§ 1080.4 Initiating and conducting investigations.

The Assistant Director of the Office of Enforcement and the Deputy Assistant Directors of the Office of Enforcement have the nondelegable authority to initiate investigations. Bureau investigations are conducted by Bureau investigators designated and duly authorized under section 1052 of the Dodd-Frank Act, 12 U.S.C. 5562, to conduct such investigations. Bureau investigators are authorized to exercise and perform their duties in accordance with the laws of the United States and the regulations of the Bureau.

§ 1080.5 Notification of purpose.

Any person compelled to furnish documentary material, tangible things, written reports or answers to questions, oral testimony, or any combination of such material, answers, or testimony to the Bureau shall be advised of the nature of the conduct constituting the alleged violation that is under investigation and the provisions of law applicable to such violation.

§ 1080.6 Civil investigative demands.

(a) In general. In accordance with section 1052(c) of the Act, the Director of the Bureau, the Assistant Director of the Office of Enforcement, and the Deputy Assistant Directors of the Office of Enforcement, have the nondelegable authority to issue a civil investigative demand in any Bureau investigation directing the person named therein to produce documentary material for inspection and copying or reproduction, to submit tangible things, to provide a written report or answers to questions; to appear before a designated representative at a designated time and place to testify about documentary material, tangible things, or other information; and to furnish any combination of such material, things, answers, or testimony.

1. Documentary material. (i) Civil investigative demands for the production of documentary material shall describe each class of material to be produced with such definiteness and certainty as to permit such material to be fairly identified, prescribe a return date or dates that will provide a reasonable period of time within which the material so demanded may be assembled and made available for inspection and copying or reproduction, and identify the custodian to whom such material shall be made available. Documentary material for which a civil investigative demand has been issued shall be made available as prescribed in the civil investigative demand.

(ii) Production of documentary material in response to a civil investigative demand shall be made under a sworn certificate, in such form as the demand designates, by the person to whom the demand is directed or, if not a natural person, by any person having knowledge of the facts and circumstances relating to such production, to the effect that all of the documentary material required by the demand and in the possession, custody, or control of the person to whom the demand is directed has been produced and made available to the custodian.

2. Tangible things. (i) Civil investigative demands for tangible things shall describe each class of tangible things to be produced with such definiteness and certainty as to permit such things to be fairly identified, prescribe a return date or dates which will provide a reasonable period of time within which the things so demanded may be assembled and submitted, and identify the custodian to whom such things shall be submitted.

(ii) Submissions of tangible things in response to a civil investigative demand shall be made under a sworn certificate, in such form as the demand designates, by the person to whom the demand is directed or, if not a natural person, by any person having knowledge of the facts and circumstances relating to such production, to the effect that all of the tangible things required by the demand and in the possession, custody, or control of the person to
§ 1080.6  Manner and form of production of ESI. When a civil investigative demand requires the production of ESI, it shall be produced in accordance with the instructions provided by the Bureau regarding the manner and form of production. Absent any instructions as to the form for producing ESI, ESI must be produced in the form in which it is ordinarily maintained or in a reasonably usable form.

(b) Meet and confer. The recipient of a civil investigative demand shall meet and confer with a Bureau investigator within 10 calendar days after receipt of the demand or before the deadline for filing a petition to modify or set aside the demand, whichever is earlier, to discuss and attempt to resolve all issues regarding compliance with the civil investigative demand. The Assistant Director of the Office of Enforcement and the Deputy Assistant Directors of the Office of Enforcement may authorize the waiver of this requirement for routine third-party civil investigative demands or in other circumstances where he or she determines that a meeting is unnecessary. The meeting may be in person or by telephone.

(1) Personnel. The recipient must make available at the meeting personnel with the knowledge necessary to resolve any issues relevant to compliance with the demand. Such personnel could include individuals knowledgeable about the recipient’s information or records management systems and/or the recipient’s organizational structure.

(2) ESI. If the civil investigative demand seeks ESI, the recipient shall ensure that a person familiar with its ESI systems and methods of retrieval participates in the meeting.

(3) Petitions. The Bureau will not consider petitions to set aside or modify a civil investigative demand unless the recipient has meaningfully engaged in the meet and confer process described in this subsection and will consider only issues raised during the meet and confer process.

(d) Compliance. The Assistant Director of the Office of Enforcement and
the Deputy Assistant Directors of the Office of Enforcement are authorized to negotiate and approve the terms of satisfactory compliance with civil investigative demands and, for good cause shown, may extend the time prescribed for compliance.

(e) Petition for order modifying or setting aside demand—in general. Any petition for an order modifying or setting aside a civil investigative demand shall be filed with the Executive Secretary of the Bureau with a copy to the Assistant Director of the Office of Enforcement within 20 calendar days after service of the civil investigative demand, or, if the return date is less than 20 calendar days after service, prior to the return date. Such petition shall set forth all factual and legal objections to the civil investigative demand, including all appropriate arguments, affidavits, and other supporting documentation. The attorney who objects to a demand must sign any objections.

(1) Statement. Each petition shall be accompanied by a signed statement representing that counsel for the petitioner has conferred with counsel for the Bureau pursuant to section 1080.6(c) in a good-faith effort to resolve by agreement the issues raised by the petition and has been unable to reach such an agreement. If some of the matters in controversy have been resolved by agreement, the statement shall specify the matters so resolved and the matters remaining unresolved. The statement shall recite the date, time, and place of each such meeting between counsel, and the names of all parties participating in each such meeting.

(2) Extensions of time. The Assistant Director of the Office of Enforcement and the Deputy Assistant Directors of the Office of Enforcement are authorized to rule upon requests for extensions of time within which to file such petitions. Requests for extensions of time are disfavored.

(3) Bureau investigator response. Bureau investigators may, without serving the petitioner, provide the Director with a statement setting forth any factual and legal response to a petition for an order modifying or setting aside the demand.

(4) Disposition. The Director has the authority to rule upon a petition for an order modifying or setting aside a civil investigative demand. The order may be served on the petitioner via email, facsimile, or any other method reasonably calculated to provide notice of the order to the petitioner.

(f) Stay of compliance period. The timely filing of a petition for an order modifying or setting aside a civil investigative demand shall stay the time permitted for compliance with the portion challenged. If the petition is denied in whole or in part, the ruling will specify a new return date.

(g) Public disclosure. All such petitions and the Director’s orders in response to those petitions are part of the public records of the Bureau unless the Bureau determines otherwise for good cause shown. Any showing of good cause must be made no later than the time the petition is filed.

§ 1080.7 Investigational hearings.

(a) Investigational hearings, as distinguished from hearings in adjudicative proceedings, may be conducted pursuant to a civil investigative demand for the giving of oral testimony in the course of any Bureau investigation, including inquiries initiated for the purpose of determining whether or not a respondent is complying with an order of the Bureau.

(b) Investigational hearings shall be conducted by any Bureau investigator for the purpose of hearing the testimony of witnesses and receiving documentary material, tangible things, or other information relating to any subject under investigation. Such hearings shall be under oath or affirmation and stenographically reported, and a transcript thereof shall be made a part of the record of the investigation. The Bureau investigator conducting the investigational hearing also may direct that the testimony be recorded by audio, audiovisual, or other means, in which case the recording shall be made a part of the record of the investigation as well.

(c) In investigational hearings, the Bureau investigators shall exclude from the hearing room all persons except the person being examined, his or her counsel, the officer before whom
§ 1080.8 Withholding requested material.

(a) Any person withholding material responsive to a civil investigative demand or any other request for production of material shall assert a claim of privilege not later than the date set for the production of material. Such person shall, if so directed in the civil investigative demand or other request for production, submit, together with such claim, a schedule of the items withheld which states, as to each such item, the type, specific subject matter, and date of the item; the names, addresses, positions, and organizations of all authors and recipients of the item; and the specific grounds for claiming that the item is privileged. The person who submits the schedule and the attorney stating the grounds for a claim that any item is privileged must sign it.

(b) A person withholding material solely for reasons described in this subsection shall comply with the requirements of this subsection in lieu of filing a petition for an order modifying or setting aside a civil investigative demand pursuant to section 1080.6(e).

(c) Disclosure of privileged or protected information or communications produced pursuant to a civil investigative demand shall be handled as follows:

(1) The disclosure of privileged or protected information or communications shall not operate as a waiver with respect to the Bureau if:

(i) The disclosure was inadvertent;
(ii) The holder of the privilege or protection took reasonable steps to prevent disclosure; and
(iii) The holder promptly took reasonable steps to rectify the error, including notifying a Bureau investigator of the claim of privilege or protection and the basis for it.

(2) After being notified, the Bureau investigator must promptly return, sequester, or destroy the specified information and any copies; must not use or disclose the information until the claim is resolved; must take reasonable steps to retrieve the information if he or she disclosed it before being notified; and, if appropriate, may sequester such material until such time as a hearing officer or court rules on the merits of the claim of privilege or protection. The producing party must preserve the information until the claim is resolved.

(3) The disclosure of privileged or protected information or communications shall waive the privilege or protection with respect to the Bureau as to undisclosed information or communications only if:

(i) The waiver is intentional;
(ii) The disclosed and undisclosed information or communications concern the same subject matter; and
(iii) They ought in fairness to be considered together.

§ 1080.9 Rights of witnesses in investigations.

(a) Any person compelled to submit documentary material, tangible things, or written reports or answers to questions to the Bureau, or to testify in an investigational hearing, shall be entitled to retain a copy or, on payment of lawfully prescribed costs, request a copy of the materials, things, reports, or written answers submitted, or a transcript of his or her testimony. The Bureau, however, may for good cause deny such a request and limit the witness to inspection of the official transcript of the testimony. Upon completion of transcription of the testimony of the witness, the witness shall be offered an opportunity to read the transcript of his or her testimony. Any changes by the witness shall be entered and identified upon the transcript by
§ 1080.10 Noncompliance with civil investigative demands.

(a) In cases of failure to comply in whole or in part with Bureau civil investigative demands, appropriate action may be initiated by the Bureau, including actions for enforcement.

(b) The Director, the Assistant Director of the Office of Enforcement, and the General Counsel of the Bureau are authorized to:

the Bureau investigator with a statement of the reasons given by the witness for making such changes. The transcript shall then be signed by the witness and submitted to the Bureau unless the witness cannot be found, is ill, waives in writing his or her right to signature, or refuses to sign. If the signed transcript is not submitted to the Bureau within 30 calendar days of the witness being afforded a reasonable opportunity to review it, the Bureau investigator, or the individual transcribing the testimony acting at the Bureau investigator’s direction, shall sign the transcript and state on the record the fact of the waiver, illness, absence of the witness, or the refusal to sign, together with any reasons given for the failure to sign.

(b) Any witness compelled to appear in person at an investigational hearing may be accompanied, represented, and advised by counsel as follows:

(1) Counsel for a witness may advise the witness, in confidence and upon the initiative of either counsel or the witness, with respect to any question asked of the witness where it is claimed that a witness is privileged to refuse to answer the question. Counsel may not otherwise consult with the witness while a question directed to the witness is pending.

(2) Any objections made under the rules in this part shall be made only for the purpose of protecting a constitutional or other legal right or privilege, including the privilege against self-incrimination. Neither the witness nor counsel shall otherwise object or refuse to answer any question. Any objection during an investigational hearing shall be stated concisely on the record in a nonargumentative and non-suggestive manner. Following an objection, the examination shall proceed and the testimony shall be taken, except for testimony requiring the witness to divulge information protected by the claim of privilege or work product.

(3) Counsel for a witness may not, for any purpose or to any extent not allowed by paragraphs (b)(1) and (2) of this section, interrupt the examination of the witness by making any objections or statements on the record. Petitions challenging the Bureau’s authority to conduct the investigation or the sufficiency or legality of the civil investigative demand shall be addressed to the Bureau in advance of the hearing in accordance with §1080.6(e). Copies of such petitions may be filed as part of the record of the investigation with the Bureau investigator conducting the investigational hearing, but no arguments in support thereof will be allowed at the hearing.

(4) Following completion of the examination of a witness, counsel for the witness may, on the record, request that the Bureau investigator conducting the investigational hearing permit the witness to clarify any of his or her answers. The grant or denial of such request shall be within the sole discretion of the Bureau investigator conducting the hearing.

(5) The Bureau investigator conducting the hearing shall take all necessary action to regulate the course of the hearing to avoid delay and to prevent or restrain disorderly, dilatory, obstructionist, or contumacious conduct, or contemptuous language. Such Bureau investigator shall, for reasons stated on the record, immediately report to the Bureau any instances where an attorney has allegedly refused to comply with his or her obligations under the rules in this part, or has allegedly engaged in disorderly, dilatory, obstructionist, or contumacious conduct, or contemptuous language in the course of the hearing. The Bureau will thereafter take such further action, if any, as the circumstances warrant, including actions consistent with those described in 12 CFR 1081.107(c) to suspend or disbar the attorney from further practice before the Bureau or exclude the attorney from further participation in the particular investigation.
Institute, on behalf of the Bureau, an enforcement proceeding in the district court of the United States for any judicial district in which a person resides, is found, or transacts business, in connection with the failure or refusal of such person to comply with, or to obey, a civil investigative demand in whole or in part if the return date or any extension thereof has passed; and

Seek civil contempt or other appropriate relief in cases where a court order enforcing a civil investigative demand has been violated.

§ 1080.11 Disposition.

(a) When the facts disclosed by an investigation indicate that an enforcement action is warranted, further proceedings may be instituted in Federal or State court or pursuant to the Bureau’s administrative adjudicatory process. Where appropriate, the Bureau also may refer investigations to appropriate Federal, State, or foreign governmental agencies.

(b) When the facts disclosed by an investigation indicate that an enforcement action is not necessary or would not be in the public interest, the investigational file will be closed. The matter may be further investigated, at any time, if circumstances so warrant.

(c) The Assistant Director of the Office of Enforcement and the Deputy Assistant Directors of the Office of Enforcement are authorized to close Bureau investigations.

§ 1080.12 Orders requiring witnesses to testify or provide other information and granting immunity.

The Director has the nondelegable authority to request approval from the Attorney General of the United States for the issuance of an order requiring a witness to testify or provide other information and granting immunity under 18 U.S.C. 6004.

§ 1080.13 Custodians.

(a) The Bureau shall designate a custodian and one or more deputy custodians for material to be delivered pursuant to a civil investigative demand in an investigation. The custodian shall have the powers and duties prescribed by 12 CFR 1070.3 and section 1052 of the Act, 12 U.S.C. 5562. Deputy custodians may perform all of the duties assigned to custodians.

(b) Material produced pursuant to a civil investigative demand, while in the custody of the custodian, shall be for the official use of the Bureau in accordance with the Act; but such material shall upon reasonable notice to the custodian be made available for examination by the person who produced such material, or his or her duly authorized representative, during regular office hours established for the Bureau.

§ 1080.14 Confidential treatment of demand material and non-public nature of investigations.

(a) Documentary materials, written reports, answers to questions, tangible things or transcripts of oral testimony the Bureau receives in any form or format pursuant to a civil investigative demand are subject to the requirements and procedures relating to the disclosure of records and information set forth in part 1070 of this title.

(b) Bureau investigations generally are non-public. Bureau investigators may disclose the existence of an investigation to potential witnesses or third parties to the extent necessary to advance the investigation.
