they are used solely for authorized purposes.

(h) [Reserved]

(i) Each State agency, or FNS where applicable, shall establish a financial management system under which School Food Authorities shall account for all revenues and expenditures of their nonprofit school food service. The system shall prescribe the allowability of nonprofit school food service expenditures in accordance with this part and 7 CFR part 3015, and 7 CFR part 3016 or 7 CFR part 3019, as applicable. The system shall permit determination of school food service net cash resources, and shall include any criteria for approval of net cash resources in excess of three months average expenditures. In addition, School Food Authorities shall be required to account separately for other food services which are operated by the School Food Authority.

(j) During audits, supervisory assistance reviews, or by other means, State agencies, or FNSROs where applicable, shall be responsible for monitoring the net cash resources of the nonprofit school food service of each School Food Authority participating in the Program. In the event that such resources exceed three months average expenditures for the School Food Authority's nonprofit school food service, or such amount as may be approved by the State agency or FNSRO where applicable, the State agency or FNSRO where applicable, may require the School Food Authority to reduce children's prices, improve food quality or take other actions designed to improve the nonprofit school food service. In the absence of any such action, adjustments in the rates of reimbursement under the Program shall be made.

(k) State agencies shall require compliance by School Food Authorities with applicable provisions of this part.

(l) *Data collection related to school food authorities.* (1) Each State agency must collect data related to school food authorities that have an agreement with the State agency to participate in the program for each of Federal fiscal years 2006 through 2009, including those school food authorities that participated only for part of the fiscal year. Such data shall include:

(i) The name of each school food authority;

(ii) The city in which each participating school food authority was headquartered and the name of the state;

(iii) The amount of funds provided to the participating organization, i.e., the amount of federal funds reimbursed to each participating school food authority; and

(iv) The type of participating organization, e.g., government agency, educational institution, non-profit organization/secular, non-profit organization/faith-based, and "other."

(2) On or before August 31, 2007, and each subsequent year through 2010, State agencies must report to FNS data as specified in paragraph (l)(1) of this section for the prior Federal fiscal year. State agencies must submit this data in a format designated by FNS.

(m) *Program evaluations.* States, State agencies, and contractors must cooperate in studies and evaluations conducted by or on behalf of the Department, related to programs authorized under the Richard B. Russell National School Lunch Act and the Child Nutrition Act of 1966.

**§ 220.14 Claims against school food authorities.**

(a) State agencies shall disallow any portion of a claim and recover any payment made to a School Food Authority that was not properly payable under this part. State agencies will use their own procedures to disallow claims and recover overpayments already made.

(c) The State agency may refer to CND through the FNSRO for determination any action it proposes to take under this section.

## § 220.15

(d) The State agency shall maintain all records pertaining to action taken under this section. Such records shall be retained for a period of 3 years after the end of the fiscal year to which they pertain.

(e) If CND does not concur with the State agency's action in paying a claim or a reclaim, or in failing to collect an overpayment, CND shall assert a claim against the State agency for the amount of such claim, reclaim, or overpayment. In all such cases the State agency shall have full opportunity to submit to CND evidence or information concerning the action taken. If, in the determination of CND, the State agency's action was unwarranted, the State agency shall promptly pay to FNS the amount of the claim, reclaim, or overpayment.

(f) The amounts recovered by the State agency from Schools may be utilized, first, to make payments to School Food Authorities for the purposes of the related program during the fiscal year for which the funds were initially available, and second to repay any State funds expended in the reimbursement of claims under the program and not otherwise repaid. Any amounts recovered which are not so utilized shall be returned to FNS in accordance with the requirements of this part.

(g) With respect to School Food Authorities of schools in which the program is administered by FNSRO, when FNSRO disallows a claim or a portion of a claim, or makes a demand for refund of an alleged overpayment, it shall notify the School Food Authority of the reasons for such disallowance or demand and the School Food Authority shall have full opportunity to submit evidence or to file reclaims for any amounts disallowed or demanded in the same manner as that afforded in this section to School Food Authorities of schools in which the program is administered by State agencies.

(h) In the event that the State agency or FNSRO, where applicable, finds that a school is failing to meet the requirements of § 220.8(g), § 220.8(i)(2) and (i)(3), whichever is applicable, the State agency or FNSRO need not disallow payment or collect an overpayment arising out of such failure, if the State agency or FNSRO takes such

other action as, in its opinion, will have a corrective effect.

(i) The Secretary shall have the authority to determine the amount of, to settle, and to adjust any claim arising under the Program, and to compromise or deny such claim or any part thereof. The Secretary shall also have the authority to waive such claims if the Secretary determines that to do so would serve the purposes of the Program. This provision shall not diminish the authority of the Attorney General of the United States under section 516 of Title 28, U.S. Code, to conduct litigation on behalf of the United States.
