

§ 392.8 Expedited review.

(a) A petition will receive expedited review by FSIS if the requested action is intended to enhance the public health by removing or reducing foodborne pathogens or other potential food safety hazards that might be present in or on meat, poultry, or egg products.

(b) For a petition to be considered for expedited review, the petitioner must submit scientific information that demonstrates that the requested action will reduce or remove foodborne patho-

gens or other potential food safety hazards that are likely to be present in or on meat, poultry, or egg products, and how it will do so.

(c) If FSIS determines that a petition warrants expedited review, FSIS will review the petition ahead of other pending petitions.

§ 392.9 Availability of additional guidance.
