Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

- Title 1 through Title 16: as of January 1
- Title 17 through Title 27: as of April 1
- Title 28 through Title 41: as of July 1
- Title 42 through Title 50: as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, July 1, 2017), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cut-off date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96–511) requires Federal agencies to display an OMB control number with their information collection request.
Many agencies have begun publishing numerous OMB control numbers as amend-
ments to existing regulations in the CFR. These OMB numbers are placed as
close as possible to the applicable recordkeeping or reporting requirements.

PAST PROVISIONS OF THE CODE

Provisions of the Code that are no longer in force and effect as of the revision
date stated on the cover of each volume are not carried. Code users may find
the text of provisions in effect on any given date in the past by using the appro-
priate List of CFR Sections Affected (LSA). For the convenience of the reader,
a “List of CFR Sections Affected” is published at the end of each CFR volume.
For changes to the Code prior to the LSA listings at the end of the volume,
consult previous annual editions of the LSA. For changes to the Code prior to
2001, consult the List of CFR Sections Affected compilations, published for 1949-

“[RESERVED]” TERMINOLOGY

The term “[Reserved]” is used as a place holder within the Code of Federal
Regulations. An agency may add regulatory information at a “[Reserved]” loca-
tion at any time. Occasionally “[Reserved]” is used editorially to indicate that
a portion of the CFR was left vacant and not accidentally dropped due to a print-
ing or computer error.

INCORPORATION BY REFERENCE

What is incorporation by reference? Incorporation by reference was established
by statute and allows Federal agencies to meet the requirement to publish regu-
lations in the Federal Register by referring to materials already published else-
where. For an incorporation to be valid, the Director of the Federal Register
must approve it. The legal effect of incorporation by reference is that the mate-
rial is treated as if it were published in full in the Federal Register (5 U.S.C.
552(a)). This material, like any other properly issued regulation, has the force
of law.

What is a proper incorporation by reference? The Director of the Federal Register
will approve an incorporation by reference only when the requirements of 1 CFR
part 51 are met. Some of the elements on which approval is based are:

(a) The incorporation will substantially reduce the volume of material pub-
lished in the Federal Register.

(b) The matter incorporated is in fact available to the extent necessary to
afford fairness and uniformity in the administrative process.

(c) The incorporating document is drafted and submitted for publication in
accordance with 1 CFR part 51.

What if the material incorporated by reference cannot be found? If you have any
problem locating or obtaining a copy of material listed as an approved incorpo-
ration by reference, please contact the agency that issued the regulation contain-
ing that incorporation. If, after contacting the agency, you find the material is not
available, please notify the Director of the Federal Register, National Archives
and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001, or
call 202-741-6010.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate
volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS.
This volume contains the Parallel Table of Authorities and Rules. A list of CFR
titles, chapters, subchapters, and parts and an alphabetical list of agencies publish-
ing in the CFR are also included in this volume.
An index to the text of "Title 3—The President" is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the "Contents" entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

(e) Discriminate as that term is used in 8 U.S.C. 1324b(a) means the act of intentionally treating an individual differently from other individuals because of national origin or citizenship status, regardless of the explanation for the differential treatment, and regardless of whether such treatment is because of animus or hostility.

(ii) Has applied on a timely basis, but has not been naturalized as a citizen within two years after the date of the application, unless the alien can establish that he or she is actively pursuing naturalization, except that time consumed in the Department of Homeland Security’s processing of the application shall not be counted toward the two-year period;

§ 44.200 Unfair immigration-related employment practices.

(a)(1) General. It is an unfair immigration-related employment practice under 8 U.S.C. 1324b(a)(1) for a person or other entity to intentionally discriminate or to engage in a pattern or practice of intentional discrimination against any individual (other than an unauthorized alien) with respect to the hiring, or recruitment or referral for a fee, of the individual for employment or the discharging of the individual from employment—
  (i) Because of such individual's national origin; or
  (ii) In the case of a protected individual, as defined in §44.101(k), because of such individual's citizenship status.

(2) Intimidation or retaliation. It is an unfair immigration-related employment practice under 8 U.S.C. 1324b(a)(5) for a person or other entity to intimidate, threaten, coerce, or retaliate against any individual for the purpose of interfering with any right or privilege secured under 8 U.S.C. 1324b or because the individual intends to file or has filed a charge or a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under that section.

(3) Unfair documentary practices. It is an unfair immigration-related employment practice under 8 U.S.C. 1324b(a)(6) for—
  (i) A person or other entity, for purposes of satisfying the requirements of 8 U.S.C. 1324a(b), either—
    (A) To request more or different documents than are required under §1324a(b); or
    (B) To refuse to honor documents tendered that on their face reasonably appear to be genuine and to relate to the individual; and
  (ii) To make such request or refusal for the purpose or with the intent of discriminating against any individual in violation of paragraph (a)(1) of this section, regardless of whether such documentary practice is a condition of employment or causes economic harm to the individual.

(b) Exceptions. (1) Paragraph (a)(1) of this section shall not apply to—
  (i) A person or other entity that employs three or fewer employees;
  (ii) Discrimination because of an individual's national origin by a person or other entity if such discrimination is covered by 42 U.S.C. 2000e–2; or
  (iii) Discrimination because of citizenship status which—
    (A) Is otherwise required in order to comply with law, regulation, or Executive order; or
    (B) Is required by Federal, State, or local government contract; or
    (C) The Attorney General determines to be essential for an employer to do business with an agency or department of the Federal, State, or local government.

(2) Notwithstanding any other provision of this part, it is not an unfair immigration-related employment practice for a person or other entity to prefer to hire an individual, or to recruit or refer for a fee an individual, who is a citizen or national of the United States over another individual who is an alien if the two individuals are equally qualified.
§ 44.201 [Reserved]

§ 44.202 Counting employees for jurisdictional purposes.

The Special Counsel will calculate the number of employees referred to in § 44.200(b)(1)(i) by counting all part-time and full-time employees employed on the date that the alleged discrimination occurred. The Special Counsel will use the 20 calendar week requirement contained in Title VII of the Civil Rights Act of 1964, 42 U.S.C. 2000e(b), for purposes of determining whether the exception of § 44.200(b)(1)(ii) applies, and will refer to the Equal Employment Opportunity Commission charges of national origin discrimination that the Special Counsel determines are covered by 42 U.S.C. 2000e–2.

§ 44.300 Filing a charge.

(a) Who may file: Charges may be filed by:

(1) Any injured party;
(2) Any individual or entity authorized by an injured party to file a charge with the Special Counsel alleging that the injured party is adversely affected directly by an unfair immigration-related employment practice; or
(3) Any officer of the Department of Homeland Security who alleges that an unfair immigration-related employment practice has occurred or is occurring.

(b) Charges shall be filed within 180 days of the alleged occurrence of an unfair immigration-related employment practice. A charge is deemed to be filed on the date it is postmarked or the date on which the charging party otherwise delivers or transmits the charge to the Special Counsel.

(c) Charges may be sent by:

(1) U.S. mail;
(2) Courier service;
(3) Electronic or online submission; or
(4) Facsimile.

(d) No charge may be filed respecting an unfair immigration-related employment practice described in § 44.200(a)(1)(i) if a charge with respect to that practice based on the same set of facts has been filed with the Equal Employment Opportunity Commission under Title VII of the Civil Rights Act of 1964, as amended, unless the charge is dismissed as being outside the scope of such title. No charge respecting an employment practice may be filed with the Equal Employment Opportunity Commission under such title if a charge with respect to such practice based on the same set of facts has been filed under this section unless the charge is dismissed as being outside the scope of this part.

§ 44.301 Receipt of charge.

(a) Within 10 days of receipt of a charge, the Special Counsel shall notify the charging party and respondent by certified mail, in accordance with paragraphs (b) and (c) of this section, of the Special Counsel’s receipt of the charge.

(b) The notice to the charging party shall specify the date on which the charge was received; state that the charging party, other than an officer of the Department of Homeland Security, may file a complaint before an administrative law judge if the Special Counsel does not do so within 120 days of receipt of the charge; and state that the charging party will have 90 days from the receipt of the letter of determination issued pursuant to § 44.303(b) by which to file such a complaint.

(c) The notice to the respondent shall include the date, place, and circumstances of the alleged unfair immigration-related employment practice.

(d)(1) If a charging party’s submission is found to be inadequate to constitute a complete charge as defined in § 44.101(a), the Special Counsel shall notify the charging party that the charge is incomplete and specify what additional information is needed.

(2) An incomplete charge that is later deemed to be complete under this paragraph is deemed filed on the date the initial but inadequate submission is postmarked or otherwise delivered or transmitted to the Special Counsel, provided any additional information requested by the Special Counsel pursuant to this paragraph is postmarked or otherwise provided, delivered or transmitted to the Special Counsel within 180 days of the alleged occurrence of an unfair immigration-related employment practice or within 45 days of the date on which the charging
§ 44.302 Investigation.

(a) The Special Counsel may seek information, request documents and answers to written interrogatories, inspect premises, and solicit testimony as the Special Counsel believes is necessary to ascertain compliance with this part.

(b) The Special Counsel may require any person or other entity to present Employment Eligibility Verification Forms ("Forms I-9") for inspection.

(c) The Special Counsel shall have reasonable access to examine the evidence of any person or other entity being investigated. The respondent shall permit access by the Special Counsel during normal business hours to such books, records, accounts, papers, electronic and digital documents, databases, systems of records, witnesses, premises, and other sources of information the Special Counsel may deem pertinent to ascertain compliance with this part.

(d) A respondent, upon receiving notice by the Special Counsel that it is under investigation, shall preserve all evidence, information, and documents potentially relevant to any alleged unfair immigration-related employment practices, and shall suspend routine or automatic deletion of all such evidence, information, and documents.

§ 44.303 Determination.

(a) Within 120 days of the receipt of a charge, the Special Counsel shall undertake an investigation of the charge and determine whether to file a complaint with respect to the charge.

(b) If the Special Counsel determines not to file a complaint with respect to such charge by the end of the 120-day period, or decides to continue the investigation of the charge beyond the 120-day period, the Special Counsel shall, by the end of the 120-day period, issue letters to the charging party and respondent by certified mail notifying both parties of the Special Counsel's determination.

(c) When a charging party receives a letter of determination issued pursuant to paragraph (b) of this section, the charging party, other than an officer of the Department of Homeland Security, may file a complaint directly before an administrative law judge in the Office of the Chief Administrative Hearing Officer (OCAHO) within 90 days after his or her receipt of the Special Counsel's letter of determination. The charging party's complaint must be filed with OCAHO as provided in 28 CFR part 68.

(d) The Special Counsel's failure to file a complaint with respect to such charge with OCAHO within the 120-day period shall not affect the right of the Special Counsel to continue to investigate the charge or later to bring a complaint before OCAHO.
§ 45.2 Disqualification arising from personal or political relationship.

(a) Unless authorized under paragraph (b) of this section, no employee shall participate in a criminal investigation or prosecution if he has a personal or political relationship with:

(1) Any person or organization substantially involved in the conduct that is the subject of the investigation or prosecution; or

(2) Any person or organization which he knows has a specific and substantial interest that would be directly affected by the outcome of the investigation or prosecution.

(b) An employee assigned to or otherwise participating in a criminal investigation or prosecution who believes that his participation may be prohibited by paragraph (a) of this section shall report the matter and all attendant facts and circumstances to his supervisor at the level of section chief or the equivalent or higher. If the supervisor determines that a personal or political relationship exists between the employee and a person or organization described in paragraph (a) of this section, he shall relieve the employee from participation unless he determines further, in writing, after full consideration of all the facts and circumstances, that:

(1) The relationship will not have the effect of rendering the employee’s service less than fully impartial and professional; and

(2) The employee’s participation would not create an appearance of a conflict of interest likely to affect the public perception of the integrity of the investigation or prosecution.

(c) For the purposes of this section:

(1) Political relationship means a close identification with an elected official, a candidate (whether or not successful)
§ 45.3 Disciplinary proceedings under 18 U.S.C. 207(j).

(a) Upon a determination by the Assistant Attorney General in charge of the Criminal Division (Assistant Attorney General), after investigation, that there is reasonable cause to believe that a former officer or employee, including a former special Government employee, of the Department of Justice (former departmental employee) has violated 18 U.S.C. 207 (a), (b) or (c), the Assistant Attorney General shall cause a copy of written charges of the violation(s) to be served upon such individual, either personally or by registered mail. The charges shall be accompanied by a notice to the former departmental employee to show cause within a specified time of not less than 30 days after receipt of the notice why he or she should not be prohibited from engaging in representational activities in relation to matters pending in the Department of Justice, as authorized by 18 U.S.C. 207(j), or subjected to other appropriate disciplinary action under that statute. The notice to show cause shall include:

(1) A statement of allegations, and their basis, sufficiently detailed to enable the former departmental employee to prepare an adequate defense.
(2) Notification of the right to a hearing, and
(3) An explanation of the method by which a hearing may be requested.

(b) If a former departmental employee who submits an answer to the notice to show cause does not request a hearing or if the Assistant Attorney General does not receive an answer within five days after the expiration of the time prescribed by the notice, the Assistant Attorney General shall forward the record, including the report(s) of investigation, to the Attorney General. In the case of a failure to answer, such failure shall constitute a waiver of defense.

(c) Upon receipt of a former departmental employee’s request for a hearing, the Assistant Attorney General shall notify him or her of the time and place thereof, giving due regard both to such person’s need for an adequate period to prepare a suitable defense and an expeditious resolution of allegations that may be damaging to his or her reputation.

(d) The presiding officer at the hearing and any related proceedings shall be a federal administrative law judge or other federal official with comparable duties. He shall insure that the former departmental employee has, among others, the rights:

(1) To self-representation or representation by counsel,
(2) To introduce and examine witnesses and submit physical evidence,
(3) To confront and cross-examine adverse witnesses,
(4) To present oral argument, and
(5) To a transcript or recording of the proceedings, upon request.

(e) The Assistant Attorney General shall designate one or more officers or employees of the Department of Justice to present the evidence against the former departmental employee and perform other functions incident to the proceedings.

(f) A decision adverse to the former departmental employee must be sustained by substantial evidence that he violated 18 U.S.C. 207 (a), (b) or (c).

(g) The presiding officer shall issue an initial decision based exclusively on the transcript of testimony and exhibits, together with all papers and requests filed in the proceeding, and shall set forth in the decision findings and conclusions, supported by reasons, on
§ 45.10 Procedures to promote compliance with crime victims’ rights obligations.

(a) Definitions. The following definitions shall apply with respect to this section, which implements the provisions of the Justice for All Act that relate to protection of the rights of crime victims. See 18 U.S.C. 3771.

Crime victim means a person directly and proximately harmed as a result of an offense in the District of Columbia. In the case of a crime victim who is

(h) Within 30 days after issuance of the initial decision, either party may appeal to the Attorney General, who in that event shall issue the final decision based on the record of the proceedings or those portions thereof cited by the parties to limit the issues. If the final decision modifies or reverses the initial decision, the Attorney General shall specify the findings of fact and conclusions of law that vary from those of the presiding officer.

(i) If a former departmental employee fails to appeal from an adverse initial decision within the prescribed period of time, the presiding officer shall forward the record of the proceedings to the Attorney General.

(j) In the case of a former departmental employee who filed an answer to the notice to show cause but did not request a hearing, the Attorney General shall make the final decision on the record submitted to him by the Assistant Attorney General pursuant to subsection (b) of this section.

(k) The Attorney General, in a case where:

(1) The defense has been waived,

(2) The former departmental employee has failed to appeal from an adverse initial decision, or

(3) The Attorney General has issued a final decision that the former departmental employee violated 18 U.S.C. 207 (a), (b) or (c),

may issue an order:

(i) Prohibiting the former departmental employee from making, on behalf of any other person (except the United States), any informal or formal appearance before, or, with the intent to influence, any oral or written communication to, the Department of Justice on a pending matter of business for a period not to exceed five years, or

(ii) Prescribing other appropriate disciplinary action.

(l) An order issued under either paragraph (k)(3) (i) or (ii) of this section may be supplemented by a directive to officers and employees of the Department of Justice not to engage in conduct in relation to the former departmental employee that would contravene such order.

§ 45.4 Personal use of Government property.

(a) Employees may use Government property only for official business or as authorized by the Government. See 5 CFR 2635.101(b)(9), 2635.704(a). The following uses of Government office and library equipment and facilities are hereby authorized:

(1) Personal uses that involve only negligible expense (such as electricity, ink, small amounts of paper, and ordinary wear and tear); and

(2) Limited personal telephone/fax calls to locations within the office’s commuting area, or that are charged to non-Government accounts.

(b) The foregoing authorization does not override any statutes, rules, or regulations governing the use of specific types of Government property (e.g., internal Departmental policies governing the use of electronic mail; and 41 CFR (FPMR) 101–35.201, governing the authorized use of long-distance telephone services), and may be revoked or limited at any time by any supervisor or component for any business reason.

(c) In using Government property, employees should be mindful of their responsibility to protect and conserve such property and to use official time in an honest effort to perform official duties. See 5 CFR 2635.101(b)(9), 2635.704(a), 2635.705(a).

under 18 years of age, incompetent, incapacitated, or deceased, the legal guardians of the crime victim or the representatives of the crime victim’s estate, family members, or any other persons appointed as suitable by the court, may assume the crime victim’s rights, but in no event shall the defendant be named as such guardian or representative.

Employee of the Department of Justice means an attorney, investigator, law enforcement officer, or other personnel employed by any division or office of the Department of Justice whose regular course of duties includes direct interaction with crime victims, not including a contractor.

Office of the Department of Justice means a component of the Department of Justice whose employees directly interact with crime victims in the regular course of their duties.

(b) The Attorney General shall designate an official within the Executive Office for United States Attorneys (EOUSA) to receive and investigate complaints alleging the failure of Department of Justice employees to provide rights to crime victims under 18 U.S.C. 3771. The official shall be called the Department of Justice Victims’ Rights Ombudsman (VRO). The VRO shall then designate, in consultation with each office of the Department of Justice, an official in each office to serve as the initial point of contact (POC) for complainants.

(c) Complaint process. (1) Complaints must be submitted in writing to the POC of the relevant office or offices of the Department of Justice. If a complaint alleges a violation that would create a conflict of interest for the POC to investigate, the complaint shall be forwarded by the POC immediately to the VRO.

(2) Complaints shall contain, to the extent known to, or reasonably available to, the victim, the following information:

(i) The name and personal contact information of the crime victim who allegedly was denied one or more crime victims’ rights;

(ii) The name and contact information of the Department of Justice employee who is the subject of the complaint, or other identifying information if the complainant is not able to provide the name and contact information;

(iii) The district court case number;

(iv) The name of the defendant in the case;

(v) The right or rights listed in 18 U.S.C. 3771 that the Department of Justice employee is alleged to have violated; and

(vi) Specific information regarding the circumstances of the alleged violation sufficient to enable the POC to conduct an investigation, including, but not limited to: The date of the alleged violation; an explanation of how the alleged violation occurred; whether the complainant notified the Department of Justice employee of the alleged violation; how and when such notification was provided to the Department of Justice employee; and actions taken by the Department of Justice employee in response to the notification.

(3) Complaints must be submitted within 60 days of the victim’s knowledge of a violation, but not more than one year after the actual violation.

(4)(i) In response to a complaint that provides the information required under paragraph (c)(2) of this section and that contains specific and credible information that demonstrates that one or more crime victims’ rights listed in 18 U.S.C. 3771 may have been violated by a Department of Justice employee or office, the POC shall investigate the allegation(s) in the complaint within a reasonable period of time.

(ii) The POC shall report the results of the investigation to the VRO.

(5) Upon receipt of the POC’s report of the investigation, the VRO shall determine whether to close the complaint without further action, whether further investigation is warranted, or whether action in accordance with paragraphs (d) or (e) of this section is necessary.

(6) Where the VRO concludes that further investigation is warranted, he may conduct such further investigation. Upon conclusion of the investigation, the VRO may close the complaint if he determines that no further action

is warranted or may take action under paragraph (d) or (e) of this section.

(7) The VRO shall be the final arbiter of the complaint.

(8) A complainant may not seek judicial review of the VRO’s determination regarding the complaint.

(9) To the extent permissible in accordance with the Privacy Act and other relevant statutes and regulations regarding release of information by the Federal government, the VRO, in his discretion, may notify the complainant of the result of the investigation.

(10) The POC and the VRO shall refer to the Office of the Inspector General and to the Office of Professional Responsibility any matters that fall under those offices’ respective jurisdictions that come to light in an investigation.

(d) If the VRO finds that an employee or office of the Department of Justice has failed to provide a victim with a right to which the victim is entitled under 18 U.S.C. 3771, but not in a willful or wanton manner, he shall require such employee or office of the Department of Justice to undergo training on victims’ rights.

(e) Disciplinary procedures. (1) If, based on the investigation, the VRO determines that a Department of Justice employee has wantonly or willfully failed to provide the complainant with a right to which the victim is entitled under 18 U.S.C. 3771, the VRO shall recommend, in conformity with laws and regulations regarding employee discipline, a range of disciplinary sanctions to the head of the office of the Department of Justice in which the employee is located, or to the official who has been designated by Department of Justice regulations and procedures to take action on disciplinary matters for that office. The head of that office of the Department of Justice, or the other official designated by Department of Justice regulations and procedures to take action on disciplinary matters for that office, shall be the final decision-maker regarding the disciplinary sanction to be imposed, in accordance with applicable laws and regulations.

(2) Disciplinary sanctions available under paragraph (e)(1) of this section include all sanctions provided under the Department of Justice Human Resources Order, 1200.1.

(a) Any allegation of waste, fraud, or abuse in a Department program or activity;

(b) Any allegation of criminal or serious administrative misconduct on the part of a Department employee (except those allegations of misconduct that are required to be reported to the Department of Justice Office of Professional Responsibility pursuant to § 45.12); and

Department employees have a duty to, and shall, cooperate fully with the Office of the Inspector General and Office of Professional Responsibility, and

§46.101 To what does this policy apply?

(a) Except as provided in paragraph (b) of this section, this policy applies to all research involving human subjects conducted, supported or otherwise subject to regulation by any federal department or agency which takes appropriate administrative action to make the policy applicable to such research. This includes research conducted by federal civilian employees or military personnel, except that each department or agency head may adopt such procedural modifications as may be appropriate from an administrative standpoint. It also includes research conducted, supported, or otherwise subject to regulation by the federal government outside the United States.

(1) Research that is conducted or supported by a federal department or agency, whether or not it is regulated as defined in §46.102(e), must comply with all sections of this policy.

(2) Research that is neither conducted nor supported by a federal department or agency but is subject to regulation as defined in §46.102(e) must be reviewed and approved, in compliance with §§46.101, §46.102, and §46.107 through §46.117 of this policy, by an institutional review board (IRB) that operates in accordance with the pertinent requirements of this policy.

(b) Unless otherwise required by department or agency heads, research activities in which the only involvement of human subjects will be in one or more of the following categories are exempt from this policy:

(1) Research conducted in established or commonly accepted educational settings, involving normal educational practices, such as (i) research on regular and special education instructional strategies, or (ii) research on the effectiveness of or the comparison among instructional techniques, curricula, or classroom management methods.

(2) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior, unless:

(i) Information obtained is recorded in such a manner that human subjects can be identified, directly or through identifiers linked to the subjects; and

(ii) Any disclosure of the human subjects’ responses outside the research could reasonably place the subjects at risk of criminal or civil liability or be damaging to the subjects’ financial standing, employability, or reputation.
(3) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures, or observation of public behavior that is not exempt under paragraph (b)(2) of this section, if:
(i) The human subjects are elected or appointed public officials or candidates for public office; or
(ii) Federal statute(s) require(s) without exception that the confidentiality of the personally identifiable information will be maintained throughout the research and thereafter.
(4) Research, involving the collection or study of existing data, documents, records, pathological specimens, or diagnostic specimens, if these sources are publicly available or if the information is recorded by the investigator in such a manner that subjects cannot be identified, directly or through identifiers linked to the subjects.
(5) Research and demonstration projects which are conducted by or subject to the approval of department or agency heads, and which are designed to study, evaluate, or otherwise examine:
(i) Public benefit or service programs;
(ii) Procedures for obtaining benefits or services under those programs;
(iii) Possible changes in or alternatives to those programs or procedures; or
(iv) Possible changes in methods or levels of payment for benefits or services under those programs.
(6) Taste and food quality evaluation and consumer acceptance studies,
(i) If wholesome foods without additives are consumed or
(ii) If a food is consumed that contains a food ingredient at or below the level and for a use found to be safe, or agricultural chemical or environmental contaminant at or below the level found to be safe, by the Food and Drug Administration or approved by the Environmental Protection Agency or the Food Safety and Inspection Service of the U.S. Department of Agriculture.
(c) Department or agency heads retain final judgment as to whether a particular activity is covered by this policy.
(d) Department or agency heads may require that specific research activities or classes of research activities conducted, supported, or otherwise subject to regulation by the department or agency but not otherwise covered by this policy, comply with some or all of the requirements of this policy.
(e) Compliance with this policy requires compliance with pertinent federal laws or regulations which provide additional protections for human subjects.
(f) This policy does not affect any state or local laws or regulations which may otherwise be applicable and which provide additional protections for human subjects.
(g) This policy does not affect any foreign laws or regulations which may otherwise be applicable and which provide additional protections to human subjects of research.
(h) When research covered by this policy takes place in foreign countries, procedures normally followed in the foreign countries to protect human subjects may differ from those set forth in this policy. (An example is a foreign institution which complies with guidelines consistent with the World Medical Assembly Declaration (Declaration of Helsinki amended 1989) issued either by sovereign states or by an organization whose function for the protection of human research subjects is internationally recognized.) In these circumstances, if a department or agency head determines that the procedures prescribed by the institution afford protections that are at least equivalent to those provided in this policy, the department or agency head may approve the substitution of the foreign procedures in lieu of the procedural requirements provided in this policy. Except when otherwise required by statute, Executive Order, or the department or agency head, notices of these actions as they occur will be published in the FEDERAL REGISTER or will otherwise be published as provided in department or agency procedures.
(i) Unless otherwise required by law, department or agency heads may waive the applicability of some or all of the provisions of this policy to specific research activities or classes of research activities otherwise covered by this
§ 46.102 Definitions.

(a) Department or agency head means the head of any federal department or agency and any other officer or employee of any department or agency to whom authority has been delegated.

(b) Institution means any public or private entity or agency (including federal, state, and other agencies).

(c) Legally authorized representative means an individual or judicial or other body authorized under applicable law to consent on behalf of a prospective subject to the subject’s participation in the procedure(s) involved in the research.

(d) Research means a systematic investigation, including research development, testing and evaluation, designed to develop or contribute to generalizable knowledge. Activities which meet this definition constitute research for purposes of this policy, whether or not they are conducted or supported under a program which is considered research for other purposes. For example, some demonstration and service programs may include research activities.

(e) Research subject to regulation, and similar terms are intended to encompass those research activities for which a federal department or agency has specific responsibility for regulating as a research activity, (for example, Investigational New Drug requirements administered by the Food and Drug Administration). It does not include research activities which are incidentally regulated by a federal department or agency solely as part of the department’s or agency’s broader responsibility to regulate certain types of activities whether research or non-research in nature (for example, Wage and Hour requirements administered by the Department of Labor).

(f) Human subject means a living individual about whom an investigator (whether professional or student) conducting research obtains

(1) Data through intervention or interaction with the individual, or

(2) Identifiable private information.

Intervention includes both physical procedures by which data are gathered (for example, venipuncture) and manipulations of the subject or the subject’s environment that are performed for research purposes. Interaction includes communication or interpersonal contact between investigator and subject. Private information includes information about behavior that occurs in a context in which an individual can reasonably expect that no observation or recording is taking place, and information which has been provided for specific purposes by an individual and which the individual can reasonably expect will not be made public (for example, a medical record). Private information must be individually identifiable (i.e., the identity of the subject is or may readily be ascertained by the investigator or associated with the information) in order for obtaining the information to constitute research involving human subjects.

(g) IRB means an institutional review board established in accord with and for the purposes expressed in this policy.

(h) IRB approval means the determination of the IRB that the research
has been reviewed and may be conducted at an institution within the constraints set forth by the IRB and by other institutional and federal requirements.

(i) Minimal risk means that the probability and magnitude of harm or discomfort anticipated in the research are not greater in and of themselves than those ordinarily encountered in daily life or during the performance of routine physical or psychological examinations or tests.

(j) Certification means the official notification by the institution to the supporting department or agency, in accordance with the requirements of this policy, that a research project or activity involving human subjects has been reviewed and approved by an IRB in accordance with an approved assurance.

§ 46.103 Assuring compliance with this policy—research conducted or supported by any Federal Department or Agency.

(a) Each institution engaged in research which is covered by this policy and which is conducted or supported by a federal department or agency shall provide written assurance satisfactory to the department or agency head that it will comply with the requirements set forth in this policy. In lieu of requiring submission of an assurance, individual department or agency heads shall accept the existence of a current assurance, appropriate for the research in question, on file with the Office for Human Research Protections, HHS, or any successor office, and approved for federalwide use by that office. When the existence of an HHS-approved assurance is accepted in lieu of requiring submission of an assurance, reports (except certification) required by this policy to be made to department and agency heads shall also be made to the Office for Human Research Protections, HHS, or any successor office.

(b) Departments and agencies will conduct or support research covered by this policy only if the institution has an assurance approved as provided in this section, and only if the institution has certified to the department or agency head that the research has been reviewed and approved by an IRB provided for in the assurance, and will be subject to continuing review by the IRB. Assurances applicable to federally supported or conducted research shall at a minimum include:

(1) A statement of principles governing the institution in the discharge of its responsibilities for protecting the rights and welfare of human subjects of research conducted at or sponsored by the institution, regardless of whether the research is subject to federal regulation. This may include an appropriate existing code, declaration, or statement of ethical principles, or a statement formulated by the institution itself. This requirement does not preempt provisions of this policy applicable to department- or agency-supported or regulated research and need not be applicable to any research exempted or waived under §46.101(b) or (i).

(2) Designation of one or more IRBs established in accordance with the requirements of this policy, and for which provisions are made for meeting space and sufficient staff to support the IRB’s review and recordkeeping duties.

(3) A list of IRB members identified by name; earned degrees; representative capacity; indications of experience such as board certifications, licenses, etc., sufficient to describe each member’s chief anticipated contributions to IRB deliberations; and any employment or other relationship between each member and the institution; for example: full-time employee, part-time employee, member of governing panel or board, stockholder, paid or unpaid consultant. Changes in IRB membership shall be reported to the department or agency head, unless in accord with §46.103(a) of this policy, the existence of an HHS-approved assurance is accepted. In this case, change in IRB membership shall be reported to the Office for Human Research Protections, HHS, or any successor office.

(4) Written procedures which the IRB will follow (i) for conducting its initial and continuing review of research and for reporting its findings and actions to the investigator and the institution; (ii) for determining which projects require review more often than annually and which projects need verification.

from sources other than the investigators that no material changes have occurred since previous IRB review; and (iii) for ensuring prompt reporting to the IRB of proposed changes in a research activity, and for ensuring that such changes in approved research, during the period for which IRB approval has already been given, may not be initiated without IRB review and approval except when necessary to eliminate apparent immediate hazards to the subject.

(5) Written procedures for ensuring prompt reporting to the IRB, appropriate institutional officials, and the department or agency head of (i) any unanticipated problems involving risks to subjects or others or any serious or continuing noncompliance with this policy or the requirements or determinations of the IRB and (ii) any suspension or termination of IRB approval.

(c) The assurance shall be executed by an individual authorized to act for the institution and to assume on behalf of the institution the obligations imposed by this policy and shall be filed in such form and manner as the department or agency head prescribes.

(d) The department or agency head will evaluate all assurances submitted in accordance with this policy through such officers and employees of the department or agency and such experts or consultants engaged for this purpose as the department or agency head determines to be appropriate. The department or agency head’s evaluation will take into consideration the adequacy of the proposed IRB in light of the anticipated scope of the institution’s research activities and the types of subject populations likely to be involved, the appropriateness of the proposed initial and continuing review procedures in light of the probable risks, and the size and complexity of the institution.

(e) On the basis of this evaluation, the department or agency head may approve or disapprove the assurance, or enter into negotiations to develop an approvable one. The department or agency head may limit the period during which any particular approved assurance or class of approved assurances shall remain effective or otherwise condition or restrict approval.

(f) Certification is required when the research is supported by a federal department or agency and not otherwise exempted or waived under § 46.101 (b) or (i). An institution with an approved assurance shall certify that each application or proposal for research covered by the assurance and by § 46.103 of this Policy has been reviewed and approved by the IRB. Such certification must be submitted with the application or proposal or by such later date as may be prescribed by the department or agency to which the application or proposal is submitted. Under no condition shall research covered by § 46.103 of the Policy be supported prior to receipt of the certification that the research has been reviewed and approved by the IRB. Institutions without an approved assurance covering the research shall certify within 30 days after receipt of a request for such a certification from the department or agency, that the application or proposal has been approved by the IRB. If the certification is not submitted within these time limits, the application or proposal may be returned to the institution.

§§ 46.104–46.106 [Reserved]

§ 46.107 IRB membership.

(a) Each IRB shall have at least five members, with varying backgrounds to promote complete and adequate review of research activities commonly conducted by the institution. The IRB shall be sufficiently qualified through the experience and expertise of its members, and the diversity of the members, including consideration of race, gender, and cultural backgrounds and sensitivity to such issues as community attitudes, to promote respect for its advice and counsel in safeguarding the rights and welfare of human subjects. In addition to possessing the professional competence necessary to review specific research activities, the IRB shall be able to ascertain the acceptability of proposed research in terms of institutional commitments and regulations, applicable
law, and standards of professional conduct and practice. The IRB shall therefore include persons knowledgeable in these areas. If an IRB regularly reviews research that involves a vulnerable category of subjects, such as children, prisoners, pregnant women, or handicapped or mentally disabled persons, consideration shall be given to the inclusion of one or more individuals who are knowledgeable about and experienced in working with these subjects.

(b) Every nondiscriminatory effort will be made to ensure that no IRB consists entirely of men or entirely of women, including the institution’s consideration of qualified persons of both sexes, so long as no selection is made to the IRB on the basis of gender. No IRB may consist entirely of members of one profession.

(c) Each IRB shall include at least one member whose primary concerns are in scientific areas and at least one member whose primary concerns are in nonscientific areas.

(d) Each IRB shall include at least one member who is not otherwise affiliated with the institution and who is not part of the immediate family of a person who is affiliated with the institution.

(e) No IRB may have a member participate in the IRB’s initial or continuing review of any project in which the member has a conflicting interest, except to provide information requested by the IRB.

(f) An IRB may, in its discretion, invite individuals with competence in special areas to assist in the review of issues which require expertise beyond or in addition to that available on the IRB. These individuals may not vote with the IRB.

§ 46.108 IRB functions and operations.

In order to fulfill the requirements of this policy each IRB shall:

(a) Follow written procedures in the same detail as described in §46.103(b)(4) and, to the extent required by, §46.103(b)(5).

(b) Except when an expedited review procedure is used (see §46.110), review proposed research at convened meetings at which a majority of the members of the IRB are present, including at least one member whose primary concerns are in nonscientific areas. In order for the research to be approved, it shall receive the approval of a majority of those members present at the meeting.

§ 46.109 IRB review of research.

(a) An IRB shall review and have authority to approve, require modifications in (to secure approval), or disapprove all research activities covered by this policy.

(b) An IRB shall require that information given to subjects as part of informed consent is in accordance with §46.116. The IRB may require that information, in addition to that specifically mentioned in §46.116, be given to the subjects when in the IRB’s judgment the information would meaningfully add to the protection of the rights and welfare of subjects.

(c) An IRB shall require documentation of informed consent or may waive documentation in accordance with §46.117.

(d) An IRB shall notify investigators and the institution in writing of its decision to approve or disapprove the proposed research activity, or of modifications required to secure IRB approval of the research activity. If the IRB decides to disapprove a research activity, it shall include in its written notification a statement of the reasons for its decision and give the investigator an opportunity to respond in person or in writing.

(e) An IRB shall conduct continuing review of research covered by this policy at intervals appropriate to the degree of risk, but not less than once per year, and shall have authority to observe or have a third party observe the consent process and the research.

(Approved by the Office of Management and Budget under Control Number 0990–0260)

§ 46.110 Expedited review procedures for certain kinds of research involving no more than minimal risk, and for minor changes in approved research.

(a) The Secretary, HHS, has established, and published as a Notice in the Federal Register, a list of categories of research that may be reviewed by
the IRB through an expedited review procedure. The list will be amended, as appropriate after consultation with other departments and agencies, through periodic republication by the Secretary, HHS, in the FEDERAL REGISTER. A copy of the list is available from the Office for Human Research Protections, HHS, or any successor office.

(b) An IRB may use the expedited review procedure to review either or both of the following:

(1) Some or all of the research appearing on the list and found by the reviewer(s) to involve no more than minimal risk.
(2) Minor changes in previously approved research during the period (of one year or less) for which approval is authorized.

Under an expedited review procedure, the review may be carried out by the IRB chairperson or by one or more experienced reviewers designated by the chairperson from among members of the IRB. In reviewing the research, the reviewers may exercise all of the authorities of the IRB except that the reviewers may not disapprove the research. A research activity may be disapproved only after review in accordance with the non-expedited procedure set forth in §46.108(b).

(c) Each IRB which uses an expedited review procedure shall adopt a method for keeping all members advised of research proposals which have been approved under the procedure.

(d) The department or agency head may restrict, suspend, terminate, or choose not to authorize an institution’s or IRB’s use of the expedited review procedure.

§ 46.111 Criteria for IRB approval of research.

(a) In order to approve research covered by this policy the IRB shall determine that all of the following requirements are satisfied:

(1) Risks to subjects are minimized:
   (i) By using procedures which are consistent with sound research design and which do not unnecessarily expose subjects to risk, and (ii) whenever appropriate, by using procedures already being performed on the subjects for diagnostic or treatment purposes.
   (2) Risks to subjects are reasonable in relation to anticipated benefits, if any, to subjects, and the importance of the knowledge that may reasonably be expected to result. In evaluating risks and benefits, the IRB should consider only those risks and benefits that may result from the research (as distinguished from risks and benefits of therapies subjects would receive even if not participating in the research). The IRB should not consider possible long-range effects of applying knowledge gained in the research (for example, the possible effects of the research on public policy) as among those research risks that fall within the purview of its responsibility.
   (3) Selection of subjects is equitable. In making this assessment the IRB should take into account the purposes of the research and the setting in which the research will be conducted and should be particularly cognizant of the special problems of research involving vulnerable populations, such as children, prisoners, pregnant women, mentally disabled persons, or economically or educationally disadvantaged persons.
   (4) Informed consent will be sought from each prospective subject or the subject’s legally authorized representative, in accordance with, and to the extent required by §46.116.
   (5) Informed consent will be appropriately documented, in accordance with, and to the extent required by §46.117.
   (6) When appropriate, the research plan makes adequate provision for monitoring the data collected to ensure the safety of subjects.
   (7) When appropriate, there are adequate provisions to protect the privacy of subjects and to maintain the confidentiality of data.

(b) When some or all of the subjects are likely to be vulnerable to coercion or undue influence, such as children, prisoners, pregnant women, mentally disabled persons, or economically or educationally disadvantaged persons, additional safeguards have been included in the study to protect the rights and welfare of these subjects.
§ 46.112 Review by institution.

Research covered by this policy that has been approved by an IRB may be subject to further appropriate review and approval or disapproval by officials of the institution. However, those officials may not approve the research if it has not been approved by an IRB.

§ 46.113 Suspension or termination of IRB approval of research.

An IRB shall have authority to suspend or terminate approval of research that is not being conducted in accordance with the IRB’s requirements or that has been associated with unexpected serious harm to subjects. Any suspension or termination of approval shall include a statement of the reasons for the IRB’s action and shall be reported promptly to the investigator, appropriate institutional officials, and the department or agency head.

§ 46.114 Cooperative research.

Cooperative research projects are those projects covered by this policy which involve more than one institution. In the conduct of cooperative research projects, each institution is responsible for safeguarding the rights and welfare of human subjects and for complying with this policy. With the approval of the department or agency head, an institution participating in a cooperative project may enter into a joint review arrangement, rely upon the review of another qualified IRB, or make similar arrangements for avoiding duplication of effort.

§ 46.115 IRB records.

(a) An institution, or when appropriate an IRB, shall prepare and maintain adequate documentation of IRB activities, including the following:

(1) Copies of all research proposals reviewed, scientific evaluations, if any, that accompany the proposals, approved sample consent documents, progress reports submitted by investigators, and reports of injuries to subjects.

(2) Minutes of IRB meetings which shall be in sufficient detail to show attendance at the meetings; actions taken by the IRB; the vote on these actions including the number of members voting for, against, and abstaining; the basis for requiring changes in or disapproving research; and a written summary of the discussion of controverted issues and their resolution.

(3) Records of continuing review activities.

(4) Copies of all correspondence between the IRB and the investigators.

(5) A list of IRB members in the same detail as described in §46.103(b)(3).

(6) Written procedures for the IRB in the same detail as described in §46.103(b)(4) and §46.103(b)(5).

(7) Statements of significant new findings provided to subjects, as required by §46.116(b)(5).

(b) The records required by this policy shall be retained for at least 3 years, and records relating to research which is conducted shall be retained for at least 3 years after completion of the research. All records shall be accessible for inspection and copying by authorized representatives of the department or agency at reasonable times and in a reasonable manner.

§ 46.116 General requirements for informed consent.

Except as provided elsewhere in this policy, no investigator may involve a human being as a subject in research covered by this policy unless the investigator has obtained the legally effective informed consent of the subject or the subject’s legally authorized representative. An investigator shall seek such consent only under circumstances that provide the prospective subject or the representative sufficient opportunity to consider whether or not to participate and that minimize the possibility of coercion or undue influence. The information that is given to the subject or the representative shall be in language understandable to the subject or the representative. No informed consent, whether oral or written, may include any exculpatory language
§46.116 28 CFR Ch. I (7–1–17 Edition)

through which the subject or the representative is made to waive or appear to waive any of the subject’s legal rights, or releases or appears to release the investigator, the sponsor, the institution or its agents from liability for negligence.

(a) Basic elements of informed consent. Except as provided in paragraph (c) or (d) of this section, in seeking informed consent the following information shall be provided to each subject:

1. A statement that the study involves research, an explanation of the purposes of the research and the expected duration of the subject’s participation, a description of the procedures to be followed, and identification of any procedures which are experimental;

2. A description of any reasonably foreseeable risks or discomforts to the subject;

3. A description of any benefits to the subject or to others which may reasonably be expected from the research;

4. A disclosure of appropriate alternative procedures or courses of treatment, if any, that might be advantageous to the subject;

5. A statement describing the extent, if any, to which confidentiality of records identifying the subject will be maintained;

6. For research involving more than minimal risk, an explanation as to whether any compensation and an explanation as to whether any medical treatments are available if injury occurs and, if so, what they consist of, or where further information may be obtained;

7. An explanation of whom to contact for answers to pertinent questions about the research and research subjects’ rights, and whom to contact in the event of a research-related injury to the subject; and

8. A statement that participation is voluntary, refusal to participate will involve no penalty or loss of benefits to which the subject is otherwise entitled, and the subject may discontinue participation at any time without penalty or loss of benefits to which the subject is otherwise entitled.

(b) Additional elements of informed consent. When appropriate, one or more of the following elements of information shall also be provided to each subject:

1. A statement that the particular treatment or procedure may involve risks to the subject (or to the embryo or fetus, if the subject is or may become pregnant) which are currently unforeseeable;

2. Anticipated circumstances under which the subject’s participation may be terminated by the investigator without regard to the subject’s consent;

3. Any additional costs to the subject that may result from participation in the research;

4. The consequences of a subject’s decision to withdraw from the research and procedures for orderly termination of participation by the subject;

5. A statement that significant new findings developed during the course of the research which may relate to the subject’s willingness to continue participation will be provided to the subject; and

6. The approximate number of subjects involved in the study.

(c) An IRB may approve a consent procedure which does not include, or which alters, some or all of the elements of informed consent set forth in this section, or waive the requirements to obtain informed consent provided the IRB finds and documents that:

1. The research or demonstration project is to be conducted by or subject to the approval of state or local government officials and is designed to study, evaluate, or otherwise examine:
   (i) Public benefit of service programs;
   (ii) Procedures for obtaining benefits or services under those programs;
   (iii) Possible changes in or alternatives to those programs or procedures; or
   (iv) Possible changes in methods or levels of payment for benefits or services under those programs; and

2. The research could not practically be carried out without the waiver or alteration.

(d) An IRB may approve a consent procedure which does not include, or which alters, some or all of the elements of informed consent set forth in this section, or waive the requirements to obtain informed consent provided the IRB finds and documents that:
(1) The research involves no more than minimal risk to the subjects;
(2) The waiver or alteration will not adversely affect the rights and welfare of the subjects;
(3) The research could not practically be carried out without the waiver or alteration; and
(4) Whenever appropriate, the subjects will be provided with additional pertinent information after participation.

(e) The informed consent requirements in this policy are not intended to preempt any applicable federal, state, or local laws which require additional information to be disclosed in order for informed consent to be legally effective.

(f) Nothing in this policy is intended to limit the authority of a physician to provide emergency medical care, to the extent the physician is permitted to do so under applicable federal, state, or local law.

§ 46.117 Documentation of informed consent.
(a) Except as provided in paragraph (c) of this section, informed consent shall be documented by the use of a written consent form approved by the IRB and signed by the subject or the subject's legally authorized representative. A copy shall be given to the person signing the form.

(b) Except as provided in paragraph (c) of this section, the consent form may be either of the following:
(1) A written consent document that embodies the elements of informed consent required by §46.116. This form may be read to the subject or the subject's legally authorized representative, but in any event, the investigator shall give either the subject or the representative adequate opportunity to read it before it is signed; or
(2) A short form written consent document stating that the elements of informed consent required by §46.116 have been presented orally to the subject or the subject's legally authorized representative. When this method is used, there shall be a witness to the oral presentation. Also, the IRB shall approve a written summary of what is to be said to the subject or the representative. Only the short form itself is to be signed by the subject or the representative. However, the witness shall sign both the short form and a copy of the summary, and the person actually obtaining consent shall sign a copy of the summary. A copy of the summary shall be given to the subject or the representative, in addition to a copy of the short form.

(c) An IRB may waive the requirement for the investigator to obtain a signed consent form for some or all subjects if it finds either:
(1) That the only record linking the subject and the research would be the consent document and the principal risk would be potential harm resulting from a breach of confidentiality. Each subject will be asked whether the subject wants documentation linking the subject with the research, and the subject’s wishes will govern; or
(2) That the research presents no more than minimal risk of harm to subjects and involves no procedures for which written consent is normally required outside of the research context. In cases in which the documentation requirement is waived, the IRB may require the investigator to provide subjects with a written statement regarding the research.

§ 46.118 Applications and proposals lacking definite plans for involvement of human subjects.
Certain types of applications for grants, cooperative agreements, or contracts are submitted to departments or agencies with the knowledge that subjects may be involved within the period of support, but definite plans would not normally be set forth in the application or proposal. These include activities such as institutional type grants when selection of specific projects is the institution’s responsibility; research training grants in which the activities involving subjects remain to be selected; and projects in which human subjects’ involvement will depend upon
completion of instruments, prior animal studies, or purification of compounds. These applications need not be reviewed by an IRB before an award may be made. However, except for research exempted or waived under §46.101 (b) or (i), no human subjects may be involved in any project supported by these awards until the project has been reviewed and approved by the IRB, as provided in this policy, and certification submitted, by the institution, to the department or agency.

§46.119 Research undertaken without the intention of involving human subjects.

In the event research is undertaken without the intention of involving human subjects, but it is later proposed to involve human subjects in the research, the research shall first be reviewed and approved by an IRB, as provided in this policy, a certification submitted, by the institution, to the department or agency, and final approval given to the proposed change by the department or agency.

§46.120 Evaluation and disposition of applications and proposals for research to be conducted or supported by a Federal Department or Agency.

(a) The department or agency head will evaluate all applications and proposals involving human subjects submitted to the department or agency through such officers and employees of the department or agency and such experts and consultants as the department or agency head determines to be appropriate. This evaluation will take into consideration the risks to the subjects, the adequacy of protection against these risks, the potential benefits of the research to the subjects and others, and the importance of the knowledge gained or to be gained.

(b) On the basis of this evaluation, the department or agency head may approve or disapprove the application or proposal, or enter into negotiations to develop an approvable one.

§46.121 [Reserved]

§46.122 Use of Federal funds.

Federal funds administered by a department or agency may not be expended for research involving human subjects unless the requirements of this policy have been satisfied.

§46.123 Early termination of research support: Evaluation of applications and proposals.

(a) The department or agency head may require that department or agency support for any project be terminated or suspended in the manner prescribed in applicable program requirements, when the department or agency head finds an institution has materially failed to comply with the terms of this policy.

(b) In making decisions about supporting or approving applications or proposals covered by this policy the department or agency head may take into account, in addition to all other eligibility requirements and program criteria, factors such as whether the applicant has been subject to a termination or suspension under paragraph (a) of this section and whether the applicant or the person or persons who would direct or have directed the scientific and technical aspects of an activity has have, in the judgment of the department or agency head, materially failed to discharge responsibility for the protection of the rights and welfare of human subjects (whether or not the research was subject to federal regulation).

§46.124 Conditions.

With respect to any research project or any class of research projects the department or agency head may impose additional conditions prior to or at the time of approval when in the judgment of the department or agency head additional conditions are necessary for the protection of human subjects.

(c) The Assistant Attorney General for Administration shall procure the services of a stenographic reporter. One copy of the transcript produced shall be placed in the public docket. Additional copies may be purchased from the reporter or, if the arrangement with the reporter permits, from the Department of Justice at its cost.

(d) Following the hearing the administrative law judge shall render to the Attorney General his recommendation that the proposed arrangement be approved or denied approval in accordance with the standards of the Act. The
§ 48.11 Intervention in hearings.

(a) Any person may intervene as a party in a hearing held under these regulations if (1) he has an interest which may be affected by the Attorney General's decision, and (2) it appears that his interest may not be adequately represented by existing parties.

(b) Application for intervention shall be made by filing in accordance with § 48.3(a) and (b), within 20 days after a hearing has been ordered, a statement of the nature of the applicant's interest, the way in which it may be affected, the facts and reasons in support thereof and the reasons why the applicant's interest may not be adequately represented by existing parties.

(c) Existing parties may file a statement in opposition to or in support of an application to intervene within 10 days of the filing of the application.

(d) Applications for intervention shall be decided by the Attorney General.

(e) Intervenors shall have the same rights as existing parties in connection with any hearing held under these regulations.

§ 48.12 Ex parte communications.

No person shall communicate on any matter related to these proceedings with the administrative law judge, the Attorney General or anyone having decisional responsibility, except as provided in these regulations.

§ 48.13 Record for decision.

(a) The record on which the Attorney General shall base his decision in the event a hearing is not held shall be comprised of all material filed in accordance with these regulations, including any material that has been ordered withheld from public disclosure.

(b) If a hearing is held, the record on which the Attorney General shall base his decision shall consist exclusively of the hearing record, the examiner's recommendation and any exceptions and responses filed with respect thereto.

§ 48.14 Decision by the Attorney General.

(a) The Attorney General shall decide, on the basis of the record as constituted in accordance with § 48.13, whether approval is warranted under the Act. In rendering his decision, the Attorney General shall file therewith a statement of his findings and conclusions and the reasons therefor, or where a hearing has been held, he may adopt the findings and conclusions of the administrative law judge.

(b) Approval of a proposed arrangement by the Attorney General shall not become effective until the tenth day after the filing of the Attorney General's decision as provided in this section.

§ 48.15 Temporary approval.

(a) If the Attorney General concludes that one or more of the newspapers involved would otherwise fail before the procedures under these regulations can be completed, he may grant temporary approval of whatever form of joint or unified action would be lawful under the Act if performed as part of an approved joint newspaper operating arrangement, and that he concludes is: (1) Essential to the survival of the newspaper or newspapers; and (2) most likely capable of being terminated without impairment to the ability of both newspapers to resume independent operation should final approval eventually be denied.

(b) Upon the filing of a request for temporary approval, the applicants shall publish notice of such application on the front pages of their respective
newspapers for a period of three consecutive days in the case of daily newspapers or in the next issue in the case of weekly newspapers. The notice shall state:

(1) That a request for temporary approval of a joint operating arrangement or other joint or unified action has been made to the Attorney General; and

(2) That anyone wishing to protest the application for temporary approval may do so by delivering a statement of protest or telephoning his views to an employee of the Department of Justice, whose name, address and telephone number shall be designated by the Department upon receipt of the application for temporary approval, and that such protest must be received by the Department within five days of the first publication of notice in accordance with paragraph (a) of this section.

(c) The notice required by this section shall be in addition to the notice required by §48.6.

(d) Such temporary approval may be granted without hearing at any time following the expiration of the period provided for protests, but shall create no presumption that final approval will be granted.

§48.16 Procedure for filing of terms of a renewal or amendment to an existing joint newspaper operating arrangement.

Within 30 days after a renewal of or an amendment to the terms of an existing arrangement, the parties to said renewal or amendment shall file five copies of the agreement of renewal or amendment. In the case of an amendment, the parties shall also file copies of the amended portion of the original agreement.

§ 49.3 Examination of the material.

Documentary material, answers to interrogatories, or transcripts of oral testimony produced pursuant to the Act, while in the custody of the custodian, shall be for the official use of officers, employees, and agents of the Department of Justice in accordance with the Act. Upon reasonable notice to the custodian—

(a) Such documentary material or answers to interrogatories shall be made available for examination by the person who produced such documentary material or answers to interrogatories, or by any duly authorized representative of such person; and

(b) Such transcripts of oral testimony shall be made available for examination by the person who produced such testimony, or by such person’s counsel, during regular office hours established for the Department of Justice. Examination of such documentary material, answers to interrogatories, or transcripts of oral testimony at other times may be authorized by the Assistant Attorney General or the custodian.

§ 49.4 Deputy custodians.

Deputy custodians may perform such of the duties assigned to the custodian as may be authorized or required by the Assistant Attorney General.

§ 50.2 Release of information by personnel of the Department of Justice relating to criminal and civil proceedings.

(a) General. (1) The availability to news media of information in criminal and civil cases is a matter which has become increasingly a subject of concern in the administration of justice. The purpose of this statement is to formulate specific guidelines for the release of such information by personnel of the Department of Justice.

(2) While the release of information for the purpose of influencing a trial is, of course, always improper, there are valid reasons for making available to
the public information about the administration of the law. The task of striking a fair balance between the protection of individuals accused of crime or involved in civil proceedings with the Government and public understandings of the problems of controlling crime and administering government depends largely on the exercise of sound judgment by those responsible for administering the law and by representatives of the press and other media.

(3) Inasmuch as the Department of Justice has generally fulfilled its responsibilities with awareness and understanding of the competing needs in this area, this statement, to a considerable extent, reflects and formalizes the standards to which representatives of the Department have adhered in the past. Nonetheless, it will be helpful in ensuring uniformity of practice to set forth the following guidelines for all personnel of the Department of Justice.

(4) Because of the difficulty and importance of the questions they raise, it is felt that some portions of the matters covered by this statement, such as the authorization to make available Federal conviction records and a description of items seized at the time of arrest, should be the subject of continuing review and consideration by the Department on the basis of experience and suggestions from those within and outside the Department.

(b) Guidelines to criminal actions. (1) These guidelines shall apply to the release of information to news media from the time a person is the subject of a criminal investigation until any proceeding resulting from such an investigation has been terminated by trial or otherwise.

(2) At no time shall personnel of the Department of Justice furnish any statement or information for the purpose of influencing the outcome of a defendant’s trial, nor shall personnel of the Department furnish any statement or information, which could reasonably be expected to influence the outcome of a pending or future trial.

(3) Personnel of the Department of Justice, subject to specific limitations imposed by law or court rule or order, may make public the following information:

(i) The defendant’s name, age, residence, employment, marital status, and similar background information.

(ii) The substance or text of the charge, such as a complaint, indictment, or information.

(iii) The identity of the investigating and/or arresting agency and the length or scope of an investigation.

(iv) The circumstances immediately surrounding an arrest, including the time and place of arrest, resistance, pursuit, possession and use of weapons, and a description of physical items seized at the time of arrest.

Disclosures should include only incontrovertible, factual matters, and should not include subjective observations. In addition, where background information or information relating to the circumstances of an arrest or investigation would be highly prejudicial or where the release thereof would serve no law enforcement function, such information should not be made public.

(4) Personnel of the Department shall not disseminate any information concerning a defendant’s prior criminal record.

(5) Because of the particular danger of prejudice resulting from statements in the period approaching and during trial, they ought strenuously to be avoided during that period. Any such statement or release shall be made only on the infrequent occasion when circumstances absolutely demand a disclosure of information and shall include only information which is clearly not prejudicial.

(6) The release of certain types of information generally tends to create dangers of prejudice without serving a significant law enforcement function. Therefore, personnel of the Department should refrain from making available the following:

(i) Observations about a defendant’s character.

(ii) Statements, admissions, confessions, or alibis attributable to a defendant, or the refusal or failure of the accused to make a statement.
§ 50.3 Guidelines for the enforcement of title VI, Civil Rights Act of 1964.

(a) Where the heads of agencies having responsibilities under title VI of the Civil Rights Act of 1964 conclude there is noncompliance with regulations issued under that title, several alternative courses of action are open. In each case, the objective should be to secure prompt and full compliance so that needed Federal assistance may commence or continue.

(b) Primary responsibility for prompt and vigorous enforcement of title VI rests with the head of each department and agency administering programs of Federal financial assistance. Title VI itself and relevant Presidential directives preserve in each agency the authority and the duty to select, from among the available sanctions, the methods best designed to secure compliance in individual cases. The decision to terminate or refuse assistance is to be made by the agency head or his designated representative.

(c) This statement is intended to provide procedural guidance to the responsible department and agency officials in exercising their statutory discretion and in selecting, for each noncompliance situation, a course of action that fully conforms to the letter and spirit of section 602 of the Act and to the implementing regulations promulgated thereunder.

(iii) Reference to investigative procedures such as fingerprints, polygraph examinations, ballistic tests, or laboratory tests, or to the refusal by the defendant to submit to such tests or examinations.

(iv) Statements concerning the identity, testimony, or credibility of prospective witnesses.

(v) Statements concerning evidence or argument in the case, whether or not it is anticipated that such evidence or argument will be used at trial.

(vi) Any opinion as to the accused’s guilt, or the possibility of a plea of guilty to the offense charged, or the possibility of a plea to a lesser offense.

(7) Personnel of the Department of Justice should take no action to encourage or assist news media in photographing or televising a defendant or accused person being held or transported in Federal custody. Departmental representatives should not make available photographs of a defendant unless a law enforcement function is served thereby.

(8) This statement of policy is not intended to restrict the release of information concerning a defendant who is a fugitive from justice.

(9) Since the purpose of this statement is to set forth generally applicable guidelines, there will, of course, be situations in which it will limit the release of information which would not be prejudicial under the particular circumstances. If a representative of the Department believes that in the interest of the fair administration of justice and the law enforcement process information beyond these guidelines should be released, in a particular case, he shall request the permission of the Attorney General or the Deputy Attorney General to do so.

(c) Guidelines to civil actions. Personnel of the Department of Justice associated with a civil action shall not during its investigation or litigation make or participate in making an extrajudicial statement, other than a quotation from or reference to public records, which a reasonable person would expect to be disseminated by means of public communication if there is a reasonable likelihood that such dissemination will interfere with a fair trial and which relates to:

(1) Evidence regarding the occurrence or transaction involved.

(2) The character, credibility, or criminal records of a party, witness, or prospective witness.

(3) The performance or results of any examinations or tests or the refusal or failure of a party to submit to such.

(4) An opinion as to the merits of the claims or defenses of a party, except as required by law or administrative rule.

(5) Any other matter reasonably likely to interfere with a fair trial of the action.

I. ALTERNATIVE COURSES OF ACTION

A. ULTIMATE SANCTIONS

The ultimate sanctions under title VI are the refusal to grant an application for assistance and the termination of assistance being rendered. Before these sanctions may be invoked, the Act requires completion of the procedures called for by section 602. That section requires the department or agency concerned (1) to determine that compliance cannot be secured by voluntary means, (2) to consider alternative courses of action consistent with achievement of the objectives of the statutes authorizing the particular financial assistance, (3) to afford the applicant an opportunity for a hearing, and (4) to complete the other procedural steps outlined in section 602, including notification to the appropriate committees of the Congress.

In some instances, as outlined below, it is legally permissible temporarily to defer action on an application for assistance, pending initiation and completion of section 602 procedures—including attempts to secure voluntary compliance with title VI. Normally, this course of action is appropriate only with respect to applications for noncontinuing assistance or initial applications for programs of continuing assistance. It is not available where Federal financial assistance is due and payable pursuant to a previously approved application.

Whenever action upon an application is deferred pending the outcome of a hearing and subsequent section 602 procedures, the efforts to secure voluntary compliance and the hearing and such subsequent procedures, if found necessary, should be conducted without delay and completed as soon as possible.

B. AVAILABLE ALTERNATIVES

1. Court Enforcement

Compliance with the nondiscrimination mandate of title VI may often be obtained more promptly by appropriate court action than by hearings and termination of assistance. Possibilities of judicial enforcement include (1) a suit to obtain specific enforcement of assurances, covenants running with federally provided property, statements or compliance or desegregation plans filed pursuant to agency regulations, (2) a suit to enforce compliance with other titles of the 1964 Act, other Civil Rights Acts, or constitutional or statutory provisions requiring nondiscrimination, and (3) initiation of, or intervention in, other participation in, a suit for other relief designed to secure compliance.

The possibility of court enforcement should not be rejected without consulting the Department of Justice. Once litigation has been begun, the affected agency should consult with the Department of Justice before taking any further action with respect to the noncomplying party.

2. Administrative Action

A number of effective alternative courses not involving litigation may also be available in many cases. These possibilities include (1) consulting with or seeking assistance from other Federal agencies (such as the Contract Compliance Division of the Department of Labor) having authority to enforce nondiscrimination requirements; (2) consulting with or seeking assistance from State or local agencies having such authority; (3) bypassing a recalcitrant central agency applicant in order to obtain assurances from, or to grant assistance to complying local agencies; and (4) bypassing all recalcitrant non-Federal agencies and providing assistance directly to the complying ultimate beneficiaries. The possibility of utilizing such administrative alternatives should be considered at all stages of enforcement and used as appropriate or feasible.

C. INDUCING VOLUNTARY COMPLIANCE

Title VI requires that a concerted effort be made to persuade any noncomplying applicant or recipient voluntarily to comply with title VI. Efforts to secure voluntary compliance should be undertaken at the outset in every noncompliance situation and should be pursued through each stage of enforcement action. Similarly, where an applicant fails to file an adequate assurance or apparently breaches its terms, notice should be promptly given of the nature of the noncompliance and of the possible consequences thereof, and an immediate effort made to secure voluntary compliance.

II. PROCEDURES

A. NEW APPLICATIONS

The following procedures are designed to apply in cases of noncompliance involving applications for one-time or noncontinuing assistance and initial applications for new or existing programs of continuing assistance.

1. Where the Requisite Assurance Has Not Been Filed or Is Inadequate on Its Face.

Where the assurance, statement of compliance or plan of desegregation required by agency regulations has not been filed or where, in the judgment of the head of the agency in question, the filed assurance fails on its face to satisfy the regulations, the agency head should defer action on the application pending prompt initiation and completion of section 602 procedures. The applicant should be notified immediately and attempts made to secure voluntary compliance. If such efforts fail, the applicant should promptly be offered a hearing for the purpose of determining whether an adequate assurance has in fact been filed.

If it is found that an adequate assurance has not been filed, and if administrative alternatives are ineffective or inappropriate,
and court enforcement is not feasible, section 602 procedures may be completed and assistance finally refused.

2. Where it Appears that the Field Assurance Is Untrue or Is Not Being Honored.

Where an otherwise adequate assurance, statement of compliance, or plan has been filed in connection with an application for assistance, but prior to completion of action on the application the head of the agency in question has reasonable grounds, based on a substantiated complaint, the agency's own investigation, or otherwise, to believe that the representations as to compliance are in some material respect untrue or are not being honored, the agency head may defer action on the application pending prompt initiation and completion of section 602 procedures. The applicant should be notified immediately and attempts made to secure voluntary compliance. If such efforts fail and court enforcement is determined to be ineffective or inadequate, a hearing should be promptly initiated to determine whether, in fact, there is noncompliance.

If noncompliance is found, and if administrative alternatives are ineffective or inappropriate and court enforcement is still not feasible, section 602 procedures may be completed and assistance finally refused.

The above-described deferral and related compliance procedures would normally be appropriate in cases of an application for noncontinuing assistance. In the case of an initial application for a new or existing program of continuing assistance, deferral would often be less appropriate because of the opportunity to secure full compliance during the life of the assistance program. In those cases in which the agency does not defer action on the application, the applicant should be given prompt notice of the asserted noncompliance; funds should be paid out for short periods only, with no long-term commitment of assistance given; and the applicant advised that acceptance of the funds carries an enforceable obligation of non-discrimination and the risk of invocation of severe sanctions, if noncompliance in fact is found.

B. REQUESTS FOR CONTINUATION OR RENEWAL OF ASSISTANCE

The following procedures are designed to apply in cases of noncompliance involving all submissions seeking continuation or renewal under programs of continuing assistance.

In cases in which commitments for Federal financial assistance have been made prior to the effective date of title VI regulations and funds have not been fully disbursed, or in which there is provision for future periodic payments to continue the program or activity for which a present recipient has previously applied and qualified, or in which assistance is given without formal application pursuant to statutory direction or authorization, the responsible agency may nonetheless require an assurance, statement of compliance, or plan in connection with disbursement or further funds. However, once a particular program grant or loan has been made or an application for a certain type of assistance for a specific or indefinite period has been approved, no funds due and payable pursuant to that grant, loan, or application, may normally be deferred or withheld without first completing the procedures prescribed in section 602.

Accordingly, where the assurance, statement of compliance, or plan required by agency regulations has not been filed or where, in the judgment of the head of the agency in question, the filed assurance fails on its face to satisfy the regulations, or there is reasonable cause to believe it untrue or not being honored, the agency head should, if efforts to secure voluntary compliance are unsuccessful, promptly institute a hearing to determine whether an adequate assurance has in fact been filed, or whether, in fact, there is noncompliance, as the case may be. There should ordinarily be no deferral of action on the submission or withholding of funds in this class of cases, although the limitation of the payout of funds to short periods may appropriately be ordered. If noncompliance is found, and if administrative alternatives are ineffective or inappropriate and court enforcement is not feasible, section 602 procedures may be completed and assistance terminated.

C. SHORT-TERM PROGRAMS

Special procedures may sometimes be required where there is noncompliance with title VI regulations in connection with a program of such short total duration that all assistance funds will have to be paid out before the agency's usual administrative procedures can be completed and where deferral in accordance with these guidelines would be tantamount to a final refusal to grant assistance.

In such a case, the agency head may, although otherwise following these guidelines, suspend normal agency procedures and institute expedited administrative proceedings to determine whether the regulations have been violated. He should simultaneously refer the matter to the Department of Justice for consideration of possible court enforcement, including interim injunctive relief. Deferral of action on an application is appropriate, in accordance with these guidelines, for a reasonable period of time, provided such action is consistent with achievement of the objectives of the statute authorizing the financial assistance in connection with the action taken. As in other cases, where noncompliance is found in the hearing proceeding, and
if administrative alternatives are ineffective or inappropriate and court enforcement is not feasible, section 602 procedures may be completed and assistance finally refused.

III. PROCEDURES IN CASES OF SUBGRANTEES

In situations in which applications for Federal assistance are approved by some agency other than the Federal granting agency, the same rules and procedures would apply. Thus, the Federal Agency should instruct the approving agency—typically a State agency—to defer approval or refuse to grant funds, in individual cases in which such action would be taken by the original granting agency itself under the above procedures. Provision should be made for appropriate notice of such action to the Federal agency which retains responsibility for compliance with section 602 procedures.

IV. EXCEPTIONAL CIRCUMSTANCES

The Attorney General should be consulted in individual cases in which the head of an agency believes that the objectives of title VI will be best achieved by proceeding other than as provided in these guidelines.

V. COORDINATION

While primary responsibility for enforcement of title VI rests directly with the head of each agency, in order to assure coordination of title VI enforcement and consistency among agencies, the Department of Justice should be notified in advance of applications on which action is to be deferred, hearings to be scheduled, and refusals and terminations of assistance or other enforcement actions or procedures to be undertaken. The Department also should be kept advised of the progress and results of hearings and other enforcement actions.

[31 FR 5292, Apr. 2, 1966]

§ 50.5 Notification of Consular Officers upon the arrest of foreign nationals.

(a) This statement is designed to establish a uniform procedure for consular notification where nationals of foreign countries are arrested by officers of this Department on charges of criminal violations. It conforms to practice under international law and in particular implements obligations undertaken by the United States pursuant to treaties with respect to the arrest and detention of foreign nationals. Some of the treaties obligate the United States to notify the consular officer only upon the demand or request of the arrested foreign national. On the other hand, some of the treaties require notifying the consul of the arrest of a foreign national whether or not the arrested person requests such notification.

(1) In every case in which a foreign national is arrested the arresting officer shall inform the foreign national that his consul will be advised of his arrest unless he does not wish such notification to be given. If the foreign national does not wish to have his consul notified, the arresting officer shall also inform him that in the event there is a treaty in force between the United States and his country which requires such notification, his consul must be notified regardless of his wishes and, if such is the case, he will be advised of such notification by the U.S. Attorney.

(2) In all cases (including those where the foreign national has stated that he does not wish his consul to be notified) the local office of the Federal Bureau of Investigation or the local Marshal’s office, as the case may be, shall inform the nearest U.S. Attorney of the arrest and of the arrested person’s wishes regarding consular notification.

(3) The U.S. Attorney shall then notify the appropriate consul except where he has been informed that the foreign national does not desire such notification to be made. However, if there is a treaty provision in effect which requires notification of consul, without reference to a demand or request of the arrested national, the consul shall be notified even if the arrested person has asked that he not be notified. In such case, the U.S. Attorney shall advise the foreign national that his consul has been notified and inform him that notification was necessary because of the treaty obligation.

(b) The procedure prescribed by this statement shall not apply to cases involving arrests made by the Immigration and Naturalization Service in administrative expulsion or exclusion proceedings, since that Service has heretofore established procedures for the direct notification of the appropriate consular officer upon such arrest. With respect to arrests made by the Service for violations of the criminal provisions of the immigration laws, the U.S. Marshal, upon delivery of the foreign national into his custody, shall be responsible for informing the U.S.
§ 50.6 Antitrust Division business review procedure.

Although the Department of Justice is not authorized to give advisory opinions to private parties, for several decades the Antitrust Division has been willing in certain circumstances to review proposed business conduct and state its enforcement intentions. This originated with a “railroad release” procedure under which the Division would forego the initiation of criminal antitrust proceedings. The procedure was subsequently expanded to encompass a “merger clearance” procedure under which the Division would state its present enforcement intention with respect to a merger or acquisition; and the Division issued a written statement entitled “Business Review Procedure.” That statement has been revised several times.

1. A request for a business review letter must be submitted in writing to the Assistant Attorney General, Antitrust Division, Department of Justice, Washington, DC 20530.

2. The Division will consider only requests with respect to proposed business conduct, which may involve either domestic or foreign commerce.

3. The Division may, in its discretion, refuse to consider a request.

4. A business review letter shall have no application to any party which does not join in the request therefor.

5. The requesting parties are under an affirmative obligation to make full and true disclosure with respect to the business conduct for which review is requested. Each request must be accompanied by all relevant data including background information, complete copies of all operative documents and detailed statements of all collateral oral understandings, if any. All parties requesting the review letter must provide the Division with whatever additional information or documents the Division may thereafter request in order to review the matter. Such additional information, if furnished orally, shall be promptly confirmed in writing. In connection with any request for review the Division will also conduct whatever independent investigation it believes is appropriate.

6. No oral clearance, release or other statement purporting to bind the enforcement discretion of the Division may be given. The requesting party may rely upon only a written business review letter signed by the Assistant Attorney General in charge of the Antitrust Division or his delegate.

7. (a) If the business conduct for which review is requested is subject to approval by a regulatory agency, a review request may be considered before agency approval has been obtained only where it appears that exceptional and unnecessary burdens might otherwise be imposed on the party or parties requesting review, or where the agency specifically requests that a party or parties request review. However, any business review letter issued in these as in any other circumstances will state only the Department’s present enforcement intentions under the antitrust laws. It shall in no way be taken to indicate the Department’s views on the legal or factual issues that may be raised before the regulatory agency, or in an appeal from the regulatory agency’s decision. In particular, the issuance of such a letter is not to be represented to mean that the Division believes there are no anticompetitive consequences warranting agency consideration.

(b) The submission of a request for a business review, or its pendency, shall in no way alter any responsibility of any party to comply with the Premerger Notification provisions of the Antitrust Improvements Act of 1976, 15 U.S.C. 18A, and the regulations promulgated thereunder, 16 CFR, part 801.

8. After review of a request submitted hereunder the Division may: state its present enforcement intention with respect to the proposed business conduct; decline to pass on the request; or take such other position or action as it considers appropriate.

9. A business review letter states only the enforcement intention of the Division as of the date of the letter, and the Division remains completely free to bring whatever action or proceeding it subsequently comes to believe is required by the public interest. As to a stated present intention not to bring an action, however, the Division has never exercised its right to bring a criminal action where there has been full and true disclosure at the time of presenting the request.

10. (a) Simultaneously upon notifying the requesting party of and Division action described in paragraph 8, the business review request, and the Division’s letter in response shall be indexed and placed in a file available to the public upon request.

(b) On that date or within thirty days after the date upon which the Division takes any action as described in paragraph 8, the information supplied to support the business review request and any other information supplied by the requesting party in connection with the transaction that is the subject of the business review request, shall be indexed and placed in a file with the request and the Division’s letter, available to the public.
§ 50.7 Consent judgments in actions to enjoin discharges of pollutants.

(a) It is hereby established as the policy of the Department of Justice to consent to a proposed judgment in an action to enjoin discharges of pollutants into the environment only after or on condition that an opportunity is afforded persons (natural or corporate) who are not named as parties to the action to comment on the proposed judgment prior to its entry by the court.

(b) To effectuate this policy, each proposed judgment which is within the scope of paragraph (a) of this section shall be lodged with the court as early as feasible but at least 30 days before the judgment is entered by the court. Prior to entry of the judgment, or some earlier specified date, the Department of Justice will receive and consider, and file with the court, any written comments, views or allegations relating to the proposed judgment. The Department shall reserve the right (1) to withdraw or withhold its consent to the proposed judgment if the comments, views and allegations concerning the judgment disclose facts or considerations which indicate that the proposed judgment is inappropriate, improper or inadequate and (2) to oppose an attempt by any person to intervene in the action.

(c) The Assistant Attorney General in charge of the Land and Natural Resources Division may establish procedures for implementing this policy. Where it is clear that the public interest in the policy hereby established is not compromised, the Assistant Attorney General may permit an exception to this policy in a specific case where extraordinary circumstances require a period shorter than 30 days or a procedure other than stated herein.

(Order No. 529–73, 38 FR 19029, July 17, 1973)

§ 50.8 [Reserved]

§ 50.9 Policy with regard to open judicial proceedings.

Because of the vital public interest in open judicial proceedings, the Government has a general overriding affirmative duty to oppose their closure. There is, moreover, a strong presumption against closing proceedings or portions thereof, and the Department of Justice foresees very few cases in which closure would be warranted. The Government should take a position on any motion to close a judicial proceeding, and should ordinarily oppose closure; it should move for or consent to closed proceedings only when closure is plainly essential to the interests of justice. In furtherance of the Department's
§ 50.10 Policy regarding obtaining information from, or records of, members of the news media; and regarding questioning, arresting, or charging members of the news media.

(a) Statement of principles. (1) Because freedom of the press can be no broader than the freedom of members of the news media to investigate and report the news, the Department’s policy is intended to provide guidance to attorneys for the Government and are not intended to create or recognize any legally enforceable right in any person.

(2) The closure of part of a judicial proceeding where necessary to protect national security information or classified documents; or

(3) In camera inspection, consideration or sealing of documents, including documents provided to the Government under a promise of confidentiality, where permitted by statute, rule of evidence or privilege; or

(4) Grand jury proceedings or proceedings ancillary thereto; or

(5) The closure of judicial proceedings pursuant to 18 U.S.C. 3509(d) and (e) for the protection of child victims or child witnesses.

(f) Because of the vital public interest in open judicial proceedings, the records of any proceeding closed pursuant to this section, and still sealed 60 days after termination of the proceeding, shall be reviewed to determine if the reasons for closure are still applicable. If they are not, an appropriate motion will be made to have the records unsealed. If the reasons for closure are still applicable after 60 days, this review is to be repeated every 60 days until such time as the records are unsealed. Compliance with this section will be monitored by the Criminal Division.

(g) The principles set forth in this section are intended to provide guidance to attorneys for the Government and are not intended to create or recognize any legally enforceable right in any person.

law enforcement tools, whether criminal or civil, that might unreasonably impair newsgathering activities. The policy is not intended to extend special protections to members of the news media who are subjects or targets of criminal investigations for conduct not based on, or within the scope of, newsgathering activities.

(2) In determining whether to seek information from, or records of, members of the news media, the approach in every instance must be to strike the proper balance among several vital interests: Protecting national security, ensuring public safety, promoting effective law enforcement and the fair administration of justice, and safeguarding the essential role of the free press in fostering government accountability and an open society.

(3) The Department views the use of certain law enforcement tools, including subpoenas, court orders issued pursuant to 18 U.S.C. 2703(d) or 3123, and search warrants to seek information from, or records of, non-consenting members of the news media as extraordinary measures, not standard investigatory practices. In particular, subpoenas or court orders issued pursuant to 18 U.S.C. 2703(d) or 3123 may be used, after authorization by the Attorney General, or by another senior official in accordance with the exceptions set forth in paragraph (c)(3) of this section, only to obtain information from, or records of, members of the news media when the information sought is essential to a successful investigation, prosecution, or litigation; after all reasonable alternative attempts have been made to obtain the information from alternative sources; and after negotiations with the affected member of the news media have been pursued and appropriate notice to the affected member of the news media has been provided, unless the Attorney General determines that, for compelling reasons, such negotiations or notice would pose a clear and substantial threat to the integrity of the investigation, risk grave harm to national security, or present an imminent risk of death or serious bodily harm.

(4) When the Attorney General has authorized the use of a subpoena, court order issued pursuant to 18 U.S.C. 2703(d) or 3123, or warrant to obtain from a third party communications records or business records of a member of the news media, the affected member of the news media shall be given reasonable and timely notice of the Attorney General's determination before the use of the subpoena, court order, or warrant, unless the Attorney General determines that, for compelling reasons, such notice would pose a clear and substantial threat to the integrity of the investigation, risk grave harm to national security, or present an imminent risk of death or serious bodily harm.

(b) Scope.—(1) Covered individuals and entities. (i) The policy governs the use of certain law enforcement tools to obtain information from, or records of, members of the news media.

(ii) The protections of the policy do not extend to any individual or entity where there are reasonable grounds to believe that the individual or entity is—

(A) A foreign power or agent of a foreign power, as those terms are defined in section 101 of the Foreign Intelligence Surveillance Act of 1978 (50 U.S.C. 1801);

(B) A member or affiliate of a foreign terrorist organization designated under section 219(a) of the Immigration and Nationality Act (8 U.S.C. 1189(a));

(C) Designated as a Specially Designated Global Terrorist by the Department of the Treasury under Executive Order 13224 of September 23, 2001 (66 FR 49079);

(D) A specially designated terrorist as that term is defined in 31 CFR 585.311 (or any successor thereto);

(F) Committing or attempting to commit a crime of terrorism, as that offense is described in 18 U.S.C. 2331(5) or 2332b(g)(5);

(G) Committing or attempting the crime of providing material support or resources to terrorists, as that offense is defined in 18 U.S.C. 2339A; or
(H) Aiding, abetting, or conspiring in illegal activity with a person or organization described in paragraphs (b)(1)(ii)(A) through (G) of this section.

(2) Covered law enforcement tools and records. (i) The policy governs the use by law enforcement authorities of subpoenas or, in civil matters, other similar compulsory process such as a civil investigative demand (collectively “subpoenas”) to obtain information from members of the news media, including documents, testimony, and other materials; and the use by law enforcement authorities of subpoenas, or court orders issued pursuant to 18 U.S.C. 2703(d) (“2703(d) order”) or 18 U.S.C. 3123 (“3123 order”), to obtain from third parties “communications records” or “business records” of members of the news media.

(ii) The policy also governs applications for warrants to search the premises or property of members of the news media, pursuant to Federal Rule of Criminal Procedure 41; or to obtain from third-party “communication service providers” the communications records or business records of members of the news media.

(3) Definitions. (i)(A) “Communications records” include the contents of electronic communications as well as source and destination information associated with communications, such as e-mail transaction logs and local and long distance telephone connection records, stored or transmitted by a third-party communication service provider with which the member of the news media has a contractual relationship.

(B) Communications records do not include information described in 18 U.S.C. 2703(c)(2)(A), (B), (D), (E), and (F).

(ii) A “communication service provider” is a provider of an electronic communication service or remote computing service as defined, respectively, in 18 U.S.C. 2510(15) and 18 U.S.C. 2711(2).

(iii) (A) “Business records” include work product and other documentary materials, and records of the activities, including the financial transactions, of a member of the news media related to the coverage, investigation, or reporting of news. Business records are limited to those generated or maintained by a third party with which the member of the news media has a contractual relationship, and which could provide information about the newsgathering techniques or sources of a member of the news media.

(B) Business records do not include records unrelated to newsgathering activities, such as those related to the purely commercial, financial, administrative, or technical, operations of a news media entity.

(C) Business records do not include records that are created or maintained either by the government or by a contractor on behalf of the government.

(c) Issuing subpoenas to members of the news media, or using subpoenas or court orders issued pursuant to 18 U.S.C. 2703(d) or 3123 to obtain from third parties communications records or business records of a member of the news media. (1) Except as set forth in paragraph (c)(3) of this section, members of the Department must obtain the authorization of the Attorney General to issue a subpoena to a member of the news media; or to use a subpoena, 2703(d) order, or 3123 order to obtain from a third party communications records or business records of a member of the news media.

(2) The United States Attorney or Assistant Attorney General responsible for the matter must personally endorse the United States Attorney or Assistant Attorney General responsible for the matter.

(3) Exceptions to the Attorney General authorization requirement. (i)(A) A United States Attorney or Assistant Attorney General responsible for the matter may authorize the issuance of a subpoena to a member of the news media (e.g., for documents, video or audio recordings, testimony, or other materials) if the member of the news media expresses a willingness to provide the requested information in response to a subpoena. This exception applies, but is not limited, to both published and unpublished materials and aired and unaired recordings.
(B) In the case of an authorization under paragraph (c)(3)(i)(A) of this section, the United States Attorney or Assistant Attorney General responsible for the matter shall provide notice to the Director of the Criminal Division’s Office of Enforcement Operations within 10 business days of the authorization of the issuance of the subpoena.

(ii) In light of the intent of this policy to protect freedom of the press, newsgathering activities, and confidential news media sources, authorization of the Attorney General will not be required of members of the Department in the following circumstances:

(A) To issue subpoenas to news media entities for purely commercial, financial, administrative, technical, or other information unrelated to newsgathering activities; or for information or records relating to personnel not involved in newsgathering activities.

(B) To issue subpoenas to members of the news media for information related to public comments, messages, or postings by readers, viewers, customers, or subscribers, over which the member of the news media does not exercise editorial control prior to publication.

(C) To use subpoenas to obtain information from, or to use subpoenas, 2703(d) orders, or 3123 orders to obtain communications records or business records of members of the news media who may be perpetrators or victims of, or witnesses to, crimes or other events, when such status (as a perpetrator, victim, or witness) is not based on, or within the scope of, newsgathering activities.

(iii) In the circumstances identified in paragraphs (c)(3)(i)(A) through (C) of this section, the United States Attorney or Assistant Attorney General responsible for the matter must—

(A) Authorize the use of the subpoena or court order;

(B) Consult with the Criminal Division regarding appropriate review and safeguarding protocols; and

(C) Provide a copy of the subpoena or court order to the Director of the Office of Public Affairs and to the Director of the Criminal Division’s Office of Enforcement Operations within 10 business days of the authorization.

(4) Considerations for the Attorney General in determining whether to authorize the issuance of a subpoena to a member of the news media. (i) In matters in which a member of the Department determines that a member of the news media is a subject or target of an investigation relating to an offense committed in the course of, or arising out of, newsgathering activities, the member of the Department requesting Attorney General authorization to issue a subpoena to a member of the news media shall provide all facts necessary for determinations by the Attorney General regarding both whether the member of the news media is a subject or target of the investigation and whether to authorize the issuance of such subpoena. If the Attorney General determines that the member of the news media is a subject or target of an investigation relating to an offense committed in the course of, or arising out of, newsgathering activities, the Attorney General’s determination regarding the issuance of the proposed subpoena should take into account the principles reflected in paragraph (a) of this section, but need not take into account the considerations identified in paragraphs (c)(4)(ii) through (viii) of this section.

(ii)(A) In criminal matters, there should be reasonable grounds to believe, based on public information, or information from non-media sources, that a crime has occurred, and that the information sought is essential to a successful investigation or prosecution. The subpoena should not be used to obtain peripheral, nonessential, or speculative information.

(B) In civil matters, there should be reasonable grounds to believe, based on public information or information from non-media sources, that the information sought is essential to a successful investigation or litigation in a case of substantial importance. The subpoena should not be used to obtain peripheral, nonessential, cumulative, or speculative information.

(iii) The government should have made all reasonable attempts to obtain the information from alternative, non-media sources.
§ 50.10  28 CFR Ch. I (7–1–17 Edition)

(iv)(A) The government should have pursued negotiations with the affected member of the news media, unless the Attorney General determines that, for compelling reasons, such negotiations would pose a clear and substantial threat to the integrity of the investigation, risk grave harm to national security, or present an imminent risk of death or serious bodily harm. Where the nature of the investigation permits, the government should have explained to the member of the news media the government’s needs in a particular investigation or prosecution, as well as its willingness to address the concerns of the member of the news media.

(B) The obligation to pursue negotiations with the affected member of the news media, unless excused by the Attorney General, is not intended to conflict with the requirement that members of the Department secure authorization from the Attorney General to question a member of the news media as required in paragraph (f)(1) of this section. Accordingly, members of the Department do not need to secure authorization from the Attorney General to pursue negotiations.

(v) The proposed subpoena generally should be limited to the verification of published information and to such surrounding circumstances as relate to the accuracy of the published information.

(vi) In investigations or prosecutions of unauthorized disclosures of national defense information or of classified information, where the Director of National Intelligence, after consultation with the relevant Department or agency head(s), certifies to the Attorney General the significance of the harm raised by the unauthorized disclosure and that the information disclosed was properly classified and reaffirms the intelligence community’s continued support for the investigation or prosecution, the Attorney General may authorize members of the Department, in such investigations, to issue subpoenas to members of the news media. The certification, which the Attorney General should take into account along with other considerations identified in paragraphs (c)(4)(ii) through (viii) of this section, will be sought not more than 30 days prior to the submission of the approval request to the Attorney General.

(vii) Requests should be treated with care to avoid interference with newsgathering activities and to avoid claims of harassment.

(viii) The proposed subpoena should be narrowly drawn. It should be directed at material and relevant information regarding a limited subject matter, should cover a reasonably limited period of time, should avoid requiring production of a large volume of material, and should give reasonable and timely notice of the demand.

(5) Considerations for the Attorney General in determining whether to authorize the use of a subpoena, 2703(d) order, or 3123 order to obtain from third parties the communications records or business records of a member of the news media.

(i) In matters in which a member of the Department determines that a member of the news media is a subject or target of an investigation relating to an offense committed in the course of, or arising out of, newsgathering activities, the member of the Department requesting Attorney General authorization to use a subpoena, 2703(d) order, or 3123 order to obtain from a third party the communications records or business records of a member of the news media shall provide all facts necessary for determinations by the Attorney General regarding both whether the member of the news media is a subject or target of the investigation and whether to authorize the use of such subpoena or order. If the Attorney General determines that the member of the news media is a subject or target of an investigation relating to an offense committed in the course of, or arising out of, newsgathering activities, the Attorney General’s determination regarding the use of the proposed subpoena or order should take into account the principles reflected in paragraph (a) of this section, but need not take into account the considerations identified in paragraphs (c)(5)(ii) through (viii) of this section.

(ii)(A) In criminal matters, there should be reasonable grounds to believe, based on public information, or information from non-media sources, that a crime has been committed, and
that the information sought is essential to the successful investigation or prosecution of that crime. The subpoena or court order should not be used to obtain peripheral, nonessential, cumulative, or speculative information.

(B) In civil matters, there should be reasonable grounds to believe, based on public information, or information from non-media sources, that the information sought is essential to the successful completion of the investigation or litigation in a case of substantial importance. The subpoena should not be used to obtain peripheral, nonessential, cumulative, or speculative information.

(iii) The use of a subpoena or court order to obtain from a third party communications records or business records of a member of the news media should be pursued only after the government has made all reasonable attempts to obtain the information from alternative sources.

(iv)(A) The government should have pursued negotiations with the affected member of the news media unless the Attorney General determines that, for compelling reasons, such negotiations would pose a clear and substantial threat to the integrity of the investigation, risk grave harm to national security, or present an imminent risk of death or serious bodily harm.

(B) The obligation to pursue negotiations with the affected member of the news media, unless excused by the Attorney General, is not intended to conflict with the requirement that members of the Department secure authorization from the Attorney General to question a member of the news media as set forth in paragraph (f)(1) of this section. Accordingly, members of the Department do not need to secure authorization from the Attorney General to pursue negotiations.

(v) In investigations or prosecutions of unauthorized disclosures of national defense information or of classified information, where the Director of National Intelligence, after consultation with the relevant Department or agency head(s), certifies to the Attorney General the significance of the harm raised by the unauthorized disclosure and that the information disclosed was properly classified and reaffirms the intelligence community’s continued support for the investigation or prosecution, the Attorney General may authorize members of the Department, in such investigations, to use subpoenas or court orders issued pursuant to 18 U.S.C. 2703(d) or 3123 to obtain communications records or business records of a member of the news media. The certification, which the Attorney General should take into account along with the other considerations identified in paragraph (c)(5) of this section, will be sought not more than 30 days prior to the submission of the approval request to the Attorney General.

(vi) Requests should be treated with care to avoid interference with newsgathering activities and to avoid claims of harassment.

(vii) The proposed subpoena or court order should be narrowly drawn. It should be directed at material and relevant information regarding a limited subject matter, should cover a reasonably limited period of time, and should avoid requiring production of a large volume of material.

(viii) If appropriate, investigators should propose to use search protocols designed to minimize intrusion into potentially protected materials or newsgathering activities unrelated to the investigation, including but not limited to keyword searches (for electronic searches) and filter teams (reviewing teams separate from the prosecution and investigative teams).

(d) Applying for warrants to search the premises, property, communications records, or business records of members of the news media. (1) Except as set forth in paragraph (d)(4) of this section, members of the Department must consult with the Criminal Division before moving to compel compliance with any such subpoena or court order.
search the premises, property, communications records, or business records of a member of the news media. 

(2) All requests for authorization of the Attorney General to apply for a warrant to search the premises, property, communications records, or business records of a member of the news media must be personally endorsed by the United States Attorney or Assistant Attorney General responsible for the matter.

(3) In determining whether to authorize an application for a warrant to search the premises, property, communications records, or business records of a member of the news media, the Attorney General should take into account the considerations identified in paragraph (c)(5) of this section.

(4) Members of the Department may apply for a warrant to obtain work product materials or other documentary materials of a member of the news media pursuant to the “suspect exception” of the Privacy Protection Act (“PPA suspect exception”), 42 U.S.C. 2000aa(a)(1), (b)(1), when the member of the news media is a subject or target of a criminal investigation for conduct not based on, or within the scope of, newsgathering activities. In such instances, members of the Department must secure authorization from a Deputy Assistant Attorney General for the Criminal Division.

(5) Members of the Department should not be authorized to apply for a warrant to obtain work product materials or other documentary materials of a member of the news media under the PPA suspect exception, 42 U.S.C. 2000aa(a)(1), (b)(1), if the sole purpose is to further the investigation of a person other than the member of the news media.

(6) A Deputy Assistant Attorney General for the Criminal Division may authorize, under an applicable PPA exception, an application for a warrant to search the premises, property, communications records, or business records of an individual other than a member of the news media, but who is reasonably believed to have “a purpose to disseminate to the public a newspaper, book, broadcast, or other similar form of public communication.” 42 U.S.C. 2000aa(a), (b).

(7) In executing a warrant authorized by the Attorney General or by a Deputy Assistant Attorney General for the Criminal Division investigators should use search protocols designed to minimize intrusion into potentially protected materials or newsgathering activities unrelated to the investigation, including but not limited to keyword searches (for electronic searches) and filter teams.

(e) Notice to affected member of the news media.

(1)(i) In matters in which the Attorney General has both determined that a member of the news media is a subject or target of an investigation relating to an offense committed in the course of, or arising out of, newsgathering activities, and authorized the use of a subpoena, court order, or warrant to obtain from a third party the communications records or business records of a member of the news media pursuant to paragraph (c)(4)(i), (c)(5)(i), or (d)(1) of this section, members of the Department are not required to provide notice of the Attorney General’s authorization to the affected member of the news media. The Attorney General nevertheless may direct that notice be provided.

(ii) If the Attorney General does not direct that notice be provided, the United States Attorney or Assistant Attorney General responsible for the matter shall provide to the Attorney General every 90 days an update regarding the status of the investigation, which update shall include an assessment of any harm to the investigation that would be caused by providing notice to the affected member of the news media. The Attorney General shall consider such update in determining whether to direct that notice be provided.

(2)(i) Except as set forth in paragraph (e)(1) of this section, when the Attorney General has authorized the use of a subpoena, court order, or warrant to obtain from a third party communications records or business records of a member of the news media, the affected member of the news media shall be given reasonable and timely notice of the Attorney General’s determination before the use of the subpoena,
court order, or warrant, unless the Attorney General determines that, for compelling reasons, such notice would pose a clear and substantial threat to the integrity of the investigation, risk grave harm to national security, or present an imminent risk of death or serious bodily harm.

(ii) The mere possibility that notice to the affected member of the news media, and potential judicial review, might delay the investigation is not, on its own, a compelling reason to delay notice.

(3) When the Attorney General has authorized the use of a subpoena, court order, or warrant to obtain communications records or business records of a member of the news media, and the affected member of the news media has not been given notice, pursuant to paragraph (e)(2) of this section, of the Attorney General’s determination before the use of the subpoena, court order, or warrant, the United States Attorney or Assistant Attorney General responsible for the matter shall provide to the affected member of the news media notice of the order or warrant as soon as it is determined that such notice will no longer pose a clear and substantial threat to the integrity of the investigation, risk grave harm to national security, or present an imminent risk of death or serious bodily harm. In any event, such notice shall occur within 45 days of the government’s receipt of any return made pursuant to the subpoena, court order, or warrant, except that the Attorney General may authorize delay of notice for an additional 45 days if he or she determines that, for compelling reasons, such notice would pose a clear and substantial threat to the integrity of the investigation, risk grave harm to national security, or present an imminent risk of death or serious bodily harm. No further delays may be sought beyond the 90-day period.

(f) Questioning, arresting, or charging members of the news media. (1) No member of the Department shall subject a member of the news media to questioning as to any offense that he or she is suspected of having committed in the course of, or arising out of, newsgathering activities without first providing notice to the Director of the Office of Public Affairs and obtaining the express authorization of the Attorney General. The government need not view the member of the news media as a subject or target of an investigation, or have the intent to prosecute the member of the news media, to trigger the requirement that the Attorney General must authorize such questioning.

(2) No member of the Department shall seek a warrant for an arrest, or conduct an arrest, of a member of the news media for any offense that he or she is suspected of having committed in the course of, or arising out of, newsgathering activities without first providing notice to the Director of the Office of Public Affairs and obtaining the express authorization of the Attorney General.

(3) No member of the Department shall present information to a grand jury seeking a bill of indictment, or file an information, against a member of the news media for any offense that he or she is suspected of having committed in the course of, or arising out of, newsgathering activities, without first providing notice to the Director of the Office of Public Affairs and obtaining the express authorization of the Attorney General.

(4) In requesting the Attorney General’s authorization to question, to seek an arrest warrant for or to arrest, or to present information to a grand jury seeking an indictment or to file an information against, a member of the news media as provided in paragraphs (f)(1) through (3) of this section, members of the Department shall provide
§ 50.12 Exchange of FBI identification records.

(a) The Federal Bureau of Investigation, hereinafter referred to as the FBI, is authorized to expend funds for the exchange of identification records with officials of federally chartered or insured banking institutions to promote or maintain the security of those institutions and, if authorized by state statute and approved by the Director of the FBI, acting on behalf of the Attorney General, with officials of state and local governments for purposes of employment and licensing, pursuant to section 201 of Public Law 92–544, 86 Stat. 1115. Also, pursuant to 15 U.S.C. 78q, 7 U.S.C. 21(b)(4)(E), and 42 U.S.C. 2169, respectively, such records can be exchanged with certain segments of the securities industry, with registered futures associations, and with nuclear power plants. The records also may be exchanged in other instances as authorized by federal law.

(5) In determining whether to grant a request for authorization to question, to seek an arrest warrant for or to arrest, or to present information to a grand jury seeking an indictment or to file an information against, a member of the news media, the Attorney General should take into account the considerations reflected in the Statement of Principles in paragraph (a) of this section.

(g) Exigent circumstances. (1)(i) A Deputy Assistant Attorney General for the Criminal Division may authorize the use of a subpoena or court order, as described in paragraph (c) of this section, or the questioning, arrest, or charging of a member of the news media, as described in paragraph (f) of this section, if he or she determines that the exigent use of such law enforcement tool or technique is necessary to prevent or mitigate an act of terrorism; other acts that are reasonably likely to cause significant and articulable harm to national security; death; kidnapping; substantial bodily harm; conduct that constitutes a specified offense against a minor (for example, as those terms are defined in section 111 of the Adam Walsh Child Protection and Safety Act of 2006, 42 U.S.C. 16911), or an attempt or conspiracy to commit such a criminal offense; or incapacitation or destruction of critical infrastructure (for example, as defined in section 1016(e) of the USA PATRIOT Act, 42 U.S.C. 5195c(e)).

(ii) A Deputy Assistant Attorney General for the Criminal Division may authorize an application for a warrant, as described in paragraph (d) of this section, if there is reason to believe that the immediate seizure of the materials at issue is necessary to prevent the death of, or serious bodily injury to, a human being, as provided in 42 U.S.C. 2000aa(a)(2) and (b)(2).

(2) Within 10 business days of the approval by a Deputy Assistant Attorney General for the Criminal Division of a request under paragraph (g) of this section, the United States Attorney or Assistant Attorney General responsible for the matter shall provide to the Attorney General and to the Director of the Office of Public Affairs a statement containing the information that would have been provided in a request for prior authorization.

(h) Safeguarding. Any information or records obtained from members of the news media or from third parties pursuant to this policy shall be closely held so as to prevent disclosure of the information to unauthorized persons or for improper purposes. Members of the Department should consult the United States Attorneys’ Manual for specific guidance regarding the safeguarding of information or records obtained from members of the news media or from third parties pursuant to this policy.
(b) The FBI Director is authorized by 28 CFR 0.85(j) to approve procedures relating to the exchange of identification records. Under this authority, effective September 6, 1990, the FBI Criminal Justice Information Services (CJIS) Division has made all data on identification records available for such purposes. Records obtained under this authority may be used solely for the purpose requested and cannot be disseminated outside the receiving departments, related agencies, or other authorized entities. Officials at the governmental institutions and other entities authorized to submit fingerprints and receive FBI identification records under this authority must notify the individuals fingerprinted that the fingerprints will be used to check the criminal history records of the FBI. The officials making the determination of suitability for licensing or employment shall provide the applicants the opportunity to complete, or challenge the accuracy of, the information contained in the FBI identification record. These officials also must advise the applicants that procedures for obtaining a change, correction, or updating of an FBI identification record are set forth in 28 CFR 16.34. Officials making such determinations should not deny the license or employment based on information in the record until the applicant has been afforded a reasonable time to correct or complete the record, or has declined to do so. A statement incorporating these use-and-challenge requirements will be placed on all records disseminated under this program. This policy is intended to ensure that all relevant criminal record information is made available to provide for the public safety and, further, to protect the interests of the prospective employee/licensee who may be affected by the information or lack of information in an identification record.

GENERAL PRINCIPLES

SECTION 1. Statement of purpose—A. Need for uniformity—issuing agencies. The Federal government’s need for a uniform set of principles on the question of the use of tests and other selection procedures has long been recognized. The Equal Employment Opportunity Commission, the Civil Service Commission, the Department of Labor, and the Department of Justice jointly have adopted these uniform guidelines to meet that need, and to apply the same principles to the Federal Government as are applied to other employers.

B. Purpose of guidelines. These guidelines incorporate a single set of principles which are designed to assist employers, labor organizations, employment agencies, and licensing and certification boards to comply with requirements of Federal law prohibiting employment practices which discriminate on grounds of race, color, religion, sex, and national origin. They are designed to provide a framework for determining the proper use of tests and other selection procedures. These guidelines do not require a user to conduct validity studies of selection procedures where no adverse impact results. However, all users are encouraged to use selection procedures which are valid, especially users operating under merit principles.

C. Relation to prior guidelines. These guidelines are based upon and supersede previously issued guidelines on employee selection procedures. These guidelines have been built upon court decisions, the previously issued guidelines of the agencies, and the practical experience of the agencies, as well as the standards of the psychological profession. These guidelines are intended to be consistent with existing law.

SVC. 2. Scope—A. Application of guidelines. These guidelines will be applied by the Equal Employment Opportunity Commission in the enforcement of title VII of the Civil Rights Act of 1964, as amended by the Equal Employment Opportunity Act of 1972 (hereinafter “Title VII’’); by the Department of Labor, and the contract compliance agencies until the transfer of authority contemplated by the President’s Reorganization Plan No. 1 of 1978, in the administration and enforcement of Executive Order 11296, as amended by Executive Order 11375 (hereinafter “Executive Order 11246’’); by the Civil Service Commission and other Federal agencies subject to section 717 of title VII; by the Civil Service Commission in exercising its responsibilities toward State and local governments under section 288(b)(1) of the Intergovernmental- Personnel Act; by the Department of Justice in exercising its responsibilities under Federal law; by the Office of Revenue Sharing of the Department of the Treasury under the State and Local Fiscal Assistance Act of 1972, as amended; and by any other Federal agency which adopts them.

B. Employment decisions. These guidelines apply to tests and other selection procedures which are used as a basis for any employment decision. Employment decisions include but are not limited to hiring, promotion, demotion, membership, (for example, in a labor organization), referral, retention, and licensing and certification, to the extent that licensing and certification may be covered by Federal equal employment opportunity law. Other selection decisions, such as selection for training or transfer, may also be considered employment decisions if they lead to any of the decisions listed above.

C. Selection procedures. These guidelines apply only to selection procedures which are used as a basis for making employment decisions. For example, the use of recruiting procedures designed to attract members of a particular race, sex, or ethnic group, which were previously denied employment opportunities or which are currently underutilized,

may be necessary to bring an employer into compliance with Federal law, and is frequently an essential element of any effective affirmative action program; but recruitment practices are not considered by these guidelines to be selection procedures. Similarly, these guidelines do not pertain to the question of the lawfulness of a seniority system within the meaning of section 6 of Executive Order 11246 or other provisions of Federal law or regulation, except to the extent that such systems utilize selection procedures to determine qualifications or abilities to perform the job. Nothing in these guidelines is intended or should be interpreted as discouraging the use of a selection procedure for the purpose of determining qualifications or for the purpose of selection on the basis of relative qualifications, if the selection procedure had been validated in accord with these guidelines for each such purpose for which it is to be used.

D. Limitations. These guidelines apply only to persons subject to title VII, Executive Order 11246, or other equal employment opportunity requirements of Federal law. These guidelines do not apply to responsibilities under the Age Discrimination in Employment Act of 1967, as amended, not to discriminate on the basis of age, or under sections 501, 503, and 504 of the Rehabilitation Act of 1973, not to discriminate on the basis of handicap.

E. Indian preference not affected. These guidelines do not restrict any obligation imposed or right granted by Federal law to users to extend a preference in employment to Indians living on or near an Indian reservation in connection with employment opportunities on or near an Indian reservation.

The use of any selection procedure which has an adverse impact on the hiring, promotion, or other employment or membership opportunities of members of any race, sex, or ethnic group will be considered to be discriminatory and inconsistent with these guidelines, unless the procedure has been validated in accordance with these guidelines, or the provisions of section 6 below are satisfied.

B. Consideration of suitable alternative selection procedures. Where two or more selection procedures are available which serve the user's legitimate interest in efficient and trustworthy workmanship, and which are substantially equally valid for a given purpose, the user should use the procedure which has been demonstrated to have the lesser adverse impact. Accordingly, whenever a validity study is called for by these guidelines, the user should include, as a part of the validity study, an investigation of suitable alternative selection procedures and suitable alternative methods of using the selection procedure which have as little adverse impact as possible, to determine the appropriateness of using or validating them in accord with these guidelines. If a user has made a reasonable effort to become aware of such alternative procedures and validity has been demonstrated in accord with these guidelines, the use of such selection procedure may continue until such time as it should reasonably be reviewed for currency. Whenever the user is shown an alternative selection procedure with evidence of less adverse impact and substantial evidence of validity for the same job in similar circumstances, the user should investigate it to determine the appropriateness of using or validating it in accord with these guidelines. This subsection is not intended to preclude the combination of procedures into a significantly more valid procedure, if the use of such a combination has been shown to be in compliance with the guidelines.

S É C. 4. Information on impact—A. Records concerning impact. Each user should maintain and have available for inspection records or other information which will disclose the impact which its tests and other selection procedures have upon employment opportunities of persons by identifiable race, sex, or ethnic group as set forth in paragraph B below in order to determine compliance with these guidelines. Where there are large numbers of applicants and procedures are administered frequently, such information may be retained on a sample basis, provided that the sample is appropriate in terms of the applicant population and adequate in size.

B. Applicable race, sex, and ethnic groups for recordkeeping. The records called for by this section are to be maintained by sex, and the following races and ethnic groups: Blacks (Negroes), American Indians (including Alaskan Natives), Asians (including Pacific Islanders), Hispanic (including persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish origin or culture regardless of race), whites (Caucasians) other than Hispanic, and totals. The race, sex, and ethnic classifications called for by this section are consistent with the Equal Employment Opportunity Standard Form 100, Employer Information Report EE0–1 series of reports. The user should adopt safeguards to insure that the records required by this paragraph are used for appropriate purposes such as determining adverse impact, or (where required) for developing and monitoring affirmative action programs, and that such records are not used improperly. See sections 4E and 17(4), below.

C. Evaluation of selection rates. The ‘‘bottom line.’’ If the information called for by sections 4A and B above shows that the total selection process for a job has an adverse impact, the individual components of the selection process should be evaluated for adverse
impact. If this information shows that the total selection process does not have an adverse impact, the Federal enforcement agencies, in the exercise of their administrative and prosecutorial discretion, in usual circumstances, will not expect a user to evaluate the individual components for adverse impact, or to validate such individual components, and will not take enforcement action based upon adverse impact of any component of that process, including the separate parts of a multipart selection procedure or any separate procedure that is used as an alternative method of selection. However, in the following circumstances the Federal enforcement agencies will expect a user to evaluate the individual components for adverse impact and may, where appropriate, take enforcement action with respect to the individual components: (1) Where the selection procedure is a significant factor in the continuation of patterns of assignments of incumbent employees caused by prior discriminatory employment practices, (2) where the weight of court decisions or administrative interpretations hold that a specific procedure (such as height or weight requirements or no-arrest records) is not job related in the same or similar circumstances. In unusual circumstances, other than those listed in (1) and (2) above, the Federal enforcement agencies may request a user to evaluate the individual components for adverse impact and may, where appropriate, take enforcement action with respect to the individual component.

D. Adverse impact and the “four-fifths rule.” A selection rate for any race, sex, or ethnic group which is less than four-fifths (4⁄5) (or eighty percent) of the rate for the group with the highest rate will generally be regarded by the Federal enforcement agencies as evidence of adverse impact, while a greater than four-fifths rate will generally not be regarded by Federal enforcement agencies as evidence of adverse impact. Smaller differences in selection rate may nevertheless constitute adverse impact, where they are significant in both statistical and practical terms or where a user’s actions have discouraged applicants disproportionately on grounds of race, sex, or ethnic group. Greater differences in selection rate may not constitute adverse impact where the differences are based on small numbers and are not statistically significant, or where special recruiting or other programs cause the pool of minority or female candidates to be atypical of the normal pool of applicants from that group. Where the user’s evidence concerning the impact of a selection procedure indicates adverse impact but is based upon numbers which are too small to be reliable, evidence concerning the impact of the procedure over a longer period of time and/or evidence concerning the impact which the selection procedure had when used in the same manner in similar circumstances elsewhere may be considered in determining adverse impact. Where the user has not maintained data on adverse impact as required by the documentation section of applicable guidelines, the Federal enforcement agencies may draw an inference of adverse impact of the selection process from the failure of the user to maintain such data, if the user’s utilization of a group in the job category, as compared to the group’s representation in the relevant labor market or, in the case of jobs filled from within, the applicable work force.

E. Consideration of user’s equal employment opportunity posture. In carrying out their obligations, the Federal enforcement agencies will consider the general posture of the user with respect to equal employment opportunity for the job or group of jobs in question. Where a user has adopted an affirmative action program, the Federal enforcement agencies will consider the provisions of that program, including the goals and timetables which the user has adopted and the progress which the user has made in carrying out that program and in meeting the goals and timetables. While such affirmative action programs may in design and execution be race, color, sex, or ethnic conscious, selection procedures under such programs should be based upon the ability or relative ability to do the work.

SIC. 5. General standards for validity studies—A. Acceptable types of validity studies. For the purposes of satisfying these guidelines, users may rely upon criterion-related validity studies, content validity studies or construct validity studies, in accordance with the standards set forth in the technical standards of these guidelines, section 14 below. New strategies for showing the validity of selection procedures will be evaluated as they become accepted by the psychological profession.

B. Criterion-related, content, and construct validity. Evidence of the validity of a test or other selection procedure by a criterion-related validity study should consist of empirical data demonstrating that the selection procedure is predictive of or significantly correlated with important elements of job performance. See section 14B below. Evidence of the validity of a test or other selection procedure by a content validity study should consist of data showing that the content of the selection procedure is representative of important aspects of performance on the job for which the candidates are to be evaluated. See section 14C below. Evidence of the validity of a test or other selection procedure through a construct validity study should consist of data showing that the procedure measures the degree to which candidates have identifiable characteristics which have been determined to be important in successful performance in the job for
which the candidates are to be evaluated. See section 14D below.

C. Guidelines are consistent with professional standards. The provisions of these guidelines relating to selection of selection procedures are intended to be consistent with generally accepted professional standards for evaluating standardized tests and other selection procedures, such as those described in the Standards for Educational and Psychological Tests prepared by a joint committee of the American Psychological Association, the American Educational Research Association, and the National Council on Measurement in Education (American Psychological Association, Washington, DC, 1974) (hereinafter “A.P.A. Standards”) and standard textbooks and journals in the field of personnel selection.

D. Need for documentation of validity. For any selection procedure which is part of a selection process which has an adverse impact and which selection procedure has an adverse impact, each user should maintain and have available such documentation as is described in section 15 below.

E. Accuracy and standardization. Validity studies should be carried out under conditions which assure as far as possible the adequacy and accuracy of the research and the report. Selection procedures should be administered and scored under standardized conditions.

F. Caution against selection on basis of knowledges, skills, or ability learned in brief orientation period. In general, users should avoid making employment decisions on the basis of measures of knowledges, skills, or abilities which are normally learned in a brief orientation period, and which have an adverse impact.

G. Method of use of selection procedures. The evidence of both the validity and utility of a selection procedure should support the method the user chooses for operational use of the procedure, if that method of use has a greater adverse impact than another method of use. Evidence which may be sufficient to support the use of a selection procedure on a pass/fail (screening) basis may be insufficient to support the use of the same procedure on a ranking basis under these guidelines. Thus, if a user decides to use a selection procedure on a ranking basis, and that method of use has a greater adverse impact than use on an appropriate pass/fail basis (see section 5H below), the user should have sufficient evidence of validity and utility to support the use on a ranking basis. See sections 3B, 14B (5) and (6), and 14C (8) and (9).

H. Cutoff scores. Where cutoff scores are used, they should normally be set so as to be reasonable and consistent with normal expectations of acceptable proficiency within the workforce. Where applicants are ranked on the basis of properly validated selection procedures and those applicants scoring below a higher cutoff score than appropriate in light of such expectations have little or no chance of being selected for employment, the higher cutoff score may be appropriate, but the degree of adverse impact should be considered.

I. Use of selection procedures for higher level jobs. If job progression structures are so established that employees will probably, within a reasonable period of time and in a majority of cases, progress to a higher level, it may be considered that the applicants are being evaluated for a job or jobs at the higher level. However, where job progression is not so nearly automatic, or the time span is such that higher level jobs or employees' potential may be expected to change in significant ways, it should be considered that applicants are being evaluated for a job at or near the entry level. A “reasonable period of time” will vary for different jobs and employment situations but will seldom be more than 5 years. Use of selection procedures to evaluate applicants for a higher level job would not be appropriate:

1. If the majority of those remaining employed do not progress to the higher level job;
2. If there is a reason to doubt that the higher level job will continue to require essentially similar skills during the progression period; or
3. If the selection procedures measure knowledges, skills, or abilities required for advancement which would be expected to develop principally from the training or experience on the job.

J. Interim use of selection procedures. Users may continue the use of a selection procedure which is not at the moment fully supported by the required evidence of validity, provided: (1) The user has available substantial evidence of validity, and (2) the user has in progress, when technically feasible, a study which is designed to produce the additional evidence required by these guidelines within a reasonable time. If such a study is not technically feasible, see section 6B. If the study does not demonstrate validity, this provision of these guidelines for interim use shall not constitute a defense in any action, nor shall it relieve the user of any obligations arising under Federal law.

K. Review of validity studies for currency. Whenever validity has been shown in accord with these guidelines for the use of a particular selection procedure for a job or group of jobs, additional studies need not be performed until such time as the validity study is subject to review as provided in section 3B above. There are no absolutes in the area of determining the currency of a validity study. All circumstances concerning the study, including the validation strategy used, and changes in the relevant labor market and the job should be considered in the determination of when a validity study is outdated.
Department of Justice

§ 50.14

6. Use of selection procedures which have not been validated—A. Use of alternate selection procedures to eliminate adverse impact. A user may choose to utilize alternative selection procedures in order to eliminate adverse impact or as part of an affirmative action program. See section 13 below. Such alternative procedures should eliminate the adverse impact in the total selection process, should be lawful and should be as job related as possible.

B. Where validity studies cannot or need not be performed. There are circumstances in which a user cannot or need not utilize the validation techniques contemplated by these guidelines. In such circumstances, the user should utilize selection procedures which are as job related as possible and which will minimize or eliminate adverse impact, as set forth below.

1) Where informal or unscored procedures are used. When an informal or unscored selection procedure which has an adverse impact is utilized, the user should eliminate the adverse impact, or modify the procedure to one which is a formal, scored or quantified measure or combination of measures and then validate the procedure in accord with these guidelines, or otherwise justify continued use of the procedure in accord with Federal law.

2) Where formal and scored procedures are used. When a formal and scored selection procedure is used which has an adverse impact, the validation techniques contemplated by these guidelines usually should be followed if technically feasible. Where the user cannot or need not follow the validation technique anticipated by these guidelines, the user should either modify the procedure to eliminate adverse impact or otherwise justify continued use of the procedure in accord with Federal law.

7. Use of other validity studies—A. Validity studies not conducted by the user. Users may, under certain circumstances, support the use of selection procedures by validity studies conducted by other users or conducted by test publishers or distributors and described in test manuals. While publishers of selection procedures have a professional obligation to provide evidence of validity which meets generally accepted professional standards (see section 3C above), users are cautioned that they are responsible for compliance with these guidelines. Accordingly, users seeking to obtain selection procedures from publishers and distributors should be careful to determine that, in the event the user becomes subject to the validity requirements of these guidelines, the necessary information to support validity has been determined and will be made available to the user.

B. Use of criterion-related validity evidence from other sources. Criterion-related validity studies conducted by one test user, or described in test manuals and the professional literature, will be considered acceptable for use by another user when the following requirements are met:

1) Validity evidence. Evidence from the available studies meeting the standards of section 14B below clearly demonstrates that the selection procedure is valid.

2) Job similarity. The incumbents in the user's job and the incumbents in the job or group of jobs on which the validity study was conducted perform substantially the same major work behaviors, as shown by appropriate job analyses both on the job or group of jobs on which the validity study was performed and on the job for which the selection procedure is to be used; and

3) Fairness evidence. The studies include a study of test fairness for each race, sex, and ethnic group which constitutes a significant factor in the borrowing user's relevant labor market for the job or jobs in question. If the studies under consideration satisfy (1) and (2) above but do not contain an investigation of test fairness, and it is not technically feasible for the borrowing user to conduct an internal study of test fairness, the borrowing user may utilize the study until studies conducted elsewhere meeting the requirements of these guidelines show test unfairness, or until such time as it becomes technically feasible to conduct an internal study of test fairness and the results of that study can be acted upon. Users obtaining selection procedures from publishers should consider, as one factor in the decision to purchase a particular selection procedure, the availability of evidence concerning test fairness.

C. Validity evidence from multiunit study. If validity evidence from a study covering more than one unit within an organization satisfies the requirements of section 14B below, evidence of validity specific to each unit will not be required unless there are variables which are likely to affect validity significantly.

D. Other significant variables. If there are variables in the other studies which are likely to affect validity significantly, the user may not rely upon such studies, but will be expected either to conduct an internal validity study or to comply with section 6 above.

8. Cooperative studies—A. Encouragement of cooperative studies. The agencies issuing these guidelines encourage employers, labor organizations, and employment agencies to cooperate in research, development, search for lawful alternatives, and validity studies in order to achieve procedures which are consistent with these guidelines.

B. Standards for use of cooperative studies. If validity evidence from a cooperative study satisfies the requirements of section 14 below, evidence of validity specific to each user will not be required unless there are variables in the user's situation which are likely to affect validity significantly.
§ 50.14

SEC. 9. No assumption of validity—A. Unacceptable substitutes for evidence of validity. Under no circumstances will the general reputation of a test or other selection procedure with its publisher, or salutary reports of its validity be accepted in lieu of evidence of validity. Specifically ruled out are: Assumptions of validity based on a procedure’s name, or on the frequency of a procedure’s usage; testimonial statements and credentials of sellers, users, or consultants; and other nonempirical or anecdotal accounts of selection practices or selection outcomes.

B. Encouragement of professional supervision. Professional supervision of selection activities is encouraged but is not a substitute for documented evidence of validity. The enforcement agencies will take into account the fact that a thorough job analysis was conducted and that careful development and use of a selection procedure in accordance with professional standards enhance the probability that the selection procedure is valid for the job.

SEC. 10. Employment agencies and employment services—A. Where selection procedures are devised by agency. An employment agency, including private employment agencies and State employment agencies, which agrees to a request by an employer or labor organization to devise and utilize a selection procedure should follow the standards in these guidelines for determining adverse impact. If adverse impact exists the agency should comply with these guidelines. An employment agency is not relieved of its obligation herein because the user did not request such validation or has requested the use of some lesser standard of validation than is provided in these guidelines. The use of an employment agency does not relieve an employer or labor organization or other user of its responsibilities under Federal law to provide equal employment opportunity or its obligations as a user under these guidelines.

B. Where selection procedures are devised elsewhere. Where an employment agency or service is requested to administer a selection procedure which has been devised elsewhere and to make referrals pursuant to the results, the employment agency or service should maintain and have available evidence of the impact of the selection and referral procedures which it administers. If adverse impact results the agency or service should comply with these guidelines. If the agency or service seeks to comply with these guidelines by reliance upon validity studies or other data in the possession of the employer, it should obtain and have available such information.

SEC. 11. Disparate treatment. The principles of disparate or unequal treatment must be distinguished from the concepts of validation. A selection procedure—even though validated against job performance in accordance with these guidelines—cannot be imposed upon members of a race, sex, or ethnic group where other employees, applicants, or members have not been subjected to that standard. Disparate treatment occurs where members of a race, sex, or ethnic group have been denied the same employment, promotion, membership, or other opportunities as have been available to other employees or applicants. Those employees or applicants who have been denied equal treatment, because of prior discriminatory practices or policies, must at least be afforded the same opportunities as had existed for other employees or applicants during the period of discrimination. Thus, the persons who were in the class of persons discriminated against during the period the user followed the discriminatory practices should be allowed the opportunity to qualify under less stringent selection procedures previously followed, unless the user demonstrates that the increased standards are required by business necessity. This section does not prohibit a user who has not previously followed merit standards from adopting merit standards which are in compliance with these guidelines; nor does it preclude a user who has previously used invalid or unvalidated selection procedures from developing and using procedures which are in accord with these guidelines.

SEC. 12. Retesting of applicants. Users should provide a reasonable opportunity for retesting and reconsideration. Where examinations are administered periodically with public notice, such reasonable opportunity exists, unless persons who have previously been tested are precluded from retesting. The user may however take reasonable steps to preserve the security of its procedures.

SEC. 13. Affirmative action obligations. The use of selection procedures which have been validated pursuant to these guidelines does not relieve users of any obligations they may have to undertake affirmative action to assure equal employment opportunity. Nothing in these guidelines is intended to preclude the use of lawful selection procedures which assist in remedying the effects of prior discriminatory practices, or the achievement of affirmative action objectives.

B. Encouragement of voluntary affirmative action programs. These guidelines are also intended to encourage the adoption and implementation of voluntary affirmative action programs by users who have no obligation under Federal law to adopt them; but are not intended to impose any new obligations in that regard. The agencies issuing and endorsing these guidelines endorse for all private employers the Equal Employment Opportunity Coordinating Council’s “Policy Statement on Affirmative Action Programs for
State and Local Government Agencies” (41 FR 38814, September 13, 1976). That policy statement is attached hereto as appendix, section 17.

TECHNICAL STANDARDS

SEC. 14. Technical standards for validity studies. The following minimum standards, as applicable, should be met in conducting a validity study. Nothing in these guidelines is intended to preclude the development and use of other professionally acceptable techniques with respect to validation of selection procedures. Where it is not technically feasible for a user to conduct a validity study, the user has the obligation otherwise to comply with these guidelines. See sections 6 and 7 above.

A. Validity studies should be based on review of information about the job. Any validity study should be based on information about the job for which the selection procedure is to be used. The review should include a job analysis except as provided in section 14R(3) below with respect to criterion-related validity. Any method of job analysis may be used if it provides the information required for the specific validation strategy used.

B. Technical standards for criterion-related validity studies—(1) Technical feasibility. Users choosing to validate a selection procedure by a criterion-related validity strategy should determine whether it is technically feasible (as defined in section 16) to conduct such a study in the particular employment context. The determination of the number of persons necessary to permit the conduct of a meaningful criterion-related study should be made by the user on the basis of all relevant information concerning the selection procedure, the potential sample and the employment situation. Where appropriate, jobs with substantially the same major work behaviors may be grouped together for validity studies, in order to obtain an adequate sample. These guidelines do not require a user to hire or promote persons for the purpose of making it possible to conduct a criterion-related study.

(2) Analysis of the job. There should be a review of job information to determine measures of work behavior(s) or performance that are relevant to the job or group of jobs in question. These measures or criteria are relevant to the extent that they represent critical or important job duties, work behaviors or work outcomes as developed from the review of job information. The possibility of bias should be considered both in selection of the criterion measures and their application. In view of the possibility of bias in subjective evaluations, supervisory rating techniques and instructions to raters should be carefully developed. All criterion measures and the methods for gathering data need to be examined for freedom from factors which would unfairly alter scores of members of any group. The relevance of criteria and their freedom from bias are of particular concern when there are significant differences in measures of job performance for different groups.

(3) Criterion measures. Proper safeguards should be taken to insure that scores on selection procedures do not enter into any judgments of employee adequacy that are to be used as criterion measures. Whatever criteria are used should represent important or critical work behavior(s) or work outcomes. Certain criteria may be used without a full validity study, if the user can show the importance of the criteria to the particular employment context. These criteria include but are not limited to production rate, error rate, tardiness, absenteeism, and length of service. A standardized rating of overall work performance may be used where a study of the job shows that it is an appropriate criterion. Where performance in training is used as a criterion, success in training should be properly measured and the relevance of the training should be shown either through a comparison of the content of the training program with the critical or important work behavior(s) of the job(s), or through a demonstration of the relationship between measures of performance in training and measures of job performance. Measures of relative success in training include but are not limited to instructor evaluations, performance samples, or tests. Criterion measures consisting of paper and pencil tests will be closely reviewed for job relevance.

(4) Representativeness of the sample. Whether the study is predictive or concurrent, the sample subjects should be as nearly as feasible be representative of the candidates normally available in the relevant labor market. In determining the representativeness of the sample in a concurrent validity study, the user should take into account the extent to which the specific knowledges or skills which are the primary focus of the test are those which employees learn on the job.

Where samples are combined or compared, attention should be given to see that such samples are comparable in terms of the actual job they perform, the length of time on the job where time on the job is likely to affect performance, and other relevant factors likely to affect validity differences; or that these factors are included in the design of the study and their effects identified.

(5) Statistical relationships. The degree of relationship between selection procedure scores and criterion measures should be examined and computed, using professionally acceptable statistical procedures. Generally, a selection procedure is considered related to

the criterion, for the purposes of these guidelines, when the relationship between performance on the procedure and performance on the criterion measure is statistically significant at the 0.05 level of significance, which means that it is sufficiently high as to have a probability of no more than one (1) in twenty (20) to have occurred by chance. Absence of statistically significant relationship between a selection procedure and job performance should not necessarily discourage other investigations of the validity of that selection procedure.

(6) Operational use of selection procedures. Users should evaluate each selection procedure to assure that it is appropriate for operational use, including establishment of cutoff scores or rank ordering. Generally, if other factors remain the same, the greater the magnitude of the relationship (e.g., correlation coefficient) between performance on a selection procedure and one or more criteria of performance on the job, and the greater the importance and number of aspects of job performance covered by the criteria, the more likely it is that the procedure will be appropriate for use. Reliance upon a selection procedure which is significantly related to a criterion measure, but which is based upon a study involving a large number of subjects and has a low correlation coefficient will be subject to close review if it has a large adverse impact. Sole reliance upon a single selection instrument which is related to only one of many job duties or aspects of job performance will also be subject to close review. The appropriateness of a selection procedure is best evaluated in each particular situation and there are no minimum correlation coefficients applicable to all employment situations. In determining whether a selection procedure is appropriate for operational use the following considerations should also be taken into account: The degree of adverse impact of the procedure, the availability of other selection procedures of greater or substantially equal validity.

(7) Overstatement of validity findings. Users should avoid reliance upon techniques which tend to overestimate validity findings as a result of capitalization on chance unless an appropriate safeguard is taken. Reliance upon a few selection procedures or criteria of successful job performance when many selection procedures or criteria of performance have been studied, or the use of optimal statistical weights for selection procedures computed in one sample, are techniques which tend to inflate validity estimates as a result of chance. Use of a large sample is one safeguard: Cross-validation is another.

(d) Fairness. This section generally calls for studies of unfairness where technically feasible. The concept of fairness or unfairness of selection procedures is a developing concept. In addition, fairness studies generally require substantial numbers of employees in the job or group of jobs being studied. For these reasons, the Federal enforcement agencies recognize that the obligation to conduct studies of fairness imposed by section 4 is generally will be upon users or groups of users with a large number of persons in a job class, or test developers; and that small users utilizing their own selection procedures will generally not be obligated to conduct such studies because it will be technically infeasible for them to do so.

(a) Unfairness defined. When members of one race, sex, or ethnic group characteristically obtain lower scores on a selection procedure than members of another group, and the differences in scores are not reflected in differences in a measure of job performance, use of the selection procedure may unfairly deny opportunities to members of the group that obtains the lower scores.

(b) Investigation of fairness. Where a selection procedure results in an adverse impact on a race, sex, or ethnic group identified in accordance with the classifications set forth in section 4 above and that group is a significant factor in the relevant labor market, the user generally should investigate the possible existence of unfairness for that group if it is technically feasible to do so. The greater the severity of the adverse impact on a group, the greater the need to investigate the possible existence of unfairness. Where the weight of evidence from other studies shows that the selection procedure predicts fairly for the group in question and for the same or similar jobs, such evidence may be relied on in connection with the selection procedure at issue.

(c) General considerations in fairness investigations. Users conducting a study of fairness should review the A.P.A. Standards regarding investigation of possible bias in testing. An investigation of fairness of a selection procedure depends on both evidence of validity and the manner in which the selection procedure is to be used in a particular employment context. Fairness of a selection procedure cannot necessarily be specified in advance without investigating these factors. Investigation of fairness of a selection procedure in samples where the range of scores on selection procedures or criterion measures is severely restricted for any subgroup sample (as compared to other subgroup samples) may produce misleading evidence of unfairness. That factor should accordingly be taken into account in conducting such studies and before reliance is placed on the results.

(d) When unfairness is shown. If unfairness is demonstrated through a showing that members of a particular group perform better or poorer on the job than their scores on the selection procedure would indicate through comparison with how members of other groups perform, the user may either
Department of Justice

§ 50.14

revise or replace the selection instrument in accordance with these guidelines, or may continue to use the selection instrument operationally with appropriate revisions in its use to assure a balance between the probability of successful job performance and the probability of being selected.

(a) Technical feasibility of fairness studies. In addition to those needed for technical feasibility for the conduct of a criterion-related study (see section 16, below) an investigation of fairness requires the following:

(i) An adequate sample of persons in each group available for the study to achieve findings of statistical significance. Guidelines do not require a user to hire or promote persons on the basis of group classifications for the purpose of making it possible to conduct a study of fairness; but the user has the obligation otherwise to comply with these guidelines.

(ii) The samples for each group should be comparable in terms of the actual job they perform, length of time on the job where time on the job is likely to affect performance, and other relevant factors likely to affect validity differences; or such factors should be included in the design of the study and their effects identified.

(f) Continued use of selection procedures when fairness studies not feasible. If a study of fairness should otherwise be performed, but is not technically feasible, a selection procedure may be used which has otherwise met the validity standards of these guidelines, unless the technical infeasibility resulted from discriminatory employment practices which are demonstrated by facts other than past failure to conform with requirements for validation of selection procedures. However, when it becomes technically feasible for the user to perform a study of fairness and such a study is otherwise called for, the user should conduct the study of fairness.

C. Technical standards for content validity studies. Users choosing to validate a selection procedure by a content validity strategy should determine whether it is appropriate to conduct such a study in the particular employment context. A selection procedure can be supported by a content validity strategy to the extent that it is a representative sample of the content of the job. Selection procedures which purport to measure knowledge, skills, or abilities may in certain circumstances be justified by content validity, although they may not be representative samples, if the knowledge, skill, or ability measured by the selection procedure can be operationally defined as provided in section 16(4) below, and if that knowledge, skill, or ability is a necessary prerequisite to successful job performance.

A selection procedure based upon inferences about mental processes cannot be supported solely or primarily on the basis of content validity. Thus, a content strategy is not appropriate for demonstrating the validity of selection procedures which purport to measure traits or constructs, such as intelligence, aptitude, personality, commonsense, judgment, leadership, and spatial ability. Content validity is also not an appropriate strategy when the selection procedure involves knowledges, skills, or abilities which an employee will be expected to learn on the job.

(2) Job analysis for content validity. There should be a job analysis which includes an analysis of the important work behavior(s) required for successful performance and their relative importance and, if the behavior results in work product(s), an analysis of the work product(s). Any job analysis should focus on the work behavior(s) and the tasks associated with them. If work behavior(s) are not observable, the job analysis should identify and analyze those aspects of the behavior(s) that can be observed and the observed work products. The work behavior(s) selected for measurement should be critical work behavior(s) and/or important work behavior(s) constituting most of the job.

(3) Development of selection procedures. A selection procedure designed to measure the work behavior may be developed specifically from the job and job analysis in question, or may have been previously developed by the user, or by other users or by a test publisher.

(4) Standards for demonstrating content validity. To demonstrate the content validity of a selection procedure, a user should show that

(4) the behavior(s) demonstrated in the selection procedure are a representative sample of the behavior(s) of the job in question or that the selection procedure provides a representative sample of the work product of the job. In the case of a selection procedure measuring a knowl-

edge, the knowledge being measured should be operationally defined as that body of learned information which is used in and is a necessary prerequisite for observable aspects of work behavior of the job. In the case of skills or abilities, the skill or ability being measured should be operationally defined in terms of observable aspects of work behavior of the job. For any selection procedure measuring a knowledge, skill, or ability the user should show that (a) the selection procedure measures and is a representative sample of that knowledge, skill, or ability; and (b) that knowledge, skill, or ability is used in and is a necessary prerequisite to performance of critical or important work behavior(s). In addition, to be content valid, a selection procedure measuring a skill or ability should either closely approximate an observable work
behavior, or its product should closely approximate an observable work product. If a test purports to sample a work behavior or to provide a sample of a work product, the manner in which the selection procedure and its level and complexity should closely approximate the work situation. The closer the content and the context of the selection procedure are to work samples or work behaviors, the stronger is the basis for showing content validity. As the content of the selection procedure less resembles a work behavior, or the setting and manner of the administration of the selection procedure less resemble the work situation, or the result, less resembles a work product, the less likely the selection procedure is to be content valid, and the greater the need for other evidence of validity.

5. Reliability. The reliability of selection procedures justified on the basis of content validity should be a matter of concern to the user. Whenever it is feasible, appropriate statistical estimates should be made of the reliability of the selection procedure.

6. Prior training or experience. A requirement for or evaluation of specific prior training or experience based on content validity, including a specification of level or amount of training or experience, should be justified on the basis of the relationship between the content of the training or experience and the content of the job for which the training or experience is to be required or evaluated. The critical consideration is the resemblance between the specific behaviors, products, knowledges, skills, or abilities in the experience or training and the specific behaviors, products, knowledges, skills, or abilities required on the job, whether or not there is close resemblance between the experience or training as a whole and the job as a whole.

7. Content validity of training success. Where a measure of success in a training program is used as a selection procedure and the content of the training program is justified on the basis of content validity, the use should be justified on the relationship between the content of the training program and the content of the job.

8. Operational use. A selection procedure which is supported on the basis of content validity may be used for a job if it represents a critical work behavior (i.e., a behavior which is necessary for performance of the job) or work behaviors which constitute most of the important parts of the job.

9. Ranking based on content validity studies. If a user can show, by a job analysis or otherwise, that a higher score on a content valid selection procedure is likely to result in better job performance, the results may be used to rank persons who score above minimum levels. Where a selection procedure supported solely or primarily by content validity is used to rank job candidates, the selection procedure should measure those aspects of performance which differentiate among levels of job performance.

D. Technical standards for construct validity studies—(1) Appropriation of construct validity studies. Construct validity is a more complex strategy than either criterion-related or content validity. Construct validation is a relatively new and developing procedure in the employment field, and there is at present a lack of substantial literature extending the concept to employment practices. The user should be aware that the effort to obtain sufficient empirical support for construct validity is both an extensive and arduous effort involving a series of research studies, which include criterion related validity studies and which may include content validity studies.

(2) Job analysis for construct validity studies. There should be a job analysis. This job analysis should show the work behavior(s) required for successful performance of the job, or the groups of jobs being studied, the critical or important work behavior(s) in the job or group of jobs being studied, and an identification of the constructs believed to underlie successful performance of these critical or important work behaviors in the job or jobs in question. Each construct should be named and defined, so as to distinguish it from other constructs. If a group of jobs is being studied the jobs should have in common one or more critical or important work behaviors at a comparable level of complexity.

3. Relationship to the job. A selection procedure should then be identified or developed which measures the construct identified in accord with paragraph (2) above. The user should show by empirical evidence that the selection procedure is validly related to the construct and that the construct is validly related to the performance of critical or important work behavior(s). The relationship between the construct as measured by the selection procedure and the related work behavior(s) should be supported by empirical evidence from one or more criterion-related studies involving the job or jobs in question which satisfy the provisions of section 14B above.

4. Use of construct validity study without new criterion-related evidence—(a) Standards for use. Until such time as professional literature provides more guidance on the use of construct validity in employment situations, the Federal agencies will accept a claim of construct validity without a criterion-related study which satisfies section 14B above only when the selection procedure has been used elsewhere in a situation in which a criterion-related study has been conducted and
the use of a criterion-related validity study in this context meets the standards for transportability of criterion-related validity studies as set forth above in section 7. However, if a study pertains to a number of jobs having common critical or important work behaviors at a comparable level of complexity, and the evidence satisfies paragraphs 14B (2) and (3) above for those jobs with criterion-related validity evidence for those jobs, the selection procedure may be used for all the jobs to which the study pertains. If construct validity is to be generalized to other jobs or groups of jobs not in the group studied, the Federal enforcement agencies will expect at a minimum additional empirical research evidence meeting the standards of paragraphs section 14B (2) and (3) above for the additional jobs or groups of jobs.

(b) Determination of common work behaviors. In determining whether two or more jobs have one or more work behavior(s) in common, the user should compare the observed work behavior(s) in each of the jobs and should compare the observed work product(s) in each of the jobs. If neither the observed work behavior(s) in each of the jobs nor the observed work product(s) in each of the jobs are the same, the Federal enforcement agencies will presume that the work behavior(s) in each job are different. If the work behaviors are not observable, then evidence of similarity of work products and any other relevant evidence will be considered in determining whether the work behavior(s) in the two jobs are the same.

DOCUMENTATION OF IMPACT AND VALIDITY EVIDENCE

SEC. 15. Documentation of impact and validity evidence—A. Required information. Users of selection procedures other than those users complying with section 15A(1) below should maintain and have available for each job information on adverse impact of the selection process for that job and, where it is determined a selection process has an adverse impact, evidence of validity as set forth below.

(1) Simpified recordkeeping for users with less than 100 employees. In order to minimize recordkeeping burdens on employers who employ one hundred (100) or fewer employees, and other users not required to file EEO-1, et seq., reports, such users may satisfy the requirements of this section 15 if they maintain and have available records showing, for each year:
   (a) The number of persons hired, promoted, and terminated for each job, by sex, and where appropriate by race and national origin;
   (b) The number of applicants for hire and promotion by sex and where appropriate by race and national origin; and
   (c) The selection procedures utilized (either standardized or not standardized).

These records should be maintained for each race or national origin group (see section 4 above) constituting more than two percent (2%) of the labor force in the relevant labor area. However, if a study pertains to a number of jobs with criterion-related validity evidence for those jobs, the selection procedure may be used for all the jobs to which the study pertains. If construct validity is to be generalized to other jobs or groups of jobs not in the group studied, the Federal enforcement agencies will expect at a minimum additional empirical research evidence meeting the standards of paragraphs section 14B (2) and (3) above for the additional jobs or groups of jobs.

(b) Determination of common work behaviors. In determining whether two or more jobs have one or more work behavior(s) in common, the user should compare the observed work behavior(s) in each of the jobs and should compare the observed work product(s) in each of the jobs. If neither the observed work behavior(s) in each of the jobs nor the observed work product(s) in each of the jobs are the same, the Federal enforcement agencies will presume that the work behavior(s) in each job are different. If the work behaviors are not observable, then evidence of similarity of work products and any other relevant evidence will be considered in determining whether the work behavior(s) in the two jobs are the same.
(a) Documentation of validity evidence—(a) Types of evidence. Where a total selection process has an adverse impact (see section 4 above) the user should maintain and have available for each component of that process which has an adverse impact, one or more of the following types of documentation evidence:

(i) Documentation evidence showing criterion-related validity of the selection procedure (see section 15B(11), below).
(ii) Documentation evidence showing content validity of the selection procedure (see section 15C, below).
(iii) Documentation evidence showing construct validity of the selection procedure (see section 15D, below).
(iv) Documentation evidence from other studies showing validity of the selection procedure in the user’s facility (see section 15E, below).

(b) Form of report. This evidence should be compiled in a reasonably complete and organized manner to permit direct evaluation of the validity of the selection procedure. Previously written employer or consultant reports of validity, or reports describing validity studies completed before the issuance of these guidelines are acceptable if they are complete in regard to the documentation requirements contained in this section, or if they satisfied requirements of guidelines which were in effect when the validity study was completed. If they are not complete, the required additional documentation should be appended. If necessary information is not available the report of the validity study may still be used as documentation, but its adequacy will be evaluated in terms of compliance with the requirements of these guidelines.

(c) Completeness. In the event that evidence of validity is reviewed by an enforcement agency, the validation reports completed after the effective date of these guidelines are expected to contain the information set forth below. Evidence denoted by use of the word “(Essential)” is considered critical. If information denoted essential is not included, the report will be considered incomplete unless the user affirmatively demonstrates either its unavailability due to circumstances beyond the user’s control or special circumstances of the user’s study which make the information irrelevant. Evidence not so denoted is desirable but its absence will not be a basis for considering a report incomplete. The user should maintain and have available the information called for under the heading “Source Data” in sections 15B(11) and 15D(11). While it is a necessary part of the study, it need not be submitted with the report. All statistical results should be organized and presented in tabular or graphic form to the extent feasible.

B. Criterion-related validity studies. Reports of criterion-related validity for a selection procedure should include the following information:

(1) User(s), location(s), and date(s) of study. Dates and location(s) of the job analysis or review of job information, the date(s) and location(s) of the administration of the selection procedures and collection of criterion data, and the time between collection of data on selection procedures and criterion measures should be provided (Essential). If the study was conducted at several locations, the address of each location, including city and State, should be shown.

(2) Problem and setting. An explicit definition of the purpose(s) of the study and the circumstances in which the study was conducted should be provided. A description of existing selection procedures and cutoff scores, if any, should be provided.

(3) Job analysis or review of job information. A description of the procedure used to analyze the job or group of jobs, or to review the job information should be provided (Essential). Where a review of job information results in criteria which may be used without a full job analysis (see section 14B(3)), the basis for the selection of these criteria should be reported (Essential). Where a job analysis is required a complete description of the work behaviors or work outcome(s) and measures of their criticality or importance should be provided (Essential). The report should describe the basis on which the behaviors or outcome(s) were determined to be critical or important, such as the proportion of time spent on the respective behaviors, their level of difficulty, their frequency of performance, the consequences of error, or other appropriate factors (Essential). Where two or more jobs are grouped for a validity study, the information called for in this subsection should be provided for each of the jobs, and the justification for the grouping (see section 14B(11)) should be provided (Essential).

(4) Job titles and codes. It is desirable to provide the user’s job title(s) for the job(s) in question and the corresponding job title(s) and code(s) from U.S. Employment Service’s Dictionary of Occupational Titles.

If rating techniques are used as criterion measures, the appraisal form(s) and instructions to the rater(s) should be included as part of the validation evidence, or should be explicitly described and available (essential). All steps taken to ensure that criterion measures are free from factors which would unfairly alter the scores of any group should be described (essential).

(6) Sample description. A description of how the research sample was identified and selected should be included (essential). The race, sex, and ethnic composition of the sample, including those groups set forth in section 4A above, should be described (essential). This description should include the size of each subgroup (essential). A description of how the research sample compares with the relevant labor market or work force, the method by which the relevant labor market or work force was defined, and a discussion of the likely effects on validity of differences between the sample and the relevant labor market or work force, are also desirable. Descriptions of educational levels, length of service, and age are also desirable.

(7) Description of selection procedures. Any measure, combination of measures, or procedure studied should be completely and explicitly described or attached (essential). The magnitude and direction of all relationships between selection procedures and criterion measures investigated should be reported for each relevant race, sex, and ethnic group and for the total group (essential). Where groups are too small to obtain reliable evidence of the magnitude of the relationship, need not be reported separately. Statements regarding the statistical significance of results should be made (essential). Any statistical adjustments, such as for less than perfect reliability or for restriction of range in the selection procedure or criterion should be described and explained; and uncorrected correlation coefficients should also be shown (essential). Where the statistical technique categorizes continuous data, such as biserial correlation and the phi coefficient, the categories and the bases on which they were determined should be described and explained (essential). Studies of test fairness should be included where called for by the requirements of section 14B(e) (essential). These studies should include the rationale by which a selection procedure was determined to be fair to the group(s) in question. Where test fairness had been demonstrated on the basis of other studies, a bibliography of the relevant studies should be included (essential). If the bibliography includes unpublished studies, copies of these studies, or adequate abstracts or summaries, should be attached (essential). Where revisions have been made in a selection procedure to assure compatibility between successful job performance and the probability of being selected, the studies underlying such revisions should be included (essential). All statistical results should be organized and presented by relevant race, sex, and ethnic group (essential).

(9) Alternative procedures investigated. The selection procedures investigated and available evidence of their impact should be identified (essential). The scope, method, and findings of the investigation, and the conclusions reached in light of the findings, should be fully described (essential).

If weights are assigned to different parts of the selection procedure, these weights and the validity of the weighted composite should be reported (essential). If the selection procedure is used with a cutoff score, the user should describe the way in which normal expectations of proficiency within the work force were determined and the way in which the cutoff score was determined (essential).

(11) Source data. Each user should maintain records showing all pertinent information about individual sample members and raters where they are used, in studies involving the validation of selection procedures. These records should be made available upon request of a compliance agency. In the case of individual sample members these data should include scores on the selection procedure(s), scores on criterion measures, age, sex, race, or ethnic group status, and experience on the specific job on which the validation study was conducted, and may also include such things as education, training, and prior job experience, but should not include names and social security numbers. Records should be maintained which show the ratings given to each sample member by each rater.
§ 50.14

(12) Contact person. The name, mailing address, and telephone number of the person who may be contacted for further information about the validity study should be provided (essential).

(3) Job analysis—Content of the job. A description of the method used to analyze the job should be provided (essential). The work behavior(s), the associated tasks, and, if the behavior results in a work product, the work products should be completely described (essential). Measures of criticality and/or importance of the work behavior(s) and the method of determining these measures should be provided (essential). Where the job analysis also identified the knowledges, skills, and abilities used in work behavior(s), an operational definition for each knowledge in terms of a body of learned information and for each skill and ability in terms of observable behaviors and outcomes, and the relationship between each knowledge, skill, or ability and each work behavior, as well as the method used to determine this relationship, should be provided (essential). If any steps were taken to reduce adverse impact on a race, sex, or ethnic group in the content of the procedure or in its administration, these steps should be described. Establishment of time limits, if any, and how these limits are related to the speed with which duties must be performed on the job, should be explained. Measures of central tendency (e.g., means) and measures of dispersion (e.g., standard deviations) and estimates of reliability should be reported for all selection procedures if available. Such reports should be made for relevant race, sex, and ethnic subgroups, at least on a statistically reliable sample basis.

who may be contacted for further information about the validity study should be provided (essential).

(8) Accuracy and completeness. The report should describe the steps taken to assure the accuracy and completeness of the collection, analysis, and report of data and results.

D. Construct validity studies. Reports of construct validity for a selection procedure should include the following information:

(2) Problem and setting. An explicit definition of the purpose(s) of the study and the circumstances in which the study was conducted should be provided. A description of existing selection procedures and cutoff scores, if any, should be provided.

(3) Construct definition. A clear definition of the construct(s) which are believed to underlie successful performance of the critical or important work behavior(s) should be provided (essential). This definition should include the levels of construct performance relevant to the job(s) for which the selection procedure is to be used (essential). There should be a summary of the position of the construct in the psychological literature, or in the absence of such a position, a description of the way in which the definition and measurement of the construct was developed and the psychological theory underlying it (essential). Any quantitative data which identify or define the job constructs, such as factor analyses, should be provided (essential).

If commercially available selection procedures are used, they should be identified by title, form and publisher (essential). The research evidence of the relationship between the selection procedure and the construct, such as factor structure, should be included (essential). Measures of central tendency, variability and reliability of the selection procedure should be provided (essential). Whenever feasible, these measures should be provided separately for each relevant race, sex and ethnic group.

(7) Relationship to job performance. The criterion-related study(ies) and other empirical evidence of the relationship between the construct measured by the selection procedure and the related work behavior(s) for the job or jobs in question should be provided (essential). Documentation of the criterion-related study(ies) should satisfy the provisions of section 15B above or section 15E(1) below, except for studies conducted prior to the effective date of these guidelines (essential). Where a study pertains to a group of jobs, and, on the basis of the study, validity is asserted for a job in the group, the observed work behaviors and the observed work products for each of the jobs should be described (essential). Any other evidence used in determining whether the work behavior(s) in each of the jobs is the same should be fully described (essential).

(8) Alternative procedures investigated. The alternative selection procedures investigated and available evidence of their impact should be identified (essential). The scope, method, and findings of the investigation, and the conclusions reached in light of the findings should be fully described (essential).

(9) Uses and applications. The methods considered for use of the selection procedure (e.g., as a screening device with a cutoff score, for grouping or ranking, or combined with other procedures in a battery) and available evidence of their impact should be described (essential). This description should include the rationale for choosing the method for operational use, and the evidence of the validity and utility of the procedure as it is to be used (essential). The purpose for which the procedure is to be used (e.g., hiring, transfer, promotion) should be described (essential). If weights are assigned to different parts of the selection procedure, these weights and the validity of the weighted composite should be reported (essential). If the selection procedure is used with a cutoff score, the user should describe the way in which normal expectations of proficiency within the work force were determined and the way in which the cutoff score was determined (essential).

(10) Accuracy and completeness. The report should describe the steps taken to assure the accuracy and completeness of the collection, analysis, and report of data and results.
(11) Source data. Each user should maintain records showing all pertinent information relating to its study of construct validity.
(12) Contact person. The name, mailing address, and telephone number of the individual who may be contacted for further information about the validity study should be provided (essential).
E. Evidence of validity from other studies.
When validity of a selection procedure is supported by studies not done by the user, the evidence from the original study or studies should be compiled in a manner similar to that required in the appropriate section of this section 15 above. In addition, the following evidence should be supplied:
(1) Evidence from criterion-related validity studies—a. Job information. A description of the important job behavior(s) of the user’s job and the basis on which the behaviors were determined to be important should be provided (essential). A full description of the basis for determining that these important work behaviors are the same as those of the job in the original study (or studies) should be provided (essential).
   b. Relevance of criteria. A full description of the basis on which the criteria used in the original studies are determined to be relevant for the user should be provided (essential).
   c. Other variables. The similarity of important applicant pool or sample characteristics reported in the original studies to those of the user should be described (essential). A description of the comparison between the race, sex and ethnic composition of the user’s relevant labor market and the sample in the original validity studies should be provided (essential).
   d. Use of the selection procedure. A full description should be provided showing that the use to be made of the selection procedure is consistent with the findings of the original validity studies (essential).
   e. Bibliography. A bibliography of reports of validity of the selection procedure for the job or jobs in question should be provided (essential). Where any of the studies included an investigation of test fairness, the results of this investigation should be provided (essential). Copies of reports published in journals that are not commonly available should be described in detail or attached (essential). Where a user is relying upon unpublished studies, a reasonable effort should be made to obtain these studies. If these unpublished studies are the sole source of validity evidence they should be described in detail or attached (essential). If these studies are not available, the name and address of the source, an adequate abstract or summary of the validity study and data, and a contact person in the source organization should be provided (essential).
   (2) Evidence from content validity studies. See section 14C(3) and section 15C above.
(3) Evidence from construct validity studies. See sections 14D(2) and 15D above.
F. Evidence of validity from cooperative studies. Where a selection procedure has been validated through a cooperative study, evidence that the study satisfies the requirements of sections 7, 8 and 15E should be provided (essential).
G. Selection for higher level job. If a selection procedure is used to evaluate candidates for jobs at a higher level than those for which they will initially be employed, the validity evidence should satisfy the documentation provisions of this section 15 for the higher level job or jobs, and in addition, the user should provide: (1) A description of the job progression structure, formal or informal; (2) the data showing how many employees progress to the higher level job and the length of time needed to make this progression; and (3) an identification of any anticipated changes in the higher level job. In addition, if the test measures a knowledge, skill or ability, the user should provide evidence that the knowledge, skill or ability is required for the higher level job and the basis for the conclusion that the knowledge, skill or ability is not expected to develop from the training or experience on the job.
H. Interim use of selection procedures. If a selection procedure is being used on an interim basis because the procedure is not fully supported by the required evidence of validity, the user should maintain and have available (1) substantial evidence of validity for the procedure, and (2) a report showing the date on which the study to gather the additional evidence commenced, the estimated completion date of the study, and a description of the data to be collected (essential).

DEFINITIONS
§ 50.14 Definitions.
The following definitions shall apply throughout these guidelines:

A. Ability. A present competence to perform an observable behavior or a behavior which results in an observable product.
B. Adverse impact. A substantially different rate of selection in hiring, promotion, or other employment decision which works to the disadvantage of members of a race, sex, or ethnic group. See section 4 of these guidelines.
C. Compliance with these guidelines. Use of a selection procedure is in compliance with these guidelines if such use has been validated in accord with these guidelines (as defined below), or if such use does not result in adverse impact on any race, sex, or ethnic group (see section 4, above), or, in unusual circumstances, if use of the procedure is otherwise justified in accord with Federal law. See section 6B, above.
D. Content validity. Demonstrated by data showing that the content of a selection procedure is representative of important aspects
E. Construct validity. Demonstrated by data showing that the selection procedure measures the degree to which candidates have identifiable characteristics which have been determined to be important for successful job performance. See section 5B and section 14D.

F. Criterion-related validity. Demonstrated by empirical data showing that the selection procedure is predictive of or significantly correlated with important elements of work behavior. See sections 5B and 14B.

G. Employer. Any employer subject to the provisions of the Civil Rights Act of 1964, as amended, including State or local governments and any Federal agency subject to the provisions of section 717 of the Civil Rights Act of 1964, as amended, and any Federal contractor or subcontractor or federally assisted construction contractor or subcontractor covered by Executive Order 11246, as amended.

H. Employment agency. Any employment agency subject to the provisions of the Civil Rights Act of 1964, as amended.

I. Enforcement action. For the purposes of section 4 a proceeding by a Federal enforcement agency such as a lawsuit or an administrative proceeding leading to debarment from or withholding, suspension, or termination of Federal Government contracts or the suspension or withholding of Federal Government funds; but not a finding of reasonable cause or a conciliation or issuance of right to sue letters under title VII or under Executive Order 11246 where such finding, conciliation, or issuance of notice of right to sue is based upon an individual complaint.

J. Enforcement agency. Any agency of the executive branch of the Federal Government which adopts these guidelines for purposes of the enforcement of the equal employment opportunity laws or which has responsibility for securing compliance with them.

K. Job analysis. A detailed statement of work behaviors and other information relevant to the job.

L. Job description. A general statement of job duties and responsibilities.

M. Knowledge. A body of information applied directly to the performance of a function.

N. Labor organization. Any labor organization subject to the provisions of the Civil Rights Act of 1964, as amended, and any committee subject thereto controlling apprenticeship or other training.

O. Observable. Able to be seen, heard, or otherwise perceived by a person other than the person performing the action.

P. Race, sex, or ethnic group. Any group of persons identifiable on the grounds of race, color, religion, sex, or national origin.

Q. Selection procedure. Any measure, combination of measures, or procedure used as a basis for any employment decision. Selection procedures include the full range of assessment techniques from traditional written and pencil tests, performance tests, training programs, or probationary periods and physical, educational, and work experience requirements through informal or casual interviews and unscored application forms.

R. Selection rate. The proportion of applicants or candidates who are hired, promoted, or otherwise selected.

S. Should. The term “should” as used in these guidelines is intended to connote action which is necessary to achieve compliance with the guidelines, while recognizing that there are circumstances where alternative courses of action are open to users.

T. Skill. A present, observable competence to perform a learned psychometric act.

U. Technical feasibility. The existence of conditions permitting the conduct of meaningful criterion-related validity studies. These conditions include: (1) An adequate sample of persons available for the study to achieve findings of statistical significance; (2) having or being able to obtain a sufficient range of scores on the selection procedure and job performance measures to produce validity results which can be expected to be representative of the results if the ranges normally expected were utilized; and (3) having or being able to devise unbiased, reliable and relevant measures of job performance or other criteria of employee adequacy. See section 14B(2). With respect to investigation of possible unfairness, the same considerations are applicable to each group for which the study is made. See section 14B(8).

V. Unfairness of selection procedure. A condition in which members of one race, sex, or ethnic group characteristically obtain lower scores on a selection procedure than members of another group, and the differences are not reflected in differences in measures of job performance. See section 14B(7).

W. User. Any employer, labor organization, employment agency, or licensing or certification board, to the extent it may be covered by Federal equal employment opportunity law, which uses a selection procedure as a basis for any employment decision. Whenever an employer, labor organization, or employment agency is required by law to restrict recruitment for any occupation to those applicants who have met licensing or certification requirements, the licensing or certifying authority to the extent it may be covered by Federal equal employment opportunity law will be considered the user with respect to those licensing or certification requirements. Whenever a State employment agency or service does no more than administer or monitor a procedure as permitted by Department of Labor regulations, and does so without making referrals or taking any
other action on the basis of the results, the State employment agency will not be deemed to be a user.

X. Validated in accord with these guidelines or properly validated. A demonstration that one or more validity study or studies meeting the standards of these guidelines has been conducted, including investigation and, where appropriate, use of suitable alternative selection procedures as contemplated by section 3B, and has produced evidence of validity sufficient to warrant use of the procedure for the intended purpose under the standards of these guidelines.

Y. Work behavior. An activity performed to achieve the objectives of the job. Work behaviors involve observable (physical) components and unobservable (mental) components. A work behavior consists of the performance of one or more tasks. Knowledge, skills, and abilities are not behaviors, although they may be applied in work behaviors.

APPENDIX

17. Policy statement on affirmative action (see section 13B). The Equal Employment Opportunity Coordinating Council was established by act of Congress in 1972, and charged with responsibility for developing and implementing agreements and policies designed, among other things, to eliminate conflict and inconsistency among the agencies of the Federal Government responsible for administering Federal law prohibiting discrimination on grounds of race, color, sex, religion, and national origin. This statement is issued as an initial response to the requests of a number of State and local officials for clarification of the Government’s policies concerning the role of affirmative action in the overall equal employment opportunity program. While the Coordinating Council’s adoption of this statement expresses only the views of the signatory agencies concerning this important subject, the principles set forth below should serve as policy guidance for other Federal agencies as well.

(1) Equal employment opportunity is the law of the land. In the public sector of our society this means that all persons, regardless of race, color, religion, sex, or national origin shall have equal access to positions in the public service limited only by their ability to do the job. There is ample evidence in all sectors of our society that such equal access frequently has been denied to members of certain groups because of their sex, racial, or ethnic characteristics. The remedy for such past and present discrimination is twofold.

On the one hand, vigorous enforcement of the laws against discrimination is essential. But equally, and perhaps even more important are affirmative, voluntary efforts on the part of public employers to assure that positions in the public service are genuinely and equally accessible to qualified persons, without regard to their sex, racial, or ethnic characteristics. Without such efforts equal employment opportunity is no more than a wish. The importance of voluntary action on the part of employers is underscored by title VII of the Civil Rights Act of 1964, Executive Order 11246, and related laws and regulations—all of which may be appropriate for a public employer’s voluntary affirmative action plan.

As with most management objectives, a systematic plan based on sound organizational analysis and problem identification is crucial to the accomplishment of affirmative action objectives. For this reason, the Council urges all State and local governments to develop and implement results-oriented affirmative action plans which deal with the problems so identified.

The following paragraphs are intended to assist State and local governments by illustrating the kinds of analyses and activities which may be appropriate for a public employer’s voluntary affirmative action plan. This statement does not address remedies imposed after a finding of unlawful discrimination.

(2) Voluntary affirmative action to assure equal employment opportunity is appropriate at any stage of the employment process. The first step in the construction of any affirmative action plan should be an analysis of the employer’s work force to determine whether percentages of sex, race, or ethnic groups in individual job classifications are substantially similar to the percentages of those groups available in the relevant job market who possess the basic job-related qualifications.

When substantial disparities are found through such analyses, each element of the overall selection process should be examined to determine which elements operate to exclude persons on the basis of sex, race, or ethnic group. Such elements include, but are not limited to, recruitment, testing, ranking certification, interview, recommendations for selection, hiring, promotion, etc. The examination of each element of the selection process should at a minimum include a determination of its validity in predicting job performance.

(3) When an employer has reason to believe that its selection procedures have the exclusionary effect described in paragraph 2 above, it should initiate affirmative steps to remedy the situation. Such steps, which in design and execution may be race, color, sex, or ethnic “conscious,” include, but are not limited to, the following:

(a) The establishment of a long-term goal, and short-range, interim goals and timetables for the specific job classifications, all of which should take into account the availability of basically qualified persons in the relevant job market;
(b) A recruitment program designed to attract qualified members of the group in question;
(c) A systematic effort to organize work and redesign jobs in ways that provide opportunities for persons lacking "journeyman" level knowledge or skills to enter and, with appropriate training, to progress in a career field;
(d) Revamping selection instruments or procedures which have not yet been validated in order to reduce or eliminate exclusionary effects on particular groups in particular job classifications;
(e) The initiation of measures designed to assure that members of the affected group who are qualified to perform the job are included within the pool of persons from which the selecting official makes the selection;
(f) A systematic effort to provide career advancement training, both classroom and on-the-job, to employees locked into dead end jobs; and
(g) The establishment of a system for regularly monitoring the effectiveness of the particular affirmative action program, and procedures for making timely adjustments in this program where effectiveness is not demonstrated.

The goal of any affirmative action plan should be achievement of genuine equal employment opportunity for all qualified persons. Selection under such plans should be based upon the ability of the applicant(s) to do the work. Such plans should not require the selection of the unqualified, or the unneeded, nor should they require the selection of persons on the basis of race, color, sex, religion, or national origin. Moreover, while the Council believes that this statement should serve to assist State and local employers, as well as Federal agencies, it recognizes that affirmative action cannot be viewed as a standardized program which must be accomplished in the same way at all times in all places.

Accordingly, the Council has not attempted to set forth here either the minimum or maximum voluntary steps that employers may take to deal with their respective situations. Rather, the Council recognizes that under applicable authorities, State and local employers have flexibility to formulate affirmative action plans that are best suited to their particular situations. In this manner, the Council believes that affirmative action programs will best serve the goal of equal employment opportunity.

Respectfully submitted,

HAROLD R. TYLER, JR.,
Deputy Attorney General and Chairman of the Equal Employment Coordinating Council.
MICHAEL H. MOSKOW,
Under Secretary of Labor.
ETHEL BENT WALSH,

ROBERT E. HAMPTON,
Chairman, Civil Service Commission.

ARTHUR E. FLEMMING,
Chairman, Commission on Civil Rights.

Because of its equal employment opportunity responsibilities under the State and Local Government Fiscal Assistance Act of 1972 (the revenue sharing act), the Department of Treasury was invited to participate in the formulation of this policy statement; and it concurs and joins in the adoption of this policy statement.

Done this 26th day of August 1976.

RICHARD ALBRECHT,
General Counsel, Department of the Treasury.

SECTION 18. Citations. The official title of these guidelines is "Uniform Guidelines on Employee Selection Procedures (1978)". The Uniform Guidelines on Employee Selection Procedures (1978) are intended to establish a uniform Federal position in the area of prohibiting discrimination in employment practices on grounds of race, color, religion, sex, or national origin. These guidelines have been adopted by the Equal Employment Opportunity Commission, the Department of Labor, the Department of Justice, and the Civil Service Commission.

The official citation is: "Section 18, Uniform Guidelines on Employee Selection Procedure (1978); 43 FR 50,14 (August 25, 1978)."

When the guidelines are cited in connection with the activities of one of the issuing agencies, a specific citation to the regulations of that agency can be added at the end of the above citation. The specific additional citations are as follows:

Normally when citing these guidelines, the section number immediately preceding the title of the guidelines will be from these guidelines series 1–18. If a section number from the codification for an individual agency is needed it can also be added at the end of the agency citation. For example, section 6A of these guidelines could be cited for EEOC as follows: "Section 6A, Uniform Guidelines on Employee Selection Procedures (1978); 43 FR 50,14 (August 25, 1978); 29 CFR part 197, section 6A."
§ 50.15 Representation of Federal officials and employees by Department of Justice attorneys or by private counsel furnished by the Department in civil, criminal, and congressional proceedings in which Federal employees are sued, subpoenaed, or charged in their individual capacities.

(a) Under the procedures set forth below, a federal employee (hereby defined to include present and former Federal officials and employees) may be provided representation in civil, criminal and Congressional proceedings in which he is sued, subpoenaed, or charged in his individual capacity, not covered by §15.1 of this chapter, when the actions for which representation is requested reasonably appear to have been performed within the scope of his employment and whether providing representation would be in the interest of the United States. No special form of request for representation is required when it is clear from the proceedings in a case that the employee is being sued solely in his official capacity and only equitable relief is sought. (See USAM 4-13.000)

(1) When an employee believes he is entitled to representation by the Department of Justice in a proceeding, he must submit forthwith a written request for that representation, together with all process and pleadings served upon him, to his immediate supervisor or whomever is designated by the head of his department or agency. Unless the employee’s employing federal agency concludes that representation is clearly unwarranted, it shall submit, in a timely manner, to the Civil Division or other appropriate litigating division (Antitrust, Civil Rights, Criminal, Land and Natural Resources or the Tax Division), a statement containing its findings as to whether the employee was acting within the scope of his employment and its recommendation for or against providing representation. The statement should be accompanied by all available factual information. In emergency situations the litigating division may initiate conditional representation after a telephone request from the appropriate official of the employing agency. In such cases, the written request and appropriate documentation must be subsequently provided.

(2) Upon receipt of the individual’s request for counsel, the litigating division shall determine whether the employee’s actions reasonably appear to have been performed within the scope of his employment and whether providing representation would be in the interest of the United States. In circumstances where considerations of professional ethics prohibit direct review of the facts by attorneys of the litigating division (e.g. because of the possible existence of inter-defendant conflicts) the litigating division may delegate the fact-finding aspects of this function to other components of the Department or to a private attorney at federal expenses.

(3) Attorneys employed by any component of the Department of Justice who participate in any process utilized for the purpose of determining whether the Department should provide representation to a federal employee, undertake a full and traditional attorney-client relationship with the employee with respect to application of the attorney-client privilege. If representation is authorized, Justice Department attorneys who represent an employee under this section also undertake a full and traditional attorney-client relationship with the employee with respect to application of the attorney-client privilege. Any adverse information communicated by the client-employee to an attorney during the course of such attorney-client relationship shall not be disclosed to anyone, either inside or outside the Department, other than attorneys responsible for representation of the employee, unless such disclosure is authorized by the employee. Such adverse information shall continue to
be fully protected whether or not representation is provided, and even though representation may be denied or discontinued. The extent, if any, to which attorneys employed by an agency other than the Department of Justice undertake a full and traditional attorney-client relationship with the employee with respect to the attorney-client privilege, either for purposes of determining whether representation should be provided or to assist Justice Department attorneys in representing the employee, shall be determined by the agency employing the attorneys.

(4) Representation generally is not available in federal criminal proceedings. Representation may be provided to a federal employee in connection with a federal criminal proceeding only where the Attorney General or his designee determines that representation is in the interest of the United States and subject to applicable limitations of §50.16. In determining whether representation in a federal criminal proceeding is in the interest of the United States, the Attorney General or his designee shall consider, among other factors, the relevance of any non-prosecutorial interests of the United States, the importance of the interests implicated, the Department’s ability to protect those interests through other means, and the likelihood of a conflict of interest between the Department’s prosecutorial and representational responsibilities. If representation is authorized, the Attorney General or his designee also may determine whether representation by Department attorneys, retention of private counsel at federal expense, or reimbursement to the employee of private counsel fees is most appropriate under the circumstances.

(5) Where representation is sought for proceedings other than federal criminal proceedings, but there appears to exist the possibility of a federal criminal investigation or indictment relating to the same subject matter, the litigating division shall contact a designated official in the Criminal, Civil Rights or Tax Division or other prosecutorial authority within the Department (hereinafter “prosecuting division”) to determine whether the employee is either a subject of a federal criminal investigation or a defendant in a federal criminal case. An employee is the subject of an investigation if, in addition to being circumstantially implicated by having the appropriate responsibilities at the appropriate time, there is some evidence of his specific participation in a crime.

(6) If a prosecuting division of the Department indicates that the employee is not the subject of a criminal investigation concerning the act or acts for which he seeks representation, then representation may be provided if otherwise permissible under the provisions of this section. Similarly, if the prosecuting division indicates that there is an ongoing investigation, but into a matter unrelated to that for which representation has been requested, then representation may be provided.

(7) If the prosecuting division indicates that the employee is the subject of a federal criminal investigation concerning the act or acts for which he seeks representation, the litigating division shall inform the employee that no representation by Justice Department attorneys will be provided in that federal criminal proceeding or in any related civil, congressional, or state criminal proceeding. In such a case, however, the litigating division, in its discretion, may provide a private attorney to the employee at federal expense under the procedures of §50.16 or provide reimbursement to employees for private attorney fees incurred in connection with such related civil, congressional, or state criminal proceeding, provided no decision has been made to seek an indictment or file an information against the employee.

(8) In any case where it is determined that Department of Justice attorneys will represent a federal employee, the employee must be notified of his right to retain private counsel at his own expense. If he elects representation by Department of Justice attorneys, the employee and his agency shall be promptly informed:

(i) That in actions where the United States, any agency, or any officer thereof in his official capacity is also named as a defendant, the Department of Justice is required by law to represent the United States and/or such
§ 50.15 28 CFR Ch. I (7–1–17 Edition)

agency or officer and will assert all appropriate legal positions and defenses on behalf of such agency, officer and/or the United States;

(ii) That the Department of Justice will not assert any legal position or defense on behalf of any employee sued in his individual capacity which is deemed not to be in the interest of the United States;

(iii) Where appropriate, that neither the Department of Justice nor any agency of the U.S. Government is obligated to pay or to indemnify the defendant employee for any judgment for money damages which may be rendered against such employee; but that, where authorized, the employee may apply for such indemnification from his employing agency upon the entry of an adverse verdict, judgment, or other monetary award;

(iv) That any appeal by Department of Justice attorneys from an adverse ruling or judgment against the employee may only be taken upon the discretionary approval of the Solicitor General, but the employee-defendant may pursue an appeal at his own expense whenever the Solicitor General declines to authorize an appeal and private counsel is not provided at federal expense under the procedures of §50.16; and

(v) That while no conflict appears to exist at the time representation is tendered which would preclude making all arguments necessary to the adequate defense of the employee, if such conflict should arise in the future the employee will be promptly advised and steps will be taken to resolve the conflict as indicated by paragraph (a) (6), (9) and (10) of this section, and by §50.16.

(9) If a determination not to provide representation is made, the litigating division shall inform the agency and/or the employee of the determination.

(10) If conflicts exist between the legal and factual positions of various employees in the same case which make it inappropriate for a single attorney to represent them all, the employees may be separated into as many compatible groups as is necessary to resolve the conflict problem and each group may be provided with separate representation. Circumstances may make it advisable that private representation be provided to all conflicting groups and that direct Justice Department representation be withheld so as not to prejudice particular defendants. In such situations, the procedures of §50.16 will apply.

(11) Whenever the Solicitor General declines to authorize further appellate review or the Department attorney assigned to represent an employee becomes aware that the representation of the employee could involve the assertion of a position that conflicts with the interests of the United States, the attorney shall fully advise the employee of the decision not to appeal or the nature, extent, and potential consequences of the conflict. The attorney shall also determine, after consultation with his supervisor (and, if appropriate, with the litigating division) whether the assertion of the position or appellate review is necessary to the adequate representation of the employee and

(i) If it is determined that the assertion of the position or appeal is not necessary to the adequate representation of the employee, and if the employee knowingly agrees to forego appeal or to waive the assertion of that position, governmental representation may be provided or continued; or

(ii) If the employee does not consent to forego appeal or waive the assertion of the position, or if it is determined that an appeal or assertion of the position is necessary to the adequate representation of the employee, a Justice Department lawyer may not provide or continue to provide the representation; and

(iii) In appropriate cases arising under paragraph (a)(10)(ii) of this section, a private attorney may be provided at federal expense under the procedures of §50.16.

(12) Once undertaken, representation of a federal employee under this subsection will continue until either all appropriate proceedings, including applicable appellate procedures approved by the Solicitor General, have ended, or until any of the bases for declining or withdrawing from representation set forth in this section is found to exist, including without limitation the basis
that representation is not in the interest of the United States. If representation is discontinued for any reason, the representing Department attorney on the case will seek to withdraw but will take all reasonable steps to avoid prejudice to the employee.

(b) Representation is not available to a federal employee whenever:

(1) The conduct with regard to which the employee desires representation does not reasonably appear to have been performed within the scope of his employment with the federal government;

(2) It is otherwise determined by the Department that it is not in the interest of the United States to provide representation to the employee.

(c)(1) The Department of Justice may indemnify the defendant Department of Justice employee for any verdict, judgment, or other monetary award which is rendered against such employee, provided that the conduct giving rise to the verdict, judgment, or award was taken within the scope of employment and that such indemnification is in the interest of the United States, as determined by the Attorney General or his designee.

(2) The Department of Justice may settle or compromise a personal damages claim against a Department of Justice employee by the payment of available funds, at any time, provided the alleged conduct giving rise to the personal damages claim was taken within the scope of employment and that such settlement or compromise is in the interest of the United States, as determined by the Attorney General or his designee.

(3) Absent exceptional circumstances as determined by the Attorney General or his designee, the Department will not entertain a request either to indemnify or to settle a personal damages claim before entry of an adverse verdict, judgment, or award.

(4) The Department of Justice employee may request indemnification to satisfy a verdict, judgment, or award entered against the employee. The employee shall submit a written request, with appropriate documentation including copies of the verdict, judgment, award, or settlement proposal if on appeal, to the head of his employing component, who shall thereupon submit to the appropriate Assistant Attorney General, in a timely manner, a recommended disposition of the request. Where appropriate, the Assistant Attorney General shall seek the views of the U.S. Attorney; in all such cases the Civil Division shall be consulted. The Assistant Attorney General shall forward the request, the employing component’s recommendation, and the Assistant Attorney General’s recommendation to the Attorney General for decision.

(5) Any payment under this section either to indemnify a Department of Justice employee or to settle a personal damages claim shall be contingent upon the availability of appropriated funds of the employing component of the Department of Justice.

§ 50.16 Representation of Federal employees by private counsel at Federal expense.

(a) Representation by private counsel at federal expense or reimbursement of private counsel fees is subject to the availability of funds and may be provided to a federal employee only in the instances described in §50.15(a) (4), (7), (10), and (11), and in appropriate circumstances, for the purposes set forth in §50.15(a)(2).

(b) To ensure uniformity in retention and reimbursement procedures among the litigating divisions, the Civil Division shall be responsible for establishing procedures for the retention of private counsel and the reimbursement to an employee of private counsel fees, including the setting of fee schedules. In all instances where a litigating division decides to retain private counsel or to provide reimbursement of private counsel fees under this section, the Civil Division shall be consulted before the retention or reimbursement is undertaken.

(c) Where private counsel is provided, the following procedures shall apply:

(1) While the Department of Justice will generally defer to the employee’s choice of counsel, the Department must approve in advance any private
counsel to be retained under this section. Where national security interests may be involved, the Department of Justice will consult with the agency employing the federal defendant seeking representation.

(2) Federal payments to private counsel for an employee will cease if the private counsel violates any of the terms of the retention agreement or the Department of Justice.

(i) Decides to seek an indictment of, or to file an information against, that employee on a federal criminal charge relating to the conduct concerning which representation was undertaken;

(ii) Determines that the employee’s actions do not reasonably appear to have been performed within the scope of his employment;

(iii) Resolves any conflict described herein and tenders representation by Department of Justice attorneys;

(iv) Determines that continued representation is not in the interest of the United States;

(v) Terminates the retainer with the concurrence of the employee-client for any reason.

(d) Where reimbursement is provided for private counsel fees incurred by employees, the following limitations shall apply:

(1) Reimbursement shall be limited to fees incurred for legal work that is determined to be in the interest of the United States. Reimbursement is not available for legal work that advances only the individual interests of the employee.

(2) Reimbursement shall not be provided if at any time the Attorney General or his designee determines that the employee’s actions do not reasonably appear to have been performed within the scope of his employment or that representation is no longer in the interest of the United States.

(3) Reimbursement shall not be provided for fees incurred during any period of time for which representation by Department of Justice attorneys was tendered.

(4) Reimbursement shall not be provided if the United States decides to seek an indictment of or to file an information against the employee seeking reimbursement, on a criminal charge relating to the conduct concerning which representation was undertaken.

[Order No. 970–82, 47 FR 8174, Feb. 25, 1982, as amended by Order No. 1409–90, 55 FR 13130, Apr. 9, 1990]

§ 50.17 Ex parte communications in informal rulemaking proceedings.

In rulemaking proceedings subject only to the procedural requirements of 5 U.S.C. 553:

(a) A general prohibition applicable to all offices, boards, bureaus and divisions of the Department of Justice against the receipt of private, ex parte oral or written communications is undesirable, because it would deprive the Department of the flexibility needed to fashion rulemaking procedures appropriate to the issues involved, and would introduce a degree of formality that would, at least in most instances, result in procedures that are unduly complicated, slow, and expensive, and, at the same time, perhaps not conducive to developing all relevant information.

(b) All written communications from outside the Department addressed to the merits of a proposed rule, received after notice of proposed informal rulemaking and in its course by the Department, its offices, boards, and bureaus, and divisions or their personnel participating in the decision, should be placed promptly in a file available for public inspection.

(c) All oral communications from outside the Department of significant information or argument respecting the merits of a proposed rule, received after notice of proposed informal rulemaking and in its course by the Department, its offices, boards, bureaus, and divisions or their personnel participating in the decision, should be summarized in writing and placed promptly in a file available for public inspection.

(d) The Department may properly withhold from the public files information exempt from disclosure under 5 U.S.C. 552.
(e) The Department may conclude that restrictions on *ex parte* communications in particular rulemaking proceedings are necessitated by considerations of fairness or for other reasons.

(Order No. 801-78, 43 FR 43297, Sept. 25, 1978, as amended at Order No. 1409-90, 55 FR 13130, Apr. 9, 1990)

§ 50.18 [Reserved]

§ 50.19 Procedures to be followed by government attorneys prior to filing recusal or disqualification motions.

The determination to seek, for any reason the disqualification or recusal of a justice, judge, or magistrate is a most significant and sensitive decision. This is particularly true for government attorneys, who should be guided by uniform procedures in obtaining the requisite authorization for such a motion. This statement is designed to establish a uniform procedure.

(a) No motion to recuse or disqualify a justice, judge, or magistrate (see, e.g., 28 U.S.C. 144, 455) shall be made or supported by any Department of Justice attorney, U.S. Attorney (including Assistant U.S. Attorneys) or agency counsel conducting litigation pursuant to agreement with or authority delegated by the Attorney General, without the prior written approval of the Assistant Attorney General having ultimate supervisory power over the action in which recusal or disqualification is being considered.

(b) Prior to seeking such approval, Justice Department lawyer(s) handling the litigation shall timely seek the recommendations of the U.S. Attorney for the district in which the matter is pending, and the views of the client agencies, if any. Similarly, if agency attorneys are primarily handling any such suit, they shall seek the recommendations of the U.S. Attorney and provide them to the Department of Justice with the request for approval. In actions where the United States Attorneys are primarily handling the litigation in question, they shall seek the recommendation of the client agencies, if any, for submission to the Assistant Attorney General.

(c) In the event that the conduct and pace of the litigation does not allow sufficient time to seek the prior written approval by the Assistant Attorney General, prior oral authorization shall be sought and a written record fully reflecting that authorization shall be subsequently prepared and submitted to the Assistant Attorney General.

(d) Assistant Attorneys General may delegate the authority to approve or deny requests made pursuant to this section, but only to Deputy Assistant Attorneys General or an equivalent position.

(e) This policy statement does not create or enlarge any legal obligations upon the Department of Justice in civil or criminal litigation, and it is not intended to create any private rights enforceable by private parties in litigation with the United States.

(Order No. 977-82, 47 FR 22094, May 21, 1982)

§ 50.20 Participation by the United States in court-annexed arbitration.

(a) Considerations affecting participation in arbitration. (1) The Department recognizes and supports the general goals of court-annexed arbitrations, which are to reduce the time and expenses required to dispose of civil litigation. Experimentations with such procedures in appropriate cases can offer both the courts and litigants an opportunity to determine the effectiveness of arbitration as an alternative to traditional civil litigation.

(2) An arbitration system, however, is best suited for the resolution of relatively simple factual issues, not for trying cases that may involve complex issues of liability or other unsettled legal questions. To expand an arbitration system beyond the types of cases for which it is best suited and most competent would risk not only a decrease in the quality of justice available to the parties but unnecessarily higher costs as well.

(3) In particular, litigation involving the United States raises special concerns with respect to court-annexed arbitration programs. A mandatory arbitration program potentially implicates the principles of separation of powers, sovereign immunity, and the Attorney General’s control over the process of settling litigation.
§ 50.20  28 CFR Ch. I (7–1–17 Edition)

(b) General rule consenting to arbitration consistent with the department’s regulations. (1) Subject to the considerations set forth in the following paragraphs and the restrictions set forth in paragraphs (c) and (d), in a case assigned to arbitration or mediation under a local district court rule, the Department of Justice agrees to participate in the arbitration process under the local rule. The attorney for the government responsible for the case should take any appropriate steps in conducting the case to protect the interests of the United States.

(2) Based upon its experience under arbitration programs to date, and the purposes and limitations of court-annexed arbitration, the Department generally endorses inclusion in a district’s court-annexed arbitration program of civil actions—

(i) In which the United States or a Department, agency, or official of the United States is a party, and which seek only money damages in an amount not in excess of $100,000, exclusive of interest and costs; and

(ii) Which are brought (A) under the Federal Tort Claims Act, 28 U.S.C. 1346(b), 2671 et seq., or (B) under the Longshoreman’s and Harbor Worker’s Compensation Act, 33 U.S.C. 905, or (C) under the Miller Act, 40 U.S.C. 270(b).

(3) In any other case in which settlement authority has been delegated to the U.S. Attorney under the regulations of the Department and the directives of the applicable litigation division and none of the exceptions to such delegation apply, the U.S. Attorney for the district, if he concludes that a settlement of the case upon the terms of the arbitration award would be appropriate, may proceed to settle the case accordingly.

(4) Cases other than those described in paragraph (2) that are not within the delegated settlement authority of the U.S. Attorney for the district ordinarily are not appropriate for an arbitration process because the Department generally will not be able to act favorably or negatively in a short period of time upon a settlement of the case in accordance with the arbitration award. Therefore, this will result in a demand for trial de novo in a substantial proportion of such cases to preserve the interests of the United States.

(5) The Department recommends that any district court’s arbitration rule include a provision exempting any case from arbitration, sua sponte or on motion of a party, in which the objectives of arbitration would not appear to be realized, because the case involves complex or novel legal issues, or because legal issues predominate over factual issues, or for other good cause.

(c) Objection to the imposition of penalties or sanctions against the United States for demanding trial de novo. (1) Under the principle of sovereign immunity, the United States cannot be held liable for costs or sanctions in litigation in the absence of a statutory provision waiving its immunity. In view of the statutory limitations on the costs payable by the United States (28 U.S.C. 2412(a), 2412(b), and 1920), the Department does not consent to provisions in any district’s arbitration program providing for the United States or the Department, agency, or official named as a party to the action to pay any sanction for demanding a trial de novo—either as a deposit in advance or as a penalty imposed after the fact—which is based on the arbitrators’ fees, the opposing party’s attorneys’ fees, or any other costs not authorized by statute to be awarded against the United States. This objection applies whether the penalty or sanction is required to be paid to the opposing party, to the clerk of the court, or to the Treasury of the United States.

(2) In any case involving the United States that is designated for arbitration under a program pursuant to which such a penalty or sanction might be imposed against the United States, its officers or agents, the attorney for the government is instructed to take appropriate steps, by motion, notice of objection, or otherwise, to apprise the court of the objection of the United States to the imposition of such a penalty or sanction.

(3) Should such a penalty or sanction actually be required of or imposed on the United States, its officers or agents, the attorney for the government is instructed to:
Department of Justice § 50.21

(i) Advise the appropriate Assistant Attorney General of this development promptly in writing;
(ii) Seek appropriate relief from the district court; and
(iii) If necessary, seek authority for filing an appeal or petition for mandamus.

The Solicitor General, the Assistant Attorneys General, and the U.S. Attorneys are instructed to take all appropriate steps to resist the imposition of such penalties or sanctions against the United States.

(d) Additional restrictions. (1) The Assistant Attorneys General, the U.S. Attorneys, and their delegates, have no authority to settle or compromise the interests of the United States in a case pursuant to an arbitration process in any respect that is inconsistent with the limitations upon the delegation of settlement authority under the Department’s regulations and the directives of the litigation divisions. See 28 CFR part 0, subpart Y and appendix to subpart Y. The attorney for the government shall demand trial de novo in any case in which:
(i) Settlement of the case on the basis of the amount awarded would not be in the best interests of the United States;
(ii) Approval of a proposed settlement under the Department’s regulations in accordance with the arbitration award cannot be obtained within the period allowed by the local rule for rejection of the award; or
(iii) The client agency opposes settlement of the case upon the terms of the settlement award, unless the appropriate official of the Department approves a settlement of the case in accordance with the delegation of settlement authority under the Department’s regulations.

(2) Cases sounding in tort and arising under the Constitution of the United States or under a common law theory filed against an employee of the United States in his personal capacity for actions within the scope of his employment which are alleged to have caused injury or loss of property or personal injury or death are not appropriate for arbitration.

(3) Cases for injunctive or declaratory relief are not appropriate for arbitration.

(4) The Department reserves the right to seek any appropriate relief to which its client is entitled, including injunctive relief or a ruling on motions for judgment on the pleadings, for summary judgment, or for qualified immunity, or on issues of discovery, before proceeding with the arbitration process.

(5) In view of the provisions of the Federal Rules of Evidence with respect to settlement negotiations, the Department objects to the introduction of the arbitration process or the arbitration award in evidence in any proceeding in which the award has been rejected and the case is tried de novo.

(6) The Department’s consent for participation in an arbitration program is not a waiver of sovereign immunity or other defenses of the United States except as expressly stated; nor is it intended to affect jurisdictional limitations (e.g., the Tucker Act).

(e) Notification of new or revised arbitration rules. The U.S. Attorney in a district which is considering the adoption of or has adopted a program of court-annexed arbitration including cases involving the United States shall:
(1) Advise the district court of the provisions of this section and the limitations on the delegation of settlement authority to the United States Attorney pursuant to the Department’s regulations and the directives of the litigation divisions; and
(2) Forward to the Executive Office for United States Attorneys a notice that such a program is under consideration or has been approved, together with a copy of the rules or proposed rules, if available, and a recommendation as to whether United States participation in the program as proposed, adopted, or revised, would be advisable, in whole or in part.

§ 50.21 Procedures governing the destruction of contraband drug evidence in the custody of Federal law enforcement authorities.

(a) General. The procedures set forth below are intended as a statement of policy of the Department of Justice.
and will be applied by the Department in exercising its responsibilities under Federal law relating to the destruction of seized contraband drugs.

(b) Purpose. This policy implements the authority of the Attorney General under title I, section 1006(c)(3) of the Anti-Drug Abuse Act of 1986, Public Law 99–570 which is codified at 21 U.S.C. 881(f)(2), to direct the destruction, as necessary, of Schedule I and II contraband substances.

(c) Policy. This regulation is intended to prevent the warehousing of large quantities of seized contraband drugs which are unnecessary for due process in criminal cases. Such stockpiling of contraband drugs presents inordinate security and storage problems which create additional economic burdens on limited law enforcement resources of the United States.

(d) Definitions. As used in this subpart, the following terms shall have the meanings specified:

(1) The term **Contraband drugs** are those controlled substances listed in Schedules I and II of the Controlled Substances Act seized for violation of that Act.

(2) The term **Marijuana** is as defined in 21 U.S.C. 801(15) but does not include, for the purposes of this regulation, the derivatives hashish or hashish oil for purposes of destruction.

(3) The term **Representative sample** means the exemplar for testing and a sample aggregate portion of the whole amount seized sufficient for current criminal evidentiary practice.

(4) The term **Threshold amount** means:

(i) Two kilograms of a mixture or substance containing a detectable amount of heroin;

(ii) Ten kilograms of a mixture or substance containing a detectable amount of—

(A) Coca leaves, except coca leaves and extracts of coca leaves from which cocaine, ecgonine, and derivatives of ecgonine or their salts have been removed;

(B) Cocaaine, its salts, optical and geometric isomers, and salts of isomers;

(C) Ecgonine, its derivatives, their salts, isomers, and salts of isomers; or

(D) Any compound, mixture, or preparation which contains any quantity of

any of the substances referred to in paragraphs (d)(4)(i) through (C) of this section;

(iii) Ten kilograms of a mixture or substance described in paragraph (d)(4)(i)(A) of this section which contains cocaine base;

(iv) Two hundred grams of powdered phencyclidine (PCP) or two kilograms of a powdered mixture or substance containing a detectable amount of phencyclidine (PCP) or 28.35 grams of a liquid containing a detectable amount of phencyclidine (PCP);

(v) Twenty grams of a mixture or substance containing a detectable amount of Lysergic Acid Diethylamide (LSD);

(vi) Eight hundred grams of a mixture or substance containing a detectable amount of N-phenyl-N-[1-(2-phenylethyl)-4-piperidinyl] propanamide (commonly known as fentanyl) or two hundred grams of a mixture or substance containing a detectable amount of any analogue of N-phenyl-N-[1-(2-phenylethyl)-4-piperidinyl] propanamide;

(vii) Twenty kilograms of hashish or two kilograms of hashish oil (21 U.S.C. 841(b)(1)(D), 960(b)(4)).

In the event of any changes to section 401(b)(1) of the Controlled Substances Act (21 U.S.C. 841(b)(1)) as amended occurring after the date of these regulations, the threshold amount of any substance therein listed, except marijuana, shall be twice the minimum amount required for the most severe mandatory minimum sentence.

(e) Procedures. Responsibilities of the Federal Bureau of Investigation and Drug Enforcement Administration.

When contraband drug substances in excess of the threshold amount or in the case of marijuana a quantity in excess of the representative sample are seized pursuant to a criminal investigation and retained in the custody of the Federal Bureau of Investigation or Drug Enforcement Administration, the Agency having custody shall:

(1) Immediately notify the appropriate U.S. Attorney, Assistant U.S. Attorney, or the responsible state/local prosecutor that the amount of seized contraband drug exceeding the threshold amount and its packaging, will be destroyed after sixty days from the
date notice is provided of the seizures, unless the agency providing notice is requested in writing by the authority receiving notice not to destroy the excess contraband drug; and

(2) Assure that appropriate tests of samples of the drug are conducted to determine the chemical nature of the contraband substance and its weight sufficient to serve as evidence before the trial courts of that jurisdiction; and

(3) Photographically depict, and if requested by the appropriate prosecutorial authority, videotape, the contraband drugs as originally packaged or an appropriate display of the seized contraband drugs so as to create evidentiary exhibits for use at trial; and

(4) Isolate and retain the appropriate threshold amounts of contraband drug evidence when an amount greater than the appropriate threshold amount has been seized, or when less than the appropriate threshold amounts of contraband drugs have been seized, the entire amount of the seizure, with the exception of marijuana, for which a representative sample shall be retained; and

(5) Maintain the retained portions of the contraband drugs until the evidence is no longer required for legal proceedings, at which time it may be destroyed, first having obtained consent of the U.S. Attorney, an Assistant U.S. Attorney, or the responsible state/local prosecutor;

(6) Notify the appropriate U.S. Attorney, Assistant U.S. Attorney, or the responsible state/local prosecutor to obtain consent to destroy the retained amount or representative sample whenever the related suspect(s) has been a fugitive from justice for a period of five years. An exemplar sufficient for testing will be retained consistent with this section.

(f) Procedures. Responsibilities of the U.S. Attorney or the District Attorney (or equivalent state/local prosecutorial authority). When so notified by the Federal Bureau of Investigation or the Drug Enforcement Administration of an intent to destroy excess contraband drugs, the U.S. Attorney or the District Attorney (or equivalent) may:

(1) Agree to the destruction of the contraband drug evidence in excess of the threshold amount, or for marijuana in excess of the representative sample, prior to the normal sixty-day period. The U.S. Attorney, or the District Attorney (or equivalent) may delegate to his/her assistants authority to enter into such agreement; or

(2) Request an exception to the destruction policy in writing to the Special Agent in Charge of the responsible division prior to the end of the sixty-day period when retaining only the threshold amount or representative sample will significantly affect any legal proceedings; and

(3) In the event of a denial of the request may appeal the denial to the Assistant Attorney General, Criminal Division. Such authority may not be re-delegated. An appeal shall stay the destruction until the appeal is complete.

(g) Supplementary regulations. The Federal Bureau of Investigation and the Drug Enforcement Administration are authorized to issue regulations and establish procedures consistent with this section.

§ 50.22 Young American Medals Program.

(a) Scope. There are hereby established two medals, one to be known as the Young American Medal for Bravery and the other to be known as the Young American Medal for Service.

(b) Young American Medal for Bravery.

(1)(i) The Young American Medal for Bravery may be awarded to a person—

(A) Who during a given calendar year has exhibited exceptional courage, attended by extraordinary decisiveness, presence of mind, and unusual swiftness of action, regardless of his or her own personal safety, in an effort to save or in saving the life of any person or persons in actual imminent danger;

(B) Who was eighteen years of age or younger at the time of the occurrence; and

(C) Who habitually resides in the United States (including its territories and possessions), but need not be a citizen thereof.

(ii) These conditions must be met at the time of the event.
(2) The act of bravery must have been public in nature and must have been acknowledged by the Governor, Chief Executive Officer of a State, county, municipality, or other political subdivision, or by a civic, educational, or religious institution, group, or society. (3) No more than two such medals may be awarded in any one calendar year.

(c) Young American Medal for Service. (1) The Young American Medal for Service may be awarded to any citizen of the United States eighteen years of age or younger at the time of the occurrence, who has achieved outstanding or unusual recognition for character and service during a given calendar year. (2) Character attained and service accomplished by a candidate for this medal must have been such as to make his or her achievement worthy of public report. The outstanding and unusual recognition of the candidate’s character and service must have been public in nature and must have been acknowledged by the Governor, Chief Executive Officer of a State, county, municipality, or other political subdivision, or by a civic, educational, or religious institution, group, or society. (3) The recognition of the character and service upon which the award of the Medal for Service is based must have been accorded separately and apart from the Young American Medals program and must not have been accorded for the specific and announced purpose of rendering a candidate eligible, or of adding to a candidate’s qualifications, for the award of the Young American Medal for Service. (4) No more than two such medals may be awarded in any one calendar year.

(d) Eligibility. (1) The act or acts of bravery and the recognition for character and service that make a candidate eligible for the respective medals must have occurred during the calendar year for which the award is made. (2) A candidate may be eligible for both medals in the same year. Moreover, the receipt of either medal in any year will not affect a candidate’s eligibility for the award of either or both of the medals in a succeeding year. (3) Acts of bravery performed and recognition of character and service achieved by persons serving in the Armed Forces, which arise from or out of military duties, shall not make a candidate eligible for either of the medals, provided, however, that a person serving in the Armed Forces shall be eligible to receive either or both of the medals if the act of bravery performed or the recognition for character and service achieved is on account of acts and service performed or rendered outside of and apart from military duties.

(e) Request for information. (1) A recommendation in favor of a candidate for the award of a Young American Medal for Bravery or for Service must be accompanied by: (i) A full and complete statement of the candidate’s act or acts of bravery or recognized character and service (including the times and places) that supports qualification of the candidate to receive the appropriate medal; (ii) Statements by witnesses or persons having personal knowledge of the facts surrounding the candidate’s act or acts of bravery or recognized character and service, as required by the respective medals; (iii) A certified copy of the candidate’s birth certificate, or, if no birth certificate is available, other authentic evidence of the date and place of the candidate’s birth; and (iv) A biographical sketch of the candidate, including information as to his or her citizenship or habitual residence, as may be required by the respective medals.

(f) Procedure. (1)(i) All recommendations and accompanying documents and papers should be submitted to the Governor or Chief Executive Officer of the State, territory, or possession of the United States where the candidate’s act or acts of bravery or recognized character and service were demonstrated. In the case of the District of Columbia, the recommendations should be submitted to the Mayor of the District of Columbia. (ii) If the act or acts of bravery or recognized character and service did not occur within the boundaries of any State, territory, or possession of the United States, the papers should be
(2) The Governor or Chief Executive Officer, after considering the various recommendations received after the close of the pertinent calendar year, may nominate therefrom no more than two candidates for the Young American Medal for Bravery and no more than two candidates for the Young American Medal for Service. Nominated individuals should have, in the opinion of the appropriate official, shown by the facts and circumstances to be the most worthy and qualified candidates from the jurisdiction to receive consideration for awards of the above-named medals.

(3) Nominations of candidates for either medal must be submitted no later than 120 days after notification that the Department of Justice is seeking nominations under this program for a specific calendar year. Each nomination must contain the necessary documentation establishing eligibility, must be submitted by the Governor or Chief Executive Officer, together with any comments, and should be submitted to the address published in the notice.

(4) Nominations of candidates for medals will be considered only when received from the Governor or Chief Executive Officer of a State, territory, or possession of the United States.

(5) The Young American Medals Committee will select, from nominations properly submitted, those candidates who are shown by the facts and circumstances to be eligible for the award of the medals. The Committee shall make recommendations to the Attorney General based on its evaluation of the nominees. Upon consideration of these recommendations, the Attorney General may select up to the maximum allowable recipients for each medal for the calendar year.

(g) Presentation. (1) The Young American Medal for Bravery and the Young American Medal for Service will be presented personally by the President of the United States to the candidates selected. These medals will be presented in the name of the President and the Congress of the United States. Presentation ceremonies shall be held at such times and places selected by the President in consultation with the Attorney General.

(2) The Young American Medals Committee will officially designate two adults (preferably the parents of the candidate) to accompany each candidate selected to the presentation ceremonies. The candidates and persons designated to accompany them will be furnished transportation and other appropriate allowances.

(3) There shall be presented to each recipient an appropriate Certificate of Commendation stating the circumstances under which the act of bravery was performed or describing the outstanding recognition for character and service, as appropriate for the medal awarded. The Certificate will bear the signature of the President of the United States and the Attorney General of the United States.

(4) There also shall be presented to each recipient of a medal, a miniature replica of the medal awarded in the form of a lapel pin.

(h) Posthumous awards. In cases where a medal is awarded posthumously, the Young American Medals Committee will designate the father or mother of the deceased or other suitable person to receive the medal on behalf of the deceased. The decision of the Young American Medals Committee in designating the person to receive the posthumously awarded medal, on behalf of the deceased, shall be final.

(i) Young American Medals Committee. The Young American Medals Committee shall be represented by the following:

(1) Director of the FBI, Chairman;
(2) Administrator of the Drug Enforcement Administration, Member;
(3) Director of the U.S. Marshals Service, Member; and
(4) Assistant Attorney General, Office of Justice Programs, Member and Executive Secretary.

(Authority: The United States Department of Justice is authorized under 42 U.S.C. 1921 et seq. to promulgate rules and regulations establishing medals, one for bravery and one for service. This authority was enacted by chapter 520 of Pub. L. 81–638 (August 3, 1950).)
§ 50.23 Policy against entering into final settlement agreements or consent decrees that are subject to confidentiality provisions and against seeking or concurring in the sealing of such documents.

(a) It is the policy of the Department of Justice that, in any civil matter in which the Department is representing the interests of the United States or its agencies, it will not enter into final settlement agreements or consent decrees that are subject to confidentiality provisions, nor will it seek or concur in the sealing of such documents. This policy flows from the principle of openness in government and is consistent with the Department's policies regarding openness in judicial proceedings (see 28 CFR 50.9) and the Freedom of Information Act (see Memorandum for Heads of Departments and Agencies from the Attorney General Re: The Freedom of Information Act (Oct. 4, 1993)).

(b) There may be rare circumstances that warrant an exception to this general rule. In determining whether an exception is appropriate, any such circumstances must be considered in the context of the public's strong interest in knowing about the conduct of its Government and expenditure of its resources. The existence of such circumstances must be documented as part of the approval process, and any confidentiality provision must be drawn as narrowly as possible. Non-delegable approval authority to determine that an exception justifies use of a confidentiality provision in, or seeking or concurring in the sealing of, a final settlement or consent decree resides with the relevant Assistant Attorney General or United States Attorney, unless authority to approve the settlement itself lies with a more senior Department official, in which case the more senior official will have such approval authority.

(c) Regardless of whether particular information is subject to a confidentiality provision or to seal, statutes and regulations may prohibit its disclosure from Department of Justice files. Thus, before releasing any information, Department attorneys should consult all appropriate statutes and regulations (e.g., 5 U.S.C. 552a (Privacy Act); 50 U.S.C. 403-3(c)(6) (concerning intelligence sources and methods), and Execution Order 12958 (concerning national security information). In particular, in matters involving individuals, the Privacy Act regulates disclosure of settlement agreements that have not been made part of the court record.

(d) The principles set forth in this section are intended to provide guidance to attorneys for the Government and are not intended to create or recognize any legally enforceable right in any person.

[Order No. 2270–99, 64 FR 59122, Nov. 2, 1999]

§ 50.24 Annuity broker minimum qualifications.

(a) Minimum standards. The Civil Division, United States Department of Justice, shall establish a list of annuity brokers who meet minimum qualifications for providing annuity broker services in connection with structured settlements entered by the United States. Those qualifications are as follows:

(1) The broker must have a current license issued by at least one State, the District of Columbia, or a Territory of the United States as a life insurance agent, producer, or broker;

(2) The broker must have a current license or appointment issued by at least one life insurance company to sell its structured settlement annuity contracts or to act as a structured settlement consultant or broker for the company;

(3) The broker must be currently covered by an Errors and Omissions insurance policy, or an equivalent form of insurance;

(4) The broker must never have had a license to be a life insurance agent, producer, or broker revoked, rescinded, or suspended for any reason or for any period of time;

(5) The broker must not have been convicted of a felony; and

(6) The broker must have had substantial experience in each of the past three years in providing structured settlement brokerage services to or on behalf of defendants or their counsel.

(b) Procedures for inclusion on the list.

(1) An annuity broker who desires to be included on the list must submit a
“Declaration” that he or she has reviewed the list of minimum qualifications set forth in paragraph (a) of this section and that he or she meets those minimum qualifications. A sample of the Declaration for annuity brokers to submit is available from the Civil Division’s Web site (http://www.usdoj.gov/civil/home.html) or by written request to the address in this section. These minimum qualifications must be continually met for a broker who has been included on the list to remain included when the list is updated thereafter. The Declaration must be executed under penalty of perjury in a manner specified in 28 U.S.C. 1746.

(2) Each broker must submit a new Declaration annually to be included on updated lists. For a broker to be included on the initial list to be established by May 1, 2003, the Torts Branch, Civil Division, must receive the broker’s Declaration no later than April 24, 2003. If the broker wishes to be included on updated lists, the Torts Branch must receive a new Declaration from the broker between January 1 and April 10 of each successive calendar year. After the Declaration is completed and signed, the original must be mailed to the United States Department of Justice, Civil Division, FTCA Staff, Post Office Box 888, Benjamin Franklin Station, Washington, DC 20044. The Department of Justice will not accept a photocopy or facsimile of the Declaration.

(3) A Declaration will not be accepted by the Department of Justice unless it is complete and has been signed by the individual annuity broker requesting inclusion on the list. A Declaration that is incomplete or has been altered, amended, or changed in any respect from the Declaration at the Civil Division’s Web site will not be accepted by the Department of Justice. Such a Declaration will be returned to the annuity broker who submitted it, and the Department of Justice will take no further action on the request for inclusion on the list until the defect in the Declaration has been cured by the annuity broker.

(4) The Department of Justice will retain a complete Declaration signed and filed by an annuity broker requesting to be on the list. Because this rule does not require the submission of any additional information, the Department retains discretion to dispose of additional information or documentation provided by an annuity broker.

(5) The Department of Justice will not accept a Declaration submitted by an annuity company or by someone on behalf of another individual or group of individuals. Each individual annuity broker who desires to be included on the list must submit his or her own Declaration.

(6) An annuity broker whose name appears on the list incorrectly may submit a written request that his or her name be corrected. An annuity broker whose name appears on the list may submit a written request that his or her name be removed from the list.

(7) To the extent practicable, a name correction or deletion will appear on the next revision of the list immediately after receipt of the written request for a name correction or deletion. A written request for a name correction or deletion must be mailed to the United States Department of Justice, Civil Division, FTCA Staff, Post Office Box 888, Benjamin Franklin Station, Washington, DC 20044. Facsimiles will not be accepted.

(8) The list of annuity brokers established pursuant to this section will be updated periodically, but not more often than twice every calendar year, beginning in calendar year 2004.

(c) Disclaimers. (1) The inclusion of an annuity broker on the list signifies only that the individual declared under penalty of perjury that he or she meets the minimum qualifications required by the Attorney General for providing annuity brokerage services in connection with structured settlements entered into by the United States. Because the decision to include an individual annuity broker on the list signifies only that the individual declared under penalty of perjury that he or she meets the minimum qualifications required by the Attorney General for providing annuity brokerage services in connection with structured settlements entered into by the United States, the appearance of an annuity broker’s name on the list does not signify that the annuity broker actually meets those minimum qualifications or is otherwise competent to provide structured settlement brokerage services to the United States. No preferential consideration will be given to an annuity broker appearing on the list.
except to the extent that United States Attorneys utilize the list pursuant to section 11015(b) of Public Law 107–273.

(2) By submitting a Declaration to the Department of Justice, the individual annuity broker agrees that the Declaration and the list each may be made public in its entirety, and the annuity broker expressly consents to such release and disclosure of the Declaration and list.

§ 50.25 Assumption of concurrent Federal criminal jurisdiction in certain areas of Indian country.

(a) Assumption of concurrent Federal criminal jurisdiction. (1) Under 18 U.S.C. 1162(d), the United States may accept concurrent Federal criminal jurisdiction to prosecute violations of 18 U.S.C. 1152 (the General Crimes, or Indian Country Crimes, Act) and 18 U.S.C. 1153 (the Major Crimes, or Indian Major Crimes, Act) within areas of Indian country in the States of Alaska, California, Minnesota, Nebraska, Oregon, and Wisconsin that are subject to State criminal jurisdiction under Public Law 280, 18 U.S.C. 1162(a), if the tribe requests such an assumption of jurisdiction and the Attorney General consents to that request. Once the Attorney General has consented to an Indian tribe’s request for assumption of concurrent Federal criminal jurisdiction, the General Crimes and Major Crimes Acts shall apply in the Indian country of the requesting tribe that is located in any of these “mandatory” Public Law 280 States, and criminal jurisdiction over those areas shall be concurrent among the Federal Government, the State government, and (where applicable) the tribal government. Assumption of concurrent Federal criminal jurisdiction under 18 U.S.C. 1162(d) does not require the agreement, consent, or concurrence of any State or local government.

(2) Under 25 U.S.C. 1321(a)(2), the United States may exercise concurrent Federal criminal jurisdiction in other areas of Indian country as to which States have assumed “optional” Public Law 280 criminal jurisdiction under 25 U.S.C. 1321(a), if a tribe so requests and after consultation with and consent by the Attorney General. The Department’s view is that such concurrent Federal criminal jurisdiction exists under applicable statutes in these areas of Indian country, even if the Federal Government does not formally accept such jurisdiction in response to petitions from individual tribes. This rule therefore does not establish procedures for processing requests from tribes under 25 U.S.C. 1321(a)(2).

(b) Request requirements. (1) A tribal request for assumption of concurrent Federal criminal jurisdiction under 18 U.S.C. 1162(d) shall be made by the chief executive official of a federally recognized Indian tribe that occupies Indian country listed in 18 U.S.C. 1162(a). For purposes of this section, a chief executive official may include a tribal chairperson, president, governor, principal chief, or other equivalent position.

(2) The tribal request shall be submitted in writing to the Director of the Office of Tribal Justice at the Department of Justice. The first page of the tribal request shall be clearly marked: “Request for United States Assumption of Concurrent Federal Criminal Jurisdiction.” The tribal request shall explain why the assumption of concurrent Federal criminal jurisdiction will improve public safety and criminal law enforcement and reduce crime in the Indian country of the requesting tribe. The tribal request shall also identify each local or State agency that currently has jurisdiction to investigate or prosecute criminal violations in the Indian country of the tribe and shall provide contact information for each such agency.

(c) Process for handling tribal requests. (1) Upon receipt of a tribal request, the Office of Tribal Justice shall:

(i) Acknowledge receipt; and

(ii) Open a file.

(2) Within 30 days of receipt of a tribal request, the Office of Tribal Justice shall:

(i) Publish a notice in the Federal Register, seeking comments from the general public;

(ii) Send written notice of the request to the State and local agencies identified by the tribe as having criminal jurisdiction over the tribe’s Indian country, with a copy of the notice to
the governor of the State in which the agency is located, requesting that any comments be submitted within 45 days of the date of the notice;

(iii) Seek comments from the relevant United States Attorney’s Offices, the Federal Bureau of Investigation, and other Department of Justice components that would be affected by consenting to the request; and

(iv) Seek comments from the Department of the Interior (including the Bureau of Indian Affairs), the Department of Homeland Security, other affected Federal departments and agencies, and Federal courts.

(3) As soon as possible but not later than 30 days after receipt of a tribal request, the Office of Tribal Justice shall initiate consultation with the requesting tribe, consistent with applicable Executive Orders and Presidential Memoranda on tribal consultation.

(4) To the extent appropriate and consistent with applicable laws and regulations, including requirements of the Privacy Act of 1974, as amended, 5 U.S.C. 552a, governing personally identifiable information, and with the duty to protect law enforcement sensitive information, the Office of Tribal Justice may share with the requesting tribe any comments from other parties and provide the tribe with an opportunity to respond in writing.

(5) An Indian tribe may submit a request at any time after the effective date of this rule. However, requests received by February 28 of each calendar year will be prioritized for decision by July 31 of the same calendar year, if feasible; and requests received by August 31 of each calendar year will be prioritized for decision by January 31 of the following calendar year, if feasible. The Department will seek to complete its review of prioritized requests within these time frames, recognizing that it may not be possible to do so in each instance.

(d) Factors. Factors that will be considered in determining whether or not to consent to a tribe’s request for assumption of concurrent Federal criminal jurisdiction include the following:

(1) Whether consenting to the request will improve public safety and criminal law enforcement and reduce crime in the Indian country of the requesting tribe.

(2) Whether consenting to the request will increase the availability of law enforcement resources for the requesting tribe, its members, and other residents of the tribe’s Indian country.

(3) Whether consenting to the request will improve access to judicial resources for the requesting tribe, its members, and other residents of the tribe’s Indian country.

(4) Whether consenting to the request will improve access to detention and correctional resources for the requests tribe, its members, and other residents of the tribe’s Indian country.

(5) Other comments and information received from the relevant United States Attorney’s Offices, the Federal Bureau of Investigation, and other Department of Justice components that would be affected by consenting to the request.

(6) Other comments and information received from the Department of the Interior (including the Bureau of Indian Affairs), the Department of Homeland Security, other affected Federal departments and agencies, and Federal courts.

(7) Other comments and information received from tribal consultation.

(8) Other comments and information received from other sources, including governors and State and local law enforcement agencies.

(e) Decision. (1) The decision whether to consent to a tribal request for assumption of concurrent Federal criminal jurisdiction shall be made by the Deputy Attorney General after receiving written recommendations from the Office of Tribal Justice, the Executive Office for United States Attorneys, and the Federal Bureau of Investigation.

(2) The Deputy Attorney General will:

(i) Consent to the request for assumption of concurrent Federal criminal jurisdiction, effective as of some future date certain within the next twelve months (and, if feasible, within the next six months), with or without conditions, and publish a notice of the consent in the Federal Register;

(ii) Deny the request for assumption of concurrent Federal criminal jurisdiction; or
(iii) Request further information or comment before making a final decision.

(3) The Deputy Attorney General shall explain the basis for the decision in writing.

(4) The decision to grant or deny a request for assumption of concurrent Federal criminal jurisdiction is not appealable. However, at any time after a denial of such a request, a tribe may submit a renewed request for assumption of concurrent Federal criminal jurisdiction. A renewed request shall address the basis for the prior denial. The Office of Tribal Justice may provide appropriate technical assistance to any tribe that wishes to prepare and submit a renewed request.

§ 51.2 Definitions.

As used in this part—

*Attorney General* means the Attorney General of the United States or the delegate of the Attorney General.

*Change affecting voting or change* means any voting qualification, prerequisite to voting, or standard, practice, or procedure with respect to voting different from that in force or effect on the date used to determine coverage, until either:

1. A declaratory judgment is obtained from the U.S. District Court for the District of Columbia that such qualification, prerequisite, standard, practice, or procedure neither has the purpose nor will have the effect of denying or abridging the right to vote on account of race, color, or membership in a language minority group, or
2. It has been submitted to the Attorney General and the Attorney General has interposed no objection within a 60-day period following submission.

(b) In order to make clear the responsibilities of the Attorney General under section 5 and the interpretation of the Attorney General of the responsibility imposed on others under this section, the procedures in this part have been established to govern the administration of section 5.

[52 FR 490, Jan. 6, 1987, as amended by Order No. 3262–2011, 76 FR 21243, Apr. 15, 2011]

§ 51.1 Purpose.

(a) Section 5 of the Voting Rights Act of 1965, as amended, 42 U.S.C. 1973c, prohibits the enforcement in any jurisdiction covered by section 4(b) of the Act, 42 U.S.C. 1973c(b), of any voting qualification or prerequisite to voting, or standard, practice, or procedure with respect to voting different from that in force or effect on the date used to determine coverage, under section 4(b) or from the existing standard, practice, or procedure if it was subsequently altered and precleared under section 5. In assessing whether a change has a discriminatory purpose or effect, the comparison shall be with the standard, practice, or procedure in effect on the date used to determine coverage under section 4(b) or from the existing standard, practice, or procedure if it was subsequently altered and precleared under section 5. Some examples of changes affecting voting are given in § 51.13.

*Covered jurisdiction* is used to refer to a State, where the determination referred to in § 51.4 has been made on a statewide basis, and to a political subdivision, where the determination has not been made on a statewide basis.
§ 51.3 Delegation of authority.

Language minorities or language minority group is used, as defined in the Act, to refer to persons who are American Indian, Asian American, Alaskan Natives, or of Spanish heritage. (Sections 14(c)(3) and 203(e)). See 28 CFR part 55, Interpretative Guidelines: Implementation of the Provisions of the Voting Rights Act Regarding Language Minority Groups.

Political subdivision is used, as defined in the Act, to refer to “any county or parish, except that where registration for voting is not conducted under the supervision of a county or parish, the term shall include any other subdivision of a State which conducts registration for voting.” (Section 14(c)(2)).

Preclearance is used to refer to the obtaining of the declaratory judgment described in section 5, to the failure of the Attorney General to interpose an objection pursuant to section 5, or to the withdrawal of an objection by the Attorney General pursuant to §51.48(b).

Submission is used to refer to the written presentation to the Attorney General by an appropriate official of any change affecting voting.

Submitting authority means the jurisdiction on whose behalf a submission is made.

Vote and voting are used, as defined in the Act, to include “all action necessary to make a vote effective in any primary, special, or general election, including, but not limited to, registration, listing pursuant to this Act, or other action required by law prerequisite to voting, casting a ballot, and having such ballot counted properly and included in the appropriate totals of votes cast with respect to candidates for public or party office and propositions for which votes are received in an election.” (Section 14(c)(1)).

§ 51.4 Date used to determine coverage; list of covered jurisdictions.

(a) The requirement of section 5 takes effect upon publication in the FEDERAL REGISTER of the requisite determinations of the Director of the Census and the Attorney General under section 4(b). These determinations are not reviewable in any court. (Section 4(b)).

(b) Section 5 requires the preclearance of changes affecting voting made since the date used for the determination of coverage. For each covered jurisdiction that date is one of the following: November 1, 1964; November 1, 1968; or November 1, 1972.

(c) The appendix to this part contains a list of covered jurisdictions, together with the applicable date used to determine coverage and the FEDERAL REGISTER citation for the determination of coverage.

§ 51.5 Termination of coverage.

(a) Expiration. The requirements of section 5 will expire at the end of the twenty-five-year period following the effective date of the amendments made by the Fannie Lou Hamer, Rosa Parks, Coretta Scott King, César E. Chávez, Barbara C. Jordan, William C. Velasquez, and Dr. Hector P. Garcia Voting Rights Act Reauthorization and Amendments Act of 2006 (VRARA), which amendments became effective on July 27, 2006. See section 4(a)(8) of the VRARA.

(b) Bailout. Any political subunit in a covered jurisdiction or a political subdivision of a covered State, a covered jurisdiction or a political subdivision of a covered State
may terminate the application of section 5 ("bailout") by obtaining the declaratory judgment described in section 4(a) of the Act.

[Order No. 3262-2011, 76 FR 21243, Apr. 15, 2011]

§ 51.6 Political subunits.

All political subunits within a covered jurisdiction (e.g., counties, cities, school districts) that have not terminated coverage by obtaining the declaratory judgment described in section 4(a) of the Act are subject to the requirements of section 5.

[Order No. 3262-2011, 76 FR 21243, Apr. 15, 2011]

§ 51.7 Political parties.

Certain activities of political parties are subject to the preclearance requirement of section 5. A change affecting voting effected by a political party is subject to the preclearance requirement:

(a) If the change relates to a public electoral function of the party and

(b) If the party is acting under authority explicitly or implicitly granted by a covered jurisdiction or political subunit subject to the preclearance requirement of section 5.

For example, changes with respect to the recruitment of party members, the conduct of political campaigns, and the drafting of party platforms are not subject to the preclearance requirement. Changes with respect to the conduct of primary elections at which party nominees, delegates to party conventions, or party officials are chosen are subject to the preclearance requirement of section 5. Where appropriate the term "jurisdiction" (but not "covered jurisdiction") includes political parties.

§ 51.8 Section 3 coverage.

Under section 3(c) of the Act, a court in voting rights litigation can order as relief that a jurisdiction not subject to the preclearance requirement of section 5 preclear its voting changes by submitting them either to the court or to the Attorney General. Where a jurisdiction is required under section 3(c) to preclear its voting changes, and it elects to submit the proposed changes to the Attorney General for preclearance, the procedures in this part will apply.

§ 51.9 Computation of time.

(a) The Attorney General shall have 60 days in which to interpose an objection to a submitted change affecting voting for which a response on the merits is appropriate (see §51.35, §51.37).

(b) The 60-day period shall commence upon receipt of a submission by the Voting Section of the Department of Justice’s Civil Rights Division or upon receipt of a submission by the Office of the Assistant Attorney General, Civil Rights Division, if the submission is properly marked as specified in §51.24(f). The 60-day period shall recommence upon the receipt in like manner of a resubmission (see §51.35), information provided in response to a written request for additional information (see §51.37(b)), or material, supplemental information or a related submission (see §51.39).

(c) The 60-day period shall mean 60 calendar days, with the day of receipt of the submission not counted, and with the 60th day ending at 11:59 p.m. Eastern Time of that day. If the final day of the period should fall on a Saturday, Sunday, or any day designated as a holiday by the President or Congress of the United States, or any other day that is not a day of regular business for the Department of Justice, the next full business day shall be counted as the final day of the 60-day period. The date of the Attorney General’s response shall be the date on which it is transmitted to the submitting authority by any reasonable means, including placing it in a postbox of the U.S. Postal Service or a private mail carrier, sending it by telefacsimile, email, or other electronic means, or delivering it in person to a representative of the submitting authority.

[Order No. 3262-2011, 76 FR 21243, Apr. 15, 2011]

§ 51.10 Requirement of action for declaratory judgment or submission to the Attorney General.

Section 5 requires that, prior to enforcement of any change affecting voting, the jurisdiction that has enacted or seeks to administer the change must either:
§ 51.11 Right to bring suit.

Submission to the Attorney General does not affect the right of the submitting authority to bring an action in the U.S. District Court for the District of Columbia for a declaratory judgment that the change affecting voting neither has the purpose nor will have the effect of denying or abridging the right to vote on account of race, color, or membership in a language minority group.

[Order No. 3262-2011, 76 FR 21243, Apr. 15, 2011]

§ 51.12 Scope of requirement.

Except as provided in §51.18 (Federal court-ordered changes), the section 5 requirement applies to any change affecting voting, even though it appears to be minor or indirect, returns to a prior practice or procedure, seemingly expands voting rights, or is designed to remove the elements that caused the Attorney General to object to a prior submitted change. The scope of section 5 coverage is based on whether the generic category of changes affecting voting to which the change belongs (for example, the generic categories of changes listed in §51.13) has the potential for discrimination. NAACP v. Hampton County Election Commission, 470 U.S. 166 (1985). The method by which a jurisdiction enacts or administers a change does not affect the requirement to comply with section 5, which applies to changes enacted or administered through the executive, legislative, or judicial branches.

[Order No. 3262-2011, 76 FR 21244, Apr. 15, 2011]

§ 51.13 Examples of changes.

Changes affecting voting include, but are not limited to, the following examples:

(a) Any change in qualifications or eligibility for voting.

(b) Any change concerning registration, balloting, and the counting of votes and any change concerning publicity for or assistance in registration or voting.

(c) Any change with respect to the use of a language other than English in any aspect of the electoral process.

(d) Any change in the boundaries of voting precincts or in the location of polling places.

(e) Any change in the constituency of an official or the boundaries of a voting unit (e.g., through redistricting, annexation, deannexation, incorporation, dissolution, merger, reapportionment, changing to at-large elections from district elections, or changing to district elections from at-large elections).

(f) Any change in the method of determining the outcome of an election (e.g., by requiring a majority vote for election or the use of a designated post or place system).

(g) Any change affecting the eligibility of persons to become or remain candidates, to obtain a position on the ballot in primary or general elections, or to become or remain holders of elective offices.

(h) Any change in the eligibility and qualification procedures for independent candidates.

(i) Any change in the term of an elective office or an elected official, or any change in the offices that are elective (e.g., by shortening or extending the term of an office; changing from election to appointment; transferring authority from an elected to an appointed official that, in law or in fact, eliminates the elected official’s office; or staggering the terms of offices).

(j) Any change affecting the necessity of or methods for offering issues and propositions for approval by referendum.
Department of Justice

§ 51.17

(k) Any change affecting the right or ability of persons to participate in pre-election activities, such as political campaigns.

(l) Any change that transfers or alters the authority of any official or governmental entity regarding who may enact or seek to implement a voting qualification, prerequisite to voting, or standard, practice, or procedure with respect to voting.

[52 FR 490, Jan. 6, 1987, as amended by Order No. 3262–2011, 76 FR 21244, Apr. 15, 2011]

§ 51.14 Recurrent practices.

Where a jurisdiction implements a practice or procedure periodically or upon certain established contingencies, a change occurs:

(a) The first time such a practice or procedure is implemented by the jurisdiction;

(b) When the manner in which such a practice or procedure is implemented by the jurisdiction is changed, or

(c) When the rules for determining when such a practice or procedure will be implemented are changed.

The failure of the Attorney General to object to a recurrent practice or procedure constitutes preclearance of the future use of the practice or procedure if its recurrent nature is clearly stated or described in the submission or is expressly recognized in the final response of the Attorney General on the merits of the submission.

§ 51.15 Enabling legislation and contingent or nonuniform requirements.

(a) With respect to legislation (1) that enables or permits the State or its political sub-units to institute a voting change or (2) that requires or enables the State or its political sub-units to institute a voting change upon some future event or if they satisfy certain criteria, the failure of the Attorney General to interpose an objection does not exempt from the preclearance requirement to the extent that the jurisdiction makes changes in the practices or procedures to be followed.

(b) Any discretionary setting of the date for a special election or scheduling of events leading up to or following a special election is subject to the preclearance requirement.

(c) A jurisdiction conducting a referendum election to ratify a change in a practice or procedure that affects voting may submit the change to be voted on at the same time that it submits any changes involved in the conduct of the referendum election. A jurisdiction wishing to receive preclearance for the change to be ratified should state clearly that such

§ 51.16 Distinction between changes in procedure and changes in substance.

The failure of the Attorney General to interpose an objection to a procedure for instituting a change affecting voting does not exempt the substantive change from the preclearance requirement. For example, if the procedure for the approval of an annexation is changed from city council approval to approval in a referendum, the preclearance of the new procedure does not exempt an annexation accomplished under the new procedure from the preclearance requirement.

§ 51.17 Special elections.

(a) The conduct of a special election (e.g., an election to fill a vacancy; an initiative, referendum, or recall election; or a bond issue election) is subject to the preclearance requirement to the extent that the jurisdiction makes changes in the practices or procedures to be followed.

(b) Any discretionary setting of the date for a special election or scheduling of events leading up to or following a special election is subject to the preclearance requirement.

(c) A jurisdiction conducting a referendum election to ratify a change in a practice or procedure that affects voting may submit the change to be voted on at the same time that it submits any changes involved in the conduct of the referendum election. A jurisdiction wishing to receive preclearance for the change to be ratified should state clearly that such
§ 51.18 Federal court-ordered changes.

(a) In general. Changes affecting voting for which approval by a Federal court is required, or that are ordered by a Federal court, are exempt from section 5 review only where the Federal court prepared the change and the change has not been subsequently adopted or modified by the relevant governmental body. *McDaniel v. Sanchez*, 452 U.S. 130 (1981). (See also §51.22.)

(b) Subsequent changes. Where a Federal court-ordered change is not itself subject to the preclearance requirement, subsequent changes necessitated by the court order but decided upon by the jurisdiction remain subject to preclearance. For example, voting precinct and polling changes made necessary by a court-ordered redistricting plan are subject to section 5 review.

(c) Alteration in section 5 status. Where a Federal court-ordered change at its inception is not subject to review under section 5, a subsequent action by the submitting authority demonstrating that the change reflects its policy choices (*e.g.*, adoption or ratification of the change, or implementation in a manner not explicitly authorized by the court) will render the change subject to review under section 5 with regard to any future implementation.

(d) In emergencies. A Federal court’s authorization of the emergency interim use without preclearance of a voting change does not exempt from section 5 review any use of that practice not explicitly authorized by the court.

§ 51.19 Request for notification concerning voting litigation.

A jurisdiction subject to the preclearance requirements of section 5 that becomes involved in any litigation concerning voting is requested to notify the Chief, Voting Section, Civil Rights Division, at the addresses, telefacsimile number, or email address specified in §51.24. Such notification will not be considered a submission under section 5.

Subpart B—Procedures for Submission to the Attorney General

§ 51.20 Form of submissions.

(a) Submissions may be made in letter or any other written form.

(b) The Attorney General will accept certain machine readable data in the following electronic media: 3.5 inch 1.4 megabyte disk, compact disc read-only memory (CD–ROM) formatted to the ISO–9660/Joliet standard, or digital versatile disc read-only memory (DVD–ROM). Unless requested by the Attorney General, data provided on electronic media need not be provided in hard copy.

(c) All electronic media shall be clearly labeled with the following information:

(1) Submitting authority.
(2) Name, address, title, and telephone number of contact person.
(3) Date of submission cover letter.
(4) Statement identifying the voting change(s) involved in the submission.

(d) Each magnetic medium (floppy disk or tape) provided must be accompanied by a printed description of its contents, including an identification by name or location of each data file contained on the medium, a detailed record layout for each such file, and a full description of the magnetic medium format.

(e) Text documents should be provided in a standard American Standard Code for Information Interchange (ASCII) character code; documents with graphics and complex formatting should be provided in standard Portable Document Format (PDF). The label shall be affixed to each electronic medium, and the information included on the label shall also be contained in a documentation file on the electronic medium.

(f) All data files shall be provided in a delimited text file and must include a header row as the first row with a name for each field in the data set. A
§ 51.24 Delivery of submissions.

(a) Delivery by U.S. Postal Service. Submissions sent to the Attorney General by the U.S. Postal Service, including certified mail or express mail, shall be addressed to the Chief, Voting Section, Civil Rights Division, United States Department of Justice, Room 7254—NWB, 950 Pennsylvania Avenue, NW, Washington, DC 20530.

§ 51.23 Party and jurisdiction responsible for making submissions.

(a) Changes affecting voting shall be submitted by the chief legal officer or other appropriate official of the submitting authority or by any other authorized person on behalf of the submitting authority. A State, whether partially or fully covered, has authority to submit any voting change on behalf of its covered jurisdictions and political subunits. Where a State is covered as a whole, State legislation or other changes undertaken or required by the State shall be submitted by the State (except that legislation of local applicability may be submitted by political subunits). Where a State is partially covered, changes of statewide application may be submitted by the State. Submissions from the State, rather than from the individual covered jurisdictions, would serve the State’s interest in at least two important respects: first, the State is better able to explain to the Attorney General the purpose and effect of voting changes it enacts than are the individual covered jurisdictions; second, a single submission of the voting change on behalf of all of the covered jurisdictions would reduce the possibility that some State acts will be legally enforceable in some parts of the State but not in others.

(b) A change effected by a political party (see §51.7) may be submitted by an appropriate official of the political party.

(c) A change affecting voting that results from a State court order should be submitted by the jurisdiction or entity that is to implement or administer the change (in the manner specified by paragraphs (a) and (b) of this section).

§ 51.22 Submitted changes that will not be reviewed.

(a) The Attorney General will not consider on the merits:

(1) Any proposal for a change submitted prior to final enactment or administrative decision except as provided in paragraph (b) of this section.

(a) Communications may be in the form of a letter stating the name, address, and telephone number of the individual or group, describing the alleged change affecting voting and setting forth evidence regarding whether the change has or does not have a discriminatory purpose or effect, or simply bringing to the attention of the Attorney General the fact that a voting change has occurred.

(c) Comments by individuals or groups concerning any change affecting voting may be sent at any time; however, individuals and groups are encouraged to comment as soon as they learn of the change.

(d) To the extent permitted by the Freedom of Information Act, 5 U.S.C. 552, the Attorney General shall not disclose to any person outside the Department of Justice the identity of any individual or entity providing information on a submission or the administration of section 5 where the individual or entity has requested confidentiality; an assurance of confidentiality may reasonably be implied from the circumstances of the communication; disclosure could reasonably be expected to constitute an unwarranted invasion of personal privacy under 5 U.S.C. 552; or disclosure is prohibited by any applicable provisions of federal law.

(e) When an individual or group desires the Attorney General to consider information that was supplied in connection with an earlier submission, it is not necessary to resubmit the information but merely to identify the earlier submission and the relevant information.

§ 51.30 Action on communications from individuals or groups.

§ 51.34 Expedited consideration.

(a) When a submitting authority is required under State law or local ordinance or otherwise finds it necessary to implement a change within the 60-day period following submission, it may request that the submission be given expedited consideration. The submission should explain why such consideration is needed and provide the date by which a determination is required.

(b) Jurisdictions should endeavor to plan for changes in advance so that expedited consideration will not be required and should not routinely request such consideration. When a submitting authority demonstrates good cause for expedited consideration the Attorney General will attempt to make a decision by the date requested. However, the Attorney General cannot guarantee that such consideration can be given.

(c) Notice of the request for expedited consideration will be given to interested parties registered under §51.32.

§ 51.35 Disposition of inappropriate submissions and resubmissions.

(a) When the Attorney General determines that a response on the merits of a submitted change is inappropriate, the Attorney General shall notify the submitting official in writing within the 60-day period that would have commenced for a determination on the merits and shall include an explanation of the reason why a response is not appropriate.

(c) Following such a notification by the Attorney General, a change shall be deemed resubmitted for section 5 review upon the Attorney General’s receipt of a submission or other written information that renders the change appropriate for review on the merits (such as a notification from the submitting authority that a change previously determined to be premature has been formally adopted). Notice of the resubmission of a change affecting voting will be given to interested parties registered under §51.32.

§ 51.36 Release of information concerning submissions.

The Attorney General shall have the discretion to call to the attention of the submitting authority or any interested individual or group information or comments related to a submission.

§ 51.37 Obtaining information from the submitting authority.

(a) Oral requests for information. (1) If a submission does not satisfy the requirements of §51.27, the Attorney General may request orally any omitted information necessary for the evaluation of the submission. The oral request for information shall not suspend the running of the 60-day period, and the Attorney General will

(a) The Attorney General may at any time request relevant information from governmental jurisdictions and from interested groups and individuals and may conduct any investigation or other inquiry that is deemed appropriate in making a determination.
(b) If a submission does not contain evidence of adequate notice to the public, and the Attorney General believes that such notice is essential to a determination, steps will be taken by the Attorney General to provide public notice sufficient to invite interested or affected persons to provide evidence as to the presence or absence of a discriminatory purpose or effect. The submitting authority shall be advised when any such steps are taken.

§ 51.39 Supplemental information and related submissions.

(a)(1) Supplemental information. When a submitting authority, at its own instance, provides information during the 60-day period that the Attorney General determines materially supplements a pending submission, the 60-day period for the pending submission will be recalculated from the Attorney General’s receipt of the supplemental information.

(2) Related submissions. When the Attorney General receives related submissions during the 60-day period for a submission that cannot be independently considered, the 60-day period for the first submission shall be recalculated from the Attorney General’s receipt of the last related submission.

(c) Notice of the Attorney General’s receipt of supplemental information or a related submission will be given to interested parties registered under § 51.32.

(a) The Attorney General shall within the 60-day period allowed notify the submitting authority of a decision to interpose no objection to a submitted change affecting voting.

(c) A copy of the notification shall be sent to any party who has commented on the submission or has requested notice of the Attorney General’s action thereon.

§ 51.42 Failure of the Attorney General to respond.

It is the practice and intention of the Attorney General to respond in writing to each submission within the 60-day period. However, the failure of the Attorney General to make a written response within the 60-day period constitutes preclearance of the submitted change, provided that a 60-day review period had commenced after receipt by the Attorney General of a complete submission that is appropriate for a response on the merits. (See § 51.22, § 51.27, § 51.35.)

[Order No. 3262-2011, 76 FR 21247, Apr. 15, 2011]

§ 51.43 Reexamination of decision not to object.

(a) After notification to the submitting authority of a decision not to interpose an objection to a submitted change affecting voting has been given, the Attorney General may reexamine the submission if, prior to the expiration of the 60-day period, information comes to the attention of the Attorney General that would otherwise require objection in accordance with section 5.

(b) In such circumstances, the Attorney General may by letter withdraw his decision not to interpose an objection provisionally, in accordance with § 51.44, and advise the submitting

(b) The submitting authority shall be advised that the Attorney General will reconsider an objection upon a request by the submitting authority.

(c) The submitting authority shall be advised further that notwithstanding the objection it may institute an action in the U.S. District Court for the District of Columbia for a declaratory judgment that the change objected to by the Attorney General neither has the purpose nor will have the effect of denying or abridging the right to vote on account of race, color, or membership in a language minority group.

(d) A copy of the notification shall be sent to any party who has commented on the submission or has requested notice of the Attorney General's action thereon.

(e) Notice of the decision to interpose an objection will be given to interested parties registered under § 51.32.

(b) Requests may be in letter or any other written form and should contain relevant information or legal argument.

(c) Notice of the request will be given to any party who commented on the submission or requested notice of the Attorney General's action thereon and to interested parties registered under § 51.32. (b) Notice of such a decision to reconsider shall be given to the submitting authority, to any party who commented on the submission or requested notice of the Attorney General's action thereon, and to interested parties registered under § 51.32, and the Attorney General shall decide whether to withdraw or to continue the objection only after such persons have had a reasonable opportunity to comment.

§ 51.47 Conference.

(a) A submitting authority that has requested reconsideration of an objection pursuant to § 51.45 may request a conference to produce information or legal argument in support of reconsideration.

(b) Such a conference shall be held at a location determined by the Attorney General and shall be conducted in an informal manner.

(c) When a submitting authority requests such a conference, individuals or groups that commented on the change prior to the Attorney General's objection or that seek to participate in response to any notice of a request for reconsideration shall be notified and given the opportunity to confer.

(d) The Attorney General shall have the discretion to hold separate meetings to confer with the submitting authority and other interested groups or individuals.

(e) Such conferences will be open to the public or to the press only at the discretion of the Attorney General and with the agreement of the participating parties.
§ 51.48 Decision after reconsideration.

(a) It is the practice of the Attorney General to notify the submitting authority of the decision to continue or withdraw an objection within a 60-day period following receipt of a reconsideration request or following notice given under §51.46(b), except that this 60-day period shall be recommenced upon receipt of any documents or written information from the submitting authority that materially supplements the reconsideration review, irrespective of whether the submitting authority provides the documents or information at its own instance or pursuant to a request (written or oral) by the Attorney General. The 60-day reconsideration period may be extended to allow a 15-day decision period following a conference held pursuant to §51.47. The 60-day reconsideration period shall be computed in the manner specified in §51.9. Where the reconsideration is at the instance of the Attorney General, the first day of the period shall be the day after the notice required by §51.46(b) is transmitted to the submitting authority. The reasons for the reconsideration decision shall be stated.

(b) The objection shall be withdrawn if the Attorney General is satisfied that the change neither has the purpose nor will have the effect of denying or abridging the right to vote on account of race, color, or membership in a language minority group.

(c) If the objection is not withdrawn, the submitting authority shall be advised that notwithstanding the objection it may institute an action in the U.S. District Court for the District of Columbia for a declaratory judgment that the change objected to by the Attorney General neither has the purpose nor will have the effect of denying or abridging the right to vote on account of race, color, or membership in a language minority group.

(d) An objection remains in effect until either it is specifically withdrawn by the Attorney General or a declaratory judgment with respect to the change in question is entered by the U.S. District Court for the District of Columbia.

(e) A copy of the notification shall be sent to any party who has commented on the submission or reconsideration or has requested notice of the Attorney General’s action thereon.

(f) Notice of the decision after reconsideration will be given to interested parties registered under §51.32.

§ 51.49 Absence of judicial review.

The decision of the Attorney General not to object to a submitted change or to withdraw an objection is not reviewable. The preclearance by the Attorney General of a voting change does not constitute the certification that the voting change satisfies any other requirement of the law beyond that of section 5, and, as stated in section 5, "(n)either an affirmative indication by the Attorney General that no objection will be made, nor the Attorney General’s failure to object, nor a declaratory judgment entered under this section shall bar a subsequent action to enjoin enforcement of such qualification, prerequisite, standard, practice, or procedure."

§ 51.50 Records concerning submissions.

(a) Section 5 files. The Attorney General shall maintain a section 5 file for each submission, containing the submission, related written materials, correspondence, memoranda, investigative reports, data provided on electronic media, notations concerning conferences with the submitting authority or any interested individual or group, and copies of letters from the Attorney General concerning the submission.

(b) Objection letters. The Attorney General shall maintain section 5 notification letters regarding decisions to interpose, continue, or withdraw an objection.

(c) Computer file. Records of all submissions and their dispositions by the Attorney General shall be electronically stored.

(d) Copies. The contents of the section 5 submission files in paper, microfiche, electronic, or other form shall be available for obtaining copies by the public, pursuant to written request directed to the Chief, Voting Section, Civil Rights Division, United States Department of Justice, Washington,
§ 51.51 Purpose of the subpart.

The purpose of this subpart is to inform submitting authorities and other interested parties of the factors that the Attorney General considers relevant and of the standards by which the Attorney General will be guided in making substantive determinations under section 5 and in defending section 5 declaratory judgment actions.

§ 51.52 Basic standard.

(a) Surrogate for the court. Section 5 provides for submission of a voting change to the Attorney General as an alternative to the seeking of a declaratory judgment from the U.S. District Court for the District of Columbia. Therefore, the Attorney General shall make the same determination that would be made by the court in an action for a declaratory judgment under section 5: whether the submitted change neither has the purpose nor will have the effect of denying or abridging the right to vote on account of race, color, or membership in a language minority group. The burden of proof is on a submitting authority when it submits a change to the Attorney General for preclearance, as it would be if the proposed change were the subject of a declaratory judgment action in the U.S. District Court for the District of Columbia. South Carolina v. Katzenbach, 383 U.S. 301, 328, 335 (1966).

(b) No objection. If the Attorney General determines that the submitted change neither has the purpose nor will have the effect of denying or abridging the right to vote on account of race, color, or membership in a language minority group, no objection shall be interposed to the change.

(c) Objection. An objection shall be interposed to a submitted change if the Attorney General is unable to determine that the change neither has the purpose nor will have the effect of denying or abridging the right to vote on account of race, color, or membership in a language minority group. This includes those situations where the evidence as to the purpose or effect of the change is conflicting and the Attorney General is unable to determine that the change is free of both the prohibited discriminatory purpose and effect.

§ 51.53 Information considered.

The Attorney General shall base a determination on a review of material presented by the submitting authority, relevant information provided by individuals or groups, and the results of any investigation conducted by the Department of Justice.

§ 51.54 Discriminatory purpose and effect.

(a) Discriminatory purpose. A change affecting voting is considered to have a discriminatory purpose under section 5 if it is enacted or sought to be administered with any purpose of denying or abridging the right to vote on account of race, color, or membership in a language minority group. The term “purpose” in section 5 includes any discriminatory purpose. 42 U.S.C. 1973c. The Attorney General’s evaluation of discriminatory purpose under section 5 is guided by the analysis in Village of

(b) Discriminatory effect. A change affecting voting is considered to have a discriminatory effect under section 5 if it will lead to a retrogression in the position of members of a racial or language minority group (i.e., will make members of such a group worse off than they had been before the change) with respect to their effective exercise of the electoral franchise. Beer v. United States, 425 U.S. 130, 140–42 (1976).

(c) Benchmark. (1) In determining whether a submitted change is retrogressive the Attorney General will normally compare the submitted change to the voting standard, practice, or procedure in force or effect at the time of the submission. If the existing standard, practice, or procedure upon submission was not in effect on the jurisdiction’s applicable date for coverage (specified in the Appendix) and is not otherwise legally enforceable under section 5, it cannot serve as a benchmark, and, except as provided in paragraph (c)(4) of this section, the comparison shall be with the last legally enforceable standard, practice, or procedure used by the jurisdiction.

(2) The Attorney General will make the comparison based on the conditions existing at the time of the submission.

(3) The implementation and use of an unprecleared voting change subject to section 5 review does not operate to make that unprecleared change a benchmark for any subsequent change submitted by the jurisdiction.

(4) Where at the time of submission of a change for section 5 review there exists no other lawful standard, practice, or procedure for use as a benchmark (e.g., where a newly incorporated college district selects a method of election) the Attorney General’s determination will necessarily center on whether the submitted change was designed or adopted for the purpose of discriminating against members of racial or language minority groups.

(d) Protection of the ability to elect. Any change affecting voting that has the purpose of or will have the effect of diminishing the ability of any citizens of the United States on account of race, color, or membership in a language minority group to elect their preferred candidates of choice denies or abridges the right to vote within the meaning of section 5. 42 U.S.C. 1973c.

[Order No. 3262–2011, 76 FR 21248, Apr. 15, 2011]

§ 51.55 Consistency with constitutional and statutory requirements.

(a) Consideration in general. In making a determination under section 5, the Attorney General will consider whether the change neither has the purpose nor will have the effect of denying or abridging the right to vote on account of race, color, or membership in a language minority group in light of, and with particular attention being given to, the requirements of the 14th, 15th, and 24th Amendments to the Constitution, 42 U.S.C. 1971(a) and (b), sections 2, 4(a), 4(f)(2), 4(f)(4), 201, 203(c), and 208 of the Act, and other constitutional and statutory provisions designed to safeguard the right to vote from denial or abridgment on account of race, color, or membership in a language minority group.

(b) Section 2. Preclearance under section 5 of a voting change will not preclude any legal action under section 2 by the Attorney General if implementation of the change demonstrates that such action is appropriate.

§ 51.56 Guidance from the courts.

In making determinations the Attorney General will be guided by the relevant decisions of the Supreme Court of the United States and of other Federal courts.

§ 51.57 Relevant factors.

Among the factors the Attorney General will consider in making determinations with respect to the submitted changes affecting voting are the following:

(a) The extent to which a reasonable and legitimate justification for the change exists;

(b) The extent to which the jurisdiction followed objective guidelines and fair and conventional procedures in adopting the change;
(c) The extent to which the jurisdiction afforded members of racial and language minority groups an opportunity to participate in the decision to make the change;

(d) The extent to which the jurisdiction took the concerns of members of racial and language minority groups into account in making the change; and

1. Whether the impact of the official action bears more heavily on one race than another;

2. The historical background of the decision;

3. The specific sequence of events leading up to the decision;

4. Whether there are departures from the normal procedural sequence;

5. Whether there are substantive departures from the normal factors considered; and

6. The legislative or administrative history, including contemporaneous statements made by the decision makers.

[Order No. 3262–2011, 76 FR 21249, Apr. 15, 2011]

§ 51.59 Redistricting plans.

(a) Relevant factors. In determining whether a submitted redistricting plan has a prohibited purpose or effect the Attorney General, in addition to the factors described above, will consider the following factors (among others):

1. The extent to which malapportioned districts deny or abridge the right to vote of minority citizens;

2. The extent to which minority voting strength is reduced by the proposed redistricting;

3. The extent to which minority concentrations are fragmented among different districts;

4. The extent to which minorities are over concentrated in one or more districts;

5. The extent to which available alternative plans satisfying the jurisdiction’s legitimate governmental interests were considered;

6. The extent to which the plan departs from objective redistricting criteria set by the submitting jurisdiction, ignores other relevant factors such as compactness and contiguity, or displays a configuration that inexplicably disregards available natural or artificial boundaries; and

7. The extent to which the plan is inconsistent with the jurisdiction’s stated redistricting standards.

(b) Discriminatory purpose. A jurisdiction’s failure to adopt the maximum possible number of majority-minority districts may not be the sole basis for determining that a jurisdiction was motivated by a discriminatory purpose.

[Order No. 3262–2011, 76 FR 21249, Apr. 15, 2011]

§ 51.60 Changes in electoral systems.

In making determinations with respect to changes in electoral systems (e.g., changes to or from the use of at-large elections, changes in the size of elected bodies) the Attorney General, in addition to the factors described above, will consider the following factors (among others):
§ 51.65 Who may petition.

Any jurisdiction or interested individual or group may petition to have these procedural guidelines amended.
§ 51.66 Form of petition.

A petition under this subpart may be made by informal letter and shall state the name, address, and telephone number of the petitioner, the change requested, and the reasons for the change.

§ 51.67 Disposition of petition.

The Attorney General shall promptly consider and dispose of a petition under this subpart and give notice of the disposition, accompanied by a simple statement of the reasons, to the petitioner.

APPENDIX TO PART 51—JURISDICTIONS COVERED UNDER SECTION 4(b) OF THE VOTING RIGHTS ACT, AS AMENDED

The requirements of section 5 of the Voting Rights Act, as amended, apply in the following jurisdictions. The applicable date is the date that was used to determine coverage and the date after which changes affecting voting are subject to the preclearance requirement. Some jurisdictions, for example, Yuba County, California, are included more than once because they have been determined on more than one occasion to be covered under section 4(b).

(Order No. 3282-2011, 76 FR 21250, Apr. 15, 2011)
PART 52—PROCEEDINGS BEFORE U.S. MAGISTRATE JUDGES

Sec.
52.01 Civil proceedings: Special master, pretrial, trial, appeal.
52.02 Criminal proceedings: Pretrial, trial.

§ 52.01 Civil proceedings: Special master, pretrial, trial, appeal.
(a) Sections 636 (b) and (c) of title 28 of the United States Code govern pretrial and case-dispositive civil jurisdiction of magistrate judges, as well as service by magistrate judges as special masters.
(b) It is the policy of the Department of Justice to encourage the use of magistrate judges, as set forth in this paragraph, to assist the district courts in resolving civil disputes. In conformity with this policy, the attorney for the government is encouraged to accede to a referral of an entire civil action for disposition by a magistrate judge, or to consent to designation of a magistrate judge as special master, if the attorney, with the concurrence of his or her supervisor, determines that such a referral or designation is in the interest of the United States. In making this determination, the attorney shall consider all relevant factors, including—
   (1) The complexity of the matter, including involvement of significant rights of large numbers of persons;
   (2) The relief sought;
   (3) The amount in controversy;
   (4) The novelty, importance, and nature of the issues raised;
   (5) The likelihood that referral to or designation of the magistrate judge will expedite resolution of the litigation;
   (6) The experience and qualifications of the magistrate judge; and
   (7) The possibility of the magistrate judge’s actual or apparent bias or conflict of interest.
(c)(1) In determining whether to consent to having an appeal taken to the district court rather than to the court of appeals, the attorney for the government should consider all relevant factors including—
   (i) The amount in controversy;
   (ii) The importance of the questions of law involved;
   (iii) The desirability of expeditious review of the magistrate judge’s judgment.
(2) In making a determination under paragraph (c)(1) of this section the attorney shall, except in those cases in which delegation authority has been exercised under 28 CFR 0.168, consult with the Assistant Attorney General having supervisory authority over the subject matter.

§ 52.02 Criminal proceedings: Pretrial, trial.
(a) A judge of the district court, without the parties’ consent, may designate a magistrate judge to hear and determine criminal pretrial matters pending before the court, except for two named classes of motions; as to the latter, the magistrate judge may conduct a hearing and recommend a decision to the judge. 28 U.S.C. 636(b)(1) (A), (B).
(b) When specially designated by the court to exercise such jurisdiction, a magistrate judge may try, and impose sentence for, any misdemeanor if he has properly and fully advised the defendant that he has a right to elect “trial, judgment, and sentencing by a judge of the district court and * * * may have a right to trial by jury before a district judge or magistrate judge,” and has obtained the defendant’s written consent to be tried by the magistrate judge. 18 U.S.C. 3401 (a), (b). The court may order that proceedings be conducted before a district judge rather than a magistrate judge upon its own motion or, for good cause shown upon petition by the attorney for the government. The petition should note “the novelty, importance, or complexity of the case, or other pertinent factors * * *”. 18 U.S.C. 3401(f).
(1) If the attorney for the government determines that the public interest is better served by trial before a district judge, the attorney may petition the district court for such an order after consulting with the appropriate Assistant Attorney General as provided in paragraph (b)(2) of this section. In making this determination, the attorney shall consider all relevant factors including—
(i) The novelty of the case with respect to the facts, the statute being enforced, and the application of the statute to the facts;

(ii) The importance of the case in light of the nature and seriousness of the offense charged;

(iii) The defendant’s history of criminal activity, the potential penalty upon conviction, and the purposes to be served by prosecution, including punishment, deterrence, rehabilitation, and incapacitation;

(iv) The factual and legal complexity of the case and the amount and nature of the evidence to be presented;

(v) The desirability of prompt disposition of the case; and

(vi) The experience and qualifications of the magistrate judge, and the possibility of the magistrate judge’s actual or apparent bias or conflict of interest.

(2) The attorney for the government shall consult with the Assistant Attorney General having supervisory authority over the subject matter in determining whether to petition for trial before a district judge in a case involving a violation of 2 U.S.C. 192, 441j(a); 18 U.S.C. 210, 211, 242, 245, 594, 597, 599, 600, 601, 1304, 1504, 1508, 1509, 2234, 2235, 2236; or 42 U.S.C. 3631.

(3) In a case in which the government petitions for trial before a district judge, the attorney for the government shall forward a copy of the petition to the Assistant Attorney General having supervisory authority over the subject matter and, if the petition is denied, shall promptly notify the Assistant Attorney General.

Subpart A—Introduction

§ 54.100  Purpose and effective date.

The purpose of these Title IX regulations is to effectuate Title IX of the Education Amendments of 1972, as amended (except sections 904 and 906 of those Amendments) (20 U.S.C. 1681, 1682, 1683, 1685, 1686, 1687, 1688), which is designed to eliminate (with certain exceptions) discrimination on the basis of sex in any education program or activity receiving Federal financial assistance, whether or not such program or activity is offered or sponsored by an educational institution as defined in these Title IX regulations. The effective date of these Title IX regulations shall be September 29, 2000.

§ 54.105  Definitions.

As used in these Title IX regulations, the term:

Administratively separate unit means a school, department, or college of an educational institution (other than a local educational agency) admission to which is independent of admission to any other component of such institution.

Admission means selection for part-time, full-time, special, associate, transfer, exchange, or any other enrollment, membership, or matriculation in or at an education program or activity operated by a recipient.

Applicant means one who submits an application, request, or plan required to be approved by an official of the Federal agency that awards Federal financial assistance, or by a recipient, as a condition to becoming a recipient.

Designated agency official means the Assistant Attorney General, Civil Rights Division.

Educational institution means a local educational agency (LEA) as defined by 20 U.S.C. 8801(18), a preschool, a private elementary or secondary school, or an applicant or recipient that is an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, or an institution of vocational education, as defined in this section.

Federal financial assistance means any of the following, when authorized or extended under a law administered by the Federal agency that awards such assistance:

(1) A grant or loan of Federal financial assistance, including funds made available for:
   (i) The acquisition, construction, renovation, restoration, or repair of a building or facility or any portion thereof; and
   (ii) Scholarships, loans, grants, wages, or other funds extended to any entity for payment to or on behalf of students admitted to that entity, or extended directly to such students for payment to that entity.

(2) A grant of Federal real or personal property or any interest therein, including surplus property, and the proceeds of the sale or transfer of such property, if the Federal share of the fair market value of the property is not, upon such sale or transfer, properly accounted for to the Federal Government.

(3) Provision of the services of Federal personnel.

(4) Sale or lease of Federal property or any interest therein at nominal consideration, or at consideration reduced for the purpose of assisting the recipient or in recognition of public interest to be served thereby, or permission to use Federal property or any interest therein without consideration.

(5) Any other contract, agreement, or arrangement that has as one of its purposes the provision of assistance to any education program or activity, except a contract of insurance or guaranty.

Institution of graduate higher education means an institution that:

(1) Offers academic study beyond the bachelor of arts or bachelor of science degree, whether or not leading to a certificate of any higher degree in the liberal arts and sciences;
§ 54.110 Remedial and affirmative action and self-evaluation.

(a) Remedial action. If the designated agency official finds that a recipient has discriminated against persons on the basis of sex in an education program or activity, such recipient shall take such remedial action as the designated agency official deems necessary to overcome the effects of such discrimination.

(c) Self-evaluation. Each recipient education institution shall, within one year of September 29, 2000:

(1) Evaluate, in terms of the requirements of these Title IX regulations, its current policies and practices and the effects thereof concerning admission of students, treatment of students, and employment of both academic and non-academic personnel working in connection with the recipient’s education program or activity;

(2) Modify any of these policies and practices that do not or may not meet the requirements of these Title IX regulations; and

(3) Take appropriate remedial steps to eliminate the effects of any discrimination that resulted or may have resulted from adherence to these policies and practices.

(d) Availability of self-evaluation and related materials. Recipients shall maintain on file for at least three years following completion of the evaluation required under paragraph (c) of this section, and shall provide to the designated agency official upon request, a description of any modifications made pursuant to paragraph (c)(2) of this section and of any remedial steps taken pursuant to paragraph (c)(3) of this section.

§ 54.115 Assurance required.

(a) General. Either at the application stage or the award stage, Federal agencies must ensure that applications for Federal financial assistance or awards of Federal financial assistance contain, be accompanied by, or be covered by a specifically identified assurance from the applicant or recipient, satisfactory to the designated agency official, that each education program or activity operated by the applicant or recipient and to which these Title IX regulations apply will be operated in compliance with these Title IX regulations. An assurance of compliance with these Title IX regulations shall not be satisfactory to the designated agency official if the applicant or recipient to whom such assurance applies fails to commit itself to take whatever remedial action is necessary in accordance with §54.110(a) to eliminate existing discrimination on the basis of sex or to eliminate the effects of past discrimination whether occurring prior to or subsequent to the submission to the designated agency official of such assurance.

(b) Duration of obligation. (1) In the case of Federal financial assistance extended to provide real property or structures thereon, such assurance shall obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used to provide an education program or activity.

(2) In the case of Federal financial assistance extended to provide personal property, such assurance shall obligate the recipient for the period during which it retains ownership or possession of the property.

(3) In all other cases such assurance shall obligate the recipient for the period during which Federal financial assistance is extended.

(c) Form. (2) The designated agency official will specify the extent to which such assurances will be required of the applicant’s or recipient’s subgrantees, contractors, subcontractors, transferees, or successors in interest.

§ 54.120 Transfers of property.

If a recipient sells or otherwise transfers property financed in whole or in part with Federal financial assistance to a transferee that operates any education program or activity, and the Federal share of the fair market value of the property is not upon such sale or transfer properly accounted for to the Federal Government, both the transferor and the transferee shall be deemed to be recipients, subject to the provisions of §§54.205 through 54.235(a).
§ 54.125 Effect of other requirements.

(b) Effect of State or local law or other requirements. (c) Effect of rules or regulations of private organizations. The obligation to comply with these Title IX regulations is not obviated or alleviated by any rule or regulation of any organization, club, athletic or other league, or association that would render any applicant or student ineligible to participate or limit the eligibility or participation of any applicant or student, on the basis of sex, in any education program or activity operated by a recipient and that receives Federal financial assistance.

Such notification shall contain such information, and be made in such manner, as the designated agency official finds necessary to apprise such persons of the protections against discrimination assured them by Title IX and these Title IX regulations, but shall state at least that the requirement not to discriminate in education programs or activities extends to employment therein, and to admission thereto unless §§ 54.300 through 54.310 do not apply to the recipient, and that inquiries concerning the application of Title IX and

(ii) Apply numerical limitations upon the number or proportion of persons of either sex who may be admitted; or

(iii) Otherwise treat one individual differently from another on the basis of sex.

(2) A recipient shall not administer or operate any test or other criterion for admission that has a disproportionately adverse effect on persons on the basis of sex unless the use of such test or criterion is shown to predict validly success in the education program or activity in question and alternative tests or criteria that do not have such a disproportionately adverse effect are shown to be unavailable.

(c) Prohibitions relating to marital or parental status. In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which §§ 54.300 through 54.310 apply:

(b) Recruitment at certain institutions. A recipient to which §§ 54.300 through 54.310 apply shall not recruit primarily or exclusively at educational institutions, schools, or entities that admit as students only or predominantly members of one sex, if such actions have the effect of discriminating on the basis of sex in violation of §§ 54.300 through 54.310.

(a) General. Except as provided elsewhere in these Title IX regulations, no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, or other education program or activity operated by a recipient that receives Federal financial assistance. 7. Otherwise limit any person in the enjoyment of any right, privilege, advantage, or opportunity.

(c) Assistance administered by a recipient educational institution to study at a foreign institution. A recipient educational institution may administer or assist in the administration of scholarships, fellowships, or other awards established by foreign or domestic wills, trusts, or similar legal instruments, or by acts of foreign governments and restricted to members of one sex, that are designed to provide opportunities to study abroad, and that are awarded to students who are already matriculating at or who are graduates of the recipient institution; Provided, that a recipient educational institution that administers or assists in the administration of such scholarships, fellowships, or other awards that are restricted to members of one sex provides, or otherwise makes available, reasonable opportunities for similar studies for members of the other sex. (4) Where use of a single standard of measuring skill or progress in a physical education class has an adverse effect on members of one sex, the recipient shall use appropriate standards that do not have such effect.

(b) Use of appraisal and counseling materials. A recipient that uses testing or other materials for appraising or counseling students shall not use different materials for students on the basis of their sex or use materials that permit or require different treatment of students on such basis unless such different materials cover the same occupations and interest areas and the use of such different materials is shown to be essential to eliminate sex bias. Recipients shall develop and use internal procedures for ensuring that such materials do not discriminate on the basis of sex. Where the use of a counseling test or other instrument results in a substantially disproportionate number of members of one sex in any particular course of study or classification, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination in the instrument or its application.

(c) Disproportion in classes. Where a recipient finds that a particular class contains a substantially disproportionate number of individuals of one sex, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination on the basis of sex in counseling or appraisal materials or by counselors.

§ 54.430 Financial assistance.

(a) General. Except as provided in paragraphs (b) and (c) of this section, in providing financial assistance to any of its students, a recipient shall not:

(2) To ensure nondiscriminatory awards of assistance as required in paragraph (b)(1) of this section, recipients shall develop and use procedures under which:

(i) Students are selected for award of financial assistance on the basis of nondiscriminatory criteria and not on the basis of availability of funds restricted to members of a particular sex;

(ii) An appropriate sex-restricted scholarship, fellowship, or other form of financial assistance is allocated to each student selected under paragraph (b)(2)(i) of this section; and

(iii) No student is denied the award for which he or she was selected under paragraph (b)(2)(i) of this section because of the absence of a scholarship, fellowship, or other form of financial assistance designated for a member of that student's sex.

(2) A recipient may require such a student to obtain the certification of a physician that the student is physically and emotionally able to continue participation as long as such a certification is required of all students for other physical or emotional conditions requiring the attention of a physician.

(3) A recipient that operates a portion of its education program or activity separately for pregnant students, admittance to which is completely voluntary on the part of the student as provided in paragraph (b)(1) of this section, shall ensure that the separate portion is comparable to that offered to non-pregnant students.

(4) Subject to § 54.235(d), a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom in the same
manner and under the same policies as any other temporary disability with respect to any medical or hospital benefit, service, plan, or policy that such recipient administers, operates, offers, or participates in with respect to students admitted to the recipient's educational program or activity.

(5) In the case of a recipient that does not maintain a leave policy for its students, or in the case of a student who does not otherwise qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom as a justification for a leave of absence for as long a period of time as is deemed medically necessary by the student's physician, at the conclusion of which the student shall be reinstated to the status that she held when the leave began.

§ 54.450 Athletics.

For the purposes of these Title IX regulations, contact sports include boxing, wrestling, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

(c) Equal opportunity. (1) A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics shall provide equal athletic opportunity for members of both sexes. In determining whether equal opportunities are available, the designated agency official will consider, among other factors:

(i) Whether the selection of sports and levels of competition effectively accommodate the interests and abilities of members of both sexes;

(ii) The provision of equipment and supplies;

(iii) Scheduling of games and practice time;

(iv) Travel and per diem allowance;

(v) Opportunity to receive coaching and academic tutoring;

(vi) Assignment and compensation of coaches and tutors;

(vii) Provision of locker rooms, practice, and competitive facilities;

(viii) Provision of medical and training facilities and services;

(ix) Provision of housing and dining facilities and services;

(x) Publicity.

(2) For purposes of paragraph (c)(1) of this section, unequal aggregate expenditures for members of each sex or unequal expenditures for male and female teams if a recipient operates or sponsors separate teams will not constitute noncompliance with this section, but the designated agency official may consider the failure to provide necessary funds for teams for one sex in assessing equality of opportunity for members of each sex.

(d) Adjustment period. A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics at the elementary school level shall comply fully with this section as expeditiously as possible but in no event later than one year from September 29, 2000. A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics at the secondary or postsecondary school level shall comply fully with this section as expeditiously as possible but in no event later than three years from September 29, 2000.
§ 54.455 Textbooks and curricular material.

Nothing in these Title IX regulations shall be interpreted as requiring or prohibiting or abridging in any way the use of particular textbooks or curricular materials.

Subpart E—Discrimination on the Basis of Sex in Employment in Education Programs or Activities Prohibited

§ 54.500 Employment.

(a) General.

(1) No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination in employment, or recruitment, consideration, or selection therefor, whether full-time or part-time, under any education program or activity operated by a recipient that receives Federal financial assistance.

(2) A recipient shall make all employment decisions in any education program or activity operated by such recipient in a nondiscriminatory manner and shall not limit, segregate, or classify applicants or employees in any way that could adversely affect any applicant’s or employee’s employment opportunities or status because of sex.

(3) A recipient shall not enter into any contractual or other relationship which directly or indirectly has the effect of subjecting employees or students to discrimination prohibited by §§ 54.500 through 54.550, including relationships with employment and referral agencies, with labor unions, and with organizations providing or administering fringe benefits to employees of the recipient.

(4) A recipient shall not grant preferences to applicants for employment on the basis of attendance at any educational institution or entity that admits as students only or predominantly members of one sex, if the giving of such preferences has the effect of discriminating on the basis of sex in violation of these Title IX regulations.

(b) Application. The provisions of §§ 54.500 through 54.550 apply to:

(1) Recruitment, advertising, and the process of application for employment;

(2) Hiring, upgrading, promotion, consideration for and award of tenure, demotion, transfer, layoff, termination, application of nepotism policies, right of return from layoff, and rehiring;

(3) Rates of pay or any other form of compensation, and changes in compensation;

(4) Job assignments, classifications, and structure, including position descriptions, lines of progression, and seniority lists;

(5) The terms of any collective bargaining agreement;

(6) Granting and return from leaves of absence, leave for pregnancy, childbirth, false pregnancy, termination of pregnancy, leave for persons of either sex to care for children or dependents, or any other leave;

(7) Fringe benefits available by virtue of employment, whether or not administered by the recipient;

(8) Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, selection for tuition assistance, selection for sabbaticals and leaves of absence to pursue training;

(9) Employer-sponsored activities, including social or recreational programs; and

(10) Any other term, condition, or privilege of employment.

§ 54.505 Employment criteria.

A recipient shall not administer or operate any test or other criterion for any employment opportunity that has a disproportionately adverse effect on persons on the basis of sex unless:

(a) Use of such test or other criterion is shown to predict validly successful performance in the position in question; and

(b) Alternative tests or criteria for such purpose, which do not have such disproportionately adverse effect, are shown to be unavailable.

§ 54.510 Recruitment.

(a) Nondiscriminatory recruitment and hiring. A recipient shall not discriminate on the basis of sex in the recruitment and hiring of employees. Where a recipient has been found to be presently discriminating on the basis of sex
§ 54.515 Compensation.

A recipient shall not make or enforce any policy or practice that, on the basis of sex:

(a) Makes distinctions in rates of pay or other compensation;
(b) Results in the payment of wages to employees of one sex at a rate less than that paid to employees of the opposite sex for equal work on jobs the performance of which requires equal skill, effort, and responsibility, and that are performed under similar working conditions.

§ 54.520 Job classification and structure.

A recipient shall not:

(a) Classify a job as being for males or for females;
(b) Maintain or establish separate lines of progression, seniority lists, career ladders, or tenure systems based on sex; or
(c) Maintain or establish separate lines of progression, seniority systems, career ladders, or tenure systems for similar jobs, position descriptions, or job requirements that classify persons on the basis of sex, unless sex is a bona fide occupational qualification for the positions in question as set forth in §54.550.

§ 54.525 Fringe benefits.

(a) ‘‘Fringe benefits’’ defined. For purposes of these Title IX regulations, fringe benefits means: Any medical, hospital, accident, life insurance, or retirement benefit, service, policy or plan, any profit-sharing or bonus plan, leave, and any other benefit or service of employment not subject to the provision of §54.515.

(b) Prohibitions. A recipient shall not:

(1) Discriminate on the basis of sex with regard to making fringe benefits available to employees or make fringe benefits available to spouses, families, or dependents of employees differently upon the basis of the employee’s sex;
(2) Administer, operate, offer, or participate in a fringe benefit plan that does not provide for equal periodic benefits for members of each sex and for equal contributions to the plan by such recipient for members of each sex; or
(3) Administer, operate, offer, or participate in a pension or retirement plan that establishes different optional or compulsory retirement ages based on sex or that otherwise discriminates in benefits on the basis of sex.

§ 54.530 Marital or parental status.

(a) General. A recipient shall not apply any policy or take any employment action:

(1) Concerning the potential marital, parental, or family status of an employee or applicant for employment that treats persons differently on the basis of sex; or
(2) Which is based upon whether an employee or applicant for employment is the head of household or principal wage earner in such employee’s or applicant’s family unit.

(b) Pregnancy. A recipient shall not discriminate against or exclude from employment any employee or applicant for employment on the basis of pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom.

(c) Pregnancy as a temporary disability. Subject to §54.235(d), a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom, and any temporary disability resulting therefrom as any other temporary disability for all job-related purposes, including commencement, duration, and extensions of leave, payment of disability income, accrual of seniority and any other benefit or service, and reinstatement, and under any fringe benefit offered to employees by virtue of employment.

(d) Pregnancy leave. In the case of a recipient that does not maintain a
leave policy for its employees, or in the case of an employee with insufficient leave or accrued employment time to qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom as a justification for a leave of absence without pay for a reasonable period of time, at the conclusion of which the employee shall be reinstated to the status that she held when the leave began or to a comparable position, without loss of compensation or loss of promotional opportunities, or any other right or privilege of employment.

§ 54.535 Effect of state or local law or other requirements.

(a) Prohibitory requirements. The obligation to comply with §§ 54.500 through 54.550 is not obviated or alleviated by the existence of any State or local law or other requirement that imposes prohibitions or limits upon employment of members of one sex that are not imposed upon members of the other sex.

(b) Benefits. A recipient that provides any compensation, service, or benefit to members of one sex pursuant to a State or local law or other requirement shall provide the same compensation, service, or benefit to members of the other sex.

§ 54.540 Advertising.

A recipient shall not in any advertising related to employment indicate preference, limitation, specification, or discrimination based on sex unless sex is a bona fide occupational qualification for the particular job in question.

§ 54.545 Pre-employment inquiries.

(a) Marital status. A recipient shall not make pre-employment inquiry as to the marital status of an applicant for employment, including whether such applicant is "Miss" or "Mrs."

(b) Sex. A recipient may make pre-employment inquiry as to the sex of an applicant for employment, but only if such inquiry is made equally of such applicants of both sexes and if the results of such inquiry are not used in connection with discrimination prohibited by these Title IX regulations.

§ 54.550 Sex as a bona fide occupational qualification.

A recipient may take action otherwise prohibited by §§ 54.500 through 54.550 provided it is shown that sex is a bona fide occupational qualification for that action, such that consideration of sex with regard to such action is essential to successful operation of the employment function concerned. A recipient shall not take action pursuant to this section that is based upon alleged comparative employment characteristics or stereotyped characterizations of one or the other sex, or upon preference based on sex of the recipient, employees, students, or other persons, but nothing contained in this section shall prevent a recipient from considering an employee’s sex in relation to employment in a locker room or toilet facility used only by members of one sex.

Subpart F—Procedures

§ 54.600 Notice of covered programs.

Within 60 days of September 29, 2000, each Federal agency that awards Federal financial assistance shall publish in the FEDERAL REGISTER a notice of the programs covered by these Title IX regulations. Each such Federal agency shall periodically republish the notice of covered programs to reflect changes in covered programs. Copies of this notice also shall be made available upon request to the Federal agency’s office that enforces Title IX.

§ 54.605 Enforcement procedures.

The investigative, compliance, and enforcement procedural provisions of Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) ("Title VI") are hereby adopted and applied to these Title IX regulations. These procedures may be found at 28 CFR 42.106 through 42.111.

PART 55—IMPLEMENTATION OF THE PROVISIONS OF THE VOTING RIGHTS ACT REGARDING LANGUAGE MINORITY GROUPS

Subpart A—General Provisions

§55.1 Definitions.

As used in this part—

Assistant General means the Attorney General of the United States.

Language minorities or language minority group is used, as defined in the Act, to refer to persons who are American Indian, Asian American, Alaskan Natives, or of Spanish heritage. (Sections 14(c)(3) and 203(e)).

Political subdivision is used, as defined in the Act, to refer to persons who are American Indian, Asian American, Alaskan Natives, or of Spanish heritage. (Sections 14(c)(3) and 203(e)).

Required sections of 5 of the Act.

Subpart F—Sanctions

Subpart G—Comment on This Part

§55.2 Purpose; standards for measuring compliance.

(a) The purpose of this part is to set forth the Attorney General’s interpretation of the provisions of the Voting Rights Act of 1965.
Rights Act which require certain States and political subdivisions to conduct elections in the language of certain “language minority groups” in addition to English.

(b) In the Attorney General’s view the objective of the Act’s provisions is to enable members of applicable language minority groups to participate effectively in the electoral process. This part establishes two basic standards by which the Attorney General will measure compliance:

1. That materials and assistance should be provided in a way designed to allow members of applicable language minority groups to be effectively informed of and participate effectively in voting-connected activities; and

2. That an affected jurisdiction should take all reasonable steps to achieve that goal.

(c) The determination of what is required for compliance with section 4(f)(4) and section 203(c) is the responsibility of the affected jurisdiction. These guidelines should not be used as a substitute for analysis and decision by the affected jurisdiction.

(d) Jurisdictions covered under section 4(f)(4) of the Act are subject to the preclearance requirements of section 5. See part 51 of this chapter. Such jurisdictions have the burden of establishing to the satisfaction of the Attorney General or to the U.S. District Court for the District of Columbia that changes made in their election laws and procedures in order to comply with the requirements of section 4(f)(4) are not discriminatory under the terms of section 5. However, section 5 expressly provides that the failure of the Attorney General to object does not bar any subsequent judicial action to enjoin the enforcement of the changes.

(e) Jurisdictions covered solely under section 203(c) of the Act are not subject to the preclearance requirements of section 5, nor is there a Federal apparatus available for preclearance of section 203(c) compliance activities. The Attorney General will not preclear jurisdictions’ proposals for compliance with section 203(c).

(f) Consideration by the Attorney General of a jurisdiction’s compliance with the requirements of section 4(f)(4) occurs in the review pursuant to section 5 of the Act of changes with respect to voting, in the consideration of the need for litigation to enforce the requirements of section 4(f)(4), and in the defense of suits for termination of coverage under section 4(f)(4). Consideration by the Attorney General of a jurisdiction’s compliance with the requirements of section 203(c) occurs in the consideration of the need for litigation to enforce the requirements of section 203(c).

(g) In enforcing the Act—through the section 5 preclearance review process, through litigation, and through defense of suits for termination of coverage under section 4(f)(4)—the Attorney General will follow the general policies set forth in this part.

(h) This part is not intended to preclude affected jurisdictions from taking additional steps to further the policy of the Act. By virtue of the Supremacy Clause of Art. VI of the Constitution, the provisions of the Act override any inconsistent State law.

§ 55.3 Statutory requirements.

The Act’s requirements concerning the conduct of elections in languages in addition to English are contained in section 4(f)(4) and section 203(c). These sections state that whenever a jurisdiction subject to their terms “provides any registration or voting notices, forms, instructions, assistance, or other materials or information relating to the electoral process, including ballots, it shall provide them in the language of the applicable language minority group as well as in * * * English. * * *”

Subpart B—Nature of Coverage

§ 55.4 Effective date; list of covered jurisdictions.

(1) The requirements of section 4(f)(4) take effect upon publication in the FEDERAL REGISTER of the requisite determinations of the Director of the
§ 55.5 Coverage under section 4(f)(4).

(a) Coverage formula. Section 4(f)(4) applies to any State or political subdivision in which

(1) Over five percent of the voting-age citizens were, on November 1, 1972, members of a single language minority group,

(2) Registration and election materials were provided only in English on November 1, 1972, and

(3) Fewer than 50 percent of the voting-age citizens were registered to vote or voted in the 1972 Presidential election.

All three conditions must be satisfied before coverage exists under section 4(f)(4).

(b) Coverage may be determined with regard to section 4(f)(4) on a statewide or political subdivision basis.

(1) Whenever the determination is made that the bilingual requirements of section 4(f)(4) are applicable to an entire State, these requirements apply to each of the State’s political subdivisions as well as to the State. In other words, each political subdivision within a covered State is subject to the same requirements as the State.

(2) Where an entire State is not covered under section 4(f)(4), individual political subdivisions may be covered.

§ 55.6 Coverage under section 203(c).

(a) Coverage formula. There are four ways in which a political subdivision can become subject to section 203(c).

(1) Political subdivision approach. A political subdivision is covered if—

(i) More than 5 percent of its voting age citizens are members of a single language minority group and are limited-English proficient; and

(ii) The illiteracy rate of such language minority citizens in the political subdivision is higher than the national illiteracy rate.

(2) State approach. A political subdivision is covered if—

(i) It is located in a state in which more than 5 percent of the voting age citizens are members of a single language minority and are limited-English proficient;

(ii) The illiteracy rate of such language minority citizens in the state is higher than the national illiteracy rate; and

(iii) Five percent or more of the voting age citizens of the political subdivision are members of such language minority group and are limited-English proficient.

(3) Numerical approach. A political subdivision is covered if—

(i) More than 10,000 of its voting age citizens are members of a single language minority group and are limited-English proficient; and

(ii) The illiteracy rate of such language minority citizens in the political subdivision is higher than the national illiteracy rate.

(4) Indian reservation approach. A political subdivision is covered if it is located within its borders all or any part of an Indian reservation—

(i) In which more than 5 percent of the voting age American Indian or Alaska Native citizens are members of a single language minority group and are limited-English proficient; and

(ii) The illiteracy rate of such language minority citizens is higher than the national illiteracy rate.

1Coverage is based on sections 4(b) (third sentence), 4(c), and 4(f)(3).

2The criteria for coverage are contained in section 203(b).
(b) Definitions. For the purpose of determinations of coverage under section 203(c), limited-English proficient means unable to speak or understand English adequately enough to participate in the electoral process; Indian reservation means any area that is an American Indian or Alaska Native area, as defined by the Census Bureau for the purposes of the 1990 decennial census; and illiteracy means the failure to complete the fifth primary grade.

(c) Determinations. Determinations of coverage under section 203(c) are made with regard to specific language groups of the language minorities listed in section 203(e).

§ 55.7 Termination of coverage.

(a) Section 4(f)(4). The requirements of section 4(f)(4) apply for a twenty-five-year period following the effective date of the amendments made by the Fannie Lou Hamer, Rosa Parks, Coretta Scott King, César E. Chávez, Barbara C. Jordan, William C. Velásquez, and Dr. Hector P. Garcia Voting Rights Act Reauthorization and Amendments Act of 2006, which amendments became effective on July 27, 2006. See section 4(a)(8). A covered State, a political subdivision of a covered State, a separately covered political subdivision, or a political subunit of any of the above, may terminate the application of section 4(f)(4) earlier by obtaining the declaratory judgment described in section 4(a) of the Act.

(b) Section 203(c). The requirements of section 203(c) apply until August 6, 2032. See section 203(b). A covered jurisdiction may terminate Section 203 coverage earlier if it can prove in a declaratory judgment action in a United States district court, that the illiteracy rate of the applicable language minority group is equal to or less than the national illiteracy rate, as described in section 203(d) of the Act.

§ 55.8 Relationship between section 4(f)(4) and section 203(c).

(a) The statutory requirements of section 4(f)(4) and section 203(c) regarding minority language material and assistance are essentially identical.

(b) Jurisdictions subject to the requirements of section 4(f)(4)—but not jurisdictions subject only to the requirements of section 203(c)—are also subject to the Act’s special provisions, such as section 5 (regarding preclearance of changes in voting laws) and section 8 (regarding federal observers). See part 51 of this chapter.

(c) Although the coverage formulas applicable to section 4(f)(4) and section 203(c) are different, a political subdivision may be included within both of the coverage formulas. Under these circumstances, a judgment terminating coverage of the jurisdiction under one provision would not have the effect of terminating coverage under the other provision.

§ 55.9 Coverage of political units within a county.

Where a political subdivision (e.g., a county) is determined to be subject to section 4(f)(4) or section 203(c), all political units that hold elections within that political subdivision (e.g., cities, school districts) are subject to the same requirements as the political subdivision.

§ 55.10 Types of elections covered.

(a) General. The language provisions of the Act apply to registration for and voting in any type of election, whether it is a primary, general or special election. Section 14(c)(1). This includes elections of officers as well as elections regarding such matters as bond issues, constitutional amendments and referendums. Federal, State and local elections are covered as are elections of special districts, such as school districts and water districts.

(b) Elections for statewide office. If an election conducted by a county relates to Federal or State offices or issues as
well as county offices or issues, a county subject to the bilingual requirements must insure compliance with those requirements with respect to all aspects of the election, i.e., the minority language material and assistance must deal with the Federal and State offices or issues as well as county offices or issues.

(c) Multi-county districts. Regarding elections for an office representing more than one county, e.g., State legislative districts and special districts that include portions of two or more counties, the bilingual requirements are applicable on a county-by-county basis. Thus, minority language material and assistance need not be provided by the government in counties not subject to the bilingual requirements of the Act.

Subpart C—Determining the Exact Language
§ 55.11 General.

The requirements of section 4(f)(4) or section 203(c) apply with respect to the languages of language minority groups. The applicable groups are indicated in the determinations of the Attorney General or the Director of the Census. This subpart relates to the view of the Attorney General concerning the determination by covered jurisdictions of precisely the language to be employed. In enforcing the Act, the Attorney General will consider whether the language that is used for election materials is the one most widely used by the jurisdiction’s voting-age citizens who are members of the language minority group.

§ 55.12 Language used for written material.

(a) Language minority groups having more than one language. Some language minority groups, for example, Filipino Americans, have more than one language other than English. A jurisdiction required to provide election materials in the language of such a group need not provide materials in more than one language other than English. The Attorney General will consider whether the language that is used for election materials is the one most widely used by the jurisdiction’s voting-age citizens who are members of the language minority group.

(b) Languages with more than one written form. Some languages, for example, Japanese, have more than one written form. A jurisdiction required to provide election materials in such a language need not provide more than one version. The Attorney General will consider whether the particular version of the language that is used for election materials is the one most widely used by the jurisdiction’s voting-age citizens who are members of the language minority group.

(c) Unwritten languages. Many of the languages used by language minority groups, for example, by some American Indians and Alaskan Natives, are unwritten. With respect to any such language, only oral assistance and publicity are required. Even though a written form for a language may exist, a language may be considered unwritten if it is not commonly used in a written form. It is the responsibility of the covered jurisdiction to determine whether a language should be considered written or unwritten.

§ 55.13 Language used for oral assistance and publicity.

(a) Languages with more than one dialect. Some languages, for example, Chinese, have several dialects. Where a jurisdiction is obligated to provide oral assistance in such a language, the jurisdiction’s obligation is to ascertain the dialects that are commonly used by members of the applicable language minority group in the jurisdiction and to provide oral assistance in such dialects. (See §55.20.)
(b) Language minority groups having more than one language. In some jurisdictions members of an applicable language minority group speak more than one language other than English. Where a jurisdiction is obligated to provide oral assistance in the language of such a group, the jurisdiction’s obligation is to ascertain the languages that are commonly used by members of that group in the jurisdiction and to provide oral assistance in such languages. (See § 55.20)

Subpart D—Minority Language Materials and Assistance

§ 55.14 General.

(a) This subpart sets forth the views of the Attorney General with respect to the requirements of section 4(f)(4) and section 203(c) concerning the provision of minority language materials and assistance and some of the factors that the Attorney General will consider in carrying out his responsibilities to enforce section 4(f)(4) and section 203(c). Through the use of his authority under section 5 and his authority to bring suits to enforce section 4(f)(4) and section 203(c), the Attorney General will seek to prevent or remedy discrimination against members of language minority groups based on the failure to use the applicable minority language in the electoral process. The Attorney General also has the responsibility to defend against suits brought for the termination of coverage under section 4(f)(4) and section 203(c).

(b) In discharging these responsibilities the Attorney General will respond to complaints received, conduct on his own initiative inquiries and surveys concerning compliance, and undertake other enforcement activities.

(c) It is the responsibility of the jurisdiction to determine what actions by it are required for compliance with the requirements of section 4(f)(4) and section 203(c) and to carry out these actions.

§ 55.15 Affected activities.

The requirements of sections 4(f)(4) and 203(c) apply with regard to the provision of “any registration or voting notices, forms, instructions, assistance, or other materials or information relating to the electoral process, including ballots.” The basic purpose of these requirements is to allow members of applicable language minority groups to be effectively informed of and participate effectively in voting-connected activities. Accordingly, the quoted language should be broadly construed to apply to all stages of the electoral process, from voter registration through activities related to conducting elections, including, for example the issuance, at any time during the year, of notifications, announcements, or other informational materials concerning the opportunity to register, the deadline for voter registration, the time, places and subject matters of elections, and the absentee voting process.

§ 55.16 Standards and proof of compliance.

Compliance with the requirements of section 4(f)(4) and section 203(c) is best measured by results. A jurisdiction is more likely to achieve compliance with these requirements if it has worked with the cooperation of and to the satisfaction of organizations representing members of the applicable language minority group. In planning its compliance with section 4(f)(4) or section 203(c), a jurisdiction may, where alternative methods of compliance are available, use less costly methods if they are equivalent to more costly methods in their effectiveness.

§ 55.17 Targeting.

The term “targeting” is commonly used in discussions of the requirements of section 4(f)(4) and section 203(c). “Targeting” refers to a system in which the minority language materials or assistance required by the Act are provided to fewer than all persons or registered voters. It is the view of the Attorney General that a targeting system will normally fulfill the Act’s minority language requirements if it is designed and implemented in such a way that language minority group
§ 55.18 Provision of minority language materials and assistance.

(a) Materials provided by mail. If materials provided by mail (or by some comparable form of distribution) generally to residents or registered voters are not all provided in the applicable minority language, the Attorney General will consider whether an effective targeting system has been developed. For example, a separate mailing of materials in the minority language to persons who are likely to need them or to residents of neighborhoods in which such a need is likely to exist, supplemented by a notice of the availability of minority language materials in the general mailing (in English and in the applicable minority language) and by other publicity regarding the availability of such materials may be sufficient.

(b) Public notices. The Attorney General will consider whether public notices and announcements of electoral activities are handled in a manner that provides members of the applicable language minority group an effective opportunity to be informed about electoral activities.

(c) Registration. The Attorney General will consider whether the registration system is conducted in such a way that members of the applicable language minority group have an effective opportunity to register. One method of accomplishing this is to provide, in the applicable minority language, all notices, forms and other materials provided to potential registrants and to have only bilingual persons as registrars. Effective results may also be obtained, for example, through the use of deputy registrars who are members of the applicable language minority group and the use of decentralized places of registration, with minority language materials available at places where persons who need them are most likely to come to register.

(d) Polling place activities. The Attorney General will consider whether polling place activities are conducted in such a way that members of the applicable language minority group have an effective opportunity to vote. One method of accomplishing this is to provide all notices, instructions, ballots, and other pertinent materials and oral assistance in the applicable minority language. If very few of the registered voters scheduled to vote at a particular polling place need minority language materials or assistance, the Attorney General will consider whether an alternative system enabling those few to cast effective ballots is available.

(e) Publicity. The Attorney General will consider whether a covered jurisdiction has taken appropriate steps to publicize the availability of materials and assistance in the minority language. Such steps may include the display of appropriate notices, in the minority language, at voter registration offices, polling places, etc., the making of announcements over minority language radio or television stations, the publication of notices in minority language newspapers, and direct contact with language minority group organizations.

§ 55.19 Written materials.

(a) Types of materials. It is the obligation of the jurisdiction to decide what materials must be provided in a minority language. A jurisdiction required to provide minority language materials is only required to publish in the language of the applicable language minority group materials distributed to or provided for the use of the electorate generally. Such materials include, for example, ballots, sample ballots, informational materials, and petitions.

(b) Accuracy, completeness. It is essential that material provided in the language of a language minority group be clear, complete and accurate. In examining whether a jurisdiction has achieved compliance with this requirement, the Attorney General will consider whether the jurisdiction has consulted with members of the applicable language minority group with respect to the translation of materials.
§ 55.23 Enforcement by the Attorney General.

(a) The Attorney General is authorized to bring civil actions for appropriate relief against violations of the

(c) Helpers. With respect to the conduct of elections, the jurisdiction will need to determine the number of helpers (i.e., persons to provide oral assistance in the minority language) that must be provided. In evaluating the provision of assistance, the Attorney General will consider such facts as the number of a precinct’s registered voters who are members of the applicable language minority group, the number of such persons who are not proficient in English, and the ability of a voter to be assisted by a person of his or her own choice. The basic standard is one of effectiveness.

§ 55.24 Procedure.

These guidelines may be modified from time to time on the basis of experience under the Act and comments received from interested parties. The Attorney General therefore invites public comments and suggestions on these guidelines. Any party who wishes to make such suggestions or comments may do so by sending them to: Assistant Attorney General, Civil Rights Division, Department of Justice, Washington, DC 20530.

(d) A standing trustee must, at a minimum, adhere to the following fiduciary standards:

1. Employment of relatives. (i) A standing trustee shall not employ a relative of the standing trustee.

(ii) A standing trustee shall also not employ a relative of the United States Trustee or of an Assistant United States Trustee in the region in which the standing trustee is to be appointed, or a relative of an employee in the Executive Office for United States Trustees.

(iii)(A) Paragraphs (d)(1)(i) and (ii) of this section shall not apply to a spouse of a standing trustee who was employed by the standing trustee as of August 1, 1995.

(i) The United States Trustee shall have the discretion to grant a written waiver for a period of time not to exceed 2 years upon a written showing by the standing trustee of compelling circumstances that make the continued employment of a relative necessary for a standing trustee’s performance of his or her duties and written evidence that the salary to be paid is at or below market rate.

(ii) Additional waivers, not to exceed a period of two years each, may be granted under paragraph (d)(1)(ii)(B) of this section provided the standing trustee makes a similar written showing within 90 days prior to the expiration of a present waiver and the United States Trustee determines that the circumstances for waiver are met.

(iii) No waivers will be granted for a relative of the United States Trustee or of an Assistant United States Trustee.

(ii) Related party transactions. (i) A standing trustee shall not direct debtors or creditors of a bankruptcy case administered by the standing trustee to an individual or entity that provides products or services, such as insurance or financial counseling, if a standing trustee is a relative of that individual or if the standing trustee or relative has a financial or ownership interest in the entity.

(iii)(A) The United States Trustee may grant a waiver from compliance with paragraph (d)(2)(ii) of this section for up to three years following the appointment of a standing trustee if the newly-appointed standing trustee can demonstrate in writing that a waiver is necessary and the cost is at or below market.

(I) A standing trustee has insufficient receipts to earn maximum annual compensation as determined by the Director during any one of the last three fiscal years and provides the United States Trustee with an appraisal or
other written evidence that the allocation is necessary and the allocated cost is at or below market rate for that good or service, or

(2) A chapter 13 standing trustee also serves as a trustee in chapter 12 cases and provides the United States Trustee with an appraisal or other written evidence that the allocation is necessary and the allocated cost is at or below market rate for that good or service.

(C) Except as otherwise provided in this paragraph, a standing trustee may seek a reasonable extension of time from the United States Trustee to comply with paragraph (d)(2)(ii) of this section. To obtain an extension, a standing trustee must demonstrate by an appraisal or other written evidence, satisfactory to the United States Trustee, that the expense is necessary and at or below market rate. In no event shall an extension be granted for the use and occupation of real estate beyond October 1, 1998. For personal property and personal service contracts, no extension shall be granted beyond October 1, 1998.

(3) Employment of other standing trustees. A standing trustee shall not employ or contract with another standing trustee to provide personal services for compensation payable from the fiduciary expense fund. This section does not prohibit the standing trustee from reimbursing the actual, necessary expenses incurred by another standing trustee who provides necessary assistance to the standing trustee provided that the reimbursement has been pre-approved by the United States Trustee.

(e) Paragraph (d) of this section is effective July 2, 1997. As to those standing trustees who are appointed as of July 2, 1997, paragraph (d) will be applicable on the first day of their next fiscal year (i.e., October 1, 1997, for chapter 13 trustees and January 1, 1998, for chapter 12 trustees).

§ 58.6 Procedures for suspension and removal of panel trustees and standing trustees.

(a) A United States Trustee shall notify a panel trustee or a standing trustee in writing of any decision to suspend or terminate the assignment of cases to the trustee including, where applicable, any decision not to renew the trustee’s term appointment. The notice shall state the reason(s) for the decision and should refer to, or be accompanied by copies of, pertinent materials upon which the United States Trustee has relied and any prior communications in which the United States Trustee has advised the trustee of the potential action. The notice shall be sent to the office of the trustee by overnight courier, for delivery the next business day. The reasons may include, but are in no way limited to:

qualifications set forth in 28 CFR 58.3
and 58.4 and in 11 U.S.C. 322;

(10) Failure to attend in person or ap-

(11) Action by or pending before a
court or state licensing agency which
calls the trustee’s competence, financial
responsibility or trustworthiness into
question;

(12) Routine inability to accept as-
signed cases due to conflicts of interest
or to the trustee’s unwillingness or in-
capacity to serve;

(13) Change in the composition of the
chapter 7 panel pursuant to a system
established by the United States Trust-
ee under 28 CFR 58.1;

(14) A determination by the United
States Trustee that the interests of ef-
cient case administration or a decline
in the number of cases warrant a re-
duction in the number of panel trustees
or standing trustees.

(b) The notice shall advise the trust-
eee that the decision is final and un-
reviewable unless the trustee re-
quests in writing a review by the Direc-
tor, Executive Office for United States
Trustees, no later than 20 calendar
days from the date of issuance of the
United States Trustee’s notice (“re-
quest for review”). In order to be time-
ly, a request for review must be re-
ceived by the Office of the Director no
later than 20 calendar days from the
date of the United States Trustee’s no-
tice to the trustee.

(c) A decision by a United States
Trustee to suspend or terminate the as-
signment of cases to a trustee shall
take effect upon the expiration of a
trustee’s time to seek review from the
Director or, if the trustee timely seeks
such review, upon the issuance of a
final written decision by the Director.

(d) Notwithstanding paragraph (c) of
this section, a United States Trustee’s
decision to suspend or terminate the
assignment of cases to a trustee may
include, or may later by supplemented
by an interim directive, by which the
United States trustee may imme-
diately discontinue assigning cases to
a trustee during the review period. A
United States Trustee may issue such
an interim directive if the United
States Trustee specifically finds that:

(1) A continued assignment of cases
to the trustee places the safety of es-
tate assets at risk;

(2) The trustee appears to be inel-
gible to serve under applicable law,
rule, or regulation;

(3) The trustee has engaged in con-
duct that appears to be dishonest, de-
ceitful, fraudulent, or criminal in na-
ture; or

(4) The trustee appears to have en-
gaged in other gross misconduct that is
unbefitting his or her position as trust-
ee or violates the trustee’s duties.

(e) If the United States Trustee
issues an interim directive, the trustee
may seek a stay of the interim direc-
tive from the Director if the trustee
has timely filed a request for review
under paragraph (b) of this section.

(f) The trustee’s written request for
review shall fully describe why the
trustee disagrees with the United
States Trustee’s decision, and shall be
accompanied by all documents and ma-
terials that the trustee wants the Di-
rector to consider in reviewing the de-
cision. The trustee shall send a copy of
the request for review, and the accom-
pnying documents and materials, to
the United States Trustee by overnight
courier, for delivery the next business
day. The trustee may request that spe-
cific documents in the possession of
the United States Trustee be transmitted
to the Director for inclusion in the
record.

(g) The United States Trustee shall
have 15 calendar days from the date of
the trustee’s request for review to sub-
mit to the Director a written response
regarding the matters raised in the
trustee’s request for review. The
United States Trustee shall provide a
copy of this response to the trustee.
Both copies shall be sent by overnight
courier, for delivery the next business day.

(h) The Director may seek additional information from any party in the manner and to the extent the Director deems appropriate.

(i) Unless the trustee and the United States Trustee agree to a longer period of time, the Director shall issue a written decision no later than 30 calendar days from the receipt of the United States Trustee’s response to the trustee’s request for review. That decision shall determine whether the United States Trustee’s decision is supported by the record and the action is an appropriate exercise of the United States Trustee’s discretion, and shall adopt, modify or reject the United States Trustee’s decision to suspend or terminate the assignment of future cases to the trustee. The Director’s decision shall constitute final agency action.

(j) In reaching a determination, the Director may specify a person to act as a reviewing official. The reviewing official shall not be a person who was involved in the United States Trustee’s decision or a Program employee who is located within the region of the United States Trustee who made the decision. The reviewing official’s duties shall be specified by the Director on a case by case basis, and may include reviewing the record, obtaining additional information from the participants, providing the Director with written recommendations, or such other duties as the Director shall prescribe in a particular case.

(k) This rule does not authorize a trustee to seek review of any decision to increase the size of the chapter 7 panel or to appoint additional standing trustees in the district or region.

(l) A trustee who files a request for review shall bear his or her own costs and expenses, including counsel fees.

This report must be submitted to the United States Trustee after liquidating the estate’s assets, but before making distribution to creditors, and before filing it with the United States Bankruptcy Court. The TFR must contain the trustee’s certification, under penalty of perjury, that all assets have been liquidated or properly accounted for and that funds of the estate are available for distribution. Pursuant to 28 U.S.C. 589b(d), the TFR must also contain the following:

Bankr. P. 2002(f)(8), UST Form 101–7–NFR (NFR) must be sent to all creditors as the notice required under Fed. R. Bankr. P. 2002(f). The NFR must show the receipts, approved disbursements, and any balance identified on the TFR, as well as the information required in the TFR’s Exhibit D. In addition, the NFR must identify the procedures for objecting to any fee application or to the TFR.

(c) UST Form 101–7–TDR Chapter 7 Trustee’s Final Account, Certification The Estate Has Been Fully Administered and Application of Trustee To Be Discharged. (f) An approved agency shall have sufficient computer capabilities to issue certificates from the United States Trustee’s Certificate Generating System.

(g) An approved agency shall issue a certificate to each client who completes counseling services. Spouses receiving counseling services jointly shall each receive a certificate.

(h) An approved agency shall issue a replacement certificate to a client who requests one.

(j) Only an authorized officer, supervisor or employee of an approved agency shall issue a certificate, and an approved agency shall not transfer or delegate authority to issue certificates to any other entity.

(k) An approved agency shall implement internal controls sufficient to prevent unauthorized issuance of certificates.

(l) An approved agency shall ensure the signature affixed to a certificate is that of an officer, supervisor or employee authorized to issue the certificate, in accordance with paragraph (j) of this section, which signature shall be either:

(1) An original signature; or

(3) The date and time (including the time zone) on which counseling services were completed by the client; and

(4) The name of the counselor that provided the counseling services.

(o) An approved agency shall affix the client’s full, accurate name to the certificate. If the counseling services are obtained by a client through a duly authorized representative, the certificate also shall set forth the name of the legal representative and legal capacity of that representative.

(p) If an individual enters into a debt repayment plan after completing credit counseling, upon the client’s request after the completion or termination of the debt repayment plan, the approved agency shall:

(1) Provide such additional credit counseling as is necessary at such time to comply with the requirements specified in 11 U.S.C. 109(h) and 111, and this part, including reviewing the client’s current financial condition and counseling the client regarding the alternatives to resolve the client’s credit problems;

(a) Depositing all client funds into a deposit account, held in trust, at a federally insured depository institution. (iv) The reconciliation of each trust account;

(2) A report of all exceptions (e.g., discrepancies, irregularities, and errors) found, regardless of materiality; and

(1) Subject to the minimum amount of $5,000, the amount of such surety bond shall be the lesser of:

(iv) The amount of the offset or credit shall be the lesser of:

(A) The principal amount of such surety bond, or similar cash, securities, insurance (other than employee fidelity insurance), or letter of credit; or

(B) The surety bond amount determined under paragraph (d)(1) of this section;

(3) If an agency has contracted with an independent contractor to administer any part of its debt repayment plans:

(i) Except as provided in paragraphs (d)(3)(ii) and (d)(3)(iii) of this section, the independent contractor shall:

§ 58.24 Procedures for obtaining final agency action on United States Trustees’ decisions to deny agencies’ applications and to remove approved agencies from the approved list.

(a) The United States Trustee shall remove an approved agency from the approved list whenever an approved agency requests its removal in writing.

(b) The United States Trustee may issue a decision to remove an approved agency from the approved list, and thereby terminate the approved agency’s authorization to provide counseling services, at any time.

(c) The United States Trustee may issue a decision to deny an agency’s application or to remove an agency from the approved list whenever the United States Trustee determines that the agency has failed to comply with the standards or requirements specified in 11 U.S.C. 109(h) or 111, this part, or the terms under which the United States Trustee designated it to act as an approved agency, including, but not limited to, finding any of the following:

(4) Any entity has suspended or revoked the agency’s license to do business in any jurisdiction; or

(5) Any United States district court has removed the agency under 11 U.S.C. §111(e).

(d) If the Internal Revenue Service revokes an agency’s tax exempt status, the United States Trustee shall promptly commence an investigation to determine whether any of the factors set forth in paragraphs (c)(1) through (5) of this section exist.

(e) The United States Trustee shall provide to the agency in writing a notice of any decision either to:

(1) Deny the agency’s application; or

(2) Remove the agency from the approved list.

(f) The notice shall state the reason(s) for the decision and shall reference any documents or communications relied upon in reaching the denial or removal decision. To the extent authorized by law, the United States Trustee shall provide to the agency copies of any such documents that were not supplied to the United States Trustee by the agency. The notice shall be sent to the agency by overnight courier, for delivery the next business day.

(g) Except as provided in paragraph (i) of this section, the notice shall advise the agency that the denial or removal decision shall become final agency action, and unreviewable, unless the agency submits in writing a request for review by the Director no later than 21 calendar days from the date of the notice to the agency.

(h) Except as provided in paragraph (i) of this section, the decision to deny an agency’s application or remove an agency from the approved list shall take effect upon:
(1) The expiration of the agency’s time to seek review from the Director, if the agency fails to timely seek review of a denial or removal decision; or

(2) The issuance by the Director of a final decision, if the agency timely seeks such review.

(i) The United States Trustee may provide that a decision to remove an agency from the approved list is effective immediately and deny the agency the right to provide counseling services whenever the United States Trustee finds any of the factors set forth in paragraphs (c)(1) through (5) of this section.

(j) An agency’s request for review shall be in writing and shall fully describe why the agency disagrees with the denial or removal decision, and shall be accompanied by all documents and materials the agency wants the Director to consider in reviewing the denial or removal decision. The agency shall send the original and one copy of the request for review, including all accompanying documents and materials, to the Office of the Director by overnight courier, for delivery the next business day. To be timely, a request for review shall be received at the Office of the Director no later than 21 calendar days from the date of the notice to the agency.

(k) The United States Trustee shall have 21 calendar days from the date of the agency’s request for review to submit to the Director a written response regarding the matters raised in the agency’s request for review. The United States Trustee shall provide a copy of this response to the agency by overnight courier, for delivery the next business day.

(l) The Director may seek additional information from any party in the manner and to the extent the Director deems appropriate.

(m) In reviewing the decision to deny an agency’s application or remove an agency from the approved list, the Director shall determine:

(1) Whether the denial or removal decision is supported by the record; and

(2) Whether the denial or removal decision constitutes an appropriate exercise of discretion.

(n) Except as provided in paragraph (o) of this section, the Director shall issue a final decision no later than 60 calendar days from the receipt of the agency’s request for review, unless the agency agrees to a longer period of time or the Director extends the deadline. The Director’s final decision on the agency’s request for review shall constitute final agency action.

(o) Whenever the United States Trustee provides under paragraph (i) of this section that a decision to remove an agency from the approved list is effective immediately, the Director shall issue a written decision no later than 15 calendar days from the receipt of the agency’s request for review, unless the agency agrees to a longer period of time. The decision shall:

(1) Be limited to deciding whether the determination that the removal decision should take effect immediately was supported by the record and an appropriate exercise of discretion;

(2) Constitute final agency action only on the issue of whether the removal decision should take effect immediately; and

(3) Not constitute final agency action on the ultimate issue of whether the agency should be removed from the approved list; after issuing the decision, the Director shall issue a final decision by the deadline set forth in paragraph (n) of this section.

(p) In reaching a decision under paragraphs (n) and (o) of this section, the Director may specify a person to act as a reviewing official. The reviewing official’s duties shall be specified by the Director on a case-by-case basis, and may include reviewing the record, obtaining additional information from the participants, providing the Director with written recommendations, and such other duties as the Director shall prescribe in a particular case.

(g) An approved provider shall issue a replacement certificate to a debtor who requests one.

(i) An approved provider shall implement internal controls sufficient to prevent unauthorized issuance of certificates.

(j) An approved provider shall ensure the signature affixed to a certificate is that of an officer, supervisor or employee authorized to issue the certificate, in accordance with paragraph (h) of this section, which signature shall be either:

§ 58.36 Procedures for obtaining final provider action on United States Trustees’ decisions to deny providers’ applications and to remove approved providers from the approved list.

(a) The United States Trustee shall remove an approved provider from the approved list whenever an approved provider requests its removal in writing.

(b) The United States Trustee may issue a decision to remove an approved provider from the approved list, and thereby terminate the approved provider’s authorization to provide an instructional course, at any time.

(c) The United States Trustee may issue a decision to deny a provider’s application or to remove a provider from the approved list whenever the United States Trustee determines that the provider has failed to comply with the standards or requirements specified in 11 U.S.C. 111, this part, or the terms under which the United States Trustee designated it to act as an approved provider, including, but not limited to, finding any of the following:

(1) If any entity has suspended or revoked the provider’s license to do business in any jurisdiction; or

(2) Any United States district court has removed the provider under 11 U.S.C. 111(e).

(d) The United States Trustee shall provide to the provider in writing a notice of any decision either to:

(1) Deny the provider’s application; or

(2) Remove the provider from the approved list.

(e) The notice shall state the reason(s) for the decision and shall reference any documents or communications relied upon in reaching the denial or removal decision. To the extent authorized by law, the United States Trustee shall provide to the provider copies of any such documents that were not supplied to the United States Trustee by the provider. The notice shall be sent to the provider by overnight courier, for delivery the next business day.

(f) Except as provided in paragraph (h) of this section, the notice shall advise the provider that the denial or removal decision shall become final agency action, and unreviewable, unless the provider submits in writing a request for review by the Director no later than 21 calendar days from the date of the notice to the provider.

(g) Except as provided in paragraph (h) of this section, the decision to deny a provider’s application or to remove a provider from the approved list shall take effect upon:

(1) The expiration of the provider’s time to seek review from the Director, if the provider fails to timely seek review of a denial or removal decision; or

(2) The issuance by the Director of a final decision, if the provider timely seeks such review.

(h) The United States Trustee may provide that a decision to remove a provider from the approved list is effective immediately and deny the provider the right to provide an instructional course whenever the United States Trustee finds any of the factors set forth in paragraphs (c)(1) or (2) of this section.

(i) A provider’s request for review shall be in writing and shall fully describe why the provider disagrees with the denial or removal decision, and shall be accompanied by all documents and materials the provider wants the Director to consider in reviewing the denial or removal decision. The provider shall send the original and one copy of the request for review, including all accompanying documents and materials, to the Office of the Director by overnight courier, for delivery the next business day. To be timely, a request for review shall be received at the Office of the Director no later than 21 calendar days from the date of the notice to the provider.

(j) The United States Trustee shall have 21 calendar days from the date of the provider’s request for review to submit to the Director a written response regarding the matters raised in the provider’s request for review. The United States Trustee shall provide a copy of this response to the provider by overnight courier, for delivery the next business day.

(k) The Director may seek additional information from any party in the manner and to the extent the Director deems appropriate.
(l) In reviewing the decision to deny a provider’s application or to remove a provider from the approved list, the Director shall determine:
(1) Whether the denial or removal decision is supported by the record; and
(2) Whether the denial or removal decision constitutes an appropriate exercise of discretion.

(m) Except as provided in paragraph (n) of this section, the Director shall issue a final decision no later than 60 calendar days from the receipt of the provider’s request for review, unless the provider agrees to a longer period of time or the Director extends the deadline. The Director’s final decision on the provider’s request for review shall constitute final agency action.

(n) Whenever the United States Trustee provides under paragraph (h) of this section that a decision to remove a provider from the approved list is effective immediately, the Director shall issue a written decision no later than 15 calendar days from the receipt of the provider’s request for review, unless the provider agrees to a longer period of time. The decision shall:
(1) Be limited to deciding whether the determination that the removal decision should take effect immediately was supported by the record and an appropriate exercise of discretion;
(2) Constitute final agency action only on the issue of whether the removal decision should take effect immediately; and
(3) Not constitute final agency action on the ultimate issue of whether the provider should be removed from the approved list; after issuing the decision, the Director shall issue a final decision by the deadline set forth in paragraph (m) of this section.

(o) In reaching a decision under paragraphs (m) or (n) of this section, the Director may specify a person to act as a reviewing official. The reviewing official’s duties shall be specified by the Director on a case-by-case basis, and may include reviewing the record, obtaining additional information from the participants, providing the Director with written recommendations, and such other duties as the Director shall prescribe in a particular case.

(p) A provider that files a request for review shall bear its own costs and expenses, including counsel fees.

(q) When a decision to remove a provider from the approved list takes effect, the provider shall:
(1) Immediately cease providing an instructional course to debtors;
(2) No later than three business days after the date of removal, send all certificates to all debtors who completed an instructional course prior to the provider’s removal from the approved list; and
(3) No later than three business days after the date of removal, return all fees to debtors who had paid for an instructional course, but had not completely received the instructional course.

(r) A provider must exhaust all administrative remedies before seeking redress in any court of competent jurisdiction.

APPENDIX A TO PART 58—GUIDELINES FOR REVIEWING APPLICATIONS FOR COMPENSATION AND REIMBURSEMENT OF EXPENSES FILED UNDER 11 U.S.C. 330

(a) General Information. (1) The Bankruptcy Reform Act of 1994 amended the responsibilities of the United States Trustees under 28 U.S.C. 586(a)(3)(A) to provide that, whenever they deem appropriate, United States Trustees will review applications for compensation and reimbursement of expenses under section 330 of the Bankruptcy Code, 11 U.S.C. 101, et seq. ("Code"), in accordance with procedural guidelines ("Guidelines") adopted by the Executive Office for United States Trustees ("Executive Office"). The following Guidelines have been adopted by the Executive Office and are to be uniformly applied by the United States Trustees except when circumstances warrant different treatment.

(2) The United States Trustees shall use these Guidelines in all cases commenced on or after October 22, 1994.

(3) The Guidelines are not intended to supersede local rules of court, but should be read as complementing the procedures set forth in local rules.

(4) Nothing in the Guidelines should be construed:
(1) To limit the United States Trustee’s discretion to request additional information necessary for the review of a particular application or type of application or to refer any information provided to the United States Trustee to another official for review;
States Trustee to any investigatory or prosecutorial authority of the United States or a state;

(i) Date the bankruptcy petition was filed, date of the order approving employment, identity of the party represented, date services commenced, and whether the applicant is seeking compensation under a provision of the Bankruptcy Code other than section 330.

(ii) Terms and conditions of employment and compensation, source of compensation, any existence and terms controlling use of a retainer, and any budgetary or other limitations on fees.

(iii) Whether the person on whose behalf the applicant is employed has been given the opportunity to review the application and whether that person has approved the requested amount.

(iv) Whether the application is interim or final, and the dates of previous orders on interim compensation or reimbursement of expenses.

(v) Whether services were performed within a reasonable time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and whether compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in comparable cases.

(vi) Whether services were rendered, and whether services were performed within a reasonable time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and whether compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in comparable cases.

(vii) Whether compensation charged, and statement of whether the compensation is based on the customary compensation charged by comparably skilled practitioners in cases other than cases under title 11.

(b) Fee applications submitted by trustees are subject to the same standards of review as are applications of other professionals and will be evaluated according to the principles articulated in these Guidelines. Each United States Trustee should establish whether and to what extent trustees can deviate from the format specified in these Guidelines without substantially affecting the ability of the United States Trustee to review and comment on their fee applications in a manner consistent with the requirements of the law.

(ii) Terms and conditions of employment and compensation, source of compensation, any existence and terms controlling use of a retainer, and any budgetary or other limitations on fees.

(iii) Whether the person on whose behalf the applicant is employed has been given the opportunity to review the application and whether that person has approved the requested amount.

(iv) Whether the application is interim or final, and the dates of previous orders on interim compensation or reimbursement of expenses.

(v) Whether services were performed within a reasonable time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and whether compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in comparable cases.

(vi) Whether services were rendered, and whether services were performed within a reasonable time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and whether compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in comparable cases.

(vii) Whether compensation charged, and statement of whether the compensation is based on the customary compensation charged by comparably skilled practitioners in cases other than cases under title 11.

(b) Contents of Applications for Compensation and Reimbursement of Expenses. All applications should include sufficient detail to demonstrate compliance with the standards set forth in 11 U.S.C. §330. The fee application should also contain sufficient information about the case and the applicant so that the Court, the creditors, and the United States Trustee can review it without searching for relevant information in other documents. The following will facilitate review of the application.

(i) Information about the Applicant and the Application. The following information should be provided in every fee application:

(1) Information about the Applicant and the Application. The following information should be provided in every fee application:
writing, at the hearing on the application or, if a hearing is not required, prior to the expiration of the time period for objection.

(3) Summary Sheet. All applications should contain a summary or cover sheet that provides a synopsis of the following information:

(i) Total compensation and expenses requested and any amount(s) previously requested;

(ii) Total compensation and expenses previously awarded by the court;

(iii) Name and applicable billing rate for each person who billed time during the period, and date of bar admission for each attorney;

(iv) Total hours billed and total amount of billing for each person who billed time during billing period; and

(v) Computation of blended hourly rate for persons who billed time during period, excluding paralegal or other paraprofessional time.

(4) Project Billing Format. (i) To facilitate effective review of the application, all time and service entries should be arranged by project categories. The project categories set forth in exhibit A should be used to the extent applicable. A separate project category should be used for administrative matters and, if payment is requested, for fee application preparation.

(ii) The United States Trustee has discretion to determine that the project billing format is not necessary in a particular case or in a particular class of cases. Applicants should be encouraged to consult with the United States Trustee if there is a question as to the need for project billing in any particular case.

(iii) Each project category should contain a narrative summary of the following information:

(A) a description of the project, its necessity and benefit to the estate, and the status of the project including all pending litigation for which compensation and reimbursement are requested;

(B) identification of each person providing services on the project; and

(C) a statement of the number of hours spent and the amount of compensation requested for each professional and paraprofessional on the project.

(iv) Time and service entries are to be reported in chronological order under the appropriate project category.

(v) Time entries should be kept contemporaneously with the services rendered in time periods of tenths of an hour. Services should be noted in detail and not combined or “lumped” together, with each service showing a separate time entry; however, tasks performed in a project which total a de minimis amount of time can be combined or lumped together if they do not exceed 0.5 hours on a daily aggregate. Time entries for telephone calls, letters, and other communications should give sufficient detail to identify the parties to and the nature of the communication. Time entries for court hearings and conferences should identify the subject of the hearing or conference. If more than one professional from the applicant firm attends a hearing or conference, the applicant should explain the need for multiple attendees.

(vi) The requested expenses are customarily charged to non-bankruptcy clients of the applicant.

(iii) Whether applicant has provided a detailed itemization of all expenses including the date incurred, description of expense (e.g., type of travel, type of fare, rate, destination), method of computation, and, where relevant, name of the person incurring the expense and purpose of the expense. Itemized expenses should be identified by their nature (e.g., long distance telephone, copy costs, messengers, computer research, airline travel, etc.) and by the month incurred. Unusual items require more detailed explanations and should be allocated, where practicable, to specific projects.

(iv) Whether applicant has prorated expenses where appropriate between the estate and other cases (e.g., travel expenses applicable to more than one case) and has adequately explained the basis for any such proration.

(v) Whether expenses incurred by the applicant to third parties are limited to the actual amounts billed to, or paid by, the applicant on behalf of the estate.

(vi) Whether applicant can demonstrate that the amount requested for expenses incurred in-house reflect the actual cost of such expenses to the applicant. The United States Trustee may establish an objection ceiling for any in-house expenses that are routinely incurred and for which the actual cost cannot easily be determined by most professionals (e.g., photocopies, facsimile charges, and mileage).

(vii) Whether the expenses appear to be in the nature nonreimbursable overhead. Overhead consists of all continuous administrative or general costs incident to the operation of the applicant’s office and not particularly attributable to an individual client or case. Overhead includes, but is not limited to, word processing, proofreading, secretarial
EXHIBIT A—PROJECT CATEGORIES

Here is a list of suggested project categories for use in most bankruptcy cases. Only one category should be used for a given activity. Professionals should make their best effort to be consistent in their use of categories, whether within a particular firm or by different firms working on the same case. It would be appropriate for all professionals to discuss the categories in advance and agree generally on how activities will be categorized. This list is not exclusive. The application may contain additional categories as the case requires. They are generally more applicable to attorneys in chapter 7 and chapter 11, but may be used by all professionals as appropriate.

Asset Analysis and Recovery: Identification and review of potential assets including causes of action and non-litigation recoveries.

Asset Disposition: Sales, leases (§ 365 matters), abandonment and related transaction work.

Fee/Employment Objections: Review of and objections to the employment and fee applications of others.

Financing: Matters under §§ 361, 363 and 364 including cash collateral and secured claims; loan document analysis.

Litigation: There should be a separate category established for each matter (e.g., XYZ Litigation).

Meetings of Creditors: Preparing for and attending the conference of creditors, the § 341(a) meeting and other creditors' committee meetings.

Plan and Disclosure Statement: Formulation, presentation and confirmation; compliance with the plan confirmation order, related orders and rules; disbursement and case closing activities, except those related to the allowance and objections to allowance of claims.

Relief From Stay Proceedings: Matters relating to termination or continuation of automatic stay under § 362.

The following categories are generally more applicable to accountants and financial advisors, but may be used by all professionals as appropriate.

Accounting/Auditing: Activities related to maintaining and auditing books of account, preparation of financial statements and account analysis.

Business Analysis: Preparation and review of company business plan; development and review of strategies; preparation and review of cash flow forecasts and feasibility studies.

Valuation: Appraise or review appraisals of assets.

§ 59.1 Introduction.

(a) A search for documentary materials necessarily involves intrusions into personal privacy. First, the privacy of a person’s home or office may be breached. Second, the execution of such a search may require examination of private papers within the scope of the search warrant, but not themselves subject to seizure. In addition, where such a search involves intrusions into professional, confidential relationships, the privacy interests of other persons are also implicated.

(b) It is the responsibility of federal officers and employees to recognize the importance of these personal privacy interests, and to protect against unnecessary intrusions. Generally, when documentary materials are held by a disinterested third party, a subpoena, administrative summons, or governmental request will be an effective alternative to the use of a search warrant and will be considerably less intrusive. The purpose of the guidelines set forth in this part is to assure that federal officers and employees do not use search and seizure to obtain documentary materials held by disinterested third parties unless reliance on alternative means would substantially jeopardize their availability (e.g., by creating a risk of destruction, etc.) or usefulness (e.g., by detrimentally delaying the investigation, destroying a chain of custody, etc.). Therefore, the guidelines in this part establish certain criteria and procedural requirements which must be met before a search warrant may be used to obtain documentary materials held by disinterested third parties. The guidelines in this part are not intended to inhibit the use of less intrusive means of obtaining documentary materials such as the use of a subpoena, summons, or formal or informal request.

§ 59.2 Definitions.

As used in this part—

(a) The term attorney for the government shall have the same meaning as is given that term in Rule 54(c) of the Federal Rules of Criminal Procedure;

(b) The term disinterested third party means a person or organization not reasonably believed to be—

1. A suspect in the criminal offense to which the materials sought under these guidelines relate; or

2. Related by blood or marriage to such a suspect;

(c) The term documentary materials means any materials upon which information is recorded, and includes, but is not limited to, written or printed materials, photographs, films or negatives, audio or video tapes, or materials upon which information is electronically or magnetically recorded, but does not include materials which constitute contraband, the fruits or instrumentalities of a crime, or things otherwise criminally possessed;

(d) The term law enforcement officer shall have the same meaning as the term “federal law enforcement officer” as defined in Rule 41(h) of the Federal Rules of Criminal Procedure; and

(e) The term supervisory official of the Department of Justice means the supervising attorney for the section, office, or branch within the Department of Justice which is responsible for the investigation or prosecution of the offense at issue, or any of his superiors.

§ 59.3 Applicability.

(a) The guidelines set forth in this part apply, pursuant to section 201 of the Privacy Protection Act of 1980 (Sec. 201, Pub. L. 96–440, 94 Stat. 1879, (42 U.S.C. 2000aa–11)), to the procedures used by any federal officer or employee, in connection with the investigation or prosecution of a criminal offense, to obtain documentary materials in the private possession of a disinterested third party.

(b) The guidelines set forth in this part do not apply to:

1. Audits, examinations, or regulatory, compliance, or administrative inspections or searches pursuant to federal statute or the terms of a federal contract;

2. The conduct of foreign intelligence or counterintelligence activities by a government authority pursuant to otherwise applicable law;

3. The conduct, pursuant to otherwise applicable law, of searches and seizures at the borders of, or at international points of entry into, the United States in order to enforce the customs laws of the United States;
§ 59.4 Procedures.  

(a) Provisions governing the use of search warrants generally. (1) A search warrant should not be used to obtain documentary materials believed to be in the private possession of a disinterested third party unless it appears that the use of a subpoena, summons, request, or other less intrusive alternative means of obtaining the materials would substantially jeopardize the availability or usefulness of the materials sought, and the application for the warrant has been authorized as provided in paragraph (a)(2) of this section.

(2) No federal officer or employee shall apply for a warrant to search for and seize documentary materials believed to be in the private possession of a disinterested third party unless the application for the warrant has been authorized by an attorney for the government. Provided, however, that in an emergency situation in which the immediacy of the need to seize the materials does not permit an opportunity to secure the authorization of an attorney for the government, the application may be authorized by a supervisory law enforcement officer in the applicant's department or agency, if the appropriate U.S. Attorney (or where the case is not being handled by a U.S. Attorney’s Office, the appropriate supervisory official of the Department of Justice) is notified of the authorization and the basis for justifying such authorization under this part within 24 hours of the authorization.

(b) Provisions governing the use of search warrants which may intrude upon professional, confidential relationships. (1) A search warrant should not be used to obtain documentary materials believed to be in the private possession of a disinterested third party physician, lawyer, or clergyman, under circumstances in which the materials sought, or other materials likely to be reviewed during the execution of the

1Notwithstanding the provisions of this section, any application for a warrant to search for evidence of a criminal tax offense under the jurisdiction of the Tax Division must be specifically approved in advance by the Tax Division pursuant to section 6-2.330 of the U.S. Attorneys' Manual.

2Documentary materials created or compiled by a physician, but retained by the physician as a matter of practice at a hospital or clinic shall be deemed to be in the private possession of the physician, unless the clinic or hospital is a suspect in the offense.
warrant, contain confidential information on patients, clients, or parishioners which was furnished or developed for the purposes of professional counseling or treatment, unless—

(i) It appears that the use of a subpoena, summons, request or other less intrusive alternative means of obtaining the materials would substantially jeopardize the availability or usefulness of the materials sought;

(ii) Access to the documentary materials appears to be of substantial importance to the investigation or prosecution for which they are sought; and

(iii) The application for the warrant has been approved as provided in paragraph (b)(2) of this section.

(2) No federal officer or employee shall apply for a warrant to search for and seize documentary materials believed to be in the private possession of a disinterested third party physician, lawyer, or clergyman under the circumstances described in paragraph (b)(1) of this section, unless, upon the recommendation of the U.S. Attorney (or where a case is not being handled by a U.S. Attorney’s Office, upon the recommendation of the appropriate supervisory official of the Department of Justice), an appropriate Deputy Assistant Attorney General has authorized the application for the warrant. Provided, however, that in an emergency situation in which the immediacy of the need to seize the materials does not permit an opportunity to secure the authorization of a Deputy Assistant Attorney General, the application may be authorized by the U.S. Attorney (or where the case is not being handled by a U.S. Attorney’s Office, by the appropriate supervisory official of the Department of Justice) if an appropriate Deputy Assistant Attorney General is notified of the authorization and the basis for justifying such authorization under this part within 72 hours of the authorization.

(3) Whenever possible, a request for authorization by an appropriate Deputy Assistant Attorney General of a search warrant application pursuant to paragraph (b)(2) of this section shall be made in writing and shall include:

(i) The application for the warrant; and

(ii) A brief description of the facts and circumstances advanced as the basis for recommending authorization of the application under this part.

If a request for authorization of the application is made orally or if, in an emergency situation, the application is authorized by the U.S. Attorney or a supervisory official of the Department of Justice as provided in paragraph (b)(2) of this section, a written record of the request including the materials specified in paragraphs (b)(3) (i) and (ii) of this section shall be transmitted to an appropriate Deputy Assistant Attorney General within 7 days. The Deputy Assistant Attorneys General shall keep a record of the disposition of all requests for authorizations of search warrant applications made under paragraph (b) of this section.

(4) A search warrant authorized under paragraph (b)(2) of this section shall be executed in such a manner as to minimize, to the greatest extent practicable, scrutiny of confidential materials.

(5) Although it is impossible to define the full range of additional doctor-like therapeutic relationships which involve the furnishing or development of private information, the U.S. Attorney (or where a case is not being handled by a U.S. Attorney’s Office, the appropriate supervisory official of the Department of Justice) should determine whether a search for documentary materials held by other disinterested third party professionals involved in such relationships (e.g., psychologists or psychiatric social workers or nurses) would implicate the special privacy concerns which are addressed in paragraph (b) of this section. If the U.S. Attorney (or other supervisory official of the Department of Justice) determines that such a search would require review of extremely confidential information furnished or developed for the purposes of professional counseling or treatment, the provisions of this subsection should be applied. Otherwise, at a minimum, the requirements of paragraph (a) of this section must be met.

(c) Considerations bearing on choice of methods. In determining whether, as an alternative to the use of a search warrant, the use of a subpoena or other
§ 59.5 Functions and authorities of the Deputy Assistant Attorneys General.

The functions and authorities of the Deputy Assistant Attorneys General set out in this part may at any time be exercised by an Assistant Attorney General, the Associate Attorney General, the Deputy Attorney General, or the Attorney General.

§ 59.6 Sanctions.

(a) Any federal officer or employee violating the guidelines set forth in this part shall be subject to appropriate disciplinary action by the agency or department by which he is employed.

(b) Pursuant to section 202 of the Privacy Protection Act of 1980 (sec. 202, Pub. L. 96–440, 94 Stat. 1879 (42 U.S.C. 2000aa–12)), an issue relating to the compliance, or the failure to comply, with the guidelines set forth in this part may not be litigated, and a court may not entertain such an issue as the basis for the suppression or exclusion of evidence.

PART 60—AUTHORIZATION OF FEDERAL LAW ENFORCEMENT OFFICERS TO REQUEST THE ISSUANCE OF A SEARCH WARRANT

§ 60.1 Purpose.

This regulation authorizes certain categories of federal law enforcement officers to request the issuance of search warrants under Rule 41, Fed. R. Crim. It should be noted that only in the very rare and emergent case is the law enforcement officer permitted to seek a search warrant without the concurrence of the appropriate U.S. Attorney’s office. Further, in all instances, military agents of the Department of Defense must obtain the concurrence of the appropriate U.S. Attorney’s Office before seeking a search warrant.

(g) Any civilian agent of the Department of Defense who is authorized to enforce the Uniform Code of Military Justice.

(i) Any special agent of the Office of Inspector General, Department of Transportation.

§ 61.1 Background.

(a) The National Environmental Policy Act of 1969 (NEPA), 42 U.S.C. 4321 et seq., establishes national policies and goals for the protection of the environment. Section 102(2) of NEPA contains certain procedural requirements directed toward the attainment of such goals. In particular, all federal agencies are required to give appropriate consideration to the environmental effects of their proposed actions in their decisionmaking and to prepare detailed environmental statements on proposals for legislation significantly affecting the quality of the human environment and on other major federal actions significantly affecting the quality of the human environment.

(b) Executive Order No. 11991 of May 24, 1977, directed the Council on Environmental Quality (CEQ) to issue regulations to implement the procedural provisions of NEPA. Accordingly, CEQ issued final NEPA regulations, 40 CFR parts 1500-1508, ("The NEPA regulations"). These regulations provide that each federal agency shall, as necessary, adopt implementing procedures to supplement the regulations. The NEPA regulations identify those sections of the regulations which must be addressed in agency procedures.

§ 61.2 Purpose.

The purpose of this part is to establish Department of Justice procedures which supplement the relevant provisions of the NEPA regulations and to provide for the implementation of those provisions identified in 40 CFR 1507.3(b).

§ 61.3 Applicability.

The procedures set forth in this part, with the exception of the appendices, apply to all organizational elements of the Department of Justice. Internal procedures applicable, respectively, to the Bureau of Prisons, the Drug Enforcement Administration, the Immigration and Naturalization Service, and the Office of Justice Assistance, Research and Statistics are set forth in the appendices to this part, for informational purposes.

§ 61.4 Major federal action.

The NEPA regulations define “major federal action.” “Major federal action” does not include action taken by the Department of Justice within the framework of judicial or administrative enforcement proceedings or civil or criminal litigation, including but not limited to the submission of consent or settlement agreements and investigations. Neither does “major federal action” include the rendering of legal advice.

§ 61.5 Typical classes of action.

(a) The NEPA regulations require agencies to establish three typical classes of action for similar treatment under NEPA. These classes are: actions normally requiring environmental impact statements (EIS), actions normally not requiring assessments or EIS, and actions normally requiring assessments but not necessarily EIS. Typical Department of Justice actions falling within each class have been identified as follows:

(1) Actions normally requiring EIS.
None, except as noted in the appendices to this part.

(2) Actions normally not requiring assessments or EIS. Actions not significantly affecting the human environment.

(3) Actions normally requiring assessments but not necessarily EIS.

(i) Proposals for major federal action;

(ii) Proposals for legislation developed by or with the significant cooperation and support of the Department of Justice and for which the Department has primary responsibility for the subject matter.

(b) The Department of Justice shall independently determine whether an EIS or an environmental assessment is required where:

(1) A proposal for agency action is not covered by one of the typical classes of action above; or

(2) For actions which are covered, the presence of extraordinary circumstances indicates that some other level of environmental review may be appropriate.
§ 61.6 Consideration of environmental documents in decisionmaking.

The NEPA regulations contain requirements to ensure adequate consideration of environmental documents in agency decisionmaking. To implement these requirements, the Department of Justice shall:

(a) Consider from the earliest possible point in the process all relevant environmental documents in evaluating proposals for Department action;

(b) Ensure that all relevant environmental documents, comments and responses accompany the proposal through existing Department review processes;

(c) Consider those alternatives encompassed by the range of alternatives discussed when evaluating proposals for Department action, or if it is desirable to consider substantially different alternatives, first supplement the environmental document to include analysis of the additional alternatives;

(d) Where an EIS has been prepared, consider the specific alternatives analyzed in the EIS when evaluating the proposal which is the subject of the EIS.

§ 61.7 Legislative proposals.

(a) Each subunit of the Department of Justice which develops or significantly cooperates and supports a bill or legislative proposal to Congress which may have an effect on the environment shall, in the early stages of development of the bill or proposal, undertake an assessment to determine whether the legislation will significantly affect the environment. The Office of Legislative Affairs shall monitor legislative proposals to assure that Department procedures for legislation are complied with. Requests for appropriations need not be so analyzed.

(b) If the Department of Justice has primary responsibility for the subject matter involved and if the subunit affected finds that the bill or legislative proposal has a significant impact on the environment, that subunit shall prepare a legislative environmental impact statement in compliance with 40 CFR 1506.8.

§ 61.8 Classified proposals.

If an environmental document includes classified matter, a version containing only unclassified material shall be prepared unless the head of the office, board, bureau or division determines that preparation of an unclassified version is not feasible.

§ 61.9 Emergencies.

CEQ shall be consulted when emergency circumstances make it necessary to take a major federal action with significant environmental impact without following otherwise applicable procedural requirements under NEPA.

§ 61.10 Ensuring Department NEPA compliance.

The Land and Natural Resources Division shall have final responsibility for ensuring compliance with the requirements of the procedures set forth in this part.

§ 61.11 Environmental information.

Interested persons may contact the Land and Natural Resources Division for information regarding Department Justice compliance with NEPA.

APPENDIX A TO PART 61—BUREAU OF PRISONS PROCEDURES RELATING TO THE IMPLEMENTATION OF THE NATIONAL ENVIRONMENTAL POLICY ACT

1. Authority: (CEQ Regulations) NEPA, the Environmental Quality Improvement Act of 1970, as amended (42 U.S.C. 4371 et seq.) section 309 of the Clean Air Act, as amended (42 U.S.C. 7609), and Executive Order 11514, Protection and Enhancement of Environmental Quality (March 5, 1970, as amended by Executive Order 11991, May 24, 1977.)

2. Purpose: This guide shall apply to efforts associated with the leasing, purchase, design, construction, management, operation and maintenance of new and existing Bureau of Prisons facilities as well as the closing of existing Bureau of Prisons institutions. These procedures shall be used by the Regional Facilities Administration staff as well as the Central Office of Facilities Development and Operations staff. Activities concerning Bureau of Prisons compliance with NEPA shall be handled by and coordinated with these staff members and coordinated by Central Office Personnel. (Reference shall be made to Part 1507—Agency Compliance of the CEQ Regulations.)
Department of Justice

3. Agency Description: The Bureau of Prisons, a component of the U.S. Department of Justice, is responsible for providing custody and care to committed Federal offenders in an integrated system of correctional institutions across the nation.

The Bureau of Prisons performs its mission of protecting society by implementing the Federal rules and regulations for Federal correctional institutions. The Bureau of Prisons is headquartered at 1200 Pennsylvania Avenue, NW., Washington, DC 20534.

The administration of the Federal Prison System consists of six divisions. The central office in Washington, DC, is supplemented by five regional offices located in Atlanta, San Francisco, Dallas, Kansas City, and Philadelphia.

4. Environmental Impact Statements: (Reference: §1501.2(d)(1)—CEQ Regulations) The Bureau of Prisons shall make available the necessary technical staff to review proposals and prepare feasibility studies for facilities under consideration for possible use as Federal correctional institutions. (Reference: §1501.2(d)(2)—CEQ Regulations) At the appropriate time after project funding approval, the Bureau of Prisons, having identified a preferred general area for a new facility, will inform the members of Congress representing the affected locale of the intent to pursue the establishment of a Federal correctional institution in the area. This activation might include but not be limited to: (1) The construction of a new facility; (2) or Surplus Federal, state, or local facility to the Bureau of Prisons for prior use. The Bureau of Prisons shall advise and inform interested parties concerning proposed plans which might result in implementation of the NEPA regulations. After initial informal contacts have been made, the Bureau of Prisons will with the aid of local area officials, begin to identify desired locations for the proposed new facility. In the event of proposed activation of an existing facility for prison use, the Bureau of Prisons shall seek initial involvement among local officials and advice on alternative courses of action.

In either case, if the issues appear significantly controversial, an informal public hearing will be held to present the issues to the community and seek their involvement in the planning process. Upon completion of the preliminary groundwork described above, the Bureau of Prisons will issue an A-95 letter of intent to (1) either file an EIS; (2) file an EIA; or (3) discontinue the efforts of locating a facility in the proposed area.

5. Public Involvement: (Reference: Part 1506.63)—CEQ Regulations) Information regarding the policies of the Bureau of Prisons for implementing the NEPA process can be obtained from: Bureau of Prisons Facilities Development and Operations Office, 320 First Street, N.W., Washington, DC 20534.

6. Supplemental Statements: (Reference: Part 1502.9(c)(3)—CEQ Regulations) If it is necessary to prepare a supplement to a Draft or Final Environmental Impact Statement, the supplement shall be introduced into the project administrative record.

7. Bureau of Prisons Decisionmaking Procedures: (Reference: Part 1501.1 (a) through (e)—CEQ Regulations) Major decision points likely to involve the NEPA process:

2. Closing of an existing Federal correctional institution.
3. Activation of a surplus facility for conversion to a Federal correctional institution.
4. Significant change from the original mission of a Federal correctional institution.
5. New construction at an existing Federal correctional institution which might significantly impact upon the existing community environment.

When the inclusion of certain voluminous data in environmental documents would prove impractical, the Bureau of Prisons will summarize the data and retain the original material as a part of its administrative record for the project. This material will be made available to the public in a central place to be designated in Environmental Impact Statements, and upon written request or court order copies of specified material will be provided. A charge may be made for copying, in accordance with current Department of Justice guidelines for reproduction of records.

Decisionmakers shall verify the consideration of all available options in the EIS with a comparative analysis of the alternatives to be considered in the decisionmaking process.

(2) Acquisition of surplus facilities for conversion to Federal correctional institutions, if the impact upon the quality of the human environment is likely to be significant.

(3) The closing of an existing Federal correctional institution, if that is likely to have a significant impact upon the quality of the human environment.

(4) Significant change from the original mission of a Federal correctional institution when the issue is likely to have an impact upon the quality of the human environment.

(5) New construction at an existing Federal correctional institution which would significantly affect the physical capacity, when the action is likely to have an impact upon the quality of the human environment.

(6) New construction at an existing Federal correctional institution which would significantly impact upon the quality of the community environment.
9. Those Actions Which Normally do not Require Either an Environmental Impact Statement or an Environmental Assessment: (Reference: Part 1507.3(b)(2)(ii) and Part 1508.4—CEQ Regulations) (1) Increase or decrease in population of a facility, above or below its physical capacity.

(2) Construction projects for existing facilities, including but not limited to: additions and remodeling; replacement of building systems and components; maintenance and operations, repairs, and general improvements; when such projects do not significantly alter the program of the facility or significantly impact upon the quality of the environment in the community.

(3) Contracts for halfway houses, community corrections centers, comprehensive sanction centers, community detention centers, or other similar facilities.

(2) Construction of additional facilities at an existing institution when the impact on the local environment is not seen to be significant, but when the alteration of programs or operations may be controversial.

(3) The closing of an institution or significant reduction in population of an institution when the impact on the local environment is not seen to be significant.

11. Emergency Actions: (Reference: Part 1506.11—CEQ Regulations). After consultation with the Council on Environmental Quality regarding alternative courses of action, the Bureau of Prisons may take action without observing the provisions of the CEQ Regulations and these Bureau of Prisons Procedures in the following cases:

(1) When the replacement of suddenly unavailable local utilities services, and/or resources, due to circumstances beyond the control of the Bureau of Prisons, is vital to the lives and safety of inmates and staff or protection of U.S. Government property.

(2) When unforeseen circumstances, such as greatly increased judicial commitments, suddenly dictate the activation of facilities to house increased numbers of Federal offenders and detainees significantly above the physical capacity of the combined Bureau of Prisons facilities in order to insure the lives and safety of inmates and staff or protection of U.S. Government property.

(3) When the sudden destruction of or damage to institutions dictates immediate replacement in order to protect the lives and safety of inmates and staff and protection of U.S. Government property.

12. Review.

(1) If a proposed action is not covered by Sections 8 through 10 of this appendix, the Bureau of Prisons will independently determine whether to prepare either an environmental impact statement or an environmental assessment.

(2) When a proposed action that could be classified as a categorical exclusion under Section 9 of this appendix involves extraordinary circumstances that may affect the environment, the Bureau shall conduct appropriate environmental studies to determine if the categorical exclusion classification is proper for that proposed action.

(3) When unforeseen circumstances, such as greatly increased judicial commitments, suddenly dictate the activation of facilities to house increased numbers of Federal offenders and detainees significantly above the physical capacity of the combined Bureau of Prisons facilities in order to insure the lives and safety of inmates and staff or protection of U.S. Government property.

(4) When the sudden destruction of or damage to institutions dictates immediate replacement in order to protect the lives and safety of inmates and staff and protection of U.S. Government property.

APPENDIX B TO PART 61—DRUG ENFORCEMENT ADMINISTRATION PROCEDURES RELATING TO THE IMPLEMENTATION OF THE NATIONAL ENVIRONMENTAL POLICY ACT

1. Applicability.

2. Typical Classes of Action Requiring Similar Treatment Under NEPA.

(a) Section 1507.3(c)(2) in conjunction with §1508.4 requires agencies to establish three typical classes of action for similar treatment under NEPA. These typical classes of action are set forth below:

<table>
<thead>
<tr>
<th>(1) Actions normally requiring EIS</th>
<th>(2) Actions normally not requiring environmental assessments or EIS (Categorical exclusions)</th>
<th>(3) Actions normally requiring environmental assessments but not necessarily EIS</th>
</tr>

(b) For the principal DEA program requiring environmental review, the following chart identifies the point at which the NEPA process begins, the point at which it ends, and the key agency officials or offices required to consider environmental documents in their decisionmaking:

<table>
<thead>
<tr>
<th>Eradication of plant species from which controlled substances may be extracted.</th>
<th>Start of NEPA process</th>
<th>Completion of NEPA process</th>
<th>Key officials or offices required to consider environmental documents</th>

(c) The DEA shall independently determine whether an EIS or an environmental assessment is required where:

1. A proposal for agency action is not covered by one of the typical classes of action in (a) above; or
2. For actions which are covered, the presence of extraordinary circumstances indicates that some other level of environmental review may be appropriate.

3. Environmental Information

Interested persons may contact the Office of Science and Technology for information regarding the DEA compliance with NEPA.

APPENDIX C TO PART 61—IMMIGRATION AND NATURALIZATION SERVICE PROCEDURES RELATING TO THE IMPLEMENTATION OF THE NATIONAL ENVIRONMENTAL POLICY ACT

2. Purpose. These procedures shall apply to efforts associated with the leasing, purchase, design, construction, and maintenance of new and existing INS facilities. All activities concerning the Immigration and Naturalization Service’s compliance with NEPA shall be coordinated with Central Office Engineering staff.

3. Agency Description. The INS administers and enforces the immigration and nationality laws. This includes determining the admissibility of persons seeking entry into the United States and adjudicating requests for benefits and privileges under the immigration and nationality laws. The enforcement actions of INS involve the prevention of illegal entry of persons into the United States and the investigation and apprehension of aliens already in the country who because of inadmissibility at entry or misconduct committed following entry may be subject to deportation.

In carrying out its statutory enforcement responsibilities, the INS is authorized to arrest and detain aliens believed to be deportable and to effectuate removal from the U.S. of aliens found deportable after hearing.

4. Designation of Responsible Official. The Chief Engineer, Facilities and Engineering Branch shall be the liaison official for INS with the Council on Environmental Quality, the Environmental Protection Agency, and the other departments and agencies concerning environmental matters. Duties of the Chief Engineer include:

(a) Insuring compliance with the requirements of NEPA and that the actions with respect to the fulfillment of NEPA are coordinated;
(b) Providing for procedural and substantive training on environmental issues, policy, procedures and clearance requirements;
(c) Providing guidance in the preparation and processing of Environmental Impact Statements; and
(d) Participating in policy formulation, as necessary, in the application of the requirements of the National Environmental Policy Act of 1969.

5. NEPA and INS Planning. (a) INS will make available to the public proposals and feasibility studies for facilities under consideration for possible use as INS facilities.
(b) Interested parties identified as such by the local clearinghouse (as established by the Office of Management and Budget Circular No. A–95) will be advised and informed concerning proposed plans which might involve NEPA regulations.

(c) Upon completion of the preliminary groundwork described above, INS will issue an A–95 Letter of Intent to:

1. File an Environmental Impact Assessment (EIA);

6. Public Involvement. Information regarding the policies of INS for implementing the NEPA process can be obtained from: Immigration and Naturalization Service, Facilities and Engineering Branch, 425 I Street...
Pt. 61, App. D 28 CFR Ch. 1 (7–1–17 Edition)

NW., Washington, DC 20536. (Reference: Part 1506.6(3)—CEQ Regulations.)

7. Supplemental Statements. If it is necessary to prepare a supplement to a draft or a Final
   Environmental Impact Statement, the supplement shall be introduced into the admin-
   istrative record pertaining to the project. (Reference: Part 1502.9(c)(3)—CEQ Regula-
   tions.)

8. INS Decisionmaking Procedure. (a) Policy—
   (1) The Chief Engineer will consider all prac-
   tical means, including the “no-action” alter-
   native and other alternatives to the proposed
   action, which will enhance, protect, and pre-
   serve the quality of the environment, restore
   environmental quality previously lost, and
   minimize and mitigate unavoidable adverse
   effects. He will analyze and study the envi-
   ronment together with engineering, econo-
   mical, social and other considerations to in-
   sure balanced decisionmaking in the overall
   public interest.
   (2) During INS project planning and the re-
   lated decisionmaking process, environmental
   effects will be weighed together with the en-
   gineering, economic and social and other con-
   siderations affecting the public interest.

(b) Preparation of the environmental impact
   statements. (1) Situations where Environ-
   mental Impact Statements (EIS) are re-
   quired are described in section 1522(b)(C) of
   NEPA. EIS constitute an integral of the plan
   formulation process and serve as a summation
   and evaluation of the effects, both bene-
   ficial and adverse, that each alternative ac-
   tion would have on the environment, as an
   explanation and objective evaluation of the
   plan which is finally recommended.
   (2) Should the Chief Engineer determine in
   assessing the impact of a minor action that
   an environmental statement is not required,
   the determination to that effect will be placed
   in the project file. This negative de-
   termination shall be made available to the
   public as required in §1506.6 of the CEQ regu-
   lations and shall include a statement of the
   facts and the basis for the decision.
   (3) When inclusion of certain voluminous
   data in an EIS would prove to be imprac-
   tical, INS will summarize the data and re-
   tain the original material as a part of its ad-
   ministrative record for the project. This ma-
   terial will be made available to the public in
   a central place to be designated in the EIS,
   and upon written request or court order, cop-
   ies of specified material will be provided. A
   charge for the reproduction of records may
   be made in accordance with current Depart-
   ment of Justice guidelines. (Reference: Part
   1505 CEQ Regulations.)

9. Actions Which Normally Do Require Envi-
   ronmental Impact Statements: (a) Construction
   of a new INS facility which would have a sig-
   nificant impact upon the environment.
   (b) Construction of a new addition to an
   existing INS facility which would signifi-
   cantly affect the physical capacity and
   which would have a significant impact upon
   the environment. (Reference: §1507.3(b)(1)—CEQ Regulations.)

10. Actions Which Normally Do Not Require
    Either An Environmental Impact Statement Or
    An Environmental Assessment: (a) Construc-
    tion projects for existing facilities including
    but not limited to: Remodeling; replacement
    of building systems and components; mainte-
    nance and operations repairs and general im-
    provements when such projects do not sig-
    nificantly alter the initial occupancy and
    program of the facility or significantly im-
    pact upon the environment.
    (b) Increase or decrease in population of a
    facility within its physical capacity. (Ref-
    erence: Part 1507.3(b)(2)(ii) and Part 1508.4—
    CEQ Regulations.)

11. Actions Which Normally Require An Envi-
    ronmental Assessment But Not Necessarily Envi-
    ronmental Impact Statements:
    (a) Construction of a new addition to an
    existing INS facility which may affect the
    physical capacity and may have some impact
    upon the environment.
    (b) Closing of an INS facility which may
    have some impact on the environment. (Ref-
    erence: §1507.3(b)(3)(ii)—CEQ Regulations.)

APPENDIX D TO PART 61—OFFICE OF
JUSTICE ASSISTANCE, RESEARCH,
AND STATISTICS PROCEDURES RELAT-
ING TO THE IMPLEMENTATION OF THE
NATIONAL ENVIRONMENTAL POLICY
ACT

1. AUTHORITY

These procedures are issued pursuant to the National Environmental Policy Act

2. PURPOSE

It is the purpose of these procedures to supplement the procedures of the Department of Justice so as to insure compliance with NEPA. These procedures supersede the regulations contained in 28 CFR part 19.

3. AGENCY DESCRIPTION

The Office of Justice Assistance, Research, and Statistics (OJARS) assists State and local units of government in strengthening and improving law enforcement and criminal justice by providing financial assistance and funding research and statistical programs. OJARS will coordinate the activities and
provide the staff support for three Department of Justice Federal financial assistance offices: the Law Enforcement Assistance Administration, the National Institute of Justice, and the Bureau of Justice Statistics. Each of the assistance offices has the authority to award grants, contracts and cooperative agreements pursuant to the Justice System Improvement Act of 1979, Public Law 96-157 (December 27, 1979).

4. TYPICAL CLASSES OF ACTION UNDERTAKEN

(1) The bulk of the funded efforts; training programs, court improvement projects, research, and gathering statistical data.
(2) Minor renovation projects or remodeling.
(c) Actions which normally require environmental assessments but not necessarily environmental impact statements.
(1) Renovations which change the basic prior use of a facility or significantly change the size.
(2) New construction.
(3) Research and technology whose anticipated and future application could be expected to have an effect on the environment.
(4) Implementation of programs involving the use of chemicals.
(5) Other actions in which it is determined by the Administrator, Law Enforcement Assistance Administration; the Director, Bureau of Justice Statistics; or the Director, National Institute of Justice, to be necessary and appropriate.

5. AGENCY PROCEDURES

An environmental coordinator shall be designated in the Bureau of Justice Statistics, the Law Enforcement Assistance Administration, and in the National Institute of Justice. Duties of the environmental coordinator shall include:

(a) Insuring that adequate environmental assessments are prepared at the earliest possible time by applicants on all programs or projects that may have a significant impact on the environment. The assessments shall contain documentation from independent parties with expertise in the particular environmental matter when deemed appropriate. The coordinator shall return assessments that are found to be inadequate.

(b) Reviewing the environmental assessments and determining whether an Environmental Impact Statement is required or preparing a ‘‘Finding of No Significant Impact.’’

(c) Coordinating the efforts for the preparation of an Environmental Impact Statement consistent with the requirements of 40 CFR part 1502.

(d) Cooperating and coordinating efforts with other Federal agencies.

(e) Providing for agency training on environmental matters.

6. COMPLIANCE WITH OTHER ENVIRONMENTAL STATUTES

To the extent possible an environmental assessment, as well as an environmental impact statement, shall include information necessary to assure compliance with the following:

7. ACTIONS PLANNED BY PRIVATE APPLICANTS OR OTHER NON-FEDERAL ENTITIES

Where actions are planned by private applicants or other non-Federal entities before Federal involvement:

(a) The Policy and Management Planning Staff, Office of Criminal Justice Programs, LEAA, Room 1156B, 633 Indiana Ave., Washington, DC 20531, Telephone: 202/724–7659, will be available to advise potential applicants of studies or other information foreseeably required for later Federal action;

(b) OJARS will consult early with appropriate State and local agencies and with interested private persons and organizations when its own involvement is reasonably foreseeable;

(c) OJARS will commence its NEPA process at the earliest possible time (Ref. §1501.2(d) CEQ Regulations).

8. SUPPLEMENTING AN EIS

If it is necessary to prepare a supplement to a draft or a final EIS, the supplement shall be introduced into the administrative record pertaining to the project. (Ref. §1502.9(c)(3) CEQ Regulations).

9. AVAILABILITY OF INFORMATION

Information regarding status reports on EIS’s and other elements of the NEPA process and policies of the agencies can be obtained from: Policy and Management Planning Staff, Office of Criminal Justice Programs, LEAA, Room 1156B, 633 Indiana Avenue, Washington, DC 20531, Telephone: 202/724–7659.
APPENDIX E TO PART 61—UNITED STATES MARSHALS SERVICE PROC-EDURES RELATING TO THE IMPLEMENTATION OF THE NATIONAL ENVIRONMENTAL POLICY ACT

1. AUTHORITY

2. PURPOSE

These provisions supplement existing DOJ and CEQ regulations and outline internal USMS procedures to ensure compliance with NEPA. Through these provisions, the USMS shall promote the environment by minimizing the use of natural resources, and by improving planning and decision-making processes to avoid excess pollution and environmental degradation.

The USMS’ Environmental Assessments (EAs) and Environmental Impact Statements (EISs) should be as concise as possible and EISs should be limited to approximately 150 pages in normal circumstances or 300 pages for proposals of unusual scope or complexity. The USMS shall, whenever possible, jointly prepare documents with State and local governments and, when appropriate, avoid duplicative work by adopting, or incorporating by reference, existing USMS and other agencies’ analyses and documentation.

In developing an EA or EIS, the USMS shall comply with CEQ regulations, observing that EAs and EISs should (1) be analytic, rather than encyclopedic, (2) be written in plain language, (3) follow a clear, standard format in accordance with CEQ regulations, (4) follow a scoping process to distinguish the significant issues from the insignificant issues, (5) include a brief summary, (6) emphasize the more useful sections of the document, such as the discussions of alternatives and their environmental consequences, while minimizing the discussion of less useful background information, (7) scrutinize existing NEPA documentation for relevant analyses of programs, policies, or other proposals that guide future action to eliminate repetition, (8) where appropriate, incorporate material by reference, with citations and brief descriptions, to avoid excessive length, and (9) integrate NEPA requirements with other environmental review and consultation requirements mandated by law, Executive Order, Department of Justice policy, or USMS policy. When preparing an EA or EIS, the USMS shall request comments to be as specific as possible.

To ensure compliance with NEPA, the USMS shall make efforts to prevent and reduce delay. The USMS will follow the procedures outlined in the CEQ regulations including, (1) Integrating the NEPA process in the early stages of planning to ensure that decisions reflect environmental values, and to head off potential conflicts and/or delays, (2) emphasizing inter-agency cooperation before the environmental analysis and documentation is prepared, (3) ensuring the swift and fair resolution of any dispute over the designation of the lead agency, (4) employing the scoping process to distinguish the significant issues requiring consideration in the NEPA analysis, (5) setting deadlines for the NEPA process as appropriate for individual proposed actions, (6) initiating the NEPA analysis as early as possible to coincide with the agency’s consideration of a proposal by another party, and (7) using accelerated procedures, as described in the CEQ regulations, for legislative proposals.

3. AGENCY DESCRIPTION

The USMS is a Federal law enforcement agency. The agency performs numerous law enforcement activities, including judicial security, warrant investigations, witness protection, custody of individuals arrested by Federal agencies, prisoner transportation, management of seized assets, and other law enforcement missions.

4. TYPICAL CLASSES OF USMS ACTIONS

(a) The general types of proposed actions and projects that the USMS undertakes are as follows:

(1) Operational concepts and programs, including logistics procurement, personnel assignment, real property and facility management, and environmental programs.
(2) Transfers or disposal of equipment or property.
(3) Leases or entitlement for use, including donation or exchange.
(4) Federal contracts, actions, or agreements for detentions services. A detention facility may be a facility (A) owned and/or operated by a contractor, or (B) owned and/or operated by a State or local government, and
(5) General law enforcement activities that are exempt from NEPA analysis under CEQ regulation 40 CFR 1508.18 that involve bringing judicial, administrative, civil, or criminal enforcement actions.

(b) Scope of Analysis.

(1) Some USMS projects, contracts, and agreements may propose a USMS action that
is one component of a larger project involving a private action or an action by a local or State government. The USMS’ NEPA analysis and document (e.g., the EA or EIS) shall address the USMS activity and those portions of the entire project over which the USMS has sufficient control and responsibility to warrant Federal review.

(2) The USMS has control and responsibility for portions of a project beyond the limits of USMS jurisdiction where the environmental consequences of the larger project are essentially products of USMS specific action. This control turns an otherwise non-Federal project into a Federal action.

(3) Sufficient control and responsibility for a facility is a site-specific determination based on the extent to which an entire project will be within the agency’s jurisdiction and on other factors that determine the extent of Federal control and responsibility. For example, for construction of a facility, other factors would include, but not be limited to, the length of the contract for construction or use of the facility, the extent of government control and funding in the construction or use of the facility, whether the facility is being built solely for Federal requirements, the extent to which the costs of construction or use will be paid with Federal funds, the extent to which the facility will be used for non-Federal purposes, and whether the project should proceed without USMS action.

(4) Some USMS projects, contracts, and agreements may propose a USMS action that is one component of a larger project involving actions by other Federal agencies. Federal control and responsibility determines whether the total Federal involvement of the USMS and other Federal agencies is sufficient to grant legal control over additional portions of the project. NEPA review would be extended to an entire project when the environmental consequences of the additional portions of the project are essentially products of Federal financing, assistance, direction, regulation, or approval. The USMS shall contact the other Federal agencies involved in the action to determine their respective roles (i.e., whether to be a lead or cooperating agency).

(5) Once the scope of analysis has been defined, the NEPA analysis for an action should include direct, indirect, and cumulative impacts of all Federal proposals within the purview of NEPA. Whenever practicable, the USMS can incorporate by reference, and rely upon, the environmental analyzes and reviews of other Federal, tribal, State, and local agencies.

5. ENVIRONMENTAL IMPACT STATEMENT (EIS)

(a) An EIS is a document required of Federal agencies for proposals significantly affecting the quality of the human environment. EIS describes the positive and negative effects of the proposed action and any reasonable alternatives. A Notice of Intent (NOI) will be published in the Federal Register as soon as practicable after a decision to prepare an EIS is made and before the scoping process is initiated. An EIS shall describe how alternatives considered in it, and the decisions based on it, will or will not achieve the goals of NEPA to prevent damage to the environment and promote human health. Additionally, an EIS shall describe how the USMS will comply with relevant environmental laws and policies. The format and content of an EIS are set out at 40 CFR part 1502. The USMS may prepare an EIS without prior preparation of an EA.

(b) A Record of Decision (ROD) will be prepared at the time a decision is made regarding a proposal that is analyzed and documented in an EIS. The ROD will state the decision, discuss the alternatives considered, and state whether all alternative practicable means to avoid or minimize environmental harms have been adopted, or if not, why they were not adopted. Where applicable, the ROD will also describe and adopt a monitoring and enforcement program for any mitigation.

(c) Actions that normally require preparing an EIS include:

(1) USMS actions that are likely to have a significant environmental impact on the human environment, or

(2) Construction of a major facility on a previously undisturbed site.

6. ENVIRONMENTAL ASSESSMENT (EA)

(a) An EA is a concise public document that is prepared for actions that do not normally require preparation of an EIS, but do not meet the requirements of a Categorical Exclusion (CE). An EA serves to briefly provide sufficient evidence and analysis for determining whether to prepare an EIS or a Finding of No Significant Impact (FONSI). A FONSI aids in complying with NEPA when an EIS is not necessary, and facilitate preparation of an EIS when one is required. The EA results in either a determination that a proposed action may have a significant impact on the human environment, and therefore, requires further study in an EIS, or the issuance of a FONSI. The contents of an EA are described at 40 CFR 1508.9.

(b) A FONSI will include the EA or a summary of the EA. The FONSI will be prepared and made available to the public through means described in paragraph 9 of this Appendix, including publication in local newspapers and in the Federal Register for matters of national concern. The FONSI will be available for review and comment for 30 days prior to signature and the initiation of the action, unless special circumstances warrant reducing the public comment period to
15 days. Implementing the action can proceed after consideration of public comments and the decision-maker signs the FONSI.

(c) Actions that normally require preparation of an EA include:
(1) Proposals to conduct an expansion of an existing facility,
(2) Awarding a contract or entering into an agreement for new construction at a previously developed site, or an expansion of an existing facility, or
(3) Projects or other proposed actions that are activities described in categorical exclusions, but do not qualify for a categorical exclusion because they involve extraordinary circumstances.

7. CATEGORICAL EXCLUSIONS (CE)

(a) CEs are certain categories of activities determined not to have individual or cumulative significant effects on the human environment, and absent extraordinary circumstances, are excluded from preparation of an EA, or EIS, under NEPA. Using CEs for such activities reduces unnecessary paperwork and delay. Such activities are not excluded from compliance with other applicable local, State, or Federal environmental laws.

(b) Extraordinary circumstances must be considered before relying upon a CE to determine whether the proposed action may have a significant environmental effect. Any of the following circumstances preclude the use of a CE:
(1) The project may have effects on the quality of the environment that are likely to be highly controversial;
(2) The scope or size of the project is greater than normally experienced for a particular action described in subsection (c) below;
(3) There is potential for degradation, even if slight, of already-existing poor environmental conditions;
(4) A degrading influence, activity, or effect is initiated in an area not already significantly modified from its natural condition;
(5) There is a potential for adverse effects on areas of critical environmental concern or other protected resources including, but not limited to, threatened or endangered species or their habitats, significant archaeological materials, prime or unique agricultural lands, wetlands, coastal zones, sole source aquifers, 100-year-old flood plains, places listed, proposed, or eligible for listing on the National Register of Historic Places, natural landmarks listed, proposed, or eligible for listing on the National Registry of Natural Landmarks, Wilderness Areas or wilderness study areas, or Wild and Scenic River areas; or
(6) Possible significant direct, indirect, or cumulative environmental impacts exist.

(c) Actions that normally qualify for a CE include:
(1) Minor renovations or repairs within an existing facility, unless the project would adversely affect a structure listed in the National Register of Historic Places or is eligible for listing in the register,
(2) Facility expansion, or construction of a limited addition to an existing structure, or facility, and new construction or reconstruction of a small facility on a previously developed site. The exclusion applies only if:
   (i) The structure and proposed use comply with local planning and zoning and any applicable State or Federal requirements; and
   (ii) The site and the scale of construction are consistent with those of existing adjacent or nearby buildings;
(3) Security upgrades of existing facility grounds and perimeter fences, not including such upgrades as adding lethal fences or major increases in height or lighting of a perimeter fence in a residential area or other area sensitive to the visual impacts resulting from height or lighting changes;
(4) Federal contracts or agreements for detentions services, including actions such as procuring guards for detention services or leasing bed space (which may include operational costs) from an existing facility operated by a State or a local government or a private correctional corporation;
(5) General administrative activities that involve a limited commitment of resources, such as personnel actions or policy related to personnel issues, organizational changes, procurement of office supplies and systems, and commitment or reallocation of funds for previously reviewed and approved programs or activities;
(6) Change in contractor or Federal operators at an existing contractor-operated correctional or detention facility;
(7) Transferring, leasing, maintaining, acquiring, or disposing of interests in land where there is no change in the current scope and intensity of USMS activities, including management and disposal of seized assets pursuant to Federal laws;
(8) Transferring, leasing, maintaining, acquiring, or disposing of equipment, personal property, or vessels that do not increase the current scope and intensity of USMS activities, including management and disposal of seized assets pursuant to Federal forfeiture laws;
(9) Routine procurement of goods and services to support operations and infrastructure that are conducted in accordance with Department of Justice energy efficiency policies and applicable Executive Orders, such as E.O. 13148;
(10) Routine transportation of prisoners or detainees between facilities and flying activities in compliance with Federal Aviation Administration Regulations, only applicable
where the activity is in accordance with normal flight patterns and elevations for the facility and where the flight patterns/elevations have been addressed in an installation master plan or other planning document that has been the subject of a NEPA review, and
(11) Lease extensions, renewals, or succeeding leases where there is no change in the intensity of the facility’s use.

3. Responsibilities
(a) The Director of the USMS, in conjunction with the Senior Environmental Advisor, possesses authority over the USMS NEPA compliance.
(b) The Senior Environmental Advisor’s duties include:
(1) Advising the Director or other USMS decisionmakers on USMS NEPA procedures and compliance.
(2) Supervising the Environmental Coordinator.
(3) Acting as NEPA liaison to CEQ for the Director and other USMS decisionmakers on important decisions outside the authority of the Environmental Coordinator.
(4) Consulting with CEQ regarding alternative NEPA procedures requiring the preparation of an EIS in emergency situations, and
(5) Consulting with CEQ and officials of other Federal agencies to settle agency disputes over the NEPA process, including designating lead and cooperating agencies.
(c) The USMS Environmental Coordinator will act as the agency’s NEPA contact, and will be responsible for:
(1) Ensuring that adequate EAs and EISs are prepared at the earliest possible time, ensuring that decisions are made in accordance with the general policies and purposes of NEPA, verifying information provided by applicants, evaluating environmental effects; assuring that, when appropriate, EAs and EISs contain documentation from independent parties with expertise in particular environmental matters, taking responsibility for the scope and content of EAs prepared by applicants, and returning EAs and EISs that are found to be inadequate,
(2) Ensuring that the USMS conducts an independent evaluation, and where appropriate, prepares a FONSI, a NOI, and/or a ROD,
(3) Coordinating the efforts for preparation of an EIS consistent with the requirements of the CEQ regulations at 40 CFR part 1500-1508,
(4) Coordinating and preparing planning efforts with other Federal agencies, and
(5) Providing for agency training on environmental matters.
(d) The agency shall ensure compliance with NEPA for cases where actions are planned by private applicants or other non-Federal entities before Federal involvement.

The USMS, through the Environmental Coordinator shall:
(1) Identify types of actions initiated by private parties, State and local agencies and other non-Federal entities for which agency involvement is reasonably foreseeable,
(2) Provide (A) full public notice that agency advice on such matters is available, (B) detailed written publications containing that advice, and (C) early consultation in cases where agency involvement is reasonably foreseeable, and
(3) Consult early with appropriate Indian tribes, State and local agencies, and interested private persons and organizations on those projects in which the USMS involvement is reasonably foreseeable.
(e) To assist in ensuring that all Federal agencies’ decisions are made in accordance with the general policies and purposes of NEPA, the USMS, through the Environmental Coordinator shall:
(1) Comment within the specified time period on other Federal agencies’ EISs, where the USMS has jurisdiction by law regarding a project, and make such comments as specific as possible with regard to adequacy of the document, the merits of the alternatives, or both.
(2) Where the USMS is the lead agency on a project, cooperate with any other Federal agencies and supervise the development of and retain responsibility for the EIS,
(3) Where the USMS is a cooperating agency on a project, coordinate with other Federal agencies acting as lead agency through information sharing and staff support,
(4) Independently evaluate, provide guidance on, and take responsibility for scope and contents of NEPA analyses performed by contractors or applicants used by USMS. When the USMS is the lead agency, USMS will choose the contractor to prepare an EIS, require the contractor to execute a disclosure statement stating that the contractor has no financial or other interest in the outcome of the project, and participate in the preparation of the EIS by providing guidance and an independent evaluation prior to approval,
(5) Consider alternatives to a proposed action where it involves unresolved conflicts concerning available resources. The USMS shall make available to the public, prior to a final decision, any NEPA documents and additional decision documents, or parts thereof, addressing alternatives,
(6) Conduct appropriate NEPA procedures for the proposed action as early as possible for consideration by the appropriate decision-maker, and ensure that all relevant environmental documents, comments, and responses accompany the proposal through the agency review process for the final decision,
(7) Include, as part of the administrative record, relevant environmental documents,
comments, and responses in formal rulemaking or adjudicatory proceedings, and
(b) Where emergency circumstances require taking action that will result in a significant environmental impact, contact CEQ via the USMS Senior Environmental Advisor for consultation on alternative arrangements, which will be limited to those necessary to control the immediate impacts of the emergency.

9. PUBLIC INVOLVEMENT
(a) In accordance with NEPA and CEQ regulations and to ensure public involvement in decision-making regarding environmental impact on local communities, the USMS shall also engage in the following procedures during its NEPA process:
(1) When preparing an EA, EIS, or FONSI, USMS personnel in charge of preparing the document will invite comment from affected Federal, tribal, State, local agencies, and other interested persons, as early as the scoping process;
(2) The USMS will disseminate information to potentially interested or affected parties, such as local communities and Indian tribes, through such means as news releases to various local media, announcements to local citizens groups, public hearings, and posted signs near the affected area;
(3) The USMS will mail notice to those individuals or groups who have requested one on a specific action or similar actions;
(4) For matters of national concern, the USMS will publish notification in the Federal Register, and will send notification by mail to national organizations reasonably expected to be interested;
(5) If a decision is made to develop an EIS, the USMS will publish a NOI in the Federal Register as soon as possible;
(6) The personnel in charge of preparing the NEPA analysis and documentation will invite public comment and maintain two-way communication channels throughout the NEPA process, provide explanations of where interested parties can obtain information on status reports of the NEPA process and other relevant documents, and keep all public affairs officers informed;
(7) The USMS will establish a Web site to keep the public informed; and
(8) During the NEPA process, responsible personnel will consult with local government and tribal officials, leaders of citizen groups, and members of identifiable population segments within the potentially affected environment, such as farmers and ranchers, homeowners, small business owners, minority and disadvantaged communities, and tribal members.

10. SCOPING
Prior to starting the NEPA analysis, USMS personnel responsible for preparing either an EA or EIS, shall engage in an early scoping process to identify the significant issues to be examined in depth, and to identify and eliminate from detailed study those issues which are not significant or which have been adequately addressed by prior environmental review. The scoping process should identify any other environmental analyses being conducted relevant to the proposed action, address timing and set time limits with respect to the NEPA process, set page limits, designate respective responsibilities among the lead and cooperating agencies, identify any other environmental review and consultation requirements to allow for integration with the NEPA analysis, and hold an early scoping meeting that may be integrated with other initial planning meetings.

11. MITIGATION AND MONITORING
USMS personnel, who are responsible for preparing NEPA analyses and documents, will consider mitigation measures to avoid or minimize environmental harm. EAs and EISs will consider reasonable mitigation measures relevant to the proposed action and alternatives. Paragraph 5(b) of this Appendix describes the requirements for documenting mitigation measures in a ROD.

12. SUPPLEMENTING AN EA OR EIS
When substantial changes are made to a proposed action that is relevant to environmental concerns, a supplement will be prepared for an EA or a draft or a final EIS. A supplement will also be prepared when significant new circumstances arise or new relevant information surfaces concerning and bearing upon the proposed action or its impacts. Any necessary supplement shall be processed in the same way as an original EA or EIS, with the exception that new scoping is not required. Any supplement shall be added to the formal administrative record, if such record exists.

13. COMPLIANCE WITH OTHER ENVIRONMENTAL STATUTES
To the extent practicable, a NEPA document shall include information necessary to assure compliance with all applicable environmental statutes.

PART 63—FLOODPLAIN MANAGEMENT AND WETLAND PROTECTION PROCEDURES

Sec. 63.1 Purpose.
63.2 Policy.
63.3 References.
63.4 Definitions.
§ 63.1 Purpose.

These guidelines set forth procedures to be followed by the Department of Justice to implement Executive Order 11988 (Floodplain Management) and Executive Order 11990 (Protection of Wetlands). (The Orders.)

§ 63.2 Policy.

(a) It is the Department of Justice’s policy to avoid to the extent possible the long and short term adverse impacts associated with the destruction or modification of wetlands and floodplains and to avoid direct or indirect support of new construction in floodplains and wetlands whenever there is a practicable alternative. The Department will provide leadership and take affirmative action to carry out the Orders.

(b) It is the Department of Justice’s intention to integrate these procedures with those required under statutes protecting the environment, such as the National Environmental Policy Act (NEPA). Whenever possible, the procedures detailed herein should be coordinated with other required documents, such as the environmental impact statement (EIS) or environmental assessment required under NEPA, so that unnecessary paperwork can be eliminated.

§ 63.3 References.

(a) Unified National Program for Floodplain Management, Water Resources Council, which is incorporated in these guidelines.

(c) National Flood Insurance Act of 1968, as amended (42 U.S.C. 4001 et seq.) and NFIP criteria (44 CFR part 59 et seq.).

§ 63.4 Definitions.

Throughout this part, the following basic definitions shall apply:

(a) Action—any Federal activity including:

(1) Acquiring, managing and disposing of Federal lands and facilities;

(2) Providing federally undertaken, financed, or assisted construction and improvements; and

(3) Conducting Federal activities and program affecting land use, including but not limited to water and related land resources planning, regulating, and licensing activities.

(b) Agency—an executive department, a government corporation, or an independent establishment and includes the military departments.

(c) Base flood—that flood which has a one percent chance of occurrence in any given year (also known as a 100-year flood). (This term is used in the National Flood Insurance Program (NFIP) to indicate the minimum level of flooding to be used by a community in its floodplain management regulations.)

(d) Base floodplain—the 100-year floodplain (one percent chance floodplain). Also see definition of floodplain.

(e) Channel—a natural or artificial watercourse of perceptible extent, with a definite bed and banks to confine and conduct continuously or periodically flowing water.

(f) Critical action—any activity for which even a slight chance of flooding would be too great.

(g) Facility—any man-made or man-placed item other than a structure.

(h) Flood or flooding—a general and temporary condition of partial or complete inundation of normally dry land areas from the overflow of inland and/or tidal waters, and/or the usual and rapid accumulation or runoff of surface waters from any source.

(i) Flood fringe—that portion of the floodplain outside of the regulatory floodway (often referred to as “floodway fringe”).
(j) Floodplain—the lowland and relatively flat areas adjoining inland and coastal waters including flood prone areas of offshore islands, including at a minimum, that area subject to a one percent or greater chance of flooding in any given year. The base floodplain shall be used to designate the 100-year floodplain (one percent chance floodplain). The critical action floodplain is defined as the 500-year floodplain (0.2 percent chance floodplain).

(k) Floodproofing—the modification of individual structures and facilities, their sites, and their contents to protect against structural failure, to keep water out or to reduce effects of water entry.

(l) Minimize—to reduce to the smallest possible amount or degree.

(m) One percent chance flood—the flood having one chance in 100 of being exceeded in any one-year period (a large flood). The likelihood of exceeding this magnitude increases in a time period longer than one year. For example, there are two chances in three of a larger flood exceeding the one percent chance flood in a 100-year period.

(n) Practicable—capable of being done within existing constraints. The test of what is practicable depends upon the situation and includes consideration of the pertinent factors, such as environment, cost or technology.

(o) Preserve—to prevent modification to the natural floodplain environment or to maintain it as closely as possible to its natural state.

(p) Regulatory floodway—the area regulated by Federal, State or local requirements; the channel of a river or other watercourse and the adjacent land areas that must be reserved in an open manner, i.e., unconfined or unobstructed either horizontally or vertically, to provide for the discharge of the base flood so the cumulative increase in water surface elevation is no more than a designated amount (not to exceed one foot as set by the NFIP).

(q) Restore—to re-establish a setting or environment in which the natural functions of the floodplain can again operate.

(r) Structures—walled or roofed buildings, including mobile homes and gas or liquid storage tanks that are primarily above ground (as set by the NFIP).

(s) Wetlands—“those areas that are inundated by surface or ground water with a frequency sufficient to support and under normal circumstances does or would support a prevalence of vegetation or aquatic life that requires saturated or seasonally saturated soil conditions for growth and reproduction. Wetlands generally include swamps, marshes, bogs, and similar areas such as sloughs, potholes, wet meadows, river overflows, mud flats, and natural ponds” (as defined in Executive Order 11990 (Protection of Wetlands)).

§ 63.5 Responsibilities.

(a) The Assistant Attorney General, Land and Natural Resources Division,

(1) Has overall responsibility for ensuring that the Department’s responsibilities for complying with the Orders are carried out,

(2) Will ensure that the Water Resources Council, the Council on Environmental Quality, and the Federal Insurance Agency (FIA) are kept informed of the Department’s execution of the Orders, as necessary, and

(3) Will determine, and revise on a continuing basis, which components of the Department should take further steps, such as the promulgation of program specific procedures, to comply with the Orders. Considerations for making this selection are whether a component:

(i) Acquires, manages, and disposes of federal lands and facilities;

(ii) Provides federally undertaken, financed or assisted construction and improvements;

(iii) Conducts federal activities and programs affecting land use, including but not limited to water and related land resources planning, regulating, and licensing activities;

(iv) Reviews and approves component procedures for complying with the Orders;

(b) The heads of offices, boards, bureaus and divisions,

(1) Are responsible for preparing program specific guidelines or procedures, where necessary, to comply with the Orders and for updating these procedures, as required,
(2) Will maintain general supervision over any new construction planning within the office, board, bureau, or division to see that the policy considerations and procedural requirements contained herein are followed in the planning process.

(3) Will furnish, with all requests for new authorizations or appropriations for proposals to be located in floodplains or wetlands, a statement that the proposal is in accord with the Orders.

(4) Will provide information to applicants for licenses, permits, loans or grants in areas in which floodplain and wetland requirements may have to be met.

(5) Will provide conspicuous notice of past flood damage and potential flood hazard on structures under the component’s control and used by the general public, and

(6) If responsible for granting a lease, an easement, or right-of-way, or for disposing of federal property in a floodplain or wetland to nonfederal public or private parties, will, unless otherwise directed by law.

(i) Reference uses in the conveyance that are restricted under identified Federal, State or local floodplain regulations; and

(ii) Attach other appropriate restrictions; or

(iii) Refuse to convey.

§ 63.6 Procedures.

Prior to taking any action, as defined in §63.4(a) of this part, an office, board, bureau or division shall:

(a) Determine whether the proposed action is located in a wetland and/or the 100-year floodplain (or the 500-year floodplain for critical actions) and determine whether the proposed action has the potential to affect or be affected by a floodplain or wetland. The determination concerning location in a floodplain or wetland shall be performed in accordance with §63.7 of this part. For actions which are in both a floodplain and wetland, the wetland should be considered as one of the natural and beneficial values of the floodplain.

(b) Notify the public at the earliest possible time of the intent to carry out the action affecting or affected by a floodplain or wetland, and involve the broadest affected and interested public in the decisionmaking process. At a minimum, all notices shall be published in the newspaper serving the project area that has the widest circulation and shall be distributed through the A-95 review process if subject to that process. In addition, notices of actions shall be published in the Federal Register, if so required by the Assistant Attorney General, Land and Natural Resources Division, or by law. For certain actions, notice may entail other audiences and means of distribution. All actions shall be reviewed according to the following criteria to determine the appropriate audience for and means of notification beyond those required above: Scale of action, potential for controversy, degree of public need for the action, number of affected persons, and anticipated potential impacts. Each notice shall include the following: A statement of the purpose of and a description of the proposed action, a map of the general area clearly delineating the action’s locale and its relationship to its environs, a statement that it has been determined to be located in or that it affects a floodplain or wetland, a statement of intent to avoid the floodplain or wetland where practicable, and to mitigate impacts where avoidance cannot be achieved, and identification of the responsible official for receipt of comments and for further information.

(c) Identify and evaluate practicable alternatives to locating in a floodplain or wetland (including alternative sites outside the floodplain or wetland; alternative actions which serve essentially the same purpose as the proposed action, but which have less potential to adversely affect the floodplain or wetland; and the “no action” option). The following factors shall be analyzed in determining the practicability of alternatives: Natural environment (topography, habitat, hazards, etc.); social concerns (aesthetics, historical and cultural values, land use patterns, etc.); economic aspects (costs of space, construction, services, and relocation); and legal constraints (deeds, leases, etc.). The component shall not locate the proposed action in the base floodplain (500-year floodplain for critical
actions) or in a wetland if a practicable alternative exists outside the base floodplain (500-year floodplain for critical actions) or wetland.

(d) Identify the full range of potential direct or indirect adverse impacts associated with the occupancy and modification of floodplains and wetlands and the direct and indirect support of floodplain and wetland development that could result from the proposed action. Flood hazard-related factors shall be analyzed for all actions. These include, for example, the following: Depth, velocity and rate of rise of flood water; duration of flooding, high hazard areas (riverine and coastal); available warning and evacuation time and routes; effects of special problems, e.g., levees and other protection works, erosion, subsidence, sink holes, ice jams, combinations of flood sources, etc. Natural values-related factors, shall be analyzed for all actions. These include, for example, the following: water resource values (natural moderation of floods, water quality maintenance, and ground water recharge); living resource values (fish and wildlife and biological productivity); cultural resource values (archaeological and historic sites, and open space for recreation and green belts); and agricultural, aquacultural and forestry resource values. Factors relevant to a proposed action’s effects on the survival and quality of wetlands, shall be analyzed for all actions. These include, for example, the following: Public health, safety, and welfare, including water supply, quality, recharge and discharge; pollution; flood and storm hazards, sediment and erosion; maintenance of natural systems, including conservation and long term productivity of existing flora and fauna, species and habitat diversity and stability, hydrologic utility, fish, wildlife, timber, and food and fiber resources; and other uses of wetlands in the public interest, including recreational, scientific, and cultural uses.

(e) Where avoidance of floodplains or wetlands cannot be achieved, design or modify its actions so as to minimize harm to or within the floodplain, minimize the destruction, loss or degradation of wetlands, restore and preserve natural and beneficial floodplain values, and preserve and enhance natural and beneficial wetland values. The component shall minimize potential harm to lives and property from the 100-year flood (500-year flood for critical actions), minimize potential adverse impacts the action may have on others, and minimize potential adverse impacts the action may have on floodplain and wetland values. Minimization of harm to property shall be performed in accord with the standards and criteria set out at 44 CFR part 59 et seq., (formerly 24 CFR part 1901 et seq.), substituting the 500-year standard for critical actions and, where practicable, elevating structures on open works—walls, columns, piers, piles, etc.—rather than on fill. Minimization of harm to lives shall include, but not be limited to, the provision for warning and evacuation procedures for all projects and shall emphasize adequacy of warning time and access and egress routes.

(f) Re-evaluate the proposed action to determine, first, if it is still practicable in light of its exposure to flood hazards and its potential to disrupt floodplain and wetland values and, second, if alternatives rejected at paragraph (c) of this section are practicable, in light of the information gained in paragraphs (d) and (e) of this section. Unless required by law, the proposed action shall not be located in a floodplain or wetland unless the importance of the floodplain or wetland site clearly outweighs the requirements of E.O. 11988 and E.O. 11990 to avoid direct or indirect support of floodplain and wetland development; reduce the risk of flood loss; minimize the impact of floods on human safety, health and welfare; restore and preserve floodplain values; and minimize the destruction, loss or degradation of wetlands. In addition, where there are no practicable alternative sites and actions, and where the potential adverse effects of using the floodplain or wetland site cannot be minimized, no action shall be taken, unless required by law.

(g) Prepare, and circulate a finding and public explanation of any final decision that there is no practicable alternative to locating an action in, or affecting a floodplain or wetland. The
same audience and means of distribution used in paragraph (b) of this section, shall be used to circulate this finding. The finding shall include the following: the reasons why the action is proposed to be located in a floodplain or wetland, a statement indicating whether the action conforms to applicable State or local floodplain management standards, a list of alternatives considered, and a map of the general area clearly delineating the project locale and its relationship to its environs. A brief comment period on the finding shall be provided wherever practicable prior to taking any action.

(h) Review the implementation and post implementation phase of the proposed action to ensure that the provisions of paragraph (e) of this section, are fully implemented. This responsibility shall be fully integrated into existing review, audit, field oversight and other monitoring processes, and additional procedures shall be prepared where existing procedures may be inadequate to ensure that the Orders' goals are met.

§ 63.7 Determination of location.

(a) In order to determine whether an action is located on or affects a floodplain, the component shall:

(1) Consult the FIA Flood Insurance Rate Map (FIRM) and the Flood Insurance Study (FIS); or

(2) If a detailed map (FIRM) is not available, consult an FIA Flood Hazard Boundary Map (FHBM); or

(3) If data on flood elevations, floodways, or coastal high hazard areas are needed, or if none of the maps delineates the flood hazard boundaries in the vicinity of the proposed site, seek detailed information and assistance as necessary and appropriate from the Department of Agriculture’s Soil Conservation Service, the Army Corps of Engineers, the National Oceanic and Atmospheric Administration, the Federal Emergency Management Agency’s Regional Offices/Division of Insurance and Hazard Mitigation, the Department of the Interior’s Geological Survey, Bureau of Land Management, and Bureau of Reclamation, the Tennessee Valley Authority, the Delaware River Basin Commission, the Susquehanna River Basin Commission, individual states and/or land administering agencies; or

(4) If the sources listed above do not have or know of the information necessary to comply with the Orders' requirements, seek, as permitted by law, the services of a federal or other engineer experienced in this work to

(i) Locate the site and the limits of the coastal high hazard area, floodway and of the applicable floodplain, and

(ii) Determine base flood elevations.

(b) In the absence of a finding to the contrary, the component shall assume that action involving a facility or structure that has been flooded in a major disaster or emergency is in the applicable floodplain for the site of the proposed action.

(c) In order to determine whether an action is located on or affects a wetland, the component shall:

(1) Consult with the United States Fish and Wildlife Service (FWS) for information concerning the location, scale and type of wetlands within the area which could be affected by the proposed action; or

(2) If the FWS does not have adequate information upon which to base the determination, consult wetland inventories maintained by the Army Corps of Engineers, the Environmental Protection Agency, various states, communities and others; or

(3) If state or other sources do not have adequate information upon which to base the determination, insure that an on-site analysis is performed by a representative of the FWS or other qualified individual for wetlands characteristics based on the performance definition of what constitutes a wetland.

§ 63.8 Implementation.

Agencies and divisions within the Department of Justice shall amend existing regulations and procedures, as appropriate, to incorporate the policy and procedures set forth in these guidelines. Such amendments will be made within 6 months of final publication of these guidelines.
§ 63.9 Exception.

Nothing in these guidelines shall apply to assistance provided for emergency work essential to save lives and protect property and public health and safety performed pursuant to sections 305 and 306 of the Disaster Relief Act of 1974 (88 Stat. 146, 42 U.S.C. 5145 and 5146).

PART 64—DESIGNATION OF OFFICERS AND EMPLOYEES OF THE UNITED STATES FOR COVERAGE UNDER SECTION 1114 OF TITLE 18 OF THE U.S. CODE

Sec. 64.1 Purpose.

This regulation designates categories of federal officers and employees in addition to those already designated by the statute, who will be within the protective coverage of 18 U.S.C. 1114, which prohibits the killing or attempted killing of such designated officers and employees. § 65.41 Review of State applications.

(a) Review criteria. The Act provides the basis for review and approval or disapproval of state applications. Federal law enforcement assistance may be provided if such assistance is necessary to provide an adequate response to a law enforcement emergency. In determining whether to approve or disapprove an application for assistance under this section, the Attorney General shall consider:

(b) Review process. (1) The Attorney General shall consult with the Assistant Attorney General, Office of Justice Programs, and the Director, Bureau of Justice Assistance, on requests for grant assistance.

(2) All requests for assistance of the Federal law enforcement community (e.g., equipment, training, information, or personnel) shall be reviewed by the Attorney General in consultation with appropriate members of the Federal law enforcement community, including the United States Attorney(s) in the affected District(s). Such requests will be subject to statutory restrictions, including section 609O on Federal agency activities.

(3) The Attorney General will approve or disapprove each application, submitted in accordance with these regulations, no later than ten (10) days after receipt.

Subpart F—Additional Requirements

§ 65.50 General.

This subpart sets forth additional requirements under the Justice Assistance Act. Applicants for assistance must assure compliance with each of these requirements.

§ 65.51 Recordkeeping.

(a) The state must assure that it adheres to the recordkeeping requirements enumerated in OMB Circulars, Number A–102 and Number A–128. This requirement extends to participating units of local government, in that they are viewed as the state’s subgrantees.

(b) The Attorney General and the Comptroller of the United States shall have access, for the purpose of audit and examination, to any books, documents, and records of recipients of Federal law enforcement assistance provided under this subdivision which, in the opinion of the Attorney General or the Comptroller General, are related to the receipt or use of such assistance.

§ 65.52 Civil rights.

The Act provides that “no person in any state shall on the grounds of race, color, religion, national origin, or sex
be excluded from participation in, be denied the benefits of, or be subjected to discrimination under or denied employment in connection with any programs or activity funded in whole or in part with funds made available under this title.” Recipients of funds under the Act are also subject to the provisions of title VI of the Civil Rights Act of 1964; section 504 of the Rehabilitation Act of 1973, as amended; title IX of the Education Amendments of 1972; the Age Discrimination Act of 1975; and the Department of Justice Non-Discrimination Regulations 28 CFR part 42, subparts C, D, E, and G.

§ 65.80 General.

The regulations of this subpart set forth procedures for implementing section 404(b) of the Immigration and Nationality Act ("INA"), 8 U.S.C. 1101 note, by providing for Presidential determinations of the existence of an immigration emergency, and for payments from the Immigration Emergency Fund or other funding available for such purposes, to State and local governments for assistance provided in meeting an immigration emergency. The regulations of this subpart also establish procedures by which the Attorney General may draw upon the Immigration Emergency Fund, without a Presidential determination that an immigration emergency exists, to provide funding to State and local governments for assistance provided as required by the Attorney General in certain specified circumstances.

§ 65.81 General definitions.

As used in this part:

Assistance means any actions taken by a State or local government directly relating to aiding the Attorney General in the administration of the immigration laws of the United States and in meeting urgent demands arising from the presence of aliens in the State or local government’s jurisdiction, when such actions are taken to assist in meeting an immigration emergency or under any of the circumstances specified in section 404(b)(2)(A) of the INA. Assistance may include, but need not be limited to, the provision of large shelter facilities for the housing and screening of aliens, and, in connection with these activities, the provision of such basic necessities as food, water, clothing, and health care.

Immigration emergency means an actual or imminent influx of aliens which either is of such magnitude or exhibits such other characteristics that effective administration of the immigration laws of the United States is beyond the existing capabilities of the Immigration and Naturalization Service ("INS") in the affected area or areas. Characteristics of an influx of aliens, other than magnitude, which may be considered in determining whether an immigration emergency exists include: the likelihood of continued growth in the magnitude of the influx; an apparent connection between the influx and increases in criminal activity; the actual or imminent imposition of unusual and overwhelming demands on law enforcement agencies; and other similar characteristics.

Other circumstances means a situation that, as determined by the Attorney General, requires the resources of a State or local government to ensure the proper administration of the immigration laws of the United States or to meet urgent demands arising from the presence of aliens in a State or local government’s jurisdiction.

§ 65.82 Procedure for requesting a Presidential determination of an immigration emergency.

(a) The President may make a determination concerning the existence of an immigration emergency after review of a request from either the Attorney General of the United States or the chief executive of a State or local government. Such a request shall include a description of the facts believed to constitute an immigration emergency and the types of assistance needed to meet that emergency. Except when a request is made by the Attorney General, the requestor shall file the original application with the Office of the President and shall file copies of the application with the Attorney General and with the Commissioner of INS.

(b) If the President determines that an immigration emergency exists, the President shall certify that fact to the Judiciary Committees of the House of Representatives and of the Senate.

§ 65.83 Assistance required by the Attorney General.

The Attorney General may request assistance from a State or local government in the administration of the immigration laws of the United States or in meeting urgent demands where the need for assistance arises because of the presence of aliens in that State or local jurisdiction, and may provide funding to a State or local government relating to such assistance from the
Department of Justice

Immigration Emergency Fund or other funding available for such purposes, without a Presidential determination of an immigration emergency, in any of the following circumstances:

(a) An INS district director certifies to the Commissioner of INS, who shall, in turn, certify to the Attorney General, that the number of asylum applications filed in that INS district during the relevant calendar quarter exceeds by at least 1,000 the number of such applications filed in that district during the preceding calendar quarter. For purposes of this paragraph, providing parole at a point of entry in a district shall be deemed to constitute an application for asylum in the district.

(b) The Attorney General determines that there exist circumstances involving the administration of the immigration laws of the United States that endanger the lives, property, safety, or welfare of the residents of a State or locality.

(c) The Attorney General determines that there exist any other circumstances, as defined in §65.81 of this subpart, such that it is appropriate to seek assistance from a State or local government in administering the immigration laws of the United States or in meeting urgent demands arising from the presence of aliens in a State or local jurisdiction.

(d)(1) If, in making a determination pursuant to paragraph (b) or (c) of this section, the Attorney General also determines that the situation involves an actual or imminent mass influx of aliens arriving off the coast or near a land border of the United States and presents urgent circumstances requiring an immediate Federal response, the Attorney General will formally declare that a mass influx of aliens is imminent or occurring. The determination that a mass influx of aliens is imminent or occurring will be based on the factors set forth in the definitions contained in §65.81 of this subpart. The Attorney General will determine and define the time period that encompasses a mass influx of aliens by declaring when such an event begins and when it ends. The Attorney General will initially define the geographic boundaries where the mass influx of aliens is imminent or occurring.

(2) Based on evolving developments in the scope of the event, the Commissioner of the INS may, as necessary, amend and redefine the geographic area defined by the Attorney General to expand or decrease the boundaries. This authority shall not be further delegated.

(3) The Attorney General, pursuant to section 103(a)(8) of the INA, 8 U.S.C. 1103(a)(8), may authorize any State or local law enforcement officer to perform or exercise any of the powers, privileges, or duties conferred or imposed by the Act, or regulations issued thereunder, upon officers or employees of the Service. Such authorization must be with the consent of the head of the department, agency, or establishment under whose jurisdiction the officer is serving.

(4) Authorization for State or local law enforcement officers to exercise Federal immigration law enforcement authority for transporting or guarding aliens in custody may be exercised as necessary beyond the defined geographic boundaries where the mass influx of aliens is imminent or occurring. Otherwise, Federal immigration law enforcement authority to be exercised by State or local law enforcement officers will be authorized only within the defined geographic boundaries where the mass influx of aliens is imminent or occurring.

(5) State or local law enforcement officers will be authorized to exercise Federal immigration law enforcement authority only during the time period prescribed by the Attorney General in conjunction with the initiation and termination of a declared mass influx of aliens.

§65.84 Procedures for the Attorney General when seeking State or local assistance.

(a)(1) When the Attorney General determines to seek assistance from a State or local government under §65.83 of this subpart, or when the President has determined that an immigration emergency exists, the Attorney General shall negotiate the terms and conditions of that assistance with the
§ 65.84

State or local government. The Attorney General shall then execute a written agreement with appropriate State or local officials, which sets forth the terms and conditions of the assistance, including funding. Such written agreements can be reimbursement agreements, grants, or cooperative agreements.

(2) The Commissioner may execute written contingency agreements regarding assistance under § 65.83(d) of this subpart in advance of the Attorney General's determination pursuant to that section. However, such advance agreements shall not authorize State or local law enforcement officers to perform any functions of Service officers or employees under section 103(a)(8) of the INA, 8 U.S.C. 1103(a)(8), until the Attorney General has made the necessary determinations and authorizes such performance. Any such advance agreements shall contain precise activation procedures.

(3) Written agreements regarding assistance under § 65.83(d) of this subpart, including contingency agreements, shall include the following minimum requirements:

(i) A statement of the powers, privileges, or duties that State or local law enforcement officers will be authorized to exercise and the conditions under which they may be exercised;

(ii) A statement of the types of assistance by State or local law enforcement officers for which the Attorney General shall be responsible for reimbursing the relevant parties in accordance with the procedures set forth in paragraph (b) of this section;

(iii) A statement that the relevant State or local law enforcement officers are not authorized to exercise any functions of Service officers or employees under section 103(a)(8) of the INA, 8 U.S.C. 1103(a)(8), until the Attorney General has made a determination pursuant to that section and authorizes such performance;

(iv) A requirement that State or local law enforcement officers cannot exercise any authorized functions of Service officers or employees under section 103(a)(8) of the INA, 8 U.S.C. 1103(a)(8), until they have successfully completed and been certified in a Service-prescribed course of instruction in basic immigration law, immigration law enforcement fundamentals and procedures, civil rights law, and sensitivity and cultural awareness issues;

(v) A description of the duration of the written agreement, and of the authority the Attorney General will confer upon State or local law enforcement officers pursuant to section 103(a)(8) of the INA, 8 U.S.C. 1103(a)(8), along with a provision for amending, terminating, or extending the duration of the written agreement, or for terminating or amending the authority to be conferred pursuant to section 103(a)(8) of the INA, 8 U.S.C. 1103(a)(8);

(vi) A requirement that the exercise of any Service officer functions by State or local law enforcement officers pursuant to section 103(a)(8) of the INA, 8 U.S.C. 1103(a)(8), be at the direction of the Service;

(vii) A requirement that any State or local law enforcement officer performing Service officer or employee functions pursuant to section 103(a)(8) of the INA, 8 U.S.C. 1103(a)(8), must adhere to the policies and standards set forth during the training, including applicable immigration law enforcement standards and procedures, civil rights law, and sensitivity and cultural awareness issues;

(viii) A statement that the authority to perform Service officer or employee functions pursuant to section 103(a)(8) of the INA, 8 U.S.C. 1103(a)(8), does not abrogate or abridge constitutional or civil rights protections;

(ix) A requirement that a complaint reporting and resolution procedure for allegations of misconduct or wrongdoing by State or local officers designated, or activities undertaken, pursuant to section 103(a)(8) of the INA, 8 U.S.C. 1103(a)(8), be in place;

(x) A requirement that a mechanism to record and monitor complaints regarding the immigration enforcement activities of State or local law enforcement officers authorized to enforce immigration laws be in place;

(xi) A listing by position (title and name when available) of the Service officers authorized to provide operational direction to State or local law enforcement officers assisting in a Federal response pursuant to section 103(a)(8) of the INA, 8 U.S.C. 1103(a)(8);
(xii) A requirement that a State or local law enforcement agency maintain records of operational expenditures incurred as a result of supporting the Federal response to a mass influx of aliens;

(xiii) Provisions concerning State or local law enforcement officer use of Federal property or facilities, if any;

(xiv) A requirement that any department, agency, or establishment whose State or local law enforcement officer is performing Service officer or employee functions shall cooperate fully in any Federal investigation related to allegations of misconduct or wrongdoing in conjunction with such functions, or to the written agreement; and

(xv) A procedure by which the appropriate law enforcement agency, department, or establishment will be notified that the Attorney General has made a determination under section 103(a)(8) of the INA, 8 U.S.C. 1103(a)(8), to authorize State or local law enforcement officers to exercise Federal immigration enforcement authority under the provisions of the respective agreements.

(4) The Attorney General may abbreviate or waive any of the training required pursuant to a written agreement regarding assistance under §65.83(d) of this chapter, including contingency agreements, in the event that the number of State or local law enforcement officers available to respond in an expeditious manner to urgent and quickly developing events during a declared mass influx of aliens is insufficient to protect public safety, public health, or national security. Such officers still would be required to adhere to applicable policies and standards of the Immigration and Naturalization Service. The decision to abbreviate or waive these training requirements is at the sole discretion of the Attorney General.

(b) A reimbursement agreement shall contain the procedures under which the State or local government is to obtain reimbursement for its assistance. A reimbursement agreement shall include the title of the official to whom claims are to be submitted, the intervals at which claims are to be submitted, a description of the supporting documentation to be submitted, and any limitations on the total amount of reimbursement that will be provided. Grants and cooperative agreements shall be made and administered in accordance with the uniform procedures in part 66 of this title.

(c) In exigent circumstances, the Attorney General may agree to provide funding to a State or local government without a written agreement. A reimbursement agreement, grant, or cooperative agreement conforming to the specifications in this section shall be reduced to writing as soon as practicable.

§65.85 Procedures for State or local governments applying for funding.

(a) In the event that the chief executive of a State or local government determines that any of the circumstances set forth in §65.83 of this subpart exists, he or she may pursue the procedures in this section to submit to the Attorney General an application for a reimbursement agreement, grant, or cooperative agreement as described in §65.84 of this subpart.

(b) The Department strongly encourages chief executives of States and local governments, if possible, to consult informally with the Attorney General and the Commissioner of INS prior to submitting a formal application. This informal consultation is intended to facilitate discussion of the nature of the assistance to be provided by the State or local government, the requirements of the Attorney General, if any, for such assistance, the costs associated with such assistance, and the Department’s preliminary views on the appropriateness of the proposed funding.

(c) The chief executive of a State or local government shall submit an application in writing to the Attorney General, and shall file a copy with the Commissioner of INS. The application shall set forth in detail the following information:

(1) The name of the jurisdiction requesting reimbursement;

(2) All facts supporting the application;
(3) The nature of the assistance which the State or local government has provided or will provide, as required by the Attorney General, for which funding is requested;
(4) The dollar amount of the funding sought;
(5) A justification for the amount of funding being sought;
(6) The expected duration of the conditions requiring State or local assistance;
(7) Information about whether funding is sought for past costs or for future costs;
(8) The name, address, and telephone number of a contact person from the requesting jurisdiction.

(d) If the Attorney General determines that the assistance for which funding is sought under paragraph (c) of this section is appropriate under the standards of this subpart, the Attorney General may enter into a reimbursement or cooperative agreement or may make a grant in the same manner as if the assistance had been requested by the Attorney General as described under §65.84 of this subpart.

(e) The Attorney General will consider all applications from State or local governments until the Attorney General has obligated funding available for such purposes as determined by the Attorney General. The Attorney General will make a decision with respect to any application submitted under this section that contains the information described in paragraph (c) of this section within 15 calendar days of such application.

(f) In exigent circumstances, the Attorney General may waive the requirements of this section concerning the form, contents, and order of consideration of applications, including the requirement in paragraph (c) of this section that applications be submitted in writing.

§ 68.5 Notice of date, time, and place of hearing.

(a) Generally. The Administrative Law Judge to whom the case is assigned shall notify the parties of a date, time, and place set for hearing thereon or for a prehearing conference, or both within thirty (30) days of receipt of respondent’s answer to the complaint.

(b) Place of hearing. In section 274B cases, pursuant to section 554 of title 5, United States Code, due regard shall be given to the convenience of the parties and the witnesses in selecting a place for a hearing. § 68.6 Service and filing of documents.

(a) Generally. An original and four copies of the complaint shall be filed with the Chief Administrative Hearing Officer. An original and two copies of all other pleadings, including any attachments, shall be filed with the Chief Administrative Hearing Officer by the parties presenting the pleadings until an Administrative Law Judge is assigned to a case. Thereafter, all pleadings shall be delivered or mailed for filing to the Administrative Law Judge assigned to the case, and shall be accompanied by a certification indicating service to all parties of record. When a party is represented by an attorney, service shall be made upon the attorney. Except as required by §68.54(c) and paragraph (c) of this section, service of any document upon any party may be made by personal delivery or by mailing a copy to the last known address. The pleading shall be on standard size (8½ × 11) paper and should also be typewritten when possible.

(b) A complaint filed pursuant to section 274A, 274B, or 274C of the INA shall contain the following:

§ 68.9

[Order No. 2203–99, 64 FR 7074, Feb. 12, 1999]

§ 68.8 Time computations.

(a) Generally. In computing any period of time under these rules or in an order issued hereunder, the time begins with the day following the act, event, or default, and includes the last day of the period unless it is Saturday, Sunday, or legal holiday observed by the Federal Government in which case the time period includes the next business day. When the period of time prescribed is seven (7) days or less, intermediate Saturdays, Sundays, and holidays shall be excluded in the computation.

(b) Computation of time for filing by mail. Pleadings are not deemed filed until received by the Office of the Chief Administrative Hearing Officer or Administrative Law Judge assigned to the case.

(c) Computation of time for service by mail.

(1) Service of all pleadings other than complaints is deemed effective at the time of mailing; and

(2) Whenever a party has the right or is required to take some action within a prescribed period after the service upon such party of a pleading, notice, or other document (other than a complaint or a subpoena) and the pleading, notice, or document is served by ordinary mail, five (5) days shall be added to the prescribed period unless the compliance date is otherwise specified by the Chief Administrative Hearing Officer or the Administrative Law Judge.

§ 68.9 Responsive pleadings—answer.

(a) Time for answer. Within thirty (30) days after the service of a complaint, each respondent shall file an answer.

(b) Default. Failure of the respondent to file an answer within the time provided may be deemed to constitute a waiver of his or her right to appear and contest the allegations of the complaint. The Administrative Law Judge may enter a judgment by default.

(c) Answer. Any respondent contesting any material fact alleged in a complaint, or contending that the amount of a proposed penalty or award is excessive or inappropriate, or contending that he or she is entitled to judgment as a matter of law, shall file an answer in writing. The answer shall include:

(1) A statement that the respondent admits, denies, or does not have and is unable to obtain sufficient information to admit or deny each allegation; a statement of lack of information shall have the effect of a denial (any allegation not expressly denied shall be deemed to be admitted); and

(2) A statement of the facts supporting each affirmative defense.
§ 68.10 Motion to dismiss for failure to state a claim upon which relief can be granted.

(a) The respondent, without waiving the right to offer evidence in the event that the motion is not granted, may move for a dismissal of the complaint on the ground that the complainant has failed to state a claim upon which relief can be granted. The filing of a motion to dismiss does not affect the time period for filing an answer.

(b) The Administrative Law Judge may dismiss the complaint, based on a motion by the respondent or without a motion from the respondent, if the Administrative Law Judge determines that the complainant has failed to state a claim upon which relief can be granted. However, in the prehearing phase of an adjudicatory proceeding brought under this part, the Administrative Law Judge shall not dismiss a complaint in its entirety for failure to state a claim upon which relief may be granted, upon his or her own motion, without affording the complainant an opportunity to show cause why the complaint should not be dismissed.

§ 68.11 Motions and requests.

(a) Generally. The Chief Administrative Hearing Officer is authorized to act on non-adjudicatory matters relating to a proceeding prior to the appointment of an Administrative Law Judge. After the complaint is referred to an Administrative Law Judge, any application for an order or any other request shall be made by motion which shall be made in writing unless the Administrative Law Judge consents to accept such motion orally. The motion or request shall state with particularity the grounds therefor, and shall set forth the relief or order sought. Motions or requests made during the course of any oral hearing or appearance before an Administrative Law Judge shall be treated in all respects as if they had been raised in the pleadings, and such amendments may be made as necessary to make the pleading conform to the evidence. The Administrative Law Judge may, upon reasonable notice and such terms as are just, permit supplemental pleadings setting forth transactions, occurrences, or events that have occurred or new law promulgated since the date of the pleadings and which are relevant to any of the issues involved.

§ 68.10

(d) Reply. Complainants may file a reply responding to each affirmative defense asserted.

(e) Amendments and supplemental pleadings. If a determination of a controversy on the merits will be facilitated thereby, the Administrative Law Judge may, upon such conditions as are necessary to avoid prejudicing the public interest and the rights of the parties, allow appropriate amendments to complaints and other pleadings at any time prior to the issuance of the Administrative Law Judge's final order based on the complaint. When issues not raised by the pleadings are reasonably within the scope of the original complaint and are tried by express or implied consent of the parties, they shall be treated in all respects as if they had been raised in the pleadings, and such amendments may be made as necessary to make the pleadings conform to the evidence. The Administrative Law Judge may, upon reasonable notice and such terms as are just, permit supplemental pleadings setting forth transactions, occurrences, or events that have occurred or new law promulgated since the date of the pleadings and which are relevant to any of the issues involved.
§ 68.12 Prehearing statements.
(a) At any time prior to the commencement of the hearing, the Administrative Law Judge may order any party to file a prehearing statement of position.
(b) A prehearing statement shall state the name of the party or parties on whose behalf it is presented and shall briefly set forth the following matters, unless otherwise ordered by the Administrative Law Judge:
(1) Issues involved in the proceedings;
(2) Facts stipulated to together with a statement that the party or parties have communicated or conferred in a good faith effort to reach stipulation to the fullest extent possible;
(3) Facts in dispute;
(4) Witnesses, except to the extent that disclosure would be privileged, and exhibits by which disputed facts will be litigated;
(5) A brief statement of applicable law;
(6) The conclusions to be drawn;
(7) The estimated time required for presentation of the party’s or parties’ case; and
(8) Any appropriate comments, suggestions, or information which might assist the parties or the Administrative Law Judge in preparing for the hearing or otherwise aid in the disposition of the proceeding.

§ 68.13 Conferences.
(a) Purpose and scope. (1) Upon motion of a party or in the Administrative Law Judge’s discretion, the judge may direct the parties or their counsel to participate in a prehearing conference at any reasonable time prior to the hearing, or in a conference during the course of the hearing, when the Administrative Law Judge finds that the proceeding would be expedited by such a conference. Prehearing conferences normally shall be conducted by conference telephonic communication unless, in the opinion of the Administrative Law Judge, such method would be impractical, or when such conferences can be conducted in a more expeditious or effective manner by correspondence or personal appearance. Reasonable notice of the time, place, and manner of the prehearing conference shall be given.
(2) At the conference, the following matters may be considered:
(i) The simplification of issues;
(ii) The necessity of amendments to pleadings;
(iii) The possibility of obtaining stipulations of facts and of the authenticity, accuracy, and admissibility of documents, which will avoid unnecessary proof;
(iv) The limitations on the number of expert or other witnesses;
(v) Negotiation, compromise, or settlement of issues;
(vi) The exchange of copies of proposed exhibits;
(vii) The identification of documents or matters of which official notice may be requested;
(viii) A schedule to be followed by the parties for completion of the actions decided at the conference; and
(ix) Such other matters, including the disposition of pending motions, as may expedite and aid in the disposition of the proceeding.
(b) Reporting. A verbatim record of the conference will not be kept unless directed by the Administrative Law Judge.
(c) Order. Actions taken as a result of a conference shall be reduced to a written order, unless the Administrative Law Judge concludes that a stenographic report shall suffice, or, if the conference takes place within seven (7) days of the beginning of the hearing, the Administrative Law Judge elects to make a statement on the record at the hearing summarizing the actions taken.

§ 68.14 Consent findings or dismissal.
(a) Submission. Where the parties or their authorized representatives or their counsel have entered into a settlement agreement, they shall:
(1) Submit to the presiding Administrative Law Judge:
(i) The agreement containing consent findings; and
(ii) A proposed decision and order; or
(2) Notify the Administrative Law Judge that the parties have reached a
§ 68.15 Intervenor in unfair immigration-related employment cases.

The Special Counsel, or any other interested person or private organization, other than an officer of the Immigration and Naturalization Service, may petition to intervene as a party in unfair immigration-related employment cases. The Administrative Law Judge, in his or her discretion, may grant or deny such a petition.

§ 68.16 Consolidation of hearings.

When two or more hearings are to be held, and the same or substantially similar evidence is relevant and material to the matters at issue at each such hearing, the Administrative Law Judge assigned may, upon motion by any party, or on his or her own motion, order that a consolidated hearing be conducted. Where consolidated hearings are held, a single record of the proceedings may be made and the evidence introduced in one matter may be considered as introduced in the others, and a separate or joint decision shall be made at the discretion of the Administrative Law Judge.

§ 68.17 Amicus curiae.

A brief of an amicus curiae may be filed by leave of the Administrative Law Judge upon motion or petition of the amicus curiae. The amicus curiae shall not participate in any way in the conduct of the hearing, including the presentation of evidence and the examination of witnesses.

§ 68.18 Discovery—general provisions.

(a) General. Parties may obtain discovery by one or more of the following methods: depositions upon oral examination or written questions; written interrogatories; production of documents or things, or permission to enter upon land or other property, for inspection and other purposes; physical and mental examinations; and requests for admissions. The frequency or extent of these methods may be limited by the Administrative Law Judge in accordance with the rules in this part.

(2) That the entire record on which any decision and order may be based shall consist solely of the complaint, notice of hearing, and any other such pleadings and documents as the Administrative Law Judge shall specify;

(3) A waiver of any further procedural steps before the Administrative Law Judge; and

(4) A waiver of any right to challenge or contest the validity of the decision and order entered into in accordance with the agreement.

(c) Disposition. In the event an agreement containing consent findings and an interim decision and order is submitted, the Administrative Law Judge, within thirty (30) days or as soon as practicable thereafter, may, if satisfied with its timeliness, form, and substance, accept such agreement by entering a decision and order based upon the agreed findings. In his or her discretion, the Administrative Law Judge may conduct a hearing to determine the fairness of the agreement, consent findings, and proposed decision and order.

or other tangible things, and the identity and location of persons having knowledge of any discoverable matter.

(c) Protective orders. Upon motion by a party or the person from whom discovery is sought, and for good cause shown, the Administrative Law Judge may make any order that justice requires to protect a party or person from annoyance, harassment, embarrassment, oppression, or undue burden or expense, including one or more of the following:

(1) The discovery not be had;
(2) The discovery may be had only on specified terms and conditions, including a designation of the time, amount, duration, or place;
(3) The discovery may be had only by a method of discovery other than that selected by the party seeking discovery; or
(4) Certain matters not relevant may not be inquired into, or that the scope of discovery be limited to certain matters.

(d) Supplementation of responses. A party who has responded to a request for discovery with a response that was complete when made is under no duty to supplement his or her response to include information thereafter acquired, except as follows:

(1) A party is under a duty to supplement timely his or her response with respect to any question directly addressed to:
   (i) The identity and location of persons having knowledge of discoverable matters; and
   (ii) The identity of each person expected to be called as an expert witness at the hearing, the subject matter on which he or she is expected to testify, and the substance of his or her testimony.

(2) A party is under a duty to amend timely a prior response if he or she later obtains information upon the basis of which:
   (i) He or she knows the response was incorrect when made; or
   (ii) He or she knows that the response, though correct when made, is no longer true and the circumstances are such that a failure to amend the response is in substance a knowing concealment.

(3) A duty to supplement responses may be imposed by order of the Administrative Law Judge upon motion of a party or agreement of the parties.

§ 68.19 Written interrogatories to parties.

(a) Any party may serve upon any other party written interrogatories to be answered in writing by the party served, or if the party served is a public or private corporation or a partnership or association or governmental agency, by any authorized officer or agent, who shall furnish such information as is available to the party. A copy of the interrogatories shall be served on all parties to the proceeding.

(b) Each interrogatory shall be answered separately and fully in writing under oath or affirmation, unless it is objected to, in which event the reasons of objection shall be stated in lieu of an answer. The answers and objections shall be signed by the person making them. The party upon whom the interrogatories were served shall serve a copy of the answer or objections upon all parties to the proceeding within thirty (30) days after service of the interrogatories, or within such shorter or longer period as the Administrative Law Judge upon motion may allow.

(c) An interrogatory otherwise proper is not necessarily objectionable merely because an answer to the interrogatory involves an opinion or contention that relates to fact or the application of law to fact, but the Administrative Law Judge may upon motion order that such an interrogatory need not be answered until after designated discovery has been completed or until a prehearing conference or other later time.

(d) A person or entity upon whom interrogatories are served may respond by the submission of business records, indicating to which interrogatory the documents respond, if they are sufficient to answer said interrogatories.

§ 68.20 Production of documents, things, and inspection of land.

(a) Any party may serve on any other party a request to:
(1) Produce and permit the party making the request, or a person acting on his/her behalf, to inspect and copy any designated documents or things or to inspect land, in the possession, custody, or control of the party upon whom the request is served; and

(2) Permit the party making the request, or a person acting on his/her behalf, to enter the premises of the party upon whom the request is served to accomplish the purposes stated in paragraph (1) of this section.

(b) The request may be served on any party without leave of the Administrative Law Judge.

(c) The request shall:

(1) Set forth the items to be inspected either by individual item or by category;

(e) The response shall state, with respect to each item or category:

(1) That inspection and related activities will be permitted as requested; or

(2) That objection is made in whole or in part, in which case the reasons for objection shall be stated.

(f) A copy of each request for production and each written response shall be served on all parties.

§ 68.21 Admissions.

(a) A party may serve upon any other party a written request for the admission, for purposes of the pending action only, of the genuineness and authenticity of any relevant document described in or attached to the request, or for the admission of the truth of any specified relevant matter of fact.

(b) Each matter of which an admission is requested is admitted unless, within thirty (30) days after service of the request or such shorter or longer time as the Administrative Law Judge may allow, the party to whom the request is directed serves on the requesting party:

(1) A written statement denying specifically the relevant matters of which an admission is requested;

(2) A written statement setting forth in detail the reasons why he/she can neither truthfully admit nor deny them; or

(3) Written objections on the ground that some or all of the matters involved are privileged or irrelevant or that the request is otherwise improper in whole or in part.

(c) An answering party may not give lack of information or knowledge as a reason for failure to admit or deny unless the party states that he/she has made reasonable inquiry and that the information known or readily obtainable by him/her is insufficient to enable the party to admit or deny.

(d) Any matter admitted under this section is conclusively established unless the Administrative Law Judge upon motion permits withdrawal or amendment of the admission.

(e) A copy of each request for admission and each written response shall be served on all parties.

§ 68.22 Depositions.

(a) Notice. Any party desiring to take the deposition of a witness shall give notice in writing to the witness and other parties of the time and place of the deposition, and the name and address of each witness. If documents are requested, the notice shall include a written request for the production of documents. Not less than ten (10) days written notice shall be given when the deposition is to be taken within the continental United States, and not less then twenty (20) days written notice shall be given when the deposition is to be taken elsewhere, unless otherwise permitted by the Administrative Law Judge or agreed to by the parties.

(b) When, how, and by whom taken. The following procedures shall apply to depositions:

(1) Depositions may be taken by oral examination or upon written interrogatories before any person having power to administer oaths. The party taking a deposition upon oral examination
shall state in the notice the method by which the testimony shall be recorded. Unless the Administrative Law Judge orders otherwise, it may be recorded by sound, sound-and-visual, or stenographic means, and the party taking the deposition shall bear the cost of the recording. Any party may arrange for a transcription to be made from the recording of a deposition taken by non-stenographic means.

(2) Each witness testifying upon deposition shall testify under oath and any other party shall have the right to cross-examine. The questions asked and the answers thereto, together with all objections made, shall be recorded as provided by paragraph (b)(1) of this section. The person administering the oath shall certify in writing that the transcript or recording is a true record of the testimony given by the witness. The witness shall review the transcript or recording within thirty (30) days of notification that it is available and subscribe in writing to the deposition, indicating in writing any changes in form or substance, unless such review is waived by the witness and the parties by stipulation.

(c) Motion to terminate or limit examination. During the taking of a deposition, a party or deponent may request suspension of the deposition on grounds of bad faith in the conduct of the examination, oppression of a deponent or party, or improper questions asked. The deposition will then be adjourned. However, the objecting party or deponent must immediately move the Administrative Law Judge for a ruling on his or her objections to the deposition conduct or proceedings.

§ 68.23 Motion to compel response to discovery; sanctions.

(a) If a deponent fails to answer a question asked, or a party upon whom a discovery request is made pursuant to §§68.18 through 68.22 fails to respond adequately or objects to the request or to any part thereof, or fails to permit inspection as requested, the discovering party may move the Administrative Law Judge for an order compelling a response or inspection in accordance with the request. A party who has taken a deposition or has requested admissions or has served interrogatories may move to determine the sufficiency of the answers or objections thereto. Unless the objecting party sustains his or her burden of showing that the objection is justified, the Administrative Law Judge may order that an answer be served. If the Administrative Law Judge determines that an answer does not comply with the requirements of the rules in this part, he or she may order either that the matter is admitted or that an amended answer be served.

(b) The motion shall set forth and include:

(1) The nature of the questions or request;
(2) The response or objections of the party upon whom the request was served;
(3) Arguments in support of the motion; and
(4) A certification that the movant has in good faith conferred or attempted to confer with the person or party failing to make the discovery in an effort to secure information or material without action by the Administrative Law Judge.

(c) If a party, an officer or an agent of a party, or a witness, fails to comply with an order, including, but not limited to, an order for the taking of a deposition, the production of documents, the answering of interrogatories, a response to a request for admissions, or any other order of the Administrative Law Judge, the Administrative Law Judge may, for the purposes of permitting resolution of the relevant issues and disposition of the proceeding and to avoid unnecessary delay, take the following actions:

(1) Infer and conclude that the admission, testimony, documents, or other evidence would have been adverse to the non-complying party;
(2) Rule that for the purposes of the proceeding the matter or matters concerning which the order was issued be taken as established adversely to the non-complying party;
(3) Rule that the non-complying party may not introduce into evidence or otherwise rely upon testimony by such party, officer, or agent, or the
§ 68.24 Use of depositions at hearings.

(a) Generally. At the hearing, any part or all of a deposition, so far as admissible, may be used against any party who was present or represented at the taking of the deposition or who had due notice thereof, in accordance with any one of the following provisions:

(1) Any deposition may be used by any party for the purpose of contradicting or impeaching the testimony of the deponent as a witness;

(2) The deposition of an expert witness may be used by any party for any purpose, unless the Administrative Law Judge rules that such use would be unfair or a violation of due process;

(3) The deposition of a party or of anyone who at the time of taking the deposition was an officer, director, or duly authorized agent of a public or private corporation, partnership, or association which is a party, may be used by any other party for any purpose;

(4) The deposition of a witness, whether or not a party, may be used by any party for any purpose if the Administrative Law Judge finds:

(i) That the witness is dead;

(ii) That the witness is out of the United States or more than 100 miles from the place of hearing unless it appears that the absence of the witness was procured by the party offering the deposition;

(iii) That the witness is unable to attend to testify because of age, sickness, infirmity, or imprisonment;

(iv) That the party offering the deposition has been unable to procure the attendance of the witness by subpoena; or

(v) Upon application and notice, that such exceptional circumstances exist to make it desirable, in the interest of justice, and with due regard to the importance of presenting the testimony of witnesses orally in open hearing, to allow the deposition to be used;

(5) If only part of a deposition is offered in evidence by a party, any other party may require him or her to introduce all of it which is relevant to the part introduced, and any party may introduce any other parts;

(6) Substitution of parties does not affect the right to use depositions previously taken; and, when a proceeding in any hearing has been dismissed and another proceeding involving the parties or their representatives or successors in interest has been brought (or commenced), all depositions lawfully taken and duly filed in the former proceeding may be used in the latter if originally taken therefor.

(7) A party offering deposition testimony may offer it in stenographic or nonstenographic form, but if in nonstenographic form, the party shall also be responsible for providing a transcript of the portions so offered.

(b) Objections to admissibility. Except as provided in this paragraph, objections may be made at the hearing to receiving in evidence any deposition or part thereof for any reason that would require the exclusion of the evidence if the witness were then present and testifying.

(1) Objections to the competency of a witness or to the competency, relevancy, or materiality of testimony are not waived by failure to make them
§ 68.25 Subpoenas.

(a) An Administrative Law Judge, upon his or her own initiative or upon request of an individual or entity before a complaint is filed or by a party once a complaint has been filed, may issue subpoenas as authorized by statute, either prior to or subsequent to the filing of a complaint. Such subpoena may require attendance and testimony of witnesses and production of things including, but not limited to, papers, books, documents, records, correspondence, or tangible things in their possession and under their control and access to such things for the purposes of examination and copying. A subpoena may be served by overnight courier service or overnight mail, certified mail, or by any person who is not less than 18 years of age. A witness, other than a witness subpoenaed on behalf of the Federal Government, may not be required to attend a deposition or hearing unless the mileage and witness fee applicable to witnesses in courts of the United States for each date of attendance is paid in advance of the date of the proceeding. Mileage and witness fees need not be paid to a witness at the time of service of the subpoena if the witness is subpoenaed by the Federal Government.

(b) The subpoena shall identify the person or things subpoenaed, the person to whom it is returnable and the place, date, and time at which it is returnable; or the subpoena shall identify the nature of the evidence to be examined and copied, and the date and time when access is requested. Where a non-party is subpoenaed, the requestor of the subpoena must give notice to all parties, or if no complaint has been filed, then notice shall be given to individuals or entities who have been charged with an unfair immigration-related employment practice under section 274B of the INA, the individual initiating the alleged unfair immigration-related employment practice, and the Office of Special Counsel. For purposes of this subsection, the receipt of the subpoena or a copy of the subpoena shall serve as the notice.

(c) Any person served with a subpoena issued by an Administrative Law Judge who intends not to comply with it shall, within ten (10) days after the date of service of the subpoena upon such person or within such other time as the Administrative Law Judge deems appropriate, petition the Administrative Law Judge to revoke or modify the subpoena. A copy of the petition shall be served on all parties. If a complaint has not been filed in the matter, a copy of the petition shall be served on the individual or entity that requested the subpoena. The petition shall separately identify each portion of the subpoena with which the petitioner does not intend to comply and shall state, with respect to each such portion, the grounds upon which the petitioner relies. A copy of the subpoena shall be attached to the petition. Within eight (8) days after receipt of the petition, the individual or entity that applied for the subpoena may respond to such petition, and the Administrative Law Judge shall then make a final determination upon the petition. The Administrative Law Judge shall cause a copy of the final determination of the petition to be served upon all parties, or, if a complaint has not been filed, upon the individuals or entities requesting and responding to the subpoena.

(d) A party shall have standing to challenge a subpoena issued to a non-party if the party can claim a personal right or privilege in the discovery sought.

(e) Failure to comply. Upon the failure of any person to comply with an order to testify or a subpoena issued under this section, the Administrative Law Judge may, where authorized by law, apply through appropriate counsel to the appropriate district court of the United States for the region in which the petitioner resides or the place where the evidence is located, for an order compelling the testimony or production of evidence.
§ 68.26 Designation of Administrative Law Judge.

Hearings shall be held before an Administrative Law Judge appointed under 5 U.S.C. 3105 and assigned to the Department of Justice. The presiding judge in any case shall be designated by the Chief Administrative Hearing Officer. The Chief Administrative Hearing Officer may reassign a case previously assigned to an Administrative Law Judge to promote administrative efficiency. In unfair immigration-related employment practice cases, only Administrative Law Judges specially designated by the Attorney General as having special training respecting employment discrimination may be chosen by the Chief Administrative Hearing Officer to preside.

§ 68.27 Continuances.

(a) When granted. Continuances shall only be granted in cases where the requester has a prior judicial commitment or can demonstrate undue hardship, or a showing of other good cause.

(b) Time limit for requesting. Except for good cause arising thereafter, requests for continuances must be filed not later than fourteen (14) days prior to the date of the scheduled proceeding.

(c) How filed. Motions for continuances shall be in writing, unless made during the prehearing conference or the hearing. Copies shall be served on all parties. Any motions for continuances filed fewer than fourteen (14) days before the date of the scheduled proceeding shall, in addition to the written request, be telephonically communicated to the Administrative Law Judge or a member of the Judge’s staff and to all other parties.

(d) Ruling. Time permitting, the Administrative Law Judge shall enter a written order in advance of the scheduled proceeding date that either grants or denies the request. Otherwise, the ruling shall be made orally by telephonic communication to the party requesting the continuance, who shall be responsible for telephonically notifying all other parties. Oral orders shall be confirmed in writing by the Administrative Law Judge.

§ 68.28 Authority of Administrative Law Judge.

(a) General powers. In any proceeding under this part, the Administrative Law Judge shall have all appropriate powers necessary to conduct fair and impartial hearings, including, but not limited to, the following:

1. Conduct formal hearings in accordance with the provisions of the Administrative Procedure Act and of this part;
2. Administer oaths and examine witnesses;
3. Compel the production of documents and appearance of witnesses in control of the parties;
4. Compel the appearance of witnesses by the issuance of subpoenas as authorized by law;
5. Issue decisions and orders;
6. Take any action authorized by the Administrative Procedure Act;
7. Exercise, for the purpose of the hearing and in regulating the conduct of the proceeding, such powers vested in the Attorney General as are necessary and appropriate therefore; and
8. Take other appropriate measures necessary to enable him or her to discharge the duties of the office.

(b) Enforcement. If any person in proceedings before an Administrative Law Judge disobeys or resists any lawful order or process, or misbehaves during a hearing or so near the place thereof as to obstruct the same, or neglects to produce, after having been ordered to do so, any pertinent book, paper, or document, or refuses to appear after having been subpoenaed, or upon appearing refuses to take the oath as a witness, or after having taken the oath refuses to be examined according to law, the Administrative Law Judge responsible for the adjudication may, where authorized by statute or law, apply through appropriate counsel to the Federal District Court having jurisdiction in the place in which he/she...
§ 68.29 Unavailability of Administrative Law Judge.

In the event the Administrative Law Judge designated to conduct the hearing becomes unavailable, the Chief Administrative Hearing Officer may designate another Administrative Law Judge for the purpose of further hearing or other appropriate action.

§ 68.30 Disqualification.

(a) When an Administrative Law Judge deems himself or herself disqualified to preside in a particular proceeding, such judge shall withdraw therefrom by notice on the record directed to the Chief Administrative Hearing Officer.

(b) Whenever any party shall deem the Administrative Law Judge for any reason to be disqualified to preside, or to continue to preside, in a particular proceeding, that party shall file with the Administrative Law Judge a motion to recuse. The motion shall be supported by an affidavit setting forth the alleged grounds for disqualification. The Administrative Law Judge shall rule upon the motion.

(c) In the event of disqualification or recusal of an Administrative Law Judge as provided in paragraph (a) or (b) of this section, the Chief Administrative Hearing Officer shall refer the matter to another Administrative Law Judge for further proceedings.

§ 68.31 Separation of functions.

No officer, employee, or agent of the Federal Government engaged in the performance of investigative or prosecutorial functions in connection with any proceeding shall, in that proceeding or a factually related proceeding, participate or advise in the decision of the Administrative Law Judge, except as a witness or counsel in the proceedings.

§ 68.32 Expedition.

Hearings shall proceed with all reasonable speed, insofar as practicable and with due regard to the convenience of the parties.

§ 68.33 Participation of parties and representation.

(a) Participation of parties. Any party shall have the right to appear in a proceeding and may examine and cross-examine witnesses and introduce into the record documentary or other relevant evidence, except that the participation of any intervenor shall be limited to the extent prescribed by the Administrative Law Judge.

(b) Person compelled to testify. Any person compelled to testify in a proceeding in response to a subpoena may be accompanied, represented, and advised by an individual meeting the requirements of paragraph (c) of this section.

(c) Representation for parties other than the Department of Justice. Persons who may appear before the Administrative Law Judges on behalf of parties other than the Department of Justice include:

(1) An attorney at law who is admitted to practice before the federal courts or before the highest court of any state, the District of Columbia, or any territory or commonwealth of the United States, may practice before the Administrative Law Judges. An attorney’s own representation that the attorney is in good standing before any of such courts shall be sufficient proof thereof, unless otherwise ordered by the Administrative Law Judge.

(2) A law student, enrolled in an accredited law school, may practice before an Administrative Law Judge. The law student must seek advance approval by filing a statement with the Administrative Law Judge proving current participation in a legal assistance program or clinic conducted by the law
school. Practice before the Administrative Law Judge shall be under direct supervision of a faculty member or an attorney. An appearance by a law student shall be without direct or indirect remuneration. The Administrative Law Judge may determine the amount of supervision required of the supervising faculty member or attorney.

(3) An individual who is neither an attorney nor a law student may be allowed to provide representation to a party upon a written order from the Administrative Law Judge assigned to the case granting approval of the representation. The individual must file a written application with the Administrative Law Judge demonstrating that the individual possesses the knowledge of administrative procedures, technical expertise, or other qualifications necessary to render valuable service in the proceedings and is otherwise competent to advise and assist in the presentation of matters in the proceedings.

(i) Application. A written application by an individual who is neither an attorney nor a law student for admission to represent a party in proceedings shall be submitted to the Administrative Law Judge within ten (10) days from the receipt of the Notice of Hearing and complaint by the party on whose behalf the individual wishes to file the application. This period of time for filing the application may be extended upon approval of the Administrative Law Judge. The application shall set forth in detail the requesting individual’s qualifications to represent the party.

(ii) Inquiry on qualifications or ability. The Administrative Law Judge may, at any time, inquire as to the qualifications or ability of any non-attorney to render assistance in proceedings before the Administrative Law Judge.

(iii) Denial of authority to appear. Except as provided in paragraph (c)(3)(iv) of this section, the Administrative Law Judge may enter an order denying the privilege of appearing to any individual who the Judge finds does not possess the requisite qualifications to represent others; is lacking in character or integrity; has engaged in unethical or improper professional conduct; or has engaged in an act involving moral turpitude.

(iv) Exception. Any individual may represent him or herself or any corporation, partnership or unincorporated association of which that individual is a partner or general officer in proceedings before the Administrative Law Judge without prior approval of the Administrative Law Judge and without filing the written application required by this paragraph. Such individuals must, however, file a notice of appearance in the manner set forth in paragraph (e) of this section.

(d) Representation for the Department of Justice. The Department of Justice may be represented by the appropriate counsel in these proceedings.

(e) Proof of authority. Any individual acting in a representative capacity in any adjudicative proceeding may be required by the Administrative Law Judge to show his or her authority to act in such capacity. Representation of a respondent shall be at no expense to the Government.

(f) Notice of appearance. Except for a government attorney filing a complaint pursuant to section 274A, 274B, or 274C of the INA, each attorney shall file a notice of appearance. Such notice shall indicate the name of the case or controversy, the case number if assigned, and the party on whose behalf the appearance is made. The notice of appearance shall be signed by the attorney, and shall be accompanied by a certification indicating that such notice was served on all parties of record. A request for a hearing signed by an attorney and filed with the Immigration and Naturalization Service pursuant to section 274A(e)(3)(A) or 274C(d)(2)(A) of the INA, and containing the same information as required by this section, shall be considered a notice of appearance on behalf of the respondent for whom the request was made.

(g) Withdrawal or substitution of a representative. Withdrawal or substitution of an attorney or representative may be permitted by the Administrative Law Judge upon written motion. The Administrative Law Judge shall enter an order granting or denying such motion for withdrawal or substitution.

§ 68.34 Legal assistance.

The Office of the Chief Administrative Hearing Officer does not have authority to appoint counsel.

§ 68.35 Standards of conduct.

(a) All persons appearing in proceedings before an Administrative Law Judge are expected to act with integrity, and in an ethical manner.

(b) The Administrative Law Judge may exclude from proceedings parties, witnesses, and their representatives for refusal to comply with directions, continued use of dilatory tactics, refusal to adhere to reasonable standards of orderly and ethical conduct, failure to act in good faith, or violation of the prohibition against ex parte communications. The Administrative Law Judge shall state in the record the cause for barring an attorney or other individual from participation in a particular proceeding. The Administrative Law Judge may suspend the proceeding for a reasonable time for the purpose of enabling a party to obtain another attorney or representative.

§ 68.36 Ex parte communications.

(a) General. Except for other employees of the Executive Office for Immigration Review, the Administrative Law Judge shall not consult any person, or party, on any fact in issue unless upon notice and opportunity for all parties to participate. Communications by the Office of the Chief Administrative Hearing Officer, the assigned judge, or any party for the sole purpose of scheduling hearings, or requesting extensions of time are not considered ex parte communications, except that all other parties shall be notified of such request by the requesting party and be given an opportunity to respond thereto.

(b) Sanctions. A party or participant who makes a prohibited ex parte communication, or who encourages or solicits another to make any such communication, may be subject to any appropriate sanction or sanctions, including but not limited to, exclusion from the proceedings and adverse ruling on the issue which is the subject of the prohibited communication.

§ 68.37 Waiver of right to appear and failure to participate or to appear.

(a) Waiver of right to appear. If all parties waive in writing their right to appear before the Administrative Law Judge or to present evidence or argument personally or by representative, it shall not be necessary to give notice of and conduct an oral hearing. A waiver of the right to appear and present evidence and allegations as to facts and law shall be made in writing and filed with the Chief Administrative Hearing Officer or the Administrative Law Judge. Where such a waiver has been filed by all parties and they do not appear before the Administrative Law Judge personally or by representative, the Administrative Law Judge shall make a record of the relevant written evidence submitted by the parties, together with any pleadings they may submit with respect to the issues in the case. Such documents shall be considered as all of the evidence in the case and decision shall be based on them.

(b) Dismissal—Abandonment by party. A complaint or a request for hearing may be dismissed upon its abandonment by the party or parties who filed it. A party shall be deemed to have abandoned a complaint or a request for hearing if:

(1) A party or his or her representative fails to respond to orders issued by the Administrative Law Judge; or

(2) Neither the party nor his or her representative appears at the time and place fixed for the hearing and either

(i) Prior to the time for hearing, such party does not show good cause as to why neither he or she nor his or her representative can appear; or

(ii) Within ten (10) days after the time for hearing or within such other period as the Administrative Law Judge may allow, such party does not show good cause for such failure to appear.

(c) Default—Failure to appear. A default decision, under §68.9(b), may be entered, with prejudice, against any
§ 68.38 Motion for summary decision.

(a) A complainant, not fewer than thirty (30) days after receipt by respondent of the complaint, may move with or without supporting affidavits for summary decision on all or any part of the complaint. Motions by any party for summary decision on all or any part of the complaint will not be entertained within the twenty (20) days prior to any hearing, unless the Administrative Law Judge decides otherwise. Any other party, within ten (10) days after service of a motion for summary decision, may respond to the motion by serving supporting or opposing papers with affidavits, if appropriate, or countermove for summary decision. The Administrative Law Judge may set the matter for argument and/or call for submission of briefs.

(b) Any affidavits submitted with the motion shall set forth such facts as would be admissible in evidence in a proceeding subject to 5 U.S.C. 556 and 557 and shall show affirmatively that the affiant is competent to testify to the matters stated therein. When a motion for summary decision is made and supported as provided in this section, a party opposing the motion may not rest upon the mere allegations or denials of such pleading. Such response must set forth specific facts showing that there is a genuine issue of fact for the hearing.

(c) The Administrative Law Judge shall enter a summary decision for either party if the pleadings, affidavits, material obtained by discovery or otherwise, or matters officially noticed show that there is no genuine issue as to any material fact and that a party is entitled to summary decision.

(d) Form of summary decisions. Any final order entered as a summary decision shall conform to the requirements for all final orders. A final order made under this section shall include a statement of:

1. Findings of fact and conclusions of law, and the reasons therefor, on all issues presented; and
2. Any terms and conditions of the final order.

(e) Hearings on issue of fact. Where a genuine question of material fact is raised, the Administrative Law Judge shall set the case for an evidentiary hearing.

[Order No. 2203–99, 64 FR 7078, Feb. 12, 1999]

§ 68.39 Formal hearings.

(a) Public. Hearings shall be open to the public. The Administrative Law Judge may order a hearing or any part thereof closed, where to do so would be in the best interests of the parties, a witness, the public, or other affected persons. Any order closing the hearing shall set forth the reasons for the decision. Any objections thereto shall be made a part of the record.

(b) Jurisdiction. The Administrative Law Judge shall have jurisdiction to decide all issues of fact and related issues of law.

(c) Rights of parties. Every party shall have the right of timely notice and all other rights essential to a fair hearing, including, but not limited to, the right to present evidence, to conduct such cross-examination as may be necessary for a full and complete disclosure of the facts, and to be heard by objection, motion, and argument.

(d) Rights of participation. Every party shall have the right to make a written or oral statement of position. At the discretion of the Administrative Law Judge, participants may file proposed findings of fact, conclusions of law, and a post hearing brief.

(e) Amendments to conform to the evidence. When issues not raised by the request for hearing, prehearing stipulation, or prehearing order are tried by express or implied consent of the parties, they shall be treated in all respects as if they had been raised in the pleadings. Such amendment of the pleadings as may be necessary to cause them to conform to the evidence may be made on motion of any party at any time; but failure to so amend does not affect the result of the hearing of these issues. The Administrative Law Judge
may grant a continuance to enable the objecting party to meet such evidence.

§ 68.41 Official notice.

Official notice may be taken of any material fact, not appearing in evidence in the record, which is among the traditional matters of judicial notice. Provided, however, that the parties shall be given adequate notice, at the hearing or by reference in the Administrative Law Judge’s decision, of

the matters so noticed, and shall be given adequate opportunity to show the contrary.

§ 68.42 In camera and protective orders.

(a) Privileged communications. Upon application of any person, the Administrative Law Judge may limit discovery or introduction of evidence or enter such protective or other orders as in the Judge’s judgment may be consistent with the objective of protecting privileged communications and of protecting data and other material the disclosure of which would unreasonably prejudice a party, witness, or third party.

(b) Classified or sensitive matter. (1) Without limiting the discretion of the Administrative Law Judge to give effect to any other applicable privilege, it shall be proper for the Administrative Law Judge to limit discovery or introduction of evidence or to enter such protective or other orders as in the Judge’s judgment may be consistent with the objective of preventing undue disclosure of classified or sensitive matter. When the Administrative Law Judge determines that information in documents containing sensitive matter should be made available the Judge may direct the producing party to prepare an unclassified or non-sensitive summary or extract of the original. The summary or extract may be admitted as evidence in the record.

(2) If the Administrative Law Judge determines that this procedure is inadequate and that classified or otherwise sensitive matter must form part of the record in order to avoid prejudice to any party, the Judge may so advise the parties and provide an opportunity for arrangements to permit a party or a representative to have access to such matter. Such arrangements may include obtaining security clearances or giving counsel for a party access to sensitive information and documents subject to assurances against further disclosure.

[Order No. 2203-99, 64 FR 7079, Feb. 12, 1999]

§ 68.43 Exhibits.

(a) Identification. All exhibits offered in evidence shall be numbered and marked with a designation identifying the party or intervenor by whom the exhibit is offered.

(b) Exchange of exhibits. When written exhibits are offered in evidence, one copy must be furnished to each of the parties at the hearing, and two copies to the Administrative Law Judge, unless the parties previously have been furnished with copies or the Administrative Law Judge directs otherwise. If the Administrative Law Judge has not fixed a time for the exchange of exhibits, the parties shall exchange copies of exhibits at the earliest practicable time, preferably before the hearing or, at the latest, at the commencement of the hearing.

(c) Substitution of copies for original exhibits. The Administrative Law Judge may permit a party to withdraw original documents offered in evidence and substitute true copies in lieu thereof.

§ 68.44 Records in other proceedings.

In case any portion of the record in any other proceeding or civil or criminal action is offered in evidence, a true copy of such portion shall be presented for the record in the form of an exhibit unless the Administrative Law Judge directs otherwise.

§ 68.45 Designation of parts of documents.

Where relevant and material matter offered in evidence is embraced in a document containing other matter not material or relevant and not intended to be put in evidence, the participant offering the same shall plainly designate the matter so offered, segregating and excluding insofar as practicable the immaterial or irrelevant parts. If other matter in such document is in such bulk or extent as would necessarily encumber the record, such
§ 68.46 Authenticity.

The authenticity of all documents submitted as proposed exhibits in advance of the hearing shall be deemed admitted unless written objection thereto is filed prior to the hearing, except that a party will be permitted to challenge such authenticity at a later time upon a clear showing of good cause for failure to have filed such written objection.

§ 68.47 Stipulations.

The parties may by stipulation in writing at any stage of the proceeding, or by stipulation made orally at the hearing, agree upon any pertinent facts in the processing. It is desirable that the facts be thus agreed upon so far as and whenever practicable. Stipulations may be received in evidence at a hearing or prior thereto, and when received in evidence, shall be binding on the parties thereto.

§ 68.48 Record of hearings.

(a) General. A verbatim written record of all hearings shall be kept, except in cases where the proceedings are terminated in accordance with § 68.14. All evidence upon which the Administrative Law Judge relies for decision shall be contained in the transcript of testimony, either directly or by appropriate reference. All exhibits introduced as evidence shall be marked for identification and incorporated into the record. Transcripts may be obtained by the parties and the public from the official court reporter of record. Any fees in connection therewith shall be the responsibility of the parties.

(b) Corrections. Corrections to the official transcript will be permitted upon motion. Motions for correction must be submitted within ten (10) days of the receipt of the transcript by the Administrative Law Judge or such other time as may be permitted by the Administrative Law Judge. Corrections of the official transcript will be permitted only when errors of substance are involved and only upon approval of the Administrative Law Judge.

§ 68.49 Closing the record.

(a) When there is a hearing, the record shall be closed at the conclusion of the hearing unless the Administrative Law Judge directs otherwise.

(b) If any party waives a hearing, the record shall be closed on the date set by the Administrative Law Judge as the final date for the receipt of submissions of the parties to the matter.

(c) Once the record is closed, no additional evidence shall be accepted into the record except upon a showing that new and material evidence has become available which was not readily available prior to the closing of the record. However, the Administrative Law Judge shall make part of the record any motions for attorney’s fees authorized by statutes, and any supporting documentation, any determinations thereon, and any approved correction to the transcript.

§ 68.50 Receipt of documents after hearing.

Documents submitted for the record after the close of the hearing will not be received in evidence except upon ruling of the Administrative Law Judge. Such documents when submitted shall be accompanied by proof.
§ 68.51 Restricted access.

On his/her own motion, or on the motion of any party, the Administrative Law Judge may direct that there be a restricted access portion of the record to contain any material in the record to which public access is restricted by law or by the terms of a protective order entered in the proceedings. This portion of the record shall be placed in a separate file and clearly marked to avoid improper disclosure and to identify it as a portion of the official record in the proceedings.

§ 68.52 Final order of the Administrative Law Judge.

(a) Proposed final order. (1) Within twenty (20) days of filing of the transcript of the testimony, or within such additional time as the Administrative Law Judge may allow, the Administrative Law Judge may require the parties to file proposed findings of fact, conclusions of law, and orders, together with supporting briefs expressing the reasons for such proposals. Such proposals and briefs shall be served on all parties and shall refer to all portions of the record and to all authorities relied upon in support of each proposal.

(2) The Administrative Law Judge may, by order, require that when a proposed order is filed for the Administrative Law Judge’s consideration, the filing party shall submit to the Administrative Law Judge a copy of the proposed order on a 3.5″ microdisk.

(b) Entry of final order. Unless an extension of time is given by the Chief Administrative Hearing Officer for good cause, the Administrative Law Judge shall enter the final order within sixty (60) days after receipt of the hearing transcript or of post-hearing briefs, proposed findings of fact, and conclusions of law, if any, by the Administrative Law Judge. The final order entered by the Administrative Law Judge shall be based upon the whole record. It shall be supported by reliable and probative evidence. The standard of proof shall be by a preponderance of the evidence.

(c) Contents of final order with respect to unlawful employment of unauthorized aliens. (1) If, upon the preponderance of the evidence, the Administrative Law Judge determines that a person or entity named in the complaint has violated section 274A(a)(1)(A) or (a)(2) of the INA, the final order shall require the person or entity to cease and desist from such violations and to pay a civil penalty in an amount of:

(i) Not less than $275 and not more than $2,200 for each unauthorized alien with respect to whom there was a violation of either such paragraph occurring before March 27, 2008; not less than $375 and not more than $3,200 for each unauthorized alien with respect to whom there was a violation of either such paragraph occurring on or after March 27, 2008;

(ii) In the case of a person or entity previously subject to one final order under this paragraph (c)(1), not less than $2,200 and not more than $5,500 for each unauthorized alien with respect to whom there was a violation of either such paragraph occurring before March 27, 2008, and not less than $3,200 and not more than $6,500 for each unauthorized alien with respect to whom there was a violation of either such paragraph occurring on or after March 27, 2008;

(iii) In the case of a person or entity previously subject to more than one final order under paragraph (c)(1) of this section, not less than $3,300 and not more than $11,000 for each unauthorized alien with respect to whom there was a violation of each such paragraph occurring before March 27, 2008, and not less than $4,300 and not more than $16,000 for each unauthorized alien with respect to whom there was a violation of each such paragraph occurring on or after March 27, 2008.

(a) Authority. In a case arising under section 274A or 274C of the Immigration and Nationality Act, the Chief Administrative Hearing Officer may, within thirty (30) days of the date of an Administrative Law Judge's interlocutory order, issue an order that modifies or vacates the interlocutory order. The Chief Administrative Hearing Officer may review an Administrative Law Judge's interlocutory order if:

(1) An Administrative Law Judge, when issuing an interlocutory order, states in writing that the Judge believes:

(i) That the order concerns an important question of law on which there is a substantial difference of opinion; and

(ii) That an immediate appeal will advance the ultimate termination of the proceeding or that subsequent review will be an inadequate remedy; or

(2) Within ten (10) days of the date of the entry of an interlocutory order a party requests by motion that the Chief Administrative Hearing Officer review the interlocutory order. This motion shall contain a clear statement of why interlocutory review is appropriate under the standards set out in paragraph (a)(1) of this section; or

(3) Within ten (10) days of the entry of the interlocutory order, the Chief Administrative Hearing Officer, upon the Officer's own initiative, determines that such order is appropriate for interlocutory review pursuant to § 68.55. In cases arising under section 274B of the INA, the Chief Administrative Hearing Officer may exercise discretionary review to make such changes pursuant to § 68.54.

(b) Stay of proceedings. Review of an Administrative Law Judge's interlocutory order will not stay the proceeding unless the Administrative Law Judge or the Chief Administrative Hearing Officer determines that the circumstances require a postponement.

(c) Review by Chief Administrative Hearing Officer. Review by the Chief Administrative Hearing Officer of an interlocutory order shall be conducted in the same manner as is provided for review of final orders in § 68.54 through (d). An interlocutory order, or
an order modifying, vacating, or remanding an interlocutory order, shall not be considered a final agency order. If the Chief Administrative Hearing Officer does not modify, vacate, or remand an interlocutory order reviewed pursuant to paragraph (a) within thirty (30) days of the date that the order is entered, the Administrative Law Judge’s interlocutory order is deemed adopted.

(d) Effect of interlocutory review. (1) An order by the Chief Administrative Hearing Officer modifying or vacating an interlocutory order shall also remand the case to the Administrative Law Judge. Further proceedings in the case shall be conducted consistent with the Chief Administrative Hearing Officer’s order.

(2) Whether or not an interlocutory order is reviewed by the Chief Administrative Hearing Officer, all parties retain the right to request administrative review of the final order of the Administrative Law Judge pursuant to § 68.54 with respect to all issues in the case.

However, the Chief Administrative Hearing Officer is not obligated to enter an order unless the Administrative Law Judge’s order is modified, vacated or remanded.

(2) A change in the person(s) or individual(s) influencing or attempting to influence a covered Federal action; or

(3) A change in the officer(s), employee(s), or Member(s) contacted to influence or attempt to influence a covered Federal action.

(d) Any person who requests or receives from a person referred to in paragraphs (a) or (b) of this section:

(1) A subcontract exceeding $100,000 at any tier under a Federal contract;

(2) A subgrant, contract, or subcontract exceeding $100,000 at any tier under a Federal grant;

(3) A contract or subcontract exceeding $100,000 at any tier under a Federal loan exceeding $150,000; or

(4) A contract or subcontract exceeding $100,000 at any tier under a Federal cooperative agreement,

shall file a certification, and a disclosure form, if required, to the next tier above.

(e) All disclosure forms, but not certifications, shall be forwarded from tier to tier until received by the person referred to in paragraphs (a) or (b) of this section. That person shall forward all disclosure forms to the agency.

(f) Any certification or disclosure form filed under paragraph (e) of this section shall be treated as a material representation of fact upon which all receiving tiers shall rely. All liability arising from an erroneous representation shall be borne solely by the tier filing that representation and shall not be shared by any tier to which the erroneous representation is forwarded. Submitting an erroneous certification or disclosure constitutes a failure to file the required certification or disclosure, respectively. If a person fails to file a required certification or disclosure, the United States may pursue all available remedies, including those authorized by section 1352, title 31, U.S. Code.

(g) For awards and commitments in process prior to December 23, 1989, but
not made before that date, certifications shall be required at award or commitment, covering activities occurring between December 23, 1989, and the date of award or commitment. However, for awards and commitments in process prior to the December 23, 1989, effective date of these provisions, but not made before December 23, 1989, disclosure forms shall not be required at time of award or commitment but shall be filed within 30 days.

(h) No reporting is required for an activity paid for with appropriated funds if that activity is allowable under either subpart B or C.

Subpart B—Activities by Own Employees

§ 69.205 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §69.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) For purposes of paragraph (a) of this section, ‘‘professional and technical services’’ shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless
§ 69.210 Reporting.

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

Subpart C—Activities by Other Than Own Employees

§ 69.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §69.100 (a), does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) The reporting requirements in §69.110 (a) and (b) regarding filing a disclosure form by each person, if required, shall not apply with respect to professional or technical services rendered directly in the preparation, submission, or negotiation of any commitment providing for the United States to insure or guarantee a loan.

(c) For purposes of paragraph (a) of this section, “professional and technical services” shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting or a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission, or negotiation of a covered Federal action.
§ 69.600

(d) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(e) Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(f) Only those services expressly authorized by this section are allowable under this section.

Subpart D—Penalties and Enforcement

§ 69.400 Penalties.

(a) Any person who makes an expenditure prohibited herein shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such expenditure.

(b) Any person who fails to file or amend the disclosure form (see appendix B) to be filed or amended if required herein, shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

(c) A filing or amended filing on or after the date on which an administrative action for the imposition of a civil penalty is commenced does not prevent the imposition of such civil penalty for a failure occurring before that date. An administrative action is commenced with respect to a failure when an investigating official determines in writing to commence an investigation of an allegation of such failure.

(d) In determining whether to impose a civil penalty, and the amount of any such penalty, by reason of a violation by any person, the agency shall consider the nature, circumstances, extent, and gravity of the violation, the effect on the ability of such person to continue in business, any prior violations by such person, the degree of culpability of such person, the ability of the person to pay the penalty, and such other matters as may be appropriate.

(e) First offenders under paragraphs (a) or (b) of this section shall be subject to a civil penalty of $10,000, absent aggravating circumstances. Second and subsequent offenses by persons shall be subject to an appropriate civil penalty between $10,000 and $100,000, as determined by the agency head or his or her designee.

(f) An imposition of a civil penalty under this section does not prevent the United States from seeking any other remedy that may apply to the same conduct that is the basis for the imposition of such civil penalty.

§ 69.405 Penalty procedures.

Agencies shall impose and collect civil penalties pursuant to the provisions of the Program Fraud and Civil Remedies Act, 31 U.S.C. sections 3803 (except subsection (c)), 3804, 3805, 3806, 3807, 3808, and 3812, insofar as these provisions are not inconsistent with the requirements herein.

§ 69.410 Enforcement.

The head of each agency shall take such actions as are necessary to ensure that the provisions herein are vigorously implemented and enforced in that agency.

Subpart E—Exemptions

§ 69.500 Secretary of Defense.

(a) The Secretary of Defense may exempt, on a case-by-case basis, a covered Federal action from the prohibition whenever the Secretary determines, in writing, that such an exemption is in the national interest. The Secretary shall transmit a copy of each such written exemption to Congress immediately after making such a determination.

(b) The Department of Defense may issue supplemental regulations to implement paragraph (a) of this section.

Subpart F—Agency Reports

§ 69.600 Semi-annual compilation.

(a) The head of each agency shall collect and compile the disclosure reports (see appendix B) and, on May 31 and November 30 of each year, submit to the Secretary of the Senate and the Clerk of the House of Representatives a report containing a compilation of the
§ 69.605 Inspector General report.

(a) The Inspector General, or other official as specified in paragraph (b) of this section, of each agency shall prepare and submit to Congress each year, commencing with submission of the President’s Budget in 1991, an evaluation of the compliance of that agency with, and the effectiveness of, the requirements herein. The evaluation may include any recommended changes that may be necessary to strengthen or improve the requirements.

(b) In the case of an agency that does not have an Inspector General, the agency official comparable to an Inspector General shall prepare and submit the annual report, or, if there is no such comparable official, the head of the agency shall prepare and submit the annual report.

(c) The annual report shall be submitted at the same time the agency submits its annual budget justifications to Congress.

(d) The annual report shall include the following: All alleged violations relating to the agency’s covered Federal actions during the year covered by the report, the actions taken by the head of the agency in the year covered by the report with respect to those alleged violations and alleged violations in previous years, and the amounts of civil penalties imposed by the agency in the year covered by the report.

(b) If the investigating official concludes that an action under the Program Fraud Civil Remedies Act may be warranted, the investigating official shall submit a report containing the findings and conclusions of such investigation to the reviewing official.

(c) Nothing in this section shall preclude or limit an investigating official’s discretion to refer allegations within the Department of Justice for suit under the False Claims Act or other civil relief, or to defer or postpone a report or referral to the reviewing official to avoid interference with a criminal investigation or prosecution.

(d) Nothing in this section modifies any responsibility of an investigating official to report violations of criminal law to the appropriate component of the Department.

§ 71.5 Review by the reviewing official.

(a) If, based on the report of the investigating official under § 71.4(b), the reviewing official determines that there is adequate evidence to believe that a person is liable under § 71.3, the reviewing official shall transmit to the Assistant Attorney General, Civil Division, a written notice of the reviewing official’s intention to have a complaint issued under § 71.7. Such notice shall include

(1) A statement of the reviewing official’s reasons for issuing a complaint;

(2) A statement specifying the evidence that support the allegations of liability;

(3) A description of the claims or statements upon which the allegations of liability are based;

(4) An estimate of the amount of money, or the value of property, services, or other benefits, requested or demanded in violation of § 71.3 of this part;

(5) A statement describing the facts and circumstances supporting the allegations of liability.

§ 71.4 (28 CFR Ch. I (7–1–17 Edition))
(5) A statement of any exculpatory or mitigating circumstances that may relate to the claims or statements known by the reviewing official or the investigating official; and

(6) A statement that there is a reasonable prospect of collecting an appropriate amount of penalties and assessments.

§ 71.6 Prerequisites for issuing a complaint.

(a) The reviewing official may issue a complaint under §71.7 only if

(1) The Assistant Attorney General, Civil Division, approves the issuance of a complaint in a written statement described in 31 U.S.C. 3803(b)(1), and

(2) In the case of allegations of liability under §71.3(a) with respect to a claim, the reviewing official determines that, with respect to such claim or a group of related claims submitted at the same time such claim is submitted (as defined in paragraph (b) of this section), the amount of money, or the value of property or services, demanded or requested in violation of §71.3(a) does not exceed $150,000.

(b) For the purposes of this section, a related group of claims submitted at the same time shall include only those claims arising from the same transaction (e.g., grant, loan, application, or contract) that are submitted simultaneously as part of a single request, demand, or submission.

(c) Nothing in this section shall be construed to limit the reviewing official’s authority to join in a single complaint against a person claims that are unrelated or were not submitted simultaneously, regardless of the amount of money, or the value of property or services, demanded or requested.

§ 71.7 Complaint.

(a) On or after the date the Assistant Attorney General, Civil Division, approves the issuance of a complaint in accordance with 31 U.S.C. 3803(b)(1), the reviewing official may serve a complaint on the defendant, as provided in §71.8.

(b) The complaint shall state the following:

(1) The allegations of liability against the defendant, including the statutory basis for liability, an identification of the claims or statements that are the basis for the alleged liability, and the reasons why liability allegedly arises from such claims or statements;

(2) The maximum amount of penalties and assessments for which the defendant may be held liable;

(3) Instructions for filing an answer to request a hearing, including a specific statement of the defendant’s right to request a hearing by filing an answer and to be represented by a representative; and

(4) The fact that failure to file an answer within 30 days of service of the complaint will result in the imposition of the maximum amount of penalties and assessments without right to appeal, as provided in §71.10.

(c) At the same time the reviewing official serves the complaint, he or she shall serve the defendant with a copy of these regulations.

§ 71.8 Service of complaint.

(a) Service of a complaint must be made by certified or registered mail or by delivery in any manner authorized by Rule 4(d) of the Federal Rules of Civil Procedure. Service is complete upon receipt.

(b) Proof of service, stating the name and address of the person on whom the complaint was served, and the manner and date of service, may be made by

(1) Affidavit of the individual serving the complaint by delivery;

(2) A United States Postal Service return receipt card acknowledging receipt; or

(3) Written acknowledgment of receipt by the defendant or his or her representative.

§ 71.9 Answer.

(a) The defendant may request a hearing by filing an answer with the reviewing official within 30 days of service of the complaint. An answer shall be deemed to be a request for hearing.

(b) In the answer, the defendant

(1) Shall admit or deny each of the allegations of liability made in the complaint;

(2) Shall state any defense on which the defendant intends to rely;
§ 71.10 Default upon failure to file an answer.

(a) If the defendant does not file an answer within the time prescribed in §71.9(a), the reviewing official may refer the complaint to the ALJ.

(b) Upon the referral of the complaint, the ALJ shall promptly serve on the defendant in the manner prescribed in §71.8, a notice that an initial decision will be issued under this section.

(c) The ALJ shall assume the facts alleged in the complaint to be true and, if such facts establish liability under §71.3, the ALJ shall issue an initial decision imposing the maximum amount of penalties and assessments allowed under the statute.

(d) Except as otherwise provided in this section, by failing to file a timely answer the defendant waives any right to further review of the penalties and assessments imposed under paragraph (c) of this section and the initial decision shall become final and binding upon the parties 30 days after it is issued.

(e) If, before such an initial decision becomes final, the defendant files a motion with the ALJ seeking to reopen on the grounds that extraordinary circumstances prevented the defendant from filing an answer, the initial decision shall be stayed pending the ALJ’s decision on the motion.

(f) If, on such motion, the defendant can demonstrate extraordinary circumstances excusing the failure to file a timely answer, the ALJ shall withdraw the initial decision in paragraph (c) of this section, if such a decision has been issued, and shall grant the defendant an opportunity to answer the complaint.

(g) A decision of the ALJ denying a defendant’s motion under paragraph (e) of this section is not subject to reconsideration under §71.38.

(h) The defendant may appeal to the authority head the decision denying a motion to reopen by filing a notice of appeal with the authority head within 15 days after the ALJ denies the motion. The timely filing of a notice of appeal shall stay the initial decision until the authority head decides the issue.

(i) If the defendant files a timely notice of appeal with the authority head, the ALJ shall forward the record of the proceeding to the authority head.

(j) The authority head shall decide expeditiously whether extraordinary circumstances excuse the defendant’s failure to file a timely answer based solely on the record before the ALJ.

(k) If the authority head decides that extraordinary circumstances excused the defendant’s failure to file a timely answer, the authority head shall remand the case to the ALJ with instructions to grant the defendant an opportunity to answer.

(l) If the authority head decides that the defendant’s failure to file a timely answer is not excused, the authority head shall reinstate the initial decision of the ALJ, which shall become final and binding upon the parties 30 days after the authority head issues such decision.
§ 71.11 Referral of complaint and answer to the ALJ.

Upon receipt of an answer, the reviewing official shall file the complaint and answer with the ALJ.

§ 71.12 Notice of hearing.

(a) When the ALJ receives the complaint and answer, the ALJ shall promptly serve a notice of hearing upon the defendant in the manner prescribed by §71.8. At the same time, the ALJ shall send a copy of such notice to the reviewing official or his designee.

(b) Such notice shall include:

(1) The tentative time and place, and the nature of the hearing;

(2) The legal authority and jurisdiction under which the hearing is to be held;

(3) The matters of fact and law to be asserted;

(4) A description of the procedures for the conduct of the hearing;

(5) The name, address, and telephone number of the representative of the Government and of the defendant, if any; and

(6) Such other matters as the ALJ deems appropriate.

§ 71.13 Parties to the hearing.

(a) The parties to the hearing shall be the defendant and the authority.

(b) Pursuant to 31 U.S.C. 3730(c)(5), a private plaintiff under the False Claims Act may participate in these proceedings to the extent authorized by the provisions of that Act.

§ 71.14 Separation of functions.

(a) The investigating official, the reviewing official, and any employee or agent of the authority who takes part in investigating, preparing, or presenting a particular case may not, in such case or a factually related case:

(1) Participate in the hearing as the ALJ;

(2) Participate or advise in the initial decision or the review of the initial decision by the authority head, except as a witness or a representative in public proceedings; or

(3) Make the collection of penalties and assessments under 31 U.S.C. 3806.

(b) The ALJ shall not be responsible to or subject to the supervision or direction of the investigating official or the reviewing official.

§ 71.15 Ex parte contacts.

No party or person (except employees of the ALJ’s office) shall communicate in any way with the ALJ on any matter at issue in a case, unless on notice and opportunity for all parties to participate. This provision does not prohibit a person or party from inquiring about the status of a case or asking routine questions concerning administrative functions or procedures.

§ 71.16 Disqualification of reviewing official or ALJ.

(a) A reviewing official or ALJ in a particular case may disqualify himself or herself at any time.

(b) A party may file with the ALJ a motion for disqualification of a reviewing official or an ALJ. Such motion shall be accompanied by an affidavit alleging personal bias or other reason for disqualification.

(c) Such motion and affidavit shall be filed promptly upon the party’s discovery of reasons requiring disqualification, or such objections shall be deemed waived.

(d) Such affidavit shall state specific facts that support the party’s belief that personal bias or other reason for disqualification exists and the time and circumstances of the party’s discovery of such facts. It shall be accompanied by a certificate of the representative of record that it is made in good faith.

(e) Upon the filing of such a motion and affidavit, the ALJ shall proceed no further in the case until he or she resolves the matter of disqualification in accordance with this section.

(1) If the ALJ determines that a reviewing official is disqualified, the ALJ shall dismiss the complaint without prejudice.

(2) If the ALJ disqualifies himself or herself, the case shall be reassigned promptly to another ALJ.

(3) If the ALJ denies a motion to disqualify, the authority head may determine the matter only as part of his or her review of the initial decision upon appeal, if any.
§ 71.17 Rights of parties.

Except as otherwise limited by this part, all parties may:

(a) Be accompanied, represented, and advised by a representative;
(b) Participate in any conference held by the ALJ;

(f) Present and cross-examine witnesses;
(g) Present oral arguments at the hearing as permitted by the ALJ; and
(h) Submit written briefs and proposed findings of fact and conclusions of law after the hearing.

(b) The ALJ has the authority to:
   (1) Set and change the date, time, and place of the hearing upon reasonable notice to the parties;
   (2) Continue or recess the hearing in whole or in part for a reasonable period of time;
   (3) Hold conferences to identify or simplify the issues, or to consider other matters that may aid in the expeditious disposition of the proceeding;

   (13) Conduct any conference, argument, or hearing on motions in person or by telephone; and
   (14) Exercise such other authority as is necessary to carry out the responsibilities of the ALJ under this part.
(c) The ALJ does not have the authority to find Federal statutes or regulations invalid.

§ 71.19 Prehearing conferences.

(a) The ALJ may schedule prehearing conferences as appropriate.
(b) Upon the motion of any party, the ALJ shall schedule at least one prehearing conference at a reasonable time in advance of the hearing.
(c) The ALJ may use prehearing conferences to discuss the following:
   (1) Simplification of the issues;
   (2) The necessity or desirability of amendments to the pleadings, including the need for a more definite statement;
   (3) Stipulations and admissions of fact or as to the contents and authenticity of documents;
   (4) Whether the parties can agree to submission of the case on a stipulated record;
   (5) Whether a party chooses to waive appearance at an oral hearing and to submit only documentary evidence (subject to the objection of other parties) and written argument;
   (6) Limitation of the number of witnesses;
   (7) Scheduling dates for the exchange of witness lists and of proposed exhibits;
   (8) Discovery;
   (9) The time and place for the hearing; and
   (10) Such other matters as may tend to expedite the fair and just disposition of the proceedings.
(d) The ALJ may issue an order containing all matters agreed upon by the parties or ordered by the ALJ at a prehearing conference.

§ 71.20 Disclosure of documents.

(a) Upon written request to the reviewing official, the defendant may review any relevant and material documents, transcripts, records, and other materials that relate to the allegations set out in the complaint and upon which the findings and conclusions of
the investigating official under §71.4(b) are based, unless such documents are subject to a privilege under Federal law. Upon payment of fees for duplication, the defendant may obtain copies of such documents.

(b) Upon written request to the reviewing official, the defendant also may obtain a copy of all exculpatory information in the possession of the reviewing official or investigating official relating to the allegations in the complaint, even if it is contained in a document that would otherwise be privileged. If the document would otherwise be privileged, only that portion containing exculpatory information must be disclosed.

(c) The notice sent to the Assistant Attorney General, Civil Division, from the reviewing official as described in §71.5 is not discoverable under any circumstances.

(d) The defendant may file a motion to compel disclosure of the documents subject to the provisions of this section. Such a motion may only be filed with the ALJ following the filing of an answer pursuant to §71.9.

§ 71.21 Discovery.

(a) The following types of discovery are authorized:

(1) Requests for production of documents for inspection and copying;

(2) Requests for admissions of the authenticity of any relevant document or of the truth of any relevant fact;

(3) Written interrogatories; and

(4) Depositions.

(b) For the purpose of this section and §§71.22 and 71.23, the term “documents” includes information, documents, reports, answers, records, accounts, papers, and other data and documentary evidence. Nothing contained herein shall be interpreted to require the creation of a document.

(c) Unless mutually agreed to by the parties, discovery is available only as ordered by the ALJ. The ALJ shall regulate the timing of discovery.

(d) Motions for discovery are to be handled according to the following procedures:

(1) A party seeking discovery may file a motion with the ALJ. Such a motion shall be accompanied by a copy of the requested discovery, or in the case of depositions, a summary of the scope of the proposed deposition.

(2) Within ten days of service, a party may file an opposition to the motion and/or a motion for protective order as provided in §71.24.

(3) The ALJ may grant a motion for discovery only if he or she finds that the discovery sought

(i) Is necessary for the expeditious, fair, and reasonable consideration of the issues;

(ii) Is not unduly costly or burdensome;

(iii) Will not unduly delay the proceeding; and

(iv) Does not seek privileged information.

(4) The burden of showing that discovery should be allowed is on the party seeking discovery.

(5) The ALJ may grant discovery subject to a protective order under §71.24.

(e) Depositions are to be handled in the following manner:

(1) If a motion for deposition is granted, the ALJ shall issue a subpoena for the deponent, which may require the deponent to produce documents. The subpoena shall specify the time and place at which the deposition will be held.

(2) The party seeking to depose shall serve the subpoena in the manner prescribed in §71.8.

(3) The deponent may file with the ALJ within ten days of service a motion to quash the subpoena or a motion for a protective order.

(4) The party seeking to depose shall provide for the taking of a verbatim transcript of the deposition, which it shall make available to all other parties for inspection and copying.

(f) Each party shall bear its own costs of discovery.

§ 71.22 Exchange of witness lists, statements, and exhibits.

(a) At least 15 days before the hearing or at such other time as may be ordered by the ALJ, the parties shall exchange witness lists, copies of prior statements of proposed witnesses, and copies of proposed hearing exhibits, including copies of any written statements that the party intends to offer in lieu of live testimony in accordance with §71.33(b). At the time the above
documents are exchanged, any party that intends to rely on the transcript of deposition testimony in lieu of live testimony at the hearing, if permitted by the ALJ, shall provide each party with a copy of the specific pages of the transcript. It intends to introduce into evidence.

(b) If a party objects, the ALJ may not admit into evidence the testimony of any witness whose name does not appear on the witness list or any exhibit not provided to the opposing party as provided above unless the ALJ finds good cause for the failure or that there is no prejudice to the objecting party.

(c) Unless another party objects within the time set by the ALJ, documents exchanged in accordance with paragraph (a) of this section shall be deemed to be authentic for the purpose of admissibility at the hearing.

§ 71.23 Subpoenas for attendance at hearing.

(a) A party wishing to procure the appearance and testimony of any individual at the hearing may request that the ALJ issue a subpoena.

(b) A subpoena requiring the attendance and testimony of an individual may also require the individual to produce documents at the hearing.

(c) A party seeking a subpoena shall file a written request thereof not less than 15 days before the date fixed for the hearing unless otherwise allowed by the ALJ upon a showing of good cause. Such request shall specify any documents to be produced and shall designate the witnesses and describe the address and location thereof with sufficient particularity to permit such witnesses to be found.

(d) The subpoena shall specify the time and place at which the witness is to appear and any documents the witness is to produce.

(e) The party seeking the subpoena shall serve it in the manner prescribed in §71.8. A subpoena on a party or upon an individual under the control of a party may be served by first class mail.

(f) A party or the individual to whom the subpoena is directed may file with the ALJ a motion to quash the subpoena for compliance if it is less than ten days after service.

§ 71.24 Protective order.

(a) A party or a prospective witness or deponent may file a motion for a protective order with respect to discovery sought by an opposing party or with respect to the hearing, seeking to limit the availability or disclosure of evidence.

(b) In issuing a protective order, the ALJ may make any order which justice requires to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense, including one or more of the following:

(1) That the discovery not be had;

(2) That the discovery may be had only on specified terms and conditions, including a designation of the time or place;

(3) That the discovery may be had only through a method of discovery other than that requested;

(4) That certain matters not be the subject of inquiry, or that the scope of discovery be limited to certain matters;

(5) That discovery be conducted with no one present except persons designated by the ALJ;

(6) That the contents of discovery or evidence be sealed;

(7) That a sealed deposition be opened only by order of the ALJ;

(8) That a trade secret or other confidential research, development, commercial information, or facts pertaining to any criminal investigation, proceeding, or other administrative investigation not be disclosed or be disclosed only in a designated way; or

(9) That the parties simultaneously file specified documents or information enclosed in sealed envelopes to be opened as directed by the ALJ.

§ 71.25 Fees.

The party requesting a subpoena shall pay the cost of the fees and mileage of any witness subpoenaed in the amounts that would be payable to a witness in a proceeding in United States District Court. A check for witness fees and mileage shall accompany the subpoena when served, except that when a subpoena is issued on behalf of the authority, a check for witness fees
and mileage need not accompany the subpoena.

§ 71.26 Form, filing and service of papers.

(a) Form. Documents filed with the ALJ shall include an original and two copies. Every pleading and paper filed in the proceeding shall contain a caption setting forth the title of the action, the case number assigned by the ALJ, and a designation of the paper (e.g., motion to quash subpoena). Every pleading and paper shall be signed by, and shall contain the address and telephone number of the party or the person on whose behalf the paper was filed, or his or her representative.

(b) Filing. Papers are considered filed when they are mailed. Date of mailing may be established by a certificate from the party or its representative or by proof that the document was sent by certified or registered mail.

(c) Service. A party filing a document with the ALJ shall, at the time of filing, serve a copy of such document on every other party. Service upon any party of any document other than those required to be served as prescribed in §71.8 shall be made by delivering a copy or by placing a copy of the document in the United States mail, postage prepaid and addressed, to the party's last known address. When a party is represented by a representative, service shall be made upon such representative in lieu of the actual party.

(d) Proof of service. A certificate of the individual serving the document by personal delivery or by mail, setting forth the manner of service, shall be proof of service.

§ 71.27 Computation of time.

(a) In computing any period of time under this part or in an order issued thereunder, the time begins with the day following the act, event, or default, and includes the last day of the period, unless it is a Saturday, Sunday, or legal holiday observed by the Federal government, in which event it includes the next business day.

(b) When the period of time allowed is less than seven days, intermediate Saturdays, Sundays, and legal holidays observed by the Federal government shall be excluded from the computation.

(c) Where a document has been served or issued by placing it in the mail, an additional five days will be added to the time permitted for any response.

§ 71.28 Motions.

(a) Any application to the ALJ for an order or ruling shall be by motion. Motions shall state the relief sought, the authority relied upon, and the facts alleged, and shall be filed with the ALJ and served on all other parties.

(b) Except for motions made during a prehearing conference or at the hearing, all motions shall be in writing. The ALJ may require that oral motions be reduced to writing.

(c) Within 15 days after a written motion is served, or such other time as may be fixed by the ALJ, any party may file a response to such motion.

(d) The ALJ may not grant a written motion before the time for filing responses thereto has expired, except upon consent of the parties or following a hearing on the motion, but may overrule or deny such motion without awaiting a response.

(e) The ALJ shall make a reasonable effort to dispose of all outstanding motions prior to the beginning of the hearing.

§ 71.29 Sanctions.

(a) The ALJ may sanction a person, including any party or representative, for the following reasons:

1. Failure to comply with an order, rule, or procedure governing the proceeding;

2. Failure to prosecute or defend an action; or

3. Engaging in other misconduct that interferes with the speedy, orderly, or fair conduct of the proceeding.

(b) Any such sanction, including but not limited to those listed in paragraphs (c), (d), and (e) of this section, shall reasonably relate to the severity and nature of the failure or misconduct.

(c) When a party fails to comply with an order, including an order for taking a deposition, the production of evidence within the party's control, or a request for admission, the ALJ may
§ 71.30 The hearing and burden of proof.

(a) The ALJ shall conduct a hearing on the record in order to determine whether the defendant is liable for a civil penalty or assessment under §71.3 and, if so, the appropriate amount of any such civil penalty or assessment considering any aggravating or mitigating factors.

(b) The authority shall prove defendant’s liability and any aggravating factors by a preponderance of the evidence.

(c) The defendant shall prove any affirmative defenses and any mitigating factors by a preponderance of the evidence.

(d) The hearing shall be open to the public unless otherwise closed by the ALJ for good cause shown.

§ 71.31 Determining the amount of penalties and assessments.

(a) In determining an appropriate amount of civil penalties and assessments, the ALJ and the authority head, upon appeal, should evaluate any circumstances that mitigate or aggravate the violation and should articulate in their opinions the reasons that support the penalties and assessments they impose. Because of the intangible costs of fraud, the expense of investigating such conduct, and the need to deter others who might be similarly tempted, double damages and a significant civil penalty ordinarily should be imposed.

(b) Although not exhaustive, the following factors are among those that may influence the ALJ and the authority head in determining the amount of penalties and assessments to impose with respect to the misconduct (i.e., the false, fictitious, or fraudulent claims or statements) charged in the complaint:

(1) The number of false, fictitious, or fraudulent claims or statements;

(2) The time period over which such claims or statements were made;

(3) The degree of the defendant’s culpability with respect to the misconduct;

(4) The amount of money or the value of the property, services, or benefit falsely claimed;

(5) The value of the Government’s actual loss as a result of the misconduct, including foreseeable consequential damages and the costs of investigation;

(6) The relationship of the amount imposed as civil penalties to the amount of the Government’s loss;

(7) The potential or actual impact of the misconduct upon public confidence in the management of Government programs and operations;

(8) Whether the defendant has engaged in a pattern of the same or similar misconduct;

(9) Whether the defendant attempted to conceal the misconduct;

(10) The degree to which the defendant has involved others in the misconduct or in concealing it;

(11) Where the misconduct of employees or agents is imputed to the defendant, the extent to which the defendant’s practices fostered or attempted to preclude such misconduct;

(12) Whether the defendant cooperated in or obstructed an investigation of the misconduct;

(13) Whether the defendant assisted in identifying and prosecuting other wrongdoers;

(14) The complexity of the program or transaction, and the degree of the defendant’s sophistication with respect
Department of Justice § 71.34

to it, including the extent of the defendant’s prior participation in the program or in similar transactions;

(15) Whether the defendant has been found, in any criminal, civil, or administrative proceeding to have engaged in similar misconduct or to have dealt dishonestly with the Government of the United States or of a State, directly or indirectly; and

(16) The need to deter the defendant and others from engaging in the same or similar misconduct.

(c) Nothing in this section shall be construed to limit the ALJ or the authority head from considering any other factors that in any given case may mitigate or aggravate the offense for which penalties and assessments are imposed.

§ 71.32 Location of hearing.

(a) The hearing may be held:

(1) In any judicial district of the United States in which the defendant resides or transacts business;

(2) In any judicial district of the United States in which the claim or statement in issue was made; or

(3) In such other place as may be agreed upon by the defendant and the ALJ.

(b) Each party shall have the opportunity to present argument with respect to the location of the hearing.

(c) The hearing shall be held at the place and at the time ordered by the ALJ.

§ 71.33 Witnesses.

(a) Except as provided in paragraph (b) of this section, testimony at the hearing shall be given orally by witnesses under oath or affirmation.

(b) At the discretion of the ALJ, testimony may be admitted in the form of a written statement or deposition. Any such written statement must be provided to all other parties along with the last known address of such witness, in a manner which allows sufficient time for other parties to subpoena such witness for cross-examination at the hearing. Prior written statements of witnesses proposed to testify at the hearing and deposition transcripts shall be exchanged as provided in §71.22(a).

(c) The ALJ shall exercise reasonable control over the mode and order of interrogating witnesses and presenting evidence so as to—

(1) Make the interrogation and presentation effective for the ascertainment of the truth,

(2) Avoid needless consumption of time, and

(3) Protect witnesses from harassment or undue embarrassment.

(d) The ALJ shall permit the parties to conduct such cross-examination as may be required for a full and true disclosure of the facts.

(e) At the discretion of the ALJ, a witness may be cross-examined on matters relevant to the proceeding without regard to the scope of his or her direct examination. To the extent permitted by the ALJ, cross-examination on matters outside the scope of direct examination shall be conducted in the manner of direct examination and may proceed by leading questions only if the witness is a hostile witness, an adverse party, or a witness identified with an adverse party.

(f) Upon motion of any party, the ALJ shall order witnesses excluded so that they cannot hear the testimony of other witnesses. This rule does not authorize exclusion of the following:

(1) A party who is an individual;

(2) In the case of a party that is not an individual, an officer or employee of the party designated by the party’s representative; or

(3) An individual whose presence is shown by a party to be essential to the presentation of its case, including an individual employed by the Government engaged in assisting the representative for the Government.

§ 71.34 Evidence.

(a) The ALJ shall determine the admissibility of evidence.

(b) Except as provided in this part, the ALJ shall not be bound by the Federal Rules of Evidence. However, the ALJ may apply the Federal Rules of Evidence where appropriate, e.g., to exclude unreliable evidence.

(c) The ALJ shall exclude irrelevant and immaterial evidence.

(d) Although relevant, evidence may be excluded if its probative value is substantially outweighed by the danger
§ 71.35  The record.

(a) The hearing will be recorded and transcribed. Transcripts may be obtained following the hearing from the ALJ at a cost not to exceed the actual cost of duplication.

(b) The transcript of testimony, exhibits and other evidence admitted at the hearing, and all papers and requests filed in the proceeding constitute the record for the decision by the ALJ and the authority head.

(c) The record may be inspected and copied (upon payment of a reasonable fee) by anyone, unless otherwise ordered by the ALJ pursuant to §71.24.

§ 71.36  Post-hearing briefs.

ALJ may require the parties to file post-hearing briefs. In any event, any party may file a post-hearing brief. The ALJ shall fix the time for filing such briefs, not to exceed 60 days from the date the parties receive the transcript of the hearing or, if applicable, the stipulated record. Such briefs may be accompanied by proposed findings of fact and conclusions of law. The ALJ may permit the parties to file reply briefs.

§ 71.37  Initial decision.

(a) The ALJ shall issue an initial decision based only on the record, which shall contain findings of fact, conclusions of law, and the amount of any penalties and assessments imposed.

(i) The authority head may affirm, reduce, reverse, compromise, remand, or settle any penalty or assessment, determined by the ALJ in any initial decision.

(j) The authority head shall promptly serve each party to the appeal with a copy of the decision of the authority head and a statement describing the right of any person determined to be liable for a penalty or assessment to seek judicial review.

Payment will be made in the order of date of birth pursuant to section 105(b) of the Act. Therefore, when funds are appropriated, payment will be made to the oldest eligible individual living on the date of the enactment of the Act, August 10, 1988, (or his or her statutory heirs) who has been located by the Administrator at that time. Payments will continue to be made until all eligible individuals have received payment.

§ 74.13 Payment in the case of a deceased eligible individual.

In the case of an eligible individual as described in §74.3 who is deceased, payment shall be made only as follows—

(a) If the eligible individual is survived by a spouse who is living at the time of payment, such payment shall be made to such surviving spouse.
§ 74.14 Determination of the relationship of statutory heirs.

(a) A spouse of a deceased eligible individual must establish his or her marriage by one (or more) of the following:

(1) A copy of the public record of marriage, certified or attested;
(2) An abstract of the public record, containing sufficient data to identify the parties, the date and place of marriage, and the number of prior marriages by either party if shown on the official record, issued by the officer having custody of the record or other public official authorized to certify the record;
(3) A certified copy of the religious record of marriage;
(4) The official report from a public agency as to a marriage which occurred while the deceased eligible individual was employed by such agency;
(5) An affidavit of the clergyman or magistrate who officiated;
(6) The original certificate of marriage accompanied by proof of its genuineness;
(7) The affidavits or sworn statements of two or more eyewitnesses to the ceremony;
(8) In jurisdictions where “Common Law” marriages are recognized, the affidavits or certified statements of the spouse setting forth all of the facts and circumstances concerning the alleged marriage, such as the agreement between the parties at the beginning of their cohabitation, places and dates of residences, and whether children were born as the result of the relationship. This evidence should be supplemented by affidavits or certified statements from two or more persons who know as the result of personal observation the reputed relationship which existed between the parties to the alleged marriage, including the period of cohabitation, places of residences, whether the parties held themselves out as husband and wife and whether they were generally accepted as such in the communities in which they lived; or

(1) A birth certificate showing that the deceased eligible individual was the child’s parent;
(2) An acknowledgment in writing signed by the deceased eligible individual;
(3) Evidence that the deceased eligible individual has been identified as the child’s parent by a judicial decree ordering the deceased eligible individual to contribute to the child’s support or for other purposes; or
(4) Any other evidence that reasonably supports a finding of a parent-child relationship, such as—
   (i) A certified copy of the public record of birth or a religious record showing that the deceased eligible individual was the informant and was named as the parent of the child;
   (ii) Affidavits or sworn statements of a person who knows that the deceased eligible individual accepted the child as his or hers; or

(c) Except as may be provided in paragraph (b) of this section, evidence of the relationship by an adopted child must be shown by a certified copy of the decree of adoption. In jurisdictions
§ 74.15 Where petition must be made to the court for release of adoption documents or information, or where the release of such documents or information is prohibited, a revised birth certificate will be sufficient to establish the fact of adoption.

(d) The relationship of a step-child to a deceased eligible individual shall be demonstrated by—

(1) Evidence of birth to the spouse of the deceased eligible individual as required by paragraphs (e) and (f) of this section;
(2) Evidence of adoption as required by section (b) of this section when the step-child was adopted by the spouse;
(3) Other evidence which reasonably supports the finding of a parent-child relationship between the child and the spouse;
(4) Evidence that the step-child was either living with or in a parent-child relationship with the deceased eligible individual at the time of the eligible individual’s death; and
(5) Evidence of the marriage of the deceased eligible individual and the step-child’s natural or adoptive parent, as required by paragraph (a) of this section.

(1) A birth certificate that shows the person to be the deceased eligible individual’s parent;
(2) An acknowledgment in writing signed by the person before the eligible individual’s death; or

   (i) A certified copy of the public record of birth or a religious record showing that the person was the informant and was named as the parent of the deceased eligible individual;
   (ii) Affidavits or sworn statements of persons who know the person had accepted the deceased eligible individual as his or her child; or
   (iii) Information obtained from public records or a public agency such as school or welfare agencies, which shows that with the deceased eligible individual’s knowledge, the person had been named as parent of the child.

(f) An adoptive parent of a deceased eligible individual must show one of the following as evidence—

(1) A certified copy of the decree of adoption and such other evidence as may be necessary; or
(2) In jurisdictions where petition must be made to the court for release of such documents or information, or where release of such documents or information is prohibited, a revised birth certificate showing the person as the deceased eligible individual’s parent will suffice.

Subpart E—Appeal Procedures

§ 74.15 Notice of the right to appeal a finding of ineligibility.

Persons determined to be ineligible by the Administrator will be notified in writing of the determination, the right to petition for a reconsideration of the determination of ineligibility to the Assistant Attorney General for Civil Rights, and the right to submit any documentation in support of eligibility.

(m) Date of original production or original production date means the date the primary producer actually filmed, videotaped, or photographed, or created a digitally- or computer-manipulated image or picture of, the visual depiction of an actual human being engaged in actual or simulated sexually explicit conduct. For productions that occur over more than one date, it means the single date that was the first of those dates. For a performer who was not 18 as of this date, the date of original production is the date that such a performer was first actually filmed, videotaped, photographed, or otherwise depicted. With respect to matter that is a secondarily produced compilation of individual, primarily produced depictions, the date of original production of the matter is the earliest date after July 3, 1995, on which any individual depiction in that compilation was produced. For a performer in one of the individual depictions contained in that compilation who was not 18 as of this date, the date of original production is the date that the performer was first actually filmed, videotaped, photographed, or otherwise depicted for the individual depiction at issue.

(n) Sexually explicit conduct has the meaning set forth in 18 U.S.C. 2256(2).

(o) Simulated sexually explicit conduct means conduct engaged in by performers that is depicted in a manner that would cause a reasonable viewer to believe that the performers engaged in actual sexually explicit conduct, even if they did not in fact do so. It does not mean not sexually explicit conduct that is merely suggested.

(p) Regularly and in the normal course of business collects and maintains means any business practice(s) that ensure that the producer confirms the identity and age of all employees who perform in visual depictions.

(q) Individually identifiable information means information about the name, address, and date of birth of employees that is capable of being retrieved on the basis of a name of an employee who appears in a specified visual depiction.

(r) All performers, including minor performers means all performers who appear in any visual depiction, no matter for how short a period of time.

(s) Employed by means, in reference to a performer, one who receives pay for performing in a visual depiction or is
§ 75.2 Maintenance of records.

(a) Any producer of any book, magazine, periodical, film, videotape, digitally- or computer-manipulated image, digital image, picture, or other matter that is produced in whole or in part with materials that have been mailed, shipped in interstate or foreign commerce, or is shipped, transported, or intended for shipment or transportation in interstate or foreign commerce, and that contains one or more visual depictions of an actual human being engaged in actual sexually explicit conduct (except lascivious exhibition of the genitals or pubic area of any person) made after July 3, 1995, or one or more visual depictions of an actual human being engaged in simulated sexually explicit conduct or in actual sexually explicit conduct limited to lascivious exhibition of the genitals or pubic area of any person made after March 18, 2009, the records shall include a copy of the depiction, and, where the depiction is published on an Internet computer site or service, a copy of any URL associated with the depiction. If no URL is associated with the depiction, the records shall include another uniquely identifying reference associated with the location of the depiction on the Internet. For any performer in a depiction performed live on the Internet, the records shall include a copy of the depiction with running-time sufficient to identify the performer in the depiction and to associate the performer with the records needed to confirm his or her age.

(2) Any name, other than the performer’s legal name, ever used by the performer, including the performer’s maiden name, alias, nickname, stage name, or professional name. For any performer portrayed in a visual depiction of an actual human being engaged in actual sexually explicit conduct (except lascivious exhibition of the genitals or pubic area of any person) made after July 3, 1995, or of an actual human being engaged in simulated sexually explicit conduct or in actual sexually explicit conduct limited to lascivious exhibition of the genitals or pubic area of any person made after March 18, 2009, such names shall be indexed by the title or identifying number of the book, magazine, film, videotape, digitally- or computer-manipulated image, digital image, picture, URL, or other matter. Producers may rely in good faith on representations by performers regarding accuracy of the names, other than legal names, used by performers.

(3) Records required to be created and maintained under this part shall be organized alphabetically, or numerically where appropriate, by the legal name of the performer (by last or family name, then first or given name), and
shall be indexed or cross-referenced to each alias or other name used and to each title or identifying number of the book, magazine, film, videotape, digitally- or computer-manipulated image, digital image, picture, URL, or other matter.

(d) The primary producer shall create a record of the date of original production of the depiction.

(b) A producer who is a secondary producer as defined in §75.1(c) may satisfy the requirements of this part to create and maintain records by accepting from the primary producer, as defined in §75.1(c), copies of the records described in paragraph (a) of this section. Such a secondary producer shall also keep records of the name and address of the primary producer from whom he received copies of the records. The copies of the records may be redacted to eliminate non-essential information, including addresses, phone numbers, social security numbers, and other information not necessary to confirm the name and age of the performer. However, the identification number of the picture identification card presented to confirm the name and age may not be redacted.

(c) The information contained in the records required to be created and maintained by this part need be current only as of the date of original production of the visual depiction to which the records are associated. If the producer subsequently produces an additional book, magazine, film, videotape, digitally- or computer-manipulated image, digital image, or picture, or other matter (including but not limited to an Internet computer site or service) that contains one or more visual depictions of an actual human being engaged in actual or simulated sexually explicit conduct made by a performer for whom he maintains records as required by this part, the producer shall add the additional title or identifying number and the names of the performer to the existing records, and such records shall thereafter be maintained in accordance with this paragraph.

(e) Records required to be maintained under this part shall be segregated from all other records, shall not contain any other records, and shall not be contained within any other records.

(f) Records required to be maintained under this part may be kept either in hard copy or in digital form, provided that they include scanned copies of forms of identification and that there is a custodian of the records who can authenticate each digital record.

(g) Records are not required to be maintained by either a primary producer or by a secondary producer for a visual depiction of sexually explicit conduct.
conduct that consists only of lascivious exhibition of the genitals or pubic area of a person, and contains no other sexually explicit conduct, whose original production date was prior to March 18, 2009.

(b) A primary or secondary producer may contract with a non-employee custodian to retain copies of the records that are required under this part. Such custodian must comply with all obligations related to records that are required by this Part, and such a contract does not relieve the producer of his liability under this part.

§ 75.3 Categorization of records.
Records required to be maintained under this part shall be categorized alphabetically, or numerically where appropriate, and retrievable to: All name(s) of each performer, including any alias, maiden name, nickname, stage name or professional name of the performer; and according to the title, number, or other similar identifier of each book, magazine, periodical, film, videotape, digitally- or computer-manipulated image, digital image, or picture, or other matter (including but not limited to Internet computer site or services). Only one copy of each picture of a performer’s picture identification card and identification document must be kept as long as each copy is categorized and retrievable according to any name, real or assumed, used by such performer, and according to any title or other identifier of the matter.

§ 75.4 Location of records.
Any producer required by this part to maintain records shall make such records available at the producer’s place of business or at the place of business of a non-employee custodian of records. Each record shall be maintained for seven years from the date of creation or last amendment or addition. If the producer ceases to carry on the business, the records shall be maintained for five years thereafter. If the producer produces the book, magazine, periodical, film, videotape, digitally- or computer-manipulated image, digital image, or picture, or other matter (including but not limited to Internet computer site or services) as part of his control of or through his employment with an organization, records shall be made available at the organization’s place of business or at the place of business of a non-employee custodian of records. If the organization is dissolved, the person who was responsible for maintaining the records, as described in §75.6(b), shall continue to maintain the records for a period of five years after dissolution.

§ 75.5 Inspection of records.

(a) Authority to inspect. Investigators authorized by the Attorney General (hereinafter “investigators”) are authorized to enter without delay and at reasonable times any establishment of a producer where records under §75.2 are maintained to inspect during regular working hours and at other reasonable times, and within reasonable limits and in a reasonable manner, for the purpose of determining compliance with the record-keeping requirements of the Act and any other provision of the Act (hereinafter “investigator”).

(b) Advance notice of inspections. Advance notice of record inspections shall not be given.

(c) Conduct of inspections. (1) Inspections shall take place during normal business hours and at such places as specified in §75.4. For the purpose of this part, “normal business hours” are from 9 a.m. to 5 p.m., local time, Monday through Friday, or, for inspections to be held at the place of business of a producer, any other time during which the producer is actually conducting business relating to producing a depiction of actual sexually explicit conduct. To the extent that the producer does not maintain at least 20 normal business hours per week, the producer must provide notice to the inspecting agency of the hours during which records will be available for inspection, which in no case may be less than 20 hours per week.

(2) Upon commencing an inspection, the investigator shall:
   (i) Present his or her credentials to the owner, operator, or agent in charge of the establishment;

A producer may cause such statement to be affixed, for example, by instructing the manufacturer of the book, magazine, periodical, film, videotape, digitally- or computer-manipulated image, digital image, picture, or other matter to affix the statement. In this paragraph, the term "copy" includes every page of a Web site on which a visual depiction of an actual human being engaged in actual or simulated sexually explicit conduct appears.

(b) Every statement shall contain:
   (1) The title of the book, magazine, periodical, film, videotape, digitally- or computer-manipulated image, digital image, picture, or other matter (unless the title is prominently set out elsewhere in the book, magazine, periodical, film, or videotape, digitally- or computer-manipulated image, digital image, picture, or other matter) or, if there is no title, an identifying number or similar identifier that differentiates this matter from other matters which the producer has produced;

(c) If the producer is an organization, the statement shall also contain the title and business address of the person who is responsible for maintaining the records required by this part.

(d) The information contained in the statement must be accurate as of the date on which the book, magazine, periodical, film, videotape, digitally- or computer-manipulated image, digital image, picture, or other matter is produced or reproduced.

(e) For the purposes of this section, the required statement shall be displayed in typeface that is no less than
12-point type or no smaller than the second-largest typeface on the material and in a color that clearly contrasts with the background color of the material. For any electronic or other display of the notice that is limited in time, the notice must be displayed for a sufficient duration and of a sufficient size to be capable of being read by the average viewer.

(f) If the producer contracts with a non-employee custodian of records to serve as the person responsible for maintaining his records, the statement shall contain the name and business address of that custodian and may contain that information in lieu of the information required in paragraphs (b)(3) and (c) of this section.

§ 75.7 Exemption statement.

(a) Any producer of any book, magazine, periodical, film, videotape, digitally- or computer-manipulated image, digital image, picture, or other matter may cause to be affixed to every copy of the matter a statement attesting that the matter is not covered by the record-keeping requirements of 18 U.S.C. 2257(a)–(c) or 18 U.S.C. 2257A(a)–(c), as applicable, if:

(1) The matter contains visual depictions of actual sexually explicit conduct made only before July 3, 1995, or was last produced, manufactured, published, duplicated, reproduced, or reissued before July 3, 1995. Where the matter consists of a compilation of separate primarily produced depictions, the entirety of the conduct depicted was produced prior to July 3, 1995, regardless of the date of secondary production;

(3) The matter contains only some combination of the visual depictions described in paragraphs (a)(1) and (a)(2) of this section.

(b) If the primary producer and the secondary producer are different entities, the primary producer may certify to the secondary producer that the visual depictions in the matter satisfy the standards under paragraphs (a)(1) through (a)(3) of this section. The secondary producer may then cause to be affixed to every copy of the matter a statement attesting that the matter is not covered by the record-keeping requirements of 18 U.S.C. 2257(a)–(c) or 18 U.S.C. 2257A(a)–(c), as applicable, and of this part.

(b) Date of entry of orders. In computing any period of time involving the date of the entry of an order, the date of entry shall be the date the order is signed by the Judge.

(c) Computation of time for service by mail. Whenever a party has a right or is required to do some act or take some action within a prescribed period after service of a pleading, paper, or notice and the pleading, paper, or notice is served upon the party by mail, three (3) days shall be added to the prescribed period.

§ 76.9 Responsive pleading—answer.

(a) Time for answer. A respondent shall file and serve on the United States Attorney having jurisdiction over the matter an answer within thirty (30) days after the service of a complaint.

(b) Default. Failure of the respondent to file and serve an answer within the time provided shall be deemed to constitute a waiver of his or her right to appear and contest the allegations of the complaint. In such cases, the Judge may enter a judgment by default.

(c) Answer. Any respondent contesting any material fact alleged in a complaint, or contending that he or she is entitled to judgment as a matter of law, shall file an answer in writing.

(1) The answer shall include a statement of the facts supporting each affirmative defense.
(2) The answer shall include a statement that the respondent admits, denies, does not have and is unable to obtain sufficient information to admit or deny each allegation, or that an answer to the allegation is protected by a privilege, including the privilege against self-incrimination.

(3) A statement of lack of information or a statement that the answer to the allegation is privileged shall have the effect of a denial.

(4) Any allegation not denied shall be deemed to be admitted.

(d) Reply. A complainant may file a reply responding to each affirmative defense arrested if the Judge, pursuant to 28 CFR 76.10, so provides.

(e) Amendments and supplemental pleadings. If it will facilitate resolution of the controversy, the Judge may, upon such conditions as are necessary to avoid prejudicing the public interest and the rights of the parties, allow appropriate amendments to complaints and other pleadings at any time prior to the issuance of the Judge’s order based on the complaint. When issues not raised by the pleadings are reasonably within the scope of the original complaint and are tried by express or implied consent of the parties, they shall be treated in all respects as if they had been raised in the pleadings, and such amendments may be made as necessary to make the pleadings conform to the evidence. The Judge may, upon reasonable notice and such terms as are just, permit supplemental pleadings setting forth transactions, occurrences, or events which have happened or new law promulgated since the date of the pleadings and which are relevant to any of the issues involved.

§ 76.10 Motions and requests.

(a) Generally. Any application for an order or any other request shall: be made by motion which shall be in writing (unless the Judge in the course of an oral hearing or appearance consents to accept such motion orally), state with particularity the grounds therefor, and set forth the relief or order sought. Motions or requests made during the course of any oral hearing or appearance before a Judge may be stated orally or in writing and made part of the transcript. All parties shall be given reasonable opportunity to respond or object to the motion or request.

(b) Responses to motions. Within ten (10) days after a written motion is served, or within such other period as the Judge may fix, the other party to the proceeding may file a response to the motion, accompanied by such affidavits or other evidence as the party desires to rely upon. Unless the Judge provides otherwise, no reply to a response shall be filed.

(c) Oral arguments or briefs. No oral argument will be heard on motions unless the Judge otherwise directs. Written memoranda or briefs may be filed with motions or responses to motions, stating the points and authorities relied upon in support of the position taken.

§ 76.11 Notice of hearing.

(a) When the Judge receives the complaint and answer, the Judge shall cause to be served a Notice of Hearing upon the parties in the manner prescribed by 28 CFR 76.6(d).

(b) Such notice shall include:

(1) The time and place and nature of the hearing. In fixing the time and place of the hearing, the Judge will attempt to minimize the costs to the parties;

(2) The legal authority and jurisdiction under which the hearing is to be held;

(3) The description of the procedures for the conduct of the hearing;

(4) A notice that the respondent party may waive the right to an oral hearing and request that the matter be determined on written motions and written submission of the evidence; and

(5) Such other matters as the Judge deems appropriate.

§ 76.12 Prehearing statements.

(a) Generally. Any application for an order or any other request shall: be made by motion which shall be in writing (unless the Judge in the course of an oral hearing or appearance consents to accept such motion orally), state with particularity the grounds therefor, and set forth the relief or order sought. Motions or requests made during the course of any oral hearing or appearance before a Judge may be stated orally or in writing and made part of the transcript. All parties shall be given reasonable opportunity to respond or object to the motion or request.

(b) Responses to motions. Within ten (10) days after a written motion is served, or within such other period as the Judge may fix, the other party to the proceeding may file a response to the motion, accompanied by such affidavits or other evidence as the party desires to rely upon. Unless the Judge provides otherwise, no reply to a response shall be filed.

(c) Oral arguments or briefs. No oral argument will be heard on motions unless the Judge otherwise directs. Written memoranda or briefs may be filed with motions or responses to motions, stating the points and authorities relied upon in support of the position taken.

(2) The legal authority and jurisdiction under which the hearing is to be held;

(3) The description of the procedures for the conduct of the hearing;

(4) A notice that the respondent party may waive the right to an oral hearing and request that the matter be determined on written motions and written submission of the evidence; and

(5) Such other matters as the Judge deems appropriate.

§ 76.12 Prehearing statements.

(a) At any time prior to the commencement of the hearing, the Judge may order any party to file a prehearing statement of position.

(b) A prehearing statement shall state the name of the party on whose behalf it is presented and shall briefly set forth the following matters, unless otherwise ordered by the Judge:
(1) Issues involved in the proceedings and whether the respondent requests an oral hearing;
(2) Facts stipulated;
(3) Facts in dispute;
(4) Witnesses, except to the extent that disclosure would be privileged, and exhibits by which disputed facts will be litigated;
(5) A brief statement of applicable law;
(6) The conclusions to be drawn;
(7) The estimated time required for presentation of the party’s case; and
(8) Any appropriate comments, suggestions, or information which might assist the parties or the Judge in preparing for the hearing or otherwise aid in the disposition of the proceeding.

§ 76.13 Parties to the hearing.

The parties to the hearing shall be the United States of America and the respondent.

§ 76.14 Separation of functions.

An employee or an agent of the Department who is or was engaged in investigative or prosecutive functions for or on behalf of the United States in a case may not participate in the decision of that case.

§ 76.15 Ex parte communications.

(a) Generally. The Judge shall not consult with any party, attorney or person (except persons in the office of the Judge) on any legal or factual issue unless upon notice and opportunity for all parties to participate. No party or attorney representing a party shall communicate in any instance with the Judge on any matter at issue in a case, unless notice and opportunity has been afforded for the other party to participate. This provision does not prohibit a party or attorney from inquiring about the status of a case or asking questions concerning administrative functions or procedures.

(b) Sanctions. A party or participant who makes a prohibited ex parte communication, or who encourages or solicits another to make any such communication, may be subject to any appropriate sanctions. An attorney who makes a prohibited ex parte communication, or who encourages or solicits another to make any such communic-

(3) Hold conferences to identify or simplify the issues, or to consider other matters that may aid in the expeditious disposition of the proceeding;

(4) Administer oaths and affirmations;

(5) Issue subpoenas in accordance with 21 U.S.C. 875 and 876 requiring the attendance of witnesses and the production of documents at dispositions or at hearings;

(c) The Judge does not have the authority to rule upon the validity of federal statutes or regulations.

§ 76.19 Prehearing conferences.

(a) Purpose and scope. Upon motion of a party or in the Judge’s discretion, the Judge may direct the parties or their counsel to participate in a prehearing conference at any reasonable time prior to a hearing, or during the course of a hearing, when the Judge finds that the proceeding would be expedited by such a conference. Prehearing conferences normally shall be conducted by telephone unless, in the opinion of the Judge, such method would be impractical, or when such conferences can be conducted in a more expeditious or effective manner by correspondence or personal appearance. Reasonable notice of the time, place, and manner of the prehearing conference shall be given. At the conference, the following matters may be considered:

(1) The simplification of issues;

(2) The necessity of amendments to pleadings;

(3) The possibility of obtaining stipulations of facts and of the authenticity, accuracy, and admissibility of documents, which will avoid unnecessary proof;

(4) The limitations on the number of expert or other witnesses;

(5) Negotiation, compromise, or settlement of issues;

(6) The exchange of copies of proposed exhibits;

(7) The identification of documents or matters of which official notice may be required;

(8) A schedule to be followed by the parties for completion of the actions decided at the conference; and

(9) Such other matters, including the disposition of pending motions and resolution of issues regarding the admissibility of evidence, as may expedite and aid in the disposition of the proceeding.

(b) Reporting. A verbatim record of the conference shall not be kept unless directed by the Judge.

(c) Order. Actions taken as a result of a prehearing conference shall be reduced to a written order unless the Judge concludes that a stenographic report shall suffice or, if the conference takes place within seven (7) days of the beginning of a hearing, and the Judge elects to make a statement on the record at the hearing summarizing the actions taken.
§ 76.20 Consent Order or settlement prior to hearing.

(a) Generally. At any time after the commencement of a proceeding, the parties jointly may move to defer the hearing for a reasonable time to permit negotiation of a settlement or an agreement containing consent findings and an order disposing of the whole or any part of the proceeding. The allowance of such deferment and the duration thereof shall be at the discretion of the Judge, after consideration of such factors as the nature of the proceeding, the requirements of the public interest, the representations of the parties, and the probability of reaching an agreement which will result in a just disposition of the issue involved. The Judge may require the parties to submit progress reports on a regular basis as to the status of negotiations.

(b) Consent orders. Any agreement containing consent findings and an order disposing of a proceeding or any part thereof shall also provide:

(1) That the order shall have the same force and effect as an order made after full hearing;
(2) That the entire record on which any order may be based shall consist solely of the complaint or notice of administrative determination (or amended notice, if one is filed), as appropriate, and the agreement;
(3) A waiver of any further procedural steps before the Judge; and
(4) A waiver of any right to challenge or contest the validity of the order entered into in accordance with the agreement.

(c) Submission. On or before the expiration of the time granted for negotiations, the parties or their counsel may:

(1) Submit the proposed agreement containing consent findings and an order for consideration by the Judge; or
(2) Notify the Judge that the parties have reached a full settlement and have agreed to dismissal of the action; or
(3) Inform the Judge that agreement cannot be reached.

(d) Disposition. In the event that an agreement containing consent findings and an order is submitted, the Judge, within thirty (30) days or as soon as practicable thereafter may, if satisfied with its timeliness, form, and substance, accept such agreement by issuing a decision based upon the agreed findings. The Judge has the discretionary authority to conduct a hearing to determine the fairness of the agreement, consent findings, and proposed order.

§ 76.21 Discovery.

(a) Scope. Discovery under this part covers any matter not otherwise privileged or protected by law, which is directly relevant to the issues involved in the case, including the existence, description, nature, custody, condition, and location of documents or other tangible things, and the identity and location of persons having knowledge of relevant facts. To the extent not inconsistent with this part, the Federal Rules of Civil Procedure may be used as a general guide for discovery practices in proceedings before the Judge. However, unless otherwise stated in this part, the Federal Rules shall be deemed to be instructive rather than controlling.

(b) Methods. Discovery may be obtained by one or more of the methods provided under the Federal Rules of Civil Procedure, including: written interrogatories, depositions, requests for production of documents or things for inspection or copying, and requests for admission addressed to parties.

(c) Procedures governing discovery—(1) Discovery from a party. A party seeking discovery from another party shall initiate the process by serving a request for discovery on the other party. The request for discovery shall:

(i) State the time limit for responding, as prescribed in 28 CFR 76.21(c)(4);
(ii) In the case of a request for a deposition of a party or an employee of a party shall
(A) Specify the time and place of the taking of the deposition, and
(B) Be served on the person to be deposed.

(2) Discovery from a nonparty. Whenever possible, a party seeking a deposition and/or production of documents from a nonparty shall attempt to obtain the nonparty's voluntary cooperation. A party seeking such discovery
from a nonparty may initiate such discovery by serving a request for discovery on the nonparty directly and by serving the other party. Upon failure to obtain voluntary cooperation, discovery from a nonparty may be sought by a written motion directed to the Judge in accordance with paragraph (c)(3) of this section.

(3) Discovery motions. (i) A party shall answer a discovery request within the time provided by 28 CFR 76.21(c)(4), either by furnishing to the requesting party the information or testimony requested, agreeing to make deponents available to testify within a reasonable time, or by stating an objection to the particular request and the reasons for objection. Upon the failure of a party to respond in full to a discovery request, the requesting party may file with the Judge a motion to compel. A copy of the motion shall be served on the other party. The motion shall be accompanied by:

(A) A copy of the original request and a statement showing the relevance and materiality of the information sought; and

(B) A copy of the objections to discovery or, where appropriate, a statement with accompanying affidavit that no response has been received.

(ii) If a nonparty will not voluntarily respond to a discovery request in full, the requesting party may file with the Judge a written motion seeking a subpoena. A copy of the motion shall be served on the other party in accordance with 28 CFR 76.23. The motion shall be accompanied by:

(A) A copy of the original request and a statement showing the relevance and materiality of the information sought; and

(B) A copy of the objections to discovery or, where appropriate, a statement with accompanying affidavit that no response has been received.

(C) In the case of a deposition, the date, time, and place of the proposed deposition.

(iii) The other party may respond to a motion to compel discovery or for issuance of a subpoena requiring a deposition or production of documents under this section by filing an opposition and/or a motion for a protective order in accordance with 28 CFR 76.24 within the time limits set forth in paragraph (c)(4)(iv) of this section.

(4) Time limits. (i) Discovery may be initiated after the filing of a complaint and shall be completed within the time designated by the Judge, but no later than seventy-five (75) days after the filing of the answer, unless a different time limit is set by the Judge after due consideration of the particular situation, including the dates set for hearing.

(ii) A party or nonparty shall file and serve a response to a discovery request promptly, but not later than twenty (20) days after the date of service of the request or order of the Judge.

(iii) A motion seeking a subpoena for the deposition testimony of a nonparty or for the production of documents by a nonparty, or a motion for an order compelling discovery from a party, shall be filed with the Judge and served upon the other party within ten (10) days of the date of service of objections, or within ten (10) days of the expiration of the time limit for response when no response is received, unless otherwise ordered by the Judge.

(iv) An opposition to a motion to compel, an opposition to a motion for an order to depose a nonparty or for the production of documents by a nonparty, or a motion for a protective order must be filed with the Judge and served upon the other party within ten (10) days of the date of service of the motion to which such motion relates.

(5) Orders for discovery. (i) Any order issued compelling discovery shall include, as appropriate:

(A) Provision for notice to the person to be deposed as to the time and place of such deposition;

(B) Such conditions or limitations concerning the conduct or scope of the discovery or the subject matter of the discovery as may be necessary to prevent undue delay or to protect a party or other individual or entity from undue expense, embarrassment or oppression;

(C) Limitations upon the time for conducting depositions, answering written interrogatories, or producing documentary evidence; and

(D) Other restrictions upon the discovery process as determined by the Judge.
§ 76.23 Subpoenas.

(a) Requests for the issuance of subpoenas requiring the attendance and testimony of witnesses or the production of documents or other evidence under 21 U.S.C. 875 and 876 shall be filed with the Judge. Subpoenas are not ordinarily required to obtain the attendance of federal employees as witnesses, but such testimony shall be sought first by filing a request with the United States Attorney.

(b) Requests for subpoenas shall be filed with the Judge in writing and shall specify with particularity the books, papers, or testimony desired, supported by a showing of general relevance and reasonable scope, and a statement of the facts expected to be proven thereby. Such request shall specify any documents to be produced and shall designate the witnesses and describe the address and location thereof with sufficient particularity to permit such witnesses or documents to be found.

(c) A party seeking a subpoena for the attendance of a witness at a hearing shall file a written request therefor not less than fifteen (15) days before the date fixed for the hearing unless otherwise allowed by the Judge upon a showing of good cause.

(d) The subpoena shall specify the time and place at which the witness is to appear and any documents the witness is to produce.

(e) Unless otherwise ordered by the Judge, the party seeking the subpoena is responsible for service of the subpoena. A subpoena may be served by any person at least eighteen (18) years of age who is not a party, including a private process server or other person authorized to serve process in actions brought in state courts of general jurisdiction or in Federal courts. Service shall be by personal delivery. Proof of service shall be made by affidavit of the person serving a subpoena entered on a true copy of the subpoena.

(f) A party or the individual to whom the subpoena is directed may file with the Judge a motion to quash the subpoena within ten (10) days after service.
§ 76.24 Protective order.

(a) A party or a prospective witness or deponent may seek to limit the availability or disclosure of evidence by filing a motion for a protective order with respect to discovery sought by an opposing party or with respect to the hearing.

(b) In issuing a protective order, the Judge may make any order which justice requires to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense, or to protect privileged information including one or more of the following orders:

1. That the discovery not be had;
2. That the discovery may be had only on specified terms and conditions, including a designation of the time or place;
3. That the discovery may be had only through a method of discovery other than that requested;
4. That certain matters not be the subject of inquiry, or that the scope of discovery be limited to certain matters;
5. That discovery be conducted with no one present except persons designated by the Judge;
6. That the contents of discovery or evidence be sealed;
7. That a sealed deposition be opened only by order of the Judge;
8. That the parties simultaneously file specified documents or information enclosed in sealed envelopes to be opened as directed by the Judge.

§ 76.25 Fees.

Unless otherwise ordered by the Judge, the party requesting a subpoena shall pay the cost of the fees and mileage of any witness subpoenaed. Such costs shall be in the amounts that would be payable to a witness in a proceeding in United States district court. A check for witness fees and mileage shall accompany the subpoena when served, except that when a subpoena is issued on behalf of the complainant, a check for witness fees and mileage need not accompany the subpoena.

§ 76.26 Sanctions.

(a) As necessary to meet the ends of justice, the Judge may impose sanctions upon any party or a party’s counsel, including, but not limited to sanctions based upon the following reasons:

1. Failure to comply with an order, rule, or procedure governing the proceeding;
2. Failure to prosecute an action; or
3. Engaging in other misconduct that interferes with the speedy, orderly, or fair conduct of the proceeding.

(b) Any such sanction, including but not limited to those listed in paragraphs (c), (d), and (e) of this section, shall reasonably relate to the severity and nature of the failure or misconduct.

(c) When a party fails to comply with an order, including an order for taking a deposition, the production of evidence within the party’s control, or a request for admission the Judge may, as appropriate under law:

1. Draw an inference in favor of the requesting party with regard to the information sought;
2. In the case of requests for admission as to unprivileged matters, deem admitted each matter of which an admission is requested;
3. Prohibit the party failing to comply with such order from introducing evidence concerning, or otherwise relying upon, testimony relating to the information sought;
4. Strike any appropriate part of the pleadings or other submissions of the party failing to comply with such order; and
§ 76.30 Evidence.

(a) The Judge shall determine the admissibility of evidence.

(b) Except as provided in this part, the Judge shall not be bound by the Federal Rules of Evidence. However, the Judge may apply the Federal Rules of Evidence where appropriate, e.g., to exclude unreliable evidence.

(c) The Judge shall exclude irrelevant and immaterial evidence.

(d) Although relevant, evidence may be excluded if its probative value is substantially outweighed by the danger of unfair prejudice, confusion of the issues, or by considerations of undue delay or needless presentation of cumulative evidence.

(e) Relevant evidence may be excluded if it is privileged under federal law.
§ 76.31 Standards of conduct.

(a) All persons appearing in proceedings before a Judge are expected to act with integrity and in an ethical manner.

(b) The Judge may exclude parties, witnesses, and their attorneys for refusal to comply with directions, continued use of dilatory tactics, refusal to adhere to reasonable standards of orderly and ethical conduct, failure to act in good faith, or violation of the prohibition against ex parte communications. The Judge shall state in the record the cause for suspending or barring an attorney from participation in a proceeding. Any attorney so suspended or barred may appeal to the Chief Administrative Hearing Officer for the District, or if there is no Chief Administrative Hearing Officer, to the Attorney General but no proceeding shall be delayed or suspended pending disposition of the appeal; provided, however, that the Judge shall suspend the proceeding for a reasonable time for the purpose of enabling the party to obtain another attorney.

§ 76.32 Hearing room conduct.

Proceedings shall be conducted in an orderly manner. The consumption of food or beverage, smoking, or rearranging of courtroom furniture, unless specifically authorized by the Judge, is prohibited.

§ 76.33 Legal assistance.

The Judge does not have authority to appoint counsel, nor can it refer a party to an attorney.

§ 76.34 Record of hearings.

(a) General. Unless otherwise agreed by the parties, a verbatim written record of all hearings shall be kept. All evidence upon which the Judge relies for decision shall be contained in the transcript of testimony, either directly or by appropriate reference. All exhibits introduced as evidence shall be marked for identification and incorporated into the record. Upon completion of the transcript, the transcript shall be filed by the official court reporter with the Judge, who will notify the parties. Transcripts may be obtained by the parties and the public from the official court reporter of record. Unless otherwise ordered by the Judge, any fees in connection therewith shall be the responsibility of the parties.

(b) Corrections. Corrections to the official transcript will be permitted upon motion. Motions for corrections must be submitted within ten (10) days of the service by the Judge of the notice of the filing of the transcript, or such other time as may be permitted by the Judge. Corrections of the official transcript will be permitted only when errors of substance are involved and only upon approval of the Judge.

(c) The record of the proceedings shall consist of the notices, pleadings, motions, rulings, exhibits, orders, the findings, decisions or opinions of the Judge, the stipulations and briefs, and the transcript(s) of the hearing(s).

§ 76.35 Decision and Order of the Judge.

(a) Proposed decision and order. Within twenty (20) days of the filing of the transcript of the testimony, or such additional time as the Judge may allow, a party, if authorized by the Judge, may file proposed Findings of Fact, Conclusions of Law, and Order together with a supporting brief expressing the reasons for such proposals. Such proposals and briefs shall be served on all parties, and shall refer to all portions of the record and to all authorities relied upon in support of each proposal.

(b) Decision. Within a reasonable time, but not later than forty-five (45) days after the filing of the hearing transcript, and the time allowed for the filing of the post-hearing briefs, proposed Findings of Fact, Conclusions of Law, and Order, if any, or within thirty (30) days after receipt of an
agreement containing Consent Findings and Order disposing of the disputed matter in whole, the Judge shall make a decision. The decision of the Judge shall include Findings of Fact and Conclusions of Law upon each material issue of fact or law presented on the record. The decision of the Judge shall be based upon the whole record. It shall be supported by reliable and probative evidence. The standard of proof shall be a preponderance of the evidence. Such decision shall be in accordance with the regulations and the statutes conferring jurisdiction. If the Judge fails to meet the deadline contained in this paragraph, he or she shall notify the parties and the Attorney General of the reason for the delay and shall set a new deadline.

(c) Order. If the Judge determines, by a preponderance of the evidence, that the respondent knowingly possessed a controlled substance that is listed in section 401(b)(1)(A) of the Controlled Substances Act (21 U.S.C. 841(b)) in violation of 21 U.S.C. 844, in an amount that, as specified by this part, is a personal use amount, the order shall require the respondent to pay a civil penalty of not more than $10,000 for each violation. If the Judge determines that a preponderance of the evidence does not establish that the respondent knowingly possessed a controlled substance as described above, for his or her personal use, then the order shall dismiss the complaint. A copy of the decision and order together with a record of the proceedings will be forwarded to the Attorney General.

§ 76.36 Administrative and judicial review.

(a) Upon entry of an order by a Judge, any party may file with the Attorney General, within ten (10) days of the date of the Judge’s decision and order, a written request for review of the decision and order together with supporting arguments. Within thirty (30) days from the date of the filing of the request for review, the Attorney General may enter an order which adopts, affirms, modifies or vacates the Judge’s order.

(b) If a party does not seek review of the Judge’s decision, or if the Attorney General enters no order within thirty (30) days from the date of the filing of the request for review, the order of the Judge becomes the final order of the Attorney General. If the Attorney General modifies or vacates the order, the order of the Attorney General becomes the final order.

§ 76.37 Collection of civil penalties.

(a) Collection of any penalty shall be the responsibility of the United States Attorney having jurisdiction over the matter.

(b) The United States Attorney having jurisdiction over the matter may commence a civil action in any appropriate district court of the United States for the purpose of recovering the amount assessed and an amount representing interest at a rate computed in accordance with 28 U.S.C. 1961.

§ 76.38 Deposit in the United States Treasury.

All amounts collected pursuant to this part shall be deposited as miscellaneous receipts in the United States Treasury.

§ 76.39 Compromise or settlement after Decision and Order of a Judge.

(a) The United States Attorney having jurisdiction over the case may, at any time before the Attorney General issues an order, compromise, modify, or remit, with or without conditions, any civil penalty imposed under this section.

(b) Any compromise or settlement must be in writing.

§ 76.40 Records to be public.

All documents contained in the records of formal proceedings for imposing a penalty under this part may be inspected and copied, unless ordered sealed by the Judge.
§ 76.41 Expungement of records.

(a) The Attorney General shall expunge all official Department records created pursuant to this part upon application of a respondent at any time after the expiration of three (3) years from the date of the final order of assessment if:

(2) The respondent has paid the penalty;

(3) The respondent has complied with any conditions imposed by the Attorney General;

(4) The respondent has not been convicted of a federal or state offense relating to a controlled substance as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802); and

(5) The respondent agrees to submit to a drug test, and such test shows the individual to be drug free.

(b) A non-public record of a disposition under this part shall be retained by the Department solely for the purpose of determining in any subsequent proceeding whether the person qualifies for a civil penalty or expungement under this part.

(c) If a record is expunged under this part, the individual for whom such an expungement was made shall not be held guilty of perjury, false swearing, or making a false statement by reason of his failure to recite or acknowledge a proceeding under this part or the results thereof in response to an inquiry made of him for any purpose.

§ 76.42 Limitations.

No action under this part shall be entertained unless commenced within five (5) years from the date on which the violation occurred.

PART 77—ETHICAL STANDARDS FOR ATTORNEYS FOR THE GOVERNMENT

Sec.
77.1 Purpose and authority.
77.2 Definitions.
77.3 Application of 28 U.S.C. 530B.
77.4 Guidance.
77.5 No private remedies.

AUTHORITY: 28 U.S.C. 530B.

SOURCE: Order No. 2216-99, 64 FR 19275, Apr. 20, 1999, unless otherwise noted.

§ 77.1 Purpose and authority.

(a) The Department of Justice is committed to ensuring that its attorneys perform their duties in accordance with the highest ethical standards. The purpose of this part is to implement 28 U.S.C. 530B and to provide guidance to attorneys concerning the requirements imposed on Department attorneys by 28 U.S.C. 530B.

(b) Section 530B requires Department attorneys to comply with state and local federal court rules of professional responsibility, but should not be construed in any way to alter federal substantive, procedural, or evidentiary law or to interfere with the Attorney General’s authority to send Department attorneys into any court in the United States.

(c) Section 530B imposes on Department attorneys the same rules of professional responsibility that apply to non-Department attorneys, but should not be construed to impose greater burdens on Department attorneys than those on non-Department attorneys or to alter rules of professional responsibility that expressly exempt government attorneys from their application.

(d) The regulations set forth in this part seek to provide guidance to Department attorneys in determining the rules with which such attorneys should comply.

§ 77.2 Definitions.

As used in this part, the following terms shall have the following meanings, unless the context indicates otherwise:

(a) The phrase attorney for the government means the Attorney General; the Deputy Attorney General; the Solicitor General; the Assistant Attorneys General for, and any attorney employed in, the Antitrust Division, Civil Division, Civil Rights Division, Criminal Division, Environment and Natural Resources Division, and Tax Division; the Chief Counsel for the DEA and any attorney employed in that office; the Chief Counsel for ATF and any attorney employed in that office; the General Counsel of the FBI and any attorney employed in that office or in the
(Office of General Counsel) of the FBI; any attorney employed in, or head of, any other legal office in a Department of Justice agency; any United States Attorney; any Assistant United States Attorney; any Special Assistant to the Attorney General or Special Attorney duly appointed pursuant to 28 U.S.C. 515; any Special Assistant United States Attorney duly appointed pursuant to 28 U.S.C. 543 who is authorized to conduct criminal or civil law enforcement investigations or proceedings on behalf of the United States; and any other attorney employed by the Department of Justice who is authorized to conduct criminal or civil law enforcement proceedings on behalf of the United States. The phrase attorney for the government also includes any independent counsel, or employee of such counsel, appointed under chapter 40 of title 28, United States Code. The phrase attorney for the government does not include attorneys employed as investigators or other law enforcement agents by the Department of Justice who are not authorized to represent the United States in criminal or civil law enforcement litigation or to supervise such proceedings.

(b) The term case means any proceeding over which a state or federal court has jurisdiction, including criminal prosecutions and civil actions. This term also includes grand jury investigations and related proceedings (such as motions to quash grand jury subpoenas and motions to compel testimony), applications for search warrants, and applications for electronic surveillance.

(c) The phrase civil law enforcement investigation means an investigation of possible civil violations of, or claims under, federal law that may form the basis for a civil law enforcement proceeding.

(d) The phrase civil law enforcement proceeding means a civil action or proceeding before any court or other tribunal brought by the Department of Justice under the authority of the United States to enforce federal laws or regulations, and includes proceedings related to the enforcement of an administrative subpoena or summons or civil investigative demand.

(e) The terms conduct and activity means any act performed by a Department attorney that implicates a rule governing attorneys, as that term is defined in paragraph (h) of this section.

(f) The phrase Department attorney[s] is synonymous with the phrase attorney[s] for the government as defined in this section.

(g) The term person means any individual or organization.

(h) The phrase state laws and rules and local federal court rules governing attorneys means rules enacted or adopted by any State or Territory of the United States or the District of Columbia or by any federal court, that prescribe ethical conduct for attorneys and that would subject an attorney, whether or not a Department attorney, to professional discipline, such as a code of professional responsibility. The phrase does not include:

(1) Any statute, rule, or regulation which does not govern ethical conduct, such as rules of procedure, evidence, or substantive law, whether or not such rule is included in a code of professional responsibility for attorneys;

(2) Any statute, rule, or regulation that purports to govern the conduct of any class of persons other than attorneys, such as rules that govern the conduct of all litigants and judges, as well as attorneys; or

(3) Any statute, rule, or regulation requiring licensure or membership in a particular state bar.

(i) The phrase state of licensure means the District of Columbia or any State or Territory where a Department attorney is duly licensed and authorized to practice as an attorney. This term shall be construed in the same manner as it has been construed pursuant to the provisions of Pub. L. 96–132, 93 Stat. 1040, 1044 (1979), and Sec. 102 of the Departments of Commerce, Justice and State, the Judiciary, and Related Agency Appropriations Act, 1999, Pub. L. 105–277.

(j)(1) The phrase where such attorney engages in that attorney’s duties identifies which rules of ethical conduct a Department attorney should comply with, and means, with respect to particular conduct:

(i) If there is a case pending, the rules of ethical conduct adopted by the
local federal court or state court before which the case is pending; or
   (ii) If there is no case pending, the rules of ethical conduct that would be applied by the attorney’s state of licensure.

(2) A Department attorney does not “engage[] in that attorney’s duties” in any state in which the attorney’s conduct is not substantial and continuous, such as a jurisdiction in which an attorney takes a deposition (related to a case pending in another court) or directs a contact to be made by an investigative agent, or responds to an inquiry by an investigative agent. Nor does the phrase include any jurisdiction that would not ordinarily apply its rules of ethical conduct to particular conduct or activity by the attorney.

(k) The phrase to the same extent and in the same manner as other attorneys means that Department attorneys shall only be subject to laws and rules of ethical conduct governing attorneys in the same manner as such rules apply to non-Department attorneys. The phrase does not, however, purport to eliminate or otherwise alter state or federal laws and rules and federal court rules that expressly exclude some or all government attorneys from particular limitations or prohibitions.

§ 77.3 Application of 28 U.S.C. 530B.

In all criminal investigations and prosecutions, in all civil investigations and litigation (affirmative and defensive), and in all civil law enforcement investigations and proceedings, attorneys for the government shall conform their conduct and activities to the state rules and laws, and federal local court rules, governing attorneys in each State where such attorney engages in that attorney’s duties, to the same extent and in the same manner as other attorneys in that State, as these terms are defined in §77.2 of this part.

§ 77.4 Guidance.

(a) Rules of the court before which a case is pending. A government attorney shall, in all cases, comply with the rules of ethical conduct of the court before which a particular case is pending.

(b) Inconsistent rules where there is a pending case. (1) If the rule of the attorney’s state of licensure would prohibit an action that is permissible under the rules of the court before which a case is pending, the attorney should consider:

   (i) Whether the attorney’s state of licensure would apply the rule of the court before which the case is pending, rather than the rule of the state of licensure;
   (ii) Whether the local federal court rule preempts contrary state rules; and
   (iii) Whether application of traditional choice-of-law principles directs the attorney to comply with a particular rule.

(2) In the process of considering the factors described in paragraph (b)(1) of this section, the attorney is encouraged to consult with a supervisor or Professional Responsibility Officer to determine the best course of conduct.

(c) Choice of rules where there is no pending case. (1) Where no case is pending, the attorney should generally comply with the ethical rules of the attorney’s state of licensure, unless application of traditional choice-of-law principles directs the attorney to comply with the ethical rule of another jurisdiction or court, such as the ethical rule adopted by the court in which the case is likely to be brought.

(2) In the process of considering the factors described in paragraph (c)(1) of this section, the attorney is encouraged to consult with a supervisor or Professional Responsibility Officer to determine the best course of conduct.

(d) Rules that impose an irreconcilable conflict. If, after consideration of traditional choice-of-law principles, the attorney concludes that multiple rules may apply to particular conduct and that such rules impose irreconcilable obligations on the attorney, the attorney should consult with a supervisor or Professional Responsibility Officer to determine the best course of conduct.

(e) Supervisory attorneys. Each attorney, including supervisory attorneys, must assess his or her ethical obligations with respect to particular conduct. Department attorneys shall not
direct any attorney to engage in conduct that violates section 530B. A supervisor or other Department attorney who, in good faith, gives advice or guidance to another Department attorney about the other attorney’s ethical obligations should not be deemed to violate these rules.

(f) Investigative Agents. A Department attorney shall not direct an investigative agent acting under the attorney’s supervision to engage in conduct under circumstances that would violate the attorney’s obligations under section 530B. A Department attorney who in good faith provides legal advice or guidance upon request to an investigative agent should not be deemed to violate these rules.

§ 77.5 No private remedies.

The principles set forth herein, and internal office procedures adopted pursuant hereto, are intended solely for the guidance of attorneys for the government. They are not intended to, do not, and may not be relied upon to create a right or benefit, substantive or procedural, enforceable at law by a party to litigation with the United States, including criminal defendants, targets or subjects of criminal investigations, witnesses in criminal or civil cases (including civil law enforcement proceedings), or plaintiffs or defendants in civil investigations or litigation; or any other person, whether or not a party to litigation with the United States, or their counsel; and shall not be a basis for dismissing criminal or civil charges or proceedings or for excluding relevant evidence in any judicial or administrative proceeding. Nor are any limitations placed on otherwise lawful investigative prerogatives of the Department of Justice as a result of this part.

The Act authorizes the Attorney General of the United States to establish procedures for making certain payments to qualifying individuals who contracted one of the diseases listed in the Act. The amount of each payment and a general statement of the qualifications are indicated in §79.3(a). The procedures established in this part are designed to utilize existing records so that claims can be resolved in a reliable, objective, and non-adversarial manner, quickly and with little administrative cost to the United States or to the person filing the claim.

(a) Proof of physical presence may be made by the submission of any trustworthy contemporaneous record that, on its face or in conjunction with other such records, establishes that the claimant was present in the affected area for the requisite period during the designated time period. Examples of such records include:

(1) Records of the federal government (including verified information submitted for a security clearance), any tribal government, or any state, county, city or local governmental office, agency, department, board or other entity, or other public office or agency;

(c) The Program will presume that an individual who resided or was employed on a full-time basis within the affected area was physically present during the time period of residence or full-time employment.

(d) For purposes of establishing eligibility under §79.12(a)(1), the Program will presume that proof of a claimant’s residence at one or more addresses or proof of full-time employment at one location within the affected area on any two dates less than three years apart during the period beginning on January 21, 1951, and ending on October 31, 1958, establishes the claimant’s presence within the affected area for the period between the two dates reflected in the documentation submitted as proof of presence.

(e) For purposes of establishing eligibility under §79.12(a)(1), the Program will presume that proof of residence at one or more addresses or proof of full-time employment at one location within the affected area on two dates, one of which is before January 21, 1951, and another of which is within the specified time period, establishes the claimant’s presence in the affected area between the date within the specified time period and October 31, 1958, provided the dates are not more than three years apart.

(g) For purposes of establishing eligibility under §79.12(a)(2), the Program will presume that proof of residence or proof of full-time employment within the affected area at least one day during the period beginning June 30, 1962, and ending July 31, 1962, and proof of residence or proof of full-time employment at the same address or location within six months before June 30, 1962, and six months after July 31, 1962, establishes the claimant’s physical presence for the necessary one-month-and-one-day period.

(h) For purposes of establishing eligibility under §79.12(a)(2), the Program will presume that proof of residence or full-time employment at the same address or location on two separate dates at least 14 days apart within the time period beginning June 30, 1962, and ending July 31, 1962, establishes the claimant’s physical presence for the necessary one-month-and-one-day period.

(i) For purposes of establishing eligibility under §79.12(a)(3), the claimant must establish, in accordance with §79.33, that he or she participated on-site in the atmospheric detonation of a nuclear device.

§79.14 Proof of initial exposure prior to age 21.

(a) Proof of the claimant’s date of birth must be established by the submission of any of the following:
(1) Birth certificate;
(2) Baptismal certificate;
(3) Tribal records; or
(4) Hospital records of birth.

(b) Absent any indication to the contrary, the Program will assume that the earliest date within the designated time period indicated on any records accepted by the Program as proof of the claimant’s physical presence in the area or participation during a period of atmospheric nuclear testing was also the date of initial exposure.
§ 79.15  Proof of onset of leukemia more than two years after first exposure.

The Program will presume that the date of onset was the date of diagnosis as indicated in the medical documentation accepted by the Program as proof of the claimant’s leukemia. The date of onset must be more than two years after the date of first exposure as determined under § 79.14(b).

§ 79.16  Proof of medical condition.

(a) Medical documentation is required in all cases to prove that the claimant suffered from or suffers from leukemia. Proof that the claimant contracted leukemia must be made either by using the procedure outlined in paragraph (b) of this section or by submitting the documentation required in paragraph (c) of this section.

(b) If a claimant was diagnosed as having leukemia in Arizona, Colorado, Nevada, New Mexico, Utah or Wyoming, the claimant or eligible surviving beneficiary need not submit any medical documentation of disease at the time the claim is filed (although medical documentation may subsequently be required). Instead, the claimant or eligible surviving beneficiary must submit with the claim an Authorization To Release Medical and Other Information, valid in the state of diagnosis, that authorizes the Program to contact the appropriate state cancer or tumor registry. The Program will accept as proof of medical condition verification from the state cancer or tumor registry that it possesses medical records or abstracts of medical records of the claimant that contain a verified diagnosis of one type of leukemia. If the designated state does not possess medical records or abstracts of medical records that contain a verified diagnosis of leukemia, the Radiation Exposure Compensation Program will notify the claimant or eligible surviving beneficiary and afford that individual the opportunity to submit additional medical documentation identified in this paragraph, in accordance with the provisions of § 79.72(b). Any such additional medical documentation submitted must also contain sufficient information from which appropriate authorities at the National Cancer Institute can determine the type of leukemia contracted by the claimant.

§ 79.20  Scope of subpart.

The regulations in this subpart describe the criteria for eligibility for compensation under sections 4(a)(2) (A) and (B) of the Act and the evidence that will be accepted as proof of the various eligibility criteria. Sections 4(a)(2) (A) and (B) of the Act provide for a payment of $50,000 to individuals who were exposed to fallout from the atmospheric detonation of nuclear devices at the Nevada Test Site due to their physical presence in an affected area during a designated time period and who later developed one or more specified compensable diseases.

§ 79.22 Criteria for eligibility for claims relating to certain specified diseases contracted after exposure in an affected area ("downwinders").

To establish eligibility for compensation under this subpart, a claimant or eligible surviving beneficiary must establish each of the following:

(a)(1) That the claimant was physically present at any place within the affected area for a period of at least two years (24 consecutive or cumulative months) during the period beginning on January 21, 1951, and ending on October 31, 1958; or

(2) That the claimant was physically present at any place within the affected area for the entire, continuous period beginning on June 30, 1962, and ending on July 31, 1962; and

(b) That after such period of physical presence the claimant contracted one of the following specified compensable diseases:

1. Leukemia (other than chronic lymphocytic leukemia), provided that:
   (i) The claimant’s initial exposure occurred after the age of 20; and
   (ii) The onset of the disease occurred at least two years after first exposure;

2. Multiple myeloma, provided onset occurred at least five years after first exposure;

§ 79.23 Proof of physical presence for the requisite period.

(a) Proof of physical presence for the requisite period may be made in accordance with the provisions of § 79.13(a) and (b). An individual who resided or was employed on a full-time basis within the affected area is presumed to have been physically present during the time period of residence or full-time employment.

(b) For purposes of establishing eligibility under § 79.22(a)(1), the Program will presume that proof of residence at one or more addresses or proof of full-time employment at one location within the affected area on any two dates less than three years apart, during the period beginning on January 21, 1951, and ending on October 31, 1958, establishes the claimant’s presence within the affected area for the period between the two dates reflected in the documentation submitted as proof of presence.

(c) For purposes of establishing eligibility under § 79.22(a)(1), the Program will presume that proof of residence at one or more addresses or proof of full-time employment at one location within the affected area on two dates, one of which is before January 21, 1951, and another of which is within the specified time period, establishes the claimant’s presence in the affected area between January 21, 1951, and the date within the specified time period, provided the dates are not more than three years apart.

(d) For purposes of establishing eligibility under § 79.22(a)(1), the Program will presume that proof of residence at one or more addresses or proof of full-time employment at one location within the affected area on two dates, one of which is after October 31, 1958, and another of which is within the specified time period, establishes the claimant’s presence in the affected area between the date within the specified time period and October 31, 1958, provided the dates are not more than three years apart.

(e) For purposes of establishing eligibility under § 79.22(a)(2), the Program will apply the presumptions contained in § 79.13(g) and (h).

§ 79.24 Proof of initial or first exposure after age 20 for claims under § 79.22(b)(1).

(a) Proof of the claimant’s date of birth must be established in accordance with the provisions of § 79.14(a).

(b) Absent any indication to the contrary, the Program will presume that the earliest date within the designated time period indicated on any records accepted by the Program as proof of the claimant’s physical presence in the affected area was the date of initial or first exposure.

§ 79.25 Proof of onset of leukemia at least two years after first exposure, and proof of onset of a specified compensable disease more than five years after first exposure.

The date of onset will be the date of diagnosis as indicated in the medical documentation accepted by the Radiation Exposure Compensation Program as proof of the claimant’s specified compensable disease. The date of onset must be at least five years after the date of first exposure as determined under § 79.24(b). In the case of leukemia, the date of onset must be at least two years after the date of first exposure.

§ 79.26 Proof of medical condition.

(a) Medical documentation is required in all cases to prove that the claimant suffered from or suffers from
any specified compensable disease. Proof that the claimant contracted a specified compensable disease must be made either by using the procedure outlined in paragraph (b) of this section or by submitting the documentation required in paragraph (c) of this section. (For claims relating to primary cancer of the liver, the claimant or eligible surviving beneficiary must also submit the additional medical documentation prescribed in §79.27.)

(b) If a claimant was diagnosed as having one of the specified compensable diseases in Arizona, Colorado, Nevada, New Mexico, Utah or Wyoming, the claimant or eligible surviving beneficiary need not submit any medical documentation of disease at the time the claim is filed (although medical documentation subsequently may be required). Instead, the claimant or eligible surviving beneficiary may submit with the claim an Authorization to Release Medical and Other Information, valid in the state of diagnosis, that authorizes the Program to contact the appropriate state cancer or tumor registry. The Program will accept as proof of medical condition verification from the state cancer or tumor registry that it possesses medical records or abstracts of medical records of the claimant that contain a verified diagnosis of one of the specified compensable diseases. If the designated state does not possess medical records or abstracts of medical records of the claimant, the Program will notify the claimant or eligible surviving beneficiary and afford that individual the opportunity to submit additional medical records identified in this paragraph, in accordance with the provisions of §79.72(b). The medical documentation submitted under this section to establish that the claimant contracted leukemia or a lymphoma must also contain sufficient information from which the appropriate authorities with the National Cancer Institute can determine the type of leukemia or lymphoma contracted by the claimant. Proof of leukemia shall be made by submitting one or more of the documents listed in §79.16(c).

§ 79.32 Criteria for eligibility for claims by onsite participants.

To establish eligibility for compensation under this subpart, a claimant or eligible surviving beneficiary must establish each of the following:

(a) That the claimant was present onsite at any time during a period of atmospheric nuclear testing;

(b) That the claimant was a participant during that period in the atmospheric detonation of a nuclear device; and

(c) That after such participation, the claimant contracted a specified compensable disease as set forth in §79.22(b).

§ 79.33 Proof of participation onsite during a period of atmospheric nuclear testing.

(a) Claimants associated with Department of Defense (DoD) Components or DoD Contractors. (1) A claimant or eligible surviving beneficiary who alleges that the claimant was present onsite during a period of atmospheric nuclear testing as a member of the armed forces or an employee or contractor employee of the DoD, or any of its components or agencies, must submit the following information on the claim form:

(i) The claimant’s name;
§ 79.34 Proof of medical condition.

Proof of medical condition under this subpart will be made in the same manner and according to the same procedures and limitations as are set forth in §§ 79.16 and 79.26.
§ 79.35 Proof of onset of leukemia at least two years after first exposure, and proof of onset of a specified compensable disease more than five years after first exposure.

Absent any indication to the contrary, the earliest date of onsite participation indicated on any records accepted by the Radiation Exposure Compensation Program as proof of the claimant’s onsite participation will be presumed to be the date of first or initial exposure. The date of onset will be the date of diagnosis as indicated on the medical documentation accepted by the Radiation Exposure Compensation Program as proof of the specified compensable disease. Proof of the onset of leukemia shall be established in accordance with § 79.15.

§ 79.36 Indication of the presence of hepatitis B or cirrhosis.

Possible indication of hepatitis B or cirrhosis will be determined in accordance with the provisions of § 79.27.

Subpart E—Eligibility Criteria for Claims by Uranium Miners

§ 79.40 Scope of subpart.

The regulations in this subpart define the eligibility criteria for compensation under section 5 of the Act pertaining to miners, i.e., uranium mine workers, and the nature of the evidence that will be accepted as proof of the various eligibility criteria. Section 5 of the Act provides for a payment of $100,000 to miners who contracted primary lung cancer or one of a limited number of nonmalignant respiratory diseases following exposure to a defined minimum level of radiation during employment in aboveground or underground uranium mines or following employment for at least one year in aboveground or underground uranium mines in specified states during the period beginning January 1, 1942, and ending December 31, 1971.

§ 79.41 Definitions.

(a) Cor pulmonale means heart disease, including hypertrophy of the right ventricle, due to pulmonary hypertension secondary to fibrosis of the lung.

(b) Designated time period means the period beginning on January 1, 1942, and ending on December 31, 1971.

(c) Employment for at least one year means employment for a total of at least one year (12 consecutive or cumulative months).

(d) Fibrosis of the lung or pulmonary fibrosis means chronic inflammation and scarring of the pulmonary interstitium and alveoli with collagen deposition and progressive thickening.

(e) Miner or uranium mine worker means a person who operated or otherwise worked in a uranium mine.

(f) National Institute for Occupational Safety and Health (NIOSH) certified “B” reader means a physician who is certified as such by NIOSH. A list of certified “B” readers is available from the Radiation Exposure Compensation Program upon request.

(g) Nonmalignant respiratory disease means fibrosis of the lung, pulmonary fibrosis, cor pulmonale related to fibrosis of the lung, silicosis, or pneumoconiosis.

(h) Pneumoconiosis means a chronic lung disease resulting from inhalation and deposition in the lung of particulate matter, and the tissue reaction to the presence of the particulate matter. For purposes of this subpart, the claimant’s exposure to the particulate matter that led to the disease must have occurred during employment in a uranium mine.

(i) Primary lung cancer means any physiological condition of the lung, trachea, or bronchus that is recognized under that name or nomenclature by the National Cancer Institute. The term includes in situ lung cancers.

(j) Readily available documentation means documents in the possession, custody, or control of the claimant or an immediate family member.

(k) Silicosis means a pneumoconiosis due to the inhalation of the dust of stone, sand, flint, or other materials containing silicon dioxide, characterized by the formation of pulmonary fibrotic changes.

(l) Specified state means Colorado, New Mexico, Arizona, Wyoming, South Dakota, Washington, Utah, Idaho, North Dakota, Oregon, or Texas. Additional states may be included, provided:
(1) A uranium mine was operated in such state at any time during the period beginning on January 1, 1942, and ending on December 31, 1971;

(2) The state submits an application to the Assistant Director (specified in §79.70(a)) to include such state; and

(3) The Assistant Director makes a determination to include such state.

(m) Uranium mine means any underground excavation, including “dog holes,” as well as open-pit, strip, rim, surface, or other aboveground mines, where uranium ore or vanadium-uranium ore was mined or otherwise extracted.

(n) Working level means the concentration of the short half-life daughters of radon that will release \((1.3 \times 10^5)\) million electron volts of alpha energy per liter of air.

(o) Working level month of radiation means radiation exposure at the level of one working level every work day for a month, or an equivalent cumulative exposure over a greater or lesser amount of time.

(p) Written diagnosis by a physician means a written determination of the nature of a disease made from a study of the signs and symptoms of a disease that is based on a physical examination of the patient, medical imaging or a chemical, microscopic, microbiologic, immunologic or pathologic study of physiologic and functional tests, secretions, discharges, blood, or tissue. For purposes of satisfying the requirement of a “written diagnosis by a physician” for living claimants specified in §79.46, a physician submitting a written diagnosis of a nonmalignant respiratory disease following such exposure.

§79.43 Proof of employment as a miner.

(a) The Claimant was employed as a miner in a specified state;

(b) The claimant was so employed at any time during the period beginning on January 1, 1942, and ending on December 31, 1971;

(c) The claimant was exposed during the course of his or her mining employment to 40 or more working level months of radiation or worked for at least one year in a uranium mine or mines during the period identified in paragraph (b) of this section; and

(d) The claimant contracted lung cancer or a nonmalignant respiratory disease following such exposure.

§79.43 Proof of employment as a miner.

(a) The Department will accept, as proof of employment for a designated time period, information contained in any of the following records:

(1) Records created by or gathered by the Public Health Service (PHS) in the course of any health studies of uranium workers during or including the period 1942–1990;

(2) Records of the Atomic Energy Commission (AEC), or any of its successor agencies; and

(4) Records of federally supported, health-related studies of uranium workers, including:

(i) Studies conducted by Geno Saccamanno, M.D., St. Mary’s Hospital, Grand Junction, Colorado; and

(ii) Studies conducted by Jonathan Samet, M.D., University of New Mexico School of Medicine.
If the claimant or eligible surviving beneficiary wishes to contest the accuracy of such records, then the claimant or eligible surviving beneficiary may provide one or more of the records identified in paragraph (c) of this section, and the Assistant Director will determine whether the employment history indicated in the records listed in paragraph (a) is correct.

(c) If the sources in paragraph (a) of this section do not contain information regarding the claimant’s uranium mine employment history, do not contain sufficient information to establish exposure to at least 40 working level months of radiation, do not contain sufficient information to establish uranium mining employment for one year during the period identified in §79.42(b), or if a claimant or eligible surviving beneficiary wishes to contest the accuracy of such records, then the claimant or eligible surviving beneficiary may submit records from any of the following sources, and the Assistant Director shall consider such records (in addition to any sources listed in paragraph (a) of this section) in order to determine whether the claimant has established the requisite employment history:

(1) Governmental records of any of the specified states, including records of state regulatory agencies, containing information on uranium mine workers and uranium mines;

(2) Records of any business entity that owned or operated a uranium mine, or its successor-in-interest;

(3) Records of the Social Security Administration reflecting the identity of the employer, the years and quarters of employment, and the wages received during each quarter;

(4) Federal or State income tax records that contain relevant statements regarding the claimant’s employer and wages;

(5) Records containing factual findings by any governmental judicial body, state worker’s compensation board, or any governmental administrative body adjudicating the claimant’s rights to any type of benefits (which will be accepted only to prove the fact of and duration of employment in a uranium mine);

(6) Statements in medical records created during the period 1942–1971 indicating or identifying the claimant’s employer and occupation;

(7) Records of an academic or scholarly study, not conducted in anticipation of or in connection with any litigation, and completed prior to 1990; and

(8) Any other contemporaneous record that indicates or identifies the claimant’s occupation or employer.

(d) To the extent that the documents submitted from the sources identified in this section do not so indicate, the claimant or eligible surviving beneficiary must set forth under oath on the standard claim form the following information, if known:

(1) The names of the mine employers for which the claimant worked during the time period identified in the documents;

(2) The names and locations of any mines in which the claimant worked;

(3) The actual time period the claimant worked in each mine;

(4) The claimant’s occupation in each mine; and

(5) Whether the mining employment was conducted aboveground or underground.

(e) If the claimant or eligible surviving beneficiary cannot provide the name or location of any uranium mine at which the claimant was employed as required under paragraph (d)(2) of this section, then the Program shall, if possible, determine such information from records reflecting the types of mines operated or owned by the entity for which the claimant worked.

(f) If the information provided under paragraphs (a) and (c) of this section is inadequate to determine the time period during which the claimant was employed in each uranium mine, then the Program will, where possible, calculate such employment periods in the following manner, for purposes of calculating working level months of exposure:

(1) If records of the Social Security Administration exist that indicate the claimant’s work history, the Program will estimate the period of employment by dividing the gross quarterly income by the average pay rate per hour for the claimant’s occupation;
(2) If such Social Security Administration records do not exist, but other records exist that indicate that the claimant was employed in a uranium mine on the date recorded in the record, but do not indicate the period of employment, then the Program will apply the following presumptions:

(i) If the records indicate that the claimant worked at the same mine or for the same uranium mining company on two different dates at least three months apart but less than 12 months apart, then the Program will presume that the claimant was employed at the mine or for the mining company for the entire 12-month period beginning on the earlier date.

(ii) If the records indicate that the claimant worked at the same mine or for the same uranium mining company on two different dates at least one month apart but less than three months apart, then the Program will presume that the claimant was employed at the mine or for the mining company for the entire six-month period beginning on the earlier date.

(iii) If the records indicate that the claimant worked at any mine or for a uranium mining company on any date within the designated time period, but the presumptions listed in this paragraph (f) are not applicable, then the Program will presume that the claimant was employed at the mine or for the mining company for a six-month period consisting of three months before and three months after the date indicated.

(g) In determining whether a claimant satisfies the employment and exposure criteria of the Act, the Assistant Director shall resolve all reasonable doubt in favor of the claimant. If the Assistant Director concludes that the claimant has not satisfied the employment or exposure requirements of the Act, the claimant or eligible surviving beneficiary will be notified and afforded the opportunity, in accordance with the provisions of §79.73(c), to submit additional records to establish that the statutory criteria are satisfied.

§ 79.44 Proof of working level month exposure to radiation.

(a) If one or more of the sources in §79.43(a) contain a calculated total of working level months (WLMs) of radiation for the claimant equal to or greater than 40 WLMs, then the Program will presume that total to be correct, absent evidence to the contrary, in which case the claimant or eligible surviving beneficiary need not submit additional records.

(b) If the sources in §79.43(a) do not contain a calculated total of WLMs of radiation for the claimant, or contain a calculated total that is less than 40 WLMs, a claimant or eligible surviving beneficiary may submit the following records reflecting a calculated number of WLMs of radiation for periods of employment established under §79.43(c):

(1) Certified copies of records of regulatory agencies of the specified states, provided that the records indicate the mines at which the claimant was employed, the time period of the claimant’s employment in each mine, the exposure level in each mine during the claimant’s employment, and the calculations on which the claimant’s WLMs are based, unless the calculation is apparent;

(2) Certified copies of records of the owner or operator of a uranium mine in the specified states, provided that the records indicate the mines at which the claimant was employed, the time period of the claimant’s employment in each mine, the exposure level in each mine during the claimant’s employment, and the calculations on which the claimant’s WLMs are based, unless the calculation is apparent.

(c) If the number of WLMs established under paragraphs (a) and (b) of this section is equal to or greater than 40 WLMs of radiation, the claimant or eligible surviving beneficiary need not submit additional records. When the sources referred to in paragraphs (a) and (b) of this section do not establish a calculated number of at least 40 WLMs, the Program will, where possible, calculate additional WLMs in the manner set forth in paragraphs (d) through (g) of this section for the periods of employment for which the sources in paragraphs (a) and (b) do not establish calculated totals. When calculating an exposure level for a particular period of a claimant’s employment history, the Program will apply...
aboveground exposure levels with respect to those periods in which the claimant worked principally aboveground and will apply underground exposure levels with respect to those periods in which the claimant worked principally underground.

(d) To the extent the sources referenced in paragraphs (a) and (b) of this section do not contain a calculated number of WLMs, but do contain annual exposure levels measured in Working Levels (WLs) for mines in which the claimant was employed, the Program will calculate the claimant’s exposure to radiation measured in WLMs in the manner set forth in paragraph (h) of this section.

(e) For periods of employment in a uranium mine that a claimant establishes under §79.43(c) as to which paragraph (d) of this section is not applicable, the Program will, where possible, use any or all of the following sources in computing the annual exposure level measured in WLs in each mine for the period of the claimant’s employment, in the manner set forth in paragraph (g) of this section:

(1) Records of the AEC, or its successor agencies;
(2) Records of the PHS, including radiation-level measurements taken in the course of health studies conducted of uranium miners during or including the period 1942–1971;
(3) Records of the United States Bureau of Mines;
(4) Records of regulatory agencies of the specified states; or
(5) Records of the business entity that was the owner or operator of the mine.

(f) For periods of employment in unidentified or misidentified uranium mines that a claimant establishes under §79.43(c) through (f), the Program will determine annual exposure levels measured in WLs for the identified or misidentified mines by calculating an average of the annual exposure levels measured in WLs in all the uranium mines owned or operated by the entities for which the claimant worked during the appropriate time periods and in the identified states.

(g) With respect to periods of employment in a uranium mine that a claimant establishes under §79.43(c) as to which paragraph (d) of this section is not applicable, and periods of employment in unidentified or misidentified uranium mines that a claimant establishes under §79.43(c) through (f), the Program will use the following methodology to calculate the annual exposure level measured in WLs for each mine:

(1) If one or more radiation measurements are available for a mine in a given year, such values will be averaged to generate the WLs for the mine for that year.

(2) If radiation measurements exist for the mine, but not for the year in which the claimant was employed in the mine, the WLs for the mine for that year will be estimated if possible as follows:

(i) If annual average measurements exist within four years of the year in which the claimant was employed in the mine, the measurements for the two closest years will be averaged, and that value will be assigned to the year the claimant was employed in the mine;

(ii) If one or more annual average measurements exist for a mine, but are not more than five years from the year the claimant was employed, the annual average closest in time will be assigned either forward or backward in time for two years.

(3) If the methods described in paragraph (g)(2) of this section interpolate or project the annual exposure level measured in WLs for a mine in a year in which the claimant was employed in the mine, the Program will use an estimated average for mines of the same or similar type, ventilation, and ore composition in the same geographical area for that year. An estimated area average will be calculated as follows:

(i) If actual measurements from three or more mines of the same or similar type, ventilation, and ore composition are available from mines in the same locality as the mine in which the claimant was employed, the average of the measurements for the mines within that locality will be used.

(ii) If there are insufficient actual measurements from mines in the same
locality to use the method in paragraph (g)(3)(i) of this section, an average of exposure levels in mines in the same mining district will be used.

(iii) If there is no average of exposure levels from mines in the same mining district, the average of exposure levels in mines in the same state will be used.

(iv) If there are insufficient actual measurements from mines in the same state, the estimated average for the State of Colorado for the relevant year will be used.

(4) With respect to a year between 1942 and 1949, if the claimant was employed in a mine for which no exposure levels are available for that year, then the Program will estimate the annual exposure levels measured in WLMs by averaging the two earliest exposure levels recorded from that mine after the year 1941. If there are not two exposure levels recorded from that mine, the Program will estimate the WLMs by averaging the two earliest exposure levels after the year 1941 from the mines identified according to the methods set forth in paragraphs (g)(3)(i) through (iv).

(h) The Program will calculate a claimant’s total exposure to radiation expressed in WLMs, for purposes of establishing eligibility under §79.42(c), by adding together the WLMs for each period of employment that the claimant has established. For those periods of a claimant’s employment for which the Program has obtained or calculated WLMs pursuant to paragraphs (d) through (g) of this section, the Program shall determine WLMs by multiplying the WL by the pertinent time period, measured in months, yielding a claimant’s exposure to radiation expressed in WLMs.

(i) In addition to any other material that may be used to substantiate employment history for purposes of determining WLMs, an individual filing a claim may make such a substantiation by means of an affidavit described in §79.4(c)(4).

§79.45 Proof of primary lung cancer.

(a) In determining whether a claimant developed primary lung cancer following pertinent employment as a miner, the Assistant Director shall resolve all reasonable doubt in favor of the claimant. A conclusion that a claimant developed primary lung cancer must be supported by medical documentation. To prove that a claimant developed primary lung cancer, the claimant or beneficiary may submit any form of medical documentation specified in paragraph (e) of this section. In all cases, the Program will review submitted medical documentation, and will, in addition and where appropriate, review any pertinent records discovered within the sources identified in paragraphs (b), (c), and (d) of this section.

(b) Where appropriate, the Radiation Exposure Compensation Program will search the records of the PHS (including NIOSH), created or gathered during the course of any health study of uranium workers conducted or being conducted by these agencies, to determine whether those records contain proof of the claimant’s medical condition. (In cases where the claimant is deceased, the Program will accept as proof of medical condition the verification of the PHS or NIOSH that it possesses medical records or abstracts of medical records of the claimant that contain a verified diagnosis of primary lung cancer.)

(c) If a claimant was diagnosed as having primary lung cancer in Arizona, Colorado, Nevada, New Mexico, Utah, or Wyoming, and the claimant or eligible surviving beneficiary submits with the claim an Authorization To Release Medical or Other Information, valid in the state of diagnosis, that authorizes the Radiation Exposure Compensation Program to contact the appropriate state cancer or tumor registry, the Program will, where appropriate, request the relevant information from that registry and will review records that it obtains from the registry. (In cases where the claimant is deceased, the Program will accept as proof of medical condition verification from the state cancer or tumor registry that it possesses medical records or abstracts of medical records of the claimant that contain a verified diagnosis of primary lung cancer.)

(d) If medical records regarding the claimant were gathered during the course of any federally supported,
health-related study of uranium workers, and the claimant or eligible surviving beneficiary submits with the claim an Authorization To Release Medical or Other Information that authorizes the Program to contact the custodian of the records of the study to determine if proof of the claimant’s medical condition is contained in the records of the study, the Program will, where appropriate, request such records from that custodian and will review records that it obtains from the custodian. (In cases where the claimant is deceased, the Program will accept as proof of the claimant’s medical condition such medical records or abstracts of medical records containing a verified diagnosis of primary lung cancer.)

(e)(1) A claimant or beneficiary may submit any of the following forms of medical documentation in support of a claim that the claimant contracted primary lung cancer. Such documentation will be most useful where it contains an explicit statement of diagnosis or such other information or data from which the appropriate authorities at the National Cancer Institute can make a diagnosis to a reasonable degree of medical certainty:

(i) Pathology report of tissue biopsy, including, but not limited to, specimens obtained by any of the following methods:
(A) Surgical resection;
(B) Endoscopic endobronchial or transbronchial biopsy;
(C) Bronchial brushings and washings;
(D) Pleural fluid cytology;
(E) Fine needle aspirate;
(F) Pleural biopsy; or
(G) Sputum cytology;

(ii) Autopsy report;
(iii) Bronchoscopy report;
(iv) One of the following summary medical reports:
(A) Physician summary report;
(B) Hospital discharge summary report;
(C) Operative report;
(D) Radiation therapy summary report; or
(E) Oncology summary or consultation report;

(v) Reports of radiographic studies, including:
(A) X-rays of the chest;
(B) Chest tomograms;
(C) Computer-assisted tomography (CT); or
(D) Magnetic resonance imaging (MRI); or

(vi) Death certificate, provided that it is signed by a physician at the time of death.

§ 79.46 Proof of nonmalignant respiratory disease.

(a) In determining whether a claimant developed a nonmalignant respiratory disease following pertinent employment as a miner, the Assistant Director shall resolve all reasonable doubt in favor of the claimant. A conclusion that a claimant developed a nonmalignant respiratory disease must be supported by medical documentation. In cases where the claimant is deceased, the claimant’s beneficiary may submit any form of medical documentation specified in paragraph (d)(1) of this section, and for proof of cor pulmonale must also submit one or more forms of documentation specified in paragraph (d)(2). A living claimant must at a minimum submit the medical documentation required in paragraph (d)(3) of this section, and for proof of cor pulmonale must also submit one or more forms of documentation specified in paragraph (d)(2). In all cases, the Program will review submitted medical documentation, and will, in addition and where appropriate, review any pertinent records discovered within the sources referred to in paragraphs (b) and (c) of this section. With respect to a deceased claimant, the Program will treat as equivalent to a diagnosis of pulmonary fibrosis any diagnosis of “restrictive lung disease” made by a physician employed by the Indian Health Service.

(b) Where appropriate, the Radiation Exposure Compensation Program will search the records of the PHS (including NIOSH), created or gathered during the course of any health study of uranium workers conducted or being conducted by these agencies, to determine whether those records contain proof of the claimant’s medical condition. In cases where the claimant is deceased, the Program will accept as proof of medical condition the verification of
the PHS or NIOSH that it possesses medical records or abstracts of medical records of the claimant that contain a verified diagnosis of a nonmalignant respiratory disease.

(c) If medical records regarding the claimant were gathered during the course of any federally supported, health-related study of uranium workers and the claimant or eligible surviving beneficiary submits with the claim an Authorization To Release Medical or Other Information that authorizes the Program to contact the custodian of the records of the study to determine if proof of the claimant’s medical condition is contained in the records of the study, the Program will, where appropriate, request such records from that custodian and will review records that it obtains from the custodian. In cases where the claimant is deceased, the Program will accept as proof of the claimant’s medical condition any of the following medical records containing a verified diagnosis of a nonmalignant respiratory disease:

(d)(1) A claimant or beneficiary may submit any of the following forms of medical documentation in support of a claim that the claimant contracted a nonmalignant respiratory disease, including pulmonary fibrosis, fibrosis of the lung, cor pulmonale related to fibrosis of the lung, silicosis, and pneumoconiosis:

(i) Pathology report of tissue biopsy;
(ii) Autopsy report;
(iii) If an x-ray exists, the x-ray and interpretive reports of the x-ray by a maximum of two NIOSH certified “B” readers classifying the existence of disease of category 1/0 or higher according to a 1989 report of the International Labor Office (known as the “ILO”), or subsequent revisions;
(iv) If no x-rays exist, an x-ray report;
(v) Physician summary report;
(vi) Hospital discharge summary report;
(vii) Hospital admitting report;
(viii) Death certificate, provided that it is signed by a physician at the time of death;
(ix) Documentation specified in paragraphs (d)(3)(i) and (d)(3)(ii) of this section.

(2) In order to demonstrate that the claimant developed cor pulmonale related to fibrosis of the lung, the claimant or beneficiary must, at a minimum, submit one or more of the following medical records:

(i) Right heart catheterization;
(ii) Cardiology summary or consultation report;
(iii) Electrocardiogram;
(iv) Echocardiogram;
(v) Physician summary report;
(vi) Hospital discharge summary report;
(vii) Autopsy report;
(viii) Report of physical examination; or
(ix) Death certificate, provided that it is signed by a physician at the time of death.

(3) Notwithstanding any other documentation provided, a living claimant must at a minimum provide the following medical documentation:

(i) Either:
(A) An arterial blood gas study administered at rest in a sitting position, or an exercise arterial blood gas test, reflecting values equal to or less than the values set forth in the tables in appendix B to this part; or
(B) A written diagnosis by a physician in accordance with §79.41(p); and
(ii) One of the following:
(A) A chest x-ray administered in accordance with standard techniques accompanied by interpretive reports of the x-ray by a maximum of two NIOSH certified “B” readers, classifying the existence of disease of category 1/0 or higher according to a 1989 report of the International Labor Office (known as the “ILO”), or subsequent revisions;
(B) High-resolution computed tomography scans (commonly known as “HRCT scans”), including computer-assisted tomography scans (commonly known as “CAT scans”), magnetic resonance imaging scans (commonly known as “MRI scans”), and positron emission tomography scans (commonly known as “PET scans”), and interpretive reports of such scans;
(C) Pathology reports of tissue biopsies; or
(D) Pulmonary function tests indicating restrictive lung function and consisting of three reproducible time/volume tracings recording the results.
of the forced expiratory volume in one second (FEV1) and the forced vital capacity (FVC) administered and reported in accordance with the Standardization of Spirometry—1994 Update by the American Thoracic Society, and reflecting values for FEV1 or FVC that are less than or equal to the lower limit of normal for an individual of the claimant's age, sex, height, and ethnicity as set forth in the tables in appendix A to this part.

(e) The Assistant Director shall treat any documentation described in paragraph (d)(3)(i)(B) or paragraph (d)(3)(ii)(A) of this section as conclusive evidence of the claimant's nonmalignant respiratory disease; provided, however, that the Program may subject such documentation to a fair and random audit to guarantee its authenticity and reliability for purposes of treating it as conclusive evidence; and provided further that, in order to be treated as conclusive evidence, a written diagnosis described in paragraph (d)(3)(i)(B) must be by a physician who is employed by the Indian Health Service or the Department of Veterans Affairs or who is board certified (as described in § 79.41(p)), and who must have a documented, ongoing physician-patient relationship with the claimant. Notwithstanding the conclusive effect given to certain evidence, nothing in this paragraph shall be construed as relieving a living claimant of the obligation to provide the Program with the forms of documentation required under paragraph (d)(3).

§ 79.50 Scope of subpart.

The regulations in this subpart define the eligibility criteria for compensation under section 5 of the Act pertaining to millers, i.e., uranium mill workers, and the nature of evidence that will be accepted as proof that a claimant satisfies such eligibility criteria. Section 5 of the Act provides for a payment of $100,000 to “millers” who contracted primary lung cancer, one of a limited number of nonmalignant respiratory diseases, primary renal cancer, or chronic renal disease, following employment for at least one year as a uranium mill worker in specified states during the period beginning January 1, 1942, and ending December 31, 1971.

§ 79.51 Definitions.

(a) Chronic renal disease means the chronic, progressive, and irreversible destruction of the nephron. It is exhibited by diminution of renal function.

(b) Cor pulmonale means heart disease, including hypertrophy of the right ventricle, due to pulmonary hypertension secondary to fibrosis of the lung.

(c) Designated time period means the period beginning on January 1, 1942, and ending on December 31, 1971.

(d) Employment for at least one year means employment for a total of at least one year (12 consecutive or cumulative months).

(e) Fibrosis of the lung or pulmonary fibrosis means chronic inflammation and scarring of the pulmonary interstitium and alveoli with collagen deposition and progressive thickening.

(f) Kidney tubal (tubular) tissue injury means structural or functional damage to the kidney tubules that results in renal disease and dysfunction.

(g) Miller or uranium mill worker means a person who operated or otherwise worked in a uranium mill.

(h) National Institute for Occupational Safety and Health (NIOSH) certified “B” reader means a physician who is certified as such by NIOSH. A list of certified “B” readers is available from the Radiation Exposure Compensation Program upon request.

(i) Nephritis means an inflammatory process of the kidneys resulting in chronic renal dysfunction.

(j) Nonmalignant respiratory disease means fibrosis of the lung, pulmonary fibrosis, cor pulmonale related to fibrosis of the lung, silicosis, and pneumoconiosis.

(k) Pneumoconiosis means a chronic lung disease resulting from inhalation and deposition in the lung of particulate matter, and the tissue reaction to the presence of the particulate matter. For purposes of this subpart, the claimant’s exposure to the particulate matter that led to the disease must have occurred during employment in a uranium mill.
(l) **Primary lung cancer** means any physiological condition of the lung, trachea, or bronchus that is recognized under that name or nomenclature by the National Cancer Institute. The term includes in situ lung cancers.

(m) **Readily available documentation** means documents in the possession, custody, or control of the claimant or an immediate family member.

(n) **Primary renal cancer** means any physiological condition of the kidneys that is recognized under that name or nomenclature by the National Cancer Institute.

(o) **Silicosis** means a pneumoconiosis due to the inhalation of the dust of stone, sand, flint, or other materials containing silicon dioxide, characterized by the formation of pulmonary fibrotic changes.

(p) **Specified state** means Colorado, New Mexico, Arizona, Wyoming, South Dakota, Washington, Utah, Idaho, North Dakota, Oregon, or Texas. Additional states may be included, provided:

1. A uranium mine was operated in such state at any time during the period beginning on January 1, 1942, and ending on December 31, 1971;
2. The state submits an application to the Assistant Director (specified in §79.70(a)) to include such state; and
3. The Assistant Director makes a determination to include such state.

(q) **Uranium mill** means any milling operation involving the processing of uranium ore or vanadium-uranium ore, including carbonate plants and acid leach plants. The term applies to ore-buying stations where ore was weighed and sampled prior to delivery to a mill for processing; “upgrader” or “concentrator” facilities located at the mill or at a remote location where uranium or vanadium-uranium ore was processed prior to delivery to a mill; and pilot plants where uranium ore or vanadium-uranium ore was processed.

(r) **Uranium mine** means any underground excavation, including “dog holes,” as well as open-pit, strip, rim, surface, or other aboveground mines, where uranium ore or vanadium-uranium ore was mined or otherwise extracted.

(s) **Written diagnosis by a physician** means a written determination of the nature of a disease made from a study of the signs and symptoms of a disease that is based on a physical examination of the patient, medical imaging or a chemical, microscopic, microbiologic, immunologic, or pathologic study of physiologic and functional tests, secretions, discharges, blood, or tissue. For purposes of satisfying the requirement of a “written diagnosis by a physician” for living claimants specified in §79.55, a physician submitting a written diagnosis of a nonmalignant respiratory disease must be employed by the Indian Health Service or the Department of Veterans Affairs or be board certified, and must have a documented, ongoing physician-patient relationship with the claimant. An “ongoing physician-patient relationship” can include referrals made to specialists from a primary care provider for purposes of diagnosis or treatment. “Board certification” requires, in addition to physician licensing, the successful completion of a residency training program and passage of a Board exam in a relevant field or specialty. Relevant specialties include: family practice, internal medicine, pathology, preventive medicine, radiology, surgery, and thoracic surgery (and including subspecialties such as cardiovascular disease, medical oncology, pulmonary disease) as listed by the American Board of Medical Specialties.

**§ 79.52 Criteria for eligibility for claims by uranium millers.**

To establish eligibility for compensation under this subpart, a claimant or eligible surviving beneficiary of a claimant must establish each of the following:

(a) The claimant was employed as a miller in a specified state;

(b) The claimant was so employed for at least one year (12 consecutive or cumulative months) during the period beginning on January 1, 1942, and ending on December 31, 1971; and

(c) The claimant contracted primary lung cancer, a nonmalignant respiratory disease, primary renal cancer, or chronic renal disease (including nephritis and kidney tubal tissue injury) following at least one year of such employment.
§ 79.53 Proof of employment as a miller.

(a) The Department will accept, as proof of employment for the time period indicated, information contained in any of the following records:

(1) Records created by or gathered by the Public Health Service (PHS) in the course of any health studies of uranium workers during or including the period 1942–1990;

(2) Records of a uranium worker census performed by the PHS at various times during the period 1942–1990;

(3) Records of the Atomic Energy Commission (AEC), or any of its successor agencies; and

(4) Records of federally supported, health-related studies of uranium workers.

(b) The Program will presume that the employment history for the time period indicated in records listed in paragraph (a) of this section is correct. If the claimant or eligible surviving beneficiary wishes to contest the accuracy of such records, then the claimant or eligible surviving beneficiary may provide one or more of the records identified in paragraph (c) of this section, and the Assistant Director will determine whether the employment history indicated in the records listed in paragraph (a) is correct.

(c) If the sources in paragraph (a) of this section do not contain information regarding the claimant’s uranium mill employment history, do not contain sufficient information to establish employment for at least one year in a uranium mill during the specified time period to qualify under §79.52(b), or if a claimant or eligible surviving beneficiary wishes to contest the accuracy of such records, then the claimant or eligible surviving beneficiary may submit records from any of the following sources, which the Assistant Director shall consider (in addition to any sources listed in paragraph (a) of this section) in order to determine whether the claimant has established the requisite employment history:

(1) Records of any of the specified states, including records of state regulatory agencies, containing information on uranium mill workers and uranium mills;

(2) Records of any business entity that owned or operated a uranium mill, or its successor-in-interest;

(3) Records of the Social Security Administration reflecting the identity of the employer, the years and quarters of employment, and the wages received during each quarter;

(4) Federal or state income tax records that contain relevant statements regarding the claimant’s employer and wages;

(5) Records containing factual findings by any governmental judicial body, state worker’s compensation board, or any governmental administrative body adjudicating the claimant’s rights to any type of benefits (which will be accepted only to prove the fact of and duration of employment in a uranium mill);

(6) Statements in medical records created during the period 1942–1971 indicating or identifying the claimant’s employer and occupation;

(7) Records of an academic or scholarly study, not conducted in anticipation of or in connection with any litigation, and completed prior to 1990; or

(8) Any other contemporaneous record that indicates or identifies the claimant’s occupation or employer.

(d) To the extent that the documents submitted from the sources identified in this section do not so indicate, the claimant or eligible surviving beneficiary must set forth under oath on the standard claim form the following information, if known:

(1) The names of the mill employers for which the claimant worked during the time period identified in the documents;

(2) The names and locations of any mills in which the claimant worked;

(3) The actual time period the claimant worked in each mill; and

(4) The claimant’s occupation in each mill.

(e) The Program may, for the purpose of verifying information submitted pursuant to this section, require the claimant or any eligible surviving beneficiary to provide an authorization to release any record identified in this section, in accordance with the provisions of §79.72(c).

(f) In determining whether a claimant satisfies the employment criteria...
§ 79.54 Proof of primary lung cancer.

(a) In determining whether a claimant developed primary lung cancer following pertinent employment as a miller, the Assistant Director shall resolve all reasonable doubt in favor of the claimant. To prove that a claimant developed primary lung cancer, the claimant or eligible beneficiary may submit any form of medical documentation specified in paragraph (e) of this section. In all cases, the Program will review submitted medical documentation, and will, in addition and where appropriate, review any pertinent records discovered within the sources identified in paragraphs (b), (c) and (d) of this section.

(b) Where appropriate, the Radiation Exposure Compensation Program will search the records of the PHS (including NIOSH), created or gathered during the course of any health study of uranium workers conducted or being conducted by these agencies, to determine whether those records contain proof of the claimant’s medical condition. In cases where the claimant is deceased, the Program will accept as proof of the claimant’s medical condition the verification of the PHS or NIOSH that it possesses medical records or abstracts of medical records of the claimant that contain a verified diagnosis of primary lung cancer.

(c) If a claimant was diagnosed as having primary lung cancer in Arizona, Colorado, Nevada, New Mexico, Utah, or Wyoming, and the claimant or eligible surviving beneficiary submits with the claim an Authorization To Release Medical or Other Information that authorizes the Radiation Exposure Compensation Program to contact the appropriate state cancer or tumor registry, the Program will, where appropriate, request the relevant information from that registry and will review records that it obtains from the registry. (In cases where the claimant is deceased, the Program will accept as proof of medical condition verification from the state cancer or tumor registry that it possesses medical records or abstracts of medical records of the claimant that contain a verified diagnosis of primary lung cancer.)

(d) If medical records regarding the claimant were gathered during the course of any federally supported, health-related study of uranium workers, and the claimant or eligible surviving beneficiary submits with the claim an Authorization To Release Medical or Other Information that authorizes the Program to contact the custodian of the records of the study to determine if proof of the claimant’s medical condition is contained in the records of the study, the Program will, where appropriate, request such records from that custodian and will review records that it obtains from the custodian. (In cases where the claimant is deceased, the Program will accept as proof of the claimant’s medical condition such medical records or abstracts of medical records containing a verified diagnosis of primary lung cancer.)

(e) A claimant or beneficiary may submit any of the following forms of medical documentation in support of a claim that the claimant contracted primary lung cancer. Such documentation will be most useful where it contains an explicit statement of diagnosis or such other information or data from which the appropriate authorities at the National Cancer Institute can make a diagnosis to a reasonable degree of medical certainty:

(1) Pathology report of tissue biopsy, including, but not limited to, specimens obtained by any of the following methods:
   (i) Surgical resection;
   (ii) Endoscopic endobronchial or transbronchial biopsy;
   (iii) Bronchial brushings and washings;
§ 79.55 Proof of nonmalignant respiratory disease.

(a) In determining whether a claimant developed a nonmalignant respiratory disease following pertinent employment as a miller, the Assistant Director shall resolve all reasonable doubt in favor of the claimant. A conclusion that a claimant developed a nonmalignant respiratory disease must be supported by medical documentation. In cases where the claimant is deceased, the claimant’s beneficiary may submit any form of medical documentation specified in paragraph (d)(1) of this section, and for proof of cor pulmonale must also submit one or more forms of documentation specified in paragraph (d)(2). A living claimant must at a minimum submit the medical documentation required in paragraph (d)(3) of this section, and for proof of cor pulmonale must also submit one or more forms of documentation specified in paragraph (d)(2). In all cases, the Program will review submitted medical documentation, and will, in addition and where appropriate, review any pertinent records discovered within the sources referred to in paragraphs (b) and (c) of this section.

With respect to a deceased claimant, the Program will treat as equivalent to a diagnosis of pulmonary fibrosis any diagnosis of “restrictive lung disease” made by a physician employed by the Indian Health Service.

(b) Where appropriate, the Radiation Exposure Compensation Program will search the records of the PHS (including NIOSH), created or gathered during the course of any health study of uranium workers conducted or being conducted by these agencies, to determine whether those records contain proof of the claimant’s medical condition. (In cases where the claimant is deceased, the Program will accept as proof of medical condition the verification of the PHS or NIOSH that it possesses medical records or abstracts of medical records of the claimant that contain a verified diagnosis of a nonmalignant respiratory disease.)

(c) If medical records regarding the claimant were gathered during the course of any federally supported, health-related study of uranium workers, and the claimant or eligible surviving beneficiary submits with the claim an Authorization To Release Medical or Other Information that authorizes the Program to contact the custodian of the records of the study to determine if proof of the claimant’s medical condition is contained in the records of the study, the Program will, where appropriate, request such records from that custodian and will review records that it obtains from the custodian. (In cases where the claimant is deceased, the Program will accept as proof of the claimant’s medical condition such medical records or abstracts of medical records containing a verified diagnosis of a nonmalignant respiratory disease.)

(d)(1) A claimant or beneficiary may submit any of the following forms of medical documentation in support of a claim that the claimant contracted a nonmalignant respiratory disease, including pulmonary fibrosis, fibrosis of the lung, cor pulmonale related to fibrosis of the lung, silicosis, and pneumoconiosis:

(i) Pathology report of tissue biopsy;
(ii) Autopsy report;
(iii) If an x-ray exists, the x-ray and interpretive reports of the x-ray by a
maximum of two NIOSH certified “B” readers classifying the existence of disease of category 1/0 or higher according to a 1989 report of the International Labor Office (known as the “ILO”), or subsequent revisions;

(v) Physician summary report;

(vi) Hospital discharge summary report;

(vii) Hospital admitting report;

(viii) Death certificate, provided that it is signed by a physician at the time of death; or

(ix) Documentation specified in paragraphs (d)(3)(i) and (d)(3)(ii) of this section.

(2) In order to demonstrate that the claimant developed cor pulmonale related to fibrosis of the lung, the claimant or beneficiary must, at a minimum, submit one or more of the following medical records:

(i) Right heart catheterization;

(ii) Cardiology summary or consultation report;

(iii) Electrocardiogram;

(iv) Echocardiogram;

(v) Physician summary report;

(vi) Hospital discharge summary report;

(vii) Autopsy report;

(viii) Report of physical examination; or

(ix) Death certificate, provided that it is signed by a physician at the time of death.

(3) Notwithstanding any other documentation provided, a living claimant must at a minimum provide the following medical documentation:

(i) Either:

(A) An arterial blood gas study administered at rest in a sitting position, or an exercise arterial blood gas test, reflecting values equal to or less than the values set forth in the tables to appendix B of this part; or

(B) A written diagnosis by a physician in accordance with §79.51(s); and

(ii) One of the following:

(A) A chest x-ray administered in accordance with standard techniques accompanied by interpretive reports of the x-ray by a maximum of two NIOSH certified “B” readers, classifying the existence of disease of category 1/0 or higher according to a 1989 report of the International Labor Office (known as the “ILO”) or subsequent revisions;

(B) High-resolution computed tomography scans (commonly known as “HRCT scans”), including computer-assisted tomography scans (commonly known as “CAT scans”), magnetic resonance imaging scans (commonly known as “MRI scans”), and positron emission tomography scans (commonly known as “PET scans”), and interpretive reports of such scans;

(D) Pulmonary function tests indicating restrictive lung function and consisting of three reproducible time/volume tracings recording the results of the forced expiratory volume in one second (FEV1) and the forced vital capacity (FVC) administered and reported in accordance with the Standardization of Spirometry—1994 Update by the American Thoracic Society, and reflecting values for FEV1 or FVC that are less than or equal to the lower limit of normal for an individual of the claimant’s age, sex, height, and ethnicity as set forth in the tables in appendix A to this part.

(e) The Assistant Director shall treat any documentation described in paragraph (d)(3)(i)(B) or paragraph (d)(3)(ii)(A) of this section as conclusive evidence of the claimant’s non-malignant respiratory disease; provided, however, that the Program may subject such documentation to a fair and random audit to guarantee its authenticity and reliability for purposes of treating it as conclusive evidence; and provided further that, in order to be treated as conclusive evidence, a written diagnosis described in paragraph (d)(3)(i)(B) must be by a physician who is employed by the Indian Health Service or the Department of Veterans Affairs or who is board certified (as described in §79.51(s)), and who must have a documented, ongoing physician-patient relationship with the claimant. Notwithstanding the conclusive effect given to certain evidence, nothing in this paragraph shall be construed as relieving a living claimant of the obligation to provide the Program with the forms of documentation required under paragraph (d)(3).
§ 79.56 Proof of primary renal cancer.

(a) In determining whether a claimant developed primary renal cancer following pertinent employment as a miller, the Assistant Director shall resolve all reasonable doubt in favor of the claimant. A conclusion that a claimant developed primary renal cancer must be supported by medical documentation. In all cases, the Program will review submitted medical documentation, and will, in addition and where appropriate, review any pertinent records discovered within the sources referred to in paragraphs (b) and (c) of this section.

(b) Where appropriate, the Radiation Exposure Compensation Program will search the records of the PHS (including NIOSH), created or gathered during the course of any health study of uranium workers conducted or being conducted by these agencies, to determine whether those records contain proof of the claimant’s medical condition. (In cases where the claimant is deceased, the Program will accept as proof of medical condition the verification of the PHS or NIOSH that it possesses medical records or abstracts of medical records of the claimant that contain a verified diagnosis of primary renal cancer.)

(c) If a claimant was diagnosed as having primary renal cancer in the State of Arizona, Colorado, Nevada, New Mexico, Utah, or Wyoming, and the claimant or eligible surviving beneficiary submits with the claim an Authorization To Release Medical or Other Information, valid in the state of diagnosis, that authorizes the Radiation Exposure Compensation Program to contact the appropriate state cancer or tumor registry, the Program will, where appropriate, request the relevant information from that registry and will review records that it obtains from the registry. (In cases where the claimant is deceased, the Program will accept as proof of the claimant’s medical condition such medical records or abstracts of medical records containing a verified diagnosis of primary renal cancer.)

(d) If medical records regarding the claimant were gathered during the course of any federally supported, health-related study of uranium workers, and the claimant or eligible surviving beneficiary submits with the claim an Authorization To Release Medical or Other Information that authorizes the Program to contact the custodian of the records of the study to determine if proof of the claimant’s medical condition is contained in the records of the study, the Program will, where appropriate, request such records from that custodian and will review records that it obtains from the custodian. (In cases where the claimant is deceased, the Program will accept as proof of the claimant’s medical condition such medical records or abstracts of medical records containing a verified diagnosis of primary renal cancer.)

(e) A claimant or beneficiary may submit any of the following forms of medical documentation in support of a claim that the claimant contracted primary renal cancer. Such documentation will be most useful where it contains an explicit statement of diagnosis or such other information or data from which the appropriate authorities at the National Cancer Institute can make a diagnosis to a reasonable degree of medical certainty:

(1) Pathology report of tissue biopsy or resection;
(2) Autopsy report;

(5) Death certificate, provided that it is signed by a physician at the time of death.
§ 79.57 Proof of chronic renal disease.

(a) In determining whether a claimant developed chronic renal disease following pertinent employment as a miller, the Assistant Director shall resolve all reasonable doubt in favor of the claimant. A conclusion that a claimant developed chronic renal disease must be supported by medical documentation.

(b) A claimant or beneficiary may submit any of the following forms of medical documentation in support of a claim that the claimant contracted chronic renal disease.

1. Pathology report of tissue biopsy;
2. If laboratory or radiographic tests exist:
   (i) Abnormal plasma creatinine values; and

Subpart G—Eligibility Criteria for Claims by Ore Transporters

§ 79.60 Scope of subpart.

The regulations in this subpart define the eligibility criteria for compensation under section 5 of the Act pertaining to uranium or vanadium-uranium ore transporters and the nature of evidence that will be accepted as proof that a claimant satisfies such eligibility criteria. Section 5 of the Act provides for a payment of $100,000 to persons who contracted lung cancer, one of a limited number of nonmalignant respiratory diseases, renal cancer, or chronic renal disease, following employment for at least one year as a transporter of uranium ore or vanadium-uranium ore from a uranium mine or uranium mill located in a specified state during the period beginning January 1, 1942, and ending December 31, 1971.

§ 79.61 Definitions.

(a) Chronic renal disease means the chronic, progressive, and irreversible destruction of the nephron. It is exhibited by diminution of renal function.

(b) Cor pulmonale means heart disease, including hypertrophy of the right ventricle, due to pulmonary hypertension secondary to fibrosis of the lung.

(c) Designated time period means the period beginning on January 1, 1942, and ending on December 31, 1971.

(d) Employment as an ore transporter means employment involving the transporting or hauling of uranium ore or vanadium-uranium ore from a uranium mine or uranium mill, including the transportation or hauling of ore from an ore buying station, “upgrader,” “concentrator” facility, or pilot plant by means of truck, rail or barge.

(e) Employment for at least one year means employment for a total of at least one year (12 consecutive or cumulative months).

(f) Fibrosis of the lung or pulmonary fibrosis means chronic inflammation and scarring of the pulmonary interstitium and alveoli with collagen deposition and progressive thickening.

(g) Kidney tubal (tubular) tissue injury means structural or functional damage to the kidney tubules that results in renal disease and dysfunction.

(h) National Institute for Occupational Safety and Health (NIOSH) certified “B” reader means a physician who is certified as such by NIOSH. A list of certified “B” readers is available from the Radiation Exposure Compensation Program upon request.

(i) Nephritis means an inflammatory process of the kidneys resulting in chronic renal dysfunction.
(j) **Nonmalignant respiratory disease** means fibrosis of the lung, pulmonary fibrosis, cor pulmonale related to fibrosis of the lung, silicosis, and pneumoconiosis.

(k) **Pneumoconiosis** means a chronic lung disease resulting from inhalation and deposition in the lung of particulate matter, and the tissue reaction to the presence of the particulate matter. For the purposes of this Act, the claimant’s exposure to the particulate matter that led to the disease must have occurred during employment as an ore transporter.

(l) **Primary lung cancer** means any physiological condition of the lung, trachea, or bronchus that is recognized under that name or nomenclature by the National Cancer Institute. The term includes in situ lung cancers.

(m) **Readily available documentation** means documents in the possession, custody, or control of the claimant or an immediate family member.

(n) **Primary renal cancer** means any physiological condition of the kidneys that is recognized under that name or nomenclature by the National Cancer Institute.

(o) **Silicosis** means a pneumoconiosis due to the inhalation of the dust of stone, sand, flint or other materials containing silicon dioxide, characterized by the formation of pulmonary fibrotic changes.

(p) **Specified state** means Colorado, New Mexico, Arizona, Wyoming, South Dakota, Washington, Utah, Idaho, North Dakota, Oregon, or Texas. Additional states may be included, provided:

1. A uranium mine was operated in such state at any time during the period beginning on January 1, 1942, and ending on December 31, 1971;

2. The state submits an application to the Assistant Director (specified in §79.70(a)) to include such state; and

3. The Assistant Director makes a determination to include such state.

(q) **Uranium mill** means any milling operation involving the processing of uranium ore or vanadium-uranium ore, including carbonate plants and acid leach plants. The term applies to ore-buying stations where ore was weighed and sampled prior to delivery to a mill for processing; “upgrader” or “concentrator” facilities located at the mill or at a remote location where uranium or vanadium-uranium ore was processed prior to delivery to a mill; and pilot plants where uranium ore or vanadium-uranium ore was processed.

(r) **Uranium mine** means any underground excavation, including “dog holes,” as well as open-pit, strip, rim, surface, or other aboveground mines, where uranium ore or vanadium-uranium ore was mined or otherwise extracted.

(s) **Written diagnosis by a physician** means a written determination of the nature of a disease made from a study of the signs and symptoms of a disease that is based on a physical examination of the patient, medical imaging or a chemical, microscopic, microbiologic, immunologic, or pathologic study of physiologic and functional tests, secretions, discharges, blood, or tissue. For purposes of satisfying the requirement of a “written diagnosis by a physician” for living claimants specified in §79.65, a physician submitting a written diagnosis of a nonmalignant respiratory disease must be employed by the Indian Health Service or the Department of Veterans Affairs or be board certified, and must have a documented, ongoing physician-patient relationship with the claimant. An “ongoing physician-patient relationship” can include referrals made to specialists from a primary care provider for purposes of diagnosis or treatment. “Board certification” requires, in addition to physician licensing, the successful completion of a residency training program and passage of a Board exam in a relevant field or specialty. Relevant specialties include: family practice, internal medicine, pathology, preventive medicine, radiology, surgery, and thoracic surgery (and including subspecialties such as cardiovascular disease, medical oncology, pulmonary disease) as listed by the American Board of Medical Specialties.

§ 79.62 Criteria for eligibility for claims by ore transporters.

To establish eligibility for compensation under this subpart, a claimant or eligible surviving beneficiary of a claimant must establish each of the following:
(a) The claimant was employed as an ore transporter in a specified state;
(b) The claimant was so employed for at least one year (12 consecutive or cumulative months) during the period beginning on January 1, 1942, and ending on December 31, 1971; and
(c) The claimant contracted primary lung cancer, a nonmalignant respiratory disease, primary renal cancer, or chronic renal disease (including nephritis and kidney tubal tissue injury) following at least one year of such employment.

§ 79.63 Proof of employment as an ore transporter.

(a) The Department will accept, as proof of employment for the time period indicated, information contained in any of the following records:
(1) Records created by or gathered by the Public Health Service (PHS) in the course of any health studies of uranium workers during or including the period 1942–1990;
(2) Records of a uranium worker census performed by the PHS at various times during the period 1942–1990;
(3) Records of the Atomic Energy Commission (AEC), or any of its successor agencies; and
(4) Records of federally supported, health-related studies of uranium workers.

(b) The employment history for the time period indicated in such records will be presumed to be correct. If the claimant or eligible surviving beneficiary wishes to contest the accuracy of such records, then the claimant or eligible surviving beneficiary may provide one or more of the records identified in paragraph (c) of this section, and the Assistant Director will determine whether the employment history indicated in the records listed in paragraph (a) of this section is correct.

(c) If the sources in paragraph (a) of this section do not contain information regarding the claimant’s ore transporting employment history, do not contain sufficient information to establish employment for at least one year as an ore transporter during the specified time period to qualify under § 79.62(b), or if a claimant or eligible surviving beneficiary wishes to contest the accuracy of such records, then the claimant or eligible surviving beneficiary may submit records from any of the following sources, which the Assistant Director shall consider (in addition to any sources listed in paragraph (a) of this section) in order to determine whether the claimant has established the requisite employment history:
(1) Records of any of the specified states, including records of state regulatory agencies, containing information on uranium ore transporters and ore-transporting companies;
(2) Records of any business entity that owned or operated an ore-transporting company, or its successor-in-interest;

(4) Federal or state income tax records that contain relevant statements regarding the claimant’s employer and wages;
(5) Records containing factual findings by any governmental judicial body, state worker’s compensation board, or any governmental administrative body adjudicating the claimant’s rights to any type of benefits (which will be accepted only to prove the fact of and duration of employment as an ore transporter);
(6) Statements in medical records created during the period 1942–1971 indicating or identifying the claimant’s employer and occupation;
(7) Records of an academic or scholarly study, not conducted in anticipation of or in connection with any litigation, and completed prior to 1990; or
(8) Any other contemporaneous record that indicates or identifies the claimant’s occupation or employer.

(d) To the extent that the documents submitted from the sources identified in this section do not so indicate, the claimant or eligible surviving beneficiary must set forth under oath on the standard claim form the following information, if known:
(1) The name or other identifying symbol of each employer for which the claimant worked during the time period identified in the documents;
§ 79.64 Proof of primary lung cancer.

(a) In determining whether a claimant developed primary lung cancer following pertinent employment as an ore transporter, the Assistant Director shall resolve all reasonable doubt in favor of the claimant. A conclusion that a claimant developed primary lung cancer must be supported by medical documentation. To prove that a claimant developed primary lung cancer, the claimant or beneficiary may submit any form of medical documentation specified in paragraph (e) of this section. In all cases, the Program will review submitted medical documentation, and will, in addition and where appropriate, review any pertinent records discovered within the sources identified in paragraphs (b), (c), and (d) of this section.

(b) Where appropriate, the Radiation Exposure Compensation Program will search the records of the PHS (including NIOSH), created or gathered during the course of any health study of uranium workers conducted or being conducted by these agencies, to determine whether those records contain proof of the claimant’s medical condition. (In cases where the claimant is deceased, the Program will accept as proof of medical condition the verification of the PHS or NIOSH that it possesses medical records or abstracts of medical records of the claimant that contain a verified diagnosis of primary lung cancer.)

(c) If a claimant was diagnosed as having primary lung cancer in Arizona, Colorado, Nevada, New Mexico, Utah or Wyoming, and the claimant or eligible surviving beneficiary submits with the claim an Authorization To Release Medical or Other Information, valid in the state of diagnosis, that authorizes the Radiation Exposure Compensation Program to contact the appropriate state cancer or tumor registry, the Program will, where appropriate, request the relevant information from that registry and will review records that it obtains from the registry. (In cases where the claimant is deceased, the Program will accept as proof of medical condition verification from the state cancer or tumor registry that it possesses medical records or abstracts of medical records of the claimant that contain a verified diagnosis of primary lung cancer.)

(d) If medical records regarding the claimant were gathered during the course of any federally supported, health-related study of uranium workers, and the claimant or eligible surviving beneficiary submits with the claim an Authorization To Release Medical or Other Information that authorizes the Program to contact the custodian of the records of the study to determine if proof of the claimant’s medical condition is contained in the records of the study, the Program will, where appropriate, request such records from that custodian and will review records that it obtains from the custodian. (In cases where the claimant is deceased, the Program will accept as proof of the claimant’s medical condition such medical records or abstracts of medical records containing a verified diagnosis of primary lung cancer.)

(e) A claimant or beneficiary may submit any of the following forms of proof:

§ 79.65 Proof of nonmalignant respiratory disease.

(a) In determining whether a claimant developed a nonmalignant respiratory disease following pertinent employment as an ore transporter, the Assistant Director shall resolve all reasonable doubt in favor of the claimant. A conclusion that a claimant developed a nonmalignant respiratory disease must be supported by medical documentation. In cases where the claimant is deceased, the claimant’s beneficiary may submit any form of medical documentation specified in paragraph (d)(1) of this section, and for proof of cor pulmonale must also submit one or more forms of documentation specified in paragraph (d)(2). A living claimant must at a minimum submit the medical documentation required in paragraph (d)(3) of this section, and for proof of cor pulmonale must also submit one or more forms of documentation specified in paragraph (d)(2). In all cases, the Program will review submitted medical documentation, and will, in addition and where appropriate, review any pertinent records discovered within the sources referred to in paragraphs (b) and (c) of this section. With respect to a deceased claimant, the Program will treat as equivalent to a diagnosis of pulmonary fibrosis any diagnosis of “restrictive lung disease” made by a physician employed by the Indian Health Service.

(b) Where appropriate, the Radiation Exposure Compensation Program will search the records of the PHS (including NIOSH), created or gathered during the course of any health study of uranium workers conducted or being conducted by these agencies, to determine whether those records contain proof of the claimant’s medical condition. (In cases where the claimant is deceased, the Program will accept as proof of medical condition the verification of the PHS or NIOSH that it possesses medical records or abstracts of medical records of the claimant that contain a verified diagnosis of a nonmalignant respiratory disease.)

(c) If medical records regarding the claimant were gathered during the course of any federally supported, health-related study of uranium workers, and the claimant or eligible surviving beneficiary submits with the claim an Authorization To Release Medical or Other Information that authorizes the Program to contact the custodian of the records of the study to determine if proof of the claimant’s medical condition is contained in the records of the study, the Program will, where appropriate, request such records from that custodian and will review records that it obtains from the custodian. (In cases where the claimant
§ 79.65

is deceased, the Program will accept as proof of the claimant’s medical condition such medical records or abstracts of medical records containing a verified diagnosis of a nonmalignant respiratory disease.

(d)(1) A claimant or beneficiary may submit any of the following forms of medical documentation in support of a claim that the claimant contracted a nonmalignant respiratory disease, including pulmonary fibrosis, fibrosis of the lung, cor pulmonale related to fibrosis of the lung, silicosis and pneumoconiosis:

(i) Pathology report of tissue biopsy;
(ii) Autopsy report;
(iii) If an x-ray exists, the x-ray and interpretive reports of the x-ray by a maximum of two NIOSH certified “B” readers classifying the existence of disease of category 1/0 or higher according to a 1989 report of the International Labor Office (known as the “ILO”), or subsequent revisions;
(iv) If no x-rays exist, an x-ray report;
(v) Physician summary report;
(vi) Hospital discharge summary report;
(vii) Hospital admitting report;
(viii) Death certificate, provided that it is signed by a physician at the time of death; or
(ix) Documentation specified in paragraphs (d)(3)(i) and (d)(3)(ii) of this section.

(2) In order to demonstrate that the claimant developed cor pulmonale related to fibrosis of the lung, the claimant or beneficiary must, at a minimum, submit one or more of the following medical records:

(i) Right heart catheterization;
(ii) Cardiologist summary or consultation report;
(iii) Electrocardiogram;
(iv) Echocardiogram;
(v) Physician summary report;
(vi) Hospital discharge summary report;
(vii) Autopsy report;
(viii) Report of physical examination; or
(ix) Death certificate, provided that it is signed by a physician at the time of death.

(3) Notwithstanding any other documentation provided, a living claimant must at a minimum provide the following medical documentation:

(i) Either:
(A) An arterial blood gas study administered at rest in a sitting position, or an exercise arterial blood gas test, reflecting values equal to or less than the values set forth in the tables in appendix B to this part; or
(B) A written diagnosis by a physician in accordance with §79.61(s); and
(ii) One of the following:
(A) A chest x-ray administered in accordance with standard techniques accompanied by interpretive reports of the x-ray by a maximum of two NIOSH certified “B” readers, classifying the existence of disease of category 1/0 or higher according to a 1989 report of the International Labor Office (known as the “ILO”), or subsequent revisions;
(B) High-resolution computed tomography scans (commonly known as “HRCT scans”), including computer-assisted tomography scans (commonly known as “CAT scans”), magnetic resonance imaging scans (commonly known as “MRI scans”), and positron emission tomography scans (commonly known as “PET scans”), and interpretive reports of such scans;

(D) Pulmonary function tests indicating restrictive lung function and consisting of three reproducible time/volume tracings recording the results of the forced expiratory volume in one second (FEV1) and the forced vital capacity (FVC) administered and reported in accordance with the Standardization of Spirometry—1994 Update by the American Thoracic Society, and reflecting values for FEV1 or FVC that are less than or equal to the lower limit of normal for an individual of the claimant’s age, sex, height, and ethnicity as set forth in the tables in appendix A to this part.

(e) The Assistant Director shall treat any documentation described in paragraph (d)(3)(i)(B) or paragraph (d)(3)(i)(A) of this section as conclusive evidence of the claimant’s nonmalignant respiratory disease; provided, however, that the Program may subject such documentation to a fair and random audit to guarantee its authenticity and reliability for purposes.
of treating it as conclusive evidence; and provided further that, in order to be treated as conclusive evidence, a written diagnosis described in paragraph (d)(3)(i)(B) must be by a physician who is employed by the Indian Health Service or the Department of Veterans Affairs or who is board certified (as described in §79.61(s)), and who must have a documented, ongoing physician-patient relationship with the claimant. Notwithstanding the conclusive effect given to certain evidence, nothing in this paragraph shall be construed as relieving a living claimant of the obligation to provide the Program with the forms of documentation required under paragraph (d)(3).

§ 79.66 Proof of primary renal cancer.

(a) In determining whether a claimant developed primary renal cancer following pertinent employment as an ore transporter, the Assistant Director shall resolve all reasonable doubt in favor of the claimant. A conclusion that a claimant developed primary renal cancer must be supported by medical documentation. In all cases, the Program will review submitted medical documentation, and, in addition and where appropriate, will review any pertinent records discovered within the sources referred to in paragraphs (b) and (c) of this section.

(b) Where appropriate, the Radiation Exposure Compensation Program will search the records of the PHS (including NIOSH), created or gathered during the course of any health study of uranium workers conducted or being conducted by these agencies, to determine whether those records contain proof of the claimant's medical condition. In cases where the claimant is deceased, the Program will accept as proof of medical condition verification from the custodian of the records of the study to determine if proof of the claimant’s medical condition is contained in the records of the study, the Program will, where appropriate, request such records from that custodian and will review records that it obtains from the custodian. (In cases where the claimant is deceased, the Program will accept as proof of the claimant’s medical condition such medical records or abstracts of medical records containing a verified diagnosis of primary renal cancer.)

(e) A claimant or beneficiary may submit any of the following forms of medical documentation in support of a claim that the claimant contracted primary renal cancer. Such documentation will be most useful where it contains an explicit statement of diagnosis or such other information or data from which the appropriate authorities at the National Cancer Institute can make a diagnosis to a reasonable degree of medical certainty:

(1) Pathology report of tissue biopsy or resection;
(2) Autopsy report;
(3) One of the following summary medical reports:
   (i) Physician summary report;
   (ii) Hospital discharge summary report.
§ 79.67 Proof of chronic renal disease.

(a) In determining whether a claimant developed chronic renal disease following pertinent employment as an ore transporter, the Assistant Director shall resolve all reasonable doubt in favor of the claimant. A conclusion that a claimant developed chronic renal disease must be supported by medical documentation.

(b) A claimant or beneficiary may submit any of the following forms of medical documentation in support of a claim that the claimant contracted chronic renal disease.

1. Pathology report of tissue biopsy;
2. If laboratory or radiographic tests exist:
   (i) Abnormal plasma creatinine values;

   (iii) Renal tubular dysfunction as evidenced by:
      (A) Glycosuria in the absence of diabetes mellitus;
      (B) Proteinuria less than one gram daily without other known etiology; or

§ 79.70 Attorney General’s delegation of authority.

(a) An Assistant Director within the Constitutional and Specialized Torts Staff, Torts Branch, Civil Division, shall be assigned to manage the Radiation Exposure Compensation Program and issue a decision on each claim filed under the Act, and otherwise act on behalf of the Attorney General in all other matters relating to the administration of the Program, except for rulemaking authority. The Assistant Director may delegate any of his or her responsibilities under the regulations in this part to an attorney working under the supervision of the Assistant Director.

(b) The Assistant Attorney General, Civil Division, shall designate an Appeals Officer to act on appeals from the Assistant Director’s decisions.

§ 79.71 Filing of claims.

Except as specifically provided in this part, the claimant or eligible surviving beneficiary must also provide with the standard form any records establishing the claimant’s physical presence in an affected area, onsite participation, employment as an ore transporter, in accordance with this part. The standard claim form must be completed, signed under oath either by a person eligible to file a claim under the Act or by that person’s legal guardian, and mailed with supporting documentation to the following address: Radiation Exposure Compensation Program, U.S. Department of Justice, P.O. Box 146, Ben Franklin Station, Washington, DC 20044–0146. Copies of the standard form, as well as the regulations, guidelines, and other information, may be obtained by requesting the document or
(b) The Assistant Director will file a claim after receipt of the standard form with supporting documentation and examination for substantial compliance with this part. The date of filing shall be recorded by a stamp on the face of the standard form. The Assistant Director shall file only claims that substantially comply with paragraph (a) of this section. If a claim substantially fails to comply with paragraph (a), the Assistant Director shall promptly return the claim unfiled to the sender with a statement identifying the reason(s) why the claim does not comply with this part. For those cases that are filed, the Assistant Director shall promptly acknowledge receipt of the claim with a letter identifying the number assigned to the claim, the date the claim was filed, and the period within which the Assistant Director must act on the claim.

(c) The following persons or their legal guardians are eligible to file claims for compensation under the Act in the following order:

1. The claimant;
2. If the claimant is deceased, the spouse of the claimant, provided that he or she was married to the claimant for at least one year immediately prior to the claimant’s death;

iv. A death certificate or divorce decree for each spouse of the claimant (if applicable); and
v. An affidavit (or declaration under oath on the standard claim form) stating that the spouse was married to the claimant for at least one year immediately prior to the claimant’s death.

(2) If the spouse is a member of an Indian Tribe, he or she need not provide any of the documents listed in paragraph (e)(1) of this section at the time the claim is filed (although these records may later be required), but should instead furnish a signed release of private information that the Assistant Director will use to obtain a statement of verification of all of the information listed in paragraph (e)(1) directly from the tribal records custodian. In identifying those individuals eligible to receive compensation by virtue of marriage, relationship, or survivorship, the Assistant Director shall, to the maximum extent practicable, take into consideration and give effect to established law, tradition, and custom of the particular affected Indian Tribe.

In identifying those individuals eligible to receive compensation by virtue of survivorship, the Assistant Director shall, to the maximum extent practicable, take into consideration and give effect to established law, tradition, and custom of the particular affected Indian Tribe.

(j) A claim that was filed and denied may be filed again in those cases where the claimant or eligible surviving beneficiary obtains documentation that he or she did not possess when the claim was filed previously and that redresses the deficiency for which the claim was denied, including, where applicable, documentation addressing:

(1) An injury specified in the Act;

(2) Residency in the affected area;

(3) Onsite participation in a nuclear test;

(4) Exposure to 40 WLMs of radiation while employed in a uranium mine or mines during the designated time period;

(k) A claimant or eligible surviving beneficiary may not refile a claim more than three times. Claims filed prior to July 10, 2000, will not be included in determining the number of claims filed.

§ 79.72 Review and resolution of claims.

(a) Initial review. The Assistant Director shall conduct an initial review of each claim that has been filed to determine whether:

(1) The person submitting the claim represents that he or she is an eligible surviving beneficiary in those cases where the claimant is deceased;

(2) The medical condition identified in the claim is a disease specified in
the Act for which the claimant or eligible surviving beneficiary could recover compensation;

(3) For claims submitted under subparts B and C of this part, as relevant, the period and place of physical presence set forth in the claim falls within the designated time period and affected areas identified in §79.11;

(4) For claims submitted under subparts B and D of this part, as relevant, the place and period of onsite participation set forth in the claim falls within the places and times set forth in §79.11 and §79.31; and

(5) For claims submitted under subparts E, F, and G of this part, the period and place of uranium mining, mill working or ore transporting set forth in the claim falls within the designated time period and specified states identified in §§79.41, 79.51, and 79.61. If the Assistant Director determines from the initial review that any one of the applicable criteria is not met, or that any other criterion of this part is not met, the Assistant Director shall so advise the claimant or eligible surviving beneficiary in writing, setting forth the reasons for the determination, and allow the claimant or eligible surviving beneficiary 60-days from the date of such notification to correct any deficiency in the claim. If the claimant or eligible surviving beneficiary fails adequately to correct the deficiencies within the 60-day period, the Assistant Director shall, without further review, issue a Decision denying the claim.

(b) Review of medical documentation. The Assistant Director will examine the medical documentation submitted in support of the claim and determine whether it satisfies the criteria for eligibility established by the Act and this part. If the Assistant Director determines that the documentation does not satisfy the criteria for eligibility established by the Act and this part, the Assistant Director shall so advise the claimant or eligible surviving beneficiary in writing, setting forth the reasons for the determination, and shall allow the claimant or eligible beneficiary 60 days from the date of notification, or such greater period as the Assistant Director permits, to furnish additional medical documentation that meets the requirements of the Act and this part. Where appropriate, the Assistant Director may require the claimant or eligible surviving beneficiary to provide an authorization to release additional records. If the claimant or eligible beneficiary fails, within 60 days or the greater period approved by the Assistant Director, to provide sufficient medical documentation or a valid release when requested by the Assistant Director, then the Assistant Director shall, without further review, issue a Decision denying the claim.

(c) Review of the records. The Assistant Director will examine the other records submitted in support of the claim to prove those matters set forth in all other sections of the Act and this part, and will determine whether such records satisfy all other criteria for eligibility. For the purposes of verifying such eligibility, the Assistant Director may require the claimant or eligible surviving beneficiary to provide an authorization to release any record identified in this part. If the Assistant Director determines that the records do not satisfy the criteria for eligibility established by the Act and this part, the Assistant Director shall so advise the claimant or eligible surviving beneficiary in writing, setting forth the reasons for the determination, and shall provide the claimant or eligible surviving beneficiary 60 days from the date of notification, or such greater period as the Assistant Director permits, to furnish additional records to satisfy the requirements of the Act and this part. Where appropriate, the Assistant Director may require the claimant or eligible surviving beneficiary to provide an authorization to release additional records as an alternative to, or in addition to, the claimant or eligible beneficiary furnishing such additional records. If the claimant or eligible beneficiary fails within 60 days or the greater period approved by the Assistant Director, to provide sufficient records or a valid release when requested by the Assistant Director, then the Assistant Director shall, without
§ 79.73 Appeals procedures.

(a) An appeal must be in writing and must be received by the Radiation Exposure Compensation Program within 60 days of the date of the Decision denying the claim, unless a greater period has been permitted. Appeals must be sent to the following address: Radiation Exposure Compensation Program, Appeal of Decision, U.S. Department of Justice, P.O. Box 146, Ben Franklin Station, Washington, DC 20044-0146.

(b) The claimant or eligible surviving beneficiary must set forth in the appeal the reason(s) why he or she believes that the Decision of the Assistant Director is incorrect.

(c) Upon receipt of an appeal, the Radiation Exposure Compensation Program shall forward the appeal, the Decision, the claim, and all supporting documentation to the Appeals Officer for action on the appeal. If the appeal is not received within the 60-day period, or such greater period as may be permitted, the appeal may be denied without further review.

(d) The Appeals Officer shall review any appeal and other information forwarded by the Program. Within 90 days after the receipt of an appeal, the Appeals Officer shall issue a Memorandum either affirming or reversing the Assistant Director’s Decision or, when appropriate, remanding the claim to the Assistant Director for further action. The Memorandum shall include a statement of the reason(s) for such reversal, affirmation, or remand. The Memorandum and all papers relating to the claim shall be returned to the Radiation Exposure Compensation Program, which shall promptly inform the claimant or eligible surviving beneficiary of the action of the Appeals Officer. A Memorandum affirming or reversing the Assistant Director’s Decision shall be deemed to be the final action of the Department of Justice on the claim.

(e) Before seeking judicial review of a decision denying a claim under the Act, an individual must first seek review by the designated Appeals Officer. Once the appeals procedures are completed, an individual whose claim for compensation under the Act is affirmed on appeal may seek judicial review in a district court of the United States.

§ 79.74 Representatives and attorney’s fees.

(a) Representation. In submitting and presenting a claim to the Program, a claimant or beneficiary may, but need not, be represented by an attorney or by a representative of an Indian Tribe or tribal organization. Non-attorneys (other than representatives of an Indian Tribe or tribal organization) are not permitted to represent claimants or beneficiaries before the Program. To the extent that resources are available, the Assistant Director will provide assistance to all persons who file claims for compensation. Only qualified attorneys, as described in paragraph (c) of
§ 79.75 Procedures for payment of claims.

(a) All awards for compensation are made in the form of one time lump sum payments and shall be made to the claimant or to the legal guardian of the claimant, unless the claimant is deceased at the time of the payment. In cases involving a claimant who is deceased, payment shall be made to each eligible surviving beneficiary or to the legal guardian acting on his or her behalf, in accordance with the terms and conditions specified in the Act. Once the Program has received the claimant’s or eligible surviving beneficiary’s election to accept the payment, the Assistant Director shall ensure that the claim is paid within six weeks. All time frames for processing claims under the Act are suspended during periods when the Radiation Trust Fund is not funded.

(b) In cases involving the approval of a claim, the Assistant Director shall take all necessary and appropriate steps to determine the correct amount of any offset to be made to the amount awarded under the Act and to verify the identity of the claimant or, in the case of a deceased claimant, the existence of eligible surviving beneficiaries who are entitled by the Act to receive the payment the claimant would have received. The Assistant Director may
§ 79.75 28 CFR Ch. I (7–1–17 Edition)

conduct any investigation, and may require any claimant or eligible surviving beneficiary to provide or execute any affidavit, record, or document or authorize the release of any information the Assistant Director deems necessary to ensure that the compensation payment is made in the correct amount and to the correct person(s). If the claimant or eligible surviving beneficiary fails or refuses to execute an affidavit or release of information, or to provide a record or document requested, or fails to provide access to information, such failure or refusal may be deemed to be a rejection of the payment, unless the claimant or eligible surviving beneficiary does not have and cannot obtain the legal authority to provide, release or authorize access to the required information, records or documents.

(c) Prior to authorizing payment, the Assistant Director shall require the claimant or each eligible surviving beneficiary to execute and provide an affidavit (or declaration under oath on the standard claim form) setting forth the amount of any payment made pursuant to a final award or settlement on a claim (other than a claim for worker’s compensation), against any person, that is based on injuries incurred by the claimant on account of:

(1) Exposure to radiation from an atmospheric detonation of a nuclear device while present in an affected area (as defined in §79.11(a)) at any time during the periods described in §79.11(c) or §79.11(h);

(2) Exposure to radiation while participating onsite in an atmospheric detonation of a nuclear device (as defined in §79.11(b)) at any time during the periods described in §79.11(h) (This paragraph (c) only applies to claims filed under section 4(a)(1)(A)(i)(III) of the Act); or

(3) Exposure to radiation during employment in a uranium mine at any time during the period described in section 5 of the Act. For purposes of this paragraph, a “claim” includes, but is not limited to, any request or demand for money made or sought in a civil action or made or sought in anticipation of the filing of a civil action, but shall not include requests or demands made pursuant to a life insurance or health insurance contract. If any such award or settlement payment was made, the Assistant Director shall subtract the sum of such award or settlement payments from the payment to be made under the Act.

(d) In the case of a claim filed under section 4(a)(2)(C) of the Act, the Assistant Director shall require the claimant or each eligible surviving beneficiary to execute and provide an affidavit (or declaration under oath on the standard claim form) setting forth the amount of any payment made pursuant to a final award or settlement on a claim (other than a claim for worker’s compensation) against any person or any payment made by the Department of Veterans Affairs, that is based on injuries incurred by the claimant on account of exposure to radiation as a result of onsite participation in a test involving the atmospheric detonation of a nuclear device. For purposes of this paragraph, a “claim” includes, but is not limited to, any request or demand for money made or sought in a civil action or made or sought in anticipation of a civil action, but shall not include requests or demands made pursuant to a life-or health-insurance contract.

(1) Payments by the Department of Veterans Affairs shall include:

(i) Any disability payments or compensation benefits paid to the claimant and his or her dependents while the claimant is alive; and

(ii) Any Dependency and Indemnity Compensation payments made to survivors due to death related to the illness for which the claim under the Act is submitted.

(2) Payments by the Department of Veterans Affairs shall not include:

(i) Active duty pay, retired pay, retainer pay, or payments under the Survivor Benefits Plan;

(ii) Death gratuities;

(iii) SGLI, VGLI, or mortgage, life, or health insurance payments;

(iv) Burial benefits or reimbursement for burial expenses;

(v) Loans or loan guarantees;

(vi) Education benefits and payments;

(vii) Vocational rehabilitation benefits and payments;

(viii) Medical, hospital, and dental benefits; or
(ix) Commissary and PX privileges.

(e) If any such award, settlement, or payment was made as described in paragraphs (c) or (d) of this section, the Assistant Director shall calculate the actuarial present value of such payment(s), and subtract the actuarial present value from the payment to be made under the Act. The actuarial present value shall be calculated using the worksheet in appendix C to this part in the following manner:

(1) Step 1. The sums of the past payments received in each year are entered in the appropriate rows in column (2). Additional rows will be added as needed to calculate the present value of payments received in the years prior to 1960 and after 1990.

(2) Step 2. The present CPI-U (to be obtained monthly from the Bureau of Labor Statistics, Department of Labor) is entered in column (3).

(3) Step 3. The CPI (Major Expenditure Classes—All Items) for each year in which payments were received is entered in the appropriate row in column (4). (This measure is provided for 1960 through 1990. The measure for subsequent years will be obtained from the Bureau of Labor Statistics.)

(4) Step 4. For each row, the amount in column (2) is multiplied by the corresponding inflator (column (3) divided by column (4)) and the product is entered in column (5).

(5) Step 5. The products in column (5) are added together and the sum is entered on the line labeled “Total of column (5) equals actuarial present value of past payments.”

(6) Step 6. The sum in Step 5 is subtracted from the statutory payment of $75,000 and the remainder is entered on the line labeled “Net Claim Owed to Claimant.”

(f) When the Assistant Director has verified the identity of the claimant or each eligible surviving beneficiary who is entitled to the compensation payment or to a share of the compensation payment, and has determined the correct amount of the payment or the share of the payment, he or she shall notify the claimant or each eligible surviving beneficiary, or his or her legal guardian, and require such person(s) to sign an Acceptance of Payment Form. Such form shall be signed and returned within 60 days of the date of the form or such greater period as may be allowed by the Assistant Director. Failure to return the signed form within the required time may be deemed to be a rejection of the payment. Signing and returning the form within the required time shall constitute acceptance of the payment, unless the individual who has signed the form dies prior to receiving the actual payment, in which case the person who possesses the payment shall return it to the Assistant Director for redetermination of the correct disbursement of the payment.

(g) Rejected compensation payments or shares of compensation payments shall not be distributed to other eligible surviving beneficiaries, but shall be returned to the Trust Fund for use in paying other claims.

(h) Upon receipt of the Acceptance of Payment Form, the Assistant Director or the Constitutional and Specialized Torts Staff Director or Deputy Director, or their designee, shall authorize the appropriate authorities to issue a check to the claimant or to each eligible surviving beneficiary who has accepted payment out of the funds appropriated for this purpose.

(i) Multiple payments. (1) No claimant may receive payment under more than one subpart of this part for illnesses that he or she contracted. In addition to one payment for his or her illnesses, he or she may also receive one payment for each claimant for whom he or she qualifies as an eligible surviving beneficiary.

(2) An eligible surviving beneficiary who is not also a claimant may receive one payment for each claimant for whom he or she qualifies as an eligible surviving beneficiary.

**PART 80—FOREIGN CORRUPT PRACTICES ACT OPINION PROCEDURE**

§ 80.1 Purpose.

These procedures enable issuers and domestic concerns to obtain an opinion of the Attorney General as to whether certain specified, prospective—not hypothetical—conduct conforms with the Department’s present enforcement policy regarding the antibribery provisions of the Foreign Corrupt Practices Act of 1977, as amended, 15 U.S.C. 78dd–1 and 78dd–2. An opinion issued pursuant to these procedures is a Foreign Corrupt Practices Act opinion (hereinafter FCPA Opinion).

§ 80.2 Submission requirements.

A request for an FCPA Opinion must be submitted in writing. An original and five copies of the request should be addressed to the Assistant Attorney General in charge of the Criminal Division, Attention: FCPA Opinion Group. The mailing address is P.O. Box 28188, Central Station, Washington, DC 20038. The address for hand delivery is room 2424, Bond Building, 1400 New York Avenue, NW., Washington, DC 20005.

§ 80.3 Transaction.

The entire transaction which is the subject of the request must be an actual—not a hypothetical—transaction but need not involve only prospective conduct. However, a request will not be considered unless that portion of the transaction for which an opinion is sought involves only prospective conduct. An executed contract is not a prerequisite and, in most—if not all—instances, an opinion request should be made prior to the requestor’s commitment to proceed with a transaction.

§ 80.4 Issuer or domestic concern.

The request must be submitted by an issuer or domestic concern within the meaning of 15 U.S.C. 78dd–1 and 78dd–2, respectively, that is also a party to the transaction which is the subject of the request.

§ 80.5 Affected parties.

An FCPA Opinion shall have no application to any party which does not join in the request for the opinion.
§ 80.6 General requirements.

Each request shall be specific and must be accompanied by all relevant and material information bearing on the conduct for which an FCPA Opinion is requested and on the circumstances of the prospective conduct, including background information, complete copies of all operative documents, and detailed statements of all collateral or oral understandings, if any. The requesting issuer or domestic concern is under an affirmative obligation to make full and true disclosure with respect to the conduct for which an opinion is requested. Each request on behalf of a requesting issuer or corporate domestic concern must be signed by an appropriate senior officer with operational responsibility for the conduct that is the subject of the request and who has been designated by the requestor’s chief executive officer to sign the opinion request. In appropriate cases, the Department of Justice may require the chief executive officer of each requesting issuer or corporate domestic concern to sign the request. All requests of other domestic concerns must also be signed. The person signing the request must certify that it contains a true, correct and complete disclosure with respect to the proposed conduct and the circumstances of the conduct.

§ 80.7 Additional information.

If an issuer’s or domestic concern’s submission does not contain all of the information required by §80.6, the Department of Justice may request whatever additional information or documents it deems necessary to review the matter. The Department must do so within 30 days of receipt of the opinion request, or, in the case of an incomplete response to a previous request for additional information, within 30 days of receipt of such response. Each issuer or domestic concern requesting an FCPA Opinion must promptly provide the information requested. A request will not be deemed complete until the Department of Justice receives such additional information. Such additional information, if furnished orally, shall be promptly confirmed in writing, signed by the same person or officer who signed the initial request and certified by this person or officer to be a true, correct and complete disclosure of the requested information. In connection with any request for an FCPA Opinion, the Department of Justice may conduct whatever independent investigation it believes appropriate.

§ 80.8 Attorney General opinion.

The Attorney General or his designee shall, within 30 days after receiving a request that complies with the foregoing procedure, respond to the request by issuing an opinion that states whether the prospective conduct, would, for purposes of the Department of Justice’s present enforcement policy, violate 15 U.S.C. 78dd–1 and 78dd–2. The Department of Justice may also take such other positions or action as it considers appropriate. Should the Department request additional information, the Department’s response shall be made within 30 days after receipt of such additional information.

§ 80.9 No oral opinion.

No oral clearance, release or other statement purporting to limit the enforcement discretion of the Department of Justice may be given. The requesting issuer or domestic concern may rely only upon a written FCPA Opinion letter signed by the Attorney General or his designee.

§ 80.10 Rebuttable presumption.

In any action brought under the applicable provisions of 15 U.S.C. 78dd–1 and 78dd–2, there shall be a rebuttable presumption that a requestor’s conduct, which is specified in a request, and for which the Attorney General has issued an opinion that such conduct is in conformity with the Department’s present enforcement policy, is in compliance with those provisions of the FCPA. Such a presumption may be rebutted by a preponderance of the evidence. In considering the presumption, a court, in accordance with the statute, shall weigh all relevant factors, including but not limited to whether information submitted to the Attorney General was accurate and complete and whether the activity was within the scope of the conduct specified in any request received by the Attorney General.
§ 80.11 Effect of FCPA Opinion.

Except as specified in §80.10, an FCPA Opinion will not bind or obligate any agency other than the Department of Justice. It will not affect the requesting issuer’s or domestic concern’s obligations to any other agency, or under any statutory or regulatory provision other than those specifically cited in the particular FCPA Opinion.

§ 80.12 Accounting requirements.

Neither the submission of a request for an FCPA Opinion, its pendency, nor the issuance of an FCPA Opinion, shall in any way alter the responsibility of an issuer to comply with the accounting requirements of 15 U.S.C. 78m(b)(2) and (3).

§ 80.13 Scope of FCPA Opinion.

An FCPA Opinion will state only the Attorney General’s opinion as to whether the prospective conduct would violate the Department’s present enforcement policy under 15 U.S.C. 78dd–1 and 78dd–2. If the conduct for which an FCPA Opinion is requested is subject to approval by any other agency, such FCPA Opinion shall in no way be taken to indicate the Department of Justice’s views on the legal or factual issues that may be raised before that agency, or in an appeal from the agency’s decision.

§ 80.14 Disclosure.

(a) Any document or other material which is provided to, received by, or prepared in the Department of Justice or any other department or agency of the United States in connection with a request by an issuer or domestic concern under the foregoing procedure shall be exempt from disclosure under 5 U.S.C. 552 and shall not, except with the consent of the issuer or domestic concern, be made publicly available, regardless of whether the Attorney General responds to such a request or the issuer or domestic concern withdraws such request before receiving a response.

(b) Nothing contained in paragraph (a) of this section shall limit the Department of Justice’s right to issue, at its discretion, a release describing the identity of the requesting issuer or domestic concern, the identity of the foreign country in which the proposed conduct is to take place, the general nature and circumstances of the proposed conduct, and the action taken by the Department of Justice in response to the FCPA Opinion request. Such release shall not disclose either the identity of any foreign sales agents or other types of identifying information. The Department of Justice shall index such releases and place them in a file available to the public upon request.

(c) A requestor may request that the release not disclose proprietary information.

§ 80.15 Withdrawal.

A request submitted under the foregoing procedure may be withdrawn prior to the time the Attorney General issues an opinion in response to such request. Any request so withdrawn shall have no force or effect. The Department of Justice reserves the right to retain any FCPA Opinion request, documents and information submitted to it under this procedure or otherwise and to use them for any governmental purposes, subject to the restrictions on disclosures in §80.14.

§ 80.16 Additional requests.

Additional requests for FCPA Opinions may be filed with the Attorney General under the foregoing procedure regarding other prospective conduct that is beyond the scope of conduct specified in previous requests.

Subpart B—Child Pornography Reporting Designations and Procedures

SOURCE: Order No. 2692–2003, 68 FR 62372, Nov. 4, 2003, unless otherwise noted.
§ 81.11 Purpose.

The regulations in this subpart B designate the agencies that are authorized to receive and investigate reports of child pornography that are forwarded from the National Center for Missing and Exploited Children under the provisions of 42 U.S.C. 13032.

§ 81.12 Submission of reports to the "Cyber Tipline" at the National Center for Missing and Exploited Children.

§ 83.100 What does this part do?

This part carries out the portion of the Drug-Free Workplace Act of 1988 (41 U.S.C. 701 et seq., as amended) that applies to grants. It also applies the provisions of the Act to cooperative agreements and other financial assistance awards, as a matter of Federal Government policy.

§ 83.105 Does this part apply to me?

(a) Portions of this part apply to you if you are either—

(1) A recipient of an assistance award from the Department of Justice; or

(2) An awarding official. (See definitions of award and recipient in §§ 83.605 and 83.660, respectively.)

(b) The following table shows the subparts that apply to you:

There are two general requirements if you are a recipient other than an individual.

(a) First, you must make a good faith effort, on a continuing basis, to maintain a drug-free workplace. You must agree to do so as a condition for receiving any award covered by this part. The specific measures that you must take in this regard are described in more detail in subsequent sections of this subpart. Briefly, those measures are to—

(2) Take actions concerning employees who are convicted of violating drug statutes in the workplace (see § 83.225).

(b) Second, you must identify all known workplaces under your Federal awards (see § 83.230).

§ 83.205 What must I include in my drug-free workplace statement?

You must publish a statement that—

(a) Tells your employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in your workplace;

(b) Specifies the actions that you will take against employees for violating that prohibition; and
Let each employee know that, as a condition of employment under any award, he or she:

(1) Will abide by the terms of the statement; and

(2) Must notify you in writing if he or she is convicted for a violation of a criminal drug statute occurring in the workplace and must do so no more than five calendar days after the conviction.

§ 83.210 To whom must I distribute my drug-free workplace statement?

You must require that a copy of the statement described in § 83.205 be given to each employee who will be engaged in the performance of any Federal award.

§ 83.215 What must I include in my drug-free awareness program?

You must establish an ongoing drug-free awareness program to inform employees about—

(a) The dangers of drug abuse in the workplace;

(b) Your policy of maintaining a drug-free workplace;

If you are a new recipient that does not already have a policy statement as described in § 83.205 and an ongoing awareness program as described in § 83.215, you must publish the statement and establish the program by the time given in the following table:

§ 83.225 What actions must I take concerning employees who are convicted of drug violations in the workplace?

There are two actions you must take if an employee is convicted of a drug violation in the workplace:

(a) First, you must notify Federal agencies if an employee who is engaged in the performance of an award informs you about a conviction, as required by § 83.205(c)(2), or you otherwise learn of the conviction. Your notification to the Federal agencies must—

(1) Be in writing;

(2) Include the employee’s position title;

(3) Include the identification number(s) of each affected award;

(4) Be sent within ten calendar days after you learn of the conviction; and

(5) Be sent to every Federal agency on whose award the convicted employee was working. It must be sent to every awarding official or his or her official designee, unless the Federal agency has specified a central point for the receipt of the notices.

(b) Second, within 30 calendar days of learning about an employee’s conviction, you must either—

(1) Take appropriate personnel action against the employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended; or

(2) Require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for these purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

§ 83.230 How and when must I identify workplaces?

(a) You must identify all known workplaces under each Department of Justice award. A failure to do so is a violation of your drug-free workplace requirements. You may identify the workplaces .
§ 83.300 What must I do to comply with this part if I am an individual recipient?

As a condition of receiving an award, if you are an individual recipient, you must agree that—

(a) You will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity related to the award; and

(b) If you are convicted of a criminal drug offense resulting from a violation occurring during the conduct of any award activity, you will report the conviction:

(1) In writing.

(2) Within 10 calendar days of the conviction.

(3) To the Department of Justice awarding official or other designee for each award that you currently have, unless §83.301 or the award document designates a central point for the receipt of the notices. When notice is made to a central point, it must include the identification number(s) of each affected award.

§ 83.301 [Reserved]

Subpart D—Responsibilities of Department of Justice Awarding Officials

§ 83.400 What are my responsibilities as a(n) Department of Justice awarding official?

As a(n) Department of Justice awarding official, you must obtain each recipient’s agreement, as a condition of the award, to comply with the requirements in—

(a) Subpart B of this part, if the recipient is not an individual; or

(b) Subpart C of this part, if the recipient is an individual.

Subpart E—Violations of this Part and Consequences

§ 83.500 How are violations of this part determined for recipients other than individuals?

A recipient other than an individual is in violation of the requirements of this part if the Attorney General or designee determines, in writing, that—

(a) The recipient has violated the requirements of subpart B of this part; or

(b) The number of convictions of the recipient’s employees for violating criminal drug statutes in the workplace is large enough to indicate that the recipient has failed to make a good faith effort to provide a drug-free workplace.

§ 83.505 How are violations of this part determined for recipients who are individuals?

An individual recipient is in violation of the requirements of this part if the Attorney General or designee determines, in writing, that—

(a) The recipient has violated the requirements of subpart C of this part; or

(b) The recipient is convicted of a criminal drug offense resulting from a violation occurring during the conduct of any award activity.
§ 83.510 What actions will the Federal Government take against a recipient determined to have violated this part?

If a recipient is determined to have violated this part, as described in §83.500 or §83.505, the Department of Justice may take one or more of the following actions—

(a) Suspension of payments under the award;
(b) Suspension or termination of the award; and
(c) Suspension or debarment of the recipient under 28 CFR Part 67, for a period not to exceed five years.

§ 83.515 Are there any exceptions to those actions?

The Attorney General may waive with respect to a particular award, in writing, a suspension of payments under an award, suspension or termination of an award, or suspension or debarment of a recipient if the Attorney General determines that such a waiver would be in the public interest. This exception authority cannot be delegated to any other official.

A recipient so prohibited is suspended, in accordance with the Federal Acquisition Regulation for procurement contracts (48 CFR part 9, subpart 9.4) and the common rule, Government-wide Debarment and Suspension (Nonprocurement), that implements Executive Order 12549 and Executive Order 12689. Suspension of a recipient is a distinct and separate action from suspension of an award or suspension of payments under an award.

1 The figures set forth in the fourth column represent the civil penalty amounts as last adjusted by the Department of Justice, effective August 1, 2016.

2 All figures set forth in this table are maximum penalties, unless otherwise indicated.

3 Section 3729a(a)(1) of Title 31 provides that any person who violates this section is liable to the United States Government for a civil penalty of not less than $5,000 and not more than $10,000, as adjusted by the Federal Civil Penalties Inflation Adjustment Act of 1990, plus 3 times the amount of damages which the Government sustains because of the act of that person. 31 U.S.C. 3729(a)(1) (2015). Section 3729a(a)(2) permits the court to reduce the damages under certain circumstances to not less than 2 times the amount of damages which the Government sustains because of the act of that person. Id. section 3729a(a)(2). The adjust-justment made by this regulation is only applicable to the specific statutory penalty amounts stated in subsection (a)(1), which is only one component of the civil penalty imposed under section 3729a(a)(1).

4 Section 8070(a)(1) of Title 41 provides that the Federal Government in a civil action may recover from a person who knowingly engages in conduct prohibited by section 8072 of Title 44 a civil penalty equal to twice the amount of each kickback in-volved in the violation and not more than $10,000 for each occurrence of prohibited conduct. 41 U.S.C. 8070(a)(1) (2015). The adjustment made by this regulation is only applicable to the specific statutory penalty amount stated in subsection (a)(1)(A), which is only one component of the civil penalty imposed under section 8070.

5 Section 2105(b) of Title 41 provides that the civil penalty should be no more than $50,000 for each violation or the amount of compensation which the person received or offered for the prohibited conduct. whichever amount is greater. 18 U.S.C. 216(b) (2015). Therefore, the adjustment made by this regulation is only applicable to the specific statutory penalty amount stated in subsection (b), which is only one component of the possible civil penalty imposed under section 210(b).

6 Section 210(b) of Title 41 provides that the Attorney General may bring a civil action in an appropriate district court of the United States against a person that engages in conduct that violates section 2102, 2103, or 2104 of Title 41. 41 U.S.C. 210(b) (2015). Section 210(b) further provides that on proof of that conduct by a preponderance of the evidence, an individual is liable to the Federal Government for a civil penalty of not more than $50,000 for each violation plus twice the amount of compensation that the organization received or offered for the prohibited conduct, whichever amount is greater. 18 U.S.C. 210(b) (2015). The adjustments made by this regulation are only applicable to the specific statutory penalty amounts stated in subsections (b)(1) and (b)(2), which are each only one component of the civil penalties imposed under sections 210(b)(1) and (b)(2).

7 The Attorney General has authority to bring a civil action when a person has violated or is about to violate a provision under this statute. 42 U.S.C. 5107(b) (2015). The Federal Emergency Management Agency has promulgated regulations regarding this statute and has adjusted the penalty in its regulation. 44 CFR 206.14(d) (2015). Therefore, the adjustment made by this regulation is only applicable to the specific statutory penalty amount stated in subsection (b)(1), which is only one component of the possible civil penalty imposed under section 210(b).

8 Section 1956(b)(1) of Title 18 provides that whoever conducts or attempts to conduct a transaction described in subsection (a)(1) or (a)(3), or section 1957, or a transportation, transmission, or transfer described in subsection (a)(2), is liable to the United States for a civil penalty of not more than the greater of the value of the property, funds, or monetary instruments in- volved in the transaction; or $10,000. 18 U.S.C. 1956(b)(1) (2015). The adjustment made by this regulation is only applicable to the specific statutory penalty amount stated in subsection (b)(1)(B), which is only one aspect of the possible civil penalty im-posed under section 1956(b).

9 Section 856(d)(1) of Title 21 provides that any person who violates subsection (a) or (b), or section 1957, or a transportation, transmission, or transfer described in subsection (a)(2), is liable to the United States for a civil penalty of not more than $250,000 or double the last previously imposed penalty, whichever is greater. 21 U.S.C. 842(c)(2)(C) (2015). The adjustment made by this regulation regarding the penalty for a succeeding violation is only applicable to the specific statutory penalty amount stated in subsection (c)(2)(C), which is only one aspect of the possible civil penalty for a succeeding violation imposed under section 842(c)(2)(C).

10 Section 856(d)(1) of Title 21 provides that any person who violates subsection (a) or (b), or section 1957, or a transportation, transmission, or transfer described in subsection (a)(2), is liable to the United States for a civil penalty of not more than $250,000 or double the last previously imposed penalty, whichever is greater. 21 U.S.C. 856(d)(1) (2015). The adjustment made by this regulation is only applicable to the specific statutory penalty amount stated in subsection (d)(1)(A), which is only one aspect of the possible civil penalty imposed under section 856(d)(1).

   (4) The Violence Against Women and Department of Justice Reauthorization Act of 2005 (VAWA 2005), Public Law 109–162 (January 5, 2006); and,
(b) Subpart B of this part defines program eligibility criteria and sets forth requirements for application for and administration of formula grants to States to combat violent crimes against women. This program is codified at 42 U.S.C. 3796gg through 3796gg–5 and 3796gg–8.
(c) Subpart C of this part was removed on September 9, 2013.
(d) Subpart D of this part defines program eligibility criteria and sets forth requirements for the discretionary Grants to Encourage Arrest Policies and Enforcement of Protection Orders Program.
(e) Subpart A of this part applies to all grants made by OVW and subgrants made under the STOP Violence Against Women Formula Program (STOP Program) and the Sexual Assault Services Formula Grant Program after the effective date of this rule. Subpart B of this part applies to all STOP Program grants issued by OVW after the effective date of the rule and to all subgrants issued by states under the STOP Program after the effective date of the rule, even if the underlying grant was...
§ 90.2 Definitions.

(a) In addition to the definitions in this section, the definitions in 42 U.S.C. 13925(a) apply to all grants awarded by the Office on Violence Against Women and all subgrants made under such awards.

(b) The term “community-based program” has the meaning given the term “community-based organization” in 42 U.S.C. 13925(a).

(c) The term “forensic medical examination” means an examination provided to a victim of sexual assault by medical personnel to gather evidence of a sexual assault in a manner suitable for use in a court of law.

(1) The examination should include at a minimum:

(i) Gathering information from the patient for the forensic medical history;

(ii) Head-to-toe examination of the patient;

(iii) Documentation of biological and physical findings; and

(iv) Collection of evidence from the patient.

(2) Any costs associated with the items listed in paragraph (c)(1) of this section, such as equipment or supplies, are considered part of the “forensic medical examination.”

(3) The inclusion of additional procedures (e.g., testing for sexually transmitted diseases) may be determined by the State, Indian tribal government, or unit of local government in accordance with its current laws, policies, and practices.

(d) The term “prevention” includes both primary and secondary prevention efforts. “Primary prevention” means strategies, programming, and activities to stop both first-time perpetration and first-time victimization. Primary prevention is stopping domestic violence, dating violence, sexual assault, and stalking before they occur. “Secondary prevention” is identifying risk factors or problems that may lead to future domestic violence, dating violence, sexual assault, or stalking and taking the necessary actions to eliminate the risk factors and the potential problem. “Prevention” is distinguished from “outreach,” which has the goal of informing victims and potential victims about available services.

(e) The term “prosecution” means any public agency charged with direct responsibility for prosecuting criminal offenders, including such agency’s component bureaus (such as governmental victim services programs). Public agencies that provide prosecution support services, such as overseeing or participating in Statewide or multi-jurisdictional domestic violence, dating violence, sexual assault, or stalking task forces, conducting training for State, tribal, or local prosecutors or enforcing victim compensation and domestic violence, dating violence, sexual assault, or stalking-related restraining orders also fall within the meaning of “prosecution” for purposes of this definition.

(f) The term “public agency” has the meaning provided in 42 U.S.C. 3791.

(g) For the purpose of this part, a “unit of local government” is any city, county, township, town, borough, parish, village, or other general purpose political subdivision of a State. The following are not considered units of local government for purposes of this part:

(1) Police departments;

(2) Pre-trial service agencies;

(3) District or city attorneys’ offices;

(4) Sheriffs’ departments;

(5) Probation and parole departments;

(6) Shelters;

(7) Nonprofit, nongovernmental victim service agencies including faith-based or community-based organizations; and

(8) Universities.

(h) The term “victim services division or component of an organization, agency, or government” refers to a division within a larger organization, agency, or government, where the division has as its primary purpose to assist or advocate for domestic violence, dating violence, sexual assault, or stalking victims and has a documented history of work concerning such victims.

[81 FR 85891, Nov. 29, 2016]
§ 90.3 Participation by faith-based organizations.

The funds provided under this part shall be administered in compliance with the standards set forth in part 38 (Equal Treatment for Faith-based Organizations) of this chapter.

§ 90.4 Grant conditions.

(a) Applicability. In addition to the grant conditions in paragraphs (b) and (c) of this section, the grant conditions in 42 U.S.C. 13925(b) apply to all grants awarded by the Office on Violence Against Women and all subgrants made under such awards.

(b) Nondisclosure of confidential or private information—(1) In general. In order to ensure the safety of adult, youth, and child victims of domestic violence, dating violence, sexual assault, or stalking and their families, grantees and subgrantees under this part shall protect the confidentiality and privacy of persons receiving services.

(ii) This paragraph applies whether the information is being requested for a Department of Justice grant program or another Federal agency, State, tribal, or territorial grant program. This paragraph also limits disclosures by subgrantees to grantees, including disclosures to Statewide or regional databases.

(iii) This paragraph also applies to disclosures from the victim services divisions or components of an organization, agency, or government to other non-victim service divisions within an organization, agency, or government. It also applies to disclosures from victim services divisions or components of an organization, agency, or government to the leadership of the organization, agency, or government (e.g., executive director or chief executive). Such executives shall have access without releases only in extraordinary and rare circumstances. Such circumstances do not include routine monitoring and supervision.

(3) Release. (i) Personally identifying information or individual information that is collected as described in paragraph (b)(2) of this section may not be released except under the following circumstances:

(A) The victim signs a release as provided in paragraph (b)(3)(ii) of this section;

(B) Release is compelled by statutory mandate, which includes mandatory child abuse reporting laws; or

(C) Release is compelled by court mandate, which includes a legal mandate created by case law, such as a common-law duty to warn.

(ii) Victim releases must meet the following criteria—

(A) Releases must be written, informed, and reasonably time-limited. Grantees and subgrantees may not use a blanket release and must specify the scope and limited circumstances of any disclosure. At a minimum, grantees and subgrantees must: Discuss with the victim why the information might be shared, who would have access to the information, and what information could be shared under the release; reach agreement with the victim about what information would be shared and with whom; and record the agreement about the scope of the release. A release must specify the duration for which information may be shared. The reasonableness of this time period will depend on the specific situation.

(B) Grantees and subgrantees may not require consent to release of information as a condition of service.

(C) Releases must be signed by the victim unless the victim is a minor who lacks the capacity to consent to release or is a legally incapacitated person and has a court-appointed guardian. Except as provided in paragraph (b)(3)(ii)(D) of this section, in the case of an unemancipated minor, the release must be signed by the minor and a parent or guardian; in the case of a legally incapacitated person, it must be signed by a legally-appointed guardian. Consent may not be given by the abuser of the minor or incapacitated person.
person or the abuser of the other parent of the minor. If a minor is incapable of knowingly consenting, the parent or guardian may provide consent. If a parent or guardian consents for a minor, the grantee or subgrantee should attempt to notify the minor as appropriate.

(D) If the minor or person with a legally appointed guardian is permitted by law to receive services without the parent’s or guardian’s consent, the minor or person with a guardian may consent to release information without additional consent.

(iii) If the release is compelled by statutory or court mandate, grantees and subgrantees must make reasonable efforts to notify victims affected by the disclosure and take steps necessary to protect the privacy and safety of the affected persons.

(4) Fatality reviews. Grantees and subgrantees may share personally identifying information or individual information that is collected as described in paragraph (b)(2) of this section about deceased victims being sought for a fatality review to the extent permitted by their jurisdiction’s law and only if the following conditions are met:

(i) The underlying objectives of the fatality review are to prevent future deaths, enhance victim safety, and increase offender accountability;

(ii) The fatality review includes policies and protocols to protect identifying information, including identifying information about the victim’s children, from further release outside the fatality review team;

(iii) The grantee or subgrantee makes a reasonable effort to get a release from the victim’s personal representative (if one has been appointed) and from any surviving minor children or the guardian of such children (but not if the guardian is the abuser of the deceased parent), if the children are not capable of knowingly consenting; and

(iv) The information released is limited to that which is necessary for the purposes of the fatality review.

(5) Inadvertent release. Grantees and subgrantees are responsible for taking reasonable efforts to prevent inadvertent releases of personally identifying information or individual information that is collected as described in paragraph (b)(2) of this section.

(6) Confidentiality assessment and assurances. Grantees and subgrantees are required to document their compliance with the requirements of this paragraph. All applicants for Office on Violence Against Women funding are required to submit a signed acknowledgement form, indicating that they have notice that, if awarded funds, they will be required to comply with the provisions of this paragraph, will mandate that subgrantees, if any, comply with this provision, and will create and maintain documentation of compliance, such as policies and procedures for release of victim information, and will mandate that subgrantees, if any, will do so as well.

(c) Victim eligibility for services. Victim eligibility for direct services is not dependent on the victim’s immigration status.

(d) Reports. An entity receiving a grant under this part shall submit to the Office on Violence Against Women reports detailing the activities undertaken with the grant funds. These reports must comply with the requirements set forth in 2 CFR 200.328 and provide any additional information that the Office on Violence Against Women requires.

Subpart B—The STOP (Services * Training * Officers * Prosecutors) Violence Against Women Formula Grant Program

SOURCE: 81 FR 85892, Nov. 29, 2016, unless otherwise noted.

§ 90.10 STOP (Services * Training * Officers * Prosecutors) Violence Against Women Formula Grant Program—general.

The purposes, criteria, and requirements for the STOP Violence Against Women Formula Grant Program are established by 42 U.S.C. 3796gg et seq. Eligible applicants for the program are the 50 States, American Samoa, Guam, Puerto Rico, Northern Mariana Islands, U.S. Virgin Islands, and the District of Columbia, hereinafter referred to as “States.”
§ 90.11 State office.

(a) Statewide plan and application. The chief executive of each participating State shall designate a State office for the purposes of:

(1) Certifying qualifications for funding under this program;

(2) Developing a Statewide plan for implementation of the STOP Violence Against Women Formula Grants as described in §90.12; and

(3) Preparing an application to receive funds under this program.

(b) Administration and fund disbursement. In addition to the duties specified by paragraph (a) of this section, the State office shall administer funds received under this program, including receipt, review, processing, monitoring, progress and financial report review, technical assistance, grant adjustments, accounting, auditing, and fund disbursements.

(c) Allocation requirement. (1) The State office shall allocate funds as provided in 42 U.S.C. 3796gg–1(c)(4) to courts and for law enforcement, prosecution, and victim services (including funds that must be awarded to culturally specific community-based organizations).

(2) The State office shall ensure that the allocated funds benefit law enforcement, prosecution and victim services and are awarded to courts and culturally specific community-based organizations. In ensuring that funds benefit the appropriate entities, if funds are not subgranted directly to law enforcement, prosecution, and victim services, the State must require demonstration from the entity to be benefitted in the form of a memorandum of understanding signed by the chief executives of both the entity and the subgrant recipient, stating that the entity supports the proposed project and agrees that it is to the entity’s benefit.

(3) Culturally specific allocation: 42 U.S.C. 13925 defines “culturally specific” as primarily directed toward racial and ethnic minority groups (as defined in 42 U.S.C. 300u–6(g)). An organization will qualify for funding for the culturally specific allocation if its primary mission is to address the needs of racial and ethnic minority groups or if it has developed a special expertise regarding services to address the demonstrated needs of a particular racial and ethnic minority group. The organization must do more than merely provide services to the targeted group; rather, the organization must provide culturally competent services designed to meet the specific needs of the target population. This allocation requires States to set aside a minimum of ten percent (within the thirty-percent allocation for victim services) of STOP Program funds for culturally specific services, but States are encouraged to provide higher levels of funding to address the needs of racial and ethnic minority groups. States should tailor their subgrant application process to assess the qualifications of applicants for the culturally specific set aside, such as reviewing the mission statement of the applicant, the make-up of the board of directors or steering committee of the applicant (with regard to knowledge and experience with relevant cultural populations and language skills), and the history of the organization.

(4) Sexual assault set aside: As provided in 42 U.S.C. 3796gg–1(c)(5), the State must also award at least 20 percent of the total State award to projects in two or more allocations in 42 U.S.C. 3796gg–1(c)(4) that meaningfully address sexual assault. States should evaluate whether the interventions are tailored to meet the specific needs of sexual assault victims including ensuring that projects funded under the set aside have a legitimate focus on sexual assault and that personnel funded under such projects have sufficient expertise and experience on sexual assault.

(d) Pass-through administration. The State office has broad latitude in structuring its administration of the STOP Violence Against Women Formula Grant Program. STOP Program funding may be administered by the State office itself or by other means, including the use of pass-through entities (such as State domestic violence or sexual assault coalitions) to make determinations regarding award distribution and to administer funding. States that opt to use a pass-through entity shall ensure that the total sum of STOP Program funding for administrative and training costs for the State
and pass-through entity is within the limit established by §90.17(b), the reporting of activities at the subgrantee level is equivalent to what would be provided if the State were directly overseeing sub-awards, and an effective system of monitoring sub-awards is used. States shall report on the work of the pass-through entity in such form and manner as OVW may specify from time to time.

§ 90.12 Implementation plans.

(a) In general. Each State must submit a plan describing its identified goals under this program and how the funds will be used to accomplish those goals. The plan must include all of the elements specified in 42 U.S.C. 3796gg–1(d). The plan will cover a four-year period. In years two through four of the plan, each State must submit information on any updates or changes to the plan, as well as updated demographic information.

(b) Consultation and coordination. In developing and updating this plan, a State must consult and coordinate with the entities specified in 42 U.S.C. 3796gg–1(c)(2).

(1) This consultation process must include at least one sexual assault victim service provider and one domestic violence victim service provider and may include other victim service providers.

(2) In determining what population specific organizations, representatives from underserved populations, and culturally specific organizations to include in the consultation process, States should consider the demographics of their State as well as barriers to service, including historical lack of access to services, for each population. The consultation process should involve any significant underserved and culturally specific populations in the State, including organizations working with lesbian, gay, bisexual, and transgender (LGBT) people and organizations that focus on people with limited English proficiency. If the State does not have any culturally specific or population specific organizations at the State or local level, the State may use national organizations to collaborate on the plan.

(3) States must invite all State or federally recognized tribes to participate in the planning process. Tribal coalitions and State or regional tribal consortia may help the State reach out to the tribes but cannot be used as a substitute for consultation with all tribes.

(4) States are encouraged to include survivors of domestic violence, dating violence, sexual assault, and stalking in the planning process. States that include survivors should address safety and confidentiality considerations in recruiting and consulting with such survivors.

(5) States should include probation and parole entities in the planning process.

(6) As provided in 42 U.S.C. 3796gg–1(c)(3), States must coordinate the plan with the State plan for the Family Violence Prevention and Services Act (42 U.S.C. 10407), the State Victim Assistance Formula Grants under the Victims of Crime Act (42 U.S.C. 10603), and the Rape Prevention and Education Program (42 U.S.C. 280b–1b). The purposes of this coordination process are to provide greater diversity of projects funded and leverage efforts across the various funding streams.

(7) Although all of the entities specified in 42 U.S.C. 3796gg–1(c)(2) must be consulted, they do not all need to be on the “planning committee.” The planning committee must include the following, at a minimum:

(i) The State domestic violence and sexual assault coalitions as defined by 42 U.S.C. 13925(a)(32) and (33) (or dual coalition)

(ii) A law enforcement entity or State law enforcement organization

(iii) A prosecution entity or State prosecution organization

(iv) A court or the State Administrative Office of the Courts

(v) Representatives from tribes, tribal organizations, or tribal coalitions

(vi) Population specific organizations representing the most significant underserved populations and culturally specific populations in the State other than tribes, which are addressed separately.

(8) The full consultation should include more robust representation than the planning committee from each of the required groups as well as all State and Federally recognized tribes.
(c) Documentation of consultation. As part of the implementation plan, the State must either submit or retain documentation of collaboration with all the entities specified in paragraph (b) of this section and in 42 U.S.C. 3796gg–1(c)(2), as provided in this paragraph.

(1) States must retain all of the following documentation but are not required to submit it to OVW as part of the implementation plan:

(i) For in-person meetings, a sign-in sheet with name, title, organization, which of the required entity types (e.g., tribal government, population specific organization, prosecution, court, state coalition) the person is representing, phone number, email address, and signature;

(ii) For online meetings, the web reports or other documentation of who participated in the meeting;

(iii) For phone meetings, documentation of who was on the call, such as a roll call or minutes; and

(iv) For any method of document review that occurred outside the context of a meeting, information such as to whom the draft implementation plan was sent, how it was sent (for example, email versus mail), and who responded.

(2) States must submit all of the following documentation to OVW as part of the implementation plan:

(i) A summary of major concerns that were raised during the planning process and how they were addressed or why they were not addressed, which should be sent to the planning committee along with any draft implementation plan and the final plan;

(ii) Documentation of collaboration for each planning committee member that documents, at a minimum:

(A) Which category the participant represents of the entities listed in 42 U.S.C. 3796gg–1(c)(2), such as law enforcement, state coalition, or population specific organization;

(B) Whether they were informed about meetings;

(C) Whether they attended meetings;

(D) Whether they were given drafts of the implementation plan to review;

(E) Whether they submitted comments on the draft;

(F) Whether they received a copy of the final plan and the summary of major concerns; and

(G) Any significant concerns with the final plan;

(iii) A description of efforts to reach tribes, if applicable;

(iv) An explanation of how the State determined which underserved and culturally specific populations to include.

(d) Equitable distribution. The implementation plan must describe, on an annual or four-year basis, how the State, in disbursing monies, will:

(1) Give priority to areas of varying geographic size with the greatest showing of need based on the range and availability of existing domestic violence and sexual assault programs in the population and geographic area to be served in relation to the availability of such programs in other such populations and geographic areas, including Indian reservations;

(2) Determine the amount of subgrants based on the population and geographic area to be served;

(3) Equitably distribute monies on a geographic basis including nonurban and rural areas of various geographic sizes;

(4) Recognize and meaningfully respond to the needs of underserved populations and ensure that monies set aside to fund linguistically and culturally specific services and funds for underserved populations are distributed equitably among culturally specific and other underserved populations; and

(5) Take steps to ensure that eligible applicants are aware of the STOP Program funding opportunity, including applicants serving different geographic areas and culturally specific and other underserved populations.

(e) Underserved populations. Each State may determine the methods it uses for identifying underserved populations within the State, which may include public hearings, needs assessments, task forces, and United States Census Bureau data. The implementation plan must include details regarding the methods used and the results of those methods. It must also include information on how the State plans to meet the needs of identified underserved populations, including, but not limited to, culturally specific populations, victims who are underserved because of sexual orientation or gender
identity, and victims with limited English proficiency.

(f) Goals and objectives for reducing domestic violence homicide. As required by 42 U.S.C. 3796gg–1(i)(2)(G), State plans must include goals and objectives for reducing domestic violence homicide.

(1) The plan must include available statistics on the rates of domestic violence homicide within the State.

(2) As part of the State’s consultation with law enforcement, prosecution, and victim service providers, the State and these entities should discuss and document the perceived accuracy of these statistics and the best ways to address domestic violence homicide.

(3) The plan must identify specific goals and objectives for reducing domestic violence homicide, based on these discussions, which include challenges specific to the State and how the plan can overcome them.

(g) Additional contents. State plans must also include the following:

(1) Demographic information regarding the population of the State derived from the most recent available United States Census Bureau data including population data on race, ethnicity, age, disability, and limited English proficiency.

(2) A description of how the State will reach out to community-based organizations that provide linguistically and culturally specific services.

(3) A description of how the State will address the needs of sexual assault victims, domestic violence victims, dating violence victims, and stalking victims, as well as how the State will hold offenders who commit each of these crimes accountable.

(4) A description of how the State will ensure that eligible entities are aware of funding opportunities, including projects serving underserved populations as defined by 42 U.S.C. 13925(a).

(5) Information on specific projects the State plans to fund.

(6) An explanation of how the State coordinated the plan as described in paragraph (b)(6) and the impact of that coordination on the contents of the plan.

(7) If applicable, information about whether the State has submitted an assurance via certification, or neither under the Prison Rape Elimination Act (PREA) standards (28 CFR part 115) and, if an assurance, how the State plans to spend STOP funds set aside for PREA compliance.

(8) A description of how the State will identify and select applicants for subgrant funding, including whether a competitive process will be used.

(h) Deadline. State plans will be due at application. If the Office on Violence Against Women determines the submitted plan is incomplete, the State will receive the award, but will not be able to access funding until the plan is completed and approved. The State will have 60 days from the award date to complete the plan. If the State does not complete it in that time, then the funds may be deobligated and the award closed.

§ 90.13 Forensic medical examination payment requirement.

(a) To be eligible for funding under this program, a State must meet the requirements at 42 U.S.C. 3796gg–4(a)(1) with regard to incurring the full out-of-pocket costs of forensic medical examinations for victims of sexual assault.

(b) “Full out-of-pocket costs” means any expense that may be charged to a victim in connection with a forensic medical examination for the purpose of gathering evidence of a sexual assault (e.g., the full cost of the examination, an insurance deductible, or a fee established by the facility conducting the examination). For individuals covered by insurance, full out-of-pocket costs means any costs that the insurer does not pay.

(c) Coverage of the cost of additional procedures (e.g., testing for sexually transmitted diseases) may be determined by the State or governmental entity responsible for paying the costs.

(d) States are strongly discouraged from billing a victim’s private insurance and may only do so as a source of payment for the exams if they are not using STOP Program funds to pay for the cost of the exams. In addition, any expenses not covered by the insurer must be covered by the State or other governmental entity and cannot be billed to the victim. This includes any deductibles or denial of claims by the insurer.
§ 90.14 Judicial notification requirement.

(a) To be eligible for funding under this program, a State must meet the requirements of 42 U.S.C. 3796gg–4(e) with regard to judicial notification to domestic violence offenders of Federal prohibitions on their possession of a firearm or ammunition in 18 U.S.C. 922(g)(8) and (9) and any applicable related Federal, State, or local laws.

(b) A unit of local government shall not be eligible for subgrants from the State unless it complies with the requirements of 42 U.S.C. 3796gg–4(e) with respect to its judicial administrative policies and practices.

§ 90.15 Costs for criminal charges and protection orders.

(a) To be eligible for funding under this program, a State must meet the requirements of 42 U.S.C. 3796gg–5 with regard to not requiring victims to bear the costs for criminal charges and protection orders in cases of domestic violence, dating violence, sexual assault, or stalking.

(b) An Indian tribal government, unit of local government, or court shall not be eligible for subgrants from the State unless it complies with the requirements of 42 U.S.C. 3796gg–5 with respect to its laws, policies, or practices prohibiting polygraph testing of sexual assault victims.

§ 90.16 Polygraph testing prohibition.

(a) For a State to be eligible for funding under this program, the State must meet the requirements of 42 U.S.C. 3796gg–8 with regard to prohibiting polygraph testing of sexual assault victims.

(b) An Indian tribal government or unit of local government shall not be eligible for subgrants from the State unless it complies with the requirements of 42 U.S.C. 3796gg–8 with respect to its laws, policies, or practices prohibiting polygraph testing of sexual assault victims.

§ 90.17 Subgranting of funds.

(a) In general. Funds granted to qualified States are to be further subgranted by the State to agencies, offices, and programs including, but not limited to, State agencies and offices; State and local courts; units of local government; public agencies; Indian tribal governments; victim service providers; community-based organizations; and legal services programs to carry out programs and projects to develop and strengthen effective law enforcement and prosecution strategies to combat violent crimes against women, and to develop and strengthen victim services in cases involving violent crimes against women, and specifically for the purposes listed in 42 U.S.C. 3796gg(b) and according to the allocations specified in 42 U.S.C. 3796gg–1(c)(4) for law enforcement, prosecution, victim services, and courts.

(b) Administrative costs. States are allowed to use up to ten percent of the award amount for each allocation category under 42 U.S.C. 3796gg–1(c)(4) (law enforcement, prosecution, courts, victim services, and discretionary) to support the State’s administrative costs. Amounts not used for administrative costs should be used to support subgrants.

(1) Funds for administration may be used only for costs directly associated with administering the STOP Program. Where allowable administrative costs are allocable to both the STOP Program and another State program, the STOP Program grant may be charged no more than its proportionate share of such costs.

(2) Costs directly associated with administering the STOP Program generally include the following:
(i) Salaries and benefits of State office staff and consultants to administer and manage the program;
(ii) Training of State office staff, including, but not limited to, travel, registration fees, and other expenses associated with State office staff attendance at technical assistance meetings and conferences relevant to the program;
(iii) Monitoring compliance of STOP Program subgrantees with Federal and State requirements, provision of technical assistance, and evaluation and assessment of program activities, including, but not limited to, travel, mileage, and other associated expenses;
(iv) Reporting and related activities necessary to meet Federal and State requirements;
(v) Program evaluation, including, but not limited to, surveys or studies that measure the effect or outcome of victim services;
(vi) Program audit costs and related activities necessary to meet Federal audit requirements for the STOP Program grant;
(vii) Technology-related costs, generally including for grant management systems, electronic communications systems and platforms (e.g., Web pages and social media), geographic information systems, related equipment (e.g., computers, software, facsimile and copying machines, and TTY/TDDs) and related technology support services necessary for administration of the program;
(viii) Memberships in organizations that support the management and administration of violence against women programs, except if such organizations engage in lobbying, and publications and materials such as curricula, literature, and protocols relevant to the management and administration of the program;
(ix) Strategic planning, including, but not limited to, the development of strategic plans, both service and financial, including conducting surveys and needs assessments;
(x) Coordination and collaboration efforts among relevant Federal, State, and local agencies and organizations to improve victim services;
(xi) Publications, including, but not limited to, developing, purchasing, printing, distributing training materials, victim services directories, brochures, and other relevant publications; and
(xii) General program improvements—enhancing overall State office operations relating to the program and improving the delivery and quality of STOP Program funded services throughout the State.

§ 90.18 Matching funds.

(a) In general. Subject to certain exclusions, States are required to provide a 25-percent non-Federal match. This does not apply to territories. This 25-percent match may be cash or in-kind services. States are expected to submit written documentation that identifies the source of the match. Funds awarded to victim service providers for victim services or to tribes are excluded from the total award amount for purposes of calculating match. This includes funds that are awarded under the “discretionary” allocation for victim services purposes and funds that are reallocated from other categories to victim services.

(b) In-kind match. In-kind match may include donations of expendable equipment; office supplies; workshop or education and training materials; work space; or the monetary value of time contributed by professional and technical personnel and other skilled and unskilled labor, if the services provided are an integral and necessary part of a funded project. Value for in-kind match is guided by 2 CFR 200.306. The value placed on loaned equipment may not exceed its fair rental value. The value placed on donated services must be consistent with the rate of compensation paid for similar work in the organization or the labor market. Fringe benefits may be included in the valuation. Volunteer services must be documented and, to the extent feasible, supported by the same valuation methods used by the recipient organization for its own employees. The value of donated space may not exceed the fair rental value of comparable space, as established by an independent appraisal of comparable space and facilities in a privately owned building in the same locality. The value for donated supplies shall be reasonable and not exceed the
§ 90.19 Application content.

(a) Format. Applications from the States for the STOP Program must be submitted as described in the annual solicitation. The Office on Violence Against Women will notify each State office as designated pursuant to § 90.11 when the annual solicitation is available. The solicitation will include guidance on how to prepare and submit an application for grants under this subpart.

(b) Requirements. The application shall include all information required under 42 U.S.C. 3796gg–1(d).

§ 90.21 Evaluation.

(a) Recipients of funds under this subpart must agree to cooperate with Federally-sponsored evaluations of their projects.

(b) Recipients of STOP Program funds are strongly encouraged to develop a local evaluation strategy to assess the impact and effectiveness of the program funded under the STOP Program. Funds may not be used for conducting research or evaluations. Applicant should consider entering into partnerships with research organizations that are submitting simultaneous grant applications to the National Institute of Justice for this purpose.

§ 90.22 Review of State applications.

(a) General. The provisions of Part T of the Omnibus Crime Control and Safe Streets Act of 1968, 42 U.S.C. 3796gg et seq., and of this subpart provide the basis for review and approval or disapproval of State applications and amendments.
§ 90.61 Definitions and grant conditions.

(a) In general. For purposes of this subpart, the definitions and grant conditions in 42 U.S.C. 13925 apply.
§ 90.62 Purposes.

(a) Purpose areas for the program are provided by 42 U.S.C. 3796hh(b).

(b) Grants awarded for these purposes must demonstrate meaningful attention to victim safety and offender accountability.

§ 90.63 Eligibility.

(a) Eligible entities. Eligible entities are described in 42 U.S.C. 3796hh(c).

(b) Certifications—(1) State, local, and tribal governments. State, local, and tribal government applicants must certify that they meet the requirements of 42 U.S.C. 3796hh(c)(A)–(E) or that they will meet the requirements by the statutory deadline.

(2) Courts. Court applicants must certify that they meet the requirements of 42 U.S.C. 3796hh(c)(C)–(E) or that they will meet the requirements by the statutory deadline.

(3) State, tribal, or territorial domestic violence or sexual assault coalitions or victim service providers. Applicants that are domestic violence or sexual assault coalitions or other victim service providers must partner with a State, local, or tribal government. The partner government must certify that it meets the requirements of 42 U.S.C. 3796hh(c)(A)–(E) or that it will meet the requirements by the statutory deadline.

(4) Letters. Eligible applicants or partners must submit a letter with proper certifications signed by the chief executive officer of the State, local government, or tribal government participating in the project, in order to satisfy these statutory requirements. OVW will not accept submission of statutes, laws or policies in lieu of such a letter.

(c) Partnerships—(1) Governments and courts. All State, local, and tribal government and court applicants are required to enter into a formal collaboration with victim service providers and, as appropriate, population specific organizations. Sexual assault, domestic violence, dating violence, or stalking victim service providers must be involved in the development and implementation of the project. In addition to the requirements of 42 U.S.C. 13925, victim service providers should meet the following criteria:

(i) Address a demonstrated need in their communities by providing services that promote the dignity and self-sufficiency of victims, improve their access to resources, and create options for victims seeking safety from perpetrator violence; and

(ii) Do not engage in or promote activities that compromise victim safety.

(2) Coalitions and victim service providers. All State, tribal, or territorial domestic violence or sexual assault coalition and other victim service provider applicants are required to enter into a formal collaboration with a State, Indian tribal government or unit of local government, and, as appropriate, population specific organizations.

§ 90.64 Speedy notice to victims.

(a) In general. A State or unit of local government shall not be entitled to 5 percent of the funds allocated under this subpart, unless the State or unit of local government certifies that it meets the requirements regarding speedy notice to victims provided in 42 U.S.C. 3796hh(d).

(b) Units of local governments. (1) Units of local government grantees may certify based on State or local law, policy, or regulation.

(2) In the event that a unit of local government does not have authority to prosecute "crime[s] in which by force or threat of force the perpetrator compels the victim to engage in sexual
activity[,] the unit of local government may submit a letter from an appropriate legal authority in the jurisdiction certifying that the jurisdiction does not have the authority to prosecute ‘‘crime[s] in which by force or threat of force the perpetrator compels the victim to engage in sexual activity’’ and that therefore the certification is not relevant to the unit of local government in question.

§ 90.65 Application content.

(a) Format. Applications from eligible entities must be submitted as described in the relevant program solicitation developed by the Office on Violence Against Women and must include all the information required by 42 U.S.C. 3796h–1(a).

(b) Certification. Each eligible applicant must certify that all the information contained in the application is correct. All submissions will be treated as a material representation of fact upon which reliance will be placed, and any false or incomplete representation may result in suspension or termination of funding, recovery of funds provided, and civil and/or criminal sanctions.

§ 90.66 Evaluation.

(a) Recipients of Arrest Program funds must agree to cooperate with federally-sponsored research and evaluation studies of their projects at the direction of the Office on Violence Against Women.

(b) Grant funds may not be used for purposes of conducting research or evaluations. Recipients of Arrest Program funds are, however, strongly encouraged to develop a local evaluation strategy to assess the impact and effectiveness of their projects. Applicants should consider entering into partnerships with research organizations that are submitting simultaneous grant applications to the National Institute of Justice or other research funding sources for this purpose.

§ 90.67 Review of applications.

Subpart A—General

§ 91.1 Purpose.

The Attorney General, through the Assistant Attorney General for the Office of Justice Programs, will make grants to states and to states organized as multi-state compacts to construct, develop, expand, operate or improve correctional facilities, including boot camp facilities and other alternative correctional facilities that can free conventional space for the confinement of violent offenders, to:

(a) Ensure that prison space is available for the confinement of violent offenders; and

(b) Implement truth in sentencing laws for sentencing violent offenders.

§ 91.2 Definitions.

(a) Violent offender. [Reserved]

(b) Serious drug offense means an offense involving manufacturing, distributing, or possessing with intent to manufacture or distribute, a controlled substance (as defined in Section 102 of the Controlled Substances Act (21 U.S.C. 802)), for which a maximum term of imprisonment of 10 years or more is prescribed by state law.

(c) Part 1 violent crimes means murder and non-negligent manslaughter, forcible rape, robbery, and aggravated assault as reported to the Federal Bureau of Investigation for purposes of the Uniform Crime Reports. If such data is unavailable, Bureau of Justice Statistics (BJS) publications may be utilized. See, e.g., “Census of State and Federal Correctional Facilities, 1990.” ("Part 1 violent crimes" are defined here solely as the statutorily prescribed basis for the formula allocation of funding.)

(d) Recipient means individual states or multi-state compacts awarded funds under this part.

(e) State means a State, the District of Columbia, the Commonwealth of Puerto Rico, the United States Virgin Islands, American Samoa, Guam and the Northern Mariana Islands.

(f) Comprehensive correctional plan means a plan which represents an integrated approach to the management and operation of adult and juvenile correctional facilities and programs and which includes diversion programs, particularly drug diversion programs, community corrections programs, a prisoner screening and security classification system, appropriate professional training for corrections officers in dealing with violent offenders, prisoner rehabilitation and treatment programs, prisoner work activities (including to the extent practicable, activities relating to the development, expansion, modification, or improvement of correctional facilities) and job skills programs, educational programs, a pre-release prisoner assessment to provide risk reduction management, post-release assistance and an assessment of recidivism rates.

(g) Correctional facilities includes boot camps and other alternative correctional facilities for adults or juveniles that can free conventional bed space for the confinement of violent offenders.

(h) Boot camp means a corrections program for adult or juvenile offenders of not more than six-months confinement (not including time in confinement prior to assignment to the boot camp) involving:

(1) Assignment for participation in the program, in conformity with state law, by prisoners other than prisoners who have been convicted at any time for a violent felony;

(2) Adherence by inmates to a highly regimented schedule that involves strict discipline, physical training, and work;

(3) Participation by inmates in appropriate education, job training, and substance abuse counseling or treatment; and

(4) Post-incarceration aftercare services for participants that are coordinated with the program carried out during the period of imprisonment.

(i) Truth in sentencing laws means laws that:

(1) Ensure that violent offenders serve a substantial portion of sentences imposed;

(2) Are designed to provide sufficiently severe punishment for violent
§ 91.3 General eligibility requirements.

(a) Recipients must be individual states, or states organized as multi-state compacts.

(b) Application requirements. To be eligible to receive either a formula or a discretionary grant under subtitle A, an applicant must submit an application which includes:

(1) Assurances that the state(s) have implemented, or will implement, correctional policies and programs, including truth in sentencing laws. No specific requirements for complying with this condition are prescribed by this interim rule for fiscal 1995 funding because of the need for further review of the status of truth in sentencing laws and the impact and needs requirements relating to reform in state systems.

(2) Assurances that the state(s) have implemented or will implement policies that provide for the recognition of the rights and needs of crime victims. States are not required to adopt any specific set of victims rights measures for compliance, but the adoption by a state of measures which are comparable to or exceed those applied in federal proceedings will be deemed sufficient compliance for eligibility for funding. If the state has not adopted victims rights measures which are comparable to or exceed federal law, the adequacy of compliance will be determined on a case-by-case basis. States will be afforded a reasonable amount of time to achieve compliance. States may comply with this condition by providing recognition of the rights and needs of crime victims in the following areas:

(i) Providing notice to victims concerning case and offender status;

(ii) Providing an opportunity for victims to be present at public court proceedings in their cases;

(iii) Providing victims the opportunity to be heard at sentencing and parole hearings;

(iv) Providing for restitution to victims; and

(v) Establishing administrative or other mechanisms to effectuate these rights.

(3) Assurances that funds received under this section will be used to construct, develop, operate or improve correctional facilities to ensure that secure space is available for the confinement of violent offenders.

(4) Assurances that the state(s) has a comprehensive correctional plan in accordance with the definition elements in §91.2. If the state(s) does not have an adequate comprehensive correctional plan, technical assistance will be available for compliance. States will be afforded a reasonable amount of time to develop their plans.

(5) Assurances that the state(s) has involved counties and other units of local government, when appropriate, in the construction, development, expansion, modification, operation or improvement of correctional facilities designed to ensure the incarceration of violent offenders and that the state(s) will share funds received with counties and other units of local government, taking into account the burden placed on these units of government when they are required to confine sentenced prisoners because of overcrowding in state prison facilities.

(6) Assurances that funds received under this section will be used to supplement, not supplant, other federal, state, and local funds.

(7) Assurances that the state(s) has implemented, or will implement within 18 months after the date of the enactment of the Violent Crime Control and Law Enforcement Act of 1994 (September 13, 1994), policies to determine the veteran status of inmates and to ensure that incarcerated veterans receive the veterans benefits to which they are entitled.

(8) Assurances that correctional facilities will be made accessible to persons conducting investigations under the Civil Rights of Institutionalized Persons Act (CRIPA), 42 U.S.C. 1997.

(9) If applicable, documentation of the multi-state compact agreement
that specifies the construction, development, expansion, modification, operation, or improvement of correctional facilities.

(10) If applicable, a description of the eligibility criteria for participation in any boot camp that is to be funded.

(c) States, and states organized as multi-state compacts, which can demonstrate affirmative responses to the assurances outlined above will be eligible to receive funds.

(d) Each state application for such funds must be accompanied by a comprehensive correctional plan. The plan shall be developed in consultation with representatives of appropriate state and local units of government, shall include both the adult and juvenile correctional systems, and shall provide an assessment of the state and local correctional needs, and a long-range implementation strategy for addressing those needs.

(e) Local units of government, i.e., any city, county, town, township, borough, parish, village or other general purpose subdivision of a state, or Indian tribe which performs law enforcement functions as determined by the secretary of the Interior, are in turn eligible to receive subgrants from a participating state(s). Such subgrants shall be made for the purpose(s) of carrying out the implementation strategy, consistent with state(s) comprehensive correctional plan.

(f) In awarding grants, consideration shall be given to the special burden placed on states which incarcerate a substantial number of inmates who are in the United States illegally. States will not be required to submit additional information on numbers of criminal aliens. The Bureau of Justice Assistance (BJA) and the Immigration and Naturalization Service (INS) are currently working together to implement the State Criminal Alien Assistance Program (SCAAP) to assist the states with the costs of incarcerating criminal aliens. The Office of Justice Programs will coordinate with the SCAAP program to obtain the relevant information.

(g) The funds provided under this part shall be administered in compliance with the standards set forth in part 38 (Equal Treatment for Faith-based Organizations) of this chapter.

§ 91.4 Truth in Sentencing Incentive Grants.

(a) Half of the total amount of funds appropriated to carry out subtitle A for each of the fiscal years 1996, 1997, 1998, 1999 and 2000 will be made available for Truth in Sentencing Incentive Grants.

(b) Eligibility. To be eligible to receive such a grant, a state, or states organized as multi-state compacts, must meet the requirements of §91.3 and must demonstrate that the state(s)—

(1) Has in effect laws which require that persons convicted of violent crimes serve not less than 85% of the sentence imposed; or

(2) Since 1993—

(i) Has increased the percentage of convicted violent offenders sentenced to prison;

(ii) Has increased the average prison time which will be served in prison by convicted violent offenders sentenced to prison;

(iii) Has increased the percentage of sentence which will be served in prison by violent offenders sentenced to prison; and

(iv) Has in effect at the time of application laws requiring that a person who is convicted of a violent crime shall serve not less than 85% of the sentence imposed in:

(A) The person has been convicted on 1 or more prior occasions in a court of the United States or of a state of a violent crime or a serious drug offense; and

(B) Each violent crime or serious drug offense was committed after the defendant’s conviction of the preceding violent crime or serious drug offense.

(c) Formula allocation. The amount available to carry out this section for any fiscal year will be allocated to each eligible state in the ratio that the number of Part 1 violent crimes reported by such state to the Federal Bureau of Investigation for 1993 bears to the number of Part 1 violent crimes reported by all states to the Federal Bureau of Investigation for 1993.

(d) Transfer of unused funds. On September 30 of each fiscal years 1996, 1998,
§ 91.10 General.

(a) Scope of boot camp program. Funding is appropriated in fiscal year 1995 to provide grants to states and multi-state compacts to plan, develop, construct and expand correctional boot camps for adults and juveniles.

(b) Adult and juvenile boot camps, referred to as “correctional boot camps,” are programs that “provide a structured environment for delivering non-traditional corrections programs to criminal offenders.”

(c) With respect to this program, the mandates of the Juvenile Justice and Delinquency Prevention Act (42 U.S.C. 5601 et seq.) shall apply.

(d) Eligibility. (1) Funding is available for both adult and juvenile boot camps. To be eligible for the funding of boot camps, states must comply with the general assurances in §91.3(b) or demonstrate steps taken toward compliance. While the majority of assurances are applicable to the adult correctional system, those states applying for cell space is available for the confinement of violent offenders.

(d) Transfer of unused funds. On September 30 of each fiscal years 1996, 1997, 1998, 1999 and 2000, the Assistant Attorney General will transfer to the discretionary program under paragraph (c)(2) of this section any funds made available under paragraph (c)(1) of this section that are not allocated to an eligible state under paragraph (c)(1) of this section.

§ 91.6 Matching requirement.

(a) The federal share of a grant received under this subtitle may not exceed 75 percent of the costs of a proposal described in an application approved under this subtitle. The matching requirement can only be met through a hard cash match, and must be satisfied by the end of the project period. A certification to that effect will be required of each recipient of grant funds and must be submitted to the Office of Justice Programs with the application.

(b) [Reserved]
grants for juvenile boot camps must include the juvenile system in the state comprehensive correctional plan and demonstrate how construction of the boot camp will make secure space available to house violent juvenile offenders.

(2) For purposes of the FY '95 boot camp program, a “violent felony” means any crime punishable by imprisonment for a term exceeding one year, or an act of juvenile delinquency that would be punishable by imprisonment for such term if committed by an adult, that:

(i) Involves the use or attempted use of a firearm or other dangerous weapon against another person, or
(ii) Results in death or serious bodily injury to another person.

(3) States must document that the boot camp program does not involve more than six-months confinement (not including confinement prior to assignment to the boot camp) and includes:

(i) Assignment for participation in the program, in conformity with state law, by prisoners other than prisoners who have been convicted at any time of a violent felony;
(ii) Adherence by inmates to a highly regimented schedule that involves strict discipline, physical training and work;
(iii) Participation by inmates in appropriate education, job training, and substance abuse counseling or treatment; and
(iv) Post-incarceration aftercare services for participants that are coordinated with the program carried out during the period of imprisonment.

(4) States must provide assurances that boot camp construction will free up secure institutional bed space for violent offenders.

(e) Evaluation. (1) Recipients will be required to cooperate with a national evaluation team throughout the planning and implementation process. Recipients are also strongly encouraged to provide for an independent evaluation of the impact and effectiveness of the funded program.

(2) Jurisdictions are strongly encouraged to engage in systematic planning activities and to develop and evaluate boot camps as part of a comprehensive and integrated correctional plan.

(f) Limitation on funds. Grant funds cannot be used for operating costs. States will be required to show how operating expenses will be provided.

(g) Matching requirement. The federal share of a grant received may not exceed 75 percent of the costs of the proposed boot camp program described in the approved application. The matching requirement can only be met through a hard cash match, and must be satisfied by the end of the project period; facility operating expenses may not be used to meet the match requirement for the construction project supported. Match may be made through grantee contribution of construction-related costs. A certification to that effect will be required of each recipient of grant funds.

(h) Innovative boot camp programs. Jurisdictions are encouraged to explore the development of “innovative” boot camp programs which incorporate principles based on the accumulation of research and practical experience, and reflect sound and effective correctional practice.

§ 91.21 Purpose.

This part sets forth requirements and procedures to award grants to Indian Tribes for purposes of constructing jails on tribal lands for the incarceration of offenders subject to tribal jurisdiction.

§ 91.22 Definitions.

Department of Justice

(b) Assistant Attorney General means the Assistant Attorney General for the Office of Justice Programs.

c) Tribal lands means:
(1) All land within the limits of any Indian reservation under the jurisdiction of the United States Government, notwithstanding the issuance of any patent, and including rights-of-way running through the reservation;
(2) All dependent Indian communities within the borders of the United States whether within the original or subsequently acquired territory thereof, and whether within or without the limits of a State; and
(3) All Indian allotments, the Indian titles to which have not been extinguished, including rights-of-way running through the same.

e) Construction means the erection, acquisition, renovation, repair, remodeling, or expansion of new or existing buildings or other physical facilities, and the acquisition or installation of fixed furnishings and equipment. It includes facility planning (including environmental impact analysis), pre-architectural programming, architectural design, preservation, construction, administration, construction management, or project management costs. Construction does not include the purchase of land.

§ 91.23 Grant authority.

(a) The Assistant Attorney General may make grants to Indian tribes for programs that involve constructing jails on tribal lands for the incarceration of offenders subject to tribal jurisdiction.

(b) Applications for grants under this program shall be made at such times and in such form as may be specified by the Assistant Attorney General. Applications will be evaluated according to the statutory requirements of the Act and programmatic goals.

(c) Grantees must comply with all statutory and program requirements applicable to grants under this program.

(d) The funds provided under this part shall be administered in compliance with the standards set forth in part 38 (Equal Treatment for Faith-based Organizations) of this chapter.

§ 91.24 Grant distribution.

(a) From the amounts appropriated under section 20108 of the Act to carry out sections 20103 and 20104 of the Act, the Assistant Attorney General shall reserve, to carry out this program—
(1) 0.3 percent in each fiscal years 1996 and 1997; and
(2) 0.2 percent in each of fiscal years 1998, 1999 and 2000.

(b) From the amounts reserved under paragraph (a) of this section, the Assistant Attorney General may exercise discretion to award or supplement grants to such Indian Tribes and in such amounts as would best accomplish the purposes of the Act.

Subpart D—Environmental Impact Review Procedures for VOI/TIS Grant Program

Source: 65 FR 48595, Aug. 8, 2000, unless otherwise noted.

In General

§ 91.50 Purpose.

The purpose of this subpart is to inform grant recipients under the Violent Offender Incarceration and Truth-in-Sentencing Incentive (VOI/TIS) Formula Grant Program of OJP’s procedures for complying with the National Environmental Policy Act (NEPA), 42 U.S.C. 4321 et seq., and related environmental impact review requirements.

§ 91.51 Policy.

(a) NEPA Policy. NEPA policy requires that Federal agencies, to the fullest extent possible,
(1) Implement procedures to make the NEPA process more useful to decision-makers and the public; reduce paperwork and the accumulation of extraneous background data; and emphasize real environmental issues and alternatives. Environmental impact statements shall be concise, clear, and to the point, and shall be supported by evidence that agencies have made the necessary environmental analyses.

(2) Integrate the requirements of NEPA with other planning and environmental review procedures required by law and by agency practice so that all such procedures run concurrently rather than consecutively.

(3) Encourage and facilitate public involvement in decisions which affect the quality of the human environment.

(4) Use the NEPA process to identify and assess reasonable alternatives to proposed actions that will avoid or minimize adverse effects of these actions upon the quality of the human environment.

(5) Use all practicable means to restore and enhance the quality of the human environment and avoid or minimize any possible adverse effects of the actions upon the quality of the human environment.

(b) OJP’s policy to minimize harm to the environment. It is OJP’s policy to minimize harm to the environment. Consequently, OJP can reject proposals or prohibit a State from using formula grant funds for a project that would have a substantial adverse impact on the human environment. Additionally, federal law prohibits the implementation of a project that jeopardizes the continued existence of an endangered species or that violates certain regulations relating to water quality. Generally, though, where an EA or EIS reveals that a project will have adverse environmental impacts, OJP will work with the State grantee to identify ways to modify the project to mitigate any adverse impacts, or will encourage the State to consider an alternative site.

(c) Mitigation. OJP may require the following mitigation measures to reduce or eliminate a project’s adverse environmental impacts:

(1) Avoiding the impact altogether by not taking certain action or part of an action.

(2) Minimizing impacts by limiting the degree or magnitude of the action and its implementation.

(3) Rectifying the impact by repairing, rehabilitating, or restoring the affected environment.

(4) Reducing or eliminating the impact over time by preservation and maintenance operations during the life of the action.

(5) Compensating for the impact by replacing or providing substitute resources or environments.

(d) Use of grant funds. In accordance with OJP’s general policy of providing the States with the maximum amount of control and flexibility over the use of formula grant funds, the States can use VOITIS grant funds to pay for the costs of preparing environmental documents, to implement mitigation measures to reduce adverse environmental impacts, and to cover the costs of construction delays or other project changes resulting from compliance with the NEPA process. However, any funds used for these purposes must be included as a portion of the State’s grant which requires a State match.

§ 91.52 Definitions.

The definitions supplied by the Council on Environmental Quality in its Regulations for Implementing the Procedural Provisions of the National Environmental Policy Act, 40 CFR Parts 1500 through 1508, (CEQ Regulations), shall apply to the terms in this subpart.

§ 91.53 Other guidance.

The Department of Justice has also published NEPA procedures that incorporate the CEQ regulations at 28 CFR part 61. Additionally, the Office of Justice Programs’ Corrections Program Office has prepared a handbook for VOITIS grantees, Program Guidance on Environmental Protection Requirements. This publication and other relevant documents can be found at http://www.ojp.usdoj.gov/cpo.

APPLICATION TO VOITIS GRANT PROGRAM

§ 91.54 Applicability.

(a) Major Federal action. NEPA’s requirements apply to any proposal for
legislation or other major federal action that might significantly impact the quality of the human environment. The CEQ regulations in 40 CFR 1508.18 define “major federal actions” as actions with effects that may be major and which are potentially subject to Federal control and responsibility. The CEQ regulations categorize “major federal actions” as, among other things, the “[a]pproval of specific projects, such as construction or management activities located in a defined geographic area. Projects include actions approved by permit or other regulatory decision as well as Federal and Federally assisted activities.” (40 CFR 1508.18(b)(4)).

(b) VOI/TIS construction grants subject to NEPA. This subpart applies to all proposed, new and partially completed VOI/TIS projects (including projects on tribal lands) initiated by state or local units of government with grant funding from OJP that involve construction, expansion, renovation, facility planning, site selection, site preparation, security or facility upgrades or other activities that may significantly impact the environment.

(c) Projects. Although VOI/TIS money cannot be used for a project’s operations expenses, the definition of “project” or “proposal” for NEPA review purposes is defined as both the construction and the long-term operation of correctional facilities and related components such as all off-site projects to accommodate the needs of the correctional facilities project (e.g., road and utility construction or expansion, projects offered to the affected community as an incentive to accept the correctional facility construction or expansion, and other reasonably foreseeable future actions regardless of what agency or third party undertakes such action). Reasonably foreseeable actions include future prison construction phases, especially when either current acreage requirements or design capacities for utilities are based on needs stemming from future phases.

§ 91.55 Categorical exclusions.

Activities undertaken by State, local, or tribal entities using VOI/TIS funds that are consistent with any of the following categories are presumed not to have a significant effect on the human environment and thus, are categorically excluded from the preparation of either an EA or an EIS. Although these activities are excluded from environmental reviews under NEPA, they are not excluded from compliance with other applicable local, State, or Federal environmental laws. Additionally, an otherwise excluded activity loses its exclusion and is subject to environmental review if it either would be located within or potentially affect any of the following: a 100-year flood plain, a wetland, important farmland, a proposed or listed endangered or threatened species, a proposed or listed critical habitat, a property that is listed or eligible for listing on the National Register of Historic Places, an area within an approved State Coastal Zone Management Program, a coastal barrier or a portion of a barrier within the Coastal Barrier Resources System, a river or portion of a river included in or designated for potential addition to the Wild and Scenic Rivers System, a designated or proposed Wilderness Area, or a sole source aquifer recharge area designated by the Environmental Protection Agency (EPA). The resulting environmental review for those activities that lose their exclusion status shall focus on the factor or factors that caused the loss of the exclusion.

(a) Minor renovations. Projects for minor renovations within an existing facility, unless the renovation would impact a structure which is on the National Register of Historic Places, or is eligible for listing on the register.

(b) Limited expansion. Projects for the expansion of an existing facility or within an existing correctional complex, which does not add more than 50 beds or increase the capacity of the facility by more than 50 percent whichever is smaller. This exclusion does not apply to either a phased project that exceeds these numerical thresholds or projects to expand facilities that:

(1) Are located in a floodplain;

(2) Will affect a wetland;

(3) Will affect a facility on the National Register of Historic Places or that is eligible for listing on the register;
§ 91.56 Actions that normally require the preparation of an environmental assessment.

(a) Renovation or expansion of existing correctional facility. Renovation or expansion activities not categorically excluded under §91.55 require an environmental assessment (EA). An environmental assessment is generally prepared when a project is not expected to have a significant impact on the environment. Since projects for the renovation or expansion of an existing facility or the construction of a new facility within an existing correctional complex may have limited impact on the environment, preparing an EA may be sufficient.

(b) Proposed construction of a new correctional facility. The proposed construction of a new correctional facility will require the preparation of an environmental assessment unless the proposal will clearly have a significant environmental impact in which case an environmental impact statement can be initiated immediately without the preparation of an environmental assessment.

§ 91.57 Actions that normally require the preparation of an environmental impact statement.

Significant impact. For the proposed construction of a new correctional facility or the proposed expansion of an existing facility, if the proposal is large or complex and/or controversial because of the nature of possible environmental impacts, and/or if any EA determines that the project will have a significant impact on the environment, an environmental impact statement (EIS) will be required. For those projects that clearly will have significant environmental impact, a grantee can save time and resources by initiating the EIS immediately without going through the EA process.

ENVIRONMENTAL REVIEW PROCEDURES

§ 91.58 Timing of the environmental review process.

(a) Initial planning and site selection phase. The NEPA procedures must be initiated as part of the planning and site selection phase of all new construction, expansion, and renovation
projects and completed before the construction or renovation on the project can begin.

(b) Early consultation with OJP. As grantees identify proposed, new projects, the grantees must inform OJP and after consulting OJP’s Program Guidance on Environmental Protection Requirements, must recommend to OJP whether:

(1) The proposed project meets the criteria of a categorical exclusion;
(2) An environmental assessment should be initiated;
(3) Because of the project size and/or anticipated environmental impacts, an environmental impact statement should be initiated.

(c) Design phase. Projects currently in the planning and design phase must complete the NEPA procedures and no further decisions or new commitments of resources can be made on these projects by the State or local entity that would either have an adverse impact on the environment or limit the choice of reasonable alternative sites.

(d) Prohibited pre-analysis activities. None of the following actions can be taken until the NEPA analysis is completed for the affected project:

(1) Starting construction;
(2) Accepting construction bids;
(3) Advertising for construction bids;
(4) Initiating the development of or approving final plans and specifications; or
(5) Purchasing property.

(e) Ongoing or completed construction projects. For grant-funded projects under construction, OJP will work with the States to determine what environmental analysis has been done, making every effort to limit disruption to projects under construction. For completed grant-funded projects, OJP will work with the States to determine whether those projects may pose continuing environmental problems. For example, NEPA issues may exist due to excessive noise, light pollution, excessive water consumption or draw down on an important stream, or adverse visual impact due to an inappropriate facade color in an environmentally scenic area. Consequently, performing an analysis for those VOI/TIS VOI/TIS projects for which construction is completed may still serve the useful purpose of determining the extent of a project’s continuing adverse environmental impacts, and the feasibility of mitigation measures.

(f) Avoiding duplication of efforts. If an EA or EIS was completed on an original structure, any environmental research that was conducted at the time the original structure was being planned and is still relevant need not be duplicated in any required environmental impact analysis for proposed modifications or additions to that structure.

§ 91.59 OJP’s responsibilities.

(a) In general. All NEPA decisions such as determining the adequacy of assessments, the need for environmental impact statements, and their adequacy must, by statute, remain with OJP. Therefore, OJP, as the Federal agency sponsoring the major federal action, shall determine if a proposed project qualifies for a categorical exclusion, if a finding of no significant impact can be issued based on the EA, or if an EIS will be required.

(b) Specific duties. As part of its role in the NEPA process, OJP shall:

(1) Issue guidance on the preparation of environmental documents and the NEPA process.
(2) Review all draft documents.
(3) Participate in giving notice to state and federal agencies, as well as to the public, and attend public meetings with the grantee, as appropriate.
(4) Identify and solicit appropriate state, local, and tribal agencies to be a cooperating or joint lead agency, as appropriate.
(5) Prepare a written assessment of any environmental impacts that another state or federal land management or environmental protection agency believes have not been adequately addressed through the NEPA process.
(6) Monitor implementation by the states to ensure the completion of any required mitigation measures.
(7) Develop a sample Statement of Work for preparing an EIS that States employing their own contractor can use to ensure that the services provided meet the requirements.
§ 91.60 Grantee’s responsibilities.

Specific duties. As part of its role in the NEPA process, the grantee agency must:

(a) Work closely with OJP on the development and review of the environmental documents, and follow the NEPA process, with the full participation of OJP.

(b) Issue the documents for public comment jointly with OJP.

(c) Solicit comment from other state and federal agencies, interested organizations, and the public.

(d) Refrain from purchasing land, beginning bidding process, or starting construction on any project until all environmental work has been completed.

(e) Complete a project Status Report form for all projects under construction or completed prior to the effective date of this subpart.

(f) Ensure that appropriate environmental analysis, as determined by OJP, is completed for all projects and that appropriate alternatives are considered and mitigation measures are implemented to reduce the impact of identified environmental impacts, if any.

(g) Identify and inform OJP of all applicable state and local environmental impact review requirements.

(h) Notify all subgrantees of the requirements of this subpart in the initial planning and site selection phase.

§ 91.61 Subgrantee’s responsibilities.

If delegated by the grantee, the subgrantee shall:

(a) Prepare (if the required expertise exists) or contract for the preparation of an environmental assessment (EA); and

(b) Submit all environmental assessments through the grantee to OJP for review and the issuance of a draft finding of no significant impact (FONSI) or a determination that an environmental impact statement (EIS) is required. If OJP issues a draft FONSI, the grantee agency shall make the draft FONSI and the underlying EA available for public comment.

§ 91.62 Preparing an Environmental Assessment.

(a) In general. An Environmental Assessment (EA) is a concise public document that provides sufficient evidence and analysis for determining whether OJP should issue a Finding of No Significant Environmental Impact (FONSI) or prepare an Environmental Impact Statement (EIS). It is designed to help public officials make decisions that are based on an understanding of the human and physical environmental consequences of the proposed project and the take actions, in the location and design of the project, that protect, restore and enhance the environment. Completing an EA requires considering all potential impacts associated with the construction of the correctional facility project, its operation and maintenance, any related projects including those off-site, and the attainment of the project’s major objectives. The latter requires an analysis of the environmental impacts of any training and vocational activities to be conducted by the inmates.

(b) Project planning and site selection. During the planning phase of the project, OJP and the grantee jointly define the project, explore the various alternatives and identify a proposed site for the construction or renovation project. In order to identify possible environmental concerns and reduce the likelihood of later opposition to the project, the grantee should involve other interested parties at this stage through public meetings which allow affected or interested parties to learn about the need for the action, the scope of the proposed action, and any alternatives being considered. These public meetings should also provide interested parties an opportunity to express comments or concerns about potential consequences of the action. Additionally, minority and low-income populations as well as Indian tribes that may be affected by the proposal should be consulted at this early stage. The grantee should obtain their views on proposed sites and mitigation measures as an important step in meeting the environmental justice goals of Executive Order 12898.

(c) Draft environmental assessment. The grantee should prepare an EA after
identifying the proposed site, but before reaching a final decision to proceed with the effort at that location. The grantee may prepare the EA or contract for the preparation of all or parts of the EA. In order to adequately assess all of the potential environmental impacts, a multi-disciplinary team must be used to perform the environmental analysis. Any state or local environmental impact review requirements should also be incorporated into the EA process. The amount of analysis and detail provided must be commensurate with the magnitude of the expected impact. At a minimum, an EA should include a brief discussion of the need for the proposal, the alternatives considered, the environmental impacts of the proposed action and alternatives considered, and a list of agencies and persons consulted. VOLTIS grant funds may be used to pay the costs of preparing the environmental assessment.

(d) OJP’s Review of the Draft EA. The Office of Justice Programs will review the EA for the following:

(1) Has the need for the proposed action been established?
(2) Have the relevant areas of environmental concern been identified?
(3) Have other agencies with an interest been consulted?
(4) Has the grantee provided opportunities for public involvement?
(5) Have reasonable alternatives and mitigation measures been considered and implemented where possible, including the costs and resources to operate the facility?
(6) Has a convincing case been made that the project as presently conceived will have only insignificant impacts on each of the identified areas of environmental concern?
(7) Has the grantee adequately documented compliance with other related federal environmental laws and regulations as well as similar state and local environmental impact review requirements.

(e) Draft Finding of No Significant Impact (FONSI) or determination that EIS is required. If the EA satisfies all the factors in OJP’s seven-part review set forth in the previous paragraph, OJP will issue a draft FONSI. If OJP’s review of the EA results in a response of “no” to any of the questions, except question 6, then the EA is incomplete and will be returned for further work. If the only “no” is in response to question 6, then OJP will issue a determination requiring an EIS for that particular project at that site. Given the cost and time required to complete an EIS, the grantee may wish to explore another alternative site at this point.

(f) Circulate EA and draft FONSI for public comment. The grantee must provide public notice of availability of a Finding of No Significant Impact. The notice must be timed so that interested agencies and the public have 30 days for review and comment on the draft EA.

(g) Review comments and modify plans, as appropriate. The grantee must review any public or agency comments received as a result of review of the EA and draft FONSI, and should modify its plans, if appropriate. Modification may include modifying the project to mitigate the environmental impact of the proposed project, or abandoning the proposed site and selecting an alternative that will have a less significant impact on the environment. The grantee must submit the comments, responses to these comments, and any revisions to the proposed plan to OJP for review. If the grantee recommends proceeding with the project in light of adverse comments on the environmental impact, the grantee must include the rationale for its recommendation.

(h) Final action on EA. Unless a significant environmental impact surfaces through the public comments or other means, OJP will issue the FONSI and authorize the grantee to begin the purchase of land, the bidding process, the development of final plans and specifications, and the construction work.

§ 91.63 Preparing an Environmental Impact Statement

(a) Initial determination. OJP will determine whether a proposed project may have a significant impact on the quality of the human environment, thereby requiring the preparation of an environmental impact statement (EIS). This determination will be made either:

(1) On the basis of an environmental assessment (EA) prepared for the proposed project or
§ 91.63

(2) Without the preparation of an EA, but based on the extensive size of the proposed facility and the resulting variety of environmental impacts, the sensitive environmental nature of the proposed site, and/or the existence of highly controversial environmental impacts.

(b) CEQ regulations. The CEQ regulations in 40 CFR parts 1500 through 1508 govern the preparation of the EIS. The Corrections Program Office’s Handbook on Environmental Protection Requirements offers further guidance.

(c) EIS preparation team. (1) Once OJP determines that an EIS is needed, the grantee shall notify OJP in writing about the contracting method that the grantee will use to complete the EIS. The grantee shall establish an EIS preparation team or entity that meets the requirements for an interdisciplinary approach. The team must not have any interest, financial or otherwise, in the outcome of the proposed project or any related projects.

(2) If the grantee decides to use an alternate method to contracting out for preparation of the EIS (such as using a team of experts from various state agencies or a university), the grantee must submit a written proposal to OJP demonstrating that the team has the necessary interdisciplinary skills and experience in preparing EISs for similar projects. The proposal must include a completion schedule demonstrating that the alternate method will not result in significant delay. The proposal must also document that all members of the team, other than the grantee’s employees, do not have any interest, financial or otherwise, in the outcome of the proposed project or any related projects.

(3) The grantee must use an OJP-approved statement of work (SOW) in conducting the EIS.

(4) Any consultant or contractor hired by OJP or the grantee to prepare an EIS must execute a disclosure statement specifying that it has no financial or other interest in the outcome of the project or any related projects.

(d) Notice of intent. OJP will publish a notice in the Federal Register to announce its intent to prepare the EIS. The grantee shall be responsible for drafting this notice. This notice must state the date, time and place of the scoping meeting and briefly describe the purpose of the meeting. The grantee should schedule the meeting at least 30 days from the date that the grantee submits the draft Federal Register notice to OJP.

(e) Scoping. The scoping process shall be conducted in accordance with 40 CFR 1501.7 of the CEQ regulations. The purpose of scoping is to identify and consult with affected federal, state and local agencies, Indian tribes, interested organizations and persons, including minority and low-income populations. The grantee and OPD shall conduct two distinct scoping meetings to assist in identifying both major and less important issues for the draft EIS. At the end of the scoping process, a brief report will be prepared summarizing the results, listing the participants, and attaching the meeting minutes.

(f) Draft EIS. The grantee and OJP will prepare the draft EIS in accordance with the requirements of the CEQ regulations in 40 CFR parts 1500 through 1508. The draft EIS must represent the best analysis reasonably possible. The grantee must submit the draft EIS to OJP and any cooperating agencies for internal review and comment. The revised draft must be submitted to OJP and any cooperating agency for approval.

(g) Public comment. The grantee, with OJP approval, must establish a distribution list and must mail the draft EIS to those parties. OJP will then submit the approved draft EIS to the Environmental Protection Agency (EPA) and will request EPA to publish a notice of the availability of the draft in the Federal Register. The grantee must publish a similar notice in a newspaper of general circulation in the area of the proposed action. Additionally, the grantee and OJP shall conduct a public information meeting to answer questions and receive comments on the draft EIS.

(h) Final EIS. The grantee and OJP will prepare the final EIS, including a copy of all comments on the draft and a summary of the public information meeting. The grantee shall submit the final EIS to OJP and any cooperating agencies for internal review. The grantee and OJP will circulate the
final EIS to all parties on the distribution list, to any agency or person that requests a copy, and to EPA for publication in the Federal Register. The grantee must also announce the availability of the final EIS locally.

(i) Record of decision. When the waiting period for circulation of the final EIS expires, OJP shall prepare the record of decision in accordance with 40 CFR 1505.2 of the CEQ regulations and in consultation with the grantee. This record of decision shall determine the allowable uses of the grantee's VOLTIS fund with respect to the proposed action or its alternatives.

(j) Final action on EIS. In proceeding with the proposed action, the grantee must implement any mitigation measures or other conditions established in the Record of Decision. As part of any mitigation, the grantee must report back to OJP on the status of implementing the mitigation.

§ 91.64 Supplemental EA or EIS.

(a) OJP's duty to supplement. OJP shall prepare supplements to either completed environmental assessments or draft or final environmental impact statements if the grantee proposes to make substantial changes in the proposed action that are relevant to previously assessed environmental concerns; or there are significant new circumstances or information relevant to environmental concerns and bearing on the proposed action or its impacts. Additionally, OJP shall include the supplement in its formal administrative record.

(b) Grantee's duty to supplement. A grantee has a duty to inform OJP if it plans to make substantial changes in the proposed action that are relevant to environmental concerns; or if it learns of significant new circumstances or information relevant to environmental concerns and bearing on the proposed action or its impacts.

§ 91.65 Responsible OJP officials.

(a) Corrections Program Office Director. The Director of the Corrections Program Office is primarily responsible for ensuring the completion of these procedures and for working with grantees to ensure that grantees and subgrantees meet their responsibilities under this subpart. The Director also has the authority to execute on behalf of OJP all FONSIIs required under this subpart.

(b) Assistant Attorney General. The Assistant Attorney General of OJP is responsible for executing all records of decisions resulting from the completion of environmental impact statements on projects subject to this subpart.

§ 91.66 Public participation.

Environmental impact documents are public documents and the public should be provided an opportunity to review and comment on them.

(a) Early project planning stages. During the early planning stages of a project, the grantee should make reasonable efforts to meet with the affected public and other interested parties in order to obtain their views and any concerns regarding the potential environmental impacts of the proposed project.

(b) Environmental assessment process—

(i) Newspaper notice. At a minimum, the grantee must provide public notice of the availability of the draft EA and draft Finding of No Significant Impact (FONSI) for review and comment. The grantee must publish this notice in the non-legal section of at least two consecutive editions of the newspaper of general circulation in the affected community or area. The notice must:

(i) Explain how and where a copy of the assessment can be accessed or obtained for review;

(ii) Include a request for comments; and

(iii) Provide at least a thirty-day comment period that begins from the date of the last published notice.

(ii) Post Office notice. If the project area is not served by a regularly published local or area-wide newspaper, the notice described in paragraph (b)(1) of this section must be prominently displayed at the local post office.

(iii) Site notice. The grantee must send a copy of the notice to owners and occupants of properties that are nearby or directly affected by the proposed project. Additionally, the grantee must place or post the notice on the site of the proposed project.

(iv) Distribution of the draft EA. At the same time that the grantee provides
the public notice of the availability of the EA for review and comment, the grantee must mail a copy of the draft EA and FONSI to any individuals and groups that have expressed an interest in the planned project to either the grantee or OJP and also to appropriate local, state, and Federal agencies. OJP will advise the grantee of the identities of any parties who have directly requested project information from OJP.

(5) Public information meeting. A public information meeting is not required for every environmental assessment. Rather, OJP will decide if a public meeting would be helpful in those cases in which the public comments either reflect a serious misunderstanding of the proposed project and its potential environmental impacts or raise substantial questions or issues concerning the content of the draft EA. If OJP determines that a meeting is necessary, the grantee must schedule and hold a public meeting. An OJP representative will attend.

(c) EIS process—(1) Scoping meeting. As one of the first steps in the preparation of a draft EIS, OJP and the grantee will sponsor a public meeting in the area(s) that would be affected by the proposed project and the alternative sites under consideration. This meeting is referred to as a scoping meeting and is intended to identify the proposed project’s environmental impacts that are:

(i) Of most concern to the affected public and local, state, and federal agencies and

(ii) Of least concern to the affected public and agencies.

(2) Review and comment process for draft EIS. OJP’s procedures require the grantee to obtain the public’s comments on the draft EIS by:

(i) Publishing a notice of availability of the draft EIS in the newspaper(s) serving the area(s) that would be impacted by the proposed project and the alternatives sites;

(ii) Distributing copies of the draft EIS to all interested agencies, organizations, and individuals for their review and comment;

(iii) Holding near the site of the proposed project a public information meeting in order to obtain the comments of the attendees; and

(iv) Allowing, at a minimum, a forty-five day review and comment period for the draft EIS. Grantees should refer to OJP’s Guidance Handbook for further information on how to conduct these public review and comment procedures.

(3) Distribution of final EIS. Any interested person or group can request a copy of the final EIS and will be provided a copy.

OTHER STATE AND FEDERAL LAW REQUIREMENTS

§91.67 State Environmental Policy Acts.

(a) Coordination. OJP will coordinate with grantees to ensure that any state, local, or tribal environmental impact review requirements similar to the Federal NEPA procedures will be met concurrently, to the extent possible, through requesting the appropriate non-federal agency(ies) to be a joint lead agency(ies). This effort would involve joint analyses, public involvement and documentation. Grantees are responsible for identifying the application of and informing OJP of these state and local requirements.

(b) Completed analysis. For projects that had state or local environmental impact analysis completed prior to the implementation of these procedures, OJP will review the documents prepared to meet the state and local requirements. In order to minimize any duplication of analysis, OJP will advise the State on whether additional environmental impact review is required.

§91.68 Compliance with other Federal environmental statutes, regulations and executive orders.

(a) Other Federal environmental laws. All projects initiated by State or local units of government with VOI/TIS grant funding are also subject, where applicable, to the environmental impact analysis requirements of the following statutes, their implementing regulations, and the relevant executive orders:

(1) Archeological and Historical Preservation Act,

(2) Coastal Zone Management Act,

(3) Coastal Barrier Resources Act,

(4) Clean Air Act,

(5) Safe Drinking Water Act,
Department of Justice

(6) Federal Water Pollution Control Act,
(7) Endangered Species Act,
(8) Wild and Scenic Rivers Act,
(9) National Historic Preservation Act,
(10) Wilderness Act,
(11) Farmland Protection Policy Act,
(12) Flood Disaster Protection Act
(13) Executive Order on Floodplain Management,
(14) Executive Order on Wetland Protection,
(15) Executive Order on Environmental Justice, and

(b) Combined requirements. Documenting compliance with the environmental requirements in paragraph (a) of this section does not normally require separate documents or separate processes. Rather, documenting compliance with all of these requirements is generally accomplished by incorporating them into the NEPA documents. For example, one category of environmental impacts that must be addressed in a NEPA analysis is potential impacts to historic properties. The National Historic Preservation Act, as well as the Advisory Council on Historic Preservation’s regulations at 36 CFR part 800, also contain Federal requirements for addressing the impacts on historic properties from Federal actions. In order to avoid duplicate compliance procedures, the NEPA document traditionally becomes the process for meeting the requirements of both laws.

PART 92—OFFICE OF COMMUNITY ORIENTED POLICING SERVICES (COPS)

Subpart A—Police Corps Eligibility and Selection Criteria

§ 92.1 Scope.

This subpart sets forth guidance on the eligibility for and selection to participate in the Police Corps. The Police Corps offers scholarships and educational expense reimbursements to individuals who agree to serve as a State or local police officer or sheriff’s deputy for four years. In addition, Police Corps participants receive sixteen weeks of training in basic law enforcement, including vigorous physical and mental training to teach self-discipline and organizational loyalty and to impart knowledge and understanding of legal processes and law enforcement.

§ 92.2 Am I eligible to apply to participate in the Police Corps?

(a) You should consider applying to the Police Corps if you are seeking an undergraduate or graduate degree, and are willing to commit to four years of service as a member of a State or local police force. To be eligible to participate in a State Police Corps program, an individual also must:

1. Be a citizen of the United States or an alien lawfully admitted for permanent residence in the United States as of the date of application;
2. Meet the requirements for admission as a trainee of the State or local police force to which the participant...
§ 92.3 How and when should I apply to participate in the Police Corps?

(a) The application and selection process occurs at the State level. An applicant may apply to participate in more than one State Police Corps program, provided that the applicant is prepared to commit to serve as a law enforcement officer in the State to which application is made. Application forms should be obtained from the State Police Corps agencies.

(b) Applicants may seek admission to the Police Corps either before commencement of or during the applicant's course of undergraduate or graduate study. However, acceptance into the State Police Corps program may be persons who have had some law enforcement experience and/or have demonstrated special leadership potential and dedication to law enforcement.

(c) According to the Debt Collection Procedures Act (Pub. L. 101-647 as amended), 28 U.S.C. 3201, persons who have incurred a court judgment in favor of the United States creating a lien against their property arising from a civil or criminal proceeding regarding a debt are precluded from receiving Federal funds (including Police Corps funds) until the judgment lien has been paid in full or otherwise satisfied.

(c) Educational assistance under the Police Corps Act for any course of study also is available to a dependent child of a law enforcement officer:

(1) Who is a member of a State or local police force or is a Federal criminal investigator or uniformed police officer;

(2) Who is not a participant in the Police Corps program, but

(3) Who serves in a State for which the Director has approved a Police Corps plan, and

(4) Who is killed in the course of performing policing duties.

(i) For purposes of this assistance, a dependent child means a natural or adopted child or stepchild of a law enforcement officer who at the time of the officer's death was no more than 21 years old or, if older than 21 years, was in fact dependent on the child's parents for at least one-half of the child's support (excluding educational expenses), as determined by the Director based on a review of any available documentation.

(ii) The educational assistance available under this subsection is subject to the same dollar limitations set forth in §92.4, but carries no police service obligation, repayment contingencies, or requirement for approval of a course of study.

§ 92.3 How and when should I apply to participate in the Police Corps?

(a) The application and selection process occurs at the State level. An applicant may apply to participate in more than one State Police Corps program, provided that the applicant is prepared to commit to serve as a law enforcement officer in the State to which application is made. Application forms should be obtained from the State Police Corps agencies.

(b) Applicants may seek admission to the Police Corps either before commencement of or during the applicant's course of undergraduate or graduate study. However, acceptance into the State Police Corps program may be persons who have had some law enforcement experience and/or have demonstrated special leadership potential and dedication to law enforcement.

(c) According to the Debt Collection Procedures Act (Pub. L. 101-647 as amended), 28 U.S.C. 3201, persons who have incurred a court judgment in favor of the United States creating a lien against their property arising from a civil or criminal proceeding regarding a debt are precluded from receiving Federal funds (including Police Corps funds) until the judgment lien has been paid in full or otherwise satisfied.

(c) Educational assistance under the Police Corps Act for any course of study also is available to a dependent child of a law enforcement officer:

(1) Who is a member of a State or local police force or is a Federal criminal investigator or uniformed police officer;

(2) Who is not a participant in the Police Corps program, but

(3) Who serves in a State for which the Director has approved a Police Corps plan, and

(4) Who is killed in the course of performing policing duties.

(i) For purposes of this assistance, a dependent child means a natural or adopted child or stepchild of a law enforcement officer who at the time of the officer's death was no more than 21 years old or, if older than 21 years, was in fact dependent on the child's parents for at least one-half of the child's support (excluding educational expenses), as determined by the Director based on a review of any available documentation.

(ii) The educational assistance available under this subsection is subject to the same dollar limitations set forth in §92.4, but carries no police service obligation, repayment contingencies, or requirement for approval of a course of study.

§ 92.3 How and when should I apply to participate in the Police Corps?

(a) The application and selection process occurs at the State level. An applicant may apply to participate in more than one State Police Corps program, provided that the applicant is prepared to commit to serve as a law enforcement officer in the State to which application is made. Application forms should be obtained from the State Police Corps agencies.

(b) Applicants may seek admission to the Police Corps either before commencement of or during the applicant's course of undergraduate or graduate study. However, acceptance into the State Police Corps program may be persons who have had some law enforcement experience and/or have demonstrated special leadership potential and dedication to law enforcement.

(c) According to the Debt Collection Procedures Act (Pub. L. 101-647 as amended), 28 U.S.C. 3201, persons who have incurred a court judgment in favor of the United States creating a lien against their property arising from a civil or criminal proceeding regarding a debt are precluded from receiving Federal funds (including Police Corps funds) until the judgment lien has been paid in full or otherwise satisfied.

(c) Educational assistance under the Police Corps Act for any course of study also is available to a dependent child of a law enforcement officer:

(1) Who is a member of a State or local police force or is a Federal criminal investigator or uniformed police officer;

(2) Who is not a participant in the Police Corps program, but

(3) Who serves in a State for which the Director has approved a Police Corps plan, and

(4) Who is killed in the course of performing policing duties.

(i) For purposes of this assistance, a dependent child means a natural or adopted child or stepchild of a law enforcement officer who at the time of the officer's death was no more than 21 years old or, if older than 21 years, was in fact dependent on the child's parents for at least one-half of the child's support (excluding educational expenses), as determined by the Director based on a review of any available documentation.

(ii) The educational assistance available under this subsection is subject to the same dollar limitations set forth in §92.4, but carries no police service obligation, repayment contingencies, or requirement for approval of a course of study.
Police Corps will be conditioned on matriculation in or acceptance for admission at a four-year institution of higher education. Specific application deadlines will be established by State Police Corps agencies.

§ 92.4 How will participants be selected from applicants?

(a) Applicants should be selected competitively based upon selection criteria developed by the State Police Corps agency pursuant to this subsection. Appropriate application materials should be developed by the State Police Corps agency to obtain the information reasonably needed to make selection and assignment decisions and to provide required information to the Director.

(b) The State Police Corps agency should develop selection criteria in consultation with local law enforcement officials, representatives of police labor organizations and police management organizations, and other appropriate State and local agencies. Selection criteria should seek to attract highly qualified individuals with backgrounds and characteristics likely to assure effective participation in the Police Corps. Criteria should include consideration of factors bearing on the statutory eligibility requirements set forth in § 92.1, and may include (without limitation) consideration of:

(1) Scholastic record;
(2) Work experience;
(3) Extracurricular and/or community involvement;
(4) Letters of recommendation;
(5) Demonstrated interest in policing as a career.

(c) After selection, the State Police Corps agency will forward to the Director, Office of the Police Corps and Law Enforcement Education a list of persons selected for admission to the Police Corps. With respect to each person, the list should set forth:

(1) Name;
(2) Address;
(3) Social security number;
(4) Name and location of law enforcement agency to which the person has been assigned;
(5) Educational institution in which the person is enrolled or has been accepted for admission, and course of study;
(6) Date on which the person is expected to commence his/her service;
(7) Certification that the person has been found to meet the statutory selection criteria at 42 U.S.C. §14096;
(8) A Police Corps Agreement signed by the applicant; and
(9) An itemization of the educational expenses that the person is eligible to receive through scholarship and/or reimbursement.

(i) With respect to individuals identified to receive educational assistance under §92.2(c), the list should contain the information in paragraphs (c) (1), (2), (3), (5) and (9) of this section.

(ii) With respect to the list in the aggregate, a summary of the racial and gender distribution of the individuals.

(d) After selection, the State Police Corps agency should notify applicants of their selection, their agency assignment, and their assignment to a training class. However, admission to the Police Corps is not final until the Police Corps Agreement has been signed both by the applicant and the Director.

§ 92.5 What educational expenses does the Police Corps cover, and how will they be paid?

(a) Educational expenses are paid either in the form of a scholarship or a reimbursement. Scholarships will be paid where Police Corps participants are currently enrolled in an approved course of study in an institution of higher education. Reimbursements will be paid to participants for educational expenses incurred prior to admission to the Police Corps. In certain circumstances, a Police Corps participant may receive a reimbursement for past expenses and a scholarship for current expenses.

(b) Requests for payment of educational expenses by a Police Corps participant should be submitted to the Director through the State Police Corps agency.

(1) Educational expenses are expenses that are directly attributable to a course of education leading to the award of either a baccalaureate or graduate degree, and may include:

(i) Tuition, in an amount billed by the institution of higher education;
§ 92.6 What colleges or universities can I attend under the Police Corps?

(a) The choice of institution is up to the participant, as long as the institution meets the definition of an “institute of higher education.” As defined in 20 U.S.C. 1141(a), an “institution of higher education” means an educational institution in any State which:

To the extent that a claimant has an unsatisfied judgment against a foreign government based on the same act of terrorism, the value of that unsatisfied judgment shall be counted as a lump sum payment for expenses covered under this subpart, unless the claimant agrees to waive his right to sue the United States government for satisfaction of that judgment.

(h) Incapacitated means substantially impaired by mental illness or disability, or by physical illness or disability, to the extent that personal decision-making is impossible.

(i) Incompetent means unable to care for oneself because of mental illness or disability, mental retardation, or dementia.

As of the date of these regulations, the statute defines the term to mean “(A) a citizen of the United States, or (B) a person who, though not a citizen of the United States, owes permanent allegiance to the United States.”

§ 94.13 Terms.

The first three provisions of 1 U.S.C. 1 (rules of construction) shall apply to this subpart.

COVERAGE

§ 94.21 Eligibility.

(a) Except as provided in paragraphs (b) and (c) of this section, reimbursement of qualified expenses under this subpart is available to a victim of international terrorism or his representative, pursuant to 42 U.S.C. 10603c(a)(3)(A). For purposes of eligibility for this program only, the Attorney General shall determine whether there is a reasonable indication that an act was one of international terrorism, within the meaning of that section.

(b) Reimbursement shall be denied to any claimant if the Director, in consultation with appropriate Department of Justice (DOJ) officials, determines that there is a reasonable indication that either the victim with respect to whom the claim is made, or the claimant, was criminally culpable for the act of international terrorism.

(c) Reimbursement may be reduced or denied to a claimant if the Director, in consultation with appropriate DOJ officials, determines that the victim with respect to whom the claim is made contributed materially to his own death or injury by—

(1) Engaging in conduct that violates U.S. law or the law of the jurisdiction in which the act of international terrorism occurred;
(2) Acting as a mercenary or “soldier of fortune”;
(3) (As a non-U.S. Government employee), acting as an advisor, consultant, employee, or contractor, in a military or political capacity—

(i) For a rebel or paramilitary organization;
(ii) For a government not recognized by the United States; or
(iii) In a country in which an official travel warning issued by the U.S. Department of State related to armed conflict was in effect at the time of the act of international terrorism; or
(4) Engaging in grossly reckless conduct.

§ 94.22 Categories of expenses.

The following categories of expenses, generally, may be reimbursed, with some limitations, as noted in §94.23: medical care; mental health care; property loss; funeral and burial; and miscellaneous expenses (including temporary lodging, emergency travel, and transportation). Under this subpart, the Director shall not reimburse for attorneys’ fees, lost wages, or non-economic losses (such as pain and suffering, loss of enjoyment of life, loss of consortium, etc.).

§ 94.23 Amount of reimbursement.

Different categories of expenses are capped, as set forth in the chart below. Those caps may be adjusted, from time to time, by rulemaking. The cap in effect within a particular expense category, at the time that the application is received, shall apply to the award.

§ 94.24 Determination of award.

After review of each application, the Director shall determine the eligibility of the victim or representative and the amount, if any, eligible for reimbursement, specifying the reasons for such determination and the findings of fact and conclusions of law supporting it. A copy of the determination shall be mailed to the claimant at his last known address.

§ 94.25 Collateral sources.

(a) The amount of expenses reimbursed to a claimant under this subpart shall be reduced by any amount that the claimant receives from a collateral source in connection with the same act of international terrorism. In cases in which a claimant receives reimbursement under this subpart for expenses that also will or may be reimbursed from another source, the claimant shall subrogate the United States to the claim for payment from the collateral source up to the amount for which the claimant was reimbursed under this subpart.
(b) Notwithstanding paragraph (a) of this section, when a collateral source provides supplemental reimbursement for a specific expense, beyond the maximum amount reimbursed for that expense under this subpart, the claimant’s award under this subpart shall not be reduced by the amount paid by the collateral source, nor shall the claimant be required to subrogate the United States to the claim for payment from the collateral source, except that in no event shall the combined reimbursement under this subpart and any collateral source exceed the actual expense.

§ 94.31 Application procedures.

(a) To receive reimbursement, a claimant must submit a completed application under this program requesting payment based on an itemized list of expenses, and must submit original receipts.

(b) Notwithstanding paragraph (a) of this Section, in cases involving incidents of terrorism preceding the establishment of this program where claimants may not have original receipts, and in cases in which the claimant certifies that the receipts have been destroyed or lost, the Director may, in his discretion, accept an itemized list of expenses. In each such case, the claimant must certify that original receipts are unavailable and attest that the items and amounts submitted in the list are true and correct to the best of his knowledge. In the event that it is later determined that a fraudulent certification was made, the United States may take action to recover any payment made under this section, and pursue criminal prosecution, as appropriate.

§ 94.32 Application deadline.

For claims related to acts of international terrorism that occurred after October 6, 2006, the deadline to file an application is three years from the date of the act of international terrorism. For claims related to acts of international terrorism that occurred between December 21, 1988, and October 6, 2006, the deadline to file an application is October 6, 2009. At the discretion of the Director, the deadline for filing a claim may be tolled or extended upon a showing of good cause.

[76 FR 19910, Apr. 11, 2011]

§ 94.33 Investigation and analysis of claims.

The Director may seek an expert examination of claims submitted if he believes there is a reasonable basis for requesting additional evaluation. The claimant, in submitting an application for reimbursement, authorizes the Director to release information regarding claims or expenses listed in the application to an appropriate body for review. If the Director initiates an expert review, no identifying information for the victim or representative shall be released.

PAYMENT OF CLAIMS

§ 94.41 Interim emergency payment.

Claimants may apply for an interim emergency payment, prior to a determination under §94.21(a). If the Director determines that such payment is necessary to avoid or mitigate substantial hardship that may result from delaying reimbursement until complete and final consideration of an application, such payment may be made to cover immediate expenses such as those of medical care, funeral and burial, short-term lodging, and emergency transportation. The amount of an interim emergency payment shall be determined on a case-by-case basis, and shall be deducted from the final award amount.

§ 94.42 Repayment and waiver of repayment.

A victim or representative shall reimburse the program upon a determination by the Director that an interim emergency award or final award was: Made to an ineligible victim or claimant; based on fraudulent information; or an overpayment. Except in the case of eligibility pursuant to a determination by the Director, in consultation with appropriate DOJ officials, under §94.21(b), the Director may waive such repayment requirement in whole or in part, for good cause, upon request.
§ 94.51 Request for reconsideration.

A victim or representative may, within thirty (30) days after receipt of the determination under § 94.24, appeal the same to the Assistant Attorney General for the Office of Justice Programs, by submitting a written request for review. The Assistant Attorney General may conduct a review and make a determination based on the material submitted with the initial application, or may request additional documentation in order to conduct a more thorough review. In special circumstances, the Assistant Attorney General may determine that an oral hearing is warranted; in such cases, the hearing shall be held at a reasonable time and place.

§ 94.52 Final agency decision.

In cases that are not appealed under § 94.51, the Director’s determination pursuant to § 94.24 shall be the final agency decision. In all cases that are appealed, the Assistant Attorney General shall issue a notice of final determination, which shall be the final agency decision, setting forth the findings of fact and conclusions of law supporting his determination.

Subpart B—VOCA Victim Assistance Program

§ 94.101 Purpose and scope; future guidance; construction and severability; compliance date.

(a) Purpose and scope. This subpart implements the provisions of VOCA, at 42 U.S.C. 10603, which, as of July 8, 2016, authorize the Director to make an annual grant to the chief executive of each State for the financial support of eligible crime victim assistance programs. VOCA sets out the statutory requirements governing these grants, and this subpart should be read in conjunction with it. Grants under this program also are subject to the government-wide grant rules in 2 CFR part 200, as implemented by the Department of Justice at 2 CFR part 2800, and the DOJ Grants Financial Guide.

(b) Future guidance. The Director may, pursuant to 42 U.S.C. 10604(a), prescribe guidance for grant recipients and sub-recipients under this program on the application of this subpart.

(c) Construction and severability. Any provision of this subpart held to be invalid or unenforceable by its terms, or as applied to any person or circumstance, shall be construed so as to give it the maximum effect permitted by law, unless such holding shall be one of utter invalidity or unenforceability, in which event such provision shall be deemed severable from this part and shall not affect the remainder thereof or the application of such provision to other persons not similarly situated or to other, dissimilar circumstances.

(d) Compliance date. This subpart applies to all grants under this program made by OVC after August 8, 2016, except for funds that the SAA obligated before August 8, 2016 (i.e. pre-award funds under grants made in 2016). SAAs may permit the use of funds that are unobligated as of August 8, 2016 for activities permitted by this subpart, but not by the Guidelines.

§ 94.102 Definitions.

As used in this subpart:

Crime victim or victim of crime means a person who has suffered physical, sexual, financial, or emotional harm as a result of the commission of a crime.

Director means the Director of OVC.

Direct services or services to victims of crime means those services described in 42 U.S.C. 10603(d)(2), and efforts that—

(1) Respond to the emotional, psychological, or physical needs of crime victims;

(2) Assist victims to stabilize their lives after victimization;

(3) Assist victims to understand and participate in the criminal justice system; or

(4) Restore a measure of security and safety for the victim.

OVC means the Office for Victims of Crime, within the United States Department of Justice’s Office of Justice Programs.

Project means the direct services project funded by a grant under this program, unless context indicates otherwise.

Spousal abuse includes domestic and intimate partner violence.

State Administering Agency or SAA is the governmental unit designated by the chief executive of a State to administer grant funds under this program.

Sub-recipient means an entity that is eligible to receive grant funds under this program from a State under this subpart.

Victim of child abuse means a victim of crime, where such crime involved an act or omission considered to be child abuse under the law of the relevant SAA jurisdiction. In addition, for purposes of this program, victims of child abuse may include, but are not limited to, child victims of: Physical, sexual, or emotional abuse; child pornography-related offenses; neglect; commercial sexual exploitation; bullying; and/or exposure to violence.

Victim of federal crime means a victim of an offense in violation of a federal criminal statute or regulation, including, but not limited to, offenses that occur in an area where the federal government has jurisdiction, whether in the United States or abroad, such as Indian reservations, national parks,
§ 94.103 General.

(a) Direct services. SAAs may use VOCA funds to provide direct services through sub-recipients or in their own projects, and to cover administrative and training costs of the SAA. SAAs have sole discretion to determine which organizations will receive funds, and in what amounts, subject to the minimum requirements set forth in VOCA and this subpart. SAAs must ensure that projects provide services to victims of federal crimes on the same basis as to victims of crimes under State or local law. SAAs may fund direct services regardless of a victim's participation in the criminal justice process. Victim eligibility under this program for direct services is not dependent on the victim's immigration status.

(b) SAA eligibility certification. Each SAA must certify that it will meet the criteria set forth in VOCA, at 42 U.S.C. 10603(a)(2), and in this subpart. This certification shall be submitted by the chief executive of the State (or a designee) annually in such form and manner as OVC specifies from time to time.

As of July 8, 2016, VOCA requires the chief executive to certify that—

(1) Priority will be given to programs providing assistance to victims of sexual assault, spousal abuse, or child abuse;

(2) Funds will be made available to programs serving underserved victims;

(3) VOCA funds awarded to the State, and by the State to eligible crime victim assistance programs, will not be used to supplant State and local government funds otherwise available for crime victim assistance.

(c) Pass-through administration. SAAs have broad latitude in structuring their administration of VOCA funding. VOCA funding may be administered by the SAA itself, or by other means, including the use of pass-through entities (such as coalitions of victim service providers) to make determinations regarding award distribution and to administer funding. SAAs that opt to use a pass-through entity shall ensure that the total sum of VOCA funding for administrative and training costs for the SAA and pass-through entity is within the VOCA limit, the reporting of activities at the direct-service level is equivalent to what would be provided if the SAA were directly overseeing sub-awards, and an effective system of monitoring sub-awards is used. SAAs shall report on the pass-through entity in such form and manner as OVC may specify from time to time.

(d) Strategic planning. SAAs are encouraged to develop a funding strategy, which should consider the following: The range of direct services throughout the State and within communities; the sustainability of such services; the unmet needs of crime victims; the demographic profile of crime victims; the coordinated, cooperative response of community organizations in organizing direct services; the availability of direct services throughout the criminal justice process, as well as to victims who are not participating in criminal justice proceedings; and the extent to which other sources of funding are available for direct services.

(e) Coordination. SAAs are encouraged to coordinate their activities with their jurisdiction’s VOCA compensation programs, STOP Violence Against Women Formula Grant Program administrator, victim assistance coalitions, federal agencies, and other relevant organizations.

(f) Compliance with other rules and requirements. SAAs shall comply (and ensure sub-recipient compliance) with all applicable provisions of VOCA, this subpart, and any guidance issued by OVC, as well as all applicable provisions of the DOJ Grants Financial Guide and government-wide grant rules.

(g) Access to records. SAAs shall, upon request, and consistent with 2 CFR 200.336, permit OVC access to all
§ 94.104 Allocation of sub-awards.

(a) Directed allocation of forty percent overall. Except as provided in paragraph (d) of this section, each SAA shall allocate each year’s VOCA grant as specified below in paragraphs (b) and (c) of this section. Where victims of priority category crimes are determined to be underserved as well, an SAA may count funds allocated to projects serving such victims in either the priority category or the underserved category, but not both.

(b) Priority categories of crime victims (thirty percent total). SAAs shall allocate a minimum of ten percent of each year’s VOCA grant to each of the three priority categories of victims specified in the certification requirement in VOCA, at 42 U.S.C. 10603(a)(2)(A), which, as of July 8, 2016, includes victims of—

1. Sexual assault,
2. Spousal abuse and

(c) Previously underserved category (ten percent total). SAAs shall allocate a minimum of ten percent of each year’s VOCA grant to underserved victims of violent crime, as specified in VOCA, at 42 U.S.C. 10603(a)(2)(B). To meet this requirement, SAAs shall identify which type of crime victim a service project assists by the type of crime they have experienced or the demographic characteristics of the crime victim, or both.

(d) Exceptions to required allocations. The Director may approve an allocation different from that specified in paragraphs (b) and (c) of this section, pursuant to a written request from the SAA that demonstrates (to the satisfaction of the Director) that there is good cause therefor.

(e) Sub-award process: Documentation, conflicts of interest, and competition of funding to sub-recipients. (1) SAAs have sole discretion to determine which organizations will receive funds, and in what amounts, subject to the requirements of VOCA, this subpart, and the provisions in the DOJ Grants Financial Guide relating to conflicts of interest. SAAs must maintain a documented methodology for selecting all competitive and non-competitive sub-recipients.

(2) SAAs are encouraged to award funds through a competitive process, when feasible. Typically, such a process entails an open solicitation of applications and a documented determination, based on objective criteria set in advance by the SAA (or pass-through entity, as applicable).

(f) Direct-service projects run by SAAs. An SAA may use no more than ten percent of its annual VOCA grant to fund its own direct service projects, unless the Director grants a waiver.

§ 94.105 Reporting requirements.

(a) Subgrant award reports. SAAs shall submit, at such times and in such form and manner as OVC may specify from time to time, subgrant award reports to OVC for each project that receives VOCA funds. If an SAA awards funds to a pass-through entity, the SAA also shall submit a report on the pass-through entity, at such times and in such form and manner as OVC may specify from time to time.

(b) Performance report. SAAs shall submit, in such form and manner as OVC may specify from time to time, performance reports to OVC on a quarterly basis.

(c) Obligation to report fraud, waste, abuse, and similar misconduct. SAAs shall—

1. Promptly notify OVC of any formal allegation or finding of fraud, waste, abuse, or similar misconduct involving VOCA funds;
2. Promptly refer any credible evidence of such misconduct to the Department of Justice Office of the Inspector General; and
3. Apprise OVC, in timely fashion, of the status of any on-going investigations

§ 94.106 Monitoring requirements.

(a) Monitoring plan. Unless the Director grants a waiver, SAAs shall develop and implement a monitoring plan in accordance with the requirements of this section and 2 CFR 200.331. The monitoring plan must include a risk assessment plan.

(b) Monitoring frequency. SAAs shall conduct regular desk monitoring of all sub-recipients. In addition, SAAs shall
§ 94.107 Conduct on-site monitoring of all sub-recipients at least once every two years during the award period, unless a different frequency based on risk assessment is set out in the monitoring plan.

(c) Recordkeeping. SAs shall maintain a copy of site visit results and other documents related to compliance.

SAAs shall maintain a copy of site visit results and other documents related to compliance.

§ 94.107 Administration and training.

(a) Amount. No SA may use more than the amount prescribed by VOCA, at 42 U.S.C. 10603(b)(3), for training and administration. As of July 8, 2016, the amount is five percent of a State’s annual VOCA grant.

(b) Notification. An SA shall notify OVC of its decision to use VOCA funds for training or administration, either at the time of application for the VOCA grant or within thirty days of such decision. Such notification shall indicate what portion of the amount will be allocated for training and what portion for administration. If VOCA funding will be used for administration, the SA shall follow the rules and submit the certification required in §94.108 regarding supplantation.

(c) Availability. SAAs shall ensure that each training and administrative activity funded by the VOCA grant occurs within the award period.

(d) Documentation. SAAs shall maintain sufficient records to substantiate the expenditure of VOCA funds for training or administration.

(e) Volunteer training. SAAs may allow sub-recipients to use VOCA funds to train volunteers in how to provide direct services when such services will be provided primarily by volunteers. Such use of VOCA funds will not count against the limit described in paragraph (a) of this section.

§ 94.108 Prohibited supplantation of funding for administrative costs.

(a) Non-supplantation requirement. SAAs may not use VOCA funding to supplant State administrative support for the State crime victim assistance program. Consistent with the DOJ Grants Financial Guide, such supplantation is the deliberate reduction of State funds because of the availability of VOCA funds. Where a State decreases its administrative support for the State crime victim assistance program, the SA must submit, upon request from OVC, an explanation for the decrease.

(b) Baseline for administrative costs. In each year in which an SA uses VOCA funds for administration, it shall—

(1) Establish and document a baseline level of non-VOCA funding required to administer the State victim assistance program, based on SAA expenditures for administrative costs during that fiscal year and the previous fiscal year, prior to expending VOCA funds for administration; and

(2) Submit the certification required by 42 U.S.C. 10604(h), which, as of July 8, 2016, requires an SA to certify here that VOCA funds will not be used to supplant State funds, but will be used to increase the amount of such funds that would, in the absence of VOCA funds, be made available for administrative purposes.

§ 94.109 Allowable administrative costs.

(a) Funds for administration may be used only for costs directly associated with administering a State’s victim assistance program. Where allowable administrative costs are allocable to both the crime victim assistance program and another State program, the VOCA grant may be charged no more than its proportionate share of such costs. SAAs may charge a federally-approved indirect cost rate to the VOCA grant, provided that the total amount charged does not exceed the amount prescribed by VOCA for training and administration.

(b) Costs directly associated with administering a State victim assistance program generally include the following:

(1) Salaries and benefits of SA staff and consultants to administer and manage the program;

(2) Training of SA staff, including, but not limited to, travel, registration fees, and other expenses associated with SA staff attendance at technical assistance meetings and conferences relevant to the program;
(3) Monitoring compliance of VOCA sub-recipients with federal and State requirements, support for victims’ rights compliance programs, provision of technical assistance, and evaluation and assessment of program activities, including, but not limited to, travel, mileage, and other associated expenses;

(4) Reporting and related activities necessary to meet federal and State requirements;

(5) Program evaluation, including, but not limited to, surveys or studies that measure the effect or outcome of victim services;

(6) Program audit costs and related activities necessary to meet federal audit requirements for the VOCA grant;

(7) Technology-related costs, generally including for grant management systems, electronic communications systems and platforms (e.g., Web pages and social media), geographic information systems, victim notification systems, and other automated systems, related equipment (e.g., computers, software, fax and copying machines, and TTY/TDDs) and related technology support services necessary for administration of the program;

(8) Memberships in crime victims’ organizations and organizations that support the management and administration of victim assistance programs, and publications and materials such as curricula, literature, and protocols relevant to the management and administration of the program;

(9) Strategic planning, including, but not limited to, the development of strategic plans, both service and financial, including conducting surveys and needs assessments;

(10) Coordination and collaboration efforts among relevant federal, State, and local agencies and organizations to improve victim services;

(11) Publications, including, but not limited to, developing, purchasing, printing, distributing training materials, victim services directories, brochures, and other relevant publications; and

(12) General program improvements—Enhancing overall SAA operations relating to the program and improving the delivery and quality of program services to crime victims throughout the State.

§94.110 Allowable training costs.

VOCA funds may be used only for training activities that occur within the award period, and all funds for training must be obligated prior to the end of such period. Allowable training costs generally include, but are not limited to, the following:

(a) Statewide/regional training of personnel providing direct assistance and allied professionals, including VOCA funded and non-VOCA funded personnel, as well as managers and Board members of victim service agencies; and

(b) Training academies for victim assistance.

§94.112 Types of eligible organizations and organizational capacity.

(a) Eligible programs. Eligible programs are not limited to entities whose sole purpose is to provide direct services. There are special considerations for certain types of entities, as described below:

(1) Faith-based and neighborhood programs. SAAs may award VOCA funds to otherwise eligible faith-based and neighborhood programs, but in making such awards, SAAs shall ensure that such programs comply with all applicable federal law, including, but not limited to, part 38 of this chapter.

(2) Crime victim compensation programs. SAAs may provide VOCA victim assistance funding to compensation programs only for the purpose of providing direct services that extend beyond the essential duties of the staff administering the compensation program, which services may include, but are not limited to, crisis intervention; counseling; and providing information, referrals, and follow-up for crime victims.
§ 94.113 Use of volunteers, community efforts, compensation assistance.

(a) Mandated use of volunteers; waiver. Programs shall use volunteers, to the extent required by the SAA, in order to be eligible for VOCA funds. The chief executive of the State, who may act through the SAA, may waive this requirement, provided that the program submits written documentation of its efforts to recruit and maintain volunteers, or otherwise demonstrate why circumstances prohibit the use of volunteers, to the satisfaction of the chief executive.

(b) Waiver of use of volunteers. SAAs shall maintain documentation supporting any waiver granted under VOCA, at 42 U.S.C. 10603(b)(1)(C), relating to the use of volunteers by programs.

(c) Promotion of community efforts to aid crime victims. Community served coordinated public and private efforts to aid crime victims may include, but are not limited to, serving on federal, State, local, or tribal work groups to oversee and recommend improvements to community responses to crime victims, and developing written agreements and protocols for such responses.

(d) Assistance to victims in applying for compensation. Assistance to potential recipients of crime victim compensation benefits (including potential recipients who are victims of federal crime) in applying for such benefits may include, but are not limited to, referring such potential recipients to an organization that can so assist, identifying crime victims and advising them of the availability of such benefits, assisting such potential recipients with application forms and procedures, obtaining necessary documentation, monitoring claim status, and intervening on behalf of such potential recipients with the crime victims’ compensation program.

§ 94.114 Prohibited discrimination.

(a) The VOCA non-discrimination provisions specified at 42 U.S.C. 10604(e) shall be implemented in accordance with 28 CFR part 42.

(b) In complying with VOCA, at 42 U.S.C. 10604(e), as implemented by 28 CFR part 42, SAAs and sub-recipients shall comply with such guidance as
may be issued from time to time by the Office for Civil Rights within the Office of Justice Programs.

§ 94.115 Non-disclosure of confidential or private information.

(a) Confidentiality. SAAs and sub-recipients of VOCA funds shall, to the extent permitted by law, reasonably protect the confidentiality and privacy of persons receiving services under this program and shall not disclose, reveal, or release, except pursuant to paragraphs (b) and (c) of this section—

(1) Any personally identifying information or individual information collected in connection with VOCA-funded services requested, utilized, or denied, regardless of whether such information has been encoded, encrypted, hashed, or otherwise protected; or

(2) Individual client information, without the informed, written, reasonably time-limited consent of the person about whom information is sought, except that consent for release may not be given by the abuser of a minor, incapacitated person, or the abuser of the other parent of the minor. If a minor or a person with a legally appointed guardian is permitted by law to receive services without a parent’s (or the guardian’s) consent, the minor or person with a guardian may consent to release of information without additional consent from the parent or guardian.

(b) Release. If release of information described in paragraph (a)(2) of this section is compelled by statutory or court mandate, SAAs or sub-recipients of VOCA funds shall make reasonable attempts to provide notice to victims affected by the disclosure of the information, and take reasonable steps necessary to protect the privacy and safety of the persons affected by the release of the information.

(c) Information sharing. SAAs and sub-recipients may share—

(1) Non-personally identifying data in the aggregate regarding services to their clients and non-personally identifying demographic information in order to comply with reporting, evaluation, or data collection requirements;

(2) Court-generated information and law-enforcement-generated information contained in secure governmental registries for protection order enforcement purposes; and

(3) Law enforcement- and prosecution-generated information necessary for law enforcement and prosecution purposes.

(d) Personally identifying information. In no circumstances may—

(1) A crime victim be required to provide a consent to release personally identifying information as a condition of eligibility for VOCA-funded services;

(2) Any personally identifying information be shared in order to comply with reporting, evaluation, or data collection requirements of any program;

(e) Mandatory reporting. Nothing in this section prohibits compliance with legally mandated reporting of abuse or neglect.

§ 94.116 Purpose of VOCA-funded projects.

VOCA funds shall be available to sub-recipients only to provide direct services and supporting and administrative activities as set out in this subpart. SAAs shall ensure that VOCA sub-recipients obligate and expend funds in accordance with VOCA and this subpart. Sub-recipients must provide services to victims of federal crimes on the same basis as to victims of crimes under State or local law. Sub-recipients may provide direct services regardless of a victim’s participation in the criminal justice process. Victim eligibility under this program for direct services is not dependent on the victim’s immigration status.

§ 94.117 Cost of services; sub-recipient program income.

(a) Cost of services. Sub-recipients shall provide VOCA-funded direct services at no charge, unless the SAA grants a waiver allowing the sub-recipient to generate program income by charging for services. Program income, where allowed, shall be subject to federal grant rules and the requirements of the DOJ Grants Financial Guide, which, as of July 8, 2016, require in most cases that any program income be restricted to the same uses as the sub-award funds and expended during
§ 94.118 Project match requirements.

(a) Project match amount. Sub-recipients shall contribute (i.e., match) not less than twenty percent (cash or in-kind) of the total cost of each project, except as provided in paragraph (b) of this section.

(b) Exceptions to project match requirement. The following are not subject to the requirement set forth in paragraph (a) of this section:

(1) Sub-recipients that are federally-recognized American Indian or Alaska Native tribes, or projects that operate on tribal lands;

(2) Sub-recipients that are territories or possessions of the United States (except for the Commonwealth of Puerto Rico), or projects that operate therein; and

(3) Sub-recipients other than those described in paragraphs (b)(1) and (2) of this section, that have applied (through their SAAs) for, and been granted, a full or partial waiver from the Director. Waiver requests must be supported by the SAA and justified in writing. Waivers are entirely at the Director’s discretion, but the Director typically considers factors such as local resources, annual budget changes, past ability to provide match, and whether the funding is for new or additional activities requiring additional match versus continuing activities where match is already provided.

(c) Sources of project match. Contributions under paragraph (a) of this section shall be derived from non-federal sources, except as may be provided in the DOJ Grants Financial Guide, and may include, but are not limited to, the following:

(1) Cash; i.e., the value of direct funding for the project;

(2) Volunteered professional or personal services, the value placed on which shall be consistent with the rate of compensation (which may include fringe benefits) paid for similar work in the program, but if the similar work is not performed in the program, the rate of compensation shall be consistent with the rate found in the labor market in which the program competes;

(3) Materials/Equipment, but the value placed on lent or donated equipment shall not exceed its fair market value;

(4) Space and facilities, the value placed on which shall not exceed the fair rental value of comparable space and facilities as established by an independent appraisal of comparable space and facilities in a privately-owned building in the same locality; and

(5) Non-VOCA funded victim assistance activities, including but not limited to, performing direct service, coordinating, or supervising those services, training victim assistance providers, or advocating for victims.

(d) Discounts. Any reduction or discount provided to the sub-recipient shall be valued as the difference between what the sub-recipient paid and what the provider’s nominal or fair market value is for the good or service.

(e) Use of project match. Contributions under paragraph (a) of this section are restricted to the same uses, and timing deadlines for obligation and expenditure, as the project’s VOCA funding.

(f) Recordkeeping for project match. Each sub-recipient shall maintain records that clearly show the source and amount of the contributions under paragraph (a) of this section, and period of time for which such contributions were allocated. § 97.1 Purpose.

This part implements the provisions of The Interstate Transportation of Dangerous Criminals Act of 2000, Public Law 106-560, 114 Stat. 2784 (42 U.S.C. 13726h) (‘‘the Act’’), to provide minimum security and safety standards for private companies that transport violent prisoners on behalf of State and local jurisdictions.

§ 97.2 Definitions.

(a) Crime of violence. The term ‘‘crime of violence’’ has the same meaning as in section 924(c)(3) of title 18, United States Code. Section 924(c)(3) states that the term crime of violence means an offense that is a felony and has as an element the use, attempted use, or threatened use of physical force against the person or property of another, or that by its nature, involves a substantial risk that physical force against the person or property of another may be used in the course of committing the offense.

(b) Private prisoner transport company. The term ‘‘private prisoner transport company’’ (‘‘company’’) means any entity, other than the United States, a State, or an inferior political subdivision of a State, that engages in the business of transporting for compensation individuals committed to the custody of any State or of an inferior political subdivision of a State, or any attempt thereof.

(c) Violent prisoner. The term ‘‘violent prisoner’’ means any individual in the
custody of a State or an inferior political subdivision of a State who has previously been convicted of or is currently charged with a crime of violence or any similar statute of a State or the inferior political subdivisions of a State, or any attempt thereof.

§ 97.11 Pre-employment screening.

Private prisoner transport companies must adopt pre-employment screening measures for all potential employees. The pre-employment screening measures must include a background check and a test for use of controlled substances. The failure of a potential employee to pass either screening measure will act as a bar to employment.

(a) Background checks must include:

1. A fingerprint-based criminal background check that disqualifies persons with either a prior felony conviction or a State or Federal conviction for a misdemeanor crime of domestic violence as defined in 18 U.S.C. 921;
2. A Credit Report check;
3. A physical examination; and
4. A personal interview.

(b) Testing for controlled substances. (1) Pre-employment testing for controlled substances must be in accordance with applicable State law.

(2) In the event that there is no applicable State law, pre-employment testing for controlled substances must be in accordance with the provisions of Department of Transportation regulations at 49 CFR 382.301 which will apply regardless of whether a private prisoner transport company is covered by Department of Transportation regulations.

(c) The criminal background check references in paragraph (a)(1) of this section may not be submitted directly to the FBI or any other Federal agency. The private prisoner transport companies must arrange the procedures for accomplishing the criminal background checks with their contracting governmental agencies. In the event that the private prisoner transport company is contracting with a privately run incarceration facility, and not directly with a governmental entity, the private prisoner transport company will have to make arrangements through the private incarceration facility to have the checks completed by the governmental entity ultimately requesting the transport.

§ 97.12 Employee training.

Private prisoner transport companies must require the completion of a minimum of 100 hours of employee training before an employee may transport violent prisoners. Training must include instruction in each of these six areas:

(a) Use of restraints;
(b) Searches of prisoners;
(c) Use of force, including use of appropriate weapons and firearms;
(d) Cardiopulmonary resuscitation (CPR);
(e) Map reading; and
(f) Defensive driving.

§ 97.13 Maximum driving time.

Companies covered under this part must adhere to the maximum driving time provisions applicable to commercial motor vehicle operators, as set forth in Department of Transportation regulations at 49 CFR 395.3 which will apply regardless of whether a private prisoner transport company is covered by Department of Transportation regulations.

§ 97.14 Guard-to-prisoner ratio.

Companies covered under this part must adhere to certain minimum standards with respect to the number of employees required to monitor violent prisoners during transportation. Private prisoner transport companies must ensure that at least one guard be on duty for every six violent prisoners transported. This requirement does not preclude a contracting entity from establishing more stringent guard-to-prisoner ratios.

§ 97.15 Employee uniforms and identification.

(a) Employee uniforms. Uniforms used by private prisoner transport companies must meet the following requirements:

1. Uniforms must be readily distinguishable in style and color from official uniforms worn by United States Department of Justice employees who transport violent offenders;
2. Uniforms must prominently feature a badge or insignia that identifies
§ 97.20 Standards to ensure the safety of violent prisoners during transport.

(a) Protective measures are in place to ensure that all vehicles are safe and well-maintained;

(b) Vehicles are equipped with efficient communications systems that are capable of immediately notifying State and local law enforcement officials in the event of a prisoner escape;

(c) Policies, practices, and procedures are in effect to ensure the health and physical safety of the prisoners during transport, including a first-aid kit and

§ 97.19 Immediate notification of local law enforcement in the event of an escape.

Private prisoner transport companies must be sufficiently equipped to provide immediate notification to law enforcement in the event of a prisoner escape. Law enforcement officials must receive notification no later than 15 minutes after an escape is detected unless the company can demonstrate that extenuating circumstances necessitated a longer delay. In the event of the escape of a violent prisoner, a private prisoner transport company must:

(a) Ensure the safety and security of the remaining prisoners;

(b) Provide notification within 15 minutes to the appropriate State and local law enforcement officials;

(c) Provide notification as soon as practicable to governmental officials or the privately run incarceration facility that contracted with the transport company; and

(d) Provide complete descriptions of the escapee and the circumstances surrounding the escape to State and local law enforcement officials if needed.

§ 97.18 Notification of local law enforcement prior to scheduled stops.

When transporting violent prisoners, private prisoner transport companies are required to notify local law enforcement officials 24 hours in advance of any scheduled stops in their jurisdiction. For the purposes of this section, a scheduled stop is defined as a predetermined stop at a State, local, or private correctional facility for the purpose of loading or unloading prisoners or using such facilities for overnight, meal, or restroom breaks. Scheduled stops do not include routine fuel stops or emergency stops.

§ 97.17 Mandatory restraints to be used while transporting violent prisoners.

Companies covered under this part must ensure that all violent prisoners they transport are clothed in brightly colored clothing that clearly identifies them as violent prisoners, unless security or other specific considerations make such a requirement inappropriate.

§ 97.16 Clothing requirements for transported violent prisoners.

Companies covered under this part must ensure that all violent prisoners they transport are clothed in brightly colored clothing that clearly identifies them as violent prisoners, unless security or other specific considerations make such a requirement inappropriate.

§ 97.15 Uniforms must be worn at all times while the employee is engaged in the transportation of violent prisoners.

(b) Employee identification. Identification utilized by private prisoner transport companies must meet the following requirements:

1. The identification credentials must clearly identify the employee as a transportation employee. The credentials must have a photograph of the employee including the employee’s name, the signature of the employee, and date of issuance; and

2. The employee must display proper identification credentials on his or her uniform and ensure that the identification is visible at all times during the transportation of violent prisoners.

§ 97.20 Standards to ensure the safety of violent prisoners during transport.

Companies covered under this section must comply with applicable State and federal laws that govern the safety of violent prisoners during transport. In addition, companies covered under this section are to ensure that:

(a) Protective measures are in place to ensure that all vehicles are safe and well-maintained;

(b) Vehicles are equipped with efficient communications systems that are capable of immediately notifying State and local law enforcement officials in the event of a prisoner escape;

(c) Policies, practices, and procedures are in effect to ensure the health and physical safety of the prisoners during transport, including a first-aid kit and

(c) Policies, practices, and procedures are in effect to ensure the health and physical safety of the prisoners during transport, including a first-aid kit and
§ 97.22 No pre-emption of federal, State, or local laws or regulations.

The regulations in this part implement the Act and do not pre-empt any applicable federal, State, or local law that may impose additional obligations on private prisoner transport companies or otherwise regulate the transportation of violent prisoners. All federal laws and regulations governing interstate commerce will continue to apply to private prisoner transport companies including, but not limited to: federal laws regulating the possession of weapons, Federal Aviation Administration or Transportation Security Administration rules and regulations governing travel on commercial aircraft, and all applicable federal, State, or local motor carrier regulations. The regulations in this part in no way pre-empt, displace, or affect the authority of States, local governments, or other federal agencies to address these issues.

§ 97.24 No civil defense created.

The regulations in this part on private prisoner transport companies are not intended to create a defense to any civil action, whether initiated by a unit of government or any other party. Compliance with the regulations in this part is not intended to and does not establish a defense against an allegation of negligence or breach of contract. Regardless of whether a contractual agreement establishes minimum precautions, the companies affected by the regulations in this part will remain subject to the standards of care that are imposed by constitutional, statutory, and common law upon their activities (or other activities of a similarly hazardous nature).

§ 97.30 Enforcement.

Any person who is found in violation of the regulations in this part will:
(a) Be liable to the United States for a civil penalty in an amount not to exceed $10,000 for each violation;
(b) Be liable to the United States for the costs of prosecution; and
(c) Make restitution to any entity of the United States, of a State, or of an inferior political subdivision of a State, that expends funds for the purpose of apprehending any violent prisoner who escapes from a prisoner transport company as the result, in whole or in part, of a violation of the regulations in this part promulgated pursuant to the Act.
§ 100.9 General.

These Cost Recovery Regulations were developed to define allowable costs and establish reimbursement procedures in accordance with section 109(e) of Communications Assistance for Law Enforcement Act (CALEA) (Public Law 103–414, 108 Stat. 4279, 47 U.S.C. 1001–1010). Reimbursement of costs is subject to the availability of funds, the reasonableness of costs, and an agreement by the Attorney General or designee to reimburse costs prior to the carrier’s incurrence of said costs.

§ 100.10 Definitions.

Allocable means chargeable to one or more cost objectives and can be distributed to them in reasonable proportion to the benefits received. Business unit means any segment of an organization for which cost data are routinely accumulated by the carrier for tracking and measurement purposes.

Cooperative agreement means the legal instrument reflecting a relationship between the government and a party when—

(1) The principal purpose of the relationship is to reimburse the carrier to carry out a public purpose of support or stimulation authorized by law of the United States; and

(2) Substantial involvement is expected between the government and carrier when carrying out the activity contemplated in the agreement.

Cost element means a distinct component or category of costs (e.g., materials, direct labor, allocable direct costs, subcontracting costs, other costs) which is assigned to a cost objective.

Cost objective means a function, organizational subdivision, contract, or other work unit for which cost data are desired and for which provision is made to accumulate and measure the cost of processes, products, jobs, capitalized projects, etc.

Cost pool means groupings of incurred costs identified with two or more cost objectives, but not identified specifically with any final cost objective.

Direct supervision means immediate or first-level supervision.

Directly allocable cost means any cost that is directly chargeable to one or more cost objectives and can be distributed to them in reasonable proportion to the benefits received.

Directly assignable cost means any cost that can be wholly attributed to a cost objective.

Directly associated cost means any directly assignable cost or directly allocable cost which is generated solely as a result of incurring another cost, and which would not have been incurred had the said cost not been incurred.

Final cost objective means a cost objective that has allocated to it, both assignable and allocable costs and, in the carrier’s accumulation system, is one of the final accumulation points.

Installed or deployed means that, on a specific switching system, equipment, facilities, or services are operable and available for use by the carrier’s customers.

Labor cost means the sum of the payroll cost, payroll taxes, and directly associated benefits.

Network operations costs means all directly associated costs related to the ongoing management and maintenance of a telecommunications carrier’s network.

Plant costs means the directly associated costs related to the modifications of specific kinds of telecommunications plants, such as switches, intelligent peripherals and other network elements. These costs shall include the costs of inspecting, testing and reporting on the condition of telecommunications plant to determine the need for replacements, rearranges and changes; rearranging and changing the location of plant not retired; inspecting after modifications have been made; the costs of modifying equipment records, such as administering trunking and
§ 100.11 Allowable costs.

(a) Costs that are eligible for reimbursement under section 109(e) CALEA are:

(1) All reasonable plant costs directly associated with the modifications performed by carriers in connection with equipment, facilities, and services installed or deployed on or before January 1, 1995, to establish the capabilities necessary to comply with section 103 of CALEA, until the equipment, facility, or service is replaced or significantly upgraded or otherwise undergoes major modifications;

(2) Additional reasonable plant costs directly associated with making the assistance capability requirements found in section 103 of CALEA reasonably achievable with respect to equipment, facilities, or services installed or deployed after January 1, 1995, in accordance with the procedures established in CALEA section 109(b); and

(3) Reasonable plant costs directly associated with modifications to any of a carrier’s systems or services, as identified in the Carrier Statement required by CALEA section 104(d), that do not have the capacity to accommodate simultaneously the number of interceptions, pen registers, and trap and trace devices set forth in the Capacity Notice(s) published in accordance with CALEA section 104.

(b) Allowable plant costs shall include:

(1) The costs of installation, inspection, and testing of the telecommunications plant, and inspection after modifications have been made; and

(2) The costs of direct supervision and office support for this work for plant costs.

(c) In the case of any modification that may be used for any purpose other than lawfully authorized electronic surveillance by a government law enforcement agency, this part permits recovery of only the incremental cost of making the modification suitable for such law enforcement purposes.

(d) Reasonable costs that are directly associated with the modifications performed by a carrier as described in §100.11(a) are recoverable. These allowable costs are limited to directly assignable and directly allocable costs incurred by the business units whose efforts are expended on the implementation of CALEA requirements.

§ 100.12 Reasonable costs.

(a) A cost is reasonable if, in its nature and amount, it does not exceed that which would be incurred by a prudent person in the conduct of competitive business. Reasonableness of specific costs must be examined with particular care in connection with the carrier or its separate divisions that may not be subject to effective competitive restraints.

(1) No presumption of reasonableness shall be attached to the incurrence of costs by a carrier.

(2) The burden of proof shall be upon the carrier to justify that such cost is reasonable under this part.

(b) Reasonableness depends upon considerations and circumstances, including, but not limited to:

(1) Whether a cost is of the type generally recognized as ordinary and necessary for the conduct of the carrier’s business or the performance of this obligation; or

(2) Whether it is a generally accepted sound business practice, arm’s-length

(bargaining or the result of Federal or State laws and/or regulations.
(c) It is the carrier’s responsibility to inform the Government of any deviation from the carrier’s established practices.

§ 100.13 Directly assignable costs.

(a) A cost is directly assignable to the CALEA compliance effort if it is a plant cost incurred specifically to meet the requirements of CALEA sections 103 and 104.

(1) A cost which has been incurred for the same purpose, in like circumstances, and which has been included in any allocable cost pool to be assigned to any final cost objective other than the CALEA compliance effort, shall not be assigned to the CALEA compliance effort (or any portion thereof).

(2) Costs identified specifically with the work performed are directly assignable costs to be charged directly to the CALEA compliance effort. All costs specifically identified with other projects, business units, or cost objectives of the carrier shall not be charged to the CALEA compliance effort, directly or indirectly.

(3) The burden of proof shall be upon the carrier to justify that such cost is an assignable cost under this part.

(b) For reasons of practicality, any directly assignable cost may be treated as a directly allocable cost if the accounting treatment is consistently applied within the carrier’s accounting system and the application produces substantially the same results as treating the cost as a directly assignable cost.

§ 100.14 Directly allocable costs.

(a) A cost is directly allocable to the CALEA compliance effort:

(1) If it is a plant cost incurred specifically to meet the requirements of CALEA sections 103 and 104; or

(2) If it benefits both the CALEA compliance effort and other work, and can be distributed to them in reasonable proportion to the benefits received.

(b) The burden of proof shall be upon the carrier to justify that such cost is an allocable cost under this part.

(c) An allocable cost shall not be assigned to the CALEA compliance effort if other costs incurred for the same purpose in like circumstances have been included as a direct cost of that, or any other, cost objective.

(d) The accumulation of allocable costs shall be as follows:

(1) Allocable costs shall be accumulated by logical cost groupings with due consideration of the reasons for incurring such costs.

(i) Each grouping should be determined so as to permit distribution of the grouping on the basis of the benefits accruing to the multiple cost objectives.

(ii) Similarly, the particular case may require subdivision of these groupings (e.g., building occupancy costs might be separable from those of personnel administration within the engineering group).

(2) Such allocation necessitates selecting a distribution base common to all cost objectives to which the grouping is to be allocated. The base should be selected so as to permit allocation of the grouping on the basis of the benefits accruing to the multiple cost objectives.

(3) When substantially the same results can be achieved through less precise methods, the number and composition of cost groupings should be governed by practical considerations and should not unduly complicate the allocation.

(4) Once a methodology for determining an appropriate base for distributing allocable costs has been agreed to, it shall not be modified without written approval of the FBI, if that modification affects the level of reimbursement from the government. All items properly includable in an allocable cost base should bear a pro rata share of allocable costs irrespective of their acceptance as reimbursable under this part.

(5) The carrier’s method of allocating allocable costs shall be in accordance with the accounting principles used by the carrier in the preparation of their externally audited financial statements and consistently applied, to the extent that the expenses are allowable under there regulations. The method may require further examination when:
§ 100.15 Disallowed costs.

(a) General and Administrative (G&A) costs are disallowed. G&A costs include, but are not limited to, any management, financial, and other expenditures which are incurred by or allocated to a business unit as a whole. These include, but are not limited to:

(1) Accounting and Finance, External Relations, Human Resources, Information Management, Legal, Procurement; and

(2) Other general administrative activities such as library services, food services, archives, and general security investigation services.

(b) Customer Service costs are disallowed. These costs include, but are not limited to, any Marketing, Sales, Product Management, and Advertising expenses.

(c) Plant costs that are not directly associated with the modifications identified in §100.11 are disallowed. These include, but are not limited to, repairing materials for reuse, performing routine work to prevent trouble; expenses related to property held for future telecommunications use; provisioning costs; network operations costs; and depreciation and amortization expenses.

(d) Costs that have already been recovered from any governmental or non-governmental entity are disallowed.

(e) Costs that cannot be either directly assigned or directly allocated are disallowed.

(f) Additional costs that are incurred due to the carrier’s failure to complete the CALEA compliance effort in the time frame agreed to by the government and the carrier are disallowed.

(g) Costs associated with modifications of any equipment, facility or service installed or deployed after January 1, 1995 which are deemed reasonably achievable by the Federal Communications Commission under section 109(b) of CALEA are disallowed.

(h) To ensure that the Government does not reimburse carriers for disallowed costs, the following provisions are included:

(1) Costs that are expressly disallowed or mutually agreed to be disallowed, including mutually agreed to be disallowed directly associated costs, shall be excluded from any billing, claim, or proposal applicable to reimbursement under CALEA. When a disallowed cost is incurred, its directly associated costs are also disallowed.

(2) Disallowed costs involved in determining rates used for standard costs, or for allocable cost proposals or billing, need be identified only at the time rates are proposed, established, revised, or adjusted. These requirements may be satisfied by any form of cost identification which is adequate for purposes of cost determination and verification.

§ 100.16 Cost estimate submission.

(a) The carrier shall provide sufficient cost data at the time of proposal submission to allow adequate analysis and evaluation of the estimated costs. The FBI reserves the right to request
additional cost data from carriers in order to ensure compliance with this part.

(b) The requirement for submission of cost data is met if, as determined by the FBI, all cost data reasonably available to the carrier are either submitted or identified in writing by the date of agreement on the costs.

(c) If cost data and information to explain the estimating process are required by the FBI and the carrier refuses to provide necessary data, or the FBI determines that the data provided are so deficient as to preclude adequate analysis and evaluation, the FBI will attempt to obtain the data and/or elicit corrective action.

(d) Instructions for submission of the cost data for the estimate are as follows:

(1) The carrier shall submit to the FBI estimated costs by line item with supporting information.

(2) A cost element breakdown as described in §100.16(h) shall be attached for each proposed line item.

(3) Supporting breakdowns shall be furnished for each cost element, consistent with the carrier’s cost accounting system.

(4) When more than one line item is proposed, summary total amounts covering all line items shall be furnished for each cost element.

(5) Depending on the carrier’s accounting system, the carrier shall provide breakdowns for the following categories of cost elements, as applicable:

(i) Materials. Provide a consolidated cost summary of individual material quantities included in the various tasks, orders, or agreement line items being proposed and the basis upon which they were developed (vendor quotes, invoice prices, etc.). Include raw materials, parts, software, components, and assemblies. For all items proposed, identify the item, source, quantity, and cost.

(ii) Direct labor. Provide a time-phased (e.g., monthly, quarterly) breakdown of labor hours, rates, and costs by appropriate category, and furnish the methodologies used in developing estimates.

(iii) Allocable direct costs. Indicate how allocable costs are computed and applied, including cost breakdowns that provide a basis for evaluating the reasonableness of proposed rates.

(iv) Subcontracting costs. For any subcontractor costs submitted for reimbursement, the carrier is responsible for ensuring that documentation requirements set forth herein are passed on to any and all subcontractors utilized in the carrier’s efforts to meet CALEA requirements.

(v) Other costs. List all other costs not otherwise included in the categories described above (e.g., special tooling, travel, computer and consultant services) and provide bases for costs.

(e) As part of the specific information required, the carrier shall submit with its cost estimate and clearly identify as such, costs that are verifiable and factual. In addition, the carrier shall submit information reasonably required to explain its estimating process, including:

(1) The judgmental factors applied, such as trends or budgetary data, and the mathematical or other methods used in the estimate, including those used in projecting from known data; and

(2) The nature and amount of any contingencies included in the proposed estimate.

(f) There is a clear distinction between submitting cost data and merely making available books, records, and other documents without identification. The requirement for submission of cost data is met when all accurate cost data reasonably available to the carrier have been submitted, either actually or by specific identification, to the FBI.

(g) In submitting its estimate, the carrier must include an index, appropriately referenced, of all the cost data and information accompanying or identified in the estimate. In addition, any future additions and/or revisions, up to the date of agreement on the costs, must be annotated in a supplemental index.

(h) Headings for submission are as follows:

(1) Total Project Cost: Summary.

(i) Cost Elements (Enter appropriate cost elements.)
§ 100.17 Request for payment.

(a) The carrier shall provide sufficient supporting documentation at the time of submission of request for payment to allow adequate analysis and evaluation of the incurred costs. The FBI reserves the right to request additional cost data from carriers in order to ensure compliance with this part.

(b) Instructions for submission of the supporting documentation for the request for payment are as follows:

(1) The carrier shall submit to the FBI incurred costs by line item with supporting information.

(2) A cost element breakdown as described in §100.17(f) shall be attached for each agreed upon line item.

(3) Supporting breakdowns shall be furnished for each cost element, consistent with the carrier’s cost accounting system.

(c) When more than one line item has been agreed upon, summary total amounts covering all line items shall be furnished for each cost element. Depending on the carrier’s accounting system, breakdowns shall be provided to the FBI for the following categories of cost elements, as applicable:

(1) Materials. Provide a consolidated cost summary of individual material quantities included in the various tasks, orders, or agreement line items and the basis upon which they were determined (vendor invoices, time sheets, payroll records, etc.). Include raw materials, parts, software, components, and assemblies. For all reimbursable items, identify the item, source, quantity, and cost.

(2) Direct labor. Provide a breakdown of labor hours, rates, and cost by appropriate category, and furnish the methodologies used in identifying these costs. Have available for audit, in accordance with §100.18, time sheet and labor rate calculation justification for all direct labor charged to the agreement.

(3) Allocable direct costs. Indicate how allocable costs are computed and applied, including cost breakdowns, comparing estimates to actual data as a basis for evaluating the reasonableness of actual costs.

(4) Subcontracting costs. For any subcontractor costs submitted for reimbursement, along with a copy of the invoice, the carrier must have available for audit in accordance with §100.18, documentation that costs incurred are just and reasonable.

(5) Other costs. List all other costs not otherwise included in the categories described above (e.g., special tooling, travel, computer and consultant services) and have available for audit in accordance with §100.18, documentation that costs incurred are just and reasonable.

(d) There is a clear distinction between submitting cost data and merely making available books, records, and other documents without identification.

(1) The requirement for submission of cost data is met when all accurate cost
data reasonably available to the carrier have been submitted, either actually or by specific identification of the data that are available for review in the carrier's files, to the FBI.

(2) Should later information which affects the level of reimbursement come into the carrier's possession, it must be promptly submitted to the FBI.

(3) The requirement for submission of cost data continues up to the time of final reimbursement.

(e) In submitting its invoice, the carrier must include an index, which cross references the actual cost data submitted with the cost estimate.

(f) Headings for submission are as follows:

(1) Total Project Cost: Summary.
   (i) Cost Elements (Enter appropriate cost elements.)
   (ii) Actual Costs Incurred—Total Cost (Enter those necessary and reasonable costs that were incurred in the efficient completion of CALEA requirements.)
   (iii) Actual Costs Incurred—Unit Cost (Enter the unit costs for each cost element.)
   (iv) Supporting Material (Identify the attachment in which the information supporting the specific cost element may be found.)

(2) Total Project Costs: Detail (at Switch Level or Project Level, as appropriate.)
   (i) Cost Elements (Enter appropriate cost elements.)
   (ii) Actual Costs Incurred—Total Cost (Enter those necessary and reasonable costs that were incurred in the efficient completion of CALEA requirements.)
   (iii) Actual Costs Incurred—Unit Cost (Enter the unit costs for each cost element.)
   (iv) Supporting Material (Identify the attachment in which the information supporting the specific cost element may be found.)

§ 100.18 Audit.

(a) General. In order to evaluate the accuracy, completeness, and timeliness of the cost data, the FBI or other representatives of the Government shall have the right to examine and audit all of the carrier's supporting materials.

(1) These materials include, but are not limited to books, records, documents, and other data, regardless of form (e.g., machine readable media such as disk, tape) or type (e.g., data bases, applications software, data base management software, utilities), including computations and projections related to proposing, negotiating, costing, or performing CALEA compliance efforts or modifications.

(2) The right of examination shall extend to all documents necessary to permit adequate evaluation of the cost data submitted, along with the computations and projections used.

(b) Audits of request for payment. The carrier shall maintain and the FBI or representatives of the Government shall have the right to examine and audit supporting materials.

(1) These materials include, but are not limited to, books, records, documents, and other evidence and accounting procedures and practices, regardless of form (e.g., machine readable media such as disk, tape) or type (e.g., date bases, applications software, data base management software, utilities), sufficient to reflect properly all costs claimed to have been incurred, or anticipated to be incurred, in performing the CALEA compliance effort.

(2) This right of examination shall include inspection at all reasonable times of the carrier's plants, or parts of them, engaged in performing the effort.

(c) Reports. If the carrier is required to furnish cost, funding, or performance reports, the FBI or representatives of the Government shall have the right to examine and audit books, records, other documents, and supporting materials, for the purpose of evaluating the effectiveness of the carrier's policies and procedures to produce data compatible with the objectives of these reports and the data reported.

(d) Availability. The carrier shall make available at its office at all reasonable times the costs and support material described herein, for examination, audit, or reproduction, until three years after final reimbursement payment. In addition,

(1) If the CALEA compliance effort is completely or partially terminated,
the records relating to the work terminated shall be made available for three (3) years after any resulting final termination settlement; and

(2) Records relating to appeals, litigation or the settlement of claims arising under or relating to the CALEA compliance effort shall be made available until such appeals, litigation, or claims are disposed of.

(e) Subcontractors. The carrier shall ensure that all terms and conditions herein are incorporated in any agreement with a subcontractor that may be utilized by the carrier to perform any or all portions of the agreement.

§ 100.19 Adjustments to agreement estimate.

(a) Adjustments prior to the incurrence of a cost. (1) In accordance with §100.17(d)(2), the carrier shall notify the FBI when any change affecting the level of reimbursement occurs.

(2) Upon such notification, if the adjustment results in an increase in the estimated reimbursement, the FBI will review the submission and determine if

(i) Funds are available;
(ii) The adjustment is justified and necessary to accomplish the goals of the agreement; and
(iii) It is in the best interest of the government to approve the expenditure.

(3) The FBI will provide the decision as to the acceptability of any increase to the carrier in writing.

(b) Adjustments after the incurrence of a cost. Any cost incurred that exceeds the provision in §100.16(e)(2) will be reviewed by the FBI to determine reasonability, allowability, and if it is in the best interest of the government to approve the expenditure for reimbursement.

(c) Reduction for defective cost data. (1) The cost shall be reduced accordingly and the agreement shall be modified to reflect the reduction if any cost estimate negotiated in connection with the CALEA compliance effort, or any cost reimbursable under the effort is increased because:

(i) The carrier or a subcontractor furnished cost data to the government that were not complete, accurate, and current;
(ii) A subcontractor or prospective subcontractor furnished the cost data to the carrier that were not complete, accurate, and current; or
(iii) Any of these parties furnished data of any description that were not accurate.

(2) Any reduction in the negotiated cost under §100.19(c)(1) due to defective data from a prospective subcontractor that was not subsequently awarded the subcontract shall be limited to the amount by which either the actual subcontract or the actual cost to the carrier, if there was no subcontract, was less than the prospective subcontract cost estimate submitted by the carrier, provided that the actual subcontract cost was not itself affected by defective cost data.

(3) If the FBI determines under §100.19(c)(1) that a cost reduction should be made, the carrier shall not raise the following matters as a defense:

(i) The carrier or subcontractor was a sole source supplier or otherwise was in a superior bargaining position and thus the costs of the agreement would not have been modified even if accurate, complete, and current cost data had been submitted;
(ii) The FBI should have known that the cost data at issue were defective even though the carrier or subcontractor took no affirmative action to bring the character of the data to the attention of the FBI;
(iii) The carrier or subcontractor did not submit accurate cost data. Except as prohibited, an offset in an amount determined appropriate by the FBI based upon the facts shall be allowed against the cost reimbursement of an agreement amount reduction if the carrier certifies to the FBI that, to the best of the carrier’s knowledge and belief, the carrier is entitled to the offset in the amount requested and the carrier proves that the cost data were available before the date of agreement on the cost of the agreement (or cost of the modification) and that the data were not submitted before such date. An offset shall not be allowed if the understated data were known by the carrier to be understated when the agreement was signed; or the Government proves that the facts demonstrate that.
the agreement amount would not have increased even if the available data had been submitted before the date of agreement on cost; or

(4) In the event of an overpayment, the carrier shall be liable to and shall pay the United States at that time such overpayment to be computed from the date(s) of overpayment to the carrier to the date the Government is repaid by the carrier at the applicable underpayment rate effective for each quarter prescribed by the Secretary of the Treasury under 26 U.S.C. 6621(a)(2).

§ 100.20 Confidentiality of trade secrets/proprietary information.

With respect to any information provided to the FBI under this part that is identified as company proprietary information, it shall be treated as privileged and confidential and only shared within the government on a need-to-know basis. It shall not be disclosed outside the government for any reason inclusive of Freedom of Information requests, without the prior written approval of the company. Information provided will be used exclusively for the implementation of CALEA. This restriction does not limit the government’s right to use the information provided if obtained from any other source without limitation.

§ 100.21 Alternative dispute resolution.

(a) If an impasse arises in negotiations between the FBI and the carrier which precludes the execution of a cooperative agreement, the FBI will consider using mediation with the goal of achieving, in a timely fashion, a consensus resolution of all outstanding issues through facilitated negotiations.

(b) Should the carrier agree to mediation, the costs of that mediation process shall be shared equally by the FBI and the carrier.

(c) Each mediation shall be governed by a separate mediation agreement prepared by the FBI and the carrier.
§ 104.1 Purpose.
This part implements the provisions of the September 11th Victim Compensation Fund of 2001, Title IV of Public Law 107–42, 115 Stat. 230 (The Transportation Safety and System Stabilization Act), as amended by the James Zadroga 9/11 Health and Compensation Act of 2010, Title II of Public Law 111–347, and as amended by the James Zadroga 9/11 Victim Compensation Fund Reauthorization Act, Division O, Title IV of Public Law 114–113 (the “Act”) to provide full compensation to eligible individuals who were physically injured (as defined herein) as a result of the terrorist-related aircraft crashes of September 11, 2001, or the rescue and recovery efforts during the immediate aftermath of such crashes or debris removal during the immediate aftermath of those crashes, and to the “personal representatives” of those who were killed as a result of the crashes or the rescue and recovery efforts during the immediate aftermath of such crashes or debris removal during the immediate aftermath of such crashes.

§ 104.3 Other definitions.

(a) Beneficiary. The term beneficiary shall mean a person to whom the Personal Representative shall distribute all or part of the award under §104.52 of this part.

(b) Dependents. The Special Master shall identify as dependents those persons so identified by the victim on his or her Federal tax return for the year prior to the year of the victim’s death (or those persons who legally could have been identified by the victim on his or her Federal tax return for the year prior to the year of the victim’s death) unless:

   (1) The claimant demonstrates that a minor child of the victim was born or adopted on or after January 1 of the year of the victim’s death;

§ 104.4 Personal Representative.

(a) In general. The Personal Representative shall be:

(1) An individual appointed by a court of competent jurisdiction as the Personal Representative of the decedent or as the executor or administrator of the decedent's will or estate.

(2) In the event that no Personal Representative or executor or administrator has been appointed by any court of competent jurisdiction, and such issue is not the subject of pending litigation or other dispute, the Special Master may, in her discretion, determine that the Personal Representative for purposes of compensation by the Fund is the person named by the decedent in the decedent's will as the executor or administrator of the decedent's estate. In the event no will exists, the Special Master may, in her discretion, determine that the Personal Representative for purposes of compensation by the Fund is the first person in the line of succession established by the laws of the decedent's domicile governing intestacy.

(b) Notice to beneficiaries. (1) Any purported Personal Representative must, before filing an Eligibility Form, provide written notice of the claim (including a designated portion of the Eligibility Form) to the immediate family of the decedent (including, but not limited to, the decedent's spouse, former spouses, children, other dependents, and parents), to the executor, administrator, and beneficiaries of the decedent's will, and to any other persons who may reasonably be expected to assert an interest in an award or to have a cause of action to recover damages relating to the wrongful death of the decedent.

(2) Personal delivery or transmission by certified mail, return receipt requested, shall be deemed sufficient notice under this provision. The claim forms shall require that the purported Personal Representative certify that such notice (or other notice that the Special Master deems appropriate) has been given. In addition, as provided in §104.21(b)(5) of this part, the Special Master may publish a list of individuals who have filed Eligibility Forms and the names of the victims for whom compensation is sought, but shall not publish the content of any such form.

(c) Objections to Personal Representatives. Objections to the authority of an individual to file as the Personal Representative of a decedent may be filed with the Special Master by parties who assert a financial interest in the award up to 30 days following the filing by the Personal Representative. If timely filed, such objections shall be treated as evidence of a “dispute” pursuant to paragraph (d) of this section.

(d) Disputes as to identity. The Special Master shall not be required to arbitrate, litigate, or otherwise resolve any dispute as to the identity of the Personal Representative. In the event of a dispute over the appropriate Personal Representative, the Special Master may suspend adjudication of the claim or, if sufficient information is provided, calculate the appropriate award and authorize payment, but place in escrow any payment until the dispute is resolved either by agreement of the disputing parties or by a court of competent jurisdiction. Alternatively, the disputing parties may agree in writing to the identity of a Personal Representative to act on their behalf, who may seek and accept payment from the Fund while the disputing parties work to settle their dispute.
§ 104.5 Foreign claims.

In the case of claims brought by or on behalf of foreign citizens, the Special Master may alter the requirements for documentation set forth herein to the extent such materials are unavailable to such foreign claimants.

§ 104.6 Amendments to this part.

All claims will be processed in accordance with the current provisions of this part.

Subpart B—Filing for Compensation

§ 104.21 Presumptively covered conditions.

(a) In general. The Special Master shall maintain and publish on the Fund’s Web site a list of presumptively covered conditions that resulted from the terrorist-related air crashes of September 11, 2001, or rescue and recovery or debris removal efforts during the immediate aftermath of such crashes. The list shall consist of the WTC-Related Physical Health Conditions that resulted from the terrorist-related air crashes of September 11, 2001 or rescue and recovery or debris removal efforts during the immediate aftermath of such crashes. The Special Master shall maintain and publish on the Fund’s Web site a list of presumptively covered conditions that resulted from the terrorist-related air crashes of September 11, 2001, or rescue and recovery or debris removal efforts during the immediate aftermath of such crashes. The list shall consist of the WTC-Related Physical Health Conditions that resulted from the terrorist-related air crashes of September 11, 2001, or rescue and recovery or debris removal efforts during the immediate aftermath of such crashes.

(b) Updates. The Special Master shall update the list of presumptively covered conditions to conform to any changes in the WTC-Related Physical Health Conditions. Claims may then be amended pursuant to §104.22(e)(ii).

(c) Conditions other than presumptively covered conditions. A claimant may also be eligible for payment under §104.51 where the claimant has at least one WTC-Related Physical Health Condition and the Special Master determines that the claimant—

(1) Has a physical injury to the body that resulted from the terrorist-related air crashes of September 11, 2001 or rescue and recovery or debris removal efforts during the immediate aftermath of such crashes or presents extraordinary circumstances; and

(2) Is otherwise eligible for payment.

(81 FR 38941, June 15, 2016, as amended at 81 FR 60620, Sept. 2, 2016)

§ 104.22 Filing for compensation.

(a) Compensation form; "filing." A compensation claim shall be deemed "filed" for purposes of section 405(b)(3) of the Act (providing that the Special Master shall issue a determination regarding the matters that were the subject of the claim not later than 120 calendar days after the date on which a claim is filed), and for any time periods in this part, when it is substantially complete.

(b) Eligibility Form. The Special Master shall develop an Eligibility Form, which may be a portion of a complete claim form, that will require the claimant to provide information necessary for determining the claimant’s eligibility to recover from the Fund.

(1) The Eligibility Form may require that the claimant certify that he or she has dismissed any pending lawsuit seeking damages as a result of the terrorist-related airplane crashes of September 11, 2001, or for damages arising from or related to debris removal (except for actions seeking collateral source benefits) no later than January 2, 2011 and that there is no pending lawsuit brought by a dependent, spouse, or beneficiary of the victim.

(2) The Special Master may require as part of the notice requirement pursuant to §104.4(b) that the Personal Representative of the deceased individual provide copies of a designated portion of the Eligibility Form to the immediate family of the decedent (including, but not limited to, the spouse, former spouses, children, other dependents, and parents), to the executor, administrator, and beneficiaries of the decedent’s will, and to any other persons who may reasonably be expected to assert an interest in an award or to have a cause of action to recover damages relating to the wrongful death of the decedent.
(3) The Eligibility Form may require claimants to provide the following proof:

(i) Proof of death: Death certificate or similar official documentation;

(ii) Proof of presence at site: Documentation sufficient to establish presence at a 9/11 crash site, which may include, without limitation, a death certificate, proof of residence, such as a lease or utility bill, records of employment or school attendance, contemporaneous medical records, contemporaneous records of federal, state, city or local government, a pay stub, official personnel roster, site credentials, an affidavit or declaration of the decedent’s or injured claimant’s employer, or other sworn statement (or unsworn statement complying with 28 U.S.C. 1746) regarding the presence of the victim;

(iii) Proof of physical harm: Certification of a conclusion by the WTC Health Program that the claimant suffers from a WTC-Related Physical Health Condition and is eligible for treatment under the WTC Health Program, or verification by the WTC Program Administrator that the claimant suffers from a WTC-Related Physical Health Condition, or other credible medical records from a licensed medical professional.

(iv) Personal Representative: Copies of relevant legal documentation, including court orders; letters testamentary or similar documentation; proof of the purported Personal Representative’s relationship to the decedent; copies of wills, trusts, or other testamentary documents; and information regarding other possible beneficiaries as requested by the Eligibility Form;

(v) Any other information that the Special Master deems necessary to determine the claimant’s eligibility.

(vi) The Special Master may ask claimants to submit certain tax returns or tax transcripts for returns that the Special Master deems appropriate for determination of an award. The Special Master may also require waivers, consents, or authorizations from claimants to obtain directly from third parties medical information, employment information, or other information that the Special Master deems relevant in determining the claimant’s eligibility or award, and may request an opportunity to review originals of documents submitted in connection with the Fund.

(vii) The Special Master may publish a list of individuals who have filed Eligibility Forms on behalf of a deceased victim and the names of the deceased victims for whom compensation is sought, but shall not publish the content of any such form.

(c) Personal Injury Compensation Form and Death Compensation Form. The Special Master shall develop a Personal Injury Compensation Form, which may be a portion of a complete claim form, that each injured claimant must submit. The Special Master shall also develop a Death Compensation Form, which may be a portion of a complete claim form, that each Personal Representative must submit. These forms shall require the claimant to provide certain information that the Special Master deems necessary to determining the amount of any award, including information concerning income, collateral sources, benefits, settlements and attorneys’ fees relating to civil actions described in section 405(c)(3)(C)(iii) of the Act, and other financial information, and shall require the claimant to state the factual basis for the amount of compensation sought. It shall also allow the claimant to submit certain other information that may be relevant, but not necessary, to the determination of the amount of any award.

(1) The Special Master may ask claimants to submit certain tax returns or tax transcripts for returns that the Special Master deems appropriate for determination of an award. The Special Master may also require waivers, consents, or authorizations from claimants to obtain directly from third parties medical information, employment information, or other information that the Special Master deems relevant to determining the amount of any award.

(2) Claimants may attach to the ‘Personal Injury Compensation Form’ or ‘Death Compensation Form’ any additional statements, documents or analyses by physicians, experts, advisors, or any other person or entity that the claimant believes may be relevant to a determination of compensation.

(d) Submission of a claim. Section 405(c)(3)(C) of the Act provides that upon the submission of a claim under the Fund, the claimant waives the
right to file a civil action (or to be a
d party to an action) in any Federal or
State court for damages sustained as a
result of the terrorist-related aircraft
crashes of September 11, 2001, or debris
removal, except for civil actions to re-
cover collateral source obligations and
civil actions against any person who is
a knowing participant in any con-
spiracy to hijack any aircraft or com-
mit any terrorist act. A claim shall be
deemed submitted for purposes of sec-
tion 405(c)(3)(C) of the Act when the
Eligibility Form is deemed filed, re-
gardless of whether any time limits are
stayed or tolled.

(e) Amendment of claims. A claimant
who has previously submitted a claim
may amend such claim to include:
(1) An injury or loss that the claim-
ant had not suffered (or did not reason-
ably know the claimant suffered) at
the time the claimant filed the pre-
vious claim;
(2) A condition that the Special Mas-
ter has identified and published in ac-
cordance with 104.21(a), since the time
the claimant filed the previous claim,
as a presumptively covered condition;
(3) An injury for which the claimant
was previously compensated by the
Fund, but only if that injury has sub-
stantially worsened, resulting in dam-
ages or loss that was not previously
compensated.

(f) Provisions of information by third
parties. Any third party having an in-
terest in a claim brought by a Personal
Representative may provide written
statements or information regarding
the Personal Representative’s claim.
The Claims Evaluator or the Special
Master or the Special Master’s des-
ignee may, at his or her discretion, in-
clude the written statements or infor-
mation as part of the claim.

Subpart C—Claim Intake, Assist-
ance, and Review Proce-
dures

§ 104.31 Procedure for claims evalua-
tion.

(a) Initial review. Claims Evaluators
shall review the forms filed by the
claimant and either deem the claim “filed” or notify the claimant of any
deficiency in the forms or any required
documents.

(b) Procedure. The Claims Evaluator
shall determine eligibility and the
claimant’s presumed award pursuant to
§§104.43 to 104.46 of this part and notify
the claimant in writing of the eligi-
bility determination, or the amount of
the presumed award as applicable, and
the right to request a hearing before
the Special Master or her designee
under §104.33 of this part. After an eli-
gible claimant has been notified of the
presumed award, within 30 days the
claimant may either accept the pre-
sumed compensation determination as
the final determination and request
payment, or may instead request a re-
view before the Special Master or her
designee pursuant to §104.33. Claimants
found to be ineligible may appeal pur-
suant to §104.32.

§ 104.32 Eligibility review.
Any claimant deemed ineligible by
the Claims Evaluator may appeal that
decision to the Special Master or her
designee by filing an eligibility appeal
within 30 days on forms created by the
office of the Special Master.

§ 104.33 Hearing.

(a) Conduct of hearings. Hearings shall
be before the Special Master or her des-
ignee. The objective of hearings shall
be to permit the claimant to present
information or evidence that the
claimant believes is necessary to a full
understanding of the claim. The claim-
ant may request that the Special Mas-
ter or her designee review any evidence
relevant to the determination of the
award, including without limitation:
The nature and extent of the claim-
ant’s injury; evidence of the claimant’s
presence at a 9/11 crash site; factors
and variables used in calculating eco-

onomic loss; the identity of the victim’s
spouse and dependents; the financial
needs of the claimant, facts affecting
noneconomic loss; and any factual or
legal arguments that the claimant con-
tends should affect the award. Claim-
ants shall be entitled to submit any
§ 104.34 Publication of awards.

The Special Master reserves the right to publicize the amounts of some or all of the awards, but shall not publish the name of the claimants or victims that received each award. If published, these decisions would be intended by the Special Master as general guides for potential claimants and should not be viewed as precedent binding on the Special Master or her staff.

§ 104.35 Claims deemed abandoned by claimants.

The Special Master and her staff will endeavor to evaluate promptly any information submitted by claimants. Nonetheless, it is the responsibility of the claimant to keep the Special Master informed of his or her current address and to respond within the duration of this program to requests for additional information. Claims outstanding because of a claimant’s failure to complete his or her filings shall be deemed abandoned.

Subpart D—Amount of Compensation for Eligible Claimants

§ 104.41 Amount of compensation.

As provided in section 405(b)(1)(B)(ii) of the Act, in determining the amount of compensation to which a claimant is entitled, the Special Master shall take into consideration the harm to the claimant, the facts of the claim, and the individual circumstances of the claimant. The individual circumstances of the claimant may include the financial needs or financial resources of the claimant or the victim’s dependents and beneficiaries. As provided in section 405(b)(6) of the Act, the Special Master shall reduce the amount of collateral source compensation the claimant (or, in the case of a Personal Representative, the victim’s beneficiaries) has received or is entitled to receive as a result of the terrorist-related aircraft crashes of September 11, 2001. In no event shall a Group B claim receive an amount of compensation determined by the Special Master or her staff.
compensation that is greater than the amount of loss determined pursuant to these regulations less the amount of any collateral source compensation that the claimant has received or is entitled to receive for such claim as a result of the terrorist related aircraft crashes of September 11, 2001 for the Group B claim.

§ 104.42 Applicable state law.

The phrase “to the extent recovery for such loss is allowed under applicable state law,” as used in the statute’s definition of economic loss in section 402(5) of the Act, is interpreted to mean that the Special Master is not permitted to compensate claimants for those categories or types of economic losses that would not be compensable under the law of the state that would be applicable to any tort claims brought by or on behalf of the victim.

§ 104.43 Determination of presumed economic loss for decedents.

In reaching presumed determinations for economic loss for Personal Representatives bringing claims on behalf of eligible decedents, the Special Master shall consider sums corresponding to the following:

(a) Loss of earnings or other benefits related to employment. The Special Master, as part of the process of reaching a “determination” pursuant to section 405(b) of the Act, has developed a methodology and may publish updated schedules, tables, or charts that will permit prospective claimants to estimate determinations of loss of earnings or other benefits related to employment based upon individual circumstances of the deceased victim, including: The age of the decedent as of the date of death; the number of dependents who survive the decedent; whether the decedent is survived by a spouse; and the amount and nature of the decedent’s income for recent years. The decedent’s salary/income in the three years preceding the year of death (or for other years the Special Master deems relevant) shall be evaluated in a manner that the Special Master deems appropriate. The Special Master may, if she deems appropriate, take an average of income figures for the three years preceding the year of death, and may also consider income for other periods that she deems appropriate, including published pay scales for victims who were government or military employees. In computing any loss of earnings due to physical harm as defined herein the Special Master shall, for each year for which any loss of earnings or other benefits related to employment is computed, limit the annual past or projected future gross income of the decedent to an amount that is not greater than $200,000. For purposes of the computation of loss of earnings, annual gross income shall have the meaning given such term in section 61 of the Internal Revenue Code of 1986. In cases where the victim was a minor child, the Special Master may assume an average income for the child commensurate with the average income of all wage earners in the United States. For victims who were members of the armed services or government employees such as firefighters or police officers, the Special Master may consider all forms of compensation (or pay) to which the victim was entitled. For example, military service members’ and uniformed service members’ compensation includes all of the various components of compensation, including, but not limited to, basic pay (BPY), basic allowance for housing (BAH), basic allowance for subsistence (BAS), federal income tax advantage (TAD), overtime bonuses, differential pay, and longevity pay.

(b) Medical expense loss. This loss equals the documented past out-of-pocket medical expenses that were incurred as a result of the eligible physical harm suffered by the decedent (i.e., those medical expenses that were not paid for or reimbursed through health insurance or other programs). This loss shall be calculated on a case-by-case basis, using documentation and other information submitted by the Personal Representative. The Special Master shall not consider any future medical expense loss.

(c) Replacement services loss. For decedents who did not have any prior earned income, or who worked only part-time outside the home, economic loss may be determined with reference to replacement services and similar measures.
§ 104.44 Determination of presumed noneconomic losses for death for claims on behalf of decedents.

The presumed non-economic losses for an eligible death shall be $250,000 plus an additional $100,000 for the spouse and each dependent of the deceased victim. Such presumed losses include a noneconomic component of replacement services loss.

§ 104.45 Determination of presumed economic loss for injured claimants.

In reaching presumed determinations for economic loss for claimants who suffered an eligible physical harm (but did not die), the Special Master shall consider sums corresponding to the following:

(a) Loss of earnings or other benefits related to employment. The Special Master may determine the loss of earnings or other benefits related to employment on a case-by-case basis, using documentation and other information submitted by the claimant, regarding the actual amount of work that the claimant has missed or will miss without compensation. Alternatively, the Special Master may determine the loss of earnings or other benefits related to employment by relying upon the methodology created pursuant to §104.43(a) and adjusting the loss based upon the extent of the victim's physical harm. In determining or computing any loss of earnings due to eligible physical harm, the Special Master shall, for each year of any past or projected future loss of earnings or other benefits related to employment, limit the annual gross income of the claimant to an amount that is not greater than $200,000. For purposes of the computation of loss of earnings, annual gross income shall have the meaning given such term in section 61 of the Internal Revenue Code of 1986.

(b) Medical Expense Loss. This loss equals the documented past out-of-pocket medical expenses that were incurred as a result of the physical harm suffered by the victim (i.e., those medical expenses that were not paid for or reimbursed through health insurance or other programs). The Special Master shall not consider any future medical expense loss.

(c) Replacement Services. For claimants who suffer physical harm and did not have any prior earned income or who worked only part time outside the home, economic loss may be determined with reference to replacement services and similar measures.

(d) Loss of business or employment opportunities. Such losses shall be addressed through the procedure outlined above in paragraph (a) of this section.

(e) Determination of Noneconomic Loss for Claimants Who Have a WTC-Related Physical Condition and Who Are Found...
Eligible for Economic Loss. The Special Master shall determine the appropriate noneconomic loss for such claimants in accordance with the provisions of §104.46, taking into account the extent of disability, and may consider whether the claimant has multiple WTC-Related Physical Health Conditions that contribute to the disability.

§ 104.46 Determination of presumed noneconomic losses for injured claimants

The Special Master may determine the presumed noneconomic losses for claimants who suffered physical harm (but did not die) by relying upon the noneconomic losses described in §104.44 and adjusting the losses based upon the extent of the victim's physical harm. The presumed noneconomic loss for a claim based on any single type of cancer shall not exceed $250,000 and the presumed noneconomic loss for a claim based on any single type of non-cancer condition shall not exceed $90,000. Such presumed losses include any non-economic component of replacement services loss. The Special Master has discretion to consider the effect of multiple cancer conditions or multiple cancer and non-cancer conditions in computing the total noneconomic loss.

§ 104.47 Collateral sources.

(a) Payments that constitute collateral source compensation. The amount of compensation shall be reduced by all collateral source compensation the claimant has received or is entitled to receive as a result of the terrorist-related aircraft crashes of September 11, 2001, or debris removal in the immediate aftermath, including life insurance, pension plans, death benefits programs, payments by Federal, State, or local governments related to the terrorist-related aircraft crashes of September 11, 2001, or debris removal and payments made pursuant to the settlement of a civil action as described in section 405(c)(3)(C)(iii) of the Act. In determining the appropriate collateral source offset for future benefit payments, the Special Master may determine that funds provided to victims or their families through a privately funded charitable entity constitute, in substance, a payment described in paragraph (a) of this section.

(b) Payments that do not constitute collateral source compensation. The following payments received by claimants do not constitute collateral source compensation:

(1) The value of services or in-kind charitable gifts such as provision of emergency housing, food, or clothing;

(2) Charitable donations distributed to the beneficiaries of the decedent, to the injured claimant, or to the beneficiaries of the injured claimant by privately funded charitable entities; provided however, that the Special Master may determine that funds provided to victims or their families through a privately funded charitable entity constitute, in substance, a payment described in paragraph (a) of this section.

(3) Tax benefits received from the Federal government as a result of the enactment of the Victims of Terrorism Tax Relief Act.
§ 104.52 Distribution of award to decedent’s beneficiaries.

The Personal Representative shall distribute the award in a manner consistent with the law of the decedent’s domicile or any applicable rulings made by a court of competent jurisdiction. The Special Master may require the Personal Representative to provide to the Special Master a plan for distribution of any award received from the Fund before payment is authorized. Notwithstanding any other provision of these regulations or any other provision of state law, in the event that the Special Master concludes that the Personal Representative’s plan for distribution does not appropriately compensate the victim’s spouse, children, or other relatives, the Special Master may direct the Personal Representative to distribute all or part of the award to such spouse, children, or other relatives.

§ 104.61 Limitation on civil actions.

(a) General. Section 405(c)(3)(C) of the Act provides that upon the submission of a claim under the Fund, the claimant waives the right to file a civil action (or be a party to an action) in any Federal or State court for damages sustained as a result of the terrorist-related aircraft crashes of September 11, 2001, or for damages arising from or related to debris removal, except that this limitation does not apply to recover collateral source obligations, or to a civil action against any person who is a knowing participant in any conspiracy to hijack any aircraft or commit any terrorist act. The Special Master shall take appropriate steps to inform potential claimants of section 405(c)(3)(C) of the Act.

(b) Pending actions. Claimants who have filed a civil action or who are a party to such an action as described in paragraph (a) of this section may not file a claim with the Special Master unless they withdraw from such action not later than January 2, 2012.

(c) Settled actions. In the case of an individual who settled a civil action described in Section 405(c)(3)(C) of the Act, such individual may not submit a claim under this title unless such action was commenced after December 22, 2003, and a release of all claims in such action was tendered prior to January 2, 2011.

§ 104.62 Time limit on filing claims.

(a) In general. Group B claims. Group B claims that were not submitted to
the Victim Compensation Fund on or before December 17, 2015 may be filed by an individual (or by a personal representative on behalf of a deceased individual) during the period beginning on June 15, 2016, and ending on December 18, 2020. Notwithstanding the above, an individual who intends to file a Group B claim must register with the Victim Compensation Fund in accordance with the following:

1. In the case that the individual knew (or reasonably should have known) before October 3, 2011, that the individual suffered a physical harm or died as a result of the terrorist-related aircraft crashes of September 11, 2001, or as a result of debris removal, and is eligible to file a claim under this part as of October 3, 2011, the individual or representative of such individual as appropriate may file a claim not later than October 3, 2013.

2. In the case that the individual first knew (or reasonably should have known) on or after October 3, 2011, that the individual suffered a physical harm or died or in the case that the individual became eligible to file a claim under this part on or after that date, the individual or representative of such individual as appropriate may file a claim not later than the last day of the 2-year period beginning on the date that the individual or representative first knew (or should have known) that the individual both suffered from such harm and was eligible to file a claim under this title, but in no event beyond December 18, 2020.

The Special Master shall implement procedures to:

1. Verify, authenticate, and audit claims;
2. Analyze claim submissions to detect inconsistencies, irregularities, duplication, and multiple claimants; and
3. Ensure the quality control of claims review procedures.

The Special Master shall institute periodic quality control audits designed to evaluate the accuracy of submissions and the accuracy of payments, subject to the oversight of the Inspector General of the Department of Justice.

The Special Master shall refer all evidence of false or fraudulent claims to appropriate law enforcement authorities.

§ 104.81 Limitation on attorney fees.

(a) In general—(1) In general. Notwithstanding any contract, the representative of an individual may not charge, for services rendered in connection with the claim of an individual under this title, including expenses routinely incurred in the course of providing legal services, more than 10 percent of an award paid under this title on such claim. Expenses incurred in connection with the claim of an individual in this title other than those that are routinely incurred in the course of providing legal services may be charged to a claimant only if they have been approved by the Special Master.
(2) Certification. In the case of any claim in connection with which services covered by this section were rendered, the representative shall certify his or her compliance with this section and shall provide such information as the Special Master requires to ensure such compliance.

(b) Limitation—(1) In general. Except as provided in paragraph (b)(2) of this section, in the case of an individual who was charged a legal fee in connection with the settlement of a civil action described in section 405(c)(3)(C)(iii) of the Act, the representative who charged such legal fee may not charge any amount for compensation for services rendered in connection with a claim filed by or on behalf of that individual under this title.

(2) Exception. If the legal fee charged in connection with the settlement of a civil action described in section 405(c)(3)(C)(iii) of the Act of an individual is less than 10 percent of the aggregate amount of compensation awarded to such individual through such settlement, the representative who charged such legal fee to that individual may charge an amount for compensation for services rendered to the extent that such amount charged is not more than Ten (10) percent of such aggregate amount through the settlement, minus the total amount of all legal fees charged for services rendered in connection with such settlement.

(c) Discretion to lower fee. In the event that the Special Master finds that the fee limit set by paragraph (a) or (b) of this section provides excessive compensation for services rendered in connection with such claim, the Special Master may, in the discretion of the Special Master, award as reasonable compensation for services rendered an amount lesser than that permitted for in paragraph (a) of this section.

PART 105—CRIMINAL HISTORY BACKGROUND CHECKS

Subpart A [Reserved]

Subpart B—Aviation Training for Aliens and Other Designated Individuals

§ 105.10 Definitions, purpose, and scope.

(a) Definitions. 
ATSA means the Aviation and Transportation Security Act, Public Law 107–71.
Candidate means any person who is an alien as defined in section 101(a)(3) of the Immigration and Nationality Act, 8 U.S.C. 1101(a)(3), or a person specified by the Under Secretary of Transportation for Security, who seeks training in the operation of an aircraft with a maximum certificated takeoff weight of 12,500 pounds or more from a Provider.
Certificate with ratings recognized by the United States means a valid pilot or flight engineer certificate with ratings issued by the United States, or a valid foreign pilot or flight engineer license issued by a member of the Assembly of the International Civil Aviation Organization, as established by Article 43 of the Convention on International Civil Aviation.
Notification means providing the information required under this regulation in the format and manner specified.
Provider means a person or entity subject to regulation under Title 49 Subtitle VII, Part A, United States Code. This definition includes individual training providers, training centers, certificated carriers, and flight schools. Virtually all private providers of instruction in the operation of aircraft with a maximum certificated takeoff weight of 12,500 pounds or more are covered by section 113 of ATSA (49 U.S.C. 44939) and are therefore subject to this rule. Providers located in countries other than the United States are included in this definition to the extent that they are providing training leading to a United States license, certification, or rating. Providers who “dry-lease” simulator equipment to individuals or entities for use within the United States are deemed to be providing the training themselves if the lessee is not subject to regulation under Title 49. Providers located in countries other than the United States who are providing training that does not lead to a United States pilot or flight engineer certification, or rating are not included in this definition. When the Department of Defense or the U.S. Coast Guard, or an entity providing training pursuant to a contract with the Department of Defense or the U.S. Coast Guard (including a subcontractor), provides training for a military purpose, such training is not subject to Federal Aviation Administration (FAA) regulation. Accordingly, these entities, when providing such training, are not “person[s] subject to regulation under this part” within the meaning of section 113 of ATSA.

Training means any instruction in the operation of an aircraft, including “ground school,” flight simulator, and in-flight training. It does not include the provision of training manuals or other materials, and does not include mechanical training that would not enable the trainee to operate the aircraft in flight.

(b) Purpose and scope. (1) Section 113 of ATSA (49 U.S.C. 44939) prohibits Providers from furnishing candidates with training in the operation of an aircraft with a maximum certificated takeoff weight of 12,500 pounds or more without the prior notification of the Attorney General. Training in the operation of smaller aircraft is considered to be training in the operation of an aircraft with a maximum certificated takeoff weight of 12,500 pounds or more if the training would lead to a type rating allowing the candidate to operate a model of the same or substantially similar type of aircraft with a maximum certificated takeoff weight of 12,500 pounds or more in accordance with FAA regulations. The purpose of this notification is to allow the Attorney General to determine whether such an individual presents a risk to aviation or national security before training may begin. The Department believes that it is not required to make a candidate wait for 45 days in order to begin training if the Department has completed its risk assessment. Therefore, after providing the required notification to the Attorney General as described in this subpart, the Provider may begin instruction of a candidate if the Attorney General has informed the Provider that the Attorney General has determined as a result of the risk assessment conducted pursuant to section 113 of ATSA that providing the training does not present a risk to aviation or national security. If the Attorney General does not provide either an authorization to proceed with training or a notice to deny training within 45 days after receiving the required notification, the Provider may commence training at that time. All candidates who are not citizens or nationals of the U.S. must show a valid passport establishing their identity to a Provider before commencing training.

(2) The Department may, at any time, require the resubmission of all or a portion of a candidate’s training request, including fingerprints. If, after approving any training application, the Department determines that a candidate presents a risk to aviation or national security, it will notify the Provider to cease training. The Provider who submitted the candidate’s identifying information will be responsible for ensuring that the training is promptly halted, regardless of whether another Provider is currently training the candidate.

(3) Providing false information or otherwise failing to comply with section 113 of ATSA may present a threat
§ 105.11 Individuals not requiring a security risk assessment.

(a) Citizens and nationals of the United States. A citizen or national of the United States is not subject to section 113 of ATSA unless otherwise designated by the Under Secretary of Transportation for Security. A Provider must determine whether a prospective trainee is a citizen or national of the United States prior to providing training in the operation of an aircraft with a maximum certificated takeoff weight of 12,500 pounds or more. To establish United States citizenship or nationality, the prospective trainee must show the Provider from whom he or she seeks training any of the following documents as proof of United States citizenship or nationality:

(1) A valid, unexpired United States passport;

(2) An original or government-issued certified birth certificate with a registrar’s raised, embossed, impressed or multicolored seal, registrar’s signature, and the date the certificate was filed with the registrar’s office, which must be within 1 year of birth, together with a government-issued picture identification of the individual named in the birth certificate (the birth certificate must establish that the person was born in the United States or in an outlying possession, as defined in section 101(a)(29) of the Immigration and Nationality Act (8 U.S.C. 1101(a)(29)));

(3) An original United States naturalization certificate with raised seal, INS Form N-550 or INS Form N-570, together with a government-issued picture identification of the individual named in the certificate;

(4) An original certification of birth abroad with raised seal, Department of State Form FS-545 or Form DS-1350, together with a government-issued picture identification of the individual named in the certificate;

(5) An original certificate of United States citizenship with raised seal, INS Form N-560 or Form N-561, together with a government-issued picture identification of the individual named in the certificate; or

(6) In the case of training provided to a federal employee (including military personnel) pursuant to a contract between a federal agency and a Provider, the agency’s written certification as to its employee’s United States citizenship/nationality, together with the employee’s government-issued credentials or other federally-issued picture identification.

(b) Exception. Notwithstanding paragraph (a) of this section, a Provider is required to provide notification to the Attorney General with respect to any individual specified by the Under Secretary of Transportation for Security. Individuals specified by the Under Secretary of Transportation for Security will be identified by procedures developed by the Department of Transportation and are not eligible for expedited processing under §105.12 of this part.

§ 105.12 Notification for candidates eligible for expedited processing.

(a) Expedited processing. The Attorney General has determined that providing aviation training to certain categories of candidates presents a minimal additional risk to aviation or national security because of the aviation training already possessed by these individuals
or because of risk assessments conducted by other agencies. Therefore, the following categories of candidates are eligible for expedited processing, unless the candidate is an individual specified by the Under Secretary of Transportation for Security:

1. Foreign nationals who are current and qualified as pilot in command, second in command, or flight engineer with respective certificates with ratings recognized by the FAA for aircraft with a maximum certified takeoff weight of over 12,500 pounds, or who are currently employed and qualified by U.S. regulated air carriers as pilots on aircraft with a maximum certified takeoff weight of 12,500 pounds or more;

2. Foreign nationals who are commercial, governmental, corporate, or military pilots of aircraft with a maximum certified takeoff weight of 12,500 pounds or more who are receiving training on a particular aircraft in connection with the sale of that aircraft, provided that the training provided is limited to familiarization (i.e., training required by one who is already a competent pilot to become proficient in configurations and variations of a new aircraft) and not initial qualification or type rating; or

3. Foreign military or law enforcement personnel who must receive training on a particular aircraft given by the United States to a foreign government pursuant to a draw-down authorized by the President under section 506(a)(2) of the Foreign Assistance Act of 1961, as amended (22 U.S.C. 2318(a)(2)), if the training provided is limited to familiarization.

(b) Notification. Before a Provider may conduct training for a candidate eligible for expedited processing under paragraph (a) of this section, the Provider must submit the following information to the Department:

1. The full name of the candidate;
2. A unique student identification number created by the Provider as a means of identifying records concerning the candidate;
3. Date of birth;
4. Country of citizenship;
5. Passport issuing authority;
6. Dates of training; and
7. The category of expedited processing under paragraph (a) of this section for which the candidate qualifies.

(c) Commencement of training. (1) The notification must be provided electronically to the Department by the Provider in the specific format and by the specific means identified by the Department. Notification must be made by electronic mail. Only notifications sent from an electronic mail address registered as a Provider will be accepted. Specific details about the mechanism for the notification will be made available by the Department and distributed through the FAA.

(2) After the complete notification is furnished to the Department, the Provider may commence training the candidate as soon as the Provider receives a response from the Department that the individual does not present a risk to aviation or national security as a result of the risk assessment conducted pursuant to section 113 of ATSA and the foreign national candidate presents a valid passport establishing his or her identity to the Provider. Receipt of this response from the Department will be deemed approval by the Department to commence training.

(d) Records. When a Provider conducts training for a candidate eligible for expedited processing, the Provider must retain a copy of the relevant pages of the passport and other records to document how the Provider made the determination that the candidate was eligible. The Provider also must retain certain identifying records regarding the candidate, including date of birth, place of birth, passport issuing authority, and passport number. The Provider must be able to reference these records by the unique student identification number provided to the Department pursuant to this section. Providers also are encouraged to maintain photographs of all candidates trained by the Provider. Such records must be maintained for at least three years following the conclusion of training by the Provider. The Provider must also be able to use the unique student identification number to cross-reference any other documentation that the FAA may require the Provider to retain regarding the candidate.
§ 105.13 Notification for candidates not eligible for expedited processing.

(a) A Provider must submit a complete Flight Training Candidate Checks Program (FTCCP) form and arrange for the submission of fingerprints to the Department in accordance with this section prior to providing flight training, except with respect to persons whom the Provider has determined, as provided in §105.11 of this part, are not subject to a security risk assessment. A separate FTCCP form must be submitted for each course or instance of training requested by a candidate. A set of fingerprints must be submitted in accordance with this rule prior to the commencement of any training. Where a Provider enlists the assistance of another Provider in training a candidate, no additional request need be submitted, as long as the specific instance of training has been approved.

(b) The completed FTCCP form must be sent to the Attorney General via electronic submission at https://www.flightschoolcandidates.gov. The form must be submitted no more than three months prior to the proposed training dates. No paper submissions of this form will be accepted.

(1) In order to ensure that such electronic submissions are made by FAA certificated training providers, Providers must receive initial access to the system through the FAA. Providers should register through their local FAA Flight Standards District Offices. The FAA has decided that registration will be only by appointment. Upon registration, Providers will be sent (via electronic mail) an access password to use the system.

(2) Candidates may complete the online FTCCP form at https://www.flightschoolcandidates.gov to reduce the burden on the Provider. After the form has been completed by a candidate, it will be forwarded electronically to the Provider for verification that the candidate is a bona fide applicant. Verification by the Provider will be considered submission of the form for purposes of paragraph (a) of this section. To reduce the burden on the candidates, personal information needs only to be updated, rather than reentered, for each subsequent training request.

(c) Candidates must submit fingerprints to the Federal Bureau of Investigation (FBI) as part of the identification process. These fingerprints must be taken by, or under the supervision of, a federal, state, or local law enforcement agency, or by another entity approved by the Director of the Foreign Terrorist Tracking Task Force, in consultation with the FBI’s Criminal Justice Information Services Division. Where available, fingerprints may be taken by U.S. government personnel at a United States embassy or consulate. Law enforcement agencies and U.S. diplomatic installations are not required to participate in this process, but their cooperation is strongly encouraged. Any individual taking fingerprints as part of the notification process must comply with the following requirements when taking and processing fingerprints to ensure the integrity of the process:

(1) Candidates must provide two forms of identification at the time of fingerprinting. In the case of aliens, one of the forms of identification must be the individual’s passport. In the case of United States citizens or nationals designated by the Under Secretary of Transportation for Security, a valid photo driver’s license issued in the United States may be submitted in lieu of a passport;

(2) The fingerprints must be taken under the direct observation of a law enforcement or consular officer, or another specifically authorized individual. Individuals other than law enforcement or consular officers will only be approved on a case-by-case basis by the Director of the Foreign Terrorist Tracking Task Force, in consultation with the FBI’s Criminal Justice Information Services Division, upon a showing that they possess the necessary training and will ensure the integrity of the fingerprinting process;

(3) The fingerprints must be processed by means approved by the Director of the Foreign Terrorist Tracking Task Force, in consultation with the FBI’s Criminal Justice Information Services Division;

(4) The fingerprint submissions must be forwarded to the FBI in the manner specified by the Director of the Foreign
Terrorist Tracking Task Force, in consultation with the FBI’s Criminal Justice Information Services Division;

(5) Officials taking fingerprints must ensure that any fingerprints provided to the FBI are not placed within the control of the candidate or the Provider at any time; and

(6) Candidates must pay for all costs associated with taking and processing their fingerprints.

(d) In accordance with Public Law 101–515, as amended, the Director of the FBI is authorized to establish and collect fees to process fingerprint identification records and name checks for certain purposes, including non-criminal justice and licensing purposes. In addition to the cost to the FBI for conducting its review, other fees may be imposed, including the cost of taking the fingerprints and the cost of processing the fingerprints and submitting them to the FBI for review. Because the total fee may vary by agency, the candidate must check with the entity taking the fingerprints to determine the applicable total fee. This payment must be made at the designated rate for each set of fingerprints submitted.

(e) In some cases, candidates seeking training from Providers abroad may be unable to obtain fingerprints. If a Provider located in a country other than the United States can demonstrate that compliance with the fingerprint requirement is not practicable, a temporary waiver of the requirement may be requested by contacting the Foreign Terrorist Tracking Task Force. The Director of the Foreign Terrorist Tracking Task Force will have the discretion to grant the waiver, deny the waiver, or prescribe a reasonable, alternative manner of complying with the fingerprint requirement for each Provider location.

(f) The 45-day review period by the Department will not start until all the required information has been submitted, including fingerprints.

§ 105.14 Risk assessment for candidates.

(a) It is the responsibility of the Department of Justice to conduct a risk assessment for each candidate. The Department has made an initial determination that providing training to the aliens in the categories set forth in §105.12(a) of this part presents minimal additional risk to aviation or national security and therefore has established an expedited processing procedure for these aliens. Based on the information contained in each PTCCP form and the corresponding set of fingerprints, the Department will determine whether a candidate not granted expedited processing presents a risk to aviation or national security.

(b) After submission of the PTCCP form by the Provider, the Department will perform a preliminary risk assessment.

(1) If the Department determines that a candidate does not present a risk to aviation or national security as a result of the preliminary risk assessment, the candidate or the Provider will be notified electronically that training is prohibited.

(2) If the Department determines that the candidate presents a risk to aviation or national security, when appropriate, it will notify the Provider electronically that training is prohibited.

(3) For each complete training request submitted by a Provider, the Department will promptly conduct an appropriate risk assessment. Every effort will be made to respond to a training request in the briefest time possible. In routine cases, the Department anticipates granting approval to train within a fraction of the 45-day notification period after receiving a complete, properly submitted request, including fingerprints. In the unlikely event that no notification or authorization by the Department has occurred within 45 days after the proper submission under these regulations of all the required information, the Provider may proceed with the training, upon establishing the candidate’s identity in accordance with paragraph (c) of this section.

(c) Providers must ascertain the identity of each candidate. For candidates who are not citizens or nationals of the United States designated by the Under Secretary of Transportation for Security, a Provider must inspect
the candidate’s passport and visa to verify the candidate’s identity before providing training. Candidates who are citizens or nationals of the United States must present the documentation described in §105.11(a) of this part. If the candidate’s identity cannot be verified, then the Provider cannot proceed with training.

(d) If, at any time after training has begun, the Department determines that a candidate subject to this section being trained by a Provider presents a risk to aviation or national security, the Department shall notify the Provider to cease training. A Provider so notified shall immediately cease providing any training to the person, regardless of whether or in what manner such training commenced or had been authorized. The Provider who submitted the candidate’s identifying information will be responsible for ensuring that the training is promptly halted, regardless of whether another Provider is currently training the candidate.

(e) With regard to any determination as to an alien candidate’s eligibility for training, when appropriate, the Department will inform the Secretary of State and the Secretary of Homeland Security as to the identity of the alien and the determination made.

Subpart C—Private Security Officer Employment

SOURCE: Order No. 2796–2006, 71 FR 1693, Jan. 11, 2006, unless otherwise noted.

§ 105.21 Purpose and authority.

(a) The purpose of this subpart is to regulate the exchange of criminal history record information (“CHRI”), as defined in 28 CFR 20.3(d), and related information authorized by Section 6402 (The Private Security Officer Employment Authorization Act of 2004) (Act) of Public Law 108–458 (The Intelligence Reform and Terrorism Prevention Act of 2004). Section 6402 authorizes a fingerprint-based criminal history check of state and national criminal history records to screen prospective and current private security officers, and section 6402(d)(2) requires the Attorney General to publish regulations to provide for the “security, confidentiality, accuracy, use, submission, dissemination, destruction of information and audits, and record keeping” of the CHRI and related information, standards for qualifying an authorized employer, and the imposition of fees.

(b) The regulations in this subpart do not displace state licensing requirements for private security officers. A State retains the right to impose its own licensing requirements upon this industry.

§ 105.22 Definitions.

As used in this subpart:

(a) Authorized employer means any person that employs private security officers and is authorized by the regulations in this subpart to request a criminal history record information search of an employee through a state identification bureau. An employer is not authorized within the meaning of these regulations if it has not executed and submitted to the appropriate state agency the certification required in §105.25(g), if its authority to do business in a State has been suspended or revoked pursuant to state law, or, in those states that regulate private security officers, the employer has been found to be out of compliance with any mandatory standards or requirements established by the appropriate regulatory agency or entity.

(b) Employee means both a current employee and an applicant for employment as a private security officer.

(c) Charged, with respect to a criminal felony, means being subject to a complaint, indictment, or information.

(d) Felony means a crime punishable by imprisonment for more than one year, regardless of the period of imprisonment actually imposed.

(e) Participating State means a State that has not elected to opt out of participating in the Act by statutory enactment or gubernatorial order. A State may decline to participate in the background check system authorized by the Act by enacting a law or issuing an order by the Governor (if consistent with state law) providing that the State is declining to participate. The regulations in this subpart that pertain
Department of Justice

§ 105.23 Procedure for requesting criminal history record check.

These procedures only apply to participating states. An authorized employer may obtain a state and national criminal history record check as authorized by section 6402 of Public Law 105–458 as follows:

(a) An authorized employer is required to execute a certification to the State, developed by the SIB or the relevant state agency for purposes of accepting requests for these background checks, declaring that it is an authorized employer that employs private security officers; that all fingerprints and requests for criminal history background checks are being submitted for private security officers; that it will use the information obtained as a result of the state and national criminal history record checks solely for the purpose of screening its private security officers; that it will abide by other regulatory obligations. To help ensure that only legitimate use is made of this authority, the certification shall be executed under penalties of perjury, false statement, or other applicable state laws.

(b) An authorized employer must obtain a set of fingerprints and the written consent of its employee to submit those prints for a state and national criminal history record check. An authorized employer must submit the fingerprints and appropriate state and federal fees to the SIB in the manner specified by the SIB.

(c) Upon receipt of an employee’s fingerprints, the SIB shall perform a fingerprint-based search of its criminal records. If no relevant criminal record is found, the SIB shall submit the fingerprints to the FBI for a national search.

(d) Upon the conclusion of the national search, the FBI will disseminate the results to the SIB.

(e) Based upon the results of the state check and, if necessary, the national check:

(1) If the State has standards for qualifying a private security officer, the SIB or other designated state agency shall apply those standards to the CHRI and notify the authorized employer of the results of the application of the state standards; or

(2) If the State does not have standards for qualifying a private security officer, the SIB or other designated state agency shall notify an authorized employer of the results of the application of the state standards.
§ 105.24 Employee’s rights.

An employee is entitled to:

(a) Obtain a copy from the authorized employer of any information concerning the employee provided under these regulations to the authorized employer by the participating State;

(b) Determine the status of his or her CHRI by contacting the SIB or other state agency providing information to the authorized employer; and

(c) Challenge the CHRI by contacting the agency originating the record or complying with the procedures contained in 28 CFR 16.34.

§ 105.25 Authorized employer’s responsibilities.

An authorized employer is responsible for:

(a) Executing and providing to the appropriate state agency the certification to the State required under §105.23(a) before a State can accept requests on private security guard employees;

(b) Obtaining the written consent of an employee to submit the employee’s fingerprints for purposes of a CHRI check as described herein;

(c) Submitting an employee’s fingerprints and appropriate state and federal fees to the SIB not later than one year after the date the employee’s consent is obtained;

(d) Retaining an employee’s written consent to submit his fingerprints for a criminal history record check for a period of no less than three years from the date the consent was last used to request a CHRI check;

(e) Upon request, providing an employee with confidential access to and a copy of the information provided to the employer by the SIB; and

(f) Maintaining the confidentiality and security of the information contained in a participating State’s notification by:

(1) Storing the information in a secure container located in a limited access office or space;

(2) Limiting access to the information strictly to personnel involved in the employer’s personnel and administration functions; and

(3) Establishing internal rules on the handling and dissemination of such information and training personnel with such access on such rules, on the need to safeguard and control the information, and on the consequences of failing to abide by such rules.

§ 105.26 State agency’s responsibilities.

(a) Each State will determine whether it will opt out of participation by statutory enactment or gubernatorial order and communicating such determination to the Attorney General. Failure to inform the Attorney General of the determination will result in a State being considered a participating State.

(b) Each participating State is responsible for:

(1) Determining whether to establish a fee to perform a check of state criminal history records and related fees for administering the Act;

(2) Developing a certification form for execution by authorized employers under §105.25(a) and receiving authorized employers’ certifications;
(3) Receiving the fingerprint submissions and fees from the authorized employer; performing a check of state criminal history records; if necessary, transmitting the fingerprints to the FBI; remitting the FBI fees consistent with established interagency agreements; and receiving the results of the FBI check;

(4) Applying the relevant standards to any CHRI returned by the fingerprint check and notifying the authorized employer of the results of the application of the standards as required under §105.23(e);

(5) Providing to an employee upon his or her request a copy of CHRI upon which an adverse determination was predicated; and

(6) Maintaining, for a period of no less than three years, auditable records regarding

(i) Maintenance and dissemination of CHRI; and

(ii) The employer’s certification.

(c) If relevant CHRI is lacking disposition information, the SIB or responsible agency in a participating State will make reasonable efforts to obtain such information to promote the accuracy of the record and the integrity of the application of the relevant standards. If additional time beyond a State’s standard response time is needed to find relevant disposition information, the SIB or responsible agency may advise the authorized employer that additional research is necessary before a final response can be provided. If raised, a participating State should take into account the effect of post-conviction relief.

§ 105.27 Miscellaneous provisions.

(a) Alternate State availability. (1) An authorized employer may submit the employee’s fingerprints to the SIB of a participating State other than the State of employment—provided it obtains the permission of the accommodating State—if the authorized employer is prevented from submitting an employee’s fingerprints because the employee’s employment is in:

(i) A State that does not have an applicable Public Law 92-544 statute authorizing state and national fingerprint-based criminal history checks of prospective and current private security officers and has elected to opt out; or

(ii) A participating State that has not yet established a process for receiving fingerprints and processing the checks under the regulations in this subpart.

(2) A participating State agreeing to process checks under this subsection will discontinue doing so if thereafter the State of the employee’s employment establishes a process State and national fingerprint-based criminal history checks of prospective and current private security officers.

(b) FBI fees for national check. The fee imposed by the FBI to perform a fingerprint-based criminal history record check is that routinely charged for noncriminal justice fingerprint submissions as periodically noticed in the Federal Register.

(c) Penalties for misuse. (1) In addition to incarceration for a period not to exceed two years, one who knowingly and intentionally misuses information (including a State’s notification) received pursuant to the Act may be subject to a fine pursuant to 18 U.S.C. 3571.

(2) Consistent with State law, a violation of these regulations may also result in the divestiture of “authorized employer” status, thereby precluding an employer which provides security services from submitting fingerprints for a State and national criminal history record check.

(d) Exclusion from coverage. [Reserved]

§ 115.11  Zero tolerance of sexual abuse and sexual harassment; PREA coordinator.
(a) An agency shall have a written policy mandating zero tolerance toward all forms of sexual abuse and sexual harassment and outlining the agency’s approach to preventing, detecting, and responding to such conduct.
(b) An agency shall employ or designate an upper-level, agency-wide PREA coordinator with sufficient time and authority to develop, implement, and oversee agency efforts to comply with the PREA standards in all of its facilities.
(c) Where an agency operates more than one facility, each facility shall designate a PREA compliance manager with sufficient time and authority to coordinate the facility’s efforts to comply with the PREA standards.

§ 115.12  Contracting with other entities for the confinement of inmates.
(a) A public agency that contracts for the confinement of its inmates with private agencies or other entities, including other government agencies, shall include in any new contract or contract renewal the entity’s obligation to adopt and comply with the PREA standards.
(b) Any new contract or contract renewal shall provide for agency contract monitoring to ensure that the contractor is complying with the PREA standards.

§ 115.13  Supervision and monitoring.
(a) The agency shall ensure that each facility it operates shall develop, document, and make its best efforts to comply on a regular basis with a staffing plan that provides for adequate levels of staffing, and, where applicable, video monitoring, to protect inmates against sexual abuse. In calculating adequate staffing levels and determining the need for video monitoring, facilities shall take into consideration:
(1) Generally accepted detention and correctional practices;
(2) Any judicial findings of inadequacy;
(3) Any findings of inadequacy from Federal investigative agencies;
(4) Any findings of inadequacy from internal or external oversight bodies;

(11) Any other relevant factors.
(b) In circumstances where the staffing plan is not complied with, the facility shall document and justify all deviations from the plan.
(c) Whenever necessary, but no less frequently than once each year, for each facility the agency operates, in consultation with the PREA coordinator required by §115.11, the agency shall assess, determine, and document whether adjustments are needed to:
(1) The staffing plan established pursuant to paragraph (a) of this section;
(2) The facility’s deployment of video monitoring systems and other monitoring technologies; and
(3) The resources the facility has available to commit to ensure adherence to the staffing plan.
(d) Each agency operating a facility shall implement a policy and practice of having intermediate-level or higher-level supervisors conduct and document unannounced rounds to identify and deter staff sexual abuse and sexual harassment. Such policy and practice shall be implemented for night shifts as well as day shifts. Each agency shall have a policy to prohibit staff from alerting other staff members that these supervisory rounds are occurring, unless such announcement is related to the legitimate operational functions of the facility.

§ 115.14 Youthful inmates.

(a) A youthful inmate shall not be placed in a housing unit in which the youthful inmate will have sight, sound, or physical contact with any adult inmate through use of a shared dayroom or other common space, shower area, or sleeping quarters.
(b) In areas outside of housing units, agencies shall either:
(1) Maintain sight and sound separation between youthful inmates and adult inmates, or
(2) Provide direct staff supervision when youthful inmates and adult inmates have sight, sound, or physical contact.
(c) Agencies shall make best efforts to avoid placing youthful inmates in isolation to comply with this provision. Absent exigent circumstances, agencies shall not deny youthful inmates daily large-muscle exercise and any legally required special education services to comply with this provision. Youthful inmates shall also have access to other programs and work opportunities to the extent possible.

§ 115.15 Limits to cross-gender viewing and searches.

(a) The facility shall not conduct cross-gender strip searches or cross-gender visual body cavity searches (meaning a search of the anal or genital opening) except in exigent circumstances or when performed by medical practitioners.
(b) As of August 20, 2015, or August 21, 2017 for a facility whose rated capacity does not exceed 50 inmates, the facility shall not permit cross-gender pat-down searches of female inmates, absent exigent circumstances. Facilities shall not restrict female inmates’ access to regularly available programming or any legally required special education services to comply with this provision.
(c) The facility shall document all cross-gender strip searches and cross-gender visual body cavity searches, and shall document all cross-gender pat-down searches of female inmates.
(d) The facility shall implement policies and procedures that enable inmates to shower, perform bodily functions, and change clothing without nonmedical staff of the opposite gender viewing their breasts, buttocks, or
genitalia, except in exigent circumstances or when such viewing is incidental to routine cell checks. Such policies and procedures shall require staff of the opposite gender to announce their presence when entering an inmate housing unit.

(e) The facility shall not search or physically examine a transgender or intersex inmate for the sole purpose of determining the inmate’s genital status. If the inmate’s genital status is unknown, it may be determined during conversations with the inmate, by reviewing medical records, or, if necessary, by learning that information as part of a broader medical examination conducted in private by a medical practitioner.

(f) The agency shall train security staff in how to conduct cross-gender pat-down searches, and searches of transgender and intersex inmates, in a professional and respectful manner, and in the least intrusive manner possible, consistent with security needs.

§ 115.16 Inmates with disabilities and inmates who are limited English proficient.

(a) The agency shall take appropriate steps to ensure that inmates with disabilities (including, for example, inmates who are deaf or hard of hearing, those who are blind or have low vision, or those who have intellectual, psychiatric, or speech disabilities), have an equal opportunity to participate in or benefit from all aspects of the agency’s efforts to prevent, detect, and respond to sexual abuse and sexual harassment. Such steps shall include, when necessary to ensure effective communication with inmates who are deaf or hard of hearing, providing access to interpreters who can interpret effectively, accurately, and impartially, both receptively and expressively, using any necessary specialized vocabulary. In addition, the agency shall ensure that written materials are provided in formats or through methods that ensure effective communication with inmates with disabilities, including inmates who have intellectual disabilities, limited reading skills, or who are blind or have low vision. An agency is not required to take actions that it can demonstrate would result in a fundamental alteration in the nature of a service, program, or activity, or in undue financial and administrative burdens, as those terms are used in regulations promulgated under title II of the Americans With Disabilities Act, 28 CFR 35.164.

(b) The agency shall take reasonable steps to ensure meaningful access to all aspects of the agency’s efforts to prevent, detect, and respond to sexual abuse and sexual harassment to inmates who are limited English proficient, including steps to provide interpreters who can interpret effectively, accurately, and impartially, both receptively and expressively, using any necessary specialized vocabulary.

(c) The agency shall not rely on inmate interpreters, inmate readers, or other types of inmate assistants except in limited circumstances where an extended delay in obtaining an effective interpreter could compromise the inmate’s safety, the performance of first-response duties under §115.64, or the investigation of the inmate’s allegations.

§ 115.17 Hiring and promotion decisions.

(a) The agency shall not hire or promote anyone who may have contact with inmates, and shall not enlist the services of any contractor who may have contact with inmates, who—

1. Has engaged in sexual abuse in a prison, jail, lockup, community confinement facility, juvenile facility, or other institution (as defined in 42 U.S.C. 1997);

2. Has been convicted of engaging or attempting to engage in sexual activity in the community facilitated by force, overt or implied threats of force, or coercion, or if the victim did not consent or was unable to consent or refuse;

3. Has been civilly or administratively adjudicated to have engaged in the activity described in paragraph (a)(2) of this section.

(b) The agency shall consider any incidents of sexual harassment in determining whether to hire or promote anyone, or to enlist the services of any contractor, who may have contact with inmates.
§ 115.18

(c) Before hiring new employees who may have contact with inmates, the agency shall:

(1) Perform a criminal background records check; and

(2) Consistent with Federal, State, and local law, make its best efforts to contact all prior institutional employers for information on substantiated allegations of sexual abuse or any resignation during a pending investigation of an allegation of sexual abuse.

(d) The agency shall also perform a criminal background records check before enlisting the services of any contractor who may have contact with inmates.

(e) The agency shall either conduct criminal background records checks at least every five years of current employees and contractors who may have contact with inmates or have in place a system for otherwise capturing such information for current employees.

(f) The agency shall ask all applicants and employees who may have contact with inmates directly about previous misconduct described in paragraph (a) of this section in written applications or interviews for hiring or promotions and in any interviews or written self-evaluations conducted as part of reviews of current employees. The agency shall also impose upon employees a continuing affirmative duty to disclose any such misconduct.

(g) Material omissions regarding such misconduct, or the provision of materially false information, shall be grounds for termination.

§ 115.18 Upgrades to facilities and technologies.

(a) When designing or acquiring any new facility and in planning any substantial expansion or modification of existing facilities, the agency shall consider the effect of the design, acquisition, expansion, or modification upon the agency’s ability to protect inmates from sexual abuse.

(b) When installing or updating a video monitoring system, electronic surveillance system, or other monitoring technology, the agency shall consider how such technology may enhance the agency’s ability to protect inmates from sexual abuse.

RESPONSIVE PLANNING

§ 115.21 Evidence protocol and forensic medical examinations.

(a) To the extent the agency is responsible for investigating allegations of sexual abuse, the agency shall follow a uniform evidence protocol that maximizes the potential for obtaining usable physical evidence for administrative proceedings and criminal prosecutions.

(b) The protocol shall be developmentally appropriate for youth where applicable, and, as appropriate, shall be adapted from or otherwise based on the most recent edition of the U.S. Department of Justice’s Office on Violence Against Women publication, “A National Protocol for Sexual Assault Medical Forensic Examinations, Adults/Adolescents,” or similarly comprehensive and authoritative protocols developed after 2011.

(c) The agency shall offer all victims of sexual abuse access to forensic medical examinations, whether on-site or at an outside facility, without financial cost, where evidentiary or medically appropriate. Such examinations shall be performed by Sexual Assault Forensic Examiners (SAFEs) or Sexual Assault Nurse Examiners (SANEs) where possible. If SAFEs or SANEs cannot be made available, the examination can be performed by other qualified medical practitioners. The agency shall document its efforts to provide SAFEs or SANEs.

(d) The agency shall attempt to make available to the victim a victim advocate from a rape crisis center. If a rape crisis center is not available to provide victim advocate services, the agency shall make available to provide these services a qualified staff member from a community-based organization, or a qualified agency staff member. Agencies shall document efforts to secure services from rape crisis centers. For
the purpose of this standard, a rape crisis center refers to an entity that provides intervention and related assistance, such as the services specified in 42 U.S.C. 14043g(b)(2)(C), to victims of sexual assault of all ages. The agency may utilize a rape crisis center that is part of a governmental unit as long as the center is not part of the criminal justice system (such as a law enforcement agency) and offers a comparable level of confidentiality as a nongovernmental entity that provides similar victim services.

(e) As requested by the victim, the victim advocate, qualified agency staff member, or qualified community-based organization staff member shall accompany and support the victim through the forensic medical examination process and investigatory interviews and shall provide emotional support, crisis intervention, information, and referrals.

(f) To the extent the agency itself is not responsible for investigating allegations of sexual abuse, the agency shall request that the investigating agency follow the requirements of paragraphs (a) through (e) of this section.

(g) The requirements of paragraphs (a) through (f) of this section shall also apply to:

1. Any State entity outside of the agency that is responsible for investigating allegations of sexual abuse in prisons or jails; and
2. Any Department of Justice component that is responsible for investigating allegations of sexual abuse in prisons or jails.

(h) For the purposes of this section, a qualified agency staff member or a qualified community-based staff member shall be an individual who has been screened for appropriateness to serve in this role and has received education concerning sexual assault and forensic examination issues in general.

§ 115.31 Policies to ensure referrals of allegations for investigations.

(a) The agency shall ensure that an administrative or criminal investigation is completed for all allegations of sexual abuse and sexual harassment.

(b) The agency shall have in place a policy to ensure that allegations of sexual abuse or sexual harassment are referred for investigation to an agency with the legal authority to conduct criminal investigations, unless the allegation does not involve potentially criminal behavior. The agency shall publish such policy on its Web site or, if it does not have one, make the policy available through other means. The agency shall document all such referrals.

(c) If a separate entity is responsible for conducting criminal investigations, such publication shall describe the responsibilities of both the agency and the investigating entity.

(d) Any State entity responsible for conducting administrative or criminal investigations of sexual abuse or sexual harassment in prisons or jails shall have in place a policy governing the conduct of such investigations.

(e) Any Department of Justice component responsible for conducting administrative or criminal investigations of sexual abuse or sexual harassment in prisons or jails shall have in place a policy governing the conduct of such investigations.

§ 115.31 Employee training.

(a) The agency shall train all employees who may have contact with inmates on:

1. Its zero-tolerance policy for sexual abuse and sexual harassment;
2. How to fulfill their responsibilities under agency sexual abuse and sexual harassment prevention, detection, reporting, and response policies and procedures;
3. Inmates’ right to be free from sexual abuse and sexual harassment;
4. The right of inmates and employees to be free from retaliation for reporting sexual abuse and sexual harassment;
5. The dynamics of sexual abuse and sexual harassment in confinement;
6. The common reactions of sexual abuse and sexual harassment victims;
7. How to detect and respond to signs of threatened and actual sexual abuse;
8. How to avoid inappropriate relationships with inmates;
§ 115.32 Volunteer and contractor training.

(a) The agency shall ensure that all volunteers and contractors who have contact with inmates have been trained on their responsibilities under the agency’s sexual abuse and sexual harassment prevention, detection, and response policies and procedures.

(b) The level and type of training provided to volunteers and contractors shall be based on the services they provide and level of contact they have with inmates, but all volunteers and contractors who have contact with inmates shall be notified of the agency’s zero-tolerance policy regarding sexual abuse and sexual harassment and informed how to report such incidents.

(c) The agency shall maintain documentation confirming that volunteers and contractors understand the training they have received.

§ 115.33 Inmate education.

(a) During the intake process, inmates shall receive information explaining the agency’s zero-tolerance policy regarding sexual abuse and sexual harassment and how to report incidents or suspicions of sexual abuse or sexual harassment.

(b) Within 30 days of intake, the agency shall provide comprehensive education to inmates either in person or through video regarding their rights to be free from sexual abuse and sexual harassment and to be free from retaliation for reporting such incidents, and regarding agency policies and procedures for responding to such incidents.

(c) Current inmates who have not received such education shall be educated within one year of the effective date of the PREA standards, and shall receive education upon transfer to a different facility to the extent that the policies and procedures of the inmate’s new facility differ from those of the previous facility.

(d) The agency shall provide inmate education in formats accessible to all inmates, including those who are limited English proficient, deaf, visually impaired, or otherwise disabled, as well as to inmates who have limited reading skills.

(e) The agency shall maintain documentation of inmate participation in these education sessions.

(f) In addition to providing such education, the agency shall ensure that key information is continuously and readily available or visible to inmates through posters, inmate handbooks, or other written formats.

§ 115.34 Specialized training: Investigations.

(a) In addition to the general training provided to all employees pursuant to §115.31, the agency shall ensure that, to the extent the agency itself conducts sexual abuse investigations, its investigators have received training in conducting such investigations in confinement settings.

(b) Specialized training shall include techniques for interviewing sexual abuse victims, proper use of Miranda
and Garrity warnings, sexual abuse evidence collection in confinement settings, and the criteria and evidence required to substantiate a case for administrative action or prosecution referral.

(c) The agency shall maintain documentation that agency investigators have completed the required specialized training in conducting sexual abuse investigations.

(d) Any State entity or Department of Justice component that investigates sexual abuse in confinement settings shall provide such training to its agents and investigators who conduct such investigations.

§ 115.35 Specialized training: Medical and mental health care.

(a) The agency shall ensure that all full- and part-time medical and mental health care practitioners who work regularly in its facilities have been trained in:

(1) How to detect and assess signs of sexual abuse and sexual harassment;
(2) How to preserve physical evidence of sexual abuse;
(3) How to respond effectively and professionally to victims of sexual abuse and sexual harassment;
(4) How and to whom to report allegations or suspicions of sexual abuse and sexual harassment.

(b) If medical staff employed by the agency conduct forensic examinations, such medical staff shall receive the appropriate training to conduct such examinations.

(c) The agency shall maintain documentation that medical and mental health practitioners have received the training referenced in this standard either from the agency or elsewhere.

(d) Medical and mental health care practitioners shall also receive the training mandated for employees under §115.31 or for contractors and volunteers under §115.32, depending upon the practitioner’s status at the agency.

Screening for Risk of Sexual Victimization and Abusiveness

§ 115.41 Screening for risk of victimization and abusiveness.

(a) All inmates shall be assessed during an intake screening and upon transfer to another facility for their risk of being sexually abused by other inmates or sexually abusive toward other inmates.

(b) Intake screening shall ordinarily take place within 72 hours of arrival at the facility.

(c) Such assessments shall be conducted using an objective screening instrument.

(d) The intake screening shall consider, at a minimum, the following criteria to assess inmates for risk of sexual victimization:

(1) Whether the inmate has a mental, physical, or developmental disability;
(2) The age of the inmate;
(3) The physical build of the inmate;
(4) Whether the inmate has previously been incarcerated;
(5) Whether the inmate’s criminal history is exclusively nonviolent;
(6) Whether the inmate has prior convictions for sex offenses against an adult or child;
(7) Whether the inmate is or is perceived to be gay, lesbian, bisexual, transgender, intersex, or gender nonconforming;
(8) Whether the inmate has previously experienced sexual victimization;
(9) The inmate’s own perception of vulnerability; and
(10) Whether the inmate is detained solely for civil immigration purposes.

(e) The initial screening shall consider prior acts of sexual abuse, prior convictions for violent offenses, and history of prior institutional violence or sexual abuse, as known to the agency, in assessing inmates for risk of being sexually abusive.

(f) Within a set time period, not to exceed 30 days from the inmate’s arrival at the facility, the facility will reassess the inmate’s risk of victimization or abusiveness based upon any additional, relevant information received by the facility since the intake screening.

(g) An inmate’s risk level shall be reassessed when warranted due to a referral, request, incident of sexual abuse, or receipt of additional information that bears on the inmate’s risk of sexual victimization or abusiveness.
§ 115.42 Use of screening information.

(a) The agency shall use information from the risk screening required by §115.41 to inform housing, bed, work, education, and program assignments with the goal of keeping separate those inmates at high risk of being sexually victimized from those at high risk of being sexually abusive.

(b) The agency shall make individualized determinations about how to ensure the safety of each inmate.

(c) In deciding whether to assign a transgender or intersex inmate to a facility for male or female inmates, and in making other housing and programming assignments, the agency shall consider on a case-by-case basis whether a placement would ensure the inmate’s health and safety, and whether the placement would present management or security problems.

(d) Placement and programming assignments for each transgender or intersex inmate shall be reassessed at least twice each year to review any threats to safety experienced by the inmate.

(e) A transgender or intersex inmate’s own views with respect to his or her own safety shall be given serious consideration.

(f) Transgender and intersex inmates shall be given the opportunity to shower separately from other inmates.

(g) The agency shall not place lesbian, gay, bisexual, transgender, or intersex inmates in dedicated facilities, units, or wings solely on the basis of such identification or status, unless such placement is in a dedicated facility, unit, or wing established in connection with a consent decree, legal settlement, or legal judgment for the purpose of protecting such inmates.

§ 115.43 Protective custody.

(a) Inmates at high risk for sexual victimization shall not be placed in involuntary segregated housing unless an assessment of all available alternatives has been made, and a determination has been made that there is no available alternative means of separation from likely abusers. If a facility cannot conduct such an assessment immediately, the facility may hold the inmate in involuntary segregated housing for less than 24 hours while completing the assessment.

(b) Inmates placed in segregated housing for this purpose shall have access to programs, privileges, education, and work opportunities to the extent possible. If the facility restricts access to programs, privileges, education, or work opportunities, the facility shall document:

(1) The opportunities that have been limited;

(2) The duration of the limitation; and

(3) The reasons for such limitations.

(c) The facility shall assign such inmates to involuntary segregated housing only until an alternative means of separation from likely abusers can be arranged, and such an assignment shall not ordinarily exceed a period of 30 days.

(d) If an involuntary segregated housing assignment is made pursuant to paragraph (a) of this section, the facility shall clearly document:

(1) The basis for the facility’s concern for the inmate’s safety; and

(2) The reason why no alternative means of separation can be arranged.

(e) Every 30 days, the facility shall afford each such inmate a review to determine whether there is a continuing need for separation from the general population.

§ 115.51 Inmate reporting.

(a) The agency shall provide multiple internal ways for inmates to privately report sexual abuse and sexual harassment, retaliation by other inmates or staff for reporting sexual abuse and

504
§ 115.52 Exhaustion of administrative remedies.

(a) An agency shall be exempt from this standard if it does not have administrative procedures to address inmate grievances regarding sexual abuse.

(b)(1) The agency shall not impose a time limit on when an inmate may submit a grievance regarding an allegation of sexual abuse.

(2) The agency may apply otherwise-applicable time limits to any portion of a grievance that does not allege an incident of sexual abuse.

(3) The agency shall not require an inmate to use any informal grievance process, or to otherwise attempt to resolve with staff, an alleged incident of sexual abuse.

(4) Nothing in this section shall restrict the agency’s ability to defend against an inmate lawsuit on the ground that the applicable statute of limitations has expired.

(c) The agency shall ensure that—

(1) An inmate who alleges sexual abuse may submit a grievance without submitting it to a staff member who is the subject of the complaint, and

(2) Such grievance is not referred to a staff member who is the subject of the complaint.

(d)(1) The agency shall issue a final agency decision on the merits of any portion of a grievance alleging sexual abuse within 90 days of the initial filing of the grievance.

(2) Computation of the 90-day time period shall not include time consumed by inmates in preparing any administrative appeal.

(3) The agency may claim an extension of time to respond, of up to 70 days, if the normal time period for response is insufficient to make an appropriate decision. The agency shall notify the inmate in writing of any such extension and provide a date by which a decision will be made.

(4) At any level of the administrative process, including the final level, if the inmate does not receive a response within the time allotted for reply, including any properly noticed extension, the inmate may consider the absence of a response to be a denial at that level.

(e)(1) Third parties, including fellow inmates, staff members, family members, attorneys, and outside advocates, shall be permitted to assist inmates in filing requests for administrative remedies relating to allegations of sexual abuse, and shall also be permitted to file such requests on behalf of inmates.

(2) If a third party files such a request on behalf of an inmate, the facility may require as a condition of processing the request that the alleged victim agree to have the request filed on his or her behalf, and may also require the alleged victim to personally pursue any subsequent steps in the administrative remedy process.

(3) If the inmate declines to have the request processed on his or her behalf, the agency shall document the inmate’s decision.

(f)(1) The agency shall establish procedures for the filing of an emergency grievance alleging that an inmate is subject to a substantial risk of imminent sexual abuse.

(2) After receiving an emergency grievance alleging an inmate is subject to a substantial risk of imminent sexual abuse, the agency shall immediately forward the grievance (or any portion thereof that alleges the substantial risk of imminent sexual abuse) to a level of review at which immediate corrective action may be taken, shall...
§ 115.53 Inmate access to outside confidential support services.

(a) The facility shall provide inmates with access to outside victim advocates for emotional support services related to sexual abuse by giving inmates mailing addresses and telephone numbers, including toll-free hotline numbers where available, of local, State, or national victim advocacy or rape crisis organizations, and, for persons detained solely for civil immigration purposes, immigrant services agencies. The facility shall enable reasonable communication between inmates and these organizations and agencies, in as confidential a manner as possible.

(b) The facility shall inform inmates, prior to giving them access, of the extent to which such communications will be monitored and the extent to which reports of abuse will be forwarded to authorities in accordance with mandatory reporting laws.

(c) The agency shall maintain or attempt to enter into memoranda of understanding or other agreements with community service providers that are able to provide inmates with confidential emotional support services related to sexual abuse. The agency shall maintain copies of agreements or documentation showing attempts to enter into such agreements.

§ 115.54 Third-party reporting.

(b) Where sexual abuse is alleged, the agency shall use investigators who have received special training in sexual abuse investigations pursuant to §115.34.

(c) Investigators shall gather and preserve direct and circumstantial evidence, including any available physical and DNA evidence and any available electronic monitoring data; shall interview alleged victims, suspected perpetrators, and witnesses; and shall review prior complaints and reports of sexual abuse involving the suspected perpetrator.

(d) When the quality of evidence appears to support criminal prosecution, the agency shall conduct compelled interviews only after consulting with prosecutors as to whether compelled interviews may be an obstacle for subsequent criminal prosecution.

(e) The credibility of an alleged victim, suspect, or witness shall be assessed on an individual basis and shall not be determined by the person’s status as inmate or staff. No agency shall require an inmate who alleges sexual abuse to submit to a polygraph examination or other truth-telling device as a condition for proceeding with the investigation of such an allegation.

(f) Administrative investigations:

(1) Shall include an effort to determine whether staff actions or failures to act contributed to the abuse; and

(2) Shall be documented in written reports that include a description of the physical and testimonial evidence, the reasoning behind credibility assessments, and investigative facts and findings.

(h) Substantiated allegations of conduct that appears to be criminal shall be referred for prosecution.

(i) The agency shall retain all written reports referenced in paragraphs (f) and (g) of this section for as long as the alleged abuser is incarcerated or employed by the agency, plus five years.

(j) The departure of the alleged abuser or victim from the employment or control of the facility or agency shall not provide a basis for terminating an investigation.

(k) Any State entity or Department of Justice component that conducts such investigations shall do so pursuant to the above requirements.

(l) When outside agencies investigate sexual abuse, the facility shall cooperate with outside investigators and shall endeavor to remain informed about the progress of the investigation.

(a) Following an investigation into an inmate's allegation that he or she suffered sexual abuse in an agency facility, the agency shall inform the inmate as to whether the allegation has been determined to be substantiated, unsubstantiated, or unfounded.

(b) If the agency did not conduct the investigation, it shall request the relevant information from the investigative agency in order to inform the inmate.

(c) Following an inmate's allegation that a staff member has committed sexual abuse against the inmate, the agency shall subsequently inform the inmate (unless the agency has determined that the allegation is unfounded) whenever:

(1) The staff member is no longer posted within the inmate's unit;
(2) The staff member is no longer employed at the facility;

§ 115.76 Disciplinary sanctions for staff.

(a) Staff shall be subject to disciplinary sanctions up to and including termination for violating agency sexual abuse or sexual harassment policies.

(b) Termination shall be the presumptive disciplinary sanction for staff who have engaged in sexual abuse.

(c) Disciplinary sanctions for violations of agency policies relating to sexual abuse or sexual harassment (other than actually engaging in sexual abuse) shall be commensurate with the nature and circumstances of the acts committed, the staff member's disciplinary history, and the sanctions imposed for comparable offenses by other staff with similar histories.

(d) All terminations for violations of agency sexual abuse or sexual harassment policies, or resignations by staff who would have been terminated if not for their resignation, shall be reported to law enforcement agencies, unless the activity was clearly not criminal, and to any relevant licensing bodies.

§ 115.77 Corrective action for contractors and volunteers.

(a) Any contractor or volunteer who engages in sexual abuse shall be prohibited from contact with inmates and shall be reported to law enforcement agencies, unless the activity was clearly not criminal, and to relevant licensing bodies.

(b) If the screening pursuant to §115.41 indicates that a jail inmate has experienced prior sexual victimization, whether it occurred in an institutional setting or in the community, staff shall ensure that the inmate is offered a follow-up meeting with a medical or mental health practitioner within 14 days of the intake screening.

(d) Any information related to sexual victimization or abusiveness that occurred in an institutional setting shall be strictly limited to medical and mental health practitioners and other staff, as necessary, to inform treatment plans and security and management decisions, including housing, bed, work, education, and program assignments, or as otherwise required by Federal, State, or local law.

(e) Medical and mental health practitioners shall obtain informed consent from inmates before reporting information about prior sexual victimization that did not occur in an institutional setting, unless the inmate is under the age of 18.

§ 115.82 Access to emergency medical and mental health services.

(a) Inmate victims of sexual abuse shall receive timely, unimpeded access to emergency medical treatment and crisis intervention services, the nature and scope of which are determined by medical and mental health practitioners according to their professional judgment.

(b) If no qualified medical or mental health practitioners are on duty at the time a report of recent abuse is made, security staff first responders shall take preliminary steps to protect the victim pursuant to §115.62 and shall immediately notify the appropriate medical and mental health practitioners.

(c) Inmate victims of sexual abuse while incarcerated shall be offered timely information about and timely access to emergency contraception and
sexually transmitted infections prophylaxis, in accordance with professionally accepted standards of care, where medically appropriate.

(a) The facility shall offer medical and mental health evaluation and, as appropriate, treatment to all inmates who have been victimized by sexual abuse in any prison, jail, lockup, or juvenile facility.

(b) The evaluation and treatment of such victims shall include, as appropriate, follow-up services, treatment plans, and, when necessary, referrals for continued care following their transfer to, or placement in, other facilities, or their release from custody.

(c) The facility shall provide such victims with medical and mental health services consistent with the community level of care.

(d) Inmate victims of sexually abusive vaginal penetration while incarcerated shall be offered pregnancy tests.

(e) If pregnancy results from the conduct described in paragraph (d) of this section, such victims shall receive timely and comprehensive information about and timely access to all lawful pregnancy-related medical services.

(f) Inmate victims of sexual abuse while incarcerated shall be offered tests for sexually transmitted infections as medically appropriate.

(g) Treatment services shall be provided to the victim without financial cost and regardless of whether the victim names the abuser or cooperates with any investigation arising out of the incident.

(h) All prisons shall attempt to conduct a mental health evaluation of all known inmate-on-inmate abusers within 60 days of learning of such abuse history and offer treatment when deemed appropriate by mental health practitioners.

§ 115.86 Sexual abuse incident reviews.

(a) The facility shall conduct a sexual abuse incident review at the conclusion of every sexual abuse investigation, including where the allegation has not been substantiated, unless the allegation has been determined to be unfounded.

(b) Such review shall ordinarily occur within 30 days of the conclusion of the investigation.

(c) The review team shall include upper-level management officials, with input from line supervisors, investigators, and medical or mental health practitioners.

(d) The review team shall:

(1) Consider whether the allegation or investigation indicates a need to change policy or practice to better prevent, detect, or respond to sexual abuse;

(2) Consider whether the incident or allegation was motivated by race; ethnicity; gender identity; lesbian, gay, bisexual, transgender, or intersex identification, status, or perceived status; or gang affiliation; or was motivated or otherwise caused by other group dynamics at the facility;

(3) Examine the area in the facility where the incident allegedly occurred to assess whether physical barriers in the area may enable abuse;

(4) Assess the adequacy of staffing levels in that area during different shifts;

(5) Assess whether monitoring technology should be deployed or augmented to supplement supervision by staff; and

(6) Prepare a report of its findings, including but not necessarily limited to determinations made pursuant to paragraphs (d)(1) through (d)(5) of this section, and any recommendations for improvement and submit such report to the facility head and PREA compliance manager.

(e) The facility shall implement the recommendations for improvement, or shall document its reasons for not doing so.

(1) Identifying problem areas;

(2) Taking corrective action on an ongoing basis; and

(3) Preparing an annual report of its findings and corrective actions for each facility, as well as the agency as a whole.

(b) Such report shall include a comparison of the current year’s data and corrective actions with those from prior years and shall provide an assessment of the agency’s progress in addressing sexual abuse.

(c) The agency’s report shall be approved by the agency head and made readily available to the public through its Web site or, if it does not have one, through other means.

(d) The agency may redact specific material from the reports when publication would present a clear and specific threat to the safety and security of a facility, but must indicate the nature of the material redacted.

§ 115.89 Data storage, publication, and destruction.

(a) The agency shall ensure that data collected pursuant to §115.87 are securely retained.

AUDITS

§ 115.93 Audits of standards.

The agency shall conduct audits pursuant to §§115.401 through 115.405.

Subpart B—Standards for Lockups

PREVENTION PLANNING

§ 115.111 Zero tolerance of sexual abuse and sexual harassment; PREA coordinator.

(a) An agency shall have a written policy mandating zero tolerance toward all forms of sexual abuse and sexual harassment and outlining the agency’s approach to preventing, detecting, and responding to such conduct.

(b) An agency shall employ or designate an upper-level, agency-wide PREA coordinator with sufficient time and authority to develop, implement, and oversee agency efforts to comply with the PREA standards in all of its lockups.

§ 115.112 Contracting with other entities for the confinement of detainees.

(a) A law enforcement agency that contracts for the confinement of its lockup detainees in lockups operated by private agencies or other entities,
including other government agencies, shall include in any new contract or contract renewal the entity’s obligation to adopt and comply with the PREA standards.

(b) Any new contract or contract renewal shall provide for agency contract monitoring to ensure that the contractor is complying with the PREA standards.

§ 115.113 Supervision and monitoring.

(a) For each lockup, the agency shall develop and document a staffing plan that provides for adequate levels of staffing, and, where applicable, video monitoring, to protect detainees against sexual abuse. In calculating adequate staffing levels and determining the need for video monitoring, agencies shall take into consideration:

1. The physical layout of each lockup;
2. The composition of the detainee population;
3. The prevalence of substantiated and unsubstantiated incidents of sexual abuse; and
4. Any other relevant factors.

(b) In circumstances where the staffing plan is not complied with, the lockup shall document and justify all deviations from the plan.

(c) Whenever necessary, but no less frequently than once each year, the lockup shall assess, determine, and document whether adjustments are needed to:

1. The staffing plan established pursuant to paragraph (a) of this section;
2. Prevailing staffing patterns;
3. The lockup’s deployment of video monitoring systems and other monitoring technologies; and
4. The resources the lockup has available to commit to ensure adequate staffing levels.

(d) If vulnerable detainees are identified pursuant to the screening required by §115.141, security staff shall provide such detainees with heightened protection, to include continuous direct sight and sound supervision, single-cell housing, or placement in a cell actively monitored on video by a staff member sufficiently proximate to intervene, unless no such option is determined to be feasible.

§ 115.114 Juveniles and youthful detainees.

Juveniles and youthful detainees shall be held separately from adult detainees.

§ 115.115 Limits to cross-gender viewing and searches.

(a) The lockup shall not conduct cross-gender strip searches or cross-gender visual body cavity searches (meaning a search of the anal or genital opening) except in exigent circumstances or when performed by medical practitioners.

(b) The lockup shall document all cross-gender strip searches and cross-gender visual body cavity searches.

(c) The lockup shall implement policies and procedures that enable detainees to shower, perform bodily functions, and change clothing without nonmedical staff of the opposite gender viewing their breasts, buttocks, or genitalia, except in exigent circumstances or when such viewing is incidental to routine cell checks. Such policies and procedures shall require staff of the opposite gender to announce their presence when entering an area where detainees are likely to be showering, performing bodily functions, or changing clothing.

(d) The lockup shall not search or physically examine a transgender or intersex detainee for the sole purpose of determining the detainee’s genital status. If the detainee’s genital status is unknown, it may be determined during conversations with the detainee, by reviewing medical records, or, if necessary, by learning that information as part of a broader medical examination conducted in private by a medical practitioner.

(e) The agency shall train law enforcement staff in how to conduct cross-gender pat-down searches, and searches of transgender and intersex detainees, in a professional and respectful manner, and in the least intrusive manner possible, consistent with security needs.
§ 115.116 Detainees with disabilities and detainees who are limited English proficient.

(a) The agency shall take appropriate steps to ensure that detainees with disabilities (including, for example, detainees who are deaf or hard of hearing, those who are blind or have low vision, or those who have intellectual, psychiatric, or speech disabilities), have an equal opportunity to participate in or benefit from all aspects of the agency’s efforts to prevent, detect, and respond to sexual abuse and sexual harassment. Such steps shall include, when necessary to ensure effective communication with detainees who are deaf or hard of hearing, providing access to interpreters who can interpret effectively, accurately, and impartially, both receptively and expressively, using any necessary specialized vocabulary. In addition, the agency shall ensure that written materials are provided in formats or through methods that ensure effective communication with detainees with disabilities, including detainees who have intellectual disabilities, limited reading skills, or who are blind or have low vision. An agency is not required to take actions that it can demonstrate would result in a fundamental alteration in the nature of a service, program, or activity, or in undue financial and administrative burdens, as those terms are used in regulations promulgated under title II of the Americans With Disabilities Act, 28 CFR 35.164.

(b) The agency shall take reasonable steps to ensure meaningful access to all aspects of the agency’s efforts to prevent, detect, and respond to sexual abuse and sexual harassment to detainees who are limited English proficient, including steps to provide interpreters who can interpret effectively, accurately, and impartially, both receptively and expressively, using any necessary specialized vocabulary.

(c) The agency shall not rely on detainee interpreters, detainee readers, or other types of detainee assistants except in limited circumstances where an extended delay in obtaining an effective interpreter could compromise the detainee’s safety, the performance of first-response duties under §115.164, or the investigation of the detainee’s allegations.

§ 115.117 Hiring and promotion decisions.

(a) The agency shall not hire or promote anyone who may have contact with detainees, and shall not enlist the services of any contractor who may have contact with detainees, who—

(1) Has engaged in sexual abuse in a prison, jail, lockup, community confinement facility, juvenile facility, or other institution (as defined in 42 U.S.C. 1997);

(2) Has been convicted of engaging or attempting to engage in sexual activity in the community facilitated by force, overt or implied threats of force, or coercion, or if the victim did not consent or was unable to consent or refuse; or

(3) Has been civilly or administratively adjudicated to have engaged in the activity described in paragraph (a)(2) of this section.

(b) The agency shall consider any incidents of sexual harassment in determining whether to hire or promote anyone, or to enlist the services of any contractor, who may have contact with detainees.

(c) Before hiring new employees who may have contact with detainees, the agency shall:

(1) Perform a criminal background records check; and

(2) Consistent with Federal, State, and local law, make its best efforts to contact all prior institutional employers for information on substantiated allegations of sexual abuse or any resignation during a pending investigation of an allegation of sexual abuse.

(d) The agency shall also perform a criminal background records check before enlisting the services of any contractor who may have contact with detainees.

(e) The agency shall either conduct criminal background records checks at least every five years of current employees and contractors who may have contact with detainees or have in place a system for otherwise capturing such information for current employees.

(f) The agency shall ask all applicants and employees who may have contact with detainees directly about...
previous misconduct described in paragraph (a) of this section in written applications or interviews for hiring or promotions and in any interviews or written self-evaluations conducted as part of reviews of current employees. The agency shall also impose upon employees a continuing affirmative duty to disclose any such misconduct.

(g) Material omissions regarding such misconduct, or the provision of materially false information, shall be grounds for termination.

(h) Unless prohibited by law, the agency shall provide information on substantiated allegations of sexual abuse or sexual harassment involving a former employee upon receiving a request from an institutional employer for whom such employee has applied to work.

§ 115.118 Upgrades to facilities and technologies.

(a) When designing or acquiring any new lockup and in planning any substantial expansion or modification of existing lockups, the agency shall consider the effect of the design, acquisition, expansion, or modification upon the agency’s ability to protect detainees from sexual abuse.

(b) When installing or updating a video monitoring system, electronic surveillance system, or other monitoring technology, the agency shall consider how such technology may enhance the agency’s ability to protect detainees from sexual abuse.

(a) To the extent the agency is responsible for investigating allegations of sexual abuse in its lockups, the agency shall follow a uniform evidence protocol that maximizes the potential for obtaining usable physical evidence for administrative proceedings and criminal prosecutions.

(b) The protocol shall be developmentally appropriate for youth where applicable, and, as appropriate, shall be adapted from or otherwise based on the most recent edition of the U.S. Department of Justice’s Office on Violence Against Women publication, “A National Protocol for Sexual Assault Medical Forensic Examinations, Adults/Adolescents,” or similarly comprehensive and authoritative protocols developed after 2011. As part of the training required in §115.131, employees and volunteers who may have contact with lockup detainees shall receive basic training regarding how to detect and respond to victims of sexual abuse.

(c) The agency shall offer all victims of sexual abuse access to forensic medical examinations whether on-site or at an outside facility, without financial cost, where evidentiary or medically appropriate. Such examinations shall be performed by Sexual Assault Forensic Examiners (SAFEs) or Sexual Assault Nurse Examiners (SANEs) where possible. If SAFEs or SANEs cannot be made available, the examination can be performed by other qualified medical practitioners. The agency shall document its efforts to provide SAFEs or SANEs.

(d) If the detainee is transported for a forensic examination to an outside hospital that offers victim advocacy services, the detainee shall be permitted to use such services to the extent available, consistent with security needs.

(e) To the extent the agency itself is not responsible for investigating allegations of sexual abuse, the agency shall request that the investigating agency follow the requirements of paragraphs (a) through (d) of this section.

(f) The requirements in paragraphs (a) through (e) of this section shall also apply to:

(1) Any State entity outside of the agency that is responsible for investigating allegations of sexual abuse in lockups; and

1. The agency’s zero-tolerance policy and detainees’ right to be free from sexual abuse and sexual harassment;
2. The dynamics of sexual abuse and harassment in confinement settings, including which detainees are most vulnerable in lockup settings;
3. The right of detainees and employees to be free from retaliation for reporting sexual abuse or harassment;
4. How to detect and respond to signs of threatened and actual abuse;
5. How to communicate effectively and professionally with all detainees; and
6. How to comply with relevant laws related to mandatory reporting of sexual abuse to outside authorities.

(b) All current employees and volunteers who may have contact with lockup detainees shall be trained within one year of the effective date of the PREA standards, and the agency shall provide annual refresher information to all such employees and volunteers to ensure that they know the agency’s current sexual abuse and sexual harassment policies and procedures.

(c) The agency shall document, through employee signature or electronic verification, that employees understand the training they have received.

§ 115.132 Detainee, contractor, and inmate worker notification of the agency’s zero-tolerance policy.

(a) During the intake process, employees shall notify all detainees of the agency’s zero-tolerance policy regarding sexual abuse and sexual harassment.

§ 115.133 [Reserved]

§ 115.134 Specialized training: Investigations.

(a) In addition to the general training provided to all employees and volunteers pursuant to §115.131, the agency shall ensure that, to the extent the agency itself conducts sexual abuse investigations, its investigators have received training in conducting such investigations in confinement settings.

(b) Specialized training shall include techniques for interviewing sexual abuse victims, proper use of Miranda and Garrity warnings, sexual abuse evidence collection in confinement settings, and the criteria and evidence required to substantiate a case for administrative action or prosecution referral.

(c) The agency shall maintain documentation that agency investigators have completed the required specialized training in conducting sexual abuse investigations.
(d) Any State entity or Department of Justice component that investigates sexual abuse in lockups shall provide such training to their agents and investigators who conduct such investigations.

§ 115.135 [Reserved]

SCREENING FOR RISK OF SEXUAL VICTIMIZATION AND ABUSIVENESS

§ 115.141 Screening for risk of victimization and abusiveness.

(a) In lockups that are not utilized to house detainees overnight, before placing any detainees together in a holding cell, staff shall consider whether, based on the information before them, a detainee may be at a high risk of being sexually abused and, when appropriate, shall take necessary steps to mitigate any such danger to the detainee.

(b) In lockups that are utilized to house detainees overnight, all detainees shall be screened to assess their risk of being sexually abused by other detainees or sexually abusive toward other detainees.

(c) In lockups described in paragraph (b) of this section, staff shall ask the detainee about his or her own perception of vulnerability.

(d) The screening process in the lockups described in paragraph (b) of this section shall also consider, to the extent that the information is available, the following criteria to screen detainees for risk of sexual victimization:

1. Whether the detainee has a mental, physical, or developmental disability;
2. The age of the detainee;
3. The physical build and appearance of the detainee;
4. Whether the detainee has previously been incarcerated; and

§ 115.167 Agency protection against retaliation.

(a) The agency shall establish a policy to protect all detainees and staff who report sexual abuse or sexual harassment or cooperate with sexual abuse or sexual harassment investigations from retaliation by other detainees or staff, and shall designate which staff members or departments are charged with monitoring retaliation.

(b) The agency shall employ multiple protection measures, such as housing changes or transfers for detainee victims or abusers, removal of alleged staff or detainee abusers from contact with victims, and emotional support services for staff who fear retaliation for reporting sexual abuse or sexual harassment or for cooperating with investigations.

(c) The agency shall monitor the conduct and treatment of detainees or staff who have reported sexual abuse and of detainees who were reported to have suffered sexual abuse, and shall act promptly to remedy any such retaliation.

(d) If any other individual who cooperates with an investigation expresses a fear of retaliation, the agency shall take appropriate measures to protect that individual against retaliation.

(e) An agency’s obligation to monitor shall terminate if the agency determines that the allegation is unfounded.

§ 115.168 [Reserved]

INVESTIGATIONS

§ 115.171 Criminal and administrative agency investigations.

(a) When the agency conducts its own investigations into allegations of sexual abuse and sexual harassment, it shall do so promptly, thoroughly, and objectively for all allegations, including third-party and anonymous reports.

(b) Where sexual abuse is alleged, the agency shall use investigators who have received special training in sexual abuse investigations pursuant to §115.134.

(c) Investigators shall gather and preserve direct and circumstantial evidence, including any available physical and DNA evidence and any available electronic monitoring data; shall interview alleged victims, suspected perpetrators, and witnesses; and shall review prior complaints and reports of sexual abuse involving the suspected perpetrator.

(d) When the quality of evidence appears to support criminal prosecution, the agency shall conduct compelled interviews only after consulting with prosecutors as to whether compelled interviews may be an obstacle for subsequent criminal prosecution.

(e) The credibility of an alleged victim, suspect, or witness shall be assessed on an individual basis and shall not be determined by the person’s status as detainee or staff. No agency shall require a detainee who alleges sexual abuse to submit to a polygraph examination or other truth-telling device as a condition for proceeding with the investigation of such an allegation.

(f) Administrative investigations:

(1) Shall include an effort to determine whether staff actions or failures to act contributed to the abuse; and

(2) Shall be documented in written reports that include a description of the physical and testimonial evidence, the reasoning behind credibility assessments, and investigative facts and findings.

(g) Criminal investigations shall be documented in a written report that contains a thorough description of physical, testimonial, and documentary evidence and attaches copies of all documentary evidence where feasible.

(h) Substantiated allegations of conduct that appears to be criminal shall be referred for prosecution.

(i) The agency shall retain all written reports referenced in paragraphs (f) and (g) of this section for as long as the alleged abuser is incarcerated or employed by the agency, plus five years.

(j) The departure of the alleged abuser or victim from the employment or control of the lockup or agency shall not provide a basis for terminating an investigation.

(k) Any State entity or Department of Justice component that conducts
such investigations shall do so pursuant to the above requirements.

(l) When outside agencies investigate sexual abuse, the agency shall cooperate with outside investigators and shall endeavor to remain informed about the progress of the investigation.

§ 115.172 Evidentiary standard for administrative investigations.

The agency shall impose no standard higher than a preponderance of the evidence in determining whether allegations of sexual abuse or sexual harassment are substantiated.

§ 115.173 [Reserved]

DISCIPLINE

§ 115.176 Disciplinary sanctions for staff.

(a) Staff shall be subject to disciplinary sanctions up to and including termination for violating agency sexual abuse or sexual harassment policies.

(b) Termination shall be the presumptive disciplinary sanction for staff who have engaged in sexual abuse.

(c) Disciplinary sanctions for violations of agency policies relating to sexual abuse or sexual harassment (other than actually engaging in sexual abuse) shall be commensurate with the nature and circumstances of the acts committed, the staff member’s disciplinary history, and the sanctions imposed for comparable offenses by other staff with similar histories.

(d) All terminations for violations of agency sexual abuse or sexual harassment policies, or resignations by staff who would have been terminated if not for their resignation, shall be reported to law enforcement agencies, unless the activity was clearly not criminal, and to any relevant licensing bodies.

§ 115.177 Corrective action for contractors and volunteers.

(a) Any contractor or volunteer who engages in sexual abuse shall be prohibited from contact with detainees and shall be reported to law enforcement agencies, unless the activity was clearly not criminal, and to relevant licensing bodies.

(b) The facility shall take appropriate remedial measures, and shall consider whether to prohibit further contact with detainees, in the case of any other violation of agency sexual abuse or sexual harassment policies by a contractor or volunteer.

§ 115.178 Referrals for prosecution for detainee-on-detainee sexual abuse.

(a) When there is probable cause to believe that a detainee sexually abused another detainee in a lockup, the agency shall refer the matter to the appropriate prosecuting authority.

(b) To the extent the agency itself is not responsible for investigating allegations of sexual abuse, the agency shall inform the investigating entity of this policy.

(c) Any State entity or Department of Justice component that is responsible for investigating allegations of sexual abuse in lockups shall be subject to this requirement.

MEDICAL AND MENTAL CARE

§ 115.181 [Reserved]

§ 115.182 Access to emergency medical services.

(a) Detainee victims of sexual abuse in lockups shall receive timely, unimpeded access to emergency medical treatment.

(b) Treatment services shall be provided to the victim without financial cost and regardless of whether the victim names the abuser or cooperates with any investigation arising out of the incident.

§ 115.183 [Reserved]

DATA COLLECTION AND REVIEW

§ 115.186 Sexual abuse incident reviews.

(a) The lockup shall conduct a sexual abuse incident review at the conclusion of every sexual abuse investigation, including where the allegation has not been substantiated, unless the allegation has been determined to be unfounded.

(b) Such review shall ordinarily occur within 30 days of the conclusion of the investigation.

(c) The review team shall include upper-level management officials, with input from line supervisors and investigators.
(d) The review team shall:
(1) Consider whether the allegation or investigation indicates a need to change policy or practice to better prevent, detect, or respond to sexual abuse;
(2) Consider whether the incident or allegation was motivated by race; ethnicity; gender identity; lesbigay, bisexual, transgender, or intersex identification, status, or perceived status; or gang affiliation; or was motivated or otherwise caused by other group dynamics at the lockup;
(3) Examine the area in the lockup where the incident allegedly occurred to assess whether physical barriers in the area may enable abuse;
(4) Assess the adequacy of staffing levels in that area during different shifts;
(5) Assess whether monitoring technology should be deployed or augmented to supplement supervision by staff; and
(6) Prepare a report of its findings, including but not necessarily limited to determinations made pursuant to paragraphs (d)(1) through (d)(5) of this section, and any recommendations for improvement and submit such report to the lockup head and agency PREA coordinator.
(e) The lockup shall implement the recommendations for improvement, or shall document its reasons for not doing so.

§ 115.187 Data collection.
(a) The agency shall collect accurate, uniform data for every allegation of sexual abuse at lockups under its direct control using a standardized instrument and set of definitions.
(b) The agency shall aggregate the incident-based sexual abuse data at least annually.
(c) The incident-based data collected shall include, at a minimum, the data necessary to answer all questions from the most recent version of the Local Jail Jurisdictions Survey of Sexual Violence conducted by the Department of Justice, or any subsequent form developed by the Department of Justice and designated for lockups.
(d) The agency shall maintain, review, and collect data as needed from all available incident-based documents, including reports, investigation files, and sexual abuse incident reviews.
(e) The agency also shall obtain incident-based and aggregated data from any private agency with which it contracts for the confinement of its detainees.
(f) Upon request, the agency shall provide all such data from the previous calendar year to the Department of Justice no later than June 30.

§ 115.188 Data review for corrective action.
(a) The agency shall review data collected and aggregated pursuant to § 115.187 in order to assess and improve the effectiveness of its sexual abuse prevention, detection, and response policies, practices, and training, including:
(1) Identifying problem areas;
(2) Taking corrective action on an ongoing basis; and
(3) Preparing an annual report of its findings and corrective actions for each lockup, as well as the agency as a whole.
(b) Such report shall include a comparison of the current year's data and corrective actions with those from prior years and shall provide an assessment of the agency’s progress in addressing sexual abuse.
(c) The agency’s report shall be approved by the agency head and made readily available to the public through its Web site or, if it does not have one, through other means.
(d) The agency may redact specific material from the reports when publication would present a clear and specific threat to the safety and security of a lockup, but must indicate the nature of the material redacted.

§ 115.189 Data storage, publication, and destruction.
(a) The agency shall ensure that data collected pursuant to § 115.187 are securely retained.
(b) The agency shall make all aggregated sexual abuse data, from lockups under its direct control and any private agencies with which it contracts, readily available to the public at least annually through its Web site or, if it does not have one, through other means.
§ 115.193

(c) Before making aggregated sexual abuse data publicly available, the agency shall remove all personal identifiers.

(d) The agency shall maintain sexual abuse data collected pursuant to §115.167 for at least 10 years after the date of the initial collection unless Federal, State, or local law requires otherwise.

AUDITS

§ 115.193 Audits of standards.

The agency shall conduct audits pursuant to §§115.401 through 115.405. Audits need not be conducted of individual lockups that are not utilized to house detainees overnight.

Subpart C—Standards for Community Confinement Facilities

PREVENTION PLANNING

§ 115.211 Zero tolerance of sexual abuse and sexual harassment; PREA coordinator.

(a) An agency shall have a written policy mandating zero tolerance toward all forms of sexual abuse and sexual harassment and outlining the agency’s approach to preventing, detecting, and responding to such conduct.

(b) An agency shall employ or designate an upper-level, agency-wide PREA coordinator, with sufficient time and authority to develop, implement, and oversee agency efforts to comply with the PREA standards in all of its community confinement facilities.

§ 115.212 Contracting with other entities for the confinement of residents.

(a) A public agency that contracts for the confinement of its residents with private agencies or other entities, including other government agencies, shall include in any new contract or contract renewal the entity’s obligation to adopt and comply with the PREA standards.

(b) Any new contract or contract renewal shall provide for agency contract monitoring to ensure that the contractor is complying with the PREA standards.

(c) Only in emergency circumstances in which all reasonable attempts to find a private agency or other entity in compliance with the PREA standards have failed, may the agency enter into a contract with an entity that fails to comply with these standards. In such a case, the public agency shall document its unsuccessful attempts to find an entity in compliance with the standards.

§ 115.213 Supervision and monitoring.

(a) For each facility, the agency shall develop and document a staffing plan that provides for adequate levels of staffing, and, where applicable, video monitoring, to protect residents against sexual abuse. In calculating adequate staffing levels and determining the need for video monitoring, agencies shall take into consideration:

1. The physical layout of each facility;
2. The composition of the resident population;
3. The prevalence of substantiated and unsubstantiated incidents of sexual abuse; and
4. Any other relevant factors.

(b) In circumstances where the staffing plan is not complied with, the facility shall document and justify all deviations from the plan.

(c) Whenever necessary, but no less frequently than once each year, the facility shall assess, determine, and document whether adjustments are needed to:

1. The staffing plan established pursuant to paragraph (a) of this section;
2. Prevailing staffing patterns;
3. The facility’s deployment of video monitoring systems and other monitoring technologies; and
4. The resources the facility has available to commit to ensure adequate staffing levels.

§ 115.214 [Reserved]

§ 115.215 Limits to cross-gender viewing and searches.

(a) The facility shall not conduct cross-gender strip searches or cross-gender visual body cavity searches (meaning a search of the anal or genital opening) except in exigent circumstances or when performed by medical practitioners.
§ 115.217 Hiring and promotion decisions.

(a) The agency shall not hire or promote anyone who may have contact with residents, and shall not enlist the

§ 115.216 Residents with disabilities and residents who are limited English proficient.

(a) The agency shall take appropriate steps to ensure that residents with disabilities (including, for example, residents who are deaf or hard of hearing, those who are blind or have low vision, or those who have intellectual, psychiatric, or speech disabilities), have an equal opportunity to participate in or benefit from all aspects of the agency’s efforts to prevent, detect, and respond to sexual abuse and sexual harassment. Such steps shall include, when necessary to ensure effective communication with residents who are deaf or hard of hearing, providing access to interpreters who can interpret effectively, accurately, and impartially, both receptively and expressively, using any necessary specialized vocabulary. In addition, the agency shall ensure that written materials are provided in formats or through methods that ensure effective communication with residents with disabilities, including residents who have intellectual disabilities, limited reading skills, or who are blind or have low vision. An agency is not required to take actions that it can demonstrate would result in a fundamental alteration in the nature of a service, program, or activity, or in undue financial and administrative burdens, as those terms are used in regulations promulgated under title II of the Americans With Disabilities Act, 28 CFR 35.164.

(b) The agency shall take reasonable steps to ensure meaningful access to all aspects of the agency’s efforts to prevent, detect, and respond to sexual abuse and sexual harassment to residents who are limited English proficient, including steps to provide interpreters who can interpret effectively, accurately, and impartially, both receptively and expressively, using any necessary specialized vocabulary.

(c) The agency shall not rely on resident interpreters, resident readers, or other types of resident assistants except in limited circumstances where an extended delay in obtaining an effective interpreter could compromise the resident’s safety, the performance of first-response duties under §115.264, or the investigation of the resident’s allegations.

§ 115.217 Hiring and promotion decisions.

(a) The agency shall not hire or promote anyone who may have contact with residents, and shall not enlist the
services of any contractor who may have contact with residents, who—

(1) Has engaged in sexual abuse in a prison, jail, lockup, community confinement facility, juvenile facility, or other institution (as defined in 42 U.S.C. 1997);

(2) Has been convicted of engaging or attempting to engage in sexual activity in the community facilitated by force, overt or implied threats of force, or coercion, or if the victim did not consent or was unable to consent or refuse; or

(3) Has been civilly or administratively adjudicated to have engaged in the activity described in paragraph (a)(2) of this section.

(b) The agency shall consider any incidents of sexual harassment in determining whether to hire or promote anyone, or to enlist the services of any contractor, who may have contact with residents.

(c) Before hiring new employees who may have contact with residents, the agency shall:

(1) Perform a criminal background records check; and

(2) Consistent with Federal, State, and local law, make its best efforts to contact all prior institutional employers for information on substantiated allegations of sexual abuse or any resignation during a pending investigation of an allegation of sexual abuse.

(d) The agency shall also perform a criminal background records check before enlisting the services of any contractor who may have contact with residents.

(e) The agency shall either conduct criminal background records checks at least every five years of current employees and contractors who may have contact with residents or have in place a system for otherwise capturing such information for current employees.

(f) The agency shall also ask all applicants and employees who may have contact with residents directly about previous misconduct described in paragraph (a) of this section in written applications or interviews for hiring or promotions and in any interviews or written self-evaluations conducted as part of reviews of current employees. The agency shall also impose upon employees a continuing affirmative duty to disclose any such misconduct.

(g) Material omissions regarding such misconduct, or the provision of materially false information, shall be grounds for termination.

(h) Unless prohibited by law, the agency shall provide information on substantiated allegations of sexual abuse or sexual harassment involving a former employee upon receiving a request from an institutional employer for whom such employee has applied to work.

§ 115.218 Upgrades to facilities and technologies.

(a) When designing or acquiring any new facility and in planning any substantial expansion or modification of existing facilities, the agency shall consider the effect of the design, acquisition, expansion, or modification upon the agency’s ability to protect residents from sexual abuse.

(b) When installing or updating a video monitoring system, electronic surveillance system, or other monitoring technology, the agency shall consider how such technology may enhance the agency’s ability to protect residents from sexual abuse.

RESPONSIVE PLANNING

§ 115.221 Evidence protocol and forensic medical examinations.

(a) To the extent the agency is responsible for investigating allegations of sexual abuse, the agency shall follow a uniform evidence protocol that maximizes the potential for obtaining usable physical evidence for administrative proceedings and criminal prosecutions.

(b) The protocol shall be developmentally appropriate for youth where applicable, and, as appropriate, shall be adapted from or otherwise based on the most recent edition of the U.S. Department of Justice’s Office on Violence Against Women publication, “A National Protocol for Sexual Assault Medical Forensic Examinations, Adults/Adolescents,” or similarly comprehensive and authoritative protocols developed after 2011.
(c) The agency shall offer all victims of sexual abuse access to forensic medical examinations whether on-site or at an outside facility, without financial cost, where evidentiarily or medically appropriate. Such examinations shall be performed by Sexual Assault Forensic Examiners (SAFEs) or Sexual Assault Nurse Examiners (SANEs) where possible. If SAFEs or SANEs cannot be made available, the examination can be performed by other qualified medical practitioners. The agency shall document its efforts to provide SAFEs or SANEs.

(d) The agency shall attempt to make available to the victim a victim advocate from a rape crisis center. If a rape crisis center is not available to provide victim advocate services, the agency shall make available to provide these services a qualified staff member from a community-based organization or a qualified agency staff member. Agencies shall document efforts to secure services from rape crisis centers. For the purpose of this standard, a rape crisis center refers to an entity that provides intervention and related assistance, such as the services specified in 42 U.S.C. 14043g(b)(2)(C), to victims of sexual assault of all ages. The agency may utilize a rape crisis center that is part of a governmental unit as long as the center is not part of the criminal justice system (such as a law enforcement agency) and offers a comparable level of confidentiality as a nongovernmental entity that provides similar victim services.

(e) As requested by the victim, the victim advocate, qualified agency staff member, or qualified community-based organization staff member shall accompany and support the victim through the forensic medical examination process and investigatory interviews and shall provide emotional support, crisis intervention, information, and referrals.

(f) To the extent the agency itself is not responsible for investigating allegations of sexual abuse, the agency shall request that the investigating agency follow the requirements of paragraphs (a) through (e) of this section.

(g) The requirements of paragraphs (a) through (f) of this section shall also apply to:

(1) Any State entity outside of the agency that is responsible for investigating allegations of sexual abuse in community confinement facilities; and

(2) Any Department of Justice component that is responsible for investigating allegations of sexual abuse in community confinement facilities.

(h) For the purposes of this standard, a qualified agency staff member or a qualified community-based staff member shall be an individual who has been screened for appropriateness to serve in this role and has received education concerning sexual assault and forensic examination issues in general.

§ 115.222 Policies to ensure referrals of allegations for investigations.

(a) The agency shall ensure that an administrative or criminal investigation is completed for all allegations of sexual abuse and sexual harassment.

(b) The agency shall have in place a policy to ensure that allegations of sexual abuse or sexual harassment are referred for investigation to an agency with the legal authority to conduct criminal investigations, unless the allegation does not involve potentially criminal behavior. The agency shall publish such policy on its Web site or, if it does not have one, make the policy available through other means. The agency shall document all such referrals.

(c) If a separate entity is responsible for conducting criminal investigations, such publication shall describe the responsibilities of both the agency and the investigating entity.

(d) Any State entity responsible for conducting administrative or criminal investigations of sexual abuse or sexual harassment in community confinement facilities shall have in place a policy governing the conduct of such investigations.

(e) Any Department of Justice component responsible for conducting administrative or criminal investigations of sexual abuse or sexual harassment in community confinement facilities shall have in place a policy governing the conduct of such investigations.
§ 115.231 Employee training.

(a) The agency shall train all employees who may have contact with residents on:

1. Its zero-tolerance policy for sexual abuse and sexual harassment;
2. How to fulfill their responsibilities under agency sexual abuse and sexual harassment prevention, detection, reporting, and response policies and procedures;
3. Residents’ right to be free from sexual abuse and sexual harassment;
4. The right of residents and employees to be free from retaliation for reporting sexual abuse and sexual harassment;
5. The dynamics of sexual abuse and sexual harassment in confinement;
6. The common reactions of sexual abuse and sexual harassment victims;
7. How to detect and respond to signs of threatened and actual sexual abuse;
8. How to avoid inappropriate relationships with residents;
9. How to communicate effectively and professionally with residents, including lesbian, gay, bisexual, transgender, intersex, or gender nonconforming residents; and
10. How to comply with relevant laws related to mandatory reporting of sexual abuse to outside authorities.

(b) Such training shall be tailored to the gender of the residents at the employee’s facility. The employee shall receive additional training if the employee is reassigned from a facility that houses only male residents to a facility that houses only female residents, or vice versa.

(c) All current employees who have not received such training shall be trained within one year of the effective date of the PREA standards, and the agency shall provide each employee with refresher training every two years to ensure that all employees know the agency’s current sexual abuse and sexual harassment policies and procedures. In years in which an employee does not receive refresher training, the agency shall provide refresher information on current sexual abuse and sexual harassment policies.

(d) The agency shall document, through employee signature or electronic verification, that employees understand the training they have received.

§ 115.232 Volunteer and contractor training.

(a) The agency shall ensure that all volunteers and contractors who have contact with residents have been trained on their responsibilities under the agency’s sexual abuse and sexual harassment prevention, detection, and response policies and procedures.

(b) The level and type of training provided to volunteers and contractors shall be based on the services they provide and level of contact they have with residents, but all volunteers and contractors who have contact with residents shall be notified of the agency’s zero-tolerance policy regarding sexual abuse and sexual harassment and informed how to report such incidents.

(c) The agency shall maintain documentation confirming that volunteers and contractors understand the training they have received.

§ 115.233 Resident education.

(a) During the intake process, residents shall receive information explaining the agency’s zero-tolerance policy regarding sexual abuse and sexual harassment, how to report incidents or suspicions of sexual abuse or sexual harassment, their rights to be free from sexual abuse and sexual harassment and to be free from retaliation for reporting such incidents, and regarding agency policies and procedures for responding to such incidents.

(b) The agency shall provide refresher information whenever a resident is transferred to a different facility.

(c) The agency shall provide resident education in formats accessible to all residents, including those who are limited English proficient, deaf, visually impaired, or otherwise disabled as well as residents who have limited reading skills.

(d) The agency shall maintain documentation of resident participation in these education sessions.

(e) In addition to providing such education, the agency shall ensure that
Department of Justice

§ 115.234 Specialized training: Investigations.

(a) In addition to the general training provided to all employees pursuant to §115.231, the agency shall ensure that, to the extent the agency itself conducts sexual abuse investigations, its investigators have received training in conducting such investigations in confinement settings.

(b) Specialized training shall include techniques for interviewing sexual abuse victims, proper use of Miranda and Garrity warnings, sexual abuse evidence collection in confinement settings, and the criteria and evidence required to substantiate a case for administrative action or prosecution referral.

(c) The agency shall maintain documentation that agency investigators have completed the required specialized training in conducting sexual abuse investigations.

(d) Any State entity or Department of Justice component that investigates sexual abuse in confinement settings shall provide such training to its agents and investigators who conduct such investigations.

§ 115.235 Specialized training: Medical and mental health care.

(a) The agency shall ensure that all full- and part-time medical and mental health care practitioners who work regularly in its facilities have been trained in:

(1) How to detect and assess signs of sexual abuse and sexual harassment;
(2) How to preserve physical evidence of sexual abuse;
(3) How to respond effectively and professionally to victims of sexual abuse and sexual harassment; and
(4) How and to whom to report allegations or suspicions of sexual abuse and sexual harassment.

(b) If medical staff engaged in forensic examinations, such medical staff shall receive the appropriate training to conduct such examinations.

(c) The agency shall maintain documentation that medical and mental health practitioners have received the training referenced in this standard either from the agency or elsewhere.

(d) Medical and mental health care practitioners shall also receive the training mandated for employees under §115.231 or for contractors and volunteers under §115.232, depending upon the practitioner’s status at the agency.

§ 115.241 Screening for risk of sexual victimization and abusiveness.

(a) All residents shall be assessed during an intake screening and upon transfer to another facility for their risk of being sexually abused by other residents or sexually abusive toward other residents.

(b) Intake screening shall ordinarily take place within 72 hours of arrival at the facility.

(c) Such assessments shall be conducted using an objective screening instrument.

(d) The intake screening shall consider, at a minimum, the following criteria to assess residents for risk of sexual victimization:

(1) Whether the resident has a mental, physical, or developmental disability;
(2) The age of the resident;
(3) The physical build of the resident;
(4) Whether the resident has previously been incarcerated;
(5) Whether the resident’s criminal history is exclusively nonviolent;
(6) Whether the resident has prior convictions for sex offenses against an adult or child;
(7) Whether the resident is or is perceived to be gay, lesbian, bisexual, transgender, intersex, or gender non-conforming;
(8) Whether the resident has previously experienced sexual victimization; and
(9) The resident’s own perception of vulnerability.

(e) The intake screening shall consider prior acts of sexual abuse, prior convictions for violent offenses, and history of prior institutional violence.
§ 115.242 Use of screening information.

(a) The agency shall use information from the risk screening required by §115.241 to inform housing, bed, work, education, and program assignments with the goal of keeping separate those residents at high risk of being sexually victimized from those at high risk of being sexually abusive.

(b) The agency shall make individualized determinations about how to ensure the safety of each resident.

(c) In deciding whether to assign a transgender or intersex resident to a facility for male or female residents, and in making other housing and program assignments, the agency shall consider on a case-by-case basis whether a placement would ensure the resident’s health and safety, and whether the placement would present management or security problems.

(d) A transgender or intersex resident’s own views with respect to his or her own safety shall be given serious consideration.

(e) Transgender and intersex residents shall be given the opportunity to shower separately from other residents.

(f) The agency shall not place lesbian, gay, bisexual, transgender, or intersex residents in dedicated facilities, units, or wings solely on the basis of such identification or status, unless such placement is in a dedicated facility unit, or wing established in connection with a consent decree, legal settlement, or legal judgment for the purpose of protecting such residents.

§ 115.243 [Reserved]

§ 115.251 Resident reporting.

(a) The agency shall provide multiple internal ways for residents to privately report sexual abuse and sexual harassment, retaliation by other residents or staff for reporting sexual abuse and sexual harassment, and staff neglect or violation of responsibilities that may have contributed to such incidents.

(b) The agency shall also inform residents of at least one way to report abuse or harassment to a public or private entity or office that is not part of the agency and that is able to receive and immediately forward resident reports of sexual abuse and sexual harassment to agency officials, allowing the resident to remain anonymous upon request.

(c) Staff shall accept reports made verbally, in writing, anonymously, and from third parties and shall promptly document any verbal reports.

(d) The agency shall provide a method for staff to privately report sexual abuse and sexual harassment of residents.

§ 115.252 Exhaustion of administrative remedies.

(a) An agency shall be exempt from this standard if it does not have administrative procedures to address resident grievances regarding sexual abuse.

(b)(1) The agency shall not impose a time limit on when a resident may submit a grievance regarding an allegation of sexual abuse.

(2) The agency may apply otherwise-applicable time limits on any portion
of a grievance that does not allege an incident of sexual abuse.
(3) The agency shall not require a resident to use any informal grievance process, or to otherwise attempt to resolve with staff, an alleged incident of sexual abuse.
(4) Nothing in this section shall restrict the agency’s ability to defend against a lawsuit filed by a resident on the ground that the applicable statute of limitations has expired.
(c) The agency shall ensure that—
(1) A resident who alleges sexual abuse may submit a grievance without submitting it to a staff member who is the subject of the complaint, and
(2) Such grievance is not referred to a staff member who is the subject of the complaint.
(d)(1) The agency shall issue a final agency decision on the merits of any portion of a grievance alleging sexual abuse within 90 days of the initial filing of the grievance.
(2) Computation of the 90-day time period shall not include time consumed by residents in preparing any administrative appeal.
(3) The agency may claim an extension of time to respond, of up to 70 days, if the normal time period for response is insufficient to make an appropriate decision. The agency shall notify the resident in writing of any such extension and provide a date by which a decision will be made.
(4) At any level of the administrative process, including the final level, if the resident does not receive a response within the time allotted for reply, including any properly noticed extension, the resident may consider the absence of a response to be a denial at that level.
(e)(1) Third parties, including fellow residents, staff members, family members, attorneys, and outside advocates, shall be permitted to assist residents in filing requests for administrative remedies relating to allegations of sexual abuse, and shall also be permitted to file such requests on behalf of residents.
(2) If a third party files such a request on behalf of a resident, the facility may require as a condition of processing the request that the alleged victim agree to have the request filed on his or her behalf, and may also require the alleged victim to personally pursue any subsequent steps in the administrative remedy process.
(f)(1) The agency shall establish procedures for the filing of an emergency grievance alleging that a resident is subject to a substantial risk of imminent sexual abuse.
(2) After receiving an emergency grievance alleging a resident is subject to a substantial risk of imminent sexual abuse, the agency shall immediately forward the grievance (or any portion thereof that alleges the substantial risk of imminent sexual abuse) to a level of review at which immediate corrective action may be taken, shall provide an initial response within 48 hours, and shall issue a final agency decision within 5 calendar days. The initial response and final agency decision shall document the agency’s determination whether the resident is in substantial risk of imminent sexual abuse and the action taken in response to the emergency grievance.
(g) The agency may discipline a resident for filing a grievance related to alleged sexual abuse only where the agency demonstrates that the resident filed the grievance in bad faith.
§ 115.253 Resident access to outside confidential support services.
(a) The facility shall provide residents with access to outside victim advocates for emotional support services related to sexual abuse by giving residents mailing addresses and telephone numbers, including toll-free hotline numbers where available, of local, State, or national victim advocacy or rape crisis organizations, and by enabling reasonable communication between residents and these organizations, in as confidential a manner as possible.
(b) The facility shall inform residents, prior to giving them access, of the extent to which such communications will be monitored and the extent to which reports of abuse will be forwarded to authorities in accordance with mandatory reporting laws.
§ 115.254 Third-party reporting.

The agency shall establish a method to receive third-party reports of sexual abuse and sexual harassment and shall distribute publicly information on how to report sexual abuse and sexual harassment on behalf of a resident.

OFFICIAL RESPONSE FOLLOWING A RESIDENT REPORT

§ 115.261 Staff and agency reporting duties.

(a) The agency shall require all staff to report immediately and according to agency policy any knowledge, suspicion, or information regarding an incident of sexual abuse or sexual harassment that occurred in a facility, whether or not it is part of the agency; retaliation against residents or staff who reported such an incident; and any staff neglect or violation of responsibilities that may have contributed to an incident or retaliation.

(b) Apart from reporting to designated supervisors or officials, staff shall not reveal any information related to a sexual abuse report to anyone other than to the extent necessary, as specified in agency policy, to make treatment, investigation, and other security and management decisions.

(c) Unless otherwise precluded by Federal, State, or local law, medical and mental health practitioners shall be required to report sexual abuse pursuant to paragraph (a) of this section and to inform residents of the practitioner’s duty to report, and the limitations of confidentiality, at the initiation of services.

(d) If the alleged victim is under the age of 18 or considered a vulnerable adult under a State or local vulnerable persons statute, the agency shall report the allegation to the designated State or local services agency under applicable mandatory reporting laws.

§ 115.262 Agency protection duties.

When an agency learns that a resident is subject to a substantial risk of imminent sexual abuse, it shall take immediate action to protect the resident.

§ 115.263 Reporting to other confinement facilities.

(a) Upon receiving an allegation that a resident was sexually abused while confined at another facility, the head of the facility that received the allegation shall notify the head of the facility or appropriate office of the agency where the alleged abuse occurred.

(b) Such notification shall be provided as soon as possible, but no later than 72 hours after receiving the allegation.

(c) The agency shall document that it has provided such notification.

(d) The facility head or agency office that receives such notification shall ensure that the allegation is investigated in accordance with these standards.

§ 115.264 Staff first responder duties.

(a) Upon learning of an allegation that a resident was sexually abused, the first security staff member to respond to the report shall be required to:

(1) Separate the alleged victim and abuser;

(2) Preserve and protect any crime scene until appropriate steps can be taken to collect any evidence;

(3) If the abuse occurred within a time period that still allows for the collection of physical evidence, request that the alleged victim not take any actions that could destroy physical evidence, including, as appropriate, washing, brushing teeth, changing clothes, urinating, defecating, smoking, drinking, or eating; and

(4) If the abuse occurred within a time period that still allows for the collection of physical evidence, ensure
that the alleged abuser does not take any actions that could destroy physical evidence, including, as appropriate, washing, brushing teeth, changing clothes, urinating, defecating, smoking, drinking, or eating.

(b) If the first staff responder is not a security staff member, the responder shall be required to request that the alleged victim not take any actions that could destroy physical evidence and then notify security staff.

§ 115.265 Coordinated response.

The facility shall develop a written institutional plan to coordinate actions taken in response to an incident of sexual abuse, among staff first responders, medical and mental health practitioners, investigators, and facility leadership.

§ 115.266 Preservation of ability to protect residents from contact with abusers

(a) Neither the agency nor any other governmental entity responsible for collective bargaining on the agency’s behalf shall enter into or renew any collective bargaining agreement or other agreement that limits the agency’s ability to remove alleged staff sexual abusers from contact with residents pending the outcome of an investigation or of a determination of whether and to what extent discipline is warranted.

(b) Nothing in this standard shall restrict the entering into or renewal of agreements that govern:

1. The conduct of the disciplinary process, as long as such agreements are not inconsistent with the provisions of §§ 115.272 and 115.276; or

2. Whether a no-contact assignment that is imposed pending the outcome of an investigation shall be expunged from or retained in the staff member’s personnel file following a determination that the allegation of sexual abuse is not substantiated.

§ 115.267 Agency protection against retaliation.

(a) The agency shall establish a policy to protect all residents and staff who report sexual abuse or sexual harassment or cooperate with sexual abuse or sexual harassment investigations from retaliation by other residents or staff and shall designate which staff members or departments are charged with monitoring retaliation.

(b) The agency shall employ multiple protection measures, such as housing changes or transfers for resident victims or abusers, removal of alleged staff or resident abusers from contact with victims, and emotional support services for residents or staff who fear retaliation for reporting sexual abuse or sexual harassment or for cooperating with investigations.

(c) For at least 90 days following a report of sexual abuse, the agency shall monitor the conduct and treatment of residents or staff who reported the sexual abuse and of residents who were reported to have suffered sexual abuse to see if there are changes that may suggest possible retaliation by residents or staff, and shall act promptly to remedy any such retaliation. Items the agency should monitor include any resident disciplinary reports, housing, or program changes, or negative performance reviews or reassignments of staff. The agency shall continue such monitoring beyond 90 days if the initial monitoring indicates a continuing need.

(d) In the case of residents, such monitoring shall also include periodic status checks.

(e) If any other individual who cooperates with an investigation expresses a fear of retaliation, the agency shall take appropriate measures to protect that individual against retaliation.

(f) An agency’s obligation to monitor shall terminate if the agency determines that the allegation is unfounded.

§ 115.268 [Reserved]

INVESTIGATIONS

§ 115.271 Criminal and administrative agency investigations.

(a) When the agency conducts its own investigations into allegations of sexual abuse and sexual harassment, it shall do so promptly, thoroughly, and objectively for all allegations, including third-party and anonymous reports.

(b) Where sexual abuse is alleged, the agency shall use investigators who have received special training in sexual
§ 115.272 Evidentiary standard for administrative investigations.

The agency shall impose no standard higher than a preponderance of the evidence in determining whether allegations of sexual abuse or sexual harassment are substantiated.

§ 115.273 Reporting to residents.

(a) Following an investigation into a resident’s allegation of sexual abuse suffered in an agency facility, the agency shall inform the resident as to whether the allegation has been determined to be substantiated, unsubstantiated, or unfounded.

(b) If the agency did not conduct the investigation, it shall request the relevant information from the investigative agency in order to inform the resident.

(c) Following a resident’s allegation that a staff member has committed sexual abuse against the resident, the agency shall subsequently inform the resident (unless the agency has determined that the allegation is unfounded) whenever:

(1) The staff member is no longer posted within the resident’s unit;

(2) The staff member is no longer employed at the facility;

(3) The agency learns that the staff member has been indicted on a charge related to sexual abuse within the facility; or

(4) The agency learns that the staff member has been convicted on a charge related to sexual abuse within the facility.

(d) Following a resident’s allegation that he or she has been sexually abused by another resident, the agency shall subsequently inform the alleged victim whenever:

(1) The agency learns that the alleged abuser has been indicted on a charge related to sexual abuse within the facility; or

(k) Any State entity or Department of Justice component that conducts such investigations shall do so pursuant to the above requirements.

(l) When outside agencies investigate sexual abuse, the facility shall cooperate with outside investigators and shall endeavor to remain informed about the progress of the investigation.
(2) The agency learns that the alleged abuser has been convicted on a charge related to sexual abuse within the facility.

(e) All such notifications or attempted notifications shall be documented.

(f) An agency’s obligation to report under this standard shall terminate if the resident is released from the agency’s custody.

Discipline

§ 115.276 Disciplinary sanctions for staff.

(a) Staff shall be subject to disciplinary sanctions up to and including termination for violating agency sexual abuse or sexual harassment policies.

(b) Termination shall be the presumptive disciplinary sanction for staff who have engaged in sexual abuse.

(c) Disciplinary sanctions for violations of agency policies relating to sexual abuse or sexual harassment (other than actually engaging in sexual abuse) shall be commensurate with the nature and circumstances of the acts committed, the staff member’s disciplinary history, and the sanctions imposed for comparable offenses by other staff with similar histories.

(d) All terminations for violations of agency sexual abuse or sexual harassment policies, or resignations by staff who would have been terminated if not for their resignation, shall be reported to law enforcement agencies, unless the activity was clearly not criminal, and to any relevant licensing bodies.

§ 115.277 Corrective action for contractors and volunteers.

(a) Any contractor or volunteer who engages in sexual abuse shall be prohibited from contact with residents and shall be reported to law enforcement agencies, unless the activity was clearly not criminal, and to relevant licensing bodies.

(b) The facility shall take appropriate remedial measures, and shall consider whether to prohibit further contact with residents, in the case of any other violation of agency sexual abuse or sexual harassment policies by a contractor or volunteer.

§ 115.278 Disciplinary sanctions for residents.

(a) Residents shall be subject to disciplinary sanctions pursuant to a formal disciplinary process following an administrative finding that the resident engaged in resident-on-resident sexual abuse or following a criminal finding of guilt for resident-on-resident sexual abuse.

(b) Sanctions shall be commensurate with the nature and circumstances of the abuse committed, the resident’s disciplinary history, and the sanctions imposed for comparable offenses by other residents with similar histories.

(c) The disciplinary process shall consider whether a resident’s mental disabilities or mental illness contributed to his or her behavior when determining what type of sanction, if any, should be imposed.

(d) If the facility offers therapy, counseling, or other interventions designed to address and correct underlying reasons or motivations for the abuse, the facility shall consider whether to require the offending resident to participate in such interventions as a condition of access to programming or other benefits.

(e) The agency may discipline a resident for sexual contact with staff only upon a finding that the staff member did not consent to such contact.

(f) For the purpose of disciplinary action, a report of sexual abuse made in good faith based upon a reasonable belief that the alleged conduct occurred shall not constitute falsely reporting an incident or lying, even if an investigation does not establish evidence sufficient to substantiate the allegation.

(g) An agency may, in its discretion, prohibit all sexual activity between residents and may discipline residents for such activity. An agency may not, however, deem such activity to constitute sexual abuse if it determines that the activity is not coerced.
§ 115.281 Access to emergency medical and mental health services.

(a) Resident victims of sexual abuse shall receive timely, unimpeded access to emergency medical treatment and crisis intervention services, the nature and scope of which are determined by medical and mental health practitioners according to their professional judgment.

(b) If no qualified medical or mental health practitioners are on duty at the time a report of recent abuse is made, security staff first responders shall take preliminary steps to protect the victim pursuant to §115.262 and shall immediately notify the appropriate medical and mental health practitioners.

(c) Resident victims of sexual abuse while incarcerated shall be offered timely information about and timely access to emergency contraception and sexually transmitted infections prophylaxis, in accordance with professionally accepted standards of care, where medically appropriate.

(d) Treatment services shall be provided to the victim without financial cost and regardless of whether the victim names the abuser or cooperates with any investigation arising out of the incident.

§ 115.283 Ongoing medical and mental health care for sexual abuse victims and abusers.

(a) The facility shall offer medical and mental health evaluation and, as appropriate, treatment to all residents who have been victimized by sexual abuse in any prison, jail, lockup, or juvenile facility.

(b) The evaluation and treatment of such victims shall include, as appropriate, follow-up services, treatment plans, and, when necessary, referrals for continued care following their transfer to, or placement in, other facilities, or their release from custody.

(c) The facility shall provide such victims with medical and mental health services consistent with the community level of care.

(d) Resident victims of sexually abusive vaginal penetration while incarcerated shall be offered pregnancy tests.

(e) If pregnancy results from conduct specified in paragraph (d) of this section, such victims shall receive timely and comprehensive information about and timely access to all lawful pregnancy-related medical services.

(f) Resident victims of sexual abuse while incarcerated shall be offered tests for sexually transmitted infections as medically appropriate.

(g) Treatment services shall be provided to the victim without financial cost and regardless of whether the victim names the abuser or cooperates with any investigation arising out of the incident.

(h) The facility shall attempt to conduct a mental health evaluation of all known resident-on-resident abusers within 60 days of learning of such abuse history and offer treatment when deemed appropriate by mental health practitioners.

DATA COLLECTION AND REVIEW

§ 115.286 Sexual abuse incident reviews.

(a) The facility shall conduct a sexual abuse incident review at the conclusion of every sexual abuse investigation, including where the allegation has not been substantiated, unless the allegation has been determined to be unfounded.

(b) Such review shall ordinarily occur within 30 days of the conclusion of the investigation.

(c) The review team shall include upper-level management officials, with input from line supervisors, investigators, and medical or mental health practitioners.

(d) The review team shall:

(1) Consider whether the allegation or investigation indicates a need to change policy or practice to better prevent, detect, or respond to sexual abuse;

(2) Consider whether the incident or allegation was motivated by race; ethnicity; gender identity; lesbian, gay, bisexual, transgender, or intersex identification, status, or perceived status; or gang affiliation; or was motivated or otherwise caused by other group dynamics at the facility;
(3) Examine the area in the facility where the incident allegedly occurred to assess whether physical barriers in the area may enable abuse;

(4) Assess the adequacy of staffing levels in that area during different shifts;

(5) Assess whether monitoring technology should be deployed or augmented to supplement supervision by staff; and

(6) Prepare a report of its findings, including but not necessarily limited to determinations made pursuant to paragraphs (d)(1) through (d)(5) of this section, and any recommendations for improvement, and submit such report to the facility head and PREA compliance manager.

c) The facility shall implement the recommendations for improvement, or shall document its reasons for not doing so.

§ 115.287 Data collection.

(a) The agency shall collect accurate, uniform data for every allegation of sexual abuse at facilities under its direct control using a standardized instrument and set of definitions.

(b) The agency shall aggregate the incident-based sexual abuse data at least annually.

(c) The incident-based data collected shall include, at a minimum, the data necessary to answer all questions from the most recent version of the Survey of Sexual Violence conducted by the Department of Justice.

(d) The agency shall maintain, review, and collect data as needed from all available incident-based documents including reports, investigation files, and sexual abuse incident reviews.

(e) The agency also shall obtain incident-based and aggregated data from every private facility with which it contracts for the confinement of its residents.

(f) Upon request, the agency shall provide all such data from the previous calendar year to the Department of Justice no later than June 30.

§ 115.288 Data review for corrective action.

(a) The agency shall review data collected and aggregated pursuant to § 115.287 in order to assess and improve the effectiveness of its sexual abuse prevention, detection, and response policies, practices, and training, including:

(1) Identifying problem areas;

(2) Taking corrective action on an ongoing basis; and

(3) Preparing an annual report of its findings and corrective actions for each facility, as well as the agency as a whole.

(b) Such report shall include a comparison of the current year’s data and corrective actions with those from prior years and shall provide an assessment of the agency’s progress in addressing sexual abuse.

(c) The agency’s report shall be approved by the agency head and made readily available to the public through its Web site or, if it does not have one, through other means.

(d) The agency may redact specific material from the reports when publication would present a clear and specific threat to the safety and security of a facility, but must indicate the nature of the material redacted.

§ 115.289 Data storage, publication, and destruction.

(a) The agency shall ensure that data collected pursuant to § 115.287 are securely retained.

(b) The agency shall make all aggregated sexual abuse data, from facilities under its direct control and private facilities with which it contracts, readily available to the public at least annually through its Web site or, if it does not have one, through other means.

(c) Before making aggregated sexual abuse data publicly available, the agency shall remove all personal identifiers.

(d) The agency shall maintain sexual abuse data collected pursuant to § 115.287 for at least 10 years after the date of the initial collection unless Federal, State, or local law requires otherwise.

Audits

§ 115.293 Audits of standards.

The agency shall conduct audits pursuant to §§ 115.401 through 115.405.
§ 115.311 Zero tolerance of sexual abuse and sexual harassment; PREA coordinator.

(a) An agency shall have a written policy mandating zero tolerance toward all forms of sexual abuse and sexual harassment and outlining the agency’s approach to preventing, detecting, and responding to such conduct.

(b) An agency shall employ or designate an upper-level, agency-wide PREA coordinator with sufficient time and authority to develop, implement, and oversee agency efforts to comply with the PREA standards in all of its facilities.

(c) Where an agency operates more than one facility, each facility shall designate a PREA compliance manager with sufficient time and authority to coordinate the facility’s efforts to comply with the PREA standards.

§ 115.312 Contracting with other entities for the confinement of residents.

(a) A public agency that contracts for the confinement of its residents with private agencies or other entities, including other government agencies, shall include in any new contract or contract renewal the entity’s obligation to adopt and comply with the PREA standards.

(b) Any new contract or contract renewal shall provide for agency contract monitoring to ensure that the contractor is complying with the PREA standards.

§ 115.313 Supervision and monitoring.

(a) The agency shall ensure that each facility it operates shall develop, implement, and document a staffing plan that provides for adequate levels of staffing, and, where applicable, video monitoring, to protect residents against sexual abuse. In calculating adequate staffing levels and determining the need for video monitoring, facilities shall take into consideration:

1. Generally accepted juvenile detention and correctional/secure residential practices;
2. Any judicial findings of inadequacy;
3. Any findings of inadequacy from Federal investigative agencies;
4. Any findings of inadequacy from internal or external oversight bodies;
5. All components of the facility’s physical plant (including “blind spots” or areas where staff or residents may be isolated);
6. The composition of the resident population;
7. The number and placement of supervisory staff;
8. Institution programs occurring on a particular shift;
9. Any applicable State or local laws, regulations, or standards;
10. The prevalence of substantiated and unsubstantiated incidents of sexual abuse; and
11. Any other relevant factors.

(b) The agency shall comply with the staffing plan except during limited and discrete exigent circumstances, and shall fully document deviations from the plan during such circumstances.

(c) Each secure juvenile facility shall maintain staff ratios of a minimum of 1:8 during resident waking hours and 1:16 during resident sleeping hours, except during limited and discrete exigent circumstances, which shall be fully documented. Only security staff shall be included in these ratios. Any facility that, as of the date of publication of this final rule, is not already obligated by law, regulation, or judicial consent decree to maintain the staffing ratios set forth in this paragraph shall have until October 1, 2017, to achieve compliance.

(d) Whenever necessary, but no less frequently than once each year, for each facility the agency operates, in consultation with the PREA coordinator required by §115.311, the agency shall assess, determine, and document whether adjustments are needed to:

1. The staffing plan established pursuant to paragraph (a) of this section;
2. Prevailing staffing patterns;
3. The facility’s deployment of video monitoring systems and other monitoring technologies; and
4. The resources the facility has available to commit to ensure adherence to the staffing plan.
§ 115.316 Residents with disabilities and residents who are limited English proficient.

(a) The agency shall take appropriate steps to ensure that residents with disabilities (including, for example, residents who are deaf or hard of hearing, those who are blind or have low vision, or those who have intellectual, psychiatric, or speech disabilities), have an equal opportunity to participate in or benefit from all aspects of the agency’s efforts to prevent, detect, and respond to sexual abuse and sexual harassment. Such steps shall include, when necessary to ensure effective communication with residents who are deaf or hard of hearing, providing access to interpreters who can interpret effectively, accurately, and impartially, both receptively and expressively, using any necessary specialized vocabulary. In addition, the agency shall ensure that written materials are provided in formats or through methods that ensure effective communication with residents with disabilities, including residents who have intellectual disabilities, limited reading skills, or who are blind or have low vision. An agency is not required to take actions that it can demonstrate would result in a fundamental alteration in the nature of a service, program, or activity, or in undue financial and administrative burdens, as those terms are used in regulations promulgated under title II of the Americans With Disabilities Act, 28 CFR 35.164.

(b) The agency shall take reasonable steps to ensure meaningful access to all aspects of the agency’s efforts to prevent, detect, and respond to sexual abuse and sexual harassment for residents who are limited English proficient.
§ 115.317 Hiring and promotion decisions.

(a) The agency shall not hire or promote anyone who may have contact with residents, and shall not enlist the services of any contractor who may have contact with residents, who—

(1) Has engaged in sexual abuse in a prison, jail, lockup, community confinement facility, juvenile facility, or other institution (as defined in 42 U.S.C. 1997);

(2) Has been convicted of engaging or attempting to engage in sexual activity in the community facilitated by force, overt or implied threats of force, or coercion, or if the victim did not consent or was unable to consent or refuse; or

(3) Has been civilly or administratively adjudicated to have engaged in the activity described in paragraph (a)(2) of this section.

(b) The agency shall consider any incidents of sexual harassment in determining whether to hire or promote anyone, or to enlist the services of any contractor, who may have contact with residents.

(c) Before hiring new employees who may have contact with residents, the agency shall:

(1) Perform a criminal background records check;

(2) Consult any child abuse registry maintained by the State or locality in which the employee would work; and

(3) Consistent with Federal, State, and local law, make its best efforts to contact all prior institutional employ-

ers for information on substantiated allegations of sexual abuse or any resignation during a pending investigation of an allegation of sexual abuse.

(d) The agency shall also perform a criminal background records check, and consult applicable child abuse registries, before enlisting the services of any contractor who may have contact with residents.

(e) The agency shall either conduct criminal background records checks at least every five years of current employees and contractors who may have contact with residents or have in place a system for otherwise capturing such information for current employees.

(f) The agency shall also ask all applicants and employees who may have contact with residents directly about previous misconduct described in paragraph (a) of this section in written applications or interviews for hiring or promotions and in any interviews or written self-evaluations conducted as part of reviews of current employees.

The agency shall also impose upon employees a continuing affirmative duty to disclose any such misconduct.

(g) Material omissions regarding such misconduct, or the provision of materially false information, shall be grounds for termination.

(h) Unless prohibited by law, the agency shall provide information on substantiated allegations of sexual abuse or sexual harassment involving a former employee upon receiving a request from an institutional employer for whom such employee has applied to work.

§ 115.318 Upgrades to facilities and technologies.

(a) When designing or acquiring any new facility and in planning any substantial expansion or modification of existing facilities, the agency shall consider the effect of the design, acquisition, expansion, or modification upon the agency’s ability to protect residents from sexual abuse.

(b) When installing or updating a video monitoring system, electronic surveillance system, or other monitoring technology, the agency shall consider how such technology may enhance the agency’s ability to protect residents from sexual abuse.
RESPONSIVE PLANNING

§ 115.321 Evidence protocol and forensic medical examinations.

(a) To the extent the agency is responsible for investigating allegations of sexual abuse, the agency shall follow a uniform evidence protocol that maximizes the potential for obtaining usable physical evidence for administrative proceedings and criminal prosecutions.

(b) The protocol shall be developmentally appropriate for youth and, as appropriate, shall be adapted from or otherwise based on the most recent edition of the U.S. Department of Justice’s Office on Violence Against Women publication, “A National Protocol for Sexual Assault Medical Examinations, Adults/Adolescents,” or similarly comprehensive and authoritative protocols developed after 2011.

(c) The agency shall offer all residents who experience sexual abuse access to forensic medical examinations whether on-site or at an outside facility, without financial cost, where evidentiarily or medically appropriate. Such examinations shall be performed by Sexual Assault Forensic Examiners (SAFEs) or Sexual Assault Nurse Examiners (SANEs) where possible. If SAFEs or SANEs cannot be made available, the examination can be performed by other qualified medical practitioners. The agency shall document its efforts to provide SAFEs or SANEs.

(d) The agency shall attempt to make available to the victim a victim advocate from a rape crisis center. If a rape crisis center is not available to provide these services a qualified staff member from a community-based organization or a qualified agency staff member. Agencies shall document efforts to secure services from rape crisis centers. For the purpose of this standard, a rape crisis center refers to an entity that provides intervention and related assistance, such as the services specified in 42 U.S.C. 14043g(b)(2)(C), to victims of sexual assault of all ages. The agency may utilize a rape crisis center that is part of a governmental unit as long as the center is not part of the criminal justice system (such as a law enforcement agency) and offers a comparable level of confidentiality as a nongovernmental entity that provides similar victim services.

(e) As requested by the victim, the victim advocate, qualified agency staff member, or qualified community-based organization staff member shall accompany and support the victim through the forensic medical examination process and investigatory interviews and shall provide emotional support, crisis intervention, information, and referrals.

(f) To the extent the agency itself is not responsible for investigating allegations of sexual abuse, the agency shall request that the investigating agency follow the requirements of paragraphs (a) through (e) of this section.

(g) The requirements of paragraphs (a) through (f) of this section shall also apply to:

(1) Any State entity outside of the agency that is responsible for investigating allegations of sexual abuse in juvenile facilities; and

(2) Any Department of Justice component that is responsible for investigating allegations of sexual abuse in juvenile facilities.

(h) For the purposes of this standard, a qualified agency staff member or a qualified community-based staff member shall be an individual who has been screened for appropriateness to serve in this role and has received education concerning sexual assault and forensic examination issues in general.

§ 115.322 Policies to ensure referrals of allegations for investigations.

(a) The agency shall ensure that an administrative or criminal investigation is completed for all allegations of sexual abuse and sexual harassment.

(b) The agency shall have in place a policy to ensure that allegations of sexual abuse or sexual harassment are referred for investigation to an agency with the legal authority to conduct criminal investigations, unless the allegation does not involve potentially criminal behavior. The agency shall publish such policy on its Web site or, if it does not have one, make the policy available through other means. The
agency shall document all such referrals.

(c) If a separate entity is responsible for conducting criminal investigations, such publication shall describe the responsibilities of both the agency and the investigating entity.

(d) Any State entity responsible for conducting administrative or criminal investigations of sexual abuse or sexual harassment in juvenile facilities shall have in place a policy governing the conduct of such investigations.

(e) Any Department of Justice component responsible for conducting administrative or criminal investigations of sexual abuse or sexual harassment in juvenile facilities shall have in place a policy governing the conduct of such investigations.

§ 115.332 Volunteer and contractor training.

(a) The agency shall ensure that all volunteers and contractors who have contact with residents have been trained on their responsibilities under the agency’s sexual abuse and sexual harassment prevention, detection, and response policies and procedures.

(b) The level and type of training provided to volunteers and contractors shall be based on the services they provide and level of contact they have with residents, but all volunteers and contractors who have contact with residents shall be notified of the agency’s zero-tolerance policy regarding sexual abuse and sexual harassment addressed in the training they have received.
§ 115.333 Resident education.

(a) During the intake process, residents shall receive information explaining, in an age appropriate fashion, the agency’s zero tolerance policy regarding sexual abuse and sexual harassment and how to report incidents or suspicions of sexual abuse or sexual harassment.

(b) Within 10 days of intake, the agency shall provide comprehensive age-appropriate education to residents either in person or through video regarding their rights to be free from sexual abuse and sexual harassment, and to be free from retaliation for reporting such incidents, and regarding agency policies and procedures for responding to such incidents.

(c) Current residents who have not received such education shall be educated within one year of the effective date of the PREA standards, and shall receive education upon transfer to a different facility to the extent that the policies and procedures of the resident’s new facility differ from those of the previous facility.

(d) The agency shall provide resident education in formats accessible to all residents, including those who are limited English proficient, deaf, visually impaired, or otherwise disabled, as well as to residents who have limited reading skills.

(e) The agency shall maintain documentation of resident participation in these education sessions.

(f) In addition to providing such education, the agency shall ensure that key information is continuously and readily available or visible to residents through posters, resident handbooks, or other written formats.

§ 115.334 Specialized training: Investigations.

(a) In addition to the general training provided to all employees pursuant to §115.331, the agency shall ensure that, to the extent the agency itself conducts sexual abuse investigations, its investigators have received training in conducting such investigations in confinement settings.

(b) Specialized training shall include techniques for interviewing juvenile sexual abuse victims, proper use of Miranda and Garrity warnings, sexual abuse evidence collection in confinement settings, and the criteria and evidence required to substantiate a case for administrative action or prosecution referral.

(c) The agency shall maintain documentation that agency investigators have completed the required specialized training in conducting sexual abuse investigations.

(d) Any State entity or Department of Justice component that investigates sexual abuse in juvenile confinement settings shall provide such training to its agents and investigators who conduct such investigations.

§ 115.335 Specialized training: Medical and mental health care.

(a) The agency shall ensure that all full- and part-time medical and mental health care practitioners who work regularly in its facilities have been trained in:

(1) How to detect and assess signs of sexual abuse and sexual harassment;

(2) How to preserve physical evidence of sexual abuse;

(3) How to respond effectively and professionally to juvenile victims of sexual abuse and sexual harassment; and

(4) How and to whom to report allegations or suspicions of sexual abuse and sexual harassment.

(b) If medical staff employed by the agency conduct forensic examinations, such medical staff shall receive the appropriate training to conduct such examinations.

(c) The agency shall maintain documentation that medical and mental health practitioners have received the training referenced in this standard either from the agency or elsewhere.

(d) Medical and mental health care practitioners shall also receive the training mandated for employees under §115.331 or for contractors and volunteers under §115.332, depending upon the practitioner’s status at the agency.

SCREENING FOR RISK OF SEXUAL VICTIMIZATION AND ABUSIVENESS

§ 115.341 Obtaining information from residents.

(a) Within 72 hours of the resident’s arrival at the facility and periodically throughout a resident’s confinement,
§ 115.342 Placement of residents in housing, bed, program, education, and work assignments.

(a) The agency shall use all information obtained pursuant to §115.341 and subsequently to make housing, bed, program, education, and work assignments for residents with the goal of keeping all residents safe and free from sexual abuse.

(b) Residents may be isolated from others only as a last resort when less restrictive measures are inadequate to keep them and other residents safe, and then only until an alternative means of keeping all residents safe can be arranged. During any period of isolation, agencies shall not deny residents daily large-muscle exercise and any legally required educational programming or special education services. Residents in isolation shall receive daily visits from a medical or mental health care clinician. Residents shall also have access to other programs and work opportunities to the extent possible.

(c) Lesbian, gay, bisexual, transgender, or intersex residents shall not be placed in particular housing, bed, or other assignments solely on the basis of such identification or status, nor shall agencies consider lesbian, gay, bisexual, transgender, or intersex identification or status as an indicator of likelihood of being sexually abusive.

(d) In deciding whether to assign a transgender or intersex resident to a facility for male or female residents, and in making other housing and programming assignments, the agency shall consider on a case-by-case basis whether a placement would ensure the resident’s health and safety, and whether the placement would present management or security problems.

(e) Placement and programming assignments for each transgender or intersex resident shall be reassessed at least twice each year to review any threats to safety experienced by the resident.

(f) A transgender or intersex resident’s own views with respect to his or her own safety shall be given serious consideration.

(g) Transgender and intersex residents shall be given the opportunity to
§ 115.352 Exhaustion of administrative remedies.

(a) An agency shall be exempt from this standard if it does not have administrative procedures to address resident grievances regarding sexual abuse.

(b)(1) The agency shall not impose a time limit on when a resident may submit a grievance regarding an allegation of sexual abuse.

(2) The agency may apply otherwise-applicable time limits on any portion of a grievance that does not allege an incident of sexual abuse.

(3) The agency shall not require a resident to use any informal grievance process, or to otherwise attempt to resolve with staff, an alleged incident of sexual abuse.

(4) Nothing in this section shall restrict the agency’s ability to defend against a lawsuit filed by a resident on the ground that the applicable statute of limitations has expired.

(c) The agency shall ensure that—

(1) A resident who alleges sexual abuse may submit a grievance without submitting it to a staff member who is the subject of the complaint, and

(2) Such grievance is not referred to a staff member who is the subject of the complaint.

(d)(1) The agency shall issue a final agency decision on the merits of any portion of a grievance alleging sexual abuse within 90 days of the initial filing of the grievance.

(2) Computation of the 90-day time period shall not include time consumed by residents in preparing any administrative appeal.

(3) The agency may claim an extension of time to respond, of up to 70 days, if the normal time period for response is insufficient to make an appropriate decision. The agency shall notify the resident in writing of any such extension and provide a date by which a decision will be made.

(4) At any level of the administrative process, including the final level, if the resident does not receive a response within the time allotted for reply, including any properly noticed extension, the resident may consider the absence of a response to be a denial at that level.

(e)(1) Third parties, including fellow residents, staff members, family members, attorneys, and outside advocates, shall be permitted to assist residents in filing requests for administrative remedies relating to allegations of sexual

§ 115.351 Resident reporting.

(a) The agency shall provide multiple internal ways for residents to privately report sexual abuse and sexual harassment, retaliation by other residents or staff for reporting sexual abuse and sexual harassment, and staff neglect or violation of responsibilities that may have contributed to such incidents.

(b) The agency shall also provide at least one way for residents to report abuse or harassment to a public or private entity or office that is not part of the agency and that is able to receive and immediately forward resident reports of sexual abuse and sexual harassment to agency officials, allowing the resident to remain anonymous upon request. Residents detained solely for civil immigration purposes shall be provided information on how to contact relevant consular officials and relevant officials at the Department of Homeland Security.

(c) Staff shall accept reports made verbally, in writing, anonymously, and from third parties and shall promptly document any verbal reports.

(d) The facility shall provide residents with access to tools necessary to make a written report.

(e) The agency shall provide a method for staff to privately report sexual abuse and sexual harassment of residents.
§ 115.353 Resident access to outside support services and legal representation.

(a) The facility shall provide residents with access to outside victim advocates for emotional support services related to sexual abuse, by providing, posting, or otherwise making accessible mailing addresses and telephone numbers, including toll free hotline numbers where available, of local, State, or national victim advocacy or rape crisis organizations, and, for persons detained solely for civil immigration purposes, immigrant services agencies. The facility shall enable reasonable communication between residents and these organizations and agencies, in as confidential a manner as possible.

(b) The agency shall establish procedures for the filing of an emergency grievance alleging that a resident is subject to a substantial risk of imminent sexual abuse.

(c) After receiving an emergency grievance alleging a resident is subject to a substantial risk of imminent sexual abuse, the agency shall immediately forward the grievance (or any portion thereof that alleges the substantial risk of imminent sexual abuse) to a level of review at which immediate corrective action may be taken, shall provide an initial response within 48 hours, and shall issue a final agency decision within 5 calendar days. The initial response and final agency decision shall document the agency’s determination whether the resident is in substantial risk of imminent sexual abuse and the action taken in response to the emergency grievance.

(g) The agency may discipline a resident for filing a grievance related to alleged sexual abuse only where the agency demonstrates that the resident filed the grievance in bad faith.

§ 115.354 Third-party reporting.

The agency shall establish a method to receive third-party reports of sexual abuse and sexual harassment and shall distribute publicly information on how to report sexual abuse and sexual harassment on behalf of a resident.

OFFICIAL RESPONSE FOLLOWING A RESIDENT REPORT

§ 115.361 Staff and agency reporting duties.

(a) The agency shall require all staff to report immediately and according to agency policy any knowledge, suspicion, or information they receive regarding an incident of sexual abuse or sexual harassment that occurred in a facility, whether or not it is part of the agency; retaliation against residents or
§ 115.364 Staff first responder duties.

(a) Upon learning of an allegation that a resident was sexually abused, the first staff member to respond to the report shall be required to:

(1) Separate the alleged victim and abuser;

(2) Preserve and protect any crime scene until appropriate steps can be taken to collect any evidence;

(3) If the abuse occurred within a time period that still allows for the collection of physical evidence, request that the alleged victim not take any actions that could destroy physical evidence, including, as appropriate, washing, brushing teeth, changing clothes, urinating, defecating, smoking, drinking, or eating; and

(4) If the abuse occurred within a time period that still allows for the collection of physical evidence, ensure that the alleged abuser does not take any actions that could destroy physical evidence, including, as appropriate, washing, brushing teeth, changing clothes, urinating, defecating, smoking, drinking, or eating.

(b) If the first staff responder is not a security staff member, the responder shall be required to request that the alleged victim not take any actions that
§ 115.365 Coordinated response.

The facility shall develop a written institutional plan to coordinate actions taken in response to an incident of sexual abuse among staff first responders, medical and mental health practitioners, investigators, and facility leadership.

§ 115.366 Preservation of ability to protect residents from contact with abusers.

(a) Neither the agency nor any other governmental entity responsible for collective bargaining on the agency’s behalf shall enter into or renew any collective bargaining agreement or other agreement that limits the agency’s ability to remove alleged staff sexual abusers from contact with residents pending the outcome of an investigation or of a determination of whether and to what extent discipline is warranted.

(b) Nothing in this standard shall restrict the entering into or renewal of agreements that govern:

(1) The conduct of the disciplinary process, as long as such agreements are not inconsistent with the provisions of §§ 115.372 and 115.376; or

(2) Whether a no-contact assignment that is imposed pending the outcome of an investigation shall be expunged from or retained in the staff member’s personnel file following a determination that the allegation of sexual abuse is not substantiated.

§ 115.367 Agency protection against retaliation.

(a) The agency shall establish a policy to protect all residents and staff who report sexual abuse or sexual harassment or cooperate with sexual abuse or sexual harassment investigations from retaliation by other residents or staff and shall designate which staff members or departments are charged with monitoring retaliation.

(b) The agency shall employ multiple protection measures, such as housing changes or transfers for resident victims or abusers, removal of alleged staff or resident abusers from contact with victims, and emotional support services for residents or staff who fear retaliation for reporting sexual abuse or sexual harassment or for cooperating with investigations.

(c) For at least 90 days following a report of sexual abuse, the agency shall monitor the conduct or treatment of residents or staff who reported the sexual abuse and of residents who were reported to have suffered sexual abuse to see if there are changes that may suggest possible retaliation by residents or staff, and shall act promptly to remedy any such retaliation. Items the agency should monitor include any resident disciplinary reports, housing, or program changes, or negative performance reviews or reassignments of staff. The agency shall continue such monitoring beyond 90 days if the initial monitoring indicates a continuing need.

(d) In the case of residents, such monitoring shall also include periodic status checks.

(e) If any other individual who cooperates with an investigation expresses a fear of retaliation, the agency shall take appropriate measures to protect that individual against retaliation.

(f) An agency’s obligation to monitor shall terminate if the agency determines that the allegation is unfounded.

§ 115.368 Post-allegation protective custody.

Any use of segregated housing to protect a resident who is alleged to have suffered sexual abuse shall be subject to the requirements of § 115.342.

INVESTIGATIONS

§ 115.371 Criminal and administrative agency investigations.

(a) When the agency conducts its own investigations into allegations of sexual abuse and sexual harassment, it shall do so promptly, thoroughly, and objectively for all allegations, including third-party and anonymous reports.

(b) Where sexual abuse is alleged, the agency shall use investigators who have received special training in sexual abuse investigations involving juvenile victims pursuant to § 115.334.
(c) Investigators shall gather and preserve direct and circumstantial evidence, including any available physical and DNA evidence and any available electronic monitoring data; shall interview alleged victims, suspected perpetrators, and witnesses; and shall review prior complaints and reports of sexual abuse involving the suspected perpetrator.

(d) The agency shall not terminate an investigation solely because the source of the allegation recants the allegation.

(e) When the quality of evidence appears to support criminal prosecution, the agency shall conduct compelled interviews only after consulting with prosecutors as to whether compelled interviews may be an obstacle for subsequent criminal prosecution.

(f) The credibility of an alleged victim, suspect, or witness shall be assessed on an individual basis and shall not be determined by the person’s status as resident or staff. No agency shall require a resident who alleges sexual abuse to submit to a polygraph examination or other truth-telling device as a condition for proceeding with the investigation of such an allegation.

(g) Administrative investigations:
(1) Shall include an effort to determine whether staff actions or failures to act contributed to the abuse; and
(2) Shall be documented in written reports that include a description of the physical and testimonial evidence, the reasoning behind credibility assessments, and investigative facts and findings.

(h) Criminal investigations shall be documented in a written report that contains a thorough description of physical, testimonial, and documentary evidence and attaches copies of all documentary evidence where feasible.

(i) Substantiated allegations of conduct that appears to be criminal shall be referred for prosecution.

(j) The agency shall retain all written reports referenced in paragraphs (g) and (h) of this section for as long as the alleged abuser or victim from the employment or control of the facility or agency shall not provide a basis for terminating an investigation.

(k) The departure of the alleged abuser or victim from the employment or control of the facility or agency shall not provide a basis for terminating an investigation.

(l) Any State entity or Department of Justice component that conducts such investigations shall do so pursuant to the above requirements.

(m) When outside agencies investigate sexual abuse, the facility shall cooperate with outside investigators and shall endeavor to remain informed about the progress of the investigation.

§ 115.372 Evidentiary standard for administrative investigations.

The agency shall impose no standard higher than a preponderance of the evidence in determining whether allegations of sexual abuse or sexual harassment are substantiated.

§ 115.373 Reporting to residents.

(a) Following an investigation into a resident’s allegation of sexual abuse suffered in an agency facility, the agency shall inform the resident as to whether the allegation has been determined to be substantiated, unsubstantiated, or unfounded.

(b) If the agency did not conduct the investigation, it shall request the relevant information from the investigative agency in order to inform the resident.

(c) Following a resident’s allegation that a staff member has committed sexual abuse against the resident, the agency shall subsequently inform the resident (unless the agency has determined that the allegation is unfounded) whenever:
(1) The staff member is no longer posted within the resident’s unit;
(2) The staff member is no longer employed at the facility;
(3) The agency learns that the staff member has been indicted on a charge related to sexual abuse within the facility; or
(4) The agency learns that the staff member has been convicted on a charge related to sexual abuse within the facility.

(d) Following a resident’s allegation that he or she has been sexually abused by another resident, the agency shall
§ 115.376 Disciplinary sanctions for staff.

(a) Staff shall be subject to disciplinary sanctions up to and including termination for violating agency sexual abuse or sexual harassment policies.

(b) Termination shall be the presumptive disciplinary sanction for staff who have engaged in sexual abuse.

(c) Disciplinary sanctions for violations of agency policies relating to sexual abuse or sexual harassment (other than actually engaging in sexual abuse) shall be commensurate with the nature and circumstances of the acts committed, the staff member’s disciplinary history, and the sanctions imposed for comparable offenses by other staff with similar histories.

(d) All terminations for violations of agency sexual abuse or sexual harassment policies, or resignations by staff who would have been terminated if not for their resignation, shall be reported to law enforcement agencies, unless the activity was clearly not criminal, and to any relevant licensing bodies.

§ 115.377 Corrective action for contractors and volunteers.

(a) Any contractor or volunteer who engages in sexual abuse shall be prohibited from contact with residents and shall be reported to law enforcement agencies, unless the activity was clearly not criminal, and to relevant licensing bodies.

(b) The facility shall take appropriate remedial measures, and shall consider whether to prohibit further contact with residents, in the case of any other violation of agency sexual abuse or sexual harassment policies by a contractor or volunteer.

§ 115.378 Interventions and disciplinary sanctions for residents.

(a) A resident may be subject to disciplinary sanctions only pursuant to a formal disciplinary process following an administrative finding that the resident engaged in resident-on-resident sexual abuse or following a criminal finding of guilt for resident-on-resident sexual abuse.

(b) Any disciplinary sanctions shall be commensurate with the nature and circumstances of the abuse committed, the resident’s disciplinary history, and the sanctions imposed for comparable offenses by other residents with similar histories. In the event a disciplinary sanction results in the isolation of a resident, agencies shall not deny the resident daily large-muscle exercise or access to any legally required educational programming or special education services. Residents in isolation shall receive daily visits from a medical or mental health care clinician. Residents shall also have access to other programs and work opportunities to the extent possible.

(c) The disciplinary process shall consider whether a resident’s mental disabilities or mental illness contributed to his or her behavior when determining what type of sanction, if any, should be imposed.

(d) If the facility offers therapy, counseling, or other interventions designed to address and correct underlying reasons or motivations for the abuse, the facility shall consider whether to offer the offending resident participation in such interventions. The agency may require participation in such interventions as a condition of access to any rewards-based behavior management system or other behavior-based incentives, but not as a condition to access to general programming or education.

(e) The agency may discipline a resident for sexual contact with staff only upon a finding that the staff member did not consent to such contact.
§ 115.382 Access to emergency medical and mental health services.

(a) Resident victims of sexual abuse shall receive timely, unimpeded access to emergency medical treatment and crisis intervention services, the nature and scope of which are determined by medical and mental health practitioners according to their professional judgment.

(b) If no qualified medical or mental health practitioners are on duty at the time a report of recent abuse is made, staff first responders shall take preliminary steps to protect the victim pursuant to §115.362 and shall immediately notify the appropriate medical and mental health practitioners.

(c) Resident victims of sexual abuse while incarcerated shall be offered timely information about and timely access to emergency contraception and sexually transmitted infections prophylaxis, in accordance with professionally accepted standards of care, where medically appropriate.

(d) Treatment services shall be provided to the victim without financial cost and regardless of whether the victim names the abuser or cooperates with any investigation arising out of the incident.

§ 115.383 Ongoing medical and mental health care for sexual abuse victims and abusers.

(a) The facility shall offer medical and mental health evaluation and, as appropriate, treatment to all residents who have been victimized by sexual abuse in any prison, jail, lockup, or juvenile facility.

(b) The evaluation and treatment of such victims shall include, as appropriate, follow-up services, treatment plans, and, when necessary, referrals for continued care following their transfer to, or placement in, other facilities, or their release from custody.

(c) The facility shall provide such victims with medical and mental health services consistent with the community level of care.

(d) Resident victims of sexually abusive vaginal penetration while incarcerated shall be offered pregnancy tests.

§ 115.381 Medical and mental health screenings; history of sexual abuse.

(a) If the screening pursuant to §115.341 indicates that a resident has experienced prior sexual victimization, whether it occurred in an institutional setting or in the community, staff shall ensure that the resident is offered a follow-up meeting with a medical or mental health practitioner within 14 days of the intake screening.

(b) If the screening pursuant to §115.341 indicates that a resident has previously perpetrated sexual abuse, whether it occurred in an institutional setting or in the community, staff shall ensure that the resident is offered a follow-up meeting with a mental health practitioner within 14 days of the intake screening.

(c) Any information related to sexual victimization or abusiveness that occurred in an institutional setting shall be strictly limited to medical and mental health practitioners and other staff, as necessary, to inform treatment plans and security and management decisions, including housing, bed, work, education, and program assignments, or as otherwise required by Federal, State, or local law.

(d) Medical and mental health practitioners shall obtain informed consent from residents before reporting information about prior sexual victimization that did not occur in an institutional setting, unless the resident is under the age of 18.

(f) For the purpose of disciplinary action, a report of sexual abuse made in good faith based upon a reasonable belief that the alleged conduct occurred shall not constitute falsely reporting an incident or lying, even if an investigation does not establish evidence sufficient to substantiate the allegation.

(g) An agency may, in its discretion, prohibit all sexual activity between residents and may discipline residents for such activity. An agency may not, however, deem such activity to constitute sexual abuse if it determines that the activity is not coerced.
(e) If pregnancy results from conduct specified in paragraph (d) of this section, such victims shall receive timely and comprehensive information about and timely access to all lawful pregnancy-related medical services.

(f) Resident victims of sexual abuse while incarcerated shall be offered tests for sexually transmitted infections as medically appropriate.

(g) Treatment services shall be provided to the victim without financial cost and regardless of whether the victim names the abuser or cooperates with any investigation arising out of the incident.

(h) The facility shall attempt to conduct a mental health evaluation of all known resident-on-resident abusers within 60 days of learning of such abuse history and offer treatment when deemed appropriate by mental health practitioners.

DATA COLLECTION AND REVIEW

§ 115.386 Sexual abuse incident reviews.

(a) The facility shall conduct a sexual abuse incident review at the conclusion of every sexual abuse investigation, including where the allegation has not been substantiated, unless the allegation has been determined to be unfounded.

(b) Such review shall ordinarily occur within 30 days of the conclusion of the investigation.

(c) The review team shall include upper-level management officials, with input from line supervisors, investigators, and medical or mental health practitioners.

(d) The review team shall:
   (1) Consider whether the allegation or investigation indicates a need to change policy or practice to better prevent, detect, or respond to sexual abuse;
   (2) Consider whether the incident or allegation was motivated by race; ethnicity; gender identity; lesbian, gay, bisexual, transgender, or intersex identification, status, or perceived status; or, gang affiliation; or was motivated or otherwise caused by other group dynamics at the facility;
   (3) Examine the area in the facility where the incident allegedly occurred to assess whether physical barriers in the area may enable abuse;
   (4) Assess the adequacy of staffing levels in that area during different shifts;
   (5) Assess whether monitoring technology should be deployed or augmented to supplement supervision by staff; and
   (6) Prepare a report of its findings, including but not necessarily limited to determinations made pursuant to paragraphs (d)(1) through (d)(5) of this section, and any recommendations for improvement and submit such report to the facility head and PREA compliance manager.

(e) The facility shall implement the recommendations for improvement, or shall document its reasons for not doing so.

§ 115.387 Data collection.

(a) The agency shall collect accurate, uniform data for every allegation of sexual abuse at facilities under its direct control using a standardized instrument and set of definitions.

(b) The agency shall aggregate the incident-based sexual abuse data at least annually.

(c) The incident-based data collected shall include, at a minimum, the data necessary to answer all questions from the most recent version of the Survey of Sexual Violence conducted by the Department of Justice.

(d) The agency shall maintain, review, and collect data as needed from all available incident-based documents, including reports, investigation files, and sexual abuse incident reviews.

(e) The agency also shall obtain incident-based and aggregated data from every private facility with which it contracts for the confinement of its residents.

§ 115.388 Data review for corrective action.

(a) The agency shall review data collected and aggregated pursuant to §115.387 in order to assess and improve the effectiveness of its sexual abuse prevention, detection, and response
policies, practices, and training, including:
(1) Identifying problem areas;
(2) Taking corrective action on an ongoing basis; and
(3) Preparing an annual report of its findings and corrective actions for each facility, as well as the agency as a whole.

(b) Such report shall include a comparison of the current year's data and corrective actions with those from prior years and shall provide an assessment of the agency's progress in addressing sexual abuse.

(c) The agency's report shall be approved by the agency head and made readily available to the public through its Web site or, if it does not have one, through other means.

(d) The agency may redact specific material from the reports when publication would present a clear and specific threat to the safety and security of a facility, but must indicate the nature of the material redacted.

§ 115.389 Data storage, publication, and destruction.

(a) The agency shall ensure that data collected pursuant to §115.387 are securely retained.

(b) The agency shall make all aggregated sexual abuse data, from facilities under its direct control and private facilities with which it contracts, readily available to the public at least annually through its Web site or, if it does not have one, through other means.

(c) Before making aggregated sexual abuse data publicly available, the agency shall remove all personal identifiers.

(d) The agency shall maintain sexual abuse data collected pursuant to §115.387 for at least 10 years after the date of its initial collection unless Federal, State, or local law requires otherwise.

(b) During each one-year period starting on August 20, 2013, the agency shall ensure that at least one-third of each facility type operated by the agency, or by a private organization on behalf of the agency, is audited.

(c) The Department of Justice may send a recommendation to an agency for an expedited audit if the Department has reason to believe that a particular facility may be experiencing problems relating to sexual abuse. The recommendation may also include referrals to resources that may assist the agency with PREA-related issues.

(d) The Department of Justice shall develop and issue an audit instrument that will provide guidance on the conduct of and contents of the audit.

(e) The agency shall bear the burden of demonstrating compliance with the standards.

(f) The auditor shall review all relevant agency-wide policies, procedures, reports, internal and external audits, and accreditations for each facility type.

(c) No audit may be conducted by an auditor who has received financial compensation from the agency being audited (except for compensation received for conducting prior PREA audits) within the three years prior to the agency’s retention of the auditor.

(d) The agency shall not employ, contract with, or otherwise financially compensate the auditor for three years subsequent to the agency’s retention of the auditor, with the exception of contracting for subsequent PREA audits.

§ 115.403 Audit contents and findings.

(a) Each audit shall include a certification by the auditor that no conflict of interest exists with respect to his or her ability to conduct an audit of the agency under review.

(b) Audit reports shall state whether agency-wide policies and procedures comply with relevant PREA standards.

(c) For each PREA standard, the auditor shall determine whether the audited facility reaches one of the following findings: Exceeds Standard (substantially exceeds requirement of standard); Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period); Does Not Meet Standard (requires corrective action). The audit summary shall indicate, among other things, the number of provisions the facility has achieved at each grade level.

(d) Audit reports shall describe the methodology, sampling sizes, and basis for the auditor’s conclusions with regard to each standard provision for each audited facility, and shall include recommendations for any required corrective action.

(e) Auditors shall redact any personally identifiable inmate or staff information from their reports, but shall provide such information to the agency upon request, and may provide such information to the Department of Justice.

(b) The auditor and the agency shall jointly develop a corrective action plan to achieve compliance.

(c) The auditor shall take necessary and appropriate steps to verify implementation of the corrective action plan, such as reviewing updated policies and procedures or re-inspecting portions of a facility.

(d) After the 180-day corrective action period ends, the auditor shall issue a final determination as to whether the facility has achieved compliance with
those standards requiring corrective action.
(e) If the agency does not achieve compliance with each standard, it may (at its discretion and cost) request a subsequent audit once it believes that it has achieved compliance.

§ 115.405 Audit appeals.
(a) An agency may lodge an appeal with the Department of Justice regarding any specific audit finding that it believes to be incorrect. Such appeal must be lodged within 90 days of the auditor's final determination.
(b) If the Department determines that the agency has stated good cause for a re-evaluation, the agency may commission a re-audit by an auditor mutually agreed upon by the Department and the agency. The agency shall bear the costs of this re-audit.
(c) The findings of the re-audit shall be considered final.

Subpart F—State Compliance

§ 301.103 Inmate work assignments.

The unit team of each inmate, which ordinarily designates work assignments, or whoever makes work assignments, shall review appropriate medical records, presentence reports, admission summaries, and all other available information prior to the designation of an inmate to a work assignment in an effort to preclude the assignment of an inmate to a work assignment not compatible with the inmate’s physical ability or condition.

§ 301.104 Medical attention.

Whenever an inmate worker is injured while in the performance of assigned duty, regardless of the extent of the injury, the inmate shall immediately report the injury to his official work detail supervisor. In the case of injuries on work details for other federal entities, the inmate shall also report the injury as soon as possible to community corrections or institution staff, as appropriate. The work detail supervisor shall immediately secure such first aid, medical, or hospital treatment as may be necessary for the proper treatment of the injured inmate. First aid treatment may be provided by any knowledgeable individual. Medical, surgical, and hospital care shall be rendered under the direction of institution medical staff for all inmates based at Bureau of Prisons institutions. In the case of inmates based at community corrections centers, medical care shall be arranged by the work supervisor or by community corrections center staff in accordance with the medical needs of the inmate. Refusal by an inmate worker to accept such medical, surgical, hospital, or first aid treatment recommended by medical staff or by other medical professionals may result in denial of any claim for compensation for any impairment resulting from the injury.

§ 301.105 Investigation and report of injury.

(a) After initiating necessary action for medical attention, the work detail supervisor shall immediately secure a record of the cause, nature, and exact extent of the injury. The work detail supervisor shall complete a BP–140, Injury Report (Inmate), on all injuries reported by the inmate, as well as injuries observed by staff. In the case of injuries on work details for other federal entities, the work supervisor shall also immediately inform community corrections or institution staff, as appropriate, of the injury. The injury report shall contain a signed statement from the inmate on how the accident occurred. The names and statements of all witnesses (e.g., staff, inmates, or others) shall be included in the report. If the injury resulted from the operation of mechanical equipment, an identifying description or photograph of the machine or instrument causing the injury shall be obtained, to include a description of all safety equipment used by the injured inmate at the time of the injury. Staff shall provide the inmate with a copy of the injury report. Staff shall then forward the original.
§ 301.106 Repetitious accidents.

If an inmate worker is involved in successive accidents on a particular work site in a comparatively short period of time, regardless of whether injury occurs, and the circumstances of the accidents indicate an awkwardness or ineptitude that, in the opinion of the inmate’s work supervisor, implies a danger of further accidents in the task assigned, the inmate shall be assigned to another task more suitable to the inmate’s ability.

Subpart B—Lost-Time Wages

§ 301.201 Applicability.

Lost-time wages shall be available only for inmates based at Bureau of Prisons institutions.

§ 301.202 Determination of work-relatedness.

(a) When the institution safety manager receives notice, or has reason to believe, a work-related injury may result in time lost from the work assignment, he or she shall present BP–140, Pages 1 and 2 (with the appropriate sections completed) to the Institution Safety Committee at the Committee’s next regularly scheduled meeting. The Safety Committee shall make a determination of the injury’s work-relatedness based on the available evidence and testimony. The determination shall be recorded on BP–140, Page 2, a copy of which shall be provided to the inmate.

(b) The Institution Safety Manager or Community Corrections Manager shall ensure that a medical description of the injury is included on the BP–140 whenever the injury requires medical attention. The Institution Safety Manager or Community Corrections Manager shall also ensure that the appropriate sections of BP–140, Page 2, Injury—Lost-Time Follow-Up Report, are completed and that all reported work injuries are properly documented.

§ 301.203 Payment of lost-time wages.

(a) An inmate worker may receive lost-time wages for the number of regular work hours absent from work due to injury sustained in the performance of the assigned work.

(b) Lost-time wages are paid for time lost in excess of three consecutively scheduled workdays. The day of injury is considered to be the first workday regardless of the time of injury.

(c) An inmate may receive lost-time wages at the rate of 75% of the standard hourly rate of the inmate’s regular work assignment at the time of the injury.

§ 301.204 Continuation of lost-time wages.

(a) Once approved, the inmate shall receive lost-time wages until the inmate:

1. Is released;
2. Is transferred to another institution for reasons unrelated to the work injury;
3. Returns to the pre-injury work assignment;
4. Is reassigned to another work area or program for reasons unrelated to the sustained work injury, or is placed into Disciplinary Segregation; or,
5. Refuses to return to a regular work assignment or to a lighter duty work assignment after medical certification of fitness for such duty.

(b) An inmate medically certified as fit for return to work shall sustain no monetary loss due to a required change in work assignment. Where there is no
light duty or regular work assignment available at the same rate of pay as the 
inmate’s pre-injury work assignment, 
the difference shall be paid in lost-time 
wages. Lost-time wages are paid until a 
light duty or regular work assignment at 
the same pay rate as the inmate’s 
pre-injury work assignment is avail-
able.

§ 301.205 Appeal of determination. 

An inmate who disagrees with the de-
cision regarding payment of lost-time 
wages may appeal that decision exclu-
sively through the Administrative 
Remedy Procedure. (See 28 CFR part 
542.)

Subpart C—Compensation for 
Work-Related Physical Impair-
ment or Death

§ 301.301 Compensable and non-
compensable injuries. 

(a) No compensation for work-related 
injuries resulting in physical impair-
ment shall be paid prior to an inmate’s 
release. 
(b) Compensation may only be paid 
for work-related injuries or claims al-
leging improper medical treatment of a 
work-related injury. This ordinarily in-
cludes only those injuries suffered dur-
ing the performance of an inmate’s reg-
ular work assignment. However, inju-
ries suffered during the performance of 
voluntary work in the operation or 
maintenance of the institution, when 
such work has been approved by staff, 
may also be compensable. 
(c) Compensation is not paid for inju-
ries sustained during participation in 
institutional programs (such as pro-
grams of a social, recreational, or com-
unity relations nature) or from main-
tenance of one’s own living quarters. 
Furthermore, compensation shall not 
be paid for injuries suffered away from 
the work location (e.g., while the 
claimant is going to or leaving work, 
or going to or coming from lunch out-
side of the work station or area). 
(d) Injuries sustained by inmate 
workers willfully or with intent to in-
jure someone else, or injuries suffered 
in any activity not related to the ac-
tual performance of the work assign-
ment are not compensable, and no 
claim for compensation for such inju-
ries will be approved. Willful violation 
of rules and regulations may result in 
denial of compensation for any result-
ing injury.

§ 301.302 Work-related death. 

A claim for compensation as the re-
sult of work-related death may be filed 
by a dependent of the deceased inmate 
up to one year after the inmate’s work-
related death. The claim shall be sub-
mitted directly to the Claims Exam-
iner, Federal Bureau of Prisons, 320 
First Street NW., Washington, DC 
20534.

§ 301.303 Time parameters for filing a 
claim. 

(a) No more than 45 days prior to the 
date of an inmate’s release, but no less 
than 15 days prior to this date, each in-
mate who feels that a residual physical 
impairment exists as a result of an in-
dustrial, institution, or other work-re-
lated injury shall submit a FPI Form 
43, Inmate Claim for Compensation on 
Account of Work Injury. Assistance 
will be given the inmate to properly 
prepate the claim, if the inmate wishes 
to file. In each case a definite state-
ment shall be made by the claimant as 
to the impairment caused by the al-
leged injury. The completed claim form 
shall be submitted to the Institution 
Safety Manager or Community Correc-
tions Manager for processing. 
(b) In the case of an inmate based at 
a community corrections center who is 
being transferred to a Bureau of Pris-
ons institution, the Community Cor-
rections Manager shall forward all ma-
terials relating to an inmate’s work-re-
lated injury to the Institution Safety 
Manager at the particular institution 
where an inmate is being transferred, 
for eventual processing by the Safety 
Manager prior to the inmate’s release 
from that institution. 
(c) Each claimant shall submit to a 
medical examination to determine the 
degree of physical impairment. Re-
fusal, or failure, to submit to such a 
medical examination shall result in the
forfeiture of all rights to compensation. In each case of visible impairment, disfigurement, or loss of member, photographs shall be taken to show the actual condition and shall be transmitted with FPI Form 43.

(d) The claim, after completion by the physician conducting the impairment examination, shall be returned to the Institution Safety Manager or Community Corrections Manager for final processing. It shall then be forwarded promptly to the Claims Examiner, Federal Bureau of Prisons, 320 First Street NW., Washington, DC 20534.

(e) It is the responsibility of each claimant to advise the Claims Examiner of his or her current address, in writing, at all times during the pendency of a claim for Inmate Accident Compensation.

(f) When circumstances preclude submission in accordance with the provisions of paragraph (a) of this section, a claim may be accepted up to 60 days following release. Additionally, a claim for impairment may be accepted up to one year after release, for good cause shown. In such cases the claim shall be submitted directly to the Claims Examiner, Federal Bureau of Prisons, 320 First Street NW., Washington, DC 20534.

§ 301.306 Appeal of determination.

(a) An Inmate Accident Compensation Committee (hereafter referred to as the “Committee”) shall be appointed by the Chief Operating Officer, Federal Prison Industries, Inc., under authority delegated by the Board of Directors of Federal Prison Industries, Inc., pursuant to 28 CFR 0.99. The Committee shall consist of four members and four alternate members, with any three thereof required to form a quorum for decision-making purposes.

(b) Any claimant not satisfied with any decision of the Claims Examiner concerning the amount or right to compensation shall, upon written request made within 30 days after the date of issuance of such determination, or up to 30 days thereafter upon a showing of reasonable cause, be afforded an opportunity for either an in-person hearing before the Committee, or Committee reconsideration of the decision. A claimant may request an in-person hearing or reconsideration by writing to the Inmate Accident Compensation Committee, Federal Bureau of Prisons, 320 First Street NW., Washington, DC 20534.

(c) Upon receipt of claimant’s request, a determination will be made regarding the timeliness of the filing. If the request is timely filed, or if reasonable cause exists to accept the request filed in an untimely manner, the request shall be accepted. Once accepted, a copy of the information upon which the Claims Examiner’s initial determination was based shall be mailed to the claimant at the claimant’s last known address, or to claimant’s duly appointed representative.

§ 301.304 Representation of claimant.

(a) Any person may represent the claimant’s interest in any proceeding for determination of a claim under this part, so long as that person is not confined in any federal, state or local correctional facility. Written appointment of a representative, signed by the claimant, must be submitted before the representative’s authority to act on behalf of the claimant may be acknowledged.

(b) It is not necessary that a claimant employ an attorney or other person to assert a claim or effect collection of an award. Under no circumstances will the assignment of any award be recognized, nor will attorney fees be paid by Federal Prison Industries, Inc.

§ 301.305 Initial determination.

A claim for inmate accident compensation shall be determined by a Claims Examiner under authority delegated by the Board of Directors of Federal Prison Industries, Inc., pursuant to 28 CFR 0.99. In determining the claim, the Claims Examiner will consider all available evidence. Written notice of the determination, including the reasons therefore, together with notification of the right to appeal the determination, shall be mailed to the claimant at the claimant’s last known address, or to the claimant’s duly appointed representative.
§ 301.307 Notice, time and place of committee action.

(a) Committee action shall ordinarily occur within 60 days of the receipt of claimant’s request, except as provided in this section. Notice of the date set for Committee action shall be mailed to the claimant at the claimant’s last known address, or to claimant’s duly appointed representative. All Committee action shall be conducted at the Central Office of the Bureau of Prisons, 220 First Street NW., Washington, DC 20534.

(b) A hearing or reconsideration may be postponed at the option of the Committee, or, if good cause is shown, upon request of the claimant. A claimant may change the request from either hearing to reconsideration or reconsideration to hearing, provided notice of such change is received at least 10 days prior to the previously scheduled action.

§ 301.308 Committee reconsideration.

If the claimant elects to have the Committee reconsider any decision of the Claims Examiner, the claimant may submit documentary evidence which the Committee shall consider in addition to the original record. The Committee must receive evidence no less than 10 days prior to the date of reconsideration, and may request additional documentary evidence from the claimant or any other source.

§ 301.309 In-person hearing before the committee.

(a) The appeal shall be considered to have been abandoned if the claimant fails to appear at the time and place set for the hearing and does not, within 10 days after the time set for that hearing, show good cause for failure to appear.

(b) In conducting the hearing, the Committee is not bound by common law or statutory rules of evidence, or by technical or formal rules of procedure, but may conduct the hearing in such manner as to best ascertain the rights and obligations of the claimant and the government. At such hearing, the claimant shall be afforded an opportunity to present evidence in support of the claim under review.

(c) The Committee shall consider all evidence presented by the claimant, and shall, in addition, consider any other evidence as the Committee may determine to be useful in evaluating the claim. Evidence may be presented orally and/or in the form of written statements and exhibits.

(d) A representative appointed in accordance with the provisions of this section may make or give, on behalf of the claimant, any request or notice relative to any proceeding before the Committee. A representative shall be entitled to present or elicit evidence or make allegations as to fact and law in any proceeding affecting the claimant and to request information with respect to the claim. Likewise, any request for additional information, or notice to any claimant of any administrative action, determination, or decision, may be sent to the representative of such claimant, and shall have the same force and effect as if it had been sent to the claimant.

(e) In order to fully evaluate the claim, the Committee may question the claimant and any witness(es) appearing before the Committee on behalf of the claimant or government.

(f) Claimant, or claimant’s representative, may question the Committee or any witness(es) appearing before the Committee on behalf of the government, but only on matters determined by the Committee to be relevant to its evaluation of the claim.

(g) The hearing shall be recorded, and a copy of the recording or, at the discretion of the Committee, a transcript thereof shall be made available to the claimant upon request, provided such request is made not later than 90 days following the date of the hearing.

§ 301.310 Witnesses.

(a) If a claimant wishes to present witnesses at the hearing, the claimant must provide the Committee, no less than 10 days before the scheduled hearing date, the name and address of each proposed witness, along with an outline
Federal Prison Industries, Justice

§ 301.314

of each witness’ testimony. The Committee may limit the number of witnesses who may appear at a hearing, however, the Committee has no authority to compel the attendance of any witness.

(b) Any person confined in a Federal, State, or local penal or correctional institution at the time of the hearing may not appear as a witness, but that person’s testimony may be submitted in the form of a written statement.

§ 301.311 Expenses associated with appearance at committee hearing.

Federal Prison Industries, Inc., may not assume responsibility for any expenses incurred by the claimant, claimant’s representative, or any witness appearing on behalf of the claimant in connection with attendance at the hearing, as well as any other costs relating to any representative, witnesses, or evidence associated with a hearing before the Committee.

§ 301.312 Notice of committee determination.

The Committee shall mail written notice of its decision to affirm, reverse, or amend the Committee’s decision no later than 90 days after receipt of claimant’s notice of appeal. Written notice of the Chief Operating Officer’s decision shall be mailed to the claimant’s last known address, or to the claimant’s representative.

§ 301.314 Establishing the amount of award.

(a) If a claim for Inmate Accident Compensation is approved, the amount of compensation shall be based upon the degree of physical impairment existent at the time of the claimant’s release regardless of when during the claimant’s period of confinement the injury was sustained. No claim for compensation will be approved if full recovery occurs while the inmate is in custody and no impairment remains at the time of release.

(b) In determining the amount of accident compensation to be paid, the permanency and severity of the injury in terms of functional impairment shall be considered. The provisions of the Federal Employees’ Compensation Act (FECA) (5 U.S.C. 8101, et seq.) shall be followed when practicable. The FECA establishes a set number of weeks of compensation applicable for injuries to specific body members or organs (section 8107).

(c) All awards of Inmate Accident Compensation shall be based upon the minimum wage (as prescribed by the Fair Labor Standards Act).

(1) For body members or organs covered under section 8107, the minimum wage applicable at the time of the award shall be used as the basis for determining the amount of compensation. Awards regarding injury to body members or organs covered under section 8107 shall be paid in a lump sum. Acceptance of such an award shall constitute full and final settlement of the claim for compensation.

(2) For body members or organs not covered under section 8107, awards will be paid on a monthly basis because such awards are subject to periodic review of entitlement. The minimum wage applicable at the time of each monthly payment shall be used in determining the amount of each monthly payment. Monthly payments are ordinarily mailed the first day of the
§ 301.315 Review of entitlement.

(a) Each monthly compensation recipient shall be required, upon request of the Claims Examiner, to submit to a medical examination, by a physician specified or approved by the Claims Examiner, to determine the current status of his physical impairment. Any reduction in the degree of physical impairment revealed by this examination shall result in a commensurate reduction in the amount of monthly compensation provided. Failure to submit to this physical examination shall be deemed refusal, and shall ordinarily result in denial of future compensation. The costs associated with this examination shall be borne by Federal Prison Industries, Inc.

(b) Inasmuch as compensation awards are based upon the minimum wage, any income received by a compensation recipient which exceeds the annual income available at the minimum wage (based upon a 40 hour work week), including Social Security or veterans benefits received as the result of the work-related injury for which Inmate Accident Compensation has been awarded, shall be deemed excessive. The amount of compensation payable to a claimant with an income deemed excessive shall be reduced at the rate of one dollar for each two dollars of earned and benefit income which exceeds the annual income available at minimum wage. Each monthly compensation recipient shall be required to provide a statement of earnings on an annual basis, or as otherwise requested. Failure to provide this statement shall result in the suspension or denial of all Inmate Accident Compensation benefits until such time as satisfactory evidence of continued eligibility is provided.

§ 301.316 Subsequent incarceration of compensation recipient.

If a claimant, who has been awarded compensation on a monthly basis, is or becomes incarcerated at any federal, state, or local correctional facility, monthly compensation payments payable to the claimant shall ordinarily be suspended until such time as the claimant is released from the correctional facility.

§ 301.317 Medical treatment following release.

Federal Prison Industries, Inc., may not pay the cost of medical, hospital treatment, or any other related expense incurred after release from confinement unless such cost is authorized by the Claims Examiner in advance, or the Claims Examiner determines that circumstances warrant the waiver of this requirement. Generally, the payment of such costs is limited to impairment evaluations, or treatments intended to reduce the degree of physical impairment, conducted at the direction of the Claims Examiner. The amount of a payment for medical treatment is limited to reasonable expenses incurred, such as those amounts authorized under the applicable fee schedule established pursuant to 42 U.S.C. 1395w–4 for the Department of Health and Human Services Medicare program.

§ 301.318 Civilian compensation laws distinguished.

The Inmate Accident Compensation system is not obligated to comply with the provisions of any other system of worker’s compensation except where stated in this part. Awards made under the provisions of the Inmate Accident Compensation procedure differ from awards made under civilian workmen’s compensation laws in that hospitalization is usually completed prior to the inmate’s release from the institution and, except for a three-day waiting period, the inmate receives wages while absent from work. Other factors necessarily must be considered that do not enter into the administration of civilian workmen’s compensation laws. As in the case of federal employees who allege they have sustained work-related injuries, the burden of proof lies with the claimant to establish that the claimed impairment is causally related to the claimant’s work assignment.
§ 301.319 Exclusiveness of remedy.

Inmates who are subject to the provisions of these Inmate Accident Compensation regulations are barred from recovery under the Federal Tort Claims Act (28 U.S.C. 2671 et seq.). Recovery under the Inmate Accident Compensation procedure was declared by the U.S. Supreme Court to be the exclusive remedy in the case of work-related injury. U.S. v. Demko, 385 U.S. 149 (1966).

PART 302—COMMENTS ON UNICOR BUSINESS OPERATIONS

§ 302.1 Public and private sector comment procedures.

(a) Any interested party having any comment concerning the business operations of Federal Prison Industries, Inc. (UNICOR) may write to the Chief Operating Officer of UNICOR, or to the Chairman of the Board of Directors of UNICOR, and bring such matters to the attention of either or both officials. Where appropriate, a response shall promptly be made. The Board shall be kept advised of all comments and responses.

Subpart A—Purpose and Scope

§ 345.10 Purpose and scope.

It is the policy of the Bureau of Prisons to provide work to all inmates (including inmates with a disability who, with or without reasonable accommodations, can perform the essential tasks of the work assignment) confined in a federal institution. Federal Prison Industries, Inc. (FPI) was established as a program to provide meaningful work for inmates. This work is designed to allow inmates the opportunity to acquire the knowledge, skills, and work habits which will be useful when released from the institution. There is no statutory requirement that inmates be paid for work in an industrial assignment. 18 U.S.C. 4126, however, provides for discretionary compensation to inmates working in Industries. Under this authority, inmates of the same grade jobs, regardless of the basis of pay (hourly, group piece, or individual piece rates) shall receive approximately the same compensation. All pay rates under this part are established at the discretion of Federal Prison Industries, Inc. Any alteration or termination of the rates shall require the approval of the Federal Prison Industries’ Board of Directors. While the Warden is responsible for the local administration of Inmate Industrial Payroll regulations, no pay system is initiated or changed without prior approval of the Assistant Director, Industries, Education and Vocational Training (Assistant Director).

Subpart B—Definitions

§ 345.11 Definitions.

(a) Federal Prison Industries, Inc. (FPI)—A government corporation organizationally within the Bureau of Prisons whose mission is to provide work simulation programs and training opportunities for inmates confined in Federal correctional facilities. The commercial or “trade” name of Federal Prison Industries, Inc. is UNICOR. Most factories or shops of Federal Prison Industries, Inc. are commonly referred to as “UNICOR” or as “Industries”. Where these terms are used, they refer to FPI production locations and to the corporation as a whole. UNICOR, FPI, and Industries are used interchangeably in this manner. For these purposes, Federal Prison Industries, Inc. will hereinafter be referred to as FPI.

(b) Superintendent of Industries (SOI)—The Superintendent of Industries, also referred to as Associate Warden/Industries and Education, is responsible for the efficient management and operation of an FPI factory. Hereinafter, referred to as SOI.

(c) FPI work status—Assignment to an Industries work detail.

(1) An inmate is in FPI work status if on the job, on sick call during the inmate’s assigned hours, on furlough, on vacation, for the first thirty days on writ, for the first 30 days in administrative detention, or for the first 30 days on medical idle for FPI work-related injury so long as the injury did not result from an intentional violation by the inmate of work safety standards.

(2) Full-time work status. A work schedule for an inmate consisting of 90% or more of the normal FPI factory work week.

(3) Part-time work status. A work schedule of less than 90% of the normal FPI factory work week.

(d) Unit Team—Bureau of Prisons staff responsible for the management of inmates and the delivery of programs and services. The Unit Team may consist of a unit manager, case manager, correctional counselor, unit secretary, unit officer, education representative, and psychologist.
(e) **Unit Discipline Committee (UDC)**—The term **Unit Discipline Committee** refers to one or more institution staff members delegated by the Warden with the authority and duty to hold an initial hearing upon completion of the investigation concerning alleged charge(s) of inmate misconduct (see 28 CFR 541.15). The Warden shall authorize these staff members to impose minor sanctions for violation of prohibited act(s).

(f) **Discipline hearing officer (DHO)**—This term refers to an independent discipline hearing officer who is responsible for conducting Institution Discipline Hearings and who imposes appropriate sanctions for incidents of inmate misconduct referred for disposition following the hearing required by 28 CFR 541.15 before the UDC.

(g) **Pretrial inmate**—The definition of pretrial inmate in 28 CFR 551.101(a) is applicable to this part.

Subpart C—Position Classification

§ 345.20 Position classification.

(a) Inmate worker positions must be assigned an appropriate level of pay. All inmate workers shall be informed of the objectives and principles of pay classification as a part of the routine orientation of new FPI inmate workers.

(b) The Warden and SOI have the responsibility for position classification at each location.

Subpart D—Recruitment and Hiring Practices

§ 345.31 Recruitment.

Inmate workers for FPI locations may be recruited through admission and orientation lectures or through direct recruiting.

§ 345.32 Hiring.

(a) Inmate workers are ordinarily hired through waiting lists. Except as noted in §345.33, inmates are to be placed on the waiting lists in order of receipt of applications for work with Industries, and are to be hired in the same sequence.

(b) Waiting lists are to be maintained and kept available for scrutiny by auditors and other staff with a need to know. SOI’s are encouraged to maintain a waiting list for each FPI factory.

§ 345.33 Waiting list hiring exceptions.

(a) **Needed skills.** An inmate may be hired ahead of other inmates on the waiting list if the inmate possesses needed skills and the SOI documents the reasons for the action in the position classification files.

(b) **Prior FPI work assignment.** An inmate with prior FPI work experience during the inmate’s current commitment and with no break in custody will ordinarily be placed within the top ten percent of the waiting lists unless the inmate was transferred for disciplinary reasons, was placed in segregation, or voluntarily left the FPI work assignment for non-program reasons (i.e. for some reason other than formal education, vocational training, drug abuse or similar formal programs). For example, an inmate transferred administratively for nondisciplinary reasons, and who has documented credit as a prior worker, is covered under the provisions of this paragraph.

(c) **Industry closing and relocation.** When an FPI factory closes in a location with two or more FPI factories, an inmate worker affected may be transferred to remaining FPI factories ahead of the top portion of the inmates on the waiting lists, so there is no break in active duty with FPI. Such actions are also in order where the work force of an industry is reduced to meet institution or FPI needs. An inmate transferred under the provisions of this part will have the same benefits as any intra-industry transfer.

(d) **Disciplinary transfers.** An inmate who is a disciplinary transfer from the last institution designated and who wishes re-assignment in FPI at the receiving institution may be hired on a case-by-case basis at the discretion of the SOI, who should consider the security level and reasons for the misconduct. Such an inmate, despite prior experience, is not due special placement on the waiting list, is not given
§ 345.34 Refusal to employ.

(a) The SOI has authority to refuse an FPI assignment to an inmate who, in the judgment of the SOI, would constitute a serious threat to the orderly and safe operation of the FPI factory. A refusal to assign must be documented by a memorandum to the unit team listing reasons for the refusal, with a copy to the position classification files in FPI. Typically, the reasons should include other earlier (ordinarily within the past twelve months) documented violations of the FPI inmate worker standards or institution disciplinary regulations.

(b) The refusal to assign is to be rescinded when, in the judgment of the SOI, the worker no longer constitutes a serious threat to the FPI industrial operation.

§ 345.35 Assignments to FPI.

(a) An inmate or detainee may be considered for assignment with FPI unless the inmate is a pretrial inmate or is currently under an order of deportation, exclusion, or removal. However, an inmate or detainee who is currently under an order of deportation, exclusion, or removal may be considered for assignment with FPI if the Attorney General has determined that the inmate or detainee cannot be removed from the United States because the designated country of removal will not accept his/her return. Any request by an inmate for consideration must be made through the unit team. FPI does not discriminate on the bases of race, color, religion, ethnic origin, age, or disability.

(b) The SOI ordinarily makes assignments based on the recommendation of the unit team.

(1) New workers are ordinarily assigned at pay grade five. All first-time inmate workers shall enter at pay grade five and may be required to successfully complete a course in pre-industrial training or on-the-job training (as available) before promotion to pay grade four.

(2) An inmate who has not successfully completed pre-industrial or on-the-job training remains at pay grade five for at least 30 days.

(3) An inmate hired after having resigned voluntarily from FPI may be excused from pre-industrial training and may be hired at a pay grade based on previous training and experience.

Subpart E—Inmate Worker Standards and Performance Appraisal

§ 345.40 General.

This subpart authorizes the establishment of minimum work standards for inmate workers assigned to the Industries program at all field locations. The SOI may reproduce these standards and may also develop additional local guidelines to augment these standards and to adapt them to local needs and conditions. Local Industries shall place these standards and any additional local guidelines on display at appropriate locations within the industrial sites. Inmates shall be provided with a copy of these standards and local guidelines, and shall sign receipts acknowledging they have received and understand them before beginning work in the Industries program. In the case of a disabled inmate, alternate media or means of communicating this information and indicating the inmate’s receipt may be provided, if necessary as a reasonable accommodation.

(a) At a minimum, each industrial location is to have work standards for each of the following areas:

(1) Safety—ensuring the promotion of workplace safety and the avoidance of activities that could result in injury to self or others.
Federal Prison Industries, Justice § 345.51

(2) Quality assurance—ensuring that work is done as directed by the supervisor in an attentive manner so as to minimize the chance of error.

(3) Personal conduct and hygiene—ensuring the promotion of harmony and sanitary conditions in the workplace through observation of good hygiene and full cooperation with other inmate workers, work supervisors, and training staff.

(4) Punctuality and productivity—ensuring the productive and efficient use of time while the inmate is on work assignment or in training.

(b) Compliance with work standards. Each inmate assigned to FPI shall comply with all work standards pertaining to his or her work assignment. Adherence to the standards should be considered in evaluating the inmate’s work performance and documented in individual hiring, retention, and promotion/demotion situations.

§ 345.41 Performance appraisal for inmate workers.

Work supervisors should complete a performance appraisal form for each inmate semi-annually, by March 31 and September 30, or upon termination or transfer from the industrial work assignment. Copies shall be sent to the unit team. Inmate workers should discuss their appraisals with their supervisors at a mutually agreeable time in order to improve their performance. Satisfactory and unsatisfactory performance ratings shall be based on the standards in §345.40(a).

(a) The SOI is to ensure that evaluations are done and are submitted to unit teams in a timely manner.

(b) The SOI or a designee may promote an inmate to a higher grade level if an opening exists when the inmate’s skills, abilities, qualifications, and work performance are sufficiently developed to enable the inmate to carry out a more complex FPI factory assignment successfully, when the inmate has met the institution’s time-in-grade (unless waived by the SOI), and when the inmate has abided by the inmate worker standards. Conversely, the SOI or SOI designee may demote an inmate worker for failing to abide by the inmate worker standards. Such demotions shall be fully documented.

§ 345.42 Inmate worker dismissal.

The SOI may remove an inmate from Industries work status in cooperation with the unit team.

(a) The SOI may remove an inmate from FPI work status according to the conditions outlined in the pay and benefits section of this policy and in cooperation with the unit team.

(b) An inmate may be removed from FPI work status for failure to comply with any court-mandated financial responsibility. (See 28 CFR 545.11(d)).

(c) An inmate found to have committed a prohibited act (whether or not it is FPI related) resulting in segregation or disciplinary transfer is also to be dismissed from Industries based on an unsatisfactory performance rating for failure to be at work.

(d) Any inmate or detainee who is a pretrial inmate or who is currently under an order of deportation, exclusion, or removal shall be removed from any FPI work assignment and reassigned to a non-FPI work assignment for which the inmate is eligible. However, an inmate or detainee who is currently under an order of deportation, exclusion, or removal may be retained in the FPI assignment if the Attorney General has determined that the inmate or detainee cannot be removed from the United States because the designated country of removal will not accept his/her return.

Subpart F—Inmate Pay and Benefits

§ 345.50 General.

Title 18 U. S. Code section 4126 authorizes FPI to compensate inmates under rules and regulations promulgated by the Attorney General. It is the policy of FPI to provide compensation to FPI inmate workers through various conditions of pay and benefits, except as otherwise provided in these regulations.

§ 345.51 Inmate pay.

(a) Grade levels. Inmate workers in FPI locations receive pay at five levels ranging from 5th grade pay (lowest) to 1st grade pay (highest).
§ 345.52 Premium pay.

Payment of premium pay to selected inmates is authorized. The total number of qualifying inmates may not exceed 15% of first grade inmates in a location.

(a) Eligibility. Inmates in first grade pay status may be considered for premium pay.

(b) The selection process. Candidates for premium pay must be nominated by a foreman on the FPI staff, and recommended on the basis of specific posted criteria by a selection committee assigned by the SOI.

(1) The SOI, as the chief selecting official, must sign approval for all premium pay inmate selections. This authority may not be delegated below the level of Acting SOI.

(2) The selected candidate(s) are notified by the FPI Manager or by a posted list on the FPI bulletin board. A record of the selection and who was on the selection board is kept for documentation purposes. An inmate nominated to be a premium pay inmate may refuse the appointment without prejudice.

(c) [Reserved]

(d) Pay rate. Premium pay inmates receive a specified amount over and above all other pay and benefits to which they may be entitled (e.g., longevity pay, overtime, piecework rates, etc.). Premium pay is also paid for vacation, holiday, and administrative hours.

(e) Duties of premium pay inmates. Premium pay is a means of recognizing the value of those traits supportive of morale and good institutional adjustment. It is not a form of bonus or incentive pay for highly productive inmates.

(f) Transfer status of premium pay inmates. Premium pay status may not be transferred from institution to institution with the inmate worker. Premium pay status must be earned at each location.

(g) Removals from premium pay status. Removal from premium pay status may occur for failure to demonstrate the premium pay selection traits or for failure to abide by the inmate worker standards set forth in this policy. All removals from premium pay status shall be documented on the inmate’s evaluation form. The following conditions also may result in removal from premium pay status:

(1) Any premium pay inmate found to have committed any level 100 or 200 series offense by the DHO is automatically removed from premium pay status whether or not the offense was FPI-related.

(2) Inmates absent from work for more than 30 consecutive calendar days may be removed from premium pay status by the SOI.

§ 345.53 Piecework rates.

Piecework rates are incentives for workers to strive for higher pay and production benefiting both the worker and FPI. Piecework rates may be of two major types: individual piecework (in which an individual’s pay goes up or down depending upon his/her own output) or Group Wage Fund (in which all members of a group strive for higher rates or production output as a unit, and all share in a pool of funds distributed among work group members equally).

§ 345.54 Overtime compensation.

An inmate worker is entitled to overtime pay at a rate of two times the hourly or unit rate for hourly, individual, and group piecework rate workers, when the total hours worked (including administrative pay) exceed the
Federal Prison Industries, Justice

§ 345.56 Vacation pay.

Inmate workers are granted FPI vacation pay by the SOI when their continued good work performance justifies such pay, based on such criteria as quality of work, attendance and punctuality, attentiveness, and adherence to industry operating regulations. The inmate must submit a written request for vacation time, ordinarily two weeks in advance of the requested vacation time. The work supervisor must recommend to the SOI the vacation time to be taken or paid. Eligibility for vacation pay must be verified by the Business Office prior to approval by the SOI. The SOI may declare an inmate ineligible for vacation credit because of an inmate’s unsatisfactory work performance during the month in which such credit was to occur.

(a) An inmate may take accrued vacation time for visits, participation in institution programs or for other good reasons at the discretion of the SOI. Industrial managers should make every reasonable attempt to schedule an inmate worker’s vacations so as not to conflict with the workforce requirements of FPI factory production schedules and Inmate Systems Management requirements.

(b) An inmate temporarily assigned to the Industrial detail, e.g., on construction detail, also earns vacation credit which he or she must take or be paid for at the end of the temporary assignment.

(c) An inmate must take and/or be paid for vacation credit within sixty days after each annual eligibility date of the inmate’s most recent date of assignment to FPI. An inmate who elects not to take vacation time must indicate this in writing. That inmate shall receive pay for the annual vacation credit in a lump sum on the regular monthly payroll. This amount is ordinarily paid within sixty days after the annual eligibility date of the inmate’s most recent date of assignment to FPI. An inmate whose employment is terminated by release, reassignment, transfer, or other reasons, and who has unused vacation credit shall be paid for this credit on the monthly payroll.

§ 345.57 Administrative pay.

An inmate excused from a job assignment may receive administrative pay for such circumstances as a general recall for an institution, power outages,
§ 345.58 Holiday pay.

An inmate worker in FPI work status shall receive pay at the standard hourly rate, plus longevity where applicable, for all Federal holidays provided the inmate is in work status on the day before and the day after the holiday occurs. Full-time workers receive one full day’s pay. Part-time workers receive one-half day’s pay.

§ 345.59 Inmate performance pay.

Inmate workers for FPI may also receive Inmate Performance Pay for participation in programs where this award is made. However, inmate workers may not receive both Industries Pay and Performance Pay for the same program activity. For example, an inmate assigned to a pre-industrial class may not receive FPI pay as well as inmate performance pay for participation in the class.

§ 345.60 Training pay.

Inmates directed by the SOI to take a particular type of training in connection with a FPI job are to receive FPI pay if the training time occurs during routine FPI factory hours of operation. This does not include ABE/GED or pre-industrial training.

§ 345.61 Inmate earnings statement.

Each inmate worker in FPI shall be given a monthly earnings statement while actively working for FPI.

§ 345.62 Inmate accident compensation.

An inmate worker shall be paid lost-time wages while hospitalized or confined to quarters due to work-related injuries (including occupational disease or illnesses directly caused by the worker’s job assignments) as specified by the Inmate Accident Compensation Program (28 CFR part 301).

§ 345.63 Funds due deceased inmates.

Funds due a deceased inmate for work performed for FPI are payable to a legal representative of the inmate’s estate or in accordance with the law of descent and distribution of the state of domicile.

§ 345.64 Referral of releasable medical data to FPI staff.

The SOI is responsible for ensuring that appropriate releasable information pertaining to an inmate’s medical limitation (e.g., back injury) is made available to the FPI staff member who directly supervises the assignment.

§ 345.65 Inmate medical work limitation.

In addition to any prior illnesses or injuries, medical limitations also include any illness or injury sustained by an inmate which necessitates removing the ill worker from an FPI work assignment. If an inmate worker is injured more than once in a comparatively short time, and the circumstances of the injury suggest an awkwardness or ineptitude which in turn indicates that further danger exists, the inmate may be removed to another FPI detail or to a non-FPI detail.

§ 345.66 Claims limitation.

Claims relating to pay and/or benefits must occur within one calendar year of the period of time for which the claim is made. Inmate claims submitted more than one year after the time in question require the approval of the Assistant Director before an inmate may receive such pay and/or benefit.

§ 345.67 Retention of benefits.

(a) Job retention. Ordinarily, when an inmate is absent from the job for a significant period of time, the SOI will fill that position with another inmate, and the first inmate will have no entitlement to continued FPI employment.

(1) For up to the first 30 days when an inmate is in medical idle status, that inmate will retain FPI pay grade status, with suspension of actual pay, and will be able to return to FPI when medically able, provided the absence was not because of a FPI work-related injury resulting from the inmate’s violation of safety standards. If the medical idle lasts longer than 30 days, was not caused by a violation of safety standards, and the unit team approves the inmate’s return to FPI, the SOI
shall place that inmate within the top ten percent of the FPI waiting list.

(2) Likewise, for up to the first 30 days when an inmate is in Administrative Detention, that inmate may retain FPI pay grade status, with actual pay suspended, and will be able to return to FPI, provided the inmate is not found to have committed a prohibited act. If Administrative Detention lasts longer than 30 days, and the inmate is not found to have committed a prohibited act, and the unit team approves the inmate’s return to FPI, the SOI shall place that inmate within the top ten percent of the FPI waiting list.

(3) An inmate in Administrative Detention, and found to have committed a prohibited act, may return to FPI work status at the discretion of the SOI.

(4) If an inmate is injured and absent from the job because of a violation of FPI safety standards, the SOI may reassign the inmate within FPI or recommend that the unit team reassign the inmate to a non-FPI work assignment.

(5) If an inmate is transferred from one institution to another for administrative (not disciplinary) reasons, and the unit team approves the inmate’s return to FPI, the SOI shall place that inmate within the top ten percent of the FPI waiting list.

(b) Longevity and vacation credit. Ordinarily, when an inmate’s FPI employment is interrupted, the inmate loses all accumulated longevity and vacation credit with the following exceptions:

(1) The inmate retains longevity and vacation credit when transferring from one institution to another for administrative (not disciplinary) reasons, when absent from the institution on writ, or when placed in administrative detention and found to have committed a prohibited act.

(2) Likewise, for up to the first 30 days when an inmate is in Administrative Detention, that inmate may retain FPI pay grade status, with actual pay suspended, and will be able to return to FPI, provided the inmate is not found to have committed a prohibited act.

(c) Pay grade retention. Ordinarily, when an inmate’s FPI employment is interrupted, that inmate is not entitled to retain his or her pay grade, with the following exceptions.

(1) An inmate retains pay grade status, with actual pay suspended, for up to 30 days in Administrative Detention. However, the inmate is not reimbursed for the time spent in detention.

(2) Likewise, an inmate retains pay grade status for up to 30 days while absent from the institution on writ, with actual pay suspended. The SOI may approve pay grade retention when an inmate is on writ for longer than 30 days on a case-by-case basis.

(3) If an inmate is absent because of a FPI work-related injury where the inmate was not at fault, the inmate retains his or her pay grade, with actual pay suspended.

Subpart G—Awards Program

§ 345.70 General.

FPI provides incentive awards of various types to inmate workers for special achievements in their work, scholarship, suggestions, for inventions which improve industry processes or safety or which conserve energy or materials consumed in FPI operations, and for outstanding levels of self-development.

§ 345.71 Official commendations.

An inmate worker may receive an official written commendation for any suggestion or invention adopted by FPI, or for any special achievement, as determined by the SOI, related to the inmate’s industrial work assignment. A copy of the commendation is to be placed in the inmate’s central file.

§ 345.72 Cash bonus or cash award.

An inmate worker may receive a cash bonus or cash award for any suggestion or invention which is adopted by FPI and produces a net savings to FPI of at least $250.00. Cash awards shall be one
§ 345.73 Procedures for granting awards for suggestions or inventions.

Inmate suggestions for improvements in operations or safety, or for conservation of energy or material, must be submitted in writing.

(a) The inmate’s immediate supervisor shall review the suggestion and forward it with comments and award recommendation to the SOI.

(b) The SOI shall ensure that all inmate suggestions and/or inventions formally submitted are considered for incentive awards by a committee comprised of Industries personnel designated by the SOI.

(1) The committee is authorized to award a cash award of up to $100.00 or an equivalent gift not to exceed $100.00 in value to an inmate whose suggestion has been adopted. A recommendation for an award in excess of $100.00 shall be forwarded to the Assistant Director for a final decision.

(2) The committee shall forward all recommendations for awards for inventions through the SOI to the Warden. The Warden may choose to add his or her comments before forwarding to the Assistant Director for a final decision.

(3) Incentive awards are the exclusive methods for recognizing inmates for suggestions or inventions.

§ 345.74 Awards for special achievements for inmate workers.

While recognition of inmate worker special achievements may originate from any FPI staff member, the achievement ordinarily will be submitted in writing by the inmate’s immediate supervisor.

(a) The SOI shall appoint a local institution committee to consider inmates for special achievement awards.

(b) The committee shall forward its recommendations to the SOI, who is authorized to approve individual awards (cash or gifts) not to exceed $100 in value. A recommendation for an award in excess of $100 (cash or gifts) shall be forwarded, with the Superintendent’s recommendation and the justification for it, through the Warden to the Assistant Director. The Warden may submit comments on the recommendation.

Subpart H—FPI Inmate Training and Scholarship Programs

§ 345.80 General.

As earnings permit, FPI provides appropriate training for inmates which is directly related to the inmate worker’s job assignment. Additionally, FPI administers a scholarship program to provide inmates with an opportunity to begin, or to continue with business and industry courses or vocational training.

(a) An applicant for FPI-funded training programs should be evaluated to determine sufficient interest and preparation to successfully complete the course content. The evaluation may be done by the Education Department, unit team, or other qualified personnel.

(b) An inmate selected to participate in FPI-funded training programs ordinarily must have enough sentence time remaining to serve to complete the training.

§ 345.81 Pre-industrial training.

FPI encourages the development and use of pre-industrial training programs. Such training ordinarily provides benefits to the inmate and to the FPI factory. Pre-industrial training also provides an additional management tool for replacing inmate idleness with constructive activity. Accordingly, each FPI factory location may provide a pre-industrial training program.

(a) Pre-industrial program trainees shall ordinarily begin at the entry level pay grade (grade 5). Positions for pre-industrial training programs are filled in the same manner as other grade five positions.

(b) Pre-industrial training is not a prerequisite for work placement if the inmate already possesses the needed skill.

(c) If pre-industrial training is available and the worker has not completed both the skill training and orientation phases of pre-industrial training, the
inmate should be put into the first available training class.

(d) When pre-industrial training is not available, new FPI assignees will receive on-the-job training in pre-industrial pay status for a period of at least 30 days before being promoted into available fourth grade jobs.

§ 345.82 Apprenticeship training.

FPI provides inmate workers with an opportunity to participate in apprenticeship training programs to the extent practicable. Such programs help prepare workers for post-release employment in a variety of trades. Apprentices are given related trades classroom instruction in addition to the skill training during work hours, where necessary.

§ 345.83 Job safety training.

FPI provides inmates with regular job safety training which is developed and scheduled in coordination with the institution Safety Manager. Participation in the training shall be documented in a safety training record signed by the inmate.

§ 345.84 The FPI scholarship fund.

FPI shall award post-secondary school scholarships to selected, qualified inmate workers. These scholarships provide an inmate with the opportunity to begin or continue with business and industry courses or vocational training as approved and deemed appropriate by the Supervisor of Education.

(a) Eligibility requirements. The SOI and the Supervisor of Education at each institution shall develop application procedures to include, at a minimum, the following criteria:

(1) The inmate shall be a full-time FPI worker.

(2) The inmate has a favorable recommendation for participation from his or her work supervisor.

(3) The inmate meets all relevant institution requirements for participation (e.g. disciplinary record, custody level).

(4) The inmate is accepted by the institution of higher learning offering the course or program which is requested.

(5) The inmate must maintain a verifiable average of “C” or better to continue program eligibility.

(6) Before beginning the course of study, the inmate must sign an agreement to provide the SOI with an unaltered, original copy of his or her grades.

(b) Scholarship selection procedures. FPI scholarship awards shall be made by a three member Selection Committee comprised of the SOI, the Supervisor of Education, and one other person designated by the SOI.

(c) Scholarship program operation.

(1) Ordinarily, one scholarship may be awarded per school period for every fifty workers assigned. At least one scholarship may be awarded at each institution location, regardless of the number of inmates assigned.

(2) Individual scholarships ordinarily should not exceed the cost of tuition and books for one course. Where several courses may be taken for the same cost as one, the inmate worker may be allowed to take more than one course.

(3) Scholarship monies are to be paid only to the institution providing instruction, or to the Education Department for transfer of funds to the college, university, or technical institution providing instruction.

(4) An inmate may not receive more than one scholarship per school period.

(5) An inmate must maintain at least a “C” average to be continued as eligible for further assistance. An inmate earning less than “C” must wait one school period of eligibility before re-applying for further assistance. Where a course grade is based on a “pass/fail” system, the course must be “passed” to be eligible for further assistance.

(6) An inmate awarded a correspondence course must successfully complete the course during a school year (e.g., 2 semesters, 3 quarters).

(7) An inmate receiving scholarship aid must have approval from the SOI and the Supervisor of Education before withdrawing from classes for good reason. An inmate withdrawing or “dropping” courses without permission shall wait one school year before applying for further scholarship assistance. An inmate may withdraw from courses without penalty for medical or non-disciplinary administrative reasons such
as transfer, writ, release, etc., without first securing permission, although withdrawals for medical reasons must be certified in writing by the Hospital Administrator.

PART 501—SCOPE OF RULES

Sec.

501.1 Bureau of Prisons emergencies.

501.2 National security cases.

501.3 Prevention of acts of violence and terrorism.

§ 501.1 Bureau of Prisons emergencies.

(a) Suspension of rules during an emergency. The Director of the Bureau of Prisons (Bureau) may suspend operation of the rules in this chapter as necessary to handle an institutional emergency or an emergency affecting the Bureau. When there is an institutional emergency which the Director or Warden considers a threat to human life or safety, the Director or Warden may suspend the operation of the rules in this chapter as necessary to handle the emergency.

(b) Responsibilities of the Warden—(1) Notifying the Director. If the Warden suspends operation of the rules, the Warden must, within 24 hours of the suspension or as soon as practicable, notify the Director by providing written documentation which:

(i) Describes the institutional emergency that threatens human life or safety;
§ 501.2  National security cases.

(a) Upon direction of the Attorney General, the Director, Bureau of Prisons, may authorize the Warden to implement special administrative measures that are reasonably necessary to prevent disclosure of classified information upon written certification to the Attorney General by the head of a member agency of the United States intelligence community that the unauthorized disclosure of such information would pose a threat to the national security and that there is a danger that the inmate will disclose such information. These special administrative measures ordinarily may include housing the inmate in administrative detention and/or limiting certain privileges, including, but not limited to, correspondence, visiting, interviews with representatives of the news media, and use of the telephone, as is reasonably necessary to prevent the disclosure of classified information. The authority of the Director under this paragraph may not be delegated below the level of Acting Director.

(b) Designated staff shall provide to the affected inmate, as soon as practicable, written notification of the restrictions imposed and the basis for these restrictions. The notice’s statement as to the basis may be limited in the interest of prison security or safety or national security. The inmate shall sign for and receive a copy of the notification.

(c) Initial placement of an inmate in administrative detention and/or any limitation of the inmate’s privileges in accordance with paragraph (a) of this section may be imposed for a period of time as determined by the Director, Bureau of Prisons, up to one year. Special restrictions imposed in accordance with paragraph (a) of this section may be extended thereafter by the Director, Bureau of Prisons, in increments not to exceed one year, but only if the Attorney General receives from the head of a member agency of the United States intelligence community an additional written certification that, based on the information available to the agency, there is a danger that the inmate will disclose classified information and that the unauthorized disclosure of such information would pose a threat to the national security. The authority of the Director under this paragraph may not be delegated below the level of Acting Director.

(d) The affected inmate may seek review of any special restrictions imposed in accordance with paragraph (a) of this section through the Administrative Remedy Program, 28 CFR part 542.

(e) Other appropriate officials of the Department of Justice having custody of persons for whom special administrative measures are required may exercise the same authorities under this section as the Director of the Bureau of Prisons and the Warden.

§ 501.3  Prevention of acts of violence and terrorism.

(a) Upon direction of the Attorney General, the Director, Bureau of Prisons, may authorize the Warden to implement special administrative measures that are reasonably necessary to protect persons against the risk of death or serious bodily injury. These procedures may be implemented upon written notification to the Director, Bureau of Prisons, by the Attorney General or, at the Attorney General’s direction, by the head of a federal law enforcement agency, or the head of a member agency of the United States intelligence community, that there is a
substantial risk that a prisoner’s communications or contacts with persons could result in death or serious bodily injury to persons, or substantial damage to property that would entail the risk of death or serious bodily injury to persons. These special administrative measures ordinarily may include housing the inmate in administrative detention and/or limiting certain privileges, including, but not limited to, correspondence, visiting, interviews with representatives of the news media, and use of the telephone, as is reasonably necessary to protect persons against the risk of acts of violence or terrorism. The authority of the Director under this paragraph may not be delegated below the level of Acting Director.

(b) Designated staff shall provide to the affected inmate, as soon as practicable, written notification of the restrictions imposed and the basis for these restrictions. The notice’s statement as to the basis may be limited in the interest of prison security or safety or to protect against acts of violence or terrorism. The inmate shall sign for and receive a copy of the notification.

(c) Initial placement of an inmate in administrative detention and/or any limitation of the inmate’s privileges in accordance with paragraph (a) of this section may be imposed for up to 120 days or, with the approval of the Attorney General, a longer period of time not to exceed one year. Special restrictions imposed in accordance with paragraph (a) of this section may be extended thereafter by the Director, Bureau of Prisons, in increments not to exceed one year, upon receipt by the Director of an additional written notification from the Attorney General, or, at the Attorney General’s direction, from the head of a federal law enforcement agency or the head of a member agency of the United States intelligence community, that there continues to be a substantial risk that the inmate’s communications or contacts with other persons could result in death or serious bodily injury to persons, or substantial damage to property that would entail the risk of death or serious bodily injury to persons. The authority of the Director under this paragraph may not be delegated below the level of Acting Director.

(d) In any case where the Attorney General specifically so orders, based on information from the head of a federal law enforcement or intelligence agency that reasonable suspicion exists to believe that a particular inmate may use communications with attorneys or their agents to further or facilitate acts of terrorism, the Director, Bureau of Prisons, shall, in addition to the special administrative measures imposed under paragraph (a) of this section, provide appropriate procedures for the monitoring or review of communications between that inmate and attorneys or attorneys’ agents who are traditionally covered by the attorney-client privilege, for the purpose of deterring future acts that could result in death or serious bodily injury to persons, or substantial damage to property that would entail the risk of death or serious bodily injury to persons.

(1) The certification by the Attorney General under this paragraph (d) shall be in addition to any findings or determinations relating to the need for the imposition of other special administrative measures as provided in paragraph (a) of this section, but may be incorporated into the same document.

(2) Except in the case of prior court authorization, the Director, Bureau of Prisons, shall provide written notice to the inmate and to the attorneys involved, prior to the initiation of any monitoring or review under this paragraph (d). The notice shall explain:

(i) That, notwithstanding the provisions of part 540 of this chapter or other rules, all communications between the inmate and attorneys may be monitored, to the extent determined to be reasonably necessary for the purpose of deterring future acts of violence or terrorism;

(ii) That communications between the inmate and attorneys or their agents are not protected by the attorney-client privilege if they would facilitate criminal acts or a conspiracy to commit criminal acts, or if those communications are not related to the seeking or providing of legal advice.
(3) The Director, Bureau of Prisons, with the approval of the Assistant Attorney General for the Criminal Division, shall employ appropriate procedures to ensure that all attorney-client communications are reviewed for privilege claims and that any properly privileged materials (including, but not limited to, recordings of privileged communications) are not retained during the course of the monitoring. To protect the attorney-client privilege and to ensure that the investigation is not compromised by exposure to privileged material relating to the investigation or to defense strategy, a privilege team shall be designated, consisting of individuals not involved in the underlying investigation. The monitoring shall be conducted pursuant to procedures designed to minimize the intrusion into privileged material or conversations. Except in cases where the person in charge of the privilege team determines that acts of violence or terrorism are imminent, the privilege team shall not disclose any information unless and until such disclosure has been approved by a federal judge.

c) The affected inmate may seek review of any special restrictions imposed in accordance with paragraph (a) of this section through the Administrative Remedy Program, 28 CFR part 542.

d) Other appropriate officials of the Department of Justice having custody of persons for whom special administrative measures are required may exercise the same authorities under this section as the Director of the Bureau of Prisons and the Warden.

§ 503.1 Structure of the Bureau of Prisons.

The Bureau of Prisons consists of a Central Office, located at 320 First Street, NW., Washington, DC 20534, a Staff Training Center, and six Regional Offices (Northeast, Mid-Atlantic, Southeast, North Central, South Central, and Western). For further information, please contact the Central Office at the address referenced, or visit www.bop.gov for a complete list of contact information for Bureau Regional Offices and facilities.
§ 505.2 Annual determination of average cost of incarceration.

Pursuant to 28 CFR 0.96c, the Bureau of Prisons staff is responsible for calculating the annual average cost of incarceration. This calculation is reviewed annually and the revised figure is published as a notice in the FEDERAL REGISTER.

§ 505.3 Inmates exempted from fee assessment.

Inmates who began service of sentence before January 1, 1995, or who have had a fine either imposed or expressly waived by the United States District Court, pursuant to Section 5E1.2 (e) of the United States Sentencing Guidelines, or any successor provisions, are exempt from fee assessment otherwise required by this part.

§ 505.4 Calculation of assessment by unit staff.

Bureau of Prisons Unit Team staff are responsible for computing the amount of the fee to be paid by each inmate who has not been exempted from fee assessment. The inmate will only be assessed an amount once for the cost of incarceration for each separate period of incarceration.

(a) Unit Team staff are to rely exclusively on the information contained in the Presentence Investigation Report and findings and orders of the sentencing court in order to determine the extent of an inmate’s assets, liabilities and dependents.

(b) The fee is assessed in accordance with the following formula: If an inmate’s assets are equal to or less than the poverty level, as established by the United States Department of Health and Human Services and published annually in the FEDERAL REGISTER, no fee is to be imposed. If an inmate’s assets are above the poverty level, Unit Team staff are to impose a fee equal to the inmate’s assets above the poverty level up to the average cost to the Bureau of Prisons of confining an inmate for one year.

(c) If the amount of time that the inmate is in custody is less than 334 days (including pretrial custody time), the maximum fee to be imposed is to be computed by prorating the fee on a monthly basis.

§ 505.5 Waiver of fee by Warden.

The Warden may reduce or waive the fee if the inmate establishes that:

(a) He or she is not able and, even with the use of a reasonable installment schedule, is not likely to become able to pay all or part of the fee, or

(b) Imposition of a fee would unduly burden the inmate’s dependents.

§ 505.6 Procedures for payment.

Fees imposed pursuant to this part are due and payable after notice of the Unit Team actions. When the inmate participates in the inmate financial responsibility program (see 28 CFR part 545, subpart B), fees are to be included under the category “other federal government obligations” and are to be paid before other financial obligations included in that same category. Fees may be subject to interest charges.

§ 505.7 Procedures for final disposition.

Before the inmate completes his or her sentence, Unit Team staff must review the status of the inmate’s fee. Any unpaid amount will be referred for collection in accordance with Federal Claims Collection Standards (4 CFR Chapter II).

PART 506—INMATE COMMISSARY ACCOUNT

§ 506.1 What is the purpose of individual inmate commissary accounts?

The purpose of individual inmate commissary accounts is to allow the Bureau to maintain inmates’ monies while they are incarcerated. Family,
friends, or other sources may deposit funds into these accounts.

§ 506.2 How may family, friends, or other sources deposit funds into an inmate commissary account?

(a) Family and friends must mail deposits to the centralized inmate commissary account at the address we provide.

(1) The deposit envelope must not contain any enclosures intended for delivery to the inmate. We may dispose of any enclosure.

(2) The deposit must be in the form of a money order made out to the inmate’s full name and complete register number. We will return checks to the sender provided the check contains an adequate return address.

(b) Other sources, (such as tax refunds, dividends from stocks, or state benefits) must be forwarded for deposit to the centralized inmate commissary account.

Subpart A (Reserved)

28 CFR Ch. V (7–1–17 Edition)

§ 511.10 Purpose and scope.

(a) This subpart facilitates our legal obligations to ensure the safety, security, and orderly operation of Bureau of Prisons (Bureau) facilities, and protect the public. These goals are furthered by carefully managing non-inmates, the objects they bring, and their activities, while inside a Bureau facility or upon the grounds of any Bureau facility (Bureau grounds).

(b) Purpose. This subpart covers:

(1) Searching non-inmates and their belongings (for example, bags, boxes, vehicles, containers in vehicles, jackets or coats, etc.) to prevent prohibited objects from entering a Bureau facility or Bureau grounds;

(2) Authorizing, denying, and/or terminating a non-inmate’s presence inside a Bureau facility or upon Bureau grounds; and

(3) Authorizing Bureau staff to remove from inside a Bureau facility or upon Bureau grounds, and possibly arrest and detain, non-inmates suspected of engaging in prohibited activity.

(c) Scope/Application. This subpart applies to all persons who wish to enter, or are present inside a Bureau facility or upon Bureau grounds, other than inmates in Bureau custody. This subpart applies at all Bureau facilities and Bureau grounds, including administrative offices.

§ 511.11 Prohibited activities.

(a) “Prohibited activities” include any activities that could jeopardize the Bureau’s ability to ensure the safety, security, and orderly operation of Bureau facilities, and protect the public, whether or not such activities are criminal in nature.

(b) Examples of “prohibited activities” include, but are not limited to: Introducing, or attempting to introduce, prohibited objects into a Bureau facility or upon Bureau grounds; assisting an escape; and any other conduct that violates criminal laws or is prohibited by federal regulations or Bureau policies.
§ 511.12 Prohibited objects.
(a) “Prohibited objects,” as defined in 18 U.S.C. 1791(d)(1), include any objects that could jeopardize the Bureau’s ability to ensure the safety, security, and orderly operation of Bureau facilities, and protect the public.
(b) Examples of “prohibited objects” include, but are not limited to, the following items and their related paraphernalia: Weapons; explosives; drugs; intoxicants; currency; cameras of any type; recording equipment; telephones; radios; pagers; electronic devices; and any other objects that violate criminal laws or are prohibited by Federal regulations or Bureau policies.

§ 511.13 Searches before entering, or while inside, a Bureau facility or Bureau grounds.
Bureau staff may search you and your belongings (for example, bags, boxes, vehicles, containers in vehicles, jackets or coats, etc.) before entering, or while inside, any Bureau facilities or Bureau grounds, to keep out prohibited objects.

§ 511.14 Notification of possible search.
We display conspicuous notices at the entrance to all Bureau facilities, informing all non-inmates that they, and their belongings, are subject to search before entering, or while inside, Bureau facilities or grounds. Furthermore, these regulations and Bureau national and local policies provide additional notice that you and your belongings may be searched before entering, or while inside, Bureau facilities or grounds. By entering or attempting to enter a Bureau facility or Bureau grounds, non-inmates consent to being searched in accordance with these regulations and Bureau policy.

§ 511.15 When searches will be conducted.
You and your belongings may be searched, either randomly or based on reasonable suspicion, before entering, or while inside, a Bureau facility or Bureau grounds, as follows:
(a) Random Searches. This type of search may occur at any time, and is not based on any particular suspicion that a non-inmate is attempting to bring a prohibited object into a Bureau facility or Bureau grounds.
(1) Random searches must be impartial and not discriminate among non-inmates on the basis of age, race, religion, national origin, or sex.
(2) Non-inmates will be given the option of either consenting to random searches as a condition of entry, or refusing such searches and leaving Bureau grounds. However, if a non-inmate refuses to submit to a random search and expresses an intent to leave Bureau grounds, he or she may still be required to be searched if “reasonable suspicion” exists as described in paragraph (b) of this section.
(b) Reasonable Suspicion Searches. Notwithstanding staff authority to conduct random searches, staff may also conduct reasonable suspicion searches to ensure the safety, security, and orderly operation of Bureau facilities, and protect the public. “Reasonable suspicion” exists if a staff member knows of facts and circumstances that warrant rational inferences by a person with correctional experience that a non-inmate may be engaged in, attempting, or about to engage in, criminal or other prohibited activity.

§ 511.16 How searches will be conducted.
You may be searched by any of the following methods before entering, or while inside, a Bureau facility or Bureau grounds:
(a) Electronically. (1) You and your belongings may be electronically searched for the presence of contraband, either randomly or upon reasonable suspicion.
(2) Examples of electronic searches include, but are not limited to, metal detectors and ion spectrometry devices.
(b) Pat Search. (1) You and your belongings may be pat searched either randomly or upon reasonable suspicion.
(2) A pat search of your person or belongings involves a staff member pressing his/her hands on your outer clothing, or the outer surface of your belongings, to determine whether prohibited objects are present.
(3) Whenever possible, pat searches of your person will be performed by staff members of the same sex. Pat searches
may be conducted by staff members of the opposite sex only in emergency situations with the Warden’s authorization.

(c) Visual Search. You and your belongings may be visually searched as follows:

(1) Person. (i) A visual search of your person involves removing all articles of clothing, including religious headwear, to allow a visual (non-tactile) inspection of your body surfaces and cavities.
(ii) Visual searches of your person must always be authorized by the Warden or his/her designee and based on reasonable suspicion; random visual searches are prohibited.
(iii) When authorized, visual searches will be performed discreetly, in a private area away from others, and by staff members of the same sex as the non-inmate being searched. Visual searches may be conducted by staff members of the opposite sex in emergency situations with the Warden’s authorization.
(iv) Body cavity (tactile) searches of non-inmates are prohibited.
(2) Belongings. A visual search of your belongings involves opening and exposing all contents for visual and manual inspection, and may be done either as part of a random search or with reasonable suspicion.
(d) Drug Testing. (1) You may be tested for use of intoxicating substances by any currently reliable testing method, including, but not limited to, breathalyzers and urinalysis.
(2) Drug testing must always be authorized by the Warden or his/her designee and must be based on reasonable suspicion that you are under the influence of an intoxicating substance upon entering, or while inside, a Bureau facility or Bureau grounds.
(3) Searches of this type will always be performed discretely, in a private area away from others, and by staff members adequately trained to perform the test. Whenever possible, urinalysis tests will be conducted by staff members of the same sex as the non-inmate being tested. Urinalysis tests may be conducted by staff members of the opposite sex only in emergency situations with the Warden’s authorization.

§ 511.17 When a non-inmate will be denied entry to or required to leave a Bureau facility or Bureau grounds.

At the Warden’s, or his/her designee’s, discretion, and based on this subpart, you may be denied entry to, or required to leave, a Bureau facility or Bureau grounds if:
(a) You refuse to be searched under this subpart; or
(b) There is reasonable suspicion that you may be engaged in, attempting, or about to engage in, prohibited activity that jeopardizes the Bureau’s ability to ensure the safety, security, and orderly operation of its facilities, or protect the public. “Reasonable suspicion,” for this purpose, may be based on the results of a search conducted under this subpart, or any other reliable information.

§ 511.18 When Bureau staff can arrest and detain a non-inmate.

(a) You may be arrested and detained by Bureau staff anytime there is probable cause indicating that you have violated or attempted to violate applicable criminal laws while at a Bureau facility, as authorized by 18 U.S.C. 3050.
(b) “Probable cause” exists when specific facts and circumstances lead a reasonably cautious person (not necessarily a law enforcement officer) to believe a violation of criminal law has occurred, and warrants consideration for prosecution.
(c) Non-inmates arrested by Bureau staff under this regulation will be physically secured, using minimally necessary force and restraints, in a private area of the facility away from others. Appropriate law enforcement will be immediately summoned to investigate the incident, secure evidence, and commence criminal prosecution.

PART 512—RESEARCH

Subpart A [Reserved]

Subpart B—Research

Sec. 512.10 Purpose and scope.
512.11 Requirements for research projects and researchers.
512.12 Content of research proposal.
512.13 Institutional Review Board.
§ 512.10 Purpose and scope.

General provisions for the protection of human subjects during the conduct of research are contained in 28 CFR part 46. The provisions of this subpart B specify additional requirements for prospective researchers (both employees and non-employees) to obtain approval to conduct research within the Bureau of Prisons (Bureau) and responsibilities of Bureau staff in processing proposals and monitoring research projects. Although some research may be exempt from 28 CFR part 46 under § 46.101(b)(5), as determined by the Office of Research and Evaluation (ORE) of the Bureau, no research is exempt from 28 CFR part 512. For the purpose of this subpart, implementation of Bureau programmatic or operational initiatives made through pilot projects is not considered to be research.

§ 512.11 Requirements for research projects and researchers.

(a) Except as provided for in paragraph (b) of this section, the Bureau requires the following:

(1) In all research projects the rights, health, and human dignity of individuals involved must be respected.

(2) The project must have an adequate research design and contribute to the advancement of knowledge about corrections.

(3) The project must not involve medical experimentation, cosmetic research, or pharmaceutical testing.

(4) The project must minimize risk to subjects; risks to subjects must be reasonable in relation to anticipated benefits. The selection of subjects within any one institution must be equitable.

(5) Incentives may not be offered to help persuade inmate subjects to participate. However, soft drinks and snacks to be consumed at the test setting may be offered. Reasonable accommodations such as nominal monetary recompense for time and effort may be offered to non-confined research subjects who are both:

(i) No longer in Bureau of Prisons custody, and

(ii) Participating in authorized research being conducted by Bureau employees or contractors.

(6) The researcher must have academic preparation or experience in the area of study of the proposed research.

(7) The researcher must assume responsibility for actions of any person engaged to participate in the research project as an associate, assistant, or subcontractor to the researcher.

(8) Except as noted in the informed consent statement to the subject, the researcher must not provide research information which identifies a subject to any person without that subject’s prior written consent to release the information. For example, research information identifiable to a particular individual cannot be admitted as evidence or used for any purpose in any action, suit or other judicial, administrative, or legislative proceeding without the written consent of the individual to whom the data pertains.

(9) The researcher must adhere to applicable provisions of the Privacy Act of 1974 and regulations pursuant to this Act.

(10) The research design must be compatible with both the operation of prison facilities and protection of human subjects. The researcher must observe the rules of the institution or
office in which the research is conducted.

(11) Any researcher who is a non-employee of the Bureau must sign a statement in which the researcher agrees to adhere to the provisions of this subpart.

(12) Except for computerized data records maintained at an official Department of Justice site, records which contain nondisclosable information directly traceable to a specific person may not be stored in, or introduced into, an electronic retrieval system.

(13) If the researcher is conducting a study of special interest to the Office of Research and Evaluation (ORE), but the study is not a joint project involving ORE, the researcher may be asked to provide ORE with the computerized research data, not identifiable to individual subjects, accompanied by detailed documentation. These arrangements must be negotiated prior to the beginning of the data collection phase of the project.

(14) The researcher must submit planned methodological changes in a research project to the IRB for approval, and may be required to revise study procedures in accordance with the new methodology.

(b) Requests from Federal agencies, the Congress, the Federal judiciary, or State or local governments to collect information about areas for which they are responsible and requests by private organizations for organizational rather than personal information from Bureau staff shall be reviewed by ORE to determine which provisions of this subpart may be waived without jeopardizing the safety of human subjects. ORE shall document in writing the waiver of any specific provision along with the justification.

§ 512.12 Content of research proposal.

When submitting a research proposal, the applicant shall provide the following information:

(a) A summary statement which includes:

(1) Name(s) and current affiliation(s) of the researcher(s);
(2) Title of the study;
(3) Purpose of the project;
(4) Location of the project;
(5) Methods to be employed;
(6) Anticipated results;
(7) Duration of the study;
(8) Number of subjects (staff/inmates) required and amount of time required from each; and
(9) Indication of risk or discomfort involved as a result of participation.

(b) A comprehensive statement which includes:

(1) Review of related literature;

(3) Significance of anticipated results and their contribution to the advancement of knowledge;
(4) Specific resources required from the Bureau;
(5) Description of all possible risks, discomforts, and benefits to individual subjects or a class of subjects, and a discussion of the likelihood that the risks and discomforts will actually occur;
(6) Description of steps taken to minimize any risks described in (b)(5) of this section.
(7) Description of physical and/or administrative procedures to be followed to:

(i) Ensure the security of any individually identifiable data that are being collected for the project, and

(ii) Destroy research records or remove individual identifiers from those records when the research has been completed.

(8) Description of any anticipated effects of the research project on institutional programs and operations; and

(9) Relevant research materials such as vitae, endorsements, sample informed consent statements, questionnaires, and interview schedules.

(c) A statement regarding assurances and certification required by 28 CFR part 46, if applicable.

§ 512.13 Institutional Review Board.

(a) The Bureau of Prisons’ central institutional review board shall be called the Bureau Research Review Board (BRRB). It shall consist of the Chief, ORE, at least four other members, and one alternate, appointed by the Director, and shall meet a sufficient number of times to insure that each project covered by 28 CFR part 46 receives an annual review. A majority of members
§ 512.14 Submission and processing of proposal.

(a) An applicant may submit a preliminary research proposal for review by the Office of Research and Evaluation, Federal Bureau of Prisons, 320 First Street, NW., Washington, DC 20534. Staff response to the preliminary proposal does not constitute a final decision.

(b) If the study is to be conducted at only one institution, the applicant shall submit a formal proposal to the warden of that institution. Proposal processing will be as follows:

(1) The warden shall appoint a local research review board to consult with operational staff, to evaluate the proposal for compliance with research policy, and to make recommendations to the warden. The local research review board is encouraged, but not required, to meet the membership requirements of an IRB, as specified in 28 CFR part 46.

(2) The warden shall review the comments of the board, make a recommendation regarding the proposal, and forward the proposal package to the Regional Director, with a copy to the Chief, ORE.

(c) If the study is to be conducted at more than one institution or at any other Bureau location, the applicant shall submit the research proposal to the Chief, Office of Research and Evaluation, Federal Bureau of Prisons, 320 First Street, NW., Washington, DC 20534. The Chief, ORE, shall determine an appropriate review process.

(d) All formal proposals will be reviewed by the BRRB.

(e) The BRRB chairperson may exercise the authority of the full BRRB under an expedited review process when another official IRB (either within or outside the Bureau) has approved the research, or when, in his/her judgment, the research proposal meets the minimal risk standard and involves only the following:

(1) The study of existing data, documents, or records; and/or
(2) The study of individual or group behavior or characteristics of individuals, where the investigator does not manipulate subjects’ behavior and the research will not involve stress to subjects. Such research would include test development and studies of perception, cognition, or game theory. If a proposal is processed under expedited review, the BRRB chairperson must document in writing the reason for that determination.

(f) The Chief, ORE, shall review all recommendations made and shall submit them in writing to the Director, Bureau of Prisons.

(g) The Director, Bureau of Prisons, has final authority to approve or disapprove all research proposals. The Director may delegate this authority to the Assistant Director, Information, Policy, and Public Affairs Division.

(h) The approving authority shall notify in writing the involved region(s), institution(s), and the prospective researcher of the final decision on a research proposal.

§ 512.15 Access to Bureau of Prisons records.

(a) Employees, including consultants, of the Bureau who are conducting authorized research projects shall have access to those records relating to the subject which are necessary to the purpose of the research project without having to obtain the subject’s consent.

(b) A non-employee of the Bureau is limited in access to information available under the Freedom of Information Act (5 U.S.C. 552).
§ 512.16 Informed consent.

(a) Before commencing a research project requiring participation by staff or inmates, the researcher shall give each participant a written informed consent statement containing the following information:

1. Identification of the principal investigator(s);
2. Objectives of the research project;
3. Procedures to be followed in the conduct of research;
4. Purpose of each procedure;
5. Anticipated uses of the results of the research;
6. A statement of benefits reasonably to be expected;
7. A declaration concerning discomfort and risk, including a description of anticipated discomfort and risk;
8. A statement that participation is completely voluntary and that the participant may withdraw consent and end participation in the project at any time without penalty or prejudice (the inmate will be returned to regular assignment or activity by staff as soon as practicable);
9. A statement regarding the confidentiality of the research information and exceptions to any guarantees of confidentiality required by federal or state law. For example, a researcher may not guarantee confidentiality when the subject indicates an intent to commit future criminal conduct or harm himself/herself or someone else, or, if the subject is an inmate, indicates an intent to leave the facility without authorization.
10. A statement that participation in the research project will have no effect on the inmate participant’s release date or parole eligibility;
11. An offer to answer questions about the research project; and
12. Appropriate additional information as needed to describe adequately the nature and risks of the research.

(b) A researcher who is an employee of the Bureau shall include in the informed consent statement a declaration of the authority under which the research is conducted.

(c) A researcher who is an employee of the Bureau, in addition to presenting the statement of informed consent to the subject, shall also obtain the subject’s signature on the statement of informed consent, when:

1. The subject’s activity requires something other than response to a questionnaire or interview; or
2. The Chief, ORE, determines the research project or data-collection instrument is of a sensitive nature.

(d) A researcher who is a non-employee of the Bureau, in addition to presenting the statement of informed consent to the subject, shall also obtain the subject’s signature on the statement of informed consent prior to initiating the research activity. The researcher may not be required to obtain the signature if the researcher can demonstrate that the only link to the subject’s identity is the signed statement of informed consent or that there is significantly more risk to the subject if the statement is signed. The signed statement shall be submitted to the chairperson of the appropriate local research review board.

§ 512.17 Monitoring approved research projects.

The BRRB shall monitor all research projects for compliance with Bureau policies. At a minimum, yearly reviews will be conducted.

§ 512.18 Termination or suspension.

The Director, Bureau of Prisons, may suspend or terminate a research project if it is believed that the project violates research policy or that its continuation may prove detrimental to the inmate population, the staff, or the orderly operation of the institution.

§ 512.19 Reports.

The researcher shall prepare reports of progress on the research and at least one report of findings.

(a) At least once a year, the researcher shall provide the Chief, ORE, with a report on the progress of the research.
Bureau of Prisons, Justice

(b) At least 12 working days before any report of findings is to be released, the researcher shall distribute one copy of the report to each of the following: the chairperson of the BRRB, the regional director, and the warden of each institution which provided data or assistance. The researcher shall include an abstract in the report of findings.

§ 512.20 Publication of results of research project.

(a) A researcher may publish in book form and professional journals the results of any research project conducted under this subpart.

(1) In any publication of results, the researcher shall acknowledge the Bureau's participation in the research project.

(2) The researcher shall expressly disclaim approval or endorsement of the published material as an expression of the policies or views of the Bureau.

(b) Prior to submitting for publication the results of a research project conducted under this subpart, the researcher shall provide two copies of the material, for informational purposes only, to the Chief, Office of Research and Evaluation, Central Office, Bureau of Prisons.

§ 512.21 Copyright provisions.

(a) An employee of the Bureau may not copyright any work prepared as part of his/her official duties.

(b) As a precondition to the conduct of research under this subpart, a nonemployee shall grant in writing to the Bureau a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, translate, and otherwise use and authorize others to publish and use original materials developed as a result of research conducted under this subpart.

(c) Subject to a royalty-free, non-exclusive and irrevocable license, which the Bureau of Prisons reserves, to reproduce, publish, translate, and otherwise use and authorize others to publish and use such materials, a non-employee may copyright original materials developed as a result of research conducted under this subpart.

§ 513.10 Purpose and scope.

This subpart describes the procedures to be followed by an inmate who requests a copy of his or her FBI identification record or National Crime Information Center Interstate Identification Index (NCIC/III) record and references the procedures to follow in order to challenge the contents of such record.

§ 513.11 Procedures for requesting a FBI identification record or a NCIC/III record.

(a) FBI identification record. (1) An inmate may request a copy of his or her current FBI identification record directly from the FBI by following the procedure outlined in 28 CFR 16.30 through 16.34.

(i) Bureau of Prisons staff shall assist the inmate to obtain the fingerprint impressions required to be submitted with such an application.

(2) An inmate may request a copy of his or her FBI identification record from institution staff.

(i) If the requested FBI identification record is in the inmate’s institution file, staff shall provide the inmate with a copy.

(b) NCIC/III identification record. An inmate who wishes to obtain a copy of his or her NCIC/III record must submit a written request to the FBI. The procedures outlined in 28 CFR 16.32, 16.33, and paragraphs (a)(1)(i) and (ii) of this section apply to such request.

§ 513.12 Inmate request for record clarification.

Where the inmate believes that his or her FBI identification record is incorrect or inaccurate, the inmate may follow procedures outlined in 28 CFR 16.34. The procedures in 28 CFR 16.34 also apply for the clarification of an inmate’s NCIC/III record.

Subpart C—Release of Information to Law Enforcement Agencies

§ 513.20 Release of information to law enforcement agencies.

(a) The Bureau of Prisons will provide to the head of any law enforcement agency of a state or of a unit of local government in a state information on federal prisoners who have been convicted of felony offenses and who are confined at a residential community treatment center located in the geographical area in which the requesting agency has jurisdiction. Law enforcement personnel interested in obtaining this information must forward a written request to the appropriate Regional Community Programs Administrator (see 28 CFR part 503 for the mailing address). The type of information that the Bureau of Prisons may provide is set forth in 18 U.S.C. 4082(f). That information includes: names, dates of birth, FBI numbers, nature of the offenses against the United States, fingerprints, photographs, and the designated community treatment centers, with prospective dates of release.

(b) Any law enforcement agency which receives information under this rule may not disseminate such information outside of such agency. If an agency disseminates information contrary to this restriction, the Bureau of
Bureau of Prisons, Justice

Prisons may terminate or suspend release of information to that agency.

Subpart D—Release of Information

SOURCE: 61 FR 64950, Dec. 9, 1996, unless otherwise noted.

GENERAL PROVISIONS AND PROCEDURES

§ 513.30 Purpose and scope.

This subpart establishes procedures for the release of requested records in possession of the Federal Bureau of Prisons (“Bureau”). It is intended to implement provisions of the Freedom of Information Act (FOIA), 5 U.S.C. 552, and the Privacy Act, 5 U.S.C. 552a, and to supplement Department of Justice (DOJ) regulations concerning the production or disclosure of records or information, 28 CFR part 16.

§ 513.31 Limitations.

(a) Social Security Numbers. As of September 27, 1975, Social Security Numbers may not be used in their entirety as a method of identification for any Bureau record system, unless such use is authorized by statute or by regulation adopted prior to January 1, 1975.

(b) Employee records. Access and amendment of employee personnel records under the Privacy Act are governed by Office of Personnel Management regulations published in 5 CFR part 297 and by Department of Justice regulations published in 28 CFR part 16.

§ 513.32 Guidelines for disclosure.

The Bureau provides for the disclosure of agency information pursuant to applicable laws, e.g. the Freedom of Information Act (5 U.S.C. 552), and the Privacy Act (5 U.S.C. 552a).

§ 513.33 Production of records in court.

Bureau records are often sought by subpoena, court order, or other court demand, in connection with court proceedings. The Attorney General has directed that these records may not be produced in court without the approval of the Attorney General or his or her designee. The guidelines are set forth in 28 CFR part 16, subpart B.

§ 513.34 Protection of individual privacy—disclosure of records to third parties.

(a) Information that concerns an individual and is contained in a system of records maintained by the Bureau shall not be disclosed to any person, or to another agency except under the provisions of the Privacy Act, 5 U.S.C. 552a, the Freedom of Information Act, 5 U.S.C. 552, and Departmental regulations.

(b) Lists of Bureau inmates shall not be disclosed.

§ 513.35 Accounting/nonaccounting of disclosures to third parties.

Accounting/nonaccounting of disclosures to third parties shall be made in accordance with Department of Justice regulations contained in 28 CFR 16.52.

§ 513.36 Government contractors.

(a) No Bureau component may contract for the operation of a record system by or on behalf of the Bureau without the express written approval of the Director or the Director’s designee.

(b) Any contract which is approved shall contain the standard contract requirements promulgated by the General Services Administration (GSA) to ensure compliance with the requirements imposed by the Privacy Act. The contracting component shall have the responsibility to ensure that the contractor complies with the contract requirements relating to privacy.

INMATE REQUESTS TO INSTITUTION FOR INFORMATION

§ 513.40 Inmate access to Inmate Central File.

Inmates are encouraged to use the simple access procedures described in this section to review disclosable records maintained in his or her Inmate Central File, rather than the FOIA procedures described in §§513.60 through 513.68 of this subpart. Disclosable records in the Inmate Central File include, but are not limited to, documents relating to the inmate’s
§ 513.41 Inmate access to Inmate Central File in connection with parole hearings.

A parole-eligible inmate (an inmate who is currently serving a sentence for an offense committed prior to November 1, 1987) may review disclosable portions of the Inmate Central File prior to the inmate’s parole hearing, under the general procedures set forth in §513.40. In addition, the following guidelines apply:

(a) A parole-eligible inmate may request to review his or her Inmate Central File by submitting the appropriate Parole Commission form. This form ordinarily shall be available to each eligible inmate within five work days after a list of eligible inmates is prepared.

(b) Bureau staff ordinarily shall schedule an eligible inmate for a requested Inmate Central File review within seven work days of the request after the inmate has been scheduled for a parole hearing. A reasonable extension of time is permitted for documents which have been provided (prior to the inmate’s request) to originating agencies for clearance, or which are otherwise not available at the institution.

(c) A report received from another agency which is determined to be nondisclosable (see §513.40(b)) will be summarized by that agency, in accordance with Parole Commission regulations. Bureau staff shall place the summary in the appropriate disclosable section of the Inmate Central File. The original report (or portion which is summarized in another document) will be placed in the portion of the Privacy File for Joint Use by the Bureau and the Parole Commission.

(d) Bureau documents which are determined to be nondisclosable to the inmate will be summarized for the inmate’s review. A copy of the summary will be placed in the disclosable section of the Inmate Central File. The document from which the summary is taken will be placed in the Joint Use Section of the Privacy Folder. Nondisclosable documents not summarized for the inmate’s review are not available to the Parole Commission and are placed in a nondisclosable section of the Inmate Central File.

(e) When no response regarding disclosure has been received from an originating agency in time for inmate review prior to the parole hearing, Bureau staff are to inform the Parole Commission Hearing Examiner.
§ 513.42 Inmate access to medical records.

(a) Except for the limitations of paragraphs (c) and (d) of this section, an inmate may review records from his or her medical file (including dental records) by submitting a request to a staff member designated by the Warden.

(b) Laboratory reports which contain only scientific testing results and which contain no staff evaluation or opinion (such as Standard Form 514A, Urinalysis) are ordinarily disclosable. Lab results of HIV testing may be reviewed by the inmate. However, an inmate may not retain a copy of his or her test results while the inmate is confined in a Bureau facility or a Community Corrections Center. A copy of an inmate’s HIV test results may be forwarded to a third party outside the institution and chosen by the inmate, provided that the inmate gives written authorization for the disclosure.

(c) Medical records containing subjective evaluations and opinions of medical staff relating to the inmate’s care and treatment will be provided to the inmate only after the staff review required by paragraph (d) of this section. These records include, but are not limited to, outpatient notes, consultation reports, narrative summaries or reports by a specialist, operative reports by the physician, summaries by specialists as the result of laboratory analysis, or in-patient progress reports.

(d) Prior to release to the inmate, records described in paragraph (c) of this section shall be reviewed by staff to determine if the release of this information would present a harm to either the inmate or other individuals. Any records determined not to present a harm will be released to the inmate at the conclusion of the review by staff. If any records are determined by staff not to be releasable based upon the presence of harm, the inmate will be so advised in writing and provided the address of the agency component to which the inmate may address a formal request for the withheld records. An accounting of any medical records will be maintained in the inmate’s medical file.

§ 513.43 Inmate access to certain Bureau Program Statements.

Inmates are encouraged to use the simple local access procedures described in this section to review certain Bureau Program Statements, rather than the FOIA procedures described in §§513.60 through 513.68 of this subpart.

(a) For a current Bureau Program Statement containing rules (regulations published in the FEDERAL REGISTER and codified in 28 CFR), local access is available through the institution law library.

(b) For a current Bureau Program Statement not containing rules (regulations published in the FEDERAL REGISTER and codified in 28 CFR), inmates may request that it be placed in the institution law library. Placement of a requested Program Statement in the law library is within the discretion of the Warden, based upon local institution conditions.

(c) Inmates are responsible for the costs of making personal copies of any Program Statements maintained in the institution law library. For copies of Program Statements obtained under the FOIA procedures described in §§513.60 through 513.68 of this subpart, fees will be calculated in accordance with 28 CFR 16.10.

§ 513.44 Fees for copies of Inmate Central File and Medical Records.

Within a reasonable time after a request, Bureau staff are to provide an inmate personal copies of requested disclosable documents maintained in the Inmate Central File and Medical Record. Fees for the copies are to be calculated in accordance with 28 CFR 16.10.

PRIVACY ACT REQUESTS FOR INFORMATION

§ 513.50 Privacy Act requests by inmates.

Because inmate records are exempt from disclosure under the Privacy Act (see 28 CFR 16.97), inmate requests for records under the Privacy Act will be processed in accordance with the FOIA. See §§513.61 through 513.68.
§ 513.60 Freedom of Information Act requests.

Requests for any Bureau record (including Program Statements and Operations Memoranda) ordinarily shall be processed pursuant to the Freedom of Information Act, 5 U.S.C. 552. Such a request must be made in writing and addressed to the Director, Federal Bureau of Prisons, 320 First Street, NW., Washington, D.C. 20534. The requester shall clearly mark on the face of the letter and the envelope “FREEDOM OF INFORMATION REQUEST,” and shall clearly describe the records sought. See §§ 513.61 through 513.63 for additional requirements.

§ 513.61 Freedom of Information Act requests by inmates.

(a) Inmates are encouraged to use the simple access procedures described in § 513.40 to review disclosable records maintained in his or her Inmate Central File.

(b) An inmate may make a request for access to documents in his or her Inmate Central File or Medical File (including documents which have been withheld from disclosure during the inmate’s review of his or her Inmate Central File pursuant to § 513.40) and/or other documents concerning the inmate which are not contained in the Inmate Central File or Medical File. Staff shall process such a request pursuant to the applicable provisions of the Freedom of Information Act, 5 U.S.C. 552.

(c) The inmate requester shall clearly mark on the face of the letter and on the envelope “FREEDOM OF INFORMATION ACT REQUEST,” and shall clearly describe the records sought, including the approximate dates covered by the record. An inmate making such a request must provide his or her full name, current address, date and place of birth. In addition, the requester must provide with the request an example of his or her signature, which must be either notarized or sworn under penalty of perjury, and dated within three (3) months of the date of the request.

§ 513.62 Freedom of Information Act requests by former inmates.

Former federal inmates may request copies of their Bureau records by writing to the Director, Federal Bureau of Prisons, 320 First Street, NW., Washington, D.C. 20534. Such requests shall be processed pursuant to the provisions of the Freedom of Information Act. The request must be clearly marked on the face of the letter and on the envelope “FREEDOM OF INFORMATION ACT REQUEST,” and must describe the record sought, including the approximate dates covered by the record. A former inmate making such a request must provide his or her full name, current address, date and place of birth. In addition, the requester must provide with the request an example of his or her signature, which must be either notarized or sworn under penalty of perjury, and dated within three (3) months of the date of the request.

§ 513.63 Freedom of Information Act requests on behalf of an inmate or former inmate.

A request for records concerning an inmate or former inmate made by an authorized representative of that inmate or former inmate will be treated as in § 513.61, on receipt of the inmate’s or former inmate’s written authorization. This authorization must be dated within three (3) months of the date of the request letter. Identification data, as listed in 28 CFR 16.41, must be provided.

§ 513.64 Acknowledgment of Freedom of Information Act requests.

(a) All requests for records under the Freedom of Information Act received by the FOI/PA Administrator, Office of General Counsel, will be reviewed and may be forwarded to the appropriate Regional Office for proper handling. Requests for records located at a Bureau facility other than the Central Office or Regional Office may be referred to the appropriate staff at that facility for proper handling.

(b) The requester shall be notified of the status of his or her request by the office with final responsibility for processing the request.

If a document is deemed to contain information exempt from disclosure, any reasonably segregable portion of the record shall be provided to the requester after deletion of the exempt portions. If documents, or portions of documents, in an Inmate Central File have been determined to be nondisclosable by institution staff but are later released by Regional or Central Office staff pursuant to a request under this section, appropriate instructions will be given to the institution to move those documents, or portions, from the Inmate Privacy Folder into the disclosable section of the Inmate Central File.

§ 513.66 Denials and appeals of Freedom of Information Act requests.

If a request made pursuant to the Freedom of Information Act is denied in whole or in part, a denial letter must be issued and signed by the Director or his or her designee, and shall state the basis for denial under § 513.32. The requester who has been denied such access shall be advised that he or she may appeal that decision to the Office of Information and Privacy, U.S. Department of Justice, Suite 570, Flag Building, Washington, D.C. 20530. Both the envelope and the letter of appeal itself should be clearly marked: “Freedom of Information Act Appeal.”

§ 513.67 Fees for Freedom of Information Act requests.

Fees for copies of records disclosed under the FOIA, including fees for a requester’s own records, may be charged in accordance with Department of Justice regulations contained in 28 CFR 16.10.

§ 513.68 Time limits for responses to Freedom of Information Act requests.

Consistent with sound administrative practice and the provisions of 28 CFR 16.1, the Bureau strives to comply with the time limits set forth in the Freedom of Information Act.
§ 522.10 Purpose.
(a) This subpart describes the procedures for federal civil contempt of court commitments (civil contempt commitments) referred to the Bureau of Prisons (Bureau). These cases are not commitments to the custody of the Attorney General for service of terms of imprisonment following criminal convictions.
(b) We cooperate with the federal courts to implement civil contempt commitments by making our facilities and resources available. When we receive notification from the federal court that the reason for the civil contempt commitment has ended or that the inmate is to be released for any other reason, we will terminate the inmate’s civil contempt commitment.

§ 522.11 Civil contempt commitments.
Inmates can come into Bureau custody for civil contempt commitments in two ways:
(a) The U.S. Marshals Service may request a designation from the Bureau for a civil contempt commitment if local jails are not suitable due to medical, security or other reasons; or
(b) The committing court may specify a Bureau institution as the place of incarceration in its contempt order. We will designate the facility specified in the court order unless there is a reason for not placing the inmate in that facility.

§ 522.12 Relationship between existing criminal sentences imposed under the U.S. or D.C. Code and new civil contempt commitment orders.
If a criminal sentence imposed under the U.S. Code or D.C. Code exists when a civil contempt commitment is ordered, we delay or suspend credit towards service of the criminal sentence for the duration of the civil contempt commitment, unless the committing judge orders otherwise.
§ 522.13 Relationship between existing civil contempt commitment orders and new criminal sentences imposed under the U.S. or D.C. Code.

(a) Except as stated in (b), if a civil contempt commitment order is in effect when a criminal sentence of imprisonment is imposed under the U.S. or D.C. Code, the criminal sentence runs consecutively to the commitment order, unless the sentencing judge orders otherwise.

(b) For federal criminal sentences imposed for offenses committed before November 1, 1987, under 18 U.S.C. Chapter 227: If a civil contempt commitment order is in effect when a criminal sentence of imprisonment is imposed, the criminal sentence runs concurrent with the commitment order, unless the sentencing judge orders otherwise.

§ 522.14 Inmates serving civil contempt commitments.

We treat inmates serving civil contempt commitments in Bureau institutions the same as pretrial inmates. If an inmate is serving a civil contempt commitment and a concurrent criminal sentence, we treat the inmate the same as a person serving a criminal sentence.

§ 522.15 No good time credits for inmates serving only civil contempt commitments.

While serving only the civil contempt commitment, an inmate is not entitled to good time sentence credit.

Subpart C—Intake Screening

§ 522.20 Purpose and scope.

Bureau of Prisons staff screen newly arrived inmates to ensure that Bureau health, safety, and security standards are met.

§ 522.21 Procedures.

(a) Except for such camps and other satellite facilities where segregating a newly arrived inmate in detention is not feasible, the Warden shall ensure that a newly arrived inmate is cleared by the Medical Department and provided a social interview by staff before assignment to the general population.

(1) Immediately upon an inmate’s arrival, staff shall interview the inmate to determine if there are non-medical reasons for housing the inmate away from the general population. Staff shall evaluate both the general physical appearance and emotional condition of the inmate.

(2) Within 24 hours after an inmate’s arrival, medical staff shall medically screen the inmate in compliance with Bureau of Prisons’ medical procedures to determine if there are medical reasons for housing the inmate away from the general population or for restricting temporary work assignments.

(3) Staff shall place recorded results of the intake medical screening and the social interview in the inmate’s central file.

§ 522.30 Purpose and scope.

When the court orders or recommends an unescorted commitment to a Bureau of Prisons institution, the Bureau of Prisons authorizes the commitment and designates the institution for service of sentence. The Bureau of Prisons also authorizes furlough transfers of inmates between Bureau of Prisons institutions or to nonfederal institutions in appropriate circumstances in accordance with 18 U.S.C. 3622 or 4082, and within the guidelines of the Bureau of Prisons policy on furloughs, which allows inmates to travel unescorted and to report voluntarily to an assigned institution.
§ 523.1  Definitions.
(a) Statutory good time means a credit to a sentence as authorized by 18 U.S.C. 4161. The total amount of statutory good time which an inmate is entitled to have deducted on any given sentence, or aggregate of sentences, is calculated and credited in advance, when the sentence is computed.
(b) Extra good time means a credit to a sentence as authorized by 18 U.S.C. 4162 for performing exceptionally meritorious service or for performing duties of outstanding importance in an institution or for employment in a Federal Prison Industry or Camp. “Extra Good Time” thus includes Meritorious Good Time, Work/Study Release Good Time, Community Corrections Center Good Time, Industrial Good Time, Camp or Farm Good Time, and Lump Sum Awards. Extra good time and seniority are inseparable with the exception of lump sum awards for which no seniority is earned.

(c) Seniority refers to the time accrued in an extra good time earning status. Twelve months of “seniority” automatically cause the earning rate to increase from three days per month to five days per month and seniority is then vested.
(d) Earning status refers to the status of an inmate who is in an assignment or employment which accrues extra good time.

§ 523.2  Good time credit for violators.
(a) An inmate conditionally released from imprisonment either by parole or mandatory release can earn statutory good time, upon being returned to custody for violation of supervised release, based on the number of days remaining to be served on the sentence. The rate of statutory good time for the violator term is computed at the rate of the total sentence from which released.
(b) An inmate whose special parole term is revoked can earn statutory good time based on the number of days remaining to be served on the special parole violator term. The rate of statutory good time for the violator term is computed at the rate of the initial special parole term plus the total sentence that was served prior to the special parole term and to which the special parole term was attached.
(c) Once an inmate is conditionally released from imprisonment, either by parole, including special parole, or mandatory release, the good time earned (extra or statutory) during that period of imprisonment is of no further effect either to shorten the period of supervision or to shorten the period of imprisonment which the inmate may be required to serve for violation of parole or mandatory release.

Subpart B—Extra Good Time
§ 523.10  Purpose and scope.
(a) The Bureau of Prisons awards extra good time credit for performing exceptionally meritorious service, or for performing duties of outstanding importance or for employment in an industry or camp. An inmate may earn only one type of extra good time award at a time (e.g., an inmate earning industrial or camp good time is not eligible for meritorious good time), except...
that a lump sum award as provided in §523.16 may be given in addition to another extra good time award. The Warden or the Discipline Hearing Officer may not forfeit or withhold extra good time. The Warden may disallow or terminate the awarding of any type of extra good time (except lump sum awards), but only in a nondisciplinary context and only upon recommendation of staff. The Discipline Hearing Officer may disallow or terminate the awarding of any type of extra good time (except lump sum awards), as a disciplinary sanction. Once an awarding of meritorious good time has been terminated, the Warden must approve a new staff recommendation in order for the award to recommence. A “disallowance” means that an inmate does not receive an extra good time award for only one calendar month. Unless other action is taken, the award resumes the following calendar month. A “disallowance” must be for the entire amount of extra good time for that calendar month. There may be no partial disallowance. A decision to disallow or terminate extra good time may not be suspended pending future consideration. A retroactive award of meritorious good time may not include a month in which extra good time has been disallowed or terminated.

(b) The provisions of this rule do not apply to inmates sentenced under the Sentencing Reform Act provisions of the Comprehensive Crime Control Act of 1984. This means that inmates sentenced under the Sentencing Reform Act provisions for offenses committed on or after November 1, 1987 are not eligible for either statutory or extra good time, but may be considered for a maximum of 54 days of good conduct time credit per year (see 18 U.S.C. 3624(b)).

§ 523.11 Meritorious good time.

(a) Staff are responsible for recommending meritorious good time based upon work performance. Each recommendation must include a justification which clearly shows that the work being performed is of an exceptionally meritorious nature or is of outstanding importance in connection with institutional operations. Work performance and the importance of the work performed are the only criteria for awarding meritorious good time.

(b) A retroactive award of meritorious good time is ordinarily limited to three months, excluding the month in which the recommendation is made. A retroactive award in excess of three months requires the approval of the Warden or designee (may not be delegated below the level of Associate Warden). Staff are to include with any recommendation for an inmate to receive a retroactive award of meritorious good time, a written statement confirming the inmate’s eligibility for the retroactive award.

(c) Meritorious good time continues uninterrupted regardless of work assignment changes unless the Warden or the Discipline Hearing Officer takes specific action to terminate or disallow the award.

§ 523.12 Work/study release good time.

Extra good time for an inmate in work or study release programs is awarded automatically, beginning on the date the inmate is assigned to the program and continuing as long as the inmate is participating in the program, unless the award is disallowed.

§ 523.13 Community corrections center good time.

Extra good time for an inmate in a Federal or contract Community Corrections Center is awarded automatically, beginning on arrival at the facility and continuing as long as the inmate is confined at the Center, unless the award is disallowed.

§ 523.14 Industrial good time.

Extra good time for an inmate employed in Federal Prison Industries, Inc., is automatically awarded, beginning on the first day of such employment, and continuing as long as the inmate is employed by Federal Prison Industries, unless the award is disallowed. An inmate on a waiting list for employment in Federal Prison Industries is not awarded industrial good time until actually employed.

§ 523.15 Camp or farm good time.

An inmate assigned to a farm or camp is automatically awarded extra...
§ 523.16 Lump sum awards.

Any staff member may recommend to the Warden the approval of an inmate for a lump sum award of extra good time. Such recommendations must be for an exceptional act or service that is not part of a regularly assigned duty. The Warden may make lump sum awards of extra good time not to exceed thirty days. If the recommendation is for an award in excess of thirty days and the Warden concurs, the Warden shall refer the recommendation to the Regional Director who may approve the award. No award may be approved which would exceed the maximum number of days allowed under 18 U.S.C. 4162. The actual length of time served on the sentence, to the date that the exceptional act or service terminated, is the basis on which the maximum amount possible to award is calculated. No seniority is accrued for such awards. Staff may recommend lump sum awards of extra good time for the following reasons:

(a) An act of heroism;
(b) Voluntary acceptance and satisfactory performance of an unusually hazardous assignment;
(c) An act which protects the lives of staff or inmates or the property of the United States; this is to be an act and not merely the providing of information in custodial or security matters;
(d) A suggestion which results in substantial improvement of a program or operation, or which results in significant savings; or
(e) Any other exceptional or outstanding service.

§ 523.17 Procedures.

(a) Extra good time is awarded at a rate of three days per month during the first twelve months of seniority in an earning status and at the rate of five days per month thereafter. The first twelve months of seniority need not be based on a continuous period of twelve months. If the beginning or termination date of an extra good time award occurs after the first day of a month, a partial award of days is made.

(b) An inmate may be awarded extra good time even though some or all of the inmate’s statutory good time has been forfeited or withheld.

(c) Parole and mandatory release violators may earn extra good time the same as other inmates. Once an inmate is conditionally released from imprisonment, either by parole, including special parole, or mandatory release, the good time earned during that period of imprisonment is of no further effect either to shorten the period of supervision or to shorten the period of imprisonment which the inmate may be required to serve for violation of parole or mandatory release.

(d) Staff working in the community have the same extra good time authority as the Warden when approving the award of good time for an inmate confined in a non-federal facility and may approve meritorious good time or lump sum awards in accordance with this rule upon recommendations made by a responsible person employed by the non-federal facility. The appropriate staff in the Regional Office may review all such awards if the Regional Director requires the review.

(e) An inmate who is transferred remains in the earning status at time of transfer, unless the reason for transfer would otherwise have caused removal from an earning status, and provided the inmate’s behavior is such while in transit that it does not justify removal. Where the receiving institution is a camp, farm, or community corrections center, the extra good time continues automatically upon the inmate’s arrival. Where the receiving institution is other than a camp, farm, or community corrections center, the extra good time is terminated upon arrival, and staff at the receiving institution shall review each case to determine if the inmate should continue in meritorious good time earning status if not immediately employed in Federal Prison Industries or assigned to a work/study release program. If the inmate then is not continued in meritorious good time earning status, later awards must comply with procedures outlined in §523.11.
(f) An inmate serving a life sentence may earn extra good time even though there is no mandatory release date from which to deduct the credit since the possibility exists that the sentence may be reduced or commuted to a definite term.

(g) Extra good time is not automatically discontinued while an inmate is hospitalized, on furlough, out of the institution on a writ of habeas corpus, or removed under the Interstate Agreement on Detainers. Extra good time may be terminated or disallowed during such absences if the Warden or the Discipline Hearing Officer finds that the inmate’s behavior warrants such action.

(h) Extra good time earned by an inmate in a District of Columbia Department of Corrections facility is treated the same as if earned in a Bureau of Prisons institution, upon transfer to a Bureau institution.

(i) An inmate committed under the provisions of 18 U.S.C. 3651 (split sentence) may earn extra good time credits provided the sentence imposed is not under the provisions of 18 U.S.C. 5010 (b) or (c) (YCA). All extra good time and seniority earned is carried over to any subsequent probation violator sentence based on the original split sentence.

(j) An inmate committed under the provisions of 18 U.S.C. 4205(c) may earn extra good time credits towards the final sentence that may be imposed. Such extra good time credits do not reduce the three months allowed for study. An inmate committed under the provisions of 18 U.S.C. 4244, as amended effective October 12, 1984, may earn extra good time credits toward the final sentence that may be imposed. Such extra good time credits do not reduce the provisional sentence. Extra good time may continue during a commitment for examination of hospitalization and treatment under 18 U.S.C. 4245, as amended effective October 12, 1984.

(k) Inmates committed under the provisions of 18 U.S.C. 4244, 4246–47, 4252, 5010 (b), (c), (e), or 5037(c) as these sections were in effect prior to October 12, 1984, are not entitled to extra good time deductions.

(l) A pretrial detainee may not earn good time while in pretrial status. A pretrial detainee, however, may be recommended for good time credit. This recommendation shall be considered in the event that the pretrial detainee is later sentenced on the crime for which he or she was in pretrial status.

(m) An inmate committed for civil contempt is not entitled to extra good time deductions while serving the civil contempt sentence.

(n) A military or Coast Guard inmate may earn extra good time. Extra good time earned in Federal Prison Industries in a military or Coast Guard installation is treated the same as if earned in Federal Prison Industries in the Bureau of Prisons. Other forms of military or Coast Guard extra good time, such as Army Abatement time, are fully credited, but no seniority is allowed.

(o) American citizens who are serving sentences in foreign countries and who are subsequently returned to this country under the provisions of 18 U.S.C. chapter 306 (Pub. L. 95–144) may have earned work, labor, or program time credits in the foreign country similar to extra good time earned under 18 U.S.C. 4162. Such foreign “extra good time” credits shall be treated as if awarded under §523.16, Lump Sum Awards, with any future lump sum award consideration in this country calculated on the basis of time served in custody of the Bureau of Prisons. After return to this country an inmate may earn extra good time at the three-day rate and advance to the five-day rate after one year of seniority is accrued. No seniority is accrued for foreign “extra good time” credits.

(p) An inmate in extra good time earning status may not waive or refuse extra good time credits.

(q) Once extra good time is awarded, it becomes vested and may not be forfeited or withheld, or retroactively terminated or disallowed.
§ 523.20 Good conduct time.

(a) For inmates serving a sentence for offenses committed on or after November 1, 1987, but before September 13, 1994, the Bureau will award 54 days credit toward service of sentence (good conduct time credit) for each year served. This amount is prorated when the time served by the inmate for the sentence during the year is less than a full year.

(b) For inmates serving a sentence for offenses committed on or after September 13, 1994, but before April 26, 1996, all yearly awards of good conduct time will vest for inmates who have earned, or are making satisfactory progress (see §544.73(b) of this chapter) toward earning a General Educational Development (GED) credential.

(c) For inmates serving a sentence for an offense committed on or after April 26, 1996, the Bureau will award

(1) 54 days credit for each year served (prorated when the time served by the inmate for the sentence during the year is less than a full year) if the inmate has earned or is making satisfactory progress toward earning a GED credential or high school diploma; or

(2) 42 days credit for each year served (prorated when the time served by the inmate for the sentence during the year is less than a full year) if the inmate has not earned or is not making satisfactory progress toward earning a GED credential or high school diploma.

(d) Notwithstanding the requirements of paragraphs (b) and (c) of this section, an alien who is subject to a final order of removal, deportation, or exclusion is eligible for, but is not required to, participate in a literacy program, or to be making satisfactory progress toward earning a General Educational Development (GED) credential, to be eligible for a yearly award of good conduct time.

(e) The amount of good conduct time awarded for the year is also subject to disciplinary disallowance (see tables 3 through 6 in §541.13 of this chapter).

Subpart D—District of Columbia Educational Good Time Credit

§ 523.30 What is educational good time sentence credit?

Educational good time sentence credit is authorized by District of Columbia (D.C.) Code §24–221.01, and reduces the amount of time to serve under a term of imprisonment. In these rules, we refer to D.C. educational good time as “DCEGT.”

§ 523.31 Who is eligible for DCEGT?

You are eligible for DCEGT if:

(a) You are incarcerated in a Bureau of Prisons’ (Bureau) institution or a Bureau contract facility;

(b) You are serving a term of imprisonment for a D.C. criminal code violation committed before August 5, 2000;

(c) Your Unit Team approved or designed a plan for you to complete a program designated by the Bureau as eligible for DCEGT;

(d) The Supervisor of Education (SOE) finds that you successfully completed a Bureau-designated education program on or after August 5, 1997; and

(e) You did not violate prison discipline rules while enrolled in the program (see §523.33).

§ 523.32 How much DCEGT can I earn?

(a) You can earn 5 days DCEGT for each month you were enrolled in a designated program, up to the maximum amount designated by the Bureau for the type of program successfully completed.

(b) You are limited to 5 days per month DCEGT, even if enrolled in more than one designated program.

(c) Enrollment in a designated program for any portion of a calendar month earns one full month’s worth of DCEGT.

(d) You are not eligible for DCEGT which, if awarded, would make you past due for release.

(e) Once appropriately awarded, DCEGT vests, and cannot be forfeited.
§ 523.33 How is eligibility for DCEGT limited?

Eligibility for DCEGT is limited in two ways:
(a) If you violate prison rules, you are not eligible for one month’s worth of DCEGT for each disciplinary incident committed during the program enrollment period. A Discipline Hearing Officer, or other staff using procedures similar to those in 28 CFR 541.17, must determine that you committed a prohibited act.
(b) The nature of your offense may limit your eligibility for DCEGT under D.C. Code 24–221.01b or 24–221.06.

§ 523.34 How can I challenge DCEGT award decisions?

You can use the Administrative Remedy Program, 28 CFR 542.10 through 542.19, to challenge Bureau of Prisons decisions regarding DCEGT.

Subpart A [Reserved]

Subpart B—Classification and Program Review of Inmates

SOURCE: 71 FR 36007, June 23, 2006, unless otherwise noted.

§ 524.10 Purpose.

The purpose of this subpart is to explain the Bureau of Prisons (Bureau) process for classifying newly committed inmates and conducting program reviews for all inmates except:
(a) Pretrial inmates, covered in 28 CFR part 551; and
(b) Inmates committed for study and observation.

§ 524.11 Process for classification and program reviews.

(a) When:
(1) Newly committed inmates will be classified within 28 calendar days of arrival at the institution designated for service of sentence.
(2) Inmates will receive a program review at least once every 180 calendar days. When an inmate is within twelve months of the projected release date, staff will conduct a program review at least once every 90 calendar days.
(b) Inmate appearance before classification team:
(1) Inmates will be notified at least 48 hours before that inmate’s scheduled appearance before the classification team (whether for the initial classification or later program reviews).
(2) Inmates may submit a written waiver of the 48-hour notice requirement.
(3) The inmate is expected to attend the initial classification and all later program reviews. If the inmate refuses to appear at a scheduled meeting, staff must document on the Program Review Report the inmate’s refusal and, if
known, the reasons for refusal, and give a copy of this report to the inmate.

(c) Program Review Report: Staff must complete a Program Review Report at the inmate’s initial classification. This report ordinarily includes information on the inmate’s apparent needs and offers a correctional program designed to meet those needs. The Unit Manager and the inmate must sign the Program Review Report, and a copy must be given to the inmate.

(d) Work Programs: Each sentenced inmate who is physically and mentally able is assigned to a work program at initial classification. The inmate must participate in this work assignment and any other program required by Bureau policy, court order, or statute. The inmate may choose not to participate in other voluntary programs.

Subpart C—Youth Corrections Act (YCA) Programs

SOURCE: 58 FR 50808, Sept. 28, 1993, unless otherwise noted.

§ 524.20 Purpose and scope.

This subpart establishes procedures for designation, classification, parole, and release of Youth Corrections Act (YCA) inmates. In keeping with court findings, and in accord with the repeal of 18 U.S.C. chapter 402, sections 5011 and 5015(b), all offenders sentenced under the provisions of the YCA presently in custody, those retaken into custody as parole violators, and those yet to be committed (probation violators, appeal bond cases, etc.) may be transferred to or placed in adult institutions under the provisions of this policy.

§ 524.21 Definitions.

(a) YCA inmate: An inmate sentenced under provision of the Youth Corrections Act who has not received an in-person “no further benefit” finding by his or her sentencing judge, and whose YCA sentence has not been completely absorbed by an adult federal sentence.

(b) No further benefit: An in-person finding by the inmate’s sentencing court that YCA treatment will not be of further benefit to the inmate. An inmate receiving such court finding is accordingly not considered to be a YCA inmate.

§ 524.22 YCA program.

(a) Wardens are to ensure each committed youth offender is scheduled for a three-phase program plan which will include a classification phase, a treatment phase, and a pre-release phase. A program plan for each YCA inmate will be developed by the Unit Team as a part of the classification phase. The Warden may exempt a YCA inmate from program participation when individual circumstances warrant such exceptions. Such exceptions must be requested and acknowledged by the inmate, and the reason(s) for exemption must be documented in the inmate’s central file.

(1) Classification phase: The classification phase begins upon the inmate’s arrival at the designated institution. It consists of evaluation, orientation, unit assignment, and concludes when the inmate has attended the initial classification (or transfer classification) meeting with the Unit Team. YCA inmates are to participate in the classification process prior to the development of their individual program plans. The YCA inmate is to have received a psychological screening prior to attending the initial classification meeting. YCA program plans will include specific goals relative to:

(i) Behavior;
(ii) Treatment/self improvement;
(iii) Pre-release.

(2) Treatment phase: YCA inmates are to be exposed to unit-based and community-based (if otherwise eligible) programs. Each YCA inmate shall be periodically reviewed during this phase. The treatment phase begins when the inmate attends the programs and activities described in the program plan which were established at the culmination of the classification phase. Each YCA inmate shall be assigned programs in accordance with the inmate’s needs and the established program plan. The “program day” shall consist of morning, afternoon, and evening time periods, during which the inmate shall be scheduled for treatment programs, work, and leisure-time activities. The inmate shall be expected to comply with the program
plan. The inmate’s participation in a treatment program is required, not optional. An inmate’s failure to participate may result in disciplinary action.

(3) Pre-release phase: The YCA inmate shall enter the pre-release phase approximately 9 months prior to release. The pre-release phase is ordinarily divided into two segments: participation in the institution pre-release program and a stay at a Community Corrections Center (CCC), if otherwise eligible. Institution pre-release programs shall focus on the types of problems the inmate may face upon return to the community, such as re-establishing family relationships, managing a household, finding and keeping a job, and developing a successful life style. In addition, the pre-release phase may include visits from prospective employers.

(b) Staff shall establish incentives to motivate YCA inmates and to encourage program completion. Examples of such incentives which may be used are special recognition, awards, and “vacation days”.

(c) The program plan, and the YCA inmate’s participation in fulfilling goals contained within the plan, are fundamental factors considered by the U.S. Parole Commission in determining when a YCA inmate should be paroled. Given the importance and joint use of the YCA programming process, the current program plan and a summary of the inmate’s progress in meeting established treatment goals must be made available for review and discussion by the Commission at each parole hearing. In addition, a staff member familiar with the YCA inmate’s case should be present at any parole hearing to clarify any questions concerning the plan or the inmate’s progress in completing the plan.

(d) Upon full and satisfactory completion of the program plan, the Warden will notify the U.S. Parole Commission and make a specific recommendation for release.

§ 524.23 Program reviews.

Staff shall conduct periodic reviews of the inmate’s program plan and shall modify the plan in accordance with the level of progress shown. Each YCA inmate shall be afforded a review at least once each 90 days, and shall have a formal progress report prepared every year summarizing the inmate’s level of achievement. If the inmate’s program plan needs to be modified in light of the progress made, or the lack thereof, appropriate changes will be made and a revised program plan will be developed and documented. Staff shall ordinarily notify the inmate of the 90-day review at least 48 hours prior to the inmate’s scheduled appearance before the Unit Team. An inmate may waive in writing the requirement of 48 hours notice.

§ 524.24 Parole hearings.

All YCA inmates have been extended the parole procedures present in *Watts vs. Hadden*. YCA inmates shall be scheduled for interim hearings on the following schedules:

(a) For those inmates serving YCA sentences of less than 7 years, an in-person hearing will be scheduled every 9 months.

(b) For those inmates serving YCA sentences of 7 years or more, an in-person hearing will be scheduled every 12 months.

(c) Upon notification of a response to treatment/certified completion of a program plan by the Bureau of Prisons, the Parole Commission will schedule the inmate for an in-person hearing on the next available docket, unless the inmate is paroled on the record. If a hearing is held and the inmate is denied parole, the next hearing shall be scheduled in accordance with the schedule outlined in paragraphs (a) and (b) of this section.

(d) The hearings mentioned in paragraphs (a) and (b) of this section are not required for inmates who have been continued to expiration or mandatory parole who have less than one year remaining to serve or to a CCC placement date.

§ 524.25 U.S. Parole Commission.

The U.S. Parole Commission is the releasing authority for all YCA inmates except for full term and conditional releases. The Commission shall be provided a progress report:

(a) Upon request of the Commission,

(b) Prior to any interim hearing or pre-release record review, or

(c) Upon determination by the inmate’s Unit Team, with concurrence by
§ 524.40 Purpose and scope.

The Bureau of Prisons maintains current information on each inmate through progress reports completed by staff. The progress report summarizes information relating to the inmate’s adjustment during confinement, program participation, and readiness for release.

§ 524.41 Types of progress reports.

The Bureau of Prisons prepares the following types of progress reports.
(a) Initial Hearing—prepared for an inmate’s initial parole hearing when progress has not been summarized within the previous 180 days.
(b) Statutory Interim/Two-Thirds Review—prepared for a parole hearing conducted 18 or 24 months following a hearing at which no effective parole date was established, or for a two-thirds review (see 28 CFR 2.53) unless the inmate has waived the parole hearing.
(c) Pre-Release—
(1) Record Review—prepared for and mailed to the appropriate Parole Commission office at least eight months prior to the inmate’s presumptive parole date.
(2) Final—prepared at least 90 days prior to the release of an offender to a term of supervision.
(d) Transfer report—prepared on an inmate transferring to community confinement or any non-Bureau facility.
(e) Other—prepared for any reason other than those previously stated in this section. The reason (e.g., court request, clemency review) is specified in the report.

§ 524.42 Content of progress reports.

Staff shall include the following in each progress report:
(a) Institution (full name) and Date;
(b) Type of Progress Report;
(c) Committed name;
(d) Registration number;
(e) Age;
(f) Present security and custody level;
(g) Offense(s) for which committed;
(h) Sentence;
(i) Date sentence began;
(j) Time served to date, including jail time credit;
(k) Good conduct time/Extra good time earned;
(l) Statutory good time withheld or forfeited; Disallowed good conduct time;
(m) Projected release date;
(n) Most recent Parole Commission action, including any special conditions or requirements (if applicable);
(o) Detainers and pending charges on file;
(p) Institutional adjustment; this ordinarily includes information on the inmate’s:
(1) Program plans;
(2) Work assignments and skills acquired;
(3) Educational/vocational participation;
(4) Counseling programs;
(5) Incident reports;
(6) Institutional movement;
(7) Physical and mental health, including any significant mental or physical health problems, and any corrective action taken; and
(8) Financial responsibility.
(q) Release planning:
(1) Where appropriate, staff shall request that the inmate provide a specific release plan;
(2) Staff shall identify available release resources (including CCC) and any particular problem that may be present in release planning.

§ 524.43 Inmate’s access to progress reports.

Upon request, an inmate may read and receive a copy of any progress report retained in the inmate’s central file which had been prepared on that inmate after October 15, 1974. Staff
shall allow the inmate the opportunity to read a newly prepared progress report and shall request the inmate sign and date the report. If the inmate refuses to do so, staff witnessing the refusal shall document this refusal on the report. Staff shall then offer to provide a copy of the progress report to the inmate.

Subpart F—Central Inmate Monitoring (CIM) System

SOURCE: 61 FR 40143, July 31, 1996, unless otherwise noted.

§ 524.70 Purpose and scope.

The Bureau of Prisons monitors and controls the transfer, temporary release (e.g., on writ), and community activities of certain inmates who present special needs for management. Such inmates, known as central inmate monitoring (CIM) cases, require a higher level of review which may include Central Office and/or Regional Office clearance for transfers, temporary releases, or community activities. This monitoring is not to preclude a CIM case from such activities, when the inmate is otherwise eligible, but rather is to provide protection to all concerned and to contribute to the safe and orderly operation of federal institutions.

§ 524.71 Responsibility.

Authority for actions relative to the CIM system is delegated to the Assistant Director, Correctional Programs Division, to Regional Directors, and to Wardens. The Assistant Director, Correctional Programs Division, and Regional Directors shall assign a person responsible for coordinating CIM activities. The Case Management Coordinator (CMC) shall provide oversight and coordination of CIM activities at the institutional level, and the Community Corrections Manager shall assume these responsibilities for contract facilities.

§ 524.72 CIM assignment categories.

CIM cases are classified according to the following assignments:

(a) Witness Security cases. Individuals who agree to cooperate with law enforcement, judicial, or correctional authorities, frequently place their lives or safety in jeopardy by being a witness or intended witness against persons or groups involved in illegal activities. Accordingly, procedures have been developed to help ensure the safety of these individuals. There are two types of Witness Security cases: Department of Justice (authorized by the Attorney General under title V of Public Law 91–452, 84 Stat. 933); and Bureau of Prisons Witness Security cases (authorized by the Assistant Director, Correctional Programs Division).

(b) Threats to government officials. Inmates who have made threats to government officials or who have been identified, in writing, by the United States Secret Service as requiring special surveillance.

(c) Broad publicity. Inmates who have received widespread publicity as a result of their criminal activity or notoriety as public figures.

(d) Disruptive group. Inmates who belong to or are closely affiliated with groups (e.g., prison gangs), which have a history of disrupting operations and security in either state or federal penal (which includes correctional and detention facilities) institutions. This assignment also includes those persons who may require separation from a specific disruptive group.

(e) State prisoners. Inmates, other than Witness Security cases, who have been accepted into the Bureau of Prisons for service of their state sentences. This assignment includes cooperating state witnesses and regular state boarders.

(f) Separation. Inmates who may not be confined in the same institution (unless the institution has the ability to prevent any physical contact between the separatees) with other specified individuals who are presently housed in federal custody or who may come into federal custody in the future. Factors to consider in classifying an individual to this assignment include, but are not limited to, testimony provided by or about an individual (in open court, to a grand jury,
etc.), and whether the inmate has exhibited aggressive or intimidating behavior towards other specific individuals, either in the community or within the institution. This assignment also includes those inmates who have provided authorities with information concerning the unauthorized or illegal activities of others. This assignment may also include inmates from whom there is no identifiable threat, but who are to be separated from others at the request of the Federal Judiciary or U.S. Attorneys.

(g) Special supervision. Inmates who require special management attention, but who do not ordinarily warrant assignment in paragraphs (a) through (f) of this section. For example, this assignment may include an inmate with a background in law enforcement or an inmate who has been involved in a hostage situation. Others may include those who are members of a terrorist group with a potential for violence.

§ 524.73 Classification procedures.

(a) Initial assignment. Except as provided for in paragraphs (a) (1) through (4) of this section, an inmate (including pretrial inmates) may be classified as a CIM case at any time by a Community Corrections Manager or by appropriate staff at the Central Office, Regional Office, or institution. This initial classification is effective upon documentation in the inmate's record.

(1) Witness Security cases. Witness Security cases are designated by the Central Office only. An inmate's participation in the Department of Justice Witness Security Program is voluntary. A commitment interview and an admission and orientation interview are to be conducted with the Witness Security inmate to ensure that the inmate understands the conditions of confinement within the Bureau of Prisons. Central Office classification of an individual as a Witness Security case, under either the Department of Justice or Bureau of Prisons, does not require additional review, and overrides any other CIM assignment.

(2) State prisoners. Appropriate staff in the Central Office or Regional Office designate state prisoners accepted into the Bureau of Prisons from state or territorial jurisdictions. All state prisoners while solely in service of the state sentence are automatically included in the CIM system to facilitate designations, transfers, court appearances, and other movements.

(3) Special supervision. Placement in this assignment may be made only upon the authorization of a Regional Director or the Assistant Director, Correctional Programs Division.

(4) Recommitted offenders. An inmate who is recommitted to federal custody, who at the time of release was classified as a CIM case, retains this classification pending a review of the CIM status in accordance with paragraph (c) of this section.

(b) Notification. The case manager shall ensure that the affected inmate is notified in writing as promptly as possible of the classification and the basis for it. Witness Security cases will be notified through a commitment interview. The notice of the basis may be limited in the interest of security or safety. For example, in separation cases under §524.72, notice will not include the names of those from whom the inmate must be separated. The inmate shall sign for and receive a copy of the notification form. If the inmate refuses to sign the notification form, staff witnessing the refusal shall indicate this fact on the notification form and then sign the form. Notification is not required for pretrial inmates. Any subsequent modification of a CIM assignment or removal from the CIM system requires separate notification to the inmate.

(c) Initial review. A classification may be made at any level to achieve the immediate effect of requiring prior clearance for an inmate's transfer, temporary release, or participation in community activities. Except for Central Office or Regional Office classification of an individual as a state prisoner in sole service of the state sentence or for classification of pretrial inmates made by designated staff at the institution, a review by designated staff (ordinarily within 60 days of notification to the inmate) is required to determine whether a sound basis exists for the classification. Staff making the initial classification shall forward to the reviewing authority complete information regarding the inmate's classification. An
inmate not notified of a change in the classification by the reviewing authority within 60 days from the date of the initial notification may consider the CIM classification final. Reviewing authorities for CIM classification are:

1. **Central Office Inmate Monitoring Section**—reviews classification decisions for all future separation assignments (including recommitments) for Witness Security cases and for any combination of assignments involving Witness Security cases.

2. **Regional Office**—reviews CIM classification decisions for Witness Security cases, Broad Publicity, Threat to Government Officials, Special Supervision, State Prisoners not in sole service of state sentence and initial multiple assignments except Witness Security Cases.

3. **Warden, or Designee**—reviews CIM classification decisions for all separation assignments.

(d) **Removal.** (1) Because participation in the Department of Justice Witness Security Program is voluntary, such participants may request removal from this assignment at any time. Such request shall be forwarded to the Central Office Inmate Monitoring Section. Actual removal of the CIM assignment will not occur until after approval from the Department of Justice is received.

2. The reviewing authority is responsible for determining if removal or modification of any CIM classification other than a Department of Justice Witness Security case is appropriate. The inmate retains the CIM classification pending a decision by the reviewing authority.

3. When an inmate is removed for any reason from a CIM classification (for example, because the reviewing authority either disapproves the CIM classification or approves removal of a CIM classification based on new information), the appropriate staff member shall ensure that the relevant portions of the inmate central file are either removed or, when part of a larger document, are amended to clearly reflect removal of the CIM assignment. Staff shall notify the inmate of the decision and document any change in the inmate’s record, and supportive documentation and the written basis for removal are to be retained in the inmate privacy file.

§ 524.74 **Activities clearance.**

(a) Except as provided for in paragraph (b) of this section, the Warden is the clearance authority on all transfers, temporary releases, community activities, and escorted trips.

(b) **Witness Security cases.** Central Office Inmate Monitoring Section staff shall be the clearance authority on all transfers, temporary releases, community activities, and escorted trips for Witness Security cases, except in a medical emergency. In a medical emergency, the Warden may transfer a Witness Security case to a local hospital for emergency medical care without prior clearance.

§ 524.75 **Periodic review.**

The Warden shall ensure that the status of an inmate’s CIM assignment is considered at each program review. When staff believe that removal or modification of a CIM classification is appropriate, the institution’s CMC and the appropriate reviewing authority must be notified. Only the reviewing authority shall determine if removal or modification of the CIM classification is appropriate.

§ 524.76 **Appeals of CIM classification.**

An inmate may at any time appeal (through the Administrative Remedy Program) the inmate’s classification as a CIM case. Inmates identified as Witness Security cases may choose to address their concerns directly to the Inmate Monitoring Section, Central Office, rather than use the Administrative Remedy Program.

**PART 527—TRANSFERS**

**Subparts A–C (Reserved)**

**Subpart D—Transfer of Inmates to State Agents for Production on State Writs**

Sec. 527.30 Purpose and scope. 527.31 Procedures.

**Subpart E—Transfer of Offenders to Foreign Countries**

527.40 Purpose and scope.
§ 527.30 Purpose and scope.

The Bureau of Prisons will consider a request made on behalf of a state or local court that an inmate be transferred to the physical custody of state or local agents pursuant to state writ of habeas corpus ad prosequendum or ad testificandum. The Warden at the institution in which the inmate is confined is authorized to approve this transfer in accordance with the provisions of this rule.

§ 527.31 Procedures.

(a) These procedures apply to state and federal inmates serving sentences in federal institutions, and shall be followed prior to an inmate’s transfer to state or local agents other than through the Interstate Agreement on Detainers.

(b) The Warden shall authorize transfer only when satisfied that the inmate’s appearance is necessary, that state and local arrangements are satisfactory, that the safety or other interests of the inmate (such as an imminent parole hearing) are not seriously jeopardized, and that federal interests, which include those of the public, will not be interfered with, or harmed. Authorization may not be given where substantial concern exists over any of these considerations.

(c) The request for transfer of custody to state agents shall be made by the prosecutor or other authority who acts on behalf of the court and shall be directed to the Warden of the institution in which the inmate is confined. The request shall be made by letter. The request shall indicate the need for appearance of the inmate, name of the court, nature of the action, date of the requested appearance, name and phone number of the state agency or other organization with responsibility for transporting the inmate, the name and location where the inmate will be confined during legal proceedings, and anticipated date of return. For civil cases, the request shall also indicate the reason that production on writ is necessary and some other alternative is not available. The applying authority shall provide either at the time of application or with the agent assuming custody, a statement signed by an authorized official that state or local officials with custody will provide for the safekeeping, custody, and care of the inmate, will assume full responsibility for that custody, and will return the inmate to Bureau of Prisons’ custody promptly on conclusion of the inmate’s appearance in the state or local proceedings for which the writ is issued.

(d) A certified copy of the writ (one with the Seal of the Court) must be received at the institution prior to release of the inmate. Institution staff shall verify the authenticity of the writ.

(e) Institution staff shall maintain contact with the state or local law enforcement agency with responsibility for transfer of the inmate to determine the exact date and time for transfer of custody. If the inmate is awaiting federal trial or has federal civil proceedings pending, staff must clear the transfer through the U.S. Attorney.

(f) Institution staff shall determine from the state or local agency the names of the agents assuming custody.
$527.45 Bureau determination on request for transfer.

The process by which determinations are made on an inmate’s request to be transferred to the...
§ 527.46 Transfer procedures.

(a) Treaty nation determination. If the Department of Justice approves the transfer request, the treaty nation will be asked if it consents to the transfer of its citizen or national. The inmate will be informed of the determination made by the treaty nation.

(b) Transfer to departure institution. The Bureau and the Department of Justice will arrange for the inmate to be transferred to an appropriate departure institution.

(c) Consent verification hearing. If the treaty nation consents to the transfer, the United States will arrange a consent verification hearing for the prisoner as required by 18 U.S.C. 4107, 4108. This hearing is held before a U.S. Magistrate Judge or other judicial officer as specified in sections 4107 and 4108. The Bureau must ensure that the prisoner is available and present at the consent verification hearing.

(d) Transfer to departure institution and foreign retrieval of inmate. If the foreign national prisoner gives consent to transfer at the consent verification hearing, the Department of Justice will notify the treaty transfer nation.

§ 527.47 Transfer of state prisoners to other countries.

The Bureau of Prisons may assume custody of a state prisoner who has been approved for transfer to a treaty nation for the purpose of facilitating the transfer to the treaty nation. Once the state prisoner has consented to the transfer at the consent verification hearing, the Bureau assumes custody of the prisoner. The state is not required to contract for the placement of the prisoner in federal custody, nor to reimburse the United States for the cost of confinement (as would ordinarily be required by 18 U.S.C. 5003).

§ 527.48 Transfer of American national prisoners from foreign countries.

The Bureau of Prisons is responsible for:

(a) Sending escorts to foreign countries to retrieve American national prisoners who have been approved for transfer to the United States and who have had their consent verified at the consent verification hearing specified in 18 U.S.C. 4108; and

(b) Making logistical arrangements for the transfer and coordinating with the United States Parole Commission for proceedings to determine how the sentence will be administered.

§ 540.2 Definitions.

(a) General correspondence means incoming or outgoing correspondence other than special mail. General correspondence includes packages sent through the mail.

(1) Open general correspondence means general correspondence which is not limited to a list of authorized correspondents, except as provided in §540.17.

(2) Restricted general correspondence means general correspondence which is limited to a list of authorized correspondents.
(b) **Representatives of the news media** means persons whose principal employment is to gather or report news for:

1. A newspaper which qualifies as a general circulation newspaper in the community in which it is published. A newspaper is one of "general circulation" if it circulates among the general public and if it publishes news of a general character of general interest to the public such as news of political, religious, commercial, or social affairs. A key test to determine whether a newspaper qualifies as a "general circulation" newspaper is to determine whether the paper qualifies for the purpose of publishing legal notices in the community in which it is located or the area to which it distributes;
2. A news magazine which has a national circulation and is sold by newsstands and by mail subscription to the general public;
3. A national or international news service; or
4. A radio or television news program, whose primary purpose is to report the news, of a station holding a Federal Communications Commission license.

(c) **Special mail** means correspondence sent to the following: President and Vice President of the United States, the U.S. Department of Justice (including the Bureau of Prisons), U.S. Attorneys Offices, Surgeon General, U.S. Public Health Service, Secretary of the Army, Navy, or Air Force, U.S. Courts (including U.S. Probation Officers), Members of the U.S. Congress, Embassies and Consulates, Governors, State Attorneys General, Prosecuting Attorneys, Directors of State Departments of Corrections, State Parole Commissioners, State Legislators, State Courts, State Probation Officers, other Federal and State law enforcement officers, attorneys, and representatives of the news media.

Special mail also includes correspondence received from the following: President and Vice President of the United States, attorneys, Members of the U.S. Congress, Embassies and Consulates, the U.S. Department of Justice (excluding the Bureau of Prisons but including U.S. Attorneys), other Federal law enforcement officers, State Attorneys General, Prosecuting Attorneys, Governors, U.S. Courts (including U.S. Probation Officers), and State Courts.

For incoming correspondence to be processed under the special mail procedures (see §§540.18–540.19), the sender must be adequately identified on the envelope, and the front of the envelope must be marked "Special Mail—Open only in the presence of the inmate".

### Subpart B—Correspondence

**SOURCE:** 50 FR 40109, Oct. 1, 1985, unless otherwise noted.

### § 540.10 Purpose and scope.

The Bureau of Prisons encourages correspondence that is directed to socially useful goals. The Warden shall establish correspondence procedures for inmates in each institution, as authorized and suggested in this rule.

### § 540.11 Mail depositories.

The Warden shall establish at least one mail depository within the institution for an inmate to place outgoing correspondence. The Warden may establish a separate mail depository for outgoing special mail. Each item placed in a mail depository must contain a return address (see §540.12(d)).

### § 540.12 Controls and procedures.

(a) The Warden shall establish and exercise controls to protect individuals, and the security, discipline, and good order of the institution. The size, complexity, and security level of the institution, the degree of sophistication of the inmates confined, and other variables require flexibility in correspondence procedures. All Wardens shall establish open general correspondence procedures.

(b) Staff shall inform each inmate in writing promptly after arrival at an institution of that institution's rules for handling of inmate mail. This notice includes the following statement:

The staff of each institution of the Bureau of Prisons has the authority to open all mail addressed to you before it is delivered to
§ 540.13 Notification of rejections.

When correspondence is rejected, the Warden shall notify the sender in writing of the rejection and the reasons for the rejection. The Warden shall also give notice that the sender may appeal the rejection. The Warden shall also notify an inmate of the rejection of any letter addressed to that inmate, along with the reasons for the rejection and shall notify the inmate of the right to appeal the rejection. The Warden shall refer an appeal to an official other than the one who originally disapproved the correspondence. The Warden shall return rejected correspondence to the sender unless the correspondence includes plans for or discussion of commission of a crime or evidence of a crime, in which case there is no need to return the correspondence or give notice of the rejection, and the correspondence should be referred to appropriate law enforcement authorities. Also, contraband need not be returned to the sender.

(c) Staff shall inform an inmate that letters placed in the U.S. Mail are placed there at the request of the inmate and the inmate must assume responsibility for the contents of each letter. Correspondence containing threats, extortion, etc., may result in prosecution for violation of federal laws. When such material is discovered, the inmate may be subject to disciplinary action, the written material may be copied, and all material may be referred to the appropriate law enforcement agency for prosecution.

(d) The inmate is responsible for filling out the return address completely on envelopes provided for the inmate’s use by the institution. If the inmate uses an envelope not provided by the institution, the inmate is responsible for ensuring that the envelope used contains all return address information listed on the envelope provided by the institution.

§ 540.13 Notification of rejections.

When correspondence is rejected, the Warden shall notify the sender in writing of the rejection and the reasons for the rejection. The Warden shall also give notice that the sender may appeal the rejection. The Warden shall also notify an inmate of the rejection of any letter addressed to that inmate, along with the reasons for the rejection and shall notify the inmate of the right to appeal the rejection. The Warden shall refer an appeal to an official other than the one who originally disapproved the correspondence. The Warden shall return rejected correspondence to the sender unless the correspondence includes plans for or discussion of commission of a crime or evidence of a crime, in which case there is no need to return the correspondence or give notice of the rejection, and the correspondence should be referred to appropriate law enforcement authorities. Also, contraband need not be returned to the sender.

(c) Staff shall inform an inmate that letters placed in the U.S. Mail are placed there at the request of the inmate and the inmate must assume responsibility for the contents of each letter. Correspondence containing threats, extortion, etc., may result in prosecution for violation of federal laws. When such material is discovered, the inmate may be subject to disciplinary action, the written material may be copied, and all material may be referred to the appropriate law enforcement agency for prosecution.

(d) The inmate is responsible for filling out the return address completely on envelopes provided for the inmate’s use by the institution. If the inmate uses an envelope not provided by the institution, the inmate is responsible for ensuring that the envelope used contains all return address information listed on the envelope provided by the institution.

§ 540.13 Notification of rejections.

When correspondence is rejected, the Warden shall notify the sender in writing of the rejection and the reasons for the rejection. The Warden shall also give notice that the sender may appeal the rejection. The Warden shall also notify an inmate of the rejection of any letter addressed to that inmate, along with the reasons for the rejection and shall notify the inmate of the right to appeal the rejection. The Warden shall refer an appeal to an official other than the one who originally disapproved the correspondence. The Warden shall return rejected correspondence to the sender unless the correspondence includes plans for or discussion of commission of a crime or evidence of a crime, in which case there is no need to return the correspondence or give notice of the rejection, and the correspondence should be referred to appropriate law enforcement authorities. Also, contraband need not be returned to the sender.

(c) Staff shall inform an inmate that letters placed in the U.S. Mail are placed there at the request of the inmate and the inmate must assume responsibility for the contents of each letter. Correspondence containing threats, extortion, etc., may result in prosecution for violation of federal laws. When such material is discovered, the inmate may be subject to disciplinary action, the written material may be copied, and all material may be referred to the appropriate law enforcement agency for prosecution.

(d) The inmate is responsible for filling out the return address completely on envelopes provided for the inmate’s use by the institution. If the inmate uses an envelope not provided by the institution, the inmate is responsible for ensuring that the envelope used contains all return address information listed on the envelope provided by the institution.
§ 540.14 General correspondence.

(a) Institution staff shall open and inspect all incoming general correspondence. Incoming general correspondence may be read as frequently as deemed necessary to maintain security or monitor a particular problem confronting an inmate.

(b) Except for "special mail," outgoing mail from a pretrial inmate may not be sealed by the inmate and may be read and inspected by staff.

(c)(1) Outgoing mail from a sentenced inmate in a minimum or low security level institution may be sealed by the inmate and, except as provided for in paragraphs (c)(1)(i) through (iv) of this section, is sent out unopened and uninspected. Staff may open a sentenced inmate’s outgoing general correspondence:

(i) If there is reason to believe it would interfere with the orderly running of the institution, that it would be threatening to the recipient, or that it would facilitate criminal activity;

(ii) If the inmate is on a restricted correspondence list;

(iii) If the correspondence is between inmates (see § 540.17); or

(iv) If the envelope has an incomplete return address.

(2) Except for "special mail," outgoing mail from a sentenced inmate in a medium or high security level institution, or an administrative institution may not be sealed by the inmate and may be read and inspected by staff.

(d) The Warden may reject correspondence sent by or to an inmate if it is determined detrimental to the security, good order, or discipline of the institution, to the protection of the public, or if it might facilitate criminal activity. Correspondence which may be rejected by a Warden includes, but is not limited to, correspondence which contains any of the following:

(1) Matter which is nonmailable under law or postal regulations;

(2) Matter which depicts, describes, or encourages activities which may lead to the use of physical violence or group disruption;

(3) Information of escape plots, of plans to commit illegal activities, or to violate Bureau rules or institution guidelines;

(4) Direction of an inmate’s business (See § 541.13, Prohibited Act No. 408). An inmate, unless a pre-trial detainee, may not direct a business while confined.

This does not, however, prohibit correspondence necessary to enable an inmate to protect property and funds that were legitimately the inmate’s at the time of commitment. Thus, for example, an inmate may correspond about refinancing an existing mortgage or sign insurance papers, but may not operate a mortgage or insurance business while in the institution.

(5) Threats, extortion, obscenity, or gratuitous profanity;

(6) A code;

(7) Sexually explicit material (for example, personal photographs) which by its nature or content poses a threat to an individual’s personal safety or security, or to institution good order; or

(8) Contraband. (See § 500.1 of this chapter. A package received without prior authorization by the Warden is considered to be contraband.)

§ 540.15 Restricted general correspondence.

(a) The Warden may place an inmate on restricted general correspondence based on misconduct or as a matter of classification. Determining factors include the inmate’s:

(1) Involvement in any of the activities listed in § 540.14(d);

(2) Attempting to solicit funds or items (e.g., samples), or subscribing to a publication without paying for the subscription;

(3) Being a security risk;

(4) Threatening a government official; or

(5) Having committed an offense involving the mail.

(b) The Warden may limit to a reasonable number persons on the approved restricted general correspondence list of an inmate.

(c) The Warden shall use one of the following procedures before placing an inmate on restricted general correspondence.

(1) Where the restriction will be based upon an incident report, procedures must be followed in accordance...
with inmate disciplinary regulations (part 541, subpart B of this chapter).

(2) Where there is no incident report, the Warden:

(i) Shall advise the inmate in writing of the reasons the inmate is to be placed on restricted general correspondence;

(ii) Shall give the inmate the opportunity to respond to the classification or change in classification; the inmate has the option to respond orally or to submit written information or both; and

(iii) Shall notify the inmate of the decision and the reasons, and shall advise the inmate that the inmate may appeal the decision under the Administrative Remedy Procedure.

(d) When an inmate is placed on restricted general correspondence, the inmate may, except as provided in §§ 540.16 and 540.17:

(1) Correspond with the inmate’s spouse, mother, father, children, and siblings, unless the correspondent is involved in any violation of correspondence regulations, or would be a threat to the security or good order of the institution;

(2) Request other persons also to be placed on the approved correspondence list, subject to investigation, evaluation, and approval by the Warden; with prior approval, the inmate may write to a proposed correspondent to obtain a release authorizing an investigation; and

(3) Correspond with former business associates, unless it appears to the Warden that the proposed correspondent would be a threat to the security or good order of the institution, or that the resulting correspondence could reasonably be expected to result in criminal activity. Correspondence with former business associates is limited to social matters.

(e) The Warden may allow an inmate additional correspondence with persons other than those on the inmate’s approved mailing list when the correspondence is shown to be necessary and does not require an addition to the mailing list because it is not of an ongoing nature.

§ 540.16 Inmate correspondence while in segregation and holdover status.

(a) The Warden shall permit an inmate in holdover status (i.e., enroute to a designated institution) to have correspondence privileges similar to those of other inmates insofar as practical.

(b) The Warden shall permit an inmate in segregation to have full correspondence privileges unless placed on restricted general correspondence under § 540.15.

§ 540.17 Correspondence between confined inmates.

An inmate may be permitted to correspond with an inmate confined in any other penal or correctional institution if the other inmate is either a member of the immediate family, or is a party or witness in a legal action in which both inmates are involved. Such correspondence may be approved in other exceptional circumstances, with particular regard to the security level of the institution, the nature of the relationship between the two inmates, and whether the inmate has other regular correspondence. The following additional limitations apply:

(a) Such correspondence at institutions of all security levels may always be inspected and read by staff at the sending and receiving institutions (it may not be sealed by the inmate); and

(b)(1) The appropriate unit manager at each institution must approve of the correspondence if both inmates are housed in Federal institutions and both inmates are members of the same immediate family or are a party or witness in a legal action in which both inmates are involved.

(2) The Wardens of both institutions must approve of the correspondence if one of the inmates is housed at a non-Federal institution or if approval is being granted on the basis of exceptional circumstances.

§ 540.18 Special mail.

(a) The Warden shall open incoming special mail only in the presence of the inmate for inspection for physical contraband and the qualification of any
§ 540.19 Legal correspondence.

(a) Staff shall mark each envelope of incoming legal mail (mail from courts or attorneys) to show the date and time of receipt, the date and time the letter is delivered to an inmate and opened in the inmate’s presence, and the name of the staff member who delivered the letter. The inmate may be asked to sign as receiving the incoming legal mail. This paragraph applies only if the sender has marked the envelope as specified in § 540.18.

(b) In the absence of either adequate identification or the “special mail” marking indicated in paragraph (a) of this section appearing on the envelope, staff may treat the mail as general correspondence and may open, inspect, and read the mail.

(c) (1) Except as provided for in paragraph (c)(2) of this section, outgoing special mail may be sealed by the inmate and is not subject to inspection.

(2) Special mail shall be screened in accordance with the provisions of paragraph (c)(2)(iii) of this section when the special mail is being sent by an inmate who has been placed on restricted special mail status.

(i) An inmate may be placed on restricted special mail status if the Warden, with the concurrence of the Regional Counsel, documents in writing that the special mail either has posed a threat or may pose a threat of physical harm to the recipient (e.g., the inmate has previously used special mail to threaten physical harm to a recipient).

(ii) The Warden shall notify the inmate in writing of the reason the inmate is being placed on restricted special mail status.

(iii) An inmate on restricted special mail status must present all materials and packaging intended to be sent as special mail to staff for inspection. Staff shall inspect the special mail material and packaging, in the presence of the inmate, for contraband. If the intended recipient of the special mail has so requested, staff may read the special mail for the purpose of verifying that the special mail does not contain a threat of physical harm. Upon completion of the inspection, staff shall return the special mail material to the inmate if the material does not contain contraband, or contain a threat of physical harm to the intended recipient. The inmate must then seal the special mail material in the presence of staff and immediately give the sealed special mail material to the observing staff for delivery. Special mail determined to pose a threat to the intended recipient shall be forwarded to the appropriate law enforcement entity. Staff shall send a copy of the material, minus the contraband, to the intended recipient along with notification that the original of the material was forwarded to the appropriate law enforcement entity.

(iv) The Warden shall review an inmate’s restricted special mail status at least once every 180 days. The inmate is to be notified of the results of this review. An inmate may be removed from restricted special mail status if the Warden determines, with the concurrence of the Regional Counsel, that the special mail does not threaten or pose a threat of physical harm to the intended recipient.

(v) An inmate on restricted mail status may seek review of the restriction through the Administrative Remedy Program.

(d) Except for special mail processed in accordance with paragraph (c)(2) of this section, staff shall stamp the following statement directly on the back side of the inmate’s outgoing special mail: “The enclosed letter was processed through special mailing procedures for forwarding to you. The letter has neither been opened nor inspected. If the writer raises a question or problem over which this facility has jurisdiction, you may wish to return the material for further information or clarification. If the writer encloses correspondence for forwarding to another addressee, please return the enclosure to the above address.”

(b) The inmate is responsible for advising any attorney that correspondence will be handled as special mail only if the envelope is marked with the attorney’s name and an indication that the person is an attorney, and the front of the envelope is marked “Special Mail—Open only in the presence of the inmate”. Legal mail shall be opened in accordance with special mail procedures (see § 540.18).

(c) Grounds for the limitation or denial of an attorney’s correspondence rights or privileges are stated in part 543, subpart B. If such action is taken, the Warden shall give written notice to the attorney and the inmate affected.

(d) In order to send mail to an attorney’s assistant or to a legal aid student or assistant, an inmate shall address the mail to the attorney or legal aid supervisor, or the legal organization or firm, to the attention of the student or assistant.

(e) Mail to an inmate from an attorney’s assistant or legal aid student or assistant, in order to be identified and treated by staff as special mail, must be properly identified on the envelope as required in paragraph (b) of this section, and must be marked on the front of the envelope as being mail from the attorney or from the legal aid supervisor.

§ 540.20 Inmate correspondence with representatives of the news media.

(a) An inmate may write through “special mail” to representatives of the news media specified by name or title (see § 540.2(b)).

(b) The inmate may not receive compensation or anything of value for correspondence with the news media. The inmate may not act as reporter.

(c) Representatives of the news media may initiate correspondence with an inmate. Staff shall open incoming correspondence from representatives of the media and inspect for contraband, for its qualification as media correspondence, and for content which is likely to promote either illegal activity or conduct contrary to Bureau regulations.

§ 540.21 Payment of postage.

(a) Except as provided in paragraphs (d), (e), (f), and (i) of this section, postage charges are the responsibility of the inmate. The Warden shall ensure that the inmate commissary has postage stamps available for purchase by inmates.

(b) Writing paper and envelopes are provided at no cost to the inmate. Inmates who use their own envelopes must place a return address on the envelope (see § 540.12(d)).

(c) Inmate organizations will purchase their own postage.

(d) An inmate who has neither funds nor sufficient postage and who wishes to mail legal mail (includes courts and attorneys) or Administrative Remedy forms will be provided the postage stamps for such mailing. To prevent abuses of this provision, the Warden may impose restrictions on the free legal and administrative remedy mailings.

(e) When requested by an inmate who has neither funds nor sufficient postage, and upon verification of this status by staff, the Warden shall provide the postage stamps for mailing a reasonable number of letters at government expense to enable the inmate to maintain community ties. To prevent abuses of this provision, the Warden may impose restrictions on the free mailings.

(f) Mailing at government expense is also allowed for necessary correspondence in verified emergency situations for inmates with neither funds nor sufficient postage.

(g) Inmates must sign for all stamps issued to them by institution staff.

(h) Mail received with postage due is not ordinarily accepted by the Bureau of Prisons.

(i) Holdovers and pre-trial commitments will be provided a reasonable number of stamps for the mailing of letters at government expense.

(j) Inmates may not be permitted to receive stamps or stamped items (e.g., envelopes embossed with stamps, postal cards with postage affixed) other than by issuance from the institution or by purchase from commissary.

§ 540.22 Special postal services.

(a) An inmate, at no cost to the government, may send correspondence by registered, certified, or insured mail, and may request a return receipt.

(b) An inmate may insure outgoing personal correspondence (e.g., a package containing the inmate’s hobbies and crafts) by completing the appropriate form and applying sufficient postage.

(1) In the event of loss or damage, any claim relative to this matter is made to the U.S. Postal Service, either by the inmate or the recipient. The U.S. Postal Service will only indemnify a piece of insured mail for the actual value of an item, regardless of declared value.

(2) Inmate packages forwarded as a result of institution administration are considered official mail, except as otherwise specified (for example, hobbycraft articles mailed out of the institution). Official mail is not insured. If such an item is subsequently lost or damaged in the mail process the inmate may file a tort claim with the Bureau of Prisons (see part 543, subpart C of this chapter).

(c) Certified mail is sent first class at the inmate’s expense.

(d) An inmate may not be provided such services as express mail, COD, private carriers, or stamp collecting while confined.

§ 540.23 Inmate funds received through the mails.

Except as provided for in part 506 of this chapter, funds enclosed in inmate correspondence are to be rejected. Deposits intended for the inmate’s commissary account must be mailed directly to the centralized commissary account (see 28 CFR part 506).

§ 540.24 Returned mail.

Staff shall open and inspect for contraband all undelivered mail returned to an institution by the Post Office before returning it to the inmate. The purpose of this inspection is to determine if the content originated with the inmate sender identified on the letter or package; to prevent the transmission of material, substances, and property which an inmate is not permitted to possess in the institution; and to determine that the mail was not opened or tampered with before its return to the institution. Any remailing is at the inmate’s expense. Any returned mail qualifying as “special mail” is opened and inspected for contraband in the inmate’s presence.

§ 540.25 Change of address and forwarding of mail for inmates.

(a) Staff shall make available to an inmate who is being released or transferred appropriate Bureau of Prisons and U.S. Postal Service forms for change of address.

(b) Inmates are responsible for informing their correspondents of a change of address.

(c) Postage for mailing change of address cards is paid by the inmate.

(d) Except as provided in paragraphs (e) through (g) of this section, all mail received for a released or transferred inmate will be returned to the U.S. Postal Service for disposition in accordance with U.S. Postal Service regulations.

(e) Staff shall use all means practicable to forward special mail.

(f) Staff shall forward inmate general correspondence to the new address for a period of 30 days.

(g) Staff shall permit an inmate released temporarily on writ to elect either to have general correspondence held at the institution for a period not to exceed 30 days, or returned to the U.S. Postal Service for disposition.

(1) If the inmate refuses to make this election, staff at the institution shall document this refusal, and any reasons, in the inmate’s central file. Staff shall return to the U.S. Postal Service all general correspondence received for such as inmate after the inmate’s departure.

(2) If the inmate does not return from writ within the time indicated, staff shall return to the U.S. Postal Service all general correspondence being held for that inmate for disposition in accordance with postal regulations.
Subpart D—Visiting Regulations

§ 540.40 Purpose and scope.

The Bureau of Prisons encourages visiting by family, friends, and community groups to maintain the morale of the inmate and to develop closer relationships between the inmate and family members or others in the community. The Warden shall develop procedures consistent with this rule to permit inmate visiting. The Warden may restrict inmate visiting when necessary to ensure the security and good order of the institution.

§ 540.41 Visiting facilities.

The Warden shall have the visiting room arranged so as to provide adequate supervision, adapted to the degree of security required by the type of institution. The Warden shall ensure that the visiting area is as comfortable and pleasant as practicable, and appropriately furnished and arranged. If space is available, the Warden shall have a portion of the visiting room equipped and set up to provide facilities for the children of visitors.

(a) Institutions of minimum and low security levels may permit visits beyond the security perimeter, but always under supervision of staff.

(b) Institutions of medium and high security levels, and administrative institutions may establish outdoor visiting, but it will always be inside the security perimeter and always under supervision of staff.

§ 540.42 Visiting times.

(a) Each Warden shall establish a visiting schedule for the institution. At a minimum, the Warden shall establish visiting hours at the institution on Saturdays, Sundays, and holidays. The restriction of visiting to these days may be a hardship for some families and arrangements for other suitable hours shall be made to the extent practicable. Where staff resources permit, the Warden may establish evening visiting hours.

(b) Consistent with available resources, such as space limitations and staff availability, and with concerns of institution security, the Warden may limit the visiting period. With respect to weekend visits, for example, some or all inmates and visitors may be limited to visiting on Saturday or on Sunday, but not on both days, in order to accommodate the volume of visitors. There is no requirement that every visitor has the opportunity to visit on both days of the weekend, nor that every inmate has the opportunity to have visits on both days of the weekend.

§ 540.43 Frequency of visits and number of visitors.

The Warden shall allow each inmate a minimum of four hours visiting time per month. The Warden may limit the length or frequency of visits only to avoid chronic overcrowding. The Warden may establish a guideline for the maximum number of persons who may visit an inmate at one time, to prevent overcrowding in the visiting room or unusual difficulty in supervising a visit. Exceptions may be made to any local guideline when indicated by special circumstances, such as distance the visitor must travel, frequency of the inmate’s visits, or health problems of the inmate or visitor.

§ 540.44 Regular visitors.

An inmate desiring to have regular visitors must submit a list of proposed visitors to the designated staff. See §540.45 for qualification as special visitor. Staff are to compile a visiting list for each inmate after suitable investigation in accordance with §540.51(b) of this part. The list may include:

(a) Members of the immediate family. These persons include mother, father, step-parents, foster parents, brothers and sisters, spouse, and children. These individuals are placed on the visiting list, absent strong circumstances which preclude visiting.

(b) Other relatives. These persons include grandparents, aunts, uncles, in-laws, and cousins. They may be placed
§ 540.45 Qualification as special visitor.

Persons in the categories listed in this section may qualify as special visitors rather than as regular visitors. Visits by special visitors ordinarily are for a specific purpose and ordinarily are not of a recurring nature. Except as specified, the conditions of visiting for special visitors are the same as for regular visitors.

(a) Business visitor. Except for pretrial inmates, an inmate is not permitted to engage actively in a business or profession prior to commitment. An inmate who was engaged in a business or profession prior to commitment is expected to assign authority for the operation of such business or profession to a person in the community. Pretrial inmates may be allowed special visitors for the purpose of protecting the pretrial inmate’s business interests. In those instances where an inmate has turned over the operation of a business or profession to another person, there may be an occasion where a decision must be made which will substantially affect the assets or prospects of the business. The Warden accordingly may permit a special business visit in such cases. The Warden may waive the requirement for the existence of an established relationship prior to confinement for visitors approved under this paragraph.

(b) Consular visitors. When it has been determined that an inmate is a citizen of a foreign country, the Warden must permit the consular representative of that country to visit on matters of legitimate business. The Warden may not withhold this privilege even though the inmate is in disciplinary status. The requirement for the existence of an established relationship prior to confinement does not apply to consular visitors.

(c) Representatives of community groups. The Warden may approve visits on a recurring basis to representatives from community groups (for example, civic, volunteer, or religious organizations) who are acting in their official capacity. These visits may be for the purpose of meeting with an individual inmate or with a group of inmates. The requirement for the existence of an established relationship prior to confinement for visitors does not apply to representatives of community groups.

(d) Clergy, former or prospective employers, sponsors, and parole advisors. Visitors in this category ordinarily provide assistance in release planning, counseling, and discussion of family problems. The requirement for the existence of an established relationship prior to confinement for visitors does not apply to visitors in this category.

§ 540.46 Attorney visits.

Requirements for attorney visits are governed by the provisions on inmate legal activities (see §§ 543.12 through 543.16 of this chapter). Provisions pertinent to attorney visits for pretrial inmates are contained in §551.117 of this chapter.
§ 540.47 Media visits.
Requirements for media visits are governed by the provisions on contact with news media (see subpart E of this part). A media representative who wishes to visit outside his or her official duties, however, must qualify as a regular visitor or, if applicable, a special visitor.

[68 FR 10658, Mar. 6, 2003]

§ 540.48 [Reserved]

§ 540.49 Transportation assistance.
The Warden shall ensure that directions for transportation to and from the institution are provided for the approved visitor (see §540.51(b)(4)). Directions for transportation to and from the institution and pay phone service, with commercial transportation phone numbers posted, are also to be made available at the institution to assist visitors.

§ 540.50 Visits to inmates not in regular population status.
(a) Admission and holdover status. The Warden may limit to the immediate family of the inmate visits during the admission-orientation period or for holdovers where there is neither a visiting list from a transferring institution nor other verification of proposed visitors.

(b) Hospital patients. (1) When visitors request to see an inmate who is hospitalized in the institution, the Chief Medical Officer (or, in his absence, the Health Services Administrator), in consultation with the Captain, shall determine whether a visit may occur, and if so, whether it may be held in the hospital.

(2) Visits to inmates hospitalized in the community may be restricted to only the immediate family and are subject to the general visiting policy of that hospital.

(c) Detention or segregation status. Ordinarily, an inmate retains visiting privileges while in detention or segregation status. Visiting may be restricted or disallowed, however, when an inmate, while in detention or segregation status, is charged with, or has been found to have committed, a prohibited act having to do with visiting guidelines or has otherwise acted in a way that would reasonably indicate that he or she would be a threat to the orderliness or security of the visiting room. Loss of an inmate’s visiting privileges for other reasons may not occur unless the inmate is provided a hearing before the Discipline Hearing Officer (DHO) in accordance with the provisions of §541.17 of this chapter, following those provisions which are appropriate to the circumstances, which results in a finding by the DHO that the inmate committed a prohibited act and that there is a lack of other appropriate sanctions or that imposition of an appropriate sanction previously has been ineffective. The Unit Discipline Committee (UDC) may not impose a loss of visiting privileges for inmates in detention or segregation status. The provisions of this paragraph (c) do not interrupt or delay a loss of visiting sanction imposed by the UDC or DHO prior to the inmate’s placement in detention or segregation status.

§ 540.51 Procedures.
(a) Responsibility. The Warden of the institution shall establish and enforce local visiting guidelines in accordance with the rules and regulations of the Bureau of Prisons.

(b) Preparation of the list of visitors. (1) Staff shall ask each inmate to submit during the admission-orientation process a list of proposed visitors. After appropriate investigation, staff shall compile a visiting list for each inmate and distribute that list to the inmate and the visiting room officer.

(2) Staff may request background information from potential visitors who are not members of the inmate’s immediate family, before placing them on the inmate’s approved visiting list. When little or no information is available on the inmate’s potential visitor, visiting may be denied, pending receipt and review of necessary information, including information which is available on the inmate and/or the inmate’s offense, including alleged offenses.

(3) If a background investigation is necessary before approving a visitor,
the inmate shall be held responsible for mailing a release authorization form to
the proposed visitor. That form must be signed and returned to staff by the
proposed visitor prior to any further action regarding visiting. Upon receipt
of the authorization form, staff may then forward a questionnaire, along
with the release authorization, to the appropriate law enforcement or crime
information agency.

(4) Staff shall notify the inmate of each approval or disapproval of a re-
quested person for the visiting list. Upon approval of each visitor, staff
shall provide the inmate a copy of the visiting guidelines and directions
for transportation to and from the institution. The inmate is responsible for
notifying the visitor of the approval or disapproval and shall be required on at least one vis-
iting log or record maintained by the institution.

(b) Supervision of visits. Staff shall su-
pervise each inmate visit to prevent
the passage of contraband and to en-
sure the security and good order of the institution. The Warden may establish
procedures to enable monitoring of the visiting area, including restrooms
located within the visiting area. The Warden must provide notice to both
visitors and inmates of the potential for monitoring the visiting area. The
Warden may monitor a visitor restroom within the visiting area when
there is reasonable suspicion that a visitor and/or an inmate is engaged, or
attempting or about to engage, in criminal behavior or other prohibited behavior.

The visiting room officer shall en-
sure that all visits are conducted in a
quiet, orderly, and dignified manner.
The visiting room officer may termi-
nate visits that are not conducted in
the appropriate manner. See 28 CFR
541.12, item 5, for description of an in-
mate’s responsibility during visits.

(2) Staff shall permit limited phys-
cal contact, such as handshaking, em-
bracing, and kissing, between an in-
mate and a visitor, unless there is clear
and convincing evidence that such con-
tact would jeopardize the safety or se-
curity of the institution. Where con-
tact visiting is provided, handshaking,
embracing, and kissing are ordinarily
permitted within the bounds of good
taste and only at the beginning and at
the end of the visit. The staff may
limit physical contact to minimize op-
portunity for the introduction of con-
traband and to maintain the orderly
operation of the visiting area.

The visiting room officer may not
accept articles or gifts of any kind for
an inmate, except packages which have

(c) Verification of special visitor creden-
tials. Staff must verify the qualifica-
tions of special visitors. Staff may re-
quest background information and offi-
cial assignment documentation from
the potential visitor for this purpose.

(d) Identification of visitors. Staff shall
verify the identity of each visitor
(through driver’s license, photo identi-
fication, etc.) prior to admission of the
visitor to the institution.

(e) Notification to visitors. Staff shall
make available to all visitors written
guidelines for visiting the institution.
Staff shall have the visitor sign a
statement acknowledging that the
guidelines were provided and declaring
that the visitor does not have any arti-
cles in his/her possession which the vis-
itator knows to be a threat to the secur-
ity of the institution. Staff may deny

had prior approval by the Warden or a designated staff member.

(4) The visiting room officer shall be aware of any articles passed between the inmate and the visitor. If there is any reasonable basis to believe that any item is being passed which constitutes contraband or is otherwise in violation of the law or Bureau regulations, the visiting room officer may examine the item.

§ 540.52 Penalty for violation of visiting regulations.

Any act or effort to violate the visiting guidelines of an institution may result in disciplinary action against the inmate, which may include the denial of future visits, possibly over an extended period of time. Moreover, criminal prosecution may be initiated against the visitor, the inmate, or both, in the case of criminal violations.

Subpart E—Contact With News Media

SOURCE: 44 FR 38247, June 29, 1979, unless otherwise noted.

§ 540.60 Purpose and scope.

The Bureau of Prisons recognizes the desirability of establishing a policy that affords the public information about its operations via the news media. Representatives of the news media (see § 540.2) may visit institutions for the purpose of preparing reports about the institution, programs, and activities. It is not the intent of this rule to provide publicity for an inmate or special privileges for the news media, but rather to insure a better informed public. The Bureau of Prisons also has a responsibility to protect the privacy and other rights of inmates and members of the staff. Therefore, an interview in an institution must be regulated to insure the orderly and safe operation of the institution.

§ 540.61 Authorization.

(a) A news media representative who desires to make a visit or conduct an interview at an institution must make application in writing to the Warden, indicating that he or she is familiar with the rules and regulations of the institution and agrees to comply with them.

(b) As a condition of authorizing interviews and making facilities available to conduct an interview, the news media representative shall recognize a professional responsibility to make reasonable attempts to verify any allegations regarding an inmate, staff member or institution.

(c) A representative of the news media is requested to provide the Bureau of Prisons an opportunity to respond to any allegation, which might be published or broadcast prior to distribution.

(d) A representative of the news media shall collect information only from the primary source. A representative of the news media may not obtain and use personal information from one inmate about another inmate who refuses to be interviewed.

(e) The Warden may be contacted concerning discussions or comments regarding applicability of any rule or order.

(f) Failure to adhere to the standards of conduct set forth by this rule for the news media representative constitutes grounds for denying that news media representative, or the news organization which he or she represents, permission to conduct an interview.

(g) Any questions as to the meaning or application of this subpart are resolved by the Director of the Bureau of Prisons.

§ 540.62 Institutional visits.

(a) A media representative shall make advance appointments for visits.

(b) When media representatives visit the institutions, photographs of programs and activities may be taken, and media representatives may meet with groups of inmates engaged in authorized programs and activities. An inmate has the right not to be photographed and not to have his or her voice recorded by the media. A visiting representative of the media is required to obtain written permission from an
§ 540.63 Personal interviews.

(a) An inmate may not receive compensation or anything of value for interviews with the news media.

(b) Either an inmate or a representative of the news media may initiate a request for a personal interview at an institution.

(c) Visits by the news media to conduct personal interviews are subject to the same conditions stated in § 540.62. A media representative shall make a request for personal interview within a reasonable time prior to the personal interview.

(d) Staff shall notify an inmate of each interview request, and shall, as a prerequisite, obtain from the inmate written consent for the interview prior to the interview taking place. The written consent or denial becomes part of the inmate’s central file.

(e) As a prerequisite to granting the interview, an inmate must authorize the institutional staff to respond to comments made in the interview and to release information to the news media relative to the inmate’s comments.

(f) The Warden shall normally approve or disapprove an interview request within 24 to 48 hours of the request.

(g) The Warden shall document any disapproval. A request for interview may be denied for any of the following reasons.

1. The news media representative, or the news organization which he or she represents, does not agree to the conditions established by this subpart or has, in the past, failed to abide by the required conditions.

2. The inmate is physically or mentally unable to participate. This must be supported by a medical officer’s statement (a psychologist may be used to verify mental incapacity) to be placed in the inmate’s record, substantiating the reason for disapproval.

3. The inmate is a juvenile (under age 18) and written consent has not been obtained from the inmate’s parent or guardian. If the juvenile inmate’s parents or guardians are not known or their addresses are not known, the Warden of the institution shall notify the representative of the news media of the inmate’s status as a juvenile, and shall then consider the request.

4. The interview, in the opinion of the Warden, would endanger the health or safety of the interviewer, or would probably cause serious unrest or disturb the good order of the institution.

5. The inmate is involved in a pending court action and the court having jurisdiction has issued an order forbidding such interviews.

6. In the case of unconvicted persons (including competency commitments under 18 U.S.C. 4244 and 4246) held in federal institutions, interviews are not authorized until there is clearance with the court having jurisdiction, ordinarily through the U.S. Attorney’s Office.

7. The inmate is a “protection” case and revelation of his or her whereabouts would endanger the inmate’s safety.

(h) Interviews are normally held in the institution visiting room during normal weekday business hours. The Warden may:

1. Determine that another location is more suitable for conducting the interview;

2. Limit interview time for the entire institution if the Warden determines that the interviews are imposing a serious drain on staff or use of the facilities;

3. Limit to one one-hour interview per month for an inmate in segregation, restricted, holdover, control unit, or hospital status if required by special security, custodial, or supervisory needs; and

Subpart F—Incoming Publications

§ 540.70 Purpose and scope.

Except when precluded by statute (see §540.72), the Bureau of Prisons permits an inmate to subscribe to or to receive publications without prior approval and has established procedures to determine if an incoming publication is detrimental to the security, discipline, or good order of the institution or if it might facilitate criminal activity. The term publication, as used in this subpart, means a book, booklet, pamphlet, or similar document, or a single issue of a magazine, periodical, newsletter, newspaper, plus such other
§ 540.71  Procedures.

(a) (1) At all Bureau institutions, an inmate may receive hardcover publications and newspaper only from the publisher, from a book club, or from a bookstore.

(2) At medium security, high security, and administrative institutions, an inmate may receive softcover publications (for example, paperback books, newspaper, clippings, magazines, and other similar items) only from the publisher, from a book club, or from a bookstore.

(3) At minimum security and low security institutions, an inmate may receive softcover publications (other than newspapers) from any source.

(4) The Unit Manager may make an exception to the provisions of paragraphs (a)(1) and (2) of this section of the publication is no longer available from the publisher, book club, or bookstore. The Unit Manager shall require that the inmate provide written documentation that the publication is no longer available from these sources. The approval or disapproval of any request for an exception is to be documented, in writing, on an Authorization to Receive a Package form which will be used to secure the item.

(b) The Warden may reject a publication only if it is determined detrimental to the security, good order, or discipline of the institution or if it might facilitate criminal activity. The Warden may not reject a publication solely because its content is religious, philosophical, political, social or sexual, or because its content is unpopular or repugnant. Publications which may be rejected by a Warden include but are not limited to publications which meet one of the following criteria:

(1) It depicts or describes procedures for the construction or use of weapons, ammunition, bombs or incendiary devices;

(2) It depicts, encourages, or describes methods of escape from correctional facilities, or contains blueprints, drawings or similar descriptions of Bureau of Prisons institutions;

(3) It depicts or describes procedures for the brewing of alcoholic beverages, or the manufacture of drugs;

(4) It is written in code;

(5) It depicts, describes or encourages activities which may lead to the use of physical violence or group disruption;

(6) It encourages or instructs in the commission of criminal activity;

(7) It is sexually explicit material which by its nature or content poses a threat to the security, good order, or discipline of the institution, or facilitates criminal activity.

(c) The Warden may not establish an excluded list of publications. This means the Warden shall review the individual publication prior to the rejection of that publication. Rejection of several issues of a subscription publication is not sufficient reason to reject the subscription publication in its entirety.

(d) Where a publication is found unacceptable, the Warden shall promptly advise the inmate in writing of the decision and the reasons for it. The notice must contain reference to the specific article(s) or material(s) considered objectionable. The Warden shall permit the inmate an opportunity to review this material for purposes of filing an appeal under the Administrative Remedy Program unless such review may provide the inmate with information of a nature which is deemed to pose a threat or detriment to the security, good order or discipline of the institution or to encourage or instruct in criminal activity.

(e) The Warden shall provide the publisher or sender of an unacceptable publication a copy of the rejection letter. The Warden shall advise the publisher or sender that he may obtain an independent review of the rejection by writing to the Regional Director within 20 days of receipt of the rejection letter. The Warden shall return the rejected publication to the publisher or sender of the material unless the inmate indicates an intent to file an appeal under the Administrative Remedy Program, in which case the Warden shall retain the rejected material at the institution for review. In case of appeal, if the rejection is sustained, the rejected publication shall be returned when appeal or legal use is completed.
(f) The Warden may set limits locally (for fire, sanitation or housekeeping reasons) on the number or volume of publications an inmate may receive or retain in his quarters. The Warden may authorize an inmate additional storage space for storage of legal materials in accordance with the Bureau of Prisons procedures on personal property of inmates. [44 FR 38260, June 29, 1979, as amended at 47 FR 55130, Dec. 7, 1982; 50 FR 411, Jan. 3, 1985; 61 FR 57568, Nov. 6, 1996; 67 FR 77164, Dec. 17, 2002]

§ 540.72 Statutory restrictions requiring return of commercially published information or material which is sexually explicit or features nudity.

(a) When commercially published information or material may not be distributed by staff or made available to inmates due to statutory restrictions (for example, a prohibition on the use of appropriated funds to distribute or make available to inmates information or material which is sexually explicit or features nudity), the Warden or designee shall return the information or material to the publisher or sender. The Warden or designee shall advise the publisher or sender that an independent review of the decision may be obtained by writing to the Regional Director within 20 days of receipt of the notification letter. Staff shall provide the inmate with written notice of the action.

(b) Definitions. For the purpose of this section:

(1) Commercially published information or material means any book, booklet, pamphlet, magazine, periodical, newsletter, photograph or other pictorial depiction, or similar document, including stationery and greeting cards, published by any individual, organization, company, or corporation which is distributed or made available through any means or media for a commercial purpose. This definition includes any portion extracted, photocopied, or clipped from such items.

(2) Nudity means a pictorial depiction where genitalia or female breasts are exposed.

(3) Features means the publication contains depictions of nudity or sexually explicit conduct on a routine or regular basis or promotes itself based upon such depictions in the case of individual one-time issues. Publications containing nudity illustrative of medical, educational, or anthropological content may be excluded from this definition.

(4) Sexually explicit means a pictorial depiction of actual or simulated sexual acts including sexual intercourse, oral sex, or masturbation. [61 FR 57569, Nov. 6, 1996, as amended at 67 FR 77427, Dec. 18, 2002]

Subpart G–H [Reserved]

Subpart I—Telephone Regulations for Inmates

SOURCE: 44 FR 38249, June 29, 1979, unless otherwise noted.

§ 540.100 Purpose and scope.

(a) The Bureau of Prisons extends telephone privileges to inmates as part of its overall correctional management. Telephone privileges are a supplemental means of maintaining community and family ties that will contribute to an inmate’s personal development. An inmate may request to call a person of his or her choice outside the institution on a telephone provided for that purpose. However, limitations and conditions may be imposed upon an inmate’s telephone privileges to ensure that these are consistent with other aspects of the Bureau’s correctional management responsibilities. In addition to the procedures set forth in this subpart, inmate telephone use is subject to those limitations which the Warden determines are necessary to ensure the security or good order, including discipline, of the institution or to protect the public. Restrictions on inmate telephone use may also be imposed as a disciplinary sanction (see 28 CFR part 541).

(b) Except as provided in this rule, the Warden shall permit an inmate who has not been restricted from telephone use as the result of a specific institutional disciplinary sanction to make at least one telephone call each month. [59 FR 14824, Apr. 4, 1994, as amended at 61 FR 90, Jan. 2, 1996]
§ 540.101 Procedures.

(a) Telephone list preparation. An inmate telephone call shall ordinarily be made to a number identified on the inmate's official telephone list. This list ordinarily may contain up to 30 numbers. The Associate Warden may authorize the placement of additional numbers on an inmate's telephone list based on the inmate's individual situation, e.g., size of family.

(1) During the admission and orientation process, an inmate who chooses to have telephone privileges shall prepare a proposed telephone list. At the time of submission, the inmate shall acknowledge that, to the best of the inmate's knowledge, the person or persons on the list are agreeable to receiving the inmate's telephone call and that the proposed calls are to be made for a purpose allowable under Bureau policy or institution guidelines.

(2) Except as provided in paragraph (a)(3) of this section, telephone numbers requested by an inmate will ordinarily be placed on the inmate's telephone list. When an inmate requests the placement of numbers for persons other than for immediate family or those persons already approved for the inmate's visiting list, staff ordinarily will notify those persons in writing that their numbers have been placed on the inmate's telephone list. The notice advises the recipient that the recipient's number will be removed from the list if the recipient makes a written request to the institution, or upon the written request of the inmate, or as provided in paragraph (a)(3) of this section.

(3) The Associate Warden may deny placement of a telephone number on an inmate's telephone list if the Associate Warden determines that there is a threat to institution security or good order, or a threat to the public. Any disapproval must be documented in writing to both the inmate and the proposed recipient. As with concerns about any correctional issue, including any portion of these telephone regulations, an inmate may appeal the denial through the administrative remedy procedure (see 28 CFR part 542). The Associate Warden will notify the denied recipient that he or she may appeal the denial by writing to the Warden within 15 days of the receipt of the denial.

(b) Telephone list update. Each Warden shall establish procedures to allow an inmate the opportunity to submit telephone list changes on at least a quarterly basis.

(c) Telephone access codes. An inmate may not possess another inmate's telephone access code number. An inmate may not give his or her telephone access code number to another inmate, and is to report a compromised telephone access code number immediately to unit staff.

(d) Placement and duration of telephone call. The placement and duration of any telephone call is subject to availability of inmate funds. Ordinarily, an inmate who has sufficient funds is allowed at least three minutes for a telephone call. The Warden may limit the maximum length of telephone calling based on the situation at that institution (e.g., institution population or usage demand).

(e) Exception. The Warden may allow the placement of collect calls for good cause. Examples of good cause include, but are not limited to, inmates who are new arrivals to the institution, including new commitments and transfers; inmates confined at Metropolitan Correctional Centers, Metropolitan Detention Centers, or Federal Detention Centers; pretrial inmates; inmates in holdover status; inmates who are without funds (see §540.105(b)); and in cases of family emergencies.

§ 540.102 Monitoring of inmate telephone calls.

The Warden shall establish procedures that enable monitoring of telephone conversations on any telephone located within the institution, said monitoring to be done to preserve the security and orderly management of the institution and to protect the public. The Warden must provide notice to the inmate of the potential for monitoring. Staff may not monitor an inmate's properly placed call to an attorney. The Warden shall notify an inmate of the proper procedures to have
§ 540.103 Inmate telephone calls to attorneys.

The Warden may not apply frequency limitations on inmate telephone calls to attorneys when the inmate demonstrates that communication with attorneys by correspondence, visiting, or normal telephone use is not adequate.

§ 540.104 Responsibility for inmate misuse of telephones.

The inmate is responsible for any misuse of the telephone. The Warden shall refer incidents of unlawful inmate telephone use to law enforcement authorities. The Warden shall advise an inmate that violation of the institution’s telephone regulations may result in institutional disciplinary action (See part 541, subpart B).

§ 540.105 Expenses of inmate telephone use.

(a) An inmate is responsible for the expenses of inmate telephone use. Such expenses may include a fee for replacement of an inmate’s telephone access code that is used in an institution which has implemented debit billing for inmate telephone calls. Each inmate is responsible for staying aware of his or her account balance through the automated process provided by the system. Third party billing and electronic transfer of a call to a third party are prohibited.

(b) The Warden shall provide at least one collect call each month for an inmate who is without funds. An inmate without funds is defined as an inmate who has not had a trust fund account balance of $6.00 for the past 30 days. The Warden may increase the number of collect calls based upon local institution conditions (e.g., institution population, staff resources, and usage demand). To prevent abuses of this provision (e.g., inmate shows a pattern of depleting his or her commissary funds prior to placing collect calls), the Warden may impose restrictions on the provisions of this paragraph (b).

(c) [Reserved]

(d) The Warden may direct the government to bear the expense of inmate telephone use or allow a call to be made collect under compelling circumstances such as when an inmate has lost contact with his family or has a family emergency.

§ 540.200 Purpose and scope.

(a) Purpose of this subpart. This subpart defines the Federal Bureau of Prisons’ (Bureau) authority to operate, and designate inmates to, Communications Management Housing Units (CMUs) within Bureau facilities.

(b) CMU. A CMU is a general population housing unit where inmates ordinarily reside, eat, and participate in all educational, recreational, religious, visiting, unit management, and work programming, within the confines of the CMU. Additionally, CMUs may contain a range of cells dedicated to segregated housing of inmates in administrative detention or disciplinary segregation status.

(c) Purpose of CMUs. The purpose of CMUs is to provide an inmate housing unit environment that enables staff to more effectively monitor communication between inmates in CMUs and persons in the community. The ability to monitor such communication is necessary to ensure the safety, security, and orderly operation of correctional facilities, and protection of the public. The volume, frequency, and methods, of CMU inmate contact with persons in the community may be limited as necessary to achieve the goal of total monitoring, consistent with this subpart.

(d) Application. Any inmate (as defined in 28 CFR 500.1(c)) meeting criteria prescribed by this subpart may be designated to a CMU.
§ 540.201 Designation criteria.

Inmates may be designated to a CMU if evidence of the following criteria exists:
(a) The inmate’s current offense(s) of conviction, or offense conduct, included association, communication, or involvement, related to international or domestic terrorism;
(b) The inmate’s current offense(s) of conviction, offense conduct, or activity while incarcerated, indicates a substantial likelihood that the inmate will encourage, coordinate, facilitate, or otherwise act in furtherance of illegal activity through communication with persons in the community;
(c) The inmate has attempted, or indicates a substantial likelihood that the inmate will contact victims of the inmate’s current offense(s) of conviction;
(d) The inmate committed prohibited activity related to misuse or abuse of approved communication methods while incarcerated; or
(e) There is any other substantiated/credible evidence of a potential threat to the safe, secure, and orderly operation of prison facilities, or protection of the public.

§ 540.202 Designation procedures.

Inmates may be designated to CMUs only according to the following procedures:
(a) Initial consideration. Initial consideration of inmates for CMU designation begins when the Bureau becomes aware of information relevant to the criteria described in §540.201.
(b) Assistant Director authority. The Bureau’s Assistant Director, Correctional Programs Division, has authority to approve CMU designations. The Assistant Director’s decision must be based on a review of the evidence, and a conclusion that the inmate’s designation to a CMU is necessary to ensure the safety, security, and orderly operation of correctional facilities, or protection of the public.
(c) Written notice. Upon arrival at the designated CMU, inmates will receive written notice from the facility’s Warden explaining that:
(1) Designation to a CMU allows greater Bureau staff management of communication with persons in the community through complete monitoring of telephone use, written correspondence, and visiting. The volume, frequency, and methods of CMU inmate contact with persons in the community may be limited as necessary to achieve the goal of total monitoring, consistent with this subpart;
(2) General conditions of confinement in the CMU may also be limited as necessary to provide greater management of communications;
(3) Designation to the CMU is not punitive and, by itself, has no effect on the length of the inmate’s incarceration. Inmates in CMUs continue to earn sentence credit in accordance with the law and Bureau policy;
(4) Designation to the CMU follows the Assistant Director’s decision that such placement is necessary for the safe, secure, and orderly operation of Bureau institutions, or protection of the public. The inmate will be provided an explanation of the decision in sufficient detail, unless the Assistant Director determines that providing specific information would jeopardize the safety, security, and orderly operation of correctional facilities, or protection of the public;
(5) Continued designation to the CMU will be reviewed regularly by the inmate’s Unit Team under circumstances providing the inmate notice and an opportunity to be heard, in accordance with the Bureau’s policy on Classification and Program Review of Inmates;
(6) The inmate may challenge the CMU designation decision, and any aspect of confinement therein, through the Bureau’s administrative remedy program.

§ 540.203 Written correspondence limitations.

(a) General correspondence. General written correspondence as defined by
this part, may be limited to six pieces of paper (not larger than 8.5 x 11 inches), double-sided writing permitted, once per calendar week, to and from a single recipient at the discretion of the Warden, except as stated in (c) below. This correspondence is subject to staff inspection for contraband and for content.

(b) Special mail. (1) Special mail, as defined in this part, is limited to privileged communication with the inmate’s attorney.

(2) All such correspondence is subject to staff inspection in the inmate’s presence for contraband and to ensure its qualification as privileged communication with the inmate’s attorney. Inmates may not seal such outgoing mail before giving it to staff for processing. After inspection for contraband, the inmate must then seal the approved outgoing mail material in the presence of staff and immediately give the sealed material to the observing staff for further processing.

(c) Frequency and volume limitations. Unless the quantity to be processed becomes unreasonable or the inmate abuses or violates these regulations, there is no frequency or volume limitation on written correspondence with the following entities:

(1) U.S. courts;
(2) Federal judges;
(3) U.S. Attorney’s Offices;
(4) Members of U.S. Congress;
(5) The Bureau of Prisons;
(6) Other federal law enforcement entities; or
(7) The inmate’s attorney (privileged communications only).

(d) Electronic messaging may be limited to two messages, per calendar week, to and from a single recipient at the discretion of the Warden.

§ 540.204 Telephone communication limitations.

(a) Monitored telephone communication may be limited to immediate family members only. The frequency and duration of telephone communication may also be limited to three connected calls per calendar month, lasting no longer than 15 minutes. The Warden may require such communication to be in English, or translated by an approved interpreter.

(b) Unmonitored telephone communication is limited to privileged communication with the inmate’s attorney. Unmonitored privileged telephone communication with the inmate’s attorney is permitted as necessary in furtherance of active litigation, after establishing that communication with the verified attorney by confidential correspondence or visiting, or monitored telephone use, is not adequate due to an urgent or impending deadline.

§ 540.205 Visiting limitations.

(a) Regular visiting may be limited to immediate family members. The frequency and duration of regular visiting may also be limited to four one-hour visits each calendar month. Subpart A—Inmate Discipline Program

SOURCE: 75 FR 76267, Dec. 8, 2010, unless otherwise noted.

§ 541.1 Purpose.

This subpart describes the Federal Bureau of Prisons’ (Bureau) inmate discipline program. This program helps ensure the safety, security, and orderly operation of correctional facilities, and the protection of the public, by allowing Bureau staff to impose sanctions on inmates who commit prohibited acts. Sanctions will not be imposed in a capricious or retaliatory manner. The Bureau’s inmate discipline program is authorized by 18 U.S.C. 4042(a)(3).

§ 541.2 Application.

This program applies to sentenced and unsentenced inmates in Bureau custody. It also applies to sentenced and unsentenced inmates designated to any prison, institution, or facility in which persons are held in custody by direction of, or under an agreement with, the Bureau of Prisons.

§ 541.3 Prohibited acts and available sanctions.

(a) Prohibited acts. The list of prohibited acts are divided into four separate categories based on severity: Greatest; High; Moderate; and Low. We describe the prohibited acts in Table 1—Prohibited Acts and Available Sanctions. Aiding, attempting, abetting, or making plans to commit any of the prohibited acts is treated the same as committing the act itself.

(b) Available sanctions. The list of available sanctions for committing prohibited acts is listed in Table 1—Prohibited Acts and Available Sanctions. If you commit repetitive prohibited acts, we can impose increased sanctions, as listed in Table 2—Additional Available Sanctions for Repeated Prohibited Acts Within the Same Severity Level.

(3) Moderate Severity Level Offenses. You will lose at least 14 days, or 25% of available credit if less than 54 days are available for the prorated period, after committing two or more Moderate severity acts during the current year of your good conduct sentence credit availability.

(4) Low Severity Level Offenses. You will lose at least 7 days, or 12.5% of available credit if less than 54 days are available for the prorated period, after committing three or more Low severity acts during the current year of your good conduct sentence credit availability.

§ 541.5 Discipline process.

(a) Incident report. The discipline process starts when staff witness or reasonably believe that you committed a prohibited act. A staff member will issue you an incident report describing the incident and the prohibited act(s) you are charged with committing. You will ordinarily receive the incident report within 24 hours of staff becoming aware of your involvement in the incident.

(b) Investigation. After you receive an incident report, a Bureau staff member will investigate it.

(1) Information: The investigator will specifically inform you:
(A) of the charge(s) against you; and
(B) that you may remain silent at all stages of the discipline process, but that your silence may be used to draw an adverse inference against you at any stage of the process. Your silence alone, however, cannot be the basis for finding you committed the prohibited act(s).

(2) Statement: When the investigator asks for your statement, you may give an explanation of the incident, request any witnesses be interviewed, or request that other evidence be obtained and reviewed. However, the staff investigation of the incident report may be suspended before requesting your statement if it is being investigated for possible criminal prosecution.

(3) Informally resolving the incident report. The incident report may be informally resolved at any stage of the disciplinary process, except for prohibited acts in the Greatest and High severity levels, or as otherwise required by law or these regulations. If the incident report is informally resolved, it will be removed from your records.

§ 541.6 Mentally ill inmates.

If it appears you are mentally ill at any stage of the discipline process, you will be examined by mental health staff.

(a) Competency to Participate in Disciplinary Proceedings. If evidence indicates that you cannot understand the nature of the disciplinary proceedings, or cannot help in your own defense, disciplinary proceedings may be postponed until you are competent to participate. The Unit Disciplinary Committee or Discipline Hearing Officer will make this decision based on evidence, including evidence presented by mental health staff.

(b) Responsibility for Conduct. You will not be disciplined for conduct committed when, as the result of a severe mental disease or defect, you were unable to appreciate the nature and quality, or wrongfulness of the act. The UDC or DHO will make this decision based on evidence, including evidence presented by mental health staff.

§ 541.7 Unit Discipline Committee (UDC) review of the incident report.

A Unit Discipline Committee (UDC) will review the incident report once the staff investigation is complete. The UDC’s review involves the following:

(a) Available dispositions. The UDC will make one of the following decisions after reviewing the incident report:

(1) You committed the prohibited act(s) charged, and/or a similar prohibited act(s) as described in the incident report;
(2) You did not commit the prohibited act(s) charged; or
(3) The incident report will be referred to the Discipline Hearing Officer (DHO) for further review, based on the seriousness of the prohibited act(s) charged.
(4) If you are charged with a Greatest or High severity prohibited act, or are an inmate covered by § 541.4, the UDC will automatically refer the incident report to the DHO for further review.

(b) UDC members. The UDC ordinarily consists of two or more staff. UDC members will not be victims, witnesses, investigators, or otherwise significantly involved in the incident.

(c) Timing. The UDC will ordinarily review the incident report within five work days after it is issued, not counting the day it was issued, weekends, and holidays. UDC review of the incident report may also be suspended if it is being investigated for possible criminal prosecution.

(d) Inmate appearance. You are permitted to appear before the UDC during its review of the incident report, except during UDC deliberations or when your presence would jeopardize institution security, at the UDC’s discretion. Also:
(1) You may appear either in person or electronically (for example, by video or telephone conferencing) at the UDC’s discretion.
(2) You may waive your appearance before the UDC. If you waive your appearance, the UDC will review the incident report in your absence.
(3) If you escape or are otherwise absent from custody, the UDC will conduct a review in your absence at the institution where you were last confined.

(e) Evidence. You are entitled to make a statement and present documentary evidence to the UDC on your own behalf. The UDC will consider all evidence presented during its review. The UDC’s decision will be based on at least some facts and, if there is conflicting evidence, on the greater weight of the evidence.

(f) Sanctions. If you committed a prohibited act(s), the UDC can impose any of the available sanctions listed in Tables 1 and 2, except loss of good conduct sentence credit, disciplinary segregation, or monetary fines.

(g) Referral to the DHO. If the UDC refers the incident report to the DHO for further review, the UDC will advise you of your rights at the upcoming DHO hearing, as detailed in § 541.8.

(h) Written report. You will receive a written copy of the UDC’s decision following its review of the incident report.

(i) Appeals. You may appeal the UDC’s action(s) through the Administrative Remedy Program, 28 CFR part 542, subpart B.

§ 541.8 Discipline Hearing Officer (DHO) hearing.

The Discipline Hearing Officer (DHO) will only conduct a hearing on the incident report if referred by the UDC. The DHO’s hearing involves the following:

(a) Available dispositions. The DHO will make one of the following decisions after a hearing on the incident report:
(1) You committed the prohibited act(s) charged, and/or a similar prohibited act(s) as described in the incident report;
(2) You did not commit the prohibited act(s) charged; or
(3) The incident report will be referred back for further investigation, review, and disposition.

(b) Discipline Hearing Officer. The DHO will be an impartial decision maker who was not a victim, witness, investigator, or otherwise significantly involved in the incident.

(c) Timing. You will receive written notice of the charge(s) against you at least 24 hours before the DHO’s hearing. You may waive this requirement, in which case the DHO’s hearing can be conducted sooner.

(d) Staff Representative. You are entitled to have a staff representative during the DHO hearing process as follows:
(1) How to get a staff representative. You may request the staff representative of your choice, so long as that person was not a victim, witness, investigator, or otherwise significantly involved in the incident. If your request(s) cannot be fulfilled, and you still want a staff representative, the Warden will appoint one. The Warden will also appoint a staff representative
if it appears you are unable to adequately represent yourself before the DHO, for example, if you are illiterate or have difficulty understanding the charges against you.

(2) How the staff representative will help you. Prior to the DHO’s hearing, the staff representative will be available to help you understand the incident report charges and potential consequences. The staff representative may also assist you by speaking with and scheduling witnesses, obtaining written statements, and otherwise helping you prepare evidence for presentation at the DHO’s hearing. During the DHO’s hearing, you are entitled to have the staff representative appear and assist you in understanding the proceedings. The staff representative can also assist you in presenting evidence during the DHO’s hearing.

(3) How the staff representative may appear. Your staff representative may appear either in person or electronically (for example, by video or telephone conferencing) at the DHO’s discretion. If your staff representative is not available for the scheduled hearing, you may either select another staff representative, request the hearing be postponed for a reasonable amount of time until your staff representative can appear, or proceed without a staff representative.

(e) Inmate appearance. You are permitted to appear before the DHO during the hearing on the incident report as follows:

(1) You may appear either in person or electronically (for example, by video or telephone conferencing), at the DHO’s discretion.

(2) Your appearance may be prohibited during DHO deliberations, or when your presence would jeopardize institution security, at the DHO’s discretion.

(3) You may waive your appearance before the DHO. If you waive your appearance, the DHO hearing will be conducted in your absence.

(4) If you escape or are otherwise absent from custody, the DHO will conduct a hearing in your absence at the institution where you were last confined.

(f) Evidence and witnesses. You are entitled to make a statement and present documentary evidence to the DHO on your own behalf. The DHO will consider all evidence presented during the hearing. The DHO’s decision will be based on at least some facts and, if there is conflicting evidence, on the greater weight of the evidence. Witnesses may appear at the DHO’s hearing as follows:

(1) Witnesses may appear before the DHO either in person or electronically (for example, by video or telephone conferencing) at the DHO’s discretion.

(2) The DHO will call witnesses who have information directly relevant to the charge(s) and who are reasonably available. However, the DHO need not call witnesses adverse to you if their testimony is adequately summarized in the incident report or other investigation materials.

(3) You or your staff representative may request witnesses appear at the hearing to testify on your behalf. Your requested witnesses may not appear if, in the DHO’s discretion, they are not reasonably available, their presence at the hearing would jeopardize institution security, or they would present repetitive evidence.

(4) If your requested witnesses are unavailable to appear, written statements can be requested by either the DHO or staff representative. The written statements can then be considered during the DHO’s hearing.

(5) Only the DHO may directly question witnesses at the DHO’s hearing. Any questions by you or your staff representative must be submitted to the DHO, who will present the question to the witness in his/her discretion.

(6) The DHO may consider evidence provided by a confidential informant (CI) that the DHO finds reliable. You will not be informed of the CI’s identity. You will be informed of the CI’s testimony to the extent it will not jeopardize institution security, at the DHO’s discretion.

(g) Sanctions. If you committed a prohibited act(s), the DHO can impose any of the available sanctions listed in Tables 1 and 2.

(h) Written Report. You will receive a written copy of the DHO’s decision following the hearing. The DHO is not required to prepare a verbatim record of the hearing. The DHO’s written report will document the following:
(1) Whether you were advised of your rights during the DHO process;
(2) The evidence relied on by the DHO;
(3) The DHO’s decision;
(4) The sanction imposed by the DHO; and
(5) The reason(s) for the sanction(s) imposed.

(i) Appeals. You may appeal the DHO’s action(s) through the Administrative Remedy Program, 28 CFR part 542, subpart B.

Subpart B—Special Housing Units

SOURCE: 75 FR 76267, Dec. 8, 2010, unless otherwise noted.

§ 541.20 Purpose.

This subpart describes the Federal Bureau of Prisons’ (Bureau) operation of special housing units (SHU) at Bureau institutions. The Bureau’s operation of SHUs is authorized by 18 U.S.C. 4042(a)(2) and (3).

§ 541.21 Special Housing Units (SHUs).

Special Housing Units (SHUs) are housing units in Bureau institutions where inmates are securely separated from the general inmate population, and may be housed either alone or with other inmates. Special housing units help ensure the safety, security, and orderly operation of correctional facilities, and protect the public, by providing alternative housing assignments for inmates removed from the general population.

§ 541.22 Status when placed in the SHU.

When placed in the SHU, you are either in administrative detention status or disciplinary segregation status.

(a) Administrative detention status. Administrative detention status is an administrative status which removes you from the general population when necessary to ensure the safety, security, and orderly operation of correctional facilities, or protect the public. Administrative detention status is non-punitive, and can occur for a variety of reasons.

(b) Disciplinary segregation status. Disciplinary segregation status is a punitive status imposed only by a Disciplinary Hearing Officer (DHO) as a sanction for committing a prohibited act(s).

§ 541.23 Administrative detention status.

You may be placed in administrative detention status for the following reasons:

(a) Pending Classification or Reclassification. You are a new commitment pending classification or under review for Reclassification.

(b) Holdover Status. You are in holdover status during transfer to a designated institution or other destination.

(c) Removal from general population. Your presence in the general population poses a threat to life, property, self, staff, other inmates, the public, or to the security or orderly running of the institution and:

(1) Investigation. You are under investigation or awaiting a hearing for possibly violating a Bureau regulation or criminal law;

(2) Transfer. You are pending transfer to another institution or location;

(3) Protection cases. You requested, or staff determined you need, administrative detention status for your own protection; or

(4) Post-disciplinary detention. You are ending confinement in disciplinary segregation status, and your return to the general population would threaten the safety, security, and orderly operation of a correctional facility, or public safety.

§ 541.24 Disciplinary segregation status.

You may be placed in disciplinary segregation status only by the DHO as a disciplinary sanction.

§ 541.25 Notice received when placed in the SHU.

You will be notified of the reason(s) you are placed in the SHU as follows:

(a) Administrative detention status. When placed in administrative detention status, you will receive a copy of the administrative detention order, ordinarily within 24 hours, detailing the reason(s) for your placement. However,
when placed in administrative detention status pending classification or while in holdover status, you will not receive an administrative detention order.

(b) Disciplinary segregation status. When you are to be placed in disciplinary segregation status as a sanction for violating Bureau regulations, you will be informed by the DHO at the end of your discipline hearing.

§ 541.26 Review of placement in the SHU.

Your placement in the SHU will be reviewed by the Segregation Review Official (SRO) as follows:

(a) Three day review. Within three work days of your placement in administrative detention status, not counting the day you were admitted, weekends, and holidays, the SRO will review the supporting records. If you are in disciplinary segregation status, this review will not occur.

(b) Seven day reviews. Within seven continuous calendar days of your placement in either administrative detention or disciplinary segregation status, the SRO will formally review your status at a hearing you can attend. Subsequent reviews of your records will be performed in your absence by the SRO every seven continuous calendar days thereafter.

(c) Thirty day reviews. After every 30 calendar days of continuous placement in either administrative detention or disciplinary segregation status, the SRO will formally review your status at a hearing you can attend.

(d) Administrative remedy program. You can submit a formal grievance challenging your placement in the SHU through the Administrative Remedy Program, 28 CFR part 542, subpart B.

§ 541.27 Protection case—placement in Administrative Detention status.

You may be placed in administrative detention status as a protection case in the following circumstances.

(a) Victim of inmate assault or threats. You were the victim of an inmate assault, or are being threatened by other inmates, including threats of harm if you do not act in a certain way, for example, threats of harm unless you engage in sexual activity.

(b) Inmate informant. Your safety is threatened because you provided, or are perceived as having provided, information to staff or law enforcement authorities regarding other inmates or persons in the community.

(c) Inmate refusal to enter general population. You refuse to enter the general population because of alleged pressures or threats from unidentified inmates, or for no expressed reason.

(d) Staff concern. Based on evidence, staff believe your safety may be seriously jeopardized by placement in the general population.

§ 541.28 Protection case—review of placement in the SHU.

(a) Staff investigation. Whenever you are placed in the SHU as a protection case, whether requested by you or staff, an investigation will occur to verify the reasons for your placement.

(b) Hearing. You will receive a hearing according to the procedural requirements of §541.26(b) within seven calendar days of your placement. Additionally, if you feel at any time your placement in the SHU as a protection case is unnecessary, you may request a hearing under this section.

(c) Periodic review. If you remain in administrative detention status following such a hearing, you will be periodically reviewed as an ordinary administrative detention case under §541.26.

§ 541.29 Staff verification of need for protection.

If a staff investigation verifies your need for placement in the SHU as a protection case, you may remain in the SHU or be transferred to another institution where your status as a protection case may not be necessary, at the Warden’s discretion.

§ 541.30 Lack of verification of need for protection.

If a staff investigation fails to verify your need for placement in the SHU as a protection case, you will be instructed to return to the general population. If you refuse to return to the general population under these circumstances, you may be subject to disciplinary action.
§ 541.31 Conditions of confinement in the SHU.

Your living conditions in the SHU will meet or exceed standards for healthy and humane treatment, including, but not limited to, the following specific conditions:

(a) **Environment.** Your living quarters will be well-ventilated, adequately lighted, appropriately heated, and maintained in a sanitary condition.

(b) **Cell Occupancy.** Your living quarters will ordinarily house only the amount of occupants for which it is designed. The Warden, however, may authorize more occupants so long as adequate standards can be maintained.

(c) **Clothing.** You will receive adequate institution clothing, including footwear, while housed in the SHU. You will be provided necessary opportunities to exchange clothing and/or have it washed.

(d) **Bedding.** You will receive a mattress, blankets, a pillow, and linens for sleeping. You will receive necessary opportunities to exchange linens.

(e) **Food.** You will receive nutritionally adequate meals.

(f) **Personal hygiene.** You will have access to a wash basin and toilet. You will receive personal items necessary to maintain an acceptable level of personal hygiene, for example, toilet tissue, soap, toothbrush and cleanser, shaving utensils, etc. You will ordinarily have an opportunity to shower and shave at least three times per week. You will have access to hair care services as necessary.

(g) **Exercise.** You will receive the opportunity to exercise outside your individual quarters at least five hours per week, ordinarily on different days in one-hour periods. You can be denied these exercise periods for a week at a time by order of the Warden if it is determined that your use of exercise privileges threatens safety, security, and orderly operation of a correctional facility, or public safety.

(h) **Personal Property.** In either status, your amount of personal property may be limited for reasons of fire safety or sanitation.

1. In administrative detention status you are ordinarily allowed a reasonable amount of personal property and reasonable access to the commissary.

2. In disciplinary segregation status your personal property will be impounded, with the exception of limited reading/writing materials, and religious articles. Also, your commissary privileges may be limited.

(i) **Correspondence.** You will receive correspondence privileges according to part 540, subpart B.

(j) **Telephone.** You will receive telephone privileges according to part 540, subpart I.

(k) **Visiting.** You will receive visiting privileges according to part 540, subpart D.

(l) **Legal Activities.** You will receive an opportunity to perform personal legal activities according to part 543, subpart B.

(m) **Staff Monitoring.** You will be monitored by staff assigned to the SHU, including program and unit team staff.

(n) **Programming Activities.** In administrative detention status, you will have access to programming activities to the extent safety, security, orderly operation of a correctional facility, or public safety are not jeopardized. In disciplinary segregation status, your participation in programming activities, e.g., educational programs, may be suspended.

(o) **Administrative Remedy Program.** You can submit a formal grievance challenging any aspect of your confinement in the SHU through the Administrative Remedy Program, 28 CFR part 542, subpart B.

§ 541.32 Medical and mental health care in the SHU.

(a) **Medical Care.** A health services staff member will visit you daily to provide necessary medical care. Emergency medical care is always available.

(b) **Mental Health Care.** After every 30 calendar days of continuous placement in either administrative detention or disciplinary segregation status, mental health staff will examine you, including a personal interview. Emergency mental health care is always available.

§ 541.33 Release from the SHU.

(a) **Administrative Detention Status.** You will be released from administrative detention status when the reasons for your placement no longer exist.
(b) **Disciplinary segregation status.** You will be released from disciplinary segregation status after satisfying the sanction imposed by the DHO. The SRO may release you earlier if it is determined you no longer require disciplinary segregation status.

**Subpart C [Reserved]**

**Subpart D—Control Unit Programs**

Source: 49 FR 32991, Aug. 17, 1984, unless otherwise noted.

§ 541.40 **Purpose and scope.**

(a) In an effort to maintain a safe and orderly environment within its institutions, the Bureau of Prisons operates control unit programs intended to place into a separate unit those inmates who are unable to function in a less restrictive environment without being a threat to others or to the orderly operation of the institution. The Bureau of Prisons provides written criteria for the:

1. Referral of an inmate for possible placement within a control unit;
2. Selection of an inmate for placement within a control unit;
3. Regular review of an inmate while housed in a control unit; and
4. Release of an inmate from a control unit.

(b) The Bureau of Prisons provides an inmate confined within a control unit the opportunity to participate in programs and activities restricted as necessary to protect the security, good order, or discipline of the unit.

§ 541.41 **Institutional referral.**

(a) The Warden shall submit a recommendation for referral of an inmate for placement in a control unit to the Regional Director in the region where the inmate is located.

(b) The Warden shall consider the following factors in a recommendation for control unit placement.

1. Any incident during confinement in which the inmate has caused injury to other persons.
2. Any incident in which the inmate has expressed threats to the life or well-being of other persons.

3. Any incident involving possession by the inmate of deadly weapons or dangerous drugs.

4. Any incident in which the inmate is involved in a disruption of the orderly operation of a prison, jail or other correctional institution.

5. An escape from a correctional institution.

6. An escape attempt. Depending on the circumstances, an escape attempt, considered alone or together with an inmate’s prior history, may warrant consideration for a control unit placement.

7. The nature of the offense for which committed. An inmate may not be considered solely on the nature of the crime which resulted in that inmate’s incarceration; however, the nature of the crime may be considered in combination with other factor(s) as described in paragraph (b) of this section.

(c) The Warden may not refer an inmate for placement in a control unit:

1. If the inmate shows evidence of significant mental disorder or major physical disabilities as documented in a mental health evaluation or a physical examination;
2. On the basis that the inmate is a protection case, e.g., a homosexual, an informant, etc., unless the inmate meets other criteria as described in paragraph (b) of this section.

§ 541.42 **Designation of Hearing Administrator.**

(a) The Regional Director in the region where the inmate is located shall review the institution’s recommendation for referral of an inmate for placement in a control unit. If the Regional Director concurs with the recommendation, the Regional Director shall forward a written request, together with the institution’s referral material, to the Regional Director of the region where the control unit is located. The Regional Director of the region where the control unit is located shall designate a person in the Regional Office to review the referral material and to conduct a hearing on the appropriateness of an inmate’s placement in a control unit.

(b) The Hearing Administrator shall have the following qualifications:
§ 541.43 Hearing procedure.

(a) The Hearing Administrator shall provide a hearing to an inmate recommended for placement in a control unit. The hearing ordinarily shall take place at the recommending or sending institution.

(b) The hearing shall proceed as follows.

(1) Staff shall provide an inmate with an advance written notice of the hearing and a copy of this rule at least 24 hours prior to the hearing. The notice will advise the inmate of the specific act(s) or other evidence which forms the basis for a recommendation that the inmate be transferred to a control unit, unless such evidence would likely endanger staff or others. If an inmate is illiterate, staff shall explain the notice and this rule to the inmate and document that this explanation has occurred.

(2) The Hearing Administrator shall provide an inmate the service of a full-time staff member to represent the inmate, if the inmate so desires. The Hearing Administrator shall document in the record of the hearing an inmate's request for, or refusal of staff representation. The inmate may select a staff representative from the local institution. If the selected staff member declines or is unavailable, the inmate has the option of selecting another representative or, in the case of an absent staff member, of waiting a reasonable period (determined by the Hearing Administrator) for the staff member's return, or of proceeding without a staff representative. When an inmate is illiterate, the Warden shall provide a staff representative. The staff representative shall be available to assist the inmate and, if the inmate desires, shall contact witnesses and present favorable evidence at the hearing. The Hearing Administrator shall afford the staff representative adequate time to speak with the inmate and to interview available witnesses.

(3) The inmate has the right to be present throughout the hearing, except where institutional security or good order is jeopardized. The Hearing Administrator may conduct a hearing in the absence of the inmate when the inmate refuses to appear. The Hearing Administrator shall document an inmate's refusal to appear, or other reason for non-appearance, in the record of the hearing.

(4) The inmate is entitled to present documentary evidence and to have witnesses appear, provided that calling witnesses would not jeopardize or threaten institutional security or individual safety, and further provided that the witnesses are available at the institution where the hearing is being conducted.

(i) The evidence to be presented must be material and relevant to the issue as to whether the inmate can and would function in a general prison population without being or posing a threat to staff or others or to the orderly operation of the institution. The Hearing Administrator may not consider an attempt to reverse or repeal a prior finding of a disciplinary violation.

(ii) Repetitive witnesses need not be called. Staff who recommend placement in a control unit are not required to appear, provided their recommendation is fully explained in the record. Staff who were involved, in any capacity, in former disciplinary proceedings need not be called as to their involvement in those proceedings, since this hearing is not to go over the factual basis for prior actions which have been decided.

(iii) When a witness is not available within the institution, or not permitted to appear, the inmate may submit a written statement by that witness. The Hearing Administrator shall, upon the inmate's request, postpone
any decision following the hearing for a reasonable time to permit the obtaining and forwarding of written statements.

(iv) The Hearing Administrator shall document in the record of the hearing the reasons for declining to permit a witness or to receive documentary evidence.

§ 541.44 Decision of the Hearing Administrator.

(a) At the conclusion of the hearing and following review of all material related to the recommendation for placement of an inmate in a control unit, the Hearing Administrator shall prepare a written decision as to whether this placement is warranted. The Hearing Administrator shall:

(1) Prepare a summary of the hearing and of all information presented upon which the decision is based; and

(2) Indicate the specific reasons for the decision, to include a description of the act, or series of acts, or evidence on which the decision is based.

(b) The Hearing Administrator shall advise the inmate in writing of the decision. The inmate shall receive the information described in paragraph (a) of this section unless it is determined that the release of this information could pose a threat to individual safety, or institutional security, in which case that limited information may be withheld. The Hearing Administrator shall advise the inmate that the decision will be submitted for review of the Executive Panel. The Hearing Administrator shall advise the inmate that, if the inmate so desires, the inmate may submit an appeal of the Hearing Administrator’s decision to the Executive Panel. This appeal, with supporting documentation and reasons, must be filed within five working days of the inmate’s receipt of the Hearing Administrator’s decision.

(c) The Hearing Administrator shall send the decision, whether for or against placement in a control unit, and supporting documentation to the Executive Panel. Ordinarily this is done within 20 working days after conclusion of the hearing. Any reason for extension is to be documented.

§ 541.45 Executive Panel review and appeal.

The Executive Panel is composed of the Regional Director of the region where a control unit is located to which referral is being considered and the Assistant Director, Correctional Programs Division.

(a) The Executive Panel shall review the decision and supporting documentation of the Hearing Administrator and, if submitted, the information contained in an inmate’s appeal. The Panel shall accept or reject the Hearing Administrator’s decision within 30 working days of its receipt, unless for good cause there is reason for delay, which shall be documented in the record.

(b) The Executive Panel shall provide a copy of its decision to the Warden at the institution to which the inmate is to be transferred, to the inmate, to the referring Warden and region, and to the Hearing Administrator.

(c) An inmate may appeal a decision of the Executive Panel, through the Administrative Remedy Procedure, directly to the Office of General Counsel, Bureau of Prisons, within 30 calendar days of the inmate’s receipt of the Executive Panel’s decision.

§ 541.46 Programs and services.

The Warden shall provide the following services to a control unit inmate. These services must be provided unless compelling security or safety reasons dictate otherwise. These reasons will be documented and signed by the Warden, indicating the Warden’s review and approval.

(a) Education. The Warden shall assign a member of the education staff to the control unit on at least a part-time basis to assist in developing an educational program to fulfill each inmate’s academic needs. The education staff member is ordinarily a member of the control unit team.

(b) Work assignments. Staff may assign inmates to a work assignment, such as range orderly. The manner in which these duties are carried out will reflect the inmate’s unit adjustment, and will assist staff in evaluating the inmate.

(c) Industries (UNICOR). If an industry program exists in a control unit. 
each inmate participating in this program may earn industrial pay, subject to the regulations of Federal Prison Industries, Inc. (UNICOR). The industry program is supervised by an industry foreman. The control unit team will determine when or if an industry assignment is appropriate for each inmate who submits a request for possible assignment to industries work.

(d) Legal. An inmate assigned to a control unit may use that unit’s inmate basic law library, upon request and in rotation. Consistent with security considerations, the law library is to include basic legal reference books, and ordinarily a table and chair, typewriter, paper and carbon. Abuse of materials in the inmate law library (for example, a typewriter) may result in a decision by the Warden to limit the use of legal materials. A decision to limit materials due to abuse must be documented in writing and signed by the Warden.

(e) Recreation. The recreation program in a control unit shall include the following requirements:

(1) Each inmate shall have the opportunity to receive a minimum of seven hours weekly recreation and exercise out of the cell.

(2) Staff shall provide various games and exercise materials as consistent with security considerations and orderly operation of the unit. Inmates who alter or intentionally damage recreation equipment may be deprived of the use of that equipment in the future.

(f) Case management services. The case manager is responsible for all areas of case management. This ordinarily includes preparation of the visiting list, notarizing documents, preparation of various reports, and other case management duties. The case manager is ordinarily a member of the control unit team.

(g) Counselor services. The unit counselor ordinarily handles phone call requests, special concerns and requests of inmates, and requests for administrative remedy forms. The unit counselor is also available for consultation and for counseling as recommended in the mental health evaluation (see paragraph (i) of this section—Mental Health Services).

(h) Medical services. A member of the medical staff shall visit control unit inmates daily. A physician will visit the unit as the need arises.

(i) Mental health services. During the first 30-day period in a control unit, staff shall schedule the control unit inmate for a psychological evaluation conducted by a psychologist. Additional individual evaluations shall occur every 30 days. The psychologist shall perform and/or supervise needed psychological services. Psychiatric services will be provided when necessary. Inmates requiring prescribed psychotropic medication are not ordinarily housed in a control unit.

(j) Religion. Staff shall issue religious materials upon request, limited by security consideration and housekeeping rules in the unit. This material may come from an inmate’s personal property or from the chaplain’s office. The institutional chaplains shall make at least weekly visits to the control unit. While individual prayer and/or worship is allowed in a control unit, religious assemblies or group meetings are not allowed.

(k) Food service and personal hygiene. Staff shall provide food services and personal hygiene care consistent with the requirements of the current rule regarding Special Housing Units.

(l) Correspondence. Inmates confined in a control unit are provided correspondence privileges in accordance with the Bureau of Prisons’ rule on Inmate Correspondence (see 28 CFR part 540).

(m) Visiting. Visits for inmates confined in a control unit are conducted in a controlled visiting area, separated from regular visiting facilities. Staff shall allot a minimum of four hours per month visiting time to a control unit inmate. The number of consecutive hours visiting on a particular day may be limited by the number of visitors waiting to visit. All visitors must be on the inmate’s approved visiting list.

(n) Commissary. Staff shall establish a commissary purchase schedule. The amount of money which control unit inmates spend per month is comparable to the spending limitation for inmates residing in the general population. Staff may limit commissary items to
§ 541.47 Admission to control unit.

Staff shall provide an inmate admitted to a control unit with:

(a) Notice of the projected duration of the inmate’s confinement in a control unit;

(b) Notice of the type of personal property which is allowable in the unit (items made of glass or metal will not be permitted);

(c) A summary of the guidelines and disciplinary procedures applicable in the unit;

(d) An explanation of the activities in a control unit;

(e) The expectations of the inmate’s involvement in control unit activities; and

(f) The criteria for release from the unit, and how those criteria specifically relate to this confinement period in the unit and any specific requirements in the inmate’s individual case.

§ 541.48 Search of control unit inmates.

(a) The Warden at an institution housing a control unit may order a digital or simple instrument search for all new admissions to the control unit. The Warden may also order a digital or simple instrument search for any inmate who is returned to the control unit following contact with the public. Authorization for a digital or simple instrument search must be in writing, signed by the Warden, with a copy placed in the inmate central file. The Warden’s authority may not be delegated below the level of Acting Warden.

(b) An inmate in a control unit may request in writing that an X-ray be taken in lieu of the digital search discussed in paragraph (a) of this section. The Warden shall approve this request, provided it is determined and stated in writing by the institution’s Clinical Director or Acting Clinical Director (may not be further delegated) that the amount of X-ray exposure previously received by the inmate, or anticipated to be given the inmate in the immediate future, does not make the proposed X-ray medically unwise. Staff are to place documentation of the X-ray, and the inmate’s signed request for it, in the inmate’s central and medical files. The Warden’s authority may not be delegated below the level of Acting Warden.

(c) Staff may not conduct a digital or simple instrument search if it is likely to result in physical injury to the inmate. In this situation, the Warden, upon approval of the Regional Director, may authorize the institution physician to order a non-repetitive X-ray for the purpose of determining if contraband is concealed in or on the inmate. The X-ray examination may not be performed if it is determined by the institution physician that such an examination is likely to result in serious or lasting medical injury or harm to the inmate. Staff are to place documentation of the X-ray examination in the inmate’s central file and medical file. The authority of the Warden and Regional Director may not be delegated below the level of Acting Warden and Acting Regional Director respectively. If neither a digital or simple instrument search, nor an X-ray examination may be used, the inmate is to be placed in a dry cell until sufficient time has passed to allow excretion.

(d) Staff shall solicit the inmate’s written consent prior to conducting a digital or simple instrument search, or, as specified in paragraph (c) of this section, an X-ray examination. However, the inmate’s consent is not required.

§ 541.49 Review of control unit placement.

(a) Unit staff shall evaluate informally and daily an inmate’s adjustment within the control unit. Once every 30 days, the control unit team, comprised of the control unit manager and other members designated by the
Bureau of Prisons, Justice

§ 541.61 Standard for placement in controlled housing status.

An inmate may be placed in a controlled housing status when there is reliable evidence causing staff to believe that the inmate engages in conduct posing a health risk to another person. This evidence may be the inmate's behavior, or statements of the inmate, or other reliable evidence.

Subpart E—Procedures for Handling of HIV Positive Inmates Who Pose Danger to Others

SOURCE: 54 FR 11323, Mar. 17, 1989, unless otherwise noted.

§ 541.60 Purpose and scope.

In an effort to maintain a safe and orderly environment within its institutions, the Bureau of Prisons may place in controlled housing status an inmate who tests HIV positive when there is reliable evidence that the inmate may engage in conduct posing a health risk to another person.

§ 541.61 Standard for placement in controlled housing status.

An inmate may be placed in a controlled housing status when there is reliable evidence causing staff to believe that the inmate engages in conduct posing a health risk to others. This evidence may be the inmate’s behavior, or statements of the inmate, or other reliable evidence.
§ 541.62 Referral for placement.

(a) The Warden shall consider an inmate for controlled housing status when the inmate has been confirmed as testing HIV positive and when there is reliable evidence indicating that the inmate may engage in conduct posing a health risk to others. This evidence may come from the statements of the individual, repeated misconduct (including disciplinary actions), or other behavior suggesting that the inmate may engage in predatory or promiscuous sexual behavior, assaultive behavior where body fluids may be transmitted to another, or the sharing of needles.

(b) The Warden shall submit a recommendation for referral of an inmate for placement in a controlled housing status to the Regional Director in the region where the inmate is located.

(c) Based on the perceived health risk to others posed by the inmate’s threatened or actual actions, the Warden may, with the telephonic approval of the Regional Director, temporarily (not to exceed 20 work days) place an inmate in a special housing status (e.g., administrative detention, or a secure health service unit room) pending the inmate’s appearance before the Hearing Administrator. Reasons for this placement, and the approval of the Regional Director, shall be documented in the inmate central file. The inmate should be seen daily by case management and medical staff while in this temporary status, and a psychological or psychiatric assessment report should be prepared during this temporary placement period.

§ 541.63 Hearing procedure.

(a) The Regional Director in the region where the inmate is located shall review the institution’s recommendation for referral of an inmate for controlled housing status. If the Regional Director concurs with the recommendation, the Regional Director shall designate a person in the Regional Office or a person at department head level or above in the institution to conduct a hearing on the appropriateness of an inmate’s placement in controlled housing status. This Hearing Administrator shall have correctional experience, no former personal involvement in the instant situation, and a knowledge of the type of behavior that poses a health risk to others, and of the options available for dealing with an inmate who poses such a health risk to others.

(b) The Hearing Administrator shall provide a hearing to an inmate recommended for controlled housing status. The hearing ordinarily shall take place at the institution housing the inmate.

(c) The hearing shall proceed as follows:

(1) Staff shall provide an inmate with an advance written notice of the hearing and a copy of this rule at least 24 hours prior to the hearing. The notice will advise the inmate of the specific act(s) or other evidence which forms the basis for a recommendation that the inmate be placed in a controlled housing status, unless such evidence would likely endanger staff or others. If an inmate is illiterate, staff shall explain the notice and this rule to the inmate and document that this explanation has occurred.

(2) The Hearing Administrator shall upon request of the inmate provide an inmate the service of a full-time staff member to represent the inmate. The Hearing Administrator shall document in the record of the hearing an inmate’s request for, or refusal of staff representation. The inmate may select a staff representative from the local institution. If the selected staff member declines for good reason or is unavailable, the inmate has the option of selecting another representative or, in the case of an absent staff member, of proceeding without a staff representative. The Hearing Administrator shall afford the staff representative adequate time to speak with the inmate.
inmate and to interview available witnesses.

(3) The inmate has the right to be present throughout the hearing, except where institutional security or good order is jeopardized. The Hearing Administrator may conduct a hearing in the absence of the inmate when the inmate refuses to appear. The Hearing Administrator shall document an inmate’s refusal to appear, or other reason for nonappearance, in the record of the hearing.

(4) The inmate is entitled to present documentary evidence and to have witnesses appear, provided that calling witnesses would not jeopardize or threaten institutional security or individual safety, and further provided that the witnesses are available at the institution where the hearing is being conducted.

(i) The evidence to be presented must be material and relevant to the issue as to whether the inmate can and would pose a health risk to others, if allowed to remain in general prison population. This evidence may come from the statements of the individual, repeated misconduct (including disciplinary actions), or other behavior suggesting that the inmate may engage in predatory or promiscuous sexual behavior, assaultive behavior where body fluids may be transmitted to others, or the sharing of needles.

(ii) Repetitive witnesses need not be called. Staff who recommend placement in a controlled housing status are not required to appear, provided their recommendation is fully explained in the record.

(iii) When a witness is not available within the institution, or not permitted to appear, the inmate may submit a written statement by that witness. The Hearing Administrator shall, upon the inmate’s request, postpone any decision following the hearing for a reasonable time to permit the obtaining and forwarding of written statements.

(iv) The Hearing Administrator shall document in the record of the hearing the reasons for declining to hear a witness or to receive documentary evidence.

§ 541.65 Regional Director review and appeal.

(a) The Regional Director shall review the decision and supporting documentation of the Hearing Administrator and, if submitted, the information contained in an inmate’s appeal. The Regional Director shall accept or reject the Hearing Administrator’s decision within 30 working days of its receipt, unless for good cause there is reason for delay, which shall be documented in the record. The authority of the Regional Director may not be delegated below the level of acting Regional Director.

(b) The Regional Director shall provide a copy of his decision to the Warden at the institution housing the inmate, to the inmate, and to the Hearing Administrator.

(c) An inmate may appeal a decision of the Regional Director, through the Administrative Remedy Program, directly to the National Inmate Appeals Administrator, Office of General Counsel, within 30 calendar days of the Regional Director’s decision (see 28 CFR 542.15).

§ 541.66 Programs and services.

To the extent consistent with available resources and the security needs of the institution, an inmate in controlled housing status is to be considered for activities and privileges afforded to the general population. This includes, but is not limited to, providing an inmate with the opportunity for participation in an education program, library services, counseling, and religious guidance, as well as access to case management, medical and mental health assistance, and legal services, including access to the institution’s law libraries. An inmate in controlled housing status should be afforded at least five hours weekly recreation and exercise out of the cell. The recreation shall be by himself or under close supervision. Unless there are compelling reasons to the contrary, institutions shall provide commissary privileges and reasonable amounts of personal property. The Warden may restrict for reasons of security, fire safety, or housekeeping the amount of personal property that an inmate may retain while in controlled housing status. An inmate shall be permitted to have a radio, provided it is equipped with ear plugs. Visits shall be carefully monitored.

§ 541.67 Review of controlled housing status.

(a) Staff designated by the Warden shall evaluate regularly an inmate’s adjustment while in controlled housing status. A medical staff member shall see the inmate daily, and regularly record medical and behavioral impressions. Once every 90 days, staff, comprised of a correctional and case management supervisor, and a member of the medical staff, shall meet with the inmate. The inmate is required to attend this meeting in order to be considered for release to the general population. Any refusal by the inmate to attend this meeting will be documented. Staff, at this meeting, shall make an assessment of the inmate’s adjustment while in controlled housing and the likely health threat the inmate poses to others by his actions.

(b) The Warden shall serve as the review authority at the institutional level, and shall make a recommendation to the Regional Director when he believes the inmate should be considered for release from controlled housing.

(c) An inmate may appeal a Warden’s decision not to recommend release from controlled housing to the Regional Director within five working days of receipt of that decision.

(d) Upon recommendation of the Warden, or upon appeal from the inmate, the Regional Director may decide whether or not to release the inmate to general population from controlled housing status.

(e) An inmate may appeal a decision of the Regional Director, through the Administrative Remedy Program, directly to the National Inmate Appeals Administrator, Office of General Counsel, within 30 calendar days of the Regional Director’s decision (see 28 CFR 542.15).

§ 541.68 Release from controlled housing status.

(a) Only the Regional Director may release an inmate from controlled housing status. The following factors are considered in the evaluation of an inmate’s readiness for return to the general population:

(1) Relationship with other inmates and staff members, which demonstrate that the inmate is able to function in a less restrictive environment without posing a health threat to others or to the orderly operation of the institution;

(2) Involvement in work and recreational activities and assignments or other programs; and

(3) Adherence to institution guidelines and Bureau of Prisons rules and policy.

(b) An inmate released from a controlled housing status may be returned to the general population of that institution, or to another federal or non-federal institution.

PART 542—ADMINISTRATIVE REMEDY

Subpart A [Reserved]

Subpart B—Administrative Remedy Program

§ 542.10 Purpose and scope.

(a) Purpose. The purpose of the Administrative Remedy Program is to allow an inmate to seek formal review of an issue relating to any aspect of his/her own confinement. An inmate may not submit a Request or Appeal on behalf of another inmate.

(b) Scope. This Program applies to all inmates in institutions operated by the Bureau of Prisons, to inmates designated to contract Community Corrections Centers (CCCs) under Bureau of Prisons responsibility, and to former inmates for issues that arose during their confinement. This Program does not apply to inmates confined in other non-federal facilities.

(c) Statutorily-mandated procedures. There are statutorily-mandated procedures in place for tort claims (28 CFR part 543, subpart C), Inmate Accident Compensation claims (28 CFR part 301), and Freedom of Information Act or Privacy Act requests (28 CFR part 513, subpart D). If an inmate raises an issue in a request or appeal that cannot be resolved through the Administrative Remedy Program, the Bureau will refer the inmate to the appropriate statutorily-mandated procedures.

[67 FR 50805, Aug. 6, 2002]

§ 542.11 Responsibility.

(a) The Community Corrections Manager (CCM), Warden, Regional Director, and General Counsel are responsible for the implementation and operation of the Administrative Remedy Program at the Community Corrections Center (CCC), institution, regional and Central Office levels, respectively, and shall:

(1) Establish procedures for receiving, recording, reviewing, investigating, and responding to Administrative Remedy Requests (Requests) or Appeals submitted by an inmate;

(2) Acknowledge receipt of a Request or Appeal by returning a receipt to the inmate;

(3) Conduct an investigation into each Request or Appeal;

(4) Respond to and sign all Requests or Appeals filed at their levels. At the
§ 542.12 Regional level, signatory authority may be delegated to the Deputy Regional Director. At the Central Office level, signatory authority may be delegated to the National Inmate Appeals Administrator. Signatory authority extends to staff designated as acting in the capacities specified in this §542.11, but may not be further delegated without the written approval of the General Counsel.

(b) Inmates have the responsibility to use this Program in good faith and in an honest and straightforward manner.

§ 542.12 [Reserved]

§ 542.13 Informal resolution.

(a) Informal resolution. Except as provided in §542.13(b), an inmate shall first present an issue of concern informally to staff, and staff shall attempt to informally resolve the issue before an inmate submits a Request for Administrative Remedy. Each Warden shall establish procedures to allow for the informal resolution of inmate complaints.

(b) Exceptions. Inmates in CCCs are not required to attempt informal resolution. An informal resolution attempt is not required prior to submission to the Regional or Central Office as provided for in §542.14(d) of this part. An informal resolution attempt may be waived in individual cases when the inmate demonstrates an acceptable reason for bypassing informal resolution.

§ 542.14 Initial filing.

(a) Submission. The deadline for completion of an informal resolution and submission of a formal written Administrative Remedy Request, on the appropriate form (BP–9), is 20 calendar days following the date on which the basis for the Request occurred.

(b) Extension. Where the inmate demonstrates a valid reason for delay, an extension in filing time may be allowed. In general, valid reason for delay means a situation which prevented the inmate from submitting the request within the established time frame. Valid reasons for delay include the following: an extended period in-transit during which the inmate was separated from documents needed to prepare the Request or Appeal; an extended period of time during which the inmate was physically incapable of preparing a Request or Appeal; an unusually long period taken for informal resolution attempts; indication by an inmate, verified by staff, that a response to the inmate’s request for copies of dispositions requested under §542.19 of this part was delayed.

(c) Form. (1) The inmate shall obtain the appropriate form from CCC staff or institution staff (ordinarily, the correctional counselor).

(2) The inmate shall place a single complaint or a reasonable number of closely related issues on the form. If the inmate includes on a single form multiple unrelated issues, the submission shall be rejected and returned without response, and the inmate shall be advised to use a separate form for each unrelated issue. For DHO and UDC appeals, each separate incident report number must be appealed on a separate form.

(3) The inmate shall complete the form with all requested identifying information and state the complaint in the space provided on the form. If more space is needed, the inmate may use up to one letter-size (8½” by 11”) continuation page. The inmate must provide an additional copy of any continuation page. The inmate must submit one copy of supporting exhibits. Exhibits will not be returned with the response. Because copies of exhibits must be filed for any appeal (see §542.15(b)(3)), the inmate is encouraged to retain a copy of all exhibits for his or her personal records.

(4) The inmate shall date and sign the Request and submit it to the institution staff member designated to receive such Requests (ordinarily a correctional counselor). CCC inmates may mail their Requests to the CCM.

(d) Exceptions to initial filing at institution—(1) Sensitive issues. If the inmate reasonably believes the issue is sensitive and the inmate’s safety or well-being would be placed in danger if the Request became known at the institution, the inmate may submit the Request directly to the appropriate Regional Director. The inmate shall
clearly mark “Sensitive” upon the Request and explain, in writing, the reason for not submitting the Request at the institution. If the Regional Administrative Remedy Coordinator agrees that the Request is sensitive, the Request shall be accepted. Otherwise, the Request will not be accepted, and the inmate shall be advised in writing of that determination, without a return of the Request. The inmate may pursue the matter by submitting an Administrative Remedy Request locally to the Warden. The Warden shall allow a reasonable extension of time for such a re-submission.

(2) **DHO appeals.** DHO appeals shall be submitted initially to the Regional Director for the region where the inmate is currently located.

(3) **Control Unit appeals.** Appeals related to Executive Panel Reviews of Control Unit placement shall be submitted directly to the General Counsel.

(4) **Controlled housing status appeals.** Appeals related to the Regional Director’s review of controlled housing status placement may be filed directly with the General Counsel.

(5) **Other requests for formal review of decisions not originating from the Warden.** Other than the exceptions listed above, formal administrative remedy requests regarding initial decisions that did not originate with the Warden, or his/her staff, may be initially filed with the Bureau office which made the original decision, and appealed directly to the General Counsel.

§ 542.16 Assistance.

(a) An inmate may obtain assistance from another inmate or from institution staff in preparing a Request or an Appeal. An inmate may also obtain assistance from outside sources, such as family members or attorneys. However, no person may submit a Request or Appeal on the inmate’s behalf, and obtaining assistance will not be considered a valid reason for exceeding a
§ 542.17 Resubmission.

(a) Rejections. The Coordinator at any level (CCM, institution, region, Central Office) may reject and return to the inmate without response a Request or an Appeal that is written by an inmate in a manner that is obscene or abusive, or does not meet any other requirement of this part.

(b) Notice. When a submission is rejected, the inmate shall be provided a written notice, signed by the Administrative Remedy Coordinator, explaining the reason for rejection. If the defect on which the rejection is based is correctable, the notice shall inform the inmate of a reasonable time extension within which to correct the defect and resubmit the Request or Appeal.

(c) Appeal of rejections. When a Request or Appeal is rejected and the inmate is not given an opportunity to correct the defect and resubmit, the inmate may appeal the rejection, including a rejection on the basis of an exception as described in §542.14(d), to the next appeal level. The Coordinator at that level may affirm the rejection, may direct that the submission be accepted at the lower level (either upon the inmate’s resubmission or direct return to that lower level), or may accept the submission for filing. The inmate shall be informed of the decision by delivery of either a receipt or rejection notice.

§ 542.18 Response time.

If accepted, a Request or Appeal is considered filed on the date it is logged into the Administrative Remedy Index as received. Once filed, response shall be made by the Warden or CCM within 20 calendar days; by the Regional Director within 30 calendar days; and by the General Counsel within 40 calendar days. If the Request is determined to be of an emergency nature which threatens the inmate’s immediate health or welfare, the Warden shall respond not later than the third calendar day after filing. If the time period for response to a Request or Appeal is insufficient to make an appropriate decision, the time for response may be extended once by 20 days at the institution level, 30 days at the regional level, or 20 days at the Central Office level. Staff shall inform the inmate of this extension in writing. Staff shall respond in writing to all filed Requests or Appeals. If the inmate does not receive a response within the time allotted for reply, including extension, the inmate may consider the absence of a response to be a denial at that level.

§ 542.19 Access to indexes and responses.

Inmates and members of the public may request access to Administrative Remedy indexes and responses, for which inmate names and Register Numbers have been removed, as indicated below. Each institution shall make available its index, and the indexes of its regional office and the Central Office. Each regional office shall make available its index, the indexes of all institutions in its region, and the index of the Central Office. The Central Office shall make available its index and the indexes of all institutions and regional offices. Responses may be requested from the location where they are maintained and must be identified by Remedy ID number as indicated on an index. Copies of indexes or responses may be inspected during regular office hours at the locations indicated above, or may be purchased in accordance with the regular fees established for copies furnished under the Freedom of Information Act (FOIA).
§ 543.11 Legal research and preparation of legal documents.

(a) The Warden shall make materials in the inmate law library available whenever practical, including evening and weekend hours. The Warden shall allow an inmate a reasonable amount of time, ordinarily during the inmate’s leisure time (that is, when the inmate is not participating in a scheduled program or work assignment), to do legal research and to prepare legal documents. Where practical, the Warden shall allow preparation of documents in living quarters during an inmate’s leisure time.

(b) The Warden shall periodically ensure that materials in each inmate law library are kept intact and that lost or damaged materials are replaced.

(c) Staff shall advise an inmate of rules and local procedures governing use of the inmate law library. Unauthorized possession of library materials by an inmate constitutes a prohibited act, generally warranting disciplinary action (see part 541 of this chapter).

(d) An inmate’s legal materials include but are not limited to the inmate’s pleadings and documents (such as a presentence report) that have been filed in court or with another judicial or administrative body, drafts of pleadings to be submitted by the inmate to a court or with other judicial or administrative body which contain the inmate’s name and/or case caption prominently displayed on the first page, documents pertaining to an inmate’s administrative case, photocopies of legal reference materials, and legal reference materials which are not available in the institution main law library (or basic law library in a satellite camp).

(1) An inmate may solicit or purchase legal materials from outside the institution. The inmate may receive the legal materials in accordance with the provisions on incoming publications or correspondence (see 28 CFR part 540, subparts B and F) or through an authorized attorney visit from a retained attorney. The legal materials are subject to inspection and may be read or copied unless they are received through an authorized attorney visit from a retained attorney or are properly sent as special mail (for example, mail from a court or from an attorney), in which case they may be inspected for contraband or for the purpose of verifying that the mail qualifies as special mail.

(2) Staff may allow an inmate to possess those legal materials which are necessary for the inmate’s own legal actions. Staff may also allow an inmate to possess the legal materials of another inmate subject to the limitations of paragraph (f)(2) of this section. The Warden may limit the amount of legal materials an inmate may accumulate for security or housekeeping reasons.

(e) An inmate is responsible for submitting his documents to court. Institution staff who are authorized to administer oaths shall be available to provide necessary witnessing of these documents, as requested by inmates and at times scheduled by staff.
(f)(1) Except as provided for in paragraph (f)(4) of this section, an inmate may assist another inmate in the same institution during his or her leisure time (as defined in paragraph (a) of this section) with legal research and the preparation of legal documents for submission to a court or other judicial body.

(2) Except as provided for in paragraph (f)(4) of this section, an inmate may possess another inmate’s legal materials while assisting the other inmate in the institution’s main law library and in another location if the Warden so designates.

(i) The assisting inmate may not remove another inmate’s legal materials, including copies of the legal materials, from the law library or other designated location. An assisting inmate is permitted to make handwritten notes and to remove those notes from the library or other designated location if the notes do not contain a case caption or document title or the name(s) of any inmate(s). The assisting inmate may also develop and possess handwritten drafts of pleadings, so long as the draft pleadings do not contain a case caption or document title or the name(s) of any inmate(s). These notes and drafts are not considered to be the assisting inmate’s legal property, and when the assisting inmate has these documents outside the law library or other designated location, they are subject to the property limitations in §533.11(a) of this chapter.

(ii) Although the inmate being assisted need not remain present in the law library or other designated location while the assistance is being rendered, that inmate is responsible for providing and retrieving his or her legal materials from the library or other designated location. Ordinarily, the inmate must provide and retrieve his or her legal materials during his or her leisure time. An inmate with an imminent court deadline may request a brief absence from a scheduled program or work assignment in order to provide or retrieve legal materials from an assisting inmate.

(3) The Warden may give special consideration to the legal needs of inmates in mental health seclusion status in federal medical centers or to inmates in controlled housing.

(4) The Warden at any institution may impose limitations on an inmate’s assistance to another inmate in the interest of institution security, good order, or discipline.

(g) The institution staff shall, upon an inmate’s request and at times scheduled by staff, duplicate legal documents if the inmate demonstrates that more than one copy must be submitted to court and that the duplication cannot be accomplished by use of carbon paper. The inmate shall bear the cost, and the duplication shall be done so as not to interfere with regular institution operations. Staff may waive the cost if the inmate is without funds or if the material to be duplicated is minimal, and the inmate’s requests for duplication are not large or excessive.

(h) Unless clearly impractical, the Warden shall allow an inmate preparing legal documents to use a typewriter, or, if the inmate cannot type, to have another inmate type his documents. The Warden may allow the inmate to hire a public stenographer to type documents outside the institution, but the institution may not assume the expense of hiring the public stenographer. Staff shall advise the inmate of any delay in the typing of which they have received notice from the stenographer.

(i) The Warden shall give special time allowance for research and preparation of documents to an inmate who demonstrates a requirement to meet an imminent court deadline. Otherwise, each inmate shall continue his regular institutional activities without undue disruption by legal activities.

(j) With consideration of the needs of other inmates and the availability of staff and other resources, the Warden shall provide an inmate confined in disciplinary segregation or administrative detention a means of access to legal materials, along with an opportunity to prepare legal documents. The Warden shall allow an inmate in segregation or detention a reasonable amount of personal legal materials. In no case
§ 543.12 Retention of attorneys.

(a) The Warden shall allow an inmate to contact and retain attorneys. With the written consent of the inmate, staff may advise an attorney of the inmate’s available funds. Staff may not interfere with selection and retention of attorneys if the inmate has attained majority and is mentally competent. If the inmate is a mental incompetent or a minor, the Warden shall refer to the inmate’s guardian or to the appropriate court all matters concerning the retention and payment of attorneys.

(b) The Bureau of Prisons may not act as guarantor or collector of fees. As to correspondence with attorneys and telephone calls to attorneys, see part 540 of this chapter.

§ 543.13 Visits by attorneys.

(a) The Warden shall, under the conditions of this section, permit visits by the retained, appointed, or prospective attorney of an inmate or by an attorney who wishes to interview an inmate as a witness.

(b) The Warden generally may not limit the frequency of attorney visits since the number of visits necessary is dependent upon the nature and urgency of the legal problems involved. The Warden shall set the time and place for visits, which ordinarily take place during regular visiting hours. Attorney visits shall take place in a private conference room, if available, or in a regular visiting room in an area and at a time designed to allow a degree of privacy. The Warden may make exceptions according to local conditions or for an emergency situation demonstrated by the inmate or visiting attorney.

(c) The attorney shall make an advance appointment for the visit through the Warden prior to each visit; however, the Warden shall make every effort to arrange for a visit when prior notification is not practical.

(d) The Warden may require an attorney to indicate where he is licensed as an attorney and how that fact may be verified. Prior to each appointment or visit, the Warden shall require each attorney to identify himself and to confirm that he wishes to visit an inmate who has requested his visit or whom he represents or whom he wishes to interview as a witness. The Warden may not ask the attorney to state the subject matter of the law suit or interview. If there is any question about the identity of the visitor or his qualification as an attorney in good standing, the Warden shall refer the matter to the Regional Counsel.

(e) Staff may not subject visits between an attorney and an inmate to auditory supervision. The Warden may permit tape recordings to be used by an attorney during the course of a visit only if the attorney states in writing in advance of the interview that the sole purpose of the recording is to facilitate the attorney-client or attorney-witness relationship.

(f) The Warden may, at any time, subject an attorney to a search of his person and belongings for the purpose of ascertaining if contraband is present, as a condition of visiting an inmate.

§ 543.14 Limitation or denial of attorney visits and correspondence.

(a) An act by an attorney which violates Bureau regulations or institution guidelines and which threatens the security, good order, or discipline of the institution is grounds for limitation or denial by the Warden of the attorney’s privileged visitation and correspondence rights. Acts by an attorney which may warrant such limitation or denial include, for example the following:

(1) A false statement as to the attorney’s identity or qualifications;

(2) A plan, attempt, or act to introduce contraband into the institution;

(3) A conspiracy to commit, an attempt to commit, or the actual commission of an act of violence within an institution; and

(4) Encouraging an inmate to violate the law, Bureau of Prisons rules, or local implementing guidelines.

(b) Unless the breach of regulations is extreme or repeated, limitation rather than a denial of visitation or correspondence rights is proper, especially where the inmate is represented.
§ 543.15 Legal aid program.

(a) A legal aid program which is funded or approved by the Bureau is expected to provide a broad range of legal assistance to inmates. Staff shall allow these programs generally to operate with the same independence as privately retained attorneys. The Warden shall refer a request or decision to terminate or restrict a program, or individual participants in a program, to the Regional Counsel.

(b) In order to promote the inmate-program relationship, the Warden shall give those students or legal assistants working in legal aid programs the same status as attorneys with respect to visiting and correspondence except where specific exceptions are made in this section and in part 540 of this chapter.

(c) An attorney or law school professor shall supervise students and legal assistants participating in the program. The supervisor shall provide the Warden with a signed statement accepting professional responsibility for acts of each student or legal assistant affecting the institution. The Warden may require each student or legal assistant to complete and sign a personal history statement and a pledge to abide by Bureau regulations and institution guidelines. If necessary to maintain security or good order in the institution, the Warden may prohibit a student or legal assistant from visiting or corresponding with an inmate.

§ 543.16 Other paralegals, clerks, and legal assistants.

(a) The Bureau of Prisons recognizes the use of assistants by attorneys to perform legal tasks and, with proper controls and exceptions enumerated in this section and in part 540 of this chapter, accords such assistants the same status as attorneys with respect to visiting and correspondence.

(b) The attorney who employs an assistant and who wishes the assistant to visit or correspond with an inmate on legal matters shall provide the Warden with a signed statement including:

(1) Certification of the assistant’s ability to perform in this role and awareness of the responsibility of this position;

(2) A pledge to supervise the assistant’s activities; and

(3) Acceptance of personal and professional responsibility for all acts of the assistant which may affect the institution, its inmates, and staff. The Warden may require each assistant to fill out and sign a personal history statement and a pledge to abide by Bureau regulations and institution guidelines. If necessary to maintain security or good order in the institution, the Warden may prohibit a legal assistant from visiting or corresponding with an inmate.

Subpart C—Federal Tort Claims Act

SOURCE: 65 FR 34364, May 26, 2000, unless otherwise noted.

§ 543.30 Purpose and scope.

Pursuant to the Federal Tort Claims Act, a claim for money damages for personal injury or death and/or damage to or loss of property must be filed against the United States by the injured party with the appropriate Federal agency for administrative action. General provisions for processing administrative claims under the Federal Tort Claims Act are contained in 28 CFR part 14. The provisions in this subpart describe the procedures to follow
§ 543.32 Processing the claim.

(a) Will I receive an acknowledgment letter? Yes. If you have provided all necessary information to process your claim (such as time, date, and place where the incident occurred, and a specific sum of money you are requesting as damages), you will receive an acknowledgment letter indicating the filing date and a claim number. The filing date is the date your claim was first received by either the Department of Justice or an office of the Bureau of Prisons. You should refer to your claim number in all further correspondences with the agency. Additionally, you must inform the agency of any changes in your address. If you fail to provide all necessary information, your claim will be rejected and returned to you requesting supplemental information.

(b) Will I be notified if my claim is transferred? Yes. If your claim is improperly filed, you will be notified by the responsible office that your claim was transferred to another regional office, the Central Office, a training center, or another agency.

(c) Will an investigation be conducted? Yes. The regional office ordinarily refers the claim to the appropriate institution or office for investigation. You may also be required to provide additional information during the investigation. Your failure to respond within a reasonable time may result in the rejection or denial of the claim.

(d) Who will decide my administrative claim? The Regional Counsel or his or her designee reviews the investigation and the supporting evidence and renders a decision of all claims properly filed in the regional office and within regional settlement authority. The Regional Counsel has limited settlement authority (up to an amount established by the Director, Bureau of Prisons). After considering the merits of the claim, the Regional Counsel may deny or propose a settlement of the claim. The General Counsel will investigate and propose settlement for all claims properly filed in the Central Office in accordance with delegated settlement authority. If the proposed settlement exceeds the General Counsel’s authority, the General Counsel will seek approval from the appropriate Department of Justice officers.

(e) Will my claim be reviewed by or referred to the Central Office? If the Regional Counsel recommends a proposed settlement in excess of the settlement authority, the claim will be forwarded, with a recommendation, to the Office of General Counsel, Central Office for their review.

(f) Will appreciation or depreciation be considered? Yes. Staff will consider appreciation or depreciation of lost or damaged property in settling a claim.
If my claim is denied or I am dissatisfied with a settlement offer, what are my options?

If your claim is denied or you are dissatisfied with a settlement offer, you may request, in writing, that the Bureau of Prisons reconsider your claim in the administrative stage. You should include additional evidence of injury or loss to support your request for reconsideration. If you are dissatisfied with the final agency action, you may file suit in an appropriate U.S. District Court as no further administrative action is available.

What if I accept a settlement of my claim?

If you accept a settlement, you give up your right to bring a lawsuit against the United States or against any employee of the government whose action or lack of action gave rise to your claim.

How long will it take to get a response?

Generally, you will receive a decision regarding your claim within six months of when you properly file the claim. If you have not received a letter either proposing a settlement or denying your claim within six months after the date your claim was filed, you may assume your claim is denied. You may proceed to file a lawsuit in the appropriate U.S. District Court.
education courses which are part of occupational education programs is governed by the provisions of the Bureau's occupational education program (see subpart F of this part).

§ 544.21 Procedures.

(a) The Warden or designee must appoint a postsecondary education coordinator (ordinarily an education staff member) for the institution. The postsecondary education coordinator is responsible for coordinating the institution’s postsecondary education program.

(b) An inmate who wishes to participate in a postsecondary education course must apply through the postsecondary education coordinator. If the postsecondary education coordinator determines that the course is appropriate in light of the institution’s need for discipline, security, and good order, the inmate may enroll provided that:

1. The inmate meets eligibility requirements for the course which have been set by the course provider,
2. The inmate is responsible for payment of any tuition either through personal funds, community resources, or scholarships available to the inmate, and
3. The unit team determines that the course is appropriate for the inmate’s apparent needs.

Subpart D—Inmate Recreation Programs

SOURCE: 58 FR 65850, Dec. 16, 1993, unless otherwise noted.

§ 544.30 Purpose and scope.

The Bureau of Prisons encourages inmates to make constructive use of leisure time and offers movies, games, sports, social activities, arts and hobbycrafts, wellness and other group and individual activities.

§ 544.31 Definitions.

(a) Leisure activities are a wide range of activities in which inmates may participate when not performing assigned duties. Leisure activities include participation in organized and informal games, sports, physical fitness, table games, hobbycrafts, music programs, intramural activities, social and cultural organizations, movies, and stage shows. Religious activities, psychological services, and education classes are not included within this definition, except when they are used specifically to encourage knowledge, skills, and attitudes related to leisure activity involvement.

(b) Organized activities are those activities accounted for by registration or roster of individual participants, and occur at a scheduled time and place.

(c) Art work includes all paintings and sketches rendered in any of the usual media (oils, pastels, crayons, pencils, inks, and charcoal).

(d) Hobbycraft activities include ceramics, leatherwork, models, clay, mosaics, crochet, knitting, sculptures, woodworking, lapidary, and other forms consistent with institution guidelines.

(e) Inmate wellness program activities include screening, assessments, goal setting, fitness/nutrition prescriptions and counseling.

§ 544.32 Goals.

The Warden is to ensure, to the extent possible, that leisure activities are provided to meet social, physical, psychological, and overall wellness needs of inmates.

(a) Leisure activities are designed to attract inmate participation regardless of ethnic, racial, age, or sex difference, or handicap considerations, and to enhance the potential for post-release involvement.

(b) Leisure activities are designed to ensure that an inmate with the need has the opportunity to complete one or more activities (see 28 CFR 544.81).

§ 544.33 Movies.

If there is a program to show movies, the Supervisor of Education shall ensure that X-rated movies are not shown.

§ 544.34 Inmate running events.

Running events will ordinarily not exceed 10 kilometers or 6.2 miles. Appropriate medical staff and fluid supplies (e.g., water) should be available for all inmate running events.
§ 544.35 Art and hobbycraft.

(a) An inmate engaged in art or hobbycraft activities may obtain materials through:
   (1) The institution art program (if one exists);
   (2) The commissary sales unit;
   (3) Special purchase commissary orders, if the sales unit is unable to stock a sufficient amount of the needed materials; or
   (4) Other sources approved by the Warden.

(b) Each inmate shall identify completed art or hobbycraft products by showing the inmate’s name and register number on the reverse side of the item.

(c) Completed or abandoned art or hobbycraft articles must be disposed of in one of the following ways:
   (1) Upon approval of the Warden, by giving the item to an authorized visitor. The quantity of items will be determined by the Warden.
   (2) By mailing the item to a verified relative or approved visitor at the inmate’s expense.
   (3) By selling, through an institution art and hobbycraft sales program, if one exists, after the institution price committee has determined the sale price.
   (4) Other methods established by the Warden.

(d) Restrictions. Art and hobbycraft programs are intended for the personal enjoyment of an inmate and as an opportunity to learn a new leisure skill. They are not for the mass production of art and hobbycraft items by artists or to provide a means of supplementing an inmate’s income.

   (1) The Warden may restrict, for reasons of security and housekeeping, the size and quantity of all products made in the art and hobbycraft program. Paintings mailed out of the institution must conform to both institution guidelines and postal regulations. If an inmate’s art work or hobbycraft is on public display, the Warden may restrict the content of the work in accordance with community standards of decency.

   (2) The Warden may set limits, in compliance with commissary guidelines, on the amount of money an inmate may spend on art or hobbycraft items or materials.

   (3) The Warden may restrict for reasons of security, fire safety, and housekeeping, the use or possession of art and hobbycraft items or materials.

   (4) Appropriate hobbycraft activities shall be encouraged in the inmate living areas. However, the Warden may limit hobbycraft projects in the cell/living areas to those which can be contained/stored in provided personal property containers. Exceptions may be made for such items as a painting where the size would prohibit placement in a locker. Hobbycraft items must be removed from the living area when completed unless they are approved as personal property.

   (5) The Warden shall require the inmate to mail completed hobbycraft articles out of the institution at the inmate’s expense, or to give them to an authorized visitor within 30 days of completion, or to dispose of them through approved sales. However, articles offered for sale must be sold within 90 days of completion, or must be given to an authorized visitor or mailed out of the institution at the inmate’s expense.

   (6) Where space and equipment are limited and demand is high, the Warden may set limits on the amount of time an inmate may use a hobbycraft facility, e.g., the Warden may limit an inmate’s use of any workshop or classroom to six months to make room for new students. Hobbycraft participants may be rotated to allow for maximum utilization of the resources.

   (7) Disciplinary action may be taken against inmates found with unauthorized hobbycraft materials in their possession. This action may include the removal of the inmate from the hobbycraft program.

Subpart E—Mandatory English-as-a-Second Language Program (ESL)

SOURCE: 59 FR 14724, Mar. 29, 1994, unless otherwise noted.

§ 544.40 Purpose and scope.

Pursuant to the Crime Control Act of 1990 (18 U.S.C. 3624(o)), limited English proficient inmates confined in Federal
Bureau of Prisons, Justice

Bureau of Prisons institutions are required to attend an English-as-a-Second Language (ESL) program until they function at the equivalence of the eighth grade level in competency skills. Waivers to this requirement may be granted by the Warden in accordance with §§ 544.41 and 544.42.

§ 544.41 Applicability: Who must attend the ESL program.

(a) All Federal prisoners who have limited English proficiency skills shall attend an ESL program except:

(1) Pretrial inmates;
(2) Inmates committed for purpose of study and observation under the provisions of 18 U.S.C. 4205(c) or, effective November 1, 1987, 18 U.S.C. 3552(b);
(3) Sentenced aliens with a deportation detainer;
(4) Other inmates whom, for documented good cause, the Warden may excuse from attending the ESL program.

(b) Staff shall document in the inmate’s education file the specific reasons for not requiring the inmate to participate in the ESL program.

§ 544.42 Procedures.

(a) The Warden at each federal institution shall ensure that inmates who at their initial classification are found to be limited English proficient are enrolled in the ESL program. Determination of limited English proficiency is made by staff on the basis of personal interviews and placement testing.

(b) An inmate who returns to the Federal Bureau of Prisons on a new sentence or as a parole violator, and who has not achieved or is unable to demonstrate verified achievement of the eighth grade level, must provide verification or enroll in the ESL program until that inmate achieves such a grade or is granted a waiver for cause.

(c) The Warden or designee shall assign to an education staff member the responsibility to coordinate the institution’s ESL program. The ESL coordinator or designee shall meet with the inmate for the purpose of enrolling the inmate in the ESL program. The ESL coordinator shall be responsible for the completion of the official ESL Program Record, and shall place it in the inmate’s education file.

(d) Ordinarily, there will be no time limit for completion of the ESL mandatory program. However, after 240 instructional hours of continuous enrollment in an ESL program, excluding sick time, furloughs, and other excused absences from scheduled classes, the Warden shall have the authority to grant a waiver from further program participation. This waiver may be granted when it is determined that the inmate will not benefit from further instruction. Each exemption determination shall be made on an individual basis and shall be supported by documentation.

§ 544.43 Incentives.

The Warden or designee shall establish a system of incentives to encourage an inmate to meet the mandatory ESL program requirements.

§ 544.44 Disciplinary action.

As with any other mandatory programs, such as work assignments, staff may take disciplinary action against an inmate when that inmate refuses to enroll and participate in, or to meet the minimum requirements of the mandatory ESL program.

Subpart F—Occupational Education Programs

SOURCE: 68 FR 66170, Nov. 19, 2003, unless otherwise noted.

§ 544.50 Purpose and scope.

The Bureau of Prisons offers eligible inmates the opportunity under its occupational education programs to participate in occupational education courses for the purpose of obtaining marketable skills designed to enhance post-release employment opportunities.

§ 544.51 Procedures.

(a) Eligibility. All inmates are eligible to participate in an institution’s occupational education program. An eligible inmate must apply through the inmate’s unit team for placement consideration. The unit team will determine whether the occupational education
§ 544.52 Levels of Occupational Education Programs.

Occupational education programs are offered at the certificate level and the classroom level. Each level may include the following types of training:

(a) Exploratory Training. Exploratory training is a study of occupations and industries for the purpose of providing the student with a general knowledge of the occupation and the world of work, rather than specific skill development.

(b) Marketable Training. Marketable training provides specific entry-level or advanced job skills. Marketable training may include “live work”, that is, the training would result in a product or service produced by the inmate for actual use by the institution, FPfi, another federal agency, or community service project.

(c) Apprentice Training. Apprentice training provides an inmate the opportunity to participate in training which prepares the inmate for employment in various trades through structured apprenticeship programs approved at the state and national levels by the Bureau of Apprenticeship and Training, U.S. Department of Labor.

Subpart H—Literacy Program

§ 544.70 Purpose and scope.

Except as provided for in §544.71, an inmate confined in a federal institution who does not have a verified General Educational Development (GED) credential or high school diploma is required to attend an adult literacy program for a minimum of 240 instructional hours or until a GED is achieved, whichever occurs first.

§ 544.71 Exceptions to required literacy program participation.

(a) The following inmates are not required to attend the literacy program:

(1) Pretrial inmates;

(2) Inmates committed for purpose of study and observation under the provisions of 18 U.S.C. 4205(c), 4241(d), or, effective November 1, 1987, 18 U.S.C. 3552(b);

(3) Sentenced deportable aliens;

(4) Inmates determined by staff to be temporarily unable to participate in the literacy program due to special circumstances beyond their control (e.g., due to a medical condition, transfer on writ, on a waiting list for initial placement). Such inmates, however, shall be required to participate when the special circumstances are no longer applicable.

(b) Inmates who have been determined (on the basis of formal diagnostic assessment) to have a documented emotional, mental, or physical individual impediment to learning shall not be required to complete the literacy program beyond those achievement levels indicated as realistic by the formal diagnostic assessment.

(c) Staff shall document in the inmate’s education file the specific reasons for not requiring the inmate to participate in, or to complete, the literacy program.

§ 544.72 Incentives.

The Warden shall establish a system of incentives to encourage an inmate to obtain a GED credential.
§ 544.73 Program participation.

(a) The Warden or designee shall assign to an education staff member the responsibility to coordinate the institution’s literacy program. Initially, staff shall meet with the inmate for the purpose of enrolling the inmate in the literacy program. Subsequently, staff shall formally interview each inmate involved in the literacy program when necessary for the purpose of determining a progress assignment. Staff shall place documentation of these interviews in the inmate’s education file.

(b)(1) For the purposes of 18 U.S.C. 3624, an inmate subject to the Violent Crime Control and Law Enforcement Act of 1994 (VCCLEA) or the Prison Litigation Reform Act of 1995 (PLRA) shall be deemed to be making satisfactory progress toward earning a GED credential or high school diploma unless and until the inmate receives a progress assignment confirming that:

(i) The inmate refuses to enroll in the literacy program;

(ii) The inmate has been found to have committed a prohibited act that occurred in a literacy program during the last 240 instructional hours of the inmate’s most recent enrollment in the literacy program; or

(iii) The inmate has withdrawn from the literacy program.

(2) When an inmate subject to VCCLEA or PLRA receives a progress assignment indicating that the inmate is not making satisfactory progress, the assignment shall be changed to indicate satisfactory progress only after the inmate is currently and continuously enrolled in a literacy program for a minimum of 240 instructional hours. Any further withdrawal or finding that the inmate has committed a prohibited act in a literacy program during the last 240 instructional hours of the inmate’s most recent enrollment in the literacy program shall result in termination of the assignment. Local Federal Prison Industry (FPI) management may elect to retain the reassigned inmate in an hourly rated grade 4 position.

§ 544.74 Work assignment limitations.

These limitations on work assignment appointment and promotion apply to all inmates, including those exempted from required participation in the literacy program by §544.71.

(a) Appointment. (1) An inmate who does not meet the literacy requirement may be assigned to a grade 4 position contingent upon the inmate’s continued enrollment in the literacy program.

(2) An inmate ordinarily must show prior attainment of a GED credential or high school diploma in order to be considered for a commissary work assignment above minimum pay level, an institution work assignment above grade 4 compensation, or an industrial work assignment above grade four or in a non-graded incentive pay position.

(3) If labor force needs require, an inmate who does not meet the literacy requirement may be assigned to an industrial non-graded incentive pay position if the inmate is simultaneously enrolled in a literacy or related program. Withdrawal from the literacy program shall result in termination of the assignment.

(b) Promotion. An inmate ordinarily must show prior attainment of a GED credential or high school diploma to be promoted above the minimum pay level or grade in a commissary work assignment, an institutional work assignment, or an industrial work assignment. An inmate already in an assignment above the minimum pay grade who had met prior literacy requirements when approved for promotion is eligible for further promotion under the prior standard. Such inmate, however, must meet the current standard if, due to demotion based upon a poor
§ 544.75 Disciplinary action.

As with other mandatory programs, such as work assignments, staff may take disciplinary action against an inmate lacking a GED credential or high school diploma if that inmate refuses to enroll in, and to complete, the mandatory 240 instructional hours of the literacy program.

(2) There are clear criteria which establish minimum expectations for program completion, as well as provisions for the assessment of student progress.

(3) There are provisions for periodic review of the relevancy and effectiveness of the program.

(4) Unless unusual circumstances (e.g., college credit courses) exist, all programs should allow for open entry and exit, at least on a monthly basis.

(5) The Supervisor of Education may establish other requirements necessary to assure that the stated goals of the program are achieved.

(b) Upon an inmate’s completion of a program specified in § 544.81, staff may issue and/or review and file a certificate when it contributes to an inmate’s future plans in such a way that it validates the inmate’s education and training; supports the inmate’s chances of securing employment; improves the inmate’s acceptance for advanced education; or enhances the inmate’s opportunity for success in any other activity the inmate chooses to pursue. The certificate will confirm that the inmate has completed the requirements to receive a certificate that fits one or a combination of the following categories:

(1) Accredited certificates—high school diplomas and occupation training certificates approved or issued

673
§ 545.10 Purpose and scope.

The Bureau of Prisons encourages each sentenced inmate to meet his or her legitimate financial obligations. As part of the initial classification process, staff will assist the inmate in developing a financial plan for meeting those obligations, and at subsequent program reviews, staff shall consider the inmate’s efforts to fulfill those obligations as indicative of that individual’s acceptance and demonstrated level of responsibility. The provisions of this rule apply to all inmates in federal facilities, except: Study and observation cases, pretrial detainees, and inmates in holdover status pending designation.

§ 545.11 Procedures.

When an inmate has a financial obligation, unit staff shall help that inmate develop a financial plan and shall monitor the inmate’s progress in meeting that obligation.

(a) Developing a financial plan. At initial classification, the unit team shall review an inmate’s financial obligations, using all available documentation, including, but not limited to, the Presentence Investigation and the Judgment and Commitment Order(s). The financial plan developed shall be documented and will include the following obligations, ordinarily to be paid in the priority order as listed:

1. Special Assessments imposed under 18 U.S.C. 3013;
2. Court-ordered restitution;
3. Fines and court costs;
4. State or local court obligations; and
5. Other federal government obligations.

(b) Payment. The inmate is responsible for making satisfactory progress in meeting his/her financial responsibility plan and for providing documentation of these payments to unit staff. Payments may be made from institution resources or non-institution (community) resources. In developing an inmate’s financial plan, the unit team shall first subtract from the trust fund account the inmate’s minimum payment schedule for UNICOR or non-UNICOR work assignments, set forth in paragraphs (b)(1) and (b)(2) of this section. The unit team shall then exclude from its assessment $75.00 a month deposited into the inmate’s trust fund account. This $75.00 is excluded to allow the inmate the opportunity to better maintain telephone communication under the Inmate Telephone System (ITS).

1. Ordinarily, the minimum payment for non-UNICOR and UNICOR grade 5 inmates will be $25.00 per quarter. This minimum payment may exceed $25.00, taking into consideration the inmate’s specific obligations, institution resources, and community resources.

2. Inmates assigned grades 1 through 4 in UNICOR ordinarily will be expected to allot not less than 50% of their monthly pay to the payment process. Any allotment which is less than the 50% minimum must be approved by the Unit Manager. Allotments may also exceed the 50% minimum after considering the individual’s specific obligations and resources.

(c) Monitoring. Participation and/or progress in the Inmate Financial Responsibility Program will be reviewed each time staff assess an inmate’s demonstrated level of responsible behavior.

(d) Effects of non-participation. Refusal by an inmate to participate in the financial responsibility program or to comply with the provisions of his financial plan ordinarily shall result in the following:

1. Where applicable, the Parole Commission will be notified of the inmate’s failure to participate;

2. The inmate will not receive any furlough (other than possibly an emergency or medical furlough);

3. The inmate will not receive performance pay above the maintenance pay level, or bonus pay, or vacation pay;
(4) The inmate will not be assigned to any work detail outside the secure perimeter of the facility;
(5) The inmate will not be placed in UNICOR. Any inmate assigned to UNICOR who fails to make adequate progress on his/her financial plan will be removed from UNICOR, and once removed, may not be placed on a UNICOR waiting list for six months. Any exceptions to this require approval of the Warden;
(6) The inmate shall be subject to a monthly commissary spending limitation more stringent than the monthly commissary spending limitation set for all inmates. This more stringent commissary spending limitation for IFRP refugees shall be at least $25 per month, excluding purchases of stamps, telephone credits, and, if the inmate is a common fare participant, Kosher/Halal certified shelf-stable entrees to the extent that such purchases are allowable under pertinent Bureau regulations;
(7) The inmate will be quartered in the lowest housing status (dormitory, double bunking, etc.);
(8) The inmate will not be placed in a community-based program;
(9) The inmate will not receive a release gratuity unless approved by the Warden;
(10) [Reserved]
(11) The inmate will not receive an incentive for participation in residential drug treatment programs.

§545.21 Definitions.

(a) Physically and mentally able. For purposes of this rule, this shall include inmates with disabilities who, with or without reasonable accommodation, can perform the essential function of the work assignment.
(b) Institution work assignment. A work assignment which contributes to the day-to-day operation of the institution (e.g., carpentry, plumbing, food service).
(c) Industry assignment. A Federal Prison Industries (FPI) work assignment.
(d) Commissary assignment. A Trust Fund work assignment.
(e) Full-time work assignment. A work assignment to which an inmate is assigned for the entire scheduled work day.
(f) Part-time work assignment. A work assignment to which an inmate is assigned for only a portion of the scheduled work day. Part-time work assignments are ordinarily made in conjunction with drug treatment programming, education, and/or vocational training programs.
(g) Medically unassigned. An inmate who, because of medical restrictions, is unable to be assigned to any work program.
(h) Light duty work assignment. A work assignment in which an inmate may, because of physical limitations, temporary or otherwise, only perform limited work functions, e.g., sedentary.
§ 545.22 Institution work and performance pay committee.

(a) The Warden at each Bureau of Prisons institution is to establish an Institution Inmate Work and Performance Pay Committee to administer the institution’s work and performance pay program. The Committee is to be comprised of an Associate Warden, the Inmate Performance Pay Coordinator, and any other member(s) the Warden considers appropriate.

(b) The Committee is responsible for approving the following aspects of the institution’s inmate work and performance pay program:

1. Number of inmates on each work detail;
2. Number of pay grades in each detail;
3. Job descriptions;
4. Performance standards;
5. Budgeting for special act awards; and

§ 545.23 Inmate work/program assignment.

(a) Each sentenced inmate who is physically and mentally able is to be assigned to an institutional, industrial, or commissary work program. Exception shall be made to allow for inmate participation in an education, vocational, or drug abuse treatment program, on either a full or part-time basis, where this involvement is mandated by Bureau policy or statute (for example, the Literacy Program). Where such participation is not required by either policy or statute, exception may be made to allow an inmate to participate in an education, vocational, or drug abuse treatment program rather than work full-time upon the request of the inmate and approval of the Warden or designee.

(b) A pretrial inmate may not be required to work in any assignment or area other than housekeeping tasks in the inmate’s own cell and in the community living area, unless the pretrial inmate has signed a waiver of his or her right not to work (see 28 CFR part 561, subpart J).

(c) Medically unassigned inmates may be required, to the extent medically possible, to perform housekeeping tasks in the inmate’s own cell and in the community living area.

(d) In making the work and/or program assignment(s), staff shall consider the inmate’s capacity to learn, interests, requests, needs, and eligibility, and the availability of the assignment(s). An inmate’s assignment shall be made with consideration of the institution’s security and operational needs, and should be consistent with the safekeeping of the inmate and protection of the public.

§ 545.24 Inmate work conditions.

(a) The scheduled work day for an inmate in a federal institution ordinarily consists of a minimum of seven hours.

(b) An inmate is expected to report to the place of assignment at the required time. An inmate may not leave an assignment without permission.

(c) An inmate, regardless of assignment, is expected to perform all assigned tasks diligently and conscientiously. Disciplinary action may be taken against an inmate who refuses to work, who otherwise evades attendance and performance standards in assigned activities, or who encourages others to do so.

(d) Work, vocational, and education programs are to meet the appropriate minimum standards for health and safety. Safety equipment is to be available where needed.

(e) An inmate is expected to perform the work assignment in a safe manner, using safety equipment as instructed by the work supervisor. In the event of any work related injury, the inmate shall notify the work supervisor so that appropriate action (for example, medical attention, and submission of necessary reports) may be taken.
§ 545.25 Eligibility for performance pay.

(a) An inmate may receive performance pay for accomplishments in one or more of the following areas:

(1) Institution work assignment;
(2) Literacy program (GED) participation;
(3) Apprenticeship training; and
(4) Vocational training courses (approved by the Bureau of Prisons as certified vocational training instruction).

(b) An inmate is eligible for performance pay from the date of work or program assignment. An inmate is eligible to receive performance pay for each month that the inmate’s performance justifies such payment.

(c) An inmate who refuses to participate in the financial responsibility program shall not ordinarily receive performance pay above the maintenance pay level, or bonus pay, or vacation pay in accordance with 28 CFR part 545, subpart B.

(d) An inmate who refuses participation, withdraws, is expelled, or otherwise fails attendance requirements of the drug abuse education course or the RDAP is subject to the limitations specified in §550.51(e) or §550.53(g) of this chapter.

(e) Inmates receiving performance pay who are found through the disciplinary process (part 541 of this subchapter) to have committed a level 100 or 200 series drug- or alcohol-related prohibited act will automatically have their performance pay reduced to maintenance pay level and will be removed from any assigned work detail outside the secure perimeter of the institution. This reduction to maintenance pay level, and removal from assigned work detail outside the secure perimeter of the institution, will ordinarily remain in effect for one year, unless otherwise authorized by the Warden.

§ 545.26 Performance pay provisions.

(a) The Warden shall ensure that all institution work assignments have standardized work descriptions. Each inmate work position is assigned one of four pay grade levels. Factors to consider in assigning a grade level to the specific work position include the position’s educational and vocational requirements, physical demands, working conditions (exposed to dusts, odors, etc.), and the degree of responsibility held by the inmate worker. The inmate assigned to a specific work position shall sign, and, if requested, receive a copy of, that position description.

(b) In recognition of budgetary constraints and for the effective management of the overall performance pay program, the percentage of inmates assigned to each grade level is approximately as follows (Grade 1 is highest pay):

Grade 1—5% of the institution’s allotted inmate work assignments;
Grade 2—15% of the institution’s allotted inmate work assignments;
Grade 3—25% of the institution’s allotted inmate work assignments;
Grade 4—55% of the institution’s allotted inmate work assignments.

(c) An inmate may receive performance pay only for that portion of the month that the inmate was working. Performance pay may not be awarded retroactively.

(d) An inmate is eligible to receive performance pay only for those hours during which the inmate is actually performing satisfactory work or actively participating in an education or vocational training program. Absences from an inmate’s scheduled assignment for such reasons as call-outs, visits, sick call, interviews, or making telephone calls shall be deducted from the monthly number of hours worked and will accordingly reduce the amount of pay received by the inmate. Any exception to such reduction in pay must be approved by the Assistant Director, Correctional Programs Division, Central Office.

(e) Work evaluation. (1) At the end of each month the work detail/program supervisor shall compute the hours worked by the inmate and the pay to be awarded for that month.

(2) An inmate shall receive performance pay only for those hours during which the inmate is actively participating in a work assignment or an education/vocational program.
§ 545.27 Inmate vacations.

(a) An inmate who has worked full-time for 12 consecutive months on an institution work assignment is eligible to take a five-day paid vacation at the inmate’s prevailing hourly rate. A recommendation for an inmate to receive vacation credit is made by the inmate’s work supervisor, through the Department Head, to the Unit Team, who shall approve the request if the inmate’s work performance qualifies for vacation credit.

(b) Staff shall schedule an inmate’s vacation so it is compatible with shop production and administrative support requirements.

(c) The Warden or designee may authorize an inmate to accumulate vacation credit when:

(1) The inmate is transferred to another institution for the benefit of the government or because of the inmate’s favorable adjustment (custody reduction); or

(2) The inmate is placed in a new work assignment in the institution for the benefit of the government or institution, rather than solely at the inmate’s request or because of the inmate’s poor performance or adverse behavior.

§ 545.28 Achievement awards.

(a) With prior approval of the Education Department, each inmate who completes the Literacy program, Vocational Training, or related trades classroom work that is part of a certified apprenticeship program may be granted an achievement award from performance pay funds.

(b) With prior approval of the Psychology Services Department, each inmate who is making satisfactory progress or completes a residential drug treatment program may also be...
§ 545.29 Special awards.
(a) Inmates who perform exceptional services not ordinarily a part of the inmate’s regular assignment may be granted a special award regardless of the inmate’s work or program status. Examples of actions which may result in the inmate being considered for a special award are the following:
   (1) An act of heroism.
   (2) Voluntary acceptance and satisfactory performance of an unusually hazardous assignment.
   (3) An act which protects the lives of employees or inmates, or the property of the United States. (This does not apply to informants.)
   (4) Suggestions which result in substantial improvements or cost-savings in institutional programs or operations.
   (5) Other exceptionally meritorious or outstanding services consistent with the general character of the preceding cases.
   (b) The special award may be given in the form of a monetary payment in addition to any other award (e.g., extra good time) given.
   (c) The Warden of each institution is empowered to approve special awards not exceeding $150. Awards in excess of this amount may not be made unless approved by the Regional Director.

§ 545.30 Funds due deceased inmates.
Funds due a deceased inmate for work performed and not yet paid shall be made to a legal representative of the inmate’s estate or in accordance with the laws of descent and distribution of the state of the inmate’s domicile.

§ 545.31 Training.
The Warden shall ensure that staff receive training on their roles in, and on the operation of, the work and performance pay program. The Warden shall also ensure that the inmate population is informed of the work and performance pay program, and of the hourly rates paid to inmate workers.
§ 548.10 Purpose and scope.

(a) The Bureau of Prisons provides inmates of all faith groups with reasonable and equitable opportunities to pursue religious beliefs and practices, within the constraints of budgetary limitations and consistent with the security and orderly running of the institution and the Bureau of Prisons.

(b) When considered necessary for the security or good order of the institution, the Warden may limit attendance at or discontinue a religious activity. Opportunities for religious activities are open to the entire inmate population, without regard to race, color, nationality, or ordinarily, creed. The Warden, after consulting with the institution chaplain, may limit participation in a particular religious activity or practice to the members of that religious group. Ordinarily, when the nature of the activity or practice (e.g., religious fasts, wearing of headwear, work prescription, ceremonial meals) indicates a need for such a limitation, only those inmates whose files reflect the pertinent religious preference will be included.

(c) The Bureau of Prisons does not require an inmate to profess a religious belief. An inmate may designate any or no religious preference at his/her initial team screening. By notifying the chaplain in writing, an inmate may request to change this designation at any time, and the change will be effected in a timely fashion.

§ 548.11 Definition.

For purposes of this subpart, the term “religious activity” includes religious diets, services, ceremonies, and meetings.

§ 548.12 Chaplains.

Institution chaplains are responsible for managing religious activities within the institution. Institution chaplains are available upon request to provide pastoral care and counseling to inmates through group programs and individual services. Pastoral care and counseling from representatives in the community are available in accordance with the provisions of §§ 548.14 and 548.19. The chaplain may ask the requesting inmate to provide information regarding specific requested religious activities for the purpose of making an informed decision regarding the request.

§ 548.13 Schedules and facilities.

(a) Under the general supervision of the Warden, chaplains shall schedule and direct the institution’s religious activities.

(b) The Warden may relieve an inmate from an institution program or assignment if a religious activity is also scheduled at that time.

(c) Institutions shall have space designated for the conduct of religious activities.

§ 548.14 Community involvement (volunteers, contractors).

(a) The institution’s chaplain may contract with representatives of faith
§ 548.19 Pastoral visits.

If requested by an inmate, the chaplain shall facilitate arrangements for pastoral visits by a clergyperson or representative of the inmate’s faith.
§ 548.20  Dietary practices.

(a) The Bureau provides inmates requesting a religious diet reasonable and equitable opportunity to observe their religious dietary practice within the constraints of budget limitations and the security and orderly running of the institution and the Bureau through a religious diet menu. The inmate will provide a written statement articulating the religious motivation for participation in the religious diet program.

(b) An inmate who has been approved for a religious diet menu must notify the chaplain in writing if the inmate wishes to withdraw from the religious diet. Approval for an inmate’s religious diet may be withdrawn by the chaplain if the inmate is documented as being in violation of the terms of the religious diet program to which the inmate has agreed in writing. In order to preserve the integrity and orderly operation of the religious diet program and to prevent fraud, inmates who withdraw (or are removed) may not be immediately reestablished back into the program. The process of reapproving a religious diet for an inmate who voluntarily withdraws or who is removed ordinarily may extend up to thirty days. Repeated withdrawals (voluntary or otherwise), however, may result in inmates being subjected to a waiting period of up to one year.

(c) The chaplain may arrange for inmate religious groups to have one appropriate ceremonial or commemorative meal each year for their members as identified by the religious preference reflected in the inmate’s file. An inmate may attend one religious ceremonial meal in a calendar year.

Subpart H—Civil Commitment of a Sexually Dangerous Person

§ 549.90 Purpose and application.

§ 549.91 Definition of “sexually dangerous person.”

§ 549.92 Definition of “sexually violent conduct.”

§ 549.93 Definition of “child molestation.”

§ 549.94 Definition of “sexually dangerous to others.”

§ 549.95 Determining “serious difficulty in refraining from sexually violent conduct or child molestation if released.”

Subpart A—Infectious Disease Management

SOURCE: 70 FR 29193, May 20, 2005, unless otherwise noted.

§ 549.10 Purpose and scope.

The Bureau will manage infectious diseases in the confined environment of a correctional setting through a comprehensive approach which includes testing, appropriate treatment, prevention, education, and infection control measures.

§ 549.11 Program responsibility.

Each institution’s Health Services Administrator (HSA) and Clinical Director (CD) are responsible for the operation of the institution’s infectious disease program in accordance with applicable laws and regulations.

§ 549.12 Testing.

(a) Human Immunodeficiency Virus (HIV)—(1) Clinically indicated. The Bureau tests inmates who have sentences of six months or more if health services staff determine, taking into consideration the risk as defined by the Centers for Disease Control guidelines, that the inmate is at risk for HIV infection. If the inmate refuses testing, staff may initiate an incident report for refusing to obey an order.

(2) Exposure incidents. The Bureau tests an inmate, regardless of the length of sentence or pretrial status, when there is a well-founded reason to believe that the inmate may have transmitted the HIV infection, whether intentionally or unintentionally, to Bureau employees or other non-inmates who are lawfully present in a Bureau institution. Exposure incident testing does not require the inmate’s consent.

(3) Surveillance Testing. The Bureau conducts HIV testing for surveillance purposes as needed. If the inmate refuses testing, staff may initiate an incident report for refusing to obey an order.

(4) Inmate request. An inmate may request to be tested. The Bureau limits such testing to no more than one per 12-month period unless the Bureau determines that additional testing is warranted.

(b) Tuberculosis (TB). (1) The Bureau screens each inmate for TB within two calendar days of initial incarceration.

(2) The Bureau conducts screening for each inmate annually as medically indicated.

(3) The Bureau will screen an inmate for TB when health services staff determine that the inmate may be at risk for infection.

(4) An inmate who refuses TB screening may be subject to an incident report for refusing to obey an order. If an inmate refuses skin testing, and there is no contraindication to tuberculin skin testing, then, institution medical staff will test the inmate involuntarily.

(5) The Bureau conducts TB contact investigations following any incident in which inmates or staff may have been exposed to tuberculosis. Inmates will be tested according to paragraph (b)(4) of this section.

(c) Diagnostics. The Bureau tests an inmate for an infectious or communicable disease when the test is necessary to verify transmission following exposure to bloodborne pathogens or to infectious body fluid. An inmate who refuses diagnostic testing is subject to an incident report for refusing to obey an order.
§ 549.13 Programming, duty, and housing restrictions.

(a) The CD will assess any inmate with an infectious disease for appropriateness for programming, duty, and housing. Inmates with infectious diseases that are transmitted through casual contact will be prohibited from work assignments in any area, until fully evaluated by a health care provider.

(b) Inmates may be limited in programming, duty, and housing when their infectious disease is transmitted through casual contact. The Warden, in consultation with the CD, may exclude inmates, on a case-by-case basis, from work assignments based upon the security and good order of the institution.

(c) If an inmate tests positive for an infectious disease, that test alone does not constitute sole grounds for disciplinary action. Disciplinary action may be considered when coupled with a secondary action that could lead to transmission of an infectious agent. Inmates testing positive for infectious disease are subject to the same disciplinary policy that applies to all inmates (see 28 CFR part 541, subpart B). Except as provided for in our disciplinary policy, no special or separate housing units may be established for HIV-positive inmates.

§ 549.14 Confidentiality of information.

Any disclosure of test results or medical information is made in accordance with:

(a) The Privacy Act of 1974, under which the Bureau publishes routine uses of such information in the Department of Justice Privacy Act System of Records Notice entitled “Inmate Physical and Mental Health Record System, JUSTICE/BOP–007”; and

(b) The Correction Officers Health and Safety Act of 1998 (codified at 18 U.S.C. 4014), which provides that test results must be communicated to a person requesting the test, the person tested, and, if the results of the test indicate the presence of HIV, to correctional facility personnel consistent with Bureau policy.

§ 549.15 Infectious disease training and preventive measures.

(a) The HSA will ensure that a qualified health care professional provides training, incorporating a question-and-answer session, about infectious diseases to all newly committed inmates, during Admission and Orientation.

(b) Inmates in work assignments which staff determine to present the potential for occupational exposure to blood or infectious body fluids will receive annual training on prevention of work-related exposures and will be offered vaccination for Hepatitis B.

Subpart B—Over-The-Counter (OTC) Medications

SOURCE: 68 FR 47849, Aug. 12, 2003, unless otherwise noted.

§ 549.30 Purpose and scope.

This subpart establishes procedures governing inmate access to Over-The-Counter (OTC) medications for all inmates except those in inpatient status at Federal Medical Centers. Inmates may buy OTC medications which are available at the commissary. Inmates may also obtain OTC medications at sick call if the inmate does not already have the OTC medication and:

(a) Health services staff determine that the inmate has an immediate medical need which must be addressed before his or her regularly scheduled commissary visit; or

(b) The inmate is without funds.

§ 549.31 Inmates without funds.

(a) The Warden must establish procedures to provide up to two OTC medications per week for an inmate without funds. An inmate without funds is an inmate who has not had a trust fund account balance of $6.00 for the past 30 days.

(b) An inmate without funds may obtain additional OTC medications at sick call if health services staff determine that he/she has an immediate medical need which must be addressed before the inmate may again apply for OTC medications under this section.

(c) To prevent abuses of this section (e.g., inmate shows a pattern of depleting his or her commissary funds before
Bureau of Prisons, Justice

§ 549.40 Purpose and scope.

(a) This subpart describes procedures for voluntary and involuntary psychiatric evaluation, hospitalization, care, and treatment, in a suitable facility, for persons in Bureau of Prisons (Bureau) custody. These procedures are authorized by 18 U.S.C. Chapter 313 and 18 U.S.C. 4042.

(b) This subpart applies to inmates in Bureau custody, as defined in 28 CFR part 500.

§ 549.41 Hospitalization in a suitable facility.

As used in 18 U.S.C. Chapter 313 and this subpart, “hospitalization in a suitable facility” includes the Bureau’s designation of inmates to medical referral centers or correctional institutions that provide the required care or treatment.

§ 549.42 Use of psychiatric medications.

Psychiatric medications will be used only for treatment of diagnosable mental illnesses and disorders, and their symptoms, for which such medication is accepted treatment. Psychiatric medication will be administered only after following the applicable procedures in this subpart.

§ 549.43 Transfer for psychiatric or psychological examination.

The Bureau may transfer an inmate to a suitable facility for psychiatric or psychological examination to determine whether hospitalization in a suitable facility for psychiatric care or treatment is needed.

§ 549.44 Voluntary hospitalization in a suitable facility for psychiatric care or treatment, and voluntary administration of psychiatric medication.

(a) Hospitalization. An inmate may be hospitalized in a suitable facility for psychiatric care or treatment after providing informed and voluntary consent when, in the professional medical judgment of qualified health services staff, such care or treatment is required and prescribed.

(b) Psychiatric medication. An inmate may also provide informed and voluntary consent to the administration of psychiatric medication that complies with the requirements of § 549.42 of this subpart.

(c) Voluntary consent. An inmate’s ability to provide informed and voluntary consent for both hospitalization in a suitable facility for psychiatric care or treatment, and administration of psychiatric medications, will be assessed by qualified health services staff and documented in the inmate’s medical record. Additionally, the inmate must sign a consent form to accept hospitalization in a suitable facility for psychiatric care or treatment and the administration of psychiatric medications. These forms will be maintained in the inmate’s medical record.

§ 549.45 Involuntary hospitalization in a suitable facility for psychiatric care or treatment.

(a) Hospitalization of inmates pursuant to 18 U.S.C. Chapter 313. A court determination is necessary for involuntary hospitalization or commitment of inmates pursuant to 18 U.S.C. Chapter 313, who are in need of psychiatric care or treatment, but are unwilling or unable to voluntarily consent.

(b) Hospitalization of inmates not subject to hospitalization pursuant to 18 U.S.C. chapter 313. Pursuant to 18 U.S.C. 4042, the Bureau is authorized to provide for the safekeeping, care, and subsistence, of all persons charged with offenses against the United States, or held as witnesses or otherwise. Accordingly, if an examiner determines pursuant to § 549.43 of this subpart that an inmate not subject to hospitalization pursuant to 18 U.S.C. chapter 313 should be hospitalized for psychiatric care or treatment, and the inmate is
unwilling or unable to consent, the Bureau will provide the inmate with an administrative hearing to determine whether hospitalization for psychiatric care or treatment is warranted. The hearing will provide the following procedural safeguards:

1. The inmate will not be involuntarily administered psychiatric medication before the hearing except in the case of psychiatric emergencies, as defined in §549.46(b)(1).

2. The inmate must be provided 24-hour advance written notice of the date, time, place, and purpose of the hearing, including an explanation of the reasons for the proposal to hospitalize the inmate for psychiatric care or treatment.

3. The inmate must be informed of the right to appear at the hearing, to present evidence, to have a staff representative, to request witnesses, and to request that witnesses be questioned by the staff representative or by the person conducting the hearing. If the inmate does not request a staff representative, or requests a staff representative with insufficient experience or education, or one who is not reasonably available, the institution mental health division administrator must appoint a qualified staff representative.

4. The hearing is to be conducted by a psychiatrist other than the attending psychiatrist, and who is not currently involved in the diagnosis or treatment of the inmate.

5. Witnesses should be called if they are reasonably available and have information relevant to the inmate’s mental condition or need for hospitalization. Witnesses who will provide only repetitive information need not be called.

6. A treating/evaluating psychologist/clinician, who has reviewed the case, must be present at the hearing and must present clinical data and background information relative to the inmate’s need for hospitalization. Members of the treating/evaluating team may also be called as witnesses at the hearing to provide relevant information.

7. The psychiatrist conducting the hearing must determine whether involuntary hospitalization is necessary because the inmate is presently suffering from a mental disease or defect for the treatment of which he is in need of custody for care or treatment in a suitable facility.

8. The psychiatrist must prepare a written report regarding the initial decision. The inmate must be promptly provided a copy of the initial decision report, and informed that he/she may appeal it to the institution’s mental health division administrator. The inmate’s appeal, which may be handwritten, must be submitted within 24 hours after receipt of the hearing officer’s report. Upon request of the inmate, the staff representative will assist the inmate in preparing and submitting the appeal.

9. If the inmate appeals the initial decision, hospitalization must not occur before the administrator issues a decision on the appeal. The inmate’s appeal will ordinarily be reviewed by the administrator or his designee within 24 hours of its submission. The administrator will review the initial decision and ensure that the inmate received all necessary procedural protections, and that the justification for hospitalization is appropriate.

(c) Psychiatric medication. Following an inmate’s involuntary hospitalization for psychiatric care or treatment as provided in this section, psychiatric medication may be involuntarily administered only after following the administrative procedures provided in §549.46 of this subpart.

§549.46 Procedures for involuntary administration of psychiatric medication.

Except as provided in paragraph (b) of this section, the Bureau will follow the administrative procedures of paragraph (a) of this section before involuntarily administering psychiatric medication to any inmate.

(a) Procedures. When an inmate is unwilling or unable to provide voluntary written informed consent for recommended psychiatric medication, the inmate will be scheduled for an administrative hearing. The hearing will provide the following procedural safeguards:

1. Unless an exception exists as provided in paragraph (b) of this section,
the inmate will not be involuntarily administered psychiatric medication before the hearing.

(2) The inmate must be provided 24-hours advance written notice of the date, time, place, and purpose, of the hearing, including an explanation of the reasons for the psychiatric medication proposal.

(3) The inmate must be informed of the right to appear at the hearing, to present evidence, to have a staff representative, to request witnesses, and to request that witnesses be questioned by the staff representative or by the person conducting the hearing. If the inmate does not request a staff representative, or requests a staff representative with insufficient experience or education, or one who is not reasonably available, the institution mental health division administrator must appoint a qualified staff representative.

(4) The hearing is to be conducted by a psychiatrist other than the attending psychiatrist, and who is not currently involved in the diagnosis or treatment of the inmate.

(5) Witnesses should be called if they are reasonably available and have information relevant to the inmate’s mental condition or need for psychiatric medication. Witnesses who will provide only repetitive information need not be called.

(6) A treating/evaluating psychiatrist/clinician, who has reviewed the case, must be present at the hearing and must present clinical data and background information relative to the inmate’s need for psychiatric medication. Members of the treating/evaluating team may also be called as witnesses at the hearing to provide relevant information.

(7) The psychiatrist conducting the hearing must determine whether involuntary administration of psychiatric medication is necessary because, as a result of the mental illness or disorder, the inmate is dangerous to self or others, poses a serious threat of damage to property affecting the security or orderly running of the institution, or is gravely disabled (manifested by extreme deterioration in personal functioning).

(8) The psychiatrist must prepare a written report regarding the initial decision. The inmate must be promptly provided a copy of the initial decision report, and informed that he/she may appeal it to the institution’s mental health division administrator. The inmate’s appeal, which may be handwritten, must be submitted within 24 hours after receipt of the hearing officer’s report. Upon request of the inmate, the staff representative will assist the inmate in preparing and submitting the appeal.

(9) If the inmate appeals the initial decision, psychiatric medication must not be administered before the administrator issues a decision on the appeal, unless an exception exists as provided in paragraph (b) of this section. The inmate’s appeal will ordinarily be reviewed by the administrator or his designee within 24 hours of its submission. The administrator will review the initial decision and ensure that the inmate received all necessary procedural protections, and that the justification for administering psychiatric medication is appropriate.

(10) If an inmate was afforded an administrative hearing which resulted in the involuntary administration of psychiatric medication, and the inmate subsequently consented to the administration of such medication, and then later revokes his consent, a follow-up hearing will be held before resuming the involuntary administration of psychiatric medication. All such follow-up hearings will fully comply with the procedures outlined in paragraphs (a)(1) through (10) of this section.

(b) Exceptions.

The Bureau may involuntarily administer psychiatric medication to inmates in the following circumstances without following the procedures outlined in paragraphs (a)(1) through (10) of this section:

(1) Psychiatric emergencies.

(i) During a psychiatric emergency, psychiatric medication may be administered only when the medication constitutes an appropriate treatment for the mental illness or disorder and its symptoms, and alternatives (e.g., seclusion or physical restraint) are not available or indicated, or would not be effective. If psychiatric medication is
still recommended after the psychiatric emergency, and the emergency criteria no longer exist, it may only be administered after following the procedures in §§549.44 or 549.46 of this subpart.

(ii) For purposes of this subpart, a psychiatric emergency exists when a person suffering from a mental illness or disorder creates an immediate threat of:

(A) Bodily harm to self or others;
(B) Serious destruction of property affecting the security or orderly running of the institution; or
(C) Extreme deterioration in personal functioning secondary to the mental illness or disorder.

(2) Court orders for the purpose of restoring competency to stand trial.

Absent a psychiatric emergency as defined above, §549.46(a) of this subpart does not apply to the involuntary administration of psychiatric medication for the sole purpose of restoring a person’s competency to stand trial.

Subpart D—Plastic Surgery

SOURCE: 61 FR 13322, Mar. 26, 1996, unless otherwise noted.

§549.50 Purpose and scope.

The Bureau of Prisons does not ordinarily perform plastic surgery on inmates to correct preexisting disfigurements (including tattoos) on any part of the body. In circumstances where plastic surgery is a component of a presently medically necessary standard of treatment (for example, part of the treatment for facial lacerations or for mastectomies due to cancer) or it is necessary for the good order and security of the institution, the necessary surgery may be performed.

§549.51 Approval procedures.

The Clinical Director shall consider individually any request from an inmate or a BOP medical consultant.

(a) In circumstances where plastic surgery is a component of the presently medically necessary standard of treatment, the Clinical Director shall forward the surgery request to the Office of Medical Designations and Transportation for approval.

(b) If the Clinical Director recommends plastic surgery for the good order and security of the institution, the request for plastic surgery authorization will be forwarded to the Warden for initial approval. The Warden will forward the request through the Regional Director to the Medical Director. The Medical Director shall have the final authority to approve or deny this type of plastic surgery request.

(c) If the Clinical Director is unable to determine whether the plastic surgery qualifies as a component of presently medically necessary standard of treatment, the Clinical Director may forward the request to the Medical Director for a final determination in accordance with the provisions of paragraph (b) of this section.

§549.52 Informed consent.

Approved plastic surgery procedures may not be performed without the informed consent of the inmate involved.

Subpart E—Hunger Strikes, Inmate

SOURCE: 45 FR 23365, Apr. 4, 1980, unless otherwise noted.

§549.60 Purpose and scope.

The Bureau of Prisons provides guidelines for the medical and administrative management of inmates who engage in hunger strikes. It is the responsibility of the Bureau of Prisons to monitor the health and welfare of individual inmates, and to ensure that procedures are pursued to preserve life.

[45 FR 23365, Apr. 4, 1980, as amended at 59 FR 31883, June 20, 1994]

§549.61 Definition.

As defined in this rule, an inmate is on a hunger strike:

(a) When he or she communicates that fact to staff and is observed by staff to be refraining from eating for a period of time, ordinarily in excess of 72 hours; or

(b) When staff observe the inmate to be refraining from eating for a period
in excess of 72 hours. When staff consider it prudent to do so, a referral for medical evaluation may be made without waiting 72 hours.

§ 549.62 Initial referral.
(a) Staff shall refer an inmate who is observed to be on a hunger strike to medical or mental health staff for evaluation and, when appropriate, for treatment.
(b) Medical staff ordinarily shall place the inmate in a medically appropriate locked room for close monitoring.

§ 549.63 Initial medical evaluation and management.
(a) Medical staff shall ordinarily perform the following procedures upon initial referral of an inmate on a hunger strike:
(1) Measure and record height and weight;
(2) Take and record vital signs;
(3) Urinalysis;
(4) Psychological and/or psychiatric evaluation;
(5) General medical evaluation;
(6) Radiographs as clinically indicated;
(7) Laboratory studies as clinically indicated.
(b) Medical staff shall take and record weight and vital signs at least once every 24 hours while the inmate is on a hunger strike. Other procedures identified in paragraph (a) of this section shall be repeated as medically indicated.

(b) Prior to medical treatment being administered against the inmate’s will, staff shall make reasonable efforts to convince the inmate to voluntarily accept treatment. Medical risks faced by the inmate if treatment is not accepted shall also be explained to the inmate. Staff shall document their treatment efforts in the medical record of the inmate.

Subpart F—Fees for Health Care Services

SOURCE: 70 FR 43050, July 26, 2005, unless otherwise noted.

§ 549.70 Purpose and scope.

(a) The Bureau of Prisons (Bureau) may, under certain circumstances, charge you, an inmate under our care and custody, a fee for providing you with health care services.

(b) Generally, if you are an inmate as described in §549.71, you must pay a fee for health care services of $2.00 per health care visit if you:

(1) Receive health care services in connection with a health care visit that you requested, (except for services described in §549.72); or

(2) Are found responsible through the Disciplinary Hearing Process to have injured an inmate who, as a result of the injury, requires a health care visit.

§ 549.71 Inmates affected.

This subpart applies to:

(a) Any individual incarcerated in an institution under the Bureau’s jurisdiction; or

(b) Any other individual, as designated by the Director, who has been charged with or convicted of an offense against the United States.

§ 549.72 Services provided without fees.

We will not charge a fee for:

(a) Health care services based on staff referrals;

(b) Staff-approved follow-up treatment for a chronic condition;

(c) Preventive health care services;

(d) Emergency services;

(e) Prenatal care;

(f) Diagnosis or treatment of chronic infectious diseases;

(g) Mental health care; or

(h) Substance abuse treatment.

§ 549.73 Appealing the fee.

You may seek review of issues related to health service fees through the Bureau’s Administrative Remedy Program (see 28 CFR part 542).

§ 549.74 Inmates without funds.

You will not be charged a health care service fee if you are considered indigent and unable to pay the health care service fee. The Warden may establish procedures to prevent abuse of this provision.

Subpart G—Authority To Conduct Autopsies

§ 549.80 Authority to conduct autopsies.

(a) The Warden may order an autopsy and related scientific or medical tests to be performed on the body of a deceased inmate of the facility in the event of homicide, suicide, fatal illness or accident, or unexplained death. The autopsy or tests may be ordered in one of these situations only when the Warden determines that the autopsy or test is necessary to detect a crime, maintain discipline, protect the health or safety of other inmates, remedy official misconduct, or defend the United States or its employees from civil liability arising from the administration of the facility.

(1) The authority of the Warden under this section may not be delegated below the level of Acting Warden.

(2) Where the Warden has the authority to order an autopsy under this provision, no non-Bureau of Prisons authorization (e.g., from either the coroner or from the inmate’s next-of-kin) is required. A decision on whether to order an autopsy is ordinarily made after consultation with the attending physician, and a determination by the Warden that the autopsy is in accordance with the statutory provision. Once it is determined that an autopsy is appropriate, the Warden shall prepare a written statement authorizing this procedure. The written statement is to include the basis for approval.

(b) In any situation other than as described in paragraph (a) of this section, the Warden may order an autopsy or
post-mortem operation, including removal of tissue for transplanting, to be performed on the body of a deceased inmate of the facility with the written consent of a person (e.g., coroner, or next-of-kin, or the decedent's consent in the case of tissue removed for transplanting) authorized to permit the autopsy or post-mortem operation under the law of the State in which the facility is located.

(1) The authority of the Warden under this section may not be delegated below the level of Acting Warden.

(2) When the conducting of an autopsy requires permission of the family or next-of-kin, the following message is to be included in the telegram notifying the family or next-of-kin of the death: “Permission is requested to perform a complete autopsy”. Also inform the family or next-of-kin that they may telegraph the institution collect with their response. Where permission is not received from the person (e.g., coroner or next-of-kin) authorized to permit the autopsy or post-mortem operation, an autopsy or post-mortem operation may not be performed under the conditions of this paragraph (b).

(c) In addition to the provisions of paragraphs (a) and (b) of this section, each institution also is expected to abide by the following procedures.

(1) Staff shall ensure that the state laws regarding the reporting of deaths are followed.

(2) Time is a critical factor in arranging for an autopsy, as this ordinarily must be performed within 48 hours. While a decision on an autopsy is pending, no action should be taken that will affect the validity of the autopsy results. Therefore, while the body may be released to a funeral home, this should be done only with the written understanding from the funeral home that no preparation for burial, including embalming, should be performed until a final decision is made on the need for an autopsy.

(3) Medical staff shall arrange for the approved autopsy to be performed.

(4) To the extent consistent with the needs of the autopsy or of specific scientific or medical tests, provisions of state and local laws protecting religious beliefs with respect to such autopsies are to be observed.

Subpart H—Civil Commitment of a Sexually Dangerous Person

SOURCE: 73 FR 70279, Nov. 20, 2008, unless otherwise noted.

§ 549.90 Purpose and application.

(a) This subpart provides definitions and standards for review of persons for certification to federal district courts as sexually dangerous persons, as authorized by title 18 U.S.C. Chapter 313, by Bureau of Prisons staff or contractors (collectively referred to in this Part as “the Bureau”).

(c) The Bureau may certify that a person in Bureau custody is a sexually dangerous person when review under this subpart provides reasonable cause to believe that the person is a sexually dangerous person. In determining whether a person is a sexually dangerous person and should be so certified, the Bureau will consider any available information in its possession and may transfer the person to a suitable facility for psychological examination in order to obtain information for this purpose.

§ 549.91 Definition of “sexually dangerous person.”

For purposes of this subpart, a “sexually dangerous person” is a person:

(a) Who has engaged or attempted to engage in:

(1) Sexually violent conduct; or

(2) Child molestation; and

(e) Engaging in such conduct with a victim who is incapable of appraising the nature of the conduct, or physically or mentally incapable of declining participation in, or communicating unwillingness to engage in, that conduct.

§ 549.93 Definition of “child molestation.”

For purposes of this subpart, “child molestation” includes any unlawful conduct of a sexual nature with, or sexual exploitation of, a person under the age of 18 years.

§ 549.94 Definition of “sexually dangerous to others.”

For purposes of this subpart, “sexually dangerous to others” means that a person suffers from a serious mental illness, abnormality, or disorder as a result of which he or she would have serious difficulty in refraining from sexually violent conduct or child molestation if released.

§ 549.95 Determining “serious difficulty in refraining from sexually violent conduct or child molestation if released.”

In determining whether a person will have “serious difficulty in refraining from sexually violent conduct or child molestation if released,” Bureau mental health professionals may consider, but are not limited to, evidence:

(a) Of the person’s repeated contact, or attempted contact, with one or more victims of sexually violent conduct or child molestation;
(b) Of the person’s denial of or inability to appreciate the wrongfulness, harmfulness, or likely consequences of engaging or attempting to engage in sexually violent conduct or child molestation;
(c) Established through interviewing and testing of the person or through other risk assessment tools that are relied upon by mental health professionals;
(d) Established by forensic indicators of inability to control conduct, such as:
   (1) Offending while under supervision;
   (2) Engaging in offense(s) when likely to get caught;
   (3) Statement(s) of intent to re-offend; or
   (4) Admission of inability to control behavior; or

550.40 Purpose and scope.

The Bureau of Prisons requires that an inmate who is serving a sentence in a contract community treatment center (CTC) participate in a program of urine testing for drug use. An inmate who is serving a sentence in a contract CTC, and who has drug aftercare as a condition of release also shall receive at least 50 percent of those inmates who are involved in community activities. In addition, staff shall randomly sample each institution’s inmate population during each month to test for drug use.

§ 550.31 Procedures.

(a) Staff of the same sex as the inmate tested shall directly supervise the giving of the urine sample. If an inmate is unwilling to provide a urine sample within two hours of a request for it, staff ordinarily shall file an incident report. No waiting period or extra time need be allowed for an inmate who directly and specifically refuses to provide a urine sample. To eliminate the possibility of diluted or adulterated samples, staff shall keep the inmate under direct visual supervision during this two-hour period, or until a complete sample is furnished. To assist the inmate in giving the sample, staff shall offer the inmate eight ounces of water at the beginning of the two-hour time period. An inmate is presumed to be unwilling if the inmate fails to provide a urine sample within the allotted time period. An inmate may rebut this presumption during the disciplinary process.

(b) Institution staff shall determine whether a justifiable reason exists, (e.g., use of prescribed medication) for any positive urine test result. If the inmate’s urine test shows a positive test result for the presence of drugs which cannot be justified, staff shall file an incident report.

Subpart E—Drug Services (Urine Surveillance and Counseling for Sentenced Inmates in Contract CTCs)

SOURCE: 48 FR 24624, June 1, 1983, unless otherwise noted.

§ 550.40 Purpose and scope.

In an effort to reduce the introduction or use of alcohol, the Warden shall establish procedures for monitoring and testing individual inmates or groups of inmates who are known or suspected to be users of alcohol, or who are considered high risks based on behavior observed or on information received by staff.

(a) Staff may prepare a disciplinary report on an inmate who shows a positive substantiated test result for alcohol.

(b) Staff may initiate disciplinary action against an inmate who refuses to submit to an alcohol test.

[45 FR 33940, May 20, 1980]

Subpart D—Urine Surveillance

§ 550.30 Purpose and scope.

The Warden shall establish programs of urine testing for drug use, to monitor specific groups or individual inmates who are considered as high risk for drug use, such as those involved in community activities, those with a history of drug use, and those inmates specifically suspected of drug use. Testing shall be performed with frequency determined by the Warden on

§ 550.31 Procedures.

(a) Staff of the same sex as the inmate tested shall directly supervise the giving of the urine sample. If an inmate is unwilling to provide a urine sample within two hours of a request for it, staff ordinarily shall file an incident report. No waiting period or extra time need be allowed for an inmate who directly and specifically refuses to provide a urine sample. drug counseling during the inmate’s stay at the contract CTC.

§ 550.41 Urine surveillance.

A program of urine testing for drug use shall be established in contract CTCs.

(a) Urine surveillance shall be conducted on all inmates serving their sentence in a contract CTC:

1. Who have drug aftercare as a condition of release;
2. Who have a known history of drug abuse; or
3. Who are suspected of using drugs.

Center staff shall collect a minimum of six samples per month from an inmate who meets one or more of the criteria listed in paragraphs (a) (1) through (3) of this section.

(b) The Center Director shall establish a schedule for random collection for all other sentenced inmates not identified in paragraph (a) of this section.

(b) If an inmate fails to provide a urine sample within two hours of a request for it, center staff may file a disciplinary report. To eliminate the possibility of diluted or adulterated samples, center staff shall keep the inmate under direct supervision during this two-hour period.

(c) Center staff shall have each positive urine test validated to substantiate the positive result. Center staff shall file a disciplinary report if the inmate’s urine test shows a positive result for the presence of drugs which the inmate cannot satisfactorily justify to center staff.

(d) The results of disciplinary hearings and a copy of positive urine testing results which the inmate cannot satisfactorily justify to center staff shall be sent to the appropriate Regional U.S. Parole Commission Office, the Community Programs Manager (CPM), and the U.S. Probation Office.

§ 550.43 Drug counseling.

(a) Drug counseling shall be provided to sentenced inmates in contract community treatment centers who have drug aftercare as a condition of release.

(b) Counseling shall include a minimum of a 30-minute session each week, provided by qualified staff.

(c) Center staff shall document in the inmate’s file the date and time of each counseling session. The counselor must prepare a monthly summary of each inmate’s progress. This report shall be placed in the inmate’s file.

§ 550.44 Procedures for arranging drug counseling.

The contract center staff shall hold a program planning conference with a sentenced inmate who has drug aftercare as a condition of release. At this meeting, held within one week of the inmate’s arrival at the center, plans are made for the inmate to receive drug counseling. The meeting is attended by center staff, the inmate, and the Chief U.S. Probation Officer or designee.

Subpart F—Drug Abuse Treatment Program

SOURCE: 74 FR 1897, Jan. 14, 2009, unless otherwise noted.

§ 550.50 Purpose and scope.

The purpose of this subpart is to describe the Bureau’s drug abuse treatment programs for the inmate population, to include drug abuse education, non-residential drug abuse treatment services, and residential drug abuse treatment programs (RDAP). These services are provided by Psychology Services department.

§ 550.51 Drug abuse education course.

(a) Purpose of the drug abuse education course. All institutions provide a drug abuse education course to:

1. Inform inmates of the consequences of drug/alcohol abuse and addiction; and
2. Motivate inmates needing drug abuse treatment to apply for further drug abuse treatment, both while incarcerated and after release.
(b) Course placement. (1) Inmates will get primary consideration for course placement if they were sentenced or returned to custody as a violator after September 30, 1991, when unit and/or drug abuse treatment staff determine, through interviews and file review that:
   (i) There is evidence that alcohol or other drug use contributed to the commission of the offense;
   (ii) Alcohol or other drug use was a reason for violation either of supervised release (including parole) or Bureau community status;
   (iii) There was a recommendation (or evaluation) for drug programming during incarceration by the sentencing judge; or
   (iv) There is evidence of a history of alcohol or other drug use.
(2) Inmates may also be considered for course placement if they request to participate in the drug abuse education program but do not meet the criteria of paragraph (b)(1) of this section.
(3) Inmates may not be considered for course placement if they:
   (i) Do not have enough time remaining to serve to complete the course; or
   (ii) Volunteer for, enter or otherwise complete a RDAP.

§ 550.52 Non-residential drug abuse treatment services.

All institutions must have non-residential drug abuse treatment services, provided through the institution’s Psychology Services department. These services are available to inmates who voluntarily decide to participate.

§ 550.53 Residential Drug Abuse Treatment Program (RDAP).

(a) RDAP. To successfully complete the RDAP, inmates must complete each of the following components:
   (1) Unit-based component. Inmates must complete a course of activities provided by the Psychology Services Department in a treatment unit set apart from the general prison population. This component must last at least six months.
   (2) Follow-up services. If time allows between completion of the unit-based component of the RDAP and transfer to a community-based program, inmates must participate in the follow-up services to the unit-based component of the RDAP.
   (3) Community Treatment Services (CTS). Inmates who have completed the unit-based program and (when appropriate) the follow-up treatment and transferred to a community-based program must complete CTS to have successfully completed RDAP and receive incentives. The Warden, on the basis of his or her discretion, may find an inmate ineligible for participation in a community-based program; therefore, the inmate cannot complete RDAP.

(b) Admission criteria. Inmates must meet all of the following criteria to be admitted into RDAP.
   (1) Inmates must have a verifiable substance use disorder.
   (2) Inmates must sign an agreement acknowledging program responsibility.

(i) Basic incentives. (i) Limited financial awards, based upon the inmate’s achievement/completion of program phases.

(ii) Consideration for the maximum period of time in a community-based treatment program, if the inmate is otherwise eligible.

(iii) Local institution incentives such as preferred living quarters or special recognition privileges.

(iv) Early release, if eligible under §550.55.

(ii) Enhanced incentives. (i) Tangible achievement awards as permitted by the Warden and allowed by the regulations governing personal property (see 28 CFR part 553).

(ii) Photographs of treatment ceremonies may be sent to the inmate’s family.

(iii) Formal consideration for a nearer release transfer for medium and low security inmates.

(b) An inmate must meet his/her financial program responsibility obligations (see 28 CFR part 545) and GED responsibilities (see 28 CFR part 544) before being able to receive an incentive for his/her RDAP participation.

(c) If an inmate withdraws from or is otherwise removed from RDAP, that inmate may lose incentives he/she previously achieved.

§ 550.55 Eligibility for early release.

(a) Eligibility. Inmates may be eligible for early release by a period not to exceed twelve months if they:

(i) Were sentenced to a term of imprisonment under either:

   (iii) Robbery;
   (iv) Aggravated assault;

(a) A federal inmate confined in a Bureau institution who wants to get married shall submit a request to marry to the inmate’s unit team. The unit team shall evaluate the request based on the criteria identified in §551.12. A written report of the unit team’s findings, and its recommendation, shall be forwarded to the Warden for a final decision.

(b) The Warden shall notify the inmate in writing whether the inmate’s request to marry is approved or disapproved. A copy of this notification shall be placed in the inmate’s central order of the institution, or to the protection of the public. § 551.12 Eligibility to marry.

An inmate’s request to marry shall be approved provided:

(a) The inmate is legally eligible to marry;

(b) Pat Search. Inspection of an inmate using the hands does not require
the inmate to remove clothing. The inspection includes a search of the inmate’s clothing and personal effects. Staff may conduct a pat search of an inmate on a routine or random basis to control contraband.

(c) Visual search—a visual inspection of all body surfaces and body cavities.

(1) Staff may conduct a visual search where there is reasonable belief that contraband may be concealed on the person, or a good opportunity for concealment has occurred. For example, placement in a special housing unit (see 28 CFR part 541, subpart B), leaving the institution, or re-entry into an institution after contact with the public (after a community trip, court transfer, or after a “contact” visit in a visiting room) is sufficient to justify a visual search. The visual search shall be made in a manner designed to assure as much privacy to the inmate as practicable.

(2) Staff of the same sex as the inmate shall make the search, except where circumstances are such that delay would mean the likely loss of contraband. Where staff of the opposite sex makes a visual search, staff shall document the reasons for the opposite sex search in the inmate’s central file.

(d) Digital or simple instrument search—inspection for contraband or any other foreign item in a body cavity of an inmate by use of fingers or simple instruments, such as an otoscope, tongue blade, short nasal speculum, and simple forceps. A digital or simple instrument search may be conducted only by designated qualified health personnel (for example, physicians, physician assistants, and nurses) upon approval of the Warden or Acting Warden has reasonable belief that an inmate is concealing contraband in or on his person. If located, the contraband or foreign item may be removed immediately by medical staff if such removal can easily be effected by use of fingers or the simple instruments referred to above. Staff shall document all digital and simple instrument searches and the reasons for the searches in the inmate’s central file.

(1) Staff shall solicit the inmate’s written consent prior to conducting a digital or simple instrument search. However, the inmate’s consent is not required.

(2) Staff may not conduct a digital or simple instrument search if it is likely to result in physical injury to the inmate.

§ 552.12 Close observation.

When there is reasonable belief that an inmate has ingested contraband or concealed contraband in a body cavity and the methods of search specified in § 552.11 are inappropriate or likely to result in physical injury to the inmate, the Warden or designee may authorize the placement of an inmate in a room or cell for the purpose of staff’s closely observing that inmate until the inmate has voided the contraband or until sufficient time has elapsed to preclude the possibility that the inmate is concealing contraband.

(a) The length of close observation status will be determined on an individual basis. Ordinarily, the Captain, in consultation with qualified health personnel, shall determine when termination is appropriate. The status of an inmate under close observation for as long as three days must be reviewed by the Segregation Review Official according to the provisions in § 541.22(c) of this chapter, and the initial SRO review conducted within three work days shall be a formal hearing. Maintaining an inmate under close observation beyond seven days requires approval of the Warden, who makes this decision in consultation with the Captain and qualified health personnel.

(b) The supervising staff member shall be the same sex as the inmate and shall maintain complete and constant visual supervision of the inmate.

(c) The supervisor responsible for initiating the close observation watch shall advise the inmate of the conditions and of what is expected.

(1) The inmate shall be required to provide a urine sample within two hours of placement under close observation in accordance with the provisions of § 550.30 of this chapter on urine surveillance. A second urine sample is
required prior to releasing the inmate from close observation.

(2) The light will be kept on at all times.

(3) No inmate under close observation status may be allowed to come into contact with another inmate.

(4) The inmate ordinarily may not be allowed personal property while under close observation status, except legal and personal mail and a reasonable amount of legal materials when requested. Personal hygiene items will be controlled by staff.

(5) When the inmate is lying on a bed, the inmate shall be required to lie on top of the mattress in full view, weather and room temperature permitting. When necessary for the inmate to use cover, hands must remain visible at all times so that staff can observe any attempt to move contraband.

(6) Due to security concerns, the inmate ordinarily may not be permitted recreation outside of the cell.

(7) The inmate is to be served the same meals as those served to the general population, unless medically contraindicated.

(8) No medications may be given to the inmate except for those prescribed and given by hospital personnel. No laxatives may be given except natural laxatives, i.e., coffee, prune juice, etc.

(9) When the inmate needs to urinate and/or defecate, the inmate will be furnished an empty hospital bed pan.

(10) When the inmate requests to shave, to brush teeth, or other such request, a wash pan and container of water is to be provided for use in the cell.

(11) Institution staff shall be available to the inmate upon request, within reason and within the bounds of security concerns.

[56 FR 21036, May 6, 1991]

§ 552.13 Medical x-ray device, major instrument, or surgical intrusion.

(a) The institution physician may authorize use of a major instrument (including anoscope or vaginal speculum) or surgical intrusion for medical reasons only, with the inmate’s consent.

(b) The institution physician may authorize use of a medical x-ray device for medical reasons and only with the consent of the inmate. When there exists no reasonable alternative, and an examination using a medical x-ray device is determined necessary for the security, good order, or discipline of the institution, the Warden, upon approval of the Regional Director, may authorize the institution physician to order a non-repetitive examination using a medical x-ray device for the purpose of determining if contraband is concealed in or on the inmate (for example: In a cast or body cavity). The examination using a medical x-ray device may not be performed if it is determined by the institution physician that it is likely to result in serious or lasting medical injury or harm to the inmate. Staff shall place documentation of the examination and the reasons for the examination in the inmate’s central file and medical file.

(1) The Warden and Regional Director or persons officially acting in that capacity may not redelegate the authority to approve an examination using a medical x-ray device for the purpose of determining if contraband is present. An Acting Warden or Acting Regional Director may, however, perform this function.

(2) Staff shall solicit the inmate’s consent prior to an examination using a medical x-ray device. However, the inmate’s consent is not required.

(c) The Warden may direct searches of inanimate objects using a medical x-ray device where the inmate is not exposed.

[80 FR 32002, June 5, 2015]

§ 552.14 Search of inmate housing and work areas.

(a) Staff may search an inmate’s housing and work area, and personal items contained within those areas, without notice to or prior approval from the inmate and without the inmate’s presence.

(b) Staff conducting the search shall leave the housing or work area as nearly as practicable in its original order.

Subpart C—Use of Force and Application of Restraints on Inmates

§ 552.20 Purpose and scope.

The Bureau of Prisons authorizes staff to use force only as a last alternative after all other reasonable efforts to resolve a situation have failed. When authorized, staff must use only that amount of force necessary to gain control of the inmate, to protect and ensure the safety of inmates, staff, and others, to prevent serious property damage and to ensure institution security and good order. Staff are authorized to apply physical restraints necessary to gain control of an inmate who appears to be dangerous because the inmate:

(a) Assaults another individual;
(b) Destroys government property;
(c) Attempts suicide;
(d) Inflicts injury upon self; or
(e) Becomes violent or displays signs of imminent violence.

This rule on application of restraints does not restrict the use of restraints in situations requiring precautionary restraints, particularly in the movement or transfer of inmates (e.g., the use of handcuffs in moving inmates to and from a cell in detention, escorting an inmate to a Special Housing Unit pending investigation, etc.).

§ 552.21 Types of force.

(a) Immediate use of force. Staff may immediately use force and/or apply restraints when the behavior described in §552.20 constitutes an immediate, serious threat to the inmate, staff, others, property, or to institution security and good order.

(b) Calculated use of force and/or application of restraints. This occurs in situations where an inmate is in an area that can be isolated (e.g., a locked cell, a range) and where there is no immediate, direct threat to the inmate or others. When there is time for the calculated use of force or application of restraints, staff must first determine if the situation can be resolved without resorting to force (see §552.23).

(c) Use of Force Team Technique. If use of force is determined to be necessary, and other means of gaining control of an inmate are deemed inappropriate or ineffective, then the Use of Force Team Technique shall be used to control the inmate and to apply soft restraints, to include ambulatory leg restraints. The Use of Force Team Technique ordinarily involves trained staff, clothed in protective gear, who enter the inmate’s area in tandem, each with a coordinated responsibility for helping achieve immediate control of the inmate.

(d) Exceptions. Any exception to this rule is prohibited, except where the facts and circumstances known to the staff member would warrant a person using sound correctional judgment to reasonably believe other action is necessary (as a last resort) to prevent serious physical injury, or serious property damage which would immediately endanger the safety of staff, inmates, or others.

§ 552.22 Principles governing the use of force and application of restraints.

(a) Staff ordinarily shall first attempt to gain the inmate’s voluntary cooperation before using force.

(b) Force may not be used to punish an inmate.

(c) Staff shall use only that amount of force necessary to gain control of the inmate. Situations when an appropriate amount of force may be warranted include, but are not limited to:

(1) Defense or protection of self or others;
(2) Enforcement of institutional regulations; and
(3) The prevention of a crime or apprehension of one who has committed a crime.

(d) Where immediate use of restraints is indicated, staff may temporarily apply such restraints to an inmate to prevent that inmate from hurting self, staff, or others, and/or to prevent serious property damage. When the temporary application of restraints is determined necessary, and after staff
§ 552.23 Confrontation avoidance procedures.

Prior to any calculated use of force, the ranking custodial official (ordinarily the Captain or shift Lieutenant), a designated mental health professional, and others shall confer and gather pertinent information about the inmate and the immediate situation. Based on their assessment of that information, they shall identify a staff member(s) to attempt to obtain the inmate’s voluntary cooperation and, using the knowledge they have gained about the inmate and the incident, determine if use of force is necessary.

§ 552.24 Use of four-point restraints.

When the Warden determines that four-point restraints are the only means available to obtain and maintain control over an inmate, the following procedures must be followed:

(a) Soft restraints (e.g., vinyl) must be used to restrain an inmate, unless:

(1) Such restraints previously have proven ineffective with respect to that inmate, or

(2) Such restraints are proven ineffective during the initial application procedure.

(b) Inmates will be dressed in clothing appropriate to the temperature.

(c) Beds will be covered with a mattress, and a blanket/sheet will be provided to the inmate.

(d) Staff shall check the inmate at least every 15 minutes, both to ensure that the restraints are not hampering circulation and for the general welfare of the inmate. When an inmate is restrained to a bed, staff shall periodically rotate the inmate’s position to avoid soreness or stiffness.

(e) A review of the inmate’s placement in four-point restraints shall be made by a Lieutenant every two hours to determine if the use of restraints has had the required calming effect and so that the inmate may be released from these restraints (completely or to lesser restraints) as soon as possible. At every two-hour review, the inmate will be afforded the opportunity to use the toilet, unless the inmate is continuing to actively resist or becomes violent while being released from the restraints for this purpose.

(f) When the inmate is placed in four-point restraints, qualified health personnel shall initially assess the inmate to ensure appropriate breathing and response (physical or verbal). Staff shall also ensure that the restraints have not restricted or impaired the inmate’s
Bureau of Prisons, Justice

§ 552.25 Use of less-than-lethal weapons, including chemical agents.

(a) The Warden may authorize the use of less-than-lethal weapons, including those containing chemical agents, only when the situation is such that the inmate:
   (1) Is armed and/or barricaded; or
   (2) Cannot be approached without danger to self or others; and
   (3) It is determined that a delay in bringing the situation under control would constitute a serious hazard to the inmate or others, or would result in a major disturbance or serious property damage.

(b) The Warden may delegate the authority under this regulation to one or more supervisors on duty and physically present, but not below the position of Lieutenant.

§ 552.26 Medical attention in use of force and application of restraints incidents.

(a) In immediate use of force situations, staff shall seek the assistance of mental health or qualified health personnel upon gaining physical control of the inmate. When possible, staff shall seek such assistance at the onset of the violent behavior. In calculated use of force situations, the use of force team leader shall seek the guidance of qualified health personnel (based upon a review of the inmate’s medical record) to identify physical or mental problems.

When mental health staff or qualified health personnel determine that an inmate requires continuing care, and particularly when the inmate to be restrained is pregnant, the deciding staff shall assume responsibility for the inmate’s care, to include possible admission to the institution hospital, or, in the case of a pregnant inmate, restraining her in other than face down four-point restraints.

(b) After any use of force or forcible application of restraints, the inmate shall be examined by qualified health personnel, and any injuries noted, immediately treated.

§ 552.27 Documentation of use of force and application of restraints incidents.

Staff shall appropriately document all incidents involving the use of force, chemical agents, or less-than-lethal weapons. Staff shall also document, in writing, the use of restraints on an inmate who becomes violent or displays signs of imminent violence. A copy of the report shall be placed in the inmate’s central file.

Subpart D—Hostage Situation Management

SOURCE: 61 FR 38042, July 22, 1996, unless otherwise noted.

§ 552.30 Purpose and scope.

The Bureau of Prisons primary objectives in all hostage situations are to safely free the hostage(s) and to regain control of the institution.

§ 552.31 Negotiations.

The Warden is not ordinarily involved directly in the negotiation process. Instead, this responsibility is ordinarily assigned to a team of individuals specifically trained in hostage negotiation techniques.

(a) Negotiators have no decision-making authority in hostage situations, but rather serve as intermediaries between hostage takers and command center staff.
§ 552.32 Hostages.

Captive staff have no authority and their directives shall be disregarded.

§ 552.33 Media.

The Warden shall assign staff to handle all news releases and news media inquiries in accordance with the rule on Contact with News Media (see 28 CFR 540.65).

Subpart E—Suicide Prevention Program

Source: 72 FR 12086, Mar. 15, 2007, unless otherwise noted.

§ 552.40 Purpose and scope.

The Bureau of Prisons (Bureau) operates a suicide prevention program to assist staff in identifying and managing potentially suicidal inmates. When staff identify an inmate as being at risk for suicide, staff will place the inmate on suicide watch. Based upon clinical findings, staff will either terminate the suicide watch when the inmate is no longer at imminent risk for suicide or arrange for the inmate’s transfer to a medical referral center or contract health care facility.

§ 552.41 Program procedures.

(a) Program Coordinator. Each institution must have a Program Coordinator for the institution’s suicide prevention program.

(b) Training. The Program Coordinator is responsible for ensuring that appropriate training is available to staff and to inmates selected as inmate observers.

(c) Identification of at risk inmates. (1) Medical staff are to screen a newly admitted inmate for signs that the inmate is at risk for suicide. Ordinarily, this screening is to take place within twenty-four hours of the inmate’s admission to the institution.

(2) Staff (whether medical or non-medical) may make an identification at any time based upon the inmate’s observed behavior.

(d) Referral. Staff who identify an inmate to be at risk for suicide will have the inmate placed on suicide watch.

(e) Assessment. A psychologist will clinically assess each inmate placed on suicide watch.

(f) Intervention. Upon completion of the clinical assessment, the Program Coordinator or designee will determine the appropriate intervention that best meets the needs of the inmate.

§ 552.42 Suicide watch conditions.

(a) Housing. Each institution must have one or more rooms designated specifically for housing an inmate on suicide watch. The designated room must allow staff to maintain adequate control of the inmate without compromising the ability to observe and protect the inmate.

(b) Observation. (1) Staff or trained inmate observers operating in scheduled shifts are responsible for keeping the inmate under constant observation.

(2) Only the Warden may authorize the use of inmate observers.

(3) Inmate observers are considered to be on an institution work assignment when they are on their scheduled shift.

(c) Suicide watch log. Observers are to document significant observed behavior in a log book.

(d) Termination. Based upon clinical findings, the Program Coordinator or designee will:

(1) Remove the inmate from suicide watch when the inmate is no longer at imminent risk for suicide, or

(2) Arrange for the inmate’s transfer to a medical referral center or health care facility.

PART 553—INMATE PROPERTY

Subpart A [Reserved]

Subpart B—Inmate Personal Property

Sec. 553.10 Purpose and scope.

553.11 Limitations on inmate personal property.

553.12 Contraband.

553.13 Procedures for handling contraband.

553.14 Inmate transfer between institutions and inmate release.
Subpart A [Reserved]

Subpart B—Inmate Personal Property

§ 553.10 Purpose and scope.

It is the policy of the Bureau of Prisons that an inmate may possess ordinarily only that property which the inmate is authorized to retain upon admission to the institution, which is issued while the inmate is in custody, which the inmate purchases in the institution commissary, or which is approved by staff to be mailed to, or otherwise received by an inmate, that does not threaten the safety, security, or good order of the facility or protection of the public. These rules contribute to the management of inmate personal property in the institution, and contribute to a safe environment for staff and inmates by reducing fire hazards, security risks, and sanitation problems which relate to inmate personal property. Consistent with the mission of the institution, each Warden shall identify in writing that personal property which may be retained by an inmate in addition to that personal property which has been approved by the Director for retention at all institutions.

§ 553.11 Limitations on inmate personal property.

(a) Numerical limitations. Authorized personal property may be subject to numerical limitations. The institution’s Admission and Orientation program shall include notification to the inmate of any numerical limitations in effect at the institution and a current list of any numerical limitations shall be posted on inmate unit bulletin boards.

(b) Storage space. Staff shall set aside space within each housing area for use by an inmate. The designated area shall include a locker or other secure area in which the inmate is to store authorized personal property. The inmate shall be allowed to purchase an approved locking device for personal property storage in regular living units. Staff may not allow an inmate to accumulate materials to the point where the materials become a fire, sanitation, security, or housekeeping hazard.

(c) Clothing. Civilian clothing (i.e., clothing not issued to the inmate by the Bureau or purchased by the inmate from the commissary) ordinarily is not authorized for retention by the inmate. Civilian clothing which previously had been approved for retention may not be retained after August 6, 1999. Prerelease civilian clothing for an inmate may be retained by staff in the Receiving and Discharge area during the last 30 days of the inmate’s confinement.

(d) Legal materials. Staff may allow an inmate to possess legal materials in accordance with the provisions on inmate legal activities (see § 543.11 of this chapter).

(e) Hobbycraft materials. Staff shall limit an inmate’s hobby shop projects within the cell or living area to those projects which the inmate may store in designated personal property containers. Staff may make an exception for an item (for example, a painting) where size would prohibit placing the item in a locker. This exception is made with the understanding that the placement of the item is at the inmate’s own risk. Staff shall require that hobby shop items be removed from the living area when completed, and be disposed of in accordance with the provisions of part 544, subpart D, of this chapter.

(f) Radios and Watches. An inmate may possess only one approved radio and one approved watch at a time. The inmate must be able to demonstrate proof of ownership. An inmate who purchases a radio or watch through a Bureau of Prisons commissary is ordinarily permitted the use of that radio
or watch at any Bureau institution if the inmate is later transferred. If the inmate is not allowed to use the radio or watch at the new institution, the inmate shall be permitted to mail, at the receiving institution's expense, the radio and/or watch to a destination of the inmate's choice. Where the inmate refuses to provide a mailing address, the radio and/or watch may be disposed of through approved methods, including destruction of the property.

(g) Education Program Materials. Education program materials or current correspondence courses may be retained even if not stored as provided in paragraph (b) of this section.

(h) Personal Photos. An inmate may possess photographs, subject to the limitations of paragraph (b) of this section, so long as they are not detrimental to personal safety or security, or to the good order of the institution.

§ 553.12 Contraband.

(a) Contraband is defined in § 500.1(h) of this chapter. Items possessed by an inmate ordinarily are not considered to be contraband if the inmate was authorized to retain the item upon admission to the institution, the item was issued by authorized staff, purchased by the inmate from the commissary, or purchased or received through approved channels (to include approved for receipt by an authorized staff member or authorized by institution guidelines).

(b) For the purposes of this subpart, there are two types of contraband.

(1) Staff shall consider as hard contraband any item which threatens the safety, security, or good order of the facility or protection of the public and which ordinarily is not approved for possession by an inmate or for admission into the institution. Examples of hard contraband include weapons, intoxicants, and currency (where prohibited).

(2) Staff shall consider as nuisance contraband any item other than hard contraband, which has never been authorized, or which may be, or which previously has been authorized for possession by an inmate, but whose possession is prohibited when it presents a threat to safety, security, or good order of the facility or protection of the public, or its condition or excessive quantities of it present a health, fire, or housekeeping hazard. Examples of nuisance contraband include: personal property no longer permitted for admission to the institution or permitted for sale in the commissary; altered personal property; excessive accumulation of commissary, newspapers, letters, or magazines which cannot be stored neatly and safely in the designated area; food items which are spoiled or retained beyond the point of safe consumption; government-issued items which have been altered, or other items made from government property without staff authorization.

§ 553.13 Procedures for handling contraband.

(a) Staff shall seize any item in the institution which has been identified as contraband whether the item is found in the physical possession of an inmate, in an inmate’s living quarters, or in common areas of the institution.

(b) Staff shall dispose of items seized as contraband in accordance with the following procedures.

(1) Staff shall return to the institution’s issuing authority any item of government property seized as contraband, except where the item is needed as evidence for disciplinary action or criminal prosecution. In such cases, staff may retain the seized property as evidence.

(2) Items of personal property confiscated by staff as contraband are to be inventoried and stored pending identification of the true owner (if in question) and possible disciplinary action. Following an inventory of the confiscated items, staff shall employ the following procedures.

(i) Staff shall provide the inmate with a copy of the inventory as soon as practicable. A copy of this inventory shall also be placed in the inmate’s central file.

(ii) The inmate shall have seven days following receipt of the inventory to provide staff with evidence of ownership of the listed items. A claim of ownership may not be accepted for an item made from the unauthorized use
of government property. Items obtained from another inmate (for example, through purchase, or as a gift) without staff authorization may be considered nuisance contraband for which a claim of ownership is ordinarily not accepted.

(ii) If the inmate establishes ownership, but the item is identified as contraband, staff shall mail such items (other than hard contraband), at the inmate's expense, to a destination of the inmate's choice. The Warden or designee may authorize the institution to pay the cost of such mailings when the item had not been altered and originally had been permitted for admission to the institution or had been purchased from the commissary, or where the inmate has insufficient funds and no likelihood of new funds being received. Where the inmate has established ownership of a contraband item, but is unwilling, although financially able to pay postage as required, or refuses to provide a mailing address for return of the property, the property is to be disposed of through approved methods, including destruction of the property.

(iv) If the inmate is unable to establish ownership, staff shall make reasonable efforts to identify the owner of the property before any decision to destroy the property is made.

(v) Staff shall prepare and retain written documentation describing any items destroyed and the reasons for such action.

(vi) Where disciplinary action is appropriate, staff shall delay disposition of property until completion of such action (including appeals).

(c) Staff shall retain items of hard contraband for disciplinary action or prosecution or both. The contraband items may be delivered to law enforcement personnel for official use. When it is determined that the item is not needed for criminal prosecution, the hard contraband shall be destroyed as provided in paragraph (b)(2)(v) of this section. Written documentation of the destruction shall be maintained for at least two years.

(d) Staff may not allow an inmate to possess funds in excess of established institutional limits. Staff shall deliver to the cashier any cash or negotiable instruments found in an inmate’s possession which exceed the institution’s allowable limits. Funds determined to be contraband shall be confiscated for crediting to the U.S. Treasury.

(1) Where disciplinary action against the inmate is appropriate, staff shall delay final disposition of the funds until such action (including appeals) is completed.

(2) Prior to a decision on the disposition of funds, staff shall allow the inmate a reasonable amount of time to prove ownership.

§ 553.14 Inmate transfer between institutions and inmate release.

(a) Except as provided for in paragraphs (a)(1) through (3) of this section, authorized personal property shall be shipped by staff to the receiving institution.

(1) The Warden ordinarily shall allow an inmate transferring to another institution to transport personal items determined necessary or appropriate by staff and, if applicable, legal materials for active court cases.

(2) The Warden may require or allow an inmate who is transferring to another institution under furlough conditions to transport all the inmate’s authorized personal property with him or her.

(3) An inmate who is being released or who is transferring to a Community Corrections Center may arrange to ship personal property at the inmate’s expense. The inmate is responsible for transporting any personal property not so shipped.

(b) If the inmate’s personal property is not authorized for retention by the receiving institution, staff at the receiving institution shall arrange for the inmate’s excess personal property to be mailed to a non-Bureau destination of the inmate’s choice. The inmate shall bear the expense for this mailing.

(c) Whenever the inmate refuses to provide a mailing address for return of the property or, when required, refuses to bear the expense of mailing the property, the property is to be disposed
§ 553.15 Limitations on personal property—medical transfers.

The Warden shall set a limit on the amount of personal property that may accompany an inmate transferring to a medical facility. For purpose of this rule, a medical facility is one which provides observation and/or treatment of a medical, surgical, or psychiatric nature, or any combination of these. Such medical transfers are ordinarily of a short-term duration (30–120 days).

(a) The Wardens of the sending and receiving institutions shall allow the inmate to retain those legal materials specifically needed in respect to ongoing litigation. Questions as to the need for such material may be referred to Regional Counsel.

(b) The Warden of the sending institution shall designate a secure location for storage of all inmate personal property not accompanying the inmate.

(c) Personal property permitted in the sending institution, but not in the receiving institution, shall either be retained at the sending institution or be mailed to a destination of the inmate’s choice.

(1) If the inmate is expected to return to the sending institution within 120 days of transfer, staff shall advise the inmate that property not allowed in the medical facility may be held at the sending institution or sent to a destination of the inmate’s choice (other than the medical facility), at the inmate’s expense. Where lack of space prevents retention of the inmate’s property at the sending institution, that institution shall pay postage costs connected with mailing the inmate’s property to a destination of the inmate’s choice. Where lack of space prevents the retention of the inmate’s property at the sending institution, and the inmate refuses to provide a mailing address for return of the property, the property is to be disposed of through approved methods, including destruction of the property.

(2) The inmate’s property may be sent with the inmate to the medical facility when the inmate is not expected to return to the sending institution, will be at the medical facility over 120 days, or for any other justified reason. The Warden at the sending institution shall prepare and place in the inmate’s central file written documentation for forwarding the inmate’s personal property.

(d) The Warden of the medical facility shall return an inmate’s personal property ordinarily in the same or equivalent size container as originally used by the sending institution. Property accumulated over that amount, at the option of the inmate, will either be sent to a destination selected by the inmate, at the inmate’s expense, donated, or destroyed. If the inmate is financially able but refuses to pay for the mailing, or if the inmate refuses to provide a mailing address for forwarding of the property, the property is to be disposed of through approved methods, including destruction of the property.

Subpart A [Reserved]

Subpart B—Pre-Release Community Confinement

Source: 73 FR 62443, Oct. 21, 2008, unless otherwise noted.

§ 570.20 Purpose.

The purpose of this subpart is to provide the procedures of the Bureau of Prisons (Bureau) for designating inmates to pre-release community confinement or home detention.

(a) Community confinement is defined as residence in a community treatment center, halfway house, restitution center, mental health facility, alcohol or drug rehabilitation center, or other community correctional facility (including residential re-entry centers); and participation in gainful employment, employment search efforts, community service, vocational training, treatment, educational programs, or similar facility-approved programs during non-residential hours.

(b) Home detention is defined as a program of confinement and supervision that restricts the defendant to his place of residence continuously, except for authorized absences, enforced by appropriate means of surveillance by the probation office or other monitoring authority.

§ 570.21 Time-frames.

(a) Community confinement. Inmates may be designated to community confinement as a condition of pre-release custody and programming during the final months of the inmate’s term of imprisonment, not to exceed twelve months.

(b) Home detention. Inmates may be designated to home detention as a condition of pre-release custody and programming during the final months of the inmate’s term of imprisonment, not to exceed the shorter of ten percent of the inmate’s term of imprisonment or six months.

(c) Exceeding time-frames. These time-frames may be exceeded when separate statutory authority allows greater periods of community confinement as a condition of pre-release custody.

§ 570.22 Designation.

Inmates will be considered for pre-release community confinement in a manner consistent with 18 U.S.C. section 3621(b), determined on an individual basis, and of sufficient duration to provide the greatest likelihood of successful reintegration into the community, within the time-frames set forth in this part.
§ 570.30 Purpose.

The purpose of this subpart is to describe the procedures governing the furlough program of the Federal Bureau of Prisons (Bureau), which is authorized by 18 U.S.C. 3622. Under the furlough program, the Bureau allows inmates who meet certain requirements to be temporarily released from custody under carefully prescribed conditions.

§ 570.31 Inmate eligibility for furloughs.

(a) Eligible inmates. The following types of inmates may be eligible for furloughs:

(1) Sentenced inmates housed in Bureau facilities.

(2) Pretrial inmates housed in Bureau facilities (provided that they comply with the requirements of 28 CFR part 551, Subpart J).

(3) Sentenced inmates housed in Bureau facilities and classified as central inmate monitoring cases (provided that they comply with the requirements of 28 CFR part 524, Subpart F).

(b) Ineligible inmates. The following types of inmates are not eligible for furloughs:

(1) Sentenced inmates housed in contract facilities are not eligible to participate in the Bureau's furlough program under these rules, but may apply for furloughs as specified in that facility's written agreement with the Bureau.

(2) Inmates who are U.S. Marshals prisoners housed in contract facilities are not eligible to participate, but must direct any furlough requests to the U.S. Marshals.

§ 570.32 Types of furloughs.

A furlough is an authorized absence from an institution by an inmate who is not under escort of a staff member, U.S. Marshal, or state or federal agents. The two types of furloughs are:

(a) Transfer furlough—A furlough for the purpose of transferring an inmate from one Bureau facility to another, a non-federal facility, or community confinement (including home confinement) as noted below at §570.33(a).

(b) Non-transfer furlough—A furlough for any purpose other than a transfer furlough, and which may be defined based on its nature, as either emergency or routine, as follows:

(1) Emergency furlough—A furlough allowing an inmate to address a family crisis or other urgent situation as noted below at §570.33(b).

(2) Routine furlough—A furlough for any of the reasons noted below at §570.33 (a) and (c) through (j).

(c) Duration and distance of non-transfer furlough—

(1) Day furlough—A furlough within the geographic limits of the commuting area of the institution, which lasts 16 hours or less and ends before midnight.

(2) Overnight furlough—A furlough which falls outside the criteria of a day furlough.

§ 570.33 Justification for furlough.

The Warden or designee may authorize a furlough, for 30 calendar days or less, for an inmate to:

(a) Transfer directly to another Bureau institution, a non-federal facility, or community confinement;

(b) Be present during a crisis in the immediate family, or in other urgent situations;

(c) Participate in the development of release plans;

(d) Establish or reestablish family and community ties;

(e) Participate in selected educational, social, civic, and religious activities which will facilitate release transition;

(f) Appear in court in connection with a civil action;

(g) Comply with an official request to appear before a grand jury, or to comply with a request from a legislative body, or regulatory or licensing agency;

(h) Appear in or prepare for a criminal court proceeding, but only when the use of a furlough is requested or recommended by the applicable court or prosecuting attorney;

(i) Participate in special training courses or in institution work assignments, including Federal Prison Industries (FPI) work assignments, when
daily commuting from the institution is not feasible; or
(j) Receive necessary medical, surgical, psychiatric, or dental treatment not otherwise available.

§ 570.34 Expenses of furlough.

All expenses of a furlough, including transportation, food, lodging, and incidentals, are the responsibility of the inmate, the inmate's family, or other appropriate source approved by the Warden, except that the government may bear the expense of a furlough if it is for the government's primary benefit.

§ 570.35 Transfer furlough eligibility requirements.

(a) Inmates transferring to administrative, low, medium, or high security facilities are generally not eligible for participation in the Bureau's transfer furlough program.

(b) For a transfer furlough, inmates other than those described in paragraph (a) of this section must:
(1) Be physically and mentally capable of completing the furlough; and
(2) Demonstrate sufficient responsibility to provide reasonable assurance that furlough requirements will be met.

(c) Inmates transferring to minimum security facilities must meet the requirements described in paragraph (b) of this section, and must also be:
(1) Transferring from a low or minimum security facility; and
(2) Appropriate for placement in a minimum security facility based on the inmate's security designation and custody classification at the time of transfer.

(d) Inmates transferring to community confinement must meet the requirements described in paragraph (b) of this section, and must also be appropriate for placement in community confinement based on the inmate's security designation and custody classification at the time of transfer.

§ 570.36 Non-transfer furlough eligibility requirements.

(a) An inmate may be eligible for a non-transfer furlough if the inmate meets the criteria described in §570.35(b) and the following additional criteria:

<table>

(b) Ordinarily, Wardens will not grant a furlough to an inmate if:
(1) The inmate is convicted of a serious crime against a person;
(2) The inmate’s presence in the community would attract undue public attention, create unusual concern, or diminish the seriousness of the offense; or
(3) The inmate has been granted a furlough in the past 90 days.

§ 570.37 Procedures to apply for a furlough.

(a) Application. Inmates may submit a furlough application to staff, who will review it for compliance with these regulations and Bureau policy.

(b) Notification of decision. An inmate will be notified of the Warden’s decision on the furlough application. Where a furlough application is denied, the inmate will be notified of the reasons for the denial.

(c) Appeal. An inmate may appeal any aspect of the furlough program through the Administrative Remedy Program, 28 CFR Part 542, Subpart B.

§ 570.38 Conditions of Furlough.

(a) An inmate who violates the conditions of a furlough may be considered an escapee under 18 U.S.C. 4082 or 18 U.S.C. 751, and may be subject to criminal prosecution and institution disciplinary action.

(b) A furlough will only be approved if an inmate agrees to the following
conditions and understands that, while on furlough, he/she:

(1) Remains in the legal custody of the U.S. Attorney General, in service of a term of imprisonment;

(2) Is subject to prosecution for escape if he/she fails to return to the institution at the designated time;

(3) Is subject to institution disciplinary action, arrest, and criminal prosecution for violating any condition(s) of the furlough;

(4) May be thoroughly searched and given a urinalysis, breathalyzer, and other comparable test, during the furlough or upon return to the institution, and must pre-authorize the cost of such test(s) if the inmate or family members are paying the other costs of the furlough. The inmate must pre-authorize all testing fees to be withdrawn directly from his/her inmate deposit fund account;

(5) Must contact the institution (or United States Probation Officer) in the event of arrest, or any other serious difficulty or illness; and

(6) Must comply with any other special instructions given by the institution.

(c) While on furlough, the inmate must not:

(1) Violate the laws of any jurisdiction (federal, state, or local);

(2) Leave the area of his/her furlough without permission, except for traveling to the furlough destination, and returning to the institution;

(3) Purchase, sell, possess, use, consume, or administer any narcotic drugs, marijuana, alcohol, or intoxicants in any form, or frequent any place where such articles are unlawfully sold, dispensed, used, or given away;

(4) Use medication that is not prescribed and given to the inmate by the institution medical department or a licensed physician;

(5) Have any medical/dental/surgical/psychiatric treatment without staff’s written permission, unless there is an emergency. Upon return to the institution, the inmate must notify institution staff if he/she received any prescribed medication or treatment in the community for an emergency;

(6) Possess any firearm or other dangerous weapon;

(7) Get married, sign any legal papers, contracts, loan applications, or conduct any business without staff’s written permission;

(8) Associate with persons having a criminal record or with persons who the inmate knows to be engaged in illegal activities without staff’s written permission;

(9) Drive a motor vehicle without staff’s written permission, which can only be obtained if the inmate has proof of a currently valid driver’s license and proof of appropriate insurance; or

(10) Return from furlough with anything the inmate did not take out with him/her (for example, clothing, jewelry, or books).

Subpart D—Escorted Trips

SOURCE: 50 FR 48366, Nov. 22, 1985, unless otherwise noted.

§ 570.40 Purpose and scope.

The Bureau of Prisons provides approved inmates with staff-escorted trips into the community for such purposes as receiving medical treatment not otherwise available, for visiting a critically-ill member of the inmate’s immediate family, or for participating in program or work-related functions.

§ 570.41 Medical escorted trips.

(a) Medical escorted trips are intended to provide an inmate with medical treatment not available within the institution. There are two types of medical escorted trips.

(1) Emergency medical escorted trip. An escorted trip occurring as the result of an unexpected life-threatening medical situation requiring immediate medical treatment not available at the institution. The required treatment may be on either an in-patient or out-patient basis.

(2) Non-emergency medical escorted trip. A pre-planned escorted trip for the purpose of providing an inmate with medical treatment ordinarily not available at the institution. The required treatment may be on either an in-patient or out-patient basis.

(b) The Clinical Director or designee is responsible for determining whether a medical escorted trip is appropriate.
(c) Escorted trip procedures—out-patient medical treatment. A recommendation for an inmate to receive a medical escorted trip is prepared by medical staff, forwarded through the appropriate staff for screening and clearance, and then submitted to the Warden for review. The Warden may approve an inmate for an out-patient medical escorted trip.

(d) Escorted trip procedures—in-patient medical treatment. A recommendation for an inmate to receive a medical escorted trip is prepared by medical staff, forwarded through the appropriate staff for screening and clearance, and then submitted to the Warden. The Warden may approve an inmate for an in-patient medical escorted trip.

[50 FR 48366, Nov. 22, 1985, as amended at 57 FR 21158, May 18, 1992]

§ 570.42 Non-medical escorted trips.

(a) Non-medical escorted trips allow an inmate to leave the institution under staff escort for approved, non-medical reasons. There are two types of non-medical escorted trips.

(1) Emergency non-medical escorted trip. An escorted trip for such purposes as allowing an inmate to attend the funeral of, or to make a bedside visit to, a member of an inmate’s immediate family. For purposes of this rule, immediate family refers to mother, father, brother, sister, spouse, children, step-parents, and foster parents.

(2) Non-emergency, non-medical escorted trip. An escorted trip for such purposes as allowing inmates to participate in program-related functions, such as educational or religious activities, or in work-related functions.

(b) Escorted trip procedures—emergency non-medical reasons. Unit staff are to investigate, and determine, the merits of an escorted trip following a review of the available information. This includes contacting those persons (e.g., attending physician, hospital staff, funeral home staff, family members, U.S. Probation Officer) who can contribute to a determination on whether an escorted trip should be approved.

(1) The government assumes the salary expenses of escort staff for the first eight hours of each day. All other expenses, including transportation costs, are assumed by the inmate, the inmate’s family, or other appropriate source approved by the Warden. The necessary funds must be deposited to the inmate’s trust fund account prior to the trip. Funds paid by the inmate for purposes of the escorted trip are then drawn, payable to the Treasury of the United States. Unexpended funds are returned to the inmate’s trust fund account following the completion of the trip.

(2) A request for an inmate to receive an emergency non-medical escorted trip is prepared by unit staff, forwarded through the appropriate staff for screening and clearance, and then submitted to the Warden. Except as specified in §570.43, the Warden may approve an inmate for an emergency non-medical escorted trip.

(c) Escorted trip procedures—non-emergency, non-medical reasons. This type of escorted trip is considered for an inmate who has been at the institution for at least 90 days, and who is considered eligible for less secure housing and for work details, under minimal supervision, outside the institution’s perimeter. A recommendation for an inmate to receive an escorted trip for non-emergency, non-medical reasons is prepared by the recommending staff, forwarded through the appropriate staff for screening and clearance, and then submitted to the Warden. Except as specified in §570.43, the Warden may approve an inmate for a non-emergency, non-medical escorted trip.

§ 570.43 Inmates requiring a high degree of control and supervision.

Only the Regional Director may approve a non-medical escorted trip (either emergency or non-emergency) for an inmate determined to require a high degree of control and supervision.

§ 570.44 Supervision and restraint requirements.

Inmates under escort will be within the constant and immediate visual supervision of escorting staff at all times. Restraints may be applied to an inmate going on an escorted trip, after considering the purpose of the escorted trip and the degree of supervision required by the inmate. Except for escorted
§ 570.45 Violation of escorted trip.
(a) Staff shall process as an escapee an inmate who absconds from an escorted trip.
(b) Staff may take disciplinary action against an inmate who fails to comply with any of the conditions of the escorted trip.

§ 571.10 Purpose and scope.

The Bureau of Prisons recognizes that an inmate’s preparation for release begins at initial commitment and continues throughout incarceration and until final release to the community. This subpart establishes a standardized release preparation program for all sentenced inmates reintegrating into the community from Bureau facilities. Exception to this subpart may be made by the Warden of a Bureau facility which has been designated as an administrative maximum security institution.

[61 FR 38043, July 22, 1996]

§ 571.11 Program responsibility.

The Warden shall designate to a staff member the responsibility to:
(a) Determine the general release needs of the inmate population;
(b) Coordinate the institution release preparation program;
(c) Chair the Release Preparation Program Committee;
§ 571.12 General characteristics.
(a) Staff shall structure the release preparation program to make extensive use of staff, inmate, and community resources.
(b) Staff shall strongly encourage and support an inmate’s participation in the institution release preparation program. Staff shall document the inmate’s participation in the program in the inmate’s central file.

§ 571.13 Institution release preparation program.
(a) The institution release preparation program shall be administered by the Release Preparation Program Committee.
(b) The institution release preparation program will be based on a core curriculum of topics/courses organized into six broad categories. The six categories are:
   (1) Health and nutrition.
   (2) Employment.
   (3) Personal finance/consumer skills.
   (4) Information/community resources.
   (5) Release requirements and procedures.
   (6) Personal growth and development.
(c) To assist in the release process, the Warden may, in accordance with the Bureau of Prisons’ rule on furloughs, grant an inmate a furlough for release preparation purposes.
(d) Staff shall help an inmate obtain proper identification (social security card, driver’s license, birth certificate, and/or any other documents needed by the inmate) prior to release.
(e) An inmate who is not being released through a Community Corrections Center (CCC) may ask staff to request the assistance of a United States Probation Officer in establishing a release plan. Bureau staff are to encourage the inmate to give at least one employment lead or contact. Where the inmate or the inmate’s family has already identified employment, the case manager shall notify the United States Probation Officer so that the usual verification of release plans may be made. Where employment has not been identified, the case manager shall notify the United States Probation Officer of the employment need. This notification should ordinarily occur at least six weeks prior to the inmate’s release.

Subpart C—Release Gratuities, Transportation, and Clothing

SOURCE: 56 FR 23480, May 21, 1991, unless otherwise noted.

§ 571.20 Purpose and scope.
It is the policy of the Bureau of Prisons that an inmate being released to the community will have suitable clothing, transportation to the inmate’s release destination, and some funds to use until he or she begins to receive income. Based on the inmate’s need and financial resources, a discretionary gratuity up to the amount permitted by statute may be granted.

§ 571.21 Procedures.
(a) An inmate is eligible for a gratuity as determined by the availability of personal and community resources. Greater consideration may be given to an inmate without funds or community resources.
(b) A federal prisoner boarded in a non-federal facility is eligible for a release gratuity. The director of the non-federal facility housing federal inmates or the community corrections manager shall determine the amount of release gratuity in accordance with the purpose and scope of this regulation for federal inmates housed in non-federal facilities.
(c) An inmate who is without personal funds may receive a gratuity when transferred to a community corrections center. The amount shall enable the inmate to care for needs in transit and allow for the purchase of necessary personal items upon arrival.
(d) Staff shall provide the inmate released to a detainer with information on how to apply for a gratuity if released prior to expiration of the federal sentence.
(e) Staff will ensure that each alien released to immigration authorities for
§ 571.22 Release clothing and transportation.

(a) Staff shall provide release clothing appropriate for the time of year and the inmate’s geographical destination. Upon request, work clothing will be provided. Nonavailability of work clothing may limit this practice.

(b) Inmates transferring to a community corrections center will be provided adequate clothing to complete a job search and perform work. Additionally, an outer garment, seasonably suited for the geographical destination will be provided.

(c) Transportation will be provided to an inmate’s place of conviction or to his/her legal residence within the United States or its territories.

§ 571.41 Procedures.

(a) Staff shall suggest that an inmate who wishes to submit a petition for commutation of sentence do so through the Warden to the U.S. Pardon Attorney. This procedure allows institution staff to forward with the application the necessary supplemental information (for example, sentencing information, presentence report, progress report, pertinent medical records if the petition involves the inmate’s health, etc.). Except as provided in paragraph (b) of this section, no Bureau of Prisons recommendation is to be forwarded with the package of material submitted to the U.S. Pardon Attorney.

(b) When specifically requested by the U.S. Pardon Attorney, the Director, Bureau of Prisons shall submit a recommendation on the petition. Prior to making a recommendation, the Director may request comments from the Warden at the institution where the inmate is confined. Upon review of those comments, the Director will forward a recommendation on the petition to the U.S. Pardon Attorney.

(c) When a petition for commutation of sentence is granted by the President
of the United States, the U.S. Pardon Attorney will forward the original of
the signed and sealed warrant of clemency evidencing the President’s action
to the Warden at the detaining institution, with a copy to the Director, Bu-
reau of Prisons. The Warden shall deliver the original warrant to the af-
fected inmate, and obtain a signed receipt for return to the U.S. Pardon At-
torney. The Warden shall take such action as is indicated in the warrant of
clemency.

(1) If a petition for commutation of sentence is granted, Bureau of Prisons
staff shall recalculate the inmate’s sentence in accordance with the terms
of the commutation order.

(2) If the commutation grants parole eligibility, the inmate is to be placed
on the appropriate parole docket.

(d) When a petition for commutation of sentence is denied, the U.S. Pardon
Attorney ordinarily notifies the War-
den, requesting that the Warden notify
the inmate of the denial.

§ 571.51 Definitions.

(a) Fine—a monetary penalty associated with an offense imposed as part of
a judgment and commitment. There are two types of fines.

(1) Committed fine—a monetary penalty imposed with a condition of im-
prisonment until the fine is paid.

(2) Non-committed fine—a monetary penalty which has no condition of con-
finement imposed.

(b) Costs—Monetary costs of the legal proceeding which the court may levy.
Imposition of costs is similar in legal effect to imposition of a fine. The court
may also impose costs with a condition of imprisonment.

§ 571.52 Procedures—committed fines.

(a)(1) Promptly after the inmate’s commitment, staff shall inform the in-
mate that there is a committed fine, or fine and costs on file, as part of
the sentence. When the court orders a prisoner’s confine-
ment until payment of a fine, or fine and costs under 18 U.S.C. 3565, the Bu-
reau of Prisons shall confine that in-
mate until the fine, or fine and costs
are paid, unless the inmate qualifies

(a) An inmate held on the sole basis
of his/her inability to pay such fine, or
fine and costs, and whose non-exempt
property does not exceed $20.00 may re-
quest discharge from imprisonment
on the basis of indigency (see 18 U.S.C.
3569).

(b) Under 18 U.S.C. 3569, the deter-
mination of indigency may be made by
a U.S. Magistrate Judge. Where the
U.S. Magistrate Judge makes a finding
of non-indigency based on the inmate’s
application for a determination of his
ability to pay the committed fine, or
fine and costs, staff shall refer the ap-
plication to the appropriate United
States Attorney for the purpose of
making a final decision on the in-
mate’s discharge under 18 U.S.C. 3569.
It is to be noted that 18 U.S.C. 3569 pro-
vides for confining an inmate for non-
payment of a committed fine, or fine
and costs.

§ 571.50 Purpose and scope.

This subpart establishes procedures for processing a fine, or fine and costs
ordered by the court with respect to an
inmate convicted of an offense com-
mitted before November 1, 1987. When
the court orders a prisoner’s confine-
ment until payment of a fine, or fine
and costs under 18 U.S.C. 3565, the Bu-
reau of Prisons shall confine that in-
mate until the fine, or fine and costs
are paid, unless the inmate qualifies

(a) An inmate with a committed fine, or fine and costs who is imprisoned in a federal institution may make application for a determination of indigency directly to the U.S. Magistrate Judge in the district where the inmate is imprisoned under 18 U.S.C. 3569.

(b) After completion of the application, staff shall offer to forward the completed forms and any other applicable information the inmate chooses to the U.S. Magistrate Judge.

(c) If the U.S. Magistrate Judge finds that the inmate is indigent, the U.S. Magistrate Judge will administer the oath to the inmate. The inmate shall be released no earlier than the regularly established release date.

(d) If the U.S. Magistrate Judge finds that the inmate is not indigent, Bureau staff shall forward a referral package to the appropriate United States Attorney for a final determination as to the inmate’s ability to pay the committed fine, or fine and costs.

Subpart G—Compassionate Release (Procedures for the Implementation of 18 U.S.C. 3582(c)(1)(A) and 4205(g))

SOURCE: 59 FR 1238, Jan. 7, 1994, unless otherwise noted.

§ 571.60 Purpose and scope.

Under 18 U.S.C. 4205(g), a sentencing court, on motion of the Bureau of Prisons, may make an inmate with a minimum term sentence immediately eligible for parole by reducing the minimum term of the sentence to time served. Under 18 U.S.C. 3582(c)(1)(A), a sentencing court, on motion of the Director of the Bureau of Prisons, may reduce the term of imprisonment of an inmate sentenced under the Comprehensive Crime Control Act of 1984. The Bureau uses 18 U.S.C. 4205(g) and 18 U.S.C. 3582(c)(1)(A) in particularly extraordinary or compelling circumstances which could not reasonably have been foreseen by the court at the time of sentencing.

728
§ 571.61 Initiation of request—extraordinary or compelling circumstances.

(a) A request for a motion under 18 U.S.C. 4205(g) or 3582(c)(1)(A) shall be submitted to the Warden. Ordinarily, the request shall be in writing, and submitted by the inmate. An inmate may initiate a request for consideration under 18 U.S.C. 4205(g) or 3582(c)(1)(A) only when there are particularly extraordinary or compelling circumstances which could not reasonably have been foreseen by the court at the time of sentencing. The inmate’s request shall at a minimum contain the following information:

(1) The extraordinary or compelling circumstances that the inmate believes warrant consideration.

(2) Proposed release plans, including where the inmate will reside, how the inmate will support himself/herself, and, if the basis for the request involves the inmate’s health, information on where the inmate will receive medical treatment, and how the inmate will pay for such treatment.

(b) The Bureau of Prisons processes a request made by another person on behalf of an inmate in the same manner as an inmate’s request. Staff shall refer a request received at the Central Office to the Warden of the institution where the inmate is confined.

§ 571.62 Approval of request.

(a) The Bureau of Prisons makes a motion under 18 U.S.C. 4205(g) or 3582(c)(1)(A) only after review of the request by the Warden, the General Counsel, and either the Medical Director for medical referrals or the Assistant Director, Correctional Programs Division for non-medical referrals, and with the approval of the Director, Bureau of Prisons.

(1) The Warden shall promptly review a request for consideration under 18 U.S.C. 4205(g) or 3582(c)(1)(A). If the Warden, upon an investigation of the request determines that the request warrants approval, the Warden shall refer the matter in writing with recommendation to the Office of General Counsel.

(2) If the General Counsel determines that the request warrants approval, the General Counsel shall solicit the opinion of either the Medical Director or the Assistant Director, Correctional Programs Division depending upon the nature of the basis of the request. The General Counsel will solicit the opinion of the United States Attorney in the district in which the inmate was sentenced. With these opinions, the General Counsel shall forward the entire matter to the Director, Bureau of Prisons, for final decision, subject to the general supervision and direction of the Attorney General and Deputy Attorney General.

(3) If the Director, Bureau of Prisons, grants a request under 18 U.S.C. 4205(g), the Director will contact the U.S. Attorney in the district in which the inmate was sentenced regarding moving the sentencing court on behalf of the Bureau of Prisons to reduce the minimum term of the inmate’s sentence to time served. If the Director, Bureau of Prisons, grants a request under 18 U.S.C. 3582(c)(1)(A), the Director will contact the U.S. Attorney in the district in which the inmate was sentenced regarding moving the sentencing court on behalf of the Director of the Bureau of Prisons to reduce the inmate’s term of imprisonment to time served.

(b) Upon receipt of notice that the sentencing court has entered an order granting the motion under 18 U.S.C. 4205(g), the Warden of the institution where the inmate is confined shall schedule the inmate for hearing on the earliest Parole Commission docket. Upon receipt of notice that the sentencing court has entered an order granting the motion under 18 U.S.C. 3582(c)(1)(A), the Warden of the institution where the inmate is confined shall release the inmate forthwith.

(c) In the event the basis of the request is the medical condition of the inmate, staff shall expedite the request at all levels.

§ 571.63 Denial of request.

(a) When an inmate’s request is denied by the Warden, the inmate will receive written notice and a statement of
reasons for the denial. The inmate may appeal the denial through the Administrative Remedy Procedure (28 CFR part 542, subpart B).

(b) When an inmate’s request for consideration under 18 U.S.C. 4205(g) or 3582(c)(1)(A) is denied by the General Counsel, the General Counsel shall provide the inmate with a written notice and statement of reasons for the denial. This denial constitutes a final administrative decision.

(c) When the Director, Bureau of Prisons, denies an inmate’s request, the Director shall provide the inmate with a written notice and statement of reasons for the denial within 20 workdays after receipt of the referral from the Office of General Counsel. A denial by the Director constitutes a final administrative decision.

(d) Because a denial by the General Counsel or Director, Bureau of Prisons, constitutes a final administrative decision, an inmate may not appeal the denial through the Administrative Remedy Procedure.

§ 571.64 Ineligible offenders.

The Bureau of Prisons has no authority to initiate a request under 18 U.S.C. 4205(g) or 3582(c)(1)(A) on behalf of state prisoners housed in Bureau of Prisons facilities or D.C. Code offenders confined in federal institutions. The Bureau of Prisons cannot initiate such a motion on behalf of federal offenders who committed their offenses prior to November 1, 1987, and received non-paroleable sentences.

§ 600.1 Grounds for appointing a Special Counsel.

The Attorney General, or in cases in which the Attorney General is recused, the Acting Attorney General, will appoint a Special Counsel when he or she determines that criminal investigation of a person or matter is warranted and—

(a) That investigation or prosecution of that person or matter by a United States Attorney's Office or litigating Division of the Department of Justice would present a conflict of interest for the Department or other extraordinary circumstances; and

(b) That under the circumstances, it would be in the public interest to appoint an outside Special Counsel to assume responsibility for the matter.

§ 600.2 Alternatives available to the Attorney General.

When matters are brought to the attention of the Attorney General that might warrant consideration of appointment of a Special Counsel, the Attorney General may:

(a) Appoint a Special Counsel;

(b) Direct that an initial investigation, consisting of such factual inquiry or legal research as the Attorney General deems appropriate, be conducted in order to better inform the decision; or

(c) Conclude that under the circumstances of the matter, the public interest would not be served by removing the investigation from the normal processes of the Department, and that the appropriate component of the Department should handle the matter. If the Attorney General reaches this conclusion, he or she may direct that appropriate steps be taken to mitigate any conflicts of interest, such as recusal of particular officials.

§ 600.3 Qualifications of the Special Counsel.

(a) An individual named as Special Counsel shall be a lawyer with a reputation for integrity and impartial decisionmaking, and with appropriate experience to ensure both that the investigation will be conducted ably, expeditiously and thoroughly, and that investigative and prosecutorial decisions will be supported by an informed understanding of the criminal law and Department of Justice policies. The Special Counsel shall be selected from outside the United States Government. Special Counsels shall agree that their responsibilities as Special Counsel shall take first precedence in their professional lives, and that it may be necessary to devote their full time to the investigation, depending on its complexity and the stage of the investigation.

(b) The Attorney General shall consult with the Assistant Attorney General for Administration to ensure an appropriate method of appointment, and to ensure that a Special Counsel undergoes an appropriate background investigation and a detailed review of ethics and conflicts of interest issues. A Special Counsel shall be appointed as a “confidential employee” as defined in 5 U.S.C. 7511(b)(2)(C).

§ 600.4 Jurisdiction.

(a) Original jurisdiction. The jurisdiction of a Special Counsel shall be established by the Attorney General. The Special Counsel will be provided with a specific factual statement of the matter to be investigated. The jurisdiction of a Special Counsel shall also include the authority to investigate and prosecute federal crimes committed in the course of, and with intent to interfere with, the Special Counsel's investigation, such as perjury, obstruction of
§ 600.5 Staff.

A Special Counsel may request the assignment of appropriate Department employees to assist the Special Counsel. The Department shall gather and provide the Special Counsel with the names and resumes of appropriate personnel available for detail. The Special Counsel may also request the detail of specific employees, and the office for which the designated employee works shall make reasonable efforts to accommodate the request. The Special Counsel shall assign the duties and supervise the work of such employees while they are assigned to the Special Counsel. If necessary, the Special Counsel may request that additional personnel be hired or assigned from outside the Department. All personnel in the Department shall cooperate to the fullest extent possible with the Special Counsel.

§ 600.6 Powers and authority.

Subject to the limitations in the following paragraphs, the Special Counsel shall exercise, within the scope of his or her jurisdiction, the full power and independent authority to exercise all investigative and prosecutorial functions of any United States Attorney. Except as provided in this part, the Special Counsel shall determine whether and to what extent to inform or consult with the Attorney General or others within the Department about the conduct of his or her duties and responsibilities.

§ 600.7 Conduct and accountability.

(a) A Special Counsel shall comply with the rules, regulations, procedures, practices and policies of the Department of Justice. He or she shall consult with appropriate offices within the Department for guidance with respect to established practices, policies and procedures of the Department, including ethics and security regulations and procedures. Should the Special Counsel conclude that the extraordinary circumstances of any particular decision would render compliance with required review and approval procedures by the designated Departmental component inappropriate, he or she may consult directly with the Attorney General.

(b) The Special Counsel shall not be subject to the day-to-day supervision of any official of the Department. However, the Attorney General may request that the Special Counsel provide an explanation for any investigative or prosecutorial step, and may after review conclude that the action is so inappropriate or unwarranted under established Departmental practices that it should not be pursued. In conducting that review, the Attorney General will give great weight to the views of the Special Counsel. If the Attorney General concludes that a proposed action by a Special Counsel should not be pursued, the Attorney General shall notify Congress as specified in §600.9(a)(3).

(c) The Special Counsel and staff shall be subject to disciplinary action for misconduct and breach of ethical duties under the same standards and to the same extent as are other employees of the Department of Justice. Inquiries into such matters shall be handled
§ 600.10 No creation of rights.

The regulations in this part are not intended to, do not, and may not be relied upon to create any rights, substantive or procedural, enforceable at law or equity, by any person or entity, in any matter, civil, criminal, or administrative.
PART 601—JURISDICTION OF THE INDEPENDENT COUNSEL: IRAN/CONTRA

§ 700.10 General provisions.

(a) Purpose and scope. The subpart contains the regulations of the Office of Independent Counsel implementing the Privacy Act of 1974, 5 U.S.C. 552a. The regulations apply to all records that are contained in systems of records maintained by the Office of Independent Counsel and that are retrieved by an individual’s name or personal identifier. These regulations set forth the procedures by which an individual may seek access under the Privacy Act to records pertaining to him, may request correction of such records, or may seek an accounting of disclosures of such records by the office.

(b) Transfer of law-enforcement records. The head of the Office, or his designee, is authorized to make written requests under 5 U.S.C. 552a(b)(7) for transfer of records maintained by other agencies that are necessary to carry out an authorized law-enforcement activity of the Office.

(c) Definitions. As used in this subpart, the following terms shall have the following meanings:

(1) Agency has the meaning given in 5 U.S.C. 551(1) and 5 U.S.C. 552a(a)(1).
(2) Record has the same meaning given in 5 U.S.C. 552(a)(4).
(3) Request for access means a request made pursuant to 5 U.S.C. 552a(d)(1).
(4) Request for correction means a request made pursuant to 5 U.S.C. 552a(d)(2).

Both the envelope and the request itself should be marked: “Privacy Act Request.”

(b) Description of records sought. A request for access to records must describe the records sought in sufficient detail to enable Office personnel to locate the system of records containing
§ 700.12 Responses to requests for access to records.

(a) Authority to grant or deny requests. The head of the Office, or his designee, is authorized to grant or deny any request for access to a record.

(b) Initial action by the Office. When the Office receives a request for access to a record in its possession, the Office shall promptly determine whether another Government agency is better able to determine whether the record is exempt, to any extent, from access. If the Office determines that it is the agency best able to determine whether the record is exempt, to any extent, from access, the Office shall respond to the request. If the Office determines that it is not the agency best able to determine whether the record is exempt from access, the Office shall respond to the request, after consulting with the agency best able to determine whether the record is exempt from access. Under ordinary circumstances, the agency that generated or originated a requested record shall be presumed to be the agency best able to determine whether the record is exempt from access. However, nothing in this section shall prohibit the agency that generated or originated a requested record from consulting with the Office, if the agency that generated or originated the requested record determines that the Office has an interest in the requested record or the information contained therein.

(c) Law-enforcement information. Whenever a request for access is made for a record containing information that relates to an investigation of a possible violation of criminal law or to a criminal law-enforcement proceeding and that was generated or originated by another agency, the Office shall consult with that other agency, as appropriate.

Whenever possible, a request for access should describe the nature of the records sought, the date of the record or the period in which the record was compiled, and the name or identifying number of the system of records in which the requester believes the record is kept.

(c) Agreement to pay fees. The filing of a request for access to a record under this subpart shall be deemed to constitute an agreement to pay all applicable fees charged under § 700.17 up to $25.00. The Office shall confirm this agreement in its letter of acknowledgment to the requesters. When filing a request, a requester may specify a willingness to pay a greater amount, if applicable.

(d) Verification of identity. Any individual who submits a request for access to records must verify his identity in one of the following ways, unless the notice published in the FEDERAL REGISTER describing the relevant system of records provides otherwise.

(1) Any requester making a request in writing must state in his request his full name, current address, and date and place of birth. In addition, a requester must provide with his request an example of his signature, which shall be notarized. In order to facilitate the identification and location of the requested records, a requester may also, at his option, include in his request his Social Security number.

(2) Any requester submitting a request in person may provide to the Office a form of official photographic identification, such as a passport or an identification badge. If a requester is unable to produce a form of photographic identification, he may provide to the Office two or more acceptable forms of identification (such as a driver's license or credit card) bearing his name and address.

(e) Verification of guardianship. The parent or guardian of a minor (or the guardian of a person judicially determined to be incompetent) who submits a request for access to the records of the minor or incompetent must establish:

(1) His own identity and the identity of the subject of the record, as required in paragraph (d) of this section.

(2) That he is the parent or guardian of the subject of the record, which may be proved by providing a copy of the subject's birth certificate showing parenthood or by providing a court order establishing the guardianship, and

(3) That he seeks to act on behalf of the subject of the record.
containing information that has been classified, or that may be eligible for classification, by another agency under the provision of Executive Order 12356 or any other Executive order concerning the classification of records, the Office shall refer the responsibilities for responding to the request to the agency that classified the information or should consider the information for classification. Whenever a record contains information that has been derivatively classified by the Office because it contains information classified by another agency, the Office shall refer the responsibility for responding to the request to the agency that classified the underlying information; however, such referral shall extend only to the information classified by the other agency.

(e) Agreements regarding consultations. No provision of this section shall preclude formal or informal agreements between the Office and another agency, to eliminate the need for consultations concerning requests or classes of requests.

(f) Date for determining responsive records. In determining records responsive to a request for access, the Office ordinarily will include only those records within the Office’s possession and control as of the date of its receipt of the request.

§ 700.13 Form and content of Office responses.

(a) Form of notice granting request for access. After the Office has made a determination to grant a request for access in whole or in part, the Office shall so notify the requester in writing. The notice shall describe the manner in which access to the record will be granted and shall inform the requester of any fees to be charged in accordance with §700.17.

(b) Form of notice denying request for access. When the Office denies a request for access in whole or in part it shall so notify the requester in writing. The notice shall be signed by the head of the Office, or his designee, and shall include:

(1) The name and title or position of the person responsible for the denial;

(2) A brief statement of the reason or reasons for the denial, including the Privacy Act exemption or exemptions that the Office has relied upon in denying the request and a brief explanation of the manner in which the exemption or exemptions apply to each record withheld; and

(3) A statement that the denial may be appealed under §700.18(a) and a description of the requirements of that subsection.

(c) Record cannot be located or has been destroyed. If a requested record cannot be located from the information supplied, or is known or believed to have been destroyed or otherwise disposed of, the Office shall so notify the requester in writing.

(d) Medical records. When an individual requests medical records pertaining to himself that are not otherwise exempt from individual access, the Office may advise the individual that the records will be provided only to a physician, designated by the individual, who requests the records and establishes his identity in writing. The designated physician shall determine which records should be provided to the individual and which records should not be disclosed to the individual because of possible harm to the individual or another person.

§ 700.14 Classified information.

In processing a request for access to a record containing information that is classified or classifiable under Executive Order 12356 or any other Executive order concerning the classification of records, the Office shall review the information to determine whether it warrants classification. Information that does not warrant classification shall not be withheld from a requester on the basis of 5 U.S.C. 552a(k)(1). The Office shall, upon receipt of any appeal involving classified or classifiable information, take appropriate action to ensure compliance with the provisions of Executive Order 12356.

§ 700.15 Records in exempt systems of records.

(a) Law-enforcement records exempted under subsections (j)(2) and (k)(2). Before denying a request by an individual for access to a law-enforcement record that has been exempted from access

§ 700.16 Access to records.

(a) Manner of access. The Office, once it has made a determination to grant a request for access, shall grant the requester access to the requested record by—

(1) Providing the requester with a copy of the record or

(2) Making the record available for inspection by the requester at a reasonable time and place.

The Office shall in either case charge the requester applicable fees in accordance with the provisions of §700.17. If the Office provides access to a record by making the record available for inspection by the requester, the manner of such inspection shall not unreasonably disrupt the operations of the Office.

(b) Accompanying person. A requester appearing in person to review his records may be accompanied by another individual of his own choosing. Both the requester and the accompanying person shall be required to sign a form stating that the Office of Independent Counsel is authorized to disclose the record in the presence of both individuals.

§ 700.17 Fees for access to records.

(a) When charged. The Office shall charge fees pursuant to 5 U.S.C. 552a(f)(5) for the copying of records to afford access to individuals unless the Office, in its discretion, waives or reduces the fees for good cause shown. The Office shall charge fees only at the rate of $0.10 per page. For materials other than paper copies, the Office may charge the direct costs of reproduction, but only if the requester has been notified of such costs before they are incurred. Fees shall not be charged when they would amount, in the aggregate, for one request or for a series of related requests, to less than $3.00. However, the Office may, in its discretion, increase the amount of this minimum fee.

(b) Notice of estimated fees in excess of $25. When the Office determines or estimates that the fees to be charged under this section may amount to more than $25, the Office shall notify the requester as soon as practicable of the actual or estimated amount of the fee, unless the requester has indicated in advance his willingness to pay a fee as high as that anticipated. (If only a portion of the fee can be estimated readily, the Office shall advise the requester that the estimated fee may be only a portion of the total fee.) When the estimated fee exceeds $25 and the Office has so notified the requester, the Office will be deemed not to have received the request for access to records until the requester has agreed to pay the anticipated fee. A notice to a requester pursuant to this paragraph shall offer him the opportunity to confer with Office personnel with the object of reformulating his request to meet his needs at a lower cost.

(c) Form of payment. Requesters must pay fees by check or money order made payable to the Treasury of the United States.

(d) Advance deposits. (1) When the estimated fee chargeable under this section exceeds $25, the Office may require a requester to make an advance deposit of 25 percent of the estimated fee or an
§ 700.20 Requests for correction of records.

(a) How made. Unless a record is exempted from correction and amendment, an individual may submit a request for correction of a record pertaining to him. A request for correction must be made in writing. The request must identify the particular record in question, state the correction sought, and set forth the justification for the correction. Both the envelope and the request for correction itself must be clearly marked: “Privacy Act Correction Request.”

(b) Initial determination. Within 10 working days of receiving a request for correction, the Office shall notify the requester whether his request will be granted or denied, in whole or in part. If the Office grants the request for correction in whole or in part, it shall advise the requester of his right to obtain a copy of the corrected record, in releasable form, upon request. If the Office denies the request for correction in whole or in part, it shall notify the requester in writing of the denial. The notice of denial shall state the reason or reasons for the denial and advise the requester of his right to appeal.

(c) Appeals. When a request for correction is denied in whole or in part, the requester may appeal the denial to Independent Counsel within 30 days of his receipt of the notice denying his request. An appeal to Independent Counsel shall be made in writing, shall set forth the specific item of information sought to be corrected, and shall include any documentation said to justify the correction. An appeal shall be addressed to the Office of Independent Counsel, suite 701 West, 555 Thirteenth Street, NW., Washington, DC 20004.
§ 700.21

Both the envelope and the letter of appeal itself must be clearly marked: "Privacy Act Correction Appeal."

(d) Determination on appeal. Independent Counsel, or his designee, shall decide all appeals from denials or requests to correct records. All such appeals shall be decided within 30 working days of receipt of the appeal, unless there is good cause to extend this period. If the denial of a request is affirmed on appeal, the requester shall be so notified in writing and advised of—

(1) The reason or reasons the denial has been affirmed.

(2) The requester’s right to file a Statement of Disagreement, as provided in paragraph (e) of this section, and

(3) The requester’s right to obtain judicial review of the denial in the United States District Court for the judicial district in which the requester resides or has his principal place of business, the judicial district in which the record is located, or the District of Columbia.

If the denial is reversed on appeal, the requester shall be so notified and the request for correction shall be remanded to the Office for processing in accordance with the decision on appeal.

(e) Statements of disagreement. A requester whose appeal under this section is denied shall have the right to file a Statement of Disagreement with the Office of Independent Counsel, Suite 701 West, 555 Thirteenth Street, NW., Washington, DC 20004, within 30 days of receiving notice of denial of his appeal. Statements of disagreement may not exceed one typed page per fact disputed. Statements exceeding this limit shall be returned to the requester for condensation. Upon receipt of a statement of disagreement under this section, Independent Counsel, or his designee, shall have the statement included in the system of records in which the disputed record is maintained and shall have the disputed record marked so as to indicate—

(1) That a statement of disagreement has been filed, and

(2) Where in the system of records the statement of disagreement may be found.

(f) Notices of correction or disagreement. Within 30 working days of the correction of a record, the Office shall advise all agencies to which it previously disclosed the record that the record has been corrected. Whenever an individual has filed a statement of disagreement, the Office shall append a copy of the statement to the disputed record whenever the record is disclosed. The Office may also append to the disputed record any written statement it has made giving the Office’s reasons for denying the request to correct the record.

§ 700.21 Records not subject to correction.

The following records are not subject to correction or amendment as provided in §700.20:

(a) Transcripts of testimony given under oath or written statements made under oath;

(b) Transcripts of grand jury proceedings, judicial proceedings, or quasi-judicial proceedings that constitute the official record of such proceedings;

(c) Presentence records that are the property of the courts, but may be maintained by the Office in a system of records; and

(d) Records duly exempted from correction pursuant to 5 U.S.C. 552a(j) or 552a(k) by notice published in the Federal Register.

§ 700.22 Request for accounting of record disclosures.

(a) An individual may request the Office to provide him with an accounting of those other agencies to which the Office has disclosed the record, and the date, nature, and purpose of each disclosure. A request for an accounting must be made in writing and must identify the particular record for which the accounting is requested. The request also must be addressed to the Office and both the envelope and the request itself must clearly be marked: "Privacy Act Accounting Request."

(b) The Office shall not be required to provide an accounting to an individual to the extent that the accounting relates to—

(1) Records for which no accounting must be kept pursuant to 5 U.S.C. 552a(c)(1).
Office of Independent Counsel § 700.25

(2) Disclosures of records to law-enforcement agencies for lawful law-enforcement activities, pursuant to written requests from such law-enforcement agencies specifying records sought and the law-enforcement activities for which the records are sought, under 5 U.S.C. 552a (c)(3) and (b)(7), or

(3) Records for which an accounting need not be disclosed pursuant to 5 U.S.C. 552a (j) or (k).

(c) A denial of a request for an accounting may be appealed to Independent Counsel in the same manner as a denial of a request for access, with both the envelope and the letter of appeal itself clearly marked: “Privacy Act Accounting Appeal.”

§ 700.23 Notice of subpoenas and emergency disclosures.

(a) Subpoenas. When records pertaining to an individual are subpoenaed by a grand jury, court, or quasi-judicial authority, the official served with the subpoena shall be responsible for ensuring that written notice of its service is forwarded to the individual. Notice shall be provided within 10 working days of the service of the subpoena or, in the case of a grand jury subpoena, within 10 working days of its becoming a matter of public record. Notice shall be mailed to the last known address of the individual and shall contain the following information: The date the subpoena is returnable, the court or quasi-judicial authority to which it is returnable, the name and number of the case of proceeding, and the nature of the records sought. Notice of the service of a subpoena is not required if the system of records has been exempted from the notice requirement of 5 U.S.C. 552a(e)(8), pursuant to 5 U.S.C. 552a(j), by a Notice of Exemption published in the FEDERAL REGISTER.

(b) Emergency disclosures. If the record of an individual has been disclosed to any person under compelling circumstances affecting the health or safety of any person, as described in 5 U.S.C. 552a(b)(8), the individual to whom the record pertains shall be notified of the disclosure at his last known address within 10 working days. The notice of such disclosure shall be in writing and shall state the nature of the information disclosed, the person or agency to whom it was disclosed, the date of disclosure, and the compelling circumstances justifying the disclosure. The officer who made or authorized the disclosure shall be responsible for providing such notification.

§ 700.24 Security of systems of records.

(a) The Office Administrator or Security Officer shall be responsible for issuing regulations governing the security of systems of records. To the extent that such regulations govern the security of automated systems of records, the regulations shall be consistent with the guidelines developed by the National Bureau of Standards.

(b) The Office shall establish administrative and physical controls to prevent unauthorized access to its systems of records, to prevent the unauthorized disclosure of records, and to prevent the physical damage or destruction of records. The stringency of such controls shall reflect the sensitivity of the records the controls protect. At a minimum, however, the Office’s administrative and physical controls shall ensure that—

(1) Records are protected from public view.

(2) The area in which records are kept is supervised during business hours to prevent unauthorized persons from having access to the records, and

(3) Records are inaccessible to unauthorized persons outside of business hours.

(c) The Office shall establish rules restricting access to records to only those individuals within the Office who must have access to such records in order to perform their duties. The Office also shall adopt procedures to prevent the accidental disclosure of records or the accidental granting of access to records.

§ 700.25 Use and collection of social security numbers.

(a) Each system manager of a system of records that utilizes Social Security numbers as a method of identification without statutory authorization, or authorization by regulation adopted prior to January 1, 1975, shall take steps to
§ 700.26 Employee standards of conduct.

(a) The Office shall inform its employees of the provisions of the Privacy Act, including the Act’s civil liability and criminal penalty provisions. The Office also shall notify its employees that they have a duty to—

(1) Protect the security of records,
(2) Assure the accuracy, relevance, timeliness, and completeness of records,
(3) Avoid the unauthorized disclosure, either verbal or written, of records, and
(4) Ensure that the Office maintains no system of records without public notice.

(b) Except to the extent that the Privacy Act permits such activities, an employee of the Office of Independent Counsel shall:

(1) Not collect information of a personal nature from individuals unless the employee is authorized to collect such information to perform a function or discharge a responsibility of the Office;
(2) Collect from individuals only that information that is necessary to the performance of the functions or to the discharge of the responsibilities of the Office;
(3) Collect information about an individual directly from that individual, whenever practicable;
(4) Inform each individual from whom information is collected of—
   (i) The legal authority that authorizes the Office to collect such information,
   (ii) The principal purposes for which the Office intends to use the information,
   (iii) The routine uses the Office may make of the information, and
   (iv) The effects upon the individual of not furnishing the information;
(5) Maintain all records that are used by the agency in making any determination about any individual with such accuracy, relevance, timeliness, and completeness as to assure fairness to the individual in the determination;
(6) Except as to disclosures to an agency or pursuant to 5 U.S.C. 552a(b)(2), make reasonable efforts, prior to disseminating any record about an individual, to assure that such records are accurate, relevant, timely, and complete;
(7) Maintain no record concerning an individual’s religious or political beliefs or activities, or his membership in associations or organizations, unless—
   (i) The individual has volunteered such information for his own benefit,
   (ii) A statute expressly authorizes the Office to collect, maintain, use or disseminate the information, or
   (iii) The individual’s beliefs, activities, or membership are pertinent to and within the scope of an authorized law-enforcement or correctional activity;
(8) Notify the head of the Office of the existence or development of any system of records that has not been disclosed to the public;
(9) When required by the Act, maintain an accounting in the prescribed form of all disclosures of records by the Office to agencies or individuals whether verbally or in writing;
(10) Disclose no record to anyone, except within the Office, for any use, unless authorized by the Act;
(11) Maintain and use records with care to prevent the inadvertent disclosure of a record to anyone; and
(12) Notify the head of the Office of any record that contains information that the Act or the foregoing provisions of this paragraph do not permit the Office to maintain.

(c) Not less than once a year, the head of each Office shall review the systems of records maintained by that Office to ensure that the Office is in
Office of Independent Counsel § 700.31

compliance with the provisions of the Privacy Act.

§ 700.27 Other rights and services.

Nothing in this subpart shall be construed to entitle any person, as of right, to any service or to the disclosure of any record to which such person is not entitled under 5 U.S.C. 552a.

Subpart B—Exemption of the Office of Independent Counsel’s Systems of Records Under the Privacy Act

§ 700.31 Exemption of the Office of Independent Counsel’s systems of records—limited access.

(a) The following system of records is exempt from 5 U.S.C. 552a(c) (3) and (4); (d); (e)(1), (2) and (3); (e)(4) (G), (H) and (I); (e) (5) and (8); (f); and (g):

(i) General Files System of the Office of Independent Counsel (OIC/001).

These exemptions apply only to the extent that information in the system is subject to exemption pursuant to 5 U.S.C. 552a (j)(2), (k)(1), (k)(2), and (k)(5).

(b) Exemptions from the particular subsections are justified for the following reasons:

(1) From subsection (c) (3) because making available to a record subject the accounting of disclosures from records concerning him/her would reveal investigative interest on the part of the Office of Independent Counsel as well as the recipient agency. This would permit record subjects to impede the investigation, e.g., destroy evidence, intimidate potential witnesses, or flee the area to avoid inquiries or apprehension by law-enforcement personnel. Moreover, the release of the accounting of disclosures made under subsection (b) of the Act, including those disclosures permitted under the routine uses published for these systems, would permit the subject of an investigation of an actual or potential criminal, civil or regulatory violation to determine whether he is the subject of an investigation or to obtain valuable information concerning the nature of the investigation, material compiled during the investigation, and the identity of witnesses and informants. Disclosure of the accounting would, therefore, present a serious impediment to law enforcement. In addition, disclosure of the accounting would amount to notice to the individual of the existence of a record; such notice requirement under subsection (f)(1) of the Act is specifically exempted for this system of records.

(2) From subsection (c)(4) because an exemption is being claimed under subsection (d) of the Act. This system is exempt from the access provisions of subsection (d) pursuant to subsections (j) and (k) of the Privacy Act. Subsection (c)(4), therefore, is inapplicable to this system of records.

(3) From subsection (d) because the records contained in this system relate to official federal investigations. Individual access to these records contained in this system would inform the subject of an investigation of an actual or potential criminal, civil, or regulatory violation, of the existence of that investigation, of the nature and scope of the information and evidence obtained as to his activities, of the identities of witnesses and informants, or would provide information that could enable the subject to avoid detection or apprehension. These factors would present a serious impediment to effective law enforcement because they could prevent the successful completion of the investigation, reveal confidential informants, endanger the physical safety of witnesses or informants, and lead to the improper influencing of witnesses, the destruction of evidence, or the fabrication of testimony. Individual access also could constitute an unwarranted invasion of the personal privacy of third parties who are involved in an investigation. Amendment of the records would interfere with ongoing criminal-law enforcement proceedings and impose an impossible administrative burden.

(4) From subsections (e) (1) and (5) because, in the course of criminal or other law-enforcement investigation, cases and matters, the Office of Independent Counsel may occasionally obtain information concerning actual or potential violations of law that are not strictly within its authority or jurisdiction, or may compile information, the accuracy of which is unclear or
which is not strictly relevant or necessary to a specific investigation. In the interests of effective law enforcement, it is appropriate and necessary to retain all information that may aid in establishing patterns of criminal activity. Moreover, it would impede the specific investigative process if it were necessary to ensure the relevance, accuracy, timeliness and completeness of all information obtained. In particular, this would restrict the ability of trained investigators, intelligence analysts, and government attorneys to exercise their judgment in reporting on information and investigations.

(5) From subsection (e)(2) because, in a criminal or other law-enforcement investigation, the requirement that information be collected to the greatest extent possible from the subject individual would present a serious impediment to law enforcement. In such circumstances, the subject of the investigation or prosecution would be informed of the existence of the investigation and would therefore be able to avoid detection, apprehension, or legal obligations or duties, as well as to influence witnesses improperly, to destroy evidence, or to fabricate testimony.

(6) From subsection (e)(3) because compliance with the requirements of this subsection during the course of an investigation could impede the information-gathering process, thus hampering the investigation. Furthermore, such requirements could compromise the existence of a confidential investigation or reveal the identity of witnesses or confidential informants.

(7) From subsections (e)(4)(G) and (H) because this system is exempt from the individual-access provisions of subsection (d) pursuant to subsections (j) and (k) of the Privacy Act.

(8) From subsection (e)(4)(I) because the categories of sources of records in this system have been published in the FEDERAL REGISTER in broad generic terms in the belief that this is all that subsection (e)(4)(I) of the Act requires. In the event, however, that this subsection should be interpreted to require more detail as to the identity of sources of the records in these systems, exemption from this provision is necessary in order to protect the confidentiality of the sources of criminal and other law-enforcement information. Such exemption is further necessary to protect the privacy and physical safety of witnesses and informants.

(9) From subsection (e)(8) because the individual-notice requirements of subsection (e)(8) could present a serious impediment to law enforcement through interference with the Office of Independent Counsel’s ability to issue subpoenas and the disclosure of its investigative techniques and procedures.

(10) From subsection (f) because this system is exempt from the individual-access provisions of subsection (d) pursuant to subsections (j) and (k) of the Privacy Act. Furthermore, such notice to an individual would be detrimental to the successful conduct and/or completion of an investigation or prosecution pending or future.

(11) From subsection (g) because this system is exempt from the individual-access and amendment provisions of subsection (d) and the provisions of subsection (f) pursuant to subsections (j) and (k) of the Privacy Act.

(c) The following system of records is exempt from 5 U.S.C. 552a(c) (3) and (4), (d), (e) (1), (2) and (3), (e)(4), (G), (H) and (I); (e) (5) and (8); (f) and (g):

1. Freedom of Information Act/Privacy Act Files (OIC/002). These exemptions apply to the extent that information in this system is subject to exemption pursuant to 5 U.S.C. 552a(j)(2), (k)(1), (k)(2) and (k)(5).

(d) Because this system contains Office of Independent Counsel criminal law-enforcement investigatory records, exemptions from the particular subsections are justified for the following reasons:

1. From subsection (c)(3) because the release of the disclosure accounting would permit the subject(s) of criminal investigations under investigation or in litigation to obtain valuable information concerning the nature of that investigation, matter or case and present a serious impediment to law-enforcement activities.

2. From subsection (c)(4) because an exemption is being claimed for subsection (d) of the Act, rendering this subsection inapplicable to the extent that this system of records is exempted from subsection (d).
(3) From subsection (d) because access to the records contained in this system would inform the subject of criminal investigation or case of the existence of such, and provide the subject with information that might enable him to avoid detection, apprehension or legal obligations, and present a serious impediment to law enforcement and other civil remedies. Amendment of the records would interfere with ongoing criminal law-enforcement proceedings and impose an impossible administrative burden.

(4) From subsection (e)(1) because in the courses of criminal investigations, matters or cases, the Office of Independent Counsel often obtains information concerning the violation of laws other than those relating to an active case, matter, or investigation. In the interests of effective law enforcement and criminal litigation, it is necessary that the Office of Independent Counsel retain this information since it can aid in establishing patterns of activity and provide valuable leads for future cases that may be brought within the Office of Independent Counsel.

(5) From subsection (e)(2) because collecting information to the greatest extent possible from the subject individual of a criminal investigation or prosecution would present a serious impediment to law enforcement. In such circumstances, the subject of the investigation would be placed on notice of the existence of the investigation and would therefore be able to avoid detection, apprehension, or legal obligations and duties.

(6) From subsection (e)(3) because providing individuals supplying information with a form stating the requirements of subsection (e)(3) would constitute a serious impediment to law enforcement. In those circumstances, it could compromise the existence of a confidential investigation, reveal the identity of confidential sources of information, and endanger the life and physical safety of confidential informants.

(7) From subsection (e)(4) (G), (H) and (I) because this system of records is exempt from the individual-access and amendment provisions of subsection (d) and the rules provisions of subsection (f).

(8) From subsection (e)(5) because, in the collection of information for law-enforcement purposes, it is impossible to determine in advance what information is accurate, relevant, timely, and complete. With the passage of time, seemingly irrelevant or untimely information may acquire new significance as further investigation brings new details to light and the accuracy of such information can only be determined in a court of law. The restrictions of subsection (e)(5) would inhibit the ability of trained investigators and intelligence analysts to exercise their judgment in reporting on investigations and impede the development of intelligence necessary for effective law enforcement.

(9) From subsection (e)(8) because the individual-notice requirements of subsection (e)(8) could present a serious impediment to law enforcement, i.e., this could interfere with the Office of Independent Counsel’s ability to issue subpoenas and could reveal investigative techniques and procedures.

(10) From subsection (f) because this system has been exempted from the individual-access and amendment provisions of subsection (d).

(11) From subsection (g) because the records in this system are generally compiled for law-enforcement purposes and are exempt from the individual-access and amendment provisions of subsections (d) and (f), this rendering subsection (g) inapplicable.

§ 701.10  General provisions.

(a) This part contains the regulations of the Office of Independent Counsel implementing the Freedom of Information Act ("FOIA"), 5 U.S.C. 552. Information customarily furnished to the public in the regular course of the performance of official duties may continue to be furnished to the public without complying with this part, provided that the furnishing of such information would not violate the Privacy Act of 1974, 5 U.S.C. 552a, and would not be inconsistent with regulations issued pursuant to the Privacy Act. To the extent permitted by other laws, the Office will also consider making available records that it is permitted to withhold under the FOIA if it determines that such disclosure would be in the public interest and would not interfere with the functioning of the Office.

(b) As used in this part, the following terms shall have the following meanings:

(1) Appeal means the appeal by a requester of an adverse determination of his request, as described in 5 U.S.C. 552(a)(6)(A)(ii).

(2) Agency has the meaning given in 5 U.S.C. 551(1) and 5 U.S.C. 552(e).

(3) Request means any request for records made pursuant to 5 U.S.C. 552(a)(3).

(4) Requester means any person who makes a request to the Office.

(5) Business information means trade secrets or other commercial or financial information.

(6) Business submitter means any commercial entity that provides business information to the Office and that has a proprietary interest in the information.

(c) The FOIA/PA Officer of the Office of Independent Counsel shall be responsible to Independent Counsel for all matters pertaining to the administration of this part.

(d) The Office of Independent Counsel shall comply with the time limits set forth in the FOIA for responding to and processing requests and appeals, unless there are exceptional circumstances within the meaning of 5 U.S.C. 552(a)(6)(C). The Office shall notify a requester whenever it is unable to respond to or process the request or appeal within the time limits established by the FOIA. The Office shall respond to and process requests and appeals in their approximate order of receipt, to the extent consistent with sound administrative practice.

§ 701.11  Requirements pertaining to requests.

(a) How made and addressed. A requester may make a request under this part for a record of the Office of Independent Counsel by writing to the Office at: FOIA/PA Officer, Office of Independent Counsel, Suite 701 West, 555 Thirteenth Street NW., Washington, DC 20004. A request should be sent to the Office at its proper address and both the envelope and the request itself should be clearly marked: "Freedom of Information Act Request."

(b) Request must reasonably describe the records sought. A request must describe the records sought in sufficient detail to enable Office personnel to locate the records with a reasonable amount of effort. A request for a specific category of records shall be regarded as fulfilling this requirement if it enables responsive records to be identified by a technique or process that is not unreasonably burdensome or disruptive of Office operations. Wherever possible, a request should include specific information about each record sought, such as the date, title or name, author, recipient, and subject matter of the record. In addition, if the request seeks records pertaining to pending litigation, the request should indicate the title of the case, the court in which the case was filed, and the nature of the case. If the Office determines that a request does not reasonably describe the records sought, the Office shall either advise the requester what additional information is needed or otherwise state why the request is insufficient. The Office also shall extend to the requester an opportunity to confer with Office personnel with the objective of reformulating the request in a manner that will meet the requirements of this section.

(c) Agreement to pay fees. (1) The filing of a request under this part shall be deemed to constitute an agreement by the requester to pay all applicable fees charged under §701.18 of this part, up to $25, unless a waiver of fees is sought.
The Office shall confirm this agreement in its letter of acknowledgement to the requester. When filing a request, a requester may specify a willingness to pay a greater amount, if applicable.

(2) If a waiver of fees up to $25 is sought in the requester's request to the Office, the Office will make its determination on the fee waiver (and notify the requester as soon as possible) after receipt of the request. The submission of a request for fee waiver will not delay the Office's responsibility to search for responsive records.

(3) If the fee waiver is denied by the Office, and the fees involved total $25 or less, the Office will send the responsive documents to the requester, along with a bill for fees. The collection of the unpaid bill shall follow the procedures found herein at § 701.18 (g)(2) and (h).

§ 701.12 Responses by the Office to requests.

(a) Authority to grant or deny requests. The head of the Office, or his designee, is authorized to grant or deny and request for a record of the Office.

(b) Initial action by the Office. When the Office receives a request for a record in its possession, the Office shall promptly determine whether another agency of the Government is better able to determine whether the record is exempt, to any extent, from mandatory disclosure under the FOIA; and whether the record, if exempt to any extent from mandatory disclosure under the FOIA, should nonetheless be released to the requester as a matter of discretion. If the Office determines that it is the agency best able to determine whether to disclose the record in response to the request, then the Office shall respond to the request. If the Office determines that it is not the agency best able to determine whether to disclose the record in response to the request, the Office shall either:

(1) Respond to the request, after consulting with the other agency best able to determine whether to disclose the record and with any other agency having a substantial interest in the requested record or the information contained therein; or

(2) Refer the responsibility for responding to the request to another agency that generated or originated the record, but only if that other agency is subject to the provisions of the FOIA.

Under ordinary circumstances, the agency that generated or originated a requested record shall be presumed to be the agency best able to determine whether to disclose the record in response to the request.

(c) Law-enforcement information. Whenever a request is made for a record containing information that relates to an investigation of a possible violation of criminal law or to a criminal law-enforcement proceeding and that was generated or originated by another agency, the Office shall refer the responsibility for responding to the request to that other agency; however, such referral shall extend only to the information generated or originated by that other agency.

(d) Classified information. Whenever a request is made for a record containing information that has been classified, or that may be eligible for classification, by another agency under the provisions of Executive Order 12356 or any other Executive Order concerning the classification of records, the Office shall refer the responsibility for responding to the request to the agency that classified the information or should consider the information for classification. Whenever a record contains information that has been derivatively classified by the Office because it contains information classified by another agency, the Office shall refer the responsibility for responding to the request to the agency that classified the underlying information; however, such referral shall extend only to the information classified by the other agency.

(e) Notice of referral. Whenever the Office refers all or any part of the responsibility for responding to a request to another agency, the Office will consult with the other agency to obtain specific approval to notify the requester of the referral and inform the requester of the name and address of the agency to which the request has been referred and the portions of the request so referred.

(f) Agreements regarding consultations and referrals. No provision of this section shall preclude formal or informal
agreements between the Office and another agency to eliminate the need for consultations or referrals of requests or classes of requests.

(g) Separate referrals of portions of a request. Portions of a request may be referred separately to one or more other agencies whenever necessary to process the request in accordance with the provisions of this section.

(h) Date for determining responsive records. In determining records responsive to a request, the Office ordinarily will include only those records within the Office’s possession and control as of the date of its receipt of the request.

§ 701.13 Form and content of Office responses.

(a) Form of notice granting a request. After the Office has made a determination to grant a request in whole or in part, the Office shall so notify the requester in writing. The notice shall describe the manner in which the record will be disclosed, whether by providing a copy of the record to the requester or by making a copy of the record available to the requester for inspection at a reasonable time and place. The procedure for such an inspection shall not unreasonably disrupt the operations of the Office. The Office shall inform the requester in the notice of any fees to be charged in accordance with the provisions of §701.18 of this part.

(b) Form of notice denying a request. The Office, when denying a request in whole or in part, shall so notify the requester in writing. The notice must be signed by the FOIA/PA Officer, or her designee, and shall include:

(1) The name and title or position of the person responsible for the denial;

(2) A brief statement of the reason or reasons for the denial, including the FOIA exemption or exemptions that the Office has relied upon in denying the request and a brief explanation of the manner in which the exemption or exemptions apply to each record withheld; and

(3) A statement that the denial may be appealed under §701.16(a) and a description of the requirements of that subsection.

(c) Record cannot be located or has been destroyed. If a requested record cannot be located from the information supplied, or is known or believed to have been destroyed or otherwise disposed of, the Office shall so notify the requester in writing.

§ 701.14 Classified information.

In processing a request for information that is classified or classifiable under Executive Order 12356 or any other Executive Order concerning the classification of records, the Office shall review the information to determine whether it warrants classification. Information that does not warrant classification shall not be withheld from a requester on the basis of 5 U.S.C. 552(b)(1). The Office shall, upon receipt of any appeal involving classified or classifiable information, take appropriate action to ensure compliance with Executive Order 12356 or any other Executive Order concerning the classification of records.

§ 701.15 Business information.

(a) In general. Business information provided to the Office by a business submitter shall not be disclosed pursuant to a FOIA request except in accordance with this section.

(b) Notice to business submitters. The Office shall provide a business submitter with prompt written notice of a request encompassing its business information whenever required under paragraph (c) of this section, except as is provided in paragraph (g) of this section, and only to the extent permitted by law. Such written notice shall either describe the exact nature of the business information requested or provide copies of the records or portions thereof containing the business information.

(c) When notice is required. For business information submitted to the Office it shall provide a business submitter with notice of a request whenever the business submitter has in good faith designated the information as commercially or financially sensitive, or the Office has reason to believe that disclosure of the information may result in commercial or financial injury to the business submitter. Notice of a request for business information falling within the former category shall be required for a period of not more than ten years after the date of submission.
unless the business submitter requests, and provides acceptable justification for, a specific notice period of greater duration. Whenever possible, the submitter’s claim of confidentiality should be supported by a statement or certification by an officer or authorized representative of the company that the information in question is in fact confidential commercial or financial information and has not been disclosed to the public.

(d) Opportunity to object to disclosure. Through the notice described in paragraph (b) of this section, the Office shall afford a business submitter a reasonable period within which to provide the Office with a detailed statement of any objection to disclosure. Such statement shall specify all grounds for withholding any of the information under any exemption of the FOIA and, in the case of Exemption 4, shall demonstrate why the information is contended to be a trade secret or commercial or financial information that is privileged or confidential. Information provided by a business submitter pursuant to this paragraph may itself be subject to disclosure under the FOIA.

(e) Notice of intent to disclose. (1) The Office shall consider carefully a business submitter’s objections and specific grounds for nondisclosure prior to determining whether to disclose business information. Whenever the Office decides to disclose business information over the objection of a business submitter, the Office shall forward to the business submitter a written notice which shall include:
   (i) A statement of the reasons for which the business submitter’s disclosure objections were not sustained;
   (ii) A description of the business information to be disclosed; and
   (iii) A specified disclosure date.

   (2) Such notice of intent to disclose shall be forwarded a reasonable number of days, as circumstances permit, prior to the specified date upon which disclosure is intended. A copy of such disclosure notice shall be forwarded to the requester at the same time.

(f) Notice of FOIA lawsuit. Whenever a requester brings suit seeking to compel disclosure of business information covered by paragraph (c) of this section, the Office shall promptly notify the business submitter.

(g) Exceptions to notice requirements. The notice requirements of this section shall not apply if:
   (1) The Office determines that the information should not be disclosed;
   (2) The information lawfully has been published or otherwise made available to the public;
   (3) Disclosure of the information is required by law (other than 5 U.S.C. 552); or
   (4) The Office is a criminal law-enforcement agency that acquired information in the course of a lawful investigation of a possible violation of criminal law.

§ 701.16 Appeals.

(a) Appeals to Independent Counsel. When a request for access to records or for a waiver of fees has been denied in whole or in part, or when the Office fails to respond to a request within the time limits set forth in the FOIA, the requester may appeal the denial of the request to Independent Counsel within 30 days of his receipt of a notice denying his request. An appeal to Independent Counsel shall be made in writing and addressed to the Office of Independent Counsel, Suite 701 West, 555 Thirteenth Street NW., Washington, DC 20004. Both the envelope and the letter of appeal itself must be clearly marked: “Freedom of Information Act Appeal.”

(b) Action on appeals by the Office of Independent Counsel. Unless Independent Counsel otherwise directs, his designee shall act on behalf of the Independent Counsel on all appeals under this section, except that a denial of a request by Independent Counsel shall constitute the final action of the Office on that request.

(c) Form of action on appeal. The disposition of an appeal shall be in writing. A decision affirming in whole or in part the denial of a request shall include a brief statement of the reason or reasons for the affirmation, including each FOIA exemption relied upon and its relation to each record withheld, and a statement that judicial review of the denial is available in the United States District Court for the judicial district in which the requester resides.
or has his principal place of business, the judicial district in which the requested records are located, or the District of Columbia. If the denial of a request is reversed on appeal, the requester shall be so notified and the request shall be processed promptly in accordance with the decision on appeal.

§ 701.17 Preservation of records.

The Office shall preserve all correspondence relating to the requests it receives under this part, and all records processed pursuant to such requests, until such time as the destruction of such correspondence and records is authorized pursuant to title 44 of the United States Code. Under no circumstances shall records be destroyed while they are the subject of a pending request, appeal, or lawsuit under the FOIA.

§ 701.18 Fees.

(a) In general. Fees pursuant to the FOIA shall be assessed according to the schedule contained in paragraph (b) of this section for services rendered by the Office in responding to and processing requests for records under this part. All fees so assessed shall be charged to the requester, except when the charging of fees is limited under paragraph (c) of this section or when a waiver or reduction of fees is granted pursuant to paragraph (d) of this section. The Office shall collect all applicable fees before making copies of requested records available to a requester. Requesters shall pay fees by check or money order made payable to the Treasury of the United States.

(b) Charges. In responding to requests under this part, the following fees shall be assessed, unless a waiver or reduction of fees has been granted pursuant to paragraph (d) of this section:

(1) Search. (i) No search fee shall be assessed with respect to requests by educational institutions, noncommercial scientific institutions, and representatives of the news media (as defined in paragraphs (j)(6), (j)(7), and (j)(8) of this section, respectively). Search fees shall be assessed with respect to all other requests, subject to the limitations of paragraph (c) of this section. The Office may assess fees for time spent searching even if it fails to locate any respective record or when records located are subsequently determined to be entirely exempt from disclosure.

(ii) For each quarter hour spent by clerical personnel in searching for and retrieving a requested record, the fee shall be $2.25. When the search and retrieval cannot be performed entirely by clerical personnel—for example, when the identification of records within the scope of the request requires the use of professional personnel—the fee shall be $4.50 for each quarter hour of search time spent by such professional personnel. When the time of managerial personnel is required, the fee shall be $7.50 for each quarter hour of time spent by such managerial personnel.

(iii) For computer searches of records, which may be undertaken through the use of existing programming, requesters shall be charged the actual direct costs of conducting the search, although certain requesters (as defined in paragraph (c)(2) of this section) shall be entitled to the cost equivalent of two hours of manual search time without charge. These direct costs shall include the cost of operating a central processing unit for that portion of operating time that is directly attributable to searching for records responsive to a request, as well as the costs of operator/programmer salary apportionable to the search (at no more than $4.50 per quarter hour of time so spent). The Office is not required to alter or develop programming to conduct a search.

(2) Duplication. Duplication fees shall be assessed with respect to all requesters, subject to the limitations of paragraph (c) of this section. For a paper photocopy of a record (no more than one copy of which need be supplied), the fee shall be $0.10 per page. For other methods of duplication, the Office shall charge the actual direct costs of duplicating a record.

(3) Review. Review fees shall be assessed with respect to only those requesters who seek records for a commercial use, as defined in paragraph (j)(5) of this section. For each quarter hour spent by agency personnel in reviewing a requested record for possible disclosure, the fee shall be $4.50, except
that when the time of professional personnel is required, the fee shall be $7.50 for each quarter hour of time spent by such managerial personnel. Review fees shall be assessed only for the initial record review, i.e., all of the review undertaken when the Office analyzes the applicability of a particular exemption to a particular record or record portion at the initial request level. No charge shall be assessed for review at the administrative appeal level of an exemption already applied. However, records or record portions withheld pursuant to an exemption that is subsequently determined not to apply may be reviewed again to determine the applicability of other exemptions not previously considered. The costs of such a subsequent review are properly assessable, particularly when that review is made necessary by a change of circumstances.

(c) Limitations on charging fees. (1) No search or review fee shall be charged for a quarter-hour period unless more than half of that period is required for search or review.

(2) Except for requesters seeking records for a commercial use (as defined in paragraph (j)(5) of this section), the Office shall provide without charge

(i) The first 100 pages of duplication (or its cost equivalent), and
(ii) The first two hours of search (or its cost equivalent).

(3) Whenever a total fee calculated under this section is $8.00 or less, no fee shall be charged.

(4) The provisions of paragraphs (c)(2) and (3) of this section work together. For requesters other than those seeking records for a commercial use, no fee shall be charged unless the cost of search in excess of two hours plus the cost of duplication in excess of 100 pages exceeds $8.00.

(d) Waiver or reduction of fees. (1) Records responsive to a request under the FOIA shall be furnished without charge or at a charge reduced below that established under paragraph (b) of this section when the Office determines, based upon information provided by a requester in support of a fee waiver request or otherwise made known to the Office, that disclosure of the requested information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester. Requests for a waiver or reduction of fees shall be considered on a case-by-case basis.

(2) In order to determine whether the first fee waiver requirement is met—i.e., that disclosure of the requested information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of government—the Office shall consider the following four factors in sequence:

(i) The subject of the request: Whether the subject of the requested records concerns “the operations or activities of the government.” The subject matter of the requested records, in the context of the request, must specifically concern the identifiable operations of the federal government—with a connection that is direct and clear, not remote or attenuated. Furthermore, the records must be sought for their informative value with respect to those government operations or activities; a request for access to records for their intrinsic informational content alone would not satisfy this threshold consideration.

(ii) The informative value of the information to be disclosed: Whether the disclosure is “likely to contribute” to an understanding or government operations or activities. The disclosable portions of requested records must be meaningfully informative or specific governmental operations or activities in order to hold potential for contributing to increased public understanding of those operations and activities. The disclosure of information that already is in the public domain, in either a duplicative or a substantially identical form, would not be likely to contribute to such understanding, as nothing new would be added to the public record.

(iii) The contribution to an understanding of the subject by the public likely to result from disclosure: Whether disclosure of the requested information will contribute to “public understanding.” The disclosure must contribute to the understanding of the public at large, as opposed to the individual understanding of the requester or a narrow
segment of identified persons. A requester’s identity and qualifications—e.g., expertise in the subject area and ability and intention to convey effectively information to the general public—should be considered. It reasonably may be presumed that a representative of the news media (as defined in paragraph (j)(8) of this section) who has access to the means of public dissemination readily will be able to satisfy this consideration. Requests from libraries or other record repositories (or requesters who intend merely to disseminate information to such institutions) shall be analyzed, like those of other requesters, to identify a particular person who represents that he actually will use the requested information in scholarly or other analytic work and then disseminate it to the general public.

(iv) The significance of the contribution to public understanding: Whether the disclosure is likely to contribute “significantly” to public understanding of government operations or activities. The public’s understanding of the subject matter in question, as compared to the level of public understanding existing prior to the disclosure, must be likely to be enhanced by the disclosure to a significant extent. The Office shall not make separate value judgments as to whether information, even though it in fact would contribute significantly to public understanding of the operations or activities of the government, is “important” enough to be made public.

(3) In order to determine whether the second fee waiver requirement is met—i.e., that disclosure of the requested information is not primarily in the commercial interest of the requester—the Office shall consider the following two factors in sequence:

(i) The existence and magnitude of a commercial interest: Whether the requester has a commercial interest that would be furthered by the requested disclosure. The Office shall consider all commercial interests of the requester (with reference to the definition of “commercial use” in paragraph (j)(5) of this section), or any person on whose behalf the requester may be acting, but shall consider only those interests that would be furthered by the requested disclosure. In assessing the magnitude of identified commercial interests, consideration shall be given the role that such FOIA-disclosed information plays with respect to those commercial interests, as well as to the extent to which FOIA disclosures serve those interests overall. Requesters shall be given a reasonable opportunity in the administrative process to provide information bearing upon this consideration.

(ii) The primary interest in disclosure: Whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is “primarily in the commercial interest of the requester.” A fee waiver or reduction is warranted only when, once the “public interest” standard set out in paragraph (d)(2) of this section is satisfied, that public interest can fairly be regarded as greater in magnitude than that of the requester’s commercial interest in disclosure. The Office shall ordinarily presume that, where a news media requester has satisfied the “public interest” standard, that will be the interest primarily served by disclosure to that requester. Disclosure to data brokers or others who compile and market governmental information for direct economic return shall not be presumed to serve primarily the “public interest.”

(4) When only a portion of the requested records satisfies both of the requirements for a waiver or reduction of fees under this paragraph, a waiver or reduction shall be granted only as to that portion.

(5) Requests for the waiver or reduction of fees shall address each of the factors listed in paragraphs (d)(2) and (3) of this section, as they apply to each record request.

(e) Notice of anticipated fees in excess of $25.00. When the Office determines or estimates that the fees to be assessed under this section may amount to more than $25.00, the Office shall notify the requester as soon as practicable of the actual or estimated amount of the fees, unless the requester has indicated in advance his willingness to pay fees as high as those anticipated. (If only a portion of the fee can be estimated readily, the Office shall advise the requester that the estimated fee may be
only a portion of the total fee.) In cases when a requester has been notified that actual or estimated fees may amount to more than $25.00, the request will be deemed not to have been received until the requester has agreed to pay the anticipated total fee. A notice to the requester pursuant to this paragraph shall offer him the opportunity to confer with Office personnel in order to reformulate his request to meet his needs at a lower cost.

(f) Aggregating requests. When the Office reasonably believes that a requester or a group of requesters acting in concert is attempting to divide a request into a series of requests for the purpose of evading the assessment of fees, the Office may aggregate any such requests and charge accordingly. The Office may presume that multiple requests of this type made within a 30-day period have been made in order to evade fees. When requests are separated by a longer period, the Office shall aggregate them only when there exists a solid basis for determining that such aggregation is warranted, e.g., when the requests involve clearly related matters. Multiple requests involving unrelated matters shall not be aggregated.

(g) Advance payments. (1) When the Office estimates that a total fee to be assessed under this section is likely to exceed $250.00, it may require the requester to make an advance payment of an amount up to the entire estimated fee before beginning to process the request, except when it receives a satisfactory assurance of full payment from a requester with a history of prompt payment or where a fee waiver, or reduction of fees, has been requested. In the case where a fee waiver or reduction of fees has been requested, the requester shall submit the advance payment, if required by the agency. This prepayment will not affect the Office’s responsibility for speedy determination of the fee waiver, or reduction of fees, nor be deemed in derogation of the request for the fee waiver or reduction of fees. If the agency approves the fee waiver, or reduction of fees, the appropriate sum will be reimbursed to the requester, with no accumulated interest, if any.

(2) When a requester has previously failed to pay a records access fee within 30 days of the date of billing, the Office may require the requester to pay the full amount owned, plus any applicable interest (as provided for in paragraph (h) of this section), and to make an advance payment of the full amount of any estimated fee before the Office begins to process a new request or continues to process a pending request from that requester.

(3) For requests other than those described in paragraphs (g) (1) and (2) of this section, the Office shall not require the requester to make an advance payment, i.e., a payment made before work is commenced or continued on a request. Payment owed for work already completed is not an advance payment.

(4) When a component acts under paragraphs (g) (1) or (2) of this section, the administrative time limits prescribed in subsection (a)(6) of the FOIA for the processing of an initial request or an appeal, plus permissible extensions of these time limits, shall be deemed not to begin to run until the Office has received payment of the assessed fee.

(h) Charging interest. The Office may assess interest charges on an unpaid bill starting on the 31st day following the day on which the bill was sent to the requester. Once a fee payment has been received by the Office, even if not processed, the accrual of interest shall be stayed. Interest charges shall be assessed at the rate prescribed in section 3717 of title 31 U.S.C. and shall accrue from the date of the billing. The Office shall follow the provisions of the Debt Collection Act of 1982, Public Law 97–265 (Oct. 25, 1982), 96 Stat. 1769, and its implementing procedures, including the use of consumer reporting agencies, collection agencies, and offset.

(i) Other statutes specifically providing for fees. (1) The fee schedule of this section does not apply with respect to the charging of fees under a statute specifically providing for setting the level of fees for particular types of records—i.e., any statute that specifically requires a government printing entity such as the Government Printing Office or the National Technical Information Service to set and collect fees for
§ 701.18

28 CFR Ch. VII (7–1–17 Edition)

particular types of records—in order to:

(i) Serve both the general public and private sector organizations by conveniently making available government information;

(ii) Ensure that groups and individuals pay the cost of publications and other services that are for their special use so that these costs are not borne by the general taxpaying public;

(iii) Operate an information-dissemination activity on a self-sustaining basis to the extent possible; or

(iv) Return revenue to the Treasury for defraying, wholly or in part, appropriated funds used to pay the cost of disseminating government information.

(2) When records responsive to requests are maintained for distribution by agencies operating statutorily based fee schedule programs, the Office shall inform requesters of the steps necessary to obtain records from those sources.

(j) Definitions. For the purpose of this section:

(1) The term direct costs means those expenditures that the Office actually incurs in searching for and duplicating (and, in the case of commercial use requesters, reviewing) records to respond to a FOIA request. Direct costs include, for example, the salary of the employee performing the work (the basic rate of pay for the employee plus 16 percent of that rate to cover benefits) and the cost of operating duplicating machinery. Not included in direct costs are overhead expenses such as costs of space and heating or lighting of the facility in which the records are stored.

(2) The term search includes all time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material within documents. The Office shall ensure, however, that searches are undertaken in the most efficient and least expensive manner reasonably possible; thus, for example, the Office shall not engage in line-by-line search when merely duplicating an entire document would be quicker and less expensive.

(3) The term duplication refers to the process of making a copy of a record necessary to respond to a FOIA request. Such copies can take the form of paper copy, microfilm, audio-visual materials, or machine-readable documentation (e.g., magnetic tape or disk), among others. The copy provided shall be in a form that is reasonably usable by requesters.

(4) The term review refers to the process of examining a record located in response to a request in order to determine whether any portion of it is permitted to be withheld. It also includes processing any record for disclosure, e.g., doing all that is necessary to exercise it and otherwise prepare it for release, although review costs shall be recoverable even where there ultimately is no disclosure of a record. Review time does not include time spent resolving general legal or policy issues regarding the application of exemptions.

(5) The term commercial use in the context of a request refers to a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made, which can include furthering those interests through litigation. The Office shall determine, as well as reasonably possible, the use to which a requester will put the records requested. When the circumstances of a request suggest that the requester will put the records sought to a commercial use, either because of the nature of the request itself or because the Office otherwise has reasonable cause to doubt a requester’s stated use, the Office shall provide the requester a reasonable opportunity to submit further clarification.

(6) The term educational institution refers to a preschool, a public or private elementary or secondary school, an institution of graduate higher education, and institution of professional education, and an institution of vocational education, which operates a program or programs of scholarly research. To be eligible for inclusion in this category, a requester must show that the request is being made as authorized by and under the auspices of a qualifying institution and that the records are not sought for a commercial use, but are
sought in furtherance of scholarly research.

(7) The term noncommercial scientific institution refers to an institution that is not operated on a “commercial” basis as that term is referenced in paragraph (j)(5) of this section, and which is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry. To be eligible for inclusion in this category, a requester must show that the request is being made as authorized by and under the auspices of a qualifying institution and that the records are not sought for a commercial use, but are sought in furtherance of scientific research.

(8) The term representative of the news media refers to any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term news means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large, and publishers of periodicals (but only in those instances when they can qualify as disseminators of “news”) who make their products available for purchase or subscription by the general public. For “freelance” journalists to be regarded as working for a news organization, they must demonstrate a solid basis for expecting publication through that organization; a publication contract would be the clearest proof, but the Office shall also look to the past publication record of a requester in making this determination. To be eligible for inclusion in this category, a requester also must not be seeking the requested records for a commercial use. In this regard, a request for records supporting the news dissemination function of the requester shall not be considered to be for a commercial use.

(k) Charges for other services and materials. Apart from the other provisions of this section, when the Office elects, as a matter of administrative discretion, to comply with a request for a special service or materials, such as certifying that records are true copies or sending them other than by ordinary mail, the actual direct costs of providing the service or materials shall be charged.

§ 701.19 Other rights and services.

Nothing in this part shall be construed to entitle any person, as of right, to any service or to the disclosure of any record to which such person is not entitled under 5 U.S.C. 552.

PART 800—ORGANIZATION AND FUNCTIONS

Sec.
800.1 Statutory authorization.
800.2 Mission.
800.3 Functions and responsibilities.
800.4 Director.
800.5 Agency components.

APPENDIX A TO PART 800—AGENCY ADDRESSES

SOURCE: 66 FR 1261, Jan. 8, 2001, unless otherwise noted.

§ 800.1 Statutory authorization.
The National Capital Revitalization and Self-Government Improvement Act of 1997 ("Revitalization Act") established the Court Services and Offender Supervision Agency for the District of Columbia ("CSOSA") within the federal government as an independent executive branch agency and placed the District of Columbia Pretrial Services Agency as an independent entity within CSOSA. In addition, the District of Columbia Public Defender Service, an independent District of Columbia agency, receives its appropriated federal funds through a transfer from CSOSA.

§ 800.2 Mission.
CSOSA’s mission is to increase public safety, prevent crime, reduce recidivism, and support the fair administration of justice in close collaboration with the community.

§ 800.3 Functions and responsibilities.
(a) Community Supervision Services. (1) The Revitalization Act requires CSOSA to provide supervision, through qualified supervision officers, to offenders on probation, parole, and supervised release for violation of District of Columbia Code offenses. The Agency carries out its responsibilities on behalf of the court or agency having jurisdiction over the person being supervised. Accordingly, CSOSA supervises all offenders placed on probation by the Superior Court of the District of Columbia, and all individuals on parole pursuant to the District of Columbia Code. CSOSA supervises offenders from other jurisdictions in accordance with the provisions of the Interstate Parole and Probation Compact.

(2) CSOSA is also required to determine uniform supervision and reporting practices, develop and operate intermediate sanctions programs for sentenced offenders, and arrange for the supervision of District of Columbia Code offenders in jurisdictions outside the District of Columbia.

(3) In accordance with its supervisory functions and as authorized by the Sex Offender Registration Act of 1999 (D.C. Law 13–137, D.C. Code 24–1101 et seq.), CSOSA operates and maintains the sex offender registry for the District of Columbia.

(b) Pretrial Services. (1) The District of Columbia Pretrial Services Agency ("PSA") assists the trial and appellate levels of both the federal and local courts in determining eligibility for pretrial release by providing verified background information and criminal histories on all arrestees and recommendations about available release options.

(2) PSA is further responsible for supervising defendants released from custody during the pretrial period by monitoring compliance with conditions of release and by ensuring that they appear for scheduled court hearings.

(3) PSA also provides defendants with the opportunity to participate in a variety of social intervention programs that decrease the likelihood of future criminal behavior.

§ 800.4 Director.
(a) CSOSA is headed by a Director appointed by the President, by and with the advice and consent of the Senate, for a term of six years.

(b) PSA is headed by a Director appointed by the Chief Judge of the United States Court of Appeals for the District of Columbia Circuit and the Chief Judge of the United States District Court for the District of Columbia in consultation with an Executive Committee. PART 801—FEDERAL TORT CLAIMS ACT PROCEDURE

Sec.
801.1 Claims filed under the Federal Tort Claims Act.
801.2 Filing a claim.
801.3 Processing the claim.
801.4 Final disposition of claim.

SOURCE: 67 FR 57948, Sept. 13, 2002, unless otherwise noted.

§ 801.1 Claims filed under the Federal Tort Claims Act.

If an agency employee is acting within the scope of his or her employment and causes injury to a member of the public, any claim for money damages for personal injury, death, damage to property, or loss of property caused by the employee’s negligent or wrongful act or omission is a claim against the United States and must first be presented by the injured party to the appropriate federal agency for administrative action under the Federal Tort Claims Act. General provisions for
processing such administrative claims are contained in 28 CFR part 14. The provisions in this part supplement the general provisions in order to describe specific procedures to follow when filing a claim with the Court Services and Offender Supervision Agency for the District of Columbia ("CSOSA") or the District of Columbia Pretrial Services Agency ("PSA").

§ 801.2 Filing a claim.

(a) Who may file the claim? You may file a claim for money damages against CSOSA or PSA if you believe that a CSOSA or PSA employee has injured you or has damaged or lost property that you own. You may file a claim on behalf of an injured or deceased person or owner of damaged or lost property if you are acting as agent, executor, administrator, parent, guardian, legal or other representative provided you submit evidence of your authority to act on behalf of the claimant.

(b) What information do you need to submit in your claim?

(1) The easiest way to ensure that you will include all necessary information for your claim is to submit a completed Standard Form 95 ("SF 95"). The SF 95 is available from the Office of the General Counsel, CSOSA, (see address in paragraph (c) of this section) and on the Internet at http://www.usdoj.gov/civil/forms/forms.htm.

(2) If you do not use the SF 95, you must submit written notification of the incident that resulted in the injury, loss, or damage. Along with this notification, you must present a claim for money damages in a sum certain (that is, a precise dollar amount) for injury to or loss of property, personal injury, or death alleged to have occurred on the basis of the incident. Failure to include the precise dollar amount for your claim may mean that you will have difficulty pursuing your claim in court.

(c) Where do you submit the claim? You should submit the claim (whether against CSOSA or PSA) directly to the Office of the General Counsel, CSOSA, 633 Indiana Avenue NW., Washington, DC 20004. Claims submitted to any other office of CSOSA or PSA are forwarded to the Office of the General Counsel.

(d) When must you submit the claim? You must submit the claim so that CSOSA/PSA receives the claim within 2 years after the claim accrues. Mailing the claim by that date is not sufficient if CSOSA/PSA does not receive the claim by that date. Generally speaking, a claim accrues at the time of the injury. In those instances where neither the injury nor its cause is immediately apparent, the claim accrues when you discover (or reasonably should discover) the injury and its cause.

(e) May you amend your claim? Yes, you may amend your claim at any time prior to final agency action or prior to your filing suit in court.

§ 801.3 Processing the claim.

(a) Will CSOSA/PSA contact you about your claim? (1) If you have provided all necessary information to process your claim, you will receive an acknowledgement indicating the filing date (that is, the date CSOSA/PSA received your claim) and the assigned claim number. Refer to the claim number in any further correspondence you may have with CSOSA/PSA on the claim.

(b) What information do you need to submit in your claim? (1) The easiest way to ensure that you will include all necessary information for your claim is to submit a completed Standard Form 95 ("SF 95"). The SF 95 is available from the Office of the General Counsel, CSOSA, (see address in paragraph (c) of this section) and on the Internet at http://www.usdoj.gov/civil/forms/forms.htm.

(2) If you do not use the SF 95, you must submit written notification of the incident that resulted in the injury, loss, or damage. Along with this notification, you must present a claim for money damages in a sum certain (that is, a precise dollar amount) for injury to or loss of property, personal injury, or death alleged to have occurred on the basis of the incident. Failure to include the precise dollar amount for your claim may mean that you will have difficulty pursuing your claim in court.

(c) Where do you submit the claim? You should submit the claim (whether against CSOSA or PSA) directly to the Office of the General Counsel, CSOSA, 633 Indiana Avenue NW., Washington, DC 20004. Claims submitted to any other office of CSOSA or PSA are forwarded to the Office of the General Counsel.

(d) When must you submit the claim? You must submit the claim so that CSOSA/PSA receives the claim within 2 years after the claim accrues. Mailing the claim by that date is not sufficient if CSOSA/PSA does not receive the claim by that date. Generally speaking, a claim accrues at the time of the injury. In those instances where neither the injury nor its cause is immediately apparent, the claim accrues when you discover (or reasonably should discover) the injury and its cause.

(e) May you amend your claim? Yes, you may amend your claim at any time prior to final agency action or prior to your filing suit in court.

§ 801.3 Processing the claim.

(a) Will CSOSA/PSA contact you about your claim? (1) If you have provided all necessary information to process your claim, you will receive an acknowledgement indicating the filing date (that is, the date CSOSA/PSA received your claim) and the assigned claim number. Refer to the claim number in any further correspondence you may have with CSOSA/PSA on the claim.

(b) Who is responsible for offering settlement or denial on the claim? The General Counsel is responsible for investigating the claim and, after consultation with PSA (if the claim is against PSA) and the Department of Justice when appropriate, determining whether the claim should be settled or denied.

(c) How long does CSOSA/PSA have to consider your claim? CSOSA/PSA has 6 months from the date of filing to make a settlement offer or to deny your claim. If you amend your claim (see §801.4(b)(1)), CSOSA/PSA has an additional 6 months from
§ 801.4 Final disposition of claim.

(a) What if you accept the settlement offer? If you accept a settlement offer, you give up your right to bring a lawsuit against the United States or against any employee of the government whose action or lack of action gave rise to your claim. (b) What if your claim is denied? (1) If your claim is denied, you have 30 days from the date of CSOSA/PSA’s written notification to make a written request that the agency reconsider the denial. (2) If your claim is denied or you reject the settlement offer, you have 6 months from the date of mailing of CSOSA/PSA’s notice of denial to file a civil action in the appropriate U.S. District Court. (c) What if you do not hear from CSOSA/PSA within 6 months of the filing date? If you do not hear from CSOSA/PSA within 6 months of the filing date for the claim, you may consider your claim denied. You may then proceed with filing a civil action in the appropriate U.S. District Court.

§ 801.4 Final disposition of claim.

(a) If your claim is denied, you have 30 days from the date of CSOSA/PSA’s written notification to make a written request that the agency reconsider the denial. (b) If your claim is denied or you reject the settlement offer, you have 6 months from the date of mailing of CSOSA/PSA’s notice of denial to file a civil action in the appropriate U.S. District Court. (c) If you do not hear from CSOSA/PSA within 6 months of the filing date, you may consider your claim denied. You may then proceed with filing a civil action in the appropriate U.S. District Court.

§ 802.1 Introduction.

(a) This part contains regulations of the Court Services and Offender Supervision Agency for the District of Columbia (“CSOSA” or “Agency”) and the District of Columbia Pretrial Services Agency (“PSA” or “Agency”), which implement the Freedom of Information Act (FOIA), 5 U.S.C. 552, and the Privacy Act (PA), 5 U.S.C. 552a. The Agency provides for the disclosure and production of records in response to FOIA/PA requests, a demand from a court, or other non-congressional authority in connection with a proceeding to which the Agency is not a party. Due to CSOSA’s nature as a federal agency with a local mission connected to the District of Columbia, exemption protections, including exclusions, are allowed under the FOIA and other safeguard requirements may be applied under the PA.
Court Services and Offender Supervision Agency § 802.4

(b) It is the policy of CSOSA that all employees of CSOSA and PSA (collectively the “Agency”) are to submit all FOIA/PA requests to the Office of General Counsel (“OGC”). The OGC shall make release determinations under either the FOIA/PA pursuant to the procedures set forth in sections §§ 802.6, 802.7, 802.8, 802.14, 802.15, and 802.16.

Subpart B—Freedom of Information Act

§ 802.2 Purpose and scope.

(a) The purpose of this subpart is to establish procedures for the release of records in the custody, possession or control of the Agency pursuant to the provisions of the FOIA as amended by the FOIA Improvement Act of 2016 (Pub. L. 114–185).

(b) The Director of CSOSA has designated the General Counsel to be the Chief FOIA Officer as defined in 5 U.S.C. 552(j).

(c) The Chief FOIA Officer shall designate at least one FOIA Public Liaison as defined in 5 U.S.C. 552(j)(2)(H) and 552(l) for assisting in reducing delays, increasing transparency, understanding the status of requests, and assisting in the resolution of disputes.

§ 802.3 Information and records for public inspection.

(a) Public inspection. In accordance with this section, CSOSA makes the following information and materials available for public inspection pursuant to 5 U.S.C. 552:

1. The Agency’s publications in the Federal Register for the guidance of the public.

2. Final opinions, including concurring and dissenting opinions, as well as orders, made in the adjudication of cases.

3. The Agency’s policy statements that have been adopted by the Agency and are not published in the Federal Register.

4. Administrative staff manuals and instructions to staff that affect a member of the public.

5. Copies of all records, regardless of format, that have become or are likely to become the subject of subsequent requests for substantially the same records or have been requested three or more times; and these available records exclude first party requests.

6. Reports available for public inspection shall be available:

(i) In a timely manner;

(ii) With raw statistical data in electronic format;

(iii) In a general index;

(iv) Without charge, license, or registration requirement;

An index of all major information systems of the agency.

(8) A description of major information and record locator systems maintained by the agency.

(9) A handbook for obtaining various types of categories of public information from this Agency pursuant to chapter 35 of Title 44 of the United States Code, and under this section.

(b) Preservation of records. (1) All agency correspondence as well as copies of all requested records shall be preserved until disposition or destruction is authorized pursuant to Title 44 of the United States Code or the General Records Schedule 4.2 of the National Archives and Records Administration (NARA).

(b) The agency will not dispose of or destroy records while they are the subject of a pending request, appeal, or lawsuit under the FOIA.

§ 802.4 Guidelines for disclosure.

(a) The authority to release, partially release, or deny access to records and information under the FOIA is limited to the Chief FOIA Officer, FOIA Public Liaison, and his or her designee.

(b) An Agency record will be released in response to a written request, unless a valid legal exemption and/or exclusion to disclosure is asserted.
(1) Any applicable exemption and/or exclusion to disclosure, which is provided under the FOIA in 5 U.S.C. 552, may be asserted. The applicable exemptions and/or exclusions to disclosure are as follows:

(i) Exclusions. (A) Where the subject of a criminal investigation or proceeding is unaware of the existence of records concerning a pending investigation and disclosure of such records would interfere with the investigation.
(B) Where there are informant records maintained by a criminal law enforcement agency and the individual’s status as an informant is not known.
(C) Where there are classified FBI records pertaining to foreign intelligence, counterintelligence or international terrorism records.

(ii) Exemptions. (A) Information that is classified to protect national security.
(B) Information related solely to the internal personnel rules and practices of an agency.

(E) Privileged communications within or between agencies, including:
(1) Deliberative process privilege;
(2) Attorney-work product privilege; and
(3) Attorney-client privilege.
(F) Information that, if disclosed, would invade another individual’s personal privacy.
(G) Information compiled for law enforcement purposes that:
(1) Could reasonably be expected to interfere with enforcement proceedings.
(2) Would deprive a person of a right to a fair trial or an impartial adjudication.
(3) Could reasonably be expected to constitute an unwarranted invasion of personal privacy.
(4) Could reasonably be expected to disclose the identity of a confidential source.
(5) Would disclose techniques and procedures for law enforcement investigations or prosecutions.
(6) Could reasonably be expected to endanger the life or physical safety of any individual.
(H) Information that concerns the supervision of financial institutions.
(I) Geological information on wells.

(2) A record must exist and be in the possession and control of the Agency at the time of the request to be considered subject to this part and the FOIA. There is no obligation to create, compile, or obtain a record to satisfy a FOIA request.

§ 802.5 Definitions.

As used in this subpart, the following terms have the following meanings:

(a) Agency has the meaning given in 5 U.S.C. 551(1) and 5 U.S.C. 552(f).
(b) Appeal means a request for a review of the agency’s determination with regard to a fee waiver, category of requester, expedited processing, or denial in whole or in part of a request for access to a record or records.
(c) Business information means trade secrets or other commercial or financial information.
(d) Business submitter means any entity which provides business information to the Agency and which has a proprietary interest in the information.
(e) Computer software means tools by which records are created, stored, and retrieved. Normally, computer software, including source code, object code, and listings of source and object codes, regardless of medium, are not agency records. Proprietary (or copyrighted) software is not an agency record.
(f) Confidential commercial information means records provided to the government by a submitter that arguably contain material exempt from release under Exemption 4 of the Freedom of Information Act, 5 U.S.C. 552(b)(4), because disclosure could reasonably be expected to cause substantial competitive harm.
(g) Duplication refers to the process of making a copy of a record in order to respond to a FOIA request. Such copies can take the form of paper copy, microform, audio-visual materials, or machine-readable documentation (e.g., magnetic tape or disk), among others.
Court Services and Offender Supervision Agency

§ 802.6 Freedom of Information Act requests.

(a) Submission and processing procedures. (1) Requests for any record (including policy) ordinarily will be processed pursuant to the Freedom of Information Act, 5 U.S.C. 552. Your request must be made in writing and addressed to the FOIA Public Liaison Officer, Office of the General Counsel FOIA Office, Court Services and Offender Supervision Agency for the District of Columbia, 633 Indiana Avenue NW., 12th Floor, Washington, DC 20004. The requester should clearly mark on the face of the letter and the envelope “Freedom of Information Act Request.”

(2) Your request will be considered received on the date it is received by CSOSA’s FOIA Office.

(3) Generally, all FOIA requests will be processed in the approximate order of receipt, unless the requester shows exceptional circumstances exist to justify an expedited response (see §802.8).

(b) Electronic records mean those records and information which are created, stored, and retrievable by electronic means. This ordinarily does not include computer software, which is a tool by which to create, store, or retrieve electronic records.

(i) Record is defined pursuant to 44 U.S.C. 3301.

(j) Request means any request for records made pursuant to 5 U.S.C. 552(a)(3).

(k) Requester means any person who makes a request for access to records.

(l) Review for fee purposes, refers to the process of examining records located in response to a commercial use request to determine whether any portion of any record located is permitted to be withheld. It also includes processing any records for disclosure; e.g., doing all that is necessary to excise them and otherwise prepare them for release.

(m) Search includes all time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material within records. Searches may be done manually or by automated means.
is willing to pay for processing the request. A request that fees be waived or reduced may accompany the agreement to pay fees and will be considered to the extent that such request is made in accordance with § 802.4(b) and provides supporting information to be measured against the fee waiver standard set forth in § 802.9(g). The requester shall be notified in writing of the decision to grant or deny the fee waiver. If a requester has an outstanding balance of search, review, or duplication fees due for FOIA request processing, the requirements of this paragraph (a)(6) are not met until the requester has remitted the outstanding balance due.

(b) Release determination—(1) Notification. You will be notified of the decision on the request within twenty (20) days after its receipt (excluding Saturdays, Sundays, and legal public holidays).

(i) The twenty (20) day period shall be tolled if:
(A) The Agency needs clarification and/or more information from the requester; or
(B) Clarification is needed with the requester regarding fee assessment.
(C) The agency’s receipt of the requester’s response to the agency’s request for information or clarification ends the tolling period.

(ii) The twenty (20) day period shall be extended for ten (10) additional working days with written notice to the requester for unusual circumstances.
(A) Unusual circumstances means, but only to the extent reasonably necessary to the proper processing of particular requests—
(1) The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request;
(2) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or
(3) The need for consultation, which shall be conducted with all practicable speed, with another agency having a substantial subject-matter interest therein.
(B) The written notice to the requester for unusual circumstances shall:
(1) Notify the person making the request if the request cannot be processed within the time limit specified;
(2) Provide the person an opportunity to limit the scope of the request so that it may be processed within that time limit or an opportunity to arrange with the agency an alternative time frame for processing the request or a modified request;
(3) Make available the Agency’s FOIA Public Liaison Officer, who shall assist in the resolution of any disputes between the requester the Agency; and
(4) Notify the requester of the right of the requester to seek dispute resolution services from the Office of Government Information Services.

(iii) When the Agency fails to comply with the applicable time limit provisions of paragraph (b) of this section, if the Agency can show exceptional circumstances exist and that the Agency is exercising due diligence in responding to the request, the Agency may be allowed additional time to complete its review of the records.
(A) For purposes of this paragraph (b)(1)(iii), the term “exceptional circumstances” does not include a delay that results from a predictable agency workload of requests under this section, unless the agency demonstrates reasonable progress in reducing its backlog of pending requests.
(B) Refusal by a person to reasonably modify the scope of a request or arrange an alternative time frame for processing a request (or a modified request) after being given an opportunity to do so by the Agency to whom the person made the request shall be considered as a factor in determining whether exceptional circumstances exist for purposes of this paragraph (b)(1)(iii).

(2) Denial in whole or in part. If it is determined that the request for records should be denied in whole or in part, the requester shall be notified by mail with a letter stating the basis for partial or whole denial. The letter of notification shall:
Court Services and Offender Supervision Agency § 802.7

(i) Be signed by the Chief FOIA Officer or his or her designee;
(ii) State the exemptions relied on to not release the information;
(A) Advise the requester of the reason of adverse determination and the right to administrative appeal in accordance with paragraph (c) of this section;
(B) Advise the right of such person to seek assistance from the FOIA Public Liaison Officer of the agency; and
(C) Advise the right of such person to seek assistance from the Office of Government Information Services;
(iii) If technically feasible, indicate the amount of information deleted at the place in the record where such deletion is made (unless providing such indication would harm an interest protected by the exemption relied upon to deny such material);
(iv) If a document contains information exempt from disclosure, any reasonably segregable portion of the record will be provided to you after deletion of the exempt portions;
(v) An agency shall—
(A) Withhold information under this section only if—
(1) The agency reasonably foresees that disclosure would harm an interest protected by an exemption described in paragraph (b) of this section; or
(2) Disclosure is prohibited by law; and
(B) Partially withhold information under this section only if—
(1) Partial disclosure of information is possible whenever the agency determines that a full disclosure of a requested record is not possible; and
(2) Take reasonable steps necessary to segregate and release nonexempt information; and
(vi) Nothing in this paragraph (b)(2) requires disclosure of information that is otherwise prohibited from disclosure by law, or otherwise exempted from disclosure by statute.

§ 802.7 Documents from other agencies.

(a) Documents from or relating to Federal agencies. (1) When a request for records includes a document that originated from another Federal agency, the document will be referred to the originating Federal agency for release determination, unless the information requested is for records created 25 years or more before the date on which

775
§ 802.8 Expedited processing.

(a) Requests and appeals will be taken out of order and given expedited treatment whenever CSOSA's FOIA Office determines that they involve:

(1) Circumstances in which the person requesting the records demonstrates a compelling need.

(i) For purposes of this paragraph (a)(1), the term "compelling need" means—

(A) Failure to obtain requested records on an expedited basis could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or

(B) A person is primarily engaged in disseminating information and the urgency to inform the public concerning actual or alleged Federal Government activity is a matter of widespread and exceptional media interest in which there exist possible questions about the Government's integrity.

(ii) With respect to a request made by a person primarily engaged in disseminating information that affect public confidence, the requester must adequately explain the matter or activity and why it is necessary to provide the records being sought on an expedited basis.

(1) A person "primarily engaged in disseminating information" does not include individuals who are engaged only incidentally in the dissemination of information.

(ii) The standard of "widespread and exceptional media interest" requires that the records requested pertain to a matter of current exigency to the American public and that delaying a response to a request for records would compromise a significant recognized interest to and throughout the general public. The requester must adequately explain the matter or activity and why it is necessary to provide the records being sought on an expedited basis.

(2) [Reserved]

(ii) [Reserved]

(2) [Reserved]

(b) If a requester seeks expedited processing, the requester must submit a statement, certified to be true and correct to the best of your knowledge and belief. The statement must be in the form prescribed by 28 U.S.C. 1746, "I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief. Executed on [date]."

(c) The determination as to whether to grant or deny the request for expedited processing will be made, and the requester notified, within ten (10) days after the date of the request. Because a decision to take a FOIA request out of order delays other requests, simple fairness demands that such a decision be made by the FOIA Public Liaison Officer only upon careful scrutiny of truly exceptional circumstances. The decision will be made solely based on the information contained in the initial letter requesting expedited processing.
(d) Appeals of initial determinations to deny expedited processing must be made promptly. Both the envelope and the letter of appeal should be sent to the Office of the General Counsel, Court Services and Offender Supervision Agency for the District of Columbia, 633 Indiana Avenue NW., 12th Floor, Washington, DC 20004 and must be clearly marked “Expedited Processing Appeal.”

(e) The OGC or his or designee will make an appeal determination regarding expedited processing as soon as practicable.

§ 802.9 Business information.

(a) In general. Business information provided to the Agency by a business submitter will be disclosed pursuant to the FOIA, unless exemptions and/or exclusions apply. Any claim of confidentiality must be supported by a statement by an authorized representative of the company providing specific justification that the information in question is in fact confidential commercial or financial information and has not been disclosed to the public.

(b) Notice to business submitters. The Agency will provide a business submitter with prompt written notice of receipt of a request or appeal encompassing its business information whenever required in accordance with paragraph (c) of this section, and except as is provided in paragraph (g) of this section. Such written notice shall either describe the exact nature of the business information requested or provide copies of the records or portions of records containing the business information.

(c) When notice is required. (1) Notice of a request for business information falling within paragraph (c)(2)(i) or (ii) of this section will be required for a period of not more than ten years after the date of submission unless the business submitter had requested, and provided acceptable justification for, a specific notice period of greater duration.

(2) The Agency shall provide a business submitter with notice of receipt of a request or appeal whenever:

(i) The business submitter has in good faith designated the information as commercially or financially sensitive information; or

(ii) The Agency has reason to believe that disclosure of the information could reasonably be expected to cause substantial competitive harm.

(d) Opportunity to object to disclosure.

(1) Through the notice described in paragraph (b) of this section, the Agency shall afford a business submitter ten (10) days from the date of the notice (exclusive of Saturdays, Sundays, and legal public holidays) to provide a detailed statement of any objection to disclosure. Such statement shall specify why the business submitter believes the information is considered to be a trade secret or commercial or financial information that is privileged or confidential. Information provided by a business submitter pursuant to this paragraph might itself be subject to disclosure under the FOIA.

(2) When notice is given to a submitter under this section, the requester shall be advised that such notice has been given to the submitter. The requester shall be further advised that a delay in responding to the request may be considered a denial of access to records and that the requester may proceed with an administrative appeal or seek judicial review, if appropriate. However, the requester will be invited to agree to a voluntary extension of time so that staff may review the business submitter’s objection to disclose.

(e) Notice of intent to disclose. The Agency will consider carefully a business submitter’s objections and specific grounds for nondisclosure prior to determining whether to disclose business information. Whenever a decision to disclose business information over the objection of a business submitter is made, the Agency shall forward to the business submitter a written notice which shall include:

(1) A statement of the reasons for which the business submitter’s disclosure objections were not sustained;

(2) A description of the business information to be disclosed; and

(3) A specified disclosure date which is not less than five (5) days (exclusive of Saturdays, Sundays, and legal public holidays) after the notice of the final
decision to release the requested information has been mailed to the submitter.

(f) Notice of FOIA lawsuit. Whenever a requester brings suit seeking to compel disclosure of business information covered by paragraph (c) of this section, the Agency shall promptly notify the business submitter.

(g) Exception to notice requirement. The notice requirements of this section shall not apply if:

1. The Agency determines that the information shall not be disclosed;
2. The information lawfully has been published or otherwise made available to the public; or
3. Disclosure of the information is required by law (other than 5 U.S.C. 552).

§ 802.10 Fee schedule.

(a) Fees. The fees described in this section conform to the Office of Management and Budget Uniform Freedom of Information Act Fee Schedule and Guidelines. They reflect direct costs for search, review (in the case of commercial requesters), and duplication of documents, collection of which is permitted by the FOIA. However, for each of these categories, the fees may be limited, waived, or reduced for the reasons given below or for other reasons.

(b) Types of cost. The term direct costs means those expenditures the agency actually makes in searching for, review (in the case of commercial requesters), and duplicating documents to respond to a FOIA request.

(c) Types of fees. Fees shall be charged in accordance with the schedule contained in paragraph (i) of this section for services rendered in responding to requests for records, unless any one of the following applies:

1. Services were performed without charge; or
2. The fees were waived or reduced in accordance with paragraph (f) of this section.

(d) Categories of fees. Specific levels of fees are prescribed for each of the following categories of requesters:

1. Commercial use requesters. These requesters are assessed charges, which recover the full direct costs of searching for, reviewing, and duplicating the records sought. Commercial use requesters are not entitled to two hours of free search time or 100 free pages of duplication of documents. Moreover, when a request is received for disclosure that is primarily in the commercial interest of the requester, the Agency is not required to consider a request for a waiver or reduction of fees based upon the assertion that disclosure would be in the public interest. The Agency may recover the cost of searching for and reviewing records even if there is ultimately no disclosure of records, or no records are located.

2. Educational and non-commercial scientific institution requesters. Records shall be provided to requesters in these categories for the cost of duplication alone, excluding charges for the first 100 pages. To be eligible, requesters must show that the request is made under the auspices of a qualifying institution and that the records are not sought for a commercial use, but are sought in furtherance of scholarly (if the request is from an educational institution) or scientific (if the request is from a non-commercial scientific institution) research. These categories do not include requesters who want records for use in meeting individual academic research or study requirements.

3. Requesters who are representatives of the news media. Records shall be provided to requesters in this category for the cost of duplication alone, excluding charges for the first 100 pages.

4. All other requesters. Requesters who do not fit any of the categories described in paragraphs (d)(1) through (3) of this section shall be charged fees that will recover the full direct cost of searching for and duplicating records that are responsive to the request, except that the first 100 pages of duplication and the first two hours of search time shall be furnished without charge. The Agency may recover the cost of searching for records even if there is ultimately no disclosure of records, or no records are located. Requests from persons for records about themselves filed in a systems of records shall continue to be treated under the fee provisions of the Privacy Act of 1974 which permit fees only for duplication.

(e) Fee waiver determination. Where the initial request includes a request
for reduction or waiver of fees, the responsible official shall determine whether to grant the request for reduction or waiver before processing the request and notify the requester of this decision. If the decision does not waive all fees, the responsible official shall advise the requester of the fact that fees shall be assessed and, if applicable, payment must be made in advance pursuant to paragraph (g) of this section.

(f) Waiver or reduction of fees. (1) Fees may be waived or reduced on a case-by-case basis in accordance with this paragraph (f)(1) by the official who determines the availability of the records, provided such waiver or reduction has been requested in writing. Fees shall be waived or reduced by this official when it is determined, based upon the submission of the requester, that a waiver or reduction of the fees is in the public interest because furnishing the information is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester. Fee waiver/reduction requests shall be evaluated against the current fee waiver policy guidance issued by the Department of Justice.

(2) Appeals from denials of requests for waiver or reduction of fees shall be decided in accordance with the criteria set forth in this section by the official authorized to decide appeals from denials of access to records. Appeals shall be addressed in writing to the Office of the General Counsel, Court Services and Offender Supervision Agency for the District of Columbia, Office of the General Counsel, 633 Indiana Avenue NW., 13th Floor, Washington, DC 20004 within thirty (30) days of the denial of the initial request for waiver or reduction and shall be decided within twenty (20) days (excluding Saturdays, Sundays and holidays).

(3) Appeals from an adverse determination of the requester’s category as described in paragraphs (d)(1) through (3) of this section shall be decided by the official authorized to decide appeals from denials of access to records and shall be based upon a review of the requester’s submission and the Agency’s own records. Appeals shall be addressed in writing to the office or officer specified in paragraph (d)(2) of this section within thirty (30) days of the receipt of the Agency’s determination of the requester’s category and shall be decided within twenty (20) days (excluding Saturdays, Sundays, and holidays).

(g) Advance notice of fees. (1) When the fees for processing the request are estimated to exceed the limit set by the requester, and that amount is less than $250.00, the requester shall be notified of the estimated costs. The requester must provide an agreement to pay the estimated costs; however, the requester will also be given an opportunity to re-formulate the request in an attempt to reduce fees.

(2) If the requester has failed to state a limit and the costs are estimated to exceed $250.00, the requester shall be notified of the estimated costs and must pre-pay such amount prior to the processing of the request, or provide satisfactory assurance of full payment of FOIA fees. The requester will also be given an opportunity to re-formulate the request in an attempt to reduce fees.

(h) Form of payment. (1) Payment may be made by check or money order payable to the Treasury of the United States.

(2) The Agency reserves the right to request prepayment after a request is processed and before documents are released in the following circumstances.

(i) When costs are estimated or determined to exceed $250.00, the Agency shall either obtain satisfactory assurance of full payment of the estimated cost where the requester has a history of prompt payment of FOIA fees or require the requester to make an advance payment of the entire estimated or determined fee before continuing to process the request.

(ii) If a requester has previously failed to pay a fee within thirty (30) days of the date of the billing, the requester shall be required to pay the full amount owed plus any applicable interest, and to make an advance payment of the full amount of the estimated fee before the Agency begins to process a new request or the pending request. Whenever interest is charged, the Agency shall begin assessing interest.
on the 31st day following the day on which billing was sent. Interest shall be at the rate prescribed in 31 U.S.C. 3717.

(i) Amounts to be charged for specific services. The fees for services performed by an employee of the Agency shall be imposed and collected as set forth in this paragraph (i).

(1) Duplicating records. All requesters, except commercial requesters, shall receive the first 100 pages duplicated without charge; the first two hours of search time free; or charge which total $10.00 or less. Fees for the copies are to be calculated as follows:

(i) The duplication cost is calculated by multiplying the number of pages in excess of 100 by $0.25.

(ii) Photographs, films, and other materials—actual cost of duplication.

(iii) Other types of duplication services not mentioned above—actual cost.

(iv) Material provided to a private contractor for copying shall be charged to the requester at the actual cost charged by the private contractor.

(2) Search services. The cost of search time is calculated by multiplying the number of quarter hours in excess of two hours by the following rates for the staff conducting the search:

(i) $7.00 per quarter hour for clerical staff; and

(ii) $10.00 per quarter hour for professional staff; and

(iii) $14.00 per quarter hour for managerial personnel.

(3) Only fees in excess of $10.00 will be assessed. This means that the total cost must be greater than $10.00, either for the cost of the search (for time in excess of two hours), for the cost of duplication (for pages in excess of 100), or for both costs combined.

(4) Searches for electronic records. The Agency shall charge for actual direct cost of the search, including computer search time, runs, and the operator’s salary. The fee for computer output shall be actual direct costs. For requesters in the “all other” category, when the cost of the search (including the operator time and the cost of operating the computer to process a request) equals the equivalent dollar amount of two hours of the salary of the person performing the search (i.e., the operator), the charge for the computer search will begin.

(k) Aggregating requests. When the Agency reasonably believes that a requester or group of requesters is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, the Agency shall aggregate any such requests and charge accordingly.

(1) The agency shall not assess any search fees (or in the case of an educational or noncommercial scientific institution, or a representative of the news media—duplication fees) under this paragraph (l) if the agency has failed to comply with any time limit under 5 U.S.C. 552(a)(6) and §802.6(b)(1).

(1) If an agency has determined that unusual circumstances apply (as the term is defined in 5 U.S.C. 552(a)(6)(B)) and the agency provided a timely written notice to the requester in accordance with 5 U.S.C. 552(a)(6)(B), a failure described in 5 U.S.C. 552(a)(6)(B) is excused for an additional 10 days. If the agency fails to comply with the extended time limit, the agency may not assess any search fees (or in the case of a requester as described under this paragraph (l)(1), duplication fees).

(2) If an agency has determined that unusual circumstances apply and more than 5,000 pages are necessary to respond to the request, an agency may charge search fees (or in the case of a requester described under paragraph (l)(1) of this section, duplication fees) if the agency has provided a timely written notice to the requester in accordance with 5 U.S.C. 552(a)(6)(B) and the agency has discussed with the requester via written mail, electronic mail, or telephone (or made not less than 3 good-faith attempts to do so) how the requester could effectively limit the scope of the request in accordance with 5 U.S.C. 552(a)(6)(B)(i).

(3) If a court has determined that exceptional circumstances exist (as that term is defined in 5 U.S.C. 552(a)(6)(C)), a failure described in 5 U.S.C. 552(a)(6)(B) shall be excused for the length of time provided by the court order.
Court Services and Offender Supervision Agency § 802.13

Subpart C—Privacy Act

§ 802.11 Purpose and scope.

The regulations in this subpart apply to all records which are contained in a system of records maintained by the Agency and which are retrieved by an individual’s name or personal identifier. This subpart implements the Privacy Act by establishing Agency policy and procedures providing for the maintenance of and guaranteed access to records. Under these procedures:

(a) You can ask us whether we maintain records about you or obtain access to your records; and

(b) You may seek to have your record corrected or amended if you believe that your record is not accurate, timely, complete, or relevant.

§ 802.12 Definitions.

As used in this subpart, the following terms shall have the following meanings:

(a) Agency has the meaning as defined in 5 U.S.C. 552(e).

(b) Individual means a citizen of the United States or an alien lawfully admitted for permanent residence.

(c) Maintain includes maintain, collect, use, or disseminate.

(d) Record means any item, collection, or grouping of information about an individual that is maintained by the Agency. This includes, but is not limited to, the individual’s education, financial transactions, medical history, and criminal or employment history and that contains the name, or an identifying number, symbol, or other identifying particular assigned to the individual, such as a fingerprint or a photograph.

(e) System of records means a group of any records under the control of the Agency from which information is retrieved by the name of the individual or by some identifying number, symbol, or other identifying particular assigned to the individual.

(f) Statistical record means a record in a system of records maintained for statistical research or reporting purposes only and not used in whole or part in making any determination about an identifiable individual, except as provided by 13 U.S.C. 8.

(g) Routine use means the disclosure of a record that is compatible with the purpose for which the record was collected.

(h) Request for access means a request made pursuant to 5 U.S.C. 552a(d)(1).

(i) Request for amendment means a request made pursuant to 5 U.S.C. 552a(d)(2).

(j) Request for accounting means a request made pursuant to 5 U.S.C. 552a(c)(3).

§ 802.13 Verifying your identity.

(a) Requests for your own records.

When you make a request for access to records about yourself, you must verify your identity. You must state your full name, current address, and date and place of birth. You must sign your request and your signature must either be notarized or submitted by you under 28 U.S.C. 1746. In order to help the identification and location of requested records, you may also, at your option, include your social security number.

(b) Requests on behalf of another.

Information that concerns an individual and that is contained in a system of records maintained by the Agency shall not be disclosed to any person, or to another agency, except under the provisions of the Privacy Act, 5 U.S.C. 552a, or the Freedom of Information Act, 5 U.S.C. 552.

(c) Disclosure criteria. Staff may disclose information from an agency system of records only if one or more of the following criteria apply:

(1) With the written consent of the individual to whom the record pertains.

(2) Pursuant to a specific exception listed under the Privacy Act (5 U.S.C. 552a(b)). For example, specific exceptions allow disclosure:

(i) To employees within the Agency who have a need for the record in the performance of their duties.

(ii) If disclosure is required under FOIA when the public interest in disclosure of the information outweighs the privacy interest involved.

(iii) For a routine use described in the agency system of records as published in the Federal Register.

(A) The published notices for these systems describe the records contained in each system and the routine uses for
disclosing these records without first obtaining the consent of the person to whom the records pertain.

(B) CSOSA publishes notices of system of records, including all pertinent routine uses, in the Federal Register.

§ 802.14 Requests for access to records.

(a) Submission and processing procedures.

(1) Requests for any agency record about yourself ordinarily will be processed pursuant to the Privacy Act, 5 U.S.C. 552a. Such a request must be made in writing and addressed to the FOIA Officer, Office of the General Counsel, Court Services and Offender Supervision Agency, 633 Indiana Avenue, NW., Washington, DC 20004. The requester should clearly mark on the face of the letter and the envelope “Privacy Act Request.”

(2) Your request will be considered received as of the date it is received by the Office of the General Counsel. For quickest possible handling, you should mark both your request letter and the envelope “Privacy Act Request.”

(3) You must describe the records that you seek in enough detail to enable Agency personnel to locate them with a reasonable amount of effort. Whenever possible, your request should include specific information about each record sought, such as the date, title or name, author, recipient and subject matter of the record. As a general rule, the more specific you are about the records or type of records that you want, the more likely the Agency will be able to locate the records in response to your request. If a determination is made that your request does not reasonably describe records, the Agency will tell you either what additional information is needed or why your request is otherwise insufficient. You will be given the opportunity to discuss your request so that you may modify it to meet the requirements of this section.

(b) Release and review procedures.

Upon written request by an individual to gain access to his or her records which are not otherwise exempted, CSOSA shall permit the individual and, upon the individual’s request, a person of his or her choosing to accompany him or her, to review the record and have a copy of all or any portion of the record. If a document contains information exempt from disclosure under the Privacy Act, any reasonably segregable portion of the record will be provided to the requester after deletion of the exempt portions.

(2) A requester will be notified of the decision on the request in writing.

(3) Generally, all Privacy Act requests will be processed in the approximate order of receipt, unless the requester shows exceptional circumstances exist to justify an expedited response (see §802.8).

§ 802.15 Denial of request.

(a) Denial in whole or in part. If it is determined that the request for records should be denied in whole or in part, the requester shall be notified by mail. The letter of notification shall:

(1) State the PA and FOIA exemptions relied on in not granting the request;

(2) If technically feasible, indicate the amount of information deleted at the place in the record where such deletion is made (unless providing such indication would harm an interest protected by the exemption relied upon to deny such material);

(3) Set forth the name and title or position of the responsible official;

(4) Advise the requester of the right to an administrative appeal in accordance with §802.16; and

(5) Specify the official or office to which such appeal shall be submitted.

(b) No records found. If it is determined, after a thorough search for records by the responsible official or his delegate, that no records have been found to exist, the responsible official will so notify the requester in writing. The letter of notification will advise the requester of the right to administratively appeal the determination that no records exist (i.e., to challenge the adequacy of the search for responsive records) in accordance with §802.16. The notification shall specify the official or office to which the appeal shall be submitted for review.

§ 802.16 Administrative appeal.

(a) A requester may appeal an Agency initial determination when:

(1) Access to records has been denied in whole or in part; or
(2) It has been determined that no responsive records exist.

(b) Appeals of initial determinations must be made within 30 days of the receipt of the letter denying the request. Both the envelope and the letter of appeal should be sent to the Office of the General Counsel, Court Services and Offender Supervision Agency, 633 Indiana Avenue, NW., Room 1220, Washington, DC 20004 and must be clearly marked “Privacy Act Appeal.”

(c) The General Counsel will make an appeal determination within 30 days (excluding Saturdays, Sundays, and holidays) from the date of receipt of the appeal. However, for a good reason, this time limit may be extended. If, after review, the General Counsel determines that additional information should be released, it will accompany the appeal response. If, after review, the General Counsel determines to uphold the initial review, we will inform you of that decision.

§ 802.17 Documents from other agencies.

(a)(1) Documents from or pertaining to Federal agencies. When a request for records includes a document from another Federal agency, the document will be referred to the originating Federal agency for a determination of its releasability. The requester will be informed of the referral. This is not a denial of a Privacy Act request; thus no appeal rights accrue to the requester.

(2) When a Privacy Act request is received for a record created by the Agency that includes information originated by another Federal agency, the record will be referred to the originating Federal agency for review and recommendation on disclosure. The Agency will not release any such record without prior consultation with the originating agency.

(b) Documents from non-Federal agencies. When a request for records includes a document from a non-Federal agency, CSOSA staff must make a determination of its releasability.

§ 802.18 Correction or amendment of records.

This section applies to all records kept by the Agency except for records of earnings. If you believe your record is not accurate, relevant, timely, or complete, you may request that your record be corrected or amended. A request for correction or amendment must identify the particular record in question, state the correction or amendment sought, and set forth the justification for the correction. To amend or correct your record, you should write to the Office of the General Counsel identified in §802.14(a)(1). You should submit any available evidence to support your request. Both the request and the envelope must be clearly marked “Privacy Act Correction Request.” Your request should indicate:

(a) The system of records from which the record is retrieved;
(b) The particular record which you want to correct or amend;
(c) Whether you want to add, delete or substitute information in the records; and
(d) Your reasons for believing that your record should be corrected or amended.

§ 802.19 Appeal of denial to correct or amend.

(a) The system manager may grant or deny requests for correction of agency records. One basis for denial may be that the records are contained in an agency system of records that has been published in the FEDERAL REGISTER and exempted from the Privacy Act provisions allowing amendment and correction.

(1) Any denial of a request for correction should contain a statement of the reason for denial and notice to the requester that the denial may be appealed to the General Counsel by filing a written appeal.

(2) The appeal should be marked on the face of the letter and the envelope, “PRIVACY APPEAL—DENIAL OF CORRECTION,” and be addressed to the Office of the General Counsel, address cited at §802.14(a)(1).

(3) The General Counsel will review your request within 30 days from the date of receipt. However, for a good reason, this time limit may be extended. If, after review, the General Counsel determines that the record should be corrected, the record will be corrected. If, after review, the General Counsel determines that the record should be denied, the denial will be final unless you appeal the denial to the Director.
§ 802.20 Accounting of disclosures.

(a) We will provide an accounting of all disclosures of a record for five years or until the record is destroyed, whichever is longer, except that no accounting will be provided to the record subject for disclosures made to law enforcement agencies and no accounting will be made for:

(1) Disclosures made under the FOIA;
(2) Disclosures made within the agency;
(3) Disclosures of your record made with your written consent.

(b) The accounting will include:

(1) The date, nature, and purpose of the disclosure; and
(2) The name and address of the person or entity to whom the disclosure is made.

(c) You may request access to an accounting of disclosures of your record. Your request should be in accordance with the procedures in §802.14. You will be granted access to an accounting of the disclosures of your record in accordance with the procedures of this part which govern access to the related record, excepting disclosures made for

§ 802.21 Appeals.

You may appeal a denial of a request for an accounting to the Office of the General Counsel in the same manner as a denial of a request for access to records (See §802.16) and the same procedures will be followed.

§ 802.22 Fees.

The Agency shall charge fees under the Privacy Act for duplication of records only. These fees shall be at the same rate the Agency charges for duplication fees under the Freedom of Information Act (See §802.10(i)(1)).

§ 802.23 Use and disclosure of social security numbers.

(a) In general. An individual shall not be denied any right, benefit, or privilege provided by law because of such individual’s refusal to disclose his or her social security number.

(b) Exceptions. The provisions of paragraph (a) of this section do not apply with respect to:

(1) Any disclosure which is required by Federal statute, or
(2) The disclosure of a social security number to any Federal, State, or local agency maintaining a system of records in existence and operating before January 1, 1975, if such disclosure was required under statute or regulation adopted prior to such date to verify the identity of an individual.

(c) Requests for disclosure of social security number. If the Agency requests an individual to disclose his or her social security account number, we shall inform that individual whether:

(1) Disclosure is mandatory or voluntary.
(2) By what statutory or other authority such number is solicited, and
(3) What uses will be made of it.
Subpart D—Subpoenas or Other Legal Demands for Testimony or the Production or Disclosure of Records or Other Information

§ 802.24 Purpose and scope.

(a) These regulations state the procedures which the Court Services and Offender Supervision Agency (“CSOSA” or “Agency”) and the District of Columbia Pretrial Services Agency (“PSA” or “Agency”) follow in response to a demand from a Federal, state, or local administrative body for the production and disclosure of material in connection with a proceeding to which the Agency is not a party.

(b) These regulations do not apply to congressional requests. Neither do these regulations apply in the case of an employee making an appearance solely in his or her private capacity in judicial or administrative proceedings that do not relate to the Agency (such as cases arising out of traffic accidents, domestic relations, etc.).

(c) This part is not intended and does not create and may not be relied upon to create any right or benefit, substantive or procedural, enforceable at law by a party against the United States or specifically CSOSA or PSA.

§ 802.25 Definitions.

Demand means a request, order, or subpoena for testimony or documents to use in a legal proceeding.

Employee includes a person employed in any capacity by CSOSA or PSA, currently or in the past; any person appointed, or subject to the supervision, jurisdiction, or control of the head of the Agency, or any Agency official, currently or in the past. A person who is subject to the Agency’s jurisdiction or control includes any person who hired as a contractor by the agency, any person performing services for the agency under an agreement, and any consultant, contractor, or subcontractor of such person. A former employee is also considered an employee only when the matter about which the person would testify is one in which he or she was personally involved while at the Agency, or where the matter concerns official information that the employee acquired while working at the Agency, such as sensitive or confidential agency information.

Legal Proceeding includes any pretrial, trial, and post-trial state of any existing or reasonably anticipated judicial or administrative action, hearing, investigation, or similar proceeding before a court, commission, board, agency, or other tribunal, authority or entity, foreign or domestic. Legal proceeding also includes any deposition or other pretrial proceeding, including a formal or informal request for testimony made by an attorney or other person, or a request for documents gathered or drafted by an employee.

§ 802.26 Receipt of demand.

If, in connection with a proceeding to which the Agency is not a party, an employee receives a demand from a court or other authority for material contained in the Agency’s files, any information relating to material contained in the Agency’s files, or any information or material acquired by an employee as a part of the performance of that person’s official duties or because of that person’s official status, the employee must:

(a) Immediately notify the Office of the General Counsel and forward the demand to the General Counsel if the demand pertains to CSOSA; or

(b) Immediately notify the Deputy Director of PSA and forward the demand to the Deputy Director if the demand pertains to PSA.

§ 802.27 Compliance/noncompliance.

The General Counsel is responsible for determining if CSOSA should comply or not comply with the demand, and the Deputy Director of PSA is responsible for determining if PSA should comply with the demand.

(a) An employee may not produce any documents, or provide testimony regarding any information relating to, or based upon Agency documents, or disclose any information or produce materials acquired as part of the performance of that employee’s official duties, or because of that employee’s official status without prior authorization from the General Counsel or Deputy Director. The reasons for this policy are as follows:
(1) To conserve the time of the agency for conducting official business;
(2) To minimize the possibility of involving the agency in controversial issues that are not related to the agency’s mission;
(3) To prevent the possibility that the public will misconstrue variances between personal opinions of agency employees and agency policies;
(4) To avoid spending the time and money of the United States for private purposes;
(5) To preserve the integrity of the administrative process; and
(6) To protect confidential, sensitive information and the deliberative process of the agency.

(b) An attorney from the Office of the General Counsel shall appear with any CSOSA employee upon whom the demand has been made (and with any PSA employee if so requested by the Deputy Director), and shall provide the court or other authority with a copy of the regulations contained in this part. The attorney shall also inform the court or authority that the demand has been or is being referred for prompt consideration by the General Counsel or Deputy Director. The court or other authority will be requested respectfully to stay the demand pending receipt of the requested instructions from the General Counsel or Deputy Director.

(c) If the court or other authority declines to stay the effect of the demand pending receipt of instructions from the General Counsel or Deputy Director, or if the court or other authority rules that the demand must be complied with irrespective of the instructions from the General Counsel or Deputy Director not to produce the material or disclose the information sought, the employee upon whom the demand was made shall respectfully decline to produce the information under United States ex rel. Touhy v. Ragen, 340 U.S. 462 (1951). In this case, the Supreme Court held that a government employee could not be held in contempt for following an agency regulation requiring agency approval before producing government information in response to a court order.

(d) To achieve the purposes noted in paragraphs (a)(1) through (6) of this section, the agency will consider factors such as the following in determining whether a demand should be complied with:
(1) The Privacy Act, 5 U.S.C. 522a;
(2) Department of Health and Human Services statute and regulations concerning drug and alcohol treatment programs found at 42 U.S.C. 290dd and 42 CFR 2.1 et seq.;
(3) The Victims Rights Act, 42 U.S.C. 10606(b);
(4) D.C. statutes and regulations;
(5) Any other state or federal statute or regulation;
(6) Whether disclosure is appropriate under the relevant substantive law concerning privilege;
(7) Whether disclosure would reveal a confidential source or informant, unless the investigative agency and the source or informant have no objection; and
(8) Whether disclosure would reveal investigatory records compiled for law enforcement purposes, and would interfere with enforcement proceedings or disclose investigative techniques and procedures the effectiveness of which would thereby be impaired.

Subpart E—Exemption of Records Systems Under the Privacy Act

§ 802.28 Exemption of the Court Services and Offender Supervision Agency System—limited access.

The Privacy Act permits specific systems of records to be exempt from some of its requirements.
(a)(1) The following systems of records are exempt from 5 U.S.C. 552a(c)(3) and (4), (d), (e)(1)–(3), (4)(G)–(I), (5) and (8), (f) and (g):
(i) Background Investigation (CSOSA–2).
(ii) Supervision Offender Case File (CSOSA–9).
(iii) Pre-Sentence Investigations (CSOSA–10).
(iv) Supervision & Management Automated Record Tracking (SMART) (CSOSA–11).
(v) Recidivism Tracking Database (CSOSA–12).
Court Services and Offender Supervision Agency § 802.28

(vi) [Reserved]
(vii) Substance Abuse Treatment Database (CSOSA–15).
(viii) Screener (CSOSA–16).
(ix) Sex Offender Registry (CSOSA–18).

(2) Exemptions from the particular subsections are justified for the following reasons:

(i) From subsection (c)(3) because offenders will not be permitted to gain access or to contest contents of these record systems under the provisions of subsection (d) of 5 U.S.C. 552a. Revealing disclosure accountings can compromise legitimate law enforcement activities and CSOSA responsibilities.

(ii) From subsection (c)(4) because exemption from provisions of subsection (d) will make notification of formal disputes inapplicable.

(iii) From subsection (d), (e)(4)(G) through (e)(4)(I), (f) and (g) because exemption from this subsection is essential to protect internal processes by which CSOSA personnel are able to formulate decisions and policies with regard to offenders, to prevent disclosure of information to offenders that would jeopardize legitimate correctional interests of rehabilitation, and to permit receipt of relevant information from other federal agencies, state and local law enforcement agencies, and federal and state probation and judicial offices.

(iv) From subsection (e)(1) because primary collection of information directly from offenders about criminal history or criminal records is highly impractical and inappropriate.

(A) It is not possible in all instances to determine relevancy or necessity of specific information in the early stages of a criminal or other investigation.

(B) Relevance and necessity are questions of judgment and timing; what appears relevant and necessary when collected ultimately may be deemed unnecessary. It is only after the information is assessed that its relevancy and necessity in a specific investigative activity can be established.

(C) In interviewing individuals or obtaining other forms of evidence or information during an investigation, information could be obtained, the nature of which would leave in doubt its relevancy and necessity. Such information, however, could be relevant to another investigation or to an investigative activity under the jurisdiction of another agency.

(v) From subsection (e)(2) because the nature of criminal and other investigatory activities is such that vital information about an individual can only be obtained from other persons who are familiar with such individual and his/her activities. In such investigations it is not feasible to rely upon information furnished by the individual concerning his/her own activities.

(vi) From subsection (e)(3) because disclosure would provide the subject with substantial information which could impede or compromise the investigation. The individual could seriously interfere with investigative activities and could take appropriate steps to evade the investigation or flee a specific area.

(vii) From subsection (e)(8) because the notice requirements of this provision could seriously interfere with a law enforcement activity by alerting the subject of a criminal or other investigation of existing investigative interest.

(viii) Those sections would otherwise require CSOSA to notify an individual of investigatory materials contained in a record pertaining to him/her, permit access to such record, permit requests for its correction (section 552a(d), (e)(4)(G), and (H)); make available to him/her any required accounting of disclosures made of the record (section 552a(c)(3)), publish the sources of records in the system (section 552a(4)(I)); and screen records to insure that there is maintained only such information about an individual as is relevant to accomplish a required purpose of the Agency (section 552(e)(1)). In addition, screening for relevancy to Agency purposes, a correction or attempted correction of such materials could require excessive amounts of time and effort on the part of all concerned.

(b)(1) The following system of records is exempt from 5 U.S.C. 552a(c)(3) and (4), (d), (e)(1)–(e)(3), (4)(H), (5), (8) and (g):

(i) Office of Professional Responsibility Record (OPR) (CSOSA–17).
(ii) [Reserved]
(2) Exemptions from the particular subsections are justified for the following reasons:

(i) From subsection (c)(3) because release of disclosure accounting could alert the subject of an investigation of an actual or potential criminal, civil, or regulatory violation to the existence of the investigation and the fact that they are subjects of the investigation, and reveal investigative interest by not only the OPR but also by the recipient agency. Since release of such information to the subjects of an investigation would provide them with significant information concerning the nature of the investigation, release could result in activities that would impede or compromise law enforcement such as: the destruction of documentary evidence; improper influencing of witnesses; endangerment of the physical safety of confidential sources, witnesses, and law enforcement personnel; fabrication of testimony; and flight of the subject from the area. In addition, release of disclosure accounting could result in the release of properly classified information which could compromise the national defense or disrupt foreign policy.

(ii) From subsection (c)(4) because this system is exempt from the access provisions of subsection (d) pursuant to subsections (j) and (k) of the Privacy Act.

(iii) From the access and amendment provisions of subsection (d) because access to the records contained in this system of records could provide the subject of an investigation with information concerning law enforcement activities such as that relating to an actual or potential criminal, civil or regulatory violation; the existence of an investigation; the nature and scope of the information and evidence obtained as to his activities; the identity of confidential sources, witnesses, and law enforcement personnel; and information that may enable the subject to avoid detection or apprehension. Such disclosure would present a serious impediment to effective law enforcement where they prevent the successful completion of the investigation; endanger the physical safety of confidential sources, witnesses, and law enforcement personnel; and/or lead to the improper influencing of witnesses, the destruction of evidence, or the fabrication of testimony. In addition, granting access to such information could disclose security-sensitive or confidential business information or information that would constitute an unwarranted invasion of the personal privacy of third parties. Amendment of the records would interfere with ongoing investigations and law enforcement activities and impose an impossible administrative burden by requiring investigations to be continuously reinvestigated.

(iv) From subsection (e)(1) because the application of this provision could impair investigations and interfere with the law enforcement responsibilities of the OPR for the following reasons:

(A) It is not possible to detect relevance or necessity of specific information in the early stages of a civil, criminal or other law enforcement investigation, case, or matter, including investigations in which use is made of properly classified information. Relevance and necessity are questions of judgment and timing, and it is only after the information is evaluated that the relevance and necessity of such information can be established.

(B) During the course of any investigation, the OPR may obtain information concerning actual or potential violations of laws other than those within the scope of its jurisdiction. In the interest of effective law enforcement, the OPR should retain this information as it may aid in establishing patterns of criminal activity, and can provide valuable leads for Federal and other law enforcement agencies.

(C) In interviewing individuals or obtaining other forms of evidence during an investigation, information may be supplied to an investigator which relates to matters incidental to the primary purpose of the investigation but which may relate also to matters under the investigative jurisdiction of another agency. Such information cannot readily be segregated.

(v) From subsection (e)(2) because, in some instances, the application of this provision would present a serious impediment to law enforcement for the following reasons:
(A) The subject of an investigation would be placed on notice as to the existence of an investigation and would therefore be able to avoid detection or apprehension, to improperly influence witnesses, to destroy evidence, or to fabricate testimony.

(B) In certain circumstances the subject of an investigation cannot be required to provide information to investigators, and information relating to a subject’s illegal acts, violations of rules of conduct, or any other misconduct must be obtained from other sources.

(C) In any investigation it is necessary to obtain evidence from a variety of sources other than the subject of the investigation in order to verify the evidence necessary for successful litigation.

(vi) From subsection (e)(3) because the application of this provision would provide the subject of an investigation with substantial information which could impede or compromise the investigation. Providing such notice to a subject of an investigation could interfere with an undercover investigation by revealing its existence, and could endanger the physical safety of confidential sources, witnesses, and investigators by revealing their identities.

(vii) From subsection (e)(5) because the application of this provision could interfere with an undercover investigation by revealing its existence, and could endanger the physical safety of confidential sources, witnesses, and investigators by revealing their identities.

(ix) From subsection (g) to the extent that this system is exempt from the access and amendment provisions of subsection (d) pursuant to subsections (j)(2), (k)(1), and (k)(2) of the Privacy Act.

§ 802.29 Exemption of the Pretrial Services Agency System.

The Privacy Act permits specific systems of records to be exempt from some of its requirements.

(a)(1) The following systems of records are exempt from 5 U.S.C. 552a(c)(3) and (4), (d), (e)(1)–(3), (4)(G)–(I), (5) and (8), (f) and (g):
   (i) Automated Bail Agency Database (ABADABA) (CSOSA/PSA–1).
   (ii) Drug Test Management System (DTMS) (CSOSA/PSA–2).
   (iii) Interview and Treatment Files (CSOSA/PSA–3).
   (iv) Pretrial Realtime Information Systems Manager (PRISM) (CSOSA/PSA–6).

(2) Exemptions from the particular subsections are justified for the following reasons:
   (i) From subsection (c)(3) because defendants/offenders will not be permitted to gain access or to contest contents of these record systems under the provisions of subsection (d) of 5 U.S.C. 552a. Revealing disclosure accountings can compromise legitimate law enforcement activities and CSOSA/PSA responsibilities.
   (ii) From subsection (c)(4) because exemption from provisions of subsection (d) will make notification of formal disputes inapplicable.
   (iii) From subsection (d), (e)(4)(G) through (e)(4)(I), (f) and (g) because exemption from this subsection is essential to protect internal processes by which CSOSA/PSA personnel are able to formulate decisions and policies with regard to defendants/offenders, to prevent disclosure of information to defendants/offenders that would jeopardize legitimate correctional interests of rehabilitation, and to permit receipt of relevant information from other federal agencies, state and local law enforcement agencies, and federal and state probation and judicial offices.
   (iv) From subsection (e)(1) because primary collection of information directly from defendants/offenders about
criminal history or criminal records is highly impractical and inappropriate.

(A) It is not possible in all instances to determine relevancy or necessity of specific information in the early stages of a criminal or other investigation.

(B) Relevancy and necessity are questions of judgment and timing; what appears relevant and necessary when collected ultimately may be deemed unnecessary. It is only after the information is assessed that its relevancy and necessity in a specific investigative activity can be established.

(C) In interviewing individuals or obtaining other forms of evidence or information during an investigation, information could be obtained, the nature of which would leave in doubt its relevancy and necessity. Such information, however, could be relevant to another investigation or to an investigative activity under the jurisdiction of another agency.

(v) From subsection (e)(2) because the nature of criminal and other investigative activities is such that vital information about an individual can only be obtained from other persons who are familiar with such individual and his/her activities. In such investigations it is not feasible to rely upon information furnished by the individual concerning his/her own activities.

(vi) From subsection (e)(3) because disclosure would provide the subject with substantial information which could impede or compromise the investigation. The individual could seriously interfere with investigative activities and could take appropriate steps to evade the investigation or flee a specific area.

(vii) From subsection (e)(8) because the notice requirements of this provision could seriously interfere with a law enforcement activity by alerting the subject of a criminal or other investigation of existing investigative interest.

(viii) Those sections would otherwise require CSOSA to notify an individual of investigatory materials contained in a record pertaining to him/her, permit access to such record, permit requests for its correction (section 552a(d), (e)(4)(G), and (H)); make available to him/her any required accounting of disclosures made of the record (section 552a(c)(3)), publish the sources of records in the system (section 552a(4)(I)); and screen records to insure that there is maintained only such information about an individual as is relevant to accomplish a required purpose of the Agency (section 552(e)(1)). In addition, screening for relevancy to Agency purposes, a correction or attempted correction of such materials could require excessive amounts of time and effort on the part of all concerned.

(b) Use of the Agency seal by any person or organization outside of the Agency may be made only with the appropriate prior written approval.

(1) Any request for such use must be made in writing to the Office of the General Counsel, Court Services and Offender Supervision Agency for the District of Columbia, 633 Indiana Avenue, NW., Washington, DC 20004, and must specify, in detail, the exact use to be made. Any permission granted by the appropriate Director or designee applies only to the specific use for which it was granted and is not to be construed as permission for any other use.

(2) The decision whether to grant such a request is made on a case-by-case basis, with consideration of all relevant factors, which may include: the benefit or cost to the government of granting the request; the unintended appearance of endorsement or authentication by the Agency; the potential for misuse; the effect upon Agency security; the reputability of the use; the
extent of the control by the Agency over the ultimate use; and the extent of control by the Agency over distribution of any products or publications bearing the Agency seal.

(c) Falsely making, forging, counterfeiting, mutilating, or altering the Agency seal or reproduction, or knowingly using or possessing with fraudulent intent an altered Agency seal or reproduction is punishable under 28 U.S.C. 506.

(d) Any person using the Agency seal or reproduction in a manner inconsistent with the provisions of this part is subject to the provisions of 18 U.S.C. 1017, which states penalties for the wrongful use of an Agency seal, and other provisions of law as applicable.

§ 804.2 Delegation of authority.

The Director of CSOSA hereby delegates to the Director of PSA the authority to accept and use gifts in the form of in-kind contributions of space and hospitality to support defendant programs, and of equipment and vocational training services to educate and train defendants in accordance with the requirements of this part. (b) Agency employees may not solicit any type of gift to the Agency.

§ 804.4 Submission and approval.

(a) Offender programs and equipment and vocational training services. (1) Any person or organization wishing to donate as a gift in-kind contributions of space or hospitality to support offender programs, or equipment or vocational training services to educate and train defendants may submit the following information in writing to the Agency’s Ethics Officer in the Office of the General Counsel:

(i) The name of the person or organization offering the gift;

(ii) A description of the gift;

(2) The Director, after consultation with the Agency’s Ethics Officer, shall determine whether to accept or reject the gift.

(3) CSOSA staff shall advise the person offering the gift of the Agency’s determination, including, if applicable, the reason for rejection. Reasons for rejecting a gift include findings that:

(i) There is a conflict of interest in accepting the gift;

(ii) Acceptance of the gift is otherwise unlawful or would create the appearance of impropriety;

(iii) Acceptance of the gift would obligate the Agency to an unbudgeted expenditure of funds; or

By statute, the Director of the Court Services and Offender Supervision Agency (CSOSA or Agency) is authorized to accept and use gifts in the form of in-kind contributions of space and hospitality to support offender and defendant programs, and of equipment and vocational training services to educate and train offenders and defendants. The purpose of this part is to:

(a) Inform the public of the procedures to follow when offering a gift;

(b) Establish criteria for accepting and using gifts;

(c) Establish procedures for audit and public inspection of records pertaining to the acceptance and use of gifts; and

(d) Delegate gift acceptance authority to the Director of the Pretrial Services Agency (PSA or Agency).

   (iv) Operation of the program, equipment, or vocational training services would not be practicable.

§ 804.5 Audit and public inspection.

PART 810—COMMUNITY SUPERVISION: ADMINISTRATIVE SANCTIONS

§ 810.1 Supervision contact requirements.

§ 810.2 Accountability contract.

§ 810.3 Consequences of violating the conditions of supervision.

SOURCE: 66 FR 48337, Sept. 20, 2001, unless otherwise noted.

§ 810.1 Supervision contact requirements.

If you are an offender under supervision by the Court Services and Offender Supervision Agency for the District of Columbia (“CSOSA”), CSOSA will establish a supervision level for you and your minimum contact requirement (that is, the minimum frequency of face-to-face interactions between you and a Community Supervision Officer (“CSO”).

§ 810.2 Accountability contract.

(a) Your CSO will instruct you to acknowledge your responsibilities and obligations of being under supervision (whether through probation, parole, or supervised release as granted by the releasing authority) by agreeing to an accountability contract with CSOSA.

(b) The CSO is responsible for monitoring your compliance with the conditions of supervision. The accountability contract identifies the following specific activities constituting substance abuse or non-criminal violations of your conditions of supervision.

1. Substance abuse violations.
   (i) Positive drug test.
   (ii) Failure to report for drug testing.
   (iii) Failure to appear for treatment sessions.
   (iv) Failure to complete inpatient/outpatient treatment programming.

2. Non-criminal violations.
   (i) Failure to report to the CSO.
   (ii) Leaving the judicial district without the permission of the court or the CSO.
   (iii) Failure to work regularly or attend training and/or school.
   (iv) Failure to notify the CSO of change of address and/or employment.
   (v) Frequenting places where controlled substances are illegally sold, used, distributed, or administered.
   (vi) Associating with persons engaged in criminal activity.
(vii) Associating with a person convicted of a felony without the permission of the CSO.
(viii) Failure to notify the CSO within 48 hours of being arrested or questioned by a law enforcement officer.
(ix) Entering into an agreement to act as an informer or special agent of a law enforcement agency without the permission of the Court or the United States Parole Commission ("USPC").
(x) Failure to adhere to any general or special condition of release.

(c) The accountability contract will identify a schedule of administrative sanctions (see §810.3(b)) which may be imposed for your first violation and for subsequent violations.
(d) The accountability contract will provide for a reduction in your supervision level and/or the removal of previously imposed sanctions if:
(1) You maintain compliance for at least ninety days,
(2) The Supervisory Community Supervision Officer concurs with this assessment, and
(3) There are no additional reasons unrelated to the imposed sanction requiring the higher supervision level.

§ 810.3 Consequences of violating the conditions of supervision.

(a) If your CSO has reason to believe that you are failing to abide by the general or specific conditions of release or you are engaging in criminal activity, you will be in violation of the conditions of your supervision. Your CSO may then impose administrative sanctions (see paragraph (b) of this section) and/or request a hearing by the releasing authority. This hearing may result in the revocation of your release or changes to the conditions of your release.

(b) Administrative sanctions available to the CSO include:
(1) Daily check-in with supervision for a specified period of time;
(2) Increased group activities for a specified period of time;
(3) Increased drug testing;
(4) Increased supervision contact requirements;
(5) Referral for substance abuse addiction or other specialized assessments;
(6) Electronic monitoring for a specified period of time;
(7) Community service for a specified number of hours;
(8) Placement in a residential sanctions facility or residential treatment facility for a specified period of time.
(9) Travel restrictions.
(c) You remain subject to further action by the releasing authority. For example, the USPC may override the imposition of any of the sanctions in paragraph (b) of this section and issue a warrant or summons if you are a parolee and it finds that you are a risk to the public safety or that you are not complying in good faith with the sanctions (see 28 CFR 2.85(a)(15)).
§ 811.3 Notice of obligation to register.

(a) Sex offenders may be notified of their obligation to register under various provisions of law. See sections 4, 6, and 8 of the Sex Offender Registration Act of 1999 (D.C. Official Code sections 22–4003, 4005, 4007) (relating to notice by the District of Columbia Superior Court, Department of Corrections, or CSOSA); 18 U.S.C. 4012(c) (relating to notice by Federal Bureau of Prisons and probation offices); 18 U.S.C. 3663(a)(8), 3583(d), 4209(a) (inclusion of registration requirements as conditions of release under federal law); 42 U.S.C. 14071(b)(1) (notice under federal law standards for state sex offender registration programs).

(b) In some cases, sex offenders may not be notified of their obligation to register. Lack of notice does not excuse a failure to register because sex offenders have an independent obligation to

§ 811.2 Applicability.

(a) Sex offender registration requirements apply to all persons who live, reside, work, or attend school in the District of Columbia, and who:

(1) committed a registration offense on or after July 11, 2000;

(2) committed a registration offense at any time and were in custody or under supervision on or after July 11, 2000;

(3) were required to register under the law of the District of Columbia as was in effect on July 10, 2000; or

(4) committed a registration offense at any time in another jurisdiction and, within the registration period (see §§ 811.5 and 811.6), entered the District of Columbia to live, reside, work or attend school.

(b) "Committed a registration offense" means that a person was found guilty or found not guilty by reason of insanity of a registration offense or was determined to be a sexual psychopath. Registration offenses are defined in section 2(8) of the Sex Offender Registration Act of 1999 (D.C. Official Code § 22–4001(8)), subject to the exceptions in section 17(b) of that Act (D.C. Official Code section 22–4016), and are listed descriptively in the Appendix to Part 811 (which also provides information on registration and notification classes). Any future revision to the statutory provisions designating registration offenses will be effective notwithstanding the timing of any conforming revision of these regulations, including the Appendix.

§ 811.1 Applicability.

(a) Sex offender registration requirements apply to all persons who live, reside, work, or attend school in the District of Columbia, and who:

(1) committed a registration offense on or after July 11, 2000;

(2) committed a registration offense at any time and were in custody or under supervision on or after July 11, 2000;

(3) were required to register under the law of the District of Columbia as was in effect on July 10, 2000; or

(4) committed a registration offense at any time in another jurisdiction and, within the registration period (see §§ 811.5 and 811.6), entered the District of Columbia to live, reside, work or attend school.

(b) "Committed a registration offense" means that a person was found guilty or found not guilty by reason of insanity of a registration offense or was determined to be a sexual psychopath. Registration offenses are defined in section 2(8) of the Sex Offender Registration Act of 1999 (D.C. Official Code § 22–4001(8)), subject to the exceptions in section 17(b) of that Act (D.C. Official Code section 22–4016), and are listed descriptively in the Appendix to Part 811 (which also provides information on registration and notification classes). Any future revision to the statutory provisions designating registration offenses will be effective notwithstanding the timing of any conforming revision of these regulations, including the Appendix.
§ 811.4 Determination of the obligation to register and the length of registration.

(a) If the Superior Court finds that a person committed a registration offense, the Superior Court enters an order certifying that the person is a sex offender and that the person is subject to registration for a prescribed period of time (see § 811.6).

(b) If a court order has not been entered certifying that a person is a sex offender and that the person is subject to registration for a prescribed period of time, CSOSA makes those determinations. CSOSA also determines the notification classification if the Court has not done so. Facts on which CSOSA’s determination may be based include:

1. The offense or offenses of conviction (or finding of not guilty by reason of insanity) or a determination that the person is a sexual psychopath;
2. For certain offenses, facts that may not be apparent on the face of the conviction (or finding of not guilty by reason of insanity), such as:
   (i) the age of the victim;
   (ii) whether force was involved; or
   (iii) whether the offense involved an undercover law enforcement officer who was believed to be an adult;
3. Prior criminal history;
4. For an offense committed in or prosecuted under the law of another jurisdiction, whether the offense involved conduct that was the same as or substantially similar to a District of Columbia registration offense; and
5. The amount of time that has elapsed as computed under § 811.6.

§ 811.5 Commencement of the obligation to register.

(a) A sex offender’s obligation to register starts when the sex offender is found guilty or not guilty by reason of insanity of a registration offense or is determined to be a sexual psychopath. However, CSOSA may suspend registration requirements during any period of time in which a sex offender is detained, incarcerated, confined, civilly committed, or hospitalized in a secure facility.

(b) A sex offender must register if the sex offender is placed on probation, parole, supervised release, or convalescent leave, is conditionally or unconditionally released from a secure facility, is granted unaccompanied grounds privileges or other unaccompanied leave, absconds or escapes, is otherwise not detained, incarcerated, confined, civilly committed, or hospitalized in a secure facility, or enters the District of Columbia from another jurisdiction to live, reside, work, or attend school. Registration shall be effectuated as provided in § 811.7 and may be carried out prior to the occurrence of a circumstance described in this paragraph, including the release of or granting of leave to a sex offender.

§ 811.6 Duration of the obligation to register.

(a) Lifetime registration. The registration period for a sex offender who is required to register for life shall end upon the sex offender’s death.

(b) Term of years registration. (1) The registration period for any other sex offender shall end upon the expiration of the sex offender’s probation, parole, supervised release, conditional release, or convalescent leave, or ten years after the sex offender is placed on probation, parole, supervised release, conditional release, or convalescent leave, or is unconditionally released from a correctional facility, prison, hospital or other place of confinement, whichever is latest.

(2) In computing ten years, CSOSA will not count:
   (i) Any time in which the sex offender has failed to register or otherwise failed to comply with requirements of the Act or any procedures, requirements, rules, or regulations promulgated under the Act, including these regulations and the District of Columbia regulations;
   (ii) Any time in which a sex offender is detained, incarcerated, confined, civilly committed, or hospitalized in a mental health facility; and
(iii) Any time in which a sex offender was registered prior to a revocation of probation, parole, supervised release, conditional release, or convalescent leave.

(3) In computing ten years, CSOSA will count any time in which a sex offender was registered in another jurisdiction unless that time is not counted because of a circumstance set forth in paragraph (b)(2) of this section.

(c) Reversal, vacation, or pardon. A person’s obligation to register terminates if the person’s conviction, finding of not guilty by reason of insanity, or finding that the person is a sexual psychopath is reversed or vacated, or if the person has been pardoned for the offense on the ground of innocence, and the person has committed no other offenses for which registration is required.

(d) Termination of obligation to register in the District of Columbia under other circumstances. A sex offender’s obligation to register in the District of Columbia terminates if the sex offender no longer lives, resides, works or attends school in the District of Columbia. However, the obligation to register in the District of Columbia resumes if the sex offender re-enters the District of Columbia within the registration period to live, reside, work or attend school.

§ 811.7 Initial registration.

(a) Duties of sex offender. (1) A sex offender must notify CSOSA within 3 days of the occurrence of any circumstance described in §811.5(b), including but not limited to being sentenced to probation, being released (including any escape or abscendence) from incarceration or confinement, or entering the District of Columbia to live, reside, work, or attend school.

(2) A sex offender must meet with a responsible officer or official, as directed by CSOSA, for the purpose of registration, and must cooperate in such a meeting, including:

(i) Providing any information required for registration and cooperating in photographing and fingerprinting;

(ii) Reviewing information obtained by CSOSA pursuant to paragraph (b) of this section as CSOSA directs and either attesting to its accuracy or setting forth in writing, under penalties of perjury, the exact portion or portions that are not accurate; and

(iii) Acknowledging receipt of information concerning the sex offender’s duties under the Act, including reading (or, if the sex offender cannot read, listening to a reading of) and signing a form or forms stating that these duties have been explained to the sex offender.

(3) In case of disagreement with CSOSA’s determination that the person must register or with CSOSA’s determination of the person’s classification for purposes of registration or notification, the person must follow the review procedures set forth in §811.8.

(b) Duties of CSOSA. (1) CSOSA shall obtain information relating to the sex offender for the purpose of registration including:

(i) Name(s) and alias(es);

(ii) Date of birth;

(iii) Physical description such as sex, race, height, weight, eye color, hair color, tattoos, scars, or other marks or characteristics;

(iv) Social security, PDID, DCDC and FBI numbers;

(v) Driver’s license number and make, model, color, and license plate number of any motor vehicle(s) the sex offender owns;

(vi) A photograph and set of fingerprints;

(vii) Current and/or anticipated home, school, work address(es) and telephone number(s); and

(viii) Other information that may assist CSOSA or the Metropolitan Police Department in locating the sex offender.

§ 812.2

§ 812.2 Individuals subject to DNA collection.

CSOSA is responsible for collecting a DNA sample from each individual under its supervision who is, or has been, convicted of a qualifying District of Columbia Code offense. Qualifying District of Columbia Code offenses were designated by the Council of the District of Columbia in the “DNA Sample Collection Act of 2001.” CSOSA provides a listing of these offenses in the Appendix to this part. The list is presented for informational purposes only. Any future revision to the District of Columbia Code sections designating the qualifying offenses will be effective notwithstanding the timing of a conforming revision of the Appendix by CSOSA. CSOSA may choose not to collect a sample from an individual if it determines that CODIS already contains a DNA analysis for the individual.

EXCEPTIONS (D.C. OFFICIAL CODE SEC. 22–4016(b))

The following do not constitute registration offenses:

1. Any sexual offense between consenting adults or an attempt, conspiracy or solicitation to commit such an offense, except for offenses to which consent is not a defense as provided in Section 218 of the Anti-Sexual Abuse Act of 1994 (D.C. Official Code §22–3017).

2. Any misdemeanor offense that involved a person’s sexual touching or attempted or solicited sexual touching of an undercover law enforcement officer where the person believed that the officer was an adult.

§ 812.3 Coordination with the Federal Bureau of Prisons.

(a) CSOSA will coordinate with the Federal Bureau of Prisons in order to obtain documentation regarding the collection of a DNA sample when the Federal Bureau of Prisons releases an inmate to CSOSA’s supervision or as requested by CSOSA.

(b) CSOSA shall provide the Federal Bureau of Prisons with documentation regarding the collection of a DNA sample from a District of Columbia Code offender when CSOSA returns the District of Columbia Code offender to the custody of the Federal Bureau of Prisons or as requested by the Federal Bureau of Prisons.

§ 812.4 Collection procedures.

(a) DNA samples will be collected, handled, preserved, and submitted to the FBI in accordance with FBI guidelines.

(b) CSOSA has the authority to use such means as are reasonably necessary to collect a sample from an individual who refuses to cooperate in the collection of the sample. Unless CSOSA determines that there are mitigating circumstances, CSOSA will consider that an individual is refusing to cooperate if:

(1) The individual is being ordered or transferred to CSOSA’s supervision, but fails to report to CSOSA for collection of the sample; or

(2) The individual is already under CSOSA supervision and has been notified by his or her Community Supervision Officer of the time to report for collection of the sample, but fails to report for collection of the sample; or

(3) The individual has reported to CSOSA for collection of the sample, but fails to provide the sample after being given a minimum of one hour to do so; or

(4) The individual specifically states that he or she will not cooperate.

(c) When an individual has refused to cooperate in the collection of the sample, CSOSA deems the following to be reasonably necessary means for obtaining the sample:

(1) Impose administrative sanctions;

(2) Request a revocation hearing by the releasing authority; and/or

(3) Refer the individual who refuses to cooperate for criminal prosecution for a class A misdemeanor pursuant to section 4(a)(5) of the DNA Analysis Backlog Elimination Act of 2000 (42 U.S.C. 14135b(a)(5)).

PART 901—FINGERPRINT SUBMISSION REQUIREMENTS

Sec. 901.1 Purpose and authority.
901.2 Interpretation of fingerprint submission requirements.
901.3 Approval of delayed fingerprint submission requests.
901.4 Audits.

AUTHORITY: 42 U.S.C. 14616.
SOURCE: 70 FR 36027, June 22, 2005, unless otherwise noted.

§ 901.1 Purpose and authority.
The Compact Council is established pursuant to the National Crime Prevention and Privacy Compact (Compact), title 42, U.S.C., chapter 140, subchapter II, section 14616. The purpose of these provisions is to interpret the Compact, as it applies to the required submission of fingerprints, along with requests for Interstate Identification Index (III) records, by agencies authorized to access and receive criminal history records under Public Law 92–544, and to establish protocols and procedures applicable to the III and its use for noncriminal justice purposes.

§ 901.2 Interpretation of fingerprint submission requirements.
(a) Article V of the Compact requires the submission of fingerprints or other approved forms of positive identification with requests for criminal history record checks for noncriminal justice purposes. The requirement for the submission of fingerprints may be satisfied in two ways:
(1) The fingerprints should be submitted contemporaneously with the request for criminal history information, or
(2) For purposes approved by the Compact Council, a delayed submission of fingerprints may be permissible under exigent circumstances.
(b) A preliminary III name based check may be made pending the receipt of the delayed submission of the fingerprints. The state repository may authorize terminal access to authorized agencies designated by the state, to enable them to conduct such checks. Such access must be made pursuant to the security policy set forth by the state’s Criminal Justice Information Services (CJIS) Systems Agency (formerly known as the Control Terminal Agency).

§ 901.3 Approval of delayed fingerprint submission requests.
(a) A state may, based upon exigent circumstances, apply for delayed submission of fingerprints supporting requests for III records by agencies authorized to access and receive criminal history records under Public Law 92–544. Such applications must be sent to the Compact Council Chairman and include information sufficient to fully describe the emergency nature of the situation in which delayed submission authority is being sought, the risk to health and safety of the individuals involved, and the reasons why the submission of fingerprints contemporaneously with the search request is not feasible.
(b) In evaluating requests for delayed submissions, the Compact Council must utilize the following criteria:
(1) The risk to health and safety; and
(2) The emergency nature of the request.
(c) Upon approval of the application by the Compact Council, the authorized agency may conduct a III name check pending submission of the fingerprints. The fingerprints must be submitted within the time frame specified by the Compact Council. For the purposes of this part, “time frame” means the number of days that elapse between the date on which the name search was conducted and the date on which the state repository either positively identifies the fingerprint subject or forwards the fingerprints to the FBI or the date a Federal agency forwards the fingerprints to the FBI.
(d) Once a specific proposal has been approved by the Compact Council, another state may apply for delayed fingerprint submission consistent with the approved proposal, provided that the state has a related Public Law 92–544 approved state statute, by submitting the application to the FBI Compact Officer, 1000 Custer Hollow Road, Module C–3, Clarksburg, WV 26306–0001.
(e) Part 901 is also applicable to any federal agency authorized to access
§ 901.4 Audits.

(a) Audits of authorized State agencies that access the III System shall be conducted by the State’s Compact Officer or, in the absence of a Compact Officer, the chief administrator for the criminal history record repository. The responsible Federal CJIS Systems Officer shall ensure that similar audits are conducted of authorized Federal agencies. Such audits shall be conducted to verify adherence to the provisions of part 901 and the FBI’s CJIS Security Policy.

(b) Authorized agencies shall cause to be collected an appropriate record of each instance of III System access through a manual or electronic log. The log shall be maintained for a minimum one-year period to facilitate the audits and compliance reviews. Such records shall be maintained in accordance with the CJIS Security Policy. (For information on this security policy, contact your CJIS Systems Officer.)

(c) The audit and compliance reviews must include mechanisms to determine whether fingerprints were submitted within the time frame specified by the Compact Council.

(d) In addition to the audits as stated above, the FBI CJIS Audit staff shall also conduct routine systematic compliance reviews of State repositories, Federal agencies, and as necessary other authorized III System user agencies.

PART 902—DISPUTE ADJUDICATION PROCEDURES

§ 902.1 Purpose and authority.

The purpose of Part 902 is to establish protocols and procedures for the adjudication of disputes by the Compact Council. The Compact Council is established pursuant to the National Crime Prevention and Privacy Compact (Compact), Title 42, U.S.C., Chapter 140, Subchapter II, Section 14616.

§ 902.2 Raising disputes.

(a) Cognizable disputes may be based upon:

(1) A claim that the Council has misinterpreted the Compact or one of the Council’s rules or standards established under Article VI of the Compact;

(2) A claim that the Council has exceeded its authority under the Compact;

(3) A claim that in establishing a rule or standard or in taking other action, the Council has failed to comply with its bylaws or other applicable procedures established by the Council; or the rule, standard or action is not otherwise in accordance with applicable law; or

(4) A claim by a Compact Party that another Compact Party has failed to comply with a provision of the Compact or with any rule or standard established by the Council.

(b) Only a Party State, the FBI, or a person, organization, or government entity directly aggrieved by the Council’s interpretation of the Compact or any rule or standard established by the Council pursuant to the Compact, or in connection with a matter covered under Section 902.2(a)(4), may raise a cognizable dispute. Such disputants may request a hearing on a dispute by contacting the Compact Council Chairman in writing at the Compact Council Office, Module C3, 1000 Custer Hollow Road, Clarksburg, West Virginia 26306.

(c) The Chairman may ask the requester for more particulars, supporting documentation or materials as the circumstances warrant.

(d) A dispute may not be based solely upon a disagreement with the merits (substantive wisdom or advisability) of a rule or standard validly established by the Council within the scope of its authority under the Compact. However, nothing in this rule prohibits further discussion of the merits of a rule.
or standard at any regularly scheduled Council meeting.

§ 902.3 Referral to Dispute Resolution Committee.

(a) The five person Dispute Resolution Committee membership shall be determined according to Compact Article VI (g). Should a dispute arise with an apparent conflict of interest between the disputant and a Committee member, the Committee member shall recuse himself/herself and the Compact Council Chairman shall determine an appropriate substitute for that particular dispute. In the case when the Compact Council Chairman is the committee member with the conflict, the Chairman shall take appropriate steps to appoint a replacement that resolves the conflict.

(b) The Compact Council Chairman shall refer the dispute, together with all supporting documents and materials, to the Council’s Dispute Resolution Committee.

(c) The Dispute Resolution Committee shall recommend hearings to all disputants who raise issues that are not clearly frivolous or without merit. If the Committee recommends denying a hearing, it must articulate its reason or reasons for doing so in writing.

(d) The Dispute Resolution Committee shall consider the matter and:

1. Refer it to the Council for a hearing;
2. Recommend that the Council deny a hearing if the Committee concludes that the matter does not constitute a cognizable dispute under §902.2(a); or
3. Request more information from the person or organization raising the dispute or from other persons or organizations.

§ 902.4 Action by Council Chairman.

(a) The Chairman shall communicate the decision of the Dispute Resolution Committee to the person or organization that raised the dispute.

(b) If a hearing is not granted, the disputant may appeal this decision to the Attorney General. If the Attorney General believes the disputant has raised an issue that is not frivolous or without merit, the Attorney General may order the Compact Council Chairman to grant a hearing.

(c) If a hearing is granted, the Chairman shall:

1. Include the dispute on the agenda of a scheduled meeting of the Council or, at the Chairman’s discretion, schedule a special Council meeting;
2. Notify the person or organization raising the dispute as to the date of the hearing and the rights of disputants under §902.5 (Hearing Procedures); and
3. Include the matter of the dispute in the prior public notice of the Council meeting required by Article VI (d)(1) of the Compact.

§ 902.5 Hearing procedures.

(a) The hearing shall be open to the public pursuant to Article VI (d)(1) of the Compact.

(b) The Council Chairman or his/her designee shall preside over the hearing and may limit the number of, and the length of time allowed to, presenters or witnesses.

(c) The person or organization raising the dispute or a Compact Party charged under the provisions of §902.2(a)(4) shall be entitled to:

1. File additional written materials with the Council at least ten days prior to the hearing;
2. Appear at the hearing, in person and/or by counsel;
3. Make an oral presentation; and
4. Call and cross-examine witnesses.

(d) Subject to the discretion of the Chairman, other persons and organizations may be permitted to appear and make oral presentations at the hearing or provide written materials to the Council concerning the dispute.

(e) All Council members, including a member or members who raised the dispute that is the subject of the hearing shall be entitled to participate fully in the hearing and vote on the final Council decision concerning the dispute.

(f) The Council shall, if necessary, continue the hearing to a subsequent Council meeting.

(g) Summary minutes of the hearing shall be made and transcribed and shall be available for inspection by any person at the Council office within the Federal Bureau of Investigation.

(h) The proceedings of the hearing shall be recorded and, as necessary, transcribed. A transcript of the hearing
§ 902.6 Appeal to the Attorney General.

(a) The Federal Bureau of Investigation or a Compact Party State may appeal the decision of the Council to the U.S. Attorney General pursuant to Section (c) of Article XI of the Compact.

(b) Appeals shall be filed and conducted pursuant to rules and procedures that may be established by the Attorney General.

(c) Appropriate notice of an appeal shall be communicated to the Council Chairman by the appealing party.

§ 902.7 Court action.

Pursuant to Section (c) of Article XI of the Compact, a decision by the Attorney General on an appeal under § 902.6 may be appealed by filing a suit seeking to have the decision reversed in the appropriate district court of the United States.

PART 904—STATE CRIMINAL HISTORY RECORD SCREENING STANDARDS

§ 904.1 Purpose and authority.

Pursuant to the National Crime Prevention and Privacy Compact (Compact), title 42, U.S.C., chapter 140, subchapter II, section 14616, Article IV (c), the Compact Council hereby establishes record screening standards for criminal history record information received by means of the III System for noncriminal justice purposes.

§ 904.2 Interpretation of the criminal history record screening requirement.

Compact Article IV(c) provides that “Any record obtained under this Compact may be used only for the official purposes for which the record was requested.” Further, Article III(b)(1)(C) requires that each Party State appoint a Compact officer who shall “regulate the in-State use of records received by means of the III System from the FBI or from other Party States.” To ensure compliance with this requirement, Compact Officers receiving records from the FBI or other Party States are specifically required to “ensure that record entries that may not legally be used for a particular noncriminal justice purpose are deleted from the response and, if no information authorized for release remains, an appropriate ‘no record’ response is communicated to the requesting official.” Compact Article IV(c)(3).

§ 904.3 State criminal history record screening standards.

The following record screening standards relate to criminal history record information received for noncriminal justice purposes as a result of a national search subject to the Compact utilizing the III System.

(a) The State Criminal History Record Repository or an authorized agency in the receiving state will complete the record screening required under §904.2 for all noncriminal justice purposes.

(b) Authorized officials performing record screening under §904.3(a) shall screen the record to determine what information may legally be disseminated for the authorized purpose for which the record was requested. Such record screening will be conducted pursuant
to the receiving state’s applicable statute, executive order, regulation, formal determination or directive of the state attorney general, or other applicable legal authority.

(c) If the state receiving the record has no law, regulation, executive order, state attorney general directive, or other legal authority providing guidance on the screening of criminal history record information received from the FBI or another state as a result of a national search, then the record screening under §904.3(a) shall be performed in the same manner in which the state screens its own records for noncriminal justice purposes.

PART 905—NATIONAL FINGERPRINT FILE (NFF) PROGRAM QUALIFICATION REQUIREMENTS

§ 905.1 Definition.

National Fingerprint File” means a database of fingerprints, or other uniquely personal identifying information, relating to an arrested or charged individual maintained by the FBI to provide positive identification of record subjects indexed in the III System.

§ 905.2 Purpose and authority.

The purpose of this part 905 is to require each National Fingerprint File (NFF) participant to meet the standards set forth in the NFF Qualification Requirements as established by the Compact Council (Council). The Council is established pursuant to the National Crime Prevention and Privacy Compact Act (Compact), title 42, U.S.C., §14616.

§ 905.3 Participation in the NFF Program.

Each NFF Program participant shall meet the standards set forth in the NFF Qualification Requirements as established by the Council and endorsed by the FBI’s Criminal Justice Information Services Advisory Policy Board; however, such standards shall not interfere or conflict with the FBI’s administration of the III, including the NFF, for criminal justice purposes. Each participant’s performance will be audited and measured by criteria designed to assess compliance with those requirements. Measurements by which to determine compliance to the NFF Qualification Requirements are outlined in the FBI and State Sampling Standards. (For a copy of the standards, contact the FBI Compact Officer, 1000 Custer Hollow Road, Module C–3, Clarksburg, WV 26306–0001.)

PART 906—OUTSOURCING OF NONCRIMINAL JUSTICE ADMINISTRATIVE FUNCTIONS

§ 906.1 Purpose and authority.

The purpose of this part 906 is to establish rules and procedures for third parties to perform noncriminal justice administrative functions involving access to Interstate Identification Index (III) information. The Compact Council is establishing this rule pursuant to the National Crime Prevention and Privacy Compact (Compact), title 42, U.S.C., chapter 140, subchapter II, section 14616. The scope of this rule is limited to noncriminal justice background checks in so far as they are governed by the provisions of the Compact as set forth in 42 U.S.C. 14614 and 14616.

§ 906.2 Third party handling of criminal history record information.

(a) Except as prohibited in paragraph (b) of this section, criminal history record information obtained from the III System for noncriminal justice purposes may be made available:

(1) To a governmental agency pursuant to a contract or agreement under which the agency performs activities or functions for another governmental
agency that is authorized to obtain criminal history record information by a federal statute, federal executive order or a state statute that has been approved by the United States Attorney General; and

(2) To a private contractor, or other nongovernmental entity or organization, pursuant to a contractual agreement under which the entity or organization performs activities or functions for a governmental agency authorized to obtain criminal history record information as identified in paragraph (a)(1) of this section or for a nongovernmental entity authorized to obtain such information by federal statute or executive order.

(b) Criminal history record information provided in response to fingerprint-based III System record requests initiated by authorized governmental agencies or nongovernmental entities for noncriminal justice purposes may be made available to contracting agencies or organizations manually or electronically for such authorized purposes. Such contractors, agencies, or organizations shall not be permitted to have direct access to the III System by computer terminal or other automated means which would enable them to initiate record requests, provided however, the foregoing restriction shall not apply with respect to: (1) Persons, agencies, or organizations that may enter into contracts with the FBI or State criminal history record repositories for the performance of authorized functions requiring direct access to criminal history record information; and (2) any direct access to records covered by 42 U.S.C. 14614(b).

(c) The contracts or agreements authorized by paragraphs (a)(1) and (a)(2) of this section shall specifically describe the purposes for which criminal history record information may be made available to the contractor and shall incorporate by reference a security and management control outsourcing standard approved by the Compact Council after consultation with the United States Attorney General. The security and management control outsourcing standard shall specifically authorize access to criminal history record information; limit the use of the information to the purposes for which it is provided; prohibit retention and/or dissemination of the information except as specifically authorized in the security and management control outsourcing standard; ensure the security and confidentiality of the information; provide for audits and sanctions; provide conditions for termination of the contractual agreement; and contain such other provisions as the Compact Council, after consultation with the United States Attorney General, may require.

(d) The exchange of criminal history record information with an authorized governmental or nongovernmental entity or contractor pursuant to this part is subject to cancellation for use, retention or dissemination of the information in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the Compact Council in consultation with the United States Attorney General.

PART 907—COMPACT COUNCIL PROCEDURES FOR COMPLIANT CONDUCT AND RESPONSIBLE USE OF THE INTERSTATE IDENTIFICATION INDEX (III) SYSTEM FOR NONCRIMINAL JUSTICE PURPOSES

Sec. 907.1 Purpose and authority.
907.2 Applicability.
907.3 Assessing compliance.
907.4 Methodology for resolving noncompliance.
907.5 Sanction adjudication.

AUTHORITY: 42 U.S.C. 14616.

SOURCE: 70 FR 69898, Nov. 18, 2005, unless otherwise noted.

§ 907.1 Purpose and authority.

Part 907 establishes policies and procedures to ensure that use of the III System for noncriminal justice purposes complies with the National Crime Prevention and Privacy Compact (Compact) and with rules, standards, and procedures established by the Compact Council regarding application and response procedures, record dissemination and use, response times,
data quality, system security, accuracy, privacy protection, and other aspects of III System operation for non-criminal justice purposes. The rule is established pursuant to Article VI of the Compact, which authorizes the Compact Council to promulgate rules, procedures, and standards governing the use of the III System for non-criminal justice purposes. The rule requires responsible authorized access to the System and proper use of records that are obtained from the System. The rule provides comprehensive procedures for a coordinated compliance effort among the Compact Council, the FBI, and local, State and Federal government agencies, and encourages the cooperation of all affected parties.

§ 907.2 Applicability.
This rule applies to III System access for noncriminal justice purposes as covered by the Compact, see 42 U.S.C. 14614 and 14616, and use of information obtained by means of the System for such purposes. The rule establishes procedures for ensuring that the FBI’s and Compact Party States’ criminal history record repositories carry out their responsibilities under the Compact, as set out in the National Fingerprint File (NFF) Qualification Requirements, and that local, State and Federal government agencies using the III System for noncriminal justice purposes comply with the Compact and with applicable Compact Council rules.

§ 907.3 Assessing compliance.
(a) The FBI CJIS Division staff regularly conducts systematic compliance reviews of state repositories. These reviews may include, as necessary, reviews of III System user agencies, including governmental and nongovernmental noncriminal justice entities that submit fingerprints to the State repositories and criminal justice and noncriminal justice agencies with direct access to the III System. These reviews may include, as necessary, the governmental and nongovernmental noncriminal justice entities authorized to submit fingerprints directly to the FBI. The reviews may consist of systematic analyses and evaluations, including on-site investigations, and shall be as comprehensive as necessary to adequately ensure compliance with the Compact and Compact Council rules. Violations may also be reported or detected independently of a review.

(b) The FBI CJIS Division staff or the audit team established to review the FBI’s noncriminal justice use of the III System shall prepare a draft report describing the nature and results of each review and set out all findings of compliance and noncompliance, including any reasons for noncompliance and the circumstances surrounding the noncompliance. If the agency under review is the FBI or another Federal agency, the draft report shall be forwarded to the FBI Compact Officer. If the agency under review is a State or local agency in a Party State, the draft report shall be forwarded to the State Compact Officer. If the agency under review is a State or local agency in a Nonparty State, the draft report shall be forwarded to the chief administrator of the State repository.

(c) The Compact Officer of the FBI or a Party State or the chief administrator of the State repository in a Nonparty State shall be afforded the opportunity to forward comments and supporting materials to the FBI CJIS Division staff or to the audit team.

(d) The FBI CJIS Division staff or the audit team shall review any comments and materials received and shall incorporate applicable revisions into a final report. The final report shall be provided to the Compact Officer of the FBI or a Party State or the chief administrator of the State repository in a Nonparty State to whom the draft report was sent. If the agency under review is a State or local agency, a copy of the report shall be provided to the FBI Compact Officer. If the agency under review is being reviewed for the first time, the letter transmitting the report shall provide that sanctions will not be imposed regarding any deficiencies set out in the report. The letter shall also advise, however, that the deficiencies must be remedied and failure to do so before the agency is reviewed again will result in the initiation of remedial action pursuant to §907.4.
§ 907.4 Methodology for resolving non-compliance.

(a) Subsequent to each compliance review that is not a first-time agency review, the final report shall be forwarded to the Compact Council Sanctions Committee (Sanctions Committee). The Sanctions Committee shall review the report and if it concludes that no violations occurred or no violations occurred that are serious enough to require further action, it shall forward its conclusions and recommendations to the Compact Council Chairman. If the Compact Council Chairman approves the Sanctions Committee’s recommendations, the Compact Council Chairman shall send a letter to this effect to the FBI or Party State Compact Officer or the chief administrator of the state repository in a Nonparty State that has executed a Memorandum of Understanding. For all remaining states, the Compact Council Chairman shall forward the recommendations to the compact Officer of the FBI or another federal agency, a state or local agency in a Party State, or a state or local agency in a Nonparty State that has executed a Memorandum of Understanding. The documentation and written responses from the aforementioned agencies to such letters shall be sent to the Compact Council Chairman. For all remaining states, the Compact Council Chairman shall forward the Compact Council’s recommendations to the FBI Director or Designee who, upon approval of the recommendations, shall send the letters; accordingly, all documentation and written responses relating to the FBI Director’s or Designee’s letters shall be sent to the FBI Director or Designee who shall make such letters available to the Compact Council Chairman. If the offending agency is an agency other than the FBI or a state repository, any response letters from the offending agency shall be sent to the Compact Officer of the FBI or Party State or the chief administrator of the state repository in a Nonparty State and shall outline the course of action the offending agency will undertake to correct the deficiencies and provide assurances that subsequent violations will not recur.

(b) Should the Sanctions Committee conclude that a violation has occurred that is serious enough to require redress, the Sanctions Committee shall recommend to the Compact Council a course of action necessary to bring the offending agency into compliance and require the offending agency to provide assurances that subsequent violations will not occur. In making its recommendation, the Sanctions Committee shall consider the minimal action necessary to ensure compliance or shall explain why corrective action is not required. This may include, but not be limited to, requiring a plan of action by the offending agency to achieve compliance, with benchmarks and performance measures, and/or requiring the agency to seek technical assistance to identify sources of the problem and proposed resolutions. If the Compact Council or, when applicable, the FBI Director or Designee approves the Sanctions Committee’s recommendations, progressive actions shall be initiated as set forth below. The letters referred to in this paragraph (907.4(b)) shall be from the Compact Council Chairman when the offending agency is the FBI or another federal agency, a state or local agency in a Party State, or a state or local agency in a Nonparty State that has executed a Memorandum of Understanding. The documentation and written responses from the aforementioned agencies to such letters shall be sent to the Compact Council Chairman. For all remaining states, the Compact Council Chairman shall forward the Compact Council’s recommendations to the FBI Director or Designee who, upon approval of the recommendations, shall send the letters; accordingly, all documentation and written responses relating to the FBI Director’s or Designee’s letters shall be sent to the FBI Director or Designee who shall make such letters available to the Compact Council Chairman. If the offending agency is an agency other than the FBI or a state repository, any response letters from the offending agency shall be sent to the Compact Officer of the FBI or Party State or the chief administrator of the state repository in a Nonparty State and shall outline the course of action the offending agency will undertake to correct the deficiencies and provide assurances that subsequent violations will not recur.

(1) As noted above, a letter shall be sent to the Compact Officer of the FBI or Party State or the chief administrator of the state repository in a Nonparty State identifying the violations and setting out the actions necessary to come into compliance. The letter shall provide that if compliance is not achieved and assurances provided that minimize the probability that subsequent violations will occur, and non-compliance is not excused, the Compact Council may authorize the FBI to refuse to process requests for criminal history record checks for non-criminal justice purposes from the offending agency and, if the offending agency is a criminal justice agency, may request the Director of the FBI to
take appropriate action against the offending agency consistent with the recommendations of the Compact Council. The letter shall direct the Compact Officer of the FBI or Party State or the chief administrator of the state repository in a Nonparty State to submit a written response within 30 calendar days from the date of the letter, unless a more expeditious response is required. If the offending agency is a state or local agency, a copy of the Compact Council Chairman's or FBI Director's or Designee's letter shall be provided to the FBI Compact Officer. The Compact Council Chairman shall refer the response letter to the Sanctions Committee for appropriate action.

(2) If the Sanctions Committee deems the response letter under paragraph (b)(1) of this section to be insufficient, or if no response is received within the allotted time, the Sanctions Committee shall report its finding to the Compact Council. If the Compact Council agrees with the Sanctions Committee's finding, a letter shall be sent to the U. S. Attorney General (if the offending agency is the FBI or another federal agency) or to the elected/appointed state official who has oversight of the department in which the state repository resides (if the offending agency is a state or local agency), requesting assistance in correcting the deficiencies. If the state official is not the Governor, a copy of the letter shall be sent to the Governor. A copy of the letter shall also be sent to the FBI Compact Officer and (if the offending agency is a state or local agency) to the State Compact Officer or the chief administrator of the state repository in a Nonparty State. The letter shall provide that a written response is required within 20 calendar days of the date of the letter, and that if a sufficient response is not received within that time, sanctions may be imposed that could result in suspension of the offending agency's access to the III System for noncriminal justice purposes. The Compact Council Chairman shall refer the response letter to the Sanctions Committee for appropriate action.

(3) If no response letter is received under paragraph (b)(3) of this section within the allotted time, or if the Sanctions Committee deems the response to be insufficient, the Sanctions Committee shall report its finding to the Compact Council. If theCompact Council agrees with the Sanctions Committee's finding, the Compact Council Chairman or the FBI Director or Designee shall direct the FBI Compact Officer to take appropriate action to suspend noncriminal justice access to the III System by the offending agency. If the offending agency is a criminal justice agency, the Compact Council Chairman shall request the Director of the FBI to take appropriate action to suspend noncriminal justice access to the III System by the offending agency.

(4) Reinstatement of full service by the FBI shall occur after the Compact Officer of the FBI or a Party State or the chief administrator of the state repository in a Nonparty State provides
§ 907.5 Sanction adjudication.

(a) A Compact Officer of the FBI or a Party State or the chief administrator of the state repository in a Nonparty State may dispute a sanction under this Part by asking the Compact Council Chairman for an opportunity to address the Compact Council.

(b) Unresolved disputes based on the Compact Council’s issuance of sanctions under this Part may be referred to the Compact Council Dispute Adjudication Committee when pertaining to disputes described under ARTICLE XI(a) of the Compact.

(c) Nothing prohibits the Compact Council from requesting the FBI to exercise immediate and necessary action to preserve the integrity of the III System pursuant to Article XI(b) of the Compact.

2. Procedures to provide victims of severe forms of trafficking in persons with access to information about their rights and with translation services;

3. Procedures for federal law enforcement officials to request that certain victims of severe forms of trafficking in persons, who are aliens and are also potential witnesses, be permitted to remain in the United States to effectuate the prosecution of those responsible, and procedures to protect their safety, including taking measures to protect victims of severe forms of trafficking in persons and their family members from intimidation, threats of reprisals, and reprisals from traffickers and their associates (these procedures should be appropriate to their status as victims of severe forms of trafficking in persons); and

4. Training of appropriate DOJ and DOS personnel in identifying victims of severe forms of trafficking in persons, in understanding the particular needs common to victims of severe forms of trafficking in persons, and in providing for the protection of such victims.

(b) The regulations in this subpart apply to all federal law enforcement personnel, immigration officials and DOS officials, insofar as their duties involve investigating or prosecuting traffickers in persons, or may involve identifying, encountering or detaining victims of severe forms of trafficking in persons.

(c) The rights and protections made available to victims of severe forms of trafficking in persons under section
§ 1100.31

107(c) supplement those rights and protections provided to victims and witnesses in federal victims’ rights legislation as defined in this subpart. The intent of this subpart is to ensure that the protections available under the provisions of federal victims’ rights legislation as well as the TVPA are fully provided to victims of severe forms of trafficking in persons, in keeping with their status as victims of severe forms of trafficking in persons. This subpart will ensure that these victims are identified as early as possible in the investigation and prosecution process, so that services and protections available to them under the laws of the United States are provided.

(d) The regulations under this subpart set forth the general procedures to ensure these rights are protected in cases involving victims of severe forms of trafficking in persons. All agencies, bureaus, boards, divisions, programs, and offices in the DOJ and the DOS with specific responsibilities under this subpart shall adopt such regulations and/or operating procedures as may be necessary to ensure compliance with section 107(c) and the requirements of this subpart.

§ 1100.29 The roles and responsibilities of federal law enforcement, immigration, and Department of State officials under the Trafficking Victims Protection Act (TVPA).

(a) Department of Justice officials. The various agencies, bureaus, boards, divisions, programs, and offices of the DOJ have most of the responsibilities assigned by section 107(c). The goals of section 107(c) are to identify victims of severe forms of trafficking in persons as early as possible in the investigation and prosecution process, to ensure efforts are made to see that such victims are accorded the rights described in 42 U.S.C. 10606, and to provide the protections and services required under 42 U.S.C. 10607 and under the TVPA.

(b) Department of State officials. Department of State missions throughout the world are often the initial contact for aliens in foreign countries who wish to come to the United States. Appropriate DOS personnel should be trained in identifying victims of severe forms of trafficking in persons. Furthermore, considering the international nature of trafficking in persons, appropriate DOS personnel, upon encountering victims of severe forms of trafficking in persons in foreign countries, should consider referrals to local law enforcement or service providers in the host country, but only if the local host country conditions support such actions.

(c) Federal law enforcement officials. Federal law enforcement officials who, during the performance of their duties, encounter a person whom they believe may be a victim of a severe form of trafficking in persons as defined by this subpart, are responsible for bringing such an individual to the attention of those federal law enforcement officials primarily responsible for enforcing trafficking laws, specifically INS or FBI. In addition, DOS’s Diplomatic Security Service has investigative authority in visa and passport fraud cases that may involve trafficking in persons. Federal law enforcement officials also include federal law enforcement personnel working cooperatively with law enforcement officials who have primary investigative jurisdiction in such trafficking cases. Each federal agency having law enforcement responsibilities should ensure that its officers are trained in identifying victims of severe forms of trafficking in persons, and are familiar with the rights, services, and protections such victims are to be accorded under the TVPA and 42 U.S.C. 10606 and 10607.

§ 1100.31 Procedures for protecting and providing services to victims of severe forms of trafficking in persons in federal custody.

(a) While in federal custody, all victims of severe forms of trafficking in persons must be provided, to the extent practicable, the protections and services outlined in this section in accordance with their status as victims of severe forms of trafficking in persons. Under 42 U.S.C. 10607(a), each agency must designate officials who are responsible for identifying victims of crime and providing services to them. The designations appear in the Attorney General Guidelines. This responsibility also extends to those who are responsible for victims of severe forms of trafficking in persons while they are in federal custody.
§ 1100.33 Access to information and translation services for victims of severe forms of trafficking in persons.

(a) All federal investigative, prosecutorial, and correctional agencies engaged in the detection, investigation, or prosecution of crime shall use their best efforts to see that victims of severe forms of trafficking in persons are accorded all rights under federal victims’ rights legislation. In cases involving severe forms of trafficking in persons, federal officials should provide victims within the United States, as defined by this subpart, information about their rights and applicable services, including:

(1) Pro bono and low-cost legal services, including immigration services;

(2) Federal and state benefits and services (victims who are minors and adult victims who are certified by the United States Department of Health and Human Services (HHS) are eligible for assistance that is administered or funded by federal agencies to the same extent as refugees; others may be eligible for certain, more limited, benefits);

(3) Victim service organizations, including domestic violence and rape crisis centers;

(4) Protections available, especially against threats and intimidation, and the remedies available as appropriate for the particular individual’s circumstances;

(5) Rights of individual privacy and confidentiality issues;

(6) Victim compensation and assistance programs;
(7) Immigration benefits or programs that may be relevant to victims of severe forms of trafficking in persons, including those available under the VTVPA;
(8) The right to restitution;
(9) The right to notification of case status; and
(10) The availability of medical services.
(b) The federal agencies as defined in paragraph (a) of this section must ensure reasonable access to translation services and/or oral interpreter services in the event the victim is not able to communicate in English.

§ 1100.35 Authority to permit continued presence in the United States for victims of severe forms of trafficking in persons.

(a) Federal law enforcement officials who encounter alien victims of severe forms of trafficking in persons who are potential witnesses to that trafficking may request that the Immigration and Naturalization Service (INS) grant the continued presence of such aliens in the United States. All law enforcement requests for continued presence must be submitted to the INS, Headquarters Office of Field Operations, in accordance with INS procedures. Each federal law enforcement agency will designate a headquarters office to administer submissions and coordinate with the INS on all requests for continued presence. The designated headquarters office will be responsible for meeting all reporting requirements contained in INS procedures for the processing and administering of the requests for continued presence in the United States of eligible aliens.
(b) Upon receiving a request, the INS will determine the victim’s immigration status. When applicable and appropriate, the INS may then use a variety of statutory and administrative mechanisms to ensure the alien’s continued presence in the United States. The specific mechanism used will depend on the alien’s current status under the immigration laws and other relevant facts. These mechanisms may include parole, voluntary departure, stay of final order, section 107(c)(3)-based deferred action, or any other authorized form of continued presence, including applicable nonimmigrant visas.
(1) The alien’s continued presence in the United States under this subpart does not convey any immigration status or benefit apart from that already encompassed by the particular form of authorized continued presence granted. In most circumstances, victims granted continued presence will be eligible for temporary employment authorization.
(2) The continued presence granted through any of the mechanisms described in this paragraph (b) will contain the terms normally associated with the particular type of authorized continued presence granted, including, but not limited to, duration of benefit, terms and procedures for receiving an extension, travel limitations, and employment authorization unless expressly waived in an individual approval. Aliens granted deferred action based upon section 107(c)(3) are considered to be present in the United States pursuant to a period of stay authorized by the Attorney General for purposes of INA sections 212(a)(9)(B)(I) and (C).
(c)(1) In cases where it is determined that the granting to an alien of continued presence in the United States poses a threat to national security or to the safety and welfare of the public, the INS may require the requesting agency to meet special conditions or requirements prior to approval. The INS will promptly convey any such condition or requirement to the requesting agency in writing. Upon agreement by the requesting agency to comply with the conditions and accept the costs associated with the implementation of those conditions, the INS will grant the continued presence of the alien in the United States.
(2) Although the INS and the requesting law enforcement agency will make every effort to reach a satisfactory agreement for the granting of continued presence, the INS may deny a request for continued presence in the following instances:
(i) Failure, on the part of the requesting agency, to provide necessary documentation or to adhere to established INS procedures;
(ii) Refusal to agree or comply with conditions or requirements instituted...
in accordance with paragraph (c)(1) of this section;

(iii) Failure, on the part of the requesting agency, to comply with past supervision or reporting requirements established as a condition of continued presence; or

(iv) When the INS determines that granting continued presence for the particular alien would create a significant risk to national security or public safety and that the risk cannot be eliminated or acceptably minimized by the establishment of agreeable conditions.

(3) In the case of a denial, the INS shall promptly notify the designated office within the requesting agency. The INS and the requesting agency will take all available steps to reach an acceptable resolution. In the event such resolution is not possible, the INS shall promptly forward the matter to the Deputy Attorney General, or his designee, for resolution.

(d) In addition to meeting any conditions placed upon the granting of continued presence in accordance with paragraph (c) of this section, the responsible official at the law enforcement agency requesting the victim’s continued presence in the United States as described in paragraph (a) of this section shall arrange for reasonable protection to any alien allowed to remain in the United States by the INS. This protection shall be in accordance with 42 U.S.C. 10606 and shall include taking measures to protect trafficked persons and their family members from intimidation, threats of reprisals, and reprisals from traffickers and their associates in accordance with section 107(c)(3). Such protection shall take into account their status as victims of severe forms of trafficking in persons.

§ 1100.37 Requirements to train appropriate personnel in identifying and protecting victims of severe forms of trafficking in persons.

(a) The TVPA requires that appropriate DOJ and DOS personnel be trained in identifying victims of severe forms of trafficking in persons and providing for the protection of such victims. These federal personnel will be trained to recognize victims and provide services and protections, as appropriate, in accordance with the TVPA, 42 U.S.C. 10606 and 10607, and other applicable victim-assistance laws. Specifically, the training will include, as applicable:

(1) Procedures and techniques for identifying victims of severe forms of trafficking in persons;

(2) Rights of crime victims, including confidentiality requirements;

(3) Description of the services available to victims of severe forms of trafficking in persons at the investigation, prosecution, and, where applicable, correction stages of the law enforcement process;

(4) Referral services to be provided to victims of severe forms of trafficking in persons;

(5) Benefits and services available to alien victims of severe forms of trafficking in persons regardless of their immigration status;

(6) Particular needs of victims of severe forms of trafficking in persons;

(7) Procedures and techniques for dealing with specialized needs of victims who may face cultural, language, and/or other obstacles that impede their ability to request and obtain available services for themselves; and

(8) Protection obligations of responsible officials under federal law and policies, as these apply to victims of severe forms of trafficking in persons.

(b) Each component of the DOJ and the DOS with program responsibility for victim witness services must provide initial training in the particular needs of victims of severe forms of trafficking in persons, and appropriate federal agencies’ responses to such victims; initial training of appropriate agency personnel should be conducted as soon as possible. Thereafter, training must be held on a recurring basis to ensure that victims of severe forms of trafficking in persons receive the rights, protections, and services accorded them under the TVPA and federal victims’ rights laws, and the federal policies, procedures, and guidelines implementing the TVPA and other federal victims’ rights laws.
