§ 704.10

into compliance and, if the NCUA determines that the plan is unacceptable, the corporate credit union must immediately restructure its balance sheet to bring the exposure back within compliance or adhere to an alternative course of action determined by the NCUA; and

(ii) If presently categorized as adequately capitalized or well capitalized for prompt corrective action purposes, and the breach was of paragraph (d) of this section, the corporate credit union will immediately be recategorized as undercapitalized until coming into compliance, and

(iii) If presently categorized as less than adequately capitalized for prompt corrective action purposes, and the breach was of paragraph (d) of this section, the corporate credit union will immediately be downgraded one additional capital category.

(k) *Overall limit on business generated from individual credit unions.* On or after April 22, 2013, a corporate credit union is prohibited from accepting from any member, or any nonmember credit union, any investment, including shares, loans, PCC, or NCAs if, following that investment, the aggregate of all investments from that entity in the corporate would exceed 15 percent of the corporate credit union's moving daily average net assets.

§ 704.9 Liquidity management.

(a) *General.* In the management of liquidity, a corporate credit union must:

(1) Evaluate the potential liquidity needs of its membership in a variety of economic scenarios;

(2) Regularly monitor and demonstrate accessibility to sources of internal and external liquidity;

(3) Keep a sufficient amount of cash and cash equivalents on hand to support its payment system obligations;

(4) Demonstrate that the accounting classification of investment securities is consistent with its ability to meet potential liquidity demands; and

(5) Develop a contingency funding plan that addresses alternative funding strategies in successively deteriorating liquidity scenarios. The plan must:

(i) List all sources of liquidity, by category and amount, that are available to service an immediate outflow of funds in various liquidity scenarios;

(ii) Analyze the impact that potential changes in fair value will have on the disposition of assets in a variety of interest rate scenarios; and

(iii) Be reviewed by the board or an appropriate committee no less frequently than annually or as market or business conditions dictate.

(b) *Borrowing limits.* A corporate credit union may borrow up to 10 times its total capital.

(1) *Secured borrowings.* A corporate credit union may borrow on a secured basis for liquidity purposes, but the maturity of the borrowing may not exceed 180 days. Only a corporate credit union with Tier 1 capital in excess of five percent of its moving daily average net assets (DANA) may borrow on a secured basis for nonliquidity purposes, and the outstanding amount of secured borrowing for nonliquidity purposes may not exceed an amount equal to the difference between the corporate credit union's Tier 1 capital and five percent of its moving DANA.

(2) *Exclusions.* CLF borrowings and borrowed funds created by the use of member reverse repurchase agreements are excluded from the limit in paragraph (b)(1) of this section.

§ 704.10 Investment action plan.

(a) Any corporate credit union in possession of an investment, including a derivative, that fails to meet a requirement of this part must, within 30 calendar days of the failure, report the failed investment to its board of directors, supervisory committee and the Director of the Office of National Examinations and Supervision (ONES). If the corporate credit union does not sell the failed investment, and the investment continues to fail to meet a requirement of this part, the corporate credit union must, within 30 calendar days of the failure, provide to the ONES Director a written action plan that addresses:

(1) The investment's characteristics and risks;
