§61.30 Examination of sampler.

Each applicant for a license as a sampler and each licensed sampler whenever requested by an authorized representative of the Director, shall submit to an examination or test to show his ability properly to perform the duties for which he is applying for a license or for which he has been licensed, and each such applicant or licensee shall furnish the Division any information requested at any time in regard to his sampling of cottonseed.

§61.31 License must be posted.

Each licensed sampler shall keep his license conspicuously posted at the place where he functions as a sampler or in such other place as may be approved by the Director.

§61.32 No discrimination in sampling.

Each licensed sampler, when requested, shall without discrimination, as soon as practicable and upon reasonable terms, sample any cottonseed if the same be made available to him at his place of business, under conditions that will permit proper sampling. Each such licensee shall give preference to those who request his services as such over persons who request his services in any other capacity.

§61.33 Equipment of sampler; contents of certificate.

Each licensed sampler shall have available suitable triers or sampling tools, sample containers, scales, seed cleaners, seed mixers, and air-tight containers for enclosing and forwarding the official samples to licensed chemist, and with tags and samplers' certificates approved or furnished by the Director or his representative for identifying the samples of cottonseed and for certificating the condition of the cottonseed represented by such samples. There shall be clearly written or printed on the face of such certificate—

- (a) A suitable caption;
- (b) The location of the cottonseed involved and its point of origin;
