records or for inspection of original records that contain exempt material or that otherwise cannot be inspected directly. Among others, such copies may take the form of paper, microfilm, audiovisual materials, or machine-readable documentation (e.g., magnetic tape or disk).

(5) Educational institution means a preschool, a public or private elementary or secondary school, or an institution of undergraduate higher education, graduate higher education, professional education, or an institution of vocational education that operates a program of scholarly research.

(6) Noncommercial scientific institution refers to an institution that is not operated on a “commercial” basis (as that term is used in this section) and which is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(7) News means information about current events or that would be of current interest to the public. Examples of news media entities include, but are not limited to, television or radio stations broadcasting to the public at large, and publishers of newspapers and other periodicals (but only in those instances when they can qualify as disseminators of “news”) who make their products available for purchase or subscription by the general public. “Freelance” journalists may be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization, even though not actually employed by it.

(8) Representative of the news media means any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the general public.

(9) Review means the process of examining documents, located in response to a request for access, to determine whether any portion of a document is exempt information. It includes doing all that is necessary to excise the documents and otherwise to prepare them for release. Review does not include time spent resolving general legal or policy issues regarding the application of exemptions.

(10) Search means the process of looking for material that is responsive to a request, including page-by-page or line-by-line identification within documents. Searches may be done manually or by computer.

(b) Records available for public inspection and copying—(1) Types of records made available. The information in this section is furnished for the guidance of the public and in compliance with the requirements of the FOIA. This section sets forth the procedures the Board follows to make publicly available the materials specified in 5 U.S.C. 552(a)(2). These materials shall be made available for inspection and copying at the Board’s offices pursuant to 5 U.S.C. 552(a)(2). Information routinely provided to the public as part of a regular Board activity (for example, press releases) may be provided to the public without following this section.

(2) Reading room procedures. Information available under this section is
Local Television Loan Guarantee Board § 2200.12

available for inspection and copying, from 9 a.m. to 5 p.m. weekdays, at 1400 Independence Avenue, SW., Washington, DC.

(3) Electronic records. Information available under this section shall also be available on the Board’s Web site found at http://www.usda.gov/rus/localtvboard.

(c) Records available to the public on request—(1) Types of records made available. All records of the Board that are not available under paragraph (b) of this section shall be made available upon request, pursuant to the procedures in this section and the exceptions set forth in the FOIA.

(2) Procedures for requesting records. A request for records shall reasonably describe the records in a way that enables the Board’s staff to identify and produce the records with reasonable effort and without unduly burdening or significantly interfering with any of the Board’s operations. The request shall be submitted in writing to the Secretary of the Board at LOCAL Television Loan Guarantee Board, 1400 Independence Avenue, SW., STOP 1575, Room 2919–S, Washington, DC 20250–1575, or sent by facsimile to the Secretary of the Board at (202) 720–2734. The request shall be clearly marked FREEDOM OF INFORMATION ACT REQUEST.

(3) Contents of request. The request shall contain the following information:

(i) The name and address of the requester, and the telephone number at which the requester can be reached during normal business hours;

(ii) Whether the requested information is intended for commercial use, or whether the requester represents an educational or noncommercial scientific institution, or news media;

(iii) A statement agreeing to pay the applicable fees, or a statement identifying any fee limitation desired, or a request for a waiver or reduction of fees that satisfies paragraph (f) of this section.

(d) Processing requests—(1) Priority of responses. The date of receipt for any request, including one that is addressed incorrectly or that is referred to the Board by another agency, is the date the Secretary of the Board actually receives the request. The Secretary of the Board shall normally process requests in the order they are received. However, in the Secretary of the Board’s discretion, the Board may use two or more processing tracks by distinguishing between simple and more complex requests based on the number of pages involved, or some other measure of the amount of work and/or time needed to process the request, and whether the request qualifies for expedited processing as described in paragraph (d)(2) of this section. When using multitrack processing, the Secretary of the Board may provide requesters in the slower track(s) with an opportunity to limit the scope of their requests in order to qualify for faster processing. The Secretary of the Board shall contact the requester by telephone or by letter, whichever is most efficient in each case.

(2) Expedited processing. (i) A person may request expedited access to records by submitting a statement, certified to be true and correct to the best of that person’s knowledge and belief, that demonstrates a compelling need for the records, as defined in 5 U.S.C. 552(a)(6)(E)(v).

(ii) The Secretary of the Board shall notify a requester of the determination whether to grant or deny a request for expedited processing within ten working days of receipt of the request. If the Secretary of the Board grants the request for expedited processing, the Board shall process the request for access to information as soon as practicable. If the Secretary of the Board denies a request for expedited processing, the requester may file an appeal pursuant to the procedures set forth in paragraph (e) of this section, and the Board shall respond to the appeal within twenty days after the appeal was received by the Board.

(3) Time limits. The time for response to requests shall be 20 working days, except:

(i) In the case of expedited treatment under paragraph (d)(2) of this section;

(ii) Where the running of such time is suspended for payment of fees pursuant to paragraph (f)(2)(ii) of this section;

(iii) Where the estimated charge is less than $250, and the requester does
§ 2200.12

7 CFR Ch. XX (1–1–16 Edition)

not guarantee payment pursuant to paragraph (f)(2)(i) of this section; or

(iv) In unusual circumstances, as defined in 5 U.S.C. 552(a)(6)(B)(iii), the time limit may be extended for a period of time not to exceed 10 working days as provided by written notice to the requester, setting forth the reasons for the extension and the date on which a determination is expected to be dispatched; or such alternative time period as mutually agreed to by the Secretary of the Board and the requester when the Secretary of the Board notifies the requester that the request cannot be processed in the specified time limit.

(4) Response to request. In response to a request that satisfies paragraph (c) of this section, an appropriate search shall be conducted of records in the custody and control of the Board on the date of receipt of the request, and a review made of any responsive information located. The Secretary of the Board shall notify the requester of:

(i) The Secretary of the Board's determination of the request and the reasons therefore;

(ii) The information withheld, and the basis for withholding;

(iii) The right to appeal any denial or partial denial, pursuant to paragraph (e) of this section.

(5) Referral to another agency. To the extent a request covers documents that were created by, obtained from, classified by, or is in the primary interest of another agency, the Secretary of the Board may refer the request to that agency for a direct response by that agency and inform the requester promptly of the referral. The Secretary of the Board shall consult with another Federal agency before responding to a requester if the Board receives a request for a record in which:

(i) Another Federal agency subject to the FOIA has a significant interest, but not the primary interest; or

(ii) Another Federal agency not subject to the FOIA has the primary interest or a significant interest. Ordinarily, the agency that originated a record will be presumed to have the primary interest in it.

(6) Providing responsive records. (1) A copy of records or portions of records responsive to the request shall be sent to the requester by regular U.S. mail to the address indicated in the request, unless the requester elects to take delivery of the documents at the Board's Freedom of Information Office or makes other acceptable arrangements, or the Secretary of the Board deems it appropriate to send the documents by another means. The Secretary of the Board shall provide a copy of the record in any form or format requested if the record is readily reproducible in that form or format, but the Secretary of the Board need not provide more than one copy of any record to a requester.

(ii) The Secretary of the Board shall provide any reasonably segregable portion of a record that is responsive to the request after deleting those portions that are exempt under the FOIA or this section.

(iii) Except where disclosure is expressly prohibited by statute, regulation, or order, the Secretary of the Board may authorize the release of records that are exempt from mandatory disclosure whenever the Board or designated Board members determine that there would be no foreseeable harm in such disclosure.

(iv) The Board is not required in response to the request to create records or otherwise to prepare new records.

(7) Prohibition against disclosure. Except as provided in this part, no officer, employee, or agent of the Board shall disclose or permit the disclosure of any unpublished information of the Board to any person (other than Board officers, employees, or agents properly entitled to such information for the performance of official duties), unless required by law.

(e) Appeals. (1) Any person denied access to Board records requested under paragraph (c) of this section, denied expedited processing under paragraph (d) of this section, or denied a waiver of fees under paragraph (f) of this section may file a written appeal within 30 calendar days after the date of such denial with the Board. The written appeal shall prominently display the phrase FREEDOM OF INFORMATION ACT APPEAL on the first page, and shall be addressed to Chairman of the Board, LOCAL Television Loan Guarantee Board, 1400 Independence Avenue, SW.,

32
(2) The Chairman of the Board shall make a determination regarding any appeal within 20 working days of actual receipt of the appeal, and the determination letter shall notify the appealing party of the right to seek judicial review in event of denial.

(f) Fee schedules and waiver of fees—(1) Fee schedule. The fees applicable to a request for records pursuant to paragraph (c) of this section are set forth in the uniform fee schedule at the end of this paragraph (f).

(i) Search. (A) Search fees shall be charged for all requests other than requests made by educational institutions, noncommercial scientific institutions, or representatives of the news media, subject to the limitations of paragraph (f)(1)(iv) of this section. The Secretary of the Board shall charge for time spent searching even if no responsive record is located or if the Secretary of the Board withholds the record(s) located as entirely exempt from disclosure. Search fees shall be the direct costs of conducting the search by the involved employees.

(B) For computer searches of records, requesters will be charged the direct costs of producing the copy. For other forms of duplication, the Secretary of the Board will charge the direct costs of that duplication.

(ii) Duplication. Duplication fees will be charged to all requesters, subject to the limitations of paragraph (f)(1)(iv) of this section. For a paper photocopy of a record (no more than one copy of which need be supplied), the fee shall be 15 cents per page. For copies produced by computer, such as tapes or printouts, the Secretary of the Board shall charge the direct costs, including operator time, of producing the copy. For other forms of duplication, the Secretary of the Board will charge the direct costs of that duplication.

(iii) Review. Review fees shall be charged to requesters who make a commercial use request. Review fees shall be charged only for the initial record review—the review done when the Secretary of the Board determines whether an exemption applies to a particular record at the initial request level. No charge will be made for review at the administrative appeal level for an exemption already applied. However, records withheld under an exemption that is subsequently determined not to apply may be reviewed again to determine whether any other exemption not previously considered applies, and the costs of that review are chargeable. Review fees shall be the direct costs of conducting the review by the involved employees.

(iv) Limitations on charging fees. (A) No search fee will be charged for requests by educational institutions, noncommercial scientific institutions, or representatives of the news media.

(B) No search fee or review fee will be charged for a quarter-hour period unless more than half of that period is required for search or review.

(C) Whenever a total fee calculated under this paragraph is $25 or less for any request, no fee will be charged.

(D) For requesters other than those seeking records for a commercial use, no fee will be charged unless the cost of search in excess of two hours plus the cost of duplication in excess of 100 pages totals more than $25.

(2) Payment procedures. All persons requesting records pursuant to paragraph (c) of this section shall pay the applicable fees before the Secretary of the Board sends copies of the requested records, unless a fee waiver has been granted pursuant to paragraph (f)(6) of this section. Requesters must pay fees by check or money order made payable to the Treasury of the United States.

(i) Advance notification of fees. If the estimated charges are likely to exceed $25, the Secretary of the Board shall notify the requester of the estimated amount, unless the requester has indicated a willingness to pay fees as high
as those anticipated. Upon receipt of such notice, the requester may confer with the Secretary of the Board to reformulate the request to lower the costs. The processing of the request shall be suspended until the requester provides the Secretary of the Board with a written guarantee that payment will be made upon completion of the processing.

(ii) Advance payment. The Secretary of the Board shall require advance payment of any fee estimated to exceed $250. The Secretary of the Board shall also require full payment in advance where a requester has previously failed to pay a fee in a timely fashion. If an advance payment of an estimated fee exceeds the actual total fee by $1 or more, the difference shall be refunded to the requester. The time period for responding to requests under paragraph (d)(4) of this section, and the processing of the request shall be suspended until the Secretary of the Board receives the required payment.

(iii) Late charges. The Secretary of the Board may assess interest charges when fee payment is not made within 30 days of the date on which the billing was sent. Assessment of such interest will commence on the 31st day following the day on which the billing was sent. Interest is at the rate prescribed in 31 U.S.C. 3717.

(3) Categories of uses. The fees assessed depend upon the fee category. In determining which category is appropriate, the Secretary of the Board shall look to the identity of the requester and the intended use set forth in the request for records. Where a requester’s description of the use is insufficient to make a determination, the Secretary of the Board may seek additional clarification before categorizing the request.

(i) Commercial use requester. The fees for search, duplication, and review apply when records are requested for commercial use.

(ii) Educational, non-commercial scientific institutions, or representatives of the news media requesters. The fees for duplication apply when records are not sought for commercial use, and the requester is a representative of the news media or an educational or non-commercial scientific institution, whose purpose is scholarly or scientific research. The first 100 pages of duplication, however, will be provided free.

(iii) All other requesters. For all other requests, the fees for search and duplication apply. The first two hours of search time and the first 100 pages of duplication, however, will be provided free.

(4) Nonproductive search. Fees for search may be charged even if no responsive documents are found. Fees for search and review may be charged even if the request is denied.

(5) Aggregated requests. A requester may not file multiple requests at the same time, solely in order to avoid payment of fees. If the Secretary of the Board reasonably believes that a requester is separating a request into a series of requests for the purpose of evading the assessment of fees or that several requesters appear to be acting together to submit multiple requests solely in order to avoid payment of fees, the Secretary of the Board may aggregate such requests and charge accordingly. It is considered reasonable for the Secretary of the Board to presume that multiple requests by one requester on the same topic made within a 30-day period have been made to avoid fees.

(6) Waiver or reduction of fees. A request for a waiver or reduction of the fees, and the justification for the waiver, shall be included with the request for records to which it pertains. If a waiver is requested and the requester has not indicated in writing an agreement to pay the applicable fees if the waiver request is denied, the time for response to the request for documents, as set forth in under paragraph (d)(4) of this section, shall not begin until a determination has been made on the request for a waiver or reduction of fees.

(i) Standards for determining waiver or reduction. The Secretary of the Board may grant a waiver or reduction of fees where it is determined both that disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operation or activities of the government, and that the disclosure of information is not primarily in the commercial interest of
the requester. In making this determination, the following factors shall be considered:

(A) Whether the subject of the records concerns the operations or activities of the government;

(B) Whether disclosure of the information is likely to contribute significantly to public understanding of government operations or activities;

(C) Whether the requester has the intention and ability to disseminate the information to the public;

(D) Whether the information is already in the public domain;

(E) Whether the requester has a commercial interest that would be furthered by the disclosure; and, if so,

(F) Whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requester.

(ii) Contents of request for waiver. A request for a waiver or reduction of fees shall include a clear statement of how the request satisfies the criteria set forth in paragraph (f)(6)(i) of this section.

(iii) Burden of proof. The burden shall be on the requester to present evidence or information in support of a request for a waiver or reduction of fees.

(iv) Determination by Secretary of the Board. The Secretary of the Board shall make a determination on the request for a waiver or reduction of fees and shall notify the requester accordingly. A denial may be appealed to the Board in accordance with paragraph (e) of this section.

(7) Uniform fee schedule.

(g) Request for confidential treatment of business information—(1) Submission of request. Any submitter of information to the Board who desires confidential treatment of business information pursuant to 5 U.S.C. 552(b)(4) shall file a request for confidential treatment with the Board at the time the information is submitted or a reasonable time after submission.

(2) Form of request. Each request for confidential treatment of business information shall state in reasonable detail the facts supporting the commercial or financial nature of the business information and the legal justification under which the business information should be protected. Conclusory statements that release of the information would cause competitive harm generally will not be considered sufficient to justify confidential treatment.

(3) Designation and separation of confidential material. All information considered confidential by a submitter shall be clearly designated “PROPRIETARY” or “BUSINESS CONFIDENTIAL” in the submission and separated from information for which confidential treatment is not requested. Failure to segregate confidential commercial or financial information from other material may result in release of the nonsegregated material to the public without notice to the submitter.

(b) Request for access to confidential commercial or financial information—(1) Request for confidential commercial or financial information. A request by a submitter for confidential treatment of any business information shall be considered in connection with a request for access to that information.

(2) Notice to the submitter. (1) The Secretary of the Board shall notify a submitter who requested confidential treatment of information pursuant to 5 U.S.C. 552(b)(4), of the request for access.

(ii) Absent a request for confidential treatment, the Secretary of the Board may notify a submitter of a request for
access to submitter’s business information if the Secretary of the Board rea-
sonably believes that disclosure of the information may cause substantial
competitive harm to the submitter.

(iii) The notice given to the submit-
mitter by mail, return receipt re-
quested, shall be given as soon as prac-
ticable after receipt of the request for
access, and shall describe the request
and provide the submitter seven work-
ing days from the date of notice, to
submit written objections to disclosure
of the information. Such statement
shall specify all grounds for with-
holding any of the information and
shall demonstrate why the information
which is considered to be commercial
or financial information, and that the
information is a trade secret, is privi-
leged or confidential, or that its disclo-
sure is likely to cause substantial com-
petitive harm to the submitter. If the
submitter fails to respond to the notice
within the time specified, the sub-
mitter will be considered to have no
objection to the release of the informa-
tion. Information a submitter provides
under this paragraph may itself be sub-
ject to disclosure under the FOIA.

(3) Exceptions to notice to submitter.
Notice to the submitter need not be
given if:

(i) The Secretary of the Board deter-
mines that the request for access
should be denied;

(ii) The requested information law-
fully has been made available to the
public;

(iii) Disclosure of the information is
required by law (other than 5 U.S.C.
552); or

(iv) The submitter’s claim of con-
fidentiality under 5 U.S.C. 552(b)(4) ap-
pears obviously frivolous or has al-
ready been denied by the Secretary of
the Board, except that in this last in-
stance the Secretary of the Board shall
give the submitter written notice of
the determination to disclose the infor-
mation at least seven working days
prior to disclosure.

(4) Notice to requester. At the same
time the Secretary of the Board noti-
ifies the submitter, the Secretary of the
Board also shall notify the requester
that the request is subject to the provi-
sions of this section.

(5) Determination by Secretary of the
Board. The Secretary of the Board’s de-
termination whether or not to disclose
any information for which confidential
treatment has been requested pursuant
to this section shall be communicated
to the submitter and the requester im-
mediately. If the Secretary of the
Board determines to disclose the busi-
ness information over the objection of
a submitter, the Secretary of the Board
shall give the submitter written notice
via mail, return receipt requested, or
similar means, which shall include:

(i) A statement of reason(s) why the
submitter’s objections to disclosure
were not sustained;

(ii) A description of the business in-
formation to be disclosed; and

(iii) A statement that the component
intends to disclose the information
seven working days from the date the
submitter receives the notice.

(6) Notice of lawsuit. The Secretary of
the Board shall promptly notify any
submitter of information covered by
this section of the filing of any suit
against the Board to compel disclosure
of such information, and shall prompt-
ly notify a requester of any suit filed
against the Board to enjoin the disclo-
sure of requested documents.

[68 FR 74416, Dec. 23, 2003]
Local Television Loan Guarantee Board

§ 2201.1 Definitions.

Act means Title X of Public Law 106–553, entitled the Launching Our Communities’ Access to Local Television (LOCAL TV) Act of 2000, as amended.

Administrator means the Administrator of the Rural Utilities Service, U.S. Department of Agriculture, acting pursuant to the Act and on behalf of the Board.

Affiliate means any person or entity that controls, or is controlled by, or is under common control with, another person or entity; and may include any individual who is a director or senior management officer of an Affiliate, a shareholder controlling more than 25 percent of the voting securities of an Affiliate, or more than 25 percent of the ownership interest in an Affiliate not organized in stock form.

Agent means that Lender authorized to take such actions, exercise such powers, and perform such duties on behalf and in representation of all Lenders party to a Guarantee of a single Loan, as is required by, or necessarily incidental to, the terms and conditions of the Guarantee.

Applicant means any party that is seeking financing under the Act in order to provide access to Local Television Broadcast Signals for households in Nonserved Areas and Under-served Areas.

Asset means anything owned by the Applicant that has commercial or exchange value including, but not limited to, cash flows and rights thereto.

Banking Institution means a bank or bank holding company.

Board means the LOCAL Television Loan Guarantee Board authorized by the Act to approve Guarantees to facilitate access, on a technologically neutral basis, to Local Television Broadcast Signals for households located in Nonserved Areas and Under-served Areas.

Borrower means the entity liable for the payment of principal and interest on any Loan guaranteed under the Act, where such entity shall be a corporation, partnership, joint venture trustee or government entity, agency or instrumentality. An individual cannot be a Borrower.

Collateral means all Assets economically pledged by the Applicant, any Affiliate of the Applicant, or both that is required under the provisions of the Act or the Loan Documents to secure the repayment of the indebtedness of the Borrower under the Loan Documents.

Default means a failure by a Borrower, other than a Payment Default, on its obligations under the Loan Documents which has not been cured by the Borrower or duly waived by the Lender within any applicable cure period.

Designated Market Area (DMA) means an area designated as such by Nielsen Media Research and published in the most recent Nielsen Station Index Directory and Nielsen Station Index United States Television Household Estimates.

Generally Accepted Accounting Principles (GAAP) means a common set of accounting standards and procedures that are either promulgated by an authoritative accounting rulemaking body or accepted as appropriate due to wide-spread application in the United States.

Guarantee means the written agreement, including all terms and conditions and all exhibits thereto, guaranteeing repayment of a specified percentage of the principal of a Loan pursuant to the Act.

Guaranteed Portion means the portion of the principal of a Loan that is subject to the Guarantee.
§ 2201.1

High-Speed Internet means a data connection to the Internet providing an information rate exceeding 200 kilobits per second (kbps) in the consumer’s connection to the network in at least one direction, either from the provider to the consumer (downstream) or from the consumer to the provider (upstream).

Lender means an entity that has committed to make a Loan to an Applicant, where such entity shall be:

(1) An entity currently engaged in commercial lending in the normal course of its business; or

(2) A nonprofit corporation, including the National Rural Utilities Cooperative Finance Corporation, engaged primarily in commercial lending, but does not include any governmental entity or any Affiliate thereof, the Federal Agricultural Mortgage Corporation, any institution supervised by the Office of Federal Housing Enterprise Oversight, the Federal Housing Finance Board, or any Affiliate of such entities.

Loan means a Loan guaranteed pursuant to the Act and includes the funds made available to the Borrower by the Lender.

Loan Agreement means the contract between the Lender and the Borrower, approved by the Board, setting forth the terms applicable to the Loan.

Loan Documents means the Loan Agreement, Guarantee and all other instruments, and all documentation between or among the Lender, the Borrower, and the Board or Administrator, evidencing the making, disbursing, securing, collecting, or otherwise administering of the Loan.

Local Television Broadcast means the signals of all Television Broadcast Stations located in a DMA. However, when more than one commercial Television Broadcast Station within the same DMA is affiliated with a particular Television Network, the signal of any one of these commercial Television Broadcast Stations will qualify as the Local Television Broadcast Signal of the network at that location, unless such stations are licensed to communities in different States, in which case both stations must be counted. Even if they are not affiliated with the same Television Network, when two or more commercial Television Broadcast Stations simultaneously broadcast the identical programming for more than 50 percent of the broadcast week, the signal of any one of these Television Broadcast Stations will qualify as the Local Television Broadcast Signal. When two or more noncommercial television stations simultaneously broadcast the same programming for more than 50 percent of prime time as defined in 47 CFR 76.5(n), and more than 50 percent outside of prime time over a 3-month period, the signal of any one of these Television Broadcast Stations will qualify as the Local Television Broadcast Signal. In areas not included in a DMA, but under the jurisdiction of the Federal Communications Commission (FCC), an appropriate set of Local Television Broadcast Signals will be determined on a case-by-case basis, subject to the approval of the Board.

Low Power Television Station means a station authorized by the FCC under subpart G of part 74 of title 47, Code of Federal Regulations, that may retransmit the programs and signals of a Television Broadcast Station and that may originate programming in any amount greater than 30 seconds per hour and/or operates a subscription service.

Net equity means the value of the total Assets of an entity, less the total liabilities of that entity, as recorded under Generally Accepted Accounting Principles for the fiscal quarter ended immediately prior to the date on which the subject Loan is approved.

Net Worth Ratio means the book value of equity over total Assets.

Nonserved Area means any area that is outside the grade B contour (as determined using standards employed by the Federal Communications Commission (FCC)) of the Local Television Broadcast Signals serving a particular Designated Market Area and does not have access to such signals by any commercial, for profit, multichannel video provider.

Offer of Guarantee means the Board’s decision to approve an application for, and extend a Guarantee under, the LOCAL TV Act.

Payment Default means any failure of a Borrower to pay any amount of principal or interest on the Loan when and
as due under the Loan Agreement (including, without limitation, following any acceleration thereunder) which has not been cured within any applicable cure period.

Payment Demand means a request, by the Lender or Agent, following a Payment Default, in writing to the Board, for payment under the Guarantee in respect of the defaulted principal.

Performance Agreement means the written agreement between the Administrator and the Borrower (and Lender, if applicable), pursuant to which the Borrower provides stipulated performance schedules with respect to Local Television Broadcast Signals provided through the Project.

Program means the LOCAL Television Loan Guarantee Program (LOCAL TV Program) established under the Act.

Project means a proposal for the acquisition, improvement, enhancement, construction, deployment, launch, or rehabilitation of the means to deliver Local Television Broadcast Signals to a Nonserved Area or Underserved Area.

Regulatory Capital Ratio means tier 1 and total capital ratios as shown on a Banking Institution’s balance sheet.

Security means all Collateral required by the provisions of the Act or the Loan Documents to secure repayment of any indebtedness of the Borrower under the Loan Documents.

Separate Tier of Local Television Broadcast Signals means a category or package of services provided by the applicant, to include the Local Television Broadcast Signals and all over-the-air television broadcast signals carried pursuant to the must-carry requirement of the Communications Act of 1994, as amended, offered as a distinct and separate service choice to the applicant’s subscribers at a specified lower rate when compared to other program service choices.

Television Broadcast Station means an over-the-air commercial or non-commercial Television Broadcast Station licensed by the FCC under subpart E of part 73 of title 47, Code of Federal Regulations, except that such term does not include a Low Power Television Station or Television Broadcast Translator Station.

Television Broadcast Translator Station means a station in the broadcast service operated for the purpose of retransmitting the programs and signals of a Television Broadcast Station, without significantly altering any characteristic of the original signal other than its frequency and amplitude, for the purpose of providing television reception to the general public.

Television Network means an entity which offers an interconnected program service on a regular basis for 15 or more hours per week to at least 25 affiliated broadcast stations in 10 or more States.

Term Sheet means an executed agreement between the Applicant and the Lender or Agent that sets forth the key business terms and conditions of the proposed Loan. Execution of this agreement represents evidence of the commitment between the Applicant and Lender or Agent.

Underserved Area means any area that is outside the grade A contour (as determined using standards employed by the Federal Communications Commission) of the Local Television Broadcast Signals serving a particular Designated Market Area and has access to such signals from not more than one commercial, for profit, multichannel video provider.

Unguaranteed Portion means the portion of the principal of a Loan that is not covered by the Guarantee.

§§ 2201.2–2201.8 [Reserved]

§ 2201.9 Limitation on the applicability of the definition of Local Television Broadcast Signals.

Notwithstanding the definition of Local Television Broadcast Signals provided in §2201.1 of this part, if an area is being served by either a satellite carrier which rebroadcasts signals of Television Broadcast Stations located in the DMA or a cable television system, and that satellite carrier or cable television system is currently in compliance with the rules administered by the Federal Communications Commission (FCC) as described in part 76 of title 47, Code of Federal Regulations, the group of signals of Television Broadcast Stations located in the DMA being retransmitted by such satellite carrier or cable television system will be considered to meet the definition of Local Television Broadcast
Signals for the purposes of the regulation.

Subpart B—Loan Guarantees

§2201.10 Loan amount and Guarantee percentage.

(a) Aggregate Value of Loans. The aggregate value of all Loans for which Guarantees are issued under the Program, including the Unguaranteed Portions of such Loans, may not exceed $1,250,000,000.

(b) Guarantee Percentage. (1) A Guarantee approved by the Board may not exceed an amount equal to 80 percent of the principal amount of a Loan made to finance the acquisition, improvement, enhancement, construction, deployment, launch, or rehabilitation of the means by which Local Television Broadcast Signals are delivered to a Nonserved Area or Underserved Area;

(2) If only a portion of a Loan is meant to achieve the purposes described in paragraph (b)(1) of this section, the Board shall determine that portion of the Loan meant to achieve such purpose and may approve a Guarantee in an amount not exceeding 80 percent of that portion of the Loan.

(3) The portion of the Loan meant to achieve the purposes described in paragraph (b)(1) of this section will not be lowered simply because the means by which Local Television Broadcast Signals are delivered to a Nonserved Area or Underserved Area also enable either the provision of signals other than Local Television Broadcast Signals or the provision of signals to areas other than Nonserved or Underserved Areas. However, any amounts of a Loan which the Board determines will be used for separable costs not essential to funding the means by which Local Television Broadcast Signals are delivered to a Nonserved Area or Underserved Area, will be excluded from the portion of the Loan eligible for a Guarantee.

(c) Minimum Loan Amount. The Board will not approve a Guarantee for a Loan in an amount less than $1,000,000 (inclusive of both the Guaranteed and Unguaranteed Portions of the Loan).

§2201.11 Application requirements.

A completed application consists of the following information:

(a) An executive summary of the Project. The Applicant must provide the Board with a general Project overview that addresses each of the following six categories:

(1) A general overview of the system to be developed and description of the Project including the types of equipment, technologies, and facilities to be used;

(2) An explanation of how the Applicant will provide Local Television Broadcast Signals to Nonserved Areas and Underserved Areas;

(3) A short description of the Applicant including a written narrative describing its demonstrated capability and experience in providing access to Local Television Broadcast Signals for households;

(4) An explanation of the total Project cost including a breakdown of the Loan required and the source of funding for the remainder of the Project, if a portion of the Project is to be paid with non-Loan funds;

(5) The name of the Lender or Agent (including a listing of other participating Lenders, if applicable) and a description of the financing structure of the proposed Loan; and

(6) A general description of the geographic area to be served.

(b) Background information. General information concerning the Applicant, its Affiliates, and its Lender or Agent, including a description of any financial and contractual arrangements among the parties. Specific information required of all Applicants is as follows:

(1) Evidence of legal authority and existence of the applicant. The Applicant must provide evidence of its legal existence and authority to execute the Loan Documents under the proposed Loan and perform the activities proposed under the Project. Such evidence must include Articles of Incorporation and bylaws for incorporated Applicants; other types of Applicants should submit appropriate documentation for their forms of organization. If the Applicant is a special purpose entity (SPE) formed for the purpose of the Project, then the Applicant must provide a copy of the Deed of Partnership or Articles of Organization for the SPE.
(2) **Affiliates descriptions.** A listing of all Affiliates of the Applicant including a description of the nature of the Applicant’s relationship to each Affiliate. Any existing or proposed contractual arrangements with each Affiliate should be described.

(3) **Legal name.** The legal name and form of organization of the proposed Lender or Agent.

(4) **Cover Form.** A signed copy of Standard Form 424.

(5) **Management Credentials.** A description of the experience and capabilities of the Applicant’s management to carry out the Project.

(c) **A business plan.** A plan, satisfactory to the Board, presenting in detail the fundamentals of the business and providing sufficient financial data to indicate that the business will be economically sustainable. The business plan should include, at a minimum:

(1) **Risk Assessments.** An assessment of the risks related to construction, performance, demand, and financing structure, including a narrative statement detailing planned risks mitigation strategies;

(2) **Plans.** A comprehensive operations and maintenance plan, as well as a marketing strategy;

(3) **Economic and Financial Analysis.** A review of economic and financial factors affecting the business in general and the Project in particular. Applicants should refer to economic and financial conditions in the past three years, and also discuss expectations of such conditions in the future, including:

(i) The adequacy and stability of the business’ customer base. Applicants should provide information on the number of subscribers, subscriber churn, subscriber acquisition cost or cost per gross added, subscriber penetration, geographic concentration of customers, nature of the terms of customer contracts, customer technical support, customer satisfaction and retention;

(ii) The demand for services;

(iii) The sensitivity of the business to economic cycles;

(iv) Future capital needs;

(v) The adequacy, competitiveness and affordability of service fees;

(vi) An overview of the prevailing economic and demographic trends in the target service area; and

(vii) Information on programming content and costs.

(4) **Project Market Analysis.** A breakdown of the key elements of the Project, including:

(i) All proposed services to be offered, including High-speed Internet Service, and whether a Separate Tier of Local Television Broadcast Signals will be provided;

(ii) The total number of households, by DMA, and by Nonserved and Underserved Area, which will have access to Local Television Broadcast Signals under the Project;

(iii) The total number of households, by DMA, and by Nonserved and Underserved Area, which will have access under the Project to any other services as described pursuant to paragraph (c)(4)(i) of this section, including an explanation if this number is greater than the total identified in paragraph (c)(4)(ii);

(iv) Estimates of the number of households identified in paragraphs (c)(4)(ii) and (c)(4)(iii) which will subscribe to each of the services identified in paragraph (c)(4)(i) of this section by DMA, including a breakdown of Non-served and Underserved households;

(v) A breakdown of the Applicant’s proposed pricing coupled with an evaluation of any competitor’s services offerings and pricings; and

(vi) A service deployment plan and a deployment performance schedule, by DMA, for the services to access the Local Television Broadcast Signals.

(d) **Financial forecast and information.** The Applicant must demonstrate its financial ability to complete and maintain the Project and repay its obligations. The financial data must include the following:

(1) **Audited financial statements.** Income statements, balance sheets, and cash flow statements for at least the last three years or from the date of inception if less than three years. If the Applicant is an SPE, then the Applicant must provide at least the last three years of audited financial statements of the shareholders or partners of the SPE. If an Affiliate has been designated by the Applicant as a source of
credit support, then at least three years audited financial statements for the Affiliate must be submitted as well.

(2) **Plan of finance.** An identification and explanation of all sources and uses of funds throughout the proposed loan period, including, but not limited to, any payments to Affiliates or shareholders of the Applicant, estimated Project costs, and proposed terms.

(3) **A Pro-forma financial forecast covering the life of the proposed loan,** including balance sheets, income statements and cash flow statements, with an explanation of assumptions. These Projections must be prepared in accordance with Generally Accepted Accounting Principles and should discuss such issues as the effects of inflation, competition, ongoing repair and replacement needs, technological obsolescence, working capital requirements, and other factors that may affect the Applicant’s ability to meet its debt service obligations.

(4) **Project budget.** A detailed cost breakdown of all facilities to be constructed as part of the Project. This breakdown should be on a per unit basis. It should also clearly show what will be financed with guaranteed loan funds and what will be financed with other funds, consistent with the plan of finance in paragraph (d)(2) of this section.

(5) **Commitments.** The Applicant must disclose all reasonably foreseeable financial obligations, contingent liabilities, or other commitments that could affect its financial health over the proposed financing term. At the Board’s request, the Applicant must take all reasonable measures to insulate the Project and the Loan from external factors that could affect timely payment of principal and interest. The Board may ask for additional detailed information on commitments where it is deemed necessary.

(6) **Credit enhancement.** In cases where an Affiliate provides credit enhancement, the Applicant must provide documentation demonstrating the Affiliate is sufficiently capitalized and evidencing the strength, extent, limitations, and priority of the credit enhancement relative to the other obligations of the Affiliate.

(e) **A certified system plan, technical analysis, and design.** Prepared by qualified personnel on the Applicant’s staff or by a licensed consulting engineer, consisting of the following:

(1) A detailed description of the proposed service area including maps of the service area;

(2) **A TV Signals Coverage Diagram and detailed description of all existing and proposed facilities.** The diagram must include proposed route miles of cable plant, if applicable, the estimated area served, types of facilities to be deployed (terrestrial microwave or satellite microwave, wireless, translator, fiber optic cable or coaxial cable, electronic equipment, etc.), the capacity of the facilities (number of fibers, size of the cables, and intended number of channels, frequencies used, bandwidth capacity, etc.), and the serving area of the proposed facilities;

(3) **The intended capabilities of the Project’s facilities,** including bandwidth, proposed television signal topology, standards, and television signal transmission protocols. In addition, the Applicant must explain the manner in which the transmission facilities will deliver the proposed Local Television Broadcast Signals, including any equipment necessary to receive the signals which will be located at the subscribers’ premises, and/or, near or on the subscribers’ television sets;

(4) A listing of all regulatory approvals required to operate facilities, including licenses, permits, and franchises and the status of any required approvals not obtained at the time of the application. For any approvals not yet received, the Applicant should provide details on the nature of the needed approval, the justification for expecting such an approval, the track-record of the Applicant in obtaining such approvals, and the contingency plan in the event the approval is delayed;

(5) **A description of the television signal sources** (including, but not limited to local, regional and national television signal broadcasters, other television signal providers, content providers, cable television operators and providers, enhanced service providers, providers of satellite services, and the anticipated role of such providers in the proposed Project);
(6) The results of discussions, if any, with local television broadcasters serving the Project area;
(7) An identification of all Local Television Broadcast Signals that will be carried by the Project;
(8) An identification of the digital signal quality and capacity in megabits per second (Mb/s) that will be required to digitally broadcast all Local Television Broadcast Signals to be provided by the Project;
(9) An identification of the net usable bandwidth, in Mb/s, that are surplus to the provision of the Local Television Broadcast Signals to be provided by the Project and that will be used to provide High Speed Internet Service; and
(10) A description of the extent to which the Project will enable the delivery of Local Television Broadcast Signals by a means reasonably compatible with existing systems or devices predominantly in use for the reception of television signals.

(f) Lender information—
(1) Lender. The Application shall include the information described in §2201.13(b), (c) and (d) of this part concerning the Lender or Lenders.
(2) Term Sheet. The Application shall include a signed Term Sheet.
(3) Lender’s Analysis. The Applicant shall submit the Lender’s detailed analysis of the creditworthiness of the transaction at the time of application and any supporting due diligence documentation, including a complete underwriting analysis of the Project (assessing Applicant creditworthiness and Project feasibility) exercising the Lender’s standard of care as set forth at §2201.26(a).
(4) Certification. The Lender must certify that the information provided pursuant to paragraphs (f)(1), (2) and (3) of this section is true and accurate.

(g) Other Financial Information—
(1) Collateral. The Applicant shall provide a detailed description and valuation of all Collateral to be used to secure the Loan. This valuation shall be supported by an independent, third party appraisal for existing Assets, and/or adequate cost substantiation for Assets to be constructed for purposes of the Project, and in all cases shall be acceptable to the Board. Such a valuation should address, at a minimum, pledged Assets of the Applicant, any designated Affiliate of the Applicant, or both as identified in the Loan Documents, including primary Assets to be used in the delivery of the service for which the Loan sought would be guaranteed. The Applicant also must provide a depreciation schedule (as classified under and in accordance with GAAP) for the major Assets in order for the Board to determine the economically useful life of the primary Assets to be used in delivery of the signals concerned. Appraisals of real property must be prepared by State licensed or certified appraisers, and be consistent with the “Uniform Standards of Professional Appraisal Practice,” promulgated by the Appraisal Standards Board of the Appraisal Foundation.

(2) Credit Opinion. With respect to applications for a Loan of $15 million or more, the Applicant is required to obtain and submit to the Board a preliminary credit rating opinion letter on the proposed transaction at the time of application, prepared by a nationally recognized statistical rating organization (rating agency) approved by the Board. This preliminary credit rating opinion shall be based on the financing structure proposed by the Applicant for the Project absent the Federal Guarantee, without regard to recovery expectations. The Board will utilize this preliminary credit assessment to assist in evaluating the creditworthiness of the proposed transaction and determining whether it provides a reasonable assurance of repayment. In addition, applicants for loans less than $15 million that have a credit rating shall provide that credit rating to the Board. The Board will utilize this preliminary credit assessment (for loans over $15 million) or an existing credit rating (for loans less than $15 million) to assist in evaluating the creditworthiness of the proposed transaction and determining whether it provides a reasonable assurance of repayment. The Board may approve a Guarantee over $15 million only if it receives a final
§ 2201.12 Applicant.

(a) Eligibility. (1) The Board will make a determination of eligibility of an Applicant to be a Borrower under the Program based upon the Applicant’s ability to directly provide, as a result of financing received under the Program, Local Television Broadcast Signals to households in Nonserved Areas and/or Underserved Areas and the information provided pursuant to paragraph (b) of this section.

(2) A determination that an Applicant is eligible does not assure that the Board will approve a Guarantee sought, or otherwise preclude the Board from declining to approve a Guarantee.

(b) Documentation for Eligibility Determination. (1) An Applicant must provide a Term Sheet evidencing a commitment of that Lender or Agent, and the Lenders it represents, to make a Loan to the Applicant upon an Offer of Guarantee by the Board, subject to the requirements of the Act and the regulations set forth in this part.

(2) An Applicant must provide documentation demonstrating that:

(i) The Assets, facilities, or equipment covered by the Loan will be utilized economically and efficiently;

(ii) The terms, conditions, security, and schedule and amount of repayments of principal and the payment of interest with respect to the Loan protect the financial interests of the United States and are reasonable;

(iii) Appropriate and adequate Collateral secures the Loan sought to be guaranteed;

(iv) All necessary and required regulatory and other approvals, spectrum licenses, and delivery permissions for the Loan and the Project under the Loan have been applied for or obtained (a Guarantee shall not be made and no Loan funds will be advanced until all such approvals, licenses and permissions have been obtained);

(v) The Loan would not be available on reasonable terms and conditions.

(m) Application Fee. For an application to be considered complete, the Applicant must submit a check payable to the United States Treasury in the amount of the application fee as set forth in §2201.21(a) of this part.

(n) Incomplete application. An incomplete application, including any fee submitted therewith, will be returned to the Applicant without action.
Local Television Loan Guarantee Board

§ 2201.13 Lender.

(a) Eligibility. (1) The Board will make a determination of eligibility of a Lender to make a Loan to be guaranteed under the Program based upon the criteria set forth in paragraphs (b) and (c) of this section.

(2) A determination that a Lender is eligible does not assure that the Board will approve a Guarantee sought, or otherwise preclude the Board from declining to approve a Guarantee.

(b) Qualifications. In addition to evaluating an application pursuant to §2201.18, in making a determination to approve a Guarantee to a Lender, the Board will assess:

(1) The Lender’s Regulatory Capital Ratios, in the case of Banking Institutions, or Net Worth Ratios, in the case of other institutions;

(2) Whether the Lender possesses the ability to administer the Loan, including its experience with loans to telecommunications companies;

(3) The scope, volume and duration of the Lender’s activity in administering loans, including federally guaranteed loans;

(4) The performance of the Lender’s loan portfolio, including its current delinquency rate;

(5) The Lender’s charge-off rate, expressed as a percentage of outstanding loans for its current fiscal year;

(6) If the Lender intends to sell participation interests in the Loan, the plan of syndication; and

(7) Any other matter the Board deems material to its assessment of the Lender.

(c) A Loan will not be guaranteed unless:

(1) If the Lender is not a nonprofit corporation and is subject to loan-to-one-borrower and Affiliate transaction restrictions under applicable law, the Loan is made in accordance with such restrictions;

(2) If the Lender is not a nonprofit corporation and is not subject to the restrictions described in paragraph (c)(1) of this section, the Loan is made to a Borrower that is not an Affiliate of the Lender and the amount of the Loan, and all outstanding loans by the Lender to the Borrower and any of its Affiliates, does not exceed 10 percent of the Net Equity of the Lender; and

(3) If the Lender is a nonprofit corporation, the Board determines that:

(i) Such nonprofit corporation has one or more issues of outstanding long-term debt that is rated within the highest 3 rating categories of a nationally recognized statistical rating organization, as evidenced by written confirmation from the nationally recognized statistical rating organization, subject to updating upon request of the Board; and

(ii) The making of the Loan would not cause a decline in the rating of such Lender’s long-term debt below the highest 3 rating categories of a nationally recognized statistical rating organization, as evidenced by written confirmation from the nationally recognized statistical rating organization, subject to updating upon request of the Board.

(d) Agent. (1) An application for a Guarantee of a single Loan that includes participation of more than one Lender must identify one of the Lenders participating in such Loan to act as Agent for all Lenders. This Agent is responsible for administering the Loan and shall have those duties and responsibilities required of an Agent, as set forth in the Guarantee.

(2) If more than one Lender is seeking a Guarantee of a single Loan, each one of the Lenders on the application must meet the qualifications set forth in paragraphs (b) and (c) of this section. However, only the Agent must meet the qualifications set forth in paragraph (b)(2) and (3) of this section.

(3) Each Lender, irrespective of any indemnities or other agreements between the Lenders and the Agent, shall
be bound by all actions, and/or failures to act, of the Agent. The Board and the Administrator shall be entitled to rely upon such actions and/or failures to act of the Agent as binding all Lenders.

§ 2201.14 Eligible Loan purposes.
To be guaranteed under the Program, a Loan must be made for the purpose of financing the acquisition, improvement, enhancement, construction, deployment, launch, or rehabilitation of the means by which Local Television Broadcast Signals will be delivered to a Nonserved Area or Underserved Area.

§ 2201.15 Ineligible Loan purposes.
(a) The proceeds of the Loan shall not be used for operating, advertising, or promotion expenses, or for the acquisition of licenses for the use of spectrum in any competitive bidding.
(b) The Applicant shall not transfer proceeds of the Loan to any Affiliate(s).
(c) The Board will not fund a Project that is designed primarily to serve one or more of the top 40 Designated Market Areas.
(d) The Board will not fund a Project that would alter or remove National Weather Service warnings from Local Television Broadcast Signals.
(e) No Guarantee may be granted or used to provide funds to a Project that extends, upgrades, or enhances the services provided over any cable system to an area that, as of the enactment of the Act, is covered by a cable franchise agreement that expressly obligates a cable operator to serve such area.

§ 2201.16 Environmental requirements.
(a) General. (1) Environmental assessments of the Board's actions will be conducted in accordance with applicable statutes, regulations, and other applicable authorities. Therefore, each application for a Guarantee under the Program must be accompanied by information necessary for the Board to meet the requirements of applicable law.
(2) Actions requiring compliance with NEPA. (i) The types of actions classified as 'major Federal actions' subject to NEPA procedures are discussed in 40 CFR parts 1500 through 1508.
(ii) With respect to this Program, these actions typically include:
(A) Any Project, permanent or temporary, that will involve construction and/or installations;
(B) Any Project, permanent or temporary, that will involve ground disturbing activities; and
(C) Any Project supporting renovation, other than interior remodeling.
(3) Environmental information required from the Applicant. (i) Environmental data or documentation concerning the use of the proceeds of any Loan guaranteed under this Program must be provided by the Applicant to the Board to assist the Board in meeting its legal responsibilities.
(ii) Such information includes:
(A) Documentation for an environmental threshold review from qualified data sources, such as a Federal, State or local agency with expertise and experience in environmental protection, or other sources, qualified to provide reliable environmental information;
(B) Any previously prepared environmental reports or data relevant to the Loan at issue;
(C) Any environmental review prepared by Federal, State, or local agencies relevant to the Loan at issue; and
(D) Any other information that can be used by the Board to ensure compliance with environmental laws.
(iii) All information supplied by the Applicant is subject to verification by the Board.
(b) The regulations of the Council on Environmental Quality implementing NEPA require the Board to provide public notice of the availability of Project specific environmental documents such as environmental impact statements, environmental assessments, findings of no significant impact, records of decision, etc., to the affected public. See 40 CFR 1506.6(b). Environmental information concerning specific Projects can be obtained from the Board by contacting: Secretary, LOCAL Television Loan Guarantee Board, 1400 Independence Ave., SW., Room 2919–S, Stop 1575; Washington, DC 20250–1575.
(c) National Environmental Policy Act—(1) Purpose. The purpose of this paragraph (c) is to adopt procedures for
Local Television Loan Guarantee Board § 2201.16

compliance with the National Environmental Policy Act, 42 U.S.C. 4321 et seq., by the Board. This paragraph supplements regulations at 40 CFR Chapter V.

(2) Definitions. For purposes of this section, the following definitions apply:

Categorical exclusion means a category of actions which do not individually or cumulatively have a significant effect on the human environment and for which neither an environmental assessment nor an environmental impact statement is required.

Environmental assessment means a document that briefly discusses the environmental consequences of a proposed action and alternatives prepared for the purposes set forth in 40 CFR 1508.9.

EIS means an environmental impact statement prepared pursuant to section 102(2)(C) of NEPA.

FONSI means a finding of no significant impact on the quality of human environment after the completion of an environmental assessment.

NEPA means the National Environmental Policy Act, 42 U.S.C. 4321, et seq.

Working capital loan means money used by an ongoing business concern to fund its existing operations.

(3) Delegations to the Secretary of the Board. (i) All incoming correspondence from Council on Environmental Quality (CEQ) and other agencies concerning matters related to NEPA, including draft and final EIS, shall be brought to the attention of the Secretary of the Board. The Secretary of the Board will prepare or, at his or her discretion, coordinated replies to such correspondence.

(ii) With respect to actions of the Board, the Board will:

(A) Ensure preparation of all necessary environmental assessments and EISs;

(B) Maintain a list of actions for which environmental assessments are being prepared;

(C) Revise this list at regular intervals, and send the revisions to the Environmental Protection Agency;

(D) Make the list available for public inspection;

(E) Maintain a list of EISs; and

(F) Maintain a file of draft and final EISs.

(4) Categorical exclusions. (i) This paragraph describes various classes of Board actions that normally do not have a significant impact on the human environment and are categorically excluded. The word “normally” is stressed; there may be individual cases in which specific factors require contrary action.

(ii) Subject to the limitations in paragraph (c)(4)(iii) of this section, the actions described in this paragraph have been determined not to have a significant impact on the quality of the human environment. They are categorically excluded from the need to prepare an environmental assessment or an EIS under NEPA.

(A) Guarantees of working capital loans; and

(B) Guarantees of loans for the refinancing of outstanding indebtedness of the Applicant, regardless of the purpose for which the original indebtedness was incurred.

(iii) Actions listed in paragraph (c)(4)(ii) of this section that otherwise are categorically excluded from NEPA review are not necessarily excluded from review if they would be located within, or in other cases, potentially affect:

(A) A floodplain;

(B) A wetland;

(C) Important farmlands, or prime forestlands or rangelands;

(D) A listed species or critical habitat for an endangered species;

(E) A property that is listed on or may be eligible for listing on the National Register of Historic Places;

(F) An area within an approved State Coastal Zone Management Program;

(G) A coastal barrier or a portion of a barrier within the Coastal Barrier Resources System;

(H) A river or portion of a river included in, or designated for, potential addition to the Wild and Scenic Rivers System;

(I) A sole source aquifer recharge area;

(J) A State water quality standard (including designated and/or existing beneficial uses and anti-degradation requirements); or
(K) The release or disposal of regulated substances above the levels set forth in a permit or license issued by an appropriate regulatory authority.

(5) Responsibilities and procedures for preparation of an environmental assessment. (i) The Board will request that the Lender and Applicant prepare an environmental assessment that provides information concerning all potentially significant environmental impacts of the Applicant’s proposed Project. The Board, consulting at its discretion with CEQ, will review the information provided by the Lender and Applicant. Though no specific format for an environmental assessment is prescribed, it shall be a separate document, suitable for public review and should include the following in conformance with 40 CFR 1508.9:

(A) Description of the environment. The existing environmental conditions relevant to the Board’s analysis determining the environmental impacts of the proposed Project should be described. The no action alternative also should be discussed;

(B) Documentation. Citations to information used to describe the existing environment and to assess environmental impacts should be clearly referenced and documented. These sources should include, as appropriate, but not be limited to, local, tribal, regional, State, and Federal agencies, as well as, public and private organizations and institutions;

(C) Evaluating environmental consequences of proposed actions. A brief discussion should be included of the need for the proposal, of alternatives as required by 42 U.S.C. 4332(2)(E) and their environmental impacts. The discussion of the environmental impacts should include measures to mitigate adverse impacts and any irreversible or irretrievable commitments of resources to the proposed Project.

(ii) An environmental assessment, may:

(A) Tier upon the information contained in a previous EIS, as described in 40 CFR 1502.20;

(B) Incorporate by reference reasonably available material, as described in 40 CFR 1502.21; and/or

(C) Adopt a previously completed EIS reasonably related to the Project for which the proceeds of the Loan sought to be guaranteed under the Program will be used, as described in 40 CFR 1506.3.

(iii) If, on the basis of the environmental assessment, the Board determines that an EIS is not required, a FONSI, as described in 40 CFR 1508.13 will be prepared. The FONSI will include the environmental assessment or a summary of it and be available to the public from the Board. The Board shall maintain a record of these decisions, making them available to interested parties upon request. Requests should be directed to LOCAL Television Loan Guarantee Board, 1400 Independence Ave., SW., Room 2919-S, Stop 1575; Washington, DC 20250–1575. Prior to a final Guarantee decision, a copy of the NEPA documentation shall be sent to the Board for consideration.

(6) Responsibilities and procedures for preparation of an environmental impact statement. (i) If after the environmental assessment has been completed, the Board determines that an EIS is necessary, it and other related documentation will be prepared by the Board in accordance with section 102(2)(c) of NEPA, this section, and 40 CFR parts 1500 through 1508. The Board may seek additional information from the Applicant in preparing the EIS. Once the document is prepared, the Board will transmit the document to the Environmental Protection Agency.

(ii) EIS. (A) The following procedures, as discussed in 40 CFR parts 1500 through 1508, will be followed in preparing an EIS:

(1) The format and contents of the draft and final EIS shall be as discussed in 40 CFR part 1502.

(2) The requirements of 40 CFR 1506.9 for filing of documents with the Environmental Protection Agency shall be followed.

(3) The Board, consulting at its discretion with CEQ, shall examine carefully the basis on which supportive studies have been conducted to assure that such studies are objective and comprehensive in scope and in depth.

(4) NEPA requires that the decision making “utilize a systematic, interdisciplinary approach that will ensure the integrated use of the natural and social sciences and the environmental
Local Television Loan Guarantee Board

§ 2201.18 Application selection.

(a) Application Priority. When evaluating applications to determine which Project or combinations of Projects will best facilitate access to Local Television Broadcast Signals, the Board shall give priority in the approval of Guarantees to the following categories:

(1) First, to applications for Projects that will serve households in Non-served Areas.
(2) Second, to applications for Projects that will serve households in Underserved Areas.
(3) Within each category, the Board shall balance applications for Projects that will serve the largest number of households with applications for Projects that will serve remote, isolated communities (including non-contiguous States) in areas that are unlikely to be served through market mechanisms. The Board shall consider the Project’s estimated cost per household and shall give priority to those applications for Projects that provide the highest quality service at the lowest cost per household.

(b) Additional Considerations. (1) The Board shall give additional consideration to applications for Projects that, in addition to providing Local Television Broadcast Signals, also provide High-speed Internet service.

(2) The Board shall consider other factors, which shall include applications for Projects that:

(i) Offer a separate tier of Local Television Broadcast Signals at a lower cost to consumers, except where prohibited by applicable Federal, State, or local laws or regulations; and

(ii) Enable the delivery of Local Television Broadcast Signals consistent with the purpose of the Act by means reasonably compatible with existing systems or devices predominantly in use.

(c) Other Considerations. All other evaluation factors and priority considerations being equal, the Board will give a preference in approving Guarantees to those applications for Projects that provide greater amounts and higher quality Collateral.
(d) Protection of United States Financial Interests. The Board may not approve the Guarantee of a Loan unless:

(1) The Board has been given documentation, assurances, and access to information, persons, and entities necessary, as determined by the Board, to address issues relevant to review of the Loan by the Board for purposes of the Act; and

(2) The Board makes a determination in writing that:

(i) To the best of its knowledge upon due inquiry, the Assets, facilities, or equipment covered by the Loan will be utilized economically and efficiently;

(ii) The terms, conditions, security, and schedule and amount of repayments of principal and the payment of interest with respect to the Loan protect the financial interests of the United States and are reasonable;

(iii) The value of Collateral provided by an Applicant is at least equal to the unpaid balance of the Loan amount; and if the value of Collateral provided by an Applicant is less than the Loan amount, additional required Collateral is provided by the Applicant or an Affiliate designated by the Applicant and acceptable to the Board;

(iv) All necessary and required regulatory and other approvals, spectrum licenses, and delivery permissions have been received for the Loan and the Project under the Loan;

(v) The Loan would not be available on reasonable terms and conditions without a Guarantee under the Act; and

(vi) Repayment of the Loan can be reasonably expected.

(e) Non approvals. A Guarantee will not be approved if it is determined that:

(1) The Applicant’s proposal does not indicate financial feasibility, or the Collateral is determined to not adequately secure the Loan;

(2) The Applicant’s proposal indicates technical flaws, which, in the opinion of the Board, would prevent successful implementation, or operation of the Project;

(3) Any other aspect of the Applicant’s proposal fails to adequately address any requirements of the Act or the regulations in this part or contains inadequacies which would, in the opinion of the Board, undermine the ability of the Project to meet the general purpose of the Act or comply with requirements in this part; or

(4) Proceeds for the Loan will be used for any of the ineligible purposes set forth in §2201.15.

(f) Impact on Competition. A Loan shall not be guaranteed unless the proposed Project, as determined by the Board in consultation with the National Telecommunications and Information Administration, is not likely to have a substantial adverse impact on competition that outweighs the benefits of improving access to Local Television Broadcast Signals in a Non-served Area or Underserved Area and is commercially viable.

§ 2201.19 Loan terms.

(a) All Loans guaranteed under the Program shall be due and payable in full no later than the earlier of 25 years from date of the closing of the Loan or the economically useful life of the primary Assets to be used in delivery of the signals concerned, as determined by the Board.

(b) Loans guaranteed under the Program must:

(1) Bear a rate of interest determined by the Board to protect the financial interests of the United States and to be reasonable. This determination will be based on the Board’s comparison of the:

(i) Difference, or interest rate spread, between the interest rate on the Loan sought to be guaranteed and the current average yield on outstanding marketable obligations of the United States of comparable maturity; and

(ii) The interest rate spread between the rates on recently issued and similarly rated and structured obligations and the current yields on outstanding marketable obligations of the United States of comparable maturity.

(2) Have terms that, in the judgment of the Board, are consistent in material respects with the terms of similar obligations in the private capital market.

(c) So long as any principal and interest is due and payable on a Loan guaranteed under the Act, a Borrower shall:
Local Television Loan Guarantee Board

§ 2201.20 Collateral.

(a) Existence of adequate Collateral. An Applicant shall provide the Board such documentation as is necessary, in the judgment of the Board, to provide satisfactory evidence that appropriate and adequate Collateral secures a Loan guaranteed under the Program. Prior to approving a Guarantee, the Board shall require that the value of the Collateral pledged be at least equal to the unpaid balance of the Loan Amount.

(b) Form of Collateral. Collateral required by paragraph (a) of this section shall consist solely of Assets of the Applicant, any Affiliate of the Applicant, or both, as identified in the Loan Documents, including primary Assets to be used in the delivery of the service for which the Loan is guaranteed. Such Assets may include, but are not limited to, the following:

1. Tangible Assets, including current Assets (such as cash, accounts receivable, and inventory), reserve funds, land, buildings, machinery, fixtures, and equipment;

2. Assignments of all relevant contractual agreements, including contractual rights to certain cash flows, marketing arrangements, third-party guarantees, insurance policies, contractors’ bonds, and other agreements or rights that may be of value;

3. All permits, governmental approvals, franchises and licenses, necessary to carry out and operate the required equipment or service; and

4. Other Assets, which, in the judgment of the Board, possess Collateral value suitable for securing the Loan, including a pledge of all or part of the Applicant’s ownership interest in the Project or company, and any after-acquired property.

(c) Applicant’s compliance findings. An Applicant’s compliance with paragraphs (a) and (b) of this section does not assure a finding of reasonable assurance of repayment, or assure the Board’s Guarantee of the Loan.

(d) Collateral for entire Loan. The same Collateral shall secure the entire Loan, including both the Guaranteed Portion and the Unguaranteed Portion.

(e) Review of valuation. The value of Collateral securing a Loan is subject to review and approval by the Board, and may be adjusted downward by the Board if the Board reasonably believes such adjustment is appropriate. The Board’s evaluation of the proposed Collateral for the Loan will be based on several factors, including but not limited to:

1. The expected value of the pledged Collateral in the event of defaults with specific consideration given to the residual value of Project Assets to third-parties and the liquidity of such Assets;

2. The cash flow characteristics of the Project;

3. The contractual characteristics of the Project to the extent Project-related agreements underpin the Project’s estimated cash flows;

4. The competitiveness of the Project’s economics and the associated certainty of cash flows in the future; and

5. The creditworthiness of any designated Affiliate(s) that provides services to the Applicant or provides any credit support.

(f) Ongoing Collateral Assessment. The Board shall require that the value of the Collateral shall be at all times at least equal to the unpaid balance of the Loan Amount. To ensure that the ongoing value of the Collateral is properly maintained, the Board may require the borrower to have an ongoing third-party inspection and valuation of the Collateral that is acceptable to the Board. If the Collateral value at the measurement date is less than the unpaid balance of the Loan Amount, the Borrower or its designated Affiliate(s) will be required to pledge additional acceptable Collateral to cover any deficit.

(g) Lien on Collateral. (1) Upon the Board’s approval of a Guarantee, the
§ 2201.21 Fees.

(a) Application Fee. The Board shall charge each Applicant for a Guarantee under the Program a non-refundable fee, payable to the United States Treasury, to cover the costs of making necessary determinations and findings with respect to an application for a Guarantee under the Program. The amount of the fee is $10,000 for Loans of $1 million up to $50 million, $15,000 for Loans of $50 million up to $100 million, $30,000 for Loans of $100 million up to $500 million, and $40,000 for Loans of $500 million or greater.

(b) Guarantee Origination Fee. The Board shall charge and collect from a Borrower a Guarantee Origination Fee. The amount of such fee will be sufficient to cover the administrative costs of the Board associated with the Loan. Upon extending an offer of Guarantee, the Board and the Borrower shall enter into an agreement providing for the payment of the Guarantee Origination Fee; the agreement shall include terms relating to the schedule of payments and deposit of such payments into an escrow account. The Guarantee Origination Fee must be paid in full no later than and as a condition of the closing of any Loan. A Borrower will be responsible for paying the administrative costs of the Board regardless of whether the Loan actually closes.

(c) Lender Fees. A Lender or Agent may assess and collect from the Borrower such fees and costs associated with the application and origination of the Loan as are reasonable and customary, taking into consideration the amount and complexity of the credit. The Board may take such fees and costs into consideration when determining whether to offer a Guarantee.

§ 2201.22 Issuance of Guarantees.

(a) The Board’s decision to approve an application and extend an offer of Guarantee under the Program is conditioned upon:

(1) The Lender or Agent and Applicant obtaining any required regulatory or judicial approvals;

(2) The Lender or Agent and Applicant being legally authorized to enter into the Loan under the terms and conditions submitted to the Board in the application;

(3) The Board’s receipt of the Loan Documents and any related instruments, in form and substance satisfactory to the Board all properly executed by the Lender or Agent, Applicant, and any other required party other than the Board;

(4) No material adverse change in the Applicant’s ability to repay the Loan between the date of the Board’s approval and the date the Guarantee is to be issued;

(5) Entering into the Guarantee violates no Loan covenants or existing contractual obligations of the Borrower; and

(6) Such other conditions as determined by the Board.

(b) The Board may withdraw its approval of an application and rescind its Offer of Guarantee if the Board determines that the Lender or Agent or the Applicant cannot, or is unwilling to, provide adequate documentation and proof of compliance with paragraph (a) of this section within the time provided for in the Offer of Guarantee.

(c) Only after receipt of all the documentation required by this section will the Administrator sign and deliver the Guarantee.

§ 2201.23 Funding for the Program.

(a) Costs incurred by the Government. The Act provides funding for the costs
incurred by the Government as a result of granting Guarantees under the Program. While pursuing the goals of the Act, it is the intent of the Board to minimize the cost of the Program to the Government. The Board will estimate the risk posed by the guaranteed Loans to the funds appropriated for the costs of the Guarantees under the Program and operate the Program accordingly.

(b) Credit Risk Premium—(1) Establishment and approval. The Board may establish and approve the acceptance of credit risk premiums with respect to a Guarantee under this Act in order to offset the cost, as defined in section 502(5) of the Federal Credit Reform Act of 1990, of the Guarantee. To the extent that appropriations of budget authority are insufficient to cover the cost, as so determined, of a Guarantee, and the Board approves such a Guarantee, credit risk premiums shall be accepted from a non-Federal source on behalf of a Borrower.

(2) Credit risk premium amount—(i) General. The Board shall determine the amount of any credit risk premium to be accepted with respect to a Guarantee on the basis of:

(A) The financial and economic circumstances of the Borrower, including the amount of Collateral offered;

(B) The proposed schedule of Loan disbursements;

(C) The business plans of the Borrower;

(D) Any financial commitment from a broadcast signal provider; and

(E) The concurrence of the Director of the Office of Management and Budget as to the amount of the credit risk premium.

(ii) Proportionality. To the extent that appropriations of budget authority are sufficient to cover the cost, as determined under section 502(5) of the Federal Credit Reform Act of 1990, of Guarantees, the credit risk premium with respect to each Guarantee shall be reduced proportionately.

(iii) Payment of premiums. Credit risk premiums under this paragraph shall be paid to an escrow account established in the Treasury, which shall accrue interest. Such interest shall be retained by the escrow account, subject to paragraph (b)(2)(iv) of this section.

(iv) Deductions from escrow account. If a liquidation of the Collateral occurs pursuant to §2201.33(h), any shortfall between the proceeds of the liquidation net of costs and expenses relating to the liquidation, and the guarantee amount paid shall be deducted from funds in the escrow account and credited to the Administrator for payment of such shortfall. At such time as all Loans guaranteed under this Program have been repaid or otherwise satisfied in accordance with the Act and the regulations in this part, remaining funds in the escrow account, if any, shall be refunded, on a pro rata basis, to Borrowers whose Loans guaranteed under the Program were not in Payment Default or Default, or where any Payment Default or Default was cured in accordance with the terms of the Loan Documents.

§ 2201.24 Insurance.

The Borrower of a Loan guaranteed under the Program shall obtain, at its expense, insurance sufficient to protect the financial interests of the United States, as determined by the Board.

§ 2201.25 Performance Agreement.

(a) The Borrower of a Loan guaranteed under the Program shall enter into a Performance Agreement with the Administrator with respect to the Local Television Broadcast Signals to be provided through the Project.

(b) The Administrator may assess against and collect from a Borrower a penalty not to exceed 3 times the interest accrued on the Loan during the period of noncompliance if the Borrower fails to meet its stipulated Performance Agreement entered into under paragraph (a) of this section.

§ 2201.26 Lender standard of care.

(a) The Lender or Agent shall exercise due care and diligence in analyzing and administering the Loan as would be exercised by a responsible and prudent Banking Institution when analyzing and administering a secured loan of such Banking Institution's own funds without a Guarantee. Such standards shall also apply to any and all underwriting analysis, approvals,
§ 2201.27 Assignment or transfer of Loans.

(a) Modifications. The Loan Documents may not be modified, in whole or in part, without the prior written approval of the Board.

(b) Requirements. (1) Subject to the provisions of paragraphs (c) and (d) of this section and other provisions of this part, a Lender or Agent may assign or transfer the Loan including the Loan Documents to another Lender that meets the eligibility requirements of §2201.13 of this part.

(2) Any assignment or transfer of a Loan, or any pledge or other use of a Loan as security, including but not limited to any derivatives transaction, will require the prior written approval of the Board.

(c) The provisions of paragraph (b) of this section shall not apply to transfers which occur by operation of law.

(d) The Agent must hold an interest in a Loan guaranteed under the Program equal to at least the lesser of $25 million or fifteen percent of the aggregate amount of the Loan. Of this amount, the Agent must hold an interest in the Unguaranteed Portion of the Loan equal to at least the minimum amount of the Loan required to be held by the Agent under the preceding sentence multiplied by the percentage of the entire Loan that is not guaranteed. A non-Agent Lender must hold an interest in the Unguaranteed Portion of the Loan representing no less than five percent of such Lender’s total interest in the Loan; provided, that a non-Agent Lender may transfer its interest in the Unguaranteed Portion after payment of the Guaranteed Portion has been made under the Guarantee.

(e) The Guarantee shall have no force or effect if any part of the Guaranteed Portion of the Loan is transferred separate and apart from the Unguaranteed Portion of the Loan.

§ 2201.28 Participation in guaranteed Loans.

(a) Subject to paragraphs (b), (c) and (d) of this section, a Lender may distribute the risk of a portion of a Loan guaranteed under the Program by sale of participations therein if:

(1) Neither the Loan note nor the Guarantee is assigned, conveyed, sold, or transferred in whole or in part as a result of the sale of such participations;

(2) The Lender remains solely responsible for the administration of the Loan as an Agent; and

(3) The Board’s ability to assert any and all defenses available to it under the law and under the Loan Documents is not adversely affected.

(b) The following categories of entities may purchase participation interests in Loans guaranteed under the Program:

(1) Lenders that meet the eligibility requirements of §2201.13 of this part;

(2) Qualified institutional buyers as defined in 17 CFR 230.144A (a), known as Rule 144A (a) of the Securities and Exchange Commission and issued under the Securities Act of 1933 (15 U.S.C. 77a et seq.); or

(3) Any other entity approved by the Board on a case-by-case basis.

(c) An Agent may not grant participations in that portion of its interest in a Loan that may not be assigned or transferred under §2201.27(d) of this part. A Lender, other than the Agent, may not grant participations in that portion of its interest in a Loan that may not be assigned or transferred under §2201.27(d) of this part.

(d) At least five percent of any participation interest in a Loan must be unguaranteed.

§ 2201.29 Supplemental guarantees.

The Board will allow the structure of a guaranteed Loan to include one or more supplemental guarantees only from a State or local governmental or tribal entity that cover the...
Unguaranteed Portion of the Loan, provided that:
(a) There shall be no supplemental guarantee with respect to the Unguaranteed Portion required to be held by the Agent or sole Lender pursuant to §2201.27(d) of this part;
(b) The Loan Documents relating to any supplemental guarantee shall be acceptable in form and substance to the Board; and
(c) In approving the issuance of a Guarantee, the Board may impose any conditions with respect to supplemental guarantee(s) relating to the Loan that it considers appropriate.

§ 2201.30 Adjustments.
(a) The Board must approve the adjustment of any term or condition of the Loan Documents under this Program, including the rate of interest, time of payment of principal or interest, or Collateral requirements. Adjustments may be approved by the Board only if:
(1) The adjustment is consistent with the financial interests of the United States;
(2) Consent has been obtained from the parties to the Loan Agreement;
(3) The adjustment is consistent with the underwriting criteria developed for the Program;
(4) The adjustment does not adversely affect the interest of the Federal Government in the Assets or Collateral of the Borrower;
(5) The adjustment does not adversely affect the ability of the Borrower to repay the Loan; and
(6) The National Telecommunications and Information Administration of the Department of Commerce has been consulted by the Board regarding the adjustment.
(b) A Lender's decision to forego remedial action in the event of a breach of financial covenants required under the Loan Agreement will not constitute an adjustment under this section.

§ 2201.31 Indemnification.
(a) The United States may be indemnified by any Affiliate of a Borrower designated in the Loan Documents for any losses that the United States incurs as a result of:

1) A judgment against the Borrower or any of its Affiliates;
2) Any breach by the Borrower or any of its Affiliates of their obligations under the Loan Documents;
3) Any violation of the provisions of the Act, or the regulations in this part, by the Borrower or any of its Affiliates;
4) Any penalties incurred by the Borrower or any of its Affiliates for any reason, including violation of a performance schedule stipulated in a Performance Agreement; and
5) Any other circumstances that the Board considers appropriate.
(b) The Board may require more than one Affiliate of a Borrower to make the indemnifications referred to in paragraph (a) of this section.
(c) The indemnifications referred to in paragraph (a) of this section shall be included in the Loan Documents.

§ 2201.32 Termination of obligations.
The Board shall have such rights to terminate the Guarantee as are set forth in the Act and Loan Documents.

§ 2201.33 Defaults.
(a) In determining, following any Payment Default or Default, whether to accelerate the maturity of any amounts outstanding under the Loan Documents or otherwise to declare such amounts to be immediately due and payable, or pursue other remedial actions available under the Loan Documents, the Agent or Lender, as the case may be, shall act at all times in accordance with the standard of care and diligence required under §2201.26(a) of this part.
(b) Following any Payment Default, the Agent or Lender shall promptly notify the Board and be entitled to make a Payment Demand. Any Payment Demand shall:
(1) Identify the amount and due date of the defaulted payment of principal and the outstanding amounts of principal and interest under the Loan;
(2) Describe briefly the circumstances leading to the Payment Default, including, without limitation,
the nature of any precipitating Default, whether an acceleration has occurred, and whether a bankruptcy proceeding has been instituted or threatened; and

(3) Be accompanied by a copy of each of the Loan Documents and all notices and other correspondence with the Borrower or other Lender relating to the Payment Default and any precipitating Default.

(c) Following any Payment Demand being made, the Agent or Lender shall furnish to the Board promptly upon request from the Board and, in any event, not later than ninety (90) days from the date of such request, each of the following:

(1) A written, detailed and reasonable plan for the partial or complete foreclosure on and liquidation of the Collateral, including, without limitation, detailed estimates by the Agent or Lender of the time and reasonable costs of collection anticipated to be necessary in order to carry out such plan; and

(2) A written, detailed and reasonable work-out plan, if such a plan is feasible, for the continued operation of the Borrower calculated, in the Agent’s or Lender’s judgment, to assure the best prospect for repayment of principal and interest under the Loan without partial or complete foreclosure and liquidation of the Collateral, including, without limitation, detailed estimates of the time and expense required for such work-out and an assessment of the risks to the Agent or Lender and the Board associated therewith relative to such risks associated with complete foreclosure and liquidation; and, if any partial foreclosure and liquidation is a part of such proposed work-out plan, a detailed estimate of the time and reasonable costs of collection anticipated by the Agent or Lender to be required to effect such partial liquidation.

(d) By making a Payment Demand, the Agent or Lender shall be conclusively deemed to have certified, with full knowledge of the provisions of 18 U.S.C. 1001 and 31 U.S.C. 3729 including, without limitation, the provisions thereof for penalties and damages, to the Board that it has fully and timely complied with all material provisions and obligations under the Guarantee and the Loan Documents, that the amount demanded is past due and owed by the Borrower under the Loan Agreement, and that the demand is properly made and required to be satisfied by the Board under the terms of the Guarantee.

(e) Following receipt of any Payment Demand, the Board or, on its behalf, any duly authorized representative or designee, may conduct an audit and investigation of compliance with all material provisions and obligations under the Guarantee. The Agent and/or Lender shall cooperate fully and diligently with any such audit and investigation.

(f) Within a reasonable period of time from receipt by the Board of a Payment Demand, the Board shall approve payment of the amount to be paid in respect of the unpaid principal amount under the Loan to which the Payment Demand relates. The Board may withhold such payment if any audit or investigation is pending or if information remains to be furnished by the Agent or Lender. Further, payment shall not be made to the extent it is determined by the Board, whether as the result of an audit, investigation or otherwise, that the Board’s payment obligation has terminated. Payment shall be made by wire transfer in immediately available funds to the bank and account designated by the Agent or Lender for such purpose.

(g) The Board may take, or direct to be taken any action in liquidating the Collateral that the Board determines to be necessary or proper, consistent with Federal law and regulations.

(h) Pursuant to the Guarantee, upon Payment Demand by the Agent or Lender, and whether the Board has approved any payment under the Guarantee or any payment has been made under the Guarantee, the Board, through the Administrator, shall have the right to require that the Agent or Lender, solely or with the Administrator, conduct to completion any liquidation of any of the Collateral. Such liquidation shall be conducted by the Agent or Lender in accordance with the standards of care specified in §2201.26(a) of this part.
§ 2201.34 OMB Control Number.

The information collection requirements in this part are approved by the Office of Management and Budget and assigned OMB control number 0572–0135.

Subpart A—General Information

§ 2500.001 Applicability of regulations.

The regulations in subparts A through E of this part apply to the programs authorized under section 14013 of the FCEA to be administered within the Office of Advocacy and Outreach (OAO). The purpose of this part is to set forth regulations for competitive and noncompetitive grants, cooperative agreements, and other assistance agreements awarded through OAO.

§ 2500.002 Definitions.

Applicant means the entity that has submitted a proposal in response to an OAO Request For Proposal (RFP).

Authorized Departmental Officer (ADO) means the Secretary or any employee of the Department with delegated authority to issue or modify award instruments on behalf of the Secretary.

Authorized Organizational Representative (AOR) means the President or Chief Executive Officer of the applicant organization or the official, designated by the President or Chief Executive Officer of the applicant organization, who has the authority to commit the resources of the organization to the project.

Award means financial assistance that provides support to accomplish a public purpose. Awards may be grants, cooperative agreements, or other assistance agreements.

Award agreement means the agreement between OAO and the awardee which sets forth the terms and conditions under which the OAO funds will be made available. Award agreement is used as a general term to describe grant agreements, cooperative agreements, and other assistance agreements.

Award closeout means the process by which the award operation is concluded
at the expiration of the award period or following a decision to terminate the award.

Award period means the timeframe of the award from the beginning date to the ending date as defined in the award agreement.

Awardee means the entity designated in the grant agreement, cooperative agreement, or other assistance agreement as the legal entity to which the award is given.

Baseline monitoring is the minimum, basic monitoring that will take place on an ongoing basis throughout the lifetime of every award.

Beginning date means the date the award agreement is executed by the awardee and OAO and from which costs can be incurred.

Community-based organization means a nongovernmental organization with a well-defined constituency that includes all or part of a particular community.

Cooperative agreement means the award of funds to an eligible awardee to assist in meeting the costs of conducting a project which is intended and designed to accomplish the purpose of the program, and where substantial involvement is expected between OAO and the awardee when carrying out the activities included in the agreement. This agreement may also be referred to more generally as an award.

Department means the U.S. Department of Agriculture.

Disallowed costs means the use of Federal financial assistance funds for unauthorized activities or items as stipulated in the applicable Federal cost principles (2 CFR part 220, 2 CFR part 225, and 2 CFR part 230).

Ending date means the date the award agreement is scheduled to be completed. It is also the latest date award funds will be provided under the award agreement, without an approved time extension.

Participant means an individual or entity that participates in awardee-led activities funded under the award agreement. Furthermore, a participant is any individual or entity who has applied for, otherwise participated in, or received a payment, or other benefit as a result of participating in an activity funded by an OAO award.

Partnering means a joint effort among two or more eligible entities with the capacity to conduct projects intended and designed to accomplish the purpose of the program.

Program leader means the program supervisor within OAO.

Project means activities supported under an OAO award.

Project Director (PD) means the individual designated by the awardee in the proposal and award documentation, and approved by the ADO who is responsible for the direction and management of the award.

Project Officer (PO) means an individual within OAO who is responsible for the programmatic oversight of the award on behalf of the Department.

Request for Proposals (RFP) means an official USDA funding opportunity. At OAO discretion, funding opportunities may be referred to as request for proposals, request for applications, notice of funding availability, or funding opportunity.

Review panel means an evaluation process involving qualified individuals within the relevant field to give advice on the merit of proposals submitted to OAO.

Secretary means the Secretary of Agriculture and any other officer or employee of the Department of Agriculture to whom authority may be delegated.

Terminate funding means the cancellation of Federal assistance, in whole or in part, at any time before the ending date.

Other applicable statutes and regulations.

Several Federal statutes and regulations apply to proposals for Federal assistance considered for review and to grants and cooperative agreements awarded by OAO. These include, but are not limited to:

(a) 7 CFR Part 1, Subpart A—USDA implementation of the Freedom of Information Act;
(b) 7 CFR Part 3—USDA implementation of OMB Circular No. A–129, regarding debt management;
(c) Title VI of the Civil Rights Act of 1964 (Pub. L. 88–352), as amended, which prohibits discrimination on the basis of race, color, or national origin, and 7
CFR part 15, subpart A (USDA implementation);
(e) 7 CFR Part 3016—USDA implementation of Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments.
(f) 7 CFR Part 3017—USDA implementation of Governmentwide Debarment and Suspension (Nonprocurement).
(g) 7 CFR Part 3018—USDA implementation of Restrictions on Lobbying. Imposes prohibitions and requirements for disclosure and certification related to lobbying on awardees of Federal contracts, grants, cooperative agreements, and loans.
(i) 7 CFR Part 3021—USDA implementation of Governmentwide Requirements for Drug-Free Workplace (Financial Assistance).
(j) 7 CFR Part 3022—USDA implementation of OMB Circular No. A–133, Audits of States, Local Governments, and Non-Profit Organizations.
(k) 7 U.S.C. 3318—conferring upon the Secretary general authority to enter into contracts, grants, and cooperative agreements to further the research, extension, or teaching programs in the food and agricultural sciences of the Department of Agriculture.
(l) 29 U.S.C. 794 (Section 501, Rehabilitation Act of 1973) and 7 CFR part 155 (USDA implementation of statute)—prohibiting discrimination based upon physical or mental handicap in Federally assisted programs.
(m) 35 U.S.C. 200 et seq.—Bayh-Dole Act, promoting the utilization of inventions arising from federally supported research and development; encouraging maximum participation of small business firms in federally supported research and development efforts; and promoting collaboration between commercial concerns and non-profit organizations, including universities, while ensuring that the Government obtains sufficient rights in federally supported inventions to meet the needs of the Government and protect the public against nonuse or unreasonable use of inventions (implementing regulations are contained in 37 CFR Part 401).
(n) Title IX of the Education Amendment of 1972 (20 U.S.C. 1681–1683 and 1685–1686), as amended, which prohibits discrimination on the basis of sex;
(o) Age Discrimination Act of 1975 (42 U.S.C. 6101–6107), as amended, which prohibits discrimination on the basis of age;
(q) Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (Pub. L. 91–616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism;
(r) Sections 523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. 290dd–3 and 290ee–3), as amended, relating to confidentiality of alcohol and drug abuse patient records;
(s) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. 3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing;
(t) Any other nondiscrimination provisions in the specific statute(s) under which proposals for Federal assistance are made, and the requirements of any other nondiscrimination statute(s) which may apply to the proposal.

Subpart B—Pre-Award: Solicitation and Proposals

§ 2500.011 Competition.
(a) Standards for competition. Except as provided in paragraph (b) of this section, OAO will enter into discretionary grants or cooperative agreement only after competition, unless restricted by statute.
(b) Exception. The OAO ADO may make a determination in writing that
§ 2500.012 Requests for proposals.

(a) General. For each competitive grant or cooperative agreement, OAO will prepare a program solicitation (also called a request for proposals (RFP)). The RFP may include all or a portion of the following items:

(1) Contact information.
(2) Catalog of Federal Domestic Assistance (CFDA) number.
(3) Legislative authority and background information.
(4) Purpose, priorities, and fund availability.
(5) Program-specific eligibility requirements.
(6) Program-specific restrictions on the use of funds, if applicable.
(7) Matching requirements, if applicable.
(8) Acceptable types of proposals.
(9) Types of projects to be given priority consideration, including maximum anticipated awards and maximum project lengths, if applicable.
(10) Program areas, if applicable.
(11) Funding restrictions, if applicable.
(12) Directions for obtaining additional requests for proposals and proposal forms.
(13) Information about how to obtain proposal forms and the instructions for completing such forms.
(14) Instructions and requirements for submitting proposals, including submission deadline(s).
(15) Explanation of the proposal evaluation process.
(16) Specific evaluation criteria used in the review process.
(17) Type of Federal assistance awards (i.e., grants or cooperative agreements).

(b) RFP variations. Where program-specific requirements differ from the requirements established in this part, program solicitations will also address any such variation(s). Variations may occur in the following:

(1) Award management guidelines.
(2) Restrictions on the delegation of fiscal responsibility.
(3) Required approval for changes to project plans.
(4) Expected program outputs and reporting requirements, if applicable.
(5) Applicable Federal statutes and regulations.
(6) Confidential aspects of proposals and awards, if applicable.
(7) Regulatory information.
(8) Definitions.
(9) Minimum and maximum budget requests and whether proposals outside of these limits will be returned without further review.

(c) Program announcements. Occasionally, OAO will issue a program announcement (PA) to alert potential applicants and the public about new and ongoing funding opportunities. These PAs may provide tentative due dates and are released without associated proposal packages. No proposals are solicited under a PA. PAs will be announced in the FEDERAL REGISTER or on the OAO Web site.

§ 2500.013 Types of proposals.

The type of proposal acceptable may vary by funding opportunity. The RFP will stipulate what will be required for submission to OAO in response to the funding opportunity.

§ 2500.014 Eligibility requirements.

Program-specific eligibility requirements appear in the subpart applicable to each program and in the corresponding RFPs.

§ 2500.015 Content of a proposal.

The RFP provides instructions on how to access a funding opportunity. The funding opportunity contains the proposal package, which includes the forms necessary for completion of a proposal in response to the RFP. The RFP will be posted on http://www.Grants.gov. OAO may also publish the RFP in the FEDERAL REGISTER.

§ 2500.016 Submission of a proposal.

The RFP will provide deadlines for the submission of proposals. OAO may issue separate RFPs and/or establish
§ 2500.021 Guiding principles.

The guiding principle for Federal assistance proposal review and evaluation is to ensure that each proposal is treated in a consistent and fair manner. After the evaluation process by the review panel, OAO will provide an opportunity for applicant feedback in as timely a manner as possible.

§ 2500.017 Confidentiality of proposals and awards.

(a) General. Names of entities submitting proposals, as well as proposal contents and evaluations, except to those involved in the review process, will be kept confidential to the extent permissible by law.

(b) Identifying confidential and proprietary information in a proposal. If a proposal contains proprietary information that constitutes a trade secret, proprietary commercial or financial information, confidential personal information, or data affecting the national security, it will be treated in confidence to the extent permitted by law, provided that the information is clearly marked by the applicant with the term “confidential and proprietary information.” In addition, the following statement must be included at the bottom of the project narrative or any other attachment included in the proposal that contains such information: “The following pages (specify) contain proprietary information which (name of proposing organization) requests not to be released to persons outside the Government, except for purposes of evaluation.”

(c) Disposition of proposals. By law, OAO is required to make the final decisions as to whether the information is required to be kept in confidence. Information contained in unsuccessful proposals will remain the property of the applicant. However, the Department will retain for three years one file copy of each proposal received; extra copies will be destroyed. Public release of information from any proposal submitted will be subject to existing legal requirements. Any proposal that is funded will be considered an integral part of the award and normally will be made available to the public upon request, except for information designated proprietary by OAO.

(d) Submission of proprietary information. The inclusion of proprietary information is discouraged unless it is necessary for the proper evaluation of the proposal. If proprietary information is to be included, it should be limited, set apart from other text on a separate page, and keyed to the text by numbers. It should be confined to a few critical technical items that, if disclosed, could jeopardize the obtaining of foreign or domestic patents. Trade secrets, salaries, or other information that could jeopardize commercial competitiveness should be similarly keyed and presented on a separate page. Proposals or reports that attempt to restrict dissemination of large amounts of information may be found unacceptable by OAO and constitute grounds for return of the proposal without further consideration. Without assuming any liability for inadvertent disclosure, OAO will limit dissemination of such information to its employees and, where necessary for the evaluation of the proposal, to outside reviewers on a confidential basis.

§ 2500.018 Electronic submission.

Applicants and awardees are encouraged, but not required, to submit proposals and reports in electronic form as prescribed in the RFP issued by OAO and in the applicable award agreement.

Subpart C—Pre-Award: Proposal Review and Evaluation

§ 2500.021 Guiding principles.

The guiding principle for Federal assistance proposal review and evaluation is to ensure that each proposal is treated in a consistent and fair manner. After the evaluation process by the review panel, OAO will provide an opportunity for applicant feedback in as timely a manner as possible.
§ 2500.022 Preliminary proposal review.

Prior to technical examination, a preliminary review will be made of all proposals for responsiveness to the administrative requirements set forth in the RFP. Proposals that do not meet the administrative requirements may be eliminated from program competition. However, OAO retains the right to conduct discussions with applicants to resolve technical and/or budget issues, as deemed necessary by OAO.

§ 2500.023 Selection of reviewers.

(a) Requirement. OAO is responsible for performing a review of proposals submitted to OAO competitive award programs. The RFP will identify the criteria that OAO will use for the selection of the proposal review panel.

(b) Confidentiality. The identities of reviewers will remain confidential to the maximum extent possible. Therefore, the names of reviewers will not be released to applicants. Names of applicants, as well as proposal content and evaluation comments will be kept confidential to the extent permitted by law, except to those involved in the review process. Reviewers will comply with the above-mentioned confidentiality guidelines.

(c) Conflicts of interest. During the evaluation process, extreme care will be taken to prevent any actual or perceived conflicts of interest that may impact review or evaluation. Reviewers are expected to be in compliance with the Conflict-of-Interest process made a part of the RFP.

§ 2500.024 Evaluation criteria.

(a) General. To ensure any project receiving funds from OAO is consistent with the broad goals of the funding program, the content of each proposal submitted to OAO will be evaluated based on a pre-determined set of review criteria as indicated in the RFP.

(b) Guidance for reviewers. In order that all potential applicants for a program have similar opportunities to compete for funds, all reviewers will receive an orientation from the Program Leader of the review criteria. Reviewers are instructed to use those same evaluation criteria, and only those criteria, to judge the merit of the proposals they review.

§ 2500.025 Procedures to minimize or eliminate duplication of effort.

OAO may implement appropriate business processes to minimize or eliminate the awarding of Federal assistance to projects that unnecessarily duplicate activities already being sponsored under other awards, including awards made by other Federal agencies.

§ 2500.026 Applicant feedback.

Unsuccessful applicants may submit a request for applicant feedback in writing to OAO within 10 days after receiving written notice of not being selected for further processing. Applicant feedback requests are to be mailed to the Program Leader at the address below, unless otherwise stated in the “Notice of Non-Selection” or in the RFP. At OAO’s discretion, either written or oral feedback will be provided to unsuccessful applicants.

Subpart D—Award

§ 2500.031 Administration.

(a) General. Within the limit of funds available for such purpose, the OAO ADO shall make Federal assistance awards to those responsible, eligible applicants whose proposals are judged most meritorious under the procedures set forth in the RFP. The date specified by the OAO ADO as the effective date of the award shall be no later than September 30th of the Federal fiscal year in which the project is approved for support and funds are appropriated for such purpose, unless otherwise permitted by law. It should be noted that the project need not be initiated on the award effective date, but as soon thereafter as practical so that project goals may be attained within the funded project period. All funds awarded by OAO shall be expended solely for the
purpose for which the funds are awarded in accordance with the approved statement of work and budget, the regulations, the terms and conditions of the OAO award agreement, the applicable Federal cost principles, and the Department’s assistance regulations (e.g., 7 CFR parts 3015, 3016, and 3019).

(b) Award agreement. The award agreement and accompanying terms and conditions will provide pertinent instructions and information including, at a minimum, the following:

(1) Legal name and address of performing organization or institution to which OAO has awarded a grant or cooperative agreement.
(2) Title of project.
(3) Name(s) of Project Director(s).
(4) Identifying award number assigned by OAO.
(5) Project period.
(6) Total amount of OAO financial assistance approved.
(7) Legal authority under which the grant or cooperative agreement is awarded.
(8) Appropriate CFDA number.
(9) Approved budget plan (that may be referenced).
(10) Terms and Conditions

Subpart E—Post-Award and Closeout

§ 2500.041 Payment.

(a) General. All payments will be made in advance unless a deviation is accepted or as specified in paragraph (b) of this section. All payments to the awardee shall be made via the approved electronic funds transfer (EFT) method. Awardees are expected to request funds via the federally-approved electronic payment system for reimbursement in a timely manner. Exact payment method will be described in the terms and conditions of the award agreement.

(b) Reimbursement method. OAO shall use the reimbursement method if it determines that advance payment is not feasible or that the awardee does not maintain or demonstrate the willingness to maintain written procedures that minimize the elapse of time between the transfer of funds and disbursement by the awardee, and financial management systems that meet the standards for fund control and accountability.

§ 2500.042 Cost sharing and matching.

(a) General. Awardees may be required to match the Federal funds received under an OAO award. The required percentage of matching, type of matching (e.g., cash and/or in-kind contributions), sources of match (e.g., non-Federal), and whether OAO has any authority to waive the match will be specified in the subpart applicable to the specific Federal assistance program, as well as in the RFP.

(b) Indirect costs as in-kind matching contributions. Indirect costs may be claimed under the Federal portion of the award budget. However, unless explicitly authorized in the RFP, indirect costs may not be claimed on both the Federal and nonfederal portion of the award budget.

§ 2500.043 Program income.

(a) General. OAO shall apply the standards set forth in this subpart in requiring awardee organizations to account for program income related to projects financed in whole or in part with Federal funds.

(b) Addition method. Unless otherwise provided in the authorizing statute, in accordance with the terms and conditions of the award, program income earned during the project period shall be retained by the awardee and shall be added to funds committed to the project by OAO and the awardee and used to further eligible project or program objectives. Any specific program deviations will be identified in the individual subparts.

(c) Award terms and conditions. Unless the program regulations identified in the individual subpart provide otherwise, awardees shall follow the terms and conditions of the OAO award. Such terms and conditions will be made a part of the OAO award agreement.

§ 2500.044 Indirect costs.

Indirect cost rates for grants and cooperative agreements shall be determined in accordance with the applicable assistance regulations and cost principles, unless superseded by another authority.
§ 2500.045 Technical reporting.

All projects supported with Federal funds under this part must be documented according to the terms and conditions of the OAO award agreement.

§ 2500.046 Financial reporting.

(a) SF–425, Federal Financial Report. As stated in the award terms and conditions of the OAO award agreement, a final SF–425, Federal Financial Report, is due 90 days after the expiration of the award and should be submitted to OAO electronically. The awardee shall report program outlays and program income on the same accounting basis (i.e., cash or accrual) that it uses in its normal accounting system. When submitting a final SF–425, Federal Financial Report, the total matching contribution, if required, should be shown in the report. The final SF–425 must not show any unliquidated obligations. If the awardee still has valid obligations that remain unpaid when the report is due, it shall request an extension of time for submitting the report pursuant to paragraph (c) of this section; submit a provisional report (showing the unliquidated obligations) by the due date; and submit a final report when all obligations have been liquidated, but no later than the approved extension date. SF–425, Federal Financial Reports, must be submitted by all awardees, including Federal agencies and national laboratories.

(b) Awards with required matching. For awards requiring a matching contribution, an annual SF–425, Federal Financial Report, is required and this requirement will be indicated in the terms and conditions of the OAO award agreement, in which case it must be submitted no later than 45 days following the end of the budget or reporting period.

(c) After the due date. Requests are considered late when they are submitted after the 90-day period following the award expiration date. Requests to submit a late final SF–425, Federal Financial Report, will only be considered, up to 30 days after the due date, in extenuating circumstances. This request should include a provisional report pursuant to paragraph (a) of this section, as well as an anticipated submission date, a justification for the late submission, and a justification for the extenuating circumstances. If an awardee needs to request additional funds, procedures in paragraph (d) of this section apply.

(d) Overdue SF–425, Federal Financial Reports. Awardees with overdue SF–425, Federal Financial Reports, or other required financial reports (as identified in the award terms and conditions), will have their applicable balances in the approved federal electronic funds transfer system restricted or placed on “manual review,” which restricts the awardee’s ability to draw funds, thus requiring prior approval from OAO. If any remaining available balances are needed by the awardee (beyond the 90-day period following the award expiration date) and the awardee has not requested an extension to submit a final SF–425, Financial Status Report, the awardee will be required to contact OAO to request permission to draw any additional funds and will be required to provide justification and documentation to support the draw. Awardees also will need to comply with procedures in paragraph (c) of this section. OAO will approve these draw requests only in extenuating circumstances.

(e) Additional reporting requirements. OAO may require forecasts of Federal cash requirements in the “Remarks” section of the report; and when practical and deemed necessary, OAO may require awardees to report in the “Remarks” section the amount of cash advances received in excess of three days (i.e., short narrative with explanations of actions taken to reduce the excess balances). When OAO needs additional information or more frequent reports, a special provision will be added to the award terms and conditions and identified in the OAO award agreement. Should OAO determine that an awardee’s accounting system is inadequate, additional pertinent information to further monitor awards may be requested from the awardee until such time as the system is brought up to standard, as determined by OAO. This additional reporting requirement will be required via a special provision to the award terms and conditions of the OAO award agreement.
§ 2500.047 Project meetings.
In addition to reviewing and monitoring the status of progress and final technical reports and financial reports, OAO Project Officers may use regular and periodic conference calls to monitor the awardee’s performance as well as conferences, workshops, meetings, and symposia to not only monitor the awards, but to facilitate communication and the sharing of project results. These opportunities also serve to eliminate or minimize OAO funding of unneeded duplicative project activities. Required attendance at these conference calls, conferences, workshops, meetings, and symposia will be identified in the RFP or award document.

§ 2500.048 Review of disallowed costs.
(a) Notice. If the OAO Project Officer (PO) determines that there is a basis for disallowing a cost, OAO shall provide the awardee written notice of its intent to disallow the cost. The written notice shall state the amount of the cost and the factual and legal basis for disallowing it.
(b) Awardee response. Within 60 days of receiving written notice of the PO’s intent to disallow the cost, the awardee may respond with written evidence and arguments to show the cost is allowable, or that, for equitable, practical, or other reasons, shall not recover all or part of the amount, or that the recovery should be made in installments. An extension of time will be granted only in extenuating circumstances.
(c) Decision. Within 60 days of receiving the awardee’s written response to the notice of intent to disallow the cost, the PO shall issue a management decision stating whether or not the cost has been disallowed, the reasons for the decision, and the method of appeal that has been provided under this section. If the awardee does not respond to the written notice under paragraph (a) of this section within the time frame specified in paragraph (b) of this section, the PO shall issue a management decision on the basis of the information available to it. The management decision shall constitute the final action with respect to whether the cost is allowed or disallowed. In the case of a questioned cost identified in the context of an audit subject to 7 CFR part 3052, the management decision will constitute the management decision under 7 CFR 3052.405(a).
(d) Demand for payment. If the management decision under paragraph (c) of this section constitutes a finding that the cost is disallowed and, therefore, that a debt is owed to the Government, the PO shall provide the required demand and notice pursuant to 7 CFR 3.11.
(e) Review process. Within 60 days of receiving the demand and notice referred to in paragraph (d) of this section, the awardee may submit a written request to the OAO Director for a review of the final management decision that the debt exists and the amount of the debt. Within 60 days of receiving the written request for a review, the OAO Director will issue a final decision regarding the debt. A review by the OAO Director or designee constitutes an administrative review for debts under 7 CFR part 3, subpart F.

§ 2500.049 Prior approvals.
(a) Subcontracts. No more than 50 percent of the award may be subcontracted to other parties without prior written approval of the ADO. Any subcontract awarded to a Federal agency under an award must have prior written approval of the ADO. To request approval, a justification for the proposed subcontractual arrangements, a performance statement, and a detailed budget for the subcontract must be submitted to the ADO.

(b) No-cost extensions of time—(1) General. Awardees may initiate a one-time no-cost extension of the expiration date of the award of up to 12 months unless one or more of the following conditions apply: the terms and conditions of the award prohibit the extension; the extension requires additional Federal funds; and the extension involves any change in the approved objectives or scope of the project. For the first no-cost extension, the awardee must notify OAO in writing with the supporting reasons and revised expiration date at least 10 days before the expiration date specified in the award.
(2) Additional requests for no-cost extensions of time before expiration date. When more than one no-cost extension
§ 2500.050 Suspension, termination, and withholding of support.

(a) General. If an awardee has failed to materially comply with the terms and conditions of the award, OAO may take certain enforcement actions, including, but not limited to, suspending the award pending corrective action and terminating the award for cause.

(b) Suspension. OAO generally will suspend (rather than immediately terminate) an award to allow the awardee an opportunity to take appropriate corrective action before OAO makes a termination decision. OAO may decide to terminate the award if the awardee does not take appropriate corrective action during the period of suspension. OAO may terminate, without first suspending the award if the deficiency is so serious as to warrant immediate termination. Termination for cause may be appealed under the terms and conditions identified in the OAO award agreement.

(c) Termination. An award also may be terminated, partially or wholly, by the awardee or by OAO with the consent of the awardee. If the awardee decides to terminate a portion of the award, OAO may determine that the remaining portion of the award will not accomplish the purposes for which the award was originally made. In any such case, OAO will advise the awardee of the possibility of termination of the entire award and allow the awardee to withdraw its termination request. If the awardee does not withdraw its request for partial termination, OAO may initiate procedures to terminate the entire award for cause.

§ 2500.051 Debt collection.

The collection of debts owed to OAO by awardees, including those resulting from cost disallowances, recovery of funds, unobligated balances, or other circumstances, are subject to the Department’s debt collection procedures as set forth in 7 CFR part 3, and, with respect to cost disallowances, § 2500.048.

§ 2500.052 Award appeals procedures.

(a) General. OAO permits awardees to appeal certain adverse post-award administrative decisions made by OAO. Such adverse decisions include: Termination, in whole or in part, and determination that an award is void. An award may be terminated for failure of the awardee to carry out its approved project in accordance with the applicable law and the terms and conditions of award; or for failure of the awardee otherwise to comply with any law, regulation, assurance, term, or condition applicable to the award. Additionally, an award may be determined to be void if, for example, it was not authorized by statute or regulation or because it was fraudulently obtained. Appeals of determinations regarding the allowability of costs are subject to the procedures in § 2500.048.

(b) Appeal Procedures. The formal notification of an adverse determination will contain a statement of the awardee’s appeal rights. To appeal an adverse

§ 2500.101 Applicability of regulations.

The regulations in this subpart apply to the Outreach and Assistance for Socially Disadvantaged Farmers and Ranchers (OASDFR) Program authorized under section 2501 of the Food, Agriculture, Conservation and Trade Act of 1990 (7 U.S.C. 2279), as amended. Unless otherwise specified in this subpart, the requirements of 7 CFR part 2500 subparts A through E will apply in addition to the requirements discussed in this subpart.

determination, the awardee must submit a request for review to the OAO official specified in the notification, detailing the nature of the disagreement with the adverse determination and providing supporting documents in accordance with the procedures contained in the notification. The awardee’s request to OAO for review must be received within 60 days after receipt of the written notification of the adverse determination; however, an extension may be granted if the awardee can show good cause why an extension is warranted. OAO will carefully consider the merits of all requests for appeals and further reviews. However, at the conclusion of the OAO appeal review process, the OAO decision rendered on the appeal is considered final. The awardee will be notified in writing by OAO of final appeal review determinations.

§ 2500.053 Expiring appropriations.

(a) OAO awards supported with office appropriations. Most OAO awards are supported with annual appropriations. On September 30th of the 5th fiscal year after the period of availability for obligation ends, the funds for these appropriations accounts expire per 31 U.S.C. 1552 and the account is closed, unless otherwise specified by law. Funds that have not been drawn through the approved electronic funds transfer system, by the awardee or disbursed through any other system or method by August 31st of that fiscal year are subject to be returned to the U.S. Department of the Treasury after that date. The August 31st requirement also applies to awards with a 90-day period concluding on a date after August 31st of that fifth year. Appropriations cannot be restored after expiration of the accounts. More specific instructions are provided in the terms and conditions of the OAO award agreement.

§ 2500.055 Audit.

Awardees must comply with the audit requirements of 7 CFR part 3052. The audit requirements apply to the years in which Federal financial assistance funds are received and years in which work is accomplished using these funds.

§ 2500.056 Civil rights.

Awardees must comply with the civil rights requirements of 7 CFR part 15, subpart A—USDA implementation of Title VI of the Civil Rights Act of 1964, as amended. In accordance, no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the recipient receives Federal financial assistance and will immediately take any measures necessary to effectuate this agreement.
§ 2500.102 Purpose.

(a) The purpose of the OASDFR Program is to make competitive awards to provide outreach and technical assistance to encourage and assist socially disadvantaged farmers and ranchers in:

(1) Owning and operating farms, ranches, and non-industrial forest lands; and

(2) In participating equitably in the full range of agricultural programs offered by the Department.

(b) The OASDFR Program awards shall be used exclusively to:

(1) Enhance coordination of the outreach, technical assistance, and education efforts authorized under agriculture programs;

(2) Assist in reaching current and prospective socially disadvantaged farmers, ranchers or forest landowners in a linguistically appropriate manner; and

(3) Improve the participation of those farmers and ranchers in agricultural programs.

§ 2500.103 Definitions.

The definitions provided in subpart A apply to this subpart. In addition, the definitions that apply specifically to the OASDFR Program under this subpart include:

Agriculture programs means those programs administered within the Department, by agencies including but not limited to: Forest Service (FS), Natural Resources Conservation Service (NRCS), Farm Service Agency (FSA), Risk Management Agency (RMA), Rural Development (RD), Rural Business Cooperative Service (RBCS), National Institute of Food and Agriculture (NIFA), and Agricultural Marketing Service (AMS), and other such programs as determined by the Department on a case-by-case basis either at the OAO Director's initiative or in response to a written request with supporting explanation for inclusion of a program. (For further details on specific programs included under this subpart see 7 U.S.C. 2279(e)(3) or the RFP).

Alaska Native cooperative colleges means an eligible post-secondary educational institution that has an enrollment of undergraduate full-time equivalent students that is at least 20 percent Alaska Native students at the time of submission of a proposal.

Assistance means providing educational and technical assistance to socially disadvantaged farmers, ranchers, and forest landowners in (1) owning and operating farms, ranches, and non-industrial forest lands; and (2) in participating equitably in the full range of agricultural programs offered by the Department through workshops, site visits and other means of contact in a linguistically appropriate manner.

Farmer, rancher, or forest landowner means the person who primarily cultivates, operates, or manages a farm, ranch, or forest for profit, either as owner or tenant. A farm includes livestock, dairy, poultry, fish, fruit, and truck farms. It also includes plantations, ranches, ranges, and orchards.

Hispanic-serving institution means an eligible institution of higher education that has an enrollment of undergraduate full-time equivalent students that is at least 25 percent Hispanic students at the end of the award year immediately preceding the date of submission of a proposal (see 20 U.S.C. 1101a(5)).

Indian tribe means any Indian tribe, band, nation, or other organized group or community, including any Alaska Native village or regional or village corporation as defined in or established pursuant to the Alaska Native Claims Settlement Act (85 Stat. 688) (43 U.S.C. 1601 et seq.), which is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians. (For further specification, see 25 U.S.C. 1801(a)(4)).

Indian tribal community college means a post-secondary education institution which is formally controlled, or has been officially sanctioned, or chartered, by the governing body of an Indian tribe or tribes. (See 25 U.S.C. 1801(a)(4)).

Institution of higher education means an educational institution in any State that is a public or other nonprofit institution that is legally authorized and
accredited by a nationally recognized accrediting agency or association to provide a program of education beyond secondary education for which the institution awards a bachelor's degree. (For further specification, see 20 U.S.C. 1001(a)).

Outreach means the use of formal and informal educational materials and activities in a linguistically appropriate manner that serve to encourage and assist socially disadvantaged farmers and ranchers in:

(1) Owning and operating farms and ranches; and in

(2) Participating equitably in the full range of agricultural programs offered by the Department.

Socially disadvantaged farmer, rancher or forest landowner means a farmer, rancher, or forest landowner who is a member of a socially disadvantaged group. (See 7 U.S.C. 2279(e)(2)).

Socially disadvantaged group means a group whose members have been subjected to racial or ethnic prejudice because of their identity as members of a group without regard to their individual qualities. (See 7 U.S.C. 2279(e)(1)).

State means any of the 50 States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Virgin Islands of the United States, American Samoa, the Commonwealth of the Northern Mariana Islands, and federally recognized Indian tribes.

Supplemental funding means funding to an existing awardee in addition to the amount of the original award contained in the grant or cooperative agreement. Such additional funding is intended to continue or expand work that is within the scope of the original agreement and statement of work.

Tribal organization means the recognized governing body of any Indian tribe. A tribal organization is any legally established organization of Indians which is controlled, sanctioned, or chartered by such governing body or which is democratically elected by the adult members of the Indian community. In any case where an award is made to an organization to perform services benefiting more than one Indian tribe, the approval of each participating Indian tribe shall be a prerequisite to the making of such an award. (See 25 U.S.C. 1603(25)).

§ 2500.104 Eligibility requirements.

Proposals may be submitted by any of the following:

(a) Any community-based organization, network, or coalition of community-based organizations that:

(1) Has demonstrated experience in providing agricultural education or other agriculturally related services to socially disadvantaged farmers, ranchers, and forest landowners;

(2) Has provided to the Secretary documentary evidence of work with, and on behalf of socially disadvantaged farmers, ranchers, or forest landowners during the three-year period preceding the submission of a proposal for assistance under this program; and

(3) Does not engage in activities prohibited under Section 501(c)(3) of the Internal Revenue Code of 1986.

(b) An 1890 institution or 1994 institution (as defined in 7 U.S.C. 7601), including West Virginia State University.

(c) An Indian tribal community college or an Alaska Native cooperative college.

(d) A Hispanic-serving institution (as defined in 7 U.S.C. 3103).

(e) Any other institution of higher education (as defined in 20 U.S.C. 1001) that has demonstrated experience in providing agriculture education or other agriculturally related services to socially disadvantaged farmers, ranchers, and forest landowners in a region.

(f) An Indian tribe (as defined in 25 U.S.C. 450b) or a national tribal organization that has demonstrated experience in providing agriculture education or other agriculturally-related services to socially disadvantaged farmers, ranchers, and forest landowners in a region.

(g) Other organizations or institutions that received funding under this program before January 1, 1996, but only with respect to projects that the Secretary considers are similar to projects previously carried out by the entity under this program.

§ 2500.105 Project types and priorities.

For each RFP, OAO may develop and include the appropriate project types
and focus areas based on the critical needs of the socially disadvantaged farmer and rancher community. For standard OASDFR projects, competitive grants or cooperative agreements will be awarded to support programs and services, as appropriate, to encourage and assist socially disadvantaged farmers and ranchers in the following focus areas:

(a) Owning and operating farms and ranches;
(b) Participating equitably in the full range of agricultural programs offered by the Department; and
(c) Other areas as specified by the Secretary in the RFP.

§ 2500.106 Funding restrictions.
Funds made available under this subpart shall not be used for the construction of a new building or facility or the acquisition, expansion, remodeling, or alteration of an existing facility (including site grading and improvement, and architect fees).

§ 2500.107 Matching.
Matching funds are not required as a condition of receiving awards under this subpart.

§ 2500.108 Term of award.
The award term will be defined in the OAO award agreement, and can be later amended upon approval of OAO.

§ 2500.109 Program requirements.
Grants and cooperative agreements under this subpart shall address the priorities in the Department that involve providing outreach and technical assistance to socially disadvantaged farmers, ranchers, and forest landowners to own and operate farms and participate equitably in agricultural programs; and other priorities as determined by the Secretary.
Agricultural Employment means any service or activity as defined in the Migrant and Seasonal Agricultural Worker Protection Act, 29 U.S.C. 1802, including any activity defined as “agriculture” in Section 3(f) or the Fair Labor Standards Act of 1938, 29 U.S.C. 203(f), any activity defined as “agricultural labor” in 26 U.S.C. 3121(g) (the Internal Revenue Code); as well as the handling, planting, drying, packing, packaging, processing, freezing, or grading prior to delivery for storage of any agricultural or horticultural commodity in its unmanufactured state. Authorized Departmental Officer (ADO) means the individual, acting within the scope of delegated authority, who is responsible for executing and administering awards on behalf of the U.S. Department of Agriculture.

Community-based organization means a non-governmental organization with a well-defined constituency that includes all or part of a particular community. Consortium means a group formed by entities with similar goals and objectives for the purpose of pooling resources to undertake a project that would otherwise be reasonably beyond the capabilities of any one member.

Eligible entity, as described in section 379C(a) of the Consolidated Farm and Rural Development Act (7 U.S.C. 2008q(a)), means a non-profit organization, or a consortium of nonprofit organizations, agribusinesses, State and local governments, agricultural labor organizations, farmer or rancher cooperatives, and community-based organizations with the capacity to train farm workers.

Farmworker means an individual hired to perform agricultural employment, including migrant, seasonal, and hired family farm workers. The term farmworker includes individuals who are not currently employed as a farmworker but who are actively seeking work as such. The term does not include agricultural employers or individuals who are self-employed.

Grantee means the organization designated in the grant award document as the responsible legal entity to which a grant is awarded.

Legally present in the United States shall have the same meaning as the term “lawfully present” in the United States as defined at 8 CFR 103.12(a) (addressing eligibility for Title II Social Security benefits under Pub. L. 104–103).

Notice of Funding Availability (NOFA) means a notice published in the Federal Register announcing the availability of money for the grants program which lists the application deadlines, eligibility requirements and locations where interested parties can get help in applying.

Office of Advocacy and Outreach (OAO) means the Office of Advocacy and Outreach, an office within the USDA’s Departmental Management.

Request for Proposal (RFP) refers to a grant competition and is used interchangeably with the phrase grant application notice and solicitation for grant applications (SFA).

Retaining an agricultural job means continuing agricultural employment, including upgraded employment.

Returning from an agricultural job means returning to a home area from a position in agricultural employment.

Secretary means the Secretary of Agriculture and any other officer or employee of the United States Department of Agriculture to whom the authority involved is delegated.

Securing an agricultural job means obtaining agricultural employment.

State means any of the States of the United States, the District of Columbia, the Virgin Islands, the Commonwealth of Puerto Rico, and Guam.

United States worker (U.S. worker) shall have the same meaning as the term U.S. worker defined by the Department of Labor at 20 CFR 655.4.

Upgrading an agricultural job means advancement to a position in agricultural employment which offers more hours of work and/or better terms and conditions of employment and/or an increase in wages.

§ 2502.3 Deviations.

Any request by the applicant or grantee for a waiver or deviation from any provision of this part shall be submitted to the ADO identified in the agency specific requirements. OAO shall review the request and notify the applicant/grantee whether the request to deviate has been approved within 30 calendar days from the date of receipt...
Subpart B—Program Eligibility, Services and Delivery

§ 2502.4. Program eligibility.

(a) Entities eligible to apply for and receive a grant under this part include:
   (1) A non-profit organization;
   (2) A consortium of nonprofit organizations; or
   (3) A consortium which includes a non-profit organization(s) and one or more of the following: agribusinesses, State and local governments, agricultural labor organizations, farmer or rancher cooperatives, and community-based organizations with the capacity to train farm workers.

(b) Additional information about eligible entities may be included in the RFP. In addition, the RFP will specify the criteria by which an entity’s capacity to train farm workers will be evaluated, but at a minimum, the entity shall be required to demonstrate that it has:
   (1) An understanding of the issues facing hired farmworkers and conditions under which they work;
   (2) Familiarity with the agricultural industry in the geographic area to be served, including agricultural labor needs and existing services for farmworkers; and
   (3) The capacity to effectively administer a program of services and benefits authorized by the ACE program.

(c) An applicant will be required to submit information to OAO, as specified in the RFP and/or FOA as part of the grant application.

§ 2502.5 Program benefits and services.

(a) The ACE grants program will be centrally administered by the USDA in a manner consistent with these regulations, as well as the pertinent requirements of 7 CFR part 3015, 7 CFR part 3016, 7 CFR part 3018, 7 CFR part 3019 and 7 CFR 3052.

(b) The Office of Advocacy and Outreach (OAO) has been designated as the organizational unit responsible for administering the ACE program, including, among other things, determining the number and amount of grants to be awarded, the purposes for the grants to be awarded, as well as the criteria for the evaluation and award of grants.

(c) Services and benefits provided under the ACE grants program are limited to those which will assist eligible farmworkers in securing, retaining, upgrading or returning from agricultural jobs.

(d) Such services will include the following:
   (1) Agricultural labor skills development
   (2) Provision of agricultural labor market information:
   (3) Transportation:
   (4) Short-term housing while in transit to an agricultural worksite;
   (5) Workplace literacy and assistance with English as a second language;
   (6) Health and safety instruction, including ways of safeguarding the food supply of the United States;
   (7) Such other services as the Secretary deems appropriate.

(e) Grant funds shall not be used to deliver or replace any services or benefits which an agricultural employer, association, contractor, or any other entity is legally obliged to provide.

§ 2502.6 Recipients of program benefits or services.

(a) Those eligible to receive program services or benefits under the ACE program are farmworkers who meet the definition of “United States Workers” as set forth in § 2502.2 of this part.

(b) Grantees shall be responsible for verifying the employment of farmworkers who are actively employed and are seeking to participate in program services or benefits. Unemployed farmworkers seeking to participate shall be required to certify to grantees that they are eligible for program services and benefits as provided herein. Additional eligibility requirements may be included in the RFP.

§ 2502.7 Responsibilities of grantees.

Each grantee is responsible for providing services and/or benefits authorized by this program in accord with a service delivery strategy described in
Office of Advocacy and Outreach, USDA

§ 2502.8

Pre-award, award, and post-award procedures and administration of grants.

(a) Unless otherwise provided in this rule, the requirements governing pre-award solicitation and submission of proposals and/or applications, the review and evaluation of such, the award of grant funds, and post-award and close-out procedures are those set forth at 7 CFR part 2500, subparts A, B, C, D, and E.

(b) For purposes of the ACE Grants Program, the provisions of Subpart E, at 7 CFR 2500.49, “Prior Approvals,” shall not apply. In lieu of that provision, the following requirements shall apply: Awardees may not subcontract more than 20 percent of the award to other parties without prior written approval of the ADO. To request approval, a justification for the proposed subcontract, a performance statement, and a detailed budget for the subcontract must be submitted in writing to the ADO.

§ 2610.1 General statement.

(a) The Inspector General Act of 1978 as amended, Pub. L. 95–452, 5 U.S.C. App., establishes an Office of Inspector General (OIG) in the U.S. Department of Agriculture (USDA) and transfers to it the functions, powers, and duties of offices referred to in the Department as the “Office of Investigation” and the “Office of Audit,” previously assigned to the OIG created by the Secretary’s Memoranda 1915 and 1727, dated March 23, 1977, and October 5, 1977, respectively. Under this Act, OIG is established as an independent and objective unit, headed by the Inspector General (IG), who is appointed by the President and reports to and is under the general supervision of the Secretary.

(b) The mission of OIG is to provide policy direction; to conduct, supervise, and coordinate audits and investigations of USDA programs and operations to determine efficiency and effectiveness; to prevent and detect fraud and abuse in such programs and operations; and to keep the Secretary and the Congress informed of problems and deficiencies relative to the programs and operations.

(c) The Secretary has made the following delegations of authority to the IG (7 CFR 2.33):

(1) Advise the Secretary and General Officers in the planning, development, and execution of Department policies and programs.

(2) Provide for the personal security of the Secretary and Deputy Secretary.

(3) Serve as liaison official for the Department for all audits of USDA performed by the General Accounting Office.

(d) In addition to the above delegations of authority, the IG, under the general supervision of the secretary, has specific duties, responsibilities, and authorities pursuant to the Act, including:

(i) Conduct and supervise audits and investigations relating to programs and operations of the Department.

(ii) Provide leadership, coordination, and policy recommendations to promote economy, efficiency, and effectiveness, and to prevent and detect fraud and abuse in the administration of the Department’s program and operations.

(iii) Keep the Secretary and the Congress fully and currently informed about problems and deficiencies and the necessity for and progress of corrective actions in the administration of the Department’s programs and operations.

(iv) Make such investigations and reports relating to the administration of programs and operations of the Department as are in the judgment of the IG, necessary or desirable.

(v) Review existing and proposed legislation and regulations and make recommendations to the Secretary and the Congress on the impact such laws or regulations will have on the economy and efficiency of program administration or in the prevention and detection of fraud and abuse in the programs and operations of the Department.

(vi) Have access to all records, reports, audits, reviews, documents, papers, recommendations, or other material available to the Department which relate to programs and operations for which the IG has responsibility.

(vii) Report expeditiously to the Attorney General any matter where there are reasonable grounds to believe there has been a violation of Federal criminal law.

(viii) Issue subpoenas to other than Federal agencies for the production of information, documents, reports, answers, records, accounts, papers, and other data and documentary evidence necessary in the performance of functions assigned by the Act.
(ix) Receive and investigate complaints or information from any Department employee concerning possible violations of laws, rules or regulations, or mismanagement, gross waste of funds, abuse of authority, or substantial and specific dangers to the public health and safety.

(x) Select, appoint, and employ necessary officers and employees in OIG in accordance with laws and regulations governing the civil service, including an Assistant Inspector General for Auditing and an Assistant Inspector General for Investigations.

(xi) Obtain services as authorized by Section 3109 of Title 5, United States Code.

(xii) Enter into contracts and other arrangements for audits, inspections, studies, analyses, and other services with public agencies and private persons, and make such payments as may be necessary to carry out the provisions of the Act to the extent and in such amounts as may be provided in an appropriation act.

(d) The IG, under the Agriculture and Food Act of 1981, Pub. L. 97–98, 7 U.S.C. 2270, and pursuant to rules issued by the Secretary in 7 CFR part 1a, has the authority to:

1. Designate employees of the Office of Inspector General who investigate alleged or suspected felony criminal violations of statutes administered by the Secretary of Agriculture or any agency of USDA, when engaged in the performance of official duties to:

   (i) Execute and serve a warrant for an arrest, for the search of premises, or the seizure of evidence when issued under authority of the United States upon probable cause to believe that such a violation has been committed;

   (ii) Make an arrest without a warrant for any such violation if such violation is committed or if the employee has probable cause to believe that such violation is being committed in his/her presence; and

   (iii) Carry a firearm.

2. Issue directives and take the actions prescribed by the Secretary’s rules.

§2610.2 Headquarters organization.

(a) The OIG has a headquarters office in Washington, DC, and regional offices throughout the United States. The headquarters office consists of the immediate office of the IG and three operational units.

(b) Operational units. (1) The Assistant Inspector General for Policy Development and Resources Management (AIG/PD&RM) formulates OIG policies and procedures; develops, administers and directs comprehensive programs for the management, budget, financial, personnel, systems improvement, and information activities and operations of OIG; and is responsible for OIG automated data processing (ADP) and OIG information management systems. The staff maintains OIG’s directives system; Departmental Regulations and Federal Register issuances; administers the Freedom of Information and Privacy Acts, which includes requests received from the Congress, other Federal agencies, intergovernmental organizations, the news media, and the public; and provides for the administration of an OIG EEO program, including affirmative action. The immediate office of the AIG/PD&RM and two divisions carry out these functions.

(2) The Assistant Inspector General for Audit (AIG/A) carries out the OIG’s domestic and foreign audit operations through a headquarters office, a Financial Management and ADP Audit Operations staff located in Kansas City, Missouri, and six regional offices shown in §2610.3(a). The staff provides a continual audit review of ADP security throughout USDA. Auditing officials conduct operational liaison on audit matters; schedule and conduct audits; release audit reports to management; follow agency action to assure that audit reports have been properly acted upon through review of Department management follow up system; monitor the quality of OIG audit reports; and coordinate activities with the Assistant inspector General (AIG) for Investigations. The staff also provides an integrated approach to fraud prevention and detection and management improvement in USDA programs and operations; reviews Department legislation and regulations through the involvement and cooperation of the Department’s principal officers and program managers; coordinates analyses and reports on the conduct of fraud.
Office of Inspector General, USDA § 2610.3

vulnerability assessments; and recommends policies and provides technical assistance for investigative and audit operations. The Auditing headquarters office consists of the immediate office of the AIG/A and four staff divisions.

(3) The Assistant Inspector General for Investigations (AIG/I) carries out the OIG’s domestic and foreign investigative operations through a headquarters office and the seven regional offices shown in §2610.3(b). Investigations officials conduct operational and intelligence liaison on investigative matters with the FBI, Secret Service, Internal Revenue Service (IRS), Interpol, and other Federal and State law enforcement organizations; determine the need for investigative action; conduct investigations; prepare factual reports of investigative findings; refer reports for appropriate administrative or legal action; follow up on agency actions to assure that OIG investigative reports have been properly acted upon; monitor the quality of investigative reports; and coordinate activities with the AIG/A. The staff also conducts special investigations of major programs, operations, and high level officials; provides for the protection of the Secretary and Deputy Secretary; receives and processes employee complaints concerning possible violations of laws, rules, regulations or mismanagement.

The Investigations headquarters office consists of the immediate office of the AIG/I and three staff divisions.

§ 2610.3 Regional organization.

(a) Each Regional Inspector General for Audit (RIG/A) is responsible to the IG and to the AIG/A for supervising the performance of all OIG auditing activities relating to the Department’s domestic and foreign programs and operations within an assigned geographic area. The addresses and telephone numbers of the six Audit Regional Offices and the territories served are as follows:

2700.1 General statement.
2700.2 Organization.
2700.3 Functions.

AUTHORITY: 5 U.S.C. 301, 552; 7 CFR 2.81.
SOURCE: 47 FR 39128, Sept. 7, 1982, unless otherwise noted.

§ 2700.1 General statement.
This part is issued in accordance with 5 U.S.C. 552(a) to provide guidance for the general public as to the organization and functions of the Office of Information Resources Management.

§ 2700.2 Organization.
The Office of Information Resources Management (OIRM) was established on January 12, 1982. Delegations of authority to the Director, OIRM appear at 7 CFR 2.81. The organization is comprised of five headquarters divisions, an administrative staff and three computer centers to serve the Department. The organization is headed by the Director or, in the Director’s absence, by the Deputy Director or, in the absence of both, by the Director’s desigee.

§ 2700.3 Functions.
(a) Director. Provides executive direction for OIRM. Develops and recommends Departmental information resources management principles, policies, and objectives; develops and disseminates Departmental information resources management standards, guidelines, rules, and regulations necessary to implement approved principles, policies, and programs; designs, develops, implements, and revises systems, processes, work methods, and techniques to improve the management of information resources and the operational effectiveness of the Department; provides telecommunications and automated data processing services to the Department’s agencies and staff offices.

(b) Deputy Director. Assists the Director and, in the absence of the Director, serves as the Acting Director.

(c) Administrative Management Staff. Provides support for agency management regarding budget, accounting, personnel, and other administrative matters.

(d) Planning Division. Defines, develops, guides, and administers the Department’s long-range planning process for information resources.

(e) Information Management Division. Develops policy, standards and guidelines for collection, protection, access, use and management of information.

(f) Review and Evaluation Division. Reviews and evaluates information resources programs and activities of Department agencies and staff offices for conformance with plans, policies, and standards.

(g) Agency Technical Services Division. Advises and consults with and assists Department agencies and staff offices on activities related to the development and implementation of automated information systems.

(h) Operations and Telecommunications Division. Coordinates the development and implementation of programs for ADP and telecommunications resource planning within Departmental computer centers and the National Finance Center, and for the acquisition and use of Department-wide telecommunications facilities and services.

(i) Departmental Computer Centers. The following centers provide ADP facilities and services to agencies and staff offices of the Department.

2. Fort Collins Computer Center, 3825 E. Mulberry Street (P.O. Box 1206), Fort Collins, CO 80524.
3. Kansas City Computer Center, 8930 Ward Parkway (P.O. Box 205), Kansas City, MO 64141.

PART 2710—AVAILABILITY OF INFORMATION TO THE PUBLIC

Sec.
2710.1 General statement.
2710.2 Public inspection and copying.
2710.3 Indexes.
2710.4 Initial request for records.
2710.5 Appeals.

APPENDIX A TO PART 2710—LIST OF ADDRESSES

AUTHORITY: 5 U.S.C. 301, 552; 7 CFR 1.1–1.16.
SOURCE: 47 FR 39129, Sept. 7, 1982, unless otherwise noted.
§ 2710.1 General statement.

This part is issued in accordance with 7 CFR 1.4 of the U.S. Department of Agriculture regulations governing the availability of records (7 CFR 1.1–1.16 and Appendix A) under the Freedom of Information Act (5 U.S.C. 552). The Department’s regulations, as supplemented by the regulations in this part, provide guidance for any person wishing to request records from the Office of Information Resources Management (OIRM).

§ 2710.2 Public inspection and copying.

(a) Background. 5 U.S.C. 552(a)(2) required that each agency make certain kinds of records available for public inspection and copying.

(b) Procedure. Persons wishing to gain access to OIRM records should contact the Information Access & Disclosure Officer by writing to the address shown in §2710.4(b)(2).

§ 2710.3 Indexes.

(a) Background. 5 U.S.C. 552(a)(2) also required that each agency maintain and make available for public inspection and copying current indexes providing identifying information for the public with regard to any records which are made available for public inspection and copying.

(b) Procedure. Persons wishing to get an index may contact the division or center that maintains the records.

Publication of these indexes as a separate document is unnecessary and impractical.

§ 2710.4 Initial request for records.

(a) Background. The Information Access and Disclosure Officer is authorized to:

(1) Grant or deny requests for OIRM records.

(2) Make discretionary releases of OIRM records when it is determined that the public interests in disclosure outweigh the public and/or private ones in withholding.

(3) Reduce or waive fees to be charged where determined to be appropriate.

(b) Procedure. Persons wishing to request records from the Office of Information Resources Management may do so as follows:

(1) How. Submit each initial request for OIRM records as prescribed in 7 CFR 1.3(a).

§ 2710.5 Appeals.

Procedure. Any person whose initial request is denied in whole or in part may appeal that denial, in accordance with 7 CFR 1.3(e) and 1.7, to the Director, Office of Information Resources Management, by sending the appeal to the Information Access and Disclosure Officer, Office of Information Resources Management, USDA, 14th and Independence Ave., SW., Room 407–W, Washington, DC 20250. The Director, Office of Information Resources Management, will make the determination on the appeal.

§ 2810.1 General statement.
This part is issued in accordance with 5 U.S.C. 552(a) to provide guidance for the general public as to Office of Operations (OO) organization and functions.

§ 2810.2 Organization.
The Office of Operations (OO) was established January 12, 1982. Delegations of authority to the Director, OO, appear at 7 CFR 2.76. The organization is comprised of six divisions and one staff located at Department headquarters. Description of the functions of these organizational units are in the following section. The organization is headed by a Director.

§ 2810.3 Functions.
(a) Director. Provides executive direction for OO. Develops and promulgates overall policies and provides general direction, leadership, oversight, and coordination of USDA management of procurement, real and personal property activities, mail and copier management. Provides executive services to the Office of the Secretary and operates activities providing consolidated USDA administrative functions and services.

(b) Deputy Director. Assists the Director, and in the absence of the Director, serves as Acting Director.

(c) Administrative Unit. Provides support for agency management regarding budget, accounting, personnel, and other administrative matters.

(d) Executive Services Division. Provides executive services to the Office of the Secretary in travel arrangements, supplies, furnishings, communications, equipment, and records. Operates the central USDA DC imprest fund.

(e) Facilities Management Division. Operates and maintains the USDA DC headquarters building complex, including headquarters parking. Oversees management and operation of USDA buildings nationwide, and provides DC area labor services.

(f) Mail and Reproduction Management Division. Oversees USDA mail, copier, and duplicating programs. Operates DC area central activities in these areas.

(g) Personal Property Management Division. Oversees USDA supply, motor vehicle, and personal property programs. Operates centralized warehouse and property rehabilitation facilities.

(h) Procurement Division. Oversees USDA procurement programs. Operates centralized purchasing operations for ADP and Washington area activities.

(i) Real Property Management Division. Oversees USDA real property management programs.

APPENDIX A TO PART 2811—LIST OF ADDRESSES

AUTHORITY: 5 U.S.C. 301 and 552 (as amended); 7 CFR 1.3.
SOURCE: 54 FR 52014, Dec. 20, 1989, unless otherwise noted.

§ 2811.1 General statement.
This part is issued in accordance with 7 CFR 1.3 of the Department of Agriculture regulations governing the availability of records (7 CFR 1.1–1.23 and Appendix A) under the Freedom of Information Act (FOIA), 5 U.S.C. 552. The Department’s regulations, as supplemented by the regulations in this part, provide guidance for any person wishing to request records from Office of Operations.

§ 2811.2 Public inspection and copying.
(a) Background. 5 U.S.C. 552(a)(2) requires that each agency maintain and
make available for public inspection and copying certain kinds of records.

(b) Procedure. To gain access to OO records that are available for public inspection, contact the division that maintains them. See Appendix A, List of Addresses, for the location and hours of operation.

§ 2811.3 Indexes.

(a) Background. 15 U.S.C. 552(a)(2) also requires that each agency maintain and make available for public inspection and copying current indexes provided identifying information for the public with regard to any records which are made available for public inspection and copying. OO does not maintain any materials within the scope of these requirements.

§ 2811.4 Initial requests for records.

(a) Background. The head of each OO division, each OO contracting officer, each OO leasing officer, and the OO FOIA officer is authorized to:

(1) Grant or deny requests for OO records.

(2) Make discretionary release of OO records when it is determined that the public interest in disclosure outweighs the public and/or private ones in withholding.

(3) Reduce or waive fees to be charged where determined to be appropriate.

(4) Refer a request to the OO FOIA Officer for determination.

(b) Procedures. Persons wishing to request records from the Office of Operations may do so as follows:

(1) How. Submit each initial request for OO records as prescribed in 7 CFR 1.6.

(2) Where. Submit each initial request to the head of the unit that maintains the records. See Appendix A, List of Addresses. Contact the FOIA Officer for guidance as needed. Or, submit the request to the FOIA Officer for forwarding to the proper officials: FOIA Officer, Office of Operations, USDA, Room 134–W Administration Building, 14th & Independence Avenue SW., Washington, DC 20250.

§ 2811.5 Appeals.

Procedure. Any person whose initial request is denied in whole or in part may appeal that denial, in accordance with 7 CFR 1.6(e) and 1.8, to the Director, Office of Operations, USDA, Room 113–W Administration Building, 14th & Independence Avenue SW., Washington, DC 20250.

§ 2811.6 Fee schedule.

Department regulations provide for a schedule of reasonable standard charges for document search and duplication. See 7 CFR 1.2(b). Fees to be charged are set forth in 7 CFR part 1, subpart A, appendix A.

PART 2812—DEPARTMENT OF AGRICULTURE GUIDELINES FOR THE DONATION OF EXCESS RESEARCH EQUIPMENT UNDER 15 U.S.C. 3710(i)

Sec.
2812.1 Purpose.
2812.2 Eligibility.
2812.3 Definitions.
2812.4 Procedures.
2812.5 Restrictions.
2812.6 Title.
2812.7 Costs.
2812.8 Accountability and recordkeeping.
2812.9 Disposal.
2812.10 Liabilities and losses.

SOURCE: 60 FR 34456, July 3, 1995, unless otherwise noted.

§ 2812.1 Purpose.
This part sets forth the procedures to be utilized by USDA agencies and laboratories in the donation of excess research equipment to educational institutions and non-profit organizations for the conduct of technical and scientific education and research activities as authorized by 15 U.S.C. 3710(i). Title to excess research equipment donated pursuant to 15 U.S.C. 3710(i), shall pass to the donee.

§ 2812.2 Eligibility.
Eligible organizations are educational institutions or non-profit organizations involved in the conduct of technical and scientific educational and research activities.

§ 2812.3 Definitions.
(a) Cannibalization. The dismantling of equipment for parts to repair or enhance other equipment. The residual is reported for disposal. Cannibalization is only authorized if the property value is greater when cannibalized than retention in the original condition.
(b) Community-based educational organizations means nonprofit organizations that are engaged in collaborative projects with pre-kindergarten through twelfth grade educational institutions or that have education as their primary focus. Such organizations shall qualify as nonprofit educational institutions for purposes of section 203(j) of the Federal Property and Administrative Services Act of 1949 (40 U.S.C. 484(j)).
(c) Educational institution means a public or private, non-profit educational institution, encompassing pre-kindergarten through twelfth grade and two- and four-year institutions of higher education, as well as public school districts.
(d) Educationally useful Federal equipment means computers and related peripheral tools (e.g., printers, modems, routers, and servers), including telecommunications and research equipment, that are appropriate for use in pre-kindergarten, elementary, middle, or secondary school education. It shall also include computer software, where the transfer of licenses is permitted.
(e) Excess personal property. Items of personal property no longer required by the controlling Federal agency.
(f) Federal empowerment zone or enterprise community (EZ/EC) means a rural area designated by the Secretary of Agriculture under 7 CFR part 25.
(g) Non-profit organization means any corporation, trust association, cooperative, or other organization which:
(1) Is operated primarily for scientific, educational, service, charitable, or similar purposes in the public interest;
(2) Is not organized primarily for profit; and
(3) Uses its net proceeds to maintain, improve, or expand its operations. For the purposes of this part, “non-profit organizations” may include utilities affiliated with institutions of higher education, or with state and local governments and federally recognized Indian tribes.
(h) Research equipment. Federal property determined to be essential to conduct scientific or technical educational research.
(i) Technical and scientific education and research activities. Non-profit tax exempt public educational institutions or government sponsored research organizations which serve to conduct technical and scientific education and research.

[60 FR 34456, July 3, 1995, as amended at 65 FR 69857, Nov. 21, 2000]
§ 2812.4 Procedures.

(a) [Reserved]

(b) Each agency head will designate in writing an authorized official to approve donations of excess property/equipment under this part.

(c) After USDA screening has been accomplished, excess personal property targeted for donation under this part will be made available on a first-come, first-served basis. If there are competing requests, donations will be made to eligible recipients in the following priority order:

1. Educationally useful Federal equipment for pre-kindergarten through twelfth grade educational institutions and community-based educational organizations in rural EZ/EC communities;

2. Educationally useful Federal equipment for pre-kindergarten through twelfth grade educational institutions and community-based educational organizations not in rural EZ/EC areas;

3. All other eligible organizations.

(d) Upon reporting property for excess screening, if the pertinent USDA agency has an eligible organization in mind for donation under this part, it shall enter “P.L. 102-245” in the note field. The property will remain in the excess system approximately 30 days, and if no USDA agency or cooperator requests it during the excess cycle, the Departmental Excess Personal Property Coordinator will send the agency a copy of the excess report stamped, “DONATION AUTHORITY TO THE HOLDING AGENCY IN ACCORDANCE WITH P.L. 102-245.” The holding USDA agency may then donate the excess property to the eligible organization.

(e) Donations under this Part will be accomplished by preparing a Standard Form (SF) 122, “Transfer Order-Excess Personal Property”.

(f) The SF–122 should be signed by both an authorized official of the agency and the Agency Property Management Officer. The following information should also be provided:

1. Name and address of Donee Institution (Ship to)

2. Agency name and address (holding Agency)

3. Location of property

4. Shipping instructions (Donee contact person)

5. Complete description of property, including acquisition amount, serial no., condition code, quantity, and agency order no.

6. This statement needs to be added following property descriptions. “The property requested hereon is certified to be used for the conduct of technical and scientific education and research activities. This donation is pursuant to the provisions of Pub. L. 102-245.”

(g) Once the excess personal property/equipment is physically received, the donee is required to immediately return a copy of the SF–122 to the donating agency indicating receipt of requested items. Cancellations should be reported to DEPPC so the property can be reported to the General Services Administration (GSA).

Note: The USDA agency shall send an informational copy of the transaction to GSA.

NOTE: Requests for items in FSC Groups or Classes other than the above should be referred to the agency head for consideration and approval.

(b) Excess personal property/equipment may be donated for cannibalization purposes, provided the donee submits a supporting statement which clearly indicates that cannibalizing the requested property for secondary use has greater potential benefit than utilization of the item in its existing form.

§ 2812.6 Title.

Title to excess personal property/equipment donated under this Part will automatically pass to the donee once the sponsoring agency receives the SF–122 indicating that the donee has received the property.

§ 2812.7 Costs.

Donated excess personal property/equipment is free of charge. However, the donee must pay all costs associated with packaging and transportation, unless the sponsoring agency has made other arrangements. The donee should specify the method of shipment.

§ 2812.8 Accountability and record-keeping.

USDA requires that property requested by a donee be placed into use by the donee within a year of receipt and used for at least 1 year thereafter. donees must maintain accountable records for such property during this time period.

§ 2812.9 Disposal.

When the property is no longer needed by the donee, it may be used in support of other Federal projects or sold and the proceeds used for technical and scientific education and research activities.

§ 2812.10 Liabilities and losses.

USDA assumes no liability with respect to accidents, bodily injury, illness, or any other damages or loss related to excess personal property/equipment donated under this part. The donee is advised to insure or otherwise protect itself and others as appropriate.

PART 2900—ESSENTIAL AGRICULTURAL USES AND VOLUMETRIC REQUIREMENTS—NATURAL GAS POLICY ACT

Sec.
2900.1 General.
2900.2 Definitions.
2900.3 Essential agricultural uses.
2900.4 Natural gas requirements.
2900.6 Effective date.

SOURCE: 44 FR 28786, May 17, 1979, unless otherwise noted.

§ 2900.1 General.
Section 401(c) of the Natural Gas Policy Act of 1978 (NGPA) requires the Secretary of Agriculture to determine the essential uses of natural gas, and to certify to the Secretary of Energy and the Federal Energy Regulatory Commission (FERC) the natural gas requirements, expressed either as volumes or percentages of use, of persons, or classes thereof, for essential agricultural uses in order to meet requirements of full food and fiber production. This rule covers establishments performing functions classed as essential agricultural uses whose natural gas supplies are distributed through the interstate pipeline systems even though such establishments may receive such gas directly from an intrastate pipeline or local distribution company. The rule provides to the Secretary of Energy (for purposes of Section 401(a) of the NGPA) and to the Federal Energy Regulatory Commission the following certifications:

(a) Essential agricultural uses of natural gas, expressed as classes of establishments that use gas for essential agricultural purposes; and
(b) Essential agricultural current requirements of natural gas, expressed as percentages of use.

§ 2900.2 Definitions.
(a) Full food and fiber production means the entire output of food and fiber produced for the domestic market, and for export, for building of reserves, and crops for soil building or conservation. This term also includes the processing of food and fiber into stable and storable products, and the maintenance of food quality after processing.

(b) Establishment means an economic unit, generally at a single physical location where business is conducted or where service or industrial operations are performed (for example, a factory, mill, store, mine, farm, sales office, or warehouse). (Note: This is the same definition used in the Standard Industrial Classification Manual, 1972 edition).

(c) Essential Agricultural Use Establishment means any Establishment, or the portion of an Establishment, which performs (or has the capability to perform) activities specified in §2900.3.

(d) Current Natural Gas Requirements means the amount of natural gas required by an Essential Agricultural Use Establishment to perform the activities devoted to full food and fiber production.

§ 2900.3 Essential agricultural uses.
For purposes of Section 401(c) of the NGPA the following classes or portions of classes are certified as essential agricultural uses in order to meet the requirements of full food and fiber production:

Essential Agricultural Uses

Industry SIC No. and Industry Description

FOOD AND NATURAL FIBER PRODUCTION
01 Agricultural Production—Crops
02 Agricultural Production—Livestock Excluding 0272—Horses and Other Equines, and Nonfood Portions of 0279—Animal Specialties, Not Elsewhere Classified.
0723 Crop Preparation Services for Market, Except Cotton Ginning (see fiber processing).

2643 Bags, Except Textile (food related only).
2645 Die Cut Paper and Paperboard (food related only).
2646 Pressed and Molded Pulp Goods (food related only).
2649 Converted Paper Products (food related only).
2651 Folding Paperboard Boxes (food related only).
2653 Corrugated and Solid Fiber Boxes (food related only).
2654 Sanitary Food Containers.
2655 Fiber Cans, Tubes, Drums, and Similar Products (food related only).
3079 Miscellaneous Plastic Products (food related only).
3221 Glass Containers (food related only).
3411 Metal Cans (food related only).
3412 Metal Shipping Barrels, Drums, Kegs, and Pails (food related only).
3466 Metal Crowns and Closures (Food Related Only).
3497 Metal Foli and Leaf (food related only).

Petroleum wax, synthetic petroleum wax and polyethylene wax (food grade only) as food containers.

MARKETING AND DISTRIBUTION
4221 Farm Product Warehousing and Storage.
4222 Refrigerated Warehousing.
514 Groceries and Related Products.
5153 Farm Product Raw Materials—Grain.
54 Food Stores.

ENERGY PRODUCTION
(1) Agricultural production on set-aside acreage or acreage diverted from the production of a commodity (as provided under the Agricultural Act of 1949) to be devoted to the production of any commodity for conversion into alcohol or hydrocarbons for use as motor fuel or other fuels;
(2) Sugar refining for production of alcohol; and
(3) Distillation of fuel-grade alcohol from food grains and other biomass by facilities in existence on June 30, 1980 which do not have the installed capability to burn coal lawfully, for a period ending June 29, 1985.

§ 2900.4 Natural gas requirements.

For purposes of Section 401(c), NGPA, the natural gas requirements for each Essential Agricultural Use Establishment, whether such Essential Agricultural Use Establishment is in existence on the effective date of this rule or comes into existence thereafter, are certified to be 100 percent of Current Natural Gas Requirements.

§ 2900.6 Effective date.

This rule shall become effective on May 14, 1979.

PART 2901—ADMINISTRATIVE PROCEDURES FOR ADJUSTMENTS OF NATURAL GAS CURTAILMENT PRIORITY

Sec.
2901.1 Purpose and scope.
2901.2 Definitions.
2901.3 Oral presentation.
2901.4 Interpretations.
2901.5 Modifications and rescissions.
2901.6 Exceptions and exemptions.
2901.7 Review of denials.
2901.8 Judicial review.
2901.9 Effective date.
§ 2901.1 Purpose and scope.

The purpose of this part 2901 is to provide procedures for the making of certain adjustments to the Secretary of Agriculture’s Essential Agricultural Uses and Requirements regulations in accordance with section 502(c) of the Natural Gas Policy Act of 1978, in order to prevent special hardship, inequity, or an unfair distribution of burdens. The procedures in this part 2901 apply to any person seeking an interpretation of, modification of, rescission of, exception to or exemption from the Essential Agricultural Uses and Requirements regulations in part 2900 of this chapter.

§ 2901.2 Definitions.

(a) Person means any individual, firm, sole proprietorship, partnership, association, company, joint venture or corporation.

(b) Director means the Director of the Office of Energy, U.S. Department of Agriculture.

(c) Secretary means the Secretary of the U.S. Department of Agriculture.

(d) Adjustment means an interpretation, modification, rescission of, exception to or exemption from the Essential Agricultural Uses and Requirements regulations, part 2900 of this chapter.

(f) Petitioner means any person seeking an adjustment under this part 2901.

§ 2901.3 Oral presentation.

Any person seeking an adjustment under this part 2901 shall be given an opportunity to make an oral presentation of data, views and arguments in support of the request for an adjustment, provided that a request to make an oral presentation is submitted in writing with the request for the adjustment. An official of the Department of Agriculture shall preside at such oral presentation.

§ 2901.4 Interpretations.

(a) Request for an interpretation. (1) Any person seeking an interpretation of the Essential Agricultural Uses and Requirements regulations in part 2900 shall file a formal written request with the Director. The request should contain a full and complete statement of all relevant facts pertaining to the circumstances, act or transaction that is the subject of the request and to the action sought, and should state the special hardship, inequity, or unfair distribution of burdens that will be prevented by the interpretation sought and why the interpretation is consistent with the purposes of NGPA. The Director shall publish a notice in the Federal Register advising the public that a request for an interpretation has been received and that written comments will be accepted with respect thereto, if received within 20 days of the notice. The Federal Register notice will provide that copies of the request for interpretation from which confidential information has been deleted in accordance with paragraph (a)(2) of this section may be obtained from the petitioner.

(2) If the petitioner wishes to claim confidential treatment for any information contained in the request or other documents submitted under this part 2901, such person shall file together with the document a second copy of the document from which has been deleted the information for which such person wishes to claim confidential treatment. The petitioner shall indicate in the original document that it is confidential or contains confidential information and may file a statement specifying the justification for non-disclosure of the information for which non-disclosure is sought. The Director shall consider such requests, and subject to the Freedom of Information Act, 5 U.S.C. 552 and other applicable laws and regulations, shall treat such information as confidential.

(b) Investigations. The Director may initiate an investigation of any statement in a request and utilize in his evaluation any relevant facts obtained in such investigation. The Director may accept submissions from third persons relevant to any request for interpretation provided that the petitioner...
§ 2901.5 Modifications and rescissions.

(a) Request for modification or rescission. (1) Any person seeking a modification or a rescission of the Essential Agricultural Uses and Requirements regulations of part 2900 shall file a formal written request with the Director. The request shall contain a full and complete statement of all relevant facts pertaining to the circumstance, act or transaction that is the subject of the request and to the action sought. The request should state the special hardship, inequity or unfair distribution of burdens that will be prevented by making the modification or rescission.

(2) If the petitioner wishes to claim confidential treatment for any information contained in the request or other documents submitted under this part 2901, such person shall file together with the document a second copy of the document from which has been deleted the information for which such person wishes to claim confidential treatment. The petitioner shall indicate in the original document that it is confidential or contains confidential information and may file a statement specifying the justification for non-disclosure of the information for which non-disclosure is sought. The Director shall consider such requests, and subject to the Freedom of Information Act, 5 U.S.C. 552 and other applicable laws and regulations, shall treat such information as confidential.

(3) The request shall be filed as a petition for rulemaking and treated in accordance with the procedures, as applicable, of 7 CFR part 1, subpart B.

(b) Institution of rulemaking. Upon consideration of the request for modification or rescission and other relevant information received or obtained by the Director, the Director may institute rulemaking proceedings in accordance with the Administrative Procedures Act 5 U.S.C. 551 et seq. and applicable regulations.

(c) Denial of a modification or rescission. If the Director (1) denies the request for modification or rescission in writing by notifying the petitioner that he does not intend to institute rulemaking proceedings as proposed and stating the reasons therefor, or (2) does not respond to a request for a
modification or rescission in accordance with paragraph (b) of this section or (3) notifies the petitioner in writing that the matter is under continuing consideration and that no decision can be made at that time because of the inadequacy of available information, changing circumstances or other reasons as set forth therein, within 45 days of the date of the receipt thereof, or within such extended time as the Director may prescribe by written notice within that 45-day period, the request shall be considered denied for the purpose of review of such denial under §2901.7.

§2901.6 Exceptions and exemptions.

(a) Request for exception or exemption. (1) Any person seeking an exception or exemption from the Essential Agricultural Uses and Requirements regulations in part 2900 shall file a formal written request with the Director. The request shall contain a full and complete statement of all relevant facts pertaining to the circumstance, act, or transaction that is the subject of the request and to the action sought. The request should state the special hardship, inequity or unfair distribution of burdens that will be prevented by making the exception or exemption. The Director shall publish a notice in the Federal Register advising the public that a request for an exception or exemption has been received and that written comments will be accepted with respect thereto if received within 20 days of the notice. The Federal Register notice will provide that copies of the request from which confidential information has been deleted in accordance with paragraph (a)(2) of this section may be obtained from the petitioner. The Petitioner shall be afforded an opportunity to respond to such submissions.

(2) If the petitioner wishes to claim confidential treatment for any information contained in the request or other documents submitted under this part 2901, such person shall file together with the document a second copy of the document from which has been deleted the information for which such person wishes to claim confidential treatment. The petitioner shall indicate in the original document that it is confidential or contains confidential information and may file a statement specifying the justification for non-disclosure of the information for which non-disclosure is sought. The Director shall consider such requests, and subject to the Freedom of Information Act, 5 U.S.C. 552 and other applicable laws and regulations, shall treat such information as confidential.

(b) Decision and order. Upon consideration of the request for an exception or exemption and other relevant information received or obtained during the proceedings, the Director shall issue an order granting or denying the request. The Director shall publish a notice in the Federal Register of the issuance of a decision and order on the request. The granting of a request for an exception or exemption shall be considered final agency action for purposes of judicial review under §2901.8.

(c) Denial of an exception or exemption. A request for an exception or exemption shall be considered denied for purposes of review of such denial under §2901.7 only if:

(1) The Director has notified the petitioner in writing that the request is denied under paragraph (b) of this section; or

(2) The Director does not respond to a request for an exception or exemption by (i) granting the request for an exception or exemption under paragraph (b) of this section or (ii) giving notice of when a decision will be made within 45 days of the receipt of the request, or with such extended time as the Director may prescribe by written notice within the 45-day period.

§2901.7 Review of denials.

(a) Request for review. (1) Any person aggrieved or adversely affected by a denial of a request for any interpretation under §2901.4 may request a review of the denial by the Secretary, within 30 days from the date of the denial.

(2) Any person aggrieved or adversely affected by a denial of a request for a modification or rescission under §2901.5, may request a review of the denial by the Secretary within 30 days from the date of the denial.

(3) Any person aggrieved or adversely affected by a denial of a request for an exception or an exemption under
§ 2901.8 Judicial review.

Any person aggrieved or adversely affected by a final agency action taken on a request for an adjustment under this section may obtain judicial review in accordance with section 506 of the Natural Gas Policy Act of 1978.

§ 2901.9 Effective date.

This rule shall become effective on October 29, 1979.

Source: 68 FR 56139, Sept. 30, 2003, unless otherwise noted.

Subpart A—General Information

§ 2903.1 Applicability of regulations.

(a) The regulations of this part only apply to Biodiesel Fuel Education Program grants awarded under the provisions of section 9004 of the Farm Security and Rural Investment Act of 2002 (FSRIA) (7 U.S.C. 8104) which authorizes the Secretary to award competitive grants to eligible entities to educate governmental and private entities that operate vehicle fleets, other interested entities (as determined by the Secretary), and the public about the benefits of biodiesel fuel use. Eligibility is limited to nonprofit organizations and institutions of higher education (as defined in sec. 101 of the Higher Education Act of 1965 (20 U.S.C. 1001)) that have demonstrated both knowledge of biodiesel fuel production, use, or distribution and the ability to conduct educational and technical support programs. The Secretary delegated this authority to the Chief Economist, who in turn delegated this authority to the Director of OEPNU.

(b) The regulations of this part do not apply to grants awarded by the Department of Agriculture under any other authority.

§ 2903.2 Purpose of the program.

The Biodiesel Fuel Education Program seeks to familiarize public and
private vehicle fleet operators, other interested entities, and the public, with the benefits of biodiesel, a relatively new fuel option in the United States. It will also address concerns previously identified by fleet operators and other potential users of this alternative fuel, including the need to balance the positive environmental, social and human health impacts of biodiesel utilization with the increased per gallon cost to the user. It is the Program’s goal to stimulate biodiesel demand and encourage the further development of a biodiesel industry in the United States.

§ 2903.3 Eligibility.
(a) Eligibility is limited to nonprofit organizations and institutions of higher education that have demonstrated both knowledge of biodiesel fuel production, use, or distribution and the ability to conduct educational and technical support programs.
(b) Award recipients may subcontract to organizations not eligible to apply provided such organizations are necessary for the conduct of the project.

§ 2903.4 Indirect costs.
(a) For the Biodiesel Fuel Education Program, applicants should use the current indirect cost rate negotiated with the cognizant Federal negotiating agency. Indirect costs may not exceed the negotiated rate. If no indirect cost rate has been negotiated, a reasonable dollar amount for indirect costs may be requested, which will be subject to approval by USDA. In the latter case, if a proposal is recommended for funding, an indirect cost rate proposal must be submitted prior to award to support the amount of indirect costs requested.
(b) A proposer may elect not to charge indirect costs and, instead, charge only direct costs to grant funds. Grantees electing this alternative will not be allowed to charge, as direct costs, indirect costs that otherwise would be in the grantee’s indirect cost pool under the applicable Office of Management and Budget cost principles. Grantees who request no indirect costs will not be permitted to revise their budgets at a later date to charge indirect costs to grant funds.

§ 2903.5 Matching requirements.
There are no matching funds requirements for the Biodiesel Fuel Education Program and matching resources will not be factored into the review process as evaluation criteria.

Subpart B—Program Description
§ 2903.6 Project types.
OEPNU intends to award continuation grants to successful Biodiesel Fuel Education Program applicants. A continuation grant is a grant instrument by which the Department agrees to support a specified level of effort for a predetermined project period with a statement of intention to provide additional support at a future date, provided that performance has been satisfactory, appropriations are available for this purpose, and continued government support would be in the best interest of the Federal government and the public. If these three elements are met, OEPNU plans to provide additional support to the funded project(s).

§ 2903.7 Project objectives.
(a) Successful projects will develop practical indicators or milestones to measure their progress towards achieving the following objectives:
1. Enhance current efforts to collect and disseminate biodiesel information;
2. Coordinate with other biodiesel educational or promotional programs, and with Federal, State and local programs aimed at encouraging biodiesel use, including the EPAct program;
3. Create a nationwide networking system that delivers biodiesel information to targeted audiences, including users, distributors and other infrastructure-related personnel;
4. Identify and document the benefits of biodiesel (e.g., lifecycle costing); and
5. Gather data pertaining to information gaps and develop strategies to address the gaps.
(b) [Reserved]
§ 2903.8 Program application materials.

OEPNU will publish periodic program announcements to notify potential applicants of the availability of funds for competitive continuation grants. The program announcement will provide information about obtaining program application materials.

§ 2903.9 Content of an application.

(a) Applications should be prepared following the guidelines and the instructions in the program announcement. At a minimum, applications shall include: a proposal cover page, project summary, project description, information about key personnel, documentation of collaborative arrangements, information about potential conflicts-of-interest, budget forms and a budget narrative, information about current and pending support, and assurance statements.

(b) Proper preparation of applications will assist reviewers in evaluating the merits of each application in a systematic, consistent fashion. Specific instructions regarding additional application content requirements and the ordering of application contents will be included in the program announcement. These will include instructions about paper size, margins, font type and size, line spacing, page numbering, the inclusion of illustrations, and electronic submission.

§ 2903.10 Submission of an application.

The program announcement will provide the deadline date for submitting an application, the number of copies of each application that must be submitted, and the address to which proposals must be submitted.

§ 2903.11 Acknowledgment of applications.

The receipt of all applications will be acknowledged. Applicants who do not receive an acknowledgment within 60 days of the submission deadline should contact the program contact indicated on the program announcement. Once the application has been assigned a proposal number, that number should be cited on all future correspondence.

Subpart D—Application Review and Evaluation

§ 2903.12 Application review.

(a) Reviewers will include government and non-government individuals. All reviewers will be selected based upon training and experience in relevant scientific, extension, or education fields, taking into account the following factors:

(1) The level of relevant formal scientific, technical education, or extension experience of the individual, as well as the extent to which an individual is engaged in relevant research, education, or extension activities; and

(2) The need to include as reviewers experts from various areas of specialization within relevant scientific, education, or extension fields.

(b) In addition, when selecting non-government reviewers, the following factors will be considered:

(1) The need to include as reviewers other experts (e.g., producers, range or forest managers/operators, and consumers) who can assess relevance of the applications to targeted audiences and to program needs;

(2) The need to include as reviewers experts from a variety of organizational types (e.g., colleges, universities, industry, state and Federal agencies, private profit and non-profit organizations) and geographic locations;

(3) The need to maintain a balanced composition of reviewers with regard to minority and female representation and an equitable age distribution; and

(4) The need to include reviewers who can judge the effective usefulness to producers and the general public of each application.

(c) Authorized departmental officers will compile application reviews and recommend awards to OEPNU. OEPNU will make final award decisions.

§ 2903.13 Evaluation criteria.

(a) The following evaluation criteria will be used in reviewing applications submitted for the Biodiesel Fuel Education Program:
Office of Energy Policy and New Uses, USDA

§ 2903.15

(1) Relevance of proposed project to current and future issues related to the production, use, distribution, fuel quality, and fuel properties of biodiesel, including:

(i) Demonstrated knowledge about markets, state initiatives, impacts on local economies, regulatory issues, standards, and technical issues;

(ii) Demonstrated knowledge about issues associated with developing a biodiesel infrastructure; and

(iii) Quality and extent of stakeholder involvement in planning and accomplishment of program objectives.

(2) Reasonableness of project proposal, including:

(i) Sufficiency of scope and strategies to provide a consistent message in keeping with existing standards and regulations;

(ii) Adequacy of Project Description, suitability and feasibility of methodology to develop and implement program;

(iii) Clarity of objectives, milestones, and indicators of progress;

(iv) Adequacy of plans for reporting, assessing and monitoring results over project’s duration; and

(v) Demonstration of feasibility, and probability of success.

(3) Technical quality of proposed project, including:

(i) Suitability and qualifications of key project personnel;

(ii) Institutional experience and competence in providing alternative fuel education, including:

(A) Demonstrated knowledge about programs involved in alternative fuel research and education;

(B) Demonstrated knowledge about other fuels, fuel additives, engine performance, fuel quality and fuel emissions;

(C) Demonstrated knowledge about Federal, State and local programs aimed at encouraging alternative fuel use;

(D) Demonstrated ability in providing educational programs and developing technical programs; and

(E) Demonstrated ability to analyze technical information relevant to the biodiesel industry.

(iv) Quality of plans to administer and maintain the project, including collaborative efforts, evaluation and monitoring efforts.

(b) [Reserved]

§ 2903.14 Conflicts of interest and confidentiality.

(a) During the peer evaluation process, extreme care will be taken to prevent any actual or perceived conflicts of interest that may impact review or evaluation. Determinations of conflicts of interest will be based on the academic and administrative autonomy of an institution. The program announcement will specify the methodology for determining such autonomy.

(b) Names of submitting institutions and individuals, as well as application content and peer evaluations, will be kept confidential, except to those involved in the review process, to the extent permitted by law. In addition, the identities of peer reviewers will remain confidential throughout the entire review process. Therefore, the names of the reviewers will not be released to applicants. At the end of the fiscal year, names of reviewers will be made available in such a way that the reviewers cannot be identified with the review of any particular application.

Subpart E—Award Administration

§ 2903.15 General.

Within the limit of funds available for such purpose, the Authorized Departmental Officer (ADO) shall make grants to those responsible, eligible applicants whose applications are judged most meritorious under the procedures set forth in this part. The date specified by the ADO as the effective date of the grant shall be no later than September 30 of the Federal fiscal year in which the project is approved for support and funds are appropriated for such purpose, unless otherwise permitted by law. It should be noted that the project need not be initiated on the grant effective date, but as soon thereafter as practical so that project goals may be attained within the funded project period. All funds granted by OEPNU under this program shall be expended solely for the purpose for which the funds are granted in accordance
with the approved application and budget, the regulations of this part, the terms and conditions of the award, the applicable Federal cost principles, and the applicable Department assistance regulations (including part 3019 of this title).

§ 2903.16 Organizational management information.

Specific management information relating to an applicant shall be submitted on a one-time basis as part of the responsibility determination prior to the award of a grant identified under this program, if such information has not been provided previously. Copies of forms recommended for use in fulfilling these requirements will be provided as part of the preaward process.

§ 2903.17 Award document and notice of award.

(a) The award document will provide pertinent instructions and information including, at a minimum, the following:

(1) Legal name and address of performing organization or institution to whom OEPNU has issued an award under this program;

(2) Title of project;

(3) Name(s) and institution(s) of PD(s) chosen to direct and control approved activities;

(4) Identifying award number assigned by the Department;

(5) Project period;

(6) Total amount of Departmental financial assistance approved by OEPNU during the project period;

(7) Legal authority(ies) under which the award is issued;

(8) Appropriate Catalog of Federal Domestic Assistance (CFDA) number;

(9) Approved budget plan for categorizing allocable project funds to accomplish the stated purpose of the award; and

(10) Other information or provisions deemed necessary by OEPNU and the Authorized Departmental Officer to carry out the awarding activities or to accomplish the purpose of a particular award.

(b) [Reserved]

§ 2903.18 Access to review information.

Copies of reviews, not including the identity of reviewers, and a summary of the comments will be sent to the applicant PD after the review process has been completed.

§ 2903.19 Use of funds; changes.

(a) Delegation of fiscal responsibility. Unless the terms and conditions of the award state otherwise, the awardee may not in whole or in part delegate or transfer to another person, institution, or organization the responsibility for use or expenditure of award funds.

(b) Changes in project plans. (1) The permissible changes by the awardee, PD(s), or other key project personnel in the approved project shall be limited to changes in methodology, techniques, or other similar aspects of the project to expedite achievement of the project’s approved goals. If the awardee or the PD(s) is uncertain as to whether a change complies with this provision, the question must be referred to the Authorized Departmental Officer (ADO) for a final determination. The ADO is the signatory of the award document, not the program contact.

(2) Changes in approved goals or objectives shall be requested by the awardee and approved in writing by the ADO prior to effecting such changes. In no event shall requests for such changes be approved which are outside the scope of the original approved project.

(3) Changes in approved project leadership or the replacement or reassignment of other key project personnel shall be requested by the awardee and approved in writing by the ADO prior to effecting such changes.

(4) Transfers of actual performance of the substantive programmatic work in whole or in part and provisions for payment of funds, whether or not Federal funds are involved, shall be requested by the awardee and approved in writing by the ADO prior to effecting such transfers, unless prescribed otherwise in the terms and conditions of the award.

(5) Changes in project period. The project period may be extended by
Office of Energy Policy and New Uses, USDA

§ 2903.23

OEPNU without additional financial support, for such additional period(s) as the ADO determines may be necessary to complete or fulfill the purposes of an approved project, but in no case shall the total project period exceed five years. Any extension of time shall be conditioned upon prior request by the awardee and approval in writing by the ADO, unless prescribed otherwise in the terms and conditions of award.

(6) Changes in approved budget. Changes in an approved budget must be requested by the awardee and approved in writing by the ADO prior to instituting such changes if the revision will involve transfers or expenditures of amounts requiring prior approval as set forth in the applicable Federal cost principles, Departmental regulations, or award.

§ 2903.20 Reporting requirements.

The award document will give instructions regarding the submission of progress reports, including the frequency and required contents of the reports.

§ 2903.21 Applicable Federal statutes and regulations.

Several Federal statutes and regulations apply to grant applications considered for review and to project grants awarded under this program. These include, but are not limited to:

7 CFR Part 3—USDA implementation of OMB Circular A-129 regarding debt collection.

7 CFR Part 15, subpart A—USDA implementation of Title VI of the Civil Rights Act of 1964, as amended.

7 CFR Part 3017—USDA implementation of Governmentwide Debarment and Suspension (Nonprocurement) and Governmentwide Requirements for Drug-Free Workplace (Grants).

7 CFR Part 3018—USDA implementation of Restrictions on Lobbying. Imposes prohibitions and requirements for disclosure and certification related to lobbying on recipients of Federal contracts, grants, cooperative agreements, and loans.

7 CFR Part 3019—USDA implementation of OMB Circular A-110, Uniform Administrative Requirements for Grants and Other Agreements With Institutions of Higher Education, Hospitals, and Other Nonprofit Organizations.

7 CFR Part 3052—USDA implementation of OMB Circular No. A-133, Audits of States, Local Governments, and Non-profit Organizations. 29 U.S.C. 794 (sec. 504, Rehabilitation Act of 1973) and 7 CFR part 15b (USDA implementation of statute)—prohibiting discrimination based upon physical or mental handicap in Federally assisted programs. 35 U.S.C. 200 et seq.—Bayh-Dole Act, controlling allocation of rights to inventions made by employees of small business firms and domestic nonprofit organizations, including universities, in Federally assisted programs (implementing regulations are contained in 37 CFR part 401).

§ 2903.22 Confidential aspects of applications and awards.

When an application results in an award, it becomes a part of the record of USDA transactions, available to the public upon specific request. Information that the Secretary determines to be of a confidential, privileged, or proprietary nature will be held in confidence to the extent permitted by law. Therefore, any information that the applicant wishes to have considered as confidential, privileged, or proprietary should be clearly marked within the application. The original copy of an application that does not result in an award will be retained by the Agency for a period of one year. Other copies will be destroyed. Such an application will be released only with the consent of the applicant or to the extent required by law. An application may be withdrawn at any time prior to the final action thereon.

§ 2903.23 Definitions.

For the purpose of this program, the following definitions are applicable: Authorized departmental officer or ADO means the Secretary or any employee of the Department who has the authority to issue or modify grant instruments on behalf of the Secretary.
Authorized organizational representative or AOR means the president or chief executive officer of the applicant organization or the official, designated by the president or chief executive officer of the applicant organization, who has the authority to commit the resources of the organization.

Biodiesel means a monoalkyl ester that meets the requirements of an appropriate American Society for Testing and Materials Standard.

Budget period means the interval of time (usually 12 months) into which the project period is divided for budgetary and reporting purposes.

Department or USDA means the United States Department of Agriculture.

Education activity means an act or process that imparts knowledge or skills through formal or informal training and outreach.

Grant means the award by the Secretary of funds to an eligible recipient for the purpose of conducting the identified project.

Grantee means the organization designated in the award document as the responsible legal entity to which a grant is awarded.

Institution of higher education, as defined in sec. 101 of the Higher Education Act of 1965 (20 U.S.C. 1001), means an educational institution in any State that:

(1) Admits as regular students only persons having a certificate of graduation from a school providing secondary education, or the recognized equivalent of such a certificate;

(2) Is legally authorized within such State to provide a program of education beyond secondary education;

(3) Provides an educational program for which the institution awards a bachelor's degree or provides not less than a two-year program that is acceptable for full credit toward such a degree;

(4) Is a public or other nonprofit institution; and

(5) Is accredited by a nationally recognized accrediting agency or association, or if not so accredited, is an institution that has been granted preaccreditation status by such an agency or association that has been recognized by the Secretary of Education for the granting of preaccreditation status, and the Secretary of Education has determined that there is satisfactory assurance that the institution will meet the accreditation standards of such an agency or association within a reasonable time.

OEPNU means the Office of Energy Policy and New Uses.

Peer review is an evaluation of a proposed project performed by experts with the scientific knowledge and technical skills to conduct the proposed work whereby the technical quality and relevance to the program are assessed.

Prior approval means written approval evidencing prior consent by an authorized departmental officer (as defined in this section).

Program means the Biodiesel Fuel Education Program.

Project means the particular activity within the scope of the program supported by a grant award.

Project director or PD means the single individual designated by the grantee in the grant application and approved by the Secretary who is responsible for the direction and management of the project, also known as a principal investigator for research activities.

Project period means the period, as stated in the award document and modifications thereto, if any, during which Federal sponsorship begins and ends.

Secretary means the Secretary of Agriculture and any other officer or employee of the Department to whom the authority involved may be delegated.

PART 3011—AVAILABILITY OF INFORMATION TO THE PUBLIC

§ 3011.1 General statement.
This part is issued in accordance with 7 CFR 1.3 of the Department of Agriculture regulations governing the availability of records (7 CFR 1.1–1.23 and Appendix A) under the Freedom of Information Act (5 U.S.C. 552, as amended). These regulations supplement the Department’s regulations by providing guidance for any person wishing to request records from the Office of Finance and Management (OFM).

§ 3011.2 Public inspection and copying.
(a) Background. 5 U.S.C. 552(a)(2) requires each agency to maintain and make available for public inspection and copying certain kinds of records.
(b) Procedure. To gain access to OFM records that are available for public inspection, contact the Freedom of Information Act Officer by writing to the address shown in § 3011.4(b) of this title.

§ 3011.3 Indexes.
5 U.S.C. 552(a)(2) also requires that each agency maintain and make available for public inspection and copying current indexes providing identifying information for the public with regard to any records which are made available for public inspection and copying. OFM does not maintain any materials within the scope of these requirements.

§ 3011.4 Initial requests for records.
(a) Background. The Freedom of Information Act Officer is authorized to:
(1) Grant or deny requests for OFM records,
(2) Make discretionary release of OFM records when the benefit to the public in releasing the document outweighs any harm likely to result from disclosure,
(3) Reduce or waive fees to be charged where determined to be appropriate.
(b) Procedures. This part provides the titles and mailing address of officials who are authorized to release records to the public. The normal working hours of these offices are 8:30 a.m. to 5:00 p.m., local time, Monday through Friday, excluding holidays, during which public inspection and copying of certain kinds of records is permitted. Persons wishing to request records from the Office of Finance and Management may do so by submitting each initial written request for OFM records to the appropriate OFM official shown below:
(1) For records held at the Washington, DC Headquarters units, submit initial requests to the Freedom of Information Act Officer, Office of Finance and Management, USDA, 14th and Independence Ave., SW., Room 117–W, Administration Building, Washington, DC 20250–9000.
(2) For records held at the National Finance Center in New Orleans, Louisiana, submit initial requests to the Freedom of Information Act Officer, National Finance Center, OFM, USDA, 13800 Old Gentilly Road, Building 350, (P.O. Box 60,000, New Orleans, LA 70160), New Orleans, Louisiana 70129.
If the requester is unable to determine the official to whom the request should be addressed, it should be submitted to the Headquarters Freedom of Information Act Officer who will refer such requests to the appropriate officials.

§ 3011.5 Appeals.
Any person whose initial request is denied in whole or in part may appeal that denial, in accordance with 7 CFR 1.6(e) and 1.8, to the Director, Office of Finance and Management, USDA, Room 117–W, Administration Building, 14th and Independence Ave., Washington, DC 20250–9000.

§ 3011.6 Fee schedule.
Departmental regulations provide for a schedule of reasonable standard
§ 3011.6 charges for document search and duplication. See 7 CFR 1.2(b). Fees to be charged are set forth in 7 CFR part 1, subpart A, Appendix A.

Subparts A–B [Reserved]

Subpart C—Enhancement, Protection, and Management of the Cultural Environment

SOURCE: 44 FR 66181, Nov. 19, 1979, unless otherwise noted.

§ 3100.40 Purpose.
(a) This subpart establishes USDA policy regarding the enhancement, protection, and management of the cultural environment.
(b) This subpart establishes procedures for implementing Executive Order 11593, and regulations promulgated by the Advisory Council on Historic Preservation (ACHP) “Protection of Historical and Cultural Properties” in 36 CFR part 800 as required by § 800.10 of those regulations.
(c) Direction is provided to the agencies of USDA for protection of the cultural environment.

§ 3100.41 Authorities.
These regulations are based upon and implement the following laws, regulations, and Presidential directives:
(a) Antiquities Act of 1906 (Pub. L. 59–209; 34 Stat. 225; 16 U.S.C. 431 et seq.) which provides for the protection of historic or prehistoric remains or any object of antiquity on Federal lands, subject to permit and regulations. Paleontological resources also are considered to fall within the authority of this Act.
(b) Historic Sites Act of 1935 (Pub. L. 74–292; 49 Stat. 666; 16 U.S.C. 461 et seq.) which authorizes the establishment of National Historic Sites and otherwise authorizes the preservation of properties of national historical or archeological significance; authorizes the designation of National Historic Landmarks; establishes criminal sanctions for violation of regulations pursuant to the Act; authorizes interagency, intergovernmental, and interdisciplinary efforts for the preservation of cultural resources; and other provisions.
(c) Reservoir Salvage Act of 1960 (Pub. L. 86–521; 74 Stat. 220; 16 U.S.C. 469–469c.) which provides for the recovery and preservation of historical and archeological data, including relics and specimens, that might be lost or destroyed as a result of the construction of dams, reservoirs, and attendant facilities and activities.
(d) The National Historic Preservation Act of 1966 as amended (16 U.S.C. 470), which establishes positive national policy for the preservation of the cultural environment, and sets forth a mandate for protection in section 106. The purpose of section 106 is to protect properties on or eligible for the National Register of Historic Places through review and comment by the ACHP of Federal undertakings that affect such properties. Properties are listed on the National Register or declared eligible for listing by the Secretary of the Interior. As developed through the ACHP’s regulations, section 106 establishes a public interest process in which the Federal agency proposing an undertaking, the State Historic Preservation Officer, the ACHP, interested organizations and individuals participate. The process is designed to insure that properties, impacts on them, and effects to them are identified, and that alternatives to avoid or mitigate an adverse effect on property eligible for the National Register are adequately considered in the planning process.
§ 3100.42 Definitions.

All definitions are those which appear in 36 CFR part 800. In addition, the following apply in this rule:

Cultural resources (heritage resources) are the remains or records of districts, sites, structures, buildings, networks, neighborhoods, objects, and events from the past. They may be historic, prehistoric, archeological, or architectural in nature. Cultural resources are an irreplaceable and nonrenewable aspect of our national heritage.

Cultural environment is that portion of the environment which includes reminders of the rich historic and prehistoric past of our nation.

§ 3100.43 Policy.

(a) The nonrenewable cultural environment of our country constitutes a valuable and treasured portion of the national heritage of the American people. The Department of Agriculture is committed to the management—identification, protection, preservation, interpretation, evaluation and nomination—of our prehistoric and historic cultural resources for the benefit of all people of this and future generations.

(b) The Department supports the cultural resource goals expressed in Federal legislation, Executive orders, and regulations.

(c) The Department supports the preservation and protection of farms, rural landscapes, and rural communities.

(d) The Department is committed to consideration of the needs of American Indian, Eskimo, Aleut, and Native Hawaiians.
Indians, Eskimo, Aleut, and Native Hawaiians in the practice of their traditional religions.

(e) The Department will aggressively implement these policies to meet goals for the positive management of the cultural environment.

§ 3100.44 Implementation.

(a) It is the intent of the Department to carry out its program of management of the cultural environment in the most effective and efficient manner possible. Implementation must consider natural resource utilization, must exemplify good government, and must constitute a noninflationary approach which makes the best use of tax dollars.

(b) The commitment to cultural resource protection is vital. That commitment will be balanced with the multiple departmental goals of food and fiber production, environmental protection, natural resource and energy conservation, and rural development. It is essential that all of these be managed to reduce conflicts between programs. Positive management of the cultural environment can contribute to achieving better land use, protection of rural communities and farm lands, conservation of energy, and more efficient use of resources.

(c) In reaching decisions, the long-term needs of society and the irreversible nature of an action must be considered. The Department must act to preserve future options; loss of important cultural resources must be avoided except in the face of overriding national interest where there are no reasonable alternatives.

(d) To assure the protection of Native American religious practices, traditional religious leaders and other native leaders (or their representatives) should be consulted about potential conflict areas in the management of the cultural environment and the means to reduce or eliminate such conflicts.

§ 3100.45 Direction to agencies.

(a) Each agency of the Department shall consult with OEQ to determine whether its programs and activities may affect the cultural environment. Then, if needed, the agency, in consultation with the OEQ, shall develop its own specific procedures for implementing section 106 of the National Historic Preservation Act, Executive Order 11593, the regulations of the ACHP (36 CFR part 800), the American Indian Religious Freedom Act of 1978 and other relevant legislation and regulations in accordance with the agency's programs, mission and authorities. Such implementing procedures shall be published as proposed and final procedures in the FEDERAL REGISTER, and must be consistent with the requirements of 36 CFR part 800 and this subpart. Where applicable, each agency's procedures must contain mechanisms to insure:

1. Compliance with section 106 of NHPA and mitigation of adverse effects to cultural properties on or eligible for the National Register of Historic Places;

2. Clear definition of the kind and variety of sites and properties which should be managed;

3. Development of a long-term program of management of the cultural environment on lands administered by USDA as well as direction for project-specific protection;

4. Identification of all properties listed on or eligible for listing in the National Register that may be affected directly or indirectly by a proposed activity;

5. Location, identification and nomination to the Register of all sites, buildings, objects, districts, neighborhoods, and networks under its management which appear to qualify (in compliance with E.O. 11593);

6. The exercise of caution to assure that properties managed by USDA which may qualify for nomination are not transferred, sold, demolished, or substantially altered;

7. Early consultation with, and involvement of, the State Historic Preservation Officer(s), the ACHP, Native American traditional religious leaders and appropriate tribal leaders, and others with appropriate interests or expertise;

8. Early notification to insure substantive and meaningful involvement by the public in the agency's decision-making process as it relates to the cultural environment;
§ 3100.46 Responsibilities of the Department of Agriculture.

(a) Within the Department, the responsibility for the protection of the cultural environment is assigned to the Office of Environmental Quality (OEQ). The Office is responsible for reviewing the development and implementation of agency procedures and insuring Departmental commitment to cultural resource goals.

(b) The Director of the OEQ is the Secretary’s Designee to the ACHP.

(c) In order to carry out cultural resource responsibilities, there will be professional expertise within the OEQ to advise agencies, aid the Department in meeting its cultural resource management goals, and to insure that all Departmental and agency undertakings comply with applicable cultural resource protection legislation and regulations.

(d) The OEQ will be involved in individual compliance cases only where resolution cannot be reached at the agency level. Prior to the decision to refer a matter to the full Council of the
ACHP, the OEQ will review the case and make recommendations to the Secretary regarding the position of the Department. The agency also will consult with the OEQ before reaching a final decision in response to the Council’s comments. Copies of correspondence relevant to compliance with Section 106 shall be made available to OEQ.

3200.11 Liabilities and losses.

SOURCE: 63 FR 57234, Oct. 27, 1998, unless otherwise noted.

§ 3200.1 Purpose.

This Part sets forth the procedures to be utilized by Department of Agriculture (USDA) in the acquisition and transfer of excess property to the 1890 Land Grant Institutions (including Tuskegee University), 1994 Land Grant Institutions, and the Hispanic-Serving Institutions in support of research, educational, technical, and scientific activities or related programs as authorized by 7 U.S.C. 2206a. Title to the personal property shall pass to the institution.

§ 3200.2 Eligibility.

Institutions that are eligible to receive Federal excess personal property pursuant to the provisions of this part are the 1890 Land Grant Institutions (including Tuskegee University), 1994 Land Grant Institutions, and the Hispanic-Serving Institutions conducting research, educational, technical, and scientific activities or related programs.

§ 3200.3 Definitions.

(a) 1890 Land grant institutions—any college or university eligible to receive funds under the Act of August 30, 1890 (7 U.S.C. 321 et. seq.), including Tuskegee University.

(b) 1994 Land grant institutions—any of the tribal colleges or universities as defined in section 532 of the Equity in Educational Land-Grant Status Act of 1994 (7 U.S.C. 301 note).

(c) Hispanic-serving institutions—institutions of higher education as defined in section 316(b) of the Higher Education Act of 1965 (20 U.S.C. 1059c (b)).

(d) Property management officer—is an authorized USDA or institution official responsible for property management.

(e) Screener—is an individual designated by an eligible institution and authorized by the General Services Administration (GSA) to visit property sites for the purpose of inspects personal property intended for use by the institution.

(f) Excess personal property—is any personal property under the control of a Federal agency that is no longer needed.

(g) Cannibalization—is the dismantling of equipment for parts to repair or enhance other equipment.

§ 3200.4 Procedures.

(a) To receive information concerning the availability of Federal excess personal property, an eligible institution’s property management officer may contact their regional GSA, Area Utilization Officer. For information on USDA excess personal property, visit the USDA Web site at http://www.nfc.usda.gov/propecs. USDA excess property will first be screened by USDA agencies through the Departmental Excess Personal Property Coordinator (DEPPC) using the Departmental Property Management Information System.

(b) Excess property selected by screeners of eligible institutions should be inspected whenever possible, or the holding agency should be contacted to verify the condition of the items, because interpretation of condition codes varies among Federal agencies.

(c) If the condition of the item is acceptable, the institution should “freeze” (reserve) items by calling the appropriate GSA office or USDA Departmental Excess Personal Property Coordinator (DEPPC). Since GSA may have several “freezes” on a piece of equipment, it is critical that the paperwork be submitted as soon as possible. Further, while transfers of excess personal property normally will be approved by GSA on a first-come-first-serve basis, consideration will be given
§ 3200.5

to such factors as national defense requirements, emergency needs, preclusion of new procurement, energy conservation, equitable distribution, and retention of title in the Government.

(d) Eligible institutions may submit property requests by mail or fax on a Standard Form 122, “Transfer Order Excess Personal Property”.

(e) The SF–122 should be signed by the eligible institution’s property management officer or authorized designee.

(1) The following information should also be provided:

(i) Date prepared.

(ii) GSA/DEPPC address.

(iii) Ordering Agency and address.

(iv) Holding Agency and address.

(v) Name and address of Institution.

(vi) Location of property.

(vii) Shipping instruction (including institution contact person and phone number).

(viii) Complete description of property including original acquisition cost, serial number, condition code, and quantity.

(2) This statement needs to be added following the property description:

“The property requested hereon is certified to be used in support of research, educational, technical, and scientific activities or for related programs. This transfer is requested pursuant to the provisions of Section 923 Pub. L. 104–127 (7 U.S.C. 2206a). Also, in accordance with these provisions USDA authorizes transfer of title of this property to the college/university/institution.”

(f) The SF–122 should be forwarded to USDA for approval and signature by an authorized USDA official. As confirmation of approval, the eligible institution’s property management officer will receive a stamped copy of the SF–122. If the request is disapproved, it will be returned to the property management officer of the eligible institution with an appropriate explanation. All USDA approved SF–122’s will be forwarded to DEPPC or the appropriate GSA office for final approval.

(g) Once the excess personal property is physically received, the institution is required to immediately return a copy of the SF–122 to USDA indicating receipt of requested items. Cancellations should also be reported to USDA.

NOTE: USDA shall send an informational copy of all SF–122’s transactions to GSA.

§ 3200.5 Dollar limitation.

There is no dollar limitation on excess personal property obtained under these procedures.

§ 3200.6 Restrictions.

(a) Property in the following Federal Supply Groups are prohibited from transfer.

(c) Excess personal property may be transferred for the purpose of cannibalization, provided the eligible institution submits a supporting statement which clearly indicates that cannibalizing the requested property for secondary use has greater benefit than utilization of the item in its existing form.

(d) Use of the procedures in this part for the purpose of stockpiling of excess personal property for future cannibalization is prohibited. Transfer requests for the purpose of cannibalization will be considered, but are normally subordinate to requests for complete items.

§ 3200.7 Title.

Title to excess personal property obtained under Part 3200 will automatically pass to the 1890 Land Grant Institutions (including Tuskegee University), 1994 Land Grant Institutions, and the Hispanic-Serving Institutions once USDA receives the SF–122 indicating that the institution has received the property. Note: When competing Federal claims are made for particular items of excess personal property held by agencies other than USDA, with or without payment of reimbursement, GSA will give preference to the Federal agency that will retain title in the Government.

§ 3200.8 Costs.

Excess personal property obtained under this part is provided free of charge. However, the institution must pay all costs associated with packaging and transportation. The institution should specify the method of shipment on the SF–122.

§ 3200.9 Accountability and record keeping.

USDA requires that Federal excess personal property received by an eligible institution pursuant to this part shall be placed into use for a research, educational, technical, or scientific activity, or for a related purpose, within 1 year of receipt of the property, and used for such purpose for at least 1 year thereafter. The institution’s property management officer must establish and maintain accountable records identifying the property’s location, description, utilization and value. To ensure that the excess personal property is being used for its intended purpose under this part, compliance reviews will be conducted by an authorized representative of USDA. The review will include site visit inspections of the property and the accountability and record keeping systems.

§ 3200.10 Disposal.

Once the requirements in § 3200.9 are met for retention and use of property by the Institution and title is transferred, Federal excess personal property (FEPP) must never be disposed of in any manner which is detrimental or dangerous to public health or safety. Also, any costs incurred during the disposal process are the responsibility of the Institution.

[68 FR 75108, Dec. 30, 2003]

§ 3200.11 Liabilities and losses.

USDA assumes no liability with respect to accidents, bodily injury, illness, or any other damages or loss related to excess personal property transferred under this part.

§ 3201.1 Purpose and scope.

(a) Purpose. The purpose of the guidelines in this part is to assist procuring agencies in complying with the requirements of section 9002 of the Farm Security and Rural Investment Act of 2002 (FSRIA), Public Law 107–171, 116 Stat. 476 (7 U.S.C. 8102), as amended by the Food, Conservation, and Energy Act of 2008, Public Law 110–246, 122 Stat. 1651, as they apply to the procurement of the products designated in subpart B of this part.

(b) Scope. The guidelines in this part establish a process for designating categories of products that are, or can be, produced with biobased components and materials and whose procurement by procuring agencies and other relevant stakeholders will carry out the objectives of section 9002 of FSRIA. The guidelines also establish a process for designating categories of intermediate ingredients and feedstocks that are, or can be, used to produce final products that will be designated and, thus, subject to Federal preferred procurement. The guidelines also establish a process for calculating the biobased content of complex assembly products, whose biobased content cannot be measured following ASTM
Office of Procurement and Property Management, USDA

§ 3201.2 Definitions.

These definitions apply to this part:

Agricultural materials. Agricultural-based, including plant, animal, and marine materials, raw materials or residues used in the manufacture of commercial or industrial, nonfood/nonfeed products.

ASTM International. ASTM International, a nonprofit organization organized in 1898, is one of the largest voluntary standards development organizations in the world with about 30,000 members in over 100 different countries. ASTM provides a forum for the development and publication of voluntary consensus standards for materials, products, systems, and services.

BEES. An acronym for “Building for Environmental and Economic Sustainability,” an analytic tool used to determine the environmental and health benefits and life cycle costs of products and materials, developed by the U.S. Department of Commerce National Institute of Standards and Technology.

Biobased components. Any intermediary biobased materials or parts that, in combination with other components, are functional parts of the biobased product.

Biobased content. Biobased content shall be determined based on the amount of biobased carbon in the material or product as a percent of weight (mass) of the total organic carbon in the material or product.

Biobased product. (1) A product determined by USDA to be a commercial or industrial product (other than food or feed) that is:

(i) Composed, in whole or in significant part, of biological products, including renewable domestic agricultural materials and forestry materials; or

(ii) An intermediate ingredient or feedstock.

(2) The term “biobased product” includes, with respect to forestry materials, forest products that meet biobased content requirements, notwithstanding the market share the product holds, the age of the product, or whether the market for the product is new or emerging.

Biodegradability. A quantitative measure of the extent to which a material is capable of being decomposed by biological agents, especially bacteria.

Biological products. Products derived from living materials other than agricultural or forestry materials.

Complex assembly. A system of distinct materials and components assembled to create a finished product with specific functional intent where some or all of the system inputs contain some amount of biobased material or feedstock.

Designated intermediate ingredient or feedstock category. A generic grouping of biobased intermediate ingredients or feedstocks identified in subpart B of this part that, when comprising more than 50 percent (or another amount as specified in subpart B of this part) of a resultant final product, qualifies the resultant final product for the procurement preference established under section 9002 of FSRIA.

Designated product category. A generic grouping of biobased products, including those final products made from designated intermediate ingredients or feedstocks, or complex assemblies identified in subpart B of this part, that is eligible for the procurement preference established under section 9002 of FSRIA.

Diluent. A substance used to diminish the strength, scent, or other basic property of a substance.

Engineered wood products. Products produced with a combination of wood, food fibers and adhesives.

EPA-designated recovered content product. A product, designated under the Resource Conservation and Recovery Act, that is subject to Federal procurement as specified in section 6002 of the Solid Waste Disposal Act (42 U.S.C. 6962), whereby Federal agencies must give preferred procurement to those products composed of the highest percentage of recovered materials practicable, subject to availability, cost, and performance.

Federal agency. Any executive agency or independent establishment in the
legislative or judicial branch of the Government (except the Senate, the House of Representatives, the Architect of the Capitol, and any activities under the Architect’s direction).

Filler. A substance added to a product to increase the bulk, weight, viscosity, strength, or other property.

Forest product. A product made from materials derived from the practice of forestry or the management of growing timber. The term “forest product” includes:

1. Pulp, paper, paperboard, pellets, lumber, and other wood products;
2. Any recycled products derived from forest materials.

Forest thinnings. Refers to woody materials removed from a dense forest, primarily to improve growth, enhance forest health, or recover potential mortality. (To recover potential mortality means to remove trees that are going to die in the near future.)

Formulated product. A product that is prepared or mixed with other ingredients, according to a specified formula and includes more than one ingredient.

Functional unit. A measure of product technical performance that provides a common reference to which all environmental and economic impacts of the product are scaled. This reference is necessary to ensure comparability of performance results across competing products. Comparability of results is critical when competing product alternatives are being assessed to ensure that such comparisons are made on a common basis. For example, the functional unit for competing interior paint products may be defined as “protecting one square foot of interior wall surface for 50 years.”

Ingredient. A component; part of a compound or mixture; may be active or inactive.

Intermediate ingredient or feedstock. A material or compound made in whole or in significant part from biological products, including renewable agricultural materials (including plant, animal, and marine materials) or forestry materials that have undergone value added processing (including thermal, chemical, biological, or a significant amount of mechanical processing), excluding harvesting operations, offered for sale by a manufacturer or vendor and that is subsequently used to make a more complex compound or product.

ISO. The International Organization for Standardization, a network of national standards institutes from 145 countries working in partnership with international organizations, governments, industries, business, and consumer representatives.

Neat product. A product that is made of only one ingredient and is not diluted or mixed with other substances.

Procuring agency. Any Federal agency that is using Federal funds for procurement or any person contracting with any Federal agency with respect to work performed under the contract.

Qualified biobased product. A product that is eligible for Federal preferred procurement because it meets the definition and minimum biobased content criteria for one or more designated product categories, or one or more designated intermediate ingredient or feedstock categories, as specified in subpart B of this part.

Relative price. The price of a product as compared to the price of other products on the market that have similar performance characteristics.

Relevant stakeholder. Individuals or officers of state or local government organizations, private non-profit institutions or organizations, and private businesses or consumers.

 Renewable chemical. A monomer, polymer, plastic, formulated product, or chemical substance produced from renewable biomass.

Residues. That which remains after a part is taken, separated, removed, or designated; a remnant; a remainder; and, for this purpose, is from agricultural materials, biological products, or forestry materials.

Secretary. The Secretary of the United States Department of Agriculture.

Small and emerging private business enterprise. Any private business which will employ 50 or fewer new employees and has less than $1 million in projected annual gross revenues.

Sustainably managed forests. Refers to the practice of a land stewardship ethic
that integrates the reforestation, management, growing, nurturing, and harvesting of trees for useful products while conserving soil and improving air and water quality, wildlife, fish habitat, and aesthetics.

§ 3201.3 Applicability to Federal procurements.

(a) Applicability to procurement actions. The guidelines in this part apply to all procurement actions by procuring agencies involving items designated by USDA in this part, where the procuring agency purchases $10,000 or more worth of one of these items during the course of a fiscal year, or where the quantity of such items or of functionally equivalent items purchased during the preceding fiscal year was $10,000 or more. The $10,000 threshold applies to Federal agencies as a whole rather than to agency subgroups such as regional offices or subagencies of a larger Federal department or agency.

(b) Exception for procurements subject to EPA regulations under the Solid Waste Disposal Act. For any procurement by any procuring agency that is subject to regulations of the Administrator of the Environmental Protection Agency under section 9002 of the Solid Waste Disposal Act as amended by the Resource Conservation Act of 1976 (40 CFR part 247), these guidelines do not apply to the extent that the requirements of this part are inconsistent with such regulations.

(c) Procuring products composed of the highest percentage of biobased content. Section 9002(a)(2) of FSRIA requires procuring agencies to procure qualified biobased products composed of the highest percentage of biobased content practicable or such products that comply with the regulations issued under section 103 of Public Law 100–556 (42 U.S.C. 6914b–1). Procuring agencies may decide not to procure such qualified biobased products if they are not reasonably priced or readily available or do not meet specified or reasonable performance standards.

(d) This guideline does not apply to purchases of qualified biobased products that are unrelated to or incidental to Federal funding; i.e., not the direct result of a contract or agreement with persons supplying items to a procuring agency or providing support services that include the supply or use of products.

(e) Exemptions. The following applications are exempt from the preferred procurement requirements of this part:

(1) Military equipment: Products or systems designed or procured for combat or combat-related missions.

(2) Spacecraft systems and launch support equipment.

§ 3201.4 Procurement programs.

(a) Integration into the Federal procurement framework. The Office of Federal Procurement Policy, in cooperation with USDA, has the responsibility to coordinate this policy’s implementation in the Federal procurement regulations. These guidelines are not intended to address full implementation of these requirements into the Federal procurement framework. This will be accomplished through revisions to the Federal Acquisition Regulation.

(b) Federal agency preferred procurement programs. (1) On or before July 31, 2015, each Federal agency shall develop a procurement program which will assure that qualified biobased products are purchased to the maximum extent practicable and which is consistent with applicable provisions of Federal procurement laws. Each procurement program shall contain:

(i) A preference program for purchasing qualified biobased products;

(ii) A promotion program to promote the preference program;

(iii) Provisions for the annual review and monitoring of the effectiveness of the procurement program; and

(iv) Provisions for reporting quantities and types of biobased products purchased by the Federal agency.

(2) In developing the preference program, Federal agencies shall adopt one of the following options, or a substantially equivalent alternative, as part of the procurement program:
(i) A policy of awarding contracts on a case-by-case basis to the vendor offering a qualified biobased product composed of the highest percentage of biobased content practicable except when such products:
   (A) Are not available within a reasonable time;
   (B) Fail to meet performance standards set forth in the applicable specifications, or the reasonable performance standards of the Federal agency; or
   (C) Are available only at an unreasonable price.
   (ii) A policy of setting minimum biobased content specifications in such a way as to assure that the required biobased content of qualified biobased products is consistent with section 9002 of FSRIA and the requirements of the guidelines in this part except when such products:
   (A) Are not available within a reasonable time;
   (B) Fail to meet performance standards for the use to which they will be put, or the reasonable performance standards of the Federal agency; or
   (C) Are available only at an unreasonable price.
(3) In implementing the preference program, Federal agencies shall treat as eligible for the preference biobased products from “designated countries,” as that term is defined in section 25.003 of the Federal Acquisition Regulation, provided that those products otherwise meet all requirements for participation in the preference program.
(4) No later than June 15, 2016, each Federal agency shall establish a targeted biobased-only procurement requirement under which the procuring agency shall issue a certain number of biobased-only contracts when the procuring agency is purchasing products, or purchasing services that include the use of products, that are included in a biobased product category designated by the Secretary.

(c) Procurement specifications. After the publication date of each designated product category and each designated intermediate ingredient or feedstock category, Federal agencies that have the responsibility for drafting or reviewing specifications for products procured by Federal agencies shall ensure within a specified time frame that their specifications require the use of qualified biobased products, consistent with the guidelines in this part. USDA will specify the allowable time frame in each designation rule. The biobased content of qualified biobased products within a designated product category or a designated intermediate ingredient or feedstock category may vary considerably from product to product based on the mix of ingredients used in its manufacture. Likewise, the biobased content of qualified biobased products that qualify because they are made from materials within designated intermediate ingredient or feedstock categories may also vary significantly. In procuring qualified biobased products, the percentage of biobased content should be maximized, consistent with achieving the desired performance for the product.

§ 3201.5 Category designation.

(a) Procedure. Designated product categories, designated intermediate ingredient or feedstock categories, and designated final product categories composed of qualifying intermediate ingredients or feedstocks are listed in subpart B of this part.

(1) In designating product categories, USDA will designate categories composed of generic groupings of specific products or complex assemblies and will identify the minimum biobased content for each listed category or subcategory. As product categories are designated for procurement preference, they will be added to subpart B of this part.

(2) In designating intermediate ingredient or feedstock categories, USDA will designate categories composed of generic groupings of specific intermediate ingredients or feedstocks, and will identify the minimum biobased content for each listed category or subcategory. As categories are designated for product qualification, they will be added to subpart B of this part. USDA encourages manufacturers and vendors.
of intermediate ingredients or feedstocks to provide USDA with information relevant to significant potential applications for intermediate ingredients or feedstocks, including estimates of typical formulation rates.

(3) During the process of designating intermediate ingredient or feedstock categories, USDA will also gather information on the various types of final products that are, or can be, made from those intermediate ingredients or feedstocks. Final products that fall within existing designated product categories will be subject to the minimum biobased content requirements for those product categories, as specified in subpart B of this part. New product categories that are identified during the information gathering process will be listed in the Federal Register proposed rule for designating the intermediate ingredient or feedstock categories. A minimum biobased content for each of the final product categories will also be identified based on the amount of designated intermediate ingredients or feedstocks such products contain. Public comment will be invited on the list of potential final product categories, and the minimum biobased content for each, as well as on the intermediate ingredient and feedstock categories being proposed for designation. Public comments on the list of potential final product categories will be considered, along with any additional information gathered by USDA, and the list will be finalized. When the final rule designating the intermediate ingredient or feedstock categories, by adding them to subpart B of this part, is published in the Federal Register, the list of final product categories will also be added to subpart B of this part. Once these final product categories are listed in subpart B of this part, they will become eligible for the Federal procurement preference.

(b) Considerations. (1) In designating product categories and intermediate ingredient or feedstock categories, USDA will consider the availability of qualified biobased products and the economic and technological feasibility of using such products, including price. USDA will gather information on individual qualified biobased products within a category and extrapolate that information to the category level for consideration in designating categories.

(2) In designating product categories and intermediate ingredient or feedstock categories for the BioPreferred Program, USDA will consider as eligible only those products that use innovative approaches in the growing, harvesting, sourcing, procuring, processing, manufacturing, or application of the biobased product. USDA will consider products that meet one or more of the criteria in paragraphs (b)(2)(i) through (iv) of this section to be eligible for the BioPreferred Program. USDA will also consider other documentation of innovative approaches in the growing, harvesting, sourcing, procuring, processing, manufacturing, or application of biobased products on a case-by-case basis. USDA may exclude from the BioPreferred Program any products whose manufacturers are unable to provide USDA with the documentation necessary to verify claims that innovative approaches are used in the growing, harvesting, sourcing, procuring, processing, manufacturing, or application of their biobased products.

(i) Product applications. (A) The biobased product or material is used or applied in applications that differ from historical applications; or

(B) The biobased product or material is grown, harvested, manufactured, processed, sourced, or applied in other innovative ways; or

(C) The biobased content of the product or material makes its composition different from products or material used for the same historical uses or applications.

(ii) Manufacturing and processing. (A) The biobased product or material is manufactured or processed using renewable, biomass energy or using technology that is demonstrated to increase energy efficiency or reduce reliance on fossil-fuel based energy sources; or

(B) The biobased product or material is manufactured or processed with technologies that ensure high feedstock material recovery and use.
Environmental Product Declaration. The product has a current Environmental Product Declaration as defined by International Standard ISO 14025, Environmental Labels and Declarations—Type III Environmental Declarations—Principles and Procedures.

Raw material sourcing. (A) The raw material used in the product is sourced from a Legal Source, a Responsible Source, or a Certified Source as designated by ASTM D7612–10, Standard Practice for Categorizing Wood and Wood-Based Products According to Their Fiber Sources; or
(B) The raw material used in the product is 100% resourced or recycled (such as material obtained from building deconstruction); or
(C) The raw material used in the product is from an urban environment and is acquired as a result of activities related to a natural disaster, land clearing, right-of-way maintenance, tree health improvement, or public safety.

Exclusions. Motor vehicle fuels, heating oil, and electricity are excluded by statute from this program.

Providing product information to Federal agencies.

(a) Informational Web site. An informational USDA Web site implementing section 9002 of FSRIA can be found at: http://www.biopreferred.gov. USDA will maintain a voluntary Web-based information site for manufacturers and vendors of qualified biobased products and Federal agencies to exchange information, as described in paragraphs (a)(1) and (2) of this section.

(1) Product information. The Web site will, as determined to be necessary by the Secretary based on the availability of data, provide information as to the availability, price, biobased content, performance and environmental and public health benefits of the designated product categories and designated intermediate ingredient or feedstock categories. USDA encourages manufacturers and vendors to provide product and business contact information for designated categories. Instructions for posting information are found on the Web site itself. USDA also encourages Federal agencies to utilize this Web site to obtain current information on designated categories, contact information on manufacturers and vendors, and access to information on product characteristics relevant to procurement decisions. In addition to any information provided on the Web site, manufacturers and vendors are expected to provide relevant information to Federal agencies, subject to the limitations specified in §3201.8(a), with respect to product characteristics, including verification of such characteristics if requested.

(b) National Testing Center Registry. The Web site will include an electronic listing of recognized industry standard testing organizations that will serve biobased product manufacturers such as ASTM International, Society of Automotive Engineers, and the American Petroleum Institute. USDA encourages stakeholders to submit information on other possible testing resources to the BioPreferred program for inclusion.

(b) Advertising, labeling and marketing claims. Manufacturers and vendors are reminded that their advertising, labeling, and other marketing claims, including claims regarding health and environmental benefits of the product, must conform to the Federal Trade Commission ‘‘Guides for the Use of Environmental Marketing Claims,’’ 16 CFR part 260 (see: http://www.access.gpo.gov/nara/cfr/waisidx_08/16cfr260_08.html). For further requirements, click on the link to the ‘‘Guidelines for Marketing the BioPreferred Program.’’
falls. Paragraph (c) of this section addresses how to determine biobased content. Upon request, manufacturers and vendors must provide USDA and Federal agencies information to verify biobased content for products certified to qualify for preferred procurement.

(b) Minimum biobased content. Unless specified otherwise in the designation of a particular product category or intermediate ingredient or feedstock category, the minimum biobased content requirements in a specific category designation refer to the organic carbon portion of the product, and not the entire product.

(c) Determining biobased content. Verification of biobased content must be based on third party ASTM/ISO compliant test facility testing using the ASTM Standard Method D6866, “Standard Test Methods for Determining the Biobased Content of Solid, Liquid, and Gaseous Samples Using Radiocarbon Analysis.” ASTM Standard Method D6866 determines biobased content based on the amount of biobased carbon in the material or product as a percent of the weight (mass) of the total organic carbon in the product or material.

(1) Biobased products, intermediate ingredients or feedstocks. Biobased content will be based on the amount of biobased carbon in the product or material as a percent of the weight (mass) of the total organic carbon in the product or material.

(2) Final products composed of designated intermediate ingredient or feedstock materials. The biobased content of final products composed of designated intermediate ingredient or feedstock materials will be determined by calculating the percentage by weight (mass) that the biobased component of each designated intermediate ingredient or feedstock material represents of the total organic carbon content of the final product and summing the results (if more than one designated intermediate ingredient or feedstock is used). If the final product also contains biobased content from intermediate ingredient or feedstock material that is not designated, the percentage by weight that these biobased ingredients represent of the total organic carbon content should be included in the calculation.

(3) Complex assemblies. The biobased content of a complex assembly product, where the product has “n” components whose biobased and organic carbon content can be experimentally determined, will be calculated using the following equation:

\[
\text{Biobased Content of Product} = \sum_{i=1}^{n} \frac{M_i \cdot BCC_i \cdot OCC_i}{\sum_{i=1}^{n} M_i \cdot OCC_i}
\]

Where:
- \(M_i\) = mass of the nth component
- \(BCC_i\) = biobased carbon content of the nth component (%)
- \(OCC_i\) = organic carbon content of the nth component (%)

(d) Products and intermediate ingredients or feedstocks with the same formulation. In the case of products and intermediate ingredients or feedstocks that are essentially the same formulation, but marketed under more than one brand name, biobased content test data need not be brand-name specific.

[79 FR 44656, Aug. 1, 2014]
to collect information needed to estimate the price of biobased products, complex assemblies, intermediate materials or feedstocks as part of the designation process, including application units, average unit cost, and application frequency. USDA encourages industry stakeholders to provide information on environmental and public health benefits based on industry accepted analytical approaches including, but not limited to: Material carbon footprint analysis, the ASTM D7075 standard for evaluating and reporting on environmental performance of biobased products, the International Standards Organization ISO 14040, the ASTM International life-cycle cost methodology (E917) and multi-attribute decision analysis (E1765), the British Standards Institution PAS 2050, and the National Institute of Standards and Technology BEES analytical tool. USDA will make such stakeholder-supplied information available on the BioPreferred Web site.

(b) Performance test information. In assessing performance of qualified biobased products, USDA requires that procuring agencies rely on results of performance tests using applicable ASTM, ISO, Federal or military specifications, or other similarly authoritative industry test standards. Such testing must be conducted by a laboratory compliant with the requirements of the standards body. The procuring official will decide whether performance data must be brand-name specific in the case of products that are essentially of the same formulation.

(c) Biodegradability information. If biodegradability is claimed by the manufacturer of a qualifying biobased product as a characteristic of that product, USDA requires that, if requested by procuring agencies, these claims be verified using the appropriate, product-specific ASTM biodegradability standard(s). Such testing must be conducted by an ASTM/ISO-compliant laboratory. The procuring official will decide whether biodegradability data must be brand-name specific in the case of products that are essentially of the same formulation. ASTM biodegradability standards include:

2. D5864 “Standard Test Method for Determining the Aerobic Aquatic Biodegradation of Lubricants or Their Components”;
5. D6139 “Standard Test Method for Determining the Aerobic Aquatic Biodegradation of Lubricants or Their Components Using the Gledhill Shake Flask”; and

§ 3201.10 Mobile equipment hydraulic fluids.

(a) Definition. Hydraulic fluids formulated for general use in non-stationary equipment, such as tractors, end loaders, or backhoes.

(b) Minimum biobased content. The minimum biobased content is 44 percent and shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference effective date. No later than March 16, 2007, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased mobile equipment
Office of Procurement and Property Management, USDA § 3201.12

hydraulic fluids. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased mobile equipment hydraulic fluids.

(d) Determining overlap with an EPA-designated recovered content product. Qualifying biobased products that fall under this item may, in some cases, overlap with the following EPA-designated recovered content product: Re-refined Lubricating Oils. USDA is requesting that manufacturers of these qualifying biobased products provide information for the BioPreferred Web site of qualifying biobased products about the intended uses of the product, information on whether or not the product contains petroleum-based ingredients, re-refined oil, and/or any other recovered material, in addition to biobased ingredients, and performance standards against which the product has been tested. This information will assist Federal agencies in determining whether or not a qualifying biobased product overlaps with EPA-designated lubricating oils containing re-refined oil and which product should be afforded the preference in purchasing.

NOTE TO PARAGRAPH (d): Mobile equipment hydraulic fluid products within this designated item can compete with similar lubricating oils containing re-refined oil. Under the Resource Conservation and Recovery Act of 1976, section 6002, the U.S. Environmental Protection Agency designated lubricating oils containing re-refined oil as items for which Federal agencies must give preference in their purchasing programs. The designation can be found in the Comprehensive Procurement Guideline, 40 CFR 247.11.

§ 3201.12 Water tank coatings.

(a) Definition. Coatings formulated for use in potable water storage systems.

(b) Minimum biobased content. The minimum biobased content is 59 percent and shall be based on the entire product.

(c) Preference effective date. No later than November 20, 2007, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased water tank coatings. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased water tank coatings.

NOTE TO PARAGRAPH (d): Roof coating products within this designated item can compete with similar roofing material products. Under the Resource Conservation and Recovery Act of 1976, section 6002, the U.S. Environmental Protection Agency designated roofing material containing recycled material as items for which Federal agencies must give preference in their purchasing programs. The designation can be found in the Comprehensive Procurement Guideline, 40 CFR 247.12.

§ 3201.11 Roof coatings.

(a) Definition. Coatings formulated for use in commercial roof deck systems to provide a single-coat monolith coating system.

(b) Minimum biobased content. The minimum biobased content is 20 percent and shall be based on the entire product.

(c) Preference effective date. No later than March 16, 2007, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased roof coatings. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased roof coatings.

NOTE TO PARAGRAPH (d): Roof coating products within this designated item can compete with similar roofing material products. Under the Resource Conservation and Recovery Act of 1976, section 6002, the U.S. Environmental Protection Agency designated roofing materials containing recycled material as items for which Federal agencies must give preference in their purchasing programs. The designation can be found in the Comprehensive Procurement Guideline, 40 CFR 247.12.

[71 FR 13705, Mar. 16, 2006, as amended at 73 FR 27953, May 14, 2008]
§ 3201.13 Diesel fuel additives.

(a) Definition. (1) Any substance, other than one composed solely of carbon and/or hydrogen, that is intentionally added to diesel fuel (including any added to a motor vehicle’s fuel system) and that is not intentionally removed prior to sale or use.

(2) Neat biodiesel, also referred to as B100, when used as an additive. Diesel fuel additive does not mean neat biodiesel when used as a fuel or blended biodiesel fuel (e.g., B20).

(b) Minimum biobased content. The minimum biobased content is 90 percent and shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference effective date. No later than March 16, 2007, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased diesel fuel additives. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased diesel fuel additives.

§ 3201.14 Penetrating lubricants.

(a) Definition. Products formulated to provide light lubrication and corrosion resistance in close tolerant internal and external applications including frozen nuts and bolts, power tools, gears, valves, chains, and cables.

(b) Minimum biobased content. The minimum biobased content is 68 percent and shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference effective date. No later than March 16, 2007, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased penetrating lubricants. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased penetrating lubricants.

(d) Determining overlap with an EPA-designated recovered content product. Qualifying biobased products that fall under this item may, in some cases, overlap with the following EPA-designated recovered content product: Re-refined Lubricating Oils. USDA is requesting that manufacturers of these qualifying biobased products provide information for the BioPreferred Web site of qualifying biobased products about the intended uses of the product, information on whether or not the product contains petroleum-based ingredients, re-refined oil, and/or any other recovered material, in addition to biobased ingredients, and performance standards against which the product has been tested. This information will assist Federal agencies in determining whether or not a qualifying biobased product overlaps with EPA-designated lubricating oils containing re-refined oil and which product should be afforded the preference in purchasing.

NOTE TO PARAGRAPH (d): Penetrating lubricant products within this designated item can compete with similar re-refined lubricating oil products. Under the Resource Conservation and Recovery Act of 1976, section 6002, the U.S. Environmental Protection Agency designated re-refined lubricating oils containing re-refined oil and which product should be afforded the preference in purchasing.

§ 3201.15 Bedding, bed linens, and towels.

(a) Definition. (1) Bedding is that group of woven cloth products used as coverings on a bed. Bedding includes products such as blankets, bedspreads, comforters, and quilts.

(2) Bed linens are woven cloth sheets and pillowcases used in bedding.
Office of Procurement and Property Management, USDA

§ 3201.17 Plastic insulating foam for residential and commercial construction.

(a) Definition. Spray-in-place plastic foam products designed to provide a sealed thermal barrier for residential or commercial construction applications.

(b) Minimum biobased content. The preferred procurement product must have a biobased content of at least 7 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than May 14, 2009, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased plastic insulating foam for residential and commercial construction. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased plastic insulating foam for residential and commercial construction.

(d) Determining overlap with an EPA-designated recovered content product. Qualifying biobased products that fall under this item may, in some cases, overlap with the EPA-designated recovered content product: Building Insulation. USDA is requesting that manufacturers of these qualifying biobased products provide information on the BioPreferred Web site of qualifying biobased products about the intended uses of the product, information on whether or not the product contains any recovered material, in addition to biobased ingredients, and performance standards against which the product has been tested. This information will assist Federal agencies in determining whether or not a qualifying biobased product overlaps with EPA-designated building insulation and which product should be afforded the preference in purchasing.

NOTE TO PARAGRAPH (d): Biobased insulating products within this designated item can compete with similar insulating products with recycled content. Under the Resource Conservation and Recovery Act of 1976, section 6002, the U.S. Environmental Protection Agency (EPA) designates certain building insulation products as containing recovered content. Under the BioPreferred Program, biobased products that meet minimum biobased content requirements may compete with EPA-designated building insulation. If a biobased insulating product overlaps with a EPA-designated insulation, the Federal agencies purchasing the product should ensure that the items selected for purchase are considered in accordance with this part.
§ 3201.18 Hand cleaners and sanitizers.

(a) Definitions—(1) Hand cleaners. Products formulated for personal care use in removing a variety of different soils, greases, and similar substances from human hands with or without the use of water.

(2) Hand sanitizers. Products formulated for personal care use in removing bacteria from human hands with or without the use of water. Personal care products that are formulated for use in removing a variety of different soils, greases and similar substances and bacteria from human hands with or without the use of water are classified as hand sanitizers for the purposes of this rule.

(b) Minimum biobased content. The minimum biobased content requirement for all hand cleaners and/or sanitizers shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product. The applicable minimum biobased contents are:

(1) Hand cleaners—64 percent.

(2) Hand sanitizers (including hand cleaners and sanitizers)—73 percent.

(b) Minimum biobased content. The minimum biobased content requirement for all composite panels shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product. The applicable minimum biobased contents are:

(1) Plastic lumber composite panels—23 percent.

(2) Acoustical composite panels—37 percent.

(3) Interior panels—55 percent.

(4) Structural interior panels—89 percent.

(5) Structural wall panels—94 percent.

(6) Countertops—89 percent.

(c) Preference compliance date. No later than May 14, 2009, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased hand cleaners and sanitizers. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased hand cleaners and sanitizers.

[73 FR 27953, May 14, 2008]
responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased composite panels.

(2) No later than June 11, 2014, procuring agencies, in accordance with this paragraph, will give a procurement preference for those qualifying biobased composite panels specified in paragraph (a)(6) of this section. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased composite panels.

(d) Determining overlap with an EPA-designated recovered content product. Qualifying biobased products that fall under this item may, in some cases, overlap with the following EPA-designated recovered content products: Laminated Paperboard and Structural Fiberboard; Shower and Restroom Dividers; and Signage. USDA is requesting that manufacturers of these qualifying biobased products provide information on the BioPreferred Web site of qualifying biobased products about the intended uses of the product, information on whether or not the product contains any recovered material, in addition to biobased ingredients, and performance standards against which the product has been tested. This information will assist Federal agencies in determining whether or not a qualifying biobased product overlaps with EPA-designated laminated paperboard, structural fiberboard, shower and restroom dividers, and signage, and which product should be afforded the preference in purchasing.

NOTE TO PARAGRAPH (d): Composite panel products within this designated item can be made with recycled material. Under the Resource Conservation and Recovery Act of 1976, section 6002, the U.S. Environmental Protection Agency designated laminated paperboard and structural fiberboard, shower and restroom dividers, and signage containing recovered materials as items for which Federal agencies must give preference in their purchasing programs. The designation can be found in the Comprehensive Procurement Guideline, 40 CFR 207.12. EPA provides recovered materials content recommendations for laminated paperboard and structural fiberboard, shower and restroom dividers, and signage in the Recovered Materials Advisory Notice (RMAN) published for these products. The RMAN recommendations can be found by accessing EPA’s Web site http://www.epa.gov/epaoswer/non-hw/procure/products.htm and then clicking on the appropriate product name.

§ 3201.20 Fluid-filled transformers.

(a) Definition—(1) Synthetic ester-based fluid-filled transformers. Electric power transformers that are designed to utilize a synthetic ester-based dielectric (non-conducting) fluid to provide insulating and cooling properties.

(2) Vegetable oil-based fluid-filled transformers. Electric power transformers that are designed to utilize a vegetable oil-based dielectric (non-conducting) fluid to provide insulating and cooling properties.

(b) Minimum biobased content. The minimum biobased content requirement for all fluid-filled transformers is based on the weight (mass) of the total organic carbon in the finished product. The applicable minimum biobased contents are:

(1) Synthetic ester-based fluid-filled transformers—66 percent.

(2) Vegetable oil-based fluid-filled transformers—95 percent.

(c) Preference compliance date—(1) Synthetic ester-based fluid-filled transformers. Determination of the compliance date for synthetic ester-based fluid-filled transformers is deferred until USDA identifies two or more manufacturers of synthetic ester-based fluid-filled transformers. At that time, USDA will publish a document in the Federal Register announcing that Federal agencies have one year from the date of publication to give procurement preference to biobased synthetic ester-based fluid-filled transformers.

(2) Vegetable oil-based fluid-filled transformers. No later than May 14, 2009, procuring agencies, in accordance with this paragraph, will give a procurement preference for qualifying biobased vegetable oil-based fluid-filled transformers. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the
§ 3201.21 Disposable containers.

(a) Definition. Products designed to be used for temporary storage or transportation of materials including, but not limited to, food items.

(b) Minimum biobased content. The preferred procurement product must have a biobased content of at least 72 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Biodegradability. At the time a manufacturer offers a product under this item for Federal purchase under the BioPreferred Program, the preferred procurement product must be capable of meeting the current version of ASTM D6400 if disposed of in a non-marine environment, the current version of ASTM D7081 if disposed of in a marine environment, or other appropriate and applicable standard for biodegradability.

(d) Determining overlap with an EPA-designated recovered content product. Qualifying biobased products that fall under this item may, in some cases, overlap with the EPA-designated recovered content product: Paper and Paper Products. USDA is requesting that manufacturers of these qualifying biobased products provide information on the BioPreferred Web site of qualifying biobased products about the intended uses of the product, information on whether or not the product contains any recovered material, in addition to biobased ingredients, and performance standards against which the product has been tested. This information will assist Federal agencies in determining whether or not a qualifying biobased product overlaps with EPA-designated paper and paper products and which product should be afforded the preference in purchasing.

Note to paragraph (d): Disposable containers can include boxes and packaging made from paper. Under the Resource Conservation and Recovery Act of 1976, section 6002, the U.S. Environmental Protection Agency designated paper and paper products containing recovered materials as items for which Federal agencies must give preference in their purchasing programs. The designation can be found in the Comprehensive Procurement Guideline, 40 CFR 247.10. EPA provides recovered materials content recommendations for paper and paper products in the Recovered Materials Advisory Notice (RMAN) published for these products. The RMAN recommendations can be found on EPA’s Web site http://www.epa.gov/epaoswer/non-hw/procure/products.htm and then clicking on the appropriate product name.

(e) Preference compliance date. No later than May 14, 2009, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased disposable containers. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased disposable containers.

§ 3201.22 Fertilizers.

(a) Definition. Products formulated or processed to provide nutrients for plant growth and/or beneficial bacteria to convert nutrients into plant usable forms. Biobased fertilizers, which are likely to consist mostly of biobased components, may include both biobased and chemical components.

Note to paragraph (a): Biobased fertilizers, as well as other fertilizers, may be made with recycled hazardous waste. Such fertilizers need to meet applicable land disposal restriction standards for any hazardous constituents they contain, as required under 40 CFR 266.20(d).

(b) Minimum biobased content. The preferred procurement product must have a biobased content of at least 71 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than May 14, 2009, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased fertilizers. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured...
shall ensure that the relevant specifications require the use of biobased fertilizers.

(d) Determining overlap with an EPA-designated recovered content product. Qualifying biobased products that fall under this item may, in some cases, overlap with the EPA-designated recovered content product: Fertilizer. USDA is requesting that manufacturers of these qualifying biobased products provide information on the Bio-Preferred Web site of qualifying biobased products about the intended uses of the product, information on whether or not the product contains any recovered material, in addition to biobased ingredients, and performance standards against which the product has been tested. This information will assist Federal agencies in determining whether or not a qualifying biobased product overlaps with EPA-designated fertilizer product and which product should be afforded the preference in purchasing.

NOTE TO PARAGRAPH (d): Fertilizers within this designated item can be made with recycled materials. Under the Resource Conservation and Recovery Act of 1976, section 6002, the U.S. Environmental Protection Agency designated fertilizers containing recovered materials as items for which Federal agencies must give preference in their purchasing programs. The designation can be found in the Comprehensive Procurement Guideline, 40 CFR 247.15. EPA provides recovered materials content recommendations for fertilizers in the Recovered Materials Advisory Notice (RMAN) published for these products. The RMAN recommendations can be found by accessing EPA’s Web site http://www.epa.gov/epaoswer/non-hw/procure/products.htm and then clicking on the appropriate product name.

§ 3201.23 Sorbents.

(a) Definition. Materials formulated for use in the cleanup and bioremediation of oil and chemical spills, the disposal of liquid materials, or the prevention of leakage or leaching in maintenance applications, shop floors, and fuel storage areas.

(b) Minimum biobased content. The preferred procurement product must have a biobased content of at least 89 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than May 14, 2009, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased sorbents. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased sorbents.

(d) Determining overlap with an EPA-designated recovered content product. Qualifying biobased products that fall under this item may, in some cases, overlap with the EPA-designated recovered content product: Sorbents. USDA is requesting that manufacturers of these qualifying biobased products provide information on the Bio-Preferred Web site of qualifying biobased products about the intended uses of the product, information on whether or not the product contains any recovered material, in addition to biobased ingredients, and performance standards against which the product has been tested. This information will assist Federal agencies in determining whether or not a qualifying biobased product overlaps with EPA-designated sorbents and which product should be afforded the preference in purchasing.

NOTE TO PARAGRAPH (d): Sorbents within this designated item can be made with recycled materials. Under the Resource Conservation and Recovery Act of 1976, section 6002, the U.S. Environmental Protection Agency designated sorbents containing recovered materials as items for which Federal agencies must give preference in their purchasing programs. The designation can be found in the Comprehensive Procurement Guideline, 40 CFR 247.17. EPA provides recovered materials content recommendations for sorbents in the Recovered Materials Advisory Notice (RMAN) published for these products. The RMAN recommendations can be found by accessing EPA’s Web site http://www.epa.gov/epaoswer/non-hw/procure/products.htm and then clicking on the appropriate product name.

§ 3201.24 Graffiti and grease removers.

(a) Definition. Industrial solvent products formulated to remove automotive,
§ 3201.25 2-Cycle engine oils.

(a) Definition. Lubricants designed for use in 2-cycle engines to provide lubrication, decreased spark plug fouling, reduced deposit formation, and/or reduced engine wear.

(b) Minimum biobased content. The preferred procurement product must have a biobased content of at least 34 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product. If the finished product is to be diluted before use, the biobased content of the remover must be determined before dilution.

(c) Preference compliance date. No later than May 14, 2009, procuring agencies, in accordance with this part, will give a procurement preference for qualifying graffiti and grease removers. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased graffiti and grease removers.

§ 3201.26 Lip care products.

(a) Definition. Personal care products formulated to replenish the moisture and/or prevent drying of the lips.

(b) Minimum biobased content. The preferred procurement product must have a biobased content of at least 82 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than May 14, 2009, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased lip care products. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased lip care products.

[73 FR 27973, May 14, 2008]

§ 3201.27 Films.

(a) Definition. (1) Products that are used in packaging, wrappings, linings, and other similar applications.

(2) Films for which preferred procurement applies are:

(i) Semi-durable films. Films that are designed to resist water, ammonia, and other compounds, to be re-used, and to not readily biodegrade. Products in this item are typically used in the production of bags and packaging materials.

(ii) Non-durable films. Films that are intended for single use for short-term storage or protection before being discarded. Non-durable films that are designed to have longer lives when used are included in this item.

(b) Minimum biobased content. The minimum biobased content for all films shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product. The applicable minimum biobased contents are:

(1) Semi-durable films—45 percent.

(2) Non-durable films—85 percent.

(c) Preference compliance date. No later than May 14, 2009, procuring agencies, in accordance with this part, will give a procurement preference for...
qualified biobased semi-durable and non-durable films. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased semi-durable and non-durable films.

(d) Determining overlap with an EPA-designated recovered content product. Qualifying products within the semi-durable films subcategory may overlap with the EPA-designated recovered content product: Plastic trash bags. USDA is requesting that manufacturers of these qualifying biobased products provide information for the BioPreferred Web site of qualifying biobased products about the intended uses of the product, information on whether or not the product contains any recovered material, in addition to biobased ingredients, and performance standards against which the product has been tested. This information will assist Federal agencies in determining whether or not a qualifying biobased product overlaps with EPA-designated plastic trash bags and which product should be afforded the preference in purchasing.

NOTE TO PARAGRAPH (d): Biobased semi-durable film products within this designated item can compete with plastic trash bag products with recycled content. Under the Resource Conservation and Recovery Act of 1976, section 6002, the U.S. Environmental Protection Agency designated plastic trash bags containing recovered materials as items for which Federal agencies must give preference in their purchasing programs. The designation can be found in the Comprehensive Procurement Guideline, 40 CFR 247.16. EPA provides recovered materials content recommendations for plastic trash bags in the May 1, 1995, Recovered Materials Advisory Notice (RMAN 1). The RMAN recommendations can be found on EPA’s Web site http://www.epa.gov/epaoswer/non-hw/procure/products.htm and then clicking on the appropriate product name.

§3201.28 Stationary equipment hydraulic fluids.

(a) Definition. Fluids formulated for use in stationary hydraulic equipment systems that have various mechanical parts, such as cylinders, pumps, valves, pistons, and gears, that are used for the transmission of power (and also for lubrication and/or wear, rust, and oxidation protection).

(b) Minimum biobased content. The preferred procurement product must have a biobased content of at least 44 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than May 14, 2009, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased stationary equipment hydraulic fluids. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased stationary equipment hydraulic fluids.

(d) Determining overlap with an EPA-designated recovered content product. Qualifying biobased products that fall under this item may, in some cases, overlap with the EPA-designated recovered content product: Re-refined lubricating oils. USDA is requesting that manufacturers of these qualifying biobased products provide information for the BioPreferred Web site of qualifying biobased products about the intended uses of the product, information on whether or not the product contains any recovered material, in addition to biobased ingredients, and performance standards against which the product has been tested. This information will assist Federal agencies in determining whether or not a qualifying biobased product overlaps with EPA-designated re-refined lubricating oils and which product should be afforded the preference in purchasing.

NOTE TO PARAGRAPH (d): Stationary equipment hydraulic fluid products within this designated item can compete with hydraulic fluid products with recycled content. Under the Resource Conservation and Recovery Act of 1976, section 6002, the U.S. Environmental Protection Agency designated re-refined lubricating oils containing recovered materials as items for which Federal agencies must give preference in their purchasing programs. The designation can be found in the Comprehensive Procurement Guideline, 40 CFR 247.11. EPA provides recovered materials content recommendations for re-refined lubricating oils in the May 1, 1995, Recovered
Materials Advisory Notice (RMAN I). The RMAN recommendations can be found by accessing EPA’s Web site http://www.epa.gov/epaoswer/non-hw/procure/products.htm and then clicking on the appropriate product name.

§ 3201.29 Disposable cutlery.

(a) Definition. Hand-held, disposable utensils designed for one-time use in eating food.

(b) Minimum biobased content. The preferred procurement product must have a biobased content of at least 48 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than May 14, 2009, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased disposable cutlery. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased disposable cutlery.

§ 3201.30 Glass cleaners.

(a) Definition. Cleaning products designed specifically for use in cleaning glass surfaces, such as windows, mirrors, car windows, and computer monitors.

(b) Minimum biobased content. The preferred procurement product must have a biobased content of at least 49 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product. If the finished product is to be diluted before use, the biobased content of the cleaner must be determined before dilution.

(c) Preference compliance date. No later than May 14, 2009, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased glass cleaners. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased glass cleaners.

§ 3201.31 Greases.

(a) Definitions. (1) Lubricants composed of oils thickened to a semisolid or solid consistency using soaps, polymers or other solids, or other thickeners.

(2) Greases for which preferred procurement applies are:

(i) Food grade greases. Lubricants that are designed for use on food-processing equipment as a protective anti-rust film, as a release agent on gaskets or seals of tank closures, or on machine parts and equipment in locations in which there is exposure of the lubricated part to food.

(ii) Multipurpose greases. Lubricants that are designed for general use.

(iii) Rail track greases. Lubricants that are designed for use on railroad tracks or heavy crane tracks.

(iv) Truck greases. Lubricants that are designed for use on the fifth wheel of tractor trailer trucks onto which the semi-trailer rests and pivots.

(v) Greases not elsewhere specified. Lubricants that meet the general definition of greases as defined in paragraph (a)(1) of this section, but are not otherwise covered by paragraphs (a)(2)(i) through (iv) of this section.

(b) Minimum biobased content. The minimum biobased content for all greases shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product. The applicable minimum biobased contents are:

(1) Food grade grease—42 percent.

(2) Multipurpose grease—72 percent.

(3) Rail track grease—30 percent.

(4) Truck grease—71 percent.

(5) Greases not elsewhere specified—76 percent.

(c) Preference compliance date. No later than May 14, 2009, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased greases. By that date, Federal agencies that have the responsibilities for drafting or reviewing specifications for items to be procured...
shall ensure that the relevant specifications require the use of biobased greases.

§ 3201.32 Dust suppressants.

(a) Definition. Products formulated to reduce or eliminate the spread of dust associated with gravel roads, dirt parking lots, or similar sources of dust, including products used in equivalent indoor applications.

(b) Minimum biobased content. The preferred procurement product must have a biobased content of at least 85 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product. If the finished product is to be diluted before use, the biobased content of the suppressant must be determined before dilution.

(c) Preference compliance date. No later than May 14, 2009, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased dust suppressants. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased dust suppressants.

[73 FR 27973, May 14, 2008]

§ 3201.33 Carpets.

(a) Definition. Floor coverings composed of woven, tufted, or knitted fiber and a backing system.

(b) Minimum biobased content. The preferred procurement product must have a biobased content of at least 7 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than May 14, 2009, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased carpet. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased carpet.

(d) Determining overlap with an EPA-designated recovered content product. Qualifying biobased products that fall under this item may, in some cases, overlap with the EPA-designated recovered content product: Carpets (polyester). USDA is requesting that manufacturers of these qualifying biobased products provide information for the BioPreferred Web site of qualifying biobased products about the intended uses of the product, information on whether or not the product contains any recovered material, in addition to biobased ingredients, and performance standards against which the product has been tested. This information will assist Federal agencies in determining whether or not a qualifying biobased product overlaps with EPA-designated carpets (polyester) and which product should be afforded the preference in purchasing.

NOTE TO PARAGRAPH (d): Biobased carpets within this designated item can compete with polyester carpet products with recycled content. Under the Resource Conservation and Recovery Act of 1976, section 6002, the U.S. Environmental Protection Agency designated carpets (polyester) containing recovered materials as items for which Federal agencies must give preference in their purchasing programs. The designation can be found in the Comprehensive Procurement Guideline, 40 CFR 247.12. EPA provides recovered materials content recommendations for carpets (polyester) in the May 1, 1995, Recovered Materials Advisory Notice (RMAN I). The RMAN recommendations can be found on EPA’s Web site http://www.epa.gov/epaoswer/non-hw/procure/products.htm and then clicking on the appropriate product name.

§ 3201.34 Carpet and upholstery cleaners.

(a) Definition. (1) Cleaning products formulated specifically for use in cleaning carpets and upholstery, through a dry or wet process, found in locations such as houses, cars, and workplaces.

(2) Carpet and upholstery cleaners for which preferred procurement applies are:

(i) General purpose cleaners. Carpet and upholstery cleaners formulated for use in cleaning large areas such as the
carpet in an entire room or the upholstery on an entire piece of furniture.

(ii) Spot removers. Carpet and upholstery cleaners formulated for use in removing spots or stains in a small confined area.

(b) Minimum biobased content. The minimum biobased content for all carpet and upholstery cleaners shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product. The applicable minimum biobased contents are:

1. General purpose cleaners—54 percent.
2. Spot removers—7 percent.

(c) Preference compliance date. No later than May 14, 2009, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased carpet and upholstery cleaners. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased carpet and upholstery cleaners.

§ 3201.35 Bathroom and spa cleaners.

(a) Definition. Products that are designed to clean and/or prevent deposits on surfaces found in bathrooms and spas including, but not necessarily limited to, bath tubs and spas, shower stalls, shower doors, shower curtains, and bathroom walls, floors, doors, and counter and sink tops. Products in this item may be designed to be applied to a specific type of surface or to multiple surface types. They are available both in concentrated and ready-to-use forms.

(b) Minimum biobased content. The preferred procurement product must have a minimum biobased content of at least 74 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than May 14, 2009, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased bathroom and spa cleaners. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased bathroom and spa cleaners.

§ 3201.36 Concrete and asphalt release fluids.

(a) Definition. Products that are designed to provide a lubricating barrier between the composite surface materials (e.g., concrete or asphalt) and the container (e.g., wood or metal forms, truck beds, roller surfaces).

(b) Minimum biobased content. The preferred procurement product must have a minimum biobased content of at least 87 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than May 14, 2009, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased concrete and asphalt release fluids. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased concrete and asphalt release fluids.

[73 FR 27994, May 14, 2008]

§ 3201.37 General purpose de-icers.

(a) Definition. Chemical products (e.g., salt, fluids) that are designed to aid in the removal of snow and/or ice, and/or in the prevention of the buildup of snow and/or ice, in general use applications by lowering the freezing point of water. Specialized de-icer products, such as those used to de-ice aircraft and airport runways, are not included.

(b) Minimum biobased content. The preferred procurement product must have a minimum biobased content of at least 93 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than May 14, 2009, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased bathroom and spa cleaners. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased bathroom and spa cleaners. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased bathroom and spa cleaners.
(c) Preference compliance date. No later than May 14, 2009, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased general purpose deicers. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased general purpose deicers.

§ 3201.38 Firearm lubricants.

(a) Definition. Lubricants that are designed for use in firearms to reduce the friction and wear between the moving parts of a firearm, and to keep the weapon clean and prevent the formation of deposits that could cause the weapon to jam.

(b) Minimum biobased content. The preferred procurement product must have a minimum biobased content of at least 49 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than May 14, 2009, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased floor strippers. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased floor strippers.

[73 FR 27994, May 14, 2008]

§ 3201.39 Floor strippers.

(a) Definition. Products that are formulated to loosen waxes, resins, or varnishes from floor surfaces. They can be in either liquid or gel form, and may also be used with or without mechanical assistance.

(b) Minimum biobased content. The preferred procurement product must have a minimum biobased content of at least 78 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than May 14, 2009, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased laundry products. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased laundry products.

[73 FR 27994, May 14, 2008]

§ 3201.40 Laundry products.

(a) Definitions. (1) Products that are designed to clean, condition, or otherwise affect the quality of the laundered material. Such products include but are not limited to laundry detergents, bleach, stain removers, and fabric softeners.

(2) Laundry products for which preferred procurement applies are:

(i) Pretreatment/spot removers. These are laundry products specifically used to pretreat laundry to assist in the removal of spots and stains during laundering.

(ii) General purpose laundry products. These are laundry products used for regular cleaning activities.

(b) Minimum biobased content. The minimum biobased content shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product. The applicable minimum biobased contents for the preferred procurement product are:

(1) Pretreatment/spot removers—46 percent.

(2) General purpose laundry products—34 percent.

(c) Preference compliance date. No later than May 14, 2009, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased floor strippers. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased floor strippers.

[73 FR 27994, May 14, 2008]
§ 3201.41 Metalworking fluids.

(a) Definition. (1) Fluids that are designed to provide cooling, lubrication, corrosion prevention, and reduced wear on the contact parts of machinery used for metalworking operations such as cutting, drilling, grinding, machining, and tapping.

(2) Metalworking fluids for which preferred procurement applies are:

(i) Straight oils. Metalworking fluids that are not diluted with water prior to use and are generally used for metalworking processes that require lubrication rather than cooling.

(ii) General purpose soluble, semi-synthetic, and synthetic oils. Metalworking fluids formulated for use in a re-circulating fluid system to provide cooling, lubrication, and corrosion prevention when applied to metal feedstock during normal grinding and machining operations.

(iii) High performance soluble, semi-synthetic, and synthetic oils. Metalworking fluids formulated for use in a re-circulating fluid system to provide cooling, lubrication, and corrosion prevention when applied to metal feedstock during grinding and machining operations involving unusually high temperatures or corrosion potential.

(b) Minimum biobased content. The minimum biobased content shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product. The applicable minimum biobased contents for the preferred procurement product are:

(1) Straight oils—66 percent.

(2) General purpose soluble, semi-synthetic, and synthetic oils—57 percent.

(3) High performance soluble, semi-synthetic, and synthetic oils—40 percent.

(c) Preference compliance date—(1) Straight oils. No later than May 14, 2009, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased metalworking fluids—straight oils. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased metalworking fluids—straight oils.

(2) General purpose soluble, semi-synthetic, and synthetic oils. No later than May 14, 2009, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased metalworking fluids—general purpose soluble, semi-synthetic, and synthetic oils. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased metalworking fluids—general purpose soluble, semi-synthetic, and synthetic oils.

(3) High performance soluble, semi-synthetic, and synthetic oils. Determination of the preference compliance date for metalworking fluids—high performance soluble, semi-synthetic, and synthetic oils is deferred until USDA identifies two or more manufacturers of biobased products within this subcategory. At that time, USDA will publish a document in the FEDERAL REGISTER announcing that Federal agencies have one year from the date of publication to give procurement preference to biobased metalworking fluids—high performance soluble, semi-synthetic, and synthetic oils.

[73 FR 27994, May 14, 2008]

§ 3201.42 Wood and concrete sealers.

(a) Definition. (1) Products that are penetrating liquids formulated to protect wood and/or concrete, including masonry and fiber cement siding, from damage caused by insects, moisture, and decaying fungi and to make surfaces water resistant.

(2) Wood and concrete sealers for which preferred procurement applies are:

(i) Penetrating liquids. Wood and concrete sealers that are formulated to penetrate the outer surface of the substrate.

(ii) Membrane concrete sealers. Concrete sealers that are formulated to form a protective layer on the surface of the substrate.

(b) Minimum biobased content. The minimum biobased content shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product. The applicable minimum
biobased contents for the preferred procurement product are:

(1) Penetrating liquids—79 percent.
(2) Membrane concrete sealers—11 percent.

(c) Preference compliance date. No later than May 14, 2009, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased wood and concrete sealers. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased wood and concrete sealers.

[73 FR 27994, May 14, 2008]

§ 3201.43 Chain and cable lubricants.

(a) Definition. Products designed to provide lubrication in such applications as bar and roller chains, sprockets, and wire ropes and cables. Products may also prevent rust and corrosion in these applications.

(b) Minimum biobased content. The preferred procurement product must have a minimum biobased content of at least 77 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than October 27, 2010, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased chain and cable lubricants. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased chain and cable lubricants.

[74 FR 55093, Oct. 27, 2009]

§ 3201.44 Corrosion preventatives.

(a) Definition. Anti-microbial products designed to clean the outer layer of various food products, such as fruit, vegetables, and meats.

(b) Minimum biobased content. The preferred procurement product must have a minimum biobased content of at least 53 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than October 27, 2010, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased food cleaners. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased food cleaners.

[74 FR 55093, Oct. 27, 2009]

§ 3201.45 Food cleaners.

(a) Definition. Anti-microbial products designed to clean the outer layer of various food products, such as fruit, vegetables, and meats.

(b) Minimum biobased content. The preferred procurement product must have a minimum biobased content of at least 53 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than October 27, 2010, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased shop cleaners. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased shop cleaners.

[74 FR 55093, Oct. 27, 2009]

§ 3201.46 Forming lubricants.

(a) Definition. Products designed to provide lubrication during metalworking applications that are performed under extreme pressure. Such metalworking applications include tube bending, stretch forming, press braking, and swaging.

(b) Minimum biobased content. The preferred procurement product must have a minimum biobased content of at least 68 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.
§ 3201.47 Gear lubricants.

(a) Definition. Products, such as greases or oils, that are designed to reduce friction when applied to a toothed machine part (such as a wheel or cylinder) that meshes with another toothed part to transmit motion or to change speed or direction.

(b) Minimum biobased content. The preferred procurement product must have a minimum biobased content of at least 58 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than October 27, 2010, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased gear lubricants. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased forming lubricants.

[74 FR 55093, Oct. 27, 2009]

§ 3201.48 General purpose household cleaners.

(a) Definition. Products designed to clean multiple common household surfaces. This designated item does not include products that are formulated for use as disinfectants. Task-specific cleaning products, such as spot and stain removers, upholstery cleaners, bathroom cleaners, glass cleaners, etc., are not included in this item.

(b) Minimum biobased content. The preferred procurement product must have a minimum biobased content of at least 39 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than October 27, 2010, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased general purpose household cleaners. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased general purpose household cleaners.

[74 FR 55093, Oct. 27, 2009]

§ 3201.49 Industrial cleaners.

(a) Definition. Products used to remove contaminants, such as adhesives, inks, paint, dirt, soil, and grease, from parts, products, tools, machinery, equipment, vessels, floors, walls, and...
other production-related work areas. The cleaning products within this item are usually solvents, but may take other forms. They may be used in either straight solution or diluted with water in pressure washers, or in hand wiping applications in industrial or manufacturing settings, such as inside vessels. Task-specific cleaners used in industrial settings, such as parts wash solutions, are not included in this definition.

(b) **Minimum biobased content.** The preferred procurement product must have a minimum biobased content of at least 41 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) **Preference compliance date.** No later than October 27, 2010, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased industrial cleaners. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased industrial cleaners.

[74 FR 55093, Oct. 27, 2009]

§ 3201.52 Disposable tableware.

(a) **Definition.** Products made from, or coated with, plastic resins and used in dining, such as drink ware and dishware, including but not limited to cups, plates, bowls, and serving platters, and that are designed for one-time use. This item does not include disposable cutlery, which is a separate item.

(b) **Minimum biobased content.** The preferred procurement product must have a minimum biobased content of at least 72 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) **Preference compliance date.** No later than October 18, 2011, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased disposable tableware. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased disposable tableware.
§ 3201.53 Expanded polystyrene (EPS) foam recycling products.

(a) Definition. Products formulated to dissolve EPS foam to reduce the volume of recycled or discarded EPS items.

(b) Minimum biobased content. The preferred procurement product must have a minimum biobased content of at least 90 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than October 18, 2011, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased EPS foam recycling products. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased EPS foam recycling products.

§ 3201.54 Heat transfer fluids.

(a) Definition. Products with high thermal capacities used to facilitate the transfer of heat from one location to another, including coolants or refrigerants for use in HVAC applications, internal combustion engines, personal cooling devices, thermal energy storage, or other heating or cooling closed-loops.

(b) Minimum biobased content. The preferred procurement product must have a minimum biobased content of at least 89 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than October 18, 2011, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased heat transfer fluids. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased heat transfer fluids.

§ 3201.55 Ink removers and cleaners.

(a) Definition. Chemical products designed to remove ink, haze, glaze, and other residual ink contaminants from the surfaces of equipment, such as rollers, used in the textile and printing industries.

(b) Minimum biobased content. The preferred procurement product must have a minimum biobased content of at least 79 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than October 18, 2011, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased ink removers and cleaners. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased ink removers and cleaners.

§ 3201.56 Mulch and compost materials.

(a) Definition. Products designed to provide a protective covering placed over the soil, primarily to keep down weeds and to improve the appearance of landscaping. Compost is the aerobically decomposed remnants of organic materials used in gardening and agriculture as a soil amendment, and commercially by the landscaping and container nursery industries.

(b) Minimum biobased content. The preferred procurement product must have a minimum biobased content of at least 95 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than October 18, 2011, procuring agencies, in accordance with this part, will give a procurement preference for
qualifying biobased mulch and compost materials. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased mulch and compost materials.

(d) Determining overlap with an EPA-designated recovered content product. Qualifying products within this item may overlap with the EPA-designated recovered content product: Landscaping products—"compost" and "hydraulic mulch". USDA is requesting that manufacturers of these qualifying biobased products provide information on the USDA Web site of qualifying biobased products about the intended uses of the product, information on whether or not the product contains any recovered material, in addition to biobased ingredients, and performance standards against which the product has been tested. This information will assist Federal agencies in determining whether or not a qualifying biobased product overlaps with EPA-designated landscaping products and which product should be afforded the preference in purchasing.

NOTE TO PARAGRAPh (d): Biobased mulch and compost materials within this designated item can compete with similar landscaping products with recycled content. Under the Resource Conservation and Recovery Act of 1976, section 6002, the U.S. Environmental Protection Agency designated landscaping products containing recovered materials as items for which Federal agencies must give preference in their purchasing programs. The designation can be found in the Comprehensive Procurement Guideline, 40 CFR 247.11.

§ 3201.57 Multipurpose lubricants.

(a) Definition. Products designed to provide lubrication under a variety of conditions and in a variety of industrial settings to prevent friction or rust. Greases, which are lubricants composed of oils thickened to a semi-solid or solid consistency using soaps, polymers or other solids, or other thickeners, are not included in this item. In addition, task-specific lubricants, such as chain and cable lubricants and gear lubricants, are not included in this item.

(b) Minimum biobased content. The preferred procurement product must have a minimum biobased content of at least 88 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than October 18, 2011, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased multipurpose lubricants. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased multipurpose lubricants.

(d) Determining overlap with an EPA-designated recovered content product. Qualifying products within this item may overlap with the EPA-designated recovered content product: Re-refined lubricating oils. USDA is requesting that manufacturers of these qualifying biobased products provide information on the BioPreferred Web site about the intended uses of the product, information on whether or not the product contains any recovered material, in addition to biobased ingredients, and performance standards against which the product has been tested. This information will assist Federal agencies in determining whether or not a qualifying biobased product overlaps with EPA-designated re-refined lubricating oils and which product should be afforded the preference in purchasing.

NOTE TO PARAGRAPh (d): Biobased multipurpose lubricant products within this designated item can compete with similar multipurpose lubricant products with recycled content. Under the Resource Conservation and Recovery Act of 1976, section 6002, the U.S. Environmental Protection Agency designated re-refined lubricating oils containing recovered materials as items for which Federal agencies must give preference in their purchasing programs. The designation can be found in the Comprehensive Procurement Guideline, 40 CFR 247.11.

(75 FR 63701, Oct. 18, 2010)
§ 3201.58  Topical pain relief products.

(a) Definition. Products that can be balms, creams and other topical treatments used for the relief of muscle, joint, headache, and nerve pain, as well as sprains, bruises, swelling, and other aches.

(b) Minimum biobased content. The preferred procurement product must have a minimum biobased content of at least 91 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than October 18, 2011, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased topical pain relief products. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased topical pain relief products.

[75 FR 63701, Oct. 18, 2010]

§ 3201.60  Turbine drip oils.

(a) Definition. Products that are lubricants for use in drip lubrication systems for water well line shaft bearings, water turbine bearings for irrigation pumps, and other turbine bearing applications.

(b) Minimum biobased content. The preferred procurement product must have a minimum biobased content of at least 87 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than October 18, 2011, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased turbine drip oils. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased turbine drip oils.

[75 FR 63701, Oct. 18, 2010]

§ 3201.61  Animal repellents.

(a) Definition. Products used to aid in deterring animals that cause destruction to plants and/or property.

(b) Minimum biobased content. The Federal preferred procurement product must have a minimum biobased content of at least 79 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than July 23, 2012, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased animal repellents. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased animal repellents.

[76 FR 43817, July 22, 2011]

§ 3201.62  Bath products.

(a) Definition. Personal hygiene products including bar soaps, liquids, or gels that are referred to as body washes, body shampoos, or cleansing lotions, but excluding products marketed as hand cleaners and/or hand sanitizers.

(b) Minimum biobased content. The Federal preferred procurement product must have a minimum biobased content of at least 61 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than July 23, 2012, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased bath products. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased bath products.

[76 FR 43817, July 22, 2011]
§ 3201.63 Bioremediation materials.

(a) Definition. Dry or liquid solutions (including those containing bacteria or other microbes but not including sorbent materials) used to clean oil, fuel, and other hazardous spill sites.

(b) Minimum biobased content. The Federal preferred procurement product must have a minimum biobased content of at least 86 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than July 23, 2012, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased bioremediation materials. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased bioremediation materials.

[76 FR 43817, July 22, 2011]

§ 3201.64 Compost activators and accelerators.

(a) Definition. Products in liquid or powder form designed to be applied to compost piles to aid in speeding up the composting process and to ensure successful compost that is ready for consumer use.

(b) Minimum biobased content. The Federal preferred procurement product must have a minimum biobased content of at least 95 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than July 23, 2012, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased compost activators and accelerators. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased compost activators and accelerators.

[76 FR 43817, July 22, 2011]

§ 3201.65 Concrete and asphalt cleaners.

(a) Definition. Chemicals used in concrete etching as well as to remove petroleum-based soils, lubricants, paints, mastics, organic soils, rust, and dirt from concrete, asphalt, stone and other hard porous surfaces. Products within this item include only those marketed for use in commercial or residential construction or industrial applications.

(b) Minimum biobased content. The Federal preferred procurement product must have a minimum biobased content of at least 70 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than July 23, 2012, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased concrete and asphalt cleaners. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased concrete and asphalt cleaners.

[76 FR 43817, July 22, 2011]

§ 3201.66 Cuts, burns, and abrasions ointments.

(a) Definition. Products designed to aid in the healing and sanitizing of scratches, cuts, bruises, abrasions, sun damaged skin, tattoos, rashes and other skin conditions.

(b) Minimum biobased content. The Federal preferred procurement product must have a minimum biobased content of at least 84 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than July 23, 2012, procuring agencies, in accordance with this part, will give a procurement preference for
§ 3201.67 Dishwashing products.
(a) Definition. Soaps and detergents used for cleaning and clean rinsing of tableware in either hand washing or dishwashing.
(b) Minimum biobased content. The Federal preferred procurement product must have a minimum biobased content of at least 58 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.
(c) Preference compliance date. No later than July 23, 2012, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased dishwashing products. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased dishwashing products.

§ 3201.68 Erosion control materials.
(a) Definition. Woven or non-woven fiber materials manufactured for use on construction, demolition, or other sites to prevent wind or water erosion of loose earth surfaces, which may be combined with seed and/or fertilizer to promote growth.
(b) Minimum biobased content. The Federal preferred procurement product must have a minimum biobased content of at least 77 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.
(c) Preference compliance date. No later than July 23, 2012, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased erosion control materials. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased erosion control materials.

§ 3201.69 Floor cleaners and protectors.
(a) Definition. Cleaning solutions for either direct application or use in floor scrubbers for wood, vinyl, tile, or similar hard surface floors. Products within this item are marketed specifically for use on industrial, commercial, and/or residential flooring.
(b) Minimum biobased content. The Federal preferred procurement product must have a minimum biobased content of at least 77 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.
(c) Preference compliance date. No later than July 23, 2012, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased floor cleaners and protectors. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased floor cleaners and protectors.

§ 3201.70 Hair care products.
(a) Definitions. (1) Personal hygiene products specifically formulated for hair cleaning and treating applications, including shampoos and conditioners.
(2) Hair care products for which Federal preferred procurement applies are: (i) Shampoos. These are products whose primary purpose is cleaning hair. Products that contain both shampoos and conditioners are included in this subcategory because the primary purpose of these products is cleaning the hair.

§ 3201.72 Oven and grill cleaners.

(a) Definition. Liquid or gel cleaning agents used on high temperature cooking surfaces such as barbecues, smokers, grills, stoves, and ovens to soften

(i) Conditioners. These are products whose primary purpose is treating hair to improve the overall condition of hair.

(ii) Conditioners. These are products whose primary purpose is treating hair to improve the overall condition of hair.

(b) Minimum biobased content. The minimum biobased content for all hair care products shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product. The applicable minimum biobased contents for the Federal preferred procurement products are:

(1) Shampoos—66 percent.
(2) Conditioners—78 percent.

(c) Preference compliance date. No later than July 23, 2012, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased interior paints and coatings. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased interior paints and coatings.

(d) Determining overlap with an EPA-designated recovered content product. Qualifying biobased products within the interior latex and waterborne alkyd paints and coatings subcategory may, in some cases, overlap with the EPA-designated recovered content products: Reprocessed latex paints and consolidated latex paints. USDA is requesting that manufacturers of these qualifying biobased products provide information on the USDA Web site of qualifying biobased products about the intended uses of the product, information on whether or not the product contains any recovered material, in addition to biobased ingredients, and performance standards against which the product has been tested. This information will assist Federal agencies in determining whether or not a qualifying biobased product overlaps with EPA-designated reprocessed latex paints and consolidated latex paints and which product should be afforded the preference in purchasing.

NOTE TO PARAGRAPH (d): Biobased interior latex and waterborne alkyd paints and coatings products within this subcategory can compete with similar reprocessed latex paint and consolidated latex paint products with recycled content. Under the Resource Conservation and Recovery Act of 1976, section 6002, the U.S. Environmental Protection Agency designated reprocessed latex paints and consolidated latex paints containing recovered materials as items for which Federal agencies must give preference in their purchasing programs. The designation can be found in the Comprehensive Procurement Guideline, 40 CFR 247.12.

and loosen charred food, grease, and residue.

(b) Minimum biobased content. The Federal preferred procurement product must have a minimum biobased content of at least 66 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than July 23, 2012, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased oven and grill cleaners. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased oven and grill cleaners.

§ 3201.73 Slide way lubricants.

(a) Definition. Products used to provide lubrication and eliminate stick-slip and table chatter by reducing friction between mating surfaces, or slides, found in machine tools.

(b) Minimum biobased content. The Federal preferred procurement product must have a minimum biobased content of at least 74 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than July 23, 2012, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased slide way lubricants. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for items to be procured shall ensure that the relevant specifications require the use of biobased slide way lubricants.

§ 3201.74 Thermal shipping containers.

(a) Definitions. (1) Insulated containers designed for shipping temperature-sensitive materials.

(2) Thermal shipping containers for which Federal preferred procurement applies are:

(i) Durable thermal shipping container. These are thermal shipping containers that are designed to be reused over an extended period of time.

(ii) Non-durable thermal shipping containers. These are thermal shipping containers that are designed to be used once.

(b) Minimum biobased content. The minimum biobased content for all thermal shipping container products shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product. The applicable minimum biobased contents for the Federal preferred procurement products are:

(1) Durable thermal shipping containers—21 percent.

(2) Non-durable thermal shipping containers—82 percent.

(c) Preference compliance date—(1) Durable thermal shipping containers. Determination of the preference compliance date for durable thermal shipping containers is deferred until USDA identifies two or more manufacturers of biobased durable thermal shipping containers. At that time, USDA will publish a document in the FEDERAL REGISTER announcing that Federal agencies have one year from the date of publication to give procurement preference to biobased durable thermal shipping containers.

(2) Non-durable thermal shipping containers. Determination of the preference compliance date for non-durable thermal shipping containers is deferred until USDA identifies two or more manufacturers of biobased non-durable thermal shipping containers. At that time, USDA will publish a document in the FEDERAL REGISTER announcing that Federal agencies have one year from the date of publication to give procurement preference to biobased non-durable thermal shipping containers.

§ 3201.75 Air fresheners and deodorizers.

intended uses of the product, information on whether or not the product contains any recovered material, in addition to biobased ingredients, and performance standards against which the product has been tested. This information will assist Federal agencies in determining whether or not a qualifying biobased product overlaps with EPA-designated blasting grit products and which product should be afforded the preference in purchasing.

NOTE TO PARAGRAPH (d): Biobased blasting media within this designated product category can compete with similar blasting grit products with recycled content. Under the Resource Conservation and Recovery Act of 1976, section 6002, the U.S. Environmental Protection Agency designated blasting grit products containing recovered materials as products for which Federal agencies must give preference in their purchasing programs. The designation can be found in the Comprehensive Procurement Guideline, 40 CFR 247.17.

§ 3201.79 Candles and wax melts.

(a) Definition. Products composed of a solid mass and either an embedded wick that is burned to provide light or aroma, or that are wickless and melt when heated to produce an aroma.

(b) Minimum biobased content. The Federal preferred procurement product must have a minimum biobased content of at least 88 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than April 4, 2013, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased candles and wax melts. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for products to be procured shall ensure that the relevant specifications require the use of biobased candles and wax melts.

§ 3201.81 Floor coverings (non-carpet).

(a) Definition. Products, other than carpet products, that are designed for use as the top layer on a floor. Examples are bamboo, hardwood, and cork tiles.

(b) Minimum biobased content. The Federal preferred procurement product must have a minimum biobased content of at least 91 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than April 4, 2013, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased floor coverings (non-carpet). By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for products to be procured shall ensure that the relevant specifications require the use of biobased floor coverings (non-carpet).

(d) Determining overlap with an EPA-designated recovered content product.
Qualifying products within this item may overlap with the EPA-designated recovered content product: Construction Products—floor tiles. USDA is requesting that manufacturers of these qualifying biobased products provide information on the USDA Web site of qualifying biobased products about the intended uses of the product, information on whether or not the product contains any recovered material, in addition to biobased ingredients, and performance standards against which the product has been tested. This information will assist Federal agencies in determining whether or not a qualifying biobased product overlaps with EPA-designated floor tile products and which product should be afforded the preference in purchasing.

NOTE TO PARAGRAPH (d): Biobased floor coverings within this designated product category can compete with similar floor tile products with recycled content. Under the Resource Conservation and Recovery Act of 1976, section 6002, the U.S. Environmental Protection Agency designated floor tile products containing recovered materials as products for which Federal agencies must give preference in their purchasing programs. The designation can be found in the Comprehensive Procurement Guideline, 40 CFR 247.17.

§3201.82 Foot care products.

(a) Definition. Products formulated to be used in the soothing or cleaning of feet.

(b) Minimum biobased content. The Federal preferred procurement product must have a minimum biobased content of at least 83 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than April 4, 2013, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased foot care products. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for products to be procured shall ensure that the relevant specifications require the use of biobased foot care products.

§3201.83 Furniture cleaners and protectors.

(a) Definition. Products designed to clean and provide protection to the surfaces of household furniture other than the upholstery.

(b) Minimum biobased content. The Federal preferred procurement product must have a minimum biobased content of at least 71 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than April 4, 2013, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased furniture cleaners and protectors. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for products to be procured shall ensure that the relevant specifications require the use of biobased furniture cleaners and protectors.

§3201.84 Inks.

(a) Definitions. (1) Inks are liquid or powdered materials that are available in several colors and that are used to create the visual image on a substrate when writing, printing, and copying.

(2) Inks for which Federal preferred procurement applies are:

(i) Specialty inks. Inks used by printers to add extra characteristics to their prints for special effects or functions. Specialty inks include, but are not limited to: CD printing, erasable, FDA compliant, invisible, magnetic, scratch and sniff, thermochromic, and tree marking inks.

(ii) Inks (sheetfed—color). Pigmented inks (other than black inks) used on coated and uncoated paper, paperboard, some plastic, and foil to print in color on annual reports, brochures, labels, and similar materials.

§ 3201.85 Pneumatic equipment lubricants.

(a) Definition. Lubricants designed specifically for pneumatic equipment, including air compressors, vacuum pumps, in-line lubricators, rock drills, jackhammers, etc.

(b) Minimum biobased content. The Federal preferred procurement product must have a minimum biobased content of at least 67 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than April 4, 2013, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased pneumatic equipment lubricants. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for products to be procured shall ensure that the relevant specifications require the use of biobased pneumatic equipment lubricants.

(d) Determining overlap with an EPA-designated recovered content product. Qualifying products within this item may overlap with the EPA-designated recovered content product: Vehicular Products—re-refined lubricating oils.
USDA is requesting that manufacturers of these qualifying biobased products provide information on the USDA Web site of qualifying biobased products about the intended uses of the product, information on whether or not the product contains any recovered material, in addition to biobased ingredients, and performance standards against which the product has been tested. This information will assist Federal agencies in determining whether or not a qualifying biobased product overlaps with EPA-designated re-refined lubricating oil products and which product should be afforded the preference in purchasing.

NOTE TO PARAGRAPH (d): Biobased pneumatic equipment lubricants within this designated product category can compete with similar re-refined lubricating oil products with recycled content. Under the Resource Conservation and Recovery Act of 1976, section 6002, the U.S. Environmental Protection Agency designated re-refined lubricating oil products containing recovered materials as products for which Federal agencies must give preference in their purchasing programs. The designation can be found in the Comprehensive Procurement Guideline, 40 CFR 247.17.

§ 3201.87 Wood and concrete stains.

(a) Definition. Products that are designed to be applied as a finish for concrete and wood surfaces and that contain dyes or pigments to change the color without concealing the grain pattern or surface texture.

(b) Minimum biobased content. The Federal preferred procurement product must have a minimum biobased content of at least 39 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than April 4, 2013, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased wood and concrete stains. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for products to be procured shall ensure that the relevant specifications require the use of biobased wood and concrete stains.

§ 3201.88 Agricultural spray adjuvants.

(a) Definition. Products mixed in the spray tank with the herbicide, pesticide, or fertilizer formulas that will improve the efficiency and the effectiveness of the chemicals, including sticking agents, wetting agents, etc.

(b) Minimum biobased content. The Federal preferred procurement product must have a minimum biobased content of at least 50 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than November 19, 2013, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased agricultural spray adjuvants. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for products to be procured shall ensure that the relevant specifications require the use of biobased agricultural spray adjuvants.

§ 3201.89 Animal cleaning products.

(a) Definition. Products designed to clean, condition, or remove substances from animal hair or other parts of an animal.

(b) Minimum biobased content. The Federal preferred procurement product must have a minimum biobased content of at least 57 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than November 19, 2013, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased animal cleaning products. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for products to be procured shall ensure that the relevant specifications require
the use of biobased animal cleaning products.

§ 3201.101 Automotive care products.

(a) Definition. Products such as waxes, buffing compounds, polishes, degreasers, soaps, wheel and tire cleaners, leather care products, interior cleaners, and fragrances that are formulated for cleaning and protecting automotive surfaces.
(b) Minimum biobased content. The Federal preferred procurement product must have a minimum biobased content of at least 75 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than June 11, 2014, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased automotive care products. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for products to be procured shall ensure that the relevant specifications require the use of biobased automotive care products.

§ 3201.102 Engine crankcase oils.

(a) Definition. Lubricating products formulated to provide lubrication and wear protection for four-cycle gasoline or diesel engines.

(b) Minimum biobased content. The Federal preferred procurement product must have a minimum biobased content of at least 25 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than June 11, 2014, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased engine crankcase oils. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for products to be procured shall ensure that the relevant specifications require the use of biobased engine crankcase oils.

(d) Determining overlap with an EPA-designated recovered content product. Qualifying products within this item may overlap with the EPA-designated recovered content product: Re-refined lubricating oils. USDA is requesting that manufacturers of these qualifying biobased products provide information on the USDA Web site of qualifying biobased products about the intended uses of the product, information on whether or not the product contains any recovered material, in addition to biobased ingredients, and performance standards against which the product has been tested. This information will assist Federal agencies in determining whether or not a qualifying biobased product overlaps with EPA-designated re-refined lubricating oil products and which product should be afforded the preference in purchasing.

NOTE TO PARAGRAPH (d): Engine crankcase oils within this designated product category can compete with similar re-refined lubricating oil products with recycled content. Under the Resource Conservation and Recovery Act of 1976, section 6002, the U.S. Environmental Protection Agency designated re-refined lubricating oil products containing recovered materials as products for which Federal agencies must give preference in their purchasing programs. The designation can be found in the Comprehensive Procurement Guideline, 40 CFR 247.17.

§ 3201.103 Gasoline fuel additives.

(a) Definition. Chemical agents added to gasoline to increase octane levels, improve lubricity, and provide engine cleaning properties to gasoline-fired engines.

(b) Minimum biobased content. The Federal preferred procurement product must have a minimum biobased content of at least 92 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than June 11, 2014, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased gasoline fuel additives. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for products to be procured shall ensure that the relevant specifications require the use of biobased gasoline fuel additives.

§ 3201.104 Metal cleaners and corrosion removers.

(a) Definition.

(1) Products that are designed to clean and remove grease, oil, dirt, stains, soils, and rust from metal surfaces.

(2) Metal cleaners and corrosion removers for which Federal preferred procurement applies are:

(i) Corrosion removers. Products that are designed to remove rust from metal surfaces through chemical action.

(ii) Stainless steel cleaners. Products that are designed to clean and remove grease, oil, dirt, stains, and soils from stainless steel surfaces.

(iii) Other metal cleaners. Products that are designed to clean and remove grease, oil, dirt, stains, and soils from metal surfaces other than stainless steel.

(b) Minimum biobased content. The minimum biobased content for all metal cleaners and corrosion removers shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product. The applicable minimum biobased contents for the Federal preferred procurement products are:

(1) Corrosion removers—71 percent.

(2) Stainless steel cleaners—75 percent.

(3) Other metal cleaners—56 percent.

(c) Preference compliance date. No later than June 11, 2014, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased metal cleaners and corrosion removers. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for products to be procured shall ensure that the relevant specifications require the use of biobased metal cleaners and corrosion removers.

§ 3201.105 Microbial cleaning products.

(a) Definition.

(1) Cleaning agents that use microscopic organisms to treat or eliminate waste materials within drains, plumbing fixtures, sewage systems, wastewater treatment systems, or on a variety of other surfaces. These products typically include organisms that digest protein, starch, fat, and cellulose.

(2) Microbial cleaning products for which Federal preferred procurement applies are:

(i) Drain maintenance products. Products containing microbial agents that are intended for use in plumbing systems such as sinks, showers, and tubs.

(ii) Wastewater maintenance products. Products containing microbial agents that are intended for use in wastewater systems such as sewer lines and septic tanks.

(iii) General cleaners. Products containing microbial agents that are intended for multi-purpose cleaning in locations such as residential and commercial kitchens and bathrooms.

(b) Minimum biobased content. The minimum biobased content for all microbial cleaning products shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product. The applicable minimum biobased contents for the Federal preferred procurement products are:

(1) Drain maintenance products—45 percent.

(2) Wastewater maintenance products—44 percent.

(3) General cleaners—50 percent.

(c) Preference compliance date. No later than June 11, 2014, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased microbial cleaning products. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for products to be procured shall ensure that the relevant specifications require the use of biobased microbial cleaning products.

§ 3201.106 Paint removers.

(a) Definition. Products formulated to loosen and remove paint from painted surfaces.

(b) Minimum biobased content. The Federal preferred procurement product must have a minimum biobased content of at least 41 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

§ 3202.2 Preference compliance date.

(c) Preference compliance date. No later than June 11, 2014, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased paint removers. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for products to be procured shall ensure that the relevant specifications require the use of biobased paint removers.

§ 3201.107 Water turbine bearing oils.

(a) Definition. Lubricants that are specifically formulated for use in the bearings found in water turbines for electric power generation. Previously designated turbine drip oils are used to lubricate bearings of shaft driven water well turbine pumps.

(b) Minimum biobased content. The Federal preferred procurement product must have a minimum biobased content of at least 46 percent, which shall be based on the amount of qualifying biobased carbon in the product as a percent of the weight (mass) of the total organic carbon in the finished product.

(c) Preference compliance date. No later than June 11, 2014, procuring agencies, in accordance with this part, will give a procurement preference for qualifying biobased water turbine bearing oils. By that date, Federal agencies that have the responsibility for drafting or reviewing specifications for products to be procured shall ensure that the relevant specifications require the use of biobased water turbine bearing oils.

PART 3202—VOLUNTARY LABELING PROGRAM FOR BIOBASED PRODUCTS

Sec.

3202.1 Purpose and scope.

3202.2 Definitions.

3202.3 Applicability.

3202.4 Criteria for product eligibility to use the certification mark.

3202.5 Initial approval process.

3202.6 Appeal processes.

3202.7 Requirement associated with the certification mark.

3202.8 Violations.

3202.9 Recordkeeping requirements.

3202.10 Oversight and monitoring.

SOURCE: 76 FR 3806, Jan. 20, 2011, unless otherwise noted. Redesignated at 76 FR 53632, Aug. 29, 2011.

§ 3202.1 Purpose and scope.

The purpose of this part is to set forth the terms and conditions for voluntary use of the “USDA Certified Biobased Product” certification mark. This part establishes the criteria that biobased products must meet in order to be eligible to become certified biobased products to which the “USDA Certified Biobased Product” mark can be affixed, the process manufacturers and vendors must use to obtain and maintain USDA certification, and the recordkeeping requirements for manufacturers and vendors who obtain certification. In addition, this part establishes specifications for the correct and incorrect uses of the certification mark, which apply to manufacturers, vendors, and other entities. Finally, this part establishes actions that constitute voluntary labeling program violations.

§ 3202.2 Definitions.

Applicable minimum biobased content. The biobased content at or above the level set by USDA to qualify for use of the certification mark.

ASTM International (ASTM). American Society for Testing and Materials is a nonprofit organization that provides an international forum for the development and publication of voluntary consensus standards for materials, products, systems, and services.

Biobased content. The amount of biobased carbon in the material or product expressed as a percent of weight (mass) of the total organic carbon in the material or product. For BioPreferred Products (products that have been identified for Federal preferred procurement), the biobased content shall be defined and determined as specified in the applicable section of subpart B of part 3201. For all other products, the biobased content is to be determined using ASTM Method D6866, Standard Test Methods for Determining the Biobased Content of Solid,
Biobased product. (1) A product determined by USDA to be a commercial or industrial product (other than food or feed) that is:

(i) Composed, in whole or in significant part, of biological products, including renewable domestic agricultural materials and forestry materials; or

(ii) An intermediate ingredient or feedstock.

(2) The term “biobased product” includes, with respect to forestry materials, forest products that meet biobased content requirements, notwithstanding the market share the product holds, the age of the product, or whether the market for the product is new or emerging.

Certification mark. A combination of the certification mark artwork (as defined in this subpart); one of three statements identifying whether the USDA certification applies to the product, the package, or both the product and package; and, where applicable, the letters “FP” to indicate that the product is within a designated product category and eligible for Federal preferred procurement. The certification mark is owned, and its use is managed by, USDA (standard trademark law definition applies).

Certification mark artwork. The distinctive image, as shown in Figures 1–3, that identifies products as USDA Certified.
Certified biobased product. A biobased product for which the manufacturer or vendor of the product has received approval from USDA to affix to the product the “USDA Certified Biobased Product” certification mark.

Days. As used in this part means calendar days.
Designated product category. A generic grouping of biobased products, including those final products made from designated intermediate ingredients or feedstocks, or complex assemblies identified in subpart B of 7 CFR part 3201, that is eligible for the procurement preference established under section 9002 of FSRIA.

Designated representative. An entity authorized by a manufacturer or vendor to affix the USDA certification mark to the manufacturer’s or vendor’s certified biobased product or its packaging.

Forest product. A product made from materials derived from the practice of forestry or the management of growing timber. The term “forest product” includes:

(1) Pulp, paper, paperboard, pellets, lumber, and other wood products; and
(2) Any recycled products derived from forest materials.

Intermediate ingredient or feedstock. A material or compound made in whole or in significant part from biological products, including renewable agricultural materials (including plant, animal, and marine materials) or forestry materials that have undergone value added processing (including thermal, chemical, biological, or a significant amount of mechanical processing), excluding harvesting operations, offered for sale by a manufacturer or vendor and that is subsequently used to make a more complex compound or product.

ISO. The International Organization for Standardization, a network of national standards institutes working in partnership with international organizations, governments, industries, businesses, and consumer representatives.

ISO 9001 conformant. An entity that meets all of the requirements of the ISO 9001 standard, but that is not required to be ISO 9001 certified. ISO 9001 refers to the International Organization for Standardization’s standards and guidelines relating to “quality management” systems. “Quality management” is defined as what the manufacturer does to ensure that its products or services satisfy the customer’s quality requirements and comply with any regulations applicable to those products or services.

Manufacturer. An entity that performs the necessary chemical and/or mechanical processes to make a final marketable product.

Other entity. Any person, group, public or private organization, or business other than USDA, or manufacturers or vendors of biobased products that may wish to use the “USDA Certified Biobased Product” certification mark in informational or promotional material related to a certified biobased product.

Program Manager. The manager of the BioPreferred Program.

Qualified biobased product. A product that is eligible for federal preferred procurement because it meets the definition and minimum biobased content criteria for one or more designated product categories, or one or more designated intermediate ingredient or feedstock categories, as specified in subpart B of 7 CFR part 3201.

Renewable chemical. A monomer, polymer, plastic, formulated product, or chemical substance produced from renewable biomass.

USDA. The United States Department of Agriculture.

Vendor. An entity that offers for sale final marketable biobased products that are produced by manufacturers.

§ 3202.3 Applicability.

(a) Manufacturers, vendors, and designated representatives. The requirements in this part apply to all manufacturers and vendors, and their designated representatives, who wish to participate in the USDA voluntary labeling program for biobased products. Manufacturers and vendors wishing to participate in the voluntary labeling program are required to obtain and maintain product certification.

(b) Other entities. The requirements in this part apply to other entities who wish to use the certification mark in promoting the sales or the public awareness of certified biobased products.
§ 3202.4 Criteria for product eligibility to use the certification mark.

A product must meet each of the criteria specified in paragraphs (a) through (c) of this section in order to be eligible to receive biobased product certification.

A product must meet each of the criteria specified in paragraphs (a) and (b) of this section in order to be eligible to receive biobased product certification.

(a) Biobased product. The product for which certification is sought must be a biobased product as defined in § 3202.2 of this part.

(b) Minimum biobased content. The biobased content of the product must be equal to or greater than the applicable minimum biobased content, as described in paragraphs (b)(1) through (b)(4) of this section.

(1) Qualified Biobased Products. —(i) Product is within a single product category. If the product is within a single product category that, at the time the application for certification is submitted, has been designated by USDA for Federal preferred procurement, the applicable minimum biobased content is the minimum biobased content specified for the item as found in subpart B of 7 CFR part 3201.

(ii) Product is within multiple product categories. If a biobased product is marketed within more than one product category identified for preferred Federal purchasing, uses the same packaging for each product, and the applicant seeks certification of the product, the product's biobased content must meet or exceed the specified minimum biobased content for each of the applicable product categories in order to use the certification mark on the product. However, if the manufacturer packages the product differently for each product category, then the applicable minimum biobased contents are those established under paragraph (b)(1)(i) of this section for each product category for which the applicant seeks to use the certification mark.

(2) Finished biobased products that are not Qualified Biobased Products. (i) If the product is not an intermediate ingredient or feedstock, and is not within a product category eligible for Federal preferred procurement at the time the application for certification is submitted, the applicable minimum biobased content is 25 percent. Manufacturers, vendors, groups of manufacturers and/or vendors, and trade associations may propose an alternative applicable minimum biobased content for the product by developing, in consultation with USDA, and conducting an analysis to support the proposed alternative applicable minimum biobased content. If approved by USDA, the proposed alternative applicable minimum biobased content would become the applicable minimum biobased content for the product to be labeled.

(ii) If a product certified under paragraph (b)(2)(i) of this section is within a product category that USDA subsequently designates for Federal preferred procurement, the applicable minimum biobased content shall become, as of the effective date of the final designation rule, the minimum biobased content specified for the item as found in subpart B of 7 CFR part 3201.

(3) Products that are intermediate ingredients or feedstocks. (i) If the product is an intermediate ingredient or feedstock that is not eligible for Federal preferred procurement at the time the application for certification is submitted, the applicable minimum biobased content is 25 percent. Manufacturers, vendors, groups of manufacturers and/or vendors, and trade associations may propose an alternative applicable minimum biobased content for the product by developing, in consultation with USDA, and conducting an analysis to support the proposed alternative applicable minimum biobased content. If approved by USDA, the proposed alternative applicable minimum biobased content would become the applicable minimum biobased content for the intermediate ingredient or feedstock product to be labeled.

(ii) If a product certified under paragraph (b)(3)(i) of this section is within a category that USDA subsequently designates for Federal preferred procurement, the applicable minimum biobased content shall become, as of the effective date of the final designation rule, the minimum biobased content specified for the item as found in subpart B of 7 CFR part 3201.
(4) Finished products that are complex assemblies. (i) If the product is a complex assembly, as defined in subpart A of 7 CFR part 3201, that is not eligible for federal preferred procurement at the time the application for certification is submitted, the applicable minimum biobased content is 25 percent. The biobased content shall be determined using the procedures specified in §3201.7(c)(3) of this chapter. Manufacturers, vendors, groups of manufacturers and/or vendors, and trade associations may propose an alternative applicable minimum biobased content for the product by developing, in consultation with USDA, and conducting an analysis to support the proposed alternative applicable minimum biobased content. If approved by USDA, the proposed alternative applicable minimum biobased content would become the applicable minimum biobased content for the complex assembly to be labeled.

(ii) If a product certified under paragraph (b)(4)(i) of this section is within a category that USDA subsequently designates for federal preferred procurement, the applicable minimum biobased content shall become, as of the effective date of the final designation rule, the minimum biobased content specified for the item as found in subpart B of 7 CFR part 3201.

(c) Innovative approach. In determining eligibility for certification under the BioPreferred Program, USDA will consider as eligible only those products that use innovative approaches in the growing, harvesting, sourcing, procuring, processing, manufacturing, or application of their biobased products. (1) Product applications. (i) The biobased product or material is used or applied in applications that differ from historical applications; or

(ii) The biobased product or material is grown, harvested, manufactured, processed, sourced, or applied in other innovative ways; or

(iii) The biobased content of the product or material makes its composition different from products or material used for the same historical uses or applications.

(2) Manufacturing and processing. (i) The biobased product or material is manufactured or processed using renewable, biomass energy or using technology that is demonstrated to increase energy efficiency or reduce reliance on fossil-fuel based energy sources; or

(ii) The biobased product or material is manufactured or processed with technologies that ensure high feedstock material recovery and use.

(3) Environmental Product Declaration. The product has a current Environmental Product Declaration as defined by International Standard ISO 14025, Environmental Labels and Declarations—Type III Environmental Declarations—Principles and Procedures.

(4) Raw material sourcing. (i) The raw material used in the product is sourced from a Legal Source, a Responsible Source, or a Certified Source as designated by ASTM D7612—10, Standard Practice for Categorizing Wood and Wood-Based Products According to Their Fiber Sources; or

(ii) The raw material used in the product is 100% resourced or recycled (such as material obtained from building deconstruction); or

(iii) The raw material used in the product is from an urban environment and is acquired as a result of activities related to a natural disaster, land clearing, right-of-way maintenance, tree health improvement, or public safety.

§ 3202.5 Initial approval process.

(a) Application. Manufacturers and vendors seeking USDA approval to use the certification mark for an eligible biobased product must submit a USDA-approved application for each biobased product. A standardized application form and instructions are available on the USDA BioPreferred Program Web site (http://www.biopreferred.gov). The contents of an acceptable application are as specified in paragraphs (a)(1) through (a)(4) of this section.

(1) General content. The applicant must provide contact information and product information including all brand names or other identifying information, intended uses of the product, information to document that one or more of the innovative approach criteria specified in section 3202.4(c) has been met, and, if applicable, the corresponding product category classification for federal preferred procurement. The applicant must also provide a sample of the product to be analyzed by a third-party, ISO 9001 conformant, testing entity for determination of the biobased content. In situations where a new product for which certification is sought is composed of the same biobased ingredients and has the same biobased content as a product that has already been certified, the manufacturer may, in lieu of having the new product tested, self-declare the biobased content of the new product by referencing the tested biobased content of the original certified product. Certification of the original product must have been obtained by either the manufacturer of the new product or by the supplier of the biobased ingredients used in the new product.

(2) Certifications. The applicant must certify in the application that the product for which use of the certification mark is sought is a biobased product as defined in § 3202.2 of this part.

(3) Commitments. The applicant must sign a statement in the application that commits the applicant to submitting to USDA the information specified in paragraph (c)(1) through (c)(4) of this section, which USDA will post to the USDA BioPreferred Program Web site, and to providing USDA with up-to-date information for posting on this Web site.

(b) Evaluation of applications. (1) USDA will evaluate each application to determine if it contains the information specified in paragraph (a) of this section. If USDA determines that the application is not complete, USDA will return the application to the applicant with an explanation of its deficiencies. Once the deficiencies have been addressed, the applicant may resubmit the application, along with a cover letter explaining the changes made, for re-evaluation by USDA. USDA will evaluate resubmitted applications separately from first-time applications, and those with the earliest original application submittal date will be given first priority.

(2)(i) USDA will evaluate each complete application to determine compliance with the criteria specified in § 3202.4. USDA will provide a written response to each applicant within 60 days after the receipt of a complete application, informing the applicant of whether the application has been conditionally approved or has been disapproved.

(ii) For those applications that are conditionally approved, a notice of certification, as specified in paragraph (c) of this section, must be issued before the use of the certification mark can begin.

(iii) For those applications that are disapproved, USDA will issue a notice of denial of certification and will inform the applicant in writing of each criterion not met. Applicants who receive a notice of denial of certification may appeal using the procedures specified in § 3202.6.

(c) Notice of certification. After notification that its application has been conditionally approved, the applicant must provide to USDA (for posting by
USDA on the USDA BioPreferred Program Web site) the information specified in paragraphs (c)(1) through (c)(4) of this section. Once USDA confirms that the information is received and complete, USDA will issue a notice of certification to the applicant. Upon receipt of a notice of certification, the applicant may begin using the certification mark on the certified biobased product. Paragraph (c)(5) of this section presents the procedures for revising the information provided under paragraphs (c)(1) through (4) of this section after a notice of certification has been issued.

1. The product’s brand name(s), or other identifying information.
2. Contact information, including the name, mailing address, email address, and telephone number of the applicant.
3. The biobased content of the product.
4. A hot link directly to the applicant’s Web site (if available).
5. If at any time, during the application process or after a product has been certified, any of the information specified in paragraphs (c)(1) through (4) of this section changes, the applicant must notify USDA of the change within 30 days. Such notification must be provided in writing to USDA.

(d) Term of certification. (1) The effective date of certification is the date on which the applicant receives a notice of certification from USDA. Except as specified in paragraphs (d)(2)(i) through (d)(2)(v) of this section, certifications will remain in effect as long as the product is manufactured and marketed in accordance with the approved application and the requirements of this subpart.

2. If the product formulation of a certified product is changed such that the biobased content of the product is reduced to a level below that reported in the approved application, the existing certification will not be valid for the product under the revised conditions and the manufacturer or vendor, as applicable, and its designated representatives must discontinue affixing the certification mark to the product and must not initiate any further advertising of the product using the certification mark. USDA will consider a product under such revised conditions to be a reformulated product, and the manufacturer or vendor, as applicable, must submit a new application for certification using the procedures specified in paragraph (a) of this section.

(ii) If the product formulation of a certified product is changed such that the biobased content of the product is increased from the level reported in the approved application, the existing certification will continue to be valid for the product.

(iii) If the applicable required minimum biobased content for a product to be eligible to display the certification mark is revised by USDA, manufacturers and vendors may continue to label their previously certified product only if it meets the new minimum biobased content level. In those cases where the biobased content of a certified product fails to meet the new minimum biobased content level, USDA will notify the manufacturer or vendor that their certification is no longer valid. Such manufacturers and vendors must increase the biobased content of their product to a level at or above the new minimum biobased content level and must re-apply for certification within 60 days if they wish to continue to use the certification mark. Manufacturers and vendors who have re-applied for certification may continue using the existing certification mark until they receive notification from USDA on the results of their re-application for certification.

(iv) All certifications are subject to USDA periodic auditing activities, as described in §3202.10(d). If a manufacturer or vendor of a certified biobased product fails to participate in such audit activities or if such audit activities reveal biobased content violations, as specified in §3202.8(b)(1), the certification will be subject to suspension and revocation according to the procedures specified in §3202.8(c).

(v) If USDA discovers that a certification has been issued for an ineligible biobased product as a result of errors on the part of USDA during the approval process, USDA will notify the product’s manufacturer or vendor in
writing that the certification is revoked effective 30 days from the date of the notice.

§ 3202.6 Appeal processes.

An applicant for certification may appeal a notice of denial of certification to the Program Manager. Entities that have received a notice of violation, and manufacturers and vendors of certified biobased products who have received a notice of suspension or revocation, may appeal to the Program Manager.

(a)(1) Appeals to the Program Manager must be filed within 30 days of receipt by the appellant of a notice of denial of certification, a notice of violation, a notice of suspension, or a notice of revocation. Appeals must be filed in writing and addressed to: Program Manager, USDA Voluntary Labeling Program for Biobased Products, Room 361, Reporters Building, 300 Seventh Street, SW., Washington, DC 20024.

(2) All appeals must include a copy of the adverse decision and a statement of the appellant’s reasons for believing that the decision was not made in accordance with applicable program regulations, policies, or procedures, or otherwise was not proper.

(b)(1) If the Program Manager sustains an applicant’s appeal of a notice of denial of certification, USDA will issue a notice of certification to the applicant for its biobased product.

(2) If the Program Manager sustains a manufacturer’s or vendor’s appeal of a notice of violation, USDA will rescind the notice and no further action will be taken by USDA.

(3) If the Program Manager sustains a manufacturer’s or vendor’s appeal of a notice of suspension, the manufacturer, vendor, and their designated representative(s) may immediately resume affixing the certification mark to the certified biobased product and sell and distribute the certified biobased product with the certification mark. In addition, USDA will reinstate the product’s information to the USDA BioPreferred Program Web site.

(c) If the Program Manager sustains a manufacturer’s or vendor’s appeal of its product’s exclusion from the program, the manufacturers or vendors may then apply for certification to use the certification mark on that product, as specified in § 3202.5(a) of this part.

(d) Appeals of any of the Program Manager’s decisions may be made to the USDA Assistant Secretary for Administration. Appeals must be made, in writing, within 30 days of receipt of the Program Manager’s decision and addressed to: Assistant Secretary for Administration, Room 209A, Whitten Building, 1400 Independence Avenue, SW., Washington, DC 20250-0103. If the Assistant Secretary for Administration sustains an appeal, the provisions of paragraph (b) of this section will apply.

§ 3202.7 Requirements associated with the certification mark.

(a) Who may use the certification mark?

(i) Manufacturers and vendors. Only manufacturers and vendors who have received a notice of certification, or designated representatives of the manufacturer or vendor, may affix the official certification mark (in one of the three variations, as applicable) to the product or its packaging. A manufacturer or vendor who has received a notice of certification for a product under this part:

(ii) May use the certification mark on the product, its packaging, and other related materials including, but not limited to, advertisements, catalogs, specification sheets, procurement databases, promotional material, Web sites, or user manuals for that product, according to the requirements set forth in this section; and

(ii) Is responsible for the manner in which the mark is used by its companies, as well as its designated representatives, including advertising...
agencies, marketing and public relations firms and subcontractors.

(2) Other entities. (i) Other entities may use the mark to advertise or promote certified biobased products in materials including, but not limited to, advertisements, catalogs, procurement databases, Web sites, and promotional and educational materials, as long as the manufacturer or vendor of the product, or one of their designated representatives, has affixed the mark to the product or its packaging.

(ii) Other entities may use the certification mark; the phrase “USDA Certified Biobased Product/Package/ Product & Package,” as applicable; and the BioPreferred Program name in general statements as described in paragraph (b) of this section, as long as the statements do not imply that a non-certified biobased product is certified.

(b) Correct usage of the certification mark. (1) The certification mark can be affixed only to certified biobased products and their associated packaging.

(2) The certification mark may be used in material including, but not limited to, advertisements, catalogs, procurement databases, Web sites, and promotional and educational materials to distinguish products that are certified for use of the label from those that are not certified. The certification mark may be used in advertisements for both certified biobased products and non-certified/labeled products if the advertisement clearly indicates which products are certified/labeled. Care must be taken to avoid implying that any non-certified products are certified.

(3) The certification mark may be used without reference to a specific certified biobased product only when informing the public about the purpose of the certification mark. For example, the following or similar claim is acceptable: ‘Look for the ‘USDA Certified Biobased Product’ certification mark. It means that the product meets USDA standards for the amount of biobased content and the manufacturer or vendor has provided relevant information on the product to be posted on the USDA BioPreferred Program Web site.’ This exception allows manufacturers, vendors, and other entities to use the certification mark in documents such as corporate reports, but only in an informative manner, not as a statement of product certification.

(4) The certification mark may appear next to a picture of the product(s) or text describing it.

(5) The certification mark must stand alone and not be incorporated into any other certification mark or logo designs.

(6) The certification mark may be used as a watermark provided the use does not violate any usage restrictions specified in this part.

(7) The text portion of the certification mark must be written in English and may not be translated, even when the certification mark is used outside of the United States.

(c) Incorrect usage of the certification mark. (1) The certification mark shall not be used on any product that has not been certified by USDA as a “USDA Certified Biobased Product.”

(2) The certification mark shall not be used on any advertisements or informational materials where both certified biobased products and non-certified products are shown unless it is clear that the certification mark applies to only the certified biobased product(s).

(3) The certification mark shall not be used to imply endorsement by USDA or the BioPreferred Program of any particular product, service, or company.

(4) The certification mark shall not be used in any form that could be misleading to the consumer.

(5) The certification mark shall not be used by manufacturers or vendors of certified products in a manner disparaging to USDA or any other government body.

(6) The certification mark shall not be used with an altered certification mark or incorporated into other label or logo designs.

(7) The certification mark shall not be used on business cards, company letterhead, or company stationery.

(8) The certification mark shall not be used in, or as part of, any company name, logo, product name, service, or Web site, except as may be provided for in this part.

(9) The certification mark shall not be used in a manner that violates any
of the applicable requirements contained in this part.

(d) **Imported products.** The certification mark can be used only with a product that is certified by USDA under this part. The certification mark cannot be used to imply that a product meets or exceeds the requirements of biobased programs in other countries. Products imported for sale in the U.S. must adhere to the same guidelines as U.S.-sourced biobased products. Any product sold in the U.S. as a “USDA Certified Biobased Product/Package/Product & Package” must have received certification from USDA.

(e) **Contents of the certification mark.** The certification mark shall consist of the certification mark artwork, the biobased content percentage, and one of the three variations of text specified in paragraphs (e)(1) through (e)(3) of this section, as applicable.

1. USDA Certified Biobased Product.
2. USDA Certified Biobased Product: Package.
3. USDA Certified Biobased Product & Package.

(f) **Physical aspects of the certification mark.** The certification mark artwork may not be altered, cut, separated into components, or distorted in appearance or perspective. Certification marks that are applied to biobased products that have been designated for preferred Federal procurement will include the letters “FP” as part of the certification mark artwork. The certification mark must appear only in the colors specified in paragraphs (f)(1) through (f)(3) of this section, unless approval is given by USDA for an exception.

1. A multi-color version of the certification mark is preferred. The certification mark colors to be applied will be stipulated in the “Marketing Guides” document available on the USDA BioPreferred Program Web site [http://www.biopreferred.gov](http://www.biopreferred.gov).
2. A one-color version of the certification mark may be substituted for the multi-color version as long as the one color used is one of the multi-color choices reapplied without modification. Further guidance on the one-color certification mark application will also be detailed in the “Marketing Guides.”
3. A black and white version of the certification mark is acceptable.

(g) **Placement of the certification mark.**

1. The certification mark can appear directly on a product, its associated packaging, in user manuals, and in other materials including, but not limited to, advertisements, catalogs, procurement databases, and promotional and educational materials.
2. The certification mark shall not be placed in a manner that is ambiguous about which product is a certified biobased product or that could indicate certification of a non-certified product.
3. When used to distinguish a certified biobased product in material including, but not limited to, advertisements, catalogs, procurement databases, Web sites, and promotional and educational materials, the certification mark must appear near a picture of the product or the text describing it.

i. If all products on a page are certified biobased products, the certification mark may be placed anywhere on the page.

ii. If a page contains a mix of certified biobased products and non-certified products, the certification mark shall be placed in close proximity to the certified biobased products. An individual certification mark near each certified biobased product may be necessary to avoid confusion.

(h) **Minimum size and clear space recommendations for the certification mark—**

1. The certification mark may be sized to fit the individual application as long as the correct proportions are maintained and the certification mark remains legible.
2. A border of clear space must surround the certification mark and must be of sufficient width to offset it from surrounding images and text and to avoid confusion. If the certification mark’s color is similar to the background color of the product or packaging, the certification mark in a contrasting (i.e., black, white) color may be used.

§ 3202.8 Violations.

This section identifies the types of actions that USDA considers violations under this part and the penalties (e.g., the suspension or revocation of certification) associated with such violations.

(a) General. Violations under this section occur on a per product basis and the penalties are to be applied on a per product basis. Entities cited for a violation under this section may appeal using the provisions in § 3202.6. If certification for a product is revoked, the manufacturer or vendor whose certification has been revoked may seek recertification for the product using the procedures specified under the provisions in § 3202.5.

(b) Types of violations. Actions that will be considered violations of this part include, but are not limited to, the following specific examples:

(1) Biobased content violations. The Program Manager will utilize occasional random testing of certified biobased products to compare the biobased content of the tested product with the product’s applicable minimum biobased content and the biobased content reported by the manufacturer or vendor in its approved application. Such testing will be conducted using ASTM Method D6866. USDA will provide a copy of the results of its testing to the applicable manufacturer or vendor.

(i) If USDA testing shows that the biobased content of a certified biobased product is less than its applicable minimum biobased content, then a violation of this part will have occurred.

(ii) If USDA testing shows that the biobased content is less than that reported by the manufacturer or vendor in its approved application, but is still equal to or greater than its applicable minimum biobased content(s), USDA will provide written notification to the manufacturer or vendor. The manufacturer or vendor must submit, within 90 days from receipt of USDA written notification, a new application for the lower biobased content. Failure to submit a new application within 90 days will be considered a violation of this part.

(A) The manufacturer or vendor can submit in the new application the biobased content reported to it by USDA in the written notification.

(B) Alternatively, the manufacturer or vendor may elect to retest the product in question and submit the results of the retest in the new application. If the manufacturer or vendor elects to retest the product, it must test a sample of the current product.

(2) Certification mark violations. (i) Any usage or display of the certification mark that does not conform to the requirements specified in § 3202.7.

(ii) Affixing the certification mark to any product prior to issuance of a notice of certification from USDA.

(iii) Affixing the certification mark to a certified biobased product during periods when certification has been suspended or revoked.

(3) Application violations. Knowingly providing false or misleading information in any application for certification of a biobased product constitutes a violation of this part.

(4) USDA BioPreferred Program Website violations. Failure to provide to USDA updated information when the information for a certified biobased product becomes outdated or when new information for a certified biobased product becomes available constitutes a violation of this part.

(c) Notice of violations and associated actions. USDA will provide the applicable manufacturer or vendor or their designated representatives and any involved other entity known to USDA written notification of any violations identified by USDA. USDA will first issue a preliminary notice that apparent violations have been identified. If satisfactory resolution of the apparent violation is not reached within 30 days from receipt of the preliminary notice, USDA will issue a notice of violation. Entities who receive a notice of violation for a biobased content violation must correct the violation(s) within 90 days from receipt of the notice of violation. Entities who receive a notice of violation for other types of violations also must correct the violation(s) within 90 days from receipt of the notice of violation. If the entity receiving a notice of violation is a manufacturer, a vendor, or a designated representative of a manufacturer or vendor, USDA will pursue notices of suspensions and
revocation, as discussed in paragraphs (c)(1) and (c)(2) of this section. USDA reserves the right to further pursue action against these entities as provided for in paragraph (c)(3) of this section. If the entity receiving a notice of violation is an “other entity” (i.e., not a manufacturer, vendor, or designated representative), then USDA will pursue action according to paragraph (c)(3) of this section. Entities that receive notices of suspension or revocation may appeal such notices using the procedures specified in §3202.6.

(i) Suspension. (i) If a violation is applicable to a manufacturer, vendor, or designated representative and the applicable entity fails to make the required corrections within 90 days of receipt of a notice of violation, USDA will notify the manufacturer or vendor, as appropriate, of the continuing violation, and the USDA certification for that product will be suspended. As of the date that the manufacturer or vendor receives a notice of suspension, the manufacturer or vendor and their designated representatives must not affix the certification mark to any of that product, or associated packaging, not already labeled and must not distribute any additional products bearing the certification mark. USDA will remove the product information from the USDA BioPreferred Program Web site and actively communicate the product suspension to buyers in a timely and overt manner.

(ii) If, within 30 days from receipt of the notice of suspension, the manufacturer or vendor whose USDA product certification has been suspended makes the required corrections and notifies USDA that the corrections have been made, the manufacturer or vendor and their designated representatives may not affix the certification mark to any of that product, or associated packaging, not already labeled and must not distribute any additional products bearing the certification mark. USDA will also remove the product information from the USDA BioPreferred Program Web site and actively communicate the product suspension to buyers in a timely and overt manner.

(ii) As of the date that the manufacturer or vendor receives the notice revoking USDA certification, the manufacturer or vendor and their designated representatives must not affix the certification mark to any of that product not already labeled. In addition, the manufacturer or vendor and their designated representatives are prohibited from further sales of product to which the certification mark is affixed.

(iii) If a manufacturer or vendor whose product certification has been revoked wishes to use the certification mark, the manufacturer or vendor must follow the procedures required for original certification.

(3) Other remedies. In addition to the suspension or revocation of the certification to use the label, depending on the nature of the violation, USDA may pursue suspension or debarment of the entities involved in accordance with 2 CFR part 417 and 48 CFR subpart 9.4. USDA further reserves the right to pursue any other remedies available by law, including any civil or criminal remedies, against any entity that violates the provisions of this part.

§ 3202.9 Recordkeeping requirements.

(a) Records. Manufacturers and vendors shall maintain records documenting compliance with this part for each product that has received certification to use the label, as specified in paragraphs (a)(1) through (a)(3) of this section.

(1) The results of all tests, and any associated calculations, performed to determine the biobased content of the product.

(2) The date the applicant receives certification from USDA, the dates of changes in formulation that affect the biobased content of certified biobased products, and the dates when the biobased content of certified biobased products was tested.

(3) Documentation of analyses performed by manufacturers to support claims of environmental or human
§ 3202.10 Oversight and monitoring.

(a) General. USDA will conduct oversight and monitoring of manufacturers, vendors, designated representatives, and other entities involved with the voluntary product labeling program to ensure compliance with this part. This oversight will include, but not be limited to, conducting facility visits of manufacturers and vendors who have certified biobased products, and of their designated representatives. Manufacturers, vendors, and their designated representatives are required to cooperate fully with all USDA audit efforts for the enforcement of the voluntary labeling program.

(b) Biobased content testing. USDA will conduct biobased content testing of certified biobased products, as described in §3202.9(b)1) to ensure compliance with this part.

(c) Inspection of records. Manufacturers, vendors, and their designated representatives must allow Federal representatives access to the records required under §3202.9 for inspection and copying during normal Federal business hours.

(d) Audits. USDA expects to conduct audits of the voluntary labeling program on an ongoing basis with audit activities conducted every other calendar year (bi-annually). Audit activities will include three stages and will be conducted in sequential order as follows:

1. Stage 1 auditing includes contacting all participants via email and requesting that they complete a “Declaration of Conformance Form.” Program participants are asked to confirm that they still manufacture the product and that the formulation and manufacturing processes remain the same. Participants are also asked to list all active products and advise the USDA of any complaints regarding the claim of the biobased content. The first Stage 1 auditing activity was completed in 2012 and the second Stage 1 audit will be conducted in 2018.

2. Stage 2 auditing consists of a random sampling of certified products to confirm the accuracy of biobased content percentages claimed. The participants whose products are selected will be required to submit product samples to be tested by independent testing labs at USDA expense. The first Stage 2 auditing activity began in 2014 and is scheduled to be completed during 2015 and the second Stage 2 audit will be conducted in 2020.

3. Stage 3 auditing requires manufacturers of products that have been certified for 5 years or more to have their products re-tested at their expense to confirm that the biobased content remains at or above the level at which the product was originally certified. The first Stage 3 auditing activity is scheduled to be completed during 2016 and the second Stage 3 audit will be conducted in 2022.

§ 3203.1 Purpose.
This part sets forth the procedures to be utilized by USDA when transferring excess USDA computers or other technical equipment to an organization for the purposes of distribution to a city, town, or local government entity in a rural area as authorized by 7 U.S.C. 2206b.

§ 3203.2 Eligibility.
To be eligible under this part:
(a) A city, town, or local government entity must be located in a rural area as defined in 7 U.S.C. 1991(a)(13)(A).
(b) A designated organization must:
(1) Have the documented capability to refurbish and distribute excess computers or other technical equipment;
(2) Serve the interest of cities, towns, or local government entities in rural areas; and
(3) Have been designated by an official of a city, town, or local government entity in a rural area to receive excess computers or other technical equipment under this part.

§ 3203.3 Definitions.
Cannibalization means to remove serviceable parts from one item of equipment in order to install them on another item of equipment in order to repair or enhance its operability.
City, town, or local government entity in a rural area as defined in 7 U.S.C. 1991(a)(13)(A) means any area other than:
(1) A city or town that has a population of greater than 50,000 inhabitants; and
(2) Any urbanized area contiguous and adjacent to such a city or town described in paragraph (1) of this definition.
Computers or other technical equipment means central processing units, laptops, desktops, computer mice, keyboards, monitors, related peripheral tools (e.g., printers, modems, routers, servers, multimedia projectors, multifunctional devices, external hard drives) and fax machines. This term may also include computer software where the transfer of a license is permitted.

Designated organization means an organization that has been selected by an official of a city, town, or local government entity in a rural area to provide refurbishing services on donated computer and technical equipment.

Excess means any property under the control of a USDA agency that is no longer required for that agency’s or another USDA agency’s needs, as determined by the agency head or designee.

Property Management Officer (PMO) is an eligible recipient's designated point of contact, responsible for adherence to procedures described in this part.
Recipient means a city, town, or local government entity located in a rural area as defined in 7 U.S.C. 1991(a)(13)(A) that may receive excess computers or other technical equipment under this part.
Refurbish means to make ‘like new’ by the process of major maintenance or minor repair of an item, either aesthetically or mechanically.

§ 3203.4 Procedures.
(a) Each agency head will designate, in writing, an authorized official to approve transfers of excess computers or other technical equipment under this part consistent with the Department’s policies on personal property management.
(b) Excess computers or other technical equipment must first be internally screened to ensure it is not needed elsewhere in the Department.
(c) To receive information concerning the availability of USDA excess computers or other technical equipment, an eligible recipient’s PMO should contact any USDA office near to its location.
(d) The USDA employee responsible for personal property, at the office contacted, will review the request for eligibility of the recipient and the availability of excess computers or other technical equipment. The USDA employee will inform the requestor of the outcome of the review (e.g. eligibility, the availability of excess computers or other technical equipment).
(e) Eligible recipients will express their interest in receiving property under this part by submitting a request, on letterhead paper (electronic...
§ 3203.5 Dollar limitation.

There is no dollar limitation on excess computers or other technical equipment obtained under this part.

§ 3203.6 Restrictions.

(a) Only an authorized USDA official may approve the transfer of excess computers or other technical equipment under this part.

(b) Excess computers or other technical equipment may be transferred for the purpose of cannibalization, provided that the requestor submits a
Office of Procurement and Property Management, USDA

§ 3203.11 Liabilities and losses.

USDA assumes no liability with respect to accidents, bodily injury, illness, or any other damages or loss related to excess computers or other technical equipment transferred under this part. The recipient/designated organization is advised to insure or otherwise protect itself and others as appropriate.

Subpart A—Introduction

§ 3300.1 Scope of authority and purpose.

The International Carriage of Perishable Foodstuffs Act assigns to the Secretary of Agriculture the responsibility for implementation of the Agreement on the International Carriage of Perishable Foodstuffs and on the Special Equipment to be Used for Such Carriage (ATP). The purpose of this rule is to establish procedures for the inspection, testing, and certification of insulated, refrigerated, mechanically refrigerated, and heated transport equipment in accordance with the Act and the standards specified in the Agreement. In the process, the intent is to utilize existing industry organizations and facilities for testing and inspection of equipment. The Secretary is the sole authority to issue certificates of compliance.

§ 3300.4 Definitions.

Administrator means the Administrator, Office of Transportation, U.S. Department of Agriculture, whose address is: 1405 Auditors Building, 201 14th Street, SW., Washington, DC 20250.
§ 3300.4

ATP means the Agreement on the International Carriage of Perishable Foodstuffs and on the Special Equipment to be Used for Such Carriage (ATP), and the annexes and appendices thereto, done at Geneva, September 1, 1970, under the auspices of the Economic Commission for Europe, and any subsequent amendments thereto.1

ATP manager means the person designated by the Administrator to manage the program established by this rule, whose address is: ATP Manager, Office of Transportation, U.S. Department of Agriculture, 1405 Auditors Building, 201 14th Street, SW., Washington, DC 20250.

Contracting party means a country which is signatory to the ATP.

Domestic owner means an organization incorporated or chartered under the laws of, and with principal office in, the United States, and to which one of the following applies:

(a) The organization owns and operates the equipment directly.
(b) The organization owns and operates the equipment through a wholly owned subsidiary in a foreign country.
(c) The organization is a lessee or bailee of the equipment, and a written lease or bailment provides that the organization is responsible for any inspection, testing, and certification of the equipment with respect to the ATP rule.

Equipment means the special transport equipment that meets the definitions and standards set forth in ATP, Annex 1, including, but not limited to, railcars, trucks, trailers, semitrailers, and intermodal freight containers that have an insulated body only, or an insulated body equipped with a refrigerating, mechanically refrigerating, or heating appliance.

Equipment manufacturer means an organization which produces or assembles the complete unit of equipment, that is, the insulated body with the thermal appliance installed.

Foreign owner means an organization registered under the laws of, or with principal office in, a country outside the United States, and which owns or operates the equipment.

Foreign-ATP certificate means a certificate issued by a foreign country which is a contracting party to the ATP, attesting that the equipment listed in the certificate complies with pertinent standards in the ATP.

Identical mechanical refrigerating appliance means an appliance which is of the same model number and design as the reference mechanical refrigerating appliance.

Insulated body means the six-sided structural component of equipment, consisting of insulated doors, sidewalls, roof, floor, and endwall, inside which perishable foodstuffs are carried.

International carriage means transportation of perishable foodstuffs if such foodstuffs are loaded in equipment or the equipment containing them is loaded onto a rail or road vehicle, in the territory of any country and such foodstuffs are, or the equipment containing them is, unloaded in the territory of another country that is a contracting party, where such transportation is by:

(a) Rail,
(b) Road,
(c) Any combination of rail and road, or
(d) Any sea crossing of less than one hundred and fifty kilometers, if preceded or followed by one or more land journeys as referred to in clauses (a), (b), and (c) of this definition, and the perishable foodstuffs are shipped in the same equipment used for such land journeys without transloading of such foodstuffs.

In the case of any transportation that involves one or more sea crossings other than as specified in clause (d) of this definition, each land journey shall be considered separately.

New equipment means equipment produced or assembled on or after the effective date of this rule.

Perishable foodstuffs means the quick deep-frozen and frozen food products listed in Annex 2, and the chilled food products listed in Annex 3 to the ATP.

Reference equipment means a unit of equipment which has passed a test in an approved testing station, and can thereby serve as a basis for certification of related serially-produced equipment.

---

1 A copy of the agreement can be obtained by request to the ATP Manager, Office of Transportation, U.S. Department of Agriculture, 1405 Auditors Building, 201 14th Street, SW., Washington, DC 20250.
Reference insulated body means an insulated body which has passed a test in an approved testing station for measurement of the K-coefficient of the body, and can thereby serve as the basis for approval of serially-produced bodies in the case in which the body and the mechanical refrigerating appliance of the equipment are tested separately.

Reference mechanical refrigerating appliance means an appliance which has passed a test in an approved testing laboratory, and can thereby serve as the basis for approval of identical mechanical refrigerating appliances in the case in which the appliance and the insulated body of the equipment are tested separately.

Serially-produced bodies means insulated bodies which meet the definition in ATP, Annex 1 Appendix 1, paragraph 2(c)(i).

Serially-produced equipment means equipment of a specific type (container, semi-trailer, trailer, truck, or container), which meets the definition in ATP, Annex 1, Appendix 1, paragraphs 2(c), (i), (ii), (iii), and (iv).

Thermal appliance means the refrigerating, mechanical refrigerating, or heating appliance which is installed in the insulated body of the equipment.

United States means the fifty States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, Guam, American Samoa, the Virgin Islands of the United States, the Commonwealth of the Northern Mariana Islands, and any other territory or possession of the United States.

U.S. ATP certificate means a certificate issued by the U.S. Department of Agriculture, attesting that the equipment listed in the certificate complies with pertinent standards in the ATP.

U.S. ATP testing laboratory means a facility in the United States which has been approved by the Administrator to conduct tests of mechanical refrigerating appliances.

U.S. ATP testing station means a facility in the United States which has been approved by the Administrator to conduct tests of equipment.

Subpart B—Procedures for Testing of Equipment

§ 3300.7 General.

Testing of equipment according to the ATP is basically done in two phases:

(a) Measurement of the insulating capacity, that is, the K-coefficient, of the insulated body.

(b) Determination of the efficiency of the thermal appliance as installed in the insulated body. In the case of mechanically refrigerated equipment, the mechanical refrigerating appliance may be tested separate from the body.

§ 3300.10 Measurement of the K-coefficient of an insulated body.

The K-coefficient shall be measured according to the procedures in ATP, Annex 1, Appendix 1, paragraphs 1–28, and the following shall apply:

(a) The internal heating method shall be used.

(b) In ATP, Annex 1, Appendix 2, paragraph 8, last line, "about +20 °C for the mean temperature of the walls of the body shall be interpreted to mean between +19 °C (+66 °F) and 21 °C (+70 °F)."

(c) A report of each test shall be completed on a form corresponding to the pertinent test report model prescribed in ATP, Annex 1, Appendix 2. Report forms may be obtained by a request to the ATP manager.

§ 3300.13 Determination of the efficiency of the thermal appliances as installed in the insulated body.

In determining the efficiency of a thermal appliance with respect to maintaining a prescribed temperature inside the body, the procedures in ATP, Annex 1, Appendix 2, paragraphs 31–40 and 43–47 shall be used. A report of each test shall be completed on a form corresponding to the pertinent test report model prescribed in ATP, Annex 1, Appendix 2. Report forms may be obtained by a request to the ATP manager.
§ 3300.16 General.

Any public or private organization incorporated or chartered under the laws of, and with principal office in, the United States may apply to have one or more of its facilities in the United States designated as a U.S. ATP testing station.

§ 3300.19 Application for approval.

An application by an officer of the organization shall be submitted to the Administrator for each facility for which approval is sought. Copies of the Form, Application for Approval as a U.S. ATP Testing Station, may be obtained by a request to the ATP manager. The following information must be supplied in the application:

(a) A statement that the organization is incorporated or chartered under the laws of, and that it has its principal office in, the United States, including the name, address, and telephone number of the principal office.

(b) The address and telephone number of the testing station, and name and title of person in charge of the station.

(c) A summary of experience at the facility which would indicate the capability to conduct tests of equipment according to Subpart B of this rule.

(d) A general description of the station, including drawings on letter size (8 1/2 × 11 inches) paper to show the floor plan and cross-sections of the test chamber, basic dimensions, location of heat exchangers and instruments, and any other pertinent information.

(e) An indication of which of the following types of equipment, as defined in ATP, Annex 1, that the station is capable of testing: intermodal freight containers, semi-trailers, trailers, railcars, and trucks.

(f) A statement that the ATP manager or other representative of the Administrator may, before a decision is made concerning the application, observe a test at the station of a Class “C” mechanically refrigerated container or semi-trailer, with Class “C” being defined as in ATP, Annex 1, paragraph 3.

(g) A statement that the station will be open to public use, that is, to manufacturers and owners of equipment which may apply to have equipment tested.

(h) A statement that the fees to be charged by the organization for testing will be reasonable with respect to costs involved, and that such fees will be payable directly to the organization by those who seek testing of their equipment.

(i) A statement that the station will maintain records of basic data developed in each test conducted under this rule, such records to be available for review by the ATP manager or other representative of the Administrator upon request. The record for each test shall be maintained for a period of three years.

(j) A statement that the organization will advise the ATP manager as soon as practicable of its intent to conduct a test under this rule and that it will, as soon as possible, advise when a firm test date has been set so that the ATP manager or other representative of the Administrator may observe the test.

(k) A statement that the organization will send to the ATP manager a copy of each test report for equipment tested at the station according to this rule, within 30 days after completion of the test.

(l) A statement that, should any significant change occur in the facility with respect to structure or test equipment as a result of redesign or other cause during the period of approval, the organization will so advise the ATP manager within 30 days after such change.

(m) Any other pertinent information.

§ 3300.22 Response to application for approval.

The Administrator will, within 30 days of receipt of the application and any relevant information required, advise the applicant whether or not the facility is approved as a testing station. Approval is for a 5-year period.

§ 3300.25 Application for renewal of approval.

If an organization wishes to have an approval renewed at the end of a 5-year
period, it shall submit a request for renewal to the Administrator 90 days before expiration of the existing approval. The request for renewal shall contain the same type of information as required in the original application, that is, the information called for in §3300.19 of subpart C.

§ 3300.28 Response to application for renewal of approval.

The Administrator will, within 30 days of receipt of application and any relevant information required, advise the applicant whether or not approval is renewed. A renewal is good for 5 years.

§ 3300.31 Termination of approval.

An approved testing station may at any time withdraw as an approved testing station by written notice to the Administrator. Similarly, the Administrator may suspend or terminate for cause the approved status of a testing station by written notice to the organization, setting forth the reasons for such action. Examples of causes for suspension or termination of approval of a testing station would be a change in equipment or operations at the station which would render the station incapable of performing tests according to the standards in the ATP, or non-compliance of the station with pertinent portions of this rule.

Subpart D—Procedures for Separate Testing of Mechanical Refrigerating Appliances

§ 3300.34 General.

ATP, Annex 1, Appendix 2, paragraph 41, provides that approval of mechanically refrigerated equipment may be done on the basis of separate testing of the mechanical refrigerating appliance.

§ 3300.37 Testing of a mechanical refrigerating appliance.

For separate testing of a mechanical refrigerating appliance, the following shall pertain:

(a) The calibrated-box method shall be used, as set forth in ARI Standard 1110, Standard for Mechanical Refrigeration Units, of the Air-Conditioning and Refrigeration Institute.

(b) The appliance shall be rated according to the class, or classes, of service for which the appliance is intended, with classes being defined as in ATP, Annex 1, paragraph 3.

(c) A report of each test shall be completed on a form corresponding to the pertinent test report model prescribed in ATP, Annex 1, Appendix 2. Report forms may be obtained by a request to the ATP manager.

Subpart E—Approval of Testing Laboratories

§ 3300.40 General.

Any public or private organization incorporated or chartered under the laws of, and with principal office in, the United States may apply to have one or more of its facilities in the United States designated as a U.S. ATP testing laboratory.

§ 3300.43 Application for approval.

An application by an officer of the organization shall be submitted to the Administrator for each facility for which approval is sought. Copies of the Form, Application for Approval as a U.S. ATP Testing Laboratory, may be obtained by a request to the ATP manager. The following information must be supplied in the application:

(a) A statement that the organization is incorporated or chartered under the laws of, and that it has its principal office in, the United States, including the address and telephone number of the principal office.

(b) The address and telephone number of the testing laboratory, and name and title of person in charge of the laboratory.

(c) A summary of the experience at the facility which would indicate a capability to conduct tests of mechanical refrigerating appliances according to subpart D of this rule.

(d) A general description of the laboratory, including drawings on letter size (8½ × 11 inches) paper to show the floor plan and cross-section of the test chamber, basic dimensions, location of heat exchangers and instruments, and any other pertinent information.

(e) A statement that the ATP manager or other representative of the Administrator may, before a decision is
made concerning the application, observe a test at the laboratory of a mechanical refrigerating appliance for a Class “C” mechanically refrigerated container or trailer, with Class “C” as defined in ATP, Annex 1, paragraph 3.

(f) A statement that the laboratory will maintain records of basic data developed in each test conducted under this rule, such records to be available for review by the ATP manager or other representative of the Administrator, upon request. The record for each test shall be maintained for a period of three years.

(g) A statement that the organization will advise the ATP manager as soon as practicable of its intent to conduct a test under this rule and that it will, as soon as possible, advise when a firm test has been set so that the ATP manager or other representative of the Administrator may observe the test.

(h) A statement that the organization will send to the ATP manager a copy of each test report for an appliance tested at the laboratory according to this rule, within 30 days after completion of the test.

(i) A statement that, should any significant change occur in the facility with respect to structure or test equipment as a result of redesign or other cause during the period of approval, the organization will so advise the ATP manager within 30 days after such change.

(j) Any other pertinent information.

§ 3300.46 Response to application for approval.

The Administrator will, within 30 days of receipt of an application and any relevant information required, advise the applicant whether or not the facility is approved as a testing laboratory. Approval is for a 5-year period from date of approval.

§ 3300.49 Application for renewal of approval.

If an organization wishes to have an approval renewed at the end of a 5-year period, it shall submit a request for renewal to the Administrator 90 days before expiration of the existing approval. The request for renewal shall contain the same type of information as required in the original application, that is, the information called for in §3300.43 of subpart E.

§ 3300.52 Response to application for renewal of approval.

The Administrator will, within 30 days of receipt of application and any relevant information required, advise the applicant whether or not approval is renewed. A renewal extends the period of approval for 5 years.

§ 3300.55 Termination of approval.

An approved testing laboratory may at any time withdraw as an approved testing laboratory by written notice to the Administrator. Similarly, the Administrator may suspend or terminate for cause the approved status of a testing laboratory by written notice to the organization, setting forth the reasons for such action. Examples of causes for suspension or termination of approval would be a change in equipment or operations at the laboratory which would render it incapable of performing tests according to the standards in the ATP, or noncompliance of the laboratory with pertinent portions of this rule.

Subpart F—Certification of New Equipment

§ 3300.58 General.

The following shall apply for certification of new equipment:

(a) Domestic owners are eligible to receive U.S. ATP certificates for equipment produced or assembled in the United States or in a foreign country.

(b) Foreign owners are eligible to receive U.S. ATP certificates only for equipment produced or assembled in the United States.

(c) For equipment manufactured (i.e., produced or assembled) in the United States:

(1) When the complete unit of equipment is tested, the test shall be performed in a U.S. ATP testing station.

(2) When the mechanical refrigerating appliance and the insulated body are tested separately, such tests shall be performed in approved testing facilities in the United States or in test facilities located in, and approved by, a foreign country which is a Contracting Party.
Office of Transportation, USDA § 3300.64

(d) For equipment manufactured in a foreign country which is a Contracting Party, a domestic owner may receive a U.S. ATP certificate in exchange for the Foreign-ATP certificate issued by the country of manufacture.

(e) For equipment manufactured in a foreign country which is not a Contracting Party, tests shall be performed in approved testing facilities in the United States or in facilities located in and approved by a foreign country which is a Contracting Party.

(f) In accordance with ATP, Annex 1, Appendix 1, paragraphs 2(a) and (d), the validity of a test report for a reference equipment shall expire at the end of a period of 3 years or at the end of the manufacture of 1,000 units of serially-produced equipment, whichever occurs first.

(g) The validity of a test report for a reference mechanical refrigerating appliance shall expire at the end of a period of three years, or at the end of the manufacture of 1,000 identical mechanical refrigerating appliances, whichever occurs first.

(h) The validity of a test report for a reference insulated body shall expire at the end of a period of three years, or at the end of the manufacture of 1,000 serially-produced bodies, whichever occurs first.

(i) Serially-produced equipment shall be produced or assembled by the same manufacturer and at the same manufacturing plant as the reference equipment.

(j) Identical mechanical refrigerating appliances shall be manufactured by the same manufacturer and at the same manufacturing plant as the reference mechanical refrigerating appliance.

(k) Serially-produced bodies shall be manufactured by the same manufacturer and at the same manufacturing plant as the reference insulated body.

(l) Equipment manufacturers shall notify the ATP manager 30 days before start of manufacture so that the ATP manager or other representative of the Administrator may observe the manufacturing operation.

(m) Owners who receive a U.S. ATP certificate have the responsibility to maintain the equipment in good repair and operating condition with the understanding that the certificate is valid only so long as:

1. The insulated body and the thermal appliance are maintained in good condition;
2. No material alteration is made to the thermal appliance which decreases its refrigerating capacity, and;
3. If the thermal appliance is replaced, it is replaced by an appliance of equal or greater refrigerating capacity.

§ 3300.61 Testing and verification requirements.

In accordance with ATP, Annex 1, Appendix 1, paragraphs 1, 1(a), 2(a), 2(b), 2(c) and 3, and Appendix 2, paragraph 41, certification of new equipment is based upon the following:

(a) For a unit of equipment, a test of the equipment in an approved testing station.

(b) For serially-produced equipment:

1. A test of one unit of equipment in an approved testing station, such unit to serve as the reference equipment.
2. Verification that production of other units of equipment is in conformity with the reference equipment.

(c) For mechanically refrigerated equipment, certification may be based upon a separate test of the mechanical refrigerating appliance and a separate test of the insulated body.

§ 3300.64 Application for certificate for new equipment produced or assembled in the United States or in a foreign country which is not a contracting party to the ATP.

Application for certification shall be submitted to the ATP manager by an officer in the organization of the owner of the equipment. In the case of equipment manufactured in the United States, application may be made by an officer in the organization of the equipment manufacturer, acting on behalf of the owner. Copies of the Form, Application for U.S. ATP Certificate for New Equipment Produced or Assembled in the United States or in a Foreign Country Which is not a Contracting Party to the ATP, may be obtained by a request to the ATP manager. The following information must be supplied in the application:

(a) A statement whether the owner is a domestic owner or a foreign owner, with the name, address and telephone.
number of its principal office, and the name and title of person to contact.
(b) If the operator of the equipment is different from the owner, the name and address of the operator.
(c) Type of equipment (intermodal freight container, semi-trailer, trailer, railcar, or truck).
(d) Total number of units of equipment.
(e) Definition and distinguishing mark of the equipment for which certification is sought, referring to ATP, Annex 1, paragraph 3 and Appendix 4.
(f) Name, address, and telephone number of the principal office of the equipment manufacturer, and name and title of the person to contact.
(g) Name and address of the plant at which the equipment was manufactured.
(h) In the case of a unit of equipment (i.e., the insulated body with its mechanical refrigerating appliance installed) that has been tested to serve as the reference equipment for serially-produced equipment:
   (1) The original or certified true copy of the test report for the reference equipment.
   (2) For the serially-produced equipment:
      (i) The manufacturer’s make and model number for the equipment, including a brief description of the equipment and enclosure of any brochure on the equipment which might be available.
      (ii) The basis upon which the equipment meets the definition of serially-produced equipment, with respect to the reference equipment.
      (iii) A statement that the equipment was manufactured at the same plant at which the reference equipment was manufactured.
      (iv) A statement that production of the equipment was in conformity with the reference equipment.
      (v) In the case where the mechanical refrigerating appliance and the insulated body have been tested separately:
         (1) For the reference mechanical refrigerating appliance:
            (i) The original or certified true copy of the test report.
            (ii) From the test report, the effective refrigerating capacity, \(W\), in watts, of the appliance at an outside temperature of +30 °C and the inside temperature (see ATP, Annex 1, paragraph 3 and Appendix 4) for the class of equipment for which certification is sought. \(W\) must be equal to, or greater than, the increased heat transfer rate, \(H_t\), for the reference insulated body. See paragraph (3)(iii) below.
         (2) For the identical mechanical refrigerating appliances:
            (i) Name and address of the plant at which the identical appliances and reference appliance were manufactured.
            (ii) The manufacturer’s make, model number, and a brief description of the appliances with enclosure of any brochure on the appliances which might be available.
            (iii) A statement that the appliances meet the definition of identical mechanical refrigerating appliances.
      (3) For the reference insulated body:
         (i) The original or certified true copy of the test report.
         (ii) The total heat transfer rate of the body, \(H_t = S \times K \times \Delta T\), in watts, where: “\(S\)” is the mean surface area of the body, from the test report; “\(K\)” is the heat transfer coefficient of the body, from the test report; and, “\(\Delta T\)” is the difference in degrees Kelvin between an outside temperature of +30 °C and the inside temperature for the class of equipment for which certification is sought.
         (iii) The increased heat transfer rate, \(H_i\), obtained by multiplying the total heat transfer rate \(H_t\), by the factor of 1.75.
         (iv) For the serially-produced insulated bodies:
            (i) Name and address of the plant at which the serially-produced bodies and reference body were manufactured.
            (ii) The manufacturer’s make, model number, and a brief description of the bodies, with any brochure on the bodies which might be available.
            (iii) The basis upon which the bodies meet the definition of serially-produced bodies, with respect to the reference insulated body.
            (iv) A statement that production of the bodies was in conformity with the reference insulated body.
         (j) Information on the equipment after manufacture:
Office of Transportation, USDA § 3300.76

(1) A statement that each mechanical refrigerating appliance, after it was installed in the body, was operated and thoroughly checked and that each appliance functioned properly.

(2) A statement that each body and each appliance has affixed to it a manufacturer’s plate or other means of identification which shows the items of information required by ATP, Annex 1, paragraph 6.

(3) A statement that each unit of equipment, before it is put into service, will have affixed to it a certification plate and distinguishing mark as specified in ATP, Annex 1, Appendix 1, paragraphs 4 and 5, and Appendixes 3 and 4.

(4) A list showing, for each unit of equipment, the serial number of the body and the corresponding owner’s equipment identification number.

§ 3300.67 Application for certificate for new equipment produced or assembled in a foreign country which is a contracting party to the ATP.

An application for certification of equipment shall be submitted to the ATP manager by an officer in the organization of the owner of the equipment. Copies of the Form, Application for U.S. ATP Certificate for New Equipment Produced or Assembled in a Foreign Country Which is a Contracting Party, may be obtained by a request to the ATP manager. The following information must be submitted in the application:

(a) A statement that the owner is a domestic owner, with the name, address and telephone number of its principal office, and the name and title of the person to contact.

(b) If the operator of the equipment is different from the owner, the name and address of the operator.

(c) The type of equipment (intermodal freight container, trailer, semi-trailer, railcar, or truck.)

(d) Total number of units of equipment.

(e) Definition of the equipment for which certification is sought, referring to ATP, Annex 1, paragraph 3, and Appendix 4.

(f) Name, address, and telephone number of the manufacturer of the equipment, and the name and title of the person to contact.

(g) The manufacturer’s make and model number for the equipment, including a brief description of the equipment and any brochure on the equipment which might be available.

(h) The original or certified true copy of the test report for the reference equipment.

(i) The original or certified true copy of the Foreign-ATP certificate issued for the equipment.

(j) A statement that each unit of equipment, before it is put into service, will have affixed to it a certification plate and distinguishing mark as specified in ATP, Annex 1, Appendix 1, paragraphs 4 and 5, and Appendixes 3 and 4.

(k) A list showing, for each unit of equipment, the serial number of the body and the corresponding owner’s equipment identification number.

§ 3300.70 Issuance of certificate.

The ATP manager will evaluate the documents received and, for equipment deemed qualified, will issue a U.S. ATP certificate to the applicant within 30 days of the receipt of an application and any relevant information required. The certificate will be in the format prescribed in ATP, Annex 1, Appendix 3. For equipment deemed not qualified, the applicant will be advised of the reasons for non-qualification within 30 days of the receipt of an application and any relevant information required.

§ 3300.73 Period of validity of certificates.

In accordance with ATP, Annex 1, Appendix 1, paragraphs 1(a) and 1(b), certificates issued for new equipment are valid for a period of 6 years from date of issue.

Subpart G—Certification of Equipment in Service

§ 3300.76 General.

Only domestic owners are eligible to receive U.S. ATP certificates for equipment in service, with certification based upon the following:

(a) For equipment which has not previously been certified:

(1) For each unit of equipment, a test in a U.S. ATP testing station or in a testing station located in and approved by a country which is a Contracting
§ 3300.79 Party, to measure the K-coefficient of the insulated body and the efficiency of the thermal appliance in accordance with §3300.10 and §3300.13 of this rule.

(2) If the equipment consists of serially-produced equipment manufactured by a particular equipment manufacturer, and belonging to one owner, certification may be based upon the following:

(i) A test of 1 percent of the units of equipment as prescribed in preceding paragraph (a)(1) of this section, the units tested to serve as reference equipment.

(ii) An inspection of each unit of equipment, using the procedures set forth in ATP, Annex 1, Appendix 2, paragraphs 29 and 49. The inspections shall be performed by one of the following, at the choice of the owner:

(A) Persons in the owner's organization whom the owner deems qualified to perform inspections, or;

(B) By an independent inspection agency which the owner deems competent to perform inspections. Fees charged by such inspection agency shall be payable directly to the agency by the owner.

(iii) A report of each inspection shall be completed on a form corresponding to the pertinent test report model in ATP, Annex 1, Appendix 2. Report forms may be obtained by a request to the ATP manager.

(b) For renewal of a U.S. ATP certificate which is nearing its expiration date, any of the following three procedures:

(1) For each unit of equipment, a test as prescribed in preceding paragraph (a)(1) of this section, or;

(2) If the equipment is serially-produced by a particular manufacturer and belongs to one owner, test and inspection of the equipment according to the procedures prescribed in preceding paragraphs (a)(2)(i), (ii), and (iii) of this section, or;

(3) An inspection of each unit of equipment as prescribed in paragraphs (a)(2)(ii) and (iii) of this section.

(c) For equipment which is currently certified according to a U.S. ATP certificate, and which has been transferred from one domestic owner to another, the new owner may obtain a U.S. ATP certificate by submitting the original or certified true copy of the certificate issued to the previous owner, and by performing an inspection and submitting an inspection report for each unit of equipment.

(d) For equipment which is currently certified according to a Foreign-ATP certificate, and which has been transferred from a foreign owner to a domestic owner, the domestic owner may obtain a U.S. ATP certificate by submitting the original or certified true copy of the test report for the reference equipment and the original or certified true copy of the foreign certificate, and by performing an inspection and submitting an inspection report for each unit of equipment.

(e) Owners who receive a U.S. ATP certificate have the responsibility to maintain equipment in good repair and operating condition with the understanding that the certificate is valid only so long as:

(1) The insulated body and the thermal appliance are maintained in good condition;

(2) No material alteration is made to the thermal appliance which decreases its refrigeration capacity, and;

(3) If the thermal appliance is replaced, it is replaced by an appliance of equal or greater refrigerating capacity.

§ 3300.79 Application for certificate.

An application shall be submitted to the ATP manager by an officer in the organization of the owner of the equipment. Copies of the Form, Application for U.S. ATP Certificate for Equipment in Service, may be obtained by a request to the ATP manager. The following information is requested in the application:

(a) A statement that the owner is a domestic owner, with the name, address, and telephone number of its principal office, and name and title of person to contact.

(b) If the operator of the equipment is different from the owner, the name and address of the operator.

(c) The type of equipment (intermodal freight container, trailer, semitrailer, railcar, or truck).

(d) The total number of units of equipment.
(e) The definition of the equipment for which certification is sought, referring to ATP, Annex 1, paragraph 3 and Appendix 4.

(f) For equipment which has not been previously certified, one of the following:
   (1) For each unit of equipment, the original or certified true copy of the test report, or:
   (2) If the equipment is serially-produced by one manufacturer:
      (i) Name of manufacturer.
      (ii) The original or certified true copy of the test report(s) of 1 percent of the equipment which was tested to serve as reference equipment.
      (iii) A report of inspection for each unit of equipment.
   (g) For renewal of a U.S. ATP Certificate which is nearing its expiration date:
      (1) The original or certified true copy of that certificate, and;
      (2) One of the following, (i) (ii), or (iii):
         (i) For each unit of equipment, the original or certified true copy of the test report.
         (ii) If the equipment is serially-produced by one manufacturer:
              (A) Name of manufacturer.
              (B) The original or certified true copy of the test report(s) of 1 percent of the equipment which was tested to serve as reference equipment.
              (C) A report of inspection from each unit of equipment.
         (iii) A report of inspection for each unit of equipment.
   (h) For equipment which is currently certified according to a U.S. ATP certificate, and which has been transferred from one domestic owner to another:
      (1) The original or certified true copy of that certificate.
      (2) A report of inspection for each unit of equipment.
   (i) For equipment which is currently certified according to a Foreign-ATP certificate, and which has been transferred from a foreign owner to a domestic owner:
      (1) The original or certified true copy of the test report for the reference equipment.
      (2) The original or certified true copy of the Foreign-ATP certificate.
   (3) A report of inspection for each unit of equipment.
   (j) A statement that each unit of equipment has, or will have, affixed to it a certification plate and distinguishing mark as prescribed in ATP, Annex 1, Appendix 1, paragraphs 4 and 5, and Appendices 3 and 4.
   (k) A list showing, for each unit of equipment, the serial number of the body and the corresponding owner’s equipment identification number.

§ 3300.85 Issuance of certificate.

The ATP manager will evaluate documents received and, for equipment deemed qualified, will issue a U.S. ATP certificate to the applicant within 30 days of receipt of the application and any relevant information required. The certificate will be in the format prescribed in ATP, Annex 1, Appendix 3. For equipment deemed not qualified, the applicant will be advised of reasons for non-qualification within 30 days of receipt of an application and any relevant information required.

§ 3300.85 Period of validity of certificates.

In accordance with ATP, Annex 1, Appendix 1, paragraphs 1(b), and Appendix 2, paragraphs 29(c) and 49(b) and (d), considered in combination, certificates will be valid for periods as follows:
   (a) For equipment which passes a test, 6 years.
   (b) For serially-produced equipment of which 1 percent have passed a test, and all units have been inspected and passed such inspection, 6 years.
   (c) For renewal of a U.S. ATP certificate which is nearing its expiration date, where the equipment has passed an inspection but has not been tested, 3 years.
   (d) For equipment currently certified according to a U.S. ATP certificate, where the equipment has been transferred from one domestic owner to another and the equipment has passed an inspection, 3 years or the date of expiration of the current U.S. ATP certificate, whichever gives the later expiration date on the new U.S. ATP certificate.
§ 3300.88

(e) For equipment currently certified according to a Foreign-ATP certificate, where the equipment has been transferred from a foreign owner to a domestic owner and the equipment has passed an inspection, 3 years or the date of expiration of the foreign certificate, whichever gives the later expiration date on the newly issued U.S. ATP certificate.

Subpart H—Other Provisions

§ 3300.88 Fees for U.S. ATP certificates.

The fee schedule for issuance of U.S. ATP certificates by the U.S. Department of Agriculture will be calculated according to the criteria in Circular A–25, issued by the Office of Management and Budget. Fees may be revised as required on an annual basis.

§ 3300.91 List of approved testing stations, approved testing laboratories, and fees for certificates.

A current list of U.S. ATP testing stations, U.S. ATP testing laboratories, and fees for issuance of U.S. ATP certificates may be obtained by request to the ATP manager.

§ 3300.94 Appeals.

Any organization aggrieved by an action in connection with this rule may obtain a review of such action by submitting pertinent information by letter to the Administrator. The decision of the Administrator is the final agency action.

PART 3400—SPECIAL RESEARCH GRANTS PROGRAM

Subpart A—General

§ 3400.1 Applicability of regulations.
(a) The regulations of this part apply to special research grants awarded under the authority of subsection (c) of the Competitive, Special, and Facilities Research Grant Act, as amended (7 U.S.C. 450i (c)), to facilitate or expand promising breakthroughs in areas of the food and agricultural sciences of importance to the United States. Subparts A and B, excepting this section, apply only to special research grants awarded under subsection (c)(1)(A). Subpart C, Peer and Merit Review Arranged by Grantees, and Subpart D, Annual Reports, apply to all grants awarded under subsection (c).

(b) Each year the Director of NIFA shall determine and announce through publication of a Notice in such publications as the FEDERAL REGISTER, professional trade journals, agency or program handbooks, the Catalog of Federal Domestic Assistance, or any other appropriate means, research program areas for which proposals will be solicited competitively, to the extent that funds are available.

(c) The regulations of this part do not apply to research, extension or education grants awarded by the Department of Agriculture under any other authority.

§ 3400.2 Definitions.
As used in this part:
(a) Director means the Director of the National Institute of Food and Agriculture (NIFA) and any other officer or employee of the Department of Agriculture to whom the authority involved may be delegated.
(b) Department means the Department of Agriculture.
(c) Principal investigator means a single individual designated by the grantee in the grant application and approved by the Director who is responsible for the scientific and technical direction of the project.
(d) Grantee means the entity designated in the grant award document as the responsible legal entity to whom a grant is awarded under this part.
(e) Research project grant means the award by the Director of funds to a grantee to assist in meeting the costs of conducting, for the benefit of the public, an identified project which is intended and designed to establish, discover, elucidate, or confirm information or the underlying mechanisms relating to a research program area identified in the annual solicitation of applications.
(f) Project means the particular activity within the scope of one or more of the research program areas identified in the annual solicitation of applications, which is supported by a grant award under this part.
§ 3400.3 Eligibility requirements.

(a) Except where otherwise prohibited by law, any State agricultural experiment station, all colleges and universities, other research institutions and organizations, Federal agencies, private organizations or corporations, and individuals, shall be eligible to apply for and to receive a special research project grant under this part, provided that the applicant qualifies as a responsible grantee under the criteria set forth in paragraph (b) of this section.

(b) To qualify as responsible, an applicant must meet the following standards as they relate to a particular project:

(1) Have adequate financial resources for performance, the necessary experience, organizational and technical qualifications, and facilities, or a firm commitment, arrangement, or ability to obtain such (including proposed sub-agreements);

(2) Be able to comply with the proposed or required completion schedule for the project;

(3) Have a satisfactory record of integrity, judgment, and performance, including, in particular, any prior performance under grants and contracts from the Federal Government;

(4) Have an adequate financial management system and audit procedure which provides efficient and effective accountability and control of all property, funds, and other assets; and

(5) Be otherwise qualified and eligible to receive a research project grant under applicable laws and regulations.

(c) Any applicant who is determined to be not responsible will be notified in writing of such findings and the basis therefor.

§ 3400.4 How to apply for a grant.

(a) A request for proposals will be prepared and announced through publications such as the Federal Register, professional trade journals, agency or program handbooks, the Catalog of Federal Domestic Assistance, or any other appropriate means of solicitation, as early as practicable each fiscal year. It will contain information sufficient to enable all eligible applicants to prepare special research grant proposals and will be as complete as possible with respect to:

(1) Descriptions of specific research program areas which the Department proposes to support during the fiscal year involved, including anticipated funds to be awarded;

(2) Deadline dates for having proposal packages postmarked;

(3) Name and address where proposals should be mailed;

(4) Number of copies to be submitted;

(5) Forms required to be used when submitting proposals; and

(6) Special requirements.
(b) Grant Application Kit. A Grant Application Kit will be made available to any potential grant applicant who requests a copy. This kit contains required forms, certifications, and instructions applicable to the submission of grant proposals.

(c) Format for research grant proposals. Unless otherwise stated in the specific program solicitation, the following applies:

(1) Grant Application. All research grant proposals submitted by eligible applicants should contain a Grant Application form, which must be signed by the proposing principal investigator(s) and endorsed by the cognizant authorized organizational representative who possesses the necessary authority to commit the applicant’s time and other relevant resources.

(2) Title of Project. The title of the project must be brief (80-character maximum), yet represent the major thrust of the research. This title will be used to provide information to the Congress and other interested parties who may be unfamiliar with scientific terms; therefore, highly technical words or phraseology should be avoided where possible. In addition, phrases such as “investigation of” or “research on” should not be used.

(3) Objectives. Clear, concise, complete, enumerated, and logically arranged statement(s) of the specific aims of the research must be included in all proposals.

(4) Procedures. The procedures or methodology to be applied to the proposed research plan should be explicitly stated. This section should include but not necessarily be limited to:

(i) A description of the proposed investigations and/or experiments in the sequence in which it is planned to carry them out;

(ii) Techniques to be employed, including their feasibility;

(iii) Kinds of results expected;

(iv) Means by which data will be analyzed or interpreted;

(v) Pitfalls which might be encountered; and

(vi) Limitations to proposed procedures.

(5) Justification. This section should describe:

(i) The importance of the problem to the needs of the Department and to the Nation, including estimates of the magnitude of the problem.

(ii) The importance of starting the work during the current fiscal year, and

(iii) Reasons for having the work performed by the proposing organization.

(6) Literature review. A summary of pertinent publications with emphasis on their relationship to the research should be provided and should include all important and recent publications. The citations should be accurate, complete, written in acceptable journal format, and be appended to the proposal.

(7) Current research. The relevancy of the proposed research to ongoing and, as yet, unpublished research of both the applicant and any other institutions should be described.

(8) Facilities and equipment. All facilities, including laboratories, which are available for use or assignment to the proposed research project during the requested period of support, should be reported and described. Any materials, procedures, situations, or activities, whether or not directly related to a particular phase of the proposed research, and which may be hazardous to personnel, must be fully explained, along with an outline of precautions to be exercised. All items of major instrumentation available for use or assignment to the proposed research project during the requested period of support should be itemized. In addition, items of nonexpendable equipment needed to conduct and bring the proposed project to a successful conclusion should be listed.

(9) Collaborative arrangements. If the proposed project requires collaboration with other research scientists, corporations, organizations, agencies, or entities, such collaboration must be fully explained and justified. Evidence should be provided to assure peer reviewers that the collaborators involved agree with the arrangements. It should be specifically indicated whether or not such collaborative arrangements have the potential for any conflict(s) of interest. Proposals which indicate collaborative involvement must state
which proposer is to receive any resulting grant award, since only one eligible applicant, as provided in §3400.3 of this part, may be the recipient of a research project grant under one proposal.

(10) Research timetable. The applicant should outline all important research phases as a function of time, year by year.

(11) Personnel support. All personnel who will be involved in the research effort must be clearly identified. For each scientist involved, the following should be included:
   (i) An estimate of the time commitments necessary;
   (ii) Vitae of the principal investigator(s), senior associate(s), and other professional personnel to assist reviewers in evaluating the competence and experience of the project staff. This section should include curricula vitae of all key persons who will work on the proposed research project, whether or not Federal funds are sought for their support. The vitae are to be no more than two pages each in length, excluding publications listings; and
   (iii) A chronological listing of the most representative publications during the past five years shall be provided for each professional project member for whom a curriculum vitae appears under this section. Authors should be listed in the same order as they appear on each paper cited, along with the title and complete reference as these usually appear in journals.

(12) Budget. A detailed budget is required for each year of requested support. In addition, a summary budget is required detailing requested support for the overall project period. A copy of the form which must be used for this purpose, along with instructions for completion, is included in the Grant Application Kit identified under §3400.4(b) of this part and may be reproduced as needed by applicants. Funds may be requested under any of the categories listed, provided that the item or service for which support is requested is allowable under applicable Federal cost principles and can be identified as necessary for successful conduct of the proposed research project. No funds will be awarded for the renovation or refurbishment of research spaces; purchases or installation of fixed equipment in such spaces; or for the planning, repair, rehabilitation, acquisition, or construction of a building or facility. All research project grants awarded under this part shall be issued without regard to matching funds or cost sharing.

(13) Research involving special considerations. A number of situations encountered in the conduct of research require special information and supporting documentation before funding can be approved for the project. If such situations are anticipated, the proposal must so indicate. It is expected that a significant number of special research grant proposals will involve the following:
   (i) Recombinant DNA molecules. All key personnel identified in a proposal and all endorsing officials of a proposed performing entity are required to comply with the guidelines established by the National Institutes of Health entitled, “Guidelines for Research Involving Recombinant DNA Molecules,” as revised. The Grant Application Kit, identified above in §3400.4(b), contains forms which are suitable for such certification of compliance.
   (ii) Human subjects at risk. Responsibility for safeguarding the rights and welfare of human subjects used in any research project supported with grant funds provided by the Department rests with the performing entity. Regulations have been issued by the Department under 7 CFR Part 1c, Protection of Human Subjects. In the event that a project involving human subjects at risk is recommended for award, the applicant will be required to submit a statement certifying that the research plan has been reviewed and approved by the Institutional Review Board at the proposing organization or institution. The Grant Application Kit, identified above in §3400.4(b), contains forms which are suitable for such certification.
   (iii) Laboratory animal care. The responsibility for the humane care and treatment of any laboratory animal, which has the same meaning as “animal” in section 2(g) of the Animal Welfare Act of 1966, as amended (7 U.S.C. 2132(g)), used in any research project supported with Special Research Grants Program funds rests with the
performing organization. In this regard, all key personnel identified in a proposal and all endorsing officials of the proposed performing entity are required to comply with applicable provisions of the Animal Welfare Act of 1966, as amended (7 U.S.C. 2131 et. seq.) and the regulation promulgated thereunder by the Secretary of Agriculture in 9 CFR parts 1, 2, 3, and 4. In the event that a project involving the use of a laboratory animal is recommended for award, the applicant will be required to submit a statement certifying such compliance. The Grant Application Kit, identified above in § 3400.4(b), contains forms which are suitable for such certification.

(14) **Current and pending support.** All proposals must list any other current public or private research support, in addition to the proposed project, to which key personnel listed in the proposal under consideration have committed portions of their time, whether or not salary support for the person(s) involved is included in the budgets of the various projects. This section must also contain analogous information for all projects underway and for pending research proposals which are currently being considered by, or which will be submitted in the near future to, other possible sponsors, including other Departmental programs or agencies. Concurrent submission of identical or similar projects to other possible sponsors will not prejudice its review or evaluation by the Director for this purpose. The Grant Application Kit, identified above in § 3400.4(b), contains a form which is suitable for listing current and pending support.

(15) **Additions to project description.** Each project description is expected by the Director, members of peer review groups, and the relevant program staff to be complete in itself. However, in those instances in which the inclusion of additional information is necessary, the number of copies submitted should match the number of copies of the application requested in the annual solicitation of proposals as indicated in § 3400.4(a)(4). Each set of such materials must be identified with the title of the research project as it appears in the Grant Application and the name(s) of the principal investigator(s). Examples of additional materials may include photographs which do not reproduce well, reprints, and other pertinent materials which are deemed to be unsuitable for inclusion in the proposal.

(16) **Organizational management information.** Specific management information relating to an applicant shall be submitted on a one-time basis prior to the award of a research project grant identified under this part if such information has not been provided previously under this or another program for which the sponsoring agency is responsible. Copies of forms recommended for use in fulfilling the requirements contained in this section will be provided by the agency specified in this part once a research project grant has been recommended for funding.

§ 3400.5 **Evaluation and disposition of applications.**

(a) **Evaluation.** All proposals received from eligible applicants in accordance with eligible research problem or program areas and deadlines established in the applicable request for proposals shall be evaluated by the Director through such officers, employees, and others as the Director determines are uniquely qualified in the areas of research represented by particular projects. To assist in equitably and objectively evaluating proposals and to obtain the best possible balance of viewpoints, the Director shall solicit the advice of peer scientists, ad hoc reviewers, or others who are recognized specialists in the research program areas covered by the applications received and whose general roles are defined in §§ 3400.2(j) and 3400.2(k). Specific evaluations will be based upon the criteria established in subpart B § 3400.15, unless NIFA determines that different criteria are necessary for the proper evaluation of proposals in one or more specific program areas, and announces such criteria and their relative importance in the annual program solicitation. The overriding purpose of such evaluations is to provide information upon which the Director can make
informed judgments in selecting proposals for ultimate support. Incomplete, unclear, or poorly organized applications will work to the detriment of applicants during the peer evaluation process. To ensure a comprehensive evaluation, all applications should be written with the care and thoroughness accorded papers for publication.

(b) Disposition. On the basis of the Director’s evaluation of an application in accordance with paragraph (a) of this section, the Director will

1. Approve support using currently available funds.
2. Defer support due to lack of funds or a need for further evaluations, or
3. Disapprove support for the proposed project in whole or in part.

With respect to approved projects, the Director will determine the project period (subject to extension as provided in §3400.7(c)) during which the project may be supported. Any deferral or disapproval of an application will not preclude its reconsideration or a reapplication during subsequent fiscal years.

§ 3400.6 Grant awards.

(a) General. Within the limit of funds available for such purpose, the awarding official shall make research project grants to those responsible, eligible applicants whose proposals are judged most meritorious in the announced program areas under the evaluation criteria and procedures set forth in this part. The date specified by the Director as the beginning of the project period shall be no later than September 30 of the Federal fiscal year in which the project is approved for support and funds are appropriated for such purpose, unless otherwise permitted by law. All funds granted under this part shall be expended solely for the purpose for which the funds are granted in accordance with the approved application and budget, the regulations of this part, the terms and conditions of the award, the applicable Federal cost principles, and 2 CFR part 20 (part 3015 of this title).

(b) Grant award document and notice of grant award—(1) Grant award document. The grant award document shall include at a minimum the following:

(i) Legal name and address of performing organization or institution to whom the Director has awarded a special research project grant under the terms of this part;
(ii) Title of project;
(iii) Name(s) and address(es) of principal investigator(s) chosen to direct and control approved activities;
(iv) Identifying grant number assigned by the Department;
(v) Project period, which specifies how long the Department intends to support the effort without requiring recompetition for funds;
(vi) Total amount of Departmental financial assistance approved by the Director during the project period;
(vii) Legal authority(ies) under which the research project grant is awarded to accomplish the purpose of the law;
(viii) Approved budget plan for categorizing allocable project funds to accomplish the stated purpose of the research project grant award; and
(ix) Other information or provisions deemed necessary by the Department to carry out its granting activities or to accomplish the purpose of a particular research project grant.

(2) Notice of grant award. The notice of grant award, in the form of a letter, will be prepared and will provide pertinent instructions or information to the grantee that is not included in the grant award document.

(c) Categories of grant instruments. The major categories of grant instruments shall be as follows:

(1) Standard grant. This is a grant instrument by which the Department agrees to support a specified level of research effort for a predetermined project period without the announced intention of providing additional support at a future date. This type of research project grant is approved on the basis of peer review and recommendation and is funded for the entire project period at the time of award.

(2) Renewal grant. This is a document by which the Department agrees to provide additional funding under a standard grant as specified in paragraph (c)(1) of this section for a project period beyond that approved in an original or amended award, provided that the cumulative period does not exceed the statutory limitation. When a
renewal application is submitted, it should include a summary of progress to date under the previous grant instrument. Such a renewal shall be based upon new application, de novo peer review and staff evaluation, new recommendation and approval, and a new award instrument.

(3) **Continuation grant.** This is a grant instrument by which the Department agrees to support a specified level of effort for a predetermined period of time with a statement of intention to provide additional support at a future date, provided that performance has been satisfactory, appropriations are available for this purpose, and continued support would be in the best interests of the Federal Government and the public. It involves a long-term research project that is considered by peer reviewers and Departmental officers to have an unusually high degree of scientific merit, the results of which are expected to have a significant impact on the food and agricultural sciences, and it supports the efforts of experienced scientists with records of outstanding research accomplishments. This kind of document will normally be awarded for an initial one-year period and any subsequent continuation research project grants will also be awarded in one-year increments. The award of a continuation research project grant to fund an initial or succeeding budget period does not constitute an obligation to fund any subsequent budget period. A grantee must submit a separate application for continued support for each subsequent fiscal year. Requests for such continued support must be submitted in duplicate at least three months prior to the expiration date of the budget period currently being funded. Such requests must include: an interim progress report detailing all work performed to date; a Grant Application; a proposed budget for the ensuing period, including an estimate of funds anticipated to remain unobligated at the end of the current budget period; and current information regarding other extramural support for senior personnel. Decisions regarding continued support and the actual funding levels of such support in future years will usually be made administratively after consideration of such factors as the grantee’s progress and management practices and within the context of available funds. Since initial peer reviews were based upon the full term and scope of the original special research grant application, additional evaluations of this type generally are not required prior to successive years’ support. However, in unusual cases (e.g., when the nature of the project or key personnel change or when the amount of future support requested substantially exceeds the grant application originally reviewed and approved), additional reviews may be required prior to approving continued funding.

(4) **Supplemental grant.** This is an instrument by which the Department agrees to provide small amounts of additional funding under a standard, renewal, or continuation grant as specified in paragraphs (c)(1), (c)(2), and (c)(3) of this section and may involve a short-term (usually six months or less) extension of the project period beyond that approved in an original or amended award, but in no case may the cumulative period of the project, including short-term extensions, exceed the statutory time limitation. A supplement is awarded only if required to assure adequate completion of the original scope of work and if there is sufficient justification of need to warrant such action. A request of this nature normally does not require additional peer review.

(d) **Obligation of the Federal Government.** Neither the approval of any application nor the award of any research project grant shall commit or obligate the United States in any way to make any renewal, supplemental, continuation, or other award with respect to any approved application or portion of an approved application.

§ 3400.7 **Use of funds; changes.**

(a) **Delegation of fiscal responsibility.** The grantee may not delegate or transfer in whole or in part, to another person, institution, or organization the responsibility for use or expenditure of grant funds.

(b) **Change in project plans.** (1) The permissible changes by the grantee,
principal investigator(s), or other key project personnel in the approved research project grant shall be limited to changes in methodology, techniques, or other aspects of the project to expedite achievement of the projects’ approved goals. If the grantee or the principal investigator(s) is uncertain as to whether a change complies with this provision, the question must be referred to the Director for a final determination.

(2) Changes in approved goals, or objectives, shall be requested by the grantee and approved in writing by the Department prior to effecting such changes. In no event shall requests for such changes be approved which are outside the scope of the original approved project.

(3) Changes in approved project leadership or the replacement or reassignment of other key project personnel shall be requested by the grantee and approved in writing by the Department prior to effecting such changes.

(4) Transfers of actual performance of the substantive programmatic work in whole or in part and provisions for payment of funds, whether or not Federal funds are involved, shall be requested by the grantee and approved in writing by the Department prior to effecting such changes.

(c) Changes in project period. The project period determined pursuant to §3400.5(b) may be extended by the Director without additional financial support for such additional period(s) as the Director determines may be necessary to complete or fulfill the purposes of an approved project. Any extension, when combined with the originally approved or amended project period shall not exceed three (3) years (the limitation established by statute) and shall be further conditioned upon prior request by the grantee and approval in writing by the Department, unless prescribed otherwise in the terms and conditions of the grant award.

(d) Changes in approved budget. The terms and conditions of a grant will prescribe circumstances under which written Departmental approval will be requested and obtained prior to instituting changes in an approved budget.

§3400.8 Other Federal statutes and regulations that apply.

(a) The Office of Management and Budget (“OMB”) issued guidance on Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR part 200 on December 26, 2013. In 2 CFR 400.1, the Department adopted OMB’s guidance in subparts A through F of 2 CFR part 200, as supplemented by 2 CFR part 400, as the Department’s policies and procedures for uniform administrative requirements, cost principles, and audit requirements for federal awards. As a result, this regulation contains references to 2 CFR part 200 as it has regulatory effect for the Department’s programs and activities."

(b) Several other Federal statutes and/or regulations apply to grant proposals considered for review or to research project grants awarded under this part. These include but are not limited to:

2 CFR part 200—Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.

2 CFR part 180 and Part 417—OMB Guidelines to Agencies on Government-Wide Debarment and Suspension (Nonprocurement) and USDA Nonprocurement Debarment and Suspension.

7 CFR part 3407—NIFA procedures to implement the National Environmental Policy Act.

29 U.S.C. 794, section 504—Rehabilitation Act of 1973, and 7 CFR part 15B (USDA implementation of statute), prohibiting discrimination based upon physical or mental handicap in Federally assisted programs.

35 U.S.C. 200 et seq.—Bayh-Dole Act, controlling allocation of rights to inventions made by employees of small business firms and domestic nonprofit organizations, including universities, in Federally assisted...
programs (implementing regulations are contained in 37 CFR part 401).

[79 FR 75997, Dec. 19, 2014]

§ 3400.9 Other conditions.
The Director may, with respect to any research project grant or to any class of awards, impose additional conditions prior to or at the time of any award when, in the Director’s judgment, such conditions are necessary to assure or protect advancement of the approved project, the interests of the public, or the conservation of grant funds.

Subpart B—Scientific Peer Review of Research Grant Applications

§ 3400.10 Establishment and operation of peer review groups.
Subject to § 3400.5, the Director will adopt procedures for the conduct of peer reviews and the formulation of recommendations under § 3400.14.

§ 3400.11 Composition of peer review groups.
(a) Peer review group members will be selected based upon their training and experience in relevant scientific or technical fields, taking into account the following factors:
1. The level of formal scientific or technical education by the individual;
2. The extent to which the individual has engaged in relevant research, the capacities in which the individual has done so (e.g., principal investigator, assistant), and the quality of such research;
3. Professional recognition as reflected by awards and other honors received from scientific and professional organizations outside of the Department;
4. The need of the group to include within its membership experts from various areas of specialization within relevant scientific or technical fields;
5. The need of the group to include within its membership experts from a variety of organizational types (e.g., universities, industry, private consultant(s)) and geographic locations; and
6. The need of the group to maintain a balanced membership, e.g., minority and female representation and an equitable age distribution.

(b) [Reserved]

§ 3400.12 Conflicts of interest.
Members of peer review groups covered by this part are subject to relevant provisions contained in Title 18 of the United States Code relating to criminal activity, Department regulations governing employee responsibilities and conduct (part O of this title), and Executive Order 11222, as amended.

§ 3400.13 Availability of information.
Information regarding the peer review process will be made available to the extent permitted under the Freedom of Information Act (5 U.S.C. 552), the Privacy Act (5 U.S.C. 552a), and implementing Departmental regulations (part 1 of this title).

§ 3400.14 Proposal review.
(a) All research grant applications will be acknowledged. Prior to technical examination, a preliminary review will be made for responsiveness to the request for proposals (e.g., relationship of application to research program area). Proposals which do not fall within the guidelines as stated in the annual request for proposals will be eliminated from competition and will be returned to the applicant. Proposals whose budgets exceed the maximum allowable amount for a particular program area as announced in the applicable request for proposals may be considered as lying outside the guidelines.

(b) All applications will be carefully reviewed by the Director, qualified officers or employees of the Department, the respective peer review group, and ad hoc reviewers, as required. Written comments will be solicited from ad hoc reviewers when required, and individual written comments and in-depth discussions will be provided by peer review group members prior to recommending applications for funding. Applications will be ranked and support levels recommended within the limitation of total available funding for each research program area as announced in the applicable request for proposals.

(c) No awarding official will make a research project grant based upon an application covered by this part unless the application has been reviewed by a
peer review group and/or \textit{ad hoc} reviewers in accordance with the provisions of this part and said reviewers have made recommendations concerning the scientific merit of such application.

(d) Except to the extent otherwise provided by law, such recommendations are advisory only and are not binding on program officers or on the awarding official.

\section*{§ 3400.15 Review criteria.}

(a) Subject to the varying conditions and needs of States, Federal funded agricultural research supported under these provisions shall be designed to, among other things, accomplish one or more of the following purposes:

1. Continue to satisfy human food and fiber needs;

2. Enhance the long-term viability and competitiveness of the food production and agricultural system of the United States within the global economy;

3. Expand economic opportunities in rural America and enhance the quality of life for farmers, rural citizens, and society as a whole;

4. Improve the productivity of the American agricultural system and develop new agricultural crops and new uses for agricultural commodities;

5. Develop information and systems to enhance the environment and the natural resource base upon which a sustainable agricultural economy depends; or

In carrying out its review under \S 3400.14, the peer review group will use the following form upon which the evaluation criteria to be used are enumerated, unless pursuant to \S 3400.5(a), different evaluation criteria are specified in the annual solicitation of proposals for a particular program.

Summary Comments

(b) Proposals satisfactorily meeting the guidelines will be evaluated and scored by the peer review panel for each criterion utilizing a scale of 1 through 10. A score of one (1) will be considered low and a score of ten (10) will be considered high for each selection criterion. A weighted factor is used for each criterion.

\section*{Subpart C—Peer and Merit Review Arranged by Grantees}

\textbf{Source:} 64 FR 34104, June 24, 1999, unless otherwise noted.

\section*{§ 3400.20 Grantee review prior to award.}

(a) \textit{Review requirement.} Prior to the award of a standard or continuation grant by NIFA, any proposed project shall have undergone a review arranged by the grantee as specified in this subpart. For research projects, such review must be a scientific peer review conducted in accordance with \S 3400.21. For education and extension projects, such review must be a merit review conducted in accordance with \S 3400.22.

(b) \textit{Credible and independent.} Review arranged by the grantee must provide for a credible and independent assessment of the proposed project. A credible review is one that provides an appraisal of technical quality and relevance sufficient for an organizational representative to make an informed judgment as to whether the proposal is
appropriate for submission for Federal support. To provide for an independent review, such review may include USDA employees, but should not be conducted solely by USDA employees.

(c) Notice of completion and retention of records. A notice of completion of review shall be conveyed in writing to NIFA either as part of the submitted proposal or prior to the issuance of an award, at the option of NIFA. The written notice constitutes certification by the applicant that a review in compliance with these regulations has occurred. Applicants are not required to submit results of the review to NIFA; however, proper documentation of the review process and results should be retained by the applicant.

(d) Renewal and supplemental grants. Review by the grantee is not automatically required for renewal or supplemental grants as defined in §3400.6. A subsequent grant award will require a new review if, according to NIFA, either the funded project has changed significantly, other scientific discoveries have affected the project, or the need for the project has changed. Note that a new review is necessary when applying for another standard or continuation grant after expiration of the grant term.

§ 3400.21 Scientific peer review for research activities.

Scientific peer review is an evaluation of a proposed project for technical quality and relevance to regional or national goals performed by experts with the scientific knowledge and technical skills to conduct the proposed research work. Peer reviewers may be selected from an applicant organization or from outside the organization, but shall not include principals, collaborators or others involved in the preparation of the application under review.

§ 3400.22 Merit review for education and extension activities.

Merit review is an evaluation of a proposed project or elements of a proposed program whereby the technical quality and relevance to regional or national goals are assessed. The merit review shall be performed by peers and other individuals with expertise appropriate to evaluate the proposed project. Merit reviewers may not include principals, collaborators or others involved in the preparation of the application under review.

Subpart D—Annual Reports

§ 3400.23 Annual reports.

(a) Reporting requirement. The recipient shall submit an annual report describing the results of the research, extension, or education activity and the merit of the results.

(b) Report type and content. Unless otherwise stipulated, grant recipients will have met the reporting requirement under this subpart by complying with the reporting requirements as set forth in the terms and conditions of the grant at the time of award.

[64 FR 34104, June 24, 1999]
§ 3401.1 Applicability of regulations of this part.

(a) The regulations of this part apply to rangeland research grants awarded under the authority of section 1480 of the National Agricultural Research, Extension, and Teaching Policy Act of 1977, as amended (7 U.S.C. 3333) to land-grant colleges and universities, State agricultural experiment stations, and colleges, universities, and Federal laboratories having a demonstrable capacity in rangeland research, as determined by the Secretary, to carry out rangeland research. The Director of the National Institute of Food and Agriculture (NIFA) shall determine and announce, through publication each year of a Notice in the FEDERAL REGISTER, professional trade journals, agency or program handbooks, the catalog of Federal Domestic Assistance or any other appropriate means, research program areas for which proposals will be solicited, to the extent that funds are available.

(b) The regulations of this part do not apply to research grants awarded by the Department of Agriculture under any other authority.

§ 3401.2 Definitions.

As used in this part:

(a) Director means the Director of NIFA and any other officer or employee of the Department of Agriculture to whom the authority involved may be delegated.

(b) Department means the Department of Agriculture.

(c) Principal investigator means a single individual designated by the grantee in the application for funding and approved by the Director who is responsible for the scientific and technical direction of the project.

(d) Grantee means the entity designated in the grant award document as the responsible legal entity to whom a grant is awarded under this part.

(e) Research project grant means the award by the Director of funds to a grantee to assist in meeting the costs of conducting, for the benefit of the public, an identified project which is intended and designed to establish, discover, elucidate, or confirm information or the underlying mechanisms relating to a research program area identified in the annual solicitation of applications.

(f) Project means the particular activity within the scope of one or more of the research program areas identified in the annual solicitation of applications, which is supported by a grant award under this part.

(g) Project period means the total length of time that is approved by the Director for conducting the research project as outlined in an approved application for funding.

(h) Budget period means the interval of time (usually 12 months) into which the project period is divided for budgetary and reporting purposes.

(i) Awarding official means the Director and any other officer or employee of the Department to whom the authority to issue or modify research project grant instruments has been delegated.

(j) Peer review group means an assembled group of experts or consultants qualified by training or experience in particular scientific or technical fields to give expert advice, in accordance with the provisions of this part, on the scientific and technical merit of applications for funding in those fields.

(k) Ad hoc reviewers means experts or consultants qualified by training or experience in particular scientific or technical fields to render special expert advice, whose written evaluations of applications for funding are designed to complement the expertise of the peer review group, in accordance with the provisions of this part, on the scientific or technical merit of applications for funding in those fields.

(l) Research means any systematic study directed toward new or fuller knowledge and understanding of the subject studied.

(m) Methodology means the project approach to be followed and the resources needed to carry out the project.

§ 3401.3 Eligibility requirements.

(a) Except where otherwise prohibited by law, any land-grant college and university, State agricultural experiment station, and college, university,
§ 3401.6 How to apply for a grant.

(a) General. After consultation with the Rangeland Research Advisory Board, established pursuant to section 1482 of the National Agricultural Research, Extension, and Teaching Policy Act of 1977, as amended (7 U.S.C. 3335), a request for proposals will be prepared and announced through publications such as the FEDERAL REGISTER, professional trade journals, agency or program handbooks, the Catalog of Federal Domestic Assistance, or any other appropriate means of solicitation, as early as practicable each fiscal year. It will contain information sufficient to enable all eligible applicants to prepare rangeland research grant proposals and will be as complete as possible with respect to:

(1) Descriptions of specific research program areas which the Department proposes to support during the fiscal year involved, including anticipated funds to be awarded;

(2) Deadline dates for having proposal packages postmarked;

(3) Name and address where proposals should be mailed;

(4) Number of copies to be submitted;

(5) Forms required to be used when submitting proposals; and

(6) Special requirements.

(b) Application kit. An Application Kit will be made available to any potential grant applicant who requests a copy. This kit contains required forms, certifications, and instructions applicable to the submission of grant proposals.

(c) Format for research grant proposals. Unless otherwise stated in the specific program solicitation, the following format applies:

(1) Application for funding. All research grant proposals submitted by eligible applicants should contain an Application for Funding form, which must
be signed by the proposing principal investigator(s) and endorsed by the cognizant authorized organizational representative who possesses the necessary authority to commit the applicant’s time and other relevant resources.

(2) Title of project. The title of the project must be brief (80-character maximum), yet represent the major thrust of the research. This title will be used to provide information to the Congress and other interested parties who may be unfamiliar with scientific terms; therefore, highly technical words or phraseology should be avoided where possible. In addition, phrases such as “investigation of” or “research on” should not be used.

(3) Objectives. Clear, concise, complete, enumerated, and logically arranged statement(s) of the specific aims of the research must be included in all proposals.

(4) Procedures. The procedures of methodology to be applied to the proposed research plan should be stated explicitly. This section should include but not necessarily be limited to:
   (i) A description of the proposed investigations and/or experiments in the sequence in which it is planned to carry them out;
   (ii) Techniques to be employed, including their feasibility;
   (iii) Kinds of results expected;
   (iv) Means by which data will be analyzed or interpreted;
   (v) Pitfalls which might be encountered; and
   (vi) Limitations to proposed procedures.

(5) Justification. This section of the grant proposal should describe:
   (i) The importance of the problem to the needs of the Department and to the Nation, including estimates of the magnitude of the problem;
   (ii) The importance of starting the work during the current fiscal year; and
   (iii) Reasons for having the work performed by the proposing organization.

(6) Literature review. A summary of pertinent publications with emphasis on their relationship to the research should be provided and should include all important and recent publications. The citations should be accurate, complete, written in acceptable journal format, and be appended to the proposal.

(7) Current research. The relevancy of the proposed research to ongoing and, as yet, unpublished research of both the applicant and any other institutions should be described.

(8) Facilities and equipment. All facilities, including laboratories, that are available for use or assignment to the proposed research project during the requested period of support, should be reported and described. Any materials, procedures, situations, or activities, whether or not directly related to a particular phase of the proposed research, and which may be hazardous to personnel, must be explained fully, along with an outline of precautions to be exercised. All items of major instrumentation available for use or assignment to the proposed research project during the requested period of support should be itemized. In addition, items of nonexpendable equipment needed to conduct and bring the proposed project to a successful conclusion should be listed.

(9) Collaborative arrangements. If the proposed project requires collaboration with other research scientists, corporations, organizations, agencies, or entities, such collaboration must be explained fully and justified. Evidence should be provided to assure peer reviewers that the collaborators involved agree with the arrangements. It should be specifically indicated whether or not such collaborative arrangements have the potential for any conflict(s) of interest. Proposals which indicate collaborative involvements must state which applicant is to receive any resulting grant award, since only one eligible applicant, as provided in §3401.3, may be the recipient of a research project grant under one proposal.

(10) Research timetable. The applicant should outline all important research phases as a function of time, year by year.

(11) Personnel support. All personnel who will be involved in the research effort must be identified clearly. For each scientist involved, the following should be included:
   (i) An estimate of the time commitments necessary;
(ii) Vitae of the principal investigator(s), senior associate(s), and other professional personnel to assist reviewers in evaluating the competence and experience of the project staff. This section should include curricula vitae of all key persons who will work on the proposed research project, whether or not Federal funds are sought for their support. The vitae are to be no more than two pages each in length, excluding publication listings; and

(iii) A chronological listing of the most representative publications during the past five years shall be provided for each professional project member of whom a curriculum vitae appears under this section. Authors should be listed in the same order as they appear on each paper cited, along with the title and complete reference as these usually appear in journals.

(12) Budget. A detailed budget is required for each year of requested support. In addition, a summary budget is required detailing requested support for the overall project period. A copy of the form which must be used for this purpose, along with instructions for completion, is included in the Application Kit identified under §3401.6(b) and may be reproduced as needed by applicants. Funds may be requested under any of the categories listed, provided that the item or service for which support is requested is allowable under applicable Federal cost principles and can be identified as necessary for successful conduct of the proposed research project. As stated in §3401.4 each grant recipient must match the Federal funds expended on a research project based on a formula of 50 percent Federal and 50 percent non-Federal funding. As stated in §3401.5, indirect costs and tuition remission costs are not allowable costs for purposes of this program and, thus, may not be used to satisfy the matching requirement set forth in §3401.4.

(13) Research involving special considerations. A number of situations encountered in the conduct of research require special information and supporting documentation before funding can be approved for the project. If such situations are anticipated, the proposal must so indicate. It is expected that a significant number of rangeland grant proposals will involve the following:

(i) Recombinant DNA molecules. All key personnel identified in a proposal and all endorsing officials of a proposed performing entity are required to comply with the guidelines established by the National Institutes of Health entitled, “Guidelines for Research Involving Recombinant DNA Molecules,” as revised. The Application Kit, identified above in §3401.6(b), contains a form which is suitable for such certification of compliance. In the event a project involving recombinant DNA and RNA molecules results in a grant award, the Institutional Biosafety Committee must approve the research before NIFA funds will be released.

(ii) Human subjects at risk. Responsibility for safeguarding the rights and welfare of human subjects used in any research project supported with grant funds provided by the Department rests with the performing entity. Regulations have been issued by the Department under 7 CFR part 1c, Protection of Human Subjects. In the event that a project involving human subjects at risk is recommended for award, the applicant will be required to submit a statement certifying that the research plan has been reviewed and approved by the Institutional Review Board at the proposing organization or institution. The Application Kit, identified above in §3401.6(b), contains a form which is suitable for such certification. In the event a project involving human subjects results in a grant award, funds will be released only after the Institutional Committee has approved the project.

(iii) Laboratory animal care. The responsibility for the humane care and treatment of any laboratory animal, which has the same meaning as “animal” in section 2(g) of the Animal Welfare Act of 1966, as amended (7 U.S.C. 2132(g)), used in any research project supported with Rangeland Research Grant Program funds rests with the performing organization. In this regard, all key personnel identified in a proposal and all endorsing officials of the proposed performing entity are required to comply with the applicable provisions of the Animal Welfare Act of 1966, as amended (7 U.S.C. 2131 et seq.)
and the regulations promulgated thereunder by the Secretary of Agriculture in 9 CFR parts 1, 2, 3, and 4. In the event that a project involving the use of a laboratory animal is recommended for award, the applicant will be required to submit a statement certifying such compliance. The Application Kit, identified above in §3401.6(b), contains a form which is suitable for such certification. In the event a project involving the use of living vertebrate animals results in a grant award, funds will be released only after the Institutional Animal Care and Use Committee has approved the project.

(14) Current and pending support. All proposals must list any other current public or private research support, in addition to the proposed project, to which key personnel listed in the proposal under consideration have committed portions of their time, whether or not salary support for the person(s) involved is included in the budgets of the various projects. This section must also contain analogous information for all projects underway and for pending research proposals which are currently being considered by, or which will be submitted in the near future to, other possible sponsors, including other Departmental programs or agencies. Concurrent submission of identical or similar projects to other possible sponsors will not prejudice its review or evaluation by the Director or experts or consultants engaged by the Director for this purpose. The Application Kit, identified above in §3401.6(b), contains a form which is suitable for listing current and pending support.

(15) Additions to project description. Each project description is expected by the Director, members of peer review groups, and the relevant program staff to be complete in itself. However, in those instances in which the inclusion of additional information is necessary, the number of copies submitted should match the number of copies of the application requested in the annual solicitation of proposals as indicated in §3401.6(a)(4). Each set of such materials must be identified with the title of the research project as it appears in the Application for Funding and the name(s) of the principal investigator(s). Examples of additional materials may include photographs which do not reproduce well, reprints, and other pertinent materials which are deemed to be unsuitable for inclusion in the proposal.

(16) National Environmental Policy Act. As outlined in NIFA’s implementing regulations of the National Environmental Policy Act of 1969 (NEPA) at 7 CFR part 3407, environmental data or documentation for the proposed project is to be provided to NIFA in order to assist NIFA in carrying out its responsibilities under NEPA. These responsibilities include determining whether the project requires an Environmental Assessment or an Environmental Impact Statement or whether it can be excluded from this requirement on the basis of several categorical exclusions listed in 7 CFR part 3407. In this regard, the applicant should review the categories defined for exclusion to ascertain whether the proposed project may fall within one or more of the exclusions, and should indicate if it does so on the National Environmental Policy Act Exclusions Form (Form NIFA—1234) provided in the Application Kit. Even though the applicant considers that a proposed project may fall within a categorical exclusion, NIFA may determine that an Environmental Assessment or an Environmental Impact Statement is necessary for a proposed project should substantial controversy on environmental grounds exist or if other extraordinary conditions or circumstances are present that may cause such activity to have a significant environmental effect.

(17) Organizational management information. Specific management information relating to an applicant shall be submitted on an one-time basis prior to the award of a research project grant identified under this part if such information has not been provided previously under this part or another program for which the sponsoring agency is responsible. Copies of forms recommended for use in fulfilling the requirements contained in this section will be provided by the agency specified in this part once a research project grant has been recommended for funding.
§ 3401.7 Evaluation and disposition of applications.

(a) Evaluation. All proposals received from eligible applicants in accordance with eligible research problem or program areas and deadlines established in the applicable request for proposals shall be evaluated by the Director through such officers, employees, and others as the Director determines are particularly qualified in the areas of research represented by particular projects. To assist in equitably and objectively evaluating proposals and to obtain the best possible balance of viewpoints, the Director may solicit the advice of peer scientists, ad hoc reviewers, or others who are recognized specialists in the research program areas covered by the applications received. Specific evaluations will be based upon the criteria established in subpart B of this part, §3401.17, unless NIFA determines that different criteria are necessary for the proper evaluation of proposals in one or more specific program areas, and announces such criteria and their relative importance in the annual program solicitation. The overriding purpose of such evaluations is to provide information upon which the Director can make informed judgments in selecting proposals for ultimate support. Incomplete, unclear, or poorly organized applications will work to the detriment of applicants during the peer evaluation process. To ensure a comprehensive evaluation, all applications should be written with the care and thoroughness accorded papers for publication.

(b) Disposition. On the basis of the Director's evaluation of an application in accordance with paragraph (a) of this section, the Director will approve using currently available funds, defer support due to lack of funds or a need for further evaluations, or disapprove support for the proposed project in whole or in part. With respect to approved projects, the Director will determine the project period (subject to extension as provided in §3401.9(c)) during which the project may be supported. Any deferral or disapproval of an application will not preclude its reconsideration or a reapplication during subsequent fiscal years.

§ 3401.8 Grant awards.

(a) General. Within the limit of funds available for such purpose, the awarding official shall make research project grants to those responsible, eligible applicants whose proposals are judged most meritorious in the announced program areas under the evaluation criteria and procedures set forth in this part. The date specified by the Director as the beginning of the project period shall be no later than September 30 of the Federal fiscal year in which the project is approved for support and funds are appropriated for such purpose, unless otherwise permitted by law. All funds granted under this part shall be expended solely for the purpose for which the funds are granted in accordance with the approved application and budget, the regulations of this part, the terms and conditions of the award, the applicable Federal cost principles, and 2 CFR part 200 (parts 3015 and 3019 of this title).

(b) Grant award document and notice of grant award—(1) Grant award documents. The grant award document shall include at a minimum the following:
   (i) Legal name and address of performing organization or institution to whom the Director has awarded a rangeland research project grant under the terms of this part;
   (ii) Title of project;
   (iii) Name(s) and address(es) of principal investigator(s) chosen to direct and control approved activities;
   (iv) Identifying grant number assigned by the Department;
   (v) Project period, which specifies how long the Department intends to support the effort without requiring recompetition for funds;
   (vi) Total amount of Departmental financial assistance approved by the Director during the project period;
   (vii) Legal authority(ies) under which the research project grant is awarded to accomplish the purpose of the law;
   (viii) Approved budget plan for categorizing allocable project funds to accomplish the stated purpose of the research project grant award; and
   (ix) Other information or provisions deemed necessary by the Department to carry out its granting activities or to accomplish the purpose of a particular research project grant.
§ 3401.8

(2) Notice of grant award. The notice of grant award, in the form of a letter, will be prepared and will provide pertinent instructions or information to the grantee that is not included in the grant award document.

(c) Categories of grant instruments. The major categories of grant instruments by which the Department may provide support are as follows:

(1) Standard grant. This is a grant instrument by which the Department agrees to support a specified level of research effort for a predetermined project period without the announced intention of providing additional support at a future date. This type of research project grant is approved on the basis of peer review and recommendation and is funded for the entire project period at the time of award.

(2) Renewal grant. This is a document by which the Department agrees to provide additional funding under a standard grant as specified in paragraph (c)(1) of this section for a project period beyond that approved in an original or amended award, provided that the cumulative period does not exceed the statutory limitation. When a renewal application is submitted, it should include a summary of progress to date under the previous grant instrument. Such a renewal shall be based upon new application, de novo peer review and staff evaluation, new recommendation and approval, and a new award instrument.

(3) Continuation grant. This is a grant instrument by which the Department agrees to support a specified level of effort for a predetermined period of time with a statement of intention to provide additional support at a future date, provided that performance has been satisfactory, appropriations are available for this purpose, and continued support would be in the best interests of the Federal government and the public. It involves a long-term research project that is considered by peer reviewers and Departmental officers to have an unusually high degree of scientific merit, the results of which are expected to have a significant impact on the productivity of the Nation’s rangelands, and it supports the efforts of experienced scientists with records of outstanding research accomplishments. This kind of document normally will be awarded for an initial one-year period and any subsequent continuation research project grants also will be awarded in one-year increments, but in no case may the cumulative period of the project exceed the statutory limit. The award of a continuation research project grant to fund an initial or succeeding budget period does not constitute an obligation to fund any subsequent budget period. A grantee must submit a separate application for continued support for each subsequent fiscal year. Requests for such continued support must be submitted in duplicate at least three months prior to the expiration date of the budget period currently being funded. Such requests must include: an interim progress report detailing all work performed to date; an Application for Funding; a proposed budget for the ensuing period, including an estimate of funds anticipated to remain unobligated at the end of the current budget period; and current information regarding other extramural support for senior personnel. Decisions regarding continued support and the actual funding levels of such support in future years usually will be made administratively after consideration of such factors as the grantee’s progress and management practices and within the context of available funds. Since initial peer reviews were based upon the full term and scope of the original rangeland research application for funding, additional evaluations of this type generally are not required prior to successive years’ support. However, in unusual cases (e.g., when the nature of the project or key personnel change or when the amount of future support requested substantially exceeds the application for funding originally reviewed and approved), additional reviews may be required prior to approval of continued funding.

(4) Supplemental grant. This is an instrument by which the Department agrees to provide small amounts of additional funding under a standard, renewal, or continuation grant as specified in paragraphs (c)(1), (c)(2), and (c)(3) of this section and may involve a short-term (usually six months or less) extension of the project period beyond
National Institute of Food and Agriculture § 3401.10

that approved in an original or amended award, but in no case may the cumulative period of the project, including short term extensions, exceed the statutory time limitation. A supplement is awarded only if required to assure adequate completion of the original scope of work and if there is sufficient justification of need to warrant such action. A request of this nature normally does not require additional peer review.

(d) **Obligation of the Federal government.** Neither the approval of any application nor the award of any research project grant shall commit or obligate the United States in any way to make any renewal, supplemental, continuation, or other award with respect to any approved application or portion of an approved application. [61 FR 27753, May 31, 1996, as amended at 79 FR 75998, Dec. 19, 2014]

§ 3401.9 Use of funds; changes.

(a) **Delegation of fiscal responsibility.** The grantee may not delegate or transfer in whole or in part, to another person, institution, or organization the responsibility for use or expenditure of grant funds.

(b) **Change in project plans.** (1) The permissible changes by the grantee, principal investigator(s), or other key project personnel in the approved research project grant shall be limited to changes in methodology, techniques, or other aspects of the project to expedite achievement of the projects’ approved goals. If the grantee or the principal investigator(s) is uncertain as to whether a change complies with this provision, the question shall be referred to the Director for a final determination.

(2) Changes in approved goals, or objectives, shall be requested by the grantee and approved in writing by the Department prior to effecting such changes. In no event shall requests for such changes be approved which are outside the scope of the original approved project.

(3) Changes in approved project leadership or the replacement or reassignment of other key project personnel shall be requested by the grantee and approved in writing by the Department prior to effecting such changes.

(4) Transfers of actual performance of the substantive programmatic work in whole or in part and provisions for payment of funds, whether or not Federal funds are involved, shall be requested by the grantee and approved in writing by the Department prior to effecting such changes, except as may be allowed in the terms and conditions of a grant award.

(c) **Changes in project period.** The project period determined pursuant to §3401.7(b) may be extended by the Director without additional financial support, for such additional period(s) as the Director determines may be necessary to complete, or fulfill the purposes of, an approved project. Any extension, when combined with the originally approved or amended project period, shall be conditioned upon prior request by the grantee and approval in writing by the Department, unless prescribed otherwise in the terms and conditions of a grant award.

(d) **Changes in approved budget.** The terms and conditions of a grant will prescribe circumstances under which written Departmental approval will be requested and obtained prior to instituting changes in an approved budget.

§ 3401.10 Other Federal statutes and regulations that apply.

(a) The Office of Management and Budget ("OMB") issued guidance on Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR part 200 on December 26, 2013. In 2 CFR 400.1, the Department adopted OMB’s guidance in subparts A through F of 2 CFR part 200, as supplemented by 2 CFR part 400, as the Department’s policies and procedures for uniform administrative requirements, cost principles, and audit requirements for federal awards. As a result, this regulation contains references to 2 CFR part 200 as it has regulatory effect for the Department’s programs and activities.”

(b) Several other Federal statutes and/or regulations apply to grant proposals considered for review or to research project grants awarded under this part. These include but are not limited to:
§ 3401.11 Other conditions.

The Director may, with respect to any research project grant or to any class of awards, impose additional conditions prior to or at the time of any award when, in the Director’s judgment, such conditions are necessary to assure or protect advancement of the approved project, the interests of the public, or the conservation of grant funds.

Subpart B—Scientific Peer Review of Research Applications for Funding

§ 3401.12 Establishment and operation of peer review groups.

Subject to §3401.7, the Director will adopt procedures for the conduct of peer reviews and the formulation of recommendations under §3401.16.

§ 3401.13 Composition of peer review groups.

Peer review group members will be selected based upon their training or experience in relevant scientific or technical fields, taking into account the following factors:

(a) The level of formal scientific or technical education by the individual;

(b) The extent to which the individual has engaged in relevant research, the capacities in which the individual has done so (e.g., principal investigator, assistant), and the quality of such research;

(c) Professional recognition as reflected by awards and other honors received from scientific and professional organizations outside of the Department;

(d) The need of the group to include within its membership experts from various areas of specialization within relevant scientific or technical fields;

(e) The need of the group to include within its membership experts from a variety of organizational types (e.g., universities, industry, private consultant(s)) and geographic locations; and

(f) The need of the group to maintain a balanced membership, e.g., minority and female representation and an equitable age distribution.

§ 3401.14 Conflicts of interest.

Members of peer review groups covered by this part are subject to relevant provisions contained in Title 18 of the United States Code relating to criminal activity, Department regulations governing employee responsibilities and conduct (part 0 of this title), and Executive Order 11222 (3 CFR, 1964–1965 Comp., p. 306), as amended. Administration of the peer review group must be in accordance with the Department’s conflict of interest policy, 2 CFR 400.2.

§ 3401.15 Availability of information.

Information regarding the peer review process will be made available to the extent permitted under the Freedom of Information Act (5 U.S.C. 552), the Privacy Act (5 U.S.C. 552a.), and
implementing Departmental regulations (part 1 of this title).

§ 3401.16 Proposal review.

(a) All research Applications for Funding will be acknowledged. Prior to technical examination, a preliminary review will be made for responsiveness to the request for proposals (e.g., relationship of application to research program area). Proposals that do not fall within the guidelines as stated in the annual request for proposals will be eliminated from competition and will be returned to the applicant. Proposals whose budgets exceed the maximum allowable amount for a particular program area as announced in the request for proposals may be considered as lying outside the guidelines.

(b) All applications will be reviewed carefully by the Director, qualified officers or employees of the Department, the respective merit review panel, and ad hoc reviewers, as required. Written comments will be solicited from ad hoc reviewers, when required, and individual written comments and in-depth discussions will be provided by peer review group members prior to recommending applications for funding. Applications will be ranked and support levels recommended within the limitation of total available funding for each research program area as announced in the applicable request for proposals.

(c) Except to the extent otherwise provided by law, such recommendations are advisory only and are not binding on program officers or on the awarding official.

§ 3401.17 Review criteria.

(a) Federally funded research supported under these provisions shall be designed to, among other things, accomplish one or more of the following purposes:

1. Improve management of rangelands as an integrated system and/or watersheds;
2. Remedy unstable or unsatisfactory rangeland conditions;
3. Increase revegetation and/or rehabilitation of rangelands;
4. Examine the health of rangelands; and
5. Define economic parameters associated with rangelands.

(b) In carrying out its review under §3401.16, the peer review panel will use the following form upon which the evaluation criteria to be used are enumerated, unless, pursuant to §3401.7(a), different evaluation criteria are specified in the annual solicitation of proposals for a particular program:

A score of one (1) will be considered low and a score of ten (10) will be considered high for each selection criterion. A weighted factor is used for each criterion.

PART 3402—FOOD AND AGRICULTURAL SCIENCES NATIONAL NEEDS GRADUATE AND POSTGRADUATE FELLOWSHIP GRANTS PROGRAM

Subpart A—General Introduction

Sec. 3402.1 Applicability of regulations.
§ 3402.1 Applicability of regulations.

(a) The regulations of this part apply to competitive grants awarded under the provisions of section 1417(b)(6) of the National Agricultural Research, Extension and Teaching Policy Act of 1977, as amended, 7 U.S.C. 3152(b)(6). The Act designates the U.S. Department of Agriculture (USDA) as the lead Federal agency for agricultural research, extension, and teaching in the food and agricultural sciences. Section 1417(b)(6) authorizes the Secretary of Agriculture, who has delegated the authority to the National Institute of Food and Agriculture (NIFA), to make competitive grants to land-grant colleges and universities, colleges and universities having significant minority enrollments and a demonstrable capacity to carry out the teaching of food and agricultural sciences, and to other colleges and universities having a demonstrable capacity to carry out the teaching of food and agricultural sciences, to administer and conduct graduate and postdoctoral fellowship programs to help meet the Nation’s needs for development of scientific and professional expertise in the food and agricultural sciences. The Graduate Fellowships are intended to encourage outstanding students to pursue and complete graduate degrees in the areas of food and agricultural sciences designated by NIFA through the Office of Higher Education Programs (HEP) as national needs. The postdoctoral Fellowships are intended to provide additional mentoring and training to outstanding USDA Graduate Fellows who completed their doctoral degrees no more than five (5) years before they begin the postdoctoral Fellowships.

(b) The regulations of this part do not apply to grants awarded by the Department of Agriculture under any other authority.

§ 3402.2 Definitions.

As used in this part:

Citizen or national of the United States means—

(1) A citizen or native resident of a State; or,

(2) A person defined in the Immigration and Nationality Act, 8 U.S.C. 1101(a)(22), who, though not a citizen of the United States, owes permanent allegiance to the United States.

College and university means an educational institution in any State which—

(1) Admits as regular students only persons having a certificate of graduation from a school providing secondary education, or the recognized equivalent of such a certificate,
§ 3402.4 Food and agricultural sciences areas targeted for National Needs Graduate and Postdoctoral Fellowship Grants Program support.

Areas of the food and agricultural sciences, including multidisciplinary studies, appropriate for Fellowship grant applications are those in which developing shortages of expertise have been determined and targeted by HEP for National Needs Graduate and Postdoctoral Fellowship Grants Program support. When funds are available and HEP determines that a new competition is warranted, the specific areas and funds per area will be identified in a funding opportunity announcement announcing the program and soliciting program applications.
§ 3402.5 Overview of National Needs Graduate and Postdoctoral Fellowship Grants Program.

(a) The program will provide funds for a limited number of grants to support graduate student stipends and cost-of-education institutional allowances. These grants will be awarded competitively to eligible institutions. In order to encourage the development of special activities that are expected to contribute to Fellows' advanced degree objectives, the program will also provide competitive, special international study or thesis/dissertation research travel allowances for a limited number of USDA Graduate Fellows. To encourage academic institutions to provide additional training/mentoring to outstanding USDA Graduate Fellows who have completed their doctoral degrees, the program will also provide postdoctoral Fellowship grants to a limited number of USDA Graduate Fellows.

(b) Based on the amount of funds appropriated in any fiscal year, HEP will determine:

(1) Whether new competitions for graduate Fellowships, postdoctoral Fellowships, and/or special international study or thesis/dissertation research travel allowances will be held during that fiscal year;

(2) The degree level(s) to be supported—master's, doctoral and/or postdoctoral;

(3) The proportion of appropriations to be targeted for Fellowship stipends for each respective degree level supported;

(4) The proportion of appropriations to be targeted for the cost-of-education institutional allowances for each respective degree level supported;

(5) The proportion of appropriations to be targeted for the special international study or thesis/dissertation research travel allowances for each respective degree level supported;

(6) The allowable stipend amount for each respective degree level supported, the cost-of-education institutional allowance for each respective degree level supported, and the maximum funds available for each special international study or thesis/dissertation research travel allowance for each respective degree level supported;

(7) The activities for which the cost-of-education allowance may be used for awards made in that year; and

(8) The maximum total funds that may be awarded to an institution under the program in a given fiscal year.

(c) HEP will also determine:

(1) The maximum number of national needs areas for which funding may be requested in a single application;

(2) The degree levels for which funding may be requested in a single application;

(3) The minimum and maximum number of fellowships for which an institution may apply in a single application; and

(4) The limits on the total number of applications that can be submitted by an institution, college, school, or other administrative unit.

(d) These determinations will be published as a part of the solicitation, which will be available at http://www.grants.gov.

§ 3402.6 Overview of the special international study and/or thesis/dissertation research travel allowance.

(a) For each USDA Graduate Fellow who desires to be considered for a special international study or thesis/dissertation research travel allowance, the Project Director must apply to HEP for a supplemental grant in accordance with instructions published in the solicitation. Postdoctoral Fellows are not eligible to receive the special international study or thesis/dissertation research travel allowance. Each application must include a “Proposal Cover Page” (Form NIFA–2002), “Project Summary” (Form NIFA–2003), “Budget” (Form NIFA–2004) and National Environmental Policy Act Exclusions Form (Form NIFA–2006).

(1) To provide HEP with sufficient information upon which to evaluate the merits of the requests for a special international study or thesis/dissertation research travel allowance, each application for a supplemental grant must contain a narrative which provides the following:

(i) The specific destination(s) and duration of the travel;
(ii) The specific study or thesis/dissertation research activities in which the Fellow will be engaged;
(iii) How the international experience will contribute to the Fellow's program of study;
(iv) A budget narrative specifying and justifying the dollar amount requested for the travel;
(v) Summary credentials of the faculty or other professionals with whom the Fellow will be working during the international experience (summary credentials must not exceed three pages per person);
(vi) A letter from the dean of the Fellow's college or equivalent administrative unit supporting the Fellow's travel request and certifying that the travel experience will not jeopardize the Fellow's satisfactory progress toward degree completion; and
(vii) A letter from the fellowship grant Project Director certifying the Fellow's eligibility, the accuracy of the Fellow's travel request, and the relevance of the travel to the Fellow's advanced degree objectives.

(2) The narrative portion of the application must not exceed the page limitation included in the program solicitation.

(b) All complete requests will be evaluated by professional staff from USDA or other Federal agencies, as appropriate. Evaluation criteria will be published in the solicitation. HEP will award grants in accordance with evaluation criteria and to the extent possible based on availability of funds.

(c) Any current Fellow with sufficient time to complete the international experience before the termination date of the grant under which he/she is supported is eligible for a special international study or thesis/dissertation research travel allowance. Before the international study or thesis/dissertation research travel may commence, a Fellow must have completed one academic year of full-time study, as defined by the institution, under the Fellowship appointment and arrangements must have been formalized for the Fellow to study and/or conduct research in the foreign location(s).
master's level Fellow who maintains satisfactory progress in his or her course of study is eligible for support for a maximum of 24 months during a 30-month period. A postdoctoral Fellow who achieves his or her training objectives is eligible for support for a maximum of 36 months during a 60-month period. It is the intent of this program that Graduate Fellows pursue full-time uninterrupted study or thesis/dissertation research, including time spent pursuing USDA-funded special international study or thesis/dissertation research activities.

(ii) Postdoctoral Fellowship appointments may be held only by persons who pursue full-time traineeship in research, teaching, or extension in the national need area and are supervised by the mentor indicated in the grant application. However, during the period of support, USDA Graduate and Postdoctoral Fellows are permitted, at the discretion of their institutions, to accept additional supplemental employment that would positively contribute to their training or research and provide eligibility for tuition waivers (e.g., full or partial tuition waivers with research or teaching assignments).

(iii) For graduate Fellows requiring additional time to complete a degree, it is expected that the institution will endeavor to continue supporting individuals originally appointed to Fellowships through such other institutional means as teaching assistantships and research assistantships. For postdoctoral Fellows who terminate the Fellowships prematurely, the institution must return all unexpended monies to USDA. For USDA Graduate Fellows who complete the program of study early (less than 24 months for master’s degree or 36 months for doctoral degree) or terminate their Fellowships prematurely, the institution may use any unexpended monies, within the time remaining on the project grant, to support pursuit of a doctoral degree in a discipline in the food and agricultural sciences by a master’s degree level Fellow at the grantee institution; or a replacement Graduate Fellow. Where less than one semester/quarter remains before the expiration date of the Graduate Fellowship grant, the institution must refund any unexpended monies to the granting agency. Such funds cannot be used to increase the annual stipend amounts for current USDA Graduate or Postdoctoral Fellows.

(b) Within the framework of the regulations in this part, all decisions with respect to the appointment of Fellows will be made by the institution. However, institutions are urged to take maximum advantage of opportunities for awarding Fellowships to members of underrepresented groups at the graduate and postdoctoral level in the food and agricultural sciences, particularly minorities and women. Throughout a USDA Graduate Fellow’s tenure, the institution should satisfy itself that the Fellow is making satisfactory academic progress, and carrying out, or planning to carry out, national needs related research. If an institution finds it necessary to terminate support of a USDA Graduate Fellow or a postdoctoral Fellow for insufficient progress or by decision on the part of the Fellow, the Fellow may no longer receive funds from the active grant. However, termination does not automatically disqualify a Fellow from receiving future grant support under this program. If a graduate or postdoctoral Fellow finds it necessary to interrupt his or her program of study because of health, personal reasons, or outside employment, the institution must reserve the funds for the purpose of allowing the Fellow to resume funded training any time within a six (6) month period. However, a USDA Graduate or Postdoctoral Fellow who finds it necessary to interrupt his/her program of training more than one time cannot exceed a total of six (6) months’ cumulative leave status without forfeiting eligibility. For a USDA Graduate Fellowship terminated because of insufficient progress, by decision on the part of the Fellow, or reserved due to an interrupted program but not resumed within the required time period, the institution may use any unexpended monies to support, within the time remaining on the project grant, and subject to the limitations above, a replacement Fellow at the same master’s or doctoral levels. For postdoctoral Fellowships terminated
§ 3402.11 Proposal cover page.

(c) Only Fellows enrolled in master's programs of study may be supported under master's Fellowship grants. Master's degree level Fellows who complete their degree early may be supported under master's Fellowship grants, if they are enrolled in Ph.D. programs in areas of the food and agricultural sciences designated as national need areas. Only Fellows enrolled in doctoral programs of study may be supported under doctoral degree Fellowship grants. Only USDA Graduate Fellows who have completed their doctoral degrees may be supported under postdoctoral Fellowship grants.

§ 3402.8 Fellowship activities.

A USDA Graduate Fellow shall be enrolled as a full-time graduate student, as defined by the institution, at all times during the tenure of the Fellowship in the national need area and at the degree level supported by the grant. This includes the time used for special international study or thesis/dissertation research, if the international travel is funded through a special international study or thesis/dissertation research travel allowance under this grant program. However, the normal requirement for formal registration during part of this tenure may be waived if permitted by the policy of the Fellowship institution, provided that the Graduate Fellow is making satisfactory progress toward degree completion and remains engaged in appropriate full-time Fellowship activities such as thesis/dissertation research. Postdoctoral Fellowship appointments may be held only by persons who pursue full-time traineeship in research, teaching, or extension in the national need area and are supervised by the mentor indicated in the grant application. Graduate and postdoctoral Fellows in academic institutions are not entitled to vacations as such. They are entitled to the short normal student holidays observed by the institution. The time between academic semesters or quarters is to be utilized as an active part of the grant period. During the period of support, USDA Graduate and Postdoctoral Fellows are permitted, at the discretion of their institutions, to accept additional supplemental employment that would positively contribute to their training or research and provide eligibility for tuition waivers (e.g., full or partial tuition waivers provided with research or teaching assignments). A Fellow may accept from any other entity a grant supporting the Fellow's research costs.

§ 3402.9 Financial provisions.

An institution may elect to apply the cost-of-education/training institutional allowance to a Fellow's tuition, fees and laboratory expenses and to defray other program expenses (e.g., recruitment, travel, publications, or salaries of project personnel), unless stated otherwise in the solicititation. Tuition and fees are the responsibility of the Fellow unless an institution elects to use its cost-of-education institutional allowance for this purpose or elects to pay such costs out of non-USDA monies. No dependency allowances are provided to any USDA Graduate or Postdoctoral Fellows. Stipend payments and special international study or thesis/dissertation research travel allowances may be made to Fellows by the institution, in accordance with standard institutional procedures for graduate and postdoctoral fellowships and assistantships.

Subpart C—Preparation of an Application

§ 3402.10 Application package.

Applications will be available at http://www.grants.gov and through the NIFA Web site. An application package will be made available to any potential grant applicant upon request. This package will include all necessary forms and instructions to apply for a grant under this program.

§ 3402.11 Proposal cover page.

The Proposal Cover Page, Form NIFA–2002, must be completed in its
entirety, including all authorizing signatures. One copy of each grant application must contain the original pen-and-ink signatures, or approved electronic equivalent, of:

(a) The Project Director(s); and

(b) The Authorized Organizational Representative for the institution.

§ 3402.12 Project summary.

Using the Project Summary, Form NIFA–2003, applicants must summarize the proposed graduate program of study and/or the academic and research strengths of the institution in the national need area for which funding is requested. To the extent possible, applicants should emphasize the uniqueness of the proposed program of training. The summary should not include any reference to the specific number of fellowships requested. The information on Form NIFA–2003 will be used in assigning the most appropriate panelists to review an application. If an application is supported, this Form may be used in program publications.

§ 3402.13 National need narrative.

HEP will determine the composition of the narrative for each competition, including page limits, font size, the number and the order of sections, and other supporting information that may be required. Detailed instructions for preparing the narrative will be published in the solicitation.

§ 3402.14 Budget and budget narrative.

Applicants must prepare the Budget, Form NIFA–2004, and a budget narrative identifying all costs associated with the application. Instructions for completing the Budget are provided with the form.

§ 3402.15 Faculty vitae.

This section should include a Summary Vita, no more than 2 pages excluding publications listing, for each faculty member contributing significantly to institutional competence at the level of graduate study for the national need area addressed in the application. Applicants should arrange the faculty vitae with the Project Director(s) first, followed by the remaining faculty, in alphabetical order.

§ 3402.16 Appendix.

Any additional supporting information deemed essential to enhancing the application should be included in an Appendix and referenced in the national need narrative.

Subpart D—Submission and Evaluation of an Application

§ 3402.17 Where to submit an application.

The solicitation will indicate the date for submission of applications and the number of application copies required to apply for a grant. In addition, the solicitation will provide the address to which the application, the required number of accompanying duplicate copies, and any other required forms and materials should be sent.

§ 3402.18 Evaluation criteria.

Applications addressing a particular national need area at a particular Fellowship level (master's, doctoral or postdoctoral) will be evaluated in competition with other applications addressing the same national need area at the same level. Both USDA internal staff and the panelists will evaluate applications on the basis of the criteria published in the solicitation.

Subpart E—Supplementary Information

§ 3402.19 Terms and conditions of grant awards.

Within the limit of funds available for such purpose, the awarding official shall make project grants to those responsible, eligible applicants whose applications are judged most meritorious according to evaluation criteria stated in the solicitation. The beginning of the project period shall be no later than September 30 of the Federal fiscal year in which the project is approved for support. All funds granted under this part shall be expended solely for the purpose for which the funds are granted in accordance with the approved application and budget, the regulations of this part, the terms and conditions of the award, the applicable Federal cost principles, and 2 CFR part 200.
§ 3402.20 Other Federal statutes and regulations that apply.

(a) The Office of Management and Budget ("OMB") issued guidance on Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR part 200 on December 26, 2013. In 2 CFR 400.1, the Department adopted OMB’s guidance in subparts A through F of 2 CFR part 200, as supplemented by 2 CFR part 400, as the Department’s policies and procedures for uniform administrative requirements, cost principles, and audit requirements for federal awards. As a result, this regulation contains references to 2 CFR part 200 as it has regulatory effect for the Department’s programs and activities.

(b) Several other Federal statutes and/or regulations apply to grant proposals considered for review or to research project grants awarded under this part. These include but are not limited to:

2 CFR part 200—Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.

2 CFR part 180 and Part 417—OMB Guidelines to Agencies on Government-Wide Debarment And Suspension (Nonprocurement) And USDA Nonprocurement Debarment And Suspension

7 CFR part 3407—NIFA procedures to implement the National Environmental Policy Act;

29 U.S.C. 794 (section 504, Rehabilitation Act of 1973) and 7 CFR part 15B (USDA implementation of statute)—prohibiting discrimination based upon physical or mental handicap in Federally assisted programs; and

35 U.S.C. 200 et seq.—Bayh-Dole Act, controlling allocation of rights to inventions made by employees of small business firms and domestic nonprofit organizations, including universities, in Federally assisted programs (implementing regulations are contained in 37 CFR part 401).

§ 3402.21 Confidential aspects of applications and awards.

When an application results in a grant, the application and supporting information become part of the record of NIFA transactions, and available to the public upon specific request. Information that the Secretary determines to be of a confidential, privileged, or proprietary nature will be held in confidence to the extent permitted by law. Therefore, any information that the applicant wishes to have considered as confidential, privileged, or proprietary should be clearly marked within the application. The original copy of an application that does not result in a grant will be retained by the Agency for a period of one year. Other copies will be destroyed. Such an application will be released only with the consent of the applicant or to the extent required by law. An application may be withdrawn at any time prior to the final action thereon.

§ 3402.22 Access to peer review information.

After final decisions have been announced, HEP will, upon request, inform the PD of the reasons for its decision on an application. Verbatim copies of summary reviews, not including the identity of the reviewers, will be made available to respective PDs upon specific request.

§ 3402.23 Documentation of progress on funded projects.

(a) Fellowships/Scholarships Entry/Exit Forms (Form NIFA–2010) are available from NIFA upon request. Upon request by HEP, Project Directors awarded Graduate Fellowship (excluding supplemental international and postdoctoral) grants under the program shall complete and submit this form.

(1) Appointment Information shall be submitted to HEP within 3 months of appointment of a Fellow;

(2) The Project Director shall submit an annual update of each Fellow’s progress to HEP by September 30 each year. Additional progress reports may be needed to assess continuing progress of Fellows supported by any special
international study or thesis/dissertation research allowance and/or institutional adherence to program guidelines.

(3) Exit Information shall be completed and submitted to HEP by the Project Director for each Fellow supported by a grant as soon as a Fellow either: Graduates; is officially terminated from the Fellowship or the academic program due to unsatisfactory academic progress; or voluntarily withdraws from the Fellowship or the academic program. If a Fellow has not completed all degree requirements at the end of the five-year grant duration, HEP may request a preliminary exit report. In such a case, a final exit report shall be required at a later date. When a final exit report for each Fellow supported by a grant has been accepted by HEP, the grantee will have satisfied the requirement of a final performance report for the grant. Additional follow-up reports to track Fellows’ career patterns may be requested.

(b) All grantees (supplemental international, graduate, and postdoctoral) shall submit initial project information and annual and summary reports to NIFA’ Current Research Information System (CRIS). The CRIS database contains narrative project information, progress/impact statements, and final technical reports that are made available to the public. For applications recommended for funding, instructions on preparation and submission of project documentation will be provided to the applicant by the agency contact. Documentation must be submitted to CRIS before NIFA funds will be released. Project reports will be requested by the CRIS office when required. For more information about CRIS, visit [http://cris.nifa.usda.gov](http://cris.nifa.usda.gov).

§ 3402.24 Evaluation of program.

Grantees should be aware that HEP may, as a part of its own program evaluation activities, carry out in-depth evaluations of assisted activities through independent third parties. Thus, grantees should be prepared to cooperate with evaluators retained by HEP to analyze both the institutional context and the impact of any supported project.
§ 3403.2 Definitions.

As used in this part:

Ad hoc reviewers means experts or consultants, qualified by training and experience in particular scientific or technical fields to render expert advice on the scientific technical merit of the grant applications in those fields, who review on an individual basis one or several of the eligible proposals submitted to this program in their area of expertise and who submit to the Department written evaluations of such proposals.

Applicant is the organizational entity that, at the time of award, will qualify as a small business concern and that submits a grant application for a funding agreement under the SBIR Program.

Authorized departmental officer (ADO) means the Secretary or any employee of the Department who has the authority to issue or modify grant instruments on behalf of the Secretary. The ADO is also referred to as the Funding Agreement Officer.

Authorized organizational representative (AOR) means the president, director, or chief executive officer or other designated official of the applicant organization who has the authority to commit the resources of the organization.

Budget Period means the interval of time into which the project period is divided for budgetary and reporting purposes.

Commercialization is the process of developing marketable products or services and producing and delivering products or services for sale (whether by the originating party or by others) to Government or commercial markets.

Department means the U.S. Department of Agriculture.

Essentially equivalent work occurs when:

(1) Substantially the same research is proposed for funding in more than one grant application submitted to the same Federal agency;
(2) Substantially the same research is submitted to two or more different Federal agencies for review and funding consideration; or
(3) A specific research objective and the research design for accomplishing an objective are the same or closely related in two or more proposals or awards, regardless of the funding source.

Funding agreement is any contract, grant, or cooperative agreement entered into between any Federal agency and any small business concern for the performance of experimental, developmental, or research work, including products or services funded in whole or in part by the Federal Government.

A grant is a financial assistance mechanism providing money, property, or both to an eligible entity to carry out the approved project or activity, and substantial programmatic involvement by Government is not anticipated.

Grantee means the small business concern designated in the grant award
document as the responsible legal entity to whom the grant is awarded under this part.

*Innovation* is something new or improved, having marketable potential including:

(1) Development of new technologies;
(2) Refinement of existing technologies; or
(3) Development of new applications for existing technologies.

*Intellectual property* means the separate and distinct types of intangible property that are referred to collectively as “intellectual property,” including but not limited to: Patents, trademarks, copyrights, trade secrets, SBIR technical data (as defined in this section), ideas, designs, know-how, business, technical and research methods, other types of intangible business assets, and all types of intangible assets either proposed or generated by a small business concern as a result of its participation in the SBIR Program.

*Joint venture* is an association of concerns with interests in any degree or proportion by way of contract, express or implied, consorting to engage in and carry out a single specific business venture for joint profit, for which purpose they combine their efforts, property, money, skill, or knowledge, but not on a continuing or permanent basis for conducting business generally. A joint venture is viewed as a business entity in determining power to control its management.

*NIFA* means the National Institute of Food and Agriculture.

*Outcomes* are the measure of long-term, eventual, program impact.

*Outputs* are the measures of near-term program impact.

*Peer review group* means experts or consultants, qualified by training and experience in particular scientific or technical fields to give expert advice on the scientific and technical merit of grant applications to those fields, who assemble as a group to discuss and evaluate all of the eligible proposals submitted to this program in their area of expertise.

*Principal investigator/project director* is the one individual designated by the applicant to provide the scientific and technical direction to a project supported by the funding agreement.

*Professional Employer Organization* is an organization that provides an integrated approach to the management and administration of the human resources and employer risk of its clients, by contractually assuming substantial employer rights, responsibilities, and risk, through the establishment and maintenance of an employer relationship with the workers assigned to its clients.

*Program solicitation* is a formal request for proposals whereby an agency notifies the small business community of its research or research and development needs and interests in broad and selected areas, as appropriate to the agency, and requests proposals from small business concerns in response to these needs and interests.

*Project period* means the total length of time that is approved by the Department for conducting the research project as outlined in an approved grant application.

*Prototype* is a model of something to be further developed, which includes designs, protocols, questionnaires, software, and devices.

*Research or research and development (R/R&D)* means any activity which is:

(1) A systematic, intensive study directed toward greater knowledge or understanding of the subject studied;

(2) A systematic study directed specifically toward applying new knowledge to meet a recognized need; or

(3) A systematic application of knowledge toward the production of useful materials, devices, and systems or methods, including design, development, and improvement of prototypes and new processes to meet specific requirements.

*Research project grant* means the award by the Department of funds to a grantee to assist in meeting the costs of conducting for the benefit of the public an identified project which is intended and designed to establish, discover, elucidate, or confirm information or the underlying mechanisms relating to a research topic area identified in the annual solicitation of applications.

*SBIR Participants* are business concerns that have received SBIR awards or that have submitted SBIR proposals/applications.
SBIR Technical Data is defined as all data generated during the performance of an SBIR award.

SBIR Technical Data Rights are the rights a small business concern obtains in data generated during the performance of any SBIR award that an awardee delivers to the Government during or upon completion of a Federally-funded project, and to which the Government receives a license.

Small business concern (SBC) means a concern that, on the date of award for both Phase I and Phase II funding agreements:

1. Is organized for profit, with a place of business located in the United States, which operates primarily within the United States, or which makes a significant contribution to the United States economy through the payment of taxes or use of American products, materials or labor;

2. Is in the legal form of an individual proprietorship, partnership, limited liability company, corporation, joint venture, association, trust or cooperative, except that where the form is a joint venture, there can be no more than 49 percent participation by foreign business entities in the joint venture;

3. Is at least 51 percent owned and controlled by one or more individuals who are citizens of, or permanent resident aliens in, the United States, except in the case of a joint venture, where each entity in the venture must be 51 percent owned and controlled by one or more individuals who are citizens of, or permanent resident aliens in the United States; and

4. Has, including its affiliates, not more than 500 employees. The term “affiliates” is defined in greater detail in 13 CFR 121.103. The term “number of employees” is defined in 13 CFR 121.106.

Socially and economically disadvantaged small business concern is defined in 13 CFR part 124-8A; Business Development/Small Disadvantaged Business Status Determinations, §124.103 (Who is socially disadvantaged?) and §124.104 (Who is economically disadvantaged?).

United States means the 50 states, the territories and possessions of the Federal Government, the Commonwealth of Puerto Rico, the District of Columbia, the Republic of the Marshall Islands, the Federated States of Micronesia, and the Republic of Palau.

Women-owned small business concern means a small business concern that is at least 51 percent owned by one or more women, or in the case of any publicly owned business, at least 51 percent of the stock is owned by women, and women control the management and daily business operations.

§ 3403.3 Eligibility requirements.

(a) Eligibility of organization. (1) To receive SBIR funds, each awardee of a SBIR Phase I or Phase II must qualify as a small business concern.

(2) For Phase I, a minimum of two-thirds of the research or analytical effort, as measured by the budget, must be performed by the awardee. Occasionally, deviations from this requirement may occur, and must be approved in writing by the ADO after consultation with the agency SBIR National Program Leader.

(3) For Phase II, a minimum of one-half of the research or analytical effort, as measured by the budget, must be performed by the awardee. Occasionally, deviations from this requirement may occur, and must be approved in writing by the ADO after consultation with the agency SBIR National Program Leader.

(4) For both Phase I and Phase II, the primary employment of the principal investigator must be with the SBC at the time of award and during the conduct of the proposed project. Primary employment means that more than one-half of the principal investigator’s time is spent in the employ of the SBC. This precludes full-time employment with another organization. Occasionally, deviations from this requirement may occur, and must be approved in writing by the ADO after consultation with the agency SBIR National Program Leader. Further, an SBC may replace the principal investigator on an SBIR Phase I or Phase II award, subject to approval in writing by the ADO after consultation with the SBIR National Program Leader. For purposes of the SBIR Program, personnel obtained through a Professional Employer Organization or other similar personnel...
leasing company must be considered employees of the awardee. This is consistent with SBA’s size regulations, 13 CFR 121.106—Small Business Size Regulations.

(5) For both Phase I and Phase II, the R/R&D must be performed in the United States. However, based on a rare and unique circumstance, ADO approval may be granted to perform a particular portion of the research or research and development work outside of the United States, for example, if a supply of material or other item or project requirement is not available in the United States. The ADO, after consultation with the agency SBIR National Program Leader, must approve each such specific condition in writing.

(b) [Reserved]

Subpart B—Program Description

§ 3403.4 Three-phase program.

The Small Business Innovation Research Grants Program is carried out in three separate phases described in this section. The first two phases are designed to assist USDA in meeting its research or research and development objectives and will be supported with SBIR Program funds. The purpose of the third phase is to pursue the commercial applications or objectives of the research carried out in Phases I and II through the use of private or Federal non-SBIR funds.

(a) Phase I. Phase I involves a solicitation of grant applications (hereinafter referred to as proposals) to conduct feasibility-related experimental research and development related to described agency requirements. These requirements, as defined by agency topics contained in the solicitation, may be general or narrow in scope, depending on USDA needs. The object of this phase is to determine the scientific and technical merit and feasibility of the proposed effort and the quality of performance of the small business concern with a relatively small agency investment before consideration of further Federal support in Phase II.

(b) Phase II is the principal research or research and development effort in which the results from Phase I are expanded upon and further pursued, normally for a period not to exceed 24 months. Only SBIR awardees in Phase I are eligible to participate in Phase II. This includes those awardees identified via a “novated” or “successor in interest” or similarly-revised funding agreement, or those that have reorganized with the same key staff, regardless of whether they have been assigned a different tax identification number. For each Phase I project funded, the awardee may apply for a Phase II award only once. Phase I awardees who for valid reasons cannot apply for Phase II support in the next fiscal year funding cycle may normally apply for support no later than the second fiscal year funding cycle.

(c) Phase III refers to work that derives from, extends, or logically concludes effort(s) performed under prior SBIR funding agreements, but is funded by sources other than the SBIR Program. Phase III work is typically oriented towards commercialization of SBIR research or technology. This portion of a project is funded by a non-SBIR source through the use of a follow-on funding commitment. A follow-on funding commitment is an agreement between the small business concern and a provider of the follow-on capital for a specified amount of funds to be made available to the small business concern for future development of their effort upon achieving certain mutually agreed upon technical objectives.

Subpart C—Preparation of Proposals

§ 3403.5 Program solicitation.

(a) Phase I. A program solicitation requesting Phase I proposals will be prepared each fiscal year in which funds are made available for this purpose. This solicitation will contain information sufficient to enable eligible applicants to prepare grant proposals and will include descriptions of specific research topic areas which the Department will support during the fiscal year involved. A notice of solicitation, and the entire contents of the program solicitation will be published, at a minimum, on the agency’s Web site.

(b) Phase II. For each fiscal year in which funds are made available for this
purpose, the Department will send correspondence requesting Phase II proposals from the Phase I grantees eligible to apply for Phase II funding in that fiscal year. The correspondence will contain information sufficient to enable eligible applicants to prepare grant proposals.

§ 3403.6 Content of proposals.

(a) The proposed research must be responsive to one of the USDA program interests stated in the research topic descriptions of the program solicitation.

(b) Proposals must cover only scientific/technological research activities. A small business concern must not propose product development, technical assistance, demonstration projects, classified research, or patent applications. Many of the research projects supported by the SBIR program lead to the development of new products based upon the research results obtained during the project. However, projects that seek funding solely for product development where no research is involved, i.e., funds are needed to permit the development of a project based on previously completed research, will not be accepted. Literature surveys should be conducted prior to preparing proposals for submission and must not be proposed as a part of the SBIR Phase I or Phase II effort. Proposals principally for the development of proven concepts toward commercialization or for market research should not be submitted since such efforts are considered the responsibility of the private sector and therefore are not supported by USDA.

(c) A proposal must be limited to only one topic. The same proposal may not be submitted under more than one topic as defined in the solicitation. However, an organization may submit separate proposals on the same topic. Where similar research is discussed under more than one topic, the proposer should choose that topic whose description appears most relevant to the proposer’s research concept. USDA will not consider funding duplicate (essentially equivalent work) proposals. In addition, essentially equivalent work funded by another entity will be returned to the applicant without review.

§ 3403.7 Proposal format for phase I applications.

(a) The following items relate to Phase I applications. Further instructions or descriptions for these items as well as any additional items to be included will be provided in the annual solicitation, as necessary.

1) SF-424 R&R Cover. Applicants must submit basic proposal identification information on the first page of the proposals. Applicants must also certify on the first page of the proposals that they meet the definition of a small business concern as stated in the solicitation, and must certify as to whether or not they qualify as socially and economically disadvantaged small business concerns, or women-owned small business concerns.

2) Project Summary/Abstract. The technical abstract should include a brief description of the problem or opportunity, project objectives, and a description of the effort. Anticipated results and potential commercial applications of the proposed research also should be summarized in the space provided. Keywords should characterize the most important aspects of the project. The project summary of successful proposals may be published by USDA and therefore should not contain proprietary information.

3) Project Narrative. The main body of the proposal should include:

(i) Identification and significance of the problem or opportunity.

(ii) Background and rationale.

(iii) Relationship with future research or research and development.

(iv) Phase I technical objectives.

(v) Phase I work plan.

(vi) Related research or research and development.

(vii) References. For each reference cited in the Proposal, provide the complete name for each author, the date of publication, the full title of the article, name of the journal, etc.

4) Key personnel and bibliography. Identify key personnel involved in the effort, including information on their directly related education and experience. For each key person, provide a chronological list of the most recent
(5) **Facilities and equipment.** Describe the types, location, and availability of instrumentation and physical facilities necessary to carry out the work proposed. Items of equipment to be purchased must be fully justified under this section.

(6) **Outside services.** Involvement of university or other consultants in the planning and research stages of the project as consultants or through subcontracting arrangements is permitted and may be particularly helpful to small business concerns that have not previously received Federal research awards. If such involvement is intended, it should be described in detail.

(7) **Satisfying the public interest.** Specify how the proposed research will satisfy one or more of the following objectives:

(i) Develops sustainable agriculture production systems;

(ii) Protects natural resources and the environment;

(iii) Creates a safe, nutritious and affordable food supply;

(iv) Develops value-added food and non-food products from agricultural materials;

(v) Enhances global competitiveness; and

(vi) Enhances economic opportunity and quality of life, especially for people in rural areas.

(8) **Potential post applications.** Briefly describe the commercialization potential of the proposed research. Indicate whether and by what means there appears to be a potential for the Federal Government to use the proposed research. Include a brief description of the proposing company (e.g., date founded, number of employees) and its field of interest. What are the major competitive products in this field, and what advantages will the proposed research have over existing technology (in application, performance, technique, efficiency or cost)?

(9) **Similar Proposals or Awards.** (i) WARNING—While it is permissible with proposal notification to submit identical proposals containing a significant amount of essentially equivalent work for consideration under numerous Federal program solicitations, it is unlawful to enter into funding agreements requiring essentially equivalent work. If there is any question concerning this, it must be disclosed to the soliciting agency or agencies before award. If an applicant elects to submit identical proposals or proposals containing a significant amount of essentially equivalent work under other Federal program solicitations, a statement must be included in each such proposal indicating:

(A) Name and address of the agency(ies) to which the proposal was submitted, or will be submitted, or from which an award is expected or has been received.

(B) Date of actual or anticipated proposal submission or date of award, as appropriate.

(C) Title of proposal or award, identifying number assigned to the solicitation or proposal by the agency involved, and the date the proposal(s) were submitted or the award was received.

(D) Applicable research topic area for each proposal submitted or award received.

(E) Titles of research projects.

(F) Name and title of principal investigator for each proposal submitted or award received.

(ii) **USDA will not make awards that duplicate research funded (or to be funded) by other Federal agencies.**

(10) **Cost breakdown on proposal budget.** Complete a budget form for the phase under which you are currently applying. (An applicant for Phase I funding should not submit both Phase I and Phase II budgets.) A budget narrative with supporting detail for each budget category must be included.

(11) **Special Considerations.** If the proposed research will include laboratory animals or human subjects at risk, the applicant may be required to have the research plan reviewed and approved by an Institutional Animal Care and Use Committee (IACUC) or Institutional Review Board (IRB) prior to commencing actual substantive work. If such approval is required, USDA may not release funds for the award until proper documentation is submitted and accepted by USDA. It is suggested that applicants contact local universities,
colleges, or nonprofit research organizations which have established reviewing mechanisms to have this service performed.

(12) Proprietary information. (i) If proprietary information is provided by an applicant in a proposal which constitutes a trade secret, proprietary commercial or financial information, confidential personal information, or data affecting the national security, it will be treated in confidence to the extent permitted by law. This information must be clearly marked by the applicant with the term “confidential proprietary information” and the following legend must appear on the title page of the proposal: “These data shall not be disclosed outside the Government and shall not be duplicated, used, or disclosed in whole or in part for any purpose other than evaluation of this proposal. If a funding agreement is awarded to this applicant as a result of or in connection with the submission of these data, the Government shall have the right to duplicate, use, or disclose the data to the extent provided in the funding agreement and pursuant to applicable law. This restriction does not limit the Government’s right to use information contained in the data if it is obtained from another source without a restriction. The data subject to this restriction are contained on pages ____ of this proposal.”

(ii) USDA, by law, is required to make the final decision as to whether the information is required to be kept in confidence. Information contained in unsuccessful proposals will remain the property of the applicant. However, USDA will retain for three years one copy of all proposals received; extra copies will be destroyed. Public release of information for any proposal submitted will be subject to existing statutory and regulatory requirements. Any proposal which is funded will be considered an integral part of the award and normally will be made available to the public upon request through the Freedom of Information Act, except for designated proprietary information.

(iii) The inclusion of proprietary information is discouraged unless it is necessary for the proper evaluation of the proposal. If proprietary information is to be included, it should be limited, set apart from other text on a separate page, and keyed to the text by numbers. It should be confined to a few critical technical items which, if disclosed, could jeopardize the obtaining of foreign or domestic patents. Trade secrets, salaries, or other information which could jeopardize commercial competitiveness should be similarly keyed and presented on a separate page. Proposals or reports which attempt to restrict dissemination of large amounts of information may be found unacceptable by USDA.

(13) Rights in data developed under SBIR funding agreement. The legend (or statements) in the SBIR datarights clause included in the SBIR award must be affixed to any submissions of technical data. Where such legend is affixed, rights in technical data, including software developed under the terms of any funding agreement resulting from a proposal submitted in response to the program solicitation shall remain with the grantee. The Government may not use, modify, reproduce, release, perform, display, or disclose technical data or computer software marked with this legend for 4 years. After expiration of the 4-year period, the Government has a royalty-free license to use, and to authorize others to use on its behalf, these data for Government purposes, and is relieved of all disclosure prohibitions and assumes no liability for unauthorized use of these data by third parties, except that any such data that is also protected and referenced under a subsequent SBIR award shall remain protected through the protection of that subsequent SBIR award.

(14) Patents and Inventions. Allocation of rights to inventions shall be in accordance with 35 U.S.C. 202 through 206 and the Department of Commerce implementing regulations entitled “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms under Government Grants, Contracts and Cooperative Agreements” at 37 CFR part 401. These regulations provide that small businesses normally may retain the principal worldwide patent rights to any invention developed with USDA support. USDA receives a royalty-free license.
for Federal Government use, reserves the right to require the patentee to license others in certain circumstances, and requires that anyone exclusively licensed to sell the invention in the United States must normally manufacture it domestically. To the extent authorized by 35 U.S.C. 205, USDA will not make public any information disclosing a USDA-supported invention for a four-year period. SBIR awardees must report inventions to the awarding agency within two months of the inventor's report to the awardee. The reporting of inventions shall be made through submission to Interagency Edison as specified in the terms and conditions of the grant.

(15) Organizational management information. Before the award of an SBIR funding agreement, USDA requires the submission of certain organizational management, personnel, and financial information to assure responsibility of the applicant. This information is not required unless a project is recommended for funding, and then it is submitted on a one-time basis only. However, new information should be submitted if a small business concern has undergone significant changes in organization, personnel, finance or policies, including those relating to civil rights.

(16) Documentation of commercialization record of firms with multiple phase II awards. A small business concern submitting a proposal for a Phase I award that has received more than 15 Phase II SBIR awards during the preceding five fiscal years must document the extent to which it was able to secure Phase III funding to develop concepts resulting from previous Phase II SBIR awards.

(16) [Reserved]

§ 3403.8 Proposal format for phase II applications.

(a) The following items relate to Phase II applications. Further instructions or descriptions for these items as well as any additional items to be included will be identified in the annual program solicitation as necessary. See § 3403.9.

(1) SF–424 R&R cover sheet. Follow instructions found in § 3403.7(a)(1).

(2) Project summary. Follow instructions found at § 3403.7(a)(2).

(3) Phase I results. The proposal should contain an extensive section that lists Phase I objectives and makes detailed presentation of the Phase I results. This section should establish the degree to which Phase I objectives were met and feasibility of the proposed research project was established.

(4) Proposal. Since Phase II is the principal research and development effort, proposals should be more comprehensive than those submitted under Phase I. However, the outline and information contained in § 3403.7(a)(3)–(9) and § 3403.7(a)(11)–(14) should be followed, tailoring the information requested to the Phase II project.

(5) Cost breakdown on proposal budget. For Phase II, a detailed budget is required for each year of requested support. In addition, a summary budget is required detailing the requested support for the overall project period. A budget narrative, with supporting budget detail for each budget category must be included.

(6) Organizational management information. Each Phase II awardee will be asked to submit an updated statement of financial condition (such as the latest audit report, financial statements or balance sheet) and report any changes in management or principals.

(7) Commercialization Plan. A succinct commercialization plan must be included in each SBIR Phase II proposal moving toward commercialization. Elements of a commercialization plan may include the following:

(i) Company information. Focused objectives/core competencies; size; specialization area(s); products with significant sales; and history of previous Federal and non-Federal funding; regulatory experience; and subsequent commercialization.

(ii) Customer and competition. Clear description of key technology objectives, current competition, and advantages compared to competing products or services; description of hurdles to acceptance of the innovation.

(iii) Market. Milestone, target dates, analyses of market size, and estimated market share after first year sales and after five years; explanation of plan to obtain market share.

(iv) Intellectual property. Patent status, technology lead, trade secrets or
other demonstration of a plan to achieve sufficient protection to realize the commercialization state and attain at least a temporary competitive advantage.

(v) Financing. Plans for securing necessary funding in Phase III.

(vi) Assistance and mentoring. Plans for securing needed technical or business assistance through mentoring, partnering, or through arrangements with state assistance programs, Small Business Development Centers, Federally-funded research laboratories, manufacturing extension Partnership Centers, or other assistance providers.

(8) Data Collection. Each Phase II applicant will be required to provide information to the Tech-Net Database System (http://technet.sba.gov) per OMB No. 3245-0356. The following are examples of the data to be entered by applicants into Tech-Net:

(i) Any business concern or subsidiary established for the commercial application of a product or service for which an SBIR award is made;

(ii) Revenue from the sale of new products or services resulting from the research conducted under each Phase II award;

(iii) Additional investment from any source, other than Phase I or Phase II awards, to further the research and development conducted under each Phase II award; and

(iv) Updates to information in the Tech-Net database for any prior Phase II award received by the small business concern.

(b) [Reserved]

Subpart D—Submission and Evaluation of Proposals

§ 3403.9 Submission of proposals.

The SBIR program solicitation for Phase I proposals and the correspondence requesting Phase II proposals will provide the deadline date for submitting proposals, and instructions for submitting the proposal to NIFA for funding consideration.

§ 3403.10 Proposal review.

(a) The receipt of all proposals will be acknowledged.

(b) All Phase I and II proposals will be evaluated and judged on a competitive basis. Proposals will be initially screened to determine responsiveness. Proposals passing this initial screening will be technically evaluated by scientists to determine the most promising technical and scientific approaches. Each proposal will be judged on its own merit. USDA is under no obligation to fund any proposal or any specific number of proposals in a given topic. It also may elect to fund several or none of the proposed approaches to the same topic or subtopic.

(c) Phase I and II proposal evaluation criteria will be published in the “Method of Selection and Evaluation Criteria” section of the program solicitation.

(d) External peer reviewers may be used during the technical evaluation stage of this process. Selections will be made from among recognized specialists who are uniquely qualified by training and experience in their respective fields to render expert advice on the merit of proposals received. It is anticipated that such experts will include those located in universities, government, and nonprofit research organizations. If possible, USDA intends that peer review groups shall be balanced with minority and female representation and with an equitable age distribution.

(e) Reviewers will base their conclusions and recommendations on information contained in the Phase I or Phase II proposal. It cannot be assumed that reviewers are acquainted with any experiments referred to within a proposal, with key individuals, or with the firm itself. Therefore, the proposals should be self-contained and written with the care and thoroughness accorded papers for publication.

(f) Final decisions will be made by USDA based upon the rating assigned by reviewers in consideration of the technical and commercial potential of the application, duplication of research, any critical USDA requirements, resubmission and budget limitation. In the event that two or more proposals are of approximately equal merit, the existence of a cooperative research and development agreement (CRADA) with a USDA laboratory will
be an important consideration. The existence of a follow-on funding commitment for continued development in Phase III will also be an important consideration. The value of any commitment will depend upon the degree of financial commitment made by investors, with the maximum value resulting from a signed agreement with reasonable terms for an amount at least equal to funding requested from USDA in Phase II.

§ 3403.11 Availability of information.

Information regarding the peer review process will be made available to the extent permitted under the Freedom of Information Act (5 U.S.C. 552), the Privacy Act (5 U.S.C. 552a), the SBIR Policy Directive, and implementing Departmental and other Federal regulations. Implementing Departmental regulations are found at 7 CFR part 1.

Subpart E—Supplementary Information

§ 3403.12 Terms and conditions of grant awards.

Within the limit of funds available for such purposes, the Authorized Departmental Officer shall make research project grants to those responsible, eligible applicants whose proposals are judged most meritorious in the announced program areas under the evaluation criteria and procedures set forth in the annual program solicitation. The beginning of the project period shall be no later than September 30 of the Federal fiscal year in which the project is approved for support. All funds granted under this part shall be expended solely for the purpose for which funds are granted in accordance with the approved application and budget, the regulations of this part, the terms and conditions of award, the Federal Acquisition Regulations (48 CFR part 31), and 2 CFR part 200.

§ 3403.13 Notice of grant awards.

(a) The grant award document may include the following:

(1) Legal name and address of performing organization or institution;
(2) Title of project;
(3) Name and institution of Project Director’s chosen to direct and control approved activities;
(4) Identifying grant number assigned by the Department;
(5) Project period, specifying the amount of time the Department intends to support the project;
(6) Total amount of Departmental financial assistance approved for the project period;
(7) Legal authority(ies) under which the grant is awarded;
(8) Appropriate Catalog of Federal Domestic Assistance (CFDA) number;
(9) Applicable award terms and conditions;
(10) Approved budget plan for categorizing allocable project funds to accomplish the stated purpose of the grant award; and
(11) Other information or provisions deemed necessary by NIFA to carry out its respective granting activities or to accomplish the purpose of a particular grant.

(b) [Reserved]

§ 3403.14 Use of funds; changes.

(a) Delegation of fiscal responsibility. Unless the terms and conditions of the grant state otherwise, the grantee may not in whole or in part delegate or transfer to another person, institution, or organization the responsibility for use or expenditure of grant funds. (b) Changes in Project Plans. (1) The permissible changes by the grantee, Project Director, or other key project personnel in the approved project grant shall be limited to changes in methodology, techniques, or other similar aspects of the project to expedite achievement of the project’s approved goals. If the grantee or the Project Director (PD) is uncertain as to whether a change complies with this provision, the question must be referred to the Authorized Departmental Officer (ADO) for a final determination. The signatory of the award document is the ADO, not the program contact. (2) Changes in approved goals or objectives shall be requested by the grantee and, in consultation with the NIFA SBIR National Program Leader,
approved in writing by the ADO prior to effecting such changes. In no event shall requests for such changes be approved which are outside the scope of the original approved project.

(3) Changes in approved project leadership or the replacement or reassignment of other key project personnel shall be requested by the grantee and, in consultation with the NIFA SBIR National Program Leader, approved in writing by the ADO prior to effecting such changes.

(4) Transfers of actual performance of the substantive programmatic work in whole or in part and provisions for payment of funds, whether or not Federal funds are involved, shall be requested by the grantee and, in consultation with the NIFA SBIR National Program Leader, approved in writing by the ADO prior to effecting such transfers, unless prescribed otherwise in the terms and conditions of the grant.

(c) Changes in Project Period. The project period may be extended by NIFA without additional financial support, for such additional period(s) as the ADO determines may be necessary to complete or fulfill the purposes of an approved project provided Federal funds remain. Any extension of time shall be conditioned upon prior request by the grantee and approval in writing by the ADO unless otherwise noted in the award terms and conditions. In such cases the extension will not normally exceed 12 months. The Phase I award will still be limited to the approved award amount, and the submission of a Phase II proposal will normally be delayed by no more than one year. The extension allows the grantee to continue expending the remaining Federal funds for the intended purpose over the extension period. In instances where no Federal funds remain, it is unnecessary to approve an extension since the purpose of the extension is to continue using Federal funds. The grantee may opt to continue the Phase I project after the grant’s termination and closeout, however, the grantee would have to do so without additional Federal funds. In the latter case, no communication with USDA is necessary.

(d) Changes in approved budget. Changes in an approved budget must be requested by the grantee and approved in writing by the ADO prior to instituting such changes if the revision will involve transfers or expenditures of amounts requiring prior approval as set forth in the applicable Federal cost principles, Departmental regulations, or grant award.

(e) Use of Change of Name and Novation Agreement. (1) Occasionally, after an award has been made the name of the Awardee may change. NIFA requires execution of a “Change of Name Agreement” in such instances. The specific circumstances of each situation will determine which kind of agreement should be executed. This decision will be determined by the ADO.

(i) A Change of Name Agreement is a legal instrument executed by the Awardee and the Government that recognizes a change of the legal name of the Awardee without disturbing the original rights and obligations of the parties. If only a change of the Awardee’s name is involved and the Government’s and Awardee’s rights and obligations remain unaffected, the parties should execute an agreement to reflect the name change.

(ii) In order to execute the actual Change of Name Agreement with USDA, the Awardee is required to submit the following information:

(A) The document effecting the name change, authenticated by a proper official of the State having jurisdiction;

(B) The opinion of the Grantee’s legal counsel stating that the change of name was properly effected under applicable law and showing the effective date;

(C) A list of all affected awards between the Grantee and NIFA.

(iii) When NIFA is notified that a change of name has taken place, the ADO will request the aforementioned information from the Grantee. Upon receipt and review of this information, parties will properly execute a Change of Name Agreement and the appropriate changes will be made to the Agency’s records. The following suggested format for an agreement may be adapted for specific cases:

THE NATIONAL INSTITUTE OF FOOD AND AGRICULTURE

National Institute of Food and Agriculture

§ 3403.14

AGRICULTURE, USDA (Government) enter into this Agreement as of _______ (insert date when the change of name became effective under applicable State law).

(a) THE PARTIES AGREE TO THE FOLLOWING FACTS:

1. The Government, represented by the ADO, has entered into certain awards with XYZ CORPORATION, namely _______ (insert award number or delete “namely” and insert “as shown in the attached list marked ‘Exhibit A’ and incorporated in this Agreement by reference.”) The term “the awards,” as used in this Agreement, means the above awards and all other awards, including all modifications, made by the Government and the Grantee before the effective date of this Agreement (whether or not performance and payment have been completed and releases executed if the Government or the Grantee has any remaining rights, duties, or obligations under these awards.)

2. The XYZ CORPORATION, by an amendment to its certificate of incorporation, dated __________, 20___, has changed its corporate name to ABC CORPORATION.

3. This amendment accomplishes a change of corporate name only and all rights and obligations of the Government and of the Grantee under the awards are unaffected by this change.

4. Documentary evidence of this change of corporate name has been filed with the Government.

(b) IN CONSIDERATION OF THESE FACTS, THE PARTIES AGREE THAT:

1. The awards covered by this Agreement are amended by substituting the name “ABC CORPORATION” for the name “XYZ CORPORATION” wherever it appears in the awards; and

2. Each party has executed this Agreement as of the day and year first above written.

(2) From time to time the legal entity performing the research under the award may have to be changed. In such instances, USDA will ensure that all parties properly execute a Novation Agreement (Successor in Interest Agreement).

(i) A Novation Agreement is a legal instrument executed by the Grantee (transferor), the successor in interest (transferee), and the Government by which, among other things, the transferee guarantees performance of the award, the transferee assumes all obligations under the award, and the Government recognizes the transfer of the award and related assets. This occurs when the third party’s interest in the award arises out of the transfer of all the Grantee’s assets or the entire portion of the assets involved in performing the award. Examples include, but are not limited to: the sale of these assets with a provision for assuming liabilities; the transfer of these assets incident to a merger or corporate consolidation; and the incorporation of a proprietorship or partnership, or the formation of a partnership.

(ii) When a Grantee asks the Government to recognize a successor in interest, the responsible ADO shall obtain the following from the Grantee:

(A) An authenticated copy of the instrument effecting the transfer of assets; e.g., bill of sale, certificate of merger, contract, deed, agreement, or court decree;

(B) A list of all affected awards;

(C) A certified copy of each resolution of the corporate parties’ boards of directors authorizing the transfer of assets;

(D) A certified copy of the minutes of each corporate party’s stockholder meeting necessary to approve the transfer of assets;

(E) The opinion of legal counsel for the transferee and transferee stating that the transfer was properly effected under applicable law and the effective date of transfer;

(F) An authenticated copy of the transferee’s certificate and articles of incorporation, if a corporation was formed for the purpose of receiving the
assets involved in performing the Government award:

(G) Evidence of transferee’s capability to perform the award; and

(H) Balance sheets of the transferor and transferee as of the dates immediately before and after the transfer of assets, certified for accuracy by independent accountants.

(iii) The ADO will review the Agency’s financial records concerning the correct cash-on-hand balances held by the transferor to ensure that they are properly accounted for in the transfer process. If recognizing a successor in interest to a Government award is consistent with the Government’s interest, the ADO will prepare a Novation Agreement for execution by all three parties. The agreement will provide that:

(A) The transferee assumes all the transferor’s obligations under the award(s);

(B) The transferor waives all rights under the award against the Government;

(C) The transferor guarantees performance of the award by the transferee (a satisfactory performance bond may be accepted instead of the guarantee); and

(D) Nothing in the agreement shall relieve the transferor or transferee from compliance with any Federal law.

(E) The following suggested format for an agreement may be adapted for specific cases:

NOVATION AGREEMENT (SUCCESSOR IN INTEREST AGREEMENT)

THE ABC CORPORATION (Transferor), a corporation duly organized and existing under the laws of (insert state) with its principal office in (insert city); the XYZ CORPORATION (Transferee), a corporation duly organized and existing under the laws of (insert state) with its principal office in (insert city); and the NATIONAL INSTITUTE OF FOOD AND AGRICULTURE, USDA (Government) enter into this Agreement as of (insert the date transfer of assets became effective under applicable State law).

(a) THE PARTIES AGREE TO THE FOLLOWING FACTS:

1. The Government, represented by the ADO has entered into certain awards with the Transferor, namely: (insert award number or delete “namely” and insert “as shown in the attached list marked ‘Exhibit A’ and incorporated in this Agreement by reference.’’) The term the “awards,” as used in this Agreement, means the above awards and all other awards, including all modifications, made between the Government and Transferor before the effective date of this Agreement (whether or not performance and payment have been completed and releases executed if the Government or the Transferor has any remaining rights, duties, or obligations under these awards.) Included in the term “award” are also all modifications made under the terms and conditions of these awards between the Government and the Transferor, on or after the effective date of this Agreement.

2. As of (insert terms or legal transaction involved) between the Transferor and the Transferee.

3. The Transferee has acquired all the assets of the Transferor by virtue of the above transfer.

4. The Transferee has assumed all obligations under the awards by virtue of a (insert terms or legal transaction involved) between the Transferor and the Transferee.

5. The Transferee is in a position to fully perform all obligations that may exist under the awards.

6. It is consistent with the Government’s interest to recognize the Transferee as the successor party to the awards.

7. Evidence of the above transfer has been filed with the Government.

(b) IN CONSIDERATION OF THESE FACTS, THE PARTIES AGREE THAT BY THIS AGREEMENT:

1. The Transferor confirms the transfer to the Transferee, and waives any claims and rights against the Government that it now has or may have in the future in connection with the awards.

2. The Transferee agrees to be bound by and to perform each award in accordance with the conditions contained in the awards. The Transferee also assumes all obligations and liabilities of, and all claims against, the Transferor under the awards as if the Transferee were the original party to the awards.

3. The Transferee ratifies all previous actions taken by the Transferor with respect to the awards, with the same force and effect as if the action had been taken by the Transferee.

4. The Government recognizes the Transferee as the Transferor’s successor in interest in and to the awards. The Transferee by this Agreement becomes entitled to all rights, titles, and interests of the Transferor in and to the awards as if the Transferee were the original party to the awards. Following the effective date of this Agreement, the term Grantee, as used in the awards, shall refer to the Transferee.
§ 3403.15 Other Federal statutes and regulations that apply.

(a) The Office of Management and Budget ("OMB") issued guidance on Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR part 200 on December 26, 2013. In 2 CFR 400.1, the Department adopted OMB's guidance in subparts A through F of 2 CFR part 200, as supplemented by 2 CFR part 400, as the Department's policies and procedures for uniform administrative requirements, cost principles, and audit requirements for federal awards. As a result, this regulation contains references to 2 CFR part 200 as it has regulatory effect for the Department's programs and activities.

(b) Several other Federal statutes and/or regulations apply to grant proposals considered for review or to research project grants awarded under this part. These include but are not limited to:

2 CFR part 200—Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.
2 CFR part 180 and Part 417—OMB Guidelines to Agencies on Government-Wide Debarment and Suspension (Nonprocurement) and USDA Nonprocurement Debarment and Suspension

5. Except as expressly provided in this Agreement, nothing in it shall be construed as a waiver of any rights of the Government against the Transferor.

6. All payments and reimbursements previously made by the Government to the Transferor, and all other previous actions taken by the Government under the awards, shall be considered to have discharged those parts of the Government's obligations under the awards. All payments and reimbursements made by the Government after the date of this Agreement in the name of or to the Transferor shall have the same force and effect as if made to the Transferee, and shall constitute a complete discharge of the Government's obligations under the awards, to the extent of the amounts paid or reimbursed.

7. The Transferor and the Transferee agree that the Government is not obligated to pay or reimburse either of them for, or otherwise give effect to, any costs, taxes, or other expenses, or any related increases, directly or indirectly arising out of or resulting from the transfer or this Agreement, other than those that the Government in the absence of this transfer or Agreement would have been obligated to pay or reimburse under the terms of the awards.

8. The Transferor guarantees payment of all liabilities and the performance of all obligations that the Transferee (i) assumes under this Agreement or (ii) may undertake in the future should these awards be modified under their terms and conditions. The Transferor waives notice of, and consents to, any such future modifications.

9. The awards shall remain in full force and effect, except as modified by this Agreement. Each party has executed this Agreement as of the day and year first above written.

3404.4 Multitrack processing.

AUTHORITY: 5 U.S.C. 301, 552; 7 CFR part 1, subpart A and appendix A thereto.

SOURCE: 66 FR 57342, Nov. 19, 2001, unless otherwise noted.

§ 3404.1 General statement.

This part is issued in accordance with the regulations of the Secretary of Agriculture in part 1, subpart A of this title and appendix A thereto, implementing the Freedom of Information Act (FOIA) (5 U.S.C. 552). The Secretary’s regulations, as implemented by the regulations in this part, govern the availability of records of the National Institute of Food and Agriculture (NIFA) to the public.

§ 3404.2 Public inspection, copying, and indexing.

5 U.S.C. 552(a)(2) requires that certain materials be made available for public inspection and copying and that a current index of these materials be published quarterly or otherwise be made available. Members of the public may request access to such materials maintained by NIFA at the following office: Information Staff, ARS, REE, USDA, Room 1–2248, Mail Stop 5128, 5601 Sunnyside Avenue, Beltsville, MD 20705–5128; Telephone (301) 504–1640 or (301) 504–1655; TTY-VOICE (301) 504–1743. Office hours are 8 a.m. to 4:30 p.m. Information maintained in our electronic reading room can be accessed at http://www.ars.usda.gov/is/foia/#Electronic.

§ 3404.3 Requests for records.

Requests for records of NIFA under 5 U.S.C. 552(a)(3) shall be made in accordance with § 1.3(c) of this title.

§ 3404.4 Multitrack processing.

(a) When NIFA has a significant number of requests, the nature of which precludes a determination within 20 working days, the requests may be processed in a multitrack processing system, based on the date of receipt, the amount of work and time involved in processing the request, and whether the request qualifies for expedited processing.

(b) NIFA may establish as many processing tracks as appropriate; processing within each track shall be based on a first-in, first-out concept, and rank-ordered by the date of receipt of the request.

(c) A requester whose request does not qualify for the fastest track may
be given an opportunity to limit the scope of the request in order to qualify for the fastest track. This multitrack processing system does not lessen agency responsibility to exercise due diligence in processing requests in the most expeditious manner possible. (d) NIFA shall process requests in each track on a "first-in, first-out" basis, unless there are unusual circumstances as set forth in § 1.16 of this title, or the requester is entitled to expedited processing as set forth in § 1.9 of this title.

§ 3404.5 Denials.

If the FOIA Coordinator determines that a requested record is exempt from mandatory disclosure and that discretionary release would be improper, the FOIA Coordinator shall give written notice of denial in accordance with § 1.7(a) of this title.

§ 3404.6 Appeals.

Any person whose request is denied shall have the right to appeal such denial. Appeals shall be made in accordance with § 1.14 of this title and should be addressed as follows: Director, NIFA, U.S. Department of Agriculture, Washington, DC 20250.

for a period not to exceed 5 years, to administer and conduct programs to respond to identified State, regional, national, or international educational needs in the food and agricultural sciences.

(b) To the extent that funds are available, each year NIFA will publish a FEDERAL REGISTER notice announcing the program and soliciting grant applications.

(c)(1) Based on the amount of funds appropriated in any fiscal year, NIFA will determine and cite in the program announcement:

(i) The targeted need area(s) to be supported or, if the entire scope of a particular targeted need area is not to be supported, the specific special interest(s) within that targeted need area to be supported;

(ii) The degree level(s) to be supported;

(iii) The maximum project period a proposal may request;

(iv) The maximum amount of funds that may be requested by an institution under a regular, complementary, or joint project proposal; and

(v) The maximum total funds that may be awarded to an institution under the program in a given fiscal year, including how funds awarded for complementary and for joint project proposals will be counted toward the institutional maximum.

(2) The program announcement will also specify the deadline date for proposal submission, the number of copies of each proposal that must be submitted, the address to which a proposal must be submitted, and whether or not Form NIFA–711, “Intent to Submit a Proposal,” is requested.

(d)(1) If it is deemed by NIFA that, for a given fiscal year, additional determinations are necessary, each, as relevant, will be stated in the program announcement. Such determinations may include:

(i) Limits on the subject matter/emphasis areas to be supported;

(ii) The maximum number of proposals that may be submitted on behalf of the same school, college, or equivalent administrative unit within an institution;

(iii) The maximum total number of proposals that may be submitted by an institution;

(iv) The minimum project period a proposal may request;

(v) The minimum amount of funds that may be requested by an institution under a regular, complementary, or joint project proposal;

(vi) The proportion of the appropriation reserved for, or available to, regular, complementary, and joint project proposals;

(vii) The proportion of the appropriation reserved for, or available to, projects in each announced targeted need area;

(viii) The proportion of the appropriation reserved for, or available to, each subject matter/emphasis area;

(ix) The maximum number of grants that may be awarded to an institution under the program in a given fiscal year; and

(x) Limits on the use of grant funds for travel or to purchase equipment, if any.

(2) The program announcement also will contain any other limitations deemed necessary by NIFA for proper conduct of the program in the applicable year.

(e) The regulations of this part do not apply to grants awarded by the Department of Agriculture under any other authority.

§ 3405.2 Definitions.

As used in this part:

(a) Authorized departmental officer means the Secretary or any employee of the Department who has the authority to issue or modify grant instruments on behalf of the Secretary.

(b) Authorized organizational representative means the president of the institution or the official, designated by the president of the institution, who has the authority to commit the resources of the institution.

(c) Budget period means the interval (usually 12 months) into which the project period is divided for budgetary and reporting purposes.

(d) Cash contributions means the applicant’s cash outlay, including the outlay of money contributed to the applicant by non-Federal third parties.
§ 3405.2

(e) Citizen or national of the United States means:

(1) A citizen or native resident of a State; or,

(2) A person defined in the Immigration and Nationality Act, 8 U.S.C. 1101(a)(22), who, though not a citizen of the United States, owes permanent allegiance to the United States.

(f) College or University means an educational institution in any State which:

(1) Admits as regular students only persons having a certificate of graduation from a school providing secondary education, or the recognized equivalent of such a certificate;

(2) Is legally authorized within such State to provide a program of education beyond secondary education;

(3) Provides an educational program for which a baccalaureate degree or any other higher degree is awarded;

(4) Is a public or other nonprofit institution; and

(5) Is accredited by a nationally recognized accrediting agency or association.

(g) Complementary project proposal means a proposal for a project which involves coordination with one or more other projects for which funding was awarded under this program in a previous fiscal year, or for which funding is requested under this program in the current fiscal year.

(h) Department or USDA means the United States Department of Agriculture.

(i) Eligible institution means a land-grant or other U.S. college or university offering a baccalaureate or first professional degree in at least one discipline or area of the food and agricultural sciences. The definition includes a research foundation maintained by an eligible college or university.

(j) Eligible participant means, for purposes of §3405.6(b), Faculty Preparation and Enhancement for Teaching, and §3405.6(f), Student Recruitment and Retention, an individual who: Is a citizen or national of the United States, as defined in §3405.2(e); or is a citizen of the Federated States of Micronesia, the Republic of the Marshall Islands, or the Republic of Palau. Where eligibility is claimed under §3405.2(e)(2), documentary evidence from the Immigration and Naturalization Service as to such eligibility must be made available to NIFA upon request.

(k) Food and agricultural sciences means basic, applied, and developmental research, extension, and teaching activities in the food, agricultural, renewable natural resources, forestry, and physical and social sciences, in the broadest sense of these terms, including but not limited to, activities concerned with the production, processing, marketing, distribution, conservation, consumption, research, and development of food and agronomically related products and services, and inclusive of programs in agriculture, natural resources, aquaculture, forestry, veterinary medicine, home economics, rural development, and closely allied disciplines.

(l) Grantee means the eligible institution designated in the grant award document as the responsible legal entity to which a grant is awarded.

(m) Joint project proposal means a proposal for a project, which will involve the applicant institution and two or more other colleges, universities, community colleges, junior colleges, or other institutions, each of which will assume a major role in the conduct of the proposed project, and for which the applicant institution will transfer at least one-half of the awarded funds to the other institutions participating in the project. Only the applicant institution must meet the definition of “eligible institution” as specified in §3405.2(i); the other institutions participating in a joint project proposal are not required to meet the definition of “eligible institution” as specified in §3405.2(i), nor required to meet the definition of “college” or “university” as specified in §3405.2(f).

(o) Matching or Cost-sharing means that portion of project costs not borne by the Federal Government, including the value of in-kind contributions.
Peer review panel means a group of experts or consultants, qualified by training and experience in particular fields of science, education, or technology to give expert advice on the merit of grant applications in such fields, who evaluate eligible proposals submitted to this program in their personal area(s) of expertise.

Prior approval means written approval evidencing prior consent by an authorized departmental officer as defined in §3405.2(a) of this part.

Project means the particular activity within the scope of one or more of the targeted areas supported by a grant awarded under this program.

Project director means the single individual designated by the grantee in the grant application and approved by the Secretary who is responsible for the direction and management of the project.

Project period means the period, as stated in the award document and modifications thereto, if any, during which Federal sponsorship begins and ends.

Secretary means the Secretary of Agriculture and any other officer or employee of the Department of Agriculture to whom the authority involved may be delegated.

State means any one of the fifty States, the Commonwealth of Puerto Rico, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, the Virgin Islands of the United States, and the District of Columbia.

Teaching means formal classroom instruction, laboratory instruction, and practicum experience in the food and agricultural sciences and matters related thereto (such as faculty development, student recruitment and services, curriculum development, instructional materials and equipment, and innovative teaching methodologies) conducted by colleges and universities offering baccalaureate or higher degrees.

Third party in-kind contributions means non-cash contributions of property or services provided by non-Federal third parties, including real property, equipment, supplies and other expendable property, directly benefiting and specifically identifiable to a funded project or program.

United States means the several States, the territories and possessions of the United States, the Commonwealth of Puerto Rico, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, the Virgin Islands of the United States, and the District of Columbia.

Institutional eligibility.

Proposals may be submitted by landgrant and other U.S. colleges and universities offering a baccalaureate or first professional degree in at least one discipline or area of the food and agricultural sciences. Each applicant must have a demonstrable capacity for, and a significant ongoing commitment to, the teaching of food and agricultural sciences generally and to the specific need and/or subject area(s) for which a grant is requested. Awards may be made only to eligible institutions as defined in §3405.2(l).

Subpart B—Program Description

Purpose of the program.

The Department of Agriculture is designated as the lead Federal agency for higher education in the food and agricultural sciences. In this context, NIFA has specific responsibility to initiate and support projects to strengthen college and university teaching programs in the food and agricultural sciences. One national initiative for carrying out this responsibility is the competitive Higher Education Challenge Grants Program. A primary goal of the program is to attract and ensure a continual flow of outstanding students into food and agricultural sciences higher education programs and to provide them with an education of the highest quality available anywhere in the world and which reflects the unique needs of the Nation. It is designed to stimulate and enable colleges and universities to provide the quality of education necessary to produce baccalaureate or higher degree level graduates capable of strengthening the Nation's food and agricultural scientific and professional work force. It is intended that projects supported by the program will:
§ 3405.5 Matching funds.

Each application must provide for matching support from a non-Federal source. NIFA will cite in the program announcement the required percentage of institutional cost sharing.

§ 3405.6 Scope of program.

This program supports projects related to strengthening undergraduate or graduate teaching programs as specified in the annual program announcement. Only proposals addressing one or more of the specific targeted need areas identified in the program announcement will be funded. Proposals may focus on any subject matter area(s) in the food and agricultural sciences unless limited by determinations as specified in the annual program announcement. A proposal may address a single targeted need area or multiple targeted need areas, and may be focused on a single subject matter area or multiple subject matter areas, in any combination (e.g., curriculum development in horticulture; curriculum development, faculty enhancement, and student experiential learning in animal science; faculty enhancement in food science and agribusiness management; or instruction delivery systems and student experiential learning in plant science, horticulture, and entomology). Targeted need areas will consist of one or more of the following:

(a) Curricula design and materials development. (1) The purpose of this initiative is to promote new and improved curricula and materials to increase the quality of, and continuously renew, the Nation’s academic programs in the food and agricultural sciences. The overall objective is to stimulate the development and facilitate the use of exemplary education models and materials that incorporate the most recent advances in subject matter, research on teaching and learning theory, and instructional technology. Proposals may emphasize: the development of courses of study, degree programs, and instructional materials; the use of new approaches to the study of traditional subjects; or the introduction of new subjects, or new applications of knowledge, pertaining to the food and agricultural sciences.

(2) Examples include, but are not limited to, curricula and materials that promote:
   (i) Raising the level of scholastic achievement of the Nation’s graduates in the food and agricultural sciences.
   (ii) Addressing the special needs of particular groups of students, such as minorities, gifted and talented, or those with educational backgrounds that warrant enrichment.
   (iii) Using alternative instructional strategies or methodologies, including computer-assisted instruction or simulation modeling, media programs that reach large audiences efficiently and effectively, activities that provide hands-on learning experiences, and educational programs that extend learning beyond the classroom.
   (iv) Using sound pedagogy, particularly with regard to recent research on how to motivate students to learn, retain, apply, and transfer knowledge, skills, and competencies.
   (v) Building student competencies to integrate and synthesize knowledge from several disciplines.

(b) Faculty preparation and enhancement for teaching. (1) The purpose of this initiative is to advance faculty development in the areas of teaching competency, subject matter expertise, or student recruitment and advising skills. Teachers are central to education. They serve as models, motivators, and mentors—the catalysts of the learning process. Moreover, teachers are agents for developing, replicating, and exchanging effective teaching materials and methods. For these reasons, education can be
strengthened only when teachers are adequately prepared, highly motivated, and appropriately recognized and rewarded.

(2) Each faculty recipient of support for developmental activities under §3405.6(b) must be an "eligible participant" as defined in §3405.2(j) of this part.

(3) Examples of developmental activities include, but are not limited to, those which enable teaching faculty to:

(i) Gain experience with recent developments or innovative technology relevant to their teaching responsibilities.

(ii) Work under the guidance and direction of experts who have substantial expertise in an area related to the developmental goals of the project.

(iii) Work with scientists or professionals in government, industry, or other colleges or universities to learn new applications in a field.

(iv) Obtain personal experience working with new ideas and techniques.

(v) Expand competence with new methods of information delivery, such as computer-assisted or televised instruction.

(vi) Increase understanding of the special needs of non-traditional students or students from groups that are underrepresented in the food and agricultural sciences workforce.

(c) Instruction delivery systems. (1) The purpose of this initiative is to encourage the use of alternative methods of delivering instruction to enhance the quality, effectiveness, and cost efficiency of teaching programs. The importance of this initiative is evidenced by advances in educational research which have substantiated the theory that differences in the learning styles of students often require alternative instructional methodologies. Also, the rising costs of higher education strongly suggest that colleges and universities undertake more efforts of a collaborative nature in order to deliver instruction which maximizes program quality and reduces unnecessary duplication. At the same time, advancements in knowledge and technology continue to introduce new subject matter areas which warrant consideration and implementation of innovative instructional techniques, methodologies, and delivery systems.

(2) Examples include, but are not limited to:

(i) Use of computers.

(ii) Teleconferencing.

(iii) Networking via satellite communications.

(iv) Regionalization of academic programs.

(v) Mobile classrooms and laboratories.

(vi) Individualized learning centers.

(vii) Symposia, forums, regional or national workshops, etc.

(d) Scientific instrumentation for teaching. (1) The purpose of this initiative is to provide students in science-oriented courses the necessary experience with suitable, up-to-date equipment in order to involve them in work central to scientific understanding and progress. This program initiative will support the acquisition of instructional laboratory and classroom equipment to assure the achievement and maintenance of outstanding food and agricultural sciences higher education programs. A proposal may request support for acquiring new, state-of-the-art instructional scientific equipment, upgrading existing equipment, or replacing non-functional or clearly obsolete equipment.

(2) Examples include, but are not limited to:

(i) Rental or purchase of modern instruments to improve student learning experiences in courses, laboratories, and field work.

(ii) Development of new ways of using instrumentation to extend instructional capabilities.

(iii) Establishment of equipment-sharing capability via consortia or centers that develop innovative opportunities, such as mobile laboratories or satellite access to industry or government laboratories.

(e) Student experiential learning. (1) The purpose of this initiative is to further the development of student scientific and professional competencies through experiential learning programs which provide students with opportunities to solve complex problems in the context of real-world situations. Effective experiential learning is essential
in preparing future graduates to advance knowledge and technology, enhance quality of life, conserve resources, and revitalize the Nation’s economic competitiveness. Such experiential learning opportunities are most effective when they serve to advance decision-making and communication skills as well as technological expertise.

(2) Examples include, but are not limited to, projects which:

(i) Provide opportunities for students to participate in research projects, either as a part of an ongoing research project or in a project designed especially for this program.

(ii) Provide opportunities for students to complete apprenticeships, internships, or similar participatory learning experiences.

(iii) Expand and enrich courses which are of a practicum nature.

(iv) Provide career mentoring experiences that link students with outstanding professionals.

(f) Student recruitment and retention.

(1) The purpose of this initiative is to strengthen student recruitment and retention programs in order to promote the future strength of the Nation’s scientific and professional work force. The Nation’s economic competitiveness and quality of life rest upon the availability of a cadre of outstanding research scientists, university faculty, and other professionals in the food and agricultural sciences. A substantial need exists to supplement efforts to attract increased numbers of academically outstanding students to prepare for careers as food and agricultural scientists and professionals. It is particularly important to augment the racial, ethnic, and gender diversity of the student body in order to promote a robust exchange of ideas and a more effective use of the full breadth of the Nation’s intellectual resources.

(2) Each student recipient of monetary support for education costs or developmental purposes under §3405.6(f) must be enrolled at an eligible institution and meet the requirement of an “eligible participant” as defined in §3405.2(j) of this part.

(3) Examples include, but are not limited to:

(i) Special outreach programs for elementary and secondary students as well as parents, counselors, and the general public to broaden awareness of the extensive nature and diversity of career opportunities for graduates in the food and agricultural sciences.

(ii) Special activities and materials to establish more effective linkages with high school science classes.

(iii) Unique or innovative student recruitment activities, materials, and personnel.

(iv) Special retention programs to assure student progression through and completion of an educational program.

(v) Development and dissemination of stimulating career information materials.

(vi) Use of regional or national media to promote food and agricultural sciences higher education.

(vii) Providing financial incentives to enable and encourage students to pursue and complete an undergraduate or graduate degree in an area of the food and agricultural sciences.

(viii) Special recruitment programs to increase the participation of students from non-traditional or underrepresented groups in courses of study in the food and agricultural sciences.

§ 3405.7 Joint project proposals.

Applicants are encouraged to submit joint project proposals as defined in §3405.2(m), which address regional or national problems and which will result overall in strengthening higher education in the food and agricultural sciences. The goals of such joint initiatives should include maximizing the use of limited resources by generating a critical mass of expertise and activity focused on a targeted need area(s), increasing cost-effectiveness through achieving economies of scale, strengthening the scope and quality of a project’s impact, and promoting coalition building likely to transcend the project’s lifetime and lead to future ventures.

§ 3405.8 Complementary project proposals.

Institutions may submit proposals that are complementary in nature as
§ 3405.9 Use of funds for facilities.

Under the Higher Education Challenge Grants Program, the use of grant funds to plan, acquire, or construct a building or facility is not allowed. With prior approval, in accordance with the cost principles set forth in 2 CFR part 200, some grant funds may be used for minor alterations, renovations, or repairs deemed necessary to retrofit existing teaching spaces in order to carry out a funded project. However, requests to use grant funds for such purposes must demonstrate that the alterations, renovations, or repairs are incidental to the major purpose for which a grant is made.

Subpart C—Preparation of a Proposal

§ 3405.10 Program application materials.

Program application materials in an application package will be made available to eligible institutions upon request. These materials include the program announcement, the administrative provisions for the program, and the forms needed to prepare and submit grant applications under the program.

§ 3405.11 Content of a proposal.

(a) Proposal cover page. (1) Form NIFA–712, “Higher Education Proposal Cover Page,” must be completed in its entirety. Note that providing a Social Security Number is voluntary, but is an integral part of the NIFA information system and will assist in the processing of the proposal.

(2) One copy of the Form NIFA–712 must contain the pen-and-ink signatures of the Project Director(s) and authorized organizational representative for the applicant institution.

(3) The title of the project shown on the “Higher Education Proposal Cover Page” must be brief (80-character maximum) yet represent the major thrust of the project. This information will be used by the Department to provide information to the Congress and other interested parties.

(b) In block 7. of Form NIFA–712, enter “Higher Education Challenge Grants Program.”

(5) In block 8.a. of Form NIFA–712, enter “Teaching.” In block 8.b, identify the code for the targeted need area(s) as found on the reverse of the form. If a proposal focuses on multiple targeted need areas, enter each code associated with the project and place an asterisk (*) immediately following the code for the primary targeted need area. In block 8.c, identify the major need area(s) of emphasis as found on the reverse of the form. If a proposal focuses on multiple areas of emphasis, enter each code associated with the project. This information will be used by program staff for the proper assignment of proposals to peer reviewers.

(b) Table of contents. For ease in locating information, each proposal must contain a detailed table of contents just after the Proposal Cover Page. The Table of Contents should include page numbers for each component of the proposal. Pagination should begin immediately following the Table of Contents.

(c) Project summary. (1) A Project Summary should immediately follow the Table of Contents. The information provided in the Project Summary may be used by the program staff for a variety of purposes, including the proper assignment of proposals to peer reviewers and providing information to peer reviewers prior to the peer panel meeting. The name of the institution, the targeted need area(s), and the title of
the proposal must be identified exactly as shown on the "Higher Education Proposal Cover Page."

(2) If the proposal is a complementary project proposal, as defined in §3405.2(g) of this part, indicate such and identify the other complementary project(s) by citing the name of the submitting institution, the title of the project, the project director, and the grant number (if funded in a previous year) exactly as shown on the cover page of the complementary project so that appropriate consideration can be given to the interrelatedness of the proposals in the evaluation process.

(3) If the proposal is a joint project proposal, as defined in §3405.2(m) of this part, indicate such and identify the other participating institutions and the key faculty member or other individual responsible for coordinating the project at each institution.

(4) The Project Summary should be a concise description of the proposed activity suitable for publication by the Department to inform the general public about awards under the program. The text must not exceed one page, single-spaced. The Project Summary should be a self-contained description of the activity which would result if the proposal is funded by USDA. It should include: The objectives of the project; a synopsis of the plan of operation; a description of how the project will strengthen higher education in the food and agricultural sciences in the United States; and the plans for disseminating project results. The Project Summary should be written so that a technically literate reader can evaluate the use of Federal funds in support of the project.

(d) Resubmission of a proposal—(1) Resubmission of previously unfunded proposals. If a proposal has been submitted previously, but was not funded, such should be indicated in block 13. on Form NIFA–712, "Higher Education Proposal Cover Page," and the following information should be included in the proposal: The fiscal year(s) in which the proposal was submitted previously; a summary of the peer reviewers’ comments; and how these comments have been addressed in the current proposal, including the page numbers in the current proposal where the peer reviewers’ comments have been addressed. This information may be provided as a section of the proposal following the Project Summary and preceding the proposal narrative or it may be placed in the Appendix (see §3405.11(i)). In either case, the location of this information should be indicated in the Table of Contents. Further, when possible, the information should be presented in tabular format. Applicants who choose to resubmit proposals that were previously submitted, but not funded, should note that resubmitted proposals must compete equally with newly submitted proposals. Submitting a proposal that has been revised based on a previous peer review panel’s critique of the proposal does not guarantee the success of the resubmitted proposal.

(2) Resubmission of previously funded proposals. The Higher Education Challenge Grants Program is not designed to support activities that essentially are repetitive in nature over multiple grant awards. Project directors who have had their projects funded previously are discouraged from resubmitting relatively identical proposals for further funding. Proposals that are sequential continuations or new stages of previously funded Challenge Grants Program projects must compete with first-time proposals. Therefore, project directors should thoroughly demonstrate how the project proposed in the current application expands substantially upon a previously funded project (i.e., demonstrate how the new project will advance the former project to the next level of attainment or achieve expanded goals). The proposal must also show the degree to which the new phase promotes innovativeness and creativity beyond the scope of the previously funded project.

(e) Narrative of a proposal. The narrative portion of the proposal is limited to 20 pages in length. The one-page Project Summary is not included in the 20-page limitation. The narrative must be typed on one side of the page only, using a font no smaller than 12 point, and double-spaced. All margins must be at least one inch. All pages following the Table of Contents must be paginated. It should be noted that peer reviewers will not be required to read
National Institute of Food and Agriculture

§ 3405.11

beyond 20 pages of the narrative to evaluate the proposal. The narrative should contain the following sections:

(1) Potential for advancing the quality of education—(i) Impact. (A) Identify the targeted need area(s).

(B) Clearly state the specific instructional problem or opportunity to be addressed.

(C) Describe how and by whom the focus and scope of the project were determined. Summarize the body of knowledge which substantiates the need for the proposed project.

(D) Describe ongoing or recently completed significant activities related to the proposed project for which previous funding was received under this program.

(E) Discuss how the project will be of value at the State, regional, national, or international level(s).

(F) Discuss how the benefits to be derived from the project will transcend the applicant institution or the grant period. Also discuss the probabilities of the project being of value at the State, regional, national, or international level(s).

(ii) Continuation plans. Discuss the likelihood of, or plans for, continuation or expansion of the project beyond USDA support. For example, does the institution’s long-range budget or academic plan provide for the realistic continuation or expansion of the initiative undertaken by this project after the end of the grant period, are plans for eventual self-support built into the project, are plans being made to institutionalize the program if it meets with success, and are there indications of other continuing non-Federal support?

(ii) Evaluation plans. (A) Provide a plan for evaluating the accomplishment of stated objectives during the conduct of the project. Include the same kinds of information requested in §3405.11(e)(2)(ii)(A).

(B) Provide a plan for evaluating the effectiveness of the end results upon conclusion of the project. Include the same kinds of information requested in §3405.11(e)(2)(ii)(A).

(iii) Dissemination plans. Discuss plans to disseminate project results and products. Identify target audiences and explain methods of communication.

(iv) Partnerships and collaborative efforts. (A) Explain how the project will maximize partnership ventures and collaborative efforts to strengthen food and agricultural sciences higher education (e.g., involvement of faculty in related disciplines at the same institution, joint projects with other colleges or universities, or cooperative activities with business or industry). Also explain how it will stimulate academia, the States, or the private sector to join with the Federal partner in enhancing food and agricultural sciences higher education.

(B) Provide evidence, via letters from the parties involved, that arrangements necessary for collaborative partnerships or joint initiatives have been discussed and realistically can be expected to come to fruition, or actually
have been finalized contingent on an award under this program. Letters must be signed by an official who has the authority to commit the resources of the organization. Such letters should be referenced in the plan of operation, but the actual letters should be included in the Appendix section of the proposal. Any potential conflict(s) of interest that might result from the proposed collaborative arrangements must be discussed in detail.

(3) Institutional commitment and resources—(i) Institutional commitment. Discuss the institution’s commitment to the project. For example, substantiate that the institution attributes a high priority to the project, discuss how the project will contribute to the achievement of the institution’s long-term (five-to ten-year) goals, explain how the project will help satisfy the institution’s high-priority objectives, or show how this project is linked to and supported by the institution’s strategic plan.

(ii) Institutional resources. Document the commitment of institutional resources to the project, and show that the institutional resources to be made available to the project, when combined with the support requested from USDA, will be adequate to carry out the activities of the project. Discuss institutional facilities, equipment, computer services, and other appropriate resources available to the project.

(f) Key personnel. A Form NIFA–708, “Summary Vita—Teaching Proposal,” should be included for each key person associated with the project.

(g) Budget and cost-effectiveness—(1) Budget form. (i) Prepare Form NIFA–713, “Higher Education Budget,” in accordance with instructions provided with the form. Proposals may request support for a period to be identified in each year’s program announcement. A budget form is required for each year of requested support. In addition, a summary budget is required detailing the requested total support for the overall project period. Form NIFA–713 may be reproduced as needed by proposers. Funds may be requested under any of the categories listed on the form, provided that the item or service for which support is requested is allowable under the authorizing legislation, the applicable Federal cost principles, and these administrative provisions, and can be justified as necessary for the successful conduct of the proposed project.

(ii) The approved negotiated instruction rate or the rate allowed by law should be used when computing indirect costs. If a reduced rate of indirect costs is voluntarily requested from USDA, the remaining allowable indirect costs may be used as matching funds.

(2) Matching funds. When documenting matching contributions, use the following guidelines:

(i) When preparing the column of Form NIFA–713 entitled “Applicant Contributions to Matching Funds,” only those costs to be contributed by the applicant for the purposes of matching should be shown. The total amount of this column should be indicated in item M.

(ii) In item N of Form NIFA–713, show a total dollar amount for Cash Contributions from both the applicant and any third parties; also show a total dollar amount (based on current fair market value) for Non-cash Contributions from both the applicant and any third parties.

(iii) To be counted toward the matching requirements stated in §3405.5 of this part, proposals must include written verification of any actual commitments of matching support (including both cash and non-cash contributions) from third parties. Written verification means:

(A) For any third party cash contributions, a separate pledge agreement for each donation, signed by the authorized organizational representative(s) of the donor organization and the applicant institution, which must include:

(1) The name, address, and telephone number of the donor;

(2) The name of the applicant institution;

(3) The title of the project for which the donation is made;

(4) The dollar amount of the cash donation; and

(5) A statement that the donor will pay the cash contribution during the grant period; and
(B) For any third party non-cash contributions, a separate pledge agreement for each contribution, signed by the authorized organizational representative(s) of the donor organization and the applicant institution, which must include:

1. The name, address, and telephone number of the donor;
2. The name of the applicant institution;
3. The title of the project for which the donation is made;
4. A good faith estimate of the current fair market value of the non-cash contribution; and
5. A statement that the donor will make the contribution during the grant period.

(iv) All pledge agreements referenced in §3405.11(g)(2)(iii) (A) and (B) must be placed in the proposal immediately following Form NIFA–713. The sources and amounts of all matching support from outside the applicant institution should be summarized in the Budget Narrative section of the proposal.

(v) Applicants should refer to 2 CFR part 200 and part 400 for further guidance and other requirements relating to matching and allowable costs.

(3) Chart on shared budget for joint project proposal. For a joint project proposal, a plan must be provided indicating how funds will be distributed to the participating institutions. The budget section of a joint project proposal should include a chart indicating:

- The names of the participating institutions;
- The amount of funds to be disbursed to those institutions; and
- The way in which such funds will be used in accordance with items A through L of Form NIFA–713, “Higher Education Budget.” If a proposal is not for a joint project, such a chart is not required.

(4) Budget narrative. (i) Discuss how the budget specifically supports the proposed project activities. Explain how such budget items as professional or technical staff, travel, equipment, etc., are essential to achieving project objectives.

(ii) Justify that the total budget, including funds requested from USDA and any matching support provided, will be adequate to carry out the activities of the project. Provide a summary of sources and amounts of all third party matching support.

(iii) Justify the project’s cost-effectiveness. Show how the project maximizes the use of limited resources, optimizes educational value for the dollar, achieves economies of scale, or leverages additional funds. For example, discuss how the project has the potential to generate a critical mass of expertise and activity focused on a targeted need area, or to promote coalition building that could lead to future ventures.

(iv) Include the percentage of time key personnel will work on the project, both during the academic year and summer. When salaries of university personnel will be paid by a combination of USDA and institutional funds, the total compensation must not exceed the faculty member’s regular annual compensation. In addition, the total commitment of time devoted to the project, when combined with time for teaching and research duties, other sponsored agreements, and other employment obligations to the institution, must not exceed 100 percent of the normal workload for which the employee is compensated, in accordance with established university policies and applicable Federal cost principles.

(v) If the proposal addresses more than one targeted need area (e.g., student experiential learning and instruction delivery systems), estimate the proportion of the funds requested from USDA that will support each respective targeted need area.

(h) Current and pending support. Each applicant must complete Form NIFA–663, “Current and Pending Support,” identifying any other current public- or private-sponsored projects, in addition to the proposed project, to which key personnel listed in the proposal under consideration have committed portions of their time, whether or not salary support for the person(s) involved is included in the budgets of the various projects. This information should also be provided for any pending proposals which are currently being considered by, or which will be submitted in the near future to other possible sponsors, including other USDA programs or agencies. Concurrent submission of identical or similar projects

265
§ 3405.12 Intent to submit a proposal.

To assist NIFA in preparing for the review of proposals, institutions planning to submit proposals may be requested to complete Form NIFA–711, “Intent to Submit a Proposal,” provided in the application package. NIFA will determine each year if Intent to Submit a Proposal forms will be requested and provide such information in the program announcement. If Intent to Submit a Proposal forms are required, one form should be completed and returned for each proposal an institution anticipates submitting. Submitting this form does not commit an institution to any course of action, nor does failure to send this form prohibit an institution from submitting a proposal.

§ 3405.13 When and where to submit a proposal.

The program announcement will provide the deadline date for submitting a proposal, the number of copies of each proposal that must be submitted, and the address to which proposals must be submitted.

Subpart E—Proposal Review and Evaluation

§ 3405.14 Proposal review.

The proposal evaluation process includes both internal staff review and merit evaluation by peer review panels comprised of scientists, educators, business representatives, and Government officials. Peer review panels will be selected and structured to provide optimum expertise and objective judgment in the evaluation of proposals.

§ 3405.15 Evaluation criteria.

The maximum score a proposal can receive is 200 points. Unless otherwise stated in the annual solicitation published in the FEDERAL REGISTER, the peer review panel will consider the following criteria and weights to evaluate proposals submitted:

<table>
<thead>
<tr>
<th>Evaluation Criterion</th>

<tr>
<td>(1) Impact—Does the project address a targeted need area(s)? Is the problem or opportunity clearly documented? Does the project address a State, regional, national, or international problem or opportunity? Will the benefits to be derived from the project transcend the applicant institution and/or the grant period? Is it probable that other institutions will adapt this project for their own use? Can the project serve as a model for others?</td>
<td>20 points.</td>
</tr>

266
Institutional commitment and resources:

This criterion relates to the degree to which the proposal complies with the application guidelines and is of high quality. Is the proposal enhanced by its adherence to instructions (table of contents, organization, pagination, margin and font size, the 20-page limitation, appendices, etc.); accuracy of forms; clarity of budget narrative; well-prepared vitae for all key personnel associated with the project; and presentation (are ideas effectively presented, clearly articulated, and thoroughly explained, etc.)?

Budget and cost-effectiveness:

(1) Budget—Is the total budget justifyable? Are costs reasonable and necessary? Will the total budget be adequate to carry out project activities? Are the source(s) and amount(s) of non-Federal matching support clearly identified and appropriately documented? For a joint project proposal, is the shared budget explained clearly and in sufficient detail?

(2) Cost-effectiveness—Is the proposed project cost-effective? Does it demonstrate a creative use of limited resources, maximize educational value per dollar of USDA support, achieve economies of scale, leverage additional funds or have the potential to do so, focus expertise and activity on a targeted need area, or promote coalition building for current or future ventures?

Key personnel:

This criterion relates to the number and qualifications of the key persons who will carry out the project. Are designated project personnel qualified to carry out a successful project? Are there sufficient numbers of personnel associated with the project to achieve the stated objectives and the anticipated outcomes?

Overall approach and cooperative linkages:

This criterion relates to the soundness of the proposed approach and the quality of the partnerships likely to evolve as a result of the project.

(1) Proposed approach—Do the objectives and plan of operation appear to be sound and appropriate relative to the targeted need area(s) and the impact anticipated? Are the procedures managerially, educationally, and/or scientifically sound? Is the overall plan integrated with other goals does it expand upon other major efforts to improve the quality of food and agricultural sciences higher education? Does the timetable appear to be readily achievable?

(2) Evaluation—Are the evaluation plans adequate and reasonable? Do they allow for continuous and/or frequent feedback during the life of the project? Are the individuals involved in project evaluation skilled in evaluation strategies and procedures? Can they provide an objective evaluation? Do evaluation plans facilitate the measurement of project progress and outcomes?

(3) Dissemination—Does the proposed project include clearly outlined and realistic mechanisms that will lead to widespread dissemination of project results, including national electronic communication systems, publications, presentations at professional conferences, and/or use by faculty development or research/teaching skills workshops?

(4) Partnerships and collaborative efforts—Will the project expand partnership ventures among disciplines at a university, between colleges and universities, or with the private sector? Will the project lead to long-term relationships or cooperative partnerships that are likely to enhance program quality or supplement resources available to food and agricultural sciences higher education?

(c) Institutional commitment and resources:

This criterion relates to the institution’s commitment to the project and the adequacy of institutional resources available to carry out the project.

(1) Institutional commitment—Is there evidence to substantiate that the institution attributes a high-priority to the project, that the project is linked to the achievement of the institution’s long-term goals, that it will help satisfy the institution’s high-priority objectives, or that the project is supported by the institution’s strategic plans?

(2) Institutional resources—Will the project have adequate support to carry out the proposed activities? Will the project have reasonable access to needed resources such as instructional instrumentation, facilities, computer services, library and other instruction support resources?

(d) Overall quality of proposal:

This criterion relates to the degree to which the proposal complies with the application guidelines and is of high quality. Is the proposal enhanced by its adherence to instructions (table of contents, organization, pagination, margin and font size, the 20-page limitation, appendices, etc.); accuracy of forms; clarity of budget narrative; well-prepared vitae for all key personnel associated with the project; and presentation (are ideas effectively presented, clearly articulated, and thoroughly explained, etc.)?
§ 3405.16 Access to peer review information.

After final decisions have been announced, NIFA will, upon request, inform the project director of the reasons for its decision on a proposal. Verbatim copies of summary reviews, not including the identity of the peer reviewers, will be made available to respective project directors upon specific request.

§ 3405.17 Grant awards.

(a) General. Within the limit of funds available for such purpose, the authorized departmental officer shall make project grants to those responsible, eligible applicants whose proposals are judged most meritorious in the announced targeted need areas under the evaluation criteria and procedures set forth in this part. The beginning of the project period shall be no later than September 30 of the Federal fiscal year in which the project is approved for support. All funds granted under this part shall be expended solely for the purpose for which the funds are granted in accordance with the approved application and budget, the terms and conditions of the award, the applicable Federal cost principles, and 2 CFR part 200.

(b) Organizational management information. Specific management information relating to a proposing institution shall be submitted on a one-time basis prior to the award of a project grant identified under this part if such information has not been provided previously under this or another program for which the sponsoring agency is responsible. Copies of the forms used to fulfill this requirement will be sent to the proposing institution by the sponsoring agency as part of the pre-award process.

(c) Notice of grant award. The grant award document shall include at a minimum the following:

(1) Legal name and address of performing organization.
(2) Title of project.
(3) Name(s) and address(es) of project director(s).
(4) Identifying grant number assigned by the Department.

(5) Project period, which specifies how long the Department intends to support the effort without requiring re-application for funds.

(6) Total amount of Federal financial assistance approved during the project period.

(7) Legal authority(ies) under which the grant is awarded.

(8) Approved budget plan for categorizing allocable project funds to accomplish the stated purpose of the grant award.

(9) Other information or provisions deemed necessary by the Department to carry out its granting activities or to accomplish the purpose of this particular project grant.

(d) Obligation of the Federal Government. Neither the approval of any application nor the award of any project grant shall legally commit or obligate NIFA or the United States to provide further support of a project or any portion thereof.

§ 3405.18 Use of funds; changes.

(a) Delegation of fiscal responsibility. The grantee may not in whole or in part delegate or transfer to another person, institution, or organization the responsibility for use or expenditure of grant funds.

(b) Change in project plans. (1) The permissible changes by the grantee, project director(s), or other key project personnel in the approved project grant shall be limited to changes in methodology, techniques, or other aspects of the project to expedite achievement of the project’s approved goals. If the grantee or the project director(s) are uncertain as to whether a change complies with this provision, the question must be referred to the Department for a final determination.

(2) Changes in approved goals, or objectives, shall be requested by the grantee and approved in writing by the authorized departmental officer prior to effecting such changes. In no event shall requests for such changes be approved that are outside the scope of the approved project.

(3) Changes in approved project leadership or the replacement or reassignment of other key project personnel...
shall be requested by the grantee and approved in writing by the authorized departmental officer prior to effecting such changes.

(4) Transfers of actual performance of the substantive programmatic work in whole or in part and provisions for payment of funds, whether or not Federal funds are involved, shall be requested by the grantee and approved in writing by the authorized departmental officer prior to effecting such transfers.

(c) Changes in project period. The project period may be extended by the authorized departmental officer without additional financial support for such additional period(s) as the authorized departmental officer determines may be necessary to complete or fulfill the purposes of an approved project. However, due to statutory restriction, no grant may be extended beyond five years from the original start date of the grant, or pre-award date, if applicable. Grant extensions shall be conditioned upon prior request by the grantee and approval in writing by the authorized departmental officer, unless prescribed otherwise in the terms and conditions of a grant.

(d) Changes in approved budget. Changes in an approved budget shall be requested by the grantee and approved in writing by the authorized departmental officer prior to instituting such changes if the revision will:

(1) Involve transfers of amounts budgeted for indirect costs to absorb an increase in direct costs;

(2) Involve transfers of amounts budgeted for direct costs to accommodate changes in indirect cost rates negotiated during a budget period and not approved when a grant was awarded;

(3) Involve transfers or expenditures of amounts requiring prior approval as set forth in the applicable Federal cost principles, Departmental regulations, or in the grant award.

§ 3405.19 Monitoring progress of funded projects.

(a) During the tenure of a grant, project directors must attend at least one national project directors meeting, if offered, in Washington, DC or any other announced location. The purpose of the meeting will be to discuss project and grant management opportunities for collaborative efforts, future directions for education reform, and opportunities to enhance dissemination of exemplary end products/results.

(b) An Annual Performance Report must be submitted to the USDA program contact person within 90 days after the completion of the first year of the project and annually thereafter during the life of the grant. Generally, the Annual Performance Reports should include a summary of the overall progress toward project objectives, current problems or unusual developments, the next year’s activities, and any other information that is pertinent to the ongoing project or which may be specified in the terms and conditions of the award.

(c) A Final Performance Report must be submitted to the USDA program contact person within 90 days after the expiration date of the project. The expiration date is specified in the award documents and modifications thereto, if any. Generally, the Final Performance Report should be a summary of the completed project, including: A review of project objectives and accomplishments; a description of any products and outcomes resulting from the project; activities undertaken to disseminate products and outcomes; partnerships and collaborative ventures that resulted from the project; future initiatives that are planned as a result of the project; the impact of the project on the project director(s), the institution, and the food and agricultural sciences higher education system; and data on project personnel and beneficiaries. The Final Performance Report should be accompanied by samples or copies of any products or publications resulting from or developed by the project. The Final Performance Report must also contain any other information which may be specified in the terms and conditions of the award.

§ 3405.20 Other Federal statutes and regulations that apply.

(a) The Office of Management and Budget (“OMB”) issued guidance on Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR
part 200 on December 26, 2013. In 2 CFR 400.1, the Department adopted OMB’s guidance in subparts A through F of 2 CFR part 200, as supplemented by 2 CFR part 400, as the Department’s policies and procedures for uniform administrative requirements, cost principles, and audit requirements for federal awards. As a result, this regulation contains references to 2 CFR part 200 as it has regulatory effect for the Department’s programs and activities.”

(b) Several other Federal statutes and/or regulations apply to grant proposals considered for review or to research project grants awarded under this part. These include but are not limited to:

2 CFR part 200—Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.
2 CFR part 180 and Part 417—OMB Guidelines to Agencies on Government-Wide Debarment and Suspension (Nonprocurement) and USDA Nonprocurement Debarment and Suspension.
7 CFR part 3407—NIFA Procedures To Implement The National Environmental Policy Act;
29 U.S.C. 794 (section 504, Rehabilitation Act of 1973) and 7 CFR part 15B (USDA implementation of statute)—prohibiting discrimination based upon physical or mental handicap in Federally assisted programs; and
35 U.S.C. 200 et seq.—Bayh-Dole Act, controlling allocation of rights to inventions made by employees of small business firms and domestic nonprofit organizations, including universities, in Federally assisted programs (implementing regulations are contained in 37 CFR part 401).

(79 FR 75999, Dec. 19, 2014)

§ 3405.21 Confidential aspects of proposals and awards.

When a proposal results in a grant, it becomes a part of the record of the Agency’s transactions, available to the public upon specific request. Information that the Secretary determines to be of a privileged nature will be held in confidence to the extent permitted by law. Therefore, any information that the applicant wishes to have considered as privileged should be clearly marked as such and sent in a separate statement, two copies of which should accompany the proposal. The original copy of a proposal that does not result in a grant will be retained by the Agency for a period of one year. Other copies will be destroyed. Such a proposal will be released only with the consent of the applicant or to the extent required by law. A proposal may be withdrawn at any time prior to the final action thereon.

§ 3405.22 Evaluation of program.

Grantees should be aware that NIFA may, as a part of its own program evaluation activities, carry out in-depth evaluations of assisted activities. Thus, grantees should be prepared to cooperate with NIFA personnel, or persons retained by NIFA, evaluating the institutional context and the impact of any supported project. Grantees may be asked to provide general information on any students and faculty supported, in whole or in part, by a grant awarded under this program; information that may be requested includes, but is not limited to, standardized academic achievement test scores, grade point average, academic standing, career patterns, age, race/ethnicity, gender, citizenship, and disability.

Subpart A—General Information

§ 3406.1 Applicability of regulations.

(a) The regulations of this part apply only to capacity building grants awarded to the 1890 land-grant institutions and Tuskegee University under the provisions of section 1417(b)(4) of the National Agricultural Research, Extension, and Teaching Policy Act of 1977, as amended (NARETPA) (7 U.S.C. 3152(b)(4)) and pursuant to annual appropriations made available specifically for an 1890 capacity building program. Section 1417(b)(4) authorizes the Secretary of Agriculture, who has delegated the authority to the Director of the National Institute of Food and Agriculture (NIFA), to make competitive grants to land-grant colleges and universities, to colleges and universities having significant minority enrollments and a demonstrable capacity to carry out the teaching of food and agricultural sciences, and to other colleges and universities having a demonstrable capacity to carry out the teaching of food and agricultural sciences, for a period not to exceed 5 years, to design and implement food and agricultural programs to build teaching and research capacity at colleges and universities having significant minority enrollments. Based on and subject to the express provisions of the annual appropriations act, only 1890 land-grant institutions and Tuskegee University are eligible for this grants program.

(b) To the extent that funds are available, each year NIFA will publish a FEDERAL REGISTER notice announcing the program and soliciting grant applications.

(c)(1) Based on the amount of funds appropriated in any fiscal year, NIFA will determine and cite in the program announcement:

(i) The program area(s) to be supported (teaching, research, or both);
(ii) The proportion of the appropriation reserved for, or available to, teaching projects and research projects;
(iii) The targeted need area(s) in teaching and in research to be supported;
(iv) The degree level(s) to be supported;
(v) The maximum project period a proposal may request;
(vi) The maximum amount of funds that may be awarded to an institution under a regular, complementary, or joint project proposal; and
(vii) The maximum total funds that may be awarded to an institution under the program in a given fiscal
year, including how funds awarded for complementary and for joint projects will be counted toward the institutional maximum.

(2) The program announcement will also specify the deadline date for proposal submission, the number of copies of each proposal that must be submitted, the address to which a proposal must be submitted, and whether or not Form NIFA-711, "Intent to Submit a Proposal," is requested.

(d)(1) If it is deemed by NIFA that, for a given fiscal year, additional determinations are necessary, each, as relevant, will be stated in the program announcement. Such determinations may include:

(i) Limits on the subject matter(emphasis areas to be supported;
(ii) The maximum number of proposals that may be submitted on behalf of the same school, college, or equivalent administrative unit within an institution;
(iii) The maximum total number of proposals that may be submitted by an institution;
(iv) The maximum number of proposals that may be submitted by an individual in any one targeted need area;

(v) The minimum project period a proposal may request;

(vi) The minimum amount of funds that may be requested by an institution under a regular, complementary, or joint project proposal;

(vii) The proportion of the appropriation reserved for, or available to, regular, complementary, and joint project proposals;

(viii) The proportion of the appropriation reserved for, or available to, projects in each announced targeted need area;

(ix) The proportion of the appropriation reserved for, or available to, each subject matter(emphasis area;

(x) The maximum number of grants that may be awarded to an institution under the program in a given fiscal year, including how grants awarded for complementary and joint projects will be counted toward the institutional maximum; and

(xi) Limits on the use of grant funds for travel or to purchase equipment, if any.

(2) The program announcement also will contain any other limitations deemed necessary by NIF for proper conduct of the program in the applicable year.

(e) The regulations of this part prescribe that this is a competitive program; it is possible that an institution may not receive any grant awards in a particular year.

(f) The regulations of this part do not apply to grants for other purposes awarded by the Department of Agriculture under section 1417 of the National Agricultural Research, Extension, and Teaching Policy Act of 1977, as amended (7 U.S.C. 3152) or any other authority.

§ 3406.2 Definitions.

As used in this part:

Authorized departmental officer means the Secretary or any employee of the Department who has the authority to issue or modify grant instruments on behalf of the Secretary.

Authorized organizational representative means the president of the 1890 Institution or the official, designated by the president of the institution, who has the authority to commit the resources of the institution.

Budget period means the interval of time (usually 12 months) into which the project period is divided for budgetary and reporting purposes.

Cash contributions means the applicant’s cash outlay, including the outlay of money contributed to the applicant by non-Federal third parties.

Citizen or national of the United States means:

(1) A citizen or native resident of a State; or,

(2) a person defined in the Immigration and Nationality Act, 8 U.S.C. 1101(a)(22), who, though not a citizen of the United States, owes permanent allegiance to the United States.

College or University means an educational institution in any State which:

(1) Admits as regular students only persons having a certificate of graduation from a school providing secondary education, or the recognized equivalent of such a certificate;
(2) Is legally authorized within such State to provide a program of education beyond secondary education;
(3) Provides an educational program for which a baccalaureate degree or any other higher degree is awarded;
(4) Is a public or other nonprofit institution; and
(5) Is accredited by a nationally recognized accrediting agency or association.

Complementary project proposal means a proposal for a project which involves coordination with one or more other projects for which funding was awarded under this program in a previous fiscal year, or for which funding is requested under this program in the current fiscal year.

Cost-sharing or Matching means that portion of project costs not borne by the Federal Government, including the value of in-kind contributions.

Department or USDA means the United States Department of Agriculture.

1890 Institution or 1890 land-grant institution or 1890 colleges and universities means one of those institutions eligible to receive funds under the Act of August 30, 1890 (26 Stat. 417–419, as amended; 7 U.S.C. 321–326 and 328), or a research foundation maintained by such institution, that are the intended recipients of funds under programs established in Subtitle G of the National Agricultural Research, Extension, and Teaching Policy Act of 1977, as amended (7 U.S.C. 3221 et seq.), including Tuskegee University.

Eligible participant means, for purposes of §3406.11(b), Faculty Preparation and Enhancement for Teaching, and §3406.11(f), Student Recruitment and Retention, an individual who:
(1) Is a citizen or national of the United States, as defined in this section; or
(2) Is a citizen of the Federated States of Micronesia, the Republic of the Marshall Islands, or the Republic of Palau. Where eligibility is claimed under paragraph (2) of the definition of “citizen or national of the United States” as specified in this section, documentary evidence from the Immigration and Naturalization Service as to such eligibility must be made available to NIFA upon request.

Food and agricultural sciences means basic, applied, and developmental research, extension, and teaching activities in the food, agricultural, renewable natural resources, forestry, and physical and social sciences, in the broadest sense of these terms, including but not limited to, activities concerned with the production, processing, marketing, distribution, conservation, consumption, research, and development of food and agriculturally related products and services, and inclusive of programs in agriculture, natural resources, aquaculture, forestry, veterinary medicine, home economics, rural development, and closely allied disciplines.

Grantee means the 1890 Institution designated in the grant award document as the responsible legal entity to which a grant is awarded.

Joint project proposal means a proposal for a project, which will involve the applicant 1890 Institution and two or more other colleges, universities, community colleges, junior colleges, or other institutions, each of which will assume a major role in the conduct of the proposed project, and for which the applicant institution will transfer at least one-half of the awarded funds to the other institutions participating in the project. Only the applicant institution must meet the definition of “1890 Institution” as specified in this section; the other institutions participating in a joint project proposal are not required to meet the definition of “1890 Institution” as specified in this section, nor required to meet the definition of “college” or “university” as specified in this section.

Peer review panel means a group of experts or consultants, qualified by training and experience in particular fields of science, education, or technology to give expert advice on the merit of grant applications in such fields, who evaluate eligible proposals submitted to this program in their personal area(s) of expertise.

Principal investigator/project director means the single individual designated by the grantee in the grant application and approved by the Secretary who is responsible for the direction and management of the project.
Prior approval means written approval evidencing prior consent by an "authorized departmental officer" as defined in this section.

Project means the particular teaching or research activity within the scope of one or more of the targeted areas supported by a grant awarded under this program.

Project period means the period, as stated in the award document and modifications thereto, if any, during which Federal sponsorship begins and ends.

Research means any systematic inquiry directed toward new or fuller knowledge and understanding of the subject studied.

Research capacity means the quality and depth of an institution's research infrastructure as evidenced by its: faculty expertise in the natural or social sciences, scientific and technical resources, research environment, library resources, and organizational structures and reward systems for attracting and retaining first-rate research faculty or students at the graduate and post-doctorate levels.

Research project grant means a grant in support of a project that addresses one or more of the targeted need areas or specific subject matter emphasis areas identified in the annual program announcement related to strengthening research programs including, but not limited to, such initiatives as: Studies and experimentation in food and agricultural sciences, centralized research support systems, technology delivery systems, and other creative projects designed to provide needed enhancement of the Nation's food and agricultural research system.

Secretary means the Secretary of Agriculture and any other officer or employee of the Department of Agriculture to whom the authority involved may be delegated.

State means any one of the fifty States, the Commonwealth of Puerto Rico, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, the Virgin Islands of the United States, and the District of Columbia.

Teaching means formal classroom instruction, laboratory instruction, and practicum experience in the food and agricultural sciences and matters related thereto (such as faculty development, student recruitment and services, curriculum development, instructional materials and equipment, and innovative teaching methodologies) conducted by colleges and universities offering baccalaureate or higher degrees.

Teaching capacity means the quality and depth of an institution's academic programs infrastructure as evidenced by its: Curriculum, teaching faculty, instructional delivery systems, student experiential learning opportunities, scientific instrumentation for teaching, library resources, academic standing and racial, ethnic, or gender diversity of its faculty and student body as well as faculty and student recruitment and retention programs provided by a college or university in order to achieve maximum results in the development of scientific and professional expertise for the Nation's food and agricultural system.

Teaching project grant means a grant in support of a project that addresses one or more of the targeted need areas or specific subject matter emphasis areas identified in the annual program announcement related to strengthening teaching programs including, but not limited to, such initiatives as: Curricula design and materials development, faculty preparation and enhancement for teaching, instruction delivery systems, scientific instrumentation for teaching, student experiential learning, and student recruitment and retention.

Third party in-kind contributions means non-cash contributions of property or services provided by non-Federal third parties, including real property, equipment, supplies and other expendable property, directly benefiting and specifically identifiable to a funded project or program.

USDA agency cooperator means any agency or office of the Department which has reviewed and endorsed an applicant's request for support, and indicates a willingness to make available non-monetary resources or technical assistance throughout the life of a project to ensure the accomplishment
of the objectives of a grant awarded under this program.

§ 3406.3 Institutional eligibility.
Proposals may be submitted by any of the 16 historically black 1890 land-grant institutions and Tuskegee University. The 1890 land-grant institutions are: Alabama A&M University; University of Arkansas—Pine Bluff; Delaware State University; Florida A&M University; Port Valley State College; Kentucky State University; Southern University and A&M College; University of Maryland—Eastern Shore; Alcorn State University; Lincoln University; North Carolina A&T State University; Langston University; South Carolina State University; Tennessee State University; Prairie View A&M University; and Virginia State University. An institution eligible to receive an award under this program includes a research foundation maintained by an 1890 land-grant institution or Tuskegee University.

Subpart B—Program Description

§ 3406.4 Purpose of the program.
(a) The Department of Agriculture and the Nation depend upon sound programs in the food and agricultural sciences at the Nation’s colleges and universities to produce well trained professionals for careers in the food and agricultural sciences. The capacity of institutions to offer suitable programs in the food and agricultural sciences to meet the Nation’s need for a well trained work force in the food and agricultural sciences is a proper concern for the Department.

(b) Historically, the Department has had a close relationship with the 1890 colleges and universities, including Tuskegee University. Through its role as administrator of the Second Morrill Act, the Department has borne the responsibility for helping these institutions develop to their fullest potential in order to meet the needs of students and the needs of the Nation.

(c) The institutional capacity building grants program is intended to stimulate development of quality education and research programs at these institutions in order that they may better assist the Department, on behalf of the Nation, in its mission of providing a professional work force in the food and agricultural sciences.

(d) This program is designed specifically to build the institutional teaching and research capacities of the 1890 land-grant institutions through cooperative programs with Federal and non-Federal entities. The program is competitive among the 1890 Institutions and encourages matching funds on the part of the States, private organizations, and other non-Federal entities to encourage expanded linkages with 1890 Institutions as performers of research and education, and as developers of scientific and professional talent for the United States food and agricultural system. In addition, through this program, NIFA will strive to increase the overall pool of qualified job applicants from underrepresented groups in order to make significant progress toward achieving the objectives of work force diversity within the Federal Government, particularly the U.S. Department of Agriculture.

§ 3406.5 Matching support.
The Department strongly encourages and may require non-Federal matching support for this program. In the annual program solicitation, NIFA will announce any incentives that may be offered to applicants for committing their own institutional resources or securing third party contributions in support of capacity building projects. NIFA may also announce any required fixed dollar amount or percentage of institutional cost sharing, if applicable.

§ 3406.6 USDA agency cooperator requirement.
(a) Each application must provide documentation that at least one USDA agency or office has agreed to cooperate with the applicant institution on the proposed project. The documentation should describe the expected benefits of the partnership venture for the USDA agency and for the 1890 Institution, and describe the partnership effort between USDA and the 1890 Institution in regard to the proposed

275
project. Such USDA agency cooperation may include, but is not limited to, assisting the applicant institution with proposal development, identifying possible sources of matching funds, securing resources, implementing funded projects, providing technical assistance and expertise throughout the life of the project, participating in project evaluation, and disseminating project results.

(b) The designated NIFA agency contact can provide suggestions to institutions seeking to secure a USDA agency cooperator on a particular proposal.

(c) USDA 1890 Liaison Officers, and other USDA employees serving on the campuses of the 1890 colleges and universities, may assist with proposal development and project execution to satisfy the cooperator requirement, in whole or in part, but may not serve as project directors or principal investigators.

(d) Any USDA office responsible for administering a competitive or formula grants program specifically targeted to 1890 Institutions may not be a cooperator for this program.

§ 3406.7 General scope of program.

This program supports both teaching project grants and research project grants. Such grants are intended to strengthen the teaching and research capabilities of applicant institutions. Each 1890 Institution may submit one or more grant applications for either category of grants (as allowed by the annual program notice). However, each application must be limited to either a teaching project grant proposal or a research project grant proposal.

§ 3406.8 Joint project proposals.

Applicants are encouraged to submit joint project proposals as defined in §3406.2, which address regional or national problems and which will result overall in strengthening the 1890 university system. The goals of such joint initiatives should include maximizing the use of limited resources by generating a critical mass of expertise and activity focused on a targeted need area(s), increasing cost-effectiveness through achieving economies of scale, strengthening the scope and quality of a project’s impact, and promoting coalition building likely to transcend the project’s lifetime and lead to future ventures.

§ 3406.9 Complementary project proposals.

Institutions may submit proposals that are complementary in nature as defined in §3406.2. Such complementary project proposals may be submitted by the same or by different eligible institutions.

§ 3406.10 Use of funds for facilities.

Under the 1890 Institution Capacity Building Grants Program, the use of grant funds to plan, acquire, or construct a building or facility is not allowed. With prior approval, in accordance with the cost principles set forth in 2 CFR part 200, some grant funds may be used for minor alterations, renovations, or repairs deemed necessary to retrofit existing teaching or research spaces in order to carry out a funded project. However, requests to use grant funds for such purposes must demonstrate that the alterations, renovations, or repairs are incidental to the major purpose for which a grant is made.

Subpart C—Preparation of a Teaching Proposal

§ 3406.11 Scope of a teaching proposal.

The teaching component of the program will support the targeted need area(s) related to strengthening teaching programs as specified in the annual program announcement. Proposals may focus on any subject matter area(s) in the food and agricultural sciences unless limited by determinations as specified in the annual program announcement. A proposal may address a single targeted need area or multiple targeted need areas, and may be focused on a single subject matter area or multiple subject matter areas, in any combination (e.g., curriculum development in horticulture; curriculum development, faculty enhancement, and student experiential learning in animal science; faculty enhancement in food science
and agribusiness management; or instruction delivery systems and student experiential learning in plant science, horticulture, and entomology. Applicants are also encouraged to include a library enhancement component related to the teaching project in their proposals. A proposal may be directed toward the undergraduate or graduate level of study as specified in the annual program announcement. Targeted need areas for teaching programs will consist of one or more of the following:

(a) Curricula design and materials development. (1) The purpose of this need area is to promote new and improved curricula and materials to increase the quality of, and continuously renew, the Nation’s academic programs in the food and agricultural sciences. The overall objective is to stimulate the development and facilitate the use of exemplary education models and materials that incorporate the most recent advances in subject matter, research on teaching and learning theory, and instructional technology. Proposals may emphasize: The development of courses of study, degree programs, and instructional materials; the use of new approaches to the study of traditional subjects; or the introduction of new subjects, or new applications of knowledge, pertaining to the food and agricultural sciences.

(2) Examples include, but are not limited to, curricula and materials that promote:

(i) Raising the level of scholastic achievement of the Nation’s graduates in the food and agricultural sciences.

(ii) Addressing the special needs of particular groups of students, such as minorities, gifted and talented, or those with educational backgrounds that warrant enrichment.

(iii) Using alternative instructional strategies or methodologies, including computer-assisted instruction or simulation modeling, media programs that reach large audiences efficiently and effectively, activities that provide hands-on learning experiences, and educational programs that extend learning beyond the classroom.

(iv) Using sound pedagogy, particularly with regard to recent research on how to motivate students to learn, retain, apply, and transfer knowledge, skills, and competencies.

(v) Building student competencies to integrate and synthesize knowledge from several disciplines.

(b) Faculty preparation and enhancement for teaching. (1) The purpose of this need area is to advance faculty development in the areas of teaching competency, subject matter expertise, or student recruitment and advising skills. Teachers are central to education. They serve as models, motivators, and mentors—the catalysts of the learning process. Moreover, teachers are agents for developing, replicating, and exchanging effective teaching materials and methods. For these reasons, education can be strengthened only when teachers are adequately prepared, highly motivated, and appropriately recognized and rewarded.

(2) Each faculty recipient of support for developmental activities under §3406.11(b) must be an “eligible participant” as defined in §3406.2 of this part.

(3) Examples of developmental activities include, but are not limited to, those which enable teaching faculty to:

(i) Gain experience with recent developments or innovative technology relevant to their teaching responsibilities.

(ii) Work under the guidance and direction of experts who have substantial expertise in an area related to the developmental goals of the project.

(iii) Work with scientists or professionals in government, industry, or other colleges or universities to learn new applications in a field.

(iv) Obtain personal experience working with new ideas and techniques.

(v) Expand competence with new methods of information delivery, such as computer-assisted or televised instruction.

(c) Instruction delivery systems. (1) The purpose of this need area is to encourage the use of alternative methods of delivering instruction to enhance the quality, effectiveness, and cost efficiency of teaching programs. The importance of this initiative is evidenced by advances in educational research which have substantiated the theory that differences in the learning styles of students often require alternative
Instructional methodologies. Also, the rising costs of higher education strongly suggest that colleges and universities undertake more efforts of a collaborative nature in order to deliver instruction which maximizes program quality and reduces unnecessary duplication. At the same time, advancements in knowledge and technology continue to introduce new subject matter areas which warrant consideration and implementation of innovative instructional techniques, methodologies, and delivery systems.

(2) Examples include, but are not limited to:
   (i) Use of computers.
   (ii) Teleconferencing.
   (iii) Networking via satellite communications.
   (iv) Regionalization of academic programs.
   (v) Mobile classrooms and laboratories.
   (vi) Individualized learning centers.
   (vii) Symposia, forums, regional or national workshops, etc.

(d) Scientific Instrumentation for teaching. (1) The purpose of this need area is to provide students in science-oriented courses the necessary experience with suitable, up-to-date equipment in order to involve them in work central to scientific understanding and progress. This program initiative will support the acquisition of instructional laboratory and classroom equipment to assure the achievement and maintenance of outstanding food and agricultural sciences higher education programs. A proposal may request support for acquiring new, state-of-the-art instructional scientific equipment, upgrading existing equipment, or replacing nonfunctional or clearly obsolete equipment.

(2) Examples include, but are not limited to:
   (i) Rental or purchase of modern instruments to improve student learning experiences in courses, laboratories, and field work.
   (ii) Development of new ways of using instrumentation to extend instructional capabilities.
   (iii) Establishment of equipment-sharing capability via consortia or centers that develop innovative opportunities, such as mobile laboratories or satellite access to industry or government laboratories.

(e) Student experiential learning. (1) The purpose of this need area is to further the development of student scientific and professional competencies through experiential learning programs which provide students with opportunities to solve complex problems in the context of real-world situations. Effective experiential learning is essential in preparing future graduates to advance knowledge and technology, enhance quality of life, conserve resources, and revitalize the Nation’s economic competitiveness. Such experiential learning opportunities are most effective when they serve to advance decision-making and communication skills as well as technological expertise.

(2) Examples include, but are not limited to, projects which:
   (i) Provide opportunities for students to participate in research projects, either as a part of an ongoing research project or in a project designed especially for this program.
   (ii) Provide opportunities for students to complete apprenticeships, internships, or similar participatory learning experiences.
   (iii) Expand and enrich courses which are of a practicum nature.
   (iv) Provide career mentoring experiences that link students with outstanding professionals.

(f) Student recruitment and retention. (1) The purpose of this need area is to strengthen student recruitment and retention programs in order to promote the future strength of the Nation’s scientific and professional workforce. The Nation’s economic competitiveness and quality of life rest upon the availability of a cadre of outstanding research scientists, university faculty, and other professionals in the food and agricultural sciences. A substantial need exists to supplement efforts to attract increased numbers of academically outstanding students to prepare for careers as food and agricultural scientists and professionals. It is particularly important to augment the racial, ethnic, and gender diversity of the student body in order to promote a robust exchange of ideas and a more effective...
(2) Each student recipient of monetary support for education costs or developmental purposes under §3406.11(f) must be enrolled at an eligible institution and meet the requirement of an "eligible participant" as defined in §3406.2 of this part.

(3) Examples include, but are not limited to:

(i) Special outreach programs for elementary and secondary students as well as parents, counselors, and the general public to broaden awareness of the extensive nature and diversity of career opportunities for graduates in the food and agricultural sciences.

(ii) Special activities and materials to establish more effective linkages with high school science classes.

(iii) Unique or innovative student recruitment activities, materials, and personnel.

(iv) Special retention programs to assure student progression through and completion of an educational program.

(v) Development and dissemination of stimulating career information materials.

(vi) Use of regional or national media to promote food and agricultural sciences higher education.

(vii) Providing financial incentives to enable and encourage students to pursue and complete an undergraduate or graduate degree in an area of the food and agricultural sciences.

§3406.13 Content of a teaching proposal.

(a) Proposal cover page. (1) Form NIFA–712, "Higher Education Proposal Cover Page," must be completed in its entirety. Note that providing a Social Security Number is voluntary, but is an integral part of the NIFA information system and will assist in the processing of the proposal.

(2) One copy of the Form NIFA–712 must contain the pen-and-ink signatures of the project director(s) and authorized organizational representative for the applicant institution.

(3) The title of the teaching project shown on the "Higher Education Proposal Cover Page" must be brief (80-character maximum) yet represent the major thrust of the project. This information will be used by the Department to provide information to the Congress and other interested parties.

(4) In block 7. of Form NIFA–712, enter "1890 Institution Capacity Building Grants Program."

(5) In block 8.a. of Form NIFA–712, enter "Teaching." In block 8.b. identify the code for the targeted need area(s) as found on the reverse of the form. If a proposal focuses on multiple targeted need areas, enter each code associated with the project. In block 8.c. identify the major area(s) of emphasis as found on the reverse of the form. If a proposal focuses on multiple areas of emphasis, enter each code associated with the project; however, limit the selection to three areas. This information will be used by program staff for the proper assignment of proposals to reviewers.

(6) In block 9. of Form NIFA–712, indicate if the proposal is a complementary project proposal or a joint project proposal as defined in §3406.2 of this part. If it is not a complementary project proposal or a joint project proposal, identify it as a regular project proposal.

(7) In block 13. of Form NIFA–712, indicate if the proposal is a new, first-time submission or if the proposal is a resubmission of a proposal that has been submitted to, but not funded under, the 1890 Institution Capacity Building Grants Program in a previous competition.

(b) Table of contents. For ease in locating information, each proposal must contain a detailed table of contents just after the Proposal Cover Page. The Table of Contents should include page numbers for each component of the proposal. Pagination should begin immediately following the summary documentation of USDA agency cooperation.
(c) USDA agency cooperator. To be considered for funding, each proposal must include documentation of cooperation with at least one USDA agency or office. If multiple agencies are involved as cooperators, documentation must be included from each agency. When documenting cooperative arrangements, the following guidelines should be used:

(1) A summary of the cooperative arrangements must immediately follow the Table of Contents. This summary should:

(i) Bear the signatures of the Agency Head (or his/her designated authorized representative) and the university project director;
(ii) Indicate the agency’s willingness to commit support for the project;
(iii) Identify the person(s) at the USDA agency who will serve as the liaison or technical contact for the project;
(iv) Describe the degree and nature of the USDA agency’s involvement in the proposed project, as outlined in §3406.6(a) of this part, including its role in:

(A) Identifying the need for the project;
(B) Developing a conceptual approach;
(C) Assisting with project design;
(D) Identifying and securing needed agency or other resources (e.g., personnel, grants/contracts; in-kind support, etc.);
(E) Developing the project budget;
(F) Promoting partnerships with other institutions to carry out the project;
(G) Helping the institution launch and manage the project;
(H) Providing technical assistance and expertise;
(I) Providing consultation through site visits, E-mail, conference calls, and faxes;
(J) Participating in project evaluation and dissemination of final project results; and
(K) Seeking other innovative ways to ensure the success of the project and advance the needs of the institution or the agency; and
(v) Describe the expected benefits of the partnership venture for the USDA agency and for the 1890 Institution.

(2) A detailed discussion of these partnership arrangements should be provided in the narrative portion of the proposal, as outlined in paragraph (f)(2)(iv)(C) of this section.

(3) Additional documentation, including letters of support or cooperation, may be provided in the Appendix.

(d) Project summary. (1) A Project Summary should immediately follow the summary documentation of USDA agency cooperation section. The information provided in the Project Summary will be used by the program staff for a variety of purposes, including the proper assignment of proposals to reviewers and providing information to reviewers prior to the peer panel meeting. The name of the institution, the targeted need area(s), and the title of the proposal must be identified exactly as shown on the “Higher Education Proposal Cover Page.”

(2) If the proposal is a complementary project proposal, as defined in §3406.2 of this part, indicate such and identify the other complementary project(s) by citing the name of the submitting institution, the title of the project, the project director, and the grant number (if funded in a previous year) exactly as shown on the cover page of the complementary project so that appropriate consideration can be given to the interrelatedness of the proposals in the evaluation process.

(3) If the proposal is a joint project proposal, as defined in §3406.2 of this part, indicate such and identify the other participating institutions and the key faculty member or other individual responsible for coordinating the project at each institution.

(4) The Project Summary should be a concise description of the proposed activity suitable for publication by the Department to inform the general public about awards under the program. The text must not exceed one page, single-spaced. The Project Summary should be a self-contained description of the activity which would result if the proposal is funded by USDA. It should include: The objectives of the project; a synopsis of the plan of operation; a statement of how the project will enhance the teaching capacity of the institution; a description of how
the project will strengthen higher education in the food and agricultural sciences in the United States; a description of the partnership efforts between, and the expected benefits for, the USDA agency cooperators(s) and the 1890 Institution; and the plans for disseminating project results. The Project Summary should be written so that a technically literate reader can evaluate the use of Federal funds in support of the project.

(e) Resubmission of a proposal—(1) Resubmission of previously unfunded proposals. (i) If a proposal has been submitted previously, but was not funded, such should be indicated in block 13. on Form NIFA–712, “Higher Education Proposal Cover Page,” and the following information should be included in the proposal:

(A) The fiscal year(s) in which the proposal was submitted previously;
(B) A summary of the peer reviewers’ comments; and
(C) How these comments have been addressed in the current proposal, including the page numbers in the current proposal where the peer reviewers’ comments have been addressed.

(ii) This information may be provided as a section of the proposal following the Project Summary and preceding the proposal narrative or it may be placed in the Appendix (see paragraph (j) of this section). In either case, the location of this information should be indicated in the Table of Contents, and the fact that the proposal is a resubmitted proposal should be stated in the proposal narrative. Further, when possible, the information should be presented in tabular format. Applicants who choose to resubmit proposals that were previously submitted, but not funded, should note that resubmitted proposals must compete equally with newly submitted proposals. Submitting a proposal that has been revised based on a previous peer review panel’s critique of the proposal does not guarantee the success of the resubmitted proposal.

(2) Resubmission of previously funded proposals. Recognizing that capacity building is a long-term ongoing process, the 1890 Institution Capacity Building Grants Program is interested in funding subsequent phases of previously funded projects in order to build institutional capacity, and institutions are encouraged to build on a theme over several grant awards. However, proposals that are sequential continuations or new stages of previously funded Capacity Building Grants must compete with first-time proposals. Therefore, project directors should thoroughly demonstrate how the project proposed in the current application expands substantially upon a previously funded project (i.e., demonstrate how the new project will advance the former project to the next level of attainment or will achieve expanded goals). The proposal must also show the degree to which the new phase promotes innovativeness and creativity beyond the scope of the previously funded project. Please note that the 1890 Institution Capacity Building Grants Program is not designed to support activities that are essentially repetitive in nature over multiple grant awards. Project directors who have had their projects funded previously are discouraged from resubmitting relatively identical proposals for further funding.

(f) Narrative of a teaching proposal. The narrative portion of the proposal is limited to 20 pages in length. The one-page Project Summary is not included in the 20-page limitation. The narrative must be typed on one side of the page only, using a font no smaller than 12 point, and double-spaced. All margins must be at least one inch. All pages following the summary documentation of USDA agency cooperation must be paginated. It should be noted that peer reviewers will not be required to read beyond 20 pages of the narrative to evaluate the proposal. The narrative should contain the following sections:

(1) Potential for advancing the quality of education—(i) Impact. (A) Identify the targeted need area(s).
(B) Clearly state the specific instructional problem or opportunity to be addressed.
(C) Describe how and by whom the focus and scope of the project were determined. Summarize the body of knowledge which substantiates the need for the proposed project.
(D) Describe ongoing or recently completed significant activities related to the proposed project for which previous funding was received under this program.

(E) Discuss how the project will be of value at the State, regional, national, or international level(s).

(F) Discuss how the benefits to be derived from the project will transcend the proposing institution or the grant period. Also discuss the probabilities of its adaptation by other institutions. For example, can the project serve as a model for others?

(ii) Continuation plans. Discuss the likelihood of, or plans for, continuation or expansion of the project beyond USDA support. For example, does the institution’s long-range budget or academic plan provide for the realistic continuation or expansion of the initiative undertaken by this project after the end of the grant period, are plans for eventual self-support built into the project, are plans being made to institutionalize the program if it meets with success, and are there indications of other continuing non-Federal support?

(iii) Innovation. Describe the degree to which the proposal reflects an innovative or non-traditional approach to solving a higher education problem or strengthening the quality of higher education in the food and agricultural sciences.

(iv) Products and results. Explain the kinds of results and products expected and their impact on strengthening food and agricultural sciences higher education in the United States, including attracting academically outstanding students and increasing the ethnic, racial, and gender diversity of the Nation’s food and agricultural scientific and professional expertise base.

(2) Overall approach and cooperative linkages—(i) Proposed approach—(A) Objectives. Cite and discuss the specific objectives to be accomplished under the project.

(B) Plan of operation. (1) Describe procedures for accomplishing the objectives of the project.

(2) Describe plans for management of the project to enhance its proper and efficient administration.

(3) Describe the way in which resources and personnel will be used to conduct the project.

(C) Timetable. Provide a timetable for conducting the project. Identify all important project milestones and dates as they relate to project start-up, execution, dissemination, evaluation, and close-out.

(ii) Evaluation plans. (A) Provide a plan for evaluating the accomplishment of stated objectives during the conduct of the project. Indicate the criteria, and corresponding weight of each, to be used in the evaluation process, describe any data to be collected and analyzed, and explain the methodology that will be used to determine the extent to which the needs underlying the project are met.

(B) Provide a plan for evaluating the effectiveness of the end results upon conclusion of the project. Include the same kinds of information requested in paragraph (f) (2)(ii)(A) of this section.

(iii) Dissemination plans. Discuss plans to disseminate project results and products. Identify target audiences and explain methods of communication.

(iv) Partnerships and collaborative efforts. (A) Explain how the project will maximize partnership ventures and collaborative efforts to strengthen food and agricultural sciences higher education (e.g., involvement of faculty in related disciplines at the same institution, joint projects with other colleges or universities, or cooperative activities with business or industry). Also explain how it will stimulate academia, the States, or the private sector to join with the Federal partner in enhancing food and agricultural sciences higher education.

(B) Provide evidence, via letters from the parties involved, that arrangements necessary for collaborative partnerships or joint initiatives have been discussed and realistically can be expected to come to fruition, or actually have been finalized contingent on an award under this program. Letters must be signed by an official who has the authority to commit the resources of the organization. Such letters should be referenced in the plan of operation, but the actual letters should be included in the Appendix section of
the proposal. Any potential conflict(s) of interest that might result from the proposed collaborative arrangements must be discussed in detail. Proposals which indicate joint projects with other institutions must state which proposer is to receive any resulting grant award, since only one submitting institution can be the recipient of a project grant under one proposal.

(C) Explain how the project will create a new or enhance an existing partnership between the USDA agency cooperator(s) and the 1890 Institution(s). This section should expand upon the summary information provided in the documentation of USDA agency cooperation section, as outlined in paragraph (c)(1) of this section. This is particularly important because the focal point of attention in the peer review process is the proposal narrative. Therefore, a comprehensive discussion of the partnership effort between USDA and the 1890 Institution should be provided.

(3) Institutional capacity building—(i) Institutional enhancement. Explain how the proposed project will strengthen the teaching capacity, as defined in §3406.2 of this part, of the applicant institution and, if applicable, any other institutions assuming a major role in the conduct of the project. For example, describe how the proposed project is intended to strengthen the institution’s academic infrastructure by expanding the current faculty’s expertise base, advancing the scholarly quality of the institution’s academic programs, enriching the racial, ethnic, or gender diversity of the student body, helping the institution establish itself as a center of excellence in a particular field of education, helping the institution maintain or acquire state-of-the-art scientific instrumentation or library collections for teaching, or enabling the institution to provide more meaningful student experiential learning opportunities.

(ii) Institutional commitment. (A) Discuss the institution’s commitment to the project and its successful completion. Provide, as relevant, appropriate documentation in the Appendix. Substantiate that the institution attributes a high priority to the project.

(B) Discuss how the project will contribute to the achievement of the institution’s long-term (five- to ten-year) goals and how the project will help satisfy the institution’s high-priority objectives. Show how this project is linked to and supported by the institution’s strategic plan.

(C) Discuss the commitment of institutional resources to the project. Show that the institutional resources to be made available to the project will be adequate, when combined with the support requested from USDA, to carry out the activities of the project and represent a sound commitment by the institution. Discuss institutional facilities, equipment, computer services, and other appropriate resources available to the project.

(g) Key personnel. A Form NIFA–708, “Summary Vita—Teaching Proposal,” should be included for each key person associated with the project.

(h) Budget and cost-effectiveness—(1) Budget form. (i) Prepare Form NIFA–713, “Higher Education Budget,” in accordance with instructions provided with the form. Proposals may request support for a period to be identified in each year’s program announcement. A budget form is required for each year of requested support. In addition, a summary budget is required detailing the requested total support for the overall project period. Form NIFA–713 may be reproduced as needed by proposers. Funds may be requested under any of the categories listed on the form, provided that the item or service for which support is requested is allowable under the authorizing legislation, the applicable Federal cost principles, the administrative provisions in this part, and can be justified as necessary for the successful conduct of the proposed project.

(ii) The approved negotiated instruction rate or the maximum rate allowed by law should be used when computing indirect costs. If a reduced rate of indirect costs is voluntarily requested from USDA, the remaining allowable indirect costs may be used as matching funds.

(2) Matching funds. When documenting matching contributions, use the following guidelines:
(i) When preparing the column entitled “Applicant Contributions to Matching Funds” of Form NIFA–713, only those costs to be contributed by the applicant for the purposes of matching should be shown. The total amount of this column should be indicated in item M.

(ii) In item N of Form NIFA–713, show a total dollar amount for Cash Contributions from both the applicant and any third parties; also show a total dollar amount (based on current fair market value) for Non-cash Contributions from both the applicant and any third parties.

(iii) To qualify for any incentive benefits stemming from matching support or to satisfy any cost sharing requirements, proposals must include written verification of any actual commitments of matching support (including both cash and non-cash contributions) from third parties. Written verification means—

(A) For any third party cash contributions, a separate pledge agreement for each donation, signed by the authorized organizational representative(s) of the donor organization (or by the donor if the gift is from an individual) and the applicant institution, which must include:

(1) The name, address, and telephone number of the donor;
(2) The name of the applicant institution;
(3) The title of the project for which the donation is made;
(4) The dollar amount of the cash donation; and
(5) A statement that the donor will pay the cash contribution during the grant period; and

(B) For any third party non-cash contributions, a separate pledge agreement for each contribution, signed by the authorized organizational representative(s) of the donor organization (or by the donor if the gift is from an individual) and the applicant institution, which must include:

(1) The name, address, and telephone number of the donor;
(2) The name of the applicant institution;
(3) The title of the project for which the donation is made;
(4) A good faith estimate of the current fair market value of the non-cash contribution; and
(5) A statement that the donor will make the contribution during the grant period.

(iv) All pledge agreements must be placed in the proposal immediately following Form NIFA–713. The sources and amounts of all matching support from outside the applicant institution should be summarized in the Budget Narrative section of the proposal.

(v) Applicants should refer to OMB Circulars A–110, “Uniform Administrative Requirements for Grants and Agreements With Institutions of Higher Education, Hospitals and Other Non-profit Organizations,” and A–21, “Cost Principles for Educational Institutions,” for further guidance and other requirements relating to matching and allowable costs.

(3) Chart on shared budget for joint project proposal. (i) For a joint project proposal, a plan must be provided indicating how funds will be distributed to the participating institutions. The budget section of a joint project proposal should include a chart indicating:

(A) The names of the participating institutions;
(B) the amount of funds to be disbursed to those institutions; and
(C) the way in which such funds will be used in accordance with items A through L of Form NIFA–713, “Higher Education Budget.”

(ii) If a proposal is not for a joint project, such a chart is not required.

(4) Budget narrative. (i) Discuss how the budget specifically supports the proposed project activities. Explain how each budget item (such as salaries and wages for professional and technical staff, student stipends/scholarships, travel, equipment, etc.) is essential to achieving project objectives.

(ii) Justify that the total budget, including funds requested from USDA and any matching support provided, will be adequate to carry out the activities of the project. Provide a summary of sources and amounts of all third party matching support.
(iii) Justify the project’s cost-effectiveness. Show how the project maximizes the use of limited resources, optimizes educational value for the dollar, achieves economies of scale, or leverages additional funds. For example, discuss how the project has the potential to generate a critical mass of expertise and activity focused on a targeted need area or promote coalition building that could lead to future ventures.

(iv) Include the percentage of time key personnel will work on the project, both during the academic year and summer. When salaries of university project personnel will be paid by a combination of USDA and institutional funds, the total compensation must not exceed the faculty member’s regular annual compensation. In addition, the total commitment of time devoted to the project, when combined with time for teaching and research duties, other sponsored agreements, and other employment obligations to the institution, must not exceed 100 percent of the normal workload for which the employee is compensated, in accordance with established university policies and applicable Federal cost principles.

(v) If the proposal addresses more than one targeted need area (e.g., student experiential learning and instruction delivery systems), estimate the proportion of the funds requested from USDA that will support each respective targeted need area.

(i) Current and pending support. Each applicant must complete Form NIFA–663, “Current and Pending Support,” identifying any other current public or private-sponsored projects, in addition to the proposed project, to which key personnel listed in the proposal under consideration have committed portions of their time, whether or not salary support for the person(s) involved is included in the budgets of the various projects. This information should also be provided for any pending proposals which are currently being considered by, or which will be submitted in the near future to, other possible sponsors, including other USDA programs or agencies. Concurrent submission of identical or similar projects to other possible sponsors will not prejudice the review or evaluation of a project under this program.

(j) Appendix. Each project narrative is expected to be complete in itself and to meet the 20-page limitation. Inclusion of material in an Appendix should not be used to circumvent the 20-page limitation of the proposal narrative. However, in those instances where inclusion of supplemental information is necessary to guarantee the peer review panel’s complete understanding of a proposal or to illustrate the integrity of the design or a main thesis of the proposal, such information may be included in an Appendix. Examples of supplemental material are photographs, journal reprints, brochures and other pertinent materials which are deemed to be illustrative of major points in the narrative but unsuitable for inclusion in the proposal narrative itself. Information on previously submitted proposals may also be presented in the Appendix (refer to paragraph (e) of this section). When possible, information in the Appendix should be presented in tabular format. A complete set of the Appendix material must be attached to each copy of the grant application submitted. The Appendix must be identified with the title of the project as it appears on Form NIFA–712 of the proposal and the name(s) of the project director(s). The Appendix must be referenced in the proposal narrative.

Subpart D—Review and Evaluation of a Teaching Proposal

§ 3406.14 Proposal review—teaching.

The proposal evaluation process includes both internal staff review and merit evaluation by peer review panels comprised of scientists, educators, business representatives, and Government officials who are highly qualified to render expert advice in the areas supported. Peer review panels will be selected and structured to provide optimum expertise and objective judgment in the evaluation of proposals.

§ 3406.15 Evaluation criteria for teaching proposals.

The maximum score a teaching proposal can receive is 150 points. Unless
§ 3406.15  7 CFR Ch. XXXIV (1–1–16 Edition)

otherwise stated in the annual solicitation published in the Federal Register, the peer review panel will consider the following criteria and weights to evaluate proposals submitted:

National Institute of Food and Agriculture § 3406.16

Subpart E—Preparation of a Research Proposal

§ 3406.16 Scope of a research proposal.

The research component of the program will support projects that address high-priority research initiatives in areas such as those illustrated in this section where there is a present or anticipated need for increased knowledge or capabilities or in which it is feasible for applicants to develop programs recognized for their excellence. Applicants are also encouraged to include in their proposals a library enhancement component related to the initiative(s) for which they have prepared their proposals.

(a) Studies and experimentation in food and agricultural sciences. (1) The purpose of this initiative is to advance the body of knowledge in those basic and applied natural and social sciences that comprise the food and agricultural sciences.

(2) Examples include, but are not limited to:

(i) Conduct plant or animal breeding programs to develop better crops, forests, or livestock (e.g., more disease resistant, more productive, yielding higher quality products).

(ii) Conceive, design, and evaluate new bioprocessing techniques for eliminating undesirable constituents from or adding desirable ones to food products.

(iii) Propose and evaluate ways to enhance utilization of the capabilities of food and agricultural institutions to promote rural development (e.g., exploitation of new technologies by small rural businesses).

(iv) Identify control factors influencing consumer demand for agricultural products.

(v) Analyze social, economic, and physiological aspects of nutrition, housing, and life-style choices, and of community strategies for meeting the changing needs of different population groups.

(vi) Other high-priority areas such as human nutrition, sustainable agriculture, biotechnology, agribusiness management and marketing, and aquaculture.

(b) Centralized research support systems. (1) The purpose of this initiative is to establish centralized support systems to meet national needs or serve regions or clientele that cannot otherwise afford or have ready access to the support in question, or to provide such support more economically thereby freeing up resources for other research uses.

(2) Examples include, but are not limited to:

(i) Storage, maintenance, characterization, evaluation and enhancement of germplasm for use by animal and plant breeders, including those using the techniques of biotechnology.

(ii) Computerized data banks of important scientific information (e.g., epidemiological, demographic, nutrition, weather, economic, crop yields, etc.).

(iii) Expert service centers for sophisticated and highly specialized methodologies (e.g., evaluation of organoleptic and nutritional quality of...
foods, toxicology, taxonomic identifications, consumer preferences, demographics, etc.

(c) Technology delivery systems. (1) The purpose of this initiative is to promote innovations and improvements in the delivery of benefits of food and agricultural sciences to producers and consumers, particularly those who are currently disproportionately low in receipt of such benefits.

(2) Examples include, but are not limited to:

(i) Computer-based decision support systems to assist small-scale farmers to take advantage of relevant technologies, programs, policies, etc.

(ii) Efficacious delivery systems for nutrition information or for resource management assistance for low-income families and individuals.

(d) Other creative proposals. The purpose of this initiative is to encourage other creative proposals, outside the areas previously outlined, that are designed to provide needed enhancement of the Nation's food and agricultural research system.

§ 3406.17 Program application materials—research.

Program application materials in an application package will be made available to eligible institutions upon request. These materials include the program announcement, the administrative provisions for the program, and the forms needed to prepare and submit research grant applications under the program.

§ 3406.18 Content of a research proposal.

(a) Proposal cover page. (1) Form NIFA–712, “Higher Education Proposal Cover Page,” must be completed in its entirety. Note that providing a Social Security Number is voluntary, but is an integral part of the NIFA information system and will assist in the processing of the proposal.

(2) One copy of Form NIFA–712 must contain the pen-and-ink signatures of the principal investigator(s) and Authorized Organizational Representative for the applicant institution.

(3) The title of the research project shown on the “Higher Education Proposal Cover Page” must be brief (80-character maximum) yet represent the major thrust of the project. This information will be used by the Department to provide information to the Congress and other interested parties.

(4) In block 7. of Form NIFA–712, enter “Capacity Building Grants Program.”

(5) In block 8.a. of Form NIFA–712, enter “Research.” In block 8.b. identify the code of the targeted need area(s) as found on the reverse of the form. If a proposal focuses on multiple targeted need areas, enter each code associated with the project. In block 8.c. identify the major area(s) of emphasis as found on the reverse of the form. If a proposal focuses on multiple areas of emphasis, enter each code associated with the project; however, please limit your selection to three areas. This information will be used by the program staff for the proper assignment of proposals to reviewers.

(6) In block 9. of Form NIFA–712, indicate if the proposal is a complementary project proposal or joint project proposal as defined in §3406.2 of this part. If it is not a complementary project proposal or a joint project proposal, identify it as a regular proposal.

(7) In block 13. of Form NIFA–712, indicate if the proposal is a new, first-time submission or if the proposal is a resubmission of a proposal that has been submitted to, but not funded under the 1890 Institution Capacity Building Grants Program in a previous competition.

(b) Table of contents. For ease of locating information, each proposal must contain a detailed table of contents just after the Proposal Cover Page. The Table of Contents should include page numbers for each component of the proposal. Pagination should begin immediately following the summary documentation of USDA agency cooperation.

(c) USDA agency cooperator. To be considered for funding, each proposal must include documentation of cooperation with at least one USDA agency or office. If multiple agencies are involved as cooperators, documentation must be included from each agency. When documenting cooperative arrangements, the following guidelines should be used:
(1) A summary of the cooperative arrangements must immediately follow the Table of Contents. This summary should:
   (i) Bear the signatures of the Agency Head (or his/her designated authorized representative) and the university project director;
   (ii) Indicate the agency’s willingness to commit support for the project;
   (iii) Identify the person(s) at the USDA agency who will serve as the liaison or technical contact for the project;
   (iv) Describe the degree and nature of the USDA agency’s involvement in the proposed project, as outlined in §3406.6(a) of this part, including its role in:
      (A) Identifying the need for the project;
      (B) Developing a conceptual approach;
      (C) Assisting with project design;
      (D) Identifying and securing needed agency or other resources (e.g., personnel, grants/contracts; in-kind support, etc.);
      (E) Developing the project budget;
      (F) Promoting partnerships with other institutions to carry out the project;
      (G) Helping the institution launch and manage the project;
      (H) Providing technical assistance and expertise;
      (I) Providing consultation through site visits, E-mail, conference calls, and faxes;
      (J) Participating in project evaluation and dissemination of final project results; and
      (K) Seeking other innovative ways to ensure the success of the project and advance the needs of the institution or the agency; and
   (v) Describe the expected benefits of the partnership venture for the USDA agency and for the 1890 Institution.

   (2) A detailed discussion of these partnership arrangements should be provided in the narrative portion of the proposal, as outlined in paragraph (f)(2)(iv)(C) of this section.

   (3) Additional documentation, including letters of support or cooperation, may be provided in the Appendix.

   (d) Project summary. (1) A Project Summary should immediately follow the summary documentation of USDA agency cooperation. The information provided in the Project Summary will be used by the program staff for a variety of purposes, including the proper assignment of proposals to peer reviewers and providing information to peer reviewers prior to the peer panel meeting. The name of the institution, the targeted need area(s), and the title of the proposal must be identified exactly as shown on the “Higher Education Proposal Cover Page.”

   (2) If the proposal is a complementary project proposal, as defined in §3406.2 of this part, clearly state this fact and identify the other complementary project(s) by citing the name of the submitting institution, the title of the project, the principal investigator, and the grant number (if funded in a previous year) exactly as shown on the cover page of the complementary project so that appropriate consideration can be given to the interrelatedness of the proposals in the evaluation process.

   (3) If the proposal is a joint project proposal, as defined in §3406.2 of this part, indicate such and identify the other participating institutions and the key person responsible for coordinating the project at each institution.

   (4) The Project Summary should be a concise description of the proposed activity suitable for publication by the Department to inform the general public about awards under the program. The text should not exceed one page, single-spaced. The Project Summary should be a self-contained description of the activity which would result if the proposal is funded by USDA. It should include: The objective of the project, a synopsis of the plan of operation, a statement of how the project will enhance the research capacity of the institution, a description of how the project will enhance research in the food and agricultural sciences, and a description of the partnership efforts between, and the expected benefits for, the USDA agency cooperator(s) and the 1890 Institution and the plans for disseminating project results. The Project Summary should be written so that a technically literate reader can evaluate the use of Federal funds in support of the project.
§ 3406.18 7 CFR Ch. XXXIV (1–1–16 Edition)

(e) Resubmission of a proposal—(1) Resubmission of previously unfunded proposals. (i) If the proposal has been submitted previously, but was not funded, such should be indicated in block 13 on Form NIFA–712, “Higher Education Proposal Cover Page,” and the following information should be included in the proposal:

(A) The fiscal year(s) in which the proposal was submitted previously;

(B) A summary of the peer reviewers’ comments; and

(C) How these comments have been addressed in the current proposal, including the page numbers in the current proposal where the peer reviewers’ comments have been addressed.

(ii) This information may be provided as a section of the proposal following the Project Summary and preceding the proposal narrative or it may be placed in the Appendix (see paragraph (j) of this section). In either case, the location of this information should be indicated in the Table of Contents, and the fact that the proposal is a resubmitted proposal should be stated in the proposal narrative. Further, when possible, the information should be presented in a tabular format. Applicants who choose to resubmit proposals that were previously submitted, but not funded, should note that resubmitted proposals must compete equally with newly submitted proposals. Submitting a proposal that has been revised based on a previous peer review panel’s critique of the proposal does not guarantee the success of the resubmitted proposal.

(f) Narrative of a research proposal. The narrative portion of the proposal is limited to 20 pages in length. The one-page Project Summary is not included in the 20-page limitation. The narrative must be typed on one side of the page only, using a font no smaller than 12 point, and double-spaced. All margins must be at least one inch. All pages following the summary documentation of USDA agency cooperation must be paginated. It should be noted that peer reviewers will not be required to read beyond 20 pages of the narrative to evaluate the proposal. The narrative should contain the following sections:

(1) Significance of the problem—(i) Impact—(A) Identification of the problem or opportunity. Clearly identify the specific problem or opportunity to be addressed and present any research questions or hypotheses to be examined.

(B) Rationale. Provide a rationale for the proposed approach to the problem or opportunity and indicate the part that the proposed project will play in advancing food and agricultural research and knowledge. Discuss how the project will be of value and importance at the State, regional, national, or international level(s). Also discuss how the benefits to be derived from the project will transcend the proposing institution or the grant period.

(C) Literature review. Include a comprehensive summary of the pertinent scientific literature. Citations may be footnoted to a bibliography in the Appendix. Citations should be accurate, complete, and adhere to an acceptable
National Institute of Food and Agriculture

§ 3406.18

journal format. Explain how such knowledge (or previous findings) is related to the proposed project.

(D) Current research and related activities. Describe the relevancy of the proposed project to current research or significant research support activities at the proposing institution and any other institution participating in the project, including research which may be as yet unpublished.

(ii) Continuation plans. Discuss the likelihood or plans for continuation or expansion of the project beyond USDA support. Discuss, as applicable, how the institution’s long-range budget, and administrative and academic plans, provide for the realistic continuation or expansion of the line of research or research support activity undertaken by this project after the end of the grant period. For example, are there plans for securing non-Federal support for the project? Is there any potential for income from patents, technology transfer or university-business enterprises resulting from the project? Also discuss the probabilities of the proposed activity or line of inquiry being pursued by researchers at other institutions.

(iii) Innovation. Describe the degree to which the proposal reflects an innovative or non-traditional approach to a food and agricultural research initiative.

(iv) Products and results. Explain the kinds of products and results expected and their impact on strengthening food and agricultural sciences higher education in the United States, including attracting academically outstanding students or increasing the ethnic, racial, and gender diversity of the Nation’s food and agricultural scientific and professional expertise base.

(2) Overall approach and cooperative linkages—(i) Approach—(A) Objectives. Cite and discuss the specific objectives to be accomplished under the project.

(B) Plan of operation. The procedures or methodologies to be applied to the proposed project should be explicitly stated. This section should include, but not necessarily be limited to a description of:

(1) The proposed investigations, experiments, or research support enhancements in the sequence in which they will be carried out.

(2) Procedures and techniques to be employed, including their feasibility.

(3) Means by which data will be collected and analyzed.

(4) Pitfalls that might be encountered.

(5) Limitations to proposed procedures.

(C) Timetable. Provide a timetable for execution of the project. Identify all important research milestones and dates as they relate to project start-up, execution, dissemination, evaluation, and close-out.

(ii) Evaluation plans. (A) Provide a plan for evaluating the accomplishment of stated objectives during the conduct of the project. Indicate the criteria, and corresponding weight of each, to be used in the evaluation process, describe any performance data to be collected and analyzed, and explain the methodologies that will be used to determine the extent to which the needs underlying the project are being met.

(B) Provide a plan for evaluating the effectiveness of the end results upon conclusion of the project. Include the same kinds of information requested in paragraph (f)(2)(ii)(A) of this section.

(iii) Dissemination plans. Provide plans for disseminating project results and products including the possibilities for publications. Identify target audiences and explain methods of communication.

(iv) Partnerships and collaborative efforts. (A) Explain how the project will maximize partnership ventures and collaborative efforts to strengthen food and agricultural sciences higher education (e.g., involvement of faculty in related disciplines at the same institution, joint projects with other colleges or universities, or cooperative activities with business or industry). Also explain how it will stimulate academia, the States, or the private sector to join with the Federal partner in enhancing food and agricultural sciences higher education.

(B) Provide evidence, via letters from the parties involved, that arrangements necessary for collaborative partnerships or joint initiatives have been
discussed and realistically can be expected to come to fruition, or actually have been finalized contingent on an award under this program. Letters must be signed by an official who has the authority to commit the resources of the organization. Such letters should be referenced in the plan of operation, but the actual letters should be included in the Appendix section of the proposal. Any potential conflict(s) of interest that might result from the proposed collaborative arrangements must be discussed in detail. Proposals which indicate joint projects with other institutions must state which proposer is to receive any resulting grant award, since only one submitting institution can be the recipient of a project grant under one proposal.

(C) Explain how the project will create a new or enhance an existing partnership between the USDA agency cooperator(s) and the 1890 Institution(s). This section should expand upon the summary information provided in the documentation of USDA agency cooperation section, as outlined in paragraph (c)(1) of this section. This is particularly important because the focal point of attention in the peer review process is the proposal narrative. Therefore, a comprehensive discussion of the partnership effort between USDA and the 1890 Institution should be provided.

(3) Institutional capacity building—(i) Institutional enhancement. Explain how the proposed project will strengthen the research capacity, as defined in §3406.2 of this part, of the applicant institution and, if applicable, any other institutions assuming a major role in the conduct of the project. For example, describe how the proposed project is intended to strengthen the institution’s research infrastructure by advancing the expertise of the current faculty in the natural or social sciences; providing a better research environment, state-of-the-art equipment, or supplies; enhancing library collections; or enabling the institution to provide efficacious organizational structures and reward systems to attract and retain first-rate research faculty and students—particularly those from underrepresented groups.

(ii) Institutional commitment. (A) Discuss the institution’s commitment to the project and its successful completion. Provide, as relevant, appropriate documentation in the Appendix. Substantiate that the institution attributes a high priority to the project. (B) Discuss how the project will contribute to the achievement of the institution’s long-term (five- to ten-year) goals and how the project will help satisfy the institution’s high-priority objectives. Show how this project is linked to and supported by the institution’s strategic plan.

(C) Discuss the commitment of institutional resources to the project. Show that the institutional resources to be made available to the project will be adequate, when combined with the support requested from USDA, to carry out the activities of the project and represent a sound commitment by the institution. Discuss institutional facilities, equipment, computer services, and other appropriate resources available to the project.

(g) Key personnel. A Form NIFA–710, “Summary Vita—Research Proposal,” should be included for each key person associated with the project.

(h) Budget and cost-effectiveness—(1) Budget form. (i) Prepare Form NIFA–713, “Higher Education Budget,” in accordance with instructions provided with the form. Proposals may request support for a period to be identified in each year’s program announcement. A budget form is required for each year of requested support. In addition, a summary budget is required detailing the requested total support for the overall project period. Form NIFA–713 may be reproduced as needed by proposers. Funds may be requested under any of the categories listed on the form, provided that the item or service for which support is requested is allowable under the authorizing legislation, the applicable Federal cost principles, the administrative provisions in this part, and can be justified as necessary for the successful conduct of the proposed project.

(ii) The approved negotiated research rate or the maximum rate allowed by law should be used when computing indirect costs. If a reduced rate of indirect costs is voluntarily requested from
(2) Matching funds. When documenting matching contributions, use the following guidelines:

(i) When preparing the column entitled “Applicant Contributions to Matching Funds” of Form NIFA–713, only those costs to be contributed by the applicant for the purposes of matching should be shown. The total amount of this column should be indicated in item M.

(ii) In Item N of Form NIFA–713, show a total dollar amount for Cash Contributions from both the applicant and any third parties; also show a total dollar amount (based on current fair market value) for Non-cash Contributions from both the applicant and any third parties.

(iii) To qualify for any incentive benefits stemming from matching support or to satisfy any cost sharing requirements, proposals must include written verification of any actual commitments of matching support (including both cash and non-cash contributions) from third parties. Written verification means—

(A) For any third party cash contributions, a separate pledge agreement for each donation, signed by the authorized organizational representative(s) of the donor organization (or by the donor if the gift is from an individual) and the applicant institution, which must include:

(1) The name, address, and telephone number of the donor;

(2) The name of the applicant institution;

(3) The title of the project for which the donation is made;

(4) The dollar amount of the cash donation; and

(5) A statement that the donor will pay the cash contribution during the grant period; and

(B) For any third party non-cash contributions, a separate pledge agreement for each contribution, signed by the authorized organizational representative(s) of the donor organization (or by the donor if the gift is from an individual) and the applicant institution, which must include:

(1) The name, address, and telephone number of the donor;

(2) The name of the applicant institution;

(3) The title of the project for which the donation is made;

(4) A good faith estimate of the current fair market value of the non-cash contribution; and

(5) A statement that the donor will make the contribution during the grant period.

(iv) All pledge agreements must be placed in the proposal immediately following Form NIFA–713. The sources and amounts of all matching support from outside the applicant institution should be summarized in the Budget Narrative section of the proposal.

(v) Applicants should refer to OMB Circulars A–110, “Uniform Administrative Requirements for Grants and Agreements With Institutions of Higher Education, Hospitals and Other Non-profit Organizations,” and A–21, “Cost Principles for Educational Institutions,” for further guidance and other requirements relating to matching and allowable costs.

(3) Chart on shared budget for joint project proposal. (i) For a joint project proposal, a plan must be provided indicating how funds will be distributed to the participating institutions. The budget section of a joint project proposal should include a chart indicating:

(A) The names of the participating institutions;

(B) the amount of funds to be disbursed to those institutions; and

(C) the way in which such funds will be used in accordance with items A through L of Form NIFA–713, “Higher Education Budget.”

(ii) If a proposal is not for a joint project, such a chart is not required.

(4) Budget narrative. (i) Discuss how the budget specifically supports the proposed project activities. Explain how each budget item (such as salaries and wages for professional and technical staff, student workers, travel, equipment, etc.) is essential to achieving project objectives.

(ii) Justify that the total budget, including funds requested from USDA
§ 3406.18
7 CFR Ch. XXXIV (1–1–16 Edition)

and any matching support provided, will be adequate to carry out the activities of the project. Provide a summary of sources and amounts of all third party matching support.

(iii) Justify the project’s cost-effectiveness. Show how the project maximizes the use of limited resources, optimizes research value for the dollar, achieves economies of scale, or leverages additional funds. For example, discuss how the project has the potential to generate a critical mass of expertise and activity focused on a high-priority research initiative(s) or promote coalition building that could lead to future ventures.

(iv) Include the percentage of time key personnel will work on the project, both during the academic year and summer. When salaries of university project personnel will be paid by a combination of USDA and institutional funds, the total compensation must not exceed the faculty member’s regular annual compensation. In addition, the total commitment of time devoted to the project, when combined with time for teaching and research duties, other sponsored agreements, and other employment obligations to the institution, must not exceed 100 percent of the normal workload for which the employee is compensated, in accordance with established university policies and applicable Federal cost principles.

(v) If the proposal addresses more than one targeted need area, estimate the proportion of the funds requested from USDA that will support each respective targeted need area.

(i) Current and pending support. Each applicant must complete Form NIFA–663, “Current and Pending Support,” identifying any other current public or private-sponsored projects, in addition to the proposed project, to which key personnel listed in the proposal under consideration have committed portions of their time, whether or not salary support for the person(s) involved is included in the budgets of the various projects. This information should also be provided for any pending proposals which are currently being considered by, or which will be submitted in the near future to, other possible sponsors, including other USDA programs or agencies. Concurrent submission of identical or similar projects to other possible sponsors will not prejudice the review or evaluation of a project under this program.

(j) Appendix. Each project narrative is expected to be complete in itself and to meet the 20-page limitation. Inclusion of material in the Appendix should not be used to circumvent the 20-page limitation of the proposal narrative. However, in those instances where inclusion of supplemental information is necessary to guarantee the peer review panel’s complete understanding of a proposal or to illustrate the integrity of the design or a main thesis of the proposal, such information may be included in the Appendix. Examples of supplemental material are photographs, journal reprints, brochures and other pertinent materials which are deemed to be illustrative of major points in the narrative but unsuitable for inclusion in the proposal narrative itself. Information on previously submitted proposals may also be presented in the Appendix (refer to paragraph (e) of this section). When possible, information in the Appendix should be presented in tabular format. A complete set of the Appendix material must be attached to each copy of the grant application submitted. The Appendix must be identified with the title of the project as it appears on Form NIFA–712 of the proposal and the name(s) of the principal investigator(s). The Appendix must be referenced in the proposal narrative.

(k) Special considerations. A number of situations encountered in the conduct of research require special information or supporting documentation before funding can be approved for the project. If such situations are anticipated, proposals must so indicate via completion of Form NIFA–662, “Assurance Statement(s).” It is expected that some applications submitted in response to these guidelines will involve the following:

(1) Recombinant DNA research. All key personnel identified in the proposal and all endorsing officials of the proposing organization are required to comply with the guidelines established by the National Institutes of Health entitled “Guidelines for Research Involving Recombinant DNA Molecules,” as revised.
All applicants proposing to use recombinant DNA techniques must so indicate by checking the appropriate box on Form NIFA–712, “Higher Education Proposal Cover Page,” and by completing the applicable section of Form NIFA–662. In the event a project involving recombinant DNA or RNA molecules results in a grant award, the Institutional Biosafety Committee of the proposing institution must approve the research plan before NIFA will release grant funds.

(2) **Protection of human subjects.** Responsibility for safeguarding the rights and welfare of human subjects used in any grant project supported with funds provided by NIFA rests with the performing organization. Guidance on this is contained in Department of Agriculture regulations under 7 CFR part 1c. All applicants who propose to use human subjects for experimental purposes must indicate their intention by checking the appropriate block on Form NIFA–712, “Higher Education Proposal Cover Page,” and by completing the applicable portion of Form NIFA–662. In the event a project involving human subjects results in a grant award, the Institutional Review Board of the proposing institution must approve the research plan before NIFA will release grant funds.

(3) **Laboratory animal care.** Responsibility for the humane care and treatment of laboratory animals used in any grant project supported with funds provided by NIFA rests with the performing organization. All key project personnel and all endorsing officials of the proposing organization are required to comply with the Animal Welfare Act of 1966, as amended (7 U.S.C. 2131 et seq.), and the regulations promulgated thereunder by the Secretary of Agriculture in 9 CFR parts 1, 2, 3, and 4 pertaining to the care, handling, and treatment of laboratory animals. All applicants proposing a project which involves the use of laboratory animals must indicate their intention by checking the appropriate block on Form NIFA–712, “Higher Education Proposal Cover Page,” and by completing the appropriate portion of Form NIFA–662. In the event a project involving the use of living vertebrate animals results in a grant award, the Institutional Animal Care and Use Committee of the proposing institution must approve the research plan before NIFA will release grant funds.

(1) **NEPA determination.** In order for NIFA to determine whether any further action is needed with respect to NEPA, pertinent information regarding the possible environmental impacts of a particular project is necessary; therefore, Form NIFA–1234, “NEPA Exclusions Form,” ust be included in the proposal indicating whether the applicant is of the opinion that the project falls within a categorical exclusion and the reasons therefor. If it is the applicant’s opinion that the proposed project falls within the categorical exclusions, the specific exclusion must be identified. Form NIFA–1234 and any supporting documentation should be placed at the end of the proposal and identified in the Table of Contents.

(2) **Exceptions to categorical exclusions.** Even though a project may fall within the categorical exclusions, NIFA may determine that an Environmental Assessment or an Environmental Impact Statement is necessary for an activity, if substantial controversy on environmental grounds exists or if other extraordinary conditions or circumstances are present which may cause such activity to have a significant environmental effect.

Subpart F—Review and Evaluation of a Research Proposal

§ 3406.19 Proposal review—research.

The proposal evaluation process includes both internal staff review and merit evaluation by peer review panels comprised of scientists, educators, business representatives, and Government officials who are highly qualified...
to render expert advice in the areas supported. Peer review panels will be selected and structured to provide optimum expertise and objective judgment in the evaluation of proposals.

§ 3406.20 Evaluation criteria for research proposals.

The maximum score a research proposal can receive is 150 points. Unless otherwise stated in the annual solicitation published in the Federal Register, the peer review panel will consider the following criteria and weights to evaluate proposals submitted:

<table>
<thead>
<tr>

<tr>
<td>(a) Significance of the problem:</td>
<td></td>
</tr>
<tr>
<td>This criterion is used to assess the likelihood that the project will advance or have a substantial impact upon the body of knowledge constituting the natural and social sciences undergirding the agricultural, natural resources, and food systems.</td>
<td></td>
</tr>
<tr>
<td>(1) Impact—Is the problem or opportunity to be addressed by the proposed project clearly identified, outlined, and delineated? Are research questions or hypotheses precisely stated? Is the project likely to further advance food and agricultural research and knowledge? Does the project have potential for augmenting the food and agricultural scientific knowledge base? Does the project address a State, regional, national, or international problem(s)? Will the benefits to be derived from the project transcend the applicant institution or the grant period?</td>
<td>15 points.</td>
</tr>
<tr>
<td>(2) Continuation plans—Are there plans for continuation or expansion of the project beyond USDA support? Are there plans for continuing this line of research or research support activity with the use of institutional funds after the end of the grant? Are there indications of external, non-Federal support? Are there realistic plans for making the project self-supporting? What is the potential for royalty or patent income, technology transfer or university-business enterprises? What are the probabilities of the proposed activity or line of inquiry being pursued by researchers at other institutions?</td>
<td>10 points.</td>
</tr>
<tr>
<td>(3) Innovation—Are significant aspects of the project based on an innovative or a non-traditional approach? Does the project reflect creative thinking? To what degree does the venture reflect a unique approach that is new to the applicant institution or new to the entire field of study?</td>
<td>10 points.</td>

Is the proposed sequence of work appropriate? Does the proposed approach reflect sound knowledge of current theory and practice and awareness of previous or ongoing related research? If the proposed project is a continuation of a current line of study or currently funded project, does the proposal include sufficient preliminary data from the previous research or research support activity? Does the proposed project flow logically from the findings of the previous stage of study? Are the procedures scientifically and managerially sound? Are potential pitfalls and limitations clearly identified? Are contingency plans delineated? Does the timetable appear to be readily achievable?</td>
<td>5 points.</td>
</tr>
<tr>
<td>(2) Evaluation—Are the evaluation plans adequate and reasonable? Do they allow for continuous or frequent feedback during the life of the project? Are the individuals involved in project evaluation skilled in evaluation strategies and procedures? Can they provide an objective evaluation? Do evaluation plans facilitate the measurement of project progress and outcomes?</td>
<td>5 points.</td>

<td>(4) Partnerships and collaborative efforts—Does the project have significant potential for advancing cooperative ventures between the applicant institution and a USDA agency? Does the project workplan include an effective role for the cooperating USDA agency(s)? Will the project encourage and facilitate better working relationships in the university science community, as well as between universities and the public or private sector? Does the project encourage appropriate multi-disciplinary collaboration? Will the project lead to long-term relationships or cooperative partnerships that are likely to enhance research quality or supplement available resources?</td>

Subpart G—Submission of a Teaching or Research Proposal

§ 3406.21 Intent to submit a proposal.

To assist NIFA in preparing for the review of proposals, institutions planning to submit proposals may be requested to complete Form NIFA–711, “Intent to Submit a Proposal,” provided in the application package. NIFA will determine each year if Intent to Submit a Proposal forms will be requested and provide such information in the program announcement. If Intent to Submit a Proposal forms are required, one form should be completed and returned for each proposal an institution anticipates submitting. Submitting this form does not commit an institution to any course of action, nor does failure to send this form prohibit an institution from submitting a proposal.

§ 3406.22 When and where to submit a proposal.

The program announcement will provide the deadline date for submitting a proposal, the number of copies of each proposal that must be submitted, and the address to which proposals must be submitted.

Subpart H—Supplementary Information

§ 3406.23 Access to peer review information.

After final decisions have been announced, NIFA will, upon request, inform the principal investigator/project director of the reasons for its decision on a proposal. Verbatim copies of summary reviews, not including the identity of the peer reviewers, will be made
available to the respective principal investigator/project directors upon specific request.

§ 3406.24 Grant awards.

(a) General. Within the limit of funds available for such purpose, the authorized departmental officer shall make project grants to those responsible, eligible applicants whose proposals are judged most meritorious in the announced targeted need areas under the evaluation criteria and procedures set forth in this part. The beginning of the project period shall be no later than September 30 of the Federal fiscal year in which the project is approved for support. All funds granted under this part shall be expended solely for the purpose for which the funds are granted in accordance with the approved application and budget, the regulations of this part, the terms and conditions of the award, the applicable Federal cost principles, and 2 CFR parts 200 and part 400.

(b) Organizational management information. Specific management information relating to a proposing institution shall be submitted on a one-time basis prior to the award of a project grant identified under this part if such information has not been provided previously under this or another program for which the sponsoring agency is responsible. Copies of forms used to fulfill this requirement will be sent to the proposing institution by the sponsoring agency as part of the pre-award process.

(c) Notice of grant award. The grant award document shall include at a minimum the following:

(1) Legal name and address of performing organization.
(2) Title of project.
(3) Name(s) and address(es) of principal investigator(s)/project director(s).
(4) Identifying grant number assigned by the Department.
(5) Project period, which specifies how long the Department intends to support the effort without requiring reapplication for funds.
(6) Total amount of Federal financial assistance approved during the project period.
(7) Legal authority(ies) under which the grant is awarded.
(8) Approved budget plan for categorizing allocable project funds to accomplish the stated purpose of the grant award.
(9) Other information or provisions deemed necessary by the Department to carry out its granting activities or to accomplish the purpose of this particular project grant.

(d) Obligation of the Federal Government. Neither the approval of any application nor the award of any project grant shall legally commit or obligate NIFA or the United States to provide further support of a project or any portion thereof.

§ 3406.25 Use of funds; changes.

(a) Delegation of fiscal responsibility. The grantee may not in whole or in part delegate or transfer to another person, institution, or organization the responsibility for use or expenditure of grant funds.

(b) Change in project plans. (1) The permissible changes by the grantee, principal investigator(s)/project director(s), or other key project personnel in the approved project grant shall be limited to changes in methodology, techniques, or other aspects of the project to expedite achievement of the project’s approved goals. If the grantee or the principal investigator(s)/project director(s) are uncertain as to whether a change complies with this provision, the question must be referred to the Department for a final determination.

(2) Changes in approved goals, or objectives, shall be requested by the grantee and approved in writing by the authorized departmental officer prior to effecting such changes. In no event shall requests for such changes be approved which are outside the scope of the approved project.

(3) Changes in approved project leadership or the replacement or reassignment of other key project personnel shall be requested by the grantee and approved in writing by the authorized departmental officer prior to effecting such changes.

(4) Transfers of actual performance of the substantive programmatic work in whole or in part and provisions for payment of funds, whether or not Federal
National Institute of Food and Agriculture

§ 3406.27 Other Federal statutes and regulations that apply.

(a) The Office of Management and Budget ("OMB") issued guidance on Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR...
§ 3406.28 Confidential aspects of proposals and awards.

When a proposal results in a grant, it becomes a part of the record of the Agency’s transactions, available to the public upon specific request. Information that the Secretary determines to be of a privileged nature will be held in confidence to the extent permitted by law. Therefore, any information that the applicant wishes to have considered as privileged should be clearly marked as such and sent in a separate statement, two copies of which should accompany the proposal. The original copy of a proposal that does not result in a grant will be retained by the Agency for a period of one year. Other copies will be destroyed. Such a proposal will be released only with the consent of the applicant or to the extent required by law. A proposal may be withdrawn at any time prior to the final action thereon.

§ 3406.29 Evaluation of program.

Grantees should be aware that NIFA may, as a part of its own program evaluation activities, carry out in-depth evaluations of assisted activities. Thus, grantees should be prepared to cooperate with NIFA personnel, or persons retained by NIFA, evaluating the institutional context and the impact of any supported project. Grantees may be asked to provide general information on any students and faculty supported, in whole or in part, by a grant awarded under this program; information that may be requested includes, but is not limited to, standardized academic achievement test scores, grade point average, academic standing, career patterns, age, race/ethnicity, gender, citizenship, and disability.
§ 3407.1 Background and purpose.

(a) The National Environmental Policy Act of 1969 (NEPA), as amended (42 U.S.C. 4321 et seq.) establishes national policies and goals for the protection of the human environment. Section 102(2) of NEPA directs all Federal agencies to give appropriate consideration to the environmental consequences of proposed actions in their decisionmaking and to prepare detailed environmental statements on major Federal actions significantly affecting the quality of the human environment.

(b) The purpose of this regulation is to supplement the regulations for implementation of NEPA established by the Council on Environmental Quality (CEQ) and codified at 40 CFR parts 1500–1508, as adopted by USDA in 7 CFR part 1b.

(c) Unless otherwise noted, parenthetical citations throughout this part refer to the CEQ regulations.

§ 3407.2 Definitions.

(a) Authorized Departmental Officer means the NIFA official, acting within the scope of delegated authority, who is responsible for awarding and administering project grants on behalf of USDA and for carrying out NEPA responsibilities as outlined in §3407.4(d) of this part. The Authorized Departmental Officer’s responsibilities do not include the review, approval, management, or similar activity relating to programs or projects funded by NIFA on the basis of statutory formula and also do not include parallel responsibilities relating to the management or administration of cooperative agreements awarded by NIFA.

(b) Other terms used in this regulation have the same meaning as they have in the CEQ regulations.

§ 3407.3 Policy.

(a) It is NIFA policy to comply with the provisions of NEPA and related laws and policies and with the implementing regulations cited in §3407.1(b) of this part.

(b) Environmental documents should be concise, written in plain language, and address the issues pertinent to the decision being made.

(c) Environmental documents may be substituted for or combined with other reports which serve to facilitate decisionmaking (40 CFR 1506.4).

(d) NIFA personnel will cooperate with other Federal and State agencies or units thereof, as well as with grantees, contractors, and other cooperating individuals or entities undertaking activities funded or recommended for funding by NIFA to assure that NEPA considerations are addressed early in the planning process to avoid delays and conflicts (40 CFR 1501.2).

(e) NIFA reserves the right to require project participants outside of NIFA to furnish environmental data or documentation to assist NIFA in carrying out its responsibilities under NEPA. When an applicant, grantee, or other cooperating individual or organization is required to submit environmental data to NIFA, including preparation of an environmental assessment (EA), or when a contractor hired by a grantee or other cooperating party prepares environmental data or documentation, NIFA shall provide advance instructions to the applicant, grantee, or other cooperor relating to the preparation and submission of the required information. All information supplied by external project participants shall be subject to verification by NIFA (40 CFR 1506.5).

(f) When possible, costs of analyses and development of required environmental documents shall be planned for during the budgetary process relating to the plan or program. Where the nature of particular program agreements (e.g., grants, cooperative agreements, formula projects) are determined by NIFA to require environmental documentation, the cost of preparing such documentation and of reasonable mitigation efforts shall be considered allowable costs and may be charged to the project as a portion of the Federal
or the non-Federal share of project costs. However, NIFA funds above those authorized for the program award will not be made available to recipients to cover such costs.

(g) Final environmental documents, decision notices, and records of decision shall be available to the public for review. There shall be an early and open process for determining the scope of issues to be addressed during environmental analysis (40 CFR 1501.7).

(h) The concept of tiering to eliminate repetitive discussions applicable to EISs (40 CFR part 1502) is applicable to EAs also.

(i) NIFA officials may adopt an existing Federal EA or EIS when a proposed action is substantially the same as the action for which an existing EA or EIS was prepared (40 CFR 1506.3), provided that the EA or EIS or portion thereof meets the standards for an adequate EA or EIS under these regulations.

(j) Existing environmental documents may be incorporated by reference to reduce the bulk of an EA or EIS (40 CFR 1502.21).

(k) After prior consultation with the Council on Environmental Quality, NIFA personnel may, in emergency situations, implement alternative arrangements for compliance with these procedures in accordance with 40 CFR 1506.11.

§ 3407.4 Responsibilities.

The NIFA officials identified below are responsible for carrying out the provisions of NEPA as indicated:

(a) Director. The Director is responsible for providing leadership, formulating agency policies and procedures to implement NEPA, and making available necessary resources to ensure that NEPA goals are met.

(b) Deputy Directors and Assistant Directors. Deputy Directors and Assistant Directors are responsible for:

(1) Ensuring that eligible institutions under NIFA formula grant programs are notified of agency environmental requirements before projects to be funded with formula funds are submitted to NIFA for approval;

(2) Assuring that adequate consideration is given to environmental effects of proposed actions during programmatic planning and decision-making processes for grants, cooperative agreements, and formula projects;

(3) Ensuring that environmental information is reviewed and that required documentation is developed in a timely and satisfactory manner for grants, cooperative agreements, and formula projects; and

(4) Approving courses of action within the range of alternatives presented including, as appropriate, approval or recommendation of EAs and EISs for grants, cooperative agreements, and formula projects.

(c) Program Managers. NIFA Program Managers are responsible for:

(1) Preparing EISs when required;

(2) Reviewing and making recommendations relating to environmental documentation submitted by project recipients;

(3) Recommending and implementing courses of action within the range of alternatives presented; and

(4) Monitoring results.

(d) Authorized Departmental Officer. The Authorized Departmental Officer is responsible for:

(1) Ensuring that eligible applicants under NIFA’s project grant programs are notified of agency environmental requirements in advance of proposal preparation;

(2) Providing terms and conditions of grant award for adequate environmental documentation; and

(3) Authorizing the commencement of approved project activities.

NOTE: Where agency environmental requirements are set forth in program regulations, solicitations of applications, program guidelines, or other documents that apprise applicants of environmental requirements, the requirement for advance notification to potential applicants shall be satisfied.

§ 3407.5 Classes of action.

The following describes typical classes of action associated with NIFA programs and related activities:

(a) Actions which normally do not require the preparation of an EA or an EIS are those actions which ordinarily do not have significant individual or cumulative effect on the quality of the human environment. These include those activities described in §§3407.6 (a)(1) and (a)(2) of this part.

302
(b) Actions normally requiring an EA, but not necessarily an EIS, are those projects in which at least some level of uncertainty exists regarding individual or cumulative effects on the quality of the human environment. Such actions generally include those identified in §§3407.6(b) and 3407.7 of this part.

(c) Actions normally requiring an EIS are projects which are determined to have a significant impact on the quality of the human environment or which will be performed under extraordinary circumstances. These types of actions are identified in §§3407.6(b) and 3407.8 of this part.

§3407.6 Categorical exclusions.

(a) All NIFA actions will be analyzed by the appropriate NIFA official specified in §3407.4(c) to determine whether the project under consideration will have a significant environmental effect prior to recommending to the official responsible for approving a formula project in the case of formula grants, or the official responsible for awarding a grant or cooperative agreement in the case of a grant or cooperative agreement that the action be undertaken. Unless otherwise determined to be necessary under the provisions of paragraph (b) of this section, however, the preparation of an EA or EIS is not required for the following categories of actions:

(1) Department of Agriculture Categorical Exclusions (7 CFR 1b.3). (i) Policy development, planning and implementation which are related to routine activities such as personnel, organizational changes, or similar administrative functions;

(ii) Activities which deal solely with the functions of programs, such as program budget proposals, disbursement, and transfer or reprogramming of funds;

(iii) Inventories, research activities and studies, such as resource inventories and routine data collection when such actions are clearly limited in context and intensity;

(iv) Educational and informational programs and activities;

(v) Civil and criminal law enforcement and investigative activities;

(vi) Activities which are advisory and consultative to other agencies and public and private entities; and

(vii) Activities related to trade representation and market development activities abroad.

(2) NIFA categorical exclusions Based on previous experience, the following categories of NIFA actions are excluded because they have been found to have limited scope and intensity and to have no significant individual or cumulative impacts on the quality of the human environment:

(i) The following categories of research programs or projects of limited size and magnitude or with only short-term effects on the environment:

(A) Research conducted within any laboratory, greenhouse, or other contained facility where research practices and safeguards prevent environmental impacts;

(B) Surveys, inventories, and similar studies that have limited context and minimal intensity in terms of changes in the environment; and

(C) Testing outside of the laboratory, such as in small isolated field plots, which involves the routine use of familiar chemicals or biological materials.

(ii) Routine renovation, rehabilitation, or revitalization of physical facilities, including the acquisition and installation of equipment, where such activity is limited in scope and intensity.

(b) Exceptions to categorical exclusions. Notwithstanding paragraph (a) of this section, an EA or EIS shall be prepared for an activity which is normally within the purview of categorical exclusion where it is determined by NIFA that substantial controversy on environmental grounds exists or that other extraordinary conditions or circumstances are present which may cause such activity to have a significant environmental effect.

§3407.7 Actions normally requiring an environmental assessment.

The following actions normally will require an EA:

(a) Programs supported in whole or in part by NIFA which may result in a particular technology’s moving from the field evaluation stage to large-
scale demonstration or simulated commercial phase.

(b) Field work that is expected to have an effect on the human environment such as large-scale excavations or the use of explosives.

(c) Projects for the construction or renovation of physical facilities, unless categorically excluded under §3407.6(a)(2)(ii).

(d) Activities specified in §3407.5(b).

§3407.8 Actions normally requiring an environmental impact statement.

An EIS normally will be required for major actions where it is determined by NIFA that such activity will significantly affect the quality of the human environment, including those specified in §3407.6(b).

§3407.9 Use of environmental documents in decisionmaking.

In carrying out agency responsibilities under NEPA, NIFA officials shall:

(a) Consider all relevant environmental documents in evaluating programs, proposals, or projects for final agency action.

(b) Make all relevant final environmental documents, comments, and responses part of the record in rulemaking and adjudicatory proceedings.

(c) Ensure that all relevant final environmental documents, comments, and responses are submitted to NIFA in a timely fashion, are subjected to normal agency review processes, and are made a part of the official record.

(d) Consider only those alternatives encompassed by the range of alternatives discussed in the relevant environmental documents when evaluating plans, programs, or proposals for agency action.

§3407.10 Preparation of environmental assessments.

(a) Format and content. An EA may be prepared in any format provided that it covers, in a logical and succinct fashion, the information necessary for determining whether a proposed NIFA action may have a significant environmental impact and thus warrant preparation of an EIS. The information must include brief discussions on the need for the project, alternatives to the proposed action, environmental impacts of the proposed action and alternatives, and a listing of agencies and persons consulted (40 CFR 1508.9). Where possible, EAs should be limited to 10–15 pages. NOTE: It is the scope and complexity of the environmental issues, rather than the size of the project, that should be used to determine the length of the EA.

(b) Supplements to environmental assessments. Where substantial changes occur in a project or activity for which an EA has been prepared and it is determined by a responsible NIFA official specified in §3407.4(b) that the changes are pertinent to environmental concerns, a supplement to the EA may be required. Supplements to EAs shall be evaluated and processed as stated in paragraph (c) of this section.

(c) Decision notice. Upon completion of an EA and any supplement thereto, the responsible NIFA official will evaluate the information it contains, determine whether an EIS is required or whether no significant environmental impact is likely to occur, and will document the decision and the reasons upon which it is based (40 CFR 1508.13). The EA shall be available to the public.

§3407.11 Preparation of environmental impact statements.

(a) Actions involving more than one agency. If more than one Federal agency participates in a program activity, a lead agency shall be selected in accordance with 40 CFR 1501.5(c). The lead agency, in full cooperation with all participating agencies, shall assume responsibility for involving the public as required in 40 CFR 1501.4(b) and shall prepare the EIS or shall cause the EIS to be prepared as provided in 40 CFR 1501.5.

(b) Notice of intent. If a responsible NIFA official designated in §3407.4(b) of this part recommends the preparation of an EIS, the public shall be apprised of the decision. This notice shall be prepared according to 40 CFR 1508.2.

(c) Draft and Final EIS. The process of preparing the draft and final EIS, as well as the format of the document, shall comply with the provisions of 40 CFR parts 1502–1506.
National Institute of Food and Agriculture § 3415.2

(d) Supplemental statements. Where substantial changes occur or new information becomes available under a project or activity for which an EIS or Draft EIS has been prepared and it is determined by a responsible NIFA official specified in § 3407.4(b) that the changes are pertinent to environmental concerns, a supplement to the EIS or Draft EIS may be required. The supplement shall be evaluated and processed in accordance with 40 CFR 1502.9(c).

(e) Decisionmaking and implementation. A responsible NIFA official designated in § 3407.4(b) may make a decision no sooner than thirty days after the notice of availability of the final EIS has been published in the Federal Register by the Environmental Protection Agency (40 CFR 1506.10). The decision will be documented in a record of decision as required by 40 CFR 1505.2, and monitoring and mitigation activities will be implemented as required by 40 CFR 1505.3.

Service (ARS) and any other officer or employee of the Department of Agriculture to whom the authority involved may be delegated.

(c) **Awarding official** means the Director or Administrator and any other officer or employee of the Department to whom the authority to issue or modify grant instruments has been delegated.

(d) **Biotechnology** means any technique that uses living organisms (or parts of organisms) to make or modify products, to improve plants or animals, or to develop microorganisms for specific use. The development of materials that mimic molecular structures or functions of living systems is included.

(e) **Budget period** means the interval of time (usually 12 months) into which the project period is divided for budgetary and reporting purposes.

(f) **Department** means the Department of Agriculture.

(g) **Director** means the Director of the National Institute of Food and Agriculture (NIFA) and any other officer or employee of the Department of Agriculture to whom the authority involved may be delegated.

(h) **Grant** means the award by the Director or Administrator of funds to a grantee to assist in meeting the costs of conducting, for the benefit of the public, an identified project which is intended and designed to establish, discover, elucidate, or confirm information or the underlying mechanisms relating to a research program area identified in program solicitation.

(i) **Grantee** means the entity designated in the grant award document as the responsible legal entity to whom a grant is awarded under this part.

(j) **Peer review group** means an assembled group of experts or consultants qualified by training and experience in particular scientific or technical fields to give expert advice, in accordance with the provisions of this part, on the scientific and technical merit of grant applications in those fields.

(k) **Principal investigator** means a single individual who is responsible for the scientific and technical direction of the project, as designated by the grantee in the grant application and approved by the Director or Administrator.

(l) **Project** means the particular activity within the scope of one or more of the research program areas identified in the annual program solicitation that is supported by a grant under this part.

(m) **Project period** means the total time approved by the Director or Administrator for conducting the proposed project as outlined in an approved grant application.

(n) **Research** means any systematic study directed toward new or fuller knowledge and understanding of the subject studied.

(o) **Methodology** means the project approach to be followed to carry out the project.

[58 FR 65647, Dec. 15, 1993, as amended at 76 FR 4811, Jan. 27, 2011]

§ 3415.3 Eligibility requirements.

(a) Except where otherwise prohibited by law, any public or private research or educational institution or organization shall be eligible to apply for and to receive a grant award under this part, provided that the applicant qualifies as a responsible grantee under the criteria set forth in paragraph (b) of this section.

(b) To qualify as responsible, an applicant must meet the following standards as they relate to a particular project:
   
   (1) Adequate financial resources for performance, the necessary experience, organizational and technical qualifications, and facilities, or a firm commitment, arrangement, or ability to obtain same (including by proposed sub-agreements);
   
   (2) Ability to comply with the proposed or required completion schedule for the project;
   
   (3) Satisfactory record of integrity, judgment, and performance, including, in particular, any prior performance under grants or contracts from the Federal government;
   
   (4) Adequate financial management system and audit procedures that provide efficient and effective accountability and control of all funds, property, and other assets; and
   
   (5) Otherwise be qualified and eligible to receive a grant under the applicable laws and regulations.

(c) Any applicant who is determined to be not responsible will be notified in
§3415.4 How to apply for a grant.

(a) A program solicitation will be prepared and announced through publications such as the Federal Register, professional trade journals, agency or program handbooks, the Catalog of Federal Domestic Assistance, or any other appropriate means, as early as practicable each fiscal year. The Department may elect to solicit preproposals each fiscal year in order to eliminate from consideration proposed research that does not address narrowly focused program objectives. A preproposal will be limited in length (in comparison to a full proposal) to alleviate waste of time and effort by applicants in the preparation of proposals and USDA staff in the review of proposals. If the Department solicits preproposals through publication of the annual program solicitation, the Department does not anticipate publishing a subsequent solicitation for full proposals. Applicants submitting preproposals deemed appropriate to the objectives of this program as set out in the annual solicitation will be requested to submit full proposals; the full proposals will then be evaluated in accordance with §3415.5 through §3415.15 of this part.

The annual program solicitation will contain information sufficient to enable applicants to prepare preproposals or full proposals under this program and will be as complete as possible with respect to:

(1) Descriptions of the specific research areas that the Department proposes to support during the fiscal year involved, including anticipated funds to be awarded;
(2) Eligibility requirements;
(3) Obtaining application kits;
(4) Deadline dates for submission of preproposal or proposal packages;
(5) Name and mailing address to send preproposals or proposals;
(6) Number of copies to submit; and
(7) Special requirements.

(b) Application Kit. An Application Kit will be made available to any potential grant applicant who requests a copy. This Kit contains required forms, certifications, and instructions applicable to the submission of grant preproposals or proposals.

(c) Format for preproposals. As stated above, the Department may elect to solicit preproposals under this program. Unless otherwise indicated by the Department in the annual program solicitation, the following general format applies for the preparation of preproposals:

(1) "Application for Funding (Form NIFA-661)". All preproposals submitted by eligible applicants should contain an "Application for Funding", Form NIFA-661, which must be signed by the proposing principal investigator(s) and endorsed by the cognizant authorized organizational representative who possesses the necessary authority to commit the applicant’s time and other relevant resources. The title of the proposal must be brief (80-character maximum), yet represent the major thrust of the project. Because this title will be used to provide information to those who may not be familiar with the proposed project, highly technical words or phraseology should be avoided where possible. In addition, phrases such as "investigation of" and "research on" should not be used.

(2) Project summary. Each preproposal must contain a project summary, the text of which may not exceed three (3) single- or double-spaced pages. The Department reserves the option of not forwarding for further consideration a preproposal in which the project summary page limit is exceeded. The project summary is not intended for the general reader; consequently, it may contain technical language comprehensible primarily by persons in disciplines relating to the food and agricultural sciences. The project summary should be a self-contained specific description of the activity to be undertaken and should focus on:

(i) Overall project goal(s) and supporting objectives;
(ii) Plans to accomplish project goal(s); and
(iii) Relevance or significance of the project to United States agriculture.

(3) Budget. A budget detailing requested support for the proposed project period must be included in each preproposal. A copy of the form which must be used for this purpose, along
with instructions for completion, is included in the Application Kit identified under §3415.4(b) of this part and may be reproduced as needed by applicants. Funds may be requested under any of the categories listed on the budget form, provided that the item or service for which support is requested may be identified as necessary for successful conduct of the proposed project, is allowable under applicable Federal cost principles, and is not prohibited under any applicable Federal statute.

(4) Special requirements. (i) The annual program solicitation will describe any special preproposal submission requirements, such as paper size or type pitch to be used in the preparation of preproposals. The solicitation will also describe special program requirements, such as conference attendance or electronic project reporting, for which applicants may allocate funds when preparing proposed budgets.

(ii) By signing the “Application for Funding” identified under §3415.4(c)(1) in its submission of a preproposal, the applicant is certifying compliance with the restrictions on the use of appropriated funds for lobbying set out in 7 CFR part 3018.

(5) Evaluation of preproposals. Preproposals shall be evaluated to determine whether the substance of the proposed project is appropriate to the objectives of this program as set out in the annual program solicitation. Subsequently, the Director or Administrator shall request full proposals from those applicants proposing projects deemed appropriate to the objectives of this program as set out in the annual program solicitation. Such proposals shall conform to the format for full proposals set out below and shall be evaluated in accordance with §3415.5 through §3415.15 of this part.

(d) Format for full proposals. Unless otherwise indicated by the Department in the annual program solicitation, the following general format applies for the preparation of full proposals under this program:

(1) “Application for Funding” (Form NIFA–661). All full proposals submitted by eligible applicants should contain an Application for Funding”, Form NIFA–661, which must be signed by the proposed principal investigator(s) and endorsed by the cognizant authorized organizational representative who possesses the necessary authority to commit the applicant’s time and other relevant resources. Investigators who do not sign the full proposal cover sheet will not be listed on the grant document in the event an award is made. The title of the proposal must be brief (80-character maximum), yet represent the major emphasis of the project. Because this title will be used to provide information to those who may not be familiar with the proposed project, highly technical words or phraseology should be avoided where possible. In addition, phrases such as “investigation of” or “research on” should not be used.

(2) Project summary. Each full proposal must contain a project summary, the length of which may not exceed three (3) single- or double-spaced pages. This summary is not intended for the general reader; consequently, it may contain technical language comprehensible primarily by persons in disciplines relating to the food and agricultural sciences. The project summary should be a self-contained, specific description of the activity to be undertaken and should focus on:

(i) Overall project goal(s) and supporting objectives;

(ii) Plans to accomplish project goal(s); and

(iii) Relevance or significance of the project to United States agriculture.

(3) Project description. The specific aims of the project must be included in all proposals. The text of the project description may not exceed 15 single- or double-spaced pages. The Department reserves the option of not forwarding for further consideration proposals in which the project description exceeds this page limit. The project description must contain the following components:

(1) Introduction. A clear statement of the long-term goal(s) and supporting objectives of the proposed project should preface the project description. The most significant published work in the field under consideration, including the work of key project personnel on the current application, should be reviewed. The current status of research in the particular scientific field also...
should be described. All work cited, including that of key personnel, should be referenced.

(ii) Progress report. If the proposal is a renewal of an existing project supported under this program, include a clearly marked performance report describing results to date from the previous award. This section should contain the following information:

(A) A comparison of actual accomplishments with the goals established for the previous award;

(B) The reasons established goals were not met, if applicable; and

(C) A listing of any publications resulting from the award. Copies of reprints or preprints may be appended to the proposal if desired.

(4) Rationale and significance. Present concisely the rationale behind the proposed project. The objectives’ specific relationship and relevance to the area in which an application is submitted and the objectives’ specific relationship and relevance to potential regulatory issues of United States biotechnology research should be shown clearly. Any novel ideas or contributions that the proposed project offers also should be discussed in this section.

(5) Experimental plan. The hypotheses or questions being asked and the methodology to be applied to the proposed project should be stated explicitly. Specifically, this section must include:

(i) A description of the investigations and/or experiments proposed and the sequence in which the investigations or experiments are to be performed;

(ii) Techniques to be used in carrying out the proposed project, including the feasibility of the techniques;

(iii) Results expected;

(iv) Means by which experimental data will be analyzed or interpreted;

(v) Pitfalls that may be encountered;

(vi) Limitations to proposed procedures; and

(vii) Tentative schedule for conducting major steps involved in these investigations and/or experiments.

In describing the experimental plan, the applicant must explain fully any materials, procedures, situations, or activities that may be hazardous to personnel (whether or not they are directly related to a particular phase of the proposed project), along with an outline of precautions to be exercised to avoid or mitigate the effects of such hazards.

(6) Facilities and equipment. All facilities and major items of equipment that are available for use or assignment to the proposed research project during the requested period of support should be described. In addition, items of non-expendable equipment necessary to conduct and successfully conclude the proposed project should be listed.

(7) Collaborative arrangements. If the nature of the proposed project requires collaboration or subcontractual arrangements with other research scientists, corporations, organizations, agencies, or entities, the applicant must identify the collaborator(s) and provide a full explanation of the nature of the collaboration. Evidence (i.e., letters of intent) should be provided to assure peer reviewers that the collaborators involved have agreed to render this service. In addition, the proposal must indicate whether or not such a collaborative arrangement(s) has the potential for conflict(s) of interest.

(8) Personnel support. To assist peer reviewers in assessing the competence and experience of the proposed project staff, key personnel who will be involved in the proposed project must be identified clearly. For each principal investigator involved, and for all senior associates and other professional personnel who expect to work on the project, whether or not funds are sought for their support, the following should be included:

(i) An estimate of the time commitments necessary;

(ii) Curriculum vitae. The curriculum vitae should be limited to a presentation of academic and research credentials, e.g., educational, employment and professional history, and honors and awards. Unless pertinent to the project, to personal status, or to the status of the organization, meetings attended, seminars given, or personal data such as birth date, marital status, or community activities should not be included. The vitae shall be no more than two pages each in length, excluding the publication lists. The Department reserves the option of not forwarding for further consideration a
proposals in which each vitae exceeds the two-page limit; and

(iii) Publication List(s). A chronological list of all publications in refereed journals during the past five years, including those in press, must be provided for each professional project member for whom a curriculum vitae is provided. Authors should be listed in the same order as they appear on each paper cited, along with the title and complete reference as these items usually appear in journals.

(9) Budget. A detailed budget is required for each year of requested support. In addition, a summary budget is required detailing requested support for the overall project period. A copy of the form which must be used for this purpose, Form NIFA–56, along with instructions for completion, is included in the Application Kit identified under §3415.4(b) of this part and may be reproduced as needed by applicants. Funds may be requested under any of the categories listed, provided that the item or service for which support is requested may be identified as necessary for successful conduct of the proposed project, is allowable under applicable Federal cost principles, and is not prohibited under any applicable Federal statute.

(10) Research involving special considerations. A number of situations encountered in the conduct of research require special information and supporting documentation before funding can be approved for the project. In any such situation is anticipated, the proposal must so indicate. It is expected that a significant number of proposals will involve the following:

(i) Recombinant DNA and RNA molecules. All key personnel identified in a proposal and all endorsing officials of a proposed performing entity are required to comply with the guidelines established by the National Institutes of Health entitled, “Guidelines for Research Involving Recombinant DNA Molecules,” as revised. The Application Kit, identified above in §3415.4(b), contains a form which is suitable for such certification (Form NIFA–662).

(ii) Human subjects at risk. Responsibility for safeguarding the rights and welfare of human subjects used in any proposed project supported with grant funds provided by the Department rests with the performing entity. Regulations have been issued by the Department under 7 CFR Part 1c, Protection of Human Subjects. In the event that a project involving human subjects at risk is recommended for award, the applicant will be required to submit a statement certifying that the project plan has been reviewed and approved by the Institutional Review Board at the proposing organization or institution. The Application Kit, identified above in §3415.4(b), contains a form which is suitable for such certification (Form NIFA–662).

(iii) Experimental vertebrate animal care. The responsibility for the humane care and treatment of any experimental vertebrate animal, which has the same meaning as “animal” in section 2(g) of the Animal Welfare Act of 1966, as amended (7 U.S.C. 2132(g)), used in any project supported with grant funds rests with the performing organization. In this regard, all key personnel associated with any supported project and all endorsing officials of the proposed performing entity are required to comply with the applicable provisions of the Animal Welfare Act of 1966, as amended (7 U.S.C. 2131 et seq.) and the regulations promulgated thereunder by the Secretary of Agriculture in 9 CFR parts 1, 2, 3, and 4. The applicant must submit a statement certifying that the proposed project is in compliance with the aforementioned regulations, and that the proposed project is either under review by or has been reviewed and approved by an Institutional Animal Care and Use Committee. The Application Kit, identified above in §3415.4(b), contains a form which is suitable for such certification (Form NIFA–662).

(11) Current and pending support. All proposals must list any other current public or private research support (including in-house support) to which key personnel identified in the proposal have committed portions of their time, whether or not salary support for the person(s) involved is included in the budget. Analogous information must be provided for any pending proposals that are being considered by, or that will be submitted in the near future to,
other possible sponsors, including other USDA programs or agencies. Concurrent submission of identical or similar proposals to other possible sponsors will not prejudice proposal review or evaluation by the Director or Administrator or experts or consultants engaged by the Director or Administrator for this purpose. However, a proposal that duplicates or overlaps substantially with a proposal already reviewed and funded (or that will be funded) by another organization or agency will not be funded under this program. The Application Kit, identified above in §3415.4(b), contains a form which is suitable for listing current and pending support (Form NIFA–663).

(12) Additions to project description. Each project description is expected by the Director or Administrator, the members of peer review groups, and the relevant program staff to be complete while meeting the page limit established in §3415.4(d)(3). However, if the inclusion of additional information is necessary to ensure the equitable evaluation of the proposal (e.g., photographs that do not reproduce well, reprints, and other pertinent materials that are deemed to be unsuitable for inclusion in the text of the proposal), the number of copies submitted should match the number of copies of the application requested in the program solicitation. Each set of such materials must be identified with the name of the submitting organization, and the name(s) of the principal investigator(s). Information may not be appended to a proposal to circumvent page limitations prescribed for the project description. Extraneous materials will not be used during the peer review process.

(13) Organizational management information. Specific management information relating to an applicant shall be submitted on a one-time basis prior to the award of a grant identified under this Part if such information has not been provided previously under this or another program for which the sponsoring agency is responsible. The Department will contact an applicant to request organizational management information once a proposal has been recommended for funding.
the project may be supported. Any de-
ferral or disapproval of an application
will not preclude its reconsideration or
a reapplication during subsequent fis-
cal years.

§ 3415.6 Grant awards.

(a) General. Within the limit of funds
available for such purpose, the award-
ing official of NIFA or ARS shall make
grants to those responsible, eligible ap-
plicants whose proposals are judged
most meritorious in the announced
program areas under the evaluation
criteria and procedures set forth in this
part. The date specified by the Director
or Administrator as the effective date
of the grant shall be no later than Sep-
tember 30 of the Federal fiscal year in
which the project is approved for sup-
port and funds are appropriated for
such purpose, unless otherwise per-
mitted by law. It should be noted that
the project need not be initiated on the
grant effective date, but as soon there-
after as practicable so that project
goals may be attained within the fund-
ed project period. All funds granted by
NIFA or ARS under this Part shall be
expended solely for the purpose for
which the funds are granted in accord-
ance with the approved application and
budget, the regulations of this part,
the terms and conditions of the award,
the applicable Federal cost principles,
2 CFR part 200.

(b) Grant award document and notice of
grant award—(1) Grant award document.
The grant award document shall in-
clude at a minimum the following:
(i) Legal name and address of per-
forming organization or institution to
whom the Director or Administrator
has awarded a grant under the terms of
this Part;
(ii) Title of project;
(iii) Name(s) and address(es) of prin-
cipal investigator(s) chosen to direct
and control approved activities;
(iv) Identifying grant number as-
signed by the Department;
(v) Project period, specifying the
amount of time the Department in-
tends to support the project without
requiring recompetition for funds;
(vi) Total amount of Departmental
financial assistance approved by the
Director or Administrator during the
project period;
(vii) Legal authority(ies) under which
the grant is awarded;
(viii) Approved budget plan for categorizing allocable project funds to ac-
complish the stated purpose of the
grant award; and
(ix) Other information or provisions
deemed necessary by NIFA or ARS to
accomplish the purpose of a particula
grant.

(2) Notice of grant award. The notice
of grant award, in the form of a letter,
will be prepared and will provide perti-
nent instructions or information to the
grantee that is not included in the
grant award document.

(c) Types of grant instruments. The
major types of grant instruments shall
be as follows:

(1) New grant. This is a grant instru-
ment by which NIFA or ARS agrees to
support a specified level of effort for a
project that generally has not been
supported previously under this pro-
gram. This type of grant is approved on
the basis of peer review recommenda-
tion.

(2) Renewal grant. This is a grant in-
strument by which NIFA or ARS
agrees to provide additional funding for
a project period beyond that approved
in an original or amended award. When
a renewal application is submitted, it
should include a summary of progress
to date from the previous granting pe-
riod. A renewal grant shall be based
upon new application, de novo peer re-
view and staff evaluation, new rec-
ommendation and approval, and a new
award action reflecting that the grant
has been renewed.

(3) Supplemental grant. This is an in-
strument by which NIFA or ARS
agrees to provide small amounts of ad-
ditional funding under a new or re-
newal grant as specified in paragraphs
(c)(1) and (c)(2) of this section and may
involve a short-term (usually six
months or less) extension of the project
period beyond that approved in an
original or amended award. A supplement is awarded only if required to assure adequate completion of the original scope of work and if there is sufficient justification to warrant such action. A request of this nature normally will not require additional peer review.

(d) Funding mechanisms. The two mechanisms by which NIFA or ARS may elect to award new, renewal, and supplemental grants are as follows:

(1) Standard grant. This is a funding mechanism whereby NIFA or ARS agrees to support a specified level of effort for a predetermined time period without the announced intention of providing additional support at a future date.

(2) Continuation grant. This is a funding mechanism whereby NIFA or ARS agrees to support a specified level of effort for a predetermined period of time with a statement of intention to provide additional support at a future date, provided that performance has been satisfactory, appropriations are available for this purpose, and continued support would be in the best interests of the Federal government and the public. This kind of mechanism normally will be awarded for an initial one-year period, and any subsequent continuation project grants also will be awarded in one-year increments. The award of a continuation project grant to fund an initial or succeeding budget period does not constitute an obligation to fund any subsequent budget period. Unless prescribed otherwise by NIFA or ARS, a grantee must subject a separate application for continued support for each subsequent fiscal year. Requests for such continued support must be submitted in duplicate at least three months prior to the expiration date of the budget period currently being funded. Decisions regarding continued support and the actual funding levels of such support in future years usually will be made administratively after consideration of such factors as the grantee’s progress and management practices and the availability of funds. Since initial peer reviews are based upon the full term and scope of the original grant application, additional evaluations of this type generally are not required prior to successive years’ support. However, in unusual cases (e.g., when the nature of the project or key personnel change or when the amount of future support requested substantially exceeds the grant application originally reviewed and approved), additional reviews may be required prior to approving continued funding.

(e) Obligation of the Federal Government. Neither the approval of any application nor the award of any project grant commits or obligates the United States in any way to make any renewal, supplemental, continuation, or other award with respect to any approved application or portion thereof.

§ 3415.7 Use of funds; changes.

(a) Delegation of fiscal responsibility. The grantee may not in whole or in part delegate or transfer to another person, institution, or organization the responsibility for use or expenditure of grant funds.

(b) Change in project plans. (1) The permissible changes by the grantee, principal investigator(s), or other key project personnel in the approved grant shall be limited to changes in methodology, techniques, or other aspects of the project to expedite achievement of the project’s approved goals. If the grantee or the principal investigator(s) is uncertain whether a particular change complies with this provision, the question must be referred to the awarding official of NIFA or ARS, as appropriate, for a final determination.

(2) Changes in approved goals, or objectives, shall be requested by the grantee and approved in writing by the awarding official of NIFA or ARS, as appropriate, prior to effecting such changes. Normally, no requests for such changes that are outside the scope of the original approved project will be approved.

(3) Changes in approved project leadership or the replacement or reassignment of other key project personnel shall be requested by the grantee and approved in writing by the awarding official of NIFA or ARS, as appropriate, prior to effecting such changes.

(4) Transfers of actual performance of the substantive programmatic work in

313
whole or in part and provisions for payment of funds, whether or not Federal funds are involved, shall be requested by the grantee and approved in writing by the awarding official of NIFA or ARS, as appropriate, prior to effecting such changes, unless prescribed otherwise in the terms and conditions of a grant.

(c) Changes in project period. The project period determined pursuant to §3415.5(b) may be extended by the awarding official of NIFA or ARS, as appropriate, without additional financial support, for such additional period(s) as the appropriate awarding official determines may be necessary to complete, or fulfill the purposes of, an approved project. Any extension of time shall be conditioned upon prior request by the grantee and approval in writing by the appropriate awarding official, unless prescribed otherwise in the terms and conditions of a grant.

(d) Changes in approved budget. The terms and conditions of a grant will prescribe the circumstances under which written approval must be requested and obtained from the awarding official of NIFA or ARS, as appropriate, prior to instituting changes in an approved budget.

§3415.8 Other Federal statutes and regulations that apply.

(a) The Office of Management and Budget (“OMB”) issued guidance on Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR part 200 on December 26, 2013. In 2 CFR 400.1, the Department adopted OMB’s guidance in subparts A through F of 2 CFR part 200, as supplemented by 2 CFR part 400, as the Department’s policies and procedures for uniform administrative requirements, cost principles, and audit requirements for federal awards. As a result, this regulation contains references to 2 CFR part 200 as it has regulatory effect for the Department’s programs and activities.

(b) Several other Federal statutes and/or regulations apply to grant proposals considered for review or to research project grants awarded under this part. These include but are not limited to:

2 CFR part 200—Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.
2 CFR part 180 and Part 417—OMB Guidelines to Agencies on Government-Wide Debarment And Suspension (Nonprocurement) and USDA Nonprocurement Debarment And Suspension
7 CFR part 3407—NIFA Procedures To Implement the National Environmental Policy Act;
29 U.S.C. 794 (section 504, Rehabilitation Act of 1973) and 7 CFR part 15B (USDA Implementation of statute)—prohibiting discrimination based upon physical or mental handicap in Federally assisted programs; and
35 U.S.C. 200 et seq.—Bayh-Dole Act, controlling allocation of rights to inventions made by employees of small business firms and domestic nonprofit organizations, including universities, in Federally assisted programs (implementing regulations are contained in 37 CFR part 401).

§3415.9 Other conditions.

The Director or Administrator may elect to use a portion of available funding each fiscal year to support an Annual Conference, the purpose of which will be to bring together scientists and regulatory officials relevant to this program. At the Annual Conference, the participants may offer individual opinions regarding research needs, update information and discuss progress, or may offer individual opinions on areas of risk assessment research appropriate to agricultural biotechnology. The annual program solicitation will indicate whether funds are available to support an Annual Conference and, if so, will include instructions on the preparation and submission of proposals requesting funds from the Department for support of an Annual Conference. The Department may also elect to require principal investigators whose research is funded under this program to attend an Annual Conference and to present data on the results of their research efforts. Should
attendance at an Annual Conference be required, the annual program solicitation will so indicate, and principal investigators may include attendance costs in their proposed budgets.

The Director or Administrator may, with respect to any grant or to any class of awards, impose additional conditions prior to or at the time of any award when, in the Director’s or Administrator’s judgment, such conditions are necessary to ensure or protect advancement of the approved project, the interests of the public, or the conservation of grant funds.

Subpart B—Scientific Peer Review of Research Grant Applications

§ 3415.10 Establishment and operation of peer review groups.

Subject to §3415.5, the Director or Administrator shall adopt procedures for the conduct of peer reviews and the formulation of recommendations under §3415.14.

§ 3415.11 Composition of peer review groups.

(a) Peer review group members and ad hoc reviewers will be selected based upon their training and experience in relevant scientific or technical fields, taking into account the following factors:

(1) The level of formal scientific or technical education by the individual and the extent to which an individual is engaged in relevant research activities;

(2) The need to include as peer reviewers experts from various areas of specialization within relevant scientific or technical fields;

(3) The need to include as peer reviewers experts from a variety of organizational types (e.g., universities, Federal laboratories, industry, private consultant(s), Federal and State regulatory agencies, environmental organizations) and geographic locations; and

(4) The need to maintain a balanced composition of peer review groups related to minority and female representation and an equitable age distribution.

(b) [Reserved]

§ 3415.12 Conflicts of interest.

Members of peer review groups covered by this part are subject to relevant provisions contained in title 18 of the United States Code relating to criminal activity, Departmental regulations governing employee responsibilities and conduct (part O of this title), and Executive Order No. 11222, as amended.

§ 3415.13 Availability of information.

Information regarding the peer review process will be made available to the extent permitted under the Freedom of Information Act (5 U.S.C. 552), the Privacy Act (5 U.S.C. 552a.), and implementing Departmental regulations (part 1 of this title).

§ 3415.14 Proposal review.

(a) All grant applications will be acknowledged. Prior to technical examination, a preliminary review will be made for responsiveness to the program solicitation (e.g., relationship of application to announced program area). Proposals that do not fall within the guidelines as stated in the program solicitation will be eliminated from competition and will be returned to the applicant.

(b) All applications will be carefully reviewed by the Director or Administrator, qualified officers or employees of the Department, the respective peer review group, and ad hoc reviewers, as required. Written comments will be solicited from ad hoc reviewers when required, and individual written comments and in-depth discussions will be provided by peer review group members prior to recommending applications for funding. Applications will be ranked and support levels recommended within the limitation of total available funding for each research program area as announced in the program solicitation.

(c) No awarding official will make a grant based upon an application covered by this part unless the application has been reviewed in accordance with the provisions of this part and unless said reviewers have made recommendations concerning the scientific merit and relevance to the program of such application.
(d) Except to the extent otherwise provided by law, such recommendations are advisory only and are not binding on program officers or on the awarding officials of NIFA and ARS.

§ 3415.15 Evaluation factors.

In carrying out its review under §3415.14, the peer review group will take into account the following factors unless, pursuant to §3415.5(a), different evaluation criteria are specified in the annual program solicitation:

(a) Scientific merit of the proposal.
(b) Qualifications of proposed project personnel and adequacy of facilities.
(c) Relevance of project to solving biotechnology regulatory uncertainty for United States agriculture.

(a) Conceptual adequacy of hypothesis;
(b) Clarity and delineation of objectives;
(c) Adequacy of the description of the undertaking and suitability and feasibility of methodology;
(d) Demonstration of feasibility through preliminary data;
(e) Probability of success of project;
(f) Novelty, uniqueness and originality; and
(g) Appropriateness to regulation of biotechnology and risk assessment.

(b) Time allocated for systematic attainment of objectives;
(c) Institutional experience and competence in subject area; and
(d) Adequacy of available or obtainable support personnel, facilities, and instrumentation.

(c) Relevance of project to solving biotechnology regulatory uncertainty for United States agriculture.

(1) Scientific contribution of research in leading to important discoveries or significant breakthroughs in announced program areas; and

(2) Relevance of the risk assessment research to agriculture and environmental regulations.
National Institute of Food and Agriculture

§ 3419.1 Definitions.

As used in this part:

Eligible institution means a college or university eligible to receive funds under the Act of August 30, 1890 (7 U.S.C. 321 et seq.) (commonly known as the Second Morrill Act) and located in the Commonwealth of Puerto Rico and the insular areas of American Samoa, Guam, Micronesia, Northern Mariana Islands, and the Virgin Islands.

Formula funds means agricultural research funds provided to the eligible institutions under section 1445 of the National Agricultural Research, Extension, and Teaching Policy Act of 1977 (NARETPA), as amended, or under section 3 of the Hatch Act of 1887, 7 U.S.C. 361c, and agricultural extension funds provided to the eligible institutions

§ 3418.2 Scope and Purpose.

Section 102(c) of the Agricultural Research, Extension, and Education Reform Act of 1998 (7 U.S.C. 7612(c)) requires land-grant institutions, as a condition of receipt of formula funds, to solicit and consider input and recommendations from stakeholders concerning the use of formula funds. This regulation implements this requirement consistently for all recipient institutions that receive formula funds.

§ 3418.3 Applicability.

To obtain formula funds after September 30, 1999, each recipient institution shall establish and implement a process for obtaining stakeholder input on the uses of formula funds in accordance with this part.

§ 3418.4 Reporting requirement.

Each recipient institution shall report to the Department of Agriculture by October 1 of each fiscal year, the following information related to stakeholder input and recommendations:

(a) Actions taken to seek stakeholder input that encourages their participation;
(b) A brief statement of the process used by the recipient institution to identify individuals and groups who are stakeholders and to collect input from them; and
(c) A statement of how collected input was considered.

§ 3418.5 Failure to comply and report.

Formula funds may be withheld and redistributed if a recipient institution fails to either comply with §3418.3 or report under §3418.4.

§ 3418.6 Prohibition.

A recipient institution shall not require input from stakeholders as a condition of receiving the benefits of, or participating in, the agricultural research, education, or extension programs of the recipient institution.

PART 3419—MATCHING FUNDS REQUIREMENT FOR AGRICULTURAL RESEARCH AND EXTENSION FORMULA FUNDS AT 1890 LAND-GRAPE INSTITUTIONS, INCLUDING TUSKEGEE UNIVERSITY, AND AT 1862 LAND-GRAPE INSTITUTIONS IN INSULAR AREAS

Sec. 3419.1 Definitions.
3419.2 Matching funds.
3419.3 Determination of non-Federal sources of funds.
3419.4 Limited waiver authority.
3419.5 Certification of matching funds.
3419.6 Use of matching funds.
3419.7 Redistribution of funds.

SOURCE: 65 FR 21631, Apr. 21, 2000, unless otherwise noted.
§ 3419.2 Matching funds.

The distribution of formula funds shall be subject to the following matching requirements:

(a) For fiscal year 2000, matching funds shall equal not less than 30 percent of the formula funds to be distributed to the eligible institution;

(b) For fiscal year 2001, matching funds shall equal not less than 45 percent of the formula funds to be distributed to the eligible institution; and

(c) For fiscal year 2002 and each fiscal year thereafter, the matching funds shall equal not less than 50 percent of the formula funds to be distributed to the eligible institution.

§ 3419.3 Determination of non-Federal sources of funds.

Each eligible institution shall submit by September 30, 1999, a report describing for fiscal year 1999:

(a) The sources of non-Federal funds made available to the eligible institutions for agricultural research, extension, and qualified educational activity to meet the matching requirements of section 1449 of NARETPA, as amended; and

(b) The amount of funds generally available from each source. This report for the fiscal year ending September 30, 1999, may also include a request for a waiver of the matching funds requirement for fiscal year 2000.

§ 3419.4 Limited waiver authority.

The Secretary may waive the matching funds requirement for fiscal year 2000 for an eligible institution of a State if the Secretary determines that, based on the report received under § 3419.3, the State will be unlikely to satisfy the matching requirement. The criteria to waive the match in fiscal year 2000 may include:

(a) Natural disaster, flood, fire, tornado, hurricane, or drought;

(b) State and/or institution facing a financial crisis; or

(c) Demonstration of a good faith effort to obtain funds. Approval or disapproval of the request for a waiver will be based on the report submitted under § 3419.3. The Secretary may not waive the matching requirement for any fiscal year other than fiscal year 2000.

§ 3419.5 Certification of matching funds.

Prior to the distribution of formula funds each fiscal year, each eligible institution must certify as to the availability of matching funds. Eligible institutions may revise their certification of matching funds through July 1 of the fiscal year in which funds are appropriated.
§ 3419.6 Use of matching funds.

The required matching funds for the formula programs shall be used by an eligible institution for agricultural research and extension activities that have been approved in the plan of work required under sections 1444(d) and 1445(c) of the National Agricultural Research, Extension, and Teaching Policy Act of 1977, section 7 of the Hatch Act of 1887, section 4 of the Smith-Lever Act, or for approved qualifying education activities.

§ 3419.7 Redistribution of funds.

All formula funds not matched and reported under § 3419.5 by July 1 of each fiscal year will be reapportioned to the other eligible institutions who have satisfied their current fiscal year requirement for matching funds for the formula funds. Unmatched research and extension funds will be reapportioned in accordance with the research and extension statutory distribution formulas applicable to the 1890 and 1862 land-grant institutions, respectively. Any redistribution of funds shall be subject to the same matching requirement under § 3419.2.

shall supersede. This part does not apply to the Small Business Innovation Research (SBIR) Program (7 CFR part 3403) and the Veterinary Medicine Loan Repayment Program (VMLRP) authorized under section 1415A of the National Agricultural Research, Extension, and Teaching Policy Act of 1977 (NARETPA) (7 U.S.C. 3151a).

(c) Noncompetitive programs. Subparts A, B, D, and E, as well as §3430.35 of subpart C, apply to all noncompetitive agricultural research, education, and extension programs administered by NIFA, as well as any other Federal assistance program delegated to the NIFA Director.

(d) Federal assistance programs administered on behalf of other agencies. Subparts A through E, as appropriate, apply to competitive and noncompetitive grants and cooperative agreements administered on behalf of other agencies of the Federal Government. Requirements specific to these Federal assistance programs will be included in the program solicitations or requests for applications (RFAs).

(e) Federal assistance programs administered jointly with other agencies. Subparts A through E, as appropriate, apply to competitive and noncompetitive grants and cooperative agreements administered jointly with other agencies of the Federal Government. Requirements specific to these Federal assistance programs will be included in the appropriate program solicitations or RFAs published by both or either agency.

(f) Formula fund grants programs. This part does not apply to any of the formula grant programs administered by NIFA. Formula funds are the research funds provided to 1862 Land-Grant Institutions and agricultural experiment stations under the Hatch Act of 1887 (7 U.S.C. 361a, et seq.); extension funds provided to 1862 Land-Grant Institutions under sections 3(b) and 3(c) of the Smith-Lever Act (7 U.S.C. 343(b) and (c)) and section 206(c) of the District of Columbia Public Postsecondary Education Reorganization Act, Public Law 93–471; agricultural extension and research funds provided to 1890 Land-Grant Institutions under sections 1444 and 1445 of NARETPA (7 U.S.C. 3221 and 3222); expanded food and nutrition education program funds authorized under section 3(d) of the Smith-Lever Act (7 U.S.C. 343(d)) to the 1862 Land-Grant Institutions and the 1890 Land-Grant Institutions; extension funds under the Renewable Resources Extension Act of 1978 (16 U.S.C. 1671, et seq.) for the 1862 Land-Grant Institutions and the 1890 Land-Grant Institutions; research funds provided to the 1862 Land-Grant Institutions, 1890 Land-Grant Institutions, and forestry schools under the McIntire-Stennis Cooperative Forestry Act (16 U.S.C. 582a, et seq.); and animal health and disease research funds provided to veterinary schools and agricultural experiment stations under section 1433 of NARETPA (7 U.S.C. 3195).

§ 3430.2 Definitions.

As used in this part:

1862 Land-Grant Institution means an institution eligible to receive funds under the Act of July 2, 1862, as amended (7 U.S.C. 301, et seq.). Unless otherwise stated for a specific program, this term includes a research foundation maintained by such an institution.

1890 Land-Grant Institution means one of those institutions eligible to receive funds under the Act of August 30, 1890, as amended (7 U.S.C. 321, et seq.), including Tuskegee University and West Virginia State University. Unless otherwise stated for a specific program, this term includes a research foundation maintained by such an institution.

1994 Land-Grant Institution means one of those institutions as defined in section 532 of the Equity in Educational Land-Grant Status Act of 1994, as amended (7 U.S.C. 301 note). These institutions are commonly referred to as Tribal Colleges or Universities.

Advisory Board means the National Agricultural Research, Extension, Education, and Economics Advisory Board (as established under section 1408 of NARETPA (7 U.S.C. 3123)).

Agricultural research means research that includes expansion of the findings of fundamental research to uncover practical ways in which new knowledge can be advanced to benefit individuals and society.
Authorized Departmental Officer or ADO means the Secretary or any employee of the Department with delegated authority to issue or modify award instruments on behalf of the Secretary.

Authorized Representative or AR means the President or Chief Executive Officer of the applicant organization or the official, designated by the President or Chief Executive Officer of the applicant organization, who has the authority to commit the resources of the organization to the project.

Award means financial assistance that provides support or stimulation to accomplish a public purpose. Awards may be grants or cooperative agreements.

Budget period means the interval of time (usually 12 months) into which the project period is divided for budgetary and reporting purposes.

Cash contributions means the recipient’s cash outlay, including the outlay of money contributed to the recipient by non-Federal third parties.

College or university means, unless defined in a separate subpart, an educational institution in any State which:

(1) Admits as regular students only persons having a certificate of graduation from a school providing secondary education, or the recognized equivalent of such a certificate;

(2) Is legally authorized within such State to provide a program of education beyond secondary education;

(3) Provides an educational program for which a bachelor’s degree or any other higher degree is awarded;

(4) Is a public or other nonprofit institution; and

(5) Is accredited by a nationally recognized accrediting agency or association. Unless otherwise stated for a specific program, this term includes a research foundation maintained by such an institution.

Cooperative agreement means the award by the Authorized Departmental Officer of funds to an eligible awardee to assist in meeting the costs of conducting for the benefit of the public, an identified project which is intended and designed to accomplish the purpose of the program as identified in the program solicitation or RFA, and where substantial involvement is expected between NIFA and the awardee when carrying out the activity contemplated in the agreement.

Department means the United States Department of Agriculture.

Director means the Director of NIFA and any other officer or employee of NIFA to whom the authority involved is delegated.

Education activity or teaching activity means formal classroom instruction, laboratory instruction, and practicum experience in the food and agricultural sciences and other related matters such as faculty development, student recruitment and services, curriculum development, instructional materials and equipment, and innovative teaching methodologies.

Established and demonstrated capacity means that an organization has met the following criteria:

(1) Conducts any systematic study directed toward new or fuller knowledge and understanding of the subject studied; or,

(2) Systematically relates or applies the findings of research or scientific experimentation to the application of new approaches to problem solving, technologies, or management practices; and

(3) Has facilities, qualified personnel, independent funding, and prior projects and accomplishments in research or technology transfer.

Extension means informal education programs conducted in the States in cooperation with the Department.

Extension activity means an act or process that delivers science-based knowledge and informal educational programs to people, enabling them to make practical decisions.

Food and agricultural sciences means basic, applied, and developmental research, extension, and teaching activities in food and fiber, agricultural, renewable energy and natural resources, forestry, and physical and social sciences, including activities relating to the following:

(1) Animal health, production, and well-being.

(2) Plant health and production.

(3) Animal and plant germ plasm collection and preservation.

(4) Aquaculture.
(5) Food safety.
(6) Soil, water, and related resource conservation and improvement.
(7) Forestry, horticulture, and range management.
(8) Nutritional sciences and promotion.
(9) Farm enhancement, including financial management, input efficiency, and profitability.
(10) Home economics.
(11) Rural human ecology.
(12) Youth development and agricultural education, including 4-H clubs.
(13) Expansion of domestic and international markets for agricultural commodities and products, including agricultural trade barrier identification and analysis.
(14) Information management and technology transfer related to agriculture.
(15) Biotechnology related to agriculture.
(16) The processing, distributing, marketing, and utilization of food and agricultural products.

**Fundamental research** means research that increases knowledge or understanding of the fundamental aspects of phenomena and has the potential for broad application, and has an effect on agriculture, food, nutrition, or the environment.

**Graduate degree** means a Master’s or doctoral degree.

**Grant** means the award by the Authorized Departmental Officer of funds to an eligible grantee to assist in meeting the costs of conducting for the benefit of the public, an identified project which is intended and designed to accomplish the purpose of the program as identified in the program solicitation or RFA.

**Grantee** means the organization designated in the grant award document as the responsible legal entity to which a grant is awarded.

**Insular area** means the Commonwealth of Puerto Rico, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, the Federated States of Micronesia, the Republic of the Marshall Islands, the Republic of Palau, and the Virgin Islands of the United States.

**Integrated project** means a project incorporating two or three components of the agricultural knowledge system (research, education, and extension) around a problem area or activity.

**Land-grant Institutions** means the 1862 Land-Grant Institutions, 1890 Land-Grant Institutions, and 1994 Land-Grant Institutions.

**Matching or cost sharing** means that portion of allowable project or program costs not borne by the Federal Government, including the value of in-kind contributions.

**Merit review** means an evaluation of a proposed project or elements of a proposed program whereby the technical quality and relevance to regional or national goals are assessed.

**Merit reviewers** means peers and other individuals with expertise appropriate to conduct merit review of a proposed project.

**Methodology** means the project approach to be followed.

**Mission-linked research** means research on specifically identified agricultural problems which, through a continuum of efforts, provides information and technology that may be transferred to users and may relate to a product, practice, or process.

**National laboratories** include Federal laboratories that are government-owned contractor-operated or government-owned government-operated.

**Non-citizen national of the United States** means the award by the Authorized Departmental Officer of funds to an eligible awardee to assist in meeting the costs of conducting for the benefit of the public, an identified project which is intended and designed to accomplish the purpose of the program as identified in the program solicitation or RFA, and where substantial involvement is expected between NIFA and the awardee when carrying out the activity contemplated in the agreement.

**Peer reviewers** means experts or consultants qualified by training and experience to give expert advice on the scientific and technical merit of applications or the relevance of those applications to one or more of the application evaluation criteria. Peer reviewers may be adhoc or convened as a panel.

**Prior approval** means written approval by an Authorized Departmental Officer evidencing prior consent.
Private research organization means any non-governmental corporation, partnership, proprietorship, trust, or other organization.

Private sector means all non-public entities, including for-profit and non-profit commercial and non-commercial entities, and including private or independent educational associations.

Program announcement (PA) means a detailed description of the RFA without the associated application package(s). NIFA will not solicit or accept applications in response to a PA.

Program Officer means a NIFA individual (often referred to as a National Program Leader) who is responsible for the technical oversight of the award on behalf of the Department.

Project means the particular activity within the scope of the program supported by an award.

Project Director or PD means the single individual designated by the awardee in the application and approved by the Authorized Departmental Officer who is responsible for the direction and management of the project, also known as a Principal Investigator (PI) for research activities.

Project period means the total length of time, as stated in the award document and modifications thereto, if any, during which Federal sponsorship begins and ends.

Research means any systematic study directed toward new or fuller knowledge and understanding of the subject studied.

Scientific peer review means an evaluation of the technical quality of a proposed project and its relevance to regional or national goals, performed by experts with the scientific knowledge and technical skills to conduct the proposed research work.

Secretary means the Secretary of Agriculture and any other officer or employee of the Department to whom the authority involved is delegated.

Under Secretary means the Under Secretary for Research, Education, and Economics.

United States means the several States, the District of Columbia, and the insular areas.

Units of State government means all State institutions, including the formal divisions of State government (i.e., the official State agencies such as departments of transportation and education), local government agencies (e.g., a county human services office), and including State educational institutions (e.g., public colleges and universities).

§ 3430.3 Deviations.

Any request by the applicant or awardee for a waiver of or deviation from any provision of this part shall be submitted to the ADO identified in the agency specific requirements. NIFA shall review the request and notify the applicant/awardee, within 30 calendar days from the date of receipt of the deviation request, whether the request to deviate has been approved. If the deviation request is still under consideration at the end of 30 calendar days, NIFA shall inform the applicant/awardee in writing of the date when the applicant/awardee may expect the decision.

§ 3430.4 Other Federal statutes and regulations that apply.

(a) The Office of Management and Budget (“OMB”) issued guidance on Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR part 200 on December 26, 2013. In 2 CFR 400.1, the Department adopted OMB’s guidance in subparts A through F of 2 CFR part 200, as supplemented by 2 CFR part 400, as the Department’s policies and procedures for uniform administrative requirements, cost principles, and audit requirements for federal awards. As a result, this regulation contains references to 2 CFR part 200 as it has regulatory effect for the Department’s programs and activities.

(b) Several other Federal statutes and/or regulations apply to grant proposals considered for review or to research project grants awarded under this part. These include but are not limited to:

2 CFR part 200—Uniform Administrative Requirements, Cost Principles, and Audit Requirements For Federal Awards.
§ 3430.12 Requests for applications.
(a) General. For each competitive and noncompetitive non-formula program, NIFA will prepare a program solicitation (also called a request for applications (RFA)), in accordance with appendix I to 2 CFR part 200, establishing a standard format for Federal agency announcements (i.e., program solicitations or RFAs) of funding opportunities under programs that award discretionary grants or cooperative agreements. This policy directive requires the content of the RFA to be organized in a sequential manner beginning with overview information followed by the full text of the announcement and will apply unless superseded by statute or another OMB policy directive. The RFA may include all or a portion of the following items:

(1) Contact information.
(2) Directions for interested stakeholders or beneficiaries to submit written comments in a published program solicitation or RFA.
(3) Catalog of Federal Domestic Assistance (CFDA) number.
(4) Legislative authority and background information.
(5) Purpose, priorities, and fund availability.
(6) Program-specific eligibility requirements.
(7) Program-specific restrictions on the use of funds, if applicable.
(8) Matching requirements, if applicable.
(9) Acceptable types of applications.
(10) Types of projects to be given priority consideration, including maximum anticipated awards and maximum project lengths, if applicable.
(11) Program areas, if applicable.
(12) Funding restrictions, if applicable.
(13) Directions for obtaining additional requests for applications and application forms.
(14) Information about how to obtain application forms and the instructions for completing such forms.
(15) Instructions and requirements for submitting applications, including submission deadline(s).
(16) Explanation of the application evaluation Process.
(17) Specific evaluation criteria used in the review Process.
(18) Type of Federal assistance awards (i.e., grants and/or cooperative agreements).
(b) RFA variations. Where program-specific requirements differ from the requirements established in this part, program solicitations will also address
any such variation(s). Variations may occur in the following:
(1) Award management guidelines.
(2) Restrictions on the delegation of fiscal responsibility.
(3) Required approval for changes to project plans.
(4) Expected program outputs and reporting requirements, if applicable.
(5) Applicable Federal statutes and regulations.
(6) Confidential aspects of applications and awards, if applicable.
(7) Regulatory information.
(8) Definitions.
(9) Minimum and maximum budget requests, and whether applications outside of these limits will be returned without further review.
(c) Program announcements. Occasionally, NIFA will issue a program announcement (PA) to alert potential applicants and the public about new and ongoing funding opportunities. These PAs may provide tentative due dates and are released without associated application packages. Hence, no applications are solicited under a PA. PAs are announced in the FEDERAL REGISTER or on the NIFA Web site.

§ 3430.13 Letter of intent to submit an application.
(a) General. NIFA may request or require that prospective applicants notify program staff of their intent to submit an application, identified as “letter of intent”. If applicable, the request or requirement will be included in the RFA, along with directions for the preparation and submission of the letter of intent, the type of letter of intent, and any relevant deadlines. There are two types of letters of intent: optional and required.
(b) Optional letter of intent. Entities interested in submitting an application for a NIFA award should complete and submit a “Letter of Intent to Submit an Application” by the due date specified in the RFA. This does not obligate the applicant in any way, but will provide useful information to NIFA in preparing for application review. Applicants that do not submit a letter of intent by the specified due date are still allowed to submit an application by the application due date specified in the RFA, unless otherwise specified in the RFA.
(c) Required letter of intent. Certain programs may require that the prospective applicants submit a letter of intent for specific programs. This type of letter is evaluated by the program staff for suitability to the program and in regard to program priorities, needs, and scope. Invitations to submit a full application will be issued by the Program Officer or his or her representative. For programs requiring a letter of intent, applications submitted without prior approval of the letter of intent by the program staff will be returned without review. Programs requiring a specific letter of intent will be specified in the RFA.

§ 3430.14 Types of applications; types of award instruments.
(a) Types of applications. The type of application acceptable may vary by funding opportunity. The RFA will stipulate the type of application that may be submitted to NIFA in response to the funding opportunity. Applicants may submit the following types of applications as specified in the RFA.
(1) New. An application that is being submitted to the program for the first time.
(2) Resubmission. This is a project application that has been submitted for consideration under the same program previously but has not been approved for an award under the program. For competitive programs, this type of application is evaluated in competition with other pending applications in the area to which it is assigned. Resubmissions are reviewed according to the same evaluation criteria as new applications. In addition, applicants must respond to the previous panel review summaries, unless waived by NIFA.
(3) Renewal. An application requesting additional funding for a period subsequent to that provided by a current award. For competitive programs, a renewal application competes with all other applications. Renewal applicants also must have filed a progress report via
Current Research Information System (CRIS), unless waived by NIFA.

(4) **Continuation.** A noncompeting application for an additional funding/budget period within a previously approved project.

(5) **Revision.** An application that proposes a change in the Federal Government’s financial obligations or contingent liability from an existing obligation; or, any other change in the terms and conditions of the existing award.

(6) **Resubmitted renewal.** This is a project application that has been submitted for consideration under the same program previously. This type of application has also been submitted for renewal under the same program but was not approved. For competitive programs, this type of application is evaluated in competition with other pending applications in the area to which it is assigned. Resubmitted renewal applications are reviewed according to the same evaluation criteria as new applications. Applicants must respond to the previous panel review summaries and file a progress report via CRIS, unless waived by NIFA.

(b) **Types of award instruments.** The following is a list of corresponding categories of award instruments issued by NIFA.

(1) **Standard.** This is an award instrument by which NIFA agrees to support a specified level of effort for a predetermined project period without the announced intention of providing additional support at a future date.

(2) **Renewal.** This is an award instrument by which NIFA agrees to provide additional funding under a standard award as specified in paragraph (b)(1) of this section for a project period beyond that approved in an original or amended award, provided that the cumulative period does not exceed any statutory time limitation of the award.

(3) **Continuation.** This is an award instrument by which NIFA agrees to support a specified level of effort for a predetermined period of time with a statement of intention to provide additional support at a future date, provided that performance has been satisfactory, appropriations are available for this purpose, and continued support would be in the best interest of the Federal Government and the public.

(4) **Supplemental.** This is an award instrument by which NIFA agrees to provide small amounts of additional funding under a standard, renewal, or continuation award as specified in paragraphs (b)(1), (b)(2), and (b)(3) of this section and may involve a short-term (usually six months or less) extension of the project period beyond that approved in an original or amended award, but in no case may the cumulative period of the project, including short term extensions, exceed any statutory time limitation of the award.

(c) **Obligation of the Federal Government.** Neither the acceptance of any application nor the award of any project shall commit or obligate the United States in any way to make any renewal, supplemental, continuation, or other award with respect to any approved application or portion of an approved application.

§ 3430.15 Stakeholder input.

Section 103(c)(2) of the Agricultural Research, Extension, and Education Reform Act of 1998 (AREERA) (7 U.S.C. 7613(c)(2)) requires the Secretary to solicit and consider input on each program RFA from persons who conduct agricultural research, education, and extension for use in formulating future RFAs for competitive programs. NIFA will provide instructions for submission of stakeholder input in the RFA. NIFA will consider any comments received within the specified timeframe in the development of the future RFAs for the program.

§ 3430.16 Eligibility requirements.

(a) **General.** Program-specific eligibility requirements appear in the subpart applicable to each program and in the RFAs.

(b) **Foreign entities.—(1) Awards to institutions.** Unless specifically allowed, foreign commercial and non-profit institutions are not considered eligible to apply for and receive NIFA awards.

(2) **Awards to individuals.** Unless otherwise specified, only United States citizens, non-citizen nationals of the United States, and lawful permanent residents of the United States are eligible to apply for and receive NIFA awards.
§ 3430.17 Responsibility determination. In addition to program-specific eligibility requirements, awards will be made only to responsible applicants. Specific management information relating to an applicant shall be submitted on a one-time basis, with updates on an as-needed basis, as part of the responsibility determination prior to an award being made under a specific NIFA program, if such information has not been provided previously under this or another NIFA program. NIFA will provide copies of forms recommended for use in fulfilling these requirements as part of the pre-award process. Although an applicant may be eligible based on its status as one of these entities, there are factors that may exclude an applicant from receiving Federal financial and nonfinancial assistance and benefits under a NIFA program (e.g., debarment or suspension of an individual involved or a determination that an applicant is not responsible based on submitted organizational management information).

§ 3430.17 Content of an application.

The RFA provides instructions on how to access a funding opportunity. The funding opportunity contains the application package, which includes the forms necessary for completion of an application in response to the RFA, as well as the application instructions. The application instructions document, “NIFA Grants.gov Application Guide: A Guide for Preparation and Submission of NIFA Applications via Grants.gov,” is intended to assist applicants in the preparation and submission of applications to NIFA. It is also the primary document for use in the preparation of NIFA applications via Grants.gov.

§ 3430.18 Submission of an application.

(a) When to submit. The RFA will provide deadlines for the submission of letters of intent, if requested and required, and applications. NIFA may issue separate RFAs and/or establish separate deadlines for different types of applications, different award instruments, or different topics or phases of the Federal assistance programs. If applications are not received by applicable deadlines, they will not be considered for funding. Exceptions will be considered only when extenuating circumstances exist, as determined by NIFA, and justification and supporting documentation are provided to NIFA.

(b) What to submit. The contents of the applicable application package, as well as any other information, are to be submitted by the due date.

(c) Where to submit. The RFA will provide addresses for submission of letters of intent, if requested or required, and applications. It also will indicate permissible methods of submission (i.e., electronic, e-mail, hand-delivery, U.S. Postal Service, courier). Conformance with preparation and submission instructions is required and will be strictly enforced unless a deviation had been approved. NIFA may establish additional requirements. NIFA may return without review applications that are not consistent with the RFA instructions.

§ 3430.19 Resubmission of an application.

(a) Previously unfunded applications. (1) Applications that are resubmitted to a program, after being previously submitted but not funded by that program, must include the following information:

(i) The NIFA-assigned proposal number of the previously submitted application.

(ii) Summary of the previous reviewers’ comments.

(iii) Explanation of how the previous reviewers’ comments or previous panel summary have been addressed in the current application.

(2) Resubmitting an application that has been revised based on previous reviewers’ critiques does not guarantee the application will be recommended for funding.

(b) Previously funded applications. (1) NIFA competitive programs are generally not designed to support multiple Federal assistance awards activities that are essentially repetitive in nature. PDs who have had their projects funded previously are discouraged from resubmitting relatively identical applications for further funding. Applications that are sequential continuations or new stages of previously funded projects must compete with first-time
applications, and should thoroughly demonstrate how the proposed project expands substantially on previously funded efforts and promotes innovation and creativity beyond the scope of the previously funded project.

(2) An application may be submitted only once to NIFA. The submission of duplicative or substantially similar applications concurrently for review by more than one program will result in the exclusion of the redundant applications from NIFA consideration.

§ 3430.20 Acknowledgment of an application.

The receipt of all letters of intent and applications will be acknowledged by NIFA. Applicants who do not receive an acknowledgement within a certain number of days (as established in the RFA, e.g., 15 and 30 days) of the submission deadline should contact the program contact. Once the application has been assigned a proposal number by NIFA, that number should be cited on all future correspondence.

§ 3430.21 Confidentiality of applications and awards.

(a) General. Names of submitting institutions and individuals, as well as application contents and evaluations, will be kept confidential, except to those involved in the review process, to the extent permissible by law.

(b) Identifying confidential and proprietary information in an application. If an application contains proprietary information that constitutes a trade secret, proprietary commercial or financial information, confidential personal information, or data affecting the national security, it will be treated in confidence to the extent permitted by law, provided that the information is clearly marked by the proposer with the term “confidential and proprietary information” and that the following statement is included at the bottom of the project narrative or any other attachment included in the application that contains such information: “The following pages (specify) contain proprietary information which (name of proposing organization) requests not to be released to persons outside the Government, except for purposes of evaluation.”

(c) Disposition of applications. By law, the Department is required to make the final decisions as to whether the information is required to be kept in confidence. Information contained in unsuccessful applications will remain the property of the proposer. However, the Department will retain for three years one file copy of each application received; extra copies will be destroyed. Public release of information from any application submitted will be subject to existing legal requirements.

Any application that is funded will be considered an integral part of the award and normally will be made available to the public upon request, except for designated proprietary information that is determined by the Department to be proprietary information.

(d) Submission of proprietary information. The inclusion of proprietary information is discouraged unless it is necessary for the proper evaluation of the application. If proprietary information is to be included, it should be limited, set apart from other text on a separate page, and keyed to the text by numbers. It should be confined to a few critical technical items that, if disclosed, could jeopardize the obtaining of foreign or domestic patents. Trade secrets, salaries, or other information that could jeopardize commercial competitiveness should be similarly keyed and presented on a separate page.

Applications or reports that attempt to restrict dissemination of large amounts of information may be found unacceptable by the Department and constitute grounds for return of the application without further consideration. Without assuming any liability for inadvertent disclosure, the Department will limit dissemination of such information to its employees and, where necessary for the evaluation of the application, to outside reviewers on a confidential basis. An application may be withdrawn at any time prior to the final action thereon.
§ 3430.32 Preliminary application review.

Prior to technical examination, a preliminary review will be made of all applications for responsiveness to the administrative requirements set forth in the RFA. Applications that do not meet the administrative requirements may be eliminated from program competition. However, NIFA retains the right to conduct discussions with applicants to resolve technical and/or budget issues, as deemed necessary by NIFA.

§ 3430.33 Selection of reviewers.

(a) Requirement. NIFA is responsible for performing a review of applications submitted to NIFA competitive award programs in accordance with section 103(a) of ARSERA (7 U.S.C. 7613(a)). Reviews are undertaken to ensure that projects supported by NIFA are of high quality and are consistent with the goals and requirements of the funding program. Applications submitted to NIFA undergo a programmatic evaluation to determine the worthiness of Federal support. The scientific peer review or merit review is performed by peer or merit reviewers and also may entail an assessment by Federal employees.

(b) NIFA Peer Review System. The NIFA Application Review Process is accomplished through the use of the NIFA Peer Review System (PRS), a Web-based system which allows reviewers and potential reviewers to update personal information and to complete and submit reviews electronically to NIFA.

(c) Relevant training and experience. Reviewers will be selected based upon training and experience in relevant scientific, extension, or education fields taking into account the following factors:

(1) Level of relevant formal scientific, technical education, and extension experience of the individual, as well as the extent to which an individual is engaged in relevant research, education, or extension activities.

(2) Need to include as reviewers experts from various areas of specialization within relevant scientific, education, and extension fields.

(3) Need to include as reviewers other experts (e.g., producers, range or forest managers/operators, and consumers) who can assess relevance of the applications to targeted audiences and to program needs.

(4) Need to include as reviewers experts from a variety of organizational types (e.g., colleges, universities, industry, State and Federal agencies, private profit and nonprofit organizations) and geographic locations.

(5) Need to maintain a balanced composition of reviewers with regard to minority and female representation and an equitable age distribution.

(6) Need to include reviewers who can judge the effective usefulness to producers and the general public of each application.

(d) Confidentiality. The identities of reviewers will remain confidential to the maximum extent possible. Therefore, the names of reviewers will not be released to applicants. If it is possible to reveal the names of reviewers in such a way that they cannot be identified with the review of any particular application, this will be done at the end of the fiscal year or as requested. Names of submitting institutions and individuals, as well as application content and peer evaluations, will be kept confidential, except to those involved in the review process, to the extent permitted by law. Reviewers are expected to be in compliance with NIFA Confidentiality Guidelines. Reviewers provide this assurance through PRS.

(e) Conflicts of interest. During the evaluation process, extreme care will be taken to prevent any actual or perceived conflicts of interest that may impact review or evaluation. For the purpose of determining conflicts of interest, the academic and administrative autonomy of an institution shall be determined. Reviewers are expected
to be in compliance with NIFA Conflict-of-Interest Guidelines. Reviewers provide this assurance through PRS.

§ 3430.34 Evaluation criteria.

(a) General. To ensure any project receiving funds from NIFA is consistent with the broad goals of the funding program, the content of each proposal/application submitted to NIFA will be evaluated based on a pre-determined set of review criteria. It is the responsibility of the Program Officer to develop, adopt, adapt, or otherwise establish the criteria by which proposals are to be evaluated. It may be appropriate for the Program Officer to involve other scientists or stakeholders in the development of criteria, or to extract criteria from legislative authority or appropriations language. The review criteria are described in the RFA and shall not include criteria concerning any cost sharing or matching requirements per section 103(a)(3) of AREERA (7 U.S.C. 7613(a)(3)).

(b) Guidance for reviewers. In order that all potential applicants for a program have similar opportunities to compete for funds, all reviewers will receive from the Program Officer a description of the review criteria. Reviewers are instructed to use those same evaluation criteria, and only those criteria, to judge the merit of the proposals they review.

§ 3430.35 Review of noncompetitive applications.

(a) General. Some projects are directed by either authorizing legislation and/or appropriations to specifically support a designated institution or set of institutions for particular research, education, or extension topics of importance to the nation, a State, or a region. Although these projects may be awarded noncompetitively, these projects or activities are subject to the same application process, award terms and conditions, Federal assistance laws and regulations, reporting and monitoring requirements, and post-award administration and closeout policies and procedures as competitive Federal assistance programs. The only difference is these applications are not subject to a competitive peer or merit review process at the Agency level.

(b) Requirements. All noncompetitive applications recommended for funding are required to be reviewed by the program officer and, as required, other Departmental and NIFA officials; and the review documented by the NIFA program officer. For awards recommended for funding at or greater than $10,000, an independent review and a unit review by program officials are required.

§ 3430.36 Procedures to minimize or eliminate duplication of effort.

NIFA may implement appropriate business processes to minimize or eliminate the awarding of NIFA Federal assistance that unnecessarily duplicates activities already being sponsored under other awards, including awards made by other Federal agencies. Business processes may include the review of the Current and Pending Support Form; documented CRIS searches prior to award; the conduct of PD workshops, conferences, meetings, and symposia; and agency participation in Federal Government-wide and other committees, taskforces, or groups that seek to solve problems related to agricultural research, education, and extension and other activities delegated to the NIFA Director.

§ 3430.37 Feedback to applicants.

Copies of individual reviews and/or summary reviews, not including the identity of reviewers, will be sent to the applicant PDs after the review process has been completed.

Subpart D—Award

§ 3430.41 Administration.

(a) General. Within the limit of funds available for such purpose, the NIFA ADO shall make Federal assistance awards to those responsible, eligible applicants whose applications are judged most meritorious under the procedures set forth in the RFA. The date specified by the NIFA ADO as the effective date of the award shall be no later than September 30th of the Federal fiscal year in which the project is approved for support and funds are appropriated for such purpose, unless otherwise permitted by law. It should be noted that the project need not be initiated on the award effective date, but
as soon thereafter as practical so that project goals may be attained within the funded project period. All funds awarded by NIFA shall be expended solely for the purpose for which the funds are awarded in accordance with the approved application and budget, the regulations, the terms and conditions of the award, the applicable Federal cost principles, and the Department’s assistance regulations (e.g., 2 CFR part 200).

(b) Notice of Award. The notice of award document (i.e., Form NIFA–2009, Award Face Sheet) will provide pertinent instructions and information noted in section 210 of 2 CFR part 200.

§ 3430.42 Special award conditions.

(a) General. NIFA may, with respect to any award, impose additional conditions prior to or at the time of any award when, in the judgment of NIFA, such conditions are necessary to ensure or protect advancement of the approved project, the interests of the public, or the conservation of grant or cooperative agreement funds. NIFA may impose additional requirements if an applicant or recipient has a history of poor performance; is not financially stable; has a management system that does not meet prescribed standards; has not complied with the terms and conditions of a previous award; or is not otherwise responsible.

(b) Notification of additional requirements. When NIFA imposes additional requirements, NIFA will notify the recipient in writing as to the following:

- The nature of the additional requirements;
- The reason why the additional requirements are being imposed;
- The nature of the corrective actions needed; the time allowed for completing the corrective actions; and
- The method for requesting reconsideration of the additional requirements imposed.

(c) Form NIFA–2009, Award Face Sheet. These special award conditions, as applicable, will be added as a special provision to the award terms and conditions and identified on the Form NIFA–2009, Award Face Sheet, for the award.

(d) Removal of additional requirements. NIFA will promptly remove any additional requirements once the conditions that prompted them have been corrected.

Subpart E—Post-Award and Closeout

§ 3430.51 Payment.

(a) General. All payments will be made in advance unless a deviation is accepted (see §3430.3) or as specified in paragraph (b) of this section. All payments to the awardee shall be made via the U.S. Department of Health and Human Services’ Payment Management System (DHHS–PMS), U.S. Department of the Treasury’s Automated Standard Application for Payments (ASAP) system, or another electronic funds transfer (EFT) method, except for awards to other Federal agencies. Awardees are expected to request funds via DHHS–PMS, ASAP, or other electronic payment system for reimbursement basis in a timely manner.

(b) Reimbursement method. NIFA shall use the reimbursement method if it determines that advance payment is not feasible and that the awardee does not maintain or demonstrate the willingness to maintain written procedures that minimize the time elapsing between the transfer of funds and disbursement by the awardee, and financial management systems that meet the standards for fund control and accountability.

§ 3430.52 Cost sharing and matching.

(a) General. Awardees may be required to match the Federal funds received under a NIFA award. The required percentage of matching, type of matching (e.g., cash and/or in-kind contributions), sources of match (e.g., non-Federal), and whether NIFA has any authority to waive the match will be specified in the subpart applicable to the specific Federal assistance program, as well as in the RFA.

(b) Indirect Costs as in-kind matching contributions. Indirect costs may be claimed under the Federal portion of the award budget or, alternatively, indirect costs may be claimed as a matching contribution (if no indirect costs are requested under the Federal portion of the award budget). However, unless explicitly authorized in the RFA, indirect costs may not be
claimed on both the Federal portion of the award budget and as a matching contribution, unless the total claimed on both the Federal portion of the award budget and as a matching contribution does not exceed the maximum allowed indirect costs or the institution’s negotiated indirect cost rate, whichever is less. An awardee may split the allocation between the Federal and non-Federal portions of the budget only if the total amount of indirect costs charged to the project does not exceed the maximum allowed indirect costs or the institution’s negotiated indirect cost rate, whichever is less. For example, if an awardee’s indirect costs are capped at 22 percent pursuant to section 1462(a) of NARETPA (7 U.S.C. 3310(a)), the awardee may request 11 percent of the indirect costs on both the Federal portion of the award and as a matching contribution. Or, the awardee may request any similar percentage that, when combined, does not exceed the maximum indirect cost rate of 22 percent.

§ 3430.53 Program income.

(a) General. NIFA shall apply the standards set forth in this subpart in requiring awardee organizations to account for program income related to projects financed in whole or in part with Federal funds.

(b) Addition method. Unless otherwise provided in the authorizing statute, in accordance with the terms and conditions of the award, program income earned during the project period shall be retained by the awardee and shall be added to funds committed to the project by NIFA and the awardee and used to further eligible project or program objectives. Any specific program deviations will be identified in the individual subparts.

(c) Award terms and conditions. Unless the program regulations identified in the individual subpart provide otherwise, awardees shall follow the terms and conditions of the award.

§ 3430.54 Indirect costs.

Indirect cost rates for grants and cooperative agreements shall be determined in accordance with 2 CFR part 200, unless superseded by another authority. Use of indirect costs as in-kind matching contributions is subject to §3430.52(b).

§ 3430.55 Technical reporting.

(a) Requirement. All projects supported with Federal funds under this part must be documented in the Current Research Information System (CRIS).

(b) Initial Documentation in the CRIS Database. Information collected in the “Work Unit Description” (Form AD–416) and “Work Unit Classification” (Form AD–417) is required upon project initiation for all new awards in CRIS (i.e., prior to award).

(c) Annual CRIS Reports. Unless stated differently in the award terms and conditions, an annual “Accomplishments Report” (Form AD–421) is due 90 calendar days after the award’s anniversary date (i.e., one year following the month and day on which the project period begins and each year thereafter up until a final report is required). An annual report covers a one-year period. In addition to the Form AD–421, the following information, when applicable, must be submitted to the programmatic contact person identified in block 14 of the Award Face Sheet (Form NIFA–2009): a comparison of actual accomplishments with the goals established for the reporting period (where the output of the project can be expressed readily in numbers, a computation of the cost per unit of output should be considered if the information is considered useful); the reasons for slippage if established goals were not met; and additional pertinent information including, when appropriate, analysis and explanation of cost overruns or unexpectedly high unit costs. The annual report of “Funding and Staff Support” (Form AD–419) is due February 1 of the year subsequent to the Federal fiscal year being reported.

(d) CRIS Final Report. The CRIS final report, “Accomplishments Report” (Form AD–421), covers the entire period of performance of the award. The report should encompass progress made during the entire timeframe of the
§ 3430.56 Financial reporting.

(a) SF–269, Financial Status Report. Unless stated differently in the award terms and conditions, a final SF–269, Financial Status Report, is due 90 days after the expiration of the award and should be submitted to the Awards Management Branch (AMB) at Awards Management Branch; Office of Extramural Programs; NIFA; U.S. Department of Agriculture; STOP 2271; 1400 Independence Avenue, SW.; Washington, DC 20250–2271. The awardee shall report program outlays and program income on the same accounting basis (i.e., cash or accrual) that it uses in its normal accounting system. When submitting a final SF–269, Financial Status Report, the total matching contribution, if required, should be shown in the report. The final SF–269 must not show any unliquidated obligations. If the awardee still has valid obligations that remain unpaid when the report is due, it shall request an extension of time for submitting the report pursuant to paragraph (c) of this section; submit a provisional report (showing the unliquidated obligations) by the due date; and submit a final report when all obligations have been liquidated, but no later than the approved extension date. SF–269, Financial Status Reports, must be submitted by all awardees, including Federal agencies and national laboratories.

(b) Awards with Required Matching. For awards requiring a matching contribution, an annual SF–269, Financial Status Report, is required and this requirement will be indicated on the Award Face Sheet, Form–2009, in which case it must be submitted no later than 45 days following the end of the budget or reporting period.

(c) Requests for an extension to submit a final SF–269, Financial Status Report—

(1) Before the due date. Awardees may request, prior to the end of the 90-day period following the award expiration date, an extension to submit a final SF–269, Financial Status Report. This request should include a provisional report pursuant to paragraph (a) of this section, as well as an anticipated submission date and a justification for the late submission. Subject to § 3430.63 or other statutory or agency policy limitations, funds will remain available for drawdown during this period.

(2) After the due date. Requests are considered late when they are submitted after the 90-day period following the award expiration date. Requests to submit a final SF–269, Financial Status Report, will only be considered, up to 30 days after the due date, in extenuating circumstances. This request should include a provisional report pursuant to paragraph (a) of this section, as well as an anticipated submission date, a justification for the late submission, and a justification for the extenuating circumstances. However, such requests are subject to
§ 3430.63 or any other statutory or agency policy limitations. If an awardee needs to request additional funds, procedures in paragraph (d) of this section apply.

(d) Overdue SF–269, Financial Status Reports. Awardees with overdue SF–269, Financial Status Reports, or other required financial reports (as identified in the award terms and conditions), will have their applicable balances at DHHS–PMS, ASAP, or other electronic payment system restricted or placed on “manual review,” which restricts the awardee’s ability to draw funds, thus requiring prior approval from NIFA. If any remaining available balances are needed by the awardee (beyond the 90-day period following the award expiration date) and the awardee has not requested an extension to submit a final SF–269, Financial Status Report, the awardee will be required to contact AMB to request permission to draw any additional funds and will be required to provide justification and documentation to support the draw. Awardees also will need to comply with procedures in paragraph (c) of this section. AMB will approve these draw requests only in extenuating circumstances, as determined by NIFA.

(e) SF–272, Federal Cash Transactions Report. Awardees receiving electronic payments through DHHS–PMS are required to submit their SF–272, Federal Cash Transactions Report, via the DHHS–PMS by the specified dates. Failure to submit this quarterly report by the due date may result in funds being restricted by DHHS–PMS. Awardees not receiving payments through DHHS–PMS may be exempt from this reporting requirement.

(f) Additional reporting requirements. NIFA may require additional financial reporting requirements as follows: NIFA may require forecasts of Federal cash requirements in the “Remarks” section of the report; and when practical and deemed necessary, NIFA may require awardees to report in the “Remarks” section the amount of cash advances received in excess of three days (i.e., short narrative with explanations of actions taken to reduce the excess balances). When NIFA needs additional information or more frequent reports, a special provision will be added to the award terms and conditions and identified on the Form NIFA–2009, Award Face Sheet. Should NIFA determine that an awardee’s accounting system is inadequate, additional pertinent information to further monitor awards may be requested from the awardee until such time as the system is brought up to standard, as determined by NIFA. This additional reporting requirement will be required via a special provision to the award terms and conditions and identified on the Form–2009, Award Face Sheet.

§ 3430.57 Project meetings.

In addition to reviewing (and monitoring the status of) progress and final technical reports and financial reports, NIFA Program Officers may use regular and periodic conference calls to monitor the awardee’s performance as well as PD conferences, workshops, meetings, and symposia to not only monitor the awards, but to facilitate communication and the sharing of project results. These opportunities also serve to eliminate or minimize NIFA funding unneeded duplicative project activities. Required attendance at these conference calls, conferences, workshops, meetings, and symposia will be identified in the RFA and the awardee should develop a proposal accordingly.

§ 3430.58 Prior approvals.

(a) Subcontracts. No more than 50 percent of the award may be subcontracted to other parties without prior written approval of the ADO except contracts to other Federal agencies. Any subcontract awarded to a Federal agency under an award must have prior written approval of the ADO. To request approval, a justification for the proposed subcontractual arrangements, a performance statement, and a detailed budget for the subcontract must be submitted to the ADO.

(b) No-cost extensions of time—(1) General. Awardees may initiate a one-time no-cost extension of the expiration date of the award of up to 12 months unless one or more of the following conditions apply: the terms and conditions of the award prohibit the extension; the extension requires additional
Federal funds; and the extension involves any change in the approved objectives or scope of the project. For the first no-cost extension, the awardee must notify NIFA in writing with the supporting reasons and revised expiration date at least 10 days before the expiration date specified in the award.

(2) Additional requests for no-cost extensions of time before expiration date. When more than one no-cost extension of time or an extension of more than 12 months is required, the extension(s) must be approved in writing by the ADO. The awardee should prepare and submit a written request (which must be received no later than 10 days prior to the expiration date of the award) to the ADO. The request must contain, at a minimum, the following information: the length of the additional time required to complete the project objectives and a justification for the extension; a summary of the progress to date; an estimate of the funds expected to remain un obligated on the scheduled expiration date; a projected timetable to complete the portion(s) of the project for which the extension is being requested; and signature of the AR and the PD.

(3) Requests for no-cost extensions of time after expiration date. NIFA may consider and approve requests for no-cost extensions of time up to 120 days following the expiration of the award. These will be approved only for extenuating circumstances, as determined by NIFA. The awardee’s AR must submit the requirements identified under paragraph (b)(2) of this section as well as an “extenuating circumstance” justification and a description of the actions taken by the awardee to minimize these requests in the future.

(4) Other requirements. No-cost extensions of time may not be exercised merely for the purpose of using unobligated balances. All extensions are subject to any statutory term limitations as well as any expiring appropriation limitations under §3430.63.

§3430.59 Review of disallowed costs.

(a) Notice. If the NIFA determines that there is a basis for disallowing a cost, NIFA shall provide the awardee written notice of its intent to disallow the cost. The written notice shall state the amount of the cost and the factual and legal basis for disallowing it.

(b) Awardee response. Within 60 days of receiving written notice of NIFA’s intent to disallow the cost, the awardee may respond with written evidence and arguments to show the cost is allowable, or that, for equitable, practical, or other reasons, shall not recover all or part of the amount, or that the recovery should be made in installments. The 60-day time period may be extended for an additional 30 days upon written request by the awardee; however, such request for an extension of time must be made before the expiration of the 60-day time period specified in this paragraph. An extension of time will be granted only in extenuating circumstances.

(c) Decision. Within 60 days of receiving the awardee’s written response to the notice of intent to disallow the cost, NIFA shall issue a management decision stating whether or not the cost has been disallowed, the reasons for the decision, and the method of appeal that has been provided under this section. If the awardee does not respond to the written notice under paragraph (a) of this section within the time frame specified in paragraph (b) of this section, NIFA shall issue a management decision on the basis of the information available to it. The management decision shall constitute the final action with respect to whether the cost is allowed or disallowed. In the case of a questioned cost identified in the context of an audit 2 CFR 200.521, the management decision will constitute the management decision under 7 CFR 3052.405(a).

(d) Demand for payment. If the management decision under paragraph (c) of this section constitutes a finding that the cost is disallowed and, therefore, that a debt is owed to the Government, NIFA shall provide the required demand and notice pursuant to 7 CFR 3.11.

(e) Review process. Within 60 days of receiving the demand and notice referred to in paragraph (d) of this section, the awardee may submit a written request to the NIFA Office of Grants and Financial Management (OGFM) Deputy Director for a review of the final management decision that
§ 3430.62 Award appeals procedures.

(a) General. NIFA permits awardees to appeal certain post-award adverse administrative decisions made by NIFA. These include: termination, in whole or in part, of an award for failure of the awardee to carry out its approved project in accordance with the applicable law and the terms and conditions of an award or for failure of the awardee otherwise to comply with any law, regulation, assurance, term, or condition applicable to the award; denial (withholding) of a non-competing continuation award for failure to comply with the terms of a previous award; and determination that an award is void (i.e., a decision that an award is invalid because it was not authorized by statute or regulation or because it was fraudulently obtained). Appeals of determinations regarding the allowability of costs are subject to the procedures in §3430.59.
§ 3430.63 Expiring appropriations.
(a) NIFA awards supported with agency appropriations. Most NIFA awards are supported with annual appropriations. On September 30th of the 5th fiscal year after the period of availability for obligation ends, the funds for these appropriations accounts expire per 31 U.S.C. 1552 and the account is closed, unless otherwise specified by law. Funds that have not been drawn through DHHS-PMS, ASAP, or other electronic payment system by the awardee or disbursed through any other system or method by August 31st of that fiscal year are subject to be returned to the U.S. Department of the Treasury after that date. The August 31st requirement also applies to awards with a 90-day period concluding on a date after August 31st of that fifth year. Appropriations cannot be restored after expiration of the accounts. More specific instructions are provided in the NIFA award terms and conditions.

7 CFR Ch. XXXIV (1–1–16 Edition)
§ 3430.200 Applicability of regulations. The regulations in this subpart apply to the program authorized under section 412 of the Agricultural Research, Extension, and Education Reform Act of 1998 (7 U.S.C. 7632).

§ 3430.201 Purpose.
(a) Focus areas. The purpose of this program is to address the critical needs of the specialty crop industry by developing and disseminating science-based tools to address needs of specific crops and their regions, including the following five focus areas:

(1) Research in plant breeding, genetics, and genomics to improve crop characteristics, such as—

(i) Product, taste, quality, and appearance;

(ii) Environmental responses and tolerances;

(iii) Nutrient management, including plant nutrient uptake efficiency;

(iv) Pest and disease management, including resistance to pests and diseases resulting in reduced application management strategies; and

(v) Enhanced phytomutrient content.

(2) Efforts to identify and address threats from pests and diseases, including threats to specialty crop pollinators.

(3) Efforts to improve production efficiency, productivity, and profitability
over the long term (including specialty crop policy and marketing).

(4) New innovations and technology, including improved mechanization and technologies that delay or inhibit ripening.

(5) Methods to prevent, detect, monitor, control, and respond to potential food safety hazards in the production and processing of specialty crops, including fresh produce.

(b) Other. NIFA will award research and extension, including integrated, grants to eligible institutions listed in §3430.203. In addition to the focus areas identified in this section, NIFA may include additional activities or focus areas that will further address the critical needs of the specialty crop industry. Some of these activities or focus areas may be identified by stakeholder groups or by NIFA in response to emerging critical needs of the specialty crop industry.

§ 3430.202 Definitions.

The definitions applicable to the program under this subpart include:

Integrated project means a project that incorporates the research and extension components of the agricultural knowledge system around a problem area or activity.

Specialty crop means fruits and vegetables, tree nuts, dried fruits, and horticulture and nursery crops (including floriculture).

Trans-disciplinary means a multi-discipline approach that brings biological and physical scientists together with economists and social scientists to address challenges in a holistic manner.

§ 3430.203 Eligibility.

Eligible applicants for the grant program implemented under this subpart include: Federal agencies, national laboratories; colleges and universities (offering associate’s or higher degrees); research institutions and organizations; private organizations or corporations; State agricultural experiment stations; individuals; and groups consisting of 2 or more entities identified in this sentence.

§ 3430.204 Project types and priorities.

For each RFA, NIFA may develop and include the appropriate project types and focus areas (in addition to the five focus areas identified in §3430.201) based on the critical needs of the specialty crop industry as identified through stakeholder input and deemed appropriate by NIFA. Of the funds made available each fiscal year, not less than 10 percent of these funds shall be allocated for each of the five focus areas identified in §3430.201. In making awards for this program, NIFA will give higher priority to projects that are multistate, multi-institutional, and multidisciplinary; and include explicit mechanisms to communicate the results to producers and the public.

§ 3430.205 Funding restrictions.

(a) Prohibition against construction. Funds made available under this subpart shall not be used for the construction of a new building or facility or the acquisition, expansion, remodeling, or alteration of an existing facility (including site grading and improvement, and architect fees).

(b) Indirect costs. Subject to §3430.54, indirect costs are allowable.

§ 3430.206 Matching requirements.

(a) Requirement. Grantees are required to provide funds or in-kind support from non-Federal sources in an amount that is at least equal to the amount provided by the Federal government. The matching contribution must be provided from non-Federal sources except when authorized by statute. The matching requirements under this subpart cannot be waived.

(b) Indirect costs. Use of indirect costs as in-kind matching contributions is subject to §3430.52.

§ 3430.207 Other considerations.

The term of a grant under this subpart shall not exceed 10 years.

Subpart G—Agriculture and Food Research Initiative

SOURCE: 75 FR 54761, Sept. 9, 2010, unless otherwise noted.

§ 3430.300 Applicability of regulations.

The regulations in this subpart apply to the Agriculture and Food Research
§ 3430.301 Purpose.

The purpose of this program is to make competitive grants for fundamental and applied research, extension, and education to address food and agricultural sciences, as defined under section 1404 of the National Agricultural Research, Extension, and Teaching Policy Act of 1977 (7 U.S.C. 3103).

§ 3430.302 Definitions.

The definitions applicable to the competitive grant programs under this subpart include:

Food and Agricultural Science Enhancement (FASE) awards means funding awarded to eligible applicants to strengthen science capabilities of Project Directors, to help institutions develop competitive scientific programs, and to attract new scientists into careers in high-priority areas of National need in agriculture, food, and environmental sciences. FASE awards may apply to any of the three agricultural knowledge components (i.e., research, education, and extension). FASE awards include Pre- and Postdoctoral Fellowships, New Investigator grants, and Strengthening grants.

Limited institutional success means institutions that are not among the most successful universities and colleges for receiving Federal funds for science and engineering research. A list of successful institutions will be provided in the RFA.

Minority means Alaskan Native, American Indian, Asian American, African American, Hispanic American, Native Hawaiian, or Pacific Islander. The Secretary will determine on a case-by-case basis whether additional groups qualify under this definition, either at the Secretary’s initiative, or in response to a written request with supporting explanation.

Minority-serving institution means an accredited academic institution whose enrollment of a single minority or a combination of minorities exceeds fifty percent of the total enrollment, including graduate and undergraduate and full- and part-time students. An institution in this instance is an organization that is independently accredited as determined by reference to the current version of the Higher Education Directory, published by Higher Education Publications, Inc., 6400 Arlington Boulevard, Suite 648, Falls Church, Virginia 22042.

Multidisciplinary project means a project on which investigators from two or more disciplines collaborate to address a common problem. These collaborations, where appropriate, may integrate the biological, physical, chemical, or social sciences.

Small and mid-sized institutions means academic institutions with a current total enrollment of 17,500 or less, including graduate and undergraduate as well as full- and part-time students. An institution, in this instance, is an organization that possesses a significant degree of autonomy. Significant degree of autonomy is defined by being independently accredited as determined by reference to the current version of the Higher Education Directory, published by Higher Education Publications, Inc., 6400 Arlington Boulevard, Suite 648, Falls Church, Virginia 22042 (703–532–2300).

Strengthening grants means funds awarded to institutions eligible for FASE grants to enhance institutional capacity, with the goal of leading to future funding in the project area, as well as strengthening the competitiveness of the investigator’s research, education, and/or extension activities. Strengthening grants consist of standard and Coordinated Agricultural Project (CAP) grant types as well as seed grants, equipment grants, and sabbatical grants.

USDA EPSCoR States (Experimental Program for Stimulating Competitive Research) means States which have been less successful in receiving funding from AFRI, or its predecessor, the National Research Initiative (NRI), having a funding level no higher than the 38th percentile of all States based on a 3-year rolling average of AFRI and/or NRI funding levels, excluding FASE Strengthening funds granted to EPSCoR States, and small, mid-sized, and minority-serving degree-granting institutions. The most recent list of
§ 3430.303 Eligibility.

(a) General. Unless otherwise specified in the RFA or this subpart, eligible applicants for the grant program implemented under this subpart include:

(1) State agricultural experiment stations;

(2) Colleges and universities (including junior colleges offering an associate’s degree);

(3) University research foundations;

(4) Other research institutions and organizations;

(5) Federal agencies;

(6) National laboratories;

(7) Private organizations or corporations;

(8) Individuals; and

(9) Any group consisting of 2 or more entities identified in paragraphs (a)(1) through (8) of this section.

(b) Integrated projects. Eligible entities for the integrated component under this subpart include:

(1) Colleges and universities;

(2) 1994 Institutions; and

(3) Hispanic-serving agricultural colleges and universities (as defined in section 1404 of the National Agricultural Research, Extension, and Teaching Policy Act of 1977 (7 U.S.C. 3103).

(c) FASE Grants—(1) New investigator awards. To be eligible to apply, a new investigator must be in the beginning of his/her career, without an extensive publication record, and must have less than 5 years of postgraduate, career-track experience. To be eligible to receive a grant, the new investigator may not have received competitively awarded Federal funds, with the exception of pre- or postdoctoral awards or NRI/AFRI Seed Grants. The AFRI RFA will contain specific instructions for New Investigator Grant eligibility, restrictions, and application preparation.

(2) Pre- and postdoctoral fellowships. The following eligibility requirements apply to applicants for pre- and postdoctoral fellowships.

(i) The doctoral degree of the applicant must be received not earlier than January 1 of the calendar year three years prior to the submission of the proposal and not later than nine months after the proposal due date; and

(ii) For pre-doctoral applications, the applicant must have advanced to candidacy by the application deadline.

(3) Strengthening grants. Eligibility for all strengthening categories includes:

(i) Small and mid-sized institutions that have had limited institutional success;

(ii) Degree-granting institutions and State agricultural experiment stations (SAES) in USDA Experimental Program for Stimulating Competitive Research (EPSCoR) states; and

(iii) Minority-serving institutions with limited institutional success.

§ 3430.304 Project Types and priorities.

For each RFA, NIFA may develop and include the appropriate types of projects and focus areas to address the needs of scientists and educators in advanced or early stages of their careers and the differences in institutional capabilities. Types of projects will be revisited periodically based on stakeholder input and as deemed appropriate by NIFA. Types of projects under AFRI include, but are not limited to, the following.

(a) Project Types—(1) Research projects. Single-function fundamental and applied Research Projects are conducted by individual investigators, co-investigators within the same discipline, or multidisciplinary teams.

(2) Education projects. Single-function Education Projects provide funding to conduct classroom instruction, laboratory instruction, and practicum experience in the food and agricultural sciences and other related educational matters. Projects may include faculty development, student recruitment and services, curriculum development, instructional materials and equipment, and innovative teaching methods.

(3) Extension Projects. Single-function Extension Projects provide funding for programs and activities that deliver science-based knowledge and informal educational programs to people, enabling them to make practical decisions.

(4) Integrated Projects. Multifunction Integrated Projects bring together at least two of the three components of
the agricultural knowledge system (i.e., research, education, and extension) around a problem or issue. The functions addressed in the project should be interwoven throughout the life of the project and act to complement and reinforce one another. The proposed research component of an Integrated Project should address knowledge gaps that are critical to the development of practices and programs to address the stated problem. The proposed education component of an Integrated Project should strengthen institutional capacities and result in curricula and related products that will be sustained beyond the life of the project. The proposed extension component of an Integrated Project should lead to measurable, documented changes in learning, actions, or conditions in an identified audience or stakeholder group. Appropriate project activities will be discussed in the RFA.

(b) Grant Types—(1) Standard Grants. Standard Grants support targeted, original scientific Research, Education, Extension, or Integrated Projects.

(2) Coordinated Agricultural Project (CAP) Grants. A CAP is a type of Research, Education, Extension, or Integrated Project that supports large-scale multi-million dollar projects that promote collaboration, open communication, and the exchange of information; reduce duplication of effort; and coordinate activities among individuals, institutions, States, and regions. Integrated CAP grants address problems through multi-function projects that incorporate at least two of the three components of the agricultural knowledge system (i.e., research, extension, and education). Please note that there occasionally may be programs in which an Integrated CAP Grant is required to address all three components of the agricultural knowledge system. In a CAP, participants serve as a team that conducts targeted research, education, and/or extension in response to emerging or priority area(s) of national need. A CAP contains the needed science-based expertise in research, education, and/or extension, as well as expertise from principle stakeholders and partners, to accomplish project goals and objectives.

(3) Planning/Coordination Grants. Planning/Coordination Grants provide assistance to applicants in the development of quality future CAP applications. Applications must articulate benefits accrued from formal planning activities and provide evidence of a high likelihood that quality future applications will be submitted. These activities can take the form of workshops or symposia that bring together biological, physical, and social scientists and others as appropriate, including end-users and technology providers, to identify research, education, and/or extension needs, foster collaboration, and create networking opportunities. These events and the information they generate should be used to build teams that can develop applications to address priorities identified in the RFA.

(4) Conference grants. AFRI provides partial or total funding for a limited number of scientific meetings that bring together scientists to identify research, education, or extension needs within the scope of AFRI.

(5) FASE Grants. (i) General. FASE Grants are designed to help institutions develop competitive Research, Education, Extension, and Integrated Projects and to attract new scientists into careers in high-priority areas in agriculture, food, and environmental sciences. The FASE grants provide funding for new investigators, pre- and postdoctoral fellowships, and strengthening grants. FASE grants will be awarded as follows:

(A) To an institution to allow for the improvement of the research, development, technology transfer, education, and extension capacity of the institution through the acquisition of special research equipment and the improvement of agricultural research, education, and extension;

(B) To single investigators or co-investigators who are beginning research, education, or extension careers and do not have an extensive publication record;

(C) To ensure that the faculty of small, mid-sized, and minority-serving institutions who have not previously been successful in obtaining competitive grants under this subsection receive a portion of the grants; and
(D) To improve research, extension, and education capabilities in USDA EPSCoR States, as defined in §3430.302.

(ii) Types of FASE Grants.

(A) New Investigator Grant. These awards support Project Directors who meet the eligibility criteria of §3430.303.

(B) Pre- and Postdoctoral Fellowship Grants. Doctoral candidates and individuals who recently have received or will soon receive their doctoral degree, and meet the eligibility criteria of §3430.303, may submit proposals for pre- and postdoctoral fellowships.

(C) Strengthening Grants. Strengthening awards consist of the following four types of grants.

(1) Strengthening Standard and CAP Grant. These grants provide funding to eligible entities, as defined in §3430.303, who submitted meritorious Standard Grant or CAP Grant applications that were highly ranked but were below the funding line.

(2) Equipment Grant. These grants provide funding for the purchase of one major piece of equipment. The amount requested shall not exceed 50 percent of the cost of the equipment. Unless eligible for a waiver (as described in §3430.306(b)(2)), the Project Director is responsible for securing the required non-Federal funds. No installation, maintenance, warranty, or insurance expenses may be paid from these awards, nor may these costs be part of the matching funds.

(3) Seed Grant. A Seed grant is intended to provide funds to enable investigators to collect preliminary data in preparation for applying for a Standard Research, Standard Education, Standard Extension, or Integrated Grant. The grants are not intended to fund stand-alone projects, but rather projects that will lead to further work applicable to one of the priority areas in APRI.

(4) Sabbatical grants. A Sabbatical grant is intended to provide an opportunity for faculty to enhance their capabilities through sabbatical leaves.

§3430.305 Funding restrictions.

(a) Construction. Funds made available under this subpart shall not be used for the construction of a new building or facility or the acquisition, expansion, remodeling, or alteration of an existing facility (including site grading and improvement, and architect fees).

(b) Indirect costs. Subject to §3430.54, indirect costs are allowable. However, indirect costs are not allowed on pre- and postdoctoral grants, equipment grants, or conference grants.

§3430.306 Matching requirements.

(a) General. Matching funds are not required as a condition of receiving grants under this subpart except as provided in paragraphs (c) and (d) of this section.

(b) Indirect costs. Use of indirect costs as in-kind matching contributions is subject to §3430.52(b).

(c) Equipment grants.

(1) Except as provided in paragraph (c)(2) of this section, the amount of an equipment grant may not exceed 50 percent of the cost of the special research equipment or other equipment acquired using funds from the grant.

(2) Waiver. The Secretary may waive all or part of the matching requirement under paragraph (c)(1) of this section in the case of a college, university, or research foundation maintained by a college or university that ranks in the lowest 1/3 of such colleges, universities, and research foundations on the basis of Federal research funds received, if the equipment to be acquired using funds from the grant costs not more than $25,000, and has multiple uses within a single project or is usable in more than one project.

(d) Applied research grants. As a condition of making a grant for applied research, the Secretary shall require the funding of the grant to be matched with equal matching funds from a non-Federal source if the grant is for applied research that is:

(1) Commodity-specific; and

(2) Not of national scope.

§3430.307 Coordination and stakeholder input requirements.

(a) Stakeholder input. In making grants under this Part, NIFA shall solicit and consider input from persons who conduct or use agricultural research, extension, or education in accordance with section 102(b) of the Agricultural Research, Extension, and
Education Reform Act of 1998 (7 U.S.C. 7612(b)).

(b) Allocation of funds to high-priority research. To the maximum extent practicable, the Secretary, in coordination with the Under Secretary, shall allocate grants under this subpart to high-priority research as defined in section 1672 of Food, Agriculture, Conservation, and Trade Act of 1990, 7 U.S.C. 5925. NIFA shall take into consideration, when available, the determinations made by the Advisory Board.

§ 3430.308 Duration of awards.

The Secretary may set award limits up to 10 years based on priorities and stakeholder input, subject to other statutory limitations. The duration of individual awards may vary as specified in the RFA and is subject to the availability of appropriations.

§ 3430.309 Priority areas.

NIFA will award competitive grants in the following areas:

(a) Plant health and production and plant products. Plant systems, including:

(1) Plant genome structure and function;

(2) Molecular and cellular genetics and plant biotechnology;

(3) Conventional breeding, including cultivar and breed development, selection theory, applied quantitative genetics, breeding for improved food quality, breeding for improved local adaptation to biotic stress and abiotic stress, and participatory breeding;

(4) Plant-pest interactions and biocontrol systems;

(5) Crop plant response to environmental stresses;

(6) Unproved nutrient qualities of plant products; and

(7) New food and industrial uses of plant products.

(b) Animal health and production and animal products. Animal systems, including:

(1) Aquaculture;

(2) Cellular and molecular basis of animal reproduction, growth, disease, and health;

(3) Animal biotechnology;

(4) Conventional breeding, including breed development, selection theory, applied quantitative genetics, breeding

for improved food quality, breeding for improved local adaptation to biotic stress and abiotic stress, and participatory breeding;

(5) Identification of genes responsible for improved production traits and resistance to disease;

(6) Improved nutritional performance of animals;

(7) Improved nutrient qualities of animal products and uses; and

(8) The development of new and improved animal husbandry and production systems that take into account production efficiency, animal well-being, and animal systems applicable to aquaculture.

(c) Food safety, nutrition, and health. Nutrition, food safety and quality, and health, including:

(1) Microbial contaminants and pesticides residue relating to human health;

(2) Links between diet and health;

(3) Bioavailability of nutrients;

(4) Postharvest physiology and practices; and

(5) Improved processing technologies.

(d) Renewable energy, natural resources, and environment. Natural resources and the environment, including:

(1) Fundamental structures and functions of ecosystems;

(2) Biological and physical bases of sustainable production systems;

(3) Minimizing soil and water losses and sustaining surface water and ground water quality;

(4) Global climate effects on agriculture;

(5) Forestry; and

(6) Biological diversity.

(e) Agriculture systems and technology. Engineering, systems, and processes, including:

(1) New uses and new products from traditional and nontraditional crops, animals, byproducts, and natural resources;

(2) Robotics, energy efficiency, computing, and expert systems;

(3) New hazard and risk assessment and mitigation measures; and

(4) Water quality and management.

(f) Agriculture economics and rural communities. Markets, trade, and policy, including:
§ 3430.401 Purpose.

(a) The purpose of this program is to make competitive grants, in consultation with the Advisory Board, to support research and extension activities

§ 3430.411 Allocation of AFRI funds.

(a) General. The Secretary shall decide the allocation of funds among research, education, extension, and integrated multifunctional projects in an appropriate manner and in accordance with the allocation restrictions found in this section.

(b) Integrated programs. Not less than 30 percent of funds allocated to AFRI each fiscal year shall be used to fund integrated programs.

(c) FASE awards.

(1) Each fiscal year, a percentage of AFRI funding (no less than 10 percent of the available funding) will be awarded as FASE awards. This percentage requirement may be adjusted by the Secretary based upon priorities and stakeholder input.

(2) The Secretary shall use not less than 25 percent of the funds made available for FASE grants to provide fellowships to outstanding pre- and postdoctoral students for research in the agricultural sciences.

(d) Rapid Response Food and Agricultural Science for Emergency Issues Awards. The Secretary may allocate some funding to address emergency issues in the food and agricultural sciences as determined by the Secretary. Letters of intent and applications may be requested, as appropriate. Although the solicitation and award processes may be expedited for these awards, NIFA will adhere to AFRI peer review and competitive requirements of this subpart.

§ 3430.412 Emphasis on sustainable agriculture.

NIFA shall ensure that grants made under this subpart are, where appropriate, consistent with the development of systems of sustainable agriculture as defined in section 1404 of NARETPA.
§ 3430.402 Definitions.

The definitions applicable to the competitive grant programs under this subpart include:

- Integrated project means a project that incorporates the research and extension components of the agricultural knowledge system around a problem or activity.

§ 3430.403 Eligibility.

Unless otherwise specified in the RFA, eligible applicants for the grant program implemented under this subpart include:

- State agricultural experiment stations;
- Colleges and universities (including junior colleges offering an associate’s degree);
- University research foundations;
- Other research institutions and organizations;
- Federal agencies;
- National laboratories;
- Private organizations or corporations;
- Individuals; and
- Any group consisting of 2 or more entities identified in paragraphs (a) through (i) of this section.

§ 3430.404 Project types and priorities.

For each RFA, NIFA may develop and include the appropriate project types and priority areas based on stakeholder input and as deemed appropriate by NIFA. Duration and amount of grants may vary depending on the type of project.

§ 3430.405 Funding restrictions.

(a) Construction. Funds made available for grants under this subsection shall not be used for the construction of a new building or facility or the acquisition, expansion, remodeling, or alteration of an existing building or facility (including site grading and improvement, and architect fees).

(b) Indirect costs. Subject to § 3430.54, indirect costs are allowable.

(c) Start-up businesses. NIFA does not fund start-up businesses under this subpart.

§ 3430.406 Matching requirements.

(a) In general. NIFA requires the recipient of a grant under this section to provide funds or in-kind support from non-Federal sources in an amount at least equal to the amount provided by the Federal Government.

(b) Indirect costs. Use of indirect costs as in-kind matching contributions is subject to § 3430.52(b).

(c) Waiver authority. NIFA may waive the matching requirement specified in paragraph (a) of this section with respect to a grant if NIFA determines that:

1. The results of the project, while of particular benefit to a specific agricultural commodity, are likely to be applicable to agricultural commodities generally; or
2. When all three of the following conditions are present:
   - The project involves a minor commodity,
   - The project deals with scientifically important research, and
§ 3430.407 Program requirements.

Following the completion of a peer review process for grant proposals received under this subpart, the Director may provide a priority for those proposals, found in the peer review process to be scientifically meritorious, that involve the cooperation of multiple entities.

Subpart I—Integrated Research, Education, and Extension Competitive Grants Program

§ 3430.500 Applicability of regulations.

The regulations in this subpart apply to the program authorized under section 406 of the Agricultural Research, Extension, and Education Reform Act of 1998 (AREERA), 7 U.S.C. 7626, as amended by the Food, Conservation, and Energy Act of 2008 (FCEA), Public Law 110–246.

§ 3430.501 Purpose.

The purpose of this subpart is to make competitive grants for integrated, multifunctional agricultural research, extension, and education activities.

§ 3430.502 Definitions.

The definitions applicable to the competitive grant programs under this subpart include:

Integrated program means a program that brings the three agricultural knowledge components (i.e., research, extension, and education) together around a problem or activity through the award of integrated projects and single component projects.

Integrated project means a project that brings at least two out of three agricultural knowledge components (i.e., research, extension, and education) together around a problem or activity.

§ 3430.503 Eligibility.

The following entities are eligible to apply for and receive a grant under this subpart:

(a) Colleges and universities;
(b) 1994 Institutions; and
(c) Hispanic-serving agricultural colleges and universities (as defined in section 1404 of the National Agricultural Research, Extension, and Teaching Policy Act of 1977 (7 U.S.C. 3103), and in the RFA).

§ 3430.504 Project types and priorities.

For each RFA, NIFA may develop and include the appropriate project types and priority areas based on stakeholder input and as deemed appropriate by NIFA, in consultation with the Advisory Board, and that involve integrated research, extension, and education activities. Duration and amount of grants may vary depending on the type of project.

§ 3430.505 Funding restrictions.

(a) Construction. Funds made available for grants under this subsection shall not be used for the construction of a new building or facility or the acquisition, expansion, remodeling, or alteration of an existing building or facility (including site grading and improvement, and architect fees).
(b) Indirect Costs. Subject to § 3430.54, indirect costs are allowable.

§ 3430.506 Matching requirements.

(a) General requirement. If a grant under this subpart provides a particular benefit to a specific agricultural commodity, the recipient of the grant is required to provide funds or in-kind support to match the amount of funds provided by NIFA.
(b) Indirect costs. Use of indirect costs as in-kind matching contributions is subject to § 3430.52(b).
(c) Waiver authority. NIFA may waive the matching requirement specified in paragraph (a) of this section with respect to a grant if NIFA determines that:

(1) The results of the project, while of particular benefit to a specific agricultural commodity, are likely to be applicable to agricultural commodities generally; or
§ 3430.507

(2) When all three of the following conditions are present:
   (i) The project involves a minor commodity,
   (ii) The project deals with scientifically important research, and
   (iii) The grant recipient is unable to satisfy the matching funds requirement.

§ 3430.507 Program requirements.

(a) General. Grants under this subpart shall address priorities in the United States agriculture that involve integrated research, extension, and education activities as determined by the Secretary through Agency stakeholder input processes and in consultation with the Advisory Board.

(b) Duration of awards. The term of a grant under this subpart may not exceed 5 years.

Subpart J—Beginning Farmer and Rancher Development Program

§ 3430.600 Applicability of regulations.

The regulations in this subpart apply to the program authorized under section 7405 of the Farm Security and Rural Investment Act of 2002 (7 U.S.C. 3319f).

§ 3430.601 Purpose.

The purpose of the Beginning Farmer and Rancher Development Program (BFRDP) is to establish a beginning farmer and rancher development program that provides local and regional training, education, outreach, and technical assistance initiatives for beginning farmers and ranchers.

§ 3430.602 Definitions.

The definitions applicable to the program under this subpart include:

Beginning farmer or rancher means a person that has not operated a farm or ranch or has operated a farm or ranch for not more than 10 years, and meets such other criteria as the Secretary may establish.

Clearinghouse means an online repository that will make available to beginning farmers or ranchers education curricula and training materials and programs, and which may include online courses for direct use by beginning farmers or ranchers.

Limited resource beginning farmers or ranchers means beginning farmers or ranchers who have: (1) direct or indirect gross farm sales not more than the sales amount established by the USDA Natural Resources Conservation Service (NRCS) in each of the previous two years (in current dollars, adjusted for inflation each year, based on the October 2002 Prices Paid by Farmer Index compiled and updated annually by the USDA National Agricultural Statistics Service (NASS), and (2) a total household income at or below the National Poverty Level for a family of four or less than 50 percent of county median household income in each of the previous 2 years as determined by the U.S. Department of Health and Human Services (DHHS), using the Census Poverty Data.

Outcome-based reporting means reporting that includes an outcome statement with performance targets, necessary milestones, beneficiary engagement, key individuals, and verification.

[74 FR 45970, Sept. 4, 2009, as amended at 76 FR 35323, June 17, 2011]

§ 3430.603 Eligibility.

To be eligible to receive an award under this subpart, the recipient shall be a collaborative State, tribal, local, or regionally-based network or partnership of public or private entities, including:

(a) A State cooperative extension service;
(b) A Federal, State, or tribal agency;
(c) A community-based and non-governmental organization;
(d) A college or university (including a junior college offering an associate’s degree) or foundation maintained by a college or university;
(e) A private for-profit organization; or
(f) Any other appropriate partner, as determined by the Secretary.

§ 3430.604 Project types and priorities.

(a) Standard BFRDP projects. For standard BFRDP projects, competitive
grants will be awarded to support programs and services, as appropriate, relating to the following focus areas and activities:

(1) Mentoring, apprenticeships, and internships.
(2) Resources and referral.
(3) Assisting beginning farmers or ranchers in acquiring land from retiring farmers and ranchers.
(4) Innovative farm and ranch transfer strategies.
(5) Entrepreneurship and business training.
(6) Model land leasing contracts.
(7) Financial management training.
(8) Whole farm planning.
(9) New and emerging issues, facing farmers and ranchers, including climate change and changing world markets.
(10) Conservation assistance.
(11) Risk management education.
(12) Diversification and marketing strategies.
(13) Curriculum development.
(14) Understanding the impact of concentration and globalization.
(15) Basic livestock and crop farming practices, forestry and range management.
(16) Acquisition and management of agricultural credit.
(17) Environmental compliance.
(18) Information processing.
(19) Tax management, including record keeping and tax form preparation.
(20) Basic agricultural law.
(21) Other similar subject areas of use to beginning farmers or ranchers.

NIFA may include additional activities or focus areas that further address the critical needs of beginning farmers and ranchers as defined in this subpart. Some of these activities or focus areas may be identified by stakeholder groups or by NIFA in response to emerging critical needs of the Nation’s farmers and ranchers.

(3) Other BFRDP Projects. In addition to the competitive grants made under paragraph (a) of this section, competitive awards (grants or cooperative agreements) will be made:

(1) to establish beginner farmer and rancher educational enhancement projects that develop curricula and conduct educational programs and workshops for beginning farmers or ranchers in diverse geographical areas of the United States; and

(2) to establish and maintain an online clearinghouse.

§ 3430.605 Funding restrictions.

(a) Facility costs. Funds made available under this subpart shall not be used for the planning, repair, rehabilitation, acquisition, or construction of a building or facility.

(b) Indirect costs. Subject to §3430.5460, indirect costs are allowable.

(c) Participation by other farmers and ranchers. Projects may allow farmers and ranchers who are not beginning farmers and ranchers to participate in the programs funded under this subpart if their participation is appropriate and will not detract from the primary purpose of educating beginning farmers and ranchers as defined under this subpart.

§ 3430.606 Matching requirements.

(a) Requirement. Awardees are required to provide a match in the form of cash or in-kind contributions in an amount at least equal to 25 percent of the Federal funds provided by the award. The matching funds must be from non-Federal sources except when authorized by statute. The matching requirements under this subpart cannot be waived.

(b) Indirect costs. Use of indirect costs as in-kind matching contributions is subject to §3430.52.

§ 3430.607 Stakeholder input.

NIFA shall seek and obtain stakeholder input through a variety of forums (e.g., public meetings, request for input and/or via Web site), as well as through a notice in the Federal Register, from the following entities:

(a) Beginning farmers and ranchers.
(b) National, State, tribal, and local organizations, community-based organizations, and other persons with expertise in operating beginning farmer and rancher programs.
§ 3430.608 Review criteria.

(a) Evaluation criteria. NIFA shall evaluate project proposals according to the following factors:

(1) Relevancy.
(2) Technical merit.
(3) Achievability.
(4) The expertise and track record of one or more applicants.
(5) The adequacy of plans for the participatory evaluation process, outcome-based reporting, and the communication of findings and results beyond the immediate target audience.
(6) Other appropriate factors, as determined by the Secretary.

(b) Partnership and collaboration. In making awards under this subpart, NIFA shall give priority to partnerships and collaborations that are led by or include nongovernmental and community-based organizations with expertise in new agricultural producer training and outreach.

(c) Regional balance. In making awards under this subpart, NIFA shall, to the maximum extent practicable, ensure geographical diversity.

§ 3430.609 Other considerations.

(a) Set aside. Each fiscal year, NIFA shall set aside at least 25 percent of the funds used to support the standard BFRDP projects under this subpart to support programs and services that address the needs of the following groups:

(1) Limited resource beginning farmers or ranchers (as defined in §3430.602).
(2) Socially disadvantaged beginning farmers or ranchers (as defined in section 355(e) of the Consolidated Farm and Rural Development Act (7 U.S.C. 2003(e)).
(3) Farm workers (including immigrant farm workers) desiring to become farmers or ranchers.

(b) Consecutive awards. An eligible recipient may receive a consecutive grant for a standard BFRDP project under this subpart.

(c) Duration of awards. The term of a grant for a standard BFRDP project and an award for an educational enhancement team project under this subpart shall not exceed 3 years. Awards for all other projects under this subpart shall not exceed 5 years. No cost extensions of time beyond the maximum award terms will not be considered or granted.

(d) Amount of grants. A grant for a standard BFRDF project and an award for an educational enhancement team project under this subpart shall not be in an amount that is more than $250,000 for each year.

Subpart K—Biomass Research and Development Initiative

SOURCE: 75 FR 33498, June 14, 2010, unless otherwise noted.

§ 3430.700 Applicability of regulations.

(76 FR 38549, July 1, 2011)

§ 3430.701 Purpose.

In carrying out the program, NIFA, in cooperation with the Department of Energy, is authorized to make competitive awards under section 9008(e) of FSRIA (7 U.S.C. 8108(e)) to develop:

(a) Technologies and processes necessary for abundant commercial production of biofuels at prices competitive with fossil fuels;

(b) High-value biobased products—

(1) To enhance the economic viability of biofuels and power,

(2) To serve as substitutes for petroleum-based feedstocks and products, and

(3) To enhance the value of coproducts produced using the technologies and processes; and

(c) A diversity of economically and environmentally sustainable domestic...
sources of renewable biomass for conversion to biofuels, bioenergy, and biobased products.

[75 FR 33498, June 14, 2010, as amended at 76 FR 38549, July 1, 2011]

§ 3430.702 Definitions.

The definitions specific to BRDI are from the authorizing legislation, the National Program Leadership of NIFA, and the Department of Energy. The definitions applicable to the program under this subpart include:

Advanced Biofuel means fuel derived from renewable biomass other than corn kernel starch, including:

(1) Biofuel derived from cellulose, hemicellulose, or lignin;
(2) Biofuel derived from sugar and starch (other than ethanol derived from corn kernel starch);
(3) Biofuel derived from waste material, including crop residue, other vegetative waste material, animal waste, food waste, and yard waste;
(4) Diesel-equivalent fuel derived from renewable biomass, including algal oils, oil seed crops, re-claimed vegetable oils and animal fat;
(5) Biogas (including landfill gas and sewage waste treatment gas) produced through the conversion of organic matter from renewable biomass;
(6) Butanol or other alcohols produced through the conversion of organic matter from renewable biomass; and
(7) Other fuel derived from cellulosic biomass.

Advisory Committee means the Biomass Research and Development Technical Advisory Committee established by section 9008(d) of the FSRIA of 2002 (7 U.S.C. 8108(c)).

Advanced Biofuel means fuel derived from renewable biomass other than corn kernel starch, including:

(1) Biofuel derived from cellulose, hemicellulose, or lignin;
(2) Biofuel derived from sugar and starch (other than ethanol derived from corn kernel starch);
(3) Biofuel derived from waste material, including crop residue, other vegetative waste material, animal waste, food waste, and yard waste;
(4) Diesel-equivalent fuel derived from renewable biomass, including algal oils, oil seed crops, re-claimed vegetable oils and animal fat;
(5) Biogas (including landfill gas and sewage waste treatment gas) produced through the conversion of organic matter from renewable biomass;
(6) Butanol or other alcohols produced through the conversion of organic matter from renewable biomass; and
(7) Other fuel derived from cellulosic biomass.

Advisory Committee means the Biomass Research and Development Technical Advisory Committee established by section 9008(d) of the FSRIA of 2002 (7 U.S.C. 8108(d)).

Advanced Biofuel means fuel derived from renewable biomass other than corn kernel starch, including:

(1) Biofuel derived from cellulose, hemicellulose, or lignin;
(2) Biofuel derived from sugar and starch (other than ethanol derived from corn kernel starch);
(3) Biofuel derived from waste material, including crop residue, other vegetative waste material, animal waste, food waste, and yard waste;
(4) Diesel-equivalent fuel derived from renewable biomass, including algal oils, oil seed crops, re-claimed vegetable oils and animal fat;
(5) Biogas (including landfill gas and sewage waste treatment gas) produced through the conversion of organic matter from renewable biomass;
(6) Butanol or other alcohols produced through the conversion of organic matter from renewable biomass; and
(7) Other fuel derived from cellulosic biomass.

Advisory Committee means the Biomass Research and Development Technical Advisory Committee established by section 9008(d) of the FSRIA of 2002 (7 U.S.C. 8108(d)).

Advanced Biofuel means fuel derived from renewable biomass other than corn kernel starch, including:

(1) Biofuel derived from cellulose, hemicellulose, or lignin;
(2) Biofuel derived from sugar and starch (other than ethanol derived from corn kernel starch);
(3) Biofuel derived from waste material, including crop residue, other vegetative waste material, animal waste, food waste, and yard waste;
(4) Diesel-equivalent fuel derived from renewable biomass, including algal oils, oil seed crops, re-claimed vegetable oils and animal fat;
(5) Biogas (including landfill gas and sewage waste treatment gas) produced through the conversion of organic matter from renewable biomass;
(6) Butanol or other alcohols produced through the conversion of organic matter from renewable biomass; and
(7) Other fuel derived from cellulosic biomass.

Advisory Committee means the Biomass Research and Development Technical Advisory Committee established by section 9008(d) of the FSRIA of 2002 (7 U.S.C. 8108(d)).

Advanced Biofuel means fuel derived from renewable biomass other than corn kernel starch, including:

(1) Biofuel derived from cellulose, hemicellulose, or lignin;
(2) Biofuel derived from sugar and starch (other than ethanol derived from corn kernel starch);
(3) Biofuel derived from waste material, including crop residue, other vegetative waste material, animal waste, food waste, and yard waste;
(4) Diesel-equivalent fuel derived from renewable biomass, including algal oils, oil seed crops, re-claimed vegetable oils and animal fat;
(5) Biogas (including landfill gas and sewage waste treatment gas) produced through the conversion of organic matter from renewable biomass;
(6) Butanol or other alcohols produced through the conversion of organic matter from renewable biomass; and
(7) Other fuel derived from cellulosic biomass.

Advisory Committee means the Biomass Research and Development Technical Advisory Committee established by section 9008(d) of the FSRIA of 2002 (7 U.S.C. 8108(d)).
Life cycle cost means the amortized annual cost of a product, including capital costs, installation costs, operating costs, maintenance costs, and disposal costs discounted over the lifetime of the product.

Pilot Plant is an integrated chemical processing system that includes the processing units necessary to convert biomass feedstock into biofuels/biopower products at a minimum feed rate of 1 ton/day of biomass feedstock.

Private sector entities include companies, corporations, farms, ranches, cooperatives, and others that compete in the marketplace.

Recovered materials means waste materials and by-products that have been recovered or diverted from solid waste, but such term does not include those materials and by-products generated from, and commonly reused within, an original manufacturing process (42 U.S.C. 6903 (19)).

Recycling means the series of activities, including collection, separation, and processing, by which products or other materials are recovered from the solid waste stream for use in the form of raw materials in the manufacture of new products other than fuel for producing heat or power by combustion.

Renewable Biomass means:

(1) Materials, pre-commercial thinnings, or invasive species from National Forest System land (as defined in section 11(a) of the Forest and Rangeland Renewable Resources Planning Act of 1974 (16 U.S.C. 1609(a)) and public lands (as defined in section 103 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1702)) that—
   (i) Are byproducts of preventive treatments that are removed to reduce hazardous fuels; to reduce or contain disease or insect infestation; or to restore ecosystem health;
   (ii) Would not otherwise be used for higher-value products; and
   (iii) Are harvested in accordance with applicable law and land management plans; and the requirements for—
   (A) Old-growth maintenance, restoration, and management direction of paragraphs (2), (3), and (4) of subsection (e) of section 102 of the Healthy Forests Restoration Act of 2003 (16 U.S.C. 6512); and
   (B) Large-tree retention of subsection (f) of section 102 of the Healthy Forests Restoration Act of 2003 (16 U.S.C. 6512); or

(2) Any organic matter that is available on a renewable or recurring basis from non-Federal land or land belonging to an Indian or Indian tribe that is held in trust by the United States or subject to a restriction against alienation imposed by the United States, including—
   (i) Renewable plant material, including feed grains; other agricultural commodities; other plants and trees; and algae; and
   (ii) Waste material, including crop residue; other vegetative waste material (including wood waste and wood residues); animal waste and byproducts (including fats, oils, greases, and manure); and food waste and yard waste.

Research and development (R&D) projects means a research project only, a development project only, or a combination of research and development project; however, an R&D project may not be submitted including a demonstration project or vice versa.

Semi-works is a combination of chemical processing units that constitute a subset of the fully integrated system and are used to develop process flow diagrams and mass and energy balances for the purposes of scaling up to a demonstration scale facility.

Transportation fuel means fuel for use in motor vehicles, motor vehicle engines, non-road vehicles, or non-road engines (except for ocean-going vessels).

§ 3430.703 Eligibility.

To be eligible to receive an award under this subpart, the recipient shall be—

(a) An institution of higher education (as defined in §3430.702);
(b) A National Laboratory;
(c) A Federal research agency;
(d) A State research agency;
(e) A private sector entity (as defined in §3430.702 of this part);
(f) A nonprofit organization; or
§ 3430.704 Project types and priorities.

(a) Technical Topic Areas. Biomass Research and Development Initiative (BRDI) awards shall be directed (in consultation with the Biomass Research and Development Board, the Administrator of the Environmental Protection Agency and heads of other appropriate departments and agencies) in the following three primary technical topic areas:

(1) Feedstocks Development. Research, development, and demonstration activities regarding feedstocks and feedstock logistics (including the harvest, handling, transport, preprocessing, and storage) relevant to production of raw materials for conversion to biofuels and biobased products.

(2) Biofuels and Biobased Products Development. Research, development, and demonstration activities to support—

(i) The development of diverse cost-effective technologies for the use of cellulosic biomass in the production of biofuels and biobased products; and

(ii) Product diversification through technologies relevant to production of a range of biobased products (including chemicals, animal feeds, and cogenerators) that potentially can increase the feasibility of fuel production in a biorefinery.

(3) Biofuels Development Analysis—(i) Strategic Guidance. The development of analysis that provides strategic guidance for the application of renewable biomass technologies to improve sustainability and environmental quality, cost effectiveness, security, and rural economic development.

(ii) Energy and Environmental Impact. Development of systematic evaluations of the impact of expanded biofuel production on the environment (including forest land) and on the food supply for humans and animals, including the improvement and development of tools for life cycle analysis of current and potential biofuels.

(iii) Assessment of Federal Land. Assessments of the potential of Federal land resources to increase the production of feedstocks for biofuels and biobased products, consistent with the integrity of soil and water resources and with other environmental considerations.

(b) Additional considerations. Within the technical topic areas described in paragraph (a) of this section, NIFA, in cooperation with DOE, shall support research and development to—

(1) Create continuously expanding opportunities for participants in existing biofuels production by seeking synergies and continuity with current technologies and practices;

(2) Maximize the environmental, economic, and social benefits of production of biofuels and derived biobased products on a large scale; and

(3) Facilitate small-scale production and local and on-farm use of biofuels, including the development of small-scale gasification technologies for production of biofuel from cellulosic feedstocks.

[75 FR 33498, June 14, 2010, as amended at 76 FR 38549, July 1, 2011]

§ 3430.705 Funding restrictions.

(a) Facility costs. Funds made available under this subpart shall not be used for the construction of a new building or facility or the acquisition, expansion, remodeling, or alteration of an existing building or facility (including site grading and improvement, and architect fees).

(b) Indirect costs. Subject to § 3430.54, indirect costs are allowable for Federal assistance awards made by NIFA.

(c) Minimum allocations. After consultation with the Board, NIFA in cooperation with DOE, shall require that each of the three technical topic areas described in § 3430.704(a) receives not less than 15 percent of funds made available to carry out BRDI.

[76 FR 38549, July 1, 2011]

§ 3430.706 Matching requirements.

(a) Requirement for Research and/or Development Projects. The non-Federal share of the cost of a research or development project under BRDI shall be not less than 20 percent. NIFA may reduce the non-Federal share of a research or development project if the reduction is determined to be necessary and appropriate.
(b) Requirement for Demonstration and Commercial Projects. The non-Federal share of the cost of a demonstration or commercial project under BRDI shall be not less than 50 percent.

(c) Indirect costs. Use of indirect costs as in-kind matching contributions is subject to §3430.52 of this part.

[75 FR 33498, June 14, 2010, as amended at 76 FR 38549, July 1, 2011]

§ 3430.707 Administrative duties.

(a) After consultation with the Board, NIFA, in cooperation with DOE, shall:

(1) Publish annually one or more joint requests for proposals for Federal assistance under BRDI; and

(2) Require that Federal assistance under BRDI be awarded based on a scientific peer review by an independent panel of scientific and technical peers.

(b) NIFA, in cooperation with DOE, shall ensure that applicable research results and technologies from the BRDI are:

(1) Adapted, made available, and disseminated, as appropriate; and

(2) Included in the best practices database established under section 1672C(e) of the Food, Agriculture, Conservation, and Trade Act of 1990 (7 U.S.C. 5925e(e)).

[75 FR 33498, June 14, 2010, as amended at 76 FR 38549, July 1, 2011]

§ 3430.708 Review criteria.

(a) General. BRDI peer reviews of applications are conducted in accordance with requirements found in section 9008 of FSRIA (7 U.S.C. 8108); section 103 of the Agricultural Research, Extension, and Education Reform Act of 1998 (7 U.S.C. 7613); and regulations found in title 7 of the Code of Federal Regulations, sections 3430.31 through 3430.37.

(b) Additional Considerations. Special consideration will be given to applications that—

(1) Involve a consortium of experts from multiple institutions;

(2) Encourage the integration of disciplines and application of the best technical resources; and

(3) Increase the geographic diversity of demonstration projects.

[75 FR 33498, June 14, 2010, as amended at 76 FR 38549, July 1, 2011]

§ 3430.709 Duration of awards.

The term of a Federal assistance award made for a BRDI project shall not exceed 5 years. No-cost extensions of time beyond the maximum award terms will not be considered or granted.

Subpart L [Reserved]

Subpart M—New Era Rural Technology Competitive Grants Program

SOURCE: 74 FR 45973, Sept. 4, 2009, unless otherwise noted.

§ 3430.900 Applicability of regulations.

The regulations in this subpart apply to the program authorized under section 1473E of the National Agricultural Research, Extension, and Teaching Policy Act of 1977 (7 U.S.C. 3319e), as amended.

§ 3430.901 Purpose.

The purpose of this program is to make grants available for technology development, applied research, and training, with a focus on rural communities, to aid in the development of workforces for bioenergy, pulp and paper manufacturing, and agriculture-based renewable energy workforce.

§ 3430.902 Definitions.

The definitions applicable to the program under this subpart include:

Advanced Technological Center refers to a post-secondary, degree-granting institution that provides students with technology-based education and training, preparing them to work as technicians or at the semi-professional level, and aiding in the development of an agriculture-based renewable energy workforce. For this program, such Centers must be located within a rural area.

Bioenergy means biomass used in the production of energy (electricity; liquid, solid, and gaseous fuels; and heat).

Biomass means any organic matter that is available on a renewable or recurring basis, including agricultural crops and trees, wood and wood wastes and residues, plants (including aquatic plants), grasses, residues, fibers, and...
animal wastes, municipal wastes, and other waste materials.

Community College means
(1) An institution of higher education that:
   (i) Admits as regular students persons who are beyond the age of compulsory school attendance in the State in which the institution is located and who have the ability to benefit from the training offered by the institution;
   (ii) Does not provide an educational program for which the institution awards a bachelor's degree (or an equivalent degree); and
   (iii) (A) Provides an educational program of not less than 2 years in duration that is acceptable for full credit toward such a degree; or
   (B) Offers a 2-year program in engineering, mathematics, or the physical or biological sciences, designed to prepare a student to work as a technician or at the semi-professional level in engineering, scientific, or other technological fields requiring the understanding and application of basic engineering, scientific, or mathematical principles of knowledge (20 U.S.C. 1101a(a)(6)).

(2) For this grants program, such Community Colleges must be located within a rural area.

Conference/Planning Grants means the limited number of RTP grants that will fund strategic planning meetings necessary to establish and organize proposed technology development, applied research and/or training projects.

Eligible institution/organization means a community college, or an advanced technological center, that meets eligibility criteria of this program, and is located in a rural area.

Eligible participant means an individual who is a citizen or non-citizen national of the United States, as defined in 7 CFR 3430.2, or lawful permanent resident of the United States.

Fiscal agent means a third party designated by an authorized representative of an eligible institution/organization which would receive and assume financial stewardship of Federal grant funds and perform other activities as specified in the agreement between it and the eligible institution/organization.

Joint project proposal means
(1) An application for a project:
   (i) Which will involve the applicant institution/organization working in cooperation with one or more other entities not legally affiliated with the applicant institution/organization, including other schools, colleges, universities, community colleges, units of State government, private sector organizations, or a consortium of institutions; and
   (ii) Where the applicant institution/organization and each cooperating entity will assume a significant role in the conduct of the proposed project.

(2) To demonstrate a substantial involvement with the project, the applicant institution/organization submitting a joint project proposal must retain at least 30 percent but not more than 70 percent of the awarded funds, and no cooperating entity may receive less than 10 percent of awarded funds. Only the applicant institution/organization must meet the definition of an eligible institution/organization as specified in this RFA; other entities participating in a joint project proposal are not required to meet the definition of an eligible institution/organization.

Outcomes means specific, measurable project results and benefits that, when assessed and reported, indicate the project's plan of operation has been achieved.

Plan of Operation means a detailed, step-by-step description of how the applicant intends to accomplish the project's outcomes. At a minimum, the plan should include a timetable indicating how outcomes are achieved, a description of resources to be used or acquired, and the responsibilities expected of all project personnel.

Regular project proposal means an application for a project:
(1) Where the applicant institution/organization will be the sole entity involved in the execution of the project; or

(2) Which will involve the applicant institution/organization and one or more other entities, but where the involvement of the other entity(ies) does not meet the requirements for a joint proposal as defined in this section.
§ 3430.903 Eligibility.

Applications may be submitted by either:

(a) Public or private nonprofit community colleges, or
(b) Advanced technological centers, either of which must:
   (1) Be located in a rural area (see definition in §3430.902);
   (2) Have been in existence as of June 18, 2008;
   (3) Participate in agricultural or bioenergy research and applied research;
   (4) Have a proven record of development and implementation of programs to meet the needs of students, educators, and business and industry to supply the agriculture-based, renewable energy or pulp and paper manufacturing fields with certified technicians, as determined by the Secretary; and
   (5) Have the ability to leverage existing partnerships and occupational outreach and training programs for secondary schools, 4-year institutions, and relevant nonprofit organizations.

§ 3430.904 Project types and priorities.

For each RFA, NIFA may develop and include the appropriate project types and focus areas based on the critical needs identified through stakeholder input and deemed appropriate by NIFA.

(a) In addition, priority in funding shall be given to eligible entities working in partnerships to:
   (1) Improve information-sharing capacity;
   (2) Maximize the ability to meet the requirements of the RFA; and
   (3) To address the following two RTP goals:
      (i) To increase the number of students encouraged to pursue and complete a 2-year postsecondary degree, or a certificate of completion, within an occupational focus of this grant program; and
      (ii) To assist rural communities by helping students achieve their career goals to develop a viable workforce for bioenergy, pulp and paper manufacturing, or agriculture-based renewable energy.

(b) Applicants may submit applications for one of the three project types:
   (1) Regular project proposal (the applicant executes the project without the requirement of sharing grant funds with other project partners);
   (2) Joint project proposal (the applicant executes the project with assistance from at least one additional partner and must share grant funds with the additional partner(s)); and
   (3) Conference/planning grant to facilitate strategic planning session(s).

§ 3430.905 Funding restrictions.

(a) Prohibition against construction. Grant funds awarded under this authority may not be used for the renovation or refurbishment of research, education, or extension space; the purchase or installation of fixed equipment in such space; or the planning, repair, rehabilitation, acquisition, or construction of buildings or facilities.

(b) Prohibition on tuition remission. Tuition remission (e.g., scholarships, fellowships) is not allowed.

(c) Indirect costs. Subject to §3430.54, indirect costs are allowable with the exception of indirect costs for Conference/Planning grants, which are not allowed.
§ 3430.906 Matching requirements.

There are no matching requirements for grants under this subpart.

§ 3430.907 Stakeholder input.

NIFA shall seek and obtain stakeholder input through a variety of forums (e.g., public meetings, requests for input and/or Web site), as well as through a notice in the Federal Register, from the following entities:

(a) Community college(s).
(b) Advanced technological center(s), located in rural area, for technology development, applied research, and/or training.

§ 3430.908 Review criteria.

Evaluation criteria. NIFA shall evaluate project proposals according to the following factors:

(a) Potential for Advancing Quality of Technology Development, Applied Research, and/or Training/Significance of the Program.
(b) Proposed Approach and Cooperative Linkages.
(c) Institution Organization Capability and Capacity Building.
(d) Key Personnel.
(e) Budget and Cost-Effectiveness.

§ 3430.909 Other considerations.

(a) Amount of grants. An applicant for a regular project proposal (single institution/organization) under this subpart may request up to $125,000 (total project, not per year). An applicant for a joint project proposal (applicant plus one or more partners) under this subpart may request up to $300,000 (total project, not per year). A conference/planning grant applicant may request up to $10,000 (total project/not per year).

(b) Duration of grants. The term of a grant for a standard RTP project under this subpart shall not exceed 5 years. No-cost extensions of time beyond the maximum award terms will not be considered or granted.

Subpart N [Reserved]

Subpart O—Sun Grant Program

Source: 75 FR 70580, Nov. 18, 2010, unless otherwise noted.
§ 3430.1003

Gasification means a process that converts carbonaceous materials, such as biomass, into carbon monoxide and hydrogen by reacting the raw material, high temperatures with a controlled amount of oxygen and/or steam.

Subcenter means the Sun Grant Subcenter identified in §3430.1003(a)(6).

Technology development means the process of research and development of technology.

Technology implementation means the introduction of new technologies to either an existing organization, or to a larger community, such as a type of business.

§ 3430.1003 Eligibility.

(a) Sun Grant Centers and Subcenter. NIFA will use amounts appropriated for the Sun Grant Program to provide grants to the following five Centers and one Subcenter:

1. A North-Central Center at South Dakota State University for the region composed of the States of Illinois, Indiana, Iowa, Minnesota, Montana, Nebraska, North Dakota, South Dakota, Wisconsin, and Wyoming;

2. A Southeastern Center at the University of Tennessee at Knoxville for the region composed of the States of Alabama, Florida, Georgia, Kentucky, Mississippi, North Carolina, South Carolina, Tennessee, and Virginia, the Commonwealth of Puerto Rico, and the United States Virgin Islands;

3. A South-Central Center at Oklahoma State University for the region composed of the States of Arkansas, Colorado, Kansas, Louisiana, Missouri, New Mexico, Oklahoma, and Texas;

4. A Northeastern Center at Cornell University for the region composed of the States of Connecticut, Delaware, Massachusetts, Maryland, Maine, Michigan, New Hampshire, New Jersey, New York, Ohio, Pennsylvania, Rhode Island, Vermont, and West Virginia;

5. A Western Center at Oregon State University for the region composed of the States of Alaska, Arizona, California, Hawaii, Idaho, Nevada, Oregon, Utah, and Washington, and insular areas (other than the Commonwealth of Puerto Rico and the United States Virgin Islands); and

(b) Subawardees of the Centers and Subcenter. To be eligible for a subaward from a Center or Subcenter pursuant to §3430.1004(a)(1), an applicant:

1. Must be located in the region covered by the applicable Center or Subcenter; and

2. Must be one of the following:
   (i) State agricultural experiment station;
   (ii) College or university;
   (iii) University research foundation;
   (iv) Other research institution or organization;
   (v) Federal agency;
   (vi) National laboratory;
   (vii) Private organization or corporation;
   (viii) Individual; or
   (ix) Any group consisting of 2 or more entities described in paragraphs (b)(2)(i) through (viii) of this section.

(c) Ineligibility. A Center or Subcenter will be ineligible for funding under the Sun Grant Program if NIFA determines on the basis of an audit or a review of a report submitted under §3430.1009 that the Center or Subcenter has not complied with the requirements of section 7526 of the FCEA (7 U.S.C. 8114). A Center or Subcenter determined to be ineligible pursuant to this paragraph will remain ineligible for such period of time as deemed appropriate by NIFA. This ineligibility requirement is in addition to the enforcement actions that NIFA may take pursuant to §3430.60.

§ 3430.1004 Project types and priorities.

(a) Project types. The Sun Grant Program provides funds for two distinct project types. Subject to paragraph (b), of the funds provided by NIFA to the Centers and Subcenter, the required use of funds by each of the Centers and the Subcenter is as follows:
(1) Regional competitive research, extension, and education grant programs. Seventy-five percent must be used for regional competitively awarded research, extension, and education subgrants to eligible entities (described in §3430.1003(b)) to conduct, in a manner consistent with the purposes described in §3430.1001, multi-institutional and multistate research, extension, and education programs on technology development and multistate integrated research, extension, and education programs on technology implementation. Regional competitive grants programs will target specific elements of the purposes described in §3430.1001, implementing national priorities in the context of regional scale biogeographic and climatic conditions.

(i) Requests for applications. The Centers and Subcenter must develop regional requests for applications (RFAs) utilizing guidance from regional advisory panels created and administered by the Centers and Subcenter for purposes of addressing region-specific issues, and which include representation from academia, the national laboratories, Federal and State agencies, the private sector, and public interest groups. Advisory panel members will have appropriate expertise and experience in the areas of biomass and bioenergy.

(ii) Peer review of proposals. Each region will announce RFAs and solicit proposals. These proposals must be peer reviewed by panels in a manner similar to the system of peer review required by section 103 of the Agricultural Research, Extension, and Education Reform Act of 1998 (7 U.S.C. 7613) and may include representation from Federal and State laboratories, the national laboratories, and private and public interest groups, as appropriate. The Centers and Subcenter may use implementing regulations found in §§3430.31 through 3430.37 as a guideline for appropriate peer review standards. Additional guidance may be provided by NIFA. To ensure consistency across the regions, prior to announcing the regional RFAs that will be used to solicit proposals, the Centers and Subcenter must provide NIFA the RFAs for approval by the designated NIFA program contact, as identified in the NIFA program solicitation. The Centers and Subcenter shall award subgrants on the basis of merit, quality, and relevance to advancing the purposes of the Sun Grant Program.

(2) Research, extension, and education activities conducted at the Centers and Subcenter. Except for funds available for administrative expenses as provided in §3430.1005(b), the remainder of the funds must be used for multi-institutional and multistate research, extension, and education programs on technology development and multi-institutional and multistate integrated research, extension, and education programs on technology implementation, in a manner consistent with the purposes described in §3430.1001.

(b) Special provisions for the Western Center and Western Insular Pacific Subcenter. Funds provided by NIFA to the Western Insular Pacific Subcenter shall come from an allocation of a portion of the funds received by the Western Center, as directed by NIFA in the program solicitation, rather than directly from NIFA. For the Center, the phrase “funds provided by NIFA” in paragraph (a) of this section refers to those funds provided by NIFA for the Sun Grant Program that are not allocated to the Subcenter. For the Subcenter, the phrase “funds provided by NIFA” in paragraph (a) of this section refers to those funds that are allocated to the Subcenter.

(c) Priorities. For the regional competitive grants program under paragraph (a)(1) of this section, the Centers and Subcenter shall use the plan approved by NIFA under §3430.1007 in making subawards and shall give a higher priority to proposals that are consistent with the plan.

§ 3430.1005 Funding restrictions.

(a) Facility costs. Funds made available under the Sun Grant Program shall not be used for the construction of a new building or facility or the acquisition, expansion, remodeling, or alteration of an existing building or facility (including site grading and improvement, and architect fees).

(b) Indirect cost provisions for regional competitive research, extension, and education grant programs. Funds provided
§ 3430.1006 Matching requirements.

(a) Matching provisions for the Centers and Subcenter. The Centers and the Subcenter are not required to match Federal funds.

(b) Matching provisions for subawards. For subawards made by the Centers or Subcenter through the competitive grants process, not less than 20 percent of the cost of an activity must be matched with funds, including in-kind contributions, from a non-Federal source by the subawardee.

(1) Exception for fundamental research. This matching requirement does not apply to fundamental research (as defined in §3430.2).

(2) Special matching provisions for applied research. With prior approval by the NIFA authorized departmental officer (ADO), the Center or Subcenter may reduce or eliminate the matching requirement for applied research (as defined in §3430.2) if the Center or Subcenter determines that the reduction is necessary and appropriate pursuant to guidance issued by NIFA.

§ 3430.1007 Planning activities.

(a) Required plan. The Centers and Subcenter shall jointly develop and submit to NIFA for approval a plan for addressing the bioenergy, biomass, and gasification research priorities of the Department and the Department of Energy at the State and regional levels. To comply with this requirement, NIFA requires that the proposals from each of the five Centers be of similar format and subject matter and complementary to comprise a national program for purposes of serving as the actual “plan.” Each proposal will present a plan that includes a description of what will be done in common and collectively by the Centers and Subcenter, what each will do as a Center and Subcenter, and how each Center and Subcenter will implement its regional competitive grants program. Proposals submitted to the Sun Grant Program must be sufficiently detailed and of high enough quality and demonstrate adequate evidence of collaboration to meet this requirement. Funds available for administrative costs (see §3430.1005(b)) may be used to meet this requirement.

(b) Gasification. With respect to gasification research activities, the Centers and Subcenter shall coordinate planning with land-grant colleges and universities in their respective regions that have ongoing research activities in that area.

§ 3430.1008 Sun Grant Information Analysis Center.

The Centers and Subcenter shall maintain, at the North-Central Center, a Sun Grant Information Analysis Center to provide the Centers and Subcenter with analysis and data management support. Each Center and Subcenter shall allocate a portion of the funds available for administrative or indirect costs under §3430.1005 to maintain the Sun Grant Information Analysis Center.
§ 3430.1009 Administrative duties.

In addition to other reporting requirements agreed to in the terms and conditions of each award, not later than 90 days after the end of each Federal fiscal year, each Center and Subcenter shall submit to NIFA a report that describes the policies, priorities, and operations of the program carried out by the Center or Subcenter during the fiscal year, including the results of all peer and merit review procedures conducted as part of administering the regional competitive research, extension, and educational grant programs; and a description of progress made in facilitating the plan described in § 3430.1007.

§ 3430.1010 Review criteria.

Panel reviewers conducting merit reviews on proposals submitted by the Centers will be instructed to ensure that proposals adequately address the plan developed in accordance with § 3430.1007 for consideration of the relevance and merit of proposals.

§ 3430.1011 Duration of awards.

The term of a Federal assistance award made under the Sun Grant Program shall not exceed 5 years. No-cost extensions of time beyond the maximum award terms will not be considered or granted.

Subpart P—Food Insecurity Nutrition Incentive Program

SOURCE: 80 FR 64310, Oct. 23, 2015, unless otherwise noted.

§ 3430.1100 Applicability of regulations.

The regulations in this subpart apply to the Food Insecurity Nutrition Incentive (FINI) grants program authorized under section 4405 of the Food, Conservation, and Energy Act of 2008 (7 U.S.C. 7517), as added by section 4208 of the Agricultural Act of 2014 (Pub. L. 113–79).

§ 3430.1101 Purpose.

The primary goal of the FINI grants program is to fund and evaluate projects intended to increase the purchase of fruits and vegetables by low-income consumers participating in Supplemental Nutrition Assistance Program (SNAP) by providing incentives at the point of purchase.

§ 3430.1102 Definitions.

The definitions applicable to the FINI grants program under this subpart include:

Community food assessment means a collaborative and participatory process that systematically examines a broad range of community food issues and assets, so as to inform change actions to make the community more food secure.

Emergency feeding organization means a public or nonprofit organization that administers activities and projects (including the activities and projects of a charitable institution, a food bank, a food pantry, a hunger relief center, a soup kitchen, or a similar public or private nonprofit eligible recipient agency) providing nutrition assistance to relieve situations of emergency and distress through the provision of food to needy persons, including low-income and unemployed persons. (See 7 U.S.C. 7501).

Exemplary practices means high quality community food security work that emphasizes food security, nutritional quality, environmental stewardship, and economic and social equity.

Expert reviewers means individuals selected from among those recognized as uniquely qualified by training and experience in their respective fields to give expert advice on the merit of grant applications in such fields who evaluate eligible proposals submitted to this program in their respective area(s) of expertise.

Food security means access to affordable, nutritious, and culturally appropriate food for all people at all times.

Fruits and vegetables means, for the purposes of the incentives provided under these grants, any variety of fresh, canned, dried, or frozen whole or cut fruits and vegetables without added sugars, fats or oils, and salt (i.e. sodium).

Logic model means a systematic and visual way to present and share an understanding of the relationships among resources available to operate a program, and includes: Planned activities
§ 3430.1103 Eligibility.

(a) In general. Eligibility to receive a grant under this subpart is limited to government agencies and nonprofit organizations. All applicants must demonstrate in their application that they are a government agency or nonprofit organization. Eligible government agencies and nonprofit organizations may include:

(1) An emergency feeding organization;
(2) An agricultural cooperative;
(3) A producer network or association;
(4) A community health organization;
(5) A public benefit corporation;
(6) An economic development corporation;
(7) A farmers’ market;
(8) A community-supported agriculture program;
(9) A buying club;
(10) A SNAP-authorized retailer; and
(11) A State, local, or tribal agency.

(b) Further eligibility requirements—(1) Related to projects. To be eligible to receive a grant under this subpart, applicants must propose projects that:

(i) Have the support of the State SNAP agency;
(ii) Would increase the purchase of fruits and vegetables by low-income consumers participating in SNAP by providing incentives at the point of purchase;
(iii) Operate through authorized SNAP retailers and comply with all relevant SNAP regulations and operating requirements;
(iv) Agree to participate in the FINI comprehensive program evaluation;
(v) Ensure that the same terms and conditions apply to purchases made by individuals with SNAP benefits and with incentives under the FINI grants.

Value chain means adding value to a product, including production, marketing, and the provision of after-sales service and incorporating fair pricing to farms. It also involves keeping the final pricing to customers within competitive range. Value chain development, therefore, is a process of building relationships between supplier and buyer that are reciprocal and win-win; instead of always striving to buy at lowest cost.

§ 3430.1103 Eligibility.

(a) In general. Eligibility to receive a grant under this subpart is limited to government agencies and nonprofit organizations. All applicants must demonstrate in their application that they are a government agency or nonprofit organization. Eligible government agencies and nonprofit organizations may include:

(1) An emergency feeding organization;
(2) An agricultural cooperative;
(3) A producer network or association;
(4) A community health organization;
(5) A public benefit corporation;
(6) An economic development corporation;
(7) A farmers’ market;
(8) A community-supported agriculture program;
(9) A buying club;
(10) A SNAP-authorized retailer; and
(11) A State, local, or tribal agency.

(b) Further eligibility requirements—(1) Related to projects. To be eligible to receive a grant under this subpart, applicants must propose projects that:

(i) Have the support of the State SNAP agency;
(ii) Would increase the purchase of fruits and vegetables by low-income consumers participating in SNAP by providing incentives at the point of purchase;
(iii) Operate through authorized SNAP retailers and comply with all relevant SNAP regulations and operating requirements;
(iv) Agree to participate in the FINI comprehensive program evaluation;
(v) Ensure that the same terms and conditions apply to purchases made by individuals with SNAP benefits and with incentives under the FINI grants.

Value chain means adding value to a product, including production, marketing, and the provision of after-sales service and incorporating fair pricing to farms. It also involves keeping the final pricing to customers within competitive range. Value chain development, therefore, is a process of building relationships between supplier and buyer that are reciprocal and win-win; instead of always striving to buy at lowest cost.
program as apply to purchases made by individuals who are not members of households receiving benefits as provided in §278.2(b) of this title; and

(vi) Include effective and efficient technologies for benefit redemption systems that may be replicated in other States and communities.

(2) Related to experience and other competencies. To be eligible to receive a grant under this subpart, applicants must meet the following requirements:

(i) Have experience:

(A) In efforts to reduce food insecurity in the community, including food distribution, improving access to services, or coordinating services and programs; or

(B) With the SNAP program;

(ii) Demonstrate competency to implement a project, provide fiscal accountability, collect data, and prepare reports and other necessary documentation;

(iii) Secure the commitment of the State SNAP agency to cooperate with the project; and

(iv) Possess a demonstrated willingness to share information with researchers, evaluators (including the independent evaluator for the program), practitioners, and other interested parties, including a plan for dissemination of results to stakeholders.

(c) Other, non-eligibility considerations. Applicants are encouraged:

(1) To propose projects that will provide employees with important job skills; and

(2) To have experience in the following areas:

(i) Community food work, particularly concerning small and medium-size farms, including the provision of food to people in low-income communities and the development of new markets in low-income communities for agricultural producers; and

(ii) Job training and business development activities for food-related activities in low-income communities.

(d) Partnerships. Applicants for a grant under this subpart are encouraged to seek and create partnerships with public or private, nonprofit or for-profit entities, including links with academic institutions (including minority-serving colleges and universities) or other appropriate professionals; community-based organizations; local government entities; PromiseZone lead applicant/organization or implementation partners; and StrikeForce area coordinators or partnering entities for the purposes of providing additional Federal resources and strengthening under-resourced communities. Only the applicant must meet the requirements specified in this section for grant eligibility. Project partners and collaborators need not meet the eligibility requirements.

§ 3430.1104 Project types and priorities.

(a) FINI Pilot Projects (FPP). FPPs are aimed at new entrants seeking funding for a project in the early stages of incentive program development.

(b) FINI Projects (FP). FPs are aimed at mid-sized groups developing incentive programs at the local or State level.

(c) FINI Large Scale Projects (FLSP). FLSPs are aimed at groups developing multi-county, State, and regional incentive programs with the largest target audience of all FINI projects.

§ 3430.1105 Funding restrictions.

(a) Construction. Funds made available for grants under this subpart shall not be used for the construction of a new building or facility or the acquisition, expansion, remodeling, or alteration of an existing building or facility (including site grading and improvement, and architect fees).

(b) Indirect costs. Subject to §3430.54, indirect costs are allowable.

§ 3430.1106 Matching requirements.

(a) In general. Recipients of a grant under this subpart must provide matching contributions on a dollar-for-dollar basis for all Federal funds awarded.

(b) Source and type. The non-Federal share of the cost of a project funded by a grant under this subpart may be provided by a State or local government or a private source. The matching requirement in this section may be met through cash or in-kind contributions, including third-party in-kind contributions, fairly evaluated, including facilities, equipment, or services.
(c) **Limitation.** If an applicant partners with a for-profit entity, the non-Federal share that is required to be provided by the applicant may not include the services of an employee of that for-profit entity, including salaries paid or expenses covered by that employer.

(d) **Indirect costs.** Use of indirect costs as in-kind matching contributions is subject to §3430.52(b).

§ 3430.1107 **Program requirements.**

The term of a grant under this subpart may not exceed 5 years. No-cost extensions of time beyond the maximum award terms will not be considered or granted.

§ 3430.1108 **Priorities.**

(a) **In general.** Except as provided in paragraph (b) of this section, in awarding grants under this subpart, NIFA will give priority to projects that:

1. Maximize the share of funds used for direct incentives to participants;
2. Use direct-to-consumer sales marketing;
3. Demonstrate a track record of designing and implementing successful nutrition incentive programs that connect low-income consumers and agricultural producers;
4. Provide locally or regionally produced fruits and vegetables;
5. Are located in underserved communities; or
6. Address other criteria as established by NIFA and included in the requests for applications.

(b) **Exception.** The priorities in paragraph (a) of this section that are given by NIFA will depend on the project type identified in §3430.1104. Applicants should refer to the requests for applications to determine which priorities will be given to which project types.

**Subpart A—Designation of Veterinarian Shortage Situations**

§ 3431.1 **Applicability of regulations.**

This part establishes the process and procedures for designating veterinarian shortage situations as well as the administrative provisions for the Veterinary Medicine Loan Repayment Program (VMLRP) authorized by the National Veterinary Medical Service Act (NVMSA), 7 U.S.C. 3151a.

§ 3431.2 **Purpose.**

The Secretary will follow the processes and procedures established in subpart A of this part to designate veterinarian shortage situations for the VMLRP. Applications for the VMLRP will be accepted from eligible veterinarians who agree to serve in one of the designated shortage situations in exchange for the repayment of an amount of the principal and interest of the veterinarian’s qualifying educational loans. The administrative provisions for the VMLRP, including the
application process, are established in subpart B of this part.

§ 3431.3 Definitions and acronyms.

(a) General definitions. As used in this part:

Act means the National Veterinary Medical Service Act, as amended.

Agency or NIFA means the National Institute of Food and Agriculture.

Department means the United States Department of Agriculture.

Food animal means the following species: Bovine, porcine, ovine/camelid, cervid, poultry, caprine, and any other species as determined by the Secretary.

Food supply veterinary medicine means all aspects of veterinary medicine’s involvement in food supply systems, from traditional agricultural production to consumption.

Insular area means the Commonwealth of Puerto Rico, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, the Federated States of Micronesia, the Republic of the Marshall Islands, the Republic of Palau, and the Virgin Islands of the United States.

NVMSA means the National Veterinary Medicine Service Act.

Practice of food supply veterinary medicine includes corporate/private practices devoted to food animal medicine, mixed animal medicine located in a rural area (at least 30 percent of practice devoted to food animal medicine), food safety, epidemiology, public health, animal health, and other public and private practices that contribute to the production of a safe and wholesome food supply.

Practice of veterinary medicine means to diagnose, treat, correct, change, alleviate, or prevent animal disease, illness, pain, deformity, defect, injury, or other physical, dental, or mental conditions by any method or mode; including:

(1) The prescription, dispensing, administration, or application of any drug, medicine, biologic, apparatus, anesthetic, or other therapeutic or diagnostic substance or medical or surgical technique, or

(2) The use of complementary, alternative, and integrative therapies, or

(3) The use of any manual or mechanical procedure for reproductive management, or

(4) The rendering of advice or recommendation by any means including telephonic and other electronic communications with regard to any of paragraphs (1), (2), (3), or (4) of this definition.

Rural area means any area other than a city or town that has a population of 50,000 inhabitants and the urbanized area contiguous and adjacent to such a city or town.

Secretary means the Secretary of Agriculture and any other officer or employee of the Department to whom the authority involved has been delegated.

Service area means geographic area in which the veterinarian will be providing veterinary medical services.

State means any one of the fifty States, the District of Columbia, and the insular areas of the United States.

State animal health official or SAHO means the State veterinarian, or equivalent, who will be responsible for nominating and certifying veterinarian shortage situations within the State.

Veterinarian means a person who has received a professional veterinary medicine degree from a college of veterinary medicine accredited by the AVMA Council on Education.

Veterinarian shortage situation means any of the following situations in which the Secretary, in accordance with the process in subpart A of this part, determines has a shortage of veterinarians:

(1) Geographical areas that the Secretary determines have a shortage of food supply veterinarians; and

(2) Areas of veterinary practice that the Secretary determines have a shortage of food supply veterinarians, such as food animal medicine, public health, animal health, epidemiology, and food safety.

Veterinary medicine means all branches and specialties included within the practice of veterinary medicine.

Veterinary Medicine Loan Repayment Program or VMLRP means the Veterinary Medicine Loan Repayment Program authorized by the National Veterinary Medical Service Act.

(b) Definitions applicable to Subpart B.
Applicant means an individual who applies to and meets the eligibility criteria for the VMLRP.

Breach of agreement results when a participant fails to complete the service agreement obligation required under the terms and conditions of the agreement and will be subject to assessment of monetary damages and penalties as determined in the service agreement, unless a waiver has been granted or an exception applies.

Current payment status means that a qualified educational loan is not past due in its payment schedule as determined by the lending institution.

Debt threshold means the minimum amount of qualified student debt an individual must have, on their program eligibility date, in order to be eligible for program benefits, as determined by the Secretary.

Program eligibility date means the date on which an individual’s VMLRP agreement is executed by the Secretary.

Program participant means an individual whose application to the VMLRP has been approved and whose service agreement has been accepted and signed by the Secretary.

Qualifying educational expenses means the costs of attendance of the applicant at a college of veterinary medicine accredited by the AVMA Council on Education, exclusive of the tuition and reasonable living expenses. Educational expenses may include fees, books, laboratory expenses and materials, as required by an accredited college or school of veterinary medicine as part of a Doctor of Veterinary Medicine degree program, or the equivalent. The program participant must submit sufficient documentation, as required by the Secretary, to substantiate the school requirement for the educational expenses incurred by the program participant.

Qualifying educational loans means loans that are issued by any Federal, State, or local government entity, accredited academic institution(s), and/or commercial lender(s) that are subject to examination and supervision in their capacity as lending institutions by an agency of the United States or the State in which the lender has its principal place of business. Loans must have been made for one or more of the following: School tuition, other qualifying educational expenses, or reasonable living expenses relating to the obtaining of a degree of Doctor of Veterinary Medicine from a college or school of veterinary medicine accredited by the AVMA Council on Education. Such loans must have documentation which is contemporaneous with the training received in a college or school of veterinary medicine. If qualifying educational loans are refinanced, the original documentation of the loan(s) will be required to be submitted to the Secretary to establish the contemporaneous nature of such loans.

Reasonable living expenses means the ordinary living costs incurred by the program participant while attending the college of veterinary medicine, exclusive of tuition and educational expenses. Reasonable living expenses must be incurred during the period of attendance and may include food and lodging expenses, insurance, commuting and transportation costs. Reasonable living expenses must be equal to or less than the sum of the school's estimated standard student budgets for living expenses for the degree of veterinary medicine for the year(s) during which the program participant was enrolled in the school. However, if the school attended by the program participant did not have a standard student budget or if a program participant requests repayment for living expenses which are in excess of the standard student budgets described in the preceding sentence, the program participant must submit documentation, as required by the Secretary, to substantiate the reasonableness of living expenses incurred. To the extent that the Secretary determines, upon review of the program participant’s documentation, that all or a portion of the living expenses are reasonable, these expenses will qualify for repayment.

Service agreement means the agreement, which is signed by an applicant and the Secretary for the VMLRP wherein the applicant agrees to accept repayment of qualifying educational loans and to serve in accordance with the provisions of NVMSA for a prescribed period of obligated service.
Termination means a waiver of the service obligation granted by the Secretary when compliance by the participant is impossible, would involve extreme hardship, or where enforcement with respect to the individual would be unconscionable (see breach of agreement).

Withdrawal means a request by a participant for withdrawal from participation in the VMLRP after signing the service agreement, but prior to VMLRP making the first quarterly payment on behalf of the participant. A withdrawal is without penalty to the participant and without obligation to the Program.

§ 3431.4 Solicitation of stakeholder input.

The Secretary will solicit stakeholder input on the process and procedures used to designate veterinarian shortage situations prior to the publication of the solicitation for nomination of veterinarian shortage situations. A notice may be published in the Federal Register, on the Agency’s Web site, or other appropriate format or forum. This request for stakeholder input may include the solicitation of input on the administration of VMLRP and its impact on meeting critical veterinarian shortage situations. All comments will be made available and accessible to the public.

§ 3431.5 Solicitation of veterinarian shortage situations.

(a) General. The Secretary will follow the procedures described in this part to solicit veterinarian shortage situations as the term is defined in §3431.3.

(b) Solicitation. The Secretary will publish a solicitation for nomination of veterinarian shortage situations in the Federal Register, on the Agency’s Web site, or other appropriate format or forum.

(c) Frequency. Contingent on the availability of funds, the Secretary will normally publish a solicitation on an annual basis. However, the Secretary reserves the right to solicit veterinarian shortage situations every two or three years, as appropriate.

(d) Content. The solicitation will describe the nomination process, the review criteria and process, and include the form used to submit a nomination. The solicitation may specify the maximum number of nominations that may be submitted by each State animal health official.

(e) Nominations. Nominations shall identify the veterinarian shortage situation and address the criteria in the nomination form which may include the objectives of the position, the activities of the position, and the risk posed if the position is not secured.

(f) Nominating Official. The State animal health official in each State is the person responsible for submitting and certifying veterinarian shortage situations within the State to NIFA officials. It is strongly recommended that the State animal health official of each State involve the leading health animal experts in the State in the nomination process.

§ 3431.6 Review of nominations.

(a) Peer panel. State shortage situations nominations will be evaluated by a peer panel of experts in animal health convened by the Secretary. The panel will evaluate nominations according to the criteria identified in the solicitation. The panel will consider the objectives and activities of the veterinarian position in the veterinary service shortage situation and the risks associated with not securing or retaining the position and make a recommendation regarding each nomination.

(b) Agency review. The Secretary will evaluate the recommendations of the peer panel and designate shortage situations for the VMLRP.

§ 3431.7 Notification and use of designated veterinarian shortage situations.

The Secretary will publish the designated veterinarian shortage situations on the Agency’s Web site and will use the designated veterinarian shortage situations to solicit VMLRP loan repayment applications from individual veterinarians in accordance with subpart B of this part.
Subpart B—Administration of the Veterinary Medicine Loan Repayment Program

§ 3431.8 Purpose and scope.

(a) Purpose. The regulations of this subpart apply to the award of veterinary medicine loan repayments under the Veterinary Medicine Loan Repayment Program (VMLRP) authorized by the National Veterinary Medicine Service Act, 7 U.S.C. 3151a.

(b) Scope. Under the VMLRP, the Secretary enters into service agreements with veterinarians to pay principal and interest on education loans of veterinarians who agree to work in veterinary shortage situations for a prescribed period of time. In addition, program participants may enter into an agreement to provide services to the Federal government in emergency situations in exchange for salary, travel, per diem expenses, and additional amounts of loan repayment assistance. The purpose of the program is to assure an adequate supply of trained food animal veterinarians in shortage situations and provide USDA with a pool of veterinary specialists to assist in the control and eradication of animal disease outbreaks.

§ 3431.9 Eligibility to apply.

(a) General. To be eligible to apply to the VMLRP an applicant must:

(1) Have a degree of Doctor of Veterinary Medicine (DVM), or the equivalent, from a college of veterinary medicine accredited by the AVMA Council on Education;

(2) Have qualifying educational loan debt as defined in §3431.3;

(3) Secure an offer of employment or establish and/or maintain a practice in a veterinary shortage situation, as determined by the Secretary in accordance with the procedures in subpart A of this part, within the time period specified in the VMLRP service agreement offer; and

(4) Provide certifications and verifications in accordance with §3431.16.

(b) Non-eligibility. The following individuals are ineligible to apply to the VMLRP:

(1) An individual who owes an obligation for veterinary service to the Federal government, a State, or other entity under an agreement with such Federal, State, or other entity are ineligible for the VMLRP unless such obligation will be completely satisfied prior to the beginning of service under the VMLRP;

(2) An individual who has a Federal judgment lien against his/her property arising from Federal debt; and

(3) An individual who has total qualified debt that does not meet the debt threshold.

§ 3431.10 Eligibility to participate.

To be eligible to participate in the VMLRP, a participant must meet the following criteria:

(a) Meet the eligibility criteria of §3431.9 for applying to the VMLRP;

(b) Be selected for participation by the Secretary pursuant to §3431.12.

(c) Comply with all State and local regulations (including appropriate licensure where required) in the jurisdiction in which he or she proposes to practice;

(d) Be a citizen, national, or permanent resident of the United States;

(e) Sign a service agreement to provide veterinary services in one of the veterinarian shortage situations; and

(f) Comply with the terms and conditions of the Service Agreement.

§ 3431.11 Application.

Individuals who meet the eligibility criteria of §3431.9 may submit an online program application or any other application process provided by the Secretary.

§ 3431.12 Selection of applicants.

(a) Review of applications. Upon receipt, applications for the VMLRP will be reviewed for eligibility and completeness by the appropriate staff as determined by the Secretary. Incomplete or ineligible applications will not be processed or reviewed.

(b) Peer review. (1) Applications for the VMLRP that are deemed eligible and complete will be referred to the VMLRP peer panel for peer review. In evaluating the application, reviewers are directed to consider the following components, as well as any other criteria identified in the RFA, and how they relate to the likelihood that the
applicant will meet the terms and conditions of the VMLRP agreement, continue to serve in a veterinary shortage situation, or pursue a career in food supply veterinary medicine:

(i) Major or emphasis area(s) during formal post-secondary training (e.g., bachelors degree major, minor);
(ii) Major or emphasis area(s) during formal training for DVM/VMD degree;
(iii) Specialty training area/discipline (e.g., board certification or graduate degree);
(iv) Non-degree/non-board certification training or certifications (e.g., animal agrosecurity coursework and certifications);
(v) Applicant’s personal statement;
(vi) Awards;
(vii) Letters or recommendation, if applicable; and
(viii) Other documentation or criteria, as specified in the RFA.

(2) Applicants will then be ranked based on their qualifications relative to the attributes of the shortage situation applied for.

§ 3431.13 Terms of loan repayment and length of service requirements.

(a) Loan repayment. For each year of obligated service in a veterinary shortage situation, as determined by the Secretary, with a minimum of 3 years (and maximum of 4 years) of obligated service, the Secretary may pay:

(1) An amount not exceeding $25,000 per year of a program participant’s qualifying loans; and
(2) An additional amount not exceeding $5,000 per year of a program participant’s qualifying loans, if the program participant has already been selected for participation in the VMLRP and agrees to enter into a one-year agreement for each year of service to provide up to 60 days of obligated service to the Federal government in animal health emergency situations, as determined by the Secretary, provided the shortage situation in which the participant has agreed to serve has been designated as suitable for the Federal obligated service.

(b) To maximize the number of agreements and to encourage qualified veterinarians to participate in the VMLRP, the Secretary may establish a loan repayment cap that differs from the cap established under paragraph (a)(1) and (a)(2) of this section when it is in the best interest of VMLRP. This will be identified in the RFA.

(c) The Secretary will determine the debt threshold in the RFA.

(d) Loan repayments will be made directly to the loan provider on a quarterly basis, starting with the end of the first quarter after the program eligibility date of the service agreement. Tax payments equal to 39 percent of the loan repayments will be credited directly to the participant’s IRS (Federal tax) account simultaneously with each loan repayment.

(e) Once a service agreement has been signed by both parties, the Secretary will obligate such funds as will be necessary to ensure that sufficient funds will be available to make loan repayments and tax payments, as specified in the service agreement, for the duration of the period of obligated service. Reimbursements for tax liabilities in excess of the amount provided (not to exceed 39 percent of the amount of loan repayment or any other cap established by the Secretary) will be subject to the availability of funds. These additional tax payments, if available to the VMLRP participants, will be identified in the RFA and in the participant service agreement.

(f) Participants are required to keep payments current on all qualifying VMLRP loans.

(g) Travel expenditures. The VMLRP will not reimburse a program participant for expenses associated with traveling from the program participant’s residence to the prospective practice site for the purpose of evaluating such site or the expenses of relocating from the program participant’s temporary or permanent residence to a practice site.

§ 3431.14 Priority.

Pursuant to NVMSA, the Secretary will give priority to agreements with veterinarians for the practice of food animal medicine in veterinarian shortage situations, as determined by the Secretary. The Secretary may establish additional criteria in the RFA for assigning priority levels to veterinarian shortage situations nominated for award.
§ 3431.15 Qualifying loans.

(a) General. Loan repayments provided under the VMLRP may consist of payments on behalf of participating individuals of the principal and interest on qualifying educational loans received by the individual for attendance of the individual at an accredited college of veterinary medicine resulting in a degree of Doctor of Veterinary Medicine, or the equivalent, which loans were made for one or more of the following:

(1) Tuition expenses;
(2) All other reasonable educational expenses, as defined in this part and as determined by the Secretary; and
(3) Reasonable living expenses, as defined in this part and as determined by the Secretary.

(b) Non-eligible loans. The following loans are ineligible for repayment under the VMLRP:

(1) Loans not obtained from a bank, credit union, savings and loan association, not-for-profit organization, insurance company, school, and other financial or credit institution which is subject to examination and supervision in its capacity as lending institution by an agency of the United States or of the State in which the lender has its principal place of business;
(2) Loans for which supporting documentation is not available;
(3) Loans that have been consolidated with loans of other individuals, such as spouses or children;
(4) Loans or portions of loans obtained for educational or living expenses which exceed the standard of reasonableness as determined by the participant’s standard school budget for the year in which the loan was made, and are not determined by the Secretary, to be reasonable based on additional documentation provided by the individual;
(5) Loans, financial debts, or service obligations incurred under another loan repayment or scholarship program, or similar programs, which provide loans, scholarships, loan repayments, or other awards in exchange for a future service obligation;
(6) Non-educational loans, including home equity loans; and
(7) Any loan in default, delinquent, or not in a current payment status.

§ 3431.16 Certifications and verifications.

(a) The application for the loan repayment program shall include a personal statement describing how the applicant would meet the requirements of:

(1) The veterinary service shortage situations as defined in the RFA;
(2) The eligibility criteria for application of section § 3431.9 of this part; and
(3) The selection priority of § 3431.14 of this part.

(b) The applicant shall provide sufficient documentation to establish that the applicant has qualifying loans as described in § 3431.15 of this part.

(c) The applicant shall provide sufficient documentation to establish that the applicant has the capacity to secure an offer of employment or establish and/or maintain a veterinary practice in a veterinary service shortage situation as defined in subpart A of this part.

(d) The applicant shall provide, if applicable, sufficient documentation to establish that the applicant is licensed to practice veterinary medicine in the jurisdiction in which the applicant has an offer of employment.

(e) The applicant shall provide, if applicable, the required documentation to establish whether the applicant receives payments under any other Federal, State, institutional, or private loan repayment programs.

(f) The applicant shall provide the required documentation to show that he/she has completed, or is in the process of completing, the National Veterinary Accreditation Program (NVAP) if national accreditation is required for the veterinary shortage position for which the applicant has an offer of employment.

(g) The applicant shall provide authorization to the appropriate staff as designated by the Secretary to obtain a copy of the participant’s credit report.

§ 3431.17 VMLRP service agreement offer.

The Secretary will make an offer to successful applicants to enter into an agreement with the Secretary to provide veterinary services under the VMLRP. As part of the offer, successful
VMLRP applicants will be provided a specific period of time, as defined in the RFA, to secure an offer of employment or establish and/or maintain a veterinary practice in a veterinary shortage situation.

§ 3431.18 Service agreement.
(a) The service agreement shall be signed by the program participant and the Secretary after acceptance of the terms and conditions of the loan repayment program by the program participant.
(b) The service agreement shall specify the period of obligated service.
(c) The service agreement shall specify the amount of loan repayment to be paid for each year of obligated service.
(d) The service agreement shall contain a provision defining when a breach of the agreement by the program participant has occurred.
(e) The service agreement shall provide remedies for the breach of a service agreement by a program participant, including repayment or partial repayment of financial assistance received, with interest.
(f) The service agreement shall include provisions addressing the granting of a waiver by the Secretary in case of hardship.
(g) Payments under the service agreement do not exempt a program participant from the responsibility and/or liability for any loan(s) for which he or she is obligated, as the Secretary is not obligated to the lender/note holder for its commitment to the program participant.
(h) During the term of the service agreement, the program participant shall agree that the Secretary or the designated VMLRP service provider is authorized to verify the status of each loan for which the Secretary will be reimbursing the participant.
(i) The service agreement shall contain certifications, as determined by the Secretary.
(j) The service agreement shall contain provisions addressing the income tax liability of the program participant and the availability of reimbursement of taxes incurred as a result of an individual’s participation in the VMLRP.

§ 3431.19 Payment and tax liability.
(a) Loan repayment. Loan repayments pursuant to a service agreement are made directly to a participant’s lender(s) by the Secretary or the VMLRP service provider. If there is more than one outstanding qualified educational loan, the Secretary will repay the loans in the following order, unless the Secretary determines significant savings to the program would result from paying loans in a different order of priority:
(1) Loans guaranteed by the U.S. Department of Education;
(2) Loans made or guaranteed by a State;
(3) Loans made by a School; and
(4) Loans made by other entities, including commercial loans.
(b) Tax Liability Payments. Tax payments equal to 39 percent of the total loan repayment amount will be credited directly to the participant’s IRS (Federal tax) account simultaneously with each loan payment. The Secretary may make payments of an amount not to exceed 39 percent of the actual annual loan repayments made in a calendar year for all or part of the increased Federal, State, and local tax liability resulting from loan repayments received under the VMLRP. However, the Secretary may increase the cap, if appropriate. Supplementary payments for increased tax liability may be made for the actual amount of tax liability.
associated with the receipt of loan repayments under the VMLRP. Availability of these additional tax liability payments (i.e., in excess of 39 percent or other approved cap) will be identified in the RFA and in the participant service agreement. Program participants wishing to receive tax liability payments will be required to submit their requests for such payments in a manner prescribed by the Secretary and must provide the Secretary with any documentation the Secretary determines is necessary to establish a program participant’s increased tax liability. Tax liability payments in excess of 39 percent or other approved cap will be made on a reimbursement basis only.

(c) Under §3431.19(a) and (b), the Secretary will make loan and tax liability payments to the extent appropriated funds are available for these purposes.

§ 3431.20 Administration.

The VMLRP will be administered by NIFA. NIFA may carry out this program directly or enter into agreements with another Federal agency or other service provider to assist in the administration of the VMLRP. However, the determination of the veterinarian shortage areas, peer review of individual VMLRP applications, and the overall VMLRP oversight and coordination will reside with the Secretary.

§ 3431.21 Breach.

(a) General. If a program participant fails to complete the period of obligated service incurred under the service agreement, including failing to comply with the applicable terms and conditions of a waiver granted by the Secretary, the program participant must pay to the United States an amount as determined in the service agreement. Payment of this amount shall be made within 90 days of the date that the program participant failed to complete the period of obligated service, as determined by the Secretary.

(b) Exceptions. (1) A termination of service for reasons that are beyond the control of the program participant will not be considered a breach.

(2) A transfer of service from one shortage situation to another, if approved by the Secretary, will not be considered a breach.

(3) A call or order to active duty will not be considered a breach.

(c) The Secretary may renegotiate the terms of a participant’s service agreement in the event of a transfer, termination or call to active duty pursuant to paragraph (b) of this section.

(d) Amount of repayment. The service agreement shall provide the method for the calculation of the amount owed by a program participant who has breached a service agreement.

(e) Debt Collection. Individuals in breach of a service agreement entered into under this part are considered to owe a debt to the United States for the amount of repayment. Any such debt will be collected pursuant to the Department’s Debt Management regulations at 7 CFR part 3.

§ 3431.22 Waiver.

(a) A program participant may seek a waiver or suspension of the service or payment obligations incurred under this part by written request to the Secretary setting forth the bases, circumstances, and causes which support the requested action.

(b) The Secretary may waive any service or payment obligation incurred by a program participant whenever compliance by the program participant is impossible or would involve extreme hardship to the program participant and if enforcement of the service or payment obligation would be against equity and good conscience.

(1) Compliance by a program participant with a service or repayment obligation will be considered impossible if the Secretary determines, on the basis of information and documentation as may be required:

(i) That the program participant suffers from a physical or mental disability resulting in the permanent inability of the program participant to perform the service or other activities which would be necessary to comply with the obligation; or

(ii) That the employment of the program participant has been terminated involuntarily for reasons unrelated to job performance.
§ 3434.2 Purpose.

The Secretary will follow the processes and criteria established in this regulation to certify and designate a group of eligible educational institutions as Hispanic-Serving Agricultural Colleges and Universities as authorized by Congress in section 7129 of the FCEA as well as for other ongoing NIFA programs for which HSACUs are now eligible (e.g., integrated programs authorized by section 406 of the Agricultural Research, Extension, and Education Reform Act of 1998). The five new programs include the HSACU Endowment Fund (formula-based), HSACU Institutional Capacity
Building Grants Program (competitive), HSACU Extension Grants Program (competitive), HSACU Applied and Fundamental Research Grants Program (competitive), and HSACU Equity Grants Program (formula-based). The administrative provisions, including reporting requirements, for the HSACU Endowment Fund will be established in a separate part (7 CFR part 3437). The administrative provisions and reporting requirements for the other four new HSACU programs will be established as subparts in 7 CFR part 3430.

§ 3434.3 Definitions.

As used in this part:

Agency or NIFA means the National Institute of Food and Agriculture.

Agriculture-related fields means a group of instructional programs that are determined to be agriculture-related fields of study for HSACU eligibility purposes by a panel of National Program Leaders at the National Institute of Food and Agriculture.

Department means the United States Department of Agriculture.

Hispanic-serving Institution means an institution of higher education that:

(1) Is an eligible institution, as that term is defined at 20 U.S.C. 1101a; and

(2) Has an enrollment of undergraduate full-time equivalent students that is at least 25 percent Hispanic students, as reported to the U.S. Department of Education’s Integrated Postsecondary Education Data System during the fall semester of the previous academic year.

Secretary means the Secretary of Agriculture and any other officer or employee of the Department to whom the authority involved has been delegated.

§ 3434.4 Eligibility.

(a) General. To be eligible to receive designation as a HSACU, colleges and universities must:

(1) Qualify as Hispanic-serving Institutions; and

(2) Offer associate, bachelors, or other accredited degree programs in agriculture-related fields pursuant to §3434.5.

(b) Non-eligibility. The following colleges and universities are ineligible for HSACU certification:

(1) 1862 land-grant institutions, as defined in section 2 of the Agricultural Research, Extension, and Education Reform Act of 1998 (7 U.S.C. 7601);

(2) Institutions that appear in the Lists of Parties Excluded from Federal financial and nonfinancial assistance and benefits programs (Excluded Parties List System);

(3) Institutions that are not accredited by a nationally recognized accredited agency or association; and

(4) Institutions with Hispanic students receiving less than 15% of the degrees awarded in agriculture-related programs over the two most recent completed academic years.

§ 3434.5 Agriculture-related fields.

(a) The Secretary shall use the Classification of Instructional Programs (CIP) coding system developed by the U.S. Department of Education’s National Center for Education Statistics as the source of information for all existing instructional programs. This source is located at http://nces.ed.gov/ipeds/cipcode.

(b) A complete list of instructional programs deemed to be agriculture-related fields by the Secretary is provided in Appendix A to this part. This list will include the full six-digit CIP code and program title (or major) for each agriculture-related instructional program.

(c) The list of agriculture-related fields will be updated every five years starting in 2015. However, the Secretary reserves the right to make changes at any time, if deemed appropriate and necessary.

(d) Any changes made in the CIP coding system by the U.S. Department of Education may result in a review or re-evaluation of the list of agriculture-related fields by the Secretary.

§ 3434.6 Certification.

(a) Except as provided in paragraph (c) of this section, institutions that meet the eligibility criteria set forth in §3434.4 and offer agriculture-related programs in accordance to the criteria set forth in §3434.5 (see list in Appendix A to this part) shall be granted HSACU certification by the Secretary.
(b) A complete list of institutions with HSACU certification shall be provided in Appendix B to this part and posted on the NIFA Web site at http://www.nifa.usda.gov.

(c) Institutions with Hispanic students receiving less than 15% of degrees awarded in agriculture-related programs during the two most recent completed academic years shall not be granted HSACU certification by the Secretary.

(d) The list of HSACU institutions will be updated annually. However, the Secretary reserves the right to make changes at any time, when deemed appropriate and necessary.

§ 3434.7 Duration of certification.

(a) Except as provided in paragraphs (b) and (c) of this section, HSACU certification granted to an institution by the Secretary under this part shall remain valid for a period of one year.

(b) Failure to maintain eligibility status at any time during the HSACU certification period shall result in an immediate revocation of HSACU certification.

(c) Failure to remain in compliance with reporting requirements or adherence to any administrative or national policy requirements listed in award terms and conditions for any of the HSACU programs may result in a suspension or an immediate revocation of HSACU certification.

§ 3434.8 Appeals.

(a) An institution not listed as a HSACU in Appendix B to this part may submit an appeal to address denial of a certification made pursuant to this part. Such appeals must be in writing and received by the HSACU Appeals Officer, Policy and Oversight Division, National Institute of Food and Agriculture, U.S. Department of Agriculture, 800 9th Street SW., Washington, DC 20254 within 30 days following the Appeals Officer’s decision.

(b) Appeals involving an agriculture-related field of study must include the CIP code and program title of the field of study (or major).

(c) Appeals from non-HSI schools will not be considered.

(d) The NIFA Assistant Director of the Institute of Youth, Family, and Community shall serve as the Appeals Officer.

(e) In considering such appeals or administrative reviews, the Appeals Officer shall take into account alleged errors in professional judgment or alleged prejudicial procedural errors by NIFA officials. The Appeals Officer’s decision may:

1. Reverse the appealed decision;
2. Affirm the appealed decision;
3. Where appropriate, withhold a decision until additional materials are provided. The Appeals Officer may base his/her decision in whole or part on matters or factors not discussed in the decision appealed from.

(f) If the NIFA decision on the appeal is adverse to the appellant or if an appellant’s request for review is rejected, the appellant then has the option of submitting a request to the NIFA Deputy Director for Food and Community Resources for further review.

(g) The request for further review must be submitted to Policy and Oversight Division, National Institute of Food and Agriculture, U.S. Department of Agriculture, 800 9th Street SW., Washington, DC 20254 within 30 days following the Appeals Officer’s decision.

(h) No institution shall be considered to have exhausted its administrative remedies with respect to the certification or decision described in this part until the NIFA Deputy Director for Food and Community Resources has issued a final administrative decision pursuant to this section. The decision of the NIFA Deputy Director for Food and Community Resources is considered final.

(i) Appellants shall be notified in writing of any decision made by NIFA in regards to the appeal.
§ 3434.9 Recertification.

(a) The recertification process for a HSACU remains the same as the process outlined in §3434.6.

(b) There is no limit to the number of times an institution may be recertified as a HSACU.

(c) In the event an institution is not granted recertification due to non-compliance with reporting requirements for a HSACU program, the institution shall be notified in writing and given a period of 90 days from the date of notification to be in compliance.

§ 3434.10 Reporting requirements.

(a) The certification process does not involve any reporting requirements.

(b) Reporting requirements for HSACU programs (e.g., HSACU Endowment Fund) shall be established in separate parts.

APPENDIX A TO PART 3434—LIST OF AGRICULTURE-RELATED FIELDS

The instructional programs listed in this appendix are observed to be agriculture-related fields for HSACU eligibility purposes. Programs are listed in numerical order by their six-digit CIP code followed by the full title of the instructional program, as listed by the U.S. Department of Education.

Subpart A—General

§ 3550.1 Applicability.

This part sets forth policies for the direct single family housing loan programs operated by the Rural Housing Service (RHS) of the U.S. Department of Agriculture (USDA). It addresses the requirements of sections 502 and 504 of the Housing Act of 1949, as amended, and includes policies regarding both loan and grant origination and servicing. Procedures for implementing these regulations can be found in program handbooks, available in any Rural Development office. Any provision on the expenditure of funds under this part is contingent upon the availability of funds.

§ 3550.2 Purpose.

The purpose of the direct RHS single family housing loan programs is to provide low- and very low-income people who will live in rural areas with an opportunity to own adequate but modest, decent, safe, and sanitary dwellings and related facilities. The section 502 program offers persons who do not currently own adequate housing, and who cannot obtain other credit, the opportunity to acquire, build, rehabilitate, improve, or relocate dwellings in rural areas. The section 504 program offers loans to very low-income homeowners who cannot obtain other credit to repair or rehabilitate their properties. The section 504 program also offers grants to homeowners age 62 or older who cannot obtain a loan to correct health and safety hazards or to make the unit accessible to household members with disabilities.

§ 3550.3 Civil rights.

RHS will administer its programs fairly, and in accordance with both the letter and the spirit of all equal opportunity and fair housing legislation and applicable executive orders. Loans, grants, services, and benefits provided under this part shall not be denied to any person based on race, color, national origin, sex, religion, marital status, familial status, age, physical or mental disability, receipt of income from public assistance, or because the applicant has, in good faith, exercised any right under the Consumer Credit Protection Act (15 U.S.C. 1601 et seq.). All activities under this part shall be accomplished in accordance with the Fair Housing Act (42 U.S.C. 3601–3620), Executive Order 11246, and Executive Order 11063, as amended by Executive Order 12259, as applicable. The civil rights compliance requirements for RHS are in 7 CFR part 1901, subpart E.

§ 3550.4 Reviews and appeals.

Whenever RHS makes a decision that is adverse to a participant, RHS will provide the participant with written notice of such adverse decision and the participant’s rights to a USDA National Appeals Division hearing in accordance with 7 CFR part 11. Any adverse decision, whether appealable or non-appealable may be reviewed by the next-level RHS supervisor.

§ 3550.5 Environmental requirements.

(a) Policy. RHS will consider environmental quality as equal with economic, social, and other relevant factors in program development and decision-making processes. RHS will take into account potential environmental impacts of proposed projects by working with RHS applicants, other federal agencies, Indian tribes, State and local governments, and interested citizens and organizations in order to formulate actions that advance the program’s goals in a manner that will protect, enhance, and restore environmental quality.

(b) Regulatory references. Processing and servicing actions under this part will be done in accordance with the requirements provided in 7 CFR part 1940, subpart G which addresses environmental requirements and 7 CFR part 1924, subpart A, which addresses lead-based paint.

§ 3550.6 State law or State supplement.

State and local laws and regulations, and the laws of federally recognized Indian tribes, may affect RHS implementation of certain provisions of this regulation, for example, with respect to the treatment of liens, construction, or environmental policies. Supplemental
guidance may be issued in the case of any conflict or significant differences.

§ 3550.7 Demonstration programs.

From time to time, RHS may authorize limited demonstration programs. The purpose of these demonstration programs is to test new approaches to offering housing under the statutory authority granted to the Secretary. Therefore, such demonstration programs may not be consistent with some of the provisions contained in this part. However, any program requirements that are statutory will remain in effect. Demonstration programs will be clearly identified as such.

§ 3550.8 Exception authority.

An RHS official may request, and the Administrator or designee may make, an exception to any requirement or provision of this part or address any omission of this part that is consistent with the applicable statute if the Administrator determines that application of the requirement or provision, or failure to take action in the case of an omission, would adversely affect the Government’s interest.

§ 3550.9 Conflict of interest.

(a) Objective. It is the objective of RHS to maintain the highest standards of honesty, integrity, and impartiality by employees. To reduce the potential for employee conflict of interest, all processing, approval, servicing, or review activity will be conducted in accordance with 7 CFR part 1900, subpart D by RHS employees who:

(1) Are not themselves the applicant or borrower;

(2) Are not members of the family or close known relatives of the applicant or borrower;

(3) Do not have an immediate working relationship with the applicant or borrower, the employee related to the applicant or borrower, or the employee who would normally conduct the activity; or

(4) Do not have a business or close personal association with the applicant or borrower.

(b) Applicant or borrower responsibility. The applicant or borrower must disclose any known relationship or association with an RHS employee when such information is requested.

(c) RHS employee responsibility. An RHS employee must disclose any known relationship or association with a recipient, regardless of whether the relationship or association is known to others. RHS employees or members of their families may not purchase a Real Estate Owned (REO) property, security property from a borrower, or security property at a foreclosure sale. Loan closing agents who have been involved with a particular property, as well as members of their families, are also precluded from purchasing such properties.

§ 3550.10 Definitions.

Acceleration. Demand for immediate repayment of the entire balance of a debt if the security instruments are breached.

Adjusted income. Used to determine whether an applicant is income-eligible. Adjusted income provides for deductions to account for varying household circumstances and expenses. See § 3550.54 for a complete description of adjusted income.

Adjustment. An agreement to release a debtor from liability generally upon receipt of an initial lump sum representing the maximum amount the debtor can afford to pay and periodic additional payments over a period of up to 5 years.

Amortized payment. Equal monthly payments under a fully amortized mortgage loan that provides for the scheduled payment of interest and principal over the term of the loan.

Applicant. An adult member of the household who will be responsible for repayment of the loan.

Assumption. The procedure whereby the transferee becomes liable for all or part of the debt of the transferor.

Borrower. A recipient who is indebted under the section 502 or 504 programs.

Compromise. An agreement to release a debtor from liability upon receipt of
a specified lump sum that is less than the total amount due.

Conditional commitment. A determination that a proposed dwelling will qualify as a program-eligible property. The conditional commitment does not reserve funds, nor does it ensure that a program-eligible applicant will be available to buy the dwelling.

Cosigner. An individual or an entity that joins in the execution of a promissory note to compensate for any deficiency in the applicant’s repayment ability. The cosigner becomes jointly liable to comply with the terms of the promissory note in the event of the borrower’s default, but is not entitled to any interest in the security or borrower rights.

Cross-collateralized loan. A situation in which a single property secures both RHS and Farm Service Agency loans.

Custodial property. Borrower-owned real property that serves as security for a loan that has been taken into possession by the Agency to protect the Government’s interest.

Daily simple interest. A method of establishing borrower payments based on daily interest charged on the outstanding principal balance of the loan. Principal is reduced by the amount of payment in excess of the accrued interest.

Dealer-contractor. A person, firm, partnership, or corporation in the business of selling and servicing manufactured homes and developing sites for manufactured homes. A person, firm, partnership, or corporation not capable of providing the complete service is not eligible to be a dealer-contractor.

Debt instrument. A collective term encompassing obligating documents for a loan, including any applicable promissory note, assumption agreement, or grant agreement.

Deferred mortgage payments. A subsidy available to eligible, very low-income borrowers of up to 25 percent of their principal and interest payments at 1 percent for up to 15 years. The deferred amounts are subject to recapture on sale or nonoccupancy.

Deficient housing. A dwelling that lacks complete plumbing; lacks adequate heating; is dilapidated or structurally unsound; has an overcrowding situation that will be corrected with loan funds; or that is otherwise uninhabitable, unsafe, or poses a health or environmental threat to the occupant or others.

Elderly family. An elderly family consists of one of the following:

(1) A person who is the head, spouse, or sole member of a family and who is 62 years of age or older, or who is disabled, and is an applicant or borrower;

(2) Two or more persons who are living together, at least 1 of whom is age 62 or older, or disabled, and who is an applicant or borrower; or

(3) In the case of a family where the deceased borrower or spouse was at least 62 years old or disabled, the surviving household member shall continue to be classified as an elderly family for the purpose of determining adjusted income, even though the surviving members may not meet the definition of elderly family on their own, provided:

(i) They occupied the dwelling with the deceased family member at the time of the death;

(ii) If one of the surviving family members is the spouse of the deceased family member, the family shall be classified as an elderly family only until the remarriage of the surviving spouse; and

(iii) At the time of the death of the deceased family member, the dwelling was financed under title V of the Housing Act of 1949, as amended.

Escrow account. An account to which the borrower contributes monthly payments to cover the anticipated costs of real estate taxes, hazard and flood insurance premiums, and other related costs.

Existing dwelling or unit. A dwelling or unit that has either been previously owner-occupied or has been completed for more than 1 year as evidenced by an occupancy permit, certificate of occupancy or similar document issued by the local authority.

False information. Information that the recipient knew was incorrect or should have known was incorrect that was provided or omitted for the purposes of obtaining assistance for which the recipient was not eligible.

Full-time student. A person who carries at least the minimum number of credit hours considered to be full-time
Rural Housing Service, USDA § 3550.10

by college or vocational school in which the person is enrolled.

*Hazard.* A condition of the property that jeopardizes the health or safety of the occupants or members of the community, that does not make it unfit for habitation. (See also the definition of major hazard in this section.)

*Household.* All persons expected to be living in the dwelling, except for live-in aids, foster children, and foster adults.

*Housing Act of 1949, as amended.* The Act which provides the authority for the direct single family housing programs. It is codified at 42 U.S.C. 1471 et seq.

*HUD.* The U.S. Department of Housing and Urban Development.

*Inaccurate information.* Incorrect information inadvertently provided, used, or omitted without the intent to obtain benefits for which the recipient was not eligible.

*Indian reservation.* All land located within the limits of any Indian reservation under the jurisdiction of the United States notwithstanding the issuance of any patent and including rights-of-way running through the reservation; trust or restricted land located within the boundaries of a former reservation of a federally recognized Indian tribe in the State of Oklahoma; or all Indian allotments, the titles to which have not been extinguished, if such allotments are subject to the jurisdiction of a federally recognized Indian tribe.

*Interest credit.* A payment subsidy available to certain eligible section 502 borrowers that reduces the effective interest rate of a loan (see 3550.68(d)).

*Borrowers receiving interest credit will continue to receive it on all current and future loans for as long as they remain eligible for and continue to receive a subsidy. Borrowers who cease to be eligible for interest credit can never receive interest credit again, but may receive payment assistance if they again qualify for a payment subsidy.*

*Junior lien.* A security instrument or a judgment against the security property to which the RHS debt instrument is superior.

*Legal alien.* For the purposes of this part, legal alien refers to any person lawfully admitted to the country who meets the criteria in section 214 of the Housing and Community Development Act of 1980, 42 U.S.C. 1436a.

*Leveraged loan.* An affordable housing product loan or grant to an Agency borrower property, closed simultaneously with an RHS loan. Affordable leveraged loans are characterized by long term (not less than 30 years), amortized payments with a note interest rate equal to or less than 3 percent.

*Live-in aide.* A person who lives with an elderly or disabled person and is essential to that person’s care and well-being, not obligated for the person’s support, and would not be living in the unit except to provide the support services.

*Low income.* An adjusted income that is greater than the HUD established very low-income limit, but that does not exceed the HUD established low-income limit (generally 80 percent of median income adjusted for household size) for the county or Metropolitan Statistical Area where the property is or will be located.

*Major hazard.* A condition so severe that it makes the property unfit for habitation. (See also the definition of hazard in this section.)

*Manufactured home.* A structure that is built to Federally Manufactured Home Construction and Safety Standard and RHS Thermal Performance Standards. It is transportable in 1 or more sections, which in the traveling mode is 10-body feet (3.048 meters) or more in width, and when erected on site is 400 or more square feet (37.16 square meters), and which is built on a permanent chassis and designed to be used as a dwelling with or without a permanent foundation when connected to the required utilities. It is designed and constructed for permanent occupancy by a single family and contains permanent eating, cooking, sleeping, and sanitary facilities. The plumbing, heating, and electrical systems are contained in the structure. A permanent foundation is required.

*Market value.* The value of the property as determined by a current appraisal, RHS may authorize the use of a Broker’s Price Opinion or similar instrument to determine market value in limited servicing situations.
Mobile home. A manufactured unit often referred to as a “trailer,” designed to be used as a dwelling, but built prior to the enactment of the Housing and Community Development Act of 1980 (Pub. L. 96–399) enacted October 8, 1980.

Moderate income. An adjusted income that is greater than the low-income limit, but that does not exceed the HUD established low-income limit by more than $5,500.

Modest housing. A property that is considered modest for the area, with a market value that does not exceed the applicable maximum loan limit as established by RHS in accordance with §3550.63. In addition, the property must not be designed for income producing activities nor have an in-ground swimming pool.

Modular or panelized home. Housing, constructed of one or more factory-built sections or panels, which, when completed, meets or exceeds the requirements of the recognized development standards (model building codes) for site built housing, and which is designed to be permanently connected to a site-built foundation.

Moratorium. A period of up to 2 years during which scheduled payments are not required, but are subject to repayment at a later date.

Mortgage. A form of security instrument or consensual lien on real property including a real estate mortgage or a deed of trust.

Net family assets. The value of assets available to a household that could be used towards housing costs. Net family assets are considered in the calculation of annual income and are used to determine whether the household must make additional cash contributions to improve or purchase the property.

Net recovery value. The market value of the security property minus anticipated expenses of liquidation, acquisition, and sale as determined by RHS.

New dwelling or unit. A dwelling that is to be constructed, or a dwelling that is less than 1 year old as evidenced by an occupancy permit, certificate of occupancy or similar document issued by the local authority and has never been occupied.

Nonprogram (NP) interest rate. The interest rate offered by RHS for loans made on NP terms.

NP property. Property that does not meet the program eligibility requirements outlined in §§3550.56 and 3550.57.

NP terms. Credit terms available from RHS when the applicant or property is not program-eligible.

Offset. Deductions to pay a debt owed to RHS from a borrower’s retirement benefits, salary, income tax refund, or payments from other federal agencies to the borrower. Deductions from retirement benefits and salary generally apply only to current and former federal employees.

Participant. For the purpose of reviews and appeals, a participant is any individual or entity who has applied for, or whose right to participate in or receive a payment, loan, or other benefit is affected by an RHS decision.

Payment assistance. A payment subsidy available to eligible section 502 borrowers that reduces the effective interest rate of a loan (see §3550.68(c)). Borrowers eligible for a payment subsidy receive payment assistance unless they are currently eligible for and receive interest credit. There are two methods of payment assistance. Payment assistance method 1 is found at 3550.68(c)(2). Payment assistance method 2 is found at 3550.68(c)(1).

Payment subsidy. A general term for subsidies which reduce the borrower’s scheduled payment. It refers to either payment assistance or interest credit.

Person with disability. Any person who has a physical or mental impairment that substantially limits one or more major life activities, including functions such as caring for one’s self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working, has a record of such an impairment, or is regarded as having such an impairment.

PITI ratio. The amount paid by the borrower for principal, interest, taxes, and insurance (PITI), divided by repayment income.

Principal reduction attributed to subsidy (PRAS). Accelerated principal reduction that can occur when a borrower receives a reduced interest rate through a payment subsidy.
Prior lien. A security instrument or a judgment against the security property that is superior to the RHS debt instrument.

Program-eligible applicant. Any applicant meeting the eligibility requirements described in §3550.53.

Program-eligible property. A property eligible to be financed under this part, as determined by the criteria listed in §§3550.56 through 3550.59.

Program terms. Credit terms that are available only to program-eligible applicants for program-eligible properties.

Property. The land, dwelling, and related facilities for which the applicant will use RHS assistance.

Protective advances. Costs incurred by the Agency to protect the security interest of the Government that are charged to the borrower’s account.

Recapture amount. An amount of subsidy to be repaid by the borrower upon disposition or nonoccupancy of the property.

Recipient. Any applicant, borrower, or grant recipient who applies for or receives assistance under the section 502 or 504 programs.

REO. The acronym for “Real Estate Owned.” It refers to property for which RHS holds title.

Repayment income. Used to determine whether an applicant has the ability to make monthly loan payments. Repayment income includes amounts excluded for the purpose of determining adjusted income. See §3550.54 for a complete description.

RHS. The Rural Housing Service of the U.S. Department of Agriculture, or its successor agency, formerly the Rural Housing and Community Development Service (RHCD), a successor agency to the Farmers Home Administration (FmHA).

RHS employee. Any employee of RHS, or any employee of the Rural Development mission area who carries out grant or loan origination or servicing functions for the section 502 or 504 programs.

RHS interest rate. The unsubsidized interest rate offered by RHS for loans made on program terms.

Rural area. A rural area is:

(a) Open country or any town, village, city, or place, including the immediate adjacent densely settled area, which is not part of or associated with an urban area and which:

(1) Has a population not in excess of 2,500 inhabitants; or

(2) Has a population in excess of 2,500 but not in excess of 10,000 if it is rural in character; or

(3) Has a population in excess of 10,000 but not in excess of 20,000, and—

(i) Is not contained within a Metropolitan Statistical Area; and

(ii) Has a serious lack of mortgage credit for lower and moderate-income families as determined by the Secretary of Agriculture and the Secretary of Housing and Urban Development.

(b) Any area classified as “rural” or a “rural area” prior to October 1, 1990, and determined not to be “rural” or a “rural area” as a result of data received from or after the 1990, 2000, or 2010 decennial census, and any area deemed to be a “rural area” at any time during the period beginning January 1, 2000, and ending December 31, 2010, shall continue to be so classified until the receipt of data from the decennial census in the year 2020, if such area has a population in excess of 10,000 but not in excess of 35,000, is rural in character, and has a serious lack of mortgage credit for lower and moderate-income families.

Rural Development. A mission area within USDA which includes RHS, Rural Utilities Service (RUS), and Rural Business-Cooperative Service (RBS).

Scheduled payment. The monthly or annual installment on a promissory note plus escrow (if required), as modified by any payment subsidy agreement, delinquency workout agreement, other documented agreements between RHS and the borrower, or protective advances.

Secured loan. A loan that is collateralized by property so that in the event of a default on the loan, the property may be sold to satisfy the debt.
§ 3550.10, Ni.

Security property. All the property that serves as collateral for an RHS loan.

Subsidy. Interest credit, payment assistance, or deferred mortgage assistance received by a borrower under the section 502 or 504 programs.

Total debt ratio. The amount paid by the borrower for PITI and any recurring monthly debt, divided by repayment income.

Unauthorized assistance. Any loan, payment subsidy, deferred mortgage payment, or grant for which there was no regulatory authorization or for which the recipient was not eligible.

U.S. citizen. An individual who resides as a citizen in any of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, the Federated States of Micronesia, the Republic of Palau, or the Republic of the Marshall Islands.

USDA. The United States Department of Agriculture.

Unsecured loan. A loan evidenced only by the borrower’s promissory note.

Value appreciation. The current market value of the property minus: the balance due prior lienholders, the unpaid balance of the RHS debt, unreimbursed closing costs (if any), principal reduction, the original equity (if any) of the borrower, and the value added by capital improvements.

Very low-income. An adjusted income that does not exceed the HUD-established very low-income limit (generally 50 percent of median income adjusted for household size) for the county or the Metropolitan Statistical Area where the property is or will be located.

Veterans preference. A preference extended to any person applying for a loan or grant under this part who served on active duty and has been discharged or released from the active forces on conditions other than dishonorable from the United States Army, Navy, Air Force, Marine Corps, or Coast Guard. The preference applies to the serviceperson, or the family of a deceased serviceperson who died in service before the termination of such war or such period or era. The applicable timeframes are:

(1) During the period of April 6, 1917, through March 31, 1921;
(2) During the period of December 7, 1941, through December 31, 1946;
(3) During the period of June 27, 1950, through January 31, 1955;
(4) For a period of more than 180 days, any part of which occurred after January 31, 1955, but on or before May 7, 1975; or
(5) During the period beginning August 2, 1990, and ending the date prescribed by Presidential Proclamation or law.

EFFECTIVE DATE NOTE: At 80 FR 23678, Apr. 29, 2015, § 3550.10 was amended by adding new definitions of “Agency-approved intermediary”, “Agency-certified loan application packager”, “National average area loan limit”, and “Qualified employer”, effective July 28, 2015. Per final rule of June 5, 2015, 80 FR 31971, the effective date was deferred to Oct. 1, 2015. Per final rule of Sept. 11, 2015, 80 FR 54713, the effective date was further delayed to Oct. 1, 2016.

For the convenience of the user, the added text is set forth as follows:

§ 3550.10 Definitions.

* * * * *

Agency-approved intermediary. An affordable housing nonprofit, public agency, or State Housing Finance Agency approved by RHS to perform quality assurance reviews on packages prepared by Agency-certified loan application packagers through their qualified employers. See § 3550.75 for further details.

Agency-certified loan application packager. An individual certified by RHS under this subpart to package section 502 loan applications while employed (either as an employee or as an independent contractor) by a qualified employer. See § 3550.75 for further details.

National average area loan limit. Across the nation, the average area loan limit as specified in § 3550.63(a). The national average is considered when determining the maximum packaging fee permitted under the certified loan application packaging process under the section 502 program.

* * * * *
Qualified employer. An affordable housing nonprofit organization, public agency, tribal housing authority, or State Housing Finance Agency that meets the requirements outlined in §3550.75(b)(2) and is involved in the certified loan application packaging process under the section 502 program.

§ 3550.11 State Director assessment of homeowner education.

(a) State Director's will make an assessment of the availability of certified homeowner education in their respective states and maintain an annually updated listing of providers and their reasonable costs.

(b) The order of preference for homeowner education formats is as follows:

(1) Classroom; one-on-one counseling; or interactive video conference.

(2) If none of the formats in paragraph (b)(1) of this section is reasonably available; as determined under §3550.53(i), then the applicant may use interactive home-study or interactive telephone counseling of at least four hours duration.

(3) If none of the formats in paragraphs (b)(1) and (b)(2) of this section is reasonably available as determined under §3550.53(i), then the applicant may use on-line counseling to meet the homeownership education requirement.

(c) Homeownership education must include a letter or certificate of completion and be provided by homeownership education counselors that are certified by any of the following:

(1) The Department of Housing and Urban Development (HUD);

(2) NeighborWorks America (NWA);

(3) The National Federation of Housing Counselors (NFHC);

(4) National American Indian Housing Council (NAIHC); or

(5) The State Housing Finance Agency or other qualified organization approved by the State Director.

(d) The provider will issue a letter or certificate of completion to document that the borrower has satisfactory knowledge of these minimum topics:

(1) Preparing for homeownership (evaluate readiness to go from rental to homeownership),

(2) Budgeting (pre and post-purchase),

(3) Credit counseling,

(4) Shopping for a home,

(5) Lender differences (predatory lending),

(6) Obtaining a mortgage (mortgage process, different types of mortgages),

(7) Loan closing (closing process, documentation, closing costs),

(8) Post-occupancy counseling (delinquency and foreclosure prevention),

(9) Life as a homeowner (homeowner warranties, maintenance and repairs),

(e) The provider may tailor the homeownership education training to the needs of the borrower to ensure satisfactory knowledge of the topics listed in paragraph (d) of this section.

§ 3550.50 OMB control number.

The information collection requirements contained in this regulation have been approved by the Office of Management and Budget (OMB) and have been assigned OMB control number 0575-0172. Public reporting burden for this collection of information is estimated to vary from 5 minutes to 3 hours per response, with an average of 1½ hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. You are not required to respond to this collection of information unless it displays a currently valid OMB control number.

Subpart B—Section 502 Origination

§ 3550.51 Program objectives.

Section 502 of the Housing Act of 1949, as amended authorizes the Rural Housing Service (RHS) to provide financing to help low- and very low-income persons who cannot obtain credit from other sources obtain adequate housing in rural areas. Resources for the section 502 program are limited, and therefore, applicants are required to use section 502 funds in conjunction with funding or financing from other sources, if feasible. Sections 3550.52
through 3550.73 set forth the requirements for originating loans on program terms. Section 3550.74 describes the differences for originating loans on non-program (NP) terms.

§ 3550.52 Loan purposes.

Section 502 funds may be used to buy, build, rehabilitate, improve, or relocate an eligible dwelling and provide related facilities for use by the borrower as a permanent residence. In limited circumstances section 502 funds may be used to refinance existing debt.

(a) Purchases from existing RHS borrowers. To purchase a property currently financed by an RHS loan, the new borrower must assume the existing RHS indebtedness. Section 502 funds may be used to provide additional financing or make repairs. Loan funds also may be used to permit a remaining borrower to purchase the equity of a departing co-borrower.

(b) Refinancing non-RHS loans. Debt from an existing non-RHS loan may be refinanced if the existing debt is secured by a lien against the property, RHS will have a first lien position on the security property after refinancing, and:

(1) In the case of loans for existing dwellings, if:
(i) Due to circumstances beyond the applicant’s control, the applicant is in danger of losing the property, the debt is over $5,000, and the debt was incurred for eligible program purposes prior to loan application or was a protective advance made by the mortgagee for items covered by the loan to be refinanced, including accrued interest, insurance premiums, real estate tax advances, or preliminary foreclosure costs; or
(ii) If a loan of $5,000 or more is necessary for repairs to correct major deficiencies and make the dwelling decent, safe and sanitary and refinancing is necessary for the borrower to show repayment ability, regardless of the delinquency.

(2) In the case of loans for a building site without a dwelling, if:
(i) The debt to be refinanced was incurred for the sole purpose of purchasing the site;
(ii) The applicant is unable to acquire adequate housing without refinancing; and
(iii) The RHS loan will include funds to construct an appropriate dwelling on the site for the applicant’s use.

(3) Debts incurred after the date of RHS loan application but before closing may be refinanced if the costs are incurred for eligible loan purposes and any construction work conforms to the standards specified in this part.

(c) Refinancing RHS debt. Under limited circumstances, an existing RHS loan may be refinanced in accordance with §3550.204 to allow the borrower to receive payment assistance.

(d) Eligible costs. Improvements financed with loan funds must be on land which, after closing, is part of the security property. In addition to acquisition, construction, repairs, or the cost of relocating a dwelling, loan funds may be used to pay for:

(1) Reasonable expenses related to obtaining the loan, including legal, architectural and engineering, technical, title clearance, and loan closing fees; and appraisal, surveying, environmental, tax monitoring, and other technical services; and personal liability insurance fees for Mutual Self-Help borrowers.

(2) The cost of providing special design features or equipment when necessary because of a physical disability of the applicant or a member of the household.

(3) Reasonable connection fees, assessments, or the pro rata installment costs for utilities such as water, sewer, electricity, and gas for which the borrower is liable and which are not paid from other funds.

(4) Reasonable and customary lender charges and fees if the RHS loan is being made in combination with a leveraged loan.

(5) Real estate taxes that are due and payable on the property at the time of closing and for the establishment of escrow accounts for real estate taxes, hazard and flood insurance premiums, and related costs.

(6) Fees to public and private non-profit organizations that are tax exempt under the Internal Revenue Code for the development and packaging of loan applications, except for loans related to the purchase of an RHS Real Estate Owned (REO) property.
§ 3550.53 Eligibility requirements.

(a) Income eligibility. At the time of loan approval, the household’s adjusted income must not exceed the applicable low-income limit for the area, and at closing, must not exceed the applicable moderate-income limit for the area (see § 3550.54).

(b) Citizenship status. The applicant must be a United States citizen or a noncitizen who qualifies as a legal alien as defined in § 3550.10.

(c) Primary residence. Applicants must agree to and have the ability to occupy the dwelling on a permanent basis.

(1) Because of the probability of transfer, loans will not be approved for military personnel on active duty unless the applicant will be discharged within a reasonable period of time.

(2) Because of the probability of moves after graduation, loans will not be approved for a full-time student unless the applicant intends to make the home a permanent residence and there are reasonable prospects that employment will be available in the area after graduation.

(3) If the home is being constructed or renovated an adult member of the household must be available to make inspections and authorize progress payments as the dwelling is being constructed.

(d) Eligibility of current homeowners. Current homeowners are not eligible for initial loans except as follows:

(1) Current homeowners may receive RHS loan funds to:

(i) Refinance an existing loan under the conditions outlined in § 3550.52(b);

(ii) Purchase a new dwelling if the current dwelling is deficient housing as defined in § 3550.10; or

(2) Purchase or improve income-producing land or buildings to be used principally for income-producing purposes.

(3) Pay fees, commissions, or charges to for-profit entities related to loan packaging or referral of prospective applicants to RHS.
(iii) Make necessary repairs to the property which is financed with an affordable non-RHS loan.

(2) Current homeowners with an RHS loan may receive a subsequent loan.

(e) Legal capacity. Applicants must have the legal capacity to incur the loan obligation, or have a court-appointed guardian or conservator who is empowered to obligate the applicant in real estate matters.

(f) Suspension or debarment. Applications from applicants who have been suspended or debarred from participation in federal programs will be handled in accordance with 7 CFR part 3017.

(g) Repayment ability. Repayment ability means applicants must demonstrate adequate and dependably available income. The determination of income dependability will include consideration of the applicant’s past history of annual income.

(1) A very low-income applicant is considered to have repayment ability when the monthly amount required for payment of principal, interest, taxes, and insurance (PITI) does not exceed 29 percent of the applicant’s repayment income, and the monthly amount required to pay PITI plus recurring monthly debts does not exceed 41 percent of the applicant’s repayment income.

(2) A low-income applicant is considered to have repayment ability when the monthly amount required for payment of PITI does not exceed 33 percent of the applicant’s repayment income, and the monthly amount required to pay PITI plus recurring monthly debts does not exceed 41 percent of repayment income.

(3) Repayment ratios may exceed the percentages specified in paragraphs (g)(1) and (g)(2) of this section if the applicant has demonstrated an ability to meet higher debt obligations, or if RHS determines, based on other compensating factors, that the household has a higher repayment ability.

(4) If an applicant does not meet the repayment ability requirements, the applicant can have other household members join the application.

(h) Credit qualifications. Applicants must be unable to secure the necessary credit from other sources on terms and conditions that the applicant could reasonably be expected to fulfill. Applicants must have a credit history that indicates reasonable ability and willingness to meet debt obligations. An applicant with an outstanding judgment obtained by the United States in a federal court, other than the United States Tax Court, is not eligible for a loan or grant from RHS.

(1) Indicators of unacceptable credit include:

(i) Payments on any account where the amount of the delinquency exceeded one installment for more than 30 days within the last 12 months.

(ii) Payments on any account which was delinquent for more than 30 days on two or more occasions within a 12-month period.

(iii) A foreclosure which has been completed within the last 36 months.

(iv) An outstanding Internal Revenue Service tax lien or any other outstanding tax liens with no satisfactory arrangement for payment.

(v) A court-created or court-affirmed obligation or judgment caused by non-payment that is currently outstanding or has been outstanding within the last 12 months, except for those excluded in paragraph (i)(2) of this section.

(vi) Two or more rent payments paid 30 or more days late within the last 2 years. If the applicant has experienced no other credit problems in the past 2 years, only 1 year of rent history will be evaluated. Rent payment history requirements may be waived if the RHS loan will reduce shelter costs significantly and contribute to an improved repayment ability.

(vii) Outstanding collection accounts with a record of irregular payment with no satisfactory arrangements for repayment, or collection accounts that were paid in full within the last 6 months.

(viii) Non-agency debts written off within the last 36 months unless paid in full at least 12 months ago.

(ix) Agency debts that were debt settled within the last 36 months or are being considered for debt settlement.
§ 3550.54 Calculation of income and assets.

(a) Repayment income. Repayment income is the annual amount of income from all sources that are expected to be received by those household members who are parties to the promissory note, except for any student financial aid received by these household members for tuition, fees, books, equipment, materials, and transportation. Repayment income is used to determine the household’s ability to repay a loan.

(b) Annual income. Annual income is the income of all household members from all sources except those listed in (b)(1) through (b)(12) of this section:

1. Earned income of persons under the age of 18 unless they are a borrower or a spouse of a member of the household;
2. Payments received for the care of foster children or foster adults;
3. Amounts granted for or in reimbursement of the cost of medical expenses;
4. Earnings of each full-time student 18 years of age or older, except the head of household or spouse, that are in excess of any amount determined pursuant to section 501(b)(5) of the Housing Act of 1949, as amended;
5. Temporary, nonrecurring, or sporadic income (including gifts);
6. Lump sum additions to family assets such as inheritances; capital gains; insurance payments under health, accident, or worker’s compensation policies; settlements for personal or property losses; and deferred periodic payments of supplemental security income and Social Security benefits received in a lump sum;
7. Any earned income tax credit;
8. Adoption assistance in excess of any amount determined pursuant to section 501(b)(5) of the Housing Act of 1949, as amended;
9. Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling;
10. Amounts paid by a State agency to a family with a developmentally disabled family member living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home;

§ 3550.54 Calculation of income and assets.

(a) Repayment income. Repayment income is the annual amount of income from all sources that are expected to be received by those household members who are parties to the promissory note, except for any student financial aid received by these household members for tuition, fees, books, equipment, materials, and transportation. Repayment income is used to determine the household’s ability to repay a loan.

(b) Annual income. Annual income is the income of all household members from all sources except those listed in (b)(1) through (b)(12) of this section:

1. Earned income of persons under the age of 18 unless they are a borrower or a spouse of a member of the household;
2. Payments received for the care of foster children or foster adults;
3. Amounts granted for or in reimbursement of the cost of medical expenses;
4. Earnings of each full-time student 18 years of age or older, except the head of household or spouse, that are in excess of any amount determined pursuant to section 501(b)(5) of the Housing Act of 1949, as amended;
5. Temporary, nonrecurring, or sporadic income (including gifts);
6. Lump sum additions to family assets such as inheritances; capital gains; insurance payments under health, accident, or worker’s compensation policies; settlements for personal or property losses; and deferred periodic payments of supplemental security income and Social Security benefits received in a lump sum;
7. Any earned income tax credit;
8. Adoption assistance in excess of any amount determined pursuant to section 501(b)(5) of the Housing Act of 1949, as amended;
9. Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling;
10. Amounts paid by a State agency to a family with a developmentally disabled family member living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home;

§ 3550.54 Calculation of income and assets.

(a) Repayment income. Repayment income is the annual amount of income from all sources that are expected to be received by those household members who are parties to the promissory note, except for any student financial aid received by these household members for tuition, fees, books, equipment, materials, and transportation. Repayment income is used to determine the household’s ability to repay a loan.

(b) Annual income. Annual income is the income of all household members from all sources except those listed in (b)(1) through (b)(12) of this section:

1. Earned income of persons under the age of 18 unless they are a borrower or a spouse of a member of the household;
2. Payments received for the care of foster children or foster adults;
3. Amounts granted for or in reimbursement of the cost of medical expenses;
4. Earnings of each full-time student 18 years of age or older, except the head of household or spouse, that are in excess of any amount determined pursuant to section 501(b)(5) of the Housing Act of 1949, as amended;
5. Temporary, nonrecurring, or sporadic income (including gifts);
6. Lump sum additions to family assets such as inheritances; capital gains; insurance payments under health, accident, or worker’s compensation policies; settlements for personal or property losses; and deferred periodic payments of supplemental security income and Social Security benefits received in a lump sum;
7. Any earned income tax credit;
8. Adoption assistance in excess of any amount determined pursuant to section 501(b)(5) of the Housing Act of 1949, as amended;
9. Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling;
10. Amounts paid by a State agency to a family with a developmentally disabled family member living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home;
(11) The full amount of any student financial aid; and
(12) Any other revenue exempted by a Federal statute; a list of which is available from any Rural Development office.

(c) Adjusted income. Adjusted income is used to determine program eligibility for sections 502 and 504 and the amount of payment subsidy for which the household qualifies under section 502. Adjusted income is annual income as defined in paragraph (b) of this section less any of the following deductions for which the household is eligible.

(1) For each household member, except the head of household or spouse, who is under 18 years of age, 18 years of age or older with a disability, or a full-time student, the amount determined pursuant to section 501(b)(5) of the Housing Act of 1949, as amended.

(2) A deduction of reasonable expenses for the care of minor 12 years of age or under that:
   (i) Enable a family member to work or to further a member’s education;
   (ii) Are not reimbursed or paid by another source; and
   (iii) In the case of expenses to enable a family member to work do not exceed the amount of income earned by the family member enabled to work.

(3) Expenses related to the care of household members with disabilities that:
   (i) Enable a family member to work;
   (ii) Are not reimbursed from insurance or another source; and
   (iii) Are in excess of three percent of the household’s annual income.

(4) For any elderly family, a deduction in the amount determined pursuant to section 501(b)(5) of the Housing Act of 1949, as amended.

(5) For elderly households only, a deduction for household medical expenses that are not reimbursed from insurance or another source and which in combination with any expenses related to the care of household members with disabilities described in paragraph (c)(3) of this section, are in excess of three percent of the household’s annual income.

(d) Net family assets. Income from net family assets must be included in the calculation of annual and repayment income. Net family assets also are considered in determining whether a down payment is required.

(1) Net family assets include the cash value of:
   (i) Equity in real property, other than the dwelling or site;
   (ii) Cash on hand and funds in savings or checking accounts;
   (iii) Amounts in trust accounts that are available to the household;
   (iv) Stocks, bonds, and other forms of capital investments including life insurance policies and retirement plans that are accessible to the applicant without retiring or terminating employment;
   (v) Lump sum receipts such as lottery winnings, capital gains, inheritances;
   (vi) Personal property held as an investment; and
   (vii) Any value, in excess of the consideration received, for any business or household assets disposed of for less than fair market value during the 2 years preceding the income determination. The value of assets disposed of for less than fair market value shall not be considered if they were disposed of as a result of foreclosure or bankruptcy or a divorce or separation settlement.

(2) Net family assets do not include:
   (i) Interest in American Indian trust land;
   (ii) Cash on hand which will be used to reduce the amount of the loan;
   (iii) The value of necessary items of personal property;
   (iv) Assets that are part of the business, trade, or farming operation of any member of the household who is actively engaged in such operation;
   (v) The value of an irrevocable trust fund or any other trust over which no member of the household has control.

§ 3550.55 Applications.

(a) Application submissions. All persons applying for RHS loans must file a complete written application in a format specified by RHS. Applications will be accepted even when funds are not available.

(b) Application processing. (1) Incomplete applications will be returned to the applicant specifying in writing the
additional information that is needed to make the application complete.

(2) An applicant may voluntarily withdraw an application at any time.

(3) RHS may periodically request in writing that applicants reconfirm their interest in obtaining a loan. RHS may withdraw the application of any applicant who does not respond within the specified timeframe.

(4) Applicants who are eligible will be notified in writing. If additional information becomes available that indicates that the original eligibility determination may have been incorrect, or that circumstances have changed, RHS may reconsider the application and the applicant may be required to submit additional information.

(5) Applicants who are ineligible will be notified in writing and provided with the specific reasons for the rejection.

(c) Selection for processing. When funding is not sufficient to serve all program-eligible applicants, applications will be selected for processing using the funding priorities specified in this paragraph. Within priority categories, applications will be processed in the order that the completed applications are received. In the case of applications with equivalent priority status that are received on the same day, preference will be extended to applicants qualifying for a veterans preference. After selection for processing, loans are funded on a first-come, first-served basis.

(1) First priority will be given to existing customers who request subsequent loans to correct health and safety hazards.

(2) Second priority will be given to loans related to the sale of an REO property or the transfer of an existing RHS financed property.

(3) Third priority will be given to applicants facing housing related hardships including applicants who have been living in deficient housing for more than 6 months, current homeowners in danger of losing a property through foreclosure, and other circumstances determined by RHS on a case-by-case basis to constitute a hardship.

(4) Fourth priority will be given to applicants seeking loans for the construction of dwellings in an RHS-approved Mutual Self-Help project or loans that will leverage funding or financing from other sources.

(5) Applications from applicants who do not qualify for priority consideration in paragraphs (c)(1), (c)(2), (c)(3), or (c)(4) of this section will be selected for processing after all applications with priority status have been processed.

(d) Applicant timeframe. RHS will specify a reasonable timeframe within which eligible applicants selected for processing must provide the information needed to underwrite the loan.

EFFECTIVE DATE NOTE: At 80 FR 23678, Apr. 29, 2015, §3550.55 was amended by revising paragraph (c)(5), effective July 28, 2015. Per final rule of June 5, 2015, 80 FR 31971, the effective date was deferred to Oct. 1, 2015. Per final rule of Sept. 11, 2015, 80 FR 54713, the effective date was further delayed to Oct. 1, 2016.

For the convenience of the user, the revised text is set forth as follows:

§ 3550.55 Applications.

(c) * * * * *

(5) Applications from applicants who do not qualify for priority consideration in paragraphs (c)(1), (2), (3), or (4) of this section will be selected for processing after all applications with priority status have been processed. The Administrator may temporarily reclassify applications received through the certified loan application packaging process as fourth priority when determined appropriate.

* * * * *

§ 3550.56 Site requirements.

(a) Rural areas. Loans may be made only in rural areas designated by RHS. If an area designation is changed to non-rural:

(1) New conditional commitments will be made and existing conditional commitments will be honored only in conjunction with an applicant for a section 502 loan who applied for assistance before the area designation changed.

(2) REO property sales and transfers with assumption may be processed.

(3) Subsequent loans may be made either in conjunction with a transfer
§ 3550.57 Dwelling requirements.

(a) Modest dwelling. The property must be one that is considered modest for the area, must not be designed for income producing purposes, must not have an in-ground swimming pool or have a market value in excess of the applicable maximum loan limit, in accordance with §3550.63, unless RHS authorizes an exception under this paragraph. An exception may be granted on a case-by-case basis to accommodate the specific needs of an applicant, such as to serve exceptionally large households or to provide reasonable accommodation for a household member with a disability. Any additional loan amount approved must not exceed the amount required to address the specific need.

(1) Area-wide exception. Area-wide exceptions may be granted when RHS determines that the section 203(b) limit is too low to enable applicants to purchase adequate housing.

(2) Individual exceptions. Individual exceptions may be granted to accommodate the specific needs of an applicant, such as to serve exceptionally large households or to provide reasonable accommodation for a household member with a disability. Any additional loan amount approved must not exceed the amount required to address the specific need.

(b) New dwellings. Construction must meet the requirements in 7 CFR part 1924, subpart A.

(c) Existing dwellings. Existing dwellings must be structurally sound; functionally adequate; in good repair, or to be placed in good repair with loan funds; have adequate electrical, heating, plumbing, water, and wastewater disposal systems; and be free of termites and other wood damaging pests and organisms.

§ 3550.58 Ownership requirements.

After the loan is closed, the borrower must have an acceptable interest in the property as evidenced by one of the following.

(a) Fee-simple ownership. Acceptable fee-simple ownership is evidenced by a fully marketable title with a deed vesting a fee-simple interest in the property to the borrower.

(b) Secure leasehold interest. A written lease is required. To be acceptable, a leasehold interest must have an unexpired term that is at least 150 percent of the term of the mortgage, unless the loan is guaranteed, in which case the unexpired term of the lease must be at least 2 years longer than the loan term. In no case may the unexpired term be less than 25 years.

(c) Life estate interest. To be acceptable a life estate interest must provide the borrower with rights of present possession, control, and beneficial use of the property. Generally, persons with any remainder interests must be signatories to the mortgage. All of the remainder interests need not be included in the mortgage to the extent that one or more of the persons holding remainder interests are not legally competent (and there is no representative who can legally consent to the mortgage), cannot be located, or if the remainder interests are divided among such a large number of people that it is not practical to obtain the signatures of all of the remainder interests. In such cases, the loan may not exceed the value of the property interests owned by the persons executing the mortgage.
§ 3550.61 Undivided interest.

All legally competent co-owners will be required to sign the mortgage. When one or more of the co-owners are not legally competent (and there is no representative who can legally consent to the mortgage), cannot be located, or the ownership interests are divided among so large a number of co-owners that it is not practical for all of their interests to be mortgaged, their interests not exceeding 50 percent may be excluded from the security requirements. In such cases, the loan may not exceed the value of the property interests owned by the persons executing the mortgage.

(e) Possessory rights. Acceptable forms of ownership include possessory rights on an American Indian reservation or State-owned land and the interest of an American Indian in land held in severalty under trust patents or deeds containing restrictions against alienation, provided that land in trust or restricted status will remain in trust or restricted status.

§ 3550.60 Escrow account.

RHS may require that customers deposit into an escrow account amounts necessary to ensure that the account will contain sufficient funds to pay real estate taxes, hazard and flood insurance premiums, and other related costs when they are due in accordance with the Real Estate Settlement and Procedures Act of 1974 (RESPA) (12 U.S.C. 2601, et seq.) and section 501(e) of the Housing Act of 1949, as amended.

§ 3550.61 Insurance.

(a) Borrower responsibility. Any borrower with a secured indebtedness in excess of $15,000 at the time of loan approval must furnish and continually maintain hazard insurance on the security property, with companies, in amounts, and on terms and conditions acceptable to RHS including a “loss payable clause” payable to RHS to protect the Government’s interest.

(b) Amount. The borrower is required to insure the dwelling and any other essential buildings in an amount equal to the insurable value of the dwelling and other essential buildings. However, in cases where the borrower’s outstanding secured indebtedness is less than the insurable value of the dwelling and other essential buildings, the borrower may elect a lower coverage provided it is not less than the outstanding secured indebtedness. If the borrower fails, or is unable, to insure the secured property, RHS will force place insurance and charge the cost to the borrower’s account. Force place insurance only provides insurance coverage to the Agency and does not provide any direct coverage or benefit to
§ 3550.62

the borrower. The amount of the lender-placed coverage will generally be the property’s last known insured value.

(c) Flood insurance. Flood insurance must be obtained and maintained for the life of the loan for all property located in a Special Flood Hazard Area (SFHA) as determined by the Federal Emergency Management Agency (FEMA). RHS actions will be consistent with 7 CFR part 1806, subpart B which addressed flood insurance requirements. If flood insurance through FEMA’s National Flood Insurance Program is not available in an SFHA, the property is not eligible for federal financial assistance.

(d) Losses. (1) Loss deductible clauses for required insurance coverage may not exceed the generally accepted minimums based on current industry standards and local market conditions. (2) Customers must immediately notify RHS of any loss or damage to insured property and collect the amount of the loss from the insurance company. (3) Depending on the amount of the loss, RHS may require that loss payments be supervised. All repairs and replacements done by or under the direction of the borrower, or by contract, will be planned, performed, inspected, and paid for in accordance with 7 CFR part 1924, subpart A. (4) When insurance funds remain after all repairs, replacements, and other authorized disbursements have been made, the funds will be applied in the following order: (i) Prior liens, including delinquent property taxes. (ii) Past-due amounts. (iii) Protective advances due. (iv) Released to the customer if the RHS debt is adequately secured. (5) If a loss occurs when insurance is not in force, the borrower is responsible for making the needed repairs or replacements and ensuring that the insurance is reinstated on the property. (6) If the borrower is not financially able to make the repairs, RHS may take one of the following actions: (i) Make a subsequent loan for repairs. (ii) Subordinate the RHS lien to permit the borrower to obtain funds for needed repairs from another source. (iii) Permit the borrower to obtain funds secured by a junior lien from another source. (iv) Make a protective advance to protect the Government’s interest. (v) Accelerate the account. [61 FR 59779, Nov. 22, 1996, as amended at 70 FR 6552, Feb. 8, 2005; 73 FR 49592, Aug. 22, 2008]

§ 3550.63 Maximum loan amount.

Total secured indebtedness must not exceed the area loan limit or market value limitations specified in paragraphs (a) or (b) of this section, whichever is lower. Any loan amount for the RHS appraisal, tax monitoring fee, and the charge to establish an escrow account for taxes and insurance will not be subject to the limitations specified below. This section does not apply to loans on NP terms.

(a) Area loan limit. (1) The area loan limit is the maximum value of the property RHS will finance in a given locality. Subject to the following, this limit is based on cost data plus the
§ 3550.67 Repayment period.

Loans will be scheduled for repayment over a period that does not exceed the expected useful life of the property as a dwelling. The loan repayment period will not exceed:

(a) Thirty-three years in all cases except as noted in paragraphs (b), (c), and (d) of this section.

(b) Thirty-eight years:

- (i) When the applicant owns the site or is purchasing the site at a sales price below market value, the market value of the lot will be deducted from the maximum loan limit, and
- (ii) When an applicant is receiving a housing grant or other form of affordable housing assistance for purposes other than closing costs, the amount(s) of such grants and affordable housing assistance will be deducted from the maximum loan limit.
- (ii) When the applicant owns the site or is purchasing the site at a sales price below market value, the market value of the lot will be deducted from the maximum loan limit, and
- (ii) When an applicant is receiving a housing grant or other form of affordable housing assistance for purposes other than closing costs, the amount(s) of such grants and affordable housing assistance will be deducted from the maximum loan limit.

- (iii) The applicable State Housing Authority limit will only be considered if it is within 10 percent of the cost data plus the market value of an improved lot.
- (iv) The area loan limit may not exceed the applicable local HUD section 203(b) limit.
- (v) All area loan limit data will be updated at least annually and is available in any Rural Development office.

- (2) The maximum loan limit calculated under paragraph (a)(1) will be reduced in the following situations:
- (i) When the applicant owns the site or is purchasing the site at a sales price below market value, the market value of the lot will be deducted from the maximum loan limit, and
- (ii) When an applicant is receiving a housing grant or other form of affordable housing assistance for purposes other than closing costs, the amount(s) of such grants and affordable housing assistance will be deducted from the maximum loan limit.

- (3) The maximum loan limit for self-help housing will be calculated by adding the total of the market value of the lot (including reasonable and typical costs of site development), the cost of construction, and the value of sweat equity. The total of these three factors cannot exceed the limit established in paragraph (a)(1) of this section.

- (b) Market value limitation. (1) The market value limitation is 100 percent of market value for existing housing and for new dwellings for which RHS will receive adequate documentation of construction quality and the source of such documentation is acceptable to RHS.

- (2) The market value limitation is 90 percent of market value for new dwellings for which adequate documentation of construction quality is not available.

- (3) The market value limitation can be increased by:
- (i) Up to one percent, if RHS makes a subsequent loan for closing costs only, in conjunction with the sale of an REO property or an assumption.
- (ii) The amount necessary to make a subsequent loan for repairs necessary to protect the Government’s interest, and reasonable closing costs.
- (iii) The amount necessary to refinance an existing borrower’s RHS loans, plus closing costs associated with the new loan.

(1) For initial loans, or subsequent loans made in conjunction with an assumption, if the applicant’s adjusted income does not exceed 60 percent of the area adjusted median income and the longer term is necessary to show repayment ability.

(2) For subsequent loans not made in conjunction with an assumption if the applicant’s initial loan was for a term of 38 years, the applicant’s adjusted income at the time the subsequent loan is approved does not exceed 60 percent of area adjusted median income, and the longer terms is necessary to show repayment ability.

(c) Ten years for loans not exceeding $2,500.

(d) Thirty years for manufactured homes.

§ 3550.68 Payment subsidies.

RHS administers three types of payment subsidies: interest credit, payment assistance method 1, and payment assistance method 2. Payment subsidies are subject to recapture when the borrower transfers title or ceases to occupy the property.

(a) Eligibility for payment subsidy. (1) Applicants or borrowers who receive loans on program terms are eligible to receive payment subsidy if they personally occupy the property and have adjusted income at or below the applicable moderate-income limit.

(2) Payment subsidy may be granted for initial loans or subsequent loans made in conjunction with an assumption only if the term of the loan is 25 years or more.

(3) Payment subsidy may be granted for subsequent loans not made in conjunction with an assumption if the initial loan was for a term of 25 years or more.

(b) Determining type of payment subsidy. (1) A borrower currently receiving interest credit will continue to receive it for the initial loan and for any subsequent loan for as long as the borrower is eligible for and remains on payment assistance method 1.

(3) A borrower who has never received payment subsidy, or who has stopped receiving interest credit or payment assistance method 1, and at a later date again qualifies for a payment subsidy, will receive payment assistance method 2.

(4) A borrower may not opt to change payment assistance methods.

(c) Calculation of payment assistance. Regardless of the method used, payment assistance may not exceed the amount necessary if the loan were amortized at an interest rate of one percent.

(1) Payment Assistance Method 2. The amount of payment assistance granted is the lesser of the difference between:

(i) The annualized promissory note installments for the combined RHS loan and eligible leveraged loans plus the cost of taxes and insurance less twenty-four percent of the borrower’s adjusted income, or

(ii) The annualized promissory note installment for the RHS loan less amount the borrower would pay if the loan were amortized at an interest rate of one percent.

(2) Payment Assistance Method 1. The amount of payment assistance granted is the difference between the installment due on the promissory note and the greater of the payment amortized at the equivalent interest rate or the payment calculated based on the required floor payment. In leveraging situations, the equivalent interest rate will be used.

(i) The floor payment, which is defined as a minimum percentage of adjusted income that the borrower must pay for PIITI: 22 percent for very low-income borrowers, 24 percent for low-income borrowers with adjusted income below 65 percent of area adjusted median, and 26 percent for low-income borrowers with adjusted incomes between 65 and 80 percent of area adjusted median; or

(ii) The annualized note rate installment and the payment at the equivalent interest rate, which is determined by a comparison of the borrower’s adjusted income to the adjusted median income for the area in which the security property is located. The following

§ 3550.69 Deferred mortgage payments.

For qualified borrowers, RHS may defer up to 25 percent of the monthly principal and interest payment at 1 percent for up to 15 years. This assistance may be granted only at initial loan closing and is reviewed annually. Deferred mortgage payments are subject to recapture when the borrower transfers title or ceases to occupy the property.

(a) Eligibility. In order to qualify for deferred mortgage payments, all of the following must be true:

(1) The applicants adjusted income at the time of initial loan approval does not exceed the applicable very low-income limits.

(2) The loan term is 38 years, or 30 years for a manufactured home.

(3) The applicant’s payments for principal and interest, calculated at a one percent interest rate for the maximum allowable term, plus estimated costs for taxes and insurance exceeds:

(i) For applicants receiving payment assistance, 29 percent of the applicants repayment income by more than $10 per month; or

(ii) For applicants receiving interest credit, 20 percent of adjusted income by more than $10 per month.

(b) Amount and terms. (1) The amount of the mortgage payment to be deferred will be the difference between the applicants payment for principal and interest, calculated at one percent interest for the maximum allowable term, plus estimated costs for taxes and insurance and:

(i) For applicants receiving payment assistance, 29 percent of the applicants repayment income.

(ii) For applicants receiving interest credit, 20 percent of adjusted income.

(2) Deferred mortgage payment agreements will be effective for a 12-month period.

(3) Deferred mortgage assistance may be continued for up to 15 years after loan closing. Once a borrower becomes ineligible for deferred mortgage assistance, the borrower can never again receive deferred mortgage assistance.

(c) Annual review. The borrower’s income, taxes, and insurance will be reviewed annually to determine eligibility for continued deferred mortgage assistance. The borrower must notify RHS whenever an adult member of the household changes or obtains employment or if income increases by at least

* Or note rate, whichever is less; in no case will the equivalent interest rate be less than one percent.

(d) Calculation of interest credit. The amount of interest credit granted is the difference between the note rate installment as prescribed on the promissory note and the greater of:

(1) Twenty percent of the borrower’s adjusted income less the cost of real estate taxes and insurance, or

(2) The amount the borrower would pay if the loan were amortized at an interest rate of 1 percent.

(e) Annual review. The borrower’s income will be reviewed annually to determine whether the borrower is eligible for continued payment subsidy. The borrower must notify RHS whenever an adult member of the household changes or obtains employment, or if income increases by at least 10 percent so that RHS can determine whether a review of the borrower’s circumstances is required.

§ 3550.70 Conditional commitments.

A conditional commitment is a determination by RHS that a dwelling offered for sale will be acceptable for purchase by a qualified RHS loan applicant if it is built or rehabilitated in accordance with RHS-approved plans, specifications, and regulations and priced within the lesser of the property’s appraised value or the applicable maximum load limit. The conditional commitment does not reserve funds, does not guarantee funding, and does not ensure that an eligible loan applicant will be available to buy the dwelling.

(a) Eligibility. To be eligible to request a conditional commitment, the builder, dealer-contractor, or seller must:

(1) Have an adequate ownership interest in the property, as defined in § 3550.58, prior to the beginning of any planned construction;

(2) Have the experience and ability to complete any proposed work in a competent and professional manner;

(3) Have the legal capacity to enter into the required agreements;

(4) Be financially responsible and have the ability to finance or obtain financing for any proposed construction or rehabilitation; and

(5) Comply with the requirements of 7 CFR part 1901, subpart E and all applicable laws, regulations, and Executive Orders relating to equal opportunity. Anyone who receives 5 or more conditional commitments during a 12-month period must obtain RHS approval of an affirmative marketing plan.

(b) Limitations. Conditional commitments for new or substantially rehabilitated dwellings will not be issued after construction has started. RHS may limit the total number of conditional commitments issued in any locality based on market demand.

(c) Commitment period. A conditional commitment will be valid for 12 months from the date of issuance. The commitment may be extended for up to an additional 6 months if there are unexpected delays in construction caused by such factors as bad weather, materials shortages, or marketing difficulties. Conditional commitments may be canceled if construction does not begin within 60 days after the commitment is issued.

(d) Conditional commitments involving packaging of applications. A conditional commitment may be made to a seller, builder, or dealer-contractor who packages an RHS loan application for a prospective purchaser. In cases where the dwelling is to be constructed for sale to a specific eligible applicant, all of the following conditions must be met:

(1) The conditional commitment will not be approved until the applicant’s loan has been approved;

(2) Construction will not begin until loan funds are obligated for the loan. Exceptions may be made when it appears likely that funding will be forthcoming and as long as the RHS lien priority is not jeopardized. The sales agreement must indicate that the loan has been approved but not funded and must provide that if the loan is not closed within 90 days of the date of approval, the contractor may terminate the sales agreement and sell the property to another party. If the sales agreement is terminated, the conditional commitment will be honored for another eligible loan applicant for the remaining period of the commitment; and

(3) The RHS loan will be closed only after the dwelling is constructed or the required rehabilitation completed and final inspection has been made.

(e) Fees. An application for a conditional commitment must include payment of the conditional commitment fee. The fee will be refunded if for any reason preliminary inspection of the property or investigation of the conditional commitment applicant indicates that a conditional commitment will not be issued. Application fees will not be refunded for any property on which the required appraisal has been made.

(f) Failure of conditional commitment applicant or dwelling to qualify. The conditional commitment applicant will be informed if the conditional commitment is denied. Conditional commitments will be canceled if the property does not meet program requirements.
(g) Changes in plans, specifications, or commitment price. The holder of the conditional commitment must request approval for changes in plans, specifications, and commitment price. RHS may approve the changes if the following requirements are met:

(1) The property price does not exceed the maximum loan limit and increases in costs are due to factors beyond the control of the commitment holder; and

(2) The requested changes are justifiable and appropriate.

(b) Builder’s warranty. The builder or seller, as appropriate, must execute either an RHS-approved “Builder’s Warranty,” or provide a 10-year insured warranty when construction is completed or the loan is closed.

§ 3550.71 Special requirements for condominiums.

RHS loans may be made for condominium units under the following conditions:

(a) The unit is in a project approved or accepted by U.S. Department of Housing and Urban Development (HUD), the Federal National Mortgage Association (Fannie Mae), or the Federal Home Loan Mortgage Corporation (Freddie Mac).

(b) The condominium project complies with the requirements of the condominium enabling statute and all other applicable laws. Any right of first refusal in the condominium documents will not impair the rights of RHS to:

(1) Foreclose or take title to a condominium unit pursuant to the remedies in the mortgage;

(2) Accept a deed in lieu of foreclosure in the event of default by a mortgagor; and

(3) Sell or lease a unit acquired by RHS.

(c) If RHS obtains title to a condominium unit pursuant to the remedies in its mortgage or through foreclosure, RHS will not be liable for more than 6 months of the unit’s unpaid regularly budgeted dues or charges accrued before acquisition of the title to the unit by RHS. The homeowners association’s lien priority may include costs of collecting unpaid dues.

(d) In case of condemnation or substantial loss to the units or common elements of the condominium project, unless at least two-thirds of the first mortgagees or unit owners of the individual condominium units have given their consent, the homeowners association may not:

(1) By act or omission seek to abandon or terminate the condominium project;

(2) Change the pro rata interest or obligations of any condominium unit in order to levy assessments or charges, allocate distribution of hazard insurance proceeds or condemnation awards, or determine the pro rata share of ownership of each condominium unit in the common elements;

(3) Partition or subdivide any condominium unit;

(4) Seek to abandon, partition, subdivide, encumber, sell, or transfer the common elements by act or omission (the granting of easements for public utilities or other public purposes consistent with the intended use of the common elements by the condominium project is not a transfer within the meaning of this clause); or

(5) Use hazard insurance proceeds for losses to any condominium property (whether units or common elements) for other than the repair, replacement, or reconstruction of the condominium property.

(e) All taxes, assessments, and charges that may become liens prior to the first mortgage under local law relate only to the individual condominium units and not to the condominium project as a whole.

(f) No provision of the condominium documents gives a condominium unit owner or any other party priority over any rights of RHS as first or second mortgagee of the condominium unit pursuant to its mortgage in the case of a payment to the unit owner of insurance proceeds or condemnation awards for losses to or taking of condominium units or common elements.

(g) If the condominium project is on a leasehold the underlying lease provides adequate security of tenure as described in §3550.58(b).
§ 3550.72 Community land trusts.

Eligible dwellings located on land owned by a community land trust may be financed if:
(a) The loan meets all the requirements of this subpart; and
(b) Any restrictions, imposed by the community land trust on the property or applicant are:
(1) Reviewed and accepted by RHS before loan closing; and
(2) Automatically and permanently terminated upon foreclosure or acceptance by RHS of a deed in lieu of foreclosure.

§ 3550.73 Manufactured homes.

With the exception of the restrictions and additional requirements contained in this section, section 502 loans on manufactured homes are subject to the same conditions as all other section 502 loans.

(a) Eligible costs. In addition to the eligible costs described in §3550.52(d), RHS may finance the following activities related to manufactured homes when a real estate mortgage covers both the unit and the site:
(1) Purchase of an eligible unit, transportation, and set-up costs, and purchase of an eligible site if not already owned by the applicant;
(2) Site development work in accordance with 7 CFR part 1924, subpart A;
(3) Subsequent loans in conjunction with an assumption or sale of an REO property; or
(4) Subsequent loans for repairs of units financed under section 502.

(b) Loan restrictions. In addition to the loan restrictions described in §3550.52(e), RHS may not use loan funds to finance:
(1) An existing unit and site unless it is already financed with a section 502 loan or is an RHS REO property.
(2) The purchase of a site without also financing the unit.
(3) Alteration or remodeling of the unit when the initial loan is made.
(4) Furniture, including movable articles of personal property such as drapes, beds, bedding, chairs, sofas, divans, lamps, tables, televisions, radios, stereo sets, and other similar items of personal property. Furniture does not include wall-to-wall carpeting, refrigerators, ovens, ranges, washing machines, clothes dryers, heating or cooling equipment, or other similar items.
(c) Dealer-contractors. No loans will be made on a manufactured home sold by any entity that is not an approved dealer-contractor that will provide complete sales, service, and site development services.
(d) Loan term. The maximum term of a loan on a manufactured home is 30 years.
(e) Construction and development. Unit construction, site development and set-up must conform to the Federal Manufactured Home Construction and Safety Standards (FMHCSS) and 7 CFR part 1924, subpart A. Development under the Mutual Self-Help and borrower construction methods is not permitted for manufactured homes.
(f) Contract requirements. The dealer-contractor must sign a construction contract, as specified in 7 CFR 1924.6 which will cover both the unit and site development work. The use of multi-contracts is prohibited. A dealer-contractor may use subcontractors if the dealer-contractor is solely responsible for all work under the contract. Payment for all work will be in accordance with 7 CFR part 1924, subpart A, except no payment will be made for materials or property stored on site (e.g., payment for a unit will be made only after it is permanently attached to the foundation).
(g) Lien release requirements. All persons furnishing materials or labor in connection with the contract except the manufacturer of the unit must sign a Release by Claimants document, as specified in 7 CFR part 1924, subpart A. The manufacturer of the unit must furnish an executed manufacturer’s certificate of origin to verify that the unit is free and clear of all legal encumbrances.
§ 3550.75 Certified loan application packaging process.

Persons interested in applying for a section 502 loan may, but are not required to, submit an application through the certified loan application packaging process.

(a) General. The certified loan application packaging process involves individuals who have been designated as an Agency-certified loan application packager, their qualified employers, and, if required by the State Director, Agency-approved intermediaries.

(b) Process requirements. To package section 502 loan applications under this process, each of the following conditions must be met:

1. Agency-certified loan application packager. An individual who wishes to
acquire RHS certification as a loan application packager must meet all of the following conditions:

(i) Have at least one year of affordable housing loan origination and/or affordable housing counseling experience;

(ii) Be employed (either as an employee or as an independent contractor) by a qualified employer as outlined in paragraph (b)(2) of this section;

(iii) Complete an Agency-approved loan application packaging course and successfully pass the corresponding test as specified in paragraph (c) of this section; and

(iv) Submit applications to the Agency via an intermediary if determined necessary by a State Director.

(2) Qualified employer. Individuals who have been designated as an Agency-certified loan application packager must be employed (either as an employee or as an independent contractor) by a qualified employer. To be considered a qualified employer, the packager’s employer must meet each of the conditions specified in paragraphs (b)(2)(i) through (v) of this section. Tribal housing authorities and the States’ Housing Finance Agencies are eligible and are exempt from the conditions specified in paragraphs (b)(2)(i) through (ii) of this section.

(i) Be a nonprofit organization or public agency in good standing in the State(s) of its operation.

(ii) Be tax exempt under the Internal Revenue Code and be engaged in affordable housing per their regulations, articles of incorporation, or bylaws.

(iii) Notify the Agency and the applicant if they or their Agency-certified packager(s) are the developer, builder, seller of, or have any other such financial interest in the property for which the application package is submitted. The Agency may disallow a particular qualified employer and/or Agency-certified packager from receiving part or all of a packaging fee if the Agency determines that the financial interest is improper or the qualified employer or Agency-certified packager has a history of improperly using its position when there has been a financial interest in the property.

(iv) Prepare an affirming fair housing marketing plan for Agency approval as outlined in RD Instruction 1901–E (or in any superseding guidance provided in the impending RD Instruction 1940–D).

(v) Submit applications to the Agency via an intermediary if determined necessary by a State Director.

(3) Agency-approved intermediaries. To become an Agency-approved intermediary, an interested party must apply and demonstrate to the Agency’s satisfaction that they meet each of the conditions specified below. The States’ Housing Finance Agencies, however, are exempt from the conditions specified in paragraphs (b)(3)(i) through (v). After the initial application process, the Agency may require intermediaries to periodically demonstrate that they still meet the following criteria.

(i) Be a section 501(c)(3) nonprofit organization or public agency in good standing in the State(s) of its operation.

(ii) Be tax exempt under the Internal Revenue Code and be engaged in affordable housing per their regulations, articles of incorporation, or bylaws.

(iii) Be financially viable and demonstrate positive operating performance as evidenced by an independent audit paid for by the applicant seeking to be an intermediary.

(iv) Have at least five years of verifiable experience with the Agency’s direct single family housing loan programs;

(v) Demonstrate that their quality assurance staff has experience with packaging, originating, or underwriting affordable housing loans.

(vi) Develop and implement quality control procedures designed to prevent submission of incomplete or ineligible application packages to the Agency.

(vii) Ensure that their quality assurance staff complete an Agency-approved loan application packaging course and successfully pass the corresponding test;
(viii) Not be the developer, builder, seller of, or have any other such financial interest in the property for which the application package is submitted; and
(ix) Provide supplemental training, technical assistance, and support to certified loan application packagers and qualified employers to promote quality standards and accountability; and to address areas for improvement and any changes in program guidance.

(c) Loan application packaging courses. Prospective loan application packagers must successfully complete an Agency-approved course that covers the material identified in paragraph (c)(1) of this section. Prospective intermediaries must also successfully complete an Agency-approved course as specified in paragraph (c)(2) of this section.

(1) Loan application packagers. At a minimum, the certification course for individuals who wish to become Agency-certified loan application packagers will provide:
   (i) An in-depth review of the section 502 direct single family housing loan program and the regulations and laws that govern the program (including civil rights lending laws such as the Equal Credit Opportunity Act, Fair Housing Act, and Section 504 of the Rehabilitation Act of 1973);
   (ii) A detailed discussion on the program’s application process and borrower/property eligibility requirements;
   (iii) An examination of the Agency’s loan underwriting process which includes the use of payment subsidies; and
   (iv) The roles and responsibilities of a loan application packager and the Agency staff.

(2) Intermediaries. The required course for an intermediary’s quality assurance staff will cover the components described in paragraph (c)(1) of this section and other information relevant to undertaking quality assurance, technical assistance, and training functions in support of the qualified employers and their Agency-certified loan application packagers.

(3) Non-Agency trainers. Prior to offering the required course to packagers and intermediaries, non-Agency trainers must obtain approval from designated Agency staff. Non-Agency trainers, who will generally be limited to housing nonprofit organizations but may in rare cases include public bodies such as public universities, must provide proof of relevant experience and resources for delivery; present evidence that their individual trainers are competent and knowledgeable on all subject areas; submit course materials for Agency review; agree to maintain attendance records, test results, and updated course materials; and bear the cost of providing the training though a reasonable tuition fee may be charged the course participants. The course content, schedule, and tuition must be approved by RHS and a designated Agency staff member will typically participate in each training session to ensure accuracy of the program information and to serve as a program resource. A list of eligible non-Agency trainers, which is subject to change based on non-Agency trainers’ performance, will be published by the Agency.

(d) Confidentiality. The Agency-certified loan application packager, qualified employer, Agency-approved intermediary and their agents must safeguard each applicant’s personal and financial information.

(e) Retaining designation. The Agency will meet with the Agency-certified loan application packager, qualified employer, Agency-approved intermediary (if applicable) at least annually to maintain open lines of communication; discuss their packaging activities; identify and resolve deficiencies in the packaging process; and stipulate any training requirements for retaining designation (including but not limited to civil rights refresher training).

(f) Revocation. The designation as an Agency-certified loan application packager or Agency-approved intermediary is subject to revocation by the Agency under any of the following conditions:
   (1) The rate of submitted packaged loan applications that receive RHS approval is below the acceptable limit as determined by the Agency;
§ 3550.100

(2) The rate of submitted packaged loan applications from very low-income applicants is below the acceptable level as determined by the Agency;

(3) Violation of applicable regulations, statutes and other guidance; or

(4) No viable packaged loan applications are submitted to the Agency in any consecutive 12-month period.

Subpart C—Section 504 Origination and Section 306C Water and Waste Disposal Grants

§ 3550.101 Program objectives.

This subpart sets forth policies for administering loans and grants under section 504(a) of title V of the Housing Act of 1949, as amended. Section 504 loans and grants are intended to help very low-income owner-occupants in rural areas repair their properties. This subpart also covers Water and Waste Disposal (WWD) Grants to individuals authorized by Section 306C(b) of the Consolidated Farm and Rural Development Act, (7 U.S.C. 1926c).

§ 3550.102 Grant and loan purposes.

(a) Grant funds. Grant funds may be used only to pay costs for repairs and improvements that will remove identified health and safety hazards or to repair or remodel dwellings to make them accessible and useable for household members with disabilities. Unused grant funds must be returned to the Rural Housing Service (RHS).

(b) Loan funds. Loan funds may be used to make general repairs and improvements to properties or to remove health and safety hazards, as long as the dwelling remains modest in size and design.

(c) Eligibility of mobile and manufactured homes. Repairs necessary to remove health and safety hazards may be made to mobile or manufactured homes provided:

(1) The applicant owns the home and site and has occupied the home prior to filing an application with RHS; and

(2) The mobile or manufactured home is on a permanent foundation or will be put on a permanent foundation with section 504 funds.

(d) Eligible costs. In addition to construction costs to make necessary repairs and improvements, loan and grant funds may be used for:

(1) Reasonable expenses related to obtaining the loan or grant, including legal, architectural and engineering, title clearance, and loan closing fees; and appraisal, surveying, environmental, tax monitoring, and other technical services.

(2) The cost of providing special design features or equipment when necessary because of a physical disability of the applicant or a member of the household.

(3) Reasonable connection fees, assessments, or the pro rata installation costs for utilities such as water, sewer, electricity, and gas for which the borrower is liable and which are not paid from other funds.

(4) Real estate taxes that are due and payable on the property at the time of closing and for the establishment of escrow accounts for real estate taxes,
hazard and flood insurance premiums, and related costs.

(5) Fees to public and private non-profit organizations that are tax exempt under the Internal Revenue Code for the development and packaging of applications.

(e) Restrictions on uses of loan or grant funds. Section 504 funds may not be used to:

(1) Assist in the construction of a new dwelling.
(2) Make repairs to a dwelling in such poor condition that when the repairs are completed, the dwelling will continue to have major hazards.
(3) Move a mobile home or manufactured home from one site to another.
(4) Pay for off-site improvements except for the necessary installation and assessment costs for utilities.
(5) Refinance any debt or obligation of the applicant incurred before the date of application, except for the installation and assessment costs of utilities.
(6) Pay fees, commission, or charges to for-profit entities related to loan packaging or referral of prospective applicants to RHS.

§ 3550.103 Eligibility requirements.

To be eligible, applicants must meet the following requirements:

(a) Owner-occupant. Applicants must own, as described in § 3550.107, and occupy the dwelling.

(b) Age (grant only). To be eligible for grant assistance, an applicant must be 62 years of age or older at the time of application.

(c) Income eligibility. At the time of loan or grant approval, the household’s adjusted income must not exceed the applicable very low-income limit. Section 3550.54 provides a detailed discussion of the calculation of adjusted income.

(d) Citizenship status. The applicant must be a U.S. citizen or a non-citizen who qualifies as a legal alien, as defined in § 3550.19.

(e) Need and use of personal resources. Applicants must be unable to obtain financial assistance at reasonable terms and conditions from non-RHS credit or grant sources and lack the personal resources to meet their needs. In cases where the household is experiencing medical expenses in excess of three percent of the household’s income, this requirement may be waived or modified. Elderly families must use any net family assets in excess of $20,000 to reduce their section 504 request. Non-elderly families must use any net family assets in excess of $15,000 to reduce their section 504 request. Applicants may contribute assets in excess of the aforementioned amounts to further reduce their request for assistance. The definition of assets for this purpose is net family assets as described in § 3550.54 of subpart B of this part, less the value of the dwelling and a minimum adequate site.

(f) Legal capacity. The applicant must have the legal capacity to incur the loan obligation or have a court appointed guardian or conservator who is empowered to obligate the applicant in real estate matters.

(g) Suspension or debarment. Applications from applicants who have been suspended or debarred from participation in federal programs will be handled in accordance with RD Instruction 1940–M (available in any Rural Development office).

(h) Repayment ability (loans only). Applicants must demonstrate adequate repayment ability as supported by a budget.

(1) If an applicant does not meet the repayment ability requirements, the applicant can have another party join the application as a cosigner.

(2) If an applicant does not meet the repayment ability requirements, the applicant can have other household members join the application.

(i) Credit qualifications. Applicants must be unable to secure the necessary credit from other sources under terms and conditions that the applicant could reasonably be expected to fulfill. Loan applicants must have a credit history that indicates reasonable ability and willingness to meet debt obligations. An applicant with an outstanding judgment obtained by the United States in a federal court, other than the United States Tax Court, is not eligible for a loan or grant from RHS.

(1) Indicators of unacceptable credit include:
(i) Payments on any account where the amount of the delinquency exceeded one installment for more than 30 days within the last 12 months.

(ii) Payments on any account which was delinquent for more than 30 days on two or more occasions within a 12-month period.

(iii) Loss of security due to a foreclosure if the foreclosure has been completed within the last 36 months.

(iv) An outstanding Internal Revenue Service tax lien or any other outstanding tax liens with no satisfactory arrangement for payment.

(v) A court-created or court-affirmed obligation or judgment caused by non-payment that is currently outstanding or has been outstanding within the last 12 months, except for those excluded by paragraphs (i)(2)(i) and (i)(2)(ii) of this section.

(vi) Outstanding collection accounts with a record of irregular payment with no satisfactory arrangements for repayment, or collection accounts that were paid in full within the last 6 months.

(vii) Non-agency debts written off within the last 36 months or paid in full at least 12 months ago.

(viii) Agency debts that were debt settled within the last 36 months or are being considered for debt settlement.

(ix) Delinquency on a federal debt.

(2) The following will not be considered indicators of unacceptable credit:

(i) A bankruptcy in which debts were discharged more than 36 months prior to the date of application or where an applicant successfully completed a bankruptcy debt restructuring plan and has demonstrated a willingness to meet obligations when due for the 12 months prior to the date of application.

(ii) A non-foreclosure judgment satisfied more than 12 months before the date of application.

(3) When an application is rejected because of unacceptable credit, the applicant will be informed of the reason and source of information.

§ 3550.105 Site requirements.

(a) Rural areas. Loans may be made only in rural areas designated by RHS. If an area designation is changed to nonrural an existing RHS borrower may receive 504 assistance.

(b) Not subdividable. The site must not be large enough to subdivide into more than one site under existing local zoning ordinances.
§ 3550.106 Dwelling requirements.

(a) Modest dwelling. The property must be one that is considered modest for the area, must not be designed for income producing purposes, have an in-ground pool, or have a market value in excess of the applicable maximum loan limit, in accordance with §3550.63.

(b) Post-repair condition. Dwellings repaired with section 504 funds need not be brought to the agency development standards of 7 CFR part 1924, subpart A, nor must all existing hazards be removed. However, the dwelling may not continue to have major health or safety hazards.

(c) Construction standards. All work must be completed in accordance with local construction codes and standards. When potentially hazardous equipment or materials are being installed, all materials and installations must be in accordance with the applicable standards in 7 CFR part 1924, subpart A.

§ 3550.107 Ownership requirements.

The applicant must have an acceptable ownership interest in the property as evidenced by one of the following:

(a) Full fee ownership. Acceptable full fee ownership is evidenced by a fully marketable title with a deed vesting a fee interest in the property to the applicant.

(b) Secure leasehold interest. A written lease is required. For loans, the unexpired portion of the lease must not be less than 2 years beyond the term of the promissory note. For grants, the remaining lease period must be at least 5 years. A leasehold for mutual help housing financed by U.S. Department of Housing and Urban Development (HUD) on Indian lands requires no minimum lease period and constitutes acceptable ownership.

(c) Life estate interest. To be acceptable, a life estate interest must provide the applicant with rights of present possession, control, and beneficial use of the property. For secured loans, generally persons with any remainder interests must be signatories to the mortgage. All of the remainder interests need not be included in the mortgage to the extent that one or more of the persons holding remainder interests are not legally competent (and there is no representative who can legally consent to the mortgage), cannot be located, or if the remainder interests are divided among such a large number of people that it is not practical to obtain the signatures of all of the remainder interests. In such cases, the loan may not exceed the value of the property interests owned by the persons executing the mortgage.

(d) Undivided interest. An undivided interest is acceptable if there is no reason to believe that the applicant’s position as an owner-occupant will be jeopardized as a result of the improvements to be made, and:

(1) In the case of unsecured loans or grants, if any co-owners living or planning to live in the dwelling sign the repayment agreement.

(2) In the case of a secured loan, when one or more of the co-owners are not legally competent (and there is no representative who can legally consent to the mortgage), cannot be located, or the ownership interests are divided among so large a number of co-owners that it is not practical for all of their interests to be mortgaged, their interests not exceeding 50 percent may be excluded from the security requirements. In such cases, the loan may not exceed the value of the property interests owned by the persons executing the mortgage.

(e) Possessory rights. Acceptable forms of ownership include possessory right on an American Indian reservation or State-owned land and the interest of an American Indian in land held severally under trust patents or deeds containing restrictions against alienation, provided that land in trust or restricted status will remain in trust or restricted status.

(f) Land purchase contract. A land purchase contract is acceptable if the applicant is current on all payments, and there is a reasonable likelihood that the applicant will be able to continue meeting the financial obligations of the contract.

(g) Alternative evidence of ownership. If evidence, as described in paragraphs (a)
through (e) of this section, is not available, RHS may accept any of the following as evidence of ownership:

(1) Records of the local taxing authority that show the applicant as owner and that demonstrate that real estate taxes for the property are paid by the applicant.

(2) Affidavits by others in the community stating that the applicant has occupied the property as the apparent owner for a period of not less than 10 years, and is generally believed to be the owner.

(3) Any instrument, whether or not recorded, which is commonly accepted as evidence of ownership.

§ 3550.108 Security requirements (loans only).

When the total section 504 indebtedness is $7,500 or more, the property will be secured by a mortgage on the property, leasehold interest, or land purchase contract.

(a) RHS does not require a first lien position, but the total of all debts on the secured property may not exceed the value of the security, except by the amount of any required contributions to an escrow account for taxes and insurance and any required appraisal fee.

(b) Title clearance and the use of legal services generally must be conducted in accordance with 7 CFR part 1927, subpart B. These requirements need not be followed for:

(1) Loans where the total RHS indebtedness is less than $7,500; or

(2) Subsequent loans made for minimal essential repairs necessary to protect the Government’s interest.

§ 3550.109 Escrow account (loans only).

RHS may require that borrowers deposit into an escrow account amounts necessary to ensure that the account will contain sufficient funds to pay real estate taxes, hazard and flood insurance premiums, and other related costs when they are due in accordance with the Real Estate Settlement Procedures Act of 1974 (RESPA) and section 501(e) of the Housing Act of 1949, as amended.

§ 3550.110 Insurance (loans only).

(a) Borrower responsibility. Any borrower with a secured indebtedness in excess of $15,000 at the time of loan approval must furnish and continually maintain hazard insurance on the security property, with companies, in amounts, and on terms and conditions acceptable to RHS including a “loss payable clause” payable to RHS to protect the Government’s interest.

(b) Amount. The borrower is required to insure the dwelling and any other essential buildings in an amount equal to the insurable value of the dwelling and other essential buildings. However, in cases where the borrower’s outstanding secured indebtedness is less than the insurable value of the dwelling and other essential buildings, the borrower may elect a lower coverage provided it is not less than the outstanding secured indebtedness. If the borrower fails, or is unable to insure the secured property, RHS will force place insurance and charge the cost to the borrower’s account. Force place insurance only provides insurance coverage to the Agency and does not provide any direct coverage or benefit to the borrower. The amount of the lender-placed coverage generally will be the property’s last known insured value.

(c) Flood insurance. Flood insurance must be obtained and maintained for the life of the loan for all property located in Special Flood Hazard Areas (SFHA) as determined by the Federal Emergency Management Agency (FEMA). RHS actions will be consistent with 7 CFR part 1806, subpart B which addresses flood insurance requirements. If flood insurance through FEMA’s National Flood Insurance Program is not available in a SFHA, the property is not eligible for federal financial assistance.

(d) Losses. (1) Loss deductible clauses for required insurance coverage may not exceed the generally accepted minimums based on current and local market conditions.

(2) Borrowers must immediately notify RHS of any loss or damage to insured property and collect the amount of the loss from the insurance company.
(3) RHS may require that loss payments be supervised. All repairs and replacements done by or under the direction of the borrower, or by contract, will be planned, performed, inspected, and paid for in accordance with 7 CFR part 1924, subpart A.

(4) When insurance funds remain after all repairs, replacements, and other authorized disbursements have been made, the funds will be applied in the following order:
   (i) Prior liens, including delinquent property taxes.
   (ii) Delinquency on the account.
   (iii) Advances due for recoverable cost items.
   (iv) Released to the borrower if the RHS debt is adequately secured.

(5) If a loss occurs when insurance is not in force, the borrower is responsible for making the needed repairs or replacements and ensuring that the insurance is reinstated on the property.

(6) If the borrower is not financially able to make the repairs, RHS may take one of the following actions:
   (i) Make a subsequent loan for repairs.
   (ii) Subordinate the RHS lien to permit the borrower to obtain funds for needed repairs from another source.
   (iii) Permit the borrower to obtain funds secured by a junior lien from another source.
   (iv) Make a protective advance to protect the Government’s interest.
   (v) Accelerate the account and demand payment in full.

§ 3550.112 Maximum loan and grant.

(a) Maximum loan permitted. The sum of all outstanding section 504 loans to 1 borrower or on 1 dwelling may not exceed $20,000.

(1) Transferees who have assumed a section 504 loan and wish to obtain a subsequent section 504 loan are limited to the difference between the unpaid principal balance of the debt assumed and $20,000.

(2) For a secured loan, the total of all debts on the secured property may not exceed the value of the security, except by the amount of any required appraisal and tax monitoring fees, and the contributions to an escrow account for taxes and insurance.

(b) Maximum loan based upon ability to pay. The maximum loan is limited to the principal balance that can be supported given the amount the applicant has available, as determined by RHS, to repay a loan at 1 percent interest with a 20-year term.

(c) Maximum grant. The lifetime total of the grant assistance to any recipient is $7,500. No grant can be awarded unless the maximum level of loans, as supported by a budget, have been obtained.

§ 3550.113 Rates and terms (loans only).

(a) Interest rate. The interest rate for all section 504 loans will be 1 percent.

(b) Loan term. The repayment period for the loan should generally be as short as possible based on the applicant’s repayment ability, and may never exceed 20 years; however loans made in combination with grants must have a term of 20 years.

§ 3550.114 Repayment agreement (grants only).

Grant recipients are required to sign a repayment agreement which specifies that the full amount of the grant must be repaid if the property is sold in less than 3 years from the date the grant agreement was signed.

§ 3550.115 WWD grant program objectives.

The objective of the WWD individual grant program is to facilitate the use of community water and waste disposal systems by the residents of colonias along the border between the U.S. and Mexico. WWD grants are processed the same as Section 504 grants, except as specified in this subpart.

[67 FR 78331, Dec. 24, 2002]

§ 3550.116 Definitions applicable to WWD grants only.

(a) Colonia. Any identifiable community designated in writing by the State or county in which it is located; determined to be a colonia on the basis of objective criteria including lack of a potable water supply, lack of adequate sewage systems, and lack of decent, safe, and sanitary housing, inadequate roads, and drainage; and existed and was generally recognized as a colonia before October 1, 1989.

(b) Individual. Resident of a colonia located in a rural area.

(c) Rural areas. Includes unincorporated areas and any city or town with a population not in excess of 10,000 inhabitants. The population figure is obtained from the most recent decennial Census of the United States (decennial Census). If the applicable population figure cannot be obtained from the most recent decennial Census, RD will determine the applicable population figure based on available population data.

(d) System. A community or central water supply or waste disposal system.

(e) WWD. Water and Waste Disposal grants to individuals.

§ 3550.117 WWD grant purposes.

Grant funds may be used to pay the reasonable costs for individuals to:

(a) Extend service lines from the system to their residence.

(b) Connect service lines to residence’s plumbing.

(c) Pay reasonable charges or fees for connecting to a system.

(d) Pay for necessary installation of plumbing and related fixtures within dwellings lacking such facilities. This is limited to one bathtub, sink, commode, kitchen sink, water heater, and outside spigot.

(e) Construction and/or partitioning off a portion of the dwelling for a bathroom, not to exceed 4.6 square meters (48 square feet) in size.

(f) Pay reasonable costs for closing abandoned septic tanks and water wells when necessary to protect the health and safety of recipients of a grant for a purpose provided in paragraph (a) or (b) of this section and is required by local or State law.

(g) Make improvements to individual’s residence when needed to allow the use of the water and/or waste disposal system.

[67 FR 78331, Dec. 24, 2002]

§ 3550.118 Grant restrictions.

(a) Maximum grant. Lifetime assistance to any individual for initial or subsequent Section 306C WWD grants may not exceed a cumulative total of $5,000.

(b) Limitation on use of grant funds. WWD grant funds may not be used to:

(1) Pay any debt or obligation of the grantees other than obligations incurred for purposes listed in §3550.117.

(2) Pay individuals for their own labor.

[67 FR 78331, Dec. 24, 2002]

§ 3550.119 WWD eligibility requirements.

In addition to the eligibility requirements of §3550.103, WWD applicants must meet the following requirements:

(a) An applicant need not be 62 years of age or older.

(b) Own and occupy a dwelling located in a colonia. Evidence of ownership will be presented as outlined in §3550.107.

(c) Have a total taxable income from all individuals residing in the household that is below the most recent poverty income guidelines established by the Department of Health and Human Services.

(d) Must not be delinquent on any Federal debt.
(e) The household income must be verified at the time they apply for assistance through verification of employment and benefits. Federal tax returns are used as further verification of household income.

§§ 3550.120–3550.149 [Reserved]

§ 3550.150 OMB control number.

The information collection requirements contained in this regulation have been approved by the Office of Management and Budget (OMB) and have been assigned OMB control number 0575–0172. Public reporting burden for this collection of information is estimated to vary from 5 minutes to 3 hours per response, with an average of 1½ hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. You are not required to respond to this collection of information unless it displays a currently valid OMB control number.

§ 3550.151 Servicing goals.

This subpart sets forth the Rural Housing Service (RHS) policies for managing the repayment of loans made under sections 502 and 504 of the Housing Act of 1949, as amended.

§ 3550.152 Loan payments.

(a) Payment terms. Unless the loan documents specify other loan repayment terms, borrowers are required to make monthly payments. Borrowers with existing loans specifying annual payments may request conversion to monthly payments, and must convert to a monthly payment schedule before any subsequent loan or new payment assistance is approved. Suitable forms of payment are: check, money order, or bank draft. Borrowers who make cash payments will be assessed a fee to cover the cost of conversion to a money order.

(b) Application of payments. If a borrower makes less than the scheduled payment, the payment is held in suspense and is not applied to the borrower’s account. When subsequent payments are received in an amount sufficient to equal a scheduled payment, the amount will be applied in the following order:

(1) Protective advances charged to the account.

(2) Accrued interest due.

(3) Principal due.

(4) Escrow for taxes and insurance.

(c) Multiple loans. When a borrower with multiple loans for the same property makes less than the scheduled payment on all loans, the payment will be applied to the oldest loan and then in declining order of age. Future remittances will be applied beginning with the oldest unpaid installment.

(d) Application of excess payments. Borrowers can elect to make payments in excess of the scheduled amount to be applied to principal, provided there are no outstanding fees.

§ 3550.153 Fees.

RHS may assess reasonable fees including a tax service fee, fees for late payments, and fees for checks returned for insufficient funds.

§ 3550.154 Inspections.

RHS or its agent may make reasonable entries upon and inspections of any property used as security for an RHS loan as necessary to protect the interest of the Government. RHS will give the borrower notice at the time of or prior to an inspection.

§ 3550.155 Escrow account.

Escrow accounts will be administered in accordance with RESPA and section 501(e) of the Housing Act of 1949, as amended.

(a) Upon creation of the escrow account, RHS may require borrowers to deposit funds sufficient to pay taxes and insurance premiums applicable to the mortgage for the period since the last payments were made and to fund a cushion as permitted by RESPA.

(b) Borrowers may elect to escrow at any time during the terms of the loan
§ 3550.156 Borrower obligations.

(a) After receiving a loan from RHS, borrowers are expected to meet a variety of obligations outlined in the loan documents. In addition to making timely payments, these obligations include:

(1) Maintaining the security property; and

(2) Maintaining an adequately funded escrow account, or paying real estate taxes, hazard and flood insurance, and other related costs when due.

(b) If a borrower fails to fulfill these obligations, RHS may obtain the needed service and charge the cost to the borrowers account.

§ 3550.157 Payment subsidy.

(a) Borrowers currently receiving payment subsidy. (1) RHS will review annually each borrower’s eligibility for continued payment subsidy and determine the appropriate level of assistance. To be eligible for payment subsidy renewal, the borrower must also occupy the property.

(2) If the renewal is not completed before the expiration date of the existing agreement, the effective date of the renewal will be either the expiration date of the previous agreement if RHS error caused the delay, or the next due date after the renewal is approved in all other cases.

(3) The borrower must notify RHS whenever an adult member of the household becomes employed or changes employment, there is a change in household composition, or if income increases by at least 10 percent. The household may also report decreases in income. If the change in the household’s income will cause the payment for principal and interest to change by at least 10 percent, the household’s payment subsidy may be adjusted for a new 12-month period. The new agreement will be effective the due date following the date the borrower’s information is verified by RHS.

(b) Borrowers not currently receiving payment subsidy. Payment assistance may be granted to borrowers not currently receiving payment subsidy whose loans were approved on or after August 1, 1968, whose income does not exceed the applicable low-income limit for the area, are personally occupying the RHS financed property, and who meet the requirements of §3550.53(b), (e), and (f). In general, to receive payment assistance the term of the loan at closing must have been at least 25 years. If an account has been reamortized and the initial term of the loan was at least 25 years, payment assistance may be granted even though the term of the reamortized loan is less than 25 years. Payment assistance may be granted on a subsequent loan for repairs with a term of less than 25 years.

(c) Cancellation of payment subsidy. RHS will cancel a payment subsidy if the borrower does not occupy the property, has sold or transferred title to the property, or is no longer eligible for payment subsidy.

§ 3550.158 Active military duty.

The Soldiers and Sailors Relief Act requires that the interest rate charged a borrower who enters full-time active military duty after a loan is closed not exceed six percent. Active military duty does not include participation in a military reserve or the National Guard unless the borrower is called to active duty.

(a) Amount of assistance. If a borrower qualifies for payment subsidy after reduction of the interest rate to six percent, the amount of payment subsidy received during the period of active military duty will be the difference between the amount due at the subsidized rate for principal and interest and the amount due at a six percent interest rate. The six percent interest rate will be effective with the first payment due after RHS confirms the active military status of the borrower.

(b) Change of active military status. The borrower must notify RHS when he or she is no longer on active military duty. RHS will cancel the six percent interest rate and resume use of the promissory note interest rate. A new payment subsidy agreement may be processed if the borrower is eligible.
§ 3550.159 Borrower actions requiring RHS approval.

(a) Mineral leases. Borrowers who wish to lease mineral rights to a security property must request authorization from RHS. RHS may consent to the lease of mineral rights and subordinate its liens to the lessee’s rights and interests in the mineral activity if the security property will remain suitable as a residence and the Government’s security interest will not be adversely affected. Subordination of RHS loans to a mineral lease does not entitle the leaseholder to any proceeds from the sale of the security property.

(1) If the proposed activity is likely to decrease the value of the security property, RHS may consent to the lease only if the borrower assigns 100 percent of the income from the lease to RHS to be applied to reduce principal and the rent to be paid is at least equal to the estimated decrease in the market value of the security.

(2) If the proposed activity is not likely to decrease the value of the security property, RHS may consent to the lease if the borrower agrees to use any damage compensation received from the lessee to repair damage to the site or dwelling, or to assign it to RHS to be applied to reduce principal.

(b) Subordination. RHS may subordinate its interests to permit a borrower to defer recapture amounts and refinance the loan, or to obtain a subsequent loan with private credit.

(1) When it is in the best interest of the Government, subordination will be permitted if:

(i) The other lender will verify that the funds will be used for purposes for which an RHS loan could be made;

(ii) The prior lien debt will be on terms and conditions that the borrower can reasonably be expected to meet without jeopardizing repayment of the RHS indebtedness;

(iii) Any proposed development will be planned and performed in accordance with 7 CFR part 1924, subpart A or directed by the other lender in a manner which is consistent with that subpart; and

(iv) An agreement is obtained in writing from the prior lienholder providing that at least 30 days prior written notice will be given to RHS before action to foreclose on the prior lien is initiated.

(2) The total amount of debt permitted when RHS subordinates its interests depends on whether the borrower pays off the RHS loan.

(i) For situations in which the borrower is obtaining a subsequent loan from another source and will not pay off the RHS debt, the prior lien debt plus the unpaid balance of all RHS loans, exclusive of recapture, will not exceed the market value of the security.

(ii) For situations in which RHS is subordinating only a deferred recapture amount, the prior lien debt plus the deferred recapture amount will not exceed the market value of the security.

(c) Partial release of security. RHS may consent to transactions affecting the security, such as sale or exchange of security property or granting of a right-of-way across the security property, and grant a partial release provided:

(1) The compensation is:

(i) For sale of the security property, cash in an amount equal to the value of the security being disposed of or rights granted.

(ii) For exchange of security property, another parcel of property acquired in exchange with value equal to or greater than that being disposed of.

(iii) For granting an easement or right-of-way, benefits derived that are equal to or greater than the value of the security property being disposed of.

(2) An appraisal must be conducted if the latest appraisal is more than 1 year old or if it does not reflect market value and the amount of consideration exceeds $5,000. The appraisal fee will be charged to the borrower.

(3) The security property, after the transaction is completed, will be an adequate but modest, decent, safe, and sanitary dwelling and related facilities.

(4) Repayment of the RHS debt will not be jeopardized.

(5) If applicable, the environmental requirements of 7 CFR part 1940, subpart G are met.

(6) When exchange of all or part of the security is involved, title clearance is obtained before release of the existing security.
§ 3550.160 Refinancing with private credit.

(a) Objective. RHS direct loan programs are not intended to supplant or compete with private credit sources. Therefore, borrowers are required to refinance RHS loans with private credit sources when RHS determines that the borrower meets RHS criteria.

(b) Criteria for refinancing with private credit. Borrowers must refinance with private credit when RHS determines that the borrower has the ability to obtain other credit at reasonable rates and terms based on their income, assets, and credit history. Reasonable rates and terms are those commercial rates and terms that borrowers are expected to meet when borrowing for similar purposes. Differences in interest rates and terms between RHS and other lenders will not be an acceptable reason for a borrower to fail to refinance with private credit if the available rates and terms are within the borrower’s ability to pay.

(c) Notice of requirement to refinance with private credit. The financial status of all borrowers may be reviewed periodically to determine their ability to refinance with private credit. A borrower’s financial status may be reviewed at any time if information becomes available to RHS that indicates that the borrower’s circumstances have changed.

1. A borrower undergoing review is required to supply, within 30 days of a request from RHS, sufficient financial information to enable RHS to determine the borrowers ability to refinance with private credit. Foreclosure action may be initiated against any borrower who fails to respond.

2. When RHS determines that a borrower has the ability to refinance with private credit, the borrower will be required to refinance within 90 days.

3. Within 30 days after being notified of the requirement to refinance with private credit, a borrower may contest the RHS decision and provide additional financial information to document an inability to refinance with private credit.

(d) Failure to refinance with private credit. (1) If the borrower is unable to secure private credit, the borrower must submit written statements and documentation to RHS showing:

(i) The lenders contacted.
(ii) The amount of the loan requested by the borrower and the amount, if any, offered by the lenders.
(iii) The rates and terms offered by the lenders or the specific reasons why other credit is not available.
(iv) The information provided by the borrower to the lenders regarding the purpose of the loan.

2. If RHS determines that the borrower’s submission does not demonstrate the borrower’s inability to refinance with private credit, or if the borrower fails to submit the required information, foreclosure may be initiated.

(e) Subordination of recapture amount. RHS may subordinate its interest in any deferred recapture amount to permit a borrower to refinance with private credit. The amount to which the RHS debt will be subordinated may include:

1. The amount required to repay the RHS debt, exclusive of recapture;
2. Reasonable closing costs;
(3) Up to one percent of the loan amount for loan servicing costs, if required by the lender; and
(4) The cost of any necessary repairs or improvements to the security property.

(f) Application for additional credit. A borrower who has been asked to refinance with private credit will not be considered for additional credit until the refinancing issue is resolved unless such additional credit is necessary to protect the Government’s interest.

§ 3550.161 Final payment.

(a) Payment in full. Full payment of a borrower’s account includes repayment of principal and outstanding interest, unauthorized assistance, recapture amounts, and charges made to the borrower’s account. Any supervised funds or funds remaining in a borrower’s escrow account will be applied to the borrower’s account or returned to the borrower.

(b) Release of security instruments. RHS may release security instruments when full payment of all amounts owed has been received and verified. If RHS and the borrower agree to settle the account for less than the full amount owed, the security instruments may be released when all agreed-upon amounts are received and verified. Security instruments will not be released until any deferred recapture amount has been paid in full.

(c) Payoff statements. At the borrower’s request, RHS will provide a written statement indicating the amount required to pay the account in full. RHS may charge a fee for statements for the same account if more than 2 statements are requested in any 30 day period.

(d) Suitable forms of payment. Suitable forms of payment are: check, money order, or bank draft. Borrowers who make cash payments will be assessed a fee to cover conversion to a money order.

(e) Recording costs. Recording costs for the release of the mortgage will be the responsibility of the borrower, except where State law requires the mortgagee to record or file the satisfaction.

§ 3550.162 Recapture.

(a) Recapture policy. Borrowers with loans approved or assumed on or after October 1, 1979, will be required to repay subsidy amounts received through payment subsidy (including the former interest credit program) or deferred mortgage assistance in accordance with paragraph (b) of this section. Amounts to be recaptured are due and payable when the borrower transfers title or ceases to occupy the property, including but not limited to, in the event of foreclosure or deed in lieu of foreclosure. Such recapture will include the amount of principal reduction attributed to subsidy (for loans subject to recapture that were approved, and received interest credit, between October 1, 1979, and December 31, 1989, except in cases of foreclosure and deed in lieu of foreclosure.

(b) Amount to be recaptured—(1) General. The amount to be recaptured is the amount of principal reduction attributed to subsidy plus the lesser of:

(i) The amount of subsidy received; or

(ii) A portion of the value appreciation of the property subject to recapture. In order for value appreciation to be calculated, the borrower will provide a current appraisal, including an appraisal for any capital improvements, or arm’s length sales contract as evidence of market value upon Agency request. Appraisals must meet Agency standards under §3550.62.

(2) Foreclosure or deed in lieu of foreclosure. Notwithstanding paragraph (b)(1) of this section, the amount to be recaptured in a foreclosure or deed in lieu of foreclosure is the amount of subsidy received, not including any principal reduction attributed to subsidy. Foreclosure actions will seek to recover such amounts only from the proceeds of the property. Liquidation proceeds (in the case of foreclosure) or the net recovery value (in the case of deed in lieu of foreclosure) will be applied or credited to the borrower’s debt in accordance with the security agreement in the following order:

(i) Recoverable costs (e.g. protective advances, foreclosure costs, late charges).

(ii) Accrued interest.

(iii) Principal.
(iv) Subsidy.

(3) Value appreciation. The value appreciation of property with a cross-collateralized loan is based on the market value of the dwelling and lot. If located on a farm, the lot size would be a typical lot for a single family housing property.

(4) Interest reduced from the promissory note rate to six percent under the Servicemembers Civil Relief Act (SCRA) is not subject to recapture.

(c) Deferral of recapture. If the borrower refinances or otherwise pays in full without transfer of title and continues to occupy the property, the amount of recapture will be calculated in accordance with paragraph (a) of this section but payment of recapture may be deferred, interest free, until the property is sold or vacated. If the recapture amount is deferred, the Agency mortgage can be subordinated when in the Government’s best interest but will not be released nor the promissory note satisfied until the Agency is paid in full. In situations where deferral of recapture is an option, recapture will be discounted if paid in full at the time of settlement or timely paid after Agency notification to the borrower that recapture is due.

(d) Assumed loans. (1) When a loan subject to recapture is assumed under new rates and terms, the recapture amount may be paid in full by the seller or included in the principal amount assumed by the buyer.

(2) When a loan is assumed under the same rates and terms as the original promissory note, recapture amounts will not be due. When the new borrower transfers title or ceases to occupy the property, all subsidy subject to recapture before and after the assumption is due.

(3) When a borrower has deferred payment of recapture amounts, the deferred recapture amount may be included in the principal amount of the new loan.

§ 3550.163 Transfer of security and assumption of indebtedness.

(a) General policy. RHS mortgages contain due-on-sale clauses that generally require RHS consent before title to a security property can be transferred with an assumption of the indebtedness. If it is in the best interest of the Government, RHS will approve the transfer of title and assumption of indebtedness on program or nonprogram (NP) terms, depending on the transferee’s eligibility and the property’s characteristics.

(b) RHS approval of assumptions. (1) A borrower with a loan on program terms who wishes to transfer a security property restricted by a due-on-sale clause to a purchaser who wishes to assume the debt must receive prior authorization from RHS. If an RHS authorization for transfer and assumption, the account will be serviced in the purchaser’s name and the purchaser will be liable for the loan under the terms of the security instrument.

(2) If a borrower transfers title to the security property with a due-on-sale clause without obtaining RHS authorization, RHS will not approve assumption of the indebtedness, and the loan will be liquidated unless RHS determines that it is in the Government’s best interest to continue the loan. If RHS decides to continue the loan, the account will be serviced in the original borrower’s name and the original borrower will remain liable for the loan under the terms of the security instrument.

(c) Exceptions to due-on-sale clauses. (1) Due-on-sale clauses are not triggered by the following types of transfers:

   (i) A transfer from the borrower to a spouse or children not resulting from the death of the borrower.

   (ii) A transfer to a relative, joint tenant, or tenant by the entirety resulting from the death of the borrower.

   (iii) A transfer to a spouse or ex-spouse resulting from a divorce decree, legal separation agreement, or property settlement agreement.

   (iv) A transfer to a person other than a deceased borrower’s spouse who wishes to assume the loan for the benefit of persons who were dependent on the deceased borrower at the time of death, if the dwelling will be occupied by one or more persons who were dependent on the borrower at the time of death, and there is a reasonable prospect of repayment.
(v) A transfer into an inter vivos trust in which the borrower does not transfer rights of occupancy in the property.

(2) A transferee who obtains property through one of the types of transfer listed in paragraph (c)(1) of this section:

(i) Is not required to assume the loan, and RHS is not permitted to liquidate the loan, if the transferee continues to make scheduled payments and meet all other obligations of the loan. A transferee who does not assume the loan is not eligible for payment assistance or a moratorium.

(ii) May assume the loan on the rates and terms contained in the promissory note, with no down payment. If the account is past due at the time an assumption is executed, the account may be brought current by using any of the servicing methods discussed in subpart E of this part.

(iii) May assume the loan under new rates and terms if the transferee applies and is program-eligible.

(3) Any subsequent transfer of title, except upon death of the inheritors or between inheritors to consolidate title, will be treated as a sale.

(d) Requirements for an assumption. (1) Loans secured by program-eligible properties to be assumed by program-eligible purchasers may be assumed on program terms. Loans secured by non-program properties and loans to be assumed by purchasers who are not eligible for program terms may be assumed on NP terms.

(2) The amount the transferee will assume will be either the current market value less any prior liens and any required down payment, or the indebtedness, whichever is less.

(3) For loans assumed on program terms, the interest rate charged by RHS will be the rate in effect at loan approval or loan closing, whichever is lower. For loans assumed on non-program terms, the interest rate will be the rate in effect at the time of loan approval.

(4) If additional financing is required to purchase the property or to make repairs, RHS may approve a subsequent loan under subparts B or C of this part.

(5) If an appraisal is required for an assumption on new terms, the purchaser is responsible for the appraisal fee.

(6) If all or a portion of the borrower’s account balance is assumed, the borrower and cosigner, if any, will be released from liability on the amount of the indebtedness assumed. If an account balance remains after the assumption, RHS may pursue debt settlement in accordance with subpart F of this part.

(7) Unless it is in the Government’s best interest, RHS will not approve an assumption of a secured loan if the seller fails to repay any unsecured RHS loan.

(8) If a loan is secured by a property with a dwelling situated on more than a minimum adequate site and the excess property cannot be sold separately as a minimum adequate site for another dwelling, RHS may approve a transfer of the entire property. If the excess property can be sold separately as a minimum adequate site, RHS will approve assumption of only the dwelling and the minimum adequate site. If the value of the dwelling on the minimum adequate site is less than the amount of the outstanding RHS debt, the remaining debt will be secured by the excess property. The outstanding debt will be converted to an NP loan and reamortized over a period not to exceed 10 years or the final due date of the original promissory note, whichever is sooner.

§ 3550.164 Unauthorized assistance.

(a) Definition. Unauthorized assistance includes any loan, payment subsidy, deferred mortgage payment, or grant for which the recipient was not eligible.

(b) Unauthorized assistance due to false information. (1) False information includes information that the recipient knew was incorrect or should have known was incorrect that was provided or omitted for the purposes of obtaining assistance for which the recipient was not eligible.

(2) If the recipient receives an unauthorized loan due to false information, RHS will adjust the account using the NP interest rate that was in effect.
when the loan was approved. The recipient must pay the account in full within 30 days.

(3) If the recipient receives unauthorized subsidy due to false information, RHS will require the recipient to repay it within 30 days. The account cannot be reamortized to include the unauthorized subsidy. If the recipient repays the unauthorized subsidy, the loan may be continued.

(c) Unauthorized assistance due to inaccurate information. (1) Inaccurate information includes incorrect information inadvertently provided, used, or omitted without the intent to obtain benefits for which the recipient was not eligible.

(2) RHS will permit a recipient who receives an unauthorized loan due to inaccurate information to retain the loan under the following conditions.

(i) If the inaccurate information was related to the purpose of the loan or the recipient’s eligibility, with the exception of income, or the income used was incorrect, but the recipient still qualified as income-eligible, RHS will allow the recipient to continue the loan on existing terms.

(ii) If a section 502 recipient’s income was above the moderate-income level, RHS will convert the loan to an NP loan, using the nonprogram interest rate in effect on the date the loan was approved.

(iii) If a section 504 recipient’s income was above the very low-income level, RHS will apply the applicable 502 or nonprogram interest rate in effect on the date the loan was approved.

(iv) If an incorrect interest rate was used, RHS will adjust the account using the correct interest rate.

(3) If the recipient receives unauthorized subsidy due to inaccurate information, RHS will require the recipient to repay it within 30 days. If the recipient cannot repay it within 30 days, the account may be reamortized. If the recipient repays the unauthorized subsidy or reamortizes the loan, the loan may be continued.

(d) Unauthorized grants. Recipients may either repay the unauthorized assistance in a lump sum or execute a promissory note, regardless of whether the unauthorized assistance was due to false or inaccurate information. RHS may seek a judgment if the recipient refuses to repay the unauthorized assistance.

(e) Account servicing. RHS will adjust all accounts retroactively to establish the amount of unauthorized assistance. If the recipient does not repay the unauthorized assistance within 30 days, RHS may accelerate the loan. If the unauthorized assistance is due to inaccurate information and the recipient is unable to repay within 30 days, RHS may reamortize the loan.

(f) Accounts with no security. If an unauthorized loan or grant is unsecured, RHS may seek the best mortgage obtainable.

§ 3550.200 OMB control number.

The information collection requirements contained in this regulation have been approved by the Office of Management and Budget (OMB) and have been assigned OMB control number 0575-0172. Public reporting burden for this collection of information is estimated to vary from 5 minutes to 3 hours per response, with an average of 1 1/2 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. You are not required to respond to this collection of information unless it displays a currently valid OMB control number.

Subpart E—Special Servicing

§ 3550.201 Purpose of special servicing actions.

The Rural Housing Service (RHS) may approve special servicing actions to reduce the number of borrower failures that result in liquidation. Borrowers who have difficulty keeping their accounts current may be eligible for one or more available servicing options including: payment assistance; delinquency workout agreements that temporarily modify payment terms; protective advances of funds for taxes, insurance, and other approved costs;
§ 3550.202 Past due accounts.
An account is past due if the scheduled payment is not received by the due date, or as authorized by State law.
(a) Late fee. A late fee will be assessed if the full scheduled payment is not received by the 15th day after the due date.
(b) Liquidation—(1) For borrowers with monthly payments. The account may be accelerated without further servicing when at least 3 scheduled payments are past due or an amount equal to at least 2 scheduled payments is past due for at least 3 consecutive months. In such cases RHS may pursue voluntary liquidation and foreclosure.
(2) For borrowers with annual payments. The account may be accelerated without further servicing when at least \( \frac{3}{12} \) of 1 scheduled payment has not been received by its due date. In such cases, RHS may pursue voluntary liquidation and foreclosure.
(3) Subsidy recapture. Acceleration under this section will take into account any subsidy recapture due under § 3550.162.

§ 3550.203 General servicing actions.
Whenever any of the servicing actions described in this subpart result in reamortization of the account RHS may:
(a) Require a borrower who currently makes annual payments, but receives a monthly income, to convert to monthly payments.
(b) Require the creation and funding of an escrow account for real estate taxes and insurance, if one does not already exist for any borrower with monthly payments.
(c) Convert the method of calculating interest for any account being charged daily simple interest to an amortized payment schedule.

§ 3550.204 Payment assistance.
Borrowers who are eligible may be offered payment assistance in accordance with subpart B of this part. Borrowers who are not eligible for payment assistance because the loan was approved before August 1, 1968, or the loan was made on above-moderate or nonprogram (NP) terms, may refinance the loan in order to obtain payment assistance if:
(a) The borrower is eligible to receive a loan with payment assistance;
(b) Due to circumstances beyond the borrower’s control, the borrower is in danger of losing the property; and
(c) The property is program-eligible.

§ 3550.205 Delinquency workout agreements.
Borrowers with past due accounts may be offered the opportunity to avoid liquidation by entering into a delinquency workout agreement that specifies a plan for bringing the account current. To receive a delinquency workout agreement, the following requirements apply:
(a) A borrower who is able to do so will be required to pay the past-due amount in a single payment.
(b) A borrower who is unable to pay the past-due amount in a single payment must pay monthly all scheduled payments plus an agreed upon additional amount that brings the account current within 2 years or the remaining term of the loan, whichever is shorter.
(c) If a borrower becomes more than 30 days past due under the terms of a delinquency workout agreement, RHS may cancel the agreement.

§ 3550.206 Protective advances.
RHS may pay for fees or services and charge the cost against the borrower’s account to protect the Government’s interest.
(a) Advances for taxes and insurance. RHS may advance funds to pay real estate taxes, hazard and flood insurance premiums, and other related costs, as well as amounts needed to fund the current escrow cycle.
(b) Advances for costs other than taxes and insurance. Protective advances for costs other than taxes and insurance, such as emergency repairs, will be made only if the borrower cannot obtain a subsequent loan.
(c) Repayment arrangements. (1) Advances for borrowers with multiple
loans will be charged against the largest loan.

(2) Amounts advanced will be due with the next scheduled payment. RHS may schedule repayment consistent with the borrowers ability to repay or reamortize the loan.

(3) Advances will bear interest at the promissory note rate of the loan to which the advance was charged.

§ 3550.207 Payment moratorium.

RHS may defer a borrower's scheduled payments for up to 2 years. NP borrowers are not eligible for a payment moratorium.

(a) Borrower eligibility. For a borrower to be eligible for a moratorium, all of the following conditions must be met:

(1) Due to circumstances beyond the borrower's control, the borrower is temporarily unable to continue making scheduled payments because:

(i) The borrower's repayment income fell by at least 20 percent within the past 12 months;

(ii) The borrower must pay unexpected and unreimbursed expenses resulting from the illness, injury, or death of the borrower or a family member; or

(iii) The borrower must pay unexpected and unreimbursed expenses resulting from damage to the security property in cases where adequate hazard insurance was not available or was prohibitively expensive.

(2) The borrower occupies the dwelling, unless RHS determines that it is uninhabitable.

(3) The borrower's account is not currently accelerated.

(b) Reviews of borrower eligibility. (1) Periodically RHS may require the borrower to submit financial information to demonstrate that the moratorium should be continued. The moratorium may be canceled if:

(i) The borrower does not respond to a request for financial information;

(ii) RHS receives information indicating that the moratorium is no longer required; or

(iii) In the case of a moratorium granted to pay unexpected or unreimbursed expenses, the borrower cannot show that an amount at least equal to the deferred payments has been applied toward the expenses.

(2) At least 30 days before the moratorium is scheduled to expire, RHS will require the borrower to provide financial information needed to determine whether the borrower is able to resume making scheduled payments.

(c) Resumption of scheduled payments. When the borrower is able to resume scheduled payments, the loan will be reamortized to include the amount deferred during the moratorium and the borrower will be required to escrow. If the new monthly payment, after consideration of the maximum amount of payment subsidy available to the borrower, exceeds the borrower's repayment ability, all or part of the interest that has accrued during the moratorium may be forgiven.

(d) Borrowers unable to resume scheduled payments. If even after all appropriate servicing actions have been taken the borrower is unable to resume making scheduled payments after 2 consecutive years of being on a moratorium, the account will be liquidated.

§ 3550.208 Reamortization using promissory note interest rate.

Reamortization using the promissory note interest rate may be authorized when RHS determines that reamortization is required to enable the borrower to meet scheduled obligations, and only if the Government's lien priority is not adversely affected.

(a) Permitted uses. Reamortization at the promissory note interest rate may be used to accomplish a variety of servicing actions, including to:

(1) Repay unauthorized assistance due to inaccurate information.

(2) Repay principal and interest accrued and advances made during a moratorium.

(3) Bring current an account under a delinquency workout agreement after the borrower has demonstrated the willingness and ability to meet the terms of the loan and delinquency workout agreement and reamortization is in the borrower's and Government's best interests.

(4) Bring a delinquent account current in the case of an assumption where the due on sale clause is not triggered as described in §3550.163(c).

(5) Cover the remaining debt when a portion of the security property is
being transferred but the acquisition price does not cover the outstanding debt. The remaining balance will be reamortized for a period not to exceed 10 years or the final due date of the note being reamortized, whichever is sooner.

(6) Bring an account current where the National Appeals Division (NAD) reverses an adverse action, the borrower has adequate repayment ability, and RHS determines the reamortization is in the best interests of the Government and the borrower.

(b) Payment term of reamortized loan. Except as noted in paragraph (a)(5) of this section, the term of the reamortized loan may be extended to the maximum term for which the borrower was eligible at the time the loan was originally made, less the number of years the loan has been outstanding. In all cases, the term must not exceed the remaining security life of the property.

§ 3550.209 [Reserved]

§ 3550.210 Offsets.

Any money that is or may become payable from the United States to an RHS borrower may be subject to administrative, salary, or Internal Revenue Service (IRS) offsets for the collection of a debt owed to RHS.

(a) IRS offset. RHS may take action to effect offset of claims due RHS against tax refunds due to RHS debtors under 31 U.S.C. 3720a and 31 CFR 285.2.

(b) Salary offset. Offset of claims due to RHS may be collected pursuant to the salary offset provisions in 7 CFR part C for a federal employee or other persons covered in that subpart.

(c) Administrative offset. RHS may take action to effect administrative offset to recover delinquent claims due to it in accordance with the procedures in 7 CFR part 3, subpart B.

(d) Offset by other federal agencies. Escrow funds and loan and grant funds held or payable by RHS are not subject to offset by other federal agencies.

§ 3550.211 Liquidation.

(a) Policy. When RHS determines that a borrower is unable or unwilling to meet loan obligations, RHS may accelerate the loan and, if necessary, acquire the security property. The borrower is responsible for all expenses associated with liquidation and acquisition. If the account is satisfied in full, the borrower will be released from liability. If the account is not satisfied in full, RHS may pursue any deficiency unless the borrower received a moratorium at any time during the life of the loan and faithfully tried to repay the loan.

(b) Tribal allotted or trust land. Liquidations involving a security interest in tribal allotted or trust land shall only be pursued after offering to transfer the account to an eligible tribal member, the tribe, or the Indian Housing Authority. Forced liquidation of RHS security interests in Indian trust lands or on tribal allotted land will be recommended only after the State Director has determined it is in the best interest of the Government.

(c) Acceleration and foreclosure. If RHS determines that foreclosure is in the best interest of the Government, RHS will send an acceleration notice to each borrower and any cosigner.

(d) Voluntary liquidation. Borrowers may voluntarily liquidate through:

(1) Refinancing or sale. The borrower may refinance or sell the security property for at least net recovery value and apply the proceeds to the account.

(2) Deed in lieu of foreclosure. RHS may accept a deed in lieu of foreclosure to convey title to the security property only after the debt has been accelerated and when it is in the Government's best interest.

(3) Offer by third party. If a junior lienholder or cosigner makes an offer in the amount of at least the net recovery value, RHS may assign the note and mortgage.

(e) Bankruptcy. (1) When a petition in bankruptcy is filed by a borrower after acceleration, collection actions and foreclosure actions are suspended in accordance with the provisions of the Bankruptcy Code.
(2) RHS may accept conveyance of security property by the trustee in bankruptcy if the Bankruptcy Court has approved the transaction, RHS determines the conveyance is in the best interest of the Government, and RHS will acquire title free of all liens and encumbrances except RHS liens.

(3) Whenever possible in a Chapter 7 Bankruptcy, a reaffirmation agreement will be signed by the borrower and approved by the court prior to discharge, if RHS decides to continue with the borrower.

(f) Junior lienholder foreclosure. When a junior lienholder foreclosure does not result in payment in full of the RHS debt but the property is sold subject to the RHS lien, RHS may liquidate the account unless the new owner is eligible to assume the RHS debt and actually assumes the RHS debt.

(g) Payment subsidy. If the borrower is receiving payment subsidy, the payment subsidy agreement will not be canceled when the debt is accelerated, but will not be renewed unless the account is reinstated.

(h) Eligibility for special servicing actions. A borrower is not eligible for special servicing actions once the account has been accelerated.

(i) Reporting. RHS may report to IRS and credit reporting agencies any debt settled through liquidation.

Subpart F—Post-Servicing Actions

§ 3550.251 Property management and disposition.

(a) Policy. Rural Housing Service (RHS) will manage custodial property and Real Estate Owned (REO) property to protect the Government’s interest, and may dispose of REO property through direct sales, sealed bid, or auction. RHS will follow affirmative housing marketing policies.

(b) Custodial property. RHS may take custodial possession of security property that has been abandoned, or for other reasons necessary to protect the Government’s security. After taking custodial possession of a security property, RHS may maintain and repair the property as needed to protect the Government’s interest, pay required real estate taxes and assessments, and secure personal property left on the premises. Expenses will be charged to the borrower’s account. Custodial property may be leased when it is in the Government’s best interest and in such cases the borrower’s account will be credited for income from the security property.

(c) REO property.—(1) Classification. When RHS takes title to a security property, it is classified as either program or nonprogram (NP) property. An REO property that is eligible for financing under the section 502 program, or which could reasonably be repaired to be eligible, is classified as program property. An REO property that is not eligible for financing because it is not reasonably be repaired to be eligible as section 502 property, and property that has been improved to a point that it will no longer qualify as modest under section 502, is classified as NP property.

§§ 3550.212–3550.249 [Reserved]

§ 3550.250 OMB control number.

The information collection requirements contained in this regulation have been approved by the Office of Management and Budget (OMB) and have been assigned OMB control number 0575–0172. Public reporting burden for this collection of information is estimated to vary from 5 minutes to 3 hours per response, with an average of 1 1/2 hours per response, including time for reviewing insurrections, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. You are not required to respond to this collection of information unless it displays a currently valid OMB control number.

use until it is decent, safe, and sanitary and meets the RHS cost-effective energy conservation standards. RHS will also notify any potential purchaser of any known lead-based paint hazards.

(3) Property on Indian tribal allotted or trust land. REO property which is located on Indian tribal allotted or trust land, will be sold or otherwise disposed of only to a member of the particular tribe having jurisdiction over the allotted or tribal land, to the tribe, or to an Indian housing authority serving the tribe on a first-come, first-served basis.

(4) Reservation of program REO properties. (i) Program REO properties are reserved for eligible direct or guaranteed single family housing loans under this part or part 1980, subpart D of this title and nonprofit organizations or public bodies providing transitional housing during the first 60 days after the date of the first notice of sale, and during the first 30 days following any reduction in price or any other change in credit terms or other sale terms. After the expiration of a reservation period, program REO properties can be bought by any buyer.

(ii) An offer on a program REO property from a buyer who does not qualify for a direct or guaranteed single family housing loan may be submitted during a reservation period, but is considered to have been received on the day after the reservation period ends.

(iii) No offer is considered until 3 business days after the date the property is offered for sale. An offer received during the 3-day holding period is not considered until the 4th day, and is evaluated with any other offers actually received on the 4th day.

(5) Priority of offers received the same day. (i) Offers received on the same business day are selected in the following order:

(A) Offers from eligible direct or guaranteed single family housing loan applicants, with a request for credit on program terms. All offers are evaluated as if they were submitted at the listed price, regardless of the offering price.

(B) Offers from nonprofits or public bodies for conversion to use as transitional housing or for other special purposes as specified in paragraph (d)(4) of this section.

(C) Cash offers, from highest to lowest.

(D) NP credit offers, from highest to lowest.

(ii) Acceptable offers of equal priority received on the same business day are selected by lot.

(iii) REO properties are not held off the market pending the outcome of an appeal of RHS rejection of a request for financing.

(6) Sale by sealed bid or auction. RHS may authorize the sale of an REO property by sealed bid or public auction when it is in the best interest of the Government. RHS will publicly solicit requests for sealed bids and publicize auctions. If a successful bidder is unable to settle the transaction under the terms of the offer, except for the financing contingency, any required bid deposit may be retained by RHS. If the highest bid is lower than the minimum acceptable bid established by RHS, or if no acceptable bids are received, RHS may negotiate a sale without further public notice.

(d) Special purposes. (1) REO property may be purchased for conversion to multiple family housing.

(2) When a nonprofit organization or public body notifies RHS in writing of its intent to buy an REO property to provide transitional housing for the homeless, RHS may withdraw the property from the market for up to 30 days to give the entity an opportunity to execute a purchase contract. The listed price may be discounted for offers on a nonprogram REO property at any time, and on a program REO property after the 60-day reservation period. No down payment is required, and the loan term will be for a maximum of 30 years. Until RHS executes a sales agreement, an offer from a program-eligible applicant will receive priority, regardless of a nonprofit’s interest in purchasing the REO property for use as transitional housing.

(3) NP properties may be leased to a nonprofit organization or public body to provide transitional housing for the homeless at an annual cost of one dollar. When an REO property is to be leased as transitional housing, RHS will make repairs needed to put the property in decent, safe, and sanitary
condition. The lessee is responsible for all future repairs and maintenance.

(4) REO property may be sold under special provisions to nonprofit organizations or public bodies for the purpose of providing affordable housing to very low- and low-income families.

§ 3550.252 Debt settlement policies.
(a) Applicability. Debt settlement procedures may be initiated to collect any amounts due to RHS including:
(1) Balances remaining on loan accounts after all liquidation proceeds or credits have been applied;
(2) Subsidy recapture or grant amounts due; and
(3) Unauthorized assistance due.
(b) Judgment. RHS may seek a judgment whenever a judgment might enable RHS to collect all or a significant portion of an amount owed.
(c) Multiple loans. RHS does not settle debts for one loan while other RHS loans on the same security property remain active.
(d) Cosigners and claims against estates. RHS may use any and all remedies available under law to collect from any cosigner and from a deceased borrower’s estate.
(e) Reporting. RHS will report to the Internal Revenue Service and credit reporting agencies any debt settled through cancellation, compromise, or adjustment.
(f) Settlement during legal or investigative action. Cases that are under investigation for fiscal irregularity or have been referred to the Office of the Inspector General, the Office of the General Counsel, or the U.S. Attorney will not be considered for debt settlement until final action by the investigating or prosecuting entity has been taken.
(g) Offsets. RHS may request offsets as described in §3550.210 to collect amounts owed.
(h) Escrow funds. At liquidation all funds held in escrow or unapplied funds will be applied against the debt.

§ 3550.253 Settlement of a debt by compromise or adjustment.
Compromise or adjustment offers may be initiated by the debtor or by RHS. RHS will approve only those compromises and adjustments that are in the best interest of the Government.
(a) Compromise. A compromise is an agreement by RHS to release a debtor from liability upon receipt of a specified lump sum that is less than the total amount due.
(b) Adjustments. An adjustment is an agreement by RHS to release a debtor from liability generally upon receipt of an initial lump sum representing the maximum amount the debtor can afford to pay and periodic additional payments over a period of up to 5 years.
(c) Timing of offers. (1) For a settlement offer to be considered, secured debts must be fully matured under the terms of the debt instrument or must have been accelerated by RHS.
(2) Unsecured debts owed after the sale of the security property may be proposed for compromise or adjustment at any time. Debts that were never secured may be proposed for compromise or adjustment when they are due and payable.
(d) Retention of security property. The debtor may retain the security property if the compromise payment is at least equal to the net recovery value, and it is in the best interest of the Government to allow the debtor to retain the security property.

PART 3555—GUARANTEED RURAL HOUSING PROGRAM

Subpart A—General

§ 3555.1 Applicability. This part sets forth policies for the Single Family Housing Guaranteed Loan Program (SFHGLP) administered by USDA Rural Development. It addresses the requirements of section 502(h) of the Housing Act of 1949, as amended, and includes policies regarding originating, servicing, holding and liquidating SFHGLP loans. Any provision regarding the expenditure of funds under this part is contingent upon the availability of funds.

§ 3555.2 Purpose.

(a) General. The purpose of the SFHGLP is to provide low- and moderate-income persons who will live in rural areas with an opportunity to own decent, safe and sanitary dwellings and
related facilities. The SFHGLP offers applicants without sufficient resources to provide the necessary housing on their own account, and unable to secure the credit necessary for such housing from other sources upon terms and conditions, which the applicant can reasonably be expected to fulfill without the guarantee, an opportunity to acquire, build, rehabilitate, improve, or relocate dwellings in rural areas.

(b) Demonstration programs. Rural Development may authorize limited demonstration programs as allowed by law. The objective of these demonstration programs will be to test new approaches to offering housing under the statutory authority granted to the Secretary. Therefore, such demonstration programs may not be consistent with all of the provisions contained in this part. However, any statutory SFHGLP requirements will remain in effect.

§ 3555.3 Civil rights.

Rural Development, lenders, and their agents must administer the program fairly, and in accordance with both the letter and the spirit of all equal opportunity, equal credit opportunity and fair housing legislation, and applicable executive orders. Loan guarantees, services, and benefits provided under this part shall not be denied to any person based on race, color, national origin, sex, religion, marital status, familial status, age (provided the applicant has the capacity to enter into a binding contract), handicap, receipt of income from public assistance, sexual orientation, or because the applicant has, in good faith, exercised any right under the Consumer Credit Protection Act (15 U.S.C. 1601 et seq.). All activities under this part shall be accomplished in accordance with the Fair Housing Act (42 U.S.C. 3601-3630), the Equal Credit Opportunity Act (15 U.S.C. 1691), and Executive Order 11063 as amended by Executive Order 12250, as applicable. Rural Development’s civil rights compliance requirements are provided in 7 CFR part 1901, subpart E.

§ 3555.4 Mediation and appeals.

Whenever Rural Development makes a decision that will adversely affect a participant, the participant may proceed with alternative dispute resolution including mediation and a USDA National Appeals Division hearing in accordance with 7 CFR parts 1 and 11. The participant also may request an informal review of the adverse decision made by Rural Development. Except when the adverse decision applies to a loss claim, the applicant or borrower and the lender may participate in the appeal process. Adverse decisions made by the lender cannot be appealed unless concurrence by Rural Development was required by this subpart and obtained by the lender.

§ 3555.5 Environmental requirements.

(a) Policy. Rural Development will consider environmental quality, economic, social, and other relevant factors in program development and decision-making processes. Rural Development will take into account potential environmental impacts of proposed projects by working with applicants, other Federal agencies, American Indian tribes, State and local governments, and interested citizens and organizations in order to formulate actions that advance the program’s goals in a manner that will protect environmental quality.

(b) Regulatory references. Loan processing and servicing actions under this part will be completed in accordance with the requirements of part 1924 of this title, which addresses environmental requirements for the SFHGLP.

(c) Agency responsibilities. Rural Development is responsible for compliance with all applicable environmental regulations and statutes.

(d) Lender and loan applicant responsibilities. (1) Lenders must use due diligence in regard to potential environmental hazards to ensure the property is decent, safe and sanitary and of sufficient value to adequately secure the loan. The level of due diligence review to determine potential environmental hazards must be equivalent to the
standards established by Fannie Mae, Freddie Mac, FHA, or the VA.

(2) Mortgage loan transactions will be subject to the requirements of the 1994 National Flood Insurance Reform Act to determine if the dwelling is located in a Special Flood Hazard Area (SFHA).

(3) On an as needed basis, lenders and loan applicants will assist Rural Development in obtaining such information as Rural Development needs to complete its environmental review and to cooperate in the resolution of environmental problems.

(4) Lenders will become familiar with Agency environmental requirements, so they can advise applicants and reduce the probability of unacceptable applications being submitted to Rural Development.

(5) The lender must comply with Federally mandated flood insurance purchase requirements. Existing dwellings in a SFHA are not eligible under the SFHGLP unless flood insurance through the FEMA National Flood Insurance Program (NFIP) is available. The lender will require the borrower to obtain, and maintain for the term of the mortgage, flood insurance for any property located in a SFHA, listing the lender as a loss payee.

(6) The borrower must obtain, and continuously maintain for the life of the mortgage, flood insurance on the security property in an amount sufficient to protect the property securing the guaranteed loan. Flood insurance policies must be issued under the NFIP, or by a licensed property and casualty insurance company authorized to participate in NFIP's "Write Your Own" program.

(7) Rural Development, will not guarantee loans for new or proposed homes in an SFHA unless the lender obtains a Letter of Map Amendment (LOMA) that removes the property from the SFHA or Letter of Map Revision (LOMR) that removes the property from the SFHA or obtains a FEMA elevation certificate that shows that the lowest habitable floor (including basement) of the dwelling and all related building improvements is built at or above the 100 year flood plain elevation in compliance with the NFIP.

§ 3555.6 State and local law.

Lenders will comply with applicable State and local laws and regulations, including the laws of American Indian tribes. Supplemental guidance will be issued in the case of any conflict with or significant differences from provisions of this part.

§ 3555.7 Exception authority.

The Administrator of the Agency, or a designee, may make an exception to any requirement or provision of this part or to address any omissions in this part, when the Administrator, or designee, determines that application of the requirement or failure to take action would adversely affect the Government’s interest. Any exception must be consistent with the authorizing statute and other applicable laws.

§ 3555.8 Conflict of interest.

(a) Applicant or borrower responsibility. The applicant or borrower must disclose to the lender any prohibited relationship or association with any Rural Development employee, and the lender must disclose that information to Rural Development.

(b) Lender responsibility. The lender must disclose to Rural Development any prohibited relationship or association it, or any of its employees, has with any Rural Development employee.

(c) Prohibited relationships and associations. Prohibited relationships and associations include the following:

(1) Immediate family members, including parents and children, whether related by blood or marriage;

(2) Close relatives, including grandmother, grandfather, aunt, uncle, sister, brother, niece, nephew, granddaughter, grandson, or first cousin, whether related by blood or marriage;

(3) Any household residents;

(4) Immediate working relationships, including coworkers in the same office, subordinates, and immediate supervisors; and

(5) Close business associations, including business partnerships, joint ventures, or closely held corporations.

(d) Result of disclosure. Disclosure of prohibited relationships and associations under this section will not necessarily result in applicant, borrower or lender ineligibility. Disclosures may
§ 3555.9 Enforcement.

Rural Development will take such actions as are appropriate and necessary to enforce the provisions of these regulations. Such actions will include, but not be limited to, reduction of the loss claim payment; termination of a lender’s or servicer’s participation in the SFHGLP; suspension and debarment of participation in this or other Federal programs; and, any other appropriate administrative, civil, or criminal actions as allowed by law. Rural Development may assess civil monetary penalties pursuant to Section 543 of the Housing Act of 1949, 42 U.S.C. 1409a(b).

§ 3555.10 Definitions and abbreviations.

The definitions and abbreviations in this section apply to this part.

**Acceleration.** Demand for immediate repayment of the entire balance of a debt if the covenants in the promissory note, assumption agreement, or security instruments are breached.

**Adjusted annual income.** Income from all household members who live or propose to live in the dwelling as their primary residence for all or part of the ensuing 12 months. Adjusted annual income is used to determine whether an applicant is income-eligible for a guaranteed loan, or interest assistance, if applicable. Adjusted annual income provides for deductions to account for varying household circumstances and expenses. See §3555.152(c) for a complete description of adjusted annual income.

**Agency.** The Rural Housing Service of the U.S. Department of Agriculture, Rural Development.

**Agency employee.** Any employee of the Rural Housing Service, or any employee of the Rural Development mission area who carries out SFHGLP functions.

**Alien.** See “Qualified alien.”

**Amortization.** A gradual reduction of the mortgage debt through equal monthly principal and interest payments sufficient to fully repay the unpaid principal balance over the mortgage term.

**Amortized payment.** Equal monthly payments under a fully amortized mortgage loan that provides for the scheduled payment of interest and principal over the term of the loan.

**Annual fee.** A periodic amount that is based on the average annual scheduled unpaid principal balance of the loan and is paid by the servicing lender to Rural Development on an annual basis for issuance of a Loan Note Guarantee. The fee may be passed on to the borrower and included in the monthly mortgage payment of a borrower and is used when calculating payment ratios.

**Annual income.** The income of all household members calculated according to §3555.152(b). Annual income is used to determine adjusted annual income in §3555.152(c) for program eligibility purposes.

**Applicant.** An individual applying to a lender for a guaranteed loan.

**Area median income.** The median income in a specific locality, typically a county or Metropolitan Statistical Area (MSA), as determined by the Department of Housing and Urban Development.

**Assumption.** A method of selling real estate wherein the property purchaser accepts the liability for payment of an existing mortgage.

**Borrower.** An individual obligated to repay the loan guaranteed under the Guaranteed Rural Housing loan program.

**Combination construction and permanent loan.** A guaranteed loan on which the Rural Development guarantee becomes effective at the time construction of an eligible single family housing project begins.

**Community land trust.** A private nonprofit community housing development organization that is established to acquire parcels of land, held in perpetuity, primarily for conveyance under long-term ground leases. See section 502(a)(3)(B) of the Housing Act of 1949, 42 U.S.C. 1472(a)(3)(B), as amended.

**Conditional commitment.** Rural Development’s agreement that a proposed...
loan will be guaranteed if all conditions and requirements established by Rural Development are met.

Condominium project. A real estate project in which each owner has title to a unit in a building, an undivided interest in the common areas of the project and sometimes the exclusive use of certain limited common areas. See § 526(d) of the Housing Act of 1949, as amended.

Debarment. An action taken under 2 CFR part 180 or 417 to exclude a person or entity from participating in Federal programs.

Disability. See “Person with a disability.”

Dwelling. A house, manufactured home, or condominium unit, and related facilities, such as a garage or storage shed, used or to be used as the borrower’s principal residence.

Elderly family. An elderly family consists of one of the following:

(1) A person who is the head, spouse, or sole member of a household and who is 62 years of age or older, or who is disabled, and is an applicant or borrower;

(2) Two or more persons who are living together, at least one of whom is age 62 or older, or disabled, and who is an applicant or borrower; or

(3) Where the deceased borrower or spouse in a household was at least 62 years old or disabled, the surviving household member shall continue to be classified as an elderly household for the purpose of determining adjusted income, even though the surviving members may not meet the definition of an elderly family on their own, provided:

(i) They occupied the dwelling with the deceased household member at the time of the death;

(ii) If one of the surviving household members is the spouse of the deceased household member, the surviving household shall be classified as an elderly family only until the remarriage or death of the surviving spouse; and

(iii) At the time of the death of the deceased household member the dwelling was financed with a Guaranteed Rural Housing loan.

Escrow account. A trust account that is established by the lender or its servicing agent to hold funds collected from the borrower and allocated for the payment of real estate taxes, special assessments, hazard or flood insurance premiums, and other similar expenses.

Existing dwelling. A dwelling that does not meet the definition of “new dwelling”.

Extended-term loan modification. A loan modification authorized under § 3555.304 of this part, in which the lender reduces the interest rate to a level at or below the maximum allowable interest rate and then extends the repayment term up to a maximum of 40 years from the date of loan modification, but only as long as is necessary to achieve the targeted mortgage payment to income ratio.

Fannie Mae. A private, shareholder-owned company with a charter from Congress to support the housing finance system, formerly officially known as the Federal National Mortgage Association.

FHA. The Federal Housing Administration of the United States Department of Housing and Urban Development.

FHLB. Federal Home Loan Bank.

First-time homebuyer. Individuals who meet any one of the following three criteria are considered first-time homebuyers:

(1) An individual who has had no ownership interest in a principal residence during the three-year period ending on the date of loan closing.

(2) An individual who is a displaced homemaker and who, except for owning a home with a spouse, has had no ownership interest in a principal residence during the three-year period ending on the date of loan closing. Displaced homemakers include any individual who is:

(i) An adult;

(ii) Unemployed or underemployed;

(iii) Experiencing difficulty in obtaining or upgrading employment; and

(iv) In recent years has worked primarily without remuneration to care for the home and family, but has not worked full-time, full-year in the labor force.

(3) An individual who is a single parent and who, except for owning a home
§ 3555.10

with a spouse, has had no ownership interest in a principal residence during the three-year period ending on the date of loan closing. Single parents include any individual who is:

(i) Unmarried or legally separated; and

(ii) Has custody or joint custody of one or more children, or is pregnant.

Forbearance agreement. An agreement between the lender and the borrower providing for temporary suspension of payments or a repayment plan that calls for periodic payments of less than the normal monthly payment, periodic payments at different intervals, etc. to bring the account current.

Freddie Mac. A private, shareholder owned company with a charter from Congress to support the housing finance system, formerly officially known as the Federal Home Loan Mortgage Corporation.

Funded buydown account. An escrow account funded by the lender, seller, or through a third party gift, from which monthly payments are released directly to the lender to reduce the amount of interest on a loan, thereby improving an applicant's repayment ability.

Ginnie Mae. Government National Mortgage Association, a Government-owned corporation within HUD.

Household. All persons routinely living in the dwelling as principal residence, except for live-in aides, foster children, and foster adults.

Housing Act of 1949. The Act which, in part, provides the authority for single family housing programs, codified at 42 U.S.C. 1471 et seq.

HUD. The United States Department of Housing and Urban Development.

Interest assistance. Agency assistance available to eligible borrowers that reduces the effective interest rate on the guaranteed loan. Interest assistance applied to borrowers whose loans were approved as a subsidized guaranteed loan between April 17, 1991, and September 30, 1991, and who entered into interest assistance and shared equity agreements at loan closing.

IRS. The Internal Revenue Service of the United States Department of the Treasury.

Leasehold estate. The right to use and occupy real estate for a stated term and under conditions which have been conveyed by a lease.

Lender. The entity making, holding, or servicing a loan that is guaranteed under the provisions of this part.

Live-in aide. A person who:

(1) Lives with an elderly person or a person with a disability and

(2) Is essential to that person's care and well-being, and

(3) Is not obligated for the person's support, and

(4) Would not be living in the unit except to provide the support services.

Loan modification. A written agreement that permanently changes an original note term, such as the interest rate, monthly payment, and/or the principal balance due to capitalization of interest or advances.

Low-income. An adjusted income that is greater than the HUD established very low-income limit, but that does not exceed the HUD established low-income limit (generally 80 percent of median income adjusted for household size) for the county or Metropolitan Statistical Area where the property is or will be located.

Manufactured home. A structure that is built on a permanent foundation according to Federally Manufactured Home Construction and Safety Standards established by HUD and found at 24 CFR part 3280.

Market value. The value of the property as determined by a current appraisal made in accordance with the Uniform Standards of Professional Appraisal Practices.

Maximum allowable interest rate. For purposes of § 3555.304, the rate established by the Agency in a Federal Register notice describing how to calculate the maximum allowable interest rate. If the maximum allowable interest rate has not been established by notice in the Federal Register, the maximum allowable interest rate shall be 50 basis points greater than the most recent Freddie Mac Weekly Primary Mortgage Market Survey (PMMS) rate for 30-year fixed-rate mortgages (U.S. average), rounded to the nearest one-eighth of one percent (0.125%), as of the date the loan modification is executed. Weekly PMMS rates are published on the Freddie Mac Web site, and the Federal Reserve
Board includes the average 30-year PMMS rate in the list of Selected Interest Rates that it publishes weekly in its Statistical Release H.15.

Median income. The area median income, adjusted for family size, as established by HUD.

Moderate income. The greater of:

1. 115 percent of the U.S. median family income,
2. The average of the state-wide and state non-metro median family income,
3. 115/80ths of the area low-income limit adjusted for household size for the county or MSA where the property is, or will be, located.

Modest housing. For purposes of this part, “modest housing” is the housing that a low- or moderate-income borrower can afford based on their repayment ability.

Mortgage. A form of security instrument or consensual lien on real property including a real estate mortgage and a deed of trust.

Mortgage credit certificate. A certificate issued by an authorized State or local housing finance agency that documents a Federal income tax credit awarded to a first-time homebuyer and/or low- or moderate-income homebuyer. The Federal income tax credit reduces the applicant’s Federal income tax liability, which improves his or her repayment ability.

Mortgage payment to income ratio. As used in §3555.304, this ratio is the monthly mortgage payment (principal, interest, taxes, and insurance) divided by the borrower’s gross monthly income.

Mortgage recovery advance. A mortgage recovery advance is funds advanced by the lender on behalf of a borrower to satisfy the borrower’s arrearage, pay legal fees and foreclosure costs related to a cancelled foreclosure action, and reduce principal. Upon request, RHS will reimburse the lender for eligible mortgage recovery advances under §3555.304.

MSA (Metropolitan Statistical Area). A geographic entity defined by the United States Office of Management and Budget.

Net family assets. The value of assets available to a household, as contained in §3555.152(d).

Net recovery value. The amount available to apply to the outstanding unpaid loan balance after considering the value of the security property and other amounts recovered, and deducting the costs associated with liquidation, acquisition and sale of the property. Net recovery value is calculated differently depending on the type of disposition, as contained in §3555.353.

New dwelling. A dwelling that is to be built is under construction, or a dwelling that is less than one year old and has never been occupied. A manufactured home is considered a new unit if the manufacturer’s date is within 12 months of the purchase contract and the unit has never been occupied or installed at any other location as otherwise provided by Rural Development.

Participant. For the purpose of appeals, a participant is any individual or entity that has applied for, or whose right to participate in or receive a payment, loan guarantee, or other benefit, is affected by an Agency decision in accordance with 7 CFR 11.1.

Person with a disability. Any person who has a physical or mental impairment that substantially limits one or more major life activities, including functions such as caring for one’s self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working, has a record of such an impairment, or is regarded as having such an impairment.

Planned Unit Development. For the purpose of this definition, a condominium is not a Planned Unit Development (PUD). A PUD is a development that has all of the following characteristics:

1. The individual unit owners own a parcel of land improved with a dwelling. This ownership is not in common with other unit owners;
2. The development is administered by a homeowners association that owns and is obligated to maintain property and improvements within the development (for example, greenbelts, recreation facilities and parking areas) for the common use and benefit of the unit owners; and
3. The unit owners have an automatic, non-severable interest in the homeowners association and pay mandatory assessments.
Pre-foreclosure sale. A sale of property in which the lender and borrower agree to accept the proceeds of the sale to satisfy a defaulted mortgage, even though this may be less than the amount owed on the mortgage, in order to avoid foreclosing on the property.

Primary residence. See “Principal residence.”

Principal residence. The home domicile physically occupied by the owner for the major portion of the year and the address of record for such activities as Federal income tax reporting, voter registration, occupational licensing, etc.

Prior lien. A lien against the security property that is superior in right to the lender’s debt instrument.

Qualified alien. See the definition of the term under Section 401 of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PRWORA) (8 U.S.C. 1641).

Real estate taxes. Taxes and assessments estimated to be due and payable on the property.

REO (Real Estate Owned). Property that formerly served as security for a guaranteed loan and for which the lender holds title.

Repayment income. Used to determine whether an applicant has the ability to make monthly loan payments. Repayment income may include amounts excluded for the purpose of determining adjusted annual income. See §3555.152(a) for a complete description of repayment income.

Rural area. The definition of “rural area” is found in section 520 of the Housing Act of 1949, as amended.

Rural Development. A mission area within USDA that includes the Rural Housing Service, the Rural Utilities Service, and the Rural Business-Cooperative Service.

Scheduled payment. The monthly installment on a promissory note, as modified by an interest assistance agreement or forbearance agreement, plus escrow payments.

Secured loan. A loan that is collateralized by property so that in the event of a default on the loan, the property may be sold to pay down the debt.

Security instrument. The mortgage, or deed of trust, that secures the promissory note or assumption agreement.

Security property. All the real property that serves as collateral for a guaranteed loan.

Settlement date. The settlement date, for the purpose of loss calculation, is the later of the following:

1. Actual foreclosure date;
2. The closing date, if sold to a third party at the foreclosure sale;
3. The date the borrower sells the property to a third party in order to avoid or cure a default situation, with prior approval of the lender; and
4. When title is acquired to the security following the expiration of any state-required redemption or confirmation period.

SFHGLP. Single Family Housing Guaranteed Loan Program. The SFHGLP guarantees loans under section 502 of the Housing Act of 1949. Under the guarantee, the holder of the loan note may be reimbursed by Rural Development for all or part of a loss incurred if a borrower defaults on a loan.

Short sale. A type of voluntary liquidation (also referred to as a preforeclosure sale or short payoff) where a borrower and the lender who holds the mortgage on the property agree to sell the property at fair market value, but for less than the current outstanding debt (including any missing payments, late fees, penalties, and advances for taxes and the like).

Supplemental loan. A guaranteed loan made in conjunction with a transfer and assumption to provide funds to complete the transaction.

Suspension. An action taken under 2 CFR parts 180 or 417 to exclude a person or entity from participation in Federal programs for a temporary period, pending completion of an investigation of wrongdoing.

Total debt to income ratio. Total debt to income ratio is defined as the borrower’s monthly mortgage payment plus all recurring monthly debt divided by the borrower’s gross monthly income.

Unauthorized assistance. Any guaranteed loan or interest assistance for which there was no regulatory or statutory authorization, or for which the borrower was not eligible.
United States citizen. An individual who resides as a citizen in any of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, the Commonwealth of the Northern Marianas, the Federated States of Micronesia, the Republic of Palau, or the Republic of the Marshall Islands.

USDA. The United States Department of Agriculture.

U.S. non-citizen national. A person born in American Samoa or Swains Island on or after the date the U.S. acquired American Samoa or Swains Island, or a person whose parents are U.S. non-citizen nationals.

VA. United States Department of Veterans Affairs.

Veterans’ preference. A preference in loan processing extended to a SFHGLP loan applicant who served on active duty and has been discharged or released from the active forces on conditions other than dishonorable from the United States Army, Navy, Air Force, Marine Corps, or Coast Guard. The preference applies to the service person, or the family of a deceased serviceperson who died in service before the termination of such war or such period or era. The applicable timeframes are:

(1) During the period of April 6, 1917, through March 31, 1921;
(2) During the period of December 7, 1941, through December 31, 1946;
(3) During the period of June 27, 1950, through January 31, 1955;
(4) For a period of more than 180 days, any part of which occurred after January 31, 1955, but on or before May 7, 1975;
(5) During the period beginning August 2, 1980, and ending January 2, 1992, provided, of course, that the veteran is otherwise eligible; or
(6) During any other period as prescribed by Presidential proclamation or law.

§§ 3555.11–3555.49 [Reserved]

§ 3555.50 OMB control number.

The report and recordkeeping requirements contained in this subpart have been approved by the Office of Management and Budget and have been assigned OMB control number 0575–0179.

Subpart B—Lender Participation

§ 3555.51 Lender eligibility.

A lender must meet the requirements described in this section to be approved for participation in the SFHGLP.

(a) Ability to underwrite and service loans. The lender must have a demonstrated ability to underwrite and service single-family home loans. A lender will be considered to have such a demonstrated ability if it qualifies as one of the following:

(1) A State Housing Agency;
(2) A lender approved as a supervised or nonsupervised mortgagee by HUD with direct endorsement authority for submission of applications for Federal Housing Mortgage Insurance;
(3) A supervised or nonsupervised mortgagee with authority to close VA-guaranteed loans on the automatic basis;
(4) A lender approved by Fannie Mae for single-family loans;
(5) A lender approved by Freddie Mac for single-family loans;
(6) A Farm Credit System institution that provides documentation of its ability to underwrite and service single-family loans. Lenders who are a Farm Credit System lender with direct lending authority meet demonstrated ability;
(7) A lender participating in other Rural Development or Farm Service Agency guaranteed loan programs that provide documentation of its ability to underwrite and service single-family loans. Documentation criteria for other Rural Development or Farm Service Agency guarantee loan programs require an active lender agreement; or
(8) A Federally supervised lender that provides documentation of its ability to originate, underwrite and service single-family loans. Acceptable sources of supervision include:

(i) Being a member of the Federal Reserve System;
(ii) The Federal Deposit Insurance Corporation (FDIC);
(iii) The National Credit Union Administration (NCUA);
(iv) The Office of Thrift Supervision (OTS);
(v) The Office of the Comptroller of the Currency (OCC).
(vi) The Federal Housing Finance Board regulating lenders within the Home Loan Bank FHFB system.

(9) A lender may demonstrate its ability to originate and underwrite loans by submitting appropriate documentation, examples of which include, but are not limited to:
(i) A summary of residential mortgage lending activity.
(ii) Written criteria outlining the lender’s policy and procedures for originating, underwriting and closing residential mortgage loans.
(iii) Evidence of an experienced loan underwriter on staff.
(iv) Certification the lender will contract with an Agency-approved lender meeting the criteria to participate in the program as a servicer.

(10) A lender may demonstrate its ability to service loans by submitting appropriate documentation, examples of which include, but are not limited to:
(i) Evidence of a written plan when contracting for escrow services.
(ii) Evidence the lender has serviced single-family residential mortgage loans in the year prior to request lender approval to participate in the SFHGLP.

(b) SFHGLP participation requirements. Lenders and their agents must comply with the following requirements:
(1) Keep up to date, and comply with, all Agency regulations and handbooks, including all amendments and revisions of program requirements and policies. Lenders who originate a minimal number loans, as determined by the Agency, in a 24 month time frame may be required to take updated training to ensure a lender’s continued knowledge of the program;
(2) Regularly check Rural Development’s Web site for new issuances related to the program;
(3) Underwrite loans according to Rural Development regulations and process and approve loans in accordance with program instructions;
(4) Review loan applications for accuracy and completeness,
(5) Ensure that applicant income limits are not exceeded;
(6) Ensure that borrowers have adequate loan repayment ability and acceptable credit histories;
(7) Ensure that loss claims include only supportable costs;
(8) Cooperate fully with Agency reporting and monitoring requirements;
(9) Comply with limitations on loan purposes, loan limitations, interest rates, and loan terms;
(10) Inform Rural Development immediately after the sale, transfer, or change of servicers of any Agency guaranteed loan;
(11) Maintain reasonable and prudent business practices consistent with generally accepted mortgage industry standards, such as maintaining fidelity bonding;
(12) Remain responsible for servicing even if servicing has been contracted to a third party;
(13) Use Rural Development, HUD, Fannie Mae, or Freddie Mac forms, unless otherwise approved by Rural Development;
(14) Maintain eligibility under paragraph (a) of this section;
(15) Notify Rural Development if there are any material changes in organization or practices;
(16) Be neither debarred nor suspended from participation in Federal programs, not debarred, suspended or sanctioned under state licensing and certification laws and regulation;
(17) Notify Rural Development in the event of its bankruptcy or insolvency;
(18) Remain free from default and delinquency on any debt owed to the Federal government;
(19) Allow Rural Development or its representative access to the lender’s records, including, but not limited to, records necessary for on-site and desk reviews of the lender’s operation and the operations of any of its agents to verify compliance with Agency regulations and guidelines;
(20) Maintain adequate operational quality control and reporting procedures to prevent mortgage fraud;
(21) Maintain complete loan files with all required documentation that is accessible by the Agency upon request for review; and
§ 3555.101 Loan purposes.

Loan funds must be used to acquire a new or existing dwelling to be used by the applicant as a principal residence.

(a) Eligible purposes. Loan funds may be used for:

(1) The construction or purchase of a new dwelling;

(2) The cost of acquisition of an existing dwelling;

(3) The cost of repairs associated with the acquisition of an existing dwelling; or closing to an Agency approved lender to which the guarantee will be issued. The approved lender is responsible for ensuring that the loan is properly underwritten, obtaining the conditional commitment, ensuring that the loan is properly closed, and ensuring that all closing costs, financing, and settlement fees meet Agency program requirements.

§ 3555.54 Sale of loans to approved lenders.

Lenders may sell SFHGLP loans only to other Agency-approved lenders, Fannie Mae, Freddie Mac, or the Federal Home Loan Banks. In such a sale, the purchasing lender acquires all rights of the selling lender under the Loan Note Guarantee, and assumes all of the selling lender’s obligations contained in any note, security instrument, or Loan Note Guarantee in connection with the loan purchased. The purchasing lender may be subject to any defenses, claims, or offsets that Rural Development would have had against the selling lender if the selling lender had continued to hold the loan. The lender must notify Rural Development immediately upon the sale or transfer of servicing of a SFHGLP loan.

§§ 3555.55–3555.99 [Reserved]

§ 3555.100 OMB control number.

The report and recordkeeping requirements contained in this subpart have been approved by the Office of Management and Budget and have been assigned OMB control number 0575–0179.

Subpart C—Loan Requirements

§ 3555.101 Loan purposes.

Lenders may contract with mortgage brokers, non-approved lenders, or other entities for loan origination services, closing services, or both, provided the loan is transferred immediately after
(4) Acquisition and relocation of an existing dwelling.

(b) Eligible costs. Loan funds also may be used to pay for the following items associated with the acquisition of a dwelling:

(1) Purchase and installation of essential household equipment in the dwelling such as wall-to-wall carpeting, ovens, ranges, refrigerators, washing machines, clothes dryers, heating and cooling equipment, and other similar items as long as the equipment is conveyed with the dwelling and such items are typically included in the purchase of similar dwellings in the area.

(2) Purchase and installation of energy-saving measures.

(3) Site preparation including grading, foundation, plantings, seeding or sodding, trees, walks, fences, and driveways to the home.

(4) A supplemental loan to provide funds for seller equity or essential repairs when an existing guaranteed loan is assumed simultaneously.

(5) Special design features or equipment when necessary because of a physical disability of the applicant or a member of the household.

(6) Loan funds may be used to pay for reasonable and customary expenses related to obtaining the loan. Allowable loan expenses include:

(i) Legal, architectural, and engineering fees;

(ii) Title exam, title clearance and title insurance;

(iii) Transfer taxes and recordation fees;

(iv) Appraisal, property inspection, surveying, environmental, tax monitoring, and technical services;

(v) Homeownership education.

(vi) For low-income borrowers only, reasonable and customary loan discount points to reduce the note interest rate from the rate authorized in §3555.104(a).

(vii) Reasonable and customary non-recurring closing costs associated with the mortgage transaction that do not exceed those charged other applicants by the lender for a similar loan package that requires conventional mortgage insurance or guarantee. Allowable closing costs include the actual cost of credit reports, the loan origination fee, settlement fee, deposit verification fees, document preparation fees (if performed by a third party not controlled by the lender), and other reasonable and customary costs as determined by Rural Development. Payment of finder’s fees or placement fees for the referral of an applicant to the lender is prohibited.

(viii) Reasonable connection fees, assessments, or the pro rata installment costs for utilities such as water, sewer, electricity and gas for which the borrower is responsible.

(ix) The prorated portion of real estate taxes that is due and payable on the property at the time of closing and to establish escrow accounts for real estate taxes, hazard and flood insurance premiums, and related costs.

(x) The amount of the loan up-front guarantee fee required by §3555.107(h).

(xi) The cost of establishing a cushion in the mortgage escrow account for payment of the annual fee required by §3555.108(g), not to exceed 2 months.

(xii) If the seller or other third party pays any of the costs described in this section, the amount of the costs paid by the seller or other third party may not be included in the loan amount to be guaranteed.

(c) Combination construction and permanent loan. Loan funds may be used and Rural Development will guarantee a “combination construction and permanent loan” as defined at §3555.10, during the term of construction and prior to the borrower occupying the property, subject to the conditions in §3555.105.

(d) Refinancing. Refinancing is permitted only in the following situations:

(1) The loan may be used for permanent financing when temporary financing to construct a new dwelling, or to purchase and improve an existing dwelling, is arranged as a part of the loan package.

(2) In the case of loans for a site on which a dwelling is not constructed prior to issuance of the Loan Note Guarantee, refinancing is permitted if:
Rural Housing Service, USDA § 3555.102

(i) The site is free and clear of debt;
(ii) The debt to be refinanced was incurred for the sole purpose of purchasing the site;
(iii) The applicant is unable to acquire adequate housing without refinancing; and
(iv) An appropriate dwelling will be constructed on the site.

(3) The loan is a present Section 502 Direct or guaranteed loan, authorized under the Housing Act of 1949 subject to the following additional requirements:
(i) The interest rate of the new loan must be fixed. The rate of the new loan must be at least 100 basis points below the original rate of the loan refinanced.
(ii) The loan security must include the same property as the original loan and be owned and occupied by the borrowers as their principal residence.
(iii) Existing borrowers seeking to refinance must have demonstrated their ability to meet payment demands by maintaining a current account for the 180 days prior to application.
(iv) Borrowers may be added to or deleted from a refinance transaction. At least one of the borrowers (primary or co-borrower(s)) must remain to qualify as a refinance transaction. All applicants who will be a party to the note must meet eligibility requirements.
(v) The maximum loan amount cannot exceed the balance of the loan being refinanced including accrued interest, the guarantee fee, and reasonable and customary closing costs. When a direct loan is refinanced, any recapture amount owed may be included in the loan amount or deferred as long as the recapture amount takes a subordinate lien position to the new SFHGLP loan. A discount on the recapture amount may be offered if the borrower does not defer recapture or includes the recapture amount in the new loan.
(vi) Two options for refinancing can be offered. Lenders may offer a streamlined refinance for existing Section 502 Guaranteed loans, which does not require a new appraisal. Streamlined financing may not be available for existing Section 502 Direct loans. The lender will pay off the balance of the existing Section 502 Guaranteed loan. The new loan amount cannot include any closing costs or lender fees. The refinance up-front guarantee fee as established by the Agency can be included in the loan to be refinanced to the extent financing does not exceed the original loan amount. Lenders may offer non-streamlined refinancing for existing Section 502 Guaranteed or Direct loans, which requires a new and current market value appraisal. The new loan may include the principal and interest of the existing Agency loan, reasonable closing costs and lenders fees to extent there is sufficient equity in the property as determined by an appraisal. The appraised value may be exceeded by the amount of up-front guarantee fee financed, if any, when using the non-streamlined option. Documentation, costs, and underwriting requirements of subparts D, E, and F of this part apply to refinances.
(vii) Lenders may require property inspections and/or repairs as a condition to loan approval. Expenses related to property inspections and repairs required of the lender may not be financed into the new loan amount.
(viii) The lender pays a guarantee fee as established by the Agency.
(ix) The refinance loan may be subject to an annual fee as established by the Agency; and
(x) The Agency may limit the number of guaranteed loans made for refinancing purposes based on market conditions and other appropriate factors.

§ 3555.102 Loan restrictions.

A guarantee will not be issued if loan funds are to be used for:
(a) Existing manufactured homes. Purchase of an existing manufactured home, except as provided in §3555.208(b)(3);
(b) Income producing land or buildings. Purchase or improvement of land or buildings that are typically used principally for income-producing purposes;
(c) Business or income-producing enterprise. Purchase or the construction of buildings which are largely or in part specifically designed to accommodate a business or income-producing enterprise;
(d) Loan discount points. Loan discount points, except as provided in §3555.101(b)(6)(vi);
§ 3555.103 Maximum loan amount.

The amount of the loan must not exceed the lesser of:

(a) Market value. The market value of the property as determined by an appraisal that meets Agency requirements plus the amount of the up-front loan guarantee fee required by § 3555.107(f), or

(b) Purchase price and acquisition costs. The total of the purchase price and all eligible acquisition costs as permitted by § 3555.101.

(c) Newly constructed dwelling—limited to 90 percent. A newly constructed dwelling that does not meet the definition of an existing dwelling, as defined at § 3555.16, and cannot meet the inspection and warranty requirements of § 3555.202(a) of this subpart is limited to 90 percent of the present market value. The dwelling must meet or exceed the International Energy Conservation Code (IECC) in effect at the time of construction.

§ 3555.104 Loan terms.

(a) Interest rate. The loan must be written at an interest rate that:

(1) Is fixed over the term of the loan;

(2) Shall be negotiated between the lender and borrower to allow the borrower to obtain the best available rate available;

(3) Does not exceed the greater of the Fannie Mae or Freddie Mac rate for 30 year fixed rate conventional loans, as authorized in Exhibit B of subpart A of part 1810 of this chapter (RD Instruction 440.1, available in any Rural Development office) or online at: http://www.rurdev.usda.gov/rd_instructions.html, and

(4) If the interest rate increases between the time of the issuance of the conditional commitment and the loan closing, the lender will note the change in the loan closing package and submit appropriate updated documentation and underwriting analysis to confirm that the applicant is still eligible.

(b) Repayment period. The term of the loan may not exceed 30 years. Adjustable rate mortgages, balloon term mortgages or mortgages requiring prepayment penalties are ineligible terms.

(c) Repayment schedule. Amortized payments will be due and payable monthly.

(d) Negative amortization. The loan note must not provide for interest on interest.

§ 3555.105 Combination construction and permanent loans.

Guarantees of combination construction and permanent loans are subject to the following conditions:

(a) Lender requirements. In addition to other lender requirements of this part, lenders seeking guarantees of combination construction and permanent loans must:

(1) Have two or more years experience making and administering construction loans.

(2) Submit an executed construction contract with each loan application package.

(3) Review and approve construction contractors or builders. The lender will conduct due diligence investigations to determine that the contractor or builder meets the minimum requirements in paragraph (b) of this section. Evidence of the contractor or builder’s compliance must be made available by the lender upon request of the Agency.

(4) Close the loan prior to the start of construction with proceeds disbursed to cover the cost of, or balance owed on, the land and the balance into escrow.

(5) Pay out monies from escrow to the builder during construction. The lender must obtain written approval from the borrower before each draw payment is provided to the builder. The borrower and lender are jointly responsible for approving disbursements during the construction phase. The lender must ensure that the appropriate work has been completed prior to releasing each draw. The Agency may require
the lender to submit a draw and disbursement ledger for any loan guarantee upon request.

(6) Obtain documentation that confirms the construction of the subject property is complete.

(b) Contractor or builder requirements. Contractors or builders of homes financed with guaranteed combination construction and permanent loans must at least have:

(1) Two or more years experience building or constructing all aspects of single family dwellings similar to the type of project being proposed;

(2) State-issued construction or contractor licenses, as required by State or local law;

(3) Insurance for commercial general liability of at least $500,000;

(4) Acceptable credit histories free of judgments, collections, or liens related to previous projects the contractor was involved with in the past;

(5) No criminal history based on a criminal background check conducted by the lender;

(6) Limited to 25 units per year unless approved by the Agency; and

(7) Contractors or builders who are constructing their own residence are ineligible.

c) Use of loan funds. (1) The loan is to finance the construction and purchase of a single family housing residence. Condominiums and manufactured homes are ineligible for combination construction and permanent loans.

(2) The loan amount may include:

(i) The price of the lot.

(ii) Reasonable and customary construction costs related to the construction administration, such as architectural and engineering fees, building permits and fees, surveys, title updates, contingency reserves, not exceeding a percentage specified by the Agency of the cost of construction, draw control and inspection fees, builder’s risk insurance or course of construction insurance, and landscaping costs;

(iii) Reasonable and customary closing costs as defined at §3555.101; and

(3) Funds remaining after full disbursement of construction costs will be applied by the lender as a principal payment. Borrowers are not to receive funds after closing except that the borrower may receive funds remaining from certain unused prepaid expenses if the borrower used personal, non-loan funds to pay those expenses.

d) Terms. The following terms apply to guarantees of combination construction and permanent loans:

(1) The interest rate for the construction and permanent loan will be established in accordance with §3555.104 at the time the rate is locked, which must occur prior to closing.

(2) The fair market value of the proposed property to be constructed will be used to establish the maximum loan amount.

(3) Annual guarantee fees will begin in the month immediately following loan closing and will not be affected by loan reamortization following the completion of construction. Lenders may fund a lender imposed escrow account for borrower payment of the annual fee in accordance with §3555.101(b)(6)(xi), as an eligible loan purpose, provided the market value of the property is not exceeded.

(4) Interest on the construction loan is payable monthly either directly from the borrower or indirectly drawn from an established interest reserve. Real estate taxes and property insurance due during the construction period may also be paid using the same draw process. The annual fee will be due and payable from the lender on the 1st of the month following the anniversary date the construction to permanent loan closed.

(5) Initial payment of the regularly scheduled (amortized) principal and interest payment may be postponed up to one year, if necessary, based upon the construction period. Local conditions and the proposed construction contract may dictate the term.

(6) The loan will be modified and reamortized to achieve full repayment within its remaining term once construction is complete. Within a reasonable time, as specified by the Agency, after the final inspection, the borrower will begin making regularly scheduled (amortized) principal and interest payments once the loan is re- amortized.

e) Mortgage file documentation. Standard industry credit and verification documents may be utilized when processing and closing the loan.
and must be dated within a reasonable time, specified by the Agency, of the closing in order to be considered valid. In addition to documentation noted at §3555.202(a), lenders must obtain and retain evidence:

1. The actual cost to construct the subject dwelling;
2. The acquisition, transfer of ownership, and/or ownership of land;
3. Certification of construction completion and that construction costs have been fully drawn;
4. Closing costs;
5. Certification that property is free and clear of all other liens after conversion to permanent loan;
6. Required inspections and warranties; and
7. Loan modification agreement when construction is complete confirming the existence of the permanent loan and the amortizing interest rate on the loan.

(f) Loan Note Guarantee. The Loan Note Guarantee will be issued after closing of the construction loan without waiting for complete construction of the subject property upon:

1. Request by the approved lender;
2. The lender’s submission of the closing documentation acceptable to Rural Development demonstrating that the loan was properly closed;
3. Payment of the guarantee fee; and
4. The lender’s compliance with other requirements under §3555.107.

(g) Unplanned changes during construction. Should an unplanned change occur with the borrower or contractor preventing completion of construction, the lender remains responsible for completion of improvements satisfactory to Rural Development. The loan will be serviced in accordance with subparts F and G of this part.

(h) Reservation of funding. Rural Development reserves the right to limit the number or amount of loans guaranteed under this section based on market conditions and other factors it considers appropriate, such as loan and portfolio performance.

§ 3555.106 [Reserved]

§ 3555.107 Application for and issuance of the loan guarantee.

(a) Processing of applications. Except as provided in this section, Rural Development will process loan guarantee applications in the order that completed applications are received. Application forms and instruction procedures are available at any Rural Development office.

1. If analysis of the utilization of funds during the fiscal year indicates that, at the rate of current utilization, funds may not be sufficient to sustain that level of activity for the remainder of the fiscal year, the Agency may determine a shortage of funds exists.

2. When there is a shortage of funds, the Agency will limit SFHGLP loans to first-time homebuyers or veterans. First-time homebuyers and veterans will be served in the order their applications are received.

(b) Automated underwriting. Rural Development will offer approved lenders an automated system, if available; to process Rural Development guaranteed loans under this part. The automated underwriting system is a tool to help evaluate credit risk, but does not substitute or replace the careful judgment of experienced underwriters, and shall not be the exclusive basis for a determination on whether to extend credit. The lender must apply for and receive approval from Rural Development to utilize the automated underwriting system. Application forms are available from Rural Development. Lenders using the automated underwriting system shall do so in accordance with SFHGLP regulations and guidelines. Rural Development reserves the right to terminate the lender’s use of the automated underwriting system.

1. Lenders who utilize the Rural Development automated underwriting system remain responsible for ensuring all data is true and accurately represented.

2. Full documentation and verification, in accordance with Subparts C, D and E of this part, will be retained in the lender’s permanent loan file and must confirm the applicant’s eligibility, creditworthiness, repayment ability, eligible loan purpose, sufficient collateral, and all other regulatory requirements.

3. Lenders who utilize the Rural Development automated underwriting
system will be subject to indemnification requirements in accordance with §3555.108.

(4) If a loan receives an “Accept” underwriting recommendation, the lender is generally permitted to submit minimal documentation including the appraisal, flood hazard determination and fully executed request for guarantee, unless the lender is instructed to provide other documentation.

(5) Loan requests that receive a “Refer” or “Refer with Caution” underwriting recommendation require further review and manual underwriting by the lender to determine whether the applicant meets SFHGLP eligibility requirements.

(6) Lenders who utilize Rural Development’s automated underwriting system will validate findings, based upon the output report of the underwriting system.

(7) The final submission of the last scoring event must be retained in the lender’s permanent loan file.

(c) Manual underwriting. Lenders may utilize a manual underwriting method. Full documentation and verification, in accordance with Subparts C, D and E of this part will be submitted to Rural Development when requesting a guarantee and maintained in the lender’s file. The documentation will confirm the applicant’s eligibility, creditworthiness, repayment ability, eligible loan purpose, adequate collateral, and satisfaction of other regulatory requirements.

(d) Appraisals. The lender must supply a current appraisal report of the property for which the guarantee is requested.

(1) Appraisals must be conducted in accordance with the Uniform Standards of Professional Appraisal Practices.

(2) Approved lenders are responsible for selecting a qualified appraiser and the integrity, accuracy and thoroughness of the appraisals used to support their loan guarantee request.

(3) The appraiser must report all readily observable property deficiencies, potential environmental hazards, as well as any adverse conditions discovered performing the research involved in completing the appraisal.

(4) The Agency will conduct reviews of the appraisals prior to issuance of the conditional commitment, and other reviews may be conducted to ensure overall quality of appraisals. The lender is responsible for correcting any appraisal deficiencies reported by the Agency.

(5) The Agency may determine an appraiser ineligible to conduct appraisals for SFHGLP due to the failure to comply with applicable requirements and regulations. Appraisals from the ineligible appraisers will not be accepted.

(6) Use of an alternative approach to value for appraisals performed in remote rural areas, on tribal lands, or where a lack of market activity exists may be accepted at the Agency’s discretion.

(7) The validity period of an appraisal will be 120 days, unless otherwise provided by the Agency.

(e) Environmental requirements. The lender and Rural Development will meet all environmental responsibilities in accordance with §3555.5.

(f) Issuance of a conditional commitment. The lender must demonstrate that all the general loan, applicant, and site eligibility requirements of this part are met before Rural Development will issue a conditional commitment. The lender, however, may obtain any required property inspection reports, such as a well test or construction phase inspections, if applicable and not needed for environmental compliance, after the issuance of the conditional commitment, but prior to loan closing.

(1) The conditional commitment will expire in 90 days from issuance, unless new construction is involved.

(2) The expiration of a conditional commitment may coincide with projected completion of new construction.

(3) An extension may be granted if the loan cannot be closed due to circumstances beyond the lender’s control.

(4) Lenders may accept or decline the conditional commitment, or submit requests for changes with adequate support and documentation to be reviewed by the Agency.

(g) Loan guarantee fee. The lender must pay a nonrefundable up-front guarantee fee, the cost of which may be passed on to the borrower. The up-front
§ 3555.108 Full faith and credit.

(a) General. The Loan Note Guarantee constitutes an obligation supported by the full faith and credit of the United States and is incontestable except for fraud or misrepresentation of which the lender has actual knowledge at the time it becomes such lender or which the lender participates in or condones. Misrepresentation includes negligent misrepresentation.

(b) Interest. A note that provides for the payment of interest on interest, however, shall not be guaranteed.
the note to which the Loan Note Guarantee is attached or relates provides for the payment of interest on interest, then the Loan Note Guarantee is void. Notwithstanding the prohibition of interest on interest, interest may be capitalized in connection with re-amortization under subpart G of this part.

(c) Violations. The Loan Note Guarantee will be unenforceable by the lender to the extent any loss is occasioned by violation of usury laws, civil rights laws, negligent servicing, failure to obtain the required security or use of loan funds for unauthorized purposes, regardless of the time at which Rural Development acquires knowledge of the foregoing. Negligent servicing is defined as servicing that is inconsistent with this subpart and includes the failure to perform those services which a reasonably prudent Lender would perform in servicing its own loan portfolio of loans that are not guaranteed. The term includes not only the concept of a failure to act, but also not acting in a timely manner or acting contrary to the manner in which a reasonably prudent Lender would act up to the time of loan maturity or until a final loss is paid.

(d) Indemnification. If the Agency determines that a lender did not originate a loan in accordance with the requirements in this part and the Agency pays a claim under the loan guarantee, the Agency may revoke the lender’s eligibility status in accordance with subpart B of this part and may also require the lender:

(1) To indemnify the Agency for the loss, if the payment under the guarantee was made within 24 months of loan closing; or:
(2) To indemnify the Agency for the loss regardless of how long ago the loan closed, if the Agency determines that fraud or misrepresentation was involved in connection with the origination of the loan.

§§ 3555.109–3555.149 [Reserved]

§ 3555.150 OMB control number.

The report and recordkeeping requirements contained in this subpart are currently with the Office of Management and Budget under review and awaiting approval.
(f) Legal capacity. Applicants must have the legal capacity to incur the loan obligation, or have a court-appointed guardian or conservator who is empowered to obligate the applicant in real estate matters.

(g) Suspension or debarment. Applicants who are suspended or debarred from participation in Federal programs under 2 CFR parts 180 and 417 are not eligible for loan guarantees.

(h) Repayment ability. Applicants must demonstrate adequate repayment ability. Lenders must maintain documentation supporting the repayment ability analysis in the loan file. Refer to §3555.152(a) for further information.

(1) A repayment ratio will be used to determine an applicant’s ability to repay a loan. The Agency will utilize two ratios, principal, interest, taxes and insurance (PITI) ratio and total debt (TD) ratio, to determine adequate repayment for the requested loan. The Agency reserves the right to consider calculation of a single ratio in determining repayment for the requested loan.

(i) An applicant is considered to have adequate repayment ability when the monthly amount required for payment of PITI, homeowners’ association dues, the monthly calculation of an annual fee, as applicable, and other real estate assessments does not exceed 29 percent of the applicant’s repayment income and the monthly amount of PITI plus recurring monthly debts (total debt) does not exceed 41 percent of the applicant’s repayment income.

(ii) For home purchases under the Rural Energy Plus provision of §3555.209, the Agency reserves the right to allow flexibility in the PITI and TD ratio. The handbook will define what flexibilities can be extended.

(iii) Contributions to personal income taxes, retirement accounts (including the repayment of personal loans from those retirement accounts), savings (including repayment of loans secured by such funds), the cost to commute, membership fees in unions or like organizations, childcare or other voluntary obligations will not be considered in the TD ratio.

(iv) Except for obligations specifically excluded by State law, the debts of non-purchasing spouse must be included in the applicant’s repayment ratios if the applicant resides in a community property state.

(2) The repayment ratio may exceed the percentage specified in paragraph (h)(1) of this section if certain compensating factors exist. The handbook will define when a debt ratio may be granted. The automated underwriting system will take into account any compensating factors in determining whether the variance is appropriate. For manually underwritten loans, the lender must document compensating factors demonstrating that the household has higher repayment ability based on its capacity, willingness and ability to pay mortgage payments in a timely manner. The presence of compensating factors does not strengthen a ratio exception when multiple layers of risk, such as a marginal credit history, are present in the application. Acceptable compensating factors and supporting documentation for a proposed debt ratio waiver will be further defined and clarified in the handbook. Compensating factors include, but are not limited to:

(i) A credit score at an acceptable level of 680 or higher for any applicants, unless otherwise provided by the Agency. The Agency reserves the right to change the acceptable level of credit score.

(ii) A minimal increase in housing expense, i.e. the current rent payment is comparable to the proposed mortgage loan payment PITI and if applicable, homeowner association dues.

(iii) The demonstrated ability to accumulate savings and cash reserves post loan closing.

(iv) Continuous employment with a current primary employer.

(3) Loan ratio exceptions require written approval by Rural Development, or acceptance by an Agency approved automated underwriting system. Flexibilities surrounding loan ratio exceptions will be further clarified in the handbook. Lenders with loans accepted by an Agency approved automated underwriting system need not submit documentation for the need for a ratio waiver.

(4) If an applicant does not meet the repayment ability requirements, the
applicant can increase repayment ability by having other eligible household members join the application.

(5) Mortgage Credit Certificates may be considered in determining an applicant’s repayment ability.

(6) Section 8 Homeownership Vouchers may be used in determining an applicant’s repayment ability. The monthly subsidy may be treated as repayment income in accordance with §3555.152(a) or offset in the PITI.

(7) A funded buydown account may be used to reduce the borrower’s monthly mortgage payment during the early years of repayment when all of the following requirements are met:

(i) The loan will be underwritten at the note rate.

(ii) The interest rate may be bought down to no more than 2 percentage points below the note rate.

(iii) The interest rate paid by the borrower may increase no more frequently than annually.

(iv) The interest rate paid by the borrower may increase no more than 1 percentage point annually.

(v) Funds must be placed in an escrow account with monthly releases scheduled directly to the lender.

(vi) Funds must be placed with a Federal- or state-regulated lender.

(vii) The escrow account must be fully funded for the buydown period.

(viii) The borrower is not permitted to use personal funds or funds borrowed from another source to establish the escrow account for the buydown.

(ix) The borrower must not be required to borrow or repay the funds.

(i) Credit qualifications. Applicants generally must have a verifiable credit history that indicates a reasonable ability and willingness to meet their debt obligations as evidenced by an acceptable credit score, a credit report from a recognized credit repository meeting the requirements of Fannie Mae, Freddie Mac, FHA or VA, and other credit qualifications satisfactory to Rural Development.

(1) Except as provided in paragraph (i)(6) of this section, the applicant’s credit history must demonstrate a past willingness and ability to meet credit obligations to enable the lender to evaluate each applicant and draw a logical conclusion about the applicant’s commitment and ability to handle financial obligations successfully and ability to make payments on the new mortgage obligation.

(2) Loans acceptance by an Agency approved automated underwriting system eliminates the need for the lender to submit documentation of the credit qualification decision as loan approval requirements will be incorporated in the automated system.

(3) For manually underwritten loans, lenders must submit documentation of the credit qualification decision. Lenders will use credit scores to manually underwrite loan mortgage requests. Lenders are required to validate the credit scores utilized in the underwriting determination. Indicators of significant derogatory credit will require further review and documentation of that review. Indicators of significant derogatory credit include, but are not limited to:

(i) A foreclosure that has been completed in the 36 months prior to application by the applicant.

(ii) A bankruptcy in which debts were discharged within 36 months prior to the date of application by the applicant. Applicants who have completed a bankruptcy debt restructuring plan must have completed the plan and demonstrated a willingness to meet obligations when due for greater than the 12 months prior to the date of application by the applicant.

(iii) One rent or mortgage payment paid 30 or more days late within the last 12 months prior to application by the applicant.

(iv) A previous Agency loan that resulted in a loss to the Government.

(4) When evidence of significant derogatory credit is present, lenders may consider extenuating circumstances, including but not limited to, whether the problems were caused by factors temporary in nature, if the circumstances leading to the derogatory credit were beyond the control of the applicant, and if the loan would significantly reduce the applicant’s housing expenses.

(5) In all cases, the applicant cannot have an outstanding Federal judgment, other than a judgment obtained in the United States Tax Court, or a delinquent non-tax Federal debt that has
not been paid in full or otherwise satisfied.

(6) For applicants without an established credit history, alternative methods may be used to evidence an applicant’s willingness to pay, such as a non-traditional mortgage credit report or multiple independent verifications of trade references.

(7) A credit report for a non-purchasing spouse must be obtained in order to determine the debt-to-income ratio referenced at §3555.151(h) if the applicant resides in a community property state.

(8) Lenders are encouraged to offer or provide for home ownership counseling. Lenders may require first-time homebuyers to undergo such counseling if it is reasonably available in the local area. When home ownership counseling is provided or sponsored by Rural Development or another Federal agency in the local area, the Lender must require the borrower to successfully complete the course.

(j) Obtaining credit. The applicant must be unable to obtain traditional conventional mortgage credit, as defined by the Agency, for the subject loan.

§ 3555.152 Calculation of income and assets.

The lender must obtain and maintain documentation in the loan file supporting the lender’s determination of all income and assets described in this section.

(a) Repayment income. Repayment income is the amount of adequate and stable income from all sources that parties to the promissory note are expected to receive. Repayment income is used to determine the applicant’s ability to repay a loan.

(1) The lender must examine the applicant’s past income record for at least the past 2 years and any applicable training and/or education. The Agency may require additional information and documentation from self-employed applicants and applicants employed by businesses owned by family members.

(2) The lender must establish an applicant’s anticipated amount of repayment income and the likelihood of its continuance for at least the next 3 years to determine an applicant’s capacity to repay a requested mortgage loan in accordance with §3555.151(h)(1).

(3) Income may not be used in calculating an applicant’s ratios if it is from any source that cannot be verified, is not stable, or is likely not to continue.

(4) The following types of income are examples of income not included in repayment income:

(i) Any student financial aid received by household members for tuition, fees, books, equipment, materials, and transportation;

(ii) Amounts received that are specifically for, or in reimbursement of the cost of medical expenses for any family member;

(iii) Temporary, nonrecurring, or sporadic income (including gifts);

(iv) Lump sum additions to family assets such as inheritances, capital gains, insurance payments and personal or property settlements;

(v) Payments for the care of foster children or adults; and

(vi) Supplemental Nutrition Assistance Program payments.

(b) Annual income. Annual income is the income of all household members, regardless of whether they will be parties to the promissory note.

(1) Applicants must provide the income, expense and household information necessary to enable the lender to make income determinations.

(2) Lenders must verify employment and income information provided by the applicant for all household members. Lenders will verify the income for each adult household member for the previous 2 years. Written or oral verifications provided by third-party sources or documents prepared by third-party sources are acceptable. Lenders must project the expected annual income for the next 12 months from the verified sources.

(3) The lender remains responsible for the quality and accuracy of all information used to establish a household’s eligibility.

(4) Household income from all sources including, but not limited to, income from temporarily absent household members, allowances for tax-exempt income and net family assets as defined in paragraph (d) of this section.
(5) The following sources of income will not be considered in the calculation of annual income:

(i) Earned income of persons under the age of 18 unless they are an applicant or a spouse of a member of the household;

(ii) Payments received for the care of foster children or foster adults and incomes received by foster children or foster adults who live in the household;

(iii) Amounts granted for, or in reimbursement of, the cost of medical expenses;

(iv) Earnings of each full-time student 18 years of age or older, except the head of household or spouse, that are in excess of any amount determined pursuant to HUD definition of annual income at 24 CFR 5.609(c);

(v) Temporary, nonrecurring, or sporadic income (including gifts);

(vi) Lump sum additions to family assets such as inheritances; capital gains; insurance payments under health, accident, or worker's compensation policies; settlements for personal or property losses; and deferred periodic payments of supplemental social security income and Social Security benefits received in a lump sum;

(vii) Any earned income tax credit;

(viii) Adoption assistance in excess of any amount determined pursuant to HUD's definition of annual income at 24 CFR 5.609(c);

(ix) Employer-provided fringe benefit packages unless reported as taxable income; and

(x) Amounts received through the Supplemental Nutrition Assistance Program.

(c) Adjusted annual income. Adjusted annual income is used to determine program eligibility and is annual income as defined in paragraph (b) of this section, less any of the following verified deductions for which the household is eligible.

(1) A deduction for each family member, except the head of household or spouse, who is under 18 years of age, 18 years of age or older with a disability, or a full-time student, the amount of which will be determined pursuant to HUD definition of adjusted income at 24 CFR 5.611.

(2) A deduction of reasonable expenses for the care of a child 12 years of age or under that:

(i) Enables a family member to work, to actively seek work, or to further a member's education;

(ii) Are not reimbursed or paid by another source; and

(iii) In the case of expenses to enable a family member to work, do not exceed the amount of income, including the value of any health benefits, earned by the family member enabled to work. If the child care provider is a household member, the cost of the children's care cannot be deducted.

(3) A deduction of reasonable expenses related to the care of household members with disabilities that:

(i) Enable a family member or the individual with disabilities to work, to actively seek work, or to further a member's education;

(ii) Are not reimbursed from insurance or another source; and

(iii) Are in excess of 3 percent of the household's annual income and do not exceed the amount of earned income included in annual income by the person who is able to work as a result of the expenses.

(4) For any elderly family, a deduction in the amount determined pursuant to HUD definition of adjusted income at 24 CFR 5.611.

(5) For elderly and disabled families only, a deduction for household medical expenses that are not reimbursed.
from insurance or another source and which, in combination with any expenses related to the care of household members with disabilities described in paragraph (c)(3) of this section, are in excess of 3 percent of the household's annual income.

(d) **Net family assets.** For the purpose of computing annual income, the net family assets of all household members must be included in the calculation of annual income. Lenders must document and verify assets of all household members.

(1) Net family assets include, but are not limited to, the actual or imputed income from:

(i) Equity in real property or other capital investments, other than the dwelling or site;

(ii) Cash on hand and funds in savings or checking accounts;

(iii) Amounts in trust accounts that are available to the household;

(iv) Stocks, bonds, and other forms of capital investments that is accessible to the applicant without retiring or terminating employment;

(v) Lump sum receipts such as lottery winnings, capital gains, and inheritances;

(vi) Personal property held as an investment; and

(vii) Any value, in excess of the consideration received, for any business or household assets disposed of for less than fair market value during the 2 years preceding the income determination. The value of assets disposed of for less than fair market value shall not be considered if they were disposed of as a result of foreclosure, bankruptcy, or a divorce or separation settlement.

(2) Net family assets for the purpose of calculating annual income do not include:

(i) Interest in American Indian restricted land;

(ii) Cash on hand which will be used to reduce the amount of the loan;

(iii) The value of necessary items of personal property;

(iv) Assets that are part of the business, trade, or farming operation of any member of the household who is actively engaged in such operation;

(v) Amounts in voluntary retirement plans such as individual retirement accounts (IRAs), 401(k) plans, and Keogh accounts (except at the time interest assistance is initially granted);

(vi) The value of an irrevocable trust fund or any other trust over which no member of the household has control;

(vii) Cash value of life insurance policies; and

(viii) Other amounts deemed by the Agency not to constitute net family assets.

§ 3555.200 OMB control number.

The report and recordkeeping requirements contained in this subpart are currently with the Office of Management and Budget under review and awaiting approval.

Subpart E—Underwriting the Property

§ 3555.201 Site requirements.

(a) **Rural areas.** Rural Development will only guarantee loans made in rural areas designated as rural by Rural Development. However, if a rural area designation is changed to nonrural:

(1) Existing conditional commitments in the former rural area will be honored;

(2) A supplemental loan may be made in accordance with §3555.101 in conjunction with a transfer and assumption of a guaranteed loan;

(3) Loan requests where the application and purchase contract was complete prior to the area designation change may be approved; and

(4) REO property sales and transfers with assumption may be processed.

(b) **Site standards.** Sites must be modest and developed in accordance with any standards imposed by a State or local government and must meet all of the following requirements.

(1) The site size must be typical for the area.

(2) The site must not include income-producing land or buildings to be used principally for income-producing purposes. Vacant land without eligible residential improvements, or property used primarily for agriculture, farming or commercial enterprise is ineligible for a loan guarantee.

(3) The site must be contiguous to and have direct access from a street,
§ 3555.203 Ownership requirements.

After the loan is closed, the borrower must have an acceptable ownership interest in the property as evidenced by one of the following:

(a) Fee-simple ownership. Acceptable fee-simple ownership is evidenced by a fully marketable title with a deed vesting a fee-simple interest in the property to the borrower.
§ 3555.204 Security requirements.

Rural Development will only guarantee loans that are adequately secured. A loan will be considered adequately secured only when all of the following requirements are met:

(a) Recorded security document. The lender obtains at closing, a mortgage on all required ownership and leasehold interests in the security property and ensures that the loan is properly closed.

(b) Prior liens. No liens prior to the guaranteed mortgage exist except in conjunction with a supplemental loan for transfer and assumption. The guaranteed loan must have first lien position at closing. Junior liens by other parties are permitted as long as the junior liens do not adversely affect repayment ability or the security for the guaranteed loan.

(c) Adequate security. Existing and proposed property improvements are completely on the site and do not encroach on adjoining property.

(d) Collateral. All collateral secures the entire loan.

§ 3555.205 Special requirements for condominiums.

Loans may be guaranteed for condominium units in condominium projects that meet all the requirements of this part, as well as the standards for condominium standards established by HUD, Fannie Mae, VA, or Freddie Mac, including those related to self-certification, warranty, underwriting, and ineligible condominium projects.

§ 3555.206 Special requirements for community land trusts.

A community land trust must meet the definition in accordance with §§3555.10 and other requirements described in this subpart. Loans may be guaranteed for dwellings on land owned by a community land trust only if:

(a) Rural Development review. Rural Development reviews and accepts any restrictions imposed by the community land trust on the property or applicant before loan closing. The Agency may place conditions on the approval of restrictions on resale price and rights of first refusal.

(b) Foreclosure termination. The community land trust automatically and permanently terminates upon foreclosure or acceptance by the lender of a deed in lieu of foreclosure.

(c) Organization. The organization must meet the definition of a community land trust as defined in the Housing Act of 1949 and the following requirements:

(1) Be organized under State or local laws.

(2) Members, founders, contributors or individuals cannot benefit from any part of net earnings of the organization.

(3) The organization must be dedicated to decent affordable housing for low-and moderate-income people.

(4) Comply with financial accountability.

(d) Lender documentation. The lender’s file must contain documentation that the community land trust has community support, local market acceptance and 2 years of prior experience in providing affordable housing.
§ 3555.205 Special requirements for Planned Unit Developments (PUDs).

Loans may be guaranteed for PUDs that meet all of the requirements of this part, as well as the criteria for PUDs established by HUD, VA, Fannie Mae, or Freddie Mac.

§ 3555.206 Special requirements for manufactured homes.

Loans may be guaranteed for manufactured homes if all the requirements in this section are met.

(a) Eligible costs. In addition to the loan purposes described in §3555.101, Rural Development may guarantee a loan used for the following purposes related to manufactured homes when a real estate mortgage covers both the unit and the site:

(1) Purchase of a new manufactured home, transportation, permanent foundation, and installation costs of the manufactured home, and purchase of an eligible site if not already owned by the applicant; and

(2) Site development work properly completed to HUD, state and local government standards, as well as, the manufacturer’s requirements for installation on a permanent foundation.

(b) Loan restrictions. The following loan restrictions contained in §3555.102:

(i) The unit and site are already financed with an Agency direct single family or guaranteed loan;

(ii) The unit and site are being sold by Rural Development as REO property;

(iii) The unit and site are being sold from the lender’s inventory, and the loan for which the unit and site served as security was a loan guaranteed by Rural Development; or

(iv) The unit was installed on its initial installation site on a permanent foundation complying with the manufacturer’s and HUD installation standards.

(c) Construction and development. (1) To be an eligible unit, the new unit must have a floor space of not less than 400 square feet.

(2) The unit must be properly installed on a permanent foundation according to HUD standards, and the manufacturer’s requirements for installation on a permanent foundation. A certification of proper foundation is required.

(3) All wheels, axles, towing hitches and running gear must be removed from the manufactured home.

(4) Unit construction must conform to the Federal Manufactured Home Construction and Safety Standards (FMHCSS) and be constructed in compliance with the HUD heating and cooling requirements for the State in which the unit will be located. Any alterations, such as garage construction, as a new unit must comply with FMHCSS.

(5) The site development, installation and set-up must conform to the HUD requirements and the manufacturer’s requirements for a permanent installation.

(6) The unit must meet or exceed the IECC in effect at the time of construction.

(7) The lender must maintain documentation of construction plans and required certifications.
(d) Warranty requirements. (1) The applicant must receive a warranty in accordance with HUD requirements for new manufactured homes on permanent foundations.

(2) The warranty must identify the unit by serial number.

(3) The lender and applicant must obtain certification that the manufactured home has sustained no hidden damage during transportation and, if manufactured in separate sections that the sections were properly joined and sealed according to the manufacturer’s specifications.

(4) The manufactured home must be affixed with a data plate, placed inside the unit, and a certification label, affixed to each transportable section at the tail-light end of each unit which indicates that the home was designed and built in accordance with HUD’s construction and safety standards in effect on the date the home was manufactured.

(5) The lender must retain a copy of all manufacturers’ warranties in the lender file.

(e) HUD requirements. The FMHCSS and HUD requirements may be found at http://www.access.gpo.gov/nara/cfr/waisidx_04/24fr3280_04.html.

(f) Title and lien requirements. To be eligible for the SFHGLP, the following conditions must be met and documented in the lender’s file:

(1) A manufactured home loan must be secured by a perfected lien on real property consisting of the manufactured home and the land;

(2) The manufactured home must be taxed as real estate as applicable under State law, including relevant statutes, regulations, and judicial decisions;

(3) The security instrument must be recorded in the land records and must identify the encumbered property as including both the home and the land;

(4) If applicable State law so permits, any certificate of title to the manufactured home must be surrendered to the appropriate State government authority. If the certificate of title cannot be surrendered, the lender must indicate its lien on the certificate;

(5) The mortgage must be covered by a standard real property title insurance policy and any other endorsement required in the applicable jurisdiction for manufactured home ensuring the manufactured home is part of the real property that secures the loan; and

(6) The borrower must acknowledge the unit is a fixture and part of the real estate securing the mortgage.

§ 3555.209 Rural Energy Plus loans.

Loans guaranteed under Rural Energy Plus provisions are for the purchase of energy-efficient homes. Homes that meet the most current IECC standards including existing homes that are retrofitted to those standards are eligible. Energy-efficient homes result in lower utility bills, conserve energy, and thus, make more income available for monthly debt obligations. For loans guaranteed under this subpart, the lender will certify that the home meets the most current IECC standards. The Handbook will define what further flexibilities can be extended.

Subpart F—Servicing Performing Loans

§ 3555.251 Servicing responsibility.

(a) Servicing action. Lenders must perform those servicing actions that a reasonable and prudent lender would perform in servicing its own portfolio of non-guaranteed loans.

(b) Third party servicer. A lender may contract with a third party to service its loans, but the servicing lender of record remains responsible for the quality and completeness of the servicing.

(c) Transfer of servicing. Rural Development may require a lender to transfer its loan servicing activities to an approved lender if Rural Development determines that the lender has failed to provide acceptable servicing.

(d) Non-compliance. Lenders who fail to comply with Agency requirements or program guidelines may be subject
to withdrawal of lender approval, denial and/or reduction in loss claims, withdrawal of the loan guarantee and/or indemnification in accordance with §3555.108(d).

§3555.252 Required servicing actions.

Lender servicing responsibility includes, but is not limited to, the following actions.

(a) Collecting regularly scheduled payments. Lender must collect regularly scheduled loan payments and apply them to the borrower’s account.

(b) Payment of taxes and insurance. Lenders must ensure that real estate taxes, assessments, and flood and hazard insurance premiums for all property that secures a guaranteed loan are paid on schedule.

(1) Establish escrow account. Lenders with the capacity to escrow funds must establish escrow accounts for all guaranteed loans for the payment of taxes and insurance. Escrow accounts must be administered in accordance with the Real Estate Settlement and Procedures Act (RESPA) of 1974, and insured by the FDIC or the NCUA.

(2) Plan and responsibility of lender to ensure payment. Lenders that do not have the capacity to escrow funds must implement procedures, subject to Agency approval, to ensure the borrower pays such obligations on a timely basis. In addition, such lenders must accept the responsibility for payment of taxes and insurance that comes due prior to liquidation. Rural Development will not include any taxes or insurance amounts that accrued prior to acceleration in any potential loss claim. Rural Development may revoke the acceptance of the lender’s plan if loan performance indicates that delinquency and loss rates are being affected by the lender’s inability to escrow for taxes, assessment, and insurance. This alternative is not available to lenders who contract for servicing.

(c) Insurance. (1) Until the loan is paid in full, lenders must ensure that borrowers maintain hazard and flood insurance as required, on property securing guaranteed loans. The insurance must be issued by companies in amounts, and on terms and conditions, acceptable to Rural Development. Flood insurance through the National Flood Insurance Program must be maintained for all property located in special flood or mudslide areas identified by FEMA and must be consistent with mortgage industry standards, as determined by the Agency.

(2) Lenders must ensure that borrowers immediately notify them of any loss or damage to insured property securing guaranteed loans and collect the amount of the loss from the insurance company. Unless the borrower pays off the guaranteed loan using the insurance proceeds, the following requirements must be met:

(i) All repairs and replacements using the insurance proceeds must be planned, performed, and inspected in accordance with Agency construction requirements and procedures.

(ii) When insurance funds remain after payments for all repairs, replacements, and other authorized disbursements have been made, the funds must be applied in the following order: prior liens (including past-due property taxes); past-due amounts; protective advances; and released to the borrower if the lender’s debt is adequately secured.

(3) If the insurance claim is de minimis as determined by the Agency, the lender may release the funds directly to the borrower to advance funds to contractors, provided that the account is current and the borrower has a history of timely payments; the borrower occupies the property; and the borrower executes an affidavit agreeing to apply the funds for repairs or reconstruction of the dwelling.

(d) Credit reporting. The lender must notify a credit repository of each new guaranteed loan, must identify the loan as guaranteed by Rural Development, and must report to that repository whenever any account becomes more than 30 calendar days past due.

(e) Bankruptcy actions. The lender is responsible for monitoring and taking all appropriate and prudent actions during bankruptcy proceedings to protect the borrower and Government’s interest, in accordance with §3555.306(d).

§3555.253 Late payment charges.

Late payment charges will not be covered by the guarantee and cannot
§ 3555.254 Final payments.

Lenders may release security instruments only after full payment of all amounts owed, including any recapture, has been received and verified.

§ 3555.255 Borrower actions requiring lender approval.

(a) Mineral leases. A lender may consent to the lease of mineral rights and subordinate its lien to the lessee’s rights and interests in the mineral activity if the security property will remain suitable as a residence, the lender’s security interest will not be adversely affected, and Rural Development’s environmental requirements are met. Concurrence by Rural Development prior to consenting to the lease of mineral rights is required, unless otherwise provided by the Agency. Subordination of guaranteed loans to a mineral lease does not entitle the leaseholder to any proceeds from the sale of the security property.

(1) If the proposed activity is likely to decrease the value of the security property, the lender may consent to the lease only if the borrower assigns 100 percent of the income from the lease to the lender to be applied to reduce the principal balance, and the total rent to be paid is at least equal to the estimated decrease in the market value of the security property.

(2) If the proposed activity is not likely to decrease the value of the security property, the lender may consent to the lease if the borrower agrees to use any damage compensation received from the lessee to repair damage to the site or dwelling, or to assign it to the lender to be applied to reduce the principal balance.

(b) Partial release of security property. A lender may consent to transactions affecting a security property, such as selling or exchanging security property or granting of a right-of-way across the security property, and grant a partial release, provided that the following conditions are met.

(1) The borrower will receive adequate compensation, and either make a reduction to the principal balance or make improvements to the security property, in order to maintain the current loan-to-value ratio for the guaranteed loan.

(i) For sale of security property, the borrower must receive cash in an amount equal to or greater than the value of the security property being sold or interests being conveyed.

(ii) For exchange of security property, the borrower must receive another parcel of property with value equal to or greater than that being disposed of.

(iii) For granting an easement or right-of-way, the borrower must receive benefits that are equal to or greater than the value of the security property being disposed of or interests being conveyed.

(2) An appraisal of the security property will be conducted by the lender if the most current appraisal is more than 1 year old or if it does not reflect current market value.

(3) The security property, after the transaction is completed, will continue to be an adequate, safe, and sanitary dwelling.

(4) Repayment of the guaranteed debt will not be jeopardized.

(5) When exchange of all or part of the security property is involved, title clearance will be obtained before release of the existing security.

(6) Proceeds from the sale of a portion of the security property, granting an easement or right-of-way, damage compensation, and all similar transactions requiring the lender’s consent, will be used in the following order:

(i) To pay customary and reasonable costs related to the transaction that must be paid by the borrower.

(ii) To be applied on a prior lien debt, if any.

(iii) To be applied to the guaranteed indebtedness or used for improvements to the security property consistent with the purposes and limitations applicable for use of guaranteed loan
funds. The lender must ensure that the proceeds are used as planned.

(7) The lender will seek Agency concurrence, unless otherwise provided by the Agency, by submitting documentation supporting the borrower’s reason for request, the proposed use of the land with supporting plans, specifications, cost estimates, surveys, disclosures of restrictions, legal description modification, title clearance related to the transaction request, as applicable, and any other documents necessary for the Agency to make a determination.

§ 3555.256 Transfer and assumptions.

(a) Transfer without assumption. (1) The lender must notify Rural Development if the borrower transfers the security property and the transferee does not assume the debt.

(2) Except as described in paragraph (d) of this section, if a security property is transferred with the lender’s knowledge without assumption of the debt, Rural Development will void the guarantee.

(b) Transfer with assumption. (1) The lender must obtain Agency approval before consenting to a transfer with an assumption of the outstanding debt.

(2) Rural Development may approve a transfer with an assumption of the outstanding debt if the following conditions are met:

(i) The transferee must assume the entire outstanding debt and acquire all property securing the guaranteed loan balance; however, the transferor must remain personally liable. The transferor must pay any recapture as a result of interest subsidy granted, if applicable, owed at the time of the transfer and assumption.

(ii) The transferee must meet the eligibility requirements described in subpart D of this part.

(iii) The property must meet the site and dwelling requirements described in subpart E of this part, or be brought to those standards prior to the transfer. Guaranteed loans secured by properties located in areas that have ceased to be rural may be assumed notwithstanding the fact that the property is located in a non-rural area.

(iv) The priority of the existing lien securing the guaranteed loan must be maintained or improved.

(v) Any new rates and terms must not exceed the rates and terms allowed for new loans under this part, and the interest rate must not exceed the interest rate on the initial loan.

(vi) A new guarantee fee, calculated based on the remaining principal balance, must be paid to Rural Development in accordance with § 3555.107(f).

(vii) If additional financing is required to complete the transfer and assumption or to make needed repairs, Rural Development may approve a supplemental guaranteed loan provided adequate security exists.

(viii) The lender must verify and document their permanent file in accordance with subpart C of this part.

(ix) A written request supported by the lender demonstrating the applicant’s credit worthiness, income eligibility and underwriting analysis must be submitted to the Agency for approval of a transfer and assumption.

(x) The lender may close the loan in accordance with § 3555.107.

(c) Transfer without approval. If a lender becomes aware that a borrower has transferred a property without approval, the lender must take one of the following actions:

(1) Notify Rural Development and continue the loan without the guarantee; or

(2) Obtain Agency approval for the transfer with assumption; or

(3) Liquidate the guaranteed loan and submit a claim for any loss.

(d) Transfer without triggering the due-on-sale clause. (1) The following types of transfers do not trigger due-on-sale clauses in security instruments:

(i) A transfer from the borrower to a spouse or children not resulting from the death of the borrower.

(ii) A transfer to a relative, joint tenant, or tenant by the entirety resulting from the death of the borrower.

(iii) A transfer to a spouse or ex-spouse resulting from a divorce decree, legal separation agreement, or property settlement agreement.

(iv) A transfer to a person other than a deceased borrower’s spouse who wishes to assume the loan for the benefit of persons who were dependent on the deceased borrower at the time of death, if the dwelling will be occupied by one or more persons who were dependent on
§ 3555.257 Unauthorized assistance.

(a) Unauthorized assistance due to false information. (1) If the borrower receives a guaranteed loan based on false information provided by the borrower, Rural Development may require the lender to accelerate the guaranteed loan. After the lender accelerates the loan upon request, the lender may submit a claim for any loss. If the lender fails to accelerate the loan upon request, Rural Development may reduce or void the guarantee.

(2) If the borrower receives a guaranteed loan based on false information provided by the borrower, Rural Development may void the guarantee subject to the provisions of §3555.108.

(3) If the borrower or lender provides false information, Rural Development may pursue criminal and civil false claim actions, suspension and/or debarment, and take all other appropriate action.

(b) Unauthorized assistance due to inaccurate information. Rural Development will honor a guarantee for a loan made to an applicant who receives a guaranteed loan based on inaccurate information if the applicant was eligible to receive the guaranteed loan at the time it was made, and if the loan funds were used only for eligible loan purposes.

Subpart G—Servicing Non-Performing Loans

§ 3555.301 General servicing techniques.

In accordance with industry standards and as provided by the Agency:

(a) Prompt action. Lenders shall take prompt action to collect overdue amounts from borrowers to bring a delinquent loan current in as short a time as possible to avoid foreclosure to the extent possible and minimize losses.

(b) Evaluation of borrower. Lenders must evaluate loans and take appropriate loss mitigation actions in an effort to resolve any repayment problems and provide borrowers with the maximum opportunity to become successful homeowners.

(c) Prompt contact. In the event of default, the lender shall promptly contact the borrower within a timeframe specified by the Agency.

(d) Determine ability to cure. The lender must make a reasonable effort to obtain from the borrower information regarding the reason for default, the borrower’s current financial situation and any other necessary information to evaluate the borrower’s ability to cure the default and determine a feasible plan for collection, and/or alternatives to foreclosure.

(e) Communication. Before an account becomes 2 months past due and if there is no payment arrangement in place, the lender must send a certified letter...
to the borrower requesting an interview for the purpose of resolving the past due account.

(f) Prior to liquidation. Before an account becomes 2 months past due or before initiating liquidation, the lender must assess the physical condition of the property, determine whether it is occupied, and take necessary steps to protect the property.

(g) Maintain documentation. The lender must maintain documentation demonstrating that requirements in this subpart have been met and what steps have been taken to save a mortgage prior to making a decision to foreclose.

(h) Formal servicing plan. The lender must obtain Agency concurrence of a formal servicing plan when a borrower’s account is 90 days or more delinquent and a method other than foreclosure is recommended to resolve the delinquency. Rural Development may issue a written waiver of the need for concurrence for some or all servicing actions by a lender, on a case-by-case basis, if the lender demonstrates that it no longer needs the oversight. This may be demonstrated by the lender’s portfolio performance including, but not limited to, lower than average delinquency rates, foreclosure rates, or loss claim rates. Rural Development may revoke such waiver at any time, upon notice and without appeal rights.

§3555.302 Protective advances.
Lenders may pay the following expenses necessary to protect the security property and charge the cost against the borrower’s account.

(a) Advances for taxes and insurance. Without prior Agency concurrence, lenders may advance funds to pay past due real estate taxes, hazard and flood insurance premiums, and other related costs.

(b) Advances for costs other than taxes and insurance. Protective advances for costs other than taxes and insurance, such as emergency repairs, can be made only if the borrower cannot, or will not, obtain an additional loan or reimbursement from an insurer or the borrower has abandoned the property. The lender must determine that any repairs funded by protective advances are cost effective. Repairs funded by protective advances must be planned, performed and inspected in accordance with §3555.202 and as further described by the Agency. The lender must obtain prior Agency concurrence or a waiver of concurrence as provided for in §3555.301(h) before issuing protective advances under this paragraph only for protective advances of a significant amount as specified by the Agency.

§3555.303 Traditional servicing options.

(a) Eligibility. To be eligible for traditional servicing, all the following conditions must be met:

(1) The borrower presently occupies the property;

(2) The borrower is in default or facing imminent default for an involuntary reason. A borrower is “facing imminent default” if that borrower is current or less than 30 days past due on the mortgage obligation and is experiencing a significant reduction in income or some other hardship that will prevent him or her from making the next required payment on the mortgage during the month in which it is due. The borrower must be able to document the cause of the imminent default, which may include, but is not limited to, one or more of the following types of hardship:

(i) A reduction in or loss of income that was supporting the mortgage loan;

(ii) A change in household financial circumstances;

(3) The borrower demonstrates a reasonable ability to support repayment of the debt in the future;

(4) There are no adverse property conditions that inhibit the habitability or use of the property; and

(5) The borrower has not received assistance due to the submission of false information by the borrower.

(b) Servicing options. The lender must consider traditional servicing options in the following order to resolve the borrower’s default or imminent default:

(1) Repayment agreement. A repayment agreement is an informal plan lasting 3 months or less to cure short-term delinquencies.

(2) Special forbearance agreement. A special forbearance agreement is a longer-term formal plan to cure a delinquency not to exceed the equivalent
§ 3555.304 Special servicing options.

(a) General. (1) Lenders must exhaust traditional servicing options outlined in this part or have determined that use of traditional servicing options would not resolve the delinquency, prior to special servicing options. Lenders must exhaust special servicing options prior to liquidation in accordance with §§3555.305 or 3555.306.

(2) Lenders must obtain Agency concurrence or a waiver as provided in §3555.301(h) before implementing any special servicing options.

(3) Use of special loan servicing does not change the terms of the loan note guarantee.

(4) Special servicing options shall be used in the order established in this section to bring the borrower’s mortgage payment to income ratio as close as possible to, but not less than, 31 percent.

(b) Conditions for special servicing options. In addition to the requirements in §3555.303(a), the following conditions apply to all special loan servicing:

(1) The borrower’s total debt to income ratio following the special loan servicing must not exceed 55 percent. Prior to servicing a borrower’s account with special loan servicing, the lender must verify the borrower’s income and total debt.

(2) The borrower must successfully complete a trial payment plan of sufficient duration, as determined by the Agency, to demonstrate that the borrower will be able to make regularly scheduled payments as modified by the special loan servicing.

(3) Expenses related to special loan servicing including, but not limited to, title search and recording fees shall not be charged to the borrower. However, if a foreclosure was initiated and canceled prior to special loan servicing, legal fees and costs for work performed in relation to the foreclosure costs before the cancellation date may be charged to the borrower.

(4) Capitalization of late charges and lender fees is not permitted in the special loan servicing option.

(c) Extended-term loan modification. The Lender may modify the loan by reducing the interest rate to a level at or below the maximum allowable interest rate and extending the repayment term up to a maximum of 40 years from the date of loan modification.

(1) The interest rate must be fixed.

(2) The Agency may establish the maximum allowable interest rate by publishing a notice of a change in interest rate will be published as authorized in Exhibit B of subpart A of part 1810 of this chapter (RD Instruction.
§ 3555.304

Rural Housing Service, USDA

440.1, available in any Rural Development office) or online at: http://www.rurdev.usda.gov/rd_instructions.html. If the maximum allowable interest rate has not been so established, it shall be 50 basis points greater than the most recent Freddie Mac Weekly Primary Mortgage Market Survey (PMMS) rate for 30-year fixed-rate mortgages (U.S. average), rounded to the nearest one-eighth of one percent (0.125%), as of the date the loan modification is executed.

(3) The term shall be extended only as long as is necessary to achieve the targeted mortgage payment to income ratio after the interest rate has been fixed at a level at or below the maximum allowable rate.

(4) If the targeted mortgage payment to income ratio cannot be achieved using an extended-term loan modification alone, the lender may consider a mortgage recovery advance under this section in addition to the extended-term loan modification.

(d) Mortgage recovery advance. (1) The maximum amount of a mortgage recovery advance is the sum of arrearages not to exceed 12 months of PITI, annual fees, legal fees and foreclosure costs related to a cancelled foreclosure action, and principal reduction.

(2) The maximum amount of a mortgage recovery advance is 30 percent of the unpaid principal balance as of the date of default, minus any arrearages advanced to cure the default and any foreclosure costs incurred to that point. The Agency may change the maximum amount of mortgage recovery advance by publication in the Federal Register.

(3) The principal deferment amount for a specific case shall be limited to the amount that will bring the borrower’s total monthly mortgage payment to 31 percent of gross monthly income.

(4) The lender may file a claim pursuant to Subpart H of this part for reimbursement of reasonable title search and/or recording fees in connection with the promissory note and mortgage or deed-of-trust, not to exceed a maximum amount specified by the Agency.

(5) Prior to making a mortgage recovery advance, the lender must perform an escrow analysis to ensure that the payment made on behalf of the borrower accurately reflects the escrow amount required for taxes and insurance.

(6) The following terms apply to the repayment of mortgage recovery advances:

(i) The mortgage recovery advance note and subordinate mortgage or deed-of-trust shall be interest-free.

(ii) Borrowers are not required to make any monthly or periodic payments on the mortgage recovery advance note; however, borrowers may voluntarily submit partial payments without incurring any prepayment penalty.

(iii) The due date for the mortgage recovery advance note shall be the due date of the guaranteed note held by the lender, as modified by the special loan servicing. Prior to the due date on the mortgage recovery advance note, payment in full under the note is due at the earlier of the following:

(A) When the first lien mortgage and the guaranteed note are paid off; or

(B) When the borrower transfers title to the property by voluntary or involuntary means.

(iv) Repayment of all or part of the mortgage recovery advance must be remitted directly to the Agency by the borrower.

(v) The Agency will collect this Federal debt from the borrower by any available means if the mortgage recovery advance is not repaid based on the terms outlined in the promissory note and mortgage or deed-of-trust.

(7) The lender may request reimbursement from the Agency for a mortgage recovery advance. A fully supported and documented claim for reimbursement must be submitted to the Agency within 60 days of the advance being executed by the borrower. The borrower must execute a promissory note payable to the Agency and a mortgage or deed-of-trust in recordable form perfecting a lien naming the Agency as the secured party for the amount of the mortgage recovery advance. The lender shall properly record the mortgage or deed-of-trust in the appropriate local real estate records and provide the original promissory note to the Agency.
§ 3555.305 Voluntary liquidation.

The lender must have exhausted the servicing options outlined in §§ 3555.302 through 3555.304 to cure the delinquency before considering voluntary liquidation. The methods of voluntary liquidation of the security property outlined in this section may be used to protect the interests of the Government. The lender must obtain prior Agency concurrence or a waiver as provided by § 3555.301(h).

(a) Eligibility. To be eligible for voluntary liquidation, the following conditions must be met:

(1) The loan must be at least 30 days delinquent;

(2) The default was caused by an involuntary reason; and

(3) The borrower must presently occupy the property except in situations where the borrower does not occupy the property due to the same involuntary reason that led to the default.

(b) Pre-foreclosure or short sale. The borrower may sell the security property for a price that represents its fair market value. The sale price, less any reasonable and customary sale or closing costs incurred by the borrower, must be applied to the borrower’s account.

(c) Deed in lieu of foreclosure. The lender may accept a deed in lieu of foreclosure if it will result in a lesser loss claim than if foreclosure occurs.

(d) Offer by junior lienholder. If a junior lienholder makes an offer in the amount of at least the anticipated net recovery value, as calculated in accordance with § 3555.333, the lender may assign the note and mortgage to the junior lienholder.

(e) Other methods of voluntary liquidation. The lender may propose other methods of voluntary liquidation that are consistent with this section if the lender fully documents how the proposal will result in a savings to the Government.

§ 3555.306 Liquidation.

(a) General. (1) When a lender determines that a borrower is unable or unwilling to meet loan obligations with servicing options under this subpart, the lender must accelerate the guaranteed loan and, if necessary, foreclose.

(2) Prior to acceleration the lender must have advised the borrower, in writing, of available foreclosure avoidance options and the borrower must have failed to request such options.

(3) The lender must accelerate the guaranteed loan, with a demand letter, when the account is three scheduled payments past due unless there is a reasonable prospect of resolving the delinquency through another method.

(4) The borrower is responsible for all expenses associated with liquidation and acquisition.

(b) Foreclosure. (1) The lender must initiate foreclosure within 90 calendar days of the decision to liquidate unless Federal, State, or local law requires that foreclosure action be delayed. When there is a legal delay (such as bankruptcy), foreclosure must be initiated within 90 calendar days after it becomes possible to do so. Foreclosure initiation begins with the first public action required by law such as filing a complaint or petition, recording a notice of default, or publication of a notice of sale.

(2) Lenders must exercise due diligence in completing the liquidation process to ensure the foreclosure is cost effective, expeditious, and completed in an efficient manner, as otherwise provided by the Agency. The lender must choose the foreclosure method representing the best interest of the Federal Government.

(3) The lender’s decision to bid at foreclosure and any bid amount will be based upon the property value, whether the property value is sufficient to cover the existing debt and incurred costs, and any potential to recover a deficiency. The lender will encourage third party bidding at a foreclosure sale when the total debt, including the cost of acquiring, managing and disposing of the property, if acquired, is greater than the gross proceeds expected from a foreclosure sale at market value.

(c) Reinstatement of accounts. Unless State law imposes other requirements, the lender may reinstate an accelerated account only if the borrower:
(1) Pays, or makes acceptable arrangements to pay, all past-due amounts, any protective advances, and any foreclosure-related costs incurred by the lender; and

(2) Has the ability to continue making scheduled payments on the guaranteed loan.

(d) Bankruptcy. (1) When a borrower files a petition in bankruptcy, the lender must suspend collection and foreclosure actions in accordance with Title 11 of the United States Code.

(2) The lender may accept conveyance of security property by the trustee in the bankruptcy, or the borrower, if the bankruptcy court has approved the transaction, and the lender will acquire title free of all liens and encumbrances except the lender’s liens.

(3) Whenever possible after the borrower has filed for protection under Chapter 7 of Title 11 of the United States Code, a reaffirmation agreement will be signed by the borrower and approved by the bankruptcy court prior to discharge, if the lender and the borrower decide to continue with the loan.

(4) The lender must protect the guaranteed loan debt and all collateral securing the loan in bankruptcy proceedings.

(5) The lender can include principal and interest lost as a result of bankruptcy proceedings in any claim filed in accordance with §3555.354.

(e) Maintain condition of security property. The lender must make reasonable and prudent efforts to ensure that the condition of the security property is maintained during any liquidation, acquisition, and sale of the property. These efforts include, but are not limited to, periodic inspections, performing necessary repairs, winterization, securing the property, removing debris, yard maintenance and ensuring the continuance of property insurance. The lender must identify, determine the cause, and document any environmental hazard affecting the value of the security property. The lender must retain a record of all efforts to maintain the condition of the security property.

(f) Managing and disposing of REO property. Lenders will expeditiously gain possession of the REO property in a manner designed to ensure maximum recovery as follows.

(1) The lender must prepare and maintain a disposition plan on all acquired properties. The lender will submit the property disposition plan and any subsequent changes for Agency concurrence in a timely manner as specified by the Agency. The lender may obtain a waiver of the concurrence requirement as provided for in §355.5301(h). The plan will include the proposed method for sale of the property, the estimated value based on an appraisal, minimum sale price, itemized estimated costs of the sale, and any other information that could impact the amount of loss on the loan.

(2) The lender will make all reasonable efforts to sell the property within 9 months from the later of either the foreclosure sale or expiration of any redemption period. The Agency may grant an extension of the permissible marketing period in limited circumstances including, but not limited to, when a separate legal action is necessary to gain possession of the property following foreclosure or when the lender has or is in final negotiation for a firm purchase agreement. If the property is on American Indian restricted land, an additional 3 month marketing period is permitted.

(3) The lender must notify the Agency when the property has not been sold within 30 days of the expiration of the permissible marketing period. If the REO remains unsold at the end of the permissible marketing period, the Agency will order a liquidation value appraisal and apply an acquisition and management resale factor to estimate holding and disposition cost. Interest expenses accrued beyond 90 days of the foreclosure sale date or expiration of any redemption period, whichever is later, will be the responsibility of the lender and not covered by the guarantee.

(g) Debt settlement reporting. The lender must report to the IRS and all national credit reporting repositories any debt settled through liquidation.
subpart for servicing borrowers affected by natural disasters, as supplemented by Rural Development, to minimize delinquencies and avoid foreclosure.

(b) **Evaluating the damage.** Servicers are expected to inspect a security property whenever they have reason to believe the property has been damaged.

(c) **Special relief measures.** The servicer must evaluate on an individual case basis a mortgage that is (or becomes) seriously delinquent as the result of the borrower's incurring extraordinary damages or expenses related to the natural disaster. The servicer should document its individual mortgage file regarding all servicing actions taken during this time period. The lender must consider all special relief alternatives for disaster assistance available to the borrower prior to suspending collection and foreclosure activities. Servicing actions suspended as a result of the natural disaster will expire 90 days from the declaration date of the natural disaster, unless otherwise extended by the Agency.

(d) **Insurance claim settlements.** Prior to release of hazard insurance proceeds because of damage caused by a natural disaster, servicers must complete a cost and benefit analysis on a case-by-case basis to determine if the property can be repaired or rebuilt. The servicer’s actions must be based on the status of the mortgage, the amount of insurance proceeds, and the length of time required repairing or reconstructing the property, and the market conditions in the area. If the property will not be repaired or rebuilt, the insurance proceeds must be applied to the unpaid principal loan balance.

7 CFR Ch. XXXV (1–1–16 Edition)

Subpart H—Collecting on the Guarantee

§ 3555.351 Loan guarantee limits.

(a) **Original loan amount.** For the purposes of this section, the term “Original Loan Amount” means the original promissory note amount minus any loans funds not actually disbursed to the borrower or on behalf of the borrower at the time the SFHGLP loan was made or thereafter.

(b) **Maximum loss payment.** The maximum payment for a loss sustained by the lender under the SFHGLP is the lesser of:

1. 90 percent of the Original Loan Amount; or
2. 100 percent of any loss equal to or less than 35 percent of the Original Loan Amount plus 85 percent of any remaining loss up to 65 percent of the Original Loan Amount.

§ 3555.352 Loss covered by the guarantee.

Subject to §3555.351, the loss claim payment will be calculated as the difference between the Total Indebtedness on the loan and the Net Recovery Value calculated according to §3555.353. The Total Indebtedness on the loan includes:

(a) **Principal balance.** The unpaid principal balance;

(b) **Accrued interest.** Accrued interest at the guaranteed loan note rate from the last day interest was paid by the borrower to the settlement date, as defined at §3555.10;

(c) **Additional interest.** Additional interest on the unsatisfied principal accrued from the settlement date to the date the claim is paid, but not more than 90 days from the settlement date;

(d) **Protective advances.** Principal and interest for protective advances, as described in §3555.303; and

(e) **Liquidation costs.** Reasonable and customary liquidation costs, such as attorney fees and foreclosure costs. Annual fees advanced by the lender to the Agency are ineligible for reimbursement when calculating the loss payment, as otherwise provided by the Agency.
§ 3555.353 Net recovery value.

The net recovery value of the property is determined differently for properties that have been sold than for properties that remain in the lender’s inventory at the time the loss claim is filed.

(a) Actual net recovery value. For a property that has been sold when a loss claim is filed, net recovery value is calculated as follows:

1. The proceeds from the sale plus any other amounts recovered, minus
2. The amount of actual liquidation and disposition costs provided those costs are reasonable and customary for the area. Costs incurred by in-house staff may not be included.

(b) Anticipated net recovery value. For a property that has not sold when a loss claim is filed, net recovery value is calculated as follows:

1. The value of the property as determined by an Agency liquidation appraisal. The value should be determined as if the property would be sold without the market exposure it would ordinarily receive in a normal transaction, or within 90 days, minus;
2. The amount of actual liquidation expenses and estimated disposition costs that are reasonable and customary for the area. Costs incurred by in-house staff may not be included.

(i) Actual liquidation expenses are the amount of attorney fees and costs, etc. incurred to acquire title to the property.
(ii) Estimated disposition costs are calculated by Rural Development using reasonable and customary cost factors appropriate for the area (available in any Rural Development office).

§ 3555.354 Loss claim procedures.

Rural Development may offer authorized lenders a web-based automated system to calculate, submit or update a loss claim request and/or future recovery subject to the requirements of § 3555.356. Manual paper loss claims may continue to be submitted by some lenders. Lenders must make a thorough review of all receipts and expenses prior to submitting a loss claim request. Supplemental adjustments to the initial claim may be considered, as provided by the Agency.

(a) Sold property. For property that has been sold, the lender must submit a loss claim within 45 calendar days of the sale. Late claims made beyond this period of time may be rejected or reduced by Rural Development. Instructions and forms may be obtained from Rural Development.

(b) REO. If the property has not been sold, the lender must take the following steps:

1. Notify Rural Development that the property has not been sold so that Rural Development may request an appraisal.
   (i) If the property is not located on American Indian restricted land, the lender must notify Rural Development if the property has not been sold within 9 months of foreclosure, or from the end of any applicable redemption period, whichever is later.
   (ii) If the property is located on American Indian restricted land, the lender must notify Rural Development if the property has not been sold within 12 months of foreclosure, or from the end of any redemption period, whichever is later.
2. Upon notification that the property has not been sold, Rural Development will obtain an appraisal at the Agency’s expense and provide a liquidation value to the lender. The lender must submit a loss claim within 30 calendar days of receiving the liquidation value from Rural Development. Late claims made beyond this period of time will be rejected.

(c) Deficiency judgments. The lender must enforce any judgment for which there are current prospects of collection before submitting a loss claim, and amounts collected must be applied against the outstanding debt. Rural Development will process the loss claim if there are no current prospects for collection.

§ 3555.355 Reducing or denying the claim.

(a) Determination of loss payment. Subject to the requirements of § 3555.108, if Rural Development determines that the amount of the loss was increased due to the lender’s failure to comply with the conditions of the Loan Note Guarantee, the Agency may reduce or deny any loss claim by the portion of
the loss determined was caused by the lender’s action or failure to act. The circumstances under which loss claims may be denied or reduced include, but are not limited to, the following lender actions:

1. Failure to adhere to required servicing and liquidation procedures as set forth in Agency regulations and guidance, including the payment of real estate taxes or hazard insurance when due;
2. Failure to report defaulted loans to Rural Development within required timeframes;
3. Failure to ensure that the security property is adequately maintained during liquidation;
4. Delay in filing a loss claim;
5. Claiming unauthorized expenses;
6. Providing unauthorized assistance;
7. Failure to obtain the required security or maintain the security position;
8. Violating usury laws;
9. Negligence, gross negligence or misrepresentation; or
10. Committing fraud, or failing to report knowledge of fraud or false information.

(b) Disputes. If the lender disputes the loss claim amount determined by Rural Development, Rural Development will pay the undisputed portion of the loss claim, and the lender may appeal the decision in accordance with §3555.4.

§ 3555.356 Future recovery.

The lender must notify the Agency upon sale of an REO property. If the lender recovers additional funds after the loss claim has been paid, the proceeds will be distributed so that the total loss to the Government is equivalent to the loss that would have been incurred had the recovered amount been included in the initial loss calculation.

7 CFR Ch. XXXV (1–1–16 Edition)
§ 3560.2 Civil rights.

(a) As per the Fair Housing Act, as amended and section 504 of the Rehabilitation Act of 1973, all actions taken by recipients of loans and grants will be conducted without regard to race, color, religion, sex, familial status, national origin, age, or disability. These actions include any actions in the sale, rental, or advertising of the dwellings, in the provision of brokerage services, or in residential real estate transactions involving Rural Housing Service (RHS) assistance. It is unlawful for a borrower or grantee or an agent of a borrower or grantee:

(1) To refuse to make reasonable accommodations in rules, policies, practices, or services that would provide a person with a disability an opportunity to use or continue to use a dwelling unit and all public and common use areas; or

(2) To refuse to provide a reasonable accommodation at the borrower's expense that would not cause an undue financial or administrative burden, or to refuse to allow an individual with a disability to make reasonable modifications to the unit at their own expense with the understanding that the owner may require the tenant to return the unit to its original condition when the unit is vacated by the tenant making the modifications (see §3560.104(c)).

(b) Borrowers and grantees must take reasonable steps to ensure that Limited English Proficiency (LEP) persons receive the language assistance necessary to afford them meaningful access to USDA programs and activities, free of charge. Failure to ensure that LEP persons can effectively participate in or benefit from federally-assisted programs and activities may violate the prohibition under Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d and Title VI regulations against national origin discrimination. USDA has issued guidance to clarify the responsibilities of recipients and subrecipients who receive financial assistance.
§ 3560.3 Environmental requirements.

RHS will consider environmental impacts of proposed housing as equal with economic, social, and other factors. By working with applicants, Federal agencies, Indian tribes, state and local governments, interested citizens, and organizations, RHS will formulate actions that advance program goals in a manner that protects, enhances, and restores environmental quality. Loan and grant processing and servicing actions taken by RHS under this part are subject to an environmental review conducted in accordance with 7 CFR part 1940, subpart G or any successor regulation.

§ 3560.4 Compliance with other Federal requirements.

RHS is responsible for ensuring that the application is in compliance with all applicable Federal requirements, including the following specific requirements:

(a) Intergovernmental review. 7 CFR part 3015, subpart V, or any successor regulation, including the Agency supplemental administrative instruction, RD Instruction 1970–1, ‘Intergovernmental Review,’ available in any Agency office or on the Agency’s Web site.

(c) Clean Air Act and Water Pollution Control Act Requirements. For any contract, all applicable standards, orders or requirements issued under section 306 of the Clean Air Act; section 508 of the Clean Water Act, Executive Order 11738, and 40 CFR part 32.

(d) Historic preservation requirements. The provisions of 7 CFR part 1901, subpart F or any successor regulation.

(e) Lead-based paint requirements. The applicable provisions of 24 CFR part 35, subparts A through D, J, and R, as published by the U.S. Department of Housing and Urban Development.

§ 3560.5 State, local or tribal laws.

Borrowers must comply with all applicable state and local laws, and laws of Federally-recognized Indian tribes to the extent they are not inconsistent with this part.

§ 3560.6 Borrower responsibility and requirements.

(a) Borrower responsibilities and requirements specified in this part may be carried out by an individual or entity designated by the borrower to act on behalf of the borrower such as a resident manager or management agent. Ultimate accountability to the Agency, however, is with the borrower whether or not the borrower designated another
person or entity to act on the borrower's behalf.

(b) Borrowers who have not executed a loan agreement, and who were not required to execute a loan agreement by the regulations in effect at the time of their loan closing are exempt from the requirements of subparts D through G of this part, as long as the borrower is not in default of any applicable requirement, security instrument, payment, or any other agreement with the Agency. Such borrowers must provide evidence of tenant income eligibility in accordance with §3560.152(a), except in Farm Labor Housing where the tenant is not paying shelter cost.

§ 3560.7 Delegation of responsibility.

The RHS Administrator may delegate, on an individual or other basis, any decision-making responsibility for Agency programs, unless otherwise noted.

§ 3560.8 Administrator's exception authority.

The RHS Administrator may make an exception to any provision of this part or address any omissions provided that the exception is consistent with the applicable statute, does not adversely affect the interest of the Federal Government, and does not adversely affect the accomplishment of the purposes of the MFH programs or application of the requirement would result in undue hardship on the tenants. Exception requests presented to the RHS Administrator must have the concurrence of a Rural Development State Director or a Deputy Administrator for MFH.

§ 3560.9 Reviews and appeals.

Rural Housing Service decisions may be appealed pursuant to 7 CFR part 11.

§ 3560.10 Conflict of interest.

To reduce the potential for employee conflict of interest, all RHS activities will be conducted in accordance with 7 CFR part 1900, subpart D.

§ 3560.11 Definitions.

Unless otherwise noted, terms listed in this part shall be defined as follows:

Administrator. The head of the Rural Housing Service who reports directly to the Under Secretary for Rural Development in the U.S. Department of Agriculture.

Agency. The Rural Housing Service within the Rural Development mission area of the U.S. Department of Agriculture.

Amortization. Payment of debt in regular, periodic installments of principal and interest, as opposed to interest only payments.

Applicant. An individual, partnership or limited partnership, consumer cooperative, trust, state or local public agency, corporation, limited liability company, nonprofit organization, Indian tribe, association, or other entity that will be the owner of the project for which an application for funding from the Agency is submitted.

Appraisal. As used by the Agency, a written report developed by a qualified appraiser as established in subpart P that concludes an opinion of value(s) for a specific real property.

Assistance. Financial assistance in the form of a loan, grant, interest credit, or rental assistance.

Association of farmers. Two or more farmers acting as a single legal entity. Association members may include the individual members of farming partnerships or corporations.

Borrower. An individual, partnership or limited partnership, consumer cooperative, trust, state or local public agency, corporation, limited liability company, nonprofit organization, Indian tribe, association, or other entity that has received a loan from the Agency.

Capital Needs Assessment. A Capital Needs Assessment is designed to capture and report on the immediate and the long-range capital needs of an individual property. It includes attention to site features, mechanical and electrical systems, building exterior and common area systems, and dwelling unit interiors.

Caretaker. An individual employed by a borrower or a management agent to handle routine interior and exterior maintenance and upkeep of a MFH project.

Congregate housing. A housing program authorized by section 515 of the Housing Act of 1949 which provides housing for elderly persons, individuals
with disabilities, and families who require some supervision and central services but are otherwise able to care for themselves. Such housing does not include any licensed healthcare facility.

Consumer cooperative. A corporation organized under the cooperative laws of a state or Federally recognized Indian tribe that will own and operate the housing on a cooperative basis solely for the benefit of its members.

Conventional rents for comparable units (CRCU). Market rents for comparable rental units in conventional housing located in the same geographic area as a particular Section 514, 515, or 516 project.

Current appraisal. An appraisal with a report date that is no more than 1 year old.

Daily Interest Accrual System (DIAS). A system where interest is charged daily on outstanding principal. Level loan payments are made by the borrower. The amount of interest due on any date is equal to the unpaid daily interest that has accrued.

Default. Failure by a borrower to meet significant monetary or non-monetary obligations or terms of a loan, grant, or other agreement with the Agency which remain unpaid or unperformed for more than 30 days after the date such obligation is due or required to be paid or performed, or within time periods specified in notices of compliance violations.

Disability. The term disability is considered equivalent to the term handicap. Eligibility requirements for fully accessible units are contained in §§3560.154(g)(1)(i) and 3560.155(b). A person is considered to have a disability if either of the following two situations occur:

(1) As defined in section 501(b) of the Housing Act of 1949. The person is the head of household (or his or her spouse) and is determined to have an impairment which:

(i) Is expected to be of long-continued and indefinite duration;
(ii) Substantially impedes his or her ability to live independently; and
(iii) Is of such a nature that such ability could be improved by more suitable housing conditions, or if such person has a developmental disability as defined in section 102(7) of the Developmental Disability and Bill of Rights Act (42 U.S.C. 6001(7)).

(2) As defined in the Fair Housing Act; the Americans with Disabilities Act; and section 504 of the Rehabilitation Act of 1973. The person has a physical or mental impairment which substantially limits one or more of such person’s major life activities; a record of such impairment; or being regarded as having such an impairment. The term does not include current, illegal use of or addiction to a controlled substance. As used in this definition, physical or mental impairment includes:

(i) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine;

(ii) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term “physical or mental impairment” includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, Human Immunodeficiency Virus infection, mental retardation, emotional illness, drug addiction (other than addiction caused by current, illegal use of a controlled substance), and alcoholism;

(iii) Major life activities means functions such as caring for one’s self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working;

(iv) Has a record of such an impairment means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities;

(v) Is regarded as having an impairment means:

(A) Has a physical or mental impairment that does not substantially limit one or more major life activities but
that is treated by the borrower or management agent as constituting such a limitation;

(B) Has a physical or mental impairment that substantially limits one or more major life activities only as a result of the attitudes of others toward such impairment; or

(C) Has none of the impairments described in this definition but is treated by another person as having such an impairment.

Disabled domestic farm laborer. An individual with a disability as separately defined in this paragraph and who was a domestic farm laborer at the time of becoming disabled.

Domestic farm laborer. A person who, consistent with the requirements in §3560.576(b)(2), receives a substantial portion of his or her income from farm labor employment (not self-employed) in the United States, Puerto Rico, or the Virgin Islands and either is a citizen of the United States or resides in the United States, Puerto Rico or the Virgin Islands after being legally admitted for permanent residence. This definition may include the immediate family members residing with such a person.

Due diligence on hazardous substances. Due diligence is the process of inquiring into the environmental conditions of real estate, in the context of a real estate transaction to determine the presence of contamination from hazardous substances, and to determine the impact such contamination may have on the market value of the property.

Elderly household or individual with a handicapped household. A household in which the tenant or co-tenant of the household is 62 years old or older or is an individual with a disability. An elderly household may include persons younger than 62 years old and the household of an individual with a handicap may include persons without disabilities.

Elderly person. A person who is at least 62 years old. The term also means a person with a disability as separately defined in this paragraph, regardless of age.

Engagement. An Agency defined financial review of a housing project’s financial status that a borrower will contract with a certified public accountant or other qualified individual to perform. An engagement will result in annual financial reports for use by the Agency as described in §3560.308.

Familial status. One or more individuals (who have not attained the age of 18 years) being domiciled with a parent or another person having legal custody of such individual or individuals; or the designee of such parent or other person having such custody, with the written permission of such parent or other person. The protections afforded against discrimination on the basis of familial status shall apply to any person who is pregnant or is in the process of securing legal custody of any individual who has not attained the age of 18 years.

Family farm corporation or partnership. A private corporation or partnership involved in agricultural production in which at least 90 percent of the stock or interest is owned and controlled by persons related by blood, which shall include parents, siblings, and children, or law. If more than three separate households are supported by the farming operation, the family farm corporation or partnership must be:

1. Legally organized and authorized to own and operate a farm business within the state;

2. Legally able to carry out the purposes of the loan; and

3. Prohibited from the sale or transfer of 90 percent of the stock or interest to other than family members by either the articles of incorporation, by-laws or by agreement between the stockholders or partners and the corporation or partnership.

Farm. A tract or tracts of land, improvements, and other appurtenances that are used or will be used in the production of crops, livestock, or aquaculture products for sale in sufficient quantities so that the property is recognized as a farm rather than a rural residence. The term “farm” also includes the term “ranch.” It may also include land and improvements and facilities used in a non-eligible enterprise or the residence that, although physically separate from the farm acreage, is ordinarily treated as part of the farm in the local community.

Farmer. A person who is actually involved in day to day on-site operations
of a farm and who devotes a substantial amount of time to personal participation in the conduct of the operation of a "farm."

Farm labor. Services in connection with cultivating the soil, raising or harvesting any agriculture or aquaculture commodity; or in catching, netting, handling, planting, drying, packing, grading, storing, or preserving in the unprocessed stage, without respect to the source of employment (but not self-employed), any agriculture or aquaculture commodity; or delivering to storage, market, or a carrier for transportation to market or to processing any agricultural or aquacultural commodity in its unprocessed stage.

Farm labor contractor. A person—other than an agricultural employer, a member of an agricultural association, or an employee of an agricultural employer or agricultural association—who recruits, solicits, hires, employs, furnishes, or transports any year-round or seasonal migrant farm laborer for money or other valuable consideration.

Farm labor housing. On-farm or off-farm housing for farm laborers authorized by section 514 and section 516 of the Housing Act of 1949.

Farm owner. A natural person, persons, or legal entity who are the owners of a "farm" as this term is further defined in this section.

Foreclosure. A proceeding in or out of court to extinguish all rights, title, and interest of the owners of property in order to sell the property to satisfy a lien against it.

General overhead. Includes general operation items necessary for the contractor to be in business. They may include, but are not limited to the following: tools and minor equipment; worker’s compensation and employer’s liability; unemployment tax; Social Security and Medicare; manager’s, clerical, and estimator’s salaries; pension and bonus plans; main office insurance, rental, utilities, miscellaneous expenses; general liability insurance; legal, accounting, and data processing; automotive and light truck expense; vehicle expenses; depreciation of overhead capital expenditures; and office equipment maintenance.

General requirements. Includes items that are required in the construction contract for the contractor to provide for the specific project. They do not include items that pertain to a specific trade nor overhead expenses of the contractor’s general operation. Items may include, but are not limited to, the following: Field supervision; field engineering such as field office, sheds, toilets, phone; performance and payment or latent defects bonds; cost certification; building permits; site security; temporary utilities; property insurance; and cleaning or rubbish removal.

Grantee. An entity that has received a grant from the Agency.

Group home. Housing that is occupied by elderly persons or individuals with disabilities who share living space within a rental unit and in which a resident assistant may be required.

Household. The tenant or co-tenant and the persons or dependents living with a tenant or co-tenant, but not including a resident assistant.

Household furnishings. Basic durable items such as stoves, refrigerators, drapes, drapery rods, tables, chairs, dressers and beds.

Housing project. A property with two or more affordable, decent, safe and sanitary rental units and related facilities operated under one management plan and financed with funds appropriated under the authority of sections 515, 514, or 516 of the Housing Act of 1949.

Identity-of-Interest (IOI). A relationship between applicants, borrowers, grantees, management agents, or suppliers of materials or services described under, but not limited to, any of the following conditions:

(1) There is a financial interest between the applicant, borrower, grantee and a management agent or the supplying entity;

(2) One or more of the officers, directors, stockholders or partners of the applicant, borrower, or management agent is also an officer, director, stockholder, or partner of the supplying entity;

(3) An officer, director, stockholder, or partner of the applicant, borrower, or management agent has a 10 percent or more financial interest in the supplying entity.
(4) The supplying entity has or will advance funds to an applicant, borrower, or management agent;

(5) The supplying entity provides or pays on behalf of the applicant, borrower, or management agent the cost of any materials or services in connection with obligations under the management plan or management agreement;

(6) The supplying entity takes stock or a financial interest in the applicant, borrower, or management agent as part of the consideration to be paid them; or

(7) There exists or come into being any side deals, agreements, contracts or understandings entered into thereby altering, amending, or canceling any of the management plan, management agreement, documents, organization documents, or other legal documents pertaining to the property, except as approved by the Agency.

Indian tribe. The term “Indian tribe” means any Indian tribe, band, group, and nation, including Alaskan Indians, Aleuts, and Eskimos, and any Alaskan-Native Village, which is considered an eligible recipient under the Indian Self-Determination and Education Assistance Act (Public Law 93–638) or under the State and Local Fiscal Assistance Act of 1972 (Public Law 92–512).

Interest credit. A form of assistance available to eligible borrowers that reduces the effective interest rate of the loan.

Lease. A contract setting forth the rights and obligations of a tenant or cooperative member and a property owner, including charges and terms under which a tenant or cooperative member will occupy or use the housing or related facilities.

Legal or qualified alien. Legal or qualified alien refers to any person lawfully admitted to the country who meets the criteria in section 214 of the Housing and Community Development Act of 1980. 42 U.S.C. 1436a.

Letter of Priority Entitlement (LOPE). A letter issued by the Agency providing a tenant with priority entitlement to rental units in other Agency-financed housing projects for 120 days from the date of the LOPE.

Life cycle cost. The life cycle cost has 2 purposes: (1) To determine the expected usable life (utility) of a building component or furnishing and (2) to determine which building components or furnishings are the most cost efficient over the life of the building. Cost efficient is not to be construed to mean the least initial cost.

Life cycle cost analysis. Life cycle cost analysis is the comparison of different materials to examine anticipated useful life and the cost of using a specific material or building component. The analysis has multiple uses, such as: (1) To conduct a cost efficiency comparison between products, (2) for developing component replacement time tables, and (3) for estimating future component replacement costs. Life cycle cost analysis can be accomplished through various methods, such as: insurance actuary tables or Agency documentation of a component’s life expectancy. Life cycle cost analysis is conducted by a design professional. For Agency financed projects, a life cycle cost analysis is to be conducted for specific components: (1) drives and parking, (2) roofing system and roofing material, (3) exterior finishes, and (4) energy source items.

Limited Liability Company (LLC). An unincorporated organization of one or more persons or entities established in accordance with applicable state laws and whose members may actively participate in the organization without being personally liable for the debts, obligations or liabilities of the organization.

Limited partnership. An ownership arrangement consisting of general and limited partners; general partners manage the business, while limited partners are passive and liable only for their own capital contributions.

Loan agreement. A written agreement between the Agency and the borrower that sets forth the borrower’s responsibilities with respect to Agency financing.

Low-income household. A household that has an adjusted income that is greater than the Department of Housing and Urban Development’s (HUD) established very-low income limit, but that does not exceed the HUD established low-income limit (generally 80 percent of median income adjusted for household size for the county where the property is or will be located).
§ 3560.11

Low-Income Housing Tax Credit (LIHTC). A federal tax credit allowed for investment in qualified low-income housing administered by the Internal Revenue Service (IRS) under section 42 of the Internal Revenue Code.

Management agent. A firm or individual employed or designated by a borrower to act on the borrower’s behalf in accordance with a written management agreement.

Management agreement. A written agreement between a borrower and a management agent setting forth the management agent’s responsibilities and fees for management services.

Management fee. The compensation provided to a management agent for services provided in accordance with a management agreement.

Management plan. A detailed description of the policies and procedures to be followed by the borrower in managing a MFH project.

Manufactured housing. Housing, constructed of one or more factory-built sections, which includes the plumbing, heating, and electrical systems contained therein, which is built to comply with the Federal Manufactured Home Construction and Safety Standards (FMHCSS), and which is designed to be used with a permanent foundation.

Market area. The geographic or locational delineation of the market for a specific project, including outlaying areas that will be impacted by the project, i.e., the area in which alternative, similar properties effectively compete with the subject property.

Market rent. The most probable rent that a property should bring in a competitive and open market reflecting all conditions and restrictions of the specified lease agreement, including term, rental adjustment and revaluation, permitted uses, use restrictions, and expense obligations; the lessee and lessor each acting prudently and knowledgeably, and assuming consummation of a lease contract as a specified date and the passing of the leasehold from lessor to lessee.

Maximum debt limit. The maximum amount that the Agency will lend or grant for a MFH project based on the appraised value or total development cost excluding costs ineligible for payment from loan or grant funds, whichever is less, reduced by all funding available to the borrower from sources other than the Agency, multiplied by 95, 97, or 102 percent depending upon the applicant entity and their use of the low-income housing tax credit, in accordance with §3560.63(b).

Member or co-member. A stockholder or other person who has executed documents or stock pertaining to a cooperative housing type of living arrangement and has made a commitment to upholding the cooperative concept.

Migrants or migrant agricultural laborer. A person (and the family of such person) who receives a substantial portion of his or her income from farm labor employment and who establishes a residence in a location on a seasonal or temporary basis, in an attempt to receive farm labor employment at one or more locations away from their home base state, excluding day-haul agricultural workers whose travels are limited to work areas within one day of their residence.

Minor. An individual under 18 years of age who is a dependent of a tenant or an individual age 18 or older who is a full-time student and a dependent of a tenant.

Moderate-income household. A household that has an adjusted income that is greater than the HUD-established low-income limit but does not exceed the low-income limit by more than $5,500.

Mortgage or Deed of Trust. A form or security instrument or consensual lien on real property.

Net recovery value. The value realized from the Government’s acquisition of security property in a default situation after subtracting all costs, actual or anticipated, from acquiring, holding, and disposing of the security property.

New construction. A MFH project being constructed to be occupied for the first time.

Nonprofit organization. A private organization that:

(1) Is organized under state or local laws;

(2) Has no part of its net earnings inuring to the benefit of any member, founder, contributor, or individual; and
(3) Is approved by the Secretary of Agriculture and considered to be financially responsible.

Nonprofit organization for section 515 program (Prepayment or Purchase). To be eligible to purchase properties under the conditions of subpart N of this part, nonprofit organizations may not have among their officers or directors any persons or parties with an identity-of-interest (or any persons or parties related to any person with identity-of-interest) in loans financed under section 515 that have been prepaid or have requested prepayment.

Nonprofit organization of farm workers. A nonprofit organization, as defined in this section, whose membership is composed of at least 51 percent farm workers.

Notice of Funding Availability (NOFA). A “Notice of Funding Availability” issued by the Agency to inform interested parties of the availability of assistance and other matters pertinent to the program.

Occupancy agreement. A contract establishing the rights and obligations of the cooperative member and the cooperative, including the amount of the monthly occupancy charge and the other terms under which the member will occupy the housing.

Occupancy charge. The amount of money charged a cooperative member to cover their proportional share of the cooperative’s operating costs and cash requirements.

Off-farm labor housing. Housing for farm laborers in any location approved by the Agency but not on the farm where the laborer works.

Office of the General Counsel (OGC). The USDA Office of the General Counsel, including the Regional Attorney, Associate Regional Attorney, or Assistant Regional Attorney.

On-farm labor housing. Housing for farm laborers located on the farm where they work that is away from service buildings or in the nearby community.

Overage. That portion of a tenant’s net tenant contribution that exceeds basic rent up to note rent. Full overage is an amount equal to the difference between the note rent for a unit and the basic rent.

Plan I. A type of interest subsidy available to borrowers prior to October 27, 1980. Budgets and rental rates developed for Plan I loans are based on a 3 percent loan amortization.

Plan II. A type of interest subsidy available to borrowers operating on a limited profit basis. Budgets and rental rates developed for Plan II loans are based on both the loan being amortized at the interest rate shown on the promissory note and at a 1 percent subsidized rate.

Predetermined Amortization Schedule System (PASS). A system where loan payments are applied based on an amortization schedule.

Prepayment. Payment in full of the outstanding balance on an Agency loan prior to the note’s originally scheduled maturity date.

Program requirements. All provisions related to MFHMPH contained in the loan document, grant agreement, statute, regulation, handbook, or administrative notice.

Promissory note. A legal document containing conditions (interest rate and timing) for repayment of indebtedness.

Real estate owned (REO) property. The real estate owned by the Agency acquired through voluntary conveyance, foreclosure or other action.

Rehabilitation. Rehabilitation is when the remodeling of a property is of a complex nature involving structural repairs or when two or more of the life cycle cost components are included in the remodeling of a property.

Related facilities. Facilities in a MFHMPH project that are related to the housing and are in addition to rental units, (e.g., community rooms or buildings, cafeterias, dining halls, infirmaries, child care facilities, assembly halls, and essential service facilities such as central heating, sewerage, lighting systems, clothes washing facilities, trash disposal and safe domestic water supply).

Rent. The amount established as a charge for occupancy in a rental unit of Agency-financed MFH. Rents must be established at the same rate for all similar units in the housing project.
§ 3560.11

The following terms are used to describe rents for various program purposes.

1. **Note rent** is the rental charge established to cover expenses in the housing project’s approved budget and the required loan payment set at the interest rate shown in the promissory note.

2. **Basic rent** is the rental charge established to cover expenses in the housing project’s approved budget and the required loan payment contained in the promissory note reduced by the interest credit agreement.

3. **HUD contract rent** is the rental charge established for housing receiving project-based Section 8 rental subsidies in accordance with 24 CFR part 880 or part 884, as applicable.

4. **Low-income housing tax credit (LIHTC) rent** is the rental charge established in accordance with LIHTC requirements.

**Rental assistance (RA).** The portion of the approved shelter cost paid by the Agency to compensate a borrower for the difference between the approved shelter cost and the tenant contribution when such contribution is less than the basic rent.

**Rental assistance units.** Dwelling units in a MFH project qualified for rental assistance. There are three types of rental assistance units.

1. New construction units are units provided in conjunction with initial loans for construction or substantial rehabilitation of the MFHMFH projects.

2. Replacement units are Agency-funded rental assistance units which replace units with expiring rental assistance agreements or which replace Section 8 units which have expired under the Section 8 contract.

3. Servicing units are units provided to an operational MFHMFH project as a part of the Agency’s general loan servicing or preservation activities.

**Repair and replacement.** Repair and replacement is the restoration of minor building materials, elements, components, equipment and fixtures. Examples include: Painting, carpeting, appliances, cabinets, and other fixtures.

**Resident assistant.** A person residing in a rental unit who is essential to the well-being and care of an elderly person or an individual with a disability, but who:

1. Is not obligated for the tenant’s financial support;
2. Would not be living in the unit except to provide the needed services;
3. May be a family member, but is not a dependent of the tenant for tax purposes;
4. Is not subject to the eligibility requirements of a tenant; and
5. Is not considered a household member in the determination of household income.

**Resident or site manager.** The individual employed by the borrower and who is responsible for the day-to-day operations of the housing.

**Retired domestic farm laborer.** An individual who is at least 55 years of age and who has spent the last 5 years prior to retirement as a domestic farm laborer or spent the majority of the last 10 years prior to retirement as a domestic farm laborer.

**Return on Investment (ROI).** The annual amount of profit an owner operating on a limited or full profit basis may withdraw from a project, as established in the loan agreement. The amount is calculated as a percentage of the owner’s investment in the project.

**Rural area.** An area classified as a rural area prior to October 1, 1990, (even if within a Metropolitan Statistical Area), and any area deemed to be a ‘rural area’ under any other provision of law at any time during the period beginning January 1, 2000, and ending December 31, 2010, shall continue to be so classified until the receipt of data from the decennial census in the year 2020 if such area has a population exceeding 10,000, but not in excess of 35,000, is rural in character, and has a serious lack of mortgage credit for low- and moderate-income families.

**Rural Cooperative Housing (RCH).** A housing program authorized under section 515 of the Housing Act of 1949, in which a consumer cooperative, organized and operating on a nonprofit basis, may own and operate a MFHMFH development.

**Rural Housing Service (RHS).** The Agency within the Rural Development mission area of the U.S. Department of Agriculture or its successor agency which administers programs authorized
§ 3560.11

by sections 514, 515, 516, and 521 of the Housing Act of 1949, as amended.

Rural Rental Housing (RRH). A housing program authorized by section 515 of the Housing Act of 1949 to provide rental housing in rural areas for persons of very-low, low- and moderate income.

Seasonal housing. Housing operated on a seasonal basis, typically for migrants or migrant agricultural laborers as opposed to year round.

Security deposit. A one-time fee charged a tenant prior to occupancy of a unit to cover possible loss or damage to the housing unit caused by the tenant.

Service agreement. A written agreement between a borrower and a service provider establishing the specific service to be provided to a MFH project, the cost of the service, and the length of time the service will be provided.

Service plan. A written plan describing how services will be provided to a MFH project and which, at a minimum, must specify the services to be provided, the frequency of the services, who will provide the services, how tenants will be advised of the availability of services, and the staff needed to provide the services.

Service provider. A person who signs a written agreement with a borrower to provide services to a MFH project.

Shelter costs. Basic or note rent plus the utility allowance, when used, or the occupancy charge plus the utility allowance. If the utility costs are included in the rent, the rent will equal shelter costs.

Sources and Uses Comprehensive Evaluation (SAUCE). A computer software program used by the Agency to analyze the total funds provided to a MFH project to ensure that the Agency is not providing excess assistance.

Special note rent (SNR). A rental rate charged at a Plan II project experiencing vacancies that is less than note rent but higher than basic rent.

State consolidated plan. A planning document for an individual state that includes a housing and homeless needs assessment; a housing market analysis; a strategic plan for addressing the state’s housing challenges; an Action Plan that is an annual description of the state’s Federal and other resources that are expected to be available to address its priority housing needs and how the Federal funds will leverage other resources; certifications relating to fair housing, its antidisplacement and relocation plan, a drug-free workplace, and other statutory and program requirements; and a monitoring plan to ensure that the state is using its Federal funds appropriately and effectively.

Tenant or co-tenant. An individual who signs a lease and occupies or will occupy a rental unit in a MFH project. The term tenant or co-tenant also refers to a member of cooperative housing occupying or planning to occupy a dwelling unit in cooperative housing.

Tenant contribution. The portion of the approved shelter cost paid by the tenant household. The proportion of tenant income and adjusted income paid will vary according to the type of subsidy provided to the tenant household.

Total development cost (TDC). The cost of constructing, purchasing, improving, altering, or repairing MFH and related facilities, buying household furnishings (for sections 514/516 only), and purchasing or improving the necessary land, including architectural, engineering, or legal fees, and charges and other technical and professional fees and charges, but excluding fees, charges, or commissions such as payments to brokers, negotiators, or other persons for the referral of prospective applicants or solicitations of loans. Although a developer’s fee is part of the project’s development cost, such fees are not eligible for payment from Agency loan or grant funds and are not included in determining the Agency authorized development cost.

Utility allowance. An amount determined by a borrower as the amount to be considered a tenant’s portion of utility cost in the calculation of a tenant’s total shelter cost when utility costs are not included in the rent.

Very low-income household. A household that has an adjusted income that does not exceed the HUD established very low-income limit (generally 50 percent of median income adjusted for
household size in the county where the property is or will be located).

Workout agreement. An agreement between a borrower and the Agency listing actions to be taken over a period of time to prevent or correct a compliance violation or to cure a monetary or non-monetary default.

§ 3560.50 OMB control number.

The information collection requirements contained in this regulation have been approved by the Office of Management and Budget (OMB) and have been assigned OMB control number 0575–0189. Public reporting burden for this collection of information is estimated to vary from 15 minutes to 18 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. A person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

Subpart B—Direct Loan and Grant Origination

§ 3560.51 General.

This subpart contains the Agency’s loan origination requirements for multi-family housing (MFH) direct loans for Rural Rental Housing, Rural Cooperative Housing, and Farm Labor Housing. Additional requirements for farm labor housing loans and grants are contained in subpart L of this part for Off-Farm Labor Housing and subpart M of this part for On-Farm Labor Housing.

§ 3560.52 Program objectives.

The Agency uses appropriated funds to finance the construction, rehabilitation of program properties, or purchase and rehabilitation of MFH and related facilities to serve eligible persons in rural areas. The Agency encourages the use of such financing in conjunction with funding or financing from other sources.

§ 3560.53 Eligible use of funds.

Funds may be used for the following purposes:

(a) Construct housing. Funds may be used to construct MFH.

(b) Purchase and rehabilitate buildings. Funds may be used to purchase and rehabilitate buildings that have not been previously financed by the Agency.

(1) Rehabilitation must meet the definition of either moderate or substantial rehabilitation as defined in 7 CFR part 1924, subpart A.

(2) The building to be rehabilitated must be structurally sound and the improvements to the building must be necessary to meet the requirements of decent, safe, and sanitary living units.

(3) The total development cost (TDC) for the purchase and rehabilitation of existing buildings must not be more than the estimated TDC for construction of a similar type and unit size property in the same area.

(c) Subsequent loans. Funds may be used to provide subsequent loans in accordance with the provisions of §3560.73.

(d) Purchase and improve sites. Funds may be used to purchase and improve the site on which MFH will be located, provided that the amount of loan funds used to purchase the site does not exceed the appraised market value of the site immediately prior to purchase.

(e) Develop and install necessary systems. Funds may be used to install streets, a water supply, sewage disposal, heating and cooling systems, electric, gas, solar, or other power sources for lighting and other features necessary for the housing. If such facilities are located off-site, loan funds may only be used if the following additional requirements are met:

(1) The loan applicant will hold title to the facility or have a legal right to use the facility in the form of an easement or other instrument acceptable to the Agency for a period of at least 50 percent longer than the term of the loan or grant and the title or right is transferable to any subsequent owner of the housing.

(2) The facilities will either be provided for the exclusive use of the proposed housing project, or Agency funds are limited to the prorated part of the total cost of the facility according to
Rural Housing Service, USDA § 3560.53

the use and benefit to the MFH project. If entities other than the housing project financed by the Agency use the facilities on a reimbursable fee basis, the loan applicant must agree, in writing, to apply any fees collected in excess of operating expenses to their Agency loan account as an extra loan payment.

(f) Landscaping and site development. Funds may be used to provide landscaping and site development related to a MFH project such as lighting, walks, fences, parking areas, and driveways.

(g) Tenant-related facilities. Funds may be used to develop tenant-related facilities appropriate to the size, economics, and prospective tenants of a MFH project, such as a community room, development of space for education and training purposes for tenants, central laundry facility, outdoor seating, space for passive recreation, tot lots, and a small emergency care infirmary. In congregate housing and group homes, funds may be used for central cooking and dining areas.

(h) Management-related facilities. Funds may be used to develop management-related facilities appropriate to the size and economics of a MFH project such as a maintenance workshop, storage facilities, office, and living quarters for a resident manager and other personnel.

(i) Purchase and install equipment and appliances. Funds may be used to purchase and install equipment and appliances affixed to the property as customary and appropriate for the area in which the housing is located.

(j) Household furnishings (Section 514/516). For farm labor housing sections 514 and 516 only, funds may be used to purchase household furnishings.

(k) Initial operating capital. Loan funds equal to 2 percent of total development cost or appraised value, whichever is less, may be used by a state or political subdivision thereof, Indian tribe, consumer cooperative, or any public or private nonprofit borrower who is not receiving low-income housing tax credits (LIHTC), to make the initial operating capital contribution required by §3560.64. Other borrowers must use their own resources to make the required initial operating capital contribution and may not use loan funds for that purpose.

(l) Builder’s profit, overhead and general requirements. Subject to the following limits, funds may be used for builder’s profit, overhead and general requirements.

(1) Up to 10 percent of the construction contract may be used for builder’s profit.

(2) Up to 4 percent of the construction contract may be used for general overhead.

(3) Up to 7 percent of the construction contract may be used for general requirements.

(m) Legal, technical and professional services. Funds may be used for the costs of legal, technical, and professional services related to the borrower’s MFH project, including appraisals, environmental documentation, and construction plans and specifications.

(n) Permit and application fees. Funds may be used for the costs of MFH permits and application fees.

(o) Reimbursement to nonprofit organizations and public bodies. Funds may be used to reimburse a nonprofit organization or public body for up to 2 percent of total development costs for section 515, or up to 4 percent of total development costs for off-farm labor housing, for costs that are reasonable and typical for the area, including:

(1) Development and packaging of a loan application and a MFH proposal; and

(2) Legal, technical, and professional fees incurred in the formation of the loan application and MFH proposal; or

(3) Technical assistance from another nonprofit organization to assist in the organization’s formation and in the development and packaging of a loan application and MFH proposal.

(p) Educational programs. Funds may be used for educational programs related to owning and managing a cooperative housing project for the board of directors of a housing cooperative during the first year of the housing operation. Such funds will be available from the initial operating account. The amount of the funds disbursed will be subject to Agency approval and availability of financial resources from the project.
(q) Interest and customary charges. Funds may be used for interest accrued and customary charges necessary to obtain interim financing.

(r) Purchase housing from an interim lender. Funds may be used to purchase MFH from an interim lender that holds fee simple title to Agency-financed housing upon which construction commenced and a letter of commitment had been issued by the Agency but the original applicant for whom funds were obligated will not or cannot continue with construction of the housing. In order for the purchase to take place, there must be no outstanding unpaid obligations in connection with the housing.

(s) Uniform Relocation Assistance and Real Property Acquisition Act of 1970. Funds may be used for necessary costs incurred to comply with the Uniform Relocation Assistance and Real Property Acquisition Act of 1970.

(t) Demonstration programs. With the RHS Administrator's approval, funds may be used to construct demonstration housing involving innovative units and systems which do not meet existing published standards, rules, regulations, or policies but meet the intent of providing affordable, decent, safe, and sanitary rural housing, and are consistent with the requirements of Title V of the Housing Act of 1949.

(u) Conversion of section 502 properties. In accordance with §3560.506, loan funds may be used to finance the conversion of real estate owned units originally financed under section 502 of the Housing Act of 1949, to MFH authorized by section 515 of the Housing Act of 1949.

§ 3560.54 Restrictions on the use of funds.

(a) Ineligible uses of funds. Funds may not be used for:

1. Housing intended to serve temporary and transient residents, with the exception of housing to serve migrant farm workers in accordance with §3560.554;

2. Special care facilities or institutional-type homes;

3. Facilities which are not in compliance with the design requirements specified in §3560.66;

4. Any costs associated with space in a housing project that is leased for commercial use or any commercial facilities except essential service-type facilities when otherwise not conveniently available;

5. Specialized equipment for training and therapy;

6. Operating capital for a central dining facility or any items which do not become affixed to the real estate security with the exception of household furnishings for farm labor housing units financed under sections 514 and 516;

7. Compensation to a loan applicant for value of land contributed in excess of the equity contribution requirements in §3560.63(c);

8. Refinancing of an applicant’s debt except when the debt involves interim financing or when refinancing is necessary to obtain a release of an existing lien on land owned by a nonprofit organization;

9. Payment of any fee, charge, or commission to a broker or anyone else as a developer's fee or for referral of a prospective loan applicant or solicitation of a loan;

10. Payment to any officer, director, trustee, stockholder, member, or agent of an applicant; or

11. Purchasing land for a site in excess of what is needed, except when:

(i) The applicant cannot acquire an alternate site or cannot acquire the needed land as a separate parcel;

(ii) The applicant agrees to sell the excess land as soon as practical and to apply the proceeds to the loan; and

(iii) Program site density requirements are met in accordance with the site requirements established under §3560.58.

(b) Obligations incurred before loan approval. Funds may not be used for expenses incurred by an applicant prior to approval except when all the following conditions are met:

1. The debts were incurred for eligible purposes;

2. Contracts, materials, construction, and any land purchased meet Agency standards and requirements;

3. Payment of the debts will remove any attached liens and any basis for liens that may attach to the property on account of such debts; and

4. The appropriate level of environmental review in accordance with 7
Rural Housing Service, USDA

§ 3560.55 Applicant eligibility requirements.

Applicants for off-farm labor housing loans and grants should also refer to §3560.55, and applicants for on-farm labor housing loans should refer to §3560.605.

(a) General. To be eligible for Agency assistance, applicants must meet the following requirements:

(1) Be a U.S. citizen or qualified alien(s); a corporation; a state or local public Agency; an Indian tribe as defined in §3560.11; or a limited liability company (LLC), nonprofit organization, consumer cooperative, trust, partnership, or limited partnership in which the principals are U.S. citizens or qualified aliens;

(2) Be unable to obtain similar credit elsewhere at rates that would allow for rents within the payment ability of eligible residents;

(3) Possess the legal and financial capacity to carry out the obligations required for the loan or grant;

(4) Be able to maintain, manage, and operate the housing for its intended purpose and in accordance with all Agency requirements;

(5) With the exception of applicants who are a nonprofit organization, housing cooperative or public body, be able to provide the borrower contribution from their own resources (this contribution must be in the form of cash, or land, or a combination thereof);

(6) Have or be able to obtain a minimum of 2 percent of the total development costs for use as initial operating capital (for nonprofit organizations, cooperatives, or public bodies, this amount may be financed through Agency funds); and

(b) Additional requirement for applicants with prior debt. If an applicant or the managing general partner of a borrower, as well as any affiliated entity having a 10 percent or more ownership interest, has a prior or existing Agency debt, the following additional requirements must be met.

(1) The applicant must be in compliance with any existing loan or grant agreements and with all legal and regulatory requirements or must have an Agency-approved workout agreement and be in compliance with the provisions of the workout agreement. The Agency may require that applicants with monetary or non-monetary deficiencies be in compliance with an Agency-approved workout agreement for a minimum of 6 consecutive months before becoming eligible for further assistance.

(2) The applicant must be in compliance with the Title VI of the Civil Rights Act of 1964, section 504 of the Rehabilitation Act of 1973, and all other applicable civil rights laws.

(c) Additional requirements for nonprofit organizations. In addition to the eligibility requirements of paragraphs (a) and (b) of this section, nonprofit organizations must meet the following criteria:

(1) The applicant must have received a tax-exempt ruling from the IRS designating the applicant as a 501(c)(3) or 501(c)(4) organization.

(2) The applicant must have in its charter the provision of affordable housing.

(3) No part of the applicant’s earnings may benefit any of its members, founders, or contributors.

(4) The applicant must be legally organized under state and local law.

(5) In the case of off-farm labor housing loans and grants, nonprofit organizations must be “broad-based” nonprofit organizations (refer to §3560.555(a)(1)).

(d) Additional requirements for limited partnerships. In addition to the applicant eligibility requirements of paragraphs (a) and (b) of this section, limited partnership loan applicants must meet the following criteria:
§ 3560.56 Processing section 515 housing proposals.

Processing requirements for farm labor housing proposals are found in subpart L of this part for Off-Farm and subpart M of this part for On-Farm.

(a) Notice of Funding Availability (NOFA) responses. (1) The Agency will publish an annual NOFA with deadlines and other information related to submission of new construction MFH proposals, including expansion of existing MFH in designated places selected in accordance with § 3560.57.

(2) To be eligible for funding consideration, MFH proposals must be submitted in accordance with the NOFA and must provide information requested in the NOFA for the Agency to score and rank the proposals.

(3) MFH proposals needing rental subsidies must include requests for Agency rental assistance or a description of any non-Agency rental subsidy to be used with the proposal and must provide information required by § 3560.260 (c).

(4) The Agency will consider housing proposals requesting rental assistance in rank order to the extent rental assistance is available. When there is no rental assistance available, the Agency will consider only those housing proposals in rank order that do not require rental assistance.

(b) Preliminary proposal assessment. The Agency will make a preliminary assessment of the application using the following criteria and will reject those applications which do not meet all of these criteria:

(1) The proposal was received by the submission deadline specified in the NOFA.

(2) The proposal is complete as specified in the NOFA.

(3) The proposal is for an authorized purpose, and

(4) The applicant meets Agency eligibility requirements.

(c) Scoring and ranking project proposals. The Agency will score and rank each housing proposal that meets the criteria of paragraph (b) of this section.

(1) The following criteria will be used to score housing proposals as more completely established in the NOFA:

(i) The presence and extent of leveraged assistance in the proposal for the units that will serve tenants meeting Agency income limits at basic rents comparable to what the rent would be if the Agency provided full financing;

(ii) The proposal will provide rental units in a colonia, tribal land, Rural Economic Area Partnership (REAP) community, Enterprise Zone or Empowerment Community (EZ/EC) or in a place identified in the state Consolidated Plan or a state needs assessment as a high need community for MFH.

(iii) The proposal supports Agency initiatives announced in the NOFA.

(iv) The proposal uses a donated site which meets the following conditions:

(A) The site is donated by a state, unit of local government, public body or a nonprofit organization;

(B) The site is suitable for the housing proposals and meets Agency requirements;

(C) Site development costs do not exceed what they would be to purchase and develop an alternative site.

(2) The general partners must be able to meet the borrower contribution requirements if the partnership is not able to do so at the time of loan request.

(2) The general partners must maintain a minimum 5 percent financial interest in the residuals or refinancing proceeds in accordance with the partnership organizational documents.

(3) The partnership must agree that new general partners can be brought into the organization only with the prior written consent of the Agency.

(e) Additional requirements for Limited Liability Companies (LLCs). In addition to the applicant eligibility requirements of paragraphs (a) and (b) of this section, LLC loan applicants must meet the following criteria:

(1) One member who holds at least a 5 percent financial interest in the LLC must be designated the authorized agent to act on the LLC's behalf to bind the LLC and carry out the management functions of the LLC.

(2) No new members may be brought into the organization without prior consent of the Agency.

(3) The members must commit to meet the equity contribution requirements if the LLC is not able to do so at the time of loan request.
(D) The overall cost of the MFH is reduced by the donation of the site; and
(E) A return on investment is not paid to the borrower for the value of the donated site nor is the value of the site considered as part of the borrower's contribution.

(2) The Agency will rank housing proposals based on their scoring.
   (i) When proposals have an equal score, preference will be given to Indian tribes as defined in §3560.11 and local nonprofit organizations or public bodies whose principal purposes include low-income housing that meet the conditions of §3560.55(c) and the following conditions.
   (A) Is exempt from Federal income taxes under section 501(c)(3) or 501(c)(4) of the Internal Revenue code;
   (B) Is not wholly or partially owned or controlled by a for-profit or limited-profit type entity;
   (C) Whose members, or the entity, do not share an identity of interest with a for-profit or limited-profit type entity;
   (D) Is not co-venturing with another entity; and
   (E) The entity or its members will not be receiving any direct or indirect benefits pursuant to LIHTC.
   (ii) A drawing will be held in the event of a tie score, first for proposals from applicants who meet the conditions of paragraph (c)(2)(i) of this section and next for proposals from applicants for which paragraph (c)(2)(i) of this section is not applicable. Each proposal will be numbered in the order in which it is drawn.

(3) The Agency will request initial loan applications from parties who submitted the housing proposals with the highest ranking, taking into account available funds. The Agency will notify non-selected parties with the reasons for their non-selection, and the process that may be used to seek a review of the non-selection decision.

(d) Processing initial loan applications.
   The Agency will review all initial loan applications submitted in accordance with Agency requirements to further evaluate the eligibility and feasibility of the housing proposals. This determination will include:
   (1) A review of the preliminary plans and cost estimates,
   (2) A market feasibility review,
   (3) An Agency site visit to gather preliminary environmental information and determine that the proposed site meets the site requirements of §3560.58,
   (4) A review of the Affirmative Fair Housing Marketing Plan,
   (5) An analysis of current credit reports,
   (6) A review of Civil Rights Impact Analysis in accordance with 7 CFR part 2006, subpart P, and
   (7) Completion of the appropriate level of environmental review in accordance with 7 CFR part 1940, subpart G.

(e) Processing order of initial loan applications. The Agency will process initial loan applications in rank order, taking into account available funds. If any initial loan applications are withdrawn, rejected, or delayed for a period of time that will not permit funding in the current funding cycle, the Agency will process, in rank order, the next initial loan application as funding levels permit.

(4) Other assistance. During each stage of loan application processing, loan applicants must notify the Agency of all other assistance, including other Federal Government assistance proposed or approved for use in connection with the loan application.

(g) Proposal withdrawal or rejection. An applicant may withdraw a housing proposal, an initial loan application, or a final loan application at any time during the Agency review process with a written request. The Agency may reject a housing proposal, an initial loan application, or a final loan application at any time during the Agency review process when an applicant fails to provide information requested by the Agency within the time frame specified by the Agency.

(h) Final applications. Applicants, with initial loan applications that are selected by the Agency for further processing, must submit a final application, with any additional information requested by the Agency, to confirm and document a housing proposal's eligibility and feasibility, including an affirmative fair housing
marketing plan. The Agency will notify applicants with initial loan applications that are not selected for further processing of their non-selection, the reasons for their non-selection, and the process that may be used to seek a review of the non-selection decision.

(1) Rural cooperative housing proposals. Rural cooperative housing loan proposals will be solicited through a NOFA and will be assessed and processed in the same manner described in paragraphs (a) through (h) of this section.

§ 3560.57 Designated places for section 515 housing.

(a) Establish a list of designated places. The Agency will establish a list of designated places from which loan proposals will be accepted. The list is updated each fiscal year and is available when the NOFA is published. The NOFA provides information on obtaining the list. This list will be developed from a list of rural places which the Agency identifies as having the greatest need for multifamily housing based on the following factors:

(1) Qualification as a rural area as defined in § 3560.11,
(2) Lack of mortgage credit, and
(3) Demonstrated need for MFH based on:
   (i) The incidence of poverty,
   (ii) The existence of substandard housing,
   (iii) The lack of affordable housing, and
   (iv) The following high need areas:
      (A) Places identified in the state Consolidated Plan or similar state plan or needs assessment report,
      (B) Indian reservations or communities located within the boundaries of tribal allotted or trust land, and
      (C) EZ/EC or REAP communities.

(b) Establishing partnership designated place list. The Agency, in states with an active leveraging program and formal partnership agreement with the state agency, may establish a partnership designated place list consisting of places identified by the partnership as high need areas based on criteria consistent with the Agency’s and the state’s authorizing statutes. The partnership agreement and partnership designated place list must have the concurrence of the Administrator.

(c) Administrator’s discretion. The Administrator may add to the list of designated places any place that is determined to have a compelling need for MFH, for example, a place that has had a substantial increase in population not reflected in the most recent decennial Census of the United States, or a place that has experienced a loss of affordable housing because of a natural disaster.

(d) Restrictions on loans in certain designated places. (1) Initial loan applications will not be requested and final loan applications will not be closed for housing proposals in designated places where any of the following conditions exist:
   (i) The Agency has selected another MFH proposal in the designated place for processing.
   (ii) A previously funded Agency, the U.S. Department of Housing and Urban Development (HUD), low-income housing tax credit or other similar assisted MFH in the designated place has not been completed or has not reached projected occupancy levels.
   (iii) Existing assisted MFH in the designated place is experiencing high vacancy levels.
   (iv) A special note rent or other loan servicing tool is pending or in effect for other assisted housing in the designated place, or
   (v) The need in the market area is for additional rental assistance and not additional rental units.

(2) Exceptions to the provisions in § 3560.57(d)(1) may be made:
   (i) When a group home is proposed for persons with disabilities in an area where the existing MFH is insufficient or unavailable for their needs; or
   (ii) There is a compelling need for additional MFH, for example when the units that have been approved or are under development represent only a small portion of the total units needed in the community.

§ 3560.58 Site requirements.

(a) Location. (1) New construction section 515 loans will be made only in
§ 3560.60 Design requirements.

(a) Standards. All Agency-financed MFH will be constructed in accordance with 7 CFR part 1924, subpart A and will consist of two or more rental units plus appropriate related facilities. Single family structures may be used for designated places selected by the Agency in accordance with the requirements of §3560.57.

(2) Agency-financed MFH must be located in residential areas as part of established rural communities, except as permitted in §3560.56(b), and for farm labor housing units financed under sections 514 and 516, which may be developed in any area where a need for farm labor housing exists.

(3) Communities in which Agency-financed MFH is located must have adequate facilities and services to support the needs of tenants.

(4) Housing complexes will not be located in areas where there are undesirable influences such as high activity railroad tracks; adjacent to or near industrial sites; bordering sites or structures which are not decent, safe, or sanitary; or bordering sites which have potential environmental concerns such as processing plants. Sites which are not an integral part of a residential community and do not have reasonable access, either by location or terrain, to essential community facilities such as water, sewerage removal, schools, shopping, employment opportunities, medical facilities, may not be acceptable. Consistent with Federal law and Departmental Regulation, the Agency must conduct an environmental assessment and a civil rights impact analysis before a site can be approved until the Agency has completed the environmental review in accordance with 7 CFR part 1940, subpart G, or any successor regulation. Likewise, the applicant should be informed that the environmental review must be completed and considered before the Agency can make a commitment of resources to the project.

§ 3560.59 Environmental requirements.

Under the National Environmental Policy Act, the Agency is required to assess the potential impact of the proposed action on protected environmental resources. Measures to avoid or at least mitigate adverse impacts to protected resources may require a change in the site or project design. Therefore, a site cannot be approved until the Agency has completed the environmental review in accordance with 7 CFR part 1940, subpart G, or any successor regulation. Likewise, the applicant should be informed that the environmental review must be completed and considered before the Agency can make a commitment of resources to the project.

§ 3560.60 Design requirements.

(a) Standards. All Agency-financed MFH will be constructed in accordance with 7 CFR part 1924, subpart C and any applicable standards imposed by a state or local government.

(d) Densities. Allowable site densities will be determined based on the following criteria:

(1) Compatibility and consistency with the community in which the MFH is located;

(2) Impact on the total development costs; and

(3) Size sufficient to accommodate necessary site features.

(e) Flood or mudslide-prone areas. (1) The Agency will not approve sites subject to 100-year floods when non-floodplain sites exist. The environmental review process will assess the availability of a reasonable site outside the 100-year floodplain.

(2) Sites located within the 100 year floodplain are not eligible for federal financial assistance unless flood insurance is available through the National Flood Insurance Program (NFIP). The Agency will complete Federal Emergency Management Agency (FEMA) Form 81–93, Standard Flood Hazard Determination, to document the site’s location in relation to the floodplain and the availability of insurance under NFIP.
§ 3560.60  
7 CFR Ch. XXXV (1–1–16 Edition)

group homes and cooperative housing. Also, manufactured homes may be used to create MFH and single family housing originally financed through section 502 of the Housing Act of 1949 may be converted to MFH. Maintenance requirements are listed in §3560.103(a)(3).

(b) Residential design. All MFH must be residential in character, except as provided for in §3560.58(b), and must meet the needs of eligible residents.

(c) Economical construction, operation and maintenance. Taking into consideration life-cycle costs, all housing must be economical to construct, operate, and maintain and must not be of elaborate design or materials.

(1) Economical construction means construction that results in housing of at least average quality with amenities that are reasonable and customary for the community and necessary to appropriately serve tenants.

(2) Economical operating and maintenance means housing with operational and maintenance costs that allow a basic rent structure less than or consistent with conventional rents for comparable units in the community or in a similar community except that when determined necessary by the Agency to allow for decent, safe and sanitary housing to be provided in market areas where conventional rents are not sufficient to cover necessary operating, maintenance, and reserve costs. Basic rents may be allowed to exceed comparable rents for conventional units, but in no case may the rent exceed 150% of the comparable rent for conventional unit rent level.

(3) In meeting the Agency objective of economical construction, operation and maintenance, housing proposals must:

(i) Contain costs without jeopardizing the quality and marketability of the housing;

(ii) Employ life-cycle cost analyses acceptable to the Agency to determine the types of materials which will reduce overall costs by lowering operation and maintenance costs, even though their initial costs may be higher; and

(iii) Provide assurances that costs will be reduced when the Agency determines that housing costs are not economical. If assurances cannot be provided, funding may be withdrawn.

(4) The housing proposal will give maximum consideration to energy conservation measures and practices.

(d) Accessibility. All housing will meet the following accessibility requirements:

(1) For new construction of MFH, at least 5 percent of the units (but not less than one) must be constructed as fully accessible units to persons with disabilities. The Uniform Federal Accessibility Standards (UFAS) will be followed. Individual copies of these standards are available from the Architectural and Transportation Barriers Compliance Board, 1331 F Street, NW, Suite 1000, Washington, DC 20004–1111, Telephone: (202) 272–0060, TTY: (202) 272–0082, e-mail address: info@access-board.gov. When calculating how many accessible units are required, always round up to the next whole number to ensure the 5 percent requirement is met.

(2) For existing properties that do not have fully accessible units, the 5 percent requirement will apply when making substantial alterations as defined by UFAS. The UFAS defines substantial alteration as “alteration to any building or facility is to be considered substantial if the total cost for a twelve month period amounts to 50 percent or more of the full and fair cash value of the building * * *” UFAS further defines full and fair cash value as “the assessed valuation of a building or facility as recorded in the assessor’s office of the municipality and as equalized at one hundred percent (100%) valuation, or the replacement cost, or the fair market value.” The 5 percent rule will also apply to repair or renovation work on a single unit. For instance, if a unit is damaged by fire and extensive repair is necessary, to the extent possible the unit is to be converted to a fully accessible unit.

(3) The variety of bedroom quantities of fully accessible units will be comparable to the variety of bedroom quantities of units which are not fully accessible. Borrowers will not, however, be required to exceed the 5 percent requirement simply to have an accessible unit of each bedroom quantity. In addition, accessible units should be
distributed throughout the complex so not to concentrate the units in one location.

(4) All MFH must meet:

(i) The accessibility requirements as contained in section 504 of the Rehabilitation Act of 1973;

(ii) The requirements of the Fair Housing Amendments Act of 1988;

(iii) The requirements of the Americans with Disabilities Act of 1990, as applicable; and

(iv) All other Federal, State, and local requirements. When architectural standards differ, the most stringent standard will be followed.

§ 3560.61 Loan security.

(a) General. Each loan made by the Agency will be secured in a manner that adequately protects the financial interest of the Federal Government throughout the period of the loan.

(b) Lien position. (1) The Agency will seek a first or parity lien position on Agency-financed property in all instances. The Agency may accept a junior lien position if the Federal Government's interests are adequately secured.

(2) The Agency will seek a first or parity lien on revenue from rent; Agency, HUD, state or private rental subsidy payments; chattels; assignments; and operating and reserve accounts. The Agency will accept a junior lien position if the Federal Government's interests are adequately secured.

(c) Liability. Personal liability will be required of all individual borrowers. Personal liability will not be required for the members or stockholders of any corporation or trust or any partners in a limited partnership.

(d) Housing and land ownership. Applicants must own the MFH and related land for which the loan is being requested, or become the owner when the loan is closed or have a leasehold interest in the land. If an applicant is not the owner of the housing and the related land, the following conditions must be met prior to or at loan closing.

(1) A recorded mortgage on the improvements is given as collateral.

(2) The amount of the loan against the collateral does not exceed its estimated security value.

(3) The unexpired term of the lease on the date of loan closing is at least 50 percent longer than the term of the loan and rent charged for the lease does not exceed the rate being paid for similar leases in the area.

(4) The applicant's leasehold interest is not subject to summary foreclosure or cancellation.

(5) The lease permits:

(i) The Agency to foreclose the mortgage and to transfer the lease;

(ii) The Agency to bid at a foreclosure sale or to accept voluntary conveyance of the security in lieu of foreclosure;

(iii) The Agency to occupy the property, sublet the property, or sell the leasehold for cash or credit if the leasehold is acquired through foreclosure, if the Agency accepts voluntary conveyance in lieu of foreclosure, or if the borrower abandons the property; and

(iv) The applicant, in the event of default or inability to continue with the lease and the loan, to transfer the leasehold subject to the mortgage to a transferee that will assume the property ownership obligations.

§ 3560.62 Technical, legal, insurance, and other services.

(a) Legal services. Applicants must have written contracts for any legal services that are to be paid out of Agency loan funds.

(b) Title clearance. Applicants must obtain title clearance in accordance with the provisions of 7 CFR part 1927, subpart B applicable to title clearance, which would include title insurance or title opinion, unless the loan applicant is leasing the property or is an organization or an individual with special title or loan closing problems, in which case title clearance and related legal services will be obtained in accordance with procedures approved by the Agency.

(c) Architectural services. Applicants must obtain a written contract for architectural services in accordance with the provisions of 7 CFR part 1924, subpart A.

(d) Insurance. Applicants must have property and liability coverage at loan closing as well as flood insurance, if needed. Fidelity coverage must be in force as soon as there are assets within
§ 3560.63 Loan limits.

(a) Determining the security value. The security value for an Agency loan is the lesser of the total development cost (exclusive of any developer’s fee as provided by paragraph (d)(2) of this section) or the housing project’s security value as determined by an appraisal conducted in accordance with subpart P of this part, minus any prior or parity liens on the housing project. For purposes of determining security value:

(1) Total development cost must be calculated excluding costs not considered allowable under §3560.54(a), and excluding costs related to compliance with the Uniform Relocation Assistance and Real Property Acquisition Act of 1970.

(2) The appraisal, which will determine the market value, subject to restricted rents, will be obtained by the Agency and conducted in accordance with subpart P of this part.

(b) Limitations on loan amounts. The Agency will not make any loans without adequate security. The following limitations will be set on loan amounts:

(1) For all loan applicants who will receive benefits from the low-income housing tax credit program, the amount of Agency financing for the housing will not exceed 95 percent of the security value available for the Agency loan.

(2) For all loan applicants who will not receive low-income housing tax credit benefits and who are comprised solely of nonprofit organizations, consumer cooperatives, or state or local public agencies, the amount of the loan will be limited to the security value available for the Agency loan, plus the 2 percent initial operating capital and any necessary relocation costs incurred.

(3) For all other loan applicants who will not receive low-income housing tax credit benefits, the loan amount will be limited to no more than 97 percent of the security value available for the Agency loan.

(c) Equity contribution. Loan applicants, with the exception of nonprofit organizations, consumer cooperatives, or state or local public agencies who will not be receiving tax credits, must make an equity contribution from their own resources.

(1) Loan applicants who will receive benefits from the low-income housing tax credit program must make an equity contribution in the amount of 5 percent of the Agency loan. The maximum Agency loan will be determined in accordance with §3560.63(b).

(2) Loan applicants who will not receive benefits from the low-income housing tax credit program and are not nonprofit organizations, consumer cooperatives, or state or local public agencies must make an equity contribution in the amount of 3 percent of the Agency loan. The maximum Agency loan will be determined in accordance with §3560.63(b).

(d) Review of assistance from multiple sources. The Agency will analyze Federal Government and other assistance provided to any MFH project to establish the maximum loan amount and to assure that the assistance is not more than the minimum necessary to make the housing affordable, decent, safe, and sanitary to potential tenants.

(1) Determining minimum assistance. For purposes of determining minimum assistance, the total amount paid for builder’s profit, overhead, and general requirements may not exceed 21 percent of the construction contract. Unless specified differently in a Memorandum of Understanding between the Agency and the state agency that allocates low-income housing tax credits, limits will be those specified in §3560.53(l).

(2) Developer’s fee. While, in accordance with §3560.54(a)(9), payment of a developer’s fee is not an eligible use of Agency loan funds, the Agency will include in total development costs a developer’s fee paid from other sources when analyzing the Federal Government assistance to the housing. The
Agency may recognize a developer’s fee paid from other sources on construction or rehabilitation of up to 15 percent of the total development costs authorized for low-income housing tax credit purposes, or by another Federal Government program. Likewise for transfer proposals that include acquisition costs, the developer’s fee on the acquisition cost may be recognized up to 8 percent of the acquisition costs only when authorized under a Federal Government program providing assistance. The developer’s fee is not included in determining the Agency’s maximum debt limit and loan amount.

(e) Limits on equity loans. For equity loans to avert prepayment, the amount of the Agency equity loan will be limited to no more than the difference between 90 percent of market value of the property when appraised as conventional unsubsidized MFH and all current unpaid balances. For information on appraisal issues, refer to subpart P of this part.

(f) Cost overruns. (1) All applicants must agree in writing to provide funds at no cost to the housing and without pledging the housing as security to pay any cost for completing planned construction after the maximum debt limit is reached.

(2) After loan approval, the Agency will only approve cost increases for housing proposals involving new construction or major rehabilitation when the additional costs will not cause the limits specified in §3560.53(l) or the maximum debt limit to be exceeded and the cost increases were caused by:
   (i) Unforeseen factors that are determined by the Agency to be beyond the borrower’s control;
   (ii) Design changes required by the Agency, state, or the local government; or
   (iii) Financing changes approved by the Agency.

§3560.64 Initial operating capital contribution.

Borrowers are required to make an initial operating capital contribution to the general operating account in the amount of at least 2 percent of the total development cost or appraised value, whichever is less.

(a) Borrowers that are nonprofit organizations, consumer cooperatives, or state or local public agencies and are not receiving low-income housing tax credits, may use loan funds for their initial operating capital contribution. All other borrowers must fund the initial operating capital contribution from their own resources.

(b) Borrowers must provide to the Agency for approval a list of materials and equipment to be funded from the general operating account for initial operating expenses. As specified in §3560.304(b), initial operating capital may be used only to pay for approved budgeted expenses. If total initial operating expenses exceed 2 percent, the additional amount must be paid by the borrower from its own resources, except that borrowers meeting the provisions of §3560.64(a) who do not have sufficient resources for this purpose may request Agency assistance. Withdrawals from the reserve account will not be approved for such expenses.

(c) Borrowers must provide the Agency with documentation of their initial operating capital contribution deposited into the general operating account prior to the start of construction or loan closing, whichever comes first, and such funds thereafter, may only be used for authorized budgeted purposes.

(d) If the conditions specified in §3560.304(c) are met, funds contributed as initial operating capital may be returned to the borrower.

§3560.65 Reserve account.

(a) For new construction, to meet major capital expenses of a housing project, applicants must establish and fund a reserve account that meets the requirements of §3560.306. The applicant must agree to make monthly contributions to the reserve account pursuant to a reserve account analysis which sets forth how the reserve account funds will meet the capital needs of the property over an acceptable 20-year period. The reserve account analysis is based on either a Capital Needs Assessment or life cycle cost analysis, provided and acceptable to Rural Development by the applicant. Adjustments may be made to the contribution amount at 5 or 10-year intervals, either through an updated Capital
§ 3560.66 Participation with other funding or financing sources.

(a) General requirements. The Agency encourages the use of funding or financing from other sources in conjunction with Agency loans. When the Agency is not the sole source of financing for MFH, the following conditions must be met.

(1) The Agency will enter into a participation (or intercreditor) agreement with the other participants that clearly defines each party’s relationship and responsibilities to the others.

(2) The rental units that will serve tenants eligible for housing under the Agency’s income standards must meet Agency standards and the number of units that will serve the Agency’s tenants are at least equal to the units financed by the Agency.

(3) All rental units must be operated and managed in compliance with the requirements of the Agency and the other sources. To the extent these requirements overlap, the most stringent requirement must be met. The Agency may negotiate the resolution of overlapping requirements on a case-by-case basis; however, at a minimum, Agency requirements must be met.

(4) If the number of units subject to the LIHTC rent and income restrictions is greater than the number of units projected to receive Agency rental assistance (RA) or similar tenant subsidy, the market feasibility documentation must clearly reflect a need and demand by LIHTC income-eligible households financially able to afford the projected rents without such a subsidy for the units not receiving RA or similar tenant subsidy.

(b) Rental assistance. The Agency may provide rental assistance with MFH loans participating with other sources of funding under the following conditions:

(1) The Agency’s loan equals at least 25 percent of the housing’s total development cost.

(2) The rental assistance is provided only to those rental units where the basic rents do not exceed what basic rents would have been had the Agency provided full financing.

(3) The provisions of subpart F of this part are met.

(c) Security requirements. The security requirements of §3560.61 must be met for all Agency-financed MFH participating with other sources of funding.

(d) Reserve requirements. Reserve account requirements will be determined on a case-by-case basis, taking into consideration the reserve requirements of the other participating lenders, so that the aggregate fully funded reserve account is consistent with the requirements of §3560.65. Reserve requirements and procedures for reserve account withdrawals must be agreed upon by all lenders and included in the intercreditor or participation agreement.

(e) Design requirements. Housing and related facilities must be planned and constructed in accordance with 7 CFR 1924, subparts A and C. If housing includes non-Agency financed common facilities, the following conditions must be met:

(1) The non-Agency-financed common facility’s operating and maintenance costs must be paid through collection of a user fee from residents who use the facility.

(2) The non-Agency-financed common facility must be designed and operated with appropriate safeguards for the health and safety of tenants, and

(3) The facility must be fully available and accessible to all tenants.
§ 3560.67 Rates and terms for section 515 loans.

Rates and terms for farm labor housing loans are found in subpart L of this part for Off-Farm and subpart M of this part for On-Farm.

(a) Interest. Loans will be closed at the lower of the interest rate in effect at the time of loan approval or the interest rate that is in effect at time of loan closing.

(b) Interest credit. The Agency will provide interest credit to subsidize the interest on the Agency loan to a payment rate of 1 percent for all of the Agency’s initial and subsequent loans.

(c) Amortization period and term. (1) Except for manufactured housing, loans will be amortized over a period not to exceed the lesser of the economic life of the housing being financed or 50 years and paid over a term not to exceed 30 years from the date of loan. The Agency may make a loan to the borrower to finance the final payment of a loan in accordance with §3560.74.

(2) Loans for manufactured housing will be amortized and paid over a term not to exceed 30 years as specified in §3560.70(c).

§ 3560.68 Permitted return on investment (ROI).

(a) Permitted return. Borrowers operating on a limited profit basis will be permitted a return not to exceed 8 percent of their required initial investment determined at the time of loan approval in accordance with §3560.63(c).

(b) Calculation of permitted return. The permitted return will be based on the borrower’s contributions from their own resources, which, when added to the Agency loan amount and all sources of funding or financing, do not exceed the security value of the MFH project as specified in §3560.63(a).

(1) Proceeds received by the borrower from the syndication of low-income housing tax credit and contributed to the MFH project may be considered funds from the borrower’s own resources for the portion of the proceeds which exceeds:

(i) The allowable developer’s fee determined by the state agency administering the low-income housing tax credit, and

(ii) The borrower’s expected contribution to the transaction, as determined by the state agency administering the low-income housing tax credit.

(2) A building site contributed by the borrower will be appraised by the Agency to determine its market value. A return may not be allowed on the amount above the equity contribution required by §3560.63(c) if the market value as determined by the Agency, when added to the loan and grant amounts from all sources, exceeds the security value of the MFH project as specified in §3560.63(a).

(c) Return on additional investment. The initial investment may exceed the equity contribution required by §3560.63(c) and a return allowed on the investment if the additional return does not increase basic rents and rental assistance costs above what basic rents and rental assistance costs would have been with the Agency financing 95 or 97 percent of the total development cost.

(d) Compensation to nonprofit organizations. Although nonprofit organizations are not eligible to take a return on investment, with prior Agency approval, cooperatives and nonprofit organizations may use housing project funds to pay asset management expenses directly attributable to ownership responsibilities, as described in §3560.303(b)(1)(ii).

§ 3560.69 Supplemental requirements for congregate housing and group homes.

(a) General. Congregate housing and group homes must be planned and developed in accordance with 7 CFR part 1924, subparts A and C.

(b) Design criteria. Congregate housing and group homes must be designed to accommodate all special services that will be provided.

(c) Services. Congregate housing and group home loan applicants, as part of their loan request, must submit a plan to make affordable services available to residents to assist the residents in living independently. The plan must address the availability of this assistance from service providers throughout the term of the loan.

(1) For congregate housing, the resident services plan must address how
the following services will be provided or made available:

(i) One cooked meal per day, seven days per week;
(ii) Transportation to and from the property;
(iii) Assistance in housekeeping;
(iv) Personal services;
(v) Recreational and social activities; and
(vi) Access to medical services.

(2) For group homes, the resident services plan must address how access to the following services will be provided or made available:

(i) A common kitchen in which to prepare meals;
(ii) Transportation;
(iii) Nearby recreational and social activities which may be coordinated by the resident assistant, if applicable; and
(iv) Medical services as necessary.

(d) Necessary items. Borrowers must ensure items such as tables, chairs, and cookware necessary to furnish common areas are made available to congregate housing or group homes. The 2 percent initial operating capital may be used to purchase these items.

(e) Association with other organizations. Congregate housing and group homes may coordinate services or training with another organization, such as a workshop for the developmentally disabled. However, the housing facility must be a separate entity and not dependent on the other organization.

(f) Market feasibility documentation. Market feasibility documentation for congregate housing and group homes is subject to the following requirements:

(1) Must address the need for housing with services and include information concerning alternative service providers;
(2) Must contain demographic information pertaining to the population that is to be served by the congregate housing or group home project; and
(3) May consider an expanded market area that includes nondonated places, but the facility must be located in a designated place.

(g) Rental assistance for group homes. A unit in a group home consists of a space occupied by a specific tenant household, which may be an apartment unit, a bedroom, or a part of a bedroom. Agency rental assistance will be made available to tenants sharing a unit so long as the total rent for the unit does not exceed conventional rents for comparable units in the area or a similar area.

§ 3560.70 Supplemental requirements for manufactured housing.

(a) Design requirements. Manufactured housing must meet the requirements of 7 CFR part 1924, subpart A applicable to manufactured housing.

(b) Eligible properties. The manufactured housing must include two or more housing units. The applicant will become the first owner purchasing the manufactured homes for purposes other than resale. The following exceptions may be made to this provision:

(1) A housing proposal may include the purchase of the real property with existing manufactured housing which will be redeveloped with the placement of new manufactured homes.

(2) A housing proposal may include the rehabilitation of existing manufactured housing only if the units to be rehabilitated are currently financed by the Agency. The proposal will include the results of the applicant’s consultation with the manufacturer to determine if the proposed rehabilitation work will affect the structural integrity of the unit and, if so, the statement will include an explanation as to how.

(c) Terms. The maximum loan amount will be determined in accordance with the requirements of §3560.63. The amortization period and term of loans for manufactured housing will not exceed the lesser of the economic life of the housing being financed or 30 years.

(d) Security. A mortgage or deed of trust will be taken on the entire property purchased or improved with the loan. The encumbered property must be covered under a standard real estate title insurance policy or attorney's title opinion that identifies the housing as real property and insures or indemnifies against any loss if the manufactured home is determined not to be part of the real property. The property must be taxed as real estate by the jurisdiction where the housing is located.
§ 3560.72 Loan closing.

(a) Requirements. Loans will be closed in accordance with 7 CFR part 1927, subpart B and any state supplements. In all cases, the borrower must:

(1) Provide evidence that an Agency-approved accounting system is in place;

(2) Execute a restrictive-use contract acceptable to the Agency that establishes the borrower’s obligation to operate the housing for program purposes for the term of the Agency loan;

(i) For all section 514 loans, except as provided in § 3560.621, made pursuant to a contract entered into on or after the effective date of this regulation, the following language will be included in the mortgage and deed of trust: “The borrower and any successors in interest agree to use the housing for the purpose of housing people eligible for occupancy as provided in sections 514 and 516 of title V of the Housing Act of 1949, and Rural Housing Service regulations then in effect. The restrictions are applicable for a term of 20 years from the date on which the last loan was closed. No eligible person occupying the housing will be required to vacate nor any eligible person denied occupancy for housing prior to the close of such period because of a prohibited change in the use of the housing. A tenant or person wishing to occupy the housing may

§ 3560.71 Construction financing.

(a) Construction financing plan. Prior to loan approval, applicants must submit to the Agency for its concurrence a plan for the construction financing and securing of the loan.

(b) Interim financing. Interim financing is required by the Agency for any construction, except as noted in paragraph (c) of this section.

(1) The Agency reserves the right to review and approve the interim financing arrangements proposed by the applicant.

(2) When interim financing is used, the Agency will obligate the funds and provide an interim financing letter to the lender that will confirm the procedures and conditions for the construction financing. The take-out loan will be closed and the interim lender paid off when the conditions of the interim financing letter have been met.

(3) The applicable provisions of 7 CFR part 1924, subpart A will be used to monitor the construction.
seek enforcement of this provision as well as the Government.’”

(ii) All other loans are subject to restrictive-use provisions as outlined in subpart N of this part.

(3) Provide evidence that construction financing arrangements are adequate when interim financing is going to be used;

(4) Provide evidence that all the funds from other sources as proposed in the application are available and that there have been no changes in the Sources and Uses Comprehensive Evaluation (SAUCE).

(5) Provide evidence of the title to all security required by the Agency;

(6) Provide a certification that all construction in the case of interim financing has been or, in the case of multiple advances, will be paid;

(7) Provide, in the case of interim financing, a dated and signed statement from the owner’s architect certifying to substantial completion of the housing project;

(8) Provide a certification that all construction in the case of interim financing has been or, in the case of multiple advances, will be in accordance with the plans and specifications concurred in by the Agency;

(9) Provide evidence, if applicable, that the conditions of the interim financing letter have been met; and

(10) Attend a pre-occupancy conference with the Agency.

(b) Cost certification. In all cases, the borrower must report actual construction costs. Whenever the State Director determines it appropriate, and in all situations where there is an identity of interest as defined in 7 CFR 1924.4 (i), the borrower, contractor and any subcontractor, material supplier, or equipment lessor having an identity of interest must each provide certification as to the actual cost of the work performed in connection with the construction contract in accordance with 7 CFR part 1924, subpart A. The construction costs must also be audited in accordance with Governmental Auditing Standards, by a Certified Public Accountant (CPA). In some cases, the Agency will contract directly with a CPA for the cost certification. Funds that were included in the loan for cost certification and which are ultimately not needed because Agency contracts for the cost certification will be returned on the loan. Agency personnel will utilize exhibit M of 7 CFR part 1924, subpart A to assist in the evaluation of the cost certification process.

(c) Notification of loan cancellation. Loans may be canceled after approval and before loan closing. The Agency will notify all parties of the cancellation and the reasons for the cancellation in accordance with 7 CFR part 1927, subpart B.

§ 3560.73 Subsequent loans.

(a) Applicability. The Agency may make a subsequent loan to a borrower to complete, improve, repair, or make modifications to MPH initially financed by the Agency or for equity for preservation purposes. Loan requests to add units to comply with accessibility requirements may be processed as a subsequent loan; however, loan requests to add units to meet market demand will be processed as an initial loan request and must compete under the NOFA.

(b) Application requirements and processing. Upon receipt of a subsequent loan request, the Agency will inform the applicant what information is required based on the nature and purpose of the loan request. Subsequent loan requests do not have to compete for funding against initial loan proposals.

(c) Amortization and payment period. Subsequent loans will be amortized over a period not to exceed the lesser of the economic life of the housing being financed or 50 years and paid over a term not to exceed the lesser of the economic life of the housing or 30 years from the date of the loan.

(d) Equity contribution. Applicants for subsequent loans must make contributions on the loans in the same proportion as outlined in §3560.63(c). Loan applicants will not be given consideration for any increased equity value that the property may have since the initial loan.

(1) Excess initial investment on an initial loan may be credited toward the required investment on a subsequent loan.
§ 3560.101 General.

This subpart sets forth borrower obligations regarding management and operations of multi-family housing (MFH) projects financed by the Agency. As noted in §3560.6, the borrower requirements listed in this subpart must be complied with by the borrower. The borrower may designate in writing a person to act as the borrower’s authorized agent.
§ 3560.102 Housing project management.

(a) General. Borrowers hold final responsibility for housing project management and must ensure that operations comply with the terms of all loan or grant documents, Agency requirements and applicable local, state and Federal laws and ordinances. Project operations shall be conducted to meet the actual needs and necessary expenses of the property or for any other purpose authorized under Agency regulations. Any party not meeting these responsibilities may be subject to penalties. It is expected that only typical and reasonable expenses be incurred for the services rendered. Consequently, methods to inflate, duplicate, obscure, or failure to disclose the true nature and cost of work performed for the services rendered will cause the Agency to deny budget requests for the services or issue a demand for recovery and reimbursement for unauthorized actions.

(b) Management plan. Borrowers must develop and maintain a management plan for each housing project covered by their loan or grant. The management plan must establish the systems and procedures necessary to ensure that housing project operations comply with Agency requirements.

(1) At a minimum, management plans must address the following items:

(i) Maintenance systems, including procedures for routine maintenance, capital item repair and replacement, and effective energy conservation practices;

(ii) Personnel policies, job descriptions, staffing plans, training procedures for on-site staff. The Borrower will include specific duties and responsibilities of each property manager, site manager and caretaker;

(iii) Front-line management functions to be performed by off-site staff;

(iv) Plans and procedures for providing supplemental services including laundry, vending, and security;

(v) Plans for accounting, record keeping and meeting Agency reporting requirements;

(vi) Procurement procedures;

(vii) Rent and occupancy charge collection procedures, and procedures for requesting and implementing changes in rents, utility allowances, or occupancy charges;

(viii) Plans and procedures for marketing rental units and maintaining compliance with the Affirmative Fair Housing Marketing Plan in accordance with §3560.104;

(ix) Unit leases and leasing policies and procedures, including procedures for maintaining and purging waiting lists, determining applicant eligibility, certifying and recertifying income, tenant selection, and occupancy policies such as security deposit amounts, occupancy rules, termination of leases or occupancy agreements and eviction;

(x) Plans for allowing tenant participation in property operations and for fostering tenant relationships with management;

(xi) Procedures for applicant and tenant appeals; and

(xii) Describe how management will make known to tenants and applicants that management will provide reasonable accommodations under the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and regulations implemented thereunder at the borrower’s expense unless to do so would cause an undue financial or administrative burden, how such requests are to be made, and who within management will have the authority to approve or disapprove a request for an accommodation.

(2) Loan or grant applicants must submit a management plan before the Agency will give final approval to the loan or grant application. The plan must address the required items identified in paragraph (b)(1) of this section in sufficient detail to enable the Agency to monitor housing project performance.

(c) Management plan effective period. A management plan remains in effect as long as it accurately reflects housing project operations and the housing project is in compliance with the Agency requirements.

(1) Borrowers must submit an updated management plan to the Agency if operations change or are no longer consistent with the management plan on file with the Agency.

(2) When there are no changes in operations, borrowers must submit a certification to the Agency every 3 years.
stating that operations are consistent with the management plan and the plan is adequate to assure compliance with the loan and grant documents and Agency requirements or applicable local, state and Federal laws.

(3) If the Agency determines that operations are in compliance with Agency requirements, loan or grant agreements, or applicable local, state, and Federal laws, but are not consistent with the management plan, the Agency will require the borrower to:

(i) Revise the management plan to accurately reflect housing operations;
(ii) Take actions to ensure the management plan is followed; or
(iii) Advise the Agency in writing of the action taken.

(4) When a housing project is being transferred from one borrower to another, the transferee must submit a management plan that addresses the required items identified in paragraph (b)(1) of this section in sufficient detail to enable the Agency to give final approval of the transfer.

(d) Housing projects with compliance violations. Upon receiving notice of compliance violations in accordance with §3560.354, borrowers must submit to the Agency:

(1) Revisions to the management plan establishing the changes in housing operations that will be made to restore compliance;
(2) If the borrower determines the compliance violations were due to a failure to follow the management plan, the borrower must certify to the Agency that the management plan is adequate to assure compliance with the applicable requirements of this part and submit a written description of the actions they will take to ensure the management plan is followed; or
(3) If the Agency discovers continued discrepancies between a management plan and housing project operations or compliance violations, the Agency may require the borrower to install a different management agent acceptable to the Agency as described in paragraph (e) of this section.

(e) Acceptable management agents. Borrowers must obtain Agency approval of the agent proposed to manage a housing project prior to entering into any formal agreement with the agent and prior to allowing the agent to assume responsibility for housing project operations. Borrowers that plan to self-manage a housing project also must receive Agency approval before assuming responsibility for housing operations.

(1) Borrowers must submit a written request for Agency approval of the proposed management agent at least 45 days prior to the date the agent is to assume responsibility for operations. This request must include a profile of the proposed management agent that provides sufficient information to allow the Agency to evaluate whether the agent is acceptable.

(2) The Agency will deny approval of any proposed management agent that cannot provide evidence of at least two years of experience and satisfactory performance in directing and overseeing the management of similar federally-assisted MFH.

(3) The Agency may issue approval of a management agent that does not meet the requirements of §3560.102(e)(2) if the management agent can provide evidence that indicates the ability to successfully manage a MFH project in accordance with Agency requirements.

(4) If a borrower enters into an agreement with a management agent or begins to self-manage prior to receiving Agency approval, the Agency will place the borrower in non-monetary default status and will require the borrower to immediately terminate the contract with the management agent.

(f) Self-management. Borrowers may self-manage a housing project but must receive Agency approval before assuming responsibility for housing operations. Borrowers that plan to self-manage must meet all requirements of §3560.102, except for paragraph (h) of this section.

(g) Identity-of-interest disclosure. Borrowers and management agents must disclose to the Agency all identity-of-interest relationships which they have with firms and must receive Agency approval to use such firms prior to entering into any contractual relationships with such entities that involve Agency funds.

(1) This disclosure must include any identity-of-interest relationships between:
§ 3560.102

(i) The borrower and the management agent;

(ii) The borrower or management agent and the providers of supplies and services to the housing project; and

(iii) The borrower or the management agent and employees of any of the above.

(2) Failure to disclose such relationships may subject the borrower, the management agent, and the other firms or employees found to have an identity of interest relationship to suspension, debarment, or other remedies available to the Agency.

(3) After disclosure of an identity-of-interest relationship:

(i) The borrower, management agent, and supplier of goods and services must provide documentation proving that use of identity-of-interest firms is in the best interest of the housing project;

(ii) Any supplier of goods and services must certify in writing to the Agency that the individual or organization has a viable, on-going trade or business qualified and licensed, if appropriate, to do the work for which a contract is being proposed;

(iii) The borrower, management agent, and supplier of goods and services must agree, in writing, that all records related to the housing project will be made available to the Agency, Office of the Inspector General (OIG), General Accountability Office (GAO), or a representative of the Agency, upon request; and

(iv) The Agency will deny the use of an identity-of-interest firm when the Agency determines such use is not in the best interest of the Federal Government or the tenants.

(h) Management agreement. Borrowers contracting with a management agent must execute a management agreement that establishes:

(1) The management agent’s responsibility to comply with Agency requirements and local, state, and Federal laws;

(2) That the management fee is payable out of the housing project’s general operating account consistent with the requirements of paragraph (i) of this section; and

(3) The Agency’s authority to terminate the agreement for failure to operate the housing project in accordance with Agency requirements or local, state, or Federal laws.

(i) Management fees. Management fees will be an allowable expense to be paid from the housing project’s general operating account only if the fee is approved by the Agency as a reasonable cost to the housing project and documented on the management certification. Management fees must be developed in accordance with the following:

(1) The management fee may compensate the management entity only for the specifically identified bundle of services to be provided to the housing project. Costs and services to be paid as part of the bundle of services include:

(i) Supervision by the management agent and its staff (time, knowledge, and expertise) of overall operations and capital improvements of the site.

(ii) Hiring, supervision, and termination of on-site staff.

(iii) General maintenance of project books and records (general ledger, accounts payable and receivable, payroll, etc.). Preparation and distribution of payroll for all on-site employees, including the costs of preparing and submitting all appropriate tax reports and deposits, unemployment and workers’ compensation reports, and other IRS- or state-required reports.

(iv) Training provided to on-site staff at the project site.

(v) Preparation and submission of proposed annual budgets and negotiation of approval with the Agency, other governmental agencies and the borrowers.

(vi) Preparation and distribution of the Agency or other governmental agency forms and routine financial reports to borrowers.

(vii) Preparation and distribution of required year-end reports to the Agency or other governmental agency and borrowers.

(viii) Preparation of requests for reserve withdrawals, rent increases, or other required adjustments.

(ix) Arranging for preparation by outside contractors of energy audits and utility allowance analysis. Implement appropriate changes.

(x) Preparation and implementation of Affirmative Fair Housing Marketing
Plans as well as general marketing plans and efforts.

(xi) Review of tenant certifications and submission of monthly rental assistance requests, and overage. Submission of payments where required.

(xii) Preparation, approval, and distribution of operating disbursements; reconciliation of deposits.

(xiii) Overhead of management agent, including:

(A) Establish, maintain, and control an accounting system sufficient to carry out accounting supervision responsibilities.

(B) Maintain agent office arrangements, staff, equipment, furniture, and services necessary to communicate effectively with the properties, the Agency or other governmental agency and with the borrowers.

(C) Postage expenses related to the normal responsibility for mailings to the properties, the Agency or other governmental agency, the tenants, the vendors, and the owners.

(D) Expense of telephone and facsimile communication to the properties, tenants, the Agency or other governmental agency, and the borrowers.

(E) Direct costs of insurance (fidelity bonds covering central office staff, computer and data coverage, general liability, etc.) directly related to protection of the funds and records of the borrower.

(F) Central office staff training and ongoing certifications.

(G) Maintenance of all required profession and business licenses and permits. (This does not include project site office permits or licenses.)

(H) Insurance coverage for agent’s office and operations (Property, Auto, Liability, E&O, Casualty, Workers Compensation, etc.)

(I) Travel of agent staff to the properties for on-site inspection, training, or supervision activities.

(J) Agent bookkeeping for their own business.

(xiv) Attendance at meetings (including travel) with tenants, owners, and the Agency or other governmental agency.

(xv) Development, preparation, and revision of management plans or agreements.

(xvi) Coordination of U.S. Department of Housing and Urban Development (HUD) certifications or vouchers with tenants, including all reporting to all pertinent agencies and borrowers.

(xvii) Directing the investment of project funds into required accounts.

(xviii) Maintenance of bank accounts and monthly reconciliations.

(xix) Preparation, request for, and disbursement of borrower’s initial operating capital (for new projects) as well as administration of annual owner’s return on investment.

(xx) Account maintenance, settlement, and disbursement of security deposits.

(xxi) Working with third party auditors for initial set-up of audits and annually thereafter for audit preparation and review. Assistance with supplemental letters and preparation of Agency financial reports or other governmental agency reports.

(xxii) Storage of records and adherence to records retention requirements.

(xxiii) Assist on-site staff with tenant relations and problems. Provide assistance to on-site staff in severe actions (eviction, death, insurance loss, etc.).

(xxiv) Oversight of general and preventive maintenance procedures and policies.

(xxv) Development and oversight of asset replacement plans.

(xxvi) Oversight of preparation of section 504 reviews, development of plans, and implementation of improvements necessary to comply with plans and section 504 requirements.

(xxvii) Reporting to general and limited partners and State agencies for Low Income Housing Tax Credit (LIHTC)-compliance purposes.

(2) Management fees may consist of a base per occupied unit fee and add-on fees for specific housing project characteristics. Management entities may be eligible to receive the full base per occupied unit fee for any month or part of a month during which the unit is occupied.

(i) Periodically, the Agency will develop a range of base per occupied unit fees that will be paid in each state. The
Agency will develop the fees based on a review of housing industry data. The final base for occupied unit fees for each state will be made available to all borrowers.

(ii) Periodically, the Agency will develop the amount and qualifications to receive add-on fees. The final set of qualifications will be made available to all borrowers.

(3) Allowable Administrative Expenses. (i) Identifying the Type of Administrative Expense. Management Plans and Agreements must describe if administrative expenses are to be paid from the management fee or paid for as a project cost.

(A) A management plan is required for all projects. The management plan should describe administrative expenses paid from management agent fees or project operations. The management plan should provide job descriptions for the site manager, the management agent and other personnel. It is important that these documents accurately reflect the duties being performed by the various personnel. The management plan must meet the standards set out in this rule.

(B) A task list should be used to identify which services are included in the management fee, which services are included in project operations, and which are pro-rated along with the methodology used to pro-rating of expenses between management agent fees and project operations. Some property responsibilities may be performed at the property, the management office, or at some other location.

(C) Disputes may arise as to who performs certain services. The management plan and job descriptions should normally provide sufficient clarity to avoid or resolve any such disputes; however, sometimes clarifications and supporting materials may be required to resolve disputes. The decision must be made based on the most complete evaluation of the facts presented.

(ii) Allowable Administrative Expenses. Payroll related administrative expenses are allowable expenses. Postage expense to mail out rental applications, third-party (asset income and adjustments to income) verifications, application processing correspondence (acceptance or denial letters), mailing project invoice payments, required correspondence, and report submittals to various regulatory authorities for the managed property are allowable project expenses no matter what location or point of origin the mail is generated. Photocopying or printing expense related to actual production of project brochures, marketing pieces, forms, reports, notices, and newsletters are allowable project expenses no matter what location or point of origin the work is performed including outsourcing the work to a professional printer. Correspondence or reports required for record retention or project compliance are allowable project expenses. The cost or expense of equipment and any related equipment service contract is a management agent direct expense, unless the machine becomes the property of the project after purchase.

(iii) Determining if Expenses are Reasonable. Generally, expenses charged to project operations, whether for management agent services or other expenses, must be reasonable, typical, necessary and show a clear benefit to the residents of the property. Services and expenses charged to the property must show value added and be for authorized purposes. If such value is not apparent, the service or expense should be examined.

(A) Administrative expenses for project operations exceeding 23 percent, or those typical for the area, of gross potential basic rents and revenues (i.e., referred to as gross potential rents in industry publications) highlight a need for closer review for unnecessary expenditures. Budget approval is required and project resources may not always permit an otherwise allowable expense to be incurred if it is not fiscally prudent in the market.

(B) Excessive administrative expenses can result in inadequate funds to meet other essential project needs, including expenditures for repair and maintenance needed to keep the project in sound physical condition. Actions that are improper or not fiscally prudent may warrant budget disapproval and/or a demand for recovery action.
Rural Housing Service, USDA § 3560.102

(4) Unallowable Administrative Expenses.

(i) Certain expenses are not allowable such as legal fees, association dues, bonuses or monetary performance awards, parties, computer hardware and some software, and telephone purchases.

(ii) It is inappropriate to charge for legal services to represent any interest other than the borrower’s interest (i.e., representing a general partner or limited partner to defend their individual owner interest is not allowable). Where there is no finding of a borrower’s fault, commercially reasonable legal expenses and costs for defending or settling lawsuits (without admission of liability) are allowable.

(iii) Charging for payment of penalties, including opposition legal fees resulting from an award finding improper actions on the part of the owner or management agent is generally an inappropriate project expense. The party responsible generally pays such expenses for violating the standards or by their insurance carriers.

(iv) Association dues to be paid by the project should only be related to training for site managers or management agents. To the extent that association dues can document training for site managers or management agents related to project activities by actual cost or pro-ration, a reasonable expense may be billed to the project.

(v) It is inappropriate for the project to pay for bonuses or monetary performance awards to site managers or management agents that are not clearly provided for by the site manager salary contract.

(vi) Billing the project for parties that are large or unreasonable, such as renting expensive party halls or hotel rooms and payment for alcoholic beverages or gifts to management agent staff are also inappropriate.

(vii) It is inappropriate to bill the project for computer hardware, some software, and internal connections that are beyond the scope and size reasonably needed for the services supplied (i.e., purchasing equipment or software for use by a site manager that is clearly beyond that needed to support project operations). Note that computer learning center activities benefiting tenants are not covered in this prohibition.

(viii) It is inappropriate to bill the project for practices that are inefficient such as routine use of collect calls from a site manager to a management agent office.

(j) Management Certification. (1) As a condition of approval of the management agent and the management fee, the borrower and the management agents must execute an Agency-approved certification establishing an allowable management fee to be paid out of the housing project’s general operating account and certifying that:

(i) The borrower and management agent agree to operate the housing project in accordance with the management plan;

(ii) The borrower and the management agent will comply with Agency requirements, loan or grant agreements, applicable local, state and Federal laws and ordinances, and contract obligations, will certify that no payments have been made to anyone in return for awarding the management contract to the management agent, and will agree that such payments will not be made in the future;

(iii) The borrower and the management agent will comply with Agency notices or other policy directives that relate to the management of the housing project;

(iv) The management agreement between the borrower and management agent complies with the requirements of this section;

(v) The borrower and the management agent will comply with Agency requirements regarding management fees as specified in paragraph (i) of this section, and allocation of management costs between the management fee and the housing project financial accounts specified in §3560.302(c)(3);

(vi) The borrower and the management agent will not purchase goods and services from entities that have an identity-of-interest (IOI) with the borrower or the management agent until the IOI relationship has been disclosed to the Agency according to paragraph (g) of this section, not denied by the Agency under paragraph (d)(3) of this section, and it has been determined that the costs are as low as or lower.
than arms-length, open-market purchases; and

(vii) The borrower and the management agent agree that all records related to the housing project are the property of the housing project and that the Agency, OIG, or GAO may inspect the housing records and the records of the borrower, management agent, and suppliers of goods and services having an IOI with the borrower or with a management agent acting as an agent of the borrower upon demand.

(2) A certification will be executed each time a management agent is proposed and a management agreement is executed or renewed. Any amendment to a management certification must be approved by the Agency and the borrower.

(k) Procurement. The borrower and the agents of the borrower must obtain contracts, materials, supplies, utilities, and services at a reasonable cost and seek the most advantageous terms to the housing project. Any discounts, rebates, fees, proceeds, or commissions obtainable with respect to purchases, service contracts, or other transactions must be credited to the housing project.

(l) Electronic Submission of Data to Agency. For properties with eight or more housing units, the Agency may specify that borrowers submit information required by this part electronically.

§ 3560.103 Maintaining housing projects.

(a) Physical maintenance. (1) The purposes of physical maintenance are the following:

(i) Provide decent, safe, and sanitary housing; and

(ii) Maintain the security of the property.

(2) Borrowers are responsible for the long-term, cost-effective preservation of the housing project.

(3) At all times, borrowers must maintain housing projects in compliance with local, state and federal laws and regulations and according to the following Agency requirements for affordable, decent, safe, and sanitary housing. Agency design requirements are discussed in §3560.60. The Agency acknowledges that property maintenance is an ongoing process and will not penalize borrowers for less than 100 percent compliance as long as it is evident that the borrower is striving to achieve the standards listed in this paragraph. In addition, the Agency understands that although its multifamily housing portfolio is relatively homogeneous, no one standard is appropriate for all properties.

(i) Utilities. The housing project must have an adequate and safe water supply, a functional and safe waste disposal system, and must be free of hazardous waste material.

(ii) Drainage and erosion control. The housing project must have drainage that effectively protects the housing project from water damage from standing water and erosion. Units, basements, and crawl spaces must be free of water seepage.

(iii) Landscaping and grounds. The housing project must be landscaped attractively. Lawns, plants and shrubs must be maintained and must allow air to windows, vents, and sills. Recreation areas must be maintained in a safe and clean manner and trash collection areas must be adequately sized, screened, and maintained.

(iv) Drives, parking services and walks. The housing project must have drives, parking lots, and walks that are free of holes and deterioration. Walks with changes in height between slabs of approximately 1/2 inch or greater will be considered unacceptable.

(v) Exterior signage. All signs at the housing project, including those related to the housing project name, buildings, parking spaces, unit numbers and other informational directions must be visible and well-kept. Sign requirements must conform to §3560.104(d).

(vi) Fences and retaining walls. The housing project must have fence lines that are free of trash, weeds, vines, and other vegetation. Fences must be free of holes and damaged or loose sections. The bases of all retaining walls must be erosion free and drainage weep holes must be cleaned out to prevent excessive pressure behind the retaining wall.

(vii) Debris and graffiti. The housing project, including common areas, must
be free of trash, litter, and debris. Public walkways, walls of buildings and common areas must be free of graffiti.

(viii) **Lighting.** The housing project must have functional exterior lighting and functional interior lighting in common areas which permits safe access and security.

(ix) **Foundation.** The housing project must have a foundation that is free of evidence of structural failure, such as uneven settlement indicated by horizontal cracks or severe bowing of the foundation wall. Structural members must not have evidence of rot or insect or rodent infestation.

(x) **Exterior walls and siding.** The housing project must have walls that are free from deterioration which allows elements to infiltrate the structure, eaves, gables, and window trim that are free from deterioration, exterior wall coverings that are intact, securely attached, and in good condition. Brick veneers must be free of missing mortar or bricks.

(xi) **Roofs, flashing, and gutters.** The housing project must have gutters and downspouts, where appropriate for climatic conditions, that are securely attached, clean, and finished or painted properly with splash blocks or extenders that direct water flow away from the building. The housing project must have a roof that is free of leaks, defective covering, curled or missing shingles and which is not sagging or buckling. Fascia and soffits must be intact.

(xii) **Windows, doors, and exterior structures.** The housing project must have screens that are free of tears, breaks and rips and windows that are unbroken. Window thermopane seals must be unbroken and caulking on the exterior of windows and doors must be continuous and free of cracks. Doors must be weather tight, free of holes, and provide security with functional locks. Porches, balconies, and exterior stairs must be free of broken, missing, or rotting components.

(xiii) **Common area accessibility.** The housing project must have accessible, designated handicapped parking spaces with handicapped space signs properly posted. Common areas must be accessible through walks, ramps, porches, and thresholds. The laundry room must have accessible appliances and mailboxes must be at an accessible level. Elevators or mechanical lifts must be functional and kept in good repair.

(xiv) **Common area signage.** The following must be posted in a conspicuous place in a common area: “Justice for All” poster, HUD equal housing opportunity poster including the Spanish version if there are Hispanic Limited English Proficiency tenants or applicants, current affirmative fair housing marketing plan, the tenant grievance and appeal procedure, housing project occupancy rules, office hours and phone number, and emergency hours and phone number.

(xv) **Flooring.** If a housing project has carpeting, the carpet must be clean, without excessive wear, and seams that are secure and stretched properly. If the housing project has resilient flooring, the flooring must be clean, unstained, free of tears and breaks, and seams that are secure.

(xvi) **Walls, floors, and ceilings.** The housing project must have walls, floors, and ceilings that are free of holes, evidence of current water leaks, and free of material that appears in danger of falling. The housing project must have wallboard joints that are secure and free of cracks.

(xvii) **Doors and windows.** The housing project must have doors that are free of holes, secure, unbroken and easily operable hardware, deadbolt locks which are in place and secure, and, if doors are metal, free of rust. The housing project must have windows which are easily operated, free of bent blinds or torn curtains, and window interiors must be free of evidence of moisture damage.

(xviii) **Electrical, air conditioning and heating.** The housing project must have heating and cooling units that are free of bare wires and which are functioning properly, including thermostats. The housing project must not have uncovered outlets or other evident safety hazards, switches which work improperly, or light fixtures which are broken and inoperable.

(xix) **Water heaters.** The housing project must have water heaters which are operating properly, free of leaks, supply adequate hot water, and are fitted with temperature and pressure relief valves.
(xx) **Smoke alarms.** The housing project must have smoke alarms which are properly located according to local code and which operate properly.

(xxii) **Emergency call system.** If a housing project has an emergency call system, the switches must be located in the bathroom and bedroom, furnished with a pull cord, with the down position set to “ON”, and must operate properly.

(xxvi) **Range and range hood.** The housing project must have range units in which all elements are operable, electrical connections are secure and insulated, doors and drawers which are secure, control knobs and handles which are in place and secure, and housing which is sound and the finish is free of chips, damage, or signs of rust. The range hood fan and light must be operable.

(xxvii) **Water closets.** The housing project must have the base of the water closets at the floor properly caulked. The tanks must be free of cracks or leaks and have a lid which fits and is in good condition. The seats must be secure and in good condition, and the flushing mechanisms must be in good condition and operating properly. The stools must be free of cracks and breaks and be securely fastened to the floor.

(xxviii) **Bathtub and shower stalls.** The housing project must have tubs or shower stalls which are free of cracks, breaks, and leaks, and a strainer in good condition and in place. The housing project must have walls and floors of the bathtubs which are properly caulked, tops and sides of shower stalls must be properly caulked, and the finish is free of chips, damage, or signs of rust.

(4) The Agency expects that upon discovery of a condition not in compliance with the standards listed in this section that the borrower will remedy the situation in a timeframe required by the Agency. The Borrower must provide documentation and justification for any failure to meet such timeframe. Properties with deficiencies in the process of being addressed will not be deemed to be out of compliance unless there are so many deficiencies that it would result in a declaration of substantial noncompliance and call into question the viability of the property and the effectiveness of the borrower’s maintenance program. Failure to make such corrections or repairs constitutes a non-monetary default under §3560.452(e).

(b) **Maintenance systems.** Borrowers must establish the following maintenance systems and must describe these systems in their management plan.

1. A system for routine maintenance, including:
   i. Regular maintenance tasks that can be prescheduled or planned; and
   ii. Tasks performed on a regular basis to maintain compliance with the standards established in paragraph (a)(3) of this section.

2. A system for responsive maintenance including:
   i. A process for responding to requests for maintenance from tenants;
(ii) A process for responding to unexpected malfunctions of equipment or damages to building systems such as a furnace breakdown or a water leak; and
(iii) A “work order” process for managing and tracking responses to maintenance requests and the performance of maintenance tasks.
(3) A system for preventive maintenance including:
(i) Maintenance of mechanical systems, building exteriors, elevators, and heating and cooling systems which require specially trained personnel; and
(ii) Maintenance that supports energy-efficient operation of the housing project.
(4) A system for correcting deficiencies identified by periodic inspections, which must include:
(i) A move-in inspection;
(ii) A move-out inspection; and
(iii) An annual inspection of occupied units.
§ 3560.104 Fair housing.
(a) General. Borrowers must comply with the requirements of the Fair Housing Amendments Act of 1988, and this section to meet their fair housing responsibilities.
(b) Affirmative Fair Housing Marketing Plan—(1) Borrowers with housing projects that have four or more rental units must prepare and maintain an Affirmative Fair Housing Marketing Plan (AFHMP) as defined in 24 CFR part 200, subpart M.
(2) Loan or grant applicants must submit an AFHMP for Agency approval prior to loan closing or grant approval. Plans must be updated by the borrower whenever components of the plan change.
(3) Borrowers must post the approved AFHMP for public inspection at the housing project site, rental office, or at any other location where tenant applications for the project are received.
(4) When developing the plan, the following items must be considered by the borrower:
(i) Direction of marketing activities. The plan should be designed to attract applications for occupancy from all potentially eligible groups of people in the housing marketing area, regardless of race, color, religion, sex, age, familial status, national origin, or disability. The plan must show which efforts will be made to reach very low-income or low-income groups who would least likely be expected to apply without special outreach efforts.
(ii) Marketing program. The applicant or borrower should determine which methods of marketing such as radio, newspaper, TV, signs, etc., are best suited to reach those very low-income or low-income groups who are in the market area but who are least likely to apply for occupancy. Marketing must not rely on “word of mouth” advertising.
§ 3560.104

(A) Advertising. (1) Frequency. The borrower should advertise availability of housing units in advance of their availability to allow time to receive and process applications. Advertising by newprint or electronic media must occur at least annually to promote project visibility, even if there is an adequate waiting list.

(2) Posters, brochures, etc. Any radio, TV or newspaper advertisement, pamphlets, or brochures used must identify that the complex is operated on an equal housing opportunity basis. This must be done through the use of the equal housing opportunity statement, slogan, or logo type. Copies of the proposed material must be sent when requesting approval of the plan.

(B) Community contacts. Community leaders and special interest groups such as community, public interest, religious organizations, and organizations for the disabled must be contacted. Owners and managers of projects with fully accessible apartments must adopt suitable means to ensure that information regarding the availability of accessible units reaches eligible persons with disabilities. In addition, owners and managers of elderly housing must ensure that information regarding eligibility reaches people who are less than 62 years old but who are eligible because they are disabled. Appropriate contacts are with physical rehabilitation centers, hospitals, workshops for the disabled, commissions on aging, and veterans organizations.

(C) Rental staff. All staff persons responsible for renting the units must have had training provided on Federal, state, and local fair housing laws and regulations and in the requirements of fair housing marketing and in those actions necessary to carry out the marketing plan. Copies of instructions to the staff regarding fair housing and a summary of the training they have received must be attached to the plan when requesting approval.

(iii) Marketing records. Records must be maintained by the borrower reflecting efforts to fulfill the plan. These records will be reviewed by the Agency during civil rights compliance reviews. Plans will be updated as needed.

(c) Accommodations and communication. The borrower must take appropriate steps to ensure effective communication with applicants, tenants, and members of the public with disabilities. At a minimum, the following steps must be taken:

(1) Furnish appropriate auxiliary aids (electronic, mechanical, or personal assistance) where necessary, to afford an individual with disabilities an equal opportunity to participate in and enjoy the benefits of Agency financed housing.

(i) In determining what auxiliary aids are necessary, the borrower must give primary consideration to the requests of individuals with disabilities.

(ii) The borrower is not required to provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where a borrower communicates with applicants and tenants by telephone, telecommunication devices for deaf persons or equally effective communication systems must be available for use.

(3) The borrower must implement procedures to ensure that interested persons, including persons with impaired vision or hearing, can obtain information concerning the existence and location of accessible services, activities, and facilities in the housing project and community.

(4) The borrower is required to provide reasonable accommodations at the project’s expense unless doing so would result in undue financial or administrative burden on the project. Examples of reasonable accommodations may include such items as the installation of grab bars, ramps, and roll-in showers. Reasonable accommodations may also include the modification of rules or policies such as permitting a disabled tenant to have a two-bedroom unit to accommodate a resident assistant or to permit a disabled tenant to have a companion animal. The decision whether the requested accommodation is reasonable or unreasonable, or whether to provide the accommodation would cause an undue financial or administrative burden lies with the borrower and would be for the borrower to defend should a complaint subsequently be filed. Borrowers may wish to consult with their legal counsel.
prior to denying a request. If the borrower takes the position that providing an accommodation would cause an undue financial or administrative burden, the borrower must permit the tenant to make reasonable modifications at the tenant’s expense. Requests for reasonable accommodations must be handled in accordance with the management plan.

(d) **Housing sign requirements.** (1) A permanent sign identifying the housing project is required for all housing projects approved on or after September 13, 1977. Permanent signs are recommended for all housing projects approved prior to September 13, 1977. The sign must meet the following requirements:
   (i) Must be located at the primary site entrance and be readable and recognizable from the roadside;
   (ii) Must be located near the site manager’s office when the housing project has multiple sites and portable signs must be placed where vacancies exist at other site locations of a “scattered site” housing project;
   (iii) May be of any shape;
   (iv) Must be not less than 16 square feet of area for housing projects with 8 or more rental units (smaller housing projects may have smaller signs);
   (v) Must be made of durable material including its supports;
   (vi) Must include the housing project name;
   (vii) Must show rental contact information including but not limited to the office location of the housing project and a telephone number where applicant inquiries may be made;
   (viii) Must show either the equal housing opportunity logotype (the house and equal sign, with the words equal housing opportunity underneath the house); the equal housing opportunity slogan “equal housing opportunity”; or the equal housing opportunity statement, “We are pledged to the letter and spirit of U.S. policy for the achievement of equal housing opportunity throughout the nation. We encourage and support an affirmative advertising and marketing program in which there are no barriers to obtaining housing because of race, color, religion, sex, handicap, familial status, or national origin.” If the logotype is used, the size of the logo must be no less than 5 percent of the total size of the project sign.
   (ix) May display the Agency or Department logotype; and
   (x) Must comply with state and local codes.

(2) Accessible parking spaces must be reserved for individuals with disabilities by a sign showing the international symbol of accessibility. The sign must be mounted on a post at a height that is readily visible from an occupied vehicle. In snow areas, the sign must be visible above piled snow. If there is an office, the designated parking space must be van accessible.

(3) When the continuous unobstructed ingress or egress disabled accessibility route to a primary building entrance is other than the usual or obvious route, the alternate route for disabled accessibility must be clearly marked with international accessibility symbols and directional signs to aid a disabled person’s ingress or egress to the building, through an accessible entrance, and to the accessible common use and public and living areas.

§ 3560.105 Insurance and taxes.

(a) **General.** Borrowers must purchase and maintain property insurance on all buildings included as security for an Agency loan. Also, borrowers must furnish fidelity coverage, liability insurance, and any other insurance coverage required by the Agency in accordance with this paragraph to protect the security of the asset. Failure to maintain adequate insurance coverage or pay taxes may lead to a non-monetary default under §3560.452(c).

(b) **General insurance requirements.** All insurance policies must meet the requirements established by the loan documents and this section.

(1) At loan closing, prior to loan approval, applicants must provide documentary evidence that insurance requirements have been met. The borrower must maintain insurance in accordance with requirements of their loan or grant documents and this section until the loan is repaid or the terms of the grant expire.

(2) Insurance companies must meet the requirements of paragraph (e) of this section.
§3560.105

(3) Insurance coverage amount, terms, and conditions must meet the requirements of paragraph (f) of this section.

(4) The Agency must be named as loss co-payee on all property insurance policies where it holds first lien position. The Agency must be named as an additional insured if its lien position is other than first.

(c) Borrower failure or inability to meet insurance requirements. The Agency will take the following actions in cases where a borrower is unwilling or unable to meet the Agency’s insurance requirements:

(1) The Agency will obtain insurance for Agency financed property if the borrower fails to do so. If borrowers refuse to pay the insurance premium, the Agency will pay the insurance premium and charge the premium payment amount to the borrower’s Agency account and will place the borrower in default as described in §3560.452(c).

(2) If borrowers habitually fail to pay premiums in a timely manner, the Agency will require borrowers to escrow amounts appropriate to pay insurance premiums.

(3) If insurance that meets the Agency’s specified requirements is not available (e.g., flood or hurricane insurance), the Agency may accept the insurance policy that most nearly conforms to established requirements.

(4) If the best insurance policy a borrower can obtain at the time the borrower receives the loan or grant contains a loss deductible clause greater than that allowed by paragraph (f)(8) of this section, the insurance policy and an explanation of the reasons why more adequate insurance is not available must be submitted to the Agency prior to loan or grant approval.

(d) Credits, refunds, or rebates. Borrowers must credit any refund or rebate from an insurance company to the project’s general operating account or reserve account.

(e) Insurance company requirements. All insurers, insurance agents, and brokers must meet the following requirements:

(1) Be licensed or authorized to do business in the state or jurisdiction where the housing project is located; and

(2) Be deemed reputable and financially sound as determined by the Agency.

(f) Property insurance. The following conditions apply to property insurance purchased for Agency-financed housing projects.

(1) At a minimum, borrowers must obtain the following types of property insurance:

(i) Hazard insurance. A policy which generally covers loss or damage by fire, smoke, lightning, hail, explosion, riot, civil commotion, aircraft, and vehicles. These policies may also be known as “Fire and Extended Coverage,” “Homeowners,” “All Physical Loss,” or “Broad Form” policies.

(ii) Flood insurance. This coverage is required for properties located in Special Flood Hazard Areas (SFHA) as defined in 44 CFR part 65, as determined by the Federal Emergency Management Agency (FEMA).

(iii) Builder’s risk insurance. A policy that insures dwellings under construction or rehabilitation.

(iv) Elevators, boiler, and machinery coverage. This coverage is required for properties that operate elevators, steam boilers, turbines, engines, or other pressure vessels.

(2) Other types of insurance that the Agency may require:

(i) Windstorm Coverage.

(ii) Earthquake Coverage.

(iii) Sinkhole Insurance or Mine Subsidence Insurance.

(3) For property insurance, the minimum coverage amount must equal the “Total Estimated Reproduction Cost of New Improvements,” as reflected in the housing project’s most recent appraisal. At a minimum, property insurance coverage must be adequate to cover the lesser of the depreciated replacement value of essential buildings or the unpaid balance of all secured debt, unless such coverage is financially unfeasible for the housing project.

(1) If the cost of the minimum level of property insurance coverage exceeds what the housing project can reasonably afford, the borrower, with Agency concurrence, must obtain the maximum amount of property insurance coverage that the housing project can afford.
(ii) If the coverage amount is less than the depreciated replacement value of all essential buildings, borrowers must obtain coverage on one or more of the most essential buildings, as determined by the Agency.

(iii) When required, the coverage amount for flood insurance must equal the outstanding loan balance or the maximum coverage allowed by FEMA’s “National Flood Insurance Program.”

(iv) Except for flood insurance, property insurance is not required if the housing project:
(i) Has a depreciated replacement value of $2,500 or less; or
(ii) Is in a condition which the Agency determines makes insurance coverage not economical.

(v) Policies for several buildings or properties located on noncontiguous sites are acceptable if the insurer provides proof that each secured building or property related to the housing project is as fully protected as if a separate policy were issued.

(vi) Borrowers must notify the Agency and their insurance company agents of any loss or damage to insured property and collect the amount of the loss.

(vii) When the Agency is in the first lien position and an insurance settlement represents a satisfactory adjustment of a loss, the insurance settlement will be deposited in the housing project’s general operating account unless the settlement exceeds $5,000. If the settlement exceeds $5,000, the funds will be placed in the reserve account for the housing project.

(viii) Insurance settlement funds which remain after all repairs, replacements, and other authorized disbursements have been made retain their status as housing project funds.

(ix) If the indebtedness secured by the insured property has been paid in full or the insurance settlement is in payment for loss of property on which the Agency has no claim; a loss draft which includes the Agency as co-payee may be endorsed by the Agency without recourse and delivered to the borrower.

(x) When the Agency is not in the first lien position and the insurance settlement represents satisfactory adjustment of the loss, the Agency will release the settlement funds to the primary mortgagee upon agreement of all parties to the provisions contained in agreements between the Agency and the primary lienholder.

(9) Allowable deductible amounts are as follows:

(i) Hazard/Property Insurance. (A) $1,000 on any housing project with an insurable value under $200,000; or (B) One-half of one percent (0.0050) of the insurable value, up to $10,000 on housing projects with insurance values over $200,000.

(ii) Flood Insurance. The Agency allows a maximum deductible of $5,000 per building.

(iii) Windstorm Coverage. When windstorm coverage is excluded from the “All Risk” policy, the deductible must not exceed five percent of the total insured value.

(iv) Earthquake Coverage. In the event that the borrower obtains earthquake coverage, the Agency is to be named as a loss payee. The deductible should be no more than 10 percent of the coverage amount.

(v) Sinkhole Insurance or Mine Subsidence Insurance. The deductible for sinkhole insurance or mine subsidence insurance should be similar to what would be required for earthquake insurance.

(10) Deductible amounts (excluding flood, windstorm, earthquake and sinkhole insurance or mine subsidence insurance) must be accounted for in the replacement reserve account. Borrowers who wish to increase the deductible amount must deposit an additional amount to the reserve account equal to the difference between the Agency’s maximum deductible and the requested new deductible. The Borrower will be required to maintain this additional amount so long as the higher deductible is in force.

(g) Liability insurance. The borrower must carry comprehensive general liability insurance with coverage amounts that meet or exceed Agency requirements. This coverage must insure all common areas, commercial space, and public ways in the security premises. Coverage may also include borrower exposure to certain risks such as errors and omissions, environmental damages, or protection against discrimination claims. The insurer’s limit of liability per occurrence for personal...
injury, bodily injury, or property damage under the terms of coverage must be at least $1 million.

(h) **Fidelity coverage.** Borrowers must provide fidelity coverage on any personnel entrusted with the receipt, custody, and disbursement of any housing monies, securities, or readily salable property other than money or securities. Borrowers must have fidelity coverage in force as soon as there are assets within the organization and it must be obtained before any loan funds or interim financing funds are made available to the borrower. In addition, the following conditions apply to fidelity insurance:

1. Fidelity insurance coverage must be documented on a bond form acceptable to the Agency.
2. Fidelity coverage policies must declare in the insuring agreements that the insurance company will provide protection to the insured against the loss of money, securities, and property other than money and securities, through any criminal or dishonest act or acts committed by any employee, whether acting alone or in collusion with others, not to exceed the amount of indemnity stated in the declaration of coverage.
3. The fidelity insurance policy, at a minimum, must include an insuring agreement that covers employee dishonesty.
4. Fidelity coverage amounts and deductible:

5. Individual or organizational borrowers must have fidelity coverage when they have employees with access to the MFH complex assets. Borrowers who use a management agent with exclusive access to housing assets must require the agent to have fidelity coverage on all principals and employees with access to the housing assets. If active management reverts to the borrower, the borrower must obtain fidelity coverage, as a first course of business.

6. Fidelity coverage is not required under the following circumstances:
   i. The borrower is an individual or a general partnership and the individual or general partner will be responsible for the financial activities of the housing project.
   ii. In the case of a land trust where the beneficiary is responsible for management, the beneficiary will be treated as an individual.
   iii. A limited partnership (or its general partners) unless one or more of its general partners perform financial acts within the scope of the usual duties of an "employee."

7. The premium for fidelity coverage of employees and general partners at a housing project is an eligible operating account expense.
   i. The premium of a management agent’s fidelity coverage for the agent’s principals and employees will be the management agent’s business expense (i.e., it is included within the management fee).
   ii. When a housing project employee is covered under the “umbrella” of the management agent’s fidelity coverage, the premium may be prorated among the housing projects covered.

8. Borrowers must review fidelity coverage annually and adjust it as necessary to comply with the requirements of this section.
   i. **Taxes.** The borrower is responsible for paying all taxes and assessments on a housing project before they become delinquent.
   ii. An exception to the above may be made if the borrower has formally contested the amount of the property assessment and escrowed the amount of taxes in question in a manner approved by the Agency.
(2) Failure to pay taxes and assessments when due will be considered a default. If a borrower fails to pay outstanding taxes and assessments, the Agency will pay the outstanding balance and charge the tax or assessment amount, assessed penalties, and any additional incurred costs to the borrower’s Agency account.

(3) The Agency will require borrowers who have demonstrated an inability to pay taxes in a timely manner to escrow amounts sufficient to pay taxes.

§§ 3560.106–3560.149 [Reserved]

§ 3560.150 OMB control number.

The information collection requirements contained in this regulation have been approved by the Office of Management and Budget (OMB) and have been assigned OMB control number 0575–0189. Public reporting burden for this collection of information is estimated to vary from 15 minutes to 18 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. A person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

Subpart D—Multi-Family Housing Occupancy

§ 3560.151 General.

(a) Applicability. This subpart contains borrower and tenant requirements and Agency responsibilities related to occupancy of Agency-financed multi-family housing (MFH) projects. Occupancy eligibility requirements apply to the following:

(1) Family housing projects, including farm labor housing;

(2) Elderly housing projects; and

(3) Congregate housing or group homes for persons with special needs.

(b) Civil rights requirements. All occupancy policies must meet applicable civil rights requirements, as stated in §3560.2.

§ 3560.152 Tenant eligibility.

(a) General requirements. Except as specified in paragraph (b) of this section, a tenant eligible for occupancy in Agency-financed housing must either:

(1) Be a United States citizen or qualified alien, and

(2) Qualify as a very low-, low-, or moderate-income household; or

(3) Be eligible under the requirements established to qualify for housing benefits provided by sources other than the Agency, such as U.S. Department of Housing and Urban Development (HUD) Section 8 assistance or Low Income Housing Tax Credit (LIHTC), when a tenant receives such housing benefits.

(b) Exception. Households with incomes above the moderate-income level may occupy housing projects with an Agency loan approved prior to 1968 with a loan agreement that does not restrict occupancy by income.

(c) Requirements for elderly housing, elderly units in mixed housing, congregate housing, and group homes. In addition to the requirements of paragraph (a) of this section, the following occupancy requirements apply to elderly housing, elderly units in mixed housing, and congregate housing or group homes:

(1) For elderly housing, elderly units in mixed housing, and congregate housing the following provisions apply:

(i) Households must meet the definition of an elderly household in §3560.11 to be eligible for occupancy in elderly or congregate housing.

(ii) If non-elderly persons are members of a household where the tenant or co-tenant is an elderly person, the non-elderly persons are eligible for occupancy in the tenant’s or co-tenant’s rental unit.

(iii) Applicants who will agree to participate in the services provided by a congregate housing project may be given occupancy priority.

(2) For group homes, the following provisions apply:

(i) Occupancy may be limited to a specific group of tenants, such as elderly persons or persons with developmental disabilities, or mental impairments, if such an occupancy limitation is contained in the borrower’s management plan.

(ii) Tenants must be able to demonstrate a need for the special services provided by the group home.
(iii) Tenants cannot be required to participate in an ongoing training or rehabilitation program.

(iv) Tenants must be selected from the market area prior to considering applicants from other areas.

(d) Ineligible tenant waiver. The Agency may authorize the borrower in writing, upon receiving the borrower’s written request with the necessary documentation, to rent vacant units to ineligible persons for temporary periods to protect the financial interest of the Government. Likewise, this provision may extend to a cooperative. This authority will be for the entire project for periods not to exceed one year. Within the period of the lease, the tenant may not be required to move to allow an eligible applicant to obtain occupancy, should one become available. The Agency must make the following determinations:

1. There are no eligible persons on a waiting list.
2. The borrower provided documentation that a diligent but unsuccessful effort to rent any vacant units to an eligible tenant household has been made. Such documentation may consist of advertisements in appropriate publications, posting notices in several public places, including places where persons seeking rental housing would likely make contacts, holding open houses, making appropriate contacts with public housing agencies and organizations, Chambers of Commerce, and real estate agencies.
3. The borrower agrees to continue with aggressive efforts to locate eligible tenants and retain documentation of all marketing.
4. The borrower is temporarily unable to achieve or maintain a level of occupancy sufficient to prevent financial default and foreclosure. The Agency’s approval of the waiver would then be for a limited duration.
5. The lease agreement will not be more than 12 months and at its expiration will convert to a month-to-month lease. The monthly lease will require that the unit be vacated upon 30 days notice when an eligible applicant is available.
6. Tenants residing in Rural Rental Housing (RRH) units who are ineligible because their adjusted annual income exceeds the maximum for the RRH project will be charged the Rural Housing Service (RHS) approved note rent for the size of unit occupied in a Plan II RRH project. In projects operated under Plan I, ineligible tenants will be charged a rental surcharge of 25 percent of the approved note rent.

(e) Tenant certification and verification. Tenants and borrowers must execute an Agency-approved tenant certification form establishing the tenant’s eligibility prior to occupancy. In addition, tenant households must be recertified and must execute a tenant certification form at least annually or whenever a change in household income of $100 or more per month occurs. Borrowers must recertify for changes of $50 per month, if the tenant requests that such a change be made.

1. Tenant requirements. (i) Tenants must provide borrowers with the necessary income and other household information required by the Agency to determine eligibility.
2. Tenant requirements. (ii) Tenants must authorize borrowers to verify information provided to establish their eligibility or determination of tenant contribution.

3. Tenant requirements. (iii) Tenants must report all changes in household status that may affect their eligibility to borrowers.

4. Tenant requirements. (iv) Tenants who fail to comply with tenant certification and recertification requirements will be considered ineligible for occupancy and will be subject to unauthorized assistance claims, if applicable, as specified in subpart O of this part.

2. Borrower requirements. (i) Borrowers must verify household income and other information necessary to establish tenant eligibility for the requested rental unit type, in a format approved by the Agency, prior to a tenant’s initial occupancy and prior to annual or other recertifications.

3. Borrower requirements. (ii) Borrowers must review all reported changes in household status and assess the impact of these changes on the tenant’s eligibility or tenant contribution.

4. Borrower requirements. (iii) Borrowers must submit initial or updated tenant certification forms to the Agency within 10 days of the effective date of an initial certification or any changes in a tenant’s status. The effective date of an initial or updated
tenant certification form will always be a first day of the month.

(iv) Since tenant certifications are used to document interest credit and rental assistance eligibility and are a basic responsibility of the borrower under the loan documents, borrowers who fail to submit annual or updated tenant certification forms within the time period specified in paragraph (e)(2)(iii) of this section will be charged overage, as specified in §3560.203(c). Unauthorized assistance, if any, will be handled in accordance with subpart O of this part.

(v) Borrowers must submit tenant certification forms to the Agency using a format approved by the Agency.

(vi) Borrowers must retain executed tenant certification forms and any supporting documentation in the tenant file for at least 3 years or until the next Agency monitoring visit or compliance review, whichever is longer.

(3) The Agency maintains the right to independently verify tenant eligibility information.

EFFECTIVE DATE NOTE: At 70 FR 8503, Feb. 22, 2005, in §3560.152(a)(1), implementation of the words “Be a United States citizen or qualified alien, and” was delayed indefinitely.

§ 3560.153 Calculation of household income and assets.

(a) Annual income will be calculated in accordance with 24 CFR 5.609.

(b) Adjusted income will be calculated in accordance with 24 CFR 5.611.

§ 3560.154 Tenant selection.

(a) Application for occupancy. Borrowers must use tenant application forms that collect sufficient information to properly determine household eligibility and to enable the Agency to monitor compliance with the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title VI of the Civil Rights Act of 1964 during compliance reviews. At a minimum, borrowers must use application forms that collect the following information:

(1) Name of the applicant and present address;

(2) Number of household members and their birthdates;

(3) Annual income information calculated in accordance with §3560.153(a);

(4) Adjustments to income calculated in accordance with §3560.153(b);

(5) Net assets calculated in accordance with §3560.153(c);

(6) Indication of a need for a unit accessible to individuals with disabilities and any disability adjustments to income;

(7) Certification by the applicant that the unit will serve as the household’s primary residence, and a certification that the applicant is a U.S. citizen or a qualified alien as defined in §3560.11;

(8) Signature of the applicant and date;

(9) Race, ethnicity, and sex designation. The following disclosure notice shall be used:

“The information regarding race, ethnicity, and sex designation solicited on this application is requested in order to assure the Federal Government, acting through the Rural Housing Service, that the Federal laws prohibiting discrimination against tenant applications on the basis of race, color, national origin, religion, sex, familial status, age, and disability are complied with. You are not required to furnish this information, but are encouraged to do so. This information will not be used in evaluating your application or to discriminate against you in any way. However, if you choose not to furnish it, the owner is required to note the race, ethnicity, and sex of individual applicants on the basis of visual observation or surname,” and

(10) Social security number.

(b) Additional information. Applicants are to be provided a list of any additional information that must be submitted with the application for the application to be considered complete (an application will be considered complete without verification of the applicant information). The list of information will be restricted to the same items for all Agency-assisted properties of a particular type, such as a family or elderly complex.

(c) Application submission. Borrowers must establish when applications may be submitted. Information on the place and times for tenant application submission must be documented in the housing project’s management plan and Affirmative Fair Housing Marketing Plan.
§ 3560.154

(d) Selection of eligible applicants. (1) Applicants may be determined ineligible for occupancy based on selection criteria other than Agency requirements only if such criteria are contained in the borrower’s management plan. Borrower established selection criteria may not contain arbitrary or discriminatory rejection criteria, but may consider an applicant’s past rental and credit history and relations with other tenants.

(2) Borrowers with projects receiving low-income housing tax credits (LIHTCs), may leave a housing unit vacant if they are required to rent the available unit to an LIHTC-eligible applicant, and none of the applicants on the waiting list meet the applicable LIHTC eligibility requirements.

(e) Recordkeeping. Borrowers must retain all tenant application forms for at least 3 years. The Agency may require borrowers to submit application information for Agency review.

(f) Waiting lists. (1) When an applicant has submitted an application form the borrower must place the applicant on the waiting list. All applications, whether complete, eligible, or ineligible, will be placed on the list. The waiting list will document the final disposition of all applications (rejected, withdrawn, or placed in a unit).

(2) The date and time a complete application was submitted will be recorded on the waiting list and will establish priority for selection from the list. If an applicant submits an incomplete application (see paragraph (a) of this section), they must be notified in writing within 10 days of the items that are needed for the application to be considered complete and that priority will not be established until the additional items are received.

(3) The race and the ethnicity of each applicant shall be recorded on the waiting list. This information shall be collected for statistical purposes only and must not be used when making eligibility determinations or in any other discriminatory manner. The information shall be recorded using the race and ethnicity codes that are utilized on the Agency tenant certification form available in the servicing office.

(4) Within 10 days of receipt of a complete application, the Borrower must notify the applicant in writing that he has been selected for immediate occupancy, placed on a waiting list, or rejected.

(5) Selections from the completed applications on the waiting list shall be made in the following priority order:

(i) Very low-income applicants;
(ii) Low-income applicants; and
(iii) Moderate-income applicants.

(g) Priorities and preferences for admission. (1) Eligible applicants that meet the following conditions must be given priority for occupancy over all other tenants regardless of income. Such applicants, however, will be ranked among themselves by income level, giving priority first to very low-income households, then to low-income households, and finally to moderate-income households.

(i) Persons who require the special design features of a unit accessible to individuals with disabilities will have priority only for units with these features.

(ii) In congregate housing facilities, persons who agree to use the services provided by the facility will have priority over other applicants.

(2) Eligible applicants that meet any of the following conditions must be given priority over other applicants in their same income category.

(i) The applicant has a Letter of Priority Entitlement (LOPE) issued in accordance with §3560.660(c).

(ii) The applicant was displaced from Agency-financed housing but was not issued a LOPE.

(iii) The applicant was displaced in a Federally declared disaster area.

(3) Borrowers receiving Section 8 project-based assistance may establish preferences in accordance with U.S. Department of Housing and Urban Development (HUD) regulations. The use of such preferences must be documented in the project’s management plan.

(h) Notices of ineligibility or rejection. Borrowers must provide written notification to applicants who are determined to be ineligible or who are rejected for occupancy. Notices of ineligibility or rejection must give specific reasons for the ineligibility determination or rejection and, in accordance with §3560.160, the notice must advise the applicant of “the right to respond
to the notice within ten calendar days after receipt’’ and of ‘‘the right to a hearing in accordance with §3560.160 which is available upon request.’’ When an applicant is rejected based on the information from a credit bureau report, the source of the credit bureau report must be revealed to the applicant in accordance with the Fair Credit Reporting Act.

(i) Purging waiting list. Procedures used by borrowers to purge waiting list must be documented in the project’s management plan and must be based on the length of the waiting list or the extent of time an applicant will be expected to wait for housing. At a minimum, borrowers must document removal of any names from the waiting list with the time and date of the removal. If an electronic waiting list is used, borrowers must periodically print out electronic waiting lists or preserve backup copies showing how the waiting list appeared before and after the removal of each name.

(j) Criminal activity. Borrowers may deny admission for criminal activity or alcohol abuse by household members in accordance with the provisions of 24 CFR 5.854, 5.855, 5.856, and 5.857.

EFFECTIVE DATE NOTE: At 70 FR 8503, Feb. 22, 2005, in §3560.154(a)(7), implementation of the words ‘‘* * * and a certification that the applicant is a U.S. citizen or a qualified alien as defined in §3560.11 * * *’’ was delayed indefinitely.

§3560.155 Assignment of rental units and occupancy policies.

(a) General. Available rental units are assigned in accordance with the requirements of this section and the priorities and preferences outlined in §3560.154.

(b) Rental units accessible to individuals with disabilities. If a rental unit accessible to individuals with disabilities is available and there are no applicants that require the features of the unit, borrowers may rent the unit to a non-disabled tenant subject to the inclusion of a lease provision that requires the tenant to vacate the unit within 30 days of notification from management that an eligible individual with disabilities requires the unit and provided the accessible unit has been marketed as an accessible unit, outreach has been made to organizations representing the disabled, and marketing of the unit as an accessible unit continues after it has been rented to a tenant who is not in need of the special design features.

(c) Transfer of existing tenants within a housing project. When a rental unit becomes available for occupancy and an eligible tenant in the housing project is either over housed or under housed as provided for in paragraph (e) of this section, the borrower must use the available unit for the over housed or under housed tenant, if suitable, prior to selecting an eligible applicant from the waiting list.

(d) Applicant placement. When a specific rental unit type becomes available for occupancy, borrowers must select eligible applicants suitable for the available unit according to the priorities established in §3560.154.

(e) Occupancy policies. Borrowers must establish occupancy policies for each housing project. Households living in a rental unit with more bedrooms than persons in the household will be considered over housed and must be relocated in accordance with paragraph (c) of this section. Households under housed as defined by the project’s occupancy standards must be relocated in accordance with paragraph (c) of this section. Borrowers with no one-bedroom units in a housing project may make an exception to this requirement in their occupancy policies. In addition, a borrower’s occupancy policies must establish:

(1) Reasonable standards for determining when a tenant household is considered under housed. The standards will describe the maximum number of persons that may occupy units of a given size based on occupancy guidelines provided by the Agency or other governmental source;

(2) The order in which eligible applicants and existing tenants will be housed or re-housed; and

(3) How fair housing requirements will be met, including how reasonable accommodations will be made for applicants and tenants with disabilities.

(f) Agency concurrence. The Agency must concur with a borrower’s occupancy rules prior to initial occupancy.
§ 3560.156 Lease requirements.

(a) Agency approval. Borrowers must use a lease approved by the Agency. The lease must be consistent with Agency requirements and the requirements of all programs participating in the housing project. Prior to submitting the lease to the Agency for approval, borrowers must have their attorney certify that the lease complies with state and local laws, Agency requirements, and the requirements of all programs participating in the housing project. If there are conflicting requirements the borrower shall notify the Agency of the conflict and request guidance. Borrowers must execute their Agency approved lease with each tenant household prior to tenant occupancy of a rental unit.

(b) Lease requirements. (1) All leases must be in writing.

(2) Initial leases must be for a 1-year period.

(3) If the tenant is not subject to occupancy termination according to § 3560.158 and § 3560.159, a renewal lease or lease extension must be for a 1-year period.

(4) In areas with a concentration of non-English speaking populations, leases (including the occupancy rules) must be available in both English and the non-English language.

(5) Leases must give the address of the management agent to which tenants may direct complaints.

(6) Leases must include a statement of the terms and conditions for modifying the lease.

(c) Required items and provisions. (1) Leases for tenants who hold a Letter of Priority Entitlement (LOPE) issued according to § 3560.655(d) and are temporarily occupying a unit for which they are not eligible must include a clause establishing the tenant’s responsibility to move when a suitable unit becomes available in the housing project.

(2) Leases must contain a clause permitting escalation in the tenant contribution when there is an Agency-approved change in basic or note rates prior to the expiration of the lease. The escalation clause also must specify that the tenant contribution may be changed prior to expiration of the lease if the change is due to changes in tenant status, as documented on the tenant certification form, or the tenant’s failure to properly recertify.

(3) Leases must specify that no change in the tenant contribution will occur due to monetary or non-monetary default or when rental assistance or interest credit, is suspended, canceled, or terminated due to the borrower’s fault. For information on tenant contributions when a borrower pre-pays the Agency loan, refer to subpart N of this part.

(4) Leases must contain a requirement that tenants make restitution when unauthorized assistance is received due to applicant or tenant fraud or misrepresentation and a statement advising tenants that submission of false information could result in legal action.

(5) Leases must include a statement that the housing project is financed by the Agency and that the Agency has the right to further verify information provided by the applicant.

(6) Leases must state that the housing project is subject to:

(i) Title VI of the Civil Rights Act of 1964;

(ii) Title VIII of the Fair Housing Act;

(iii) Section 504 of the Rehabilitation Act of 1973; and

(7) Leases must establish the tenant’s responsibility according to the housing project’s occupancy rules to move to the next available appropriately sized rental unit if the household becomes over housed or under housed in the unit they occupy.

(8) Leases must include provisions that establish when a guest will be considered a member of the household and be required to be added to the tenant certification.

(9) Leases must include a provision stating that tenancy continues until the tenant’s possessions are removed from the housing either voluntarily or
(10) Leases must include a requirement that tenants who are no longer eligible for occupancy under the housing project’s occupancy rules or do not meet the criteria set forth in §3560.156(c) and (e) must vacate the property within 30 days of being notified by the borrower that they are no longer eligible for occupancy or at the expiration of their lease, or whichever is greater, unless the conditions cited in §3560.156(c) exist;

(11) Leases for rental units receiving rental assistance must include clauses that specify that the tenant’s monthly tenant contribution and a description of the circumstances under which the tenant’s contribution may change.

(12) Leases must include a requirement that tenants notify borrowers when changes occur in their income or assets, their qualifications for adjustments to income, their citizenship status, or the number of persons living in the unit.

(13) A requirement that tenants agree to fulfill the tenant income verification and certification requirements established under §3560.152.

(14) Leases for tenants living in Plan II interest credit rental units must include provisions establishing the net monthly tenant contribution.

(15) Leases, including renewals, must include the following language:

“It is understood that the use, or possession, manufacture, sale, or distribution of an illegal controlled substance (as defined by local, state, or federal law) while in or on any part of this apartment complex or cooperative is an illegal act. It is further understood that such action is a material lease violation. Such violations (hereafter called a “drug violation”) may be evidenced upon the admission to or conviction of the use, possession, manufacture, sale, or distribution of a controlled substance (as defined by local, state, or Federal law) in any local, state, or Federal court.

The landlord may require any lessee or other adult member of the tenant household occupying the unit (or other adult or non-adult person outside the tenant household who is using the unit) who commits a drug violation to vacate the leased unit permanently, within timeframes set by the landlord, and not thereafter to enter upon the landlord’s premises or the lessee’s unit without the landlord’s prior consent as a condition for continued occupancy by the remaining members of the tenant’s household. The landlord may deny consent for entry unless the person agrees to not commit a drug violation in the future and is either actively participating in a counseling or recovery program, complying with court orders related to a drug violation, or has successfully completed a counseling or recovery program.

The landlord may require any lessee to show evidence that any non-adult member of the tenant household occupying the unit, who committed a drug violation, agrees not to commit a drug violation in the future, and to show evidence that the person is either actively seeking or receiving assistance through a counseling or recovery program, complying with court orders related to a drug violation, or has successfully completed a counseling or recovery program within timeframes specified by the landlord as a condition for continued occupancy in the unit. Should a further drug violation be committed by any non-adult person occupying the unit the landlord may require the person to be severed from tenancy as a condition for continued occupancy by the lessee.

If a person vacating the unit, as a result of the above policies, is one of the lessees, the person shall be severed from the tenancy and the lease shall continue among any other remaining lessees and the landlord. The landlord may also, at the option of the landlord, permit another adult member of the household to be a lessee.

Should any of the above provisions governing a drug violation be found to violate any of the laws of the land the remaining enforceable provisions shall remain in effect. The provisions set out above do not supplant any rights of tenants afforded by law.”

(16) Leases for rental units accessible to individuals with disabilities occupied by those not needing the accessibility features must establish the tenant’s responsibility to move to another unit when an appropriate unit becomes available or when the unit is needed by an eligible individual with disabilities. Additionally, the lease clause must require the borrower to provide tenants written notification of the date by which they must move to another unit in the project.

(17) If loan prepayment occurs and the housing project is subject to restrictive use provisions, leases and renewals must be amended to include a clause specifying the tenant protections required under subpart N of this part.

(18) All leases must contain the following information and provisions:
(i) The name of the tenant, any co-tenants, and all members of the household residing in the rental unit;

(ii) The identification of the rental unit;

(iii) The amount and due date of monthly tenant contributions, any late payment penalties, and security deposit amounts;

(iv) The utilities, services, and equipment to be provided for the tenant;

(v) The tenant’s utility payment responsibility;

(vi) The certification process for determining tenant occupancy eligibility and contribution;

(vii) The limitations of the tenant’s right to use or occupancy of the dwelling;

(viii) The tenant’s responsibilities regarding maintenance and consequences if the tenant fails to fulfill these responsibilities;

(ix) The agreement of the borrower to accept the tenant contribution toward rent charges prior to payment of other charges that the tenant owes and a statement that borrowers may seek legal remedy for collecting other charges accrued by the tenant;

(x) The maintenance responsibilities of the borrower in buildings and common areas, according to state and local codes, Agency regulations, and Federal fair housing requirements;

(xi) The responsibility of the borrower at move-in and move-out to provide the tenant with a written statement of rental unit’s condition and provisions for tenant participation in inspection;

(xii) The provision for periodic inspections by the borrower and other circumstances under which the borrower may enter the premises while a tenant is renting;

(xiii) The tenant’s responsibility to notify the borrower of an extended absence;

(xiv) A provision that tenants may not assign the lease or sublet the property;

(xv) A provision regarding transfer of the lease if the housing project is sold to an Agency-approved buyer;

(xvi) The procedures that must be followed by the borrower and the tenant in giving notices required under terms of the lease including lease violation notices;

(xvii) The good-cause circumstances under which the borrower may terminate the lease and the length of notice required;

(xviii) The disposition of the lease if the housing project becomes uninhabitable due to fire or other disaster, including rights of the borrower to repair building or terminate the lease;

(xix) The procedures for resolution of tenant grievances consistent with the requirements of §3560.160;

(xx) The terms under which a tenant may, for good cause, terminate their lease, with 30 days notice, prior to lease expiration; and

(xxi) The procedures for resolution of tenant grievances consistent with the requirements of §3560.160.

(d) Prohibited provisions. Borrowers are prohibited from including any of the following clauses in the lease:

(1) Clauses prohibiting families with children under 18;

(2) Clauses requiring prior consent by tenant to any lawsuit that borrowers may bring against the tenant in connection with the lease;

(3) Clauses authorizing borrowers to hold any of a tenant’s property until the tenant fulfills an obligation;

(4) Clauses in which tenants agree not to hold borrowers liable for anything they may do or fail to do;

(5) Clauses in which tenants agree that borrowers may institute suit without any notice to the tenant that the suit has been filed;

(6) Clauses in which tenants agree that borrowers may evict the tenant or sell their possessions whenever borrowers determine that a breach or default has occurred;

(7) Clauses authorizing the borrower’s attorneys to appear in court on behalf of the tenant, and to waive the tenant’s right to a trial by jury;

(8) Clauses authorizing the borrower’s attorneys to waive the tenant’s right to appeal or to file suit; and

(9) Clauses requiring the tenant to agree to pay legal fees and court costs whenever the borrower takes action against the tenant, even if the court finds in favor of the tenant.

(e) Housing projects and units receiving HUD assistance. (1) In housing projects
receiving Section 8 project-based assistance, borrowers may use the HUD model lease. The provisions of the HUD model lease will prevail, unless they conflict with Agency lease requirements in accordance with this section. If there is conflict between HUD requirements and Agency requirements, the provision that will be enforced will be the one that is most favorable to the tenant.

(2) For units occupied by Section 8 certificate and voucher holders, borrowers may use:
   (i) A standard HUD-approved lease;
   (ii) A HUD-approved lease that includes a number of modifications from the standard HUD-approved lease; or
   (iii) An Agency-approved lease may be used if acceptable by HUD or the local housing authority.

(f) State and local requirements. Borrowers must use a lease that is consistent with state and local requirements.

(1) If any lease provision is in violation of state or local law, the lease may be modified to the extent needed to comply with the law, but any changes must be consistent with the provisions established in paragraph (c) of this section.

(2) Leases must include a procedure for handling tenant's abandoned property, as provided by state or local law.

EFFECTIVE DATE NOTE: At 70 FR 8503, Feb. 22, 2005, in §3560.156(c)(12), implementation of the words "* * * their citizenship status,* * * " was delayed indefinitely.

§ 3560.157 Occupancy rules.

(a) General. The purpose of a borrower’s occupancy rules is to outline the basis for the tenant and management relationship. Prior to Agency approval of occupancy rules, borrowers must provide written certification from their attorney that the housing project’s occupancy rules are consistent with applicable Federal, state, and local laws, as well as Agency requirements, and the requirements of all programs participating in the housing project. Borrowers must obtain Agency approval of the occupancy rules prior to initial occupancy and obtain Agency approval prior to the implementation date of any subsequent modifications to the rules.

(b) Requirements. The occupancy rules must be in writing and posted for easy tenant access. A copy of these rules must be attached to the tenant’s lease upon initial occupancy. At a minimum, the occupancy rules must address:

   (1) The tenant’s rights and responsibilities under the lease or occupancy agreement;
   (2) The rent payment or occupancy charge policies;
   (3) The policies regarding periodic inspection of units;
   (4) The system for responding to tenant complaints;
   (5) The maintenance request and work order procedures;
   (6) The housing services and facilities available to tenants or members;
   (7) The office locations, hours, and emergency telephone numbers;
   (8) The restrictions on storage and prohibitions on non-functional vehicles in the housing project area;
   (9) Other requirements related to a subsidy provided to a tenant from non-Agency sources;
   (10) When a guest becomes a member of the tenant household; and
   (11) The procedures tenants must follow to request reasonable accommodations.

(c) Modification of occupancy rules. The Agency must concur with any modification to the occupancy rules prior to implementation. Proper notice must be given to each tenant at least 30 days in advance of implementation of such rules in accordance with §3560.160.

(d) Federal, state and local requirements. The occupancy rules must be consistent with Federal, state, and local law.

(e) Pets/Assistance Animals. All housing projects should establish reasonable written pet rules. No rules may be promulgated that would prevent occupancy by a household member who requires a service or assistance animal. In elderly housing, borrowers must not prohibit tenants from keeping domestic animals in their rental units as pets.

(f) Tenant organizations. Borrowers must not infringe on the rights of tenants to organize an association of tenants. Borrowers (or a designated management representative) should be
available and willing to work with a tenant organization.

(g) Community rooms. Borrowers may not place unreasonable restrictions on tenants that desire to use a community room.

§ 3560.158 Changes in tenant eligibility.

(a) General requirements. Tenants must continue to meet the requirements of § 3560.152 to remain eligible for occupancy.

(b) Tenants no longer eligible. Tenants who are no longer eligible for occupancy under the housing project’s occupancy rules or do not meet the criteria set forth in § 3560.155(c) and (e) must vacate the property within 30 days of being notified by the borrower that they are no longer eligible for occupancy or at the expiration of their lease, whichever is greater, unless the conditions specified in paragraph (c) of this section exist.

(c) Temporary continuation of tenancy. If conditions described in § 3560.454(b) or the following conditions exist, borrowers may permit tenants who are no longer eligible for occupancy to continue to reside at the housing project with prior approval of the Agency.

(1) The waiting list for the specific rental unit type has no eligible applicants; or

(2) The required time period for vacating the rental unit would create a hardship on the tenant household.

(d) Surviving and remaining household members. (1) Members of a household may continue to reside in a housing project after the departure or death of the tenant or co-tenant, provided that:

(i) They are eligible with respect to adjusted income;

(ii) They occupied a rental unit in the housing project at the time of the departure or death of the tenant or co-tenant;

(iii) They execute a tenant certification form establishing their own tenancy; and

(iv) They have the legal ability to sign a lease for the rental unit, except where a legal guardian may sign when the tenant or member is otherwise eligible.

(2) Surviving or remaining members of the household may remain in the housing project, taking into consideration the conditions of paragraph (d)(1) of this section, but must move to a suitably sized rental unit within 30 days of its availability.

(3) After the death of a tenant or co-tenant in elderly housing, the surviving members of the household, regardless of age but taking into consideration the conditions of paragraph (d)(1) of this section, may remain in the rental unit in which they were residing at the time of the tenant's or co-tenant's death, even if the household is over housed according to the housing project's occupancy rules as follows:

(i) Continued occupancy of the rental unit will not be allowed when in either situation of paragraph (d)(1) or (d)(3) of this section, the rental unit has accessibility features for individuals with disabilities, the household no longer has a need for such accessibility features, and the housing project has a tenant application from an individual with a need for the accessibility features;

(ii) If the housing project does not have a tenant application from an individual with a need for the accessibility features, the household may remain in the unit with such features until the housing project receives an application from an individual with a need for accessibility features. The household in the unit with accessibility features will be required to move within 30 days of the housing project's receipt of a tenant application requiring accessibility features if another suitably sized unit without accessibility features is available in the project. If a suitably sized unit is not available in the project within 30 days, the tenant may remain in the unit with accessibility features until the first available unit in the project becomes available and then must move within 30 days.

§ 3560.159 Termination of occupancy.

(a) Tenants in violation of lease. Borrowers, in accordance with lease agreements, may terminate or refuse to renew a tenant’s lease only for material non-compliance with the lease provisions, material non-compliance with the occupancy rules, or other good causes. Prior to terminating a lease, the borrower must give the tenant
written notice of the violation and give the tenant an opportunity to correct the violation. Subsequently, termination may only occur when the incidences related to the termination are documented and there is documentation that the tenant was given notice prior to the initiation of the termination action that their activities would result in occupancy termination.

(1) Material non-compliance with lease provisions or occupancy rules, for purposes of occupancy termination by a borrower, includes actions such as:

(i) Violations of lease provisions or occupancy rules that are substantial and/or repeated;

(ii) Non-payment or repeated late payment of rent or other financial obligations due under the lease or occupancy rules; or

(iii) Admission to or conviction for use, attempted use, possession, manufacture, selling, or distribution of an illegal controlled substance when such activity occurred on the housing project’s premises by the tenant, a member of the tenant’s household, a guest of the tenant, or any other person under the tenant’s control at the time of the activity.

(2) Good causes, for purposes of occupancy terminations by a borrower, include actions such as:

(i) Actions by the tenant or a member of the tenant’s household which disrupt the livability of the housing by threatening the health and safety of other persons or the right of other persons to enjoyment of the premises and related facilities;

(ii) Actions by the tenant or a member of the tenant’s household which result in substantial physical damage causing an adverse financial effect on the housing or the property of other persons; or

(iii) Actions prohibited by state and local laws.

(b) Lease expiration or tenant eligibility. A tenant’s occupancy in an Agency-financed housing project may not be terminated by a borrower when the lease agreement expires unless the tenant’s actions meet the conditions described in paragraph (a) of this section, or the tenant is no longer eligible for occupancy in the housing. Borrowers must handle terminations of occupancy due to a change in tenant eligibility status in accordance with §3560.158. At a minimum, the occupancy termination notice must include the following information:

(1) A specific date by which lease termination will occur;

(2) A statement of the basis for lease termination with specific reference to the provisions of the lease or occupancy rules that, in the borrower’s judgment, have been violated by the tenant in a manner constituting material non-compliance or good cause; and

(3) A statement explaining the conditions under which the borrower may initiate judicial action to enforce the lease termination notice.

(c) Other terminations. If occupancy is terminated due to conditions which are beyond the control of the tenant, such as a condition related to required repair or rehabilitation of the building, or a natural disaster, the tenants who are affected by such a circumstance are entitled to benefits under the Uniform Relocation Act and may request a Letter of Priority Entitlement (LOPE) from the Agency. If tenants need additional time to secure replacement housing, the Agency may, at the tenant’s request, extend the LOPE entitlement period.

(d) Criminal activity. Borrowers may terminate tenancy for criminal activity or alcohol abuse by household members in accordance with the provisions of 24 CFR 5.858, 5.859, 5.860, and 5.861.

§ 3560.160 Tenant grievances.

(a) General. (1) The requirements established in this section are designed to ensure that there is a fair and equitable process for addressing tenant or prospective tenant concerns and to ensure fair treatment of tenants in the event that an action or inaction by a borrower, including anyone designated to act for a borrower, adversely affects the tenants of a housing project.

(2) Any tenant/member or prospective tenant/member seeking occupancy in or use of Agency facilities who believes he or she is being discriminated against because of age, race, color, religion, sex, familial status, disability, or national origin may file a complaint in
§ 3560.160 7 CFR Ch. XXXV (1–1–16 Edition)

person with, or by mail to the U.S. Department of Agriculture's Office of Civil Rights, Room 326–W, Whitten Building, 14th and Independence Avenue, SW., Washington DC 20250–9410 or to the Office of Fair Housing and Equal Opportunity, U.S. Department of Housing and Urban Development (HUD), Washington, DC 20410. Complaints received by Agency employees must be directed to the National Office Civil Rights Staff through the State Civil Rights Manager/Coordinator.

(b) Applicability. (1) The requirements of this section apply to a borrower action regarding housing project operations, or the failure to act, that adversely affects tenants or prospective tenants.

(2) This section does not apply to the following situations:

(i) Rent changes authorized by the Agency in accordance with the requirements of § 3560.203(a);

(ii) Complaints involving discrimination which must be handled in accordance with § 3560.2(b) and paragraph (a)(2) of this section;

(iii) Housing projects where an association of all tenants has been duly formed and the association and the borrower have agreed to an alternative method of settling grievances;

(iv) Changes required by the Agency in occupancy rules or other operational or management practices in which proper notice and opportunity have been given according to law and the provisions of the lease;

(v) Lease violations by the tenant that would result in the termination of tenancy and eviction;

(vi) Disputes between tenants not involving the borrower; and

(vii) Displacement or other adverse actions against tenant as a result of loan prepayment handled according to subpart N of this part.

(c) Borrower responsibilities. Borrowers must permanently post tenant grievance procedures that meet the requirements of this section in a conspicuous place at the housing project. Borrowers also must maintain copies of the tenant grievance procedure at the housing project's management office for inspection by the tenants and the Agency upon request. Each tenant must receive an Agency summary of tenant’s rights when a lease agreement is signed. If a housing project is located in an area with a concentration of non-English speaking individuals, the borrower must provide grievance procedures in both English and the non-English language. The notice must include the telephone number and address of USDA’s Office of Civil Rights and the appropriate Regional Fair Housing and Enforcement Agency.

(d) Reasons for grievance. Tenants or prospective tenants may file a grievance in writing with the borrower in response to a borrower action, or failure to act, in accordance with the lease or Agency regulations that results in a denial, significant reduction, or termination of benefits or when a tenant or prospective tenant contests a borrower’s notice of proposed adverse action as provided in paragraph (e) of this section. Acceptable reasons for filing a grievance may include:

(1) Failure to maintain the premises in such a manner that provides decent, safe, sanitary, and affordable housing in accordance with § 3560.103 and applicable state and local laws;

(2) Borrower violation of lease provisions or occupancy rules;

(3) Modification of the lease;

(4) Occupancy rule changes;

(5) Rent changes not authorized by the Agency according to § 3560.205; or

(6) Denial of approval for occupancy.

(e) Notice of adverse action. In the case of a proposed action that may have adverse consequences for tenants or prospective tenants such as denial of admission to occupancy and changes in the occupancy rules or lease, the borrower must notify the tenant or prospective tenant in writing. In the case of a Borrower’s proposed adverse action including denial of admission to occupancy, the Borrower shall notify the applicant/tenant in writing. The notice must be delivered by certified mail return receipt requested, or a hand-delivered letter with a signed and dated acknowledgement of receipt from the applicant/tenant. The notice must give specific reasons for the proposed action. The notice must also advise the tenant or prospective tenant of “the right to respond to the notice within ten calendar days after date of the notice” and of “the right to a hearing in
Rural Housing Service, USDA § 3560.160

accordance with §3560.160 (f), which is available upon request. The notice must contain the information specified in paragraph (a)(2) of this section. For housing projects in areas with a concentration of non-English speaking individuals, the notice must be in English and the non-English language.

(f) Grievances and responses to notice of adverse action. The following procedures must be followed by tenants, prospective tenants, or borrowers involved in a grievance or a response to an adverse action.

(1) The tenant or prospective tenant must communicate to the borrower in writing any grievance or response to a notice within 10 calendar days after occurrence of the adverse action or receipt of a notice of intent to take an adverse action.

(2) Borrowers must offer to meet with tenants to discuss the grievance within 10 calendar days of receiving the grievance. The Agency encourages borrowers and tenants or prospective tenants to make an effort to reach a mutually satisfactory resolution to the grievance at the meeting.

(3) If the grievance is not resolved during an informal meeting to the tenant or prospective tenant's satisfaction, the borrower must prepare a summary of the problem and submit the summary to the tenant or prospective tenant and the Agency within 10 calendar days. The summary should include: The borrower's position; the applicant-tenant's position; and the result of the meeting. The tenant also may submit a summary of the problem to the Agency.

(g) Hearing process. The following procedures apply to a hearing process.

(1) Request for hearing. If the tenant or prospective tenant desires a hearing, the borrower must prepare a summary of the problem and submit the summary to the tenant or prospective tenant and the Agency within 10 calendar days. The summary should include: The borrower's position; the applicant-tenant's position; and the result of the meeting. The tenant also may submit a summary of the problem to the Agency.

(2) Selection of hearing officer or hearing panel. In order to properly evaluate grievances and appeals, the borrower and tenant must select a hearing officer or hearing panel. If the borrower and the tenant cannot agree on a hearing officer, then they must each appoint a member to a hearing panel and the members selected must appoint a third member. If within 30 days from the date of the request for a hearing, the tenant and borrower have not agreed upon the selection of a hearing officer or hearing panel, the borrower must notify the Agency by mail of the situation. The Agency will appoint a person to serve as the sole hearing officer. The Agency may not appoint a hearing officer who was earlier considered by either the borrower or the tenant, in the interest of ensuring the integrity of the process.

(3) Standing hearing panel. In lieu of the procedure contained in paragraph (g)(2) of this section for each grievance or appeal presented, a borrower may ask the Agency to approve a standing hearing panel for the housing project.

(4) Examination of records. The borrower must allow the tenant the opportunity, at a reasonable time before a hearing and at the expense of the tenant, to examine or copy all documents, records, and policies of the borrower that the borrower intends to use at a hearing unless otherwise prohibited by law or confidentiality agreements.

(5) Scheduling of hearing. If a standing hearing panel has been approved, a hearing will be scheduled within 15 calendar days after receipt of the tenant's or prospective tenant's request for a hearing. If a hearing officer or hearing panel must be selected, a hearing will be scheduled within 15 calendar days after the selection or appointment of a hearing panel or a hearing officer. All hearings will be held at a time and place mutually convenient to both parties. If the parties cannot agree on a meeting place or time, the hearing officer or hearing panel will designate the place and time.

(6) Escrow deposits. If a grievance involves a rent increase not authorized by the Agency, or a situation where a borrower fails to maintain the property in a decent, safe, and sanitary manner, rental payments may be deposited by the tenant into an escrow account, provided the tenant's rental payments are otherwise current.

(i) The escrow account deposits must continue until the complaint is resolved through informal discussion or by the hearing officer or panel.
(ii) The escrow account must be in a Federally-insured institution or with a bonded independent agent.

(iii) Failure to make timely rent payments into the escrow account will result in a termination of the tenant grievance and appeals procedure and all sums will immediately become due and payable under the lease.

(iv) Receipts of escrow account deposits must be available for examination by the borrower.

(7) Failure to request a hearing. If the tenant or prospective tenant does not request a hearing within the time provided by paragraph (f)(1) of this section, the borrower’s disposition of the grievance or appeal will become final.

(h) Requirements governing the hearing. The following requirements will govern the hearing process.

(1) Subject to paragraph (f)(2) of this section, the hearing will proceed before a hearing officer or hearing panel at which evidence may be received without regard to whether that evidence could be used in judicial proceedings.

(2) The hearing must be structured so as to provide basic due process safeguards for both the borrower and the tenants or prospective tenants, which must protect:

(i) The right of both parties to be represented by counsel or another person chosen as their representative;

(ii) The right of the tenant or prospective tenant to a private hearing unless a public hearing is requested.

(iii) The right of the tenant or prospective tenant to present oral or written evidence and arguments in support of their grievance or appeal and to cross-examine and refute the evidence of all witnesses on whose testimony or information the borrower relies; and

(iv) The right of the borrower to present oral and written evidence and arguments in support of the decision, to refute evidence relied upon by the tenant or prospective tenant, and to confront and cross-examine all witnesses in whose testimony or information the tenant or prospective tenant relies.

(3) At the hearing, the tenant or prospective tenant must present evidence that they are entitled to the relief sought, and the borrower must present evidence showing the basis for action or failure to act against that which the grievance or appeal is directed.

(4) The hearing officer or hearing panel must require that the borrower, the tenant or prospective tenant, counsel, and other participants or spectators conduct themselves in an orderly manner. Failure to comply may result in exclusion from the proceedings or in a decision adverse to the interests of the disorderly party and granting or denial of the relief sought, as appropriate.

(5) If either party or their representative fails to appear at a scheduled hearing, the hearing officer or hearing panel may make a determination to postpone the hearing for no more than five days or may make a determination that the absent party has waived their right to a hearing under this subpart. If the determination is made that the absent party has waived their rights, the hearing officer or hearing panel will make a decision on the grievance. Both the tenant or prospective tenant and the borrower must be notified in writing of the determination of the hearing officer or hearing panel.

(i) Decision. Hearing decisions must be issued in accordance with the following requirements:

(1) The hearing officer or hearing panel has the authority to affirm or reverse a borrower’s decision.

(2) The hearing officer or hearing panel must prepare a written decision, together with the reasons thereof based solely and exclusively upon the facts presented at the hearing within 10 calendar days after the hearing. The notice must state that the decision is not effective for 10 calendar days to allow time for an Agency review as specified in paragraphs (i)(3) and (i)(4) of this section.

(3) The hearing officer or hearing panel must send a copy of the decision to the tenant, or prospective tenant, borrower, and the Agency.

(4) The decision of the hearing officer or hearing panel shall be binding upon the parties to the hearing unless the parties to the hearing are notified within 10 calendar days by the Agency that the decision is not in compliance with Agency regulations.

(5) Upon receipt of written notification from the hearing officer or hearing
§ 3560.200 OMB control number.

The information collection requirements contained in this regulation have been approved by the Office of Management and Budget (OMB) and have been assigned OMB control number 0575–0189. Public reporting burden for this collection of information is estimated to vary from 15 minutes to 18 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. A person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

Subpart E—Rents

§ 3560.201 General.

This subpart sets forth the requirements for establishing and collecting rents charged to occupants of multifamily housing (MFH) projects financed by the Agency.

§ 3560.202 Establishing rents and utility allowances.

(a) General. Rents and utility allowances for rental units in Agency-financed housing projects are set by the borrower and must be based on the operating, management and maintenance expenses and other costs related to the housing project including loan payment amounts due to the Agency.

(b) Agency approval. All rents and utility allowances set by borrowers are subject to Agency approval.

(c) Rents. As applicable, borrowers must establish the following rents:

(1) Note rent;
(2) Basic rent;
(3) U.S. Department of Housing and Urban Development (HUD) contract rents; and
(4) Low-income housing tax credit (LIHTC) rents.

(d) Utility allowances. In projects where tenants pay the utilities, borrowers must establish utility allowances for each size and type of rental unit in the housing project based on estimated utility costs. Borrowers must review utility allowances annually, adjust for accuracy, and submit any utility allowance changes to the Agency for approval. If no changes are needed, the borrower must notify the Agency that no changes were made. Documentation to justify utility allowances must be maintained in the housing project files.

(e) Funds contributed to reduce rents. If borrowers use funds contributed from sources other than the Agency (e.g., state or local grants, private contributions) to reduce general operating and management expenses, housing project rents must be reduced to reflect the funding being used to offset housing project expenses. When funds contributed from sources other than the Agency are used for housing project expenses, the borrower must certify to the Agency, in writing, that the funds provided will not need to be repaid with Agency funds. Funds from borrower contributions or rehabilitation loans will not be counted towards reducing rents.

(f) Rents for resident manager, caretaker, or owner-occupied unit.

(1) If approved as a part of a management plan, a borrower may occupy a rental unit in a housing project when they are acting as a management agent or resident manager as specified in § 3560.102(e).

(2) If the rental unit being occupied by a borrower or resident manager is designated as a revenue-producing unit, borrowers must calculate the rental charge to the borrower or resident manager in the same manner as tenant contributions.

(3) If the rental unit being occupied by a borrower or resident manager is designated as a non-revenue producing unit, borrowers must treat the cost of providing the unit the same as other non-revenue producing portions of the housing project.

(g) LIHTC. Borrowers who receive LIHTCs may establish rents in accordance with LIHTC requirements. However, borrowers are obligated to ensure that sufficient annual funds are available to cover expenses in the housing project’s approved budget, including...
§ 3560.203 Tenant contributions.

(a) Tenant contributions. A tenant’s contribution to rent charged for a rental unit in an Agency financed housing project is based on the tenant’s income, as calculated on the Agency’s tenant certification forms, and the availability of Agency or non-Agency rental subsidies.

(1) Tenant contributions. Borrowers must set tenant contributions to rent at the highest of the following standards but never more than the note rent:
   (i) Thirty percent of monthly adjusted income;
   (ii) Ten percent of gross monthly income;
   (iii) An amount equal to the portion of an assistance payment specifically designated to meet the household’s shelter costs if the household is receiving assistance payments from a public agency; or
   (iv) The basic rent, unless RHS rental assistance is provided to the household.

(2) Tenant contribution surcharge. Tenants in a Plan I housing project with incomes above the eligibility standards set in §3560.152(a)(1) must pay a 25 percent surcharge in addition to note rent.

(b) Adjustment of tenant contribution. Borrowers must adjust the tenant contribution whenever there is a change in tenant household status or income sufficient to generate a revised tenant certification in accordance with §3560.152(c) or an Agency approved rent or utility allowance change that affects the tenant contribution amount.

(c) Average. If a tenant’s tenant contribution is higher than basic rent, borrowers must remit to the Agency the rent collected in excess of the basic rent and up to the note rent.

§ 3560.204 Security deposits and membership fees.

(a) General. Borrowers may collect security deposits when it is reasonable and customary for the area in which the housing is located. Borrowers must hold security deposits in a separate bank or bookkeeping account in accordance with §3560.302(c)(3).

(b) Allowable amounts. Borrowers may charge security deposits that are typical for the area in which the housing is located, as long as the security deposit charged a tenant does not exceed that tenant’s net contribution for one month’s rent or basic rent, whichever is greater.

(1) As noted in §3560.102(b)(1)(viii) and §3560.156(c)(18)(iii), borrowers must specify in the housing project’s management plan how the amount to be charged as a security deposit will be established and must specify the amount to be charged to individual tenants in the lease to be signed by the tenant.

(2) Borrowers may charge security deposits to households receiving HUD assistance in accordance with HUD requirements.

(3) Members of a cooperative shall be required to pay a membership fee no greater than one month’s occupancy charge.

(4) Additional security deposits for pets may be charged as long as the additional deposit is not greater than basic rent for 1 month. No additional security deposit for assistance animals is allowed where an assistance animal is necessary for the normal functioning of a household member with a disability.

(5) Borrowers must not charge additional security deposits based on disabilities of tenants or other personal characteristics.

(c) Payment plans. Borrowers must offer, for persons who are eligible for rental assistance or Section 8 assistance, the option of paying the security deposit on an installment payment plan. Should installments not be met, the total charge may become due and payable in full.

(d) Charges for damage or loss. Borrowers may charge tenants for damage or loss caused or allowed by the tenant equal to the cost of the damage or loss.

(1) Borrowers must consider expenses due for addressing normal wear and tear as normal operating expenses and must not charge tenants a fee or withhold security deposits to pay for such costs.
(2) Borrowers may withhold security deposits and may charge tenants for damage or loss costs above security deposit amounts.

(e) State and local security deposit requirements. Borrowers must follow all state and local laws and other requirements governing the handling and disposition of security deposits.

(1) Resolution of any security deposit disputes must be handled in accordance with state and local law.

(2) Any interest earned on security deposits will accrue in accordance with state law.

(f) Unclaimed security deposits. Any funds in the housing project’s security deposit account unclaimed by a tenant must be deposited into the housing project’s general operating account.

§ 3560.205 Rent and utility allowance changes.

(a) General. Borrowers must fully document that changes to rents and utility allowances are necessary to cover housing or utility costs allowed under the approved budget for the housing. Any changes must apply to all similar units in the housing project.

(b) Agency approval. Borrowers must submit a fully documented request to the Agency to effect any rent or utility allowance change.

(1) Borrowers must obtain written consent or approval from the Agency as specified in paragraph (e) of this section before implementing any changes in the rents or utility allowances.

(2) If a borrower implements an unauthorized rent or utility allowance change, the Agency will require the borrower to roll back rents to the last authorized rent charge, and the borrower must reimburse tenants for any unauthorized rents collected.

(c) Timing of request for changes. Borrowers must submit rent and utility allowance change requests in conjunction with the annual budget submission as required under §3560.303(d). The effective dates of any approved changes will coincide with the start of the housing project’s fiscal year or the start of the season for seasonally occupied farm labor housing. However, the Agency will accept borrower requests for rent or utility allowance changes anytime during the year if a change is necessary to preserve the financial integrity of the housing complex and the financial distress is due to circumstances beyond the borrower’s control.

(d) Tenant notification. Borrowers must notify tenants and solicit their comments to proposed rent or utility allowance change requests that are submitted to the Agency at the same time that the initial request is made to the Agency.

(1) Tenants will be given 20 calendar days to provide their comments to the Agency.

(2) Borrowers must deliver the proposed rent or utility allowance change request notice to each tenant and post at least one copy of the notice at the housing project site in a visible location frequented by tenants.

(e) Approval. If the Agency approves a rent or utility allowance increase request on which the comments were solicited, the borrower will deliver a notice announcing the rent or utility allowance change to the tenants to be effective 30 calendar days from the date of the notification.

(f) Denial of change request. The Agency may deny a rent or utility allowance increase request in the following circumstances.

(1) The Agency determines that the borrower did not provide sufficient information to justify operating costs.

(2) The borrower is out of compliance with Agency requirements including any corrective action requirements agreed to in a workout agreement developed according to subpart J of this part.

(3) Sufficient funds are being collected under existing rents to meet approved expenses.

(g) Notice of denial. If the rent change will not be approved as requested, the Agency will notify the borrower of the denial in accordance with §3560.303(d).

§ 3560.206 Conversion to Plan II (Interest Credit).

The Agency encourages any borrower not on Plan II to convert to Plan II to provide more favorable rent costs to very-low, low, and moderate-income households.
§ 3560.207 Annual adjustment factors for Section 8 units.

(a) General. For rental units receiving project-based Section 8 assistance, the Agency will review rents annually without regard to HUD’s automatic annual adjustment.

(b) Establishing rents in housing with HUD rent assistance. Borrowers will set note and basic rents for housing receiving HUD project based Section 8 assistance, as specified in §3560.202(c)(3).

1. Borrowers must notify the Agency of any HUD rent changes.

2. If allowed by the interest credit agreement, the borrower will remit the amount collected in excess of the basic rent up to the note rent to the Agency as overage.

3. When HUD contract rents exceed note rents, borrowers must deposit HUD funds equal to the difference between the Agency approved note rent and the HUD approved rent into the reserve account for the housing project.

(c) Excess HUD rents. When permitted by the Agency interest credit agreement, the Agency may reduce or cancel the interest credit on the housing, if excess HUD rents deposited in the reserve account result in the reserve account being funded beyond the fully funded level approved by the Agency.

§ 3560.208 Rents during eviction or failure to recertify.

(a) Rents during eviction. If a tenant is appealing an eviction and the borrower refuses to accept rent payment during the appeal of the eviction, the tenant must escrow required rent payments to safeguard their occupancy, unless State or local laws specify otherwise.

(b) Rents when tenants fail to recertify. If a borrower can document that a tenant received a notice specifying a tenant recertification date and the tenant fails to comply by the specified date or fails to cooperate with verification or other procedures related to the tenant’s recertification so that the tenant recertification cannot be completed by the recertification date, the borrower, within 10 days of the recertification date, shall give the tenant and the Agency written notification that:

1. Termination proceedings are being initiated, in accordance with §3560.159; and

2. The tenant will be charged note rent until the tenant’s lease is terminated.

(c) Unauthorized assistance due to tenant recertification failure. Any unauthorized assistance received because of the tenant’s failure to be recertified will be collected in accordance with the provisions of subpart O of this part.

(d) Rents when borrowers fail to recertify tenants. If a borrower cannot document that a tenant received a recertification notice, and a tenant is not recertified within 12 months of the most recently executed tenant certification, tenants shall continue to make net tenant contributions to rent based on their most recent tenant certification and the borrower must remit to the Agency full overage as if the tenant was paying the note rent until the tenant is recertified.

(e) Unauthorized assistance due to borrower recertification failure. Any unauthorized assistance received as a result of the borrower’s failure to recertify a tenant will be collected from the borrower in accordance with the provisions of subpart O of this part and may not be paid from housing project funds or funds collected from the tenant.

§ 3560.209 Rent collection.

(a) General. Borrowers must collect rents on a monthly basis and maintain a system for collecting and tracking rents.

(b) Fees for late rent payments. Borrowers may adopt a late fee schedule for overdue rental payments. Late fee schedules must be submitted to the Agency for approval as part of the housing project’s management plan, be in accordance with State and local law, and consistent with the following requirements:

1. A grace period of 10 days from the rental payment due date must be allowed for all tenants.

2. The late fee must not exceed the higher of $10 or an amount equal to 5 percent of the tenant’s gross tenant contribution.

3. Tenants receiving housing benefits from sources other than the Agency may be subject to the late rent fee requirements of the other funding sources.
§ 3560.254 Eligibility for rental assistance.

(a) Eligible housing. Housing projects eligible for Agency RA include the following types of projects.
§ 3560.255 Requesting rental assistance.

(a) Submitting requests. Borrowers seeking an allocation of rental assistance for MFH must request the rental assistance from the Agency as follows.

(1) Renewal rental assistance. To the extent sufficient funds are available, the Agency will automatically renew expiring rental assistance agreements at the existing number of units.

(2) New construction units. Loan applicants proposing to use Agency rental assistance must include their request for rental assistance in their loan proposal in accordance with § 3560.56.

(b) Eligible units. Borrowers may not request RA for rental units that the Agency determines are not habitable in accordance with § 3560.103.

(c) Eligible households. Households eligible for rental assistance are those:

(1) With very low- or low-incomes who are eligible to live in MFH;

(2) Whose net tenant contribution to rent determined in accordance with § 3560.203(a)(2) is less than the basic rent for the unit;

(3) Whose head of the household is a U.S. citizen or a legal alien as defined in § 3560.11;

(4) Who meet the occupancy rules established by the borrower in accordance with § 3560.155(e); and

(5) Who have a signed, unexpired tenant certification form on file with the borrower.

Effective Date Note: At 70 FR 8503, Feb. 22, 2005, in § 3560.254(c)(3), implementation of the words “Whose head of the household is a U.S. citizen or a legal alien as defined in § 3560.11.” was delayed indefinitely.

§ 3560.256 Rental assistance payments.

(a) Borrower submission requirements. The borrower must submit monthly requests for RA payments to the Agency based on occupancy as of the first day of the month previous to the month in which the request is being made.

(b) Basis of RA requests. Borrower requests for RA payments must be based on the difference between the basic rent plus utility allowances for each rental unit eligible for RA and the net tenant contribution of the tenant.

(c) Payments to borrower. Prior to making RA payments to a borrower, the Agency will deduct from the approved RA payment amount any unpaid loan payments, late fees, and other amounts which the borrower owes to the Agency.

(d) Utility payments to tenants. The borrower must pay tenants the difference between the utility allowance and the tenant’s net contribution to rent when a tenant receiving RA is
billed directly for utilities and the utility allowance exceeds the net tenant contribution to rent. Such utility payments to tenants must be made on a monthly basis.

(e) Administrative errors. Borrowers are responsible for correcting borrower errors made in regard to RA requests for payments. In accordance with subpart O of this part, borrowers will be required to repay the Agency for any unauthorized RA received or any unauthorized use of RA except in certain cases of tenant error or fraud.

§ 3560.257 Assigning rental assistance.

(a) Priorities for rental assistance. (1) Borrowers must use the following priorities when assigning available rental assistance.

(i) First priority is to eligible very low-income tenants paying the highest percentage of their adjusted annual income for Agency approved shelter costs.

(ii) Second priority, if the housing project has vacant rental units, is to eligible very low-income applicants on the waiting list.

(iii) Third priority is to eligible low-income tenants paying the highest percentage of their adjusted annual income for Agency approved shelter costs.

(iv) Fourth priority, if the housing project has vacant rental units, is to eligible low-income applicants on the waiting list.

(v) Fifth priority is to households which are residing in a rental unit for which they do not qualify on the basis of an occupancy waiver or other special approval situations.

(2) In order to provide rental assistance to the third, fourth, and fifth priority categories, a borrower must fully document either that there are no very low-income households on the housing project’s waiting list or that occupancy by low-income households is limited as follows:

(i) For housing occupied on or after November 30, 1983, no more than 5 percent of the units in the housing are occupied by low-income households; or

(ii) For housing occupied before November 30, 1983, no more than 25 percent of the units in the housing are occupied by low-income households.

(b) Continued eligibility. Tenants receiving rental assistance may continue to do so as long as they remain eligible for occupancy and for rental assistance under §3560.254(c), and as long as rental assistance units are available.

(c) Assignment of rental assistance. Except as provided in §3560.454(c) and using the priorities given in paragraph (a) of this section, borrowers must assign available rental assistance units as soon as rental assistance units become available.

(1) When a rental assistance unit is assigned to an eligible existing tenant on a day other than the first day of a month, the Agency will not provide the borrower rental assistance for the newly assigned existing tenant and the tenant will not pay reduced rental charges until the first of the month following the assignment of the rental assistance.

(2) When an eligible applicant moves into a rental assistance unit on a day other than the first day of a month, they will pay a prorated rent based on the number of days they occupy the rental assistance unit and the amount of rental assistance they will be receiving.

(d) Incorrectly assigned rental assistance. Incorrectly assigned rental assistance is viewed as unauthorized assistance and handled in accordance with subpart O of this part.

§ 3560.258 Terms of agreement.

(a) Term of agreement. Rental assistance agreements will be consistent with available funding. Rental assistance agreements expire when the funds obligated for rental assistance units are fully disbursed in accordance with the conditions of the agreement.

(b) Replacing expiring obligations. To the extent funds are available for replacement units, the Agency will renew rental assistance agreements.

§ 3560.259 Transferring rental assistance.

(a) Agency authority. The Agency may transfer rental assistance in the following instances:

(1) To accompany the transfer of a housing project to a different borrower;

(2) After a voluntary conveyance or a foreclosure sale;
(3) After a liquidation or prepayment;
(4) To the extent permitted by law, when any rental assistance units have not been used for a 6-month period; or
(5) When the loan cannot be closed.

(b) Agency review before transferring rental assistance. The Agency must perform a review to determine if all eligible tenants in the project are receiving rental assistance before the Agency transfers it to another project.

(c) Transferring rental assistance for displaced tenants. The Agency may transfer rental assistance from one housing project to another eligible housing project for a tenant who is moving due to displacement as a result of prepayment, liquidation, or a natural disaster. The tenant must begin using the rental assistance within 4 months of the transfer or the RA will become available for use by the next rental assistance eligible tenant in the housing project.

§ 3560.260 Rental subsidies from non-Agency sources.

(a) General. The Agency may authorize the use of rental subsidies from sources other than the Agency in Agency financed housing projects. The Agency will make no commitment to providing Agency rental assistance at the expiration of the rental subsidies from other sources.

(b) HUD vouchers. For tenants with HUD vouchers, the borrower must set the rental unit rent at the basic rent or the rent standard set by the public housing authority, whichever is less. The public housing authority distributing the HUD vouchers may set the utility allowance.

(c) Loan proposals using non-Agency rental subsidy. Loan applicants or borrowers proposing to use rental subsidy from sources other than the Agency must provide:

(1) Documentation demonstrating that a market exists for households eligible for the subsidy and the households are at income levels that would benefit from the amount of rental subsidy that will be provided;

(2) A plan describing actions to be taken when the rental subsidy expires to minimize the impact on tenants losing the rental assistance and to avoid displacement; and

(3) A copy of the project-based rental assistance agreement to be signed by the borrower and the provider of the rental assistance.

(d) Rental subsidy agreement. The borrower and the provider of rental subsidies from sources other than the Agency must execute a rental subsidy agreement and submit a copy of the agreement to the Agency. At a minimum, the rental subsidy agreement between the borrower and the source of the rental subsidy must include the following provisions:

(1) A description of how the subsidy will be paid. The rental subsidy payments may be paid directly to the tenants, to the borrower on behalf of the tenants, or deposited to a separate account established for the subsidy. The tenants must be advised of the amount and source of the subsidy through the lease or a supplement to the lease.

(2) The life of a project-based rental subsidy agreement with a non-Agency source must be similar to existing or current Agency rental assistance funding levels and sufficient funds must be set aside to assure availability of the rental subsidy for this term. The method of supplying the funds must be clearly established.

§ 3560.261 Improperly advanced rental assistance.

Improperly advanced RHS rental assistance resulting from tenant or borrower error or fraud constitutes unauthorized assistance and the provisions of subpart O of this part apply.

§§ 3560.262–3560.299 [Reserved]

§ 3560.300 OMB control number.

The information collection requirements contained in this regulation have been approved by the Office of Management and Budget (OMB) and have been assigned OMB control number 0575–0189. Public reporting burden for this collection of information is estimated to vary from 15 minutes to 18 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. A person is not required
§ 3560.301 General.

This subpart contains requirements for the financial management of Agency-financed multi-family housing (MFH) projects, including accounts, budgets, reports, and engagements. Financial management systems and procedures must cover all housing operations and provide adequate documentation to ensure that program objectives are met.

§ 3560.302 Accounting, bookkeeping, budgeting, and financial management systems.

(a) General. Borrowers must establish the accounting, bookkeeping, budgeting and financial management procedures necessary to conduct housing project operations in a financially safe and sound manner. Borrowers must maintain records in a manner suitable for an engagement and must be able to report accurate operational results to the Agency from these accounts and records.

(b) Acceptable methods of accounting.

(1) Borrowers may use a cash, accrual, or modified accrual method of accounting, bookkeeping, and budget preparations as long as the method is consistent with the statements required by the engagement in accordance with the standards identified in §3560.308.

(2) Borrowers must describe their accounting, bookkeeping, budget preparation, and financial reporting procedures, including Agency-approved engagements, in their management plan.

(3) Borrowers must notify the Agency of any changes in their accounting, bookkeeping, budget preparation, and financial management reporting systems through a revision of their management plan.

(c) Account requirements.

(1) As used in this paragraph, the term account is used interchangeably to mean a bookkeeping account (ledger) or a bank account.

(2) At a minimum, borrowers must maintain the accounts required by their loan agreement or resolution.

(3) The following list identifies the financial accounts that are required for each housing project. Additional accounts may be required by third-party lenders. Accounts are to be funded in the following priority order, except that paragraphs (c)(3)(iv), (v), and (vi) of this section are funded directly by tenant security deposits or patron capital receipts respectively:

(i) General operating account;

(ii) Real estate tax and insurance account (if not part of the general operating account);

(iii) Reserve account;

(iv) Tenant security deposit account;

(v) Membership fee account for cooperative housing; and

(vi) For cooperative housing only, a patron capital account.

(4) Amounts escrowed for taxes and insurance may be kept in the general operating account as long as the accounting system reflects the amount escrowed.

(5) Regardless of the number or types of accounts established, the borrower must meet the following requirements:

(i) All housing project funds must be held only in financial institution accounts insured by an agency of the Federal Government, backed by collateral provided by the bank, or held in securities meeting the conditions in this subpart.

(ii) Funds maintained in an institution may not exceed the limit established for Federal deposit insurance. If funds exceed the amount covered by Federal deposit insurance, borrowers must obtain a collateral pledge from the institution to cover all funds or must move funds to an institution that will insure the funds.

(iii) All funds and proceeds in any account must be used only for authorized purposes as described in Agency’s regulations, loan or grant documents. Use of funds for non-program purposes constitutes non-monetary default as described in §3560.452(c).

(iv) All funds received and held in any account, except the tenant security deposit, membership fee, and patron capital accounts, must be held in
trust by the borrower for the loan obligation until used and serve as security for the Agency loan or grant.

(v) Borrowers must be able to account for housing project funds with accounting methods or practices that maintain the proprietary identity of the funds for each project. A borrower may operate one account for multiple projects as long as the funds for each project themselves are accounted for separately.

(vi) Each borrower must have access to at least one demand deposit or checking account.

(vii) Housing project funds may not be pledged as collateral for debts without Agency approval. If such a need arises for an eligible program purpose, the borrower must obtain prior Agency approval.

(6) Tenant security deposit accounts or membership fee accounts and patron capital accounts must be maintained in a separate account in trust for the tenants or members and handled in a manner consistent with state and local laws.

(d) Documentation of separate accountability. Housing project funds may be combined in one or more bank accounts for two or more housing projects as long as the borrower’s accounting system segregates and tracks funds for each project separately.

(1) When borrowers request Agency approval of an accounting system that combines funds from two or more housing projects as long as the borrower’s accounting system segregates and tracks funds for each project separately.

(2) The accounting system and management plan must document the method for prorating revenue and expenses that are not clearly identifiable as being associated with a particular housing project.

(3) Funds for housing projects managed by the same management company must not be co-mingled.

(e) Records. (1) Borrowers must retain all housing project financial records, books, and supporting material for at least three years after the issuance of the engagement and financial reports. Upon request, these materials will immediately be made available to the Agency, its representatives, the USDA Office of the Inspector General (OIG), or the General Accountability Office (GAO).

(2) Borrower accounts and records will be kept or made available in a location with reasonable access for inspection, review, and copying by the Agency, other authorized representatives of the USDA, OIG, or GAO.

(3) Automated records may be used if they meet the conditions of paragraph (f) of this section.

(i) Forms generated by automated systems. (1) The forms and formats approved for use by borrowers may be prepared on automated systems when they meet the requirements of this paragraph.

(ii) Forms may be automated if they meet the following requirements:

(i) The identical wording and nomenclature of an official form must be included in the automated version of the form, including the Office of Management and Budget (OMB) approval number.

(ii) The logic or mathematical calculation of an official form must be the same in an automated version of the form.

(iii) The name or logo of the source of the automated form must be visible on each output of the automated form.

(iv) Output size must be 8½ × 11 inches.

(v) Nominal spacing adjustment and colored paper are allowed.

(g) Farm Labor Housing. Borrowers with on-farm labor housing units will be considered in compliance with this section by virtue of completing the record keeping and reporting requirements outlined in subpart M of this part.

§ 3560.303 Housing project budgets.

(a) General requirements. (1) Using an Agency-approved format, borrowers must submit to the Agency for approval a proposed annual housing project budget prior to the start of the housing project’s fiscal year. The capital budget section of the annual
project budget must include anticipated expenditures on the project’s long-term capital needs as specified in §3560.103(c).

(2) Budget projections regarding income, expenses, vacancies, and contingencies must be realistic given the housing project’s history, current circumstances, and market conditions.

(3) Borrowers must document that the operating expenses included in the budget accurately reflect reasonable and necessary costs to operate the housing project in a manner consistent with the objectives of the loan and in accordance with the applicable Agency requirements.

(4) Borrower must submit supporting documentation to justify housing project utility allowances.

(5) Upon Agency request, borrowers must submit any additional documentation necessary to establish that applicable Agency requirements have been met.

(b) Allowable and unallowable project expenses. Expenses charged to project operations, whether for management agent services or other expenses, must be reasonable, typical, necessary and show a clear benefit to the residents of the property. Services and expenses charged to the property must show value added and be for authorized purposes.

(1) Allowable expenses. Allowable expenses include those expenses that are directly attributable to housing project operations and are necessary to carry out successful operations.

(i) Housing project expenses must not duplicate expenses included in the management fee as defined in §3560.102(i).

(ii) Actual costs for direct personnel costs of permanent and part-time staff assigned directly to the project site. This includes managers, maintenance staff, and temporary help including their:

(A) Gross salary;
(B) Employer FICA contribution;
(C) Federal unemployment tax;
(D) State unemployment tax;
(E) Workers compensation insurance;
(F) Health insurance premiums;
(G) Cost of fidelity or comparable insurance;

(H) Leasing, performance incentive or annual bonuses;
(I) Direct costs of travel to off-site locations by on-site staff for property business or training; and/or
(J) Retirement benefits.

(iii) Legal fees directly related to the operation and management of the property including tenant lease enforcement actions, property tax appeals and suits, and the preparation of all legal documents.

(iv) All outside account and auditing fees, if required by the Agency, directly related to the preparation of the annual audit, partnership tax returns and 401–K’s, as well as other outside reports and year-end reports to the Agency, or other governmental agency.

(v) All repair and maintenance costs for the project including:

(A) Maintenance staffing costs and related expenses.
(B) Maintenance supplies.
(C) Contract repairs to the projects (e.g., heating and air conditioning, painting, roofing).
(D) Make ready expenses including painting and repairs, flooring replacement and appliance replacement as well as drapery or mini-blind replacement. (Turnover maintenance).
(E) Preventive maintenance expenses including occupied unit repairs and maintenance as well as common area systems repairs and maintenance.
(F) Snow removal.
(G) Elevator repairs and maintenance contracts.
(H) Section 504 and other Fair Housing compliance modifications and maintenance.
(I) Landscaping maintenance, replacements, and seasonal plantings.
(J) Pest control services.
(K) Other related maintenance expenses.

(vi) All operational costs related to the project including:

(A) The costs of obtaining and receiving credit reports, police reports, and other checks related to tenant selection criteria for prospective residents.
(B) The cost of duplicating forms for those properties not owning a copier. This will include the costs of producing or purchasing forms and mailing or delivering those forms to the project site.
(C) All bank charges related to the property including purchases of supplies (e.g., checks, deposit slips, returned check fees, service fees).

(D) Costs of site-based telephone including initial installation, basic services, directory listings, and long-distance charges.

(E) All advertising costs related specifically to the operations of that project. This can include advertising for applicants or employees in newspapers, newsletters, radio, cable TV, and telephone books.

(F) Postage and delivery costs from the site including expenses to the Agency or other governmental agencies, tenants, verifying third parties, central management offices, etc.

(G) Partnership or corporate business expenses including state taxes and other mandated state or local fees as well as other relevant expenses required for operation of the property by a third-party governmental unit. Costs of continuation financing statements and site license and permit costs.

(H) Expenses related to site utilities including actual costs and surcharges as well as deposits and expense of utility bonds in lieu of bonds.

(I) Site office furniture and equipment including site based computer and copiers. Service agreements and warranties for copiers, telephone systems and computers are also included (if approved by the Agency).

(J) Real estate taxes (personal tangible property and real property taxes) and expenses related to controlling or reducing taxes.

(K) All costs of insurance including property liability and casualty as well as fidelity or crime and dishonesty coverage for on-site employees and the owners.

(L) Costs of collecting rents on-site including bookkeeping supplies and recordkeeping items.

(M) Costs of preparing and maintaining tenant files and processing tenant certifications including all office supplies, copies and other associated expenses.

(N) Public relations expense relative to maintaining positive relationships between the local community and the tenants with the management staff and the borrowers. Chamber of Commerce dues, contributions to local charity events, and sponsorship of tenant activities, are examples.

(O) Tax Credit Compliance Monitoring Fees imposed by HFAs.

(P) All insurance deductibles as well as adjuster expenses.

(Q) Professional service contracts (audits and compilations, tax returns, energy audits, utility allowances, architectural, construction, rehabilitation and inspection contracts, etc.)

(R) On-site training pre-approved by the Agency provided by outside training vendors.

(S) Site manager salary for additional hours associated with congregate housing.

(vii) With prior Agency approval, cooperatives and nonprofit organizations may use housing project funds to pay asset management expenses directly attributable to ownership responsibilities. Such expenses may include:

(A) Errors and omissions insurance policy for the Board of Directors.

(B) Board of Director review and approval of proposed Agency’s annual operating budgets, including proposed repair and replacement outlays and accruals.

(C) Board of Director review and approval of capital expenditures, financial statements, and consideration of any management comments noted.

(D) Long-term asset management reviews.

(2) Unallowable expenses. Housing project funds may not be used for any of the following:

(i) Equity skimming as defined in 42 U.S.C. 543 (a).

(ii) Purposes unrelated to the housing project.

(iii) Reimbursement of inaccurate or false claims.

(iv) Settlement agreements, court ordered decrees, legal fees, or other costs that result from the filing of civil rights complaints or legal action alleging the borrower, or a representative of the borrower, has committed a civil rights violation.

(v) Fines, penalties, and legal fees where the borrower or a borrower’s representative has been found guilty of violating laws, including, but not limited to, civil rights, and building codes.
(vi) Association dues to be paid by the project should be related to training for site managers or management agents. To the extent that association dues can document training for site managers or management agents related to project activities by actual cost or pro-rata, a reasonable expense may be billed to the project.

(vii) Pay for bonuses or monetary performance awards to site managers or management agents that are not clearly provided for by the site manager salary contract.

(viii) Billing for parties that are large or unreasonable, such as renting expensive party halls or hotel rooms and payment for alcoholic beverages or gifts to management agent staff.

(ix) Billing for practices that are inefficient such as routine use of collect calls from a site manager to a management agent office.

(c) Priorities. The priority order of planned and actual budget expenditures will be:

(1) Senior position lienholder, if any;
(2) Operating and maintenance expenses, including taxes and insurance;
(3) Agency debt payments;
(4) Reserve account requirements;
(5) Other authorized expenditures; and
(6) Return on owner investment.

(d) Agency review and approval. (1) The Agency will only approve housing project budgets that meet the requirements of paragraphs (a), (b) and (c) of this section.

(2) If no rent change is requested, borrowers must submit budget documents for Agency approval 60 calendar days prior to the start of the housing project’s fiscal year. The Agency will notify borrowers if the budget submission does not meet the requirements of paragraphs (a), (b), and (c) of this section. The borrower will have 10 days to submit the additional material.

(3) If a rent change is requested, the borrower must submit budget documents to the Agency and notify tenants of the requested rent change at least 90 calendar days prior to the start of the housing project’s fiscal year.

(i) The Agency will notify borrowers if the budget submission does not meet the requirements of paragraphs (a), (b), and (c) of this section, or if the rent and utility allowance request has been denied in accordance with §3560.205(f). The borrower will have 10 days to submit the additional material to address any issues raised by the Agency.

(ii) The rent change is not approved until the Agency issues a written approval. If there is no response from the Agency within the 30-day period, the rent change is considered automatic. The following budgets are not eligible for automatic approval:

(A) Budgets with rent increases above $25 per unit; and
(B) Budgets that are submitted late or that miss other deadlines set by the Agency.

(4) If the Agency denies the budget approval, the Agency will notify the borrower in writing.

(5) If budget approval is denied, the borrower shall continue to operate the housing project on the basis of the most recently approved budget.

§ 3560.304 Initial operating capital.

(a) Purpose. To provide a source of capital for start-up costs, such as the purchase of equipment, and paying operating, maintenance, and debt service expenses. Borrowers are required to make an initial operating capital contribution to the general operating account as described in §3560.64.

(b) Authorized uses of initial operating capital. Initial operating capital may be used only to pay for approved budgeted expenses.

(c) Withdrawal of initial operating capital. Initial operating capital funds may be withdrawn by a borrower if:

(1) The initial operating capital was provided from the borrower’s own funds;
(2) The borrower requests the withdrawal after the second year of housing project operations and prior to the 7th year of operations;
(3) The housing project has had a 90 percent occupancy rate for a period of 12 months prior to the withdrawal request;
(4) The withdrawal will not affect the financial viability of the housing project;
(5) Contributions to the reserve account are at authorized levels;
(6) The withdrawal request will not result in rent increases; and
§ 3560.305 Return on investment.

(a) Borrower’s return on investment. Borrowers may receive a return on their investment (ROI) in accordance with the terms of their loan agreement and the following:

(1) If there is a positive net cash flow in housing project operations, the ROI may be taken by the borrower after the housing project’s fiscal year, provided that the balance of the reserve account is equal to or greater than required deposits minus authorized withdrawals. If the annual financial reports indicate that an ROI should not have been taken, borrowers will be required to return any unauthorized ROI.

(2) If there is negative cash flow in housing project operations, the Agency may authorize the borrower to take the ROI only after the Agency has reviewed the housing project’s annual financial reports and determines:

(i) Surplus cash exists in either the general operating account as defined in § 3560.305(d)(1) or the reserve account, if the balance is greater than the required deposits minus authorized withdrawals.

(ii) The housing project has sufficient funds to address identified capital or operational needs.

(b) Unpaid return on investment. An earned, but unpaid ROI for the previous year only may be requested by the borrower and authorized by the Agency under the provisions of § 3560.305(a)(2) provided the current year’s ROI has been paid first and a rent increase is not required to generate funds to pay the unpaid ROI.

§ 3560.306 Reserve account.

(a) Purpose. To meet the major capital expense needs of a housing project, borrowers must establish and maintain a reserve account.

(b) Financial management of the reserve account. Borrower management of the reserve account is subject to the requirements of 7 CFR part 1902, subpart A regarding supervised bank accounts.

(c) Funding of the reserve account. Borrowers must make payments to the reserve account in the amount established in loan documents, beginning with the first loan payment or a date specified in loan documents.

(d) Transfer of surplus general operating account funds. (1) The general operating account will be deemed to contain surplus funds when the balance at the end of the housing project’s fiscal year, after all payables, exceeds 20 percent of the operating and maintenance expenses. If the borrower is escrowing taxes and insurance premiums, include the amount that should be escrowed by year end and subtract such tax and insurance premiums from operating and maintenance expenses used to calculate 20 percent of the operating and maintenance expenses.

(2) If a housing project’s general operating account has surplus funds at the end of the housing project’s fiscal year, theAgency will require the borrower to use the surplus funds to address capital needs, make a deposit in the housing project’s reserve account, reduce the debt service on the borrower’s loan, or reduce rents in the following year. At the end of the borrower’s fiscal year, if the borrower is required to transfer surplus funds from the general operating account to the reserve account, the transfer does not change the future required contributions to the reserve account.

(e) Account requirements. Borrowers must establish and maintain the reserve account according to § 3560.65, § 3560.302(c)(5), and the following requirements:

(1) Reserve accounts must be deposited in interest-bearing accounts or securities; and

(2) Reserve accounts must be supervised accounts that require the Agency to countersign on all withdrawals; except, this requirement is not applicable when loan funds guaranteed by the Section 538 GRRH program are used for the construction and/or rehabilitation of a direct MFH loan project. Direct MFH loan borrowers, who are exempted from the supervised account and countersigned requirement, as described above, must follow Section 538 GRRH program regulatory requirements pertaining to reserve accounts. In all cases, Section 538 lenders must get prior written approval from the Agency before reserve account funds
involving a direct MFH loan project can be disbursed to the borrower.

(f) Funds invested in securities. In addition to the requirements specified in paragraph (e) of this section, the following requirements apply when reserve funds are invested in securities:

(1) The reserve account must be held either at a Federally insured domestic institution such as a bank, savings and loan association, credit union, or at a domestic institution authorized to sell securities.

(2) The borrower must record the price actually paid for the securities. When designated as a reserve deposit, the price paid must equal the required contribution to reserves.

(3) Borrowers must be knowledgeable about industry practices and consider the impact of typical fees and charges for purchases and sales and maintenance of an account when making investment decisions. Such fees may be paid for out of reserves, only with the consent of the Agency. Housing project funds may not be used to pay for a financial advisor.

(g) Use of the reserve account. (1) Borrowers must request Agency approval of reserve account withdrawals prior to the withdrawal. Borrowers must inform the Agency of planned uses of reserve accounts in their annual capital budget if known at budget planning time. Any item on the approved capital budget does not require additional preapproval by the Agency.

(2) The Agency will indicate any conditions governing withdrawals from a reserve account at the time it approves the withdrawal.

(3) In emergency situations, the Agency may specify special procedures to provide an expedited approval process for the use of the reserve account.

(4) The Agency may approve the use of reserve funds for operating costs when circumstances that are determined by the Agency to be beyond the borrower’s control have resulted in a shortfall in the housing project’s general operating account.

(5) Funds from the replacement reserve account cannot be used to pay any fees associated with the Section 538 GRRH loan guarantee, as determined by the Agency.

(h) Allowable uses. Allowable uses of reserve funds include the following:

(1) Major capital improvements and replacements.

(2) Housing project operating expenses provided the requirement of paragraph (g)(4) of this section has been met, including:

(i) Payments due on the loan, or

(ii) Payment of a return on investment at the end of the borrower’s fiscal year if such payment comes from surplus operating funds in the reserve account.

(3) With Agency approval, borrowers operating on a for-profit or a limited profit basis may make an annual withdrawal from the reserve account, equal to no more than 25 percent of the interest earned on a reserve account during the prior year.

(4) For other purposes, which in the judgment of the Agency will promote the loan purposes, strengthen the security or facilitate, improve, or maintain the housing and the orderly collection of the loan without jeopardizing the loan or impairing the adequacy of the security.

(i) Records. Borrowers must maintain records documenting all expenses that were paid by withdrawals from the reserve account.

(j) Changes to reserve requirements. (1) As projects age, the required reserve account level may be adjusted to meet anticipated “life-cycle” needs, including equipment and facility replacement costs, by amending the loan agreement/resolution.

(2) The Agency may approve a change in the reserve account funding level based on the findings of an approved capital needs assessment. The approval to increase reserve account funding levels will take into consideration the housing project’s approved budget and the housing project’s ability to support increased reserve account deposits without causing basic rents to exceed conventional rents for comparable units in the area.

(k) Excess reserves. Amounts in the reserve account which exceed the total required by the loan or grant agreement must be used, at the direction of the Agency, for any of the following:

(1) Pay for expenses specified in a long-term capital plan;
§ 3560.307

(2) Make payments and reamortize the Agency loan;
(3) Reduce rents by a transfer to the general operating account;
(4) Fund preservation incentives authorized in subpart N of this part; or
(5) Cover other expenditures determined to be related to the purpose of the housing project and in the best interest of the Federal Government.

(l) Procurement. The requirements of §3560.102(g), (j), and (k), and all other Agency requirements relating to procurement, bidding, identity-of-interest, cost-reasonableness, and construction management apply to any work or services paid out of reserve funds. Structural repairs and other significant work on major building systems such as heating or air conditioning must be done in accordance with the requirements of 7 CFR part 1924, subpart A.

§ 3560.307 Reports.

(a) Required reports. Borrowers must submit required reports using Agency-approved formats.

(b) Quarterly and monthly reports. The Agency may require quarterly or monthly reports to monitor financial progress when closer supervision is warranted.

§ 3560.308 Annual financial reports.

(a) General. Borrowers must submit annual financial reports that meet the requirements of this section. The annual financial reports to be submitted are the Multi-Family Housing (MFH) Project Budget with actual expenditures and the MFH Balance Sheet. Annual financial reports are due to the Agency within 90 days of the end of the borrower’s fiscal year.

(1) Borrowers with 16 or more units in their housing project must base their annual financial reports on an engagement report completed according to procedures established by the Agency as specified in paragraph (b) of this section. Borrowers must include the engagement report with their annual financial reports submitted to the Agency.

(2) Borrowers with less than 16 units in their housing project must submit annual financial reports using a limited scope engagement based on Agency approved procedures and certify that the housing meets the performance standards established in paragraph (c) of this section. For properties that prepare a limited scope engagement, the Agency may undertake random audits, once every two or three years.

(3) If a third party requires it, the borrower may have a CPA prepare an audit in accordance with generally accepted government auditing standards (GAGAS). Costs incurred to obtain this audit are an allowable project expense.

(b) Engagement requirements. Borrowers required to submit annual financial reports based on an engagement performed by a CPA must meet the following requirements:

(1) Borrowers must use an Agency approved engagement letter. Borrowers must submit the results of an engagement that examines specific records using agreed upon procedures established by the Agency and that describes the borrower’s performance in meeting the standards described in paragraph (c) of this section.

(2) The engagement will be initiated by the borrower using the Agency’s engagement letter, which will specify the engagement program and establish the reporting requirements for the engagement.

(3) The engagement must be conducted by a CPA in accordance with American Institute of Certified Public Accountant (AICPA) Standards and Agency requirements.

(4) All engagement reports must be prepared for use by the Agency.

(c) Performance standards. Borrowers must ensure that:

(1) Required accounts are properly maintained and tracked separately;

(2) Payments from operating accounts are disclosed and accurately represented on financial reports;

(3) The reserve amount is at the authorized level and there are no encumbrances;

(4) Tenant security deposit accounts are fully-funded and are maintained in separate accounts and meet state and local requirements;
§ 3560.352 Agency monitoring scope, purpose, and borrower responsibilities.

(a) Scope of Agency monitoring activities. The Agency will review reports, records, and other materials related to the housing project, including borrower financial reports, housing project records, and other communications.
The Agency also will review material related to a housing project submitted by a tenant or other source. To assess conditions such as a housing project’s physical condition, record keeping procedures, and operations and management activities, including borrower compliance with Federal, state, and local laws and Agency requirements, the Agency will conduct periodic on-site monitoring reviews of a housing project.

(b) Purpose of Agency monitoring activities. Agency monitoring activities are designed to assess borrower and tenant compliance with Agency requirements, and to:

(1) Ensure housing projects are managed in accordance with the goals and objectives of the Agency’s MPH programs and are maintained in accordance with Agency requirements for affordable, decent, safe, and sanitary housing;

(2) Preserve the value of the Agency-financed housing projects;

(3) Detect waste, fraud, and abuse in housing project operations or management and to ensure the cost of operations and management are necessary and reasonable;

(4) Verify compliance with Affirmative Fair Housing Marketing requirements, Title VI of the Civil Rights Act of 1964, Title VIII of the Civil Rights Act of 1968, as amended, section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, Americans with Disabilities Act of 1990; and

(4) Applicable Federal, state, and local laws.

§ 3560.353 Scheduling of on-site monitoring reviews.

Generally, the Agency will provide the borrower prior notice of an on-site monitoring review and will conduct the on-site monitoring review in the presence of the borrower. However, the Agency may visit a housing project, without prior notice, to observe physical conditions, operations and management activities, or other borrower or tenant activities. In addition, the Agency may conduct on-site reviews without the presence of the borrower, the management agent, or other designated representative of the borrower.

§ 3560.354 Borrower response to monitoring review notifications.

The Agency will notify borrowers, in writing, whenever Agency monitoring activities result in deficiency findings or compliance violations. The monitoring review notification will describe the deficiencies findings or compliance violations and will specify a time period by which corrective action must be taken by the borrower. The notification will offer borrowers an opportunity to discuss the reported deficiency findings or compliance violations with the Agency and will explain enforcement actions that the Agency may take if corrective action is not taken within the time period specified in the monitoring review notification. When civil rights non-compliance is found, the State Civil Rights Coordinator or Manager (SCRC/M) will be notified. If voluntary compliance cannot be obtained, appropriate enforcement or remedial action will be taken.
§ 3560.400 OMB control number.

The information collection requirements contained in this regulation have been approved by the Office of Management and Budget (OMB) and have been assigned OMB control number 0575–0189. Public reporting burden for this collection of information is estimated to vary from 15 minutes to 18 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. A person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

Subpart I—Servicing

§ 3560.401 General.

(a) Purpose. This subpart contains actions the Agency may take to service and collect loans or other debts owed by multi-family housing (MFH) borrowers. The loan servicing and other actions set forth are designed to protect Agency and tenant interests and assist borrowers in meeting program objectives.

(b) General servicing policies. Borrowers must repay loans or other amounts due to the Agency according to provisions specified in promissory notes, loan agreements and resolutions, mortgages, deeds-of-trust, assumption agreements, reamortization agreements, or other agreements executed between the borrower and the Agency.

(c) Special servicing actions. The Agency will not agree to any proposal for loan servicing or debt collection action other than actions consistent with this section, debt instruments, and other agreements. When payments due to the Agency from a borrower remain unpaid for more than 30 days after the due date, past due, after the Agency may initiate the special servicing actions described in subpart J of this part.

§ 3560.402 Loan payment processing.

(a) Predetermined Amortization Schedule System (PASS) requirements. All loans, except the loans specified in paragraph (c) of this section, must be closed and serviced using the PASS.

(b) Required conversion to PASS. Borrowers with Daily Interest Accrual System (DIAS) accounts must convert to PASS whenever a loan servicing action on the account involves a change in the loan rate or terms or whenever a subsequent loan to the borrower is closed.

(c) Exceptions. Seasonal farm labor housing loans and on-farm labor housing loans may be closed on DIAS, monthly, or annual payment schedules.

§ 3560.403 Account servicing.

(a) Payment due dates. Loan or other payments due to the Agency are due on the first day of each month unless otherwise established in the debt instrument or other agreement executed with the Agency.

(b) Payment application order. Loan payments will be applied to the borrower’s account in the following order of priority:

1. Amortized audit receivables. (i.e., amounts due to the Agency, over a period of time, as a result of a finding from an audit or other monitoring activity.)

2. Unamortized audit receivables. (i.e., amounts due to the Agency, in a lump sum payment, as a result of a finding from an audit or other monitoring activity.)

3. Late fees. (i.e., amounts due to the Agency as a result of late payments.)

4. Amortized recoverable costs. (i.e., amounts due to the Agency, over a period of time, as a result of Agency payments made on behalf of a borrower for housing project related expenses such as taxes or insurance premiums.)

5. Unamortized recoverable costs. (i.e., amounts due to the Agency, in a lump sum payment, as a result of Agency payments made on behalf of a borrower for housing project related expenses such as taxes or insurance premiums.)

6. Overage. (i.e., amounts due to the Agency as a result of a tenant’s tenant contribution being higher than basic rent.)

7. Interest. (i.e., amounts due to the Agency as a result of scheduled interest on a loan and as a result of interest
§ 3560.404 Final loan payments.

(a) Payoff statements. At the borrower’s request, the Agency will provide a statement indicating the pay off amount necessary to pay the borrower’s account in full.

(b) Final payments. A borrower’s final loan payment must include repayment of all outstanding obligations to the Agency.

(1) Any supervised funds being held by the Agency will be applied to the borrower’s account or, at the borrower’s option, will be returned to the borrower following acceptance of final payment on all outstanding obligations.

(2) If a balance due remains on a borrower’s account after Agency acceptance of a final payment, due to borrower error or fraud or Agency error, the Agency will initiate collection action in accordance with the unauthorized assistance collection procedures described in subpart O of this part.

(3) The Agency may waive late fees for circumstances beyond a borrower’s control and when a waiver is determined by the Agency to be in the best financial interest of the Federal Government.

(d) Interest on unpaid overdue principal. On the first day of the month following a payment due date, the Agency will charge interest at the note rate on any unpaid principal payment due according to the loan’s amortization schedule (i.e., interest will be charged on delinquent principal). The interest charged on the unpaid principal payment due will be charged to the borrower in addition to the scheduled interest due on payments according to the loan’s amortization schedule.

§ 3560.404 Final loan payments.

(a) Payoff statements. At the borrower’s request, the Agency will provide a statement indicating the pay off amount necessary to pay the borrower’s account in full.

(b) Final payments. A borrower’s final loan payment must include repayment of all outstanding obligations to the Agency.

(1) Any supervised funds being held by the Agency will be applied to the borrower’s account or, at the borrower’s option, will be returned to the borrower following acceptance of final payment on all outstanding obligations.

(2) If a balance due remains on a borrower’s account after Agency acceptance of a final payment, due to borrower error or fraud or Agency error, the Agency will initiate collection action in accordance with the unauthorized assistance collection procedures described in subpart O of this part.

(c) Late fees. If payments on a borrower’s account, under PASS, are more than $15 delinquent after the close of business on the 10th day after the payment due date, a late fee will be charged to the borrower’s account.

(1) Late fees charged to a borrower’s account will equal 6 percent of the total regular payments due as specified in any promissory notes, assumption agreements, or reamortization agreements related to the borrower’s account.

(2) Late fees are a borrower expense and must not be paid from housing project funds.

(3) The Agency may waive late fees for circumstances beyond a borrower’s control and when a waiver is determined by the Agency to be in the best financial interest of the Federal Government.

(d) Interest on unpaid overdue principal. On the first day of the month following a payment due date, the Agency will charge interest at the note rate on any unpaid principal payment due according to the loan’s amortization schedule (i.e., interest will be charged on delinquent principal). The interest charged on the unpaid principal payment due will be charged to the borrower in addition to the scheduled interest due on payments according to the loan’s amortization schedule.

§ 3560.404 Final loan payments.

(a) Payoff statements. At the borrower’s request, the Agency will provide a statement indicating the pay off amount necessary to pay the borrower’s account in full.

(b) Final payments. A borrower’s final loan payment must include repayment of all outstanding obligations to the Agency.

(1) Any supervised funds being held by the Agency will be applied to the borrower’s account or, at the borrower’s option, will be returned to the borrower following acceptance of final payment on all outstanding obligations.

(2) If a balance due remains on a borrower’s account after Agency acceptance of a final payment, due to borrower error or fraud or Agency error, the Agency will initiate collection action in accordance with the unauthorized assistance collection procedures described in subpart O of this part.

(c) Late fees. If payments on a borrower’s account, under PASS, are more than $15 delinquent after the close of business on the 10th day after the payment due date, a late fee will be charged to the borrower’s account.

(1) Late fees charged to a borrower’s account will equal 6 percent of the total regular payments due as specified in any promissory notes, assumption agreements, or reamortization agreements related to the borrower’s account.

(2) Late fees are a borrower expense and must not be paid from housing project funds.

(3) The Agency may waive late fees for circumstances beyond a borrower’s control and when a waiver is determined by the Agency to be in the best financial interest of the Federal Government.

(d) Interest on unpaid overdue principal. On the first day of the month following a payment due date, the Agency will charge interest at the note rate on any unpaid principal payment due according to the loan’s amortization schedule (i.e., interest will be charged on delinquent principal). The interest charged on the unpaid principal payment due will be charged to the borrower in addition to the scheduled interest due on payments according to the loan’s amortization schedule.
§ 3560.406 MFH ownership transfers or sales.

(a) General. The provisions of this section apply to ownership transfers or sales (e.g., title transfers) involving an Agency financed housing project. The provisions cover situations where Agency loans are being assumed as a part of a housing project transfer or sale.
§ 3560.406

(b) Agency consent requirements. Agency consent must be obtained prior to an ownership transfer or sale and Agency consent will only be given when the transfer or sale is in the best interest of the Federal Government. Any ownership transfer or sale without the consent of the Agency will be considered a default and will be handled in accordance with subpart J of this part.

(1) Priority consideration will be given to ownership transfers or sales needed to remove a hardship to the borrower that was caused by circumstances beyond the borrower’s control.

(2) Ownership transfers or sales with an assumption of debt at an amount less than the borrower’s debt amount will only be approved by the Agency when all persons in the borrower entity who are transferring their ownership interest or are involved in the selling of the property are not part of the transferee organization.

(c) Consent request requirements. Borrowers must submit written requests for Agency consent to an ownership transfer or sale of a housing project to the Agency at least 45 days prior to proposed ownership transfer or sale date. The consent request must document that the proposed transfer or sale meets the requirements of paragraph (d) of this section and must include the following items:

(1) A statement disclosing any identity-of-interest between the borrower and the party to which the housing project ownership is being transferred or sold.

(2) A statement certifying that the housing project’s financial accounts are funded at required levels, less authorized withdrawals, and that payments due for operation and maintenance expenses, tax assessments, insurance premiums, any required tenant security deposit accounts, and other obligations incurred as a part of the housing project operations are paid in full with no overdue balances or a statement explaining the housing project’s financial situation and the reasons for overdue payments or under funded accounts.

(3) A proposed housing project budget covering the partial year, if applicable, and first full year operation following the ownership transfer or housing project sale.

(4) A written statement, signed by the proposed transferee or buyer, certifying that the transferee or buyer will assume the borrower responsibilities and obligations specified in Agency program requirements including requirements in a promissory note, loan agreement or other documents related to Agency loans held by the borrower entity.

(5) A certification from the borrower and the proposed transferee or buyer that the borrower does not and will not have a reversionary interest in the housing project.

(d) Requirements for ownership transfers or sales. An ownership transfer or sale of a housing project with an assumption of Agency loans by the transferee or buyer must comply with the following conditions:

(1) The transferee or buyer must be an eligible borrower under the requirements established by subpart B of this part;

(2) The transferee or buyer must agree to set basic rents at the housing project covered by the assumed loans at levels that do no exceed conventional rents for comparable units in the area, except that when determined necessary by the Agency to allow for decent, safe and sanitary housing to be provided in market areas where conventional rents are not sufficient to cover necessary operating, maintenance, and reserve costs. Basic rents may be allowed to exceed comparable rents for conventional units, but in no case by more than 150% of the comparable rent for conventional unit rent level; and

(3) The value of the housing project covered by the loans to be assumed, at the time of an ownership transfer or sale, must be sufficient to ensure that all Agency loans being assumed and all subsequent loans being offered as a part of the transfer or sale can be secured to a level that fully protects the Agency’s interest. Loans from third-party sources that are not dependent on project revenue for payment will not be included in this determination.

(i) If the total value of the loans being offered as a part of an ownership transfer or sale is $100,000 or less, the
(ii) If the total value of the loans being offered as a part of an ownership transfer or sale exceeds $100,000, the security value of the housing project must be determined through an appraisal obtained by the Agency and conducted in accordance with subpart P of this part.

(iii) The Agency may approve a loan write-down, in accordance with §3560.455, prior to an ownership transfer or sale to reduce the amount of debt being assumed by the transferee or buyer.

(4) Prior to Agency approval of an ownership transfer or sale, an environmental review, as required under the National Environmental Policy Act and in accordance with 7 CFR part 1940, subpart G, must be conducted on all property related to the ownership transfer or sale. If contamination from hazardous substances or petroleum products is found on the property, the finding must be disclosed to the Agency and the transferee or buyer and must be taken into consideration in the determination of the housing project’s value.

(5) All immediate and long-term repair and rehabilitation needs must be identified by a capital needs assessment. The reserve requirements for the housing project will be reviewed by the Agency and adjusted, if necessary, to adequately cover the cost of addressing the property’s capital needs. The Agency may approve the release of the current reserve amount to the transferor provided the transferee agrees to deposit the amount to cover the project’s immediate needs into the reserve account at closing.

(6) The borrower and transferee must disclose to the Agency all terms, conditions, or other considerations related to the ownership transfer or sale. All side or other agreements must be disclosed and all sources and uses of funds related to the ownership transfer or sale must be disclosed.

(7) An agreement must be signed between the borrower and the transferee listing all repairs known by the borrower to be necessary to bring the housing project into compliance with Agency requirements for decent, safe, and sanitary housing as listed in subpart C of this part.

(i) The agreement must include repairs required to correct compliance violations cited in a compliance violation notice issued by the Agency.

(ii) The agreement must specify whether each repair listed will be completed by the borrower prior to the ownership transfer or by the transferee in accordance with a workout agreement developed in accordance with the requirements of §3560.453 and executed between the transferee or buyer and the Agency.

(8) A civil rights compliance review, as required by 7 CFR part 1901, subpart E, will be conducted by the Agency prior to the ownership transfer or sale.

(9) During or immediately after the transfer, a review of the property must be conducted to ensure that it complies with or will comply with section 504(c) of the Americans with Disabilities Act (ADA), which covers accessibility requirements, and the Title VI of the Fair Housing Act of 1968.

(10) A transferee must ensure that tenant certifications in compliance with subpart D of this part for all occupied rental units are on file with the Agency.

(11) A transferee must comply with insurance and bonding requirements established in subpart C of this part at the time of the transfer.

(12) A transferee must agree to submit financial reports to the Agency according to subpart G of this part.

(13) A transferee must establish that there are no liens, judgments, or other claims against the housing project other than those by the Agency and those to which the Agency has previously agreed.

(14) A limited profit Rural Rental Housing transferee’s initial investment and return on investment will remain the same as that originally provided to the transferor unless:

(i) The property is transferred to a non-profit entity and the return on investment is eliminated; or
§ 3560.406

(a) The transferee contributes additional funds for repair or rehabilitation and the Agency agrees to recognize a higher initial investment.

(b) Equity payments. The Agency will with hold any equity payment due to the borrower, as part of an ownership transfer or sale, if any of the following conditions exist:

(1) The borrower’s indebtedness to the Agency has not been paid in full or is not being assumed by the transferee. The Agency will require that all or part of an equity payment be applied against other Agency loans owed by the borrower if payments on the other loans are not current.

(2) Any non-Agency prior liens against a housing project are not paid in full.

(3) Any housing project financial accounts are not funded at required levels, less authorized withdrawals, or any payments due for operation and maintenance expenses, tax assessments, insurance premiums, tenant security deposits or other obligations incurred as a part of housing project operations are not paid in full.

(4) Any management deficiencies cited in a compliance violation notice issued by the Agency to the borrower have not been corrected or the housing project is not operating under an approved management plan or, if applicable, an approved management agreement.

(5) Any operation and maintenance deficiencies cited in compliance violation notices issued by the Agency have not been corrected or are not scheduled for correction in a workout agreement developed in accordance with the requirements of § 3560.433.

(b) The borrower entity is, at the time of the ownership transfer or sale, cited by the Agency or other Federal, state, or local agencies for violations of Fair Housing or Equal Opportunity requirements.

(7) The borrower entity is, at the time of the ownership transfer or sale, cited by the Agency or any other entity involved in the financing of the housing project for misappropriation of funds.

(c) Equity payment funding sources. Equity may be provided in cash or through a loan. If a full equity payment to the transferor is not paid at the time of the ownership transfer or sale or has not been paid through an Agency equity loan or third-party equity loan approved by the Agency to the borrower, the transferee must certify that equity payments due to the borrower will be paid from sources other than housing project’s funds and must identify the sources of such payments.

(d) Restrictive-use requirement. Transferees assuming Agency loans, including loans approved prior to December 21, 1979, will be required to execute a restrictive-use agreement that contains the language specified in § 3560.662. The restrictive-use agreement will require the housing project to be used for program purposes for a specified period of time beyond the date that the ownership transfer or sale is closed. When an equity loan is involved at the time of transfer, the restrictions will be for 30 years.

(e) Subsequent loans. The Agency may approve a subsequent loan or permit a loan from a third-party source in conjunction with an ownership transfer or sale of a housing project. The subsequent loan may be in the form of a junior or parity lien.

(1) Subsequent loans on a housing project proposed in conjunction with an ownership transfer or sale must be requested and processed in accordance with the Agency loan origination requirements in subpart B of this part.

(2) The Agency may amortize the subsequent loan over a period not to exceed the remaining economic life of the housing or 50 years, whichever is less.

(3) The Agency may extend the term of the existing loan to a period not to exceed 30 years or the remaining economic life of the housing, whichever is less.

(f) Loan assumption interest rates. The interest rate for Agency loans assumed in conjunction with an ownership transfer or sale will be determined as follows:

(1) The interest rate for all loans, except farm labor housing loans, will be set at the lower of:

(1) The note rate of the existing Agency loan;
(ii) The Agency note rate on the day the transfer is approved;
(iii) The Agency note rate on the day the transfer is closed; or
(iv) If the rents are increased due to a transfer, the transfer will be done under new rates and terms when the Agency determines that it is in the best interest of the government. Subsequent loan may be in the form of a senior, junior or parity lien or soft second.

(2) The interest rate on farm labor housing loans will be the rate specified in the note, except that loans transferred to public bodies, nonprofit organizations of farm workers, and broadly-based nonprofit corporations for farm labor housing purposes may be at a one percent interest rate regardless of the rate specified in the note if the Agency determines that such a reduction is necessary to maintain affordable rental rates for tenants.

(j) Loan assumption terms. The amount of the loan balance that may be assumed through an ownership transfer or sale must not exceed the security value of the housing project determined according to §3560.406(d)(3)(i).

(1) The Agency may reamortize a loan assumed through an ownership transfer or sale over a period not to exceed the remaining economic life of the housing or 50 years, whichever is less.

(2) The Agency may extend the term of the loan to a period not to exceed 30 years or the remaining economic life of the housing, whichever is less.

(3) When loans assumed through an ownership transfer or sale are amortized on an annual payment basis, the loans will be converted, at the time of the transfer or sale, to a monthly payment amortization and will be made subject to PASS. When on- or off-farm labor housing projects are involved in an ownership transfer or sale, the related loans may be transferred on a DIAS basis or converted to PASS if the Agency determines that such a conversion will not be detrimental to the operation of the farm labor housing.

(k) Processing ownership transfers or sales. (1) At the time of the transfer, the Agency will require the borrower to transfer all equipment, related facilities, and housing project financial accounts to the transferee including the operation and maintenance account, reserve account, tenant security deposit account, tax and insurance escrow accounts.

(i) Any funds remaining in a rental assistance contract not dispersed by the transferor will be assigned to the transferee unless the rental assistance is not needed for tenants or another form of rental subsidy is to be used.

(ii) Any rental assistance determined to be unnecessary will be reassigned to other housing projects in accordance with the provisions of subpart F of this part.

(2) The Agency will require that appropriate loan documents are executed by the transferee. The Agency may require such documents to be referenced in security instruments (e.g., mortgage or deed of trust).

(3) If all of a borrower’s outstanding Agency debt is not assumed or paid off at the time of the transfer or sale, the Agency will not release a borrower from liability unless the Agency determines that the borrower is unable to pay the remaining debt from assets taken as security through the debt settlement procedure in accordance with §3560.457.

(l) Ownership transfers or sales under special rates, terms, and conditions. Housing projects may be transferred or sold to entities that do not meet borrower eligibility requirements for the type of loans being assumed. However, such a transfer or sale will only be considered when it is determined by the Agency to be in the best interest of the Federal Government and the objectives of the original loan can no longer be met. The following special rates, terms, and conditions will apply to such situations.

(1) The transferee makes a down payment of at least 10 percent of the remaining loan balance to be assumed.

(2) The transferee has the ability to pay the Agency debt.

(3) Monthly or annual installments will be amortized over the term of the loan and the interest rate will be at a rate of interest at least one percent higher than the interest rate offered to eligible borrowers as specified in paragraphs (i)(1) or (2) of this section.
§ 3560.407 Sales or other disposition of security property.

(a) General. Borrowers must obtain Agency approval prior to selling or exchanging all or a part of, or an interest in, property serving as security for Agency loans. Agency approval also must be requested and received prior to the granting or conveyance of rights-of-way through property serving as security property. An environmental review must be completed in accordance with 7 CFR part 1940, subpart G, before the Agency approves all such sales or other dispositions of security property.

(b) Request requirements. Requests for Agency approval of transactions related to security property must document that the following conditions will be met:

1. The borrower’s ability to repay the Agency debt will not be impaired;
2. The transaction will not interfere with the successful operation of the housing project or prevent the borrower from carrying out the purpose for which the loan was made;
3. The monetary or other consideration offered in the transaction is equal to or greater than the market value of the security property being disposed of or the rights being granted, except that right-of-way easements may be granted or conveyed with minimal or no consideration being offered if:
   i. The value of the security property will not be reduced;
   ii. The suitability of the security property for the intended purpose will not be impaired; and
   iii. The easement is granted to allow the borrower to develop additional lots or units that will be integrated into the housing project or for enhancement of streets, utilities or other services provided by a public body;
4. The property that will remain as security for Agency loans, after any transaction related to security property, will fully secure the borrower’s debt to the Agency;
5. Borrowers must report to the Agency the total of all proceeds derived from the sale or other disposition of property serving as security for Agency loans. The proceeds from the disposition of the security property will be used for purposes approved by the Agency.

§ 3560.408 Lease of security property.

(a) General. Borrowers must obtain Agency approval prior to entering into a lease agreement related to any property serving as security for Agency loans. An environmental review must be completed in accordance with 7 CFR part 1940, subpart G, before the Agency can give lease approval for real property serving as security for Agency loans.

(b) Leases to public housing authorities. Borrowers may not lease all or part of their housing facilities to a housing authority. Lease agreements in place prior to the effective date of this regulation may be continued provided that leases are in a form acceptable to the housing authority and are on terms that will enable the borrower to comply with Agency program requirements, to meet Agency program objectives, and make loan and other required payments to the Agency on an Agency approved schedule.

(c) Lease of a portion of the security property. The Agency may, subject to the applicable provisions governing loan purposes found in of §3560.53, §5500.533 and §3560.603, approve the leasing of facilities related to a housing project (e.g., central kitchens, recreation facilities, laundry rooms, and community rooms) when the borrower will continue to operate the facilities for the purposes for which the loan was made. Agency approval is not required for leases with a term of less than 30 days. The Agency will only approve a lease with a term over 30 days if the following conditions are met:

1. The lease is in the best interest of the borrower, the tenants, and the Federal Government;
2. The amount of the consideration agreed to in the lease is adequate to pay all prorated operating and maintenance expenses, a prorated share of the annual reserve deposit, and the prorated part of the loan amortization at the note rate of interest;
3. All compensation and considerations, whether payments, a share of proceeds, or improvements to the property paid for by the lessee, must be disclosed to the Agency. No payments or
compensation for entering into a lease shall flow to the borrower or any identity-of-interest related to the borrower.

(4) The lease provides at its termination for the restoration of the leased space to its original condition or a condition acceptable to the owner and the Federal Government.

(5) Consent to the lease will not exceed 3 years at a time unless the Agency determines that a longer lease is advantageous to the borrower, the tenants, and the Federal Government.

(6) When another lienholder’s mortgage requires that lienholder’s consent to a lease, the borrower must obtain written consent from the lienholder before the Agency will consider approving the lease.

(d) Mineral leases. Mineral leases will be handled according to 7 CFR 3550.159 except that all references to County Supervisor will be construed to mean District Director when applied to the MFH Programs.

§ 3560.409 Subordinations or junior liens against security property.

(a) General. Borrowers must obtain Agency consent prior to entering into any financial transaction that will require a subordination of the Agency security interest in the property (i.e., granting of a prior interest to another lender.) An environmental review must be completed in accordance with 7 CFR part 1940, subpart G, before the Agency can consent to a subordination or junior lien against the property. Borrowers must use an Agency approved subordination agreement.

(1) If a lien is placed against property serving as security for an Agency loan without prior Agency consent, the Agency will declare the borrower to be in default and will pursue liquidation of the borrower’s loans in accordance with the procedures specified in §3560.457, unless an agreement can be reached between the borrower and the Agency to work out removal of the lien or post approve the lien.

(2) Subordinations or junior liens need not encompass the entire site, (e.g., a subordination or junior lien requested to permit an interim lender to advance construction funds may only cover the portion of the site proposed for construction.)

(3) The subordination or junior lien must be for a specific amount.

(4) The subordination or junior lien must not adversely impact the Agency’s ability to service the loan according to the requirements of this part.

(b) Consent request requirements. Borrowers proposing to have the Agency subordinate its interest to another lender or to give a creditor a junior lien against property serving as security for an Agency loan must submit a consent request to the Agency. The consent request must document the following:

(1) The action will enable the borrower to obtain financial resources for improvements or repairs on the security property that are consistent with the purposes of the Agency loan secured by the property.

(2) The action will not adversely impact the borrower’s financial condition and the borrower’s ability to repay the Agency loan being secured by the property.

(3) The action will not result in basic rents at the security property that exceed conventional rents for comparable units in the area.

(4) The terms and conditions of the credit to be secured by the subordination or junior lien are not expected to adversely affect the borrowers ability to meet the terms and conditions of the Agency loan secured by the property.

(5) The proposed use of the funds obtained through the granting of a subordination or junior lien will not adversely affect the borrower’s ability to meet Agency program requirements or to operate and manage the housing project in a manner consistent with program objectives.

(6) The creditor receiving the “subordination” of interest in the property or the junior lien will agree that a foreclosure or acceptance of a deed-in-lieu of foreclosure will not be initiated without at least 30 days prior notice to the Agency.

(7) The subordination or junior lien is not being secured with any funding from housing project financial accounts.
§ 3560.410 Consolidations.

(a) General. With Agency approval, loans, loan agreements, or loan resolutions may be consolidated to reduce the administrative burden (i.e., record keeping, budgeting), to improve the cost effectiveness and efficiencies of housing project operations, and to effectively utilize facilities common to housing projects.

(b) Loan consolidations. Loan consolidations will only be considered when:

1. Multiple loans to the one borrower entity are being transferred to a different borrower entity in accordance with §3560.406, or
2. One borrower entity has an initial loan and one or more subsequent loans for the same housing project and all the loans were closed on the same date and with the same rates and terms.

(c) Loan agreement or loan resolution consolidations. Loan agreements or loan resolutions may be consolidated, even if the loans related to the agreement or resolution are not consolidated, to allow borrowers to comply with reporting, accounting, and other Agency requirements as a single housing project.

1. The loan agreements or loan resolutions may only be consolidated when they are related to loans made for the same purposes, to the same borrower, and operating under the same type of interest credit, if applicable.

2. All of a borrower’s loan accounts must be current after the loan agreement or loan resolution consolidation is processed, unless otherwise approved by the Agency.

§§ 3560.411–3560.449 [Reserved]

§ 3560.450 OMB control number.

The information collection requirements contained in this regulation have been approved by the Office of Management and Budget (OMB) and have been assigned OMB control number 0575–0189. Public reporting burden for this collection of information is estimated to vary from 15 minutes to 18 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. A person is not required to respond to a collection of information unless it displays a currently valid OMB control number.
Subpart J—Special Servicing, Enforcement, Liquidation, and Other Actions

§ 3560.451 General.

This subpart contains special servicing, enforcement, liquidation, and other actions that the borrower may request or the Agency may implement when compliance violations, monetary defaults, or non-monetary defaults cannot be resolved through regular servicing.

(a) Agency obligations. The Agency is under no obligation to offer or agree to any special servicing actions.

(b) Relationship to workout agreements. Special servicing actions may be implemented either as a part of a workout agreement, developed in accordance with §3560.453, or as an action approved by the Agency separate from a workout agreement unless indicated otherwise in this subpart.

§ 3560.452 Monetary and non-monetary defaults.

(a) General. Borrowers are in default when they have received a compliance violation notice, issued in accordance with §3560.354, and have failed to correct the compliance violation identified in the compliance violation notice within the time period specified in the notice. Compliance violations include, but are not limited to, violations of promissory note provisions, loan or grant agreement provisions, regulatory, or other Agency requirements, including requirements imposed on a borrower through a workout agreement developed in accordance with §3560.453.

(b) Monetary defaults. A monetary default exists when any amount due to the Agency or a third party (such as real estate taxes and insurance) under a promissory note, loan or grant agreement provisions, regulatory, or other Agency requirements, including requirements imposed on a borrower through a workout agreement developed in accordance with §3560.453.

(c) Nonmonetary defaults. A nonmonetary default exists when a borrower fails to correct a compliance violation, other than a monetary amount past due, within the time period specified in a compliance violation notice issued in accordance with §3560.354. Nonmonetary defaults include, but are not limited to, failure to:

(1) Operate and manage a housing project in accordance with the Agency approved management plan or Agency requirements;

(2) Maintain the physical condition of a housing project in a decent, safe, and sanitary manner and in accordance with Agency requirements;

(3) Keep general operating expense, reserve, and other financial accounts related to a housing project at required funding levels;

(4) Occupy rental units with eligible tenants, unless granted an exception by the Agency;

(5) Charge correct rents or to correctly calculate net tenant contributions, utility allowances, or rental assistance payments or to properly administer the Agency rental assistance assigned to the housing project;

(6) Submit required annual financial reports to the Agency within time periods specified in §3560.308;

(7) Submit management plans, leases, occupancy rules, and other required materials to the Agency in accordance with Agency requirements; and,

(8) Comply with applicable Federal laws including laws related to civil rights, fair housing, disabilities, and environmental conditions.

(d) Default notice. When borrowers are in default, the Agency will notify borrowers, in writing, that they are in default. The default notice will identify the compliance violation that led to the default, will specify actions necessary to cure the default, and will establish a date by which the default must be cured to preclude Agency initiation of enforcement actions, liquidation, or other actions.

(e) Agency action. If a borrower fails to cure a default within the time period specified in the default notice, the Agency may initiate the enforcement actions described in §3560.461 or liquidation as described in §3560.456. Also, Agency compliance violation notices and related default notices may be referred to Federal, state, and local agencies with jurisdictions related to the violations for handling, in accordance with their requirements.
§ 3560.453 Workout agreements.

(a) General. (1) Prevention or resolution of compliance violations or default cures are a borrower's responsibility.

(2) A borrower may develop and submit to the Agency for approval a workout agreement that proposes actions to be taken over a period of time to prevent or correct a compliance violation or to cure a monetary or non-monetary default.

(3) A borrower developed workout agreement may propose, but is not limited to, the following actions:

(i) A combination of one or more of the special servicing actions outlined in §§3560.454 and 3560.455;

(ii) A change in operations and management at a housing project; or

(iii) A commitment of additional financial resources to the housing project with the amount and source of the additional resources to be committed to the housing project specifically identified.

(b) Workout agreement approval. (1) The Agency is under no obligation to approve a workout agreement as submitted by a borrower or to act with forbearance when a housing project is in monetary or non-monetary default.

(2) Borrower developed workout agreements may not be implemented until the borrower receives written approval from the Agency.

(3) The Agency will only approve a workout agreement if the Agency determines that the actions proposed are likely to prevent or correct compliance violations or cure a default and approval is in the best interest of the Federal Government and tenants.

(4) The Agency will only approve a workout agreement if the proposed actions are consistent with the borrower's management plan. If proposed actions are not consistent with the borrower's management plan, applicable revisions to the borrower's management plan must be made before approval of the workout agreement is given.

(c) Workout agreement required content. (1) Workout agreements submitted to the Agency for approval must be in writing and signed by the borrower. Workout agreements must describe proposed actions in sufficient detail to demonstrate the likelihood of the actions to prevent or correct compliance violations or cure defaults.

(2) At a minimum, workout agreements must include the following:

(i) The name and address of the housing project, project number, borrower's tax identification number, and other information necessary to identify the housing project.

(ii) A description of the potential or actual compliance violation or default situation, including an explanation of related causes, such as cash flow concerns, budget revisions, deferred maintenance, vacancies, or violations of statutes.

(iii) A definition and description of the housing project's market area, including information on housing availability, rents, and vacancy rates in the market area.

(iv) A description of the proposed actions to prevent or correct compliance violations or to cure defaults along with a date specific schedule indicating when interim and final actions will be taken to correct the compliance violation or cure the default.

(v) A description of financial and other resources necessary to prevent or correct the compliance violation or cure the default including an identification of the sources for such resources.

(d) Workout agreement budgets. Budget revisions submitted as a part of a workout agreement for a housing project experiencing cash flow problems must prioritize cash disbursements in the following order:

(1) Prior lienholder, if any;

(2) Critical operating and maintenance expenses, including taxes and insurance;

(3) Agency debt payments;

(4) Reserve account requirements; and

(5) Other authorized expenditures.

(e) Workout agreement terms and cancellation. (1) Workout agreements shall be in effect for no longer than a 2-year time period, beginning on the date of Agency approval. If an approved workout agreement calls for actions that extend beyond a 2-year period, borrowers must submit an updated and, if necessary, revised workout agreement...
Rural Housing Service, USDA

§ 3560.454 Special servicing actions related to housing operations.

(a) Changing rents or revising budgets. The Agency may approve a borrower request for a rent change, rent incentives, or a revised budget, at any time during a housing project’s fiscal year.

(b) Occupancy waivers. If the Agency determines that a housing project with high vacancies could be kept operationally and financially viable by allowing the borrower to accept as tenants persons with incomes above the income eligibility standards specified in §3560.152(a), the Agency, in writing, may grant the borrower an occupancy waiver to allow such persons as tenants. Occupancy waivers will be in effect only during the time period specified by the Agency when the waiver is granted. In addition, borrowers must rent to all eligible applicants on the housing projects waiting list prior to accepting persons with incomes above the Agency standards as tenants.

(c) Additional rental assistance (RA). If the Agency determines that a housing project with high vacancies could be kept operationally and financially viable by increasing the amount of RA allocated to the housing project, the Agency, subject to available funds, may offer the housing project RA as a means of preventing or correcting a compliance violation or curing a default.

(d) Special note rents. When a Plan II housing project is experiencing severe vacancies due to market conditions, the Agency may approve a rent less than the note rent to attract and keep tenants whose incomes, according to the formula in §3560.203, would require them to pay the note rent. The reduced rent is called a Special Note Rent (SNR) and, as noted in §3560.210, approval of an SNR may affect approvals of loan proposals submitted to the Agency for the market area where the SNR is in effect.

1. An SNR rent may only be requested as a part of a proposed workout agreement and must include documentation of market conditions, the housing project’s vacancy rates, evidence of marketing efforts, and other concerns necessitating the request for an SNR.

2. Borrowers must forego the annual return to owner for each housing project’s fiscal year that an SNR is in effect for all or part of a fiscal year at a housing project.

3. SNR’s may be increased, decreased, or terminated any time during a housing project’s fiscal year when market conditions, vacancy rates, or other concerns that necessitated the SNR warrant a change.

4. In addition to any state lease law requirements that might be related to the implementation of an SNR, the borrower must notify each tenant of any change in rents or utility allowances that result from approval of an SNR, in accordance with §3560.205(c) and must submit the appropriate budget changes to the Agency for approval.

(e) Termination of management agreement. If the Agency determines that a compliance violation or loan default was caused, in full or in part, by actions or inactions of the housing project’s management agent, the Agency will require the borrower to terminate the management agreement with that agent, or in the case of a borrower managed housing project, to enter an agreement with a third-party non-identity of interest management agent, unless the borrower and the Agency agree on a written plan to prevent reoccurrence of the violation. Housing project funds may not be used to pay a management fee to a management agent after the Agency has directed the borrower to terminate a management agreement with that agent, except during an Agency approved transition period.

§ 3560.455 Special servicing actions related to loan accounts.

(a) General. To prevent or correct a compliance violation or to prevent or
cure a default in a situation that cannot be resolved through regular servicing, the Agency may approve a deferral of loan payments or a loan restructuring. Nothing herein precludes the Agency from initiating appropriate legal action to correct a compliance violation if the Agency determines such action is more in the Government’s interest than entering into a special servicing agreement as provided for in this section. Procedures for debt collection are discussed in §3560.460. As part of a workout agreement, the Agency may agree to accept less than full monthly payment installments due on an Agency loan for a specified period of time, not to exceed the effective period of the workout agreement.

(b) Loan reamortizations. A loan reamortization is a restructuring of loan terms and conditions over a period of time that does not exceed the remaining useful life of the housing project.

(1) Loan reamortizations will only be approved when they are in the best interest of the Federal Government and tenants and when the following conditions are met:

(i) The Agency determines that the borrower will be unable to meet their obligations without a reduction in monthly payment installments; and

(ii) The Agency is satisfied that the security, including the potential income for debt service, will be adequate to protect the Agency’s interest over the term of the reamortization and that the reamortization will not adversely affect the Federal Government’s lien priority.

(2) If the Agency approves a reamortization of a loan under this section, it will be at the existing note rate, or the current interest rate at the time of reamortization closing or approval, whichever is less.

(3) Loan reamortization may be used to:

(i) Restructure loan repayments to prevent or correct a compliance violation or cure a default caused by circumstances beyond the borrower’s control in situations where the borrower is otherwise in compliance with Agency requirements;

(ii) Repay principal, outstanding interest, overage, and advances made by the Agency for recoverable cost items when less than full payments were authorized under the provisions of an Agency approved workout agreement;

(iii) Restructure a borrower’s loan payments in conjunction with an incentive package developed in accordance with §3560.456 to prevent prepayment of the loan;

(iv) Restructure an existing loan in conjunction with a subsequent loan for rehabilitation; or

(v) Restructure remaining debt when a portion of the property serving as loan security is sold and there is a need to reestablish the financial stability of the housing project.

(c) Loan writedowns. A loan writedown is a reduction of a borrower’s debt approved by the Agency.

(1) Loan writedowns will only be approved when they are in the best interest of the Federal Government and when the following conditions exist:

(i) Sound management of the housing project is evident or sound management practices are proposed for correction in accordance with an Agency approved workout agreement; and

(ii) The housing project’s financial stability is being affected by conditions beyond the borrower’s control, such as market weaknesses, unforeseen site problems, or natural disasters.

(2) Prior to Agency approval for a loan writedown, the borrower must obtain an appraisal of the housing project that concludes the “as-is” market value, subject to restricted rents, conducted in accordance with subpart P of this part. The Agency will not approve a loan write-down unless the appraisal indicates the Federal Government’s interests are secured at the proposed writedown level.

(3) Any writedown will be conditioned on a finding that the borrower does not have the ability to pay a higher loan payment, even if the loan is reamortized.

(4) Loan writedowns may be used to allow for a loan transfer and assumption for less than the total amount of outstanding debt.

§3560.456 Liquidation.

Prior to any servicing action which might lead to the acquisition of real property by the Agency, the Agency
must complete a due diligence report to assess any potential contamination of the property from hazardous substances, hazardous wastes, or petroleum products. The borrower must cooperate with the Agency in the development of this report.

(a) Before acceleration. Before accelerating a project loan, the Agency will consider the possibility that the borrower is forcing an acceleration to circumvent the prepayment process. If it is found that this is the borrower’s motivation, the Agency will consider alternatives to acceleration, such as suing for specific performance under loan and management documents.

(b) Acceleration. When a borrower is in monetary or non-monetary default, the Agency will accelerate the loan unless the Agency decides other enforcement measures are more appropriate.

1. If the borrower does not pay the full account balance and meet the other terms of the acceleration notice within the time period set forth in the acceleration notice, the Agency will foreclose or acquire the security property through deed in lieu of foreclosure.

2. The Agency will suspend interest credit and rental assistance.

3. The Agency will not accept partial payment of an accelerated loan unless required by state law.

(c) Voluntary liquidation. After acceleration, borrowers may voluntarily liquidate through either of the following mechanisms:

1. Deed in lieu of foreclosure. RHS may accept a deed in lieu of foreclosure to convey title to the security property only after the debt has been accelerated and when it is in the Government’s best interest.

2. Offer by third party. If a junior lienholder or cosigner makes an offer in the amount of at least the net recovery value, RHS may assign the note and mortgage after all appeal rights have expired.

(d) Foreclosure. (1) The Agency will initiate foreclosure when a borrower is in monetary or non-monetary default and foreclosure is in the best interest of the Federal Government.

(2) When a junior lienholder foreclosure does not result in payment in full of the Agency debt but the property is sold subject to the Agency lien, the Agency will liquidate the account.

(e) Acquisition of chattel properties. (1) The Agency will accept voluntary conveyance of chattel property only when the borrower can convey ownership free of other liens and the Agency has agreed to release the borrower from further liability on the account.

(2) If the Agency decides to accept an offer of voluntary conveyance of chattel property, the borrower must provide an itemized listing of each chattel property item being conveyed and provide title to vehicles or other equipment, where applicable.

§ 3560.457 Negotiated debt settlement.

(a) Borrower proposals to settle debt. A borrower who cannot pay the full amount of loan payments may propose an offer to settle an outstanding debt for less than the full amount of that debt. The Agency may approve a negotiated debt settlement only in cases where a default is evident and doing so is in the best interest of the Federal Government and tenants.

(b) Required information. Borrowers requesting debt settlement must submit complete and accurate information from which a full determination of financial condition can be made. Debt settlement offers will not be approved by the Agency unless the financial information submitted by the borrower indicates that the borrower will be able to make the debt settlement payments as proposed.

(c) Effective date of approval. Debt settlement offers will not be accepted until the borrower receives written approval from the Agency.

(d) Appraisal requirement. No debt settlement offer will be accepted for less than the net recovery value of the security as determined by a licensed appraiser or other qualified official, and concurred in by the Agency’s qualified appraisal review official or other qualified official.

(e) Disposition of security prior to offer. Borrowers are not required to dispose of security prior to making a debt settlement offer. However, if a borrower has disposed of security prior to making a debt settlement offer, the proceeds from the disposed security must be applied to the borrower’s account.
§ 3560.458 Special property circumstances.

(a) Abandonment. When the Agency determines that a borrower has abandoned security for a loan under this part, the Agency will take the steps necessary to protect the Federal Government’s interest in the security. Costs associated with managing abandoned property are the responsibility of the borrower and will be charged to the borrower’s account until liquidation is completed.

(b) Other security. The Agency will service security such as collateral assignments, assignments of rents, Housing Assistance Payments Contracts, and notices of lienholder interest according to acceptable practices in the respective states.

(c) Taking of additional security to protect Agency interests. The Agency may require borrowers to provide additional security in the form of real estate, cash reserves, letters of credit, or other security when needed to improve the chances that the Agency will not suffer a loss, and when:

(1) The account is in default; or
(2) The property has not been properly managed or maintained.

(d) Due diligence. When the Agency has completed an environmental review in accordance with 7 CFR part 1940, subpart G, and decides not to acquire security property through liquidation action or chooses to abandon its security interest in real property, whether due in whole or in part, to the presence of contamination from hazardous substances, hazardous wastes, or petroleum products, the Agency will provide the appropriate environmental authorities with a copy of its due diligence report.

§ 3560.459 Special borrower circumstances.

(a) Deceased borrower, bankruptcy, insolvency, and divorce actions. The Agency will address borrower accounts affected by special circumstances such as death, bankruptcy, insolvency, and divorce on a case-by-case basis. The Agency will make servicing decisions in such cases on the basis of best interest to the Federal Government and tenants. The Agency will bring a legal action to establish the legal capacity of the borrower to administer the project if found necessary to protect the government’s interests. In order for the Agency to make servicing decisions in such cases, the borrower or the borrower’s representative will provide to the Agency:

(1) On the part of the heirs or executor of the borrower’s estate, evidence of legal action due to a will or court actions that establish who is to become the owner;
(2) The financial status of the borrower and any member pledging additional security for the debt;
(3) The status of the security property; and
(4) The impact of the identified actions on the operation of the project.

(b) Membership liability agreements. If a borrower’s note is endorsed by individuals other than the borrower or a borrower has security agreements with members of the organization for the purchase of shares of stock or for the payment of a pro rata share of the loan in the event of default, or has individual liability agreements, which are usually assigned to and held by the Agency as additional security for the loan, the security and liability agreements must be adequate to protect the Agency’s interest.

(c) Security issues in participation loans. When a multi-family housing (MFH) project is receiving financing or a subsidy from sources other than the Agency, the Agency will service the account in accordance with the participation agreements made with the Agency and the other funding sources under § 3560.65.

§ 3560.460 Double damages.

(a) Action to recover assets or income. (1) The Agency may request to the Attorney General to bring an action in a United States district court to recover any assets or income used by any person in violation of the provisions of a loan made by the Agency under this
section or in violation of any applicable statute or regulation.

(2) For the purposes of this section, a use of assets or income in violation of the applicable loan, statute, or regulation includes any use for which the documentation in the books and accounts does not establish that the use was made for a reasonable operating expense or necessary repair of the project or for which the documentation has not been maintained in accordance with the requirements of the Agency and in reasonable condition for proper audit.

(3) For the purposes of this section, the term “person” means:
(i) Any individual or entity that borrows funds in accordance with programs authorized by this section;
(ii) Any individual or entity holding 25 percent or more interest in any entity that the Agency funds in accordance with programs authorized by this section; and
(iii) Any officer, director, or partner of an entity that borrows funds in accordance with programs authorized by this section.

(b) Amount recoverable. (1) In any judgment favorable to the United States entered under this section, the Attorney General may recover double the value of the assets and income of the project that the court determines to have been used in violation of the provisions of a loan made by the Agency under this section or any applicable statute or regulation, plus all costs related to the actions, including reasonable attorney and auditing fees.

(2) Notwithstanding any other provisions of law, the Agency may use amounts recovered under this section for activities authorized under this section and such funds must remain available for such use until expended.

(c) Time limitation. Notwithstanding any other provisions of law, an action under this section may be commenced at any time during the six-year period beginning on the date that the Agency discovered or should have discovered the violation of the provisions of this section or any related statute or regulations.

(d) Continued availability of other remedies. The remedy provided in this section is in addition to and not in substitution of any other remedies available to the Agency or the United States.

§ 3560.461 Enforcement provisions.

(a) Equity skimming—(1) Criminal penalty. Whoever, as an owner, agent, employee, or manager, or is otherwise in custody, control, or possession of property that is security for a loan made under this title, willfully uses, or authorizes the use, of any part of the rents, assets, proceeds, income, or other funds derived from such property, for any purpose other than to meet actual, reasonable, and necessary expenses of the property, or for any other purpose not authorized by this title or the regulations adopted pursuant to this title, must be fined under title 18, United States Code, or imprisoned not more than five years, or both.

(2) Civil sanctions. An entity or individual who as an owner, operator, employee, or manager, or who acts as an agency for a property that is security for a loan made under this title where any part of the rents, assets, proceeds, income, or other funds derived from such property are used for any purpose other than to meet actual, reasonable, and necessary expenses of the property, or for any other purpose not authorized by this title or the regulations adopted pursuant to this title, must be subject to a fine of not more than $25,000 per violation. The sanctions provided in this paragraph may be imposed in addition to any other civil sanctions or civil monetary penalties authorized by law.

(b) Civil monetary penalties—(1) When civil monetary penalties may be imposed. The Agency may, after notice and opportunity for a hearing, impose a civil monetary penalty in accordance with this section against any individual or entity, including its owners, officers, general partners, limited partners, or employees, who knowingly and materially violate or participate in the violation of the provisions of this title, the regulation issued by the Agency pursuant to this title, or agreements made in accordance to this title by:
(i) Submitting information to the Agency that is false.
(ii) Providing the Agency with false certifications.
§ 3560.462

(iii) Failing to submit information requested by the Agency in a timely manner.

(iv) Failing to maintain the property subject to loans made under this title in good repair and condition, as determined by the Agency.

(v) Failing to provide management for a project that received a loan made under this title that is acceptable to the Agency.

(vi) Failing to comply with the provisions of applicable civil rights statutes and regulations.

(2) Amount. (i) The amount of a civil penalty imposed under this section must not exceed the greater of twice the damages the Agency or the project that is secured for a loan under this section suffered or would have suffered as a result of the violation, or $50,000 per violation.

(ii) Determination. In determining the amount of a civil monetary penalty under this section, the Agency must take into consideration:

(A) The gravity of the offense;

(B) Any history of prior offenses by the violator (including offenses occurring prior to the enactment of this section);

(C) Any injury to tenants;

(D) Any injury to the public;

(E) Any benefits received by the violator as a result of the violation;

(F) Deterrence of future violations; and

(G) Such other factors as the Agency may establish by regulation.

(3) Payment of penalties. No payment of a penalty assessed under this section may be made from funds provided under this title or from funds of a project which serve as security for a loan made under this title.

(4) Remedies for noncompliance. (i) Judicial intervention. If a person or entity fails to comply with a final determination by the Agency imposing a civil monetary penalty, the Agency may request the Attorney General of the United States to bring an action in an appropriate district court to obtain a monetary judgment against such an individual or entity and such other relief as may be available. The monetary judgment may, in the court’s discretion, include attorney’s fees and other expenses incurred by the United States in connection with the action.

(ii) Reviewability of determination. In an action under this paragraph, the validity and appropriateness of a determination by the Agency imposing the penalty must not be subject to review.

(c) Conditions for renewal extension. The Agency may require that expiring loan or assistance agreements entered into under this title must not be renewed or extended unless the owner executes an agreement to comply with additional conditions prescribed by the Agency, or executes a new loan or assistance agreement in the form prescribed by the Agency.

§ 3560.462 Money laundering.

The Agency will act in accordance with U.S. Code Title 18, part I, chapter 95, section 1956(c)(7)(D).

§ 3560.463 Obstruction of Federal audits.

The Agency will act in accordance with U.S. Code Title 18, part I, chapter 73, section 1516(a).

§§ 3560.464–3560.499 [Reserved]

§ 3560.500 OMB control number.

The information collection requirements contained in this regulation have been approved by the Office of Management and Budget (OMB) and have been assigned OMB control number 0575–0189. Public reporting burden for this collection of information is estimated to vary from 15 minutes to 18 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. A person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

Subpart K—Management and Disposition of Real Estate Owned (REO) Properties

§ 3560.501 General.

This subpart contains Agency procedures and other policies related to the management and disposition of multifamily housing (MFH) projects in the
Agency’s inventory (Real Estate Owned (REO) property). Housing projects will not be accepted into the Agency’s inventory unless one of the following has occurred:
(a) The borrower has abandoned the housing project and the Agency has performed the required steps to take the housing project into custody.
(b) The housing project title has been transferred to the Agency as a result of foreclosure, voluntary conveyance, redemption, or other action.

§ 3560.502 Tenant notifications and assistance.
Each tenant in an REO property designated to be sold as a non-program property will be notified by the Agency, in writing, of the housing projects' non-program designation and will be given an opportunity to obtain a Letter Of Priority Entitlement (LOPE) as specified in § 3560.159(c).

§ 3560.503 Disposition of REO property.
(a) Preference will be given to offers from bidders who are determined eligible by the Agency to purchase REO property designated to be sold as program property. It is the Agency’s priority that property previously operated as program property prior to becoming REO inventory property be sold as program property. However, REO property may be sold under whatever Agency program is most appropriate for the property and the community needs regardless of the program under which the property was originally financed or whether the property was being used to secure loans under more than one Agency program.
(b) When the Agency determines that the REO property to be sold is not decent, safe, and sanitary and/or does not meet cost effective energy conservation standards, it will disclose the basis for this determination to prospective purchasers. The deed by which such an REO property is conveyed will contain a covenant restricting it from residential use until it is decent, safe, and sanitary, and meets the Agency’s cost effective conservation standards. The Agency will also notify any potential purchaser of any known lead based paint hazards.

§ 3560.504 Sales price and bidding process.
(a) The loan documents related to REO property sold for program purposes must contain the restrictive-use language specified in § 3560.662(a).
(b) Entities bidding on REO property designated to be sold as program property must submit a loan application package that meets the requirements specified in subpart B of this part.
(1) Bidders on REO property designated to be sold as program property must meet the eligibility requirements established under § 3560.55.
(2) Bidders determined by the Agency to be ineligible to purchase REO property designated to be sold as program property will be notified in writing. The bidding process will continue regardless of pending appeals.
(3) All offers from bidders determined to be eligible to purchase REO property designated to be sold as program property will be considered in the bidding process and must provide evidence of financial stability and credit worthiness.
(c) The Agency will determine the successful bidder on REO property designated to be sold as program property by conducting a drawing of sealed bids.
(1) The Agency may authorize the sale of an REO property by sealed bid or public auction when it is in the best interest of the Government. The Agency will publicly solicit requests for sealed bids and publicize auctions. If the highest bid is lower than the minimum acceptable bid established by the Agency, or if no acceptable bids are received, the Agency may negotiate a sale without further public notice.
(2) Bidders who desire to withdraw their bids must do so prior to the drawing date.
(d) Property designated to be sold as non-program property may be sold to entities that do not meet the Agency’s eligible borrower requirements specified in §3560.55, and must be sold for cash or on terms approved by the Agency. Cash sales will be given first preference and will be drawn before any sales on terms.
§ 3560.505 Agency loans to finance purchases of REO properties.

(a) Agency loans to finance the purchase of REO property designated to be sold as program property must meet the same requirements as specified in subparts A and B of this part. In addition, the following provisions apply:

(1) At the borrower’s option, the interest rate will be the prevailing rate at the time of loan approval or the prevailing rate at loan closing.

(2) Purchasers may pay closing costs from their own funds or, if allowable under subparts B, L, or M of this part, as applicable, may finance such costs as part of the Agency loan.

(b) Agency loans to finance the purchase of REO property designated to be sold as non-program property must meet the following terms.

(1) A down payment of not less than 10 percent of the purchase price is required at closing.

(2) The interest rate will equal the lesser of the prevailing interest rate at the time of loan approval or loan closing for MFH loans plus one-half percent.

(3) The note amount will be amortized over a period not to exceed 10 years. If the Agency determines that more favorable terms are necessary to facilitate the sale, the note amount may be amortized using a 30-year factor with payment in full due no later than 10 years from the date of closing (balloon payment). In no case will the term be longer than the useful life of the property.

(4) Agency loans to finance the purchase of non-program REO property are subject to the availability of funds.

(c) Loan limits and allowable uses of loan funds specified in subparts B, L, and M of this part, as applicable, are applicable to any Agency-financed (credit) sale of REO property.

(d) Title clearance and loan closing for an Agency financed sale and any subsequent loan to be closed simultaneously with the sale must meet the requirements in subpart B of this part for an initial loan, with the following exceptions:

(1) A “Quit Claim” or other non-warranty deed will be used; and

(2) The buyer must pay attorney’s fees, insurance costs, recording fees and other customary fees unless they are included in a subsequent loan and the subsequent loan is for purposes other than closing costs and fees.

(e) After approval of an Agency-financed sale of occupied REO property designated to be sold as program property, but prior to closing, the purchaser must prepare a budget for housing operations in accordance with subpart B of this part. If a rent increase is necessary, procedures specified in subparts E and F of this part for calculating rents, net tenant contributions, and rental assistance will be followed by the borrower.

§ 3560.506 Conversion of single family type REO property to MFH use.

Single family type REO property may be sold for conversion to MFH program use under the following conditions:

(a) The Agency will allow nonprofit organizations, public bodies, or for-profit entities to purchase single family type REO property for conversion to MFH program use. When the Agency finances the sale of single family-type REO property for conversion to rural rental housing program use (i.e., MFH including group homes and homes for the elderly or disabled, farm labor housing, or rural cooperative housing), the sale price will be the lesser of the Federal Government’s investment or an amount based on the “as-is” market value of the housing project as determined by an appraisal conducted in accordance with subpart P of this part.

(b) The Agency will only accept written offers to purchase two or more single family type REO properties for conversion to rural rental housing from nonprofit organizations, public bodies, or for-profit entities with a good record of providing housing under the Agency’s MFH programs. The single family type properties are not required to be contiguous, however, they must be located in close enough proximity so that management capabilities are not diminished because of distance.

§§ 3560.507–3560.549 [Reserved]

§ 3560.550 OMB control number.

The information collection requirements contained in this regulation...
§ 3560.555 Eligibility requirements for off-farm labor housing loans and grants.

(a) Eligibility for loans. Applicants for off-farm labor housing loans must be:

(1) A broad-based nonprofit organization, a nonprofit organization of farmworkers, a federally recognized Indian tribe, a community organization, or an agency or political subdivision of State or local government, and must meet the requirements of §3560.55, excluding §3560.55(a)(6). A broad-based nonprofit organization that has a membership that reflects a variety of interests in the area where the housing will be located; or

(2) A limited partnership with a nonprofit general partner which meets the requirements of §3560.55(d).

(b) Eligibility for grants. To be eligible for off-farm labor housing grants, applicants must:

(1) Meet the requirements in §3560.555(a)(1); and

(2) Be able to contribute at least one-tenth of the total farm labor housing development cost from its own or other resources. The applicant’s contribution
must be available at the time of grant closing. An off-farm labor housing loan financed by RHS may be used to meet this requirement.

(c) Limitation. Limited partnerships eligible under paragraph (a)(2) of this section are not eligible for farm labor housing grants.

§ 3560.556 Application requirements and processing.

Off-farm loans and grants will be available under a Notice of Funding Availability (NOFA) that will be published in the Federal Register each fiscal year.

§ 3560.557 [Reserved]

§ 3560.558 Site requirements.

The requirements established in §3560.58 apply to all applications for off-farm labor housing loans and grants except that off-farm labor housing are not limited to rural areas.

§ 3560.559 Design and construction requirements.

(a) General. The requirements established in §3560.60 apply to all applications for off-farm labor housing loans and grants except that seasonal off-farm labor housing that will be occupied for eight months or less per year by migrant farmworkers while they are away from their residence, may be constructed in accordance with Exhibit I of 7 CFR part 1924, subpart A.

(b) Additional requirements. In addition to the requirements established in §3560.60, it is encouraged that the design of off-farm labor housing incorporate outdoor shower, boot washing station, and/or hose bibb facilities as necessary to protect the resident and the asset from excess dirt and chemical exposure.

(c) Davis-Bacon wage requirements. Construction financed with the assistance of a Section 516 grant will be subject to the provisions of the Davis-Bacon Act (40 U.S.C. 276(a)–276(a)(7)), and the implementing regulations published by the Department of Labor at 29 CFR parts 1, 3, and 5.

§ 3560.560 Security.

The security requirements established in §3560.61 will apply to all applications for off-farm labor housing loans.

§ 3560.561 Technical, legal, insurance and other services.

The requirements established under §3560.62 apply to all applications for off-farm labor housing loans and grants.

§ 3560.562 Loan and grant limits.

(a) Determining the security value. The requirements established under §3560.63(a) apply to off-farm labor housing loans.

(b) Maximum amount of loan. The requirements established in §3560.63(c)(1) and (2), regarding borrower equity contribution apply to all applications for off-farm labor housing loans. (For applicants eligible under §3560.555(a)(2), the amount of Agency financing for the housing will not exceed 95 percent of the total development cost or 95 percent of the security value available for the Agency loan, whichever is lower.) In determining the amount of the loan, the Agency will also review the capacity of the applicant to amortize such loan, considering any rental assistance provided for use in the housing, and any rents anticipated to be paid by farmworkers expected to occupy the housing.

(c) Maximum amount of grant. The amount of any off-farm labor housing grant must not exceed the lesser of:

(1) Ninety percent of the total development cost, or

(2) That portion of the total development cost which exceeds the sum of any amount provided by the applicant from their own resources plus the amount of any loans approved for the applicant, considering the capacity of the applicant to amortize the loan.

§ 3560.563 Initial operating capital.

The requirements for §3560.64 apply to all applications for off-farm labor housing loans and grants.

§ 3560.564 Reserve accounts.

The requirements for §3560.65 apply to all applications for off-farm labor housing loans and grants.
§ 3560.565 Participation with other funding or financing sources.

The requirements established in §3560.66 apply to all applications for off-farm labor housing loans and grants, except that the 25 percent requirements stated in paragraph §3560.66(b)(1) may consist of loan and/or grant funds.

§ 3560.566 Loan and grant rates and terms.

(a) Amortization period. The loan will be amortized over a period not to exceed 33 years. The amortization schedule will take into account the depreciation of the security and ensure that the loan will be adequately secured.

(b) Interest rate. The effective interest rate will be 1 percent.

(c) Term of grant agreement. The grant agreement will remain in effect for so long as there is a need for farm labor housing.

§ 3560.567 Establishing the profit base on initial investment.

The requirements established under §3560.68 apply to applicants eligible under §3560.555(a)(2) and operating as a limited partnership with a nonprofit general partner.

§ 3560.568 Supplemental requirements for seasonal off-farm labor housing.

For off-farm labor housing operating on a seasonal basis, the management plan must establish specific opening and closing dates. During the off-season, off-farm labor housing may be used as defined in subpart A of this part under short-term lease provisions. Where rents are charged on a per-unit basis and family income qualifies the household for rental assistance, rental assistance may be used.

§ 3560.569 Supplemental requirements for manufactured housing.

The requirements established in §3560.70 apply to all applications for off-farm labor housing loans and grants.

§ 3560.570 Construction financing.

The requirements established in §3560.71 apply to all applications involving off-farm labor housing loans and grants. In addition, the following requirements apply.

(a) Equity contributions being made by a borrower or grantee must be contributed and disbursed prior to any disbursement of interim loan funds and any loan or grant funds from the Agency.

(b) If the Agency is providing both loan and grant funds, loan funds must be fully released and expended prior to the release of grant funds by the Agency.

(c) If construction is financed with a Labor Housing grant, it is subject to the provisions of the Davis-Bacon Act (published in the Department of Labor regulations 29 CFR parts 1, 2, and 5).

§ 3560.571 Loan and grant closing.

The requirements established in §3560.72 apply to all applications for off-farm labor housing loans and grants. In addition, the following requirements apply.

(a) A nonprofit organization will have its Board of Directors adopt an Agency-approved loan and/or grant resolution, which is required as part of the loan docket before loan and/or grant approval. All other loan applicants will execute an Agency-approved loan agreement.

(b) For grants, an Agency approved grant agreement, must be executed by the applicant on the date of grant closing.

(c) The obligations incurred by the applicant, as a condition of accepting the grant, will be in accordance with the off-farm labor housing grant agreement.

(d) Off-farm labor housing loans used to build or acquire new units made pursuant to a contract entered into on or after the effective date of this regulation, will be subject to the restrictive-use provision stated in §3560.72(a)(2)(i). All other off-farm labor housing loans are subject to the restrictive-use provisions contained in their loan documents and as outlined in subpart N of this regulation. Such restrictions must be included in the mortgage and deed of trust.

§ 3560.572 Subsequent loans.

The requirements established in §3560.73 will apply to all applications...
§ 3560.573 Rental assistance.

(a) Rental assistance may be provided to income eligible tenants living in off-farm labor housing in accordance with subpart F of this part. The requirements established in §3560.252 apply to all tenants receiving rental assistance.

(b) For dormitory style facilities operating on a per bed basis, rental assistance will be made available to the housing on a per unit basis, but may be pro-rated to tenants on a per bed basis. However, total rent charged for a unit must not exceed conventional rent for comparable units in the area or a similar area and per bed rents must be comparable to per bed rents in the market.

§ 3560.574 Operating assistance.

Operating assistance may be used in lieu of tenant-specific rental assistance in off-farm labor housing projects financed under section 514 or section 516 of the Housing Act of 1949 (U.S.C. 1486(i)) that serve migrant farmworkers. Owners of eligible projects may choose tenant-specific rental assistance as described in §3560.573 or operating assistance, or a combination of both, however, any tenant or unit assisted under this section may not receive rental assistance under §3560.572. The objective of this program is to provide assistance toward the cost of operating the project so that rents may be set at rates that are affordable to very low and low-income migrant farmworkers.

(a) Project eligibility requirements. To be eligible for the operating assistance program, projects must be:

(1) Off-farm labor housing projects financed under section 514 or section 516 with units that are for migrant farmworkers. Housing units for year-round farmworker households are ineligible; and

(2) Eligible for the Agency’s rental assistance program as defined in §3560.573.

(b) Operating assistance limits. The amount of operating assistance requested by the owner must be based on the portion of actual income and expenses that are attributable to the units that are for migrant farmworkers. In no instance may the annual amount of operating assistance exceed 90 percent of the annual operating costs that are attributable to the migrant units.

(c) Owner responsibilities—(1) Requesting for operating assistance program. Owners of off-farm labor housing projects with units for migrant farmworkers may request operating assistance by submitting a request to the Agency, which must include a budget. The budget must include:

(i) Estimated operating costs for the migrant units, including authorized expenditures such as reserve deposits;

(ii) Proposed rental rates for the migrant units to generate sufficient funds for operating costs of those units, taking into consideration all other sources of project income; and

(iii) Estimated rental income from tenants, based on a tenant contribution of 30 percent of the average adjusted monthly income of migrant farmworker households in the area.

(2) Requesting operating assistance payments. Each month, the owner will submit a request for operating assistance to the Agency.

(3) Verifying tenant income eligibility. Owners are responsible for verifying tenant income eligibility. Only very low or low-income households are eligible for the operating assistance rents. Households with incomes above the low-income limits must pay the full rent.

(4) Reporting requirements. (i) Owners will complete and submit to the Agency tenant certifications to document tenant income and eligibility.

(ii) Owners will complete and submit monthly to the Agency a project worksheet for operating assistance.

(iii) Owners must submit an annual planning budget to the Agency prior to the project’s fiscal year.

§ 3560.575 Rental structure and changes.

Off-farm labor housing is subject to the tenant contribution and rental unit rent requirements for Plan II housing
established under subpart E of this part, except where seasonal housing will be occupied for less than a 3-month period. In such instances the best available and practical income verification methods may be used with prior approval of the Agency.

§ 3560.576 Occupancy restrictions.

(a) Restrictions on conditions of occupancy. (1) No borrower or grantee will be permitted to require that an occupant work on any particular farm or for any particular owner or interest as a condition of occupancy of the housing.

(2) Tenant selection should be in accordance with the loan agreement, subpart D of this part and § 3560.577.

(3) No borrower or grantee will discriminate, or permit discrimination by any agent, lessee, or other operator in the use or occupancy of the housing or related facilities because of race, color, religion, sex, age, disability, familial status, or national origin.

(b) Eligible households. To be eligible for occupancy in off-farm labor housing, households must meet the following requirements.

(1) Occupational. An eligible household must include a domestic tenant or co-tenant farm laborer, a retired domestic farm laborer, or a disabled domestic farm laborer.

(2) Income. The household must meet the definition of income eligible as established in § 3560.152 and the tenant or co-tenant must receive a substantial portion of income from farm labor employment. To determine if a substantial portion of income is from farm labor employment, the following measures will be used.

(i) For housing rented to farm laborers and owned by public bodies, public or private nonprofit organizations, and limited partnerships when charging rent.

(A) Actual dollars earned from farm labor by domestic farm laborers other than migrant farmworkers must equal at least 65 percent of the annual income limits indicated for the Standard Federal regions as published by the Agency for their particular region of the country. For migrant farmworkers living in seasonal housing the actual dollars earned from farm labor by a domestic farm laborer must equal at least 50 percent of annual income limits indicated for the Standard Federal regions, as published by the Agency.

(B) An alternate measure for determining substantial portion of income when actual earnings are not available may be the duration of time a farm laborer worked on a farm or other farming enterprise as a domestic farmworker during the preceding 12 months. In order to be considered as substantial the farm laborer must have worked at least 110 whole days in farm work. For purposes of this section one whole day is the equivalent of at least 7 hours. When using a period of more than 1 year, a yearly average must amount to at least 110 days per year.

(ii) For housing owned by a farmer, family-farm partnership, family-farm corporation, or an association of farmers which was initially provided on a non-rental basis, a substantial portion of income is earned when housing is provided by the owner as part of employment compensation for farm labor.

(iii) When a natural disaster has occurred, such as a drought, flood, freeze, etc., figures for the 12 months preceding such disaster will be used to determine substantial portion of income under paragraph (b)(2) of this section.

(iv) The tenant who qualifies as a domestic farm laborer residing in a property with a nonrestrictive farm labor clause in the mortgage covenants must not have adjusted income which exceeds the moderate income limit for the appropriate household size and appropriate geographical area.

(3) Occupancy. The household must remain in compliance with the borrower’s occupancy policy as established in § 3560.155.

(c) Tenant eligibility requirements for operating assistance rents. To be eligible for operating assistance rents, tenants must meet the rental assistance eligibility requirements described in § 3560.573 and in § 3560.252.

(d) Ineligible tenants. Tenants who, at any time, fail to meet all the requirements in paragraph (b) of this section will be deemed ineligible for occupancy in off-farm labor housing. Ineligible tenants in off-farm labor housing will be addressed in accordance with the requirements of § 3560.158.
(e) Non-farm laborer tenants. When there is a diminished need for housing for persons or families in the above categories, units in off-farm labor housing complexes may be made available to persons or families eligible for occupancy under §3560.152. Eligible tenants under this section may occupy the labor housing until such time the units are again needed by persons or families eligible under paragraph (b) of this section. As the basis for Agency approval or disapproval of the borrower’s determination of diminished need, the borrower must submit a current analysis of need and demand to the Agency, identical to the market analysis that is required of loan applicants in the loan origination process. The borrower’s determination and the State Director’s recommendation should be forwarded to the National Office for concurrence. The procedures specified in §3560.158 shall be followed when tenants are required to vacate housing to allow for occupancy by persons eligible under paragraph (b) of this section.

§ 3560.577 Tenant priorities for labor housing.

Tenant occupancy in off-farm labor housing is based on eligible farm labor certified through the income certification process required by §3560.152 and is prioritized in the following order.

(a) First priority is to be given to eligible active farm laborer households with first priority going to very low-income households, next priority to low-income households, and last to moderate-income households.

(b) Second priority is given to retired domestic farm laborer households and disabled domestic farm laborer households who were active in the local farm labor market area at the time of retiring or becoming disabled. Occupancy priority will be given in accordance with paragraph (a) of this section.

(c) Third priority is to be given to retired domestic farm laborer households and disabled domestic farm laborer households who were not active in the local farm labor market at the time of retiring or becoming disabled. Occupancy priority will be given in accordance with paragraph (a) of this section.

§ 3560.578 Financial management of labor housing.

The requirements established in subpart G of this part will apply to all off-farm labor housing.

§ 3560.579 Servicing off-farm labor housing.

The requirements established in subparts I and J of this part will apply to all off-farm labor housing. Servicing according to subparts I and J of this part shall apply throughout the term of the loan or grant, whichever is longer.

§ 3560.600 OMB control number.

The information collection requirements contained in this regulation have been approved by the Office of Management and Budget (OMB) and have been assigned OMB control number 0575–0189. Public reporting burden for this collection of information is estimated to vary from 15 minutes to 18 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. A person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

Subpart M—On-Farm Labor Housing

§ 3560.601 General.

This subpart contains the requirements for making loans for on-farm labor housing and for ongoing operation and management of on-farm labor housing. Unless otherwise specified in this subpart, the requirements of subparts A through K, N, O, and P of this part will apply in addition to requirements given in this subpart.

§ 3560.602 Program objectives.

In addition to the objectives stated in §3560.52, on-farm labor housing funds will be used to increase:

(a) The supply of affordable housing for farm labor; and
§ 3560.603 Loan purposes.

On-farm labor housing loans may be made only for the purposes established in §3560.553. Grants are not available for on-farm labor housing.

§ 3560.604 Restrictions on use of funds.

On-farm labor housing loans may not be used for any purpose prohibited by §3560.54 except §3560.54(a)(1). On-farm labor housing may be used to serve migrant workers. In addition, on-farm labor housing loan funds may not be used to provide housing for members of the immediate family of the applicant when the applicant is an individual farm owner, family farm corporation, family farm partnership, or a member of an association of farmers. Immediate family includes mother, father, brothers, sisters, sons, and daughters of the applicant and spouse.

§ 3560.605 Eligibility requirements.

(a) To be eligible for an on-farm labor housing loan, the applicant must meet the requirements of §3560.55(a) with the exception of §3560.55(a)(1), (5), and (6) and the following requirements.

(1) The applicant must be a farm owner, family farm partnership, family farm corporation, or an association of farmers engaged in agricultural or aquacultural farming operations whose farming operations demonstrate a need for on-farm labor housing and who will own the housing and operate it on a nonprofit basis.

(2) The applicant must agree to use the labor housing to engage in the farming operations of the individual farm owner applicant, or in the farming operations of its members if it is a family farm corporation or partnership, or an association of farmers.

(3) The applicant must, as determined by the Agency, be unable to provide the necessary housing from the applicant's own resources and be unable to obtain credit from any other source upon terms and conditions which the applicant could reasonably be expected to fulfill. If the applicant is an association of farmers or family farm corporation or partnership, the individual members, individually and jointly, must be unable to provide the necessary housing by utilizing their own resources and be unable, by pledging their personal liability, to obtain other credit that would enable them to provide housing for farm workers at rental rates they can afford to pay. The individual resources of family farm corporation or partnership members with less than a 10 percent corporate or partnership interest should not be considered when determining if the applicant can obtain credit elsewhere when all of the following conditions exist:

(1) There is a housing need in the area for domestic farmworkers who are migrants and the applicant will provide such housing; and

(2) There are no qualified state or political subdivisions or public or private nonprofit organizations available, or likely to become available within 12 months of the application, that are willing and able to provide the housing.

(b) The Agency may make an exception to the requirement that an individual farm owner, family farm corporation, family farm partnership or an association of farmers be unable to obtain the necessary credit elsewhere when all of the following conditions exist:

§ 3560.606 Application requirements and processing.

(a) On-farm labor housing loan applications will be processed according to 7 CFR part 1940, subpart L. Applicants must submit an application in an Agency-approved format that adequately documents the need for the housing and the eligibility of the applicant.

(b) The applicant must certify that the farm workers for which the housing is intended are or will be involved in the applicant's agricultural or aquacultural farming operations.
§ 3560.607  [Reserved]

§ 3560.608 Site and construction requirements.

(a) General. Cost and development standards for on-farm labor housing will be consistent with the requirements, standards, and cost limits specified in subpart B of this part. If the housing is a multi-family housing type structure, or consistent with section 502 of the Housing Act of 1949, if the housing is a single family type structure.

(b) Permanent units. On-farm labor housing occupied for 8 months or more of the year will be required to meet the following requirements.

(1) Housing may be multi-family or single family in type and may be located on the farm away from farm service buildings, or in the nearby community. Single-family type housing is defined as an individual or a group of individual single family detached dwelling units. All sites and housing shall be planned and constructed in accordance with 7 CFR part 1924, subparts A and C.

(2) Sites must be accessible from a public road, when feasible.

(c) Seasonal units. On-farm labor housing occupied for less than 8 months of the year will be considered seasonal housing. Such housing must meet the following requirements.

(1) Housing designed for seasonal occupancy may be either single family or multi-family.

(2) Seasonal housing may be constructed in accordance with exhibit I of 7 CFR part 1924, subpart A. If constructed in accordance with exhibit I, the housing must be suitable to allow for conversion to full-year occupancy if the need for migrant farmworkers in the area declines.

(d) Accessibility. On-farm labor housing that consists of buildings with less than three units, need not meet the requirement that five percent of the units be constructed as fully accessible units, as described in §3560.60(d). This does not, however, eliminate any other accessibility requirements.

§ 3560.609  [Reserved]

§ 3560.610 Security.

(a) Security instruments must meet the requirements established under §3560.560.

(b) When feasible, the on-farm labor housing will be located on a tract of land that is surveyed such that, for security purposes, it is considered separate and distinct from the farm. The security for the loan must include a lien on the tract of land where the on-farm labor housing is located and the security must have adequate value to protect the Federal government’s interest. The Agency will seek a first or parity lien position on Agency-financed property in all instances, however, the Agency may accept a junior lien position if the Federal government’s interests are adequately secured.

(c) The Agency will determine the value of the security for the loan in accordance with 7 CFR part 1922, subpart B if the farm is used as security or in accordance with section 502 of the Housing Act of 1949, if only the on-farm labor housing and related land is used for security.

(d) If necessary to provide adequate security for the loan, the Agency may require that any household furnishings purchased with loan funds also be secured.

(e) Personal liability and recourse will be required of all borrowers, including the individual members, stockholders or partners of an association of farmers, family farm corporations or partnerships, respectively.

§ 3560.611 Technical, legal, insurance and other services.

When technical, legal, insurance, or services are required for development of on-farm labor housing, applicants
must comply with the applicable requirements of §3560.62. Regarding insurance coverage, the requirements of §3560.62(d) apply to on-farm labor housing.

§ 3560.612 Loan limits.

The maximum loan amount will be 100 percent of the allowable total development costs of on-farm labor housing and related facilities subject to §§3560.603, 3560.604 and 3560.608.

§ 3560.613 [Reserved]

§ 3560.614 Reserve accounts.

When on-farm labor housing operations include 12 or more units, the Agency will require such properties to comply with the reserve account requirements in §3560.65.

§ 3560.615 Participation with other funding sources.

The Agency encourages the use of other funding sources in conjunction with on-farm labor housing loans. Use of such financing in conjunction with an on-farm labor housing loan is subject to the approval of the Agency and must comply with the requirements of §3560.66.

§ 3560.616 Rates and terms.

(a) The interest rate for on-farm labor housing loans will be 1 percent.
(b) The term of the on-farm labor housing loan will not exceed 33 years.
(c) Loan amortization for on-farm labor housing may be on a monthly or an annual basis.

§ 3560.617 [Reserved]

§ 3560.618 Supplemental requirements for on-farm labor housing.

The management plan for on-farm labor housing operated on a seasonal basis must have specific opening and closing dates. During the off-season, on-farm labor housing may be used under short-term lease provisions.

§ 3560.619 Supplemental requirements for manufactured housing.

On-farm labor housing loan funds used for manufactured housing must comply with §3560.70. Manufactured housing located on-farm may consist of individual units.

§ 3560.620 Construction financing.

The requirements established in §3560.71 apply to all applications involving on-farm labor housing loans.

§ 3560.621 Loan closing.

Applicants for on-farm labor housing loans must execute an Agency-approved loan agreement. In addition, if determined appropriate by the Agency, on-farm labor housing loans made on or after the effective date of this regulation may be subject to the restrictive-use provisions as stated in §3560.72(a)(2)(ii). All other on-farm labor housing loans are subject to the restrictive-use provisions contained in their loan documents and as outlined in subpart N of this regulation.

§ 3560.622 Subsequent loans.

The requirements established in §3560.572 apply to all applications for on-farm labor housing subsequent loans.

§ 3560.623 Housing management and operations.

Borrowers with on-farm labor housing loans must:

(a) Develop and submit to the Agency a management plan in a format specified by the Agency. At a minimum, the management plan will detail the borrower’s operational and occupancy policies, how the borrower will deal with resident complaints, and how repairs will be completed; and

(b) Maintain a lease or employment contract with each tenant specifying employment with the borrower as a condition for continued occupancy.

§ 3560.624 Occupancy restrictions.

(a) The immediate relatives of the borrowers are ineligible occupants for on-farm labor housing.
(b) Occupants must meet the definition of a domestic farm laborer, as defined in §3560.11.
(a) Occupancy of on-farm labor housing is restricted to employees of the borrower unless otherwise approved by the Agency.
(d) With prior written permission of the Agency, on-farm labor housing may
be occupied by ineligible tenants on a short-term basis. The permission of the Agency must also be for a limited duration.

§ 3560.625 Maintaining the physical asset.
On-farm labor housing must meet state and local building and occupancy codes.

§ 3560.626 Affirmative Fair Housing Marketing Plan.
On-farm labor housing must meet the requirements of §3560.104.

§ 3560.627 Response to resident complaints.
The management plan submitted in accordance with §3560.623 (a) will include a provision for dealing with resident complaints.

§ 3560.628 Establishing and modifying rental charges.
If it becomes necessary to establish or modify a shelter cost, the borrower must obtain Agency approval as specified in subpart E of this part.

§ 3560.629 Security deposits.
Borrowers that require security deposits to be paid by the tenants will be required to comply with the requirements of §3560.204.

§ 3560.630 Financial management.
Financial information must be submitted in an Agency-approved format and will show operation of the housing in a non-profit manner.

§ 3560.631 Agency monitoring.
A compliance review and physical inspection will be conducted by the Agency at least once every 3 years. The purpose of this review will be to inspect:
(a) Tenant eligibility documentation;
(b) Financial information on the operation and management of the labor housing, including relevant borrower financial materials;
(c) Payment of taxes, insurance and hazard insurance;
(d) Compliance with the security deposit requirements;
(e) Compliance with the operating plan;
(f) Compliance with the loan agreement;
(g) Compliance with Agency requirements for affordable, decent, safe, and sanitary housing; and
(h) Compliance with civil rights requirements.

§§ 3560.632–3560.649 [Reserved]

§ 3560.650 OMB control number.
The information collection requirements contained in this regulation have been approved by the Office of Management and Budget (OMB) and have been assigned OMB control number 0575–0189. Public reporting burden for this collection of information is estimated to vary from 15 minutes to 18 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. A person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

Subpart N—Housing Preservation

§ 3560.651 General.
(a) This subpart contains the Agency’s housing preservation requirements as related to prepayment requests and restrictive-use provisions (RUPs). The requirements of this subpart support the Agency’s commitment to the preservation of decent, safe, sanitary, and affordable multi-family housing (MFH) for very low-, low-, and moderate-income households.
(b) The Agency will coordinate, direct, and monitor the Agency’s MFH preservation activities from the National Office level.

§ 3560.652 Prepayment and restrictive-use categories.
(a) Loans with prepayment prohibitions include:
(1) Initial section 515 loans made on or after December 15, 1989, and
(2) Subsequent loans made on or after December 15, 1989, for additional rental units.
(b) Loans without prepayment prohibitions but with restrictive-use provisions include:
Rural Housing Service, USDA

§3560.653

(1) All loans made after December 21, 1979, but prior to December 15, 1989;
(2) Subsequent loans made on or after December 15, 1989, for purposes other than additional rental units; or
(3) Loans subsequently restricted by servicing actions including transfers.

(c) Loans without prepayment prohibitions or restrictive-use provisions include all loans made on or before December 21, 1979 or loans that had restrictive-use provisions that have expired. Such loans are eligible to receive incentives subject to the provisions of this subpart.

(d) Loans may be prepaid if another loan or grant from the Agency imposes the same or more stringent restrictive-use provisions on the housing project covered by the loan being prepaid.

§3560.653 Prepayment requests.

(a) Borrowers seeking to prepay an Agency loan must submit a written prepayment request to the Agency at least 180 days in advance of the anticipated prepayment date and must obtain Agency approval before the Agency will accept prepayment.

(b) Prior to submitting a prepayment request, borrowers must take whatever actions are necessary to provide the following items:

(1) A clear description of the loan to be prepaid, the housing project covered by the loan being prepaid, and the requested date of prepayment.

(2) A statement documenting the borrower’s ability to prepay under the terms specified.

(3) A certification that the borrower will comply with any federal, state, or local laws or regulations which may relate to the prepayment request and a statement of actions needed to assure such compliance.

(4) A copy of lease language to be used during the period between the submission date and the final resolution of the prepayment request notifying tenant applicants that the owner of the housing project has submitted a prepayment request to the Agency and explaining the potential effect of the request on the lease.

(5) Borrowers are required to submit a signed release of information form along with the prepayment request. The Agency will notify nonprofit organizations and public bodies involved in providing affordable housing or financial assistance to tenants of the receipt of a borrower’s request to prepay their loan(s). Additionally, the Agency is to notify nonprofit organizations and public bodies whenever a borrower, who has requested prepayment, is required or elects to offer their property for sale to a nonprofit or public body.

(6) A certification that the borrower has notified all governmental entities involved in providing affordable housing or financial assistance to tenants in the project and that the borrower has provided a statement specifying how long financial assistance from such parties will be provided to tenants after prepayment.

(7) A statement affirming that units in the property applying for prepayment will continue to be available for rent by eligible residents during the prepayment process.

(c) The Agency will review complete requests to determine if:

(1) The loan is eligible for prepayment under §3560.652(b);

(2) The borrower has the ability to prepay; and

(3) The borrower has complied or has the ability to comply with applicable Federal, state, and local laws related to the prepayment request.

(d) If a prepayment request lacks full and complete information on any item, the Agency will return the prepayment request to the borrower with a letter citing the deficiencies in the prepayment request. The Agency will offer borrowers an opportunity, within 30 days following the date of the return, to address the reasons given by the Agency for the return of the prepayment request and will allow the borrower to submit a revised prepayment request.

(e) If the Agency determines that the prepayment request appropriately satisfies all the conditions listed in paragraph (d) of this section, the Agency will process the prepayment request and make a reasonable effort to enter into a new restrictive-use agreement with the borrower in accordance with §3560.662 or §3560.655. If the Agency determines that a loan is ineligible for prepayment or the borrower does not have the ability to prepay, the Agency
§ 3560.654 Tenant notification requirements.

(a) Within 30 calendar days of receiving a complete prepayment request, the Agency will send a prepayment request notice to each tenant in the housing project. Borrowers must post the Agency’s prepayment request notice in public areas throughout the housing project from the date of the notice until the final resolution of the prepayment request. The prepayment request notice will establish a date and place where tenants may meet with the Agency to discuss the prepayment request and will advise tenants that:

(1) They may review all information submitted with the prepayment request except financial information regarding the borrower entity, which the Agency will withhold from tenant review unless given written permission for the release of the information from the borrower; and,

(2) They have 30 days from the date of the prepayment request notice to give the Agency comments on the prepayment request.

(b) Borrowers may provide a prepayment request notice of their own directly to tenants and may establish a date and place where tenants may meet with the borrower to discuss the prepayment request. The Agency and other providers of housing assistance for very-low, low, and moderate-income households may attend a borrower's prepayment request meeting with tenants.

(c) If the Agency agrees to accept prepayment on a loan, the Agency will send a prepayment acceptance notice to each tenant in the housing project at least 60 days prior to the prepayment date. Borrowers must post copies of the Agency’s prepayment acceptance notice in public areas throughout the housing project until prepayment is made. If the prepayment acceptance was based on a borrower’s agreement to comply with restrictive-use provisions, the notice will describe the restrictive-use provisions that will apply to the housing project after prepayment and the tenant’s rights to enforcement of the provisions.

(d) If the borrower withdraws the prepayment request, the Agency will provide a prepayment request cancellation notice to each tenant in the housing project. Borrowers must post copies of the prepayment request cancellation notice in the public areas throughout the housing project for a period of 60 days following the date of the prepayment request cancellation notice.

(e) If the borrower agrees to accept incentives and restrictive-use provisions, the Agency will notify each tenant, in writing, of the agreement and provide a description of the restrictive-use provision.

(f) If a borrower agrees to sell a housing project involved in a prepayment request to a nonprofit organization or public body, the Agency will notify each tenant, in writing, of the proposed sale to a nonprofit organization or public body and will explain the timeframes involved with the proposed sale, any potential impact on tenants, and the actions tenants may take to alleviate any adverse impact. Borrowers must post copies of the Agency’s proposed sale notice in public areas throughout the housing project until the housing project is sold or the offer to sell is withdrawn.

(g) If a tenant applicant signs a lease in a housing project for which a prepayment request has been submitted, the borrower must provide the tenant with copies of all notifications provided to tenants by the Agency or the borrower prior to the tenant’s occupancy in the housing project.

(h) If a borrower is unable to sell a housing project involved in a prepayment request to a nonprofit organization or public body within 180 days as specified in §3560.659, the Agency will send a notice to each tenant in the housing project explaining the potential impact of the borrower’s inability to sell the housing project on tenants and the actions tenants may take to alleviate any adverse impact. Borrowers must post the Agency’s notice in public areas throughout the housing project for a period of 60 days following the date of the notice.
§ 3560.655 Agency requested extension.

Before accepting an offer to prepay from a borrower with a restricted loan, the Agency must first make a reasonable effort to enter into a new restrictive-use agreement with the borrower. Under this agreement, the borrower would make a binding commitment to extend the low-income use of the housing and related facilities for 20 years for loans with interest credit, beginning on the date on which the new agreement is executed. If the borrower is unwilling to enter into a new restrictive-use provisions and restrictive-use agreement, the Agency should proceed to take the actions described in §3560.658.

§ 3560.656 Incentives offers.

(a) The Agency will offer a borrower, who submits a prepayment request meeting the conditions of §3560.653(d), incentives to agree to the restrictive-use period in §3560.662 if the following conditions are met:

1. The market value of the housing project is determined by the Agency, based on an appraisal conducted in accordance with subpart P of this part.
2. There are no restrictive-use agreements or prepayment prohibitions in effect.

(b) Specific incentives offered will be based on the Agency’s assessment of:

1. The value of the housing project as determined by the Agency based on an “as-is” market value appraisal conducted in accordance with subpart P of this part;
2. An incentive amount that will provide a fair return to the borrower;
3. An incentive amount that will not cause basic rents at the housing project to exceed conventional rents for comparable units; except that when determined necessary by the Agency to allow for decent, safe and sanitary housing to be provided in market areas where conventional rents are not sufficient to cover necessary operating, maintenance, and reserve costs, Basic rents may be allowed to exceed comparable rents for conventional units, but in no case by more than 150% of the comparable rent for conventional unit rent level; and
4. An incentive amount that will be the least costly alternative for the Federal Government while being consistent with the Agency’s commitment to the preservation of housing for very-low, low, and moderate income households in rural areas.

(c) The Agency may offer the following incentives:

1. The Agency may increase the borrower’s annual return on equity by one of the following two methods. The actual withdrawal of the return remains subject to the procedures and conditions for withdrawal specified in subpart G of this part.
   i. The Agency may recognize the borrower’s current equity in the housing project. The equity will be determined using an Agency accepted appraisal based on the housing project’s value as unsubsidized conventional housing.
   (ii) When a current appraisal indicates an equity loan can not be made, the Agency may recognize the borrower’s current equity in the housing project at the higher of the original rate of return or the current 15-year Treasury bond rate plus 2 percent rounded to the nearest one-quarter percent. The equity will be determined using the most recent Agency accepted appraisal of the housing project prior to receiving the prepayment request.
2. The Agency may agree to convert projects without interest credit or with Plan I interest credit to Plan II interest credit or increase the interest credit subsidy for loans with Section 8 assistance to lower the interest rate on the loan and make basic rents more financially feasible.
3. The Agency may offer additional rental assistance, or an increase in assistance provided under existing contracts under §§521(a)(2), 521(a)(5) of the Housing Act of 1949 (42 U.S.C. 1490a(a)(2)) or section 8 of the United States Housing Act of 1937 (42 U.S.C. §1437f).
4. The Agency may make an equity loan to the borrower. The equity loan must not adversely affect the borrower’s ability to repay other Agency loans held by the borrower and must be made in conformance with the following requirements:
   (1) The equity loan must not exceed the difference between the current unpaid loan balance and 90 percent of the
housing project’s value as determined by an “as-is” market value appraisal conducted in accordance with subpart P of this part.

(ii) Borrowers with farm labor housing loans are not eligible to receive equity loans as incentives.

(iii) If an incentive offer for an equity loan is accepted, the equity loan may be processed and closed with the borrower or any eligible transferee.

(iv) Excess reserve funds will be used to reduce the amount of an equity loan offered to a borrower.

(v) Equity loans may not be offered unless the Agency determines that other incentives are not adequate to provide a fair return on the investment of the borrower to prevent prepayment of the loan or to prevent displacement of project tenants.

(5) The Agency will offer rental assistance to protect tenants from rent overburden caused by any rent increase as a result of a borrower’s acceptance of an incentive offer or tenants who are currently overburdened.

(6) In housing projects with project-based section 8 assistance, the Agency may permit the borrower to receive rents in excess of the amounts determined necessary by the Agency to defray the cost of long-term repair or maintenance of such a project.

(d) The Agency must determine that the combination of assistance provided is necessary to provide a fair return on the investment of the borrower and is the least costly alternative for the Federal Government.

(e) At the time a specific incentive offer is developed, the Agency must take into consideration the costs of any deferred maintenance, items in the housing project’s operating budget, and any expected long-term repair or replacement costs based on a capital needs assessment developed in accordance with §3560.103(c). Deferred maintenance may include specific items identified in previous Agency inspections where the borrower has had the opportunity and resources available to take corrective actions and did not.

(1) Deferred maintenance does not include routine repair and replacement that results from normal wear and tear of the physical asset. The amount required for the reserve account to be considered fully funded will be adjusted accordingly. To determine if basic rents exceed conventional rents for comparable units in the area, monthly contributions necessary to obtain the adjusted fully funded reserve account will be included in the calculation of basic rents.

(2) Deferred maintenance including any deficiencies identified in project compliance with section 504 of the Rehabilitation Act of 1973 must be addressed as part of the development of the incentive and must be completed as part of an acceptance agreement of any incentive.

(f) Existing loans must be consolidated, provided consolidation retains the Agency’s lien position, and reamortized in accordance with subparts I and J of this part, provided it maintains feasibility of the housing for the tenants or reduces the debt service or the level of monthly rental assistance.

(g) The borrower must accept or reject the incentive offer within 30 days. If no answer to the offer is received within 30 days, the Agency may consider the incentive offer to be rejected.

(1) If the borrower accepts the incentive offer, procedures outlined in §3560.657 must be followed.

(2) If the borrower rejects the incentive offer, the borrower must comply with requirements listed in §3560.658.

§3560.657 Processing and closing incentive offers.

(a) Borrower responsibilities. If a borrower accepts the Agency’s offer of incentives, the borrower must complete the following actions:

(1) Subject to the Agency’s approval, the borrower must legally restrict the use of the project in accordance with and for the number of years stated in §3560.662.

(2) If the incentive offer accepted includes an equity loan, the borrower must complete an application for the equity loan, and the borrower must continue to qualify as an eligible borrower or transferee in accordance with subpart B of this part.

(3) If the incentive offer accepted includes rent increases, the borrower...
must follow the rent increase requirements established in subpart E of this part.

(b) Waiting lists. If funds for components of incentive offers are limited, the Agency will establish a waiting list of accepted incentive offers for funding in the date order that the complete prepayment request was received.

(c) Unfunded incentive offers. If the borrower accepts the incentive offer but the Agency is unable to fund the incentive within 15 months, the borrower may choose one of the following actions:

1. The borrower may offer to sell the housing project in accordance with §3650.659. In this case the borrower will be removed from the list of borrowers awaiting incentives.

2. The borrower may stay on the list of borrowers awaiting incentives until the borrower’s incentive offer is funded. The Agency will not negotiate the incentive offer; but, at a borrower’s request, may adjust the incentive amount to reflect an updated appraisal, loan balance, and terms of third party financing.

3. The borrower may withdraw the prepayment request and be removed from the list of borrowers awaiting incentives and either continue operating the housing project for program purposes and in accordance with Agency requirements or continue processing their prepayment process in accordance with §3560.658. If the borrower chooses to withdraw their request, the borrower may resubmit an updated prepayment request, at any time, and repeat the prepayment process in accordance with this subpart.

4. The borrower may elect to obtain a third-party equity loan provided rents will not exceed comparable rents in the market area.

§3560.658 Borrower rejection of the incentive offer.

(a) If a borrower rejects the incentive package offered by the Agency or an Agency request to extended restrictive-use provisions, made in accordance with §3560.662, the loan will only be prepaid if the borrower elects to agree to the following:

1. The borrower agrees to sign restrictive-use provisions to extend restrictive-use by 10 years from the date of prepayment, and at the end of the restrictive-use period offer to sell the housing to a qualified nonprofit organization or public body in accordance with §3560.659.

2. If housing opportunities for minorities would be lost as a result of prepayment, the borrower will offer to sell the housing to a qualified nonprofit organization or public body in accordance with §3560.659.

(b) If the borrower does not elect or agree to enter an agreement in accordance with paragraph (a) of this section, then the Agency will assess the impact of prepayment on two factors: housing opportunities for minorities and the supply of decent, safe, sanitary, and affordable housing in the market area. The Agency will review relevant information to determine the availability of comparable affordable housing for existing tenants in the market area and if minorities in the project, on the waiting list or in the market area will be disproportionately adversely affected by the loss of the affordable rental housing units.

1. If restrictive-use provisions are in place, the borrower will agree to sign the restrictive-use provisions, as determined by the Agency, and at the end of the restrictive-use period, offer to sell the housing to a qualified nonprofit organization or public body in accordance with §3560.659.

2. If the Agency determines that prepayment will have an adverse impact on minorities, then the borrower must offer to sell to a qualified nonprofit organization or public body in accordance with the provisions of paragraph (a) of this section.

3. If the Agency determines that the prepayment will not have an adverse impact on minorities but there is not an adequate supply of decent, safe, and sanitary rental housing affordable to program eligible tenant households in the market area, the loan may be prepaid only if the borrower agrees to sign restrictive-use provisions, as determined by the Agency, to protect tenants at the time of prepayment.

4. If the Agency determines that there is no adverse impact on minorities and there is an adequate supply of

581
decent, safe, and sanitary rental housing affordable to program eligible tenant households in the market area the prepayment will be accepted with no further restriction.

(c) If the borrower agrees to the restrictive-use provisions, as determined by the Agency, the applicable language must be included in the release documents and the borrower must execute a restrictive-use agreement acceptable to the Agency and a deed restriction.

(d) If the borrower will not agree to applicable restrictive-use provisions, as determined by the Agency, the borrower must offer to sell to a nonprofit or public body in accordance with §3560.659 or withdraw their prepayment request.

§ 3560.659 Sale or transfer to nonprofit organizations and public bodies.

(a) Sales price. For the purposes of establishing a sales price when a borrower is required or elects to sell a housing project to a nonprofit organization or public body, two independent appraisals will be ordered, one by the Agency and one by the borrower. Both appraisals will conclude market value and be in accordance with subpart P of this part. If the borrower’s assessment of the Agency’s appraised market value indicates that no further appraisal is needed, the borrower may agree to accept the Agency’s appraisal.

(1) The expense of the borrower’s appraisal shall be borne by the borrower. The appraiser selected may not have an identity of interest with the borrower.

(2) If the two appraisers fail to agree on the market value, the Agency and the borrower will jointly select an appraiser whose appraisal will be binding on the Agency and the borrower. The Agency and the borrower shall jointly fund the cost of the appraisal.

(b) Marketing to nonprofit organizations and public bodies. If a borrower must offer the property for sale to a nonprofit organization or public body under this paragraph, the borrower must take the following actions to inform appropriate entities of the sale:

(1) The borrower must advertise and offer to sell the project for a minimum of 180 days. The borrower may choose to suspend advertising and other sales efforts while eligibility of an interested purchaser is determined. If the purchaser is determined to be ineligible, the borrower must resume advertising for the balance of the required 180 days.

(2) The Agency will assist the borrower in initially notifying nonprofit organizations and public bodies.

(3) The borrower must provide the nonprofit organizations and public bodies contacted with sufficient information regarding the housing project and its operations for interested purchasers to make an informed decision. The information provided must include the minimum value of the housing project based on the market value determined in accordance with paragraph (a) of this section.

(4) If an interested purchaser requests additional information concerning the housing project, the borrower must promptly provide the requested materials.

(c) Preference for local nonprofit and public bodies. Local nonprofit organizations and public bodies have priority over regional and national nonprofit organizations and public bodies. The Agency may determine that no local nonprofit organizations or public bodies are available to purchase the housing project. After this determination, the borrower may accept an offer from a regional or national nonprofit organization or public body.

(d) Eligible nonprofit organizations. To be eligible to purchase properties under the conditions of this subpart, nonprofit organizations may not have among its officers or directorate any persons or parties with an identity-of-interest (or any persons or parties related to any person with identity-of-interest) in loans financed under section 515 that have been prepaid. In addition to local nonprofit organizations, eligible nonprofit organizations include regional or national nonprofit organizations or public bodies provided no part of the net earnings of which accrue to the benefit of any member, founder, contributor or individual.

(e) Requirements for nonprofit organizations and public bodies. To purchase and operate a housing project, a nonprofit organization or public body must meet the following requirements:
§ 3560.659

1. The purchaser must agree to maintain the housing project for very low- and low-income families or persons for the remaining useful life of the housing and related facilities. However, currently eligible moderate-income tenants will not be required to move.

2. The purchaser must agree that no subsequent transfer of the housing project will be permitted for the remaining useful life of the housing project unless the Agency determines that the transfer will further the provision of housing for low-income households, or there is no longer a need for the housing project. Language to be included in the deed, conveyance instrument, loan resolution, and assumption agreement (as applicable) is provided in § 3560.662.

3. The purchaser must demonstrate financial feasibility of the housing project including anticipated funding.

4. The purchaser must certify to the Agency that no identity-of-interest relationships in accordance with § 3560.102(g). The purchaser must not have any identity of interest with the seller or any borrower that has previously prepaid or requested prepayment of an Agency MFH loan.

5. The purchaser must complete an Agency-approved application and obtain Agency approval in accordance with subpart B of this part.

6. The purchaser must make a good faith offer taking into consideration the value of the housing project as determined in accordance with paragraph (a) of this section.

(f) Selection priorities. If more than one qualified nonprofit organization or public body submits an offer to purchase the project at the same time, priority will be given to local nonprofit organizations and public bodies over regional and national nonprofit organizations or public bodies. When selecting between offers equally meeting all other criteria, the borrower will first consider the success of the nonprofit organization’s or public body’s previous experience in developing and maintaining subsidized housing, with preference given to the most successful. If the offers continue to be equal, the borrower will then consider the number of years experience that the nonprofit organization or public body has had in developing and maintaining subsidized housing, with preference given to the greater number of years.

(g) Loans made by the Agency or other sources to nonprofit organizations and public bodies. Agency loans to nonprofit organizations or public bodies may be made for the purposes described in this paragraph. Agency loans will be processed in accordance with subpart B of this part. Loans from other sources will be approved by the Agency in accordance with subpart I of this part.

1. Agency loans to nonprofit organizations or public bodies for the purchase of a housing project will be based on the appraised value determined in accordance with paragraph (a) of this section.

2. With proper justification, an Agency loan may be made to help the nonprofit organization or public body meet the housing project’s first year operating expenses if there are insufficient funds in the housing project’s general operating and expense account to meet such expenses. An Agency loan, for the purpose of covering first year operating expenses, may not exceed 2 percent of the housing project’s appraised value determined in accordance with paragraph (c) of this section.

(h) Advances for nonprofit organizations and public bodies. The Agency may make advances, in accordance with section 502(c)(5)(c)(1), not in excess of limits established by Congress to nonprofit organizations or public bodies that are purchasing housing under this subpart. Grant funds may be used to cover any direct costs other than the purchase price, incurred by nonprofit organizations or public bodies in purchasing and assuming responsibility for the housing project.

1. Waiting list. If funds for sales to nonprofit organizations and public bodies are limited, the Agency will add the funding requests to the waiting list for incentives and follow the process established in § 3560.657(b) and (c).

(j) Withdrawal from sales process. A borrower may withdraw the prepayment request at any time prior to the sale of the property. The borrower will be responsible for any damages associated with breaking a sales contract established with a nonprofit organization or public body.
(k) When no offer to purchase is received. Prepayment with no further restriction may be accepted by the Agency when the borrower agrees to offer the housing project for sale to a nonprofit organization or public body in accordance with §3560.659 and no good faith offer is received within 180 days from the date that the housing project was advertised for sale to a nonprofit organization or public body, or a good faith offer was received within 180 days from the advertisement date but the offeror was unable to fulfill the terms of the offer within 24 months of the offer date, provided the owner cooperated with the potential purchaser.

[69 FR 69106, Nov. 26, 2004, as amended at 73 FR 65506, Nov. 4, 2008]

§ 3560.660 Acceptance of prepayments.

(a) When the Agency agrees to accept prepayment, the Agency will notify borrowers, in writing, of the conditions under which the Agency will accept prepayment including the specific restrictive-use provisions to which the borrower has agreed and the date by which the borrower must make the prepayment.

(1) Prepayment must be made 180 days from the date of the Agency’s prepayment acceptance notice to the borrower.

(2) If the borrower’s prepayment is not received within 180 days of the prepayment acceptance notice and the Agency has not agreed to an alternative date based on a written request from the borrower, the Agency may cancel the prepayment acceptance agreement.

(b) Tenants will be notified of the prepayment acceptance agreement in accordance with §3560.654(c). If a prepayment is anticipated to result in increased net tenant contributions, displacements or involuntary relocations, the tenants, who are affected by such a circumstance, may request a Letter Of Priority Entitlement (LOPE) in accordance with §3560.158(c). Tenants must request a LOPE within one year of the prepayment acceptance notice date.

(c) Owners will provide certification stating that they will meet state and local laws prior to prepayment acceptance.

§ 3560.661 Sale or transfers.

(a) If a sale or transfer is to take place in conjunction with the Agency incentive offer, the sale or transfer must comply with the processing provisions of subpart I of this part.

(b) If a proposed transferee is determined not to be eligible for the transfer and assumption, the borrower will be given an additional 45 days to find another transferee.

(c) In cases where the existing owner is in program non-compliance or default, the Agency may make an offer of incentives contingent on the successful transfer of the housing to an acceptable purchaser. The Agency may offer a smaller incentive or no incentive if the borrower does not agree to transfer the project to an acceptable purchaser, or if the transfer does not take place.

§ 3560.662 Restrictive-use provisions and agreements.

All restrictions require Agency approval and must be in accordance with the following restrictions:

(a) The undersigned, and any successors in interest, agree to use the property (described herein) in compliance with 42 U.S.C. 1484 or 1485, whichever is applicable, and applicable regulations and the subsequent amendments, for the purpose of housing:

(1) Very low-, or low-income households when required by §3560.658(a)(2), or

(2) Very low-, low-, or moderate-income households.

(b) The period of the restriction will be inserted in accordance with the following:

(1) 10 years if required by §3560.658(a)(1);

(2) The last existing tenant (that occupied the property on the date of prepayment) voluntarily vacates if required by §3560.658(b)(3);

(3) 30 years if required by §3560.406(g);

(4) Remaining period of existing restrictive-use provisions and any agreed extension if required by §3560.655 or §3560.658 (b)(1);

(5) The remaining useful life of the housing and related facilities if required by §3560.658(a)(1); and

(6) 20 years in all other cases.

(c) When required by §3560.658(a)(1) or (a)(2), the undersigned agrees that at
§ 3560.701 General.

(a) This subpart contains the policies for recapturing unauthorized assistance when the Agency determines that a borrower or tenant was ineligible for, or improperly used, assistance received from the Agency.

(b) The Agency may seek repayment of any unauthorized assistance provided to a borrower or tenant, plus the cost of collection, regardless of whether the unauthorized assistance was due

(2) Owners must document tenant eligibility in accordance with §3560.152.

(3) In an Agency approved format, owners must provide the agency with a signed and dated certification within 30 days of the beginning of each calendar year for the full period of the restrictive-use provisions establishing that the restrictive-use provisions are being met.

(d) Owners must observe Agency policies on tenant grievances as described in §3560.160. The Agency may enforce restrictive-use provisions through administrative and legal actions. Tenants may enforce the restrictive-use provisions by contacting the Agency or through legal action. The Agency will release the restrictive-use provisions when the Agency conditions have been met.

Tenants may enforce the restrictive-use provisions by contacting the Agency or through legal action. The Agency will release the restrictive-use provisions when the Agency conditions have been met.
§ 3560.702 Unauthorized assistance sources and situations.

(a) Unauthorized assistance can be received by a borrower or tenant in the form of loans, grants, interest credit, rental assistance, or other assistance provided by the Agency including assistance received as a result of an incorrect interest rate being applied to an Agency loan. Agency officials may pursue identification and recapture of unauthorized assistance through any legal remedies available.

(b) Unauthorized assistance may result from situations such as:

1. Assistance being provided to an ineligible borrower or tenant;
2. Assistance to an eligible borrower or tenant being used for an unauthorized purpose;
3. Assistance being obtained as a result of inaccurate, incomplete, or fraudulent information provided by a borrower or tenant; or
4. Assistance being obtained as a result of errors by the Agency, borrower, or tenant.

§ 3560.703 Identification of unauthorized assistance.

(a) The Agency will use all available means to identify unauthorized assistance, including Agency monitoring activities, OIG reports, GAO reports, and reports from any source, if the information provided can be substantiated by the Agency.

(b) Borrowers have the primary responsibility for identifying repayment of unauthorized assistance received by tenants.

§ 3560.704 Unauthorized assistance determination notice.

(a) The Agency will notify borrowers, in writing, when a determination has been made that unauthorized assistance was received by the borrower. Borrowers will notify tenants, in writing, when a determination is made that unauthorized assistance was received by the tenant and will simultaneously send the Agency of copy of the written notice to the tenant.

(b) The unauthorized assistance determination notice is a preliminary notice, not a demand letter. The unauthorized assistance determination notice will:

1. Specify the reasons the assistance was determined to be unauthorized;
2. State the amount of unauthorized assistance to be repaid and specify the party responsible for repayment of the unauthorized assistance (i.e., the tenant or borrower) according to the provision of §3560.708;
3. Establish a place and time when the person receiving the unauthorized assistance determination notice may meet with the Agency or, in the case of tenants, may meet with the borrower, to discuss issues related to the unauthorized assistance notice such as the establishment of a repayment schedule; and
4. Advise the borrower or tenant that they may present facts, figures, written records, or other information within a specified period of time which might alter the determination that the assistance received was unauthorized.

(c) Upon request, the Agency or borrower, in the case of tenants, will grant additional time for discussions related to an unauthorized assistance determination notice. Borrowers must notify the Agency of schedule revisions when additional time is granted to a tenant in unauthorized assistance claims.

§ 3560.705 Recapture of unauthorized assistance.

(a) The Agency will seek repayment of all unauthorized assistance received by a borrower or tenant, plus the cost of collection, to the fullest extent permitted by law. Agency efforts to collect unauthorized assistance may include offsets, the use of private or public collection agents, and any other remedies available. Agency findings related to unauthorized assistance determinations will be referred to credit reporting bureaus and other federal, state, or local agencies with jurisdictions related to the unauthorized assistance findings for suspension, debarment, civil or criminal action to the fullest extent permitted by law.

(b) If a borrower or tenant agrees to repay unauthorized assistance, the amount due will be the amount stated
in the unauthorized assistance determination notice unless another amount has been approved by the Agency.

(c) Repayment may be made either with a lump sum payment or through payments made over a period of time. If a borrower or tenant agrees to repay unauthorized assistance, the borrower or tenant proposed repayment schedule must be approved by Agency prior to implementation. Agency approval of a repayment schedule will take into consideration the best interest of the borrower, the tenant, and the Federal Government.

(d) Borrowers must retain copies of all correspondence and a record of all conversations between the borrower and a tenant regarding unauthorized assistance received by a tenant.

(e) When a tenant, who has received unauthorized assistance due to tenant error or fraud as determined by the Agency, moves out of a housing project, the borrower is no longer responsible for recapturing the unauthorized assistance provided that the borrower notifies the Agency of the tenant’s move and transfers all records related to the tenant’s unauthorized assistance to the Agency within 30 days of the tenant’s move. The Agency will pursue collection of the unauthorized assistance from the tenant.

(f) If a borrower refuses to enter into an unauthorized assistance repayment schedule with the Agency, the Agency will initiate liquidation procedures, in accordance with §3560.456, or other enforcement actions, such as suspension, debarment, civil, or criminal penalties, in accordance with §3560.461. If a tenant refuses to enter into an unauthorized assistance repayment schedule, the Agency will initiate recovery actions against the tenant.

(g) Borrowers may not use housing project funds to pay amounts due to the Agency as a result of unauthorized assistance due to borrower fraud.

§ 3560.707 Program participation and corrective actions.

(a) With Agency approval, a borrower or tenant, who has received unauthorized assistance, may continue to participate in the project if they have the legal and financial capabilities to do so. Approval considerations for such forbearance and repayment are in §3560.705.

(b) A borrower or tenant who was responsible for the circumstances causing the unauthorized assistance must take appropriate action to correct the problem within 90 days of the unauthorized assistance determination notice date, unless an alternative date is agreed to by the Agency.

(c) When the interest rate shown in a debt instrument resulted in the receipt of unauthorized assistance, the debt instrument will be modified to the correct interest rate. All payments made by the borrower at the incorrect interest rate will be reapplied at the correct interest rate, and remaining payments due on the loan will be recalculated on the basis of the correct interest rate, plus any amounts due to the Agency as a result of the use of an incorrect interest rate, unless the Agency agrees to a separate repayment process.

§ 3560.708 Unauthorized assistance received by tenants.

(a) Tenant actions that require tenant repayment of unauthorized assistance received by tenants include, but are not limited to:

(1) Knowingly or mistakenly misrepresenting income, assets, adjustments to income, or household status to the borrower as required under subpart D of this part; or

(2) Failure to properly report changes in income, assets, adjustments to income, or household status to the borrower as required in subpart D of this part.

(b) Borrower actions that require borrower repayment of unauthorized assistance received by tenants include, but are not limited to:

(1) Incorrect determination of tenant income or household status by the borrower, resulting in rental assistance or interest credit that is not allowable under the provisions of subparts D, E, or F of this part, as applicable; or

§ 3560.706 Offsets.

Offsets and any other available remedies may be used by the Agency to recapture unauthorized assistance. Guidance concerning use of offsets can be found at 7 CFR 3550.210.
§ 3560.709 Demand letter.

(a) If a borrower fails to respond to an unauthorized assistance determination notice or fails to agree to a repayment schedule, the Agency will send the borrower a demand letter specifying:

(1) The amount of unauthorized assistance to be repaid and the basis for the unauthorized assistance determination; and

(2) The actions to be taken by the Agency if repayment is not made by a specified date.

(b) If a tenant fails to respond to the unauthorized assistance determination notice or fails to agree to a repayment schedule, the borrower will send the tenant a demand letter specifying:

(1) The amount of unauthorized assistance to be repaid and the basis for the unauthorized assistance determination;

(2) The actions to be taken if repayment is not made by a specified date, including termination of tenancy; and

(3) The appeal rights of the tenant as specified in §3560.160.

(c) A demand letter may be sent to a borrower or tenant, in lieu of an unauthorized assistance determination notice, when the evidence documenting the unauthorized assistance determination is deemed to be conclusive by the Agency or borrower sending the letter.

§§ 3560.710–3560.749 [Reserved]

§ 3560.750 OMB control number.

The information collection requirements contained in this regulation have been approved by the Office of Management and Budget (OMB) and have been assigned OMB control number 0575–0189. Public reporting burden for this collection of information is estimated to vary from 15 minutes to 18 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. A person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

Subpart P—Appraisals

§ 3560.751 General.

This subpart sets forth appraisal policies for Agency-financed multifamily housing (MFH) projects consisting of five or more rental units. Agency-financed housing projects with fewer than five rental units may be appraised in accordance with the Agency’s single family housing appraisal policies established under 7 CFR 3550.62.
§ 3560.752 Appraisal use, request, review, and release.

(a) Appraisal uses. The Agency will use appraisals to determine whether the security offered by an applicant or borrower is adequate to secure a loan or determine appropriate servicing or preservation decisions. Appraisals used for Agency decision-making must be current, unless the Agency and the applicant, or borrower, mutually agree to the use of an appraisal that is not current. A current appraisal is an appraisal with a report date that is not more than one year old.

(b) Appraisal requests. Appraisal requests must be in writing and must specify the client and other intended users, the intended use, the purpose, and the scope of work of the appraisal, including the type and definition of the value(s) to be developed.

(1) Type of Value. The appraisal request must indicate whether the ‘‘market value,’’ the ‘‘market value, subject to restricted rents’’, or any other type of value of the housing project and related facilities is to be concluded.

(i) A request for ‘‘market value, subject to restricted rents’’ means the appraisal will take into consideration any rent limits, rent subsidies, expense abatements, or restrictive-use conditions that will affect the property as a result of an agreement with the Agency or any other financing source. Each type of financing involved, including, but not limited to, interest credit subsidy, low-interest loans from other sources, tax-exempt bond financing, tax credits, and grants, must be valued separately in the appraisal.

(ii) A request for ‘‘market value’’ means the appraisal will take into consideration the most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller each acting prudently and knowledgeably, and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby:

(A) Buyer and seller are typically motivated;

(B) Both parties are well informed or well advised and acting in what they consider their best interests;

(C) A reasonable time is allowed for exposure in the open market;

(D) Payment is made in terms of cash in United States dollars or in terms of financial arrangements comparable thereto; and

(E) The price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions granted by anyone associated with the sale.

(2) ‘‘As-is’ Value’’ or ‘‘Prospective Value’’. The appraisal request must indicate whether the ‘‘as-is’’ value’’ or ‘‘prospective value’’ of the housing is to be concluded.

(i) ‘‘As-is value’’ means the value of the housing and related facilities as of the effective date of the appraisal. It relates to what physically exists and is legally permissible at the time of the appraisal and excludes all hypothetical conditions.

(ii) ‘‘Prospective value’’ means the forecasted value of the housing and related facilities as of a specified future date. For Agency appraisals, this date will typically be the projected completion date of proposed new construction or rehabilitation.

(3) Section 8 project-based assistance. Depending on the intended use of the appraisal, the Agency will specify whether or not section 8 project-based assistance will be considered in the valuation of the housing. The remaining term of the section 8 contract and the probability of subsequent renewal terms being authorized will be taken into consideration when making this determination.

(4) Low-Income Housing Tax Credit (LIHTC) and other financing sources. Depending on the intended use of the appraisal, the Agency will specify whether or not tax credits and other financing sources involved in the housing will be considered in the valuation of the housing.

(c) Appraisal review. All MFH appraisals that were not written by an Agency appraiser will be reviewed by an Agency appraiser, who will write and file a technical review report that complies
with the Uniform Standards of Professional Appraisal Practice (USPAP) and Agency requirements.

(d) Release of appraisals. MFH appraisals procured by the Agency will be released to owners/applicants, from their own files, upon their request.

§ 3560.753 Agency appraisal standards and requirements.

(a) General. The Agency recognizes USPAP as the basic standards for appraisals. Appraisals used by the Agency must comply with USPAP and this subpart.

(b) Appraisers. MFH appraisals prepared for the Agency will be written by Agency appraisers or independent fee appraisers who are state certified general appraisers, certified in the state where the property is located. Technical review reports will be written by Agency state certified general appraisers.

(c) Appraisal report. The appraisal report format may be a form appraisal or a narrative appraisal. The Agency will specify the appraisal format that is most appropriate for the scope of work involved when the appraisal is requested.

(i) Form appraisal reports. The Agency will accept appraisal report forms that meet generally accepted industry standards, comply with USPAP, and have been approved by the Agency.

(ii) Narrative appraisal reports. Narrative appraisal reports must, at a minimum, contain the following items:

(1) Transmittal letter;
(2) Factual information about the property;
(3) Regional and neighborhood data;
(4) Description of the subject property;
(5) Description of existing and planned improvements;
(6) A highest and best use analysis;
(7) A statement regarding any environmental issues, such as potential contamination of the property from hazardous substances, hazardous wastes, or petroleum products;
(8) A cost approach analysis (if applicable);
(9) A sales comparison approach analysis (if applicable);
(10) An income approach analysis (if applicable);
(xii) A reconciliation of the value indications derived from the included approaches to value; and
(xii) A signed and dated certification of value.

(b) Highest and best use statement and analysis. The highest and best use is to be concluded for the subject site as though it was vacant, and for the subject property as improved, if improvements have been made. If the highest and best use of a subject property is for something other than MFH, the appraisal report must provide this information to the Agency for consideration in the loan process. In addition to being reasonably probable and appropriately supported, the highest and best use of both the land as though vacant and the property as improved must meet four implicit criteria. The highest and best use must be:

(1) Physically possible;
(2) Legally permissible;
(3) Financially feasible; and
(4) Maximally productive.

(c) Valuation methods and variances. The final opinion of value presented in an appraisal report must have considered a cost approach, a sales comparison approach, and an income approach. If one of these standard approaches is not used, the reconciliation narrative will provide a full and complete explanation of the reasons the approach was excluded. The reconciliation will fully discuss and reconcile variances in the value indications concluded by each approach.

(1) Real estate history. Appraisals must contain a 5-year ownership and sales
history for the housing project being appraised.

(g) Reserve accounts. Funds in the housing project’s reserve account will not be considered in the valuation of the housing project.

(h) Escrow accounts. Short-term pre-paid escrow accounts for general operating expenses, such as taxes and insurance, shall not be considered in the valuation of the housing project.

(i) Rental rates comparison. The appraisal report must document whether the housing project’s basic rents are less than, equal to, or greater than market rents for comparable conventional, or non-subsidized, units in the area where the housing is located.

(j) Description of housing and property rights. The appraisal report must identify and describe both the real estate, which is the land and improvements, and the real property, or property rights, being appraised.

(k) Exclusion of rental units from valuation. The Agency will provide appraisers with instructions and supporting information on any rental units that do not produce rental income at the time of the appraisal.

(l) Non-contiguous sites. When a housing project has real property located on non-contiguous sites, a separate appraisal must be developed for each site.

Subpart A—General Provisions  
§ 3565.1 Purpose.

The purpose of the Guaranteed Rural Rental Housing Program (GRRHP) is to increase the supply of affordable rural rental housing, through the use of loan guarantees that encourage partnerships between the Rural Housing Service, private lenders and public agencies.

§ 3565.2 Applicability and authority.

The regulation prescribes the policies, authorizations, and procedures for the guarantee of multifamily loans under section 538 of the Housing Act of 1949.

§ 3565.3 Definitions.

Administrator. The Administrator of the Rural Housing Service, or his or her designee.

Agency. The Rural Housing Service, or a successor agency.

Allowable claim amount. The total losses incurred by the lender, as calculated pursuant to subpart J of this part.
Applicable Federal Rate (AFR). The interest rate set by the federal government for federal financing programs pursuant to section 42 of the Internal Revenue Code.

Approved lender. An eligible lender who has been authorized by the Agency to originate and service guaranteed multifamily loans under the program.

Assignment. The delivery by a lender to the Agency of the note and any other security instruments securing the guaranteed loan; and any and all liens, interest, or claims the lender may have against the borrower.

Assistance. Financial assistance in the form of a loan guarantee or interest credit received from the Agency.

Borrower. The individuals or entities responsible for repaying the loans.

Claim. The presentation to the Agency of a demand for payment for losses incurred on a loan guaranteed under the program.

Conditional commitment. The written commitment by the Agency to guarantee a loan subject to the stated terms and conditions.

Construction and permanent loan. A loan which provides advances during the construction period and remains in place as a permanent loan at the completion of construction.

Construction contingency reserve. A cash reserve of at least two percent of the construction contract, inclusive of the contractor’s fee and all hard and soft costs that must be set up and fully funded by the closing of the construction loan. This reserve will be held by the lender, and funds will only be disbursed for change order requests approved by the Agency and the lender. Unused funds from the construction contingency reserve will be held in the operating and maintenance reserve and cannot be released to the borrower until the project reaches an occupancy of 90% for 90 consecutive days. In addition the reserve accounts established in the conditional commitment must be fully funded prior to the release of the construction contingency reserve. These requirements remain in effect regardless of whether the lender has established a lease-up reserve in lieu of the occupancy requirement.

Correspondent relationship. A contractual relationship between an approved lender and a non-approved lender or mortgage broker in which the correspondent performs certain origination, underwriting or servicing functions for the approved lender.

Default. Failure by a borrower to meet any obligation or term of a loan, grant, or regulatory agreement, or any program requirement.

Delinquency. Failure to make a timely payment under the terms of the promissory note or regulatory agreement.

Department of Housing and Urban Development (HUD). A federal agency which may be a partner in some of the Agency guarantees.

Due diligence. The process of evaluating real estate in the context of a real estate transaction for the presence of contamination from release of hazardous substances, petroleum products, or other environmental hazards and determining what effect, if any, the contamination has on the regulatory status or security value of the property.

Eligible borrower. A borrower who meets the requirements of subpart D of this part.

Eligible lender. A lender who meets the requirements of subpart C of this part or any successor regulation.

Eligible loan. A loan that meets the requirements of subpart E of this part or any successor regulation.

Eligible rural area. An eligible rural area is an area which meets the requirements of part 3550 of this chapter or any successor regulation.

Fannie Mae. A Federally chartered, publicly owned enterprise created by Congress to purchase, sell or otherwise facilitate the purchase or sale of mortgages in the secondary mortgage market.

Federal Home Loan Bank System. A system of member savings and loans, banks and other lenders whose primary business is the making of housing loans.

Final claim payment. The amount due to the lender (or the Agency) after disposition of the collateral is complete and the proceeds from liquidation, as well as any other claim payments, are applied against the allowable claim amount.

Foreclosure. The process by which the ownership interest of a borrower in a
mortgaged property is extinguished and the security is liquidated with the proceeds applied to the loan.

Freddie Mac. A Federally chartered, publicly owned enterprise created to purchase, sell or otherwise facilitate the purchase or sale of mortgages in the secondary mortgage market.

Government National Mortgage Association. The Government National Mortgage Association (Ginnie Mae) is a government corporation within the Department of Housing and Urban Development. Ginnie Mae guarantees privately issued securities backed by mortgages or loans which are insured or guaranteed by the Federal Housing Administration (FHA), the Department of Veterans Affairs (VA), or the Rural Housing Service (RHS) and certain other loans or mortgages guaranteed or insured by the Government.

Guaranteed Rural Rental Housing Program.

Guarantee fees. The fees paid by the lender to the Agency for the loan guarantee.

(1) An initial guarantee fee is due at the time the guarantee is issued.

(2) An annual guarantee fee is due at the beginning of each year that the guarantee remains in effect.

Guaranteed loan. Any loan for which the Agency provides a loan guarantee.

Holder. A person or entity, other than the lender, who owns all or part of the guaranteed portion of the loan with no servicing responsibilities. When the single note option is used and the lender assigns a part or all of the guaranteed note to an assignee, the assignee becomes a Holder only when the Agency receives notice and the transaction is completed through use of an assignment guarantee agreement form approved by the Agency.

Housing Finance Agency (HFA). A state or local government instrumentality authorized to issue housing bonds or otherwise provide financing for housing. Identity of interest. With respect to a project, an actual or apparent financial interest of any type, that exists or will exist among the borrower, contractor, lender, syndicator, management agent, suppliers of materials or services, including professional services, or vendors (including servicing and property disposal), in any combination of relationships which may result in an actual or perceived conflict of interest.

Income eligibility. A determination that the income of a tenant at initial occupancy does not exceed 115 percent of the area median income as such area median income is defined by HUD or a successor agency.

Indian tribe. Any Indian tribe, band, nation, or other organized group or community of Indians, including any Alaska Native village or regional or village corporation, as defined by or established pursuant to the Alaska Native Claims Settlement Act (43 U.S.C. 1601 et seq.), that is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians pursuant to the Indian Self-Determination and Education Assistance Act of 1975 (25 U.S.C. 450 at seq.); or any entity established by the governing body of an Indian tribe, as described in this definition, for the purpose of financing economic development.

Interest credit. A subsidy available to eligible borrowers that reduces the effective interest rate of the loan to the Applicable Long Term Monthly AFR.

Land lease. A written agreement between a landowner and a borrower for the possession and use of real property for a specified period of time.

Lease. A contract containing the rights and obligations of a tenant or cooperative member and a borrower, including the amount of the monthly occupancy charge and other terms under which the tenant will occupy the housing.

Lease-up period. The period of time that begins when the first unit in the project receives a certificate of occupancy until the time that occupancy of 90% of the units for a minimum of 90 consecutive days is achieved.

Lease-up reserve. A cash deposit which is available to a property to help pay operating costs and debt service at the initiation of operations while units are being leased to their initial occupants.

Lender. A bank or other financial institution, including a housing finance
agency, that originates or services the guaranteed loan.

Lender agreement. The written agreement between the Agency and the lender containing the requirements the lender must meet on a continuing basis to participate in the program.

Loan. A mechanism by which a lender funds the acquisition and development of a multifamily project. A loan in this context is secured by a mortgage executed by the lender and borrower.

Loan guarantee. A pledge to pay part of the loss incurred by a lender in the event of default by the borrower.

Loan guarantee agreement. The written agreement between the Agency and the lender containing the terms and conditions of the guarantee with respect to an individual loan.

Loan participation. A loan made by more than one lender wherein each lender funds an individual portion of the loan.

Loan-to-cost ratio. The amount of the loan divided by the total cost to develop the project.

Loan-to-value ratio. The amount of the loan divided by the appraised market value of the project.

Maximum guarantee payment. The maximum payment by the Agency under the guarantee agreement computed by applying the guarantee percentage times the allowable claim amount, but not to exceed original principal amount.

Mortgage. A written instrument evidencing or creating a lien against real property for the purpose of providing collateral to secure the repayment of a loan. For program purposes, this may include a deed of trust or any similar document.

Multifamily project. A project designed with five or more living units.

Negligent servicing or origination. Negligent servicing or origination is a failure to perform those services which a reasonably prudent lender would perform in servicing or originating its own portfolio and includes not only the failure to act but also the failure to act in a timely manner.

NOFA. A “Notice of Funding Availability” published in the Federal Register to inform interested parties of the availability of assistance and other non-regulatory matters pertinent to the program.

Non-monetary default. A default that does not involve the payment of money.

Note. Any note, bond, assumption agreement, or other evidence of indebtedness pertaining to a guaranteed loan.

Operating and maintenance reserve. A cash reserve required of all projects of at least two percent of the loan amount held by the lender that is used for the upkeep of the project.

Payment effective date. For the month payment is due, the day of the month on which payment will be effectively applied to the account by the lender, regardless of the date payment is received.

Permanent loan. A permanent loan is defined as a mortgage loan usually covering development costs, interim loans, construction loans, financing expenses, marketing, administrative, legal, and other Agency approved costs. This loan differs from the construction loan in that financing goes into place after the project is completely constructed and open for occupancy. It is a long-term obligation, generally for a period of no less than 25 years and no more than 40 years.

Prepayment. The payment of the outstanding balance on a loan prior to the note’s maturity date.

Project. The total number of rental housing units and related facilities subject to a guaranteed loan that are operated under one management plan and one Regulatory Agreement.

Program requirements. Any requirements contained in any loan document, guarantee agreement, statute, regulation, handbook, or administrative notice.

Promissory note. See “Note”.

Qualified alien. For the purposes of this part, qualified alien refers to any person lawfully admitted into the country who meets the criteria of 42 U.S.C. 1436a.

Real estate owned. Denotes real estate that has been acquired by the lender or the Agency (often known as “inventory property”).
§ 3565.4 Recourse. The lender’s right to seek satisfaction from the borrower’s personal financial resources or other resources for monetary default.

Regulatory agreement. The agreement that establishes the relationship among the Agency, the lender, and the borrower; and contains the borrower’s responsibilities with respect to all aspects of the management and operation of the project.

RHS. The Rural Housing Service within the Rural Development mission area, or a successor agency, which administers section 538 guarantees.

Rural area. A geographic area as defined in section 520 of the Housing Act of 1949.

Rural Development. A mission area within USDA which includes RHS, Rural Utilities Service, and Rural Business-Cooperative Service.

Servicing. The broad scope of activities undertaken to manage the performance of a loan throughout its term and to assure compliance with the program requirements.

Single asset ownership. A borrower who owns only one project.

Surplus cash. The borrower’s remaining funds at the project’s fiscal year end, after making all required payments, excluding required reserves and escrows.

Tenant. The individual that holds the right to occupy a unit in accordance with the terms of a lease executed with the project owner.

U.S. citizen. An individual who resides as a citizen in any of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, the Federated States of Micronesia, the Republic of Palau, or the Republic of the Marshall Islands.

USDA. The United States Department of Agriculture.

§ 3565.5 Ranking and selection criteria.

(a) Threshold criteria. Applications for loan guarantee submitted by lenders must include a request for a project that meets all of the following threshold criteria:

(1) The project must involve an owner and a development team with qualifications and experience sufficient to carry out development, management, and ownership responsibilities, and the owner and development team must not be under investigation or suspension from any government programs;

(2) The project must involve the financing of a property located in an eligible rural area;

(3) Demonstrate a readiness, for the project to proceed, including submission of a complete application for a loan guarantee and evidence of financing;

(4) Demonstrate market and financial feasibility; and

(5) Include evidence that the credit risk is reasonable, taking into account conventional lending practices, and factors related to concentration of risk in a given market and with a given borrower.

(b) Priority projects. Priority will be given to projects: in smaller rural communities, in the most needy communities in the most needy communities having the highest percentage of leveraging, having the lowest interest rate, having the highest ratio of 3–5 bedroom units to total units, or located in Empowerment Zones/Enterprise Communities or on tribal lands. In addition, the Agency may, at its sole discretion, set aside assistance for or rank projects that meet important program goals. Assistance will include both loan guarantees and interest credits. Priority projects must compete for set-aside funds. The Agency will announce any assistance set aside and selection criteria in the NOFA.

§ 3565.6 Inclusion of tax-exempt debt.

Tax-exempt financing can be used as a source of capital for the guaranteed loan.

[64 FR 32371, June 16, 1999]

§ 3565.7 Agency environmental requirements.

The Agency will take into account potential environmental impacts of proposed projects by working with applicants, other federal agencies, Indian tribes, State and local governments, and interested citizens and organizations in order to formulate actions that advance the program goals in a manner that will protect, enhance, and restore environmental quality. Actions taken by the Agency under this subpart are subject to an environmental review conducted in accordance with the requirements of 7 CFR part 1940, subpart G or any successor regulations.

§ 3565.8 Civil rights compliance.

(a) All actions taken by the Agency, or on behalf of the Agency, by a lender will be conducted without regard to race, color, religion, national origin, sex, marital status, age, income from public assistance or having exercised their right under the Consumer Credit Protection Act, and in accordance with the Equal Credit Opportunity Act (ECOA).

(b) Any action related to the sale, rental or advertising of dwellings; in the provision of brokerage services; or in making available residential real estate transactions involving Agency assistance, must be in accordance with the Fair Housing Act, which prohibits discrimination on the basis of race, color, religion, sex, national origin, familial status or handicap. It is unlawful for a lender or borrower participating in the program to:

(1) Refuse to make accommodations in rules, policies, practices, or services if such accommodations are necessary to provide a person with a disability an opportunity to use or continue to use a dwelling unit and all public and common use areas; and

(2) Refuse to allow an individual with a disability to make reasonable modifications to a unit at his or her expense, if such modifications may be necessary to afford the individual full enjoyment of the unit.

(c) Any resident or prospective resident seeking occupancy or use of a unit, property or related facility for which a loan guarantee has been provided, and who believes that he or she is being discriminated against may file a complaint with the lender, the Agency or the Department of Housing and Urban Development. A written complaint should be sent to the Secretary of Agriculture or of the Department of Housing and Urban Development in Washington, DC.

(d) Lenders and borrowers that fail to comply with the requirements of title VIII of the Civil Rights Act of 1968, as amended (the Fair Housing Act), are liable for those sanctions authorized by law.

(e) For guaranteed loans with “interest credit,” the following additional civil rights laws will apply and be enforced by the agency delivering this guarantee program: title VI of the Civil Rights Act of 1964, section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act, Age Discrimination Act of 1975, and title IX of the Education Amendments of 1972.

(f) In accordance with title VI, borrowers will be subjected to compliance reviews for projects that receive interest credit.

[64 FR 32371, June 16, 1999]

§ 3565.9 Compliance with federal requirements.

The Agency and the lender are responsible for ensuring that the application is in compliance with all applicable federal requirements, including the following specific statutory requirements:

(a) Intergovernmental review. 7 CFR part 3015, subpart V, “Intergovernmental Review of Department of Agriculture Programs and Activities”; or successor regulation, including the Agency supplemental administrative instruction, RD Instruction 1970–I, ‘Intergovernmental Review,’ available in any Agency office or on the Agency’s Web site.

(b) National flood insurance. The National Flood Insurance Act of 1968, as
§ 3565.10 Conflict of interest.

(a) Objective. It is the objective within the Rural Development mission area to maintain the highest standards of honesty, integrity, and impartiality by employees.

(b) Rural Development requirement. To reduce the potential for employee conflict of interest, all Rural Development activities will be conducted in accordance with 7 CFR part 1900, subpart D, or successor regulation by Rural Development employees who:

(1) Are not themselves a beneficiary;

(2) Are not family members or known relatives of any beneficiary; and

(3) Do not have any business or personal relationship with any beneficiary or any employee of a beneficiary.

(c) Rural Development employee responsibility. Rural Development employees must disclose any known relationship or association with a lender or borrower or their agents, regardless of whether the relationship or association is known to others. Rural Development employees or members of their families may not purchase a Real Estate Owned property, security property from a borrower, or security property at a foreclosure sale.

(d) Loan closing agent responsibility. Loan closing agents (or members of their families) who have been involved with a particular property are precluded from purchasing such properties.

(e) Lender and borrower responsibility. Lenders, borrowers, and their agents must identify any known relationship or association with a Rural Development employee.

§§ 3565.11–3565.12 [Reserved]

§ 3565.13 Exception authority.

An Agency official may request and the Administrator or designee may make an exception to any requirement or provision, or address any omission of this part, if the Administrator determines that application of the requirement or provision, or failure to take action, would adversely affect the government’s interest or the program objectives, and provided that such an exception is not inconsistent with any applicable law or statutory requirement.

[64 FR 32372, June 16, 1999]

§ 3565.14 Review and appeals.

Whenever RHS makes a decision that is adverse to a lender or a borrower, RHS will provide written notice of such adverse decision and of the right to a USDA National Appeals Division hearing in accordance with 7 CFR part 11 or successor regulations. The lender or borrower may request an informal review with the decision maker and the use of available alternative dispute resolution or mediation programs as a means of resolution of the adverse decision. Any adverse decision, whether appealable or non-appealable may also be reviewed by the next level RHS supervisor. Adverse decisions affecting project tenants or applicants for tenancy will be handled in accordance with 7 CFR part 1944, subpart L or successor regulations.

§ 3565.15 Oversight and monitoring.

The lender, borrower, and all parties involved in any manner with any guarantee under this program must cooperate fully with all oversight and monitoring efforts of the Agency, Office of Inspector General, the U.S. General Accounting Office, and the U.S. Department of Justice or their representatives including making available any records concerning this transaction.
This includes the annual eligibility audit and any other oversight or monitoring activities. If the Agency implements a requirement for an electronic transfer of information, the lender and borrower must cooperate fully.

§ 3565.16 [Reserved]

§ 3565.17 Demonstration programs.

To test ways to expand the availability or enhance the effectiveness of the guarantee program, or for similar purposes, the Agency may, from time to time, propose demonstration programs that use loan guarantees or interest credit. Toward this end, the Agency may enter into special partnerships with lenders, financial intermediaries, or others to carry out one or more elements of a demonstration program. Demonstration programs will be publicized by notices in the FEDERAL REGISTER.

§§ 3565.18–3565.49 [Reserved]

§ 3565.50 OMB control number.

According to the Paperwork Reduction Act of 1995, no party is required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0575–0174.

Subpart B—Guarantee Requirements

§ 3565.51 Eligible loans and advances.

Upon approval of an application from an eligible or approved lender, the Agency will commit to providing a guarantee for a permanent loan or a construction and permanent loan, subject to the availability of funds.

[76 FR 3, Jan. 3, 2011]

§ 3565.52 Conditions of guarantee.

A loan guarantee under this part will be evidenced by a Loan Note Guarantee issued by the Agency. Each lender will execute a Lender’s Agreement. If a valid Lender’s Agreement already exists, it is not necessary to execute a new Lender’s Agreement with each loan guarantee.

(a) Rights and liabilities. A guarantee under this part is backed by the full faith and credit of the United States and is incontestable except for fraud or misrepresentation of which the lender had knowledge at the time the lender acquired the guarantee or assigned the loan, or in which a lender participates or condones. The guarantee will be unenforceable by the lender to the extent any loss is occasioned by a violation of usury laws, negligent servicing or origination by the lender, including a failure to acquire required security, or as a result of a use of loan funds for purposes other than those authorized by the Agency. The acts in the previous sentence constitute grounds for the refusal to make full payment under the guarantee to the lender, and will not be taken until the Agency gives the lender notice of the acts or omissions that it considers to constitute such grounds, specifying the applicable provisions of the Statute, Regulations, Loan Note Guarantee, or Lender’s Agreement; the lender has not cured the acts or omissions within 90 calendar days after such notice; and the acts or omissions can reasonably be expected to have a material adverse effect on the credit quality of the guaranteed mortgage or the physical condition of the property securing the guaranteed mortgage. If such acts or omissions cannot be cured within a 90 calendar day period, the 90 calendar day cure period automatically shall be extended so long as curative activities are commenced during the 90 calendar day period. At no time shall the curative period extend more than 270 calendar days from the expiration of the original 90 calendar day cure period.

When a guaranteed portion of a loan is sold to a Holder, the Holder shall succeed to all rights of the lender under the Loan Note Guarantee to the extent of the portion purchased. The lender will remain bound to all obligations under the Loan Note Guarantee, Lender’s Agreement, and the Agency program regulations.

(b) Liability of the Holder. The Holder shall not be liable for the actions of the lender including, but not limited to, negligence, fraud, abuse, misrepresentation or misuse of funds, and its rights under the guarantee shall be
fully enforceable notwithstanding the actions of the lender, unless the Holder has knowledge of fraud, misrepresentation or misuse of funds when it becomes the Holder or condones or participates in such actions.

(c) Types of guarantees. The Agency may provide a lesser guarantee based upon its evaluation of the credit quality of the loan. Penalties incurred as a result of default are not covered by the guarantee. The Agency liability under any guarantee will decrease or increase, in proportion to any increase or decrease in the amount of the unpaid portion of the loan, up to the maximum amount specified in the Loan Note Guarantee. The Agency will not guarantee construction loans only. The Agency offers the following types of guarantees:

(1) Option One. The Agency may guarantee permanent loans subject to the conditions specified in §3565.303(d). The maximum guarantee for a permanent loan will be 90 percent (unless the Agency establishes a different percent and announces this different percent through a Notice in the FEDERAL REGISTER) of the unpaid principal and interest up to the date the liquidation plan is approved by the Agency, as defined in §3565.452.

(2) Option Two. The Agency may provide a guarantee which will cover construction loan advances (advances) during construction. The maximum guarantee of construction advances related to a construction and permanent loan will not at any time exceed the lesser of 90 percent (or the percent established by the Agency and announced through a Notice in the FEDERAL REGISTER) of the amount of principal and accrued interest up to default for amounts which exceed the original advance if for eligible uses of loan proceeds or 90 percent of the original principal amount and accrued interest up to default of the loan. The Agency’s guarantee will cover losses to the extent aforementioned once all sureties/insurances and/or performance and payment bonds have fully performed their contractual obligations. A construction contingency reserve is required. This guarantee will be enforceable during the construction period but will cease to be enforceable once construction is completed unless and until the requirements for the continuation of the guarantee contained in the Conditional Commitment and this part are completed and approved by the Agency by the date stated in the Conditional Commitment and any Agency approved extension(s). The Agency will provide written confirmation to the lender when all of the requirements for continuation of the guarantee to cover the permanent loan have been satisfied. Any losses sustained while the guarantee is unenforceable (after the end of the construction period and, if applicable, before the continuation of the guarantee) are not covered by the guarantee. For purposes of this guarantee, the construction period will end on the earlier of:

(i) Twenty-four months from the closing of the construction loan, if the certificates of occupancy for all units in the project have not been issued by then, or

(ii) The date of the issuance of the last certificate of occupancy, if the certificates of occupancy for all units in the project are issued on or before 24 months from the closing of the construction loan.

(3) Option Three. The Agency may provide a single, continuous guarantee for construction and permanent loans. Only projects that have low loan-to-cost ratios, which will be defined by the Agency in a Notice published periodically in the FEDERAL REGISTER, are eligible for this type of guarantee. A construction contingency reserve is required. The Agency may require that a lease-up reserve, in an amount established by the Agency and announced through a Notice in the FEDERAL REGISTER, be set-aside prior to closing the construction loan. This lease-up reserve is an additional amount, over and above the required initial operating and maintenance contribution. The maximum guarantee of construction advances will not at any time exceed the lesser of 90 percent (or the percent
§ 3565.56 Suspension or termination of loan guarantee agreement.

A guarantee agreement will terminate when one of the following actions occurs: (In accordance with subpart H of this part, use restrictions on the property will remain if the following actions take place prior to the term of the loan and RHS determines the restrictions apply.)

§ 3565.53 Guarantee fees.

As a condition of receiving a loan guarantee, the Agency will charge the following guarantee fees to the lender.

(a) Initial guarantee fee. The Agency will charge an initial guarantee fee equal to one percent of the guarantee amount. For purposes of calculating this fee, the guarantee amount is the product of the percentage of the guarantee times the initial principal amount of the guaranteed loan.

(b) Annual guarantee fee. An annual guarantee fee of at least 50 basis points (one-half percent) of the outstanding principal amount of the loan will be charged each year or portion of a year that the guarantee is in effect. This fee will be collected on February 28, of each calendar year.

(c) Surcharge for guarantees on construction advances. The Agency may, at its sole discretion, charge an additional fee on the portion of the loan advanced during construction. This fee will be charged in advance at the start of construction and will be announced in NOFA before loan approval.

§ 3565.54 Transferability of the guarantee.

A lender must receive the Agency’s approval prior to any sale or transfer of the loan guarantee.

§ 3565.55 Participation loans.

Loans involving multiple lenders are eligible for a guarantee when one of the lenders is an approved lender and agrees to act as the lead lender with responsibility for the loan under the loan guarantee agreement.

§ 3565.56 Suspension or termination of loan guarantee agreement.

A guarantee agreement will terminate when one of the following actions occurs: (In accordance with subpart H of this part, use restrictions on the property will remain if the following actions take place prior to the term of the loan and RHS determines the restrictions apply.)
(a) **Voluntary termination.** A lender and borrower voluntarily request the termination of the loan guarantee.

(b) **Agency withdrawal of guarantee.** The Agency withdraws the loan guarantee in the event of fraud, misrepresentation, abuse, negligence, or failure to meet the program requirements.

(c) **Mortgage pay-off.** The loan is paid.

(d) **Settlement of claim.** Final settlement of the claim.

§ 3565.57 **Modification, extension, reinstatement of loan guarantee.**

To protect its interest or further the objectives of the program, the Agency may, at its sole discretion, modify, extend, or reinstate a loan guarantee. In making this decision the Agency will consider potential losses under the program, impact on the tenants and the public reaction that may be received regarding the action. Further, the Agency may authorize a guarantee on a new loan that is originated as part of a workout agreement.

§§ 3565.58–3565.99 [Reserved]

§ 3565.100 **OMB control number.**

According to the Paperwork Reduction Act of 1995, no party is required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0575–0174.

**Subpart C—Lender Requirements**

§ 3565.101 **Responsibility of lenders.**

A participating lender must originate and service a guaranteed loan in accordance with the regulation and program requirements throughout the life of a loan or guarantee, whichever is less. When it is in the best interests of the Agency, the Agency may permit the transfer of servicing from the originating lender to a servicer.

§ 3565.102 **Lender eligibility.**

An eligible lender must be a licensed business entity or HFA in good standing in the state or states where it conducts business; be approved by the Agency; and meet at least one of the criteria contained below. Lenders who are not eligible may participate in the program if they maintain a corresponding relationship with a lender who is eligible. An eligible lender must:

(a) Meet the qualifications of, and be approved by, the Secretary of HUD to make multifamily housing loans that are to be insured under the National Housing Act;

(b) Meet the qualifications and be approved by Fannie Mae, Freddie Mac or Ginnie Mae to make multifamily housing loans that are to be sold to or securitized by such corporations;

(c) Be a state or local HFA, or a member of the Federal Home Loan Bank system, with a demonstrated ability to underwrite, originate, process, close, service, manage, and dispose of multifamily housing loans in a prudent manner;

(d) Be a lender who meets the requirements for Agency approval contained in this subpart and has a demonstrated ability to underwrite, originate, process, close, service, manage, and dispose of multifamily housing loans in a prudent manner; or

(e) Be a lender who meets the following requirements in addition to the other requirements of this subpart and of subpart I of this part:

1. Have qualified staff to perform multifamily housing servicing and asset management;

2. Have facilities and systems that support servicing and asset management functions; and

3. Have documented procedures for carrying out servicing and asset management responsibilities.

§ 3565.103 **Approval requirements.**

The Agency will establish and maintain a "list of approved lenders". To be an approved lender, eligible lenders must meet the following requirements and maintain them on a continuing basis at a level consistent with the nature and size of their portfolio of guaranteed loans.

(a) **Commitment.** A lender must have a commitment for a guaranteed loan or an agreement to purchase a guaranteed loan.
§ 3565.109 Audited statement. A lender must provide the Agency with an annual audited financial statement conducted in accordance with generally accepted government auditing standards.

(c) Previous participation. A lender may not be delinquent on a federal debt or have an outstanding finding of deficiency in a federal housing program.

(d) Ongoing requirements. A lender must meet the following requirements at initial application and on a continuing basis thereafter:

(1) Overall financial strength, including capital, liquidity, and loan loss reserves, to have an acceptable level of financial soundness as determined by a lender rating service (such as Sheshunoff, Inc.); or to be an approved Fannie Mae, Freddie Mac, Ginnie Mae or HUD Federal Housing Administration multifamily lender; or, if a state housing finance agency, to have a top tier rating by a rating agency (such as Standard and Poor’s Corporation);

(2) Bonding and insurance to cover business related losses, including directors and officers insurance, business income loss insurance, and bonding to secure cash management operations;

(3) A minimum of two years experience in originating and servicing multifamily loans;

(4) A positive record of past performance when participating in RHS or other federal loan programs;

(5) Adequate staffing and training to perform the program obligations; the head underwriter must have 3 years of experience and all staff must receive annual multifamily training;

(6) Demonstrated overall financial stability of the business over the past five years;

(7) Evidence of reasonable and prudent business practices for management of the program; and

(8) No negative information on Dunn & Bradstreet or similar type report.

§ 3565.104 Application requirements.

Eligible lenders must submit a lender approval application, in a format prescribed by the Agency. The lender approval application submission must occur at the time the lender submits its first application for a loan guarantee, or its first application to purchase a guaranteed loan. The application must include documentation of lender compliance with §3565.103. A non-refundable application fee will be charged for each review of a lender’s application. The amount of the fee will be announced in NOFA.

§ 3565.105 Lender compliance.

A lender will remain an approved lender unless terminated by the Agency. To maintain approval, the lender must comply with the following requirements.

(a) Maintain eligibility in accordance with §§3565.102 and 3565.103;

(b) Comply with all applicable statutes, regulations, and procedures;

(c) Inform the Agency of any material change in the lender’s staffing, policies and procedures, or corporate structure;

(d) Cooperate fully with all program or Agency monitoring and auditing policies and procedures, including the Agency’s annual audit of approved lenders; and

(e) Maintain active participation in the multifamily guaranteed loan program by initiating a new loan guarantee or holding a loan guaranteed under this program.

§ 3565.106 Construction lender requirements.

A lender making a construction loan, as part of a construction and permanent loan, must demonstrate an ability to originate and service construction loans, in addition to meeting the other requirements of this subpart.

§ 3565.107 [Reserved]

§ 3565.108 Responsibility for actions of agents and mortgage brokers.

An approved lender is responsible for the actions of its agents and mortgage brokers.

§ 3565.109 Minimum loan prohibition.

A lender must not establish a minimum loan amount for loans under this program.
§ 3565.110 Insolvency of lender.

The Agency may require a lender to transfer a guaranteed loan or loans to another approved lender prior to a determination of insolvency by the lender. If the lender fails to transfer a loan when required, the guarantee will be considered null and void.

§ 3565.111 Lobbying activities.

An approved lender must comply with RD Instruction 1940-Q (available in any Rural Development Office) regarding lobbying activities.

§§ 3565.112–3565.149 [Reserved]

§ 3565.150 OMB control number.

According to the Paperwork Reduction Act of 1995, no party is required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0575–0174.

Subpart D—Borrower Eligibility Requirements

§ 3565.151 Eligible borrowers.

Guaranteed loans must be made to an eligible borrower whose intention is to provide and maintain rural rental housing. The ownership entity must be a valid entity in good standing under the laws of the jurisdiction in which it is organized. Eligible borrowers shall include individuals, corporations, state or local public agencies or an instrumentality thereof, partnerships, limited liability companies, trusts, Indian tribes, or any organization deemed eligible by the Agency. Eligible borrowers must be U.S. citizens or permanent legal residents; a U.S. owned corporation, or a limited liability company, or partnership in which the principals are U.S. citizens or permanent legal residents.

§ 3565.152 Control of land.

At time of application, the lender must have evidence of site control by the borrower (option to purchase, lease, deed or other evidence acceptable to the Agency). At the time of loan closing, the lender’s closing docket must provide documentary evidence that the borrower owns or has a long-term lease on the land on which the housing is or will be located. The form of ownership or the leasehold agreement must meet Agency requirements. Notwithstanding any investment in the site, the site may not be accepted based on the Agency’s environmental assessment.

§ 3565.153 Experience and capacity of borrower.

At the time of application, the lender must certify that the borrower:
(a) Has the ability and experience to construct or rehabilitate multifamily housing that meets the requirements established by the Agency, the lender and the loan agreement;
(b) Has the legal and financial capacity to meet all of the obligations of the loan; and
(c) Has the ability and experience to meet the property management requirements established by the Agency, the lender, and the loan agreement.

§ 3565.154 Previous participation in state and federal programs.

Loans to borrowers who are delinquent on a federal debt may not be guaranteed. Furthermore, borrowers or principals thereof who have defaulted on state or local government loans will not be eligible for a guarantee unless the Agency determines that the default was beyond the borrower’s control, and that the identifiable reasons for the default no longer exist. At the time of application, the lender must obtain from the borrower a certification that the borrower is not under any state or federal order suspending or debarring participation in state or federal loan programs and that the borrower is not delinquent on any non-tax obligation to the United States.

§ 3565.155 Identity of interest.

At the time of application, the lender must certify that it has disclosed any and all identity of interest relationships and preexisting conditions with respect to its relationships and that of the borrower, or that no identity of interest relationships exists. Identity of
interest relationships include any financial or other relationship that exists or will exist between a lender, borrower, management agent, supplier, or any agent of any of these entities, that could influence, give the appearance of influencing or have the potential to influence the actions of the parties in carrying out their responsibilities under the program. Disclosure will be in a form and manner established by the Agency.

§ 3565.156 Certification of compliance with federal, state, and local laws and with Agency requirements.

At the time of application, the lender must obtain from the borrower a certification of compliance with all applicable federal, state, and local laws, and with Agency requirements regarding discrimination and equal opportunity in housing, including title VIII of the Civil Rights Act of 1968, and the Fair Housing Amendments Act of 1988. The borrower must also certify that it is not the subject of any federal, state, or local sanction or punitive action.

§§ 3565.157–3565.199 [Reserved]

§ 3565.200 OMB control number.

According to the Paperwork Reduction Act of 1995, no party is required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0575–0174.

Subpart E—Loan Requirements

§ 3565.201 General.

To be eligible for a guarantee, a loan must comply with the provisions of this subpart and be originated by an approved lender.

§ 3565.202 Tenant eligibility.

(a) Limits on income of tenants. The housing units subject to a guaranteed loan must be available for occupancy only by low or moderate-income families or individuals whose incomes at the time of initial occupancy do not exceed 115 percent of the area median income. After initial occupancy, a tenant’s income may exceed these limits.

(b) Citizenship status. A tenant must be a United States citizen or a noncitizen who is a qualified alien as defined in §3565.3.

§ 3565.203 Restrictions on rents.

The rent for any individual housing unit, including any tenant-paid utilities, must not exceed an amount equal to 30 percent of 115 percent of area median income, adjusted for family size. In addition, on an annual basis, the average rent for a project, taking into account all individual unit rents, must not exceed 30 percent of 100 percent of area median income, adjusted for family size.

§ 3565.204 Maximum loan amount.

(a) Section 207(c) limits and exceptions. For that part of the property that is attributable to dwelling use, the principal obligation of each guaranteed loan must not exceed the applicable maximum per-unit limitations under section 207(c) of the National Housing Act.

(b) Loan-to-value limits. (1) In the case of a borrower that is a nonprofit organization or an agency or body of any State, local or tribal government, each guaranteed loan must involve a principal obligation that does not exceed the lesser of 97 percent of:

(i) The development costs of the housing and related facilities, or

(ii) The lender’s determination of value not to exceed the appraised value of the housing and facilities.

(2) In the case of a borrower that is a for-profit entity or other entity not referred to in paragraph (b)(1) of this section, each guaranteed loan must involve a principal obligation that does not exceed the lesser of 90 percent of:

(i) The development costs of the housing and related facilities, or

(ii) The lender’s determination of value not to exceed the appraised value of the housing and facilities.

(c) Necessary assistance review. (1) A lender requesting a loan guarantee
must review all loans to determine the appropriate amount of assistance necessary to complete and maintain the project. The lender shall recommend to the Agency an adjustment in the loan amount if appropriate as a result of this review.

(2) Where the project financing combines a guaranteed loan with Low-Income Housing Tax Credits or other Federal assistance, the project must conform to the policies regarding necessary assistance in 7 CFR 3560.63 (d) or successor provision.

§ 3565.205 Eligible uses of loan proceeds.

Eligible uses of loan proceeds must conform with standards and conditions for housing and facilities contained in 7 CFR part 1924, subpart A or successor provision, except that the Agency, at its sole discretion, may approve, in advance, a higher level of amenities, construction, and fees for projects proposed for a guaranteed loan provided the costs and features are reasonable and customary for similar housing in the market area.

(a) Use of loan proceeds. The proceeds of a guaranteed loan may be used for the following purposes relating to the project.

(1) New construction costs of the project;

(2) Moderate or substantial rehabilitation of buildings and acquisition costs when related to the rehabilitation of a building as described in paragraph (b) of this section;

(3) Acquisition of existing buildings, when approved by the Agency, for projects that serve a special housing need;

(4) Acquisition and improvement of land on which housing will be located;

(5) Development of on-site and off-site improvements essential to the use of the property;

(6) Development of related facilities such as community space, recreation, storage or maintenance structures, except that any high cost recreational facility, such as swimming pools and exercise clubs or similar facilities, must be specifically approved in advance by the Agency;

(7) Construction of on-site management or maintenance offices and living quarters for operating personnel for the property being financed;

(8) Purchase and installation of appliances and certain approved decorating items, such as window blinds, shades, or wallpaper;

(9) Development of the surrounding grounds, including parking, signs, landscaping and fencing;

(10) Costs associated with commercial space provided that:

(i) The project is designed primarily for residential use;

(ii) The commercial use consists of essential tenant service type facilities, such as laundry rooms, that are not otherwise conveniently available;

(iii) The commercial space does not exceed 10 percent of the gross floor area of the residential units and common areas, unless a higher level is specifically approved in writing by the Agency; and

(iv) The commercial activity is compatible with the use of the project and that the income is not more than 10 percent of the total annual operating income of the project;

(11) Costs for feasibility determination, loan application fees, appraisals, environmental documentation, professional fees or other fees determined by the Agency to be necessary to the development of the project;

(12) Technical assistance to and by non-profit entities to assist in the formation, development, and packaging of a project, or formation or incorporation of a borrower entity;

(13) Education programs for a board of directors, both before and after incorporation of a cooperative that will serve as the borrower;

(14) Construction interest accrued on the construction loan;

(15) Relocation assistance in the case of rehabilitation projects;

(16) Developers' fees; and

(17) Repaying applicant debts in the following cases:

(i) When the Agency authorizes in writing in advance the use of loan funds to pay debts for work, materials, land purchase, or other fees and charges before the loan is closed; or

(ii) When the Agency concurs in writing with a determination by the lender.
§ 3565.206 Ineligible uses of loan proceeds.

Loan proceeds must not be used for the following:

(a) Specialized equipment for training and therapy;
(b) Housing in military impact areas;
(c) Housing that serves primarily temporary and transient residents;
(d) Nursing homes, special care facilities and institutional type homes that require licensing as a medical care facility;
(e) Operating capital for central dining facilities or for any items not affixed to the real estate, such as special portable equipment, furnishings, kitchenware, dining ware, eating utensils, movable tables and chairs, etc.;
(f) Payment of fees, salaries and commissions or compensation to borrowers (except developers’ fees); or
(g) Refinancing of an outstanding debt, except in the case of an existing guaranteed loan where the Agency determines that the refinancing is in the government’s interest or furthers the objectives of the program. The term and amount of any loan for refinancing must not exceed the maximum loan amount or term limits.

§ 3565.207 Form of lien.

The loan originated by the lender for a guarantee must be secured by a first lien against the property.

§ 3565.208 Maximum loan term.

(a) Statutory term limit. The lender may set the term of the loan, but in no instance may the term of a guaranteed loan exceed the lesser of 40 years or the remaining economic life of the project.

(b) Prepayment of loans. A guaranteed loan may be prepaid in whole or in part at the determination of the lender, and upon the lender’s written notice to the Agency at least 30 days prior to the expected date of prepayment. The Agency will not pay any lockout or prepayment penalty assessed by the lender. The lender must certify the following in the notice of prepayment:

(1) The lease documents used by the borrower or its agent prohibit the abrogation of tenant leases in the event of prepayment; and

(2) The borrower has notified tenants of the request to prepay the loan, including notice of the prohibition against abrogation of the lease and the policy and procedure for handling complaints regarding compliance with the long-term use restriction as contained in subpart H of this part.

§ 3565.209 Loan amortization.

Each guaranteed loan shall be made for a period of not less than 25 nor greater than 40 years from the date the loan was made and may provide for amortization of the loan over a period of not to exceed 40 years with a final payment of the balance due at the end of the loan term.

§ 3565.210 Maximum interest rate.

The interest rate for a guaranteed loan must not exceed the maximum allowable rate specified by the Agency in NOFA. Such rate must be fixed over the term of the loan.

§ 3565.211 Interest credit.

(a) Limitation. For at least 20 percent of the loans made during each fiscal year, the Agency will provide assistance in the form of interest credit, to the extent necessary to reduce the
agreed-upon rate of interest to the
AFR as such term is used in section
42(I)(2)(D) of the Internal Revenue Code
of 1986, 26 U.S.C. 7805, § 1.42–1T.
(b) Selection criteria. The Agency will
select projects to receive interest cred-
its using any of such criteria as the
Agency may establish for priority
projects as contained in subpart A of
this part.

§ 3565.212 Multiple guaranteed loans.
The Agency may guarantee more
than one loan on any project if all
guaranteed loans, in the aggregate,
comply with these regulations, includ-
ing without limitation:
(a) In the aggregate, loans do not ex-
ceed the maximum guaranteed loan
amount and loan-to-value limits, as
contained in §3565.204;
(b) In the aggregate, loans are all to
be secured equally by a first lien as the
Agency may, at its sole discretion, de-
terminate necessary to ensure repayment
of the loans; and
(c) If different lenders originate the
loans, each lender has executed an
intercreditor agreement in form and
substance acceptable to the Agency.

§ 3565.213 Geographic distribution.
The Agency may refuse to guarantee
a loan in an area where there is undue
risk due to a concentration in the mar-
et of properties subject to a Agency
guaranteed loan. The Agency will con-
sider the credit quality of the loan and
overall market conditions in making a
determination of undue risk. If any of
the Agency guaranteed loans in the
market are experiencing vacancy rates
in excess of 15% and the vacancy is due
to market conditions, the Agency will
invoke this provision and not guar-
antee the loan.

§ 3565.214 [Reserved]

§ 3565.215 Special conditions.
(a) Use of third party funds. As a con-
dition of receiving a guaranteed loan,
the Agency, or the lender if designated
by the Agency, must review the terms
and conditions of any secondary fi-
nancing or funding of projects, includ-
ing loans, capital grants or rental as-
sistance.
(b) Recourse. If required by the lend-
er, loans guaranteed under this pro-
gram may be made on a recourse or
nonrecourse basis, or with any personal
or special borrower guarantees on
collateralization.

§§ 3565.216–3565.249 [Reserved]

§ 3565.250 OMB control number.

According to the Paperwork Reduc-
tion Act of 1995, no party is required to
respond to a collection of information
unless it displays a valid OMB control
number. The valid OMB control num-
ber for this information collection is
0575–0174.

Subpart F—Property Requirements

§ 3565.251 Eligible property.

To be eligible for a guaranteed loan,
a property must be used primarily for
residential dwelling purposes and must
meet the following requirements or the
requirements of this subpart:
(a) Property location. All the property
must be located in a rural area.
(b) Minimum size of development. The
property must consist of at least five
rental dwelling units.
(c) Non-contiguous sites. For a loan se-
cured by two or more non-contiguous
parcels of land, all sites must meet
each of the following requirements:
(1) Located in one market area;
(2) Managed under one management
plan with one loan agreement or reso-
lation for all of the sites; and
(3) Consist of single asset ownership.
(d) Compliance with statutes. All prop-
erties must comply with the applicable
requirements in section 504 of the Re-
habilitation Act of 1973, the Fair Hous-
ing Act, the Americans with Disabil-
ities Act, and other applicable stat-
utes.

§ 3565.252 Housing types.

The property may include new con-
struction or rehabilitation of existing
structures. The units may be attached,
detached, semi-detached, row houses,
modular or manufactured houses, or
multifamily structures. Manufactured
housing must meet Agency require-
ments contained in 7 CFR part 1924,
subpart A or a successor regulation. The Agency will guarantee proposals for new construction or acquisition with moderate or substantial rehabilitation of at least $6,500 per dwelling unit. The portion of guaranteed funds available for acquisition with rehabilitation may be limited in the annual Notice of Fund Availability.

(70 FR 2931, Jan. 19, 2005)

§ 3565.253 Form of ownership.

The property must be owned in fee simple or be subject to a ground lease or other legal right in land acceptable to the Agency.

§ 3565.254 Property standards.

(a) Housing quality and site and neighborhood standards. The property must meet the site and neighborhood requirements established by the state or locality, and those standards contained under 7 CFR part 1924, subparts A and C or any successor regulations.

(b) Third party assessments. As part of the application for a guaranteed loan, the lender must provide documentation of qualified third parties’ assessments of the property’s physical condition and any environmental conditions or hazards which may have a bearing on the market value of the property. These assessments must include:

(1) An acceptable property appraisal.

(2) A Phase I Environmental Site Assessment (American Society of Testing and Materials).

(3) A Standard Flood Hazard Determination.

(4) In the case of the purchase of an existing structure, rehabilitation or refinance, a physical needs assessment.

§ 3565.255 Environmental requirements.

Under the National Environmental Policy Act, the Agency is required to assess the potential impact of the proposed actions on protected environmental resources. Measures to avoid or at least mitigate adverse impacts to protected resources may require a change in site or project design. A site will not be approved until the Agency has completed the environmental review in accordance with 7 CFR part 1940, subpart G or successor regulation.

§ 3565.256 Architectural services.

Architectural services must be provided for the project in accordance with 7 CFR part 1924, subpart A or successor regulation, including plan certifications.

§ 3565.257 Procurement actions.

All construction procurement actions, whether by sealed bid or by negotiation, must be conducted in a manner that provides maximum open and free competition.

§§ 3565.258–3565.299 [Reserved]

§ 3565.300 OMB control number.

Subpart G—Processing Requirements

§ 3565.301 Loan standards.

An approved lender must originate and underwrite the loan and appraise the subject property in accordance with prudent lending practices and Agency criteria addressing the following factors:

(a) Borrower qualifications and creditworthiness;

(b) Property, vacancy, market vacancy or collection loss;

(c) Rental concessions and rent levels;

(d) Tenant demand and housing supply;

(e) Property operating and maintenance expense;

(f) Property requirements as contained in subpart F of this part;

(g) Debt coverage ratio;

(h) Operating and long-term capital requirements;

(i) Loan-to-value ratio;

(j) Return on borrower equity; and

(k) Estimated long-term marketability of the project.
§ 3565.302 Allowable fees.

(a) Lender fees. The lender is authorized to charge reasonable and necessary fees in connection with a borrower’s application for a guaranteed loan.

(b) Agency fees. The Agency will charge one or more types of fees deemed appropriate as reimbursement for reasonable and necessary costs incurred in connection with applications received from lenders for monitoring or annual renewal fees. These fees will be published in NOFA. Agency fees may include, but are not limited to the following:

1. Site assessment and market analysis or preliminary feasibility fee. A fee for review of an application for a determination of preliminary feasibility.

2. Application fee. A fee submitted in conjunction with the application for a loan guarantee.

3. Inspection fee. A fee for inspection of the property in conjunction with a loan guarantee.

4. Transfer fee. A fee in connection with a request for approval of a transfer of physical assets or a change in the composition of the ownership entity.

5. Extension or reopening fees. A fee to extend the guarantee commitment or to reopen an application when a commitment has expired.

§ 3565.303 Issuance of loan guarantee.

(a) Preliminary feasibility review. During the initial processing of a loan, the lender may request a preliminary feasibility review by the Agency when required loan documentation is submitted.

(b) Conditional commitment to guarantee a loan. The Agency will issue a conditional commitment to guarantee a loan. This commitment will be good for such time frame as the Agency deems appropriate based on project requirements. The commitment to guarantee a loan will specify any conditions necessary to obtain a determination by the Agency that all program requirements have been met. A conditional commitment can be issued, subject to the availability of funds, after:

1. Completion by the Agency of an environmental review in accordance with 7 CFR part 1940, subpart G or successor regulation, and the National Environmental Policy Act; and

2. Selection of the proposed project for funding by the Agency in accordance with ranking and selection criteria.

(c) Guarantee during construction. When requesting a guarantee on construction loan advances under §3565.52(c)(3) and (c)(3), Options 2 and 3, the Agency will only issue a guarantee to an approved lender that the Agency determines is eligible under §3565.106 of this part.

1. This guarantee will be subject to the limits contained in subpart B of this part and in the loan closing documentation.

2. In all cases, the lender must obtain one of the following protections:

   (i) Surety bonding or performance and payment bonding acceptable to the Agency;

   (ii) An irrevocable letter of credit acceptable to the Agency; or

   (iii) A pledge to the lender of collateral that is acceptable to the Agency.

3. The lender must verify amounts expended prior to each payment for completed work and certify that an independent inspector has inspected the property and found it to be in conformance with Agency standards. The lender must provide verification that all subcontractors have been paid and no liens have been filed against the property.

(d) Permanent loan guarantee. The guarantee of a permanent loan provided under §3565.52(c)(1) or (c)(2) will be issued once the following items have been submitted to and approved by the Agency:

1. Certification from the lender stating that the lender or its qualified representative inspected the property and found that the construction meets the Government’s requirements for the standards and conditions for housing and facilities in 7 CFR part 1924, subpart A and the standards for site development in 7 CFR part 1924, subpart C, or its successor regulations;

2. Cash flow certification—the lender certifies, in writing, the project’s cash flow assumptions are still valid and depict compliance with the section 538 program’s debt service coverage ratio requirement of at least 1.15, based...
on the lender’s analysis of current market conditions and comparable properties in the project’s market area;

(3) Documentation that either:
   (i) The project has attained a minimum level of acceptable occupancy of 90% for 90 continuous days within the 120-day period immediately preceding the issuance of the permanent guarantee, or
   (ii) Additional funds, supplementing the funds required under §3565.303(d), have been added to the lease-up reserve in an amount the Agency determines is necessary to cover projected shortfalls.

(4) A new appraisal based upon completion of construction. Upon a lender’s written request, the Agency may exempt a project from this requirement if requested by the lender and the project meets the following criteria:
   (i) Original appraisal—the original appraisal that meets the Agency’s appraisal requirements with a valuation date no older than 36 months;
   (ii) Valuation—the appraisal’s lowest valuation, regardless of valuation approach and rent restrictions considered, is greater than the section 538 guaranteed loan amount; and
   (iii) Guaranteed loan balance—the Agency’s guaranteed loan’s principal balance does not exceed 50 percent unless a different percent has been announced in a Notice published in the Federal Register of the project’s total development costs.

(5) A certificate of substantial completion;

(6) A certificate of occupancy or similar evidence of local approval;

(7) A final inspection conducted by a qualified Agency representative;

(8) A final cost certification in a form acceptable to the Agency;

(9) A submission to the Agency of the complete closing docket;

(10) A certification by the lender that the project has reached an acceptable minimum level occupancy;

(11) An executed regulatory agreement;

(12) The Lender certifies that it has approved the borrower’s management plan and assures that the borrower is in compliance with Agency standards regarding property management contained in subparts E and F of this part;

(13) Necessary information to complete an updated necessary assistance review by the Agency under §3565.204(c); and

(14) Compliance with all conditions contained in the conditional commitment for guarantee.

(e) Modification of guarantee amount after commitment. The Agency may modify the guarantee amount or decline to issue a loan guarantee when a lender fails to honor obligations or to fulfill representations made under the guarantee commitment.

(f) Continuous Guarantee Compliance. The continuous guarantee will remain in effect once construction is completed. In order to remain in compliance with 7 CFR part 3565, the following items must be submitted to and approved by the Agency. These items will be submitted to the Agency by the date stated in the Conditional Commitment and any Agency approved extension(s).

(1) Certification from the lender stating that the lender or its qualified representative inspected the property and found that the construction meets the Government’s requirements for the standards and conditions for housing and facilities in 7 CFR part 1924, subpart A and the standards for site development in 7 CFR part 1924, subpart C, or its successor regulations;

(2) Cash flow certification—the lender certifies in writing the project’s cash flow assumptions are still valid and depict compliance with the section 538 program’s debt service coverage ratio requirement of at least 1.15, based on the lender’s analysis of current market conditions and comparable properties in the project’s market area;

(3) Documentation that either:
   (i) The project has attained a minimum level of acceptable occupancy of 90% for 90 continuous days within the 120-day period immediately preceding the issuance of the permanent guarantee, or
   (ii) Additional funds, supplementing the funds required under §3565.303(d), have been added to the lease-up reserve in an amount the Agency determines is necessary to cover projected shortfalls.

(4) An appraisal of the property;

(5) A certificate of substantial completion;
§ 3565.304 Lender loan processing responsibilities.

(a) Application. The lender will be responsible for submitting an application for a loan guarantee in a format prescribed by the Agency. Lenders may submit an application at the feasibility stage or when they request a conditional commitment.

(b) Project servicing, management and disposition. Unless otherwise permitted by the Agency, the originating lender must perform all loan functions during the period of the guarantee. These functions include servicing, asset management, and, if necessary, property disposition. The lender must maintain service the loan in accordance with the provisions of subpart I of this part and Agency servicing procedures.

§ 3565.305 Mortgage and closing requirements.

It is the lender’s responsibility to ensure that the loan closing statement and required loan documents are in a form acceptable to the Agency and included in the closing docket. The lender is responsible for resolving any underwriting and loan closing deficiencies that are found. The Agency’s review of the lender’s loan closing documentation does not constitute a waiver of fraud, misrepresentation, or failure of judgment by the lender.

Subpart H—Project Management

§ 3565.351 Project management.

As a condition of the guarantee, the lender is to obtain borrower certification that the project is in compliance with local, state, federal laws and program requirements.

(a) Regulatory agreement. A regulatory agreement between the borrower and lender must be executed at the time of loan closing and contain the following covenants:

1. That it is binding upon the borrower and any of its successors and assigns, as well as upon the lender and any of its successors and assigns, for the duration of the guaranteed loan;

2. That the borrower makes all payments due under the note and to the required escrow and reserve accounts;

3. That the borrower maintains the project as affordable housing in accordance with the purposes and for the duration defined in the statute;

4. That the borrower maintains the project in good physical and financial condition at all times;

5. That the borrower obtains and maintains property insurance and any other insurance coverage required to protect the security;

6. That the borrower maintains complete project books and financial records, and provides the Agency and the lender with an annual audited financial statement after the end of each fiscal year;

7. That the borrower makes project books and records available for review by the Office of Inspector General,
Rural Development staff, General Accounting Office, and the Department of Justice, or their representatives or successors upon appropriate notification;

(8) That the borrower prepares and complies with the Affirmative Fair Housing Marketing Plan and all other Fair Housing requirements;

(9) That the borrower operates as a single asset ownership entity, unless otherwise approved by the Agency;

(10) That the borrower complies with applicable federal, state and local laws; and

(11) That the borrower provides management satisfactory to the lender and to the Agency and complies with an approved management plan for the project.

(b) Management plan. The lender must approve the borrower’s management plan and assure that the borrower is in compliance with Agency standards regarding property management, including the requirements contained in subparts E and F of this part.

(c) Tenant protection and grievance procedures. Tenants in properties subject to a guaranteed loan are entitled to the grievance and appeal rights contained in 7 CFR part 3560, subpart D or successor regulation. The borrower must inform tenants in writing of these rights.

(d) Financial management—(1) Borrower reporting requirements. At a minimum, the lender must obtain, on an annual basis, an audited annual financial statement conducted in accordance with generally accepted government auditing standards.

(2) Lender reporting requirements. The lender must review the financial reports to assure that the property is in sound fiscal condition and the borrower is in compliance with financial requirements. The lender must report findings to the Agency as follows:

(i) Annual reports. The lender must submit to the Agency a copy of the annual financial audit of the project and must report on the nature and status of any findings. To the extent that outstanding findings or issues remain, the lender must submit to the Agency a copy of a plan of action for any unresolved findings.

(ii) Monthly reports. The lender must submit monthly reports to the Agency on all loans that are either in default, delinquent, or not in compliance with program requirements. This report must provide information on the financial condition of each loan, the physical condition of the property, the amount of delinquency, any other non-compliance with program requirements and the proposed actions and timetable to resolve the delinquency, default or non-compliance.

(3) Reserve releases. The lender is responsible for approving or disapproving all borrower requests for release of funds from the reserve and escrow accounts. Security deposit accounts will not be considered a reserve or escrow account.

(4) Insurance requirements. At loan closing, the borrower will provide the lender with documentary evidence that Agency insurance requirements have been met. The borrower must maintain insurance in accordance with Agency requirements until the loan is repaid and the lender must be named as the insurance policy’s beneficiary. The lender must obtain insurance on the secured property if the borrower is unable or unwilling to do so and charge the cost as an advance.

(5) Distribution of surplus cash. Prior to the distribution of surplus cash to the owner, the lender must certify that the property is in good financial and physical condition in compliance with the regulatory agreement. Such compliance includes payment of outstanding obligations, debt service, and required funding of reserve and escrow accounts.

(e) Physical maintenance. The lender must annually inspect the property to ensure that it is in compliance with state and local codes and program requirements. The lender must certify to the Agency that a property is in such compliance, or report to the Agency on any non-compliance items and proposed actions and timetable for resolution. Failure to provide responsive corrective action can result in reduction or cancellation of the guarantee by the Agency.

§ 3565.352 Preservation of affordable housing.

(a) Original purpose. During the period of the guarantee, owners are prohibited from using the housing or related facilities for any purpose other than an approved program purpose.

(b) Use restriction. For the original term of the guaranteed loan, the housing must remain available for occupancy by low and moderate income households, in accordance with subpart E of this part. This requirement will be included in a deed restriction or other instrument acceptable to the Agency. The restriction will apply unless the housing is acquired by foreclosure or an instrument in lieu of foreclosure, or the Agency waives the applicability of this requirement after determining that each of the following three circumstances exist:

1. There is no longer a need for low- and moderate-income housing in the market area in which the housing is located;
2. Housing opportunities for low-income households and minorities will not be reduced as a result of the waiver; and
3. Additional federal assistance will not be necessary as a result of the waiver.

§ 3565.353 Affirmative fair housing marketing.

As a condition of the guarantee, the lender must ensure that the lender and borrower are in compliance with the approved Affirmative Fair Housing Marketing Plan. This plan must be reviewed annually by the lender to ensure that the borrower remains in compliance and to recommend modifications, as necessary.

§ 3565.354 Fair housing accommodations.

The lender must ensure that the borrower is in compliance with the applicable fair housing laws in the development of the property, the selection of applicants for housing, and ongoing management. See subpart A of this part.

§ 3565.355 Changes in ownership.

Any change in ownership, in whole or in part, must be approved by the lender and the Agency before such change takes effect.

§ 3565.400 OMB control number.

According to the Paperwork Reduction Act of 1995, no party is required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0575–0174.

Subpart I—Servicing Requirements

§ 3565.401 Servicing objectives.

The participating lender is responsible for servicing the guaranteed loan throughout the term of the loan or guarantee, whichever is less. In all cases, the lender remains responsible for liquidation of the property in accordance with the Loan Note Agreement, unless otherwise determined by the Agency. A lender-servicing plan must be designed and implemented to achieve the following objectives:

(a) To preserve the value of the loan and the real estate;
(b) To avoid a loss to the lender or the Agency and to limit exposure to potential loss;
(c) To protect the interests of the tenants; and
(d) To further program objectives.

§ 3565.402 Servicing responsibilities.

The lender must service the loan in accordance with this subpart and perform the services contained in this section in a reasonable and prudent manner. The lender is responsible for the actions of its agents and representatives.

(a) Funds management. The lender must have a funds management system to receive and process borrower payments, including the following:

1. All principal and interest (P&I) funds and guarantee fees collected and deposited into the appropriate custodial accounts.
2. Payments to custodial escrow accounts for taxes and insurance premiums, assessments that might impair the security (such as ground rent), and reserve accounts for repair and capital improvement of the property.
Rural Housing Service, USDA  § 3565.404

(b) Asset management. The lender must ensure that the property securing the guaranteed loan remains in good physical and financial condition, in accordance with project management requirements contained in subpart H of this part.

(c) Management of delinquencies and defaults. Each month the lender must report to the Agency any delinquencies and defaults in accordance with subpart H of this part.

§ 3565.403 Special servicing.

Special servicing must be initiated when regular servicing actions are insufficient to resolve borrower default or property deficiencies.

(a) Repurchase from Holder. For securitized loans, the Holder may require the lender or Government to repurchase the security in accordance with the provisions of § 3565.405.

(b) Responsibility of lender. It is the lender’s responsibility during special servicing to make a special effort to ensure that maintenance of the property meets Agency requirements and the tenants’ rights are protected, until such time that the property is liquidated by the lender, the loan is paid in full, or the loan is assigned to the Agency. The lender must update the Agency monthly until the default is cured or a claim is filed. The lender must maintain adequate records of any and all efforts to cure the default or to foreclose.

(c) Initiating special servicing. When special servicing is initiated, the lender must submit for Agency review a special servicing plan that includes proposed actions to cure the deficiencies and a timeframe for completion. The special servicing plan will specify the proposed terms of any workout agreement recommended by the lender. The lender must obtain Agency approval of the terms of any workout agreement with the borrower. The workout agreement may include a loan modification, transfer of physical assets, or partial payment of claim and realmortization of the loan. Failure to comply with terms contained in the executed workout agreement will be considered a default of the guaranteed loan.

(1) Loan modification. The borrower and lender may agree to a loan modification when such action will improve the financial viability of the project and its operations, and when a circumstance exists that is beyond the borrower’s control. The Agency must approve in advance any loan modification that extends the life of the loan or requires an increase in the amount of the guarantee. All changes must be within the requirements of section 538 of the Housing Act of 1949.

(2) Change in ownership and transfer of physical assets. A default or delinquency may be resolved by a change of the ownership entity in whole or in part. The Agency must approve all changes in ownership prior to the effective date of the transfer, and may require additional resources from the lender or borrower to resolve project deficiencies.

(3) Partial payment of claims. The lender may request a partial payment of claim as a result of a loss experienced by the lender as a means to work out a troubled loan. The Agency will accept such claim if it determines that it is in the best interest of the government. In applying the partial payment, the lender must assign the obligation covered by the partial payment to the Agency, and, if required by the Agency, reamortize the obligation using the amount of the remaining obligation over an agreed-upon term.

(d) Claims processing. In the event of a loss, the lender must submit claims under the guarantee in accordance with subpart J of this part. Prior to submitting a claim, the lender must exhaust all possibilities of collection on the loan.

(e) Displacement prevention. The actions of the lender must not harm the property’s tenants through displacement.

§ 3565.404 Transfer of loans or mortgage servicing.

Transfer of servicing is prohibited unless the Agency determines that circumstances warrant such action, the proposed lender is an eligible lender approved by the Agency, and the transfer
§ 3565.405 Repurchase of guaranteed loans.

(a) Repurchase by lender. The Holder may make written demand on the lender to repurchase the unpaid guaranteed portion of the loan when the borrower is in default not less than 60 calendar days on principal or interest due on the loan; or the lender has failed to remit to the Holder its pro rata share of any payment made by the borrower within 30 calendar days of receipt by the lender. The Holder must concurrently send a copy of the demand letter to the Agency. The lender will notify the Holder and the Agency of its decision to repurchase within 10 business days from the date of the written demand letter by the Holder. The lender may agree to repurchase the unpaid portion of the entire loan from the Holder, even though the guarantee does not cover any unguaranteed portion of the loan held by the Holder. If the lender decides to repurchase, the lender has 30 calendar days from the date of the Holder’s written demand letter to do so. The guarantee does not cover any unguaranteed portion of the loan or the note interest to the Holder on the guaranteed loan accruing after 90 calendar days from the date of the Holder’s demand letter to the lender requesting the repurchase. The lender may deduct the lender’s servicing fee from the repurchase amount. The lender is encouraged to repurchase the loan to facilitate the accounting of funds, resolve problems, and to prevent default where and when reasonable.

(b) Repurchase by Agency. (1) If the lender does not repurchase the loan as provided in paragraph (a) of this section, the Agency will purchase from the Holder the unpaid principal balance of the guaranteed portion together with accrued interest to date of repurchase, less the lender’s servicing fee, within 30 calendar days after written demand to the Agency from the Holder. The guarantee will not cover the note interest to the Holder on the guaranteed loan accruing after 90 calendar days from the date of the original demand letter of the Holder to the lender requesting the repurchase. Holders of Loan Note Guarantees that have been issued prior to the effective date of this final rule may opt to adhere to the terms and conditions of the Loan Note Guarantee then in effect. In case of loan default, the Holder of a Loan Note Guarantee issued prior to the effective date of this final rule will stipulate, in a written demand for repurchase, its preference for repurchase in accordance with the Loan Note Guarantee issued prior to the effective date of this final rule. If the demand for repurchase does not stipulate a preference for repurchase in accordance with the Loan Note Guarantee issued prior to the effective date of this final rule, the Agency will process the demand for repurchase as stated in this final rule. The Holder must stipulate a preference for repurchase in accordance with the Loan Note Guarantee issued prior to the effective date of this final rule in the first demand for repurchase. The Holder of the Loan Note Guarantee issued prior to the effective date of this final rule cannot make a subsequent demand for repurchase changing the preference stipulated in the original demand for repurchase.

(2) The Holder’s demand to the Agency must include a copy of the written demand made to the lender. The Holder must also include evidence of its right to require payment from the Agency. Such evidence will consist of either the original of the Loan Note Guarantee properly endorsed to the Agency or the original of an Agency approved assignment guarantee agreement, properly assigned to the Agency without recourse including all rights, title, and interest in the loan. The Holder must include in its demand the amount due including unpaid principal, unpaid interest to date of demand, and interest subsequently accruing from date of demand to proposed payment date. The Agency will be subrogated to all rights of the Holder.

(3) The Agency will notify the lender of its receipt of the Holder’s demand for payment. The lender must provide the Agency with the information necessary for the Agency to determine the appropriate amount due the Holder.
within 10 business days from the date of the written demand letter to the lender from the Holder requesting repurchase of the guaranteed portion. The lender will furnish a current statement certified by an appropriate authorized officer of the lender stating the unpaid principal and interest then owed by the borrower on the loan and the amount then owed to any Holder. Any discrepancy between the amount claimed by the Holder and the information submitted by the lender must be resolved between the lender and the Holder before payment will be approved. The Agency will coordinate the resolution of the discrepancy. Such conflict will suspend the running of the 30 calendar day payment requirement.

(4) Purchase by the Agency does not change, alter, or modify any of the lender’s obligations to the Agency arising from the loan or guarantee nor does it waive any of the Agency’s rights against the lender. As Holder, the Agency will have the right to set-off any payments the Agency owes the lender.

§ 3565.450 OMB control number.

Subpart J—Assignment, Conveyance, and Claims

§ 3565.451 Preclaim requirements.

(a) Lender certifications. After borrower default and before filing a claim or assignment of the loan to the Agency, the lender must make every reasonable and prudent effort to resolve the default. The lender must provide the Agency with an accounting of all proposed and actual actions taken to cure the default. The lender must certify that all reasonable efforts to cure the default have been exhausted. Where the lender fails to comply with the terms of the loan guarantee agreement and the corresponding regulations and guidance with regard to liquidating the property, the Agency, at its option, may take possession of the security collateral and dispose of the property.

(b) Due diligence by lender. For all loan servicing actions where a market, net recovery or liquidation value determination is required, guaranteed lenders shall perform due diligence in conjunction with the appraisal and submit it to the Agency for review. The Phase I Environmental Site Assessment published by the American Society of Testing and Materials is considered an acceptable format for due diligence.

(c) Environmental review. The Agency is required to complete an environmental review under the National Environmental Policy Act, in accordance with 7 CFR part 1940, subpart G or a successor regulation, prior to disposition of inventory property, if title is held by the Agency, and prior to any authorization to the guaranteed lender to foreclose and dispose of property, and for any other servicing action requiring Agency approval or consent.

§ 3565.452 Decision to liquidate.

(a) A decision to liquidate shall be made when it is determined that the default cannot be cured through actions contained in §3565.403 or it has been determined that it is in the best interest of the Agency and the lender to liquidate. For interest accrual purposes, interest will accrue for 90 calendar days after the date the liquidation plan is approved by the Agency. If within 20 calendar days of the Agency’s receipt of the liquidation plan, the Agency fails to respond to the lender’s proposal or advise the lender to make revisions to the plan that was submitted, the liquidation plan will be approved by default, and the 90 calendar day period for interest accrual will commence.

(b) In the event of a default involving a loan to an Indian tribe or tribal corporation made under this section which is secured by an interest in land within such tribe’s reservation (as determined
§ 3565.453 Disposition of the property.

(a) Submission of the liquidation plan. The lender will, within 30 calendar days after a decision to liquidate, submit to the Agency in writing, its proposed detailed plan of liquidation. The Agency will inform the lender, in writing, whether the Agency concurs in the lender’s liquidation plan. Should the Agency and the lender not agree on the liquidation plan, negotiations will take place between the Agency and the lender to resolve the disagreement. When the liquidation plan is approved by the Agency, the lender will proceed expeditiously with liquidation. The liquidation plan submitted to the Agency by the lender shall include:

(1) Satisfactory proof of the lender’s ownership of the guaranteed loan promissory note and related security instruments.

(2) A copy of the payment ledger or equivalent which reflects the current loan balance and accrued interest to date and the method of computing the interest.

(3) A full and complete list of all collateral including any personal and corporate guarantees.

(4) The recommended liquidation methods for making the maximum collection possible on the indebtedness and the justification for such methods, including recommended actions for:

(i) Obtaining an appraisal of the collateral;

(ii) Acquiring and disposing of all collateral;

(iii) Collecting from guarantors;

(iv) Setting the proposed date of foreclosure; and

(v) Setting the proposed date of liquidation.

(5) Necessary steps for protection of the tenants and preservation of the collateral.

(6) Copies of the borrower’s latest available financial statements.

(7) Copies of the guarantor’s latest available financial statements.

(8) An itemized list of estimated liquidation expenses expected to be incurred along with justification for each expense.

(9) A schedule to periodically report to the Agency on the progress of liquidation.

(10) Estimated protective advance amounts with justification.

(11) Proposed protective bid amounts on collateral to be sold at auction and a breakdown to show how the amounts were determined.

(12) If a voluntary conveyance is considered, the proposed amount to be credited to the guaranteed debt.

(13) Any legal opinions supporting the decision to liquidate.

(14) The lender will obtain a complete appraisal report on all collateral securing the loan, which will reflect the fair market value and potential liquidation value, and an examination of the title on the collateral. In order to formulate a liquidation plan, which maximizes recovery, collateral must be evaluated for hazardous substances, petroleum products, or other environmental hazards, which may adversely impact the market value of the collateral.

(b) A transfer and assumption of the borrower’s operation can be accomplished before or after the loan goes into liquidation. However, if the collateral has been purchased through foreclosure or the borrower has conveyed title to the lender, no transfer and assumption is permitted.

(c) A protective bid may be made by the lender, with prior Agency written approval, at a foreclosure sale to protect the lender’s and the Agency’s interest. The protective bid will not exceed the amount of the loan, including expenses of foreclosure, and should be based on the liquidation value considering estimated expenses for holding
and reselling the property. These expenses include, but are not limited to, expenses for resale, interest accrual, length of weatherization, and prior liens.

(d) Filing an estimated loss claim. When the lender is conducting the liquidation and owns any or all of the guaranteed portion of the loan, the lender will file an estimated loss claim with the liquidation plan if the lender expects liquidation to exceed 90 calendar days. The estimated loss payment will be based on the outstanding loan amount minus the liquidation value of the collateral. For the purpose of reporting and loss claim computation, the loss claim will be promptly processed in accordance with applicable Agency regulations, as set forth in this section. The loss claim calculation will include 90 calendar days of interest accrual on the defaulted loan at the time the estimated loss claim is paid by the Agency. If the lender estimates that there will be no loss after considering the costs of liquidation, the lender submits an estimated loss claim of zero. Interest accrual will cease 90 calendar days after the date the liquidation plan is approved by the Agency.

(e) Property disposition. Once the liquidation plan has Agency approval, the lender must make every effort to liquidate the property in a manner that will yield the highest market value consistent with the protections afforded to tenants in 7 CFR part 1944, subpart L or successor regulation.

(f) Accounting and reports. When the lender conducts liquidation, the lender will account for funds during the period of liquidation and provide the Agency with reports at least quarterly on the progress of liquidation, including disposition of collateral, resulting costs, and additional procedures necessary for successful completion of the liquidation.

(g) Transmitting payments and proceeds to the Agency. When the Agency is the Holder of a portion of the guaranteed loan, the lender will transmit to the Agency its pro rata share of any payments received from the borrower, liquidation, or elsewhere.

§ 3565.454  [Reserved]

§ 3565.455  Alternative disposition methods.

The Agency, in its sole discretion, may choose to obtain an assignment of the loan from the lender or conveyance of title obtained by the lender through foreclosure or a deed-in-lieu of foreclosure.

(a) Assignment. In the case of an assignment of the loan, the assignment of the security instruments or the security must be in written and recordable form. Completion of the assignment will occur once the following transactions are completed to the Agency’s satisfaction.

(1) Conveyance to the Agency of all the lender’s rights and interests arising under the loan.

(2) Assignment to the Agency of all claims against the borrower or others arising out of the loan transactions, including:

(i) All collateral agreements affecting financing, construction, use or operation of the property; and

(ii) All insurance or surety bonds, or other guarantees, and all claims under them.

(3) Certification that the collateral has been evaluated for the presence of contamination from the release of hazardous substances, petroleum products or other environmental hazards which may adversely impact the market value of the property and the results of that evaluation.

(b) Conveyance of title. In the case of a conveyance of title to the property, the lender must inform the Agency in advance of how it plans to acquire title and a timetable for doing so. The Agency will accept the conveyance upon receipt of an assignment to the Agency of all claims of the lender against the property and assignment of the lender’s rights to any operating funds and any reserves or escrows established for the maintenance of the property or the payment of property taxes and insurance.

§ 3565.456  Filing a claim.

Once the lender has disposed of the property or the Agency has agreed to accept an assignment of the loan or conveyance of title to the property, the
lender may file a claim for the guaranteed portion of allowable losses. All claim amounts must be calculated in accordance with this subpart and be approved by the Agency.

§ 3565.457 Determination of claim amount.

In all liquidation cases, final settlement will be made with the lender after the collateral is liquidated, unless otherwise designated as a future recovery or after settlement and compromise of all parties has been completed.

(a) Report of loss form. An Agency approved form will be used for calculations of all estimated and final loss determinations. Estimated loss payments will only be paid by the Agency after it has approved a liquidation plan.

(b) Estimated loss. An estimated loss claim based on liquidation appraisal value will be prepared and submitted by the lender.

(1) The estimated loss payment shall be applied as of the date of such payment. The total amount of the loss payment paid by the Agency will be applied by the lender on the loan debt. Such application does not release the borrower from liability.

(2) The Government’s written authorization is required for all protective advances in excess of $5,000. Protective advances include, but are not limited to, advances made for property taxes, annual assessments, ground rent, hazard or flood insurance premiums affecting the collateral, and other expenses necessary to preserve or protect the security. Attorney fees are not a protective advance. A protective advance claim will be paid only at the time of the final report of loss payment except in certain transfer and assumption situations with Agency approval.

(c) Final loss. Within 30 calendar days after liquidation of all collateral, except for certain unsecured personal or corporate guarantees (as provided for in this section) is completed, a final report of loss on a form approved by the Agency must be prepared and submitted by the lender to the Agency. Before approval by the Agency of any final loss report, the lender must account for all funds during the period of liquidation, disposition of the collateral, all costs incurred, and any other information necessary for the successful completion of liquidation. Upon receipt of the final accounting and report of loss, the Agency may audit all applicable documentation to determine the final loss. The lender will make its records available and otherwise assist the Agency in making any investigation. The documentation accompanying the report of loss must support the amounts shown on the report of loss form.

(1) A determination must be made regarding the collectability of unsecured personal and corporate guarantees. If reasonably possible, such guarantees should be promptly collected prior to completion of the final loss report. However, in the event that collection from the guarantors appears unlikely or will require a prolonged period of time, the report of loss will be filed when all other collateral has been liquidated, and unsecured personal or corporate guarantees will be treated as a future recovery with the net proceeds to be shared on a pro rata basis by the lender and the Agency.

(2) The lender must document that all of the collateral has been accounted for and properly liquidated and that proceeds have been properly accounted for and applied correctly to the loan.

(3) The lender will show a breakdown of any protective advance amount as to the payee, purpose of the expenditure, date paid, and evidence that the amount expended was proper and that payment was actually made.

(4) The lender will show a breakdown of liquidation expenses as to the payee, purpose of the expenditure, date paid, and evidence that the amount expended was proper and that payment was actually made. Liquidation expenses are recoverable only from collateral proceeds.

(5) Accrued interest will be supported by documentation as to how the amount was accrued.

(6) Loss payments will be paid by the Agency within 60 calendar days after the receipt of the final loss report and accounting of the collateral.

(7) Should there be a circumstance where the lender cannot or will not
sign a final report of loss, the State Director may complete the final report of loss and submit it to the Finance Office without the lender’s signature. Before this action can be taken, all collateral must be disposed of or accounted for; there must be no evidence of fraud, misrepresentation, or negligent servicing by the lender; and all efforts to obtain the cooperation of the lender must have been exhausted and documented.

(d) Maximum guarantee payment. The maximum guarantee payment will not exceed the amount of guarantee percentage as contained in the guarantee agreement (but in no event more than 90%) times the allowable loss amount.

(e) Rent. Any net rental or other income that has been received by the lender from the collateral will be applied on the guaranteed loan debt after paying operating expenses of the property.

(f) Liquidation costs. Liquidation costs will be deducted from the proceeds of the disposition of primary collateral. If changed circumstances after submission of the liquidation plan require a substantial revision of liquidation costs, the lender will procure the Agency’s written concurrence prior to proceeding with the proposed changes.

(g) Payment. When the Agency finds the final report of loss to be proper in all respects, it will approve the form and proceed as follows:

1. If the loss is greater than any estimated loss payment, the Agency will pay the additional amount owed by the Agency to the lender.
2. If the loss is less than the estimated loss payment, the lender will reimburse the Agency for the overpayment.
3. If the Agency determines that it is in the Government’s best interest to take assignment of the loan and conduct liquidation, as stipulated in 42 U.S.C. 1490(1)(3), Assignment by Secretary, the Agency will pay the lender in accordance with the Loan Note Guarantee.

(h) Date of loss. The date of loss is the date on which the collateral will be liquidated in the liquidation plan, unless an alternative date is approved by the Agency. Where the Agency chooses to accept an assignment of the loan or conveyance of title, the date of loss will be the date on which the Agency accepts assignment of the loan or conveyance of title.

(i) Allowable claim amount. The allowable claim amount must be calculated by:
1. Adding to the unpaid principal and interest on the date of loss, an amount approved by the Agency for payments made by the lender for amounts due and owning on the property, including:
   i. Property taxes and other protective advances as approved by the Agency;
   ii. Water and sewer charges and other special assessments that are liens prior to the guaranteed loan;
   iii. Insurance of the property; and
   iv. Reasonable liquidation expenses.
2. And by deducting the following items:
   i. Any amount received by the lender on the account of the guaranteed loan after the date of default;
   ii. Any net income received by the lender from the secured property after the date of default; and
   iii. Any cash items retained by the lender, except any amount representing a balance of the guaranteed loan not advanced to the borrower. Any loan amount not advanced will be applied by the lender to reduce the outstanding principal on the loan.

(j) Lender certification. The lender must certify that all possibilities of collection have been exhausted and that all of the items specified in paragraph (c) of this section have been identified and reported to the Agency as a condition for payment of claim.

§ 3565.458 Withdrawal of claim.

If the lender provides timely written notice to the Agency of withdrawal of the claim, the guarantee will continue as if the default had not occurred if the borrower cures the default prior to foreclosure or prior to acceptance of a deed-in-lieu of foreclosure.

Subpart K—Agency Guaranteed Loans That Back Ginnie Mae Guaranteed Securities

SOURCE: 70 FR 2934, Jan. 19, 2005, unless otherwise noted.

§ 3565.501 Applicability.
The provisions of this subpart apply when Agency guaranteed loans are used to back Ginnie Mae securities. In instances where this subpart applies, the provisions of this subpart prevail over any other provisions of this part.

§ 3565.502 Incontestability.
In the case of loans that back Ginnie Mae securities or loans that are acquired by Ginnie Mae as a consequence of its guaranty, the Agency guarantee under this part is incontestable except that the guarantee may not be enforced by a lender who commits fraud or misrepresentation or by a lender who had knowledge of the fraud or misrepresentation at the time such a lender acquired the guarantee or was assigned the loan.

§ 3565.503 Repurchase.
Lenders and security holders must comply with Ginnie Mae requirements regarding the repurchase of loans from pools backing Ginnie Mae guaranteed securities.

§ 3565.504 Transfers.
(a) Loans and/or mortgage servicing on loans backing Ginnie Mae guaranteed securities may only be transferred to a Ginnie Mae issuer and may only be transferred with prior Ginnie Mae approval.
(b) Agency approval shall not be required for transfer of the servicing on the guaranteed mortgages to Ginnie Mae.

§§ 3565.506–3565.549 [Reserved]

Rural Housing Service, USDA

§ 3570.51 General.

(a) This subpart contains Rural Housing Service (RHS) policies and authorizations and establishes procedures for making essential Community Facilities Grants (CFG) authorized under section 306(a)(19) of the Consolidated Farm and Rural Development Act (7 U.S.C. 1926(a)(19)).

(b) Funds allocated for use in accordance with this subpart are also to be considered for use by federally recognized Indian tribes within a State regardless of whether State development strategies include Indian reservations within the State’s boundaries. Indian tribes must have equal opportunity along with other rural residents to participate in the benefits of this program.

(c) Federal statutes provide for extending RHS financial assistance without regard to race, color, religion, sex, national origin, age, disability, and marital or familial status. To file a complaint, write the Secretary of Agriculture, U.S. Department of Agriculture, Washington DC 20250, or call 1-800-245-6340 (voice) or (202) 730-1127 (TDD). Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA’s TARGET Center at (202) 720-2600 (voice and TDD).

(d) Any processing or servicing activity conducted pursuant to this subpart involving authorized assistance to Agency employees, members of their families, close relatives, or business or close personal associates is subject to the provisions of 7 CFR part 1900, subpart D. Applications for assistance are required to identify any relationship or association with an RHS employee.

(e) Copies of all forms referenced in this subpart are available in the Agency’s National Office or any Rural Development field office.

(f) An outstanding judgment obtained against an applicant by the United States in a Federal Court (other than in the United States Tax Court), shall cause the applicant to be ineligible to receive any grant or loan until the judgment is paid in full or otherwise satisfied. Grant funds may not be used to satisfy the judgment.

(g) Grants made under this subpart will be administered under, and are subject to, 2 CFR part 200 as adopted by USDA through 2 CFR part 400, as appropriate.

(h) The income data used to determine median household income must be that which accurately reflects the income of the population to be served by the proposed facility. The median household income of the service area and the nonmetropolitan median household income for the State will be determined using 5-year income data from the American Community Survey (ACS) or, if needed, other Census Bureau data. If there is reason to believe that the ACS or other Census Bureau data does not accurately represent the median household income within the area to be served, this will be documented and the applicant may furnish, or RD may obtain, additional information regarding such median household income data. Information must consist of reliable data from local, regional, State, or Federal sources or from a survey conducted by a reliable impartial source.

(i) CFG funds can be used for up to 75 percent of the cost to develop the facility, notwithstanding that other contributions may be from other Federal sources.

(j) The Office of Management and Budget (OMB) issued guidance on Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR part 200 on December 26, 2013. In 2 CFR part 400.1, the Department adopted OMB’s guidance in subparts A through
§ 3570.52 Purpose.

The purpose of CFG program is to assist in the development of essential community facilities in rural areas. The Agency will authorize grant funds on a graduated basis. Eligible applicants located in smaller communities with lower populations and lower median household incomes may receive a higher percentage of grant funds. The amount of CFG funds provided for a facility shall not exceed 75 percent of the cost of developing the facility.

§ 3570.53 Definitions.

Agency. The Rural Housing Service (RHS), an agency of the U.S. Department of Agriculture, or a successor agency.

Approval official. An official who has been delegated loan or grant approval authorities within applicable programs, subject to certain dollar limitations.

CF. Community Facilities.

CFG. Community Facilities Grant.

Essential community facilities. Those public improvements requisite to the beneficial and orderly development of a community that is operated on a non-profit basis. (See § 3570.62(a)(1)). An essential community facility must:

1. Serve a function customarily provided by a local unit of government;
2. Be a public improvement needed for the orderly development of a rural community;
3. Not include private affairs or commercial or business undertakings (except for limited authority for industrial parks) unless it is a minor part of the total facility;
4. Be within the area of jurisdiction or operation for the public bodies eligible to receive assistance or a similar local rural service area of a not-for-profit corporation; and
5. Be located in a rural area.

Facility. The physical structure financed by the Agency or the resulting service provided to rural residents.

Grantee. An entity with whom the Agency has entered into a grant agreement under this program.

Instructions. Agency internal procedures available in any Rural Development office and variously referred to as Rural Development Instructions, RD Instructions.

Minor part. No more than 15 percent of the total floor space of the proposed facility.

Nonprofit corporations. Any corporation that is not organized or maintained for the making of a profit and that meets the eligibility requirements for RHS financial assistance in accordance with § 3570.61(a)(2).

Processing office. The office designated by the State program official to accept and process applications for CF projects.

Project cost. The cost of completing the proposed facility. (Facilities previously constructed will not be considered in determining project costs.) Total project cost will include only those costs eligible for CFG assistance.

Poverty line. The level of income for a family of four as defined by section 673(2) of the Community Services Block Grant Act (42 U.S.C. 9902(2)).

Public body. Any State, county, city, township, incorporated town or village, borough, authority, district, economic development authority, or federally recognized Indian tribe in rural areas.

Reasonable rates and terms. The rates and terms customarily charged public and nonprofit type borrowers in similar circumstances in the ordinary course of business and subject to Agency review.

RHS. The Rural Housing Service, an agency of the United States Department of Agriculture, or a successor agency.

Rural and rural area. For fiscal year 1999, the terms “rural” and “rural area” include a city or town with a population of 20,000 or less inhabitants. There is no limitation placed on population in open rural areas. After fiscal year 1999, the terms “rural” and “rural
§ 3570.61 Eligibility for grant assistance

The essential community facility must primarily serve rural areas, be located in a rural area, and the median household income of the population to be served by the proposed facility must be below the higher of the poverty line or the eligible percentage (60, 70, 80, or 90) of the State nonmetropolitan median household income (see § 3570.63(b)).

(a) Eligible applicant. An applicant must be:

(1) Public body, such as a municipality, county, district, authority, or other political subdivision of a State;

(2) Nonprofit corporation or association. Applicants, other than nonprofit utility applicants, must have significant ties with the local rural community. Such ties are necessary to ensure to the greatest extent possible that a facility under private control will carry out a public purpose and continue to primarily serve rural areas. Ties may be evidenced by items such as:

(i) Association with, or controlled by, a local public body or bodies, or broadly based ownership and control by members of the community; or

(ii) Substantial public funding through taxes, revenue bonds, or other local government sources or substantial voluntary community funding, such as would be obtained through a community-wide funding campaign.

(3) Federally recognized Indian tribe in a rural area.

(b) Eligible facilities. Essential community facilities must be:

(1) Located in rural areas, except for utility-type services, such as telecommunications or hydroelectric, serving both rural and non-rural areas. In such cases, RHS funds may be used to finance only that portion serving rural areas, regardless of facility location.

(2) Necessary for orderly community development and consistent with the State Strategic Plan.

(c) Credit elsewhere. The approval official must determine that the applicant is unable to finance the proposed project from its own resources, or through commercial credit at reasonable rates and terms, or other funding sources without grant assistance under this subpart. The applicant must certify to such status in writing.

(d) Economic feasibility. All projects financed under the provisions of this section must be based on satisfactory sources of revenues as outlined in 7
CFR 1942.17(h) and 1942.116. The amount of CFG assistance must be the minimum amount sufficient for feasibility which will provide for facility operation and maintenance, reasonable reserves, and debt repayment. The applicant’s available excess funds must be used to supplement eligible project costs.

(e) **Legal authority and responsibility.** Each applicant must have, or will obtain, prior to the grant award, the legal authority necessary to own, construct, operate, and maintain the proposed facility. The applicant shall be responsible for operating, maintaining, and managing the facility and providing for its continued availability and use at reasonable rates and terms. This responsibility shall be the applicant’s even though the facility may be operated, maintained, or managed by a third party under contract or management agreement. If an applicant does not have the authority to borrow funds, but owns, operates, and maintains the facility, the applicant is eligible for CFG funds.

(f) **Facilities for public use.** All facilities shall be for the benefit of the public at large without discrimination as to race, color, religion, sex, national origin, disability, and marital or familial status.

§ 3570.62 **Use of grant funds.**

Grants of up to 75 percent of the cost of developing essential community facilities may be used to supplement financial assistance authorized in accordance with 7 CFR parts 1942, subparts A and C, and 3575, subpart A. Eligible CFG purposes are those listed in paragraphs (a), (b), (c), and (d) of this section. Funding for the balance of the project may consist of other CF financial assistance, applicant contributions, or loans and grants from other sources. CFGs may be used to:

(a) Construct, enlarge, extend, or otherwise improve essential community facilities providing essential service primarily to rural residents and rural businesses. Rural businesses include facilities such as educational and other publicly owned facilities.

(i) “Essential community facilities” are those public improvements requisite to the beneficial and orderly development of a community operated on a nonprofit basis including, but not limited to:

(ii) Fire, rescue, and public safety;

(iii) Health services;

(iv) Transportation facilities such as streets, roads, and bridges;

(v) Hydroelectric generating facilities and related connecting systems and appurtenances, when not eligible for RUS financing;

(vi) Telecommunications equipment as it relates to medical and educational telecommunications links;

(vii) Supplemental and supporting structures for other rural electrification or telephone systems (including facilities such as headquarters and office buildings, storage facilities, and maintenance shops) when not eligible for RUS financing;

(viii) Natural gas distribution systems; and

(ix) Industrial park sites, but only to the extent of land acquisition and necessary site preparation, including access ways and utility extensions to and throughout the site. Funds may not be used in connection with industrial parks to finance on-site utility systems, or business and industrial buildings.

(b) Construct or relocate public buildings, roads, bridges, fences, and utilities and to make other public improvements necessary to the successful operation or protection of facilities authorized in paragraph (a) of this section.

(c) Relocate private buildings, roads, bridges, fences, or utilities and to make other public improvements necessary to the successful operation or protection of facilities authorized in paragraph (a) of this section.
(d) Pay the following expenses, but only when such expenses are a necessary part of a project to finance facilities authorized in paragraphs (a), (b), and (c) of this section:

(1) Reasonable fees and costs such as legal, engineering, architectural, fiscal advisory, recording, environmental impact analyses, archeological surveys and possible salvage or other mitigation measures, planning, establishing or acquiring rights.

(2) Costs of acquiring interest in land; rights, such as water rights, leases, permits, and rights-of-way; and other evidence of land or water control necessary for development of the facility.

(3) Purchasing or renting equipment necessary to install, maintain, extend, protect, operate, or utilize facilities.

(4) Obligations for construction incurred before grant approval. Construction work should not be started and obligations for such work or materials should not be incurred before the grant is approved. However, if there are compelling reasons for proceeding with construction before grant approval, applicants may request Agency approval to pay such obligations. Such requests may be approved if the Agency determines that:

(i) Compelling reasons exist for incurring obligations before grant approval;

(ii) The obligations will be incurred for authorized grant purposes;

(iii) Contract documents have been approved by the Agency;

(iv) All environmental requirements applicable to the Agency and the applicant have been met; and

(v) The applicant has the legal authority to incur the obligations at the time proposed, and payment of the debts will remove any basis for any mechanic’s, material, or other liens that may attach to the security property.

The Agency may authorize payment of such obligations at the time of grant closing. The Agency’s authorization to pay such obligations, however, is on the condition that it is not committed to make the grant; it assumes no responsibility for any obligations incurred by the applicant; and the applicant must subsequently meet all grant approval requirements. The applicant’s request and the Agency’s authorization for paying such obligations shall be in writing.

§ 3570.63 Grant limitations.

(a) Grant funds may not be used to:

(1) Pay initial operating expenses or annual recurring costs, including purchases or rentals that are generally considered to be operating and maintenance expenses (unless a CF loan is part of the funding package);

(2) Construct or repair electric generating plants, electric transmission lines, or gas distribution lines to provide services for commercial sale;

(3) Refinance existing indebtedness;

(4) Pay interest;

(5) Pay for facilities located in nonrural areas, except as noted in § 3570.61(b)(1);

(6) Pay any costs of a project when the median household income of the population to be served by the proposed facility is above the higher of the poverty line or eligible percent (60, 70, 80, or 90) of the State nonmetropolitan median household income (see § 3570.63(b));

(7) Pay project costs when other loan funding for the project is not at reasonable rates and terms;

(8) Pay an amount greater than 75 percent of the cost to develop the facility;

(9) Pay costs to construct facilities to be used for commercial rental unless it is a minor part of the total facility;

(10) Construct facilities primarily for the purpose of housing State, Federal, or quasi-Federal agencies; and

(11) Pay for any purposes restricted by 7 CFR 1942.17(d)(2).

(b) Grant assistance will be provided on a graduated scale with smaller communities with the lowest median household incomes being eligible for projects with a higher proportion of grant funds. Grant assistance is limited to the following percentages of eligible project costs:

(1) 75 percent when the proposed project is:

(i) Located in a rural community having a population of 5,000 or less; and

(ii) The median household income of the population to be served by the proposed facility is below the higher of the poverty line or 60 percent of the State

(2) 60 percent when the proposed project is:

(i) Located in a rural community having a population of 5,000 or less; and

(ii) The median household income of the population to be served by the proposed facility is below the higher of the poverty line or 60 percent of the State

(3) 50 percent when the proposed project is:

(i) Located in a rural community having a population of 5,000 to 10,000; and

(ii) The median household income of the population to be served by the proposed facility is below the higher of the poverty line or 60 percent of the State

(4) 40 percent when the proposed project is:

(i) Located in a rural community having a population of 10,000 to 50,000; and

(ii) The median household income of the population to be served by the proposed facility is below the higher of the poverty line or 60 percent of the State

(5) 30 percent when the proposed project is:

(i) Located in a rural community having a population of 50,000 to 100,000; and

(ii) The median household income of the population to be served by the proposed facility is below the higher of the poverty line or 60 percent of the State

(6) 20 percent when the proposed project is:

(i) Located in a rural community having a population of 100,000 to 250,000; and

(ii) The median household income of the population to be served by the proposed facility is below the higher of the poverty line or 60 percent of the State

(7) 10 percent when the proposed project is:

(i) Located in a rural community having a population of 250,000 to 500,000; and

(ii) The median household income of the population to be served by the proposed facility is below the higher of the poverty line or 60 percent of the State

(8) 5 percent when the proposed project is:

(i) Located in a rural community having a population of 500,000 to 1,000,000; and

(ii) The median household income of the population to be served by the proposed facility is below the higher of the poverty line or 60 percent of the State

(9) 2 percent when the proposed project is:

(i) Located in a rural community having a population of 1,000,000 or more; and

(ii) The median household income of the population to be served by the proposed facility is below the higher of the poverty line or 60 percent of the State

(10) 1 percent when the proposed project is:

(i) Located in a rural community having a population of 1,000,000 or more; and

(ii) The median household income of the population to be served by the proposed facility is above the higher of the poverty line or 60 percent of the State nonmetropolitan median household income.

The percentage of grant funds provided for a project may not be less than 10 percent.
nonmetropolitan median household income.

(2) 55 percent when the proposed project is:
   (i) Located in a rural community having a population of 12,000 or less; and
   (ii) The median household income of the population to be served by the proposed facility is below the higher of the poverty line or 70 percent of the State nonmetropolitan median household income.

(3) 35 percent when the proposed project is:
   (i) Located in a rural community having a population of 20,000 or less; and
   (ii) The median household income of the population to be served by the proposed facility is below the higher of the poverty line or 80 percent of the State nonmetropolitan median household income.

(4) 15 percent when the proposed project is:
   (i) Located in a rural community having a population of 50,000 or less; and
   (ii) The median household income of the population to be served by the proposed facility is below the higher of the poverty line or 90 percent of the State nonmetropolitan median household income.

(5) 60 percent when the proposed project is:
   (i) Located in a rural community having a population of 20,000 or less; and
   (ii) The median household income of the population to be served by the proposed facility is below the higher of the poverty line or 90 percent of the State nonmetropolitan median household income. The 60 percent grants are only available to communities impacted by a disaster that has resulted in a loss of 60 percent of the community’s population and is located in a rural community designated as a major disaster area by the President.

(6) Grant assistance cannot exceed the higher of the applicable percentages contained in this section which the applicant is eligible to receive and may be further limited due to availability of funds or by the maximum grant assistance allowable determined in accordance with §3570.66.

§3570.64 Applications determined ineligible.

If, at any time, an application is determined ineligible, the processing office will notify the applicant in writing of the reasons. The applicant will be advised that it may appeal the decision. (See 7 CFR part 11.)

§3570.65 Processing preapplications and applications.

For combination proposals for loan and grant funds, only one preapplication package and one application package should be prepared and submitted. Preapplications and applications for grants will be developed in accordance with applicable portions of 7 CFR 1942.2, 1942.104, and 3575.52.

(a) Preapplications. Applicants will file an original and one copy of “Application for Federal Assistance (For Construction),” with the appropriate Agency office. This form is available in all Agency offices. The preapplication and supporting documentation are used to determine applicant eligibility and priority for funding.

(1) All preapplications shall be accompanied by:
   (i) Evidence of applicant’s legal existence and authority; and
   (ii) Appropriate clearinghouse agency comments.

(b) Application processing. Upon notification on “Notice of Preapplication Review Action” that the applicant is eligible for CFG funding, the applicant will be provided forms and instructions for filing a complete application. The forms required for a complete application, including the following, will be submitted to the processing office by the applicant:
   (1) Updated “Application for Federal Assistance (For Construction).”
   (2) Financial feasibility report.
   (c) Discontinuing the processing of the application. If the applicant fails to submit the application and related material by the date shown on “Notice of Preapplication Review Action” (normally 60 days from the date of this

§ 3570.66 Determining the maximum grant assistance.
(a) Responsibility. State Directors are responsible for determining the applicant’s eligibility for grant assistance.
(b) Maximum grant assistance. Grant assistance cannot exceed the lower of:
(1) Qualifying percentage of eligible project cost determined in accordance with §3570.63(b);
(2) Minimum amount sufficient to provide for economic feasibility as determined in accordance with §3570.61(d); or
(3) Either 50 percent of the annual State allocation or $50,000, whichever is greater, unless an exception is made by the RHS Administrator in accordance with §3570.90.

§ 3570.67 Project selection priorities.
Applications are scored on a priority basis. Points will be distributed as follows:
(a) Population priorities. The proposed project is located in a rural community having a population of:
(1) 5,000 or less—30 points;
(2) Between 5,001 and 12,000, inclusive—20 points;
(3) Between 12,001 and 20,000, inclusive—10 points; or
(4) Between 20,001 and 50,000, inclusive, when applicable—5 points.
(b) Income priorities. The median household income of the population to be served by the proposed project is below the higher of the poverty line or:
(1) 60 percent of the State nonmetropolitan median household income—30 points;
(2) 70 percent of the State nonmetropolitan median household income—20 points;
(3) 80 percent of the State nonmetropolitan median household income—20 points; or
(4) 90 percent of the State nonmetropolitan median household income—5 points.
(c) Other priorities. Points will be assigned for one or more of the following initiatives:
(1) Project is consistent with, and is reflected in, the State Strategic Plan—10 points;
(2) Project is for health care—10 points; or
(3) Project is for public safety—10 points.
(d) Discretionary. (1) The State Director may assign up to 15 points to a project in addition to those that may be scored under paragraphs (a) through (c) of this section. These points are to address unforeseen exigencies or emergencies, such as the loss of a community facility due to an accident or natural disaster or the loss of joint financing if Agency funds are not committed in a timely fashion. In addition, the points will be awarded to projects benefiting from the leveraging of funds in order to improve compatibility and coordination between the Agency and other agencies’ selection systems and for those projects that are the most cost effective.
(2) In selecting projects for funding at the National Office level, additional points will be awarded based on the priority assigned to the project by the State Office. These points will be awarded in the manner shown below. Only the three highest priority projects for a State will be awarded points. The Administrator may assign up to 30 additional points to account for geographic distribution of funds, emergency conditions caused by economic problems, natural disasters, or leveraging of funds.

§ 3570.68 Selection process.
Each request for grant assistance will be carefully scored and prioritized to determine which projects should be selected for further development and funding.
(a) Selection of applications for further processing. The approval official will, subject to paragraph (b) of this section, authorize grants for those eligible preapplications with the highest priority score. When selecting projects, the following circumstances must be considered:
(1) Scoring of project and scores of other applications on hand;
(2) Funds available in the State allocation; and
(3) If other Community Facilities financial assistance is needed for the project, the availability of other funding sources.

(b) Lower scoring projects. (1) In cases when preliminary cost estimates indicate that an eligible, high-scoring application is not feasible, or would require grant assistance exceeding 50 percent of a State’s current annual allocation, or an amount greater than that remaining in the State’s allocation, the approval official may in the absence of other funding sources select the next lower-scoring application for further processing provided the high-scoring applicant is notified of this action and given an opportunity to review the proposal and resubmit it prior to selection of the next application.

(2) If it is found that there is no effective way to reduce costs, the approval official, after consultation with the applicant, may request an additional allocation of funds from the National office.

§ 3570.69 Environmental review, intergovernmental review, and public notification.

All grants awarded under this subpart, including grant-only awards, are subject to the environmental requirements of 7 CFR part 1940, subpart G, to the intergovernmental review requirements of 7 CFR 3015, subpart V and RD Instruction 1970-I, ‘Intergovernmental Review,’ available in any Agency office or on the Agency’s Web site, and the public information process in 7 CFR 1942.17(j)(9).

[64 FR 32388, June 17, 1999, as amended at 76 FR 80732, Dec. 27, 2011]

§ 3570.70 Other considerations.

Each application must contain the comments, necessary certifications, and recommendations of appropriate Federal or State regulatory or other agency or institution having expertise in the planning, operation, and management of similar facilities as required by 7 CFR parts 1942, subparts A and C, and 3575, subpart A. Proposals for facilities financed in whole or in part with Agency funds will be coordinated with appropriate Federal, State, and local agencies as required by the following:

(a) Grants under this subpart are subject to the provisions of 7 CFR 1942.17(k) which include title VI of the Civil Rights Act of 1964, section 504 of the Rehabilitation Act of 1973, Americans with Disability Act of 1990, and the regulations issued thereto. Certain housing-related projects, such as nursing homes, group homes, or assisted-living facilities, must comply with the requirements of the Fair Housing Act.

(b) Governmentwide debarment and suspension (nonprocurement) and requirements for drug-free workplace are applicable to CFG grants and grantees. See 2 CFR part 180, as implemented by USDA through 2 CFR part 417, and RD Instruction 1940-M for further guidance.

(c) Restrictions on lobbying. Grantees must comply with the lobbying restrictions set forth in 2 CFR part 418 subpart A.

(d) Civil Rights Impact Analysis, RD Instruction 2006-P (available in any Rural Development office), and “Civil Rights Impact Analysis Certification.”

§§ 3570.71–3570.74 [Reserved]

§ 3570.75 Grantee contracts.

The requirements of 7 CFR 1942.4, 1942.17(e), 1942.17(i), 1942.118, and 1942.119 will be applicable when agreements between grantees and third parties are involved.

§ 3570.76 Planning, bidding, contracting, and construction.

Planning, bidding, contracting, and construction will be handled in accordance with 7 CFR 1942.9, 1942.18, and 1942.126.

§§ 3570.77–3570.79 [Reserved]

§ 3570.80 Grant closing and delivery of funds.

(a) “Community Facilities Grant Agreement” will be used as the grant agreement between the Agency and the grantee and will be signed by the grantee before grant funds are advanced.
§ 3570.90 Exception authority.

An RHS official may request, and the Administrator or designee may make, in individual cases, an exception to any requirement or provision of this subpart or address any omission of this subpart if the Administrator determines that application of the requirement or provision, or failure to take action in the case of an omission, would adversely affect the Government’s interest.
§ 3570.91 Regulations.

Grants under this part will be in accordance with 2 CFR part 200 as adopted by USDA through 2 CFR part 400, as applicable, and any conflicts between those parts and this part will be resolved in favor of applicable 2 CFR part 200 as adopted by USDA through 2 CFR part 400.

[79 FR 76013, Dec. 19, 2014]

§ 3570.92 Grant agreement.

Form RD 3570–3 is a Grant Agreement which contains the procedures for making and servicing grants made under this part. Any property acquired or improved with CFG funds may have use and disposition conditions which apply to the property as provided by 2 CFR 200 as adopted by USDA through 2 CFR part 400 in effect at this time and as may be subsequently modified.

[79 FR 76013, Dec. 19, 2014]

§ 3570.93 Regional Commission grants.

(a) Grants are sometimes made by Federal Regional Commissions (designated under Title V of the Public Works and Economic Development Act of 1965) for projects eligible for RHS assistance. RHS has agreed to administer such funds in a manner similar to administering RHS assistance.

(b) The transfer of funds from a Federal Regional Commission to RHS will be based on specific applications determined to be eligible for an authorized purpose in accordance with the requirements of RHS and the Federal Regional Commission.

(c) The Appalachian Regional Commission (ARC) is authorized under the Appalachian Regional Development Act of 1965 to serve the Appalachian region. ARC grants are handled in accordance with the ARC Agreement which applies to all ARC grants administered by Rural Development. Therefore, a separate Project Management Agreement between RHS and ARC is not needed for each ARC grant.

(d) Grants by other Federal Regional Commissions are handled in accordance with a separate Project Management Agreement between the respective Federal Regional Commission and RHS for each Commission grant or class of grants administered by RHS.

Subpart B [Reserved]

§ 3575.2 Definitions.

The following general definitions are applicable to the terms used in this subpart:

Agency. The Rural Housing Service which is within the Rural Development mission area of the United States Department of Agriculture or its successor agencies with authority delegated by the Secretary of Agriculture to administer the Community Facilities programs.

Application. An Agency prescribed form to request an Agency guarantee (available in any Agency office).

Arm’s length transaction. The sale, release, or disposition of assets in which the title to the property passes to a ready, willing, and able third party who is not affiliated with, or related to, and has no security, monetary, or stockholder interest in the borrower or transferor at the time of the transaction.

Assignment Guarantee Agreement. The signed agreement among the Agency, the lender, and the holder setting forth

Subpart A—Community Programs Guaranteed Loans

§ 3575.1 General.

(a) This subpart contains the regulations for Community Programs loans guaranteed by the Agency and applies to lenders, holders, borrowers, and other parties involved in making, guaranteeing, holding, servicing, or liquidating such loans.

(b) The purpose of the Community Programs guaranteed loan program is to improve, develop, or finance essential community facilities in rural areas. This purpose is achieved through bolstering the existing private credit structure through the guarantee of quality loans which will provide lasting community benefits.

(c) The Office of Management and Budget (OMB) issued guidance on Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR part 200 on December 26, 2013. In 2 CFR part 400, the Department adopted OMB’s guidance in subparts A through F of 2 CFR part 200, as supplemented by 2 CFR part 400, as the Departments' policies and procedures for uniform administrative requirement, cost principles, and audit requirements for federal awards. As a result, this regulation contains references to 2 CFR part 200 as it has regulatory effect for the Department’s programs and activities.

the terms and conditions of an assignment of the guaranteed portion of a loan or any part thereof (available in any Agency office).

Borrower. The entity that borrows money from the lender.

Collateral. Property pledged to secure the guaranteed loan.

Community facility (essential). The term “facility” as used in this subpart refers to both the physical structure financed and the resulting service provided to rural residents. An essential community facility must:

(1) Be a function customarily provided by a local unit of government;
(2) Be a public improvement needed for the orderly development of a rural community;
(3) Not include private affairs or commercial or business undertakings (except for limited authority for industrial parks);
(4) Be within the area of jurisdiction or operation for eligible public bodies or a similar local rural service area of a not-for-profit corporation; and
(5) Be located in a rural area.

Conditional Commitment for Guarantee. The Agency’s written statement to the lender that the material submitted is approved subject to the completion of all conditions and requirements contained in the commitment (available in any Agency office).

Guaranteed loan. A loan made and serviced by a lender for which the Agency and lender have entered into a Lender’s Agreement and for which the Agency has issued a Loan Note Guarantee.

Holder. The person or entity (other than the lender) who holds all or a part of the guaranteed portion of the loan with no servicing responsibilities. When the lender assigns part or all of the guaranteed portion of the loan to an assignee, the assignee becomes a holder when the Assignment Guarantee Agreement is signed by all parties.

Immediate family. Individuals who are closely related by blood or by marriage, or within the same household, such as a spouse, parent, child, brother, sister, aunt, uncle, grandparent, grandchild, niece, or nephew.

In-house expenses. In-house expenses include, but are not limited to, employees’ salaries, staff lawyers, travel, and overhead.

Insurance. Fire, windstorm, lightning, hail, explosion, riot, civil commotion, aircraft, vehicles, smoke, builder’s risk, liability, property damage, flood or mudslide, worker’s compensation, fidelity bond, malpractice, or any similar insurance that is available and needed to protect the security or that is required by law.

Joint financing. Two or more lenders (or any combination of lenders and other financial sources) making separate relatively contemporaneous loans to supply the funds required by one borrower. For example, such joint financing may consist of the Agency’s financial assistance with the Economic Development Administration, Department of Housing and Urban Development (HUD), or other Federal and State agencies, and private and quasi-public financial institutions.

Lender. The person or organization making and responsible for servicing the loan. The lender is also referred to in this subpart as the applicant who is requesting a guarantee during the preapplication and application stage of processing.

Lender’s Agreement. The signed agreement between the Agency and the lender containing the lender’s responsibilities when the Loan Note Guarantee is issued (available in any Agency office).

Loan classification system. The process by which loans are examined and categorized by degree of potential loss in the event of default.

Loan Note Guarantee. The signed commitment issued by the Agency containing the terms and conditions of the guarantee of an identified loan (available in any Agency office).

Market value. The amount for which property would sell for its highest and best use at a voluntary sale in an arm’s length transaction.

Note. An evidence of debt. In those instances where the Agency guarantees a bond issue, “note” shall also be construed to include a bond or other evidence of indebtedness, as appropriate.

Participation. Sale of an interest in a loan in which the lender retains the note, collateral securing the note, and all responsibility for loan servicing and liquidation.
§ 3575.3 Full faith and credit.

The Loan Note Guarantee constitutes an obligation supported by the full faith and credit of the United States and is not contestable except for fraud or misrepresentation (including negligent misrepresentation) of which the lender or holder has actual knowledge, participates in, or condones. A note which provides for the payment of interest on interest shall not be guaranteed and any Loan Note Guarantee or Assignment Guarantee Agreement attached to, or relating to, a note which provides for payment of interest on interest is void. The Loan Note Guarantee will not be enforceable by the lender to the extent any loss is occasioned by violation of usury laws, negligent servicing, or failure to obtain the required security regardless of the time at which the Agency acquires knowledge of the foregoing. Any losses occasioned will not be enforceable by the lender to the extent that loan funds are used for purposes other than those specifically approved by the Agency in its Conditional Commitment for Guarantee. Negligent servicing is defined as the failure to perform those services which a reasonably prudent lender would perform in servicing its own portfolio of loans that are not guaranteed. The term includes not only the concept of a failure to act, but also not acting in a timely manner, acting in a manner contrary to the manner in which a reasonably prudent lender would act up to the time of loan maturity, or until a final loss is paid. The Loan Note Guarantee or Assignment Guarantee Agreement in the hands of a

Principals of borrowers. The owners, officers, directors, entities, and supervisors directly involved in the operation and management of the borrower.

Problem loan. A loan which is not complying with its terms and conditions.

Protective advances. Advances made by the lender for the purpose of preserving and protecting the collateral where the debtor has failed to, and will not or cannot, meet obligations to protect or preserve collateral.

Public body. A municipality, county, or other political subdivision of a State, special purpose district, an Indian tribe on a Federal or State reservation, or another federally recognized Indian tribe.

Rural and rural area. The terms “rural” and “rural area” mean a city, town, or unincorporated area that has a population of 50,000 inhabitants or less, other than an urbanized area immediately adjacent to a city, town, or unincorporated area that has a population in excess of 50,000 inhabitants. The population figure is obtained from the most recent decennial Census of the United States (decennial Census). If the applicable population figure cannot be obtained from the most recent decennial Census, RD will determine the applicable population figure based on available population data.

Service area. The area reasonably expected to be served by the facility being financed by the guaranteed loan.

State. Any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, and an agency or instrumentality thereof exclusive of local governments.

State Bond Banks and State Bond Pools. An entity authorized by the State to issue State debt instruments and utilize the funds received to finance essential community facilities.

State Director. The Rural Development State Director or the staff member who has been delegated authority to perform action on behalf of the State Director.

Substantive change. Any change in the purpose of the loan or any change in the financial condition of the borrower or the collateral which would jeopardize the performance of the loan.

Transfer and assumption. The conveyance by a debtor to an assuming party of the assets, collateral, and liabilities of the loan in return for the assuming party’s binding promise to pay the outstanding debt.
§ 3575.4 Conditions of guarantee.

A loan guarantee under this part will be evidenced by a Loan Note Guarantee issued by the Agency. Each lender will also execute a Lender’s Agreement.

(a) The entire loan will be secured by the same security with equal lien priority for the guaranteed and non-guaranteed portions of the loan. The non-guaranteed portion of the loan will not be paid first nor given any preference or priority over the guaranteed portion.

(b) The lender will be responsible for servicing the entire loan and will remain mortgagee or secured party of record notwithstanding the fact that another party may hold a portion of the loan.

(c) When a guaranteed portion of a loan is sold to a holder, the holder shall have all rights of the lender under the Loan Note Guarantee to the extent of the portion purchased. The lender will remain bound by all the obligations under the Loan Note Guarantee, Lender’s Agreement, and Agency program regulations. If the Agency makes a payment to a holder, then the lender must reimburse the Agency.

(d) A lender will receive all payments of principal and interest on the account of the entire loan and will promptly remit to each holder a pro rata share, less any lender servicing fee.

(e) The lender may retain all of the unguaranteed portion of the loan or may sell part of the unguaranteed portion of the loan through participation. However, the lender is required to retain 5 percent of the loan amount from the unguaranteed portion in their portfolio.

§ 3575.8 Access to lender’s records.

Upon request by the Agency, the lender will permit representatives of the Agency (or other agencies of the U.S. Department of Agriculture authorized by that Department or the U.S. Government) to inspect and make copies of any of the records of the lender pertaining to the guaranteed loans. Such inspection and copying may be made during regular office hours of the lender or at any other time the lender and the Agency agree upon.

§ 3575.9 Environmental requirements.

Requirements for an environmental review or mitigation actions are contained in part 1940, subpart G, of this title. The lender must assist the Agency to ensure that the lender’s applicant complies with any mitigation measures required by the Agency’s environmental review for the purpose of avoiding or reducing adverse environmental impacts of construction or operation of the facility financed with the guaranteed loan. This assistance includes ensuring that the lender’s applicant is to take no actions (for example, initiation of construction) or incur any obligations with respect to their proposed undertaking that would either limit the range of alternatives to be considered during the Agency’s environmental review process or which would have an adverse effect on the environment. If construction is started prior to completion of the environmental review and the Agency is deprived of its opportunity to fulfill its obligation to comply with applicable environmental requirements, the application for financial assistance may be denied. Satisfactory completion of the environmental review process must occur prior to Agency approval of the applicant’s request or any commitment of Agency resources.

§§ 3575.10–3575.11 [Reserved]

§ 3575.12 Inspections.

The lender will notify the Agency of any scheduled field inspections during construction and after issuance of the Loan Note Guarantee. The Agency may
attends such field inspections. Any inspections or review conducted by the Agency, including those with the lender, are for the benefit of the Agency only and not for the benefit of other parties of interest. Agency inspections do not relieve any parties of interest of their responsibilities to conduct necessary inspections.

§ 3575.13 Appeals.

Only the borrower, lender, or holder can appeal an Agency decision. In cases where the Agency has denied or reduced the amount of final loss payment to the lender, the adverse decision may be appealed only by the lender. A decision by a lender adverse to the interest of the borrower is not a decision by the Agency, whether or not concurred in by the Agency. Appeals will be handled in accordance with the regulations of the National Appeals Division, U.S. Department of Agriculture, published at 7 CFR part 11.

§§ 3575.14–3575.16 [Reserved]

§ 3575.17 Exception authority.

The Administrator may, in individual cases, make an exception to any requirement or provision of this subpart or address any omission of this subpart provided the Administrator determines that application of the requirement or provision, or failure to take action in the case of an omission, would adversely affect the Government’s financial interest. Requests for exceptions must be in writing by the State Director.

§§ 3575.18–3575.19 [Reserved]

§ 3575.20 Eligibility.

(a) Availability of credit from other sources. The Agency must determine that the borrower is unable to obtain the required credit without the loan guarantee from private, commercial, or cooperative sources at reasonable rates and terms for loans for similar purposes and periods of time. This determination shall become a part of the Agency casefile. The Agency must also determine if an outstanding judgment obtained by the United States in a Federal Court (other than the U.S. Tax Court) has been entered against the borrower or if the borrower has an outstanding delinquent debt with any Federal agency. Such judgment or delinquency shall cause the potential borrower to be ineligible to receive a loan guarantee until the judgment is paid in full or otherwise satisfied or the delinquency is cured.

(b) Legal authority and responsibility.

(1) Each borrower must have, or will obtain, the legal authority necessary to construct, operate, and maintain the proposed facility and services. They must also have legal authority for obtaining security and repaying the proposed loan.

(2) The borrower shall be responsible for operating, maintaining, and managing the facility and services, and providing for the continued availability and use of the facility and services at reasonable rates and terms.

(i) These responsibilities must be exercised by the borrower even though the facility may be operated, maintained, or managed by a third party under contract, management agreement, or written lease.

(ii) Leases may only be used when this is the only feasible way to provide the service, is the customary practice to provide such service in the State, and must provide for the borrower’s management control of the facility.

(iii) Contracts, management agreements, or leases must not contain options or other provisions for transfer of ownership.

(3) The lender is responsible for reviewing any contracts, management agreements, or leases to determine that they will not adversely impact the borrower’s repayment ability or the security value of the guaranteed loan.

(c) Borrower. (1) A public body such as a municipality, county, district, authority, or other political subdivision of a State located in a rural area.

(2) An organization operated on a not-for-profit basis such as an association, cooperative, or private corporation. For-profit corporations operated as not-for-profit corporations are eligible borrowers as long as they operate as a not-for-profit corporation for the duration of their guaranteed loans.
Single member corporations or corporations owned or substantially controlled by other corporations or associations are not eligible organizations. Before a loan is made to a borrower other than a public body, the articles of incorporation or the loan agreement will include a condition similar to the following:

If the corporation dissolves or ceases to perform the community facility objectives and functions, the board of directors shall distribute all business property and assets to one or more nonprofit corporations or public bodies. This distribution must be approved by 75 percent of the users or members and must serve the public welfare of the community. The assets may not be distributed to any members, directors, stockholders, or others having financial or managerial interest in the corporation. Nothing herein shall prohibit the corporation from paying its debts.

(3) A private nonprofit essential community facility (other than utilities) must have significant ties with the local rural community. Such ties are necessary to ensure to the greatest extent possible that a facility under private control will carry out a public purpose and continue to primarily serve rural areas. Ties may be evidenced by items such as:

(i) Association with, or controlled by, a local public body or bodies or broadly based ownership and controlled by members of the community.

(ii) Substantial public funding through taxes, revenue bonds, or other local government sources, or substantial voluntary community funding such as would be obtained through a community-wide funding campaign.

(4) Indian tribes on Federal and State reservations and other federally recognized Indian tribes.

(d) Facility location. Facilities must be located in rural areas, except:

(1) For utility services such as natural gas or hydroelectric serving both rural and non-rural areas. In such cases, Agency funds may be used to finance only that portion serving rural areas, regardless of facility location.

(2) Telecommunication projects. The part of the facility located in a non-rural area must be necessary to provide the essential services to rural areas.

(e) Facilities for public use. All facilities financed under the provisions of this subpart shall be for public purposes.

(1) Facilities will be installed to serve any user within the service area who desires service and can be feasibly and legally served.

(2) In no case will boundaries for the proposed service area be chosen in such a way that any user or area will be excluded because of race, color, religion, sex, marital status, age, disability, or national origin. This does not preclude:

(i) Financing or constructing projects in phases when it is not practical to finance or construct the entire project at one time, and

(ii) Financing or constructing facilities where it is not economically feasible to serve the entire area, provided economic feasibility is determined on the basis of the entire system or facility and not by considering the cost of separate extensions to, or parts thereof. Additionally, the borrower must publicly announce a plan for extending service to areas not initially receiving service. Also, the borrower must provide written notice to potential users located in the areas not to be initially served.

(3) The lender will determine that, when feasible and legally possible, inequities within the proposed project’s service area for the same type service proposed (i.e., gas distribution system) will be remedied by the owner on, or before, completion of the project. Inequities are defined as unjustified variations in availability, adequacy, or quality of service. User rate schedules for portions of existing systems or facilities that were developed under different financing, rates, terms, or conditions do not necessarily constitute inequities.

§§ 3575.21–3575.23 [Reserved]

§ 3575.24 Eligible loan purposes.

(a) Funds may be used to construct, enlarge, extend, or otherwise improve other essential community facilities providing essential service primarily to rural residents and rural businesses.

(1) Essential community facilities include, but are not limited to:

(i) Fire, rescue, and public safety,

(ii) Health services,
(iii) Community, social, or cultural services.
(iv) Transportation facilities such as streets, roads, and bridges,
(v) Telecommunication equipment,
(vi) Hydroelectric generating facilities and related connecting systems and appurtenances only when not eligible for financing under the authorities of the Rural Utilities Service. Funds may not be used to finance other types of electrical generating or transmitting facilities,
(vii) Supplemental and supporting structures for other rural electrification or telephone systems (including facilities such as headquarters and office buildings, storage facilities, and maintenance shops) only when not eligible for financing under the authorities of the Rural Utilities Service,
(viii) Natural gas distribution systems,
(ix) Industrial park sites (but only to the extent of land acquisition and necessary site preparation) including access ways and utility extensions to and throughout the site. Funds may not be used in connection with industrial parks to finance on-site utility systems or business and industrial buildings, and
(x) Community parks, community activity centers, and similar types of facilities that are an integral part of the orderly development of a community. Recreational components, such as, but not limited to, playground equipment of an otherwise non-recreational eligible community facility such as childcare, educational, or health care facilities are also eligible.
(2) Otherwise improve includes, but is not limited to, the following:
(i) The purchase of major equipment (such as telecommunication equipment and X-ray machines) which will in themselves provide an essential service to rural residents,
(ii) The purchase of existing facilities, when necessary, either to improve or to prevent a loss of service, and
(iii) Payment of tap fees and other utility connection charges as provided in utility purchase contracts.
(b) Funds also may be used:
(1) To construct or relocate public buildings, roads, bridges, fences, or utilities and to make other public improvements necessary to the successful operation or protection of facilities authorized by paragraph (a) of this section.
(2) To relocate private buildings, roads, bridges, fences, or utilities, and other private improvements necessary to the successful operation or protection of facilities authorized in paragraph (a) of this section.
(3) To pay the following expenses (but only when such expenses are a necessary part of a loan to finance facilities authorized in paragraph (a) of this section):
(i) Reasonable fees and costs such as origination fee, loan guarantee fee, legal, engineering, architectural, fiscal advisory, recording, environmental impact analyses, archaeological surveys, possible salvage or other mitigation measures, planning and establishing or acquiring rights.
(ii) Interest on loans until the facility is self-supporting, but not for more than 2 years unless a longer period is approved by the Agency; interest on loans secured by general obligation bonds until tax revenues are available for payment, but not for more than 2 years unless a longer period is approved by the Agency’s National Office; and interest on interim financing.
(iii) Costs of acquiring interest in land; rights such as water rights, leases, permits, rights-of-way, and other evidence of land or water control necessary for development of the facility.
(iv) Purchasing or renting equipment necessary to install, maintain, extend, protect, operate, or utilize facilities.
(v) Initial operating expenses for a period ordinarily not exceeding 1 year when the borrower is unable to pay such expenses.
(vi) Refinancing debts incurred by, or on behalf of, a community when all of the following conditions exist:
(A) The debts being refinanced are less than 50 percent of the total loan.
(B) The debts were incurred for the facility or service being financed or any part thereof (such as interim financing, construction expenses, etc.), and
(C) Arrangements cannot be made with the creditors to extend or modify
the terms of the debts so that a sound basis will exist for making a loan.

(4) To pay obligations for construction incurred prior to filing a preapplication and application with the Agency. Construction work must not be started (and obligations for such work or materials must not be incurred) before the Conditional Commitment for Guarantee is issued. If there are compelling reasons for proceeding with construction before the Conditional Commitment for Guarantee is issued, lenders may request Agency approval to pay such obligations and not jeopardize a guarantee from the Agency. Such request must comply with the following:

(i) Provide conclusive evidence that the contract was entered into without intent to circumvent the Agency regulations. However, the Agency is not required or obligated to pay a loss unless a written guarantee is issued,

(ii) Modify the outstanding contract to conform with the provisions of this subpart. Where this is not possible, modifications will be made to the extent practicable and, as a minimum, the contract must comply with all State and local laws and regulations as well as statutory requirements and executive orders related to the Agency financing. When construction is complete and it is impracticable to modify the contract, the borrower and lender must provide the certification required by paragraph (b)(4)(iii) of this section,

(iii) Provide a certification by an engineer or architect that any construction performed complies fully with the plans and specifications, and

(iv) The borrower and the contractor must have complied with all statutory and executive order requirements related to Agency financing for construction already performed even though the requirements may not have been included in the contract documents.

§ 3575.26 [Reserved]

§ 3575.27 Eligible lenders.

(a) Eligible lenders. Eligible lenders (as defined in this section) may participate in the loan guarantee program. These lenders must be subject to credit examination and supervision by an appropriate agency of the United States or a State that supervises and regulates credit institutions. A lender must have the capability to adequately service loans for which a guarantee is requested. Eligible lenders are:

(1) Any Federal or State chartered bank or savings and loan association;

(2) Any mortgage company that is a part of a bank holding company;

(3) Bank for Cooperatives, National Rural Utilities Cooperative Finance Corporation, Farm Credit Bank of the Federal Land Bank, or other Farm Credit System institution with direct lending authority authorized to make loans of the type guaranteed by this subpart;

§ 3575.25 Ineligible loan purposes.

Loan funds may not be used to finance:

(a) Properties to be used for commercial rental when the borrower has no control over tenants and services offered except for industrial-site infrastructure development,

(b) Facilities primarily for the purpose of housing Federal or State agencies,

(c) Community antenna television services or facilities,

(d) Telephone systems,

(e) Facilities which are not modest in size, design, and cost,

(f) Finder’s and packager’s fees,

(g) Projects located within the Coastal Barriers Resource System that do not qualify for an exception as defined in section 6 of the Coastal Barriers Resource Act, 16 U.S.C. 3501 et seq. (available in any Agency office),

(h) New combined sanitary and storm water sewer facilities, or

(i) Projects that are located in a special flood or mudslide hazard area as designated by the Federal Emergency Management Agency in a community that is not participating in the National Flood Insurance Program.

(j) Golf courses, water parks, race tracks or other recreational type facilities inherently commercial in nature.

§ 3575.26 [Reserved]

§ 3575.27 Eligible lenders.

(a) Eligible lenders. Eligible lenders (as defined in this section) may participate in the loan guarantee program. These lenders must be subject to credit examination and supervision by an appropriate agency of the United States or a State that supervises and regulates credit institutions. A lender must have the capability to adequately service loans for which a guarantee is requested. Eligible lenders are:

(1) Any Federal or State chartered bank or savings and loan association;

(2) Any mortgage company that is a part of a bank holding company;

(3) Bank for Cooperatives, National Rural Utilities Cooperative Finance Corporation, Farm Credit Bank of the Federal Land Bank, or other Farm Credit System institution with direct lending authority authorized to make loans of the type guaranteed by this subpart;
(4) An insurance company regulated by a State or National insurance regulatory agency;
(5) State Bond Banks or State Bond Pools; and
(6) Other lenders that possess the legal powers necessary and incidental to making and servicing guaranteed loans involving community development-type projects. These lenders must also be subject to credit examination and supervision by either an appropriate agency of the United States or a State that supervises and regulates credit institutions and provide documentation acceptable to the Agency that they have the ability to service the loan. Lenders under this category must be approved by the National Office prior to the issuance of the loan guarantee.

(b) Conflict of interest. The lender and borrower must maintain written standards of conduct covering conflicts of interest and governing the performance of its employees in the selection, award and administration of Federal awards. No employee, officer or agent may participate in the selection, award or administration of a Federal award if they have a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated, has a financial or other interest in or a tangible personal benefit from a non-Federal entity considered for a Federal award. The lender may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards must provide for disciplinary actions to be applied for violations of such standards. If the lender has a parent, affiliate, or subsidiary organization that is not a state, local government, or Indian tribe, the lender or borrower, written standards of conduct covering organizational conflict of interest must also be maintained. Organizational conflicts of interest means that because of the relationships with a parent company, affiliate, or subsidiary organization, the lender or borrower is unable or appears to be unable to be impartial in conducting a Federal award action involving a related organization. The lender or borrower must disclose such business or ownership relationships in writing. The Agency will determine if such relationships are likely to result in a conflict of interest. This does not preclude lender officials from being on the borrower’s board of directors.

§ 3575.28 Transfer of lenders or borrowers (prior to issuance of Loan Note Guarantee).

(a) Prior to issuance of the loan guarantee, the Agency may approve the transfer of an outstanding Conditional Commitment for Guarantee from the present lender to a new eligible lender, provided:

(1) The former lender states in writing why it does not wish to continue to be the lender for this project;

(2) No substantive changes in ownership or control of the borrower has occurred;

(3) No substantive changes in the borrower’s written plan, scope of work, or changes in the purpose or intent of the project has occurred; and

(4) No substantive changes in the loan agreement or Conditional Commitment for Guarantee are required.

(b) The substitute lender must execute a new application for loan and guarantee (available in any Agency office).

(c) If approved, the Agency will issue a letter of amendment to the original Conditional Commitment for Guarantee reflecting the new lender who will acknowledge acceptance of the offer in writing.

(d) Once the Conditional Commitment for Guarantee is issued, the Agency will not approve any substitution of borrowers, including changes in the form of the legal entity. Exceptions to a change in the legal entity may be requested when the original borrower is replaced with substantially the same individuals or officers with the same interest as originally approved.
§ 3575.29 Fees and charges by lender.

(a) Routine charges and fees. The lender may establish the charges and fees for the loan, provided they do not exceed those charged other borrowers for similar types of transactions. “Similar types of transactions” mean those transactions involving the same type of loan for which a non-guaranteed loan borrower would be assessed charges and fees.

(b) Late payment fees. Late payment charges will not be covered by the Loan Note Guarantee. Such charges may not be added to the principal and interest due under any guaranteed note. Late payment charges may be made only if:

1. They are routinely made by the lender in all types of loan transactions;
2. Payment has not been received within the customary timeframe allowed by the lender; or
3. The lender agrees with the borrower, in writing, that the rate or method of calculating the late payment charges will not be changed to increase charges while the Loan Note Guarantee is in effect.

(c) Guarantee fees. The guaranteed loan fee will be the applicable guarantee fee rate multiplied by the principal loan amount multiplied by the percent of guarantee. The one-time guarantee fee is paid when the Loan Note Guarantee is issued.

1. The fee will be paid to the Agency by the lender and is nonreturnable. The lender may pass the fee to the borrower.
2. The guarantee fee rates are available in any Agency office.

§ 3575.30 Loan guarantee limitations.

The percentage of guarantee, up to the maximum allowed by this section, is a matter for negotiation between the lender and the Agency.

(a) The maximum guarantee is 90 percent of eligible loss.

(b) The lender will retain a minimum of 5 percent of the total loan amount. The retained amount must be from the unguaranteed portion of the loan and cannot be participated to another lender.

§ 3575.31–3575.32 [Reserved]

§§ 3575.33–3575.35 Interests.

(a) General. Rates will be negotiated between the lender and the borrower. They may be either fixed or variable rates. Interest rates will be those rates customarily charged borrowers in similar circumstances in the ordinary course of business and are subject to Agency review and approval.

(b) Variable rate publication. A variable interest rate must be tied to a base rate published periodically in a recognized national or regional financial publication specifically agreed to by the lender and borrower. Such an agreement must be documented in the borrower or lender loan agreement.

1. Interest rate caps and incremental adjustment limitations will also be negotiated between the lender and the borrower. Notice of any interest rate change proposed by the lender should allow a sufficient time period for the borrower to obtain any required State or other regulatory approval and to implement any user rate adjustments necessary as a result of the interest rate change. The intervals between interest rate adjustments will be specified in the loan agreement (but not more often than quarterly).

2. The lender must incorporate within the variable rate note, the provision for adjustment of payments coincident with an interest rate adjustment. This will ensure the outstanding principal balance is properly amortized within the prescribed loan maturity and eliminate the possibility of a balloon payment at the end of the loan.

(c) Changes. Any change in the interest rate between the date of issuance of the Conditional Commitment for Guarantee and before the issuance of the Loan Note Guarantee must be approved by the Agency. Approval of such change will be shown as an amendment to the Conditional Commitment for Guarantee.

(d) Different rates on guaranteed and unguaranteed portion of the loan. It is permissible to have one interest rate on the guaranteed portion of the loan and another interest rate on the unguaranteed portion of the loan, provided the lender and borrower agree, and:

642
(1) The rate on the unguaranteed portion does not exceed that currently being charged on loans for similar purposes to borrowers under similar circumstances; and,

(2) The rate on the guaranteed portion of the loan will not exceed the rate on the unguaranteed portion. This requirement does not apply when the unguaranteed rate is variable and the guaranteed portion is fixed.

(e) Multi-rates. When multi-rates are used, the lender will provide the Agency with the overall effective interest rate for the entire loan. Multi-rate loans may be either fixed, variable, or a combination of fixed and variable. When a combination of fixed and variable interest rates are used, the interest rate for the unguaranteed portion will not be lower than the guaranteed portion of the loan.

§ 3575.34 Terms of loan repayment.

(a) General. Principal and interest on the loan will be due and payable as provided in the note except, any interest accrued as the result of the borrower's default on the guaranteed loan over and above that which would have accrued at the note rate on the guaranteed loan will not be guaranteed by the Agency. The lender will structure repayments as established in the loan agreement between the lender and borrower. Ordinarily, such installments will be scheduled for payment as agreed upon by the lender and borrower on terms that reasonably ensure repayment of the loan. However, the first installment to include a repayment of principal may be scheduled for payment after the project is operable and has begun to generate income. Such installment must be due and payable within 3 years from the date of the note and at least annually thereafter. Interest will be due at least annually from the date of the note. Monthly payments will be required except for borrowers with income limited to less frequent intervals.

(b) Term length. The maximum time allowable for final maturity for a guaranteed CP loan will be limited to the useful life of the facility, not to exceed 40 years.

(c) Balloon payments. The principal balance should be properly amortized within the prescribed loan maturity. Balloon payments at the end of the loan are prohibited.

§§ 3575.35–3575.36 [Reserved]

§ 3575.37 Insurance and fidelity bonds.

The lender must provide evidence that the borrower has adequate insurance and fidelity bond coverage by loan closing or start of construction, whichever occurs first. Adequate coverage must be maintained for the life of the loan and is subject to Agency review and approval. Insurance is required in amounts at least equal to coverage for real property and equipment that was obtained without an Agency guarantee.

[79 FR 76013, Dec. 19, 2014]

§§ 3575.38–3575.39 [Reserved]

§ 3575.40 Equal opportunity and Fair Housing Act requirements.

(a) Equal Credit Opportunity Act. The lender will comply with the requirements of title V of the Equal Credit Opportunity Act (15 U.S.C. 1691 et seq.). (See the Federal Reserve Board Regulation, 12 CFR part 202.)

(b) Fair Housing Act. Certain housing-related projects such as nursing homes, group homes, or assisted-living facilities must comply with the requirements of the Fair Housing Act (42 U.S.C. 3601 et seq.). This includes completion of an Affirmative Fair Housing Marketing Plan and compliance with the Housing and Urban Development accessibility guidelines except for areas open to the public which are covered by the Americans with Disabilities Act (42 U.S.C. 12181 et seq.). The lender will determine that the borrower has a valid plan in effect at all times.

§ 3575.41 [Reserved]

§ 3575.42 Design and construction requirements.

The lender will provide the Agency with a written certification at the end of construction that all funds were utilized for authorized purposes. The borrower and the lender will authorize designs and plans based upon the preliminary architectural and engineering reports or plans approved by the lender.
§ 3575.43 Other Federal, State, and local requirements.

In addition to the specific requirements of this subpart and beginning on the date of issuance of the Loan Note Guarantee, proposals for facilities financed in whole or in part with a loan guaranteed by the Agency will be coordinated with all appropriate Federal, State, and local agencies. Borrowers and lenders will be required to comply with any Federal, State, or local laws or regulatory commission rules which are in existence and which affect the project including, but not limited to:

(a) Organization and authority to design, construct, develop, operate, and maintain the proposed facilities;

(b) Borrowing money, giving security, and raising revenues for repayment;

(c) Land use zoning;

(d) Health, safety, and sanitation standards; and

(e) Protection of the environment and consumer affairs.

§§ 3575.44–3575.46 [Reserved]

§ 3575.47 Economic feasibility requirements.

All projects financed under the provisions of this section must be based on taxes, assessments, revenues, fees, or other sources of revenue in an amount sufficient to provide for facility operation and maintenance, a reasonable reserve, and debt payment. Other sources of revenue or guarantors are particularly important in considering the feasibility of recreation-type loans. The lender is responsible for determining the credit quality and economic feasibility of the proposed loan and must address all elements of the credit quality in a written financial feasibility analysis which includes adequacy of equity, cash flow, security, history, and management capabilities. Financial feasibility reports must take into consideration any interest rate adjustment which may be instituted under the terms of the note. The lender’s financial credit analysis may also serve as the feasibility analysis when sufficient evidence is included to determine economic feasibility as well as financial viability.

(a) Financial feasibility. The borrower, lender, or other qualified entity must prepare the financial feasibility analysis (suggested financial feasibility guidelines are available in any Agency office) in the following instances:

(1) Facilities primarily used for fire and rescue services;

(2) Facilities that are not dependent on facility revenues for debt payment;

(3) Loans of less than $500,000; or
(4) Projects in which the borrower has operated similar facilities on a financially successful basis.

(b) Utility projects. The borrower’s consulting engineer may complete the financial feasibility analysis for utility systems.

(c) Other community facilities. Financial feasibility reports for all other facilities must be prepared by a qualified entity not having a direct interest in the management of the facility. The lender may prepare the feasibility study if qualified staff is available.

(d) Exceptions. The Agency loan approval official may exempt the lender from the requirement for an independent financial feasibility report (when requested by the borrower and the lender) provided the approval official determines that the financial feasibility analysis prepared by the borrower fairly represents the financial feasibility of the facility and the financial feasibility analysis contains an accurate projection of the usage, revenues, and expenses of the facility.

(e) Insufficient information. When the lender or Agency has insufficient information to determine the borrower’s repayment ability, an independent feasibility analysis is required.

§ 3575.48 Security.

(a) Lender responsibility. The lender is responsible for obtaining and maintaining proper and adequate security to protect the interest of the lender, the holder, and the Government.

(b) Type of security. Security must be of such a nature that repayment of the loan is reasonably ensured when considered with the integrity and ability of project management, soundness of the project, and the borrower’s prospective earnings. The security may include, but is not limited to, the following: General obligation bonds, revenue bonds, pledge of taxes or assessments, assignment of facility revenue, land, easements, rights-of-way, water rights, buildings, machinery, equipment, accounts receivable, contracts, cash, or other accounts or assignments of leases or leasehold interest.

(c) Separate security. All security must secure the entire loan. The lender will not take separate security to secure only the unguaranteed portion of the loan. The lender will not require compensating balances or certificates of deposit as a means of eliminating the lender’s exposure on the unguaranteed portion of the loan.

$§ 3575.49–3575.51 [Reserved]$

§ 3575.52 Processing.

(a) Preapplications. (1) The preapplication package must be submitted either alone or the necessary information may be submitted simultaneously with the application. The preapplication package will contain:

(i) An Application for Federal Assistance on a form provided by the Agency (available in any Agency office);

(ii) State intergovernmental or other type review comments and recommendations for the borrower’s project (clearinghouse comments, if applicable);

(iii) Supporting documentation necessary to make an eligibility determination such as financial statements, audits, copies of organizational documents, existing debt instruments, etc.; and

(iv) Documentation of lender eligibility in accordance with §3575.27.

(2) If the Agency determines that the project may meet requirements and is likely to be funded, the lender must submit a complete application if it has not previously submitted one. The Agency must do an environmental review before further processing will be completed.

(b) Applications. Contents of application package:

(1) Application for Loan and Guarantee on a form prescribed by the Agency (available in any Agency office);

(2) Proposed loan agreement;

(3) Request for Environmental Information (available in any Agency office);

(4) Preliminary architectural or engineering report;

(5) Cost estimates;

(6) Appraisal reports (as appropriate);

(7) Credit reports;

(8) Financial feasibility analysis and report; and

(9) Any additional information required.
§ 3575.53 Evaluation of application.

If the Agency determines that the borrower is eligible, the proposed loan is for an eligible purpose, there is reasonable assurance of repayment ability, sufficient collateral and equity exists, the proposed loan complies with all applicable statutes and regulations, the environmental review is complete and considered in determining compliance, and adequate funds are available, the Agency will provide the lender and the borrower with the Conditional Commitment for Guarantee, listing all conditions for the guarantee. Applicable requirements will include the following:

(a) Approved use of guaranteed loan funds (source and use of funds);
(b) Rates and terms of the loan;
(c) Scheduling of payments;
(d) Number of customers;
(e) Security and lien priority;
(f) Appraisals;
(g) Insurance and bonding;
(h) Financial reporting;
(i) Equal opportunity and non-discrimination;
(j) Environment or mitigation;
(k) Americans with Disabilities Act;
(l) By-laws and articles of incorporation changes; and
(m) Other requirements necessary to protect the Government.

§§ 3575.54–3575.58 [Reserved]

§ 3575.59 Review of requirements.

(a) Lender and borrower. The lender and borrower must complete and sign the Acceptance of Conditions and return a copy to the Agency as soon as possible. Notwithstanding the preceding sentence, if certain conditions cannot be met, the lender and borrower may propose alternate conditions for Agency consideration.

(b) Cancellation. If the lender decides at any time after receiving a Conditional Commitment for Guarantee that it no longer wants a guarantee, the lender must immediately advise the Agency of the cancellation.

(c) Modifications. The lender agrees that once the Conditional Commitment for Guarantee is issued and accepted by the lender and borrower, it will not be modified as to the scope of the project, overall facility concept, project purpose, use of proceeds, or other terms and conditions.

§§ 3575.60–3575.62 [Reserved]

§ 3575.63 Conditions precedent to issuance of the Loan Note Guarantee.

The Loan Note Guarantee will not be issued until:

(a) The lender certifies that:

(1) No changes have been made in the lender’s loan conditions and requirements since the issuance of the Conditional Commitment for Guarantee except those approved in the interim by the Agency in writing.

(2) All planned property acquisition has been completed and all development has been substantially completed in accordance with plans, specifications, and applicable building codes. No costs have exceeded the amounts approved by the lender and the Agency.

(3) Required insurance is in effect.

(4) All equal opportunity and Fair Housing Plan requirements have been met.

(5) The loan has been properly closed and the required security instruments have been obtained on any after-acquired property that cannot be covered initially under State statutory provisions.

(6) The borrower has marketable title to the collateral then owned by the borrower, subject to the instrument securing the loan to be guaranteed and subject to any other exceptions approved, in writing, by the Agency.

(7) When required, the entire amount of the loan for working capital has been disbursed except in cases where the Agency has approved disbursement over an extended time.

(8) All other requirements of the Conditional Commitment for Guarantee have been met.

(9) Lien priorities are consistent with requirements of the Conditional Commitment for Guarantee.

(10) The loan proceeds have been disbursed for purposes and in amounts consistent with the Conditional Commitment for Guarantee and as specified on the application for the guaranteed loan. A copy of a detailed statement by the lender detailing the use of loan funds will be attached to support this certification.
Rural Housing Service, USDA

§ 3575.64

(11) There has been no substantive adverse change in the borrower’s financial condition nor any other adverse change in the borrower during the period of time from the Agency’s issuance of the Conditional Commitment for Guarantee to issuance of the Loan Note Guarantee. The lender’s certification must address all adverse changes of the borrower and the guarantors. For purposes of this paragraph, the term borrower includes any parent, affiliate, or subsidiary of the borrower.

(12) All Federal, State, and local design and construction requirements have been met.

(13) The lender understands and will meet the requirements of the Debt Collection Act (chapter 37 of title 31 of the United States Code).

(14) The lender would not make the loan without an Agency guarantee.

(b) The lender has executed and delivered the Lender’s Agreement and closing report for the guaranteed loan along with the appropriate guarantee fee.

(c) The lender has advised the Agency of plans to sell or assign any part of the loan as provided in the Lender’s Agreement.

(d) Where applicable, the lender must certify that the borrower has obtained:

(1) A legal opinion relative to the title to rights-of-way and easements. Lenders are responsible for ensuring that borrowers have obtained valid, continuous, and adequate rights-of-way and easements needed for the construction, operation, and maintenance of a facility.

(2) A title opinion or title insurance showing ownership of the land and all mortgages or other lien defects, restrictions, or encumbrances, if any. It is the responsibility of the lender to ensure that the borrower has obtained and recorded such releases, consents, or subordinations to such property rights from holders of outstanding liens or other instruments as may be necessary for the construction, operation, and maintenance of the facility and to provide the required security. For example, when a site is for major structures for utility-type facilities (such as a gas distribution system) and the lender and borrower are able to obtain only a right-of-way or easement on such a site rather than a fee simple title, such a title opinion must be requested.

(e) For loans exceeding $150,000, the lender has certified its compliance with the Anti-Lobby Act (18 U.S.C. 1913). Also, if any funds have been, or will be, paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this commitment providing for the United States to guarantee a loan, the lender shall completely disclose such lobbying activities in accordance with 31 U.S.C. 1352.

(f) If the Loan Note Guarantee cannot be issued before the Conditional Commitment expires, the lender must submit a written request for an extension of the expiration date. The lender must document and certify to paragraph (a)(1) and (a)(11) of this section specifically identifying any modifications.

(g) Coincident with, or immediately after, loan closing, the lender will contact the Agency and provide those documents and certifications required in this section. For loans to public bodies, lenders may require an opinion from recognized bond counsel regarding the adequacy of the preparation and issuance of the debt instruments. Only when the Agency is satisfied that all conditions for the guarantee have been met will the Loan Note Guarantee be executed.

§ 3575.64 Issuance of Lender’s Agreement, Loan Note Guarantee, and Assignment Guarantee Agreement.

(a) Lender’s Agreement. If the Agency finds that all requirements have been met, the lender and the Agency will execute the Lender’s Agreement. The original will be retained by the Agency and a signed duplicate original will be retained by the lender. A separate Lender’s Agreement must be executed for each loan to be guaranteed by the Agency.

(b) Loan Note Guarantee. (1) Upon receipt of the executed Lender’s Agreement and after all requirements have been met, the Agency will execute the Loan Note Guarantee. All originals of
§ 3575.65  
Lender’s sale or assignment of the guaranteed portion of loan.

The lender may retain all of the guaranteed loan. The lender must not sell or participate any amount of the guaranteed or non-guaranteed portion of the loan to the borrower or to members of the borrower’s immediate families, the borrower’s officers, directors, stockholders, other owners, or a subsidiary or affiliate. Disposition of the guaranteed portion of a loan may not be made prior to full disbursement, completion of construction, and acquisition of real estate and equipment without the prior written approval of the Agency. If the lender desires to market all or part of the guaranteed portion of the loan at, or subsequent to, loan closing, the loan must not be in default.

(a) Assignment. Any sale or assignment by the lender of the guaranteed portion of the loan must be accomplished in accordance with the conditions in the Lender’s Agreement.

(b) Participation. The lender may obtain participation in the loan under its normal operating procedures.

(c) Minimum retention. The lender is required to hold in its own portfolio or retain a minimum of 5 percent of the total loan amount. This amount must be of the non-guaranteed portion of the loan and cannot be participated to another. The lender may sell the remaining amount of the non-guaranteed portion of the loan only through participation.

§§ 3575.66–3575.68  [Reserved]

§ 3575.69  Loan servicing.

(a) Lender responsibilities. The lender is responsible for servicing the entire loan in accordance with the lender’s loan agreement. The unguaranteed portion of the loan will not be paid first nor given any preference or priority over the guaranteed portion of the loan. The lender is responsible for taking all servicing actions that a prudent lender would perform in servicing a portfolio of loans that are not guaranteed. This responsibility includes, but is not limited to, the collection of payments; obtaining compliance with the covenants and provisions in the note, loan agreement, security instrument, or any supplemental agreements; obtaining and analyzing financial statements; verifying the payment of taxes and insurance premiums; and maintaining liens on collateral. The lender must notify the Agency of any violation of the loan agreement with the borrower within 30 days of such violation.
(b) **Financial reports.** The lender must obtain the financial statements required by the Loan Agreement. The lender must submit the borrower’s annual financial statements to the Agency within 120 days of the end of the borrower’s fiscal year. The lender must analyze the financial statements and provide the Agency with a written summary of the lender’s analysis and conclusions, including trends, strengths, weaknesses, extraordinary transactions, and other indications of the financial condition of the borrower. Additionally, when applicable, the lender will require an audit in accordance with Office of Management and Budget (OMB) circulars (available in any Agency office).

(c) **Delinquent loans.** The lender will service delinquent loans in accordance with the Lender’s Agreement and reasonable and prudent lending standards.

(d) **Loan balances.** The lender must report to the Agency the outstanding principal and interest balance on each guaranteed loan semiannually.

(e) **Collateral inspections.** The lender will inspect the collateral as often as necessary to properly service the loan.

§§ 3575.70–3575.72 [Reserved]

§ 3575.73 Replacement of loss, theft, destruction, mutilation, or defacement of Loan Note Guarantee or Assignment Guarantee Agreement.

(a) **Replacement of Loan Note Guarantee.** The Agency may issue a replacement Loan Note Guarantee or Assignment Guarantee Agreement which may have been lost, stolen, destroyed, mutilated, or defaced to the lender or holder upon receipt of a certificate of loss and an indemnity bond in accordance with this section.

(b) **Lender responsibilities.** When a Loan Note Guarantee or Assignment Guarantee Agreement is lost, stolen, destroyed, mutilated, or defaced while in the custody of the lender or holder, the lender will coordinate the activities of the party who seeks the replacement documents and will submit the required documents to the Agency for processing. The requirements for replacement are as follows:

1. A certificate of loss properly notarized which includes:
   - (i) Legal name and present address of either the lender or the holder who is requesting the replacement forms;
   - (ii) Legal name and address of the lender of record;
   - (iii) Capacity of person certifying;
   - (iv) Full identification of the Loan Note Guarantee or Assignment Guarantee Agreement, including the name of the borrower, Agency case number, date of the Loan Note Guarantee, Assignment Guarantee Agreement, face amount of the evidence of debt purchased, date of evidence of debt, present balance of the loan, percentages of guarantee and, if Assignment Guarantee Agreement, the original named holder and the percentage of the guaranteed portion of the loan assigned to that holder. Any existing parts of the document to be replaced must be attached to the certificate;
   - (v) A full statement of circumstances of the loss, theft, or destruction of the Loan Note Guarantee or Assignment Guarantee Agreement; and
   - (vi) The holder shall present evidence demonstrating current ownership of the Loan Note Guarantee and Note or Assignment Guarantee Agreement. If the present holder is not the same as the original holder, a copy of the endorsement of each successive holder in the chain of transfer from the initial holder to present holder must be included. If copies of the endorsement cannot be obtained, best available records of transfer must be presented to the Agency (e.g., order confirmation, canceled checks, etc.).

2. An indemnity bond acceptable to the Agency shall accompany the request for replacement except when the holder is the United States, a Federal Reserve Bank, a Federal Government corporation, a State or Territory, or the District of Columbia.

3. All indemnity bonds must be issued and payable to the United States of America. The bond shall be in an amount not less than the unpaid principal and interest. The bond shall hold the Government harmless against any claim or demand which might arise or against any damage, loss, costs, or expenses which might be sustained or incurred by reasons of the loss or replacement of the instruments.
§ 3575.74 [Reserved]

§ 3575.75 Defaults by borrower.

(a) Lender notification to Agency. The lender must notify the Agency when a borrower is 30 days past due on a payment, has not met its responsibilities of providing the required financial statements, or is otherwise in default. The lender will continue to keep the Agency informed on a bimonthly basis until such time as the loan is no longer in default. If a monetary default exceeds 60 days, the lender will arrange a meeting with the borrower to resolve the default. The lender will provide a summary of the meeting and any decisions or actions agreed upon.

(b) Servicing options. In considering servicing options, the prospects for providing a permanent cure without adversely affecting the risks to the Agency and the lender must be the paramount objective. Temporary curative actions (such as payment deferments or collateral subordination) must strengthen the loan and be in the best financial interest of the lender and the Agency. Some of these actions may require concurrence of the holder.

(c) Multi-note. If the loan was closed with the multi-note option, the lender may need to possess all notes to take some servicing actions. In those situations when the Agency is holder of some of the notes, the Agency may endorse the notes back to the lender, provided a proper receipt is received from the lender which defines the reason for the transfer. Under no circumstances will the Agency endorse the original Loan Note Guarantee to the lender.

§§ 3575.76–3575.77 [Reserved]

§ 3575.78 Repurchase of loan.

(a) Repurchase by lender. The lender has the option to repurchase the loan from a holder within 30 days of written demand from the holder when the borrower is in default not less than 60 days on payment. The repurchase will be for an amount equal to the unpaid guaranteed portion of principal and accrued interest less the lender’s servicing fee. The guarantee does not cover the note interest to the holder on the guaranteed loan accruing after 90 days from the date of the demand letter to the lender. The holder will concurrently send a copy of the demand to the Agency. The lender will accept an assignment without recourse from the holder upon repurchase. The lender is encouraged to repurchase the loan to facilitate the accounting of funds, resolve the problem, and permit the borrower to cure the default, where reasonable. The lender will notify the holder and the Agency of its decision within 30 days of receipt of demand from the holder.

(b) Agency repurchase. (1) If the lender does not repurchase as provided in paragraph (a) of this section, the Agency will purchase from the holder the unpaid principal balance of the guaranteed portion together with accrued interest to date of repurchase (less the lender’s servicing fee) within 30 days after written demand to the Agency. The guarantee will not cover the note interest to the holder on the guaranteed loan accruing after 90 days from the date of the original demand letter. The lender shall not charge the Agency any servicing fees nor are any such fees collectible from the Agency.

(2) The holder’s demand to the Agency must include a copy of the written demand made upon the lender. The holder or duly authorized agent must also include evidence of the right to require payment from the Agency. Such evidence will consist of either the original of the Loan Note Guarantee properly endorsed to the Agency or the original of the Assignment Guarantee Agreement properly assigned to the Agency without recourse including all rights, title, and interest in the loan. The Agency will be subrogated to all rights of the holder. The holder must include in the demand the amount due including unpaid principal, unpaid interest to date of demand, and interest subsequently accruing from the date of demand to the proposed payment date. Unless otherwise agreed to by the Agency, such proposed payment will not be later than 30 days from the date of demand.

(3) The lender must promptly provide the Agency with the information necessary for the Agency’s determination of the appropriate amount due the holder upon the Agency’s notification to the lender of the holder’s demand for
payment. This information must be certified by an authorized officer of the lender. Any discrepancy between the amount claimed by the holder and the information submitted by the lender must be resolved before payment will be approved. The Agency will notify both parties and such conflict will suspend the running of the 30-day payment requirement.

(4) Any purchase by the Agency does not change, alter, or modify any of the lender’s obligations to the Agency arising from the loan or guarantee nor does it waive any of the Agency’s rights against the lender. The Agency may set off against the lender all rights inuring to the Agency as the holder of the instrument against the Agency’s obligation to the lender under the Loan Note Guarantee.

(c) Repurchase for servicing. When the lender determines that repurchase of the guaranteed portion of the loan is necessary to service the loan, the holder must sell the guaranteed portion to the lender for the unpaid principal and interest balance (less the lender’s servicing fee). The guarantee does not cover interest accruing after 90 days from the date the lender’s or Agency’s letter requesting the holder to tender its guaranteed portion. The lender must not repurchase from the holder for arbitrage purposes to further its own financial gain. Any repurchase must be made only after the lender obtains the Agency written approval. If the lender does not repurchase the portion from the holder, the Agency may, at its option, purchase such guaranteed portion for servicing purposes.

§ 3575.79 [Reserved]

§ 3575.80 Interest rate changes after loan closing.

(a) General. Subject to the restrictions below, the borrower, lender, and holder (if any) may collectively effect a permanent reduction in the interest rate on the guaranteed loan at any time during the life of the loan on written agreement by all of the applicable parties. After such a permanent reduction, the Loan Note Guarantee will only cover losses of interest at the reduced interest rate. The Agency must be notified by the lender, in writing, within 10 calendar days of the change. When the Agency is a holder, it will concur only when it is demonstrated that the change is more viable than liquidation and that the Government’s financial interests are not adversely affected. Factors which will be considered in making such determination are the Government’s cost of borrowing money and the project’s enhancement of rural development. The monetary recovery must be greater than the liquidation recovery, and a financial feasibility analysis must show the project’s continued viability.

(1) Fixed rates cannot be changed to variable rates to reduce the interest rate to the borrower unless the variable rate has a ceiling which is less than the original fixed rate.

(2) Variable rates can be changed to a lower fixed rate. In a final loss settlement when qualifying rate changes are made with the required written agreements and notification, the interest will be calculated for the periods the given rates were in effect. The lender must maintain records which adequately document the accrued interest claimed.

(3) The lender is responsible for the legal documentation of interest rate changes. However, the lender may not issue a new note.

(b) Increases. No increases in interest rates will be permitted under the loan guarantee except the normal fluctuations in approved variable interest rate loans.

§ 3575.81 Liquidation.

Liquidation will occur when the lender concludes that liquidation of the guaranteed loan is necessary because of default or third party actions that the borrower cannot, or will not, cure or eliminate within a reasonable period of time and the Agency concurs with the lender; or the Agency, at any time, independently concludes that liquidation is necessary. The lender will proceed as expeditiously as possible, including giving any notices or taking any legal actions required by the security instruments.

(a) General. If a lender has made a loan guaranteed by the Agency under previous regulations, the lender has the option to liquidate the loan under
the provisions of this subpart or under the provisions of previous regulations. The lender will notify the Agency in writing within 10 days after its decision to liquidate, which regulatory provisions it chooses to use. The lender may not choose some provisions of one regulation and other provisions of the other regulation.

(b) Acquiring property titles. If a lender acquires title to property, the Agency may elect to permit the lender the option of calculating the final loss settlement using the net proceeds received at the time of the ultimate disposition of the property. The lender must submit to the Agency a written request to use this option within 15 days of acquiring title and the Agency must agree, in writing, prior to the lender submitting any request for estimated loss payment.

(c) Liquidation plan. The lender will (within 30 days after a decision to liquidate) submit to the Agency, in writing, a proposed, detailed liquidation plan. Upon approval by the Agency of the liquidation plan, the lender will commence liquidation. The lender’s liquidation plan must include, but is not limited to, the following:

(1) Such proof as the Agency requires to establish the lender’s ownership of the guaranteed loan notes and related security instruments, a copy of the payment ledger or other documentation which reflects the outstanding loan balance and accrued interest to date, and the method of computing the interest;

(2) A complete list of collateral;

(3) The recommended liquidation methods for making the maximum collection possible on the indebtedness and the justification for such methods, including the recommended action for acquiring and disposing of all collateral;

(4) Necessary steps for preservation of the collateral;

(5) Copies of the borrower’s latest available financial statements;

(6) An itemized list of estimated liquidation expenses expected to be incurred and justification for each expense;

(7) A schedule to periodically report to the Agency on the progress of the liquidation;

(8) Estimated protective advance amounts with justification;

(9) Proposed protective bid amounts on collateral to be sold at auction and a discussion of how the amounts were determined;

(10) If a voluntary conveyance is considered, the proposed amount to be credited to the guaranteed debt;

(11) Legal opinions, as needed; and

(12) If the outstanding balance of principal and interest is less than $250,000, the lender will obtain an independent appraisal report on all collateral securing the loan which will reflect the fair market value and potential liquidation value. The independent appraiser’s fee will be shared equally by the Agency and the lender.

(d) Partial liquidation plan. If actions are necessary to immediately preserve and protect the collateral, a partial liquidation plan may be submitted and, when approved, must be followed by a complete liquidation plan prepared by the lender.

(e) Disposition of collateral. Disposition of collateral acquired by the lender must be approved, in writing, by the Agency when:

(1) The lender’s cost to acquire the collateral of a borrower exceeds the potential recovery value of the security and the lender proposes abandoning the collateral in lieu of liquidation; or

(2) The acquired collateral is to be sold to the borrower, borrower’s stockholders or officers, or the lender or lender’s stockholders or officers.

(f) Agency liquidation. The Agency will liquidate at its option only when it is a holder and there is reason to believe the lender is not likely to initiate liquidation efforts that will result in maximum recovery. When the Agency liquidates, reasonable liquidation expenses will be assessed against the proceeds derived from the sale of the collateral.

(g) Final loss payment. Final loss payments will be made only after all collateral has been properly accounted for
§ 3575.85 Bankruptcy.

(a) Calculating losses. Report of Loss form (available in any Agency office) will be used for calculating estimated and final loss determinations.

(b) Lender responsibility. The lender is responsible for protecting the guaranteed loan debt and all the collateral securing it in bankruptcy proceedings. These responsibilities include, but are not limited to, the following:

(1) Filing a proof of claim, where necessary, and all necessary papers and pleadings;

(2) Attending and, where necessary, participating in meetings of the creditors and all court proceedings;

(3) Immediately seeking adequate protection of the collateral if it is subject to being used by the trustee in bankruptcy or the debtor in possession;

(4) Where appropriate, seeking involuntary conversion of a pending chapter 11 case to a liquidation proceeding or seeking dismissal of the proceedings; and

(5) Keeping the Agency adequately and regularly informed, in writing, of all aspects of the proceedings.

(c) Appraisals. In a chapter 9 or chapter 11 reorganization, the lender must obtain an independent appraisal of the collateral if the Agency believes an independent appraisal is necessary. The Agency and the lender will share the appraisal fee equally.

(d) Liquidation expenses. Only expenses authorized by the court of chapter 11 reorganizations, or chapters 11 or 7 liquidation (unless the liquidation is by the lender), may be deducted from the collateral proceeds.

(e) Repurchase from the holder. The Agency or the lender, with the approval of the Agency, may initiate the repurchase of the unpaid guaranteed portion of the loan from the holder. If the lender is the holder, an estimated loss payment may be filed at the initiation of a chapter 7 proceeding or after a chapter 11 proceeding becomes a liquidation proceeding. Any loss payment on loans in bankruptcy must be approved by the Agency.

(f) Chapter 11 bankruptcy. If a borrower has filed for protection under chapter 11 of the United States Code for a reorganization (but not chapter 13) and all or a portion of the debt has been discharged, the lender may request an estimated loss payment of the guaranteed portion of the accrued interest and principal discharged by the court. If the court approves revisions

§ 3575.84 Additional loans or advances.

The lender will not make additional expenditures or new loans to the borrower without first obtaining the written approval of the Agency even though such expenditures or loans will not be guaranteed.
to the chapter 11 reorganization plan, subsequent estimated loss payments may be requested in accordance with the court approved changes. Once the reorganization plan has been satisfactorily completed, the lender is responsible for submitting the documentation necessary for the Agency to review and adjust the estimated loss claim to reflect any actual discharge of principal and interest and to reimburse the lender for any court ordered interest-rate reduction under the terms of the reorganization plan.

(g) Agency approval of estimated liquidation expenses. The Agency must approve, in advance and in writing, the lender’s estimated liquidation expenses of collateral in a liquidation if the liquidation is performed by the lender. These expenses must be reasonable and customary and not include in-house expenses of the lender.

(h) Reconciliation. In the event that the estimated loss payment exceeds the actual loss, the lender will reimburse the Agency the amount in excess of the actual loss plus interest at the note rate from the date of the estimated loss payment.

§§ 3575.86–3575.87 [Reserved]

§ 3575.88 Transfers and assumptions.

(a) General. For all transfers and assumptions, the lender must concur in the plans for disposition of funds in the transferor’s debt service, reserve, and operation and maintenance account. The Agency will approve, in writing, transfers and assumptions of loans to transferees who will continue the original purpose of the guaranteed loan subject to the following applicable provisions:

(1) When the transaction is to a member of the borrower’s organization, it will be at an amount which will not result in a loss to the lender.

(2) Transfers to eligible borrowers will receive preference if recovery to the lender from the sale price is not less than it would be if the transfer was to an ineligible borrower.

(3) The present borrower is unable or unwilling to accomplish the objectives of the guaranteed loan, and the transfer will be to the lender’s and Agency’s advantage.

(4) The transferee will assume an amount at least equal to either the present market value or the debt, whichever is less.

(b) Transfers to an eligible borrower. (1) The total indebtedness may be transferred to an eligible borrower on the same terms.

(2) The total indebtedness may be transferred to another eligible borrower on different terms not to exceed those terms for which an initial guaranteed loan can be made.

(3) Less than the total indebtedness may be transferred to another eligible borrower on the same or different terms and the pro rata share of any eligible loss paid to the lender.

(4) A guaranteed loan for which the transferee is eligible may be made in connection with a transfer subject to the policies and procedures governing the type of loan being made.

(5) If the transferor is to receive a payment for the equity, the total debt must be assumed.

(c) Ineligible borrower. Transfers to ineligible borrowers are considered only when needed as a method for servicing problem cases when an eligible transferee is not available. Transfers should not be considered as a means by which members can obtain equity or as a method of providing a source of easy credit for purchasers. Transfers must meet the following requirements:

(1) All transfers to ineligible borrowers will include a one-time non-refundable transfer fee to the Agency of no more than one percent. Transfer fees will be collected, and payments applied, in accordance with paragraph (d) of this section.

(2) For all loans covered by this subpart, the Agency may approve a transfer of indebtedness to, and assumption of, a loan by a transferee who does not meet the eligibility requirements for the kind of loan being assumed when the ineligible borrower will:

(i) Make a significant down payment, and

(ii) Agree to pay the remaining balance within not more than 15 years. Installments will be at least equal to the amount amortized over a period not greater than the remaining life of the debt being transferred, and the balance will be due the fifteenth year.
(3) Interest rates to ineligible transferees will be the rate specified in the note of the transferor or the rates customarily charged borrowers in similar circumstances in the ordinary course of business and are subject to Agency review and approval. The rates may be either fixed or variable.

(i) Transferees must have the ability to repay as determined by the lender the debt according to the Assumption Agreement and must have the legal authority to enter into the contract. The transferee will submit a current balance sheet to the lender. The lender will obtain and analyze the credit history of the transferee.

(ii) The transferor may receive equity payments only when the full amount of the debt is assumed. However, equity payments will not be made on more favorable terms than those on which the balance of the debt will be paid.

(d) Transfer fees. Transfer fees are a one-time nonrefundable cost to be collected by the lender at the time of application or proposal.

(1) The transfer fees will be a standard fee plus the cost of the appraisal.

(2) The lender will collect and submit the fee to the Agency.

(3) The Agency may waive the transfer fee if it determines that such waiver is in the best interest of the Agency.

(e) Processing transfers and assumptions. (1) In any transfer and assumption case, the transferor (including any guarantor) may be released from liability by the lender only with prior Agency written concurrence and only when the value of the collateral being transferred is at least equal to the amount of the loan, or part of the loan, being assumed. If the transfer is for less than the entire debt:

(i) The Agency must determine that the transferor and any guarantor have no reasonable debt-paying ability considering their assets and income at the time of transfer, and

(ii) The lender must certify that the transferor has cooperated in good faith, used due diligence to maintain the collateral against loss, and has otherwise fulfilled all of the regulations of this subpart to the best of the borrower’s ability.

(2) The lender will make, in all cases, a complete credit analysis to determine viability of the project (subject to the Agency review and approval) including any requirement for deposit in an escrow account as security to meet the determined equity requirements for the project.

(3) The lender will confirm that the transaction can be properly transferred and the conveyance instruments will be filed, registered, or recorded as appropriate and legally permissible.

(4) The assumption will be made on the lender’s form of Assumption Agreement and will contain the Agency case number of the transferor and transferee.

(5) Loan terms cannot be changed by the Assumption Agreement unless previously approved in writing by the Agency with the concurrence of holder and the transferor (including guarantor if it has not been released from personal liability). Any new loan terms cannot exceed those authorized in this subpart. The lender’s request will be supported by:

(i) An explanation of the reasons for the proposed change in the loan terms, and

(ii) Certification that the lien position securing the guaranteed loan will be maintained or improved, and proper hazard insurance will be continued in effect.

(6) In the case of a transfer and assumption, it is the lender’s responsibility to see that all such transfers and assumptions will be noted on all originals of the Loan Note Guarantee. The lender will provide the Agency a copy of the Transfer and Assumption Agreement.

(7) If a loss should occur upon a complete transfer of assets and assumption for less than the full amount of the debt and the transferor-debtor (including personal guarantor) is released from personal liability (as provided in paragraph (e) of this section), the lender (if holding the guaranteed portion) may file an estimated Report of Loss to recover their pro rata share of the actual loss at that time. Approved protective advances and accrued interest made during the arrangement of a
transfer and assumption, if not assumed by the transferee, will be entered on the estimated Report of Loss.

§ 3575.89 Mergers.

(a) General. The Agency may approve mergers or consolidations (herein referred to as “mergers”) when the resulting organization will be eligible for an Agency guaranteed loan and assumes all the liabilities and acquires all the assets of the merged borrower. Mergers may be approved when:

(1) The merger is in the best interest of the Government and the merging borrower;
(2) The resulting borrower can meet all required conditions as contained in specific loan note agreements; and
(3) All property can be legally transferred to the resulting borrower.

(b) Distinguishing mergers from transfers and assumptions. Mergers occur when one entity combines with another entity in such a way that the first entity ceases to exist as a separate entity while the other continues. In a consolidation, two or more entities combine to form a new, consolidated entity with the original entity ceasing to exist. Such transactions must be distinguished from transfers and assumptions in which a transferor will not necessarily go out of existence, and the transferee will not always take all the transferor’s assets nor assume all the transferor’s liabilities.

§ 3575.90 Disposition of acquired property.

(a) General. When the lender acquires title to the collateral and the final loss claim is not paid until final disposition, the lender must proceed as quickly as possible to develop a plan to fully protect the collateral, and the lender must dispose of the collateral without delay.

(b) Re-title collateral. Any collateral accepted by the lender must not be titled in the Agency’s name in whole or in part. The Agency’s position is that of a guarantor relating to losses, not a lender.

(c) Collateral preservation. After acquiring the collateral, the lender must protect the collateral from deterioration (weather, vandalism, etc.). Hazard insurance in an amount necessary to cover the fair market value of the collateral must be maintained.

(d) Collateral sale. (1) The lender will prepare and submit to the Agency a plan on the best method of sale, keeping in mind any prospective purchasers. The Agency must approve the plan in writing. If an existing approved liquidation plan addresses the disposition of acquired property, no further review is required unless modification of the plan is needed.
(2) Anytime there is a case when the conversion of collateral to cash can reasonably be expected to result in a negative net recovery amount, abandonment of the collateral should be considered. The Agency must approve abandonment in writing.

§§ 3575.91–3575.93 [Reserved]

§ 3575.94 Determination and payment of loss.

In all liquidation cases, final settlement will be made with the lender after the collateral is liquidated. The Agency will have the right to recover losses paid under the guarantee from any liable party.

(a) General. If the lender takes title to collateral, any loss will be based on the collateral value at the time the lender obtains title.

(b) Loss calculations. The Report of Loss form (available in any Agency office) will be used for calculations of all estimated and final loss determinations. Estimated loss payments may only be approved after the lender has submitted a liquidation plan approved by the Agency.

(c) Estimated loss payments. When the lender is conducting the liquidation and owns any of the guaranteed portion of the loan, it may request an estimated loss payment by submitting an estimate of loss that will occur in connection with liquidation of the loan. An estimated loss payment may be approved after the Agency has approved the liquidation plan.

(1) The lender will prepare and submit a Report of Loss using the appraised value in lieu of amount received from sale of collateral.
(2) The estimated loss payment shall be calculated as of the date of such payment. The total amount of the loss
payment remitted by the Agency will be applied by the lender on the guaranteed portion of the loan debt. Such application does not release the borrower from liability. At the time of final loss settlement, the lender may notify the borrower that the loss payment has been so applied.

(3) After liquidation has been completed, a final Report of Loss will be submitted by the lender to the Agency.

(d) Final report of loss. In all cases, a final Report of Loss must be submitted to the Agency. Before Agency approval of any final loss report, the lender must account for all funds obtained, disposition of the collateral, all costs incurred, and any other information necessary for the successful completion of liquidation. Upon receipt of the final accounting and Report of Loss, the Agency may conduct an audit and will determine the final loss. The lender will make its records available to, and otherwise assist, the Agency in making any audit it requires of the Report of Loss. The documentation accompanying the Report of Loss must support the loss claimed.

(1) The lender must document and show that all of the collateral has been accounted for and properly liquidated and that liquidation proceeds have been properly accounted for and applied correctly on the loan. The Agency must be satisfied that the lender has accomplished this in the manner contained herein and that the lender has maximized the collections in conducting the liquidation.

(2) The lender must show a breakdown on any protective advance amount as to the payee, purpose of the expenditure, date paid, evidence that the amount expended was proper, and that the amount was actually paid.

(3) The lender must show a breakdown of liquidation expenses as to the payee, purpose of the expenditure, date paid, evidence that the amount expended was proper, and that the amount was actually paid.

(4) Accrued interest should be supported by attachments showing how the amount was accrued by the lender. A copy of the promissory note and ledger will be attached. If the interest rate was a variable rate, the lender must include documentation of changes in the selected base rate and when the changes in the loan rate became effective.

(e) Liquidation income. Any net rental or other income that has been received by the lender from the collateral will be applied on the guaranteed loan debt.

(f) Liquidation costs. Certain reasonable liquidation costs will be allowed during the liquidation process. The liquidation costs must be submitted as a part of the liquidation plan. Such costs will be deducted from gross proceeds received from the disposition of collateral unless the costs have been previously determined by the lender (with Agency concurrence) to be protective advances. If changed circumstances after submission of the liquidation plan require a revision of liquidation costs, the lender will obtain the Agency’s written concurrence prior to proceeding with the proposed changes. No in-house expenses of the lender will be allowed.

(g) Protective advance losses. In those instances where the lender made authorized protective advances, the lender may claim recovery for the guaranteed portion of any loss of monies advanced as well as interest resulting from such protective advances. These claims shall be included in the final Report of Loss.

(h) Final loss approval. After the final Report of Loss has been tentatively approved:

(1) If the actual loss is greater than any estimated loss payment, such loss will be paid by the Agency;

(2) If the actual loss is less than any estimated loss payment, the lender will reimburse the Agency;

(3) If the Agency conducted the liquidation, it will provide an accounting to the lender and will pay the lender in accordance with the Loan Note Guarantee.

(i) Loss limits. The amount payable by the Agency to the lender cannot exceed the limits contained in the Loan Note Guarantee. If the Agency conducts the liquidation, loss occasioned by accruing interest will be covered by the guarantee only to the date the Agency accepts this responsibility. When the liquidation is conducted by the lender, loss occasioned by accruing interest will be covered to the extent of the
§ 3575.95 Future recovery.

After a loan has been liquidated and a final loss has been paid by the Agency, any future funds which may be recovered by the lender will be pro-rated between the Agency and the lender in accordance with the guaranteed percentage even if the Loan Note Guarantee has been terminated.

§ 3575.96 Termination of Loan Note Guarantee.

The Loan Note Guarantee under this subpart will terminate automatically:

(a) Upon full payment of the guaranteed loan; or

(b) Upon full payment of any loss obligation or negotiated loss settlement except for future recovery provisions; or

(c) Upon written request from the lender to the Agency, provided that the lender holds all of the guaranteed portion and the original Loan Note Guarantee is returned to the Agency.

§ 3575.100 OMB control number.

The report and recordkeeping requirements contained in this regulation have been approved by the Office of Management and Budget and have been assigned OMB control number 0575–0137.

PART 3600—ORGANIZATION AND FUNCTIONS

Sec.
3600.1 General.
3600.2 Organization.
3600.3 Functions.
3600.4 Authority to act for the Administrator.

APPENDIX A TO PART 3600—LIST OF STATE STATISTICAL OFFICES

AUTHORITY: 5 U.S.C. 301 and 552; and 7 CFR 2.85.

SOURCE: 60 FR 57534, Nov. 16, 1995, unless otherwise noted.

§ 3600.1 General.
The National Agricultural Statistics Service (NASS) was established on April 17, 1986, by Secretary’s Memorandum 1020-24, which renamed the Statistical Reporting Service concurrent with an internal restructuring. Primary NASS responsibilities are development and dissemination of national and State agricultural statistics, statistical research, and coordination of Department statistical programs.

§ 3600.2 Organization.
The headquarters organization consists of: The Administrator and Associate Administrator; Deputy Administrator for Field Operations; Four Divisions: Estimates, Survey Management, Research, and Systems and Information; and the Agricultural Statistics Board. In the field, each of the 45 State Statistical Offices, serving the 50 States, is under a State Statistician.

§ 3600.3 Functions.
(a) Administrator. The Administrator is responsible for the formulation of current, intermediate, and long-range policies and plans to carry out a broad statistical program for the agricultural sector and Departmental functions and activities assigned to NASS. Specific functions are:
(1) Administering an agricultural statistics program which includes estimates of production, marketings, inventories, and selected economic characteristics of the U.S. agricultural and rural economy.
(2) Administering a methodological research program to improve agricultural data collection and processing, data management, estimation, and forecasting.
(3) Administering programs to conduct surveys for other agencies, improve statistics through statistical standards for the Department, and coordinate statistical methods and techniques within the Federal Government.
(4) Administering statistical official programs jointly developed through cooperative agreements with State agencies, universities, private groups, and other Federal agencies.
(5) Administering selected international agricultural statistics programs which provide foreign technical assistance, training on statistical methodology for developing countries, and exchange of information.

(b) Associate Administrator. The Associate Administrator is responsible for advising and counseling the Administrator and high-level policy officials on matters related to programs of NASS. Major functions include:
(1) Chairing Agricultural Statistics Board activities, designating Board membership, presiding at Board sessions, and formulating specific procedures.
(2) Chairing the NASS Strategic Planning Council which coordinates long-range planning, information resources management, and research reviews.
(3) Chairing the Resource Management Council which coordinates NASS hiring, promotion, and training activities.

(c) Deputy Administrator for Field Operations. The Deputy Administrator manages and coordinates data collection and estimating programs carried out by State Statistical Offices. This includes supervision of statistical programs with cooperating State and private groups, universities, and other Federal agencies. Major functions include:
(1) Formulating policies and programs that relate to functions and responsibilities of State Statistical Offices.
(2) Directing agricultural statistics programs established through cooperative agreements with State Departments of Agriculture, Land-Grant colleges and universities, or appropriate private organizations.

(3) Establishing and maintaining relationships with respondents, producers, commodity groups, data users, and other interested groups to gain cooperation in providing useful, timely, and reliable information.

(d) Director, Estimates Division. The Director is responsible for NASS estimating and forecasting programs. Major functions include:
(1) Defining input and output requirements, estimators and variances to be utilized, statistical standards, editing and summarization requirements, and analytic procedures.

(2) Collaborating with the Chairperson of the Agricultural Statistics Board to establish the annual programs of statistical reports.

(3) Developing appropriate systems parameters; processing, summarizing, and presenting current survey and related historical data for Agricultural Statistics Board analysis; and preparing official estimates and forecasts.

(e) Director, Survey Management Division. The Director is responsible for application of survey design and data collection methodologies to the agricultural statistics program. Major functions include:
(1) Constructing and maintaining appropriate sampling frames for agricultural and rural surveys.

(2) Designing, testing, and establishing survey techniques and standards, including sample design, sample selection, questionnaires, data collection methods, survey materials, and training methods for NASS.

(3) Reviewing specifications for special data collection activities for programs of other Federal or State agencies.

(f) Director, Research Division. The Director is responsible for researching statistical methodology for survey design, data collection, processing, estimating, and forecasting. Major functions include:
(1) Conducting statistical research to develop new and improved sampling techniques, develop improved data collection methods, and identify methods of controlling sampling and nonsampling errors.

(2) Researching statistical computing methods and developing efficient uses of computer technology including telecommunications, networking, and other applications.

(3) Developing new statistical theory and models and solving statistical problems, including numerical methods involving advanced mathematical statistics.

(g) Director, Systems and Information Division. The Director is responsible for NASS information management system and processing services. Specific functions are:
(1) Designing, maintaining, and providing access to an integrated and standardized information management system containing sampling frames, survey data, estimates, and administrative records utilized by NASS.

(2) Providing appropriate support for assisting users of the information management system through documentation, evaluation, training, and resolution of information management problems.

(3) Designing and issuing all reports releasing official State and national estimates and forecasts from NASS.

(h) Chairperson, Agricultural Statistics Board. The Chairperson reviews, prepares, and issues on specific dates, following approval by the Secretary of Agriculture as provided by law (7 U.S.C. 411a) and Departmental Regulation, the official State and national estimates relating to crop production, livestock and livestock products, dairy and dairy products, poultry and poultry products, stocks of agricultural commodities, value of farm products, farm inputs, and other assigned agricultural aspects.

§3600.4 Authority to act for the Administrator.

In the absence of the Administrator, the following officials are designated to serve as Acting Administrator in the order indicated:
Associate Administrator
Deputy Administrator for Field Operations
Director, Estimates Division
Director, Survey Management Division
Director, Systems and Information Division

3601.7 Requests for published data and information.

**AUTHORITY:** 5 U.S.C. 301, 552; 7 CFR part 1, subpart A and appendix A thereto.

**SOURCE:** 66 FR 57843, Nov. 19, 2001, unless otherwise noted.
§ 3601.1 General statement.

This part is issued in accordance with the regulations of the Secretary of Agriculture in part 1, subpart A of this title and appendix A thereto, implementing the Freedom of Information Act (5 U.S.C. 552), and governs the availability of records of the National Agricultural Statistics Service (NASS) to the public.

§ 3601.2 Public inspection, copying, and indexing.

5 U.S.C. 552(a)(2) requires that certain materials be made available for public inspection and copying and that a current index of these materials be published quarterly or otherwise be made available. Members of the public may request access to such materials maintained by NASS at the following office: Information Staff, ARS, REE, USDA, Room 1–2248, Mail Stop 5128, 5601 Sunnyside Avenue, Beltsville, MD 20705–5128; Telephone (301) 504–1640 or (301) 504–1655; TTY-VOICE (301) 504–1743. Office hours are 8 a.m. to 4:30 p.m. Information maintained in our electronic reading room can be accessed at http://www.ars.usda.gov/is/foia/#Electronic.

§ 3601.3 Requests for records.

Requests for records of NASS under 5 U.S.C. 552(a)(3) shall be made in accordance with § 1.5 of this title and submitted to the FOIA Coordinator, Information Staff, ARS, REE, USDA, Mail Stop 5128, 5601 Sunnyside Avenue, Beltsville, MD 20705–5128; Telephone (301) 504–1640 or (301) 504–1655; TTY-VOICE (301) 504–1743; Facsimile (301) 504–1648; e-mail vherberger@ars.usda.gov or shutchison@ars.usda.gov. The FOIA Coordinator is delegated authority to make determinations regarding such requests in accordance with § 1.3(c) of this title.

§ 3601.4 Multitrack processing.

(a) When NASS has a significant number of requests, the nature of which includes a determination within 20 working days, the requests may be processed in a multitrack processing system, based on the date of receipt, the amount of work and time involved in processing the request, and whether the request qualifies for expedited processing.

(b) NASS may establish as many processing tracks as appropriate; processing within each track shall be based on a first-in, first-out concept, and rank-ordered by the date of receipt of the request.

(c) A requester whose request does not qualify for the fastest track may be given an opportunity to limit the scope of the request in order to qualify for the fastest track. This multitrack processing system does not lessen agency responsibility to exercise due diligence in processing requests in the most expeditious manner possible.

(d) NASS shall process requests in each track on a “first-in, first-out” basis, unless there are unusual circumstances as set forth in § 1.16 of this title, or the requester is entitled to expedited processing as set forth in § 1.9 of this title.

§ 3601.5 Denials.

If the FOIA Coordinator determines that a requested record is exempt from mandatory disclosure and that discretionary release would be improper, the FOIA Coordinator shall give written notice of denial in accordance with § 1.7(a) of this title.

§ 3601.6 Appeals.

Any person whose request is denied shall have the right to appeal such denial. Appeals shall be made in accordance with § 1.13 of this title and should be addressed as follows: Administrator, NASS, U.S. Department of Agriculture, Washington, DC 20250.

§ 3601.7 Requests for published data and information.

(a) Published data and reports produced by NASS since 1995 are available via the NASS Web site at http://www.usda.gov/nass/ or an e-mail subscription may be established via the website under Publications. Searching on the website is available by topic, by title, or by date. The titles displayed in the search include NASS’s published periodicals and annual reports. Full text of all the titles is available at no cost (PDF Files beginning 1999). Printed copies and reports published after 1996 can be purchased from the ERS-NASS sales desk at the National Technical Information Center at 1 (800) 999–
6779 (8:30 a.m.–5 p.m. Eastern Time, M-F).

(b) Information on published data, printed subscription rates, and historic publications is available from the Secretary, Agricultural Statistics Board, NASS, U.S. Department of Agriculture, Washington, DC 20250. This information is also available from the NASS website under Publications, NASS Catalog, NASS Periodicals and Annual Reports. Published data, from each State Statistical Office, are available via the NASS website under State Information or by e-mail subscription. Published data subscription forms are available from the State Statistician at each State Statistical Office. Addresses are listed in appendix A to part 3600 of this chapter.

PART 3700—ORGANIZATION AND FUNCTIONS

Sec. 3700.1 General.
3700.2 Organization.
3700.3 Functions.
3700.4 Authority to act for the Administrator.

SOURCE: 61 FR 1827, Jan. 24, 1996, unless otherwise noted.

§ 3700.1 General.
The Economic Research Service (ERS), originally established in 1961 under the authority of the Agricultural Marketing Act of 1946 (7 U.S.C. 1621–1627), was reestablished as an agency of the U.S. Department of Agriculture of September 30, 1981 (46 FR 47747), in response to Secretary’s Memorandum 1000–1 of June 17, 1981, entitled “Reorganization of Department.” The mission of ERS is to provide economic and other social science information and analysis for public and private decisions on agriculture, food, natural resources, and rural America. Its primary customers are USDA policy officials and program administrators, the Office of the White House, Congress, and environmental, consumer, and rural public interest groups, including farm groups and industry.

§ 3700.2 Organization.
ERS maintains its offices at 1301 New York Avenue, NW., Washington, DC 20005–4788. The organization consists of:
(a) The Administrator;
(b) Associate Administrator;
(c) Five Divisions; Commercial Agriculture Division, Food and Consumer Economics Division, Information Services Division, Natural Resources and Environment Division, and Rural Economy Division; and
(d) Office of Energy and New Uses.

§ 3700.3 Functions.
(a) Administrator and Associate Administrator. The Administrator and Associate Administrator are responsible for developing and implementing policies and plans in support of a program of economic and social science research, analysis, and data dissemination. General functions are: Conducting research and staff analysis, and developing short to long-term outlook analysis and economic indicators.
(b) Director, Commercial Agriculture Division. The Director, Commercial Agriculture Division, is responsible for conducting a program of economic research; economic intelligence gathering, analysis, and reporting; and data development and dissemination on economic conditions, U.S. and foreign policies, and agriculture production, trade, and marketing. General functions are:
(1) Developing and monitoring current intelligence and indicators on domestic and international agricultural markets and related farm and trade developments and short to long-term forecasts of domestic and world agricultural markets.
(2) Assessing the technological, economic, and institutional forces influencing U.S. and world agricultural markets.
(3) Conducting special analyses of U.S. and world agricultural markets for policy officials to assist in policy development and the operation of USDA programs.
(4) Collecting necessary information and performing international, national, and regional macroeconomics analysis to estimate the effects of macro economic trends and events in the global economy on the American farm sector.
(c) Director, Food and Consumer Economic Division. The Director, Food and Consumer Economic Division, is responsible for providing economic research, monitoring and statistical indicators, and staff and the policy analysis of consumer and food marketing issues, including: Consumption determinants and trends; consumer demand for food quality, safety, and nutrition; food security; market competition; vertical coordination; nutrition education and food assistance programs; and food safety regulation. General functions are:
(1) Analyzing consumer behavior and food choices, including research regarding the socio-demographic and economic determinants of food and nutrient consumption; consumer valuation
of quality, safety, and nutrition characteristics; and the role of information in determining food choices.

(2) Examining food assistance and nutrition programs, nutritional adequacy of diets, and food security, including costs and benefits of food assistance and nutrition programs, program and policy alternatives, the extent and social cost of good insecurity, and the role of food assistance in meeting larger goals of welfare programs.

(3) Analyzing the food processing and distribution sector, including the ability of the sector to meet changing consumer demand; the effect of government market interventions to facilitate that response; and the effect of government interventions and rapid changes in the sector on consumer and producer welfare.

(4) Analyzing food safety issues, including consumer benefits from risk reduction, production tradeoffs in reducing hazards, impact of proposed regulations and international harmonization, and policy alternatives.

(5) Developing and monitoring indicators of individual, household, and market level food consumption, expenditures, and nutrients; food marketing costs, marketing margins, and farm-retail price spreads; and food safety hazards, their effects, and mitigation.

(d) Director, Information Services Division. The Director, Information Services Division, is responsible for managing and directing agencywide information technology, communications, and administrative activities in support of the economic research and analysis mission of ERS. General functions are:

(1) Developing and managing information technology infrastructure and training.

(2) Developing and managing communications, publication, and dissemination programs, policies, and procedures.

(3) Providing operations and management services, including liaison with the ARS’s Administrative and Financial Management unit.

(e) Director, Natural Resources and Environment Division. The Director, Natural Resources and Environment Division, is responsible for providing economic research, monitoring and statistical indicators, and staff and policy analysis of agricultural resource and environment issues including the relationship between agriculture—its practices, technologies, policies, and resource use—and the environment, including effects on the sustainability of the natural resource base, preservation of species and genetic diversity, and environmental quality. General functions are:

(1) Developing and disseminating data for assessing the use of agricultural resources and technologies by agricultural producers. These data include use and ownership of land, use of agricultural chemicals and equipment, and water use.

(2) Evaluating the implications of alternative agricultural and resource conservation policies and programs on commodity prices, consumer welfare, competitiveness, and long-range maintenance of agricultural land and water resources.

(3) Analyzing the costs, benefits, and distributional impacts of alternative policies to reduce environmental and health risk externalities associated with agriculture.

(4) Monitoring and analyzing the uses and conditions of the nation’s water resources and the economic consequences of agricultural and environmental policies affecting water supply, use, and quality.

(5) Analyzing the impacts of national and global developments and domestic and international policies on the use and value of land, water, capital assets, and other agricultural production decisions.

(6) Assessing the possible impacts of proposed or anticipated domestic policy and program changes on agricultural production decisions.

(7) Assessing the effects of technology on input use and markets and evaluating the factors affecting input productivity and technology adoption.

(8) Analyzing the implications of global environmental change and sustainable development for U.S. agriculture.

(f) Director, Rural Economy Division. The Director, Rural Economy Division, is responsible for conducting a program of economic and social science research
and analysis on national rural and agricultural conditions and trends, and identifying and assessing the potential impact of public and private sector actions and policies that affect rural areas and the agricultural sector. General functions are:

(1) Analyzing and reporting on current economic and demographic issues facing rural areas and agricultural, especially how changes in the national and global economies affect rural areas and the agriculture sector.

(2) Determining the effects of economic, social, and governmental events and actions on the demand for and supply of rural local government services, the quality of such services, and the relationships between local services and the viability of rural communities.

(3) Developing and disseminating information on current trends in the non-metropolitan and farm populations, the number, location and characteristics of such people, and the factors associated with these trends.

(4) Developing estimates and analyzing labor force trends in rural labor markets, including analyses of unemployment and employment by industry and occupational groups, including farm labor.

(5) Developing data on the income situation of rural people and evaluating the effectiveness of alternative public policies and programs in improving incomes of rural people, especially people in disadvantaged groups.

(6) Monitoring information on and analyzing the development of rural portions of geographic regions of the United States, including changes in industry mix, impacts of energy costs, credit availability, and other economic activities.

(7) Analyzing and reporting on developments in rural and agricultural financial markets and in Federal tax laws, and their consequences for agriculture and rural economies.

(8) Collecting and disseminating financial information on farms and farm enterprises, and developing techniques necessary to measure and describe the financial condition of the agriculture sector and its components.

§ 3701.3 Requests for records.

Requests for records of ERS under 5 U.S.C. 552(a)(3) shall be made in accordance with §1.5 of this title and submitted to the FOIA Coordinator, Information Staff, ARS, REE, USDA, Mail Stop 5128, 5601 Sunnyside Avenue, Beltsville, MD 20705–5128; Telephone (301) 504–1640 or (301) 504–1655; TTY-VOICE (301) 504–1743; Facsimile (301) 504–1648; e-mail vherberger@ars.usda.gov or shutchison@ars.usda.gov. The FOIA Coordinator is delegated authority to make determinations regarding such requests in accordance with §1.3(c) of this title.

§ 3701.4 Multitrack processing.

(a) When ERS has a significant number of requests, the nature of which precludes a determination within 20 working days, the requests may be processed in a multitrack processing system, based on the date of receipt, the amount of work and time involved in processing the request, and whether the request qualifies for expedited processing.

(b) ERS may establish as many processing tracks as appropriate; processing within each track shall be based on a first-in, first-out concept, and rank-ordered by the date of receipt of the request.

(c) A requester whose request does not qualify for the fastest track may be given an opportunity to limit the scope of the request in order to qualify for the fastest track. This multitrack processing system does not lessen agency responsibility to exercise due diligence in processing requests in the most expeditious manner possible.

(d) ERS shall process requests in each track on a “first-in, first-out” basis, unless there are unusual circumstances as set forth in §1.16 of this title, or the requester is entitled to expedited processing as set forth in §1.9 of this title.

§ 3701.5 Denials.

If the FOIA Coordinator determines that a requested record is exempt from mandatory disclosure and that discretionary release would be improper, the FOIA Coordinator shall give written notice of denial in accordance with §1.7(a) of this title.

§ 3701.6 Appeals.

Any person whose request is denied shall have the right to appeal such denial. Appeals shall be made in accordance with §1.14 of this title and should be addressed as follows: Administrator, ERS, U.S. Department of Agriculture, Washington, DC 20250.

§ 3701.7 Requests for published data and information.

Published data and reports produced by ERS since 1996 are available on the ERS Web site at http://www.ers.usda.gov. Searching on the website is available by topic, by title, or by date. The titles displayed in the search include ERS’s separately published research reports as well as articles in ERS-produced periodicals. Full text of all the titles are available at no cost (usually in PDF Files). Printed copies and reports published before 1996 (while supplies last) can be purchased from the ERS-NASS sales desk at the National Technical Information Center at 1–800–999–6779 (8:30 a.m.–5 p.m., Eastern Standard Time, M–F).

PART 3800—ORGANIZATION AND FUNCTIONS

Sec. 3800.1 General.
3800.2 Organization.
3800.3 Functions.
3800.4 Authority to act for the Chairperson.

AUTHORITY: 5 U.S.C. 301 and 552, and 7 CFR 2.72, except as otherwise noted.

SOURCE: 53 FR 5358, Feb. 24, 1988, unless otherwise noted.

§ 3800.1 General.
The World Agricultural Outlook Board (WAOB) was established on June 3, 1977, by Secretary’s Memorandum 1920, entitled “World Food and Agricultural Outlook and Situation Board.” The primary responsibility of WAOB is to coordinate and review all commodity and aggregate agricultural and food data and analyses used to develop outlook and situation material within the Department of Agriculture.

§ 3800.2 Organization.
The central and only office of WAOB is located in Washington, DC, and consists of the Chairperson, Deputy Chairperson, and supporting staff.

§ 3800.3 Functions.
The WAOB has four major areas of responsibility:
(a) Agricultural outlook and situation.
(1) Coordinate and review all crop and commodity data used to develop outlook and situation material within the Department of Agriculture.
(2) Oversee and clear for consistency of analytical assumptions and results, all estimates and analyses which significantly relate to international and domestic commodity supply and demand. This includes such estimates and analyses prepared for public distribution by the Foreign Agricultural Service, the Economic Research Service, or by any other agency or office of the Department.
(3) Participate in planning and developing research programs relating to improving the Department’s forecasting and estimating capabilities.
(4) Provide liaison between the Department and Commodity Futures Trading Commission to assure that the futures market serves the best interest of agriculture and the public.
(5) Plan and participate in Departmental, interdepartmental, regional and international outlook conferences and briefings, to maintain an awareness of current and upcoming economic issues significant to the food and agricultural system.
(b) Interagency commodity estimates.
(1) Establish Interagency Commodity Estimates Committees to bring together estimates and analyses from supporting agencies and to develop official estimates of supply, utilization, and prices for commodities.
(2) Review for consistency of analytical assumptions and results, all proposed decisions made by the Interagency Commodity Estimates Committee prior to any release outside the Department.
(c) Weather and climate.
(1) Serve as a focal point within the Department for coordination of weather, climate, and related crop monitoring activities.

§ 3800.4 Authority to act for the Chairperson.
When the Chairperson is absent or temporarily unavailable, the Deputy Chairperson is authorized to act for the Chairperson.

AUTHORITY: 5 U.S.C. 301 and 552; 7 CFR 1.1–1.23 and Appendix A.

SOURCE: 53 FR 5358, Feb. 24, 1988, unless otherwise noted.

§ 3801.1 General.
This part is issued in accordance with the regulations of the Secretary of Agriculture in §§1.1–1.23 of this title and Appendix A thereto, implementing the Freedom of Information Act (FOIA).
§ 3801.2 Public inspection, copying, and indexing.

5 U.S.C. 552(a)(2) requires that certain materials be made available for public inspection and copying and that a current index of these materials be published quarterly or otherwise be made available. WAOB does not maintain any materials within the scope of these requirements.

§ 3801.3 Requests for records.

Requests for records of WAOB shall be made in accordance with §1.6(a) and (b) of this title and addressed to: Economics Agencies FOIA Officer, Economics Management Staff, USDA, Room 4310, South Building, 12th and Independence Avenue SW., Washington, DC 20250. This official is delegated authority to make determinations regarding such requests in accordance with §1.3(a)(3) of this title.

§ 3801.4 Denials.

If the Economics Agencies FOIA Officer determines that a requested record is exempt from mandatory disclosure and that discretionary release would be improper, the Economics Agencies FOIA Officer shall give written notice of denial in accordance with §1.8(a) of this title.

§ 3801.5 Appeals.

Any person whose request is denied shall have the right to appeal such denial. Appeals shall be in accordance with §1.6(e) of this title and addressed to the Chairperson, World Agricultural Outlook Board, U.S. Department of Agriculture, Washington, DC 20250.

PARTS 4200–4273 [RESERVED]

PART 4274—DIRECT AND INSURED
LOANMAKING

Subparts A–C [Reserved]

Subpart D—Intermediary Relending Program (IRP)

Sec. 4274.301 Introduction.
(a) This subpart contains regulations for loans made by the Agency to eligible intermediaries and applies to borrowers and other parties involved in making such loans. The provisions of this subpart supersede conflicting provisions of any other subpart. The servicing and liquidation of such loans will be in accordance with part 1951, subpart R, of this title.

(b) The purpose of the program is to alleviate poverty and increase economic activity and employment in rural communities, especially disadvantaged and remote communities, through financing targeted primarily towards smaller and emerging businesses, in partnership with other public and private resources, and in accordance with State and regional strategy based on identified community needs. This purpose is achieved through loans made to intermediaries that establish programs for the purpose of providing loans to ultimate recipients for business facilities and community developments in a rural area.

(c) Proposed intermediaries are required to identify any known relationship or association with a USDA Rural Development employee. Any processing or servicing Agency activity conducted pursuant to this subpart involving authorized assistance to United States Department of Agriculture (USDA) Rural Development employees, members of their families, close relatives, or business or close personal associates, is subject to the provisions of subpart D of part 1900 of this chapter.

(d) Copies of all forms, regulations, and Agency procedures referenced in this subpart are available in the National Office or any Rural Development State Office.

$ 4274.302 Definitions and abbreviations.
(a) General definitions. The following definitions are applicable to the terms used in this subpart:

Agency. The Federal agency within the USDA with responsibility assigned...
by the Secretary of Agriculture to administer IRP. At the time of publication of this rule, that Agency was the Rural Business-Cooperative Service (RBS).

**Agency IRP loan funds.** Cash proceeds of a loan obtained from the Agency through IRP, including the portion of an IRP revolving fund directly provided by the Agency IRP loan.

**Agricultural production or agriculture production.** The cultivation, production, growing, raising, feeding, housing, breeding, hatching, or managing of crops, plants, animals, or birds, either for fiber, food for human consumption, or livestock feed.

**Conflict of interest.** A situation in which a person or entity has competing personal, professional, or financial interests that make it difficult for the person or business to act impartially. Regarding use of both grant and matching funds, Federal procurement standards prohibit transactions that involve a real or apparent conflict of interest for owners, employees, officers, agents, their immediate family members, partners, or an organization which is about to employ any of the parties indicated herein, having a financial or other interest in or tangible personal benefit from the outcome of the project; or that restrict open and free competition for unrestrained trade. Specifically, project funds may not be used for services or goods going to, or coming from, a person or entity with a real or apparent conflict of interest, including, but not limited to, owner(s) and their immediate family members.

**Initial Agency IRP loan.** The first IRP loan made by the Agency to an intermediary.

**Intermediary.** The entity requesting or receiving Agency IRP loan funds for establishing a revolving fund and re-lending to ultimate recipients.

**IRP revolving fund.** A group of assets, obtained through or related to an Agency IRP loan and recorded by the intermediary in a bookkeeping account or set of accounts and accounted for, along with related liabilities, revenues, and expenses, as an entity or enterprise separate from the intermediary’s other assets and financial activities.

**Principals of intermediary.** Members, officers, directors, and other individuals or entities directly involved in the operation and management (including setting policy) of an intermediary.

**Processing office or officer.** The processing office for an IRP application is the office within the Agency administrative organization with assigned authority and responsibility to process the application. The processing office is the primary contact for the proposed intermediary and maintains the official application case file. The processing officer for an application is the person in charge of the processing office. The processing officer is responsible for ensuring that all regulations and Agency procedures are complied with in regard to applications under the office’s jurisdiction.

**Revolved funds.** The cash portion of an IRP revolving fund that is not composed of Agency loan funds, including funds that are repayments of Agency IRP loans and including fees and interest collected on such loans.

**Rural or rural area.** As described in 7 U.S.C. 1991(a)(13), as amended.

**Servicing office or officer.** The servicing office for an IRP loan is the office within the Agency administrative organization with assigned authority and responsibility to service the loan. The servicing office is the primary contact for the borrower and maintains the official case file after the loan is closed. The servicing officer for a loan is the person in charge of the servicing office. The servicing officer is responsible for ensuring that all regulations and Agency procedures are complied with in regard to loans under the office’s jurisdiction.

**State.** Any of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands of the United States, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, the Republic of Palau, the Federated States of Micronesia, and the Republic of the Marshall Islands.

**Statewide Nonmetropolitan Median Household Income (SNMHI).** Median household income of the State’s nonmetropolitan counties and portions of metropolitan counties outside of cities.
RBS and RUS, USDA

§ 4274.307

Eligibility requirements—Intermediary.

(a) The types of entities which may become intermediaries are:
(1) Private nonprofit corporations.
(2) Public agencies—Any State or local government, or any branch or agency of such government having authority to act on behalf of that government, borrow funds, and engage in activities eligible for funding under this subpart.
(3) Indian groups—Indian tribes on a Federal or State reservation or other federally recognized tribal groups.
(4) Cooperatives—Incorporated associations, at least 51 percent of whose members are rural residents, whose members have one vote each, and which conduct, for the mutual benefit of their members, such operations as producing, purchasing, marketing, processing, or other activities aimed at improving the income of their members as producers or their purchasing power as consumers.

(b) The intermediary must:
(1) Have the legal authority necessary for carrying out the proposed loan purposes and for obtaining, giving security for, and repaying the proposed loan.
(2) Have a proven record of successfully assisting rural business and industry, or, for intermediaries that propose to finance community development, a proven record of successfully assisting rural community development projects of the type planned.

(i) Except as provided in paragraph (b)(2)(ii) of this section, such record will include recent experience in loan making and servicing with loans that are similar in nature to those proposed for the IRP and a delinquency and loss rate acceptable to the Agency.

(ii) The Agency may approve an exception to the requirement for loan making and servicing experience provided:
(A) The proposed intermediary has a proven record of successfully assisting (other than through lending) rural business and industry or rural community development projects of the type planned; and
(B) The proposed intermediary will, before the loan is closed, bring individuals with loan making and servicing experience and expertise into the operation of the IRP revolving fund.

(3) Have the services of a staff with loan making and servicing expertise acceptable to the Agency.

(4) Have capitalization acceptable to the Agency.

(c) No loans will be extended to an intermediary unless:

1. There is adequate assurance of repayment of the loan based on the fiscal and managerial capabilities of the proposed intermediary.

2. The loan is not otherwise available on reasonable (i.e., usual and customary) rates and terms from private sources or other Federal, State, or local programs.

3. The amount of the loan, together with other funds available, is adequate to assure completion of the project or achieve the purposes for which the loan is made.

(d) At least 51 percent of the outstanding interest or membership in any nonpublic body intermediary must be composed of citizens of the United States or individuals who reside in the United States after being legally admitted for permanent residence.

(e) Any delinquent debt to the Federal Government by the intermediary or any principal of the intermediary shall cause the intermediary to be ineligible to receive any IRP loan. Agency loan funds may not be used to satisfy the delinquency.

§ 4274.308 Eligibility requirements—Ultimate recipients.

(a) Ultimate recipients may be individuals, public or private organizations, or other legal entities, with authority to incur the debt and carry out the purpose of the loan.

(b) To be eligible to receive loans from the IRP revolving loan fund, ultimate recipients:

1. Must be citizens of the United States or reside in the United States after being legally admitted for permanent residence. In the case of an organization, at least 51 percent of the outstanding membership or ownership must be either citizens of the United States or residents of the United States after being legally admitted for permanent residence.

2. Must be located in a rural area of a State.

3. Must be unable to finance the proposed project from its own resources or through commercial credit or other Federal, State, or local programs at reasonable rates and terms.

4. Must, along with its principal officers (including their immediate family), hold no legal or financial interest or influence in the intermediary. Also, the intermediary and its principal officers (including immediate family) must hold no legal or financial interest or influence in the ultimate recipient. However, this paragraph shall not prevent an intermediary that is organized as a cooperative from making a loan to one of its members.

(c) Any delinquent debt to the Federal Government by the ultimate recipient or any of its principals shall cause the proposed ultimate recipient to be ineligible to receive a loan from Agency IRP loan funds. Agency IRP loan funds may not be used to satisfy the delinquency.

§§ 4274.309–4274.313 [Reserved]

§ 4274.314 Loan purposes.

(a) Intermediaries. Agency IRP loan funds must be placed in the intermediary’s IRP revolving fund and used by the intermediary to provide direct loans to eligible ultimate recipients.

(b) Ultimate recipients. Loans from the intermediary to the ultimate recipient using the IRP revolving fund must be for community development projects, the establishment of new businesses, expansion of existing businesses, creation of employment opportunities, or saving existing jobs. Such loans may include, but are not limited to:

1. Business and industrial acquisitions when the loan will keep the business from closing, prevent the loss of employment opportunities, or provide expanded job opportunities.

2. Business construction, conversion, enlargement, repair, modernization, or development.

3. Purchase and development of land, easements, rights-of-way, buildings, facilities, leases, or materials.
(4) Purchase of equipment, leasehold improvements, machinery, or supplies.
(5) Pollution control and abatement.
(6) Transportation services.
(7) Start-up operating costs and working capital.
(8) Interest (including interest on interim financing) during the period before the facility becomes income producing, but not to exceed 3 years.
(9) Feasibility studies.
(10) Debt refinancing.
   (i) The intermediary is responsible for making prudent lending decisions based on sound underwriting principles when considering the restructuring of an ultimate recipient’s debt; and
   (ii) Refinancing debts may be allowed only when it is determined by the intermediary that the project is viable and refinancing is necessary to create new or save existing jobs or create or continue a needed service; and
   (iii) On any request for refinancing of existing secured loans, the intermediary is required, at a minimum, to obtain the previously held collateral as security for the loans and must not pay off a creditor in excess of the value of the collateral. Additional collateral will be required when the refinancing of unsecured loans is unavoidable to accomplish the necessary strengthening of the ultimate recipient’s position.
(11) Reasonable fees and charges only as specifically listed in this paragraph. Authorized fees include loan packaging fees, environmental data collection fees, management consultant fees, and other fees for services rendered by professionals. Professionals are generally persons licensed by States or accreditations such as engineers, architects, lawyers, accountants, and appraisers. The maximum amount of fee will be what is reasonable and customary in the community or region where the project is located. Any such fees are to be fully documented and justified.
(12) Hotels, motels, tourist homes, bed and breakfast establishments, convention centers, and other tourist and recreational facilities except as prohibited by §4274.319.
(13) Educational institutions.
(14) Revolving lines of credit: Provided, (i) The portion of the intermediary’s total IRP revolving fund that is committed to or in use for revolving lines of credit will not exceed 25 percent at any time;
   (ii) All ultimate recipients receiving revolving lines of credit will be required to reduce the outstanding balance of the revolving line of credit to zero at least one time each year;
   (iii) All revolving lines of credit will be approved by the intermediary for a specific maximum amount and for a specific maximum time period, not to exceed two years;
   (iv) The intermediary will provide a detailed description, which will be incorporated into the intermediary’s work plan and be subject to Agency approval, of how the revolving lines of credit will be operated and managed. The description will include evidence that the intermediary has an adequate system for:
   (A) Interest calculations on varying balances, and
   (B) Monitoring and control of the ultimate recipients’ cash, inventory, and accounts receivable; and
   (v) If, at any time, the Agency determines that an intermediary’s operation of revolving lines of credit is causing excessive risk of loss for the intermediary or the Government, the Agency may terminate the intermediary’s authority to use the IRP revolving fund for revolving lines of credit. Such termination will be by written notice and will prevent the intermediary from approving any new lines of credit or extending any existing revolving lines of credit beyond the effective date of termination contained in the notice.
(15) Aquaculture-based rural small businesses.

§4274.319 Ineligible loan purposes.

Agency IRP loan funds may not be used for payment of the intermediary’s administrative costs or expenses. The IRP revolving fund may not be used for:
(a) Assistance in excess of what is needed to accomplish the purpose of the ultimate recipient’s project.

[63 FR 6053, Feb. 6, 1998, as amended at 73 FR 54307, Sept. 19, 2008]

§§ 4274.315–4274.318 [Reserved]

§ 4274.319 Ineligible loan purposes.

Agency IRP loan funds may not be used for payment of the intermediary’s administrative costs or expenses. The IRP revolving fund may not be used for:
(a) Assistance in excess of what is needed to accomplish the purpose of the ultimate recipient’s project.
§ 4274.320 Loan terms.

(a) No loan to an intermediary shall be extended for a period exceeding 30 years. Interest and principal payments will be scheduled at least annually. The initial principal payment may be deferred (during the period before the facility becomes income producing) by the Agency, but not more than 3 years.

(b) Loans made by an intermediary to an ultimate recipient from the IRP revolving fund will be scheduled for repayment over a term negotiated by the intermediary and ultimate recipient. The term must be reasonable and prudent considering the purpose of the loan, expected repayment ability of the ultimate recipient, and the useful life of collateral, and must be within any limits established by the intermediary’s work plan.

§§ 4274.321–4274.324 [Reserved]

§ 4274.325 Interest rates.

(a) Loans made by the Agency pursuant to this subpart shall bear interest at a fixed rate of 1 percent per annum over the term of the loan.

(b) Interest rates charged by intermediaries to ultimate recipients on loans from the IRP revolving fund shall be negotiated by the intermediary and ultimate recipient. The rate must be within limits established by the intermediary’s work plan approved by the Agency. The rate should normally be the lowest rate sufficient to cover the loan’s proportional share of the IRP revolving fund’s debt service costs, reserve for bad debts, and administrative costs.

§ 4274.326 Security.

(a) Intermediaries. Security for all loans to intermediaries must be such that the repayment of the loan is reasonably assured, when considered along with the intermediary’s financial condition, work plan, and management ability. It is the responsibility of the intermediary to make loans to ultimate recipients in such a manner that will fully protect the interests of the intermediary and the Government.

(1) Security for such loans may include, but is not limited to:

(i) Any realty, personalty, or intangible capable of being mortgaged, pledged, or otherwise encumbered by the intermediary in favor of the Agency; and

(ii) Any realty, personalty, or intangible capable of being mortgaged, pledged, or otherwise encumbered by
§ 4274.331 Loan limits.

(a) Intermediary. (1) No loan to an intermediary will exceed the maximum amount the intermediary can reasonably be expected to lend to eligible ultimate recipients, in an effective and sound manner, within 1 year after loan closing.

(2) The initial Agency IRP loan as defined in §4274.302(a) will not exceed $2 million.

(b) Ultimate recipients. Loans from intermediaries to ultimate recipients using the IRP revolving fund must not exceed the lesser of:

(1) $250,000; or

(2) $2 million.
(2) Seventy five percent of the total cost of the ultimate recipient’s project for which the loan is being made.

(c) Portfolio. No more than 25 percent of an IRP loan approved may be used for loans to ultimate recipients that exceed $150,000. This limit does not apply to revolved funds.

§ 4274.332 Post award requirements.

(a) Applicability. Intermediaries receiving loans under this program shall be governed by these regulations, the loan agreement, the approved work plan, security interests, and any other conditions which the Agency may impose in making a loan. Whenever this subpart imposes a requirement on loans made from the “IRP revolving fund,” such requirement shall apply to all loans made by an intermediary to an ultimate recipient from the intermediary’s IRP revolving fund for as long as any portion of the intermediary’s IRP loan from the Agency remains unpaid. Whenever this subpart imposes a requirement on loans made by intermediaries from “Agency IRP loan funds,” without specific reference to the IRP revolving fund, such requirement shall apply only to loans made by an intermediary using Agency IRP loan funds, and will not apply to loans made from revolved funds.

(b) Maintenance of IRP revolving fund. For as long as any part of an IRP loan to an intermediary remains unpaid, the intermediary must maintain the IRP revolving fund. All Agency IRP loan funds received by an intermediary must be deposited into an IRP revolving fund. The intermediary may transfer additional assets into the IRP revolving fund. All cash of the IRP revolving fund shall be deposited in a separate bank account or accounts. No other funds of the intermediary will be commingled with such money. All moneys deposited in such bank account or accounts shall be money of the IRP revolving fund. Loans to ultimate recipients are advanced from the IRP revolving fund. The receivables created by making loans to ultimate recipients, the intermediary’s security interest in collateral pledged by ultimate recipients, collections on the receivables, interest, fees, and any other income or assets derived from the operation of the IRP revolving fund are a part of the IRP revolving fund.

(1) The portion of the IRP revolving fund that consists of Agency IRP loan funds, on a last-in-first-out basis, may only be used for making loans in accordance with § 4274.314 of this subpart. The portion of the IRP revolving fund which consists of revolved funds may be used for debt service, reasonable administrative costs, or reserves in accordance with this section, or for making additional loans.

(2) The intermediary must submit an annual budget of proposed administrative costs for Agency approval. The annual budget should itemize cash income and cash out-flow. Projected cash income should consist of, but is not limited to, collection of principal repayment, interest repayment, interest earnings on deposits, fees, and other income. Projected cash out-flow should consist of, but is not limited to, principal and interest payments, reserve for bad debt, and an itemization of administrative costs to operate the IRP revolving fund. Proceeds received from the collection of principal repayment cannot be used for administrative expenses. The amount removed from the IRP revolving fund for administrative costs in any year must be reasonable, must not exceed the actual cost of operating the IRP revolving fund, including loan servicing and providing technical assistance, and must not exceed the amount approved by the Agency in the intermediary’s annual budget.

(3) A reasonable amount of revolved funds must be used to create a reserve for bad debts. Reserves must be accumulated over a period of years. The total amount should not exceed maximum expected losses, considering the quality of the intermediary’s portfolio of loans. Unless the intermediary provides loss and delinquency records that, in the opinion of the Agency, justifies different amounts, a reserve for bad debts of 6 percent of outstanding loans must be accumulated over 3 years and then maintained.
§ 4274.337 Other regulatory requirements.

(a) Intergovernmental consultation. The IRP is subject to the provisions of Executive Order 12372 which requires intergovernmental consultation with State and local officials. The approval of a loan to an intermediary will be the subject of intergovernmental consultation. For each ultimate recipient to be assisted with a loan from Agency IRP loan funds and for which the State in which the ultimate recipient is to be located has elected to review the program under their intergovernmental review process, the State Single Point of Contact must be notified. Notification, in the form of a project description, must be initiated by the intermediary or the ultimate recipient. Any comments from the State must be included with the intermediary’s request to use the Agency loan funds for the ultimate recipient. Prior to the Agency’s decision on the request, compliance with the requirements of intergovernmental consultation must be demonstrated for each ultimate recipient. These requirements are set forth in U.S. Department of Agriculture regulations 7 CFR part 3015, subpart V, and RD Instruction 1970–I, ‘Intergovernmental Review,’ available in any Agency office or on the Agency’s Web site.

(b) Environmental requirements. (1) Unless specifically modified by this section, the requirements of part 1940, subpart G, of this title apply to this subpart. Intermediaries and ultimate recipients must consider the potential environmental impacts of their projects at the earliest planning stages and develop plans to minimize the potential to adversely impact the environment. Both the intermediaries and the ultimate recipients must cooperate and furnish such information and assistance as the Agency needs to make any of its environmental determinations.

(2) For each application for an initial loan to an intermediary, the Agency will review the application, supporting...
materials, and any environmental information required from the intermediary and complete a Class II environmental assessment. This assessment will focus on the potential cumulative impacts of the projects as well as any environmental concerns or problems that are associated with individual projects that can be identified at this time. Neither the completion of the environmental assessment nor the approval of the application is an Agency commitment to the use of loan funds for a specific project; therefore, no public notification requirements for a Class II assessment will apply to the application. An application for a subsequent loan to an intermediary may be considered a categorical exclusion for environmental review, rather than a Class II action, provided the service area, eligibility requirements, and eligible purposes for loans to ultimate recipients will be the same for the subsequent loan as were considered in the previous environmental assessment, and the purpose of the loan is not environmentally controversial.

(3) For each proposed loan from an intermediary to an ultimate recipient using Agency IRP loan funds, the Agency will complete the environmental review required by part 1940, subpart G, of this title including public notification requirements. The results of this review will be used by the Agency in making its decision on concurrence in the proposed loan. The Agency will prepare an Environmental Impact Statement for any application for a loan from Agency IRP loan funds determined to have a significant effect on the quality of the human environment.

(c) Equal opportunity and non-discrimination requirements.

(1) In accordance with title V of Pub. L. 93–495, the Equal Credit Opportunity Act, and section 504 of the Rehabilitation Act for Federally Conducted Programs and Activities, the Age Discrimination Act of 1975, and the Americans With Disabilities Act, the Agency will assure that equal opportunity and non-discrimination requirements are met in accordance with the Equal Credit Opportunity Act, title VI of the Civil Rights Act of 1964, “Nondiscrimination in Federally Assisted Programs,” 42 U.S.C. 2000d–4, Section 504 of the Rehabilitation Act for Federally Conducted Programs and Activities, the Age Discrimination Act of 1975, and the Americans With Disabilities Act.

(2) The regulations contained in subpart E of part 1901 of this title apply to this program.

(3) The Administrator will assure that equal opportunity and non-discrimination requirements are met in accordance with the Equal Credit Opportunity Act, title VI of the Civil Rights Act of 1964, “Nondiscrimination in Federally Assisted Programs,” 42 U.S.C. 2000d–4, Section 504 of the Rehabilitation Act for Federally Conducted Programs and Activities, the Age Discrimination Act of 1975, and the Americans With Disabilities Act.

(d) Seismic safety of new building construction.

(1) The Intermediary Relending Program is subject to the provisions of Executive Order 12699 that requires each Federal agency assisting in the financing, through Federal grants or loans, or guaranteeing the financing, through loan or mortgage insurance programs, of newly constructed buildings to assure appropriate consideration of seismic safety.

(2) All new buildings financed with Agency IRP loan funds shall be designed and constructed in accordance with the seismic provisions of one of the following model building codes or the latest edition of that code providing an equivalent level of safety to that contained in the latest edition of the National Earthquake Hazard Reduction Programs (NEHRP) Recommended Provisions for the Development of Seismic Regulations for New Building (NEHRP Provisions):

(i) 1991 International Conference of Building Officials (ICBO) Uniform Building Code;

(ii) 1993 Building Officials and Code Administrators International, Inc. (BOCA) National Building Code; or

(3) The date, signature, and seal of a registered architect or engineer and the identification and date of the model building code on the plans and specifications shall be evidence of compliance with the seismic requirements of the appropriate code.

§ 4274.338 Loan agreements between the Agency and the intermediary.

A loan agreement or a supplement to a previous loan agreement must be executed by the intermediary and the Agency at loan closing for each loan. The loan agreement will be prepared by the Agency and reviewed by the intermediary prior to loan closing.

(a) The loan agreement will, as a minimum, set out:
   (1) The amount of the loan;
   (2) The interest rate;
   (3) The term and repayment schedule;
   (4) The provisions for late charges. The intermediary shall pay a late charge of 4 percent of the payment due if payment is not received within 15 calendar days following the due date. The late charge shall be considered unpaid if not received within 30 calendar days of the missed due date for which it was imposed. Any unpaid late charge shall be added to principal and be due as an extra payment at the end of the term. Acceptance of a late charge by the Agency does not constitute a waiver of default;
   (5) The disbursement procedure. Disbursement of loan funds by the Agency to the intermediary shall take place after the loan agreement and promissory note are executed, and any other conditions precedent to disbursement of funds are fully satisfied. For purposes of computing interest, the date of each draw down shall constitute the date the funds are advanced under the loan agreement;
   (i) The intermediary may initially draw up to 25 percent of the loan funds or, the intermediary must have at least one ultimate recipient loan application ready to close. Upon requesting a disbursement, the intermediary must provide documentation showing that its equity contribution has been deposited into the IRP revolving loan fund account. The initial draw must be deposited in an interest bearing account in accordance with § 4274.332(b)(5) until needed and must be used for loans to ultimate recipients before any additional Agency IRP loan funds may be drawn by the intermediary.
   (ii) After the initial draw of funds, an intermediary may draw down only such funds as are necessary to cover a 30-day period in implementing its approved work plan. Advances must be requested by the intermediary in writing;
   (6) The provisions regarding default. On the occurrence of any event of default, the Agency may declare all or any portion of the debt and interest to be immediately due and payable and may proceed to enforce its rights under the loan agreement or any other instruments securing or relating to the loan and in accordance with the applicable law and regulations. Any of the following may be regarded as an “event of default” in the sole discretion of the Agency:
   (i) Failure of the intermediary to carry out the specific activities in its loan application as approved by the Agency or comply with the loan terms and conditions of the loan agreement, any applicable Federal or State laws, or with such USDA or Agency regulations as may become applicable;
   (ii) Failure of the intermediary to pay within 15 calendar days of its due date any installment of principal or interest on its promissory note to the Agency;
   (iii) The occurrence of:
      (A) The intermediary becoming insolvent, or ceasing, being unable, or admitting in writing its inability to pay its debts as they mature, or making a general assignment for the benefit of, or entering into any composition or arrangement with creditors, or;
      (B) Proceedings for the appointment of a receiver, trustee, or liquidator of the intermediary, or of a substantial part of its assets, being authorized or instituted by or against it;
   (iv) Submission or making of any report, statement, warranty, or representation by the intermediary or agent on its behalf to USDA or the Agency in connection with the financial assistance awarded hereunder which is false, incomplete, or incorrect in any material respect; or
(v) Failure of the intermediary to remedy any material adverse change in its financial or other condition (such as the representational character of its board of directors or policymaking body) arising since the date of the Agency’s award of assistance hereunder, which condition was an inducement to Agency’s original award.

(7) The insurance requirements. (i) Hazard insurance with a standard mortgage clause naming the intermediary as beneficiary will be required by the intermediary on every ultimate recipient’s project funded from the IRP revolving fund in an amount that is at least the lesser of the depreciated replacement value of the property being insured or the amount of the loan. Hazard insurance includes fire, windstorm, lightning, hall, business interruption, explosion, riot, civil commotion, aircraft, vehicle, marine, smoke, builder’s risk, public liability, property damage, flood or mudslide, or any other hazard insurance that may be required to protect the security. The intermediary’s interest in the insurance will be assigned to the Agency, upon the Agency’s request, in the event of default by the intermediary.

(ii) Ordinarily, life insurance, which may be decreasing term insurance, is required for the principals and key employees of the ultimate recipient funded from the IRP revolving fund and will be assigned or pledged to the intermediary, and subsequently, in the event of request by the Agency following default by the intermediary, to the Agency. A schedule of life insurance available for the benefit of the loan will be included as part of the application.

(iii) Workmen’s compensation insurance on ultimate recipients is required in accordance with the State law.

(iv) Flood insurance. The intermediary is responsible for determining if an ultimate recipient funded from the IRP revolving fund is located in a special flood or mudslide hazard area. If the ultimate recipient is in a flood or mudslide hazard area, flood or mudslide insurance must be provided in accordance with subpart B of part 1806 of this chapter.

(v) Intermediaries will provide fidelity bond coverage for all persons who have access to intermediary funds. Coverage may be provided either for all individual positions or persons, or through “blanket” coverage providing protection for all appropriate employees and officials. The Agency may also require the intermediary to carry other appropriate insurance, such as public liability, workers compensation, and property damage.

(A) The amount of fidelity bond coverage required by the Agency will normally approximate the total annual debt service requirements for the Agency loans;

(B) Other types of coverage may be considered acceptable if it is determined by the Agency that they fulfill essentially the same purpose as a fidelity bond;

(C) Intermediaries must provide evidence of adequate fidelity bond and other appropriate insurance coverage by loan closing. Adequate coverage in accordance with this section must then be maintained for the life of the loan. It is the responsibility of the intermediary to assure and provide evidence that adequate coverage is maintained. This may consist of a listing of policies and coverage amounts in reports required by paragraph (b)(4) of this section or other documentation.

(b) The intermediary will agree in the loan agreement:

(1) Not to make any changes in the intermediary’s articles of incorporation, charter, or by-laws without the concurrence of the Agency;

(2) Not to make a loan commitment to an ultimate recipient to be funded from Agency IRP loan funds without first receiving the Agency’s written concurrence;

(3) To maintain a separate ledger and segregated account for the IRP revolving fund;

(4) To Agency reporting requirements by providing:

(i) An annual audit;

(A) Dates of audit report period need not necessarily coincide with other reports on the IRP. Audit reports shall be due 90 days following the audit period. Audits must cover all of the intermediary’s activities. Audits will be performed by an independent certified public accountant. An acceptable audit will be performed in accordance with Generally Accepted Government
Auditing Standards and include such tests of the accounting records as the auditor considers necessary in order to express an opinion on the financial condition of the intermediary. The Agency does not require an unqualified audit opinion as a result of the audit. Compilations or reviews do not satisfy the audit requirement;

(B) It is not intended that audits required by this subpart be separate and apart from audits performed in accordance with State and local laws or for other purposes. To the extent feasible, the audit work should be done in connection with these audits. Intermediaries covered by 2 CFR part 200, subpart F, as codified in 2 CFR 400.1, should submit audits made in accordance with that regulation;

(ii) Quarterly or semiannual reports (due 30 days after the end of the period);

(A) Reports will be required quarterly during the first year after loan closing and, if all loan funds are not utilized during the first year, quarterly reports will be continued until at least 90 percent of the Agency IRP loan funds have been advanced to ultimate recipients. Thereafter, reports will be required semiannually. Also, the Agency may require quarterly reports if the intermediary becomes delinquent in repayment of its loan or otherwise fails to fully comply with the provisions of its work plan or Loan Agreement, or the Agency determines that the intermediary’s IRP revolving fund is not adequately protected by the current sound worth and paying capacity of the ultimate recipients.

(B) These reports shall contain information only on the IRP revolving loan fund, or if other funds are included, the IRP loan program portion shall be segregated from the others; and in the case where the intermediary has more than one IRP revolving fund from the Agency a separate report shall be made for each of the IRP revolving funds.

(C) The reports will be submitted through the Agency approved electronic system and includes information on the intermediary’s lending activity, income and expenses, financial condition and a summary of applicable information of the ultimate recipients the intermediary has financed.

(D) An annual report on the extent to which increased employment, income and ownership opportunities are provided to low-income persons, farm families, and displaced farm families for each loan made by such intermediary.

(iii) Annual proposed budget for the following year; and

(iv) Other reports as the Agency may require from time to time.

(5) Before the first relending of Agency funds to an ultimate recipient, to obtain written Agency approval of;

(i) All forms to be used for relending purposes, including application forms, loan agreements, promissory notes, and security instruments;

(ii) Intermediary’s policy with regard to the amount and form of security to be required;

(6) To obtain written approval of the Agency before making any significant changes in forms, security policy, or the work plan. The servicing officer may approve changes in forms, security policy, or work plans at any time upon a written request from the intermediary and determination by the Agency that the change will not jeopardize repayment of the loan or violate any requirement of this subpart or other Agency regulations. The intermediary must comply with the work plan approved by the Agency so long as any portion of the intermediary’s IRP loan is outstanding;

(7) To secure the indebtedness by pledging the IRP revolving fund, including its portfolio of investments derived from the proceeds of the loan award, and pledging its real and personal property and other rights and interests as the Agency may require;

(8) In the event the intermediary’s financial condition deteriorates or the intermediary takes action detrimental to prudent fund operation or fails to take action required of a prudent lender, to provide additional security, execute any additional documents, and undertake any reasonable acts the Agency may request, to protect the agency’s interest or to perfect a security interest in any assets, including physical delivery of assets and specific assignments; and

(9) If any part of the loan has not been used in accordance with the intermediary’s work plan by a date 3
years from the date of the loan agreement, the Agency may cancel the approval of any funds not yet delivered to the intermediary and the intermediary will return, as an extra payment on the loan, any funds delivered to the intermediary that have not been used by the intermediary in accordance with the work plan. The Agency, at its sole discretion, may allow the intermediary additional time to use the loan funds. Regular loan payments will be based on the amount of funds actually drawn by the intermediary.

(10) For IRP intermediaries, IRP funds in excess of $250,000 that have not been used to make loans to ultimate recipients for 6 months or more will be returned to Rural Development unless Rural Development provides an exception to the intermediary. Any exception would be based on evidence satisfactory to Rural Development that every effort is being made by the intermediary to utilize the IRP funding in conformance with program objectives.

§§ 4274.339–4274.342 [Reserved]

§ 4274.343 Application.

(a) The application will consist of:

(1) An application form provided by the Agency.

(2) A written work plan and other evidence the Agency requires to demonstrate the feasibility of the intermediary’s program to meet the objectives of this program. The plan must, at a minimum:

(i) Document the intermediary’s ability to administer IRP in accordance with the provisions of this subpart. In order to adequately demonstrate the ability to administer the program, the intermediary must provide a complete listing of all personnel responsible for administering this program along with a statement of their qualifications and experience. The personnel may be either members or employees of the intermediary’s organization or contract personnel hired for this purpose. If the personnel are to be contracted for, the contract between the intermediary and the entity providing such service will be submitted for Agency review, and the terms of the contract and its duration must be sufficient to adequately service the Agency loan through to its ultimate conclusion. If the Agency determines the personnel lack the necessary expertise to administer the program, the loan request will not be approved;

(ii) Document the intermediary’s ability to commit financial resources under the control of the intermediary to the establishment of IRP. This should include a statement of the sources of non-Agency funds for administration of the intermediary’s operations and financial assistance for projects;

(iii) Demonstrate a need for loan funds. As a minimum, the intermediary should identify a sufficient number of proposed and known ultimate recipients it has on hand to justify Agency funding of its loan request, or include well developed targeting criteria for ultimate recipients consistent with the intermediary’s mission and strategy for IRP, along with supporting statistical or narrative evidence that such prospective recipients exist in sufficient numbers to justify Agency funding of the loan request;

(iv) Include a list of proposed fees and other charges it will assess the ultimate recipients;

(v) Demonstrate to Agency satisfaction that the intermediary has secured commitments of significant financial support from public agencies and private organizations;

(vi) Provide evidence to Agency satisfaction that the intermediary has a proven record of obtaining private or philanthropic funds for the operation of similar programs to IRP;

(vii) Include the intermediary’s plan (specific loan purposes) for relending the loan funds. The plan must be of sufficient detail to provide the Agency with a complete understanding of what the intermediary will accomplish by lending the funds to the ultimate recipient and the complete mechanics of how the funds will get from the intermediary to the ultimate recipient. The service area, eligibility criteria, loan purposes, fees, rates, terms, collateral requirements, limits, priorities, application process, method of disposition of

692
the funds to the ultimate recipient, monitoring of the ultimate recipient’s accomplishments, and reporting requirements by the ultimate recipient’s management are some of the items that must be addressed by the intermediary’s relending plan;

(viii) Provide a set of goals, strategies, and anticipated outcomes for the intermediary’s program. Outcomes should be expressed in quantitative or observable terms such as jobs created for low income area residents or self-empowerment opportunities funded, and should relate to the purpose of IRP (see § 4274.301(b)); and

(ix) Provide specific information as to whether and how the intermediary will ensure that technical assistance is made available to ultimate recipients and potential ultimate recipients. Describe the qualifications of the technical assistance providers, the nature of technical assistance that will be available, and expected and committed sources of funding for technical assistance. If other than the intermediary itself, describe the organizations providing such assistance and the arrangements between such organizations and the intermediary.

(3) Environmental information on a form provided by the Agency for all projects positively identified as proposed ultimate recipient loans that are Class I or Class II actions under subpart G of part 1940 of this title;

(4) Comments from the State Single Point of Contact, if the State has elected to review the program under Executive Order 12372;

(5) A pro forma balance sheet at startup and projected balance sheets for at least 3 additional years; financial statements for the last 3 years, or from inception of the operations of the intermediary if less than 3 years; and projected cash flow and earnings statements for at least 3 years supported by a list of assumptions showing the basis for the projections. The projected earnings statement and balance sheet must include one set of projections that shows the IRP revolving fund only and a separate set of projections that shows the proposed intermediary organization’s total operations. Also, if principal repayment on the IRP loan will not be scheduled during the first 3 years, the projections for the IRP revolving fund must extend to include a year with a full annual installment on the IRP loan;

(6) A written agreement of the intermediary to the Agency audit requirements;

(7) An agreement on a form provided by the Agency assuring compliance with Title VI of the Civil Rights Act of 1964;

(8) Complete organizational documents, including evidence of authority to conduct the proposed activities;

(9) Evidence that the loan is not available at reasonable rates and terms from private sources or other Federal, State, or local programs;

(10) Latest audit report, if available;

(11) A form provided by the Agency in which the applicant certifies its understanding of the Federal collection policies for consumer or commercial debts;

(12) A Department of Agriculture form containing a certification regarding debarment, suspension, and other responsibility matters for primary covered transactions; and

(13) A statement on a form provided by the Agency (Appendix B to Part 418—Disclosure Form to Report Lobbying) regarding lobbying, as required by 2 CFR part 418.

(b) Applications from intermediaries that already have an active IRP loan may be streamlined as follows:

(1) The requirements of paragraphs (a)(6), (a)(8), and (a)(10) of this section may be omitted;

(2) A statement that the new loan would be operated in accordance with the work plan on file for the previous loan may be submitted in lieu of a new work plan; and

(3) The financial information required by paragraph (a)(5) of this section may be limited to projections for the proposed new IRP revolving loan fund.

§ 4274.344 Filing and processing applications for loans.

(a) Intermediaries’ contact. Intermediaries desiring assistance under this subpart may file applications with the state office for the state in which
the intermediary’s headquarters is located. Intermediaries headquartered in the District of Columbia may file the application with the National Office, Rural Business-Cooperative Service, USDA, Specialty Lenders Division, STOP 1521, 1400 Independence Avenue SW, Washington, DC 20250–1521.

(b) Filing applications. Intermediaries must file the complete application, in one package. Applications received by the Agency will be reviewed and ranked quarterly and funded in the order of priority ranking. The Agency will retain unsuccessful applications for consideration in subsequent reviews, through a total of four quarterly reviews.

(c) Loan priorities. A point system will be used to determine an eligible applicant’s priority for available loan funds. Points will be allowed only for factors indicated by well documented, reasonable plans which, in the opinion of the Agency, provide assurance that the items have a high probability of being accomplished. The points awarded will be as specified in paragraphs (c)(1) through (c)(6) of this section. If an application does not fit one of the categories listed, it receives no points for that paragraph or subparagraph.

(1) Other funds. Points allowed under this paragraph are to be based on documented successful history or written evidence that the funds are available.

(i) The intermediary will obtain non-Federal loan or grant funds to pay part of the cost of the ultimate recipients’ projects. The amount of funds from other sources will average:

(A) At least 10% but less than 25% of the total project cost—5 points;
(B) At least 25% but less than 50% of the total project cost—10 points; or
(C) 50% or more of the total project cost—15 points.

(ii) The intermediary will provide loans to ultimate recipients from its project contribution funds to pay part of the costs of ultimate recipient projects. Project contribution funds must be separate and distinct from any loan or grant dollars provided to the intermediary under the IRP, as well as the intermediary’s equity contribution. When evaluating an application for initial or supplemental funding, the Agency will consider the level of the applicant’s project contribution and award points as follows:

(A) At least 10% but less than 25% of the total project costs—5 points;
(B) At least 25% but less than 50% of total project costs—10 points; or
(C) 50% or more of total project costs—15 points.

(2) Employment. For computations under this paragraph, income data should be 5-year income data from the American Community Survey (ACS) or, if needed, other Census Bureau data, updated according to changes in the consumer price index. If there is reason to believe that the ACS or other Census Bureau data does not accurately represent the median household income of the service area, the reasons will be documented and the borrower may furnish, or RD may obtain, additional information regarding such median household income data. Information must consist of reliable data from local, regional, State or Federal sources or from a survey conducted by a reliable impartial source. The poverty line used will be as defined in section 673 (2) of the Community Services Block Grant Act (42 U.S.C. 9902(2)). Unemployment data used will be that published by the Bureau of Labor Statistics, U.S. Department of Labor.

(i) The median household income in the service area of the proposed intermediary equals the following percentage of the poverty line for a family of four:

(A) At least 150% but not more than 175%—5 points;
(B) At least 125% but less than 150%—10 points; or
(C) Below 125%—15 points.

(ii) The following percentage of the loans the intermediary makes from Agency IRP loan funds will be in counties with median household income below 80 percent of the statewide non-metropolitan median household income. (To receive priority points under this category, the intermediary must provide a list of counties in the service area that have qualifying income):

(A) At least 50% but less than 75%—5 points;
(B) At least 75% but less than 100%—10 points; or
(C) 100%—15 points.
(iii) The unemployment rate in the intermediary’s service area equals the following percentage of the national unemployment rate:
   (A) At least 100% but less than 125%—5 points;
   (B) At least 125% but less than 150%—10 points; or
   (C) 150% or more—15 points.
(iv) The intermediary will require, as a condition of eligibility for a loan to an ultimate recipient from Agency IRP loan funds, that the ultimate recipient certify in writing that it will employ the following percentage of its workforce from members of families with income below the poverty line:
   (A) At least 10% but less than 20% of the workforce—5 points;
   (B) At least 20% but less than 30% of the workforce—10 points; or
   (C) 30% of the workforce or more—15 points.
(v) The intermediary has a demonstrated record of providing assistance to members of underrepresented groups, has a realistic plan for targeting loans to members of underrepresented groups, and, based on the intermediary’s record and plans, it is expected that the following percentages of its loans made from Agency IRP loan funds will be made to entities owned by members of underrepresented groups:
   (A) At least 10% but less than 20%—5 points;
   (B) At least 20% but less than 30%—10 points; or
   (C) 30% or more—15 points.
(vi) The population of the service area according to the most recent decennial Census was lower than that recorded by the previous decennial Census (or as equivalently determined using another data source if the other data source was used in determining whether the area was rural) by the following percentage:
   (A) At least 10 percent but less than 20 percent—5 points;
   (B) At least 20 percent but less than 30 percent—10 points; or
   (C) 30 percent or more—15 points.
(3) Intermediary contribution. All assets of the IRP revolving fund will serve as security for the IRP loan. The amount of non-Agency derived funds contributed to the IRP revolving fund will equal the following percentage of the Agency IRP loan:
   (i) At least 5% but less than 15%—15 points;
   (ii) At least 15% but less than 25%—30 points; or
   (iii) 25% or more—50 points.
(4) Experience. The intermediary has actual experience in making and servicing commercial loans, with a successful record, for the following number of full years:
   (i) At least 1 but less than 3 years—5 points;
   (ii) At least 3 but less than 5 years—10 points;
   (iii) At least 5 but less than 10 years—20 points; or
   (iv) 10 or more years—30 points.
(5) Community representation. The service area is not more than 14 counties and the intermediary utilizes local opinions and experience by including community representatives on its board of directors or equivalent oversight board. For purposes of this section, community representatives are people, such as civic leaders, business representatives, or bankers, who reside in the service area and are not employees of the intermediary. Points will be assigned as follows:
   (i) At least 10% but less than 40% of the board members are community representatives—5 points;
   (ii) At least 40% but less than 75% of the board members are community representatives—10 points; or
   (iii) At least 75% of the board members are community representatives—15 points.
(6) Administrative. The Administrator may assign up to 35 additional points to an application to account for the following items not adequately covered by the other priority criteria set out in this section. The items that may be considered are the amount of funds requested in relation to the amount of need; a particularly successful business development record; a service area with no other IRP coverage; a service area with severe economic problems, such as communities that have remained persistently poor over the last
60 years or have experienced long-term population decline or job deterioration; a service area with emergency conditions caused by a natural disaster or loss of a major industry; a work plan that is in accord with a strategic plan, particularly a plan prepared as part of a request for an Empowerment Zone/Enterprise Community designation; or excellent utilization of a previous IRP loan.

§§ 4274.345–4274.349 [Reserved]

§ 4274.350 Letter of conditions.

If the Agency is able to make the loan, it will provide the intermediary a letter of conditions listing all requirements for the loan. Immediately after reviewing the conditions and requirements in the letter of conditions, the intermediary should complete, sign and return the form provided by the Agency indicating the intermediary's intent to meet the conditions. If certain conditions cannot be met, the intermediary may propose alternate conditions to the Agency. The Agency loan approval official must concur with any changes made to the initially issued or proposed letter of conditions prior to acceptance.

§§ 4274.351–4274.354 [Reserved]

§ 4274.355 Loan approval and obligating funds.

The loan will be considered approved on the date the signed copy of the obligation of funds document is mailed to the intermediary. The approving official may request an obligation of funds when available and according to the following:

(a) The obligation of funds document may be executed by the loan approving official providing the intermediary has the legal authority to contract for a loan and to enter into required agreements, and has signed the obligation of funds document.

(b) An obligation of funds established for an intermediary may be transferred to a different (substituted) intermediary provided:

1. The substituted intermediary is eligible to receive the assistance approved for the original intermediary;
2. The substituted intermediary bears a close and genuine relationship to the original intermediary; and
3. The need for and scope of the project and the purposes for which Agency IRP loan funds will be used remain substantially unchanged.

§ 4274.356 Loan closing.

(a) At loan closing, the intermediary must certify to the following:

1. No major changes have been made in the work plan except those approved in the interim by the Agency.
2. All requirements of the letter of conditions have been met.
3. There has been no material change in the intermediary nor its financial condition since the issuance of the letter of conditions. If there have been changes, they must be explained. The changes may be waived, at the sole discretion of the Agency.
4. That no claim or liens of laborers, materialmen, contractors, subcontractors, suppliers of machinery and equipment, or other parties are pending against the security of the intermediary, and that no suits are pending or threatened that would adversely affect the security of the intermediary when the security instruments are filed.

(b) The processing officer will approve only minor changes which do not materially affect the project, its capacity, employment, original projections, or credit factors. Changes in legal entities or where tax consideration are the reason for change will not be approved.

§§ 4274.357–4274.360 [Reserved]

§ 4274.361 Requests to make loans to ultimate recipients.

(a) An intermediary may use revolved funds to make loans to ultimate recipients in accordance with §4274.314(b) without obtaining prior Agency concurrence. Prior Agency concurrence is required when an intermediary proposes to use Agency IRP loan funds to make a loan to an ultimate recipient.

(b) A request for Agency concurrence in approval of a proposed loan to an ultimate recipient must include:

(1) Certification by the intermediary that:
   (i) The proposed ultimate recipient is eligible for the loan;
   (ii) The proposed loan is for eligible purposes;
   (iii) The proposed loan complies with all applicable statutes and regulations;
   (iv) The ultimate recipient is unable to finance the proposed project through commercial credit or other Federal, State, or local programs at reasonable rates and terms; and
   (v) The intermediary and its principal officers (including immediate family) hold no legal or financial interest or influence in the ultimate recipient, and the ultimate recipient and its principal officers (including immediate family) hold no legal or financial interest or influence in the intermediary except the interest and influence of a cooperative member when the intermediary is a cooperative;

(2) For projects that meet the criteria for a Class I or Class II environmental assessment or environmental impact statement as provided in subpart G of part 1940 of this title, a completed and executed request for environmental information on a form provided by the Agency;

(3) All comments obtained in accordance with §4274.337(a), regarding intergovernmental consultation;

(4) Copies of sufficient material from the ultimate recipient’s application and the intermediary’s related files, to allow the Agency to determine the:
   (i) Name and address of the ultimate recipient;
   (ii) Loan purposes;
   (iii) Interest rate and term;
   (iv) Location, nature, and scope of the project being financed;
   (v) Other funding included in the project; and
   (vi) Nature and lien priority of the collateral.

(5) Such other information as the Agency may request on specific cases.

§§ 4274.362–4274.372 [Reserved]

§ 4274.373 Appeals.

Any appealable adverse decision made by the Agency which affects the intermediary may be appealed in accordance with USDA appeal regulations found at 7 CFR part 11.

§§ 4274.374–4274.380 [Reserved]

§ 4274.381 Exception authority.

The Administrator may, in individual cases, grant an exception to any requirement or provision of this subpart which is not inconsistent with any applicable law, provided the Administrator determines that application of the requirement or provision would adversely affect USDA’s interest.

§§ 4274.382–4274.399 [Reserved]

§ 4274.400 OMB control number.

The reporting and recordkeeping requirements contained in this regulation have been approved by the Office of Management and Budget under the provisions of 44 U.S.C. chapter 35 and have been assigned OMB control number 0570-0021 in accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3507).

Subpart A—General

§ 4279.1 Purpose.

(a) This subpart contains general regulations for making and servicing Business and Industry (B&I) loans guaranteed by the Agency and applies to lenders, holders, borrowers and other parties involved in making, guaranteeing, holding, servicing, or liquidating such loans.

(b) It is the responsibility of the lender to ascertain that all requirements for making, securing, servicing, and collecting the loan are complied with.

(c) Copies of all forms, regulations, and Instructions referenced in this subpart are available in any Agency office. Whenever a form is designated in this subpart, that designation includes predecessor and successor forms, if applicable, as specified by the field or National Office.

§ 4279.2 Definitions and abbreviations.

(a) Definitions.

Adjusted tangible net worth. Tangible balance sheet equity plus allowed tangible asset appreciation and subordinated owner debt.

Agency. The Rural Business-Cooperative Service or successor Agency assigned by the Secretary of Agriculture to administer the E&I program. References to the National Office, Finance Office, State Office or other Agency offices or officials should be read as prefaced by “Agency” or “Rural Development” as applicable.

Allowed tangible asset appreciation. The difference between the current net book value recorded on the financial statements (original cost less cumulative depreciation) of real property assets and the lesser of their current market value or original cost, where current market value is determined using an appraisal satisfactory to the Agency.

Arm’s-length transaction. The sale, release, or disposition of assets in which the title to the property passes to a ready, willing, and able disinterested third party that is not affiliated with or related to and has no security, monetary or stockholder interest in the borrower or transferor at the time of the transaction.

Assignment Guarantee Agreement (Business and Industry). Form RD 4279–6, the signed agreement among the Agency, the lender, and the holder containing the terms and conditions of an assignment of a guaranteed portion of a loan, using the single note system.

Biogas. Biomass converted to gaseous fuel.

Biomass. Any organic material that is available on a renewable or recurring basis including agricultural crops, trees grown for energy production, wood waste and wood residues, plants, including aquatic plants and grasses, fibers, animal waste and other waste materials, fats, oils, greases, including recycled fats, oils and greases. It does not include paper that is commonly recycled or unsegregated solid waste.

Borrower. All parties liable for the loan except for guarantors.

Commercially available. Energy projects utilizing technology that has a proven operating history, and for which there is an established industry for the design, installation, and service (including spare parts) of the equipment.

Conditional Commitment (Business and Industry). Form RD 4279–3, the Agency’s notice to the lender that the loan guarantee it has requested is approved subject to the completion of all conditions and requirements set forth by the Agency.

Deficiency balance. The balance remaining on a loan after all collateral has been liquidated.

Deficiency judgment. A monetary judgment rendered by a court of competent jurisdiction after foreclosure.
and liquidation of all collateral securing the loan.

Energy projects. Commercially available projects that produce or distribute energy or power and/or produce biomass or biogas fuel. Commercially available energy projects that utilize technology that has a proven operating history, and for which there is an established industry for the design, installation, and service (including spare parts) of the equipment.

Existing lender debt. A debt not guaranteed by the Agency, but owed by a borrower to the same lender that is applying for or has received the Agency guarantee.

Fair market value. The price that could reasonably be expected for an asset in an arm’s-length transaction between a willing buyer and a willing seller under ordinary economic and business conditions.

Farmer’s Home Administration (FmHA). The former agency of USDA that previously administered the programs of this Agency. Many Instructions and forms of FmHA are still applicable to Agency programs.

Finance Office. The office which maintains the Agency financial accounting records located in St. Louis, Missouri.

High-impact business. A business that offers specialized products and services that permit high prices for the products produced, may have a strong presence in international market sales, may provide a market for existing local business products and services, and which is locally owned and managed.

Holder. A person or entity, other than the lender, who owns all or part of the guaranteed portion of the loan with no servicing responsibilities. When the single note option is used and the lender assigns a part of the guaranteed note to an assignee, the assignee becomes a holder only when the Agency receives notice and the transaction is completed through the use of Form RD 4279-6 or predecessor form.

Interest. A fee paid by a borrower to the lender as a form of compensation for the use of money. When money is borrowed, interest is paid as a fee over a certain period of time (typically months or years) to the lender as a percentage of the principal amount owed. “Interest” does not include default or penalty, or late fees or charges. The lender may charge these fees and interest with prior Agency approval, but they are not covered by the Loan Note Guarantee.

Interim financing. A temporary or short-term loan made with the clear intent that it will be repaid through another loan. Interim financing is frequently used to pay construction and other costs associated with a planned project, with permanent financing to be obtained after project completion.

Lender. The organization making, servicing, and collecting the loan which is guaranteed under the provision of the appropriate subpart.

Lender’s Agreement (Business and Industry). Form RD 4279-4 or predecessor form between the Agency and the lender setting forth the lender’s loan responsibilities when the Loan Note Guarantee is issued.

Loan Agreement. The agreement between the borrower and lender containing the terms and conditions of the loan and the responsibilities of the borrower and lender.

Loan Note Guarantee (Business and Industry). Form RD 4279-5 or predecessor form, issued and executed by the Agency containing the terms and conditions of the guarantee.

Loan-to-value. The ratio of the dollar amount of a loan to the dollar value of the collateral pledged as security for the loan.

Natural resource value-added product. Any naturally occurring product that is processed to add value to the product. For example, straw is processed into particle board.

Negligent servicing. The failure to perform those services which a reasonably prudent lender would perform in servicing (including liquidation of) its own portfolio of loans that are not guaranteed. The term includes not only the concept of a failure to act, but also not acting in a timely manner, or acting in a manner contrary to the manner in which a reasonably prudent lender would act.

Parity. A lien position whereby two or more lenders share a security interest of equal priority in collateral. In
the event of default, each lender will be
affected on a pro rata basis.

**Participation.** Sale of an interest in a
loan by the lender wherein the lender
retains the note, collateral securing the
note, and all responsibility for loan
servicing and liquidation.

**Poor.** A community or area is consid-
ered poor if either the county, city, or
census tract where the community or
area is located has a median household
income at or below the poverty line for
a family of four; has a median house-
hold income below the nonmetropoli-
tan median household income for the
State; or has a population of which 25
percent or more have income at or
below the poverty line. The determina-
tion of “poor” will be based on 5-year
data from the American Community
Survey (ACS) or, if needed, other Cen-
sus Bureau data. If there is reason to
believe that the ACS or other Census
Bureau data does not accurately rep-
resent the median household income of
the community or area, the reasons
will be documented and the borrower
may furnish, or RD may obtain, addi-
tional information regarding such me-
dian household income data. Informa-
tion must consist of reliable data from
local, regional, State or Federal
sources or from a survey conducted by
a reliable impartial source.

**Promissory Note.** Evidence of debt.
“Note” or “Promissory Note” shall
also be construed to include “Bond” or
other evidence of debt where appro-
priate.

**Qualified Intellectual Property.** Tradem-
arks, patents or copyrights included
on current (within one year) audited
balance sheets for which an audit opin-
ion has been received that states the fi-
nancial reports fairly represent the
values therein and the reported value
has been arrived at in accordance with
GAAP standards for valuing intellec-
tual property. The supporting work pa-
pers must be satisfactory to the Ad-
ministrator.

**Refinancing loan.** A loan, all of the
proceeds of which are applied to extin-
guish the entire balance of an out-
standing debt.

**Rural Development.** The Under Sec-
cretary for Rural Development has pol-
icy and operational oversight respon-
sibilities for RHS, RBS and RUS.

**Spreadsheet.** A table containing data
from a series of financial statements of
a business over a period of time. Finan-
cial statement analysis normally con-
tains spreadsheets for balance sheet
items and income statements and may
include funds flow statement data and
commonly used ratios. The spread-
sheets enable a reviewer to easily scan
the data, spot trends, and make com-
parisons.

**State.** Any of the 50 States, the Com-
monwealth of Puerto Rico, the Virgin
Islands of the United States, Guam,
American Samoa, the Commonwealth
of the Northern Mariana Islands, the
Republic of Palau, the Federated
States of Micronesia, and the Republic
of the Marshall Islands.

**Subordinated owner debt.** Debt owed
by the borrower to one or more of the
owner(s) that is subordinated to debt
owed by the borrower to the Agency or
guaranteed by the Agency (aggregate
B&I loan exposure) pursuant to a sub-
ordination agreement satisfactory to
the Agency. The debt must have been
issued in exchange for cash loaned to
the borrower for the benefit of the bor-
rower’s business. The terms of the sub-
ordination agreement must provide
that repayment will not commence
until the earlier of the date all aggre-
gate B&I loan exposure has been repaid
or when a period of three consecutive
years has passed during which the bor-
rower has met all loan covenants and
evidenced operating profit sufficient to
commence partial repayment of this
subordinated debt after giving effect to
the annual debt service requirements
of the aggregate B&I loan exposure.
The partial repayment schedule in the
case of the latter scenario is subject to
annual Agency concurrence and may
not be more accelerated than the rate
of the debt repayment schedule in ef-
fect for the Agency’s aggregate B&I
loan exposure.

**Subordination.** An agreement between
the lender and borrower whereby lien
priorities on certain assets pledged to
secure payment of the guaranteed loan
will be reduced to a position junior to,
or on parity with, the lien position of
another loan in order for the Agency
borrower to obtain additional financ-
ing, not guaranteed by the Agency,
from the lender or a third party.
§§ 4279.3–4279.14

Tangible balance sheet equity. Total equity less the value of intangible assets recorded on the financial statements, as determined from balance sheets prepared in accordance with generally accepted accounting principles (GAAP), plus qualified intellectual property.

Veteran. For the purposes of assigning priority points, a veteran is a person who is a veteran of any war, as defined in section 101(12) of title 38, United States Code.

§§ 4279.17–4279.28 [Reserved]

§ 4279.29 Eligible lenders.

(a) Traditional lenders. An eligible lender is any Federal or State chartered bank, Farm Credit Bank, other Farm Credit System institution with direct lending authority, Bank for Cooperatives, Savings and Loan Association, or mortgage company that is part of a bank-holding company. These entities must be subject to credit examination and supervision by either an agency of the United States or a State. Eligible lenders may also include credit unions provided, they are subject to credit examination and supervision by either the National Credit Union Administration or a State agency, and insurance companies provided they are regulated by a State or National insurance regulatory agency. Eligible lenders include the National Rural Utilities Cooperative Finance Corporation.

(b) Other lenders. Service borrowers and other lenders not meeting the criteria of paragraph (a) of this section may be considered by the Agency for eligibility to become a guaranteed lender provided, the Agency determines that they have the legal authority to operate a lending program and sufficient lending expertise and financial strength to operate a successful lending program.

(1) Such a lender must:

(i) Have a record of successfully making at least three commercial loans annually for at least the most recent 3 years, with delinquent loans not exceeding 10 percent of loans outstanding and historic losses not exceeding 10 percent of dollars loaned, or when the proposed lender can demonstrate that it has personnel with equivalent previous experience and where the commercial loan portfolio was of a similar quantity and quality; and...
(ii) Have tangible balance sheet equity of at least seven percent of tangible assets and sufficient funds available to disburse the guaranteed loans it proposes to approve within the first 6 months of being approved as a guaranteed lender.

(2) A lender not eligible under paragraph (a) of this section that wishes consideration to become a guaranteed lender must submit a request in writing to the State Office for the State where the lender’s lending and servicing activity takes place. The National Office will notify the prospective lender, through the State Director, whether the lender’s request for eligibility is approved or rejected. If rejected, the reasons for the rejection will be indicated to the prospective lender in writing. The lender’s written request must include:

(i) Evidence showing that the lender has the necessary capital and resources to successfully meet its responsibilities.

(ii) Copy of any license, charter, or other evidence of authority to engage in the proposed loanmaking and servicing activities. If licensing by the State is not required, an attorney’s opinion to this effect must be submitted.

(iii) Information on lending experience, including length of time in the lending business; range and volume of lending and servicing activity; status of loan portfolio including delinquency rate, loss rate as a percentage of loan amounts, and other measures of success; experience of management and loan officers; audited financial statements not more than 1 year old; sources of funds for the proposed loans; office location and proposed lending area; and proposed rates and fees, including loan origination, loan preparation, and servicing fees. Such fees must not be greater than those charged by similarly located commercial lenders in the ordinary course of business.

(iv) An estimate of the number and size of guaranteed loan applications the lender will develop.

(c) Expertise. Loan guarantees will only be approved for lenders with adequate experience and expertise to make, secure, service, and collect B&I loans.

§ 4279.30 Lenders’ functions and responsibilities.

(a) General. (1) Lenders have the primary responsibility for the successful delivery of the B&I loan program. All lenders obtaining or requesting a B&I loan guarantee are responsible for:

(i) Processing applications for guaranteed loans,

(ii) Developing and maintaining adequately documented loan files,

(iii) Recommending only loan proposals that are eligible and financially feasible,

(iv) Obtaining valid evidence of debt and collateral in accordance with sound lending practices,

(v) Supervising construction

(vi) Distribution of loan funds,

(vii) Servicing guaranteed loans in a prudent manner, including liquidation if necessary.

(viii) Following Agency regulations, and

(ix) Obtaining Agency approvals or concurrence as required.

(2) This subpart, along with subpart B of this part and subpart B of part 4287 of this chapter, contain the regulations for this program, including the lenders’ responsibilities.

(b) Credit evaluation. This is a key function of all lenders during the loan processing phase. The lender must analyze all credit factors associated with each proposed loan and apply its professional judgment to determine that the credit factors, considered in combination, ensure loan repayment. The lender must have an adequate underwriting process to ensure that loans are reviewed by other than the originating officer. There must be good credit documentation procedures.

(c) Environmental responsibilities. Lenders have a responsibility to become familiar with Federal environmental requirements; to consider, in consultation with the prospective borrower, the potential environmental impacts of their proposals at the earliest planning stages; and to develop proposals that minimize the potential to adversely impact the environment. Lenders must alert the Agency to any controversial environmental issues related to a proposed project or items that may require extensive environmental review. Lenders must help the
borrower prepare Form FmHA 1940–20, "Request for Environmental Information" (when required by subpart G of part 1940 of this title); assist in the collection of additional data when the Agency needs such data to complete its environmental review of the proposal; and assist in the resolution of environmental problems.

(d) Loan closing. The lender will conduct loan closings.

§§ 4279.31–4279.42 [Reserved]

§ 4279.43 Certified Lender Program.

(a) General. This section provides policies and procedures for the Certified Lender Program (CLP) for loans guaranteed under this part. The objectives are to expedite loan approval, making, and servicing.

(b) CLP eligibility criteria. The lender must meet established eligibility criteria as follows:

(1) Be an "eligible lender" as defined in §4279.29 of this subpart and authorized to do business in the State in which CLP status is desired.

(2) Demonstrate to the Agency’s satisfaction that it has a thorough knowledge of commercial lending. The lender will demonstrate such knowledge by providing a summary of its guaranteed and unguaranteed business lending activity. At a minimum, the summary must include the dollar amount and number of loans in the lender’s portfolio, unguaranteed and guaranteed by any Federal agency, with information on delinquencies and losses and, if applicable, the performance of the lender as a Small Business Administration (SBA) certified or preferred lender. A certified lender must be recognized throughout the State as a commercial lender and have a track record of successfully making at least five commercial loans per year for at least the most recent 5 years, with delinquent commercial loans outstanding not exceeding 6 percent of commercial loans outstanding and historic losses not exceeding 6 percent of dollars loaned, or it must demonstrate that it has personnel with equivalent previous experience where the commercial loan portfolio was of a similar quantity and quality. The lender will provide a written certification to this effect along with a statistical analysis of its commercial loan portfolio for the last 3 of its fiscal years.

(3) The percentage of guarantee will not exceed 80 percent.

(4) If the lender is a bank or savings and loan, it must have a financial strength rating in the upper half of possible ratings as reported by a lender rating service selected by the Agency.

(5) Possess loan officers and other appropriate personnel who have received training conducted by the Agency. Additional training may be required if the lender’s contact person changes or if the Agency determines further instruction is needed.

(6) Have committed no action within the most recent 2 years prior to requesting CLP status which would be considered cause for revoking CLP status under paragraph (e) of this section.

(c) CLP approval. The Agency may grant CLP status for a period not to exceed 5 years by executing Form 4279–8, "Certified Lender, Business and Industry Program," with the lender. CLP status will not apply to branches or suboffices of the lender unless so specified in the agreement. Such branches or suboffices may submit loans as regular lenders or apply for their own CLP status. Any lender who desires CLP status must prepare a written request to the State Director where it desires CLP status. The request must address each of the required criteria outlined in paragraph (b) of this section, except paragraph (b)(3), and should be accompanied by any other information the lender believes will be helpful. The request will also include Form 4279–8 completed and executed by the lender and an executed Lender’s Agreement if it does not already have a valid Lender’s Agreement on file with the Agency. Loans made by the lender and guaranteed by the Agency prior to the lender receiving CLP status shall continue to be governed by the forms and agreements executed between the lender and the Agency for those loans.

(d) Renewal of CLP status. Renewal of CLP status is not automatic. CLP status will lapse upon the expiration date of Form 4279–8 unless the lender obtains a renewal. A lender whose CLP
status has lapsed may continue to submit loan guarantee requests as a regular lender. A new Form 4279-8 completed and executed by the lender must be provided, along with a written update of the eligibility criteria required by this section for CLP approval. This information must be supplied at least 60 days prior to the expiration of the existing agreement to be assured of uninterrupted status. The information must address how the lender is complying with each of the required criteria described in paragraph (b) of this section. It must include any proposed changes in the designated persons for processing guaranteed loans or operating methods used in processing and servicing Agency guaranteed loans.

(e) Revocation of CLP status. The lender's CLP status may be revoked at any time for cause. The debarment of a lender is an additional alternative the Agency may consider. A lender which has lost its CLP status, but has not been debarred and still meets the requirements of §4279.29 of this subpart may continue to submit loan guarantee requests as a regular lender. Cause for revoking CLP status includes:

(1) Failure to maintain status as an eligible lender as set forth in §4279.29 of this subpart;
(2) Knowingly submitting false information when requesting a guarantee or basing a guarantee request on information known to be false or which the lender should have known to be false;
(3) Making a guaranteed loan with deficiencies which may cause losses not to be covered by the Loan Note Guarantee;
(4) Conviction for acts in connection with any loan transaction whether or not the loan was guaranteed by the Agency;
(5) Violation of usury laws in connection with any loan guaranteed by the Agency;
(6) Failure to obtain the required security for any loan guaranteed by the Agency;
(7) Using loan funds guaranteed by the Agency for purposes other than those specifically approved by the Agency in the Conditional Commitment;
(8) Violation of any term of the Lender's Agreement;
(9) Failure to correct any cited deficiency in loan documents in a timely manner;
(10) Failure to submit reports required by the Agency in a timely manner;
(11) Failure to process Agency guaranteed loans in a reasonably prudent manner;
(12) Failure to provide for adequate construction planning and monitoring in connection with any loan to ensure that the project will be completed within the available funds and, once completed, will be suitable for the borrower's needs;
(13) Repetitive recommendations for guaranteed loans with marginal or substandard credit quality or that do not comply with Agency requirements;
(14) Repetitive recommendations for servicing actions that do not comply with Agency requirements;
(15) Negligent servicing; or
(16) Failure to conduct any approved liquidation of a loan guaranteed by the Agency or its predecessors in a timely and effective manner and in accordance with the approved liquidation plan.

(f) General loan processing and servicing guidelines. All requests for guaranteed loans will be processed and serviced under subparts A and B of this part and subpart B of part 4287 of this chapter except as modified by this section. When determining whether or not to request a guarantee for a proposed loan, lenders must consider the priorities set forth in §279.155 of subpart B of this part.

(1) Prior to processing an application, the CLP lender may give written notice to the State Director of its intention to submit an application. Upon receipt of such written notice, the Agency will notify the CLP lender whether or not there is sufficient guarantee authority for the loan. Such guarantee authority will be held for 30 days pending receipt of the application. If a complete application for which guarantee authority is being held is not received within 30 days of the notice of intent to file or is rejected, the guarantee authority for this application will no longer be held in reserve. Notwithstanding the preceding, no guarantee authority will be held in reserve for the last 60 days of the Agency's fiscal year.
§ 4279.44 Access to records.

The lender will permit representatives of the Agency (or other agencies of the United States) to inspect and make copies of any records of the lender pertaining to the Agency guaranteed loans during regular office hours of the

7 CFR Ch. XLI (1–1–16 Edition)

\[ \text{706} \]
§ 4279.58 Equal Credit Opportunity Act.

In accordance with title V of Public Law 93–495, the Equal Credit Opportunity Act, with respect to any aspect of a credit transaction, neither the lender nor the Agency will discriminate against any applicant on the basis of race, color, religion, national origin, sex, marital status or age (providing the applicant has the capacity to contract), or because all or part of the applicant’s income derives from a public assistance program, or because the applicant has, in good faith, exercised any right under the Consumer Protection Act. The lender will comply with the requirements of the Equal Credit Opportunity Act as contained in the Federal Reserve Board’s Regulation implementing that Act (see 12 CFR part 202). Such compliance will be accomplished prior to loan closing.

§ 4279.59 [Reserved]

§ 4279.60 Civil Rights Impact Analysis.

The Agency is responsible for ensuring that all requirements of FmHA Instruction 2006–P, “Civil Rights Impact Analysis” are met and will complete the appropriate level of review in accordance with that instruction.

§§ 4279.61–4279.70 [Reserved]

§ 4279.71 Public bodies and nonprofit corporations.

Any public body or nonprofit corporation that receives a guaranteed loan that meets the thresholds established by 2 CFR part 200, subpart F, as codified by 2 CFR 400.1, must provide an audit for the fiscal year (of the borrower) in which the Loan Note Guarantee is issued. If the loan is for development or purchases made in a previous fiscal year through interim financing, an audit will also be provided for the fiscal year in which the development or purchases occurred. Any audit provided by a public body or nonprofit corporation in compliance with this paragraph will be considered adequate to meet the audit requirements of the B&I program for that year.

[79 FR 76014, Dec. 19, 2014]

§ 4279.72 Conditions of guarantee.

A loan guarantee under this part will be evidenced by a Loan Note Guarantee issued by the Agency. Each lender will execute a Lender’s Agreement. If a valid Lender’s Agreement already exists, it is not necessary to execute a new Lender’s Agreement with each loan guarantee. The provisions of this part and part 4287 of this chapter will apply to all outstanding guarantees. In the event of a conflict between the guarantee documents and these regulations as they exist at the time the documents are executed, the regulations will control.

(a) Full faith and credit. A guarantee under this part constitutes an obligation supported by the full faith and credit of the United States and is incontestable except for fraud or misrepresentation of which a lender or holder has actual knowledge at the time it becomes such lender or holder or which a lender or holder participates in or condones. The guarantee will be unenforceable to the extent that any loss is occasioned by a provision for interest on interest. In addition, the guarantee will be unenforceable by the lender to the extent any loss is occasioned by the violation of usury laws, negligent servicing, or failure to obtain the required security regardless of the time at which the Agency acquires knowledge thereof. Any losses occasioned will be unenforceable to the extent that loan funds are used for purposes other than those specifically approved by the Agency in its Conditional Commitment. The Agency will guarantee payment as follows:

(1) To any holder, 100 percent of any loss sustained by the holder on the guaranteed portion of the loan and on interest due on such portion.

(2) To the lender, the lesser of:

(i) Any loss sustained by the lender on the guaranteed portion, including principal and interest evidenced by the notes or assumption agreements and secured advances for protection and preservation of collateral made with the Agency’s authorization; or
(ii) The guaranteed principal advanced to or assumed by the borrower and any interest due thereon.

(b) Rights and liabilities. When a guaranteed portion of a loan is sold to a holder, the holder shall succeed to all rights of the lender under the Loan Note Guarantee to the extent of the portion purchased. The lender will remain bound to all obligations under the Loan Note Guarantee, Lender’s Agreement, and the Agency program regulations. A guarantee and right to require purchase will be directly enforceable by a holder notwithstanding any fraud or misrepresentation by the lender or any unenforceability of the guarantee by the lender, except for fraud or misrepresentation of which the holder had actual knowledge at the time it became the holder or in which the holder participates or condones. The lender will reimburse the Agency for any payments the Agency makes to a holder of lender’s guaranteed loan that, under the Loan Note Guarantee, would not have been paid to the lender had the lender retained the entire interest in the guaranteed loan and not conveyed an interest to a holder.

(c) Payments. A lender will receive all payments of principal and interest on account of the entire loan and will promptly remit to the holder its pro rata share thereof, determined according to its respective interest in the loan, less only the lender’s servicing fee.

§§ 4279.73–4279.74 [Reserved]

§ 4279.75 Sale or assignment of guaranteed loan.

The lender may sell all or part of the guaranteed portion of the loan on the secondary market or retain the entire loan. The lender shall not sell or participate any amount of the guaranteed or unguaranteed portion of the loan to the borrower or members of the borrower’s immediate families, officers, directors, stockholders, other owners, or a parent, subsidiary or affiliate. If the lender desires to market all or part of the guaranteed portion of the loan at or subsequent to loan closing, such loan must not be in default. Loans made with the proceeds of any obligation the interest on which is excludable from income under 26 U.S.C. 103 (interest on State and local banks) or any successor section will not be guaranteed.

(a) Single note system. The entire loan is evidenced by one note, and one Loan Note Guarantee is issued. The lender may assign all or part of the guaranteed portion of the loan to one or more holders by using the Agency’s Assignment Guarantee Agreement. The holder, upon written notice to the lender and the Agency, may reassign the unpaid guaranteed portion of the loan sold under the Assignment Guarantee Agreement. Upon notification and completion of the assignment through the use of Form 4279–6, the assignee shall succeed to all rights and obligations of the holder thereunder. If this option is selected, the lender may not at a later date cause any additional notes to be issued.

(b) Multinote system. Under this option the lender may provide one note for the unguaranteed portion of the loan and no more than 10 notes for the guaranteed portion. When this option is selected by the lender, the holder will receive one of the borrower’s executed notes and a Loan Note Guarantee. The Agency will issue a Loan Note Guarantee for each note, including the unguaranteed note, to be attached to the note. An Assignment Guarantee Agreement will not be used when the multinote option is utilized.

(c) After loan closing. If a loan is closed using the multinote option and at a later date additional notes are desired, the lender may cause a series of new notes, so that the total number of notes issued does not exceed the total number provided for in paragraph (b) of this section, to be issued as replacement for previously issued guaranteed notes, provided:

(1) Written approval of the Agency is obtained;

(2) The borrower agrees and executes the new notes;

(3) The interest rate does not exceed the interest rate in effect when the loan was closed;

(4) The maturity date of the loan is not changed;

§ 4279.78 Repurchase from holder.

(a) Repurchase by lender. A lender has the option to repurchase the unpaid guaranteed portion of the loan from a holder within 30 days of written demand by the holder when the borrower is in default not less than 60 days on principal or interest due on the loan; or the lender has failed to remit to the holder its pro rata share of any payment made by the borrower within 30 days of the lender’s receipt thereof. The repurchase by the lender will be for an amount equal to the unpaid guaranteed portion of principal and accrued interest less the lender’s servicing fee. The holder must concurrently send a copy of the demand letter to the Agency. The guarantee will not cover the note interest to the holder on the guaranteed loan accruing after 90 days from the date of the demand letter to the lender requesting the repurchase. The lender will accept an assignment without recourse from the holder upon repurchase. The lender is encouraged to repurchase the loan to facilitate the accounting of funds, resolve the problem, and prevent default, where and when reasonable. The lender will notify the holder and the Agency of its decision.

(b) Agency purchase. (1) If the lender does not repurchase the unpaid guaranteed portion of the loan as provided in paragraph (a) of this section, the Agency will purchase from the holder the unpaid principal balance of the guaranteed portion together with accrued interest to date of repurchase, less the lender’s servicing fee, within 30 days after written demand to the Agency from the holder. (This is in addition to the copy of the written demand on the lender.) The guarantee will not cover the note interest to the holder on the guaranteed loan accruing after 90 days from the date of the original demand letter of the holder requesting the repurchase.

(2) The holder’s demand to the Agency must include a copy of the written demand made upon the lender. The holder must also include evidence of its right to require payment from the Agency. Such evidence will consist of either the original of the Loan Note Guarantee properly endorsed to the Agency or the original of the Assignment Guarantee Agreement properly assigned to the Agency without recourse including all rights, title, and interest in the loan. The holder must include in its demand the amount due including unpaid principal, unpaid interest to date of demand, and interest subsequently accruing from date of demand to proposed payment date. The Agency will be subrogated to all rights of the holder.

(3) The Agency will notify the lender of its receipt of the holder’s demand for payment. The lender must promptly provide the Agency with the information necessary for the Agency to determine the appropriate amount due the
holder. Upon request by the Agency, the lender will furnish a current statement certified by an appropriate authorized officer of the lender of the unpaid principal and interest then owed by the borrower on the loan and the amount then owed to any holder. Any discrepancy between the amount claimed by the holder and the information submitted by the lender must be resolved between the lender and the holder before payment will be approved. Such conflict will suspend the running of the 30 day payment requirement.

(4) Purchase by the Agency neither changes, alters, nor modifies any of the lender's obligations to the Agency arising from the loan or guarantee nor does it waive any of Agency's rights against the lender. The Agency will have the right to set-off against the lender all rights inuring to the Agency as the holder of the instrument against the Agency's obligation to the lender under the guarantee.

(c) Repurchase for servicing. If, in the opinion of the lender, repurchase of the guaranteed portion of the loan is necessary to adequately service the loan, the holder must sell the guaranteed portion of the loan to the lender for an amount equal to the unpaid principal and interest on such portion less the lender's servicing fee. The guarantee will not cover the note interest to the holder on the guaranteed loan accruing after 90 days from the date of the demand letter of the lender or the Agency to the holder requesting the holder to tender its guaranteed portion. The lender must not repurchase from the holder for arbitrage or other purposes to further its own financial gain. Any repurchase must only be made after the lender obtains the Agency's written approval. If the lender does not repurchase the portion from the holder, the Agency may, at its option, purchase such guaranteed portion for servicing purposes.

§§ 4279.79–4279.83 [Reserved]
§ 4279.84 Replacement of document.

(a) The Agency may issue a replacement Loan Note Guarantee or Assignment Guarantee Agreement which was lost, stolen, destroyed, mutilated, or defaced to the lender or holder upon receipt of an acceptable certificate of loss and an indemnity bond.

(b) When a Loan Note Guarantee or Assignment Guarantee Agreement is lost, stolen, destroyed, mutilated, or defaced while in the custody of the lender or holder, the lender will coordinate the activities of the party who seeks the replacement documents and will submit the required documents to the Agency for processing. The requirements for replacement are as follows:

(1) A certificate of loss, notarized and containing a jurat, which includes:
   (i) Name and address of owner;
   (ii) Name and address of the lender of record;
   (iii) Capacity of person certifying;
   (iv) Full identification of the Loan Note Guarantee or Assignment Guarantee Agreement including the name of the borrower, the Agency's case number, date of the Loan Note Guarantee or Assignment Guarantee Agreement, face amount of the evidence of debt purchased, date of evidence of debt, present balance of the loan, percentage of guarantee, and, if an Assignment Guarantee Agreement, the original named holder and the percentage of the guaranteed portion of the loan assigned to that holder. Any existing parts of the document to be replaced must be attached to the certificate;
   (v) A full statement of circumstances of the loss, theft, or destruction of the Loan Note Guarantee or Assignment Guarantee Agreement; and
   (vi) For the holder, evidence demonstrating current ownership of the Loan Note Guarantee and Note or the Assignment Guarantee Agreement. If the present holder is not the same as the original holder, a copy of the endorsement of each successive holder in the chain of transfer from the initial holder to present holder must be included if in existence. If copies of the endorsement cannot be obtained, best available records of transfer must be submitted to the Agency (e.g., order confirmation, canceled checks, etc.).

(2) An indemnity bond acceptable to the Agency shall accompany the request for replacement except when the holder is the United States, a Federal Reserve Bank, a Federal corporation, a State or territory, or the District of
§ 4279.107 Guarantee fees.

For all new loans there are two types of non-refundable guarantee fees to be paid by the lender. The fees may be forwarded to the Agency through an electronic funds transfer.
system or, at the Agency’s discretion, by a check payable to USDA using a USDA-approved form.

(a) **Initial guarantee fee.** The initial fee is paid at the time the Loan Note Guarantee is issued. The fee may be included as an eligible loan purpose in the guaranteed loan. The fee will be the rate (a specified percentage not to exceed 2 percent) multiplied by the principal loan amount, multiplied by the percent of guarantee. Subject to specified annual limits set by the Agency, the initial guarantee fee may be reduced to 1 percent if the borrower’s business supports value-added agriculture and results in farmers benefiting financially, or

1. Is a high impact business development investment in accordance with §4279.155(b)(5), and
2. Is located in a rural community that:
   1. Is experiencing long-term population decline and job deterioration, or
   2. Has remained persistently poor over the last 60 years, or
   3. Is experiencing trauma as a result of natural disaster, or
   4. Is experiencing fundamental structural changes in its economic base.

(b) **Annual renewal fee.** The annual renewal fee is paid once a year and is required to maintain the enforceability of the guarantee as to the lender.

1. The rate of the annual renewal fee (a specified percentage) is established by Rural Development in an annual notice published in the Federal Register, multiplied by the outstanding principal loan balance as of December 31 of each year, multiplied by the percent of guarantee. The rate is the rate in effect at the time the loan is obligated, and will remain in effect for the life of the loan.
2. Annual renewal fees are due on January 31. Payments not received by April 1 are considered delinquent and, at the Agency’s discretion, may result in cancellation of the guarantee to the lender. Holders’ rights will continue in effect as specified in the Loan Note Guarantee and Assignment Guarantee Agreement. Any delinquent annual renewal fees will bear interest at the note rate and will be deducted from any loss payment due the lender. For loans where the Loan Note Guarantee is issued between October 1 and December 31, the first annual renewal fee payment will be due January 31 of the second year following the date the Loan Note Guarantee was issued.

§ 4279.108 Eligible borrowers.

(a) **Type of entity.** A borrower may be a cooperative organization, corporation, partnership, or other legal entity organized and operated on a profit or nonprofit basis; an Indian tribe on a Federal or State reservation or other Federally recognized tribal group; a public body; or an individual. A cooperative organization is a cooperative or an entity, not chartered as a cooperative, that operates as a cooperative in that it is owned and operated for the benefit of its members, including the manner in which it distributes its dividends and assets. A borrower must be engaged in or proposing to engage in a business. Business may include manufacturing, wholesaling, retailing, providing services, or other activities that will:

1. Provide employment;
2. Improve the economic or environmental climate;
3. Promote the conservation, development, and use of water for aquaculture; or
4. Reduce reliance on nonrenewable energy resources by encouraging the development and construction of solar energy systems and other renewable energy systems (including wind energy systems, geothermal energy systems, and anaerobic digesters for the purpose of energy generation).

(b) **Citizenship.** Individual borrowers must be citizens of the United States (U.S.) or reside in the U.S. after being legally admitted for permanent residence. Citizens and residents of the Republic of Palau, the Federated States of Micronesia, and the Republic of the Marshall Islands shall be considered U.S. citizens. Corporations or other nonpublic body organization-type borrowers must be at least 51 percent owned by persons who are either citizens of the U.S. or reside in the U.S. after being legally admitted for permanent residence.
c) Rural area. The business financed with a B&I Guaranteed Loan must be located in a rural area, except for cooperative organizations financed in accordance with paragraph (d)(3) of this section. Loans to borrowers with facilities located in both rural and non-rural areas will be limited to the amount necessary to finance the facility in the eligible rural area, except for cooperative organizations financed in accordance with paragraph (d)(3) of this section. Rural areas are any areas other than:

(1) A city or town that has a population of greater than 50,000 inhabitants; and

(2) The urbanized area contiguous and adjacent to such a city or town, as defined by the U.S. Bureau of the Census using the latest decennial census of the United States.

d) Loans to cooperative organizations. (1) B&I loans to eligible cooperative organizations may be made in principal amounts up to $40 million if the project is located in a rural area, the cooperative facility being financed provides for the value-added processing of agricultural commodities, and the total amount of loans exceeding $25 million does not exceed 10 percent of the funds available for the fiscal year.

(2) Cooperative organizations that are headquartered in a non-rural area may be eligible for a B&I loan if the loan is used for a project or venture that is located in a rural area.

(3) B&I loans to eligible cooperative organizations may also be made in non-rural areas provided:

(i) The primary purpose of the loan is for a facility to provide value-added processing for agricultural producers that are located within 80 miles of the facility;

(ii) The applicant satisfactorily demonstrates that the primary benefit of the loan will be to provide employment for rural residents;

(iii) The principal amount of the loan does not exceed $25 million; and

(iv) The total amount of loans guaranteed under this section does not exceed 10 percent of the funds available for the fiscal year.

(4) An eligible cooperative organization may refinance an existing B&I loan provided that the existing loan is current and performing, the existing loan is not and has not been in payment default (more than 30 days late) or the collateral of which has not been converted, and there is adequate security or full collateral for the new B&I loan.

(e) Other credit. All applications for assistance will be accepted and processed without regard to the availability of credit from any other source.

§§ 4279.109–4279.112 [Reserved]

§ 4279.113 Eligible loan purposes.

Loan purposes must be consistent with the general purpose contained in §4279.101 of this subpart. They include but are not limited to the following:

(a) Business and industrial acquisitions when the loan will keep the business from closing, prevent the loss of employment opportunities, or provide expanded job opportunities.

(b) Business conversion, enlargement, repair, modernization, or development.

(c) Purchase and development of land, easements, rights-of-way, buildings, or facilities.

(d) Purchase of equipment, leasehold improvements, machinery, supplies, or inventory.

(e) Pollution control and abatement.

(f) Transportation services incidental to industrial development.

(g) Startup costs and working capital.

(h) Agricultural production, when not eligible for Farm Service Agency (FSA) farmer program assistance and when it is part of an integrated business also involved in the processing of agricultural products.

(1) Examples of potentially eligible production include but are not limited to: An apple orchard in conjunction with a food processing plant; poultry buildings linked to a meat processing operation; or sugar beet production coupled with storage and processing. Any agricultural production considered for B&I financing must be owned, operated, and maintained by the business receiving the loan for which a guarantee is provided. Independent agricultural production operations, even if not
eligible for FSA farmer programs assistance, are not eligible for the B&I program.

(2) The agricultural-production portion of any loan will not exceed 50 percent of the total loan or $1 million, whichever is less.

(i) Purchase of membership, stocks, bonds, or debentures necessary to obtain a loan from Farm Credit System institutions and other lenders provided that the purchase is required for all of their borrowers.

(j) Purchase of cooperative stock by individual farmers or ranchers in a farmer or rancher cooperative established for the purpose of processing an agricultural commodity.

(1) The cooperative may contract for services to process agricultural commodities or otherwise process value-added agricultural products during the 5-year period beginning on the operation startup date of the cooperative in order to provide adequate time for the planning and construction of the processing facility of the cooperative.

(2) Notwithstanding §§ 4279.131(d) and 4279.137, the individual farmer or rancher may provide financial information in the manner that is generally required by commercial agricultural lenders in order to obtain a loan.

(k) Aquaculture, including conservation, development, and utilization of water for aquaculture.

(l) Commercial fishing.

(m) Commercial nurseries engaged in the production of ornamental plants and trees and other nursery products such as bulbs, flowers, shrubbery, flower and vegetable seeds, sod, and the growing of plants from seed to the transplant stage.

(n) Forestry, which includes businesses primarily engaged in the operation of timber tracts, tree farms, and forest nurseries and related activities such as reforestation.

(o) The growing of mushrooms or hydroponics.

(p) Interest (including interest on interim financing) during the period before the first principal payment becomes due or when the facility becomes income producing, whichever is earlier.

(q) Feasibility studies.

(r) To refinance outstanding debt when it is determined that the project is viable and refinancing is necessary to improve cash flow and create new or save existing jobs. Except as provided for in §4279.108(d)(4) of this subpart, existing lender debt may be included provided that, at the time of application, the loan has been current for at least the past 12 months (unless such status is achieved by the lender forgiving the borrower’s debt) and the lender is providing better rates or terms. Subordinated owner debt is not eligible under this paragraph. The amount to be refinanced is owed directly to the Federal government or is federally guaranteed, the existing lender debt refinancing must be a secondary part (less than 50 percent) of the overall loan.

(s) Takeout of interim financing. Guarantees a loan after project completion to pay off a lender’s interim loan will not be treated as debt refinancing provided that the lender submits a complete preapplication or application which proposes such interim financing prior to completing the interim loan. A lender that is considering an interim loan should be advised that the Agency assumes no responsibility or obligation for interim loans advanced prior to the Conditional Commitment being issued.

(t) Fees and charges for professional services and routine lender fees.

(u) Agency guarantee fee.

(v) Tourist and recreation facilities, including hotels, motels, and bed and breakfast establishments, except as prohibited under ineligible purposes.

(w) Educational or training facilities.

(x) Community facility projects which are not listed as an ineligible loan purpose such as convention centers.

(y) Constructing or equipping facilities for lease to private businesses engaged in commercial or industrial operations.

(2) The financing of housing development sites provided that the community demonstrates a need for additional housing to prevent a loss of jobs in the area or to house families moving to the area as a result of new employment opportunities.
(aa) Community antenna television services or facilities.

(bb) Provide loan guarantees to assist industries adjusting to terminated Federal agricultural programs or increased foreign competition.

(cc) To finance energy projects. Commercially available energy projects that produce biomass fuel or biogas as an output must have completed two operating cycles at design performance levels submitted to the Agency. Projects that produce steam or electricity as an output must have met or exceeded acceptance test performance criteria submitted to the Agency and be successfully interconnected with the purchaser of the output. Performance or acceptance test requirements for all other energy projects will be determined by the Agency on a case by case basis. Financing for energy projects will only be allowed when the facility has been constructed according to plans and specifications and is producing at the quality and quantity projected in the application.

§ 4279.114 Ineligible purposes.

(a) Distribution or loan payment to an individual owner, partner, stockholder, or beneficiary of the borrower or a close relative of such an individual when such individual will retain any portion of the ownership of the borrower.

(b) Projects in excess of $1 million that would likely result in the transfer of jobs from one area to another and increase direct employment by more than 50 employees.

(c) Projects in excess of $1 million that would increase direct employment by more than 50 employees, if the project would result in an increase in the production of goods for which there is not sufficient demand, or if the availability of services or facilities is insufficient to meet the needs of the business.

(d) Charitable institutions, churches, or church-controlled or fraternal organizations.

(e) Lending and investment institutions and insurance companies.

(f) Assistance to Government employees and military personnel who are directors or officers or have a major ownership of 20 percent or more in the business.

(g) Racetracks for the conduct of races by professional drivers, jockeys, etc., where individual prizes are awarded in the amount of $500 or more.

(h) Any business that derives more than 10 percent of annual gross revenue from gambling activity.

(i) Any illegal business activity.

(j) Prostitution.

(k) Any line of credit.

(l) The guarantee of lease payments.

(m) The guarantee of loans made by other Federal agencies.

(n) Owner-occupied housing. Bed and breakfasts, storage facilities, etc., are allowed when the pro rata value of the owner’s living quarters is deleted.

(o) Projects that are eligible for the Rural Rental Housing and Rural Cooperative Housing loans under sections 515, 521, and 538 of the Housing Act of 1949, as amended.

(p) Loans made with the proceeds of any obligation the interest on which is excludable from income under 26 U.S.C. 103 or a successor statute. Funds generated through the issuance of tax-exempt obligations may neither be used to purchase the guaranteed portion of any Agency guaranteed loan nor may an Agency guaranteed loan serve as collateral for a tax-exempt issue. The Agency may guarantee a loan for a project which involves tax-exempt financing only when the guaranteed loan funds are used to finance a part of the project that is separate and distinct from the part which is financed by the tax-exempt obligation, and the guaranteed loan has at least a parity security position with the tax-exempt obligation.

(q) The guarantee of loans where there may be, directly or indirectly, a conflict of interest or an appearance of a conflict of interest involving any action by the Agency.

(r) Golf courses.

§ 4279.115 Prohibition under Agency programs.

No B&I loans guaranteed by the Agency will be conditioned on any requirement that the recipients of such

(a) Loan amount. The total amount of Agency loans to one borrower, including: The guaranteed and unguaranteed portions; the outstanding principal and interest balance of any existing Agency guaranteed loans; and new loan requests, must not exceed $10 million, except as outlined in paragraphs (a)(1) and (2) of this section.

(1) The Administrator may, at the Administrator’s discretion, grant an exception to the $10 million limit for loans of $25 million or less under the following circumstances:

(i) The project to be financed is a high-priority project. Priority will be determined in accordance with the criteria contained in §4279.155 of this subpart;

(ii) The lender must document to the satisfaction of the Agency that the loan will not be made and the project will not be completed if the guarantee is not approved;

(iii) The percentage of guarantee will not exceed 60 percent. No exception to this requirement will be approved under paragraph (b) of this section for loans exceeding $10 million; and

(iv) Any request for a guaranteed loan exceeding the $10 million limit must be submitted to the Agency in the form of a preapplication. The preapplication must be submitted to the National Office for review and concurrence before encouraging a full application.

(2) The Secretary, whose authority may not be redelegated, may approve guaranteed loans in excess of $25 million, at the Secretary’s discretion, for rural cooperative organizations that process value-added agricultural commodities in accordance with §4279.108(d)(1) of this subpart.

(b) Percent of guarantee. The percentage of guarantee, up to the maximum allowed by this section, is a matter of negotiation between the lender and the Agency. The maximum percentage of guarantee is 80 percent for loans of $5 million or less, 70 percent for loans between $5 and $10 million, and 60 percent for loans exceeding $10 million. Notwithstanding the preceding, the Administrator may, at the Administrator’s discretion, grant an exception allowing guarantees of up to 90 percent on loans of $10 million or less under the following circumstances:

(1) The project to be financed is a high-priority project. Priority will be determined in accordance with the criteria contained in §4279.155 of this subpart;

(2) The lender must document to the satisfaction of the Agency that the loan will not be made and the project will not be completed if the higher guarantee percentage is not approved; and

(3) The State Director may grant an exception for loans of up to 90 percent on loans of $2 million or less subject to the State Director’s delegated loan authority and meeting all of the conditions as set forth in this section. In cases where the State Director does not have the loan approval authority to approve a loan of $2 million or less or the proposed percentage, the case must be submitted to the National Office for review.

(4) Each fiscal year, the Agency will establish a limit on the maximum portion of guarantee authority available for that fiscal year that may be used to guarantee loans with a guarantee percentage exceeding 80 percent. The limit will be announced by publishing a notice in the Federal Register. Once the limit has been reached, the guarantee percentage for all additional loans guaranteed during the remainder of that fiscal year will not exceed 80 percent.

§ 4279.120  Fees and charges.

(a) Routine lender fees. The lender may establish charges and fees for the loan provided they are similar to those normally charged other applicants for the same type of loan in the ordinary course of business.

(b) Professional services. Professional services are those rendered by entities generally licensed, or certified by States or accreditation associations,
such as architects, engineers, packagers, accountants, attorneys, or appraisers. The borrower may pay fees for professional services needed for planning and developing a project provided that the amounts are reasonable and customary in the area. Professional fees may be included as an eligible use of loan proceeds.

§§ 4279.121–4279.124 [Reserved]

§ 4279.125 Interest rates.

The interest rate for the guaranteed loan will be negotiated between the lender and the applicant and may be either fixed or variable as long as it is a legal rate. Interest rates will not be more than those rates customarily charged borrowers in similar circumstances in the ordinary course of business and are subject to Agency review and approval. Lenders are encouraged to utilize the secondary market and pass interest-rate savings on to the borrower.

(a) A variable interest rate agreed to by the lender and borrower must be a rate that is tied to a base rate agreed to by the lender and the Agency. The variable interest rate may be adjusted at different intervals during the term of the loan, but the adjustments may not be more often than quarterly and must be specified in the Loan Agreement. The lender must incorporate, within the variable rate Promissory Note at loan closing, the provision for adjustment of payment installments coincident with an interest-rate adjustment. The lender will ensure that the outstanding principal balance is properly amortized within the prescribed loan maturity to eliminate the possibility of a balloon payment at the end of the loan.

(b) Any change in the interest rate between the date of issuance of the Conditional Commitment and before the issuance of the Loan Note Guarantee must be approved in writing by the Agency approval official. Approval of such a change will be shown as an amendment to the Conditional Commitment.

(c) It is permissible to have one interest rate on the guaranteed portion of the loan and another rate on the unguaranteed portion of the loan provided that the rate on the guaranteed portion does not exceed the rate on the unguaranteed portion.

(d) A combination of fixed and variable rates will be allowed.

§ 4279.126 Loan terms.

(a) The maximum repayment for loans on real estate will not exceed 30 years; machinery and equipment repayment will not exceed the useful life of the machinery and equipment purchased with loan funds or 15 years, whichever is less; and working capital repayment will not exceed 7 years. The term for a loan that is being refinanced may be based on the collateral the lender will take to secure the loan.

(b) The first installment of principal and interest will, if possible, be scheduled for payment after the project is operational and has begun to generate income. However, the first full installment must be due and payable within 3 years from the date of the Promissory Note and be paid at least annually thereafter. Interest-only payments will be paid at least annually from the date of the note.

(c) Only loans which require a periodic payment schedule which will retire the debt over the term of the loan without a balloon payment will be guaranteed.

(d) A loan’s maturity will take into consideration the use of proceeds, the useful life of assets being financed, and the borrower’s ability to repay the loan. The lender may apply the maximum guidelines specified above only when the loan cannot be repaid over a shorter term.

(e) All loans guaranteed through the B&I program must be sound, with reasonably assured repayment.

§§ 4279.127–4279.130 [Reserved]

§ 4279.131 Credit quality.

The lender is primarily responsible for determining credit quality and must address all of the elements of credit quality in a written credit analysis including adequacy of equity, cash flow, collateral, history, management, and the current status of the industry for which credit is to be extended.

(a) Cash flow. All efforts will be made to structure or restructure debt so that
the business has adequate debt coverage and the ability to accommodate expansion.

(b) Collateral. (1) Collateral must have documented value sufficient to protect the interest of the lender and the Agency and, except as set forth in paragraph (b)(2) of this section, the discounted collateral value will be at least equal to the loan amount. Lenders will discount collateral consistent with sound loan-to-value policy.

(2) Some businesses are predominantly cash-flow oriented, and where cash flow and profitability are strong, loan-to-value coverage may be discounted accordingly. A loan primarily based on cash flow must be supported by a successful and documented financial history.

(c) Industry. Current status of the industry will be considered and businesses in areas of decline will be required to provide strong business plans which outline how they differ from the current trends. The regulatory environment surrounding the particular business or industry will be considered.

(d) Equity. (1) A minimum of 10 percent tangible balance sheet equity will be required for existing businesses at loan closing. A minimum of 20 percent tangible balance sheet equity will be required for new businesses at loan closing. For energy projects, the minimum tangible balance sheet equity requirement range will be between 25 percent and 40 percent. Criteria for considering the minimum equity required for an individual application will be based on: existing businesses with successful financial and management history vs. start-up businesses; personal/corporate guarantees offered; contractual relationships with suppliers and buyers; credit rating; and strength of the business plan/feasibility study. The application is a request to refinance outstanding Federal direct or guaranteed loans, without any new financing, the equity requirement may be determined using adjusted tangible net worth. An application that combines a refinancing guarantee request with a new loan guarantee request is subject to the standard, unadjusted, equity requirement except as provided in paragraphs (d)(1)(i) or (d)(1)(ii) of this section. Increases or decreases in the equity requirements may be imposed or granted as follows:

(i) A reduction in the equity requirement for existing businesses may be permitted by the Administrator. In order for a reduction to be considered, the borrower must furnish the following:

(A) Collateralized personal and corporate guarantees, including any parent, subsidiary, or affiliated company, when feasible and legally permissible (in accordance with §4279.149 of this subpart), and

(B) Pro forma and historical financial statements that indicate the business to be financed meets or exceeds the median quartile (as identified in the Risk Management Association’s Annual Statement Studies or similar publication) for the current ratio, quick ratio, debt-to-worth ratio, debt coverage ratio, and working capital.

(ii) The approval official may require more than the minimum equity requirements provided in this paragraph if the official makes a written determination that special circumstances necessitate this course of action.

(2) The equity requirement must be met in the form of either cash or tangible earning assets contributed to the business and reflected on the balance sheet.

(3) The lender must certify that the equity requirement was determined using balance sheets prepared in accordance with GAAP and met upon giving effect to the entirety of the loan in the calculation, whether or not the loan itself is fully advanced, as of the date the guaranteed loan is closed.

(e) Lien priorities. The entire loan will be secured by the same security with equal lien priority for the guaranteed and unguaranteed portions of the loan. The unguaranteed portion of the loan will neither be paid first nor given any preference or priority over the guaranteed portion. A parity or junior position may be considered provided that discounted collateral values are adequate to secure the loan in accordance with paragraph (b) of this section after considering prior liens.

(f) Management. A thorough review of key management personnel will be completed to ensure that the business
has adequately trained and experienced managers.

§§ 4279.132–4279.136 [Reserved]

§ 4279.137 Financial statements.
(a) The lender will determine the type and frequency of submission of financial statements by the borrower. At a minimum, annual financial statements prepared by an accountant in accordance with Generally Accepted Accounting Principles will be required.
(b) If specific circumstances warrant and the proposed guaranteed loan will exceed $3 million, the Agency may require annual audited financial statements. For example, the need for audited financial statements will be carefully considered in connection with loans that depend heavily on inventory and accounts receivable for collateral.

§§ 4279.138–4279.142 [Reserved]

§ 4279.143 Insurance.
(a) Hazard. Hazard insurance with a standard mortgage clause naming the lender as beneficiary will be required on every loan in an amount that is at least the lesser of the depreciated replacement value of the collateral or the amount of the loan. Hazard insurance includes fire, windstorm, lightning, hail, explosion, riot, civil commotion, aircraft, vehicle, marine, smoke, builder’s risk during construction by the business, and property damage.
(b) Life. The lender may require life insurance to insure against the risk of death of persons critical to the success of the business. When required, coverage will be in amounts necessary to provide for management succession or to protect the business. The cost of insurance and its effect on the applicant’s working capital must be considered as well as the amount of existing insurance which could be assigned without requiring additional expense.
(c) Worker compensation. Worker compensation insurance is required in accordance with State law.
(d) Flood. National flood insurance is required in accordance with 7 CFR, part 1806, subpart B (FmHA Instruction 426.2, available in any field office or the National Office).
(e) Other. Public liability, business interruption, malpractice, and other insurance appropriate to the borrower’s particular business and circumstances will be considered and required when needed to protect the interests of the borrower.

§ 4279.144 Appraisals.
Lenders will be responsible for ensuring that appraisal values adequately reflect the actual value of the collateral. All real property appraisals associated with Agency guaranteed loanmaking and servicing transactions will meet the requirements contained in the Financial Institutions Reform, Recovery and Enforcement Act (FIRREA) of 1989 and the appropriate guidelines contained in Standards 1 and 2 of the Uniform Standards of Professional Appraisal Practices (USPAP). In accordance with USPAP, the Agency will require documentation that the appraiser has the necessary experience and competency to appraise the property in question. All appraisals will include consideration of the potential effects from a release of hazardous substances or petroleum products or other environmental hazards on the market value of the collateral. For additional guidance and information concerning the completion of real property appraisals, refer to “Standard Practices for Environmental Site Assessments: Transaction Screen Questionnaire” and “Phase I Environmental Site Assessment,” both published by the American Society of Testing and Materials. Chattels will be evaluated in accordance with normal banking practices and generally accepted methods of determining value.

§§ 4279.145–4279.148 [Reserved]

§ 4279.149 Personal and corporate guarantee.
(a) Unconditional personal and corporate guarantees are part of the collateral for the loan, but are not considered in determining whether a loan is adequately secured for loanmaking purposes. Agency approved personal and corporate guarantees for the full
§ 4279.150  Feasibility studies.

A feasibility study by a qualified independent consultant may be required by the Agency for start-up businesses or existing businesses when the project will significantly affect the borrower’s operations. An acceptable feasibility study should include, but not be limited to, economic, market, technical, financial, and management feasibility.

§§ 4279.151–4279.154  [Reserved]

§ 4279.155  Loan priorities.

Applications and preapplications received by the Agency will be considered in the order received; however, for the purpose of assigning priorities as described in paragraph (b) of this section, the Agency will compare an application to other pending applications.

(a) When applications on hand otherwise have equal priority, applications for loans from qualified veterans will have preference.

(b) Priorities will be assigned by the Agency to eligible applications on the basis of a point system as contained in this section. The application and supporting information will be used to determine an eligible proposed project’s priority for available guarantee authority. All lenders, including CLP lenders, will consider Agency priorities when choosing projects for guarantee. The lender will provide necessary information related to determining the score, as requested.

(1) Population priority. Projects located in an unincorporated area or in a city with under 25,000 population (10 points).

(2) Community priority. The priority score for community will be the total score for the following categories:

   (i) Located in an eligible area of long term population decline and job deterioration based on reliable statistical data (5 points).

   (ii) Located in a rural community that has remained persistently poor over the last 60 years (5 points).

   (iii) Located in a rural community that is experiencing trauma as a result of natural disaster or experiencing fundamental structural changes in its economic base (5 points).

   (iv) Located in a city or county with an unemployment rate 125 percent of the statewide rate or greater (5 points).

(3) Empowerment Zone/Enterprise Community (EZ/EC).

   (i) Located in an EZ/EC designated area (10 points).

   (ii) Located in a designated Champion Community (5 points). A Champion Community is a community which developed a strategic plan to apply for an EZ/EC designation, but not selected as a designated EZ/EC Community.

(4) Loan features. The priority score for loan features will be the total score for the following categories:

   (i) Lender will price the loan at the Wall Street Journal published Prime Rate plus 1.5 percent or less (5 points).

   (ii) Lender will price the loan at the Wall Street Journal published Prime Rate plus 1 percent or less (5 points).

   (iii) The Agency guaranteed loan is less than 50 percent of project cost (5 points).

   (iv) Percentage of guarantee is 10 or more percentage points less than the maximum allowable for a loan of its size (5 points).
(5) **High impact business investment priorities.** The priority score for high impact business investment will be the total score for the following three categories:

(i) **Industry.** The priority score for industry will be the total score for the following, except that the total score for industry cannot exceed 10 points.

(A) Industry that has 20 percent or more of its sales in international markets (5 points).

(B) Industry that is not already present in the community (5 points).

(ii) **Business.** The priority score for business will be the total score for the following:

(A) Business that offers high value, specialized products and services that command high prices (2 points).

(B) Business that provides an additional market for existing local business (3 points).

(C) Business that is locally owned and managed (3 points).

(D) Business that will produce a natural resource value-added product (2 points).

(iii) **Occupations.** The priority score for occupations will be the total score for the following, except that the total score for job quality cannot exceed 10 points:

(A) Business that creates jobs with an average wage exceeding 125 percent of the Federal minimum wage (5 points).

(B) Business that creates jobs with an average wage exceeding 150 percent of the Federal minimum wage (10 points).

(6) **Administrative points.** The State Director may assign up to 10 additional points to an application to account for such factors as statewide distribution of funds, natural or economic emergency conditions, or area economic development strategies. An explanation of the assigning of these points by the State Director will be appended to the calculation of the project score maintained in the case file. If an application is considered in the National Office, the Administrator may also assign up to an additional 10 points. The Administrator may assign the additional points to an application to account for funds and emergency conditions caused by economic problems or natural disasters.

§ 4279.156 Planning and performing development.

(a) **Design policy.** The lender must ensure that all project facilities must be designed utilizing accepted architectural and engineering practices and must conform to applicable Federal, state, and local codes and requirements. The lender will also ensure that the project will be completed using the available funds and, once completed, will be used for its intended purpose and produce products in the quality and quantity proposed in the completed application approved by the Agency.

(b) **Project control.** The lender will monitor the progress of construction and undertake the reviews and inspections necessary to ensure that construction conforms with applicable Federal, state, and local code requirements; proceeds are used in accordance with the approved plans, specifications, and contract documents; and that funds are used for eligible project costs.

(c) **Equal opportunity.** For all construction contracts in excess of $10,000, the contractor must comply with Executive Order 11246, entitled “Equal Employment Opportunity,” as amended by Executive Order 11375, and as supplemented by applicable Department of Labor regulations (41 CFR, part 60). The borrower and lender are responsible for ensuring that the contractor complies with these requirements.

(d) **Americans with Disabilities Act (ADA).** B&I Guaranteed Loans which involve the construction of or addition to facilities that accommodate the public and commercial facilities, as defined by the ADA, must comply with the ADA. The lender and borrower are responsible for compliance.

§§ 4279.157–4279.160 [Reserved]

§ 4279.161 Filing preapplications and applications.

Borrowers and lenders are encouraged to file preapplications and obtain Agency comments before completing an application. However, if they prefer, they may file a complete application as
the first contact with the Agency. Neither preapplications nor applications will be accepted or processed unless a lender has agreed to finance the proposal. Guaranteed loans of $600,000 and less may be processed under paragraph (b) or (c) of this section, but guaranteed loans exceeding $600,000 must be processed under paragraph (b) of this section.

(a) Preapplications. Lenders may file preapplications by submitting the following to the Agency:

(1) A letter signed by the borrower and lender containing the following:

(i) Borrower’s name, organization type, address, contact person, and federal tax identification and telephone numbers.

(ii) Amount of the loan request, percent of guarantee requested, and the proposed rates and terms.

(iii) Name of the proposed lender, address, telephone number, contact person, and lender’s Internal Revenue Service (IRS) identification number.

(iv) Brief description of the project, products, services provided, and availability of raw materials and supplies.

(v) Type and number of jobs created or saved.

(vi) Amount of borrower’s equity and a description of collateral, with estimated values, to be offered as security for the loan.

(vii) If a corporate borrower, the names and addresses of the borrower’s parent, affiliates, and subsidiary firms, if any, and a description of the relationship.

(2) A completed Form 4279–2, “Certification of Non-Relocation and Market Capacity Information Report,” if the proposed loan is in excess of $1 million and will increase direct employment by more than 50 employees.

(3) For existing businesses, a current balance sheet and a profit and loss statement not more than 90 days old and financial statements for the borrower and any parent, affiliates, and subsidiaries for at least the 3 most recent years.

(4) For start-up businesses, a preliminary business plan must be provided.

(b) Applications. Except for CLP lenders, applications will be filed with the Agency by submitting the following information: (CLP applications will be completed in accordance with 4279.43(g)(1) but CLP lenders must have the material listed in this paragraph in their files.)

(1) A completed Form 4279–1, “Application for Loan Guarantee (Business and Industry”).

(2) The information required for filing a preapplication, as listed above, if not previously filed or if the information has changed.

(3) Form FmHA 1940–20, “Request for Environmental Information,” and attachments, unless the project is categorically excluded under Agency environmental regulations.

(4) A personal credit report from an acceptable credit reporting company for a proprietor (owner), each partner, officer, director, key employee, and stockholder owning 20 percent or more interest in the applicant, except for those corporations listed on a major stock exchange. Credit reports are not required for elected and appointed officials when the applicant is a public body.

(5) Intergovernmental consultation comments in accordance with 2 CFR part 415, subpart C.

(6) Appraisals, accompanied by a copy of the appropriate environmental site assessment, if available. (Agency approval in the form of a Conditional Commitment may be issued subject to receipt of adequate appraisals.)

(7) For all businesses, a current (not more than 90 days old) balance sheet, a pro forma balance sheet at startup, and projected balance sheets, income and expense statements, and cash flow statements for the next 2 years. Projections should be supported by a list of assumptions showing the basis for the projections.

(8) Lender’s complete written analysis, including spreadsheets of the balance sheets and income statements for the 3 previous years (for existing businesses), pro forma balance sheet at startup, and 2 years projected yearend balance sheets and income statements, with appropriate ratios and comparisons with industrial standards (such as Dun & Bradstreet or Robert Morris Associates). All data must be shown in total dollars and also in common size.
form, obtained by expressing all balance sheet items as a percentage of assets and all income and expense items as a percentage of sales. The lender's credit analysis must address the borrower's management, repayment ability including a cash-flow analysis, history of debt repayment, necessity of any debt refinancing, and the credit reports of the borrower, its principals, and any parent, affiliate, or subsidiary.

(9) Commercial credit reports obtained by the lender on the borrower and any parent, affiliate, and subsidiary firms.

(10) Current personal and corporate financial statements of any guarantors.

(11) A proposed Loan Agreement or a sample Loan Agreement with an attached list of the proposed Loan Agreement provisions. The Loan Agreement must be executed by the lender and borrower before the Agency issues a Loan Note Guarantee. The following requirements must be addressed in the Loan Agreement:
   (i) Prohibition against assuming liabilities or obligations of others.
   (ii) Restriction on dividend payments.
   (iii) Limitation on the purchase or sale of equipment and fixed assets.
   (iv) Limitation on compensation of officers and owners.
   (v) Minimum working capital or current ratio requirement.
   (vi) Maximum debt-to-net worth ratio.
   (vii) Restrictions concerning consolidations, mergers, or other circumstances.
   (viii) Limitations on selling the business without the concurrence of the lender.
   (ix) Repayment and amortization of the loan.
   (x) List of collateral and lien priority for the loan including a list of persons and corporations guaranteeing the loan with a schedule for providing the lender with personal and corporate financial statements. Financial statements on the corporate and personal guarantors must be updated at least annually.
   (xi) Type and frequency of financial statements to be required for the duration of the loan.
   (xii) The final Loan Agreement between the lender and borrower will contain any additional requirements imposed by the Agency in its Conditional Commitment.
   (xiii) A section for the later insertion of any necessary measures by the borrower to avoid or reduce adverse environmental impacts from this proposal's construction or operation. Such measures, if necessary, will be determined by the Agency through the completion of the environmental review process.

(12) A business plan, which includes, at a minimum, a description of the business and project, management experience, products and services, proposed use of funds, availability of labor, raw materials and supplies, and the names of any corporate parent, affiliates, and subsidiaries with a description of the relationship. Any or all of these requirements may be omitted if the information is included in a feasibility study.

(13) Independent feasibility study, if required.

(14) For companies listed on a major stock exchange or subject to the Securities and Exchange Commission (SEC) regulations, a copy of SEC Form 10–K, "Annual Report Pursuant to Section 13 or 15D of the Act of 1934."

(15) For health care facilities, a certificate of need, if required by statute.

(16) A certification by the lender that it has completed a comprehensive analysis of the proposal, the applicant is eligible, the loan is for authorized purposes, and there is reasonable assurance of repayment ability based on the borrower's history, projections and equity, and the collateral to be obtained.

(17) Any additional information required by the Agency.

(c) Applications of $600,000 and less. Guaranteed loan applications may be processed under this paragraph if the request does not exceed $400,000. Beginning in fiscal year 2004, this limit may be increased on a case-by-case basis to $600,000 provided that the Agency determines that there is not a significant increased risk of a default on the loan. Applications may be resubmitted under paragraph (b) of this section when the application under this paragraph contains insufficient information for the
§§ 4279.162–4279.164

Agency to guarantee the loan. Applications submitted under this paragraph must use the Agency’s short application form and include the information contained in paragraphs (b)(3), (5), (7), (8), and (11) of this section. The lender must have the documentation identified in paragraph (b) of this section, with the exception of paragraphs (b)(1), (2), (14), and (15), available in its file for review.

§§ 4279.162–4279.164 [Reserved]

§ 4279.165 Evaluation of application.

(a) General review. The Agency will evaluate the application and make a determination whether the borrower is eligible, the proposed loan is for an eligible purpose, there is reasonable assurance of repayment ability, there is sufficient collateral and equity, and the proposed loan complies with all applicable statutes and regulations. If the Agency determines it is unable to guarantee the loan, the lender will be informed in writing. Such notification will include the reasons for denial of the guarantee.

(b) Environmental requirements. The environmental review process must be completed, in accordance with subpart G of part 1940 of this title, prior to the issuance of the Conditional Commitment, loan approval, or obligation of funds, whichever occurs first.

§§ 4279.166–4279.172 [Reserved]

§ 4279.167 Loan approval and obligating funds.

(a) Upon approval of a loan guarantee, the Agency will issue a Conditional Commitment to the lender containing conditions under which a Loan Note Guarantee will be issued.

(b) If certain conditions of the Conditional Commitment cannot be met, the lender and applicant may propose alternate conditions. Within the requirements of the applicable regulations and instructions and prudent lending practices, the Agency may negotiate with the lender and the applicant regarding any proposed changes to the Conditional Commitment.

§ 4279.174 Transfer of lenders.

(a) The loan approval official may approve the substitution of a new eligible lender in place of a former lender who holds an outstanding Conditional Commitment when the Loan Note Guarantee has not yet been issued provided, that there are no changes in the borrower’s ownership or control, loan purposes, or scope of project and loan conditions in the Conditional Commitment and the Loan Agreement remain the same.

(b) The new lender’s servicing capability, eligibility, and experience will be analyzed by the Agency prior to approval of the substitution. The original lender will provide the Agency with a letter stating the reasons it no longer desires to be a lender for the project. The substituted lender must execute a new part B of Form 4279–1.

§ 4279.175 Domestic lamb industry adjustment assistance program set aside.

A 3-year set aside of B&I Guaranteed Loan Program funds has been established in the National Office to fund loans to lamb processors for real estate purchases and improvements; working capital; debt refinancing; and upgrading, replacing, and installing new processing and packaging equipment for domestic lamb packing and processing plants. The set aside is $15 million for FY 2001, $5 million for FY 2002, and $5 million for FY 2003. These funds will be available through the third quarter of each respective year and, if not used, will revert for use in the general program.

§§ 4279.176–4279.179 [Reserved]

§ 4279.180 Changes in borrower.

Any changes in borrower ownership or organization prior to the issuance of the Loan Note Guarantee must meet the eligibility requirements of the program and be approved by the Agency loan approval official.

§ 4279.181 Conditions precedent to issuance of Loan Note Guarantee.

The Loan Note Guarantee will not be issued until the lender, including a CLP lender, certifies to the following:
(a) No major changes have been made in the lender’s loan conditions and requirements since the issuance of the Conditional Commitment, unless such changes have been approved by the Agency.

(b) All planned property acquisition has been or will be completed, all development has been or will be substantially completed in accordance with plans and specifications, conforms with applicable Federal, state, and local codes, and costs have not exceeded the amount approved by the lender and the Agency.

(c) Required hazard, flood, liability, worker compensation, and personal life insurance, when required, are in effect.

(d) Truth-in-lending requirements have been met.

(e) All equal credit opportunity requirements have been met.

(f) The loan has been properly closed, and the required security instruments have been obtained or will be obtained on any acquired property that cannot be covered initially under State law.

(g) The borrower has marketable title to the collateral then owned by the borrower, subject to the instrument securing the loan to be guaranteed and to any other exceptions approved in writing by the Agency.

(h) When required, the entire amount of the loan for working capital has been disbursed except in cases where the Agency has approved disbursement over an extended period of time.

(i) When required, personal, partnership, or corporate guarantees have been obtained.

(j) All other requirements of the Conditional Commitment have been met.

(k) Lien priorities are consistent with the requirements of the Conditional Commitment. No claims or liens of laborers, subcontractors, suppliers of machinery and equipment, or other parties have been or will be filed against the collateral and no suits are pending or threatened that would adversely affect the collateral when the security instruments are filed.

(l) The loan proceeds have been or will be disbursed for purposes and in amounts consistent with the Conditional Commitment and Form 4279–1. A copy of the detailed loan settlement of the lender must be attached to support this certification.

(m) There has been neither any material adverse change in the borrower’s financial condition nor any other material adverse change in the borrower, for any reason, during the period of time from the Agency’s issuance of the Conditional Commitment to issuance of the Loan Note Guarantee regardless of the cause or causes of the change and whether or not the change or causes of the change were within the lender’s or borrower’s control. The lender must address any assumptions or reservations in the requirement and must address all adverse changes of the borrower, any parent, affiliate, or subsidiary of the borrower, and guarantors.

(n) None of the lender’s officers, directors, stockholders, or other owners (except stockholders in an institution that has normal stockshare requirements for participation) has a substantial financial interest in the borrower and neither the borrower nor its officers, directors, stockholders, or other owners has a substantial financial interest in the lender. If the borrower is a member of the board of directors or an officer of a Farm Credit System (FCS) institution that is the lender, the lender will certify that an FCS institution on the next highest level will independently process the loan request and act as the lender’s agent in servicing the account.

(o) The Loan Agreement includes all measures identified in the Agency’s environmental impact analysis for this proposal (measures with which the borrower must comply) for the purpose of avoiding or reducing adverse environmental impacts of the proposal’s construction or operation.

§§ 4279.182–4279.185 [Reserved]

§ 4279.186 Issuance of the guarantee.

(a) When loan closing plans are established, the lender will notify the Agency. Coincident with, or immediately after loan closing, the lender will provide the following to the Agency:

(1) Lender’s certifications as required by §4279.181.

(2) Executed Lender’s Agreement.
(3) Form FmHA 1980–19, “Guaranteed Loan Closing Report,” and appropriate guarantee fee.

(b) When the Agency is satisfied that all conditions for the guarantee have been met, the Loan Note Guarantee and the following documents, as appropriate, will be issued:

(1) Assignment Guarantee Agreement. In the event the lender uses the single note option and assigns the guaranteed portion of the loan to a holder, the lender, holder, and the Agency will execute the Assignment Guarantee Agreement.

(2) Certificate of Incumbency. If requested by the lender, the Agency will provide the lender with a certification on Form 4279–7, “Certificate of Incumbency and Signature (Business and Industry),” of the signature and title of the Agency official who signs the Loan Note Guarantee, Lender’s Agreement, and Assignment Guarantee Agreement.

(c) The Agency may, at its discretion, request copies of loan documents for its file.

(d) There may be instances when not all of the working capital has been disbursed, and it appears practical to disburse the balance over a period of time. The State Director, after review of a disbursement plan, may amend the Conditional Commitment in accordance with the disbursement plan and issue the guarantee.

§ 4279.187 Refusal to execute Loan Note Guarantee.

If the Agency determines that it cannot execute the Loan Note Guarantee, the Agency will promptly inform the lender of the reasons and give the lender a reasonable period within which to satisfy the objections. If the lender requests additional time in writing and within the period allowed, the Agency may grant the request. If the lender satisfies the objections within the time allowed, the guarantee will be issued.

§§ 4279.188–4279.199 [Reserved]

§ 4279.200 OMB control number.

The information collection requirements contained in this regulation have been approved by OMB and have been assigned OMB control number 0575–0170. Public reporting burden for this collection of information is estimated to vary from 30 minutes to 54 hours per response, with an average of 27 hours per response, including time for reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Department of Agriculture, Clearance Officer, OIRM, Stop 7630, Washington, DC 20250. You are not required to respond to this collection of information unless it displays a currently valid OMB control number.

Subpart C—Biorefinery, Renewable Chemical, and Biobased Product Manufacturing Assistance Loans

SOURCE: 80 FR 36425, June 24, 2015, unless otherwise noted.

GENERAL

§ 4279.201 Purpose and scope.

The purpose of the Biorefinery, Renewable Chemical, and Biobased Product Manufacturing Program is to assist in the development of new and emerging technologies for the development of Advanced Biofuels, Renewable Chemicals, and Biobased Product Manufacturing. This is achieved through guarantees for loans made to fund the development, construction, and Retrofitting of Commercial-Scale Biorefineries using Eligible Technology and of Biobased Product Manufacturing facilities that use Technologically New Commercial-Scale processing and manufacturing equipment and required facilities to convert Renewable Chemicals and other biobased outputs of Biorefineries into end-user products on a Commercial Scale.

(a) This subpart and subpart D of part 4287 of this chapter contain the regulations for this Program.

(b) The Lender is responsible for ascertaining that all requirements for making, securing, servicing, and collecting the loan are complied with.

(c) Whether specifically stated or not, whenever Agency approval is required, it must be in writing.
(d) Copies of all forms, regulations, and instructions referenced in this subpart are available in any Agency office and from the USDA Rural Development Web site at http://www.rd.usda.gov/programs-services/biorefinery-assistance-program. Whenever a form is designated in this subpart, it is initially capitalized and its reference includes predecessor and successor forms, if applicable.

§ 4279.202 Definitions and abbreviations.

Terms used in this subpart are defined in this section. Terms used in this subpart that have the same meaning as the terms defined in this section have been capitalized in this subpart.

Administrator. The Administrator of Rural Business-Cooperative Service within the Rural Development mission area of the U.S. Department of Agriculture.

Advanced biofuel. Fuel derived from Renewable Biomass, other than corn kernel starch, to include:

1. Biofuel derived from cellulose, hemicellulose, or lignin;
2. Biofuel derived from sugar and starch (other than ethanol derived from corn kernel starch);
3. Biofuel derived from waste material, including crop residue, other vegetative waste material, animal waste, food waste, and yard waste;
4. Diesel-equivalent fuel derived from Renewable Biomass, including vegetable oil and animal fat;
5. Biogas (including landfill gas and sewage waste treatment gas) produced through the conversion of organic matter from Renewable Biomass;
6. Butanol or other alcohols produced through the conversion of organic matter from Renewable Biomass; and
7. Other fuel derived from cellulosic biomass.

Affiliate. An entity that is related to another entity by owning shares or having an interest in the entity, by common ownership, or by any means of control.

Agency. The Rural Business-Cooperative Service or successor Agency assigned by the Secretary of Agriculture to administer the Program. References to the National or State Office should be read as prefaced by “Agency” or “Rural Development” as applicable.

Agricultural producer. An individual or entity directly engaged in the production of agricultural products, including crops (including farming); livestock (including ranching); forestry products; hydroponics; nursery stock; or aquaculture, whereby 50 percent or greater of their gross income is derived from the operations.

Annual renewal fee. A fee that is paid once a year by the Lender and is required to maintain the enforceability of the Loan Note Guarantee.

Arm’s length transaction. A transaction between ready, willing, and able disinterested parties that are not affiliated with or related to each other and have no security, monetary, or stockholder interest in each other.

Assignment Guarantee Agreement. Form RD 4279-6, “Assignment Guarantee Agreement,” is the signed agreement between the Agency, the Lender, and the Holder containing the terms and conditions of an assignment of a guaranteed portion of a loan, using the single Promissory Note system.

Association of Agricultural Producers. An organization that represents Agricultural Producers and whose mission includes working on behalf of such producers and the majority of whose membership and board of directors is comprised of Agricultural Producers.

BAP. Biorefinery, Renewable Chemical, and Biobased Product Manufacturing Assistance Program.

Biobased product. A product determined by the Secretary to be a commercial or industrial product (other than food or feed) that is either:

1. Composed, in whole or in significant part, of biological products, including renewable domestic agricultural materials and forestry materials; or
2. An intermediate ingredient or feedstock.

Biobased product manufacturing. The use of Technologically New Commercial-Scale processing and manufacturing equipment and required facilities to convert Renewable Chemicals and other biobased outputs of Biorefineries into end-user products on a Commercial Scale.
Biofuel. A fuel derived from Renewable Biomass.

Biogas. Renewable Biomass converted to gaseous fuel.

Biorefinery. A facility (including equipment and processes) that converts Renewable Biomass into Biofuels and Biobased Products and may produce electricity.

Bond. A form of debt security in which the authorized issuer (Borrower) owes the Bond holder (Lender) a debt and is obligated to repay the principal and Interest (coupon) at a later date(s) (maturity). An explanation of the type of Bond and other Bond stipulations must be attached to the Bond issuance.

Borrower. The Person that borrows, or seeks to borrow, money from the Lender, including any party liable for the loan except for guarantors.

Byproduct. An incidental or secondary product generated under normal operations of the proposed Project that can be reasonably measured and monitored other than: Advanced Biofuel, Program-eligible Biobased Products including Renewable Chemicals, and Program-eligible end-user products produced by Biobased Product Manufacturing facilities. Byproducts may or may not have a readily identifiable commercial use or value.

Calendar quarter. Four three-month periods in each calendar year as follows:

1. Quarter 1 begins on January 1 and ends on March 31;
2. Quarter 2 begins on April 1 and ends on June 30;
3. Quarter 3 begins on July 1 and ends on September 30; and
4. Quarter 4 begins on October 1 and ends on December 31.

Collateral. The asset(s) pledged by the Borrower to secure the loan.

Commercial-scale (commercial scale). An operation is considered to be a Commercial-Scale operation if it demonstrates that its sole or chief emphasis is on salability and profit and:

1. Its revenue will be sufficient to recover the full cost of the Project over its expected life and result in an anticipated annual rate of return sufficient to encourage investors or Lenders to provide funding for the Project;
2. It will be able to operate profitably without public and private sector subsidies upon completion of construction (volumetric excise tax is not included as a subsidy);
3. Contracts for feedstock are adequate to address proposed off-take; and
4. It has the ability to achieve market entry, suitable infrastructure to transport product to its market is available, and the technology and related products are generally competitive in the market.

Conditional Commitment. Form RD 4279–3, “Conditional Commitment,” is the Agency’s notice to the Lender that the loan guarantee it has requested is approved subject to the completion of all conditions and requirements set forth by the Agency and outlined in the attachment to the Conditional Commitment.

Conflict of interest. A situation in which a Person has competing personal, professional, or financial interests that prevents the Person from acting impartially.

Default. The condition that exists when a Borrower is not in compliance with the Promissory Note, the Loan Agreement, security documents, or other documents evidencing the loan. Default could be a monetary or non-monetary Default.

Deficiency judgment. A monetary judgment rendered by a court of competent jurisdiction after foreclosure and liquidation of all Collateral securing the loan.

Delinquency. A loan for which a scheduled loan payment is more than 30 days past due and cannot be cured within 30 days.

Eligible project costs. Those expenses approved by the Agency for the Project as set forth in § 4279.210(d) and do not include the costs set forth in § 4279.210(e).

Eligible technology. The term “Eligible technology” means, as determined by the Secretary:

1. A technology that is being adopted in a viable Commercial-Scale operation of a Biorefinery that produces an Advanced Biofuel; or
2. A technology not described in paragraph (1) of this definition that has been demonstrated to have Technical and Economic Potential for commercial application in a Biorefinery that produces an Advanced Biofuel.
Fair market value. The price that could reasonably be expected for an asset in an Arm’s-Length Transaction between a willing buyer and a willing seller under ordinary economic and business conditions.

Farm cooperative. A business owned and controlled by Agricultural Producers that is incorporated, or otherwise recognized by the State in which it operates, as a cooperatively-operated business.

Farmer Cooperative Organization. An organization whose membership is composed of Farm Cooperatives.

Feasibility study. An analysis by an independent qualified consultant or consultants of the economic, market, technical, financial, and management feasibility of a proposed Project or business in terms of its expectation for success.

Federal debt. Debt owed to the Federal government that is subject to collection under the Debt Collection Improvement Act of 1996, 31 U.S.C. 3701 et seq. Once the Agency determines a debt is Federal Debt and provides notice to the Lender, that Federal Debt is excluded from Future Recovery.

Future recovery. Funds anticipated to be collected by the Lender after a final loss claim is processed.

Good cause. A justification representing a reasonable approach given:
(1) The reasonably available alternatives;
(2) All known relevant factors;
(3) Program requirements; and
(4) The best interests of the government. Good cause must be approved by the Agency. Without prior approval by the Agency, alternatives that require the Agency to increase its guarantee, in either the Conditional Commitment or Loan Note Guarantee (including an increase of its subsidy costs under the Credit Reform Act of 1990), or provide additional assistance, will not be considered reasonable, available alternatives under paragraph (1) of this definition or in the best interests of the government under paragraph (4) of this definition.

Grossly negligent loan origination. A serious carelessness in originating the loan which is so great as to appear to be conscious. The term includes not only the concept of a failure to act, but also not acting in a timely manner.

Grossly negligent loan servicing. A serious carelessness in servicing the loan which is so great as to appear to be conscious. The term includes not only the concept of a failure to act, but also not acting in a timely manner.

Holder. A Person, other than the Lender, who owns all or part of the guaranteed portion of the loan with no servicing responsibilities.

Immediate family(ies). Individuals who live in the same household or who are closely related by blood, marriage, or adoption, such as a spouse, domestic partner, parent, child, sibling, aunt, uncle, grandparent, grandchild, niece, nephew, or cousin.

Indian tribe. This term has the meaning as defined in 25 U.S.C. 450b.

In-house expenses. Expenses associated with activities that are routinely the responsibility of a Lender’s internal staff or its agents. In-house expenses include, but are not limited to, employees’ salaries, staff lawyers, travel, and overhead.

Institution of higher education. This term has the meaning as defined in 20 U.S.C. 1002(a).

Interest. A fee paid by a Borrower to a Lender as a form of compensation for the use of money. When money is borrowed, Interest is typically paid as a fee over a certain period of time (typically months or years) to the Lender as percentage of the principal amount owed. The term Interest does not include Default or penalty Interest or late payment fees or charges.

Interest Termination Date. The date on which no further interest will be payable under the Loan Note Guarantee.
(1) If the Lender owns all or a portion of the guaranteed interest in the guaranteed loan or makes a Protective Advance, then the Loan Note Guarantee will not cover Interest to the Lender accruing after 90 days from the most recent Delinquency effective date as reported by the Lender.
(2) If the guaranteed loan has a Holder(s), the Lender, or the Agency, at its
sole discretion, will issue an interest termination letter to the Holder(s) establishing the termination date for Interest accrual. The Loan Note Guarantee will not cover Interest to the Holder(s) accruing after the greater of:

(i) 90 days from the date of the most recent Delinquency effective date as reported by the Lender or
(ii) 30 days from the date of the interest termination letter.

Lender. The entity approved, or seeking to be approved, by the Agency to make, service, and collect the Agency guaranteed loan that is subject to this subpart.

Lender’s Agreement. Form RD 4279-4, “Lender’s Agreement,” or predecessor form, between the Agency and the Lender setting forth the Lender’s loan responsibilities.

Liquidation expenses. Costs directly associated with the liquidation of Collateral, including preparing Collateral for sale (e.g., repairs and transport) and conducting the sale (e.g., advertising, public notices, auctioneer expenses, and foreclosure fees). Liquidation Expenses do not include In-House Expenses. Legal/attorney fees are considered Liquidation Expenses provided that the fees are reasonable, as determined by the Agency, and cover legal issues pertaining to the liquidation that could not be properly handled by the Lender and its in-house counsel.

Loan agreement. The agreement between the Borrower and Lender containing the terms and conditions of the loan and the responsibilities of the Borrower and Lender.

Loan classification. The process by which loans are examined and categorized by degree of potential loss in the event of Default.

Loan Note Guarantee. Form RD 4279-5, “Loan Note Guarantee,” or predecessor form, issued and executed by the Agency containing the terms and conditions of the guarantee.

Loan package. A Person, other than the applicant Borrower or Lender, that prepares a loan application package.

Loan service provider. A Person, other than the Lender of record, that provides loan servicing activities to the Lender.

Local government. A county, municipality, town, township, village, or other unit of general government below the State level, or Indian Tribe governments.

Local owner. An individual who owns any portion of an eligible Biorefinery and whose primary residence is located within a certain distance from the Biorefinery as specified by the Agency in a Notice published in the FEDERAL REGISTER.

Market value. The amount for which a property will sell for its highest and best use at a voluntary sale in an Arm’s Length Transaction.

Material adverse change. Any change in circumstance associated with a guaranteed loan, including the Borrower’s financial condition or Collateral that could be reasonably expected to jeopardize loan performance.

NAD. National Appeals Division, or successor agency, in the United States Department of Agriculture.

Negligent Loan Origination. The failure to perform those actions which a reasonably prudent lender would perform in originating its own portfolio of loans that are not guaranteed. The term includes not only the concept of a failure to act but also acting in a manner contrary to the manner in which a reasonably prudent lender would act.

Negligent Loan Servicing. The failure to perform those services which a reasonably prudent lender would perform in servicing (including liquidation of) its own portfolio of loans that are not guaranteed. The term includes not only the concept of a failure to act, but also not acting in a timely manner, or acting in a manner contrary to the manner in which a reasonably prudent lender would act.

Off-take agreement. The terms and conditions governing the sale and transportation of Biofuels, Biobased Products including Renewable Chemicals, Biobased Product Manufacturing end-user products, and electricity produced by the Borrower to another party.

Purity. A lien position whereby two or more Lenders share a security interest of equal priority in Collateral.

Participate. Sale of an interest in a loan by the lead Lender to one or more Lenders wherein the lead Lender retains the Promissory Note, Collateral securing the Promissory Note, and all
RBS and RUS, USDA

§ 4279.202

Responsibility for managing and servicing the loan. Participants are dependent upon the lead Lender for protection of their interests in the loan.

Person. An individual or entity.

Program. Biorefinery Renewable Chemical, and Biobased Product Manufacturing Assistance Program often abbreviated as BAP.

Project. The facility or portion of a facility receiving funding under this subpart.

Pro rata. On a proportional basis.

Promissory note. Evidence of debt with stipulated repayment terms. “Note” or “Promissory Note” shall also be construed to include “Bond” or other evidence of debt, where appropriate.

Protective advance. An advance made by the Lender for the purpose of preserving and protecting the Collateral where the Borrower has failed to, and will not or cannot, meet its obligations to protect or preserve Collateral. Protective advances include, but are not limited to, advances affecting the Collateral made for property taxes, rent, hazard and flood insurance premiums, and annual assessments. Legal/attorney fees are not a Protective Advance. Holders do not have an interest in Protective Advances.

Public body. A municipality, county, or other political subdivision of a State; a special purpose district; or an Indian Tribe on a Federal or State reservation or other Federally-recognized Indian Tribe; or an organization controlled by any of the above. A Local Government would also be a Public Body.

Renewable biomass. (1) Materials, precommercial thinnings, or invasive species from National Forest System land or public lands (as defined in section 103 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1702)) that:

(i) Are byproducts of preventive treatments that are removed to reduce hazardous fuels; to reduce or contain disease or insect infestation; or to restore ecosystem health;

(ii) Would not otherwise be used for higher-value products; and

(iii) Are harvested in accordance with applicable law and land management plans and the requirements for old-growth maintenance, restoration, and management direction of paragraphs (2), (3), and (4) of subsection (e) of section 102 of the Healthy Forests Restoration Act of 2003 (16 U.S.C. 6512) and large-tree retention of subsection (f) of section 102; or

(2) Any organic matter that is available on a renewable or recurring basis from non-Federal land or land belonging to an Indian or Indian Tribe that is held in trust by the United States or subject to a restriction against alienation imposed by the United States, including:

(i) Renewable plant material, including feed grains; other agricultural commodities; other plants and trees; and algae; and

(ii) Waste material, including crop residue; other vegetative waste material (including wood waste and wood residues); animal waste and byproducts (including fats, oils, greases, and manure); and food waste and yard waste.

Renewable chemical. A monomer, polymer, plastic, formulated product, or chemical substance produced from Renewable Biomass.

Retrofitting. The modification of a building or equipment to incorporate functions not included in the original design.

Rural Development. The mission area of USDA that is comprised of the Rural Business-Cooperative Service, Rural Housing Service, and Rural Utilities Service and is under the policy direction and operational oversight of the Under Secretary for Rural Development.

Rural or rural area. See 7 U.S.C. 1991(a)(13)(A) and (D) et seq.

Secretary. The Secretary of the Department of the Agriculture.

Semi-work scale. A facility operating on a limited scale to provide final tests of a product or process.

Spreadsheet. A table containing data from a series of financial statements of a business over a period of time. Financial statement analysis normally contains Spreadsheets for balance sheet and income statement items and includes a cash flow analysis and commonly used ratios. The Spreadsheets enable a reviewer to easily scan the data, spot trends, and make comparisons.
State. Any of the 50 States of the U.S., the Commonwealth of Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, the Republic of Palau, the Federated States of Micronesia, and the Republic of the Marshall Islands.

Subordination. The reduction of the Lender’s lien priority on certain assets pledged to secure payment of the guaranteed loan to a position junior to, or on Parity with, the lien position of another loan in order for the Borrower to obtain additional financing, not guaranteed by the Agency, from the Lender or a third party.

Technologically New. New or significantly improved equipment, process or production method to deliver a product, or adoption of equipment, process or production method to deliver a new or significantly improved product, of which the first Commercial-Scale use in the United States is within the last five years and is used in not more than three Commercial-Scale facilities in the United States.

Total project costs. The sum of all costs associated with a completed Project.

Transfer and assumption. The conveyance by a Borrower to an assuming Borrower of the assets, Collateral, and liabilities of the loan in return for the assuming Borrower’s binding promise to pay the outstanding loan debt approved by the Agency.

Well capitalized. Federal Deposit Insurance Corporation (FDIC) requirements used to determine if a lending institution has enough capital on hand to withstand negative effects in the market, and which the Agency uses to determine Lender eligibility. The criteria are specified in the Federal Deposit Insurance Act, and are currently at 12 CFR 325.103, or subsequent regulation.

Working capital. Current assets available to support a business’s operations. Working Capital is calculated as current assets less current liabilities.

§ 4279.203 Exception authority.

The Administrator may, with the concurrence of the Secretary of Agriculture, make an exception, on a case-by-case basis, to any requirement or provision of this subpart that is not inconsistent with any authorizing statute or applicable law, if the Administrator determines that application of the requirement or provision would adversely affect the Federal government’s interest.

§ 4279.204 Appeals.

Borrowers, Lenders, and Holders have appeal or review rights for adverse Agency decisions made under this subpart. Adverse programmatic decisions based on clear and objective statutory or regulatory requirements are not appealable; however, such decisions are reviewable for appealability by the National Appeals Division (NAD). The Borrower, Lender, and Holder can appeal any Agency decision that directly and adversely impacts them. For an adverse decision that impacts the Borrower, the Lender and Borrower must jointly execute a written request for appeal for an alleged adverse decision made by the Agency. An adverse decision that only impacts the Lender may be appealed by the Lender only. An adverse decision that only impacts the Holder may be appealed by the Holder only. A decision by a Lender adverse to the interest of the Borrower is not a decision by the Agency, whether or not concurred in by the Agency. Appeals will be conducted by NAD and will be handled in accordance with 7 CFR part 11.

§ 4279.205 Prohibition under Agency programs.

(a) No loan guaranteed by the Agency under this subpart will be conditioned on any requirement that the recipient(s) of such assistance accept or receive electric service from any particular utility, supplier, or cooperative.

(b) No loan guaranteed by the Agency may be made with the proceeds of any obligation the Interest on which is excludable from income under 26 U.S.C.
103 or a successor statute. Funds generated through the issuance of tax-exempt obligations may neither be used to purchase the guaranteed portion of any Agency guaranteed loan nor may an Agency guaranteed loan serve as Collateral for a tax-exempt issue. The Agency may guarantee a loan for a Project which involves tax-exempt financing only when the guaranteed loan funds are used to finance a part of the Project that is separate and distinct from the part which is financed by the tax-exempt obligation, and the guaranteed loan has at least a Parity security position with the tax-exempt obligation.

(c) The Agency may not issue a guarantee for a loan where there may be, directly or indirectly, a Conflict of Interest or an appearance of a Conflict of Interest involving any action by the Agency.

(d) The Agency may not guarantee lease payments.

(e) The Agency may not guarantee loans made by other Federal agencies.

§ 4279.206 Agency representation.

Notwithstanding any other provision of this subpart and 7 CFR part 4277, subpart D, the Agency reserves the right to be represented by the U.S. Department of Justice in any litigation where the Agency is named as a party.

§ 4279.207 [Reserved]

§ 4279.208 Lender eligibility requirements.

(a) An eligible Lender is any Federal or State chartered bank; Farm Credit Bank, other Farm Credit System institution with direct lending authority, and Bank for Cooperatives. These entities must be subject to credit examination and supervision by either an agency of the United States or a State. Credit unions subject to credit examination and supervision by either the National Credit Union Administration or a State agency are eligible Lenders. The National Rural Utilities Cooperative Finance Corporation is also an eligible Lender. Savings and loan associations, mortgage companies, insurance companies, and other lenders not meeting the above criteria are not eligible.

(b) The Lender must demonstrate that it meets the FDIC definition of Well Capitalized at the time of application and at time of issuance of the Loan Note Guarantee. This information may be identified in FDIC Call Reports and Thrift Financial Reports. If the information is not identified in the Call Reports or Thrift Financial Reports, the Lender will be required to calculate its levels and provide them to the Agency.

(c) The Lender must not be debarred or suspended by the Federal government.

(d) If the Lender is under a cease-and-desist order, or similar constraint, from a Federal or State agency, the Lender must inform the Agency. The Agency will evaluate the Lender's eligibility on a case-by-case basis given the risk of loss posed by the cease-and-desist order or similar constraint, as applicable.

(e) The Agency will only approve loan guarantees for Lenders with adequate experience and expertise, from similar projects, to make, secure, service, and collect loans approved under this subpart.

§ 4279.209 Borrower eligibility requirements.

(a) Eligible entities. To be eligible, a Borrower must meet the requirements specified in paragraphs (a)(1) and (2) of this section.

1. Type of Borrower. A Borrower must be an individual; an entity; an Indian Tribe; or a unit of State or Local Government, including a corporation; a Farm Cooperative; a Farmer Cooperative Organization; an Association of Agricultural Producers; a National Laboratory; an Institution of Higher Education; a rural electric cooperative; a public power entity; or a consortium of any of the above entities.

2. Legal authority and responsibility. Each Borrower must have, or obtain before loan closing, the legal authority necessary to construct, operate, and maintain the proposed Project and services and to obtain, give security for, and repay the proposed loan.

(b) Ineligible entities. A Borrower will be considered ineligible for a guarantee if the Borrower, any owner with more than 20 percent ownership interest in
the Borrower, or any owner with more than 3 percent ownership interest in the Borrower if there is no owner with more than 20 percent ownership interest in the Borrower:

1. Has an outstanding judgment obtained by the U.S. in a Federal Court (other than U.S. Tax Court);
2. Is delinquent on the payment of Federal income taxes;
3. Is delinquent on a Federal Debt; or
4. Is debarred or suspended from receiving Federal assistance.

§ 4279.210 Project eligibility requirements.

(a) The Project must be located in a State.
(b) The Project must be for either:
1. The development, construction, and Retrofitting of Technologically New Commercial-Scale processing and manufacturing equipment and required facilities that will be used to convert Renewable Chemicals and other biobased outputs of Biorefineries into end-user products on a Commercial Scale; or
2. The development, construction, or Retrofitting of a Commercial-Scale Biorefinery using Eligible Technology.
(c) The Borrower and other principals involved in the Project must make a significant equity investment in the Project in the form of cash contribution. Equity does not include loans to the Project. The Agency will evaluate the adequacy of equity in its credit evaluation in accordance with § 4279.215(b).
(d) Eligible Project Costs are only those costs associated with the items listed in paragraphs (d)(1) through (9) of this section, as long as the items are assets owned by the Borrower or expenses incurred by the Borrower and the items are an integral and necessary part of the Project, as determined by the Agency. A Project may consist of multiple facilities or components located at multiple locations.
1. Purchase and installation of equipment (new, refurbished, or remanufactured), including an integrated demonstration unit if the integrated demonstration unit will be used by the Borrower in the Project after the Project is developed and in operation.
2. New construction or Retrofitting of existing facilities including reasonable contingency reserves, land acquisition, site improvements and development, and associated costs such as surveys, title insurance, title fees, and recording or transfer fees.
3. Permit and license fees and fees and charges for professional services. Professional services are those rendered by entities generally licensed or certified by States or accreditation associations, such as architects, engineers, accountants, attorneys, or appraisers, and those rendered by Loan Packagers (excluding finders fees). The Borrower may pay fees for professional services needed for planning and developing a Project provided that the amounts are reasonable and customary in the area. Professional fees may be included as an eligible use of loan proceeds.
5. Cost of necessary insurance and bonds.
6. Cost of financing, including capitalized Interest during construction period, legal fees, transaction costs, and customary fees charged by the lender, excluding the guaranteed loan fee and annual renewal fees.
7. Cash reserve accounts required by the Lender or Agency, such as a debt service reserve account.
8. Any other item identified by the Agency in a notice published in the FEDERAL REGISTER.
9. The Agency will consider refinancing only under either of the two conditions specified in paragraphs (d)(9)(i) and (ii) of this section.
   (i) Permanent financing used to refinance interim construction financing of the proposed Project only if the application for the guaranteed loan under this subpart was approved prior to closing the interim loan for the construction of the Project.
   (ii) Refinancing that is no more than 20 percent of the loan for which the Agency is guaranteeing and the purpose of the refinancing is to enable the Agency to establish a first lien position with respect to pre-existing Collateral subject to a pre-existing lien and the refinancing would be in the best financial interests of the Federal Government.
(e) Ineligible Project costs include:
(1) Distribution or payment to an individual owner, partner, stockholder, or beneficiary of the Borrower or a close relative of such an individual when such individual will retain any portion of the ownership of the Borrower;
(2) Any line of credit;
(3) Any equipment, processes, and related costs of such equipment used for processing corn kernel starch into biofuel, including as an incidental or secondary product; and
(4) Payment in excess of actual costs (such as profit, overhead, and indirect costs) incurred by the contractor or other service provider on a contract or agreement that has been entered into at less than an Arm’s Length Transaction or with an appearance of or a potential for Conflict of Interest.

§§ 4279.211–4279.213 [Reserved]

LENDER FUNCTIONS AND RESPONSIBILITIES

§ 4279.214 General functions and responsibilities.

(a) The Lender has the primary responsibility for loan origination and servicing. Any action or inaction on the part of the Agency does not relieve the Lender of its responsibilities to originate and service the loan guaranteed under this subpart. The Lender may contract for services and may rely on certain written materials (including, but not limited to, certifications, evaluations, appraisals, financial statements and other reports) to be provided by the Borrower or other qualified third parties (including, among others, one or more independent engineers, appraisers, accountants, consultants or other experts.) The Lender is ultimately responsible for underwriting, loan origination, loan servicing, and compliance with all Agency regulations.

(b) Agents and Persons are prohibited from acting as both Loan Packager and Loan Service Provider on the same guaranteed loan.

(c) All Lenders obtaining or requesting a Program loan guarantee are responsible for:
(1) Processing applications for guaranteed loans. The Lender is responsible for submitting a complete application for each guaranteed loan requested;
(2) Developing and maintaining adequately documented loan files, which must be maintained for at least 3 years after the final loss has been paid;
(3) Recommending only loan proposals that are eligible and financially feasible;
(4) Properly closing the loan and obtaining valid evidence of debt and Collateral in accordance with sound lending practices prior to disbursing loan proceeds;
(5) Keeping an inventory accounting of all Collateral items and reconciling the inventory of all Collateral sold during loan servicing, including liquidation;
(6) Supervising construction;
(7) Distributing loan funds;
(8) Servicing guaranteed loans in a reasonable manner, including liquidation if necessary;
(9) Following Agency regulations and agreements;
(10) Obtaining Agency approvals or concurrence as required; and
(11) Reporting all Conflicts of Interest, or appearances thereof, to the Agency.

§ 4279.215 Credit evaluation.

(a) Lenders must analyze all credit factors associated with each proposed loan and apply its professional judgment to determine that the credit factors, considered in combination, to ensure loan repayment. The Lender must have an adequate underwriting process to ensure that loans are reviewed by someone other than the originating officer. The Agency will only guarantee loans that are financially sound and feasible with reasonable assurance of repayment.

(b) In its credit evaluation, the Agency will consider the following factors:
(1) The feasibility of the Project and Borrower and likelihood that the Project and Borrower will produce sufficient revenues to service the Project’s debt obligations over the life of the loan guarantee and result in sufficient returns to investors;
(2) Project and Borrower debt structure and characteristics and debt repayment ability;
(3) Revenues of the Project and Borrower, strength and duration of off-take contracts and counterparty agreements, market demand and competitive position;

(4) Technical feasibility, demonstrated performance of the technology and readiness to commercialize the technology;

(5) Ownership structure of the Project and Borrower, strength of ownership and sponsors, commitment and amount of equity investment from ownership, sponsors and other equity investors;

(6) Operational management and experience;

(7) Complexity of construction/completion, terms of construction contracts, experience and financial strength of the construction contractor or engineering, procurement, and construction (EPC) contractor;

(8) Availability and depth of resource/feedstock market, strength and duration of purchase agreements, and availability of substitutes;

(9) Contracts and intellectual property rights, and state and local regulations;

(10) Energy, infrastructure and environmental considerations;

(11) The extent to which Project Costs are funded by the guaranteed loan or other Federal and non-Federal governmental assistance such as grants, tax credits, or other loan guarantees;

(12) Economic safeguards of the Project including contingency reserve funds and protections and safeguards provided to the Agency and Lender in the event of default through loan collateral and ownership and sponsorship guarantors, and;

(13) Other criteria that the Agency deems relevant.

§ 4279.216 Environmental responsibilities.

Lenders are responsible for becoming familiar with Federal environmental requirements; considering, in consultation with the prospective Borrower, the potential environmental impacts of their proposals at the earliest planning stages; and developing proposals that minimize the potential to adversely impact the environment.

(a) Lenders must alert the Agency to any environmental issues related to a proposed Project or items that may require extensive environmental review.

(b) Lenders must ensure that the Borrower has:

(1) Provided the necessary environmental information to enable the Agency to undertake its environmental review process in accordance with 7 CFR part 1940, subpart G, or successor regulations, including the provision of all required Federal, State, and local permits, and has completed Form RD 1940–20, “Request for Environmental Information,” and Exhibit H “Environmental Assessment for Class II Actions” (when required by 7 CFR part 1940, subpart G);

(2) Complied with any mitigation measures required by the Agency; and

(3) Not taken any actions or incurred any obligations with respect to the proposed Project that will either limit the range of alternatives to be considered during the Agency’s environmental review process or which will have an adverse effect on the environment.

(c) Lenders must assist in the collection of additional data when the Agency needs such data to complete its environmental review of the proposal and assist in the resolution of environmental issues.

§ 4279.217 Oversight and monitoring.

The Lender must permit representatives of the Agency (or other agencies of the United States) to inspect and make copies of any records of the Lender pertaining to Program guaranteed loans during regular office hours of the Lender or at any other time upon agreement between the Lender and the Agency. In addition, the Lender must cooperate fully with Agency oversight and monitoring of all Lenders involved in any manner with any loan guarantee under this Program to ensure compliance with this subpart. Such oversight and monitoring will include, but is not limited to, reviewing Lender records and meeting with Lenders (in accordance with § 4287.307(d) of this chapter).
§ 4279.220 General conditions of guarantee.

A loan guarantee under this part will be evidenced by a Loan Note Guarantee issued by the Agency. Each Lender will execute a Lender’s Agreement. If a valid Lender’s Agreement already exists, it is not necessary to execute a new Lender’s Agreement with each loan guarantee. The provisions of this part and 7 CFR part 4287, subpart D will apply to all outstanding guarantees. In the event of a conflict between the guaranteed loan documents and these regulations as they exist at the time the documents are executed, the regulations will control.

(a) Full faith and credit. (1) A guarantee under this subpart constitutes an obligation supported by the full faith and credit of the United States and is incontestable except for fraud or misrepresentation of which a Lender or Holder has actual knowledge at the time it becomes such Lender or Holder or which a Lender or Holder participates in or condones.

(2) The guarantee will be unenforceable to the extent that any loss is occasioned by:
   (i) A provision for Interest on Interest, Default or penalty Interest, or late payment fees;
   (ii) The violation of usury laws;
   (iii) Use of loan proceeds for unauthorized purposes or to the extent that loan funds are used for purposes other than those specifically approved by the Agency in its Conditional Commitment;
   (iv) Failure to obtain or maintain the required security regardless of the time at which the Agency acquires knowledge thereof; and
   (v) Negligent Loan Origination or Negligent Loan Servicing unless otherwise determined under paragraph (d) of this section.

(3) The Agency will guarantee payment as follows:
   (i) To any Holder, 100 percent of any loss sustained by the Holder on the guaranteed portion of the loan it owns and Interest through the Interest Termination Date due on such portion.

(ii) To the Lender, subject to the provisions of this part and subpart D of part 4287 of this chapter, the lesser of:
   (A) Any loss sustained by the Lender on the guaranteed portion, including principal and Interest, through the Interest Termination Date, evidenced by the notes or assumption agreements and secured advances for protection and preservation of Collateral made with the Agency’s authorization; or
   (B) The guaranteed principal advanced to or assumed by the Borrower and any Interest due thereon through the Interest Termination Date.

(b) Credit quality of Borrower. The Agency will provide guarantees only after consideration is given to the Borrower’s overall credit quality and to the terms and conditions of any applicable subsidies, tax credits, and other such incentives.

(c) Quality of loan. All loans guaranteed under this subpart must be financially sound and feasible, with reasonable assurance of repayment.

(d) Gross negligence. Upon written request of the Lender, the Agency will consider changing the negligence standard to Grossly Negligent Loan Origination and Grossly Negligent Loan Servicing on a case-by-case basis. The Lender must establish to the Agency’s satisfaction that changing to the gross negligence standard does not materially impair the Agency’s interests, solely at the Agency’s discretion, subject to:

   (1) The lender has demonstrated capacity and experience in making and servicing loans of similar amounts and for transactions of comparable complexity;
   (2) The Agency’s review of the Lender’s underwriting, loan approval and loan servicing policies and procedures, and;
   (3) The Agency’s review of the Lender’s loan servicing plan.

§ 4279.221 Rights and liabilities.

When a guaranteed portion of a loan is sold to a Holder, the Holder will succeed to all rights of the Lender under the Loan Note Guarantee to the extent of the portion purchased.

(a) The Lender will remain bound to all obligations under the Loan Note
Guarantee, Lender’s Agreement, and the Agency Program regulations.

(b) A guarantee and right to require purchase will be directly enforceable by a Holder notwithstanding any fraud or misrepresentation by the Lender or any unenforceability of the guarantee by the Lender, except for fraud or misrepresentation of which the Holder had actual knowledge at the time it became the Holder or in which the Holder participates or condones.

(c) The Lender must reimburse the Agency for any payments the Agency makes to a Holder of Lender’s guaranteed loan that, under the Loan Note Guarantee, would not have been paid to the Lender had the Lender retained the entire interest in the guaranteed loan and not conveyed an interest to a Holder.

§ 4279.222 Payments.

A Lender will receive all payments of principal and interest on account of the entire loan and must promptly remit to the Holder its Pro Rata share of any payment received from the Borrower, determined according to its respective interest in the loan, less only the Lender’s servicing fee.

§ 4279.223 Sale or assignment of guaranteed loan.

The Lender may Participate or sell all or part of the guaranteed portion of the loan to retain the entire loan. The Lender must fully disburse and properly close a loan prior to sale of any portion of the Promissory Note(s). The Lender cannot Participate or sell any amount of the guaranteed or unguaranteed portion of the loan to the Borrower or its parent, subsidiary or Affiliate or to officers, directors, stockholders, other owners, or members of their Immediate Families. The Lender cannot share any premium received from the sale of a guaranteed loan in the secondary market with a Loan Packager or other Loan Service Provider. The participating Lenders and Holders and the Borrower can have no rights or obligations to one another. If the Lender desires to market all or part of the guaranteed portion of the loan at or subsequent to loan closing, such loan must not be in Default.

Lenders may use either the single Promissory Note or multi-note system as outlined in paragraphs (a) and (b) of this section.

(a) Single note system. The entire loan is evidenced by one Promissory Note, and one Loan Note Guarantee is issued. When the loan is evidenced by one Promissory Note, the Lender may not at a later date cause any additional notes to be issued.

(1) The Lender may assign all or part of the guaranteed portion of the loan to one or more Holders by using the Assignment Guarantee Agreement. The Lender must retain title to the Promissory Note. The Lender must complete and execute the Assignment Guarantee Agreement and return it to the Agency for execution prior to Holder execution.

(2) A Holder, upon written notice to the Lender and the Agency, may reassign the unpaid guaranteed portion of the loan, in full, sold under the Assignment Guarantee Agreement. Holders may only reassign the guaranteed portion in the complete block they have received and cannot subdivide or further split the guaranteed portion of a loan or retain an Interest strip.

(3) Upon notification and completion of the assignment through the use of the Assignment Guarantee Agreement, the assignee shall succeed to all rights and obligations of the Holder thereunder. Subsequent assignments require notice to the Lender and Agency using any format, including that used by the Bond Market Association, together with the transfer of the original Assignment Guarantee Agreement.

(4) The Agency will neither execute a new Assignment Guarantee Agreement to effect a subsequent reassignment nor reissue a duplicate Assignment Guarantee Agreement unless:

(i) The original was lost, stolen, destroyed, mutilated, or defaced; and

(ii) The reissue is in accordance with § 4279.226.

(5) The Assignment Guarantee Agreement clearly states the percentage and corresponding amount of the guaranteed portion it represents and the Lender’s servicing fee. A servicing fee may be charged by the Lender to a Holder and is calculated as a percentage per annum of the unpaid balance of

738
the guaranteed portion of the loan assigned by the Assignment Guarantee Agreement. The Agency is not and will not be a party to any contract between the Lender and another party where the Lender sells its servicing fee in an Arm’s Length Transaction. The Agency will not acknowledge, approve, or have any liability to any of the parties of such contract.

(b) Multi-note system. Under this option, the Lender may provide multiple Promissory Notes for the unguaranteed and the guaranteed portions of the loan. All Promissory Notes must reflect the same payment terms. When the Lender selects this option, the Holder will receive one of the Borrower’s executed notes and a Loan Note Guarantee. The Agency will issue a Loan Note Guarantee for each Promissory Note, including the unguaranteed Promissory Note(s), to be attached to the Promissory Note(s). An Assignment Guarantee Agreement will not be used when the multi-note option is utilized.

§ 4279.224 Minimum retention.

The Lender is required to hold a minimum of 7.5 percent of the total loan amount. The amount required to be held must be of the unguaranteed portion of the loan and cannot be Participated to another Person. The Agency may reduce the minimum retention below 7.5 percent on a case by case basis when the Lender establishes to the Secretary’s satisfaction that reduction of the minimum retention percentage is to meet compliance with the Lender’s regulatory authority. The Lender must retain interest in the Collateral, and retain the servicing responsibilities for the guaranteed loan.

§ 4279.225 Repurchase from Holder.

(a) Repurchase by Lender. A Lender has the option to repurchase the unpaid guaranteed portion of the loan from a Holder within 30 days of written demand by the Holder when the Borrower is in Default not less than 60 days on principal or Interest due on the loan; or when the Lender has failed to remit to the Holder its Pro Rata share of any payment within 30 days of the Lender’s receipt thereof from the Borrower. The repurchase by the Lender will be for an amount equal to the unpaid guaranteed portion of principal and accrued Interest less the Lender’s servicing fee. The Holder must concurrently send a copy of the demand letter to the Agency. The Lender must accept an assignment without recourse from the Holder upon repurchase. The Lender is encouraged to repurchase the loan, upon written demand from the Holder, to facilitate the accounting of funds, resolve any loan problem, and resolve the Default, where and when reasonable. The benefit to the Lender is that it may re-sell the guaranteed portion of the loan in order to continue collection of its servicing fee if the Default is cured. The Lender must notify, in writing, the Holder and the Agency of its decision.

(b) Agency repurchase. (1) The Lender’s servicing fee will stop on the date that Interest was last paid by the Borrower when the Agency purchases the guaranteed portion of the loan from a Holder. The Lender cannot charge such servicing fee to the Agency and must apply all loan payments and Collateral proceeds received to the guaranteed and unguaranteed portions of the loan on a Pro Rata basis.

(2) If the Agency repurchases 100 percent of the guaranteed portion of the loan, the Agency will not continue collection of the Annual Renewal Fee from the Lender.

(3) If the Lender does not repurchase the unpaid guaranteed portion of the loan as provided in paragraph (a) of this section, the Agency will purchase from the Holder the unpaid principal balance of the guaranteed portion together with accrued Interest to date of repurchase or the Interest Termination Date, whichever is sooner, less the Lender’s servicing fee, within 30 days after written demand to the Agency from the Holder.

(4) When Lender has accelerated the account, and subject to the expiration of any forbearance or workout agreement, the Lender, or the Agency at its sole discretion, must issue a letter to the Holder(s) establishing the Interest Termination Date. Accrued Interest to be paid to the Holder(s) will be calculated from the date Interest was last paid on the loan with a termination
date not to exceed the Interest Termination Date.

(5) When the Lender has accelerated the account and the Lender holds all or a portion of the guaranteed loan, an estimated loss claim (loan in the liquidation process) must be filed by the Lender with the Agency within 60 days. Accrued Interest paid to the Lender will be calculated from the date Interest was last paid on the loan to the Interest Termination Date.

(6) The Holder’s demand to the Agency must include a copy of the written demand made upon the Lender. The Holder must also include evidence of its right to require payment from the Agency. Such evidence must consist of either the original of the Loan Note Guarantee properly endorsed to the Agency or the original of the Assignment Guarantee Agreement properly assigned to the Agency without recourse including all rights, title, and interest in the loan. When the single-note system is utilized and the initial Holder has sold its interest, the current Holder must present the original Assignment Guarantee Agreement and an original of each Agency approved assignment document in the chain of ownership, with the latest assignment being assigned to the Agency without recourse, including all rights, title, and interest in the guarantee. The Holder must include in its demand the amount due including unpaid principal, unpaid Interest to date of demand, and Interest subsequently accruing from date of demand to proposed payment date. The Agency will be subrogated to all rights of the Holder.

(7) Upon request by the Agency, the Lender must furnish within 30 days of such request a current statement certified by an appropriate authorized officer of the Lender of the unpaid principal and Interest then owed by the Borrower on the loan and the amount then owed to any Holder, along with the information necessary for the Agency to determine the appropriate amount due the Holder. Any discrepancy between the amount claimed by the Holder and the information submitted by the Lender must be resolved between the Lender and the Holder before payment will be approved. Such conflict will suspend the running of the 30 day payment requirement.

(8) Purchase by the Agency neither changes, alters, nor modifies any of the Lender’s obligations to the Agency arising from the loan or guarantee nor does it waive any of Agency’s rights against the Lender. The Agency will have the right to set-off against the Lender all rights inuring to the Agency as the Holder of the instrument against the Agency’s obligation to the Lender under the guarantee.

(c) Repurchase for servicing. If the Lender, Borrower, and Holder are unable to agree to restructuring of loan repayment, Interest rate, or loan terms to resolve any loan problem or resolve the Default and repurchase of the guaranteed portion of the loan is necessary to adequately service the loan, the Holder must sell the guaranteed portion of the loan to the Lender for an amount equal to the unpaid principal and Interest on such portion less the Lender’s servicing fee. The Lender must not repurchase from the Holder for arbitrage or other purposes to further its own financial gain. Any repurchase must only be made after the Lender obtains the Agency’s written approval. If the Lender does not repurchase the guaranteed portion from the Holder, the Agency may, at its option, purchase such guaranteed portion for servicing purposes.

§ 4279.226 Replacement of document.

(a) The Agency may issue a replacement Loan Note Guarantee or Assignment Guarantee Agreement which was lost, stolen, destroyed, mutilated, or defaced to the Lender or Holder upon receipt of an acceptable certificate of loss and an indemnity bond.

(b) When a Loan Note Guarantee or Assignment Guarantee Agreement is lost, stolen, destroyed, mutilated, or defaced while in the custody of the Lender or Holder, the Lender must coordinate the activities of the party who seeks the replacement documents and must submit the required documents to the Agency for processing. The requirements for replacement are as follows:

(1) A certificate of loss, notarized and containing a jurat, which includes:

(i) Name and address of owner;
(ii) Name and address of the Lender of record;

(iii) Capacity of Person certifying;

(iv) Full identification of the Loan Note Guarantee or Assignment Guarantee Agreement including the name of the Borrower, the Agency’s case number, date of the Loan Note Guarantee or Assignment Guarantee Agreement, face amount of the evidence of debt purchased, date of evidence of debt, present balance of the loan, percentage of guarantee, and, if an Assignment Guarantee Agreement, the original named Holder and the percentage of the guaranteed portion of the loan assigned to that Holder. Any existing parts of the document to be replaced must be attached to the certificate;

(v) A full statement of circumstances of the loss, theft, destruction, defacement, or mutilation of the Loan Note Guarantee or Assignment Guarantee Agreement; and

(vi) For the Holder, evidence demonstrating current ownership of the Loan Note Guarantee and Promissory Note or the Assignment Guarantee Agreement. If the present Holder is not the same as the original Holder, a copy of the endorsement of each successive Holder in the chain of transfer from the initial Holder to present Holder must be included. If copies of the endorsement cannot be obtained, best available records of transfer must be submitted to the Agency (e.g., order confirmation, canceled checks, etc.).

(2) An indemnity bond acceptable to the Agency must accompany the request for replacement except when the Holder is the United States, a Federal Reserve Bank, a Federal corporation, a State or territory, or the District of Columbia. The indemnity bond must be with surety except when the outstanding principal balance and accrued Interest due the present Holder is less than $1 million verified by the Lender in writing in a letter of certification of balance due. The surety must be a qualified surety company holding a certificate of authority from the Secretary of the Treasury and listed in Treasury Department Circular 570.

(3) All indemnity bonds must be issued and payable to the United States of America acting through the Agency. The bond must be in an amount not less than the unpaid principal and Interest. The bond must hold the Agency harmless against any claim or demand that might arise or against any damage, loss, costs, or expenses that might be sustained or incurred by reasons of the loss or replacement of the instruments.

(4) In those cases where the guaranteed loan was closed under the provision of the multi-note system, the Agency will not attempt to obtain, or participate in the obtaining of, replacement Promissory Notes from the Borrower. The Holder is responsible for bearing the costs of Promissory Note replacement if the Borrower agrees to issue a replacement instrument. Should such Promissory Note be replaced, the terms of the Promissory Note cannot be changed. If the evidence of debt has been lost, stolen, destroyed, mutilated or defaced, such evidence of debt must be replaced before the Agency will replace any instruments.

In accordance with the Equal Credit Opportunity Act (15 U.S.C. 1691, et seq.), with respect to any aspect of a credit transaction, neither the Lender nor the Agency will discriminate against any applicant on the basis of race, color, religion, national origin, sex, marital status or age (providing the applicant has the capacity to contract), or because all or part of the applicant’s income derives from a public assistance program, or because the applicant has, in good faith, exercised any right under the Consumer Protection Act. The Lender must comply with the requirements of the Equal Credit Opportunity Act as contained in the Federal Reserve Board’s Regulation implementing that Act (see 12 CFR part 202) prior to loan closing.

§§ 4279.228–4279.230 [Reserved]

§ 4279.231 Fees.

(a) Guarantee fee. The guarantee fee is paid to the Agency by the Lender and is nonrefundable. The fee may be passed on to the Borrower. Issuance of
the Loan Note Guarantee is conditioned on payment of the guarantee fee by closing. The guarantee fee will be the percentage specified in paragraphs (a)(1) or (2) of this section, as applicable, unless otherwise specified by the Agency in a notice published in the Federal Register, multiplied by the principal loan amount multiplied by the percent of guarantee and will be paid one time only at the time the Loan Note Guarantee is issued.

(1) For loans receiving a 90 percent guarantee, the guarantee fee is three percent.

(2) For loans receiving less than a 90 percent guarantee, the guarantee fee is:
   (i) Two percent for guarantees on loans greater than 75 percent of total Eligible Project Costs.
   (ii) One and one-half percent for guarantees on loans of greater than 65 percent but less than or equal to 75 percent of total Eligible Project Costs.
   (iii) One percent for guarantees on loans of 65 percent or less of total Eligible Project Costs.

(b) Annual Renewal Fee. The Annual Renewal Fee, which may be passed on to the Borrower, is paid by the Lender to the Agency for as long as the guarantee is outstanding and is payable during the construction period.

(1) The amount of the annual renewal fee is calculated by the outstanding principal loan balance as of December 31 of each year multiplied by the Annual Renewal Fee rate, multiplied by the percent of guarantee. The rate is the rate in effect at the time the loan is obligated, and will remain in effect for the life of the loan.

(2) The Annual Renewal Fee is paid once a year and is required to maintain the enforceability of the guarantee as to the lender. Annual Renewal Fees are due on January 31. Payments not received by April 1 are considered delinquent and, at the Agency's discretion, may result in cancellation of the guarantee to the lender. Holders' rights will continue in effect as specified in the Loan Note Guarantee and Assignment Guarantee Agreement. Any delinquent Annual Renewal Fees will bear interest at the note rate and will be deducted from any loss payment due the lender. For loans where the Loan Note Guarantee is issued between October 1 and December 31, the first Annual Renewal Fee payment will be due January 31 of the second year following the date the Loan Note Guarantee was issued.

(3) When the Agency repurchases 100 percent of the guaranteed portion of the loan, the Agency will not continue collection of the Annual Renewal Fee.

(4) Unless otherwise specified by the Agency in a notice published in the Federal Register, the Annual Renewal Fee rate will be as follows:
   (i) One hundred basis points (1 percent) for guarantees on loans that were originally greater than 75 percent of total Eligible Project Costs.
   (ii) Seventy five basis points (0.75 percent) for guarantees on loans that were originally greater than 65 percent but less than or equal to 75 percent of total Eligible Project Costs.
   (iii) Fifty basis points (0.50 percent) for guarantees on loans that were originally for 65 percent or less of Total Eligible Project Costs.

(c) Routine Lender fees. The Lender may establish charges and fees for the loan provided they are similar to those normally charged other applicants for the same type of loan in the ordinary course of business, and these fees are an eligible use of loan proceeds. The Lender must document such routine fees on Form RD 4279–1, “Application for Loan Guarantee.” The Lender may charge prepayment penalties and late payment fees that are stipulated in the loan documents, as long as they are reasonable and customary; however, the Loan Note Guarantee will not cover either prepayment penalties or late payment fees.

§ 4279.232 Guaranteed loan funding.

(a) The amount of a loan guaranteed for a Project under this subpart will not exceed 80 percent of total Eligible Project Costs. Total Federal participation will not exceed 80 percent of total Eligible Project Costs. The Borrower needs to provide the remaining 20 percent from non-Federal sources to complete the Project. Eligible Project Costs are specified in §4279.210(d). If an eligible Borrower receives other direct Federal funding (i.e., direct loans or grants) for a Project, the maximum amount of the loan that the Agency
will guarantee under this subpart must be reduced by the same amount of the other direct Federal funding that the eligible Borrower received for the Project. For example, an eligible Borrower is applying for a loan guarantee on a $100,000,000 Project. If the Borrower receives no other direct Federal funding for this Project, requests an $80,000,000 guaranteed loan, the Agency will consider a guarantee on the $80,000,000. However, if this Borrower receives $10,000,000 in other direct Federal funding for this Project, the Agency will only consider a guarantee on $70,000,000.

(b) The maximum principal amount of a loan guaranteed under this subpart is $250 million to one Borrower; there is no minimum amount.

(c) The maximum guarantee on the principal and Interest due on a loan guaranteed under this subpart will be determined as specified in paragraphs (c)(1) through (4) of this section.

(1) If the loan amount is equal to or less than $125 million, 80 percent for the entire loan amount unless all of the conditions specified in paragraphs (c)(1)(i) through (iii) of this section are met, in which case 90 percent for the entire loan amount.

(i) Total Federal participation, sum of the amount of the loan requested and other direct Federal funding, must not be greater than 60 percent of total Eligible Project Costs;

(ii) Feedstock and Off-Take Agreements of at least 1 year in duration; and

(iii) Total of revenues from tax credits, carbon credits, or other Federal or State subsidies cannot be greater than 10 percent of the Project’s total revenues on an annual basis, in the Borrower’s base case of financial projections.

(2) If the loan amount is more than $125 million and less than $150 million, 80 percent for the entire loan amount.

(3) If the loan amount is equal to or more than $150 million but less than $200 million, 70 percent on the entire loan amount.

(4) If the loan amount is $200 million up to and including $250 million, 60 percent on the entire loan amount.

§ 4279.233 Interest rates.

The Interest rate for the guaranteed loan will be negotiated between the Lender and the Borrower and may be either fixed or variable, or a combination thereof, as long as it is a legal rate. Interest rates will not be more than those rates the Lender customarily charges Borrowers for non-guaranteed loans in similar circumstances in the ordinary course of business and are subject to Agency review and approval. Lenders are encouraged to utilize the secondary market and pass Interest-rate savings on to the Borrower.

(a) A variable Interest rate must be a rate that is tied to a published base rate. The variable Interest rate must be specified in the Promissory Note and may be adjusted at specified intervals during the term of the loan, but the adjustments may not be more often than once each Calendar Quarter. The Lender must incorporate, within the variable rate Promissory Note at loan closing, the provision for adjustment of payment installments. The Lender must properly amortize the outstanding principal balance within the prescribed loan maturity in order to eliminate the possibility of a balloon payment at the end of the loan.

(b) Any change in the base rate or fixed Interest rate between issuance of the Conditional Commitment and the issuance of the Loan Note Guarantee must be approved by the Agency. Approval of such a change must be shown as an amendment to the Conditional Commitment and must be reflected on the Guaranteed Loan Closing Report.

(c) It is permissible to have different Interest rates on the guaranteed and unguaranteed portions of the loan.

§ 4279.234 Terms of loan.

The loan terms, other than Interest, must be the same for both the guaranteed and unguaranteed portions of the loan.

(a) The repayment term for a loan under this subpart will be no greater than the lesser of 20 years from the date of loan closing or the useful life of the Project, as determined by the Lender and confirmed by the Agency. Both the guaranteed and unguaranteed portions of the loan must be amortized over the same term.
(b) A loan’s maturity will take into consideration the use of proceeds, the useful life of assets being financed, and the Borrower’s ability to repay the loan.

(c) The first installment of principal and Interest will, if possible, be scheduled for payment after the Project is operational and has begun to generate income. However, the first full installment must be due and payable within three years from the date of the Promissory Note and be paid at least annually thereafter. In cases where there is an Interest-only period, Interest will be paid at least annually from the date of the Promissory Note.

(d) Only loans that require a periodic payment schedule that will retire the debt over the term of the loan without a balloon payment will be guaranteed except the final payment may be the funds held in the debt service reserve account.

§ 4279.235 Collateral.

The Lender is responsible for obtaining and maintaining proper and adequate Collateral to protect the interest of the Lender, the Holder, and the Agency. Collateral must be of such a nature that repayment of the loan is reasonably ensured when considered with the integrity and ability of Project management, soundness of the Project, and the Borrower’s prospective earnings. The Collateral may include, but is not limited to, the following: Revenue, land, easements, rights-of-way, buildings, machinery, equipment, inventory, accounts receivable, contracts, cash, or other accounts, licenses and assignments of leases or leasehold interest.

(a) The entire loan, the guaranteed and unguaranteed portions, must be secured by a first lien on all assets of the Project including all assets in the Project budget. The Agency may consider a subordinate lien position on inventory and accounts receivable to Working Capital loans including revolving lines of credit provided the Agency determines the Working Capital is necessary for the operation and with the Subordination, the loan remains adequately secured.

(b) The entire loan must be secured by the same security with equal lien priority for the guaranteed and unguaranteed portions of the loan. The unguaranteed portion of the loan will neither be paid first nor given any preference or priority over the guaranteed portion.

§§ 4279.236–4279.242 [Reserved]

§ 4279.243 Insurance.

The Lender is responsible for ensuring that required insurance is maintained by the Borrower. The Lender must be shown as an additional insured on insurance policies (or other risk sharing instruments) that benefit the Project and must be able to assume any contracts that are material to the Project, including any feedstock or Off-Take Agreements, as may be applicable.

(a) Hazard. Hazard insurance with a standard clause naming the Lender as mortgagee or loss payee, as applicable, is required for the life of the guaranteed loan. The amount must be at least equal to the replacement value of the Collateral or the outstanding balance of the loan, whichever is the greater amount.

(b) Life. The Lender may require as Collateral an assignment of life insurance to insure against the risk of death of persons critical to the success of the business. When required, coverage must be in amounts necessary to provide for management succession or to protect the business. The Agency may require life insurance on key individuals for loans where the Lender has not otherwise proposed such coverage. The cost of insurance and its effect on the applicant’s Working Capital must be considered as well as the amount of existing insurance that could be assigned without requiring additional expense.

(c) Worker compensation. Worker compensation insurance is required in accordance with State law.

(d) Flood. National flood insurance is required in accordance with applicable law.

(e) Other. The Lender must consider whether public liability, business interruption, malpractice, and other insurance is appropriate to the Borrower’s particular business and must require the Borrower to obtain such insurance as is necessary to protect the interests
§ 4279.244 Appraisals.

(a) Lenders must obtain appraisals for real estate when the value of the Collateral exceeds $250,000. Each appraisal must be reported in a manner that summarizes all of the information necessary for the intended users to understand the report and contain all information pertinent to the appraiser’s opinions and conclusions.

(1) Appraisals must not be more than one year old, and a more recent appraisal may be requested by the Agency in order to reflect more current market conditions. For loan servicing purposes, an appraisal may be updated in lieu of a complete new appraisal when the original appraisal is more than one year old, but less than two years old.

(2) Specialized appraisers will be required to complete appraisals under this section. The Agency may approve a waiver of this requirement only if a specialized appraiser does not exist in a specific industry. The Agency will require documentation that the appraiser has the necessary experience and competency to appraise the property in question.

(3) All real property appraisals associated with Agency guaranteed loan origination and servicing transactions must meet the requirements contained in the Financial Institutions Reform, Recovery and Enforcement Act (FIRREA) of 1989 and the appropriate guidelines contained in Standards 1 and 2 of the Uniform Standards of Professional Appraisal Practices (USPAP) and be performed by a State Certified General Appraiser. Notwithstanding any exemption that may exist for transactions guaranteed by a Federal Government agency, all appraisals obtained by the Lender for origination and servicing must conform to the Interagency Appraisal and Evaluations Guidelines established by the Lender’s primary Federal or State regulator.

(4) All appraisals must include consideration of the potential effects from a release of hazardous substances or petroleum products or other environmental hazards on the Market Value of the Collateral. The Lender must complete and submit its technical review of the appraisal. For construction Projects, the Lender must use the “as-completed” Market Value of the real estate to determine value of the real estate property. For all proposals, Lenders must obtain a Phase I Environmental Site Assessment in accordance with ASTM International Standards, which should be provided to the appraiser for completion of the appraisal. For additional guidance and information refer to “Phase I Environmental Site Assessment,” published by the American Society of Testing and Materials.

(b) Chattels must be evaluated in accordance with normal banking practices and generally accepted methods of determining value. Chattel appraisals must reflect the age, condition, and remaining useful life of the equipment. If the appraisal is completed by a State licensed/certified appraiser, the appraisal report must comply with USPAP Standards 7 and 8.

§ 4279.245 Personal and corporate guarantees.

(a) Unconditional personal and corporate guarantees are required for the full term of the loan from Persons owning 20 percent or greater interest in the borrower.

(b) When warranted by an Agency assessment and its credit evaluation, guarantees may also be required of parent, subsidiaries, affiliated companies, Persons owning less than a 20 percent interest in the borrower, or Persons whose ownership interest in the Borrower is held indirectly through intermediate entities.

(c) The Agency may require the guarantees to be secured.

(d) Partial guarantees and exemptions to the requirement for guarantees may be requested by the Lender and are subject to concurrence by the Agency approval official on a case-by-case basis when warranted by an Agency assessment and its credit evaluation in accordance with §4279.215(b). If partial guarantees are required, the partial guarantee will be at least equal to each owner’s percentage of interest in the Borrower multiplied by the loan amount.
§ 4279.246–4279.255

(e) All personal and corporate guarantors must execute Form RD 4279–14, “Unconditional Guarantee,” and any guarantee form required by the Lender. The Agency will retain the original, executed Form RD 4279–14.

(1) Any amounts paid by the Agency on behalf of an Agency Borrower will constitute a Federal Debt owed to the Agency by the Borrower.

(2) Any amounts paid by the Agency pursuant to a claim by a Lender will constitute a Federal Debt owed to the Agency by a guarantor of the loan, to the extent of the amount of the guarantor’s guarantee.

(3) In all instances under paragraphs (c)(1) and (2) of this section, Interest charges will be assessed at the Promissory Note Interest rate on the date a loss claim is paid.

§§ 4279.246–4279.255 [Reserved]

§ 4279.256 Construction planning and performing development.

The Lender and Borrower must comply with paragraphs (a) through (l) of this section. The Lender may contract for services and may rely on certain written materials and other reports to be provided by an independent engineer and other qualified third parties.

(a) Design policy. The Lender must monitor and require the Borrower ensure that all facilities constructed with Program funds are designed, and costs estimated, by an independent professional utilizing accepted architectural, engineering, and design practices and conform to applicable Federal, State, and local codes and requirements.

(b) Project control. (1) The Lender must monitor the progress of construction and confirm the reviews and inspections necessary to ensure that construction conforms to applicable Federal, State, and local code requirements have been performed; proceeds are used in accordance with the approved plans, specifications, and contract documents; and that loan funds are used for Eligible Project Costs in accordance with the purposes approved by the Agency in its Conditional Commitment. The Lender must expeditiously report any problems in Project development to the Agency.

(2) The Lender must ensure an onsite Project inspector or independent engineer monitors the Project.

(3) The Lender must monitor the Project to confirm that the Project will be completed with available funds and, once completed, will be used for its intended purpose and produce products in the quality and quantity proposed in the completed application approved by the Agency. Once construction is completed, the Lender must provide the Agency with a copy of the notice of completion.

(4) Prior to the disbursement of construction funds, the Lender shall:

(i) Have on file the major drawings issued for construction and major equipment specifications issued for procurement;

(ii) Have a detailed timetable for the Project with a corresponding budget of costs, setting forth the parties responsible for payment;

(iii) Ensure that the independent engineer confirms that the budget is adequate for the Project;

(iv) Require the Borrower to have a firm fixed-price engineering, procurement and construction (EPC) contract in place which includes performance guarantees customary and reasonable for a project of this nature or engineering, construction, and procurement contracts in place with vendors and construction contractors for the construction of the Project, each on customary terms and conditions;

(v) Require provisions for change order approvals, a retainage percentage, and a disbursement schedule;

(vi) Require the Borrower to have contingencies in place to handle unforeseeable cost overruns without seeking additional Agency assistance. These contingencies must be agreed to by the Agency.

(c) Changes and cost overruns. The Borrower is responsible for any changes or cost overruns. If any such change or cost overrun occurs, then any change order must be expressly approved by the Agency, which approval shall not be unreasonably withheld, and neither the Lender nor Borrower will divert funds from purposes identified in the guaranteed loan application approved by the Agency to pay for any such change or cost overrun without
the express written approval of the Agency. In no event will the current loan be modified or a subsequent guaranteed loan be approved to cover any such changes or costs. In the event of any of the aforementioned increases in cost or expenses, the Borrower must provide for such increases in a manner that does not diminish the Borrower’s operating capital. Failure to comply with the terms of this paragraph (c) will be considered a Material Adverse Change in the Borrower’s financial condition, and the Lender must address this matter, in writing, to the Agency’s satisfaction.

(d) New draw certifications. The following three certifications are required for each new draw:

(1) Certification by the Project engineer to the Lender that the work referred to in the draw has been successfully completed;

(2) Certification that all debts have been paid and all mechanics’ liens have been waived; and

(3) Certification that the Borrower is complying with the Davis-Bacon Act (see paragraph (h) of this section).

(e) Surety. Surety, as the term is commonly used in the industry, will be required. The Borrower must have either 100 percent performance/payment bonds on the contractors or a guarantee from a creditworthy parent entity or an alternative acceptable to the Lender and the Agency and must be secured. The bonding agent must be listed on Treasury Circular 570.

(f) Equal opportunity. For all construction contracts in excess of $10,000, the contractor must comply with Executive Order 11246, entitled “Equal Employment Opportunity,” as amended by Executive Order 11375, and as supplemented by applicable Department of Labor regulations (41 CFR part 60). The Borrower and Lender are responsible for ensuring that the contractor complies with these requirements.

(g) Americans with Disabilities Act (ADA). Construction of or addition to facilities that accommodate the public or commercial facilities, as defined by the ADA, must comply with the ADA.

(h) Wage rates. As a condition of receiving a loan guaranteed under this subpart, each Borrower shall ensure that all laborers and mechanics employed by contractors or subcontractors in the performance of construction work financed in whole or in part with guaranteed loan funds under this subpart shall be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with sections 3141 through 3144, 3146, and 3147 of title 40, U.S.C. Awards under this subpart are further subject to the relevant regulations contained in 29 CFR part 5.

(i) Reporting during construction. Lenders must submit monthly construction and quarterly progress reports to the Agency, as specified in paragraphs (i)(1) and (2), respectively, of this section and the Borrower information specified in paragraph (i)(3) of this section.

(1) Monthly construction reports documenting the use of the Project funding until construction is completed. The reports must include the following:

(i) Certifications for each draw request:

(A) Certification by the independent engineer to the Lender that the work referred to in the draw has been successfully completed;

(B) Certification from the Borrower and independent engineer or that the proceeds of the prior draw have been applied to Eligible Project Costs in accordance with the draw request and that the contractors have delivered mechanics’ lien waivers in connection with such draw; and

(C) Certification from the Borrower as to its compliance with the Davis-Bacon Act confirmed by the independent engineer;

(ii) List of invoices;

(iii) Detail of equity and Guaranteed Loan funds paid to date;

(iv) Status of construction and inspection reports; and

(v) Concerns, potential problems, cost overruns, etc.

(2) Quarterly progress reports by the end of each Calendar Quarter, unless more frequent ones are needed as determined by the Agency, through the time when the facility is producing at its designed capacity at a steady state. These reports must contain, at a minimum, planned and completed construction milestones, loan advances,
and personnel hiring, training, and retention and commissioning and ramp-up milestones and performance reports. This requirement applies to both the development and construction of Commercial-Scale Biorefineries and to the Retrofitting of existing facilities using Eligible Technology for the development of Advanced Biofuels and Biobased Products including Renewable Chemicals. The Lender must expeditiously report any problems in Project development to the Agency.

(3) Once construction is completed, the Lender must provide the Agency with:

(i) A copy of all required material building permits, with sign-offs;

(ii) Notice of Completion or an Agency approved equivalent; and

(iii) Final accounting of sources and uses of all Project funds.

§§ 4279.257–4279.258 [Reserved]

§ 4279.259 Borrower responsibilities.

(a) Federal, State, and local regulations. Borrowers must comply with all Federal, State, and local laws and rules that are in existence and that affect the Project including, but not limited to:

(1) Land use zoning;

(2) Health, safety, and sanitation standards as well as design and installation standards; and

(3) Protection of the environment and consumer affairs.

(b) Permits, agreements, and licenses. Borrowers must obtain all permits, agreements, and licenses that are applicable to the Project.

(c) Insurance. The Borrower is responsible for maintaining all hazard, flood, liability, worker compensation, and personal life insurance, when required, for the Project.

(d) Access to Borrower’s records. Except as provided by law, upon request by the Agency, the Borrower will permit representatives of the Agency (or other Federal agencies as authorized by the Agency) to inspect and make copies of any of the records of the Borrower’s Project. Such inspection and copying may be made during regular office hours of the Borrower or at any other time agreed upon between the Borrower and the Agency.

(e) Access to the Project. The Borrower must allow the Agency access to the Project and its performance information until the loan is repaid in full and permit periodic inspections of the Project by a representative of the Agency.

APPLICATIONS

§ 4279.260 Guarantee applications—general.

(a) Application submittal. (1) For each guarantee request, the Lender or the Borrower must submit to the Agency a non-binding letter of intent to apply for loan guarantee not less than 30 calendar days prior to the application deadline as provided in paragraph (b) of this section. The letter must identify the Borrower, the Lender and Project sponsors; describe the Project and Project location; describe the proposed feedstock, primary technologies of the facility and primary products produced; estimate the Total Project Cost and amount of loan requested; and any additional information specified in the annual FEDERAL REGISTER notice, if any. Applications that do not submit a letter of intent may be accepted by the Agency at the Agency’s discretion.

(2) For each guarantee request, the Lender must submit to the Agency an application that is in conformance with § 4279.261. The methods of application submittal will be specified in the annual FEDERAL REGISTER notice.

(b) Application deadline. Unless otherwise specified by the Agency in a notice published in the FEDERAL REGISTER, application deadlines are October 1 and April 1 of each year. Complete applications must be received by the Agency on or before April 1 of each year to be considered for funding for that fiscal year. If the application deadline falls on a weekend or an observed holiday, the deadline will be the next Federal business day. The deadlines in this paragraph (b) relate to Phase 1 applications in accordance with § 4279.261.

(c) Incomplete applications. Incomplete applications will be rejected. Lenders will be informed of the elements that made the application incomplete. If a resubmitted application
is received by the applicable application deadline, the Agency will reconsider the application.

(d) Application withdrawal. During the period between the submission of an application and closing, the Lender must notify the Agency, in writing, if the Project is no longer viable or the Borrower is no longer requesting financial assistance for the Project. When the Lender so notifies the Agency, the Agency will rescind the selection or withdraw the application.

(e) Application revisions and updates. During the period between the submission of an application and closing, the Lender must notify the Agency, in writing, of revisions to the Project including but not limited to revisions to technology utilized in the Project, feedstock, Off-Take Agreements, ownership structure, and Project financing. The Agency may require submittal of updated application and supporting materials. The Agency will complete the application priority scoring in accordance with §4279.266 based on the application materials received by the Agency prior to the application deadline. Subsequent changes to an application that result in a lower priority score could result in the Agency discontinuing processing of the application.

§4279.261 Application for loan guarantee content.

Lenders must submit a complete application for each loan guarantee sought under this subpart. Components of an application are submitted in two phases. Phase 1 applications, which are the initial application submissions, must contain the information specified in paragraphs (a) through (j) of this section, organized pursuant to a table of contents in a chapter format. Phase 2 application components may be submitted after the Agency invites the Lender and Borrower to make the phase 2 submittal and must contain the information specified in paragraph (k) of this section.

(a) Project Summary. Provide a concise summary of the proposed Project and application information, Project purpose and need, and Project goals, including the following:

1. Title. Provide a descriptive title of the Project.
2. Borrower eligibility. Describe how the Borrower meets the eligibility criteria identified in §4279.209.
3. Project eligibility. Describe how the Project meets the eligibility criteria identified in §4279.210. Clearly state whether the application is for the construction and development of a Biorefinery or for the Retrofitting of an existing facility. Additional Project description information will be needed later in the application process.
4. Project funds. Submit a Spreadsheet identifying sources, amounts, and availability of funds. The Spreadsheet must also include a directory of funds source contact information. Attach any applications, correspondence, or other written communication between Borrower and fund source.
5. Project timeline. A projected timeline detailing the timeline commencing with the loan application phase 1, including the loan application phase 2, final Project planning and engineering, obtaining required permits, loan closing, plant construction, commissioning and ramp up through stabilized state of operation.

(b) Application form. Form RD 4279-1 or other Agency-approved application form if specified in a FEDERAL REGISTER notice.

(c) Financial statements. (1) The most recent audited financial statements of the Borrower, unless alternative financial statements are authorized by the Agency; and
2. A current (not more than 90 days old) balance sheet and a pro forma balance sheet at startup.

(d) Financial model. Submit a financial model for the Project in the form of a financial modeling software program in an active electronic format which includes, but is not limited to, a projected Project budget and projected balance sheets, income and expense statements, cash flow statements, and Working Capital and capital expense projections for not less than the term of the loan. The projections must be displayed in a monthly format for a period of three years after stabilized operation and annually thereafter. Projections should be supported by a list of assumptions showing the basis for
the projections. Depending on the complexity of the Project and the financial condition of the Borrower, the Agency may require additional financial statements and additional related information.

(e) Feasibility Study. The Feasibility Study should be prepared by a qualified, independent third party using information gathered from other qualified parties and documents such as:

Table 1—Feasibility Study Components

(A) Executive summary

Introduction/Project Overview (Brief general overview of Project location, size, etc.).
Economic feasibility determination.
Market feasibility determination.
Technical feasibility determination.
Financial feasibility determination.
Management feasibility determination.
Recommendations for implementation.

(B) Economic Feasibility

Description of feedstock and confirmation that the feedstock is not used elsewhere in the production of Advanced Biofuels or Biobased Products including Renewable Chemicals.
Feedstock:
  Feedstock source management,
  Estimates of feedstock volumes and costs,
  Collection, pre-treatment, transportation, and storage, and
  Feedstock risks.
Documentation that woody biomass feedstock from National Forest system lands or public lands cannot be used for a higher-value product.
Impacts on any other similar Biorefineries in the area in which the Borrower proposes to place the Project, defined as the area that will supply the feedstock to the proposed Project, if any.
Impacts on existing manufacturing plants or other facilities that use similar feedstock if the Borrower’s proposed production technology is adopted.
Projected impact on resource conservation, public health, and the environment.
Information regarding Project site.
Availability of trained or trainable labor.
Availability of infrastructure, including utilities, and rail, air and road service to the site.
Overall economic impact of the Project, including direct jobs, indirect jobs, additional markets created for agricultural and forestry products and agricultural waste material and the potential for Rural economic development.
Feasibility/plans of Project to work with producer associations or cooperatives and the estimated amount of annual feedstock purchased from or sold to producer associations and cooperatives.

(C) Market Feasibility

Information on the sales organization and management.
Nature and extent of market and market area.
Marketing plans for sale of projected output—principal products and Byproducts.
Extent of competition, including other similar facilities in the market area.
Commitments from purchasers of off-take—principal products and secondary products, degree of commitment, duration or terms of Off-Take Agreements, and financial strength of counterparties.
Risks related to the industry, including:
  Industry status;
Specific market risks; and
Competitive threats and advantages.

(D) Technical Feasibility
Suitability of the selected site for the intended use.
Scale of development for which the process technology has been proven (i.e., pilot, demonstration, or Semi-Work Scale Facility). Provide results from pilot, demonstration, or Semi-Work Scale Facilities that prove that the technology proposed to be used is feasible and stands a good chance of being successful. The proposed technology must meet the definition of Eligible technology.
The degree of integration of all processes should be detailed and a summary of any integrated demonstration unit test results should be submitted.
Specific volume produced from the technology of the process (expressed either as volume of feedstock processed [tons per unit of time] or as product [gallons per unit of time]).
Identification and estimation of Project operation and development costs. Specify the level of accuracy of these estimates and the assumptions on which these estimates have been based. Detailed analysis of Project costs including: Project management and professional services; resource assessment; Project design and permitting; land agreements and site preparation; equipment requirements and system installation; startup and shakedown; and warranties, insurance, financing and operation and maintenance costs.
A projected timeline detailing Borrower plans from the time of loan application through plant construction, commissioning and ramp up should be included.
Ability of the proposed system to be commercially replicated.
Risks related to:
Construction of the Biorefinery;
Production of the Advanced Biofuel and Biobased Product including Renewable Chemical;
Regulation and governmental action;
Design-related factors that may affect Project success; and
Technology scale up risk.

(E) Financial Feasibility
Reliability of the financial projections and the assumptions on which the financial statements are based, including all sources and uses of Project capital, private or public Federal and non-Federal funds. Provide detailed analysis and description of projected balance sheets, income and expense statements, and cash flow statements over the useful life of the Project.
A detailed description of and the degree financial feasibility is dependent on:
Investment incentives;
Productivity incentives;
Loans and grants; and
Other Project authorities RINs value, tax credits, other credits, and subsidies that affect the Project.
Any constraints or limitations in the financial projections.
Ability of the business to achieve the projected income and cash flow.
Assessment of the cost accounting system.
Availability of short-term credit or other means to meet seasonal business costs.
Adequacy of raw materials and supplies.
Sensitivity analysis, including feedstock and energy costs and product and Byproduct prices.
Risks related to:
The Project;
Borrower financing plan;
The operational units; and
Tax issues.

(F) Management Feasibility
TABLE 1—FEASIBILITY STUDY COMPONENTS—Continued

Borrower and/or management’s previous experience concerning:

- Production of Advanced Biofuel, and Biobased Product including Renewable Chemicals, as applicable;
- Acquisition of feedstock;
- Marketing and sale of off-take; and
- The receipt of Federal financial assistance, including amount of funding, date received, purpose, and outcome.

Management plan for procurement of feedstock and labor, marketing of the off-take, and management succession.

Risks related to:
- Borrower as a company (e.g., development-stage);
- Conflicts of Interest; and
- Management strengths and weaknesses.

(G) Qualifications

A resume or statement of qualifications of the author and contributors of the Feasibility Study, including prior experience, must be submitted.

(f) Business Plan. The Lender must submit the Borrower’s business plan that includes the information specified in paragraphs (f)(1) through (10) of this section. Any or all of this information may be omitted if it is included in the Feasibility Study specified in paragraph (e) of this section.

(1) Describe or provide an organizational chart of the Borrower’s ownership structure and affiliation with other entities, if any. The names and a description of the relationship of the Borrower’s parent, Affiliates, and subsidiaries. Identify local ownership.

(2) The Borrower’s succession planning, addressing both ownership and management.

(3) The Borrower’s experience and management experience.

(4) The products and services to be provided and the Borrower’s business strategy.

(5) Possible vendors and models of major system components.

(6) The availability of the resources (e.g., labor, raw materials, supplies) necessary to provide the planned products and services.

(7) Site location and its relation to product distribution (e.g., rail lines or highways) and any land use or other permits necessary to operate the facility.

(8) The market for the product and its competition, including any and all competitive threats and advantages.

(9) Projected balance sheets, income and expense statements, and cash flow statements for a period of not less than three years of stabilized operation.

(10) A description of the proposed use of funds.

(g) Scoring information. The application must contain information in a format that is responsive to the scoring criteria specified in §4279.266.

(h) Intergovernmental consultation. Intergovernmental consultation comments in accordance with 2 CFR part 415, subpart C or successor regulation.

(i) DUNS Number. For Borrowers other than individuals, a Dun and Bradstreet Universal Numbering System (DUNS) number, which can be obtained online at http://fedgov.dnb.com/webform.

(j) Other information. Any other information determined by the Agency to be necessary to evaluate the application.

(k) Phase 2 application contents. (1) Updates, as appropriate, to contents of application materials submitted in application phase 1.

(2) An appraisal conducted as specified under §4279.244.

(3) A proposed Loan Agreement or a sample Loan Agreement with an attached list of the proposed Loan Agreement provisions as specified in paragraphs (k)(3)(i) through (ix) of this section.

(1) Prohibition against assuming liabilities or obligations of others.
(ii) Restriction on dividend payments.
(iii) Limitation on the purchase or sale of equipment and fixed assets.
(iv) Limitation on compensation of officers and owners.
(v) Minimum Working Capital or current ratio requirement.
(vi) Maximum debt-to-net worth ratio.
(vii) Restrictions concerning consolidations, mergers, or other circumstances.
(viii) Limitations on selling the business without the concurrence of the Lender.
(ix) Repayment and amortization of the loan.
(4) Environmental Assessment must meet the policies and requirements of the National Environmental Policy Act and the Agency (as specified in Exhibit H of 7 CFR part 1940, subpart G.) Guidelines for preparing the Environmental Assessment are available from the Agency and published in the annual FEDERAL REGISTER notice.
(5) Under the direction of the Agency, an evaluation and rating of the total Project’s indebtedness, without consideration for a government guarantee, from a nationally-recognized statistical rating organization (NRSRO), as defined by the U.S. Security and Exchange Commission, for all Projects with total Eligible Project Costs of $25 million or more unless as otherwise specified by the Agency in a notice published in the FEDERAL REGISTER. The evaluation and rating must be in the form of an indicative private rating, private credit analysis, or comparable analysis report and include a rating in accordance with the NRSRO’s credit rating scales and include a recovery analysis. An updated rating may be required at the Agency’s discretion if changes are subsequently made to the Project including changes to any contracts and agreements or changes to loan terms and conditions.
(6) Lender’s analysis and credit evaluation that conforms to §4279.215 and must include the information specified in paragraphs (k)(6)(i) and (ii) of this section.
(7) Whether the Loan Note Guarantee is requested prior to construction or after completion of construction of the Project.
(8) The technical assessment must be completed by a qualified independent engineer and must demonstrate that the design, procurement, installation, startup, operation and maintenance of the Project will permit it to operate or perform as specified over its useful life in a reliable and a cost effective manner, and must identify what the useful life of the Project is. The technical assessment must also identify all necessary Project agreements, demonstrate that those agreements will be in place at or before the time of loan closing, and demonstrate that necessary Project equipment and services will be available over the useful life of the Project. The technical assessment must be based upon verifiable data and contain sufficient information and analysis so that a determination can be made on the technical feasibility of achieving the levels of income or production that are projected in the financial statements. All technical information provided must follow the format specified in paragraphs (k)(8)(i) through (ix) of this section. Supporting information may be submitted in other formats. Design drawings and process flow charts are required as exhibits. A
discussion of a topic identified in paragraphs (k)(8)(i) through (ix) of this section is not necessary if the topic is not applicable to the specific Project. Questions identified in the Agency’s technical review of the Project must be answered to the Agency’s satisfaction before the application will be approved. All Projects require the services of an independent, third-party professional engineer.

(i) Qualifications of Project team. The Project team will vary according to the complexity and scale of the Project. The Project team must have demonstrated expertise in similar Advanced Biofuel and Biobased Product including Renewable Chemical, as applicable, technology development, engineering, installation, and maintenance. Identify Borrower’s, including its principals’, prior experience in bioenergy projects and the receipt of Federal financial assistance, including the amount of funding, date received, purpose, and outcome, for such projects. Authoritative evidence that Project team service providers have the necessary professional credentials or relevant experience to perform the required services for the development, construction, and Retrofitting, as applicable, of technology for producing Advanced Biofuels and Biobased Products including Renewable Chemicals, if applicable, must be provided. In addition, authoritative evidence that vendors of proprietary components can provide necessary equipment and spare parts for the facility to operate over its useful life must be provided. The application must:

(A) Discuss the proposed Project delivery method. Such methods include a design-bid-build method, where a separate engineering firm may design the Project and prepare a request for bids and the successful bidder constructs the Project at the Borrower’s risk, and a design-build method, often referred to as “turnkey,” where the Borrower establishes the specifications for the Project and secures the services of a developer who will design and build the Project at the developer’s risk;

(B) Discuss the manufacturers of major components of Advanced Biofuels and Biobased Product including Renewable Chemical technology equipment being considered in terms of the length of time in business and the number of units installed at the capacity and scale being considered;

(C) Discuss the Project team members’ qualifications for engineering, designing, and installing similar projects, including any relevant certifications by recognized organizations or bodies. Provide a list of the same or similar projects designed, installed, or supplied and currently operating, with references if available.

(ii) Agreements and permits. The application must identify all necessary agreements and permits required for the Project and the status and schedule for securing those agreements and permits, including the items specified in paragraphs (k)(8)(ii)(A) through (F) of this section.

(A) All facilities funded under this subpart must be installed in accordance with applicable local, State, and national codes and applicable local, State, and Federal regulations. Identify zoning and code requirements and necessary permits and the schedule for meeting those requirements and securing those permits.

(B) Identify licenses where required and the schedule for obtaining those licenses.

(C) Identify land use agreements required for the Project and the schedule for securing those agreements, and the term of those agreements.

(D) Identify any permits or agreements required for solid, liquid, and gaseous emissions or effluents and the schedule for securing those permits and agreements.

(E) Identify available component warranties for the specific Project location and size.

(F) Identify all environmental issues, including environmental compliance issues, associated with the Project.

(iii) Resource assessment. The application must provide adequate and appropriate evidence of the availability of the feedstocks required for the facility
to operate as designed. Indicate the type and quantity of the feedstock, and discuss storage of the feedstock, where applicable, and competing uses for the feedstock. Indicate shipping or receiving methods and required infrastructure for shipping, and other appropriate transportation mechanisms including methods and systems to prevent the spread of invasive species. For proposed Projects with an established resource, provide a summary of the resource.

(iv) **Design and engineering.** The application must provide authoritative evidence that the facility will be designed and engineered so as to meet its intended purposes, will ensure public safety, and will comply with applicable laws, regulations, agreements, permits, codes, and standards. Projects shall be engineered by a qualified entity. Each facility must be engineered as a complete, integrated facility. The engineering must be comprehensive, including site selection, systems and component selection, and systems monitoring equipment. All Projects funded under this subpart must be constructed by a qualified entity.

(A) The application must include a concise but complete description of the Project, including location of the Project; resource characteristics, including the kind and amount of feedstocks; facility specifications; kind, amount, and quality of the output; and monitoring equipment. Address performance on a monthly and annual basis. Describe the uses of or the market for the Advanced Biofuels and Biobased Product including Renewable Chemical produced by the facility. Discuss the impact of reduced or interrupted feedstock availability on the facility’s operations.

(B) The application must include:

1. A description of the Project site that addresses issues such as site access, foundations, and backup equipment when applicable;
2. A completed Form RD 1940–20 and an environmental assessment prepared in accordance with Exhibit H of 7 CFR part 1940, subpart G; and
3. Identification of any unique construction and installation issues.

(C) Sites must be controlled by the eligible Borrower for at least the financing term of the Loan Note Guarantee.

(v) **Project development schedule.** The application must describe each significant task, its beginning and end, and its relationship to the time needed to initiate and carry the Project through startup and shakedown. Provide a detailed description of the Project timeline including resource assessment, Project and site design, permits and agreements, equipment procurement, and Project construction from excavation through startup and shakedown.

(vi) **Equipment procurement.** The application must demonstrate that equipment required by the facility is available and can be procured and delivered within the proposed Project development schedule. Projects funded under this subpart may be constructed of components manufactured in more than one location. Provide a description of any unique equipment procurement issues such as scheduling and timing of component manufacture and delivery, ordering, warranties, shipping, receiving, and on-site storage or inventory.

(vii) **Equipment installation.** The application must provide a full description of the management of and plan for site development and systems installation, details regarding the scheduling of major installation equipment needed for Project construction, and a description of the startup and shakedown specification and process and the conditions required for startup and shakedown for each equipment item individually and for the facility as a whole.

(viii) **Operations and maintenance.** The application must provide the operations and maintenance requirements of the facility necessary for the facility to operate as designed over its useful life. The application must also include:

(A) Information regarding available facility and component warranties and availability of spare parts;
(B) A description of the routine operations and maintenance requirements of the proposed facility, including maintenance schedules for the mechanical, piping, and electrical systems and system monitoring and control requirements, as well as provision of information that supports expected useful life.
of the facility and timing of major component replacement or rebuilds;
(C) A discussion of the costs and labor associated with operating and maintaining the facility and plans for in-sourcing or outsourcing. A description of the opportunities for technology transfer for long-term Project operations and maintenance by a local entity or owner/operator; and
(D) Provision and discussion of the risk management plan for handling large, unanticipated failures of major components.
(ix) Decommissioning. A description of the decommissioning process, when the Project must be uninstalled or removed. A description of any issues, requirements, and costs for removal and disposal of the facility.

§§ 4279.262–4279.264 [Reserved]

§ 4279.265 Guarantee application processing.
(a) Eligibility determination. Upon receipt of a complete Phase 1 application, the Agency will determine if the Borrower, Lender, and Project are eligible and if the Project is technically and economically feasible, as provided under paragraph (b) of this section.
(1) If the Borrower, Lender, or the Project is determined to be ineligible for any reason, the Agency will inform the Lender in writing. No further evaluation of the application will occur.
(2) If the Agency determines it is unable to guarantee the loan, the Agency will inform the Lender in writing. Such notification will include the reasons for denial of the guarantee.
(b) Technical and economic feasibility.
(1) The Agency’s determination of a Project’s technical and economic feasibility will be based on:
(i) The Agency’s analysis of the technical report and Feasibility Study submitted in the application conducted by qualified independent third parties;
(ii) The Lenders credit evaluation; and
(iii) Other application materials.
(2) The Agency’s determination of a Project’s technical feasibility will be based on the technical report. In addition, prior to loan closing of a Project utilizing technology that does not have a history of successful utilization in a Commercial-Scale operation of a Biorefinery that produces an Advanced Biofuel, evidence demonstrating 120 days of continuous, steady state production from an integrated demonstration unit must be provided by the Borrower to the Lender and the Agency for review and determination of technical feasibility. Authoritative demonstration campaign results must be provided in 30-day intervals. The integrated demonstration unit must prove out the Project’s ability to utilize Project-relevant biomass and produce Advanced Biofuel at a yield and quality consistent with the design basis of the Project. The Borrower must provide to the Agency, for review and approval, sufficient information on the integrated campaign design so as to ensure operation duration, quality, and quantity specifications are met and incorporated into the final design criteria for the commercial facility.
(3) Projects determined by the Agency to be without technical or economic feasibility will not be selected for funding.

§ 4279.266 Guarantee application scoring.
Using the evaluation criteria identified in this section, the Agency will score each eligible Biorefinery application that meets the minimum requirements for technical and economic feasibility. A maximum of 125 points is possible. The Agency will award points based on its review and analysis of all application materials. Clarifications for the scoring on Biobased Product Manufacturing applications will be made available by a notice published in the Federal Register.
(a) Whether the Borrower has established a market for the Advanced Biofuel and the Biobased Products including Renewable Chemicals, as applicable. A maximum of 20 points can be awarded. Points to be awarded will be determined as follows:
(1) Degree of commitment of Off-Take Agreements. A maximum of 6 points will be awarded.
(i) If the Borrower has signed Off-Take Agreements for purchase for greater than 50 percent of the dollar value of off-take, 6 points will be awarded.
(ii) If the Borrower has signed letters of intent to enter into Off-Take Agreements, or comparable documentation, for the purchase for greater than 50 percent of the dollar value of off-take, or combination of signed contracts or agreements and letters of intent or comparable documentation, 4 points will be awarded.

(iii) If the Borrower has signed letters of intent to enter into Off-Take Agreements, or comparable documentation, for the purchase for greater than 50 percent of the dollar value of off-take, or combination of signed Off-Take Agreements, letters of intent, letters of intent or comparable documentation, 2 points will be awarded.

(2) Duration of Off-Take Agreements. A maximum of 6 points will be awarded.

(i) If the Borrower commits to enter Off-Take Agreements prior to loan closing for purchase for greater than or equal to 50 percent of the dollar value of off-take for the period not less than the loan term, 6 points will be awarded.

(ii) If the Borrower commits to enter Off-Take Agreements prior to loan closing for purchase for greater than or equal to 50 percent of the dollar value of off-take for the period not less than five years but less than the term of the loan, 4 points will be awarded.

(iii) If the Borrower commits to enter Off-Take Agreements prior to loan closing for purchase for greater than or equal to 50 percent of the dollar value of off-take for the period not less than one year but less than five years, 2 points will be awarded.

(3) Financial strength of the off-take counterparty. A maximum of 4 points will be awarded.

(i) If the Borrower commits to enter into Off-Take Agreements prior to loan closing for purchase for greater than or equal to 50 percent of the dollar value of off-take with an off-take counterparty with a corporate credit rating not less than AA, Aa2, or equivalent, 4 points will be awarded.

(ii) If the Borrower commits to enter into Off-Take Agreements prior to loan closing for purchase for greater than or equal to 50 percent of the dollar value of off-take with an off-take counterparty with a corporate credit rating less than AA, Aa2, or equivalent, but not less than A-, or A3, or equivalent, 2 points will be awarded.

(iii) If the Borrower commits to enter into Off-Take Agreements prior to loan closing for purchase for greater than or equal to 50 percent of the dollar value of off-take with an off-take counterparty with a corporate credit rating less than A-, or A3, or equivalent, but not less than BBB-, or Baa3, or equivalent, 1 point will be awarded.

(4) Revenue dependency on tax credits, carbon credits, or other Federal or State subsidies. A maximum of 4 points will be awarded.

(i) If total of revenues from tax credits, carbon credits, or other Federal or State subsidies is less than or equal to 10 percent of the Project’s total revenues on an annual basis, in the Borrower’s base case of financial projections, 4 points will be awarded.

(ii) If total of revenues from tax credits, carbon credits, or other Federal or State subsidies is greater than 10 percent but less than or equal to 20 percent of the Project’s total revenues on an annual basis, in the Borrower’s base case of financial projections, 2 points will be awarded.

(iii) If total of revenues from tax credits, carbon credits, or other Federal or State subsidies is greater than 20 percent but less than or equal to 30 percent of the Project’s total revenues on an annual basis, in the Borrower’s base case of financial projections, 1 point will be awarded.

(b) Whether the area in which the Borrower proposes to place the Project, defined as the area that will supply the feedstock to the proposed Project, has any other similar facilities. A maximum of 5 points can be awarded.

Points to be awarded will be determined as follows:

(1) If the area that will supply the feedstock to the proposed Project does not have any other similar facilities, 5 points will be awarded.

(2) If there are other similar facilities located within the area that will supply the feedstock to the proposed Project, 0 points will be awarded.

(c) Whether the Borrower is proposing to use a feedstock or biobased output of Biorefineries not previously used in the production of Advanced...
Biofuels or Biobased Products including Renewable Chemicals. A maximum of 10 points can be awarded. Points to be awarded will be determined as follows:

(1) If the Borrower proposes to use a feedstock previously used in the production of Advanced Biofuels and Biobased Product including Renewable Chemicals in a commercial facility, 0 points will be awarded.

(2) If the Borrower proposes to use a feedstock not previously used in production of Advanced Biofuels and Biobased Product including Renewable Chemicals in a commercial facility, 10 points will be awarded.

(d) Whether the Borrower is proposing to work with producer associations or cooperatives. A maximum of 5 points can be awarded. Points to be awarded will be determined as follows:

(1) If at least 50 percent of the dollar value of feedstock to be used by the proposed Project will be supplied by producer associations and cooperatives, 5 points will be awarded.

(2) If at least 30 percent of the dollar value of feedstock to be used by the proposed Project will be supplied by producer associations and cooperatives, 3 points will be awarded.

(e) The level of financial participation by the Borrower, including support from non-Federal government sources and private sources. A maximum of 20 points can be awarded. Points to be awarded will be determined as follows:

(1) If the sum of the loan amount requested and other direct Federal funding is less than or equal to 50 percent of total Eligible Project Cost, 20 points will be awarded.

(2) If the sum of the loan amount requested and other direct Federal funding is greater than 50 percent but less than or equal to 55 percent of total Eligible Project Cost, 16 points will be awarded.

(f) Whether the Borrower has established that the adoption of the process proposed in the application will have a positive effect on three impact areas: resource conservation (e.g., water, soil, forest), public health (e.g., potable water, air quality), and the environment (e.g., compliance with an applicable renewable fuel standard, greenhouse gases, emissions, particulate matter). A maximum of 10 points can be awarded. Points to be awarded will be determined as follows:

(1) If process adoption will have a positive impact on any one of the three impact areas (resource conservation, public health, or the environment), 3 points will be awarded.

(2) If process adoption will have a positive impact on two of the three impact areas, 6 points will be awarded.

(3) If process adoption will have a positive impact on all three impact areas, 10 points will be awarded.

(4) If the Project proposes to use a feedstock that can be used for human or animal consumption, 5 points will be deducted from the score.

(g) Whether the Borrower can establish that, if adopted, the technology proposed in the application is not have any economically significant negative impacts on existing manufacturing plants or other facilities that use similar feedstocks or biobased outputs of Biorefineries. A maximum of 5 points can be awarded. Points to be awarded will be determined as follows:

(1) If the Borrower has failed to establish, through an independent third-party Feasibility Study, that the production technology proposed in the application will not have any economically significant negative impacts on existing manufacturing plants or other facilities that use similar feedstocks or biobased outputs of Biorefineries, 0 points will be awarded.

(2) If the Borrower has established, through an independent third-party Feasibility Study, that the production technology proposed in the application,
if adopted, will not have any economically significant negative impacts on existing manufacturing plants or other facilities that use similar feedstocks, 5 points will be awarded.

(3) If the feedstock is wood pellets, no points will be awarded under this criterion.

(h) The potential for Rural economic development. A maximum of 20 points will be awarded. Points to be awarded will be determined as follows:

(1) If the Project is located in a Rural Area, 5 points will be awarded.
(2) If the Project creates jobs through direct employment with an average wage that exceeds the County median household wages where the Project will be located, 5 points will be awarded.
(3) If the majority of feedstock to be utilized by the Project, on an annual basis, is harvested from the land, 10 points will be awarded.

(i) The level of local ownership of the facility proposed in the application. A maximum of 5 points can be awarded. Points to be awarded will be determined as follows:

(1) If Local Owners have an ownership interest in the facility of more than 20 percent but less than or equal to 50 percent, 3 points will be awarded.
(2) If Local Owners have an ownership interest in the facility of more than 50 percent, 5 points will be awarded.

(j) Whether the Project can be replicated. A maximum of 10 points can be awarded. Points to be awarded will be determined as follows:

(1) If the Project can be commercially replicated regionally (e.g., Northeast, Southwest, etc.), 5 points will be awarded.
(2) If the Project can be commercially replicated nationally, 10 points will be awarded.

(k) If the Project uses a particular technology, system, or process that is not currently operating at Commercial Scale as of October 1 of the fiscal year for which the funding is available, 5 points will be awarded.

(l) The Administrator can award up to a maximum of 10 bonus points:

(1) To ensure, to the extent practical, there is diversity in the types of Projects approved for loan guarantees to ensure as wide a range as possible technologies, products, and approaches are assisted in the Program portfolio; and
(2) To applications that promote partnerships and other activities that assist in the development of new and emerging technologies for the development of Advanced Biofuels and Biobased Products including Renewable Chemicals, so as to, as applicable, increase the energy independence of the United States or reduce our dependence on petroleum-based chemicals and products; promote resource conservation, public health, and the environment; diversify markets for agricultural and forestry products and agriculture waste material; and create jobs and enhance the economic development of the Rural economy. These partnerships and other activities will be identified in a Federal Register notice each fiscal year.

§ 4279.267 Selecting guarantee applications.

(a) Allocation of budget authority. In administering this Program’s budgetary authority each fiscal year, the Agency will allocate up to, but no more than 50 percent of its budgetary authority, excluding funding for Biobased Product Manufacturing Projects, to fund applications received by the end of the first application window, including those carried over from the previous application period. Any funds not obligated to support applications submitted by the end of the first application window will be available to support applications received by the end of the second window, including those carried over from the previous application period. The Agency, therefore, will have a minimum of 50 percent of each fiscal year’s budgetary authority for this Program available to support applications received by the end of the second application window. Administrative procedures for the funding of Biobased Product Manufacturing Projects will be made available by a Notice published in the Federal Register.

(b) Ranking of applications. The Agency will rank all complete eligible applications to create a priority list of scored Phase 1 applications for the Program. Unless otherwise specified in a
notice published in the Federal Register, the Agency will rank applications by approximately October 31 for complete and eligible applications received on or before October 1 and by approximately April 30 for complete and eligible applications received on or before April 1. All Phase 1 applications received on or before October 1 and April 1 will be ranked by the Agency and will be competed against the other applications received on or before such date.

(c) Selection of applications for funding. The Agency will invite applicants to submit Phase 2 applications based on the criteria specified in paragraphs (c)(1) through (3) of this section. The Agency will notify, in writing, Lenders whose applications have been selected.

(1) Ranking. The Agency will consider the score an application has received compared to the scores of other applications in the priority list created under paragraph (b) of this section, with highest scoring applications receiving first consideration for invitation to the phase 2 submittal. A minimum score of 55 points is required in order to be considered for a guarantee.

(2) Availability of budgetary authority. The Agency will consider the size of the request relative to the budgetary authority that remains available to the Program during the fiscal year.

(i) If there is insufficient budgetary authority during a particular funding period to select a higher scoring application, the Agency may elect to select the next highest scoring application for further processing. Before this occurs, the Agency will provide the Borrower of the higher scoring application the opportunity to reduce the amount of its request to the amount of budgetary authority available. If the Borrower agrees to lower its request, it must certify that the purposes of the Project can be met, and the Agency must determine the Project is financially feasible at the lower amount.

(ii) If the amount of funding required is greater than 25 percent of the Program’s outstanding budgetary authority, the Agency may elect to select the next highest scoring application for further processing, provided the higher scoring Borrower is notified of this action and given an opportunity to revise their application and resubmit it for an amount less than or equal to 25 percent of the Program’s outstanding budgetary authority.

(3) Availability of other funding sources. If other financial assistance is needed for the Project, the Agency will consider the availability of other funding sources. If the Lender cannot demonstrate that funds from these sources are available at the time of selecting applications for funding or potential funding, the Agency may instead select the next highest scoring application for further processing ahead of the higher scoring application.

(d) Ranked applications not selected for phase 2. A ranked application that is not invited to submit phase 2 in the application cycle in which it was submitted will be carried forward one additional application cycle, which may be in the next fiscal year. The Agency will notify the Lender in writing.

§§ 4279.268–4279.277 [Reserved]

§ 4279.278 Loan approval and obligating funds.

(a) Applications for loan guarantees may be approved as their Phase 2 applications are completed and approved. If an application has been selected for phase 2, but has not been approved because additional information is needed, the Agency will notify, in writing, the Lender of what information is needed, including a timeframe for the Lender to provide the information. If the Lender does not provide the information within the specified timeframe, the Agency will remove the application from further consideration and will so notify the Lender in writing.

(b) Upon approval of a loan guarantee application, the Agency will issue a Conditional Commitment to the Lender containing conditions under which a Loan Note Guarantee will be issued. The Agency will not issue a Conditional Commitment until the Agency has satisfactorily completed a Civil Rights Impact Analysis. The Conditional Commitment becomes null and void unless the conditions are accepted by the Lender and Borrower within 60 days from the date of issuance by USDA. If the conditions are not met or the Loan Note Guarantee is not issued.
§ 4279.280 Changes in Borrowers.

Any changes in Borrower ownership or organization prior to the issuance of the Loan Note Guarantee must meet the eligibility requirements of the Program and be approved by the Agency.

§ 4279.281 Conditions precedent to issuance of Loan Note Guarantee.

The Lender must not close the loan until all conditions of the Conditional Commitment are met or can be met. When loan closing plans are established, the Lender must notify the Agency in writing.

(a) Coincident with, or immediately after loan closing, the Lender must provide the following forms and documents to the Agency:

(1) An executed Lender’s Agreement;

(2) Form RD 1980–19, “Guaranteed Loan Closing Report,” and appropriate guarantee fee;

(3) Copy of the executed Promissory Note(s);

(4) Copy of the executed Loan Agreement;

(5) Copy of the executed settlement statement and updated source and use statement including all Project funding;

(6) Original, executed Forms RD 4279–14, as appropriate;

(7) Borrower’s loan closing balance sheet; and

(8) Any other documents required to comply with applicable law or required by the Conditional Commitment or the Agency.

(b) The Lender must provide their certification to each condition specified in paragraphs (b)(1) through (16) of this section. The Lender may rely on certain written materials (including but not limited to certifications, evaluations, appraisals, financial statements and other reports) to be provided by the Borrower or other qualified third parties (including, among others, one or more independent engineers, appraisers, accountants, attorneys, consultants or other experts.) If the Lender is unable to provide any of the certifications required under this section, the Lender must provide an explanation satisfactory to the Agency as to why the Lender is unable to provide...
the certification. The Lender can request the guarantee prior to construction, but must still certify to all conditions in paragraphs (b)(1) through (16) of this section.

(1) If required, hazard, flood, liability, worker compensation, and life insurance are in effect.

(2) All truth-in-lending and equal credit opportunity requirements have been met.

(3) The loan has been properly closed, and the required security instruments have been properly executed, or will be promptly obtained on any property that cannot be immediately secured under State law.

(4) The Borrower has or will have marketable title to the Collateral, subject to the guaranteed loan and to any other exceptions approved in writing by the Agency.

(5) The loan proceeds have been or will be disbursed for purposes and in amounts consistent with the Conditional Commitment and the application submitted to the Agency.

(6) When required, personal or corporate guarantees have been obtained in accordance with § 4279.245.

(7) All requirements of the Conditional Commitment have been met.

(8) Lien priorities are consistent with the requirements of the Conditional Commitment. No claims or liens of laborers, subcontractors, suppliers of machinery and equipment, materialmen, or other parties have been filed against the Collateral and no suits are pending or threatened that would adversely affect the Collateral when the security instruments are filed.

(9) There has been neither any Material Adverse Change in the Borrower’s financial condition nor any other Material Adverse Change in the Borrower, for any reason, during the period of time from the Agency’s issuance of the Conditional Commitment to issuance of the Loan Note Guarantee regardless of the cause or causes of the change and whether or not the change or causes of the change were within the Lender’s or Borrower’s control. The Lender must address any assumptions or reservations in this certification and must address all Material Adverse Changes of the Borrower, any parent, Affiliate, or subsidiary of the Borrower, and guarantors.

(10) Neither the Lender nor any of the Lender’s officers has an ownership interest in the Borrower or is an officer or director of the Borrower, and neither the Borrower nor its officers, directors, stockholders, or other owners have more than a 5 percent ownership interest in the Lender.

(11) The Loan Agreement includes all Borrower compliance measures identified in the Agency’s environmental review process for avoiding or reducing adverse environmental impacts of the Project’s construction or operation.

(12) For loans exceeding $150,000, the Lender has certified its compliance with the Anti-Lobby Act (18 U.S.C. 1913). Also, if any funds have been, or will be, paid to any Person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this commitment providing for the United States to guarantee a loan, the Lender must completely disclose such lobbying activities in accordance with 31 U.S.C. 1352.

(13) Where applicable, the Lender must certify that the Borrower has obtained:

(i) A legal opinion relative to the title to rights-of-way and easements. Lenders are responsible for ensuring that Borrowers have obtained valid, continuous, and adequate rights-of-way and easements needed for the construction, operation and maintenance of a facility; and

(ii) A title opinion or title insurance showing ownership of the land and all mortgages or other lien defects, restrictions, or encumbrances, if any. It is the responsibility of the Lender to ensure that the Borrower has obtained and recorded such releases, consents, or subordinations to such property rights from holders of outstanding liens or other instruments as may be necessary for the construction, operation and maintenance of the facility and to provide the required security. For example, when a site is for utility-type facilities (such as a gas distribution system) and the Lender and Borrower are able to obtain only a right-
of-way or easement on such site rather than a fee simple title, such a title opinion must be provided.

(14) Each Borrower shall certify to the Lender that all laborers and mechanics employed by contractors or subcontractors in the performance of construction work financed in whole or in part with guaranteed loan funds under this subpart shall be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with 40 U.S.C. 3141 through 3144, 3146, and 3147. Awards under this subpart are further subject to the relevant regulations contained in Title 29 of the CFR.

(15) The Lender certifies that it has reviewed all contract documents and verified compliance with 40 U.S.C. 3141 through 3144, 3146, and 3147 and Title 29 of the CFR. The Lender will certify that the same process will be completed for all future contracts and any changes to existing contracts.

(16) The Lender certifies that the proposed facility complies with all Federal, State, and local laws and regulatory rules that are in existence and that affect the Project, the Borrower, or Lender activities.

(c) The Agency may, at its discretion, request copies of loan documents for its file.

(d) When the Agency is satisfied that all conditions for the guarantee have been met, the Agency will issue the Loan Note Guarantee(s) and the documents identified in paragraphs (d)(1) and (2) of this section, as appropriate.

(1) Assignment Guarantee Agreement. In the event the Lender uses the single Promissory Note option and assigns the guaranteed portion of the loan to a Holder, the Lender, Holder, and the Agency will execute the Assignment Guarantee Agreement.

(2) Certificate of Incumbency. If requested by the Lender, the Agency will provide the Lender with a certification on Form 4279-7, “Certificate of Incumbency and Signature,” of the signature and title of the Agency official who signs the Loan Note Guarantee, Lender’s Agreement, and Assignment Guarantee Agreement.

§ 4279.282 [Reserved]

§ 4279.283 Refusal to execute Loan Note Guarantee.

If the Agency determines that it cannot execute the Loan Note Guarantee, the Agency will inform the Lender, in writing, of the reasons and give the Lender a reasonable period within which to satisfy the objections. If the Lender satisfies the objections within the time allowed, the Agency will issue the Loan Note Guarantee. If the Lender requests additional time in writing and within the period allowed, the Agency may grant the request.

§§ 4279.284–4279.289 [Reserved]

§ 4279.290 Requirements after Project construction.

Once the Project has been constructed, the Lender must meet the requirements specified in paragraphs (a) and (b) of this section.

(a) Provide the Agency annual reports from the Borrower commencing the first full calendar year following the year in which Project construction was completed and continuing for the life of the guaranteed loan. The Borrower’s reports will include, but not be limited to, the information specified in paragraphs (a)(1) through (6), as applicable, of this section.

(1) The actual amount of Advanced Biofuels, Biobased Products including Renewable Chemicals, and Byproducts produced.

(2) If applicable, documentation that identified health or sanitation problems have been solved.

(3) A summary of the cost of operating and maintaining the facility.

(4) A description of any maintenance or operational problems associated with the facility.

(5) Certification that the Project is and has been in compliance with all applicable State and Federal environmental laws and regulations.

(6) The number of jobs created.

(7) A description of the status of the Project’s feedstock including, but not limited to, the feedstock being used, outstanding feedstock contracts, feedstock changes and interruptions, and quality of the feedstock.
§§ 4279.291–4279.299

(b) The results of the annual inspections conducted under paragraph (b) of this section.

(b) For the life of the guaranteed loan, conduct annual inspections.

§§ 4279.291–4279.299 [Reserved]

§ 4279.300 OMB control number.

In accordance with the Paperwork Reduction Act of 1995, the information collection requirements contained in the subsequent interim rule have been submitted to the Office of Management and Budget (OMB) under OMB control number 0570–0065 for approval. A person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

§ 4280.1 Other laws and regulations that contain compliance requirements for this program.

§ 4280.2 Policy.

(a) REDL Program. REDL Zero-Interest Loans are made to Intermediaries, to re lend, at a zero-interest rate, to Ultimate Recipients. Ultimate Recipients are responsible for repayment to the Intermediary. The Intermediary must transmit Ultimate Recipient loan repayments to Rural Development.

(b) REDG Program. Grants are made to Intermediaries to establish Revolving Loan Funds. REDG Zero-Interest Loans are made by the Intermediary from the Revolving Loan Fund to Ultimate Recipients for the purpose of financing specific, approved Projects. Ultimate Recipients are responsible for repayment to the Intermediary. The Ultimate Recipient’s loan repayments are to be retained in the Revolving Loan Fund, which is maintained by the Intermediary, to finance other rural economic development Projects. Only the initial loan made by the Intermediary from the Revolving Loan Fund has to be at zero interest.

§ 4280.3 Definitions.

The following definitions are applicable to this subpart:

Advanced Telecommunications. Using communications equipment for purposes, such as the simultaneous transmission of images and voice or the electronic transmission of data between multiple sites that do not consist primarily of providing local exchange voice or other routine communications.

Agricultural Production. The cultivation, production, growing, raising, feeding, housing, breeding, hatching, or managing of crops, plants, animals, fish, or birds, either for fiber, food for human consumption, or livestock feed.

Business Incubator. A facility in which small businesses can share premises, support staff, computers, software or hardware, telecommunications terminal equipment, machinery, janitorial services, utilities, or other overhead expenses, and where such businesses can receive Technical Assistance, financial advice, business planning services or other support.
Community Facilities Project. An eligible community facility under the Community Facility Direct or Guaranteed programs.

Conflict of interest. A situation in which a person or entity has competing personal, professional, or financial interests that make it difficult for the person or business to act impartially. Regarding use of both grant and matching funds, Federal procurement standards prohibit transactions that involve a real or apparent conflict of interest for owners, employees, officers, agents, their immediate family members, partners, or an organization which is about to employ any of the parties indicated herein, having a financial or other interest in or tangible personal benefit from the outcome of the project; or that restrict open and free competition for unrestrained trade. Specifically, project funds may not be used for services or goods going to, or coming from, a person or entity with a real or apparent conflict of interest, including, but not limited to, owner(s) and their immediate family members.

Cushion of Credit. The amount contributed by the Intermediary pursuant to 7 U.S.C. 940c.

Direct Job. A job that is created or saved by an Ultimate Recipient employer as a result of funding received from these Programs.

Established Operation. An entity that has engaged in the nature of the Project for more than one year.

Full-Time Job. A job for which a worker is scheduled to work 35 hours per week, or more, on a regular basis.

Grant. For the REDG Program only; a transfer of monies other than a loan, from Rural Development to an Intermediary for specific use in funding a Revolving Loan Fund from which loans are made to Ultimate Recipients. Grant funds must be repaid by the Intermediary to Rural Development in the event the Fund is unused for more than one year, misused, no longer needed for its intended purposes, or the Grant is terminated.

Independent Provider. An entity or individual, other than the Intermediary or the Ultimate Recipient that is not owned by a subsidiary or an affiliate of the Intermediary or Ultimate Recipient or would otherwise have an interest in the Intermediary or Ultimate Recipient that would be a conflict of interest or have the appearance of a conflict of interest.

Indirect Job. A job that is created or saved as a result of a funded Project, but is not with the Ultimate Recipient.

Infrastructure. Facilities required to support private sector economic activity such as: Highways, streets, roads, and bridges; public transit; water supply; wastewater treatment; water resources; solid waste; and hazardous waste services.

Intermediary. An entity that is identified by RUS as an eligible borrower under the Rural Electrification Act and obtains a REDG Grant or a REDL Loan.

Part-Time Job. A job for which a worker is scheduled to work less than 35 hours per week, on a regular basis.

Programs. The Rural Economic Development Loan (REDL) and the Rural Economic Development Grant (REDG) Programs.

Project. The facility, equipment, or activity of the Ultimate Recipient that is funded under one of the Programs.

REDG. The Rural Economic Development Grant Program.

REDL. The Rural Economic Development Loan Program.

Revolving Loan Fund (or Fund). A revolving loan fund that is created with Grant funds and the Intermediary’s supplemental contribution under the REDG Program that makes loans and uses the loan repayments and interest earnings to make subsequent loans until the Fund is terminated.

Revolving Loan Fund Plan. A plan developed by the Intermediary and approved by Rural Development that governs the use of the Revolving Loan Fund. The plan must at least include a detailed explanation of the Intermediary’s Fund administration policies and procedures and planned Fund use after the funds in the Revolving Loan Fund have revolved. Fund administration policies and procedures must at least include information regarding the review and approval of loans from the Fund.

Rural Area. This information will be taken from the most recent census data. Any area other than:
(1) A city or town that has a population of greater than 50,000 inhabitants; and
(2) The urbanized area contiguous and adjacent to such a city or town.

Rural Business-Cooperative Service (RBS). The Rural Business-Cooperative Service, an agency within the Rural Development mission area of the USDA.

Rural Development. For purposes of this regulation, The Rural Business-Cooperative Service (RBS), an Agency of the United States Department of Agriculture, or a successor Agency, will be referred to as Rural Development.

Rural Utilities Service (RUS). The Rural Utilities Service, an Agency within the Rural Development mission area of the USDA.

Seasonal Job. A job whether Part-Time or Full-Time that begins and ends in accordance with a specified time period of less than a year and generally within a range less than four months.

Start-Up Venture(s). An entity that has engaged in the nature of the Project for less than one year. An entity that has operated in excess of one year, but which is about to enter into a new line of business, would be considered a Start-Up Venture.

State. Any of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, the United States Virgin Islands, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, the Republic of Palau, the Federated States of Micronesia, and the Republic of the Marshall Islands.

Technical Assistance. Managerial, financial and operational analysis and consultation by Independent Providers to assist Project owners in identifying and evaluating problems or potential problems and to provide training that enables Project owners to successfully implement, manage, operate and maintain viable Projects.

Ultimate Recipient. An entity or individual that receives a loan from an Intermediary. The Ultimate Recipient may also be a public body, such as, but not limited to, a political subdivision of a State or locality, or a Federally-recognized Indian tribe.

USDA. The United States Department of Agriculture.

Zero-Interest Loan. A loan made by the Intermediary to the Ultimate Recipient with no interest and which will be repaid to the Intermediary by the Ultimate Recipient.

§§ 4280.4–4280.12 [Reserved]

§ 4280.13 Applicant eligibility.

Applicants that are not delinquent on any Federal debt or otherwise disqualified from participation in these Programs are eligible to apply. An applicant must be eligible under 7 U.S.C. 940c.

§ 4280.14 [Reserved]

§ 4280.15 Ultimate Recipient Projects eligible for Rural Economic Development Loan funding.

An Intermediary may receive REDL funds only when it has a pre-approved Ultimate Recipient and Project that have an immediate need for the Zero-Interest Loan. REDL funds may only be used by the Intermediary to make a Zero-Interest Loan to the Ultimate Recipient to finance financially viable economic development or job creation Projects in a Rural Area. Funds may only be used to provide the following assistance:

(a) Start-Up Venture costs, including, but not limited to financing fixed assets such as real estate, buildings (new or existing), equipment, or working capital;
(b) Business expansion;
(c) Business Incubators;
(d) Technical Assistance;
(e) Project feasibility studies;
(f) Advanced Telecommunications services and computer networks for medical, educational, and job training services;
(g) Other Projects eligible under § 4280.21; or
(h) Community Facilities Projects.

§ 4280.16 REDL and REDG Loan terms.

REDL and REDG loans made by the Intermediary are governed by the following terms:

(a) The maximum term of a loan is 10 years, including any principal deferment period. The Intermediary may choose a shorter term if desired.

(b) Deferments on Zero-Interest Loans will automatically be granted by Rural Development upon request of the Intermediary as follows:

(1) A deferral for up to 1 year for Projects involving an Established Operation; or

(2) A deferral for up to 2 years for Projects involving a Start-Up venture or a Community Facilities Project whether or not such Project also receives funding under USDA Community Facilities funding programs.

(c) The Intermediary must provide the Ultimate Recipient with the same loan terms as the Intermediary receives from Rural Development.

(d) The Intermediary is solely responsible for the financial approval of Fund loans and all other Fund decisions and actions.

§ 4280.17 Additional REDL terms.

(a) The Intermediary is responsible for fully repaying the Zero-Interest Loan to RBS even if the Ultimate Recipient does not repay the Intermediary.

(b) The Intermediary is responsible for remitting any partial or full payment to RBS at the time the Ultimate Recipient pays the Intermediary.

(c) Unless deferred pursuant to § 4280.16(b) of this subpart, loan payments to Rural Development under the REDL Program are due monthly.

(d) If the Intermediary does not have an outstanding loan with RUS, the Intermediary must immediately provide, as security for any REDL loan it receives, a Rural Development-approved irrevocable letter of credit that remains in effect until the loan is repaid.

§ 4280.18 [Reserved]

§ 4280.19 REDG Grants.

Intermediaries receiving Grants must partially finance a Revolving Loan Fund that the Intermediary will operate and administer, by providing supplemental funds of at least 20 percent of the Grant. Grants are subject to 2 CFR parts 200, 400, 415, 417, 418, 421 as applicable.

[79 FR 76015, Dec. 19, 2014]

§ 4280.20 [Reserved]

§ 4280.21 Eligible REDG Ultimate Recipients and Projects.

The Intermediary may only make loans from the Revolving Loan Fund to entities located in a Rural area of a State. Eligible entities are as follows:

(a) Non-profit entities, public bodies, or Federally-recognized Indian tribes Ultimate Recipients for:

(1) Community development or Community Facility Projects that:

(i) will create or save employment; and

(ii) are open to and serve all Rural residents, and are owned by the Ultimate Recipient;

(2) Business Incubators;

(3) Facilities and equipment to provide education and training to residents of Rural Areas that will facilitate economic development;

(4) Facilities and equipment to provide medical care to residents of Rural Areas. Equipment and facilities may be funded to enable eligible entities to provide medical training and related professional health care skills to rural health care providers;

(5) Projects that utilize Advanced Telecommunications or computer networks to facilitate medical or educational services or job training; or

(6) Project feasibility studies and Technical Assistance. A qualified Independent Provider must perform feasibility studies or Technical Assistance.

(b) For-profit Ultimate Recipients for Projects under paragraphs (a)(3), (4), (5), or (6) of this section.
§ 4280.22 Requirements for lending from Revolving Loan Fund.

(a) Supplemental contribution. The Intermediary must establish a Revolving Loan Fund and contribute an amount equal to at least 20 percent of the Grant. The supplemental contribution must come from Intermediary’s funds which may not be from other Federal Grants, unless permitted by law.

(b) Use of supplemental contribution. The Intermediary’s contribution will only be used to make REDG loans and not other investment purposes. The Intermediary’s contribution must remain a permanent part of the Revolving Loan Fund until the Fund is terminated.

(c) REDG Zero-Interest Loan Requirements. The Fund is made up of Rural Development and Intermediary contributions and must be loaned in accordance with one of the following 2 options:

(1) The contribution may be used to fund the same Project that Rural Development is funding. The interest rate on that portion of the financing using Rural Development funds will be at zero percent. The interest rate on that portion of the financing using the Intermediary’s contribution may be greater than zero percent but must be less than, or equal to, the prevailing prime rate. Using this option, loan security and recovery of loan losses must provide for the pro rata recovery and distribution between the Intermediary and Rural Development based on the respective amounts of each contribution to the total loan amount for the Project.

(2) The Intermediary’s contribution may be used to fund Projects separate from the Project financed with Rural Development funds, provided that the Project is eligible in accordance with § 4280.21.

(3) Whether the Intermediary chooses the option under paragraph (c)(1) or paragraph (c)(2) of this section, its contribution must be used to fund an eligible Project within 3 years from the date of the Grant agreement. If the Intermediary fails to use its contribution within this 3-year period, Rural Development will terminate the Grant.

(d) Intermediary’s supplemental funds. Once revolved, monies from the Fund may be loaned at an interest rate called for in the Revolving Loan Fund Plan, not to exceed the prevailing prime rate.

(e) Eligible purposes only. Until the total amount in the Fund has been loaned, all loans must be made for eligible purposes as stated in § 4280.21. After the Fund has been loaned, in accordance with § 4280.21 of this subpart, the Intermediary shall make loans to finance rural economic development purposes in accordance with the Revolving Loan Fund Plan. All loan repayments, including interest earned, must be deposited into the Fund.

(f) Termination for cause. Rural Development will terminate the Fund and require repayment of the Grant funds if Rural Development determines that the Fund is not being operated according to the approved Revolving Loan Fund Plan, this subpart, or for other good cause determined by Rural Development, such as questionable prepayment of initial loans. As applicable, Rural Development will follow remedies for noncompliance, closeout and post-closeout adjustments and continuing responsibilities in accordance with 2 CFR 200.338–200.344 as codified by 2 CFR 400.1.

(g) All REDG Loans must be made to Rural Ultimate Recipients.

§ 4280.23 Revolved funds.

Rural Development and the Intermediary’s supplemental funds will be considered revolved after they have been loaned to Ultimate Recipients and subsequently repaid. Loans made from revolved funds will not require prior approval of Rural Development for creditworthiness or environmental clearance purposes. All other Federal compliance requirements, including those in this subpart, remain in effect.

§ 4280.25 Revolving Loan Fund Plan.

Each REDG Intermediary must adopt a Rural Development-approved plan that specifies that:
(a) The initial loan made from the Fund will be at zero percent interest and have a maximum term of 10 years;
(b) Loans made from loan repayments may carry an interest rate less than, or equal to, the prevailing prime rate. The Intermediary determines repayment terms and security arrangements on these loans.
(c) Loans made from repayments of REDG loans must be for eligible Program purposes;
(d) The Intermediary is solely responsible for the financial approval of Fund loans and all other Fund decisions and actions; and
(e) No changes will be made to a Rural Development-approved Revolving Loan Fund Plan without the prior written approval of Rural Development.
§ 4280.26 Administration and operation of the Revolving Loan Fund.
(a) The Intermediary will operate and administer the Revolving Loan Fund. The Intermediary may contract with a third party for administrative services regarding the Fund. However, the Intermediary must permanently retain all Project review, approval, and monitoring authority and responsibility. This authority and responsibility cannot be delegated to any other person or entity.
(b) Up to 10 percent of Rural Development Grant funds may be applied toward operating expenses over the life of the Fund. Operating expenses include the costs of administering the Fund and Technical Assistance provided to Project owners by Independent Providers.
(c) In cases where the Intermediary uses its supplemental contribution to the Revolving Loan Fund for a Project other than the Project that resulted in the Intermediary being awarded the Grant, the loan terms must not exceed 10 years and the interest rate must be less than, or equal to, the prevailing prime rate.
§ 4280.27 Ineligible purposes.
Zero-Interest Loans may not be used:
(a) For activities that would adversely affect the environment, or activities that limit the choice of reasonable alternatives prior to satisfying Rural Development environmental requirements;
(b) To pay off or refinance any existing indebtedness or costs of the Project that were incurred prior to Rural Development receipt of the Intermediary’s completed application;
(c) For any electric or telecommunications purpose or for the Intermediary’s electric or telecommunications operations, for affiliated operations of the Intermediary, or for the benefit of other Intermediaries or their affiliated operations, except those purposes contained in § 4280.15(f);
(d) To pay the salaries of any employee or owner of the Intermediary, its subsidiaries, or affiliates, except for salaries incurred in administering a Revolving Loan Fund established under the REDG Program;
(e) For community antenna or cable television systems or facilities;
(f) For residential purposes such as residential dwellings and land sites; facilities to provide entertainment television; to transfer property between owners without making improvements that will promote or sustain economic development in Rural Areas; or for personal, non-business related vehicles;
(g) Where there is directly or indirectly a conflict of interest or the appearance of a conflict of interest in the Project; for Intermediaries this would include a situation in which the Intermediary, its officers, managers, Board of Directors, employees, their spouses, children, or close relatives, have a financial or ownership interest in the Project being funded, including its construction or development;
(h) For any purpose when receipt of loan funds is conditioned upon the requirement that the Ultimate Recipient acquire electric or telecommunications service from the Intermediary or its affiliates;
(i) For any gambling activity;
(j) For a Project that would result in the transfer of existing employment or business activity more than 25 miles from its existing location;
(k) For proposed Projects located in areas covered by the Coastal Barrier Resources Act (16 U.S.C. 3501–3510);
(l) For any illegal activity or any activity involving prostitution;
(m) For Agricultural Production, except where the Project is a farmer-owned cooperative or similar organization where the benefits of the Project are passed on to the farmer-owners, and the Agricultural Production is part of an integrated business that processes the agricultural products, and the Agricultural Production portion of the loan will not exceed 50% of the loan amount;

(n) For any pass-through Grant funding activity (a Grant by the Intermediary to the Ultimate Recipient);

(o) Provision of only local exchange voice telephone service; or

(p) for any other purpose announced in a notice by Rural Development. This will not affect Grants that have already been awarded.

§ 4280.28 [Reserved]

§ 4280.29 Supplemental financing required for the Ultimate Recipient Project.

(a) For REDL loans, either the Ultimate Recipient or the Intermediary must provide supplemental funds for the Project equal to at least 20 percent of the loan to the Intermediary. For REDG grants, the Intermediary must provide supplemental funds, to capitalize the Revolving Loan Fund, equal to at least 20 percent of the Grant to the Intermediary.

(b) Funds provided by the Ultimate Recipient must be:

(1) Cash or its equivalent;

(2) Provided after Rural Development receives the completed application; and

(3) Disbursed for an eligible Project within a three year period that begins on the day the Intermediary signs the Grant agreement.

(c) Satisfactory evidence of the Ultimate Recipient’s funds must be provided to Rural Development before it will advance any funds to the Intermediary.

§ 4280.30 Restrictions on the use of REDL or REDG funds.

(a) Conflict of interest. The Intermediary must not own or manage any Ultimate Recipient Project, unless the Project is acquired as a result of servicing a loan made from the Revolving Loan Fund. Conflicts of interest and all appearances of a conflict of interest are not permitted. The intermediary must also disclose in writing any potential conflicts of interest to the USDA awarding agency and maintain written standards of conduct covering conflicts of interest, including organizational conflicts of interest in accordance with 2 CFR 400.2(b).

(b) Fees. The Intermediary may charge reasonable loan servicing fees, which are limited to one percent per year of the principal amount outstanding on the loan; reasonable professional service fees that are customary for the service being provided and in accordance with any standard fee schedules that have been established for the service; and reasonable expenses the Intermediary has incurred from Independent Providers.

(c) Interest earnings. Any interest earned by the Intermediary on advances of Rural Development REDG or REDL funds prior to the disbursement for the Project, must be returned to Rural Development.

§§ 4280.31–4280.35 [Reserved]

§ 4280.36 Other laws that contain compliance requirements for these Programs.

(a) Equal employment opportunity. For all construction contracts and Grants in excess of $10,000, the contractor must comply with Executive Order 11246, as amended by Executive Order 11375, and as supplemented by applicable Department of Labor regulations (41 CFR part 60). The applicant is responsible for ensuring that the contractor complies with these requirements.

(b) Equal opportunity and nondiscrimination. Rural Development will ensure that equal opportunity and nondiscriminatory requirements are met in accordance with the Equal Credit Opportunity Act and 7 CFR part 15d, conducted by USDA. Rural Development will not discriminate against applicants on the bases of race, color, religion, national origin, sex, marital status, or age (provided that the applicant has the capacity to contract); to
the fact that all or part of the applicant’s income derives from public assistance program; or to the fact that the applicant has in good faith exercised any right under the Consumer Credit Protection Act.

(c) Civil rights compliance. Recipients of Grants must comply with the Americans with Disabilities Act of 1990, Title VI of the Civil Rights Act of 1964, and Section 504 of the Rehabilitation Act of 1973. This includes collection and maintenance of data on the race, sex, and national origin of the recipient’s membership/ownership and employees. These data must be available to conduct compliance reviews in accordance with 7 CFR part 1901 subpart E, §1901.204. Initial compliance reviews will be conducted with the Intermediary when Form RD 400–4, “Assurance Agreement,” is signed. For each loan or Grant an Intermediary receives, a new Form RD 400–4 must be completed. Each Ultimate Recipient must go through the same pre-award compliance review process and must also sign Form RD 400–4. For loans and Grants, a pre-award review is required before loan or Grant approval or any disbursement of funds. For Intermediaries, a post-award compliance review is required 90 days after closing the loan or Grant. This review is not required for Ultimate Recipients. Subsequent compliance reviews will be conducted 3 years from the date the post-award compliance review is completed for Intermediaries and 3 years from the date the pre-award compliance review is completed for Ultimate Recipients. Where Grant funds are used for a Revolving Loan Fund, compliance reviews are required for the Intermediaries for as long as the Fund is in operation. For Ultimate Recipients, compliance reviews are conducted until the loan is repaid to the Fund.

(d) Architectural barriers. All facilities financed with Zero-Interest Loans that are open to the public or in which persons may be employed or reside must be designed, constructed, or altered to be readily accessible to and usable by disabled persons. Standards for these facilities must comply with the Architectural Barriers Act of 1968 (42 U.S.C. 4151–4157) and the “Uniform Federal Accessibility Standards”, (41 CFR part 101–19.6, Appendix A).

(e) Uniform relocation assistance. Relocations in connection with these Programs are subject to 49 CFR part 24 as referenced by 7 CFR part 21 except that the provisions in title III of the Uniform Act do not apply to these Programs.

(f) Drug-free workplace. Grants made under these Programs are subject to the requirements contained in 2 CFR part 421 which implements the Drug-Free Workplace Act of 1988 (41 U.S.C. 8101 et seq.). An Intermediary requesting a REDG Grant will be required to certify that it will establish and make a good faith effort to maintain a drug-free workplace program.

(g) Debarment and suspension. The requirements of 2 CFR part 180 and Departmental Regulations 2 CFR part 417. Nonprocurement Debarment, and Suspension are applicable to these Programs.

(h) Intergovernmental review of Federal programs. These Programs are subject to the requirements of Executive Order 12372 (3 CFR 1982 Comp., p. 197) and 2 CFR part 415, subpart C, which implements Executive Order 12372. Proposed Projects are subject to the State and local government review process contained in 2 CFR part 415, subpart C.

(i) Restrictions on lobbying. The restrictions and requirements imposed by 31 U.S.C. 1352, and 2 CFR part 418, are applicable to these Programs.

(j) Earthquake hazards. These Programs are subject to the seismic requirements of the Earthquake Hazards Reduction Act of 1977 (42 U.S.C. 7701–7706).

(k) Environmental requirements. The requirements of 7 CFR part 1940, subpart G, are applicable to these Programs and to the loans made from the Revolving Loan Fund using Rural Development funds. Financial assistance from the Revolving Loan Fund, when funds are derived from repayments by third parties, is not considered Federal assistance for purposes of meeting the compliance requirements of 7 CFR part 1940, subpart G.

(l) Affirmative fair housing. If applicable, the Intermediary will be required to comply with the Affirmative Fair Housing Act (42 U.S.C. 3601–3631).
(m) Flood hazard insurance. These Programs are subject to the National Flood Insurance Act of 1968 and the Flood Disaster Protection Act of 1973, as amended by 42 U.S.C. 4001–4129.

(n) Audits. These Programs are subject to 2 CFR part 200, subpart F, as codified in 2 CFR part 400.1.

§ 4280.37 Application forms and filing dates.

(a) The Intermediary may obtain forms that supplement the written narrative sections of its application from the Rural Development State Office for the State where the Intermediary is located.

(b) An original copy only of the application is to be filed with the Rural Development State Office. No other copies are required.

§ 4280.38 Maximum amount of loans or Grants.

During any given fiscal year, Rural Development will publish an announcement of available loan and Grant funds and will indicate the maximum loan and Grant amounts for which an Intermediary or prospective Intermediary may apply. This announcement will also include contact information and application deadlines. All pending applications on file at RBS, including both loan and Grant applications, from the same Intermediary or prospective Intermediary for the same Project will be considered to be one application in determining that the maximum size of the application is in accordance with this section.

§ 4280.39 Contents of an application.

An application for a loan or a Grant must contain the following:

(a) Required forms and certifications:

(2) A Resolution of the Board of Directors signed by the directors and certified by the Intermediary’s board secretary. The board resolution must indicate whether the Intermediary is requesting a loan or Grant, agree to the provisions of this subpart and the loan or Grant agreement including the Intermediary’s 20 percent Fund contribution, and state that the Intermediary has the legal authority to enter into a loan or Grant agreement under these Programs;

(3) Form AD 1047, “Certification Regarding Debarment, Suspension, and other Responsibility Matters—Primary Covered Transactions,” and Form AD–1048, “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Transactions.”

(4) Assurance statement for the Uniform Act signed by the Ultimate Recipient. This statement provides Rural Development with the required assurance statement that any relocations of persons or acquisitions of real property, as part of completing the Ultimate Recipient Project, will be handled in accordance with this statute.

(5) RD Instruction 1940–Q, Exhibit A–1, applies if the loan is greater than $150,000 or the Grant is greater than $100,000;

(6) SF LLL, “Disclosure of Lobbying Activities,” (if the Intermediary or the Ultimate Recipient engages in lobbying activities);

(7) Form AD 1049, “Certification Regarding Drug-Free Workplace Requirements,” for Grants only;

(8) Seismic certification if construction of a building is proposed. The Project owner certifies that any building constructed will comply with standards that reduce the damage caused by earthquakes;

(9) Form RD 1940–20, “Request for Environmental Information”; and

(10) RUS Form 7, “Financial and Statistical Report” and RUS Form 7a “Investments, Loan Guarantees, and Loans,” or similar information.

(b) A written narrative section must be provided. This section consists of the following:

(1) A Project description, including details of the work to be performed with Rural Development funds, and a business plan, including a discussion of management and prior experience of the Ultimate Recipient.

(2) A discussion of how the Project meets each selection factor in §4280.42(b).
(3) A Revolving Loan Fund Plan is required if the Intermediary is applying for a Grant to establish a Revolving Loan Fund.

§4280.40 [Reserved]

§4280.41 Environmental review of the application.

(a) Rural Development will conduct a review for the potential of any environmental impacts resulting from the proposed Project identified in the application and inform the Intermediary of any additional information Rural Development needs and any subsequent environmental requirements necessary for Rural Development to make a finding.

(b) Rural Development will conduct all necessary environmental reviews as prescribed in 7 CFR part 1940, subpart G. These reviews must be completed before the application can be considered for approval.

§4280.42 Application evaluation and selection.

(a) Rural Development will evaluate the application and score it based on the selection factors in this section. All applications will be ranked on a nationwide basis, based on the total points scored.

(b) The application will be evaluated and scored using the information provided in accordance with §4280.39(b)(2) of this subpart.

(1) Nature of the Project. Rural Development will award up to 60 points based on whether the Project:

(i) Is a for-profit business, Business Incubator, industrial building or park, or an infrastructure connection project (such as streets or utilities)—20 points;

(ii) Provides Technical Assistance to rural businesses or rural residents, or educates or provides medical care to rural residents—20 points;

(iii) Will enhance rural economic development by providing Advanced Telecommunications services and computer networks for medical, educational, and job training services. This review will be based on the application’s telecommunications design—20 points.

(2) Number of direct full-time equivalent jobs created or saved within a 3-year period. To calculate full-time equivalent Direct-Jobs, count two part-time jobs as one full-time job or three part-time or seasonal jobs as one full-time job. If the total numbers of part-time and seasonal jobs add up to a fraction, round up to the next whole number after combining same. Indirect-Jobs or non-Rural jobs cannot be used for this calculation.

<table>
<thead>
<tr>
<th>If the number of Rural full-time equivalent direct-jobs jobs created or saved per $100,000 of total, Project cost is:</th>
<th>Then Rural Development will award:</th>
</tr>
</thead>
<tbody>
<tr>
<td>(i) Greater than five</td>
<td>25 points.</td>
</tr>
<tr>
<td>(ii) From one to five</td>
<td>15 points.</td>
</tr>
</tbody>
</table>

(3) Supplemental funds for the Project.

Points will be based on a calculation of the amount of supplemental funds to be provided to the Project. All supplemental funds used in the following calculation must be disbursed to the Project between the date of Rural Development receipt of the application and 1 year after the first advance of funds by Rural Development:

<table>
<thead>
<tr>
<th>If supplemental funds as a percentage of the Rural Development loan or grant to be provided to the Project are:</th>
<th>Then Rural Development will award:</th>
</tr>
</thead>
<tbody>
<tr>
<td>(i) Greater than 200%</td>
<td>20 points.</td>
</tr>
<tr>
<td>(ii) From 100% to 200%</td>
<td>10 points.</td>
</tr>
<tr>
<td>(iii) From 50% to less than 100%</td>
<td>5 points.</td>
</tr>
</tbody>
</table>
(4) Unemployment rate for the county(ies) where the Project is physically located. Rural Development will compare the current unemployment rate(s) in the county(ies) to the State and national unemployment rates, and, if applicable, award points under the following categories, whichever is greater:

<table>
<thead>
<tr>
<th>If the unemployment rate(s) in the county(ies) where the Project will be located:</th>
<th>Then Rural Development will award:</th>
</tr>
</thead>
<tbody>
<tr>
<td>(i) Exceeds the national unemployment rate by 30% or more</td>
<td>15 points.</td>
</tr>
<tr>
<td>(ii) Is greater than the national unemployment rate, but exceeds it by less than 30%</td>
<td>5 points.</td>
</tr>
<tr>
<td>(iii) Exceeds the State unemployment rate by 30% or more</td>
<td>10 points.</td>
</tr>
<tr>
<td>(iv) Is greater than the State unemployment rate but exceeds it by less than 30%</td>
<td>5 points.</td>
</tr>
</tbody>
</table>

(5) Per capita personal income for the county(ies) where the Project is physically located. Rural Development will compare the per capita personal income in the county(ies) where the Project will be located to the national and State per capita personal income levels, and, if applicable, award points under the following categories, whichever is greater:

<table>
<thead>
<tr>
<th>If the per capita personal income level in the county(ies) is:</th>
<th>Then Rural Development will award:</th>
</tr>
</thead>
<tbody>
<tr>
<td>(i) Less than or equal to 90% of the national level</td>
<td>15 points.</td>
</tr>
<tr>
<td>(ii) Between 90 and 100% of the national level</td>
<td>5 points.</td>
</tr>
<tr>
<td>(iii) Less than or equal to 90% of the State level</td>
<td>10 points.</td>
</tr>
<tr>
<td>(iv) Between 90 and 100% of the State level</td>
<td>5 points.</td>
</tr>
</tbody>
</table>

(6) Rural Area location. (i) If the Project is physically located in an incorporated city or town or equivalent having a population of 1,249 or less, or if it is physically located in an unincorporated area, Rural Development will award 20 points.
(ii) If the Project is physically located in an incorporated area having a population of 1,250 to 2,500, Rural Development will award 10 points.

(7) Decline in population for the county where the Project is physically located. If there has been a decline in population in the county where the Project will be located over the time period covered by the two most recent decennial Censuses to the present (or equivalent time frame if using a data source other than the decennial Census), Rural Development will award 10 points.

(8) Cushion of Credit Payments. Rural Development will determine the level of Cushion of Credit Payments on deposit by the Intermediary, as follows:

<table>
<thead>
<tr>
<th>If the Intermediary’s Cushion of Credit account level is:</th>
<th>Then Rural Development will award:</th>
</tr>
</thead>
<tbody>
<tr>
<td>(i) In excess of $300,000, or a dollar amount in excess of 3 percent of the Intermediary’s total assets, whichever is less.</td>
<td>15 points.</td>
</tr>
<tr>
<td>(ii) Within the range of $100,000 to $299,999.99, or a dollar amount that is within the range of one percent to 2.99 percent of Intermediary’s total assets, whichever is less.</td>
<td>10 points.</td>
</tr>
<tr>
<td>(iii) Within the range of $10,000 to $99,999.99, or a dollar amount that is within the range of 0.5 percent to 2.99 percent of Intermediary’s total assets, whichever is less.</td>
<td>5 points.</td>
</tr>
</tbody>
</table>

(9) Initial loan and Grant. If the loan or Grant application will result in the first award to an Intermediary under these Programs, Rural Development will award 10 points.

(10) County participation. If the Project will be the first REDLG Project financed in a county Rural Development will award 10 points.

(11) The business plan for the Applicant’s Ultimate Recipient will be evaluated by Rural Development and must include:
(i) A description of the business or Project plans, its management, and, if applicable, its products and operating plans. (The business plan evaluated by Rural Development for Advanced Telecommunications will be its telecommunications and engineering design)—up to 15 points; and

(ii) An appropriate financial plan, including actual balance sheets and income statements covering the most recent 3-year period (for applicants who have been in business this long), and projected balance sheets, income statements, and cash flow statements for the ensuing 3-year period, supported by assumptions showing the basis for the projections—up to 20 points.

§ 4280.43 Discretionary points.

The RBS Administrator has the discretion to designate up to 25 points (no more than 5 points for each of the following elements) based on whether the Project:

(a) Is located in a Rural Empowerment Zone, Rural Economic Area Partnership Zone, Rural Enterprise Community, or Champion Community;

(b) Is located in a county that has experienced the loss, removal, or closing of a major source or sources of employment in the last 3 years which causes an increase of 2 percentage points or more in the county’s most recent unemployment rate compared with the same period immediately before the dislocation;

(c) Is located in a county that has experienced chronic or long-term economic deterioration;

(d) Is located in a county that was designated a disaster area by the President of the United States that significantly affected rural economic development and job creation. The county must have been designated within 3 years prior to filing of the completed application with Rural Development;

or

(e) Is consistent with the Rural Development State Office’s approved strategic plan and mission area objectives and is identified as a priority area for assistance in the States’ plan.

§ 4280.44 Limitation on number of loans or Grants to an Intermediary.

Depending on the amount of funds available, Rural Development may publish an announcement limiting an Intermediary to one selected Grant application and two selected loan applications in a fiscal year.

§§ 4280.45–4280.46 [Reserved]

§ 4280.47 Non-selection of applications.

Provided the application requirements have not changed, an application not selected will be reconsidered in 3 subsequent funding competitions for a total of four funding competitions. If an application is withdrawn, it can be resubmitted and will be evaluated as a new application.

§ 4280.48 Post selection period.

Rural Development will notify the Intermediary in writing if the application is selected. The documents to be executed by the Intermediary will include:

(a) For a loan:

(1) A Letter of Conditions with Project-specific terms and conditions;

(2) A loan agreement with general terms and conditions;

(3) A note covering the repayment terms of the loan; and

(4) A legal opinion concerning the authority of the Intermediary to engage in the Project.

(b) For a Grant:

(1) A Letter of Conditions with Project-specific terms and conditions;

(2) A Grant agreement with general terms and conditions; and

(3) A legal opinion concerning the authority of the Intermediary to participate in the Revolving Loan Fund and to engage in the Project.

§ 4280.49 [Reserved]

§ 4280.50 Disbursement of Zero-Interest Loan funds.

(a) For a REDL loan, Rural Development will disburse Zero-Interest Loan funds to the Intermediary in accordance with the terms of the executed loan agreement. All loan funds will be disbursed either as an advance to the Intermediary, in multiple advances, or as a reimbursement for eligible project
costs, once the Intermediary has complied with Rural Development requirements.

(b) The Intermediary must provide to the Ultimate Recipient all loan funds that the Intermediary receives from Rural Development within one year of receiving them. If the Intermediary does not re-lend Rural Development funds within one year, the loan funds, and all interest earned on the loan funds, must be returned to the Agency.

(c) For a REDG loan, Rural Development will disburse Grant funds to the Intermediary in accordance with 2 CFR 200 as adopted by USDA in 2 CFR part 400 as applicable. Specifically, Rural Development will disburse the Grant funds in advance if the following requirements are met:

(1) The Intermediary has established written procedures that will minimize the time elapsing between the transfer of funds from Rural Development and their disbursement to the Ultimate Recipient;

(2) The management system of the Intermediary meets the requirements of 2 CFR part 200 as adopted by USDA in 2 CFR part 400, as applicable;

(3) All necessary supplemental funds for the Project have been obligated or committed to the Revolving Loan Fund; and

(4) The requests for cash advances made by the Intermediary are limited to the minimum amounts needed and timed to be in accordance with the actual immediate cash needs of the Ultimate Recipient for carrying out the Project.

§ 4280.53 Loan payments.

The Intermediary must make all REDL payments to Rural Development by electronic funds transfer or other means as specified in the loan documents.

§ 4280.54 Construction procurement requirements.

Construction, including bidding and awarding of contracts, must be conducted in a manner that provides maximum open and free competition.

§ 4280.55 Monitoring responsibilities.

(a) The Intermediary must monitor the Project to ensure that:

(1) Funds are used only for the approved purposes as specified in the legal documents;

(2) Disbursements and expenditures of funds are properly supported with certifications, invoices, contracts, bills of sale, or other forms of evidence, which are maintained on the premises of the Intermediary;

(3) Project time schedules are being met, projected work by time periods is being accomplished, and other performance objectives are being achieved; and

(4) The Project is in compliance with all applicable regulations.

(b) Rural Development may inspect and copy records and documents that pertain to the Project. The Intermediary must retain these records for the term of the Project loan plus 2 years. In addition, Rural Development may also perform Project site visits and reviews of the use of loan or Grant proceeds.

(c) Rural Development will review and monitor Grants in accordance with 2 CFR part 200, as adopted by USDA in 2 CFR parts 400, 415, 417, 418, and 421 as applicable.

§ 4280.56 Submission of reports and audits.

(a) In addition to any reports and audits required by 2 CFR part 200 and subpart F as adopted by USDA in 2 CFR part 400, the Intermediary must submit the following monitoring reports to Rural Development:

(1) Loan. The Intermediary must submit Form RD 4280–1 “Survey of Recipients of Rural Economic Development Loan and Grant Program” to Rural Development on an annual basis until it no longer owes money to USDA under the REDLG Program.

(2) Grant (Revolving Loan Fund). The Intermediary must submit the Form RD 4280–1 to Rural Development on an annual basis until all projects financed with Rural Development Grant proceeds have been repaid or are otherwise retired, whichever occurs last. Thereafter, on a triennial basis until the
fund is terminated, the Intermediary will submit to Rural Development the Form RD 4280–1, reporting on the activity of all loans made from the Revolving Loan Fund.

(b) If the Intermediary does not have an existing loan with RUS, the Intermediary will submit a copy of its annual audit to Rural Development within 90 days of its completion. All REDL audits must be conducted in accordance with Generally Accepted Government Auditing Standards or Generally Accepted Accounting Principles and REDG audits in accordance with 2 CFR part 200 as adopted by USDA in 2 CFR part 400.

(c) Rural Development may require Ultimate Recipients that receive loans financed with Grant funds provided under the REDG Program to submit annual audits to comply with Federal audit regulations. In accordance with 2 CFR part 200, as adopted by USDA in 2 CFR part 400, Ultimate Recipients that are nonprofit entities, or a State or local government, may be required to submit an audit subject to the threshold established in 2 CFR part 200, as adopted by in 2 CFR part 400.

§§ 4280.64–4280.99 [Reserved]

§ 4280.100 OMB control number.

The information collection requirements contained in this regulation have been approved by the Office of Management and Budget (OMB) and have been assigned OMB control number 0575–0035. A person is not required to respond to this collection of information unless it displays a currently valid OMB control number.

Subpart B—Rural Energy for America Program

SOURCE: 79 FR 78255, Dec. 29, 2014, unless otherwise noted.

GENERAL

§ 4280.101 Purpose.

This subpart contains the procedures and requirements for providing the following financial assistance under the Rural Energy for America Program (REAP):

(a) Grants or guaranteed loans, or a combination grant and guaranteed loan, for the purpose of purchasing and installing Renewable Energy Systems (RES) and Energy Efficiency Improvements (EEI); and

(b) Grants to assist Agricultural Producers and Rural Small Businesses by conducting Energy Audits (EA) and providing recommendations and information on Renewable Energy Development Assistance (REDA) and improving energy efficiency.

§ 4280.102 Organization of subpart.

(a) Sections 4280.103 through 4280.111 discuss definitions; exception authority; review or appeal rights; conflict of interest; USDA Departmental Regulations; other applicable laws; ineligible Applicants, borrowers, and owners; general Applicant, application, and funding provisions; and notifications, which are applicable to all of the funding programs under this subpart.
(b) Sections 4280.112 through 4280.124 discuss the requirements specific to RES and EEI grants. Sections 4280.112 and 4280.113 discuss, respectively, Applicant and project eligibility. Section 4280.114 addresses funding provisions for these grants. Sections 4280.115 through 4280.119 address grant application content, technical merit determination, and required documentation. Sections 4280.120 through 4280.123 address the scoring, selection, awarding and administering, and servicing of these grant applications. Section 4280.124 addresses construction planning and development.

(c) Sections 4280.125 through 4280.152 discuss the requirements specific to RES and EEI guaranteed loans. Sections 4280.125 through 4280.128 discuss eligibility and requirements for making and processing loans guaranteed by the Agency. Section 4280.129 addresses funding for guaranteed loans. In general, Sections 4280.130 through 4280.152 provide guaranteed loan origination and servicing requirements. These requirements apply to lenders, holders, and other parties involved in making, guaranteeing, holding, servicing, or liquidating such loans. Section 4280.137 addresses the application requirements for guaranteed loans.

(d) Section 4280.165 presents the process by which the Agency will make combined loan guarantee and grant funding available for RES and EEI projects.

(f) Appendices A through C cover technical report requirements. Appendix A applies to EEI projects; Appendix B applies to RES projects with Total Project Costs of Less Than $200,000, but more than $80,000; and Appendix C applies RES projects with Total Project Costs $200,000 and Greater. Appendices A and B do not apply to RES and EEI projects with Total Project Costs of $80,000 or less, respectively. Instead, technical report requirements for these projects are found in §4280.119.

§ 4280.103 Definitions.

Terms used in this subpart are defined in either §279.2 of this chapter or in this section. If a term is defined in both §279.2 and this section, it will have, for purposes of this subpart only, the meaning given in this section. Terms used in this subpart that have the same meaning as the terms defined in this section have been capitalized in this subpart.

Agency. The Rural Business-Cooperative Service (RBS) or successor agency assigned by the Secretary of Agriculture to administer the Rural Energy for America Program. References to the National Office, Finance Office, State Office, or other Agency offices or officials should be read as prefaced by “Agency” or “Rural Development” as applicable.

Agricultural Producer. An individual or entity directly engaged in the production of agricultural products, including crops (including farming); livestock (including ranching); forestry products; hydroponics; nursery stock; or aquaculture, whereby 50 percent or greater of their gross income is derived from those products.

Anaerobic Digester Project. A Renewable Energy System that uses animal waste or other Renewable Biomass and may include other organic substrates, via anaerobic digestion, to produce biogas that is used to produce thermal or electrical energy or that is converted to a compressed gaseous or liquid state.

Annual Receipts. Means receipts as calculated under 13 CFR 121.104.

Applicant. (1) Except for EA and REDA grants, the Agricultural Producer or Rural Small Business that is seeking a grant, guaranteed loan, or a combination of a grant and loan, under this subpart. (2) For EA and REDA grants, a unit of State, Tribal, or local government; a land-grant college or university; or other Institution of Higher Education; a rural electric cooperative; a Public Power Entity; Council as defined in 16 U.S.C. 3451; or an Instrumentality of a
State, Tribal, or local government that is seeking an EA or REDA grant under this subpart.

Assignment Guarantee Agreement (Form RD 4279–6, or successor form). The signed agreement among the Agency, the lender, and the holder containing the terms and conditions of an assignment of a guaranteed portion of a loan, using the single note system.

Bioenergy Project. A Renewable Energy System that produces fuel, thermal energy, or electric power from a Renewable Biomass source only.

Capacity. The maximum output rate that an apparatus or heating unit is able to attain on a sustained basis as rated by the manufacturer.

Commercially Available. A system that meets the requirements of either paragraph (1) or (2) of this definition.

(1) A domestic or foreign system that:
   (i) Has, for at least one year specific to the proposed application, both a proven and reliable operating history and proven performance data;
   (ii) Is based on established design and installation procedures and practices and is replicable;
   (iii) Has professional service providers, trades, large construction equipment providers, and labor who are familiar with installation procedures and practices;
   (iv) Has proprietary and balance of system equipment and spare parts that are readily available;
   (v) Has service that is readily available to properly maintain and operate the system; and
   (vi) Has an existing established warranty that is valid in the United States for major parts and labor.

(2) A domestic or foreign Renewable Energy System that has been certified by a recognized industry organization whose certification standards are acceptable to the Agency.

Complete Application. An application that contains all parts necessary for the Agency to determine Applicant and project eligibility, score the application, and, where applicable, enable the Agency to determine the technical merit of the project.

Conditional Commitment (Form RD 4279–3, or successor form). The Agency’s notice to the lender that the loan guarantee it has requested is approved subject to the completion of all conditions and requirements set forth by the Agency and outlined in the Conditional Commitment.

Departmental Regulations. The regulations of the USDA’s Office of Chief Financial Officer (or successor office) as codified in 2 CFR chapter IV.

Design/Build Method. A method of project development whereby all design, engineering, procurement, construction, and other related project activities are performed under a single contract. The contractor is solely responsible and accountable for successful delivery of the project to the grantee and/or borrower as applicable.

Eligible Project Costs. The Total Project Costs that are eligible to be paid or guaranteed with REAP funds.

Energy Assessment. An Agency-approved report assessing energy use, cost, and efficiency by analyzing energy bills and surveying the target building and/or equipment sufficiently to provide an Agency-approved Energy Assessment.

(1) If the project’s Total Project Cost is greater than $80,000, the Energy Assessment must be conducted by either an Energy Auditor or an Energy Assessor or an individual supervised by either an Energy Assessor or Energy Auditor. The final Energy Assessment must be validated and signed by the Energy Assessor or Energy Auditor who conducted the Energy Assessment or by the supervising Energy Assessor or Energy Auditor of the individual who conducted the assessment, as applicable.

(2) If the project’s Total Project Cost is $80,000 or less, the Energy Assessment may be conducted in accordance with paragraph (1) of this definition or by an individual or entity that has at least 3 years of experience and completed at least five energy assessments or energy audits on similar type projects.

Energy Assessor. A Qualified Consultant who has at least 3 years of experience and completed at least five energy assessments or energy audits on similar type projects and who adheres to generally recognized engineering principles and practices.
Energy Audit. A comprehensive report that meets an Agency-approved standard prepared by an Energy Auditor or an individual supervised by an Energy Auditor that documents current energy usage; recommended potential improvements, typically called energy conservation measures, and their costs; energy savings from these improvements; dollars saved per year; and Simple Payback. The methodology of the Energy Audit must meet professional and industry standards. The final Energy Audit must be validated and signed off by the Energy Auditor who conducted the audit or by the supervising Energy Auditor of the individual who conducted the audit, as applicable.

Energy Auditor. A Qualified Consultant that meets one of the following criteria:
1. A Certified Energy Auditor certified by the Association of Energy Engineers;
2. A Certified Energy Manager certified by the Association of Energy Engineers;
3. A Licensed Professional Engineer in the State in which the audit is conducted with at least 1 year experience and who has completed at least two similar type energy audits; or
4. An individual with a 4 year engineering or architectural degree with at least 3 years of experience and who has completed at least five similar type energy audits.

Energy Efficiency Improvement (EEI). Improvements to or replacement of an existing building and/or equipment that reduces energy consumption on an annual basis.

Feasibility Study. An analysis conducted by a Qualified Consultant of the economic, market, technical, financial, and management feasibility of a proposed project or business operation.

Federal Fiscal Year. The 12-month period beginning October 1 of any given year and ending on September 30 of the following year.

Financial Feasibility. The ability of a project or business operation to achieve sufficient income, credit, and cash flow to financially sustain a project over the long term. The concept of financial feasibility includes assessments of the cost-accounting system, the availability of short-term credit for seasonal businesses operations, and the adequacy of raw materials and supplies.

Geothermal Direct Generation. A system that uses thermal energy directly from a geothermal source.

Geothermal Electric Generation. A system that uses thermal energy from a geothermal source to produce electricity.

Grant Agreement (Form RD 4280−2, Rural Business Cooperative Service Grant Agreement, or successor form). An agreement between the Agency and the grantee setting forth the provisions under which the grant will be administered.

Hybrid. A combination of two or more Renewable Energy technologies that are incorporated into a unified system to support a single project.

Hydroelectric Source. A Renewable Energy System producing electricity using various types of moving water including, but not limited to, diverted run-of-river water, in-stream run-of-river water, and in-conduit water. For the purposes of this subpart, only those Hydroelectric Sources with a Rated Power of 30 megawatts or less are eligible.

Hydrogen Project. A system that produces hydrogen from a Renewable Energy source or that uses hydrogen produced from a Renewable Energy source as an energy transport medium in the production of mechanical or electric power or thermal energy.

Immediate Family. Individuals who are closely related by blood, marriage, or adoption, or who live within the same household, such as a spouse, domestic partner, parent, child, brother, sister, aunt, uncle, grandparent, grandchild, niece, or nephew.

Inspector. A Qualified Consultant who has at least 3 years of experience and completed at least five inspections on similar type projects. A project might require one or more Inspectors to perform the required inspections.

Institution of Higher Education. As defined in 20 U.S.C. 1002(a).

Instrumentality. An organization recognized, established, and controlled by a State, Tribal, or local government, for a public purpose or to carry out special purposes.
Interconnection Agreement. A contract containing the terms and conditions governing the interconnection and parallel operation of the grantee’s or borrower’s electric generation equipment and the utility’s electric power system.

Lender’s Agreement (Form RD 4279–4, or Successor Form). Agreement between the Agency and the lender setting forth the lender’s loan responsibilities.

Loan Note Guarantee (Form RD 4279–5, or Successor Form). A guarantee issued and executed by the Agency containing the terms and conditions of the guarantee.

Matching Funds. Those project funds required by the 7 U.S.C. 8107 to receive the grant or guaranteed loan under this program. Funds provided by the applicant in excess of matching funds are not matching funds. Unless authorized by statute, other Federal grant funds cannot be used to meet a Matching Funds requirement.

Ocean Energy. Energy created by use of various types of moving water in the ocean and other large bodies of water (e.g., Great Lakes) including, but not limited to, tidal, wave, current, and thermal changes.

Passive Investor. An equity investor that does not actively participate in management and operation decisions of the business entity as evidenced by a contractual agreement.

Power Purchase Agreement. The terms and conditions governing the sale and transportation of electricity produced by the grantee or borrower to another party.

Public Power Entity. Is defined using the definition of “State utility” as defined in section 217(A)(4) of the Federal Power Act (16 U.S.C. 824q(a)(4)). As of this writing, the definition “means a State or any political subdivision of a State, or any agency, authority, or Instrumentality of any one or more of the foregoing, or a corporation that is wholly owned, directly or indirectly, by any one or more of the foregoing, competent to carry on the business of developing, transmitting, utilizing, or distributing power.”

Qualified Consultant. An independent third-party individual or entity possessing the knowledge, expertise, and experience to perform the specific task required.

Rated Power. The maximum amount of energy that can be created at any given time.

Refurbished. Refers to a piece of equipment or Renewable Energy System that has been brought into a commercial facility, thoroughly inspected, and worn parts replaced and has a warranty that is approved by the Agency or its designee.

Renewable Biomass. (1) Materials, pre-commercial thinnings, or invasive species from National Forest System land or public lands (as defined in section 103 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1702)) that:

(i) Are byproducts of preventive treatments that are removed to reduce hazardous fuels; to reduce or contain disease or insect infestation; or to restore ecosystem health;

(ii) Would not otherwise be used for higher-value products; and

(iii) Are harvested in accordance with applicable law and land management plans and the requirements for old-growth maintenance, restoration, and management direction of paragraphs (e)(2), (e)(3), and (e)(4) and large-tree retention of subsection (f) of section 102 of the Healthy Forests Restoration Act of 2003 (16 U.S.C. 6512);

(2) Any organic matter that is available on a renewable or recurring basis from non-Federal land or land belonging to an Indian or Indian Tribe that is held in trust by the United States or subject to a restriction against alienation imposed by the United States, including:

(i) Renewable plant material, including feed grains; other agricultural commodities; other plants and trees; and algae; and

(ii) Waste material, including crop residue; other vegetative waste material (including wood waste and wood residues); animal waste and byproducts (including fats, oils, greases, and manure); and food waste, yard waste, and other biodegradable waste. (Waste material does not include unsegregated solid waste.)

Renewable Energy. Energy derived from:

(1) A wind, solar, Renewable Biomass, ocean (including tidal, wave, current,
§ 4280.103

and thermal), geothermal or Hydro-electric Source; or

(2) Hydrogen derived from Renewable Biomass or water using wind, solar, ocean (including tidal, wave, current, and thermal), geothermal or Hydro-electric Sources.

Renewable Energy Development Assistance (REDA). Assistance provided by eligible grantees to Agricultural Producers and Rural Small Businesses to become more energy efficient and to use Renewable Energy technologies and resources. The Renewable Energy Development Assistance may consist of Renewable Energy Site Assessment and/or Renewable Energy Technical Assistance.

Renewable Energy Site Assessment. A report provided to an Agricultural Producer or Rural Small Business providing information regarding and recommendations for the use of Commercially Available Renewable Energy technologies in its operation. The report must be prepared by a Qualified Consultant and must contain the information specified in Sections A through C of Appendix B.

Renewable Energy System (RES). Meets the requirements of paragraph (1) and (2) of this definition:

(1) A system that:
   (i) Produces usable energy from a Renewable Energy source; and
   (ii) May include distribution components necessary to move energy produced by such system to initial point of sale.

(2) A system described in paragraph (1) of this definition may not include a mechanism for dispensing energy at retail.

Renewable Energy Technical Assistance. Assistance provided to Agricultural Producers and Rural Small Businesses on how to use Renewable Energy technologies and resources in their operations.

Retrofitting. A modification that incorporates a feature or features not included in the original design or for the replacement of existing components with ones that improve the original design and does not impact original warranty if the warranty is still in existence.

Rural or Rural Area. Any area of a State not in a city or town that has a population of more than 50,000 inhabitants, according to the most recent decennial Census of the United States, or in the urbanized area contiguous and adjacent to a city or town that has a population of more than 50,000 inhabitants, and any area that has been determined to be “rural in character” by the Under Secretary for Rural Development, or as otherwise identified in this definition.

(1) An area that is attached to the urbanized area of a city or town with more than 50,000 inhabitants by a contiguous area of urbanized census blocks that is not more than two census blocks wide. Applicants from such an area should work with their Rural Development State Office to request a determination of whether their project is located in a Rural Area under this provision.

(2) For the purposes of this definition, cities and towns are incorporated population centers with definite boundaries, local self-government, and legal powers set forth in a charter granted by the State.

(3) For the Commonwealth of Puerto Rico, the island is considered Rural and eligible except for the San Juan Census Designated Place (CDP) and any other CDP with greater than 50,000 inhabitants. CDPs with greater than 50,000 inhabitants, other than the San Juan CDP, may be determined to be eligible if they are “not urban in character.”

(4) For the State of Hawaii, all areas within the State are considered Rural and eligible except for the Honolulu CDP within the County of Honolulu.

(5) For the purpose of defining a Rural Area in the Republic of Palau, the Federated States of Micronesia, and the Republic of the Marshall Islands, the Agency shall determine what constitutes Rural and Rural Area based on available population data.

(6) The determination that an area is “rural in character” will be made by the Under Secretary of Rural Development. The process to request a determination under this provision is outlined in paragraph (6)(ii) of this definition.
(i) The determination that an area is "rural in character" under this definition will apply to areas that are within:
(A) An urbanized area that has two points on its boundary that are at least 40 miles apart, which is not contiguous or adjacent to a city or town that has a population of greater than 150,000 inhabitants or the urbanized area of such a city or town; or
(B) An urbanized area contiguous and adjacent to a city or town of greater than 50,000 inhabitants that is within 1/4 mile of a Rural Area.

(ii) Units of local government may petition the Under Secretary of Rural Development for a "rural in character" designation by submitting a petition to both the appropriate Rural Development State Director and the Administrator on behalf of the Under Secretary. The petition shall document how the area meets the requirements of paragraph (6)(i)(A) or (B) of this definition and discuss why the petitioner believes the area is "rural in character," including, but not limited to, the area's population density, demographics, and topography and how the local economy is tied to a rural economic base. Upon receiving a petition, the Under Secretary will consult with the applicable Governor or leader in a similar position and request comments to be submitted within 5 business days, unless such comments were submitted with the petition. The Under Secretary will release to the public a notice of a petition filed by a unit of local government not later than 30 days after receipt of the petition by way of publication in a local newspaper and posting on the Agency's Web site, and the Under Secretary will make a determination not less than 15 days, but no more than 60 days, after the release of the notice. Upon a negative determination, the Under Secretary will provide to the petitioner an opportunity to appeal a determination to the Under Secretary, and the petitioner will have 10 business days to appeal the determination and provide further information for consideration.

Rural Small Business. A Small Business that is located in a Rural Area or that can demonstrate the proposed project for which assistance is being applied for under this subpart is located in a Rural Area.

Simple Payback. The estimated Simple Payback of a project funded under this subpart as calculated using paragraph (1) or (2) as applicable, of this definition.

(1) For projects that generate energy for use offsite, Simple Payback is calculated as follows:
(i) Simple Payback = (Eligible Project Costs) / (typical year) earnings before interest, taxes, depreciation, and amortization (EBITDA) for the project only.
(ii) EBITDA will be based on:
(A) All energy-related revenue streams and all revenue from byproducts produced by the energy system for a typical year including the fair market value of byproducts produced by and used in the project or related enterprises.
(B) Income remaining after all project obligations are paid (operating and maintenance).
(C) The Agency's review and acceptance of the project's typical year income (which is after the project is operating and stabilized) projections at the time of application submittal.
(D) Does not include any tax credits, carbon credits, renewable energy credits, and construction and investment-related benefits.

(2) For projects that reduce or replace onsite energy use (e.g., EEI projects that reduce and RES projects that replace onsite energy use), Simple Payback is calculated as follows:
(i) Simple Payback = (Eligible Project Costs) / Dollar Value of Energy reduced or replaced
(ii) Dollar Value of Energy reduced or replaced incorporates the following:
(A) Energy reduced or replaced will be calculated on the quantity of energy saved or replaced as determined by subtracting the result obtained under paragraph (2)(ii)(A)(2) from the result obtained under paragraph (2)(ii)(A)(1) of this definition, and converting to a monetary value using a constant value or price of energy (as determined under paragraph (2)(ii)(A)(3) of this definition).

(7) Actual energy used in the original building and/or equipment, as applicable, prior to the RES or EEI project,
must be based on the actual average annual total energy used in British thermal units (BTU) over the most recent 12, 24, 36, 48, or 60 consecutive months of operation.

(2) Projected energy use if the proposed RES or EEI project had been in place for the original building and/or equipment, as applicable, for the same time period used to determine that actual energy use under paragraph (2)(ii)(A)(I) of this definition.

(3) Value or price of energy must be the actual average price paid over the same time period used to calculate the actual energy used under paragraph (2)(ii)(A)(I) of this definition. RES projects that will replace 100 percent of an Applicant’s energy use will be required to use the actual average price paid for the energy replaced and the projected revenue received from energy sold in a typical year.

(B) Does not allow Energy Efficiency Improvements to monetize benefits other than the dollar amount of the energy savings the Agricultural Producer or Rural Small Business realizes as a result of the improvement.

(C) Does not include any tax credits, carbon credits, renewable energy credits, and construction and investment-related benefits.

Small Business. An entity or utility, as applicable, described below that meets Small Business Administration’s (SBA) definition of Small Business as found in 13 CFR part 121.301(a) or (b).

§ 4280.104 Exception authority.

The Administrator may, with the concurrence of the Secretary of Agriculture, make an exception, on a case-by-case basis, to any requirement or provision of this subpart that is not inconsistent with any authorizing statute or applicable law, if the Administrator determines that application of the requirement or provision would adversely affect the Federal Government’s financial interest.

§ 4280.105 Review or appeal rights.

An Applicant, lender, holder, borrower, or grantee may seek a review of an Agency decision or appeal to the National Appeals Division in accordance with 7 CFR part 11.

(a) Guaranteed Loan. In cases where the Agency has denied or reduced the amount of final loss payment to the lender, the adverse decision may be appealed by the lender only. An adverse decision that only impacts the holder may be appealed by the holder only. A decision by a lender adverse to the interest of the borrower is not a decision by the Agency, whether or not concurred in by the Agency.

(b) Combined guaranteed loan and grant. For an adverse decision involving a combination guaranteed loan and grant funding request, only the party
that is adversely affected may request the review or appeal.

§ 4280.106 Conflict of interest.
(a) General. No conflict of interest or appearance of conflict of interest will be allowed. For purposes of this subpart, conflict of interest includes, but is not limited to, distribution or payment of grant, guaranteed loan funds, and Matching Funds or award of project construction contracts to an individual owner, partner, or stockholder, or to a beneficiary or Immediate Family of the Applicant or borrower when the recipient will retain any portion of ownership in the Applicant’s or borrower’s project. Grant and Matching Funds may not be used to support costs for services or goods going to, or coming from, a person or entity with a real or apparent conflict of interest.
(b) Assistance to employees, relatives, and associates. The Agency will process any requests for assistance under this subpart in accordance with 7 CFR part 1900, subpart D.
(c) Member/delegate clause. No member of or delegate to Congress shall receive any share or part of this grant or any benefit that may arise there from; but this provision shall not be construed to bar, as a contractor under the grant, a publicly held corporation whose ownership might include a member of Congress.

§ 4280.107 Statute and regulation references.
All references to statutes and regulations are to include any and all successor statutes and regulations.

§ 4280.108 U.S. Department of Agriculture Departmental Regulations and laws that contain other compliance requirements.
(a) Departmental Regulations. All projects funded under this subpart are subject to the provisions of the Departmental Regulations, as applicable, which are incorporated by reference herein.
(b) Equal opportunity and non-discrimination. The Agency will ensure that equal opportunity and non-discrimination requirements are met in accordance with the Equal Credit Opportunity Act, 15 U.S.C. 1691 et seq., and 7 CFR part 15d, Nondiscrimination in Programs and Activities Conducted by the United States Department of Agriculture. The Agency will not discriminate against Applicants on the basis of race, color, religion, national origin, sex, marital status, or age (provided that the Applicant has the capacity to contract); because all or part of the Applicant’s income derives from any public assistance program; or because the Applicant has in good faith exercised any right under the Consumer Credit Protection Act, 15 U.S.C. 1601 et seq.
(c) Civil rights compliance. Recipients of grants must comply with the Americans with Disabilities Act of 1990, 42 U.S.C. 12101 et seq., Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d et seq., and Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. 794. This includes collection and maintenance of data on the race, sex, and national origin of the recipient’s membership/ownership and employees. These data must be available to conduct compliance reviews in accordance with 7 CFR 1901.204.
1. Initial compliance reviews will be conducted by the Agency prior to funds being obligated.
2. Grants will require one subsequent compliance review following project completion. This will occur after the last disbursement of grant funds has been made.
(d) Environmental analysis. 7 CFR part 1940, subpart G outlines environmental procedures and requirements for this subpart. Prospective Applicants are advised to contact the Agency to determine environmental requirements as soon as practicable after they decide to pursue any form of financial assistance directly or indirectly available through the Agency.
1. Any required environmental review must be completed by the Agency prior to the Agency obligating any funds.
2. The Applicant will be notified of all specific compliance requirements, including, but not limited to, the publication of public notices, and consultation with State Historic Preservation Offices and the U.S. Fish and Wildlife Service.
(3) A site visit by the Agency may be scheduled, if necessary, to determine the scope of the review.

(e) Discrimination complaints—(1) Who may file. Persons or a specific class of persons believing they have been subjected to discrimination prohibited by this section may file a complaint personally, or by an authorized representative with USDA, Director, Office of Adjudication, 1400 Independence Avenue SW., Washington, DC 20250.

(2) Time for filing. A complaint must be filed no later than 180 days from the date of the alleged discrimination, unless the time for filing is extended by the designated officials of USDA or Rural Development.

§ 4280.109 Ineligible Applicants, borrowers, and owners.

Applicants, borrowers, and owners will be ineligible to receive funds under this subpart as discussed in paragraphs (a) and (b) of this section.

(a) If an Applicant, borrower, or owner has an outstanding judgment obtained by the U.S. in a Federal Court (other than in the United States Tax Court), is delinquent in the payment of Federal income taxes, or is delinquent on a Federal debt, the Applicant, borrower, or owner is not eligible to receive a grant or guaranteed loan until the judgment is paid in full or otherwise satisfied or the delinquency is resolved.

(b) If an Applicant, borrower, or owner is debarred from receiving Federal assistance, the Applicant, borrower, or owner is not eligible to receive a grant or guaranteed loan under this subpart.

§ 4280.110 General Applicant, application, and funding provisions.

(a) Satisfactory progress. An Applicant that has received one or more grants and/or guaranteed loans under this program must make satisfactory progress, as determined by the Agency, toward completion of any previously funded projects before the Applicant will be considered for subsequent funding.

(b) Application submittal. Applications must be submitted in accordance with the provisions of this subpart unless otherwise specified in a Federal Register notice. Grant applications, guaranteed loan-only applications, and combined guaranteed loan and grant applications for financial assistance under this subpart may be submitted at any time.

(1) Grant applications. Complete grant applications will be accepted on a continuous basis, with awards made based on the application’s score and subject to available funding.

(2) Guaranteed loan-only applications. Complete guaranteed loan-only applications will be accepted on a continuous basis, with awards made based on the application’s score and subject to available funding. Each application that is ready for funding and that scores at or above the minimum score will be competed on a periodic basis, with higher scoring applications receiving priority. Each application ready for funding that receives a score below the minimum score will be competed in a National Office competition at the end of the fiscal year in which the application was ready to be competed.

(3) Combined guaranteed loan and grant applications. Applications requesting a RES or EEI grant and a guaranteed loan under this subpart will be accepted on a continuous basis, with awards made based on the grant application’s score and subject to available funding.

(c) Limit on number of applications. An Applicant can apply for only one RES project and one EEI project under this subpart per Federal Fiscal Year.

(d) Limit on type of funding requests. An Applicant can submit only one type of funding request (grant-only, guaranteed loan-only, or combined funding) for each project under this subpart per Federal Fiscal Year.

(e) Application modification. Once submitted and prior to Agency award, if an Applicant modifies its application, the application will be treated as a new application. The submission date of record for such modified applications will be the date the Agency receives the modified application, and the application will be processed by the Agency as a new application under this subpart.

(f) Incomplete applications. Applicants must submit Complete Applications in order to be considered for funding. If an
application is incomplete, the Agency will identify those parts of the application that are incomplete and return it, with a written explanation, to the Applicant for possible future resubmission. Upon receipt of a Complete Application by the appropriate Agency office, the Agency will complete its evaluation and will complete the application in accordance with the procedures specified in §§4280.121, 4280.179, or 4280.193 as applicable.

(g) Application withdrawal. During the period between the submission of an application and the execution of loan and/or grant award documents for an application selected for funding, the Applicant must notify the Agency, in writing, if the project is no longer viable or the Applicant no longer is requesting financial assistance for the project. When the Applicant notifies the Agency, the selection will be rescinded and/or the application withdrawn.

(h) Technical report. Each technical report submitted under this subpart, as specified in §§4280.117(e), 4280.118(b)(4), and 4280.119(b)(3) and 4280.119(b)(4) must comply with the provisions specified in paragraphs (h)(1) through (3), as applicable, of this section:

(1) Technical report format and detail. The information in the technical report must follow the format specified in §4280.119(b)(3), §4280.119(b)(4), and Appendices A through C of this subpart, as applicable. Supporting information may be submitted in other formats. Design drawings and process flowcharts are encouraged as exhibits. In addition, information must be provided, in sufficient detail, to:

   (i) Allow the Agency to determine the technical merit of the Applicant’s project under §4280.116;
   (ii) Allow the calculation of Simple Payback as defined in §4280.103; and
   (iii) Demonstrate that the RES or EEI will operate or perform over the project’s useful life in a reliable, safe, and a cost-effective manner. Such demonstration shall address project design, installation, operation, and maintenance.

(2) Technical report modifications. If a technical report is prepared prior to the Applicant’s selection of a final design, equipment vendor, or contractor, or other significant decision, it may be modified and resubmitted to the Agency, provided that the overall scope of the project is not materially changed as determined by the Agency. Changes in the technical report may require an updated Form RD 1940-20, “Request for Environmental Information.”

(3) Hybrid projects. If the application is for a Hybrid project, technical reports must be prepared for each technology that comprises the Hybrid project.

   (i) Time limit on use of grant funds. Except as provided in paragraph (i)(1) of this section, grant funds not expended within 2 years from the date the Grant Agreement was signed by the Agency will be returned to the Agency.

   (1) Time extensions. The Agency may extend the 2-year time limit if the Agency determines, at its sole discretion, that the grantee is unable to complete the project for reasons beyond the grantee’s control. Grantees must submit a request for the no-cost extension no later than 30 days before the expiration date of the Grant Agreement. This request must describe the extenuating circumstances that were beyond their control to complete the project for which the grant was awarded, and why an approval is in the government’s best interest.

   (2) Return of funds to the agency. Funds remaining after grant closeout that exceed the amount the grantee is entitled to receive under the Grant Agreement will be returned to the Agency.

§4280.111 Notifications.

(a) Eligibility. If an Applicant and/or their application are determined by the Agency to be eligible for participation, the Agency will notify the Applicant or lender, as applicable, in writing.

(b) Ineligibility. If an Applicant and/or their application are determined to be ineligible at any time, the Agency will inform the Applicant or lender, as applicable, in writing of the decision, reasons therefore, and any appeal rights. No further processing of the application will occur.

(c) Funding determinations. Each Applicant and/or lender, as applicable,
§ 4280.112 Applicant eligibility.

To receive a RES or EEI grant under this subpart, an Applicant must meet the requirements specified in paragraphs (a) through (e) of this section. If an award is made to an Applicant, that Applicant (grantee) must continue to meet the requirements specified in this section. If the grantee does not, then grant funds may be recovered from the grantee by the Agency in accordance with Departmental Regulations.

(a) Type of Applicant. The Applicant must be an Agricultural Producer or Rural Small Business.

(b) Ownership and control. The Applicant must:

(1) Own or be the prospective owner of the project; and

(2) Own or control the site for the project described in the application at the time of application and, if an award is made, for the useful life of the project as described in the Grant Agreement.

(c) Revenues and expenses. The Applicant must have available at the time of application satisfactory sources of revenue in an amount sufficient to provide for the operation, management, maintenance, and any debt service of the project for the useful life of the project. In addition, the Applicant must control the revenues and expenses of the project and its operation and/or maintenance.

(d) Legal authority and responsibility. Each Applicant must have the legal authority necessary to apply for and carry out the purpose of the grant.

(e) Universal Identifier and System for Awards Management (SAM). Unless exempt under 2 CFR 25.110, the Applicant must:

(1) Be registered in the SAM prior to submitting an application;

(2) Maintain an active SAM registration with current information at all times during which it has an active Federal award or an application under consideration by the Agency; and

(3) Provide its Dun and Bradstreet Data Universal Numbering System (DUNS) number in each application it submits to the Agency. Generally, the DUNS number is included on Standard Form–424, “Application for Federal Assistance”.

§ 4280.113 Project eligibility.

For a project to be eligible to receive a RES or EEI grant under this subpart, the proposed project must meet each of the requirements specified in paragraphs (a) through (f) of this section.

(a) Be for:

(1) The purchase of a new RES;

(2) The purchase of a Refurbished RES;

(3) The Retrofitting of an existing RES; or

(4) Making EEI that will use less energy on an annual basis than the original building and/or equipment that it will improve or replace as demonstrated in an Energy Assessment or Energy Audit as applicable.

(i) Types of improvements. Eligible EEI include, but are not limited to:

(A) Efficiency improvements to existing RES and

(B) Construction of a new energy efficient building only when the building is used for the same purpose as the existing building, and, based on an Energy Assessment or Energy Audit, as applicable, it will be more cost effective to construct a new building and will use less energy on annual basis than improving the existing building.

(ii) Subsequent Energy Efficiency Improvements. A proposed EEI that replaces or duplicates an EEI previously funded under this subpart may or may not be eligible for funding.

(A) If the proposed EEI would replace or duplicate the same EEI that had previously received funds under this subpart prior to the end of the useful
life, as specified in the Grant Agreement, of that same EEI, then the proposed improvement, even if it is more energy efficient than the previously funded improvement, is ineligible. Example: An Applicant received a REAP grant to replace an exhaust fan (exhaust fan A) in a barn with a more energy efficient exhaust fan (exhaust fan B) with an expected useful life of 15 years, as specified in the Grant Agreement. If the Applicant decides to replace exhaust fan B after 8 years (i.e., before it has reached the end of its useful life as specified in the Grant Agreement), an application for exhaust fan C to replace exhaust fan B would be ineligible for funding under this subpart even if exhaust fan C is more energy efficient than exhaust fan B.

(B) If the proposed EEI would replace or duplicate the same EEI that had previously received funds under this subpart at or after the end of the useful life, as specified in the Grant Agreement, of that same EEI, then the proposed improvement is eligible for funding under this subpart provided it is more energy efficient than the previously funded improvement. If the proposed EEI is not more energy efficient than the previously funded improvement, then it is not eligible for funding under this subpart.

(b) Be for a Commercially Available technology;
(c) Have technical merit, as determined using the procedures specified in §4280.116; and
(d) Be located in a Rural Area in a State if the type of Applicant is a Rural Small Business, or in a Rural or non-Rural Area in a State if the type of Applicant is an Agricultural Producer. If the Agricultural Producer’s operation is in a non-Rural Area, then the application can only be for RES or EEI on components that are directly related to and their use and purpose is limited to the agricultural production operation, such as vertically integrated operations, and are part of and co-located with the agricultural production operation.

(e) For an RES project in which a residence is closely associated with and shares an energy metering device with a Rural Small Business, where the residence is located at the place of business, or agricultural operation, the application is eligible if the applicant can document that one of the options specified in paragraphs (e)(1) through (3) of this section is met:

(1) Installation of a second meter (or similar device) that results in all of the energy generated by the RES being used for non-residential energy usage;
(2) Certification is provided in the application that any excess power generated by the RES will be sold to the grid and will not be used by the Applicant for residential purposes; or
(3) Demonstration that 51 percent or greater of the energy to be generated will benefit the Rural Small Business or agricultural operation. The Applicant must provide documentation that includes, but is not limited to, the following:

(i) A Renewable Energy Site Assessment; or
(ii) The amount of energy that is used by the residence and the amount that is used by the Rural Small Business or agricultural operation. Provide documentation, calculations, etc. to support the breakout of energy amounts. The Agency may request additional data to determine residential versus business operation usage; and
(iii) The actual percentage of energy determined to benefit the Rural Small Business or agricultural operation will be the basis to determine eligible project costs.

(f) The Applicant is cautioned against taking any actions or incurring any obligations prior to the Agency completing the environmental review that would either limit the range of alternatives to be considered or that would have an adverse effect on the environment, such as the initiation of construction. If the Applicant takes any such actions or incurs any such obligations, it could result in project ineligibility.
(1) Minimum request. Unless otherwise specified in a Federal Register notice, the minimum request for a RES grant application is $2,500 and the minimum request for an EEI grant application is $1,500.

(2) Maximum request. Unless otherwise specified in a Federal Register notice, the maximum request for a RES grant application is $500,000 and the maximum request for an EEI grant application is $250,000.

(3) Maximum grant assistance. Unless otherwise specified in a Federal Register notice, the maximum amount of grant assistance to one individual or entity under this subpart will not exceed $750,000 per Federal Fiscal Year.

(b) Matching funds and other funds. The Applicant is responsible for securing the remainder of the Total Project Costs not covered by grant funds.

(1) Without specific statutory authority, other Federal grant funds cannot be used to meet the Matching Funds requirement. A copy of the statutory authority must be provided to the Agency to verify if the other Federal grant funds can be used to meet the Matching Funds requirement under this subpart.

(2) Passive third-party equity contributions are acceptable for RES projects, including equity raised from the sale of Federal tax credits.

(c) Eligible Project Costs. Eligible Project Costs are only those costs incurred after a Complete Application has been received by the Agency and are associated with the items identified in paragraphs (c)(1) through (6) of this section. Each item identified in paragraphs (c)(1) through (6) of this section is only an Eligible Project Cost if it is directly related to and its use and purpose is limited to the RES or EEI.

(1) Purchase and installation of new or Refurbished equipment.

(2) Construction, Retrofitting, replacement, and improvements.

(3) EEI identified in the applicable Energy Assessment or Energy Audit.

(4) Fees for construction permits and licenses.

(5) Professional service fees for Qualified Consultants, contractors, installers, and other third-party services.

(6) For an eligible RES in which a residence is closely associated with the Rural Small Business or agricultural operation the installation of a second meter to separate the residence from the portion of the project that benefits the Rural Small Business or agricultural operation, as applicable.

(d) Ineligible project costs. Ineligible project costs for RES and EEI projects include, but are not limited to:

(1) Agricultural tillage equipment, Used Equipment, and vehicles;

(2) Residential RES or EEI projects;

(3) Construction or equipment costs that would be incurred regardless of the installation of a RES or EEI shall not be included as an Eligible Project Costs. For example, the foundation for a building where a RES is being installed, storage only grains bins connected to drying systems, and the roof of a building where solar panels are being attached;

(4) Business operations that derive more than 10 percent of annual gross revenue (including any lease income from space or machines) from gambling activity, excluding State or Tribal-authorized lottery proceeds, as approved by the Agency, conducted for the purpose of raising funds for the approved project;

(5) Business operations deriving income from activities of a sexual nature or illegal activities;

(6) Lease payments;

(7) Any project that creates a conflict of interest or an appearance of a conflict of interest as provided in §4280.106;

(8) Funding of political or lobbying activities; and

(9) To pay off any Federal direct or guaranteed loans or other Federal debts.

(e) Award amount considerations. In determining the amount of a RES or EEI grant awarded, the Agency will take into consideration the following six criteria:

(1) The type of RES to be purchased;

(2) The estimated quantity of energy to be generated by the RES;

(3) The expected environmental benefits of the RES;

(4) The quantity of energy savings expected to be derived from the activity, as demonstrated by an Energy Audit;
(5) The estimated period of time for the energy savings generated by the activity to equal the cost of the activity; and

(6) The expected energy efficiency of the RES.

§ 4280.115 Grant applications—general.

(a) General. Separate applications must be submitted for RES and EEI projects. An original of each application is required.

(b) Application content. Applications for RES projects or EEI projects must contain the information specified in § 4280.117 unless the requirements of either § 4280.118(a) or § 4280.119(a) are met. If the requirements of § 4280.118(a) are met, the application may contain the information specified in § 4280.118(b). If the requirements of § 4280.119(a) are met, the application may contain the information specified in § 4280.119(b).

(c) Evaluation of applications. The Agency will evaluate each RES and EEI grant application and make a determination as to whether:

(1) The application is complete, as defined in § 4280.103;
(2) The Applicant is eligible according to § 4280.112;
(3) The project is eligible according to § 4280.113; and
(4) The proposed project has technical merit as determined under § 4280.116.

§ 4280.116 Determination of technical merit.

The Agency will determine the technical merit of all proposed projects for which Complete Applications are submitted under §§ 4280.117, 4280.118, and 4280.119 under this subpart using the procedures specified in this section. Only projects that have been determined by the Agency to have technical merit are eligible for funding under this subpart.

(a) General. The Agency will use the information provided in the Applicant’s technical report to determine whether or not the project has technical merit. In making this determination, the Agency may engage the services of other Government agencies or other recognized industry experts in the applicable technology field, at its discretion, to evaluate and rate the technical report. For guaranteed loan-only applications that are purchasing an existing RES, the technical report requirements can be provided in the technical feasibility section of the Feasibility Study, instead of completing separate technical report.

(b) Technical report areas. The areas that the Agency will evaluate in the technical reports when making the technical merit determination are specified in paragraphs (b)(1) through (5) of this section.

(1) EEI whose total project costs are $80,000 or less. The following areas will be evaluated in making the technical merit determination:

(i) Project description;
(ii) Qualifications of EEI provider(s); and
(iii) Energy Assessment (or EA if applicable).

(2) RES whose total project costs are $80,000 or less. The following areas will be evaluated in making the technical merit determination:

(i) Project description;
(ii) Resource assessment;
(iii) Project economic assessment; and
(iv) Qualifications of key service providers.

(3) EEI whose total project costs are greater than $80,000. The following areas will be evaluated in making the technical merit determination:

(i) Project information;
(ii) Energy Assessment or EA as applicable; and
(iii) Qualifications of the contractor or installers.

(4) RES whose total project costs are less than $200,000, but more than $80,000. The following areas will be evaluated in making the technical merit determination:

(i) Project description;
(ii) Resource assessment;
(iii) Project economic assessment; and
(iv) Project construction and equipment; and
(v) Qualifications of key service providers.

(5) RES whose total project costs are $200,000 and greater. The following areas will be evaluated in making the technical merit determination:

(i) Qualifications of the project team;
(ii) Agreements and permits;
§ 4280.117

(iii) Resource assessment;
(iv) Design and engineering;
(v) Project development;
(vi) Equipment procurement and installation; and
(vii) Operations and maintenance.

(c) Pass/fail assignments. The Agency will assign each area of the technical report, as specified in paragraph (b) of this section, a “pass” or “fail.” An area will receive a “pass” if the information provided for the area has no weaknesses and meets or exceeds any requirements specified for the area. Otherwise, the area will receive a fail.

(d) Determination. The Agency will compile the results for each area of the technical report to determine how to further process an application.

(1) A project whose technical report receives a “pass” in each of the applicable technical report areas will be considered to have “technical merit” and is eligible for further consideration for funding.

(2) A project whose technical report receives a “fail” in any one technical report area will be considered to be without technical merit and is not eligible for funding.

§ 4280.117 Grant Applications for RES and EEI projects with total project costs of $200,000 and greater.

Grant applications for RES and EEI projects with Total Project Costs of $200,000 and Greater must provide the information specified in this section. This information must be presented in the order shown in paragraphs (a) through (f), as applicable, of this section. Each Applicant is encouraged, but is not required, to self-score the project using the evaluation criteria in §4280.120 and to submit with their application the total score, including appropriate calculations and attached documentation or specific cross-references to information elsewhere in the application.

(a) Forms and certifications. Each application must contain the forms and certifications specified in paragraphs (a)(1) through (9), as applicable, of this section, except that paragraph (a)(4).

(1) Form SF–424.
(2) Form SF–424C, “Budget Information-Construction Programs.”
(3) Form SF–424D, “Assurances-Construction Programs.”
(4) Identify the ethnicity, race, and gender of the applicant. This information is optional and is not required for a Complete Application.
(5) Form RD 1940–20 with documentation attached for the appropriate level of environmental assessment. The Applicant should contact the Agency to determine what documentation is required to be provided.
(6) The Applicant must identify whether or not the Applicant has a known relationship or association with an Agency employee. If there is a known relationship, the Applicant must identify each Agency employee with whom the Applicant has a known relationship.
(7) Certification that the Applicant is a legal entity in good standing (as applicable), and operating in accordance with the laws of the State(s) or Tribe where the Applicant has a place of business.
(8) Certification by the Applicant that the equipment required for the project is available, can be procured and delivered within the proposed project development schedule, and will be installed in conformance with manufacturer’s specifications and design requirements. This would not be applicable when equipment is not part of the project.
(9) Certification by the Applicant that the project will be constructed in accordance with applicable laws, regulations, agreements, permits, codes, and standards.

(b) Applicant information. Provide information specified in paragraphs (b)(1) through (4) of this section to allow the Agency to determine the eligibility of the Applicant.

(1) Type of Applicant. Demonstrate that the Applicant meets the definition of Agricultural Producer or Rural Small Business, including appropriate information necessary to demonstrate that the Applicant meets the Agricultural Producer’s percent of gross income derived from agricultural operations or the Rural Small Business’ size, as applicable, requirements identified in these definitions. Include a description of the Applicant’s farm/ranch/business operation.
(i) **Rural Small Business Applicants.** Identify the primary North American Industry Classification System (NAICS) code applicable to the Applicant’s business concern. Provide sufficient information to determine total Annual Receipts and number of employees of the business concern and any parent, subsidiary, or affiliate to demonstrate that the Applicant meets the definition of Small Business according to the time frames specified below.

(A) For Applicant business concerns, parents, subsidiaries, and affiliates that have been in operation for 36 months or more, provide Annual Receipts information for the 36 months and the number of employees for the 12 months preceding the date the application is submitted.

(B) For Applicant business concerns, parents, subsidiaries, and affiliates that have been in operation for less than 36 months but for at least 12 months, provide Annual Receipts and the number of employees for as long as the business concern, parent, subsidiary, or affiliate has been in operation.

(C) For Applicant business concerns, parents, subsidiaries, and affiliates that have been in operation for less than 12 months, provide Annual Receipts and number of employees projections for the applicable entity based upon a typical operating year for a 3-year time period.

(ii) **Agricultural Producer Applicants.** Provide the gross market value of the Applicant’s agricultural products, gross agricultural income of the Applicant, and gross nonfarm income of the Applicant according to the Annual Receipts time frames specified in paragraphs (b)(1)(i)(A) through (C) of this section, as applicable to the length of time that Applicant’s agricultural operation has been in operation.

(2) **Applicant description.** Describe the ownership of the Applicant, including the following information if applicable.

(i) **Ownership and control.** Describe how the Applicant meets the ownership and control requirements.

(ii) **Affiliated companies.** For entities (e.g., corporate parents, affiliates, subsidiaries), provide a list of the individual owners with their contact information of those entities. Describe the relationship between the Applicant and these other entities, including management and products exchanged.

(3) **Financial information.** Financial information is required on the total operation of the Agricultural Producer/Rural Small Business and its parent, subsidiary, or affiliates. All information submitted under this paragraph must be substantiated by authoritative records.

(i) **Historical financial statements.** Provide historical financial statements prepared in accordance with Generally Accepted Accounting Practices (GAAP) for the past 3 years, including income statements and balance sheets. If Agricultural Producers are unable to present this information in accordance with GAAP, they may instead present financial information in the format that is generally required by commercial agriculture lenders. For a Rural Small Business or Agricultural Producer that has been in operation for less than 3 years, provide income statements and balance sheets for as long as the business operation has been in existence.

(ii) **Current balance sheet and income statement.** Provide a current balance sheet and income statement prepared in accordance with GAAP and dated within 90 days of the application. Agricultural Producers can present financial information in the format that is generally required by commercial agriculture lenders.

(iii) **Pro forma financial statements.** Provide pro forma balance sheet at start-up of the Agricultural Producer’s/Rural Small Business’ business operation that reflects the use of the loan proceeds or grant award; and 3 additional years, indicating the necessary start-up capital, operating capital, and short-term credit; and projected cash flow and income statements for 3 years supported by a list of assumptions showing the basis for the projections.

(4) **Previous grants and loans.** State whether the Applicant has received any grants and/or loans under this subpart. If the Applicant has, identify each such grant and/or loan and describe the progress the Applicant has made on each project for which the grant and/or
loan was received, including projected schedules and actual completion dates.

(c) Project information. Provide information concerning the proposed project as a whole and its relationship to the Applicant’s operations, including the following:

(1) Identification as to whether the project is for a RES or an EEI project. Include a description and the location of the project.

(2) A description of the process that will be used to conduct all procurement transactions to demonstrate compliance with §4280.124(a)(1).

(3) Describe how the proposed project will have a positive effect on resource conservation (e.g., water, soil, forest), public health (e.g., potable water, air quality), and the environment (e.g., compliance with the U.S. Environmental Protection Agency’s (EPA) renewable fuel standard(s), greenhouse gases, emissions, particulate matter).

(4) Identify the amount of funds and the source(s) the Applicant is proposing to use for the project. Provide written commitments for funds at the time the application is submitted to receive points under this scoring criterion.

(i) If financial resources come from the Applicant, the Applicant must submit documentation in the form of a bank statement that demonstrates availability of funds.

(ii) If a third party is providing financial assistance, the Applicant must submit a commitment letter signed by an authorized official of the third party. The letter must be specific to the project, identify the dollar amount and any applicable rates and terms. If the third party is a bank, a letter-of-intent, pre-qualification letter, subject to bank approval, or other underwriting requirements or contingencies are not acceptable. An acceptable condition may be based on the receipt of the REAP grant or an appraisal.

(d) Feasibility Study. If the application is for a RES project with Total Project Costs of $200,000 and Greater, a Feasibility Study must be submitted. The Feasibility Study must be conducted by a Qualified Consultant.

(e) Technical report. Each application must contain a technical report prepared in accordance with §4280.110(h) and Appendix A or C, as applicable, of this subpart.

(f) Construction planning and performing development. Each application submitted must be in accordance with §4280.124 for planning, designing, bidding, contracting, and constructing RES and EEI projects as applicable.

§ 4280.118 Grant applications for RES and EEI Projects with total project costs of less than $200,000, but more than $80,000.

Grant applications for RES and EEI projects with Total Project Costs of less than $200,000, but more than $80,000, may provide the information specified in this section or, if the Applicant elects to do so, the information specified in §4280.117. In order to submit an application under this section, the criteria specified in paragraph (a) of this section must be met. The content for applications submitted under this section is specified in paragraph (b) of this section. Unless otherwise specified in this subpart, the construction planning and performing development procedures and the payment process that will be used for awards for applications submitted under this section are specified in paragraphs (c) and (d), respectively, of this section.

(a) Criteria for submitting applications for projects with total project costs of less than $200,000, but more than $80,000. In order to submit an application under this section, each of the conditions specified in paragraphs (a)(1) through (7) of this section must be met.

(1) The Applicant must be eligible in accordance with §4280.112.

(2) The project must be eligible in accordance with §4280.113.

(3) Total Project Costs must be less than $200,000, but more than $80,000.

(4) Construction planning and performing development must be performed in compliance with paragraph (c) of this section. The Applicant or the Applicant’s prime contractor assumes all risks and responsibilities of project development.

(5) The Applicant or the Applicant’s prime contractor is responsible for all interim financing, including during construction.
(6) The Applicant agrees not to request reimbursement from funds obligated under this program until after project completion and is operating in accordance with the information provided in the application for the project.

(7) The Applicant must maintain insurance as required under §4280.122(b), except business interruption insurance is not required.

(b) Application content. Applications submitted under this section must contain the information specified in paragraphs (b)(1) through (4) of this section and must be presented in the same order. Each Applicant is encouraged, but is not required, to self-score the project using the evaluation criteria in §4280.120 and to submit with their application the total score, including appropriate calculations and attached documentation or specific cross-references to information elsewhere in the application.

(1) Forms and certifications. The application must contain the items identified in §4280.117(a). In addition, the Applicant must submit a certification that the Applicant meets each of the criteria for submitting an application under this section as specified in paragraph (a) of this section.

(2) Applicant information. The application must contain the items identified in §4280.117(b), except that the information specified in §4280.117(b)(3) is not required.

(3) Project information. The application must contain the items identified in §4280.117(c).

(4) Technical report. Each application must contain a technical report in accordance with §4280.110(h) and Appendix A or B, as applicable, of this subpart.

(c) Construction planning and performing development. Applicants submitting applications under this section must comply with the requirements specified in paragraphs (c)(1) through (3) of this section for construction planning and performing development.

(1) General. Paragraphs (a)(1), (2), and (4) of §4280.124 apply.

(2) Small acquisition and construction procedures. Small acquisition and construction procedures are those relatively simple and informal procurement methods that are sound and appropriate for a procurement of services, equipment, and construction of a RES or EEI project with a Total Project Cost of not more than $200,000. The Applicant is solely responsible for the execution of all contracts under this procedure, and Agency review and approval is not required.

(3) Contractor forms. Applicants must have each contractor sign, as applicable:

(i) Form RD 400–6, “Compliance Statement,” for contracts exceeding $10,000; and

(ii) Form AD–1048, “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transactions,” for contracts exceeding $25,000.

(d) Payment process for applications for RES and EEI projects with total project costs of less than $200,000, but more than $80,000. (1) Upon completion of the project, the grantee must submit to the Agency a copy of the contractor’s certification of final completion for the project and a statement that the grantee accepts the work completed. At its discretion, the Agency may require the Applicant to have an Inspector certify that the project is constructed and installed correctly.

(2) The RES or EEI project must be constructed, installed, and operating as described in the technical report prior to disbursement of funds. For RES, the system must be operating at the steady state operating level described in the technical report for a period of not less than 30 days, unless this requirement is modified by the Agency, prior to disbursement of funds. Any modification to the 30-day steady state operating level requirement will be based on the Agency’s review of the technical report and will be incorporated into the Letter of Conditions.

(3) Prior to making payment, the Agency will be provided with Form RD 1924–9, “Certificate of Contractor’s Release,” and Form RD 1924–10, “Release by Claimants,” or similar forms, executed by all persons who furnished materials or labor in connection with the contract.
§ 4280.119 Grant applications for RES and EEI projects with total project costs of $80,000 or less.

Grant applications for RES and EEI projects with Total Project Costs of $80,000 or less must provide the information specified in this section or, if the Applicant elects to do so, the information specified in either §§ 4280.117 or 4280.118. In order to submit an application under this section, the criteria specified in paragraph (a) of this section must be met. The content for applications submitted under this section is specified in paragraph (b) of this section. Unless otherwise specified in this subpart, the construction planning and performing development procedures and the payment process that will be used for awards for applications submitted under this section are specified in paragraphs (c) and (d), respectively, of this section.

(a) Criteria for submitting applications for RES and EEI projects with total project costs of $80,000 or less. In order to submit an application under this section, each of the conditions specified in paragraphs (a)(1) through (7) of this section must be met. The content for applications submitted under this section is specified in paragraph (b) of this section. Unless otherwise specified in this subpart, the construction planning and performing development procedures and the payment process that will be used for awards for applications submitted under this section are specified in paragraphs (c) and (d), respectively, of this section.

(1) The Applicant must be eligible in accordance with § 4280.112.

(2) The project must be eligible in accordance with § 4280.113.

(3) Total Project Costs must be $80,000 or less.

(4) Construction planning and performing development must be performed in compliance with paragraph (c) of this section. The Applicant or the Applicant’s prime contractor assumes all risks and responsibilities of project development.

(5) The Applicant or the Applicant’s prime contractor is responsible for all interim financing, including during construction.

(6) The Applicant agrees not to request reimbursement from funds obligated under this program until after the project has been completed and is operating in accordance with the information provided in the application for the project.

(7) The Applicant must maintain insurance as required under § 4280.122(b), except business interruption insurance is not required.

(b) Application content. Applications submitted under this section must contain the information specified in paragraphs (b)(1) through (4), as applicable, of this section and must be presented in the same order. Each Applicant is encouraged, but is not required, to self-score the project using the evaluation criteria in § 4280.120 and to submit with their application the total score, including appropriate calculations and attached documentation or specific cross-references to information elsewhere in the application.

(1) Forms and certifications. Each application must contain the forms and certifications specified in paragraphs (b)(1)(i) through (ix), as applicable, of this section except that paragraph (b)(1)(iv) is optional.

(i) Form SF–424.

(ii) Form SF–424C.

(iii) Form SF–424D.

(iv) Identify the ethnicity, race, and gender of the applicant. This information is optional and is not required for a Complete Application.

(v) Form RD 1940–20 with documentation attached for the appropriate level of environmental assessment. The Applicant should contact the Agency to determine what documentation is required to be provided.

(vi) Certification by the Applicant that:

(A) The Applicant meets each of the Applicant eligibility criteria found in § 4280.112;

(B) The proposed project meets each of the project eligibility requirements found in § 4280.113;

(C) The design, engineering, testing, and monitoring will be sufficient to demonstrate that the proposed project will meet its intended purpose;

(D) The equipment required for the project is available, can be procured and delivered within the proposed project development schedule, and will be installed in conformance with manufacturer’s specifications and design requirements. This would not be applicable when equipment is not part of the project;

(E) The project will be constructed in accordance with applicable laws, regulations, agreements, permits, codes, and standards.
(F) The Applicant meets the criteria for submitting an application for projects with Total Project Costs of $80,000 or less;

(G) The Applicant will abide by the open and free competition requirements in compliance with § 4280.124(a)(1); and

(H) For Bioenergy Projects, any and all woody biomass feedstock from National Forest System land or public lands cannot be otherwise used as a higher value wood-based product.

(vii) State whether the Applicant has received any grants and/or loans under this subpart. If the Applicant has, identify each such grant and/or loan and describe the progress the Applicant has made on each project for which the grant and/or loan was received, including projected schedules and actual completion dates.

(viii) The Applicant must identify whether or not the Applicant has a known relationship or association with an Agency employee. If there is a known relationship, the Applicant must identify each Agency employee with whom the Applicant has a known relationship.

(ix) The Applicant is a legal entity in good standing (as applicable), and operating in accordance with the laws of the state(s) or Tribe where the Applicant has a place of business.

(2) General. For both RES and EEI project applications:

(i) Identify whether the project is for a RES or an EEI project;

(ii) Identify the primary NAICS code applicable to the Applicant’s operation if known or a description of the operation in enough detail for the Agency to determine the primary NAICS code;

(iii) Describe in detail or document how the proposed project will have a positive effect on resource conservation (e.g., water, soil, forest), public health (e.g., potable water, air quality), and the environment (e.g., compliance with the EPA’s renewable fuel standard(s), greenhouse gases, emissions, particulate matter); and

(iv) Identify the amount of Matching Funds and other funds and the source(s) the Applicant is proposing to use for the project. In order to receive points under this scoring criterion, written commitments for funds (e.g., a Letter of Commitment, bank statement) must be submitted when the application is submitted.

(A) If financial resources come from the Applicant, the Applicant must submit documentation in the form of a bank statement that demonstrates availability of funds.

(B) If a third party is providing financial assistance, the Applicant must submit a commitment letter signed by an authorized official of the third party. The letter must be specific to the project, identify the dollar amount and any applicable rates and terms. If the third party is a bank, a letter-of-intent, pre-qualification letter, subject to bank approval, or other underwriting requirements or contingencies are not acceptable. An acceptable condition may be based on the receipt of the REAP grant or an appraisal.

(3) Technical report for EEI. Each EEI application submitted under this section must include a technical report in accordance with § 4280.110(h) and paragraphs (b)(3)(i) through (iv) of this section.

(i) Project description. Provide a description of the proposed EEI, including its intended purpose and how it meets the requirements for being Commercially Available.

(ii) Qualifications of EEI provider(s). Provide a resume or other evidence of the contractor or installer’s qualifications and experience with the proposed EEI technology. Any contractor or installer with less than 2 years of experience may be required to provide additional information in order for the Agency to determine if they are a qualified installer/contractor.

(iii) Energy assessment. Provide a copy of the Energy Assessment (or Energy Audit) performed for the project as required under Section C of Appendix A to this subpart and the qualifications of the individual or entity which completed the Energy Assessment.

(iv) Simple Payback. Provide an estimate of Simple Payback, including all calculations, documentation, and any assumptions.

(4) Technical report for RES. Each RES application submitted under this section must include a technical report in
accordance with §4280.110(h) and para-
graphs (b)(4)(i) through (iv) of this sec-
tion.

(i) Project description. Provide a de-
scription of the project, including its
intended purpose and a summary of
how the project will be constructed and
installed, and how it meets the defini-
tion of Commercially Available. Iden-
tify the project’s location and describe
the project site.

(ii) Resource assessment. Describe the
quality and availability of the renew-
able resource to the project. Identify
the amount of Renewable Energy that
will be generated once the proposed
system is operating at its steady state
operating level.

(iii) Project economic assessment. De-
scribe the projected financial perform-
ance of the proposed project. The de-
scription must address Total Project
Costs, energy savings, and revenues, in-
cluding applicable investment and
other production incentives accruing
from government entities. Revenues to
be considered shall accrue from the
sale of energy, offset or savings in en-
ergy costs, and byproducts. Provide an
estimate of Simple Payback, including
all calculations, documentation, and
any assumptions.

(iv) Qualifications of key service pro-
viders. Describe the key service pro-
viders, including the number of similar
systems installed and/or manufactured,
professional credentials, licenses, and
relevant experience. If specific num-
bers are not available for similar sys-
tems, you may submit an estimation of
the number of similar systems.

(c) Construction planning and per-
forming development for applications sub-
mitted under this section. All Applicants
submitting applications under this sec-
tion must comply with the require-
ments specified in paragraphs (c)(1)
through (3) of this section for construc-
tion planning and performing develop-
ment.

(1) General. Paragraphs (a)(1), (2), and
(4) of §4280.124 apply.

(2) Small acquisition and construction
procedures. Small acquisition and con-
struction procedures are those rela-
tively simple and informal procure-
ment methods that are sound and ap-
propriate for a procurement of services,
equipment and construction of a RES
or EEI project with a Total Project
Cost of not more than $80,000. The Ap-
licant is solely responsible for the
execution of all contracts under this
procedure, and Agency review and ap-
proval is not required.

(3) Contractor forms. Applicants must
have each contractor sign, as applica-
able:

(i) Form RD 400–6 for contracts ex-
ceeding $10,000; and

(ii) Form AD–1048 for contracts ex-
ceeding $25,000.

(d) Payment process for applications for
RES and EEI projects with total project
costs of $80,000 or less. (1) Upon comple-
tion of the project, the grantee must
submit to the Agency a copy of the
contractor’s certification of final com-
pletion for the project and a statement
that the grantee accepts the work com-
pleted. At its discretion, the Agency
may require the Applicant to have an
Inspector certify that the project is
constructed and installed correctly.

(2) The RES or EEI project must be
constructed, installed, and operating as
described in the technical report prior
disbursement of funds. For RES, the
system must be operating at the steady
state operating level described in the
technical report for a period of not less
than 30 days, unless this requirement is
modified by the Agency, prior to dis-
bursement of funds. Any modification
to the 30-day steady state operating
level requirement will be based on the
Agency’s review of the technical report
and will be incorporated into the Let-
ter of Conditions.

(3) Prior to making payment, the
grantee must provide the Agency with
Form RD 1924–9 and Form RD 1924–10,
or similar forms, executed by all per-
sons who furnished materials or labor
in connection with the contract.

§4280.120 Scoring RES and EEI grant
applications.

Agency personnel will score each eli-
gible RES and EEI application based on
the scoring criteria specified in this
section, unless otherwise specified in a
FEDERAL REGISTER notice, with a max-
imum score of 100 points possible.

(a) Environmental benefits. A max-
imum of 5 points will be awarded for
RBS and RUS, USDA § 4280.120

this criterion based on whether the Applicant has documented in the application that the proposed project will have a positive effect on any of the three impact areas: Resource conservation (e.g., water, soil, forest), public health (e.g., potable water, air quality), and the environment (e.g., compliance with EPA’s renewable fuel standard(s), greenhouse gases, emissions, particulate matter). Points will be awarded as follows:

(1) If the proposed project has a positive impact on any one of the three impact areas, 1 point will be awarded.

(2) If the proposed project has a positive impact on any two of the three impact areas, 3 points will be awarded.

(3) If the proposed project has a positive impact on all three impact areas, 5 points will be awarded.

(b) Energy generated, replaced, or saved. A maximum of 25 points will be awarded for this criterion. Applications for RES and EEI projects will be awarded points under both paragraphs (b)(1) and (2) of this section.

(1) Quantity of energy generated or saved per REAP grant dollar requested. A maximum of 10 points will be awarded for this sub-criterion. For RES and EEI projects, points will be awarded for either the amount of energy generated per grant dollar requested, which includes those projects that are replacing energy usage with a renewable source, or the actual annual average energy savings over the most recent 12, 24, 36, 48, or 60 consecutive months of operation per grant dollar requested; points will not be awarded for more than one category.

(i) Renewable Energy Systems. The quantity of energy generated per grant dollar requested will be determined by dividing the projected total annual energy generated by the RES, which will be converted to BTUs, by the grant dollars requested. Points will be awarded based on the annual amount of energy generated per grant dollar requested for the proposed RES as determined using paragraphs (b)(1)(i)(A) and (B) of this section. A maximum of 10 points will be awarded under this criterion.

The energy generated per grant dollar requested will be calculated using Equation 1.

Equation 1: \( \text{ES}/\$ = \frac{\text{ES}_{36}}{\text{GR}} \)

where:
\( \text{ES}/\$ \) = Energy generated per grant dollar requested.
\( \text{ES}_{36} \) = Projected total annual energy generated (BTUs) by the proposed RES for a typical year.
\( \text{GR} \) = Grant amount requested under this subpart.

(B) If the projected total annual energy generated per grant dollar requested calculated under paragraph (b)(1)(i)(A) of this section is:

(1) Less than 50,000 BTUs annual energy generated per grant dollar requested, points will be awarded as follows: Points awarded = \( \frac{\text{ES}/\$}{50,000} \times 10 \) points, where the points awarded are rounded to the nearest hundredth of a point.

(2) 50,000 BTUs average annual energy saved per grant dollar requested or higher, 10 points will be awarded. For example, an Applicant has requested a $500,000 grant to install an Anaerobic Digester Project with a 500 kilowatt (kW) generator set. The Anaerobic Digester Project will produce 5,913,000 kilowatt hours (kWh) per year. At 3,412 BTUs per kWh, this is equivalent to 20,175,156,000 BTUs. Based on this example, there are 40,350.312 BTUs generated per grant dollar requested (20,175,156.00 BTUs/$500,000). Because this is less than 50,000 BTUs average annual energy saved per grant dollar requested, points will be awarded as follows:

Points awarded = 40,350.312 BTUs/50,000 BTUs \times 10 = 0.807006

This would be rounded to the nearest hundredth, or to 0.08 points.

(ii) Energy Efficiency Improvements. Energy savings per grant dollar requested will be determined by dividing the average annual energy projected to be saved as determined by the Energy Assessment or Energy Audit for the EEI, which will be converted to BTUs, by the grant dollars requested. Points will be awarded based on the average annual amount of energy saved per grant dollar requested for the proposed EEI as determined using paragraphs (b)(1)(ii)(A) and (B) of this section. A maximum of 10 points will be awarded under this criterion.

(A) The average annual energy saved per grant dollar requested shall be calculated using Equation 2.

Equation 2: \( \text{ES}/\$ = \frac{\text{ES}_{36}}{\text{GR}} \)
where:
\( ES/\$ = \text{Average annual energy saved per grant dollar requested.} \)
\( ES_{36} = \text{Average annual energy saved by the proposed EEI over the same period used in the Energy Assessment or Energy Audit, as applicable.} \)
\( GR = \text{Grant amount requested under this subpart.} \)

(B) If the average annual energy saved per grant dollar requested calculated under paragraph (b)(1)(ii)(A) of this section is:

1. Less than 50,000 BTUs average annual energy saved per grant dollar requested, points will be awarded as follows: Points awarded = \( \frac{ES/\$}{50,000} \times 10 \) points, where the points awarded are rounded to the nearest hundredth of a point.

2. 50,000 BTUs average annual energy saved per grant dollar requested or higher, 10 points will be awarded. For example, an Applicant has requested a $1,500 grant to install a new boiler. The average BTU usage of the existing boiler for the most recent 12 months prior to submittal of the application was 125,555,000 BTUs per year. If the new boiler had been in place for those same 12 months, the annual average BTU usage is estimated to be 100,000,000 BTUs. Thus, the new boiler is projected to save the Applicant 25,555,000 BTUs per year. If the new boiler had been in place for those same 12 months, the annual average BTU usage is estimated to be 100,000,000 BTUs. Thus, the new boiler is projected to save the Applicant 25,555,000 BTUs per year. Based on this example, there are 17,036.6667 BTUs saved per grant dollar requested (25,555,000 BTUs/$1,500). Because this is less than 50,000 BTUs average annual energy saved per grant dollar requested, points will be awarded as follows:

\[ \text{Points awarded} = \frac{17,036.6667 \text{ BTUs}}{50,000 \text{ BTUs}} \times 10 = 3.407 \]

This would be rounded to the nearest hundredth, or to 3.41 points.

2. Quantity of energy replaced, saved, or generated. A maximum of 15 points will be awarded for this sub-criterion. Points may only be awarded for energy replacement, energy savings, or energy generation. Points will not be awarded for more than one category.

(i) Energy replacement. If the proposed RES is intended primarily for self-use by the Agricultural Producer or Rural Small Business and will provide energy replacement of greater than zero, but equal to or less than 25 percent, 5 points will be awarded; greater than 25 percent, but equal to or less than 50 percent, 10 points will be awarded; or greater than 50 percent, 15 points will be awarded. Energy replacement is to be determined by dividing the estimated quantity of Renewable Energy to be generated over the most recent 12-month period, by the quantity of energy consumed over the same period by the applicable energy application. For a project to qualify as an energy replacement it must provide documentation on prior energy use. For a project involving new construction and being installed to serve the new facility, the project may be classified as energy replacement only if the applicant can document previous energy use from a facility of approximately the same size. Approximately the same size is further clarified to be 10 percent larger or smaller than the facility it is replacing. The estimated quantities of energy must be converted to either BTUs, Watts, or similar energy equivalents to facilitate scoring. If the estimated energy produced equals more than 150 percent of the energy requirements of the applicable process(es), the project will be scored as an energy generation project.

(ii) Energy savings. If the estimated energy expected to be saved over the same period used in the Energy Assessment or Energy Audit, as applicable, by the installation of the EEI will be from 20 percent up to, but not including 35 percent, 5 points will be awarded; 35 percent up to, but not including 50 percent, 10 points will be awarded; or, 50 percent or greater, 15 points will be awarded. Energy savings will be determined by the projections in an Energy Assessment or Energy Audit.

(iii) Energy generation. If the proposed RES is intended for production of energy, 10 points will be awarded.

(c) Commitment of funds. A maximum of 20 points will be awarded for this criterion based on the percentage of written commitment an Applicant has from its fund sources that are documented with a Complete Application. The percentage of written commitment must be calculated using the following equation.

\[ \text{Percentage of written commitment} = \frac{\text{Total amount of funds for which written commitments have been submitted with the application}}{\text{Total amount of}} \]
(1) If the percentage of written commitments as calculated is 100 percent of the Matching Funds, 20 points will be awarded.

(2) If the percentage of written commitments as calculated is less than 100 percent, but more than 50 percent, points will be awarded as follows: ((percentage of written commitments − 50 percent)/(50 percent)) × 20 points, where points awarded are rounded to the nearest hundredth of a point.

(3) If the percentage of written commitments as calculated is 50 percent or less, no points will be awarded.

d) Size of Agricultural Producer or Rural Small Business. A maximum of 10 points will be awarded for this criterion based on the size of the Applicant’s agricultural operation or business concern, as applicable, compared to the SBA Small Business size standards categorized by the NAICS found in 13 CFR 121.201. For Applicants that are:

(1) One-third or less of the maximum size standard identified by SBA, 10 points will be awarded.

(2) Greater than one-third up to and including two-thirds of the maximum size standard identified by SBA, 5 points will be awarded.

(3) Larger than two-thirds of the maximum size standard identified by SBA, no points will be awarded.

e) Previous grantees and borrowers. A maximum of 15 points will be awarded for this criterion based on whether the Applicant has received a grant or guaranteed loan under this subpart.

(1) If the Applicant has never received a grant or guaranteed loan under this subpart, 15 points will be awarded.

(2) If the Applicant has received a grant and/or guaranteed loan under this subpart within the 2 previous Federal Fiscal Years, 10 points will be awarded.

(3) If the Applicant has not received a grant and/or guaranteed loan under this subpart within the 2 previous Federal Fiscal Years, 5 points will be awarded.

(4) If the Applicant has received a grant and/or guaranteed loan under this subpart, no points will be awarded.

(f) Simple Payback. A maximum of 15 points will be awarded for this criterion based on the Simple Payback of the project. Points will be awarded for either RES or EEI; points will not be awarded for more than one category.

1) Renewable Energy Systems. If the Simple Payback of the proposed project is:

(i) Less than 10 years, 15 points will be awarded;

(ii) 10 years up to but not including 15 years, 10 points will be awarded;

(iii) 15 years up to and including 25 years, 5 points will be awarded; or

(iv) Longer than 25 years, no points will be awarded.

2) Energy Efficiency Improvements. If the Simple Payback of the proposed project is:

(i) Less than 4 years, 15 points will be awarded;

(ii) 4 years up to but not including 8 years, 10 points will be awarded;

(iii) 8 years up to and including 12 years, 5 points will be awarded; or

(iv) Longer than 12 years, no points will be awarded.

g) State Director and Administrator priority points. A maximum of 10 points will be awarded for this criterion. A State Director, for its State allocation under this subpart, or the Administrator, for making awards from the National Office reserve, may award up to 10 points to an application based on the conditions specified in paragraphs (g)(1) through (5) of this section. In no case shall an application receive more than 10 points under this criterion.

(1) The application is for an under-represented technology.

(2) Selecting the application helps achieve geographic diversity.

(3) The Applicant is a member of an unserved or under-served population.

(4) Selecting the application helps further a Presidential initiative or a Secretary of Agriculture priority.

(5) The proposed project is located in an impoverished area, has experienced long-term population decline, or loss of employment.

§ 4280.121 Selecting RES and EEI grant applications for award.

Unless otherwise provided for in a FEDERAL REGISTER notice, RES and EEI grant applications will be processed in accordance with this section. Complete Applications will be evaluated, processed, and subsequently ranked, and will compete for funding.
subject to the availability of grant funding.

(a) RES and EEI grant applications. Complete RES and EEI grant applications, regardless of the amount of funding requested (which includes $20,000 or less), are eligible to compete in two competitions each Federal Fiscal Year—a State competition and a National competition.

(1) To be competed in the State and National competitions, Complete Applications must be received by the applicable State Office by 4:30 p.m. local time no later than April 30. If April 30 falls on a weekend or a federally-observed holiday, the next Federal business day will be considered the last day for receipt of a Complete Application. Complete Applications received after this date and time will be processed in the subsequent fiscal year.

(2) All eligible RES and EEI grant applications that remain unfunded after completion of the State competitions will be competed in a National competition.

(b) RES and EEI grant applications requesting $20,000 or less. Complete RES and EEI grant applications requesting $20,000 or less are eligible to compete in up to five competitions—two State competitions and a National competition for grants of $20,000 or less set aside, as well as the two competitions referenced in paragraph (a) of this section (see paragraph (e)(2) of this section).

(1) For Complete RES and EEI grant applications for grants requesting $20,000 or less, there will be two State competitions each Federal Fiscal Year. Complete Applications for $20,000 or less that are received by the Agency by 4:30 p.m. local time on October 31 of the Federal Fiscal Year will be competed against each other. Complete Applications for $20,000 or less that are received by the Agency by 4:30 p.m. local time on April 30 of the Federal Fiscal Year will be competed against each other. Complete Applications for $20,000 or less that were not funded from the prior competition. If either October 31 or April 30 falls on a weekend or a federally-observed holiday, the next Federal business day will be considered the last day for receipt of a Complete Application. Complete Applications received after 4:30 p.m. local time on April 30, regardless of the postmark on the application, will be processed in the subsequent fiscal year.

(2) All eligible RES and EEI grant applications requesting $20,000 or less that remain unfunded after completion of the State competition for applications received by April 30 will be competed in the National competition.

(c) Ranking of applications. The Agency will rank complete eligible applications using the scoring criteria specific in §4280.120. Higher scoring applications will receive first consideration.

(d) Funding selected applications. As applications are funded, if insufficient funds remain to fund the next highest scoring application, the Agency may elect to fund a lower scoring application. Before this occurs, the Agency will provide the Applicant of the higher scoring application the opportunity to reduce the amount of the Applicant’s grant request to the amount of funds available. If the Applicant agrees to lower its grant request, the Applicant must certify that the purposes of the project will be met and provide the remaining total funds needed to complete the project. At its discretion, the Agency may also elect to allow any remaining multi-year funds to be carried over to the next fiscal year rather than selecting a lower scoring application.

(e) Handling of ranked applications not funded. Based on the availability of funding, a ranked application might not be funded. How the unfunded application is handled depends on whether it is requesting more than $20,000 or is requesting $20,000 or less.

(1) The Agency will discontinue consideration for funding all complete and eligible applications requesting more than $20,000 that are not selected for funding after the State and National competitions for the Federal Fiscal Year.

(2) All complete and eligible applications requesting $20,000 or less may be competed in up to five consecutive competitions as illustrated below. Example 1: An application that is unfunded in the first State competition of a fiscal year is eligible to be competed in the second State competition and the National competition for grants of $20,000 or less, as well as, the State and
National competitions for all grants regardless of the dollar amount being requested, in that fiscal year. Example 2: An application that is first competed in the second State competition of a fiscal year can be competed in the National competition for that fiscal year and the first State competition in the following fiscal year for grants of $20,000 or less. In addition the application may compete in the State and National competitions for all grants regardless of the amount of funding requested which are referenced in paragraph (a) of this section. The Agency will discontinue for potential funding all application requesting $20,000 or less that are not selected for funding after competing in a total of three State competitions and two national competitions.

(f) Commencement of the project. Not all grant applications that compete for funding will receive an award. Thus, the Applicant assumes all risks if the Applicant chooses to purchase the technology proposed or start construction of the project to be financed in the grant application after the Complete Application has been received by the Agency, but before the Applicant is notified as to whether or not they have been selected for an award.

§ 4280.122 Awarding and administering RES and EEI grants.

The Agency will award and administer RES and EEI grants in accordance with Departmental Regulations and with paragraphs (a) through (h) of this section.

(a) Letter of Conditions. A Letter of Conditions will be prepared by the Agency, establishing conditions that must be agreed to by the Applicant before any obligation of funds can occur. Upon reviewing the conditions and requirements in the Letter of Conditions, the Applicant must complete, sign, and return the Form RD 1942–46, “Letter of Intent to Meet Conditions,” and Form RD 1940–1, “Request for Obligation of Funds,” to the Agency if they accept the conditions of the grant; or if certain conditions cannot be met, the Applicant may propose alternate conditions to the Agency. The Agency must concur with any changes proposed to the Letter of Conditions by the Applicant before the application will be further processed.

(b) Insurance requirements. Agency approved insurance coverage must be maintained for 3 years after the Agency has approved the final performance report unless this requirement is waived or modified by the Agency in writing. Insurance coverage shall include, but is not limited to:

(1) Property insurance, such as fire and extended coverage, will normally be maintained on all structures and equipment.

(2) Liability.

(3) National flood insurance is required in accordance with 7 CFR part 1806, subpart B, if applicable.

(4) Business interruption insurance for projects with Total Project Costs of more than $200,000.

(c) Forms and certifications. The forms specified in paragraphs (c)(1) through (8) of this section will be attached to the Letter of Conditions referenced in paragraph (a) of this section. The forms specified in paragraphs (c)(1) through (7) of this section and all of the certifications must be submitted prior to grant approval. The form specified in paragraph (c)(8) of this section, which is to be completed by contractors, does not need to be returned to the Agency, but must be kept on file by the grantee.

(2) Form RD 1940–1.

(3) Form AD–1049, “Certification Regarding Drug-Free Workplace Requirements (Grants) Alternative 1–For Grantees Other than Individuals.”

(4) Form SF–LLL, “Disclosure of Lobbying Activities,” if the grant exceeds $100,000 and/or if the grantee has made or agreed to make payment using funds other than Federal appropriated funds to influence or attempt to influence a decision in connection with the application.

(5) Form AD–1047, “Certification Regarding Debarment, Suspension, and Other Responsibility Matters–Primary Covered Transactions.”

(6) Form RD 400–1, “Equal Opportunity Agreement,” or successor form.

(7) Form RD 400–4, “Assurance Agreement,” or successor form.
(g) Form AD–1048, as signed by the contractor or other lower tier party.

(d) Evidence of Matching Funds and other funds. If an Applicant submitted written evidence of Matching Funds and other funds with the application, the Applicant is responsible for ensuring that such written evidence is still in effect (i.e., not expired) when the grant is executed. If the Applicant did not submit written evidence of Matching Funds and other funds with the application, the Applicant must submit such written evidence that is in effect before the Agency will execute the Grant Agreement. In either case, written evidence of Matching Funds and other funds needed to complete the project must be provided to the Agency before execution of the Grant Agreement and must be in effect (i.e., must not have expired) at the time Grant Agreement is executed.

(e) SAM number. Before the Grant Agreement can be executed, the number and expiration date of the Applicant’s SAM number are required.

(f) Grant Agreement. Once the requirements specified in paragraphs (a) through (e) of this section have been met, the Grant Agreement can be executed by the grantee and the Agency. The grantee must abide by all requirements contained in the Grant Agreement, this subpart, and any other applicable Federal statutes or regulations. Failure to follow these requirements might result in termination of the grant and adoption of other available remedies.

(g) Grant approval. The grantee will be sent a copy of the executed Form RD 1940–1, the approved scope of work, and the Grant Agreement.

(b) Power Purchase Agreement. Where applicable, the grantee shall provide to the Agency a copy of the executed Power Purchase Agreement within 12 months from the date that the Grant Agreement is executed, unless otherwise approved by the Agency.

§ 4280.123 Servicing RES and EEI Grants.

The Agency will service RES and EEI grants in accordance with the requirements specified in Departmental Regulations; 7 CFR part 1951, subparts E and O, other than 7 CFR 1951.709(d)(1)(B)(iv); the Grant Agreement; and paragraphs (a) through (k) of this section.

(a) Inspections. Grantees must permit periodic inspection of the project records and operations by a representative of the Agency.

(b) Programmatic changes. Grantees may make changes to an approved project’s costs, scope, contractor, or vendor subject to the provisions specified in paragraphs (b)(1) through (3) of this section. If the changes result in lowering the project’s score to below what would have qualified the application for award, the Agency will not approve the changes.

(1) Prior approval. The grantee must obtain prior Agency approval for any change to the scope, contractor, or vendor of the approved project. Changes in project cost will require Agency Approval as outlined in paragraph (a)(1)(iii) of this section.

(i) Grantees must submit requests for programmatic changes in writing to the Agency for Agency approval.

(2) Changes in project cost or scope. If there is a significant change in project cost or any change in project scope, then the grantee’s funding needs, eligibility, and scoring, as applicable, will be reassessed. Decreases in Agency funds will be based on revised project costs and other factors, including Agency regulations used at the time of grant approval.

(3) Change of contractor or vendor. When seeking a change, the grantee must submit to the Agency a written request for approval. The proposed contractor or vendor must have qualifications and experience acceptable to the
Agency. The written request must contain sufficient information, which may include a revised technical report as required under §4280.117(e), §4280.118(b)(4), §4280.119(b)(3), or §4280.119(b)(4), as applicable, to demonstrate to the Agency’s satisfaction that such change maintains project integrity. If the Agency determines that project integrity continues to be demonstrated, the grantee may make the change. If the Agency determines that project integrity is no longer demonstrated, the change will not be approved and the grantee has the following options: Continue with the original contractor or vendor; find another contractor or vendor that has qualifications and experience acceptable to the Agency to complete the project; or terminate the grant by providing a written request to the Agency. No additional funding will be available from the Agency if costs for the project have increased. The Agency decision will be provided in writing.

(c) Transfer of obligations. Prior to the construction of the project, the grantee may request, in writing, a transfer of obligation to a different (substitute) grantee. Subject to Agency approval provided in writing, an obligation of funds established for a grantee may be transferred to a substitute grantee provided:

(1) The substituted grantee
(2) Is eligible;
(2) Has a close and genuine relationship with the original grantee; and
(2) Has the authority to receive the assistance approved for the original grantee; and

(2) The type of RES or EEI technology, the project cost and scope of the project for which the Agency funds will be used remain unchanged.

(d) Transfer of ownership. After the project is completed and operational, the grantee may request, in writing, a transfer of the Grant Agreement to another entity. Subject to Agency approval provided in writing, the Grant Agreement may be transferred to another entity provided:

(1) The entity is determined by the Agency to be an eligible entity under this subpart; and
(2) The type of RES or EEI technology and the scope of the project for which the Agency funds will be used remain unchanged.

(e) Disposition of acquired property. Grantees must abide by the disposition requirements outlined in Departmental Regulations.

(f) Financial management system and records. The grantee must provide for financial management systems and maintain records as specified in paragraphs (f)(1) and (2) of this section.

(1) Financial management system. The grantee will provide for a financial system that will include:

(i) Accurate, current, and complete disclosure of the financial results of each grant;
(ii) Records that identify adequately the source and application of funds for grant-supporting activities, together with documentation to support the records. Those records must contain information pertaining to grant awards and authorizations, obligations, unbudgeted balances, assets, liabilities, outlays, and income; and
(iii) Effective control over and accountability for all funds. The grantee must adequately safeguard all such assets and must ensure that funds are used solely for authorized purposes.

(2) Records. The grantee will retain financial records, supporting documents, statistical records, and all other records pertinent to the grant for a period of at least 3 years after completion of grant activities except that the records must be retained beyond the 3-year period if audit findings have not been resolved or if directed by the United States. The Agency and the Comptroller General of the United States, or any of their duly authorized representatives, must have access to any books, documents, papers, and records of the grantee that are pertinent to the specific grant for the purpose of making audit, examination, excerpts, and transcripts.

(g) Audit requirements. If applicable, grantees must provide an annual audit in accordance with 7 CFR part 3052. The Agency may exercise its right to do a program audit after the end of the project to ensure that all funding supported Eligible Project Costs.

(h) Grant disbursement. As applicable, grantees must disburse grant funds as
scheduled in accordance with the appropriate construction and inspection requirements in §§ 4280.118, 4280.119 or 4280.124 as applicable. Unless required by third parties providing cost sharing payments to be provided on a pro-rata basis with other funds, grant funds will be disbursed after all other funds have been expended.

(1) Unless authorized by the Agency to do so, grantees may submit requests for reimbursement no more frequently than monthly. Ordinarily, payment will be made within 30 days after receipt of a proper request for reimbursement.

(2) Grantees must not request reimbursement for the Federal share of amounts withheld from contractors to ensure satisfactory completion of work until after it makes those payments.

(3) Payments will be made by electronic funds transfer.

(4) Grantees must use SF-271, "Outlay Report and Request for Reimbursement for Construction Programs," or other format prescribed by the Agency to request grant reimbursements.

(5) For a grant awarded to a project with Total Project Costs of $200,000 and greater, grant funds will be disbursed in accordance with the above through 90 percent of grant disbursement. The final 10 percent of grant funds will be held by the Agency until construction of the project is completed, the project is operational, and the project has met or exceeded the steady state operating level as set out in the grant award requirements. In addition, the Agency reserves the right to request additional information or testing if upon a final site visit the 30 day steady state operating level is not found acceptable to the Agency.

(i) Monitoring of project. Grantees are responsible for ensuring that all activities are performed within the approved scope of work and that funds are only used for approved purposes.

(1) Grantees shall constantly monitor performance to ensure that:

(ii) Any other performance objectives identified in the scope of work are being achieved.

(2) To the extent that resources are available, the Agency will monitor grantees to ensure that activities are performed in accordance with the Agency-approved scope of work and to ensure that funds are expended for approved purposes. The Agency’s monitoring of grantees neither:

(i) Relieves the grantee of its responsibilities to ensure that activities are performed within the scope of work approved by the Agency and that funds are expended for approved purposes only; nor

(ii) Provides recourse or a defense to the grantee should the grantee conduct unapproved activities, engage in unethical conduct, engage in activities that are or that give the appearance of a conflict of interest, or expend funds for unapproved purposes.

(j) Reporting requirements. Financial and project performance reports must be provided by grantees and contain the information specified in paragraphs (j)(1) through (3) of this section.

(1) Federal Financial Reports. Between grant approval and completion of project (i.e., construction), SF-425, "Federal Financial Report" will be required of all grantees as applicable on a semiannual basis. The grantee will complete the project within the total sums available to it, including the grant, in accordance with the scope of work and any necessary modifications thereof prepared by grantee and approved by the Agency.

(2) Project performance reports. Between grant approval and completion of project (i.e., construction), grantees must provide semiannual project performance reports and a final project development report containing the information specified in paragraphs (j)(2)(i) and (ii) of this section. These reports are due 30 working days after June 30 and December 31 of each year.

(i) Semiannual project performance reports. Each semiannual project performance report must include the following:

(A) A comparison of actual accomplishments to the objectives for that period:
(B) Reasons why established objectives were not met, if applicable;
(C) Reasons for any problems, delays, or adverse conditions which will affect attainment of overall program objectives, prevent meeting time schedules or objectives, or preclude the attainment of particular objectives during established time periods. This disclosure must be accompanied by a statement of the action taken or planned to resolve the situation; and
(D) Objectives and timetables established for the next reporting period.

(ii) Final project development report. The final project development report must be submitted 90 days after project completion and include:
(A) A detailed project funding and expense summary; and
(B) A summary of the project’s installation/construction process, including recommendations for development of similar projects by future Applicants to the program.

(3) Outcome project performance reports. Once the project has been constructed, the grantee must provide the Agency periodic reports. These reports will include the information specified in paragraphs (j)(3)(i) or (ii) of this section, as applicable.

(i) Renewable Energy Systems. For RES projects, commencing the first full calendar year following the year in which project construction was completed and continuing for 3 full years, provide a report detailing the information specified in paragraphs (j)(3)(i)(A) through (G) of this section.
(A) Type of technology;
(B) The actual annual amount of energy generated in BTUs, kilowatt-hours, or similar energy equivalents;
(C) Annual income for systems that are selling energy, if applicable, and/or energy savings of the RES;
(D) A summary of the cost of operations and maintenance;
(E) A description of any associated major maintenance or operational problems;
(F) Recommendations for development of future similar projects; and
(G) Actual number of jobs, if any, created or saved as a direct result of the RES project for which REAP funding was used.

(ii) Energy Efficiency Improvements. For EEI projects, commencing the first full calendar year following the year in which project construction was completed and continuing for 2 full years, provide a report detailing, including calculations and any assumptions:
(A) The actual amount of energy saved annually as determined by the difference between:
(1) The annual amount of energy used by the project with the project in place and
(2) The annual average amount of energy used in the period prior to application submittal as reported in the Energy Assessment or Energy Audit submitted with the application; and
(B) Actual number of jobs, if any, created or saved as a direct result of the EEI project for which REAP funding was used.

(k) Grant close-out. Grant close-out must be performed in accordance with the requirements specified in Departmental Regulations.

§ 4280.124 Construction planning and performing development.

(a) General. The following requirements are applicable to all procurement methods specified in paragraph (f) of this section.
(1) Maximum open and free competition. All procurement transactions, regardless of procurement method and dollar value, must be conducted in a manner that provides maximum open and free competition. Procurement procedures must not restrict or eliminate competition. Competitive restriction examples include, but are not limited to, the following: Placing unreasonable requirements on firms in order for them to qualify to do business; noncompetitive practices between firms; organizational conflicts of interest; and unnecessary experience or excessive bonding requirements. In specifying material(s), the grantee and its consultant will consider all materials normally suitable for the project commensurate with sound engineering practices and project requirements. The Agency will consider any recommendation made by the grantee’s consultant concerning the technical design and choice of materials to be used for such a project. If the Agency determines that a design or
material, other than those that were recommended, should be considered by including them in the procurement process as an acceptable design or material in the project, the Agency will provide such Applicant or grantee with a comprehensive justification for such a determination. The justification will be documented in writing.

(2) Equal employment opportunity. For all construction contracts and grants in excess of $10,000, the contractor must comply with Executive Order 11246, as amended by Executive Order 11375 and Executive Order 13672, and as supplemented by applicable Department of Labor regulations (41 CFR part 60). The Applicant, or the lender and borrower, as applicable, is responsible for ensuring that the contractor complies with these requirements.

(3) Surety. Any contract exceeding $100,000 for procurement will require surety, except as provided for in paragraph (a)(3)(v) of this section.

(i) Surety covering both performance and payment will be required. The United States, acting through the Agency, will be named as co-obligee on all surety unless prohibited by State or Tribal law. Surety may be provided as specified in paragraphs (a)(3)(i)(A) or (B) of this section.

(A) Surety in the amount of 100 percent of the contract cost may be provided using either:

(1) A bank letter of credit; or

(2) Performance bonds and payment bonds. Companies providing performance bonds and payment bonds must hold a certificate of authority as an acceptable surety on Federal bonds as listed in Treasury Circular 570 as amended and be legally doing business in the State where the project is located.

(B) Cash deposit in escrow of at least 50 percent of the contract amount. The cash deposit cannot be from funds awarded under this subpart.

(ii) The surety will normally be in the form of performance bonds and payment bonds; however, when other methods of surety are necessary, bid documents must contain provisions for such alternative types of surety. The use of surety other than performance bonds and payment bonds requires concurrence by the Agency after submission of a justification to the Agency together with the proposed form of escrow agreement or letter of credit.

(iii) For contracts of lesser amounts, the grantee may require surety.

(iv) When surety is not provided, contractors must furnish evidence of payment in full for all materials, labor, and any other items procured under the contract in an Agency-approved form.

(v) Applicants may request exceptions to surety for any of the situations identified in paragraphs (a)(3)(v)(A) through (D) of this section. Applicants must submit a written request to the Agency.

(A) Small acquisition and construction procedures as specified in §4280.118(c) and (d) or §4280.119(c) and (d) as applicable are used.

(B) The proposed project is for equipment purchase and installation only and the contract costs for the equipment purchase and installation are $200,000 or less.

(C) The proposed project is for equipment purchase and installation only and the contract costs for the equipment purchase and installation are more than $200,000 and the following requirements can be met:

(1) The project involves two or fewer subcontractors; and

(2) The equipment manufacturer or provider must act as the general contractor.

(D) Other construction projects that have only one contractor performing work.

(4) Grantees accomplishing work. In some instances, grantees may wish to perform a part of the work themselves. Grantees may accomplish construction by using their own personnel and equipment, provided the grantees possess the necessary skills, abilities, and resources to perform the work and there is not a negative impact to their business operation. For a grantee to provide a portion of the work, with the remainder to be completed by a contractor:

(i) A clear understanding of the division of work must be established and delineated in the contract;

(ii) Grantees are not eligible for payment for their own work as it is not an Eligible Project Cost;
(iii) Warranty requirements applicable to the technology must cover the grantee’s work; and
(iv) Inspection and acceptance of the grantee’s work must be completed by either:
   (A) An Inspector that will:
      (1) Inspect, as applicable, and accept construction; and
      (2) Furnish inspection reports; or
   (B) A licensed engineer that will:
      (1) Prepare design drawings and specifications;
      (2) Inspect, as applicable, and accept construction; and
      (3) Furnish inspection reports.

(b) Forms used. Technical service and procurement documents must be approved by the Agency and may be used only if they are customarily used in the area and protect the interest of the Applicant and the Government with respect to compliance with items such as the drawings, specifications, payments for work, inspections, completion, nondiscrimination in construction work and acceptance of the work. The Agency will not become a party to a construction contract or incur any liability under it. No contract will become effective until concurred in writing by the Agency. Such concurrence statement must be attached to and made a part of the contract.

(c) Technical services. Unless the requirements of paragraph (c)(4) of this section can be met, all RES and EEI projects with Total Project Costs greater than $400,000 require:
   (1) The design, installation monitoring, testing prior to commercial operation, and project completion certification be completed by a licensed professional engineer (PE) or team of licensed PEs. Licensed PEs may be “in-house” PEs or contracted PEs.
   (2) Any contract for design services must be subject to Agency concurrence.
   (3) Engineers must be licensed in the State where the project is to be constructed.
   (4) The Agency may grant an exception to the requirements of paragraphs (c)(1) through (3) of this section if the following requirements are met:
      (i) State or Tribal law does not require the use of a licensed PE; and
      (ii) The project is not complex, as determined by the Agency, and can be completed to meet the requirements of this program without the services of a licensed PE.

(d) Design policies. Final plans and specifications must be reviewed by the Agency and approved prior to the start of construction. Facilities funded by the Agency must meet the following design requirements, as applicable:
   (1) Environmental review. Facilities financed by the Agency must undergo an environmental analysis in accordance with the National Environmental Policy Act and 7 CFR part 1940, subpart G of this title. Project planning and design must not only be responsive to the grantee’s needs but must consider the environmental consequences of the proposed project. Project design must incorporate and integrate, where practicable, mitigation measures that avoid or minimize adverse environmental impacts. Environmental reviews serve as a means of assessing environmental impacts of project proposals, rather than justifying decisions already made. Applicants may not take any action on a project proposal that will have an adverse environmental impact or limit the choice of reasonable project alternatives being reviewed prior to the completion of the Agency’s environmental review. If such actions are taken, the Agency has the right to withdraw and discontinue processing the application.
   (2) Architectural barriers. All facilities intended for or accessible to the public or in which physically handicapped persons may be employed must be developed in compliance with the Architectural Barriers Act of 1968 (42 U.S.C. 4151 et seq.) as implemented by 41 CFR 101–19.6, section 504 of the Rehabilitation Act of 1973 (42 U.S.C. 1474 et seq.) as implemented by 7 CFR parts 15 and 15b, and Titles II and III of the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.).
   (3) Energy/environment. Project design shall consider cost effective energy-efficient and environmentally-sound products and services.
   (4) Seismic safety. All new structures, fully or partially enclosed, used or intended for sheltering persons or property will be designed with appropriate
§ 4280.124  

Seismic safety provisions in compliance with the Earthquake Hazards Reduction Act of 1977 (42 U.S.C. 7701 et seq.), and EO 12699, Seismic Safety of Federal and Federally Assisted or Regulated New Building Construction. Designs of components essential for system operation and substantial rehabilitation of structures that are used for sheltering persons or property shall incorporate seismic safety provisions to the extent practicable as specified in 7 CFR part 1792, subpart C.

(e) Contract methods. This paragraph identifies the three types of contract methods that can be used for projects funded under this subpart. The procurement methods, which are applicable to each of these contract methods, are specified in paragraph (f) of this section.

(1) Traditional method or design-bid-build. The services of the consulting engineer or architect and the general construction contractor must be procured in accordance with the following paragraphs.

(i) Solicitation of offers. Solicitation of offers must:

(A) Incorporate a clear and accurate description of the technical requirements for the material, product, or service to be procured. The description must not, in competitive procurements, contain features that unduly restrict competition. The description may include a statement of the qualitative nature of the material, product or service to be procured, and when necessary will set forth those minimum essential characteristics and standards to which it must conform if it is to satisfy its intended use. When it is impractical or uneconomical to make a clear and accurate description of the technical requirements, a “brand name or equal” description may be used to define the performance or other salient requirements of a procurement. The specific features of the named brands which must be met by offerors must be clearly stated.

(B) Clearly specify all requirements which offerors must fulfill and all other factors to be used in evaluating bids or proposals.

(ii) Contract pricing. Cost plus a percentage of cost method of contracting must not be used.

(iii) Unacceptable bidders. The following will not be allowed to bid on, or negotiate for, a contract or subcontract related to the construction of the project:

(A) An engineer or architect as an individual or entity who has prepared plans and specifications or who will be responsible for monitoring the construction;

(B) Any entity in which the grantee’s architect or engineer is an officer, employee, or holds or controls a substantial interest in the grantee;

(C) The grantee’s governing body officers, employees, or agents;

(D) Any member of the grantee’s Immediate Family or partners in paragraphs (e)(1)(iii)(A), (B), or (C) of this section; or

(E) An entity which employs, or is about to employ, any person in paragraphs (e)(1)(iii)(A), (B), (C), or (D) of this section.

(iv) Contract award. Contracts must be made only with responsible parties possessing the potential ability to perform successfully under the terms and conditions of a proposed procurement. Consideration must include, but not be limited to, matters such as integrity, record of past performance, financial and technical resources, and accessibility to other necessary resources. Contracts must not be made with parties who are suspended or debarred.

(2) Design/build method. The Design/Build Method, where the same person or entity provides design and engineering work, as well as construction or installation, may be used with Agency written approval.

(i) Concurrence information. The Applicant will request Agency concurrence by providing the Agency at least the information specified in paragraphs (e)(2)(i)(A) through (H) of this section.

(A) The grantee’s written request to use the Design/Build Method with a description of the proposed method.

(B) A proposed scope of work describing in clear, concise terms the technical requirements for the contract. It shall include a nontechnical statement summarizing the work to be performed by the contractor, the results expected, and a proposed construction schedule showing the sequence in which the work is to be performed.
(C) A proposed firm-fixed-price contract for the entire project which provides that the contractor will be responsible for any extra cost which result from errors or omissions in the services provided under the contract, as well as compliance with all Federal, State, local, and Tribal requirements effective on the contract execution date.

(D) Where noncompetitive negotiation is proposed and found, by the Agency, to be an acceptable procurement method, then the Agency will evaluate documents indicating the contractor's performance on previous similar projects in which the contractor acted in a similar capacity.

(E) A detailed listing and cost estimate of equipment and supplies not included in the construction contract but which are necessary to properly operate the project.

(F) Evidence that a qualified construction Inspector who is independent of the contractor has or will be hired.

(G) Preliminary plans and outline specifications. However, final plans and specifications must be completed and reviewed by the Agency prior to the start of construction.

(H) The grantee's attorney's opinion and comments regarding the legal adequacy of the proposed contract documents and evidence that the grantee has the legal authority to enter into and fulfill the contract.

(ii) Agency concurrence of design/build method. The Agency will review the material submitted by the Applicant. When all items are acceptable, the Agency approval official will concur in the use of the Design/Build Method for the proposal.

(iii) Forms used. Agency approved contract documents must be used provided they are customarily used in the area and protect the interest of the Applicant and the Agency with respect to compliance with items such as the drawings, specifications, payments for work, inspections, completion, nondiscrimination in construction work, and acceptance of the work. The Agency will not become a party to a construction contract or incur any liability under it. No contract shall become effective until concurred, in writing, by the Agency. Such concurrence statement must be attached to and made a part of the contract.

(iv) Contract provisions. Contracts will have a listing of attachments and must contain the following:

(A) The contract sum;

(B) The dates for starting and completing the work;

(C) The amount of liquidated damages, if any, to be charged;

(D) The amount, method, and frequency of payment;

(E) Surety provisions that meet the requirements of paragraph (a)(3) of this section;

(F) The requirement that changes or additions must have prior written approval of the Agency as identified in the letter of conditions;

(G) Contract review and concurrence. The grantee's attorney will review the executed contract documents, including performance and payment bonds, and will certify that they are in compliance with Federal, State, or Tribal law, and that the persons executing these documents have been properly authorized to do so. The contract documents, engineer's recommendation for award, and bid tabulation sheets will be forwarded to the Agency for concurrence prior to awarding the contract. All contracts will contain a provision that they are not effective until they have been concurred, in writing, by the Agency;

(H) This part does not relieve the grantee of any responsibilities under its contract. The grantee is responsible for the settlement of all contractual and administrative issues arising out of procurement entered into in support of Agency funding. These include, but are not limited to, source evaluation, protests, disputes, and claims. Matters concerning violation of laws are to be referred to the applicable local, State, Tribal, or Federal authority; and

(3) Construction management. Construction managers as a constructor (CMc) acts in the capacity of a general contractor and is financially and professionally responsible for the construction. This type of construction management is also referred to as construction manager “At Risk.” The construction contract is between the grantee and the CMc. The CMc in turn subcontracts for some or all of the
work. The CMc will need to carry the Agency required 100 percent surety and insurance, as required under paragraph (a)(3) of this section. Projects using construction management must follow the requirements of (e)(2)(i) through (iv) of this section.

(f) Procurement methods. Procurement must be made by one of the following methods: competitive sealed bids (formal advertising); competitive negotiation; or noncompetitive negotiation. Competitive sealed bids (formal advertising) are the preferred procurement method for construction contracts.

(1) Competitive sealed bids. In competitive sealed bids (formal advertising), sealed bids are publicly solicited and a firm-fixed-price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is lowest, price and other factors considered. When using this method, the following will apply:

   (i) At a sufficient time prior to the date set for opening of bids, bids must be solicited from an adequate number of qualified sources. In addition, the invitation must be publicly advertised.

   (ii) The invitation for bids, including specifications and pertinent attachments, must clearly define the items or services needed in order for the bidders to properly respond to the invitation under paragraph (f)(1) of this section.

   (iii) All bids must be opened publicly at the time and place stated in the invitation for bids.

   (iv) A firm-fixed-price contract award must be made by written notice to that responsible bidder whose bid, conforming to the invitation for bids, is lowest. When specified in the bidding documents, factors such as discounts and transportation costs will be considered in determining which bid is lowest.

   (v) The Applicant, with the concurrence of the Agency, will consider the amount of the bids or proposals, and all conditions listed in the invitation. On the basis of these considerations, the Applicant will select and notify the lowest responsible bidder. The contract will be awarded using an Agency-approved form.

   (vi) Any or all bids may be rejected by the grantee when it is in their best interest.

(2) Competitive negotiation. In competitive negotiations, proposals are requested from a number of sources. Negotiations are normally conducted with more than one of the sources submitting offers (offerors). Competitive negotiation may be used if conditions are not appropriate for the use of formal advertising and where discussions and bargaining with a view to reaching agreement on the technical quality, price, other terms of the proposed contract and specifications are necessary. If competitive negotiation is used for procurement, the following requirements will apply:

   (i) Proposals must be solicited from two qualified sources, unless otherwise approved by the Agency, to permit reasonable competition consistent with the nature and requirements of the procurement.

   (ii) The Request for Proposal must identify all significant evaluation factors, including price or cost where required, and their relative importance.

   (iii) The grantee must provide mechanisms for technical evaluation of the proposals received, determination of responsible offerors for the purpose of written or oral discussions, and selection for contract award.

   (iv) Award may be made to the responsible offeror whose proposal will be most advantageous to the grantee, price and other factors considered. Unsuccessful offerors must be promptly notified.

   (v) Owners may utilize competitive negotiation procedures for procurement of architectural/engineering and other professional services, whereby the offerors’ qualifications are evaluated and the most qualified offeror is selected, subject to negotiations of fair and reasonable compensation.

(3) Noncompetitive negotiation. Noncompetitive negotiation is procurement through solicitation of a proposal from only one source. Noncompetitive negotiation may be used when the award of a contract is not feasible under small acquisition and construction procedures, competitive sealed
bids (formal advertising) or competitive negotiation procedures. Circumstances under which a contract may be awarded by noncompetitive negotiations are limited to the following:

(i) After solicitation of a number of sources, competition is determined inadequate; or

(ii) No acceptable bids have been received after formal advertising.

(4) Additional procurement methods. The grantee may use additional innovative procurement methods provided the grantee receives prior written approval from the Agency. Contracts will have a listing of attachments and the minimum provisions of the contract will include:

(i) The contract sum;

(ii) The dates for starting and completing the work;

(iii) The amount of liquidated damages to be charged;

(iv) The amount, method, and frequency of payment;

(v) Whether or not surety bonds will be provided; and

(vi) The requirement that changes or additions must have prior written approval of the Agency.

(g) Contracts awarded prior to applications. Owners awarding construction or other procurement contracts prior to filing an application, must provide evidence that is satisfactory to the Agency that the contract was entered into without intent to circumvent the requirements of Agency regulations.

(1) Modifications. The contract shall be modified to conform to the provisions of this subpart. Where this is not possible, modifications will be made to the extent practicable and, as a minimum, the contract must comply with all State and local laws and regulations as well as statutory requirements and executive orders related to the Agency financing.

(2) Consultant's certification. Provide a certification by an engineer, licensed in the State where the facility is constructed, that any construction performed complies fully with the plans and specifications.

(3) Owner's certification. Provide a certification by the owner that the contractor has complied with applicable statutory and executive requirements related to Agency financing.

(h) Contract administration. Contract administration must comply with 7 CFR 1780.76. If another authority, such as a Federal, State, or Tribal agency, is providing funding and requires oversight of inspections, change orders, and pay requests, the Agency will accept copies of their reports or forms as meeting oversight requirements of the Agency.

RENEWABLE ENERGY SYSTEM AND ENERGY EFFICIENCY IMPROVEMENT GUARANTEED LOANS

§ 4280.125 Compliance with §§ 4279.29 through 4279.99 of this chapter.

All loans guaranteed under this subpart must comply with the provisions found in §§ 4279.29 through 4279.99 of this chapter.

§ 4280.126 Guarantee/annual renewal fee.

Except for the conditions for receiving reduced guarantee fee and unless otherwise specified in a Federal Register notice, the provisions specified in § 4279.107 of this chapter apply to loans guaranteed under this subpart.

§ 4280.127 Borrower eligibility.

To receive a RES or EEI guaranteed loan under this subpart, a borrower must be eligible under § 4280.112. In addition, borrower must meet the requirements of paragraphs (a) through (e) of this section. Borrowers who receive a loan guaranteed under this subpart must continue to meet the requirements specified in this section.

(a) Type of borrower. The borrower must be an Agricultural Producer or Rural Small Business.

(b) Ownership. The borrower must:

(1) Own or be the prospective owner of the project; and

(2) Own or control the site for the project at the time of application and, if the loan is guaranteed under this subpart, for the term of the loan.

(c) Revenues and expenses. The borrower must have available or be able to demonstrate, at the time of application, satisfactory sources of revenue in an amount sufficient to provide for the operation, management, maintenance, and any debt service of the project for the term of the loan. In addition, the
§ 4280.128 Project eligibility.

For a RES or EEI project to be eligible to receive a guaranteed loan under this subpart, the project must meet each criteria specified in §4280.113(a) through (f). In addition, the purchase of an existing RES that meets the criteria specified in §4280.113(b) through (f) is an eligible project under this section.

§ 4280.129 Guaranteed loan funding.

(a) The amount of the loan that will be made available to an eligible project under this subpart will not exceed 75 percent of Eligible Project Costs. Eligible Project Costs are specified in paragraph (e) of this section. Ineligible project costs are identified in paragraph (f) of this section.

(b) The minimum amount of a guaranteed loan made to a borrower will be $5,000, less any program grant amounts. The maximum amount of a guaranteed loan made to a borrower is $25 million.

(c) The percentage of guarantee, up to the maximum allowed by this section, will be negotiated between the lender and the Agency. The maximum percentage of guarantee is:

1. 85 percent for loans of $600,000 or less;
2. 80 percent for loans greater than $600,000 up to and including $5 million;
3. 70 percent for loans greater than $5 million up to and including $10 million; and
4. 60 percent for loans greater than $10 million.

(d) The total amount of the loans guaranteed under this subpart to one borrower, including the guaranteed and unguaranteed portion, the outstanding principal, and interest balance of any existing loans guaranteed under this program and the new loan request, must not exceed $25 million.

(e) Eligible Project Costs are only those costs associated with the items identified in §4280.114(c)(1) through (c)(6) and paragraphs (e)(1) through (6) of this section as long as the items identified in both sets of paragraphs are directly related to the RES or EEI. The Eligible Project Costs identified in paragraphs (e)(1) through (4) of this section cannot exceed more than 5 percent of the loan amount.

1. Working capital.
2. Land acquisition.
3. Routine lender fees, as described in §4279.120(a) of this chapter.
4. Energy Assessments, Energy Audits, technical reports, business plans, and Feasibility Studies completed and acceptable to the Agency, except if any portion was financed by any other Federal or State grant or payment assistance, including, but not limited to, a REAP Energy Assessment or Energy Audit, or REDA grant.
5. Building and equipment for an existing RES.
6. Refinancing outstanding debt when the original purpose of the debt being refinanced meets the eligible project requirements of §4280.128. Existing debt may be refinanced provided that:
   1. The project identified in the application meets the requirements of §4280.128;
   2. The debt being refinanced must be less than 50 percent of the overall loan;
   3. Refinancing is necessary to improve cash flow and viability of the project identified in the application;
(iv) At the time of application, the loan being refinanced has been current for at least the past 12 months (unless such status is achieved by the lender forgiving the borrower’s debt); and

(v) The lender is providing better rates or terms for the loan being refinanced.

(f) Ineligible project costs include, but are not limited to costs identified in §§ 4280.114(d)(1), (d)(2), (d)(4) through (d)(9), guaranteeing loans made by other Federal agencies, subordinated owner debt, and loans made with the proceeds of any obligation the interest on which is excludable from income under 26 U.S.C. 103 or a successor statute. Funds generated through the issuance of tax-exempt obligations may neither be used to purchase the guaranteed portion of any Agency guaranteed loan nor may an Agency guaranteed loan serve as collateral for a tax-exempt issue. The Agency may guarantee a loan for a project which involves tax-exempt financing only when the guaranteed loan funds are used to finance a part of the project that is separate and distinct from the part which is financed by the tax-exempt obligation, and the guaranteed loan has at least a parity security position with the tax-exempt obligation.

(g) In determining the amount of a loan awarded, the Agency will take into consideration the criteria specified in § 4280.114(e).

§ 4280.130 Loan processing.

(a) Processing RES and EEI guaranteed loans under this subpart must comply with the provisions found in §§ 4279.120 through 4279.187 of this chapter, except for those sections specified in paragraph (b) of this section, and as provided in §§ 4280.131 through 4280.142.

(b) The provisions found in §§ 4279.150, 4279.155, 4279.161, and 4279.175 of this chapter do not apply to loans guaranteed under this subpart.

§ 4280.131 Credit quality.

Except for § 4279.131(d) of this chapter, the credit quality provisions of § 4279.131 of this chapter apply to this subpart. Instead of complying with § 4279.131(d), borrowers must demonstrate evidence of cash equity injection in the project of not less than 25 percent of total Eligible Project Costs. Cash equity injection must be in the form of cash. For guaranteed loan-only requests, Federal grant funds may be counted as cash equity.

§ 4280.132 Financial statements.

All financial statements must be in accordance with § 4279.137 of this chapter except that, for Agricultural Producers, the borrower may provide financial information in the manner that is generally required by agricultural commercial lenders.

§ 4280.133 [Reserved]

§ 4280.134 Personal and corporate guarantees.

Except for Passive Investors, all personal and corporate guarantees must be in accordance with § 4279.149 of this chapter.

§ 4280.135 Scoring RES and EEI guaranteed loan-only applications.

(a) Evaluation criteria. The Agency will score each guaranteed loan-only application received using the evaluation criteria specified in § 4280.120, except that, in § 4280.120(b)(1), the calculation will be made on the loan amount requested and not on the grant amount requested.

(b) Minimum score. The Agency will establish a minimum score that guaranteed loan-only applications must meet in order to be considered for funding in periodic competitions, as specified in § 4280.139(a). The minimum score is 50 points, and may be adjusted through the publishing of a Notice in the Federal Register. Any application that does not meet the applicable minimum score is only eligible to compete in a National competition as specified in § 4280.139(c)(2).

(c) Notification. The Agency will notify in writing each lender and borrower whose application does not meet the applicable minimum score.

§ 4280.136 [Reserved]

§ 4280.137 Application and documentation.

The requirements in this section apply to guaranteed loan applications for RES and EEI projects under this subpart.
§ 4280.137

(a) General. Guaranteed loan applications must be submitted in accordance with the guaranteed loan requirements specified in § 4280.110 and in this section.

(b) Application content for guaranteed loans greater than $600,000. Each guaranteed loan-only application for greater than $600,000 must contain the information specified in paragraphs (b)(1) and (2) of this section.

(1) Application content. Each application submitted under this paragraph must contain the information specified in §§ 4280.117(a)(6) through (9) and (b) through (e) and as specified in paragraph (b)(2) of this section, and must present the information in the same order as shown in § 4280.117.

(2) Lender forms, certifications, and agreements. Each application submitted under paragraph (b) of this section must contain applicable forms, certifications, and agreements specified in paragraphs (b)(2)(i) through (xi) of this section instead of the forms and certifications specified in § 4280.117(a).

(i) A completed Form RD 4279–1, “Application for Loan Guarantee.”

(ii) Form RD 1940–20.

(iii) Identify the ethnicity, race, and gender of the applicant. This information is optional and is not required for a Complete Application.

(iv) A personal credit report from an Agency approved credit reporting company for each owner, partner, officer, director, key employee, and stockholder owning 20 percent or more interest in the borrower’s business operation, except Passive Investors and those corporations listed on a major stock exchange.

(v) Appraisals completed in accordance with § 4279.144 of this chapter. Completed appraisals should be submitted when the application is filed. If the appraisal has not been completed when the application is filed, the Lender must submit an estimated appraisal. Agency approval in the form of a Conditional Commitment may be issued subject to receipt of adequate appraisals. In all cases, a completed appraisal must be submitted prior to the loan being closed.

(vi) Commercial credit reports obtained by the lender on the borrower and any parent, affiliate, and subsidiary firms.

(vii) Current personal and corporate financial statements of any guarantors.

(viii) Financial information is required on the total operation of the Agricultural Producer/Rural Small Business and its parent, subsidiary, or affiliates. All information submitted under this paragraph must be substantiated by authoritative records.

(A) Historical financial statements. Provide historical financial statements, including income statements and balance sheets, according to the Annual Receipts time frames specified in paragraphs § 4280.117(b)(1)(A) through (C), as applicable to the length of time that Applicant’s Rural Small Business or agricultural operation has been in operation. Agricultural Producers may present historical financial information in the format that is generally required by commercial agriculture lenders.

(B) Current balance sheet and income statement. Provide a current balance sheet and income statement presented in accordance with GAAP and dated within 90 days of the application submittal. Agricultural Producers may present financial information in the format that is generally required by commercial agriculture lenders or in a similar format used when submitting the same information in support of the borrower’s Federal income tax returns.

(C) Pro forma financial statements. Provide pro forma balance sheet at start-up of the borrower’s business operation that reflects the use of the loan proceeds or grant award; 3 additional years of financial statements, indicating the necessary start-up capital, operating capital, and short-term credit; and projected cash flow and income statements for 3 years supported by a list of assumptions showing the basis for the projections.

(ix) Lender’s complete comprehensive written analysis in accordance with § 4280.131.

(x) A certification by the lender that the borrower is eligible, the loan is for authorized purposes, and there is reasonable assurance of repayment ability.
based on the borrower's history, projections, equity, and the collateral to be obtained.

(xi) A proposed loan agreement or a sample loan agreement with an attached list of the proposed loan agreement provisions. The following requirements must be addressed in the proposed or sample loan agreement:

A) Prohibition against assuming liabilities or obligations of others;
B) Restriction on dividend payments;
C) Limitation on the purchase or sale of equipment and fixed assets;
D) Limitation on compensation of officers and owners;
E) Minimum working capital or current ratio requirement;
F) Maximum debt-to-net worth ratio;
G) Restrictions concerning consolidations, mergers, or other circumstances;
H) Limitations on selling the business without the concurrence of the lender;
I) Repayment and amortization provisions of the loan;
J) List of collateral and lien priority for the loan, including a list of persons and corporations guaranteeing the loan with a schedule for providing the lender with personal and corporate financial statements. Financial statements for corporate and personal guarantors must be updated at least annually once the guarantee is provided;
K) Type and frequency of financial statements to be required from the borrower for the duration of the loan;
L) The addition of any requirements imposed by the Agency in its Conditional Commitment;
M) A reserved section for any Agency environmental requirements; and
N) A provision for the lender or the Agency to have reasonable access to the project and its performance information during its useful life or the term of the loan, whichever is longer, including the periodic inspection of the project by a representative of the lender or the Agency.

(c) Application content for guaranteed loans of $600,000 or Less. Each guaranteed loan-only application for $600,000 or less must contain the information specified in paragraphs (c)(1) and (2) of this section.

1) Application contents. If the application is for less than $200,000, but more than $80,000, the application must contain the information specified in §4280.118(b), except as specified in paragraph (c)(2) of this section (e.g., the grant forms under §4280.117(a) are not required to be submitted), and must present the information in the same order as shown in §4280.118(b). If the application is for $200,000 and greater, the application must contain the information specified in §4280.117, except as specified in paragraph (c)(2) of this section, and must present the information in the same order as shown in §4280.117.

2) Lender forms, certifications, and agreements. Each application submitted under paragraph (c)(1) of this section must use Form RD 4279–1A, “Application for Loan Guarantee, Short Form,” and the forms and certifications specified in paragraphs (b)(2)(ii), (iii) (if not previously submitted), (v), (viii), (ix), (x), and (xi) of this section. The lender must have the documentation contained in paragraphs (b)(2)(iv), (vi), and (vii) available in its files for the Agency’s review.

§4280.138 Evaluation of RES and EEI guaranteed loan applications.

The provisions of §4279.165 of this chapter apply to this subpart, although the Agency will determine borrower and project eligibility in accordance with the provisions of this subpart.

§4280.139 Selecting RES and EEI guaranteed loan-only applications for award.

Complete and eligible guaranteed loan-only applications that are ready to be approved will be processed according to this section, unless otherwise modified by the Agency in a notice published in the Federal Register. Guaranteed loan applications that are part of a grant-guaranteed loan combination request will be processed according to §4280.135.

(a) Competing applications. On a periodic basis, the Agency will compete each eligible application that is ready to be funded and that has a priority score, as determined under §4280.135, that meets or exceeds the applicable
minimum score. Higher scoring applications will receive first consideration. An application that does not meet the minimum score will be competed as provided in paragraph (c)(2) of this section.

(b) **Funding selected applications.** As applications are funded, the remaining guaranteed funding authority may be insufficient to fund the next highest scoring application or applications in those cases where two or more applications receive the same priority score. The procedures described in paragraphs (b)(1) and (2) of this section may be repeated as necessary in order to consider all applications as appropriate.

(1) If the remaining funds are insufficient to fund the next highest scoring project completely, the Agency will notify the lender and offer the lender the opportunity to accept the level of funds available. If the lender does not accept the offer, the Agency will process the next highest scoring application.

(2) If the remaining funds are insufficient to fund each project that receives the same priority score, the Agency will notify each lender and offer the lenders the opportunity to accept the level of funds available and the level of funds the Agency offers to each such lender will be proportional to the amount of the lenders' requests. If funds are still remaining, the Agency may consider funding the next highest scoring project.

(3) Any lender offered less than the full amount requested under either paragraph (b)(1) or (2) of this section may either accept the funds available or can request to compete in the next competition. Under no circumstances would there be an assurance that the project(s) would be funded in subsequent competitions.

(4) If a lender agrees to the lower loan funding offered by the Agency under either paragraph (b)(1) or (2) of this section, the lender must certify that the purpose(s) of the project can still be met at the lower funding level and must provide documentation that the borrower has obtained the remaining total funds needed to complete the project.

(c) **Handling of ranked applications not funded.** How the Agency disposes of ranked applications that have not received funding depends on whether the application's priority score is equal to or greater than the minimum score or is less than the minimum score.

(1) An application with a priority score equal to or greater than the minimum score that is not funded in a periodic competition will be retained by the Agency for consideration in subsequent competitions. If an application is not selected for funding after 12 months, including the first month in which the application was competed, the application will be withdrawn by the Agency from further funding consideration.

(2) An application with a priority score less than the applicable minimum priority score will be competed against all other guaranteed loan-only applications in a National competition on the first business day of September of the Federal Fiscal Year in which the application is ready for funding. If the application is not funded, the application will be withdrawn by the Agency from further funding consideration.

(d) **Unused funding.** After each periodic competition, the Agency will roll any remaining guaranteed funding authority into the next competition. At the end of each Federal Fiscal Year, the Agency may elect at its discretion to allow any remaining multi-year funds to be carried over to the next Federal Fiscal Year rather than selecting a lower scoring application.

(e) **Commencement of the project.** The Applicant assumes all risks if the choice is made to purchase the technology proposed or start construction of the project to be financed in the guaranteed loan-only application after the Complete Application has been received by the Agency, but prior to award announcement.

§ 4280.140 [Reserved]

§ 4280.141 Changes in borrower.

All changes in borrowers must be in accordance with § 4279.180 of this chapter, but the eligibility requirements of this subpart apply.

§ 4280.142 Conditions precedent to issuance of loan note guarantee.

The provisions of § 4279.181 of this chapter apply except for § 4279.181(b). In
addition, paragraphs (a) and (b) of this section must be met.

(a) The project has been performing at a steady state operating level in accordance with the technical requirements, plans, and specifications, conforms with applicable Federal, State, and local codes, and costs have not exceeded the amount approved by the lender and the Agency.

(b) Where applicable, the lender must provide to the Agency a copy of the executed Power Purchase Agreement.

§ 4280.143 Requirements after project construction.

Once the project has been constructed, the lender must provide the Agency reports from the borrower in accordance with § 4280.123(j)(3), as applicable.

§ 4280.144–4280.151 [Reserved]

§ 4280.152 Servicing guaranteed loans.

Except as specified in paragraphs (a) and (b) of this section, all loans guaranteed under this subpart must be in compliance with the provisions found in § 4267.101(b) and in §§ 4267.107 through 4267.109 of this chapter.

(a) Documentation of request. In complying with § 4267.134(a) of this chapter, all transfers and assumptions must be to eligible borrowers in accordance with § 4280.127.

(b) Additional loan funds. In complying with § 4267.134(e) of this chapter, loans to provide additional funds in connection with a transfer and assumption must be considered as a new loan application under § 4280.137.

§§ 4280.153–4280.164 [Reserved]

COMBINED FUNDING FOR RENEWABLE ENERGY SYSTEMS AND ENERGY EFFICIENCY IMPROVEMENTS

§ 4280.165 Combined grant and guaranteed loan funding requirements.

The requirements for a RES or EEI project for which an Applicant is seeking a combined grant and guaranteed loan are specified in this section.

(a) Eligibility. All Applicants must be eligible under the requirements specified in § 4280.112. If the Applicant is seeking a loan, the Applicant must also meet the Applicant eligibility requirements specified in § 4280.112. If the Applicant is seeking a loan, the Applicant must also meet the borrower eligibility requirements specified in § 4280.127. Projects must meet the project eligibility requirements specified in §§ 4280.113 and 4280.128, as applicable.

(b) Funding. Funding provided under this section is subject to the limits described in paragraphs (b)(1) and (2) of this section.

(1) The amount of any combined grant and guaranteed loan shall not exceed 75 percent of Eligible Project Costs and the grant portion shall not exceed 25 percent of Eligible Project Costs. For purposes of combined funding requests, Eligible Project Costs are based on the total costs associated with those items specified in §§ 4280.114(c) and 4280.129(e). The Applicant must provide the remaining total funds needed to complete the project.

(2) The minimum combined funding request allowed is $5,000, with the grant portion of the funding request being at least $1,500 for EEI projects and at least $2,500 for RES projects.

(c) Application and documentation. When applying for combined funding, the Applicant must submit separate applications for both types of assistance (grant and guaranteed loan). The separate applications must be submitted simultaneously by the lender.

(1) Each application must meet the requirements, including the requisite forms and certifications, specified in §§ 4280.117, 4280.118, 4280.119, and 4280.137, as applicable, and as follows:

(i) Notwithstanding Form RD 4279–1, the SAM number and its expiration date must be provided prior to obligation of funds;

(ii) A combined funding request for a guaranteed loan greater than $600,000 must contain the information specified in § 4280.137(b)(1); and

(iii) A combined funding request for a guaranteed loan of $600,000 or less must contain the information specified in § 4280.137(c)(1) and (2).

(2) Where both the grant application and the guaranteed loan application provisions request the same documentation, form, or certification, such documentation, form, or certification may be submitted once; that is, the
combined application does not need to contain duplicate documentation, forms, and certifications.

(d) Evaluation. The Agency will evaluate each application according to §4280.115(c). The Agency will select applications according to applicable procedures specified in §4280.121(a) unless modified by this section. A combination loan and grant request will be selected based upon the grant score of the project.

(e) Interest rate and terms of loan. The interest rate and terms of the guaranteed loan for the loan portion of the combined funding request will be determined based on the procedures specified in §§4279.125 and 4279.126 of this chapter for guaranteed loans.

(f) Other provisions. In addition to the requirements specified in paragraphs (a) through (e) of this section, the combined funding request is subject to the other requirements specified in this subpart, including, but not limited to, processing and servicing requirements, as applicable, as described in paragraphs (f)(1) through (6) of this section.

(1) All other provisions of §§4280.101 through 4280.111 apply to the combined funding request.

(2) All other provisions of §§4280.112 through 4280.123 apply to the grant portion of the combined funding request and §4280.124 applies if the project for which the grant is sought has a Total Project Cost of $200,000 and greater.

(3) All other provisions of §§4280.125 through 4280.152, as applicable, apply to the guaranteed loan portion of the combined funding request.

(4) All guarantee loan and grant combination applications that are ranked, but not funded, will be processed in accordance with provisions found in §4280.121(d), (e), and (f).

(5) Applicants whose combination applications are approved for funding must utilize both the loan and the grant. The guaranteed loan will be closed prior to grant funds being disbursed. The Agency reserves the right to reduce the total loan guarantee and grant award, as appropriate, if construction costs are less than projected or if funding sources differ from those provided in the application.

(6) Compliance reviews will be conducted on a combined grant and guaranteed loan request. The compliance review will encompass the entire operation, program, or activity to be funded with Agency assistance.

§§4280.166–4280.185 [Reserved]

ENERGY AUDIT AND RENEWABLE ENERGY DEVELOPMENT ASSISTANCE (REDA) GRANTS

§ 4280.186 Applicant eligibility.

To be eligible for an Energy Audit grant or a REDA grant under this subpart, the Applicant must meet each of the criteria, as applicable, specified in paragraphs (a) through (d) of this section. The Agency will determine an Applicant’s eligibility.

(a) The Applicant must be one of the following:

(1) A unit of State, Tribal, or local government;

(2) A land-grant college or university, or other Institution of Higher Education;

(3) A rural electric cooperative;

(4) A Public Power Entity;

(5) An Instrumentality of a State, Tribal, or local government; or

(6) A Council.

(b) The Applicant must have sufficient capacity to perform the Energy Audit or REDA activities proposed in the application to ensure success. The Agency will make this assessment based on the information provided in the application.

(c) The Applicant must have the legal authority necessary to apply for and carry out the purpose of the grant.

(d) The Applicant must:

(1) Be registered in the SAM prior to submitting an application;

(2) Maintain an active SAM registration with current information at all times during which it has an active Federal award or an application under consideration by the Agency; and

(3) Provide its DUNS number in each application it submits to the Agency. Generally, the DUNS number in each application is included on Standard Form–421.

§ 4280.187 Project eligibility.

To be eligible for an Energy Audit or a REDA grant, the grant funds for a project must be used by the grantee to assist Agricultural Producers or Rural Small Businesses in one or both of the
purposes specified in paragraphs (a) and (b) of this section, and must also comply with paragraphs (c) through (f) of this section.

(a) Conducting and promoting Energy Audits.
(b) Conducting and promoting REDA by providing to Agricultural Producers and Rural Small Businesses recommendations and information on how to improve the energy efficiency of their operations and to use Renewable Energy technologies and resources in their operations.
(c) Energy Audit and REDA can be provided only to a project located in a Rural Area unless the grantee of such project is an Agricultural Producer. If the project is owned by an Agricultural Producer, the project for which such services are being provided may be located in either a Rural or non-Rural Area. If the Agricultural Producer’s project is in a non-Rural Area, then the Energy Audit or REDA can only be for an EEI or RES on components that are directly related to and their use and purpose is limited to the Agricultural Producer’s project, such as vertically integrated operations, that are part of and co-located with the agricultural production operation.
(d) The Energy Audit or REDA must be provided to a recipient in a State.
(e) The Applicant must have a place of business in a State.
(f) The Applicant is cautioned against taking any actions or incurring any obligations prior to the Agency completing the environmental review that would either limit the range of alternatives to be considered or that would have an adverse effect on the environment, such as the initiation of construction. If the Applicant takes any such actions or incurs any such obligations, it could result in project ineligibility.

§ 4280.188 Grant funding for Energy Audit and Renewable Energy Development Assistance.

(a) Maximum grant amount. The maximum aggregate amount of Energy Audit and REDA grants awarded to any one recipient under this subpart cannot exceed $100,000 in a Federal Fiscal Year. Grant funds awarded for Energy Audit and REDA projects may be used only to pay Eligible Project Costs, as described in paragraph (b) of this section. Ineligible project costs are listed in paragraph (c) of this section.
(b) Eligible project costs. Eligible Project Costs for Energy Audits and Renewable Energy Development Assistance are those costs incurred after the date a Complete Application has been received by the Agency and that are directly related to conducting and promoting Energy Audits and REDA, which include but are not limited to:
(1) Salaries;
(2) Travel expenses;
(3) Office supplies (e.g., paper, pens, file folders); and
(4) Expenses charged as a direct cost or as an indirect cost of up to a maximum of 5 percent for administering the grant.
(c) Ineligible project costs. Ineligible project costs for Energy Audit and REDA grants include, but are not limited to:
(1) Payment for any construction-related activities;
(2) Purchase or lease of equipment;
(3) Payment of any judgment or debt owed to the United States;
(4) Any goods or services provided by a person or entity who has a conflict of interest as provided in § 4280.106;
(5) Any costs of preparing the application package for funding under this subpart; and
(6) Funding of political or lobbying activities.
(d) Energy audits. A grantee that conducts an Energy Audit must require that, as a condition of providing the Energy Audit, the Agricultural Producer or Rural Small Business pay at least 25 percent of the cost of the Energy Audit. Further, the amount paid by the Agricultural Producer or Rural Small Business will be retained by the grantee as a contribution towards the cost of the Energy Audit and considered program income. The grantee may use the program income to further the objectives of their project or Energy Audit services offered during the grant period in accordance with Departmental Regulations.
§ 4280.189 Energy Audit and REDA grant applications—content.

(a) Unless otherwise specified in a Federal Register notice, Applicants may only submit one Energy Audit grant application and one REDA grant application each Federal Fiscal Year. No combination (Energy Audit and REDA) applications will be accepted.

(b) Applicants must submit Complete Applications consisting of the elements specified in paragraphs (b)(1) through (7) of this section, except that paragraph (b)(4), is optional.

(1) Form SF–424.
(2) Form SF–424A.
(3) Form SF–424B.
(4) Identify the ethnicity, race, and gender of the applicant. This information is optional and is not required for a Complete Application.
(5) Certification that the Applicant is a legal entity in good standing (as applicable), and operating in accordance with the laws of the State(s) or Tribe where the Applicant has a place of business.
(6) The Applicant must identify whether or not the Applicant has a known relationship or association with an Agency employee. If there is a known relationship, the Applicant must identify each Agency employee with whom the Applicant has a known relationship.
(7) A proposed scope of work to include the following items:
   (i) A brief summary including a project title describing the proposed project;
   (ii) Goals of the proposed project;
   (iii) Geographic scope or service area of the proposed project and the method and rationale used to select the service area;
   (iv) Identification of the specific needs for the service area and the target audience to be served. The number of Agricultural Producers and/or Rural Small Businesses to be served must be identified including name and contact information, if available, as well as the method and rationale used to select the Agricultural Producers and/or Rural Small Businesses;
   (v) Timeline describing the proposed tasks to be accomplished and the schedule for implementation of each task. Include whether organizational staff, consultants, or contractors will be used to perform each task. If a project is located in multiple States, resources must be sufficient to complete all projects;
   (vi) Marketing strategies to include a discussion on how the Applicant will be marketing and providing outreach activities to the proposed service area ensuring that Agricultural Producers and/or Rural Small Businesses are served;
   (vii) Applicant’s experience as follows:
      (A) If applying for a REDA grant, the Applicant’s experience in completing similar REDA activities, including the number of similar projects the Applicant has performed and the number of years the Applicant has been performing a similar service.
      (B) If applying for an Energy Audit grant, the number of energy audits and energy assessments the Applicant has completed and the number of years the Applicant has been performing those services;
      (C) For all Applicants, the amount of experience in administering Energy Audit, REDA, or similar activities as applicable to the purpose of the proposed project. Provide discussion if the Applicant has any existing programs that can demonstrate the achievement of energy savings or energy generation with the Agricultural Producers and/or Rural Small Businesses the Applicant has served. If the Applicant has received one or more awards within the last 5 years in recognition of its Renewable Energy, energy savings, or energy-based technical assistance, please describe the achievement; and
   (viii) Identify the amount of Matching Funds and other funds and the source(s) the Applicant is proposing to use for the project. Provide written commitments for Matching Funds and other funds at the time the application is submitted.

(A) If financial resources come from the Applicant, the Applicant must submit documentation in the form of a bank statement that demonstrates availability of funds.
(B) If a third party is providing financial assistance to the project, the Applicant must submit a commitment letter signed by an authorized official of the third party. The letter must be specific to the project and identify the dollar amount being provided.

§ 4280.191 Evaluation of Energy Audit and REDA grant applications.

Section 4280.115(c) applies to Energy Audit and REDA grants, except for § 4280.115(c)(4).

§ 4280.192 Scoring Energy Audit and REDA grant applications.

The Agency will score each Energy Audit and REDA application using the criteria specified in paragraphs (a) through (f) of this section, with a maximum score of 100 points possible.

(a) Applicant’s organizational experience in completing the Energy Audit or REDA proposed activity. A maximum of 25 points will be awarded for this criterion based on the experience of the organization in providing energy audits or renewable energy development assistance as applicable to the purpose of the proposed project. The organization must have been in business and provided services for the number of years as identified in the paragraphs below.

(1) More than 10 years of experience, 25 points will be awarded.
(2) At least 5 years and up to and including 10 years of experience, 20 points will be awarded.
(3) At least 2 years and up to and including 5 years of experience, 10 points will be awarded.
(4) Less than 2 years of experience, no points will be awarded.

(b) Geographic scope of project in relation to identified need. A maximum of 20 points can be awarded.

(1) If the Applicant’s proposed or existing service area is State-wide or includes all or parts of multiple States, and the scope of work has identified needs throughout that service area, 20 points will be awarded.
(2) If the Applicant’s proposed or existing service area consists of multiple counties in a single State and the scope of work has identified needs throughout that service area, 15 points will be awarded.

(3) If the Applicant’s service area consists of a single county or municipality and the scope of work has identified needs throughout that service area, 10 points will be awarded.

(c) Number of Agricultural Producers/ Rural Small Businesses to be served. A maximum of 20 points will be awarded for this criterion based on the proposed number of ultimate recipients to be assisted and if the Applicant has provided the names and contact information for the ultimate recipients to be assisted.

(1) If the Applicant plans to provide Energy Audits or REDA to:
(i) Up to 10 ultimate recipients, 2 points will be awarded.
(ii) Between 11 and up to and including 25 ultimate recipients, 5 points will be awarded.
(iii) More than 25 ultimate recipients, 10 points will be awarded.

(2) If the Applicant provides a list of ultimate recipients, including their name and contact information, that are ready to be assisted, an additional 10 points may be awarded.

(d) Potential of project to produce energy savings or generation and its attending environmental benefits. A maximum of 10 points will be awarded for this criterion under both paragraphs (d)(1) and (2) of this section.

(1) If the Applicant has an existing program that can demonstrate the achievement of energy savings or energy generation with the Agricultural Producers and/or Rural Small Businesses it has served, 5 points will be awarded.

(2) If the Applicant provides evidence that it has received one or more awards within the last 5 years in recognition of its renewable energy, energy savings, or energy-based technical assistance, up to a maximum of 5 points will be awarded as follows:
(i) International/national—3 points for each.
(ii) Regional/State—2 points for each.
(iii) Local—1 point for each.

(e) Marketing and outreach plan. A maximum of 5 points will be awarded for this criterion. If the scope of work included in the application provides a satisfactory discussion of each of the following criteria, one point for each can be awarded.

(1) The goals of the project;
(2) Identified need;
(3) Targeted ultimate recipients;
(4) Timeline and action plan; and
(5) Marketing and outreach strategies and supporting data for strategies.
(f) Commitment of funds for the total project cost. A maximum of 20 points will be awarded for this criterion if written documentation from each source providing Matching Funds and other funds are submitted with the application.
(1) If the Applicant proposes to match 50 percent or more of the grant funds requested, 20 points will be awarded.
(2) If the Applicant proposes to match 20 percent or more but less than 50 percent of the grant funds requested, 15 points will be awarded.
(3) If the Applicant proposes to match 5 percent or more but less than 20 percent of the grant funds requested, 10 points will be awarded.
(4) If the Applicant proposes to match less than 5 percent of the grant funds requested, no points will be awarded.

§ 4280.193 Selecting Energy Audit and REDA grant applications for award.

Unless otherwise provided for in a Federal Register notice, Energy Audit and REDA grant applications will be processed in accordance with this section.
(a) Application competition. Complete Energy Audit and REDA applications received by the Agency by 4:30 p.m. local time on January 31 will be competed against each other. If January 31 falls on a weekend or a federally-observed holiday, the next Federal business day will be considered the last day for receipt of a Complete Application. Complete Applications received after 4:30 p.m. local time on January 31, regardless of the postmark on the application, will be processed in the subsequent fiscal year. Unless otherwise specified in a Federal Register notice, the two highest scoring applications from each State, based on the scoring criteria established under §4280.192, will compete for funding.
(b) Ranking of applications. All applications submitted to the National Office under paragraph (a) of this section will be ranked in priority score order. All applications that are ranked will be considered for selection for funding.
(c) Selection of applications for funding. Using the ranking created under paragraph (a) of this section, the Agency will consider the score an application has received compared to the scores of other ranked applications, with higher scoring applications receiving first consideration for funding. If two or more applications score the same and if remaining funds are insufficient to fund each such application, the Agency will distribute the remaining funds to each such application on a pro-rata basis. At its discretion, the Agency may also elect to allow any remaining multi-year funds to be carried over to the next fiscal year rather than funding on a pro-rata basis.
(d) Handling of ranked applications not funded. Based on the availability of funding, a ranked application submitted for Energy Audit and/or REDA funds may not be funded. Such ranked applications will not be carried forward into the next Federal Fiscal Year’s competition.

§ 4280.195 Awarding and administering Energy Audit and REDA grants.
The Agency will award and administer Energy Audit and REDA grants in accordance with Departmental Regulations and with the procedures and requirements specified in §4280.122, except as specified in paragraphs (a) through (c) of this section.
(a) Instead of complying with §4280.122(b), the grantee must provide satisfactory evidence to the Agency that all officers of grantee organization authorized to receive and/or disburse Federal funds are covered by such bonding and/or insurance requirements as are normally required by the grantee.
(b) Form RD 400–1 specified in §4280.122(c)(6) is not required.
(c) The Power Purchase Agreement specified in §4280.122(h) is not required.?

§ 4280.196 Servicing Energy Audit and REDA grants.
The Agency will service Energy Audit and REDA grants in accordance
with the requirements specified in Departmental Regulations, the Grant Agreement, 7 CFR part 1951, subparts E and O, other than 7 CFR 1951.709(d)(1)(i)(B)(iv), and the requirements in §4280.123, except as specified in paragraphs (a) through (d) of this section.

(a) Grant disbursement. The Agency will determine, based on the applicable Departmental Regulations, whether disbursement of a grant will be by advance or reimbursement. Form SF–270 must be completed by the grantee and submitted to the Agency no more often than monthly to request either advance or reimbursement of funds.

(b) Semiannual performance reports. Project performance reports shall include, but not be limited to, the following:

(1) A comparison of actual accomplishments to the objectives established for that period (e.g., the number of Energy Audits performed, number of recipients assisted and the type of assistance provided for REDA);

(2) A list of recipients, each recipient’s location, and each recipient’s NAICS code;

(3) Problems, delays, or adverse conditions, if any, that have in the past or will in the future affect attainment of overall project objectives, prevent meeting time schedules or objectives, or preclude the attainment of particular project work elements during established time periods. This disclosure shall be accompanied by a statement of the action taken or planned to resolve the situation;

(4) Objectives and timetable established for the next reporting period.

(c) Final performance report. A final performance report will be required with the final Federal financial report within 90 days after project completion. The final performance report must contain the information specified in paragraphs (c)(2)(i) or (ii), as applicable, of this section.

(1) For Energy Audit projects, the final performance report must provide complete information regarding:

(i) The number of audits conducted,

(ii) A list of recipients (Agricultural Producers and Rural Small Businesses) with each recipient’s NAICS code,

(iii) The location of each recipient,

(iv) The cost of each audit and documentation showing that the recipient of the Energy Audit provided 25 percent of the cost of the audit, and

(v) The expected energy saved for each audit conducted if the audit is implemented.

(2) For REDA projects, the final performance report must provide complete information regarding:

(i) The number of recipients assisted and the type of assistance provided,

(ii) A list of recipients with each recipient’s NAICS code,

(iii) The location of each recipient, and

(iv) The expected Renewable Energy that would be generated if the projects were implemented.

(d) Outcome project performance report. One year after submittal of the final performance report, the grantee will provide the Agency a final status report on the number of projects that are proceeding with the grantee’s recommendations, including the amount of energy saved and the amount of Renewable Energy generated, as applicable.

sect;§ 4280.197–4280.199 [Reserved]

§ 4280.200 OMB control number.

The information collection requirements contained in this subpart have been approved by the Office of Management and Budget (OMB) and have been assigned OMB control number 0570–0067. A person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

APPENDIX A TO SUBPART B OF PART 4280—TECHNICAL REPORTS FOR ENERGY EFFICIENCY IMPROVEMENT (EEI) PROJECTS

For all EEI projects with Total Project Costs of more than $80,000, provide the information specified in Sections A and D and in Section B or Section C, as applicable. If the application is for an EEI project with Total Project Costs of $80,000 or less, please see §4280.119(b)(3) for the technical report information to be submitted with your application.

If the application is for an EEI project with Total Project Costs of $200,000 and greater, you must conduct an Energy Audit. However, if the application is for an EEI project with a Total Project Costs of less
than $200,000, you may conduct either an Energy Assessment or an Energy Audit.

Section A—Project Information. Describe how all the improvements to or replacement of an existing building and/or equipment meet the requirements of being Commercially Available. Describe how the design, engineering, testing, and monitoring are sufficient to demonstrate that the proposed project will meet its intended purpose, ensure public safety, and comply with applicable laws, regulations, agreements, permits, codes, and standards. Describe how all equipment required for the KE(s) is available and able to be procured and delivered within the proposed project development schedule. In addition, provide present information regarding component warranties and the availability of spare parts.

Section B—Energy audit. If conducting an EA, provide the following information.

(1) Situation report. Provide a narrative description of the existing building and/or equipment, its energy system(s) and usage, and activity profile. Also include average price per unit of energy (electricity, natural gas, propane, fuel oil, renewable energy, etc.) paid by the customer for the most recent 12 months, or an average of 2, 3, 4, or 5 years, for the building and equipment being audited. Any energy conversion should be based on use rather than source.

(2) Potential improvement description. Provide a narrative summary of the potential improvement and its ability to reduce energy consumption or improve energy efficiency. Any energy conversion shall be based on use rather than source.

(i) For the most recent 12 months, or an average of 2, 3, 4, or 5 years, prior to the date the application is submitted, provide both the total amount and the total cost of energy used for the original building and/or equipment, as applicable, for each improvement identified in the potential project. In addition, provide for each improvement identified in the potential project an estimate of the total amount of energy that would have been incurred if the proposed project were in operation for this same time period.

(ii) Calculate all direct and attendant indirect costs of each improvement;

(iii) Bank potential improvements measures by cost-effectiveness; and

(iv) Provide an estimate of Simple Payback, including all calculations, documentation, and any assumptions.

(4) Qualifications of the auditor. Provide the qualifications of the individual or entity that completed the Energy Audit.

Section C—Energy Assessment. If conducting an Energy Assessment, provide the following information.

(1) Situation report. Provide a narrative description of the existing building and/or equipment, its energy system(s) and usage, and activity profile. Also include average price per unit of energy (electricity, natural gas, propane, fuel oil, renewable energy, etc.) paid by the customer for the most recent 12 months, or an average of 2, 3, 4, or 5 years, for the building and equipment being evaluated. Any energy conversion shall be based on use rather than source.

(2) Potential improvement description. Provide a narrative summary of the potential improvement and its ability to reduce energy consumption or improve energy efficiency.

(3) Technical analysis. Give consideration to the interactions among the potential improvements and the current energy system(s), provide the information specified in paragraphs C.(d)(1) through (ii) of this appendix.

(i) For the most recent 12 months, or an average of 2, 3, 4, or 5 years, prior to the date the application is submitted, provide both the total amount and the total cost of energy used for the original building and/or equipment, as applicable, for each improvement identified in the potential project. In addition, provide for each improvement identified in the potential project an estimate of the total amount of energy that would have been incurred if the proposed project were in operation for this same time period.

(ii) Document baseline data compared to projected consumption, together with any explanatory notes on source of the projected consumption data. When appropriate, show before-and-after data in terms of consumption per unit of production, time, or area.

(iii) Provide an estimate of Simple Payback, including all calculations, documentation, and any assumptions.

(4) Qualifications of the assessor. Provide the qualifications of the individual or entity that completed the assessment. If the Energy Assessment for a project with Total Project Costs of $80,000 or less is not conducted by Energy Auditor or Energy Assessor, then the individual or entity must have at least 3 years of experience and completed at least five Energy Assessments or Energy Audits on similar type projects.
Section D—Qualifications. Provide a resume or other evidence of the contractor or installer's qualifications and experience with the proposed EEI technology. Any contractor or installer with less than 2 years of experience may be required to provide additional information in order for the Agency to determine if they are qualified installer/contractor.

APPENDIX B TO SUBPART B OF PART 4280—TECHNICAL REPORTS FOR RENEWABLE ENERGY SYSTEM (RES) PROJECTS WITH TOTAL PROJECT COSTS OF LESS THAN $200,000, BUT MORE THAN $80,000

Provide the information specified in Sections A through D for each technical report prepared under this appendix. A Renewable Energy Site Assessment may be used in lieu of Sections A through C if the Renewable Energy Site Assessment contains the information requested in Sections A through C. In such instances, the technical report would consist of Section D and the Renewable Energy Site Assessment.

NOTE: If the Total Project Cost for the RES project is $80,000 or less, this appendix does not apply. Instead, for such projects, please provide the information specified in §4280.119(b)(4).

Section A—Project Description. Provide a description of the project, including its intended purpose and a summary of how the project will be constructed and installed. Describe how the system meets the definition of Commercially Available. Identify the project's location and describe the project site.

Section B—Resource Assessment. Describe the quality and availability of the renewable resource to the project. Identify the amount of Renewable Energy generated that will be generated once the proposed project is operating at its steady state operating level. If applicable, also identify the percentage of energy being replaced by the system.

If the application is for a Bioenergy Project, provide documentation that demonstrates that any and all woody biomass feedstock from National Forest System land or public lands cannot be used as a higher feedstock from National Forest System land and other evidence of the contractor or installer's qualifications and experience with the proposed EEI technology. Any contractor or installer with less than 2 years of experience may be required to provide additional information in order for the Agency to determine if they are qualified installer/contractor.

Section C—Project Economic Assessment. Describe the projected financial performance of the proposed project. The description must address Total Project Costs, energy savings, and revenues, including applicable investment and other production incentives accruing from Government entities. Revenues to be considered shall accrue from the sale of energy, offset or savings in energy costs, and byproducts. Provide an estimate of Simple Payback, including all calculations, documentation, and any assumptions.

Section D—Project Construction and Equipment Information. Describe how the design, engineering, testing, and monitoring are sufficient to demonstrate that the proposed project will meet its intended purpose, ensure public safety, and comply with applicable laws, regulations, agreements, permits, codes, and standards. Describe how all equipment required for the RES is available and able to be procured and delivered within the proposed project development schedule. In addition, present information regarding component warranties and the availability of spare parts.

Section E—Qualifications of Key Service Providers. Describe the key service providers, including the number of similar systems installed and/or manufactured, professional credentials, licenses, and relevant experience. When specific numbers are not available for similar systems, estimations will be acceptable.

APPENDIX C TO SUBPART B OF PART 4280—TECHNICAL REPORTS FOR RENEWABLE ENERGY SYSTEM (RES) PROJECTS WITH TOTAL PROJECT COSTS OF $200,000 AND GREATER

Provide the information specified in Sections A through G for each technical report prepared under this appendix. Provide the resource assessment under Section C that is applicable to the project.

Section A—Qualifications of the Project Team. Describe the project team, their professional credentials, and relevant experience. The description shall support that the project team key service providers have the necessary professional credentials, licenses, certifications, and relevant experience to develop the proposed project.

Section B—Agreements and Permits. Describe the necessary agreements and permits (including any for local zoning requirements) required for the project and the anticipated schedule for securing those agreements and permits. For example, Interconnection Agreements and Power Purchase Agreements are necessary for all Renewable Energy projects electrically interconnected to the utility grid.7%

Section C—Resource Assessment. Describe the quality and availability of the renewable resource and the amount of Renewable Energy generated through the deployment of the proposed system. For all Bioenergy Projects, except Anaerobic Digester Projects, complete Section C.3 of this appendix. For Anaerobic Digester Projects, complete Section C.6 of this appendix.

1. Wind. Provide adequate and appropriate data to demonstrate the amount of renewable resource available. Indicate the source of the wind data and the conditions of the wind monitoring when collected at the site.
or assumptions made when applying nearby wind data to the site.

2. Solar. Provide adequate and appropriate data to demonstrate the amount of renewable resource available. Indicate the type, quantity, quality, and seasonality of the Renewable Biomass resource, including harvest and storage, where applicable. Where applicable, also indicate shipping or receiving method and required infrastructure for shipping. For proposed projects with an established resource, provide a summary of the resource. Document that any and all woody biomass feedstock from National Forest System land or public lands cannot be used as a higher value wood-based product.

4. Geothermal Electric Generation. Provide adequate and appropriate data to demonstrate the amount of renewable resource available. Indicate the quality of the geothermal resource, including temperature, flow, and sustainability and what conversion system is to be installed. Describe any special handling of cooled geothermal waters that may be necessary. Describe the process for determining the geothermal resource, including measurement setup for the collection of the geothermal resource data. For proposed projects with an established resource, provide a summary of the resource and the specifications of the measurement setup.

5. Geothermal Direct Generation. Provide adequate and appropriate data to demonstrate the amount of renewable resource available. Indicate the quality of the geothermal resource, including temperature, flow, and sustainability and what direct use system is to be installed. Describe any special handling of cooled geothermal waters that may be necessary. Describe the process for determining the geothermal resource, including measurement setup for the collection of the geothermal resource data. For proposed projects with an established resource, provide a summary of the resource and the specifications of the measurement setup.

6. Anaerobic Digester Project. Provide adequate and appropriate data to demonstrate the amount of renewable resource available. Indicate the substrates used as digester inputs, including animal wastes or other Renewable Biomass in terms of type, quantity, seasonality, and frequency of collection. Describe any special handling of feedstock that may be necessary. Describe the process for determining the feedstock resource. Provide either tabular values or laboratory analysis of representative samples that include biodegradability studies to produce gas production estimates for the project on daily, monthly, and seasonal basis.

7. Hydrogen Project. Provide adequate and appropriate data to demonstrate the amount of renewable resource available. Indicate the type, quantity, quality, and seasonality of the Renewable Biomass resource. For solar, wind, or geothermal sources of energy used to generate hydrogen, indicate the renewable resource where the hydrogen system is to be installed. Local resources may be acceptable as an interim source of renewable resource. For proposed projects with an established renewable resource, provide a summary of the resource.

8. Hydroelectric/Ocean Energy Projects. Provide adequate and appropriate data to demonstrate the amount of renewable resource available. Indicate the quality of the resource, including temperature (if applicable), flow, and sustainability of the resource, including a summary of the resource evaluation process and the specifications of the measurement setup and the date and duration of the evaluation process and proximity to the proposed site. If less than 1 year of data is used, a Qualified Consultant must provide a detailed analysis of the correlation between the site data and a nearby, long-term measurement site.

Section D—Design and Engineering. Describe the intended purpose of the project and the design, engineering, testing, and monitoring needed for the proposed project. The description shall support that the system will be designed, engineered, tested, and monitored so as to meet its intended purpose, ensure public safety, and comply with applicable laws, regulations, agreements, permits, codes, and standards. In addition, identify that all major equipment is Commercially Available, including proprietary equipment, and justify how this unique equipment is needed to meet the requirements of the proposed design. In addition, information regarding component warranties and the availability of spare parts must be presented.

Section E—Project Development. Describe the overall project development method, including the key project development activities and the proposed schedule, including proposed dates for each activity. The description shall identify each significant historical and projected activity, its beginning and end, and its relationship to the time needed to initiate and carry the activity through to successful project completion. The description shall address Applicant project development cash flow requirements. Details for equipment procurement and installation shall be addressed in Section F of this appendix.

Section F—Equipment Procurement and Installation. Describe the availability of the equipment required by the system. The description shall support that the required equipment is available and can be procured and delivered within the proposed project development schedule. Describe the plan for
site development and system installation, including any special equipment requirements. In all cases, the system or improvement shall be installed in conformance with manufacturer’s specifications and design requirements, and comply with applicable laws, regulations, agreements, permits, codes, and standards.

Section G—Operations and Maintenance. Describe the operations and maintenance requirements of the system, including major rebuilds and component replacements necessary for the system to operate as designed over its useful life. The warranty must cover and provide protection against both breakdown and a degradation of performance. The performance of the RES or EEI shall be monitored and recorded as appropriate to the specific technology.

Subpart C [Reserved]

Subpart D—Rural Microentrepreneur Assistance Program

SOURCE: 75 FR 30145, May 28, 2010, unless otherwise noted.

§ 4280.301 Purpose and scope.

(a) This subpart contains the provisions and procedures by which the Agency will administer the Rural Microenterprise Assistance Program (RMAP). The purpose of the program is to support the development and ongoing success of rural microentrepreneurs and microenterprises. To accomplish this purpose, the program will make direct loans, and provide grants to selected Microenterprise Development Organizations (MDOs). Selected MDOs will use the funds to:

(1) Provide microloans to rural microentrepreneurs and microenterprises;

(2) Provide business based training and technical assistance to rural microborrowers and potential microborrowers; and

(3) Perform other such activities as deemed appropriate by the Secretary to ensure the development and ongoing success of rural microenterprises.

(b) The Agency will make direct loans to microlenders, as defined in § 4280.302, for the purpose of providing fixed interest rate microloans to rural microentrepreneurs for startup and growing microenterprises. Eligible microlenders will also be automatically eligible to receive microlender technical assistance grants to provide technical assistance and training to microentrepreneurs that have received or are seeking a microloan under this program.

(c) To allow for extended opportunities for technical assistance and training, the Agency will make technical assistance-only grants to MDOs that have sources of funding other than program funds for making or facilitating microloans.

§ 4280.302 Definitions and abbreviations.

(a) General definitions. The following definitions apply to the terms used in this subpart.

Administrative expenses. Those expenses incurred by an MDO for the operation of services under this program.

Agency. USDA Rural Development, Rural Business-Cooperative Service or its successor organization.

Agency personnel. Individuals employed by the Agency.

Applicant. The legal entity, also referred to as a microenterprise development organization or MDO, submitting an application to participate in the program.

Application. The forms and documentation submitted by an MDO for acceptance into the program.

Award. The written documentation, executed by the Agency after the application is approved, containing the terms and conditions for provision of financial assistance to the applicant. Financial assistance may constitute a loan or a grant or both.

Business incubator. An organization that provides temporary premises at below market rates, technical assistance, advice, use of equipment, and may provide access to capital, or other facilities or services to rural microentrepreneurs and microenterprises starting or growing a business.

Close relative. Individuals who are closely related by blood, marriage, or adoption, or live within the same household: a spouse, domestic partner, parent, child, brother, sister, aunt,
Conflict of interest. A situation in which a person or entity has competing personal, professional, or financial interests that make it difficult for the person or business to act impartially. Regarding use of both grant and matching funds, Federal procurement standards prohibit transactions that involve a real or apparent conflict of interest for owners, employees, officers, agents, their immediate family members, partners, or an organization which is about to employ any of the parties indicated herein, having a financial or other interest in or a tangible personal benefit from the outcome of the project; or that restrict open and free competition for unrestrained trade. Specifically, project funds may not be used for services or goods going to, or coming from, a person or entity with a real or apparent conflict of interest, including, but not limited to, owner(s) and their immediate family members.

Default. The condition that exists when a borrower is not in compliance with the promissory note, the loan and/or grant agreement, or other related documents evidencing the loan.

Delinquency. Failure by an MDO to make a scheduled loan payment by the due date or within any grace period as stipulated in the promissory note and loan agreement.

Eligible project cost. The total cost of a microborrower's project for which a microloan is being sought from a microlender less any costs identified as ineligible in §4280.323.

Facilitation of access to capital. For purposes of this program, facilitation of access to capital means assisting a technical assistance client of the TA-only grantee in obtaining a microloan whether or not the microloan is wholly or partially capitalized by funds provided under this program.

Federal Fiscal year (FY). The 12-month period beginning October 1 of any given year and ending on September 30 of the following year.

Full-time equivalent employee (FTE). The Agency uses the Bureau of Labor Statistics definition of full-time jobs as its standard definition. For purposes of this program, a full-time job is a job that has at least 35 hours in a work week. As such, one full-time job with at least 35 hours in a work week equals one FTE; two part-time jobs with combined hours of at least 35 hours in a work week equals one FTE, and three seasonal jobs equals one FTE. If an FTE calculation results in a fraction, it should be rounded up to the next whole number.

Indian tribe. As defined in section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450b), “any Indian tribe, band, nation, or other organized group or community, including any Alaska Native village, or regional or village corporation as defined in or established pursuant to the Alaska Native Claims Settlement Act (85 Stat. 688) [43 U.S.C. 1601 et seq.], which is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians.”

Loan loss reserve fund (LLRF). An interest-bearing deposit account that each microlender must establish and maintain in an amount equal to not less than 5 percent of the total amount owed by the microlender under this program to the Agency to pay any shortage in the RMRF caused by delinquencies or losses on microloans.

Microborrower. A microentrepreneur or microenterprise that has received financial assistance from a microlender under this program in an amount of $50,000 or less.

Microenterprise. Microenterprise means:

(i) A sole proprietorship located in a rural area; or

(ii) A business entity, located in a rural area, with not more than 10 full-time-equivalent employees. Rural microenterprises are businesses employing 10 people or fewer that are in need of $50,000 or less in business capital and/or in need of business based technical assistance and training. Such businesses may include any type of legal business that meets local standards of decency. Business types may also include agricultural producers provided they meet the stipulations in this definition.

(iii) All microenterprises assisted under this regulation must be located in rural areas.
Microenterprise development organization (MDO). An organization that is a non-profit entity; an Indian tribe (the government of which tribe certifies that no MDO serves the tribe and no RMAP exists under the jurisdiction of the Indian tribe); or a public institution of higher education; and that, for the benefit of rural microentrepreneurs and microenterprises:

(i) Provides training and technical assistance and/or;
(ii) Makes microloans or facilitates access to capital or another related service; and/or
(iii) Has a demonstrated record of delivering, or an effective plan to develop a program to deliver, such services.

Microentrepreneur. An owner and operator, or prospective owner and operator, of a microenterprise who is unable to obtain sufficient training, technical assistance, or credit other than under this section, as determined by the Secretary. All microentrepreneurs assisted under this regulation must be located in rural areas.

Microlender. An MDO that has been approved by the Agency for participation under this subpart to make microloans and provide an integrated program of training and technical assistance to its microborrowers and prospective microborrowers.

Microloan. A business loan of not more than $50,000 with a fixed interest rate and a term not to exceed 10 years.

Military personnel. Individuals, regardless of rank or grade, currently in active United States military service with less than 6 months remaining in their active duty service requirement.

Nonprofit entity. An entity chartered as a nonprofit entity under State Law.

Program. The Rural Microentrepreneur Assistance Program (RMAP).

Rural microloan revolving fund (RMRF). An exclusive interest-bearing account on which the Agency will hold a first lien and from which microloans will be made; into which payments from microborrowers and reimbursements from the LLRF will be deposited; and from which payments will be made by the microlender to the Agency.

Rural or rural area. Any area of a State not in a city or town that has a population of more than 50,000 inhabitants, according to the most recent decennial Census of the United States (decennial Census), and the contiguous and adjacent urbanized area, and any area that has been determined to be “rural in character” by the Under Secretary for Rural Development, or as otherwise identified in this definition. In determining which census blocks in an urbanized area are not in a rural area, the Agency will exclude any cluster of census blocks that would otherwise be considered not in a Rural Area only because the cluster is adjacent to not more than two census blocks that are otherwise considered not in a rural area under this definition.

(i) For the purposes of this definition, cities and towns are incorporated population centers with definite boundaries, local self government, and legal powers set forth in a charter granted by the State.

(ii) For the Commonwealth of Puerto Rico, the island is considered rural and eligible for Business Programs assistance, except for the San Juan Census Designated Place (CDP) and any other CDP with greater than 50,000 inhabitants. CDPs with greater than 50,000 inhabitants, other than the San Juan CDP, may be determined to be eligible if they are “not urban in character.” Any such requests must be forwarded to the National Office, Business and Industry Division, with supporting documentation as to why the area is “not urban in character” for review, analysis, and decision by the Rural Development Under Secretary.

(iii) For the State of Hawaii, all areas within the State are considered rural and eligible for Business Programs assistance, except for the Honolulu CDP within the County of Honolulu.

(iv) For the purpose of defining a rural area in the Republic of Palau, the Federated States of Micronesia, and the Republic of the Marshall Islands, the Agency shall determine what constitutes rural and rural area based on available population data.

(v) On the petition of a unit of local government in an area described in paragraph (v)(A) or (B) of this definition, or on the initiative of the Under Secretary for Rural Development, the Under Secretary may determine that
part of an area described in paragraph (v)(A) or (B) of this definition, is a rural area for the purposes of this paragraph, if the Under Secretary finds that the part is "rural in character", as determined by the Under Secretary.

(A) An urbanized area that has two points on its boundary that are at least 40 miles apart, which is not contiguous or adjacent to a city or town that has a population of greater than 150,000 inhabitants or the urbanized area of such a city or town; or

(B) An urbanized area contiguous and adjacent to a city or town of greater than 50,000 population that is within one-quarter mile of a rural area.

State. Any of the 50 States of the United States, the Commonwealth of Puerto Rico, the District of Columbia, the U.S. Virgin Islands, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, the Republic of Palau, the Federated States of Micronesia, and the Republic of the Marshall Islands.

Technical assistance and training. The provision of education, guidance, or instruction to one or more rural microentrepreneurs to prepare them for self-employment; to improve the state of their existing rural microenterprises; to increase their capacity in a specific technical aspect of the subject business; and, to assist the rural microentrepreneurs in achieving a degree of business preparedness and/or functioning that will allow them to obtain, or have the ability to obtain, one or more business loans of $50,000 or less, whether or not from program funds.

Technical assistance grant. A grant, the funds of which are used to provide technical assistance and training, as defined in this section.

Abbreviations. The following abbreviations apply to the terms used in this subpart:

FTE—Full-time employee
LLRF—Loan loss reserve fund.
MDO—Microenterprise development organization.
RMAP—Rural microenterprise assistance program.
RMRF—Rural microloan revolving fund.
TA—Technical assistance.

Exception authority. The Administrator may make limited exceptions to the requirements or provisions of this subpart. Such exceptions must be in the best financial interest of the Federal government and may not conflict with applicable law. No exceptions may be made regarding applicant eligibility, project eligibility, or the rural area definition. In addition, exceptions may not be made:

(a) To accept an applicant into the program that would not normally be accepted under the eligibility or scoring criteria; or

(b) To fund an interested party that has not successfully competed for funding in accordance with the regulations.

Review or appeal rights and administrative concerns. Any questions or concerns regarding the administration of the program, including any action of the micro lender, may be addressed to: USDA Rural Development, Rural Business-Cooperative Service, Specialty Programs Division or its successor agency, or the local USDA Rural Development office.

Nondiscrimination and compliance with other Federal laws. Any entity receiving funds under this subpart must comply with other applicable Federal laws, including the Equal Employment Opportunities Act of 1972, the Americans with Disabilities Act, the Equal Credit Opportunity Act, the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, and 7 CFR part 1901, subpart E.

(b) The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual
orientation, genetic information, political beliefs, reprisal, or because all or part of an individual’s income is derived from any public assistance program. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA’s TARGET Center at (202) 720-2600 (voice and TDD). Any applicant that believes it has been discriminated against as a result of applying for funds under this program should contact USDA, Director, Office of Adjudication, 1400 Independence Avenue, S.W., Washington, DC 20250-9410, or call (866) 632-9992 (toll free) or (202) 401-0216 (TDD) for information and instructions regarding the filing of a Civil Rights complaint. USDA is an equal opportunity provider, employer, and lender.

§ 4280.306 Forms, regulations, and instructions.

§§ 4280.307–4280.309 [Reserved]

§ 4280.310 Program requirements for MDOs.
(a) Eligibility requirements for applicant MDOs. To be eligible for a direct loan or grant award under this subpart, an applicant must meet each of the criteria set forth in paragraphs (a)(1) through (4) of this section, as applicable.

(1) Type of applicant. The applicant must meet the definition of an MDO under this program.

(2) Citizenship. For non-profit entities only, to be eligible to apply for status as an MDO, the applicant must be at least 51 percent controlled by persons who are either:

   (i) Citizens of the United States, the Republic of Palau, the Federated States of Micronesia, the Republic of the Marshall Islands, American Samoa, or the Commonwealth of Puerto Rico; or

   (ii) Legally admitted permanent residents residing in the U.S.

(3) Legal authority and responsibility. The applicant must have the legal authority necessary to carry out the purpose of the award.

(4) Other eligibility requirements. For potential microlenders only,

   (i) The applicant must also provide evidence that:

      (A) Has demonstrated experience in the management of a revolving loan fund; or

      (B) Certifies that it, or its employees, have received education and training from a qualified microenterprise development training entity so that the applicant has the capacity to manage such a revolving loan fund; or

      (C) Is actively and successfully participating as an intermediary lender in good standing under the U.S. Small Business Administration (SBA) Microloan Program or other similar loan programs as determined by the Administrator.

   (ii) An attorney’s opinion regarding the potential microlender’s legal status and its ability to enter into program transactions is required at the time of initial entry into the program. Subsequent to acceptance into the program, an attorney’s opinion will not be required unless the Agency determines significant changes to the microlender have occurred.

   (b) Minimum score. Once deemed eligible, an entity will be evaluated based on the scoring criteria in §4280.316 for adequate qualification to participate in the program. Eligible MDOs must score a minimum of seventy points (70 points) in order to be considered to receive an award under this subpart.

   (c) Ineligible applicants. An applicant will be considered ineligible if it:

       (1) Does not meet the definition of an MDO as provided in §4280.302;

       (2) Is debarred, suspended or otherwise excluded from, or ineligible for,
§ 4280.311 Loan provisions for Agency loans to microlenders.

(a) Purpose of the loan. Loans will be made to eligible and qualified microlenders to capitalize RMRFs that it will administer by making and servicing microloans in one or more rural areas.

(b) Eligible activities. Microlenders may make microloans for qualified business activities and use Agency loan funds only as provided in § 4280.322.

(c) Ineligible activities. Microlenders may not use RMRF funds for ineligible purposes as specified in § 4280.323.

(d) Cost share. The Federal share of the eligible project cost of a microborrower’s project funded under this section shall not exceed 75 percent. The cost share requirement shall be met by the microlender using either of the options identified in paragraphs (d)(1) and (2) of this section in establishing an RMRF. A microlender may establish multiple RMRFs utilizing either option. Whichever option is selected for an RMRF, it must apply to the entire RMRF and all microloans made with funds from that RMRF.

(1) Microborrower project level option. The loan covenants between the Agency and the microlender and the microlender’s lending policies and procedures shall limit the microlender’s loan to the microborrower to no more than 75 percent of the eligible project cost of the microborrower’s project and require that the microborrower obtain the remaining 25 percent of the eligible project cost from non-Federal sources. The non-Federal share of the eligible project cost of the microborrower’s project may be provided in cash (including through fees, grants (including community development block grants), and gifts) or in the form of in-kind contributions.

(2) RMRF level option. The microlender shall capitalize the RMRF at no more than 75 percent Agency loan funds and not less than 25 percent non-Federal funds, thereby allowing the microlender to finance 100 percent of the microborrower’s eligible project costs. All contributed funds shall be maintained in the RMRF.

(e) Loan terms and conditions for microlenders. Loans will be made to microlenders under the following terms and conditions:

(1) Funds received from the Agency and any non-Federal share will be deposited into an interest-bearing account that will be the RMRF account.

(2) The RMRF account, including any interest earned on the account and the microloans made from the account, will be used to make fixed-rate microloans, to accept repayments from microborrowers and reimbursements from the LLRF, to repay the Agency and, with the advance written approval
of the Agency, to supplement the LLRF with interest earnings (from payments received or from account earnings) from the RMRF.

(3) The term of a loan made to a microlender will not exceed 20 years. If requested by the applicant MDO, a shorter term may be agreed upon by the microlender and the Agency.

(4) Each loan made to a microlender will automatically receive a 2-year deferral during which time no repayment to the Agency will be required. Voluntary payments will be accepted.

(i) Interest will accrue during the deferral period only on funds disbursed by the Agency.

(ii) The deferral period will begin on the day the Agency loan to the microlender is closed.

(iii) Loan repayments will be made in equal monthly installments to the Agency beginning on the last day of the 24th month of the life of the loan.

(5) Partial or full repayment of debt to the Agency under this program may be made at any time, including during the deferral period, without any prepayment penalties being assessed.

(6) The microlender is responsible for full repayment of its loan to the Agency regardless of the performance of its microloan portfolio.

(7) The Agency may call the entire loan due and payable prior to the end of the full term, due to any non-performance, delinquency, or default on the loan.

(8) Loan closing between the microlender and the Agency must take place within 90 days of loan approval or funds will be forfeited and the loan will be deobligated.

(9) Microlenders will be eligible to receive a disbursement of up to 25 percent of the total loan amount at the time of loan closing. Interest will accrue on all funds disbursed to the microlender beginning on the date of disbursement.

(10) A microlender must make one or more microloans within 60 days of any disbursement it receives from the Agency. Failure to make a microloan within this time period may result in the microlender not receiving any additional funds from the Agency and may result in the Agency demanding return of any funds already disbursed to the microlender.

(11) Microlenders may request in writing, and receive additional disbursements not more than quarterly, until the full amount of the loan to the microlender is disbursed, or until the end of the 36th month of the loan, whichever occurs first. Letters of request for disbursement must be accompanied by a description of the microlender’s anticipated need. Such description will indicate the amount and number of microloans anticipated to be made with the funding.

(12) Each loan made to a microlender during its first five years of participation in this program will bear an interest rate of 2 percent. After the fifth year of an MDO’s continuous and satisfactory participation in this program, each new loan made to the microlender will bear an interest rate of 1 percent. Satisfactory participation requires a default rate of 5 percent or less and a pattern of delinquencies of 10 percent or less. Except in the case of liquidation or early repayment, loans to microlenders must fully amortize over the life of the loan.

(13) During the initial deferral period, each loan to a microlender will accrue interest at a rate of 1 or 2 percent based on the ultimate interest rate on the loan. Interest accrued during the 2-year deferral period will be capitalized so that, during the 24th month of the initial deferral period, the microlender’s debt to the Agency will be calculated and amortized over the remaining life of the loan. The first payment will be due to the Agency on the last day of the 24th month of the life of the loan.

(14) Funds not disbursed to the microlender by the end of the 36th month of the loan from the Agency will be de-obligated.

(15) The Agency will hold first lien position on the RMRF account, the LLRF, and all notes receivable from microloans.

(16) If a microlender makes a withdrawal from the RMRF for any purpose other than to make a microloan, repay the Agency, or, with advance written approval, transfer an appropriate amount of non-Federal funds to the LLRF, the Agency may restrict further
access to withdrawals from the account by the microlender.

(17) In the event a microlender fails to meet its obligations to the Agency, the Agency may pursue any combination of the following:

(i) Take possession of the RMRF and/or any microloans outstanding, and/or the LLRF;

(ii) Call the loan due and payable in full; and/or

(iii) Enter into a workout agreement acceptable to the Agency, which may or may not include transfer or sale of the portfolio to another microlender (whether or not funded under this program) deemed acceptable to the Agency.

(f) Loan funding limitations—(1) Minimum and maximum loan amounts. The minimum loan amount a microlender may borrow under this program will be $50,000. The maximum any microlender may borrow on a single loan under this program, or in any given Federal fiscal year, will be $500,000. In no case will the aggregate outstanding balance owed to the program by any single microlender exceed $2,500,000.

(2) Use of funds. Loans must be used only to establish or recapitalize an existing Agency funded RMRF out of which microloans will be made, into which microloan payments will be deposited, and from which repayments to the Agency will be made. In some instances, as described in §4280.311(e)(2), interest earned by these funds may be used to fund and recapitalize both RMRF and the LLRF.

(g) Loan loss reserve fund (LLRF). Each microlender that receives one or more loans under this program will be required to establish an interest-bearing LLRF.

(1) Purpose. The purpose of the LLRF is to protect the microlender and the Agency against losses that may occur as the result of the failure of one or more microborrowers to repay their loans on a timely basis.

(2) Capitalization and maintenance. The LLRF is subject to each of the following conditions:

(i) The microlender must maintain the LLRF at a minimum of 5 percent of the total amount owed by the microlender under this program to the Agency. If the LLRF falls below the required amount, the microlender will have 30 days to replenish the LLRF.

(ii) The Agency will hold a security interest in the account and all funds therein until the MDO has repaid its debt to the Agency under this program.

(iii) No Agency loan funds may be used to capitalize the LLRF.

(iv) The LLRF must be held in an interest-bearing, Federally-insured deposit account separate and distinct from any other fund owned by the microlender.

(v) The LLRF must remain open, appropriately capitalized, and active until such time as:

(A) All obligations owed to the Agency by the microlender under this program are paid in full; or

(B) The LLRF is used to assist with full repayment or prepayment of the microlender’s program debt.

(vi) Earnings on the LLRF account must remain a part of the account except as stipulated in §4280.311(e)(2).

(3) Use of LLRF. The LLRF must be used only to:

(i) Recapitalize the RMRF in the event of the loss and write-off of a microloan; that is, when a loss has been paid to the RMRF, from the LLRF, the microlender must, within 30 days, replenish the LLRF, with non-federal funds, to the required level;

(ii) Accept non-Federal deposits as required for maintenance of the fund at a level equal to 5 percent or more of the amount owed to the Agency by the microlender under this program;

(iii) Accrue interest (interest earnings accrued by the LLRF will become part of the LLRF and may be used only for eligible purposes); and

(iv) Prepay or repay the Agency program loan.

(4) LLRF funded at time of closing. The LLRF account must be established by the microlender prior to the closing of the loan from the Agency. At the time of initial loan closing, sources of funding for the LLRF must be identified by the microlender so that as microloans are made, the amount in the LLRF can be built over time to an amount greater than or equal to 5 percent of the amount owed to the Agency by the microlender under this program. After the first disbursement is made to a microlender, further disbursements...
RBS and RUS, USDA  §4280.311

839

will only be made if the LLRF is funded at the appropriate amount. After the initial loan is made to a microlender, subsequent loan closings will require the LLRF to be funded in an amount equal to 5 percent of the anticipated initial drawdown of funds for the RMRF. Federal funds, except where specifically permitted by other laws, may not be used to fund LLRF.

(5) Additional LLRF funding. In the event of exhibited weaknesses, such as losses that are greater than 5 percent of the microloan portfolio, on the part of a microlender, the Agency may require additional funding be put into the LLRF; however, the Agency may never require an LLRF of more than 10 percent of the total amount owed by the microlender.

(h) Recordkeeping, reporting, and oversight. Microlenders must maintain all records applicable to the program and make them available to the Agency upon request. Microlenders must submit quarterly reports as specified in paragraphs (h)(1) through (4) of this section. Portfolio reporting requirements must be met via the electronic reporting system. Other reports, such as narrative information, may be submitted as hard copy in the event the microlender, grantee, or Agency do not have the capability to submit or accept same electronically.

(1) Periodic reports. On a quarterly basis, within 30 days of the end of the calendar quarter, each microlender that has an outstanding loan under this program must provide to the Agency:

(i) Quarterly reports, using an Agency-approved automation system, containing such information as the Agency may require, and in accordance with 2 CFR part 200 as adopted by USDA in 2 CFR part 400, to ensure that funds provided are being used for the purposes for which the loan to the microlender was made. At a minimum, these reports must identify each microborrower under this program and should include a discussion reconciling the microlender’s actual results for the period against its goals, milestones, and objectives as provided in the application package; and

(ii) SF-270, “Request for Advance or Reimbursement.”

(2) Minimum retention. Microlenders must provide evidence in their quarterly reports that the sum of the expended amount in the RMRF, plus the amount in the LLRF, plus debt owed by the microborrowers is equal to a minimum of 105 percent of the amount owed by the microlender to the Agency unless the Agency has established a higher LLRF reserve requirement for a specific microlender.

(3) Combining accounts and reports. If a microlender has more than one loan from the Agency, a separate report must be made for each except when RMRF accounts have been combined. A microlender may combine RMRF accounts only when:

(i) The underlying loans have the same rates, terms and conditions;

(ii) The combined report allows the Agency to effectively administer the program, including providing the same level of transparency and information for each loan as if separate RMRF reports had been prepared; and

(iii) The accompanying LLRF fund reports also provide the same level of transparency and information for each loan as if separate LLRF reports had been prepared.

(iv) The Agency must approve the combining of accounts and reports in writing before such accounts are combined and reports are submitted.

(4) Delinquency. In the event that a microlender has delinquent loans in its RMAP portfolio, quarterly reports will include narrative explanation of the steps being taken to cure the delinquencies.

(5) Other reports. Other reports may be required by the Agency from time to time in the event of poor performance, one or more work out agreements or other such occurrences that require more than the usual set of reporting information.

(6) Site visits. The Agency may, at any time, choose to visit the microlender and inspect its files to ensure that program requirements are being met.

(7) Access to microlender’s records. Upon request by the Agency, the microlender will permit representatives of the Agency (or other agencies of the U.S. Department of Agriculture authorized by that Department or the U.S. Government) to inspect and make
§ 4280.312  Loan approval and closing.

(a) Loan approval and obligating funds. The loan will be considered approved on the date the signed copy of Form RD 1940–1, “Request for Obligation of Funds,” is signed by the Agency. Form RD 1940–1 authorizes funds to be obligated and may be executed by the Agency provided the microlender has the legal authority to contract for a loan, and to enter into required agreements, including an Agency-approved loan agreement, and meets all program loan requirements and has signed Form RD 1940–1.

(b) Letter of conditions. Upon reviewing the conditions and requirements in the letter of conditions, the applicant must complete, sign, and return Form RD 1942–46, “Letter of Intent to Meet Conditions,“ to the Agency; or if certain conditions cannot be met, the applicant may propose alternate conditions. The Agency will review any requests for changes to the letter of conditions. The Agency may approve only minor changes that do not materially affect the microlender. Changes in legal entities prior to loan closing will not be approved.

(c) Loan closing. (1) Prior to loan closing, microlenders must provide evidence that the RMRF and LLRF bank accounts have been set up and the LLRF has been, or will be, funded as described in §4280.311(g)(4). Such evidence shall consist of:

(i) A pre-authorized debit form allowing the Agency to withdraw payments from the RMRF account, and in the event of a repayment workout, from the LLRF account;

(ii) An Agency-approved automatic deposit authorization form from the depository institution providing the Agency with the RMRF account number into which funds may be deposited at time of disbursement to the microlender;

(iii) A statement from the depository institution as to the amount of cash in the LLRF account;

(iv) An Agency-approved promissory note must be executed at loan closing; and

(v) An appropriate security agreement on the LLRF and RMRF accounts.

(2) At loan closing, the microlender must certify that:

(i) All requirements of the letter of conditions have been met and

(ii) There has been no material adverse change in the microlender or its financial condition since the issuance of the letter of conditions. If one or more adverse changes have occurred, the microlender must explain the changes and the Agency must determine that the microlender remains eligible and qualified to participate as an MDO.

(3) The microlender will provide sufficient evidence, which may include but is not limited to, mechanics’ lien waivers or in their absence receipts of payment, that no lawsuits are pending or threatened that would adversely affect the security of the microlender when Agency security instruments are filed.

§ 4280.313  Grant provisions.

(a) General. The following provisions apply to each type of grant offered under this program unless otherwise specified annually in a FEDERAL REGISTER notice. Competition for these funds will occur as a part of the application and qualification process of becoming a microlender. Failure to meet scoring benchmarks will preclude an applicant from receiving loan and/or grant dollars. Once an MDO is participating as a microlender, grant funds will be made available automatically based on lending and the availability of funds.

(1) Grant amounts. (i) The maximum TA grant amount for a microlender is 25 percent of the first $400,000 of outstanding microloans owed to the microlender under this program, plus
an additional 5 percent of the outstanding loan amount owed by the microborrowers to the lender under this program over $400,000 up to and including $2.5 million. This calculation leads to a maximum grant of $205,000 annually for any microlender to provide technical assistance to its clients. These grants will be awarded annually.

(ii) The maximum amount of a TA-only grant under this program will not exceed 10 percent of the amount of funding available for TA-only grants. The amount of funding available for TA funding will be announced annually and will be based on the availability of funds. In no case will funding for the TA-only grants exceed 10 percent of the amount appropriated for the program each Federal fiscal year.

(2) Matching requirement. The MDO is required to provide a match of not less than 15 percent of the total amount of the grant in the form of matching funds, indirect costs, or in-kind goods or services. Unless specifically permitted by laws other than the statute authorizing RMAP, matching contributions must be made up of non-Federal funding.

(3) Administrative expenses. Not more than 10 percent of a grant received by a MDO for a Federal fiscal year (FY) may be used to pay administrative expenses. MDOs must submit an annual budget of proposed administrative expenses for Agency approval. The Agency has the right to deny the 10 percent and to fund administration expenses at a lower level.

(4) Ineligible grant purposes. Grant funds, matching funds, indirect costs, and in-kind goods and services may not be used for:

(i) Grant application preparation costs;

(ii) Costs incurred prior to the obligation date of the grant;

(iii) Capital improvements;

(iv) Political or lobbying activities;

(v) Assistance to any ineligible entity;

(vi) Payment of any judgment or debt owed; and

(vii) Payment of any costs other than those allowed in paragraphs (b)(1) and (c) of this section.

(5) Changes in key personnel. Before any additions are made to key personnel, the microlender must notify and the Agency must approve such changes.

(b) Grants to assist microentrepreneurs (Microlender Technical Assistance (TA) Grants). The capacity of a microlender to provide an integrated program of microlending and technical assistance will be evaluated during the scoring process. An eligible MDO selected to be a microlender will be eligible to receive a microlending TA grant if it receives funding to provide microloans under this program.

(1) Purpose. The Agency shall make microlender TA grants to microlenders to assist them in providing marketing, management, and other technical assistance to rural microentrepreneurs and microenterprises that have received or are seeking one or more microloans from the microlender.

(2) Grant amounts. Microlender TA grants will be limited to an amount equal to not more than 25 percent of the total outstanding balance of microloans made under this program and active by the microlender as of the date the grant is awarded for the first $400,000 plus an additional 5 percent of the loan amount owed by the microborrowers to the lender under this program over $400,000 up to and including $2.5 million. Funds cannot be used to pay off the loans. During the first year of operation, the percentage will be determined based on the amount of the loan to the microlender, but will be disbursed on a quarterly basis based on the amount of microloans made. Any grant dollars obligated, but not spent, from the initial grant, will be subtracted from the subsequent year grant to ensure that obligations cover only microloans made and active.

(3) TA grant fund uses and limitations. The microlender will agree to use TA grant funding exclusively for providing technical assistance and training to eligible microentrepreneurs and microenterprises, with the exception that up to 10 percent of the grant funds may be used to cover the microlender’s administrative expenses, except as may be reduced as provided under § 4280.313(a)(4).

The following limitations will apply to TA grant funding:

841
(i) Administrative expenses should be kept to a minimum. As such, the applicant MDO is required, in the application materials, to provide an administrative budget plan indicating the amount of funding it will need for administrative purposes. Applicants will be scored accordingly, with those using less than 10 percent of the funding for administrative purposes being scored higher than those using 10 percent of the funding for administrative purposes.

(ii) While operating the program, the selected microlender will be expected to adhere to the estimates it provides in the application. If for any reason, the microlender cannot meet the expectations of the application, it must contact the Agency in writing to request a budget adjustment.

(iii) At no time will it be appropriate for the microlender to expend more than 10 percent of its grant funding on administrative expenses. Microlenders that go over 10 percent will be considered in performance default and may be subject to forfeiting funding.

(iv) Budget adjustments will be considered within the 10 percent limitation and approved or denied on a case-by-case basis.

(c) **TA-only grants.** Grants will be competitively made to MDOs for the purpose of providing technical assistance and training to prospective microborrowers. Technical assistance-only grants will be provided to eligible MDOs that seek to provide business-based technical assistance and training to eligible microentrepreneurs and microenterprises, but do not seek funding for an RMRF. Entities receiving microlending TA grants will not be eligible to apply for TA-only grants.

1. **Grant term.** TA-only grants will have a grant term not to exceed 12 months from the date the grant agreement is signed.

2. **Funding level.** The maximum amount of a TA-only grant under this program will not exceed 10 percent of the amount of funding available for TA-only grants. In no case will funding for the TA-only grants exceed 10 percent of the amount appropriated for the program each Federal fiscal year.

3. **Loan referencing.** TA-only grantees will be required to:

   (i) Refer clients to internal or external non-program funded lenders for loans of $50,000 or less and

   (ii) Collect data regarding such clients. TA-only grantees will be considered successful if a minimum of 1-in-5 TA clients are referred for a microloan and are operating a business within 18 months of receiving technical assistance.

(4) **Facilitation of access to capital.** Technical assistance-only grantees will be expected to provide training and technical assistance services to the extent that access to capital for eligible microentrepreneurs and microenterprises is facilitated by referral to either an internal or external non-program loan fund so that these clients may take advantage of available financing programs.

(5) **Microlender funding.** No entity will receive grant funding as both a microlender and a TA-only provider; that is, RMAP microlenders are not eligible for TA-only funding and an MDO receiving TA-only funding are not eligible for microlender funding.

(d) **Grant agreement.** For any grant to an MDO or microlender, the Agency will notify the approved applicant in writing, using an Agency-approved grant agreement setting out the conditions under which the grant will be made. The form will include those matters necessary to ensure that the proposed grant is completed in accordance with the proposed project, that grant funds are expended for authorized purposes, and that the applicable requirements prescribed in the relevant Department regulations are complied with.

§ 4280.314 [Reserved]

§ 4280.315 MDO application and submission information.

(a) **Initial and subsequent applications.** Applications shall be submitted in accordance with the provisions of this subpart unless adjusted by the Agency in an annual Federal Register Notice for Solicitation of Applications (NOSA) or a Notice of Funding Availability (NOFA), depending on the availability of funds at the time of publication.
(1) The information required in this section is necessary for an application to be considered complete.

(2) When preparing applications, applicants are strongly encouraged to review the scoring criteria in §4280.316 and provide documentation that will support a competitive score.

(3) Only those applicants that meet the basic eligibility requirements in §4280.310 will have their applications fully scored and considered for participation in the program under this section.

(b) Content and form of submission. The content and form requirements will differ based on the nature of the application. All applicants must provide the information specified in paragraph (c) of this section. Additional application information is required in paragraph (d) of this section depending on the type of application being submitted.

(c) Application information for all applicants. All applicants must provide the following information and forms fully completed and with all attachments:

(1) Standard Form-424, “Application for Federal Assistance.”

(2) Standard Form-424A, “Budget Information—Non-construction Programs.”

(3) Standard Form-424B, “Assurances—Non-construction Programs.”

(4) For entities that are applying for more than $150,000 in loan funds and/or more than $100,000 in grant funds, only, SF LLL, “Disclosure of Lobbying Activities.”

(5) AD 1047, “Certification Regarding Debarment, Suspension, and other Responsibility Matters—Primary Covered Transaction.”

(6) For entities applying for program loan funds to become an RMAP micro lender only, Form RD 1990–11, “Certification of No Federal Debt.”

(7) Form RD 400–8, “Compliance Review.”

(8) Demonstration that the applicant is eligible to apply to participate in this program. To demonstrate eligibility, applicants must submit documentation that the applicant is an MDO as defined in §4280.302, as follows:

(i) If a nonprofit entity, evidence that the applicant organization meets the citizenship requirements;

(ii) If a nonprofit entity, a copy of the applicant’s bylaws and articles of incorporation, which include evidence that the applicant is legally considered a non-profit organization;

(iii) If an Indian tribe, evidence that the applicant is a Federally-recognized Indian tribe, and that the tribe neither operates nor is served by an existing MDO;

(iv) If a public institution of higher education, evidence that the applicant is a public institution of higher education; and

(v) For nonprofit applicants only, a Certificate of Good Standing, not more than 6 months old, from the Office of the Secretary of State in the State in which the applicant is located. If the applicant has offices in more than one state, then the state in which the applicant is organized and licensed will be considered the home location.

(9) Certification by the applicant that it cannot obtain sufficient credit elsewhere to fund the activities called for under this program with similar rates and terms.

(10) Form RD 400–4, “Assurance Agreement.”

(d) Type of application specific information. In addition to the information required under paragraph (c) of this section, the following information is also required, as applicable:

(1) The information specified in §4280.316(a).

(2) An applicant for status as a microlender with more than 3 years of experience as an MDO seeking to participate as a microlender must provide the additional information specified in §4280.316(b). Such an applicant will be applying for a loan to capitalize an RMRF, which, unless otherwise requested by the applicant, will be accompanied by a microlending TA grant.

(3) An applicant for status as a microlender with 3 years or less experience as an MDO seeking to participate as a microlender must provide the additional information specified in §4280.316(c). Such an applicant will be applying for a loan to capitalize an
RMRF, which, unless otherwise requested by the applicant, will be accompanied by a microlending TA grant.

(4) All applicants seeking status as a microlender must identify in their application which cost share option(s) the applicant will utilize, as described in §4280.311(d), to meet the Federal cost share requirement. If the applicant will utilize the RMRF-level option, the applicant shall identify the amount(s) and source(s) of the non-Federal share.

(5) An applicant seeking TA-only grant funding must provide the additional information specified in §4280.316(d).

(e) Application limits. Paragraph (d) of this section sets out three types of funding under which applications may be submitted. MDOs may only submit and have pending for consideration, at any given time, one application, regardless of funding category.

(f) Completed applications. Applications that fulfill the requirements specified in paragraphs (a) through (e) of this section will be fully reviewed, scored, and ranked by the Agency in accordance with the provisions of §4280.316.

§ 4280.316 Application scoring.

Applications will be scored based on the criteria specified in this section using only the information submitted in the application. The total available points per application are 100. Points will be awarded as shown in paragraphs (a) through (e) of this section. Awards will be based on the ranking, with the highest ranking applications being funded first, subject to available funding.

(a) Application requirements for all applicants. All applicants must submit the eligibility information described in §4280.315. Only those applicants deemed eligible will be scored for qualification. Qualification information provides the complete forms and information necessary to determine a baseline of capacity. Additional information is specified depending on the level of experience or type of funding being applied for. The maximum points available in this part of the application are 45. In addition to the eligibility information, all applicants will submit:

1. An organizational chart clearly showing the positions and naming the individuals in those positions. Of particular interest to the Agency are management positions and those positions essential to the operation of microlending and TA programming. Up to 5 points will be awarded.

2. Resumes for each of the individuals shown on the organizational chart and indicated as key to the operation of the activities to be funded under this program. There should be a corresponding resume for each of the key individuals noted and named on the organizational chart. Points will be awarded based on the quality of the resumes and on the ability (based on the resumes) of the key personnel to administer the program. Up to 5 points will be awarded.

3. A succession plan to be followed in the event of the departure of personnel key to the operation of the applicant’s RMAP activities. Up to 5 points will be awarded.

4. Information indicating an understanding of microenterprise development concepts. Provide those parts of your policy and procedures manual that deal with the provision of loans, management of loan funds, and provision of technical assistance. Up to 5 points will be awarded.

5. Copies of the applicant’s most recent, and two years previous, financial statements. Points will be awarded based on the demonstrated ability of the applicant to maintain or grow its bottom line fund balance, its ability to manage one or more federal programs, and its capacity to manage multiple funding sources, restricted and non-restricted funding sources, income, earnings, and expenditures. Up to 10 points will be awarded.

6. A copy of the applicant’s organizational mission statement. The mission statement will be rated based on its relative connectivity to microenterprise development and general economic development. The mission statement may or may not be a part of a larger statement. For example, if the mission statement is included in the
by-laws or other organizational documents, please so note, direct the reviewer to the proper document, and do not submit these documents twice. Up to 5 points will be awarded.

(7) Information regarding the geographic service area to be served. Describe the service area, which must be rural as defined. State the number of counties or other jurisdictions to be served. Describe the demographics of the service area and whether or not the population is a diverse population. Note that the applicant will not be scored on the size of the service area, but on its ability to fully cover the service area as described. Up to 10 points will be awarded.

(b) Program loan application requirements for MDOs seeking to participate as RMAP microlenders with more than 3 years of experience. In addition to the information required under paragraph (a) of this section, applicants with more than 3 years of experience as a microlender also must provide the information specified in paragraphs (b)(1) through (5) of this section. The total number of points available under this paragraph, in addition to the up to 45 points available in paragraph (a) of this section, is 55, for a total of 100.

(1) History of provision of microloans. The applicant must provide data regarding its history of making microloans for the three years previous to this application by answering the questions in paragraphs (b)(1)(i) through (vi) of this section. This information should be provided clearly and concisely in numerical format as the data will be used to calculate points as noted. Figure 1 presents an example of the format and data required. The maximum number of points under this criterion is 20.

(i) Number and amount of microloans made during each of the three previous Federal FYs. Do not include current year information. A narrative may be included as a separate attachment, not in the body of the suggested table.

(ii) Number and amount of microloans made in rural areas in each of the three years prior to the year in which the application is submitted. If the history of providing microloans in rural areas shows:

(A) More than the three consecutive years immediately prior to this application, 5 points will be awarded;

(B) At least two of the years but not more than the three consecutive years immediately prior to this application, 3 points will be awarded;

(C) At least 6 months, but not more than one year immediately prior to this application, 1 point will be awarded.

(iii) Percentage of number of loans made in rural areas. Calculate and enter the total number of microloans made in rural areas as a percentage of the total number of all microloans made for each of the past three Federal FYs. If the percentage of the total number of microloans made in rural areas is:

(A) 75 percent or more, 5 points will be awarded;

(B) At least 50 percent but less than 75 percent, 3 points will be awarded;

(C) At least 25 but less than 50 percent, 1 point will be awarded.

(iv) The percentage of dollar amount of loans made in rural areas. Enter the dollar amount of microloans made in
rural areas as a percentage of the dollar amount of the total portfolio (rural and non-rural) of microloans made for each of the previous three Federal FYs. If percentage of the dollar amount of the microloans made in rural areas is:

(A) 75 percent or more of the total amount, 5 points will be awarded;
(B) At least 50 percent but less than 75 percent, 3 points will be awarded;
(C) At least 25 percent but less than 50 percent, 1 point will be awarded.

(v) Each applicant shall compare the diversity of its entire microloan portfolio to the demographic makeup of its service area (as determined by the most recent decennial Census for the State) based on the number of microloans made during the three years preceding the subject application. Demographic groups shall include gender, racial and ethnic minority status, and disability (as defined in The Americans with Disabilities Act). Points will be awarded on the basis of how close the MDO's microloan portfolio matches the demographic makeup of its service area. A maximum of 5 points will be awarded.

(A) If at least one loan has been made to each demographic group and if the percentage of loans made to each demographic group is each within 5 or less percent of the demographic makeup, 5 points will be awarded.

(B) If at least one loan has been made to each demographic group and if the percentage of loans made to each demographic group is each within 10 or less percent of the demographic makeup, 3 points will be awarded.

(C) If at least one loan has been made to each demographic group and if the percentage of loans made to one or more of the demographic groups is greater than 10 percent of the demographic makeup or if no loans have been made to one of the demographic groups and if the percentage of loans made to each of the other demographic groups is each within 10 or less percent of the demographic makeup, 1 point will be awarded.

(D) If no loans have been made to two or more demographic groups, no points will be awarded.

(2) Portfolio management. Each applicant's ability to manage its portfolio will be determined based on the data provided in response to paragraphs (b)(2)(i) and (ii) of this section and scored accordingly. The maximum number of points under this criterion is 10.

(i) Enter the total number of your microloans paying on time for the three previous Federal FYs. If the total number of microloans paying on time at the end of each year over the prior three Federal FYs is:

(A) 95 percent or more, 5 points will be awarded;
(B) At least 85 percent but less than 95 percent, 3 points will be awarded;
(C) Less than 85 percent, 0 points will be awarded.

(ii) Enter the total number of microloans 30 to 90 days in arrears or that have been written off at year end for the three previous Federal FYs. If the total number of these microloans is:

(A) 5 percent or less of the total portfolio, 5 points will be awarded;
(B) More than 5 percent, 0 points will be awarded.

(3) History of provision of technical assistance. Each applicant's history of provision of technical assistance to microentrepreneurs and microenterprises, and their ability to reach diverse communities, will be scored based on the data specified in paragraphs (b)(3)(i) through (iv) of this section. Applicants may use a chart such as that suggested in Figure 1 as they deem appropriate. The maximum number of points under this criterion is 15.

(i) Provide the total number of rural and non-rural microentrepreneurs and microenterprises that received both microloans and TA services for each of the previous three Federal FYs.

(ii) Provide the percentage of the total number of only rural microentrepreneurs and rural microenterprises that received both microloans and TA services for each of the previous three Federal FYs (calculate this as the total number of rural microloans made each year divided by the total number of loans made during the past three Federal FYs). If provision of both microloans and technical assistance to rural microentrepreneurs and rural microenterprises is demonstrated at a rate of:
(A) 75 percent or more, 5 points will be awarded;
(B) At least 50 percent but less than 75 percent, 3 points will be awarded;
(C) At least 25 percent but less than 50 percent, 1 point will be awarded.

(iii) Provide the percentage of the total number of rural microentrepreneurs and rural microenterprises by racial and ethnic minority, disabled, and/or gender that received both microloans and TA services for each of the previous three Federal FYs. If the demonstrated provision of microloans and technical assistance to these rural microentrepreneurs and rural microenterprises is at a rate of:
(A) 75 percent or more, 5 points will be awarded;
(B) At least 50 percent but less than 75 percent, 3 points will be awarded;
(C) At least 25 percent but less than 50 percent, 1 point will be awarded.

(iv) Provide the ratio of TA clients that also received microloans during each of the previous three Federal FYs. If the ratio of clients receiving technical assistance to clients receiving microloans is:
(A) Between 1:1 and 1:5, 5 points will be awarded.
(B) Between 1:6 and 1:8, 3 points will be awarded.
(C) Either 1:9 or 1:10, 1 point will be awarded.

(4) Ability to provide technical assistance. In addition to providing a statistical history of their provision of technical assistance to microentrepreneurs, microenterprises, and microborrowers, applicants must provide a narrative of not more than five pages describing the teaching and training methods used by the applicant organization to provide such technical assistance and discussing the outcomes of their endeavors. Technical assistance is defined in §4280.302. The narrative will be scored as specified in paragraphs (b)(4)(i) through (iv) of this section. The maximum number of points under this criterion is 5.

(i) Applicants that have used more than one method of training and technical assistance (e.g., classroom training, peer-to-peer discussion groups, individual assistance, distance learning) will be awarded 2 points.

(ii) Applicants that provide success stories to demonstrate the effects of technical assistance on their clients will be awarded 1 point.

(iii) Applicants that provide evidence that they require evaluations by the clients of their training programs and indicate that the average level of evaluation scores is “good” or higher will be awarded 1 point.

(iv) Applicants that present their narrative information clearly and concisely (five pages or less) and at a level expected by trainers and teachers will be awarded 1 point.

(5) Proposed administrative expenses to be spent from TA grant funds. The maximum number of points under this criterion is 5. If the percentage of grant funds to be used for administrative purposes is:
(i) Less than 5 percent of the TA grant funding, 5 points will be awarded;
(ii) Between 5 percent and 8 percent, but not including 8 percent, 3 points will be awarded; and
(iii) Between 8 percent up to and including 10 percent, 0 point will be awarded.

(c) Application requirements for MDOs seeking to participate as RMAP microlenders with 3 years or less experience. In addition to the information required under paragraph (a) of this section, an applicant MDO with 3 years or less experience that is applying to be a microlender must submit the information specified in paragraphs (c)(1) through (8) of this section. The total number of points available under this paragraph, in addition to the up to 45 points available in paragraph (a) of this section, is 55, for a total of 100.

(1) The applicant must provide a narrative work plan that clearly indicates its intention for the use of loan and grant funding. Provide goals and milestones for planned microlending and technical assistance activities. In relation to the information requested in paragraph (a) of this section, the applicant must describe how it will incorporate its mission statement, utilize its employees, and maximize its human and capital assets to meet the goals of this program. The applicant must provide its strategic plan and organizational development goals and clearly indicate its lending goals for the five
years after the date of application. The narrative work plan should be not more than five pages in length. Up to 10 points will be awarded.

(2) The applicant will provide the date that it began business as an MDO or other provider of business education and/or facilitator of capital. This date will reflect when the applicant became licensed to do business, in good standing with the Secretary of State in which it is registered to do business, and regularly paid staff to conduct business on a daily basis. If the applicant has been in business for:

(i) More than 2 years but less than 3 years, 5 points will be awarded;
(ii) At least 1 year, but not more than 2 years, 3 points will be awarded;
(iii) At least 6 months, but not more than 1 year, 1 point will be awarded;
(iv) Less than 6 months, or more than 3 full years, 0 points will be awarded.

(If more than 3 full years, the applicant must apply under the provisions for MDOs with more than 3 years experience as specified in §4280.315.)

(3) The applicant must describe in detail any microenterprise development training received by it as a whole, or its employees as individuals, to date. The narrative may refer reviewers to already submitted resumes to save space. The training received will be rated on its topical variety, the quality of the description, and its relevance to the organization’s strategic plan. The applicant should not submit training brochures or conference announcements. Up to 10 points will be awarded.

(4) The applicant must indicate its current number of employees, those that concentrate on rural microentrepreneurial development, and the current average caseload for each. Indicate how the caseload ratio does or does not optimize the applicant’s ability to perform the services described in the work plan. Discuss how Agency grant funding will be used to assist with TA program delivery and how loan funding will affect the portfolio. Up to 5 points will be awarded.

(5) The applicant must indicate any training organizations with which it has a working relationship. Provide contact information for references regarding the applicant’s capacity to perform the work plan provided. If the recommendations received from references are:

(i) Generally excellent, 5 points will be awarded;
(ii) Generally above average, 3 points will be awarded;
(iii) Generally average, 1 point will be awarded;
(iv) Generally less than average, 0 points will be awarded.

(6) Describe any plans for continuing training relationship(s), including ongoing or future training plans and goals, and the timeline for same. Up to 5 points will be awarded.

(7) The applicant will describe its internal benchmarking system for determining client success, reporting on client success, and following client success for up to 5 years after completion of a training relationship. Up to 10 points will be awarded.

(8) The applicant will identify its proposed administrative expenses to be spent from TA grant funds. The maximum total number of points under this criterion is 5. If the percentage of grant funds to be used for administrative purposes is:

(i) Less than 5 percent of the TA grant funding, 5 points will be awarded;
(ii) Between 5 percent and 8 percent, but not including 8 percent, 3 points will be awarded; and
(iii) Between 8 percent up to and including 10 percent, 0 points will be awarded.

(d) Application requirements for MDOs seeking technical assistance-only grants. TA-only grants may be provided to MDOs that are not RMAP microlenders seeking to provide training and technical assistance to rural microentrepreneurs and rural microenterprises. An applicant seeking a TA-only grant must submit the information specified in paragraphs (d)(1) through (4) of this section. The total number of points available under this section, in addition to the 45 points available in paragraph (a) of this section, is 55, for a total of 100 points.

(1) History of provision of technical assistance. Each applicant’s history of provision of technical assistance to microentrepreneurs and microenterprises, and their ability to reach diverse communities, will be scored
based on the data specified in paragraphs (d)(1)(i) through (iv) of this section. Applicants may use a chart such as that suggested in Figure 1 as they deem appropriate. The maximum number of points under this criterion is 20.

(i) Provide the total number of rural and non-rural microentrepreneurs and microenterprises that received both microloans and TA services for each of the previous three Federal FYs.

(ii) Provide the percentage of the total number of rural microentrepreneurs and rural microenterprises that received both microloans and TA services for each of the previous three Federal FYs (calculate this as the total number of rural microloans made each year divided by the total number of rural and non-rural microloans made during the past three Federal FYs). If provision of both technical assistance and resultant microloans to rural microentrepreneurs and rural microenterprises is demonstrated at a rate of:

(A) 75 percent or more, 5 points will be awarded;
(B) At least 50 percent but less than 75 percent, 3 points will be awarded;
(C) At least 25 percent but less than 50 percent, 1 point will be awarded.

(iii) Provide the percentage of the total number of rural microentrepreneurs by racial and ethnic minority, disabled, and/or gender that received both microloans and TA services for each of the previous three Federal FYs. If the demonstrated provision of technical assistance and resultant microloans to these rural microentrepreneurs when compared to the total number of microentrepreneurs assisted, is at a rate of:

(A) 75 percent or more, 10 points will be awarded;
(B) At least 50 percent but less than 75 percent, 7 points will be awarded;
(C) At least 25 percent but less than 50 percent, 5 points will be awarded.

(iv) Provide the ratio of TA clients that also received microloans during each of the last three years. If the ratio of clients receiving technical assistance to clients receiving microloans is:

(A) Between 1:1 and 1:5, 5 points will be awarded;
(B) Between 1:6 and 1:8, 3 points will be awarded;
(C) Either 1:9 or 1:10, 1 point will be awarded.

(2) Ability to provide technical assistance. In addition to providing a statistical history of their provision of technical assistance to microentrepreneurs, microenterprises, and microborrowers, applicants must provide a narrative of not more than five pages describing the teaching and training method(s) used by the applicant organization to provide technical assistance and discussing the outcomes of their endeavors. The narrative will be scored as specified in paragraphs (d)(2)(i) through (iv) of this section. The maximum number of points under this criterion is 20.

(i) Applicants that have used more than one method of training and technical assistance (e.g., classroom training, peer-to-peer discussion groups, individual assistance, distance learning) will be awarded 5 points.

(ii) Applicants that provide success stories to demonstrate the effects of technical assistance on their clients will be awarded points under either of the following paragraphs, but not both.

(A) News stories that highlight businesses made successful as a result of technical assistance, 5 points will be awarded.
(B) Internal stories that highlight businesses made successful as a result of technical assistance, 3 points.

(iii) Applicants that provide evidence that they require evaluations by the clients of their training programs and indicate that the evaluation scores are generally:

(A) Excellent, 5 points will be awarded;
(B) Good, 3 points will be awarded;
(C) Less than good, 0 points will be awarded.

(iv) Applicants that present well-written narrative information that is clearly and concisely written and is five pages or less will be awarded 5 points.

(3) Technical assistance plan. Submit a plan for the provision of technical assistance explaining how the funding will benefit the current program and how it will allow the applicant to expand its non-program microlending activities. Up to 10 points will be awarded.
§4280.317

(4) Proposed administrative expenses to be spent from TA grant funds. The maximum number of points under this criterion is 5. If the percentage of grant funds to be used for administrative purposes is:

(i) Less than 5 percent of the TA grant funding, 5 points will be awarded;
(ii) Between 5 percent and 8 percent, but not including 8 percent, 3 points will be awarded; and
(iii) Between 8 percent up to and including 10 percent, 1 point will be awarded.

(v) A pattern of compliance with program reporting requirements.

(3) Shortened applications under this section will be rated on a pass or fail basis. Passing applications will be assigned a score of 90 points and will be ranked accordingly in the quarterly competitions. Failing applications will be scored 0.

§4280.317 Selection of applications for funding.

All applications received will be scored using the scoring criteria specified in §4280.316. Because each set of applicants is scored on a 100 point scale, applications will be ranked together. Shortened applications can only receive 90 points. Within funding limitations, applications will be funded in descending order, from the highest ranking application down. If two or more applications score the same, the Administrator may prioritize such applications to help the program achieve overall geographic diversity.

(a) Timing and submission of applications. (1) All applications must be submitted as a complete application, in one package. Packages must be bound in a three ring binder and evidence must be organized in the order of appearance in §4280.315 of this document. Applications that are unbound, disorganized, or otherwise not ready for evaluation will be returned.

(2) Applications will be accepted on a quarterly basis using Federal fiscal quarters. Deadlines and specific application instructions will be published annually in the FEDERAL REGISTER.

(3) Applications received will be reviewed, scored, and ranked quarterly. Unless withdrawn by the applicant, the Agency will retain unsuccessful applications that score 70 points or more, for consideration in subsequent reviews, through a total of four quarterly reviews. Applications unsuccessful after 4 quarters will be returned.

(b) Availability of funds. If an application is received, scored, and ranked, but insufficient funds remain to fully fund it, the Agency may elect to fund an application requesting a smaller
amount that has a lower score. Before this occurs, the Agency, as applicable, will provide the higher scoring applicant the opportunity to reduce the amount of its request to the amount of funds available. If the applicant agrees to lower its request, it must certify that the purposes of the project can be met, and the Agency must determine that the project is financially feasible at the lower amount.

(c) Applicant notification. The Agency will notify applicants regarding their selection or non-selection, provide appeal rights of unsuccessful applicants, and closing procedures for the loans and/or grants to awardees.

(d) Closing. Awardees unable to complete closing for obligation within 90 days will forfeit their funding. Such funding will revert back to the Agency for later use.

§§ 4280.318–4280.319 [Reserved]

§ 4280.320 Grant administration.

(a) Oversight. Any MDO receiving a grant under this program is subject to Agency oversight, with site visits and inspection of records occurring at the discretion of the Agency. In addition, MDOs receiving a grant under this subpart must submit reports, as specified in paragraphs (a)(1) through (3) of this section,

1. On a quarterly basis, within 30 days after the end of each Federal fiscal quarter, the microlender will provide to the Agency an Agency-approved quarterly report containing such information as the Agency may require to ensure that funds provided are being used for the purposes for which the grant was made, including:
   (i) A program performance report required by 2 CFR part 200 as adopted by USDA in 2 CFR part 400. This report will include information on the microlender’s technical assistance, training, and/or enhancement activity, and grant expenses, milestones met, or unmet, explanation of difficulties, observations and other such information; and
   (ii) As appropriate, SF–270.

2. If a microlender has more than one grant from the Agency, a separate report must be made for each.

3. Other reports may be required by the Agency from time to time in the event of poor performance or other such occurrences that require more than the usual set of reporting information.

(b) Payments. The Agency will make grant payments not more often than on a quarterly basis. The first payment may be made in advance and will equal no more than one fourth of the grant award. Payment requests must be submitted on Standard Form 270 and will only be paid if reports are up to date and approved.

§ 4280.321 Grant and loan servicing.

In addition to the ongoing oversight of the participating MDOs:

(a) Grants. Grants will be serviced in accordance with the Department of Agriculture regulations including, but not limited to 7 CFR part 1951, subparts E and O and 2 CFR parts 400, 415, 417, 418, and 421; and

(b) Loans. Loans to microlenders will be serviced in accordance with the following:

1. Department of Agriculture regulations 7 CFR part 1951, subparts E, O, and R;

2. Other Department of Agriculture regulations as may be applicable; and

3. OMB Circular A–129.

§ 4280.322 Loans from the microlenders to microentrepreneurs.

The primary purpose of making a loan to a microlender is to enable that microlender to make microloans. It is the responsibility of each microborrower to repay the microlender in accordance with the terms and conditions agreed to with the microlender. It is the responsibility of each microlender to make microloans in such a fashion that the terms and conditions of the microloan will support microborrower success while enabling the microlender to repay the Federal Government.

(a) Maximum microloan amount. The maximum amount of a microloan made under this program will be $50,000.

(b) Microloan terms and conditions. The terms and conditions for
§ 4280.323 Microloans made by microlenders will be negotiated between the prospective microborrower and the microlender, with the following limitations:

(1) No microloan may have a term of more than 10 years;

(2) The interest rate charged to the microborrower will be established at, or before the closing of the microloan; and

(3) The microlender may establish its margin of earnings but may not adjust the margin so as to violate Fair Credit Lending laws. Margins must be reasonable so as to ensure that microloans are affordable to the microborrowers.

(c) Microloan insurance requirements. The requirement of reasonable hazard, key person, and other insurance will be at the discretion of the microlender.

(d) Credit elsewhere test. Microborrowers will be subject to a “credit elsewhere” test so that the microlender will make loans only to those borrowers that cannot obtain business funding of $50,000 or less at affordable rates and on acceptable terms. Each microborrower file must contain evidence that the microborrower has sought credit elsewhere or that the rates and terms available within the community at the time were outside the range of the microborrower’s affordability. Evidence may include a comparison of rates, loan limitations, terms, etc. for other funding sources to those forth offered by the microlender. Denial letters from other lenders are not required.

(e) Fair credit requirements. To ensure fairness, microlenders must publicize their rates and terms on a regular basis. Microlenders are also subject to Fair Credit lending laws as discussed in § 4280.305.

(f) Eligible microloan purposes. Agency loan funds may be used to make microloans as defined in § 4280.302 for any legal business purpose not identified in § 4280.323 as an ineligible purpose. Microlenders may make microloans for qualified business activities and expenses including, but not limited to:

(1) Working capital;

(2) The purchase of furniture, fixtures, supplies, inventory or equipment;

(3) Debt refinancing;

(4) Business acquisitions; and

(5) The purchase or lease of real estate that is already improved and will be used for the location of the subject business only, provided no demolition or construction will be accomplished with program funding. Neither interior decorating, nor the affixing of chattel to walls, floors, or ceilings are considered to be demolition or construction.

(g) Military personnel. Military personnel who are or seek to be a microentrepreneur and are on active duty with six months or less remaining in their active duty status may receive a microloan and/or technical assistance and training if they are otherwise qualified to participate in the program.

§ 4280.323 Ineligible microloan purposes and uses.

Agency loan funds will not be used for the payment of microlender administrative costs or expenses and microlenders may not make microloans under this program for any of purposes and uses identified as ineligible in paragraphs (a) through (p) of this section.

(a) Construction costs.

(b) Any amount in excess of that needed by a microborrower to accomplish the immediate business goal.

(c) Assistance that will cause a conflict of interest or the appearance of a conflict of interest including but not limited to:

(1) Financial assistance to principals, directors, officers, or employees of the microlender, or their close relatives as defined; and

(2) Financial assistance to any entity the result of which would appear to benefit the microlender or its principals, directors, or employees, or their close relatives, as defined, in any way other than the normal repayment of debt.

(d) Distribution or payment to a microborrower when such will use any portion of the microloan for other than the purpose for which it was intended.

(e) Distribution or payment to a charitable institution not gaining revenue from sales or fees to support the operation and repay the microloan.

(f) Microloans to a fraternal organization.
§ 4280.403 General

§ 4280.401 Purpose.

This subpart implements the RBDG program administered by the Agency. Grants made under this subpart will be made to eligible entities for use in funding various business opportunity and business enterprise Projects that serve Rural Areas.

§ 4280.402 [Reserved]

§ 4280.403 Definitions.

Administrator. The Administrator of RBS or designees or successors.

Agency. Rural Business-Cooperative Service (RBS) or successor.

Agriculture Production. The cultivation, production, growing, raising, feeding, housing, breeding, hatching, or managing of crops, plants, animals or birds, either for fiber, food for human consumption, or livestock feed.

Arm’s-length Transaction. The sale, release, or disposition of assets in which the title to the property passes to a ready, willing, and able disinterested third party that is not affiliated with or related to and has no security, monetary, or stockholder interest in the grantee or transferor at the time of the transaction.

Business Support Centers. Centers established to provide assistance to businesses in such areas as counseling, business planning, training, management assistance, marketing information, and locating financing for business operations. The centers need not be located in a Rural Area, but must provide assistance to businesses located in Rural Areas.

Departmental Grant Regulations. The USDA grant regulations at 2 CFR chapter IV.

Economic Development. The industrial, business and financial augmentation of an area as evidenced by increases in total income, employment opportunities, value of production, duration of employment, or diversification of industry, reduced outmigration, higher labor force participation rates or wage levels or gains in other measurements of economic activity, such as land values.

Indian Tribe (Tribal). Indian Tribes on Federal and State reservations and
other federally recognized Indian Tribal groups.

Industrial Site. The development of undeveloped real estate for uses which will assist Small and Emerging Businesses.

Long-term. The period of time covered by the three most recent decennial censuses of the United States to the present.

Nonprofit. An entity chartered as a nonprofit organization under applicable State or Tribal law.

Other Business Development. Any business related activity that will assist Small and Emerging Businesses and may include but is not limited to business incubators, business training centers, and other training activity which leads directly to Small and Emerging Business development.

Planning. A process to coordinate Economic Development activities, develop guides for action, or otherwise assist local community leaders in the Economic Development of Rural Areas.

Priority Communities. Communities targeted for Agency assistance as determined by the U.S. Department of Agriculture Under Secretary for Rural Development that are experiencing trauma due to natural disasters or are undertaking or completing fundamental structural changes, have remained persistently poor, or have experienced Long-Term population decline or job deterioration.

Project. The result of the use of grant funds provided under this subpart through Technical Assistance or Planning relating to the Economic Development of a Rural Area; or the result of the use of program funds (i.e., a facility whether constructed by the applicant or a third party made with grant funds, Technical Assistance, startup operating costs, or working capital). A revolving fund established in whole or in part with grant funds will also be considered a Project.

Public Bodies/Government Entity. Public Bodies include States, counties, cities, townships, and incorporated towns and villages, boroughs, authorities, districts, and education institutions organized under State and Federal laws, and Indian Tribes.

Rural and Rural Area. As described in 7 U.S.C. 1991(a)(13)(A) and (D) et seq.

Small and Emerging Business. Any private and/or Nonprofit business which will employ 50 or fewer new employees and has less than $1 million in gross revenue; for retail operations, total sales minus cost of goods sold minus returns or for a service organization, gross revenue minus cost of providing service or for a manufacturing operation it will be total sales minus cost of raw materials minus the cost of production.

State. Any of the 50 States, the Commonwealth of Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, the Republic of Palau, the Federated States of Micronesia, and the Republic of the Marshall Islands.

Technical Assistance. A function performed for the benefit of a private business enterprise or a community and which is a problem solving activity, such as market research, product and/or service improvement, feasibility study, etc., to assist in the Economic Development of a Rural Area.

§ 4280.404 Exception authority.

The Administrator may make an exception, on a case-by-case basis, to any requirement or provision of this subpart that is not inconsistent with any authorizing statute or applicable law if the Administrator determines that application of the requirement or provision would adversely affect the Government’s financial interest.

§ 4280.405 Review or appeal rights.

A person may seek a review of an Agency decision under this subpart from the appropriate Agency official that oversees the program in question or appeal to the National Appeals Division in accordance with 7 CFR part 11.

§ 4280.406 Conflict of interest.

(a) General. No conflict of interest or appearance of conflict of interest will be allowed. For purposes of this subpart, Conflict of Interest includes, but is not limited to, distribution or payment of grant, guaranteed loan funds, and matching funds or award of Project construction contracts to an individual owner, partner, or stockholder, or to a beneficiary or immediate family of the
applicant or grantee when the recipient will retain any portion of ownership in the applicant’s or grantee’s Project. Grant and matching funds may not be used to support costs for services or goods going to, or coming from, a person or entity with a real or apparent conflict of interest. All transactions must be Arm’s-length Transactions.

(b) Assistance to employees, relatives, and associates. The Agency will process any requests for assistance under this subpart in accordance with 7 CFR part 1900, subpart D.

(c) Member/delegate clause. No member of or delegate to Congress shall receive any share or part of this grant or any benefit that may arise therefrom; but this provision shall not be construed to bar, as a contractor under the grant, a publicly held corporation whose ownership might include a member of Congress so long as the member’s ownership is less than 10 percent.

§ 4280.407 Statute and regulation references.

All references to statutes and regulations are to include any and all successor statutes and regulations.

§ 4280.408 U.S. Department of Agriculture departmental regulations and laws that contain other compliance requirements.

(a) Departmental regulations. All funded under this subpart are subject to the provisions of the Departmental Regulations, as applicable, which are incorporated by reference herein.

(b) Equal opportunity and nondiscrimination. The Agency will ensure that equal opportunity and nondiscrimination requirements are met in accordance with the Equal Credit Opportunity Act, 15 U.S.C. 1691 et seq., and 7 CFR part 15d. “Nondiscrimination in Programs and Activities Conducted by the United State Department of Agriculture.” The Agency will not discriminate against applicants on the basis of race, color, religion, national origin, sex, marital status, or age (provided that the applicant has the capacity to contract); because all or part of the applicant’s income derives from any public assistance program; or because the applicant has in good faith exercised any right under the Consumer Credit Protection Act, 15 U.S.C. 1601 et seq.

(c) Civil rights compliance. Recipients of grants must comply with the Americans with Disabilities Act of 1990, 42 U.S.C. 12101 et seq., Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d et seq., and section 504 of the Rehabilitation Act of 1973, 29 U.S.C. 794. This may include collection and maintenance of data on the race, sex, and national origin of the recipient’s membership/ownership and employees. The data must be available to conduct compliance reviews.

(1) Initial compliance reviews will be conducted by the Agency prior to funds being obligated.

(2) Grants will require one subsequent compliance review following Project completion. This will occur prior to the last disbursement of grant funds.

(d) Environmental requirements. 7 CFR part 1940, subpart G or successor regulation applies to this subpart. Prospective applicants are advised to contact the Agency to determine environmental requirements as soon as practicable after they decide to pursue any form of financial assistance directly or indirectly available through the Agency.

(1) Any required environmental review must be completed by the Agency prior to the Agency obligating any funds.

(2) The applicant will be notified of all specific compliance requirements, including, but not limited to, the publication of public notices, and consultation with State Historic Preservation Offices (or Tribal Historic Preservation Offices where appropriate) and the U.S. Fish and Wildlife Service.

(3) A site visit by the Agency may be scheduled, if necessary, to determine the scope of the review.

(4) Applications for Technical Assistance or Planning Projects are generally excluded from the environmental review process by § 1940.333 of this title provided the assistance is not related to the development of a specific site. However, as further specified in 7 CFR 1940.330, the grantee for a Technical Assistance grant, in the process of providing Technical Assistance,
must consider the potential environmental impacts of the recommendations provided to the recipient of the Technical Assistance.

(5) Applicants for grant funds must consider and document within their plans the important environmental factors within the Planning area and the potential environmental impacts of the plan on the Planning area, as well as the alternative Planning strategies that were reviewed.

(6) Whenever an applicant files an application that includes a direct construction Project and a plan, they must have a separate environmental evaluation.

(e) Discrimination complaints—(1) Who may file. Persons or a specific class of persons believing they have been subjected to discrimination prohibited by this section may file a complaint personally, or by an authorized representative with USDA, Director, Office of Adjudication, 1400 Independence Avenue SW., Washington, DC 20250.

(2) Time for filing. A complaint must be filed no later than 180 days from the date of the alleged discrimination, unless the time for filing is extended by the designated officials of USDA or the Agency.

(f) Uniform Relocation and Real Property Acquisition Policies Act. All Projects must comply with the requirements set forth in 7 CFR part 21.

(g) Floodplains and wetlands. All Projects must comply with Executive Order 11988 “Floodplain Management” and Executive Order 11990 “Protection of Wetlands.” The applicable regulations are codified at 44 CFR parts 59 through 80.

§4280.409 [Reserved]

§4280.410 Other laws and regulations that contain compliance requirements for this program.

(a) Equal employment opportunity. For all construction contracts and grants in excess of $10,000, the contractor must comply with Executive Order 11246, as amended by Executive Order 11375, and as supplemented by applicable Department of Labor regulations (41 CFR part 60-1). The applicant is responsible for ensuring that the contractor complies with these requirements.

(b) Architectural barriers. All facilities financed with Zero-Interest Loans that are open to the public or in which persons may be employed or reside must be designed, constructed, or altered to be readily accessible to and usable by disabled persons. Standards for these facilities must comply with the Architectural Barriers Act of 1968, as amended, (42 U.S.C. 4151–4157).

(c) Uniform relocation assistance. Relocations in connection with these programs are subject to 49 CFR part 24 as referenced by 7 CFR part 21 except that the provisions in title III of the Uniform Act do not apply to these programs.

(d) Drug-free workplace. Grants made under these programs are subject to the requirements contained in 2 CFR chapter IV which implements the Drug-Free Workplace Act. RBDG recipients will be required to certify that it will establish and make a good faith effort to maintain a drug-free workplace program.

(e) Debarment and suspension. The requirements of 2 CFR chapter IV are applicable to this program.

(f) Intergovernmental review of Federal programs. These programs are subject to the requirements of Executive Order 12372 and 2 CFR chapter IV. Proposed Projects are subject to the State and local government review process contained in 2 CFR chapter IV.

(g) Restrictions on lobbying. The restrictions and requirements imposed by 31 U.S.C. 1352, and 2 CFR chapter IV, are applicable to these programs.

(h) Earthquake hazards. These programs are subject to the seismic requirements of the Earthquake Hazards Reduction Act of 1977 (42 U.S.C. 7701–7706).

(i) Affirmative fair housing. If applicable, the grantee will be required to comply with the Affirmative Fair Housing Act (42 U.S.C. 3601–3631 and 24 CFR part 100).

(j) Flood hazard insurance. The RBDG program is subject to the National Flood Insurance Act of 1968 and the Flood Disaster Protection Act of 1973, as amended by 42 U.S.C. 4001–4129 and 7 CFR part 1806, subpart B.
§ 4280.415 Rural Business Development Grants.

Sections 4280.416 through 4280.439 identify the provisions that the Agency will use for making awards for Rural Business Development Grants.

ELIGIBILITY

§ 4280.416 Applicant eligibility.

To receive an RBDG under this subpart, an applicant must meet the requirements specified in paragraphs (a) through (e) of this section. If an award is made to an applicant, that applicant (grantee) must continue to meet the requirements specified in this section. If the grantee does not, then grant funds may be recovered from the grantee by the Agency in accordance with Departmental Regulations.

(a) Type of applicant. The Applicant must be one of the following:

(1) A Public Body/Government Entity;

(2) An Indian Tribe; or

(3) A Nonprofit entity.

(b) Financial strength and expertise. The Applicant must have sufficient financial strength and expertise in activities proposed in the application to ensure accomplishment of the described activities and objectives.

(c) Business opportunity. The Applicant must not have any delinquent debt to the Federal Government. If an applicant has any delinquent debt to the Federal Government, the applicant will be ineligible to receive any funds obligated under this subpart until the debt has been paid.

(d) Legal authority and responsibility. Each Applicant must have the legal authority necessary to apply for and carry out the purpose of the grant.

§ 4280.417 Project eligibility.

For a Project to be eligible for funding under this subpart, the proposed Project must meet each of the requirements specified in paragraphs (a) through (e) of this section.

(a) Type of projects. Grant funds may be used for Projects identified in either paragraph (a)(1) of this section, business opportunity type grants, or paragraph (a)(2) of this section, business enterprise type grants. Unless otherwise

§ 4280.411 Forms, guides, and attachments.

All forms, guides, and attachments referenced in this subpart are available online at: http://forms.sc.egov.usda.gov/eForms/ or in any Rural Development State office.
announced in a Notice of Solicitation of Applications, the Agency will set aside 10 percent of its RBDG appropriation for business opportunity type grants. The Agency reserves the right to reallocate funds set aside for business opportunity type grants to business enterprise type grants if it becomes apparent to the Agency that there is insufficient demand for the funds set aside for the business opportunity type grants.

(1) **Business opportunity Projects.** Grant funds may be used for business opportunity Projects that include one or more of the following activities:

(i) Identify and analyze business opportunities that will use local rural materials or human resources. This includes opportunities in export markets, as well as feasibility and business plan studies;

(ii) Identify, train, and provide Technical Assistance to existing or prospective rural entrepreneurs and managers;

(iii) Establish Business Support Centers and otherwise assist in the creation of new Rural businesses;

(iv) Conduct local community or multi-county Economic Development Planning;

(v) Conduct leadership development training of existing or prospective adult rural entrepreneurs and managers;

(vi) Establish centers for training, technology, and trade that will provide training to Rural businesses in the utilization of interactive communications technologies to develop international trade opportunities and markets; and/or

(vii) Pay reasonable fees and charges for professional services necessary to conduct the Technical Assistance, training, or planning functions.

(2) **Business enterprise projects.** Grant funds may be used to finance and/or develop Small and Emerging Businesses in Rural Areas including, but not limited to, the following activities:

(i) Acquisition and development of land, easements and rights-of-way;

(ii) Construction, conversion, enlargement, repairs or modernization of buildings, plants, machinery, equipment, access streets and roads, parking areas, utilities, and pollution control and abatement facilities;

(iii) Provision of loans for startup operating cost and working capital;

(iv) Reasonable fees and charges for professional services necessary for the planning and development of the Project;

(v) Establishment of a revolving loan fund to provide financial assistance to third parties through a loan; and

(vi) Establishment, expansion, and operation of Rural distance learning networks or development of Rural learning programs that provide educational instruction or job training instruction related to potential employment or job advancements for adult students;

(vii) Provision of Technical Assistance for Small and Emerging Businesses, including but not limited to feasibility studies and business plans; and/or

(viii) Provision of Technical Assistance and training to rural communities for the purpose of improving passenger transportation services or facilities.

(b) **Result of projects.** (1) For business opportunity type grants, the Project must have a reasonable prospect that the Project will result in the Economic Development of a Rural Area.

(2) For business enterprise type grants, the Project must have a reasonable prospect that it will result in the development or financing of Small and Emerging Businesses.

(c) **Basis for success or failure.** Grants may be made only when the application demonstrates a need for the Project and includes a basis for determining the success or failure of the Project and individual major elements of the Project and outlines procedures that will be taken to assess the Project’s impact at its conclusion.

(d) **Local and area-wide strategic plans.** Business opportunity type grants may be made only when the proposed Project is consistent with any local and area-wide strategic plans for community and Economic Development, coordinated with other Economic Development activities in the Project area, and consistent with any Rural Development State Strategic Plan.
FUNDING PROVISIONS

§ 4280.421 Term requirement.

A grant may be considered for the amount needed to assist with the completion of a proposed Project, provided that the Project can reasonably be expected to be completed within 1 full year after it has begun.

§ 4280.422 Joint funding.

To the extent permitted by law, Agency grant funds may be used jointly and in proportion with funds furnished by the grantee or from other sources including Agency loan funds.

§ 4280.423 Ineligible uses of grant funds.

Grant funds may not be used towards any of the uses identified in paragraphs (a) through (n) of this section.

(a) Duplicate current services or substitute support previously provided. If the current service is inadequate, however, grant funds may be used to expand the level of effort or services beyond what is currently being provided.

(b) Pay costs of preparing the application package for funding under this program or any other program.

(c) Pay costs for any expenses incurred prior to receipt of a full application, except for those permitted under Departmental Regulations.

(d) Fund political activities.

(e) Pay for assistance to any private business enterprise which does not create and/or support jobs in the United States.

(f) Pay any judgment or debt owed to the United States.

(g) Fund Agriculture Production either directly or through horizontally integrated livestock operations except for commercial nurseries, timber operations or limited Agricultural Production related to Technical Assistance Projects. The following are not considered Agriculture Production:

1. Aquaculture, including conservation, development, and utilization of water for aquaculture;
2. Commercial fishing;
3. Commercial nurseries engaged in the production of ornamental plants and trees and other nursery products such as bulbs, flowers, shrubbery, flower and vegetable seeds, sod, and the growing of plants from seed to the transplant stage;
4. Forestry, which includes businesses primarily engaged in the operation of timber tracts, tree farms, and forest nurseries and related activities such as reforestation; or
5. The growing of mushrooms or hydroponics.

(h) To finance comprehensive area-wide type Planning. This does not preclude the use of grant funds for Planning for a given Project.

(i) To make loans when the rates, terms, and charges for those loans are not reasonable or would be for purposes not eligible under 7 CFR part 4274, subpart D.

(j) For programs operated by cable television systems.

(k) To fund a part of a Project that is dependent on other funding unless there is a firm commitment of the other funding to ensure completion of the Project.

(l) To pay for Technical Assistance that duplicates assistance provided to implement an action plan funded by the Forest Service (FS) under the National Forest-Dependent Rural Communities Economic Diversification Act for 5 continuous years from the date of grant approval by the FS. To avoid duplicate assistance, the grantee shall coordinate with FS and the Agency to ascertain if a grant has been made in a substantially similar geographical or defined local area in a State for Technical Assistance under the FS program. The grantee will provide documentation to FS and the Agency regarding the contact with each agency.

(m) Pass through grants. Pass through grants are for, but not limited to:

1. The purchase, refurbishing, or remodeling of real estate for use as a business incubator without charging a fair market rental;
2. The purchase of equipment for use by an ultimate recipient without charging a fair market rental; and
3. The making of a Revolving Loan Fund (RLF) loan without taking appropriate security to reasonably assure repayment of the loan.
§§ 4280.424–4280.426  
For a Project that would result in the transfer of existing employment or business activity more than 25 miles from its existing location.

§§ 4280.424–4280.426  [Reserved]

§ 4280.427 Application.

Applications for an RBDG grant as specified in §4280.417(a)(1) and (2) must contain the following:

(a) An original and one copy of SF 424, "Application For Federal Assistance (For Non-construction);"

(b) Copies of applicant’s organizational documents showing the applicant’s legal existence and authority to perform the activities under the grant;

(c) A proposed scope of work, including a description of the proposed Project, e.g., RLF, Technical Assistance, Industrial Site, Business Opportunity and Other Business Development, details of the proposed activities to be accomplished and timeframes for completion of each task, the number of months duration of the Project, and the estimated time it will take from grant approval to beginning of Project implementation;

(d) A written narrative that includes, at a minimum, the following items:

(1) An explanation of why the Project is needed, the benefits of the proposed Project, and how the Project meets the grant eligible purposes;

(2) Area to be served, identifying each governmental unit, i.e. town, county, etc., to be affected by the Project;

(3) Description of how the Project will coordinate Economic Development activities with other Economic Development activities within the Project area;

(4) Business to be assisted, if appropriate, and Economic Development to be accomplished;

(5) An explanation of how the proposed Project will result in newly created, increased, or supported jobs in the area and the number of projected new and supported jobs within the next 3 years;

(6) A description of the applicant’s demonstrated capability and experience in providing the proposed Project assistance or similar Economic Development activities, including experience of key staff members and persons who will be providing the proposed Project activities and managing the Project;

(7) The method and rationale used to select the areas and businesses that will receive the service;

(8) A brief description of how the work will be performed including whether organizational staff or consultants or contractors will be used; and

(9) Other information the Agency may request to assist it in making a grant award determination;

(e) The latest 3 years of financial information to show the applicant’s financial capacity to carry out the proposed work. If the applicant is less than 3 years old, at a minimum, the information should include all balance sheet(s), income statement(s) and cash flow statement(s). A current audited report is required if available;

(f) Intergovernmental review comments from the State Single Point of Contact, or evidence that the State has elected not to review the program under Executive Order 12372;

(g) Documentation regarding the availability and amount of other funds to be used in conjunction with the funds from the RBDG;

(h) A budget which includes salaries, fringe benefits, consultant costs, indirect costs, and other appropriate direct costs for the Project; and

(i) RBDG construction Project grants must conform with 7 CFR part 1924, subpart A requirements.

§§ 4280.428–4280.429  [Reserved]

§ 4280.430 Notification of decision.

When the Agency has determined that an application is not eligible or that no further action will be taken, the Agency will notify the applicant in writing of the reasons why the application was not favorably considered and provide any appeal rights.

§§ 4280.431–4280.433  [Reserved]

§ 4280.434 General processing and scoring provisions.

The Agency will review each application for assistance in accordance with
the priorities established in §4280.435. The Agency will assign each application a priority rating and will select applications for funding based on the priority ratings and the total funds available to the program.

(a) Applications. The Agency will score each application based on the information contained in the application and its supporting information. All applications submitted for funding must contain sufficient information to permit the Agency to complete a thorough priority rating.

(b) Unfunded applications. The Agency will notify eligible applicants if funds are not available. If an applicant wishes to have their application maintained in an active file for future consideration, the applicant must revise and update their application in writing for the Agency to reconsider in a future funding cycle.

§4280.435 Scoring criteria.

The Agency will use the criteria in this section to score applications for purposes identified under §4280.417(a)(1) and (2).

(a) Leveraging. If the grant will fund a critical element of a larger program of Economic Development, without which the overall program either could not proceed or would be far less effective, or if the program to be assisted by the grant will also be partially funded from other sources, points will be awarded as follows. If points are awarded for leveraging, funds must be spent proportionally, and if leveraged funds are not utilized proportionately with the grant, the Agency reserves the right to take any legal action, including terminating the grant.

(1) If Rural Development’s portion of Project funding is:
   (i) Less than 20 percent—30 points;
   (ii) 20 but less than 50 percent—20 points;
   (iii) 50 but less than 75 percent—10 points;
   (iv) 75 percent or more—0 points.

(b) Points will be awarded for each of the following criteria met by the community or communities that will receive the benefit of the grant. However, regardless of the mathematical total of points indicated by paragraphs (b)(1) through (4) of this section, total points awarded under this paragraph (b) must not exceed 40.

(1) Trauma. Experiencing trauma due to a major natural disaster that occurred not more than 3 years prior to the filing of the application for assistance—15 points;

(2) Economic distress. The community has suffered a loss of 20 percent or more in their total jobs caused by the closure of a military facility or other employers within the last 3 years—15 points;

(3) Long-term poverty. Has experienced Long-Term poverty as demonstrated by being a former Rural empowerment zone, Rural economic area partnership zone, Rural enterprise community, champion community, or a persistent poverty county as determined by USDA’s Economic Research Serviced—10 points;

(4) Population decline. Has experienced Long-Term population decline—10 points as demonstrated by the latest three decennial censuses.

(c) Population. Proposed Project(s) will be located in a community of:

(1) Under 5,000 population—15 points;

(2) Between 5,000 and less than 15,000 population—10 points;

(3) Between 15,000 and 25,000 population—5 points.

(d) Unemployment. Proposed Project(s) will be located in areas where the unemployment rate:

(1) exceeds the State rate by 25 percent or more—20 points;

(2) exceeds the State rate by less than 25 percent—10 points;

(3) is equal to or less than the State rate—0 points.

(e) Median household income. Proposed Project(s) will be located in areas where Median Household Income (MHI) as prescribed by section 673(2) of the Community Services Block Grant Act for a family of 4 for the State is:

(1) Less than poverty line—25 points;

(2) More than poverty line but less than 65 percent of State MHI—15 points;

(3) Between 65 and 85 percent of State MHI—10 points;

(4) Greater than 85 percent State MHI—0 points.

(f) Experience. Applicant has evidence of successful experience in the type of...
activity. Evidence of successful experience may be a description of experience supplied and certified by the applicant based upon its current employees’ resumes:

(1) 10 or more years—30 points;
(2) At least 5 but less than 10 years—20 points;
(3) At least 3 but less than 5 years—10 points; or
(4) At least 1 but less than 3 years—5 points.

(g) Small business start-up or expansion. Applicant has evidence that small business development will be supported by startup or expansion as a result of the activities to be carried out under the grant. Written evidence of commitment by a small, or a Small and Emerging Business must be provided to the Agency, and should include the number of jobs that will be supported and created. 5 points for each letter up to 25 points.

(h) Jobs created or supported. The anticipated development, expansion, or furtherance of business enterprises as a result of the proposed Project will create and/or support existing jobs associated with the affected businesses. The number of jobs must be evidenced by a written commitment from the business to be assisted.

(1) One job for less than $5,000—25 points;
(2) one job for $5,000 but less than $10,000—20 points;
(3) one job for $10,000 but less than $15,000—15 points;
(4) one job for $15,000 but less than $20,000—10 points; or
(5) one job for $20,000 but less than $25,000—5 points.

(i) Size of grant request. Grant Projects utilizing funds available under this subpart of:

(1) less than $100,000—25 points;
(2) $100,000 to $200,000—15 points; or
(3) more than $200,000 but not more than $500,000—10 points.

(j) Indirect cost. Applicant is not requesting grant funds to cover their administrative or indirect costs—5 points.

(k) Discretionary points. Either the State Director or Administrator may assign up to 50 discretionary points to an application. Assignment of discretionary points must include a written justification. Permissible justifications are geographic distribution of funds, special Secretary of Agriculture initiatives such as Priority Communities, or a state’s strategic goals. Discretionary points may only be assigned to initial grants. However, in the case where two Projects have the same score, the State Director may add one point to the Project that best fits the State’s strategic plan regardless of whether the Project is an initial or subsequent grant.
under this subpart on a case by case basis, and then only to eligible entities under § 4280.416.

Subpart A—General Requirements for Cooperative Services Grant Programs

SOURCE: 69 FR 23425, Apr. 29, 2004, unless otherwise noted.

§ 4284.1 Purpose.

The purpose of this subpart is to set forth definitions and requirements which are common to all grant programs set forth in this part administered by Cooperative Services within the Rural Business-Cooperative Service (RBS). Programs administered by the Business Programs within RBS are not affected by this subpart.

§ 4284.2 Policy.

It is the policy of Cooperative Services to administer grant programs as uniformly as possible to minimize unnecessary inconsistencies in the administration of the grant programs provided for in this part. The specific provisions or definitions provided in the subparts that are specific to Cooperative Services are supplemental to these general provisions. Where a specific program provision is expressly different from what is provided in this subpart, the program specific subpart shall prevail.

§ 4284.3 Definitions.

Agency—Rural Business-Cooperative Service (RBS), an agency of the United States Department of Agriculture (USDA), or a successor agency.

Agricultural Producer—Persons or entities, including farmers, ranchers, loggers, agricultural harvesters and fishermen, that engage in the production or harvesting of an agricultural product. Producers may or may not own the land or other production resources, but must have majority ownership interest in the agricultural product to which Value-Added is to accrue as a result of the project. Examples of agricultural producers include: a logger who has a majority interest in the logs harvested that are then converted to boards, a fisherman that has a majority interest in the fish caught that are then smoked, a wild herb gatherer that has a majority interest in the gathered herbs that are then converted into essential oils, a cattle feeder that has a majority interest in the cattle that are fed, slaughtered and sold as boxed beef, and a corn grower that has a majority interest in the corn produced that is then converted into corn meal.

Agricultural Product—Plant and animal products and their by-products to include forestry products, fish and seafood products.

Conflict of interest—A situation in which a person or entity has competing personal, professional, or financial interests that make it difficult for the person or business to act impartially. Regarding use of both grant and matching funds, Federal procurement standards prohibit transactions that involve a real or apparent conflict of interest for owners, employees, officers, agents, their immediate family members, partners, or an organization which is about to employ any of the
parties indicated herein, having a financial or other interest in or a tangible personal benefit from the outcome of the project; or that restrict open and free competition for unrestrained trade. Specifically, project funds may not be used for services or goods going to, or coming from, a person or entity with a real or apparent conflict of interest, including, but not limited to, owner(s) and their immediate family members. In cases of tribally-owned businesses, to avoid a conflict of interest, any business assisted by a tribe must be held through a separate entity, such as a tribal corporation. The separate entity may be owned by the tribe and distribute profits to the tribe. However, the entity’s governing board must be independent from the tribal government and be elected or appointed for a specific time period. These board members must not be subject to removal without cause by the tribal government. The entity’s board members must not, now or in the future, make up the majority of members of the tribal council or be members of the tribal council or other governing board of the tribe.

Cooperative Services—The office within RBS, and its successor organization, that administers programs authorized by the Cooperative Marketing Act of 1926 (7 U.S.C. 451 et seq.) and such other programs so identified in USDA regulations.

Economic development—The economic growth of an area as evidenced by increase in total income, employment opportunities, decreased out-migration of population, value of production, increased diversification of industry, higher labor force participation rates, increased duration of employment, higher wage levels, or gains in other measurements of economic activity, such as land values.

Farmer or Rancher Cooperative—A farmer or rancher-owned and controlled business from which benefits are derived and distributed equitably on the basis of use by each of the farmer or rancher owners.

Fixed equipment—Tangible personal property used in trade or business that would ordinarily be subject to depreciation under the Internal Revenue Code, including processing equipment, but not including property for equipping and furnishing offices such as computers, office equipment, desks or file cabinets.

Independent Producers—Agricultural producers, individuals or entities (including for profit and not for profit corporations, LLCs, partnerships or LLPs), where the entities are solely owned or controlled by Agricultural Producers who own a majority ownership interest in the agricultural product that is produced. An independent producer can also be a steering committee composed of independent producers in the process of organizing an association to operate a Value-Added venture that will be owned and controlled by the independent producers supplying the agricultural product to the market. Independent Producers must produce and own the agricultural product to which value is being added. Producers who produce the agricultural product under contract for another entity but do not own the product produced are not independent producers.

Majority-Controlled Producer-Based Business Venture—A venture where more than 50% of the ownership and control is held by Independent Producers, or, partnerships, LLCs, LLPs, corporations or cooperatives that are themselves 100 percent owned and controlled by Independent Producers.

Matching Funds—Cash or confirmed funding commitments from non-Federal sources unless otherwise provided by law. Unless otherwise provided, in-kind contributions that conform to the provisions of 2 CFR part 200 as adopted by USDA in 2 CFR part 400 can be used as matching funds. Examples of in-kind contributions include volunteer services furnished by professional and technical personnel, donated supplies and equipment, and donated office space. Matching funds must be provided in advance of grant funding, such that for every dollar of grant that is advanced, not less than the pro-rata portion of matching funds shall have been expended prior to submitting the request for reimbursement. Matching funds are subject to the same use restrictions as grant funds.

National Office—USDA RBS headquarters in Washington, DC.
§ 4284.4 Nonprofit institution—Any organization or institution, including an accredited institution of higher education, no part of the net earnings of which may inure, to the benefit of any private shareholder or individual.

Product segregation—Physical separation of a product or commodity from similar products. Physical separation requires a barrier to prevent mixing with the similar product.

Public body—Any state, county, city, township, incorporated town or village, borough, authority, district, economic development authority, or Indian tribe on federal or state reservations or other federally recognized Indian tribe in rural areas.

RFP—Request for Proposals.

Rural and rural area—includes all the territory of a state that is not within the outer boundary of any city or town having a population of 50,000 or more and the urbanized area contiguous and adjacent to such city or town, as defined by the U.S. Bureau of the Census using the most recent decennial Census of the United States.

Rural Development—A mission area within the USDA consisting of the Office of Under Secretary for Rural Development, Office of Community Development, Rural Business-Cooperative Service, Rural Housing Service and Rural Utilities Service and their successors.

State—includes each of the several States, the Commonwealth of Puerto Rico, the Virgin Islands of the United States, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, and, as may be determined by the Secretary to be feasible, appropriate and lawful, the Freely Associated States and the Federated States of Micronesia.

State Office—USDA Rural Development offices located in each state.

Value-Added—The incremental value that is realized by the producer from an agricultural commodity or product as the result of a change in its physical state, differentiated production or marketing, as demonstrated in a business plan, or Product segregation. Also, the economic benefit realized from the production of farm or ranch-based renewable energy. Incremental value may be realized by the producer as a result of either an increase in value to buyers or the expansion of the overall market for the product. Examples include milling wheat into flour, slaughtering livestock or poultry, making strawberries into jam, the marketing of organic products, wind or hydro power produced on land that is farmed and collecting and converting methane from animal waste to generate energy. Identity-preserved marketing systems include labeling that identifies how the product was produced and by whom.

§ 4284.4 Appeals.

Any appealable adverse decision made by the Agency may be appealed in accordance with USDA appeal regulations found at 7 CFR part 11 and subpart B of part 1900. If the Agency makes a determination that a decision is not appealable, a participant may request that it be reviewed by the Director of the National Appeals Division.

§ 4284.5 [Reserved]

§ 4284.6 Applicant eligibility.

An outstanding judgment obtained against an applicant by the United States in a Federal Court (other than in the United States Tax Court), which has been recorded, shall cause the applicant to be ineligible to receive any assistance until the judgment is paid in full or otherwise satisfied. RBS grant funds may not be used to satisfy the judgment.

§ 4284.7 Electronic submission.

Applicants and grant awardees are encouraged, but not required, to submit applications and reports in electronic form as prescribed in requests for proposals issued by USDA and in the applicable grant agreements.

§ 4284.8 Grant approval and obligation of funds.

The following statement will be entered in the comment section of the Request for Obligation of Funds, which must be signed by the grantee:
The grantee certifies that it is in compliance with and will continue to comply with all applicable laws, regulations, Executive Orders and other generally applicable requirements, including those contained in the applicable 7 CFR part 4284 and the Grants and Agreements Departmental Regulations as currently codified in 2 CFR parts 400, 415, 417, 418, and 421, in effect on the date of grant approval, and the approved Letter of Conditions.

[79 FR 76017, Dec. 19, 2014]

§ 4284.9 Grant disbursement.

The Agency will determine, based on 2 CFR part 200 as adopted by USDA in 2 CFR part 400 whether disbursement of a grant will be by advance or reimbursement.

[79 FR 76017, Dec. 19, 2014]

§ 4284.10 Ineligible grant purposes.

Grant funds may not be used to:

(a) Duplicate current services or replace or substitute support previously provided. If the current service is inadequate, however, grant funds may be used to expand the level of effort or services beyond what is currently being provided;

(b) Pay costs of preparing the application package for funding under this program;

(c) Pay costs of the project incurred prior to the date of grant approval;

(d) Fund political activities;

(e) Pay for assistance to any private business enterprise which does not have a least 51 percent ownership by those who are either citizens of the United States or reside in the United States after being legally admitted for permanent residence;

(f) Pay any judgment or debt owed to the United States;

(g) Plan, repair, rehabilitate, acquire, or construct a building or facility (including a processing facility);

(h) Purchase, rent or install Fixed Equipment;

(i) Pay for the repair of privately owned vehicles; or

(j) Fund research and development.

§ 4284.11 Award requirements.

In addition to specific grant requirements, all approved applicants will be required to do the following:

(a) Enter into an Agency-approved grant agreement with RBS;

(b) Disclose in writing any potential conflicts of interest and maintain written standards of conduct covering conflicts of interest, including organizational conflicts of interest in accordance with 2 CFR 400.2;

(c) Use “Request for Advance or Reimbursement” to request advances or reimbursements, as applicable, but not more frequently than once a month;

(d) Maintain a financial management system that is acceptable to the Agency; and

(e) Collect and maintain data on race, sex and national origin of the beneficiaries of the project.

§ 4284.12 Reporting requirements.

Grantees must submit the following to USDA:

(a) A “Financial Status Report” listing expenditures according to agreed upon budget categories, on a semi-annual basis. Reporting periods end as identified in the grant agreement or applicable program attachment. Reports are due 30 days after the reporting period ends. Failure to submit the required reports within the specified time frame is considered cause for suspension or termination of the grant.

(b) Semi-annual performance reports that compare accomplishments to the objectives stated in the proposal. Identify all tasks completed to date and provide documentation supporting the reported results. If the original schedule provided in the work plan is not being met, the report should discuss the problems or delays that may affect completion of the project. Objectives for the next reporting period should be listed. Compliance with any special condition on the use of award funds should be discussed. Reports are due as provided in paragraph (a) of this section. The supporting documentation for completed tasks include, but are not limited to, feasibility studies, marketing plans, business plans, articles of
§ 4284.13 Confidentiality of reports.

All reports submitted to the Agency will be held in confidence to the extent permitted by law.

§ 4284.14 Grant servicing.

Grants will be serviced in accordance with 7 CFR part 1951, subparts E and O and the Departmental Grants and Agreements Regulations as currently codified in 2 CFR parts 400, 415, 417, 418, and 421. The only exception is that the delegation of post-award servicing does not require the prior approval of the Administrator. Grantees will permit periodic inspection of the program operations by a representative of the Agency. All non-confidential information resulting from the Grantee’s activities shall be made available to the general public on an equal basis.

§ 4284.15 Performance reviews.

(a) USDA will incorporate performance criteria in grant award documentation and will regularly evaluate the progress and performance of grant awardees.

(b) USDA may elect to suspend or terminate a grant in all or part, or funding of a particular workplan activity, but nevertheless fund the remainder of a request for an advance or reimbursement, as applicable, where USDA has determined:

(1) That the grantee or subrecipient of grant funds has demonstrated insufficient progress in complying with the terms of the grant agreement;

(2) There is reason to believe that other sources of joint funding have not been or will not be forthcoming on a timely basis; or

(3) Such other cause as USDA identifies in writing to the grantee (including but not limited to the use of Federal grant funds for ineligible purposes).

§ 4284.16 Other considerations.

(a) Environmental review. All grants made under this subpart are subject to the requirements of 7 CFR part 1940, subpart G. Applications for technical assistance or planning projects are generally excluded from the environmental review process by §1940.333, provided the assistance is not related to the development of a specific site. Applicants for grant funds must consider and document within their plans the important environmental factors within the planning area and the potential environmental impacts of the plan on the planning area, as well as the alternative planning strategies that were reviewed.

(b) Civil rights. All grants made under this subpart are subject to the requirements of title VI of the Civil Rights Act of 1964, which prohibits discrimination on the basis of race, color and national origin as outlined in 7 CFR part 1901, subpart E. In addition, the grants made under this subpart are subject to the requirements of section 504 of the Rehabilitation Act of 1973, as amended, which prohibits discrimination on the basis of disability; the requirements of the Age Discrimination Act of 1975, which prohibits discrimination on the basis of age; and title III of the Americans with Disabilities Act, which prohibits discrimination on the basis of disability by private entities in places of public accommodations. This program will also be administered in accordance with all other applicable civil rights law.

(c) Other USDA regulations. The grant programs under this part are subject to the provisions of the following regulations, as applicable:

(1) 2 CFR part 400, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards;

(2) 2 CFR part 415, General Program Administrative Regulations;

(3) 2 CFR part 417, Nonprocurement Debarment and Suspension;

(4) 2 CFR part 418, New Restrictions on Lobbying; and
(5) 2 CFR part 421, Requirements for Drug-Free Workplace (Financial Assistance).

§ 4284.17 Member delegate clause.

No Member of Congress shall be admitted to any share or part of a grant program or any benefit that may arise there from, but this provision shall not be construed to bar as a contractor under a grant a publicly held corporation whose ownership might include a Member of Congress.

§ 4284.18 Audit requirements.

Grantees must comply with the audit requirements of 2 CFR part 200 as adopted by USDA in 2 CFR part 400. The audit requirements apply to the years in which grant funds are received and years in which work is accomplished using grant funds.

[79 FR 76017, Dec. 19, 2014]

§ 4284.19 Programmatic changes.

The Grantee shall obtain prior approval for any change to the scope or objectives of the approved project. Failure to obtain prior approval of changes to the scope of work or budget may result in suspension, termination and recovery of grant funds.

§§ 4284.20–4284.99 [Reserved]

§ 4284.100 OMB control number.

The information collection requirements contained in this regulation have been approved by the Office of Management and Budget (OMB) and have been assigned OMB control number 0570–0045.

Subparts B–E [Reserved]

Subpart F—Rural Cooperative Development Grants

§ 4284.501 Purpose.

This subpart outlines the Agency’s polices and procedures for making grants for cooperative development in rural areas.

§ 4284.502 Policy.

Rural cooperative development grants will be used to facilitate the creation or retention of jobs in rural areas through the development of new rural cooperatives, Value-Added processing and rural businesses.

§ 4284.503 Program administration.

The rural cooperative development grant program is administered by Cooperative Services within the Agency.

§ 4284.504 Definitions.

Center—The entity established or operated by the grantee for rural cooperative development. It may or may not be an independent legal entity separate from the grantee.

Cooperative development—The startup, expansion or operational improvement of a cooperative to promote development in rural areas of services and products, processes that can be used in the marketing of products, or enterprises that create Value-Added to farm products through processing or marketing activities. Development activities may include, but are not limited to, technical assistance, research services, educational services and advisory services. Operational improvement includes making the cooperative more efficient or better managed.

1994 Institution—means a college identified as such for purposes of the Equity in Educational Land-Grant Status Act of 1994 (7 U.S.C. 301 note). Contact the Agency for a list of currently eligible colleges.

Project—A planned undertaking by a Center that utilizes the funds provided to it to promote economic development in rural areas through the creation and enhancement of cooperatives.

§§ 4284.505–4284.506 [Reserved]

§ 4284.507 Eligibility for grant assistance.

Grants may be made to Nonprofit corporations and institutions of higher education. Grants may not be made to Public bodies.
§ 4284.508 Use of grant funds.

Grant funds may be used to pay up to 75 percent (95 percent where the grantee is a 1994 Institution) of the cost of establishing and operating centers for rural cooperative development. Matching funds contributed by the applicant may include a loan from another federal source. Grant funds may be used for, but are not limited to, providing the following to individuals, cooperatives, small businesses and other similar entities in rural areas served by the Center:

(a) Applied research, feasibility, environmental and other studies that may be useful for the purpose of cooperative development.

(b) Collection, interpretation and dissemination of principles, facts, technical knowledge, or other information for the purpose of cooperative development.

(c) Providing training and instruction for the purpose of cooperative development.

(d) Providing loans and grants for the purpose of cooperative development in accordance with the subpart.

(e) Providing technical assistance, research services and advisory services for the purpose of cooperative development.

§ 4284.509 Limitations on grants.

Grants made pursuant to this subpart shall be for one year or less.

§ 4284.510 Application processing.

(a) Applications. USDA will solicit applications on a competitive basis by publication of one or more Requests for Proposals (RFPs). Unless otherwise specified in the applicable RFP, applicants must file an original and one hard copy of the required forms and a proposal.

(b) Required forms. The following forms must be completed, signed and submitted as part of the application package. Other forms may be required. This will be published in the applicable RFP.

(1) “Application for Federal Assistance”

(2) “Budget Information—Non-Construction Programs”

(3) “Assurances—Non-Construction Programs”

(c) Proposal. Each proposal must contain the following elements. Additional elements may be published in the applicable RFP.

(1) Title Page.

(2) Table of Contents.

(3) Executive Summary. A summary of the proposal should briefly describe the Center, including goals and tasks to be accomplished, the amount requested, how the work will be performed and whether organizational staff, consultants or contractors will be used.

(4) Eligibility. A detailed discussion describing how the applicant meets the eligibility requirements.

(5) Proposal Narrative. The narrative portion of the proposal must include, but is not limited to, the following:

(i) Project Title. The title of the proposed project must be brief, not to exceed 75 characters, yet describe the essentials of the project.

(ii) Information Sheet. A separate one-page information sheet listing each of the evaluation criteria referenced in the RFP, followed by the page numbers of all relevant material and documentation contained in the proposal that address or support the criteria.

(iii) Goals of the Project. This section must include the following:

(A) A provision that substantiates that the Center will effectively serve rural areas in the United States;

(B) A provision that the primary objective of the Center will be to improve the economic condition of rural areas through cooperative development;

(C) A description of the contributions that the proposed activities are likely to make to the improvement of the economic conditions of the rural areas for which the Center will provide services.

(D) Provisions that the Center, in carrying out the activities, will seek, where appropriate, the advice, participation, expertise, and assistance of representatives of business, industry, educational institutions, the Federal Government, and State and local governments.

(iv) Work Plan. Applicants must discuss the specific tasks to be completed using grant and matching funds. The work plan should show how customers will be identified, key personnel to be involved, and the evaluation methods
to be used to determine the success of specific tasks and overall objectives of Center operations. The budget must present a breakdown of the estimated costs associated with cooperative development activities as well as the operation of the Center and allocate these costs to each of the tasks to be undertaken. Matching funds as well as grant funds must be accounted for in the budget.

(v) Performance Evaluation Criteria. Performance criteria suggested by the applicant for incorporation in the grant award in the event the proposal receives grant funding under this subpart. These suggested criteria are not binding on USDA.

(vi) Undertakings. The applicant must expressly undertake to do the following:

(A) Take all practicable steps to develop continuing sources of financial support for the Center, particularly from sources in the private sector;

(B) Make arrangements for the activities by the nonprofit institution operating the Center to be monitored and evaluated; and

(C) Provide an accounting for the money received by the grantee under this subpart.

(vii) Delivery of Cooperative development assistance. The applicant must describe its previous accomplishments and outcomes in Cooperative development activities and/or its potential for effective delivery of Cooperative development services to rural areas. The applicant should also describe the type(s) of assistance to be provided, the expected impacts of that assistance, the sustainability of cooperative organizations receiving the assistance, and the transferability of its Cooperative development strategy and focus to other areas of the U.S.

(viii) Qualifications of Personnel. Applicants must describe the qualifications of personnel expected to perform key center tasks, and whether these personnel are to be full/part-time Center employees or contract personnel. Those personnel having a track record of positive solutions for complex cooperative development or marketing problems, or those with a record of conducting feasibility studies that later proved to be accurate, business planning, marketing analysis, or other activities relevant to the Center’s success should be highlighted.

(ix) Support and commitments. Applicants must describe the level of support and commitment in the community for the proposed Center and the services it would provide. Plans for coordinating with other developmental organizations in the proposed service area, or with state and local government institutions should be included. Letters supporting cooperation and coordination from potential local customers should be provided.

(x) Future support. Applicants should describe their vision for Center operations beyond the first year, including issues such as sources and uses of alternative funding; reliance on Federal, state, and local grants; and the use of in-house personnel for providing services versus contracting out for that expertise. To the extent possible, applicants should document future funding sources that will help achieve long-term sustainability of the Center.

(xi) Evaluation criteria. Each of the evaluation criteria referenced in the RFP must be specifically and individually addressed in narrative form.

(6) Verification of Matching Funds. Applicants must provide a budget to support the work plan showing all sources and uses of funds during the project period. Applicants will be required to verify matching funds, both cash and in-kind. Sufficient information should be included such that USDA can verify all representations.

(7) Certification. Applicants must certify that matching funds will be available at the same time grant funds are anticipated to be spent and that matching funds will be spent in advance of grant funding, such that for every dollar of grant that is advanced, not less than an equal amount of match funds will have been funded prior to submitting the request for advance.

§ 4284.511 Evaluation screening.

The Agency will conduct an initial screening of all proposals to determine whether the applicant is eligible and whether the application is complete and sufficiently responsive to the requirements set forth in the applicable
RFP so as to allow for an informed review. Incomplete or non-responsive applications will not be evaluated further. Applicants may revise their applications and re-submit them prior to the published deadline if there is sufficient time to do so.

§ 4284.512 Evaluation process.
(a) Applications will be evaluated by qualified reviewers appointed by the Agency.
(b) After all proposals have been evaluated using the evaluation criteria and scored in accordance with the point allocation specified in the applicable RFP, the Agency will present to the Administrator of RBS a list of all applications in rank order, together with funding level recommendations.

§ 4284.513 Evaluation criteria and weights.

Unless supplemented in a RFP, the criteria listed in this section will be used to evaluate grants under this subpart. Preference will be given to items in paragraphs (a) through (f) of this section. The distribution of points to be awarded per criterion will be identified in the applicable RFP.

(a) Administrative capabilities. The application will be evaluated to determine whether the subject Center has a track record of administering a nationally coordinated, regional or state-wide operated project. Centers that have capable financial systems and audit controls, personnel and program administration performance measures and clear rules of governance will receive more points than those not evidencing this capacity.

(b) Technical assistance and other services. The Agency will evaluate the applicant’s demonstrated expertise in providing technical assistance in Rural areas.

(c) Economic development. The Agency will evaluate the applicant’s demonstrated ability to assist in the retention of businesses, facilitate the establishment of cooperatives and new cooperative approaches and generate employment opportunities that will improve the economic conditions of rural areas.

(d) Linkages. The Agency will evaluate the applicant’s demonstrated ability to create horizontal linkages among businesses within and among various sectors in rural areas of the United States and vertical linkages to domestic and international markets.

(e) Commitment. The Agency will evaluate the applicant’s commitment to providing technical assistance and other services to underserved and economically distressed areas in rural areas of the United States.

(f) Matching Funds. All applicants must demonstrate Matching Funds equal to at least 25 percent (5 percent for 1994 Institutions) of the grant amount requested. Applications exceeding these minimum commitment levels will receive more points.

(g) Delivery. The Agency will evaluate whether the Center has a track record in providing technical assistance in rural areas and accomplishing effective outcomes in cooperative development. The Center’s potential for delivering effective cooperative development assistance, the expected effects of that assistance, the sustainability of cooperative organizations receiving the assistance, and the transferability of the Center’s cooperative development strategy and focus to other States will also be assessed.

(h) Work Plan/Budget. The work plan will be reviewed for detailed actions and an accompanying timetable for implementing the proposal. Clear, logical, realistic and efficient plans will result in a higher score. Budgets will be reviewed for completeness and the quality of non Federal funding commitments.

(i) Qualifications of those Performing the Tasks. The application will be evaluated to determine if the personnel expected to perform key center tasks have a track record of positive solutions for complex Cooperative development or marketing problems, or a successful record of conducting accurate feasibility studies, business plans, marketing analysis, or other activities relevant to Cooperative development center success.

(j) Local support. Applications will be reviewed for previous and expected local support for the Center, plans for coordinating with other developmental organizations in the proposed service area and coordination with state and
local institutions. Support documentation should include recognition of rural values that balance employment opportunities with environmental stewardship and other positive rural amenities. Centers that demonstrate strong support from potential beneficiaries and formal evidence of the Center’s intent to coordinate with other developmental organizations will receive more points than those not evidencing such support and formal intent.

(k) Future support. Applications that demonstrate their vision for funding center operations for future years, including diversification of funding sources and building in-house technical assistance capacity, will receive more points for this criterion.

§ 4284.514 Grant closing.

(a) Letter of Conditions. The Agency will notify an approved applicant in writing, setting out the conditions under which the grant will be made.

(b) Applicant’s intent to meet conditions. Upon reviewing the conditions and requirements in the letter of conditions, the applicant must complete, sign and return the Agency’s “Letter of Intent to Meet Conditions,” or, if certain conditions cannot be met, the applicant may propose alternate conditions to the Agency. The Agency must concur with any changes proposed to the letter of conditions by the applicant before the application will be further processed.

(c) Grant agreement. The Agency and the grantee must enter into the Agency’s “Agriculture Innovation Center Grant Agreement” prior to the advance of funds.

§§ 4284.515–4284.599 [Reserved]

§ 4284.600 OMB control number.

The reporting and recordkeeping requirements contained in this regulation have been approved by the Office of Management and Budget and have been assigned OMB control number 0570–0006 in accordance with the Paperwork Reduction Act of 1995.

Subparts G–I [Reserved]
animal feed, live animals (except for seafood products customarily sold and/or consumed live), non-harvested plants, fiber, medicinal products, cosmetics, tobacco products, or narcotics.

Agricultural producer. (1) An individual or entity that produces an Agricultural Commodity through participation in the day-to-day labor, management, and field operations; or that has the legal right to harvest an Agricultural Commodity that is the subject of the VAPG project.

(2) The Agency shall determine the Agricultural producer status of Tribes and Tribal entities without regard to day-to-day labor, management, and field operation and right to harvest status.

Agricultural producer group. A non-profit membership organization that represents Independent Producers and whose mission includes working on behalf of Independent Producers and the majority of whose membership and board of directors is comprised of Independent Producers. The Independent Producers, on whose behalf the value-added work will be done, must be confirmed as eligible and identified by name or class.

Applicant. The legal entity submitting an application to participate in the competition for program funding. The Applicant must be legally structured to meet one of the four eligible Applicant types: Independent Producer, Agricultural Producer Group, Farmer or Rancher Cooperative, or Majority-Controlled Producer-Based Business Venture.

Beginning farmer or rancher. (1) For the purposes of determining eligibility to receive priority points under §4284.924, a Beginning Farmer or Rancher is either:

(i) An individual Independent Producer (other than a Harvester) that has operated a Farm or Ranch for no more than 10 years or

(ii) An eligible Applicant entity, other than a Harvester, that has an Applicant ownership or membership comprised entirely of (i.e., 100 percent) farmers or ranchers that have operated a Farm or Ranch for no more than 10 years.

Business plan. A formal statement of a set of business goals, the reasons why they are believed attainable, and the plan for reaching those goals, including Pro Forma Financial Statements appropriate to the term and scope of the Project and sufficient to evidence the viability of the Venture. It may also contain background information about the organization or team attempting to reach those goals.

Change in physical state. An irreversible processing activity that alters the raw Agricultural Commodity into a marketable Value-Added Agricultural Product. This processing activity must be something other than a post-harvest process that primarily acts to preserve the commodity for later sale. Examples of eligible Value-Added Agricultural Products in this category include, but are not limited to, fish fillets, diced tomatoes, bio-diesel fuel, cheese, jam, and wool rugs. Examples of ineligible products include, but are not limited to, pressure-ripened produce; raw bottled milk; container grown trees; young plants, seedlings or plugs; and cut flowers.

Conflict of interest. A situation in which a person or entity has competing personal, professional, or financial interests that make it difficult for the person or business to act impartially. Regarding use of both grant and Matching Funds, Federal procurement standards apply to the use of grant funds for purchases and hires, and prohibit transactions that involve a real or apparent Conflict of Interest for owners, employees, officers, agents, or their Immediate Family members having a financial or other interest in the outcome of the Project; or that restrict open and free competition for unrestrained trade. Specifically, grant and
Matching Funds may not be used to support costs for services or goods going to, or coming from, a person or entity with a real or apparent Conflict of Interest, including, but not limited to, owner(s) and their Immediate Family members. See §4284.925(a) and (b) for limited exceptions to this definition and practice for VAPG.

Departmental regulations. The regulations of the Department of Agriculture’s Office of Chief Financial Officer (or successor office) as codified in 2 CFR parts 200 and 400 and any successor regulations to these parts.

Emerging market. A new or developing, geographic or demographic market that is new to the Applicant or the Applicant’s product. To qualify as new, the Applicant cannot have supplied this product, geographic, or demographic market for more than two years at time of application submission.

Family farm. A Farm (or Ranch) that produces agricultural commodities for sale in sufficient quantity to be recognized as a farm and not a rural residence; whose owners are primarily responsible for daily physical labor and strategic management; whose hired help only supplements family labor; and, whose owners are related by blood or marriage or are Immediate Family.

Farm or ranch. Any place from which $1,000 or more of agricultural products were raised and sold or would have been raised and sold during the previous year, but for an event beyond the control of the farmer or rancher.

Farm- or Ranch-based renewable energy. An Agricultural Commodity that is used to generate renewable energy on a Farm or Ranch owned or leased by the Independent Producer Applicant that produces the Agricultural Commodity, such that the generated renewable energy, is utilized in such a way that the applicant can demonstrate expanded customer base and increased revenues returning to the producers of the agricultural commodity as a result of the project. On-farm generation of energy from wind, solar, geothermal or hydro sources is not eligible for this program.

Farmer or rancher cooperative. A business owned and controlled by Independent Producers that is incorporated, or otherwise identified by the state in which it operates, as a cooperatively operated business. The Independent Producers, on whose behalf the value-added work will be done, must be confirmed as eligible and identified by name or class.

Feasibility study. An analysis of the economic, market, technical, financial, and management capabilities of a proposed Project or business in terms of the Project’s expectation for success.

Fiscal year. The Federal government’s fiscal year.

Harvester. An Independent Producer of an Agricultural Commodity that is an individual or entity that can document that it has a legal right to access and harvest the majority of a primary Agricultural Commodity that will be used for the Value-Added Agricultural Product. Individuals and entities that merely glean, gather, or collect residual commodities that result from an initial harvesting or production of a primary Agricultural Commodity are not considered Harvesters and are not eligible for this program.

Immediate family. Individuals who are closely related by blood, marriage, or adoption, or live within the same household, such as a spouse, domestic partner, parent, child, brother, sister, aunt, uncle, grandparent, grandchild, niece, or nephew.

Independent Producer. (1) Individual Agricultural Producers or entities that are solely owned and controlled by Agricultural Producers. Independent Producers must produce and own more than 50 percent of the Agricultural Commodity to which value will be added as the subject of the Project proposal. Independent Producers must maintain ownership of the Agricultural Commodity or product from its raw state through the production and marketing of the Value-Added Agricultural Product. Producers who produce the Agricultural Commodity under contract for another entity, but do not own the Agricultural Commodity or Value-Added Agricultural Product produced, are not considered Independent Producers. Entities that contract out the production of an Agricultural Commodity are not considered Independent Producers. Independent Producer entities must confirm their owner members.
as eligible and must identify them by name or class.

(2) A Steering Committee must apply as an Independent Producer and form a program-eligible legal entity prior to execution of the grant agreement by the Agency. The Steering Committee and entity subsequently formed must meet all other program eligibility requirements.

(3) A Harvester must apply as an Independent Producer because harvester operations do not meet the definition requirements for a Farm or Ranch. Harvester applicants are therefore not eligible to receive Reserved Funds and/or Priority Points for a Beginning Farmer or Rancher, Socially-Disadvantaged Farmer or Rancher, operator of a Small- or Medium-sized farm or ranch that is structured as a Family Farm, or a Farmer or Rancher Cooperative, but may request Reserved Funds and/or Priority Points for qualified Mid-Tier Value Chain projects.

(4) The Agency shall determine the Independent Producer status of Tribes or Tribal entities without regard to ownership of the commodity to which value will be added so long as the tribal member participant, tribal entity and/or Tribe own and control at least 50 percent of the raw commodity necessary for the project, per the definition of Independent Producer in §4284.902.

Local or regional supply network. An interconnected group of individuals and/or entities through which agricultural based products move from production through consumption in a local or regional area of the United States. Examples of participants in a supply network may include Agricultural Producers, aggregators, processors, distributors, wholesalers, retailers, consumers, and entities that organize or provide facilitation services and technical assistance for development of such networks.

Locally-produced Agricultural Food Product. Any Agricultural Food Product, as defined in this subpart, that is raised, produced, and distributed in:

(1) The locality or region in which the final product is marketed, so that the total distance that the product is transported is less than 400 miles from the origin of the product; or

(2) The State in which the product is produced.

Majority-controlled producer-based business venture. An entity (except Farmer or Rancher Cooperatives) in which more than 50 percent of the financial ownership and voting control is held by Independent Producers. Independent Producer members must be confirmed as eligible and must be identified by name or class, along with their percentage of ownership.

Marketing plan. A plan for the project that identifies a market window, potential buyers, a description of the distribution system and possible promotional campaigns.

Matching funds. A cost-sharing contribution to the project via confirmed cash or funding commitments from eligible sources without a real or apparent Conflict of Interest, that are used for eligible project purposes during the grant funding period. Matching Funds must be at least equal to the grant amount, and combined grant and Matching Funds must equal 100 percent of the Total Project Costs. All Matching Funds must be provided for in the approved budget, must be necessary and reasonable for accomplishment of project or program objectives and can be verified by authentic documentation from the source as part of the application. Matching Funds must be provided in the form of confirmed Applicant cash, loan, or line of credit, or provided in the form of a confirmed Applicant or family member in-kind contribution that meets the requirements and limitations in §4284.925(a) and (b); or confirmed third-party cash or eligible third-party in-kind contribution; or confirmed non-federal grant sources (unless otherwise provided by law). Matching funds cannot be paid by the Federal Government under another Federal award and are not included as contributions for any other Federal Award. See examples of ineligible Matching Funds and Matching Funds verification requirements in §§4284.920 and 4284.931.

Medium-sized farm or ranch. A Farm or Ranch that is structured as a Family Farm that has averaged $500,001 to $1,000,000 in annual gross sales of agricultural commodities in the previous three years.

876
Mid-tier value chain. Local and regional supply networks that link Independent Producers with businesses, cooperatives, or consumers that market Value-Added Agricultural Products in a manner that:

(1) Targets and strengthens the profitability and competitiveness of Small- and Medium-sized Farms or Ranches that are structured as a Family Farm; and

(2) Obtains agreement from an eligible Agricultural Producer Group, Farmer or Rancher Cooperative, or Majority-Controlled Producer-Based Business Venture that is engaged in the value chain on a marketing strategy.

(3) For Mid-tier Value Chain projects, the Agency recognizes that, in a supply chain network, a variety of raw Agricultural Commodity and Value-Added Agricultural Product ownership and transfer arrangements may be necessary. Consequently, Applicant ownership of the raw Agricultural Commodity and Value-Added Agricultural Product from raw through value-added stages is not necessarily required, as long as the Mid-tier Value Chain application can demonstrate an increase in customer base and an increase in revenue returns to the Applicant producers supplying the majority of the raw Agricultural Commodity for the project.

Planning grant. A grant to facilitate the development of a defined program of economic planning activities to determine the viability of a potential value-added Venture, and specifically for the purpose of paying for conducting and developing a Feasibility Study, Business Plan, and/or Marketing Plan associated with the processing and/or marketing of a Value-Added Agricultural Product.

Produced in a manner that enhances the value of the Agricultural Commodity. The use of a recognizably coherent set of agricultural production practices in the growing or raising of the raw commodity, such that a differentiated market identity is created for the resulting product. Examples of eligible products in this category include, but are not limited to, sustainably grown apples, eggs produced from free-range chickens, or organically grown carrots.

Physical segregation. Separating an Agricultural Commodity or product on the same farm from other varieties of the same commodity or product on the same farm during production and harvesting, with assurance of continued separation from similar commodities during processing and marketing in a manner that results in the enhancement of the value of the separated commodity or product. An example of a segregated product is non-GMO corn separated from GMO corn.

Pro forma financial statement. A financial statement that projects the future financial position of a company. The statement is part of the Business Plan and includes an explanation of all assumptions, such as input prices, finished product prices, and other economic factors used to generate the financial statements. The statement must include projections for a minimum of three years in the form of cash flow statements, income statements, and balance sheets.

Project. All of the eligible activities to be funded by the grant under this subpart and Matching Funds.

Qualified consultant. An independent, third-party, without a Conflict of Interest, possessing the knowledge, expertise, and experience to perform the specific task required in an efficient, effective, and authoritative manner.

Rural Development. A mission area of the Under Secretary for Rural Development within the U.S. Department of Agriculture (USDA), which includes Rural Housing Service, Rural Utilities Service, and Rural Business-Cooperative Service and their successors.

Small-sized farm or ranch. A Farm or Ranch that is structured as a Family Farm that has averaged $500,000 or less in annual gross sales of agricultural products in the previous three years.

Socially-disadvantaged farmer or rancher. This term has the meaning given in section 355(e) of the Consolidated Farm and Rural Development Act (7 U.S.C. 2003(e)); Socially-Disadvantaged Farmer or Rancher means a farmer or rancher who is a member of a "Socially-Disadvantaged Group."

(1) For the purposes of determining eligibility to receive priority points under §4284.924, if there are multiple
§ 4284.902    7 CFR Ch. XLII (1–1–16 Edition)

farmer or rancher owners of the Applicant organization, more than 50 percent of the ownership must be held by members of a Socially-Disadvantaged Group.

(2) For the purposes of determining eligibility to received funding reserved for Socially-Disadvantaged Farmers and Ranchers under § 4284.923, if there are multiple farmer or rancher owners of the Applicant organization, all farmer and rancher owners (i.e., 100 percent) must be members of a Socially-Disadvantaged Group.

Socially-Disadvantaged group. A group whose members have been subjected to racial, ethnic, or gender prejudice because of their identity as members of a group without regard to their individual qualities.

State. Any of the 50 States of the United States, the Commonwealth of Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, the Republic of Palau, the Federated States of Micronesia, and the Republic of the Marshall Islands.

State office. USDA Rural Development offices located in each State.

Steering committee. An unincorporated group comprised wholly of specifically identified Independent Producers in the process of organizing one of the four program eligible entity types (Independent Producer, Agricultural Producer Group, Farmer or Rancher Cooperative or Majority-Controlled Producer-Based Business Venture.

Total project cost. The sum of all grant and Matching Funds in the project budget that reflects the eligible project tasks associated with the work plan.

Value-added agricultural product. Any Agricultural Commodity produced in the United States (including the Republic of Palau, the Federated States of Micronesia, the Republic of the Marshall Islands, or American Samoa), that meets the requirements specified in paragraphs (1) and (2) of this definition.

(i) The Agricultural Commodity must meet one of the following five value-added methodologies:

   (i) Has undergone a Change in Physical State;
   (ii) Was Produced in a Manner that Enhances the Value of the Agricultural Commodity;
   (iii) Is Physically Segregated in a manner that results in the enhancement of the value of the Agricultural Commodity;
   (iv) Is a source of Farm- or Ranch-based Renewable Energy, including E-85 fuel; or
   (v) Is aggregated and marketed as a Locally-Produced Agricultural Food Product.

   (2) As a result of the Change in Physical State or the manner in which the Agricultural Commodity was produced, marketed, or segregated:

   (i) The customer base for the Agricultural Commodity is expanded and
   (ii) A greater portion of the revenue derived from the marketing, processing, or physical segregation of the Agricultural Commodity is available to the producer of the commodity.

Veteran farmer or rancher. A farmer or rancher who has served in the Armed Forces, as defined in section 101(10) of title 38 United States Code, and who either has not operated a Farm or Ranch or has operated a Farm or Ranch for not more than 10 years.

(1) For the purposes of determining eligibility to receive priority points under § 4284.924, a Veteran Farmer or Rancher is either:

   (i) An individual Independent Producer (other than a Harvester) that has either never operated a Farm or Ranch or has operated a Farm or Ranch for no more than 10 years or
   (ii) An eligible Applicant entity, other than a Harvester, that has an Applicant ownership or membership of more than 50 percent Veteran Farmers or Ranchers each of whom have either never operated a Farm or Ranch or operated a Farm or Ranch for no more than 10 years.

   (2) [Reserved]

Working capital grant. A grant to provide funds to operate a value-added project, specifically to pay the eligible project expenses related to the processing and/or marketing of the Value-Added Agricultural Product that are eligible uses of grant funds.
§ 4284.903 Review or appeal rights.

A person may seek a review of an Agency decision under this subpart from the appropriate Agency official that oversees the program in question or appeal to the National Appeals Division in accordance with 7 CFR part 11.

§ 4284.904 Exception authority.

Except as specified in paragraphs (a) and (b) of this section, the Administrator may make exceptions to any requirement or provision of this subpart, if such exception is necessary to implement the intent of the authorizing statute in a time of national emergency or in accordance with a Presi-
dentially-declared disaster, or, on a case-by-case basis, when such an exception is in the best financial interests of the Federal Government and is otherwise not in conflict with applicable laws.

(a) Applicant eligibility. No exception to Applicant eligibility can be made.

(b) Project eligibility. No exception to project eligibility can be made.

§ 4284.905 Nondiscrimination and compliance with other Federal laws.

(a) Other Federal laws. Applicants must comply with other applicable Federal laws, including the Equal Em-ployment Opportunities Act of 1972, the Americans with Disabilities Act, the Equal Credit Opportunity Act, Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, and 7 CFR part 1901, subpart E.

(b) Nondiscrimination. The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual’s income is derived from any public assistance program. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA’s TARGET Center at (202) 720–2600 (voice and TDD). Any Applicant that believes it has been discriminated against as a result of applying for funds under this program should contact: USDA, Director, Office of Adju-
dication and Compliance, 1400 Independence Avenue SW., Washington, DC 20250–9410, or call (800) 795–3272 (voice) or (202) 720–6382 (TDD) for information and instructions regarding the filing of a Civil Rights complaint. USDA is an equal opportunity provider, employer, and lender.

(c) Civil rights compliance. Recipients of grants must comply with Title VI of the Civil Rights Act of 1964, and Section 504 of the Rehabilitation Act of 1973. This includes collection and main-
tenance of data on the basis of race, sex and national origin of the recipi-
ent’s membership/ownership and em-
ployees. These data must be available to conduct compliance reviews in ac-
cordance with 7 CFR part 1901, subpart E. For grants, compliance reviews will be conducted after the grantee signs the applicable Assurance Agreement, and after the last disbursement of grant funds have been made and the fa-
cility or program has been in full oper-
ations for 90 days.

(d) Executive Order 12898. When a project is proposed and financial assistance is requested, the Agency will conduct a Civil Rights Impact Analysis (CRIA) with regards to environmental justice. Civil Rights certification must be done prior to grant approval, obliga-
tion of funds, or other commitments of Agency resources, including issuance of a Letter of Conditions, whichever oc-
curs first.

§ 4284.906 State laws, local laws, reg-
ulatory commission regulations.

If there are conflicts between this subpart and State or local laws or reg-
ulatory commission regulations, the provisions of this subpart will control.

§ 4284.907 Environmental require-
ments.

All grants awarded under this subpart are subject to the environmental requirements in subpart G of 7 CFR part 1940. Applications for both Plan-
ing and Working Capital grants are
generally excluded from the environmental review process by 7 CFR 1940.333.

§ 4284.908 Compliance with other regulations.

(a) Departmental regulations. Applicants must comply with all applicable Departmental regulations and Office of Management and Budget regulations concerning grants in 2 CFR chapter IV.

(b) Cost principles. Applicants must comply with the cost principles found in 2 CFR parts 200, subpart E, 2 CFR part 400, and 48 CFR subpart 31.2.

(c) Definitions. If a term is defined differently in the Departmental Regulations, 2 CFR parts 200 through 400 or 48 CFR subpart 31.2 and in this subpart, such term shall have the meaning as found in this subpart.

§ 4284.909 Forms, regulations, and instructions.

Copies of all forms, regulations, instructions, and other materials related to the program referenced in this subpart may be obtained through the Agency’s Web site and at any Rural Development office.

§§ 4284.910–4284.914 [Reserved]

FUNDING AND PROGRAMMATIC CHANGE NOTIFICATIONS

§ 4284.915 Notifications.

In implementing this subpart, the Agency will issue public notifications addressing funding and programmatic changes, as specified in paragraphs (a) and (b) of this section, respectively. The methods that the Agency will use in making these notifications is specified in paragraph (c) of this section, and the timing of these notifications is specified in paragraph (d) of this section.

(a) Funding and simplified applications. The Agency will issue notifications concerning:

(1) The funding level, the minimum and maximum grant amounts, and any additional funding information as determined by the Agency; and

(2) The contents of simplified applications, as provided for in § 4284.932.

(b) Programmatic changes. The Agency will issue notifications of any programmatic changes specified in paragraphs (b)(1) through (4) of this section.

(1) Priority categories to be used for awarding Administrator or State Director points, which may include any of the following:

(i) Unserved or underserved areas.

(ii) Geographic diversity.

(iii) Emergency conditions.

(iv) Priority mission area plans, goals, and objectives.

(2) Additional reports that are generally applicable across projects within a program associated with the monitoring of and reporting on project performance.

(3) Any application filing instructions specified in § 4284.933.

(c) Notification methods. The Agency will issue the information specified in paragraphs (a) and (b) of this section in one or more FEDERAL REGISTER notices. If a funding level is not known at the time of notification, it will be posted to the program Web site once an appropriation is enacted. In addition, all information will be available at any Rural Development office.

(d) Timing. The Agency will issue notices under this section as follows:

(1) The Agency will make the information specified in paragraph (a) of this section available each Fiscal Year.

(2) The Agency will make the information specified in paragraph (b)(1) of this section available at least 60 days prior to the application deadline, as applicable.

(3) The Agency will make the information specified in paragraphs (b)(2) through (4) of this section available on an as needed basis.

§§ 4284.916–4284.919 [Reserved]

ELIGIBILITY

§ 4284.920 Applicant eligibility.

To be eligible for a grant under this subpart, an Applicant must demonstrate that they meet the requirements specified in paragraphs (a) through (d) of this section, as applicable, and are subject to the limitations specified in paragraphs (e) and (f) of this section.

(a) Type of Applicant. The Applicant, including any Federally-recognized
Tribes and tribal entities (Rural Development State Offices and posted application guidelines will provide additional information on Tribal eligibility), must demonstrate that they meet all definition requirements for one of the following Applicant types:

1. An Independent Producer;
2. An Agricultural Producer Group;
3. A Farmer or Rancher Cooperative;
or

Emerging market. An applicant that is an agricultural producer group, a farmer or rancher cooperative, or a majority-controlled producer-based business venture must demonstrate that they are entering into an emerging market as a result of the proposed project.

Citizenship. (1) Individual Applicants must certify that they:
   i. Are citizens or nationals of the United States (U.S.), the Republic of Palau, the Federated States of Micronesia, the Republic of the Marshall Islands, or American Samoa; or
   ii. Reside in the U.S. after legal admittance for permanent residence.

(2) Entities other than individuals must certify that they are more than 50 percent owned by individuals who are either citizens as identified under paragraph (c)(1)(i) of this section or legally admitted permanent residents residing in the U.S.

Legal authority and responsibility. Each Applicant must demonstrate that they have, or can obtain, the legal authority necessary to carry out the purpose of the grant, and they must evidence good standing from the appropriate State agency or equivalent.

Multiple grant eligibility. An Applicant may submit only one application in response to a solicitation, and must explicitly direct that it compete in either the general funds competition or in one of the named reserved funds competitions. Multiple applications from separate entities with identical or greater than 75 percent common ownership, or from a parent, subsidiary or affiliated organization (with “affiliation” defined by Small Business Administration regulation 13 CFR 121.103, or successor regulation) are not permitted. Further, Applicants who have already received a Planning Grant for the proposed project cannot receive another Planning Grant for the same project. Applicants who have already received a Working Capital Grant for the proposed project cannot receive any additional grants for that project.

Active VAPG grant. If an Applicant has an active value-added grant at the time of a subsequent application, the currently active grant must be closed out within 90 days of the application submission deadline for the subsequent competition, as published in the annual solicitation.

Ineligible Applicants.

(a) Consistent with the Departmental Regulations, an Applicant is ineligible if the Applicant is debarred or suspended or is otherwise excluded from, or ineligible for participation in, Federal assistance programs under Executive Order 12549, “Debarment and Suspension.”

(b) An Applicant will be considered ineligible for a grant due to an outstanding judgment obtained by the U.S. in a Federal Court (other than U.S. Tax Court), is delinquent on the payment of Federal income taxes, or is delinquent on Federal debt.

Project eligibility.

To be eligible for a VAPG grant, the application must demonstrate that the project meets the requirements specified in paragraphs (a) through (c) of this section, as applicable.

(a) Product eligibility. Each product that is the subject of the proposed project must meet the definition of a Value-Added Agricultural Product.

(b) Purpose eligibility. (1) The grant funds requested must not exceed any maximum amounts specified in the annual solicitation for Planning and Working Capital Grant requests, per §4284.915.

(2) The Matching Funds required for the project budget must be eligible and without a real or apparent Conflict of Interest, available during the project period, and source verified in the application.

(3) The proposed project must be limited to eligible planning or working capital activities as defined at §4284.925, as applicable, with eligible
§4284.922  

tasks directly related to the processing and/or marketing of the subject Value-Added Agricultural Product, to be demonstrated in the required work plan and budget as described at §4284.922(b)(5).

(4) Applications that propose ineligible expenses in excess of 10 percent of Total Project Costs will be deemed ineligible to compete for funds. Applicants who submit applications containing ineligible expenses totaling less than 10 percent of Total Project Costs must remove those expenses from the project budget or replace with eligible expenses, if selected for an award.

(5) The project work plan and budget must demonstrate eligible sources and uses of funds and must:

(i) Present a detailed narrative description of the eligible activities and tasks related to the processing and/or marketing of the Value-Added Agricultural Product along with a detailed breakdown of all estimated costs allocated to those activities and tasks;

(ii) Identify the key personnel that will be responsible for overseeing and/or conducting the activities or tasks and provide reasonable and specific timeframes for completion of the activities and tasks;

(iii) Identify the sources and uses of grant and Matching Funds for all activities and tasks specified in the budget; and indicate that Matching Funds will be spent at a rate equal to or in advance of grant funds; and

(iv) Present a project budget period that commences within the start date range specified in the annual solicitation, concludes not later than 36 months after the proposed start date, and is scaled to the complexity of the project.

(6) Except as noted in paragraphs (b)(6)(i) and (ii) of this section, working capital applications must include a Feasibility Study and Business Plan completed specifically for the proposed value-added project by a Qualified Consultant. The Agency must concur in the acceptability or adequacy of the Feasibility Study and Business Plan for eligibility purposes.

(i) An Independent Producer Applicant seeking a Working Capital Grant of $50,000 or more, who can demonstrate that they are proposing market expansion for an existing Value-Added Agricultural Product(s) that they currently own and produce from at least 50 percent of their own Agricultural Commodity and that they have produced and marketed for at least 2 years at time of application submission, may submit a Business Plan or Marketing Plan for the value-added project in lieu of a Feasibility Study. The Applicant must still adequately document increased customer base and increased revenues returning to the Applicant producers as a result of the project in their application, and meet all other eligibility requirements. Further, the waiver of the independent Feasibility Study does not change the proposal evaluation or scoring elements that pertain to issues that might be supported by an independent Feasibility Study, so Applicants are encouraged to well-document their project plans and expectations for success in their proposals.

(ii) All four Applicant types that submit a Simplified Application for Working Capital Grant funds of less than $50,000 are not required to provide an independent Feasibility Study or Business Plan for the Project/Venture, but must provide adequate documentation to demonstrate the expected increases in customer base and revenues resulting from the project that will benefit the producer Applicants supplying the majority of the Agricultural Commodity for the project. All other eligibility requirements remain the same. The waiver of the requirement to submit a Feasibility Study and Business Plan does not change the proposal evaluation or scoring elements that pertain to issues that might be supported by a Feasibility Study or Business Plan, so Applicants are encouraged to well-document their project plans and expectations for success in their proposals.

(7) All applicants applying for Working Capital Grant funds must document the quantity of the raw Agricultural Commodity that will be used for the Value-Added Agricultural Product, expressed in an appropriate unit of measure (pounds, tons, bushels, etc.) to demonstrate the scale of the applicant’s project. This quantification must include an estimated total quantity of the Agricultural Commodity...
needed for the project, the quantity that will be provided (produced and owned) by the Agricultural Producers of the applicant organization, and the quantity that will be purchased or donated from third-party sources.

§ 4284.923 Reserved funds eligibility.

The Applicant must meet the requirements specified in this section, as applicable, if the Applicant chooses to compete for reserved funds. A Harvester is not eligible to compete for reserved funds under paragraph (a) of this section, but is eligible to compete for reserved funds under paragraph (b) of this section. In accordance with application deadlines, all eligible, but unfunded reserved funds applications will be eligible to compete for general funds in that same Fiscal Year, as funding levels permit.

(a) If the Applicant is applying for Beginning Farmer or Rancher or Socially-Disadvantaged Farmer or Rancher reserved funds, the Applicant must provide the following documentation to demonstrate that the applicant meets all of the requirements for the applicable definition found in § 4284.902.

(1) For beginning farmers and ranchers (including veterans), documentation must include a description from each of the individual owner(s) of the applicant farm or ranch organization, addressing the qualifying elements in the beginning farmer or rancher definition, including the length and nature of their individual owner/operator experience at any farm in the previous 10 years, along with one IRS income tax form from the previous 10 years showing that each of the individual owner(s) did not file farm income; or a detailed letter from a certified public accountant or attorney certifying that each owner meets the reserved funds beginning farmer or rancher eligibility requirements. For applicant entities with multiple owners, all owners must be eligible beginning farmers or ranchers.

(2) For Socially-Disadvantaged farmers and ranchers, documentation must include a description of the applicant’s farm or ranch ownership structure and demographic profile that indicates the owners’ membership in a Socially-Disadvantaged group that has been subjected to racial, ethnic or gender prejudice; including identifying the total number of owners of the applicant organization; along with a self-certification statement from the individual owner(s) evidencing their membership in a Socially-Disadvantaged group. All farmer and rancher owners must be members of a Socially-Disadvantaged group.

(b) If the Applicant is applying for Mid-Tier Value Chain reserved funds, the Applicant must be one of the four VAPG Applicant types. The application must:

(1) Provide documentation demonstrating that the project meets the definition of Mid-Tier Value Chain;

(2) Demonstrate that the project proposes development of a Local or Regional Supply Network of an interconnected group of entities (including nonprofit organizations, as appropriate) through which agricultural commodities and Value-Added Agricultural Products move from production through consumption in a local or regional area of the United States, including a description of the network, its component members, either by name or by class, and its purpose;

(3) Describe at least two alliances, linkages, or partnerships within the value chain that link Independent Producers with businesses, cooperatives, or consumers that market value-added agricultural commodities or Value-Added Agricultural Products in a manner that benefits Small- or Medium-sized Farms and Ranches that are structured as a Family Farm, including the names of the parties and the nature of their collaboration;

(4) Demonstrate how the project, due to the manner in which the Value-Added Agricultural Product is marketed, will increase the profitability and competitiveness of at least two, eligible, Small- or Medium-sized Farms or Ranches that are structured as a Family Farm, including documentation to confirm that the participating
Small- or Medium-sized Farms or Ranches are structured as a Family Farm and meet these program definitions. A description of the two farms or ranches confirming they meet the Family Farm requirements, and IRS income tax forms or appropriate certifications evidencing eligible farm income is sufficient.

(5) Document that the eligible Agricultural Producer Group/Farmer or Rancher Cooperative/Majority-Controlled Producer-Based Business Venture Applicant organization has obtained at least one agreement with another member of the supply network that is engaged in the value chain on a marketing strategy; or that the eligible Independent Producer Applicant has obtained at least one agreement from an eligible Agricultural Producer Group/Farmer or Rancher Cooperative/ Majoritary-Controlled Producer-Based Business Venture engaged in the value-chain on a marketing strategy;

(i) For Planning Grants, agreements may include letters of commitment or intent to partner on marketing, distribution or processing; and should include the names of the parties with a description of the nature of their collaboration. For Working Capital grants, demonstration of the actual existence of the executed agreements is required.

(ii) Independent Producer Applicants must provide documentation to confirm that the non-applicant Agricultural Producer Group/Farmer or Rancher Cooperative/majority-controlled partnering entity meets program eligibility definitions, except that, in this context, the partnering entity does not need to supply any of the raw Agricultural Commodity for the project.

(6) Demonstrate that the members of the Applicant organization that are benefiting from the proposed project currently own and produce more than 50 percent of the raw Agricultural Commodity that will be used for the Value-Added Agricultural Product that is the subject of the proposal; and

(7) Demonstrate that the project will result in an increase in customer base and an increase in revenue returns to the Applicant producers supplying the majority of the raw Agricultural Commodity for the project.

§ 4284.924 Priority scoring eligibility.

Applicants that demonstrate eligibility may apply for priority points if their applications: Propose projects that contribute to increasing opportunities for Beginning Farmers or Ranchers, Socially-Disadvantaged Farmers or Ranchers, Veteran Farmers or Ranchers, or Operators of Small- or Medium-sized Farms or Ranches that are structured as a Family Farm; or propose Mid-Tier Value Chain projects; or are a Farmer or Rancher Cooperative. A Harvester is eligible for priority points only if the Harvester is proposing a Mid-Tier Value Chain project.

(a) Applicants seeking priority points as Beginning Farmers or Ranchers or as Socially Disadvantaged Farmers or Ranchers must provide the documentation specified in § 4284.923(a)(1) or (2), as applicable.

(b) Applicants seeking priority points as Veteran Farmers or Ranchers must provide the documentation specified in § 4284.923(a)(1) or (2), as applicable, and must submit form DD–214, “Report of Separation from the U.S. Military,” or subsequent form.

(c) Applicants seeking priority points as Operators of Small- or Medium-sized Farms or Ranches that are structured as a Family Farm must:

(1) Be structured as a Family Farm;

(2) Meet all requirements in the associated definitions; and

(3) Provide the following documentation:

(i) A description from the individual owner(s) of the Applicant organization addressing each qualifying element in the definitions, including identification of the average annual gross sales of agricultural commodities from the farm or ranch in the previous three years, not to exceed $500,000 for operators of small-sized farms or ranches or $1,000,000 for operators of medium-sized farms or ranches;

(ii) The names and identification of the blood or marriage relationships of all Applicant/owners of the farm; and

(iii) A statement that the Applicant/owners are primarily responsible for
the daily physical labor and management of the farm with hired help merely supplementing the family labor.

(d) Applicants seeking priority points for Mid-Tier Value Chain proposals must be one of the four eligible Applicant types and provide the documentation specified in § 4284.923(b) through (7), demonstrating that the project meets the Mid-Tier Value Chain definition.

(e) Applicants seeking priority points for a Farmer or Rancher Cooperative must:

1. Demonstrate that it is a business owned and controlled by Independent Producers that is legally incorporated as a Cooperative, or that it is a business owned and controlled by Independent Producers that is not legally incorporated as a Cooperative, but is identified by the State in which it operates as a cooperatively operated business;

2. Identify, by name or class, and confirm that the Independent Producers on whose behalf the value-added work will be done meet the definition requirements for an Independent Producer, including that each member is an individual Agricultural Producer, or an entity that is solely owned and controlled by Agricultural Producers, that substantially participates in the production of the majority of the Agricultural Commodity to which value will be added; and

3. Provide evidence of “good standing” as a cooperatively operated business in the State of incorporation or operations, as applicable.

(f) Applicants applying as Agricultural Producer Groups, Farmer and Rancher Cooperatives, or Majority-Controlled Producer-Based Business Ventures (group Applicants) may request additional priority points for projects that “best contribute to creating or increasing marketing opportunities” for operators of Small- and Medium-sized Farms and Ranches that are structured as Family Farms, Beginning Farmers and Ranchers, Socially-Disadvantaged Farmers and Ranchers, and Veteran Farmers and Ranchers. The annual solicitation and Agency application package will provide instructions and documentation requirements for group Applicants to apply for these additional priority points.

§ 4284.925 Eligible uses of grant and Matching Funds.

In general, grant and cost-share Matching Funds have the same use restrictions and must be used to fund only the costs for eligible purposes as defined in paragraphs (a) and (b) of this section.

(a) Planning Grant funds may be used to pay for a Qualified Consultant to conduct and develop a Feasibility Study, Business Plan, and/or Marketing Plan associated with the processing and/or marketing of a Value-added Agricultural Product.

1. Planning Grant funds may not be used to compensate Applicants or family members for participation in Feasibility Studies.

2. In-kind contribution of Matching Funds to cover Applicant or family member participation in planning activities is allowed so long as the value of such contribution does not exceed a maximum of 25 percent of the Total Project Costs and an adequate explanation of the basis for the valuation, referencing comparable market values, salary and wage data, expertise or experience of the contributor, per unit costs, industry norms, etc., is provided. Final valuation for Applicant or family member in-kind contributions is at the discretion of the Agency. Planning funds may not be used to evaluate the agricultural production of the commodity itself, other than to determine the project’s input costs related to the feasibility of processing and marketing the Value-Added Agricultural Product.

(b) Working capital funds may be used to pay the project’s operational costs directly related to the processing and/or marketing of the Value-Added Agricultural Product.

1. Examples of eligible working capital expenses include designing or purchasing a financial accounting system for the project, paying salaries of employees without ownership or Immediate Family interest to process and/or market and deliver the Value-Added Agricultural Product to consumers, paying for raw commodity inventory

§ 4284.926 Ineligible uses of grant and Matching Funds.

Federal procurement standards prohibit transactions that involve a real or apparent Conflict of Interest for owners, employees, officers, agents, or their Immediate Family members having a personal, professional, financial or other interest in the outcome of the project; including organizational conflicts, and conflicts that restrict open and free competition for unrestrained trade. In addition, the use of funds is limited to only the eligible activities identified in § 4284.925 and prohibits other uses of funds. Ineligible uses of grant and Matching Funds awarded under this subpart include, but are not limited to:

(a) Support costs for services or goods going to or coming from a person or entity with a real or apparent Conflict of Interest, except as specifically noted for limited in-kind Matching Funds in § 4284.925(a) and (b);

(b) Pay costs for scenarios with non-competitive trade practices;

(c) Plan, repair, rehabilitate, acquire, or construct a building or facility (including a processing facility);

(d) Purchase, lease purchase, or install fixed equipment, including processing equipment;

(e) Purchase or repair vehicles, including boats;

(f) Pay for the preparation of the grant application;

(g) Pay expenses not directly related to the funded project for the processing and marketing of the Value-Added Agricultural Product;

(h) Fund research and development;

(i) Fund political or lobbying activities;

(j) Fund any activities prohibited by 2 CFR parts 200 through 400, and 48 CFR subpart 31.2;

(k) Fund architectural or engineering design work;

(l) Fund expenses related to the production of any Agricultural Commodity or product, including, but not limited to production planning, purchase of seed or rootstock or other production inputs, labor for cultivation or harvesting crops, and delivery of raw commodity to a processing facility;

(m) Conduct activities on behalf of anyone other than a specifically identified Independent Producer or group of Independent Producers, as identified by name or class. The Agency considers conducting industry-level feasibility studies or business plans, that are also known as feasibility study templates or guides or business plan templates or guides, to be ineligible because the assistance is not provided to a specific group of Independent Producers;

(n) Pay for goods or services from a person or entity that employs the owner or an Immediate Family member;

(o) Duplicate current services or replace or substitute support previously provided;

(p) Pay any costs of the project incurred prior to the date of grant approval, including legal or other expenses needed to incorporate or organize a business;

(q) Pay any judgment or debt owed to the United States;

(r) Purchase land;

(s) Pay for costs associated with illegal activities; or

(t) Purchase the Agricultural Commodity to which value will be added (raw commodity) from the applicant.
§ 4284.927 Funding limitations.

(a) Grant funds may be used to pay up to 50 percent of the Total Project Costs, subject to the limitations established for maximum total grant amount.

(b) The maximum total grant amount provided to a grantee in any one year shall not exceed the amount announced in an annual notice issued pursuant to § 4284.915, but in no event may the total amount of grant funds provided to a grant recipient exceed $500,000.

(c) A grant shall have a term that does not exceed 3 years, and a project start date within 90 days of the date of award, unless otherwise specified in a notice pursuant to § 4284.915. Grant project periods should be scaled to the complexity of the objectives for the project. The Agency may extend the term of the grant period, not to exceed the 3-year maximum.

(d) The aggregate amount of awards to Majority-Controlled Producer-Based Business Ventures may not exceed 10 percent of the total funds obligated under this subpart during any Fiscal Year.

(e) Not more than 5 percent of funds appropriated each year may be used to fund the Agricultural Marketing Resource Center, to support electronic capabilities to provide information regarding research, business, legal, financial, or logistical assistance to Independent Producers and processors.

(f) Each Fiscal Year, the following amounts of reserved funds will be made available:

(1) 10 percent of total program funding to fund projects that benefit Beginning Farmers or Ranchers or Socially-Disadvantaged Farmers or Ranchers; and

(2) 10 percent of total program funding to fund projects that propose development of Mid-tier Value Chains.

(3) Funds not obligated by June 30 of each Fiscal Year shall be available to the Secretary to make grants under this subpart to eligible applicants in the general funds competition.

§§ 4284.928–4284.929 [Reserved]

§ 4284.930 Preliminary review.

The Agency encourages Applicants to contact their State Office well in advance of the application submission deadline, to ask questions and to discuss Applicant and Project eligibility potential. At its option, the Agency may establish a preliminary review deadline in accordance with § 4284.915, so that it may informally assess the eligibility of the application and its completeness. The result of the preliminary review is not binding on the Agency.

§ 4284.931 Application package.

All Applicants are required to submit a complete application package that is comprised of all of the elements in this section.

(a) Application forms. The application must include all forms listed in the annually published notice for the program. The following application forms (or their successor forms) must be completed when applying for a grant under this subpart:

(1) “Application for Federal Assistance.”

(2) “Budget Information—Non-Construction Programs.”

(3) “Assurances—Non-Construction Programs.”

(4) All Applicants (including individuals and sole proprietorships) are required to have a DUNS number and maintain registration with the System for Award Management (SAM).

(b) Application content. The following content items must be completed when applying for a grant under this subpart:

(1) Eligibility discussion. The Applicant must demonstrate in detail how the:

(i) Applicant eligibility requirements in §§ 4284.920 and 4284.921 are met;

(ii) Project eligibility requirements in § 4284.922 are met;

(iii) Eligible use of grant and Matching Funds requirements in §§ 4284.925 and 4284.926 are met; and

(iv) Funding limitation requirements in § 4284.927 are met.
(2) Evaluation criteria. Using the format prescribed by the application package, the Applicant must address each evaluation criterion identified below.

(i) Performance Evaluation Criteria. The overall goal of this program and the projects it supports is to create and serve new markets, with a resulting increase in jobs, customer base and revenues returning to the producer. Applicants must provide specific information about plans to track and evaluate progress toward these outcomes as a way for the Agency to ascertain whether or not the primary program goals and project goals proposed in the work plan are likely to be accomplished during the project period. The application package will provide additional instruction to assist Applicants when responding to this criterion. The required data, including accomplishments as outlined in §4284.960 and Applicant-suggested performance criteria, will be incorporated into the Applicant’s semi-annual and final reporting requirements if selected for award, and will be specified in the grant agreement associated with each award. At a minimum, data included in each application submission must include both target outcomes and timeframes for achieving results:

(A) The number of jobs anticipated to be created or saved as a direct result of the project.

(B) The current baseline number of customers.

(C) The estimated expansion of customer base as a direct result of the project.

(D) The current baseline of revenue.

(E) The estimated increase in revenue as a direct result of the project.

(F) Applicants for both Working Capital and Planning Grants are invited to suggest additional benchmarks for evaluation that are specific to proposed project activities or outcomes and the corresponding timeframes for accomplishing them; these should be informed by the program objectives, stated above, related to new markets, expansion of customer base, and revenues returning to producer Applicants; as well as to the practical and/or logistical activities and tasks to be accomplished during the project period.

(ii) Proposal evaluation criteria. Applicants for both Planning and Working Capital Grants must address each proposal evaluation criterion identified in §4284.942 in narrative form, in the application package.

(3) Certification of Matching Funds. Using the format prescribed by the application package, Applicants must certify that:

(i) Cost-share Matching Funds will be spent in advance of grant funding, such that for every dollar of grant funds disbursed, not less than an equal amount of Matching Funds will have been expended prior to submitting the request for reimbursement; and

(ii) If Matching Funds are proposed in an amount exceeding the grant amount, those Matching Funds must be spent at a proportional rate equal to the match-to-grant ratio identified in the proposed budget.

(4) Verification of cost-share Matching Funds. Using the format prescribed by the application package, the Applicant must demonstrate and provide authentic documentation from the source to confirm the eligibility and availability of both cash and in-kind contributions that meet the definition requirements for Matching Funds and Conflict of Interest in §4284.902, as well as the following criteria:

(i) Except as provided at §4284.925(a) and (b), Matching Funds are subject to the same use restrictions as grant funds, and must be spent on eligible project expenses during the grant funding period.

(ii) Matching Funds must be from eligible sources without a real or apparent Conflict of Interest.

(iii) Matching Funds must be at least equal to the amount of grant funds requested, and combined grant and Matching Funds must equal 100 percent of the Total Project Costs.

(iv) Unless provided by other authorizing legislation, other Federal grant funds cannot be used as Matching Funds.

(v) Matching Funds must be provided in the form of confirmed Applicant cash, loan, or line of credit; or provided in the form of a confirmed Applicant or family member in-kind contribution that meets the requirements and limitations specified in §4284.925(a) and (b);
or provided in the form of confirmed third-party cash or eligible third-party in-kind contribution; or non-federal grant sources (unless otherwise provided by law).

(vi) Examples of ineligible Matching Funds include funds used for an ineligible purpose, contributions donated outside the proposed grant funding period, applicant and third-party in-kind contributions that are over-valued, or are without substantive documentation for an independent reviewer to confirm a valuation, conducting activities on behalf of anyone other than a specific Independent Producer or group of Independent Producers, expected program income at time of application, or instances where a real or apparent Conflict of Interest exists, except as detailed in §4284.925(a) and (b).

(5) Business plan. For Working Capital Grant applications, Applicants must provide a copy of the Business Plan that was completed for the proposed value-added Venture, except as provided for in §§4284.922(b)(6) and 4284.932. The Agency must concur in the acceptability or adequacy of the Business Plan. For all planning grant applications including those proposing product eligibility under “Produced in a Manner that Enhances the Value of the Agricultural Commodity,” a Business Plan is not required as part of the grant application.

(6) Feasibility study. As part of the application package, Applicants for Working Capital Grants must provide a copy of the third-party Feasibility Study that was completed for the proposed value-added project, except as provided for at §§4284.922(b)(6) and 4284.932. The Agency must concur in the acceptability or adequacy of the Feasibility Study.

§ 4284.932 Simplified application.

Applicants requesting less than $50,000 will be allowed to submit a simplified application, the contents of which will be announced in an annual solicitation issued pursuant to §4284.915. Applicants requesting Working Capital Grants of less than $50,000 are not required to provide Feasibility Studies or Business Plans, but must provide information demonstrating increases in customer base and revenue returns to the producers supplying the majority of the Agricultural Commodity as a result of the project. See §4284.922(b)(6)(ii).

§ 4284.933 Filing instructions.

Unless otherwise specified in a notification issued under §4284.915, the requirements specified in paragraphs (a) through (e) of this section apply to all applications.

(a) When to submit. Complete applications must be received by the Agency on or before the application deadline established for a Fiscal Year to be considered for funding for that Fiscal Year. Applications received by the Agency after the application deadline established for a Fiscal Year will not be considered. Revisions or additional information will not be accepted after the application deadline.

(b) Incomplete applications. Incomplete applications will be rejected. Applicants will be informed of the elements that made the application incomplete. If a resubmitted application is received by the applicable application deadline, the Agency will reconsider the application.

(c) Where to submit. All applications must be submitted to the State Office of Rural Development in the State where the project primarily takes place, or on-line through grants.gov.

(d) Format. Applications may be submitted as paper copy, or electronically via grants.gov. If submitted as paper copy, only one original copy should be submitted. An application submission must contain all required components in their entirety. Emailed or faxed submissions will not be acknowledged, accepted or processed by the Agency.

(e) Other forms and instructions. Upon request, the Agency will make available to the public the necessary forms and instructions for filing applications. These forms and instructions may be obtained from any State Office of Rural Development, or the Agency’s Value-Added Producer Grant program Web site in http://www.rurdev.usda.gov/BCP_VAPG.html.
§ 4284.940 Processing applications.

(a) Initial review. Upon receipt of an application on or before the application submission deadline for each Fiscal Year, the Agency will conduct a review to determine if the Applicant and project are eligible, and if the application is complete and sufficiently responsive to program requirements.

(b) Notifications. After the review in paragraph (a) of this section has been conducted, if the Agency has determined that either the Applicant or project is ineligible or that the application is not complete to allow evaluation of the application or sufficiently responsive to program requirements, the Agency will notify the Applicant in writing and will include in the notification the reason(s) for its determination(s).

(c) Resubmittal by Applicants. Applicants may submit revised applications to the Agency in response to the notification received under paragraph (b) of this section. If a revised grant application is received on or before the application deadline, it will be processed by the Agency. If a revised application is not received by the specified application deadline, the Agency will not process the application and will inform the Applicant that their application was not reviewed due to tardiness.

(d) Subsequent ineligibility determinations. If at any time an application is determined to be ineligible, the Agency will notify the Applicant in writing of its determination.

§ 4284.941 Application withdrawal.

During the period between the submission of an application and the execution of award documents, the Applicant must notify the Agency in writing if the project is no longer viable or the Applicant no longer is requesting financial assistance for the project. When the Applicant notifies the Agency, the selection will be rescinded or the application withdrawn.

§ 4284.942 Proposal evaluation criteria and scoring applications.

(a) General. The Agency will only score applications for which it has determined that the Applicant and project are eligible, the application is complete and sufficiently responsive to program requirements. Any Applicant whose application will not be reviewed because the Agency has determined it fails to meet the preceding criteria will be notified of appeal rights pursuant to §4284.903. Each such viable application the Agency receives on or before the application deadline in a Fiscal Year will be scored in the Fiscal Year in which it was received. Each application will be scored based on the information provided and adequately referenced in the scoring section of the application at the time the Applicant submits the application to the Agency. Scoring information must be readily identifiable in the application or it will not be considered.

(b) Scoring Applications. The criteria specified in paragraphs (b)(1) through (6) of this section will be used to score all applications. For each criterion, Applicants must demonstrate how the project has merit, and provide rationale for the likelihood of project success. Responses that do not address all aspects of the criterion, or that do not comprehensively convey pertinent project information will receive lower scores. The maximum number of points that will be awarded to an application is 100. Points may be awarded lump sum or on a graduated basis. The Agency application package will provide additional instruction to assist Applicants when responding to the criteria below.

(1) Nature of the Proposed Venture (graduated score 0–30 points). Describe the technological feasibility of the project, as well as the operational efficiency, profitability, and overall economic sustainability resulting from the project. In addition, demonstrate the potential for expanding the customer base for the Value-Added Agricultural Product, and the expected increase in revenue returns to the producer-owners providing the majority of the raw Agricultural Commodity to the project. Applications that demonstrate high likelihood of success in these
areas will receive more points than those that demonstrate less potential in these areas.

(2) Qualifications of Project Personnel (graduated score 0–20 points). Identify the individuals who will be responsible for completing the proposed tasks in the work plan, including the roles and activities that owners, staff, contractors, consultants or new hires may perform; and demonstrate that these individuals have the necessary qualifications and expertise, including those hired to do market or feasibility analyses, or to develop a business operations plan for the value-added venture. Include the qualifications of those individuals responsible to lead or manage the total project (Applicant owners or project managers), as well as those individuals responsible for actually conducting the various individual tasks in the work plan (such as consultants, contractors, staff or new hires). Demonstrate the commitment and the availability of any consultants or other professionals to be hired for the project. If staff or consultants have not been selected at the time of application, provide specific descriptions of the qualifications required for the positions to be filled. Applications that demonstrate the strong credentials, education, capabilities, experience and availability of project personnel that will contribute to a high likelihood of project success will receive more points than those that demonstrate less potential for success in these areas.

(3) Commitments and Support (graduated score 0–10 points). Producer commitments to the project will be evaluated based on the number of Independent Producers currently involved in the project; and the nature, level and quality of their contributions. End-user commitments will be evaluated on the basis of potential or identified markets and the potential amount of output to be purchased, as evidenced by letters of intent or contracts from potential buyers referenced within the application. Other Third-Party commitments to the project will be evaluated based on the critical and tangible nature of the contribution to the project, such as technical assistance, storage, processing, marketing, or distribution arrangements that are necessary for the project to proceed; and the level and quality of these contributions. Applications that demonstrate the project has strong direct financial, technical and logistical support to successfully complete the project will receive more points than those that demonstrate less potential for success in these areas.

(4) Work Plan and Budget (graduated score 0–20 points). In accord with §4284.922(b)(5), Applicants must submit a comprehensive work plan and budget. The work plan must provide specific and detailed narrative descriptions of the tasks and the key project personnel that will accomplish the project’s goals. The budget must present a detailed breakdown of all estimated costs associated with the activities and allocate those costs among the listed tasks. The source and use of both grant and Matching Funds must be specified for all tasks. An eligible start and end date for the project itself and for individual project tasks must be clearly indicated and may not exceed Agency specified timeframes for the grant period. Points may not be awarded unless sufficient detail is provided to determine that both grant and Matching Funds are being used for qualified purposes and are from eligible sources without a Conflict of Interest. It is recommended that Applicants utilize the budget format templates provided in the Agency’s application package.

(5) Priority Points (up to 10 points). Priority points may be awarded in both the General Funds competition and the Reserved Funds competitions. Qualifying applications may be awarded priority points under paragraphs (b)(5)(i) and (ii) of this section, for up to a total of 10 points.

(i) Priority categories (lump sum score of 0 or 5 points). Qualifying Applicants may request priority points under this paragraph if they meet the requirements for one of the following categories and provide the documentation specified in §4284.924, as applicable. Priority categories are: Beginning Farmer or Rancher, Socially-Disadvantaged Farmer or Rancher, Veteran Farmer or Rancher, Operator of a Small- or Medium-sized Farm or Ranch that is structured as a Family Farm.
Mid-Tier Value Chain proposals, and Farmer or Rancher Cooperative. It is recommended that Applicants utilize the Agency application package when documenting for priority points and refer to the documentation requirements specified in §4284.924. Applications from qualifying priority categories will be awarded 5 points. Applicants will not be awarded more than 5 points even if they qualify for more than one of the priority categories.

(ii) Best contributing (up to 5 points). Applications from Agricultural Producer Groups, Farmer or Rancher Cooperatives, and Majority-Controlled Producer-Based Business Ventures (applicant groups) may be awarded up to 5 additional points for contributing to the creation of or increase in marketing opportunities for Beginning Farmers or Ranchers, Socially-Disadvantaged Farmers or Ranchers, Veteran Farmers or Ranchers, or Operators of a Small- or Medium-sized Farm or Ranch that are structured as a Family Farm (priority groups). Applicant groups must submit documentation on the percentage of existing membership that is comprised of one or a combination of the above priority groups and on the anticipated expansion of membership to one or more additional priority groups. Applications must contain sufficient information as described in the annual solicitation and application package to enable the Agency to make the appropriate determinations for awarding points. If the application does not contain sufficient information, the Agency will not award points accordingly.

(b) Priority Categories (graduated score 0–10 points). Unless otherwise specified in a notification issued under §4284.915(b)(1), the Administrator or State Director has discretion to award up to 10 points to an application to improve the geographic diversity of awardees in a Fiscal Year. In the event of a National competition, the Administrator will award points and for a State-allocated competition, the State Director will award points.

§ 4284.950 Award process.

(a) Selection of applications for funding and for potential funding. The Agency will select and rank applications for funding based on the score an application has received in response to the proposal evaluation criteria, compared to the scores of other value-added applications received in the same Fiscal Year. Higher scoring applications will receive first consideration for funding. The Agency may set a minimally acceptable score for funding, which will be noted in the published program notice. The Agency will notify Applicants, in writing, whether or not they have been selected for funding. For those Applicants not selected for funding, the Agency will provide a brief explanation for why they were not selected.

(b) Ranked applications not funded. A ranked application that is not funded in the Fiscal Year in which it was submitted will not be carried forward into the next Fiscal Year. The Agency will notify the Applicant in writing.

(c) Intergovernmental review. If State or local governments raise objections to a proposed project under the intergovernmental review process that are not resolved within 90 days of the Agency’s award announcement date, the Agency will rescind the award and will provide the Applicant with a written notice to that effect. This is prior to the signing of a Grant Agreement. The Agency, in its sole discretion, may extend the 90-day period if it appears resolution is imminent.

§ 4284.951 Obligate and award funds.

(a) Letter of conditions. When an application is selected subject to conditions established by the Agency, the Agency will notify the Applicant using a Letter of Conditions, which defines the conditions under which the grant will be made. Each grantee will be required to meet all terms and conditions of the award within 90 days of receiving a Letter of Conditions unless otherwise specified by the Agency at the time of the award. If the Applicant agrees with the conditions, the Applicant must
complete, an applicable Letter of Intent to Meet Conditions. If the Applicant believes that certain conditions cannot be met, the Applicant may propose alternate conditions to the Agency. The Agency must concur with any proposed changes to the Letter of Conditions by the Applicant before the application will be further processed. If the Agency agrees to any proposed changes, the Agency will issue a revised or amended Letter of Conditions that defines the final conditions under which the grant will be made.

(b) **Grant agreement and conditions.** Each grantee will be required to sign a grant agreement that outlines the approved use of funds and actions under the award, as well as the restrictions and applicable laws and regulations that pertain to the award.

(c) **Other documentation.** The grantee will execute additional documentation in order to obligate the award of funds; including, but not limited to:

1. “Request for Obligation of Funds;”
2. “Certification Regarding Debarment, Suspension, and Other Responsibility Matters-Primary Covered Transaction;”
3. “Certification Regarding Drug-Free Workplace Requirements;”
4. “Assurance Agreement (under Title VI, Civil Rights Act of 1964);”
5. “ACH Vendor/Miscellaneous Payment Enrollment Form;” or

(d) **Grant disbursements.** Grant disbursements will be made in accordance with the Letter of Conditions, and/or the grant agreement, as applicable.

§§ 4284.952–4284.959 [Reserved]

**POST AWARD ACTIVITIES AND REQUIREMENTS**

§ 4284.960 Monitoring and reporting program performance.

The requirements specified in this section shall apply to grants made under this subpart.

(a) Grantees must complete the project per the terms and conditions specified in the approved work plan and budget, and in the grant agreement and letter of conditions. Grantees will expend funds only for eligible purposes and will be monitored by Agency staff for compliance. Grantees must maintain a financial management system, and property and procurement standards in accordance with Departmental Regulations.

(b) Grantees must submit narrative and financial performance reports, as prescribed by the Agency in the grant agreement, that include required data elements related to achieving programmatic objectives and a comparison of accomplishments with the objectives stated in the application. At a minimum, these include comparisons of anticipated activities and outcomes and timeframes for achieving:

1. Expansion of customer base as a result of the project;
2. Increased revenue returned to the producer as a result of the project;
3. Jobs created or saved as a result of the project;
4. Evidence of receipt of matching funds, if included or provided for in project.

(i) Semi-annual performance reports shall be submitted within 45 days following March 31 and September 30 each Fiscal Year. A final performance report shall be submitted to the Agency within 90 days of project completion. Failure to submit a performance report within the specified timeframes may result in the Agency withholding grant funds.

(ii) Additional reports shall be submitted as specified in the grant agreement or Letter of Conditions, or as otherwise provided in a notification issued under §4284.915.

(iii) Copies of supporting documentation and/or project deliverables for completed tasks must be provided to the Agency in a timely manner in accord with the development or completion of materials and in conjunction with the budget and project timeline. Examples include, but are not limited to, a Feasibility Study, Marketing Plan, Business Plan, success story, distribution network study, or best practice.

(iv) The Agency may request any additional project and/or performance data for the project for which grant funds have been received, including but not limited to:
§ 4284.961 Grant servicing.

All grants awarded under this subpart shall be serviced in accordance with 7 CFR part 1951, subparts E and O, and the Departmental Regulations with the exception that delegation of the post-award servicing of the program does not require the prior approval of the Administrator.

§ 4284.962 Transfer of obligations.

At the discretion of the Agency and on a case-by-case basis, an obligation of funds established for an Applicant may be transferred to a different (substituted) Applicant provided:

(a) The substituted Applicant:

(1) Is eligible;

(2) Has a close and genuine relationship with the original Applicant; and

(3) Has the authority to receive the assistance approved for the original Applicant; and

(b) The project continues to meet all product, purpose, and reserved funds eligibility requirements so that the need, purpose(s), and scope of the project for which the Agency funds will be used remain substantially unchanged.

§§ 4284.963–4284.999 [Reserved]

Subpart K—Agriculture Innovation Demonstration Centers

SOURCE: 69 FR 23433, Apr. 29, 2004, unless otherwise noted.

§ 4284.1001 Purpose.

This subpart implements a demonstration program administered by the Rural Business-Cooperative Service whereby grants are made to innovation centers responsible for providing technical and business development assistance to agricultural producers seeking to engage in the marketing or the production of Value-Added products.

§ 4284.1002 Policy.

It is the policy of the Secretary of Agriculture to fund Centers which evidence broad support from the agricultural community in the state or region, significant coordination with end users (processing and distribution companies and regional grocers), strategic alliances with entities having technical research capabilities and a focused delivery plan for reaching out to the producer community. It is also the policy of the Secretary, using the research and technical services of the U.S. Department of Agriculture, to assist the grantees in establishing Centers. This program is not intended to fund scientific research.

§ 4284.1003 Program administration.

The Agriculture Innovation Demonstration Center program is administered by Cooperative Services within the Agency.

§ 4284.1004 Definitions.

Board of Directors—The group of individuals that govern the Center.

Center—The Agriculture Innovation Center to be established and operated by the grantees. It may or may not be an independent legal entity, but it
must be independently governed in accordance with the requirements of this subpart.

Producer Services—Services to be provided by the Centers to agricultural producers. Producer Services consist of the following types of services:

(1) Technical assistance, consisting of engineering services, applied research, Scale Production Assessments, and similar services, to enable the agricultural producers to establish businesses to produce Value-Added agricultural commodities or products;

(2) Assistance in marketing, market development and business planning, including advisory services with respect to leveraging capital assets; and

(3) Organizational, outreach and development assistance to increase the viability, growth and sustainability of businesses that produce Value-Added agricultural commodities or products.

Qualified Board of Directors—A Board of Directors that includes representatives from each of the following groups:

(1) The two general agricultural organizations with the greatest number of members in the State in which the Center is located; and

(2) The State department of agriculture, or equivalent, of the State in which the Center is located; and

(3) Entities representing the four highest grossing commodities produced in the State in which the Center is located, as determined on the basis of annual gross cash sales.

Scale Production Assessments—Studies that analyze facilities, including processing facilities, for potential Value-added activities in order to determine the size that optimizes construction and other cost efficiencies.

§§ 4284.1005–4284.1006 [Reserved]

§ 4284.1007 Eligibility for grant assistance.

Non-profit and for-profit corporations, institutions of higher learning and other entities, including a consortium where a lead entity has been designated and agrees to act as funding agent, that meet the following requirements are eligible for grant assistance:

(a) The entity—

(1) Has provided services similar to those listed for Producer Services; or

(2) Demonstrates the capability of providing Producer Services;

(b) The application includes a plan that meets the requirements of §4284.1010(c)(5)(iv) that also outlines—

(1) The support for the entity in the agricultural community;

(2) The technical and other expertise of the entity; and

(3) The goals of the entity for increasing and improving the ability of local agricultural producers to develop markets and processes for Value-Added agricultural commodities or products;

(c) The entity demonstrates that adequate resources (in cash or in kind) are available, or have been committed to be made available to the entity, to increase and improve the ability of local agricultural producers to develop markets and processes for Value-Added agricultural commodities or products; and

(d) The proposed Center has a Qualified Board of Directors.

§ 4284.1008 Use of grant funds.

Grant funds may be used to assist eligible recipients in establishing Centers that provide Producer Services and may only be used to support operations of the Center that directly relate to providing Producer Services. Grant funds may be used for the following purposes, subject to the limitations set forth in §4284.10:

(a) Consulting services for legal, accounting and technical services to be used by the grantee in establishing and operating a Center;

(b) Hiring of employees, at the discretion of the Qualified Board of Directors;

(c) The making of matching grants to agricultural producers, individually not to exceed $5,000, where the aggregate amount of all such matching grants made by the grantee does not exceed $50,000;

(d) Applied research;

(e) Legal services; and

(f) Such other related purposes as the Agency may announce in the RFP.

§ 4284.1009 Limitations on awards.

The maximum grant award for an agriculture innovation center shall be in an amount that does not exceed the lesser of $1,000,000 or twice the dollar
amount of the resources (in cash or in kind) that the eligible entity demonstrates are available, or have been committed to be made available, to the eligible entity.

§ 4284.1010 Application processing.

(a) Applications. USDA will solicit applications on a competitive basis by publication of one or more Requests for Proposals (RFPs). Unless otherwise specified in the applicable RFP, applicants must file an original and one copy of the required forms and a proposal.

(b) Required forms. The following forms must be completed, signed and submitted as part of the application package. Other OMB approved forms may be required. This will be published in the applicable RFP.

1. “Application for Federal Assistance.”

2. “Budget Information—Non-Construction Programs.”

3. “Assurances—Non-Construction Programs.”

(c) Proposal. Each proposal must contain the following elements. Additional elements may be published in the applicable RFP.

1. Title Page.

2. Table of Contents.

3. Executive Summary. A summary of the proposal should briefly describe the project including goals, tasks to be completed and other relevant information that provides a general overview of the project and the amount requested.

4. Eligibility. A detailed discussion describing how the applicant meets the eligibility requirements.

5. Proposal Narrative. The narrative portion of the proposal must include, but is not limited to, the following:

   i. Project Title. The title of the proposed project must be brief, not to exceed 75 characters, yet describe the essentials of the project.

   ii. Information Sheet. A separate one-page information sheet listing each of the evaluation criteria referenced in the RFP followed by the page numbers of all relevant material and documentation contained in the proposal that address or support the criteria.

   iii. Goals of the Project. The first part of this section should list each Producer Service to be offered by the Center. The second part of this section should list one or more specific goals relating to increasing and improving the ability of identified local agricultural producers to develop a market or process for Value-Added agricultural commodities or products.

   iv. Work Plan. Actions that must be taken in order for the Producer Services to be available from the Center. Each action listed should include a target date by which it will be completed. General start up tasks should be listed, followed by specific tasks listed for each Producer Service to be offered, as well as tasks associated with the start of operations. The tasks associated with the start of operations should include a focused marketing and delivery plan directed to the local agricultural producers that were identified in paragraph (c)(5)(iii) of this section. The actions to be taken should include steps for identifying customers, acquiring personnel and contracting for services to the Center, including arrangements for strategic alliances.

   v. Performance Evaluation Criteria. Performance criteria suggested by the applicant for incorporation in the grant award in the event the proposal receives grant funding under this subpart. These suggested criteria are not binding on USDA.

   vi. Agricultural Community Support. Evidence of support from the local agricultural community should be included in this section. Letters in support should reflect that the writer is familiar with the provisions of the Plan for the Center, including the stated goals.

   Evidence of support can take the form of making employees available to the Center, service as a board member and other in-kind contributions.

   vii. Strategic Coordination and Alliances. Describe arrangements in place or planned with end users (processing and distribution companies and regional grocers) as well as arrangements with entities having technical research capabilities, broad support from the agricultural community in the state or region, significant coordination with end users (processing and distribution companies and regional grocers), strategic alliances with entities having
technical research capabilities and a focused delivery plan for reaching out to the producer community.

(viii) Capacity. Evidence of the ability of the grantee(s) to successfully establish and operate a Center. A description of the grantee’s track record in providing services similar to those listed for Producer Services or evidence that the entity has the capability to provide Producer Services. Resumes of key personnel should be included in this section. Past successes should be described in detail, with a focus on lessons learned, best practices, familiarity with producer problems in Value-Added ventures, and how these barriers are best overcome should be elaborated on in this section. For every challenge identified, the applicant should demonstrate how they are addressed in the Work Plan (see paragraph (c)(5)(iv) of this section). All successes should include a monetary estimate of the Value-Added achieved.

(ix) Legal structure. Provide a description of the legal relationship between the grantee(s) and the proposed Center. If the Center is to be an independent corporate entity, provide copies of the corporate charter, bylaws and other relevant organizational documents. Describe how funds for the Center will be handled and include copies of the agreements documenting the legal relationships between the Center and related parties. If the Center is not to be an independent legal entity, provide copies of the corporate governance documents that describe how members of the Board of Directors for the Center are to be determined.

(x) Evaluation Criteria. Each of the evaluation criteria referenced in the RFP must be specifically and individually addressed in narrative form. Supporting documentation, as applicable, should be included in this section, or a cross reference to other sections in the application should be provided, as applicable.

(xi) Verification of Adequate Resources. Present a budget to support the work plan showing sources and uses of funds during the start up period prior to the start of operations and for the first year of full operations. Present a copy of a bank statement evidencing sources of funds equal to amounts required in excess of the grant requested, or, in the alternative, a copy of confirmed funding commitments from credible sources such that USDA is satisfied that the Center has adequate resources to complete a full year of operation. Include information sufficient to facilitate verification by USDA of all representations.

(xii) Certification of Adequate Resources. Applicants must certify that non-Federal funds identified in the budget pursuant to paragraph (c)(5)(xi) of this section will be available and funded commensurately with grant funds.

§ 4284.1011 Evaluation screening.

The Agency will conduct an initial screening of all proposals to determine whether the applicant is eligible and whether the application is complete and sufficiently responsive to the requirements set forth in the applicable RFP so as to allow for an informed review. Incomplete or non-responsive applications will not be evaluated further, and may be returned to the applicant. Applicants may revise their applications and re-submit them prior to the published deadline if there is sufficient time to do so.

§ 4284.1012 Evaluation process.

(a) Applications will be evaluated by qualified reviewers appointed by the Agency.

(b) After all proposals have been evaluated using the evaluation criteria and scored in accordance with the point allocation specified in the applicable RFP, Agency officials will present to the Administrator of RBS a list of all applications in rank order, together with funding level recommendations.

(c) The Administrator reserves the right to award additional points, as specified in the applicable RFP, to accomplish agency objectives (e.g., to ensure geographic distribution, put emphasis on a specific commodity, or to accomplish presidential initiatives.) The maximum number of points that can be added to an application under this paragraph cannot exceed ten percent of the total points the application originally scored.

(d) After giving effect to the Administrator’s point awards, applications

897
§ 4284.1013 Evaluation criteria and weights.

Unless supplemented in a RFP, the criteria listed in this section will be used to evaluate grants under this subpart. The distribution of points to be awarded per criterion will be identified in the applicable RFP.

(a) Ability to Deliver. The application will be evaluated as to whether it evidences unique abilities to deliver Producer Services so as to create sustainable Value-Added ventures. Abilities that are transferable to a wide range of agricultural Value-Added commodities are preferred over highly specialized skills. Strong skills must be accompanied by a credible and thoughtful plan.

(b) Successful Track Record. The applicant’s track record in achieving Value-Added successes.

(c) Work Plan/Budget. The work plan will be reviewed for detailed actions and an accompanying timetable for implementing the proposal. Clear, logical, realistic and efficient plans will result in a higher score. Budgets will be reviewed for completeness and the strength of non-Federal funding commitments.

(d) Qualifications of personnel. Proposals will be reviewed for whether the key personnel who are to be responsible for performing the proposed tasks have the necessary qualifications and whether they have a track record of performing activities similar to those being proposed. If a consultant or others are to be hired, points may be awarded for consultants only if the proposal includes evidence of their availability and commitment as well. Proposals using in-house employees with strong track records in innovative activities will receive higher points relative to proposals that out-source expertise.

(e) Local support. Proposed Centers must show local support and coordination with other developmental organizations in the proposed service area and with state and local institutions. Support documentation should include recognition of rural values and other rural amenities. Proposed Centers that show strong support from potential beneficiaries and coordination with other developmental organizations will receive more points than those not evidencing such support.

(f) Future support. Applicants that can demonstrate their vision for funding center operations for future years, including diversification of funding sources and building in-house technical assistance capacity, will receive more points for this criterion.

§ 4284.1014 Grant closing.

(a) Letter of Conditions. The Agency will notify an approved applicant in writing, setting out the conditions under which the grant will be made.

(b) Applicant’s intent to meet conditions. Upon reviewing the conditions and requirements in the letter of conditions, the applicant must complete, sign and return the Agency’s “Letter of Intent to Meet Conditions.” Or, if certain conditions cannot be met, the applicant may propose alternate conditions to the Agency. The Agency must concur with any changes proposed to the letter of conditions by the applicant before the application will be further processed.

(c) Grant agreement. The Agency and the grantee must enter into an “Agriculture Innovation Center Grant Agreement” prior to the advance of funds.

§§ 4284.1015–4284.1099 [Reserved]

§ 4284.1100 OMB control number.

The reporting and recordkeeping requirements contained in this regulation have been approved by the Office of Management and Budget and have been assigned OMB control number 0570–0045.

PART 4285—COOPERATIVE AGREEMENTS

Subpart A—Federal-State Research on Cooperatives Program

Sec.
4285.1 Objective.
4285.2 Cooperative agreement purposes.
4285.3 Definitions.
4285.4–4285.23 [Reserved]
§ 4285.3 Definitions.

As used in this part:

(a) Agreement period. The total period of time approved by the Assistant Administrator for Cooperative Services for conducting the proposed project as outlined in an approved application. The time period is normally no more than 3 years, renewable for cause not to exceed a total of 4 fiscal years.

(b) Agricultural products. Agricultural products include agricultural, horticultural, viticultural, and dairy products, livestock and poultry, bees, forest products, fish and shellfish, and any products thereof, including processed or manufactured products, and any and all products raised or produced on farms and any processed or manufactured product thereof.

Assistant Administrator for Cooperative Services. The Assistant Administrator for Cooperative Services, Rural Development Administration or its successor agency, USDA or any authorized delegate.

Awarding official. The Assistant Administrator for Cooperative Services or authorized delegate.

Cooperative agreement. A legal instrument reflecting a relationship between the United States Government and a State where:

1. The principal purpose of the relationship is the transfer of money, property, services, or anything of value to the State agency to carry out research related to agricultural cooperatives; and

2. Substantial involvement is anticipated between RDA or its successor agency, acting for the Federal Government, and the State or other recipient during performance of the research in the agreement.

Cooperator. The State agency designated in the cooperative agreement award document as the responsible legal entity to whom a cooperative agreement is awarded under this part.

Department. The U.S. Department of Agriculture.

Methodology. The research approach to be followed to carry out the project.
Principal investigator. A single individual who is responsible for the scientific and technical direction of the project, as designated by the cooper-ator in the cooperative agreement application and approved by the Assistant Administrator for Cooperative Services.

Project. The particular activity within the scope of one or more of the research program areas identified in the annual program solicitation that is supported by a cooperative agreement under this part.

State agencies. State agencies include, among others, State Agricultural Experiment Stations and State Departments of Agriculture in the 50 States, the Virgin Islands, and Guam, and other appropriate State agencies. Final determination of whether certain 1890 or 1862 Land Grant institutions qualify as state agencies will be determined on a case-by-case basis by the Office of the General Counsel (OGC), USDA.

§§ 4285.4–4285.23 [Reserved]

§ 4285.24 Eligibility.

To enter into a cooperative agreement for these funds, the applicant must:

(a) Be a State Agency as defined in §4285.3 of this subpart;

(b) Have the financial, legal, administrative, and actual capacity to assume and carry out the responsibilities imposed by the Agreement. To meet the requirement of actual capacity it must either:

(1) Have necessary background and experience with proven ability to perform responsibly in the field of economic, business management, or other needed research area; or

(2) Have the necessary administrative and supervisory controls in place to assure an agreed upon contracting organization has the proven ability to perform responsibly in the field of economic, business management, or other needed research area;

(c) Legally obligate itself to administer cooperative agreement funds, provide adequate accounting of the expenditure of such funds, and comply with the cooperative agreement;

(d) Provide at least 50 percent of the funds necessary to conduct the research from non-federal funds; and

(e) Agree to conduct proposed research related to cooperatives and agricultural marketing.

§ 4285.25 Authorized use of cooperative agreement funds.

Funds received for research under cooperative agreements in this program shall only be used for:

(a) Payment of salaries and necessary employee benefits of personnel as agreed upon in the Cooperative Agreement. Included are salaries and benefits of State employees assigned full-time to one or more projects, or the percent of the salaries and benefits related to project work for State employees assigned part-time to research on one or more projects. Salaries and benefits include basic salary, other compensation such as holiday pay, sick or annual leave, and personnel benefits (quarters allowance, payments to other funds such as employees' life insurance, health benefits, retirement, Federal Insurance Contributions Act (FICA), accident compensation, and similar payments). For any of the benefit items when the State usually pays the employer share, Federal funds may be used to pay the proportionate share of such employer contributions.

(b) Payment of necessary and reasonable office expenses such as office rental, office utilities, and office equipment rental. The purchase of office equipment is permissible when the cooperator determines it to be more economical than renting. However, as a general rule, these types of expenses would be classified as indirect costs in multiple funded organizations and would not be an allowable expense. Planned purchases of equipment costing more than $200 per unit must be approved by RDA or its successor agency. Equipment purchased becomes State property pursuant to the cooperative agreement.

(c) Payment of necessary and reasonable costs of printing publications of research project results. However, all such publications should show the RDA or its successor agency as cooperator in the project and bear the following statement: “State funds for this
project (publication) were matched with Federal funds under the Federal-State Research on Cooperatives Program of the U.S. Department of Agriculture, Rural Development Administration or its successor agency, Cooperative Services, as provided by the Agricultural Marketing Act of 1946 and (appropriate) fiscal year appropriations.

(d) Purchase of office supplies (such as paper, pens, pencils, and trade magazines) and postage needed for project activities.

(e) Payment of necessary and reasonable travel expenses.

§§ 4285.26–4285.45 [Reserved]

§ 4285.46 Prohibited use of cooperative agreement funds.

(a) The Agricultural Marketing Act prohibits the use of Federal funds to pay for newspaper or periodical space and radio and television time, either directly to the media or indirectly through an advertising agency or other firm. County and State fair exhibits, as well as commodity months and weeks, are also excluded as the research on cooperatives program activities.

(b) Federal funds cannot be used to purchase products or samples of products to give away to the public.

(c) Federal program funds cannot be used to purchase:

(1) Promotional pieces such as point-of-sale materials, promotional kits, billboard space and signs, streamers, automobile stickers, table tents, and placemats; or

(2) Promotion items of a personal gift nature.

(d) Cooperative agreement funds cannot be used to conduct general publicity or information programs designed to build the image of the State’s agriculture or of a particular State Department of Agriculture or Agricultural Experiment Stations, and other State agencies cannot charge their salaries and travel to project funds, with the exception of travel to workshops or conferences devoted to the Federal-State Research on Cooperatives Program.

(g) Funds made available for this program shall not be subject to reduction for indirect costs or for tuition remission.

§ 4285.47 Limitations.

The amount of funds available for the cooperative agreements under this program is limited to the amount appropriated for the fiscal year.

§§ 4285.48–4285.57 [Reserved]

§ 4285.58 How to apply for cooperative agreement funds.

(a) A program solicitation will be prepared and announced through publications such as the Federal Register, professional trade journals, agency or program handbooks, and/or any other appropriate means, as early as practicable each fiscal year in which funds are appropriated for the program.

(b) The annual program solicitation will contain information sufficient to enable all eligible applicants to prepare proposals including:

(1) Desired research topics. The FY–94 solicitation will encourage studies:

(i) To improve the efficiency and effectiveness of marketing of agricultural cooperatives;

(ii) To measure the impact of rural cooperatives on the local economies;

(iii) That help identify opportunities to develop cooperatives for new or alternative market uses of agricultural products;

(iv) That help identify ways to develop agricultural marketing cooperatives; and

(v) Addressing other cooperative marketing objectives;

(2) Explanation of eligibility requirements as outlined in § 4285.24 of this subpart;

(3) The notice of availability of application forms and instructions for submission of applications;

(4) The notice of deadline dates for postmarking proposal packages.
(c) Format for proposals. Unless otherwise indicated by the Department in the annual program solicitation, the following information must be submitted for the preparation of proposals under this program:

4. Statement of Work. The application must include a narrative statement describing the nature of the proposed research. The Statement of Work must include at least the following:
   (i) Title of the Project. The title of the proposal must be brief, yet represent the major thrust of the project.
   (ii) Project Leaders. List the name(s) of the principal investigator(s). Minor collaborators or consultants should be so designated and not listed as principal investigators.
   (iii) Need for the Project. A concisely worded rationale behind the proposed research must be presented. The need for the proposed research must be clearly related to marketing and to the needs of agricultural cooperatives.
   (iv) Objectives of the project. The specific description of the overall project goal(s) and supporting objectives must be presented.
   (v) Procedures for conducting the research. The hypotheses or questions being asked and the methodology being applied to the proposed project must be described. A description of any subcontracting arrangements that will be used for conducting the research must be included. A tentative schedule for conducting major steps involved in the investigation must also be included.
   (vi) The expected output of the project. A description of how the results of the research will be disseminated should be presented. Responsibility for publishing any research reports or other types of output should also be identified.

5. Collaborative arrangements. If the nature of the proposed project requires collaboration or subcontractual arrangements with other research scientists, corporations, organizations, agencies, or entities, the applicant must identify the collaborator(s) and provide a full explanation of the nature of the collaboration. Evidence (i.e., letters of intent) should be provided to assure reviewers that the collaborators involved have agreed to render this service. In addition, the proposal must indicate whether or not such a collaborative arrangement(s) has the potential for conflict(s) of interest.

6. Personnel support. To assist reviewers in assessing the competence and experience of the proposed project staff, key personnel who will be involved in the proposed project must be identified clearly. For each principal investigator involved, and for all senior associates and other professional personnel who expect to work on the project, whether or not funds are sought for their support, the following must be included:
   (i) An estimate of the time commitments necessary;
   (ii) Curriculum Vitae. The curriculum vitae should be limited to a presentation of academic and research credentials, e.g., educational, employment and professional history, and honors and awards. Unless pertinent to the project, it should not include meetings attended, seminars given, or personal data such as birth date, marital status, or community activities; and
   (iii) Publication List(s). A chronological list of all publications in refereed journals during the past five years, including those in press, must be provided for each professional project member for whom a curriculum vitae is provided. Also list other non-refereed technical publications that have relevance to the proposed project. Authors should be listed in the same order as they appear on each paper cited, along with the title and complete reference as these usually appear in journals.
successor agency staff panel. The Assistant Administrator for Cooperative Services will select the evaluation panel from staff determined to be highly qualified in the subject matter areas that were emphasized in the current year’s solicitation and from those with no potential conflict of interest with the applicants.

(2) Prior to technical examination, a preliminary review will be made for responsiveness to the program solicitation (e.g., relationship of proposal to research topic(s) listed in solicitation). Proposals that do not fall within the guidelines as stated in the program solicitation will be eliminated from competition and will be returned to the applicant.

(3) Proposals will be ranked based on evaluation criteria established in §4285.70 of this subpart, and financial support levels will be recommended to the Assistant Administrator for Cooperative Services by the panel within the limitation of the total funding available in the fiscal year. The purpose of these evaluations is to provide information upon which the Assistant Administrator for Cooperative Services may make informed judgments in selecting proposals. Such recommendations are advisory only and are not binding on the awarding official of RDA or its successor agency. To ensure a comprehensive evaluation, all applications should be written with the care and thoroughness accorded papers for publication.

(b) Disposition. (1) On the basis of the Assistant Administrator for Cooperative Services’s evaluation of an application in accordance with paragraph (a) of this section, the Assistant Administrator for Cooperative Services will either:

(i) Approve support using currently available funds;

(ii) Defer support due to lack of funds or need for further evaluation; or

(iii) Disapprove support for the proposed project in whole or in part.

(2) With respect to any approved project, the Assistant Administrator for Cooperative Services will determine the project period during which the project may be funded.

(3) Any deferral or disapproval of an application will not preclude its reconsideration or reapplication during subsequent fiscal years. However, applicants must reapply if reconsideration is desired.

(4) The Assistant Administrator for Cooperative Services will not make a cooperative agreement funding award, based upon an application covered by this part, unless the application has been properly reviewed in accordance with the provisions of this part and unless said reviewers have made recommendations concerning the scientific merit and relevance to the program of such application.

§4285.70 Evaluation criteria.

(a) In evaluating the proposal, the RDA or its successor agency staff review panel and the awarding official will take into account the degree to which the proposal demonstrates the following:

(1) Focus on a practical solution to a significant problem involving one or more of the following on a cooperative business basis: the preparation for market, processing, packaging, handling, storing, transporting, distributing, or marketing of agricultural products. (35%)

(2) Adequacy, soundness, and appropriateness of the proposed approach to solve the identified problem. (30%)

(3) Feasibility and probability of success of project solving the problem. (10%)

(4) Qualifications, experience in related work, competence, and availability of project personnel to direct and carry out the project. (25%)

(b) In addition, the cost relative to the expected research results will be considered in determining the awarding of the agreements.

§§4285.71–4285.80 [Reserved]

§4285.81 Cooperative agreement awards.

(a) General. Within the limit of funds available for such purpose, the awarding official shall make awards for cooperative agreements to those applicants whose proposals are judged most meritorious in the announced program areas under the evaluation criteria and procedures set forth in this part. The
The date specified by the Assistant Administrator for Cooperative Services as the beginning of the project period shall be no later than September 30 of the Federal fiscal year in which the project is approved and funds are appropriated for such purpose, unless otherwise permitted by law. All funds awarded under this part shall be expended solely in accordance with the methods identified in approved application and budget, the regulations of this part, the terms and conditions of the award, the Grants and Agreements regulations of the Department of Agriculture as currently codified in 2 CFR parts 400, 415, 417, 418, and 421.

(b) Cooperative agreement award document and notice of award—(1) Cooperative agreement award document. The award document shall include at a minimum the following:

(i) Legal name and address of performing organization or institution to whom the Assistant Administrator for Cooperative Services has competitively awarded funds under the terms of this part;

(ii) Title of project;

(iii) Name(s) and address(es) of principal investigator(s) chosen to direct and control approved activities;

(iv) Identifying cooperative agreement number assigned by RDA or its successor agency;

(v) Project period, specifying the amount of time the Agency intends to support the project without requiring recompetition for funds;

(vi) Total amount of Agency financial assistance approved by the Assistant Administrator for Cooperative Services during the project period;

(vii) Legal authority(ies) under which the cooperative agreement is awarded;

(viii) Approved budget plan for categorizing allocable project funds to accomplish the stated purpose of the cooperative agreement award; and

(ix) Other information or provisions deemed necessary by RDA or its successor agency to carry out its agreement activities or to accomplish the purpose of a particular cooperative agreement.

(2) Notice of award. The notice of award of funds for the cooperative agreement will be in the form of a letter providing pertinent instructions or information to the cooperator.

(c) Types of cooperative agreement instruments. The types of cooperative agreements shall be as follows:

(1) New agreement. This is an agreement instrument by which RDA or its successor agency agrees to support a specified level of effort for a project not supported previously under this program. This type of agreement is approved on the basis of an RDA or its successor agency Staff evaluation review and recommendation.

(2) Renewal agreement. This is an agreement instrument by which RDA or its successor agency agrees to provide additional funding for a project beyond the period approved in an original or amended agreement, provided that the cumulative period does not exceed the statutory limitation. When a renewal application is submitted, it must include a summary of progress to date from the previous agreement period. A renewal agreement shall be based upon new application, de novo review and staff evaluation, new recommendation and approval, and a new award instrument.

(3) Supplemental agreement. This is an instrument by which RDA or its successor agency agrees to provide small amounts of additional funding under a new or renewal cooperative agreement as specified in paragraphs (c)(1) and (c)(2) of this section and may involve a short-term (usually one year or less) extension of the project period beyond that approved in an original or amended award, but in no case may the cumulative period for the project exceed the statutory limitation. A supplement is awarded only if required to assure adequate completion of the original scope of work and if there is sufficient justification to warrant such action. A request of this nature will not require additional review.

(d) Obligation of the Federal Government. The approval of any application or the award of any funds for a cooperative agreement shall not commit nor obligate the United States in any way to make any renewal, supplemental, continuation, or other award with respect to any approved application or portion of an approved application.
(e) Obligation of the cooperator. The cooperator shall be responsible for:

(1) Making a brief quarterly progress reports at the end of each December, March, June and September to the FSROC program staff for the duration of the research project; and

(2) Presenting a final administrative report on the project at the end of the research project; and

(3) Preparing and publishing a report(s) of research findings for dissemination to interested producers, cooperatives, and agencies. Include recognition to financial and other assistance received from the FSROC program.

§ 4285.82 Use of funds; changes.

(a) Delegation of fiscal responsibility. The cooperator may not, in whole or in part, delegate or transfer to another person, institution, or organization the responsibility for use or expenditure of cooperative agreement funds.

(b) Change in project plans. (1) The permissible changes by the cooperator, principal investigator(s), or other key project personnel in the approved cooperative agreement shall be limited to changes in methodology, techniques, or other aspects of the project to expedite achievement of the project’s approved goals. If the cooperator and/or the principal investigator(s) is uncertain whether a particular change complies with this provision, the question must be referred to the Assistant Administrator for Cooperative Services for a final determination.

(2) Changes in approved goals, or objectives, shall be requested by cooperator and approved in writing by the Assistant Administrator for Cooperative Services, or authorized delegate, prior to effecting such changes. Normally, no requests for such changes outside the scope of the original approved project will be approved.

(3) Changes in approved project leadership or the replacement or realignment of other key project personnel shall be requested by the cooperator and approved in writing by the Assistant Administrator for Cooperative Services, or authorized delegate, prior to effecting such changes.

(4) Transfers of actual performance of the substantive programmatic work in whole or in part and provisions for payment of funds, whether or not Federal funds are involved, shall be requested by the cooperator and approved in writing by the Assistant Administrator for Cooperative Services, or authorized delegate, prior to effecting such changes, except as may be allowed in the terms and conditions of a cooperative agreement award.

(c) Changes in project period. The project period determined pursuant to § 4285.81(b) of this subpart may be extended by the Assistant Administrator for Cooperative Services without additional financial support, for such additional period(s) as the Assistant Administrator for Cooperative Services determines may be necessary to complete, or fulfill the purposes of, an approved project. Any extension, when combined with the originally approved or amended project period, shall not exceed four (4) years and shall be further conditioned upon prior request by the cooperator and approval in writing by the Assistant Administrator for Cooperative Services, or authorized delegate, except as may be allowed in the terms and conditions of a cooperative agreement award.

(d) Changes in approved budget. The terms and conditions of a cooperative agreement will prescribe circumstances under which written Agency approval must be requested and obtained prior to instituting changes in an approved budget.

§§ 4285.83–4285.92 [Reserved]

§ 4285.93 Other Federal statutes and regulations that apply.

Several other Federal statutes and regulations apply to cooperative agreement proposals considered for review or to agreements awarded under this part. These include but are not limited to:

(a) 7 CFR Part 1, Subpart A—USDA implementation of the Freedom of Information Act;

(b) 7 CFR Part 3—USDA implementation of OMB Circular A–129 regarding debt collection;

(c) 7 CFR Part 15, Subpart A—USDA implementation of title VI of the Civil
§ 4285.94 Other conditions.

Post-award requirements. Upon awarding the cooperative agreement, the post-award and audit requirements of 2 CFR part 200, as adopted by USDA in 2 CFR part 400 apply.

Subpart A [Reserved]

Subpart B—Servicing Business and Industry Guaranteed Loans

§ 4287.101 Introduction.

(a) This subpart supplements part 4279, subparts A and B, by providing additional requirements and instructions for servicing and liquidating all Business and Industry (B&I) Guaranteed Loans. This includes Drought and Disaster (D&D), Disaster Assistance for Rural Business Enterprises (DARBE), and Business and Industry Disaster (BID) loans.

(b) The lender will be responsible for servicing the entire loan and will remain mortgagee and secured party of record notwithstanding the fact that another party may hold a portion of the loan. The entire loan will be secured by the same security with equal lien priority for the guaranteed and unguaranteed portions of the loan. The unguaranteed portion of a loan will neither be paid first nor given any preference or priority over the guaranteed portion of the loan.

(c) Copies of all forms, regulations, and Instructions referenced in this subpart are available in any Agency office. Whenever a form is designated in this subpart, that designation includes predecessor and successor forms, if applicable, as specified by the field or National Office.

§ 4287.102 Definitions.

The definitions and abbreviations contained in §4279.2 of subpart A of part 4279 of this chapter apply to this subpart.

§ 4287.103 Exception authority.

Section 4279.15 of subpart A of part 4279 of this chapter applies to this subpart.

§§ 4287.104–4287.105 [Reserved]

§ 4287.106 Appeals.

Section 4279.16 of subpart A of part 4279 of this chapter applies to this subpart.

§ 4287.107 Routine servicing.

The lender is responsible for servicing the entire loan and for taking all servicing actions that a prudent lender would perform in servicing its own portfolio of loans that are not guaranteed. The Loan Note Guarantee is unenforceable by the lender to the extent any loss is occasioned by violation of usury laws, use of loan funds for unauthorized purposes, negligent servicing, or failure to obtain the required security interest regardless of the time at which the Agency acquires knowledge of the foregoing. This responsibility includes but is not limited to the collection of payments, obtaining compliance with the covenants and provisions in the Loan Agreement, obtaining and analyzing financial statements, checking on payment of taxes and insurance premiums, and maintaining liens on collateral.

(a) Lender reports and annual renewal fee. The lender must report the outstanding principal and interest balance on each guaranteed loan semiannually using a USDA-approved status report or other approved format. The lender will transmit the annual renewal fee to the Agency simultaneously with the December 31 semiannual status report in accordance with 7 CFR part 4279, subpart B, §4279.107.

(b) Loan classification. Within 90 days of receipt of the Loan Note Guarantee, the lender must notify the Agency of the loan’s classification or rating.
under its regulatory standards. Should the classification be changed at a future time, the Agency must be notified immediately.

(c) Agency and lender conference. At the Agency’s request, the lender will meet with the Agency to ascertain how the guaranteed loan is being serviced and that the conditions and covenants of the Loan Agreement are being enforced.

(d) Financial reports. The lender must obtain and forward to the Agency the financial statements required by the Loan Agreement. The lender must submit annual financial statements to the Agency within 120 days of the end of the borrower’s fiscal year. The lender must analyze the financial statements and provide the Agency with a written summary of the lender’s analysis and conclusions, including trends, strengths, weaknesses, extraordinary transactions, and other indications of the financial condition of the borrower. Spreadsheets of the new financial statements must be included.

(e) Additional expenditures. The lender will not make additional loans to the borrower without first obtaining the prior written approval of the Agency, even though such loans will not be guaranteed.

§ 4287.112 Interest rate adjustments.

(a) Reductions. The borrower, lender, and holder (if any) may collectively initiate a permanent or temporary reduction in the interest rate of the guaranteed loan at any time during the life of the loan upon written agreement among these parties. The Agency must be notified by the lender, in writing, within 10 calendar days of the change. The Agency may, at its discretion, require an appraisal of the remaining collateral in cases where it is determined that the Agency may be adversely affected by the release of collateral. Sale or release of collateral must be based on an arm’s-length transaction.

(b) Within the parameters of paragraph (a) of this section, lenders may, over the life of the loan, release collateral (other than personal and corporate guarantees) with a cumulative value of up to 20 percent of the original loan amount without Agency concurrence if the proceeds generated are used to reduce the guaranteed loan or to buy replacement collateral.

(c) Within the parameters of paragraph (a) of this section, release of collateral with a cumulative value in excess of 20 percent of the original loan

§ 4287.113 Release of collateral.

(a) All releases of collateral with a value exceeding $100,000 must be supported by a current appraisal on the collateral released. The appraisal will be at the expense of the borrower and must meet the requirements of § 4279.144 of subpart B of part 4279 of this chapter. The remaining collateral must be sufficient to provide for repayment of the Agency’s guaranteed loan. The Agency may, at its discretion, require an appraisal of the remaining collateral in cases where it is determined that the Agency may be adversely affected by the release of collateral. Sale or release of collateral must be based on an arm’s-length transaction.

(b) Within the parameters of paragraph (a) of this section, lenders may, over the life of the loan, release collateral (other than personal and corporate guarantees) with a cumulative value of up to 20 percent of the original loan amount without Agency concurrence if the proceeds generated are used to reduce the guaranteed loan or to buy replacement collateral.

(c) Within the parameters of paragraph (a) of this section, release of collateral with a cumulative value in excess of 20 percent of the original loan

§§ 4287.108–4287.111

(1) Fixed rates can be changed to variable rates to reduce the borrower’s interest rate only when the variable rate has a ceiling which is less than or equal to the original fixed rate.

(2) Variable rates can be changed to a fixed rate which is at or below the current variable rate.

(3) The interest rates, after adjustments, must comply with the requirements for interest rates on new loans as established by § 4279.125 of subpart B of part 4279 of this chapter.

(4) The lender is responsible for the legal documentation of interest-rate changes by an endorsement or any other legally effective amendment to the promissory note; however, no new notes may be issued. Copies of all legal documents must be provided to the Agency.

(b) Increases. No increases in interest rates will be permitted except the normal fluctuations in approved variable interest rates unless a temporary interest-rate reduction had occurred.
or when the proceeds will not be used to reduce the guaranteed loan or to buy replacement collateral must be requested in writing by the lender and concurred in by the Agency in writing in advance of the release. A written evaluation will be completed by the lender to justify the release.

§ 4287.114–4287.122 [Reserved]

§ 4287.123 Subordination of lien position.

A subordination of the lender’s lien position must be requested in writing by the lender and concurred in by the Agency in writing in advance of the subordination. The subordination must enhance the borrower’s business and the Agency’s interest. After the subordination, collateral must be adequate to secure the loan. The lien to which the guaranteed loan is subordinated must be for a fixed dollar limit and fixed or limited term, after which the guaranteed loan lien priority will be restored. Subordination to a revolving line of credit will not exceed 1 year. There must be adequate consideration for the subordination.

§ 4287.124 Alterations of loan instruments.

The lender shall neither alter nor approve any alterations of any loan instrument without the prior written approval of the Agency.

§§ 4287.125–4287.133 [Reserved]

§ 4287.134 Transfer and assumption.

(a) Documentation of request. All transfers and assumptions must be approved in writing by the Agency and must be to eligible applicants in accordance with subpart B of part 4279 of this chapter. An individual credit report must be provided for transferee proprietors, partners, officers, directors, and stockholders with 20 percent or more interest in the business, along with such other documentation as the Agency may request to determine eligibility.

(b) Terms. Loan terms must not be changed unless the change is approved in writing by the Agency with the concurrence of any holder and the transferor (including guarantors) if they have not been or will not be released from liability. Any new loan terms must be within the terms authorized by 4279.126 of subpart B of part 4279 of this chapter. The lender’s request for approval of new loan terms will be supported by an explanation of the reasons for the proposed change in loan terms.

(c) Release of liability. The transferor, including any guarantor, may be released from liability only with prior Agency written concurrence and only when the value of the collateral being transferred is at least equal to the amount of the loan being assumed and is supported by a current appraisal and a current financial statement. The Agency will not pay for the appraisal. If the transfer is for less than the debt, the lender must demonstrate to the Agency that the transferor and guarantors have no reasonable debt-paying ability considering their assets and income in the foreseeable future.

(d) Proceeds. Any proceeds received from the sale of collateral before a transfer and assumption will be credited to the transferor’s guaranteed loan debt in inverse order of maturity before the transfer and assumption are closed.

(e) Additional loans. Loans to provide additional funds in connection with a transfer and assumption must be considered as a new loan application under subpart B of part 4279 of this chapter.

(f) Credit quality. The lender must make a complete credit analysis which is subject to Agency review and approval.

(g) Documents. Prior to Agency approval, the lender must advise the Agency, in writing, that the transaction can be properly and legally transferred, and the conveyance instruments will be filed, registered, or recorded as appropriate.

(1) The assumption will be done on the lender’s form of assumption agreement and will contain the Agency case number of the transferor and transferee. The lender will provide the Agency with a copy of the transfer and assumption agreement. The lender must ensure that all transfers and assumptions are noted on all original Loan Note Guarantees.

(2) A new Loan Agreement, consistent in principle with the original Loan Agreement, should be executed to
§ 4287.135 Substitution of lender.

After the issuance of a Loan Note Guarantee, the lender shall not sell or transfer the entire loan without the prior written approval of the Agency. The Agency will not pay any loss or share in any costs (i.e., appraisal fees, environmental studies, or other costs associated with servicing or liquidating the loan) with a new lender unless a relationship is established through a substitution of lender in accordance with paragraph (a) of this section. This includes cases where the lender has failed and been taken over by a regulatory agency such as the Federal Deposit Insurance Corporation (FDIC) and the loan is subsequently sold to another lender.

(a) The Agency may approve the substitution of a new lender if:

(1) The proposed substitute lender:

(i) Is an eligible lender in accordance with 4279.29 of subpart A of part 4279 of this chapter;

(ii) Is able to service the loan in accordance with the original loan documents; and

(iii) Agrees in writing to acquire title to the unguaranteed portion of the loan held by the original lender and assumes all original loan requirements.

(2) The lender must have an appropriate appraiser, acceptable to both the transferee and transferor and currently authorized to perform appraisals, determine the value of the collateral securing the loan. The appraisal fee and any other costs will not be paid by the Agency.

(3) The market value of the collateral, plus any additional property the transferee proposes to offer as collateral, must be adequate to secure the balance of the guaranteed loans.

(4) Cash downpayments may be paid directly to the transferor provided:

(i) The lender recommends that the cash be released, and the Agency concurs prior to the transaction being completed. The lender may wish to require that an amount be retained for a defined period of time as a reserve against future defaults. Interest on such account may be paid periodically to the transferor or transferee as agreed;

(ii) The lender determines that the transferee has the repayment ability to meet the obligations of the assumed guaranteed loan as well as any other indebtedness;

(iii) Any payments by the transferee to the transferor will not suspend the transferee’s obligations to continue to meet the guaranteed loan payments as they come due under the terms of the assumption; and

(iv) The transferor agrees not to take any action against the transferee in connection with the assumption without prior written approval of the lender and the Agency.

(b) The Agency may authorize the substitution if:

(1) The proposed substitute lender:

(i) Is an eligible lender in accordance with 4279.29 of subpart A of part 4279 of this chapter;

(ii) Is able to service the loan in accordance with the original loan documents; and

(iii) Agrees in writing to acquire title to the unguaranteed portion of the loan held by the original lender and assumes all original loan requirements.
including liabilities and servicing responsibilities.

(2) The substitution of the lender is requested in writing by the borrower, the proposed substitute lender, and the original lender if still in existence.

(b) Where the lender has failed and been taken over by FDIC and the guaranteed loan is liquidated by FDIC rather than being sold to another lender, the Agency will pay losses and share in costs as if FDIC were an approved substitute lender.

§§ 4287.136–4287.144 [Reserved]

§ 4287.145 Default by borrower.

(a) The lender must notify the Agency when a borrower is 30 days past due on a payment or is otherwise in default of the Loan Agreement. Form FnHA 1960–44, “Guaranteed Loan Borrower Default Status,” will be used and the lender will continue to submit this form bimonthly until such time as the loan is no longer in default. If a monetary default exceeds 60 days, the lender will arrange a meeting with the Agency and the borrower to resolve the problem.

(b) In considering options, the prospects for providing a permanent cure without adversely affecting the risk to the Agency and the lender is the paramount objective.

(1) Curative actions include but are not limited to:

(i) Deferment of principal (subject to rights of any holder);
(ii) An additional unguaranteed loan by the lender to bring the account current;
(iii) Reamortization of or rescheduling the payments on the loan (subject to rights of any holder);
(iv) Transfer and assumption of the loan in accordance with §4287.134 of this subpart;
(v) Reorganization;
(vi) Liquidation;
(vii) Subsequent loan guarantees; and
(viii) Changes in interest rates with the Agency’s, the lender’s, and holder’s approval, provided that the interest rate is adjusted proportionately between the guaranteed and unguaranteed portion of the loan and the type of rate remains the same.

(2) In the event a deferment, rescheduling, reamortization, or moratorium is accomplished, it will be limited to the remaining life of the collateral or remaining limits as contained in §4279.126 of subpart B of part 4279 of this chapter, whichever is less.

§§ 4287.146–4287.155 [Reserved]

§ 4287.156 Protective advances.

Protective advances are advances made by the lender for the purpose of preserving and protecting the collateral where the debtor has failed to, will not, or cannot meet its obligations. Sound judgment must be exercised in determining that the protective advance preserves collateral and recovery is actually enhanced by making the advance. Protective advances will not be made in lieu of additional loans.

(a) The maximum loss to be paid by the Agency will never exceed the original principal plus accrued interest regardless of any protective advances made.

(b) Protective advances and interest thereon at the note rate will be guaranteed at the same percentage of loss as provided in the Loan Note Guarantee.

(c) Protective advances must constitute an indebtedness of the borrower to the lender and be secured by the security instruments. Agency written authorization is required when cumulative protective advances exceed $5,000.

§ 4287.157 Liquidation.

In the event of one or more incidents of default or third party actions that the borrower cannot or will not cure or eliminate within a reasonable period of time, liquidation may be considered. If the lender concludes that liquidation is necessary, it must request the Agency’s concurrence. The lender will liquidate the loan unless the Agency, at its option, carries out liquidation. When the decision to liquidate is made, if the loan has not already been repurchased, provisions will be made for repurchase in accordance with §4279.78 of subpart A of part 4279 of this chapter.

(a) Decision to liquidate. A decision to liquidate shall be made when it is determined that the default cannot be
cured through actions contained in § 4287.145 of this subpart or it has been determined that it is in the best interest of the Agency and the lender to liquidate. The decision to liquidate or continue with the borrower must be made as soon as possible when any of the following exist:

(1) A loan has been delinquent 90 days and the lender and borrower have not been able to cure the delinquency through one of the actions contained in § 4287.145 of this subpart.

(2) It has been determined that delaying liquidation will jeopardize full recovery on the loan.

(3) The borrower or lender has been uncooperative in resolving the problem and the Agency or the lender has reason to believe the borrower is not acting in good faith, and it would enhance the position of the guarantee to liquidate immediately.

(b) Liquidation by the Agency. The Agency may require the lender to assign the security instruments to the Agency if the Agency, at its option, decides to liquidate the loan. When the Agency liquidates, reasonable liquidation expenses will be assessed against the proceeds derived from the sale of the collateral. Form FmHA 1980–45, “Notice of Liquidation Responsibility,” will be forwarded to the Finance Office when the Agency liquidates the loan.

(c) Submission of liquidation plan. The lender will, within 30 days after a decision to liquidate, submit to the Agency in writing its proposed detailed method of liquidation. Upon approval by the Agency of the liquidation plan, the lender will commence liquidation.

(d) Lender’s liquidation plan. The liquidation plan must include, but is not limited to, the following:

(1) Such proof as the Agency requires to establish the lender’s ownership of the guaranteed loan promissory note and related security instruments and a copy of the payment ledger if available which reflects the current loan balance and accrued interest to date and the method of computing the interest.

(2) A full and complete list of all collateral including any personal and corporate guarantees.

(3) The recommended liquidation methods for making the maximum collection possible on the indebtedness and the justification for such methods, including recommended action:

(i) For acquiring and disposing of all collateral; and

(ii) To collect from guarantors.

(4) Necessary steps for preservation of the collateral.

(5) Copies of the borrower’s latest available financial statements.

(6) Copies of the guarantor’s latest available financial statements.

(7) An itemized list of estimated liquidation expenses expected to be incurred along with justification for each expense.

(8) A schedule to periodically report to the Agency on the progress of liquidation.

(9) Estimated protective advance amounts with justification.

(10) Proposed protective bid amounts on collateral to be sold at auction and a breakdown to show how the amounts were determined.

(11) If a voluntary conveyance is considered, the proposed amount to be credited to the guaranteed debt.

(12) Legal opinions, if needed.

(13) If the outstanding balance of principal and accrued interest is less than $200,000, the lender will obtain an estimate of fair market and potential liquidation value of the collateral. If the outstanding balance of principal and accrued interest is $200,000 or more, the lender will obtain an independent appraisal report meeting the requirements of § 4279.144 of subpart B of part 4279 of this chapter on all collateral securing the loan which will reflect the fair market value and potential liquidation value. In order to formulate a liquidation plan which maximizes recovery, collateral must be evaluated for the release of hazardous substances, petroleum products, or other environmental hazards which may adversely impact the market value of the collateral. The appraisal shall consider this aspect. The independent appraiser’s fee, including the cost of the environmental site assessment, will be shared equally by the Agency and the lender.

(e) Approval of liquidation plan. The Agency will inform the lender in writing whether it concurs in the lender’s liquidation plan. Should the Agency
and the lender not agree on the liquidation plan, negotiations will take place between the Agency and the lender to resolve the disagreement. When the liquidation plan is approved by the Agency, the lender will proceed expeditiously with liquidation.

(1) A transfer and assumption of the borrower’s operation can be accomplished before or after the loan goes into liquidation. However, if the collateral has been purchased through foreclosure or the borrower has conveyed title to the lender, no transfer and assumption is permitted.

(2) A protective bid may be made by the lender, with prior Agency written approval, at a foreclosure sale to protect the lender’s and the Agency’s interest. The protective bid will not exceed the amount of the loan, including expenses of foreclosure, and should be based on the liquidation value considering estimated expenses for holding and reselling the property. These expenses include, but are not limited to, expenses for resale, interest accrual, length of time necessary for resale, maintenance, guard service, weatherization, and prior liens.

(f) Acceleration. The lender, or the Agency if it liquidates, will proceed to accelerate the indebtedness as expeditiously as possible when acceleration is necessary including giving any notices and taking any other legal actions required. A copy of the acceleration notice or other acceleration document will be sent to the Agency (or lender if the Agency liquidates). The guaranteed loan will be considered in liquidation once the loan has been accelerated and a demand for payment has been made upon the borrower.

(g) Filing an estimated loss claim. When the lender is conducting the liquidation and owns any or all of the guaranteed portion of the loan, the lender will file an estimated loss claim once a decision has been made to liquidate if the liquidation will exceed 90 days. The estimated loss payment will be based on the liquidation value of the collateral. For the purpose of reporting and loss claim computation, the lender will discontinue interest accrual on the defaulted loan in accordance with Agency procedures, and the loss claim will be promptly processed in accordance with applicable Agency regulations.

(h) Accounting and reports. When the lender conducts liquidation, it will account for funds during the period of liquidation and will provide the Agency with reports at least quarterly on the progress of liquidation including disposition of collateral, resulting costs, and additional procedures necessary for successful completion of the liquidation.

(i) Transferring payments and proceeds to the Agency. When the Agency is the holder of a portion of the guaranteed loan, the lender will transmit to the Agency its pro rata share of any payments received from the borrower; liquidation; or other proceeds using Form FmHA 1980–43, “Lender’s Guaranteed Loan Payment to FmHA.”

(j) Abandonment of collateral. There may be instances when the cost of liquidation would exceed the potential recovery value of the collection. The lender, with proper documentation and concurrence of the Agency, may abandon the collateral in lieu of liquidation. A proposed abandonment will be considered a servicing action requiring the appropriate environmental review by the Agency in accordance with subpart G of part 1940 of this title. Examples where abandonment may be considered include, but are not limited to:

(1) The cost of liquidation is increased or the value of the collateral is decreased by environmental issues;

(2) The collateral is functionally or economically obsolete;

(3) There are superior liens held by other parties in excess of the value of the collateral;

(4) The collateral has deteriorated; or

(5) The collateral is specialized and there is little or no demand for it.

(k) Disposition of personal or corporate guarantees. The lender should take action to maximize recovery from all collateral, including personal and corporate guarantees. The lender will seek a deficiency judgment when there is a reasonable chance of future collection of the judgment. The lender must make a decision whether or not to seek a deficiency judgment when:

(1) A borrower voluntarily liquidates the collateral, but the sale fails to pay the guaranteed indebtedness;
(2) The collateral is voluntarily conveyed to the lender, but the borrower and personal and corporate guarantors are not released from liability; or
(3) A liquidation plan is being developed for forced liquidation.

(i) Compromise settlement. A compromise settlement may be considered at any time.
(1) The lender and the Agency must receive complete financial information on all parties obligated for the loan and must be satisfied that the statements reflect the true and correct financial position of the debtor including all assets. Adequate consideration must be received before a release from liability is issued. Adequate consideration includes money, additional security, or other benefit to the goals and objectives of the Agency.
(2) Before a personal guarantor can be released from liability, the following factors must be considered.
(i) Cash, either lump sum or over a period of time, or other consideration offered by the guarantor;
(ii) Age and health of the guarantor;
(iii) Potential income of the guarantor;
(iv) Inheritance prospects of the guarantor;
(v) Availability of the guarantor’s assets.
(vi) Possibility that the guarantor’s assets have been concealed or improperly transferred; and
(vii) Effect of other guarantors on the loan.
(3) Once the Agency and the lender agree on a reasonable amount that is fair and adequate, the lender can proceed to effect the settlement compromise.
(4) A compromise will only be accepted if it is in the best interest of the Agency.

§ 4287.158 Determination of loss and payment.

In all liquidation cases, final settlement will be made with the lender after the collateral is liquidated, unless otherwise designated as a future recovery or after settlement and compromise of all parties has been completed. The Agency will have the right to recover losses paid under the guarantee from any party which may be liable.

(a) Report of loss form. Form FmHA 449–30, “Loan Note Guarantee Report of Loss,” will be used for calculations of all estimated and final loss determinations. Estimated loss payments may only be approved by the Agency after the Agency has approved a liquidation plan.

(b) Estimated loss. In accordance with the requirements of §4287.157(g) of this subpart, an estimated loss claim based on liquidation appraisal value will be prepared and submitted by the lender.
(1) The estimated loss payment shall be applied as of the date of such payment. The total amount of the loss payment remitted by the Agency will be applied by the lender on the guaranteed portion of the loan debt. Such application does not release the borrower from liability.
(2) An estimated loss will be applied first to reduce the principal balance on the guaranteed loan and the balance, if any, to accrued interest. Interest accrual on the defaulted loan will be discontinued.
(3) A protective advance claim will be paid only at the time of the final report of loss payment, except in certain transfer and assumption situations as specified in §4287.134 of this subpart.
(c) Final loss. Within 30 days after liquidation of all collateral, except for certain unsecured personal or corporate guarantees as provided for in this section, is completed, a final report of loss must be prepared and submitted by the lender to the Agency. The Agency will not guarantee interest beyond this 30-day period other than for the period of time it takes the Agency to process the loss claim. Before approval by the Agency of any final loss report, the lender must account for all funds during the period of liquidation, disposition of the collateral, all costs incurred, and any other information necessary for the successful completion of liquidation. Upon receipt of the final accounting and report of loss, the Agency may audit all applicable documentation to determine the final loss. The lender will make its records available and otherwise assist
the Agency in making any investigation. The documentation accompanying the report of loss must support the amounts shown on Form FmHA 449–30.

(1) A determination must be made regarding the collectibility of unsecured personal and corporate guarantees. If reasonably possible, such guarantees should be promptly collected or otherwise disposed of in accordance with §4287.157(k) of this subpart prior to completion of the final loss report. However, in the event that collection from the guarantors appears unlikely or will require a prolonged period of time, the report of loss will be filed when all other collateral has been liquidated, and unsecured personal or corporate guarantees will be treated as a future recovery with the net proceeds to be shared on a pro rata basis by the lender and the Agency.

(2) The lender must document that all of the collateral has been accounted for and properly liquidated and that liquidation proceeds have been properly accounted for and applied correctly to the loan.

(3) The lender will show a breakdown of any protective advance amount as to the payee, purpose of the expenditure, date paid, and evidence that the amount expended was proper and that payment was actually made.

(4) The lender will show a breakdown of liquidation expenses as to the payee, purpose of the expenditure, date paid, and evidence that the amount expended was proper and that payment was actually made. Liquidation expenses are recoverable only from collateral proceeds. Attorney fees may be approved as liquidation expenses provided the fees are reasonable and cover legal issues pertaining to the liquidation that could not be properly handled by the lender and its in-house counsel.

(5) Accrued interest will be supported by documentation as to how the amount was accrued. If the interest rate was a variable rate, the lender will include documentation of changes in both the selected base rate and the loan rate.

(6) Loss payments will be paid by the Agency within 60 days after the review of the final loss report and accounting of the collateral.

d) **Loss limit.** The amount payable by the Agency to the lender cannot exceed the limits set forth in the Loan Note Guarantee.

(e) **Rent.** Any net rental or other income that has been received by the lender from the collateral will be applied on the guaranteed loan debt.

(f) **Liquidation costs.** Liquidation costs will be deducted from the proceeds of the disposition of primary collateral. If changed circumstances after submission of the liquidation plan require a substantial revision of liquidation costs, the lender will procure the Agency’s written concurrence prior to proceeding with the proposed changes. No in-house expenses of the lender will be allowed. In-house expenses include, but are not limited to, employee’s salaries, staff lawyers, travel, and overhead.

(g) **Payment.** When the Agency finds the final report of loss to be proper in all respects, it will approve Form FmHA 449–30 and proceed as follows:

(1) If the loss is greater than any estimated loss payment, the Agency will pay the additional amount owed by the Agency to the lender.

(2) If the loss is less than the estimated loss payment, the lender will reimburse the Agency for the overpayment plus interest at the note rate from the date of payment.

(3) If the Agency has conducted the liquidation, it will pay the lender in accordance with the Loan Note Guarantee.

§§ 4287.159–4287.168 [Reserved]

§ 4287.169 **Future recovery.**

After a loan has been liquidated and a final loss has been paid by the Agency, any future funds which may be recovered by the lender will be pro rated between the Agency and the lender based on the original percentage of guarantee.

§ 4287.170 **Bankruptcy.**

The lender is responsible for protecting the guaranteed loan and all collateral securing the loan in bankruptcy proceedings.

(a) **Lender’s responsibilities.** It is the lender’s responsibility to protect the
guaranteed loan debt and all of the collateral securing it in bankruptcy proceedings. These responsibilities include but are not limited to the following:

(1) The lender will file a proof of claim where necessary and all the necessary papers and pleadings concerning the case.

(2) The lender will attend and, where necessary, participate in meetings of the creditors and all court proceedings.

(3) When permitted by the Bankruptcy Code, the lender will request modification of any plan of reorganization whenever it appears that additional recoveries are likely.

(4) The Agency will be kept adequately and regularly informed in writing of all aspects of the proceedings.

(5) In a Chapter 11 reorganization, if an independent appraisal of collateral is necessary in the Agency’s opinion, the Agency and the lender will share such appraisal fee equally.

(b) Reports of loss during bankruptcy. When the loan is involved in reorganization proceedings, payment of loss claims may be made as provided in this section. For a liquidation proceeding, only paragraphs (b)(3) and (5) of this section are applicable.

(1) Estimated loss payments. (i) If a borrower has filed for protection under Chapter 11 of the United States Code for a reorganization (but not Chapter 13) and all or a portion of the debt has been discharged, the lender will request an estimated loss payment of the guaranteed portion of the accrued interest and principal discharged by the court. Only one estimated loss payment is allowed during the reorganization. All subsequent claims of the lender during reorganization will be considered revisions to the initial estimated loss. A revised estimated loss payment may be processed by the Agency, at its option, in accordance with any court-approved changes to the reorganization. The lender must apply estimated loss payments first to the unsecured principal of the guaranteed portion of the debt and then to the unsecured interest of the guaranteed portion of the debt. In the event a bankruptcy court attempts to direct the payments to be applied in a different manner, the lender will immediately notify the Agency servicing office.

(ii) The lender will use Form FnHA 449–30 to request an estimated loss payment and to revise any estimated loss payments during the course of the reorganization plan. The estimated loss claim, as well as any revisions to this claim, will be accompanied by documentation to support the claim.

(iii) Upon completion of a reorganization plan, the lender will complete a Form FnHA 1980–44 and forward this form to the Finance Office.

(2) Interest loss payments. (i) Interest losses sustained during the period of the reorganization plan will be processed in accordance with paragraph (b)(1) of this section.

(ii) Interest losses sustained after the reorganization plan is completed will be processed annually when the lender sustains a loss as a result of a permanent interest rate reduction which extends beyond the period of the reorganization plan.

(iii) If an estimated loss claim is paid during the operation of the Chapter 11 reorganization plan and the borrower repays in full the remaining balance without an additional loss sustained by the lender, a final report of loss is not necessary.

(3) Final loss payments. Final loss payments will be processed when the loan is liquidated.

(4) Payment application. The lender must apply estimated loss payments first to the unsecured principal of the guaranteed portion of the debt and then to the unsecured interest of the guaranteed portion of the debt. In the event a bankruptcy court attempts to direct the payments to be applied in a different manner, the lender will immediately notify the Agency servicing office.

(5) Overpayments. Upon completion of the reorganization plan, the lender will provide the Agency with the documentation necessary to determine whether the estimated loss paid equals the actual loss sustained. If the actual loss sustained as a result of the reorganization is less than the estimated loss, the lender will reimburse the Agency for the overpayment plus interest at the note rate from the date of payment of the estimated loss. If the actual loss is greater than the estimated loss payment, the lender will submit a revised
estimated loss in order to obtain payment of the additional amount owed by the Agency to the lender.

(6) **Protective advances.** If approved protective advances were made prior to the borrower having filed bankruptcy, these protective advances and accrued interest will be considered in the loss calculations.

(c) **Legal expenses during bankruptcy proceedings.**

(1) When a bankruptcy proceeding results in a liquidation of the borrower by a trustee, legal expenses will be handled as directed by the court.

(2) Chapter 11 pertains to a reorganization of a business contemplating an ongoing business rather than a termination and dissolution of the business where legal protection is afforded to the business as defined under Chapter 11 of the Bankruptcy Code. Consequently, expenses incurred by the lender in a Chapter 11 reorganization can never be liquidation expenses unless the proceeding becomes a Chapter 11 liquidation. If the proceeding should become a Liquidating 11, reasonable and customary liquidation expenses may be deducted from proceeds of collateral as provided in the Lender’s Agreement. Chapter 7 pertains to a liquidation of the borrower’s assets. If, and when, liquidation of the borrower’s assets under Chapter 7 is conducted by the bankruptcy trustee, then the lender cannot claim expenses.

§§ 4287.171–4287.179 [Reserved]

§ 4287.180 **Termination of guarantee.**

A guarantee under this part will terminate automatically:

(a) Upon full payment of the guaranteed loan;

(b) Upon full payment of any loss obligation; or

(c) Upon written notice from the lender to the Agency that the guarantee will terminate 30 days after the date of notice, provided that the lender holds all of the guaranteed portion and the Loan Note Guarantee is returned to the Agency to be canceled.

§§ 4287.181–4287.199 [Reserved]

§ 4287.200 **OMB control number.**

The information collection requirements contained in this regulation have been approved by OMB and have been assigned OMB control number 0575–0168. Public reporting burden for this collection of information is estimated to vary from 15 minutes to 8 hours per response, with an average of 4 hours per response, including time for reviewing the collection of information. Send comments regarding this burden, estimate or any other aspect of this collection of information, including suggestions for reducing this burden to the Department of Agriculture, Clearance Officer, OIRM, Stop 7630, Washington, DC 20250. You are not required to respond to this collection of information unless it displays a currently valid OMB control number.

Subpart D—Servicing Biorefinery, Renewable Chemical, and Biobased Manufacturing Assistance Guaranteed Loans

SOURCE: 80 FR 36447, June 24, 2015, unless otherwise noted.

§ 4287.301 **Introduction.**

(a) This subpart supplements 7 CFR part 4279, subpart C by providing additional requirements and instructions for servicing and liquidating all loans guaranteed under 7 CFR part 4279, subpart C.

(b) The Lender is responsible for servicing the entire loan and will remain mortgagee and secured party of record notwithstanding the fact that another party may hold a portion of the loan. The entire loan must continue to be secured by the same security with equal lien priority for the guaranteed and unguaranteed portions of the loan. The unguaranteed portion of a loan will neither be paid first nor given any preference or priority over the guaranteed portion of the loan.

(c) All loan servicing actions under this subpart, except for those identified in § 4287.307(a) through (g), are subject to Agency concurrence. Whether specifically stated or not, whenever Agency approval is required, it must be in
writing. Whenever Agency approval is required, such servicing action must be for Good Cause.

(d) Copies of all forms, regulations, and Instructions referenced in this subpart may be obtained from any Agency office and from the USDA Rural Development Web site at http://www.rd.usda.gov/programs-services/bio-refinery-assistance-program. Whenever a form is designated in this subpart, that designation includes predecessor and successor forms, if applicable, as specified by the Agency.

§ 4287.302 Definitions.
The definitions and abbreviations contained in §4279.202 of this chapter apply to this subpart.

§ 4287.303 Exception authority.
The Administrator may, with the concurrence of the Secretary of Agriculture, make an exception, on a case-by-case basis, to any requirement or provision of this subpart that is not inconsistent with any authorizing statute or applicable law, if the Administrator determines that application of the requirement or provision would adversely affect the Federal government’s interest.

§§ 4287.304–4287.305 [Reserved]

§ 4287.306 Appeals.

Borrowers, Lenders, and Holders have appeal or review rights for Agency decisions made under this subpart. Programmatic decisions based on clear and objective statutory or regulatory requirements are not appealable; however, such decisions are reviewable for appealability by the National Appeals Division (NAD). The Borrower, Lender, and Holder can appeal any Agency decision that directly and adversely impacts them. For an adverse decision that impacts the Borrower, the Lender and Borrower must jointly execute a written request for appeal for an alleged adverse decision made by the Agency. An adverse decision that only impacts the Lender may be appealed by the Lender only. An adverse decision that only impacts the Holder may be appealed by the Holder only. A decision by a Lender adverse to the interest of the Borrower is not a decision by the Agency, whether or not concurred in by the Agency. Appeals will be conducted by NAD and will be handled in accordance with 7 CFR part 11.

§ 4287.307 Routine servicing.
The Lender is responsible for servicing the entire loan and for taking all servicing actions that a reasonable Lender would perform in servicing its own portfolio of loans that are not guaranteed. The guarantee is unenforceable by the Lender to the extent any loss is occasioned by violation of usury laws, use of loan funds for unauthorized purposes, Negligent Loan Servicing or Grossly Negligent Loan Servicing as established in the Loan Note Guarantee, or failure to maintain the required security interest regardless of the time at which the Agency acquires knowledge of the foregoing. The Lender may contract for services and may rely on certain written materials (including but not limited to certifications, evaluations, appraisals, financial statements and other reports) to be provided by the Borrower or other qualified third parties (including, among others, one or more independent engineers, appraisers, accountants, consultants or other experts) but is ultimately responsible for underwriting, loan origination, loan servicing, and compliance with all Agency regulations. The Lender’s Agreement is the contractual agreement between the Lender and the Agency that sets forth some of the Lender’s loan servicing responsibilities. This responsibility includes but is not limited to periodic Borrower visits, the collection of payments, obtaining compliance with the covenants and provisions in the Loan Agreement, obtaining and analyzing financial statements, ensuring payment of taxes and insurance premiums, and maintaining liens on Collateral, and keeping an inventory accounting of all Collateral items and reconciling the inventory of all Collateral sold during loan servicing, including liquidation.

(a) Periodic reports. Each Lender must submit reports by the end of each Calendar Quarter, unless more frequent ones are needed as determined by the Agency to meet the financial interests of the United States, regarding the condition of its Agency guaranteed
loan portfolio (including Borrower status and Loan Classification) and any Material Adverse Change in the general financial condition of the Borrower since the last report was submitted. The Lender must report the outstanding principal and Interest balance and the current Loan Classification on each guaranteed loan using either the USDA Lender Interactive Network Connection (LINC) system or Form RD 1980-41, “Guaranteed Loan Status Report.”

(b) Default reports. Lenders must submit monthly Default reports, including Borrower payment history, for each loan in monetary Default using a form approved by the Agency.

(c) Annual Renewal Fee. The Lender must transmit the Annual Renewal Fee to the Agency in accordance with §4279.231(b) of this chapter calculated based on the December 31 loan status report.

(d) Agency and Lender conference. At the Agency’s request, the Lender must consult with the Agency to ascertain how the guaranteed loan is being serviced and that the conditions and covenants of the Loan Agreement are being enforced.

(e) Borrower Financial reports. The Lender must obtain, analyze, and forward to the Agency the Borrower’s and any guarantor’s financial statements required by the Loan Agreement within 45 days of the end of each Calendar Quarter and audited financial statements within 180 days of the end of the Borrower’s fiscal year. The Lender must analyze these financial statements and provide the Agency with a written summary of the Lender’s analysis, ratio analysis, and conclusions, which, at a minimum, must include trends, strengths, weaknesses, extraordinary transactions, violations of loan covenants and covenant waivers proposed by the Lender, any routine servicing actions performed, and other indications of the financial condition of the Borrower. Spreadsheets of the financial statements must also be included. Following the Agency’s review of the Lender’s financial analysis, the Agency will provide a written report of any concerns to the Lender. Any concerns based upon the Agency’s review must be addressed by the Lender. If the Lender makes a reasonable attempt to obtain financial statements, but is unable to obtain the Borrower’s cooperation, the failure to obtain financial statements will not impair the validity of the Loan Note Guarantee.

(f) Audits. Any Public Body, nonprofit corporation or Indian Tribe that receives a guaranteed loan that meets the thresholds established by 2 CFR part 200, subpart F, must provide an audit for the fiscal year (of the borrower) in which the Loan Note Guarantee is issued. If the loan is for development or purchases made in a previous fiscal year through interim financing, an audit will also be provided for the fiscal year in which the development or purchases occurred. Any audit provided by a Public Body, nonprofit corporation, or Indian Tribe in accordance with this paragraph (f) will be considered adequate to meet the audit requirements of the Program for that year.

(g) Protection of Agency interests. If the Agency determines that the Lender is not in compliance with its servicing responsibilities, the Agency reserves the right to take any action the Agency determines necessary to protect the Agency’s interests with respect to the loan. If the Agency exercises this right, the Lender must cooperate with the Agency to rectify the situation. In determining any loss, the Agency will assess against the Lender any cost to the Agency associated with such action.

(h) Additional loans. The Lender must notify the Agency in writing when the Lender makes any additional expenditures or new loans to the Borrower. The Lender may make additional expenditures or new loans to a Borrower with an outstanding loan guaranteed only with prior written Agency approval. The Agency will only approve additional expenditures or new loans to a Borrower where the expenditure or loan will not violate one or more of the loan covenants of the Borrower’s Loan Agreement. Any additional expenditure or loan made by the Lender must be junior in priority to the BAP loan guaranteed under 7 CFR part 4279 except for Working Capital loans for which the Agency may consider a subordinate lien provided it is consistent with the conditional provisions specified in
§ 4287.312 Interest rate changes.

(a) Reductions. The Borrower, Lender, and Holder (if any) may collectively initiate a permanent or temporary reduction in the Interest rate of the guaranteed loan at any time during the life of the loan upon written agreement among these parties. The Lender must obtain prior Agency concurrence and must provide a copy of the modification agreement to the Agency. If any of the guaranteed portion has been purchased by the Agency, the Agency (as a Holder) will affirm or reject Interest rate change proposals in writing.

(1) Fixed rates can be changed to variable rates to reduce the Borrower’s Interest rate only when the variable rate has a ceiling which is less than or equal to the original fixed rate.

(2) The Interest rates, after adjustments, must comply with the requirements for Interest rates on new loans as established by § 4279.233 of this chapter.

(b) Increases. Increases in fixed Interest rates and increases in variable rate basis are not permitted (except the normal fluctuations in approved variable Interest rates), unless a temporary Interest rate reduction occurred. Any increase in rates must be for Good Cause.

§ 4287.313 Release of Collateral.

The Lender must inspect the Collateral as often as necessary to properly service the loan. The Agency must give prior written approval for the release of Collateral, except as specified in paragraph (a) of this section or where the release of Collateral is made of Collateral under the abundance of caution provision of the applicable security agreement, subject to the provisions of paragraph (c) of this section. Appraisals on the Collateral being released are required on all transactions exceeding $250,000 and will be at the expense of the Borrower. The appraisal must meet the requirements of § 4279.244 of this chapter. The sale or release of Collateral must be based on an Arm’s Length Transaction, unless otherwise approved by the Agency in writing.

(a) Within the parameters of paragraph (c) of this section, Lenders may, over the life of the guaranteed loan, release Collateral (other than personal and corporate guarantees) with a cumulative value of up to 20 percent of the original loan amount without Agency concurrence if the proceeds generated are used to reduce the guaranteed loan or to buy replacement Collateral. Working assets, such as accounts receivable, inventory, and work-in-progress that are routinely depleted or sold and the proceeds used for the normal course of business operations, may be used in and released for routine business purposes without prior concurrence of the Agency as long as the loan has not been accelerated.

(b) If a release of Collateral does not meet the requirements of paragraph (a) of this section, the Lender must complete a written evaluation to justify the release and must obtain written Agency concurrence in advance of the release.

(c) The Lender must support all releases of Collateral with a value exceeding $250,000 with a current appraisal on the Collateral being released. The appraisal must meet the requirements of § 4279.244 of this chapter. The cost of this appraisal will not be paid for by the Agency. The Agency may, at its discretion, require an appraisal of the remaining Collateral in cases where it has been determined that the Agency may be adversely affected by the release of Collateral. The sale or release of the Collateral must be at Fair Market Value based on an Arm’s Length Transaction, and there must be adequate consideration for the release of Collateral. Such consideration may include, but is not limited to:
(1) Application of the net proceeds from the sale of Collateral to the Borrower's debts in order of their lien priority in the sold Collateral;

(2) Use of the net proceeds from the sale of Collateral to purchase other Collateral of equal or greater value which the Lender will obtain as security for the benefit of the guaranteed loan with a lien position equal or superior to the position previously held;

(3) Application of the net proceeds from the sale of Collateral to the Borrower's business operation in such a manner that a significant improvement to the Borrower's debt service ability is clearly demonstrated. The Lender's written request must detail how the Borrower's debt service ability will be improved; and

(4) Assurance that the release of Collateral is essential for the success of the business, thereby furthering the goals of the Program. Such assurance must be supported by written documentation from the Lender acceptable to the Agency.

(d) Any release of Collateral must not adversely affect the Project's operation or financial condition.

§§ 4287.314–4287.322 [Reserved]

§ 4287.323 Subordination of lien position.

A Subordination of the Lender's lien position must be requested in writing by the Lender and concurred with in writing by the Agency in advance of the Subordination. The Lender's Subordination proposal must include a financial analysis of the servicing action and be fully supported by current financial statements of the Borrower and guarantors that are less than 90 days old.

(a) The Subordination of the Lender's lien position must enhance the Borrower's business and be in the best financial interest of the Agency.

(b) The lien to which the guaranteed loan is subordinated is for a fixed dollar limit and for a fixed term after which the guaranteed loan lien priority will be restored. Notwithstanding, a Subordination of lien position on inventory and accounts receivable may be made to a line of credit.

(c) Collateral must remain sufficient to provide for adequate Collateral coverage. The Agency may require a current independent appraisal in accordance with §4279.244 of this chapter.

(d) Lien priorities must remain for the portion of the loan Collateral that was not subordinated.

(e) Subordination of the Lender's lien position must be for Good Cause.

§ 4287.324 Alterations of loan instruments.

The Lender must neither alter nor approve any alterations or modifications of any loan instrument without the prior written approval of the Agency.

§§ 4287.325–4287.333 [Reserved]

§ 4287.334 Transfer and Assumption.

The Lender may request a Transfer and Assumption of a guaranteed loan when the total indebtedness, or less than the total indebtedness, is assumed by another Borrower. If the assumption is for less than the total indebtedness of the guaranteed loan, the Transfer and Assumption must be an Arm's Length Transaction and the transfer must be of all loan Collateral. In the event of Default of the guaranteed loan, a Transfer and Assumption of the Borrower's operation and guaranteed loan can be accomplished before or after the loan goes into liquidation. However, if the Collateral has been purchased through foreclosure or the Borrower has conveyed title to the Lender, no Transfer and Assumption is permitted.

(a) Documentation of request. All Transfers and Assumptions cannot be conducted unless the Agency gives prior written approval. An individual credit report must be provided for transferee and its partners, officers, directors, and stockholders with 20 percent or more interest in the business, along with such other documentation as the Agency may request to determine eligibility and credit worthiness. The new Borrower must sign Form RD 4279–1.

(b) Terms. Loan terms may be changed for Transfer and Assumptions to eligible Borrowers continuing the Project for eligible purposes with the
concurrence of the Agency, all Holders, and the transferor (including guarantors). If the transferor has been or will be released from liability, the transferor’s concurrence is not required. Any new loan terms must be within the terms authorized by §4279.234 of this chapter and must be for Good Cause.

(c) Release of liability. The transferor, including any guarantor, may be released from liability only with prior Agency written concurrence when the Transfer and Assumption is an Arm’s Length Transaction and:

(1) The assumption is for the full amount of the loan and all of the loan Collateral is transferred to the transferee; or

(2) The assumption is for less than the full amount of the loan, all of the loan Collateral is transferred to the transferee, and the Lender demonstrates to the Agency that the transferor and guarantors have no reasonable debt-paying ability considering their assets and income in the foreseeable future.

(d) Proceeds. The Lender must credit any proceeds received from the sale of Collateral before a Transfer and Assumption to the transferor’s guaranteed loan debt in order of lien priority before the Transfer and Assumption are closed.

(e) Additional loans. Guaranteed loans to provide additional funds in connection with a Transfer and Assumption must be considered a new loan application, which requires submission of a complete Agency application in accordance with §§4279.260 and 4279.261 of this chapter.

(f) Credit quality. The Lender must make a complete credit analysis in accordance with §4279.215 of this chapter.

(g) Appraisals. If the proposed Transfer and Assumption is for the full amount of the guaranteed loan and all loan Collateral, the Agency will not require an appraisal. If the proposed Transfer and Assumption is for less than the full amount of the Agency guaranteed loan, the Agency will require an appraisal on all of the Collateral being transferred, and the amount of the assumption must not be less than this appraised value. The Lender is responsible for obtaining this appraisal, which must conform to the requirements of §4279.244 of this chapter. The Agency will not pay the appraisal fee or any other costs associated with this transfer.

(h) Documents. Prior to Agency approval, the Lender must provide the Agency a written legal opinion that the transaction can be properly and legally transferred and assurance that the conveyance instruments will be appropriately filed, registered, and recorded.

(1) The Lender must not issue any new Promissory Notes. The assumption must be completed in accordance with applicable law and must contain the Agency case number of the transferor and transferee. The Lender will provide the Agency with a copy of the Transfer and Assumption agreement. The Lender must ensure that all Transfers and Assumptions are noted on all original Loan Note Guarantees.

(2) A new Loan Agreement, consistent in principle with the original Loan Agreement, must be executed to establish the terms and conditions of the loan being assumed. An assumption agreement can be used to establish the loan covenants.

(3) Upon execution of the Transfer and Assumption, the Lender must provide the Agency with a written legal opinion that the Transfer and Assumption is completed, valid, enforceable, and certification that the Transfer and Assumption is consistent with the conditions outlined in the Agency’s conditions of approval for the transfer and complies with all Agency regulations.

(1) Loss resulting from transfer. (1) Any resulting loss must be processed in accordance with §4279.358.

(2) If a Holder owns any of the guaranteed portion, such portion must be repurchased by the Lender or the Agency in accordance with §4279.225 of this chapter.

(j) Related party. If the transferor and transferee are Affiliates or related parties, any Transfer and Assumption must be to an eligible Borrower to continue the Project for eligible purposes, must transfer all of the loan Collateral, and must be for the full amount of the guaranteed loan indebtedness.

(k) Cash down payment. The Lender may allow the transferee to make cash
down payments directly to the transferor provided:

(1) The Transfer and Assumption is made for the total indebtedness to an eligible Borrower to continue the Project for eligible purposes;

(2) The Lender recommends that the cash be released, and the Agency consents prior to the transaction being completed. The Lender may require that an amount be retained for a defined period of time as a reserve against future Defaults. Interest on such account may be paid periodically to the transferor or transferee as agreed;

(3) The Lender determines that the transferee has the repayment ability to meet the obligations of the assumed guaranteed loan as well as any other indebtedness; and

(4) Any payments by the transferee to the transferor will not suspend the transferee’s obligations to continue to meet the guaranteed loan payments as they come due under the terms of the assumption.

(a) Transfer/Annual Renewal Fees. (1) The Agency will charge a nonrefundable transfer fee at the time of transfer, which may be passed on to the Borrower by the Lender. The transfer fee rate will be equal to the rate of the guarantee fee authorized in §4279.231(a) of this chapter for the fiscal year in which the transfer occurs. The amount of the transfer fee is determined by multiplying the principal balance at the time of the transfer by the transfer fee rate by the percentage of guarantee on the original loan.

(2) The Lender must pay any Annual Renewal Fee in accordance with §4279.231(b) of this chapter.

(b) Change in control of Borrower. Transfer and Assumption shall be deemed to occur in the event of a change in the control of the Borrower.

(c) Personal and corporate guarantees. Guarantees from owners are required in accordance with §4279.245 of this chapter.

§4287.335 Substitution of Lender.

The Lender is prohibited from selling or transferring the entire loan without the prior written approval of the Agency. Because the Loan Note Guarantee is associated with a specific Promissory Note and cannot be transferred to a new Promissory Note, the Lender must transfer the original Promissory Note and loan security documents to the new Lender, who must agree to its current loan terms, including the Interest rate, secondary market Holder (if any), Collateral, Loan Agreement terms, and guarantors. The new Lender must also obtain the original Loan Note Guarantee, original personal and corporate guarantee(s), and the loan payment history from the transferor Lender. If the new Lender wishes to modify the loan terms after acquisition, the new Lender must submit a request to the Agency.

(a) The Agency may approve the substitution of a new Lender if:

(i) The proposed substitute Lender:

(ii) Is an eligible Lender in accordance with §4279.208 of this chapter;

(iii) Is able to service the loan in accordance with the original loan documents; and

(ii) Agrees to acquire title to the unguaranteed portion of the loan held by the original Lender and assumes all original loan requirements, including liabilities and servicing responsibilities; and

(ii) The substitution of the Lender is requested in writing by the Borrower, the proposed substitute Lender, and the original Lender if still in existence.

(b) The Agency will not pay any loss or share in any costs (e.g., appraisal fees and environmental assessments) with a new Lender unless a relationship is established through a substitution of Lender in accordance with paragraph (a) of this section. This includes situations where a Lender is acquired by another Lender or situations where the Lender has failed and been taken over by a regulatory agency such as the Federal Deposit Insurance Corporation (FDIC) and the loan is subsequently sold to another Lender.

(c) In cases when there is a substitution of Lender or when a Lender has been merged with or acquired by another Lender, the Agency and the new Lender must execute a new Lender’s Agreement, unless a valid Lender’s Agreement already exists with the new Lender.

§4287.335 Substitution of Lender.

The Lender is prohibited from selling or transferring the entire loan without the prior written approval of the Agency. Because the Loan Note Guarantee is associated with a specific Promissory Note and cannot be transferred to a new Promissory Note, the Lender must transfer the original Promissory Note and loan security documents to the new Lender, who must agree to its current loan terms, including the Interest rate, secondary market Holder (if any), Collateral, Loan Agreement terms, and guarantors. The new Lender must also obtain the original Loan Note Guarantee, original personal and corporate guarantee(s), and the loan payment history from the transferor Lender. If the new Lender wishes to modify the loan terms after acquisition, the new Lender must submit a request to the Agency.

(a) The Agency may approve the substitution of a new Lender if:

(i) The proposed substitute Lender:

(ii) Is an eligible Lender in accordance with §4279.208 of this chapter;

(iii) Agrees to acquire title to the unguaranteed portion of the loan held by the original Lender and assumes all original loan requirements, including liabilities and servicing responsibilities; and

(ii) The substitution of the Lender is requested in writing by the Borrower, the proposed substitute Lender, and the original Lender if still in existence.

(b) The Agency will not pay any loss or share in any costs (e.g., appraisal fees and environmental assessments) with a new Lender unless a relationship is established through a substitution of Lender in accordance with paragraph (a) of this section. This includes situations where a Lender is acquired by another Lender or situations where the Lender has failed and been taken over by a regulatory agency such as the Federal Deposit Insurance Corporation (FDIC) and the loan is subsequently sold to another Lender.

(c) In cases when there is a substitution of Lender or when a Lender has been merged with or acquired by another Lender, the Agency and the new Lender must execute a new Lender’s Agreement, unless a valid Lender’s Agreement already exists with the new Lender.
§ 4287.336 Lender failure.

(a) The acquiring Lender must comply with 7 CFR parts 4279, subpart C and 4287, subpart D and must take such action that a reasonable Lender would take if it did not have a Loan Note Guarantee to protect the Lender and Agency’s mutual interest. The Lender cannot arbitrarily change the Lender’s Agreement and related documents on the guaranteed loan, and the Agency will make the successor to the failed institution aware of the statutory and regulatory requirements.

(b) In the event of a Default and the guaranteed loan is liquidated by the FDIC rather than being sold to another Lender, the Agency will pay losses and share in costs as if the FDIC were an approved new Lender.

§§ 4287.337–4287.344 [Reserved]

§ 4287.345 Default by Borrower.

The Lender’s primary responsibilities in Default are to act reasonably and expeditiously, to work with the Borrower to bring the account current or cure the Default through restructuring if a realistic plan can be developed, or to accelerate the account and conduct a liquidation in a manner that will minimize any potential loss. The Lender may initiate liquidation in accordance with §4287.357.

(a) The Lender must notify the Agency in writing when a Borrower is more than 30 days past due on a payment and the Delinquency cannot be cured within 30 days or when a Borrower is otherwise in Default of covenants in the Loan Agreement by submitting Form RD 1980–44, “Guaranteed Loan Borrower Default Status,” or processing the Default Status report in LINC. The Lender must provide this notification to the Agency within 15 calendar days of when a Borrower is 30 days past due on a payment or is otherwise in Default of the Loan Agreement. The Lender must update the loan’s status each month using either Form RD 1980–44 or the LINC Default Status report until such time as the loan is no longer in Default. If a monetary Default exceeds 60 days, the Lender must meet with the Agency and, if practical, the Borrower to discuss the situation.

(b) In considering options, the prospects for providing a permanent cure without adversely affecting the risk to the Agency and the Lender are the paramount objective.

(1) Curative actions (subject to the rights of any Holder) include, but are not limited to:

(i) Deferment of principal or Interest payments;

(ii) An additional unguaranteed temporary loan by the Lender to bring the account current;

(iii) Reamortization of or rescheduling the payments on the loan (subject to the rights of any Holder) excluding capitalization of accrued Interest;

(iv) Transfer and Assumption of the loan in accordance with §4287.334;

(v) Reorganization;

(vi) Liquidation; and

(vii) Changes in Interest rates with the Agency’s, the Lender’s, and Holder’s approval. Any Interest rate changes must be adjusted proportionately between the guaranteed and unguaranteed portion of the loan.

(2) The term of any deferment, rescheduling, reamortization, or moratorium will be limited to the lesser of the remaining life of the Collateral or remaining limits as set forth in §4279.234 of this chapter (excluding paragraph (d)). Balloon payments are permitted as a loan servicing option as long as there is a reasonable prospect for success and the remaining life of the Collateral supports the action.

(3) In the event of a loss or a repurchase, the Lender cannot claim Default or penalty Interest, late payment fees, or Interest on Interest.

(c) Debt write-downs by the lender are prohibited when the Lender will continue with the Project loan, except as directed or ordered by a final court order.

(d) In the event of a loss, the guarantee will not cover Interest to the Lender accruing after the Interest Termination Date.

(e) For repurchases of guaranteed loans, refer to §4279.225 of this chapter.
Protective Advances. Protective Advances are advances made by the Lender for the purpose of preserving and protecting the Collateral where the Borrower has failed to, will not, or cannot meet its obligations. Lenders must exercise sound judgment in determining that the Protective Advance preserves Collateral and recovery is actually enhanced by making the advance. Lenders cannot make Protective Advances in lieu of additional loans. A Protective Advance claim will be paid only at the time of the final payment as indicated in the Guaranteed Loan Report of Loss.

(a) The maximum loss to be paid by the Agency will never exceed the original loan amount plus accrued Interest times the percentage of guarantee regardless of any Protective Advances made.

(b) In the event of a final loss, Protective Advances will accrue Interest at the Promissory Note rate and will be guaranteed at the same percentage of loss as provided in the Loan Note Guarantee. The guarantee will not cover Interest on the Protective Advance accruing after the Interest Termination Date.

(c) Protective Advances must constitute an indebtedness of the Borrower to the Lender and be secured by the security instruments. Agency written authorization is required when the cumulative total of Protective Advances exceeds $200,000 or 10 percent of the outstanding balance of principal, whichever is less.

Liquidation. In the event of one or more incidents of Default or third party actions that the Borrower cannot or will not cure or eliminate within a reasonable period of time, the Lender, with Agency consent, must provide for liquidation.

(a) Decision to liquidate. A decision to liquidate or proceed otherwise must be made when the Lender determines that the Default cannot be cured through actions such as those contained in §4287.345, or it has been determined that it is in the best interest of the Agency and the Lender to liquidate. The decision to liquidate or proceed otherwise with the Borrower must be made as soon as possible when one or more of the following exist:

1. A loan is 90 days behind on any scheduled payment and the Lender and the Borrower have not been able to cure the Delinquency through actions such as those contained in §4287.345.

2. It is determined that delaying liquidation will jeopardize full recovery on the loan.

3. The Borrower or Lender is uncooperative in resolving the problem or the Agency or Lender has reason to believe the Borrower is not acting in good faith, and immediate liquidation would minimize loss to the Agency.

(b) Repurchase of loan. When the decision to liquidate is made, if any portion of the loan has been sold or assigned under §4279.223 of this chapter and not already repurchased, provisions will be made for repurchase in accordance with §4279.225 of this chapter.

(c) Lender’s liquidation plan. The Lender is responsible for initiating actions immediately and as necessary to ensure a prompt, orderly liquidation that will provide maximum recovery. Within 30 days after a decision to liquidate, the Lender must submit a written, proposed plan of liquidation to the Agency for approval. The liquidation plan must be detailed and include at least the following:

1. Such proof as the Agency requires to establish the Lender’s ownership of the guaranteed loan Promissory Note and related security instruments and a copy of the payment ledger, if available, that reflects the current loan balance, accrued Interest to date, and the method of computing the Interest;

2. A full and complete list of all Collateral, including any personal and corporate guarantees;

3. The recommended liquidation methods for making the maximum collection possible on the indebtedness and the justification for such methods, including recommended action for acquiring and disposing of all Collateral and collecting from guarantors;

4. Necessary steps for preservation of the Collateral;

5. Copies of the Borrower’s most recently available financial statements;
§ 4287.357
(6) Copies of each guarantor’s most recently available financial statements;
(7) An itemized list of estimated Liquidation Expenses expected to be incurred along with justification for each expense;
(8) A schedule to periodically report to the Agency on the progress of liquidation;
(9) Estimated Protective Advance amounts with justification;
(10) Proposed protective bid amounts on Collateral to be sold at auction and a breakdown to show how the amounts were determined. A protective bid may be made by the Lender, with prior Agency written approval, at a foreclosure sale to protect the Lender’s and the Agency’s interest. The protective bid will be based on the liquidation value and estimated net recovery considering prior liens and outstanding taxes, expenses of foreclosure, and estimated expenses for holding and reselling the property. These expenses include, but are not limited to, expenses for resale, Interest accrual, length of time necessary for resale, maintenance, guard service, weatherization, and prior liens;
(11) If a voluntary conveyance is considered, the proposed amount to be credited to the guaranteed debt;
(12) Legal opinions, if needed by the Lender’s legal counsel; and
(13) An estimate of Fair Market Value and potential liquidation value of the Collateral. If the value of the Collateral is $250,000 or more, the Lender must obtain an independent appraisal report meeting the requirements of § 4279.244 of this chapter on the Collateral securing the loan, which reflects the Fair Market Value and potential liquidation value. The liquidation appraisal must evaluate the impact on Market Value of any release of hazardous substances, petroleum products, or other environmental hazards. The independent appraiser’s fee, including the cost of the environmental site assessment, will be shared equally by the Agency and the Lender. In order to ensure prompt action, the liquidation plan can be submitted with an estimate of Collateral value, and the liquidation plan may be approved by the Agency subject to the results of the final liquidation appraisal.
(d) Approval of liquidation plan. The Lender cannot implement its liquidation plan before obtaining written approval from the Agency. The Lender and Agency must attempt to resolve any Agency concerns.
(1) If the liquidation plan is approved by the Agency, the Lender must proceed expeditiously with liquidation and must take all legal action necessary to liquidate the loan in accordance with the approved liquidation plan. The Lender must update or modify the liquidation plan when conditions warrant, including a change in value based on a liquidation appraisal.
(2) Should the Agency and the Lender not agree on the liquidation plan, negotiations will take place between the Agency and the Lender to resolve the disagreement. The Lender must take such actions that a reasonable Lender would take without a guarantee and keep the Agency informed in writing. When the liquidation plan is approved by the Agency, the Lender will proceed expeditiously with liquidation.
(e) Acceleration. The Lender will proceed to accelerate the indebtedness as expeditiously as possible when acceleration is necessary, including giving any notices and taking any other legal actions required. The guaranteed loan will be considered in liquidation once the loan has been accelerated and a demand for payment has been made upon the Borrower. The Lender must obtain from the Agency concurrence prior to the acceleration of the loan if the sole basis for acceleration is a nonmonetary Default. In the case of monetary Default, prior approval by the Agency of the Lender’s acceleration is not required, although Agency concurrence must still be given not later than at the time the liquidation plan is approved. The Lender will provide a copy of the acceleration notice or other acceleration document to the Agency.
(f) Filing an estimated loss claim. When the Lender owns any of the guaranteed portion of the loan, the Lender must file an estimated loss claim once a decision has been made to liquidate if the liquidation is expected to exceed 90 days. When calculating the estimated...
loss payment, the value of the Collateral must be based on its estimated net liquidation value. For the purpose of reporting and loss claim computation, the guarantee will not cover Interest to the Lender accruing after the Interest Termination Date. The Agency will promptly process the loss claim in accordance with applicable Agency regulations as set forth in §4287.358.

(g) Accounting and reports. The Lender must account for funds during the period of liquidation and must, in accordance with the Agency-approved liquidation plan, provide the Agency with reports on the progress of liquidation including disposition of Collateral, resulting costs, and additional procedures necessary for successful completion of the liquidation.

(h) Transmitting payments and proceeds to the Agency. When the Agency is the Holder of a portion of the guaranteed loan, the Lender must transmit to the Agency within 14 calendar days its Pro Rata share of any payments received from the Borrower, liquidation, or other proceeds using Form RD 1980–43, “Lender's Guaranteed Loan Payment to Rural Development.”

(i) Abandonment of Collateral. When the Lender adequately documents that the cost of liquidation would exceed the potential recovery value of certain Collateral and receives Agency concurrence, the Lender may abandon that Collateral. When the Lender makes a recommendation for abandonment of Collateral, it must comply with 7 CFR part 1940, subpart G.

(j) Disposition of personal or corporate guarantees. The Lender must take action to maximize recovery from all personal and corporate guarantees, including seeking Deficiency Judgments when there is a reasonable chance of future collection.

(k) Compromise settlement. Compromise settlements must be approved by the Lender and the Agency. Complete current financial information on all parties obligated for the loan must be provided. At a minimum, the compromise settlement must be equivalent to the value and timeliness of that which would be received from attempting to collect on the guarantee. The guarantor cannot be released from liability until the full amount of the compromise settlement has been received. In weighing whether the compromise settlement should be accepted, among other things, the Agency will weigh whether the compromise is more financially advantageous than collecting on the guarantee.

(l) Litigation. In all litigation proceedings involving the Borrower, the Lender is responsible for protecting the rights of the Lender with respect to the loan and keeping the Agency adequately and regularly informed, in writing, of all aspects of the proceedings. If the Agency determines that the Lender is not adequately protecting the rights of the Lender or the Agency with respect to the loan, the Agency reserves the right to take any legal action the Agency determines necessary to protect the rights of the Lender, on behalf of the Lender, or the Agency with respect to the loan. If the Agency exercises this right, the Lender must cooperate with the Agency. Any cost to the Agency associated with such action will be assessed against the Lender.

§4287.358 Determination of loss and payment.

Unless the Agency anticipates a Future Recovery, the Agency will make a final settlement with the Lender after the Collateral is liquidated and settlement and compromise of all parties has been completed. The Agency has the right to recover losses paid under the guarantee from any party that may be liable.

(a) Report of loss form. Form RD 449–30, “Guaranteed Loan Report of Loss,” will be used for reporting and calculating all estimated and final loss determinations.

(b) Estimated loss. In accordance with the requirements of §4287.357(f), the Lender must prepare an estimated loss claim and submit it to the Agency.

(1) Interest accrual eligible for payment under the guarantee on the Defaulted loan will be discontinued when the estimated loss is paid.

(2) A Protective Advance claim will be paid only at the time of the final payment as indicated in the Guaranteed Loan Report of Loss.

(3) The estimated loss payment is a payment to the Lender and is not to be
applied as a payment on the loan for purposes of reducing the unpaid balance owed by the Borrower or for status reporting (semi-annual status/Default status reports).

(c) Final loss. Except for certain unsecured personal or corporate guarantees as provided for in this section, the Lender must prepare a final Guaranteed Loan Report of Loss and submit it to the Agency within 30 days after liquidation of all Collateral is completed. Interest will not be paid beyond the Interest Termination Date. Before approval by the Agency of any final loss report, the Lender must account for all funds during the period of liquidation, disposition of the Collateral, all costs incurred, and any other information necessary for the successful completion of liquidation. Upon receipt of the final accounting and Guaranteed Loan Report of Loss, the Agency may audit all applicable documentation to determine the final loss. The Lender must make its records available and otherwise assist the Agency in making any investigation. The documentation accompanying the Guaranteed Loan Report of Loss must support the amounts reported as losses on the Guaranteed Loan Report of Loss.

(1) The Lender must make a determination regarding the collectability of unsecured personal and corporate guarantees. If reasonably possible, the Lender must promptly collect or otherwise dispose of such guarantees in accordance with §4287.357(j) prior to completion of the final loss report. However, in the event that collection from the guarantors appears unlikely or will require a prolonged period of time, the Lender must file the Guaranteed Loan Report of Loss when all other Collateral has been liquidated. Unsecured personal or corporate guarantees outstanding at the time of the submission of the final loss claim will be treated as a Future Recovery with the net proceeds to be shared on a Pro Rata basis by the Lender and the Agency. The Agency may consider a compromise settlement of Federal Debt after it has processed a final Guaranteed Loan Report of Loss and issued a 60 day due process letter. Any funds collected on Federal Debt will not be shared with the Lender.

(2) The Lender must document that all of the Collateral has been accounted for and properly liquidated and liquidation proceeds have been accounted for and applied correctly to the loan.

(3) The Lender must provide receipts and a breakdown of any Protective Advance amount as to the payee, purpose of the expenditure, date paid, and evidence that the amount expended was proper.

(4) The Lender must provide receipts and a breakdown of Liquidation Expenses as to the payee, purpose of the expenditure, date paid, and evidence that the amount expended was proper. Liquidation Expenses are recoverable only from liquidation proceeds. The Agency may approve attorney/legal fees as Liquidation Expenses provided that the fees are reasonable, require the assistance of attorneys, and cover legal issues pertaining to the liquidation that could not be properly handled by the Lender and its employees.

(5) The Lender must support accrued Interest by documenting how the amount was accrued. If the Interest rate was a variable rate, the Lender must include documentation of changes in both the selected base rate and the loan rate.

(6) The Agency will pay loss payments within 60 days after it has reviewed the complete final loss report and accounting of the Collateral.

(7) If a Lender receives a final loss payment and the Agency determines there is Future Recovery, the Lender must submit to the Agency an annual report on its collection activities for each unsatisfied account for 3 years following payment of the final loss claim.

(d) Loss limit. The amount payable by the Agency to the Lender cannot exceed the limits set forth in the Loan Note Guarantee.

(e) Liquidation Expenses. The Agency will deduct Liquidation Expenses from the liquidation proceeds of the Collateral. The Lender cannot claim any Liquidation Expenses in excess of liquidation proceeds. Any changes to the Liquidation Expenses that exceed 10 percent of the amount proposed in the liquidation plan must be approved by the Agency.
Agency. Reasonable attorney/legal expenses will be shared by the Lender and Agency equally, including those instances where the Lender has incurred such expenses from a trustee conducting the liquidation of assets. The Lender cannot claim the guarantee fee or the Annual Renewal Fee as authorized Liquidation Expenses, and no In-House Expenses of the Lender will be allowed. In-House Expenses include, but are not limited to, employee’s salaries, staff lawyers, travel, and overhead.

(f) Rent. The Lender must apply any net rental or other income that it receives from the Collateral to the guaranteed loan debt.

(g) Payment. Once the Agency approves the Guaranteed Loan Report of Loss and supporting documents submitted by the Lender:

1. If the loss is greater than any estimated loss payment, the Agency will pay the additional amount owed by the Agency to the Lender.

2. If the loss is less than the estimated loss payment, the Lender must reimburse the Agency for the overpayment plus interest at the Promissory Note rate from the date of payment.

§§ 4287.359–4287.368 [Reserved]

§ 4287.369 Future recovery.

Unless notified otherwise by the Agency, after the final loss claim has been paid, the Lender must use reasonable efforts to attempt collection from any party still liable for Future Recovery. Any net proceeds from Future Recovery must be split Pro Rata between the Lender and the Agency based on the original amount of the loan guarantee. Any collection of Federal Debt made by the Federal Government from any liable party to the guaranteed loan will not be split with the Lender.

§ 4287.370 Bankruptcy.

(a) Lender’s responsibilities. It is the Lender’s responsibility to protect the guaranteed loan and all of the Collateral securing it in bankruptcy and any related appellate proceedings. These responsibilities include, but are not limited to the following:

1. Monitoring confirmed bankruptcy plans to determine Borrower compliance, and, if the Borrower fails to comply, pursue appropriate relief;

2. Filing all the necessary papers and pleadings concerning the case, including where appropriate a proof of claim;

3. Attending and, where necessary, participating in meetings of the creditors and all court proceedings;

4. Requesting modifications of any proposed bankruptcy plan whenever it appears that the Lender could obtain additional recoveries via plan modification;

5. Keeping the Agency adequately and regularly informed in writing of all aspects of the proceedings;

6. Submitting a Default status report within 15 days after the date when the Borrower Defaults and every 30 days thereafter until the Default is resolved or a final loss claim is paid by the Agency. The Default status report will be used to inform the Agency of the bankruptcy filing, the plan confirmation date, when the plan is complete, and when the Borrower is not in compliance with the plan; and

7. With written Agency consent, the Lender and Agency will equally share the cost of any independent appraisal fee to protect the guaranteed loan in any bankruptcy proceedings.

(b) Reports of loss during bankruptcy. In bankruptcy proceedings, payment of loss claims will be made as provided in this section.

1. Estimated loss payments. (i) If a Borrower has filed for bankruptcy and all or a portion of the debt has been discharged, the Lender must request an estimated loss payment of the guaranteed portion of the accrued Interest and principal discharged by the court. Only one estimated loss payment is allowed during the bankruptcy and any related appellate proceedings. All subsequent claims of the Lender during bankruptcy and any related appellate proceedings will be considered revisions to the initial estimated loss. A revised estimated loss payment may be processed by the Agency, at its option, in accordance with any court-approved changes in the bankruptcy plan. Once the bankruptcy plan has been completed, the Lender is responsible for
submitting the documentation necessary for the Agency to review and adjust the estimated loss claim to reflect any actual discharge of principal and Interest and to reimburse the Lender for any court-ordered Interest rate reduction under the terms of the bankruptcy plan.

(ii) The Lender must use the Guaranteed Loan Report of Loss to request an estimated loss payment and to revise any estimated loss payments during the course of the bankruptcy plan. The estimated loss claim, as well as any revisions to this claim, must be accompanied by documentation to support the claim.

(iii) Upon completion of a bankruptcy plan, the Lender must:
(A) Complete a Form RD 1980–44 and forward this form to the Agency; and
(B) Provide the Agency with the documentation necessary to determine whether the estimated loss paid equals the actual loss sustained.

(2) Interest rate losses as a result of bankruptcy reorganization. Interest rate losses as a result of bankruptcy reorganization will be paid as follows:

(i) Interest losses sustained during the period of the bankruptcy plan will be processed in accordance with paragraph (b)(1) of this section;

(ii) Interest losses sustained after the bankruptcy plan is confirmed will be processed annually when the Lender sustains a loss as a result of a permanent Interest rate reduction that extends beyond the period of the bankruptcy plan; and

(iii) If a bankruptcy loss claim is paid during the operation of the bankruptcy plan and the Borrower repays in full the remaining balance without an additional loss sustained by the Lender, a final Guaranteed Loan Report of Loss is not necessary.

(3) Final bankruptcy loss payments. The Agency will process final bankruptcy loss payments when the loan is fully liquidated.

(4) Application of loss claim payments. The Lender must apply estimated loss payments first to the unsecured principal of the guaranteed portion of the debt and then to the unsecured Interest of the guaranteed portion of the debt. In the event a court attempts to direct the payments to be applied in a different manner, the Lender must immediately notify the Agency in writing.

(5) Protective Advances. If approved Protective Advances, as authorized by §4287.356, were incurred in connection
with the initiation of liquidation action and were required to provide repairs, insurance, etc., to protect the Collateral as result of delays in the case of failure of the Borrower to maintain the security prior to the Borrower having filed bankruptcy, the Protective Advances together with accrued Interest are payable under the guarantee in the final loss claim.

(c) Expenses during bankruptcy proceedings. (1) Under no circumstances will the guarantee cover Liquidation Expenses in excess of liquidation proceeds.

(2) Expenses, such as reasonable attorney/legal fees and the cost of appraisals incurred by the Lender as a direct result of the Borrower’s bankruptcy filing, will be shared equally by the Lender and the Agency.

(3) Reasonable and customary Liquidation Expenses must be deducted from Collateral sale proceeds. Liquidation Expenses are covered under the guarantee, provided they are reasonable, customary, and provide a demonstrated economic benefit to the Lender and the Agency. Lender’s In-House Expenses, which are those expenses that would normally be incurred for administration of the loan, including in-house lawyers, are not covered by the guarantee.

(4) When a bankruptcy proceeding results in a liquidation of the Borrower by a bankruptcy trustee appointed under 11 U.S.C. 701, 702, 703 or 1104, expenses will be handled as directed by the court, and the Lender cannot claim Liquidation Expenses for the sale of the assets.

(5) If the property is abandoned by the bankruptcy trustee, the Lender will conduct the liquidation in accordance with §4287.357.

(6) Proceeds received from partial sale of Collateral during bankruptcy may be used by the Lender to pay reasonable costs, such as freight, labor and sales commissions, associated with the partial sale. Reasonable use of proceeds for this purpose must be documented with the final loss claim.

§§ 4287.371–4287.379 [Reserved]

§ 4287.380 Termination of guarantee.

The Loan Note Guarantee will terminate under any of the following conditions:

(a) Upon full payment of the guaranteed loan;
(b) Upon full payment of any loss obligation; or
(c) Upon written notice from the Lender to the Agency that the guarantee will terminate 30 days after the date of notice, provided that the Lender owns the entire guaranteed interest in the loan and the Loan Note Guarantee is returned to the Agency to be canceled.

§§ 4287.381–4287.399 [Reserved]

§ 4287.400 OMB control number.

In accordance with the Paperwork Reduction Act of 1995, the information collection requirements contained in the subsequent interim rule have been submitted to the Office of Management and Budget (OMB) under OMB Control Number 0570-0065 for approval. A person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

Subpart A—Repowering Assistance Payments to Eligible Biorefineries

§ 4288.1 Purpose and scope.

(a) Purpose. The purpose of this program is to provide financial incentives to biorefineries in existence on June 18, 2008, the date of the enactment of the Food, Conservation, and Energy Act of 2008 (the 2008 Farm Bill) (Pub. L. 110–236), to replace the use of fossil fuels used to produce heat or power at their facilities by installing new systems that use renewable biomass, or to produce new energy from renewable biomass.

(b) Scope. The Agency may make payments under this program to any biorefinery that meets the requirements of the program up to the limit established for the program. Based on our research and survey of medium-sized project costs, the Agency has determined that the dollar amount identified will provide adequate incentive for biorefineries to apply.

(1) The Agency will determine the amount of payments to be made to a biorefinery taking into consideration the percentage reduction in fossil fuel used by the biorefinery (including the quantity of fossil fuels a renewable biomass system is replacing), and the cost and cost-effectiveness of the renewable biomass system.

(2) The Agency will determine who receives payment under this program based on the percentage reduction in fossil fuel used by the biorefinery that will result from the installation of the renewable biomass system; the cost and cost-effectiveness of the renewable biomass system; and other scoring criteria identified in §4288.21. The above criteria will be used to determine priority for awards of 50 percent of total eligible project costs, up to the maximum award applicable for the fiscal year.

§ 4288.2 Definitions.

The definitions set forth in this section are applicable for all purposes of program administration under this subpart.

Agency. The USDA Rural Development, Rural Business-Cooperative Service or its successor organization.

Application period. The time period announced by the Agency during which the Agency will accept applications.

Base energy use. The amount of documented fossil fuel energy use over an extended operating period.

(1) The extended operating period must be at least 24 months of recorded usage, and requires metered utility records for electric energy, natural gas consumption, fuel oil, coal shipments
and propane use, as applicable for providing heat or power for the operation of the biorefinery.

(2) Utility billing, oil and coal shipments must be actual bills, with meter readings, applicable rates and tariffs, costs and usage. Billing must be complete, without gaps and arranged in chronological order. Drop shipments of coal or oil can be substituted for metered readings, provided the biorefinery documents the usage and its relationship to providing heat or power to the biorefinery.

(3) A biorefinery in existence on or before June 18, 2008 with less than 24 months of actual operating data must provide at least 12 months of data supported by engineering and design calculations, and site plans, prepared by the construction engineering firm.

**Biobased products.** Products determined by the Secretary to be commercial or industrial products (other than food or feed) that are:

(1) Composed, in whole or in significant part, of biological products, including renewable domestic agricultural materials and forestry materials; or

(2) Intermediate ingredients or feedstocks.

**Biofuel.** Fuel derived from renewable biomass.

**Biorefinery.** A facility (including equipment and processes) that converts renewable biomass into biofuels and biobased products, and may produce electricity.

**Eligible biorefinery.** A biorefinery that has been in existence on or before June 18, 2008.

**Energy Information Agency (EIA).** The statistical agency of the Department of Energy and source of official energy statistics from the U.S. Government.

**Feasibility study.** An Agency-acceptable analysis of the economic, environmental, technical, financial, and management capabilities of a proposed project or business in terms of its expected success. A list of items that must be included in a feasibility study is presented in §4288.20(c)(9) of this subpart.

**Financial interest.** Any ownership, creditor, or management interest in the biorefinery.
the Under Secretary for Rural Development, or as otherwise identified in this definition.

(1) An area that is attached to the urbanized area of a city or town with more than 50,000 inhabitants by a contiguous area of urbanized census blocks that is not more than 2 census blocks wide. Applicants from such an area should work with their Rural Development State Office to request a determination of whether their project is located in a rural area under this provision.

(2) For the purposes of this definition, cities and towns are incorporated population centers with definite boundaries, local self government, and legal powers set forth in a charter granted by the State.

(3) For the Commonwealth of Puerto Rico, the island is considered rural and eligible for Business Programs assistance, except for the San Juan Census Designated Place (CDP) and any other CDP with greater than 50,000 inhabitants. CDPs with greater than 50,000 inhabitants, other than the San Juan CDP, may be determined to be eligible if they are “not urban in character.”

(4) For the State of Hawaii, all areas within the State are considered rural and eligible for Business Programs assistance, except for the Honolulu CDP within the County of Honolulu.

(5) For the purpose of defining a rural area in the Republic of Palau, the Federated States of Micronesia, and the Republic of the Marshall Islands, the Agency shall determine what constitutes rural and rural area based on available population data.

(6) The determination that an area is “rural in character” will be made by the Under Secretary of Rural Development. The process to request a determination under this provision is outlined in paragraph (6)(ii) of this definition.

(i) The determination that an area is “rural in character” under this definition will apply to areas that are within:

(A) An urbanized area that has two points on its boundary that are at least 40 miles apart, which is not contiguous or adjacent to a city or town that has a population of greater than 150,000 inhabitants or the urbanized area of such a city or town; or

(B) An urbanized area contiguous and adjacent to a city or town of greater than 50,000 inhabitants that is within one-quarter mile of a rural area.

(ii) Units of local government may petition the Under Secretary of Rural Development for a “rural in character” designation by submitting a petition to both the appropriate Rural Development State Director and the Administrator on behalf of the Under Secretary. The petition shall document how the area meets the requirements of paragraph (6)(i)(A) or (6)(i)(B) of this definition and discuss why the petitioner believes the area is “rural in character,” including, but not limited to, the area’s population density, demographics, and topography and how the local economy is tied to a rural economic base. Upon receiving a petition, the Under Secretary will consult with the applicable Governor or leader in a similar position and request comments to be submitted within 5 business days, unless such comments were submitted with the petition. The Under Secretary will release to the public a notice of a petition filed by a unit of local government not later than 30 days after receipt of the petition by way of publication in a local newspaper and posting on the Agency’s Web site, and the Under Secretary will make a determination not less than 15 days, but no more than 60 days, after the release of the notice. Upon a negative determination, the Under Secretary will provide to the petitioner an opportunity to appeal a determination to the Under Secretary, and the petitioner will have 10 business days to appeal the determination and provide further information for consideration.

§ 4288.3 Review or appeal rights.

A person may seek a review of an Agency decision or appeal to the National Appeals Division in accordance with 7 CFR part 11 of this title.

§ 4288.4 Compliance with other laws and regulations.

Participating biorefineries must comply with other applicable Federal,
State, and local laws, including, but not limited to, the Equal Employment Opportunities Act, the Equal Credit Opportunity Act, Title VI of the Civil Rights Act of 1964, 7 CFR Part 1901, subpart E, Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975. Applicants must submit and will be subject to preaward and postaward compliance reviews with the terms and conditions set forth in Form RD 400–1, “Equal Opportunity Agreement,” and Form RD 400–4, “Assurance Agreement.”

§ 4288.5 Oversight, monitoring, and reporting requirements.

(a) Verification. The Agency reserves the right to verify all payment requests and subsequent payments made under this program, including field visits, as frequently as necessary to ensure the integrity of the program. Documentation provided will be used to verify, reconcile, and enforce the payment terms of Form RD 4288–5, “Repowering Assistance Program—Agreement,” along with any potential refunds that the recipient will be required to make should they fail to adequately document their request.

(b) Records. (1) For purposes of verifying the eligible project costs supporting payments under this subpart, each biorefinery must maintain in one place such books, documents, papers, receipts, payroll records and bills of sale adequate to identify the purposes for which, and the manner in which, funds were expended for eligible project costs. The biorefinery must maintain copies of all documents submitted to the Agency in connection with payments made hereunder. These records must be available at all reasonable times for examination by the Agency and must be held and be available for Agency examination for a period of not less than 3 years after completion of the project. The biorefinery must maintain such records in place and be available at all reasonable times for examination by the Agency. These records must be held and made available for Agency examination for a period of not less than 3 years from the date the repowering project becomes operational.

(c) Reporting. Upon completion of the repowering project, the biorefinery must submit a report using Form RD 4288–6, “Repowering Assistance Programs—Reporting Form,” to the Agency annually for the first 3 years after completion of the project. The reports are to be submitted as of October 1 of each year. The report must include the items specified in paragraphs (c)(1) and (c)(2) of this section.

(1) Documentation regarding the usage and production of energy at the biorefinery during the previous year, including both the previous and current fossil fuel load and the renewable biomass energy production.

(i) Metered data documenting the production of heat, steam, gas, and power must be obtained utilizing an Agency approved measurement device.

(ii) Metered data must be verifiable and subject to independent calibration testing.

(2) Current utility billing data, identifying metered loads, from the base energy use period.

§ 4288.6 Forms, regulations, and instructions.

Copies of all forms, regulations, instructions, and other materials related to this program may be obtained from the USDA Rural Development State Office, Renewable Energy Coordinator and the USDA Rural Development Web site at http://www.rurdev.usda.gov/regs/.

§ 4288.7 Exception authority.

The Administrator of the Agency (“Administrator”) may, with the concurrence of the Secretary of Agriculture, make an exception, on a case-by-case basis, to any requirement or
provision of this subpart that is not inconsistent with any authorizing statute or applicable law, if the Administrator determines that application of the requirement or provision would adversely affect the Federal government’s interest.

§§ 4288.8–4288.9 [Reserved]

§ 4288.10 Applicant eligibility.

(a) Eligible projects. To be eligible for this program, the applicant must be an eligible biorefinery utilizing only renewable biomass for replacement fuel, and must meet the requirements specified in paragraphs (a)(1) through (a)(5) of this section.

1. Timely complete application submission. To be eligible for this program, the applicant must submit a complete application within the application period. Projects will be selected based on ranking which is derived from the application of the selection criteria stated in §4288.21.

2. Multiple biorefineries. Corporations and entities with more than one biorefinery can submit an application for only one of their biorefineries. However, if a corporation or entity has multiple biorefineries located at the same location, the entity may submit an application that covers such biorefineries provided the heat and power used in the multiple biorefineries are centrally produced.

3. Cost-effectiveness. The application must be awarded at least minimum points for cost-effectiveness under §4288.21(b)(1).

4. Percentage of reduction of fossil fuel use. The application must be awarded at least minimum points for percentage of reduction of fossil fuel use under §4288.21(b)(2).

5. Full project financing. The applicant must demonstrate that it has sufficient funds or has obtained commitments for sufficient funds to complete the repowering project taking into account the amount of the payment request in the application.

(b) Ineligible projects. A project is not eligible under this subpart if it is using feedstocks for repowering that are feed grain commodities that received benefits under Title I of the Food, Conservation, and Energy Act of 2008.

§ 4288.11 Eligible project costs.

Eligible project costs will be only for project related construction costs for repowering improvements associated with the equipment, installation, engineering, design, site plans, associated professional fees, permits and financing fees.

§ 4288.12 Ineligible project costs.

Any project costs incurred by the applicant prior to application for payment assistance under this program will be ineligible for payment assistance.

§ 4288.13 Payment information.

(a) Maximum payment. For purposes of this program, the maximum payment an applicant may receive will be 50 percent of total eligible project costs up to the applicable fiscal year’s maximum award as announced in an annual FEDERAL REGISTER notice. There is no minimum payment to an applicant.

(b) Reimbursement payments. The Agency shall only make payments based on the biorefinery’s expenditures on eligible project costs. Payments shall be determined by multiplying the amount of eligible expenditures stated on the payment request by a percentage obtained by dividing the aggregate payment award by total eligible project costs.

(c) Timing of payments. The Applicant may request payments not more frequently than once a month by submitting an original, completed, validly signed Standard Form (SF) 271, “Outlay Report and Request for Reimbursement for Construction Programs” including the supporting documentation identified in §4288.23, to reimburse the applicant for the Agency’s pro rata share of funds expended on eligible project costs. The Agency shall make such payments until 90 percent of the total payment award has been expended. The final 10 percent of the payment award will be paid upon completion of the repowering project and satisfactory evidence has been received by the Agency demonstrating that the biorefinery is operating as described in the Agency approved application.
§ 4288.20 Submittal of applications.

(a) Address to make application. Application must be submitted to USDA, Rural Development-Energy Division, Program Branch, Attention: Repowering Assistance Program, 1400 Independence Avenue, SW., Stop 3225, Washington, DC 20250–3225.

(b) Content and form of submission. Applicants must submit a signed original and one copy of an application containing the information specified in this section. The applicant must also furnish the Agency the required documentation identified in Form RD 4288–4, “Repowering Assistance Program Application,” to verify compliance with program provisions before acceptance into the program. The applicant must submit forms or other written documentation certifying to the following:

(i) AD–1047, “Certification Regarding Debarment, Suspension, and Other Responsibility Matters—Primary Covered Transactions” or other written documentation.

(ii) AD–1048, “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transactions” or other written documentation.

(iii) SF–LLL, “Disclosure of Lobbying Activities.”

(c) Application package contents. Applicants are required to provide relevant data to allow for technical analysis of their existing facilities to demonstrate replacement of fossil fuel by renewable biomass with reasonable costs and maximum efficiencies. Applicants in existence on or before June 18, 2008 with more than 24 months of actual operating data must provide data for the most recent 24-month period. Applicants in existence on or before June 18, 2008 with less than 24 months of actual operating data must provide data supported by engineering and design calculations, and site plans, prepared by the construction engineering firm. All applicants must submit the information specified in paragraphs (c)(1) through (c)(9) of this section as part of their application package.

(1) Contact data. Contact information for the primary technical contact for the biorefinery.

(2) Biorefinery data. Basic information on facility operations over time (hours/day, days/year).

(3) Electric use data. Information on existing electric service to the facility.
(4) **Fuel use data.** Information on natural gas and current fuel use for boilers and heaters, including fuel type, costs, and use patterns.

(5) **Thermal loads.** Information on existing thermal loads, including type (steam, hot water, direct heat), conditions (temperature, pressure) and use patterns.

(6) **Existing equipment.** Information on existing heating and cooling equipment, including type, capacities, efficiencies and emissions.

(7) **Site-specific data.** Information on other site-specific issues, such as expansion plans or neighborhood considerations that might impact the proposed new system design or operation; or environmental impacts.

(8) **Biofuel and biobased product production.** Information on biofuel and biobased product production, including quantity and units of production.

(9) **Feasibility study.** The applicant must submit a feasibility study by an independent qualified consultant, which has no financial interest in the biorefinery, and demonstrates that the renewable biomass system of the biorefinery is feasible, taking into account the economic, technical and environmental aspects of the system. The feasibility study must include the components specified in paragraphs (c)(9)(i) through (c)(9)(x) of this section.

(i) An executive summary, including resume of the consultant, and an introduction/project overview (brief general overview of project location, size, etc.).

(ii) An economic feasibility determination, including:

(A) Information regarding the project site;

(B) Information on the availability of trained or trainable labor; and

(C) Information on the availability of infrastructure and rail and road service to the site.

(iii) A technical feasibility determination, including a report that:

(A) Describes the repowering project, including:

(1) Information on heating and cooling equipment, including type, capacities, efficiencies and emissions;

(2) Anticipated impacts of the repowering project on the information requested above relating to electric use data, fuel use data, thermal loads and biofuel and biobased product production; and

(B) Is based upon verifiable data and contains sufficient information and analysis so that a determination may be made on the technical feasibility of achieving the levels of energy production that are projected in the statements. The report must provide the information in a format that is responsive to the scoring criteria specified in §4288.21(b)(1) through (5) and applicants should identify in their report the information that corresponds to each of the scoring criteria; and

(C) Identifies and estimates project operation and development costs and specifies the level of accuracy of these estimates and the assumptions on which these estimates have been based.

(iv) A financial feasibility determination that discusses the following:

(A) Repowering project construction funding, including repayment terms and security arrangements. Attach any documents relating to the project financing;

(B) The reliability of the financial projections and assumptions on which the project is based including all sources of project capital, both private and public, such as Federal funds;

(C) Projected balance sheets and costs associated with project operations;

(D) Cash flow projections for 3 years;

(E) The adequacy of raw materials and supplies;

(F) A sensitivity analysis, including feedstock and energy costs, product/co-product prices;

(G) Risks related to the project; and

(H) The continuity, maintenance and availability of records.

(v) A management feasibility determination.

(vi) Recommendations for implementation.

(vii) The environmental concerns and issues of the system.

(viii) The availability of feedstock, including discussions of:
(A) Feedstock source management;
(B) Estimates of feedstock volumes and costs;
(C) Collection, pre-treatment, transportation, and storage; and
(D) Impacts on existing manufacturing plants or other facilities that use similar feedstock.
(ix) The feasibility/plans of project to work with producer associations or cooperatives including estimated amount of annual feedstock from those entities.
(x) If woody biomass from National forest system lands or public lands is proposed as the feedstock, documentation must be provided that it cannot be used as a higher value wood-based product.

§ 4288.21 Application review and scoring.
The Agency will evaluate projects based on the cost, cost-effectiveness, and capacity of projects to reduce fossil fuels. The cost of the project will be taken into consideration in the context of each project’s ability to economically produce energy from renewable biomass to replace its dependence on fossil fuels. Projects with higher costs that are less efficient will not score well. The scoring criteria are designed to evaluate projects on simple payback as well as the percentage of fossil fuel reduction.

(a) Review. The Agency will evaluate each application and make a determination as to whether the applicant is eligible, whether the proposed project is eligible, and whether the proposed payment request complies with all applicable statutes and regulations. This evaluation will be conducted by experts in the Agency and other Federal agencies, including the U.S. Department of Energy based on the information provided by the applicant.

(b) Scoring. The Agency will score each application in order to prioritize each proposed project. The maximum number of points awardable to any applicant will be 100. The evaluation criteria that the Agency will use to score these projects are specified in paragraphs (b)(1) through (b)(6) of this section.

(1) Cost-effectiveness. Cost-effectiveness will be scored based on the anticipated simple payback period, or “simple payback.” Anticipated simple payback will be demonstrated by calculating documented base energy use costs for the 24-month period prior to submission of the application or at least 12 months of data supported by engineering and design calculations, and site plans, prepared by the construction engineering firm.

(i) The simple payback period is calculated as follows:

\[ \text{Simple payback} = \frac{C}{S} \]

Where:

\[ C = \text{eligible capital expenses of the repowering project} \]
\[ S = \text{savings in annual operating costs}. \]

Example: Eligible capital expenses of the repowering project, including handling equipment, biomass boiler, piping improvements and plant modifications, are equal to $5,300,500. The annual difference in fossil fuel cost versus the cost for renewable biomass is $990,500. Assume these costs and uses are based on a yearly operating cycle, which may include handling, storage and treatment costs. In this example, \( C = 5,300,500 \); \( S = 990,500 \); simple payback = 5.35 years (\( C/S = \text{simple payback} \)).

(ii) A maximum of 20 points will be awarded as follows:

(A) If the anticipated simple payback is less than or equal to 4 years, award 20 points.
(B) If the anticipated simple payback is greater than 4 years but less than or equal to 6 years, award 10 points.
(C) If the anticipated simple payback will be greater than 6 years but less than or equal to 10 years, award 5 points.
(D) If the anticipated simple payback will be greater than 10 years, award 0 points.

(2) Percentage of reduction of fossil fuel use. The anticipated percent reduction in the use of fossil fuels will be measured using the same evidence provided by the applicant for measuring cost-effectiveness. However, this set of criteria will measure actual fossil fuel use for the 24-month period prior to submission of the application or for at least 12 months of data supported by engineering and design calculations, and site plans, prepared by the construction engineering firm. All fossil fuel use, for thermal loads as well as for electric use, will be evaluated by
using information provided by the Energy Information Agency (EIA). The Agency will determine the percentage reduction of fossil fuel use based on and in cooperation with the applicant’s submission of electric power provider contracts, power agreements, and utility billings in relation to available information from the EIA. A maximum of 35 points will be awarded as follows:

(i) Applicant demonstrates an anticipated annual reduction in fossil fuel use of 100 percent, award 35 points.

(ii) Applicant demonstrates an anticipated annual reduction in fossil fuel use of at least 80 percent but less than 100 percent, award 25 points.

(iii) Applicant demonstrates an anticipated annual reduction in fossil fuel use of at least 60 percent but less than 80 percent, award 15 points.

(iv) Applicant demonstrates an anticipated annual reduction in fossil fuel use of at least 40 percent but less than 60 percent, award 5 points.

(v) Applicant demonstrates an anticipated annual reduction in fossil fuel use of less than 40 percent, award 0 points.

(vi) If any of the fossil fuel being replaced is natural gas, deduct 5 points.

(3) Renewable biomass factors. If an applicant demonstrates at the time of application that it has on site available access to renewable biomass or enforceable third party commitments to supply renewable biomass for the repowering project for at least 3 years, 5 points will be awarded. If an applicant cannot demonstrate this, no points will be awarded.

(4) Technical review factors. Technical reviews will be conducted by a team of experts, including rural energy coordinators and State engineers. The Agency may engage the services of other government agencies or other recognized industry experts in the applicable technology field, at its discretion, to evaluate and rate the application. Each section of the technical review will be scored within a range of possible points available within that section. A maximum of 25 points will be awarded as follows:

(i) Qualifications of the applicant’s project team. The applicant must describe the qualifications of those individuals who will be essential to successful performance of the proposed project. This will include information regarding professional credentials, relevant experience, and education, and must be supported with documentation of service capabilities, professional credentials, licenses, certifications, and resumes, as applicable. Award 0–5 points.

(ii) Agreements and permits. The applicant must describe the agreements and permits necessary for project implementation. An Agency-acceptable schedule for securing the required documents and permits must be provided. Award 0–4 points.

(iii) Design and engineering. The applicant must describe the design, engineering, and testing needed for the proposed project. The Design and Engineering documents shall demonstrate that they meet the intended purpose, ensure public safety, and comply with all applicable laws, regulations, agreements, permits, codes, and standards. Award 0–4 points.

(iv) Project development schedule. The applicant must provide a detailed plan for project development including a proposed schedule of activities, a description of each significant task, its beginning and end, and its relationship to the time needed to initiate and carry the project through to successful completion. This description must address the applicant’s project development cash flow requirements. Award 0–3 points.

(v) Equipment procurement. The applicant must describe the equipment needed, and the availability of the equipment needed, to complete installation and activation of the new system. The description supports that the required equipment is available, and can be procured and delivered within the proposed project development schedule. Award 0–3 points.

(vi) Equipment installation. The applicant must provide a satisfactory description of the plan for site development and system installation that reflects the soundness of the project plan. Award 0–3 points.

(vii) Operations and maintenance. The applicant must describe the operations and maintenance requirements of the
§ 4288.24 Program payment provisions.

The procedure the Agency will use to make payments to eligible biorefineries is specified in paragraphs (a) through (e) of this section.

(a) Payment applications. The Agency shall make payments based on the biorefinery’s expenditures on eligible project costs. To request payments under this program during a fiscal year, an eligible biorefinery must:

(1) Submit an original, validly signed and completed SF 271 to the Agency not more frequently than once a month with the following supporting documentation:

(i) Evidence of expenditure of funds on eligible project costs which shall include paid third party invoices, receipts, bills of sale, and/or payroll records. Such records must be adequate to identify that funds to be reimbursed were spent on eligible project costs; and

(ii) Evidence that construction of the repowering project is in compliance with the project development schedule.

(2) Certify that the request is accurate.

(3) Furnish the Agency such certifications as required in Form RD 4288–4, Part C, and access to records that verify compliance with program provisions.

(b) Clarifying information. After payment applications are submitted, eligible biorefineries may be required to submit additional supporting clarification if their original submittal is not sufficient to verify eligibility for payment.

(c) Notification. The Agency will notify the biorefinery, in writing, whenever the Agency determines that a payment request is ineligible and why the request was determined ineligible.

(d) Refunds and interest payments. An eligible biorefinery that has received a payment under this program may be required to refund such payment as specified in paragraphs (d)(1) through (d)(5) of this section.

(1) An eligible biorefinery receiving payment under this program will become ineligible for payments if the Agency determines the biorefinery has:
§ 4288.25 Succession and control of facilities and production.

Any party obtaining a biorefinery that is participating in this program must request permission to participate in this program as a successor. The Agency may grant such request if it is determined that the party is eligible, and permitting such succession would serve the purposes of the program. If appropriate, the Agency will require the consent of the previous party to such succession. Also, the Agency may terminate payments and demand full refund of payments made if a party loses control of a biorefinery whose production of heat or power from renewable biomass is the basis of a program payment, or otherwise fails to retain the ability to assure that all program obligations and requirements will be met.

§ 4288.26 Fiscal Year 2009 and Fiscal Year 2010 applications.

Any entity that submitted an application for payment to the Agency under this program prior to March 14, 2011 will have their payments made and serviced in accordance with the provisions specified in this subpart.

§§ 4288.27–4288.100 [Reserved]

Subpart B—Advanced Biofuel Payment Program General Provisions

AUTHORITY: 5 U.S.C. 301.

SOURCE: 76 FR 7967, Feb. 11, 2011, unless otherwise noted.

§ 4288.101 Purpose and scope.

(a) Purpose. The purpose of this subpart is to support and ensure an expanding production of advanced biofuels by providing payments to eligible advanced biofuel producers.

(b) Scope. This subpart sets forth, subject to the availability of funds as provided herein, or as may be limited by law, the terms and conditions an advanced biofuel producer must meet to obtain payments under this Program from the United States Department of Agriculture for eligible advanced biofuel production. Additional terms and conditions may be set forth in the
Program contract and payment agreement prescribed by the Agency.

§ 4288.102 Definitions.

The definitions set forth in this section are applicable for all purposes of program administration under this subpart.

Advanced biofuel. A fuel that is derived from renewable biomass, other than corn kernel starch, to include:

(1) Biofuel derived from cellulose, hemicellulose, or lignin;
(2) Biofuel derived from sugar and starch (other than ethanol derived from corn kernel starch);
(3) Biofuel derived from waste material, including crop residue, other vegetative waste material, animal waste, food waste, and yard waste;
(4) Diesel-equivalent fuel derived from renewable biomass, including vegetable oil and animal fat;
(5) Biogas (including landfill gas and sewage waste treatment gas) produced through the conversion of organic matter from renewable biomass;
(6) Butanol or other alcohols produced through the conversion of organic matter from renewable biomass; or
(7) Other fuel derived from cellulosic biomass.

Advanced biofuel producer. An individual, corporation, company, foundation, association, labor organization, firm, partnership, society, joint stock company, group of organizations, or non-profit entity that produces and sells an advanced biofuel. An entity that blends or otherwise combines advanced biofuels into a blended biofuel is not considered an advanced biofuel producer under this Program.

Agency. The USDA Rural Development, Rural Business-Cooperative Service or its successor organization.

Alcohol. Anhydrous ethyl alcohol manufactured in the United States and its territories and sold either:

(1) For fuel use, rendered unfit for beverage use, produced at a biofuel facility and in a manner approved by the Bureau of Alcohol, Tobacco, Firearms, and Explosives for the production of alcohol for fuel; or
(2) As denatured alcohol used by blenders and refiners and rendered unfit for beverage use.

Alcohol producer. An advanced biofuel producer authorized by ATF to produce alcohol.

ATF. The Bureau of Alcohol, Tobacco, Firearms, and Explosives of the United States Department of Justice.

Biodiesel. A mono alkyl ester, manufactured in the United States and its territories, that meets the requirements of the appropriate ASTM International standard.

Biofuel. Fuel derived from renewable biomass.

Biofuel facility. A facility (including equipment and processes) that converts renewable biomass into biofuels and biobased products and may produce electricity.

Blender. A blender is a processor of fuels who combines two or more fuels, one of which must be an advanced biofuel, for distribution and sale. Producers who blend one or more of their own fuels are not blenders under this definition.

Certificate of analysis. A document approved by the Agency that certifies the quality and purity of the advanced biofuel being produced. The document must be from a qualified, independent third party.

Contract. Form RD 4288–2, “Advanced Biofuel Payment Program Contract,” signed by the eligible advanced biofuel producer and the Agency, that defines the terms and conditions for participating in and receiving payment under this Program.

Eligible advanced biofuel producer. A producer of advanced biofuels that meets all requirements of §4288.110 of this subpart.

Eligible renewable biomass. Renewable biomass, as defined in this section, excluding corn kernel starch.

Eligible renewable energy content. That portion of an advanced biofuel's energy content derived from eligible renewable biomass feedstock. The energy content from any portion of the biofuel, whether from, for example, blending with another fuel or a denaturant, that is derived from a non-eligible renewable biomass feedstock (e.g., corn kernel starch) is not eligible for payment under this Program.

Enrollment application. Form RD 4288–1, “Advanced Biofuel Payment Program Annual Application,” which is
submitted by advanced biofuel producers for participation in this Program.

**Ethanol.** Anhydrous ethyl alcohol manufactured in the United States and its territories and sold either:

1. For fuel use, and which has been rendered unfit for beverage use and produced at an advanced biofuel facility approved by the ATF for the production of ethanol for fuel, or
2. As denatured ethanol used by blenders and energy refiners, which has been rendered unfit for beverage use.

**Ethanol producer.** An advanced biofuel producer authorized by ATF to produce ethanol.

**Fiscal Year.** A 12-month period beginning each October 1 and ending September 30 of the following calendar year.

**Flared gas.** The burning of unwanted gas through a pipe (also called a flare). Flaring is a means of disposal used when the operator cannot transport the gas to market or convert to electricity and cannot use the gas for any other purpose.

**Forest biomass.** Any plant or tree material produced by forest growth, such as trees, wood, brush, thinning, chips, and slash.

**Incremental production.** The quantity of eligible advanced biofuel produced at an advanced biofuel biorefinery in the fiscal year for which payment is sought that exceeds the quantity of advanced biofuel produced at the biorefinery over the prior fiscal year.

**Larger producer.** An eligible advanced biofuel producer with a refining capacity as determined for the prior fiscal year, based on all of the advanced biofuel facilities in which the producer has 50 percent or more ownership, exceeding:

1. 150,000,000 gallons of liquid advanced biofuel per year; or
2. 15,900,000 MMBTU of biogas and solid advanced biofuel per year.

**Payment application.** Form RD 4288–3, “Advanced Biofuel Payment Program—Payment Request,” which is submitted by an eligible advance producer to the Agency in order to receive payment under this Program.

**Quarter.** The Federal fiscal time period for any fiscal year as follows:

1. 1st Quarter: October 1 through December 31;
2. 2nd Quarter: January 1 through March 31;
3. 3rd Quarter: April 1 through June 30; and
4. 4th Quarter: July 1 through September 30.

**Renewable biomass.**

1. Materials, pre-commercial thinnings, or invasive species from National Forest System land and public lands (as defined in section 103 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1702)) that:
   - Are byproducts of preventive treatments that are removed to reduce hazardous fuels; to reduce or contain disease or insect infestation; or to restore ecosystem health;
   - Would not otherwise be used for higher-value products; and
   - Are harvested in accordance with applicable law and land management plans and the requirements for old-growth maintenance, restoration, and management direction of paragraphs (e)(2), (e)(3), and (e)(4) and large-tree retention of paragraph (f) of section 102 of the Healthy Forests Restoration Act of 2003 (16 U.S.C. 6512); or
2. Any organic matter that is available on a renewable or recurring basis from non-Federal land or land belonging to an Indian or Indian Tribe that is held in trust by the United States or subject to a restriction against alienation imposed by the United States, including:
   - Renewable plant material, including feed grains; other agricultural commodities; other plants and trees; and algae; and
   - Waste material, including crop residue; other vegetative waste material (including wood waste and wood residues); animal waste and byproducts (including fats, oils, greases, and manure); and food waste and yard waste.

**Sign-up period.** The time period during which the Agency will accept enrollment applications.

**Smaller producer.** An eligible advanced biofuel producer with a refining capacity as determined for the prior fiscal year, based on all of the advanced biofuel facilities in which the producer has 50 percent or more ownership, equal to or less than:
(1) 150,000,000 gallons of liquid advanced biofuel per year; or
(2) 15,900,000 MMBTU of biogas and solid advanced biofuel per year.

State. Any of the 50 States of the United States, the Commonwealth of Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, the Republic of Palau, the Federated States of Micronesia, and the Republic of the Marshall Islands.

USDA. The United States Department of Agriculture.

§4288.103 Review or appeal rights.
A person may seek a review of an Agency decision or appeal to the National Appeals Division in accordance with 7 CFR part 11 of this title.

§4288.104 Compliance with other laws and regulations.
(a) Advanced biofuel producers must comply with other applicable Federal, State, and local laws, including, but not limited to, the Equal Employment Opportunity Act, Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, The Age Discrimination Act of 1975, the Americans with Disabilities Act of 1990, and 7 CFR part 1901, subpart E. This includes collection and maintenance of race, sex, and national origin data of the recipient’s employee.

(b) Producers must comply with equal opportunity and nondiscriminatory requirements in accordance with 7 CFR 15d. Rural Development will not discriminate against an applicant on the bases of race, color, religion, national origin, sex, sexual orientation, marital status, familial status, disability, or age (provided that the applicant has the capacity to contract); to the fact that all or part of the applicant’s income derives from public assistance program; or to the fact that the applicant has in good faith exercised any right under the Consumer Credit Protection Act.

§4288.105 Oversight and monitoring.
(a) Verification. The Agency reserves the right to verify all payment applications and subsequent payments made under this subpart, as frequently as necessary, to ensure the integrity of the Program. The Agency will conduct site visits as necessary.

(1) Production and feedstock verification. The Agency will review producer records to verify the type and amount of biofuel produced and the type and amount of feedstocks used.

(2) Blending verification. The Agency will review the producer’s certificates of analysis and feedstock records to verify the portion of the advanced biofuel eligible for payment.

(3) Certificate of Analysis. The Agency will review the producer records for quarterly payments to ensure that each certificate of analysis has been issued by a qualified, independent third party, which may include the blender only if the blender is not associated with the facility.

(b) Records. For the purpose of verifying compliance with the requirements of this subpart, each eligible advanced biofuel producer shall make available at one place at a reasonable time for examination by representatives of USDA, all books, papers, records, contracts, scale tickets, settlement sheets, invoices, written price quotations, and other documents related to the Program that is within the control of such advanced biofuel producer for not less than 3 years from each Program payment date.

§4288.106 Forms, regulations, and instructions.
Copies of all forms, regulations, instructions, and other materials related to this Program may be obtained from the USDA Rural Development State Office, Rural Energy Coordinator and the USDA Rural Development Web site at http://www.rurdev.usda.gov.

§4288.107 Exception authority.
The Administrator of the Agency (“Administrator”) may, with the concurrence of the Secretary of Agriculture, make an exception, on a case-by-case basis, to any requirement or provision of this subpart that is not inconsistent with any authorizing statute or applicable law, if the Administrator determines that application of the requirement or provision would adversely affect the Federal government’s interest.
§ 4288.110 Applicant eligibility.

Sections 4288.110 through 4288.119 present the requirements associated with advanced biofuel producer eligibility, biofuel eligibility, eligibility notifications, and payment record requirements. To be eligible for this Program, the applicant must meet the requirements specified in paragraph (a) of this section and must provide additional information as may be requested by the Agency under paragraph (b) of this section. Public bodies and educational institutions are not eligible for this Program.

(a) Eligible producer. The applicant must be an advanced biofuel producer, as defined in this subpart.

(b) Eligibility determination. The Agency will determine an applicant’s eligibility for participation in this Program. If an applicant’s original submittal is not sufficient to verify an applicant’s eligibility, the Agency will notify the applicant, in writing, as soon as practicable after receipt of the application. This notification will identify, at a minimum, the additional information being requested to enable the Agency to determine the applicant’s eligibility and a timeframe in which to supply the information.

(1) If the applicant provides the requested information to the Agency within the specified timeframe, the Agency will determine the applicant’s eligibility for the upcoming fiscal year.

(2) If the applicant does not provide the requested information to the Agency within the specified timeframe, the Agency will not consider the applicant further for participation in the upcoming fiscal year. Such applicants may elect to enroll during the next sign-up period.

(c) Ineligibility determination. An otherwise eligible producer will be determined to be ineligible if the producer:

(1) Refuses to allow the Agency to verify any information provided by the advanced biofuel producer under this subpart, including information for determining applicant eligibility, advanced biofuel eligibility, and application payments;

(2) Fails to meet any of the conditions set out in this subpart, in the contract, or in other Program documents; or

(3) Fails to comply with all applicable Federal, State, or local laws.

§ 4288.111 Biofuel eligibility.

To be eligible for this Program, a biofuel must meet the requirements specified in paragraph (a) of this section and the biofuel’s producer must provide additional information as may be requested by the Agency under paragraph (b) of this section. Notwithstanding the provisions of paragraph (a) of this section, for the purposes of this subpart, flared gases are not eligible.

(a) Eligible advanced biofuel. For an advanced biofuel to be eligible, each of the following conditions must be met, as applicable:

(1) The advanced biofuel must meet the definition of advanced biofuel and be produced in a State;

(2) The advanced biofuel must be a solid, liquid, or gaseous advanced biofuel;

(3) The advanced biofuel must be a final product; and

(4) The advanced biofuel must be sold as an advanced biofuel through an arm’s length transaction to a third party.

(b) Eligibility determination. The Agency will determine a biofuel’s eligibility for payment under this Program. If an applicant’s original submittal is not sufficient to verify a biofuel’s eligibility, the Agency will notify the applicant, in writing, as soon as practicable after receipt of the application. This notification will identify, at a minimum, the additional information being requested to enable the Agency to determine the biofuel’s eligibility and a timeframe in which to supply the information.

(1) If the applicant provides the requested information to the Agency within the specified timeframe, the Agency will determine the biofuel’s eligibility for the upcoming fiscal year.

(2) If the applicant does not provide the requested information to the Agency within the specified timeframe, the biofuel will not be eligible for payment under this Program in the upcoming fiscal year.
fiscal year. Applicants may elect to include such biofuels in the application form submitted during the next sign-up period.

§ 4288.112 Eligibility notifications.
(a) Applicant eligibility. If an applicant is determined by the Agency to be eligible for participation, the Agency will notify the applicant, in writing, as soon as practicable after receipt of the application and will assign the applicant a contract number.
(b) Ineligibility notifications. If an applicant or a biofuel is determined by the Agency to be ineligible, the Agency will notify the applicant, in writing, as soon as practicable after receipt of the application, as to the reason(s) the applicant or biofuel was determined to be ineligible. Such applicant will have appeal rights as specified in this subpart.
(c) Subsequent ineligibility determinations. If at any time a producer or an advanced biofuel is determined to be ineligible, the Agency will notify the producer in writing of its determination.

§ 4288.113 Payment record requirements.
To be eligible for Program payments, an advanced biofuel producer must maintain records for all relevant fiscal years and fiscal year quarters for each advanced biofuel facility indicating:
(a) The type of eligible renewable biomass used in the production of advanced biofuel;
(b) The quantity of advanced biofuel produced from eligible renewable biomass at each advanced biofuel facility;
(c) The quantity of eligible renewable biomass used at each advanced biofuel facility to produce the advanced biofuel; and
(d) All other records required to establish Program eligibility and compliance.

§§ 4288.114–4288.119 [Reserved]

ENROLLMENT PROVISIONS

§ 4288.120 Enrollment.
In order to participate in the Program, a producer of advanced biofuels must be approved by the Agency and enter into a contract with the Agency. The process for enrolling in the Program is presented in this section. Advanced biofuel producers who expect to produce eligible advanced biofuels at any time during a fiscal year must enroll in the Program as described in this section.

(a) Enrollment. To enroll in the Program, an advanced biofuel producer must submit to the Agency a completed enrollment application during the applicable sign-up period, as specified in paragraph (b) of this section. An original, signed hard copy of the enrollment application must be submitted as specified in the annual FEDERAL REGISTER notice for this program. All applicants, except those that are individuals, are required to have a Dun and Bradstreet Universal Numbering System (DUNS) number, which can be obtained online at http://fedgov.dnb.com/webform.
(1) Eligible advanced biofuel producers must submit enrollment applications during each sign-up period in order to continue participating in this Program. If a participating producer fails to submit the enrollment application during a fiscal year’s applicable sign-up period, the producer’s contract will be terminated and the producer will be ineligible to receive payments for that fiscal year. Such a producer must reapply, and sign a new contract, to participate in the Program for future fiscal years.
(2) Eligible advanced biofuel producers may submit an enrollment application during a fiscal year’s sign-up period even if the advanced biofuel facility is not currently producing, but is scheduled to start producing advanced biofuel in that fiscal year.
(3) The producer must furnish the Agency all required certifications before acceptance into the Program, and furnish access to the advanced biofuel producer’s records required by the Agency to verify compliance with Program provisions. The required certifications depend on the type of biofuel produced. Certifications specified in paragraphs (a)(3)(i) through (a)(3)(iv) of this section are to be completed and provided by an accredited independent third party.
(i) Alcohol. For alcohol producers with authority from ATF to produce alcohol, copies of either
(A) The Alcohol Fuel Producers Permit (TTB F 5110.74) or
(B) The registration of Distilled Spirits Plant (TTB F 5110.41) and Operating Permit (TTB F 5110.25).
(ii) Hydrous ethanol. For hydrous ethanol that is upgraded by another distiller to anhydrous ethyl alcohol, the increased ethanol production is eligible for payment one time only. If the advanced biofuel producer entering into this agreement is:
(A) The hydrous ethanol producer, then the advanced biofuel producer shall include with the contract an affidavit, acceptable to the Agency, from the distiller stating that the:
   (1) Applicable hydrous ethanol produced is distilled and denatured for fuel use according to ATF requirements, and
   (2) Distiller will not include the applicable ethanol in any payment requests that the distiller may make under this Program.
(B) The distiller that upgrades hydrous ethanol to anhydrous ethyl alcohol, then the advanced biofuel producer shall include with the contract an affidavit, acceptable to the Agency, from the hydrous ethanol producer stating that the hydrous ethanol producer will not include the applicable ethanol in any payment requests that may be made under this Program.
(iii) Biodiesel, biomass-based diesel, and liquid hydrocarbons derived from biomass. For these fuels, the advanced biofuel producer shall certify that the producer, the advanced biofuel facility, and the biofuel meet the definitions of these terms as defined in §4288.102, the applicable registration requirements under the Energy Independence and Security Act and the Clean Air Act and under the applicable regulations of the U.S. Environmental Protection Agency and Internal Revenue Service, and the quality requirements per applicable ASTM International standards (e.g., ASTM D6751) and commercially acceptable quality standards of the local market. If a Renewable Identification Number has been established, the advanced biofuel producer shall also provide documentation of the most recent Renewable Identification Number for a typical gallon of each type of advanced biofuel produced.
(iv) Gaseous advanced biofuel. For gaseous advanced biofuel producers, certification that the biofuel meets commercially acceptable pipeline quality standards of the local market; that the flow meters used to determine the quantity of advanced biofuel produced are industry standard and properly calibrated by a third-party professional; and that the readings have been taken by a qualified individual.
(v) Woody biomass feedstock. If the feedstock is from National Forest system land or public lands, documentation must be provided that it cannot be used as a higher value wood-based product.

(4) Supporting documentation. Each advanced biofuel producer participating in this program for the first time must submit documentation to support the actual production and capacity reported in the enrollment application.

(5) Additional forms. Applicants must submit the forms specified in this paragraph with the enrollment application.
(i) RD Instruction 1940–Q, Exhibit A–1, “Certification for Contracts, Grants and Loans.”
(ii) SF–LLL, “Disclosure of Lobbying Activities.”
(iii) Form RD 400–4, “Assurance Agreement.”

(b) Sign-up period. The sign-up period is October 1 to October 31 of the fiscal year for which payment is sought, unless otherwise announced by the Agency in a Federal Register notice.

§ 4288.121 Contract.

Advanced biofuel producers determined to be eligible to receive payments must then enter into a contract with the Agency in order to participate in this Program.

(a) Contract. The Agency will forward the contract to the advanced biofuel producer. The advanced biofuel producer must agree to the terms and conditions of the contract, sign, date, and return it to the Agency within the time provided by the Agency.
(b) **Length of contract.** Once signed, a contract will remain in effect until terminated as specified in paragraph (d) of this section.

(c) **Contract review.** All contracts will be reviewed at least annually to ensure compliance with the contract and ensure the integrity of the program.

(d) **Contract termination.** Contracts under this Program will be terminated in writing by the Agency. Contracts may be terminated under any one of the following conditions:

1. At the mutual agreement of the parties;
2. In accordance with applicable Program notices and regulations;
3. The advanced biofuel producer withdraws from the Program and so notifies the Agency, in writing;
4. The advanced biofuel producer fails to submit the enrollment application during a sign-up period;
5. The Program is discontinued or not funded;
6. All of a participating advanced biofuel producer’s advanced biofuel facilities no longer exist or no longer produce any eligible advanced biofuel; or
7. The Agency determines that the advanced biofuel producer is ineligible for participation.

§§ 4288.122–4288.129 [Reserved]

**PAYMENT PROVISIONS**

§ 4288.130 **Payment applications.**

Sections 4288.130 through 4288.189 identify the process and procedures the Agency will use to make payments to eligible advanced biofuel producers. In order to receive payments under this Program, eligible advanced biofuel producers with valid contracts must submit a payment application, as required under paragraph (a) of this section. The Agency will review the payment application and, if necessary, may request additional information, as specified under paragraph (b) of this section.

(a) **Applying for payment.** To apply for payments under this subpart for a fiscal year, an eligible advanced biofuel producer must:

1. After a quarter has been completed, submit a payment application covering the quarter;
2. Certify that the request is accurate;
3. Furnish the Agency such certification, and access to such records, as the Agency considers necessary to verify compliance with Program provisions; and
4. Provide documentation as requested by the Agency of the net production of advanced biofuel at all advanced biofuel facilities during the relevant quarter.

(b) **Review of payment applications.** The Agency will review each payment application it receives to determine if it is eligible for payment.

1. **Review factors.** Factors that the Agency will consider in reviewing payments applications include, but are not necessarily limited to:

   - **Contract validity.** Whether the entity submitting the payment application has a valid contract with the Agency under this Program;
   - **Biofuel eligibility.** Whether the biofuel for which payment is sought is an eligible advanced biofuel; and
   - **Calculations.** Whether the calculations for determining the requested payment are complete and accurate.

2. **Additional documentation.** If the Agency determines additional information is required for the Agency to complete its review of a payment application, eligible advanced biofuel producers shall submit such additional supporting documentation as requested by the Agency. If the producer does not provide the requested information within the required time period, the Agency will not make payment.

(c) **Payment application eligibility.** The Agency will notify the advanced biofuel producer, in writing, as soon as practicable after the payment application, whenever the Agency determines that a payment application, or any portion thereof, is ineligible for payment and the basis for the Agency’s determination of ineligibility.

(d) **Submittal information.** Eligible advanced biofuel producers must submit payment applications as specified in the annual *Federal Register* notice for this program no later than 4:30 p.m. local time on the last day of the calendar month following the quarter for
which payment is being requested. Neither complete nor incomplete payment applications received after this date and time will be considered, regardless of the postmark on the application.

(1) Any payment application form that is received by the Agency after October 31 of the calendar year for the preceding fiscal year is ineligible for payment.

(2) If the actual deadline falls on a weekend or a Federally-observed holiday, the deadline is the next Federal business day.

§ 4288.131 Payment provisions.

Payments to advanced biofuel producers for eligible advanced biofuel production will be determined in accordance with the provisions of this section.

(a) Types of payments. The Agency will make available each fiscal year an actual production payment and an incremental production payment to participating producers, as specified in paragraphs (a)(1) and (a)(2), respectively, of this section. As provided in paragraph (a)(2) of this section, not all participating producers will receive an incremental production payment.

(1) Actual production. Participating producers will be paid on a quarterly basis for the actual quantity of eligible advanced biofuel produced during the quarter. Payment for actual production will be determined according to paragraph (c) of this section.

(2) Incremental production. For each participating advanced biofuel facility, the Agency will make an end-of-the-year payment for that facility’s incremental production, if any, during the fiscal year provided the advanced biofuel facility has fewer than 20 days of non-production of eligible advanced biofuels during the previous fiscal year. Payment for incremental production will be determined according to paragraph (d) of this section.

(b) Amount of payment funds available. Based on the amount of funds made available to this program each fiscal year, the Agency will allocate available program funds according to paragraphs (b)(1) and (b)(2) of this section.

(1) Actual versus incremental production. The Agency will determine the amount of funds for actual production payments and for incremental production payment as follows:

(i) For fiscal year 2010, 80 percent of the funds will be allocated for actual production payments and 20 percent of the funds will be allocated for incremental production payments.

(ii) For fiscal year 2011, 70 percent of the funds will be allocated for actual production payments and 30 percent of the funds will be allocated for incremental production payments.

(iii) For fiscal year 2012, 60 percent of the funds will be allocated for actual production payments and 40 percent of the funds will be allocated for incremental production payments.

(iv) For fiscal year 2013 and beyond, 50 percent of the funds will be allocated for actual production payments and 50 percent of the funds will be allocated for incremental production payments.

(2) Quarterly allocations. For each fiscal year, the Agency will allocate in each quarter one-fourth of the funds allocated to actual production for the entire fiscal year.

(c) Determination of payment for actual production. Each quarter, the Agency will establish an actual production payment rate using the procedures specified in paragraphs (c)(1) through (c)(5) of this section. This rate will be applied to the actual quantity of eligible advanced biofuel produced to determine payments to eligible advanced biofuel producers, as described in paragraph (c)(6) of this section.

(1) Based on the information provided in each payment application, the Agency will determine the eligible advanced biofuel production. If the Agency determines that the amount of advanced biofuel production reported in a payment application is not supported by the documentation submitted with the payment application, the Agency may reduce the production reported in the payment application.

(2) For each producer, the Agency will convert the production determined to be eligible under paragraph (c)(1) of this section into British Thermal Unit
(BTU) equivalent using factors published by the Energy Information Administration (or successor organization). If the Energy Information Administration does not publish such conversion factor for a specific type of advanced biofuel, the Agency will use a conversion factor developed by another appropriate entity. If no such conversion factor exists, the Agency will, in consultation with other Federal agencies, establish and use a conversion formula as appropriate, that it publishes in the FEDERAL REGISTER, until such time as the Energy Information Administration or other appropriate entity publishes a conversion factor for said advanced biofuel. The Agency will then calculate the total eligible BTUs across all eligible applications.

(i) If the advanced biofuel is a liquid or gaseous advanced biofuel produced from forest biomass, the BTUs will be discounted 10 percent.

(ii) If the advanced biofuel is a solid advanced biofuel produced from forest biomass, the BTUs will be discounted 85 percent.

(iii) If the advanced biofuel meets an applicable renewable fuel standard, the BTUs will be increased by 10 percent.

(3) For each quarter, the Agency will determine the actual production payment rate ($/BTU) based on paragraphs (b) and (c)(2) of this section. The rate will be calculated such that all of the quarterly funds for actual production will be distributed.

(4) Using the actual production payment rate determined above and the actual production for each type of advanced biofuel produced at an advanced biofuel facility, the Agency will calculate each quarter a payment for each eligible advanced biofuel producer for that quarter.

(d) Determination of payment for incremental production. At the end of each fiscal year, the Agency will establish incremental production payment rate using procedures specified in paragraphs (d)(1) through (d)(6) of this section. This rate will be applied to the quantity of eligible incremental advanced biofuel produced to determine payments to eligible advanced biofuel producers, as described in paragraph (d)(7) of this section.

(1) For each participating advanced biofuel facility that produced eligible advanced biofuels during the fiscal year prior to the fiscal year for which payment is sought provided the advanced biofuel facility has fewer than 20 days (excluding weekends) of non-production of eligible advanced biofuels during that previous fiscal year, the Agency will determine the quantity of eligible advanced biofuel produced in that prior fiscal year based on information provided by the producer.

(2) Using the information in the payment applications submitted for the fiscal year for which payment is sought, the Agency will determine the actual amount of eligible advanced biofuel produced in the fiscal year for which payment is sought.

(3) Using the results from paragraphs (d)(1) and (d)(2) of this section, the Agency will determine the quantity of advanced biofuel produced in excess of the previous year's advanced biofuel production.

(4) For each advanced biofuel facility that shows incremental production under paragraph (d)(3) of this section, the Agency will convert the production into British Thermal Unit (BTU) equivalent using factors published by the Energy Information Administration (or successor organization). If the Energy Information Administration does not publish such conversion factor for a specific type of advanced biofuel, the Agency will use a conversion factor developed by another appropriate entity. If no such conversion factor exists, the Agency will establish and use a conversion formula as appropriate, that it publishes in the FEDERAL REGISTER, until such time as the Energy Information Administration or other appropriate entity publishes a conversion factor for said advanced biofuel. The Agency will then calculate the total eligible BTUs across all eligible applications.

(i) If the advanced biofuel is a liquid or gaseous advanced biofuel produced from forest biomass, the BTUs will be discounted 10 percent.

(ii) If the advanced biofuel is a solid advanced biofuel produced from forest biomass, the BTUs will be discounted 85 percent.
(iii) If the advanced biofuel meets an applicable renewable fuel standard, the BTUs will be increased by 10 percent.

(5) The Agency will sum all of the BTUs determined under paragraph (d)(4) of this section.

(6) Using the results from paragraph (d)(5) of this section and the amount of incremental funds available, the Agency will determine the incremental production payment rate ($/BTU). The rate will be calculated such that all of the incremental production funds will be distributed.

(7) Using the incremental production payment rate determined above and the incremental production for each advanced biofuel facility eligible for an incremental production payment, the Agency will calculate an incremental production payment for each eligible advanced biofuel producer.

(e) Other payment provisions. The following provisions apply.

(1) Notwithstanding any other provision, the Agency will provide payments to larger producers of not more than 5 percent of available program funds in any fiscal year. At any time during the year, if the limit on payments to larger producers would be reached, the Agency will pro-rate payments to larger producers based on the BTU content of their eligible advanced biofuel production so as not to exceed the limit.

(2) Notwithstanding any other provision, the Agency will provide payments to solid eligible advanced biofuels produced from forest biomass of not more than 5 percent of available program funds in any fiscal year. At any time during the year, if the limit on payments to larger producers would be reached, the Agency will pro-rate payments to larger producers based on the BTU content of their eligible advanced biofuel production so as not to exceed the limit.

(3) Advanced biofuel producers will be paid on the basis of the amount of eligible renewable energy content of the advanced biofuels only if the producer provides documentation sufficient, including a Certificate of Analysis, for the Agency to determine the eligible renewable energy content for which payment is being requested, and quantity produced through such documentation as, but not limited to, records of sale and calibrated flow meter records.

(4) Payment will be made to only one eligible advanced biofuel producer per advanced biofuel facility.

(5) Subject to other provisions of this section, advanced biofuel producers shall be paid any sum due subject to the requirements and refund provisions of this subpart.

(6) Advanced biofuels produced under the situations identified in paragraphs (e)(6)(i) through (e)(6)(iii) of this section are ineligible for incremental production payment, but are still eligible for actual production payment.

(i) Advanced biofuels produced at an advanced biofuel facility that did not produce any eligible advanced biofuel in year prior to the fiscal year in which payment is sought (e.g., a new advanced biofuel facility).

(ii) Advanced biofuels produced at an advanced biofuel facility that had 20 or more days (excluding weekends) of non-production of eligible advanced biofuels in year prior to the fiscal year in which payment is sought.

(iii) Advanced biofuels produced from forest biomass.

(iv) For larger producers only, when all of the funds available to larger producers have been distributed based on actual production.

(7) If an advanced biofuel producer transfers any production capacity for one advanced biofuel facility to another, such transferred production capacity shall be considered production for the advanced biofuel facility to which the production was transferred.

(8) A producer will only be paid for the advanced biofuels identified in the enrollment application submitted during the sign-up period and which are actually produced during the fiscal year. If the producer starts producing a new advanced biofuel or changes the type of advanced biofuel during the fiscal year, the producer will not receive any payments for those new advanced biofuels. However, during each sign-up period, a producer can identify new advanced biofuels and production levels compared to the previous year.

(9) When determining the quantity of eligible advanced biofuels, if an applicant is blending its advanced biofuel
using ineligible feedstocks (e.g., fossil gasoline or methanol, corn kernel starch), only the quantity of advanced biofuel being produced from eligible feedstocks will be used in determining the payment rates and for which payments will be made.

§ 4288.132 Payment adjustments.

The Agency will adjust the payments otherwise payable to the advanced biofuel producer if there is a difference between the amount actually produced and the amount determined by the Agency to be eligible for payment.

§ 4288.133 Payment liability.

Any payment, or portion thereof, made under this subpart shall be made without regard to questions of title under State law and without regard to any claim or lien against the advanced biofuel, or proceeds thereof, in favor of the owner or any other creditor except agencies of the U.S. Government.

§ 4288.134 Refunds and interest payments.

An eligible advanced biofuel producer who receives payments under this subpart may be required to refund such payments as specified in this section. If the Agency suspects fraudulent representation through its site visits and records inspections under §4288.105(b), it will be referred to the Office of Inspector General for appropriate action.

(a) An eligible advanced biofuel producer receiving payments under this subpart shall become ineligible if the Agency determines the advanced biofuel producer has:

(1) Made any fraudulent representation; or

(2) Misrepresented any material fact affecting a Program determination.

(b) If an Agency determination that a producer is not eligible for participation under this subpart is appealed and overturned, the Agency will make appropriate and applicable payments to the producer from Program funds, to the extent such funds are available, that remain from the fiscal year in which the original adverse Agency decision was made.

(c) All payments made to an entity determined by the Agency to be ineligible shall be refunded to the Agency with interest and other such sums as may become due, including, but not limited to, any interest, penalties, and administrative costs as determined appropriate under 31 CFR 901.9.

(d) When a refund is due, it shall be paid promptly. If a refund is not made promptly, the Agency may use all remedies available to it, including Treasury offset under the Debt Collection Improvement Act of 1996, financial judgment against the producer, and referral to the Department of Justice.

(e) Late payment interest shall be assessed on each refund in accordance with the provisions and rates as established by the United States Treasury.

(f) Any advanced biofuel producer or person engaged in an act prohibited by this section and any advanced biofuel producer or person receiving payment under this subpart shall be jointly and severally liable for any refund due under this subpart and for related charges.

§ 4288.135 Unauthorized payments and offsets.

When unauthorized assistance has been made to an advanced biofuel producer under this Program, the Agency reserves the right to collect from the recipient the sum that is determined to be unauthorized. If the recipient fails to pay the Agency the unauthorized assistance plus other sums due under this section, the Agency reserves the right to offset that amount against Program payments.

(a) Unauthorized assistance. The Agency will seek to collect from recipients all unauthorized assistance made under this Program using the procedures specified in paragraphs (a)(1) through (a)(4) of this section.
§ 4288.135

(1) Notification to the producer. Upon determination that unauthorized assistance has been made to an advanced biofuel producer under this Program, the Agency will send a demand letter to the producer. Unless the Agency modifies the original demand, it will remain in full force and effect. The demand letter will:

(i) Specify the amount of unauthorized assistance, including any accrued interest to be repaid, and the standards for imposing accrued interest;

(ii) State the amount of penalties and administrative costs to be paid, the standards for imposing them and the date on which they will begin to accrue;

(iii) Provide detailed reason(s) why the assistance was determined to be unauthorized;

(iv) State the amount is immediately due and payable to the Agency;

(v) Describe the rights the producer has for seeking review or appeal of the Agency’s determination pursuant to 7 CFR part 11;

(vi) Describe the Agency’s available remedies regarding enforced collection, including referral of debt delinquent after due process for Federal salary, benefit and tax offset under the Department of Treasury Offset Program; and

(vii) Provide an opportunity for the producer to meet with the Agency and to provide to the Agency facts, figures, written records, or other information that might refute the Agency’s findings.

(A) If the producer meets with the Agency, the producer will be given an opportunity to provide information to refute the Agency’s findings.

(B) When requested by the producer, the Agency may grant additional time for the producer to assemble documentation. Such extension of time for payment will be valid only if the Agency documents the extension in writing and specifies the period in days during which period the payment obligation created by the demand letter (but not the ongoing accrual of interest) will be suspended. Interest and other charges will continue to accrue pursuant to the initial demand letter during any extension period unless the terms of the demand letter are modified in writing by the Agency.

(2) Payment in full. If the producer agrees with the Agency’s determination or will pay the amount in question, the Agency may allow a reasonable period of time (usually not to exceed 90 days) for the producer to arrange for repayment. The amount due will be the unauthorized payments made plus interest accrued beginning on the date of the demand letter at the interest rate stipulated until the date paid unless otherwise agreed, in writing, by the Agency.

(3) Promissory note. If the producer agrees with the Agency’s determination or is willing to pay the amount in question, but cannot repay the unauthorized assistance within a reasonable period of time, the Agency will convert the unauthorized assistance amount to a loan provided all of the conditions specified in paragraphs (a)(3)(i) through (a)(3)(iii) of this section are met. Loans established under this paragraph will be at the Treasury interest rate in effect on the date the financial assistance was provided and that is consistent with the term length of the promissory note. In all cases, the receivable will be amortized per a repayment schedule satisfactory to the Agency that has the producer pay the unauthorized assistance as quickly as possible, but in no event will the amortization period exceed fifteen (15) years. The producer will be required to execute a debt instrument to evidence this receivable, and the best security position practicable in a manner that will adequately protect the Agency’s interest during the repayment period will be taken as security.

(i) The producer did not provide false information;

(ii) It would be highly inequitable to require prompt repayment of the unauthorized assistance; and

(iii) Failure to collect the unauthorized assistance immediately will not adversely affect the Agency’s interests.

(4) Appeals. Appeals resulting from the demand letter prescribed in paragraph (a)(1) of this section will be handled according to the provisions of § 4288.103. All appeal provisions will be concluded before proceeding with further actions.
(b) **Offsets.** Failure to make payment as determined under paragraph (a) of this section will be treated by the Agency as a debt that can be collected by an Administrative offset, unless written agreements to repay such debt as an alternative to administrative offset is agreed to between the Agency and the producer.

(1) Any debtor who wishes to reach a written agreement to repay the debt as an alternative to administrative offset must submit a written proposal for repayment of the debt, which must be received by the Agency within 20 calendar days of the date the notice was delivered to the debtor. In response, the Agency will notify the debtor in writing whether the proposed agreement is acceptable. In exercising its discretion, the Agency will balance the Government’s interest in collecting the debt against fairness to the debtor.

(2) When the Agency receives a debtor’s proposal for a repayment agreement, the offset is stayed until the debtor is notified as to whether the initial agreement is acceptable. If a Government payment will be made before the end of the fiscal year and the review is not yet completed, payment will be deferred pending resolution of the review.

§ 4288.136 Remedies.

In addition to the steps available under the provisions of §§ 4288.134 and 4288.135, if the Agency has determined that a producer has misrepresented the information or defrauded the Government, the Agency will take one of the following steps in accordance to 7 CFR part 3017, Government-wide Debarment and Suspension:

(a) Suspend payments on the Contract until the violation has been reconciled;

(b) Terminate the Contract; or

(c) Debarment to participate in any Federal Government program.

§ 4288.137 Succession and loss of control of advanced biofuel facilities and production.

(a) **Contract succession.** An entity who becomes the eligible advanced biofuel producer for an advanced biofuel facility that is under contract under this subpart must request permission from the Agency to succeed to the Program contract and the Agency may grant such request if it is determined that the entity is an eligible producer and permitting such succession would serve the purposes of the Program. If appropriate, the Agency may require the consent of the previous eligible advanced biofuel producer to such succession.

(b) **Loss of control.** Payments will be made only for eligible advanced biofuels produced at an advanced biofuel facility owned or controlled by an eligible advanced biofuel producer with a valid contract. If payments are made to an advanced biofuel producer for production at an advanced biofuel facility no longer owned or controlled by said producer or to an otherwise ineligible advanced biofuel producer, the Agency will demand full refund of all such payments.

§§ 4288.138–4288.189 [Reserved]

FISCAL YEAR 2010 APPLICATIONS

§ 4288.190 Fiscal Year 2010 applications.

(a) **General.** This section provides the requirements associated with applying for funds under this subpart for Fiscal Year 2010.

(b) **Applicability.** The provisions specified in §§ 4288.101 through 4288.137 are applicable to applicants, applications, and awards made for Fiscal Year 2010, except as follows:

(1) Applications for participation in this program must be received by May 6, 2011. Applications received after this date will not be considered by the Agency for Fiscal Year 2010 funding.

(2) Payment applications for Fiscal Year 2010 funding are due by 4:30 p.m. local time May 12, 2011. Any application received after this date and time is ineligible for payment.

(3) Payment applications for Fiscal Year 2010 funding must contain actual production for October 1, 2009 through September 30, 2010.

(4) If an applicant has submitted an application for participation or payment in this program for Fiscal Year 2010 funding prior to March 14, 2011, the
applicant must submit new applications in accordance with this subpart for Fiscal Year 2010 funding.

4290.1940 Integration of this part with other regulations applicable to USDA’s programs.
Areas. To this end, the Secretary will select and license RBIC Applicants that will agree to address the unmet Equity Capital needs of Smaller Enterprises primarily located in Rural Areas.

§ 4290.15 Leveraged and Non-leveraged Rural Business Investment Companies.

The regulations in this part apply to rural business investment companies (RBICs) that seek leverage and to RBICs that do not seek leverage. The provisions of subparts A through N of this part apply to Leveraged RBICs and, except as indicated or as otherwise modified by subpart O of this part, to Non-leveraged RBICs. The provisions in subpart O of this part apply to Non-leveraged RBICs and, in addition, modify certain provisions in subparts A through N of this part as they apply to Non-leveraged RBICs.

[76 FR 80221, Dec. 23, 2011]

§ 4290.20 Legal basis and applicability of this part 4290.

The regulations in this part implement Subtitle H of the Consolidated Farm and Rural Development Act, as amended (7 U.S.C. 2009cc et seq.) ("Act"). All RBICs must comply with all applicable regulations, accounting guidelines and valuation guidelines for RBICs.

§ 4290.30 Amendments to Act and regulations.

A RBIC is subject to all existing and future provisions of the Act and part 4290 of title 7 of the Code of Federal Regulations.

§ 4290.40 How to read this part 4290.

(a) Center Headings. Center headings are descriptive and are used for convenience only. They have no regulatory effect.

(b) Capitalizing defined terms. Terms defined in § 4290.50 have initial capitalization in this part 4290.

(c) “You.” The pronoun “you” as used in this part 4290 means a RBIC unless otherwise noted.

(d) Forms. All references in this part to forms, and instructions for their preparation, are to the current issue of such forms.

§ 4290.45 Responsibility for implementing this part 4290.

The Secretary has delegated to the U.S. Small Business Administration (SBA), pursuant to an agreement under the Economy Act (31 U.S.C. 1535), the authority to implement the RBIC program, including implementing and enforcing the regulations in this part 4290. Therefore, unless specifically stated otherwise, SBA will exercise on behalf of the Secretary all responsibilities and authorities assigned to the Secretary in this part 4290.

Subpart B—Definition of Terms Used in Part 4290

§ 4290.50 Definition of terms.

Act means Subtitle H of the Consolidated Farm and Rural Development Act, as amended (7 U.S.C. 2009cc et seq.).

Administrator means the Administrator of SBA.

Affiliate or Affiliates has the meaning set forth in title 13 CFR 121.103.

Applicant means any entity submitting an application to be licensed as a RBIC.

Articles mean articles of incorporation or charter and bylaws for a Corporate RBIC, the certificate and limited partnership agreement for a Partnership RBIC, and the operating agreement or other organizational documents for an LLC RBIC.

Assistance or Assisted means Financing of or management services rendered to a Portfolio Concern by or through a RBIC pursuant to the Act and this part.

Associate of a RBIC means any of the following:

(i) An officer, director, employee or agent of a Corporate RBIC;

(ii) A Control Person, employee or agent of a Partnership RBIC;

(iii) A managing member of an LLC RBIC;

(iv) An Investment Adviser/Manager of any RBIC, including any Person who contracts with a Control Person of a RBIC to be the Investment Adviser/Manager of such RBIC; or

(v) Any Person regularly serving a RBIC on retainer in the capacity of attorney at law.
(2) Any Person who owns or controls, or who has entered into an agreement to own or control, directly or indirectly, at least 10 percent of any class of stock of a Corporate RBIC or 10 percent of the membership interests of an LLC RBIC, or a limited partner’s interest of at least 10 percent of the partnership capital of a Partnership RBIC. However, neither a limited partner in a Partnership RBIC nor a non-managing member in an LLC RBIC is considered an Associate if such Person is an Entity Institutional Investor whose investment in the Partnership, including commitments, represents no more than 33 percent of the capital of the RBIC and no more than five percent of such Person’s net worth.

(3) Any officer, director, partner (other than a limited partner), manager, agent, or employee of any Associate described in paragraph (1) or (2) of this definition.

(4) Any Person that directly or indirectly Controls, or is Controlled by, or is under Common Control with, a RBIC.

(5) Any Person that directly or indirectly Controls, or is Controlled by, or is under Common Control with, any Person described in paragraphs (1) and (2) of this definition.

(6) Any Close Relative of any Person described in paragraphs (1), (2), (4), and (5) of this definition.

(7) Any Secondary Relative of any Person described in paragraphs (1), (2), (4), and (5) of this definition.

(8) Any concern in which—

(i) Any person described in paragraphs (1) through (6) of this definition is an officer; general partner, or managing member; or

(ii) Any such Person(s) singly or collectively Control or own, directly or indirectly, an equity interest of at least 10 percent (excluding interests that such Person(s) own indirectly through ownership interests in the RBIC).

(9) Any concern in which any Person(s) described in paragraph (7) of this definition singly or collectively own (including beneficial ownership) a majority equity interest, or otherwise have Control. As used in this paragraph (9), “collectively” means together with any Person(s) described in paragraphs (1) through (7) of this definition.

(10) For the purposes of this definition, any Associate relationship described in paragraphs (1) through (7) of this definition that exists at any time within six months before or after the date that a RBIC provides Financing, will be considered to exist on the date of the Financing.

Capital Impairment has the meaning set forth in §4290.1830(b).

Central Registration Agent or CRA means one or more agents appointed for the purpose of issuing Trust Certificates (TCs) and performing the functions enumerated in §4290.1620 and performing similar functions for Debentures funded outside the pooling process.

Close Relative of an individual means:

(1) A current or former spouse;

(2) A father, mother, guardian, brother, sister, son, daughter; or

Commitment means a written agreement between a RBIC and an Enterprise that obligates the RBIC to provide Financing (except a guarantee) to that Enterprise in a fixed or determinable sum, by a fixed or determinable future date. In this context the term “agreement” means that there has been agreement on the principal economic terms of the Financing. The agreement may include reasonable conditions precedent to the RBIC’s obligation to fund the Commitment, but these conditions must be outside the RBIC’s control.

Common Control means a condition such that two or more Persons, either through ownership, management, contract, or otherwise, are under the Control of one group or Person. Two or more RBICs are presumed to be under Common Control if they are Affiliates of each other by reason of common ownership or common officers, directors, or general partners; or if they are managed or their investments are significantly directed either by a common independent Investment Advisor/Manager or managerial contractor, or by two or more such advisors or contractors that are Affiliates of each other. This presumption may be rebutted by evidence satisfactory to the Secretary.
Community Development Finance means debt securities or equity-type investments in Rural Areas.

Conflict of interest means a situation in which a person or entity has competing personal, professional, or financial interests that make it difficult for the person or business to act impartially. Regarding use of both grant and matching funds, Federal procurement standards prohibit transactions that involve a real or apparent conflict of interest for owners, employees, officers, agents, their immediate family members, partners or an organization which is about to employ any of the parties indicated herein, having a financial or other interest in or a tangible personal benefit from the outcome of the project; or that restrict open and free competition for unstrained trade. Specifically, project funds may not be used for services or goods going to, or coming from, a person or entity with a real or apparent conflict of interest, including, but not limited to, owner(s) and their immediate family members.

Control means the possession, direct or indirect, of the power to direct or cause, or the power to stop or hinder (also referred to as “negative Control”), the direction of the management and policies of a RBIC or other concern, whether through the ownership of voting securities, by contract, or otherwise.

Control Person means any Person that controls a RBIC, either directly or through an intervening entity. A Control Person includes:

1. A general partner of a Partnership RBIC;
2. Any Person serving as a general partner (in the case of a partnership), an officer or director (in the case of a corporation), or a manager (in the case of a limited liability company) of any entity that controls a RBIC, either directly or through an intervening entity;
3. Any Person that—
   1. Controls or owns, directly or through an intervening entity, at least 10 percent of a Partnership RBIC, a LLC RBIC, or any entity described in paragraphs (1) or (2) of this definition; and (ii) Participates in the investment decisions of a general partner of such Partnership RBIC or of a managing member of such LLC RBIC;
4. Any Person that controls or owns, directly or through an intervening entity, at least 50 percent of a RBIC or any entity described in paragraphs (1) or (2) of this definition.

Corporate RBIC has the meaning set forth in the definition of RBIC in this section.

Debenture means a debt obligation issued by RBICs pursuant to section 384E of the Act and held or guaranteed by the Secretary. A Debenture may be prepaid at any time without penalty.

Debt Securities means instruments evidencing a loan with an option or any other right to acquire Equity Securities in an Enterprise or its Affiliates, or a loan which by its terms is convertible into an equity position. Consideration must be paid for all options acquired.

Developmental Venture Capital means Equity Capital invested in Rural Business Concerns, with an objective of fostering economic development in Rural Areas.

Distribution means any transfer of cash or non-cash assets to the Secretary, the Secretary’s agent or Trustee, or to partners in a Partnership RBIC, or to shareholders in a Corporate RBIC, or to members in an LLC RBIC. Capitalization of Retained Earnings Available for Distribution constitutes a Distribution to the RBIC’s partners, shareholders, or members.

Enterprise means a Person engaged in a business or commercial activity which charges for the goods and services it provides, whether such Person is operating for profit or is subject to any legal restrictions on the distribution of profits to its owners, members, or suppliers of its equity or quasi-equity capital. An Enterprise includes:

1. A public, private, or cooperative for-profit or non-profit organization;
2. A for-profit or nonprofit business controlled by an Indian tribe on a Federal or State reservation or other federally recognized Indian tribal group; or
3. Any other Person.

Original Issue Price means the price paid by the purchaser for securities at the time of issuance.

Participation Agreement means an agreement between the Secretary and
an Applicant licensed as a RBIC pursuant to § 4290.390 of this part, that details the RBIC’s operating plan and investment criteria and requires the RBIC to operate pursuant to the Act and this part.

**Partnership RBIC** has the meaning set forth in the definition of RBIC in this section.

**Person** means a natural person or legal entity.

**Pool** means an aggregation of guaranteed Debentures approved by the Secretary.

**Portfolio** means the securities representing a RBIC’s total outstanding Financings of Enterprises. It does not include idle funds or assets acquired in liquidation of Portfolio securities.

**Portfolio Concern** means any Enterprise Assisted by a RBIC.

**Principal Office** means the location where the greatest number of the Enterprise’s employees at any one location perform their work. However, for those Enterprises whose “primary industry” (see 13 CFR 121.107) is service or construction (see 13 CFR 121.201), the determination of principal office excludes the Enterprise’s employees who perform the majority of their work at job-site locations to fulfill specific contract obligations.

**Private Capital** has the meaning set forth in § 4290.230.

**Publicly Traded and Marketable** means securities that are salable without restriction or that are salable within 12 months pursuant to Rule 144 (17 CFR 230.144) of the Securities Act of 1933, as amended, by the holder thereof, and are of a class which is traded on a regulated stock exchange, or is listed in NASDAQ, or has, at a minimum, at least two market makers as defined in the relevant sections of the Securities Exchange Act of 1934, as amended (15 U.S.C. 77b et seq.), and in all cases the quantity of which can be sold over a reasonable period of time without having an adverse impact upon the price of the stock.

**Qualified Non-private Funds** means:

1. Funds directly or indirectly invested in any RBIC or Applicant on or after May 13, 2002 by any Federal agency other than USDA under a provision of law explicitly mandating the inclusion of those funds in the definition of “Private Capital;” and

2. The aggregate amount of funds invested in any Applicant or RBIC by one or more States, or any political subdivisions, agencies or instrumentalities thereof, including any guarantee extended by such entities.

**Regulatory Capital** means Private Capital, excluding non-cash assets contributed to a RBIC or an Applicant unless such assets have been converted to cash or have been approved by the Secretary for inclusion in Regulatory Capital. For purposes of this definition, sales of contributed non-cash assets with recourse or borrowings against such assets shall not constitute a conversion to cash.

**Relevant Venture Capital Finance** means Equity Capital in Rural Business Concerns or benefiting Rural Areas.

**Retained Earnings Available for Distribution** means Undistributed Net Realized Earnings less any Unrealized Depreciation on Loans and Investments (as reported on SBA Form 468 or other USDA-approved form(s)), and represents the amount that a RBIC may distribute to investors as a profit Distribution, or transfer to Private Capital.

**Rural Area** means any area of a State not in a city or town that has a population of more than 50,000 inhabitants, according to the most recent decennial Census of the United States (decennial Census), or in the urbanized area contiguous and adjacent to a city or town that has a population of more than 50,000 inhabitants, and any area that has been determined to be “rural in character” by the Under Secretary for Rural Development, or as otherwise identified in this definition.

1. An area that is attached to the urbanized area of a city or town with more than 50,000 inhabitants by a contiguous area of urbanized census blocks that is not more than 2 census blocks wide. Applicants from such an area should work with their Rural Development State Office to request a determination of whether their project is located in a rural area under this provision.

2. For the purposes of this definition, cities and towns are incorporated...
population centers with definite boundaries, local self-government, and legal powers set forth in a charter granted by the State.

(3) For the Commonwealth of Puerto Rico, the island is considered rural and eligible for Business Programs assistance, except for the San Juan Census Designated Place (CDP) and any other CDP with greater than 50,000 inhabitants. CDPs with greater than 50,000 inhabitants, other than the San Juan CDP, may be determined to be eligible if they are “not urban in character.”

(4) For the State of Hawaii, all areas within the State are considered rural and eligible for Business Programs assistance, except for the Honolulu CDP within the County of Honolulu.

(5) For the purpose of defining a rural area in the Republic of Palau, the Federated States of Micronesia, and the Republic of the Marshall Islands, the USDA shall determine what constitutes rural and rural area based on available population data.

(6) The determination that an area is “rural in character” will be made by the Under Secretary of Rural Development. The process to request a determination under this provision is outlined in paragraph (6)(ii) of this definition.

(i) The determination that an area is “rural in character” under this definition will apply to areas that are within:

(A) An urbanized area that has two points on its boundary that are at least 40 miles apart, which is not contiguous or adjacent to a city or town that has a population of greater than 150,000 inhabitants or the urbanized area of such a city or town; or

(B) An urbanized area contiguous and adjacent to a city or town of greater than 50,000 inhabitants that is within one-quarter mile of a rural area.

(ii) Units of local government may petition the Under Secretary of Rural Development for a “rural in character” designation by submitting a petition to both the appropriate Rural Development State Director and the Rural Business-Cooperative Service Administrator of USDA on behalf of the Under Secretary. The petition shall document how the area meets the requirements of paragraph (6)(i)(A) or (B) of this definition and discuss why the petitioner believes the area is “rural in character,” including, but not limited to, the area’s population density, demographics, and topography and how the local economy is tied to a rural economic base. Upon receiving a petition, the Under Secretary will consult with the applicable Governor or leader in a similar position and request comments to be submitted within 5 business days, unless such comments were submitted with the petition. The Under Secretary will release to the public a notice of a petition filed by a unit of local government not later than 30 days after receipt of the petition by way of publication in a local newspaper and posting on the Agency’s Web site, and the Under Secretary will make a determination not less than 15 days, but no more than 60 days, after the release of the notice. Upon a negative determination, the Under Secretary will provide to the petitioner an opportunity to appeal a determination to the Under Secretary, and the petitioner will have 10 business days to appeal the determination and provide further information for consideration.

Subpart C—Qualifications for the RBIC Program

ORGANIZING A RBIC

§ 4290.100 Business form.

(a) Newly-formed for-profit. An Applicant for a RBIC license must be a newly formed for-profit entity or, subject to §4290.150, a newly formed for-profit subsidiary of an existing entity. It must be organized under the law of a State. An Applicant may be organized as a corporation ("Corporate RBIC"), a limited partnership ("Partnership RBIC"), or a limited liability company ("LLC RBIC").

(b) Purpose. An Applicant must be organized solely for the purpose of performing the functions and conducting the activities contemplated under the Act: making Developmental Venture Capital investments and providing Operational Assistance to eligible Smaller Enterprises.

(c) Articles. The RBIC’s Articles—

(1) Must specify in general terms:

(i) The purposes for which the RBIC is formed;

(ii) The name of the RBIC;

(iii) The Rural Area or Areas in which it will operate;

(iv) The place where the RBIC’s headquarters will be located; and

(v) The amount and classes of the RBIC’s ownership interests.

(2) May contain any other provisions consistent with the Act that the RBIC may determine is appropriate to adopt to regulate its business and the conduct of its affairs.

(3) Are subject to the Secretary’s approval.

(d) Duration—(1) Partnership RBICs. If you are a Partnership RBIC:

(i) You must have a minimum duration of 10 years, or two years following
§ 4290.110 Qualified management.

An Applicant must show, to the satisfaction of the Secretary, that its current or proposed management team is qualified and has the knowledge, experience, and capability in Community Development Finance or Relevant Venture Capital Finance, necessary for investing in the types of Enterprises contemplated by the Act, regulations in this part, and its business plan. In determining whether an Applicant’s current or proposed management team has sufficient qualifications, the Secretary will consider information provided by the Applicant and third parties concerning the background, capability, education, training and reputation (and any other managerial aspect identified by the USDA in a Federal Register notice) of its general partners, managers, officers, key personnel, and investment committee and governing board members. The Applicant must designate at least one individual as the official responsible for contact with the Secretary.

(76 FR 80222, Dec. 23, 2011)

§ 4290.120 Plan to invest in Rural Areas.

An Applicant must agree that if licensed as a RBIC, it will make Developmental Venture Capital investments in Enterprises that will create wealth and job opportunities in Rural Areas and among individuals living in those areas.

§ 4290.130 Identified Rural Areas.

A RBIC must identify the specific Rural Area or Areas in which it intends to make Developmental Venture Capital investments and provide Operational Assistance under the RBIC program. The scope of the identified areas must be consistent with Applicant’s business plan, especially as the plan relates to the Applicant’s ability to operate actively, soundly, and profitably in such areas.

§ 4290.140 Approval of initial Management Expenses.

A RBIC must have its Management Expenses approved by the Secretary at the time it is licensed. (See § 4290.520 for the definition of Management Expenses.)

§ 4290.150 Management and ownership diversity requirement.

(a) Diversity requirement. You must have diversity between management and ownership in order to be licensed as a RBIC and to maintain your license. To establish diversity, you must meet the requirements in paragraphs (b) and (c) of this section.

(b) Percentage ownership requirement. No Person or group of Persons who are Affiliates of one another may own or control, directly or indirectly, more than 70 percent of your Regulatory Capital or your Leverageable Capital.

(c) Non-affiliation requirement. At least 30 percent of your Regulatory
Capital and Leverageable Capital must be owned and controlled by Persons unaffiliated with your management and unaffiliated with each other, and whose investments are significant in dollar and percentage terms as determined by the Secretary. Such Persons must not be your Associates (except for their status as your shareholders, limited partners or members) and must not Control, be Controlled by, or be under Common Control with any of your Associates. A single “acceptable” Institutional Investor may be substituted for two or three of the three investors who are otherwise required. The following Institutional Investors are “acceptable” for this purpose:

1. Entities whose overall activities are regulated and periodically examined by State, Federal or other governmental authorities satisfactory to the Secretary;
2. Entities listed on the New York Stock Exchange;
3. Entities that are publicly-traded and that meet both the minimum numerical listing standards and the corporate governance listing standards of the New York Stock Exchange;
4. Public or private employee pension funds;
5. Trusts, foundations, or endowments, but only if exempt from Federal income taxation; and
6. Other Institutional Investors satisfactory to the Secretary.

(d) Voting requirement. The investors relied upon to satisfy the diversity requirement may not delegate their voting rights to any Person who is your Associate, or who Controls, is Controlled by, or is under Common Control with any of your Associates, without prior approval by the Secretary.

(e) Requirement to maintain diversity. You must maintain management-ownership diversity while you are a RBIC. If, at any time, you no longer have the required management-ownership diversity, you must:

1. Notify the Secretary within 10 days; and
2. Re-establish diversity within six months after loss of diversity.

§ 4290.160 Special rules for Partnership RBICs and LLC RBICs.

(a) Entity General Partner or Entity Managing Member. (1) A general partner of a Partnership RBIC which is a corporation, limited liability company or partnership (an “Entity General Partner”), or a managing member of an LLC RBIC which is a corporation, limited liability company, or partnership (an “Entity Managing Member”) shall be organized under State law solely for the purpose of serving as the general partner or managing member of one or more RBICs, and shall be organized for profit.

(2) The Secretary must approve any person who will serve as an officer, director, manager, or general partner of the Entity General Partner or Entity Managing Member and of an entity that Controls the Entity General Partner or Entity Managing Member. This provision must be stated in an Entity General Partner’s or Entity Managing Member’s articles of incorporation or charter and bylaws if a corporation, operating agreement if a limited liability company, or partnership agreement if a partnership.

(3) An Entity General Partner or Entity Managing Member is subject to the same examination and reporting requirements as a RBIC under sections 384K and 384L of the Act. The restrictions and obligations imposed upon a RBIC by §§4290.1810, 4290.30, 4290.410 through 4290.450, 4290.470, 4290.500, 4290.510, 4290.585, 4290.600, 4290.680, 4290.690 through 4290.692, and 4290.1910 apply also to an Entity General Partner or Entity Managing Member of a RBIC.

(4) The general partner(s) of your Entity General Partner(s) or Entity Managing Member(s) will be considered your general partner.

(5) If your Entity General Partner or Entity Managing Member is a limited partnership, its limited partners may be considered your Control Person(s) if they meet the definition for Control Person in §4290.50.

(b) Liability of general partner of Partnership RBIC. Subject to section 384O(b) of the Act, your general partner(s) is not liable solely by reason of its status as a general partner for repayment of any Leverage or debts you
owe to the Secretary unless the Secretary, in the exercise of reasonable investment prudence, and with regard to your financial soundness, determines otherwise prior to the purchase or guaranty of your Leverage. The conditions specified in §4290.1610 and §4290.1910 apply to all general partners.

(c) Special Leverage requirement for Partnership RBICs and LLC RBICs. Before your first issuance of Leverage, you must furnish the Secretary with evidence that you qualify as a partnership for tax purposes, either by a ruling from the Internal Revenue Service or by an opinion of counsel.

§4290.165 Obligations of Control Persons.

All Control Persons are bound by the provisions of sections 384O and 384P of the Act and by the conflict-of-interest rules under §4290.730. The term RBIC, as used in §§4290.30, 4290.460, and 4290.680, includes all of the RBIC’s Control Persons.

CAPITALIZING A RBIC

§4290.200 Adequate capital for RBICs.

You must meet the requirements of §§4290.210 through 4290.230 in order to qualify as a RBIC.

[76 FR 80222, Dec. 23, 2011]

§4290.210 Minimum capital requirements for RBICs.

(a) General Rule. Unless otherwise specified in a FEDERAL REGISTER notice, you must have Regulatory Capital of at least $10,000,000, or such lesser amount (but not less than $5,000,000) and Leverageable Capital of at least $500,000, to become a RBIC.

(b) Exception. (1) The Secretary in his or her sole discretion and based on a showing of special circumstances and good cause may license an Applicant with Regulatory Capital of at least $2,500,000, but only if the Applicant:

(i) Has satisfied all eligibility criteria for licensing as a RBIC as described in §4290.390(a) of this part, except the capital requirement specified in paragraph (a)(1) of that section, as determined solely by the Secretary;

(ii) Has a viable business plan reasonably projecting profitable operations; and

(iii) Has a reasonable timetable for achieving Regulatory Capital of at least $10,000,000.

(2) A RBIC licensed under this exception is not eligible to receive Leverage until it has complied with paragraph (a) of this section.

(c) Time frame. Each RBIC shall have a period of 2 years to meet the capital requirements set forth in this section.

§4290.230 Private Capital for RBICs.

(a) General. Private Capital means the contributed capital of a RBIC, plus unfunded binding commitments by Institutional Investors (including commitments evidenced by a promissory note) to contribute capital to a RBIC.

(b) Contributed capital. For purposes of this section, contributed capital means the paid-in capital and paid-in surplus of a Corporate RBIC, the members’ contributed capital of a LLC RBIC, or the partners’ contributed capital of a Partnership RBIC, in each case subject to the limitations in paragraph (c) of this section.

(c) Exclusions from Private Capital. Private Capital does not include:

(1) Funds borrowed by an Applicant or a RBIC from any source.

(2) Funds obtained through the issuance of Leverage.

(3) Funds obtained directly or indirectly from the Federal government or any State (including by a political subdivision, agency or instrumentality of the Federal government or a State), except that the following categories of such funds are not excluded from Private Capital—

(i) Funds obtained directly or indirectly from the business revenues (excluding any governmental appropriation) of any federally-chartered or government-sponsored enterprise established prior to May 13, 2002;

(ii) Funds invested by an employee welfare benefit plan or pension plan; and

(iii) Qualified Non-private Funds in an amount not to exceed 33 percent of the total Private Capital of any Applicant or RBIC, provided, however, that in no event may any investor or investors of Qualified Non-private Funds have
the power to Control, directly or indirectly, the management, board of directors, general partners, or members of the RBIC.

(4) Any portion of an unfunded commitment from an Institutional Investor with a net worth of less than $10 million that exceeds 10 percent of such Institutional Investor’s net worth.

(5) An unfunded commitment from an investor if the Secretary determines that the collectibility of the commitment is questionable.

(d) Non-cash capital contributions. Capital contributions in a form other than cash are subject to the limitations in §4290.240 of this part.

(e) Contributions with borrowed funds. You may not accept any capital contribution made with funds borrowed by a Person seeking to own an equity interest (whether direct or indirect, beneficial or of record) of at least 10 percent of your Private Capital. This exclusion does not apply if:

(1) Such Person’s net worth is at least twice the amount borrowed; or

(2) The Secretary gives his or her prior written approval of the capital contribution.

§4290.240 Limitations on non-cash capital contributions in Private Capital.

Non-cash capital contributions to a RBIC or Applicant are included in Private Capital only if they are approved by the Secretary and they fall into one of the following categories:

(a) Direct obligations of, or obligations guaranteed as to principal and interest by, the United States having a term of no more than one year.

(b) Services rendered or to be rendered to you, priced at no more than their fair market value.

(c) Other non-cash assets approved by the Secretary.

Subpart D—Application and Approval Process for RBIC Licensing

§4290.300 When and how to apply for a RBIC License.

(a) Notice of Funds Availability (“NOFA”). The Secretary will publish a NOFA in the FEDERAL REGISTER advising potential applicants of the availability of funds for the RBIC program and inviting the submission of applications. The NOFA may specify limitations, special rules, procedures, and restrictions for a particular funding round. When submitting its application, an Applicant must comply with both this part 4290 and any requirements specified in the NOFA, including the opening and closing dates for submission of an application.

(b) Application form. An Applicant must apply for a RBIC license using an appropriate application packet provided by the Secretary. Upon receipt of a completed application packet, the Secretary may request clarifying or technical information on the materials submitted as part of the application.

§4290.310 Contents of application.

Each Applicant must submit a complete application, including the following:

(2) Amount of Regulatory Capital. The Applicant must indicate the amount of Regulatory Capital it has raised or proposes to raise, which amount must satisfy the requirements of §4290.210(a) of this part, unless the Applicant indicates that it has raised or proposes to raise at least $2,500,000 and is applying for an exception pursuant to §4290.210(b) of this part and includes in its application—

(1) A showing of special circumstances and good cause for the exception:

(2) Will satisfy all eligibility criteria for licensing as a RBIC as set forth in
§ 4290.320 Contents of comprehensive business plan.

(a) Plan for Developmental Venture Capital investing. The Applicant must describe its plans and strategies for how it proposes to make successful Developmental Venture Capital investments in identified Rural Areas.

(b) Working with Rural Area community-based organizations. The Applicant must describe how it intends to work with community-based organizations and local entities (including local economic development companies, local lenders, and local investors) in order to facilitate its Developmental Venture Capital investments.

(c) Market analysis. The Applicant must provide an analysis of the Rural Areas in which it intends to focus its Developmental Venture Capital investments and Operational Assistance to Smaller Enterprises, demonstrating that the Applicant understands the market and the unmet Equity Capital needs in such areas and how its activities will meet these unmet needs and will have a positive economic impact on those areas. The Applicant also must analyze the extent of the demand in such areas for Developmental Venture Capital investments and any factors or trends that may affect the Applicant’s ability to make effective Developmental Venture Capital investments.

(d) Operational capacity and investment strategies. The Applicant must submit information concerning its policies and procedures for underwriting and approving its Developmental Venture Capital investments, monitoring its portfolio, and maintaining internal controls and operations.

(e) Plan to raise Regulatory Capital. The Applicant must include a detailed description of how it plans to raise its Regulatory Capital if it has not yet done so at the time of application. The Applicant must discuss its potential sources of Regulatory Capital, the estimated timing for raising such funds, and the extent of the expressions of interest to commit such funds to the Applicant.

(f) Plan for providing Operational Assistance. The Applicant must describe how it plans to use its grant funds to provide Operational Assistance to Smaller Enterprises in which it makes or expects to make Developmental Venture Capital investments. Its plan must address the types of Operational Assistance it proposes to provide, and how it plans to provide the Operational Assistance through the use of licensed professionals, when necessary, either from its own staff or from outside entities.

(g) Projected amount of investment in Rural Areas. The Applicant must describe how it proposes to meet the requirements set forth in § 4290.700. An Applicant must project the amount of its total Regulatory Capital and Leverage that it proposes to invest in Smaller Enterprises. The Applicant also must describe the amount of its total Regulatory Capital and Leverage that it proposes to invest in Urban Area Investments.

(h) Projected impact. The Applicant must describe the criteria and economic measurements to be used to evaluate whether and to what extent it has met the objectives of the RBIC program. It must include:

(1) A description of the extent to which it will concentrate its Developmental Venture Capital investments and Operational Assistance activities in identified Rural Areas;

(2) An estimate of the economic development benefits to be created within identified Rural Areas over the next
RBS and RUS, USDA

§ 4290.370 Evaluation criteria.

Of those Applicants whose management team is considered qualified for venture capital investing and who have submitted an eligible and complete application, the Secretary on behalf of USDA and the Administrator on behalf of SBA, in their sole discretion, will evaluate and select an Applicant for participation in the RBIC program by considering the following criteria—

(a) Whether the Applicant’s management team has the knowledge, experience, and capability necessary to manage a sound, economically viable RBIC and to comply with the Act;

(b) The quality of the Applicant’s comprehensive business plan in terms

(d) Ensure that the Secretary selects Applicants in such a way as to promote nationwide geographic distribution of Developmental Venture Capital investments.

§ 4290.350 Eligibility and completeness.

The Secretary will not consider any application that is not complete or that is submitted by an Applicant that does not meet the eligibility criteria described in subpart C of this part. The Secretary at his or her sole discretion, may request from an Applicant additional information concerning eligibility criteria or easily completed portions of the application in order to facilitate consideration of its application.

§ 4290.360 Initial review of Applicant's management team's qualifications.

The Secretary will review the information submitted by the Applicant concerning the qualifications of the Applicant’s management team to determine in his or her sole discretion whether the team meets the minimum requirements deemed by the Secretary to be critical to successful venture capital investing. In making this determination, the Secretary will consider, among other things, the general business reputation of the owners and managers of the Applicant. Only those Applicants considered to have a management team qualified for venture capital investing will be further considered for selection as a RBIC.

§ 4290.370 Evaluation criteria.

Of those Applicants whose management team is considered qualified for venture capital investing and who have submitted an eligible and complete application, the Secretary on behalf of USDA and the Administrator on behalf of SBA, in their sole discretion, will evaluate and select an Applicant for participation in the RBIC program by considering the following criteria—

(a) Whether the Applicant’s management team has the knowledge, experience, and capability necessary to manage a sound, economically viable RBIC and to comply with the Act;

(b) The quality of the Applicant’s comprehensive business plan in terms
§ 4290.380 Selection.

From among the Applicants that have submitted eligible and complete applications, the Secretary on behalf of USDA and the Administrator on behalf of SBA, in their sole discretion, will select some, all, or none of such Applicants to participate in the RBIC program. Selection will entitle the Applicant to proceed with obtaining a license as a RBIC but only if the Applicant also meets the conditions set forth in § 4290.390.

§ 4290.390 Licensing as a RBIC.

(a) Eligibility criteria for licensing as a RBIC. Each selected Applicant must meet the following conditions before it is eligible to be licensed as a RBIC:

(1) Raise the specific amount of Regulatory Capital that the Applicant had projected in its application that it would raise (see § 4290.210 for additional information).

(2) Raise $500,000 in Leverageable Capital as required by § 4290.210;

(3) Complete and submit to the Secretary all legal and other documentation concerning the RBIC, including but not limited to its Articles and updated financial information concerning the RBIC in order to qualify for a Leverage commitment; and

(4) Enter into a Participation Agreement with the Secretary.

(b) Licensing as a RBIC. If the selected Applicant has satisfactorily met all the conditions specified in paragraph (a) of this section, as determined within the sole discretion of the Secretary, then the Secretary on behalf of USDA and the Administrator on behalf of SBA will license the Applicant as a RBIC.

(c) Failure to meet eligibility criteria for licensing. Each selected Applicant that does not meet the eligibility criteria for licensing described in paragraph (a) of this section, within a time period specified by the Secretary, will not be licensed as a RBIC. Failure to meet any of those conditions, including but not limited to failure to raise the projected Regulatory Capital within the required time period, will cause the Applicant’s selection to lapse. The Secretary will not restore the selection of such an Applicant after the expiration of that time period. After the expiration of that time period, an Applicant that is not licensed as a RBIC must
cease to represent itself as a participant or potential participant in the RBIC program.

(d) **Effect of a RBIC license.** The Participation Agreement executed by the Secretary with each Applicant licensed as a RBIC will include the following:

1. Approval to operate as a RBIC under the Act;
2. A commitment of Leverage; and
3. An Operational Assistance grant award.

**Subpart F—Changes in Ownership, Structure, or Control**

**Changes in Control or Ownership of RBIC**

§ 4290.400 Changes in ownership of 10 percent or more of RBIC but no change of Control.

You must obtain the Secretary’s prior written approval for any proposed transfer or issuance of ownership interests that results in the ownership (beneficial or of record) by any Person, or group of Persons acting in concert, of at least 10 percent of any class of your stock, partnership capital or membership interests.

§ 4290.410 Changes in Control of RBIC (through change in ownership or otherwise).

You must obtain the Secretary’s prior written approval for any proposed transaction or event that results in Control by any Person(s) not previously approved by the Secretary.

§ 4290.420 Prohibition on exercise of ownership or Control rights in RBIC before approval.

Without the Secretary’s prior written approval, no change of ownership or Control may take effect and no officer, director, employee or other Person acting on your behalf shall:

(a) Register on your books any transfer of ownership interest to the proposed new owner(s);
(b) Permit the proposed new owner(s) to exercise voting rights with respect to such ownership interest (including directly or indirectly procuring or voting any proxy, consent or authorization as to such voting rights at any meeting of shareholders, partners or members);
(c) Permit the proposed new owner(s) to participate in any manner in the conduct of your affairs (including exercising control over your books, records, funds or other assets; participating directly or indirectly in any disposition thereof; or serving as an officer, director, partner, manager, employee or agent); or
(d) Allow ownership or Control to pass to another Person.

§ 4290.430 Notification of transactions that may change ownership or Control.

You must promptly notify the Secretary as soon as you have knowledge of transactions or events that may result in a transfer of Control or ownership of at least 10 percent of your Regulatory Capital. If the effect of a particular transaction or event is unclear, you must report all pertinent facts to the Secretary.

§ 4290.440 Standards governing prior approval for a proposed transfer of Control.

The Secretary’s approval of a proposed transfer of Control is contingent upon full disclosure of the real parties in interest, the source of funds for the new owners’ interest, and other data requested by the Secretary. As a condition of approving a proposed transfer of control, the Secretary may:

(a) Require an increase in your Regulatory Capital;
(b) Require the new owners or the transferee’s Control Person(s) to assume, in writing, personal liability for your Leverage, effective only in the event of their direct or indirect participation in any transfer of Control not approved by the Secretary; or
(c) Require compliance with any other conditions set by the Secretary, including compliance with the requirements for minimum capital and management-ownership diversity in effect at such time for new RBICs.
§ 4290.450 Notification of pledge of RBIC's shares.

(a) You must notify the Secretary in writing, within 30 calendar days, of the terms of any transaction in which:
   (1) Any Person, or group of Persons acting in concert, pledges shares of your stock (or equivalent ownership interests) as collateral for indebtedness; and
   (2) The shares pledged constitute at least 10 percent of your Regulatory Capital.

(b) If the transaction creates a change of ownership or Control, you must comply with § 4290.400 or § 4290.410, as appropriate.

§ 4290.460 Restrictions on Common Control or ownership of two or more RBICs.

Without the Secretary's prior written approval, you must not have an officer, director, manager, Control Person, or owner (with a direct or indirect ownership interest of at least 10 percent) who is also:

(a) An officer, director, manager, Control Person, or owner (with a direct or indirect ownership interest of at least 10 percent) of another RBIC; or

(b) An officer or director of any Person that directly or indirectly controls, or is controlled by, or is under Common Control with, another RBIC.

§ 4290.470 Prior approval of merger, consolidation, or reorganization of RBIC.

You may not merge, consolidate, change form of organization (corporation, limited liability company, or limited partnership) or reorganize without the Secretary's prior written approval. Any such merger, consolidation, or change of form is subject to § 4290.440.

§ 4290.480 Prior approval of changes to RBIC’s business plan.

Without the Secretary's prior written approval, no change in your business plan, upon which you were selected and licensed as a RBIC, may take effect.

Subpart G—Managing the Operations of a RBIC

GENERAL REQUIREMENTS

§ 4290.500 Lawful operations under the Act.

You must engage only in the activities permitted by the Act and in no other activities.

§ 4290.502 Representations to the public.

You may not represent or imply to anyone that the Secretary, the U.S. Government, or any of its agencies or officers has approved any ownership interests you have issued, obligations you have incurred, or Financings you have made. You must include a statement to this effect in any solicitation provided to investors. Example: You may not represent or imply that “USDA stands behind the RBIC” or that “Your capital is safe because the Secretary’s experts review proposed investments to make sure they are safe for the RBIC.”

§ 4290.503 RBIC's adoption of an approved valuation policy.

(a) Valuation guidelines. You must prepare, document and report the valuations of your Loans and Investments in accordance with the Valuation Guidelines for SBICs issued by SBA. These guidelines may be obtained from SBA's Investment Division or at http://www.sba.gov/sites/default/files/files/invvaluation.pdf.

(b) The Secretary’s approval of valuation policy. You must have a written valuation policy approved by the Secretary for use in determining the value of your Loans and Investments. You must either:
   (1) Adopt without change the model valuation policy set forth in section III of the Valuation Guidelines for SBICs; or
   (2) Obtain the Secretary’s prior written approval of an alternative valuation policy.

(c) Responsibility for valuations. Your board of directors, managing member(s), or general partner(s) will be solely responsible for adopting your
valuation policy and for using it to prepare valuations of your Loans and Investments for submission to the Secretary. If the Secretary reasonably believes that your valuations, individually or in the aggregate, are materially misstated, he or she reserves the right to require you to engage, at your expense, an independent third party acceptable to the Secretary to substantiate the valuations.

(d) Frequency of valuations. (1) You must value your Loans and Investments at the end of the second quarter of your fiscal year, and again at the end of your fiscal year.

(2) On a case-by-case basis, the Secretary may require you to perform valuations more frequently.

(3) You must report material adverse changes in valuations at least quarterly, within 30 days following the close of the quarter.

(e) Review of valuations by independent public accountant. (1) For valuations performed as of the end of your fiscal year, your independent public accountant must review your valuation procedures and the implementation of such procedures, including adequacy of documentation.

(2) The independent public accountant’s report on your audited annual financial statements (SBA Form 468 or other USDA-approved form(s)) must include a statement that your valuations were prepared in accordance with your approved valuation policy.

§ 4290.504 Equipment of USDA or SBA officials.

(a) Computer capability. You must have a personal computer with access to the Internet and be able to use this equipment to prepare reports and transmit such reports to the Secretary. In addition, you must have the capability to send and receive electronic mail.

(b) Facsimile capability. You must be able to receive facsimile messages 24 hours per day at your primary office.

(c) Accessible office. You must maintain an office that is convenient to the public and is open for business during normal working hours.

§ 4290.506 Safeguarding the RBIC’s assets/Internal controls.

You must adopt a plan to safeguard your assets and monitor the reliability of your financial data, personnel, Portfolio, funds and equipment. You must provide your bank and custodian with a certified copy of your resolution or other formal document describing your control procedures.

§ 4290.507 Violations based on false filings and nonperformance of agreements with the Secretary or SBA.

The following shall constitute a violation of this part:

(a) Nonperformance. Failure to perform any of the requirements of any Debenture or of any written agreement with the Secretary or SBA.

(b) False statement. In any document submitted to the Secretary or SBA:

(1) Any false statement knowingly made; or

(2) Any misrepresentation of a material fact; or

(3) Any failure to state a material fact.

(4) A material fact is any fact that is necessary to make a statement not misleading in light of the circumstances under which the statement was made.

§ 4290.508 Compliance with non-discrimination laws and regulations applicable to federally-assisted programs.

In conducting your operations and providing Assistance to your Portfolio Concerns, you must comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-1 et seq.), the Age Discrimination Act of 1975 (Pub. L. 94–135, Title III), and Title V of the Equal Credit Opportunity Act (15 U.S.C. 1691 et seq.) and the following regulations promulgated by USDA to implement and enforce such laws: 7 CFR part 15.

§ 4290.509 Employment of USDA or SBA officials.

(a) Without the Secretary’s prior written approval, for a period of two years, you may not use the facility of any governmental agency, including and without limitation, the USDA or SBA, or any governmental facility, for the purpose of conducting your Portfolio Concern’s business if you:

(1) Are a principal or a partner in an organization; or

(2) Serve as an employee of any governmental agency, including and without limitation, the USDA or SBA, or any governmental facility.
years after the date of your most recent issuance of Leverage or after the receipt of any assistance as defined in paragraph (b) of this section, whichever is later, you are not permitted to employ, offer employment to, or retain for professional services, any person who:

(1) Served as an officer, attorney, agent, or employee of SBA or USDA within one year before such date; and

(2) In that capacity, occupied a position or engaged in activities which, in SBA’s or the Secretary’s determination, involved discretion with respect to the issuing of Leverage or the granting of such assistance.

(b) For purposes of this section, “assistance” means financial, contractual, grant, managerial, or other aid, including licensing, certifications, and other eligibility determinations made by USDA or SBA, and any express decision to compromise or defer possible litigation or other adverse action.

§ 4290.510 Approval of RBIC’s Investment Adviser/Manager.

(a) General. You may employ an Investment Adviser/Manager who will be subject to the supervision of your board of directors, managing member(s), or general partner(s). If you have Leverage or plan to seek Leverage, you must obtain the Secretary’s prior written approval of the management contract. Approval of an Investment Adviser/Manager for one RBIC does not indicate approval of that manager for any other RBIC.

(b) Management contract. The contract must:

(1) Specify the services the Investment Adviser/Manager will render to you and to your Portfolio Concerns; and

(2) Indicate the basis for computing Management Expenses.

(c) Material change to approved management contract. Any proposed material change must be approved by both you and the Secretary in advance. If you are uncertain whether the change is material, submit the proposed revision to the Secretary.

§ 4290.520 Management Expenses of a RBIC.

The Secretary must approve your initial Management Expenses and any increases in your Management Expenses.

(a) Definition of Management Expenses. Management Expenses include:

(1) Salaries;

(2) Office expenses;

(3) Travel;

(4) Business development, including finders’ fees;

(5) Office and equipment rental;

(6) Bookkeeping; and

(7) Expenses related to developing, investigating and monitoring investments.

(b) Management Expenses do not include services provided by specialized outside consultants, outside lawyers and independent public accountants, if they perform services not generally performed by a venture capital company.

§ 4290.530 Restrictions on investments of idle funds by RBICs.

(a) Permitted investments of idle funds. Funds not invested in Portfolio Concerns must be maintained in:

(1) Direct obligations of, or obligations guaranteed as to principal and interest by, the United States, which mature within 15 months from the date of the investment; or

(2) Repurchase agreements with federally insured institutions, with a maturity of seven days or less. The securities underlying the repurchase agreements must be direct obligations of, or obligations guaranteed as to principal and interest by, the United States. The securities must be maintained in a custodial account at a federally insured institution; or

(3) Certificates of deposit with a maturity of one year or less, issued by a federally insured institution; or

(4) A deposit account in a federally insured institution, subject to a withdrawal restriction of one year or less; or

(5) A checking account in a federally insured institution; or

(6) A reasonable petty cash fund.

(b) Deposit of funds in excess of the insured amount—(1) General rule. You are
RBS and RUS, USDA § 4290.585

permitted to deposit in a federally insured institution funds in excess of the institution’s insured amount, but only if the institution is “well capitalized” in accordance with the definition set forth in regulations of the Federal Deposit Insurance Corporation (12 CFR 325.103).

(2) Exception. You may make a temporary deposit (not to exceed 30 days) in excess of the insured amount, in a transfer account established to facilitate the receipt and disbursement of funds or to hold funds necessary to honor Commitments issued.

(c) Deposit of funds in Associate institution. A deposit in, or a repurchase agreement with, a federally insured institution that is your Associate is not considered a Financing of such Associate under § 4290.730, provided the terms of such deposit or repurchase agreement are no less favorable than those available to the general public.

SECURED BORROWING BY RBICS

§ 4290.550 Prior approval of secured third-party debt of RBICs.

(a) Definition. For the purposes of this section, “secured third-party debt” means any debt that is secured by any of your assets and not guaranteed by the Secretary, including secured guarantees and other contingent obligations that you voluntarily assume and secured lines of credit.

(b) General rule. You must get the Secretary’s written approval before you incur any secured third-party debt or refinance any debt with secured third-party debt, including any renewal of a secured line of credit, increase in the maximum amount available under a secured line of credit, or expansion of the scope of a security interest or lien. For purposes of this paragraph (b), “expansion of the scope of a security interest or lien” does not include the substitution of one asset or group of assets for another, provided the asset values (as reported on your most recent annual SBA Form 468 or other USDA-approved form(s)) are comparable.

(c) Conditions for approval. As a condition of granting its approval under this section, the Secretary may impose such restrictions or limitations as he or she deems appropriate, taking into account your historical performance, current financial position, proposed terms of the secured debt and amount of aggregate debt you will have outstanding (including Leverage). The Secretary will not favorably consider any requests for approval which include a blanket lien on all your assets, or a security interest in your investor commitments in excess of 125 percent of the proposed borrowing.

(d) Thirty-day approval. Unless the Secretary notifies you otherwise within 30 days after he or she receives your request, you may consider your request automatically approved if:

(1) You are in regulatory compliance;
(2) The security interest in your assets is limited to either those assets being acquired with the borrowed funds or an asset coverage ratio of no more than 2:1; and
(3) Your request is for approval of a secured line of credit that would not cause your total outstanding borrowings (not including Leverage) to exceed 50 percent of your Leverageable Capital.

VOLUNTARY DECREASE IN REGULATORY CAPITAL

§ 4290.585 Voluntary decrease in RBIC’s Regulatory Capital.

You must obtain the Secretary’s prior written approval to reduce your Regulatory Capital by more than two percent in any fiscal year. At all times, you must retain sufficient Regulatory Capital to meet the minimum capital requirements in the Act and § 4290.210, and sufficient Leverageable Capital to avoid having excess Leverage in violation of section 384E(d) of the Act.
Subpart H—Recordkeeping, Reporting, and Examination Requirements for RBICs

§ 4290.600 General requirement for RBIC to maintain and preserve records.

(a) Maintaining your accounting records. You must establish and maintain your accounting records using SBA’s standard chart of accounts for SBICs, unless the Secretary approves otherwise. You may obtain this chart of accounts from SBA or at http://www.sba.gov/sites/default/files/files/inv_charts_of_accounts.pdf.

(b) Location of records. You must keep the following records at your principal place of business or, in the case of paragraph (b)(3) of this section, at the branch office that is primarily responsible for the transaction:

(1) All your accounting and other financial records;
(2) All minutes of meetings of directors, stockholders, executive committee members, partners, members, or other officials; and
(3) All documents and supporting materials related to your business transactions, except for any items held by a custodian under a written agreement between you and a Portfolio Concern or lender, or any securities held in a safe deposit box, or by a licensed securities broker in an amount not exceeding the broker’s per-account insurance coverage.

(c) Preservation of records. You must retain all the records that are the basis for your financial reports. Such records must be preserved for the periods specified in this paragraph (c) and must remain readily accessible for the first two years of the preservation period.

(1) You must preserve for at least 15 years or, in the case of a Partnership RBIC or LLC RBIC, at least two years beyond the date of liquidation:

(i) All your accounting ledgers and journals, and any other records of assets, asset valuations, liabilities, equity, income, and expenses;
(ii) Your Articles, bylaws, minute books, and RBIC application; and
(iii) All documents evidencing ownership of the RBIC including ownership ledgers and ownership transfer registers.

(2) You must preserve for at least six years all supporting documentation (such as vouchers, bank statements, or canceled checks) for the records listed in paragraph (b)(1) of this section.

(3) After final disposition of any item in your Portfolio, you must preserve for at least six years:

(i) Financing applications and Financing instruments;
(ii) All loan, participation, and escrow agreements;
(iii) All certifications listed in § 4290.610 of this part;
(iv) Any capital stock certificates and warrants of the Portfolio Concern that you did not surrender or exercise; and
(v) All other documents and supporting material relating to the Portfolio Concern, including correspondence.

(4) You may substitute a microfilm or computer-scanned or generated copy for the original of any record covered by this paragraph (c).

(d) Additional requirement. You must comply with the recordkeeping and record retention requirements set forth in 2 CFR part 200, as adopted by USDA in 2 CFR part 400.

§ 4290.610 Required certifications for Loans and Investments.

For each of your Loans and Investments, you must have the documents listed in this section. You must keep these documents in your files and make them available to the Secretary upon request.

(a) For each Financing made to a Rural Business Concern or Smaller Enterprise, a certification by the Portfolio Concern stating the basis for its qualification as a Rural Business Concern or Smaller Enterprise.

(b) For each Financing made to a Small Business Concern, Size Status Declaration (SBA Form 480 or other USDA-approved form(s)), executed both by you and by the Portfolio Concern certifying that the concern is a Small

980
For securities purchased from an underwriter in a public offering, you may substitute a prospectus showing that the concern is a Small Business Concern.

(c) A certification by the Portfolio Concern that it will not discriminate in violation of Title VI of the Civil Rights Act of 1964, the Age Discrimination Act of 1975, and Title V of the Equal Credit Opportunity Act.

(d) A certification by the Portfolio Concern of the intended use of the proceeds. For securities purchased from an underwriter in a public offering, you may substitute a prospectus indicating the intended use of proceeds.

§ 4290.620 Requirements to obtain information from Portfolio Concerns.

All the information required by this section is subject to the requirements of §4290.600 and must be in English.

(a) Information for initial Financing decision. Before extending any Financing, you must require the Enterprise to submit such financial statements, plans of operation (including intended use of financing proceeds), cash flow analyses, projections, and such economic development information about the Enterprise, as are necessary to support your investment decision. The information submitted must be consistent with the size and type of the Enterprise and the amount of the proposed Financing.

(b) Updated financial and economic development information. (1) The terms of each Financing must require the Portfolio Concern to provide, at least annually, sufficient financial and economic development information to enable you to perform the following required procedures:

(i) Evaluate the financial condition of the Portfolio Concern for the purpose of valuing your investment;

(ii) Determine the continued eligibility of the Portfolio Concern;

(iii) Verify the use of Financing proceeds;

(iv) Evaluate the economic development impact of the Financing; and

(v) In the case of any Portfolio Concern that is not a Rural Business Concern, the number and percentage of its employees residing in Rural Areas.

(2) The president, chief executive officer, treasurer, chief financial officer, general partner, or proprietor of the Portfolio Concern must certify the information submitted to you.

(3) For financial and valuation purposes, you may accept a complete copy of the Federal income tax return filed by the Portfolio Concern (or its proprietor) in lieu of financial statements, but only if appropriate for the size and type of the Enterprise involved.

(4) The requirements in this paragraph (b) do not apply when you acquire securities from an underwriter in a public offering (see §4290.625). In that case, you must keep copies of all reports furnished by the Portfolio Concern to the holders of its securities.

(c) Information required for examination purposes. You must obtain any information requested by the Secretary’s examiners for the purpose of verifying the certifications made by a Portfolio Concern under §4290.610. In this regard, your Financing documents must contain provisions requiring the Portfolio Concern to give you and/or the Secretary’s examiners access to its books and records for such purpose.

§ 4290.630 Requirement for RBICs to file financial statements and supplementary information.

(a) Annual filing. For each fiscal year, you must submit financial statements and supplementary information prepared on SBA Form 468 or other USDA-approved form(s). You must file SBA Form 468 (or other USDA-approved form(s)) on or before the last day of the third month following the end of your fiscal year, except for the information required under paragraphs (e) and (f) of this section, which must be filed on or before the last day of the fifth month following the end of your fiscal year.

(1) Audit of annual filing form. An independent public accountant acceptable to the Secretary must audit the annual form submitted under paragraph (a) of this section.

(2) Insurance requirement for public accountant. Unless the Secretary approves otherwise, your independent
§ 4290.640 Requirement to file portfolio financing reports with the Secretary.

For each Financing you make (excluding guarantees), you must submit a Portfolio Financing Report on SBA Form 1031 or other USDA-approved form(s) within 30 days of the closing date.

§ 4290.650 Requirement to report portfolio valuations to the Secretary.

You must determine the value of your Loans and Investments in accordance with §4290.503. You must report such valuations to the Secretary within 90 days of the end of the fiscal year in the case of annual valuations, and within 30 days following the close of other reporting periods. You must report material adverse changes in valuations at least quarterly, within 30 days following the close of the quarter.

§ 4290.660 Other items required to be filed by RBIC with the Secretary.

(a) Reports to owners. You must give the Secretary a copy of any report you furnish to your investors, including any prospectus, letter, or other publication concerning your financial operations or those of any Portfolio Concern.

(b) Documents filed with SEC. You must give the Secretary a copy of any report, application or document you file with the Securities and Exchange Commission.

(c) Litigation reports. When you become a party to litigation or other proceedings, you must give the Secretary a report within 30 days that describes the proceedings and identifies the other parties involved and your relationship to them.

(1) The proceedings covered by this paragraph (c) include any action by you, or by your security holder(s) in a personal or derivative capacity,
§ 4290.692 Examination fees.

(a) General. The Secretary will assess fees for examinations in accordance with this § 4290.692. Unless the Secretary determines otherwise on a case by case basis, he or she will not assess fees for special examinations to obtain specific information.

(b) Base fee. A base fee of $9,200 + 0.015 percent of your assets will be assessed, subject to adjustment in accordance with paragraph (c) of this section.

(c) Adjustments to base fee. The base fee will be decreased based on the following criteria:

(1) If you have no outstanding regulatory violations at the time of the commencement of the examination or the Secretary did not identify any violations as a result of the most recent prior examination, you will receive a 15% discount on your base fee; and

(2) If you were fully responsive to the letter of notification of examination (that is, you provided all requested documents and information within the time period stipulated in the notification letter in a complete and accurate manner, and you prepared and had available all information requested by the examiner for on-site review), you

§ 4290.690 Examinations.

All RBICs must submit to annual examinations by or at the direction of the Secretary for the purpose of evaluating regulatory compliance.

§ 4290.691 Responsibilities of RBIC during examination.

You must make all books, records and other pertinent documents and materials available for the examination, including any information required by the examiner under § 4290.630(c). In addition, the agreement between you and the independent public accountant performing your audit must provide that any information in the accountant’s working papers be made available to the examiners upon request.

§ 4290.680 Reporting changes in RBIC not subject to prior approval.

(a) Changes to be reported for post-approval. This section applies to any changes in your Articles, ownership, capitalization, management, operating area, or investment policies that do not require the Secretary’s prior approval. You must report such changes to the Secretary within 30 days after the change, for post approval.

(b) Approval by the Secretary. You may consider any change submitted under this § 4290.680 to be approved unless the Secretary notifies you to the contrary within 90 days after receiving it. Approval is subject to any conditions the Secretary may prescribe.
will receive a 10% discount on your base fee.

(d) Examination delay fee. If, in the sole discretion of the Secretary, the time required to complete your examination is delayed due to your lack of cooperation or the condition of your records, the Secretary may assess an additional examination fee of up to $500 per day.

Subpart I—Financing of Enterprises by RBICs

DETERMINING ELIGIBILITY OF AN ENTERPRISE FOR RBIC FINANCING

§ 4290.700 Requirements concerning types of Enterprises to receive Financing.

(a) Rural Business Concern Investments. At the close of each of your fiscal years—

(1) At least 75 percent of your Portfolio Concerns must have received a Rural Business Concern Investment; and

(2) For all Financings you have extended, you must have invested at least 75 percent (in total dollars) in Rural Business Concern Investments.

(b) Smaller Enterprise Investments. At the close of each of your fiscal years—

(1) More than 50 percent of your Portfolio Concerns must be Smaller Enterprises that, at the time of the initial Financing to such Enterprise, meet either the net worth/net income test or the size standard set forth in the “Smaller Enterprise” definition in § 4290.50 of this part; and

(2) For all Financings that you have extended, you must have invested more than 50 percent (in total dollars) in Financings in the form of Equity Capital in such Enterprises.

(c) Small Business Concern Investments. At the close of each of your fiscal years—

(1) At least 50 percent of the Portfolio Concerns referenced in paragraph (b)(2) of this section must be Small Business Concerns; and

(2) For all Financings referenced in paragraph (b)(2) of this section, you must have invested at least 50 percent (in total dollars) in Small Business Concerns.

(d) Urban Area Investments. At the close of each of your fiscal years—

(1) No more than 10 percent of your Portfolio Concerns must have received Urban Area Investments; and

(2) For all Financings you have extended, you must not have invested more than 10 percent (in total dollars) in Urban Area Investments.

(e) Non-compliance with this section. If you have not met the percentages required in paragraphs (a), (b), (c), or (d) of this section at the end of any fiscal year, then you must be in compliance by the end of the following fiscal year. However, you will not be eligible for additional Leverage until such time as you meet the required percentages (see § 4290.1120).

§ 4290.720 Enterprises that may be ineligible for Financing.

(a) Re-lenders or re-investors. You are not permitted to finance any Enterprise that is a re-lender or re-investor. The primary business activity of re-lenders or re-investors involves, directly or indirectly, providing funds to others, purchasing debt obligations, factoring, or long-term leasing of equipment with no provision for maintenance or repair.

(b) Passive Enterprises. You are not permitted to finance a passive Enterprise.

1. Definition. An Enterprise is passive if:

(i) It is not engaged in a regular and continuous business operation (for purposes of this paragraph (b), the mere receipt of payments such as dividends, rents, lease payments, or royalties is not considered a regular and continuous business operation); or

(ii) Its employees are not carrying on the majority of day to day operations, and the Enterprise does not provide effective control and supervision, on a day to day basis, over persons employed under contract; or

(iii) It passes through substantially all of the proceeds of the Financing to another entity.

2. Exception for pass-through of proceeds to subsidiary. With the prior written approval of the Secretary, you may finance a passive Enterprise if it passes
substantially all of the proceeds through to one or more subsidiary companies, each of which is an eligible Enterprise that is not passive. For the purpose of this paragraph (b)(2), “subsidiary company” means a company in which at least 50 percent of the outstanding voting securities are owned by the Financed passive Enterprise.

(3) Exception for certain Partnership RBICs or LLC RBICs. With the prior written approval of the Secretary, if you are a Partnership RBIC or LLC RBIC, you may form one or more wholly owned corporations in accordance with this paragraph (b)(3). The sole purpose of such corporation(s) must be to provide Financing to one or more eligible, unincorporated Enterprise. You may form such corporation(s) only if a direct Financing to such Enterprise would cause any of your investors to incur unrelated business taxable income under section 511 of the Internal Revenue Code of 1986, as amended (26 U.S.C. 511). Your investment of funds in such corporation(s) will not constitute a violation of § 4290.730(a).

(c) Real Estate Enterprises. (1) You are not permitted to finance:
   (i) Any Enterprise classified under sector 233 (Building, Developing, and General Contracting) of the NAICS Manual, or
   (ii) Any Enterprise listed under sector 531 (Real Estate) unless at least 80 percent of its revenue is derived from non-Affiliate sources.
   (2) You are not permitted to finance an Enterprise, regardless of NAICS classification, if the Financing is to be used to acquire or refinance real property, unless the Enterprise:
      (i) Is acquiring an existing property and will use at least 51 percent of the usable square footage for an eligible business or commercial purpose; or
      (ii) Is constructing or renovating a building and will use at least 67 percent of the usable square footage for an eligible business or commercial purpose; or
      (iii) Occupies the subject property and uses at least 67 percent of the usable square footage for an eligible business or commercial purpose.

(d) Project Financing. You are not permitted to finance an Enterprise if:
   (1) The assets of the Enterprise are to be reduced or consumed, generally without replacement, as the life of the Enterprise progresses, and the nature of the Enterprise requires that a stream of cash payments be made to the Enterprise’s financing sources, on a basis associated with the continuing sale of assets. Examples include real estate development projects and oil and gas wells; or
   (2) The primary purpose of the Financing is to fund production of a single item or defined limited number of items, generally over a defined production period, and such production will constitute the majority of the activities of the Enterprise. Examples include motion pictures.

(e) Farm land purchases. You are not permitted to finance the acquisition of farmland. Farmland means land which is or is intended to be used for agricultural or forestry purposes such as the production of food, fiber, or wood, or is so taxed or zoned.

(f) Public interest. You are not permitted to finance any business if the proceeds are to be used for purposes contrary to the public interest, including but not limited to or activities which are in violation of law, or inconsistent with free competitive enterprise.

(g) Foreign investment—(1) General rule. You are not permitted to finance an Enterprise if:
   (i) The funds will be used substantially for a foreign operation; or
   (ii) At the time of the Financing or within one year thereafter, more than 49 percent of the employees or tangible assets of the Enterprise are located outside the United States (unless you can show, to the Secretary’s satisfaction, that the Financing was used for a specific domestic purpose).
   (2) Exception. This paragraph (g) does not prohibit a Financing used to acquire foreign materials and equipment or foreign property rights for use or sale in the United States.

(h) Financing RBICs, SBICs, or New Markets Venture Capital Companies (NMVC Companies). (1) You are not permitted to provide funds, directly or indirectly, that will be used:
(i) To purchase stock in or otherwise provide capital to a RBIC, SBIC or NMVC Company; or
(ii) To repay an indebtedness incurred for the purpose of investing in a RBIC, SBIC, or NMVC Company.

(2) “NMVC Company” is defined in 13 CFR 108.50.

(i) Entities ineligible for Farm Credit System Assistance. If one or more Farm Credit System Institutions or their Affiliates owns more than 25 percent of the ownership interests of a Rural Business Investment Company, either alone or in conjunction with other Farm Credit System Institutions (or affiliates), the Rural Business Investment Company may not provide Financing to any entity that is not otherwise eligible to receive Financing from a Farm Credit System Institution under the Farm Credit Act of 1971 (12 U.S.C. 2001 et seq.).

(j) Gaming establishments. You are not permitted to Finance an Enterprise that derives, or is expected to derive, more than one-third of its gross annual revenue from legal gaming activities.

(k) Change of ownership of an Enterprise. You are not permitted to Finance a change of ownership of an Enterprise unless otherwise approved by the Secretary.

§ 4290.730 Financings which constitute conflicts of interest.

(a) General rule. You must not self-deal to the prejudice of an Enterprise, the RBIC, its shareholders, partners or, members, or the Secretary. Unless you obtain a prior written exemption from the Secretary for special instances in which a Financing may further the purposes of the Act despite presenting a conflict of interest, you must not directly or indirectly:

(1) Provide Financing to any of your Associates, except for an Enterprise that satisfies all of the following conditions:

(i) Your Associate relationship with the Enterprise is described by paragraph (8) or (9) of the definition of Associate in §4290.50.

(ii) No Person triggering the Associate relationship identified in paragraph (a)(1)(i) of the definition of Associate in §4290.50 is a Close Relative or Secondary Relative of any Person described in paragraphs (1), (2), (4), or (5) of the definition of Associate in §4290.50, and

(iii) No single Associate of yours has either a voting interest or an economic interest in the Enterprise exceeding 20 percent, and no two or more of your Associates have either a voting interest or an economic interest exceeding 33 percent. Economic interests shall be computed on a fully diluted basis, and both voting and economic interests shall exclude any interest owned through the RBIC.

(2) Provide Financing to an Associate of another RBIC if one of your Associates has received or will receive any direct or indirect Financing or a Commitment from that RBIC or any other RBIC (including Financing or Commitments received under any understanding, agreement, or cross dealing, reciprocal or circular arrangement).

(3) Borrow money from:

(i) An Enterprise Financed by you;

(ii) An officer, director, or owner of at least a 10 percent equity interest in such Enterprise; or

(iii) A Close Relative of any such officer, director, or equity owner.

(4) Provide Financing to an Enterprise to discharge an obligation to your Associate or free other funds to pay such obligation. This paragraph (a)(4) does not apply if the obligation is to an Associate Lending Institution and is a line of credit or other obligation incurred in the normal course of business.

(b) Rules applicable to Associates. Without the Secretary's prior written approval, your Associates must not, directly or indirectly:

(1) Borrow money from any Person described in paragraph (a)(3) of this section.

(2) Receive from an Enterprise any compensation or anything of value in connection with Assistance you provide (except as permitted under §4290.825(c)), or anything of value for procuring, attempting to procure, or influencing your action with respect to such Assistance.
(c) **Applicability of other laws.** You are also bound by Federal or State laws applicable to you that govern conflicts of interest and fiduciary obligations.

(d) **Financings with Associates**—

1. **Financings with Associates requiring prior approval.** Without the Secretary’s prior written approval, you may not Finance any Enterprise in which your Associate has either a voting equity interest or total equity interests (including potential interests) of at least five percent, or effective control, except as otherwise permitted under paragraph (a)(1) of this section.

2. **Other Financings with Associates.** If you and an Associate provide Financing to the same Enterprise, either at the same time or at different times, you must be able to demonstrate to the Secretary’s satisfaction that the terms and conditions are (or were) fair and equitable to you, taking into account any differences in the timing of each party’s financing transactions.

3. **Exceptions to paragraphs (d)(1) and (d)(2) of this section.** A Financing that falls into one of the following categories is exempt from the prior approval requirement in paragraph (d)(1) of this section or is presumed to be fair and equitable to you for the purposes of paragraph (d)(2) of this section, as appropriate:
   
   1. Your Associate is a Lending Institution that is providing financing under a credit facility in order to meet the operational needs of the Enterprise and the terms of such financing are usual and customary.
   
   2. Your Associate invests in the Enterprise on the same terms and conditions at the same time as you.
   
   3. Both you and your Associate are RBICs.

(e) **Use of Associates to manage Portfolio Concerns.** To protect your investment, you may designate an Associate to serve as an officer, director, or other participant in the management of a Portfolio Concern. You must identify any such Associate in your records available for the Secretary’s review under §4290.600. Without the Secretary’s prior written approval, such Associate must not:

   1. Have any other direct or indirect financial interest in the Portfolio Concern that exceeds, or has the potential to exceed, the percentages of the Portfolio Concern’s equity set forth in paragraph (a)(1) of this section.

   2. Receive any income or anything of value from the Portfolio Concern unless it is for your benefit, with the exception of director’s fees, expenses, and distributions based upon the Associate’s ownership interest in the Concern.

(f) **1940 and 1980 Act Companies: SEC exemptions.** If you are a 1940 or 1980 Act Company and you receive an exemption from the Securities and Exchange Commission for a transaction described in this §4290.730, you need not obtain the Secretary’s approval of the transaction. However, you must promptly notify the Secretary of the transaction.

(g) **Restriction on options obtained by RBIC’s management and employees.** Your employees, officers, directors, managing members or general partners, or the general partners or managing members of the Investment Adviser/Manager that is providing services to you or to your general partner or managing member, may obtain options in a Portfolio Concern only if:

   1. They participate in the Financing on a pari passu basis with you; or

   2. The Secretary gives prior written approval; or

   3. The options received are compensation for service as a member of the board of directors of the Portfolio Concern, and such compensation does not exceed that paid to other outside directors. In the absence of such directors, fees must be reasonable when compared with amounts paid to outside directors of similar companies.

§ 4290.740 **Portfolio diversification ("overline" limitation).**

(a) Without the Secretary’s prior written approval, you may provide Financing or a Commitment to an Enterprise only if the resulting amount of your aggregate outstanding Financings and Commitments to that Enterprise and its Affiliates does not exceed 10 percent of the sum of:

   1. Your Regulatory Capital as of the date of the Financing or Commitment; plus

   2. Any permitted Distribution(s) you made during the five years preceding
§ 4290.760 How a change in size or activity of a Portfolio Concern affects the RBIC and the Portfolio Concern.

(a) Effect on RBIC of a change in size of a Portfolio Concern. If a Portfolio Concern was a Smaller Enterprise or Small Business Concern at the time of the initial Financing but no longer qualifies as such under the size standard applicable to such entity, you may keep your investment in the Portfolio Concern and:

(1) Subject to the overline limitations of § 4290.740, you may provide additional Financing to the Portfolio Concern up to the time it makes a public offering of its securities.

(2) Even after the Portfolio Concern makes a public offering, you may exercise any stock options, warrants, or other rights to purchase Equity Securities which you acquired before the public offering, or fund Commitments you made before the public offering.

(b) Effect of a change in business activity occurring within one year of RBIC’s initial Financing—(1) Retention of Financing. Unless you receive the Secretary’s written approval, you may not keep your Financing in a Portfolio Concern which becomes ineligible for financing by a RBIC by reason of a change in its business or commercial activity or for any other reason within one year of your initial Financing in the Portfolio Concern.

(2) Request for approval to retain Financing. If you request that the Secretary approve the retention of your investment, your request must include sufficient evidence to demonstrate that the change in business or commercial activity was caused by an unforeseen change in circumstances and was not contemplated at the time the Financing was made.

(3) Additional Financing. If the Secretary approves your request to retain a Financing under paragraph (b)(2) of this section, you may provide additional Financing to the Portfolio Concern to the extent necessary to protect against the loss of the amount of your original investment, subject to the overline limitations of § 4290.740.

(c) Effect of a change in business activity occurring more than one year after the initial Financing. If a Portfolio Concern becomes ineligible because of a change in business activity more than one year after your initial Financing you may:

(1) Retain your investment; and

(2) Provide additional Financing to the Portfolio Concern to the extent necessary to protect against the loss of the amount of your original investment, subject to the overline limitations of § 4290.740.

§ 4290.800 Financings in the form of Equity Securities.

You may purchase the Equity Securities of an Enterprise. You may not, inadvertently or otherwise:

(a) Become a general partner in any unincorporated business; or

(b) Become jointly or severally liable for any obligations of an unincorporated business.

§ 4290.810 Financings in the form of Loans.

You are permitted to make Loans to an Enterprise only if:

(a) The maturity or term of the Loan is five years or less; and

(b) You determine that making the Loan is necessary to preserve an existing Financing (other than a Loan) in that same Enterprise.

§ 4290.815 Financings in the form of Debt Securities.

(a) General rule. You may purchase Debt Securities from an Enterprise.

(b) Restriction of options obtained by RBIC’s management and employees. Your employees, officers, directors, general
partners, or managing members, or the general partners or managing members of your Investment Advisor/Manager, may obtain options in a Portfolio Concern only if:

1. They participate in the Financing on a pari passu basis with you; or
2. The Secretary gives its prior written approval; or
3. The options received are compensation for services as a member of the board of directors of the Enterprise, and such compensation does not exceed that paid to other outside directors. In the absence of such directors, fees must be reasonable when compared with amounts paid to outside directors of similar Enterprises.

§ 4290.820 Financings in the form of guarantees.

(a) General rule. At the request of an Enterprise or where necessary to protect your existing Financing in a Portfolio Concern, you may guarantee the monetary obligation of an Enterprise to any non-Associate creditor.

(b) Exception. You may not issue a guaranty if:

1. You would become subject to State regulation as an insurance, guaranty or surety business; or
2. The amount of the guaranty plus any direct Financings to the Enterprise exceed the overline limitations of § 4290.740, except that a pledge of the Equity Securities of the issuer or a subordination of your lien or creditor position does not count toward your overline.

(c) Pledge of RBIC’s assets as guaranty. For purposes of this section, a guaranty with recourse only to specific asset(s) you have pledged is equal to the fair market value of such asset(s) or the amount of the debt guaranteed, whichever is less.

§ 4290.825 Purchasing securities from an underwriter or other third party.

(a) Securities purchased through or from an underwriter. You may purchase the securities of an Enterprise through or from an underwriter if:

1. You purchase such securities within 90 days of the date the public offering is first made;
2. Your purchase price is no more than the original public offering price; and
3. The amount paid you for the securities (less ordinary and reasonable underwriting charges and commissions) has been, or will be, paid to the issuer, and the underwriter certifies in writing that this requirement has been met.

(b) Recordkeeping requirements. You must keep records available for the Secretary’s inspection which show the relevant details of the transaction, including but not limited to, date, price, commissions, and the underwriter’s certifications required under paragraphs (a)(3) and (c) of this section.

(c) Underwriter’s requirements. The underwriter must certify whether it is your Associate. You may pay reasonable and customary commissions and expenses to an Associate underwriter for the portion of an offering that you purchase.

(d) Securities purchased from another RBIC. You may purchase from, or exchange with, another RBIC, Portfolio securities (or any interest therein). Such purchase or exchange may only be made on a non-recourse basis. You may not have more than one-third of your total assets (valued at cost) invested in such securities. If you have previously sold Portfolio securities (or any interest therein) on a recourse basis, you must include the amount for which you may be contingently liable in your overline computation.

(e) Purchases of securities from other non-issuers. You may purchase securities of an Enterprise from a non-issuer not previously described in this § 4290.825 if such acquisition is a reasonably necessary part of the overall sound Financing of the Enterprise.

§ 4290.830 Minimum term of Financing.

(a) General rule. The minimum term of each of your Financings is one year.

(b) Restrictions on mandatory redemption of Equity Securities. If you have acquired Equity Securities, options, or warrants on terms that include redemption by the Portfolio Concern, you must not require redemption by
§ 4290.835 Exceptions to minimum term of Financing.

You may make a Financing with a term of less than one year but only if such Financing is in contemplation of another Financing, with a term of one year or more, to the same Enterprise.

§ 4290.840 Maximum term of Financing.

The maximum term of any Debt Security must be no longer than 20 years.

§ 4290.845 Maximum rate of amortization on Loans and Debt Securities.

The principal of any Loan, or the loan portion of any Debt Security, with a term of one year or less, cannot be amortized faster than straight line. If the term is greater than one year, the principal cannot be amortized faster than straight line for the first year.

§ 4290.850 Restrictions on redemption of Equity Securities.

(a) Restriction on redemption. A Portfolio Concern cannot be required to redeem Equity Securities earlier than one year from the date of the first closing unless:

(1) The Portfolio Concern makes a public offering, or has a change of management or control, or files for protection under the provisions of the Bankruptcy Code, or materially breaches your Financing agreement; or

(2) You make a follow-on Financing, in which case the new securities may be redeemed in less than one year, but no earlier than the redemption date associated with your earliest Financing of the Portfolio Concern.

(b) Redemption price. The redemption price must be either:

(1) A fixed amount that is no higher than the price you paid for the securities; or

(2) An amount that cannot be fixed or determined before the time of the redemption. In this case, the redemption price must be based on:

(i) A reasonable formula that reflects the performance of the Portfolio Concern (such as one based on earnings or book value); or

(ii) The fair market value of the Portfolio Concern at the time of redemption, as determined by a professional appraisal performed under an agreement acceptable to both parties.

(c) Method. Any method for determining the redemption price must be agreed upon no later than the date of the first (or only) closing of the Financing.

§ 4290.860 Financing fees and expense reimbursements a RBIC may receive from an Enterprise.

(a) General rule. You may collect Financing fees and receive expense reimbursements from an Enterprise only as permitted under this § 4290.860.

(b) Application fee. You may collect a nonrefundable application fee from an Enterprise to review its Financing application. The application fee may be collected at the same time as the closing fee under paragraph (d) or (e) of this section, or earlier. The fee must be:

(1) No more than one percent of the amount of Financing requested (or, if two or more RBICs participate in the Financing, their combined application fees are no more than one percent of the total Financing requested); and

(c) Application of fees. The fees may be collected from an Enterprise and are due at the time of closing.
(2) Agreed to in writing by the Financing applicant.

(c) The Secretary’s review of application fees. For any fiscal year, if the number of application fees you collect is more than twice the number of financings closed, the Secretary in its sole discretion may determine that you are engaged in activities not contemplated by the Act, in violation of § 4290.500.

(d) Closing fee—Loans. You may charge a closing fee on a Loan if:

(1) The fee is no more than two percent of the Financing amount (or, if two or more RBICs participate in the Financing, their combined closing fees are no more than two percent of the total Financing amount); and

(2) You charge the fee no earlier than the date of the first disbursement.

(e) Closing fee—Debt or Equity Financings. You may charge a Closing Fee on a Debt Security or Equity Security Financing if:

(1) The fee is no more than four percent of the Financing amount (or, if two or more RBICs participate in the Financing, their combined closing fees are no more than four percent of the total Financing amount); and

(2) You charge the fee no earlier than the date of the first disbursement.

(f) Limitation on dual fees. If another RBIC or an Associate of yours collects a transaction fee under § 4290.900(e) in connection with your Financing of an Enterprise, the sum of the transaction fee and your application and closing fees cannot exceed the maximum application and closing fees permitted under this § 4290.860.

(g) Expense reimbursements. You may charge an Enterprise for the reasonable out-of-pocket expenses, other than Management Expenses, that you incur to process its Financing application. If the Secretary determines that any of your reimbursed expenses are unreasonable or are Management Expenses, the Secretary will require you to refund them to the Enterprise.

(h) Breakup fee. If an Enterprise accepts your Commitment and then fails to close the Financing because it has accepted funds from another source, you may charge a “breakup fee” equal to the closing fee that you would have been permitted to charge under paragraph (d) or (e) of this section.

§ 4290.880 Assets acquired in liquidation of Portfolio securities.

(a) General rule. You may acquire assets in full or partial liquidation of a Portfolio Concern’s obligation to you under the conditions permitted by this § 4290.880. The assets may be acquired from the Portfolio Concern, a guarantor of its obligation, or another party.

(b) Timely disposition of assets. You must dispose of assets acquired in liquidation of a Portfolio security within a reasonable period of time.

(c) Permitted expenditures to preserve assets. (1) You may incur reasonably necessary expenditures to maintain and preserve assets acquired.

(2) You may incur reasonably necessary expenditures for improvements to render such assets saleable.

(3) You may make payments of mortgage principal and interest (including amounts in arrears when you acquired the asset), pay taxes when due, and pay for necessary insurance coverage.

(d) The Secretary approval of expenditures. This paragraph (d) applies if you have outstanding Leverage or are applying for Leverage. Any application for the Secretary’s approval under this paragraph must specify all expenses estimated to be necessary pending disposal of the assets. Without the Secretary’s prior written approval:

(1) Your total expenditures under paragraphs (c)(1) and (c)(2) of this section plus your total Financing(s) to the Portfolio Concern must not exceed your overline limit under § 4290.740; and

(2) Your total expenditures under paragraph (b) of this section plus your total Financing(s) to the Portfolio Concern must not exceed 35 percent of your Regulatory Capital.

§ 4290.885 Disposition of assets to RBIC’s Associates or to competitors of Portfolio Concerns.

Except with the Secretary’s prior written approval, you are not permitted to dispose of assets (including assets acquired in liquidation) to any Associate or to competitors of Portfolio Concerns if you have outstanding
Leverage. As a prerequisite to such approval, you must demonstrate that the proposed terms of disposal are at least as favorable to you as the terms obtainable elsewhere.

§ 4290.900 Management fees for services provided to an Enterprise by RBIC or its Associate.

(a) General. This § 4290.900 applies to management services that you or your Associate provide to a Portfolio Concern during the term of a Financing or prior to Financing. It does not apply to management services that you or your Associate provide to an Enterprise that you do not finance.

(b) The Secretary’s approval. You must obtain the Secretary’s prior written approval of any management services fees and other fees described in this section that you or your Associate charge.

(c) Permitted management fees. You or your Associate may provide management services to a Portfolio Concern financed by you if:

(1) You or your Associate have entered into a written contract with the Portfolio Concern;
(2) The fees charged are for services actually performed;
(3) Services are provided on an hourly fee, project fee, or other reasonable basis;
(4) You can demonstrate to the Secretary, upon request, that the rate does not exceed the prevailing rate charged for comparable services by other organizations in the geographic area of the Portfolio Concern; and
(5) All of the management services fees paid to your Associate by a Portfolio Concern for board member services provided by the Associate are allocated back to you for your benefit.

(d) Fees for service as a board member. You or your Associate may receive fees in the form of cash, warrants, or other payments, for services provided as members of the board of directors of a Portfolio Concern Financed by you. The fees must not exceed those paid to other outside board members. In the absence of such board members, fees must be reasonable when compared with amounts paid to outside directors of similar companies. At least 50 percent of any board member services fees paid to your Associate by a Portfolio Concern for board member services provided by the Associate must be allocated back to you for your benefit.

(e) Approval required. You must obtain the Secretary’s prior written approval of any management contract that does not satisfy paragraphs (c) or (d) of this section.

(f) Transaction fees. (1) You or your Associate may charge reasonable transaction fees for work performed preparing an Enterprise for a public offering, private offering, or sale of all or part of the business, and for assisting with the transaction. Compensation may be in the form of cash, notes, stock, and/or options. All of the transaction services fees paid to your Associate by a Portfolio Concern for transaction services provided by the Associate must be allocated back to you for your benefit.

(2) Your Associate may charge market rate investment banking fees to a Portfolio Concern on that portion of a Financing that you do not provide.

(g) Recordkeeping Requirements. You must keep a record of hours spent and amounts charged to the Portfolio Concern, including expenses charged.

Subpart J—Financial Assistance for RBICs (Leverage)

GENERAL INFORMATION ABOUT OBTAINING LEVERAGE

§ 4290.1100 Type of Leverage and application procedures.

(a) Type of Leverage available. You may apply for Leverage from the Secretary in the form of a guarantee of your Debentures.

(b) Applying for Leverage. The Leverage application process has two parts. You must first apply for the Secretary’s conditional commitment to reserve a specific amount of Leverage for your future use. You may then apply to draw down Leverage against the commitment. See §§ 4290.1200 through 4290.1240.

(c) Where to send your application. Send all Leverage draw-down applications to Funding Control Officer, Investment Division, U.S. Small Business Administration, 400 Third Street, SW.,
§ 4290.1120 General eligibility requirements for Leverage.

To be eligible for Leverage, you must be in compliance with the Act, the regulations in this part, and your Participation Agreement.

§ 4290.1130 Leverage fees payable by RBIC.

(a) Leverage fee. You must pay the Secretary a non-refundable leverage fee for each issuance of a Debenture. The fee is 3 percent of the face amount of the Debenture issued, and will be deducted from the proceeds remitted to you.

(b) Additional charge. You must pay the Secretary an additional annual charge of 1 percent of the outstanding amount of your Debenture.

(c) Other Leverage fees. The Secretary may establish a fee structure for services performed by the Central Registration Agent (CRA). The Secretary will not collect any fee for its guarantee of TCs.

§ 4290.1140 RBIC’s acceptance of remedies under § 4290.1810.

If you issue Leverage, you automatically agree to the terms and conditions in § 4290.1810 as it exists at the time of issuance. The effect of these terms and conditions is the same as if they were fully incorporated in the terms of your Leverage.

Maximum Amount of Leverage for Which a RBIC Is Eligible

§ 4290.1150 Maximum amount of Leverage for a RBIC.

The face amount of a RBIC’s outstanding Debentures may not exceed the lesser of 200 percent of its Leverageable Capital or $105,000,000.

Conditional Commitments To Reserve Leverage for a RBIC

§ 4290.1200 Leverage commitment to a RBIC—application procedure, amount, and term.

(a) General. Under the provisions in §§ 4290.1200 through 4290.1240, you may apply for the Secretary’s conditional commitment to reserve a specific amount of Leverage and type of Debenture (standard or discounted) for your future use. You may then apply to draw down Leverage against the commitment.

(b) Applying for a Leverage commitment. The Secretary will notify you when requests for Leverage commitments are being accepted, and upon receipt of your request, will send you a complete application package.

(c) Limitations on the amount of a Leverage commitment. The amount of a Leverage commitment must be a multiple of $5,000. The Secretary in his or her discretion may determine a minimum dollar amount for Leverage commitments. Any such minimum amounts will be published in Notices in the Federal Register from time to time.

(d) Term of Leverage commitment. Your Leverage commitment will automatically lapse on the expiration date stated in the commitment letter issued to you by the Secretary. The Secretary’s Leverage commitment will be included in the Participation Agreement at the time of your licensing as a RBIC, under § 4290.390.

§ 4290.1220 Requirement for RBIC to file financial statements at the time of request for a draw.

(a) If you submit a request for a draw against your Leverage commitment more than 90 days following your submission of an annual SBA Form 468 or a SBA Form 468 (Short Form) or other USDA-approved form(s), you must:

(1) Give the Secretary a financial statement on Form 468 (Short Form) or other USDA-approved form(s), and

(2) File a statement of no material adverse change in your financial condition since your last filing of SBA Form 468 or other USDA-approved form(s).

(b) You will not be eligible for a draw if you are not in compliance with this § 4290.1220.

§ 4290.1230 Draw-downs by RBIC under Leverage commitment.

(a) RBIC’s authorization of the Secretary to guarantee securities. By submitting a request for a draw against the Leverage commitment, you authorize the Secretary, or the Secretary’s
designated agent or trustee, to guarantee your Debenture and to sell it with the Secretary’s guarantee.

(b) Limitations on amount of draw. The amount of a draw must be a multiple of $5,000. The Secretary, in his or her discretion, may determine a minimum dollar amount for draws against Leverage commitments. Any such minimum amounts will be published in Notices in the FEDERAL REGISTER from time to time.

(c) Effect of regulatory violations on RBIC’s eligibility for draws—(1) General rule. You are eligible to make a draw against your Leverage commitment only if you are in compliance with all applicable provisions of the Act and this part (i.e., no unresolved statutory or regulatory violations) and your Participation Agreement.

(2) Exception to general rule. If you are not in compliance, you may still be eligible for draws if:

(i) The Secretary determines that your outstanding violations are of non-substantive provisions of the Act or this part or your Participation Agreement and that you have not repeatedly violated any non-substantive provisions; or

(ii) You have agreed with the Secretary in writing on a course of action to resolve your violations and such agreement does not prevent you from issuing Leverage.

(d) Procedures for funding draws. You may request a draw at any time during the term of the commitment. With each request, submit the following documentation:

(1) A statement certifying that there has been no material adverse change in your financial condition since your last filing of SBA Form 468 or other USDA-approved form(s) (see also §4290.1220 for filing requirements).

(2) If your request is submitted more than 30 days following the end of your fiscal year, but before you have submitted your annual filing of SBA Form 468 or other USDA-approved form(s) in accordance with §4290.630(a), a preliminary unaudited annual financial statement on SBA Form 468 (Short Form) or other USDA-approved form(s).

(3) A statement certifying that to the best of your knowledge and belief, you are in compliance with all provisions of the Act and this part (i.e., no unresolved regulatory or statutory violations) and your Participation Agreement, or a statement listing any specific violations you are aware of. Either statement must be executed by one of the following:

(i) An officer of the RBIC;

(ii) An officer of a corporate general partner or managing member of the RBIC;

(iii) An individual who is authorized to act as or for a general partner of the RBIC; or

(iv) An individual who is authorized to act as or for a managing member of the RBIC.

(4) A statement that the proceeds are needed to fund one or more particular Enterprises or to provide liquidity for your operations. If required by the Secretary, the statement must include the name and address of each Enterprise, and the amount and anticipated closing date of each proposed Financing.

(e) Reporting requirements after drawing funds. (1) Within 30 calendar days after the actual closing date of each Financing funded with the proceeds of your draw, you must file an SBA Form 1031 or other USDA-approved form(s) confirming the closing of the transaction.

(2) If the Secretary required you to provide information concerning a specific planned Financing under paragraph (d)(4) of this section, and such Financing has not closed within 60 calendar days after the anticipated closing date, you must provide a written explanation of the failure to close.

(3) If you do not comply with this paragraph (e), you will not be eligible for additional draws. The Secretary may also determine that you are not in compliance with the terms of your Leverage under §4290.1810.

§4290.1240 Funding of RBIC’s draw request through sale to third-party.

(a) RBIC’s authorization of the Secretary to arrange sale of Debentures to third-party. By submitting a request for a draw of Debenture Leverage, you authorize the Secretary, or any agent or trustee the Secretary designates, to enter into any agreements (and to bind
you to such agreements) necessary to accomplish:

(1) The sale of your Debenture to a third-party at a price approved by the Secretary; and

(2) The purchase of your Debenture from the third-party and the pooling of your Debenture with other Debentures with the same maturity date.

(b) Sale of Debentures to a third-party. If the Secretary arranges for the sale of your Debenture to a third-party, the sale price may be an amount discounted from the face amount of the Debenture.

DISTRIBUTIONS BY RBICS WITH OUTSTANDING LEVERAGE

§ 4290.1500 Restrictions on distributions to RBIC investors while RBIC has outstanding Leverage.

(a) Restriction on distribution. If you have outstanding Leverage, whenever you make a distribution to your investors you must make, at the same time, a prepayment to or for the benefit of the third-party holder of the Debenture sold pursuant to § 4290.1240 of this part, accrued unpaid interest and the principal, in whole or in part, of one or more of your Debentures outstanding as of the date of the distribution (subject to the terms of such Debentures).

(b) Amount of prepayment. You must calculate the amount due the third-party holder by multiplying the total amount you intend to distribute by a fraction whose numerator is the outstanding principal of your Debenture(s) immediately preceding your distribution, and whose denominator is the sum of your Leverageable Capital as of that time plus the outstanding principal amount of your Debentures. For purposes of the preceding sentence "principal” means both the net proceeds and interest accrued to date of a discounted Debenture. The amount of any payment received under this section will be credited first against unpaid interest accrued to the date of distribution and then to the principal in whole or in part of the first Debenture you select to prepay and then to the interest and principal in whole or in part of such other Debenture(s) as you select to prepay. You may elect to prepay in whole any discounted Debenture under this section only within five years of its maturity date. Payments under this section must be made on the next occurring March 1 or September 1.

(c) Effect of prepayment. Subject to the terms of the Debenture(s), you may voluntarily prepay additional principal, but neither mandatory nor voluntary prepayment will increase your future Leverage eligibility.

FUNDING LEVERAGE BY USE OF GUARANTEED TRUST CERTIFICATES (“TCs”)

§ 4290.1600 Secretary’s authority to issue and guarantee Trust Certificates.

(a) Authorization. Section 384F of the Act authorizes the Secretary to issue TCs and to guarantee the timely payment of the principal and interest thereon. Any such guarantee of such TC is limited to the principal and interest due on the Debentures in any Trust or Pool backing such TC. The full faith and credit of the United States is pledged to the payment of all amounts due under the guarantee of any TC.

(b) Authority to arrange public or private fundings of Leverage. The Secretary in his or her discretion may arrange for public or private financing under his or her guarantee authority. Such financing may be accomplished by the sale of individual Debentures, aggregations of Debentures, or Pools or Trusts of Debentures.

(c) Pass-through provisions. TCs shall provide for a pass-through to their holders of all amounts of principal and interest paid on the Debentures in the Pool or Trust against which they are issued.

(d) Formation of a Pool or Trust holding Leverage Securities. The Secretary shall approve the formation of each Pool or Trust. The Secretary may, in his or her discretion, establish the size of the Pools and their composition, the interest rate on the TCs issued against Trusts or Pools, discounts, premiums and other charges made in connection with the Pools, Trusts, and TCs, and any other characteristics of a Pool or Trust he or she deems appropriate. Notwithstanding § 4290.1130(c), any agent of the Secretary may collect a fee for the functions described in 7
§ 4290.1610 Effect of prepayment or early redemption of Leverage on a Trust Certificate.

(a) The rights, if any, of a RBIC to prepay any Debenture is established by the terms of such security, and no such right is created or denied by the regulations in this part.

(b) The Secretary’s rights to purchase or prepay any Debenture without premium are established by the terms of the Guaranty Agreement relating to the Debenture.

(c) Any prepayment of a Debenture pursuant to the terms of the Guaranty Agreement relating to such security shall reduce the Secretary’s guarantee of timely payment of principal and interest on a TC in proportion to the amount of principal that such prepaid Debenture represents in the Trust or Pool backing such TC.

(d) The Secretary shall be discharged from his or her guarantee obligation to the holder or holders of any TC, or any successor or transferee of such holder, to the extent of any such prepayment, whether or not such successor or transferee shall have notice of any such prepayment.

(e) Interest on prepaid Debentures shall accrue only through the date of prepayment.

(f) In the event that all Debentures constituting a Trust or Pool are prepaid, the TCs backed by such Trust or Pool shall be redeemed by payment of the unpaid principal and interest on the TCs; provided, however, that in the case of the prepayment of a Debenture pursuant to the provisions of the Guaranty Agreement relating to the Debenture, the Central Registration Agent (CRA) shall pass through pro rata to the holders of the TCs any such prepayments including any prepayment penalty paid by the obligor RBIC pursuant to the terms of the Debenture.

§ 4290.1620 Functions of agents, including Central Registration Agent, Selling Agent and Fiscal Agent.

(a) Agents. The Secretary may appoint or cause to be appointed agent(s) to perform functions necessary to market and service Debentures or TCs pursuant to this part.

(1) Selling Agent. As a condition of guaranteeing a Debenture, the Secretary may cause each RBIC to appoint a Selling Agent to perform functions that include, but are not limited to:

(i) Selecting qualified entities to become pool or Trust assemblers (“Poolers”).

(ii) Receiving guaranteed Debentures as well as negotiating the terms and conditions of sales or periodic offerings of Debentures and/or TCs on behalf of RBICs.

(iii) Directing and coordinating periodic sales of Debentures and/or TCs.

(iv) Arranging for the production of Offering Circulars, certificates, and such other documents as may be required from time to time.

(2) Fiscal Agent. The Secretary shall appoint a Fiscal Agent to:

(i) Establish performance criteria for Poolers.

(ii) Monitor and evaluate the financial markets to determine those factors that will minimize or reduce the cost of funding Debentures.

(iii) Monitor the performance of the Selling Agent, Poolers, CRA, and the Trustee.

(iv) Perform such other functions as the Secretary, from time to time, may prescribe.

(3) Central Registration Agent. Pursuant to a contract entered into with the Secretary, the CRA, as the Secretary’s agent, will do the following with respect to the Pools or Trust Certificates for the Debentures:

(i) Form an approved Pool or Trust;

(ii) Issue the TCs in the prescribed form;

(iii) Transfer the TCs upon the sale of original issue TCs in any secondary market transaction;

(iv) Receive payments from RBICs;

(v) Make periodic payments as scheduled or required by the terms of the TCs, and pay all amounts required to be paid upon prepayment of Debentures;

(vi) Hold, safeguard, and release all Debentures constituting Trusts or Pools upon instructions from the Secretary;
(vii) Remain custodian of such other documentation as the Secretary shall direct by written instructions;

(viii) Provide for the registration of all pooled Debentures, all Pools and Trusts, and all TCs; and

(ix) Perform such other functions as the Secretary may deem necessary to implement the provisions of this section.

(b) Functions. Either the Secretary or an agent appointed by the Secretary may perform the function of locating purchasers, and negotiating and closing the sale of Debentures and TCs. Nothing in the regulations in this part shall be interpreted to prevent the CRA from acting as the Secretary’s agent for this purpose.

§ 4290.1630 Regulation of Brokers and Dealers and disclosure to purchasers of Leverage or Trust Certificates.

(a) Brokers and Dealers. Each broker, dealer, and Pool or Trust assembler approved by the Secretary pursuant to these regulations shall either be regulated by a Federal financial regulatory agency, or be a member of the National Association of Securities Dealers (NASD), and shall be in good standing in respect to compliance with the financial, ethical, and reporting requirements of such body. It also shall be in good standing with the Secretary as determined by the SBA official with delegated authority to make this determination (see paragraph (c) of this section) and shall provide a fidelity bond or insurance in such amount as the Secretary may require.

(b) Suspension and/or termination of Broker or Dealer. The Secretary shall exclude from the sale and all other dealings in Debentures or TCs any broker or dealer:

1. If such broker’s or dealer’s authority to engage in the securities business has been revoked or suspended by a supervisory agency. When such authority has been suspended, the Secretary will suspend such broker or dealer for the duration of such suspension by the supervisory agency.

2. If such broker or dealer has been indicted or otherwise formally charged with a misdemeanor or felony bearing on its fitness, such broker or dealer may be suspended while the charge is pending. Upon conviction, participation may be terminated.

3. If such broker or dealer has suffered an adverse final civil judgment holding that such broker or dealer has committed a breach of trust or violation of law or regulation protecting the integrity of business transactions or relationships, participation in the market for Debentures or TCs may be terminated.

(c) Termination/suspension proceedings. A broker’s or dealer’s participation in the market for Debentures or TCs will be conducted in accordance with 7 CFR part 11. The Secretary may, for any of the reasons stated in paragraphs (b)(1) through (3) of this section, suspend the privilege of any broker or dealer to participate in this market. The Secretary shall give written notice at least ten business days prior to the effective date of such suspension. Such notice shall inform the broker or dealer of the opportunity for a hearing pursuant to 7 CFR part 11.

§ 4290.1640 Secretary’s access to records of the CRA, Brokers, Dealers and Pool or Trust assemblers.

The CRA and any broker, dealer and Pool or Trust assembler operating under the regulations in this part shall make all books, records and related materials associated with Debentures and TCs available to the Secretary for review and copying purposes. Such access shall be at such party’s primary place of business during normal business hours.

MISCELLANEOUS

§ 4290.1700 Secretary’s transfer of interest in a RBIC’s Leverage security.

Upon such conditions and for such consideration as he or she deems reasonable, the Secretary may sell, assign, transfer, or otherwise dispose of any Debenture held by or on behalf of the Secretary. Upon notice by the Secretary, a RBIC will make all payments of principal and interest as shall be directed by the Secretary. A RBIC will be liable for all damage or loss which the Secretary may sustain by reason of the RBIC’s failure to follow such payment instructions, up to the amount of the
RBIC’s liability under such security, plus court costs and reasonable attorney’s fees incurred by the Secretary.

§ 4290.1710 Secretary’s authority to collect or compromise claims.

The Secretary may, upon such conditions and for such consideration as he or she deems reasonable, collect or compromise all claims relating to obligations he or she holds or has guaranteed, and all legal or equitable rights accruing to him or her.

§ 4290.1720 Characteristics of Secretary’s guarantee.

If the Secretary agrees to guarantee a RBIC’s Debentures, such guarantee will be unconditional, irrespective of the validity, regularity or enforceability of the Debentures or any other circumstances that might constitute a legal or equitable discharge or defense of a guarantor. Pursuant to its guarantee, the Secretary will make timely payments of principal and interest on the Debentures.

Subpart K—RBIC’s Noncompliance With Terms of Leverage

§ 4290.1810 Events of default and the Secretary’s remedies for RBIC’s noncompliance with terms of Debentures.

(a) Applicability of this section. Upon acceptance of a license to operate as an RBIC, you automatically agree to the terms, conditions and remedies in this section, as in effect at the time of issuance of the license and as fully set forth in all documents relating to the license, including, without limitation, the Participation Agreement and Debentures.

(b) Automatic events of default. The occurrence of one or more of the events in this paragraph (b) causes the remedies in paragraph (c) of this section to take effect immediately.

(1) Insolvency. You become equitably or legally insolvent.

(2) Voluntary assignment. You make a voluntary assignment for the benefit of creditors without the Secretary’s prior written approval.

(3) Bankruptcy. You file a petition to begin any bankruptcy or reorganization proceeding, receivership, dissolution or other similar creditors’ rights proceeding, or such action is initiated against you and is not dismissed within 60 days.

(c) Remedies for automatic events of default. Upon the occurrence of one or more of the events in paragraph (b) of this section:

(1) Without notice, presentation or demand, the entire indebtedness evidenced by your Debentures, including accrued interest, and any other amounts owed with respect to your Debentures, is immediately due and payable; and

(2) You automatically consent to the appointment of the Secretary or his or her designee, as your receiver under section 384M of the Act.

(d) Events of default with notice. For any occurrence (as determined by the Secretary) of one or more of the events in this paragraph (d), the Secretary may avail him or herself of one or more of the remedies in paragraph (e) of this section.

(1) Fraud. You commit a fraudulent act that causes detriment to the Secretary’s position as a creditor or guarantor.

(2) Fraudulent transfers. You make any transfer or incur any obligation that is fraudulent under the terms of 11 U.S.C. 548.

(3) Willful conflicts of interest. You willfully violate § 4290.730.

(4) Willful non-compliance. You willfully violate one or more of the substantive provisions of the Act or any substantive regulation promulgated under the Act or any substantive provision of your Participation Agreement.

(5) Repeated Events of Default. At any time after being notified of the occurrence of an event of default under paragraph (f) of this section, you engage in similar behavior that results in another occurrence of the same event of default.

(6) Transfer of Control. You willfully violate § 4290.410, and as a result of such violation you undergo a transfer of Control.

(7) Non-cooperation under § 4290.1810(h). You fail to take appropriate steps, satisfactory to the Secretary, to accomplish any action the Secretary may have required under paragraph (h) of this section.
(8) Non-notification of Events of Default. You fail to notify the Secretary as soon as you know or reasonably should have known that any event of default exists under this section.

(9) Non-notification of defaults to others. You fail to notify the Secretary in writing within ten days from the date of a declaration of an event of default or nonperformance under any note, debenture or indebtedness of yours, issued to or held by anyone other than the Secretary.

(e) Remedies for events of default with notice. Upon written notice to you of the occurrence (as determined by the Secretary) of one or more of the events in paragraph (d) of this section:

(1) The Secretary may declare the entire indebtedness evidenced by your Debentures, including accrued interest and/or any other amounts owed the Secretary with respect to your Debentures, immediately due and payable: and

(2) The Secretary may avail himself or herself of any remedy available under the Act, specifically including institution of proceedings for his or her, or his or her designee’s appointment as your receiver under section 384M(c) of the Act.

(f) Events of default with opportunity to cure. For any occurrence (as determined by the Secretary) of one or more of the events in this paragraph (f), the Secretary may avail him or herself of one or more of the remedies in paragraph (g) of this section.

(1) Excessive Management Expenses. Without the Secretary’s prior written consent, you incur Management Expenses in excess of those permitted under §§4290.510 and 4290.520.

(2) Improper Distributions. You make any Distribution to your shareholders or partners, except with the Secretary’s prior written consent, other than:

(i) Distributions permitted under §4290.585; and

(ii) Payments from Retained Earnings Available for Distribution based on either the shareholders’ or members’ pro-rata interests or the provisions for profit distributions in your partnership agreement, as appropriate.

(3) Failure to make payment. Unless otherwise approved by the Secretary, you fail to make timely payment of any amount due under any security or obligation of yours that is issued to, held or guaranteed by the Secretary.

(4) Failure to maintain Regulatory Capital. You fail to maintain the minimum Regulatory Capital required under these regulations or, without the Secretary’s prior written consent, you reduce your Regulatory Capital except as permitted by §4290.585.

(5) Capital Impairment. You have a condition of Capital Impairment as determined under §4290.1830.

(6) Cross-default. An obligation of yours that is greater than $100,000 becomes due or payable (with or without notice) before its stated maturity date, for any reason including your failure to pay any amount when due. This provision does not apply if you pay the amount due within any applicable grace period or contest the payment of the obligation in good faith by appropriate proceedings.

(7) Nonperformance. You violate or fail to perform one or more of the terms and conditions of any security or obligation of yours that is issued to, held or guaranteed by the Secretary, or of any agreement (including your Participation Agreement) with or conditions imposed by the Secretary in the administration of the Act and the regulations promulgated under the Act.

(8) Noncompliance. Except as otherwise provided in paragraph (d)(5) of this section, the Secretary determines that you have violated one or more of the substantive provisions of the Act or any substantive regulation promulgated under the Act.

(9) Failure to maintain diversity. You fail to maintain diversity between management and ownership as required by §4290.150.

(g) Remedies for events of default with opportunity to cure. (1) Upon written notice to you of the occurrence (as determined by the Secretary) of one or more of the events of default in paragraph (f) of this section, and subject to the conditions in paragraph (g)(2) of this section:

(i) The Secretary may declare the entire indebtedness evidenced by your Debentures, including accrued interest, and/or any other amounts owed the
§4290.1830

Secretary with respect to your Debentures, immediately due and payable; and

(ii) The Secretary may avail himself or herself of any remedy available under the Act, specifically including institution of proceedings for the appointment of the Secretary or a designee as your receiver under §348M of the Act.

(2) The Secretary may invoke the remedies in paragraph (g)(1) of this section only if:

(i) You have been given at least 15 days to cure the default(s); and

(ii) You fail to cure the default(s) to the Secretary’s satisfaction within the allotted time.

(h) Repeated non-substantive violations. If you repeatedly fail to comply with one or more of the non-substantive provisions of the Act or any non-substantive regulation promulgated under the Act, the Secretary, after written notification to you and until you cure such condition to the Secretary’s satisfaction, may deny you additional Leverage and/or require you to take such actions as the Secretary may determine to be appropriate under the circumstances.

(i) Consent to removal of officers, directors, or general partners and/or appointment of receiver. The Articles of each RBIC must include the following provisions as a condition to the purchase or guarantee of Leverage. Upon the occurrence of any of the events specified in paragraphs (d)(1) through (d)(6) or (f)(1) through (f)(3) of this section as determined by the Secretary, the Secretary shall have the right, and you consent to the Secretary’s exercise of such right:

(1) With respect to a Corporate RBIC, upon written notice, to require you to replace, with individuals approved by the Secretary, one or more of your officers and/or such number of directors of your board of directors as is sufficient to constitute a majority of such board; or

(2) With respect to a Partnership RBIC or an LLC RBIC, upon written notice, to require you to remove the person(s) responsible for such occurrence and/or to remove the general partner or manager of the RBIC, which general partner or manager shall then be replaced in accordance with the RBIC’s Articles by a new general partner or manager approved by the Secretary; and/or

(3) With respect to a Corporate RBIC, Partnership RBIC, or LLC RBIC, to obtain the appointment of the Secretary or his or her designee as your receiver under section 348M of the Act for the purpose of continuing your operations. The appointment of a receiver to liquidate an RBIC is not within such consent, but is governed instead by the relevant provisions of the Act.

COMPUTATION OF RBIC’S CAPITAL IMPAIRMENT

§ 4290.1830 RBIC’s Capital Impairment definition and general requirements.

(a) Significance of Capital Impairment condition. If you have a condition of Capital Impairment, you are not in compliance with the terms of your Leverage. As a result, the Secretary has the right to impose the applicable remedies for noncompliance in §4290.1810(g).

(b) Definition of Capital Impairment condition. You have a condition of Capital Impairment if your Capital Impairment Percentage, as computed pursuant to the procedures set forth in §4290.1840, exceeds 70 percent.

(c) Quarterly computation requirement and procedure. You must determine whether you have a condition of Capital Impairment as of the end of each fiscal quarter. You must notify the Secretary promptly if you are Capitally Impaired.

(d) The Secretary’s right to determine RBIC’s Capital Impairment condition. The Secretary may make his or her own determination of your Capital Impairment condition at any time.

§ 4290.1840 Computation of RBIC’s Capital Impairment Percentage.

(a) General. This section contains the procedures you must use to determine your Capital Impairment Percentage. You must compare your Capital Impairment Percentage to the maximum
permitted under §4290.1830(b) to determine whether you have a condition of Capital Impairment.

(b) Preliminary impairment test. If you satisfy the preliminary impairment test, your Capital Impairment Percentage is zero and you do not have to perform any more procedures in this §4290.1840. Otherwise, you must continue with paragraph (c) of this section. You satisfy the test if each of the following amounts is zero or greater:

1. The sum of Undistributed Net Realized Earnings, as reported on SBA Form 468 or other USDA-approved form(s) and Includible Non-Cash Gains.
2. Unrealized Gain (Loss) on Securities Held.

(c) How to compute your Capital Impairment Percentage. (1) If you have an Unrealized Gain on Securities Held, compute your Adjusted Unrealized Gain using paragraph (d) of this section. If you have an Unrealized Loss on Securities Held, continue with paragraph (c)(2) of this section.

2. Add together your Undistributed Net Realized Earnings, your Includible Non-cash Gains, and either your Unrealized Loss on Securities Held or your Adjusted Unrealized Gain.

3. If the sum in paragraph (c)(2) of this section is zero or greater, your Capital Impairment Percentage is zero.

4. If the sum in paragraph (c)(2) of this section is less than zero, drop the negative sign, divide by your Regulatory Capital (excluding Treasury Stock), and multiply by 100. The result is your Capital Impairment Percentage.

(d) How to compute your Adjusted Unrealized Gain. (1) Subtract Unrealized Depreciation from Unrealized Appreciation. This is your “Net Appreciation”.

(2) Determine your Unrealized Appreciation on Publicly Traded and Marketable securities. This is your “Class 1 Appreciation”.

(3) Determine your Unrealized Appreciation on securities that are not Publicly Traded and Marketable and meet the following criteria, which must be substantiated to the Secretary’s satisfaction (this is your “Class 2 Appreciation”):

1. The Portfolio Concern that issued the security received a significant subsequent equity financing by an investor whose objectives were not primarily strategic and at a price that conclusively supports the Unrealized Appreciation;

2. Such financing represents a substantial investment in the form of an arm’s-length transaction by a sophisticated new investor in the issuer’s securities; and

3. Such financing occurred within 24 months of the date of the Capital Impairment computation, or the Portfolio Concern’s pre-tax cash flow from operations for its most recent fiscal year was at least 10 percent of its average contributed capital for such fiscal year.

4. Perform the appropriate computation from the table in 13 CFR 107.1840(d)(4).

5. Reduce the gain computed in paragraph (d)(4) of this section by your estimate of related future income tax expense. Subject to any adjustment required by paragraph (d)(6) of this section, the result is your Adjusted Unrealized Gain for use in paragraph (c)(2) of this section.

6. If any securities that are the source of either Class 1 or Class 2 Appreciation are pledged or encumbered in any way, you must reduce the Adjusted Unrealized Gain computed in paragraph (d)(5) of this section by the amount of the related borrowing or other obligation, up to the amount of the Unrealized Appreciation on the securities.

Subpart L—Ending Operations as a RBIC

§4290.1900 Termination of participation as a RBIC.

You may not terminate your participation as a RBIC without the Secretary’s prior written approval. Your request for approval must be accompanied by an offer of immediate repayment of all of your outstanding Leverage (including any prepayment penalties thereon), or by a plan satisfactory to the Secretary for the orderly liquidation of the RBIC.
§ 4290.1910 Subpart M—Miscellaneous

§ 4290.1910 Non-waiver of rights or terms of Leverage security.

The Secretary’s failure to exercise or delay in exercising any right or remedy under the Act or the regulations in this part does not constitute a waiver of such right or remedy. The Secretary’s failure to require you to perform any term or provision of your Leverage does not affect the Secretary’s right to enforce such term or provision. Similarly, the Secretary’s waiver of, or failure to enforce, any term or provision of your Leverage or of any event or condition set forth in § 4290.1810 does not constitute a waiver of any succeeding breach of such term or provision or condition.

§ 4290.1920 RBIC’s application for exemption from a regulation in this part 4290.

(a) General. You may file an application in writing with the Secretary to have a proposed action exempted from any procedural or substantive requirement, restriction, or prohibition to which it is subject under this part, unless the provision is mandated by the Act. The Secretary may grant an exemption for such applicant, conditionally or unconditionally, provided the exemption would not be contrary to the purposes of the Act.

(b) Contents of application. Your application must be accompanied by supporting evidence that demonstrates to the Secretary’s satisfaction that:

(1) The proposed action is fair and equitable; and

(2) The exemption requested is reasonably calculated to advance the best interests of the RBIC program in a manner consistent with the policy objectives of the Act and the regulations in this part.

§ 4290.1930 Effect of changes in this part 4290 on transactions previously consummated.

The legality of a transaction covered by the regulations in this part is governed by the regulations in this part in effect at the time the transaction was consummated, regardless of later changes. Nothing in this part bars enforcement action with respect to any transaction consummated in violation of provisions applicable at the time, but no longer in effect.

§ 4290.1940 Integration of this part with other regulations applicable to USDA’s programs.

(a) Intergovernmental review. To the extent applicable to this part, the Secretary will comply with 2 CFR part 415, subpart C, “Intergovernmental Review of Department of Agriculture Programs and Activities.” The Secretary has not delegated this responsibility to SBA pursuant to § 4290.45.

(b) National flood insurance. To the extent applicable to this part, the Secretary will comply with subpart B of 7 CFR part 1806. The Secretary has not delegated this responsibility to SBA pursuant to § 4290.45 of this part.

(c) Clean Air Act and Water Pollution Control Act requirements. To the extent applicable to this part, the Secretary will comply with the requirements of the Clean Air Act, section 306; the Clean Water Act, section 508; Executive Order 11738; and 40 CFR part 32. The Secretary has not delegated this responsibility to SBA pursuant to § 4290.45 of this part.

(d) Historic preservation requirements. To the extent applicable to this part, the Secretary will comply with subpart F of 7 CFR part 1901. The Secretary has not delegated this responsibility to SBA pursuant to § 4290.45 of this part.

(e) Lead-based paint requirements. To the extent applicable to this part, the Secretary will comply with subpart A of 7 CFR part 1924. The Secretary has not delegated this responsibility to SBA pursuant to § 4290.45 of this part.

(f) Conflict of interest. To the extent applicable to this part, the Secretary will comply with 2 CFR 400.2, subpart D of 7 CFR part 1900, and RD Instruction 2045–BB. The Secretary has not delegated this responsibility to SBA pursuant to § 4290.45.

(g) Civil rights impact analysis. To the extent applicable to this part, the Secretary will comply with RD Instruction 2006–P, “Civil Rights Impact Analysis.” The Secretary has not delegated this responsibility to SBA pursuant to § 4290.45 of this part.
(h) Environmental requirements. To the extent applicable to this part, the Secretary will comply with subpart G of 7 CFR part 1940. The Secretary has not delegated this responsibility to SBA pursuant to § 4290.45 of this part.

(i) Appeals to the National Appeals Division for review of adverse decisions. Applicants and RBICs have the right to request review by the National Appeals Division within the USDA of adverse decisions, as defined in 7 CFR 11.1, pursuant to 7 CFR part 11.

Subpart N—Requirements for Operational Assistance Grants to RBICs

§ 4290.2000 Operational Assistance Grants to RBICs.

(a) Regulations governing. Regulations governing Operational Assistance grants to RBICs may be found in subparts D and E of this part 4290 and in this § 4290.2000.

(b) Restrictions on use. A RBIC must use Operational Assistance grant funds only to provide Operational Assistance to Smaller Enterprises to which it either has made, or expects to make, a Financing.

(c) Amount of grant. Each RBIC will receive an Operational Assistance grant award equal to the lesser of 10 percent of the Regulatory Capital raised by the RBIC at the time of licensing or $1,000,000.

(d) Term. Operational Assistance grants made under this part will be made for a multiyear period (not to exceed 10 years) under such terms as the Secretary may require.

(e) Reporting and recordkeeping requirements. Policies governing reporting, record retention, and recordkeeping requirements applicable to RBICs may be found in subpart H of this part 4290.

Subpart O—Additional Requirements for Non-Leveraged Licensees and Exceptions to Regulations

Source: 76 FR 80225, Dec. 23, 2011, unless otherwise noted.
you must have a minimum duration of 10 years. After 10 years, the LLC RBIC may be terminated by a vote of your members.

(4) In lieu of complying with §4290.100(d)(3), if you are a Corporate RBIC, you must have a duration of not less than 30 years unless earlier dissolved by the shareholders.

(b) Approval of initial Management Expenses. Section 4290.140 does not apply to Non-leveraged RBICs. However, the Secretary will provide a cap on these expenses in each FEDERAL REGISTER notice soliciting applications for Non-leveraged RBICs.

(c) Management and ownership diversity requirements. A Non-leveraged RBIC is subject to the provisions of §4290.150 unless it is exempted from these provisions by the Secretary. Exemptions will only be granted when the applicant establishes, to the satisfaction of the Secretary, that granting the exemption will not unduly impair the integrity and soundness of the Non-leveraged RBIC.

(d) Special rules for Partnership RBICs and LLC RBICs. Paragraph (c) of §4290.160 does not apply to Non-leveraged RBICs.

§§4290.3006–4290.3009 [Reserved]

§4290.3010 Application and Approval Process for RBIC licensing without Leverage.

(a) The provisions of §4290.300 notwithstanding, the Secretary will accept, at any time, applications for consideration as a Non-leveraged RBIC. The number of applications that the Agency will receive each year, and any fees and conditions, will be announced annually in a FEDERAL REGISTER notice.

(b) The provision for evaluating applicants on a competitive basis, as specified in §4290.340(a), does not apply to this subpart.

(c) The provisions specified in §4290.370(m) do not apply to this subpart.

RBS and RUS, USDA

§ 4290.3050

with § 4290.510, a Non-leveraged RBIC must notify the Secretary of the Management Expenses to be incurred under such contract, or of any subsequent material changes in such Management Expenses, within 30 days of execution.

(d) Management Expenses of a RBIC. When complying with § 4290.520, Non-leveraged RBICs do not need prior approval of initial Management Expenses and any increases in those expenses.

(e) Restrictions on investments of idle funds by RBICs. The provisions of § 4290.530 apply to Non-leveraged RBICs only when the Non-leveraged RBIC engages in activities not contemplated by the Act.

(f) Prior approval of secured third-party debt of RBICs. The provisions of § 4290.550 do not apply to Non-leveraged RBICs.

(g) Voluntary decrease in Regulatory Capital. When complying with § 4290.585, Non-leveraged RBICs do not need to obtain prior approval for decreases in Regulatory Capital of more than 2 percent (but not below the minimum required under this Act or these regulations). However, Non-leveraged RBICs must report the reduction to the Secretary within 30 days.

§§ 4290.3035–4290.3039 [Reserved]

§ 4290.3040 Financial Assistance for RBICs.

Subpart J, Financial Assistance for RBICs (Leveraged), of this part does not apply to Non-leveraged RBICs.

§ 4290.3041 Events of default and the Secretary's remedies for RBIC's noncompliance with terms of licensure.

In addition to complying with the provisions of § 4290.1810, a RBIC’s failure to comply with the terms of this part may result in the Secretary revoking the Non-leveraged RBIC’s license issued under this part.

§§ 4290.3042–4290.3044 [Reserved]

§ 4290.3045 Computation of RBIC's Capital Impairment.

The provisions specified in §§ 4290.1830 and 4290.1840 do not apply to Non-leveraged RBICs.

§§ 4290.3046–4290.3049 [Reserved]

§ 4290.3050 Operational Assistance Grants for RBICs.

Subpart N, Requirements for Operational Assistance Grant to RBICs, of this part does not apply to Non-leveraged RBICs. All other references to Operational Assistance in this part do not apply to Non-leveraged RBICs.
§§ 4290.3051–4290.3099 7 CFR Ch. XLII (1–1–16 Edition)
