

§ 624.11

7 CFR Ch. VI (1–1–16 Edition)

practices. Restoration and enhancement efforts may include both structural and non-structural practices. An easement acquired under this part shall provide NRCS with the full authority to restore, protect, manage, maintain, and enhance the functions and values of the floodplain.

(7) The landowner must:

(i) Comply with the terms of the easement;

(ii) Comply with all terms and conditions of any associated agreement; and

(iii) Convey title to the easement that is acceptable to NRCS and warrant that the easement is superior to the rights of all others, except for exceptions to the title that are deemed acceptable by NRCS.

(8) Structures, including buildings, within the floodplain easement may be demolished and removed, or relocated outside the 100-year floodplain or dam breach inundation area.

(c) The Chief of NRCS may modify or terminate an easement if, pursuant to 16 U.S.C. 2203(b), the Chief determines the modification or termination is in the public interest and will address a compelling public need for which there is no practicable alternative.

(d) *Enforcement.* (1) In the event of a violation of an easement, the violator will be given reasonable notice and an opportunity to correct the violation within 30 days of the date of the notice, or such additional time as NRCS may allow.

(2) NRCS reserves the right to enter upon the easement area at any time to remedy deficiencies or easement violations. Such entry may be made at the discretion of NRCS when such actions are deemed necessary to protect important floodplain functions and values or other rights of the United States under the easement. The landowner will be liable for any costs incurred by the United States as a result of the landowner's negligence or failure to comply with easement or agreement obligations.

(3) In addition to any and all legal and equitable remedies as may be available to the United States under applicable law, NRCS may withhold any easement and cost-share payments owing to landowners at any time there is a material breach of the easement

covenants or any associated agreements. Such withheld funds may be used to offset costs incurred by the United States, in any remedial actions, or retained as damages pursuant to court order or settlement agreement.

(4) NRCS will be entitled to recover any and all administrative and legal costs, including attorney's fees or expenses, associated with any enforcement or remedial action.

(5) On the violation of the terms or conditions of the easement or related agreement, the easement shall remain in force, and NRCS may require the landowner to refund all or part of any payments received by the landowner under this Part, together with interest thereon as determined appropriate by NRCS.

(6) All the general penal statutes relating to crimes and offenses against the United States shall apply in the administration of floodplain easements acquired under this part.
