

§ 2.152

determinations by the licensed veterinarian in the United States that the dog is in good health, has been adequately vaccinated against DHLPP and rabies, and is at least 6 months of age. The person importing the dog shall bear the expense of veterinary treatment and confinement.

(3) *Dogs imported into Hawaii from the British Isles, Australia, Guam, or New Zealand.* The provisions of paragraph (a)(1)(iii) of this section do not apply to any person who lawfully imports a live dog into the State of Hawaii from the British Isles, Australia, Guam, or New Zealand in compliance with the applicable regulations of the State of Hawaii, provided that the dog is not transported out of the State of Hawaii for purposes of resale at less than 6 months of age.

(Approved by the Office of Management and Budget under control number 0579-0379)

§ 2.152 Notification of arrival.

Upon the arrival of a dog at the port of first arrival in the continental United States or Hawaii, the person intending to import the dog, or his or her agent, must present the import permit and any applicable certifications and veterinary treatment agreement required by this subpart to the collector of customs for use at that port.

§ 2.153 Dogs refused entry.

Any dog refused entry into the continental United States or Hawaii for noncompliance with the requirements of this subpart may be removed from the continental United States or Hawaii or may be seized and the person intending to import the dog shall provide for the care (including appropriate veterinary care), forfeiture, and adoption of the dog, at his or her expense.

PART 3—STANDARDS
