Cite this Code: CFR

To cite the regulations in this volume use title, part and section number. Thus, 5 CFR 1.1 refers to title 5, part 1, section 1.
Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

- Title 1 through Title 16 ............................................................. as of January 1
- Title 17 through Title 27 ................................................................. as of April 1
- Title 28 through Title 41 ............................................................. as of July 1
- Title 42 through Title 50 ............................................................. as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, January 1, 2017), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cutoff date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96–511) requires Federal agencies to display an OMB control number with their information collection request.
Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

PAST PROVISIONS OF THE CODE

Provisions of the Code that are no longer in force and effect as of the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on any given date in the past by using the appropriate List of CFR Sections Affected (LSA). For the convenience of the reader, a “List of CFR Sections Affected” is published at the end of each CFR volume. For changes to the Code prior to the LSA listings at the end of the volume, consult previous annual editions of the LSA. For changes to the Code prior to 2001, consult the List of CFR Sections Affected compilations, published for 1949-1963, 1964-1972, 1973-1985, and 1986-2000.

“[RESERVED]” TERMINOLOGY

The term “[Reserved]” is used as a place holder within the Code of Federal Regulations. An agency may add regulatory information at a “[Reserved]” location at any time. Occasionally “[Reserved]” is used editorially to indicate that a portion of the CFR was left vacant and not accidentally dropped due to a printing or computer error.

INTEGRATION BY REFERENCE

What is incorporation by reference? Incorporation by reference was established by statute and allows Federal agencies to meet the requirement to publish regulations in the Federal Register by referring to materials already published elsewhere. For an incorporation to be valid, the Director of the Federal Register must approve it. The legal effect of incorporation by reference is that the material is treated as if it were published in full in the Federal Register (5 U.S.C. 552(a)). This material, like any other properly issued regulation, has the force of law.

What is a proper incorporation by reference? The Director of the Federal Register will approve an incorporation by reference only when the requirements of 1 CFR part 51 are met. Some of the elements on which approval is based are:

(a) The incorporation will substantially reduce the volume of material published in the Federal Register.

(b) The matter incorporated is in fact available to the extent necessary to afford fairness and uniformity in the administrative process.

(c) The incorporating document is drafted and submitted for publication in accordance with 1 CFR part 51.

What if the material incorporated by reference cannot be found? If you have any problem locating or obtaining a copy of material listed as an approved incorporation by reference, please contact the agency that issued the regulation containing that incorporation. If, after contacting the agency, you find the material is not available, please notify the Director of the Federal Register, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001, or call 202-741-6010.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Authorities and Rules. A list of CFR titles, chapters, subchapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.
An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

SUBCHAPTER A—CIVIL SERVICE RULES

PART 1—COVERAGE AND DEFINITIONS (RULE I)

Sec.
1.1 Positions and employees affected by the rules in this subchapter.
1.2 Extent of the competitive service.
1.3 Definitions.
1.4 Extent of the excepted service.

SOURCE: 28 FR 10022, Sept. 14, 1963, unless otherwise noted.

§ 1.1 Positions and employees affected by the rules in this subchapter.

The rules in this subchapter shall apply to all positions in the competitive service and to all incumbents of such positions. Except as expressly provided in the rule concerned, the rules in this subchapter shall not apply to positions and employees in the excepted service.

§ 1.2 Extent of the competitive service.

The competitive service shall include: (a) All civilian positions in the executive branch of the Government unless specifically excepted therefrom by or pursuant to statute or by the Office of Personnel Management (hereafter referred to in this subchapter as OPM) under §6.1 of this subchapter; and (b) all positions in the legislative and judicial branches of the Federal Government and in the Government of the District of Columbia which are specifically made subject to the civil service laws by statute. OPM is authorized and directed to determine finally whether a position is in the competitive service.

§ 1.3 Definitions.

As used in the rules in this subchapter:
(a) Competitive service shall have the same meaning as the words “classified service”, or “classified (competitive) service”, or “classified civil service” as defined in existing statutes and executive orders.
(b) Competitive position shall mean a position in the competitive service.

(c) Competitive status shall mean basic eligibility to be noncompetitively selected to fill a vacancy in a competitive position. A competitive status shall be acquired by career-conditional or career appointment through open competitive examination upon satisfactory completion of a probationary period, or may be granted by statute, executive order, or the Civil Service Rules without competitive examination. A person with competitive status may be promoted, transferred, reassigned, reinstated, or demoted without taking an open competitive examination, subject to the conditions prescribed by the Civil Service Rules and Regulations.
(d) An employee shall be considered as being in the competitive service when he has a competitive status and occupies a competitive position unless he is serving under a temporary appointment: Provided, that an employee who is in the competitive service at the time his position is first listed under Schedule A, B, or C shall be considered as continuing in the competitive service as long as he continues to occupy such position.
(e) Tenure shall mean the period of time an employee may reasonably expect to serve under his current appointment. Tenure shall be granted and governed by the type of appointment under which an employee is currently serving without regard to whether he has a competitive status or whether his appointment is to a competitive position or an excepted position.

§ 1.4 Extent of the excepted service.

(a) The excepted service shall include all civilian positions in the executive branch of the Government which are specifically excepted from the requirements of the Civil Service Act or from the competitive service by or pursuant to statute or by OPM under §6.1 of this subchapter.
(b) Excepted service shall have the same meaning as the words “unclassified service”, or “unclassified civil service”, or “positions outside the competitive civil service” as used in existing statutes and executive orders.
Excepted position shall have the same meaning as “unclassified position”, or “position excepted by law”, or “position excepted by executive order”, or “position excepted by Civil Service Rule”, or “position outside the competitive service” as used in existing statutes and Executive orders.

PART 2—APPOINTMENT THROUGH THE COMPETITIVE SYSTEM (RULE II)

Sec.
2.1 Competitive examinations and eligible registers.
2.2 Appointments.
2.3 Apportionment.
2.4 Probationary period.

SOURCE: 28 FR 10023, Sept. 14, 1963, unless otherwise noted.

§ 2.1 Competitive examinations and eligible registers.

(a) OPM shall be responsible for open competitive examinations for admission to the competitive service which will fairly test the relative capacity and fitness of the persons examined for the position to be filled. OPM is authorized to establish standards with respect to citizenship, age, education, training and experience, suitability, and physical and mental fitness, and for residence or other requirements which applicants must meet to be admitted to or rated in examinations.

(b) In addition to the names of persons who qualify in competitive examinations, the names of persons who have lost eligibility on a career or career-conditional register because of service in the armed forces, and the names of persons who lost opportunity for certification or who have served under career-conditional appointment when OPM determines that they should be given certification, may also be entered at such places on appropriate registers and under such conditions as OPM may prescribe.

(c) Whenever the Office of Personnel Management (1) is unable to certify a sufficient number of names to permit the appointing officer to consider three eligibles for appointment to a fourth-class postmaster position in accordance with the regular procedure, or (2) finds that a particular rate of compensation for fourth-class postmaster positions is too low to warrant regular competitive examinations for such positions, it may authorize appointment to any such position or positions in accordance with such procedure as may be prescribed by OPM. Persons appointed under this paragraph may acquire competitive status subject to satisfactory completion of a probationary period prescribed by OPM.

§ 2.2 Appointments.

(a) OPM shall establish and administer a career-conditional appointment system for positions subject to competitive examinations which will permit adjustment of the career service to necessary fluctuations in Federal employment, and provide an equitable and orderly system for stabilizing the Federal work force. A competitive status shall be acquired by a career-conditional appointee upon satisfactory completion of a probationary period, but the appointee shall have career-conditional tenure for a period of service to be prescribed by regulation of OPM. When an employee has completed the required period of service his appointment shall be converted to a career appointment without time limitation: Provided, That his career-conditional appointment shall not be converted to a career appointment if the limitation on the number of permanent employees in the Federal civil service established under paragraph (b) of this section would be exceeded thereby. Persons selected from competitive civil service registers for other than temporary appointment shall be given career-conditional appointments: Provided, That career appointments shall be given to the following classes of eligibles:

1. Persons whose appointments are required by statute to be made on a permanent basis;
2. Employees serving under career appointments at the time of selection from such registers;
3. Former employees who have eligibility for career appointments upon reinstatement; and
4. To the extent permitted by law, persons appointed to positions in the field service of the U.S. Postal Service for which salary rates are fixed by the

act of July 6, 1945, 59 Stat. 435, as here- 
tofore or hereafter amended and sup- 
pplemented.

(b) Under the career-conditional ap- 
pointment system there shall be a 
limit on the number of permanent em- 
ployees in the Federal civil service 
which shall be the ceiling established 
by section 1310 of the Supplemental Ap- 
propriation Act, 1952 (65 Stat. 757), as 
amended. In the event section 1310, 
supra, is repealed, OPM is authorized 
to fix such limitation on the number of 
permanent employees in the Federal 
civil service as it finds necessary to 
meet the needs of the service.

(c) OPM may determine the types, 
duration, and conditions of indefinite 
and temporary appointments, and may 
prescribe the method for replacing per- 
sons holding such appointments.

§ 2.3 Apportionment.

Subject to such modifications as 
OPM finds to be necessary in the inter- 
est of good administration, appoint- 
ments to positions in agencies' head- 
quarters offices which are located with- 
in the metropolitan area of Wash- 
ington, DC, shall be made so as to 
maintain the apportionment of ap- 
pointments among the several States, 
Territories, and the District of Colum- 
bia upon the basis of population.

§ 2.4 Probationary period.

Persons selected from registers of eli- 
gibles for career or career-conditional 
appointment and employees promoted, 
transferred, or otherwise assigned, for 
the first time, to supervisory or mana- 
gerial positions shall be required to 
serve a probationary period under 
terms and conditions prescribed by the 
Office.

PART 3—NONCOMPETITIVE 
ACQUISITION OF STATUS (RULE III)

Sec.
3.1 Classes of persons who may noncompeti- 
tively acquire status.
3.2 Appointments without competitive ex- 
amination in rare cases.
3.3 Conversion of appointments.

SOURCE: 28 FR 10023, Sept. 14, 1963, unless 
otherwise noted.

§ 3.1 Classes of persons who may non- 
competitively acquire status.

(a) Upon recommendation by the 
agency concerned, and subject to such 
noncompetitive examination, time lim- 
its, or other requirements as OPM may 
prescribe the following classes of per- 
sons may acquire a competitive status 
without competitive examination:

(1) A person holding a permanent po- 

tition when it is placed in the competi- 
tive service by statute or executive 
order or is otherwise made subject to 
competitive examination.

(2) A disabled veteran who, in a man- 
ner satisfactory to OPM, has completed 
a course of training in the executive 
branch of the Government prescribed 
by the Administrator of Veterans' Af- 
fairs in accordance with the act of 
March 24, 1943 (57 Stat. 43).

(3) An employee who has served at 
least two years in the immediate office 
of the President or on the White House 
Staff and who is transferred to a com- 
petitive position at the request of an 
agency.

(4) An employee who was serving 
when his name was reached for certifi- 
cation on a civil service register appro- 
priate for the position in which he was 
serving: Provided, That the rec- 
ommendation for competitive status is 
made prior to expiration of the register 
on which his name appears or is made 
during a period of continuous service 
since his name was reached: Provided 
further, That the register was being 
used for appointments conferring com- 
petitive status at the time his name 
was reached.

(b) Upon recommendation by the em- 
ploying agency, and subject to such re- 
quirements as the Office of Personnel 
Management may prescribe, the fol- 
lowing classes of handicapped employ- 
ees may acquire competitive status 
without competitive examination:

(1) A severely physically handicapped 
employee who completes at least two 
years of satisfactory service in a posi- 
tion excepted from the competitive 
service.

(2) A mentally retarded employee 
who completes at least two years of
§ 3.2

satisfactory service in a position excepted from the competitive service.

(3) An employee with a psychiatric disability who completes at least 2 years of satisfactory service in a position excepted from the competitive service.

§ 3.2 Appointments without competitive examination in rare cases.

Subject to receipt of satisfactory evidence of the qualifications of the person to be appointed, OPM may authorize an appointment in the competitive service without competitive examination whenever it finds that the duties or compensation of the position are such, or that qualified persons are so rare, that, in the interest of good civil-service administration, the position cannot be filled through open competitive examination. Any person here-tofore or hereafter appointed under this section shall acquire a competitive status upon completion of at least one year of satisfactory service and compliance with such requirements as OPM may prescribe. Detailed statements of the reasons for the noncompetitive appointments made under this section shall be published in OPM's annual reports.

§ 3.3 Conversion of appointments.

§ 5.1 Civil Service regulations.

The Director, Office of Personnel Management, shall promulgate and enforce regulations necessary to carry out the provisions of the Civil Service Act and the Veterans’ Preference Act, as reenacted in title 5, United States Code, the Civil Service Rules, and all other statutes and Executive orders imposing responsibilities on the Office. The Director is authorized, whenever there are practical difficulties and unnecessary hardships in complying with the strict letter of the regulation, to grant a variation from the strict letter of the regulation if such a variation is within the spirit of the regulations, and the efficiency of the Government and the integrity of the competitive service are protected and promoted. Whenever a variation is granted the Director shall note the official record to show:

(a) The particular practical difficulty or hardship involved, (b) what is permitted in place of what is required by regulations, (c) the circumstances which protect or promote the efficiency of the Government and the integrity of the competitive service, and (d) a statement limiting the application of the variation to the continuation of the conditions which gave rise to it. Like variations shall be granted whenever like conditions exist. All such decisions and information concerning variations noted in the official record shall be published promptly in a Federal Personnel Manual Letter or Bulletin and in the Director’s next annual report.

§ 5.2 Investigation and evaluations.

The Director may secure effective implementation of the civil service laws, rules, and regulations, and all Executive orders imposing responsibilities on the Office by:

(a) Investigating the qualifications and suitability of applicants for positions in the competitive service. The Director may require appointments to be made subject to investigation to enable the Director to determine, after appointment, that the requirements of law or the civil service rules and regulations have been met.

(b) Evaluating the effectiveness of:
   (1) Personnel policies, programs, and operations of Executive and other Federal agencies subject to the jurisdiction of the Office, including their effectiveness with regard to merit selection and employee development; (2) agency compliance with and enforcement of applicable laws, rules, regulations and office directives; and (3) agency personnel management evaluation systems.

(c) Investigating, or directing an agency to investigate and report on, apparent violations of applicable laws, rules, regulations, or directives requiring corrective action, found in the course of an evaluation.

§ 5.3 Enforcement.

(a) The Director is authorized to ensure enforcement of the civil service laws, rules, and regulations, and all applicable Executive orders, by:

(1) Instructing an agency to separate or take other action against an employee serving an appointment subject to investigation when the Director finds that the employee is disqualified for Federal employment. Where the employee or the agency appeals the Director’s finding that a separation or other action is necessary, the Director may instruct the agency as to whether or not the employee should remain on duty and continue to receive pay pending adjudication of the appeal; Provided, That when an agency separates
or takes other action against an employee pursuant to the Director’s instructions, and the Director, on the basis of new evidence, subsequently reverses the initial decision as to the employee’s qualifications and suitability, the agency shall, upon request of the Director, restore the employee to duty or otherwise reverse any action taken.

(2) Reporting the results of evaluation or investigations to the head of the agency concerned with instructions for any corrective action necessary, including cancellation of personnel actions where appropriate. The Director’s findings resulting from evaluations or investigations are binding unless changed as a result of agency evidence and arguments against them. If, during the course of any evaluation or investigation under this section, the Director finds evidence of matters which come within the investigative and prosecutorial jurisdiction of the Special Counsel of the Merit Systems Protection Board, the Director shall refer this evidence to the Special Counsel for appropriate disposition.

(b) Whenever the Director issues specific instructions as to separation or other corrective action with regard to an employee, including cancellation of a personnel action, the head of the agency concerned shall comply with the Director’s instructions.

(c) If the agency head fails to comply with the specific instructions of the Director as to separation or other corrective action with regard to an employee, including cancellation of a personnel action, the Director may certify to the Comptroller General of the United States the agency’s failure to act together with such additional information as the Comptroller General may require, and shall furnish a copy of such certification to the head of the agency concerned. The individual with respect to whom such separation or other corrective action was instructed shall be entitled thereafter to no pay or only to such pay as appropriate to effectuate the Director’s instructions.

§ 5.4 Information and testimony.

When required by the Office, the Merit Systems Protection Board, or the Special Counsel of the Merit Systems Protection Board, or by authorized representatives of these bodies, agencies shall make available to them, or to their authorized representatives, employees to testify in regard to matters inquired of under the civil service laws, rules, and regulations, and records pertinent to these matters. All such employees, and all applicants or eligibles for positions covered by these rules, shall give to the Office, the Merit Systems Protection Board, the Special Counsel, or to their authorized representatives, all information, testimony, documents, and material in regard to the above matters, the disclosure of which is not otherwise prohibited by law or regulation. These employees, applicants, and eligibles shall sign testimony given under oath or affirmation before an officer authorized by law to administer oaths. Employees are performing official duty when testifying or providing evidence pursuant to this section.

(a) OPM may except positions from the competitive service when it determines that (A) appointments thereto through competitive examination are not practicable, or (B) recruitment from among students attending qualifying educational institutions or individuals who have recently completed qualifying educational programs can better be achieved by devising additional means for recruiting and assessing candidates that diverge from the processes generally applicable to the

(b) OPM shall decide whether the duties of any particular position are such that it may be filled as an excepted position under the appropriate schedule.

§ 6.2 Schedules of excepted positions.

OPM shall list positions that it excepts from the competitive service in Schedules A, B, C, and D, which schedules shall constitute parts of this rule, as follows:

(b) To the extent permitted by law and the provisions of this part, appointments and position changes in the excepted service shall be made in accordance with such regulations and practices as the head of the agency concerned finds necessary.

§ 6.4 Removal of incumbents of excepted positions.

Except as may be required by statute, the Civil Service Rules and Regulations shall not apply to removals from positions listed in Schedules A, C, or D or from positions excepted from the competitive service by statute. The Civil Service Rules and Regulations shall apply to removals from positions listed in Schedule B of persons who have competitive status.

§ 9.2 Reporting workforce information.

The Director of the Office of Personnel Management may require all Executive agencies to report information relating to civilian employees, including positions and employees in the competitive, excepted, and Senior Executive services, in a manner and at times prescribed by the Director. The Director shall establish standards for workforce information submissions under this section, and agencies shall ensure that their submissions meet these standards consistent with the Privacy Act. PART 110—POSTING NOTICES OF NEW OPM REGULATIONS

Sec.
110.101 What are OPM’s Notice and Posting System responsibilities?
110.102 What are Agency responsibilities?

SOURCE: 69 FR 33535, June 16, 2004, unless otherwise noted.

§ 110.101 What are OPM’s Notice and Posting System responsibilities?
OPM will issue a notice that will provide information for Federal agencies, employees, managers, and other stakeholders on each of its new proposed, interim, and final regulations. Each notice will transmit:

(a) A posting notice that briefly explains the nature of the change, and provides a place for Federal agencies to indicate where the full text of the FEDERAL REGISTER notice will be available for review.

(b) A copy of the notice of rulemaking that appears in the FEDERAL REGISTER or a link to a Web site where the notice of rulemaking appears.

§ 110.102 What are Agency responsibilities?

(a) Agencies will make regulations available for review by employees, managers, and other interested parties. Federal agencies receiving the notices of rulemaking described in §110.101(b) will make those regulations available for review upon request. Each agency will complete the posting notice described in §110.101(a) indicating where and how requests to review these materials should be made.

(b) Agencies will determine posting locations and, if desired, develop supplemental announcements. Agencies will display completed posting notices in a prominent place where the notices can be easily seen and read. Agencies will choose the posting location that best fits their physical layout. Agencies may supplement these postings with announcements in employee newsletters, agency Web sites, or other communication methods. The basic requirement to post the notice continues, however, even if supplemental announcement methods are used.

(c) Agencies will post notices of the new regulations even if the FEDERAL REGISTER comment date has passed. The public comment period on proposed regulations begins when a notice of proposed rulemaking is published in the FEDERAL REGISTER, not with the posting of the notice described in §110.101(a). The purpose of posting notice is solely to inform agency personnel of changes. Agencies are required to post the posting notice even if the formal deadline for comments shown in the preamble of the FEDERAL REGISTER notice of rulemaking has passed. Agencies should make every reasonable effort to minimize delays in distributing the notice described in §110.101 to their field offices.

(d) No fixed posting period. There are no minimum or maximum time limits on displaying the notice described in §110.101(a). Each office receiving a notice for posting should choose the posting period which provides the best opportunity to inform managers and employees of regulatory changes based upon office layout, geographic dispersion of employees, and other local factors.

§ 177.101 Scope of regulations.

The regulations in this part apply only to claims presented or filed with the Office of Personnel Management (OPM) under the Federal Tort Claims Act, as amended, for money damages against the United States for injury to or loss of property or personal injury or death caused by the negligent or wrongful act or omission of an officer or employee of OPM while acting within the scope of his or her office or employment.

(a) For purposes of the provisions of 28 U.S.C. 2401(b), 2672, and 2675, a claim is deemed to have been presented when OPM receives from a claimant, his or her authorized agent or legal representative, an executed Standard Form 95 (Claim for Damage, Injury or Death), or other written notification of an incident, accompanied by a claim for money damages stating a sum certain (a specific dollar amount) for injury to or loss of property, personal injury, or death alleged to have occurred as a result of the incident.

The designated agency will notify the claimant that all future correspondence concerning the claim must be directed to that Federal agency. All involved Federal agencies may agree to conduct their own administrative reviews and to coordinate the results, or to have the investigation conducted by the designated Federal agency. But, in either event, the designated agency will be responsible for the final determination of the claim.

(e) A claim presented in compliance with paragraph (a) of this section may be amended by the claimant at any time prior to final agency action or prior to the exercise of the claimant’s option under 28 U.S.C. 2675(a). Amendments must be in writing and signed by the claimant or his or her authorized agent or legal representative. Upon timely filing of an amendment to a pending claim, OPM will have 6 months in which to make a final disposition of the claim as amended and claimant’s option under 28 U.S.C. 2675(a) will not accrue until 6 months after the filing of an amendment.

(b) Personal injury. In support of a claim for personal injury, including pain and suffering, the claimant may be required to submit the following evidence or information:

(1) A written report by the attending physician or dentist setting forth the nature and extent of the injury, nature and extent of treatment, any degree of temporary or permanent disability, the prognosis, period of hospitalization, and any diminished earning capacity. In addition, the claimant may be required to submit to a physical or mental examination by a physician employed by OPM or another Federal agency. On written request, OPM will make available to the claimant a copy of the report of the examining physician employed by the United States, provided the claimant has furnished OPM with the report referred to in the first sentence of this subparagraph. In addition, the claimant must have made or agrees to make available to OPM all other physician’s reports previously or thereafter made of the physical or mental condition that is the subject matter of his or her claim.

(2) Itemized bills for medical, dental, and hospital expenses incurred, or itemized receipts of payment for such expenses.

(3) If the prognosis reveals the necessity for future treatment, a statement of expected expenses for such treatment.

(4) If a claim is made for loss of time from employment, a written statement from his or her employer showing actual time lost from employment, whether he or she is a full-or part-time employee, and wages or salary actually lost.

(5) If a claim is made for loss of income and the claimant is self-employed, documentary evidence showing the amount of earnings actually lost.

(6) Any other evidence or information which may have a bearing on either the responsibility of the United States for the personal injury or the damages claimed.

(c) Property damage. In support of a claim for injury to or loss of property, real or personal, the claimant may be required to submit the following evidence or information:

(1) Proof of ownership of the property.
§ 177.106 Authority to adjust, determine, compromise, and settle.

(a) The General Counsel of OPM, or his or her designee, is delegated authority to consider, ascertain, adjust, determine, compromise, and settle claims under the provisions of 28 U.S.C. 2672, and this part. The General Counsel, in his or her discretion, has the authority to further delegate the responsibility for adjudicating, considering, adjusting, compromising, and settling any claim submitted under the provisions of 28 U.S.C. 2672, and this part, that is based on the alleged negligence or wrongful act or omission of an OPM employee, with the exception of claims involving personal injury. All claims involving personal injury will be adjudicated, adjusted, compromised and settled by the Office of the General Counsel.

§ 177.107 Limitations on authority.

(a) An award, compromise, or settlement of a claim under 28 U.S.C. 2672, and this part, in excess of $25,000 can be effected only with the prior written approval of the Attorney General or his or her designee. For purposes of this paragraph, a principal claim and any derivative or subrogated claim will be treated as a single claim.

(b) An administrative claim may be adjusted, determined, compromised, or settled under this part, only after consultation with the Department of Justice when, in the opinion of the General Counsel of OPM, or his or her designee:

1. A new precedent or a new point of law is involved; or

2. A question of policy is or may be involved; or

3. The United States is or may be entitled to indemnity or contribution from a third party and OPM is unable to adjust the third party claim; or

4. The compromise of a particular claim, as a practical matter, will or may control the disposition of a related claim in which the amount to be paid may exceed $25,000.

(c) An administrative claim may be adjusted, determined, compromised, or settled under 28 U.S.C. 2672, and this part, only after consultation with the Department of Justice when, OPM is informed or is otherwise aware that the United States or an employee, agent, or cost-type contractor of the United States is involved in litigation based on a claim arising out of the same incident or transaction.

§ 177.108 Referral to Department of Justice.

When Department of Justice approval or consultation is required, or the advice of the Department of Justice is otherwise to be requested, under §177.107, the written referral or request will be transmitted to the Department of Justice by the General Counsel of OPM or his or her designee.

§ 177.109 Final denial of claim.

Final denial of an administrative claim must be in writing and sent to the claimant, his or her attorney, or legal representative by certified or registered mail. The notification of final denial may include a statement of the reasons for the denial. But, it must include a statement that, if the claimant is dissatisfied with the OPM action, he or she may file suit in an appropriate United States District Court not later than 6 months after the date of mailing of the notification.

§ 177.110 Action on approved claim.

(a) Payment of a claim approved under this part is contingent on claimant’s execution of a Standard Form 95 (Claim for Damage, Injury or Death); a claims settlement agreement; and a Standard Form 1145 (Voucher for Payment), as appropriate. When a claimant is represented by an attorney, the Voucher for Payment will designate...
Office of Personnel Management

both the claimant and his or her attorney as payees, and the check will be delivered to the attorney, whose address is to appear on the Voucher for Payment.

(b) Acceptance by the claimant, his or her agent, or legal representative, of an award, compromise, or settlement made under 28 U.S.C. 2672 or 28 U.S.C. 2677 is final and conclusive on the claimant, his or her agent or legal representative, and any other person on whose behalf or for whose benefit the claim has been presented, and constitutes a complete release of any claim against the United States and against any employee of the Federal Government whose act or omission gave rise to the claim, by reason of the same subject matter.

§ 178.103 Claim filed by a claimant's representative.

A claim filed by a claimant’s representative must be supported by a duly executed power of attorney or other documentary evidence of the representative’s right to act for the claimant.

§ 178.104 Statutory limitations on claims.

(a) Statutory limitations relating to claims generally. Except as provided in paragraphs (b) and (c) of this section or as otherwise provided by law, all claims against the United States Government are subject to the 6-year statute of limitations contained in 31 U.S.C. 3702(b). To satisfy the statutory limitation, a claim must be received by the Office of Personnel Management, or by the department or agency out of whose activities the claim arose, within 6 years from the date the claim accrued. The claimant is responsible for proving that the claim was filed within the applicable statute of limitations.

(b) Claims under the Fair Labor Standards Act. Claims arising under the FLSA, 29 U.S.C. 207, et seq., must be received by the Office of Personnel Management, or by the department or agency out of whose activity the claim arose, within the time limitations specified in the FLSA.

(c) Other statutory limitations. Statutes of limitation other than that identified in paragraph (a) of this section may apply to certain claims. Claimants are responsible for informing themselves regarding other possible statutory limitations.

§ 178.105 Basis of claim settlements.

The burden is upon the claimant to establish the timeliness of the claim, the liability of the United States, and the claimant’s right to payment. The settlement of claims is based upon the written record only, which will include the submissions by the claimant and the agency. OPM will accept the facts asserted by the agency, absent clear and convincing evidence to the contrary.

§ 178.106 Form of claim settlements.

OPM will send a settlement to the claimant advising whether the claim

§ 178.107 Finality of claim settlements.
(a) The OPM settlement is final; no further administrative review is available within OPM.
(b) Nothing in this subpart limits the right of a claimant to bring an action in an appropriate United States court.

Subpart B—Settlement of Accounts for Deceased Civilian Officers and Employees

AUTHORITY: 5 U.S.C. 5581, 5582, 5583.

§ 178.201 Scope of subpart.
(a) Accounts covered. This subpart prescribes forms and procedures for the prompt settlement of accounts of deceased civilian officers and employees of the Federal Government and of the government of the District of Columbia (including wholly owned and mixed-ownership Government corporations), as stated in 5 U.S.C. 5581, 5582, 5583.
(b) Accounts not covered. This subpart does not apply to accounts of deceased officers and employees of the Federal land banks, Federal intermediate credit banks, or regional banks for cooperatives (see 5 U.S.C. 5581(1)). Also, these procedures do not apply to payment of unpaid balance of salary or other sums due deceased Senators or Members of the House of Representatives or their officers or employees (see 2 U.S.C. 36a, 38a).

§ 178.202 Definitions.
(a) The term deceased employees as used in this part includes former civilian officers and employees who die subsequent to separation from the employing agency.
(b) The term money due means the pay, salary, or allowances due on account of the services of the decedent for the Federal Government or the government of the District of Columbia. It includes, but is not limited to:
(1) All per diem instead of subsistence, mileage, and amounts due in reimbursement of travel expenses, including incidental and miscellaneous expenses which are incurred in connection with the travel and for which reimbursement is due;
(2) All allowances upon change of official station;
(3) All quarters and cost-of-living allowances and overtime or premium pay;
(4) Amounts due for payment of cash awards for employees' suggestions;
(5) Amounts due as refund of salary deductions for United States Savings bonds;
(6) Payment for all accumulated and current accrued annual or vacation leave equal to the pay the decedent would have received had he or she lived and remained in the service until the expiration of the period of such annual or vacation leave;
(7) The amounts of all checks drawn in payment of such compensation which were not delivered by the Government to the officer or employee during his or her lifetime or of any unnegotiated checks returned to the Government because of the death of the officer or employee; and

§ 178.203 Designation of beneficiary.
(a) Agency notification. The employing agency shall notify each employee of his or her right to designate a beneficiary or beneficiaries to receive money due, and of the disposition of money due if a beneficiary is not designated. An employee may change or revoke a designation at any time under regulations promulgated by the Director of the Office of Personnel Management or his or her designee.
(b) Designation Form. Standard Form 1152, Designation of Beneficiary, Unpaid Compensation of Deceased Civilian Employee, is prescribed for use by employees in designating a beneficiary and in changing or revoking a previous designation; each agency will furnish the employee a Standard Form 1152 upon request. In the absence of the prescribed form, however, any designation, change, or cancellation of beneficiary witnessed and filed in accordance with the general requirements of this part will be acceptable.
§ 178.204  Order of payment precedence.

To facilitate the settlement of the accounts of the deceased employees, money due an employee at the time of the employee’s death shall be paid to the person or persons surviving at the date of death, in the following order of precedence, and the payment bars recovery by another person of amounts so paid:

(a) First, to the beneficiary or beneficiaries designated by the employee in a writing received in the employing agency prior to the employee’s death;

(b) Second, if there is no designated beneficiary, to the surviving spouse of the employee;

(c) Third, if none of the above, to the child or children of the employee and descendants of deceased children by representation;

(d) Fourth, if none of the above, to the parents of the deceased employee or the survivor of them;

(e) Fifth, if none of the above, to the duly appointed legal representative of the estate of the deceased employee; and

(f) Sixth, if none of the above, to the person or persons entitled under the laws of the domicile of the employee at the time of his or her death.

§ 178.205  Procedures upon death of employee.

(a) Claim form. As soon as practicable after the death of an employee, the agency in which the employee was last employed will request, in the order of precedence outlined in §178.204, the appropriate person or persons to execute Standard Form 1153, Claim for Unpaid Compensation of Deceased Civilian Employee.

(b) Claims involving minors or incompetents. If a guardian or committee has been appointed for a minor or incompetent appearing entitled to unpaid compensation, the claim should be supported by a certificate of the court showing the appointment and qualification of the claimant in such capacity. If no guardian or committee has been or will be appointed, the initial claim should be supported by a statement showing:

(1) Claimant’s relationship to the minor or incompetent, if any;

(2) The name and address of the person having care and custody of the minor or incompetent;

(3) That any moneys received will be applied to the use and benefit of the minor or incompetent; and

(4) That the appointment of a guardian or committee is not contemplated.

§ 178.206  Return of unnegotiated Government checks.

All unnegotiated United States Government checks drawn to the order of a decedent representing money due as defined in §178.202, and in the possession of the claimant, should be returned to the employing agency concerned. Claimants should be instructed to return any other United States Government checks drawn to the order of a decedent, such as veterans benefits, social security benefits, or Federal tax
refunds, to the agency from which the checks were received, with a request for further instructions from that agency.

§ 178.207 Claims settlement jurisdiction.

(a) District of Columbia and Government corporations. Claims for unpaid compensation due deceased employees of the government of the District of Columbia shall be paid by the District of Columbia, and those of Government corporations or mixed ownership Government corporations may be paid by the corporations.

(b) Office of Personnel Management. Each agency shall pay undisputed claims for the compensation due a deceased employee. Except as provided in paragraph (a) of this section, disputed claims for money due deceased employees of the Federal Government will be submitted to the Office of Merit Systems Oversight and Effectiveness, in accordance with §178.102 of subpart A. For example:

(1) When doubt exists as to the amount or validity of the claim;
(2) When doubt exists as to the person(s) properly entitled to payment; or
(3) When the claim involves uncurren checks. Uncurren checks are unnegotiated and/or undelivered checks for money due the decedent which have not been paid by the end of the fiscal year after the fiscal year in which the checks were issued. The checks, if available, should accompany the claims.

(c) Payment of claim. Claims for money due will be paid by the appropriate agency only after settlement by the Office of Merit Systems Oversight and Effectiveness occurs.

§ 178.208 Applicability of general procedures.

When not in conflict with this subpart, the provisions of subpart A of this part relating to procedures applicable to claims generally are also applicable to the settlement of account of deceased civilian officers and employees.
§ 179.101 General collection standards.

The general standards and procedures governing the collection, compromise, termination, and referral to the Department of Justice of claims for money and property that are prescribed in the regulations issued jointly by the General Accounting Office and the Department of Justice pursuant to the Federal Claims Collection Act of 1966 (4 CFR part 101 et seq.), apply to the administrative claim collection activities of OPM.

Subpart B—Salary Offset

SOURCE: 59 FR 35216, July 11, 1994, unless otherwise noted.

§ 179.201 Purpose.

The purpose of the Debt Collection Act of 1982 (Pub. L. 97–365), is to provide a comprehensive statutory approach to the collection of debts due the Federal Government. These regulations implement section 5 of the Act which authorizes the collection of debts owed by Federal employees to the Federal Government by means of salary offset, except that no claim may be collected by such means if outstanding for more than 10 years after the agency's right to collect the debt first accrued, unless facts material to the Government's right to collect were not known, and could not reasonably have been known, by the official or officials who were charged with the responsibility for discovery and collection of such debts. These regulations are consistent with the regulations on salary offset published by the Office of Personnel Management (OPM) on July 3, 1984 (49 FR 27470) in 5 CFR part 550, subpart K.

§ 179.202 Scope.

(a) These regulations provide procedures for the collection of monies from a Federal employee's pay by salary offset to satisfy certain debts owed the Government.

(b) These regulations apply to all collections by the Director of OPM (except collections involving debts because of payments made from the Civil Service Retirement and Disability Fund, payments made under the Retired Federal Employees Health Benefits Act (74 Stat. 849), the Panama Canal Construction Annuity Act and the Lighthouse Service Widows' Annuity Act and payments or premiums relating to the Federal Employees' Life Insurance Fund or the Federal Employees Health Benefits Fund) from:

1. Federal employees who owe debts to OPM; and
(2) OPM employees who owe debts to other agencies.

(c) These regulations do not apply to debts or claims arising under the Internal Revenue Code of 1954, as amended (26 U.S.C. 1 et seq.); the Social Security Act (42 U.S.C. 301 et seq.); the tariff laws of the United States; or to any case where collection of a debt by salary offset is explicitly provided for or prohibited by another statute (e.g., travel advances in 5 U.S.C. 5705 and employee training expenses in 5 U.S.C. 4108).

(d) Section 179.207 does not apply to any adjustment to pay arising from an employee’s election of coverage or a change in coverage under a Federal benefits program requiring periodic deductions from pay, if the amount to be recovered was accumulated over four pay periods or less.

(e) Nothing in these regulations precludes the compromise, suspension, or termination of collection actions, where appropriate, under the standards implementing the Federal Claims Collection Act (31 U.S.C. 3711 et seq., 4 CFR parts 101-105, 38 CFR 1.900 et seq.).

(f) Nothing in these regulations precludes an employee from requesting a waiver of the debt under applicable statute; under the standards and procedures specified by the Federal Claims Collection Standards (FCCS); or waiver of salary overpayment under 5 U.S.C. 5584, 10 U.S.C. 2774, or 32 U.S.C. 716, by submitting a subsequent claim to the General Accounting Office in accordance with procedures established by the General Accounting Office.

§ 179.203 Definitions.

As used in this subpart the following definitions shall apply:

Agency means:

(1) An Executive Agency as defined by section 105 of title 5, United States Code;

(2) A military department as defined by section 102 of title 5, United States Code;

(3) An agency or court of the judicial branch including a court as defined in section 610 of title 28, United States Code, the District Court for the Northern Mariana Islands and the Judicial Panel and Multidistrict Litigation;

(4) An agency of the legislative branch, including the U.S. Senate and the U.S. House of Representatives; and

(5) Other independent establishments that are entities of the Federal Government.

Certification means a written debt claim, as prescribed by §179.209, that is received from a creditor agency and which requests the paying agency to offset the salary of an employee.

Claim See debt.

Creditor agency means an agency of the Federal Government to which the debt is owed. For purposes of this part creditor agency includes OPM, unless otherwise noted.

Debt means money owed by an employee of the Federal Government to an agency of the Federal Government, from sources which include loans insured or guaranteed by the United States and all other amounts due the Government from fees, leases, rents, royalties, services, sales of real or personal property, overpayments, penalties, damages, interests, fines and forfeitures (except those arising under the Uniform Code of Military Justice) and all other similar sources.

Delinquent means the failure to pay an obligation or debt by the date specified in the initial notification or applicable contractual agreement, unless other payment arrangements have been agreed to by OPM and the debtor by that date, or if, at any time thereafter, the debtor fails to satisfy the obligations under a payment agreement with the creditor agency.

Director means the Director of OPM or his or her designee.

Disposable pay means that part of current basic pay, special pay, incentive pay, retired pay, retainer pay, or, in the case of an employee not entitled to basic pay, other authorized pay remaining after the deduction of any amount required by law to be withheld. OPM shall allow the following deductions, and any others required by law to be withheld, in determining disposable pay subject to salary offset:

(1) Federal employment taxes;

(2) Amounts mandatorily withheld for the U.S. Soldiers’ and Airmen’s Home;
§ 179.204 Applicability of regulations.

These regulations are to be followed for all OPM collections (except those involving retirement, life, and health insurance debts for recovery by the Associate Director for Retirement and Insurance) in instances where:

(a) OPM is owed a debt by an individual currently employed by another agency;

(b) OPM is owed a debt by an individual who is a current employee of OPM; or

(c) OPM currently employs an individual who owes a debt to another Federal agency. Upon receipt of proper certification from the creditor agency, OPM will offset the debtor-employee's
Office of Personnel Management

§ 179.205 Waiver requests and claims to the General Accounting Office.

These regulations do not preclude an employee from requesting waiver of an overpayment under 5 U.S.C. 5584, 10 U.S.C. 2774, 32 U.S.C. 716, or in any way questioning the amount or validity of a debt by submitting a subsequent claim to the General Accounting Office in accordance with the procedures prescribed by the General Accounting Office. These regulations do not preclude an employee from requesting a waiver pursuant to other statutory provisions pertaining to the particular debt being collected.

§ 179.206 Notice requirements before offset.

(a) Deductions under the authority of 5 U.S.C. 5514 shall not be made unless the creditor agency provides the employee with written notice that he/she owes a debt to the Federal government, a minimum of 50 calendar days before salary offset is initiated. When OPM is the creditor agency, this notice of intent to offset an employee’s salary shall be hand-delivered at work, or sent by registered mail, return receipt requested, to the employee’s most current address that is available to the Office and will state:

(1) That the creditor agency has reviewed the records relating to the claim and has determined that a debt is owed, the amount of the debt, and the facts giving rise to the debt;

(2) The creditor agency’s intention to collect the debt by means of deduction from the employee’s current disposable pay account until the debt and all accumulated interest are paid in full;

(3) The amount, frequency, beginning date, and duration of the intended deductions;

(4) An explanation of OPM’s policy concerning interest, penalties and administrative costs including a statement that such assessments must be made unless excused in accordance with the FCCS, 4 CFR 101.1 et seq. (§ 179.214);

(5) The employee’s right to inspect and copy all records of the office pertaining to the debt claimed, or to request and to receive copies of such records if personal inspection is impractical;

(6) If not previously provided, the opportunity to establish a schedule for the voluntary repayment of the debt through offset or to enter into an agreement to establish a schedule for repayment of the debt in lieu of offset (4 CFR 102.2(e)). The agreement must contain terms agreeable to the Office and must be in such form that it is legally enforceable. The agreement must:

(i) Be in writing;

(ii) Be signed by both the employee and the creditor agency;

(iii) Specify all the terms of the arrangement for payment; and

(iv) Contain a provision accelerating the debt in the event of a default by the debtor, but such an increase may not result in a deduction that exceeds 15 percent of the employee’s disposable pay unless the employee has agreed in writing to the deduction of a greater amount (5 CFR 550.1104(i)).

(7) The right to a hearing conducted by an impartial hearing official (an administrative law judge, or alternatively, a hearing official not under the supervision or control of the Director) with respect to the existence and amount of the debt claimed, or the repayment schedule (i.e., the percentage of disposable pay to be deducted each pay period), so long as a petition is filed by the employee as prescribed in § 179.207;

(8) The method and time period for requesting a hearing;

(9) The name, address and phone number of an official or employee of the Office who may be contacted concerning procedures for requesting a hearing;

(10) The name and address of the office to which the petition for a hearing should be sent;

(11) That a timely and properly filed petition for hearing will stay the commencement of collection proceedings (a timely filing must be received in the office specified under paragraph (a)(10) of this section within 15 calendar days after receipt of such notice of intent to offset);

(12) That the Office will initiate certification procedures to implement a
§ 179.207 Hearing.

(a) Request for hearing. Except as provided in paragraph (b) of this section, an employee who desires a hearing concerning the existence or amount of the debt or the proposed offset schedule must send such a request to the office designated in the notice of intent (§179.207(a)(10)). The request (or petition) for hearing must be received by the designated office not later than 15 calendar days following the employee’s receipt of the notice. The employee’s request (or petition) must:

1. Be signed by the employee;
2. Fully identify and explain with reasonable specificity all the facts, evidence and witnesses, if any, that the employee believes support his or her position; and
3. Specify whether an oral or paper hearing is requested. If an oral hearing is desired, the request should explain why the matter cannot be resolved by review of the documentary evidence alone (4 CFR 102.3(c)).

(b) Failure to timely submit.

1. If the employee files a petition for a hearing after the expiration of the 15 calendar day period provided for in paragraph (a) of this section, the Office may accept the request if the employee can show that the delay was the result of circumstances beyond his or her control or failure to receive actual notice of the filing deadline (unless the employee had actual notice of the filing deadline).

2. An employee waives the right to a hearing, and will have his or her disposable pay offset in accordance with the Office offset schedule, if the employee:

   i. Fails to file a timely request for a hearing unless such failure is excused; or
   ii. Fails to appear at an oral hearing of which he or she was notified unless the hearing official determines that failure to appear was due to circumstances beyond the employee’s control.

(c) Representation at the hearing. The creditor agency may be represented by legal counsel. The employee may represent himself or herself or may be represented by an individual of his or her choice and at his or her expense.

§ 179.207 Salary offset (which may not exceed 15 percent of the employee’s disposable pay) not less than 30 days from the date of receipt of the notice of debt, unless the employee files a timely petition for a hearing;

13. That a final decision on the hearing (if a hearing is requested) will be issued at the earliest practical date, but not later than 60 days after the filing of the petition requesting the hearing, unless the employee requests and the hearing official grants a delay in the proceedings;

14. That any knowingly false or frivolous statements, representations, or evidence may subject the employee to:

   i. Disciplinary procedures appropriate under chapter 75 of title 5, United States code; part 752 of title 5, Code of Federal Regulations; or any other applicable statute or regulations;
   ii. Penalties under the False Claims Act, sections 3729 through 3731 of title 31, United States Code, or any other applicable statutory authority; and
   iii. Criminal penalties under sections 286, 287, 1001, and 1002 of title 18, United States code, or any other applicable statutory authority;

15. Any other rights and remedies available to the employee under statutes or regulations governing the program for which the collection is being made;

16. That unless there are applicable contractual or statutory provisions to the contrary, amounts paid on or deducted for the debt, which are later waived or found not owed to the United States, will be promptly refunded to the employee; and

17. That proceedings with respect to such debt are governed by section 5 of the Debt Collection Act of 1982 (5 U.S.C. 5514).

(b) The Office is not required to comply with paragraph (a) of this section for any adjustment to pay arising from:

1. An employee’s selection of coverage or a change in coverage under a Federal benefits program requiring periodic deductions from pay, if the amount to be recovered was accumulated over four pay periods or less; or
2. An employee’s consent to make voluntary withholdings from his or her current pay account.
(d) Review of Office records related to the debt. (1) An employee who intends to inspect or copy creditor agency records related to the debt, as provided by §179.207(a)(5), must send a letter to the official designated in the notice of intent to offset stating his or her intention. The letter must be received within 15 calendar days after the employee’s receipt of the notice.

(2) In response to a timely request submitted by the debtor, the designated official will notify the employee of the location and time when the employee may inspect and copy records related to the debt.

(3) If personal inspection is impractical, arrangements shall be made to send copies of such records to the employee.

(e) Hearing official. The Office may request an administrative law judge to conduct the hearing, or the Office may obtain a hearing official who is not under the supervision or control of the Director of OPM.

(f) Obtaining the services of a hearing official when OPM is the creditor agency. (1) When the debtor is not an OPM employee and the Office cannot provide a prompt and appropriate hearing before a hearing official furnished pursuant to another lawful arrangement, the Office may contact an agent of the paying agency designated in 5 CFR part 581, appendix A, or other individual designated by the paying agency, and request a hearing official.

(2) When the debtor is an OPM employee, the Office may contact any agent of another agency designated in 5 CFR part 581, appendix A, or otherwise designated by that agency, to request a hearing official.

(g) Procedure—(1) General. After the employee requests a hearing, the hearing official shall notify the employee of the form of the hearing to be provided. If the hearing will be oral, the notice shall set forth the date, time and location of the hearing. If the hearing will be paper, the employee shall be notified that he or she should submit arguments in writing to the hearing official by a specified date after which the record shall be closed. This date shall give the employee reasonable time to submit documentation.

(2) Oral hearing. An employee who requests an oral hearing shall be provided an oral hearing if the hearing official determines that the matter cannot be resolved by review of documentary evidence alone (e.g., when an issue of credibility or veracity is involved). The hearing is not an adversarial adjudication and need not take the form of an evidentiary hearing. Oral hearings may take the form of, but are not limited to:

(i) Informal conferences with the hearing official, in which the employee and agency representative will be given full opportunity to present evidence, witnesses, and argument;

(ii) Informal meetings with an interview of the employee; or

(iii) Formal written submissions with an opportunity for oral presentation.

(3) Paper hearing. If the hearing official determines that an oral hearing is not necessary, he or she will make a determination based upon a review of the available written record (4 CFR 102.3(c) (2) and (3)).

(4) Record. The hearing official must maintain a summary record of any hearing provided by this subpart (4 CFR 102.3(c)(1)(ii)). Witnesses who testify in oral hearings will do so under oath or affirmation.

(h) Date of decision. The hearing official shall issue a written opinion stating his or her decision, based upon documentary evidence and information developed at the hearing, as soon as practicable after the hearing, but not later than 60 days after the date on which the petition was received by the creditor agency, unless the employee requests a delay in the proceedings. In such case the 60-day decision period shall be extended by the number of days by which the hearing was postponed.

(i) Content of decision. The written decision shall include:

(1) A statement of the facts presented to support the origin, nature, and amount of the debt;

(2) The hearing official’s findings, analysis, and conclusions including a determination whether the debtor’s petition for hearing was baseless and resulted from an intent to delay creditor agency collection activity and whether the Office should pursue other actions
against the debtor as provided by 5 CFR 550.1104(d)(11); and

(3) The terms of any repayment schedules, if applicable.

(j) Failure to appear. In the absence of good cause shown (e.g., illness), an employee who fails to appear at a hearing shall be deemed, for the purpose of this subpart, to admit the existence and amount of the debt as described in the notice of intent. If the representative of the creditor agency fails to appear, the hearing official shall proceed with the hearing as scheduled and make his/her determination based upon the oral testimony presented and the documentary evidence submitted by both parties. With the agreement of both parties, the hearing official shall schedule a new hearing date. Both parties shall be given reasonable notice of the time and place of the new hearing.

§ 179.208 Certification.

(a) OPM salary offset coordinator shall provide a certification to the paying agency in all cases where:

(1) The hearing official determines that a debt exists;

(2) The employee fails to contest the existence and amount of the debt by failing to request a hearing; or

(3) The employee fails to contest the existence of the debt by failing to appear at a hearing.

(b) The certification must be in writing and must state:

(1) That the employee owes the debt;

(2) The amount and basis of the debt;

(3) The date the Government's right to collect the debt first accrued;

(4) That the Office's regulations have been approved by OPM pursuant to 5 CFR part 550, subpart K;

(5) The date on which payment(s) is due;

(6) If the collection is to be made in installments, the number of installments to be collected, the amount of each installment or percentage of disposable pay, and the commencement date of the first installment, if a date other than the next officially established pay period is required; and

(7) The date(s) of any action(s) taken under 5 U.S.C. 5514(b).

§ 179.209 Voluntary repayment agreement as alternative to salary offset.

(a)(1) In response to a notice of intent, an employee may propose to repay the debt by making voluntary installment payments as an alternative to salary offset. An employee who wishes to repay a debt without salary offset shall submit in writing a proposed agreement to repay the debt. The proposal shall admit the existence of the debt, and the agreement must be in such form that it is legally enforceable. The agreement must:

(i) Be in writing;

(ii) Be signed by both the employee and the creditor agency;

(iii) Specify all the terms of the arrangement for payment; and

(iv) Contain a provision accelerating the debt in the event of default by the debtor, but such an increase may not result in a deduction that exceeds 15 percent of the employee's disposable pay unless the employee has agreed in writing to deduction of a greater amount (5 CFR 550.1104(i)).

(2) Any proposal under paragraph (a) of this section must be received by the official designated in the notice of intent within 30 calendar days after receipt of the notice.

(b) The creditor agency will review a timely and properly submitted repayment proposal by the employee debtor and notify the employee whether the proposed written agreement for repayment is acceptable. It is within the creditor agency's discretion to accept a repayment agreement instead of proceeding by offset.

(c) If the creditor agency decides that the proposed repayment agreement is unacceptable, the employee will have 15 days from the date he or she received notice of that decision to file a petition for a hearing or a special review as provided by §179.210.

(d) If the creditor agency decides that the proposed repayment agreement is acceptable, the alternative arrangement must be in writing, signed by both the employee and the creditor agency designee and meet the other requirements of this section for a voluntary repayment agreement.
§ 179.210 Special review.
(a) An OPM employee subject to salary offset or a voluntary repayment agreement, may, at any time, request a special review by the Office of the amount of the salary offset or voluntary payment, based on materially changed circumstances such as, but not limited to, catastrophic illness, divorce, death, or disability.
(b) In determining whether an offset would prevent the employee from meeting essential subsistence expenses (food, housing, clothing, transportation and medical care), the employee shall submit a detailed statement and supporting documents for the employee, his or her spouse, and dependents indicating:
1. Income from all sources;
2. Assets;
3. Liabilities;
4. Number of dependents;
5. Expenses for food, housing, clothing and transportation;
6. Medical expenses; and
7. Exceptional expenses, if any.
If an OPM employee requests a special review under this section, the employee shall file an alternative proposed offset or payment schedule and a statement, with supporting documents (§ 179.210(b)), stating why the current salary offset or payments result in an extreme financial hardship to the employee.
(c) The Director shall evaluate the statement and supporting documents, and determine whether the original offset or repayment schedule imposes an extreme financial hardship on the employee. The Director shall notify the employee in writing of such determination, including, if appropriate, a revised offset or repayment schedule.
(d) If the special review results in a revised offset or repayment schedule, the OPM salary offset coordinator shall provide a new certification to the payroll office.

§ 179.211 Notice of salary offset.
(a) Upon receipt of proper certification from a creditor agency, the OPM payroll office will send the OPM employee, identified in the certification as the debtor, a written notice of salary offset. Such notice shall, at a minimum:
1. State that OPM has received a properly certified debt claim from a creditor agency;
2. Contain a copy of the certification received from the creditor agency;
3. Advise the employee that salary offset will be initiated at the next officially established pay interval; and
4. State the amount of the claim and amount of deductions.
(b) The payroll office shall provide a copy of the notice to the creditor agency and advise such agency of the dollar amount to be offset and the pay period when the offset will begin.

§ 179.212 Procedures for salary offset.
(a) The Director or his or her designee shall coordinate salary deductions under this subpart.
(b) OPM payroll office shall determine the amount of an employee’s disposable pay and implement the salary offset.
(c) Deductions shall begin effective the pay period following receipt by OPM’s payroll office of proper certification of the debt (§ 179.208).
(d) Types of collection—(1) Lump-sum payment. A debt will be collected in a lump sum if possible. If an employee is financially unable to pay in one lump sum or the amount of the debt exceeds 15 percent of disposable pay for an officially established pay interval, collection must be made in installments.
(2) Installment deductions. Installment deductions will be made over a period not greater than the anticipated period of employment and, except in rare circumstances, not to exceed 3 years. The size and frequency of installment deductions will bear a reasonable relation to the size of the debt and the employee’s ability to pay. The amount deducted for any period will not exceed 15 percent of the disposable pay from which the deduction is made unless the employee has agreed in writing to the deduction of a greater amount.
(3) Lump-sum deductions from final check. A lump-sum deduction exceeding the 15 percent disposable pay limitation may be made from any final salary payment pursuant to 31 U.S.C. 3716 in order to liquidate the debt, whether the employee is being separated voluntarily or involuntarily.
§ 179.213 Coordinating salary offset with other agencies.

(a) Responsibility of OPM as the creditor agency. (1) The Director or his or her designee shall coordinate debt collections with other agencies and shall, as appropriate:

(i) Arrange for a hearing or special review upon proper petitioning by a Federal employee; and

(ii) Prescribe, upon consultation with the General Counsel, such additional practices and procedures as may be necessary to carry out the intent of this regulation.

(2) The designated salary offset coordinator will be responsible for:

(i) Ensuring that each notice of intent to offset is consistent with the requirements of §179.206;

(ii) Ensuring that each certification of debt that is sent to a paying agency is consistent with the requirements of §179.208;

(iii) Obtaining hearing officials from other agencies pursuant to §179.207(f); and

(iv) Ensuring that hearings are properly scheduled.

(3) Requesting recovery from current paying agency. Upon completion of the procedures established in these regulations and pursuant to 5 U.S.C. 5514, the Office must:

(i) Certify, in writing, to the paying agency that the employee owes the debt, the amount and basis of the debt, the date on which payment(s) is due, the date the Government’s right to collect the debt first accrued, and that the Office’s regulations implementing 5 U.S.C. 5514 have been approved by the Office of Personnel Management;

(ii) Advise the paying agency of the amount or percentage of disposable pay to be collected in each installment and the number and commencing date of the installments (if a date other than the next officially established pay period is required);

(iii) Advise the paying agency of the action(s) taken under 5 U.S.C. 5514(b) and give the date(s) and action(s) was taken (unless the employee has consented to the salary offset in writing or signed a statement acknowledging receipt of the required procedures and the written consent or statement is forwarded to the paying agency);

(iv) Submit a debt claim certification containing the information specified in paragraphs (a)(3)(i), (a)(3)(ii) and (a)(3)(iii) of this section and an installment agreement (or other instruction on the payment schedule), if applicable, to the employee’s paying agency; and

(v) Submit the debt claim, as provided in §179.206, to the employee’s paying agency for collection if the employee is in the process of separating.
and has not received a final salary check, or other final payment(s) from the paying agency. The paying agency must certify the total amount of its collection on the debt and send a copy of the certification to the employee and another copy to the creditor agency. If the paying agency’s collection does not fully satisfy the debt, and the paying agency is aware that the debtor is entitled to payments from the Civil Service Retirement and Disability Fund or other similar payments that may be due the debtor employee from other Federal Government sources, the paying agency will provide written notification of the outstanding debt to the agency responsible for making such other payments to the debtor employee. The written notification shall state that the employee owes a debt (including the amount) and that the provisions of this section have been fully complied with. The Office must submit a properly certified claim to the agency responsible for making such payments before the collection can be made.

(4) Separated employee. If the employee is already separated and all payments due from his or her former paying agency have been paid, the Office may request, unless otherwise prohibited, that money due and payable to the employee from the Civil Service Retirement and Disability Fund (5 CFR 831.1801 et seq. or 5 CFR 845.401 et seq.) or other similar funds, be administratively offset to collect the debt (31 U.S.C. 3716 and the FCCS).

(5) Employee transfer. When an employee transfers from one paying agency to another paying agency, the Office is not required to repeat the due process procedures described in 5 U.S.C. 5514 and this subpart to resume the collection. The Office will submit a properly certified claim to the new paying agency and will subsequently review the debt to make sure the collection is resumed by the new paying agency.

(b) Responsibility of the Office as the paying agency—(1) Complete claim. When the Office receives a certified claim from a creditor agency, deductions should be scheduled to begin at the next officially established pay interval. Before deductions can begin, the employee must receive written notice from the Office including:

(i) A statement that the Office has received a certified debt claim from the creditor agency;
(ii) The amount of the debt claim;
(iii) The date salary offset deductions will begin, and
(iv) The amount of such deductions.

(2) Incomplete claim. When the Office receives an incomplete certification of debt from a creditor agency, the Office must return the debt claim with notice that procedures under 5 U.S.C. 5514 and 5 CFR 550.1101 et seq. must be followed and a properly certified debt claim received before action will be taken to collect from the employee’s current pay account.

(3) Review. The Office is not authorized to review the merits of the creditor agency’s determination with respect to the amount or validity of the debt certified by the creditor agency.

(4) Employees who transfer from one paying agency to another. If, after the creditor agency has submitted the debt claim to the Office, the employee transfers from OPM to a different paying agency before the debt is collected in full, the Office will certify the total amount collected on the debt. One copy of the certification will be furnished to the employee and one copy to the creditor agency along with notice of the employee’s transfer.

§179.214 Interest, penalties and administrative costs.

The Office shall assess interest, penalties and administrative costs on debts owed pursuant to 31 U.S.C. 3717 and 4 CFR part 101.1 et seq. Penalties and administrative costs will be assessed on all delinquent debts.

(a) In cases of default on a previous repayment agreement, the Office reserves the right to set a new interest rate which reflects the current value of funds to the Treasury at the time a new repayment agreement is executed.

(b) The Office, on a case-by-case basis, may waive all interest accrued on debts paid in full within 60 days of the due date if there is no indication of fault or lack of good faith on the part of the debtor.
§ 179.215  Refunds.

(a) The Office shall promptly refund any amounts deducted under the authority of 5 U.S.C. 5514 when:

(1) The debt is waived or otherwise found not to be owing the United States (unless expressly prohibited by statute or regulation); or

(2) An administrative or judicial order directs the Office to make a refund,

(b) Unless required or permitted by law or contract, refunds under this subsection shall not bear interest.

§ 179.216  Request for the services of a hearing official when the creditor agency is not OPM.

(a) The Office will provide a hearing official upon request of the creditor agency when the debtor is employed by the Office and the creditor agency cannot provide a prompt and appropriate hearing before a hearing official furnished pursuant to another lawful arrangement.

(b) The salary offset coordinator will secure qualified personnel to serve as hearing officials.

(c) Services rendered under this section will be provided on a fully reimbursable basis pursuant to the Economy Act of 1932, as amended, 31 U.S.C. 1535.

§ 179.217  Non-waiver of rights by payments.

An employee’s involuntary payment of all or any portion of a debt collected under this subpart must not be construed as a waiver of any rights which the employee may have under 5 U.S.C. 5514 or any other provision of contract or law unless there are statutory or contractual provisions to the contrary.

§ 179.218  Additional administrative collection action.

Nothing contained in this subpart is intended to preclude the use of any other administrative remedy which may be appropriate.

Subpart C—Administrative Offset

SOURCE: 59 FR 35214, July 11, 1994, unless otherwise noted.

§ 179.301  Scope of regulations.

These regulations apply to the collection of debts owed to the United States arising from transactions with OPM other than those involving payments made from the Civil Service Retirement and Disability Fund (the Fund), or where a request for an offset from OPM’s administrative accounts—other than the Fund—is received by OPM from another Federal agency. Regulations for other agencies to request OPM’s Retirement and Insurance Group to recover a debt from the Fund are provided at subpart R of part 831 and subpart D of part 845 of title 5, Code of Federal Regulations. These regulations are consistent with the Federal Claims Collection Standards on Administrative Offset issued jointly by the Department of Justice and the General Accounting Office as set forth in 4 CFR 102.3.

§ 179.302  Definitions.

Administrative offset, as defined in 31 U.S.C. 3701(a)(1), means withholding
money payable by the United States Government to, or held by the Government for, a person to satisfy a debt the person owes the Government.

Person, includes a natural person or persons, profit or non-profit corporation, partnership, association, trust, estate, consortium, or other entity which is capable of owing a debt to the United States Government except that agencies of the United States, or of any State or local government, shall be excluded.

§ 179.303 General.

(a) The Director or his or her designee, after attempting to collect a debt from a person under section 3(a) of the Federal Claims Collection Act of 1966, as amended (31 U.S.C. 3711(a)), may collect the debt by administrative offset subject to the following:

(1) The debt is certain in amount; and

(2) It is in the best interest of the United States to collect the debt by administrative offset because it is less costly and speeds payment of the debt;

(b) The Director, or his or her designee, may initiate administrative offset with regard to debts owed by a person to another agency of the United States Government, upon receipt of a request from the head of another agency, or his or her designee, and a certification that:

(1) The debt exists; and

(2) The person has been afforded the necessary due process rights.

(c) The Director, or his or her designee, may request another agency that holds funds payable to an OPM debtor to offset the debt against the funds held and will provide certification that:

(1) The debt exists; and

(2) The person has been afforded the necessary due process rights.

(d) If the 6-year period for bringing action on a debt provided in 28 U.S.C. 2415 has expired, then administrative offset may be used to collect the debt only if the costs of bringing such action are likely to be less than the amount of the debt.

(e) No collection by administrative offset shall be made on any debt that has been outstanding for more than 10 years unless facts material to the Government’s right to collect the debt were not known, and reasonably could not have been known, by the official or officials responsible for discovering and collecting such debt.

(f) These regulations do not apply to:

(1) A case in which administrative offset of the type of debt involved is explicitly provided for or prohibited by another statute.

(2) Debts owed to OPM by other agencies of the United States or by any State or local government.

§ 179.304 Notification procedures.

Before collecting any debt through administrative offset, a notice of intent to offset shall be sent to the debtor or by certified mail, return receipt requested, at the most current address that is available to OPM. The notice shall provide:

(a) A description of the nature and amount of the debt and the intention of OPM to collect the debt through administrative offset;

(b) An opportunity to inspect and copy the records of OPM with respect to the debt;

(c) An opportunity for review within OPM concerning OPM’s determinations with respect to the debt; and

(d) An opportunity to enter into a written agreement for the repayment of the amount of the debt.

§ 179.305 Agency review.

(a) A debtor may dispute the existence of the debt, the amount of the debt, or the terms of repayment. The request to review a disputed debt must be received by the OPM official identified in the notification within 30 calendar days of the debtor’s receipt of the written notice described in §179.304.

(b) If the debtor requests an opportunity to inspect or copy OPM’s records concerning the disputed claim, 10 business days will be granted for the review. The time period will be measured from the time the request for inspection is granted or from the time the copy of the records is received by the debtor.

(c) Pending the resolution of a dispute initiated by the debtor, transactions in any of the debtor’s account(s) maintained in OPM may be temporarily suspended to the extent of the debt that is owed. Depending on the type of transaction, the suspension
§ 179.306 Written agreement for repayment.

A debtor who admits liability but elects not to have the debt collected by administrative offset will be afforded an opportunity to negotiate a written agreement for the repayment of the debt. If the financial condition of the debtor does not support the ability to pay in one lump-sum, reasonable installment payments may be considered. No installment arrangement will be considered unless the debtor submits a financial statement, executed under penalty of perjury, reflecting the debtor’s assets, liabilities, income, and expenses. The financial statement must be submitted within 10 business days of OPM’s request for the statement. At OPM’s option, a confess-judgment note or bond of indemnity with surety may be required for the installment agreement. Notwithstanding the provisions of this section, any reduction or compromise of a claim will be governed by 4 CFR part 103 and 31 U.S.C. 3711.

§ 179.307 Administrative offset.

(a) If the debtor does not exercise the right to request a review within the time specified in §179.305 or, if as a result of the review, it is determined that the debt is due and no written agreement is executed, then administrative offset shall be ordered in accordance with these regulations without further notice.

(b) Request for offset to a Federal agency: The Director or his or her designee may request that funds due and payable to a debtor by a Federal agency be administratively offset in order to collect a debt owed to OPM by that debtor. In requesting administrative offset, OPM, as creditor, will certify in writing to the Federal agency holding funds of the debtor:

(1) That the debtor owes the debt;

(2) The amount and basis of the debt; and

(3) That OPM has complied with the requirements of 31 U.S.C. 3716, its own administrative offset regulations, and the applicable provisions of 4 CFR part 102 with respect to providing the debtor with due process.

(c) Request for offset from a Federal agency: When administrative offset is authorized, any Federal creditor agency may request OPM to make an administrative offset from any OPM funds that are due and payable to a creditor agency’s debtor. OPM shall initiate the requested administrative offset only upon:

(1) Receipt of written certification from the creditor agency:

(i) That the debtor owes the debt;

(ii) The amount and basis of the debt;

(iii) That the agency has prescribed regulations for the exercise of administrative offset; and

(iv) That the agency has complied with its own administrative offset regulations and with the applicable provisions of 4 CFR part 102, including providing any required hearing or review.

(2) A determination by OPM that collection by offset against funds payable by OPM would not otherwise be contrary to law.

§ 179.308 Accelerated procedures.

OPM may make an administrative offset against a payment to be made to the debtor prior to the completion of the procedures required by §§179.304 and 179.305 if failure to take the offset would substantially jeopardize OPM’s ability to collect the debt, and the time before the payment is to be made does not reasonably permit the completion of those procedures. Such prior offset shall be promptly followed by the completion of those procedures. Amounts recovered by offset but later found not to be owed to OPM shall be promptly refunded.

§ 179.309 Additional administrative procedures.

Nothing contained in this chapter is intended to preclude the use of any other administrative remedy which may be available.
Subpart D—Administrative Wage Garnishment

§ 179.401 Administrative wage garnishment.

General. OPM may use administrative wage garnishment to collect debts in accordance with the requirements of 31 U.S.C. 3720D and 31 CFR 285.11, including debts it refers to the Bureau of the Fiscal Service, Department of the Treasury, for cross-servicing pursuant to 31 U.S.C. 3711. This part adopts and incorporates all of the provisions of 31 CFR 285.11 concerning administrative wage garnishment, including the hearing procedures described in 31 CFR 285.11(f). This section does not apply to collection of debt by Federal salary offset, under 5 U.S.C. 5514, the process by which OPM collects debts from the salaries of Federal employees.

PART 180—EMPLOYEES’ PERSONAL PROPERTY CLAIMS

Sec.
180.101 Scope and purpose.
180.102 Claimants.
180.103 Time limitations.
180.104 Allowable claims.
180.105 Claims not allowed.
180.106 Claims involving carriers and insurers.
180.107 Claims procedure.
180.108 Settlement of claims.

SOURCE: 43 FR 47163, Oct. 13, 1978, unless otherwise noted.

§ 180.101 Scope and purpose.

(a) The Military Personnel and Civilian Employees’ Claims Act of 1964, 31 U.S.C. 240 to 243, authorizes the Director, Office of Personnel Management to settle and pay (including replacement in kind) claims of officers and employees of OPM, amounting to not more than $15,000, for damage to or loss of personal property incident to their service. Claims are payable only for such types, quantities, or amounts of tangible personal property (including money) as the approving authority shall determine to be reasonable, useful, or proper under the circumstances existing at the time and place of the loss. In determining what is reasonable, useful, or proper, the approving authority will consider the type and quantity of property involved, circumstances attending acquisition and use of the property, and whether possession or use by the claimant at the time of damage or loss was incident to service.

(b) The Government does not underwrite all personal property losses that a claimant may sustain and it does not underwrite individual tastes. While the Government does not attempt to limit possession of property by an individual, payment for damage or loss is made only to the extent that the possession of the property is determined to be reasonable, useful, or proper. If individuals possess excessive quantities of items, or expensive items, they should have such property privately insured.

§ 180.102 Claimants.

(a) The following are proper claimants:

(1) Officers and employees of OPM;

(2) Former officers and employees of OPM whose claims arose out of incidents which occurred before their separation;

(3) The authorized agent or legal representative of persons in §§ 180.102(a)(1) and 180.102(a)(2);

(4) Survivors of persons in §§ 180.102(a)(1) and 180.102(a)(2) in the following order of precedence:

(i) Spouse,

(ii) Children,

(iii) Father or mother, or both,

(iv) Brothers or sisters, or both.

(b) A claim may not be presented by or for the benefit of a subrogee, assignee, conditional vendor, or other third party.

§ 180.103 Time limitations.

A claim must be presented in writing within 2 years after it accrues, except during war or armed conflict. If war or armed conflict occurs within the 2-year period following accrual, when claimant shows good cause, the claim may be presented within 2 years after the cause ceases to exist but not more than 2 years after termination of the war or
§ 180.104 Allowable claims.

(a) A claim may be allowed only if:

(1) The damage or loss was not caused wholly or partly by the negligent or wrongful act of the claimant, claimant’s agent, a member of claimant’s family, or claimant’s private employee (the standard to be applied is that of reasonable care under the circumstances);

(2) The possession of the property damaged or lost and the quantity possessed is determined to have been reasonable, useful, or proper under the circumstances; and

(3) The claim is substantiated by proper and convincing evidence.

(b) Claims which are otherwise allowable under this part shall not be disallowed solely because the property was not in the possession of the claimant at the time of the damage or loss or solely because the claimant was not legal owner of the property for which the claim is made. For example, borrowed property may be the subject of a claim.

(c) Subject to the conditions in §180.104(a) and the other provisions of this part, any claim for damage to or loss of personal property incident to service with OPM may be considered and allowed. The following are examples of the principal types of claims which may be allowed. These examples are not exclusive and other types of claims may be allowed unless excluded by §180.106:

(1) Property damaged or lost in quarters. Claims may be allowed for damage to or loss of property located at:

(i) Quarters within the 50 States and the District of Columbia that were assigned to the claimant or otherwise provided in kind by the United States;

(ii) Quarters outside the 50 States and the District of Columbia that were occupied by the claimant, whether or not they were assigned or otherwise provided in kind by the United States, except when the claimant is a local inhabitant; or

(iii) Any warehouse, office, working area, or other place (except quarters) authorized or apparently authorized for the reception or storage of property.

(2) Transportation or travel losses. Claims may be allowed for damage to or loss of property incident to transportation or storage pursuant to orders, or in connection with travel under orders, including property in custody of a carrier, an agent or agency of the Government, or the claimant.

(3) Motor vehicles. Claims may be allowed for automobiles and other motor vehicles damaged or lost in overseas shipments provided by the Government. “Shipments provided by the Government” means via Government vessels, charter of commercial vessels, or by Government bills of lading on commercial vessels, and includes storage, unloading, and off-loading incident thereto. Other claims for damage to or loss of automobiles and other motor vehicles may be allowed only when use of the vehicle on a non-reimbursable basis was required by the claimant’s supervisor.

(4) Mobile homes. Claims may be allowed for damage to or loss of mobile homes and their contents under the provisions of §180.104(c)(2). Claims for structural damage to mobile homes, other than that caused by collision, and damage to contents of mobile homes resulting from such structural damage must contain conclusive evidence that the damage was not caused by structural deficiency of the mobile home and that it was not overloaded. Claims for damage to or loss of tires mounted on mobile homes may be allowed only in cases of collision, theft, or vandalism.

(5) Money. Claims for money in an amount that is determined to be reasonable for the claimant to possess at the time of the loss are payable:

(i) Where personal funds were accepted by responsible Government personnel with apparent authority to receive them for safekeeping deposit, transmittal, or other authorized disposition, but were neither applied as directed by the owner nor returned;

(ii) When lost incident to a marine or aircraft disaster;

(iii) When lost by fire, flood, hurricane, or other natural disaster;

(iv) Where the loss or damage was discovered by claimant at the time it occurred.

(v) When the property was necessary for the performance of the claimant’s duties.
(iv) When stolen from the quarters of the claimant where it is conclusively shown that the money was in a locked container and that the quarters themselves were locked;
(v) When taken by force from the claimant’s person.
(6) Clothing. Claims may be allowed for clothing and accessories worn on the person which are damaged or lost:
(i) During the performance of official duties in an unusual or extraordinary-risk situation;
(ii) In cases involving emergency action required by natural disaster such as fire, flood, hurricane, or by enemy or other belligerent action;
(iii) In cases involving faulty equipment or defective furniture maintained by the Government and used by the claimant as required by the job situation; or
(iv) When using a motor vehicle.
(7) Property used for benefit of the Government. Claims may be allowed for damage to or loss of property (except motor vehicles) used for the benefit of the Government at the request of, or with the knowledge and consent of, superior authority or by reason of necessity.
(8) Enemy action or public service. Claims may be allowed for damage to or loss of property as a direct consequence of:
(i) Enemy action or threat thereof, or combat, guerilla, brigandage, or other belligerent activity, or unjust confiscation by a foreign power or its nationals;
(ii) Action by the claimant to quiet a civil disturbance or to alleviate a public disaster; or
(iii) Efforts by the claimant to save human life or Government property.
(9) Marine or aircraft disaster. Claims may be allowed for personal property damaged or lost as a result of marine or aircraft disaster or accident.
(10) Government property. Claims may be allowed for property owned by the United States only when the claimant is financially responsible to an agency of the Government other than OPM.
(11) Borrowed property. Claims may be allowed for borrowed property that has been damaged or lost.

§ 180.105 Claims not allowed.
(a) A claim is not allowable if:
(1) The damage or loss was caused wholly or partly by the negligent or wrongful act of the claimant, claimant’s agent, claimant’s employee, or a member of claimant’s family;
(2) The damage or loss occurred in quarters occupied by the claimant within the 50 States and the District of Columbia that were not assigned to the claimant or otherwise provided in kind by the United States;
(3) Possession of the property lost or damaged was not incident to service or not reasonable or proper under the circumstances.
(b) In addition to claims falling within the categories of §180.105(a), the following are examples of claims which are not payable:
(1) Claims not incident to service. Claims which arose during the conduct of personal business are not payable.
(2) Subrogation claims. Claims based upon payment or other consideration to a proper claimant are not payable.
(3) Assigned claims. Claims based upon assignment of a claim by a proper claimant are not payable.
(4) Conditional vendor claims. Claims asserted by or on behalf of a conditional vendor are not payable.
(5) Claims by improper claimants. Claims by persons not designated in §180.102(a) are not payable.
(6) Small items of substantial value. Claims are not payable for money or for small articles of substantial value, such as watches or expensive jewelry, when shipped with household goods or as unaccompanied baggage.
(7) Articles of extraordinary value. Claims are not payable for expensive articles of gold, silver, other precious metals, paintings, antiques other than bulky furnishings, relics, and other articles of extraordinary value when shipped with household goods by ordinary means or as unaccompanied baggage at normal released valuation. Claims for such articles are payable when their loss is incident to shipment by expedited mode in accordance with current joint travel regulations. This prohibition does not apply to articles in the personal custody of the claimant or articles properly checked, provided that reasonable protection or security
measures have been taken by the claimant.

(8) Articles acquired for other persons. Claims are not payable for articles intended directly or indirectly for persons other than the claimant or members of the claimant’s immediate household. This prohibition includes articles acquired at the request of others and articles for sale.

(9) Property used for business. Claims are not payable for property normally used for business or profit.

(10) Unsuitable property. Claims are not payable for property acquired, possessed, or transported in violation of law, regulation, or other directive. This does not apply to limitations imposed on the weight of shipments of household goods.

(11) Intangible property. Claims are not payable for intangible property such as bank books, checks, promissory notes, stock certificates, bonds, bills of lading, warehouse receipts, baggage checks, insurance policies, money order, and traveler’s checks.

(12) Government property. Claims are not payable for property owned by the United States unless the claimant is financially responsible for the property to an agency of the Government other than OPM.

(13) Motor vehicles. Claims for motor vehicles, except as provided for by §180.104(c)(3), will ordinarily not be paid. However, in exceptional cases, meritorious claims for damage to or loss of motor vehicles may be recommended to the Office of the General Counsel for consideration and approval for payment.

(15) Enemy property. Claims are not payable for enemy property, including war trophies.

(16) Losses recoverable from carrier. Claims are not payable for losses, or any portion thereof, which have been recovered or are recoverable from a carrier, except as permitted under §180.106.

(17) Losses recoverable from insurer. Claims are not payable for losses, or any portion thereof, which have been recovered or are recoverable from an insurer, except as permitted under §180.106.

(18) Losses recoverable from contractor. Claims are not payable for losses, or any portion thereof, which have been recovered or are recoverable under contract, except as permitted under §180.106.

(19) Fees for estimates. Claims are not normally payable for fees paid to obtain estimates of repair in conjunction with submitting a claim under this part. However, where, in the opinion of the approving authority, the claimant could not obtain an estimate without paying a fee, such a claim may be considered in an amount reasonable in relation to the value or the cost of repairs of the articles involved, provided that the evidence furnished clearly indicates that the amount of the fee paid will not be deducted from the cost of repairs if the work is accomplished by the estimator.

(20) Items fraudulently claimed. Claims are not payable for items fraudulently claimed. When investigation discloses that a claimant, claimant’s agent, claimant’s employee, or member of claimant’s family has intentionally misrepresented an item claimed as to cost, condition, cost to repair, etc., the item will be disallowed in its entirety even though some actual damage has been sustained. However, if the remainder of the claim is proper it will be paid. This does not preclude appropriate disciplinary action if warranted.

§ 180.106 Claims involving carriers and insurers.

(a) Claimants must comply with the following before presenting claims involving a carrier or insurer:

(1) Whenever property is damaged or lost while being shipped pursuant to authorized travel orders, the owner must file a written claim for reimbursement with the carrier according to the terms of its bill of lading or contract before submitting a claim against the Government. The claimant may present a claim to the Government immediately after making demand on the carrier.

(2) Whenever property which is damaged or lost incident to the claimant’s service is insured in whole or in part,
the claimant must make a written demand against the insurer for reimbursement under the terms and conditions of the insurance coverage. Such demand should be made within the time limit provided in the policy and prior to the filing of a claim against the Government. The claimant may present a claim to the Government immediately after making demand on the insurer.

(b) If the claimant fails to make the required demand on the carrier or insurer or make reasonable efforts to collect the amount recoverable, the amount payable under the provisions of these regulations shall be reduced by the maximum amount recoverable. However, no deduction will be made if the circumstances of the claimant’s service were such as to preclude timely filing of the claim with the carrier or insurer and it is determined that a demand would have been impracticable or unavailing in any event.

(c) When a claim is paid by OPM, the claimant will assign to the United States, to the extent of any payment on the claim accepted by claimant, all rights, title, and interest in any claim against any carrier, insurer, or other party arising out of the incident on which the claim against the United States is based. On request, the claimant also will furnish such evidence as may be required to enable the United States to enforce the claim.

(d) After payment of a claim by the United States, if the claimant receives any payment from a carrier, contractor, insurer, or other third party, the claimant will pay the proceeds to the United States to the extent of the payment received by the claimant from the United States.

§ 180.107 Claims procedure.

(a) Filing a claim. Claims not exceeding $500 shall be filed with the appropriate bureau or regional director. Claims in excess of $500 shall be filed with the Office of the General Counsel, Office of Personnel Management, 1900 E Street NW., Washington, DC 20415. Claims shall be in writing, using G.C. Form 33 when available, and shall contain as a minimum:

(1) Name, address, and place of employment of the claimant;
(2) Place and date of the damage or loss;
(3) A brief statement of the facts and circumstances surrounding the damage or loss;
(4) Cost, date, and place of acquisition of each piece of property damaged or lost;
(5) Two itemized repair estimates, or value estimates, whichever is applicable;
(6) Copies of police reports, if applicable;
(7) A statement from the claimant’s supervisor that the loss was incident to service;
(8) A statement that the property was or was not insured;
(9) With respect to claims involving thefts or losses in quarters or other places where the property was reasonably kept, a statement as to what security precautions were taken to protect the property involved;
(10) With respect to claims involving property being used for the benefit of the Government, a statement by the claimant’s supervisor that the claimant was required to provide such property or that the claimant’s providing it was in the interest of the Government; and
(11) Other evidence as may be required.

(b) Single claim. A single claim shall be presented for all lost or damaged property resulting from the same incident. If this procedure causes a hardship, the claimant may present an initial claim with notice that it is a partial claim, an explanation of the circumstances causing the hardship, and an estimate of the balance of the claim and the date it will be submitted. Payment may be made on a partial claim if the approving authority determines that a genuine hardship exists.

(c) Claims investigator. When a claim is filed, the appropriate associate or regional director, or the General Counsel, shall appoint a claims investigator to evaluate the claim and make a recommendation as to its disposition. Where the cost to repair damaged property does not exceed $100 per item and the claims investigator has inspected the damaged property, the claimant and the approving authority may agree upon a reasonable amount to be
claimed for repair of an individual item in lieu of an independent estimate by a qualified repairman. In such a case, the claims investigator and the approving authority will certify that the property has been examined and that the amount claimed is a reasonable allowance for the cost of the repairs.

(d) Loss in quarters. Claims for property loss in quarters or other authorized places should be accompanied by a statement indicating:

1. Geographical location;
2. Whether the quarters were assigned or provided in kind by the Government;
3. Whether the quarters are regularly occupied by the claimant;
4. Name of the authority, if any, who designated the place of storage of the property if other than quarters;
5. Measures taken to protect the property; and
6. Whether the claimant is a local inhabitant.

(e) Loss by theft or robbery. Claims for property loss by theft or robbery should be accompanied by a statement indicating:

1. Geographical location;
2. Facts and circumstances surrounding the loss, including evidence of the crime such as breaking and entering, capture of the thief or robber, or recovery of part of the stolen goods; and
3. Evidence that the claimant exercised due care in protecting the property prior to the loss, including information as to the degree of care normally exercised in the locale of the loss due to any unusual risks involved.

(f) Transportation losses. Claims for transportation losses should be accompanied by the following:

1. Copies of orders authorizing the travel, transportation, or shipment or a certificate explaining the absence of orders and stating their substance;
2. Statement in cases where property was turned over to a shipping officer, supply officer, or contract packer indicating:
   i. Name (or designation) and address of the shipping officer, supply officer, or contract packer;
   ii. Date the property was turned over;
   iii. Inventoried condition when the property was turned over;
   iv. When and where the property was packed and by whom;
   v. Date of shipment;
   vi. Copies of all bills of lading, inventories, and other applicable shipping documents;
   vii. Date and place of delivery to the claimant;
   viii. Date the property was unpacked by the carrier, claimant, or Government;
   ix. Statements of disinterested witnesses as to the condition of the property when received and delivered, or as to handling or storage;
   x. Whether the negligence of any Government employee acting within the scope of his employment caused the damage or loss;
   xi. Whether the last common carrier or local carrier was given a clear receipt, except for concealed damages;
   xii. Total gross, tare, and net weight of shipment;
   xiii. Insurance certificate or policy if losses are privately insured;
   xiv. Copy of the demand on carrier or insured, or both, when required, and the reply, if any;
   xv. Action taken by the claimant to locate missing baggage or household effects, including related correspondence.

(g) Marine or aircraft disaster. Claims for property losses due to marine or aircraft disaster should be accompanied by a copy of orders or other evidence to establish the claimant’s right to be, or to have property, on board.

(h) Enemy action, public disaster, or public service. Claims for property losses due to enemy action, public disaster, or public service should be accompanied by:

1. Copies of orders or other evidence establishing the claimant’s required presence in the area involved, and
2. A detailed statement of facts and circumstances showing an applicable case enumerated in §180.104(c)(8).

(i) Property used for benefit of Government. Claims for property loss when the property was used for the benefit of the Government should be accompanied by:

1. A statement from the proper authority that the property was supplied by the claimant in the performance of
§ 180.108 Settlement of claims.

(a) Authority. Associate Directors and Regional Directors are authorized to settle and pay any claim not exceeding $500 and arising under this part. The General Counsel is authorized to settle and pay any claim not exceeding $15,000 and arising under this part. Unless cognizable under §180.104(c)(3), claims for damage to or loss of motor vehicles may be settled and paid only by the General Counsel.

(b) Redellegation. The approving authorities may establish such procedures and make such redelervations as may be required to fulfill the objectives of this part.

(c) Cost or value. The amount awarded on any item of property will not exceed the cost of the item (either the price paid in cash or property) or the value at the time of acquisition if not acquired by purchase or exchange. The amount payable will be determined by applying the principles of depreciation to the adjusted dollar value or other base price of property lost or damaged beyond economical repair; by allowing the cost of repairs when an item is economically repairable, provided the cost of repairs does not exceed the depreciated value of the item; and by deducting salvage value, if appropriate.

(d) Depreciation. Depreciation in value of an item is determined by considering the type of article involved, its cost, condition when damaged beyond economical repair or lost, and the time elapsed between the date of acquisition and the date of damage or loss.

(e) Appreciation. There will be no allowance for appreciation in the value of the property except that the cost of the item may be adjusted to reflect changes in the purchasing power of the dollar before depreciation is computed. Appreciation will not be allowed solely because the loss occurred or the claimant now resides in an area remote from the place of purchase of the property.

(f) Expensive articles. Allowance for expensive items (including heirlooms and antiques) or for items purchased at unreasonably high prices will be based on the fair and reasonable purchase price for substitute articles of a similar nature.

(g) Acquisition. Allowance for articles acquired by barter will not exceed the cost of the articles tendered in barter. No reimbursement will be made for articles acquired in black market or other prohibited activities.

(h) Replacement. Replacement of damaged or lost property may be made in kind whenever appropriate.

(i) Amount allowable. Subject to the limitations of §§180.108(c) through 180.108(h), the amount allowable in settlement of a claim is either:

(1) The depreciated value immediately prior to damage or loss of property damaged beyond economical repair or lost, less any salvage value; or

(2) The reasonable cost of repairs when property is economically repairable, provided that the cost of repairs does not exceed the depreciated value.

(j) Notification. The approving authority shall notify the claimant in writing of the action taken on the claim and, if the claim is disapproved or only partially approved, the reasons therefor.
(k) Carrier or insurer. In the event a claim submitted against a carrier or insurer under §180.106 had not been settled before settlement of a claim against the Government under this part, the approving authority shall notify such carrier or insurer to pay the proceeds of the claim to OPM to the extent OPM has made payment to the claimant.

(l) Review. The action of the approving authority is final; however, the decision may be reconsidered if the claimant so requests and submits a written explanation why reconsideration is appropriate.

(m) Attorney’s fees. No more than 10 per centum of the amount paid in settlement of each individual claim submitted and settled under this subpart shall be paid or delivered to or received by any agent or attorney on account of services rendered in connection with that claim and the same shall be unlawful, any contract to the contrary notwithstanding. Any person violating this or any other provision of sections 240 to 243 of title 31, United States Code, shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined in any sum not exceeding $1000.

§ 185.101 Purpose.

This subpart implements the Program Fraud Civil Remedies Act of 1986, Public Law 99–509, 6101–6104, 100 Stat. 1874 (October 21, 1986), codified at 31 U.S.C. 3801–3812. Section 3809 requires each authority head to promulgate regulations necessary to implement the provisions of the statute. The subpart establishes administrative procedures for imposing civil penalties and assessments against persons who make, submit, or present, or cause to be made, submitted, or presented, false, fictitious, or fraudulent claims or written statements to authorities or to their agents, and specifies the hearing and appeal rights of persons subject to allegations of liability for such penalties and assessments. The moneys collected
as a result of these procedures are deposited as miscellaneous receipts in the Treasury of the United States.

(c) If the defendant is unable to file an answer meeting the requirements of paragraph (b) of this section within the time provided, the defendant may, before the expiration of 30 days from service of the complaint, file with the reviewing official a general answer denying liability and requesting a hearing, and a request for an extension of time within which to file an answer meeting the requirements of paragraph (b) of this section. The reviewing official shall file promptly with the ALJ the complaint, the general answer denying liability, and the request for an extension of time as provided in §185.110. For good cause shown, the ALJ may grant the defendant up to 30 additional days within which to file an answer meeting the requirements of paragraph (b) of this section. The ALJ shall decide expeditiously whether the dependent shall be granted an additional period of time to file such answer.
§ 185.110 Default upon failure to file an answer.

(a) If the defendant does not file an answer within the time prescribed in §185.109(a), the reviewing official may refer the complaint to the ALJ.

(b) Upon the referral of the complaint, the ALJ shall promptly serve on the defendant in the manner prescribed in §185.108, a notice that an initial decision will be issued under this section.

(c) The ALJ shall assume the facts alleged in the complaint to be true and, if such facts establish liability under §185.103, the ALJ shall issue an initial decision imposing the maximum amount of penalties and assessments allowed under the statute.

(d) Except as otherwise provided in this section, by failing to file a timely answer the defendant waives any right to further review of the penalties and assessments imposed under paragraph (c) of this section and the initial decision shall become final and binding upon the parties 30 days after it is issued.

(e) If, before such an initial decision becomes final, the defendant files a motion with the ALJ seeking to reopen on the grounds that extraordinary circumstances prevented the defendant from filing an answer, the initial decision shall be stayed pending the ALJ’s decision on the motion.

(f) If, on such motion, the defendant can demonstrate extraordinary circumstances excusing the failure to file a timely answer, the ALJ shall withdraw the initial decision in paragraph (c) of this section, if such a decision has been issued, and shall grant the defendant an opportunity to answer the complaint.

(g) A decision of the ALJ denying a defendant’s motion under paragraph (e) of this section is not subject to reconsideration under §185.138.

(h) The defendant may appeal to the authority head the decision denying a motion to reopen by filing a notice of appeal with the authority head within 15 days after the ALJ denies the motion. The timely filing of a notice of appeal shall stay the initial decision until the authority head decides the issue.

(i) If the defendant files a timely notice of appeal with the authority head, the ALJ shall forward the record of the proceeding to the authority head.

(j) The authority head shall decide expeditiously whether extraordinary circumstances excuse the defendant’s failure to file a timely answer based solely on the record before the ALJ.

(k) If the authority head decides that extraordinary circumstances excused the defendant’s failure to file a timely answer, the authority head shall remand the case to the ALJ with instructions to grant the defendant an opportunity to answer.

(l) If the authority head decides that the defendant’s failure to file a timely answer is not excused, the authority head shall reinstate the initial decision of the ALJ, which shall become final and binding upon the parties 30 days after the authority head issues such decision.

§ 185.111 Referral of complaint and answer to the ALJ.

Upon receipt of an answer, the reviewing official shall file the complaint and answer with the ALJ.

§ 185.112 Notice of hearing.

(a) When the ALJ receives the complaint and answer, the ALJ shall promptly serve a notice of hearing upon the defendant in the manner prescribed by §185.108. At the same time, the ALJ shall send a copy of such notice to the reviewing official or his or her designee.

(b) Such notice shall include:

(1) The tentative time and place, and the nature of the hearing;

(2) The legal authority and jurisdiction under which the hearing is to be held;

(3) The matters of fact and law to be asserted;

(4) A description of the procedures for the conduct of the hearing;

(5) The name, address, and telephone number of the representative of the Government and of the defendant, if any; and

(6) Such other matters as the ALJ deems appropriate.

§ 185.113 Location of hearing.

(a) The hearing may be held:
§ 185.114 Parties to the hearing.

(a) The parties to the hearing shall be the defendant and OPM.
(b) Except where the authority head designates another, OPM shall be represented by the members of the Office of the General Counsel.
(c) Pursuant to section 3730(c)(5) of title 31, United States Code, a private plaintiff under the False Claims Act may participate in these proceedings to the extent authorized by the provisions of that Act.

§ 185.115 Separation of functions.

(a) The investigating official, the reviewing official, and any employee or agent of the authority who takes part in investigating, preparing, or presenting a particular case may not, in such case or a factually related case:
   (1) Participate in the hearing as the ALJ;
   (2) Participate or advise in the initial decision or the review of the initial decision by the authority head, except as a witness or a representative in public proceedings; or
   (3) Make the collection of penalties and assessments under section 3806 of title 31, United States Code.
(b) The ALJ shall not be responsible to or subject to the supervision or direction of the investigating official or the reviewing official.

§ 185.116 Ex parte contacts.

No party or person (except employees of the ALJ’s office) shall communicate in any way with the ALJ on any matter at issue in a case, unless on notice and opportunity for all parties to participate. This provision does not prohibit a person or party from inquiring about the status of a case or asking routine questions concerning administrative functions or procedures.

§ 185.117 Disqualification of reviewing official or ALJ.

(a) A reviewing official or ALJ in a particular case may disqualify himself or herself at any time.
(b) A party may file with the ALJ a motion for disqualification of a reviewing official or an ALJ. Such motion shall be accompanied by an affidavit alleging personal bias or other reason for disqualification.
(c) Such motion and affidavit shall be filed promptly upon the party’s discovery of reasons requiring disqualification, or such objections shall be deemed waived.
(d) Such affidavit shall state specific facts that support the party’s belief that personal bias or other reason for disqualification exists and the time and circumstances of the party’s discovery of such facts. It shall be accompanied by a certificate of the representative of record that it is made in good faith.
(e) Upon the filing of such a motion and affidavit, the ALJ shall proceed no further in the case until he or she resolves the matter of disqualification in accordance with this section.

(1) If the ALJ determines that a reviewing official is disqualified, the ALJ shall dismiss the complaint without prejudice.
(2) If the ALJ disqualifies himself or herself, the case shall be reassigned promptly to another ALJ.
(3) If the ALJ denies a motion to disqualify, the authority head may determine the matter only as part of his or her review of the initial decision upon appeal, if any.

§ 185.118 Rights of parties.

Except as otherwise limited by this part, all parties may:
(a) Be accompanied, represented, and advised by a representative;
(b) Participate in any conference held by the ALJ;
(c) Conduct discovery as provided under §185.122;

§ 185.121 Disclosure of documents.

(a) Upon written request to the reviewing official, generally prior to the filing of an answer, the defendant may review any relevant and material documents, transcripts, records, and other materials that relate to the allegations set out in the complaint and upon which the findings and conclusions of the investigating official under §185.104(b) are based, unless such documents are subject to a privilege under Federal law. Upon payment of fees for
duplication, the defendant may obtain copies of such documents.

(b) Upon written request to the reviewing official, the defendant, may also obtain a copy of all exculpatory information in the possession of the reviewing official or investigating official relating to the allegations in the complaint, even if it is contained in a document that would otherwise be privileged. If the document would otherwise be privileged, only that portion containing exculpatory information must be disclosed.

(c) The notice sent to the Attorney General from the reviewing official as described in §185.105 is not discoverable under any circumstances.

(d) The defendant may file a motion to compel disclosure of the documents subject to the provisions of this section. Such a motion may only be filed with the ALJ following the filing of an answer pursuant to §185.109.

§ 185.122 Discovery.

(a) The following types of discovery are authorized:

(1) Requests for production of documents for inspection and copying;

(2) Requests for admissions of the authenticity of any relevant document or of the truth of any relevant fact;

(3) Written interrogatories; and

(4) Depositions.

(b) For the purpose of this section and §185.123, the term documents includes information, documents, reports, answers, records, accounts, papers, and other data and documentary evidence. Nothing contained herein shall be interpreted to require the creation of a document.

(c) Unless mutually agreed to by the parties, discovery is available only as ordered by the ALJ. The ALJ shall regulate the timing of discovery.

(d) Motions for discovery are to be handled according to the following procedures:

(1) A party seeking discovery may file a motion with the ALJ. Such a motion shall be accompanied by a copy of the requested discovery, or in the case of depositions, a summary of the scope of the proposed deposition.

(2) Within 10 days of service, a party may file an opposition to the motion and/or a motion for protective order as provided in §185.125.

(3) The ALJ may grant a motion for discovery only if he or she finds that the discovery sought:

(i) Is necessary for the expeditious, fair, and reasonable consideration of the issues;

(ii) Is not unduly costly or burdensome;

(iii) Will not unduly delay the proceeding; and

(iv) Does not seek privileged information.

(4) The burden of showing that discovery should be allowed is on the party seeking discovery.

(5) The ALJ may grant discovery subject to a protective order under §185.125.

(e) Depositions are to be handled in the following manner:

(1) If a motion for deposition is granted, the ALJ shall issue a subpoena for the deponent, which may require the deponent to produce documents. The subpoena shall specify the time and place at which the deposition will be held.

(2) The party seeking to depose shall serve the subpoena in the manner prescribed in §185.108.

(3) The deponent may file with the ALJ within 10 days of service a motion to quash the subpoena or a motion for a protective order.

(4) The party seeking to depose shall provide for the taking of a verbatim transcript of the deposition, which it shall make available to all other parties for inspection and copying.

(f) Each party shall bear its own costs of discovery.

§ 185.123 Exchange of witness lists, statements and exhibits.

(a) At least 15 days before the hearing or at such other time as may be ordered by the ALJ, the parties shall exchange witness lists, copies of prior statements of proposed witnesses, and copies of proposed hearing exhibits, including copies of any written statements that the party intends to offer in lieu of live testimony in accordance with §185.133(b). At the time the above documents are exchanged, any party that intends to rely on the transcript or deposition testimony in lieu of live
testimony at the hearing, if permitted by the ALJ, shall provide each party with a copy of the specific pages of the transcript it intends to introduce into evidence.

(b) If a party objects, the ALJ may not admit into evidence the testimony of any witness whose name does not appear on the witness list or any exhibit not provided to the opposing party as provided above unless the ALJ finds good cause for the failure or that there is no prejudice to the objecting party.

(c) Unless another party objects within the time set by the ALJ, documents exchanged in accordance with paragraph (a) of this section shall be deemed to be authentic for the purpose of admissibility at the hearing.

§ 185.124 Subpoenas for attendance at hearing.

(a) A party wishing to procure the appearance and testimony of any individual at the hearing may request that the ALJ issue a subpoena.

(b) A subpoena requiring the attendance and testimony of an individual may also require the individual to produce documents at the hearing.

(c) A party seeking a subpoena shall file a written request therefor not less than 15 days before the date fixed for the hearing unless otherwise allowed by the ALJ upon a showing of good cause. Such request shall specify any documents to be produced and shall designate the witnesses and describe the address and location thereof with sufficient particularity to permit such witnesses to be found.

(d) The subpoena shall specify the time and place at which the witness is to appear and any documents the witness is to produce.

(e) The party seeking the subpoena shall serve it in the manner prescribed in §185.108. A subpoena on a party or upon an individual under the control of a party may be served by first class mail.

(f) A party or the individual to whom the subpoena is directed may file with the ALJ a motion to quash the subpoena within 10 days after service or on or before the time specified in the subpoena for compliance if it is less than 10 days after service.

§ 185.125 Protective order.

(a) A party or a prospective witness or deponent may file a motion for a protective order with respect to discovery sought by an opposing party or with respect to the hearing, seeking to limit the availability or disclosure of evidence.

(b) In issuing a protective order, the ALJ may make any order which justice requires to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense, including one or more of the following:

1. That the discovery not be had;
2. That the discovery may be had only on specified terms and conditions, including a designation of the time or place;

(c) Unless another party objects within the time set by the ALJ, documents exchanged in accordance with paragraph (a) of this section shall be deemed to be authentic for the purpose of admissibility at the hearing.

§ 185.126 Evidence.

(a) The ALJ shall determine the admissibility of evidence.

(b) Except as provided in this part, the ALJ shall not be bound by the Federal Rules of Evidence. However, the ALJ may apply the Federal Rules of Evidence where appropriate, e.g., to exclude unreliable evidence.

(c) The ALJ shall exclude irrelevant and immaterial evidence.

(d) Although relevant, evidence may be excluded if its probative value is substantially outweighed by the danger
§ 185.127 Fees.

The party requesting a subpoena shall pay the cost of the fees and mileage of any witness subpoenaed in the amounts that would be payable to a witness in a proceeding in United States District Court. A check for witness fees and mileage shall accompany the subpoena when served, except that when a subpoena is issued on behalf of the authority, a check for witness fees and mileage need not accompany the subpoena.

§ 185.128 Form, filing and service of papers.

(a) Form. Documents filed with the ALJ shall include an original and two copies. Every pleading and paper filed in the proceeding shall contain a caption setting forth the title of the action, the case number assigned by the ALJ, and a designation of the paper (e.g., motion to quash subpoena). Every pleading and paper shall be signed by, and shall contain the address and telephone number of the party or the person on whose behalf the paper was filed, or his or her representative.

(b) Filing. Papers are considered filed when they are mailed. Date of mailing may be established by a certificate from the party or its representative or by proof that the document was sent by certified or registered mail.

(c) Service. A party filing a document with the ALJ shall, at the time of filing, serve a copy of such document on every other party. Service upon any party of any document other than those required to be served as prescribed in §185.108 shall be made by delivering a copy or by placing a copy of the document in the United States mail, postage prepaid and addressed, to the party’s last known address. When a party is represented by a representative, service shall be made upon such representative in lieu of the actual party.

(d) Proof of service. A certificate of the individual serving the document by personal delivery or by mail, setting forth the manner of service, shall be proof of service.

§ 185.129 Computation of time.

(a) In computing any period of time under this part or in an order issued thereunder, the time begins with the day following the act, event, or default, and includes the last day of the period, unless it is a Saturday, Sunday, or legal holiday observed by the Federal Government, in which event it includes the next business day.

(b) When the period of time allowed is less than 7 days, intermediate Saturdays, Sundays, and legal holidays observed by the Federal Government shall be excluded from the computation.

(c) Where a document has been served or issued by placing it in the mail, an additional 5 days will be added to the time permitted for any response.

§ 185.130 Motions.

(a) Any application to the ALJ for an order or ruling shall be by motion. Motions shall state the relief sought, the authority relied upon, and the facts alleged, and shall be filed with the ALJ and served on all other parties.

(b) Except for motions made during a prehearing conference or at the hearing, all motions shall be in writing. The ALJ may require that oral motions be reduced to writing.

(c) Within 15 days after a written motion is served, or such other time as may be fixed by the ALJ, any party may file a response to such motion.

(d) The ALJ may not grant a written motion before the time for filing responses thereto has expired, except upon consent of the parties or following a hearing on the motion, but
may overrule or deny such motion without awaiting a response.

(e) The ALJ shall make a reasonable effort to dispose of all outstanding motions prior to the beginning of the hearing.

§ 185.131 Sanctions.

(a) The ALJ may sanction a person including any party or representative for the following reasons:

(1) Failure to comply with an order, rule, or procedure governing the proceeding;

(2) Failure to prosecute or defend an action; or

(3) Engaging in other misconduct that interferes with the speedy, orderly, or fair conduct of the proceeding.

(b) Any such sanction, including but not limited to those listed in paragraphs (c), (d), and (e) of this section, shall reasonably relate to the severity and nature of the failure or misconduct.

(c) When a party fails to comply with an order, including an order for taking a deposition, the production of evidence within the party’s control, or a request for admission, the ALJ may

(1) Draw an inference in favor of the requesting party with regard to the information sought;

(2) In the case of requests for admission, deem each matter of which an admission is requested to be admitted;

(3) Prohibit the party failing to comply with such order from introducing evidence concerning, or otherwise relying upon, testimony relating to the information sought; and

(4) Strike any part of the pleadings or other submissions of the party failing to comply with such request.

(d) If a party fails to prosecute or defend an action under this part commenced by service of a notice of hearing, the ALJ may dismiss the action or may issue an initial decision imposing penalties and assessments.

(e) The ALJ may refuse to consider any motion, request, response, brief or other document which is not filed in a timely fashion.

§ 185.132 The hearing and burden of proof.

(a) Where requested in accordance with §185.109 the ALJ shall conduct a hearing on the record in order to determine whether the defendant is liable for a civil penalty or assessment under §185.103 and, if so, the appropriate amount of any such civil penalty or assessment considering any aggravating or mitigating factors.

(b) The authority shall prove defendant’s liability and any aggravating factors by a preponderance of the evidence.

(c) The defendant shall prove any affirmative defenses and any mitigating factors by a preponderance of the evidence.

(d) The hearing shall be open to the public unless otherwise closed by the ALJ for good cause shown.

§ 185.133 Determining the amount of penalties and assessments.

(a) In determining an appropriate amount of civil penalties and assessments, the ALJ and the authority head, upon appeal, should evaluate any circumstances that mitigate or aggravate the violation and should articulate in their opinions the reasons that support the penalties and assessments they impose. Because of the intangible costs of fraud, the expense of investigating such conduct, and the need to deter others who might be similarly tempted, double damages and a significant civil penalty ordinarily should be imposed.

(b) Although not exhaustive, the following factors are among those that may influence the ALJ and the authority head in determining the amount of penalties and assessments to impose with respect to the misconduct (i.e., the false, fictitious, or fraudulent claims or statements) charged in the complaint:

(1) The number of false, fictitious or fraudulent claims or statements;

(2) The time period over which such claims or statements were made;

(3) The degree of the defendant’s culpability with respect to the misconduct;

(4) The amount of money or the value of the property, services, or benefit falsely claimed;
§ 185.134

(5) The value of the Government’s actual loss as a result of the misconduct, including foreseeable consequential damages and the costs of investigation;

(6) The relationship of the amount imposed as civil penalties to the amount of the Government’s loss;

(7) The potential or actual impact of the misconduct upon public confidence in the management of Government programs and operations;

(8) Whether the defendant has engaged in a pattern of the same or similar misconduct;

(9) Whether the defendant attempted to conceal the misconduct;

(10) The degree to which the defendant has involved others in the misconduct or in concealing it;

(11) Where the misconduct of employees or agents is imputed to the defendant, the extent to which the defendant’s practices fostered or attempted to preclude such misconduct;

(12) Whether the defendant cooperated in or obstructed an investigation of the misconduct;

(13) Whether the defendant assisted in identifying and prosecuting other wrongdoers;

(14) The complexity of the program or transaction, and the degree of the defendant’s sophistication with respect to it, including the extent of the defendant’s prior participation in the program or in similar transactions;

(15) Whether the defendant has been found, in any criminal, civil, or administrative proceeding to have engaged in similar misconduct or to have dealt dishonestly with the Government of the United States or of a State, directly or indirectly;

(16) The need to deter the defendant and others from engaging in the same or similar misconduct; and

(17) The potential impact of the misconduct on the rights of others.

(c) Nothing in this section shall be construed to limit the ALJ or the authority head from considering any other factors that in any given case may mitigate or aggravate the offense for which penalties and assessments are imposed.

§ 185.134 Witnesses.

(a) Except as provided in paragraph (b) of this section, testimony at the hearing shall be given orally by witnesses under oath or affirmation.

(b) At the discretion of the ALJ, testimony may be admitted in the form of a written statement or deposition. Any such written statement must be provided to all others parties along with the last known address of such witness, in a manner which allows sufficient time for other parties to subpoena such witness for cross-examination at the hearing. Prior written statements of witnesses proposed to testify at the hearing and deposition transcripts shall be exchanged as provided in §185.123(a).

(c) The ALJ shall exercise reasonable control over the mode and order of interrogating witnesses and presenting evidence so as to—

(1) Make the interrogation and presentation effective for the ascertainment of the truth,

(2) Avoid needless consumption of time, and

(3) Protect witnesses from harassment or undue embarrassment.

(d) The ALJ shall permit the parties to conduct such cross-examination as may be required for a full and true disclosure of the facts.

(e) At the discretion of the ALJ, a witness may be cross-examined on matters relevant to the proceedings without regard to the scope of his or her direct examination. To the extent permitted by the ALJ, cross-examination on matters outside the scope of direct examination shall be conducted in the manner of direct examination and may proceed by leading questions only if the witness is a hostile witness, an adverse party, or a witness identified with an adverse party.

(f) Upon motion of any party, the ALJ shall order witnesses excluded so that they cannot hear the testimony of other witnesses. This rule does not authorize exclusion of the following:

(1) A party who is an individual;

(2) In the case of a party that is not an individual, an officer or employee of the party designated by the party’s representative; or

(3) An individual whose presence is shown by a party to be essential to the presentation of its case, including an

(b) Every such motion must set forth the matters claimed to have been erro

(c) Responses to such motions shall be allowed only upon request of the ALJ.

(d) No party may file a motion for reconsideration of an initial decision that has been revised in response to a previous motion for reconsideration.

(e) The ALJ may dispose of a motion for reconsideration by denying it or by issuing a revised initial decision.

(f) If the ALJ denies a motion for reconsideration, the initial decision shall constitute the final decision of the authority head and shall be final and binding on all parties 30 days after the ALJ denies the motion, unless the initial decision is timely appealed to the authority head in accordance with §185.139.

(g) If the ALJ issues a revised initial decision, that decision shall constitute the final decision of the authority head and shall be final and binding on the
parties 30 days after it is issued, unless it is timely appealed to the authority head in accordance with §185.139.

§ 185.139 Appeal to authority head.

(a) Any defendant who has filed a timely answer and who is determined in an initial decision to be liable for a civil penalty or assessment may appeal such decision to the authority head by filing a notice of appeal with the authority head in accordance with this section.

(1) A notice of appeal may be filed at any time within 30 days after the ALJ issues an initial decision. However, if another party files a motion for reconsideration under §185.138, consideration of the appeal shall be stayed automatically pending resolution of the motion for reconsideration.

(2) If a motion for reconsideration is timely filed, a notice of appeal shall be filed within 30 days after the ALJ denies the motion or issues a revised initial decision, whichever applies.

(3) If no motion for reconsideration is timely filed, a notice of appeal must be filed within 30 days after the ALJ issues the initial decision.

(4) The authority head may extend the initial 30-day period for an additional 30 days if the defendant files with the authority head a request for an extension within the initial 30-day period and shows good cause.

(b) If the defendant files a timely notice of appeal with the authority head and the time for filing motions for reconsideration under §185.138 has expired, the ALJ shall forward the record of the proceeding to the authority head.

(c) A notice of appeal shall be accompanied by a written brief specifying exceptions to the initial decision and reasons supporting the exceptions.

(d) The representative for OPM may file a brief in opposition to exceptions within 30 days of receiving the notice of appeal and accompanying brief.

(e) There is no right to appear personally before the authority head.

(f) There is no right to appeal an interlocutory ruling by the ALJ.

(g) In reviewing the initial decision, the authority head shall not consider any objection that was not raised before the ALJ unless the objecting party can demonstrate extraordinary circumstances causing the failure to raise the objection.

(h) If any party demonstrates to the satisfaction of the authority head that additional evidence not presented at such hearing is material and that there were reasonable grounds for the failure to present such evidence at such hearing, the authority head shall remand the matter to the ALJ for consideration of such additional evidence.

(i) The authority head may affirm, reduce, reverse, compromise, remand or settle any penalty or assessment determined by the ALJ in any initial decision.

(j) The authority head shall promptly serve each party to the appeal with a copy of the decision of the authority head and a statement describing the right of any person determined to be liable for a penalty or assessment to seek judicial review.

(k) Unless a petition for review is filed as provided in section 3805 of title 31, United States Code, after a defendant has exhausted all administrative remedies under this part and within 60 days after the date on which the authority head serves the defendant with a copy of the authority head’s decision, a determination that a defendant is liable under §185.103 is final and not subject to judicial review.

§ 185.140 Stays ordered by the Department of Justice.

If, at any time, the Attorney General or an Assistant Attorney General designated by the Attorney General transmits to the authority head a written finding that continuation of the administrative process described in this part with respect to a claim or statement may adversely affect any pending or potential criminal or civil action related to such claim or statement, the authority head shall stay the process immediately. The authority head may order the process resumed only upon receipt of the written authorization of the Attorney General or of the Assistant Attorney General who ordered the stay.
§ 185.141 Stay pending appeal.

   (a) Parties may make offers of compromise or settlement at any time.
   (b) The reviewing official has the exclusive authority to compromise or settle a case under this part at any time after the date on which the reviewing official is permitted to issue a complaint and before the date on which the ALJ issues an initial decision.
   (c) The authority head has exclusive authority to compromise or settle a case under this part at any time after the date on which the ALJ issues an initial decision, except during the pendency of any review under §185.142 or during the pendency of any action to collect penalties and assessments under §185.143.

Subpart A—General Provisions

§ 213.101 Definitions.

In this chapter:

(a) Excepted service has the meaning given that term by section 2103 of title 5, United States Code, and includes all positions in the executive branch of the Federal Government which are specifically excepted from the competitive service by or pursuant to statute, by the President, or by the Office of Personnel Management, and which are not in the Senior Executive Service.

(b) Excepted position means a position in the excepted service.

§ 213.102 Identification of positions in Schedule A, B, C, or D.

(a) As provided in 5 U.S.C. 3302, the President may prescribe rules governing the competitive service. The rules shall provide, as nearly as conditions of good administration warrant, for—

(1) Necessary exceptions of positions from the competitive service; and

(2) Necessary exceptions from the provisions of sections 2951, 3304(a), 3221, 7202, and 7203 of title 5, U.S. Code.

(b) The President delegated authority to the Office of Personnel Management (OPM) in Civil Service Rule VI to except positions from the competitive service when OPM determines that:

(1) Appointments thereto through competitive examination are not practicable; or

(2) Recruitment from among students attending qualifying educational institutions or individuals who have recently completed qualifying educational programs can better be achieved by devising additional means for recruiting and assessing candidates that diverge from the processes generally applicable to the competitive service.

(c) Upon determining that any position or group of positions, as defined in § 213.101(c), should be excepted indefinitely or temporarily from the competitive service, the Office of Personnel Management will authorize placement of the position or group of positions into Schedule A, B, C, or D, as applicable. Unless otherwise specified in a particular appointing authority, an agency may make Schedule A, B, C, or D appointments on either a permanent or nonpermanent basis, with any appropriate work schedule (i.e., full-time, part-time, seasonal, on-call, or intermittent).

(ii) When OPM establishes eligibility requirements (e.g., residence, family income) for appointment under particular Schedule A, B, or D exceptions, an individual’s eligibility for appointment must be determined before appointment and without regard to any conditions that will result from the appointment.

(c) For purposes of making any such determinations, positions includes:

(1) Those that are intended to be removed indefinitely from the competitive service because the nature of the position itself precludes it from being in the competitive service (e.g., because it is impracticable to examine for the knowledge, skills, and abilities required for the job); and

(2) Those that are intended to be removed temporarily from the competitive service to allow for targeted recruiting and hiring from among a particular class of persons, as defined by the Office of Personnel Management, with the opportunity for the persons selected for those positions to convert to the competitive service at a later date.

§ 213.103 Publication of excepted appointing authorities in Schedules A, B, C, and D.

(a) Schedule A, B, C, and D appointing authorities available for use by all agencies will be published as regulations in the Federal Register and the Code of Federal Regulations.

(b) Establishment and revocation of Schedule A, B, and C appointing authorities applicable to a single agency shall be published monthly in the Notices section of the Federal Register.
Office of Personnel Management

§ 213.104

(c) A consolidated listing of all Schedule A, B, and C authorities current as of June 30 of each year, with assigned authority numbers, shall be published annually as a notice in the Federal Register.

§ 213.104 Special provisions for temporary, time-limited, intermittent, or seasonal appointments in Schedule A, B, C, or D.

(a) When OPM specifies that appointments under a particular Schedule A, B, C, or D authority must be temporary, intermittent, or seasonal, or when agencies elect to make temporary, intermittent, or seasonal appointments in Schedule A, B, C, or D, those terms have the following meaning:

(1) **Temporary appointments,** unless otherwise specified in a particular Schedule A, B, C, or D exception, are made for a specified period not to exceed 1 year and are subject to the time limits in paragraph (b) of this section. Time-limited appointments made for more than 1 year are not considered to be temporary appointments, and are not subject to these time limits.

(2) **Intermittent positions** are positions in which work recurs at sporadic or irregular intervals so that an employee’s tour of duty cannot be scheduled in advance of the administrative workweek.

(3) **Seasonal positions** involve annually recurring periods of employment lasting less than 12 months each year.

(b) Temporary appointments, as defined in paragraph (a)(1) of this section, are subject to the following limits:

(1) **Service limits.** Agencies may make temporary appointments for a period not to exceed 1 year, unless the applicable Schedule A, B, C, or D authority specifies a shorter period. Except as provided in paragraph (b)(3) of this section, agencies may extend temporary appointments for no more than 1 additional year (24 months of total service). Appointment to a successor position (i.e., a position that replaces and absorbs the original position) is considered to be an extension of the original appointment.

(2) **Restrictions on refilling positions under temporary appointments.** Except as provided in paragraph (b)(3) of this section, agencies may not fill any position (or its successor) by a temporary appointment in Schedule A, B, C, or D if that position had previously been filled by temporary appointment(s) in either the competitive or excepted service for an aggregate of 2 years, or 24 months, within the preceding 3-year period. This limitation does not apply to programs established to provide for systematic exchange between a Federal agency and non-Federal organizations.

(3) **Exceptions to the general limits.** The service limits and restrictions on refilling positions set out in this section do not apply when:

(i) Positions involve intermittent or seasonal work, and employment in the same or a successor position under one or more appointing authorities totals less than 6 months (1,040 hours), excluding overtime, in a service year. The service year is the calendar year that begins on the date of the employee’s initial appointment in the agency. Should employment in a position filled under this exception total 6 months or more in any service year, the general limits set out in this section will apply to subsequent extension or reappointment unless OPM approves continued exception under this section. An individual may be employed for training for up to 120 days following initial appointment and up to 2 weeks a year thereafter without regard to the service year limitation.

(ii) Positions are filled under an authority established for the purpose of enabling the appointees to continue or enhance their education, or to meet academic or professional qualification requirements. These include the authorities set out in paragraphs (r) and (s) of §213.3102 and paragraphs (a), (b), and (c) of §213.3402, and authorities granted to individual agencies for use in connection with internship, fellowship, residency, or student programs.

(iii) OPM approves extension of specific temporary appointments beyond 2 years (24 months total service) when
§ 213.3101

Positions other than those of a confidential or policy-determining character for which it is impracticable to examine.

Upon specific authorization by OPM, agencies may make appointments under this section to positions which are not of a confidential or policy-determining character, and which are not in the Senior Executive Service, for which it is not practicable to examine. Examining for this purpose means application of the qualification standards and requirements established for the competitive service. Positions filled under this authority are excepted from the competitive service and constitute Schedule A. For each authorization under this section, OPM shall assign an identifying number from 213.3102 through 213.3199 to be used by the appointing agency in recording appointments made under that authorization.

Subpart B [Reserved]

Subpart C—Excepted Schedules

SCHEDULE A

§ 213.3102 Entire executive civil service.

(a) Positions of Chaplain and Chaplain’s Assistant.
(b) [Reserved]

(c) Positions to which appointments are made by the President without confirmation by the Senate.

(d) Attorneys.

(e) Law clerk trainee positions. Appointments under this paragraph shall be confined to graduates of recognized law schools or persons having equivalent experience and shall be for periods not to exceed 14 months pending admission to the bar. No person shall be given more than one appointment under this paragraph. However, an appointment which was initially made for less than 14 months may be extended for not to exceed 14 months in total duration.

(f)–(h) [Reserved]

(i) Temporary and less-than-full time positions for which examining is impracticable. These are:

(1) Positions in remote/isolated locations where examination is impracticable. A remote/isolated location is outside the local commuting area of a population center from which an employee can reasonably be expected to travel on short notice under adverse weather and/or road conditions which are normal for the area. For this purpose, a population center is a town with housing, schools, health care, stores and other businesses in which the servicing examining office can schedule tests and/or reasonably expect to attract applicants. An individual appointed under this authority may not be employed in the same agency under a combination of this and any other appointment to positions involving related duties and requiring the same qualifications for more than 1,040 workings hour in a service year. Temporary appointments under this authority may be extended in 1-year increments, with no limit on the number of such extensions, as an exception to the service limits in §213.104.

(2) Positions for which a critical hiring need exists. This includes both short-term positions and continuing positions that an agency must fill on an interim basis pending completion of competitive examining, clearances, or other procedures required for a longer appointment. Appointments under this authority may not exceed 30 days and may be extended for up to an additional 30 days if continued employment...
Office of Personnel Management

§ 213.3102

is essential to the agency’s operations. The appointments may not be used to extend the service limit of any other appointing authority. An agency may not employ the same individual under this authority for more than 60 days in any 12-month period.

(3) Other positions for which OPM determines that examining is impracticable.

(i) Positions filled by current or former Federal employees eligible for placement under special statutory provisions. Appointments under this authority are subject to the following conditions.

(1) Eligible employees.

(i) Persons previously employed as National Guard Technicians under 32 U.S.C. 709(a) who are entitled to placement under §353.110 of this chapter, or who are applying for or receiving an annuity under the provisions of 5 U.S.C. 8337(h) or 8456 by reason of a disability that disqualifies them from membership in the National Guard or from holding the military grade required as a condition of their National Guard employment.

(ii) Executive branch employees (other than employees of intelligence agencies) who are entitled to placement under §353.110 but who are not eligible for reinstatement or non-competitive appointment under the provisions of part 315 of this chapter.

(iii) Legislative and judicial branch employees and employees of the intelligence agencies defined in 5 U.S.C. 2302(a)(2)(C)(ii) who are entitled to placement under §353.110.

(2) Employees excluded. Employees who were last employed in Schedule C or under a statutory authority that specified the employee served at the discretion, will, or pleasure of the agency are not eligible for appointment under this authority.

(3) Position to which appointed. Employees who are entitled to placement under §353.110 will be appointed to a position that OPM determines is equivalent in pay and grade to the one the individual left, unless the individual elects to be placed in a position of lower grade or pay. National Guard Technicians whose eligibility is based upon a disability may be appointed at the same grade, or equivalent, as their National Guard Technician position or at any lower grade for which they are available.

(4) Conditions of appointment.

(i) Individuals whose placement eligibility is based on an appointment without time limit will receive appointments without time limit under this authority. These appointees may be reassigned, promoted, or demoted to any position within the same agency for which they qualify.

(ii) Individuals who are eligible for placement under §353.110 based on a time-limited appointment will be given appointments for a time period equal to the unexpired portion of their previous appointment.

(k) Positions without compensation provided appointments thereto meet the requirements of applicable laws relating to compensation.

(l) Positions requiring the temporary or intermittent employment of professional, scientific, or technical experts for consultation purposes.

(m) [Reserved]

(n) Any local physician, surgeon, or dentist employed under contract or on a part-time or fee basis.

(o) Positions of a scientific, professional, or analytical nature when filled by bona fide members of the faculty of an accredited college or university who have special qualifications for the positions to which appointed. Employment under this provision shall not exceed 130 working days a year.

(p)–(q) [Reserved]

(r) Positions established in support of fellowship and similar programs that are filled from limited applicant pools and operate under specific criteria developed by the employing agency and/or a non-Federal organization. These programs may include internship or fellowship programs that provide developmental or professional experiences to individuals who have completed their formal education; training and associateship programs designed to increase the pool of qualified candidates in a particular occupational specialty; professional/industry exchange programs that provide for a cross-fertilization between the agency and the private sector to foster mutual understanding, an exchange of ideas, or to bring experienced practitioners to the agency; residency programs.
§ 213.3102

through which participants gain experience in a Federal clinical environment; and programs that require a period of Government service in exchange for educational, financial or other assistance. Appointments under this authority may not exceed 4 years.

(s) Positions with compensation fixed under 5 U.S.C. 5351–5356 when filled by student-employees assigned or attached to Government hospitals, clinics or medical or dental laboratories. Employment under this authority may not exceed 4 years.

(t) [Reserved]

(u) Appointment of persons with intellectual disabilities, severe physical disabilities, or psychiatric disabilities—(1) Purpose. An agency may appoint, on a permanent, time-limited, or temporary basis, a person with an intellectual disability, a severe physical disability, or a psychiatric disability according to the provisions described below.

(2) Definition. “Intellectual disabilities” means only those disabilities that would have been encompassed by the term “mental retardation” in previous iterations of this regulation and the associated Executive order, Executive Order 12125, dated March 15, 1979.

(3) Proof of disability. (i) An agency must require proof of an applicant’s intellectual disability, severe physical disability, or psychiatric disability prior to making an appointment under this section.

(ii) An agency may accept, as proof of disability, appropriate documentation (e.g., records, statements, or other appropriate information) issued by a licensed medical professional (e.g., a physician or other medical professional duly certified by a State, the District of Columbia, or a U.S. territory, to practice medicine); a licensed vocational rehabilitation specialist (State or private); or any Federal agency, State agency, or an agency of the District of Columbia or a U.S. territory that issues or provides disability benefits.

(4) Permanent or time-limited employment options. An agency may make permanent or time-limited appointments under this paragraph (u)(4) where an applicant supplies proof of disability as described in paragraph (u)(3) of this section and the agency determines that the individual is likely to succeed in the performance of the duties of the position for which he or she is applying. In determining whether the individual is likely to succeed in performing the duties of the position, the agency may rely upon the applicant’s employment, educational, or other relevant experience, including but not limited to service under another type of appointment in the competitive or excepted services.

(5) Temporary employment options. An agency may make a temporary appointment when:

(i) The agency determines that it is necessary to observe the applicant on the job to determine whether the applicant is able or ready to perform the duties of the position. When an agency uses this option to determine an individual’s job readiness, the hiring agency may convert the individual to a permanent appointment in the excepted service whenever the agency determines the individual is able to perform the duties of the position; or

(ii) The work is of a temporary nature.

(6) Noncompetitive conversion to the competitive service. (i) An agency may noncompetitively convert to the competitive service an employee who has completed 2 years of satisfactory service under this authority in accordance with the provisions of Executive Order 12125, as amended by Executive Order 13124, and § 315.709 of this chapter, except as provided in paragraph (u)(6)(ii) of this section.

(ii) Time spent on a temporary appointment specified in paragraph (u)(5)(ii) of this section does not count towards the 2-year requirement.

(v)–(w) [Reserved]

(x) Positions for which a local recruiting shortage exists when filled by inmates of Federal, District of Columbia and State (including the Commonwealth of Puerto Rico, the Virgin Islands, Guam, American Samoa, and the Trust Territory of the Pacific Islands) penal and correctional institutions under work-release programs authorized by the Prisoner Rehabilitation Act of 1965, the District of Columbia Work Release Act, or under work-release programs authorized by the States. Initial appointments under the authority may
§ 213.3202 Entire executive civil service.

(a)–(i) [Reserved]

(j) Special executive development positions established in connection with Senior Executive Service candidate development programs which have been approved by OPM. A Federal agency may make new appointments under
§ 213.3301 Positions of a confidential or policy-determining nature.

(a) Upon specific authorization by OPM, agencies may make appointments under this section to positions which are policy-determining or which involve a close and confidential working relationship with the head of an agency or other key appointed official. Positions filled under this authority are excepted from the competitive service and constitute Schedule C. Each position will be assigned a number from § 213.3302 to § 213.3999, or other appropriate number, to be used by the agency in recording appointments made under that authorization.

(b) When requesting Schedule C exception, agencies must submit to OPM a statement signed by the agency head certifying that the position was not created solely or primarily for the purpose of detailing the incumbent to the White House.

(c) The exception from the competitive service for each position listed in Schedule C by OPM is revoked immediately upon the position becoming vacant. An agency shall notify OPM within 3 working days after a Schedule C position has been vacated.

§ 213.3302 Temporary transitional Schedule C positions.

(a) An agency may establish temporary transitional Schedule C positions necessary to assist a department or agency head during the 1-year period immediately following a change in presidential administration, when a new department or agency head has entered on duty, or when a new department or agency is created. These positions may be established only to meet legitimate needs of the agency in carrying out its mission during the period of transition associated with such changeovers. They must be of a confidential or policy-determining character and are subject to instructions issued by OPM.

(b) The number of temporary transitional Schedule C positions established by an agency cannot exceed either 50 percent of the highest number of permanent Schedule C positions filled by
that agency at any time over the previous 5 years, or three positions, whichever is higher. In the event a new department or agency is created, the number of temporary transitional positions should be reasonable in light of the size and program responsibility of that department or agency. OPM may approve an increase in an agency’s quota to meet a critical need or in unusual circumstances.

(c) Individual appointments under this authority may be made for 120 days, with one extension of an additional 120 days. They may be deemed provisional appointments for purposes of the regulations set out in parts 351, 831, 842, 870, and 890 of this chapter if they meet the criteria set out in §§316.401 and 316.403 of this chapter.

(d) An agency shall notify OPM within 5 working days after a temporary transitional Schedule C position has been encumbered and within 3 working days when it has been vacated. The agency must also submit to OPM a statement signed by the agency head certifying that the position was not created solely or primarily for the purpose of detailing the incumbent to the White House.

§213.3402 Entire executive civil service; Pathways Programs.

(a) Internship Program; Positions in the Internship Program. Agencies may make initial appointments of Interns under this authority at any grade level, depending on the candidates’ qualifications. Appointments must be made in accordance with the provisions of subpart B of part 362 of this chapter.

(b) Recent Graduates Program; Positions in the Recent Graduates Program. (1) Agencies may make initial appointments of Recent Graduates at any grade level, not to exceed GS–09 (or equivalent level under another pay and classification system, including the Federal Wage System (FWS)), depending on the candidates’ qualifications, and the position’s requirements except that:

(i) Initial appointments to positions for science, technology, engineering, or mathematics (STEM) occupations may be made at the GS–11 level, if the candidate possesses a Ph.D. or equivalent degree directly related to the STEM position the agency is seeking to fill.

[35 FR 5173, Mar. 27, 1970]

§ 230.402 Agency authority to make emergency-indefinite appointments in a national emergency.

(a) When a national emergency exists—

(1) Definition. A national emergency must meet all of the following conditions:

(i) It was declared by the President or Congress.

(ii) It involves a danger to the United States’ safety, security, or stability that results from specified circumstances or conditions and that is national in scope.

(iii) It requires a national program specifically intended to combat the threat to national safety, security, or stability.

(2) Termination of a national emergency. A national emergency no longer exists if it is officially terminated by the President or Congress, or if the specific circumstances, conditions, or program cited in the original declaration are terminated or corrected.

(b) Basic authority. Agencies may make emergency-indefinite appointments without OPM approval during any national emergency as defined in paragraph (a) of this section. The head of an agency with a defense-related mission may request OPM’s approval to make emergency-indefinite appointments without a declared national emergency when the President has authorized the call-up of some portion of the military reserves for some military purpose. The request must demonstrate that normal hiring procedures cannot meet surge employment requirements and that use of emergency-indefinite appointments is necessary for economy and efficiency. Except as provided by paragraphs (c) and (d) of this section, agencies must make emergency-indefinite appointments from appropriate registers of eligibles as long as there are available eligibles.

(c) Appointment under direct-hire authority. An agency may make emergency-indefinite appointments under this section using the direct-hire procedures in part 337 of this chapter.

(d) Appointment noncompetitively. An agency may give emergency-indefinite appointments under this section to the following classes of persons without regard to registers of eligibles and the provisions in § 332.102 of this chapter:

(2) Members of the National Defense Executive Reserve, designated in accordance with section 710(e) of the Defense Production Act of 1950, Executive Order 11179 of September 22, 1964, and applications issued by the agency authorized to implement the law and Executive Order; and
(3) Former Federal employees eligible for reinstatement.

(e) Tenure of emergency-indefinite employees. (1) Emergency-indefinite employees do not acquire a competitive status on the basis of their emergency-indefinite appointments.

(2) An emergency-indefinite appointment may be continued for the duration of the emergency for which it is made.

(f) Trial period. (1) The first year of service of an emergency-indefinite employee is a trial period.

(2) The agency may terminate the appointment of an emergency-indefinite employee at any time during the trial period. The employee is entitled to the procedures set forth in §315.804 or §315.805 of this chapter as appropriate.

(g) Eligibility for within-grade increases. An emergency-indefinite employee serving in a position subject to the General Schedule is eligible for within-grade increases in accordance with subpart D of part 531 of this chapter.

(h) Applications of other regulations. (1) The term indefinite employee includes an emergency-indefinite employee or an employee under an emergency appointment as used in the following: parts 351, 353 of this chapter, subpart G of part 550 of this chapter, and part 752 of this chapter.

(2) The selection procedures of part 337 of this chapter apply to emergency-indefinite appointments that use the direct-hire authority under paragraph (c) of this section.

(3) Despite the provisions in §831.201(a)(11) of this chapter, an employee serving under an emergency-indefinite appointment under authority of this section is excluded from retirement coverage, except as provided in paragraph (b) of §831.201 of this chapter.

(i) Promotion, demotion, or reassignment. An agency may promote, demote, or reassign an emergency-indefinite employee to any position for which it is making emergency-indefinite appointments.

Subpart A—Authority for Personnel Actions in Agencies

SOURCE: 73 FR 23013, Apr. 28, 2008, unless otherwise noted.

§ 250.101 Standards and requirements for agency personnel actions.

When taking a personnel action authorized by this chapter, an agency must comply with qualification standards and regulations issued by the Office of Personnel Management (OPM), the instructions OPM has published in
the Guide to Processing Personnel Actions, and the provisions of any delegation agreement OPM has made with the agency. When taking a personnel action that results from a decision or order of OPM, the Merit Systems Protection Board, Equal Employment Opportunity Commission, or Federal Labor Relations Authority, as authorized by the rules and regulations of those agencies, or as the result of a court order, a judicial or administrative settlement agreement, or an arbitral award under a negotiated agreement, the agency must follow the instructions in the Guide to Processing Personnel Actions and comply with all other relevant substantive and documentary requirements, including those applicable to retirement, life insurance, health benefits, and other benefits provided under this chapter.

§ 250.102 Delegated authorities.

OPM may delegate its authority, including authority for competitive examinations, to agencies, under 5 U.S.C. 1104(a)(2), through a delegation agreement. The delegation agreement developed with the agency must specify the conditions for applying the delegated authorities. The agreement must also set minimum standards of performance and describe the system of oversight by which the agency and OPM will monitor the use of each delegated authority.

§ 250.103 Consequences of improper agency actions.

If OPM finds that an agency has taken an action contrary to a law, rule, regulation, or standard that OPM administers, OPM may require the agency to take corrective action. OPM may suspend or revoke a delegation agreement established under §250.102 at any time if it determines that the agency is not adhering to the provisions of the agreement. OPM may suspend or withdraw any authority granted by delegation agreement, when OPM finds that the agency has not complied with qualification standards OPM has issued, instructions OPM has published, or the regulations in this chapter. OPM also may suspend or withdraw these authorities when it determines that doing so is in the interest of the civil service for any other reason.

Subpart B—Strategic Human Capital Management

SOURCE: 73 FR 23013, Apr. 28, 2008, unless otherwise noted.

§ 250.201 Coverage and purpose.

The Chief Human Capital Officers (CHCO) Act of 2002 acknowledges the critical importance of Federal employees to the effective and efficient operation of Government. As a part of OPM’s overall leadership responsibilities in the strategic management of the Federal civil service, and pursuant to 5 U.S.C. 1103, OPM is responsible for designing a set of systems, including standards and metrics, for assessing the management of human capital by Federal agencies. In this subpart, OPM establishes a framework of those systems, including system components, OPM’s role, and agency responsibilities.

(a) As the President’s chief human capital officer, the Director of OPM provides Governmentwide leadership and direction in the strategic management of the Federal workforce.

(b) To execute this critical leadership responsibility, OPM adopts the Human Capital Assessment and Accountability Framework (HCAAF) to describe the concepts and systems for planning, implementing, and evaluating the results of human capital management policies and practices. See Appendix. In addition, OPM adopts the related set of assessment systems required by the CHCO Act as the HCAAF Systems, Standards, and Metrics (HCAAF–SSM), also included in the Appendix. Each such assessment system associated with the HCAAF consists of:

(1) A standard against which agencies can assess the results of their management of human capital; and

(2) Prescribed metrics, as appropriate, for organizational outcomes, employee perspective, and compliance measures with respect to relevant laws, rules and regulations.
§ 250.203 Agency responsibilities.

(a) To assist in the assessment of the management of human capital in the Federal Government, and to help meet the statutory requirements to prepare that portion of the performance budget for which agency Chief Human Capital Officers are accountable as well as relevant portions of performance and accountability reports, heads of agencies or their designees must maintain a current human capital plan and provide OPM an annual Human Capital Management Report, as outlined below, based on an approved human capital accountability system. The HCAAF and the HCAAF–SSM provide more specific information on coverage and content for the plan and report.

(1) Human capital plan. Using a format established by agreement between the agency and OPM, at a minimum the plan must include:

(i) Human capital goals and objectives. These are a comprehensive, integrated set of human capital goals and objectives, with detailed policy and program priorities and initiatives as appropriate, consistent with agency strategic plans and annual performance goals. These human capital goals and objectives must address each of the human capital management systems included in the HCAAF.

(ii) Workforce analysis. This analysis of the agency’s workforce describes its current state, projects the human resources needed to achieve the agency’s program performance goals and objectives during the term of the agency’s strategic plan, and identifies potential shortfalls or gaps. An ongoing analysis must, for relevant agency mission requirements, describe the occupation(s) most critical to agency performance (including associated managerial and executive positions) and describe mission-critical competencies and key demographics (e.g., talent analyses, turnover, and retirement eligibility); and for each such occupation, describe its current and projected staffing levels, attrition and hiring estimates, and proposed training and development investments.

(iii) Performance measures and milestones. One or more human capital metrics, as well as appropriate program milestones, for each human capital goal or objective, provide a basis for assessing progress and results, including compliance measures with respect to relevant laws, rules and regulations. These metrics must include, but are not limited to, those described in the HCAAF–SSM issued under §250.202(b). These metrics and milestones must be specifically linked to broader agency program performance goals, to evaluate the impact of the agency’s human capital management on its overall mission performance.

(2) Human capital accountability system. This system provides for an annual assessment of agency human capital management progress and results including compliance with relevant laws, rules, and regulations. That assessment is conveyed in an annual Human Capital Management Report to OPM. The human capital accountability system must:

(i) Be formal and documented;

(ii) Be approved by OPM;
§ 250.203

(iii) Be supported and resourced by agency leadership;

(iv) Measure and assess human capital management systems for mission alignment, effectiveness, efficiency, and compliance with merit system principles, laws, and regulations;

(v) Provide for an independent audit process, with OPM participation, for periodic review of human resources transactions to insure legal and regulatory compliance;

(vi) Ensure that action is taken to improve human capital management programs and processes and to correct deficiencies; and

(vii) Ensure results are analyzed and reported to agency management and OPM.

(3) Human Capital Management Report. At a minimum, the agency’s annual Human Capital Management Report must:

(i) Provide an evaluation of and report on the agency’s existing human capital management policies, programs, and operations, as they relate to the agency’s overall mission/program performance. The report must address the performance measures and milestones contained in the agency human capital plan including compliance measures with respect to relevant laws, rules and regulations. The report must also document actions taken to correct any violations or deficiencies that are identified.

(ii) Inform the development of human capital goals and objectives during the agency’s strategic planning and annual performance budget formulation process, as well as the treatment of human capital results during the annual performance and accountability reporting process.

(b) [Reserved]

to inform the impact of an agency’s human capital management on organizational results with the intent to improve human capital outcomes. HRStat, which is a quarterly review component of an agency’s strategic planning and alignment and evaluation systems that are part of the Human Capital Framework.

**Human Capital Evaluation Framework** underlies the three human capital evaluation mechanisms (*i.e.*, HRStat, Audits, and Human Capital Reviews) to create a central evaluation framework that integrates the outcomes from each to provide OPM and agencies with an understanding of how human capital policies and programs are supporting missions.

Human Capital Framework (HCF) provides comprehensive guidance on the principles of strategic human capital management in the Federal Government. The framework, as described in §250.203 below, provides direction on human capital planning, implementation, and evaluation in the Federal environment.

**Human Capital Operating Plan (HCOP)** is an agency’s human capital implementation document, which describes how an agency will execute the human capital elements stated within Agency Strategic Plan and Annual Performance Plan (APP). Program specific workforce investments and strategies (*e.g.*, hiring, closing skill gaps, etc.) should be incorporated into the APPs as appropriate. The HCOP should clearly execute each of the four systems of the HCF. The HCOP should align with the Government Performance and Results Act (GPRA) Modernization Act of 2010, annual performance plans and timelines.

**Human Capital Review (HCR)** is OPM’s annual, evidence-based review of an agency’s design and implementation of its HCOP, independent audit, and HRStat programs to support mission accomplishment and human capital outcomes.

**Independent audit program** is a component of an agency’s evaluation system designed to review all human capital management systems and select human resources transactions to ensure efficiency, effectiveness, and legal and regulatory compliance.

**Skill gap** is a variance between the current and projected workforce size and skills needed to ensure an agency has a cadre of talent available to meet its mission and make progress towards achieving its goals and objectives now and into the future.

**Standard** is a consistent practice within human capital management in which agencies strive towards in each of the four HCF systems. The standards ensure that an agency’s human capital management strategies, plans, and practices:

1. Are integrated with strategic plans, annual performance plans and goals, and other relevant budget, finance, and acquisition plans;
2. Contain measurable and observable performance targets;
3. Are communicated in an open and transparent manner to facilitate cross-agency collaboration to achieve mission objectives; and

### §250.203 Strategic human capital management systems and standards

Strategic human capital management systems, standards, and focus areas are defined within the Human Capital Framework (HCF). The four systems described below provide definitions and standards for human capital planning, implementation, and evaluation. The HCF systems and standards are:

1. **Strategic planning and alignment.** A system that ensures agency human capital programs are aligned with agency mission, goals, and objectives through analysis, planning, investment, and measurement. The standards for the strategic planning and alignment system require an agency to ensure their human capital management strategies, plans, and practices—
   1. Integrate strategic plans, annual performance plans and goals, and other relevant budget, finance, and acquisition plans;
   2. Contain measurable and observable performance targets; and
   3. Communicate in an open and transparent manner to facilitate cross-agency collaboration to achieve mission objectives.

2. **Talent management.** A system that promotes a high-performing workforce, identifies and closes skill gaps, and implements and maintains programs to attract, acquire, develop, promote, and retain quality and diverse talent. The standards for the talent management system require an agency to—
   1. Plan for and manage current and future workforce needs;
   2. Design, develop, and implement proven strategies and techniques and practices to attract, hire, develop, and retain talent; and
   3. Make progress toward closing any knowledge, skill, and competency gaps throughout the agency.

3. **Performance culture.** A system that engages, develops, and inspires a diverse, high-performing workforce by creating, implementing, and maintaining effective performance management strategies, practices, and activities that support mission objectives. The standards for the performance culture system require an agency to have—
   1. Strategies and processes to foster a culture of engagement and collaboration;
   2. A diverse, results-oriented, high-performing workforce; and
   3. A performance management system that differentiates levels of performance of staff, provides regular feedback, and links...

PART 251—AGENCY RELATIONSHIPS WITH ORGANIZATIONS REPRESENTING FEDERAL EMPLOYEES AND OTHER ORGANIZATIONS

Subpart A—General Provisions

Sec. 251.101 Introduction.
251.102 Coverage.
Subpart A—General Provisions

§ 251.101 Introduction.

(a) The regulations in this part apply to all Federal executive branch departments and agencies and their officers and employees.

(b) This part provides a framework for consulting and communicating with non-labor organizations representing Federal employees and with other organizations on matters related to agency operations and personnel management.

(c) The purposes of consultation and communication are: the improvement of agency operations, personnel management, and employee effectiveness; the exchange of information (e.g., ideas, opinions, and proposals); and the establishment of policies that best serve the public interest in accomplishing the mission of the agency.

(d) An agency’s consultation and communication with organizations representing Federal employees and with other organizations under this part may not take on the character of negotiations or consultations regarding conditions of employment of bargaining unit employees, which is reserved exclusively to labor organizations as provided for in Chapter 71 of title 5 of the U.S. Code or comparable provisions of other laws. The regulations in this part do not authorize any actions inconsistent with Chapter 71 of the U.S. Code or comparable provisions of other laws.

(e) The head of a Federal agency may determine that it is in the interest of the agency to consult, from time to time, with organizations other than labor organizations and associations of management officials and/or supervisors to the extent permitted by law. Under section 7(d)(2) and (3) of Executive Order 11491, as amended, recognition of a labor organization does not preclude an agency from consulting or dealing with a veterans organization, or with a religious, social, fraternal, professional, or other lawful association, not qualified as a labor organization, with respect to matters or policies which involve individual members of the organization or association or are of particular applicability to it or its members.

(f) Federal employees, including management officials and supervisors, may communicate with any Federal agency, officer, or other Federal entity on the employee’s own behalf. However, Federal employees should be aware that 18 U.S.C. 205, in pertinent part, restricts Federal employees from acting, other than in the proper discharge of their official duties, as agents or attorneys for any person or organization other than a labor organization before any Federal agency or other Federal entity in connection with any matter in which the United States is a party or has a direct and substantial interest. An exception to the prohibition found in 18 U.S.C. 205 permits Federal employees to represent certain nonprofit organizations before the Government except in connection with specified matters. Agency officials and employees are therefore advised to consult with their designated agency ethics officials for guidance regarding any conflicts of interest that may arise.

[61 FR 32915, June 26, 1996, as amended at 63 FR 2306, Jan. 15, 1998]

§ 251.102 Coverage.

To be covered by this part, an association or organization:

(a) Must be a lawful, nonprofit organization whose constitution and bylaws indicate that it subscribes to minimum standards of fiscal responsibility and employs democratic principles in the nomination and election of officers;
Office of Personnel Management

§ 251.202

(b) Must not discriminate in terms of membership or treatment because of race, color, religion, sex, national origin, age, or handicapping condition;

(c) Must not assist or participate in a strike, work stoppage, or slowdown against the Government of the United States or any agency thereof or impose a duty or obligation to conduct, assist, or participate in such strike, work stoppage, or slowdown; and

(d) Must not advocate the overthrow of the constitutional form of Government of the United States.

§ 251.103 Definitions.

(a) Organization representing Federal employees and other organizations means an organization other than a labor organization that can provide information, views, and services which will contribute to improved agency operations, personnel management, and employee effectiveness. Such an organization may be an association of Federal management officials and/or supervisors, a group representing minorities, women or persons with disabilities in connection with the agencies’ EEO programs and action plans, a professional association, a civic or consumer group, and organization concerned with special social interests, and the like.

(b) Association of management officials and/or supervisors means an association comprised primarily of Federal management officials and/or supervisors, which is not eligible for recognition under Chapter 71 of title 5 of the U.S. Code or comparable provisions of other laws, and which is not affiliated with a labor organization or federation of labor organizations.

(c) Labor organization means an organization as defined in 5 U.S.C. 7103(a)(4), which is in compliance with 5 U.S.C. 7120, or as defined in comparable provisions of other laws.

Subpart B—Relationships With Organizations Representing Federal Employees and Other Organizations

§ 251.201 Associations of management officials and/or supervisors.

(a) As part of agency management, supervisors and managers should be included in the decision-making process and notified of executive-level decisions on a timely basis. Each agency must establish and maintain a system for intra-management communication and consultation with its supervisors and managers. Agencies must also establish consultative relationships with associations whose membership is primarily composed of Federal supervisory and/or managerial personnel, provided that such associations are not affiliated with any labor organization and that they have sufficient agency membership to assure a worthwhile dialogue with executive management. Consultative relationships with other non-labor organizations representing Federal employees are discretionary.

(b) Consultations should have as their objectives the improvement of managerial effectiveness and the working conditions of supervisors and managers, as well as the identification and resolution of problems affecting agency operations and employees, including supervisors and managers.

(c) The system of communication and consultation should be designed so that individual supervisors and managers are able to participate if they are not affiliated with an association of management officials and/or supervisors. At the same time, the voluntary joining together of supervisory and management personnel in groups of associations shall not be precluded or discouraged.

§ 251.202 Agency support to organizations representing Federal employees and other organizations.

(a) An agency may provide support services to an organization when the agency determines that such action would benefit the agency’s programs or would be warranted as a service to employees who are members of the organization and complies with applicable statutes and regulations. Examples of such support services are as follows:

(1) Permitting employees, in appropriate cases, to use agency equipment or administrative support services for preparing papers to be presented at conferences or symposia or published in journals;

(2) Using the authority under 5 U.S.C. 4109 and 4110, as implemented by 5 CFR part 410, to pay expenses of employees
to attend professional organization meetings when such attendance is for the purpose of employee development or directly concerned with agency functions or activities and the agency can derive benefits from employee attendance at such meetings; and

(3) Following a liberal policy in authorizing excused absence for other employees who are willing to pay their own expenses to attend a meeting of a professional association or other organization from which an agency could derive some benefits.

(b) Agencies may provide Government resources support to organizations (such as space in Government facilities for meeting purposes and the use of agency bulletin boards, internal agency mail distribution systems, electronic bulletin boards and other means of informing agency employees about meetings and activities) in accordance with appropriate General Services Administration regulations contained in title 41 of the Code of Federal Regulations. The mere provision of such support to any organization is not to be construed as Federal sponsorship, sanction, or endorsement of the organization or its activities.

Subpart C—Dues Withholding

§ 251.301 Associations of management officials and/or supervisors.

Dues withholding for associations of management officials and/or supervisors is covered in 5 CFR 550.331.

§ 251.302 All other organizations.

Under 5 CFR 550.311(b), an agency may permit an employee to make an allotment for any legal purpose deemed appropriate by the head of the agency. Agencies may provide for the allotment of dues for organizations representing Federal employees under that section.
§ 293.101 Purpose and scope.

(a) This subpart sets forth basic policies governing the creation, development, maintenance, processing, use, dissemination, and safeguarding of personnel records which the Office of Personnel Management requires agencies to maintain in the personnel management or personnel policy setting process.

(b) Agencies in the Executive Branch of the Federal Government are subject to specific Office of Personnel Management recordkeeping requirements to varying degrees, pursuant to statute, Office regulation, or formal agreements between the Office and agencies. This subpart applies to any department or independent establishment in the Executive Branch of the Federal Government, including a government corporation or Government controlled corporation, except those specifically excluded from Office recordkeeping requirements by statute, Office regulation, or formal agreement between the Office and that agency.

§ 293.102 Definitions.

In this part:

Agency means any executive department, military department, Government corporation, Government controlled corporation, or other establishment in the Executive Branch of the Government (including the Executive Office of the President), or any independent regulatory agency;

Data subject means the individual about whom the Office or agency is maintaining information in a system of records;

Individual means a citizen of the United States or an alien lawfully admitted for permanent residence;

Information means papers, records, photographs, magnetic storage media, micro storage media, and other documentary materials regardless of physical form or characteristics, containing data about an individual and required by the Office in pursuance of law or in connection with the discharge of official business, as defined by statute, regulation, or administrative procedure;

Maintain includes collect, use, or disseminate;

Office means the Office of Personnel Management;

Personnel record means any record concerning an individual which is maintained an used in the personnel management or personnel policy setting process. (For purposes of this part, this term is not limited just to those personnel records in a system of records and subject to the Privacy Act);

Record means any item, collection, or grouping of information about an individual that is maintained by an agency, including, but not limited to, his or her education, financial transactions, medical history, criminal history, or employment history;

System of records means a group of records under the control of any agency from which information is retrieved by the name of the individual or by some identifying number, symbol, or other identifying particular assigned to the individual.

§ 293.103 Recordkeeping standards.

(a) The head of each agency shall ensure that persons having access to or involved in the creation, development, processing, use, or maintenance of personnel records are informed of pertinent recordkeeping regulations and requirements of the Office of Personnel Management and the agency. Authority to maintain personnel records does not constitute authority to maintain information in the record merely because it may be useful; both Government-wide and internal agency personnel records shall contain only information concerning an individual that is relevant and necessary to accomplish the Federal personnel management purposes required by statute, Executive order, or Office regulation.
§ 293.104 Collection of information.

(a) Any information in personnel records whether or not those records are in a system of records, used in whole or in part in making a determination about an individual's rights, benefits, or privileges under Federal personnel programs should, to the greatest extent practicable, be collected directly from the individual concerned. Factors to be considered in determining whether to collect the data from the individual concerned or a third party are when:

(1) The nature of the information is such that it can only be obtained from another party;
(2) The cost of collecting the information directly from the individual is unreasonable when compared with the cost of collecting it from another party;
(3) There is virtually no risk that information collected from other parties, if inaccurate, could result in a determination adverse to the individual concerned;
(4) The information supplied by an individual must be verified by another party; or
(5) There are provisions made, to the greatest extent practicable, to verify information collected from another party with the individual concerned.

§ 293.105 Restrictions on collection and use of information.

(a) First Amendment. Personnel records describing how individuals exercise rights guaranteed by the First Amendment are prohibited unless expressly authorized by statute, or by the individual concerned, or unless pertinent to and within the scope of an authorized law enforcement activity. These rights include, but are not limited to, free exercise of religious and political beliefs, freedom of speech and the press, and freedom to assemble and to petition the government.

(b) Social Security Number.

(1) Agencies may not require individuals to disclose their Social Security Number unless disclosure would be required:

(i) Under Federal statute; or
(ii) Under any statute, Executive order, or regulation that authorizes any Federal, State, or local agency maintaining a system of records that was in existence and operating prior to January 1, 1975, to request the Social Security Number as a necessary means of verifying the identity of an individual.

(2) Individuals asked to voluntarily (circumstances not covered by paragraph (b)(1) of this section) provide their Social Security Number shall suffer no penalty or denial of benefits for refusing to provide it.

§ 293.106 Safeguarding information about individuals.

(a) To ensure the security and confidentiality of personnel records, in whatever form, each agency shall establish administrative, technical, and physical controls to protect information in personnel records from unauthorized access, use, modification, destruction, or disclosure. As a minimum, these controls shall require that all persons whose official duties require access to and use of personnel records be responsible and accountable for safeguarding those records and for ensuring that the records are secured whenever they are not in use or under the direct control of authorized persons. Generally, personnel records should be held, processed, or stored only where facilities and conditions are adequate to prevent unauthorized access.

(b) Personnel records must be stored in metal filing cabinets which are locked when the records are not in use,
or in a secured room. Alternative storage facilities may be employed provided they furnish an equivalent or greater degree of security than these methods. Except for access by the data subject, only employees whose official duties require access shall be allowed to handle and use personnel records, in whatever form or media the records might appear. To the extent feasible, entry into personnel record storage areas shall be similarly limited. Documentation of the removal of records from storage areas must be kept so that adequate control procedures can be established to assure that removed records are returned on a timely basis.

(c) Disposal and destruction of personnel records shall be in accordance with the General Record Schedule issued by the General Services Administration for the records or, alternatively, with Office or agency records control schedules approved by the National Archives and Records Service of the General Services Administration.

§ 293.107 Special safeguards for automated records.

(a) In addition to following the security requirements of §293.106 of this part, managers of automated personnel records shall establish administrative, technical, physical, and security safeguards for data about individuals in automated records, including input and output documents, reports, punched cards, magnetic tapes, disks, and online computer storage. The safeguards must be in writing to comply with the standards on automated data processing physical security issued by the National Bureau of Standards, U.S. Department of Commerce, and, as a minimum, must be sufficient to:

(1) Prevent careless, accidental, or unintentional disclosure, modification, or destruction of identifiable personal data;

(2) Minimize the risk that skilled technicians or knowledgeable persons could improperly obtain access to, modify, or destroy identifiable personnel data;

(3) Prevent casual entry by unskilled persons who have no official reason for access to such data;

(4) Minimize the risk of an unauthorized disclosure where use is made of identifiable personal data in testing of computer programs;

(5) Control the flow of data into, through, and from agency computer operations;

(6) Adequately protect identifiable data from environmental hazards and unnecessary exposure; and

(7) Assure adequate internal audit procedures to comply with these procedures.

(b) The disposal of identifiable personal data in automated files is to be accomplished in such a manner as to make the data unobtainable to unauthorized personnel. Unneeded personal data stored on reusable media such as magnetic tapes and disks must be erased prior to release of the media for reuse.

§ 293.108 Rules of conduct.

(a) Scope. These rules of conduct apply to all Office and agency employees responsible for creation, development, maintenance, processing, use, dissemination, and safeguarding of personnel records. The Office and agencies shall require that such employees are familiar with these and appropriate supplemental agency internal regulations.

(b) Standards of conduct. Office and agency employees whose official duties involve personnel records shall be sensitive to individual rights to personal privacy and shall not disclose information from any personnel record unless disclosure is part of their official duties or required by executive order, regulation, or statute (e.g., required by the Freedom of Information Act, 5 U.S.C. 552).

(c) Improper uses of personnel information. Any Office or agency employee who makes a disclosure of personnel records knowing that such disclosure is unauthorized, or otherwise knowingly violates these regulations, shall be subject to disciplinary action and may also be subject to criminal penalties where the records are subject to the Privacy Act (5 U.S.C. 552a). Employees are prohibited from using personnel information not available to the public, gained through official duties, for commercial solicitation or sale, or for personal gain.
§ 293.201 Purpose.

The purpose of this subpart is to set forth the criteria to be used to determine when personnel records on individuals are subject both to the regulations contained in this part and to Office or agency regulations implementing the Privacy Act of 1974, 5 U.S.C. 552a. When personnel records are maintained within a system of records, the records are deemed to be within the scope of both the regulations in this part and Office or agency regulations implementing the Privacy Act.

§ 293.202 Records subject to Office or agency Privacy Act regulations.

When the Office of Personnel Management publishes in the FEDERAL REGISTER a notice of system of records for personnel records which are maintained by the agencies or by the Office, that system of records will be subject to the regulations in this part and also to the regulations in part 297 of this chapter. When agencies publish a notice of system of records for personnel records required by the Office that are not included in the Office’s notices, those agency systems of records will be subject both to the regulations contained in this part and to agency promulgated regulations that implement the Privacy Act.

§ 293.203 Review of Office or agency practices.

Reviews of agency personnel management policies and practices will be conducted to insure compliance with Office regulations. The Office may direct agencies to take whatever corrective action is necessary. Office or agency officials who have knowledge of violations of these regulations shall take whatever corrective action is necessary. Agencies shall list officials of the Office of Personnel Management as a routine user for personnel records to assist the Office in its oversight responsibilities.

§ 293.301 Applicability of regulations.

Except for those agencies specifically excluded from Office of Personnel Management (OPM) recordkeeping requirements by statute, OPM regulation, or formal agreement between OPM and the agency, this subpart applies to—and within this subpart agency means—each executive department and independent establishment of the Federal Government; each corporation wholly owned or controlled by the United States; and, with respect to positions subject to civil service rules and regulations, the legislative and judicial branches of the Federal Government. OPM will list agencies to which this subpart does not apply in the Guide to Personnel Recordkeeping, and will amend the Guide from time to time to update that list.

§ 293.302 Establishment of Official Personnel Folder.

Each agency shall establish an Official Personnel Folder (OPF) for each employee occupying a position subject to this part, except as provided in §293.306. Except as provided in the Guide to Personnel Recordkeeping, there will be only one OPF maintained for each employee regardless of service in various agencies.

§ 293.303 The roles and responsibilities of the Office, agencies, and custodians.

(a) The Official Personnel Folder (OPF) of each employee in a position subject to civil service rules and regulations and of each former employee who held such a position is part of the
Office of Personnel Management

§ 293.306
Use of existing folders upon transfer or reemployment.

When an agency hires a person who has served on or after April 1, 1947, in a position subject to this part, it shall request the transfer of the OPF pertaining to the person’s employment. The folder so obtained shall be used in lieu of establishing a new OPF. In the event that the prior service occurred wholly before April 1, 1947, the agency shall request any files or records that may be located in the Federal records storage center. The request shall note that because of the dates of service there will likely be no OPF. Any such file or record found for this individual shall be incorporated into the OPF being established for the employee.

(a) When a person for whom an OPF has been established transfers from one agency to another, the last employing (losing) agency shall, on request, transfer the OPF to the new employing agency.

(b) Before transferring the Official Personnel Folder, the losing agency shall:

(1) Remove those records of a temporary nature filed on the left side of the folder, except for PMRS employees’ performance ratings of record including the performance plan on which the most recent rating was based;

(2) Transfer performance ratings of record and the performance plan on which the most recent rating was based from the Employee Performance File of PMRS employees to their Official Personnel Folder, if the ratings and plans are not maintained by the agency in the Official Personnel Folder; and

(3) Custodian means the agency in physical possession of an OPF. In the case of an electronic OPF (eOPF), the custodian is the agency that has primary access to an eOPF contained within a document management system approved by the Office.

(4) An agency is the custodian of an OPF if it requests from the National Personnel Records Center (NPRC), for any temporary use, from the date that the OPF is transmitted by the NPRC to the agency until the date that the NPRC receives the OPF back from the agency.

(5) Once NPRC has approved the transfer, the Office is the custodian of the OPF until the destruction date established for the file pursuant to the National Archive and Records Administration’s General Records Schedule, unless another agency requests the OPF from the NPRC in the interim.

(6) Agencies and custodians shall carry out their responsibilities with respect to the OPF or eOPF in accordance with this subpart and the Office’s Guide to Personnel Recordkeeping.

[76 FR 52537, Aug. 23, 2011]
§ 293.307 Disposition of folders of former Federal employees.

(a) Folders of persons separated from Federal employment must be retained by the losing agency for 30 working days after separation, and may be retained for additional 60 days (90 days where administratively necessary, e.g., where an appeal or an allegation of discrimination is made or where an employee retires or dies in service). Thereafter, the OPF must be transferred to the General Services Administration, National Personnel Records Center (Civilian Personnel Records), 111 Winnebago Street, St. Louis, Missouri 63118.

(b) When a former Federal employee is reappointed in the Federal service, the National Personnel Records Center (Civilian Personnel Records) shall, upon request, transfer the OPF to the new employing agency.

(c) Agencies are responsible for all costs associated with the establishment and maintenance of OPFs and the transfer of OPFs to the National Personnel Records Center.

(d) Agencies are responsible for all costs associated with agency-initiated requests for OPFs or services from the National Personnel Records Center.

§ 293.308 Removal of temporary records from OPFs.

The employing agency having possession of an OPF shall remove temporary records from the OPF before it is transferred to another agency. For these and also for temporary records of their current employees, maintenance of the records shall be in accordance with General Records Schedule 1, promulgated by the General Services Administration.

§ 293.309 Reconstruction of lost OPFs.

Agencies will take necessary precautions to safeguard all OPFs. In the event of a lost or destroyed OPF, the current (or last, in the case of a former Federal employee) employing agency shall take the necessary action to reconstruct the essential portions of the OPF as specified in the Guide to Personnel Recordkeeping or other Office instructions.

§ 293.310 Response to requests for information.

The Office, or an agency in physical possession of an OPF in response to a third party Freedom of Information Act (FOIA) request may disclose information as provided in this subpart. A current employee’s request for access to his/her own OPF (also included are employee performance file system folders and files) that cites the FOIA, as with all stated Privacy Act requests made by current employees, shall be processed in accordance with agency Privacy Act procedures consistent with Office regulations in part 297 of this chapter. All requests for their OPFs from former employees, and FOIA requests for former employee OPFs, shall be referred to the Office’s regional or area office nearest to the location of the requester.

§ 293.311 Availability of information.

(a) The following information from both the OPF and employee performance file system folders, their automated equivalent records, and from other personnel record files that constitute an agency record within the meaning of the FOIA and which are under the control of the Office, about most present and former Federal employees, is available to the public:

(1) Name;

(2) Present and past position titles and occupational series;

(3) Present and past grades;

(4) Present and past annual salary rates (including performance awards or bonuses, incentive awards, merit pay amount, Meritorious or Distinguished Executive Ranks, and allowances and differentials);

§ 293.402 Establishment of separate employee performance record system.

(a) Copies of employees’ performance ratings of record, including the performance plans on which the ratings are based, must be placed in either the employee’s Official Personnel Folder (OPF) or in the Employee Performance File (EPF). However, other performance-related documents may be retained in the OPF only when the agency prescribes the use of a separate envelope, temporarily located in the OPF, or in an envelope kept in the same office with the OPF, or in an envelope kept in the same office with the OPF, or in an envelope kept in

(b) Except for performance records maintained in the OPF consistent with paragraph (a) of this section, each agency having employees occupying a position described in §293.401 shall provide for maintenance of performance-related records for such employees in this EPF system. The agency may elect to retain records in a separate file that is located in the same office with the OPF, or in an envelope kept in

§ 293.401 Applicability of regulations.

This subpart applies to Executive agencies as defined in sections 105, 3132(a)(1) and 4301(1) of title 5, U.S. Code, including Military Departments (but not non-appropriated fund employees) as defined in section 102 of title 5, U.S. Code, and independent establishments as defined in section 104 of title 5, U.S. Code. Within those agencies, the requirements of this subpart apply to all employees occupying positions subject to civil service rules and regulations, including Senior Executive Service positions as defined in 5 U.S.C. 3132(a)(2).

Subpart D—Employee Performance File System Records

§ 293.401 Applicability of regulations.

This subpart applies to Executive agencies as defined in sections 105, 3132(a)(1) and 4301(1) of title 5, U.S. Code, including Military Departments (but not non-appropriated fund employees) as defined in section 102 of title 5, U.S. Code, and independent establishments as defined in section 104 of title 5, U.S. Code. Within those agencies, the requirements of this subpart apply to all employees occupying positions subject to civil service rules and regulations, including Senior Executive Service positions as defined in 5 U.S.C. 3132(a)(2).

Subpart D—Employee Performance File System Records

SOURCE: 47 FR 3080, Jan. 22, 1982, unless otherwise noted.

§ 293.402 Establishment of separate employee performance record system.

(a) Copies of employees’ performance ratings of record, including the performance plans on which the ratings are based, must be placed in either the employee’s Official Personnel Folder (OPF) or in the Employee Performance File (EPF). However, other performance-related documents may be retained in the OPF only when the agency prescribes the use of a separate envelope, temporarily located in the OPF, or in an envelope kept in the same office with the OPF, or in an envelope kept in

(b) Except for performance records maintained in the OPF consistent with paragraph (a) of this section, each agency having employees occupying a position described in §293.401 shall provide for maintenance of performance-related records for such employees in this EPF system. The agency may elect to retain records in a separate file that is located in the same office with the OPF, or in an envelope kept in
the OPF itself. If the agency determines that a separate EPF is cost-effective, such a file may be located in another designated agency office (as specified in the agency’s performance appraisal plan) including with supervisors or managers (hereinafter referred to as rating officials) or with Performance Review Boards. Any supporting documents that the agency may prescribe as necessary for agency officials in performance of their duties shall be kept in these files.

(c)(1) Agencies shall provide their employees access to their performance files (automated and manual). Such a request for access shall be processed in accordance with established agency procedures, consistent with Office of Personnel Management regulations regarding access to records contained in part 297 of this chapter. Such access shall be provided to the employee or to the employee’s designated representative, and such records may also be disclosed to other officials of the agency who have a need for the documents in the performance of their duties.

(2) All other requests for performance documents made to agency officials (e.g., Freedom of Information Act requests or requests made under the “routine use” provisions of the Privacy Act) shall be processed by the responsible agency official in accordance with agency procedures consistent with Office of Personnel Management regulations regarding disclosures of such records contained in parts 293 and 297 of this chapter.

(3) Privacy Act requests for amendment of records maintained in this system shall be processed by the responsible agency official in accordance with agency procedures consistent with Office of Personnel Management regulations regarding amendment of records contained in part 297 of this chapter.

(d) Agencies maintaining the EPF in an automated or microform system shall issue instructions that contain necessary procedures to ensure that the same requirements as in paragraph (c) of this section, relating to all manual records, are met.

§ 293.403 Contents of employee performance files.

(a) A decision on what constitutes a performance-related document within the meaning of this subpart rests with the agency. Agency implementing instructions, for both incumbents of the Senior Executive Service and other positions, shall provide specific written guidance of the description of what constitutes the agency’s official performance-related forms and documents.

(b) Agency implementing instructions describing such records shall indicate where and for how long they are retained and how and when they are to be destroyed. Such instructions shall also describe what records are considered to be performance-related (as specifically as is feasible) and shall include all performance-related records maintained as a system of records within the meaning of the Privacy Act. Such records would generally include:

1. Any form or other document which records the performance appraisal, including appraisals leading to merit pay determinations.
2. Any form or other document used by rating officials to recommend a personnel action affecting an employee (including a request for personnel action document, but only when the action is not affected) when the basis for the action (e.g., removal, reassignment, demotion, promotion, or merit pay or other performance award) is performance-related.
3. Recommendations for training that are performance-related.
4. Any form or other document furnished in support of recommended actions such as those listed in paragraph (b)(2) of this section and the agency’s final decision on the matter (e.g., a recommendation for merit pay or an agency decision to grant only one-half the comparability pay adjustment).
5. Any form or other document which the rating official is required by the agency to keep during an appraisal period (e.g., quality control records, production records, or similar records used to track employee performance during the appraisal period.)
(6) Any form or other document regarding Performance Review Board decisions, including supporting documentation and any transcript of hearings or testimony from witnesses.

(7) Any form or other document regarding decisions or recommendations of agency Executive Resources Boards related to performance appraisal or actions resulting from performance appraisals.

(8) Appraisals of potential (e.g., in connection with an agency’s merit promotion procedures) if agency implementing instructions specifically require or permit retention of a copy.

(9) Individual development plans.

(10) Copies of licenses, certificates of proficiency, or similar documents required of the position.

(c) General information about the employee, i.e., identification data, information concerning Federal and non-Federal employment experience, and information about any training programs the employee participated in may, if an agency deems it appropriate, be retained in this system.

§ 293.404 Retention schedule.

(a)(1) Except as provided in §293.405(a), performance ratings or documents supporting them are generally not permanent records and shall, except for appointees to the SES and including incumbents of executive positions not covered by SES, be retained as prescribed below:

(i) Performance ratings of record, including the performance plans on which they are based, shall be retained for 4 years;

(ii) Supporting documents shall be retained for as long as the agency deems appropriate (up to 4 years);

(iii) Performance records superseded (e.g., through an administrative or judicial procedure) and performance-related records pertaining to a former employee (except as prescribed in §293.405(a)) need not be retained for a minimum of 4 years. Rather, in the former case they are to be destroyed and in the latter case agencies shall determine the retention schedule; and

(iv) Except where prohibited by law, retention of automated records longer than the maximum prescribed here is permitted for purposes of statistical analysis so long as the data are not used in any action affecting the employee when the manual record has been or should have been destroyed.

(2) When an employee is reassigned within the employing agency, disposition of records in this system, including transfer with the employee who changes positions, shall be as agencies prescribe and consistent with §293.405(a).

(8) Appraisals of unacceptable performance, where a notice of proposed demotion or removal is issued but not effected, and all documents related thereto, manual and automated, pursuant to 5 U.S.C. 4303(d) must be destroyed after the employee completes one year of acceptable performance from the date of the written advance notice of the proposed removal or reduction in grade notice. Under conditions specified by an agency, and earlier destruction date is permitted and destruction must be no later than 30 days after the year is up.

(b) Performance records for Senior Executive Service appointees, including those serving under a Presidential appointment under 5 U.S.C. 3392(c), are to be retained as follows:

(1) Pursuant to 5 U.S.C. 4314(b)(3) and (4), Senior Executive Service appointees shall have their performance-related records maintained for five consecutive years (from the date the appraisal is issued) beginning with the effective date of appointment, including individuals receiving appointments pursuant to 5 U.S.C. 3593(b).

(2) When an appointee of the Senior Executive Service moves to another position in the Service, either with the same or a different agency, all appropriate performance-related documents five years old or less shall be forwarded in the Employee Performance File along with the individual’s OPF.

(3) When an employee in the Senior Executive Service accepts a Presidential appointment pursuant to 5 U.S.C. 3392(c), the employee’s performance file shall be retained as long as the employee remains employed under that Presidential appointment. When the appointment ends, and the individual does not return to the Senior
§ 293.405 Disposition of records.

(a) When the OPF of a non-SES employee is sent to another servicing office in the employing agency, to another agency, or to the National Personnel Records Center, the “losing” servicing office shall include in the OPF all performance ratings of record that are 4 years old or less, including the performance plan on which the most recent rating was based, and the summary rating prepared when the employee changes positions, as prescribed in part 430 of this chapter. Also, the “losing” office will purge from the OPF all performance ratings and performance plans that are more than 4 years old, and other performance-related records, according to agency policy established under § 293.404(a)(2) and in accordance with the Guide to Personnel Recordkeeping.

(b) Consistent with transfer instructions pertaining to SES positions contained in this part, employee performance files shall be forwarded to gaining agencies at the same time as the OPF (5 CFR 293.207).

(c) Consistent with retention schedules promulgated in §293.404, destruction of performance-related records shall be in accordance with agency procedures (e.g., by shredding or burning).

(d) If a former employee returns to an agency, a new employee performance file will be created unless the prior file for this employee is still available. The original file may be reactivated provided that, consistent with the retention schedules and destruction requirements promulgated in this subpart, the contents are properly disposed of.

(e)(1) It is the responsibility of the agency Personnel Director to insure the maintenance of employee performance files in accordance with this subpart and subparts A and B of this part, part 297 of this title, and with Office of Personnel Management guidance.

(2) This responsibility may be delegated in writing to other agency officials as appropriate. Implementing guidelines for agency performance appraisal systems shall provide written instructions for compliance with Office rules and procedures as well as descriptions of the documents and where they are retained, and shall ensure that records are retained in accordance with the provisions of §293.402.

§ 293.406 Disclosure of records.

Disclosure as used here means the furnishing of the record to someone other than the individual to whom the record pertains, his/her designated representative, or to an agency official who needs the information in the performance of official duties. Disclosure of information from this file system shall be made only as permitted by the Privacy Act (5 U.S.C. 552a(b)) and, with regard to the routine use provisions of that section, only under a routine use published by the Office for the system of records covering these records. However, to the extent that this system contains the data identified as being available to the public in §293.311, for most Federal employees and under the same restrictions listed in that section, that information shall also be made available to the public from this system.

Subpart E—Employee Medical File System Records

SOURCE: 51 FR 33235, Sept. 19, 1986, unless otherwise noted.
§ 293.501 Applicability of regulations.

The applicability of this subpart is identical to that described in §293.301.

§ 293.502 Definitions.

For the purpose of this Subpart—

Employee is defined at 5 U.S.C. 2105 and excludes student volunteers and contractor employees.

Employee Assistance and Counseling Record means the record created when an employee participates in an agency assistance/counseling program (e.g., drug or alcohol abuse or personal counseling programs under Pub. L. 91–616, 92–255, and 79–658, respectively).

Employee Exposure Record (which is to be interpreted consistent with the term as it is defined at 29 CFR 1910.20(c)(8)) means a record containing any of the following kinds of information concerning employee exposure to toxic substances or harmful physical agents (as defined at 29 CFR 1910.20(c)(11)):

(a) Environmental (workplace) monitoring or measuring, including personal, area, grab, wipe, or other form of sampling, as well as related collection and analytical methodologies, calculations, and other background data relevant to interpretation of the results obtained;

(b) Biological monitoring results which directly assess the absorption of a substance or agent by body systems (e.g., the level of a chemical in the blood, urine, breath, hair, fingernails, etc.) but not including results which assess the biological effect of a substance or agent;

(c) Material safety data sheets; or

(d) Any other record, in the absence of the above, which reveals the identity (e.g., chemical, common, or trade name) of a toxic substance of harmful physical agent.

Employee Medical File System (EMFS) means the agency’s complete system (automated, microformed, and paper records) for employee occupational medical records.

Employee Medical Folder (EMF) means a separate file folder (normally SF 66–D) established to contain all of the occupational medical records (both long-term and short-term records) designated for retention, which will be maintained by the employing agency during the employee’s Federal service.

Epidemiological Record means a record maintained by an agency or subelement thereof as a result of an official medical research study conducted under the authority of the agency.

Implementing instructions means any form of internal agency issuance that provides the guidance required in §293.503 and any other guidance the agency deems appropriate.

Occupational Medical Record means an occupation-related, chronological, cumulative record, regardless of the form or process by which it is maintained (e.g., paper document, microfiche, microfilm, or automatic data processing media), of information about health status developed on an employee, including personal and occupational health histories and the opinions and written evaluations generated in the course of diagnosis and/or employment-related treatment/examination by medical health care professionals and technicians. This definition includes the definition of medical records at 29 CFR 1910.20(c)(6); when the term “Occupational Medical Record” is used in these regulations, it includes “Employee Exposure Records” (as that term is defined in this section) and occupational illness, accident, and injury records.

Non-occupational/Patient Record means a record of treatment or examination, created and maintained by a health care facility, when the person is admitted to or voluntarily seeks treatment at the health care facility for non-job-related reasons. Records maintained by an agency dispensary are patient records for the purposes of these regulations except when such records result as a condition of employment or relate to an on-the-job occurrence. In these cases, the records are “Occupational Medical Records” as defined herein.

Non-personal Record means any agency aggregate or statistical record or report resulting from studies covering employees or resulting from studies or the work-site environment.

§ 293.503 Implementing instructions.

Agencies must issue written internal instructions describing how their EMFS is to be implemented. These instructions must—
§ 293.504 Composition of, and access to, the Employee Medical File System.

(a) Describe overall operation of the system within the agency including the designation of the agency official who will be responsible for overall system management. When the agency has a medical officer, that individual must be named the system manager. The system manager may then designate others within the agency to handle the day-to-day management of the records, e.g., the custodian of the records at the site where they are maintained;

(b) Be prepared with joint participation by agency medical, health, and safety, and personnel officers;

(c) Describe where and under whose custody employee occupational medical records will be physically maintained;

(d) Designate which agency office(s) will be responsible for deciding when and what occupational medical records are to be disclosed either to other agency officials or outside the agency;

(e) Ensure proper records retention and security, and preserve confidentiality of doctor/patient relationships;

(f) Provide that when the agency is requesting an EMF from the National Personnel Records Center (NPRC), the request form will show the name, title, and address of that agency’s system manager or designee, who is the only official authorized to receive the EMF;

(g) Be consistent with Office regulations relating to personnel actions when medical evidence is a factor (5 CFR parts 339, 432, 630, 752, and 831);

(h) Provide guidance on how an accounting of any record disclosure, as required by the Privacy Act (5 U.S.C. 552a(c)), will be done in a way that ensures that the accounting will be available for the life of the EMF;

(i) When long-term occupational medical records exist, provide for the creation of an EMF for an employee transferring to another agency or leaving Government service, and whether an EMF is to be established at the time an employee is being reassigned within the agency;

(j) Ensure a right of access (consistent with any special Privacy Act handling procedures invoked) to the records, in whatever format they are maintained, by the employee or a designated representative;

(k) Ensure that a knowledgeable official determines that all appropriate long-term occupational medical records are in an EMF prior to its transfer to another agency, to the NPRC, or to another office within the same employing agency;

(l) Ensure that all long-term occupational medical records an agency receives in an EMF are maintained, whether in that same EMF or by some other agency procedure, and forwarded to a subsequent employing agency or to NPRC;

(m) Ensure that, if occupational medical records are to be physically located in the same office as the Official Personnel Folder (OPF), the records are maintained physically apart from each other;

(n) Sets forth a policy that distinguishes, particularly for purposes of records disclosure, records in the nature of physician treatment records (which are generally not appropriate for disclosure to non-medical officials) from other medical reports properly available to officials making management decisions concerning the employee;

(o) Provide guidance that distinguishes records properly subject to this part from those (e.g., Postal Service or Foreign Service employee medical records) subject to different rules, particularly in Privacy Act and Freedom of Information Act matters;

(p) Ensure that guidance regarding the processing of Privacy Act matters is consistent with Office regulations implementing the Privacy Act at 5 CFR parts 293 and 297; and

(q) Ensure that no security classification is assigned to an EMF by including therein any occupational medical record that has such a classification. In this regard, the agency creating the classified medical record is required to retain it separately from the EMF while placing a notice in the EMF of its existence and describing where requests for this record are to be submitted.

§ 293.504 Composition of, and access to, the Employee Medical File System.

(a) All employee occupational medical records (which exclude employee
Office of Personnel Management

§ 293.505 Establishment and protection of Employee Medical Folder.

(a) As required by these rules, agencies must establish an EMF when the employee leaves the employing agency and occupational medical records for that employee exist; agencies may also establish an EMF (if none presently exists) for active employees if the agency chooses. An agency must request the transfer of an existing EMF (and maintain that EMF as received) at the same time it requests the transfer of an employee's OPF using the procedures contained in § 293.306.

(b) Neither the original occupational medical record nor duplicates are to be retained in the OPF. Prior to the establishment of an EMF for a separating employee, when such records are created, they must be maintained physically apart from the OPF, although they may be kept in the same office.

(c) Records in an EMF, whether or not located in an office other than where the OPF is maintained, must be provided to any representative specifically designated in writing by the employee to receive the record. Disclosure of an employee’s occupational medical records to agency officials (both medical and non-medical) will be granted only when the specific information sought is needed for the performance of official duties.

(c) Other agencies for employee occupational medical records made to the custodian of the records must be processed in accordance with the disclosure provisions of the Privacy Act (5 U.S.C. 552a(b)) and the Office’s regulations at part 297 of this chapter.

(d) Processing of a Privacy Act request for amendment of any EMFS record must be consistent with the Office’s regulations contained in part 297 of this chapter regarding amendment of records.

§ 293.506 Ownership of the Employee Medical Folder.

The EMF of each employee in a position subject to civil service rules and regulations is part of the records of the Office. When the EMF also contains occupational medical records created during employment in a position not subject to the civil service (e.g., with the Postal Service), the EMF is then part of the records of both the Office and the employing agency.

§ 293.507 Maintenance and content of the Employee Medical Folder.

The agency head must maintain all appropriate employee occupational medical records in the EMFS. When an
EMF is established for an employee, as required in §293.504, the agency’s EMFS must be searched to obtain all records designated for retention in the EMF.

§ 293.508 Type of folder to be used.

Each agency must use a folder that (a) has been specifically identified as the EMF and issued through Federal Supply Service contracts (Standard Form 66 D); (b) has been authorized as an exception to this form by the Office for use by a specific agency; or (c) in the case of an EMF containing records under joint control of the Office and another agency, an exception to the use of this form that has been jointly authorized.

§ 293.509 Use of existing Employee Medical Folders upon transfer or reemployment.

The requirements of §293.306, regarding the use of existing OPFs, apply to the use of existing EMFs upon the employee’s transfer to or reemployment in a new employing agency.

§ 293.510 Disposition of Employee Medical Folders.

(a) When an employee transfers to another Federal agency, the EMF must be transferred to the gaining agency at the same time as the employee’s OPF. The EMF is to be addressed only to the gaining agency’s designated manager (medical, health, safety, or personnel officer, or other designee) of the EMFS.

(b) When an employee is separated from the Federal service, the EMF must be forwarded to the NPRC with the OPF, using the instructions in §293.307 of this part.

(c) When a former Federal employee is re-employed by an agency, and that agency believes that an EMF exists, either at the last employing agency or at the NPRC, the agency will request the EMF, but no sooner than 30 days after the date of the new appointment. No EMFs will be routinely retrieved during the initial review process (as is done with the OPF) except when authority exists for the agency to require a medical evaluation prior to reaching a decision on employability. EMFs are to be transferred by the NPRC only to the agency-designated manager (medical, health, safety, or personnel, or other designee) shown on the request form.

§ 293.511 Retention schedule.

(a) Temporary EMFS records must not be placed in a newly-created EMF for a separating employee and must be removed from an already existing EMF before its transfer to another agency or to the NPRC. Such records must be disposed of in accordance with General Records Schedule (GRS) 1, item 21, issued by the National Archives and Records Administration (NARA).

(b) Occupational Medical Records considered to be long-term records must be maintained for the duration of employment, plus 30 years or for as long as the OPF is maintained, whichever is longer. Therefore, upon separation, the records must be provided to the employee’s new agency, or they must be transferred to the NPRC, which will dispose of them in accordance with GRS 1, item 21, issued by NARA.

Subpart A—Procedures for Disclosure of Records Under the Freedom of Information Act

SOURCE: 54 FR 25094, June 13, 1989, unless otherwise noted.

§ 294.101 Purpose.

This subpart contains the regulations of the Office of Personnel Management (OPM) implementing the Freedom of Information Act (FOIA), 5 U.S.C. 552. Except as provided by §294.105, OPM will use the provisions of this subpart to process all requests for records.

§ 294.102 General definitions.

All of the terms defined in the Freedom of Information Act, and the definitions included in the “Uniform Freedom of Information Act Fee Schedule and Guidelines” issued by the Office of Management and Budget apply, regardless of whether they are defined in this subpart.

Direct costs means the expenditures that an agency actually incurs in searching for, duplicating, and reviewing documents to respond to an FOIA request. Overhead expenses (such as the cost of space, and heating or lighting the facility in which the records are stored), are not included in direct costs.

Disclose or disclosure means making records available, on request, for examination and copying, or furnishing a copy of records.

Duplication means the process of making a copy of a document necessary to respond to an FOIA request. Among the forms that such copies can take are paper, microform, audiovisual materials, or machine readable documentation (e.g., magnetic tape or disk).

Records, information, document, and material have the same meaning as the term agency records in section 552 of title 5, United States Code.

Review means the process of initially examining documents located in response to a request to determine whether any portion of any document located may be withheld. It also includes processing documents for disclosure; e.g., doing all that is necessary to excise them and otherwise prepare them for release. Review does not include time spent resolving general legal and policy issues regarding the application of exemptions.

Search means the time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material within documents.

§ 294.103 Definitions of categories and assignment of requests and requesters to categories.

OPM will apply the definitions and procedures contained in this section to assign requesters to categories. The four categories established by 5 U.S.C. 552(a) are requests for commercial use, requests for non-commercial use made by educational or non-commercial scientific institutions, requests for non-commercial use made by representatives of the news media, and all others.

(a) Request for commercial use. A “commercial use request” is from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person or institution on whose behalf the request is made. In determining whether a request properly belongs in this category, OPM will look first to the intended use of the documents being requested.

(b) Request for non-commercial use made by an educational or non-commercial scientific institution. OPM will include requesters in one of the two categories described in paragraphs (b) (1) and (2) of this section when the request is being made as authorized by, and under the auspices of, a qualifying institution; and the records are sought, not for a commercial use, but in furtherance of scholarly or scientific research.
§ 294.104 Clarifying a requester's category.

(a) Seeking clarification of a requester’s category. OPM may seek additional clarification before assigning a person to a specific category if—

(1) There is reasonable cause to doubt the requester’s intended use of records; or

(2) The intended use is not clear from the request itself; or

(3) There is any other reasonable doubt about qualifications that may affect the fees applicable or the services rendered under § 294.109.

(b) Prompt notification to requester. When OPM seeks clarification as provided by paragraph (a) of this section, it will provide prompt notification either by telephone or in writing of the information or materials needed.

(c) Effect of seeking clarification on time limits for responding. When applying the time limits in section 552 of title 5, United States Code, OPM will not officially consider any request for records as being received until the official who is assigned responsibility for making a decision on releasing the records has received any additional clarification sought under paragraphs (a) and (b) of this section; and has determined that the clarifying information is sufficient to correctly place the requester in one of the categories prescribed in this section. If the requested clarifying information is not received within a reasonable time, OPM will, based on the information available, determine a final category for the request and calculate applicable fees.

[54 FR 25094, June 13, 1989, as amended at 58 FR 32043, June 8, 1993]

§ 294.105 Access to the requester’s own records.

When the subject of a record, or a duly authorized representative of the subject, requests his or her own records from a Privacy Act system of records, as defined by 5 U.S.C. 552a (a)(5), and the record is maintained so that it is retrieved by the subject’s name or other personal identifier, OPM will process the request under the Privacy Act procedures in part 297 of this chapter.
§ 294.106 Handbook of Publications, Periodicals, and OPM Issuances.

(a)(1) Annually, OPM publishes OPM-AG-PSD-01, “Handbook of Publications, Periodicals, and Issuances,” and accompanying addendum. This handbook and addendum lists material published and offered for sale are available for public inspection or copying. Unless the material is published and offered for sale, OPM makes available for public inspection and copying:

(i) Final opinions made by OPM in the adjudication of cases;

(ii) OPM policy statements and interpretations adopted by OPM but not published in the Federal Register; and

(iii) OPM administrative staff manuals and instructions that affect a member of the public.

(2) To the extent required to prevent a clearly unwarranted invasion of personal privacy, OPM may delete identifying details when it makes available or publishes an opinion, statement of policy, interpretation, or staff manual or instruction.

(b) A copy of this handbook and addendum is available at no cost from the—Publishing Management Branch, Office of Personnel Management, room B464, 1900 E Street, NW., Washington, DC 20415–0001.

(c) OPM indexes material in this handbook and addendum in a format for the convenience of the public. Indexing does not constitute a determination that all of the material listed is within the category that is required to be indexed by 5 U.S.C. 552(a)(2). Most of OPM’s publications may be found in OPM’s Library in room 5H27 at the address listed in paragraph (b) of this section.

(d) As provided by 5 U.S.C. 552(a)(2), OPM has determined that it is unnecessary and impractical to publish the “Handbook of Publications, Periodicals, and Issuances” and addendum more frequently than annually because of the small number of revisions that occur.

§ 294.107 Places to obtain records.

(a) Address requests for OPM records to the officials listed in paragraph (b), (c), or (d) of this section.

(b) The following is a list of key Washington, DC, officials of OPM and their principal areas of responsibility. Address requests for records to the appropriate official using the official’s title and the following address: Office of Personnel Management, 1900 E Street, NW., Washington, DC 20415.

(c) Direct requests for records on subjects not specifically referred to in this section or in the handbook or addendum, to Plans and Policies Division (CHP–500), Office of Information Resources Management, Administration Group, Office of Personnel Management, 1900 E Street, NW., Washington, DC 20415.

(d) The following is a list of OPM regional offices. Address requests for regional records to the Regional Director, Office of Personnel Management in the appropriate region:

- Atlanta Region—Richard B. Russell Federal Building, Suite 904, 75 Spring Street, SW., Atlanta, GA 30303–3019.
§ 294.108 Procedures for obtaining records.

(a) Mailing or delivering a request. Any person may ask for records under section 552 of title 5, United States Code, by directing a letter to one of the organizations listed in § 294.107, or by delivering a request in person at the addresses listed in that section during business hours on a regular business day.

(b) Proper marking. Each request for records should have a clear and prominent notation on the first page, such as “Freedom of Information Act Request.” In addition, if sent by mail or otherwise submitted in an envelope or other cover, mark the outside clearly and prominently with “FOIA Request” or “Freedom of Information Act Request.”

(c) Contents of request letter. A request must describe the records sought in sufficient detail to enable OPM personnel to locate the records with a reasonable amount of effort.

(1) OPM will regard a request for a specific category of records as fulfilling the requirements of this paragraph, if it enables responsive records to be identified by a technique or process that is not unreasonably burdensome or disruptive to OPM operations.

(2) Whenever possible, a request should include specific information about each record sought, such as the date, number, title or name, author, recipient, and subject matter of the record.

(3) If an OPM organization determines that a request does not reasonably describe the records sought, it will either provide notice of any additional information needed or otherwise state why the request is insufficient. OPM will also offer the record seeker an opportunity to confer, with the objective of reformulating the request so that it meets the requirements of this section.

(d) Medical records. OPM or another Government agency may disclose the medical records of an applicant, employee, or annuitant to the subject of the record, or to a representative designated in writing. However, medical records may contain information about an individual’s mental or physical condition that a prudent physician would hesitate to give to the individual.
Under such circumstances, OPM may disclose the records, including the exact nature and probable outcome of the condition, only to a licensed physician designated in writing for that purpose by the individual or his or her designated representative.  

(e) Publications. If the subject matter of a request includes material published and offered for sale (e.g., by the Superintendent of Documents, Government Printing Office), OPM will explain where a person may review and/or purchase the publications.  

(f) Responses within 10 working days. Except in unusual circumstances (as defined in 5 U.S.C. 552(a)(6)(B)), OPM will determine whether to disclose or deny records within 10 working days after receipt of the request (excluding weekends and holidays) and will provide notice immediately of its determination and the reasons therefor, and of the right to appeal any adverse determination.  

[54 FR 25094, June 13, 1989, as amended at 58 FR 32044, June 8, 1993]  

§ 294.109 Fees.  

(a) Applicability of fees. (1) OPM will furnish, without charge, reasonable quantities of material that it has available for free distribution to the public.  

(2) OPM may furnish other materials, subject to payment of fees intended to recoup the full allowable direct costs of providing services. Fees for these materials may be waived if the request meets the requirements specified in paragraph (f) of this section.  

(3) If a request does not include an acceptable agreement to pay fees and does not otherwise convey a willingness to pay fees, OPM will promptly provide notification of the estimated fees. This notice will offer an opportunity to confer with OPM staff to re-formulate the request to meet the requester’s needs at a lower cost. Upon agreement to pay the required fees, OPM will further process the request.  

(4) As described in §294.107, OPM ordinarily responds to FOIA requests in a decentralized manner. Because of this, OPM may at times refer a single request to two or more OPM entities to make separate direct responses. In such cases, each responding entity may assess fees as provided by this section, but only for direct costs associated with any response it has prepared.  

(5) If fees for document search are authorized as provided in paragraph (c) of this section, OPM may assess charges for employee time spent searching for documents and other direct costs of a search, even if a search fails to locate records or if records located are determined to be exempt from disclosure. Searches should be conducted in the most efficient and least expensive manner so as to minimize the cost for both the agency and the requester, e.g., personnel should not engage in line-by-line search when photocopying an entire document would be a less expensive and quicker way to comply with a request.  

(6) Services requested and performed but not required under the FOIA, such as formal certification of records as true copies, will be subject to charges under the Federal User Charge Statute (31 U.S.C. 483a) or other applicable statutes.  

(b) Rates used to compute fees. The following rates form the basis for assessing reasonable, standard charges for document search, duplication, and review as required by 5 U.S.C. 552(a)(4). The listing of rates below should be used in conjunction with the fee components listed in paragraph (c) of this section:

(c) Assessing fees based on requester’s category. Rates are assessed differently for the different categories of requesters as defined in §294.103. Requests have three cost components for the purpose of assessing fees: the cost of document search, the cost of duplication, and the cost of review. OPM will apply the rates in paragraph (b) of this section to the cost components that apply to the requester’s category as follows:

1 First 100 pages of paper copies or reasonable equivalent, such as a microfiche containing the equivalent of 100 pages, are copied free.
2 First 2 hours of manual search time are free. If requested records are maintained in a computerized data base, OPM will use the following formula, suggested by OMB, to provide the equivalent of 2 hours manual search time free before charging for computer search time: The operator’s hourly salary plus 16% will be added to the hourly cost of operating the central processing unit that contains the record information.

(d) **Payment of fees.** Fees are payable by check or money order to the Office of Personnel Management.

(1) If the total charge for fulfilling the request will be less than $25, no fee will be assessed (except as provided in paragraph (d)(3) of this section).

(2) If a request may reasonably result in a fee assessment of more than $25, OPM will not release the records unless the requester agrees in advance to pay the anticipated charges.

(3) OPM may aggregate requests and charge fees accordingly, when there is a reasonable belief that a requester, or a group of requesters acting in concert, is attempting to break down a request into a series of requests to evade the assessment of fees.

(i) If multiple requests of this type occur within a 30-day period, OPM may provide notice that it is aggregating the requests and that it will apply the fee provisions of this section, including any required agreement to pay fees and any advance payment.

(ii) Before aggregating requests of this type made over a period longer than 30 days, OPM will assure that it has a solid basis on which to conclude that the requesters are acting in concert and are acting specifically to avoid payment of fees.

(iii) OPM will not aggregate multiple requests on unrelated subjects from one person.

(e) **Payment of fees in advance.** If OPM estimates or determines that fees are likely to exceed $250, OPM may require the payment of applicable fees in advance.

(1) If an OPM official, who is authorized to make a decision on a particular request, determines that the requester has a history of prompt payment of FOIA fees, OPM will provide notice of the likely cost and obtain satisfactory assurance of full payment.

(2) When a person, or an organization that a person represents, has previously failed to pay assessed fees in a timely manner (i.e., payment was not made within 30 days of the billing date), OPM will require full payment of all fees in advance.

(3) If a person, or an organization that a person represents, has not paid fees previously assessed, OPM will not begin to process any new request for records until the requester has paid the full amount owed plus any applicable interest, and made a full advance payment for the new request.

(f) **Waiver or reduction of fees.** OPM will furnish documents without any charge, or at a reduced charge, if disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Government, and release of the material is not primarily in the commercial interest of the requester.

(1) In determining whether disclosure is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Government, OPM shall consider the following factors:

(i) The subject of the request: Whether the subject of the requested records concerns “the operations or activities of the Government”;

(ii) The information value of the information to be disclosed: Whether the disclosure is “likely to contribute” to an understanding of Government operations or activities;

(iii) The contribution to an understanding of the subject by the general public likely to result from disclosure:
Whether disclosure of the requested information will contribute to "public understanding"; and
(iv) The significance of the contribution to public understanding: Whether the disclosure is likely to contribute "significantly" to public understanding of Government operations or activities.

(2) In determining whether disclosure of the information is or is not primarily in the commercial interest of the requester, OPM shall consider the following factors:
(i) The existence and magnitude of a commercial interest. Whether the requester has a commercial interest that would be furthered by the requested disclosure; and, if so—
(ii) The primary interest in disclosure. Whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is "primarily in the commercial interest of the requester."

(3) In all cases the burden of proof shall be on the requester to present evidence or information in support of a request for a waiver or reduction of fees.

(g) Denial of waiver request. (1) An OPM official may deny a request for a full or partial waiver of fees without further consideration if the request does not include:
(i) A clear statement of the requester's interest in the requested information;
(ii) A clear statement of the use proposed for the information and whether the requester will derive income or other benefit from such use;
(iii) A clear statement of how the public will benefit from OPM's release of the requested information; and
(iv) If specialized use of the documents is contemplated, a clear statement of the requester's qualifications that are relevant to the specialized use.
(2) A requester may appeal the denial of a waiver request as provided by §294.110 of this part.

(h) Fees not paid; penalties; debt collection. (1) If a request, which requires the advance payment of fees under the criteria specified in this section, is not accompanied by the required payment, OPM will promptly notify the requester that the required fee must be paid within 30 days, and that OPM will not further process the request until it receives payment.
(2) OPM may begin assessing interest charges on an unpaid bill starting on the 31st day following the date on which the bill was sent. Interest will be charged at the rate prescribed in 31 U.S.C. 3717, and will accrue from the date of the billing.
(3) To encourage the repayment of debts incurred under this subpart, OPM may use the procedures authorized by Public Law 97–365, the Debt Collection Act of 1982. This may include disclosure to consumer reporting agencies and the use of collection agencies.

§294.110 Appeals.
(a) When an OPM official denies records or a waiver of fees under the Freedom of Information Act, the requester may appeal to the—
Office of the General Counsel, Office of Personnel Management, Washington, DC 20415
(b) A person may appeal denial of a Freedom of Information Act request for information maintained by OPM's Office of the General Counsel to the—
Deputy Director, Office of Personnel Management Washington, DC 20415
(c) If an official of another agency denies a Freedom of Information Act request for records in one of OPM's Government-wide systems of records, the requester should consult that agency's regulations for any appeal rights that may apply. An agency may, at its discretion, direct these appeals to OPM's Office of the General Counsel.
(d) An appeal should include a copy of the initial request, a copy of the letter denying the request, and a statement explaining why the appellant believes the denying official erred.
(e) The appeals provided for in this section constitute the final levels of administrative review that are available. If a denial of information or a denial of a fee waiver is affirmed, the requester may seek judicial review in the district court of the United States in the district in which he or she resides, or has his or her principal place of
§ 294.111 Custody of records; subpoenaas.

(a) The Chief, Plans and Policies Division, Administration Group, OPM, has official custody of OPM records. A subpoena or other judicial order for an official record from OPM should be served on the—

Chief, Plans and Policies Division, Office of Personnel Management, 1900 E Street NW., Washington, DC 20415

(b) See 5 CFR part 297, subpart D—Disclosure of Records, of this title, for the steps other officials should take on receipt of a subpoena or other judicial order for an Office record.

§ 294.112 Confidential commercial information.

(a) In general, OPM will not disclose confidential commercial information in response to a Freedom of Information Act request except in accordance with this section.

(b) The following definitions from Executive Order 12600, apply to this section:

(1) Confidential commercial information means records provided to the Government by a submitter that arguably contain material exempt from release under Exemption 4 of the Freedom of Information Act, 5 U.S.C. 552(b)(4), because disclosure could reasonably be expected to cause substantial competitive harm.

(2) Submitter means any person or entity who provides confidential commercial information, directly or indirectly, to OPM. The term includes, but is not limited to, corporations, state governments, and foreign governments.

(c) Submitters of information shall designate by appropriate markings, either at the time of submission or at a reasonable time thereafter, any portions of their submissions that they consider to be confidential commercial information. Such designations shall expire 10 years after the date of submission unless the submitter requests, and provides reasonable justification for, a designation period of greater duration.

(d) OPM shall, to the extent permitted by law, provide prompt written notice to an information submitter of Freedom of Information requests or administrative appeals if:

(1) The submitter has made a good faith designation that the requested material is confidential commercial information, or

(2) OPM has reason to believe that the requested material may be confidential commercial information.

(e) The written notice required in paragraph (d) of this section shall either describe the confidential commercial material requested or include as an attachment, copies or pertinent portions of the records.

(f) Whenever OPM provides the notification and opportunity to object required by paragraphs (d) and (h) of this section, it will advise the requester that notice and an opportunity to object are being provided to the submitter.

(g) The notice requirements of paragraph (d) of this section shall not apply if:

(1) OPM determines that the information should not be disclosed;

(2) The information has been lawfully published or officially made available to the public;

(3) Disclosure of the information is required by law (other than 5 U.S.C. 552);

(4) The information was submitted on or after August 20, 1992, and has not been designated by the submitter as exempt from disclosure in accordance with paragraph (c) of this section, unless OPM has substantial reason to believe that disclosure of the information would result in competitive harm; or

(5) The designation made by the submitter in accordance with paragraph (c) of this section appears obviously frivolous; except that, in such a case, OPM shall, within a reasonable number of days prior to a specified disclosure date, notify the submitter in writing of any final administrative decision to disclose the information.

(h) The notice described in paragraph (d) of this section shall give a submitter a reasonable period from the date of the notice to provide OPM with
a detailed written statement of any objection to disclosure. The statement shall specify all grounds for withholding any of the material under any exemption of the Freedom of Information Act. When Exemption 4 of the FOIA is cited as the grounds for withholding, the specification shall demonstrate the basis for any contention that the material is a trade secret or commercial or financial information that is privileged or confidential. It must also include a specification of any claim of competitive harm, including the degree of such harm, that would result from disclosure. Information provided in response to this paragraph may itself be subject to disclosure under the FOIA. Information provided in response to this paragraph shall also be subject to the designation requirements of paragraph (c) of this section. Failure to object in a timely manner shall be considered a statement of no objection by OPM, unless OPM extends the time for objection upon timely request from the submitter and for good cause shown. The provisions of this paragraph concerning opportunity to object shall not apply to notices of administrative appeals, when the submitter has been previously provided an opportunity to object at the time the request was initially considered.

(i) OPM shall consider carefully a submitter’s objections and specific grounds for nondisclosure, when received within the period of time described in paragraph (h) of this section, prior to determining whether to disclose the information. Whenever OPM decides to disclose the information over the objection of a submitter, OPM shall forward to the submitter a written notice, which shall include:

(1) A statement of the reasons why the submitter’s disclosure objections were not sustained;

(2) A description of the information to be disclosed; and

(3) A specified disclosure date.

(j) OPM will notify both the submitter and the requester of its intent to disclose material a reasonable number of days prior to the specified disclosure date.

(k) Whenever a requester brings suit seeking to compel disclosure of confidential commercial information, OPM shall promptly notify the submitter.

Subpart B—The Public Information Function

§ 294.201 Public information policy.

(a) In addition to the basic policies of the Office relative to the disclosure of information when requested by a member of the public, the Office has an independent public information policy for bringing to the attention of the public through news releases, publications of the Office, or other methods, information concerning the functions of the Office as a Federal agency, and the programs administered by the Office.

(b) The Assistant Director for Public Affairs carries out the public information policy of the Office. In addition, each employee of the Office shall cooperate in carrying out this policy.

[50 FR 3310, Jan. 24, 1985]

Subpart C—Office Operations

§ 294.301 Policy and interpretations.

(a) Statements of Office policy and interpretations of the laws and regulations administered by the Office which the Office has adopted, whether or not published in the Federal Register, are available to the public.

(b) Generally, memoranda, correspondence, opinions, data, staff studies, information received in confidence, and similar documentary material, when prepared for the purpose of internal communication within the Office or between the Office and other agencies, organizations, or persons, are not available to the public.

Subpart D—Cross References

§ 294.401 References.

The table below provides assistance in locating other OPM regulations in title 5 of the Code of Federal Regulations that have provisions on the disclosure of records:
Subpart A—General Provisions

§ 295.101 Scope and purpose.
(a) This part sets forth policies and procedures you must follow when you submit a demand or request to an employee of the U.S. Office of Personnel Management (OPM) to produce official records and information, or provide testimony relating to official information, in connection with a legal proceeding. You must comply with these requirements when you request the release or disclosure of official records and information.
(b) OPM intends these provisions to:
(1) Promote economy and efficiency in its programs and operations;
(2) Minimize the possibility of involving OPM in controversial issues not related to our functions;
(3) Prevent the misuse of OPM employees as involuntary expert witnesses for private interests or as inappropriate expert witnesses as to the state of the law;
(4) Maintain OPM’s impartiality among private litigants where neither OPM nor any other Federal entity is a named party; and
(5) Protect sensitive, confidential information and the deliberative processes of OPM.
(c) In providing for these requirements, OPM does not waive the sovereign immunity of the United States.
(d) This part provides guidance for the internal operations of OPM. It does not create any right or benefits, substantive or procedural, that a party may rely upon in any legal proceeding against the United States.

§ 295.103 Definitions.

Demand means a subpoena, or an order or other command of a court or other competent authority, for the production, disclosure, or release of records or for the appearance and testimony of an OPM employee that is issued in a legal proceeding.

General Counsel means the General Counsel of OPM or a person to whom the General Counsel has delegated authority under this part.

Legal proceeding means any matter before a court of law, administrative board or tribunal, commission, administrative law judge, hearing officer, or other body that conducts a legal or administrative proceeding. Legal proceeding includes all phases of litigation.

(3) Any individual who served or is serving in any consulting or advisory capacity to OPM, whether formal or informal.

(4) Provided, that this definition does not include persons who are no longer employed by OPM and who are retained or hired as expert witnesses or who agree to testify about general matters available to the public, or matters with which they had no specific involvement or responsibility during their employment with OPM.

Records or official records and information mean:
(1) All documents and materials which are OPM agency records under the Freedom of Information Act, 5 U.S.C. 552;
(2) All other documents and materials contained in OPM files; and
(3) All other information or materials acquired by an OPM employee in the performance of his or her official duties or because of his or her official status.

Subpart B—Requests for Testimony and Production of Documents

§ 295.201 General prohibition.

No employee may produce official records and information or provide any testimony relating to official information in response to a demand or request without the prior, written approval of the General Counsel.

§ 295.202 Factors OPM will consider.

The General Counsel, in his or her sole discretion, may grant an employee permission to testify on matters relating to official information, or produce official records and information, in response to an appropriate demand or request. Among the relevant factors that the General Counsel may consider in making this decision are whether:

(a) The purposes of this part are met;

(b) Allowing such testimony or production of records would be necessary to prevent a miscarriage of justice;

(c) OPM has an interest in the decision that may be rendered in the legal proceeding;

(d) Allowing such testimony or production of records would assist or hinder OPM in performing its statutory duties or use OPM resources in a way that will interfere with the ability of OPM employees to do their regular work;
§ 295.203  Filing requirements for demands or requests for documents or testimony.

You must comply with the following requirements whenever you issue demands or requests to an OPM employee for official records and information or testimony.

(a) Your request must be in writing and must be submitted to the General Counsel. If you serve a subpoena on OPM or an OPM employee before submitting a written request and receiving a final determination, OPM will oppose the subpoena on grounds that your request was not submitted in accordance with this subpart.

(b) Your written request must contain the following information:

(1) The caption of the legal proceeding, docket number, and name and address of the court or other authority involved.

(2) A copy of the complaint or equivalent document setting forth the assertions in the case and any other pleading or document necessary to show relevance;

(3) A list of categories of records sought, a detailed description of how the information sought is relevant to the issues in the legal proceeding, and a specific description of the substance of the testimony or records sought;

(4) A statement as to how the need for the information outweighs the need to maintain any confidentiality of the information and outweighs the burden on OPM to produce the records or provide testimony;

(5) A statement indicating that the information sought is not available from another source, from other persons or entities, or from the testimony of someone other than an OPM employee, such as a retained expert;

(6) If testimony is requested, the intended use of the testimony, a general summary of the desired testimony, and a showing that no document could be provided and used in lieu of testimony;

(7) A description of all prior decisions, orders, or pending motions in the case that bear upon the relevance of the requested records or testimony;

(8) The name, address, and telephone number of counsel to each party in the case; and

(9) An estimate of the amount of time that the requester and other parties will require with each OPM employee for time spent by the employee to prepare for testimony, in travel, and for attendance in the legal proceeding.

(c) The Office of Personnel Management reserves the right to require additional information to complete your request where appropriate.

(d) Your request should be submitted at least 45 days before the date that records or testimony is required. Requests submitted in less than 45 days before records or testimony is required
must be accompanied by a written explanation stating the reasons for the late request and the reasons for expedited processing.

(e) Failure to cooperate in good faith to enable the General Counsel to make an informed decision may serve as the basis for a determination not to comply with your request.

§ 295.204 Service of subpoenas or requests.
Subpoenas or requests for official records or information or testimony must be served on the General Counsel, U.S. Office of Personnel Management, 1900 E Street, NW., Washington, DC 20415.

§ 295.205 Processing demands or requests.
(a) After service of a demand or request to testify, the General Counsel will review the demand or request and, in accordance with the provisions of this subpart, determine whether, or under what conditions, to authorize the employee to testify on matters relating to official information and/or produce official records and information.
(b) OPM will process requests in the order in which they are received. Absent exigent or unusual circumstances, OPM will respond within 45 days from the date that we receive it. The time for response will depend upon the scope of the request.
(c) The General Counsel may grant a waiver of any procedure described by this subpart where a waiver is considered necessary to promote a significant interest of OPM or the United States or for other good cause.

§ 295.206 Final determination.
The General Counsel makes the final determination on demands and requests to employees for production of official records and information or testimony. All final determinations are within the sole discretion of the General Counsel. The General Counsel will notify the requester and the court or other authority of the final determination, the reasons for the grant or denial of the demand or request, and any conditions that the General Counsel may impose on the release of records or information, or on the testimony of an OPM employee.

§ 295.207 Restrictions that apply to testimony.
(a) The General Counsel may impose conditions or restrictions on the testimony of OPM employees including, for example, limiting the areas of testimony or requiring the requester and other parties to the legal proceeding to agree that the transcript of the testimony will be kept under seal or will only be used or made available in the particular legal proceeding for which testimony was requested. The General Counsel may also require a copy of the transcript of testimony at the requester’s expense.
(b) OPM may offer the employee’s written declaration in lieu of testimony.
(c) If authorized to testify pursuant to this part, an employee may testify as to facts within his or her personal knowledge, but, unless specifically authorized to do so by the General Counsel, the employee shall not:
(1) Disclose confidential or privileged information;
(2) Testify as to facts when the General Counsel determines such testimony would not be in the best interest of OPM or the United States; or
(3) Testify as an expert or opinion witness with regard to any matter arising out of the employee’s official duties or the functions of OPM unless testimony is being given on behalf of the United States.

§ 295.208 Restrictions that apply to released records.
(a) The General Counsel may impose conditions or restrictions on the release of official records and information, including the requirement that parties to the proceeding obtain a protective order or execute a confidentiality agreement to limit access and any further disclosure. The terms of the protective order or of a confidentiality agreement must be acceptable to the General Counsel. In cases where protective orders or confidentiality agreements have already been executed, OPM may condition the release of official records and information on
§ 295.209 Procedure when a decision is not made prior to the time a response is required.

If a response to a demand or request is required before the General Counsel can make the determination referred to in Sec. 295.206, the General Counsel, when necessary, will provide the court or other competent authority with a copy of this part, inform the court or other competent authority that the demand or request is being reviewed, and seek a stay of the demand or request pending a final determination.

§ 295.210 Procedure in the event of an adverse ruling.

If the court or other competent authority fails to stay the demand, the employee upon whom the demand or request is made, unless otherwise advised by the General Counsel, will appear at the stated time and place, produce a copy of this part, state that the employee has been advised by counsel not to provide the requested testimony or produce documents, and respectfully decline to comply with the demand, citing United States ex rel. Touhy v. Ragen, 340 U.S. 462 (1951). A written response may be offered to a request, or to a demand, if permitted by the court or other competent authority.

Subpart C—Schedule of Fees

§ 295.301 Fees.

(a) Generally. The General Counsel may condition the production of records or appearance for testimony upon advance payment of a reasonable estimate of the costs to OPM.

(b) Fees for records. Fees for producing records will include fees for searching, reviewing, and duplicating records, costs of attorney time spent in reviewing the demand or request, and expenses generated by materials and equipment used to search for, produce, and copy the responsive information. Costs for employee time will be calculated on the basis of the hourly pay of the employee (including all pay, allowance, and benefits). Fees for duplication will be the same as those charged by OPM in its Freedom of Information Act regulations at 5 CFR part 294.

(c) Witness fees. Fees for attendance by a witness will include fees, expenses, and allowances prescribed by the court’s rules. If no such fees are prescribed, witness fees will be determined based upon the rule of the Federal district court closest to the location where the witness will appear. Such fees will include cost of time spent by the witness to prepare for testimony, in travel, and for attendance in the legal proceeding.

(d) Payment of fees. You must pay witness fees for current OPM employees and any records certification fees by submitting to the General Counsel a check or money order for the appropriate amount made payable to the Treasury of the United States. In the case of testimony by former OPM employees, you must pay applicable fees directly to the former employee in accordance with 28 U.S.C. 1821 or other applicable statutes.

(e) Certification (authentication) of copies of records. The U.S. Office of Personnel Management may certify that records are true copies in order to facilitate their use as evidence. If you seek certification, you must request certified copies from OPM at least 45 days before the date they will be needed. The request should be sent to the General Counsel. You will be charged a certification fee of $15.00 for each document certified.

(f) Waiver or reduction of fees. The General Counsel, in his or her sole discretion, may, upon a showing of reasonable cause, waive or reduce any fees in connection with the testimony, production, or certification of records.
(g) De minimis fees. Fees will not be assessed if the total charge would be $10.00 or less.

Subpart D—Penalties

§ 295.401 Penalties.

(a) An employee who discloses official records or information or gives testimony relating to official information, except as expressly authorized by OPM or as ordered by a Federal court after OPM has had the opportunity to be heard, may face the penalties provided in 18 U.S.C. 641 and other applicable laws. Additionally, former OPM employees are subject to the restrictions and penalties of 18 U.S.C. 207 and 216.

(b) A current OPM employee who testifies or produces official records and information in violation of this part may be subject to disciplinary action.

PART 297—PRIVACY PROCEDURES FOR PERSONNEL RECORDS

Subpart A—General Provisions

§ 297.101 Purpose and scope.

This part sets forth the regulations of the U.S. Office of Personnel Management (the Office) to govern the maintenance, protection, disclosure, and amendment of records within the systems of records as defined by the Privacy Act of 1974 (5 U.S.C. 552a), Public Law 93–579.

§ 297.102 Definitions.

In this part, the terms agency, individual, maintain, record, statistical records, and systems of records have the same meanings as defined in the Privacy Act, 5 U.S.C. 552a. In addition:

Access means providing a copy of a record to, or allowing review of the original record by, the data subject or the data subject’s authorized representative, parent, or legal guardian;

Act means the Privacy Act of 1974, Public Law 93–579, 5 U.S.C. 552a, as amended;

Agency means any department or independent establishment in the Executive Branch of the Federal Government, including a Government corporation, of Government-controlled corporation, except those specifically excluded from the Office recordkeeping requirements by statute, this title, or formal agreement between the Office and the agency.
Amendment means the correction, addition, deletion, or destruction of a record or specific portions of a record; Data subject means the individual to whom the information pertains and by whose name or other individual identifier the information is retrieved; Disclosure means providing personal review of a record, or a copy thereof, to someone other than the data subject or the data subject’s authorized representative, parent, or legal guardian; Office means the U.S. Office of Personnel Management; Personnel record means any record concerning an individual which is maintained and used in the personnel management or personnel policy-making process; and System manager means the Office or agency official, designated by the head of the agency, who has the authority to decide Privacy Act matters relative to each system of records maintained by the Office.

§ 297.103 Designations of authority by system manager.

The responsible Office system manager having jurisdiction over a system of records may designate in writing an Office employee to evaluate and issue the Office’s decision on Privacy Act matters relating to either internal, central, or Governmentwide systems of records.

§ 297.104 Types of records.

The Office manages three generic types of personnel records systems:
(a) Internal systems of records are under the Office’s physical control and are established and maintained by the Office solely on its own employees and, when appropriate, on others in contact with the Office regarding matters within its authority.
(b) Centralized systems of personnel records are physically established and maintained by the Office with regard to most current and former Federal employees and some applicants for Federal employment.
(c) Governmentwide systems of personnel records are maintained by the Office, and through Office delegations of authority, by Federal agencies with regard to their own employees or applicants for employment. Although they are Office records, they are in the physical custody of those agencies. Though in the physical custody of agencies, the Office retains authority under its record management authority and under the Privacy Act to decide appeals of initial agency determinations regarding access to and amendment of material in these systems.

§ 297.105 Agency and Office responsibilities for systems of records and applicability of the regulations.

(a) These regulations apply to processing requests from both current and former Office employees for records contained in internal, central, and Governmentwide systems of records managed by the Office.
(b) Agencies are solely and totally responsible for processing requests regarding records maintained in their internal systems of records. Agency regulations, and not these Office regulations, govern the implementation of the Privacy Act for agency internal systems; there is no right of appeal to the Office from an agency’s determination regarding its internal agency records.
(c) For records maintained in the Office’s central systems of records, the data subject should contact the appropriate Office system manager concerning Privacy Act matters. These regulations will apply to inquiries regarding records located in the central systems of records.
(d) For records maintained within the Office’s Governmentwide systems of records, each agency is responsible, unless specifically excepted by the Office, for responding to initial Privacy Act access and amendment requests from its own current employees. For records in Office Governmentwide systems, including those in Official Personnel Folders, Employee Performance Folders, and Employee Medical Folders, the Office is responsible for responding to initial Privacy Act access and amendment requests from former Federal employees.
(e) The procedures in this part apply to all such requests. The procedures in this part also apply to appeals from an agency initial determination regarding
Office of Personnel Management

§ 297.202  Methods of access.

(a) The methods for allowing access to records, when such access has been granted by the Office or agency, are:
(1) Inspection in person in the designated office during the hours specified by the Office or agency; or
(2) Transfer of records at the option of the Office or agency to another more convenient Federal facility.

(b) Generally, Office of Personnel Management offices will not furnish certified copies of records. When copies are to be furnished, they may be provided as determined by the Office and may require payment of any fee levied in accordance with the Office’s established fee schedule.

(c) When the requester seeks to obtain original documentation, the Office reserves the right to limit the request to copies of the original records. Original records should be made available for review only in the presence of the system manager or designee. An agency should consult with the Office when it receives a request for original documentation. Section 2701(a) of title 18 of the United States Code makes it a crime to conceal, mutilate, obliterate, or destroy any record filed in a public office, or to attempt to do so.

§ 297.106  Contact point for Privacy Act matters.

To determine what records the Office maintains in its system of records, requesters must write to the Assistant Director for Workforce Information, Personnel Systems and Oversight Group, Office of Personnel Management, 1900 E Street, NW., Washington, DC 20415. Using the Office’s response, requesters can contact the particular system manager indicated in the Office’s notices of its systems published in the FEDERAL REGISTER for further assistance in determining if the Office maintains information pertaining to them.
§ 297.203 Access by the parent of a minor or by the legal guardian of an individual declared to be incompetent.

(a) A parent, legal guardian, or custodian of a minor, upon presentation of suitable personal identification, may access on behalf of a minor any record pertaining to the minor in a system of records maintained by the Office.

(b) A legal guardian, upon presentation of documentation establishing guardianship, may access on behalf of an individual declared to be incompetent by a court of competent jurisdiction, any record pertaining to that individual in a system of records maintained by the Office.

(c) Minors are not precluded from exercising personally those rights provided them by the Privacy Act.

§ 297.204 Access by the representative of the data subject.

A record may be disclosed to a representative of the individual to whom the record pertains after the system manager receives written authorization from the individual who is the subject of the record.

§ 297.205 Access to medical records.

When a request for access involves medical or psychological records that the system manager believes requires special handling, the requester should be advised that the material will be provided only to a physician designated by the data subject. Upon receipt of the designation and upon verification of the physician’s identity, the records will be made available to the physician, who will have full authority to disclose those records to the data subject when appropriate.

§ 297.206 Fees charged by the Office.

(a) No fees will be charged for search and review time expended by the Office to produce a record, or for making a photostatic copy of the record, or for having it personally reviewed by the data subject, when a record is retrieved from a system of records pertaining to that data subject. Additional copies provided may be charged under the Office's established fee schedule.

(b) When the fees chargeable under this section will amount to more than $25, the requester will be notified and payment of fees may be required before the records are provided.

(c) Remittance should be made by either a personal check, bank draft, or a money order that is made payable to the U.S. Office of Personnel Management and addressed to the appropriate system manager.

§ 297.207 Denials of access and appeals with respect to such denials.

(a) If an access request is denied, the Office or agency response will be in writing and will include a statement of the reasons for the denial and the procedures available to appeal the denial, including the name, position title, and address of the Office official responsible for the review.

(b) Nothing in this part should be construed to entitle a data subject the right to access any information compiled in reasonable anticipation of a civil action or proceeding.

(c) For denials of access made under this subpart, the following procedures apply:

(1) For initial denials made by an agency, when the record is maintained in an Office Governmentwide system of records, a request for administrative review should be made only to the Assistant Director for Workforce Information, Personnel Systems and Oversight Group, U.S. Office of Personnel Management, 1900 E Street NW., Washington, DC 20415.

(2) For denials initially made by an Office official, when a record is maintained in an internal or central system of records, a request for administrative review should be made to the Information and Privacy Appeals Counsel, Office of the General Counsel, U.S. Office of Personnel Management, 1900 E Street NW., Washington, DC 20415.

(3) Any administrative review decision that either partially or fully supports the initial decision and denies access to the material the individual originally sought should state the requester’s right to seek judicial review of the final administrative decision.

§ 297.208 Judicial review.

Upon receipt of notification that the denial of access has been upheld on administrative review, the requester has
the right to judicial review of the decision for up to 2 years from the date on which the cause of action arose. Judicial review may be sought in the district court of the United States in the district in which—
(a) The requester resides;
(b) The requester has his or her principal place of business; or
(c) The agency records are situated; or it may be sought in the district court of the District of Columbia.

Subpart C—Amendment of Records

§ 297.301 General provisions.
(a) Individuals may request, in writing, the amendment of their records maintained in an Office system of records by contacting the appropriate system manager. The Office or agency will require proof of identity from a requester. The Office or agency reserves the right to determine the adequacy of any such proof. The general identifying items the Office will require a requester to provide when a request is made to the Office are—
(1) Full name, signature, and home address;
(2) Social security number (for systems of records that include this identifier);
(3) Current or last place and dates of Federal employment, when appropriate; and
(4) Date and place of birth.
(b) An individual may be represented by another party when requesting amendment of records.
(c) A request for amendment should include the following:
(1) The precise identification of the records to be amended;
(2) The identification of the specific material to be deleted, added, or changed; and
(3) A statement of the reasons for the request, including all available material substantiating the request.
(d) Requests for amendment of records should include the words “PRIVACY ACT AMENDMENT REQUEST” in capital letters on both the envelope and at the top of the request letter.
(e) A request for administrative review of an agency denial to amend a record in the Office’s systems of records should be addressed to the Assistant Director for Workforce Information, Personnel Systems and Oversight Group, U.S. Office of Personnel Management, 1900 E Street NW., Washington, DC 20415.
(f) A request for administrative review of a denial to amend a record by an Office official should be addressed to the Information and Privacy Appeals Counsel, Office of the General Counsel, U.S. Office of Personnel Management, 1900 E Street NW., Washington, DC 20415.
(g) The burden of proof demonstrating the appropriateness of the requested amendment rests with the requester; and, the requester must provide relevant and convincing evidence in support of the request.

§ 297.302 Time limits.
The system manager should acknowledge receipt of an amendment request within 10 working days and issue a determination as soon as practicable. This timeframe begins when the request is received by the proper Office or agency official.

§ 297.303 Applicability of amendment provisions.
(a) The amendment procedures are not intended to allow a challenge to material that records an event that actually occurred nor are they designed to permit a collateral attack upon that which has been or could have been the subject of a judicial, quasi-judicial, or administrative proceeding. The amendment procedures are also not designed to change opinions in records pertaining to the individual.
(b) The amendment procedures apply to situations when an occurrence that is documented was challenged through an established judicial, quasi-judicial, or administrative procedure and found to be inaccurately described; when the document is not identical to the individual’s copy; or when the document is not created in accordance with the applicable recordkeeping requirements. (For example, the amendment provisions are not designed to allow a challenge to the merits of an agency adverse action that is documented in an individual’s Official Personnel Folder.)
§ 297.304 Approval of requests to amend records.

(a) If the system manager determines that amendment of a record is appropriate, the system manager will take the necessary steps to have the necessary changes made and will see that the individual receives a copy of the amended record.

(b) When practicable and appropriate, the system manager will advise all prior recipients of the fact that an amendment of a record has been made.

§ 297.305 Denial of requests to amend records.

(a) If the Office or agency system manager decides not to amend the record in the manner sought, the requester should be notified in writing of the reasons for the denial.

(b) The decision letter should also include the requester’s right to appeal the denial and the procedures for appealing the denial to the appropriate official.

§ 297.306 Appeal of a denial of a request to amend a record.

(a) An individual who disagrees with an initial denial to amend a record may file a written appeal of that denial to the appropriate official. In submitting an appeal, the individual should provide a copy of the original request for amendment, a copy of the initial denial decision, and a statement of the specific reasons why the initial denial is believed to be in error. Any appeal should be submitted to the official designated in the initial decision letter. The appeal should include the words “PRIVACY ACT APPEAL” in capital letters on the envelope and at the top of the letter of appeal.

(b) The reviewing official should complete the review and make a final determination in writing no later than 30 working days from the date on which the appeal is received. When circumstances warrant, this timeframe may be extended.

(c) If the Office grants the appeal, it will take the necessary steps either to amend the record itself or to require the originating agency to amend the record. When appropriate and possible, prior recipients of the record should be notified of the Office’s action.

(d) The Office reserves the right to hold in abeyance any Privacy Act appeal concerning a record when an individual is involved in challenging an action involving that record in another administrative, judicial, or quasi-judicial forum. At the conclusion of such a challenge, the individual can resubmit the appeal.

(e) If the Office denies the appeal, it will include in the decision letter notification of the appellant’s right to judicial review.

§ 297.307 Statement of disagreement.

(a) Upon receipt of a final administrative determination denying a request to amend a record, the requester may file a concise statement of disagreement. Such a statement should be filed with the appropriate system manager and should include the reasons why the requester believes the decision to be incorrect.

(b) The statement of disagreement should be maintained with the record to be amended and any disclosure of the record must include a copy of the statement of disagreement.

(c) When practicable and appropriate, the system manager should provide a copy of the statement of disagreement to any individual or agency to whom the record was previously disclosed as noted by the disclosure accounting.

§ 297.308 Judicial review.

Upon receipt of notification that the denial to amend a record has been upheld on administrative review, the requester has the right to judicial review of the decision for up to 2 years from the date the cause of action arose. Judicial review may be sought in the district court of the United States in the district in which—

(a) The requester resides;

(b) The requester has his or her principal place of business; or

(c) The agency records are situated; or it may be sought in the district court of the District of Columbia.

Subpart D—Disclosure of Records

§ 297.401 Conditions of disclosure.

An official or employee of the Office or agency should not disclose a record
retrieved from a Governmentwide system of records to any person, another agency, or other entity without the express written consent of the subject individual unless disclosure is—

(a) To officers or employees of the Office who have a need for the information in the performance of their duties.

(b) Required by the provisions of the Freedom of Information Act.

(c) For a routine use as published in the FEDERAL REGISTER.

(d) To the Bureau of the Census for uses pursuant to title 13 of the United States Code.

(e)(1) To a recipient who has provided the agency with advance adequate written assurance that the record will be used solely as a statistical research or reporting record. The record will be transferred in a form that is not individually identifiable. The written statement should include as a minimum:

(i) A statement of the purpose for requesting the records; and

(ii) Certification that the records will be used only for statistical purposes.

(2) These written statements should be maintained as records. In addition to deleting personal identifying information from records released for statistical purposes, the system manager will reasonably ensure that the identity of the individual cannot be deduced by combining various statistical records.

(f) To the National Archives of the United States as a record that has sufficient historical or other value to warrant its continued preservation by the United States Government, or for evaluation by the Archivist of the United States or his or her designee to determine whether the record has such value.

(g) To another agency or instrumentality of any governmental jurisdiction within or under the control of the United States for a civil or criminal law enforcement activity if the activity is authorized by law, and if the head of the agency or instrumentality or his designated representative has made a written request to the Office or agency that maintains the record specifying the particular portion desired and the law enforcement activity for which the record is sought.

(h) To a person showing compelling circumstances affecting the health and safety of an individual, not necessarily the individual to whom the record pertains. Upon such disclosure, a notification should be sent to the last known address of the subject individual.

(i) To the Congress or to a Congressional committee, subcommittee, or joint committee to the extent that the subject matter falls within its established jurisdiction.

(j) To the Comptroller General or any authorized representatives of the Comptroller General in the course of the performance of the duties of the General Accounting Office.

(k) Pursuant to the order of a court of competent jurisdiction.

(l) To a consumer reporting agency in accordance with section 3711 (f) of title 31 of the United States Code.

§ 297.402 Disclosure pursuant to a compulsory legal process served on the Office.

For purposes of this section, the Office considers that a subpoena signed by a judge is equivalent to a court order.

(a) The Office may disclose, without prior consent of the data subject, specified information from a system of records whenever such disclosure is pursuant to an order signed by the appropriate official of a court of competent jurisdiction or quasi-judicial agency. In this subpart, a court of competent jurisdiction includes the judicial system of a state, territory, or possession of the United States.

(b) Notice of the order will be provided to the data subject by the Office as soon as practicable after service of the order. The notice should be mailed to the last known address of the individual and state the name and number of the case or proceeding, and the nature of the information sought.

(c) Before complying or refusing to comply with the order, an official with authority to disclose records under this subpart should consult legal counsel to ensure that the response is appropriate.

(d) Before responding to the order or subpoena signed by a judge, an official with authority to disclose records
§ 297.403 Accounting of disclosure.

(a) The Office or agency will maintain a record of disclosures in cases where records about the individual are disclosed from an Office system of records except—

1. When the disclosure is made pursuant to the Freedom of Information Act, as amended (5 U.S.C. 552); or

2. When the disclosure is made to those officers and employees of the Office or agency who have a need for the record in the performance of their duties.

(b) This accounting of the disclosures will be retained for at least 5 years or for the life of the record, whichever is longer, and will contain the following information:

1. A brief description of the record disclosed;

2. The date, nature, and purpose for the disclosure; and

3. The name and address of the purpose, agency, or other entity to whom the disclosure is made.

(c) Except for the accounting of disclosure made to agencies, individuals, or entities in law enforcement activities or disclosures made from the Office’s exempt systems of records, the accounting of disclosures will be made available to the data subject upon request in accordance with the access procedures of this part.

Subpart E—Exempt Records

§ 297.501 Exemptions.

(a) Several of the Office’s internal, central, and Governmentwide systems of records contain information for which exemptions appearing at 5 U.S.C. 552a(k) (1), (2), (3), (5), and (6) may be claimed. The systems of records for which the exemptions are claimed, the specific exemptions determined to be
necessary and proper with respect to these systems of records, the records exempted, the provisions of the act from which they are exempted, and the justifications for the exemptions are set forth below.

(b) Specific exemptions—(1) Inspector General Investigations Case File Records (OPM/CENTRAL–4). All information in these records that meets the criteria stated in 5 U.S.C. 552a(k) (1), (2), (3), (4), (5), (6), and (7) is exempt from the requirements of 5 U.S.C. 552a(c)(3) and (d). These provisions of the Privacy Act relate to making accountings of disclosures available to the data subject and access to and amendment of records. The specific applicability of the exemptions to this system and the reasons for the exemptions are as follows:

(i) Inspector General investigations may contain properly classified information that pertains to national defense and foreign policy obtained from other systems or another Federal agency. Application of exemption (k)(1) may be necessary to preclude the data subject’s access to and amendment of such classified information under 5 U.S.C. 552a(d).

(ii) Inspector General investigations may contain investigatory material compiled for law enforcement purposes other than material within the scope of 5 U.S.C. 552a(j)(2); e.g., investigations into the administration of the merit system. Application of exemption (k)(2) may be necessary to preclude the data subject’s access to or amendment of such records under 5 U.S.C. 552(a)(3) and (d).

(iii) Inspector General investigations may contain information obtained from another system or Federal agency that relates to providing protective services to the President of the United States or other individuals pursuant to 18 U.S.C. 3056. Application of exemption (k)(3) may be necessary to preclude the data subject’s access to and amendment of such records under 5 U.S.C. 552a(d).

(iv) Inspector General case files may contain information that, by statute, is required to be maintained and used solely as a statistical record. Application of exemption (k)(4) may be necessary to ensure compliance with such a statutory mandate.

(v) All information about individuals in these records that meets the criteria stated in 5 U.S.C. 552a(k)(5) is exempt from the requirements of 5 U.S.C. 552a(c)(3) and (d). This exemption is claimed because this system contains investigatory material that if disclosed may reveal the identity of a source who furnished information to the Government under an express promise that the source’s identity would be held in confidence or, prior to September 27, 1975, under an implied promise. The application of exemption (k)(5) will be required to honor promises of confidentiality should the data subject request access to or amendment of the records, or access to the accounting of disclosures of the record.

(vi) All information in these records that meets the criteria stated in 5 U.S.C. 552a(k)(6) is exempt from the requirements of 5 U.S.C. 552a(d) relating to access to and amendment of records by the data subject. This exemption is claimed because portions of a case file record may relate to testing and examining material used solely to determine individual qualifications for appointment or promotion in the Federal service. Access to or amendment of this information by the data subject would compromise the objectivity and fairness of the testing or examining process.

(vii) Inspector General case files may contain evaluation material used to determine potential for promotion in the armed services. Application of exemption (k)(7) may be necessary, but only to the extent that the disclosure of the data would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or, prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence.

(2) Administrative Law Judge Applicant Records (OPM/CENTRAL–6). (i) All information about individuals in these records that meets the criteria stated in 5 U.S.C. 552a(k)(5) is exempt from the requirements of 5 U.S.C. 552a(c)(3) and (d). The exemptions are claimed because this system contains investigatory material compiled solely for determining suitability, eligibility,
§ 297.501

qualifications for Federal civilian employment. To the extent that the disclosure of such material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence or, prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence, the application of exemption (k)(5) will be required to honor promises of confidentiality should the data subject request access to the accounting of disclosures of the record, or access to or amendment of the record.

(ii) All information in these records that meets the criteria stated in 5 U.S.C. 552a(k)(6) is exempt from the requirements of 5 U.S.C. 552a(d), relating to access to and amendment of the records by the data subject. This exemption is claimed because portions of this system relate to testing and examining materials used solely to determine individual qualifications for appointment or promotion in the Federal service. Access to or amendment of this information by the data subject would compromise the objectivity and fairness of the testing or examining process.

(3) Litigation and Claims Records (OPM/CENTRAL-7). (i) When litigation or claim cases occur, information from other existing systems of records may be incorporated into the case file. This information may be material for which exemptions have been claimed by the Office in this section. To the extent that such exempt material is incorporated into a litigation or claim case file, the appropriate exemption (5 U.S.C. 552a(k)(1), (2), (3), (4), (5), (6), or (7)) shall also apply to the material as it appears in this system. The exemptions will be only from those provisions of the Act that were claimed for the systems from which the records originated.

(ii) During the course of litigation or claims cases, it may be necessary to conduct investigations to develop information and evidence relevant to the case. These investigative records may include material meeting the criteria stated in 5 U.S.C. 552a(k)(1), (2), (3), (4), (5), (6), and (7). Such material is exempt from the requirement of 5 U.S.C. 552a(c)(3) and (d). These provisions of the Act relate to making accounting of disclosures available to the data subject and access to and amendment of records. The specific applicability of the exemptions to this system and the reasons for the exemptions are:

(A) Such investigations may contain properly classified information that pertains to national defense and foreign policy obtained from another Federal agency. Application of exemption (k)(1) may be necessary to preclude the data subject’s access to and amendment of such classified information under 5 U.S.C 552a(d).

(B) Such investigations may contain investigatory material compiled for law enforcement purposes rather than material within the scope of 5 U.S.C. 552a(j)(2), e.g., administration of the merit system, obtained from another Federal agency. All information about individuals in these records that meets the criteria of 5 U.S.C 552a(k)(2) is exempt from the requirements of 5 U.S.C. 552a(c)(3) and (d). Application of exemption (k)(2) may be necessary to preclude the data subject’s access to or amendment of those records.

(C) Such investigations may contain information obtained from another agency that relates to providing protective services to the President of the United States or other individuals pursuant to 18 U.S.C. 3056. All information about individuals in these records that meets the criteria of 5 U.S.C. 552a(k)(3) is exempt from the requirements of 5 U.S.C. 552a(d), relating to access to or amendment of records by the data subject. Application of exemption (k)(3) may be necessary to preclude the data subject’s access to and amendment of such records.

(D) Such investigations may contain information that, by statute, is required to be maintained and used solely as a statistical record. Application of exemption (k)(4) may be necessary to ensure compliance with such a statutory mandate.

(E) All information about individuals in these records that meets the criteria stated in 5 U.S.C. 552a(k)(5) is exempt from the requirements of 5 U.S.C. 552a(c)(3) and (d). These exemptions are claimed because this system contains investigatory material compiled solely
Office of Personnel Management

§ 297.501

for determining suitability, eligibility, and qualifications for Federal civilian employment. To the extent that the disclosure of such material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or, prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence, the application of exemption (k)(5) will be required to honor such a promise should the data subject request access to the accounting of disclosure, or access to or amendment of the record, that would reveal the identity of a confidential source.

(F) All information in these records that meets the criteria stated in 5 U.S.C. 552a(k)(6) is exempt from the requirements of 5 U.S.C. 552a(d), relating to access to and amendment of the records by the data subject. This exemption is claimed because portions of this system relate to testing or examining materials used solely to determine individual qualifications for appointment or promotion in the Federal service. Access to or amendment by the data subject of this information would compromise the objectivity and fairness of the testing or examining process.

(G) Such investigations may contain evaluation material used to determine potential for promotion in the armed services. Application of exemption (k)(7) may be necessary, but only to the extent that the disclosure of the data would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or, prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence.

(4) Privacy Act/Freedom of Information Case Records (OPM/CENTRAL–4). In this subpart, the Office has claimed exemptions for its other systems of records where it felt such exemptions are appropriate and necessary. These exemptions are claimed under 5 U.S.C. 552a(k)(1), (2), (3), (4), (5), (6) and (7). During the processing of a Privacy Act/Freedom of Information Act request (which may include access requests, amendment requests, and requests for review for initial denials of such requests) exempt materials from those other systems may in turn become part of the case record in this system. To the extent that copies of exempt records from those other systems are entered into this system, the Office hereby claims the same exemptions for the records from those other systems that are entered into this system, as claimed for the original primary system of which they are a part.

(5) Personnel Investigations Records (OPM/CENTRAL–9). All information in these records that meets the criteria stated in 5 U.S.C. 552a(k)(1), (2), (3), (4), (5), (6), and (7) is exempt from the requirements of 5 U.S.C. 552a(c)(3) and (d). These provisions of the Privacy Act relate to making accountings of disclosures available to the data subject and access to and amendment of records. The specific applicability of the exemptions to this system and the reasons for the exemptions are as follows:

(i) Personnel investigations may contain properly classified information which pertains to national defense and foreign policy obtained from another Federal agency. Application of exemption (k)(1) may be necessary to preclude the data subject’s access to and amendment of such classified information under 5 U.S.C. 552a(d).

(ii) Personnel investigations may contain investigatory material compiled for law enforcement purposes other than material within the scope of 5 U.S.C. 552a(j)(2); e.g., investigations into the administration of the merit system. Application of exemption (k)(2) may be necessary to preclude the data subject’s access to or amended of such records under 5 U.S.C. 552a(c)(3) and (d).

(iii) Personnel investigations may contain information obtained from another Federal agency that relates to providing protective services to the President of the United States or other individuals pursuant to 18 U.S.C. 3056. Application of exemption (k)(3) may be necessary to preclude the data subject’s access to and amendment of such records under 5 U.S.C. 552a(d).

(iv) Personnel investigations may contain information that, by statute, is required to be maintained and used
solely as a statistical record. Application of exemption (k)(4) may be necessary to ensure compliance with such a statutory mandate.

(v) All information about individuals in these records that meets the criteria stated in 5 U.S.C. 552a(k)(5) is exempt from the requirements of 5 U.S.C. 552a(c)(3) and (d). These exemptions are claimed because this system contains investigatory material compiled solely for determining suitability, eligibility, and qualifications for Federal civilian employment. To the extent that the disclosure of material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, the applicability of exemption (k)(5) will be required to honor promises of confidentiality should the data subject request access to or amendment of the record, or access to the accounting of disclosures of the record.

(vi) All information in these records that meets the criteria stated in 5 U.S.C. 552a(k)(6) is exempt from the requirements of 5 U.S.C. 552a(d), relating to access to and amendment of records by the data subject. This exemption is claimed because portions of this system relate to testing or examining materials used solely to determine individual qualifications for appointment or promotion in the Federal service. Access to or amendment of this information by the data subject would compromise the objectivity and fairness of the testing or examining process.

(vii) Personnel Investigations may contain evaluation material used to determine potential for promotion in the armed services. Application of exemption (k)(7) may be necessary, but only to the extent that the disclosure of the data would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or, prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence.

(6) Presidential Management Fellows Program Records (OPM/CENTRAL–11). All information in these records that meets the criteria stated in 5 U.S.C. 552a(k)(6) is exempt from the requirements of 5 U.S.C. 552a(d), relating to access to and amendment of records by the data subject. This exemption is claimed because portions of this system relate to testing or examining materials used solely to determine individual qualifications for appointment or promotion in the Federal service.

(7) Recruiting, Examining, and Placement Records (OPM/GOVT–5). (i) All information about individuals in these records that meets the criteria stated in 5 U.S.C. 552a(k)(5) is exempt from the requirements of 5 U.S.C. 552a(c)(3) and (d). These provisions of the Privacy Act relate to making accountings of disclosures available to the data subject and access to or amendment of records. These exemptions are claimed because this system contains investigatory material compiled solely for determining the appropriateness of a request for approval of an objection to an eligible’s qualification for employment in the Federal service. To the extent that the disclosure of such material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence, the applicability of exemption (k)(5) will be required to honor promises of confidentiality should the data subject request access to the accounting of disclosures of the record, or access to or amendment of the record.

(ii) All information in these records that meets the criteria stated in 5 U.S.C. 552a(k)(6) is exempt from the requirements of 5 U.S.C. 552a(d), relating to access to an amendment of records by the subject. This exemption is claimed because portions of this system relate to testing or examining materials used solely to determine individual qualifications for appointment or promotion in the Federal service.
and access to or amendment of this information by the data subject would compromise the objectivity and fairness of the testing or examining process.

(b) Personnel Research and Test Validation Records (OPM/GOVT–6). (i) All information in these records that meets the criteria stated in 5 U.S.C. 552a(k)(6) is exempt from the requirements of 5 U.S.C. 552a(d), relating to access to and amendment of the records by the data subject. This exemption is claimed because portions of this system relate to testing or examining materials used solely to determine individual qualifications for appointment or promotion in the Federal service. Access to or amendment of this information by the data subject would compromise the objectivity and fairness of the testing or examining process.

(ii) All information in these records that meets the criteria stated in 5 U.S.C. 552a(k)(4) is exempt from the requirements of 5 U.S.C. 552a(d), relating to access to or amendment of the records by the data subject. This exemption is claimed because portions of this system relate to records required by statute to be maintained and used solely for statistical purposes. Access to or amendment of this information by the data subject would compromise the confidentiality of these records and their usefulness for statistical research purposes.

(c) The Office also reserves the right to assert exemptions for records received from another agency that could be properly claimed by that agency in responding to a request. The Office may refuse access to information compiled in reasonable anticipation of a civil action or proceeding.

§ 300.101 Purpose.

The purpose of this subpart is to establish principles to govern, as nearly as is administratively feasible and practical, the employment practices of the Federal Government generally, and of individual agencies, that affect the recruitment, measurement, ranking, and selection of individuals for initial appointment and competitive promotion in the competitive service or in positions in the government of the District of Columbia required to be filled in the same manner that positions in the competitive service are filled. For the purpose of this subpart, the term “employment practices” includes the development and use of examinations, qualification standards, tests, and other measurement instruments.

[36 FR 15447, Aug. 14, 1971]

§ 300.102 Policy.

This subpart is directed to implementation of the policy that competitive employment practices:

(a) Be practical in character and as far as possible relate to matters that fairly test the relative capacity and fitness of candidates for the jobs to be filled;

(b) Result in selection from among the best qualified candidates;

(c) Be developed and used without discrimination on the basis of race, color, religion, sex (including pregnancy and gender identity), national origin, age (as defined by the Age Discrimination in Employment Act of 1967, as amended), disability, genetic information (including family medical history), marital status, political affiliation, sexual orientation, labor organization affiliation or nonaffiliation, status as a parent, or any other non-merit-based factor, or retaliation for exercising rights with respect to the categories enumerated above, where retaliation rights are available.

(d) Insure to the candidate opportunity for appeal or administrative review, as appropriate.

[40 FR 15379, Apr. 7, 1975, as amended at 79 FR 43922, July 29, 2014]

§ 300.103 Basic requirements.

(a) Job analysis. Each employment practice of the Federal Government generally, and of individual agencies, shall be based on a job analysis to identify:

(1) The basic duties and responsibilities;

(2) The knowledges, skills, and abilities required to perform the duties and responsibilities; and

(3) The factors that are important in evaluating candidates. The job analysis may cover a single position or group of positions, or an occupation or group of occupations, having common characteristics.

(b) Relevance. (1) There shall be a rational relationship between performance in the position to be filled (or in the target position in the case of an entry position) and the employment practice used. The demonstration of rational relationship shall include a showing that the employment practice was professionally developed. A minimum educational requirement may not be established except as authorized under section 3308 of title 5, United States Code.

(2) In the case of an entry position the required relevance may be based upon the target position when—

(i) The entry position is a training position or the first of a progressive series of established training and development positions leading to a target position at a higher level; and

(ii) New employees, within a reasonable period of time and in the great majority of cases, can expect to progress to a target position at a higher level.

(c) Equal employment opportunity and prohibited forms of discrimination. An employment practice must not discriminate on the basis of race, color, religion, sex (including pregnancy and gender identity), national origin, age (as defined by the Age Discrimination
in Employment Act of 1967, as amended), disability, genetic information (including family medical history), marital status, political affiliation, sexual orientation, labor organization affiliation or nonaffiliation, status as a parent, or any other non-merit-based factor, or retaliation for exercising rights with respect to the categories enumerated above, where retaliation rights are available. Employee selection procedures shall meet the standards established by the “Uniform Guidelines on Employee Selection Procedures,” where applicable.

§ 300.104 Appeals, grievances and complaints.

(a) Employment practices. A candidate who believes that an employment practice which was applied to him or her by the Office of Personnel Management violates a basic requirement in § 300.103 is entitled to appeal to the Merit Systems Protection Board under the provisions of its regulations.

(b) Examination ratings. A candidate may file an appeal with the Office from his or her examination rating or the rejection of his or her application, except that, where the Office has delegated examining authority to an agency, the candidate should appeal directly to that agency. The appeal and supporting documents shall be filed with the agency office that determined the rating.

(c) Complaints and grievances to an agency. (1) A candidate may file a complaint with an agency when he or she believes that an employment practice that was applied to him or her and that is administered by the agency discriminates against him or her on the basis of race, color, religion, sex (including pregnancy and gender identity), national origin, age (as defined by the Age Discrimination in Employment Act of 1967, as amended), disability, genetic information (including family medical history), or retaliation for exercising rights with respect to the categories enumerated above, where retaliation rights are available. The complaint must be filed and processed in accordance with the agency EEO procedures, as appropriate.

(2) Except as provided in paragraph (c)(1) of this section, an employee may file a grievance with an agency when he or she believes that an employment practice which was applied to him or her and which is administered or required by the agency violates a basic requirement in § 300.103. The grievance shall be filed and processed under an agency grievance system, if applicable, or a negotiated grievance system as applicable.

Subpart B—Examinations and Related Subjects

§ 300.201 Examinations.

(a) The Office makes available information that will assist members of the public in understanding the purpose of, and preparing for, civil service examinations. This includes the types of questions and the categories of knowledge or skill pertinent to a particular examination. The Office does not release the following: (1) Testing and examination materials used solely to determine individual qualifications, and (2) test material, including test plans, item analysis data, criterion instruments, and other material the disclosure of which would compromise the objectivity of the testing process.

(b) The Office maintains control over the security and release of testing and examination materials which it has developed and made available to agencies for initial competitive appointment or inservice use unless the materials were developed specifically for an agency through a reimbursable contractual agreement. These testing and examination materials include, and are subject to the same controls as, those described in paragraphs (a)(1) and (a)(2) of this section.

(c) Each employee entrusted with test material has a positive duty to protect the confidentiality of that material and to assure release only as required to conduct an examination authorized by the Office.

(d) An applicant may review his or her own answers in a written test, but only in the presence of an employee of
the Office or, for the convenience of the Office and requester, in the presence of an employee of another agency designated by OPM. The applicant may not review a test booklet in connection with this review.

c) The Office will release information concerning the results of examinations only to the individual concerned, or to parties explicitly designated by the individual.

d) The Office will not reveal the names of applicants for civil service positions or eligibles on civil service registers, certificates, employment lists, or other lists of eligibles, or their ratings or relative standings.

[50 FR 3312, Jan. 24, 1985, as amended at 60 FR 3057, Jan. 13, 1995]

Subpart C—Details of Employees

§ 300.301 Authority.

(a) In accordance with 5 U.S.C. 3341, an agency may detail an employee in the competitive service to a position in either the competitive or excepted service.

(b) In accordance with 5 U.S.C. 3341, an agency may detail an employee in the excepted service to a position in the excepted service and may also detail an excepted service employee serving under Schedule A, Schedule B, or a Veterans Recruitment Appointment, to a position in the competitive service.

(c) Any other detail of an employee in the excepted service to a position in the competitive service may be made only with the prior approval of the Office of Personnel Management or under a delegated agreement between the agency and OPM.

Subpart D—Use of Commercial Recruiting Firms and Nonprofit Employment Services

Source: 53 FR 51222, Dec. 21, 1988, unless otherwise noted.

§ 300.401 Definitions.

For purposes of this subpart:

(a) A commercial recruiting firm is a profit-making entity which, by contract, supplies individual candidates for consideration for specific Federal vacancies, in accordance with the requirements set by the Federal agency.

(b) A nonprofit employment service is one legally established as nonprofit under State law. It may be operated, for example, by professional societies, organizations of college graduates, social agencies, or a State or local government. Federal agencies may not, however, use a nonprofit employment service sponsored by a partisan political organization. By contract, a nonprofit employment service supplies individual candidates for consideration for specific Federal vacancies, in accordance with the requirements set by the Federal agency.

§ 300.402 Coverage.

This part applies to filling positions in the competitive service; positions in the excepted service under Schedules A, B, and C; and positions in the Senior Executive Service.

[57 FR 10124, Mar. 24, 1992]

§ 300.403 When commercial recruiting firms and nonprofit employment services may be used.

An agency may use a commercial recruiting firm and/or a nonprofit employment service in recruiting for vacancies when:

(a) The agency head or designee determines that such use is likely to provide well-qualified candidates who would otherwise not be available or that well-qualified candidates are in short supply;

(b) The agency has provided vacancy notices to appropriate State Employment Service and OPM offices; and

(c) The agency continues its own recruiting efforts.

§ 300.404 Use of fee-charging firms.

(a) Federal agencies are prohibited from using commercial recruiting firms and nonprofit employment services which charge fees to individuals referred to Federal positions. Federal agencies may not consider a candidate referred by a commercial recruiting firm or nonprofit employment service if the individual has paid or is expected to pay any fee to the firm or service.
(b) The prohibition in paragraph (a) of this section does not apply to registration fees paid by individuals to nonprofit employment services operated by professional organizations when the registration fee is imposed regardless of whether the registrant is referred for employment or placed.

§ 300.405 Requirement for contract.

(a) A written contract awarded in accordance with procedures stipulated in the Federal Acquisition Regulations is required between the Federal agency and a commercial recruiting firm or nonprofit employment service. The contract will satisfy the “written request” required by 18 U.S.C. 211. That statute prohibits the acceptance of payment for aiding an individual to obtain Federal employment except when an employment agency renders services pursuant to the written request of an executive department or agency.

(b) The contract must include the qualifications requirements for the position(s) to be filled and also provide that the firm or service will:

(1) Screen candidates only against the basic qualifications requirements for the position(s) specified by the Federal agency in the contract and refer to the agency all candidates who appear to meet those requirements;

(2) Refer to the Federal agency only those applicants from whom the firm or service has not accepted fees other than those permitted under §300.404(b) of this part;

(3) Not imply that it is the sole or primary avenue for employment with the Federal Government or a specific Federal agency; and

(4) Recruit and refer candidates in accordance with applicable merit principles and equal opportunity laws.

§ 300.406 Agency responsibilities.

(a) The purpose of a commercial recruiting firm or nonprofit employment service is to serve as an additional source of applicants. Once recruited, applicants must be evaluated and appointed through regular civil service employment procedures.

(1) For a competitive service position, an individual must be appointed in accordance with the terms of the applicable appointing authority and the requirements set out in part 302 of this chapter.

(2) For an excepted service position, an individual must be appointed in accordance with the terms of the applicable appointing authority and the requirements set out in part 302 of this chapter.

(3) For a Senior Executive Service position filled by career appointment, an individual must be appointed in accordance with the competitive process described in 5 U.S.C. 3393.

(b) In order to use commercial recruiting firms or nonprofit employment services, agencies are required to:

(1) Make known that applicants may apply directly to the Government and thus need not apply through the commercial recruiting firm or nonprofit employment service;

(2) Give the same consideration to candidates who have applied directly and candidates referred from the commercial recruiting firm or nonprofit employment service; and

(3) Follow all requirements for appointment, including veterans preference, where applicable.

§ 300.407 Documentation.

(a) Agencies are required to maintain records necessary to determine that using commercial recruiting firms or nonprofit employment services is cost effective and has not resulted in the violation of merit system principles or the commission of any prohibited personnel practice.

(b) When requested by OPM, agencies will provide reports on the use of commercial recruiting firms, based on the records required in paragraph (a) of this section.

§ 300.408 Corrective action.

Upon evidence of failure to comply with these regulations, OPM may, pursuant to its authority, order the agency to take appropriate corrective action.

Subpart E—Use of Private Sector Temporaries

SOURCE: 54 FR 3766, Jan. 25, 1989, unless otherwise noted.
§ 300.501 Definitions.

For purposes of this subpart:

(a) A temporary help service firm is a private sector entity which quickly provides other organizations with specific services performed by its pool of employees, possessing the appropriate work skills, for brief or intermittent periods. The firm is the legally responsible employer and maintains that relationship during the time its employees are assigned to a client. The firm, not the client organization, recruits, tests, hires, trains, assigns, pays, provides benefits and leave to, and as necessary, addresses performance problems, disciplines, and terminates its employees. Among other employer obligations, the firm is responsible for payroll deductions and payment of income taxes, social security (FICA), unemployment insurance, and workers’ compensation, and shall provide required liability insurance and bonding.

(b) Private sector temporaries or outside temporaries are those employees of a temporary help service firm who are supervised and paid by that firm and whom that firm assigns to various client organizations who have contracted for the temporary use of their skills when required.

(c) Parental and family responsibilities are defined in OPM issuances and include situations such as absence for pregnancy, childbirth, child care, and care for elderly or infirm parents or other dependents.

(d) A Federal supervisor of Federal employees is defined in 5 U.S.C. 7109(a)(10) as an individual employed by an agency having authority in the interest of the agency to hire, direct, assign, promote, reward, transfer, furlough, layoff, recall, suspend, discipline, or remove employees, to adjust their grievances, or to effectively recommend such action, if the exercise of the authority is not merely routine or clerical in nature but requires the consistent exercise of independent judgment. **

(e) A critical need is a sudden or unexpected occurrence; an emergency; a pressing necessity; or an exigency. Such occasions are characterized by additional work or deadlines required by statute, Executive order, court order, regulation, or formal directive from the head of an agency or subordin-

§ 300.502 Coverage.

(a) These regulations apply to the competitive service and to Schedules A and B in the excepted service.

(b) Agencies may not use temporary help services for the Senior Executive Service or for the work of managerial or supervisory positions.

§ 300.503 Conditions for using private sector temporaries.

An agency may enter into a contract or other procurement arrangement with a temporary help service firm for the brief or intermittent use of the skills of private sector temporaries, when required, and may call for those services, subject to these conditions:

(a) One of the following short-term situations exists—

(1) An employee is absent for a temporary period because of a personal need including emergency, accident, illness, parental or family responsibilities, or mandatory jury service, but not including vacations or other circumstances which are not shown to be compelling in the judgment of the agency, or

(2) An agency must carry out work for a temporary period which cannot be delayed in the judgment of the agency because of a critical need.

(b) The need cannot be met with current employees or through the direct appointment of temporary employees within the time available by the date, and for the duration of time, help is needed. At minimum, this should include an agency determination that there are no qualified candidates on the applicant supply file and on the reemployment priority list (both of which must provide preference for veterans), and no qualified disabled veterans with a compensable service-connected disability of 30 percent or more.
§ 300.505 Relationship of civil service procedures.

Agencies continue to have full authority to meet their temporary needs by various means, for example, redistributing work, authorizing overtime, using in-house pools, and making details or time-limited promotions of current employees. In addition, agencies may appoint individuals as civil service employees on various work schedules appropriate for the work to be performed.

[61 FR 19511, May 2, 1996]
§ 300.506 Requirements of procurement.
(a) Agencies must follow the Federal procurement laws and the Federal Acquisition Regulation, as applicable, in procuring services from the private sector.
(b) Agencies should make full use of the provisions of the Federal procurement system to make clear that the firm is the legally responsible employer and to specify the obligations the firm will have to meet to provide effective performance including such matters as the types and levels of skills to be provided, deadlines for providing service, liability insurance, and, when necessary, security requirements.

The Federal procurement system also requires contractors to comply with affirmative action requirements to employ and advance in employment qualified disabled and Vietnam era veterans as provided in 41 CFR part 60–250, and with public policy programs including equal employment opportunity, handicapped employment, and small businesses.

§ 300.507 Documentation and oversight.
Agencies are required to maintain records and provide oversight to establish that their use of temporary help service firms is consistent with these regulations. As needed, OPM may require agencies to provide information on their use of temporary help service firms.

Subpart F—Time-In-Grade Restrictions

SOURCE: 56 FR 23062, May 20, 1991, unless otherwise noted.

§ 300.601 Purpose.
The restrictions in this subpart are intended to prevent excessively rapid promotions in competitive service General Schedule positions and to protect competitive principles. They provide a budgetary control on promotion rates and help assure that appointments are made from appropriate registers. These restrictions are in addition to the eligibility requirements for promotion in part 335 of this chapter.

§ 300.602 Definitions.
In this subpart—
Advancement means a promotion (including a temporary promotion) or any type of appointment resulting in a higher grade or higher rate of basic pay.
Competitive appointment means an appointment based on selection from a competitive examination register of eligibles or under a direct hire authority.
Hardship to an agency involves serious difficulty in filling a position, including when:
(a) The situation to be redressed results from circumstances beyond the organization’s control and otherwise would require extensive corrective action; or
(b) A position at the next lower grade in the normal line of promotion does not exist and the resulting action is not a career ladder promotion; or
(c) There is a shortage of candidates for the position to be filled.
Inequity to an employee involves situations where a position is upgraded without change in the employee’s duties or responsibilities, or where discrimination or administrative error prevented an employee from reaching a higher grade.
Nontemporary appointment means any appointment other than a temporary appointment pending establishment of a register (TAPER) or a temporary or excepted appointment not to exceed 1 year or less.

§ 300.603 Coverage.
(a) Coverage. This subpart applies to advancement to a General Schedule position in the competitive service by any individual who within the previous 52 weeks held a General Schedule position under nontemporary appointment in the competitive or excepted service in the executive branch, unless excluded by paragraph (b) of this section.
(b) Exclusions. The following actions may be taken without regard to this subpart but must be consistent with all other applicable requirements, such as qualification standards:
(1) Appointment based on selection from a competitive examination register of eligibles or under a direct hire authority.

(2) Noncompetitive appointment based on a special authority in law or Executive order (but not including transfer and reinstatement) made in accordance with all requirements applicable to new appointments under that authority.

(3) Advancement in accordance with part 335 of this chapter up to any General Schedule grade the employee previously held under nontemporary appointment in the competitive or excepted service.

(4) Advancement of an employee from a non-General Schedule position to a General Schedule position unless the employee held a General Schedule position under nontemporary appointment in the executive branch within the previous 52 weeks.

(5) Advancement of an individual whose General Schedule service during the previous 52 weeks has been totally under temporary appointment.

(6) Advancement of an employee under a training agreement established in accordance with OPM's operating manuals. However, an employee may not receive more than two promotions in any 52-week period solely on the basis of one or more training agreements. Also, only OPM may approve a training agreement that provides for consecutive promotions at rates that exceed those permitted by §300.604 of this part.

(7) Advancement to avoid hardship to an agency or inequity to an employee in an individual meritorious case but only with the prior approval of the agency head or his or her designee. However, an employee may not be promoted more than three grades during any 52-week period on the basis of this paragraph.

(8) Advancement when OPM authorizes it to avoid hardship to an agency or inequity to an employee in individual meritorious situations not defined, but consistent with the definitions, in §300.602 of this part.

§ 300.606 Agency authority.

An agency may expand on these restrictions consistent with the intent of this subpart or may adopt similar policies to control promotion rates of employees not covered by this subpart.

Subpart G—Statutory Bar to Appointment of Persons Who Fail To Register Under Selective Service Law

SOURCE: 52 FR 7400, Mar. 11, 1987, unless otherwise noted.

§ 300.701 Statutory requirement.

Section 3328 of title 5 of the United States Code provides that—

(a) An individual—

(1) Who was born after December 31, 1959, and is otherwise required to register under section 3 of the Military Selective Service Act (50 U.S.C. App. 453); and

(2) Who is not so registered or knowingly and willfully did not so register before the requirement terminated or became inapplicable to the individual, shall be ineligible for appointment to a position in an executive agency of the Federal Government.

(b) The Office of Personnel Management, in consultation with the Director of the Selective Service System, shall prescribe regulations to carry out this section. Such regulations shall include provisions prescribing procedures for the adjudication within the Office of determinations of whether a failure to register was knowing and willful. Such procedures shall require that such a determination may not be made if the individual concerned shows by a preponderance of the evidence that the failure to register was neither knowing nor willful.

§ 300.702 Coverage.

Appointments in the competitive service, the excepted service, the Senior Executive Service, or any other civil service personnel management system in an executive agency are covered by these regulations.

§ 300.703 Definitions.

In this subpart—

Appointment means any personnel action that brings onto the rolls of an executive agency as a civil service officer or employee as defined in 5 U.S.C. 2104 or 2105, respectively, a person who is not currently employed in that agency. Personnel actions that move an employee within an agency without a break in service are not covered. A break in service is a period of 4 or more calendar days during which an individual is no longer on the rolls of an executive agency.

Covered individual means a male (a) whose application for appointment is under consideration by an executive agency or who is an employee of an executive agency; (b) who was born after December 31, 1959, and is at least 18 years of age or becomes 18 following appointment; (c) who is either a United States citizen or an alien (including parolees and refugees and those who are lawfully admitted to the United States for permanent residence and for asylum) residing in the United States; and (d) is or was required to register under section 3 of the Military Selective Service Act (50 U.S.C. App. 453).

Nonimmigrant aliens admitted under section 101(a)(15) of the Immigration and Nationality Act (8 U.S.C. 1101),
Office of Personnel Management

such as those admitted on visitor or student visas, and lawfully remaining in the United States, are exempt from registration.

Exemptions means those individuals determined by the Selective Service System to be excluded from the requirement to register under sections 3 and 6(a) of the Military Selective Service Act (50 U.S.C. App. 453 and 456(a)) or Presidential proclamation.

Preponderance of the evidence means that degree of relevant evidence that a reasonable person, considering the record as a whole, would accept as sufficient to support a conclusion that the matter asserted is more likely to be true than not true.

Registrant means an individual registered under Selective Service law.

Selective Service law means the Military Selective Service Act, rules and regulations issued thereunder, and proclamations of the President under that Act.

Selective Service System means the agency responsible for administering the registration system and for determining who is required to register and who is exempt.

§ 300.704 Considering individuals for appointment.

(a) An executive agency must request a written statement of Selective Service registration status from each covered individual at an appropriate time during the consideration process prior to appointment, and from each covered employee who becomes 18 after appointment. The individual must complete, sign, and date in ink the statement on a form provided by the agency unless the applicant furnishes other documentation as provided by paragraph (c) of this section.

(b) Statement of Selective Service registration status. Agencies should reproduce the following statement, which has been approved by the Office of Management and Budget for use through October 31, 1989, under OMB Control No. 3206–0166:

APPLICANT’S STATEMENT OF SELECTIVE SERVICE REGISTRATION STATUS

If you are a male born after December 31, 1959, and are at least 18 years of age, civil service employment law (5 U.S.C. 3328) requires that you must be registered with the Selective Service System, unless you meet certain exemptions under Selective Service law. If you are required to register but knowingly and willfully fail to do so, you are ineligible for appointment by executive agencies of the Federal Government.

CERTIFICATION OF REGISTRATION STATUS

Check one:

[ ] I certify I am registered with the Selective Service System.

[ ] I certify I have been determined by the Selective Service System to be exempt from the registration provisions of Selective Service law.

[ ] I certify I have not registered with the Selective Service System.

[ ] I certify I have not reached my 18th birthday and understand I am required by law to register at that time.

NON-REGISTRANTS UNDER AGE 26

If you are under age 26 and have not registered as required, you should register promptly at a United States Post Office, or consular office if you are outside the United States.

NON-REGISTRANTS AGE 26 OR OVER

If you were born in 1960 or later, are 26 years of age or older, and were required to register but did not do so, you can no longer register under Selective Service law. Accordingly, you are not eligible for appointment to an executive agency unless you can prove to the Office of Personnel Management (OPM) that your failure to register was neither knowing nor willful. You may request an OPM determination through the agency that was considering you for employment by returning this statement with your written request for an OPM determination together with any explanation and documentation you wish to furnish to prove that your failure to register was neither knowing nor willful.

PRIVACY ACT STATEMENT

Because information on your registration status is essential for determining whether you are in compliance with 5 U.S.C. 3328, failure to provide the information requested by this statement will prevent any further consideration of your application for appointment. This information is subject to verification with the Selective Service System and may be furnished to other Federal agencies for law enforcement or other authorized use in implementing this law.
§ 300.705 False statement notification

A false statement may be grounds for not hiring you, or for firing you if you have already begun work. Also, you may be punished by fine or imprisonment. (Section 1001 of title 18, United States Code.)

Legal signature of individual (please use ink)

Date signed (please use ink)

(c) At his option, a covered individual may submit, in lieu of the statement described above, a copy of his Acknowledgment Letter or other proof of registration or exemption issued by the Selective Service System. The individual must sign and date the document and add a note stating it is submitted as proof of Selective Service registration or exemption.

d) An executive agency will give no further consideration for appointment to individuals who fail to provide the information requested above on registration status.

e) An agency considering employment of a covered individual who is a current or former Federal employee is not required to request a statement when it determines that the individual’s Official Personnel Folder contains evidence indicating the individual is registered or currently exempt from registration.

§ 300.705 Agency action following statement.

(a) Agencies must resolve conflicts of information and other questions concerning an individual’s registration status prior to appointment. An agency may verify, at its discretion, an individual’s registration status by requesting the individual to provide proof of registration or exemption issued by the Selective Service System and/or by contacting the Selective Service System at 888–655–1825.

(b) An agency may continue regular pre-employment consideration of individuals whose statements show they have registered or are exempt.

(c) An agency will take the following actions when a covered individual who is required to register has not done so, and is under age 26:

1) Advise him to register promptly and, if he wishes further consideration, to submit a new statement immediately to the agency once he has registered. The agency will set a time limit for submitting the statement.

2) Provide written notice to an individual who still does not register after being informed of the above requirements that he is ineligible for appointment according to 5 U.S.C. 3328 and will be given no further employment consideration.

(d) An agency will take the following actions when a covered individual who is age 26 or over, was required to register, and has not done so:

1) Provide written notice to the individual that, in accordance with 5 U.S.C. 3328, he is ineligible for appointment unless his failure to register was neither knowing nor willful, and that OPM will decide whether his failure to register was knowing and willful if he submits a written request for such decision and an explanation of his failure to register.

2) Submit the individual’s application, the statement described in §300.704(b), a copy of the written notice, his request for a decision and explanation of his failure to register, and any other papers pertinent to his registration status for determination to—

(e) Individuals described in paragraph (c) of this section who do not submit a statement of registration or exemption are not eligible for employment consideration. Individuals described in paragraph (d) of this section are not eligible for employment consideration unless OPM finds that failure to register was neither knowing nor willful. Agencies are not required to follow the objections-to-eligibles procedures described in §332.406 concerning such individuals who were certified or otherwise referred by an OPM examining office or other office delegated examining authority by OPM. Instead, an agency will provide, for information as part of its certification report to that office, a
§ 300.706 Office of Personnel Management adjudication.

(a) OPM will determine whether failure to register was knowing and willful when an individual has requested a decision and presented a written explanation, as described in § 300.705. The Associate Director for Career Entry or his or her designee will make the determination based on the written explanation provided by the individual. The burden of proof will be on the individual to show by a preponderance of the evidence that failure to register was neither knowing nor willful.

(b) OPM may consult with the Selective Service System in making determinations.

(c) The Associate Director for Career Entry or his or her designee will notify the individual and the agency in writing of the determination. The determination is final unless reconsidered at the discretion of the Associate Director. There is no further right to administrative review.

(d) The Director of OPM may reopen and reconsider a determination.

(e) The Director of OPM may, at his or her discretion, delegate to an executive agency the authority to make initial determinations. However, OPM may review any initial determination and make a final adjudication in any case. If a delegation is made under this paragraph, the notice in § 300.705(d)(1) will state that the individual may submit a written request that OPM review the agency’s initial determination. The agency will forward to OPM copies of all documents relating to the individual’s failure to register, including the individual’s request for review and his explanation of his failure to register.

§ 300.707 Termination of employment.

A covered individual who is serving under an appointment made on or after November 8, 1985, and is not exempt from registration, will be terminated by his agency under the authority of the statute and these regulations if he has not registered as required, unless he registers or unless, if no longer eligible to register, OPM determines in response to his explanation that his failure to register was neither knowing nor willful.

PART 302—EMPLOYMENT IN THE EXCEPTED SERVICE

Subpart A—General Provisions

§ 302.101 Positions covered by regulations.

(a) Positions covered. With respect to the application of veteran preference, this part applies to each position in the Executive Branch of the Federal Government that is not in the competitive service and that is subject to the provisions of title 5, United States Code, or subject to a statutory requirement to follow the veteran preference provisions of title 5. With respect to restoration rights that are due to compensable injury and appeals therefrom, this part applies to those positions covered by 5 U.S.C. 8101(1) that are not in the competitive service.

(b) Positions not covered. This part does not apply to a position or appointment that is required by the Congress to be confirmed by, or made with the advice and consent of, the Senate.

(c) Positions exempt from appointment procedures. In view of the circumstances and conditions surrounding employment in the following classes of positions, an agency is not required to apply the appointment procedures of this part to them, but each agency shall follow the principle of veteran preference as far as administratively feasible and, on the request of a qualified and available preference eligible, shall furnish him/her with the reasons for his/her nonselection. Also, the exemption from the appointment procedures of this part does not relieve agencies of their obligation to accord persons entitled to priority consideration (see §302.103) their rights under 5 U.S.C. 8151:

(1) Positions filled by persons appointed without pay or at pay of $1 a year;

(2) Positions outside the continental United States and outside the State of Hawaii and the Commonwealth of Puerto Rico when filled by persons resident in the locality, and positions in the State of Hawaii and the Commonwealth of Puerto Rico when paid in accordance with prevailing wage rates;

(3) Positions which the exigencies of the national defense program demand be filled immediately before lists of qualified applicants can be established or used, but appointments to these positions shall be temporary appointments not to exceed 1 year which may be renewed for 1 additional year at the discretion of the agency;

(4) Positions filled by appointees serving on an irregular or occasional basis whose hours or days of work are not based on a prearranged schedule and who are paid only for the time when actually employed or for services actually performed;

(a) To the extent permitted by statute and this chapter, each appointment, position change, and removal in the excepted service shall be made in accordance with any regulations or practices that the head of the agency concerned finds necessary.

(b) Except as authorized under paragraph (c) of this section, a person appointed to an excepted position does not acquire a competitive status by reason of the appointment. When an employee serving under a non-temporary appointment in the competitive service is selected for an excepted position, the agency must—

(1) Inform the employee that, because the position is in the excepted service, it may not be filled by a competitive appointment, and that acceptance of the proposed appointment will take him/her out of the competitive service while he/she occupies the position; and

(2) Obtain from the employee a written statement that he/she understands he/she is leaving the competitive service voluntarily to accept an appointment in the excepted service.

(c) Upon a finding by OPM that in a particular situation the action will be in the interest of good administration, OPM may authorize an agency to make appointments to specified positions in the excepted service in the same manner as to positions in the competitive service. Persons given career-conditional or career appointments pursuant to a specific authorization by OPM under this paragraph may acquire a competitive status as provided in part 315 of this chapter.

§ 302.103 Definitions.

Each agency shall follow the provisions of this part relating to examination, rating, and selection for appointment of an applicant when a qualified preference eligible or person entitled to priority consideration applies for appointment to a position covered by this part. Each agency, in its discretion, may follow these provisions when no preference eligible or person entitled to priority consideration applies.

§ 302.105 Special agency plans.

An agency having a position subject to this part may establish a system which will result in granting to eligible persons the preference or priority consideration referred to in sections 1302(c) or 8151 of title 5, United States Code, but which does not conform to all the procedural requirements set forth in this part. The agency establishing such a system must ensure that all eligible applicants entitled to veteran preference or priority consideration receive at least as much advantage in referral as they would receive...

§ 302.106 Vacancy announcements.
When an agency announces a vacancy in the excepted service, the announce-
ment must contain a reasonable ac-
commodation statement that complies
with requirements in part 330, subpart
A of this chapter.

§ 302.201 Persons entitled to veteran preference.
In actions subject to this part, each
agency shall grant veteran preference
as follows:
(a) When numerical scores are used in
the evaluation and referral, the agency
shall grant 5 additional points to pref-
erence eligibles under section 2108(3)
(A) and (B) of title 5, United States
Code, and 10 additional points to pref-
erence eligibles under section 2108(3)
(C) through (G) of that title.
(b) When eligible candidates are re-
ferred without ranking, the agency
shall note preference as “CP” for pref-
erence eligibles under 5 U.S.C.
2108(3)(C), as “XP” for preference eligi-
bles under 5 U.S.C. 2108(3) (D) through
(G), and as “TP” for all other pref-
erence eligibles under that title.

§ 302.202 Qualification requirements.
Before making an appointment to a
position covered by this part, each
agency shall establish qualification
standards such as those relating to ex-
perience and training, citizenship, min-
imum age, physical condition, etc.,
which shall relate to the duties to be
performed. An agency may delegate the
establishment of standards relating to
a group of positions or a specific posi-
tion to the appropriate administrative
level or subdivision in accordance with
the needs of the locality in which the
position is located, but the agency
shall determine that each standard es-
blished is in conformity with this
part. Each agency shall make its
standards a matter of record in the ap-
propriate office of the agency, and
shall furnish information concerning
the standards for a position to an ap-
plicant on his/her request. Each agency
shall apply the standards for a position
uniformly to all applicants, except for
such waivers as are provided in this
part for a preference eligible. An agen-
cy shall not include a minimum edu-
cational requirement in qualification
standards, except for a scientific, tech-
nical, or professional position the du-
ties of which the agency decides cannot
be performed by a person who does not
have a prescribed minimum education.
An agency shall not establish a max-
imum age requirement for any posi-
tion. Each agency shall make a part of
its records the reasons for its decision
under this section and shall furnish
those reasons to an applicant on his/
her request. The qualification stand-
ards shall include:
(a) A provision for waiver by the
agency of requirements as to age,
height, and weight for each preference
eligible when the requirements are not
essential to the performance of the du-
ties of the position; and
(b) A provision for waiver by the
agency of physical requirements for
each preference eligible when the agen-
cy, after giving due consideration to
the recommendation of an accredited
physician, finds that the applicant is
physically able to discharge the duties
of the position.

§ 302.203 Disqualifying factors.
(a) The qualification standards estab-
lished by an agency or by an adminis-
trative level or subdivision of an agen-
cy may provide that certain reasons
disqualify an applicant for appoint-
ment. The following, among others,
may be included as disqualifying rea-
sons:
(1) Dismissal from employment for
delinquency or misconduct;
(2) Criminal, infamous, dishonest,
immoral, or notoriously disgraceful
conduct;
(3) Intentional false statement or de-
ception or fraud in examination or ap-
pointment;
(4) Habitual use of intoxicating bev-
erages to excess;
(5) Reasonable doubt as to the loy-
alty of the person involved to the Gov-
ernment of the United States;
§ 302.301

(6) Any legal or other disqualification which makes the individual unfit for service; or
(7) Lack of United States citizenship.

(b) An agency may not disqualify an applicant solely because of his/her retired status.

Subpart C—Accepting, Rating, and Arranging Applications

§ 302.302 Examination of applicants.

(a) Eligibility. An evaluation of the qualifications of applicants for positions covered by this part may be conducted at any time before an appointment is made. The evaluation may involve only determination of eligibility or ineligibility or may include qualitative rating of candidates. If the evaluation involves only basic eligibility numerical scores will not be assigned and eligible candidates will be referred in accordance with the procedures described in paragraph (b)(5) of §302.304. If qualitative ranking is desired, numerical scores may be assigned in accordance with paragraph (b) of this section. Each agency shall make a part of the records the reasons for its decision to use ranked or unranked referral and, for ranked actions, the quality ranking factors used. This information shall be made available to an applicant on his/her request.

(b) Rating. Numerical scores will be assigned on a scale of 100. Each applicant who meets the qualification requirements for the position established under §302.202 will be assigned a rating of 70 or more and will be eligible for appointment. Candidates scoring 70 or more will receive additional points for veteran preference as provided in §302.201. Numerical ratings are not required when all qualified applicants will be offered immediate appointment. When there is an excessive number of applicants, numerical ratings are required only for a sufficient number of the highest qualified applicants to meet the anticipated needs of the agency within a reasonable period of time. The agency must, however, adopt procedures to insure the consideration of preference eligibles in the order in which they would have been considered if all applicants had been assigned numerical ratings. An agency shall furnish a notice of the rating assigned to an applicant on his/her request.

(c) Nonpreference applicants for certain positions. An agency may not consider or rate an application for the position of elevator operator, messenger, guard, or custodian submitted by a non-preference eligible as long as at least three qualified preference eligibles are available for the position.

(d) Evaluating experience. When experience is a factor in determining eligibility, an agency shall credit a preference eligible (1) with time spent in the military service of the United States if the position for which he/she is applying is similar to the position which he/she held immediately before his/her entrance into the military service; and (2) with all valuable experience, including experience gained in religious, civic, welfare, service, and organizational activities, regardless of whether pay was received therefor.

§ 302.303 Maintenance of employment lists.

(a) Establishment—(1) Agency's obligation. An agency must establish a priority reemployment list whenever any applicants rated eligible under §302.302 meet the conditions set out in paragraphs (b)(1) through (b)(3) of this section and must consider candidates from that list in accordance with §302.304(a). All applicants not included on the priority reemployment list will be listed on the regular employment list unless the agency elects to establish a reemployment list as provided in paragraph (c) of this section.

(2) Agency discretion. In establishing its lists, an agency may, but is not required to: Afford priority consideration to non-preference eligibles who meet the conditions set out in paragraph
§ 302.303

(b)(4) of this section; afford priority consideration under paragraph (b) of this section for a longer time and/or in a broader geographic area than the minimum requirement; and/or provide reemployment consideration after the priority list is exhausted to additional current and former employees in accordance with paragraph (c) of this section. An agency may limit consideration granted at its discretion to applicants for specific positions or applicants who meet specific conditions, but must make those conditions a matter of record and must apply its policy uniformly to all eligible employees. Generally, full-time employees may be considered only for full-time positions and other-than-full-time employees only for other-than-full-time positions. However, full-time employees may be considered for other-than-full-time positions if there are no other-than-full-time employees on the appropriate priority or reemployment list; and other-than-full-time employees may be considered for full-time positions if there are no full-time employees on the appropriate list.

(b) Priority reemployment list. Candidates are entered on the priority reemployment list in the geographic areas specified in paragraph (b)(1) of this section and remain on the list for 2 years unless the agency elects to provide a longer period of eligibility. The priority reemployment list includes:

1. The name of each former employee of the agency who is a preference eligible, has been furloughed or separated from a continuing appointment without delinquency or misconduct, and applies for reemployment. Candidates in this category are considered for positions in the commuting area where they were separated unless the agency elects to provide broader consideration.

2. The name of each former employee of the agency who is a preference eligible and who, as the result of an appeal under part 752 of this chapter, is found by the Merit Systems Protection Board to have been unjustifiably dismissed from the agency, but who is not entitled to immediate restoration under the Board’s decision. Candidates in this category are considered in the commuting area from which separated unless the Board’s decision specifies a broader or different area or the agency elects to afford broader geographic consideration.

3. The name of each former employee of the agency who has been furloughed or separated due to compensable injury sustained under the provisions of 5 U.S.C. chapter 81, subchapter I, who is not entitled to immediate restoration, and who is eligible for priority consideration under this part. Candidates in this category are considered in the commuting area where they last served and, if the agency determines that an appropriate vacancy is unlikely to occur in that area during the candidates’ period of reemployment priority, in other locations for which they are available.

4. At the agency’s discretion, the name of each former employee of the agency who is not a preference eligible, has been furloughed or involuntarily separated from a continuing appointment without delinquency or misconduct, and applies for reemployment. Candidates in this category are considered in the geographic area specified by the agency.

(c) Reemployment list. A reemployment list may be established at the agency’s discretion to include the names of current employees of the agency and of former employees of the agency who are to be considered for future employment and who are not eligible for inclusion on the priority reemployment list. Employees may be entered on the reemployment list only for positions in which tenure and/or work schedule is no greater than that of the position previously held.

(d) Order of entry. An agency shall enter the names of all applicants rated eligible under § 302.302 on the appropriate list (priority reemployment, reemployment, or regular employment) in the following order:

1. When candidates have been rated only for basic eligibility under § 302.302(a).

2. Preference eligibles having a compensable, service-connected disability of 10 percent or more (designated as “CP”) unless the list will be used to fill professional positions at the GS-9 level or above, or equivalent;

3. All other candidates eligible for 10-point veteran preference;
§ 302.304 Order of consideration.

(a) Consideration of priority reemployment candidates. An agency must consider all qualified candidates on its priority reemployment list before it may refer candidates from its reemployment list, if any, or regular employment list. When a qualified candidate is available on the priority list, the agency may appoint an individual who is not on the priority list or who has lower standing than others on that list only when necessary to obtain an employee for duties that cannot be taken over without undue interruption to the agency by an individual who is entitled to reemployment priority or has higher standing on the priority reemployment list than the one appointed. The agency must notify each individual on the priority reemployment list who is adversely affected by an appointment under this paragraph of the reasons for the exception and must further notify each such individual who is a preference eligible of his or her right of appeal to the Merit Systems Protection Board.

(b) Consideration of other candidates. Except as provided in paragraphs (b)(4) and (b)(5) of this section, an agency shall consider applicants on the reemployment and/or regular employment list who have been assigned eligible ratings for a given position in Order A, Order B, or Order C, as described in paragraphs (b)(1) through (b)(3) of this section. Order A must be used when the agency has not established a reemployment list.

(1) Order A. (i) The name of each qualified preference eligible who has a compensable, service-connected disability of 10 percent or more and is entitled to 10-point preference under section 3309 of title 5, United States Code, in the order of his/her numerical ranking.

(ii) The name of each other qualified applicant in the order of his/her numerical ranking.

(2) Order B. (i) The name of each qualified preference eligible who has a compensable, service-connected disability of 10 percent or more and is entitled to 10-point preference under section 3309 of title 5, United States Code, and whose name appears on the agency's reemployment list, in the order of his/her numerical ranking.

(ii) The name of each other qualified applicant on the agency's reemployment list, in the order of his/her numerical ranking.

(iii) The name of each other qualified applicant on the agency's regular employment list, in the order of his/her numerical ranking.

(3) Order C. (i) The name of each qualified preference eligible who has a compensable, service-connected disability of 10 percent or more and is entitled to 10-point preference under section 3309 of title 5, United States Code, and whose name appears on the agency's reemployment list, in the order of his/her numerical ranking.

(ii) The name of each other qualified applicant on the agency's reemployment list, in the order of his/her numerical ranking.

(iii) The name of each other qualified applicant on the agency's regular employment list, in the order of his/her numerical ranking.
Office of Personnel Management

§ 302.401

Selection and appointment.

(a) Selection. When making an appointment from a priority reemployment, reemployment, or regular list on which candidates have not received numerical scores, an agency must make its selection from the highest available preference category, as long as at least three candidates remain in that group. When fewer than three candidates remain in the highest category, consideration may be expanded to include the next category. When making an appointment from a list on which candidates have received numerical scores, the agency must make its selection for each vacancy from not more than the highest three names available for appointment in the order provided in § 302.304. Under either method, an agency is not required to—

(1) Accord an applicant on its priority reemployment or reemployment list the preference consideration required by § 302.304 if the list on which the applicant’s name appears does not contain the names of at least three preference eligibles; or

(2) Consider an applicant who has previously been considered three times or a preference eligible if consideration of his/her name has been discontinued for the position as provided in paragraph (b) of this section.

(b) Passing over a preference applicant. When an agency, in making an appointment as provided in paragraph (a) of this section, passes over the name of a preference eligible who is entitled to priority consideration under § 302.304 and selects a nonpreference eligible, it shall record its reasons for so doing, and shall furnish a copy of those reasons to the preference eligible or his/her representative on request. An agency may discontinue consideration of the name of a preference eligible for a preference under section 3309 of title 5, United States Code, and whose name appears on the agency’s regular employment list, in the order of his/her numerical ranking.

(iv) The name of each other qualified applicant on the agency’s regular employment list, in the order of his/her numerical ranking.

(4) Professional order. An agency shall consider applicants who have been assigned eligible ratings for professional and scientific positions at the GS–9 level and above, or equivalent, in the following order:

(i) Applicants on the agency’s reemployment list, if any. If numerical scores have been assigned, the applicants will be considered in the order of their augmented scores. If numerical scores have not been assigned, all preference eligibles will be considered together regardless of the type of preference, followed by all other priority reemployment candidates.

(ii) Applicants on the agency’s regular employment list. If numerical scores have been assigned, the applicants will be considered in the order of their augmented scores. If numerical scores have not been assigned, all preference eligibles will be considered together regardless of the type of preference, followed by all other candidates.

(5) Unranked order. When numerical scores are not assigned, the agency may consider applicants who have received eligible ratings for positions not covered by paragraph (b)(4) of this section in either of the following orders:

(i) By preference status. Under this method, preference eligibles having a compensable service-connected disability of 10 percent or more are considered first, followed, second, by other 10-point preference eligibles, third, by 5-point preference eligibles, and, last, by nonpreference eligibles. Within each category, applicants from the reemployment list will be placed ahead of applicants from the regular employment list.

(ii) By reemployment/regular list status. Under this method, all applicants on the reemployment list are considered before applicants on the regular employment list. On each list, preference eligibles having a compensable service-connected disability of 10 percent or more are considered first, followed, second, by other 10-point preference eligibles, third, by 5-point preference eligibles, and, last, by nonpreference eligibles.
§ 302.402 Position if on three occasions the agency has considered him/her for the position and has passed over his/her name and recorded its reasons for so doing.

§ 302.402 Reappointment.

An agency may reappoint a current or former nontemporary employee of the executive branch of the Federal Government who is a preference eligible to a position covered by this part without regard to the names of qualified applicants on the agency’s priority reemployment, reemployment, or regular employment list.

§ 302.403 Qualifications for promotion.

In determining qualifications for promotion with respect to an employee who is a preference eligible, an agency shall waive:

(a) Requirements as to age, height, and weight unless the requirement is essential to the performance of the duties of the position; and

(b) Physical requirements if, in the opinion of the agency, after considering the recommendation of an accredited physician, the preference eligible is physically able to perform efficiently the duties of the position for which the promotion is proposed.

Subpart E—Appeals

§ 302.501 Entitlement.

An individual who is covered by 5 U.S.C. 8101(1) and is entitled to priority consideration under this part (see § 302.103) may appeal a violation of his/her restoration rights to the Merit Systems Protection Board under the provisions of the Board’s regulations by presenting factual information that he or she was denied restoration rights because of the employment of another person.

§ 304.101 Coverage.

These regulations apply to the appointment of experts and consultants as Federal employees under 5 U.S.C. 3109. They do not apply to the appointments of experts and consultants under other employment authorities or to the procurement of services by contracts under the procurement laws.

§ 304.102 Definitions.

For purposes of this part:

(a) An agency is an executive department, a military department, or an independent agency.

(b) A consultant is a person who can provide valuable and pertinent advice generally drawn from a high degree of broad administrative, professional, or technical knowledge or experience. When an agency requires public advisory participation, a consultant also may be a person who is affected by a particular program and can provide useful views from personal experience.

(c) A consultant position is one that requires providing advice, views, opinions, alternatives, or recommendations on a temporary and/or intermittent basis on issues, problems, or questions presented by a Federal official.

(d) An expert is a person who is specially qualified by education and experience to perform difficult and challenging tasks in a particular field beyond the usual range of achievement of competent persons in that field. An expert is regarded by other persons in the field as an authority or practitioner of unusual competence and skill in a professional, scientific, technical or other activity.

(e) An expert position is one that requires the services of a specialist with skills superior to those of others in the same profession, occupation, or activity to perform work on a temporary and/or intermittent basis assigned by a Federal official. For example, a microbial contamination specialist may apply new test methods to identify bacteria on products, a computer scientist...
may adapt advanced methods to develop a complex software system, or a plate maker may engrave a novel design.

(f) **Intemittent employment**, as defined in part 340, subpart D, of this chapter, means employment without a regularly scheduled tour of duty.

(g) **Temporary employment** means employment not to exceed 1 year. An expert or consultant serving under a temporary appointment may have a full-time, part-time, seasonal, or intermittent work schedule.

(h) Employment **without compensation** means unpaid service that is provided at the agency’s request and is to perform duties that are unclassified. It is not volunteer service.

§ 304.103 Authority.

(a) **Basic authority.** (1) When authorized by an appropriation or other statute to use 5 U.S.C. 3109, an agency may appoint a qualified expert or consultant to an expert or consultant position that requires only intermittent and/or temporary employment. Such an appointment is excepted from competitive examination, position classification, and the General Schedule pay rates.

(2) An expert or consultant who works on a strictly intermittent basis may be appointed under this authority without time limit or for any period determined by the agency. All other experts and consultants must receive temporary appointments. Temporary experts and consultants may be reappointed in the same agency only as provided in paragraph (c) of this section.

(b) **Inappropriate use.** An agency must not use 5 U.S.C. 3109 to appoint an expert or consultant:

(1) To a position requiring Presidential appointment. However, subject to the conditions of this part, an agency may appoint an individual awaiting final action on a Presidential appointment to an expert or consultant position.

(2) To a Senior Executive Service position (including an FBI or DEA Senior Executive Service position).

(3) To perform managerial or supervisory work (although an expert may act as team leader or director of the specific project for which he/she is hired), to make final decisions on substantive policies, or to otherwise function in the agency chain of command (e.g., to approve financial transactions, personnel actions, etc.).

(4) To do work performed by the agency’s regular employees.

(5) To fill in during staff shortages.

(6) Solely in anticipation of giving that individual a career appointment. However, subject to the conditions of this part, an agency may appoint an individual to an expert or consultant position pending Schedule C appointment or noncareer appointment in the Senior Executive Service.

(c) **Reappointment.** An agency may reemploy an expert or consultant to perform demonstrably different duties without regard to the length of that individual’s previous expert or consultant service with the agency. Reappointment to perform substantially the same duties is subject to the following limits:

(1) An agency may employ an expert or consultant who works on a full-time basis for a maximum of 2 years—i.e., on an initial appointment not to exceed 1 year and a reappointment not to exceed 1 additional year.

(2) An agency may reappoint an expert or consultant who works on a part-time or intermittent schedule in accordance with one of the following options. The agency must determine which option it will use in advance of any reappointment and must base its determination on objective criteria (e.g., nature of duties, pay level, whether or not work is regularly scheduled). Option 1 must be applied to reappointments of experts and consultants appointed without compensation.

(1) **Option 1—Annual service.** An agency may reappoint an expert or consultant, with no limit on the number of reappointments, as long as the individual is paid for no more than 6 months (130 days or 1,040 hours) of work, or works for no more than that amount of time without compensation, in a service year. (The service year is the calendar year that begins on the date of the individual’s initial appointment in the agency.) An expert or consultant who
§ 304.104 Determining rate of pay.

(a) The rate of basic pay for experts and consultants is set by administrative action. The head of an agency, or his or her designee, must determine the appropriate rate of basic pay on an hourly or daily basis, subject to the limitations described in section 304.105.

(b) The head of an agency, or his or her designee, shall consider the following factors in setting the initial rate of basic pay for an expert or consultant:

1. The level and difficulty of the work to be performed;
2. The qualifications of the expert or consultant;
3. The pay rates of comparable individuals performing similar work in Federal or non-Federal sectors; and
4. The availability of qualified candidates.

(c) An expert or consultant appointed under 5 U.S.C. 3109 may be employed without pay, provided the individual agrees in advance in writing to waive any claim for compensation for those services.

§ 304.105 Daily and biweekly basic pay limitations.

(a) Unless specifically authorized by an appropriation or other statute, agencies subject to chapter 51 and subchapter III of chapter 53 of title 5, United States Code, may not pay for any 1 day an aggregate amount of pay (including basic pay, locality pay under subpart F of part 531 of this chapter, and premium pay under subpart A of part 550 of this chapter) that exceeds the daily equivalent of the highest rate payable under 5 U.S.C. 5332—that is, the daily rate for GS–15, step 10, under the General Schedule (excluding locality pay or any other additional pay). The daily rate is computed by dividing the annual GS–15, step 10, rate by 2,087 hours to find the hourly rate of pay and by multiplying the hourly rate of pay by 8 hours.

(b) Unless specifically authorized by an appropriation or other statute, an expert or consultant shall not be paid for any biweekly pay period an aggregate amount of pay (including basic pay, locality pay under subpart F of part 531 of this chapter, and premium pay under subpart A of part 550 of this chapter) in excess of the biweekly rate of pay for GS–15, step 10, under the General Schedule (excluding locality pay or any other additional pay). The biweekly rate is computed by dividing the annual GS–15, step 10, rate by 2,087 hours to find the hourly rate of pay and by multiplying the hourly rate of pay by 80 hours.

§ 304.106 Pay and leave administration.

(a) The employing agency has the authority to adjust the pay of experts and consultants after initial appointment and to establish appropriate policies governing the amount and timing of any such adjustments, subject to the limitations of § 304.105. In addition to the factors listed in § 304.104(b), the agency may consider factors such as job performance, contributions to agency mission, and the general pay increases granted to other Federal employees. Experts and consultants are not entitled to receive automatic adjustments in their rates of basic pay at the time of general pay increases under
5 U.S.C. 5303 unless specifically provided for in the official appointing document. In the absence of such automatic entitlement, any pay adjustments are at the agency’s discretion.

(b) Experts and consultants paid on a daily rate basis are not entitled to overtime pay under section 5542 of title 5, United States Code. Otherwise, experts and consultants qualify for premium pay under subchapter V of chapter 55 of title 5, United States Code, if they meet the applicable eligibility requirements (including the requirement that an employee have a regularly scheduled tour of duty, where applicable).

(c) Experts and consultants may be entitled to overtime pay under the Fair Labor Standards Act if they are non-exempt under OPM regulations implementing that Act for Federal employees. (See 5 CFR part 551).

(d) An expert or consultant may be paid for service on an intermittent basis in more than one expert or consultant position, provided the pay is not received for the same period of time (5 U.S.C. 5533(d)(1)).

(e) Experts and consultants are subject to the provisions of 5 U.S.C. 8344 and 8469 on reduction of basic pay by the amount of annuity received.

(f) Experts and consultants are subject to the provisions of 5 U.S.C. 5532 on reduction of retired military pay.

(g) Experts and consultants with a regularly scheduled tour of duty (i.e., not intermittent) are entitled to sick and annual leave in accordance with chapter 63 of title 5, United States Code, and to pay for any holiday occurring on a workday on which they perform no work, provided that workday is part of the basic workweek. Those employed on an intermittent basis do not earn leave and are not entitled to paid holidays.

§ 304.107 Reports.

As required by 5 U.S.C. 3109(e), each agency shall report to the Office of Personnel Management on an annual basis:

(a) The number of days the agency employed each paid expert or consultant; and

(b) The total amount the agency paid each expert or consultant so employed. (Do not include payments for travel and related expenses.)

§ 304.108 Compliance.

(a) Each agency using 5 U.S.C. 3109 must establish and maintain a system of controls and oversight necessary to assure compliance with 5 U.S.C. 3109 and these regulations. The system must include—

(1) Appropriate training and information procedures to ensure that officials and employees using the authority understand the statutory and regulatory requirements; and

(2) Appropriate provision for review of expert and consultant appointments.

(b) OPM will, as necessary—

(1) Review agency employment of experts and consultants and agency controls and oversight to determine compliance; and

(2) Issue instructions and guidance to agencies on employing experts and consultants and on reporting procedures.

PART 307—VETERANS RECRUITMENT APPOINTMENTS

Sec.
307.101 Purpose.
307.102 Definitions.
307.103 Nature of VRAs.
307.104 Treatment of individuals serving under VRAs.
307.105 Appeal rights.

SOURCE: 70 FR 72966, Dec. 1, 2005, unless otherwise noted.

§ 307.101 Purpose.

This part implements 38 U.S.C. 4214 and Executive Order 11521, which authorizes agencies to appoint qualified covered veterans to positions in the competitive service under Veteran Recruitment Appointments (VRAs) without regard to the competitive examining system.

§ 307.102 Definitions.

For purposes of this part—

Agency, as defined in 38 U.S.C. 4211(5), means any agency of the Federal Government or the District of Columbia,
§ 307.103 Nature of VRAs.

VRAs are excepted appointments, made without competition, to positions otherwise in the competitive service. The veterans’ preference procedures of part 302 of this chapter apply when there are preference eligible candidates being considered for a VRA. Qualified covered veterans who were separated under honorable conditions may be appointed to any position in the competitive service at grade levels up to and including GS–11 or equivalent, provided they meet the qualification standards for the position. To be eligible for a VRA as a covered veteran under paragraph (2) or (3) of the definition of that term in §307.102, the veteran must be in receipt of the appropriate campaign badge, expeditionary medal, or AFSM. For purposes of a VRA, any military service is qualifying at the GS–3 level or equivalent. Upon satisfactory completion of 2 years of substantially continuous service, the incumbent’s VRA must be converted to a career or career conditional appointment. An individual may receive more than one VRA appointment as long as the individual meets the definition of a covered veteran at the time of appointment.

§ 307.104 Treatment of individuals serving under VRAs.

(a) Because VRAs are made to positions otherwise in the competitive service, the incumbents, like competitive service employees, may be reassigned, promoted, demoted, or transferred in accordance with the provisions of part 335 of this chapter.

(b) A veteran with less than 15 years of education must receive training or education prescribed by the agency.

(c) Appointments are subject to investigation by OPM. A law, Executive order, or regulation that disqualifies a person for appointment in the competitive service also disqualifies a person for a VRA.

(d) The Veterans Recruitment Appointment date for a recently separated veteran must occur before the end of the 3-year eligibility period and may not be extended.

§ 307.105 Appeal rights.

Individuals serving under VRAs have the same appeal rights as excepted service employees under parts 432 and 752 of this chapter. In addition, as established in §315.806 of this chapter, any individual serving under a VRA, whose employment under the appointment is terminated within 1 year after the date of such appointment, has the same right to appeal that termination...

308.103 Authority.

SOURCE: 44 FR 51183, Aug. 31, 1979, unless otherwise noted.

§ 308.101 Definitions.

In this part: Student is an individual who is enrolled not less than half-time in a high school, trade school, technical or vocational institute, junior college, college, university or other accredited educational institution. An individual who is a student is deemed not to have ceased to be a student during an interim between school years if the interim is not more than 5 months and if such individual shows to the satisfaction of the agency that the individual has a bona fide intention of continuing to pursue a course of study or training in the same or different educational institution during the school semester (or other period into which the school year is divided) immediately after the interim.

Volunteer Service under the Act is limited to services performed by a student, with the permission of the institution at which the student is enrolled, as part of an agency program established for the purpose of providing educational experience for the student. Such service is to be uncompensated and will not be used to displace any employee or to staff a position which is a normal part of the agency's work force.

§ 308.102 Eligibility and status.

(a) Minimum Age. The selection of students to participate under the program should be in conformance with either Federal, State, or local laws and standards governing the employment of minors.

(b) Status. A student participating under an agency volunteer program is not considered to be a Federal employee for any purposes other than injury compensation or laws related to the Tort Claims Act. Service is not creditable for leave accrual or any other employee benefits.

Section 301 of the Civil Service Reform Act of 1978, Public Law 95–454, authorized Federal departments and agencies to establish programs designed to provide educationally related work assignments for students in non-pay status.

§ 315.201 Service requirement for career tenure.

(a) Service requirement. A person employed in the competitive service for other than temporary, term, or indefinite employment is appointed as a career or career-conditional employee subject to the probationary period required by subpart H of this part. Except as provided in paragraph (c) of this section, an employee must serve at least 3 years of creditable service as defined in paragraph (b) of this section to become a career employee.

(b) Creditable service. Unless otherwise approved by OPM, the service required for career tenure must include service as described in paragraph (b)(1) of this section and total at least 3 years.

(1) Nontemporary employment. To be creditable, the 3 years of service must begin with one of the following:

(i) Nontemporary appointment in the competitive service: For this purpose, nontemporary appointment includes a career-conditional appointment. The 3 years may also begin, but not end, with status quo employment under subpart G of part 316 of this chapter, an overseas limited appointment of indefinite duration, or an overseas limited term appointment under part 301 of this chapter. The 3 years also may have begun with permanent employment under now obsolete appointing authorities such as probational, war service indefinite, emergency indefinite, nontemporary appointment from a civil service register to a position in the excepted service before January 23, 1955, temporary appointment pending establishment of a register (also known as TAPER authority), nontemporary appointment to a position in the District of Columbia Government before January 23, 1955, and appointment based on Public Law 83–121. Determinations of whether an obsolete authority provides the basis for creditable service may be obtained from OPM;

(ii) Nontemporary appointment to an excepted position, provided the employee’s excepted position was brought into the competitive service and, on that basis, the employee acquired competitive status or was converted to a career-conditional appointment;

(iii) Nontemporary appointment to a nonappropriated fund (NAF) position in or under the Department of Defense or in or under the U.S. Coast Guard, Department of Homeland Security, provided the employee’s NAF position was brought into the competitive service and, on that basis, the employee acquired competitive status or was converted to a career or career-conditional appointment;

(iv) Nontemporary excepted or nonappropriated fund appointment, Foreign Service appointment, or appointment in the Canal ZoneMerit System, provided the employee is appointed to a competitive service position under the terms of an interchange agreement with another merit system under §6.7 of this chapter, under Executive Order
§ 315.201

11219 as amended by Executive Order 12292, or under Executive Order 11171;

(v) The date of appointment to a position on the White House Staff or in the immediate office of the President or Vice President, provided the service has been continuous and the individual was appointed to a competitive service position under § 315.602 of this chapter;

(vi) The date of nontemporary excepted appointment under § 213.3202(b) of this chapter (the former Student Career Experience Program) as in effect immediately before July 10, 2012, the effective date of the regulations that removed and reserved that section;

(vii) The date of appointment as a Pathways Participant in the Internship Program under Schedule D, § 213.3402(a) of this chapter, provided the employee’s appointment is converted to a career or career-conditional appointment under § 315.713(b), with or without an intervening term appointment, and without a break in service of one day;

(viii) The date of appointment to the Postal Career Service or the Postal Regulatory Commission after July 1, 1971, provided the individual is appointed to a career or career-conditional appointment under 39 U.S.C. 1006;

(ix) The date of nontemporary appointment under Schedule A, § 213.3102(a) of this chapter, of a person with an intellectual disability, severe physical disability, or a psychiatric disability, provided the employee’s appointment is converted to a career or career-conditional appointment under § 315.709;

(x) The date of appointment in the Presidential Management Fellows Program under the provisions of Executive Order 13018, provided the employee’s appointment was converted without a break in service to a career or career-conditional appointment under § 315.708 as in effect immediately before July 10, 2012, the effective date of the regulations that removed and reserved that section, or under Executive Order 13562;

(x) The date of appointment as a Pathways Participant in the Presidential Management Fellows Program under Schedule D, § 213.3402(c) of this chapter, provided the employee’s appointment is converted to a career or career-conditional appointment under § 315.713(c), with or without an intervening term appointment, and without a break in service of one day; and

(xvi) Employment with the District of Columbia Government after January 1, 1980 (the date the District implemented an independent merit personnel system not tied to the Federal system), provided the person was a District employee on December 31, 1979, was converted to the District system on January 1, 1980, and is employed by non-temporary appointment in the competitive service.

(2) Competitive status. An individual may attain career tenure only when employed (or reemployed) in a permanent appointment in the competitive service that provides or leads to competitive status.
(3) Crediting service. An employee’s creditable service must total at least 3 years, under the following conditions:

(i) Work schedule. (A) Full-time service, and part-time service on or after July 1, 1962, are counted as calendar time from the date of appointment to date of separation.

(B) Intermittent service on or after July 1, 1962, is counted as 1 day for each day an employee is in pay status, regardless of the number of hours for which the employee is actually paid on a given day. Agencies should consult the “260-Day Work Year Chart” in OPM’s Guide to Processing Personnel Actions to convert intermittent days worked to calendar time. The service requirement may not be satisfied in less than 3 years of calendar time.

(ii) Nonpay status on the rolls and time off the rolls. An agency may not credit periods of nonpay status and time off the rolls except as follows:

(A) Credit the first 30 calendar days of each period of nonpay status on the rolls during full-time employment, or during part-time employment on or after July 1, 1962. On this same basis, a seasonal employee receives credit for the first 30 calendar days of each period of nonduty/nonpay status. Nonpay status in excess of 30 days is not creditable.

(B) Credit periods of nonpay status and time off the rolls incident to entry into and return from military service and return from defense transfer, provided the person is reemployed in Federal service during the period of his or her statutory or regulatory restoration or reemployment rights.

(C) Credit periods of nonpay status and time off the rolls incident to transfer to and return from an international organization, provided the person is reemployed in Federal service under subpart C of part 352 of this chapter.

(D) Credit periods of nonpay status during which an employee was eligible to receive continuation of pay or injury compensation from the Office of Workers’ Compensation Programs. Also credit periods of time off the rolls during which an employee was eligible to receive injury compensation from the Office of Workers’ Compensation Programs, provided the person is reemployed under part 353 of this chapter.

(E) Credit up to 30 calendar days for time off the rolls that follows separation by reduction in force of employees who are eligible for entry on the reemployment priority list under subpart B of part 330 of this chapter, provided the person is reemployed in Federal service during the period of his or her reemployment priority.

(F) Credit up to 30 calendar days for time off the rolls that follow involuntary separation without personal cause of employees who are eligible for a noncompetitive appointment based on an interchange agreement with another merit system under §6.7 of this chapter, provided the person is employed in the competitive service under the agreement during the period of his or her eligibility.

(G) Credit periods of nonpay status incident to an assignment to a State, local, or Indian tribal government, institution of higher education, or other eligible organization provided the employee returns to a creditable appointment pursuant to an agreement established under subchapter VI of chapter 33, title 5, U.S.C., and part 334 of this chapter.

(iii) Restoration based on unwarranted or improper actions. Based on a finding made on or after March 30, 1966, that a furlough, suspension, or separation was unwarranted or improper, an employee restored to duty receives full calendar time credit for the period of furlough, suspension, or separation for which he or she is eligible to receive back pay. If the employee is restored to duty at a date later than the original adverse action, credit for intervening periods of nonpay status is given in accordance with other provisions of this sub-section. If the employee had been properly separated from the rolls of the agency before a finding was made that the adverse action was unwarranted or improper, the correction and additional service credit given the employee may not extend beyond the date of the proper separation.

(iv) Intervening service. Certain types of service that ordinarily are not creditable are counted when they intervene between two periods of creditable service. Under these conditions, credit each period of service:

Except as provided in paragraph (c) of this section, an agency may reinstate a nonpreference eligible who has not completed the service requirement for career tenure only within 3 years following the date of separation. This time limit begins to run from the date of separation from the last position in which the person served under a career appointment, career-conditioned appointment, indefinite appointment in lieu of reinstatement, or an appointment under which he or she acquired competitive status.

(1) Employment in Federal competitive service positions under temporary, term, indefinite, or other nonpermanent appointment.

(2) Employment in Federal excepted, nonappropriated fund, or Senior Executive Service positions in the executive branch;

(11) Periods of nonemployment during which a person receives disability retirement under the Civil Service or Federal Employees Retirement System;

(12) Employment by a nonfederal organization when the person’s function was transferred to the nonfederal organization on a contract basis or by law or executive order;

§315.606 Noncompetitive appointment of certain present and former Foreign Service officers and employees.

Subject to the conditions prescribed by OPM, an agency may appoint noncompetitively a present or former career officer or employee of the Foreign Service who was appointed under authority of the Foreign Service Act of 1946, as amended (22 U.S.C. 801 et seq.), or legislation that supplements or replaces that Act, if:

(a) He qualifies under the requirements set forth in Executive Order 11219, and

(b) OPM has concurred in his present or former agency’s plan, and substantive changes thereto, for noncompetitive entry of civil service employees into the Foreign Service positions of that agency.

§315.607 Noncompetitive appointment of present and former Peace Corps personnel.

(a) An agency in the executive branch may appoint noncompetitively, for other than temporary appointment, an individual:

1. Who has completed no less than 36 months of continuous service without a break in service of 3 days or more under section 7(a) of the Peace Corps Act (22 U.S.C. 2506) which pertains to the appointment of Peace Corps staff (not volunteers);

2. Whom the Director of the Peace Corps certifies as having satisfactorily served under such an appointment; and

3. Who meets OPM qualification standards—including any written test requirements—for the position in question.

(b) **Time limitations.** (1) An individual’s eligibility under this section extends through September 30, 1982, or until 3 years after separation from qualifying service with the Peace Corps, whichever is later.

2. An agency may not extend this period.

(c) **Conditions.** Any law, Executive order, or regulation which disqualifies an applicant for appointment in the competitive service also disqualifies an applicant for appointment under this section.

(d) **Acquisition of competitive status.** A person appointed under paragraph (a) of this section acquires competitive status automatically upon completion of probation.

(e) **Tenure on appointment.** (1) Except as provided in paragraph (e)(2) of this section, a person appointed under paragraph (a) of this section becomes a career-conditional employee.

2. A person appointed under paragraph (a) of this section becomes a career employee if excepted from the
§ 315.608 Noncompetitive appointment of certain former overseas employees.

(a) Authority. An executive branch agency may noncompetitively appoint, to a competitive service position within the United States (including Guam, Puerto Rico, and the Virgin Islands), an individual who has completed 52 weeks of creditable overseas service as defined in paragraph (b) of this section and is appointed within the time limits in paragraph (d) of this section. Any law, Executive order, or regulation that disqualifies an applicant for appointment in the competitive service, such as the citizenship requirement, also disqualifies the applicant for appointment under this section. An individual may be appointed to any occupation and grade level for which qualified. An agency may waive any requirement for a written test after determining that the duties and responsibilities of the applicant’s overseas position were similar enough to make the written test unnecessary.

(1) Tenure. A person appointed under this section becomes a career-conditional employee unless he or she has already satisfied the requirements for career tenure or is exempt from the service requirement in 5 CFR 315.201.

(2) Competitive status. A person appointed under this section acquires competitive status automatically upon completion of probation.

(b) Creditable overseas service. For purposes of this section only, creditable service is service in an appropriated fund position(s) performed by a family member under a local hire appointment(s) overseas during the time the family member was accompanying a sponsor officially assigned to an overseas area and for which the family member received a fully successful or better (or equivalent) performance rating. Creditable overseas service is computed in accordance with the procedures in the OPM Guide to Processing Personnel Actions. Creditable service may have been under more than one appointment and need not be continuous. Leave without pay taken during the time an individual is in the overseas area is credited on the same basis as time worked.

(c) Service waiver. Up to 26 weeks of the 52-week service requirement is waived when the head of an agency (or designee) that employed the family member overseas certifies that the family member’s expected 52 weeks of employment were cut short because of a nonpersonal situation that necessitated the relocation of the family member from the overseas area. The certification must include the number of weeks waived. For this purpose, a nonpersonal situation includes disaster, conflict, terrorism or the threat of terrorism, and those situations when a family member is forced to return to the United States because of military deployment, drawdowns, or other management-initiated actions. A nonpersonal situation does not include circumstances that specifically relate to a particular individual, for example, ill health or personal interest in relocating.

(d) Time limit on eligibility. An individual is eligible for appointment(s) under this authority for a period of 3 years following the date of returning from overseas to the United States to resume residence or until March 31, 1998, whichever date is later. An agency may extend an individual’s appointment eligibility beyond 3 years for periods equivalent to—

(1) The time the individual was accompanying a sponsor on official assignment to an area of the United States with no significant opportunities for Federal employment; or

(2) The time an individual was incapacitated for employment.

(e) Definitions. In this section terms have the following meaning:

(1) Family member. An unmarried child under age 23, a spouse, or a domestic partner. An individual must have been a family member at the time he or she met the overseas service requirement and other conditions but does not need to be a family member at the time of noncompetitive appointment in the United States.

(2) Sponsor. A Federal civilian employee, a Federal nonappropriated fund
employee, or a member of a uniformed service who is officially assigned to an overseas area.

(i) **Officially assigned.** Under active orders issued by the United States Government.

(ii) **Federal civilian employee.** An employee of the executive, judicial, or legislative branch of the United States Government who serves in an appropriated fund position.

(iii) **Nonappropriated fund employee.** An employee paid from nonappropriated funds of the Army and Air Force Exchange Service, Navy Ship’s Stores Ashore, Navy Exchanges, Marine Corps Exchanges, Coast Guard Exchanges, or other instrumentalities of the United States.

(3) **Accompanying.** The family member resided in the overseas area while the sponsor was officially assigned to an overseas post of duty. The family member need not have physically resided with the sponsor at all times or have traveled with the sponsor to or from the overseas area.

(4) **Local hire appointment.** An appointment that is not actually or potentially permanent and that is made from among individuals residing in the overseas area. In this section only, a local hire appointment includes nonpermanent employment under:

(i) Overseas limited appointment under 5 CFR 301.203(b) or (c);

(ii) Expected appointment under Schedule A 213.3106(b)(1), 213.3106(b)(6), or 213.3106(d)(1) when the duration of the appointment is tied to the sponsor’s rotation date or when the appointment is made on a not-to-exceed (NTE) basis;

(iii) An “American family member” or “part-time intermittent temporary (PIT)” appointment in U.S. diplomatic establishments;

(iv) 50 U.S.C. 463); Public Law 86–36 (50 U.S.C. 462, note); the Berlin Tariff Agreement; or as a local national employee paid from appropriated funds; or

(v) Any other nonpermanent appointment in the competitive or excepted service approved by OPM.

(5) **Overseas.** A location outside the 50 States of the United States, the District of Columbia, Guam, Puerto Rico, and the Virgin Islands.

(6) **Domestic partner.** A person in a domestic partnership with a sponsor of the same sex.

(7) **Domestic partnership.** A committed relationship between two adults, of the same sex, in which the partners:

(i) Are each other’s sole domestic partner and intend to remain so indefinitely;

(ii) Maintain a common residence, and intend to continue to do so (or would maintain a common residence but for an assignment abroad or other employment-related, financial, or similar obstacle);

(iii) Are at least 18 years of age and mentally competent to consent to contract;

(iv) Share responsibility for a significant measure of each other’s financial obligations;

(v) Are not married or joined in a civil union to anyone else;

(vi) Are not the domestic partner of anyone else;

(vii) Are not related in a way that, if they were of opposite sex, would prohibit legal marriage in the U.S. jurisdiction in which the domestic partnership was formed;

(viii) Are willing to certify, if required by the agency, that willful falsification of any documentation required to establish that an individual is in a domestic partnership may lead to disciplinary action and the recovery of the cost of benefits received related to such falsification, as well as constitute a criminal violation under 18 U.S.C. 1001, and that the method for securing such certification, if required, shall be determined by the agency; and

(ix) Are willing promptly to disclose, if required by the agency, any dissolution or material change in the status of the domestic partnership.

(c) Periods of absence while in a pay status count toward completion of probation. Absence in nonpay status while on the rolls (other than for compensable injury or military duty) is creditable up to a total of 22 workdays. Absence (whether on or off the rolls) due to compensable injury or military duty is creditable in full upon restoration to Federal service. Nonpay time in excess of 22 workdays extends the probationary period by an equal amount. An employee serving probation who leaves Federal service to become a volunteer with the Peace Corps or the Corporation for National and Community Service serves the remainder of the probationary period upon reinstatement provided the employee is reinstated within 90 days of termination of service as a volunteer or training for such service.

(d) The probationary period for part-time employees is computed on the basis of calendar time, in the same manner as for full-time employees. For intermittent employees, i.e., those who do not have regularly scheduled tours of duty, each day or part of a day in pay status counts as 1 day of credit toward the 260 days in a pay status required for completion of probation. (However, the probationary period cannot be completed in less than 1 year of calendar time.)

§ 315.803 Agency action during probationary period (general).

(a) The agency shall utilize the probationary period as fully as possible to determine the fitness of the employee and shall terminate his services during this period if he fails to demonstrate fully his qualifications for continued employment.

(b) Termination of an individual serving a probationary period must be taken in accordance with subpart D of part 752 of this chapter if the individual has completed one year of current continuous service under other than a temporary appointment limited to 1 year or less and is not otherwise excluded by the provisions of that subpart.

§ 315.804 Reinstatement.

(a) Reinstatement.

(b) The employee upon reinstatement shall receive back pay for the period of probation for which the employee was not employed and shall be accorded all the rights, privileges, and benefits of a competitive service employee.

§ 315.805 Reemployment priority list.

(a) The purpose of the reemployment priority list is to provide priority for reemployment to Federal employees who have been separated from Federal service.

(b) The reemployment priority list shall be maintained in the same manner as the annuitant list established under subpart E of part 315 of this chapter.

(c) The agency shall notify an employee of his position on the reemployment priority list and the date on which the employee’s name will be removed from the list.

§ 315.806 Reemployment priority list - items to be included.

(a) The items to be included on the reemployment priority list shall be:

(1) Name;
(2) Date of birth;
(3) Social Security number;
(4) Position title;
(5) Grade and Pay Rate;
(6) Bureau, component, and office.

(b) The list shall be maintained in the same manner as the annuitant list established under subpart E of part 315 of this chapter.

§ 315.807 Reemployment priority list - priority.

(a) The employee on the reemployment priority list shall be given priority in the same manner as those on the annuitant list established under subpart E of part 315 of this chapter.

(b) The employee on the reemployment priority list shall be given priority in the same manner as those on the annuitant list established under subpart E of part 315 of this chapter.

§ 315.808 Reemployment priority list - effective dates.

(a) The reemployment priority list shall be effective on the date on which the employee is placed on the list.

(b) The reemployment priority list shall be effective on the date on which the employee is placed on the list.

§ 315.809 Reemployment priority list - terminations.

(a) The employee on the reemployment priority list shall be terminated from the list on the date on which the employee is no longer eligible for reemployment priority.

(b) The employee on the reemployment priority list shall be terminated from the list on the date on which the employee is no longer eligible for reemployment priority.

§ 315.810 Reemployment priority list - exceptions.

(a) The employee on the reemployment priority list shall be exempt from the provisions of this section.

(b) The employee on the reemployment priority list shall be exempt from the provisions of this section.

§ 315.811 Reemployment priority list - administrative appeal.

(a) The employee on the reemployment priority list shall be entitled to an administrative appeal.

(b) The employee on the reemployment priority list shall be entitled to an administrative appeal.

§ 315.812 Reemployment priority list - notification.

(a) The employee on the reemployment priority list shall be notified of his position on the list and the date on which the employee’s name will be removed from the list.

(b) The employee on the reemployment priority list shall be notified of his position on the list and the date on which the employee’s name will be removed from the list.

§ 315.813 Reemployment priority list - list maintenance.

(a) The employee on the reemployment priority list shall be placed on the list and maintained in the same manner as those on the annuitant list established under subpart E of part 315 of this chapter.

(b) The employee on the reemployment priority list shall be placed on the list and maintained in the same manner as those on the annuitant list established under subpart E of part 315 of this chapter.
§ 315.804 Termination of probationers for unsatisfactory performance or conduct.

(a) Subject to § 315.803(b), when an agency decides to terminate an employee serving a probationary or trial period because his work performance or conduct during this period fails to demonstrate his fitness or his qualifications for continued employment, it shall terminate his services by notifying him in writing as to why he is being separated and the effective date of the action. The information in the notice as to why the employee is being terminated shall, as a minimum, consist of the agency’s conclusions as to the inadequacies of his performance or conduct.

(b) Probation ends when the employee completes his or her scheduled tour of duty on the day before the anniversary date of the employee’s appointment. For example, when the last workday is a Friday and the anniversary date is the following Monday, the probationer must be separated before the end of the tour of duty on Friday since Friday would be the last day the employee actually has to demonstrate fitness for further employment.

§ 315.805 Termination of probationers for conditions arising before appointment.

Subject to § 315.803(b), when an agency proposes to terminate an employee serving a probationary or trial period for reasons based in whole or in part on conditions arising before his appointment, the employee is entitled to the following:

(a) Notice of proposed adverse action. The employee is entitled to an advance written notice stating the reasons, specifically and in detail, for the proposed action.

(b) Employee’s answer. The employee is entitled to a reasonable time for filing a written answer to the notice of proposed adverse action and for furnishing affidavits in support of his answer. If the employee answers, the agency shall consider the answer in reaching its decision.

(c) Notice of adverse decision. The employee is entitled to be notified of the agency’s decision at the earliest practicable date. The agency shall deliver the decision to the employee at or before the time the action will be made effective. The notice shall be in writing, inform the employee of the reasons for the action, inform the employee of his right of appeal to the Merit Systems Protection Board (MSPB), and inform him of the time limit within which the appeal must be submitted as provided in § 315.806(d).

§ 315.806 Appeal rights to the Merit Systems Protection Board.

(a) Right of appeal. An employee may appeal to the Merit Systems Protection Board in writing an agency’s decision to terminate him under § 315.804 or § 315.805 only as provided in paragraphs (b) and (c) of this section. The Merit Systems Protection Board review is confined to the issues stated in paragraphs (b) and (c) of this section.

(b) On discrimination. An employee may appeal under this paragraph a termination not required by statute which he or she alleges was based on partisan political reasons or marital status.

(c) On improper procedure. A probationer whose termination is subject to § 315.805 may appeal on the ground that his termination was not effected in accordance with the procedural requirements of that section.

(d) An employee may appeal to the Board under this section a termination that the employee alleges was based on discrimination because of race, color, religion, sex (including pregnancy and gender identity), national origin, age (as defined by the Age Discrimination in Employment Act of 1967, as amended), or disability. An appeal alleging a discriminatory termination may be filed under this subsection only if such discrimination is raised in addition to one of the issues stated in paragraph (b) or (c) of this section.
§ 315.901

Subpart I—Probation on Initial Appointment to a Supervisory or Managerial Position

Source: 44 FR 44811, July 31, 1979, unless otherwise noted.

§ 315.901 Statutory requirement.

5 U.S.C. 3321 provides for “a period of probation . . . before initial appointment as a supervisor or manager becomes final.” It also says that a supervisor or manager “who does not satisfactorily complete the probationary period . . . shall be returned to a position of no lower grade and pay than the position from which the individual was transferred, assigned or promoted.” This subpart contains OPM regulations implementing those requirements of law.

§ 315.902 Definitions.

In this subpart supervisory position and managerial position have the meaning given them by the General Schedule Supervisory Guide.

§ 315.903 Coverage.

This subpart applies to appointments and positions without time limitation in the competitive civil service. Agencies may, at their option, apply these provisions to time-limited appointments and positions. This subpart does not apply to appointments or positions in the Senior Executive Service.

§ 315.904 Basic requirement.

(a) An employee is required to serve a probationary period prescribed by the agency upon initial appointment to a supervisory and/or managerial position.

(b) An employee is required to complete a single probationary period in a supervisory position and a single probationary period in a managerial position. Absence in nonpay status while on the rolls (other than for compensable injury or military duty) is creditable up to a total of 22 workdays. Absence (whether on or off the rolls) due to compensable injury or military duty is creditable in full upon restoration to Federal service. Nonpay time in excess of 22 workdays extends the probationary period by an equal amount.
(d) Service during a probationary period from which an employee was separated or demoted for performance or conduct reasons does not count toward completion of probation required under a subsequent appointment. In other situations in which an employee does not complete probation, service is creditable as determined by agency policy.

(e) Temporary service in a supervisory or managerial position under temporary appointment, promotion, or reassignment prior to probation is creditable as determined by agency policy. Prior service under a detail may be credited only when a detail to a supervisory or managerial position is made permanent without a break in service.

[44 FR 44811, July 31, 1979, as amended at 60 FR 53505, Oct. 16, 1995]

§ 315.907 Failure to complete the probationary period.

(a) Satisfactory completion of the prescribed probationary period is a prerequisite to continued service in the position. An employee who, for reasons of supervisory or managerial performance, does not satisfactorily complete the probationary period is entitled to be assigned, except as provided in paragraph (b) of this section, to a position in the agency of no lower grade and pay than the one the employee left to accept the supervisory or managerial position.

(b) A nonsupervisory or nonmanagerial employee who is demoted into a position in which probation under § 315.904 is required and who, for reasons of supervisory or managerial performance, does not satisfactorily complete the probationary period is entitled to be assigned to a position at the same grade and pay as the position in which he or she was serving probation. The employee is eligible for reassignment in accordance with agency policy.

(c) The agency must notify the employee in writing that he or she is being assigned in accordance with this section.

§ 315.908 Appeals.

(a) An employee who, in accordance with the provisions of this subpart, is assigned to a nonmanagerial or non-supervisory position, has no appeal right.

(b) An employee who alleges that an agency action under this subpart was based on partisan political affiliation or marital status, may appeal to the Merit Systems Protection Board.

§ 315.909 Relationship to other actions.

(a) If an employee is required to concurrently serve both a probationary period under this subpart and a probationary period under subpart H of this part, the latter takes precedence and completion of the probationary period for competitive appointment fulfills the requirements of this subpart.

(b) An action which demotes an employee to a lower grade than the one the employee left to accept the supervisory or managerial position, and an action against an employee for reasons other than supervisory or managerial performance, is governed by part 432 or part 752 procedures, whichever is applicable. If the employee believes an action under this subpart was based on improper discrimination or other prohibited practices under 5 U.S.C. 2302, he or she may appeal to the Merit Systems Protection Board or the Equal Employment Opportunity Commission, as appropriate.

PART 316—TEMPORARY AND TERM EMPLOYMENT

Subparts A–B [Reserved]

Subpart C—Term Employment

Sec.
316.301 Purpose and duration.
316.302 Selection of term employees.
316.303 Tenure of term employees.
316.304 Trial period.

Subpart D—Temporary Limited Employment

316.401 Purpose and duration.
316.402 Procedures for making temporary appointments.
316.403 Designation of provisional appointments.

Subpart E [Reserved]
§ 316.301 Purpose and duration.

(a) An agency may make a term appointment for a period of more than 1 year but not more than 4 years to positions where the need for an employee’s services is not permanent. Reasons for making a term appointment include, but are not limited to: project work, extraordinary workload, scheduled abolishment, reorganization, contracting out of the function, uncertainty of future funding, or the need to maintain permanent positions for placement of employees who would otherwise be displaced from other parts of the organization. Agencies may extend appointments made for more than 1 year but less than 4 years to positions up to the 4-year limit in increments determined by the agency. The vacancy announcement should state that the agency has the option of extending a term appointment up to the 4-year limit.

(b) OPM may authorize exceptions beyond the 4-year limit when the extension is clearly justified and is consistent with applicable statutory provisions. Requests to make and/or extend appointments beyond the 4-year limit must be initiated by the employing office and sent to the appropriate OPM service center.

[63 FR 63783, Nov. 17, 1998]

§ 316.302 Selection of term employees.

(a) Competitive term appointment. An agency may make a term appointment under part 332 of this chapter, by using competitive procedures, or under part 337 of this chapter, by using direct-hire procedures, as appropriate.

(b) Noncompetitive term appointment. An agency may give a noncompetitive term appointment, without regard to the requirements of parts 332 and 333 of this chapter, to an individual who is qualified for the position and who is eligible for:

(1) Reinstatement under § 315.401 of this chapter;

(2) Veterans recruitment appointment (VRA) under § 307.103 of this chapter. Term appointments under this section are permitted only at the grade levels authorized for VRA appointments. Such appointments are competitive service appointments not excepted VRA appointments and do not lead to conversion to career-conditional appointment;

(3) Career-conditional appointment under §§ 315.601, 315.604, 315.605, 315.606, 315.607, 315.608, 315.609, 315.612, or 315.711 of this chapter;

(4) Appointment under 5 U.S.C. 3112 (veterans with compensable service-connected disability of 30 percent or more). The disability must be documented by a notice of retirement or discharge due to service-connected disability from active military service dated at any time, or by a notice of compensable disability rating from the Department of Veterans Affairs, dated 1991 or later;

(5) Appointment under 31 U.S.C. 732(g) for current and former employees of the General Accounting Office;

(6) Appointment under 28 U.S.C. 602 for current and former employees of the Administrative Office of the U.S. Courts;

(7) Reappointment on the basis of having left a term appointment prior to serving the 4-year maximum amount of time allowed under the appointment. Reappointment must be to a position
§ 316.401 Purpose and duration.

(a) Appropriate use. An agency may make a temporary limited appointment—
(1) To fill a short-term position (i.e., one that is not expected to last longer than 1 year);
(2) To meet an employment need that is scheduled to be terminated within the timeframe set out in paragraph (c) of this section for such reasons as abolishment, reorganization, or contracting of the function, anticipated reduction in funding, or completion of a specific project or peak workload; or
(3) To fill positions on a temporary basis when the positions are expected to be needed for placement of permanent employees who would otherwise be displaced from other parts of the organization.

(b) Certification of appropriate use. The supervisor of each position filled by temporary appointment must certify that the employment need is truly temporary and that the proposed appointment meets the regulatory time limits. This certification may constitute appropriate documentation of compliance with the limits set out in paragraph (c) of this section. The reason(s) for making a temporary limited appointment must be stated on the form documenting each such appointment.

(c) Time limits—general. (1) An agency may make a temporary appointment for a specified period not to exceed 1 year. The appointment may be extended up to a maximum of 1 additional year (24 months of total service). Appointment to a successor position (i.e., to a position that replaces and absorbs the position to which an individual was originally appointed) is considered to be an extension of the original appointment. Appointment to a position involving the same basic duties and in the same major subdivision of the agency and same local commuting area as the original appointment is...
also considered to be an extension of the original appointment.

(2) An agency may not fill a position by temporary appointment if that position has previously been filled by temporary appointment(s) for an aggregate of 2 years, or 24 months, within the preceding 3-year period.

(d) Exceptions to general time limits. (1) Agencies may make and extend temporary appointments to positions involving intermittent or seasonal work without regard to the requirements in paragraph (c) of this section, provided that:

(i) Appointments and extensions are made in increments of 1 year or less.

(ii) Employment in the same or a successor position under this and any other appointing authority totals less than 6 months (1,040 hours), excluding overtime, in a service year. The service year is the calendar year that begins on the date of the employee’s initial appointment in the agency. Should employment in a position filled under this exception total 6 months or more in any service year, the provisions of paragraph (c) of this section will apply to subsequent extension or reappointment under this section. An individual may be employed for training for up to 120 days following initial appointment and up to 2 weeks a year thereafter without regard to the service year limitation.

(2) OPM will authorize exceptions to the limits set out in paragraph (c) of this section only when necessitated by major reorganizations or base closings or other unusual circumstances. Requests based on major reorganization, base closing, restructuring, or other unusual circumstances that apply agencywide must be made by an official at the headquarters level of the Department or agency. Requests involving extension of appointments to a specific position or project based on other unusual circumstances may be submitted by the employing office to the appropriate OPM service center.

[59 FR 46898, Sept. 13, 1994]

§ 316.402 Procedures for making temporary appointments.

(a) Competitive temporary appointments. In accordance with the time limits in §316.401, an agency may make a temporary appointment under part 332 of this chapter, by using competitive procedures, or under part 337 of this chapter, by using direct-hire procedures, as appropriate.

(b) Noncompetitive temporary appointments. In accordance with the time limits in §316.401, an agency may give a noncompetitive temporary appointment, without regard to the requirements of parts 332 and 333 of this chapter, to an individual who is qualified for the position and who is eligible for:

(1) Reinstatement under §315.401 of this chapter;

(2) Veterans recruitment appointment under §307.103 of this chapter. Temporary limited appointments under this section are permitted only at the grade levels authorized for VRA appointments. Such appointments are not VRA appointments and do not lead to conversion to career-conditional appointment;

(3) Career-conditional appointment under §§315.601, 315.604, 315.605, 315.606, 315.607, 315.608, 315.609, 315.612, 315.703, or 315.711 of this chapter;

(4) Appointment under 5 U.S.C. 312 (veterans with compensable service-connected disability of 30 percent or more). The disability must be documented by a notice of retirement or discharge due to service-connected disability from active military service dated at any time, or by a notice of compensable disability rating from the Department of Veterans Affairs, dated 1991 or later;

(5) Appointment under 31 U.S.C. 732(g) for current and former employees of the General Accounting Office;

(6) Appointment under 28 U.S.C. 602 for current and former employees of the Administrative Office of the U.S. Courts;

(7) Reappointment on the basis of being a former temporary employee of the agency who was originally appointed from a certificate of eligibles or under the provisions of part 333 of this chapter. An agency may not reappoint a former temporary employee if the individual has already served the maximum time allowed in §316.401 or if the position has been filled under temporary appointment for the maximum
time allowed in §316.401. Reappointment must be to the same position or another position appropriate for temporary appointment with the same qualification requirements;

(b) Reappointment on the basis of being a former temporary employee who was originally appointed from a certificate of eligibles or under the provisions of part 333 of this chapter and who sustained a compensable injury while serving on the temporary appointment. Reappointment must be to the same position or another position appropriate for temporary appointment with the same qualification requirements. If the compensable injury disqualifies the former individual from performing such a position, reappointment may be to any position for which the individual is qualified. Reappointment must be for a minimum of 120 days.

(c) Extension of temporary appointments. An individual who receives a valid temporary appointment will be eligible for an extension in accordance with §316.401 even if his or her eligibility for noncompetitive appointment expires or is lost during the authorized period of temporary employment.

§ 316.403 Designation of provisional appointments.

(a) Conditions for designation. An agency may designate a temporary appointment as a provisional appointment only when all of the following conditions are met:

(1) The appointment is made to fill a continuing position by a provisional appointment leading to permanent appointment when the position must be filled more quickly than would be possible under the procedures required for nontemporary appointment or when such a provisional appointment is a requirement of the applicable authority;

(2) The agency must have current budgetary and appointing authority for the nontemporary appointment (assuming satisfactory completion of the required procedures); and

(3) The agency must have a specific intention to convert the appointee to a nontemporary appointment under appropriate authority before the expiration of the temporary appointment, must state this intention in any written offer of employment and document this intention as part of the permanent record of the initial appointment in accordance with instructions issued by OPM.

(b) Authority for provisional appointments. Provisional appointments must be made under an authority established by law, Executive order, or regulation or granted by OPM. Appointments which may be treated as provisional appointments under this paragraph may be made under any appropriate authority, including, but not limited to:

(1) Noncompetitive temporary appointments of disabled veterans under §316.402(b)(5), when the appointments are intended to afford eligibility for conversion in accordance with §315.707 of this chapter and section 3112 of title 5, United States Code;

(2) Temporary appointments of nurses in the Department of Veterans Affairs, when the appointments are made under the provisions of section 4114 of title 38, United States Code, with the intention of converting the appointees to continuing appointments as soon as the appointees obtain required State certification or registration and/or the agency completes necessary verification of references;

(3) Temporary transitional Schedule C appointments made under §213.3302 of this chapter, when the appointees are to be converted to nontemporary Schedule C appointments upon OPM approval and completion of necessary clearances.

(4) Senior Executive Service limited term and limited emergency appointments made under §213.3302 of this chapter, when the appointees are to be converted to nontemporary appointments in the Senior Executive Service or to nontemporary Presidential appointments, upon further action, such as OPM approval, White House clearance, and/or confirmation by the Senate; and

(5) Temporary appointments of severely physically handicapped individuals, when such appointments are required to demonstrate qualifications for nontemporary appointment under
§ 316.601 Appointment without competitive examination in rare cases.

(a) An agency may make an appointment without competitive examination when:

1. The duties and compensation of the position are such, or qualified persons are so rare, that in the interest of good civil service administration the position cannot be filled through open competitive examination;

2. The person to be appointed meets all applicable qualification requirements for the position; and

3. The appointment is specifically authorized by the Office or is made under an agreement between the agency and the Office providing for such appointments.

(b) A person appointed under paragraph (a) of this section does not acquire a competitive status on the basis of that appointment.

(c) An agency may retain an employee under paragraph (a) of this section in a position that it determines is noncontinuing under a temporary appointment. That appointment may be made for a period not to exceed 1 year and will be subject to the time limits set out in § 316.402.

§ 316.702 Excepted positions brought into the competitive service.

(a) When the Office, or an agency acting under an agreement with the Office, finds that an excepted position has been brought into the competitive service by statute, Executive order, or the revocation of an exception under Civil Service Rule VI (§ 6.6 of this chapter), or is otherwise made subject to competitive examination, the agency may retain the incumbent of the position.

(b)(1) When an agency retains an employee under paragraph (a) of this section who was serving in an excepted position under an indefinite appointment or an appointment without time limit, the agency gives the employee a status quo appointment and may convert that employee's appointment to career or career-conditional under § 315.701 of this chapter.

(2) When an agency decides not to effect conversion under § 315.701 of this chapter, or the employee fails to qualify for conversion, the agency, in its discretion, may retain the employee as a status quo employee.
chapter, or the employee fails to qualify for conversion, the agency, in its discretion, may retain the employee as a status quo employee.

(c) An employee who was serving under an excepted appointment limited to 1 year or less may be retained as a temporary employee under paragraph (a) of this section until the scheduled expiration date of the employee’s excepted appointment. Extension of the employee’s temporary appointment beyond that date will be subject to the provisions of §316.402.

(d) An employee who was serving under an excepted appointment with a definite time limit longer than 1 year may be retained under a term appointment. The term appointment is subject to all conditions and time limits applicable to term appointments. Service under excepted appointment does not count against the maximum time limit for term appointment in the competitive service.

(2) If the employee’s position is designated a “career reserved” position, the agency may convert the employee to a Senior Executive Service noncareer appointment and assign the employee to a “general” position. The employee cannot remain in a “career reserved” position.

(b) Senior Executive Service appointment. An employee covered by this section shall be subject to one of the following actions.

(1) If the position in which the employee is serving under a limited executive assignment or similar type of time limited appointment will terminate within three years from the date of the proposed conversion action, the agency may convert the employee to a Senior Executive Service limited term appointment.

(2) If the position in which the employee is serving under a limited executive assignment or similar type of time limited appointment will not terminate within three years from the date of the proposed conversion action, the agency may convert the employee to a Senior Executive Service non-career appointment and assign the employee to a “general” position.

(3) If the employee under a limited executive assignment has reinstatement eligibility to a position in the competitive service, or, as determined by the Office of Personnel Management, had substantial career-oriented service under a career-type appointment as defined in §317.304(a)(2), and if immediately prior to the limited executive assignment and without a break in service the employee served under a career appointment or career-type appointment in a position now being designated a Senior Executive Service position then the employee may request conversion to a career appointment.

(i) If the employee requests conversion to career, the agency will convert the employee to a Senior Executive Service career appointment. The employee may be assigned to a “general” or a “career reserved” position. The name of the individual and basis for approving the request must be published in the FEDERAL REGISTER.

(ii) If the employee does not request conversion to career, the agency will convert the employee as provided for in paragraphs (b) (1) and (2) of this section.

§ 317.401 General.

(a) The head of each agency is responsible for establishing qualifications standards for Senior Executive Service (SES) positions in accordance with the procedures described in this subpart.

(b) A written qualification standard must be established for a position before any appointment is made to the position. If a position is being filled competitively, the standard must be established before the position is announced.

§ 317.402 Career reserved positions.

(a) The qualifications standard must be in writing and identify the breadth and depth of the professional/technical and executive/managerial knowledge, skills, and abilities, or other qualifications, required for successful performance in the position.
Office of Personnel Management

§ 317.501 Recruitment and selection for initial SES career appointment shall be achieved from the brightest and most diverse pool possible.

(a) Executive Resources Board (ERB). The head of each agency shall appoint one or more ERBs from among employees of the agency or commissioned officers of the uniformed services serving on active duty in the agency. The ERB shall, in accordance with the requirements of this section, conduct the merit staffing process for initial SES career appointment.

(b) Recruitment. (1) As a minimum, the source of recruitment to fill a SES position by career appointment must include all groups of qualified individuals within the civil service (as defined by 5 U.S.C. 2101). It may also include qualified individuals outside the civil service.

(2) Before an agency can fill an SES vacancy by career appointment, it must post a vacancy announcement in USAJOBS for at least 14 calendar days, including the date of publication. Each agency’s SES vacancy announcement must comply with criteria in § 330.707 of subpart G of this chapter.

(c) Merit staffing requirements. As a minimum, agencies must—

(1) Provide that competition be fair and open, that all candidates compete and be rated and ranked on the same basis, and that selection be based solely on qualifications and not on political or other non-job-related factors. If a candidate is a current SES career appointee or an SES reinstatement eligible, an agency may consider the candidate either competitively or non-competitively.

(2) Provide that the ERB consider the executive and technical qualifications of each candidate, other than those found ineligible because they do not meet the requirements of the vacancy announcement. Preliminary qualifications screening, rating, and ranking of candidates may be delegated by the ERB.

(3) Provide that the rating procedures sufficiently differentiate among eligible candidates on the basis of the knowledges, skills, abilities, and other job-related factors in the qualifications standard for the position so as to enable the relative ranking of the candidates. For this purpose, eligible candidates may be grouped into broad categories, such as highly qualified, well qualified, and qualified. Numerical rating and ranking are not required.

(4) Provide that the record be adequately documented to show the basis of qualifications, rating, and ranking determinations.

(5) Provide that the ERB make written recommendations to the appointing authority on the eligible candidates and identify the best qualified candidates. Rating sheets may be used to
§ 317.502 Qualifications Review Board certification.

(a) A Qualifications Review Board (QRB) convened by OPM must certify the executive/managerial qualifications of a candidate before initial career appointment may be made to an SES position. More than one-half of the members of a QRB must be SES career appointees.

(b) Agency requests for certification of a candidate by a QRB must contain such information as prescribed by OPM, including evidence that merit staffing procedures were followed and that the appointing authority has certified the candidate’s qualifications for the position.

(c) Qualifications Review Board certification of executive qualifications must be based on demonstrated executive experience; successful completion of an OPM-approved candidate development program; or possession of special or unique qualities that indicate a likelihood of executive success. Any existing time limit on a previously approved certification is removed.

(d) OPM may determine the disposition of agency QRB requests where the QRB has not yet acted if the agency head leaves office or announces an intention to leave office, if the President has nominated a new agency head, or if there is a Presidential transition.

§ 317.503 Probationary period.

(a) An individual’s initial appointment as an SES career appointee becomes final only after the individual has served a 1-year probationary period as a career appointee; there has been
an assessment of the appointee’s performance during the probationary period; and the appointing authority, or his or her designee, has certified that the appointee performed at the level of excellence expected of a senior executive during the probationary period.

(b) When a career appointee’s executive qualification have been certified by a Qualifications Review Board on the basis of special or unique qualities, as described in §317.502(c), the probationary assessment must address any executive development activities the agency identified in support of the request for QRB certification.

(c) The probationary period begins on the effective date of the personnel action initially appointing the individual to the SES as a career appointee and ends one calendar year later.

(d) The following conditions apply to crediting service towards completion of the probationary period.

(1) Time on leave with pay while in an SES position is credited. Earned leave for which the employee is compensated by lump-sum payment upon separation is not credited.

(2) Time in a nonpay status while in an SES position is credited up to a total of 30 calendar days (or 22 workdays). After 30 calendar days, the probationary period is extended by adding to it time equal to that served in a nonpay status.

(3) Time absent on military duty or due to compensable injury is credited upon restoration to the SES when no other break in SES service has occurred.

(4) Time following transfer to an SES position in another agency is credited, i.e., the individual does not have to start a new probationary period.

(e) Removal of a career appointee during the probationary period is covered by subpart D of part 359 of this chapter.

(f) A career appointee who resigns or is removed from the SES before completion of the probationary period may not receive another SES career appointment unless selected under SES merit staffing procedures. The individual, however, need not be recertified by a QRB unless the individual was removed for performance or disciplinary reasons.

(g) An individual who separated from the SES during the probationary period and who has been out of the SES more than 30 calendar days must serve a new 1-year probationary period upon reappointment and may not credit previous time in a probationary period. In the following situations, however, there is an exception and the individual is only required to complete the remainder of the previously served probationary period.

(1) The individual left the SES without a break in service for a Presidential appointment and is exercising reinstatement rights under 5 U.S.C. 3593(b).

(2) The individual left the SES without a break in service for other civilian employment that provides a statutory or regulatory reemployment right to the SES when no other break in service occurred.

(3) The break in SES service was the result of military duty or compensable injury, and the time credited under paragraph (c)(3) of this section was not sufficient to complete the probationary period.

§317.601 Authorization.

(a) An agency may make a noncareer or limited appointment only to a general position.

(b) Each use of a noncareer appointment authority must be approved individually by the Office of Personnel Management, and the authority reverts to the Office upon departure of the incumbent, unless otherwise provided by the Office.

(c) Use of a limited appointment authority is subject to the conditions in this paragraph.

(1) Agencies are provided a pool of limited appointment authorities equal to 3 percent of their Senior Executive Service (SES) position allocation, or one authority, whichever is greater. An
agency may use the pool to make a limited appointment only of an individual who has a career or career-conditional appointment (or an appointment of equivalent tenure) in a permanent civil service position outside the SES. If necessary, the Office of Personnel Management may suspend use of the pool authority.

(2) Each use of a limited appointment authority other than under paragraph (c)(1) of this section must be approved individually by the Office, and the authority reverts to the Office upon departure of the incumbent, unless otherwise provided by the Office.

§ 317.602 Conditions of a limited appointment.

(a) Appointments authorized under this provision may be deemed provisional appointments for purposes of the regulations set out in parts 831, 842, 870, and 890 of this chapter if they meet the criteria set out in §§ 316.401 and 316.403 of this chapter.

(b) A limited appointment is not renewable. If an agency initially made the appointment for less than the maximum period authorized by the Office of Personnel Management, however, the agency may extend the appointment to the maximum period without the approval of the Office. The Office must be notified of the extension.

(c) A limited term or limited emergency appointee may not be appointed to, or continue to hold, a position under such an appointment if, within the preceding 48 months, the individual has served more than 36 months, in the aggregate, under any combination of limited term and limited emergency appointments.

§ 317.603 Selection.

An agency may make a noncareer or limited appointment without the use of merit staffing procedures. The appointee, however, must meet the qualifications requirements for the position, as determined in writing by the appointing authority.

§ 317.604 Reassignment.

(a) An agency may reassign a noncareer appointee only with the prior approval of the Office unless otherwise provided by the Office.

(b) An agency may make the following reassignments of limited appointees to positions for which qualified without the prior approval of the Office of Personnel Management. The Office must be notified of the reassignment, however.

(1) An agency may reassign a limited emergency appointee to another general position established to meet a bona fide, unanticipated, urgent need, except that the appointee may not serve in one or more positions in the agency under such appointment in excess of 18 months.

(2) An agency may reassign a limited term appointee to another general position the duties of which will expire at the end of 3 years or less except that the appointee may not serve in one or more positions in the agency under such appointment in excess of 3 years.

§ 317.605 Tenure of appointees.

(a) A noncareer or limited appointee does not acquire status within the Senior Executive Service on the basis of the appointment.

(b) An agency may terminate a noncareer or limited appointment at any time, unless a limited appointee is covered under 5 CFR 752.601(c)(2). The agency must give the noncareer or limited appointee a written notice at least 1 day prior to the effective date of the removal.

(c) The employment of a limited appointee ends automatically on the expiration of the appointment if the appointment has not been terminated earlier.

Subpart G—SES Career Appointment by Reinstatement

SOURCE: 54 FR 9759, Mar. 8, 1989, unless otherwise noted.

§ 317.701 Agency authority.

As provided for in §§317.702 and 317.703, an agency may reinstate a former SES career appointee without regard to the merit staffing requirements established by OPM in §317.501(c).

§ 317.702 General reinstatement; SES career appointees.

(a) Eligibility for general reinstatement.

A former SES career appointee who meets the following conditions is eligible for reinstatement under this section:

(1) The individual completed an SES probationary period under a previous SES career appointment or was exempted from that requirement; and

(2) The individual’s separation from his or her last SES career appointment was not a removal under subpart E of part 359 of this chapter for failure to be recertified as a senior executive; or a removal under subpart E of part 359 of this chapter for less than fully successful executive performance; or under 5 U.S.C. 1207 by order of the Merit Systems Protection Board as a result of a disciplinary action initiated by the Special Counsel under 5 U.S.C. 1206; or under 5 U.S.C. 7332 (National Security); or under subpart F of part 752 of this chapter for misconduct, neglect of duty, or malfeasance; or a resignation after receipt of a notice proposing or directing removal under any of the above conditions. Removal for failure to accept a directed reassignment to another commuting area, or to accompany a position in a transfer of function to another commuting area, does not preclude reinstatement to the SES unless the appointment to the original position included acceptance of a written nationwide mobility agreement or policy.

(b) Applying for reinstatement; time limit. Application for reinstatement under this section shall be made directly to the agency in which SES employment is sought. There is no time limit for reinstatement under this section.

(c) Qualifications. The individual must meet the qualification requirements of the position to which reinstated. The agency makes this determination.

(d) Tenure upon reinstatement. An individual who is reinstated under §317.702 becomes an SES career appointee.

§ 317.703 Guaranteed reinstatement: Presidential appointees.

(a) Eligibility for reinstatement. (1) A former SES career appointee who was appointed by the President to a civil service position outside the SES without a break in service, and who left the Presidential appointment for reasons other than misconduct, neglect of duty, or malfeasance, is entitled by law to be reinstated to the SES.

(2) If an individual is serving under a Presidential appointment with reinstatement entitlement and receives another Presidential appointment without a break in service between the two appointments, the individual continues to be entitled to be reinstated to the SES following termination of the second appointment. If there is an interim period between the two Presidential appointments, the individual must be reinstated as an SES career appointee before the effective date of the second appointment to preserve reinstatement entitlement following termination of the second appointment.

(b) Applying for reinstatement; time limit. Except as provided in paragraph (d) of this section, an application in writing for reinstatement under this section must be made to OPM within 90
§ 317.703 5 CFR Ch. 1 (1–1–17 Edition)

days after separation from the Presidential appointment. An application may be submitted as soon as the Presidential appointee’s resignation is requested or submitted.

(c) Directing reinstatement. (1) To the extent practicable, OPM will direct reinstatement within 45 days of the date of receipt by OPM of the application for reinstatement or the date of separation from the Presidential appointment, whichever is later.

(2) OPM will use the following order of precedence in directing reinstatement of a former Presidential appointee:

(i) The agency in which the individual last served as an SES career appointee before accepting the Presidential appointment;

(ii) The successor agency to the one in which the individual last served as an SES career appointee;

(iii) The agency or agencies in which the individual served as a Presidential appointee; or

(iv) Any other agency in the Executive branch with positions under the SES.

(3) The agency being directed to take the reinstatement action is responsible for assigning the individual to a position for which he or she meets the qualification requirements.

(4) When directing the reinstatement of a Presidential appointee, OPM may, as appropriate, allocate an additional SES space authority to the agency.

(5) When a Presidential appointee tenders his or her resignation, voluntarily or upon request, the agency in which the Presidential appointment was held, upon approval by OPM, may place the appointee as an interim measure on an SES limited term or limited emergency appointment as appropriate, pending reinstatement, to preclude a break in service after the Presidential appointment has terminated.

(6) To preserve reinstatement rights under this section, an individual who has been serving in a presidential appointment, if selected by the President for another appointment in the same or a new agency, must be reinstated to an appropriate position as an SES career appointee before the effective date of the new Presidential appointment, unless service as a Presidential appointee would be continuous.

(d) Reinstatement following direct negotiations with an agency. (1) A Presidential appointee who qualifies under paragraph (a) of this section may initiate direct negotiations with an agency regarding reinstatement under this section.

(2) An agency may voluntarily reinstate a former Presidential appointee without an order from OPM directing such action.

(3) The agency is responsible for assigning the individual to a position for which he or she meets the qualification requirements.

(4) Direct negotiations with an agency do not extend the time limit stated in paragraph (b) of this section for making application to OPM.

(5) OPM may, when appropriate and upon request by the agency, allocate an additional SES space authority to an agency that voluntarily reinstates a former Presidential appointee under this paragraph.

(6) An individual who is reinstated under this paragraph because of direct negotiations with an agency is not entitled to further assistance by OPM.

(e) Tenure upon reinstatement. (1) An individual reinstated under § 317.703 becomes an SES career appointee.

(2) An individual reinstated under § 317.703 who was serving an SES probationary period at the time of his or her Presidential appointment is required to complete the 1-year SES probationary period upon reinstatement.

(f) Compliance. (1) An agency must comply with an order to reinstate issued by OPM under this section as promptly as possible, but not more than 30 calendar days from the date of the order.

(2) The agency will notify OPM of a reinstatement action taken under this section within 5 workdays of the effective date of the reinstatement.

Subpart H—Retention of SES Provisions

§ 317.801 Retention of SES provisions.

(a) Coverage. This subpart applies to—

(1) A career appointee in the SES appointed at any time by the President to a civilian position in the executive branch with the advice and consent of the Senate at a rate of basic pay which is equal to or greater than the rate payable for Executive Level V; or

(2) A career appointee in the SES who is not covered under paragraph (a)(1) of this section and who was appointed on or after November 1, 1986, to a civilian position in the executive branch which is covered by the Executive Schedule, or the rate of basic pay for which is fixed by statute at a rate equal to one of the levels of the Executive Schedule.

(b) Election. (1) At the time of appointment, an appointee covered by paragraph (a) of this section may elect to retain some, all, or none of the following SES provisions related to basic pay (including the aggregate limitation on pay established by 5 U.S.C. 5307), performance awards, awarding of ranks, severance pay, leave, and retirement. That election will remain in effect for no less than 1 year, unless the appointee leaves the position sooner.

(2) The appointing agency is responsible for advising the appointee of the election opportunity. The election decision must be in writing.

(c) Change in election. Except as provided by paragraph (b) of this section, a career appointee is permitted to make an election for purposes of adding or dropping coverage no more than once during any twelve-month period.

Subpart I—Reassignments, Transfers, and Details

§ 317.901 Reassignments.

(a) In this section, reassignment means a permanent assignment to another SES position within the employing executive agency or military department. (See 5 U.S.C. 105 for a definition of “executive agency” and 5 U.S.C. 102 for a definition of “military department.”)

(b) A career appointee may be reassigned to any SES position for which qualified in accordance with the following conditions:

(1) Reassignment within a commuting area. For reassignment within a commuting area, the appointee must receive a written notice at least 15 days before the effective date of the reassignment. This notice requirement may be waived only when the appointee consents in writing.

(2) Reassignment outside of a commuting area. For reassignment outside of a commuting area, (i) the agency must consult with the appointee on the reasons for, and the appointee’s preferences with respect to, the proposed reassignment; and (ii) following such consultation, the agency must provide the appointee a written notice, including the reasons for the reassignment, at least 60 days before the effective date of the reassignment. This notice requirement may be waived only when the appointee consents in writing.

(c) A career appointee may not be involuntarily reassigned within 120 days after the appointment of the head of an agency, or within 120 days after the appointment of the career appointee’s most immediate supervisor who is a noncareer appointee and who has the authority to make an initial appraisal of the career appointee’s performance under subpart C of part 430 of this chapter.

(1) In this paragraph—

(i) Head of an agency means the head of an executive or military department or the head of an independent establishment.

(ii) Noncareer appointee includes an SES noncareer or limited appointee, an appointee in a position filled by Schedule C, or an appointee in an Executive Schedule or equivalent position that is not required to be filled competitively.

§ 317.902 Transfers.

(a) Definition. In this section, transfer means a permanent assignment or appointment to another SES position in a different executive agency or military department.

(b) Requirements. Transfers are voluntary and cannot occur without the consent of the appointee and the gaining agency, except transfers connected with a transfer of functions to another agency.

§ 317.903 Details.

(a) Definition. In this section, detail means the temporary assignment of an SES member to another position within or outside of the SES or the temporary assignment of a non-SES member to an SES position, with the expectation that the employee will return to the official position of record upon expiration of the detail. For purposes of pay and benefits, the employee continues to encumber the position from which detailed. The provisions of this section cover details within or outside of the employing agency.

(b) Time limits. (1) Details within an executive agency or military department must be made in no more than 120-day increments.

(2) An agency may not detail an SES employee to unclassified duties for more than 240 days.

(3) An agency must use competitive procedures when detailing a non-SES employee to an SES position for more than 240 days unless the employee is eligible for a noncompetitive career SES appointment.

(4) An agency must obtain OPM approval for a detail of more than 240 days if the detail is of:

(i) A non-SES employee to an SES position that supervises other SES positions; or

(ii) An SES employee to a position at the GS–15 or equivalent level or below.

(c) SES career reserved positions. Only a career SES appointee or a career-type non-SES appointee may be detailed to a career reserved position.

(d) SES general positions. Any SES appointee or non-SES appointee may be detailed to a general position.
§ 319.103 Scientific and professional positions.

(a) ST positions are established under 5 U.S.C. 3104 to carry out research and development functions that require the services of specially qualified personnel.

(b) Research and development functions are defined in The Guide to Personnel Data Standards under the data element “Functional Classification.” The guide is available for inspection at the Office of Personnel Management library, 1900 E Street, NW., Washington DC 20415.

(c) An ST position must be engaged in research and development in the physical, biological, medical, or engineering sciences, or a closely related field.

(d) ST positions are in the competitive service.
§ 319.104 Applicable instructions.  
Provisions in statute, Executive order, or regulations that relate in general to competitive and excepted service positions and employment apply to positions and employment under the SL and ST systems unless there is a specific provision to the contrary.

§ 319.105 Reporting requirements.  
Agencies shall report such information as may be requested by OPM relating to SL and ST positions and employees.

Subpart B—Position Allocations and Establishment

§ 319.201 Coverage.  
This section applies to SL positions in an executive agency per 5 U.S.C. 5108 and ST positions in any agency per 5 U.S.C. 3104.

§ 319.202 Allocation of positions.  
SL and ST positions may be established only under a position allocation approved by OPM.

§ 319.203 Establishment of positions.  
(a) Prior approval of OPM is not required to establish individual SL and ST positions within an allocation, but the positions must be established in accordance with the standards and procedures in paragraph (b) of this section. OPM reserves the right to require the prior approval of individual positions if the agency is not in compliance with these standards and procedures.

(b) Before an SL or ST position may be established, an agency must:

(1) Prepare a description of the duties, responsibilities, and supervisory relationships of the position; and

(2) Determine, consistent with published position classification standards and guides and accepted classification principles, that the position is properly classified above GS–15. In addition, for an ST position an agency must determine that the position meets the functional research and development criteria described in §319.103.

Subpart C—Qualifications Requirements

§ 319.301 Qualifications standards.  
(a) General. Agency heads are responsible for establishing qualifications standards in accordance with the criteria in this section.

(1) The standard must be in writing and identify the breadth and depth of the knowledges, skills, and abilities, or other qualifications, required for successful performance in the position.

(2) Each criterion in the standard must be job related.

(3) The standard may not include any criterion prohibited by law or regulation.

(b) Standards for senior-level positions.  
(1) The standard must be specific enough to enable applicants to be rated and ranked according to their degree of qualifications when the position is being filled on a competitive basis.

(2) The standard may not include a minimum length of experience or minimum education requirement beyond that authorized for similar positions in the General Schedule.

(c) Standards for scientific and professional positions.  
(1) Unless the agency obtains the approval of OPM, the standard must provide that the candidate have at least 3 years of specialized experience in, or closely related to, the field in which the candidate will work. At least 1 year of this experience must have been in planning and executing difficult programs of national significance or planning and executing specialized programs that show outstanding attainments in the field of research or consultation.

(2) Agencies may require that at least 1 year of the specialized experience must be at least equivalent to experience at GS–15.

(3) Agencies may require applicants to furnish positive evidence that they have performed highly creative or outstanding research where similar abilities are required in the ST position.

§ 319.302 Individual qualifications.  
Agency heads are delegated authority to approve the qualifications of individuals appointed to SL and ST positions. The agency head must determine
that the individual meets the qualifications standards for the position to which appointed.

Subpart D—Recruitment and Examination

§ 319.401 Senior-level positions.

(a) General. SL positions may be in either the competitive or excepted service. This section only applies to appointments in the competitive service from a civil service register. Reassignments, promotions, transfers, and reinstatements to SL positions in the competitive service shall be made in accordance with applicable statutory and regulatory provisions. Employment of SL employees in the excepted service is covered by 5 CFR, part 302.

(1) Agency heads are delegated authority to recruit and examine applicants for SL positions in the competitive service, establish competitor inventories, and issue certificates of eligibility in conformance with the requirements of this section, other applicable regulations, and statute.

(2) Agencies shall take such action as OPM may require to correct an action taken under delegated authority.

(3) Delegated authority may be terminated or suspended at any time by OPM for reasons such as, but not limited to:

(i) Evidence of unequal treatment of candidates; or

(ii) Identifiable merit system abuses.

(b) Recruitment. (1) A recruiting plan, with appropriate emphasis on affirmative recruitment, must be developed and followed.

(2) Vacancy announcements must remain open for a minimum of 14 calendar days. The closing date may not be a nonworkday.

(3) State Job Service offices must be notified of the vacancy in accordance with 5 CFR 330.102. Publication in OPM’s listing of Senior Executive Service and other executive vacancies, which is provided the offices, will satisfy this requirement.

(c) Evaluation and selection. Examination and selection procedures, and rights of applicants, are subject to the same provisions in statute and regulations that govern civil service examinations and appointments in general.

(d) Records. (1) Agencies must maintain records sufficient to allow reconstruction of the merit staffing process.

(2) Records must be kept for 2 years after an appointment, or, if no appointment is made, for 2 years after the closing date of the vacancy announcement.

§ 319.402 Scientific and professional positions.

(a) ST positions are filled without competitive examination under 5 U.S.C. 3325.

(b) ST positions are not subject to the citizenship requirements in 5 CFR part 338, subpart A. Agencies, however, must observe any restrictions on the employment of noncitizens in applicable appropriations acts.

(c) ST employees acquire competitive status immediately upon appointment. They are not required to serve a probationary or trial period.

Representative rate has the meaning given that term in §351.203 of this chapter.

(b) In this subpart:

Vacancy means a vacant position in the competitive service, regardless of whether the position will be filled by permanent or time-limited appointment, for which an agency is seeking applications from outside its current permanent competitive service workforce.

§ 330.102 Methods of filling vacancies.

An agency may fill a vacancy in the competitive service by any method authorized in this chapter, including competitive appointment from a list of eligibles, noncompetitive appointment under special authority, reinstatement, transfer, reassignment, change to lower grade, or promotion. The agency must exercise its discretion in each personnel action solely on the basis of merit and fitness, without regard to political or religious affiliation, marital status, or race, and veterans’ preference entitlements.

§ 330.103 Requirement to notify OPM.

An agency must provide the vacancy announcement information to OPM promptly when:

(a) Filling a vacancy for more than 120 days from outside the agency’s current permanent competitive service workforce, as required by the Interagency Career Transition Assistance Plan, subpart G of this part, unless the action to be taken is listed in subpart G as an exception to that subpart;

(b) Filling any vacancy under the agency’s merit promotion procedures when the agency will accept applications from outside its permanent competitive service workforce; and

(c) Filling a vacancy by open competitive examination, including direct-hire procedures under part 337 of this chapter, or in the Senior Executive Service, as required by 5 U.S.C. 3327.

§ 330.104 Requirements for vacancy announcements.

(a) Each vacancy announcement must contain the following information:

(1) Name of issuing agency;

(2) Announcement number;

(3) Position title, series, pay plan, and grade (or pay rate);

(4) Duty location;

(5) Number of vacancies;

(6) Opening date and application deadline (closing date) and any other information concerning how receipt of applications will be documented, such as by date of receipt or postmark, and considered, such as by cut-off dates in open continuous announcements;

(7) Qualification requirements, including knowledge, skills, and abilities or competencies;

(8) Starting pay;

(16) Contact person or contact point;

(17) Equal employment opportunity statement (Agencies may use the recommended equal employment opportunity statement located on OPM’s USAJOBS website.); and

(18) Reasonable accommodation statement.

(b)(1) An agency may use wording of its choice in its statement that conveys the availability of reasonable accommodation required by §330.104(a)(18). In its reasonable accommodation statement, an agency may not list types of medical conditions or impairments appropriate for accommodation.

(2) Agencies may use the recommended reasonable accommodation statement located on OPM’s USAJOBS website.

§ 330.106 Funding.

Each year, OPM will charge a fee for the agency’s share of the cost of providing employment information to the public and to Federal employees as authorized by 5 U.S.C. 3330(f).

Subpart B—Reemployment Priority List (RPL)

§ 330.201 Purpose.

(a) The Reemployment Priority List (RPL) is a required component of an agency’s placement programs to assist its current and former competitive service employees who will be or were separated by reduction in force (RIF) under part 351 of this chapter, or who have recovered from a compensable work-related injury after more than 1 year, as required by part 353 of this chapter. In filling vacancies, an agency must give its RPL registrants placement priority for most competitive service vacancies before hiring someone from outside its own permanent competitive service workforce. An agency may choose to consider RPL placement priority candidates before other agency permanent competitive service employees under its Career Transition Assistance Plan (CTAP) established under subpart F of this part, after fulfilling agency obligations to its CTAP selection priority candidates.

(b) Agencies must use an RPL to give placement priority to their:

(1) Current competitive service employees with a specific notice of RIF separation or a Certification of Expected Separation issued under part 351 of this chapter;

(2) Former competitive service employees separated by RIF under part 351 of this chapter; and

(3) Former competitive service employees fully recovered from a compensable injury (as defined in part 353 of this chapter) after more than 1 year.

(c) All agency components within the local commuting area use a single RPL and are responsible for giving placement priority to the agency’s RPL registrants.

(d) With prior OPM approval, an agency may operate an alternate placement program which satisfies the basic requirements of this subpart, including veterans’ preference, as an exception to the RPL regulations under this subpart. This provision is limited to reemployment priority because of RIF separation and allows agencies to adopt different placement strategies that are effective for their programs and satisfy employee entitlements to reemployment priority.

§ 330.202 Definitions.

In this subpart:

Competitive area means a competitive area as described in § 351.402 of this chapter.

Competitive service appointment includes new appointments, reinstatements, reemployment, and transfers as defined in § 210.102 of this chapter, and conversions as defined in OPM’s “Guide to Processing Personnel Actions.”

Injury, in relation to the RPL, has the meaning given that term in § 353.102 of this chapter.

Overseas has the meaning given that term in § 210.102 of this chapter.

Qualified refers to an RPL registrant who:

(1) Meets OPM-established or -approved qualification standards and requirements for the position, including minimum educational requirements, and agency-established selective factors (as this term is used in OPM’s “Operating Manual: Qualification Standards for General Schedule Positions”);

(2) Will not cause an undue interruption, as defined in § 351.203 of this chapter, that would prevent the completion of required work by the registrant 90 days after the registrant is placed in the position;

(3) Is physically qualified, with or without reasonable accommodation, to perform the duties of the position;
Office of Personnel Management

§ 330.203 RPL Eligibility.

An employee must meet the conditions in either paragraph (a) or (b) of this section to be an RPL eligible.

(a) For eligibility based on part 351 of this chapter, the employee:

(1) Must be serving in an appointment in the competitive service in tenure group I or II;

(2) Must have received either a specific notice of separation or a Certification of Expected Separation under part 351 of this chapter that has not been cancelled, rescinded, or modified so that the employee is no longer under notice of separation;

(3) Must have received a rating of record of at least fully successful (Level 3) or equivalent as the most recent performance rating of record; and

(4) Must not have declined an offer under part 351, subpart G, of this chapter of a position with the same type of work schedule and with a representative rate at least as high as that of the position from which the employee will be separated.

(b) For eligibility based on part 353 of this chapter, the employee or former employee:

(1) Must be serving, or separated from, an appointment in the competitive service in tenure group I or II;

(2) Must either have accepted a position at a lower grade or pay level in lieu of separation or have been separated because of a compensable injury or disability. (For the purposes of this subpart, any reference to the position from which an individual was or will be separated includes the position from which the RPL eligible accepted the lower graded or pay level position under this paragraph.);

(3) Must have fully recovered more than 1 year after compensation began; and

(4) Must have received notification from the Office of Workers' Compensation Programs, Department of Labor, that injury compensation benefits have ceased or will cease.

§ 330.204 Agency requirements and responsibilities.

(a) An agency must establish policies and maintain an RPL for each local commuting area in which the agency has RPL eligibles.

(b) An agency must give each RPL eligible information about its RPL program, including Merit Systems Protection Board appeal rights under §330.214, when:

(1) The agency issues a RIF separation notice or a Certification of Expected Separation under part 351 of this chapter; or

(2) The employee accepts a position at a lower grade or pay level or is separated from the agency because of a compensable work-related injury.

(c) An agency must register an RPL eligible on the appropriate RPL no later than 10 calendar days after receiving the eligible’s written application.

(d) Agencies must include in their RPL policies established under this subpart how they will assist RPL eligibles who:

(1) Request an RPL application;

(2) Request help in completing the RPL application; and

(3) Request help in identifying and listing on the RPL application those positions within the agency for which they are qualified and interested.
§ 330.205 Agency RPL applications.

Agencies may develop their own application format which must, at a minimum:

(a) Allow an RPL eligible to register for positions at the same representative rate and work schedule (full-time, part-time, seasonal, or intermittent) as the position from which the RPL eligible was, or will be, separated; and

(b) Allow an RPL eligible to specify the conditions under which he or she will accept a position, including grades or pay levels, appointment type (permanent or time-limited), occupations (e.g., position classification series or career groups), and minimum number of hours of work per week, as applicable.

§ 330.206 RPL registration timeframe and positions.

(a) To register, an RPL eligible must:

(1) Meet the eligibility conditions under §330.203(a) or (b);

(2) Complete an RPL application prescribed by the current or former agency and keep the agency informed of any significant changes in the information provided; and

(3) Submit the RPL application on or before the RIF separation date or, if an RPL eligible under §330.203(b), within 30 calendar days after the:

(i) Date injury compensation benefits cease; or

(ii) Date the Department of Labor denies an appeal for continuation of injury compensation benefits.

(b) RPL eligibles may register and receive placement priority for positions for which they are qualified and that:

(1) Have a representative rate no higher than the position from which they were, or will be, separated unless the eligible was demoted as a tenure group I or II employee in a previous RIF. If the eligible was so demoted, the eligible can register for positions with a representative rate up to the representative rate of the position held on a permanent appointment immediately before the RIF demotion was effective;

(2) Have no greater promotion potential than the position from which they were, or will be, separated; and

(3) Have the same type of work schedule as the position from which they were, or will be, separated.

§ 330.207 Registration area.

(a) Except as provided in paragraphs (b) through (e) of this section, RPL registration is limited to the local commuting area in which the eligible was, or will be, separated.

(b) If the agency has, or will have, no competitive service positions remaining in the local commuting area from which the RPL eligible will be separated under part 351 of this chapter, the agency may designate a different local commuting area where there are continuing positions for the RPL eligible to exercise placement priority. The agency has sole discretion over whether to offer this option and which local commuting area to designate, taking into consideration the size and locations of its workforce, available vacancies, and available funds.

(c) If the RPL eligible agreed to transfer with his or her function under part 351 of this chapter but will be separated by RIF from the gaining competitive area, registration is limited to the RPL covering the gaining competitive area’s local commuting area.

(d) For an individual who is eligible under §330.203(b), registration is initially limited to the RPL covering the local commuting area of the position from which the employee was separated. The agency must establish a fair and consistent policy that permits RPL eligibles to expand their registration to available local commuting areas mutually acceptable to the RPL.
eligible and the agency, up to agency-wide as required by 5 U.S.C. §8151. (For example, an agency could consider the number and location(s) of its positions and funding availability when establishing its policies on expanding consideration.) In lieu of expanded registration, the agency policy may provide for the RPL eligible to elect to receive placement priority for the next best available position in the former local commuting area.

(e) If the RPL eligible was, or will be, separated from an overseas position (see part 301 of this chapter), RPL registration is limited to the local commuting area in which the eligible was, or will be, separated, unless:

(1) The agency approves a written request by the RPL eligible for registration in the local commuting area from which employed for overseas service, or in another area within the United States that is mutually acceptable to the eligible and the agency; or

(2) The agency has a formal program for rotating employees between overseas areas and the United States, and the RPL eligible’s preceding and prospective overseas service would exceed the maximum duration of an overseas duty tour in the rotation program. In this case, the eligible may register for a local commuting area within the United States that is mutually acceptable to the eligible and the agency.

§ 330.208 Duration of RPL registration.

(a) RPL registration expires 2 years from the date of reduction in force separation under part 351 of this chapter, or 2 years from the date the agency registers the RPL eligible because of recovery from a compensable work injury under §330.206(a)(3)(i) or (ii). An RPL eligible remains registered for the full 2-year period unless the registrant is removed from the RPL for a reason specified in §330.209.

(b)(1) OPM may extend the registration period when an RPL eligible does not receive a full 2 years of placement priority, for example, because of an agency’s administrative or procedural error.

(2) Either the agency or the RPL eligible may request OPM to extend the registration period under paragraph (b)(1) of this section. The request must describe the administrative or procedural error that caused the RPL eligible to be registered for less than the full 2-year period. OPM may request additional information either from the agency or the RPL eligible in connection with any such request. OPM will notify both the agency and the RPL eligible of the decision to approve or deny an extension request. OPM’s decision regarding an extension request is not subject to appeal under §330.214.

§ 330.209 Removal from an RPL.

(a) An RPL registrant is removed from the RPL at all registered grades or pay levels if the registrant:

(1) Declines or fails to reply to the agency’s inquiry about an RPL offer of a career, career-conditional, or excepted appointment without time limit for a position having the same type of work schedule and a representative rate at least as high as the position from which the registrant was, or will be, separated;

(2) Receives a written cancellation, rescission, or modification to:

(i) The RIF separation notice or Certification of Expected Separation so that the employee no longer meets the conditions for RPL eligibility in §330.203(a); or

(ii) The notification of cessation of injury compensation benefits so that injury compensation benefits continue;

(3) Separates from the agency for any other reason (such as retirement, resignation, or transfer) before the RIF separation effective date. Registration continues if the RPL registrant retires on or after the RIF separation effective date. This paragraph does not apply to an RPL registrant under §330.203(b);

(4) Requests the agency to remove his or her name from the RPL;

(5) Is placed in a position without time limit at any grade or pay level within the agency;

(6) Is placed in a position under a career, career-conditional, or excepted appointment without time limit at any grade or pay level in any agency; or

(7) Leaves the area covered by an overseas RPL (see 5 CFR part 301) or is ineligible for continued overseas employment because of previous service or residence.
§ 330.210 Applying RPL placement priority.

(a) RPL placement priority applies to:

(1) Permanent and time-limited positions to be filled by competitive service appointment; and

(2) The grade or pay level at which the agency fills the position. If a position is available at multiple grades or pay levels, placement priority applies at the grade or pay level at which the position is ultimately filled.

(b) An agency must not effect a permanent or time-limited competitive service appointment of another individual if there is an RPL placement priority candidate registered for the vacancy, unless the action is listed as an exception in §330.211.

(c) An agency must document that there are no RPL placement priority candidates for the vacancy when requesting a competitive certificate of eligibles under part 332 of this chapter. Similarly, an agency must offer the vacancy to any RPL placement priority candidate(s) before effecting an appointment under a noncompetitive appointment authority, such as under part 315 of this chapter.

(d) Once an agency has ensured there are no RPL placement priority candidates for a particular vacancy and documents in writing an employment offer that is accepted by another individual, the agency may fulfill that employment offer to that individual.

§ 330.211 Exceptions to RPL placement priority.

An agency may effect the following personnel actions as exceptions to §330.210:

(a) Fill a vacancy with an employee of the agency’s current permanent competitive service workforce through detail or position change, subject to the requirements of subpart F of this part;

(b) Appoint a 10-point preference eligible through an appropriate appointing authority;

(c) Appoint a current or former employee exercising restoration rights under part 353 of this chapter based on return from military service or recovery from a compensable injury or disability within 1 year;

(d) Appoint a current or former employee exercising other statutory or regulatory reemployment rights;

(e) Fill a specific position when all RPL placement priority candidates decline an offer of the position or fail to respond to a written agency inquiry about their availability;

(f) Convert an employee serving under an appointment that provides noncompetitive conversion eligibility to a competitive service appointment, including from:

(1) A Veterans Recruitment Appointment under part 307 of this chapter;

(2) An appointment under 5 U.S.C. 3112 and part 316 of this chapter of a veteran with a compensable service-connected disability of 30 percent or more; and

(3) An excepted service appointment under part 213 of this chapter;

(g) Reappoint without a break in service to the same position currently held by an employee serving under a temporary appointment of 1 year or less (only to another temporary appointment not to exceed 1 year or less);
(h) Extend an employee’s temporary or term appointment up to the maximum permitted by the appointment authority or as authorized by OPM; or

(i) Appoint an individual under an excepted service appointing authority.

§ 330.212 Agency flexibilities.

An agency may provide the following flexibilities within its written RPL policies established under this subpart:

(a) Allow RPL eligibles to register only for certain sub-areas of a local commuting area when the agency has components dispersed throughout a large commuting area. However, an agency cannot deny registration throughout the local commuting area if the RPL eligible requests it.

(b) Suspend an RPL registration for all positions, permanent and time-limited, if the agency is unable, through documented written means, to contact the RPL registrant; however, the agency must reactivate an RPL registration when the registrant submits an updated application or otherwise requests reactivation in writing. Registration suspension and reactivation do not change the expiration date of the original registration period set in §330.208.

(c)(1) Modify the OPM or OPM-approved qualification standard used to determine if an RPL eligible is qualified for a position, provided the:

(i) Exception is applied consistently and equitably in filling a position;

(ii) RPL registrant meets any minimum educational requirements for the position; and

(iii) RPL registrant has the capacity, adaptability, and special skills needed to satisfactorily perform the duties and responsibilities of the position, as determined by the agency.

(2) Any modification to the qualification standard under paragraph (c)(1) of this section does not authorize a waiver of the selection order required under §330.213.

(d) Permit RPL eligibles to register for positions with work schedules different from the work schedule of the position from which they were, or will be, separated.

(c) Permit RPL registrants to update their qualifications or conditions for accepting positions during the RPL registration period. If an agency provides this flexibility in its RPL policies, the agency must update the RPL registrant’s registration information within 10 calendar days of receipt of the registrant’s written request. The updated registration information would apply only to those vacancies becoming available after the agency updates the RPL registrant’s registration.

§ 330.213 Selection from an RPL.

(a) Methods. An agency must adopt one of the selection methods in paragraphs (b), (c), or (d) of this section for a single RPL. The agency may adopt the same method for each RPL it establishes or may vary the method by location, but it must adopt a written policy for each RPL it establishes and maintains. While an agency may not vary the method used for an individual vacancy, it may at any time change the selection method for all positions covered by a single RPL.

(b) Retention standing order. For each vacancy to be filled, the agency places qualified RPL placement priority candidates in tenure group and subgroup order in accordance with part 351 of this chapter. In making a selection, an agency may not pass over a candidate in tenure group I to select from tenure group II and, within a tenure group, may not pass over a candidate in a higher subgroup to select from a lower subgroup. Within a subgroup, an agency may select any candidate without regard to order of retention standing.

(c) Numerical scoring. (1) For each vacancy to be filled, the agency rates RPL placement priority candidates according to their job experience and education. The agency must use job-related evaluation criteria for the position to be filled that can distinguish differences in qualifications measured and must apply the criteria in a fair and consistent manner. The agency assigns the candidates a numerical score of at least 70 on a scale of 100, based on the evaluation criteria developed under this paragraph. The agency must grant 5 additional points to veterans’ preference eligibles under 5 U.S.C.
2108(3)(A) and (B), and 10 additional points to veterans’ preference eligibles under 5 U.S.C. 2108(3) (C) through (G).

(2) RPL placement priority candidates with an eligible numerical score are ranked in the following order:

(i) Veterans’ preference eligibles having a compensable service-connected disability of 10 percent or more in the order of their augmented ratings, unless the position to be filled is a professional or scientific position at or above the GS-9 level, or equivalent; and

(ii) All other candidates in the order of their augmented ratings. At each score, candidates entitled to 10-point veterans’ preference will be entered ahead of all other candidates, and those entitled to 5-point veterans’ preference will be entered ahead of those candidates not entitled to veterans’ preference.

(3) The agency must make its selection from among the highest three candidates available and may not pass over a veterans’ preference eligible to select a nonpreference eligible.

(d) Alternative rating and selection. (1) For each vacancy to be filled, the agency may use alternative rating and selection procedures (also called category rating) as described in 5 U.S.C. 3319 and part 337 of this chapter. The agency assesses RPL placement priority candidates against job-related evaluation criteria and then places them into two or more pre-defined quality categories.

(2) To use this method, the agency must:

(i) Establish a system for evaluating RPL placement priority candidates that provides for two or more quality categories;

(ii) Define each quality category through job analysis conducted in accordance with the “Uniform Guidelines on Employee Selection Procedures” at 29 CFR part 1607 and part 300 of this chapter. Each quality category must have a clear definition that distinguishes it from other quality categories; and

(iii) Place candidates into the appropriate quality categories based upon their job-related competencies, knowledge, skills, and abilities.

(3) Veterans’ preference must be applied as prescribed in 5 U.S.C. 3319(b) and (c)(2). Veterans’ preference points as prescribed in paragraph (c)(1) of this section are not applied under this method.

(4) The agency must make its selection from the highest quality category in accordance with its category rating policy established under part 337 of this chapter.

(e) Application-based procedure. (1) An agency may adopt an application-based procedure which allows RPL registrants to apply directly for RPL placement priority under an advertised vacancy announcement. Before using this procedure, the agency must establish policies and procedures for:

(i) Informing RPL registrants of available vacancies;

(ii) Informing RPL registrants of acceptable application formats, including how to permanently change initial registration information and how to apply changes only to the specific vacancy announcement for which the application is made;

(iii) Determining the method under which the RPL registrant will be rated and ranked (paragraph (b), (c), or (d) of this section); and

(iv) Informing each RPL registrant who applies under this method whether he or she was determined to be an RPL placement priority candidate and the outcome of the selection process, if the candidate was referred for selection.

(2) RPL registrants may not be removed from the RPL for failure to apply for a vacancy under this paragraph. Registration continues until it expires or the registrant is removed from the RPL under §330.209.

§330.214 Appeal rights.

An RPL registrant who believes the agency violated his or her reemployment rights under this subpart by employing another person who otherwise could not have been appointed properly may appeal to the Merit Systems Protection Board under the Board’s regulations in part 1200 of this chapter.

Subpart C [Reserved]
Subpart D—Positions Restricted to Preference Eligibles

§ 330.401 Restricted positions.
Under 5 U.S.C. 3310, competitive examinations for the positions of custodian, elevator operator, guard, and messenger (referred to in this subpart as restricted positions) are restricted to preference eligibles as long as a preference eligible is available. For more information on these restricted positions, refer to the OPM Delegated Examining Operations Handbook.

§ 330.402 Exceptions to restriction.
(a) An agency may fill a restricted position with a nonpreference eligible under the following circumstances:
(1) By competitive examination when no preference eligible applies;
(2) By position change (promotion, demotion, or reassignment) to a position in the organizational entity (i.e., the part of an agency from which selections are normally made for promotion or reassignment to the position in question) in which the nonpreference eligible is employed;
(3) By reemployment in the agency where the nonpreference eligible was formerly employed when he or she is being appointed from the Reemployment Priority List under subpart B of this part;
(4) By reinstatement in the agency where the nonpreference eligible was formerly employed when he or she was last separated because of disability retirement; or
(5) By reappointment of certain temporary employees as provided for in part 316 of this chapter.
(b) Except as indicated in paragraph (a) of this section, OPM must authorize any other agency noncompetitive action (e.g., under an authority specified in part 315 of this chapter) to fill a restricted position with a nonpreference eligible.

§ 330.403 Positions brought into the competitive service.
An agency may convert the appointment of a nonpreference eligible whose restricted position was brought into the competitive service under part 316 of this chapter, and who meets the requirements for conversion under part 315 of this chapter, to career or career conditional appointment.

§ 330.404 Displacement of preference eligibles occupying restricted positions in contracting out situations.
An individual agency and OPM both have additional responsibilities when the agency decides, in accordance with the Office of Management and Budget (OMB) Circular A–76, to contract out the work of a preference eligible who holds a restricted position. These additional responsibilities as described in §§330.405 and 330.406 are applicable if a preference eligible holds a competitive service position (other than in the Government Printing Office) that is:
(a) A restricted position as designated in 5 U.S.C. 3310 and §330.401; and
(b) In tenure group I or II, as defined in §351.501(b)(1) and (2) of this chapter.

§ 330.405 Agency placement assistance.
An agency that separates a preference eligible from a restricted position by reduction in force under part 351 of this chapter because of a contracting out situation covered in §330.404 must, consistent with §330.603, advise the employee of the opportunity to participate in available career transition programs. The agency is also responsible for:
(a) Applying OMB’s policy directives on the preference eligible’s right of first refusal for positions that are contracted out to the private sector; and
(b) Cooperating with State units as designated or created under title I of the Workforce Investment Act of 1998 to retrain displaced preference eligibles for other continuing positions.

§ 330.406 OPM placement assistance.
OPM’s responsibilities include:
(a) Assisting agencies in operating positive placement programs, such as the Career Transition Assistance Plan, which is authorized by subpart F of this part;
(b) Providing interagency selection priority through the Interagency Career Transition Assistance Plan, which is authorized by subpart G of this part; and
(c) Encouraging cooperation between local Federal activities to assist these
§ 330.407 Eligibility for the Interagency Career Transition Assistance Plan.

(a) A preference eligible who is separated from a restricted position by reduction in force under part 351 of this chapter because of a contracting out situation covered in §330.404 has interagency selection priority under the Interagency Career Transition Assistance Plan, which is authorized by subpart G of this part.

(b) A preference eligible covered by this subpart is eligible for the Interagency Career Transition Assistance Plan for 2 years following separation by reduction in force from a restricted position.

Subpart E—Restrictions To Protect Competitive Principles

§ 330.501 Purpose.

The restrictions in this subpart are designed to prevent circumvention of the open competitive examination system defined in Civil Service Rule 1.3 (5 CFR 1.3). These restrictions limit an appointee’s immediate movement to another position after appointment from a competitive certificate of eligibles.

§ 330.502 General restriction on movement after competitive appointment.

(a) An agency must wait at least 90 days after an employee’s latest non-temporary competitive appointment before the agency may take the following actions:

(1) Promote an employee;

(2) Transfer, reinstate, reassign, or detail an employee to a different position; or

(3) Transfer, reinstate, reassign, or detail an employee to a different geographical area.

(b) Upon written request from an agency, OPM may waive the restriction against movement to a different geographical area when moving such an employee is consistent with open competition principles.

§ 330.503 Ensuring agency compliance with the principles of open competition.

OPM will review appointments made from competitive examinations and subsequent position changes to determine if agencies are complying with open competition principles. The fact that an agency waited 90 days to make the changes, as required under this subpart, is not an absolute protection. If OPM finds that an agency has not complied with these principles, either in an individual instance or on a program-wide basis, OPM will order an agency to correct the situation.

§ 330.504 Exception to the general restriction.

The restrictions in this subpart do not apply to a person who is eligible for a competitive appointment from a certificate of eligibles under part 332 of this chapter.

Subpart F—Agency Career Transition Assistance Plan (CTAP) for Local Surplus and Displaced Employees

§ 330.601 Purpose.

(a) An agency’s Career Transition Assistance Plan (CTAP) provides intra-agency selection priority for the agency’s eligible surplus and displaced employees. This subpart sets forth minimum requirements for agency plans and establishes requirements for CTAP selection priority.

(b) Consistent with these regulations and at their discretion, an agency may supplement these requirements to expand career transition opportunities to its surplus and displaced workers.

(c) With prior OPM approval, an agency may operate an alternate placement program that satisfies the basic requirements of this subpart as an exception to CTAP selection priority under this subpart. This provision allows agencies to adopt different placement strategies that are effective for their programs while satisfying employee entitlements to selection priority.

§ 330.602 Definitions.

For purposes of this subpart:
Office of Personnel Management

§ 330.602

Agency means an Executive agency as defined in 5 U.S.C. 105.

CTAP eligible means an agency surplus or displaced employee who has a current performance rating of record of at least fully successful (Level 3) or equivalent. As used in this subpart, “CTAP eligible” and “eligible” are synonymous.

CTAP selection priority candidate means a CTAP eligible who applied for and was determined to be well-qualified by the agency and whom the agency must select over any other applicant for the vacancy, unless the action to be taken is listed as an exception under § 330.609.

Displaced describes an agency employee in one of the following two categories:

(1) A current career or career-conditional (tenure group I or II) competitive service employee at grade GS–15 (or equivalent) or below who:

(i) Received a reduction in force (RIF) separation notice under part 351 of this chapter and has not declined an offer under part 351, subpart G, of this chapter of a position with the same type of work schedule and a representative rate at least as high as that of the position from which the employee will be separated; or

(ii) Received a notice of proposed removal under part 752 of this chapter for declining a directed geographic relocation outside the local commuting area (e.g., a directed reassignment or change in duty station).

(2) A current excepted service employee on an appointment without time limit at grade level GS–15 (or equivalent) or below who:

(i) Is covered by a law providing both noncompetitive appointment eligibility to, and selection priority for, competitive service positions; and

(ii) Received a Certification of Expected Separation under part 351 of this chapter or other official agency certification or notification indicating that the employee’s position is surplus (for example, a notice of position abolishment or a notice of eligibility for discontinued service retirement).

(3) A current excepted service employee on a Schedule A or B appointment without time limit at grade level GS–15 (or equivalent) or below who is in an agency offering CTAP selection priority to its excepted service employees and who:

(i) Received a Certification of Expected Separation under part 351 of this chapter or other official agency certification or notification indicating that the employee is surplus (for example, a notice of position abolishment, or notice of eligibility for discontinued service retirement); or

(ii) Received a RIF notice of separation under part 351 of this chapter or a notice of proposed removal under part 752 of this chapter for declining a directed geographic relocation outside the local commuting area (e.g., a directed reassignment or a change in duty station).

Surplus describes an agency employee in one of the following three categories:

(1) A current career or career-conditional (tenure group I or II) competitive service employee at grade GS–15 (or equivalent) or below who received a Certification of Expected Separation under part 351 of this chapter or other official agency certification or notification indicating that the employee’s position is surplus (for example, a notice of position abolishment or a notice of eligibility for discontinued service retirement).

(2) A current excepted service employee on an appointment without time limit at grade GS–15 (or equivalent) or below who:

(i) Is covered by a law providing both noncompetitive appointment eligibility to, and selection priority for, competitive service positions; and

(ii) Received a Certification of Expected Separation under part 351 of this chapter or other official agency certification or notification indicating that the employee’s position is surplus (for example, a notice of position abolishment, or notice of eligibility for discontinued service retirement).

Vacancy means a vacant competitive service position at grade GS–15 (or equivalent) or below to be filled for a total of 121 days or more, including all extensions, regardless of whether the agency issues a specific vacancy announcement.
§ 330.603 Requirements for agency CTAPs.

(a) Each agency must establish a CTAP for its surplus and displaced employees. Each agency must send its plan, and any modifications, to OPM, Employee Services, after approval by an authorized agency official.

(b) Each agency must uniformly and consistently apply its CTAP and these regulations to all surplus and displaced employees.

(c) In addition to a description of the agency’s selection priority policies required by §330.604, a CTAP must describe the agency’s policies with regard to how it will provide career transition services to all its surplus and displaced agency employees, including excepted service and Senior Executive Service employees. The plan must describe:

(1) The types of career transition services the agency will provide;

(2) Policies on employees’ and former employees’ use of transition services and facilities, including:

(i) Excused absences for transition-related activities;

(ii) Access to services or facilities after separation;

(iii) Orientation sessions on career transition services and information as described in §330.608(a) and (b), respectively;

(iv) Retraining policies;

(v) Access to agency CTAP services and resources by all employees, including those with disabilities, those in field offices, and those in remote sites;

(vi) Access to other Federal, State, and local resources available to support career transition for employees with disabilities; and

(vii) Availability of employee assistance programs and services.

(d) An agency’s CTAP must also describe the agency’s policies and procedures for its Reemployment Priority List established under subpart B of this part and the Interagency Career Transition Placement Plan established under subpart G of this part.

§ 330.604 Requirements for agency CTAP selection priority.

In addition to the overall requirements of §330.603, an agency’s CTAP must describe:

(a) How the agency will provide CTAP selection priority to surplus and displaced employees for vacancies in the local commuting area before selecting any other candidate from either within or outside the agency;

(b) Procedures for reviewing CTAP eligibles’ qualifications and resolving qualification issues or disputes;

(c) Decisions involving discretionary areas under §330.607 (such as whether excepted service employees will receive CTAP selection priority, priority of surplus versus displaced employees, designation of agency components, and selection priority beyond the local commuting area); and

(d) When and how the agency will inform its surplus and displaced employees about CTAP eligibility criteria, as required by §330.608(b), how to apply for agency vacancies, and how to request CTAP selection priority.

§ 330.605 Agency responsibilities for deciding who is well-qualified.

(a) An agency must define what constitutes a well-qualified candidate for its specific vacancies, consistent with this subpart, and uniformly apply that definition to all CTAP eligibles being considered for the vacancy.

(b) An agency must conduct an independent second review and document the specific job-related reasons whenever a CTAP eligible is determined to be not well-qualified under the agency’s definition. The agency must give the CTAP eligible the written results of this review as required by §330.608(e).

§ 330.606 Minimum criteria for agency definition of “well-qualified”.

(a) At a minimum, the agency must define “well-qualified” as having knowledge, skills, abilities, and/or competencies clearly exceeding the minimum qualification requirements for the vacancy. The agency definition may or may not equate to the highly or best qualified assessment criteria established for the vacancy; however, the agency definition of “well-qualified” must satisfy the criteria in paragraph (b) of this section.

(b) Under an agency’s definition of “well-qualified,” the agency must be able to determine whether a CTAP eligible:
Office of Personnel Management § 330.607

(1) Meets the basic eligibility requirements (including employment suitability requirements under part 731 of this chapter and any medical qualifications requirements), qualification standards (including minimum educational and experience requirements), and any applicable selective factors;

(2) Is physically qualified, with or without reasonable accommodation, to perform the essential duties of the position;

(3) Meets any special qualifying conditions of the position;

(4) Is able to satisfactorily perform the duties of the position upon entry; and

(5) At agency discretion, either:
   (i) Rates at or above specified level(s) on all quality ranking factors; or
   (ii) Rates above minimally qualified in the agency’s rating and ranking process.

§ 330.607 Applying CTAP selection priority.

(a) An agency must not place any other candidate from within or outside the agency into a vacancy if there is an available CTAP selection priority candidate, unless the personnel action to be effected is an exception under §330.609.

(b) In accordance with the conditions of part 300, subpart E, of this chapter, an agency may not procure temporary help services under that subpart until a determination is made that no CTAP eligible is available.

(c) CTAP selection priority applies to a vacancy that:

   (1) Is at a grade or pay level with a representative rate no higher than the representative rate of the grade or pay level of the CTAP eligible’s permanent position of record;
   
   (2) Has no greater promotion potential than the CTAP eligible’s permanent position of record;
   
   (3) Is in the same local commuting area as the CTAP eligible’s permanent position of record;
   
   (4) Is filled during the CTAP eligible’s eligibility period; and, if applicable,
   
   (5) Is filled under the same excepted appointing authority as the CTAP eligible’s permanent position of record if the CTAP eligible is an excepted service employee and the agency CTAP provides selection priority in the excepted service.

(d) An agency may take actions under §335.102 of this chapter to place a permanent competitive service employee into a vacancy if there are no CTAP eligible employees in the local commuting area or if no CTAP eligibles apply for the vacancy.

(e) An agency component may place a component employee within the local commuting area in the vacancy after the component applies CTAP selection priority to its employees.

(f) If there are two or more CTAP selection priority candidates for a vacancy, the agency may place any of them. An agency may decide the specific order of selection among CTAP selection priority candidates. For example, an agency may:

   (1) Provide a displaced candidate higher priority than a surplus candidate; or
   
   (2) Provide an internal component candidate higher priority than another component’s candidate.

(g) After an agency makes the vacancy available to its CTAP eligibles and meets its obligation to any CTAP selection priority candidates, the agency may place into the vacancy any other permanent competitive service candidate from within its workforce, under appropriate staffing procedures.

(h) An agency may provide CTAP selection priority to eligible employees from another commuting area after fulfilling its obligation to CTAP selection priority candidates in the local commuting area.

(i) An agency may deny a CTAP eligible future selection priority if the eligible:

   (1) Declines an offer of a permanent appointment at any grade or pay level in the competitive or excepted service; or
   
   (2) Fails to respond within a reasonable period of time, as defined by the agency, to an offer of a permanent appointment at any grade or pay level in the competitive or excepted service.

(j) Before appointing an individual from outside the agency’s permanent competitive service workforce, the agency must follow the requirements of subparts B and G of this part.
§ 330.608  Other agency CTAP responsibilities.

(a) An agency must make a career transition orientation session available to all agency surplus and displaced employees with information on selection priority under this subpart and subparts B and G. Such orientation sessions may be in person or web-based through an agency automated training system or intranet.

(b) An agency must give each agency CTAP eligible written information on selection priority under its plan, explaining how to locate and apply for agency vacancies and request selection priority. The agency may meet this requirement by providing a copy of its CTAP established under § 330.603.

(c) An agency must take reasonable steps to ensure that agency CTAP eligibles have access to information on all vacancies, including how CTAP eligibles can apply, what proof of eligibility is required, and the agency definition of “well-qualified” for the vacancy.

(d) If the agency can document that there are no CTAP eligibles in a local commuting area, the agency need not post the vacancy for CTAP eligibles.

(e) An agency must provide a CTAP eligible who applied for a specific vacancy written notice of the final status of his or her application, including whether the eligible was determined to be well-qualified. The agency notice must include the results of the independent, second review under § 330.605(b), if applicable; whether another CTAP selection priority candidate was hired; whether the position was filled under an exception listed in § 330.609; and whether the recruitment was cancelled.

§ 330.609  Exceptions to CTAP selection priority.

An agency may take the following personnel actions as exceptions to § 330.607:

(a) Reemploy a former agency employee with regulatory or statutory reemployment rights, including the reemployment of an injured worker who either has been restored to earning capacity by the Office of Workers' Compensation Programs, Department of Labor, or has received a notice that his or her compensation benefits will cease because of full recovery from the disabling injury or illness;

(b) Reassign or demote an employee under part 432 or 752 of this chapter;

(c) Appoint an individual for a period limited to 120 or fewer days, including all extensions;

(e) Convert an employee currently serving under an appointment providing noncompetitive conversion eligibility to a competitive service appointment, including from:

(1) A Veterans Recruitment Appointment under part 307 of this chapter;

(2) An appointment under 5 U.S.C. 3112 and part 316 of this chapter for a veteran with a compensable service-connected disability of 30 percent or more; and

(3) Make an excepted service appointment under part 213 of this chapter;

(f) Effect a personnel action under, or specifically in lieu of, part 351 of this chapter;

(g) Effect a position change of an employee into a different position as a result of a formal reorganization, as long as the former position ceases to exist and no actual vacancy results;

allow continued employment of an employee who is unable to provide useful and efficient service in his or her current position because of a medical condition;

(o) Effect a position change of an employee to a position that constitutes a reasonable offer as defined in 5 U.S.C. 8336(d) and 8414(b);

(p) Effect a position change of an employee resulting from a reclassification action (such as accretion of duties or an action resulting from application of new position classification standards);

(u) Reassign or demote an employee under §315.907 of this chapter for failure to complete a supervisory or managerial probationary period;

(v) Retain an individual whose position is brought into the competitive service under part 316 of this chapter and convert that individual, when applicable, under part 315 of this chapter;

(w) Retain an employee covered by an OPM-approved variation under Civil Service Rule 5.1 (5 CFR 5.1);

(x) Reemploy a former agency employee who retired under a formal trial retirement and reemployment program and who requests reemployment under the program’s provisions and applicable time limits;

(b) CTAP eligibility ends on the date the employee:

(1) Separates from the agency either voluntarily or involuntarily;

(2) Receives a notice rescinding, canceling, or modifying the notice which established CTAP eligibility so that the employee no longer meets the definition of surplus or displaced;

(3) Is placed in another position within the agency at any grade or pay level, either permanent or time-limited, before the agency separates the employee; or

(4) Is appointed to a career, career-conditional, or excepted appointment without time limit in any agency at any grade or pay level.
§ 330.611 Establishing CTAP selection priority.

(a) CTAP selection priority for a specific agency vacancy begins when:

(1) The CTAP eligible submits all required application materials, including proof of eligibility, within agency-established timeframes; and,

(2) The agency determines the eligible is well-qualified for the vacancy.

(b) An agency may allow CTAP eligible employees to become CTAP selection priority candidates for positions in other local commuting areas only if there are no CTAP selection priority candidates within the local commuting area of the vacancy.

(c) An agency may deny future CTAP selection priority for agency positions if the CTAP eligible declines an offer of permanent appointment at any grade level (whether it is a competitive or excepted appointment).

§ 330.612 Proof of eligibility.

(a) The CTAP eligible must submit a copy of one of the documents listed under the definition of displaced or surplus in § 330.602 to establish selection priority under § 330.611.

§ 330.613 OPM’s role in CTAP.

OPM has oversight of CTAP and may conduct reviews of agency compliance and require corrective action at any time.

Subpart G—Interagency Career Transition Assistance Plan (ICTAP) for Displaced Employees

§ 330.701 Purpose.

The Interagency Career Transition Assistance Program (ICTAP) provides eligible displaced Federal employees with interagency selection priority for vacancies in agencies that are filling positions from outside their respective permanent, competitive service workforces. The ICTAP selection priority does not apply in the ICTAP eligible’s current or former agency and it does not prohibit movement of permanent competitive service employees within an agency, as permitted by subpart F of this part. This subpart establishes requirements for ICTAP selection priority.

§ 330.702 Definitions.

In this subpart:

Agency means an Executive agency as defined in 5 U.S.C. 105.

Displaced describes an individual in one of the following categories:

(1) A current career or career-conditional (tenure group I or II) competitive service employee of any agency at grade GS–15 (or equivalent) or below whose current performance rating of record is at least fully successful (Level 3) or equivalent and who:

(i) Received a reduction in force (RIF) separation notice under part 351 of this chapter and has not declined an offer under part 351, subpart G, of this chapter of a position with the same type of work schedule and a representative rate at least as high as that of the position from which the employee will be separated; or

(ii) Received a notice of proposed removal under part 752 of this chapter for declining a directed geographic relocation outside the local commuting area (e.g., a directed reassignment or a change in duty station).

(2) A former career or career-conditional (tenure group I or II) competitive service employee of any agency at grade GS–15 (or equivalent) or below whose last performance rating of record was at least fully successful (Level 3) or equivalent who was either:

(i) Separated by RIF under part 351 of this chapter and did not decline an offer under part 351, subpart G, of this chapter of a position with the same type of work schedule and a representative rate at least as high as that of the position from which the employee was separated; or

(ii) Removed under part 752 of this chapter for declining a directed geographic relocation outside the local commuting area (e.g., a directed reassignment or a change in duty station).

(3) A former career or career-conditional employee of any agency who was
separated because of a compensable work-related injury or illness as provided under 5 U.S.C. chapter 81, subchapter I, whose compensation was terminated and who has received certification from the former employing agency that it is unable to place the employee as required by part 353 of this chapter.

(4) A former career or career-conditioned (tenure group I or II) competitive service employee of any agency who retired with a disability annuity under 5 U.S.C. 8337 or 8451 and who has received notification from OPM that the disability annuity has been or will be terminated.

(5) A former Military Reserve Technician or National Guard Technician receiving a special disability retirement annuity under 5 U.S.C. 8337(h) or 8456 and who has certification of such annuity from the military department or National Guard Bureau.

(6) A current or former excepted service employee on an appointment without time limit at grade GS–15 (or equivalent) or below whose current or last performance rating of record is or was at least fully successful (Level 3) or equivalent and who:

(i) Has been provided by law with both noncompetitive appointment eligibility and selection priority for competitive service positions; and

(ii) Has received a RIF separation notice under part 351 of this chapter or notice of proposed removal under part 752 of this chapter for declining a directed geographic relocation outside the local commuting area (e.g., a directed reassignment or a change in duty station) or has been separated by RIF procedures or removed for declining a geographic relocation outside the local commuting area.

ICTAP eligible means an individual who meets the definition of displaced. As used in this subpart, “ICTAP eligible” and “eligible” are synonymous.

ICTAP selection priority candidate means an ICTAP eligible who applied for a vacancy, was determined by the agency to be well-qualified for that vacancy, and who the agency must select over any other candidate from outside the agency’s current competitive service workforce for the vacancy, unless the action to be taken is listed as an exception under §330.707.

Vacancy means a vacant competitive service position at grade GS–15 (or equivalent) or below to be filled for 121 days or more, including extensions.

§ 330.703 Agency responsibilities for deciding who is well-qualified.

(a) Agencies must define “well-qualified” for their specific vacancies, consistent with this subpart, and uniformly apply that definition to all ICTAP eligibles being considered for the vacancy.

(b) Agencies must conduct an independent second review and document the specific job-related reasons whenever an ICTAP eligible is determined to be not well-qualified for the vacancy under the agency’s definition. An agency must give the ICTAP eligible the written results of this review as required by §330.706(d).

§ 330.704 Minimum criteria for agency definition of “well-qualified”.

(a) At a minimum, agencies must define “well-qualified” as having knowledge, skills, abilities, and/or competencies clearly exceeding the minimum qualification requirements for the vacancy. The agency definition may or may not equate to the highly or best qualified assessment criteria established for the vacancy; however, the agency definition of “well-qualified” must satisfy the criteria in paragraph (b) of this section.

(b) Under an agency’s definition of “well-qualified,” the agency must be able to determine whether an ICTAP eligible:

(1) Meets the basic eligibility requirements (including employment eligibility requirements under part 731 of this chapter and any medical qualification requirements), qualification standards (including minimum educational and experience requirements), and any applicable selective factors;

(2) Is physically qualified, with or without reasonable accommodation, to perform the essential duties of the position;

(3) Meets any special qualifying conditions of the position;

§ 330.705 Applying ICTAP selection priority.

(a) An agency must not appoint any candidate from outside its permanent competitive service workforce if there is an ICTAP selection priority candidate available for the vacancy, unless the personnel action to be effected is an exception under §330.707.

(b) ICTAP selection priority applies to a vacancy that:

(1) Is at a grade or pay level with a representative rate no higher than the representative rate of the grade or pay level of the ICTAP eligible’s current or last permanent position of record;

(2) Has no greater promotion potential than the ICTAP eligible’s current or last permanent position of record;

(3) Is in the same local commuting area as the ICTAP eligible’s current or last permanent position of record; and

(4) Is filled during the ICTAP eligible’s eligibility period.

(c) An agency may appoint any ICTAP selection priority candidate for a vacancy.

(d)(1) After an agency announces the vacancy and meets its obligation to any ICTAP selection priority candidates, the agency may appoint any other candidate from outside its current permanent competitive service workforce, under appropriate staffing procedures.

(2) An agency may make additional selections or reissue selection certificates in accordance with its merit promotion program without readvertising for ICTAP eligibles only if the additional selections are made from the applicant pool established by the original vacancy announcement, including re-advertisements for the same vacancy, under which ICTAP eligibles had an opportunity to apply.

(e) An agency may deny an ICTAP eligible future selection priority for vacancies in that agency if the ICTAP eligible:

(1) Declines an offer of a permanent appointment at any grade or pay level in the competitive or excepted service; or

(2) Fails to respond within a reasonable period of time, as defined by the agency, to an offer or official inquiry of availability for a permanent appointment at any grade or pay level in the competitive or excepted service.

(f) An agency may deny an ICTAP eligible future selection priority for a position previously obtained through ICTAP if the eligible was terminated or removed from that position under part 432 or 752 of this chapter.

§ 330.706 Other agency ICTAP responsibilities.

(a) Before appointing any other candidate from outside the agency’s permanent competitive service workforce, the agency must first fulfill its obligation to any employees entitled to selection priority under subparts B and F of this part.

(b) In accordance with the conditions of part 300, subpart E, of this chapter, an agency may not procure temporary help services under that subpart until a determination is made that no ICTAP eligible is available.

(c) An agency must announce all vacancies it intends to fill from outside its permanent competitive service workforce. Vacancy announcements must meet the requirements of subpart A of this part.

(d) An agency must provide an ICTAP eligible who applied for a specific vacancy written notice of the final status of his or her application, including whether the eligible was determined to be well-qualified. The agency notice must include the results of the independent second review under §330.703(b), if applicable; whether another ICTAP selection priority candidate was hired; whether the position was filled under an exception listed in §330.707; and whether the recruitment was cancelled.
$330.707 Exceptions to ICTAP selection priority.

An agency may take the following personnel actions as exceptions to $330.705:

(a) Place a current or reinstate a former agency employee with RPL selection priority under subpart B of this part;

(b) Effect a position change of a current permanent competitive service agency employee;

(c) Appoint a 10-point veteran preference eligible through an appropriate appointing authority;

(d) Reemploy a former agency employee with regulatory or statutory reemployment rights, including the reemployment of an injured worker who either has been restored to earning capacity by the Office of Workers’ Compensation Programs, Department of Labor, or has received a notice that his or her compensation benefits will cease because of recovery from disabling injury or illness;

(e) Appoint an individual for a period limited to 120 or fewer days, including all extensions;

(f) Effect a personnel action under, or specifically in lieu of, part 351 of this chapter;

(g) Appoint an individual under an excepted service appointing authority;

(h) Convert an employee serving under an appointment that provides noncompetitive conversion eligibility to a competitive service appointment, including from:

(1) A Veterans Recruitment Appointment under part 307 of this chapter;

(2) An appointment under 5 U.S.C. 3112 and part 316 of this chapter of a veteran with a compensable service-connected disability of 30 percent or more; and

(3) An excepted service appointment under part 213 of this chapter;

(i) Transfer an employee between agencies under appropriate authority during an interagency reorganization, interagency transfer of function, or interagency mass transfer;

(j) Reemploy a former agency employee who retired under a formal trial retirement and reemployment program and who requests reemployment under the program’s provisions and applicable time limits;

(k) Effect a personnel action pursuant to the settlement of a formal complaint, grievance, appeal, or other litigation;

(l) Extend a time-limited appointment up to the maximum period allowed (including any OPM-approved extension past the regulatory limit on the time-limited appointment), if the original action was made subject to ICTAP selection priority and the original vacancy announcement stated that the appointment could be extended without further announcement;

(m) Reappoint a former agency employee into a hard-to-fill position requiring unique skills and experience to conduct a formal skills-based agency training program;

(n) Retain an individual whose position is brought into the competitive service under part 316 of this chapter and convert that individual, when applicable, under part 315 of this chapter;

(o) Retain an employee covered by an OPM-approved variation under Civil Service Rule 5.1 (5 CFR 5.1);

(p) Appoint an appointee of the Senior Executive Service into the competitive service under 5 U.S.C. 3594;

(q) Assign or exchange an employee under a statutory program, such as subchapter VI of chapter 33 of title 5, United States Code (also called the Intergovernmental Personnel Act), or the Information Technology Exchange Program under chapter 37 of title 5, United States Code;

(r) Detail an employee to another agency;

(s) Transfer employees under an OPM-approved interagency job swap plan designed to facilitate the exchange of employees between agencies to avoid or minimize involuntary separations;

(t) Transfer or reinstate an ICTAP eligible who meets the agency’s definition of “well-qualified”;

(u) Transfer an employee voluntarily from one agency to another under a Memorandum of Understanding or similar agreement under appropriate authority resulting from an interagency reorganization, interagency transfer of function, or interagency realignment, when both the agencies and the affected employee agree to the transfer; or
§ 330.708 ICTAP eligibility period.

(a) ICTAP eligibility begins on the date the employee or former employee meets the definition of displaced in § 330.702.

(b) ICTAP eligibility ends 1 year from the date of:
   (1) Separation by RIF under part 351 of this chapter;
   (2) Removal by the agency under part 752 of this chapter for declining a directed geographic relocation outside the local commuting area (e.g., a directed reassignment or a change in duty station);
   (3) Agency certification that it cannot place the employee under part 353 of this chapter; or
   (4) OPM notification that an employee’s disability annuity has been, or will be, terminated.

(c) ICTAP eligibility ends 2 years after RIF separation if eligible under subpart D of this part.

(d) ICTAP eligibility also ends on the date the eligible:
   (1) Receives a notice rescinding, canceling, or modifying the notice which established ICTAP eligibility so that the employee no longer meets the definition of displaced in § 330.702;
   (2) Separates from the agency for any reason before the RIF or removal effective date; or
   (3) Is appointed to a career, career-conditional, or excepted appointment without time limit in any agency at any grade or pay level.

(e) OPM may extend the eligibility period when an ICTAP eligible does not receive a full 1 year (or 2 years under subpart D of this part) of eligibility, for example, because of administrative or procedural error.

(f) ICTAP eligibility for a former Military Reserve Technician or National Guard Technician described in § 330.702 ends when the Technician no longer receives the special disability retirement annuity under 5 U.S.C. 8337(h) or 8456.

§ 330.709 Establishing ICTAP selection priority.

ICTAP selection priority for a specific vacancy begins when:

(a) The ICTAP eligible submits all required application materials, including proof of eligibility, within agency-established timeframes; and

(b) The agency determines the eligible is well-qualified for the vacancy.

§ 330.710 Proof of eligibility.

(a) The ICTAP eligible must submit a copy of one of the documents listed under paragraphs (1) or (3) through (6) of the definition of displaced in § 330.702, as applicable, to establish selection priority under § 330.709. To establish selection priority under the paragraph (2) of the definition of displaced in § 330.702, the ICTAP eligible must submit documentation of the separation or removal, as applicable, for example, the Notification of Personnel Action, SF 50.

(b) The ICTAP eligible may also submit a copy of the RIF notice with an offer of another position accompanied by the signed declination of that offer. The RIF notice must state that declination of the offer will result in separation under RIF procedures.

§ 330.711 OPM's role in ICTAP.

OPM has oversight of ICTAP and may conduct reviews of agency compliance and require corrective action at any time.

Subparts H–I [Reserved]

Subpart J—Prohibited Practices

§ 330.1001 Withdrawal from competition.

An applicant for competitive examination, an eligible on a register, and an officer or employee in the executive branch of the Government may not persuade, induce, or coerce, directly or indirectly, a prospective applicant to withhold filing application, or an applicant or eligible to withdraw from competition or eligibility, for the purpose of improving or injuring the prospects of an applicant or eligible for
appointment. OPM will cancel the application or eligibility of an applicant or eligible who violates this section, and will impose such other penalty as it considers appropriate.

Subparts K–L [Reserved]

Subpart M—Timing of Background Investigations

§ 330.1300 Timing of suitability inquiries in competitive hiring.

A hiring agency may not make specific inquiries concerning an applicant’s criminal or credit background of the sort asked on the OF–306 or other forms used to conduct suitability investigations for Federal employment (i.e., inquiries into an applicant’s criminal or adverse credit history) unless the hiring agency has made a conditional offer of employment to the applicant. Agencies may make inquiries into an applicant’s Selective Service registration, military service, citizenship status, or previous work history, prior to making a conditional offer of employment to an applicant.

However, in certain situations, agencies may have a business need to obtain information about the background of applicants earlier in the hiring process to determine if they meet the qualifications requirements or are suitable for the position being filled. If so, agencies must request an exception from the Office of Personnel Management in order to determine an applicant’s ability to meet qualifications or suitability for Federal employment prior to making a conditional offer of employment to an applicant.

(b) A preference eligible who has been furloughed or separated without delinquency or misconduct and who applies within 90 days after furlough or separation.

§ 332.314 [Reserved]
applies for restoration while the register is still in use.

Subpart D—Consideration for Appointment

§ 332.401 Order on registers.

Subject to apportionment, residence, and other requirements of law and this chapter, OPM shall enter the names of eligibles on the appropriate register in accordance with their numerical ratings, except that the names of:

(a) Preference eligibles shall be entered in accordance with their augmented ratings and ahead of others having the same rating; and

(b) Preference eligibles who have a compensable service-connected disability of 10 percent or more shall be entered at the top of the register in the order of their ratings unless the register is for professional or scientific positions in GS–9 and above and in comparable pay levels under other pay-fixing authorities.

§ 332.402 Referring candidates for appointment.

OPM or a Delegated Examining Unit (DEU) will refer candidates for consideration by simultaneously listing a candidate on all certificates for which the candidate is interested, eligible, and within reach, except that, when it is deemed in the interest of good administration and candidates have been so notified, OPM or a DEU may choose to refer candidates for only one vacancy at a time. Selecting officials will receive sufficient names, when available, to allow them to consider at least 3 candidates for each vacancy.

[67 FR 7056, Feb. 15, 2002]

§ 332.403 Selective certification.

When there is no register appropriate as a whole for the certification of eligibles for a particular position, OPM may prepare a certificate from the most nearly appropriate existing register by the selective certification of eligibles qualified for the particular position in the order of their ranking on the register. Special overseas selection factors may also be used as a basis for selective certification from a register used for filling overseas positions. When appropriate, OPM may rerate the eligibles on the register on the basis of the particular requirements of the position.

§ 332.404 Order of selection from certificates.

An appointing officer, with sole regard to merit and fitness, shall select an eligible for:

(a) The first vacancy from the highest three eligibles on the certificate who are available for appointment; and

(b) The second and each succeeding vacancy from the highest three eligibles on the certificate who are unselected and available for appointment.

§ 332.405 Three considerations for appointment.

An appointing officer is not required to consider an eligible who has been considered by him for three separate appointments from the same or different certificates for the same position.

§ 332.406 Objections to eligibles.

(a) Delegated authority. Except as specified in paragraphs (a)(1) and (a)(2) of this section, OPM has delegated to agencies the authority to adjudicate objections to eligibles, including pass over requests.

(1) OPM retains exclusive authority to approve the sufficiency of an agency’s request to pass over preference eligibles who are thirty percent (30%) or more compensably disabled. Such persons have the right, in accordance with 5 U.S.C. 3318, to respond to the pass over request before OPM makes a final decision.

(2) OPM also retains the exclusive authority to approve the sufficiency of an agency’s reasons to medically disqualify or medically pass over a preference eligible or disabled veteran in certain circumstances, in accordance with part 339 of this chapter.

(3) An agency must refer any objection (including a pass over request) that is based on material, intentional false statement or deception or fraud in examination or appointment to OPM for a suitability action where warranted, under part 731 of this chapter.
Office of Personnel Management § 334.101

(b) Standard for objections. An agency is not required to consider an individual for a position when an objection to (including a request to pass over) the particular individual is sustained or granted. An objection, including a pass over request, may be sustained only if it is based on a proper and adequate reason. The reasons set forth for disqualification by OPM in part 339 of this chapter constitute proper and adequate reasons to sustain an objection. Similarly, the criteria for making suitability determinations in part 731 of this chapter constitute proper and adequate reasons to sustain an objection. In addition, reasons published by OPM in the Delegated Examining Operations Handbook constitute proper and adequate reasons to sustain an objection.

(c) Sufficiency of the reasons for a pass over. Subject to the exception set forth in paragraph (e) of this section, an agency may not pass over a preference eligible to select a non-preference eligible unless OPM or an agency with delegated authority also makes a determination that the sufficiency of the reasons is supported by the evidence submitted for the pass over request.

(d) Agency’s obligation while request for objection is pending. Subject to the exception set forth in paragraph (e) of this section, if an agency makes an objection against an applicant for a position (including seeking to pass over the applicant), and the individual that the agency wishes to select would be within reach of selection only if the objection is sustained, or the pass over granted, that agency may not make a selection for the position until a final ruling is made.

(e) Applicability of paragraphs (c) and (d) of this section do not apply if the agency has more than one position to fill from the same certificate and holds open (in the event the objection is not sustained or the pass over request is denied) a position that could be filled by the individual against whom an objection or a pass over request has been filed.

(f) Procedures for objections and pass overs. Agencies must follow the procedures for objections to or requesting to pass over an eligible that are published by OPM in the Delegated Examining Operations Handbook.

(g) No appeal rights to Merit Systems Protection Board (MSPB). An individual may not appeal to the MSPB a decision by OPM or an agency with delegated authority to sustain an objection pursuant to this part, including a decision to grant a pass over request, irrespective of the reason for the decision.

§ 332.407 Restriction of consideration to one sex.

An appointing officer may not restrict his consideration of eligibles or employees for competitive appointment or appointment by noncompetitive action to a position in the competitive service to one sex, except in unusual circumstances when OPM finds the action justified.

§ 334.103 Requirements for approval of instrumentalities or authorities of State and local governments and "other organizations."

(a) Organizations interested in participating in the IPA mobility program as an instrumentality or authority of a State or local government or as an “other organization” as set out in this part must have their eligibility certified by the Federal agency with which they are entering into an assignment.

(b) Written requests for certification must include a copy of the organization’s:

(1) Articles of incorporation;

(2) Bylaws;

(3) Internal Revenue Service nonprofit statement; and

(4) Any other information which indicates that the organization has as a principal function the offering of professional advisory, research, educational, or development services, or

(b) A Federal agency may not send an employee on an assignment if that person is a Federal employee and has participated in this program for more than a total of 6 years during his or her Federal career. OPM may waive this restriction upon the written request of the agency head, or his or her designee.

(c) A Federal agency may not send or receive an employee on an assignment if the employee has participated in this program for 4 continuous years without at least a 12-month return to duty with the organization from which the employee was originally assigned. Successive assignments with a break of no more than 60 calendar days will be regarded as continuous service under the mobility authority.

§ 334.105 Obligated service requirement.

(a) A Federal employee assigned under this part must agree, as a condition of accepting an assignment, to serve with the Federal Government upon completion of the assignment for a period equal to the length of the assignment.

(b) If the employee fails to carry out this agreement, he or she must reimburse the Federal agency for its share of the costs of the assignment (exclusive of salary and benefits). The head of the Federal agency, or his or her designee, may waive this reimbursement for good and sufficient reason.

§ 334.106 Requirement for written agreement.

(a) Before the assignment begins, the assigned employee and the Federal agency, the State, local, Indian tribal government, institution of higher education, or other eligible organization must enter into a written agreement recording the obligations and responsibilities of the parties, as specified in 5 U.S.C. 3373–3375.

(b) Federal agencies must maintain a copy of each assignment agreement form established under this part, including any modification to the agreement. The agency may determine the appropriate time period for retaining copies of its written agreements.

§ 334.107 Termination of agreement.

(a) An assignment may be terminated at any time at the request of the Federal agency or the State, local, Indian tribal government, institution of higher education, or other organization participating in this program. Where possible, the party terminating the assignment prior to the agreed upon date should provide 30-days advance notice along with a statement of reasons, to the other parties to the agreement.

(b) Federal assignees continue to encumber the positions they occupied prior to assignment, and the position is subject to any personnel actions that might normally occur. At the end of the assignment, the employee must be allowed to resume the duties of the employee's position or must be reassigned to another position of like pay and grade.

(c) An assignment is terminated automatically when the employer-employee relationship ceases to exist between the assignee or original employer.

(d) OPM has the authority to direct Federal agencies to terminate assignments or take other corrective actions when OPM finds assignments have been made in violation of the requirements of the Intergovernmental Personnel Act or this part.

§ 334.108 Reports required.

A Federal agency which assigns an employee to or receives an employee
from a State, local, Indian tribal government, institution of higher education, or other eligible organization in accordance with this part must submit to OPM such reports as OPM may request.

Subpart B [Reserved]

Subpart A—General Provisions

§ 335.101 Effect of position change on status and tenure.

(a) Status. A position change authorized by §335.102 does not change the competitive status of an employee.

(b) Tenure. Except as provided in paragraph (c) of this section and §316.703 of this chapter, a position change authorized by §335.102 does not change the tenure of an employee.

(c) Exceptions. (1) A career-conditional employee who is promoted, demoted, or reassigned to a position paid under chapter 45 of title 39, United States Code, or required by law to be filled on a permanent basis becomes a career employee.

(2) A career employee who is promoted, demoted, or reassigned from a position paid under chapter 45 of title 39, United States Code, or required by law to be filled on a permanent basis to a position under the career-conditional employment system becomes a career-conditional employee unless he has completed the service requirement for career tenure.

[33 FR 12428, Sept. 4, 1968]

§ 335.102 Agency authority to promote, demote, or reassign.

Subject to §335.103 and, when applicable, to part 319 of this chapter, an agency may:

(a) Promote, demote, or reassign a career or career-conditional employee;

(b) Reassign an employee serving under a temporary appointment pending establishment of a register to a position to which his original assignment could have been made by the same appointing officer from the same recruiting list under the same order of consideration;

(c) Promote, demote, or reassign an employee serving under an overseas limited appointment of indefinite duration or an overseas limited term appointment to another position to which an initial appointment under §301.201, §301.202, or §301.203 of this chapter is authorized;

(d) Promote, demote, or reassign (1) a status quo employee and (2) an employee serving under an indefinite appointment in a competitive position, except that this authority may not be used to move an employee:

(i) From a position in which an initial overseas limited appointment is authorized to another position; or

(ii) To a position in which an initial overseas limited appointment is authorized from another position; and

(e) Promote, demote, or reassign a term employee serving on a given project to another position within the project which the agency has been authorized to fill by term appointment;

(f) Make time-limited promotions to fill temporary positions, accomplish project work, fill positions temporarily pending reorganization or downsizing, or meet other temporary needs for a specified period of not more than 5 years, unless OPM authorizes the agency to make and/or extend time-limited promotions for a longer period.

(1) The agency must give the employee advance written notice of the conditions of the time-limited promotion, including the time limit of the promotion; the reason for a time limit; the requirement for competition for
Office of Personnel Management § 335.103

promotion beyond 120 days, where applicable; and that the employee may be returned at any time to the position from which temporarily promoted, or to a different position of equivalent grade and pay, and the return is not subject to the procedures in parts 351, 432, 752, or 771 of this chapter. When an agency effects a promotion under a nondiscretionary provision and is unable to give advance notice to the employee, it must provide the notice as soon as possible after the promotion is made.

(2) This paragraph applies to a career, career-conditional, status quo, indefinite, or term employee and to an employee serving under an overseas limited appointment of indefinite duration, or an overseas limited term appointment.

§ 335.103 Agency promotion programs.

(a) Merit promotion plans. Except as otherwise specifically authorized by OPM, an agency may make promotions under § 335.102 of this part only to positions for which the agency has adopted and is administering a program designed to insure a systematic means of selection for promotion according to merit. These programs shall conform to the requirements of this section.

(b) Merit promotion requirements—(1) Requirement 1. Each agency must establish procedures for promoting employees that are based on merit and are available in writing to candidates. Agencies must list appropriate exceptions, including those required by law or regulation, as specified in paragraph (c) of this section. Actions under a promotion plan—whether identification, qualification, evaluation, or selection of candidates—must be made without regard to race, color, religion, sex (including pregnancy and gender identity), national origin, age (as defined by the Age Discrimination in Employment Act of 1967, as amended), disability, genetic information (including family medical history), marital status, political affiliation, sexual orientation, labor organization affiliation or nonaffiliation, status as a parent, or any other non-merit-based factor, unless specifically designated by statute as a factor that must be taken into consideration when awarding such benefits, or retaliation for exercising rights with respect to the categories enumerated above, where retaliation rights are available, and must be based solely on job-related criteria.

(2) Requirement 2. Areas of consideration must be sufficiently broad to ensure the availability of high quality candidates, taking into account the nature and level of the positions covered. Agencies must also ensure that employees within the area of consideration who are absent for legitimate reason, e.g., on detail, on leave, at training courses, in the military service, or serving in public international organizations or on Intergovernmental Personnel Act assignments, receive appropriate consideration for promotion.

(3) Requirement 3. To be eligible for promotion or placement, candidates must meet the minimum qualification standards prescribed by the Office of Personnel Management (OPM). Methods of evaluation for promotion and placement, and selection for training which leads to promotion, must be consistent with instructions in part 300, subpart A, of this chapter. Due weight shall be given to performance appraisals and incentive awards.

(4) Requirement 4. Selection procedures will provide for management’s right to select or not select from among a group of best qualified candidates. They will also provide for management’s right to select from other appropriate sources, such as re-employment priority lists, reinstatement, transfer, handicapped, or Veteran Recruitment Act eligibles or those within reach on an appropriate OPM certificate. In deciding which source or sources to use, agencies have an obligation to determine which is most likely to best meet the agency mission objectives, contribute fresh ideas and new viewpoints, and meet the agency’s affirmative action goals.

(5) Requirement 5. Administration of the promotion system will include recordkeeping and the provision of necessary information to employees and the public, ensuring that individuals’ rights to privacy are protected. Each
agency must maintain a temporary record of each promotion sufficient to allow reconstruction of the promotion action, including documentation on how candidates were rated and ranked. These records may be destroyed after 2 years or after the program has been formally evaluated by OPM (whichever comes first) if the time limit for grievance has lapsed before the anniversary date.

(c) Covered personnel actions—

(1) Competitive actions. Except as provided in paragraphs (c)(2) and (3) of this section, competitive procedures in agency promotion plans apply to all promotions under §335.102 of this part and to the following actions:

(i) Time-limited promotions under §335.102(f) of this part for more than 120 days to higher graded positions (prior service during the preceding 12 months under noncompetitive time-limited promotions and noncompetitive details to higher graded positions counts toward the 120-day total). A temporary promotion may be made permanent without further competition provided the temporary promotion was originally made under competitive procedures and the fact that might lead to a permanent promotion was made known to all potential candidates;

(ii) Details for more than 120 days to a higher grade position or to a position with higher promotion potential (prior service during the preceding 12 months under noncompetitive details to higher graded positions and noncompetitive time-limited promotions counts toward the 120-day total);

(iii) Selection for training which is part of an authorized training agreement, part of a promotion program, or required before an employee may be considered for a promotion as specified in §410.302 of this chapter;

(iv) Reassignment or demotion to a position with more promotion potential than a position previously held on a permanent basis in the competitive service (except as permitted by reduction-in-force regulations);

(v) Transfer to a position at a higher grade or with more promotion potential than a position previously held on a permanent basis in the competitive service; and

(vi) Reinstatement to a permanent or temporary position at a higher grade or with more promotion potential than a position previously held on a permanent basis in the competitive service.

(2) Noncompetitive actions. Competitive procedures do not apply to:

(i) A promotion resulting from the upgrading of a position without significant change in the duties and responsibilities due to issuance of a new classification standard or the correction of an initial classification error; and

(ii) A position change permitted by reduction-in-force procedures in part 351 of this chapter.

(3) Discretionary actions. Agencies may at their discretion except the following actions from competitive procedures of this section:

(i) A promotion without current competition of an employee who was appointed in the competitive from a civil service register, by direct hire, by noncompetitive appointment or noncompetitive conversion, or under competitive promotion procedures for an assignment intended to prepare the employee for the position being filled (the intent must be made a matter of record and career ladders must be documented in the promotion plan);

(ii) A promotion resulting from an employee’s position being classified at a higher grade because of additional duties and responsibilities;

(iii) A temporary promotion, or detail to a higher grade position or a position with known promotion potential, of 120 days or less;

(iv) Promotion to a grade previously held on a permanent basis in the competitive service (or in another merit system with which OPM has an interchange agreement approved under §6.7 of this chapter) from which an employee was separated or demoted for other than performance or conduct reasons;

(v) Promotion, reassignment, demotion, transfer, reinstatement, or detail to a position having promotion potential no greater than the potential of a position an employee currently holds or previously held on a permanent basis in the competitive service (or in another merit system with which OPM has an interchange agreement approved under §6.7 of this chapter) and
did not lose because of performance or conduct reasons; and
(vi) Consideration of a candidate not given proper consideration in a competitive promotion action.
(vii) Appointments of career SES appointees with competitive service reinstatement eligibility to any position for which they qualify in the competitive service at any grade or salary level, including Senior-Level positions established under 5 CFR Part 319—Employment in Senior-Level and Scientific and Professional positions.
(d) Grievances. Employees have the right to file a complaint relating to a promotion action. Such complaints shall be resolved under appropriate grievance procedures. The standards for adjudicating complaints are set forth in part 300, subpart A, of this chapter. While the procedures used by an agency to identify and rank qualified candidates may be proper subjects for formal complaints or grievances, nonselection from among a group of properly ranked and certified candidates is not an appropriate basis for a formal complaint or grievance. There is no right of appeal of OPM, but OPM may conduct investigations of substantial violations of OPM requirements.

§ 335.104 Eligibility for career ladder promotion.
No employee shall receive a career ladder promotion unless his or her current rating of record under part 430 of this chapter is “Fully Successful” (level 3) or higher. In addition, no employee may receive a career ladder promotion who has a rating below “Fully Successful” on a critical element that is also critical to performance at the next higher grade of the career ladder.

§ 335.105 Notice of job announcements to OPM.
Under 5 U.S.C. 3330, agencies are required to report job announcements to OPM for vacancies for which an agency will accept applications from outside the agency’s work force. This requirement is implemented through part 330, subpart A of this chapter.

§ 335.106 Special selection procedures for certain veterans under merit promotion.
Preference eligibles or veterans who have been separated under honorable conditions from the armed forces after completing (as determined by the agency) 3 or more years of continuous active military service may compete for vacancies under merit promotion when an agency accepts applications from individuals outside its own workforce. Those veterans selected will be given career or career conditional appointments under §315.611 of this chapter.

§ 337.101 Rating applicants.

(a) OPM shall prescribe the relative weights to be given subjects in an examination, and shall assign numerical ratings on a scale of 100. Except as otherwise provided in this chapter, each applicant who meets the minimum requirements for entrance to an examination and is rated 70 or more in the examination is eligible for appointment.

(b) OPM shall add to the earned numerical ratings of applicants who make a passing grade:

(1) Five points for applicants who are preference eligibles under section 2108(3)(A) and (B) of title 5, United States Code; and

[33 FR 12423, Sept. 4, 1968, as amended at 72 FR 12954, Mar. 20, 2007]

§ 337.201 Coverage and purpose.

OPM will permit an agency with delegated examining authority under 5 U.S.C. 1104(a)(2) to use direct-hire authority under 5 U.S.C. 3304(a)(3) for a permanent or nonpermanent position or group of positions in the competitive service at GS–15 (or equivalent) and below, if OPM determines that there is either a severe shortage of candidates or a critical hiring need for such positions. It is not required that this direct-hire authority be exercised by a delegated examining unit. Requests for direct-hire authority must be submitted by the agency’s Chief Human Capital Officer (or equivalent) at the agency headquarters level. OPM will determine the length of the direct-hire authority based on the justification.

[69 FR 33275, June 15, 2004, unless otherwise noted.]

§ 337.202 Definitions.

In this subpart:

(a) A direct-hire authority permits hiring without regard to the provisions of 5 U.S.C. 3309 through 3318; part 211 of this chapter; and subpart A of part 337 of this chapter.

(b) A severe shortage of candidates for a particular position or group of positions means that an agency is having difficulty identifying candidates possessing the competencies or the knowledge, skills, and abilities required to
perform the job requirements despite extensive recruitment, extended announcement periods, and the use, as applicable, of hiring flexibilities such as recruitment or relocation incentives or special salary rates.

(c) A critical hiring need for a particular position or group of positions means that an agency has a need to fill the position(s) to meet mission requirements brought about by circumstances such as, but not limited to, a national emergency, threat, potential threat, environmental disaster, or unanticipated or unusual event or mission requirement, or to conform to the requirements of law, a Presidential directive or Administration initiative.

§ 337.203 Public notice requirements.
Agencies must comply with public notice requirements as prescribed in 5 U.S.C. 3327 and 3330, and subpart A of part 330 of this chapter with respect to any position that an agency seeks to fill using direct-hire authority.

§ 337.204 Severe shortage of candidates.
(a) OPM will determine when a severe shortage of candidates exists for particular occupations, grades (or equivalent), and/or geographic locations. OPM may decide independently that such a shortage exists, or may make this decision in response to a written request from an agency.

(b) An agency when requesting direct-hire authority under this section, or OPM when deciding independently, must identify the position or positions that are difficult to fill and must provide supporting evidence that demonstrates the existence of a severe shortage of candidates with respect to the position(s). The evidence should include, as applicable, information about:

1. The results of workforce planning and analysis;
2. Employment trends including the local or national labor market;
3. The existence of nationwide or geographic skills shortages;
4. Agency efforts, including recruitment initiatives, use of other appointing authorities (e.g., schedule A, schedule B) and flexibilities, training and development programs tailored to the position(s), and an explanation of why these recruitment and training efforts have not been sufficient;
5. The availability and quality of candidates;
6. The desirability of the geographic location of the position(s);
7. The desirability of the duties and/or work environment associated with the position(s); and
8. Other pertinent information such as selective placement factors or other special requirements of the position, as well as agency use of hiring flexibilities such as recruitment or retention allowances or special salary rates.

(c) A department or agency head (other than the Secretary of Defense) may determine, pursuant to section 1413(a) of Public Law 108–136, as amended by section 853 of Public Law 110–181, that a shortage of highly qualified candidates exists for certain Federal acquisition positions (covered under section 433(g)(1)(A) of title 41, United States Code). To make such a determination, the deciding agency official must use the supporting evidence prescribed in 5 CFR 337.204(b)(1)–(8) and must maintain a file of the supporting evidence for documentation and reporting purposes.

§ 337.205 Critical hiring needs.
(a) OPM will determine when there is a critical hiring need for particular occupations, grades (or equivalent) and/or geographic locations. OPM may decide independently that such a need exists or may make this decision in response to a written request from an agency.

(b) An agency when requesting direct-hire authority under this section, or OPM when deciding on its own, must:

1. Identify the position(s) that must be filled;
2. Describe the event or circumstance that has created the need to fill the position(s);
3. Specify the duration for which the critical need is expected to exist; and
§ 337.206 Terminations, modifications, extensions, and reporting.

(a) Termination and modification. On a periodic basis, for each direct-hire authority, OPM will review agency use of the authority to ensure proper administration and to determine if continued use of the authority is supportable. OPM will terminate or modify a direct-hire authority if it determines that there is no longer a severe shortage of candidates or a critical hiring need. Likewise, when an agency finds there are adequate numbers of qualified candidates for positions previously filled under direct-hire authorities, based on severe shortage of candidates, the agency is required to report this change of events to OPM. OPM may also terminate an agency’s authority when the agency has used an authority improperly.

(b) Extension. OPM may extend direct-hire authority if OPM determines, based on relevant, recent, and supportable data, that there is or will continue to be a severe shortage of candidates or a critical hiring need for particular positions as of the date the authority is due to expire. In their requests for extensions of direct-hire authorities, agencies must include an update of the supporting evidence that demonstrated the need for the original authority.

(c) Reporting requirement. On a periodic basis, OPM may request information from agencies regarding their use of these direct-hire authorities. The requested information may include numbers of positions, title, series, and grade of positions advertised under the direct-hire authority, the number of qualified applicants, the specific qualification criteria, and the number of applicants appointed under the authority.

(d) No new appointments may be made under the provisions of section 1413 of Public Law 108–136 after September 30, 2012.

Subpart C—Alternative Rating and Selection Procedures

§ 337.301 Coverage and purpose.

This subpart implements the category rating and selection procedures at 5 U.S.C. 3319. This law authorizes agencies with delegated examining authority under 5 U.S.C. 1104(a)(2) to develop a category rating method as an alternative process to assess applicants for jobs filled through competitive examining.

§ 337.302 Definitions.

In this subpart:

(a) Category rating is synonymous with alternative rating as described at 5 U.S.C. 3319, and is a process of evaluating qualified eligibles by quality categories rather than by assigning individual numeric scores. The agency assesses candidates against job-related criteria and then places them into two or more pre-defined categories.

(b) Quality categories are groupings of individuals with similar levels of job-related competencies or similar levels of knowledge, skills, and abilities.

§ 337.303 Agency responsibilities.

To use a category rating procedure, agencies must:

(a) Establish a system for evaluating applicants that provides for two or more quality categories;

(b) Define each quality category through job analysis conducted in accordance with the “Uniform Guidelines on Employee Selection Procedures” at 29 CFR part 1607 and part 300 of this chapter. Each category must have a clear definition that distinguishes it from other categories;

(c) Describe each quality category in the job announcement and apply the provisions of part 330, subparts B, F, and G of this chapter;

(d) Place applicants into categories based upon their job-related competencies or their knowledge, skills, and abilities; and

(e) Establish documentation and record keeping procedures for reconstruction purposes.

§ 337.304 Veterans’ preference.

In this subpart:
(a) Veterans’ preference must be applied as prescribed in 5 U.S.C. 3319(b) and (c)(2); and
(b) Veterans’ preference points as prescribed in section 337.101 of this part are not applied in category rating; and
(c) Sections 3319(b) and 3319(c)(2) of title 5, U.S.C. constitute veterans’ preference requirements for purposes of 5 U.S.C. 2302(b)(11)(A) and (B).

PART 338—QUALIFICATION REQUIREMENTS (GENERAL)

Subpart A—Citizenship Requirements

Sec.
338.101 Citizenship.

Subpart B [Reserved]

Subpart C—Consideration for Appointment

338.301 Competitive service appointment.

Agencies must ensure that employees who are given competitive service appointments meet the requirements included in the Office of Personnel Management’s Operating Manual: Qualification Standards for General Schedule Positions. The Operating Manual is available to the public for review at agency personnel offices and Federal depository libraries, and for purchase from the Government Printing Office.

Subparts D–E [Reserved]

Subpart F—Age Requirements

§ 338.601 Prohibition of maximum-age requirements.

A maximum-age requirement may not be applied in either competitive or noncompetitive examinations for positions in the competitive service except as provided by:
(a) Section 3307 of title 5, United States Code; or
(b) Public Law 93–259 which authorizes OPM to establish a maximum-age requirement after determining that age is an occupational qualification necessary to the performance of the duties of the position.

PART 339—MEDICAL QUALIFICATION DETERMINATIONS

Subpart A—General

Sec.
339.101 Coverage.
339.102 Purpose and effect.
339.103 Compliance with EEOC regulations.
339.104 Definitions.
§ 339.101 Coverage.

This part applies to all applicants for and employees in competitive service positions; and to excepted service employees when medical issues arise in connection with an OPM regulation which governs a particular personnel decision, for example, removal of a preference eligible employee in the excepted service under part 752.

§ 339.102 Purpose and effect.

(a) This part defines the circumstances under which medical documentation may be acquired and examinations and evaluations conducted to determine the nature of a medical condition which may affect safe and efficient performance.

(b) Personnel decisions based wholly or in part on the review of medical documentation and the results of medical examinations and evaluations shall be made in accordance with appropriate parts of this title.

(c) Failure to meet a properly established medical standard or physical requirement under this part means that the individual is not qualified for the position unless a waiver or reasonable accommodation is indicated, as described in §§339.103 and 339.204. An employee’s refusal to be examined in accordance with a proper agency order authorized under this part is grounds for appropriate disciplinary or adverse action.

[54 FR 9763, Mar. 8, 1989, as amended at 60 FR 3061, Jan. 13, 1995]

§ 339.103 Compliance with EEOC regulations.

Actions under this part must be consistent with 29 CFR 1613.701 et seq. Particularly relevant to medical qualification determinations are §1613.704 (requiring reasonable accommodation of individuals with handicaps); §1613.705 (prohibiting use of employment criteria that screen out individuals with handicaps unless shown to be related to the job in question) and §1614.706 (prohibiting pre-employment inquiries related to handicap and pre-employment medical examinations, except under specified circumstances). In addition, use of the term “qualified” in these regulations shall be interpreted consistently with §1613.702(f), which provides that a “qualified handicapped person” is a handicapped person “who, with or without reasonable accommodation, can perform the essential functions of the position in question without endangering the health and safety of the individual or others.”

§ 339.104 Definitions.

For purposes of this part—

Accommodation means reasonable accommodation as described in 29 CFR 1613.704.

Arduous or hazardous positions means positions that are dangerous or physically demanding to such a degree that an incumbent’s medical condition is necessarily an important consideration in determining ability to perform safely and efficiently.

Medical condition means health impairment which results from injury or disease, including psychiatric disease.

Medical documentation or documentation of a medical condition means a statement from a licensed physician or other appropriate practitioner which provides information the agency considers necessary to enable it to make
Office of Personnel Management

§ 339.201 Disqualification by OPM.

Subject to subpart C of part 731 of this chapter, OPM may deny an applicant examination, deny an eligible appointment, and instruct an agency to make an employment decision. To be acceptable, the diagnosis or clinical impression must be justified according to established diagnostic criteria and the conclusions and recommendations must not be inconsistent with generally accepted professional standards. The determination that the diagnosis meets these criteria is made by or in coordination with a physician or, if appropriate, a practitioner of the same discipline as the one who issued the statement. An acceptable diagnosis must include the following information, or parts identified by the agency as necessary and relevant:

(a) The history of the medical conditions, including references to findings from previous examinations, treatment, and responses to treatment;

(b) Clinical findings from the most recent medical evaluation, including any of the following which have been obtained: Findings of physical examination; results of laboratory tests; X-rays; EKG’s and other special evaluations or diagnostic procedures; and, in the case of psychiatric evaluation of psychological assessment, the findings of a mental status examination and the results of psychological tests, if appropriate;

(c) Diagnosis, including the current clinical status;

(d) Prognosis, including plans for future treatment and an estimate of the expected date of full or partial recovery;

(e) An explanation of the impact of the medical condition on overall health and activities, including the basis for any conclusion that restrictions or accommodations are or are not warranted, and where they are warranted, an explanation of their therapeutic or risk avoiding value;

(f) An explanation of the medical basis for any conclusion which indicates the likelihood that the individual is or is not expected to suffer sudden or subtle incapacitation by carrying out, with or without accommodation, the tasks or duties of a specific position;

(g) Narrative explanation of the medical basis for any conclusion that the medical condition has or has not become static or well stabilized and the likelihood that the individual may experience sudden or subtle incapacitation as a result of the medical condition. In this context, “static or well-stabilized medical condition” means a medical condition which is not likely to change as a consequence of the natural progression of the condition, specifically as a result of the normal aging process, or in response to the work environment or the work itself. “Subtle incapacitation” means gradual, initially imperceptible impairment of physical or mental function whether reversible or not which is likely to result in performance or conduct deficiencies. “Sudden incapacitation” means abrupt onset of loss of control of physical or mental function.

Medical evaluation program means a program of recurring medical examinations or tests established by written agency policy or directive, to safeguard the health of employees whose work may subject them or others to significant health or safety risks due to occupational or environmental exposure or demands.

Medical standard is a written description of the medical requirements for a particular occupation based on a determination that a certain level of fitness of health status is required for successful performance.

Physical requirement is a written description of job-related physical abilities which are normally considered essential for successful performance in a specific position.

Physician means a licensed Doctor of Medicine or Doctor of Osteopathy, or a physician who is serving on active duty in the uniformed services and is designated by the uniformed service to conduct examinations under this part.

Practitioner means a person providing health services who is not a medical doctor, but who is certified by a national organization and licensed by a State to provide the service in question.

Subpart B—Physical and Medical Qualifications

§ 339.201 Disqualification by OPM.

Subject to subpart C of part 731 of this chapter, OPM may deny an applicant examination, deny an eligible appointment, and instruct an agency to
remove an appointee by reason of physical or mental unfitness for the position for which he or she has applied, or to which he or she has been appointed. An OPM decision under this section is separate and distinct from a determination of disability under §831.502, §844.103, §844.202, or subpart L of part 831 of this title, and does not necessarily entitle the employee to disability retirement under sections 8337 or 8451 of title 5, United States Code.

§ 339.202 Medical standards.
OPM may establish or approve medical standards for a Governmentwide occupation (i.e., an occupation common to more than one agency). An agency may establish medical standards for positions that predominate in that agency (i.e., where the agency has 50 percent or more of the positions in a particular occupation). Such standards must be justified on the basis that the duties of the position are arduous or hazardous, or require a certain level of health status or fitness because the nature of the positions involve a high degree of responsibility toward the public or sensitive national security concerns. The rationale for establishing the standard must be documented. Standards established by OPM or an agency must be:
(a) Established by written directive and uniformly applied,
(b) Directly related to the actual requirements of the position.

§ 339.203 Physical requirements.
Agencies are authorized to establish physical requirements for individual positions without OPM approval when such requirements are considered essential for successful job performance. The requirements must be clearly supported by the actual duties of the position and documented in the position description.

§ 339.204 Waiver of standards and requirements.
Agencies must waive a medical standard or physical requirement established under this part when there is sufficient evidence that an applicant or employee, with or without reasonable accommodation, can perform the essential duties of the position without endangering the health and safety of the individual or others.

§ 339.205 Medical evaluation programs.
Agencies may establish periodic examination or immunization programs by written policies or directives to safeguard the health of employees whose work may subject them or others to significant health or safety risks due to occupational or environmental exposure or demands. The need for a medical evaluation program must be clearly supported by the nature of the work. The specific positions covered must be identified and the applicants or incumbents notified in writing of the reasons for including the positions in the program.

§ 339.206 Disqualification on the basis of medical history.
A candidate may not be disqualified for any position solely on the basis of medical history. For positions with medical standards or physical requirements, or positions subject to medical evaluation programs, a history of a particular medical problem may result in medical disqualification only if the condition at issue is itself disqualifying, recurrence cannot medically be ruled out, and the duties of the position are such that a recurrence would pose a reasonable probability of substantial harm.

Subpart C—Medical Examinations

§ 339.301 Authority to require an examination.
(a) A routine preappointment examination is appropriate only for a position which has specific medical standards, physical requirements, or is covered by a medical evaluation program established under these regulations.
(b) Subject to §339.103 of this part, an agency may require an individual who has applied for or occupies a position which has medical standards or physical requirements or which is part of an established medical evaluation program, to report for a medical examination:
(1) Prior to appointment or selection (including reemployment on the basis
Office of Personnel Management § 339.305

of full or partial recovery from a medical condition;
(2) On a regularly recurring, periodic basis after appointment; or
(3) Whenever there is a direct question about an employee’s continued capacity to meet the physical or medical requirements of a position.

(c) An agency may require an employee who has applied for or is receiving continuation of pay or compensation as a result of an on-the-job injury or disease to report for an examination to determine medical limitations that may affect placement decisions.

(d) An agency may require an employee who is released from his or her competitive level in a reduction in force to undergo a relevant medical evaluation if the position to which the employee has reassignment rights has medical standards or specific physical requirements which are different from those required in the employee’s current position.

(e)(1) An agency may order a psychiatric examination (including a psychological assessment) only when:
   (i) The result of a current general medical examination which the agency has the authority to order under this section indicates no physical explanation for behavior or actions which may affect the safe and efficient performance of the individual or others, or
   (ii) A psychiatric examination is specifically called for in a position having medical standards or subject to a medical evaluation program established under this part.

(2) A psychiatric examination or psychological assessment authorized under (1) or (ii) above must be conducted in accordance with accepted professional standards, by a licensed practitioner or physician authorized to conduct such examinations, and may only be used to make legitimate inquiry into a person’s mental fitness to successfully perform the duties of his or her position without undue hazard to the individual or others.

§ 339.302 Authority to offer examinations.

An agency may, at its option, offer a medical examination (including a psychiatric evaluation) in any situation where the agency needs additional medical documentation to make an informed management decision. This may include situations where an individual requests for medical reasons a change in duty status, assignment, working conditions, or any other benefit or special treatment (including reasonable accommodation or reemployment on the basis of full or partial recovery from a medical condition) or where the individual has a performance or conduct problem which may require agency action. Reasons for offering an examination must be documented. An offer of an examination shall be carried out and used in accordance with 29 CFR 1613.706.

§ 339.303 Examination procedures.

(a) When an agency orders or offers a medical examination under this subpart, it must inform the applicant or employee in writing of its reasons for doing so and the consequences of failure to cooperate. (A single notification is sufficient to cover a series of regularly recurring or periodic examinations ordered under this subpart.)

(b) The agency designates the examining physician or other appropriate practitioner, but must offer the individual an opportunity to submit medical documentation from his or her personal physician or practitioner. The agency must review and consider all such documentation supplied by the individual’s personal physician or practitioner.

§ 339.304 Payment for examination.

Agencies shall pay for all examinations ordered or offered under this subpart, whether conducted by the agency’s physician or the applicant’s or employee’s physician. Applicants and employees must pay for a medical examination conducted by a private physician (or practitioner) where the purpose of the examination is to secure a benefit sought by the applicant or employee.

§ 339.305 Records and reports.

(a) Agencies will receive and maintain all medical documentation and records of examinations obtained under this part in accordance with instructions provided by OPM, under provisions of 5 CFR part 293, subpart E.
§ 339.306 Processing medical eligibility determinations on certificates of eligibles.

(a) In accordance with the provisions of this part, agencies are authorized to medically disqualify a nonpreference eligible. A nonpreference eligible so disqualified has a right to a higher level review of the determination within the agency.

(b) OPM must approve the sufficiency of the agency’s reasons to:

(1) Medically disqualify or pass over a preference eligible on a certificate in place of a nonpreference eligible,

(2) Medically disqualify or pass over a 30 percent or more compensably disabled veteran for a position in the U.S. Postal Service in favor of a nonpreference eligible,

(3) Medically disqualify a 30 percent or more compensably disabled veteran for assignment to another position in a reduction in force, or

(4) Medically disqualify a 30 percent or more disabled veteran for non-competitive appointment.

(B) determining the extent to which job-sharing arrangements may be established for various occupations and positions; and

(C) evaluating attitudes, benefits, costs, efficiency, and productivity associated with part-time career employment, as well as its various sociological effects as a mode of employment.

(b) Any person who is employed on a full-time basis in an agency shall not be required to accept part-time employment as a condition of continued employment.

§ 3404. Personnel ceilings

Subpart B—Regulatory Requirements—Part-Time Employment

SOURCE: 44 FR 57380, Oct. 5, 1979; 49 FR 17722, Apr. 25, 1984, unless otherwise noted.

§ 340.201 Regulatory requirements.

This subpart contains the regulations of the Office of Personnel Management which implement the above sections of chapter 34 (as set out in § 340.101).

(a) Definitions. Part-time career employment means regularly scheduled work of from 16 to 32 hours per week performed by an employee of an agency as defined in 5 U.S.C. 3401 (a) through (f), who has an appointment in tenure group I or II and who becomes employed on such part-time basis on or after April 8, 1979.

Tenure group I applies to employees in the competitive service serving probation and permanent employees in the excepted service whose appointments carry no restrictions or conditions.

Tenure group II applies to employees in the competitive service serving probation, career-conditional employees, and career employees in obligated positions. It also includes employees in the excepted service serving trial periods, whose tenure is indefinite solely because they occupy obligated positions; or whose tenure is equivalent to career-conditional in the competitive service.

(b) Agency Exceptions. As an exception to the general definition of part-time employment in § 340.202(a) and under the authority provided in 5 U.S.C. 3402(a)(3), an agency may permit an employee who has an appointment in tenure group I or II to perform regularly scheduled work of from 1 to 15 hours per week.

(c) Mixed Tours of Duty. The provisions of this subpart and the term “part-time career employment” do not apply to employees with appointments in tenure groups I or II who work under mixed tours of duty. For this purpose, a mixed tour of duty consists of annually recurring periods of full-time, part-time, or intermittent service as long as the employee does not work part-time more than 6 pay periods per calendar year.

§ 340.203 Technical assistance.

(a) The Office of Personnel Management shall provide, within available resources, consultation and technical advice and assistance to agencies to aid them in expanding career part-time employment opportunities. This assistance shall include but not be limited to:

(1) Help in developing part-time career employment programs;
(2) Information on public and private sector part-time employment practices;
(3) Development of special recruitment and selection techniques for filling part-time positions;
(4) Interpretations of part-time employment law, regulations and policy;
(5) Guidance on job sharing and position restructuring.

(b) Request for information and assistance should be directed to the Associate Director for Staffing Services, Office of Personnel Management, 1900 E Street, NW., Washington, DC 20415, or the nearest OPM regional office.

§ 340.204 Agency reporting.

(a) Agency reports required under 5 U.S.C. 3407 shall be based on data as of March 31 and September 30 each year and shall be provided to the Office of Personnel Management no later than May 15 and November 15 respectively.

(b) Each agency shall include with such reports a copy of any agencywide part-time career employment program regulations and instructions issued.
(c) Reports should be sent to the Associate Director for Staffing Services, Office of Personnel Management, 1900 E Street, NW., Washington, DC 20415.

Subpart C [Reserved]

Subpart D—Seasonal and Intermittent Employment

SOURCE: 60 FR 3061, Jan. 13, 1995, unless otherwise noted.

§ 340.401 Definitions.

(a) Seasonal employment means annually recurring periods of work of less than 12 months each year. Seasonal employees are permanent employees who are placed in nonduty/nonpay status and recalled to duty in accordance with preestablished conditions of employment.

(b) Intermittent employment means employment without a regularly scheduled tour of duty.

§ 340.402 Seasonal employment.

(a) Appropriate use. Seasonal employment allows an agency to develop an experienced cadre of employees under career appointment to perform work which recurs predictably year-to-year. Consistent with the career nature of the appointments, seasonal employees receive the full benefits authorized to attract and retain a stable workforce. As a result, seasonal employment is appropriate when the work is expected to last at least 6 months during a calendar year. Recurring work that lasts less than 6 months each year is normally best performed by temporary employees. Seasonal employment may not be used as a substitute for full-time employment or as a buffer for the full-time workforce.

(b) Length of the season. Agencies determine the length of the season, subject to the condition that it be clearly tied to nature of the work. The season must be defined as closely as practicable so that an employee will have a reasonably clear idea of how much work he or she can expect during the year. To minimize the adverse impact of seasonal layoffs, an agency may assign seasonal employees to other work during the projected layoff period. While in nonpay status, a seasonal employee may accept other employment, Federal or non-Federal, subject to the regulations on political activity (part 733 of this title) and on employee responsibilities and conduct (part 735), as well as applicable agency policies. Subject to the limitation on pay from more than one position (5 U.S.C. 5533), a seasonal employee may hold more than one appointment.

(c) Employment agreement. An employment agreement must be executed between the agency and the seasonal employee prior to the employee’s entering on duty. At a minimum, the agreement must inform the employee:

(1) That he or she is subject to periodic release and recall as a condition of employment,

(2) The minimum and maximum period the employee can expect to work,

(3) The basis on which release and recall procedures will be effected, and

(4) The benefits to which the employee will be entitled while in a nonpay status.

(d) Release and recall procedures. A seasonal employee is released to nonpay status at the end of a season and recalled to duty the next season. Release and recall procedures must be established in advance and uniformly applied. They may be based on performance, seniority, veterans’ preference, other appropriate indices, or a combination of factors. A seasonal layoff is not subject to the procedures for furlough prescribed in parts 351 and 752 of this title. Reduction in force or adverse action procedures, as applicable, are required for a seasonal layoff that is not in accordance with the employment agreement, for example, if an agency intends to have an employee work less than the minimum amount of time specified in the employment agreement. However, an agency may develop a new employment agreement to reflect changing circumstances.

(e) Noncompetitive movement. Seasonal employees serving under career appointment may move to other positions in the same way as other regular career employees.
§ 340.403 Intermittent employment.
(a) Appropriate use. An intermittent work schedule is appropriate only when the nature of the work is sporadic and unpredictable so that a tour of duty cannot be regularly scheduled in advance. When an agency is able to schedule work in advance on a regular basis, it has an obligation to document the change in work schedule from intermittent to part-time or full-time to ensure proper service credit.
(b) Noncompetitive movement. Intermittent employees serving under career appointment may move to other positions in the same way as other regular career employees.

Subpart F—Release From Competitive Level
351.601 Order of release from competitive level.
351.602 Prohibitions.
351.603 Actions subsequent to release from competitive level.
351.604 Use of furlough.
§ 351.202 Coverage.

(a) Employees covered. Except as provided in paragraph (b) of this section, this part applies to each civilian employee in:

(1) The executive branch of the Federal Government; and

(2) Those parts of the Federal Government outside the executive branch which are subject by statute to competitive service requirements or are determined by the appropriate legislative or judicial administrative body to be covered hereunder. Coverage includes administrative law judges except as modified by part 930 of this chapter.

(b) Employees excluded. This part does not apply to an employee:

(1) In a position in the Senior Executive Service; or

(2) Whose appointment is required by Congress to be confirmed by, or made with the advice and consent of, the United States Senate, except a postmaster.

(c) Actions excluded. This part does not apply to:

(1) The termination of a temporary or term promotion or the return of an employee to the position held before the temporary or term promotion or to one of equivalent grade and pay.

(2) A change to lower grade based on the reclassification of an employee’s position due to the application of new classification standards or the correction of a classification error.

(3) A change to lower grade based on reclassification of an employee’s position due to erosion of duties, except that this exclusion does not apply to such reclassification actions that will take effect after an agency has formally announced a reduction in force in the employee’s competitive area and when the reduction in force will take effect within 180 days. This exception ends at the completion of the reduction in force.

(4) The change of an employee from regular to substitute in the same pay level in the U.S. Postal Service field service.

(5) The release from a competitive level of a National Guard technician under section 709 of title 32, United States Code.

(6) Placement of an employee serving on an intermittent, part-time, on-call, or seasonal basis in a nonpay and nonduty status in accordance with conditions established at time of appointment.

(7) A change in an employee’s work schedule from other-than-full-time to full-time. (A change from full-time to other than full-time for a reason covered in §351.201(A)(2) is covered by this part.)

§ 351.203 Definitions.

In this part:

Competing employee means an employee in tenure group I, II, or III.

Current rating of record is the rating of record for the most recently completed appraisal period as provided in §351.504(b)(3).

Days means calendar days.
Function means all or a clearly identifiable segment of an agency’s mission (including all integral parts of that mission), regardless of how it is performed.

Furlough under this part means the placement of an employee in a temporary nonduty and nonpay status for more than 30 consecutive calendar days, or more than 22 workdays if done on a discontinuous basis, but not more than 1 year.

Local commuting area means the geographic area that usually constitutes one area for employment purposes. It includes any population center (or two or more neighboring ones) and the surrounding localities in which people live and can reasonably be expected to travel back and forth daily to their usual employment.

Modal rating is the summary rating level assigned most frequently among the actual ratings of record that are:

1. Assigned under the summary level pattern that applies to the employee’s position of record on the date of the reduction in force;
2. Given within the same competitive area, or at the agency’s option within a larger subdivision of the agency or agencywide; and
3. On record for the most recently completed appraisal period prior to the date of issuance of reduction in force notices or the cutoff date the agency specifies prior to the issuance of reduction in force notices after which no new ratings will be put on record.

Rating of record has the meaning given that term in §430.203 of this chapter. For an employee not subject to 5 U.S.C. Chapter 43, or part 430 of this chapter, it means the officially designated performance rating, as provided for in the agency’s appraisal system, that is considered to be an equivalent rating of record under the provisions of §430.201(c) of this chapter.

Reorganization means the planned elimination, addition, or redistribution of functions or duties in an organization.

Representative rate means:

1. The fourth step of the grade for a position covered by the General Schedule, using the locality rate authorized by 5 U.S.C. 5304 and subpart F of part 531 of this chapter for General Schedule positions;
2. The prevailing rate for a position covered by a wage-board or similar wage-determining procedure, such as provided in the definition of representative rate for Federal Wage System positions in 5 CFR 532.401 of this chapter;
3. For positions in a pay band, the rate (or rates) the agency designates as representative of that pay band or competitive levels within the pay band, including (as appropriate) any applicable locality payment authorized by 5 U.S.C. 5304 and subpart F of part 531 of this chapter (or equivalent payment under other legal authority); and
4. For other positions (e.g., positions in an unclassified pay system), the rate the agency designates as representative of the position, including (as appropriate) any applicable locality payment authorized by subpart F of part 531 (or equivalent payment under other legal authority).

Transfer of function means the transfer of the performance of a continuing function from one competitive area and its addition to one or more other competitive areas, except when the function involved is virtually identical to functions already being performed in the other competitive area(s) affected; or the movement of the competitive area in which the function is performed to another commuting area.

Undue interruption means a degree of interruption that would prevent the completion of required work by the employee 90 days after the employee has been placed in a different position under this part. The 90-day standard should be considered within the allowable limits of time and quality, taking into account the pressures of priorities, deadlines, and other demands. However, a work program would generally not be unduly interrupted even if an employee needed more than 90 days after the reduction in force to perform the optimum quality or quantity of work. The 90-day standard may be extended if placement is made under this part to a low priority program or to a vacant position.

§ 351.204 Responsibility of agency.
Each agency covered by this part is responsible for following and applying the regulations in this part when the agency determines that a reduction force is necessary.

§ 351.205 Authority of OPM.
The Office of Personnel Management may establish further guidance and instructions for the planning, preparation, conduct, and review of reductions in force. OPM may examine an agency’s preparations for reduction in force at any stage. When OPM finds that an agency’s preparations are contrary to the express provisions or to the spirit and intent of these regulations or that they would result in violation of employee rights or equities, OPM may require appropriate corrective action.

Subpart C—Transfer of Function

SOURCE: 52 FR 10024, Mar. 30, 1987, unless otherwise noted.

§ 351.301 Applicability.
(a) This subpart is applicable when the work of one or more employees is moved from one competitive area to another as a transfer of function regardless of whether or not the movement is made under authority of a statute, Executive order, reorganization plan, or other authority.
(b) In a transfer of function, the function must cease in the losing competitive area and continue in an identical form in the gaining competitive area (i.e., in the gaining competitive area, the function continues to be carried out by competing employees rather than by noncompeting employees).

[52 FR 10924, Mar. 30, 1987, as amended at 60 FR 3062, Jan. 13, 1995]

§ 351.302 Transfer of employees.
(a) Before a reduction in force is made in connection with the transfer of any or all of the functions of a competitive area to another continuing competitive area, each competing employee in a position identified with the transferring function or functions shall be transferred to the continuing competitive area without any change in the tenure of his or her employment.
(b) An employee whose position is transferred under this subpart solely for liquidation, and who is not identified with an operating function specifically authorized at the time of transfer to continue in operation more than 60 days, is not a competing employee for other positions in the competitive area gaining the function.
(c) Regardless of an employee’s personal preference, an employee has no right to transfer with his or her function, unless the alternative in the competitive area losing the function is separation or demotion.
(d) Except as permitted in paragraph (e) of this section, the losing competitive area must use the adverse action procedures found in 5 CFR part 752 if it chooses to separate an employee who declines to transfer with his or her function.
(e) The losing competitive area may, at its discretion, include employees who decline to transfer with their function as part of a concurrent reduction in force.
(f) An agency may not separate an employee who declines to transfer with the function any sooner than it transfers employees who chose to transfer with the function to the gaining competitive area.
(g) Agencies may ask employees in a canvass letter whether the employee wishes to transfer with the function when the function transfers to a different local commuting area. The canvass letter must give the employee information concerning entitlements available to the employee if the employee accepts the offer to transfer, and if the employee declines the offer to transfer. An employee may later change and initial acceptance offer without penalty. However, an employee may not later change an initial declination of the offer to transfer.

[52 FR 10024, Mar. 30, 1987, as amended at 60 FR 3062, Jan. 13, 1995]

§ 351.303 Identification of positions with a transferring function.
(a) The competitive area losing the function is responsible for identifying the positions of competing employees
with the transferring function. A competing employee is identified with the transferring function on the basis of the employee’s official position. Two methods are provided to identify employees with the transferring function: (1) Identification Method One; and (2) Identification Method Two.

(b) Identification Method One must be used to identify each position to which it is applicable. Identification Method Two is used only to identify positions to which Identification Method One is not applicable.

(c) Under Identification Method One, a competing employee is identified with a transferring function if—

(1) The employee performs the function during at least half of his or her work time; or

(2) Regardless of the amount of time the employee performs the function during his or her work time, the function performed by the employee includes the duties controlling his or her grade or rate of pay.

(3) In determining what percentage of time an employee performs a function in the employee’s official position, the agency may supplement the employee’s official position description by the use of appropriate records (e.g., work reports, organizational time logs, work schedules, etc.).

(d) Identification Method Two is applicable to employees who perform the function during less than half of their work time and are not otherwise covered by Identification Method One. Under Identification Method Two, the losing competitive area must identify the number of positions it needed to perform the transferring function. To determine which employees are identified for transfer, the losing competitive area must establish a retention register in accordance with this part that includes the name of each competing employee who performed the function. Competing employees listed on the retention register are identified for transfer in the inverse order of their retention standing. If for any retention register this procedure would result in the separation or demotion by reduction in force at the losing competitive area of any employee with higher retention standing, the losing competitive area must identify competing employees on that register for transfer in the order of their retention standing.

(e)(1) The competitive area losing the function may permit other employees to volunteer for transfer with the function in place of employees identified under Identification Method One or Identification Method Two. However, the competitive area may permit these other employees to volunteer for transfer only if no competing employee who is identified for transfer under Identification Method One or Identification Method Two is separated or demoted solely because a volunteer transferred in place of him or her to the competitive area that is gaining the function.

(2) If the total number of employees who volunteer for transfer exceeds the total number of employees required to perform the function in the competitive area that is gaining the function, the losing competitive area may give preference to the volunteers with the highest retention standing, or make selections based on other appropriate criteria.

[52 FR 10024, Mar. 30, 1987, as amended at 60 FR 3062, Jan. 13, 1995]

Subpart D—Scope of Competition

§ 351.401 Determining retention standing.

Each agency shall determine the retention standing of each competing employee on the basis of the factors in this subpart and in subpart E of this part.

§ 351.402 Competitive area.

(a) Each agency shall establish competitive areas in which employees compete for retention under this part.

(b) A competitive area must be defined solely in terms of the agency’s organizational unit(s) and geographical location and, except as provided in paragraph (e) of this section, it must include all employees within the competitive area so defined. A competitive area may consist of all or part of an agency. The minimum competitive area is a subdivision of the agency under separate administration within the local commuting area.

(c) When a competitive area will be in effect less than 90 days prior to the effective date of a reduction in force, a
description of the competitive area shall be submitted to the OPM for approval in advance of the reduction in force. Descriptions of all competitive areas must be made readily available for review.

(d) Each agency shall establish a separate competitive area for each Inspector General activity established under authority of the Inspector General Act of 1978, Public Law 95–452, as amended, in which only employees of that office shall compete for retention under this part.

(e) When an agency finds that a competitive area defined under paragraph (b) of this section includes pay band positions and positions not covered by a pay band, the agency may, at its discretion, define a separate (and additional) competitive area, otherwise consistent with paragraph (b) of this section, to include only pay band positions. The original competitive area would then include only the remaining positions (i.e., those positions not covered by a pay band).

§ 351.403 Competitive level.

(a)(1) Each agency shall establish competitive levels consisting of all positions in a competitive area which are in the same grade (or occupational level) and classification series, and which are similar enough in duties, qualification requirements, pay schedules, and working conditions so that an agency may reassign the incumbent of one position to any of the other positions in the level without undue interruption.

(2)(i) Except as provided in paragraph (a)(2)(ii) of this section for pay band positions, competitive level determinations are based on each employee’s official position of record (including the official position description), not the employee’s personal qualifications.

(ii) To establish a competitive level comprised of pay band positions, an agency may supplement an employee’s official position of record with other applicable records that document the employee’s actual duties and responsibilities.

(b) Each agency shall establish separate competitive levels according to the following categories:

(1) By service. Separate levels shall be established for positions in the competitive service and in the excepted service.

(2) By appointment authority. Separate levels shall be established for excepted service positions filled under different appointment authorities.

(3) By pay schedule. Separate levels shall be established for positions under different pay schedules.

(4) By work schedule. Separate levels shall be established for positions filled on a full-time, part-time, intermittent, seasonal, or on-call basis. No distinction may be made among employees in the competitive level on the basis of the number of hours or weeks scheduled to be worked.

(5) By trainee status. Separate levels shall be established for positions filled by an employee in a formally designated trainee or developmental program having all of the characteristics covered in §351.702(e)(1) through (e)(4) of this part.

(c) An agency may not establish a competitive level based solely upon:

(1) A difference in the number of hours or weeks scheduled to be worked by other-than-full-time employees who
Office of Personnel Management

§ 351.501

would otherwise be in the same competitive level;

(2) A requirement to work changing shifts;

(3) The grade promotion potential of the position; or

(4) A difference in the local wage areas when a competitive area includes positions covered by more than one wage-board or similar wage-determining procedure;

(5) A difference in locality payments under 5 U.S.C. 5304 and subpart F of part 531 of this chapter when a competitive level includes more than one locality pay area listed in §531.603 of this chapter; or

(6) Representative rates in different local commuting areas when a competitive area includes General Schedule (GS) and Federal Wage System (FWS) positions in multiple GS locality pay areas, and/or FWS local wage areas.

§ 351.405 Demoted employees.

An employee who has received a written decision under part 432 or 752 of this chapter to demote him or her competes under this part from the position to which he or she will be or has been demoted.

Subpart E—Retention Standing

§ 351.501 Order of retention—competitive service.

(a) Competing employees shall be classified on a retention register on the basis of their tenure of employment, veteran preference, length of service, and performance in descending order as follows:

(1) By tenure group I, group II, group III; and

(2) Within each group by veteran preference subgroup AD, subgroup A, subgroup B; and

(3) Within each subgroup by years of service as augmented by credit for performance under §351.504, beginning with the earliest service date.

(b) Groups are defined as follows:

(1) Group I includes each career employee who is not serving a probationary period. (A supervisory or managerial employee serving a probationary period required by subpart I of part 315 of this title is in group I if the employee is otherwise eligible to be included in this group.) The following employees are in group I as soon as the employee completes any required probationary period for initial appointment:

(i) An employee for whom substantial evidence exists of eligibility to immediately acquire status and career tenure, and whose case is pending final resolution by OPM (including cases
§ 351.502 Order of retention—excepted service.

(a) Competing employees shall be classified on a retention register in tenure groups on the basis of their tenure of employment, veteran preference, length of service, and performance in descending order as set forth under §351.501(a) for competing employees in the competitive service.

(b) Groups are defined as follows:

(1) Group I includes each permanent employee whose appointment carries under Executive Order 10826 to correct certain administrative errors;

(ii) An employee who acquires competitive status and satisfies the service requirement for career tenure when the employee’s position is brought into the competitive service;

(iii) An administrative law judge;

(iv) An employee appointed under 5 U.S.C. 3104, which provides for the employment of specially qualified scientific or professional personnel, or a similar authority; and

(v) An employee who acquires status under 5 U.S.C. 3304(c) on transfer to the competitive service from the legislative or judicial branches of the Federal Government.

(2) Group II includes each career-conditional employee, and each employee serving a probationary period under subpart H of part 315 of this chapter. (A supervisory or managerial employee serving a probationary period required by subpart I of part 315 of this title is in group II if the employee has not completed a probationary period under subpart H of part 315 of this title.)

Group II also includes an employee when substantial evidence exists of the employee’s eligibility to immediately acquire status and career-conditional tenure, and the employee’s case is pending final resolution by OPM (including cases under Executive Order 10826 to correct certain administrative errors).

(3) Group III includes all employees serving under indefinite appointments, temporary appointments pending establishment of a register, status quo appointments, term appointments, and any other nonstatus nontemporary appointments which meet the definition of provisional appointments contained in §§316.401 and 316.403 of this chapter.

(c) Subgroups are defined as follows:

(1) Subgroup AD includes each preference eligible employee who has a compensable service-connected disability of 30 percent or more.

(2) Subgroup A includes each preference eligible employee not included in subgroup AD.

(3) Subgroup B includes each nonpreference eligible employee.

(d) A retired member of a uniformed service is considered a preference eligible under this part if such employee is a disabled veteran as defined in section 2108(2) of title 5, United States Code, and meets one of the conditions covered in paragraph (d)(1), (2), or (3) of this section.

(4) An employee retired at the rank of major or above (or equivalent) is considered a preference eligible under this part if such employee is a disabled veteran as defined in section 2108(2) of title 5, United States Code, and meets one of the conditions covered in paragraph (d)(1), (2), or (3) of this section.

(5) An employee who is eligible for retired pay under chapter 67 of title 10, United States Code, and who retired at the rank of major or above (or equivalent) is considered a preference eligible under this part at age 60, only if such employee is a disabled veteran as defined in section 2108(2) of title 5, United States Code.

Office of Personnel Management

§ 351.504

Credit for performance.

NOTE TO § 351.504: Compliance dates: Subject to the requirements of 5 U.S.C. Section 7116(a)(7), agencies may implement revised §351.504 at any time between December 24, 1997 and October 1, 1998. For reduction in force actions effective between December 24, 1997 and September 30, 1998, agencies may use either §351.504 effective December 24, 1997, or the prior §351.504 in 5 CFR part 351 (January 1, 1997 edition).

§ 351.503 Length of service.

(a) All civilian service as a Federal employee, as defined in 5 U.S.C. 2105(a), is creditable for purposes of this part.

(b)(1) As authorized by 5 U.S.C. 3502(a)(A), all active duty in a uniformed service, as defined in 5 U.S.C. 2101(3), is creditable for purposes of this part, except as provided in paragraphs (b)(2) and (b)(3) of this section.

(2) As authorized by 5 U.S.C. 3502(a)(B), a retired member of a uniformed service who is covered by §351.501(d) is entitled to credit under this part only for:

(i) The length of time in active service in the Armed Forces during a war, or in a campaign or expedition for which a campaign or expedition badge has been authorized; or

(ii) The total length of time in active service in the Armed Forces if the employee is considered a preference eligible under 5 U.S.C. 2108 and 5 U.S.C. 3501(a), as implemented in §351.501(d).

(3) An employee may not receive dual service credit for purposes of this part for service performed on active duty in the Armed Forces that was performed during concurrent civilian employment as a Federal employee, as defined in 5 U.S.C. 2105(a).

(c)(1) The agency is responsible for establishing both the service computation date, and the adjusted service computation date, applicable to each employee competing for retention under this part. If applicable, the agency is also responsible for adjusting the service computation date and the adjusted service computation date to withhold retention service credit for noncreditable service.

(2) The service computation date includes all actual creditable service under paragraph (a) and paragraph (b) of this section.

(3) The adjusted service computation date includes all actual creditable service under paragraph (a) and paragraph (b) of this section, and additional retention service credit for performance authorized by §351.504 (d) and (e).

(d) The service computation date is computed on the following basis:

(1) The effective date of appointment as a Federal employee under 5 U.S.C. 2105(a) when the employee has no previous creditable service under paragraph (a) or (b) of this part; except as provided in paragraphs (d)(1) or (d)(2) of this section.

(2) The date calculated by subtracting the employee’s total previous creditable service under paragraph (a) or (b) of this section from the most recent effective date of appointment as a Federal employee under 5 U.S.C. 2105(a).

(e) The adjusted service computation date is calculated by subtracting from the date in paragraph (d)(1) or (d)(2) of this section the additional service credit for retention authorized by §351.504(d) and (e).

[64 FR 16800, Apr. 7, 1999; 64 FR 23531, May 3, 1999]
§ 351.504

(a) Ratings used. (1) Only ratings of record as defined in § 351.203 shall be used as the basis for granting additional retention service credit in a reduction in force.

(2) For employees who received ratings of record while covered by part 430, subpart B, of this chapter, those ratings of record shall be used to grant additional retention service credit in a reduction in force.

(3) For employees who received performance ratings while not covered by the provisions of 5 U.S.C. Chapter 43 and part 430, subpart B, of this chapter, those performance ratings shall be considered ratings of record for granting additional retention service credit in a reduction in force only when it is determined that those performance ratings are equivalent ratings of record under the provisions of § 430.201(c) of this chapter. The agency conducting the reduction in force shall make that determination.

(b)(1) An employee’s entitlement to additional retention service credit for performance under this subpart shall be based on the employee’s three most recent ratings of record received during the 4-year period prior to the issuance of reduction in force notices, except as otherwise provided in paragraphs (b)(2) and (c) of this section.

(2) To provide adequate time to determine employee retention standing, an agency may provide for a cutoff date, a specified number of days prior to the issuance of reduction in force notices after which no new ratings of record will be put on record and used for purposes of this subpart. When a cutoff date is used, an employee will receive performance credit for the three most recent ratings of record received during the 4-year period prior to the cutoff date.

(3) To be creditable for purposes of this subpart, a rating of record must have been issued to the employee, with all appropriate reviews and signatures, and must also be on record (i.e., the rating of record is available for use by the office responsible for establishing retention registers).

(4) The awarding of additional retention service credit based on performance for purposes of this subpart must be uniformly and consistently applied within a competitive area, and must be consistent with the agency’s appropriate issuance(s) that implement these policies. Each agency must specify in its appropriate issuance(s):

(i) The conditions under which a rating of record is considered to have been received for purposes of determining whether it is within the 4-year period prior to either the date the agency issues reduction in force notices or the agency-established cutoff date for ratings of record, as appropriate; and

(ii) If the agency elects to use a cutoff date, the number of days prior to the issuance of reduction in force notices after which no new ratings of record will be put on record and used for purposes of this subpart.

(c) Missing ratings. Additional retention service credit for employees who do not have three actual ratings of record during the 4-year period prior to the date of issuance of reduction in force notices or the 4-year period prior to the agency-established cutoff date for ratings of record permitted in paragraph (b)(2) of this section shall be determined under paragraphs (d) or (e) of this section, as appropriate, and as follows:

(1) An employee who has not received any rating of record during the 4-year period shall receive credit for performance based on the modal rating for the summary level pattern that applies to the employee’s official position of record at the time of the reduction in force.

(2) An employee who has received at least one but fewer than three previous ratings of record during the 4-year period shall receive credit for performance on the basis of the value of the actual rating(s) of record divided by the number of actual ratings received. If an employee has received only two actual ratings of record during the period, the value of the ratings is added together and divided by two (and rounded in the case of a fraction to the next higher whole number) to determine the amount of additional retention service credit.

(2) An employee who has received at least one but fewer than three previous ratings of record during the 4-year period shall receive credit for performance on the basis of the value of the actual rating(s) of record divided by the number of actual ratings received. If an employee has received only two actual ratings of record during the period, the value of the ratings is added together and divided by two (and rounded in the case of a fraction to the next higher whole number) to determine the amount of additional retention service credit. If an employee has received only one actual rating of record during the period, its value is the amount of additional retention service credit provided.
(d) Single rating pattern. If all employees in a reduction in force competitive area have received ratings of record under a single pattern of summary levels as set forth in §430.208(d) of this chapter, the additional retention service credit provided to employees shall be expressed in additional years of service and shall consist of the mathematical average (rounded in the case of a fraction to the next higher whole number) of the employee's applicable ratings of record, under paragraphs (b)(1) and (c) of this section computed on the following basis:

(1) Twenty additional years of service for each rating of record with a Level 5 (Outstanding or equivalent) summary;
(2) Sixteen additional years of service for each rating of record with a Level 4 summary; and
(3) Twelve additional years of service for each rating of record with a Level 3 (Fully Successful or equivalent) summary.

(e) Multiple rating patterns. If an agency has employees in a competitive area who have ratings of record under more than one pattern of summary levels, as set forth in §430.208(d) of this chapter, it shall consider the mix of patterns and provide additional retention service credit for performance to employees expressed in additional years of service in accordance with the following:

(1) Additional years of service shall consist of the mathematical average (rounded in the case of a fraction to the next higher whole number) of the additional retention service credit that the agency established for the summary levels of the employee's applicable rating(s) of record.
(2) The agency shall establish the amount of additional retention service credit provided for summary levels only in full years; the agency shall not establish additional retention service credit for summary levels below Level 3 (Fully Successful or equivalent).
(3) When establishing additional retention service credit for the summary levels at Level 3 (Fully Successful or equivalent) and above, the agency shall establish at least 12 years, and no more than 20 years, additional retention service credit for a summary level.

(4) The agency may establish the same number of years additional retention service credit for more than one summary level.
(5) The agency shall establish the same number of years additional retention service credit for all ratings of record with the same summary level in the same pattern of summary levels as set forth in §430.208(d) of this chapter.
(6) The agency may establish a different number of years additional retention service credit for the same summary level in different patterns.

(7) In implementing paragraph (e) of this section, the agency shall specify the number(s) of years additional retention service credit that it will establish for summary levels. This information shall be made readily available for review.

(8) The agency may apply paragraph (e) of this section only to ratings of record put on record on or after October 1, 1997. The agency shall establish the additional retention service credit for ratings of record put on record prior to that date in accordance with paragraph (d) of this section.

§ 351.505 Records.

(a) The agency is responsible for maintaining correct personnel records that are used to determine the retention standing of its employees competing for retention under this part.
(b) The agency must allow its retention registers and related records to be inspected by:

(1) An employee of the agency who has received a specific reduction in force notice, and/or the employee's representative if the representative is acting on behalf of the individual employee; and
(2) An authorized representative of OPM.
(c) An employee who has received a specific notice of reduction in force under authority of subpart H of this part has the right to review any completed records used by the agency in a reduction in force action that was taken, or will be taken, against the employee, including:

(1) The complete retention register with the released employee's name and other relevant retention information
§ 351.506 Effective date of retention standing.

Except for applying the performance factor as provided in §351.504:

(a) The retention standing of each employee released from a competitive level in the order prescribed in §351.601 is determined as of the date the employee is so released.

(b) The retention standing of each employee retained in a competitive level as an exception under §351.606(b), §351.607, or §351.608, is determined as of the date the employee would have been released had the exception not been used. The retention standing of each employee retained under any of these provisions remains fixed until completion of the reduction in force action which resulted in the temporary retention.

(c) When an agency discovers an error in the determination of an employee’s retention standing, it shall correct the error and adjust any erroneous reduction-in-force action to accord with the employee’s proper retention standing as of the effective date established by this section.

Subpart F—Release From Competitive Level

§ 351.601 Order of release from competitive level.

(a) Each agency must select competing employees for release from a competitive level (including release from a competitive level involving a pay band) under this part in the inverse order of retention standing, beginning with the employee with the lowest retention standing on the retention register. An agency may not release a competing employee from a competitive level while retaining in that level an employee with lower retention standing except:

(1) As required under §351.606 when an employee is retained under a mandatory exception or under §351.806 when an employee is entitled to a new written notice of reduction in force; or

(2) As permitted under §351.607 when an employee is retained under a permissive continuing exception or under §351.608 when an employee is retained under a permissive temporary exception.

(b) At its option an agency may provide for intervening displacement within the competitive level before final release of the employee with the lowest retention standing from the competitive level.

(c) When employees in the same retention subgroup have identical service dates and are tied for release from a competitive level, the agency may select any tied employee for release.

§ 351.602 Prohibitions.

An agency may not release a competing employee from a competitive level while retaining in that level an employee with:
Office of Personnel Management

§ 351.606 Mandatory exceptions.

(a) Armed Forces restoration rights. When an agency applies §351.601 or §351.605, it shall give retention priorities over other employees in the same subgroup to each group I or II employee entitled under 38 U.S.C. 2021 or 2024 to retention for, as applicable, 6 months or 1 year after restoration, as provided in part 353 of this chapter.

(b) Use of annual leave to reach initial eligibility for retirement or continuance of health benefits. (1) An agency shall make a temporary exception under this section to retain an employee who is being involuntarily separated under this part, and who elects to use annual leave to remain on the agency’s rolls after the effective date the employee would otherwise have been separated by reduction in force, in order to establish initial eligibility for immediate retirement under 5 U.S.C. 8336, 8412, or 8414, and/or to establish initial eligibility under 5 U.S.C. 8905 to continue health benefits coverage into retirement.

(2) An agency shall make a temporary exception under this section to retain an employee who is being involuntarily separated under authority of part 752 of this chapter because of the employee’s decision to decline relocation (including transfer of function), and who elects to use annual leave to remain on the agency’s rolls after the effective date the employee would otherwise have been separated by adverse action, in order to establish initial eligibility for immediate retirement under 5 U.S.C. 8336, 8412, or 8414, and/or to establish initial eligibility under 5 U.S.C. 8905 to continue health benefits coverage into retirement.

(3) An employee retained under paragraph (b) of this section must be covered by chapter 63 of title 5, United States Code.

(4) An agency may not retain an employee under paragraph (b) of this section past the date that the employee first becomes eligible for immediate retirement, or for continuation of health benefits into retirement, except that an employee may be retained long
§ 351.607

Permissive continuing exceptions.

An agency may make exception to the order of release in § 351.601 and to the action provisions of § 351.603 when needed to retain an employee on duties that cannot be taken over within 90 days and without undue interruption to the activity by an employee with higher retention standing. The agency shall notify in writing each higher-standing employee reached for release from the same competitive level of the reasons for the exception.

§ 351.608

Permissive temporary exceptions.

(a) General. (1) In accordance with this section, an agency may make a temporary exception to the order of release in § 351.601, and to the action provisions of § 351.603, when needed to retain an employee after the effective date of a reduction in force. Except as otherwise provided in paragraphs (c) and (e) of this section, an agency may not make a temporary exception for more than 90 days.

(2) After the effective date of a reduction in force action, an agency may not amend or cancel the reduction in force notice of an employee retained under a temporary exception so as to avoid completion of the reduction in force action. This does not preclude the employee from receiving or accepting a job offer in the same competitive area in accordance with a Reemployment Priority List established under part 330, subpart B, of this chapter, or under a Career Transition Assistance Plan established under part 330, subpart E, of this chapter, or equivalent programs.

(b) Undue interruption. An agency may make a temporary exception for not more than 90 days when needed to continue an activity without undue interruption.

(c) Government obligation. An agency may make a temporary exception to satisfy a Government obligation to the retained employee without regard to the 90-day limit set forth under paragraph (a)(1) of this section.

(d) Sick leave. An agency may make a temporary exception to retain on sick leave a lower standing employee covered by chapter 63 of title 5, United States Code (or other applicable leave system for Federal employees), who is on approved sick leave on the effective date of the reduction in force, for a period not to exceed the date the employee’s sick leave is exhausted. Use of sick leave for this purpose must be in accordance with the requirements in part 630, subpart D, of this chapter (or other applicable leave system for Federal employees). Except as authorized by § 351.606(b), an agency may not approve an employee’s use of any other type of leave after the employee has been retained under this paragraph (d).

(e)(1) An agency may make a temporary exception to retain on accrued annual leave a lower standing employee who:

(i) Is being involuntarily separated under this part;

(ii) Is covered by a Federal leave system under authority other than chapter 63 of title 5, United States Code; and,

(iii) Will attain first eligibility for an immediate retirement benefit under 5 U.S.C. 8336, 8412, or 8414 (or other authority), and/or establish eligibility under 5 U.S.C. 8905 (or other authority) to carry health benefits coverage into retirement during the period represented by the amount of the employee’s accrued annual leave.

(2) An agency may not approve an employee’s use of any other type of leave after the employee has been retained under this paragraph (e).

(3) This exception may not exceed the date the employee first becomes eligible for immediate retirement or for
continuation of health benefits into retirement, except that an employee may be retained long enough to satisfy both retirement and health benefits requirements.

(4) Accrued annual leave includes all accumulated, accrued, and restored annual leave, as applicable, in addition to annual leave earned and available to the employee after the effective date of the reduction in force. When approving a temporary exception under this provision, an agency may not advance annual leave or consider any annual leave that might be credited to an employee’s account after the effective date of the reduction in force other than annual leave earned while in an annual leave status.

(f) Other exceptions. An agency may make a temporary exception under this section to extend an employee’s separation date beyond the effective date of the reduction in force when the temporary retention of a lower standing employee does not adversely affect the right of any higher standing employee who is released ahead of the lower standing employee. The agency may establish a maximum number of days, up to 90 days, for which an exception may be approved.

(g) Notice to employees. When an agency approves an exception for more than 30 days, it must:

(1) Notify in writing each higher standing employee in the same competitive level reached for release of the reasons for the exception and the date the lower standing employee’s retention will end; and

(2) List opposite the employee’s name on the retention register the reasons for the exception and the date the employee’s retention will end.

Subpart G Assignment Rights (Bump and Retreat)

§ 351.701 Assignment involving displacement.

(a) General. When a group I or II competitive service employee with a current annual performance rating of record of minimally successful (Level 2) or equivalent, or higher, is released from a competitive level, an agency shall offer assignment, rather than furlough or separate, in accordance with paragraphs (b), (c), and (d) of this section to another competitive position which requires no reduction, or the lease possible reduction, in representative rate. The employee must be qualified for the offered position. The offered position shall be in the same competitive area, last at least 3 months, and have the same type of work schedule (e.g., full-time, part-time, intermittent, or seasonal) as the position from which the employee is released. Upon accepting an offer of assignment, or displacing another employee under this part, an employee retains the same status and tenure in the new position. The promotion potential of the offered position is not a consideration in determining an employee’s right of assignment.

(b) Lower subgroup—bumping. A released employee shall be assigned in accordance with paragraph (a) of this section and bump to a position that:

(1) Is held by another employee in a lower tenure group or in a lower subgroup within the same tenure group; and

(2) Is no more than three grades (or appropriate grade intervals or equivalent) below the position from which the employee was released.

(c) Same subgroup—retreating. A released employee shall be assigned in accordance with paragraphs (a) and (d) of this section and retreat to a position that:

(1) Is held by another employee with lower retention standing in the same tenure group and subgroup; and

(2) Is not more than three grades (or appropriate grade intervals or equivalent) below the position from which the employee was released, except that for a preference eligible employee with a compensable service-connected disability of 30 percent or more the limit is five grades (or appropriate grade intervals or equivalent). (The agency uses the grade progression of only the released employee’s position of record to determine the applicable grades (or appropriate grade intervals or equivalent) of the employee’s retreat right. The agency does not consider the grade progression of the position to which the employee has a retreat right.); and
(3) Is the same position, or an essentially identical position, formerly held by the released employee on a permanent basis as a competing employee in a Federal agency (i.e., when held by the released employee in an executive, legislative, or judicial branch agency, the position would have been placed in tenure groups I, II, or III, or equivalent). In determining whether a position is essentially identical, the determination is based on the competitive level criteria found in §351.403, but not necessarily in regard to the respective grade, classification series, type of work schedule, or type of service, of the two positions.

(d) Limitation. An employee with a current annual performance rating of record of minimally successful (Level 2) or equivalent may be assigned under paragraph (c) of this section only to a position held by another employee with a current annual performance rating of record no higher than minimally successful (Level 2) or equivalent.

(e) Pay rates. (1) The determination of equivalent grade intervals shall be based on a comparison of representative rates.

(2) Each employee’s assignment rights shall be determined on the basis of the pay rates in effect on the date of issuance of specific reduction-in-force notices, except that when it is officially known on the date of issuance of notices that new pay rates have been approved and will become effective by the effective date of the reduction in force, assignment rights shall be determined on the basis of the new pay rates.

(f)(1) In determining applicable grades (or grade intervals) under §§351.701(b)(2) and 351.701(c)(2), the agency uses the grade progression of the released employee’s position of record to determine the grade (or interval) limits of the employee’s assignment rights.

(2) For positions covered by the General Schedule, the agency must determine whether a one-grade, two-grade, or mixed grade interval progression is applicable to the position of the released employee.

(3) For positions not covered by the General Schedule, the agency must determine the normal line of progression for each occupational series and grade level to determine the grade (or interval) limits of the released employee’s assignment rights. If the agency determines that there is no normal line of progression for an occupational series and grade level, the agency provides the released employee with assignment rights to positions within three actual grades lower on a one-grade basis. The normal line of progression may include positions in different pay systems.

(4) For positions where no grade structure exists, the agency determines a line of progression for each occupation and pay rate, and provides assignment rights to positions within three grades (or intervals) lower on that basis.

(5) If the released employee holds a position that is less than three grades above the lowest grade in the applicable classification system (e.g., the employee holds a GS–2 position), the agency provides the released employee with assignment rights up to three actual grades lower on a one-grade basis in other pay systems.

(g) If a competitive area includes more than one local commuting area, the agency determines assignment rights under this part on the basis of the representative rates for one local commuting area within the competitive area (i.e., the same local commuting area used to establish competitive levels under §351.403(c)(4), (5), and (6)).

(h) If a competitive area includes positions under one or more pay bands, a released employee shall be assigned in accordance with paragraphs (a) through (d) of this section to a position in an equivalent pay band or one pay band lower, as determined by the agency, than the pay band from which released. A preference eligible with a service-connected disability of 30 percent or more must be assigned in accordance with paragraphs (a) through (d) of this section to a position in an equivalent pay band or up to two pay bands lower, as determined by the agency, than the pay band from which released.

(i) If a competitive area includes positions under one or more pay bands, and other positions not covered by a
pay band (e.g., GS and/or FWS positions), the agency provides assignment rights under this part by:

1. Determining the representative rate of positions not covered by a pay band, consistent with §351.203;
2. Determining the representative rate of each pay band, or competitive level within the pay band(s), consistent with §351.203;
3. As determined by the agency, providing assignment rights under paragraph (b) of this section (bumping), or paragraphs (c) and (d) of this section (retreating), consistent with the grade intervals covered in paragraphs (b)(2) and (c)(2) of this section, and the pay band intervals in paragraph (h) of this section.

§ 351.702 Qualifications for assignment.

(a) Except as provided in §351.703, an employee is qualified for assignment under §351.701 if the employee:

1. Meets the OPM standards and requirements for the position, including any minimum educational requirement, and any selective placement factors established by the agency;
2. Is physically qualified, with reasonable accommodation where appropriate, to perform the duties of the position;
3. Meets any special qualifying condition which the OPM has approved for the position; and
4. Has the capacity, adaptability, and special skills needed to satisfactorily perform the duties of the position without undue interruption. This determination includes recency of experience, when appropriate.

(b) The sex of an employee may not be considered in determining whether an employee is qualified for a position, except for positions which OPM has determined certification of eligibles by sex is justified.

(c) An employee who is released from a competitive level during a leave of absence because of a compensable injury may not be denied an assignment right solely because the employee is not physically qualified for the duties of the position if the physical disqualification resulted from the compensable injury. Such an employee must be afforded appropriate assignment rights subject to recovery as provided by 5 U.S.C. 8151 and part 353 of this chapter.

(d) If an agency determines, on the basis of evidence before it, that a preference eligible employee who has a compensable service-connected disability of 30 percent or more is not able to fulfill the physical requirements of a position to which the employee would otherwise have been assigned under this part, the agency must notify the OPM of this determination. At the same time, the agency must notify the employee of the reasons for the determination and of the right to respond, within 15 days of the notification, to the OPM which will require the agency to demonstrate that the notification was timely sent to the employee’s last known address. The OPM shall make a final determination concerning the physical ability of the employee to perform the duties of the position. This determination must be made before the agency may select any other person for the position. When the OPM has completed its review of the proposed disqualification on the basis of physical disability, it must send its finding to both the agency and the employee. The OPM shall make findings, and the functions of the OPM under this paragraph may not be delegated to an agency.

(e) An agency may formally designate as a trainee or developmental position a position in a program with all of the following characteristics:

1. The program must have been designed to meet the agency’s needs and requirements for the development of skilled personnel;
2. The program must have been formally designated, with its provisions made known to employees and supervisors;
3. The program must be developmental by design, offering planned growth in duties and responsibilities, and providing advancement in recognized lines of career progression; and
4. The program must be fully implemented, with the participants chosen through standard selection procedures.
§ 351.703 To be considered qualified for assignment under § 351.701 to a formally designated trainee or developmental position in a program having all of the characteristics covered in paragraphs (e)(1), (2), (3), and (4) of this section, an employee must meet all of the conditions required for selection and entry into the program.

[51 FR 319, Jan. 3, 1986, as amended at 60 FR 3063, Jan. 13, 1995]

§ 351.703 Exception to qualifications.

An agency may assign an employee to a vacant position under § 351.201(b) or § 351.701 of this part without regard to OPM’s standards and requirements for the position if:

(a) The employee meets any minimum education requirement for the position; and

(b) The agency determines that the employee has the capacity, adaptability, and special skills needed to satisfactorily perform the duties and responsibilities of the position.

[56 FR 65417, Dec. 17, 1991]

§ 351.704 Rights and prohibitions.

(a)(1) An agency may satisfy an employee’s right to assignment under § 351.701 by assignment to a vacant position under § 351.201(b), or by assignment under any applicable administrative assignment provisions of § 351.705, to a position having a representative rate equal to that the employee would be entitled under § 351.701. An agency may also offer an employee assignment under § 351.201(b) to a vacant position in lieu of separation by reduction in force under 5 CFR part 351. Any offer of assignment under § 351.201(b) to a vacant position must meet the requirements set forth under § 351.701.

(2) An agency may, at its discretion, choose to offer a vacant other-than-full-time position to a full-time employee or to offer a vacant full-time position to an other-than-full-time employee in lieu of separation by reduction in force.

(b) Section 351.701 does not:

(1) Authorize or permit an agency to assign an employee to a position having a higher representative rate;

(2) Authorize or permit an agency to displace a full-time employee by an other-than-full-time employee, or to satisfy an other-than-full-time employee’s right to assignment by assigning the employee to a vacant full-time position.

(3) Authorize or permit an agency to displace an other-than-full-time employee by a full-time employee, or to satisfy a full-time employee’s right to assignment by assigning the employee to a vacant other-than-full-time position.

(4) Authorize or permit an agency to assign a competing employee to a temporary position (i.e., a position under an appointment not to exceed 1 year), except as an offer of assignment in lieu of separation by reduction in force under this part when the employee has no right to a position under § 351.701 or § 351.704(a)(1) of this part. This option does not preclude an agency from, as an alternative, also using a temporary position to reemploy a competing employee following separation by reduction in force under this part.

(5) Authorize or permit an agency to displace an employee or to satisfy a competing employee’s right to assignment by assigning the employee to a position with a different type of work schedule (e.g., full-time, part-time, intermittent, or seasonal) than the position from which the employee is released.

§ 351.705 Administrative assignment.

(a) An agency may, at its discretion, adopt provisions which:

(1) Permit a competing employee to displace an employee with lower retention standing in the same subgroup consistent with § 351.701 when the agency cannot make an equally reasonable assignment by displacing an employee in a lower subgroup;

(2) Permit an employee in subgroup III-AD to displace an employee in subgroup III-A or III-B, or permit an employee in subgroup III-A to displace an employee in subgroup III-B consistent with § 351.701; or

(3) Provide competing employees in the excepted service with assignment rights to other positions under the same appointing authority on the same
basis as assignment rights provided to competitive service employees under §351.701 and in paragraphs (a)(1) and (2) of this section.

(b) Provisions adopted by an agency under paragraph (a) of this section:

(1) Shall be consistent with this part;

(2) Shall be uniformly and consistently applied in any one reduction in force;

(3) May not provide for the assignment of an other-than-full-time employee to a full-time position;

(4) May not provide for the assignment of a full-time employee to an other-than-full-time position;

(5) May not provide for the assignment of an employee in a competitive service position to a position in the excepted service; and

(6) May not provide for the assignment of an employee in an excepted position to a position in the competitive service.

§ 351.802 Content of notice.

(a)(1) The action to be taken, the reasons for the action, and its effective date;

(2) The employee’s competitive area, competitive level, subgroup, service date, and three most recent ratings of record received during the last 4 years;

(3) The place where the employee may inspect the regulations and record pertinent to this case;

(4) The reasons for retaining a lower-standing employee in the same competitive level under §351.607 or §351.608;

(5) Information on reemployment rights, except as permitted by §351.803(a); and

(6) The employee’s right, as applicable, to appeal to the Merit Systems Protection Board under the provisions of the Board’s regulations or to grieve under a negotiated grievance procedure. The agency shall also comply with §1201.21 of this title.

(b) When an agency issues an employee a notice, the agency must, upon the employee’s request, provide the employee with a copy of OPM’s retention regulations found in part 351 of this chapter.
§ 351.803 Notice of eligibility for reemployment and other placement assistance.

(a) An employee who receives a specific notice of separation under this part must be given information concerning the right to reemployment consideration and career transition assistance under subparts B (Reemployment Priority List), F, and G (Career Transition Assistance Programs) of part 330 of this chapter. The employee must also be given a release to authorize, at his or her option, the release of his or her resume and other relevant employment information for employment referral to the State unit or entity established under title I of the Workforce Investment Act of 1998 and potential public or private sector employers. The employee must also be given information concerning how to apply both for unemployment insurance through the appropriate State program and benefits available under the State’s Workforce Investment Act of 1998 programs, and an estimate of severance pay (if eligible).

(b) When 50 or more employees in a competitive area receive separation notices under this part, the agency must provide written notification of the action, at the same time it issues specific notices of separation to employees, to:

1. The State or the entity designated by the State to carry out rapid response activities under title I of the Workforce Investment Act of 1998;

2. The chief elected official of local government(s) within which these separations will occur; and

3. OPM.

(c) The notice required by paragraph (b) of this section must include:

1. The number of employees to be separated from the agency by reduction in force (broken down by geographic area or other basis specified by OPM);

2. The effective date of the separations; and

3. Any other information specified by OPM, including information needs identified from consultation between OPM and the Department of Labor to facilitate delivery of placement and related services.

§ 351.804 Expiration of notice.

(a) A notice expires when followed by the action specified, or by an action less severe than specified, in the notice or in an amendment made to the notice before the agency takes the action.

(b) An agency may not take the action before the effective date in the notice; instead, the agency may cancel the reduction in force notice and issue a new notice subject to this subpart.

§ 351.805 New notice required.

(a) An employee is entitled to a written notice of at least 60 full days if the agency decides to take an action more severe than first specified.

(b) An agency must give an employee an amended written notice if the reduction in force is changed to a later date. A reduction in force action taken after the date specified in the notice given to the employee is not invalid for that reason, except when it is challenged by a higher-standing employee in the competitive level who is reached out of order for a reduction in force action as a result of the change in dates.

(c) An agency must give an employee an amended written notice and allow the employee to decide whether to accept a better offer of assignment under subpart G of this part that becomes available before or on the effective date of the reduction in force. The agency must give the employee the amended notice regardless of whether the employee has accepted or rejected a previous offer of assignment, provided that the employee has not voluntarily separated from his or her official position.

§ 351.806 Status during notice period.

When possible, the agency shall retain the employee on active duty status during the notice period. When in an emergency the agency lacks work or
funds for all or part of the notice period, it may place the employee on annual leave with or without his or her consent, or leave without pay with his or her consent, or in a nonpay status without his or her consent.

§ 351.807 Certification of Expected Separation.

(a) For the purpose of enabling otherwise eligible employees to be considered for eligibility to participate in dislocated worker programs under the Workforce Investment Act of 1998 administered by the U.S. Department of Labor, an agency may issue a Certificate of Expected Separation to a competing employee who the agency believes, with a reasonable degree of certainty, will be separated from Federal employment by reduction in force procedures under this part. A certification may be issued up to 6 months prior to the effective date of the reduction in force.

(b) This certification may be issued to a competing employee only when the agency determines:

(1) There is a good likelihood the employee will be separated under this part;

(2) Employment opportunities in the same or similar position in the local commuting area are limited or nonexistent;

(3) Placement opportunities within the employee’s own or other Federal agencies in the local commuting area are limited or nonexistent; and

(4) If eligible for optional retirement, the employee has not filed a retirement application or otherwise indicated in writing an intent to retire.

(c) A certification is to be addressed to each individual eligible employee and must be signed by an appropriate agency official. A certification must contain the expected date of reduction in force, a statement that each factor in paragraph (b) of this section has been satisfied, and a description of Workforce Investment Act of 1998, title I, programs, the Interagency Placement Program, and the Reemployment Priority List.

(d) A certification may not be used to satisfy any of the notice requirements elsewhere in this subpart.

(e) An agency determination of eligibility for certification may not be appealed to OPM or the Merit Systems Protection Board.

(f) An agency may also enroll eligible employees on the agency’s Reemployment Priority List up to 6 months in advance of a reduction in force. For requirements and criteria, see subpart B of part 330 of this chapter.

Subpart I—Appeals and Corrective Action

§ 351.901 Appeals.

An employee who has been furloughed for more than 30 days, separated, or demoted by a reduction in force action may appeal to the Merit Systems Protection Board.

[52 FR 46051, Dec. 4, 1987]

§ 351.902 Correction by agency.

When an agency decides that an action under this part was unjustified or unwarranted and restores an individual to the former grade or rate of pay held or to an intermediate grade or rate of pay, it shall make the restoration retroactively effective to the date of the improper action.

§ 352.201  Letter of Authority.

(a) Definition. A Letter of Authority is an authorization from OPM to an agency appointing officer to grant reemployment rights.

(c) Time limit of authority. A Letter of Authority shall remain in force for one
Office of Personnel Management

year from date of issuance unless earlier revoked by OPM. Renewals or extensions will not be issued unless justified by exceptional circumstances.

§ 352.202 Request for Letter of Authority.

When an agency believes that an emergency situation is so critical as to justify offers of reemployment rights, it may request OPM to issue a Letter of Authority. In submitting the request the agency shall present its justification in terms of the standards provided in §352.203.

§ 352.203 Standards for issuing Letters of Authority.

OPM will determine the standards to be used in issuing Letters of Authority, which shall include the following:

(a) The positions to be filled must be related to emergency situations for which the usual recruiting methods are inadequate.
(b) The positions must be a part of a specific program immediately essential to the national interest.
(c) The positions must be essential to the functioning of the program.
(d) There must be substantial basis for the belief that reemployment rights will be a significant and reasonable aid in meeting the emergency situation.

§ 352.204 Basic eligibility for reemployment rights.

(a) Employees eligible. The following employees in the executive branch of the Government are eligible to be granted reemployment rights when they are hired by another executive agency without break in service of a full workday by transfer or reinstatement, or by excepted appointment, in a position which the agency is currently authorized to fill with reemployment rights:

(1) An employee serving in a competitive position under a career or career-conditional appointment;
(2) An employee serving under a career appointment in the Senior Executive Service (SES); or
(3) A nontemporary excepted employee.

(b) Employees not eligible. The following employees are not eligible to be granted reemployment rights:

(1) An employee who is serving a probationary or trial period under an appointment to a position in the excepted or competitive service or the SES.
(2) An employee serving in an obligated position;
(3) An employee serving with reemployment rights granted under this subpart;
(4) An employee who has received a notice of involuntary separation because of reduction in force or otherwise; or
(5) An employee who has already submitted a resignation.

§ 352.205 Appeal of losing agency.

An appointing officer who intends to employ with reemployment rights an employee of another executive agency shall give the losing agency written notice at least 15 calendar days before the effective date of the proposed action. If the losing agency believes the grant of reemployment rights would be detrimental to the public interest, it may appeal the proposed grant to OPM within 15 calendar days after receipt of the notice. The losing agency, at the same time, shall furnish a copy of the appeal to the prospective appointing officer, who shall withhold the proposed grant pending decision on the appeal. OPM shall determine whether the employee will be given reemployment rights and notify both agencies accordingly. If the losing agency does not appeal within 15 calendar days, the employee shall be granted reemployment rights.

§ 352.205a Authority to return employee to his or her former or successor agency.

The transfer of an employee with a grant of reemployment rights under this subpart authorizes the return of the employee to his or her former or successor agency without regard to part 351, 752, or 771 of this chapter when the employee is reemployed in his or her former or successor agency—

(a) Without a break in service of 1 workday or more in a position at the same or higher grade in the same occupational field and geographical area as
§ 352.205b Authority to return an SES employee to his or her former or successor agency.

The transfer of a career SES appointee with a grant of reemployment rights under this subpart authorizes the return of the employee to his or her former or successor agency when the employee is reemployed in his or her former or successor agency—

(a) Without a break in service of 1 workday or more in any position in the SES for which the employee is qualified; and

(b) At not less than the SES rate of basic pay as determined under 5 CFR part 534, subpart D at which the employee was being paid immediately before his or her transfer.

[51 FR 25187, July 11, 1986]

§ 352.206 Expiration of reemployment rights.

Reemployment rights granted under a Letter of Authority expire at the end of 2 years following the date of the personnel action, unless exercised or otherwise terminated before that time, except that the reemployment rights of an employee serving outside the continental United States extend for an additional period of 3 months.

§ 352.207 Exercise or termination of reemployment rights.

(a) Exercise. The time limits for application for reemployment under this subpart are:

(1) Within 30 calendar days before the expiration of the term of reemployment rights;

(2) Within 30 calendar days after receipt of notice of involuntary separation;

(3) At least 30 calendar days in advance of the person’s scheduled entry into active military duty. In this case he shall be reemployed and separated, furloughed, or granted leave of absence for military service by the reemploying agency; or

(4) At any time before the expiration of the term of reemployment rights with the written consent of the current employing agency if application for reemployment is made within 30 days after date of separation, or after receipt of advance notice of proposed demotion by the current employing agency.

(b) Termination. An employee’s reemployment rights terminate if:

(1) He fails to apply within the time limits stated in paragraph (a) of this section;

(2) He resigns without the written consent of the current employing agency; or

(3) Within 10 calendar days, he fails to accept an offer of reemployment made under § 352.208 which is determined to be a proper offer of reemployment by the reemploying agency or by the Merit Systems Protection Board on appeal.

§ 352.208 Agency’s obligation to reemploy.

(a) Employee’s right to reemployment. An employee is entitled to be reemployed by the reemploying agency as promptly as possible but not more than 30 calendar days after receipt of his application. Except as provided in paragraph (c) of this section, the employee is entitled to reemployment in the occupational field and at the same grade or level and in the same geographical area as the position which the employee last held in that agency. If the reemployment would cause the separation or demotion of another employee, the applicant shall then be considered an employee for the purpose of applying the reduction-in-force regulations (5 CFR part 351) to determine to what, if any, position, he or she is entitled.

(b) Reemployment in a higher grade. The reemploying agency may reemploy the employee in a position of higher grade than that to which he is entitled, but not if this reemployment would cause the displacement of another employee.

(c) Reemployment in SES. When the employee’s right is to a position in the SES, reemployment or return may be
to any position in the SES for which the employee is qualified.

(d) Seniority in postal service. On reemployment in the postal service, the employee is entitled to the seniority he would have attained had he remained in the postal service.

(e) Basis for agency refusal to reemploy. An agency may refuse to reemploy under this section only when the employee was last separated for serious cause evidencing his unsuitability for reemployment.

§ 352.209 Employee appeals to the Merit Systems Protection Board.

When an agency denies reemployment to a person claiming reemployment rights under this subpart, the agency shall inform him or her of that denial by a written notice. In the same notice, the agency shall inform him/her of his/her right to appeal to the Merit Systems Protection Board under the provisions of the Board’s regulations. The agency shall comply with the provisions of § 1201.21 of this title.

(a) Termination of authority. Rights are not granted to persons who leave Federal employment for employment with a tribal organization after the date (December 31, 1985, at present) specified in section 105(e) of the Indian Self-Determination Act (88 Stat. 2209).

(b) Maximum period of entitlement. Entitlement to reemployment terminates at the end of 6 years following the date employment commences in the tribal organization unless exercised or otherwise terminated before that time as provided in this subpart.

§ 352.705 Return to Federal employment.

(a) Conditions. Reemployment rights may be exercised only under the following conditions. The individual must apply in writing to the former employing agency for reemployment not later than 30 calendar days after:

(1) Receipt of notice of involuntary separation from tribal employment. For this purpose, involuntary separation means any separation against the will and without consent of the individual.

(2) Reversion of the function to Federal operation, whether reversion is through tribal or Federal action; or

(3) Separation with the joint consent of the tribal organization and the Federal agency for reasons of personal hardship or other special circumstances.

(b) Termination. A former employee’s entitlement to reemployment terminates for:

(1) Failure to apply for reemployment within the time limit stated in paragraph (a) of this section;

(2) Resignation from tribal service without the joint consent, described in paragraph (a)(3) of this section, of the tribal organization and the Federal employer; or

(3) Failure to accept, within 10 calendar days of receipt thereof, an offer of reemployment made under §352.706 which is determined by the employing agency or by the Merit Systems Protection Board on appeal to be a proper offer of reemployment.
§ 352.706 Agency response to reemployment application.

(a) Employee's right to reemployment. An employee is entitled to be reemployed by the reemploying agency as promptly as possible, and, in any event, within 45 calendar days after agency receipt of application.

(1) Within the competitive area the employee is entitled to reemployment in:

(i) The position held immediately before leaving the agency;

(ii) One in the same competitive level; or

(iii) Another position for which qualified and eligible at the same grade or level and in the same competitive area as the position the employee last held in the agency. The employing agency determines the position to which the employee has a right. In applying the reduction-in-force regulations, the applicant shall be considered an employee of the agency.

(2) Extending the area. Responsibility for reemploying an applicant is nationwide within the agency. If the applicant is not placed under paragraph (a)(1) of this section, the agency must extend reemployment rights, based on the employee's availability, for assignment outside the competitive area. The employee is entitled to a position, for which qualified and eligible, at the same grade or level as the position last held in the agency. Where necessary, reduction-in-force procedures shall be applied in determining the position to which the employee has a right. In applying the reduction-in-force regulations, the applicant shall be considered an employee of the agency.

(b) Employee option. Before the competitive area is extended under paragraph (a)(2) of this section, an employee who cannot be placed under paragraph (a)(1) of this section, in the competitive area at the same grade or level as the position last held is entitled, if the employee elects, to reemployment in a position at a lower grade or level identified under the same conditions and procedures as paragraph (a)(1) of this section.

(c) Agency option. At any stage in the process, the agency has the option to satisfy the employee's right to reemployment by offering a vacant position which, under reduction-in-force regulations, is in accord with the employee's rights. Also, with the employee's consent, right to reemployment can be met by placement in a vacant position, for which the employee is qualified according to agency determination, and available, outside the organizational or geographic area of entitlement, either at the appropriate grade or at a grade other than the one to which entitled.

(d) Reemployment to an SES position. When the employee's right is to a position in the SES, reemployment or return may be to any position in the SES for which the employee is qualified. The employee shall be returned at not less than the SES rate of basic pay as determined under 5 CFR part 534, subpart D at which the employee was being paid immediately before his or her transfer.

(e) Basis for agency refusal to reemploy. An agency may refuse to reemploy when the employee was last separated from tribal employment for serious cause establishing unsuitability for reemployment.

(f) Basis for agency inability to reemploy. An agency may find it is unable to reemploy in the event no position can be found under procedures in this section.

§ 352.707 Employee appeals to the Merit Systems Protection Board.

(a) If an agency denies reemployment to a person claiming reemployment rights under this subpart, the agency shall inform the individual of that denial and of the reasons therefor by a written notice. In the same notice, the agency shall inform the employee of the right to appeal to the Merit Systems Protection Board under the provisions of the Board's regulations. The agency shall comply with the provisions of §1201.21 of this title.

(b) If an employee considers reemployment to be not in accordance with this subpart, the employee is entitled
§ 352.801 Purpose.

This subpart governs reemployment rights authorized by section 11(a) (1) and (2) of the Taiwan Relations Act (Pub. L. 96–8) after service in the American Institute in Taiwan (AIT) under the Act.

§ 352.802 Definitions.

For the purposes of this subpart:

Act refers to Taiwan Relations Act (Pub. L. 96–8).

Competitive area is the same as defined in § 351.402 of this title;

Institute means the American Institute in Taiwan.

Specified period of service shall be a period of not more than 6 years.

§ 352.803 Basic entitlement to reemployment rights on leaving Federal employment.

(a) This subpart applies to all executive agencies as defined in section 105 of title 5, United States Code, the U.S. Postal Service, the Postal Rate Commission, and to the employees thereof, and to those positions in the competitive civil service and the employees occupying those positions.

(b) The agency must give employees entitled to reemployment rights under this subpart written notice of these rights at the time of their separation.

(c) Employees entitled. The following employees or former employees are granted reemployment rights subject to the conditions of this subpart, if they leave their Federal employment to be employed (on the date of incorporation of AIT or within 30 calendar days following separation from their agency) by the Institute for a specified period of service.

(1) An employee serving in a competitive position under a career or career-conditional appointment;

(2) A non-temporary excepted service employee; or

(3) An employee serving under a career appointment in the Senior Executive Service.

(d) Employees not entitled. The following employees are not entitled to reemployment rights under this subpart:

(1) An employee who has received a notice of involuntary separation because of reduction in force, or other cause, not directly related to employment with the Institute under the Act;

(2) An employee whose resignation has been accepted for reasons other than to accept employment with the Institute under this subpart;

(3) An employee serving under a Schedule C excepted appointment; or

(4) An employee serving under a non-career, limited emergency, or limited term appointment in the Senior Executive Service.

§ 352.804 Maximum period of entitlement to reemployment.

Entitlement to reemployment terminates at the end of 6 years and 30 days, following the date employment commences in the Institute unless exercised or otherwise terminated before that time as provided in this subpart.

§ 352.805 Position to which entitled on reemployment.

(a) Basic position entitlement. (1) On reemployment, an employee is entitled to be appointed to a position in the employee’s former or successor agency in the following order:

(i) To the position last held in the former agency:

(A) If that position has been identified for transfer to a different agency, reemployment rights must be exercised with the gaining agency.

(B) If that position has been reclassified, the employee should be placed in the reclassified position;
(ii) A position in the same competitive level; or
(iii) Another position for which otherwise qualified at the same grade or level and in the same competitive area.

(2) The employing agency determines under paragraph (a)(1) of this section the position to which the employee is entitled. Reduction-in-force procedures shall be applied when necessary in determining the position to which the employee has a right. In applying reduction-in-force procedures, the applicant shall be considered an employee of the agency.

(3) Extending the area. Responsibility for reemploying an applicant is agencywide. If the applicant is not placed under paragraph (a)(1) of this section, the agency must extend reemployment rights, based on the agency’s need, for assignment outside the competitive area. The employee is entitled to a position, for which qualified and eligible, at the same grade or level as the position last held in the agency. Where necessary, reduction-in-force procedures shall be applied in determining the position to which the employee has a right. The applicant shall be considered an employee for the purpose of applying the reduction-in-force procedures.

(b) Employee option. Before the competitive area is extended under paragraph (a)(3) of this section, an employee who cannot be placed under paragraph (a)(1) of this section in the same competitive area at the grade or level as the position last held, is entitled, if the employee elects, to reemployment in a position at a lower grade or level identified under the same conditions and procedures as paragraph (a)(1) of this section.

(c) Agency option. At any stage in the process, the agency has the option to satisfy the employee’s right to reemployment by offering a vacant position which, under reduction-in-force regulations, is in accord with the employee’s rights. Also, with the employee’s consent, right to reemployment can be met by placement in a vacant position, for which the employee is qualified according to agency determination and need, outside the organizational or geographic area of entitlement, either at the appropriate grade or at a grade other than the one to which entitled.

(d) Basic position entitlement in the Senior Executive Service. (1) On reemployment, an employee (who meets the requirements to §352.803(c)(3)) is entitled to be given a career appointment in the Senior Executive Service the employee’s former or successor agency.

(2) The employee may be assigned to any position in the Senior Executive Service for which he/she meets the qualifications requirements.

(3) The employee may elect to accept reemployment in a position outside the Senior Executive Service. Such placement would be subject to the provisions of paragraphs (b) and (c) of this section.

§ 352.806 Return to Federal employment.

(a) Conditions: Reemployment rights may be exercised only under the following conditions. The employees must apply in writing to their former or successor agency:

(1) No less than 30 calendar days before completion of the specified period of service with the Institute; or

(2) No more than 30 calendar days after involuntary separation from the Institute; or

(3) No more than 30 calendar days after separation based on personal hardship or other special circumstances with the consent of Institute and former employing agency.

(b) An agency must act on the former employee’s request for reemployment within 30 calendar days of receipt thereof, i.e., the agency must provide the employee with a written notice stating the agency’s decision whether to reemploy and the position being offered, if the employee is to be reemployed.

(c) Termination of reemployment rights. A former employee’s entitlement to reemployment terminates for:

(1) Failure to apply, except for good cause shown, for reemployment within the time limits stated in paragraph (a) of this section;

(2) Resignation from the Institute without the consent of the Institute or the former employing agency; or
§ 352.807 Appeals.
An employee may appeal to MSPB, under the provisions of the Board’s regulations, an agency’s decision on his or her request for reemployment which he or she believes is in violation of this subpart.

Subpart I—Reemployment Rights After Service With the Panama Canal Commission

SOURCE: 50 FR 13963, Apr. 9, 1985, unless otherwise noted.

§ 352.901 Purpose.
This subpart implements section 1203 of the Panama Canal Act of 1979, which provides for the detail or transfer of Federal employees to the Panama Canal Commission with reemployment rights in the former agency.

§ 352.902 Definitions.
In this subpart—

Act means the Panama Canal Act of 1979 (22 U.S.C. 3601 et seq.).
Agency means an Executive agency, the United States Postal Service, and the Smithsonian Institution.
Commission means the Panama Canal Commission as established by section 1101 of the Act.
Competitive area is defined in § 351.402 of part 351 of this chapter.
Competitive level is defined in § 351.403(a) of part 351 of this chapter.
Detail is the assignment of loan of an employee to the Commission without the employee’s transfer. The employee remains an employee of the agency in which employed and continues to be the incumbent of the position from which detailed.

Term of employment means the period of employment specified in the written agreement between the Commission and the agency for the transfer of an employee or extension of transfer.

Transfer means the change in appointment of an employee from an agency to a new appointment with the Commission.

§ 352.903 Effecting a detail or transfer.
(a) Authority to approve. The head of an agency may enter into written agreements with the Commission for the detail or voluntary transfer, for set periods of time, of agency employees to the Commission in accordance with section 3643 of title 22, United States Code, and this subpart. Refusal by the head of the agency to agree to a detail or transfer, or extension of detail or transfer, is not reviewable by the Office of Personnel Management or appealable.

(b) Employee notice. The agency will furnish the employee with a copy of the written agreement which must contain a statement of the time limits for exercising reemployment rights and the conditions of reemployment.

§ 352.904 Eligibility.
This subpart covers only eligible employees transferred or detailed to Commission positions with duty stations in the Republic of Panama.

(a) Employees eligible. Except as provided in paragraph (b) of this section, an employee serving in a position in an agency under any of the following appointments may be granted rights under this subpart:

(1) Career or career-conditional appointment in the competitive service;
(2) An appointment without a specific time limit in the excepted service; or
(3) A career appointment in the Senior Executive Service.

(b) Employee not eligible. The following employees are not eligible under this subpart:

(1) An employee who is serving a trial period or probationary period under an initial appointment;
(2) An employee who has received a proposed notice of involuntary separation (e.g., separation based on reduction in force, adverse action, or performance);
(3) An employee who is serving in a position excepted from the competitive service under Schedule C of part 213 of this chapter, or under Presidential appointment; or
(4) An employee whose resignation has been accepted for reasons other than to accept employment with the Commission.

§ 352.905 Employees on detail.

(a) An employee detailed to the Commission is subject to the same conditions of employment at his or her employing agency as if the employee has not been detailed.

(b) The Commission and the employing agency will arrange for the termination of a detail and the agency will return the employee to his or her former position or an equivalent one as provided in §352.908 (b) and (c).

§ 352.906 Termination of transfer.

At the conclusion of a term of employment agreed upon as provided in §352.903, employment with the Commission may be terminated without regard to parts 351, 359, 432, 752, or 771 of this chapter.

§ 352.907 Exercise or termination of reemployment rights.

(a) Exercise. An individual who has been transferred under this subpart to the Commission and wishes to be reemployed must apply in writing to the former employing agency. The time limits for application for reemployment are—

(1) No later than 30 calendar days after the expiration of the term of employment with the Commission;

(2) No later than 30 calendar days after receipt of notice of involuntary separation during the term of employment with the Commission; or

(3) No later than 30 calendar days after resignation with the consent of the Commission.

(b) Termination. Reemployment rights terminate if the individual—

(1) Fails to apply within the time limits stated in paragraph (a) of this section;

(2) Resigns without the written consent of the Commission; or

(3) Within 10 calendar days, fails to accept an offer of reemployment made under §352.908 that is determined to be a proper offer of reemployment by the reemploying agency or by the Merit Systems Protection Board on appeal.

§ 352.908 Agency obligation.

(a) Time limits. An employee is to be reemployed by the reemploying agency as promptly as possible, but not later than 30 calendar days after receipt of the reemployment application or on termination of the term of employment with the Commission, whichever is later.

(b) Conditions. An employee will be reemployed or returned from detail without loss of pay, seniority, or other rights or benefits to which the employee would have been entitled had he or she not been transferred or detailed. An employee in the Senior Executive Service will be reemployed or returned at not less than the rate at which paid immediately before the transfer or detail. An employee who is reemployed is not eligible for grade or pay retention under part 536 of this chapter based on a grade or rate of pay attained while employed by the Commission.

(c) Position to which entitled. (1) If the function with which the employee’s former position was identified has been transferred, the employee’s right is to a position in the gaining agency or activity.

(2) An employee whose right is to a position in the Senior Executive Service may be reemployed in or returned to any Senior Executive Service position in the former agency for which qualified.

(3) All other employees are entitled to be reemployed in or returned to a position at the same grade or level and in the same competitive area as the position last held in the former agency. If the reemployment would cause the separation or demotion of another employee, the applicant should be considered an employee for the purpose of applying the reduction-in-force regulations to determine to what, if any, position the employee is entitled. If the employee is not placed at the former grade or level, the agency must extend consideration beyond the competitive area. Responsibility for reemployment is agencywide.

(4) Reemployment may be at a higher grade than that to which the employee is entitled if all appropriate standards
and requirements are satisfied and if this will not cause the displacement of another employee.

(5) The reemployment obligation may be satisfied by placement in any position within the agency that is acceptable to the employee.

(d) Agency refusal to reemploy. An agency may refuse to reemploy under this section only when the employee was separated from the Commission for serious cause showing unsuitability for reemployment.

§ 352.909 Appeals.

(a) If an agency denies reemployment to an applicant who claims reemployment rights under this subpart, the agency must notify the applicant in writing of that denial and its reasons. In the same notice, the agency will inform the applicant of the right to appeal to the Merit Systems Protection Board under the provisions of the Board’s regulations. The agency must comply with the provisions of §1201.21 of this title.

(b)(1) When an agency has reemployed or returned an employee, it will advise the employee of the right of appeal if he or she considers the reemployment or return not to be in accordance with the Act and this subpart.

(2) An employee in a bargaining unit covered by a negotiated grievance procedure that does not exclude this matter must use the negotiated grievance procedure.

(3) An employee to whom paragraph (b)(2) of this section does not apply is entitled to appeal to the Merit Systems Protection Board under the provisions of the Board’s regulations. The agency must comply with the provisions of §1201.21 of this title.

(1) With respect to restoration following a compensable injury, any department, independent establishment, agency, or corporation in the executive branch, including the U.S. Postal Service and the Postal Rate Commission, and any agency in the legislative or judicial branch; and

(2) With respect to uniformed service, an executive agency as defined in 5 U.S.C. 105 (other than an intelligence agency referred to in 5 U.S.C. 2302(a)(3)(C)(ii)), including the U.S. Postal Service and Postal Rate Commission, a nonappropriated fund instrumentality of the United States, or a military department as defined in 5 U.S.C. 102. In the case of a National Guard technician employed under 32 U.S.C. 709, the employing agency is the adjutant general of the State in which the technician is employed.

Fully recovered means compensation payments have been terminated on the basis that the employee is able to perform all the duties of the position he or she left or an equivalent one.

Injury means a compensable injury sustained under the provisions of 5 U.S.C. chapter 81, subchapter I, and includes, in addition to accidental injury, a disease proximately caused by the employment.

Leave of absence means military leave, annual leave, without pay (LWOP), furlough, continuation of pay, or any combination of these.

Military leave means paid leave provided to Reservists and members of the National Guard under 5 U.S.C. 6323.

Notice means any written or verbal notification of an obligation or intention to perform service in the uniformed services provided to an agency by the employee performing the service or by the uniformed service in which the service is to be performed.

Partially recovered means an injured employee, though not ready to resume the full range of his or her regular duties, has recovered sufficiently to return to part-time or light duty or to another position with less demanding physical requirements. Ordinarily, it is expected that a partially recovered employee will fully recover eventually.

Physically disqualified means that:

(i) For medical reasons the employee is unable to perform the duties of the position formerly held or an equivalent one, or

(ii) There is a medical reason to restrict the individual from some or all essential duties because of possible incapacitation (for example, a seizure) or because of risk of health impairment (such as further exposure to a toxic substance for an individual who has already shown the effects of such exposure).

(2) The condition is considered permanent with little likelihood for improvement or recovery.

Reasonable efforts in the case of actions required by an agency for a person returning from uniformed service means actions, including training, that do not place an undue hardship on the agency.

Service in the uniformed services means the performance of duty on a voluntary or involuntary basis in a uniformed service under competent authority and includes active duty, active duty for training, initial active duty for training, inactive duty training, full-time National Guard duty, and a period for which a person is absent from employment for the purpose of examination to determine fitness to perform such duty.

Undue hardship means actions taken by an agency requiring significant difficulty or expense, when considered in light of—

(1) The nature and cost of actions needed under this part;

(2) The overall financial resources of the facility involved in taking the action; the number of persons employed at the facility; the effect on expenses and resources, or the impact otherwise of the action on the operation of the facility; and

(3) The overall size of the agency with respect to the number of employees, the number, type, and location of its facilities and type of operations, including composition, structure, and functions of the work force.

Uniformed services means the Armed Forces, the Army National Guard and the Air National Guard when engaged
§ 353.103 Persons covered.

(a) The provisions of this part pertaining to the uniformed services cover each agency employee who enters into such service regardless of whether the employee is located in the United States or overseas. However, an employee serving under a time-limited appointment completes any unexpired portion of his or her appointment upon return from uniformed service.

(b) The provisions of this part concerning employee injury cover a civil officer or employee in any branch of the Government of the United States, including an officer or employee of an instrumentally wholly owned by the United States, who was separated or furloughed from an appointment without time limitation, or from a temporary appointment pending establishment of a register (TAPER) as a result of a compensable injury; but do not include—

(1) A commissioned officer of the Regular Corps of the Public Health Service;

(2) A commissioned officer of the Reserve Corps of the Public Health Service on active duty; or

(3) A commissioned officer of the National Oceanic and Atmospheric Administration.

[60 FR 45652, Sept. 1, 1995, as amended at 64 FR 31487, June 11, 1999]

§ 353.104 Notification of rights and obligations.

When an agency separates, grants a leave of absence, restores or fails to restore an employee because of uniformed service or compensable injury, it shall notify the employee of his or her rights, obligations, and benefits relating to Government employment, including any appeal and grievance rights. However, regardless of notification, an employee is still required to exercise due diligence in ascertaining his or her rights, and to seek reemployment within the time limits provided by chapter 43 of title 38, United States Code, for restoration after uniformed service, or as soon as he or she is able after a compensable injury.

§ 353.105 Maintenance of records.

Each agency shall identify the position vacated by an employee who is injured or leaves to enter uniformed service. It shall also maintain the necessary records to ensure that all such employees are preserved the rights and benefits granted by law and this part.

§ 353.106 Personnel actions during employee’s absence.

(a) An employee absent because of service in the uniformed services is to be carried on leave without pay unless the employee elects to use other leave or freely and knowingly provides written notice of intent not to return to a position of employment with the agency, in which case the employee can be separated. (Note: A separation under this provision affects only the employee’s seniority while gone; it does not affect his or her restoration rights.)

(b) An employee absent because of compensable injury may be carried on leave without pay or separated unless the employee elects to use sick or annual leave.

(c) Agency promotion plans must provide a mechanism by which employees who are absent because of compensable injury or uniformed service can be considered for promotion. In addition, agencies have an obligation to consider employees absent on military duty for any incident or advantage of employment that they may have been entitled to had they not been absent. This is determined by:

(1) Considering whether the “incident or advantage” is one generally granted to all employees in that workplace and whether it was denied solely because of absence for military service;

(2) Considering whether the person absent on military duty was treated the same as if the person had remained at work; and

(3) Considering whether it was reasonably certain that the benefit would have accrued to the employee but for the absence for military service.

[60 FR 45652, Sept. 1, 1995, as amended at 64 FR 31487, June 11, 1999]
§ 353.107 Service credit upon reemployment.

Upon reemployment, an employee absent because of uniformed service or compensable injury is generally entitled to be treated as though he or she had never left. This means that a person who is reemployed following uniformed service or full recovery from compensable injury receives credit for the entire period of the absence for purposes of rights and benefits based upon seniority and length of service, including within-grade increases, career tenure, completion of probation, leave rate accrual, and severance pay.

§ 353.108 Effect of performance and conduct on restoration rights.

The laws covered by this part do not permit an agency to circumvent the protections afforded by other laws to employees who face the involuntary loss of their positions. Thus, an employee may not be denied restoration rights because of poor performance or conduct that occurred prior to the employee’s departure for compensable injury or uniformed service. However, separation for cause that is substantially unrelated to the injury or to the performance of uniformed service negates restoration rights. Additionally, if during the period of injury or uniformed service the employee’s conduct is such that it would disqualify him or her for employment under OPM or agency regulations, restoration rights may be denied.

§ 353.109 Transfer of function to another agency.

If the function of an employee absent because of uniformed service or compensable injury is transferred to another agency, and if the employee would have been transferred with the function under part 351 of this chapter had he or she not been absent, the employee is entitled to be placed in a position in the gaining agency that is equivalent to the one he or she left. It shall also assume the obligation to restore the employee in accordance with law and this part.

§ 353.110 OPM placement assistance.

(a) Employee returning from uniformed service. (1) OPM will offer placement in the executive branch to the following categories of employees upon notification by the agency and application by the employee: (Such notification should be sent to the Associate Director for Employment, OPM, 1900 E Street, NW., Washington, DC 20415.)

(i) Executive branch employees (other than an employee of an intelligence agency) when OPM determines that:

(A) their agencies no longer exist and the functions have not been transferred, or;

(B) it is otherwise impossible or unreasonable for their former agencies to place them;

(ii) Legislative and judicial branch employees when their employers determine that it is impossible or unreasonable for them to reemploy them;

(iii) National Guard technicians when the Adjutant General of a State determines that it is impossible or unreasonable to reemploy a technician otherwise eligible for restoration under 38 U.S.C. 4304 and 4312 (pertaining to character and length of service), and the technician is a noncareer military member who was separated involuntarily from the Guard for reasons beyond his or her control; and

(iv) Employees of the intelligence agencies (defined in 5 U.S.C. 2302(a)(2)(C)(ii)) when their agencies determine that it is impossible or unreasonable to reemploy them.

(2) OPM will determine if a vacant position equivalent (in terms of pay, grade, and status) to the one the individual left exists, for which the individual is qualified, in the commuting area in which he or she was employed immediately before entering the uniformed services. If such a vacancy exists, OPM will order the agency to place the individual. If no such position is available, the individual may elect to be placed in a lesser position in the commuting area, or OPM will attempt to place the individual in an equivalent position in another geographic location determined by OPM. If the individual declines an offer of equivalent employment, he or she has no further restoration rights.

(b) Employee returning from compensable injury. OPM will provide placement assistance to an employee with
restoration rights in the executive, legislative, or judicial branches who cannot be placed in his or her former agency and who either has competitive status or is eligible to acquire it under 5 U.S.C. 3304(C). If the employee’s agency is abolished and its functions are not transferred, or it is not possible for the employee to be restored in his or her former agency, the employee is eligible for placement assistance under the Interagency Career Transition Assistance Plan (ICTAP) under part 330, subpart G, of this chapter. This paragraph does not apply to an employee serving under a temporary appointment pending establishment of a register (TAPER).

[60 FR 45652, Sept. 1, 1995, as amended at 64 FR 31487, June 11, 1999; 66 FR 29897, June 4, 2001]

Subpart B—Uniformed Service

§ 353.201 Introduction.

The Uniformed Services Employment and Reemployment Rights Act of 1994 revised and strengthened the existing Veterans’ Reemployment Rights law, made the Department of Labor responsible for investigating employee complaints, required OPM to place certain returning employees in other agencies, established a separate restoration rights program for employees of the intelligence agencies, and altered the appeals rights process. The new law applies to persons exercising restoration rights on or after December 12, 1994.

§ 353.202 Discrimination and acts of reprisal prohibited.

A person who seeks or holds a position in the Executive branch may not be denied hiring, retention in employment, or any other incident or advantage of employment because of any application, membership, or service in the uniformed services. Furthermore, an agency may not take any reprisal against an employee for taking any action to enforce a protection, assist or participate in an investigation, or exercise any right provided for under chapter 38 of title 38, United States Code.

§ 353.203 Length of service.

(a) Counting service after the effective date of USERRA (12/12/94). To be entitled to restoration rights under this part, cumulative service in the uniformed services while employed by the Federal Government may not exceed 5 years. However, the 5-year period does not include any service—

(i) That is required beyond 5 years to complete an initial period of obligated service;

(ii) During which the individual was unable to obtain orders releasing him or her from service in the uniformed services before expiration of the 5-year period, and such inability was through no fault of the individual;

(iii) Performed as required pursuant to 10 U.S.C. 10147, under 32 U.S.C. 502(a) or 503, or to fulfill additional training requirements determined and certified in writing by the Secretary of the military department concerned to be necessary for professional development or for completion of skill training or retraining;

(iv) Performed by a member of a uniformed service who is:

(A) Ordered to or retained on active duty under sections 12301(a), 12301(g), 12302, 12304, 12305, or 688 of title 10, United States Code, or under 14 U.S.C. 331, 332, 359, 360, 367, or 712;

(B) Ordered to or retained on active duty (other than for training) under any provision of law during a war or during a national emergency declared by the President or the Congress, as determined by the Secretary concerned,

(C) Ordered to active duty (other than for training) in support, as determined by the Secretary of the military department concerned, of an operational mission for which personnel have been ordered to active duty under 10 U.S.C. 12304;

(D) Called into Federal service as a member of the National Guard under chapter 15 or under section 12406 of title 10, United States Code.

(b) Counting service prior to the effective date of USERRA. In determining the 5-year total that may not be exceeded for purposes of exercising restoration rights, service performed prior to December 12, 1994, is considered only...
§ 353.205

Office of Personnel Management

To the extent that it would have counted under the previous law (the Veterans’ Reemployment Rights statute). For example, the service of a National Guard technician who entered on an Active Guard Reserve (AGR) tour under section 502(f) of title 32, United States Code, was not counted toward the 4-year time limit under the previous statute because it was specifically considered active duty for training. However, title 32, section 502(f) AGR service is not exempt from the cumulative time limits allowed under USERRA and service after the effective date counts under USERRA rules. Thus, if a technician was on a 32 U.S.C. 502(f) AGR tour on October 13, 1994, (the date USERRA was signed into law), but exercised restoration rights after December 11, 1994, (the date USERRA became fully effective), AGR service prior to December 12 would not count in computing the 5-year total, but all service beginning with that date would count.

(c) Nature of Reserve service and resolving conflicts. An employee who is a member of the Reserve or National Guard has a dual obligation—to the military and to his or her employer. Given the nature of the employee’s service obligation, some conflict with job demands is often unavoidable and a good-faith effort on the part of both the employee and the agency is needed to minimize conflict and resolve differences. Some accommodation may be necessary by both parties. Most Reserve component members are required, as a minimum, to participate in drills for 2 days each month and in 2 weeks of active duty for training per year. But some members are required to participate in longer or more frequent training tours. USERRA makes it clear that the timing, frequency, duration, and nature of the duty performed is not an issue so long as the employee gave proper notice, and did not exceed the time limits specified. However, to the extent that the employee has influence upon the timing, frequency, or duration of such training or duty, he or she is expected to use that influence to minimize the burden upon the agency. The employee is expected to provide the agency with as much advance notice as possible whenever military duty or training will interfere with civilian work. When a conflict arises between the Reserve duty and the legitimate needs of the employer, the agency may contact appropriate military authorities to express concern. Where the request would require the employee to be absent from work for an extended period, during times of acute need, or when, in light of previous leaves, the requested leave is cumulatively burdensome, the agency may contact the military commander of the employee’s military unit to determine if the military duty could be rescheduled or performed by another member. If the military authorities determine that the military duty cannot be rescheduled or cancelled, the agency is required to permit the employee to perform his or her military duty.

(d) Mobilization authority. By law, members of the Selected Reserve (a component of the Ready Reserve), can be called up under a presidential order for purposes other than training for as long as 270 days. If the President declares a national emergency, the remainder of the Ready Reserve—the Individual Ready Reserve and the Inactive National Guard—may be called up. The Ready Reserve as a whole is subject to as much as 24 consecutive months of active duty in a national emergency declared by the President.

§ 353.204 Notice to employer.

To be entitled to restoration rights under this part, an employee (or an appropriate officer of the uniformed service in which service is to be performed) must give the employer advance written or verbal notice of the service except that no notice is required if it is precluded by military necessity or, under all relevant circumstances, the giving of notice is otherwise impossible or unreasonable.

§ 353.205 Return to duty and application for reemployment.

Periods allowed for return to duty are based on the length of time the person was performing service in the uniformed services, as follows:

(a) An employee whose uniformed service was for less than 31 days, or who
§ 353.206 Documentation upon return.

Upon request, a returning employee who was absent for more than 30 days, or was hospitalized or convalescing from an injury or illness incurred in or aggravated during the performance of service in the uniformed services, must provide the agency with documentation that establishes the timeliness of the application for reemployment, and length and character of service. If documentation is unavailable, the agency must restore the employee until documentation becomes available.

§ 353.207 Position to which restored.

(a) Timing. An employee returning from the uniformed services following an absence of more than 30 days is entitled to be restored as soon as possible after making application, but in no event later than 30 days after receipt of the application by the agency.

(b) Nondisabled. If the employee’s uniformed service was for less than 91 days, he or she must be employed in the position for which qualified that he or she would have attained if continuously employed. If not qualified for this position after reasonable efforts by the agency to qualify the employee, he or she is entitled to be placed in the position he or she left. For service of 91 days or more, the agency has the option of placing the employee in a position of like seniority, status, and pay. (Note: Upon reemployment, a term employee completes the unexpired portion of his or her original appointment.) If unqualified (for any reason other than disability incurred in or aggravated during service in the uniformed services) after reasonable efforts by the agency to qualify the employee for such position or the position the employee left, he or she must be restored to any other position of lesser status and pay for which qualified, with full seniority.

(c) Disabled. An employee with a disability incurred in or aggravated during uniformed service and who, after reasonable efforts by the agency to accommodate the disability, is entitled to be placed in another position for which qualified that will provide the employee with the same seniority, status, and pay, or the nearest approximation consistent with the circumstances in each case. The agency is not required to reemploy a disabled employee
Office of Personnel Management

§ 353.301 Restoration rights.

(a) Fully recovered within 1 year. An employee who fully recovers from a compensable injury within 1 year from the date eligibility for compensation began (or from the time compensable disability recurs if the recurrence begins after the employee resumes regular full-time employment with the agency) if, after making due efforts to accommodate the disability, such reemployment would impose an undue hardship on the agency.

(d) Two or more persons entitled to restoration in the same position. If two or more persons are entitled to restoration in the same position, the one who left the position first has the prior right to restoration in that position. The other employee(s) is entitled to be placed in a position as described in paragraphs (b) and (c) of this section.

(e) Relationship to an entitlement based on veterans’ preference. An employee’s right to restoration under this part does not entitle the person to retention, preference, or displacement rights over any person with a superior claim based on veterans’ preference.

§ 353.208 Use of paid time off during uniformed service.

An employee performing service with the uniformed services must be permitted, upon request, to use any accrued annual leave under 5 U.S.C. 6304, military leave under 5 U.S.C. 6323, earned compensatory time off for travel under 5 U.S.C. 5550b, or sick leave under 5 U.S.C. 6307, if appropriate, during such service.

[72 FR 62767, Nov. 7, 2007]

§ 353.209 Retention protections.

(a) During uniformed service. An employee may not be demoted or separated (other than military separation) while performing duty with the uniformed services except for cause. (Reduction in force is not considered “for cause” under this subpart.) He or she is not a “competing employee” under §351.404 of this chapter. If the employee’s position is abolished during such absence, the agency must reassign the employee to another position of like status, and pay.

(b) Upon reemployment. Except in the case of an employee under time-limited appointment who finishes out the unexpired portion of his or her appointment upon reemployment, an employee reemployed under this subpart may not be discharged, except for cause—

(1) If the period of uniformed service was more than 180 days, within 1 year; and

(2) If the period of uniformed service was more than 30 days, but less than 181 days, within 6 months.

§ 353.210 Department of Labor assistance to applicants and employees.

USERRA requires the Department of Labor’s Veterans’ Employment and Training Service (VETS) to provide employment and reemployment assistance to any Federal employee or applicant who requests it. VETS staff will attempt to resolve employment disputes brought to investigate. If dispute resolution proves unsuccessful, VETS will, at the request of the employee, refer the matter to the Office of the Special Counsel for representation before the Merit Systems Protection Board (MSPB).

[64 FR 31487, June 11, 1999]

§ 353.211 Appeal rights.

An individual who believes an agency has not complied with the provisions of law and this part relating to the employment or reemployment of the person by the agency may—

(a) File a complaint with the Department of Labor, as noted in §353.210, or

(b) Appeal directly to MSPB if the individual chooses not to file a complaint with the Department of Labor, or is informed by either Labor or the Office of the Special Counsel that they will not pursue to the case. However, National Guard technicians do not have the right to appeal to MSPB a denial of reemployment rights by the Adjutant General. Technicians may file complaints with the appropriate district court in accordance with 38 U.S.C. 4323 (USERRA).

[60 FR 45652, Sept. 1, 1995, as amended at 64 FR 31487, June 11, 1999]

Subpart C—Compensable Injury

§ 353.301 Restoration rights.
§ 353.302 Retention protections.

An injured employee enjoys no special protection in a reduction in force. Separation by reduction in force or for cause while on compensation means the individual has no restoration rights.

§ 353.303 Restoration rights of TAPER employees.

An employee serving in the competitive service under a temporary appointment pending establishment of a register (TAPER) under §316.201 of this chapter (other than an employee serving in a position classified above GS-15), is entitled to be restored to the position he or she left or an equivalent one in the same commuting area.

§ 353.304 Appeals to the Merit Systems Protection Board.

(a) Except as provided in paragraphs (b) and (c) of this section, an injured employee or former employee of an
agency in the executive branch (including the U.S. Postal Service and the Postal Rate Commission) may appeal to the MSPB an agency’s failure to restore, improper restoration, or failure to return an employee following a leave of absence. All appeals must be submitted in accordance with MSPB’s regulations.

(b) An individual who fully recovers from a compensable injury more than 1 year after compensation begins may appeal to MSPB as provided for in parts 302 and 330 of this chapter for excepted and competitive service employees, respectively.

(c) An individual who is partially recovered from a compensable injury may appeal to MSPB for a determination of whether the agency is acting arbitrarily and capriciously in denying restoration. Upon reemployment, a partially recovered employee may also appeal the agency’s failure to credit time spent on compensation for purposes of rights and benefits based upon length of service.

Agency, Senior Executive Service position, senior executive, career appointee, limited emergency appointee, limited term
appointee, and noncareer appointee, are defined in 5 U.S.C. 3132(a).

Probation and probationary period mean the 1-year probation required by 5 U.S.C. 3393(d) upon initial career appointment to the SES. Reemployed annuitant means an individual who is receiving an annuity under the Civil Service Retirement System or the Federal Employees’ Retirement System on the basis of his or her former Federal service. A reemployed annuitant serves at the pleasure of the appointing authority.

Subpart C [Reserved]

Subpart D—Removal of Career Appointees During Probation

§ 359.401 General exclusions.

This subpart does not apply to the removal of a career appointee during probation when—

(a) The action is initiated under 5 U.S.C. 1206(g) or 5 U.S.C. 7542;

(b) The removal is effected under subpart C of this part for failure to be re-certified; or

(c) The appointee is a reemployed annuitant. See subpart I of this part for removal of a reemployed annuitant.

[56 FR 172, Jan. 3, 1991]

(a) Coverage. This section covers the removal of a career appointee from the SES during the probationary period for unacceptable performance.

(b) Basis for action. A removal under this section need not be based upon a final rating under the agency’s SES performance appraisal system established under subpart C of part 430 of this chapter. Even if a removal is based on such a rating, the removal action is taken under this section.

(c) Procedures. The agency shall notify the appointee in writing before the effective date of the action. The notice shall, as a minimum—

(1) State the agency’s conclusions as to the inadequacies of the appointee’s performance;

(2) State whether the appointee has placement rights under §359.701 and, if so, identify the position to which the appointee will be assigned; and

(3) Show the effective date of the action.

§ 359.403 Removal: Conduct.

(a) Coverage. (1) This section covers the removal of a career appointee from the SES during the probationary period for misconduct, neglect of duty, malfeasance, or failure to accept a directed reassignment or to accompany a position in a transfer of function.

(2) This section does not apply, however, when the appointee was covered under 5 U.S.C. 7511 immediately before appointment to the SES. In that case, the removal is subject to the provisions of part 752, subpart F, of this chapter.

(b) Procedures. The agency shall notify the appointee in writing before the effective date of the action. The notice shall, as a minimum—

(1) State the basis for the removal action (including the act(s) of misconduct, neglect of duty, or malfeasance if those factors are involved); and

(2) Show the effective date of the action.

§ 359.404 Removal: Conditions arising before appointment.

(a) Coverage. (1) This section covers the removal of a career appointee from the SES during the probationary period when the action is based in whole or in part on conditions arising before the appointment.

(2) This section does not apply, however, when the career appointee was covered under 5 U.S.C. 7511 immediately before appointment to the SES. In that case, the removal is subject to the provisions of part 752, subpart F, of this chapter.

(b) Procedures. (1) The agency shall give the appointee an advance written notice stating the specific reasons for the proposed removal.

(2) The appointee shall be given a reasonable time to reply.

(3) The agency shall give the appointee a written decision showing the reasons for the action and the effective date. The decision shall be given to the appointee at or before the time the action will be made effective.

[56 FR 172, Jan. 3, 1991]
§ 359.405 Removal: Reduction in force.

(a) Coverage. This section covers the removal of a career appointee from the SES during the probationary period under a reduction in force.

(b) Basis for action. The appointee must have been identified for removal from the SES under competitive procedures established by the agency in accordance with the requirements of 5 U.S.C. 3595(a). Removal action shall be taken under 5 U.S.C. 3592(a).

(c) Procedures. The agency shall notify the appointee in writing before the effective date of the action. The notice shall state, as a minimum—

(1) Whether the appointee has placement rights under §359.701 to a position outside the SES and, if so, the position to which the appointee will be assigned;

(2) The effective date of the action;

(3) The appointee’s appeal rights, including the time limit for appeal and the location of the Merit System Protection Board office to which an appeal should be sent; and

(4) Such other information as may be required by OPM.

§ 359.406 Restrictions.

(a) Removal from the SES under §§359.402 through 359.404 may not be made effective within 120 days after—

(1) The appointment of a new agency head; or

(2) The appointment in the agency of the career appointee’s most immediate supervisor who—

(i) Is a noncareer appointee; and

(ii) Has the authority to remove the career appointee.

(b) For purposes of this section, a noncareer appointee includes an SES noncareer or limited appointee, an appointee in a position filled by Schedule C, or an appointee in an Executive Schedule or equivalent position other than a career Executive Schedule or equivalent position.

(c) The restrictions in paragraph (a) of this section do not apply—

(1) When the career appointee has received a final rating of unsatisfactory under the performance appraisal system established by the agency under subchapter II of chapter 43 of title 5, United States Code, before the appointment of a new agency head or the appointment of the career appointee’s most immediate noncareer supervisor who has the authority to remove the career appointee;

(2) To a disciplinary action initiated before the appointment of a new agency head or the appointment of the career appointee’s most immediate noncareer supervisor who has the authority to remove the career appointee;

(3) To a disciplinary action when there is a reasonable cause to believe that the career appointee has committed a crime for which a sentence of imprisonment can be imposed; or

(4) To a disciplinary action when the circumstances are such that retention of the career appointee—

(i) May pose a threat to the appointee or others;

(ii) May result in loss of or damage to Government property; or

(iii) May otherwise jeopardize legitimate Government interests.

(d) The following procedures must be observed when an agency invokes an exception to the 120-day restriction under paragraphs (c)(3) or (c)(4) of this section:

(1) The agency shall include in the notice the reasons for invoking the exception.

(2) The appointee shall be given a reasonable time, but no less than 7 days, to respond regarding the propriety of the use of the exception.

(3) The agency shall give the appointee a notice of decision on the propriety of the use of the exception at or before the time the action will be effective.

(4) When circumstances require immediate action, the agency may place the appointee in a non- or reduced-duty status with pay for such time as necessary to effect the action.

(e) The imposition of the 120-day moratorium does not extend the probationary period.

§ 359.407 Appeals.

(a) Removal under §359.402, 359.403, or 359.404 is not appealable to the Merit Systems Protection Board under 5 U.S.C. 7701.

(b) Removal under §359.405 is appealable to the Merit Systems Protection
§ 359.501 General.

(a) Coverage. (1) This subpart covers—
   (i) A career appointee who has completed the probationary period in the SES; and
   (ii) A career appointee who is not required to serve a probationary period in the SES.

(b) Definitions—(1) Final rating means the rating of record made by an appointing authority under the SES performance appraisal system in accordance with the requirements of 5 U.S.C. 4314(c)(3) and part 430, subpart C, of this chapter.

(2) A less than fully successful final rating means a rating of unsatisfactory or minimally satisfactory.

(c) Optional removal from the SES. The agency may remove a career appointee from the SES after the appointee has been given one final rating of unsatisfactory.

(d) Mandatory removal from the SES. The agency must remove a career appointee from the SES after—
   (1) The appointee has been given two final ratings of unsatisfactory within 5 consecutive years; or
   (2) The appointee has been given two final ratings of less than fully successful within 3 consecutive years.

§ 359.502 Procedures.

(a) Notice. The agency shall notify the career appointee in writing at least 30 calendar days before the effective date of the action. The notice shall advise the appointee of—
   (1) The basis for the action;
   (2) The appointee’s placement rights under subpart G of this part—the position to which the appointee will be assigned shall be identified either in this advance notice or in a supplementary notice issued no later than 10 calendar days before the effective date of the action;
   (3) The appointee’s right to request an informal hearing from the Merit Systems Protection Board;
   (4) The effective date of the removal action; and
   (5) When applicable, the appointee’s eligibility for immediate retirement under 5 U.S.C. 8336(h) or 8414(a).

(b) Informal hearing. (1) A career appointee being removed from the SES under this section shall, at least 15 days before the effective date of the removal, be entitled, upon request, to an informal hearing before an official designated by the Merit Systems Protection Board. The appointee shall submit the request for an informal hearing to the Board. This request may be made at any time after the appointee has received the notice described in paragraph (a) of this section, but no later than 15 days before the effective date of action. The informal hearing shall be conducted in accordance with the regulations and procedures established by the Board. See 5 CFR 1201.141, Right to hearing, and 5 CFR 1201.142, Hearing procedures; referral of the record.

(2) Neither the granting nor the conduct of an informal hearing shall provide a basis for appeal to the Merit Systems Protection Board under 5 U.S.C. 7701. The removal action need not be delayed because of the granting of an informal hearing.

§ 359.503 Restrictions.

(a) Removal from the SES under this subpart may not be made effective within 120 days after—
   (1) The appointment of a new agency head; or
   (2) The appointment in the agency of the career appointee’s most immediate supervisor who—
      (i) Is a noncareer appointee; and
      (ii) Has the authority to remove the career appointee.

(b) For purposes of this section, a noncareer appointee includes an SES noncareer or limited appointee, an appointee in a position filled by Schedule C, or an appointee in an Executive Schedule or equivalent position other
Office of Personnel Management § 359.603

than a career Executive Schedule or equivalent position.

(c) This restriction does not apply when the career appointee has received a final rating of unsatisfactory under the performance appraisal system established by the agency under subchapter II of chapter 43 of title 5, United States Code, before the appointment of a new agency head or the appointment of the career appointee’s most immediate noncareer supervisor who has the authority to remove the career appointee.

§ 359.504 Appeals.

An action taken under § 359.501 is not appealable to the Merit Systems Protection Board under 5 U.S.C. 7701.

Subpart F—Removal of Career Appointees as a Result of Reduction in Force

§ 359.601 General.

(a) Coverage. (1) This subpart covers the removal of a career appointee from the SES as a result of a reduction in force.

(2) This subpart does not cover, however, a career appointee who is serving as a reemployed annuitant. See subpart I of this part for removal of a reemployed annuitant.

(b) Definitions—(1) Probationary period is defined in § 359.202 of this part.

(2) Reduction in force is defined in 5 U.S.C. 3595(d) as including “the elimination or modification of a position due to a reorganization, due to a lack of funds or curtailment of work, or due to any other factor.”

(3) Agency in this subpart means an executive department or an independent establishment.

(c) Agency procedures. An agency must have issued written procedures before conducting a reduction in force. A copy of the procedures shall be provided OPM upon issuance.

§ 359.602 Agency reductions in force.

(a) Competitive procedures. (1) This paragraph applies to all SES career appointees in the agency, including appointees serving a probationary period.

(2) An agency shall establish competitive procedures in writing to determine who will be removed from the SES in any reduction in force of career appointees within the agency. Such competitive procedures shall be based primarily on performance. When performance ratings are used, they shall be the final ratings under 5 CFR part 430, subpart C.

(3) An appointee who has completed the probationary period must be retained over an appointee who has not completed the probationary period if they both have the same retention standing.

(4) Competitive procedures are not required if an agency is being abolished, without a transfer of functions, and all SES appointees will be separated at the same time or within 3 months of abolishment.

(b) Placement within the agency. (1) This paragraph applies to any SES career appointee who has completed the probationary period, or was not required to serve a probationary period, and who has been identified for reduction in force under paragraph (a) of this section.

(2) The appointee is entitled to be offered any vacant SES position in the agency for which the appointee meets the qualifications requirements. If there is more than one vacancy, the agency has the option of which position to offer the appointee.

(3) An appointee covered by this paragraph is entitled to be placed in a vacant SES position over an appointee who is still serving a probationary period.

§ 359.603 OPM priority placement.

(a) Agency certification. (1) If there is no vacant SES position within the agency for which an appointee covered by § 359.602(b) is qualified, the agency head, or the acting agency head in the absence of the agency head, shall certify to OPM in writing that no such position is available. This certification may not be delegated below the Assistant Secretary level in a department, or
§ 359.604 Removal from the SES and placement rights outside the SES.

(a) If a probationary appointee is identified for reduction in force under §359.602(a), removal action is taken under §359.605. Placement rights outside the SES are covered under subpart G of this part.

(b) If a career appointee who has completed the probationary period, or who did not have to serve one, is identified for reduction in force under §359.602(a) and is not placed elsewhere in the SES under §359.602(b) or §359.603, or declines a placement offer under §359.603, removal action is taken under §359.604(b). Placement rights outside the SES are covered under subpart G of this part.

§ 359.605 Notice requirements.

(a) Each career appointee subject to removal under §359.604(b) is entitled to a specific, written notice at least 45 calendar days before the effective date of the removal. The notice shall state, as a minimum—

1. The action to be taken and its prospective effective date;
2. The nature of the competition, including the appointee’s competitive area, if less than the agency, and standing on the retention register;
3. The place where the appointee may inspect the regulations and records pertinent to the action;
4. Placement rights within the agency and through OPM, including how the employee can apply for OPM placement assistance; and
(5) The appointee’s appeal rights, including the time limit for appeal and the location of the Merit Systems Protection Board office to which an appeal should be sent.

(b) A career appointee who has received a notice under paragraph (a) of this section is entitled to a second notice in writing at least 1 day before removal from the SES. The notice shall state, as a minimum—

(1) The basis for the removal, i.e., 5 U.S.C. 3595(b)(5) if the basis is expiration of the 45-day OPM placement period, or 5 U.S.C. 3595(b)(4) if the basis is declination of a reasonable offer of placement, in which case identify the position offered and the date on which it was declined;

(2) The effective date of the removal;

(3) Placement rights outside the SES as applicable, the appointee's eligibility for discontinued service retirement in lieu of placement; and

(4) Reminder of the appointee’s appeal rights.

[60 FR 6389, Feb. 2, 1995]

§ 359.606 Appeals.

A career appointee may appeal to the Merit Systems Protection Board whether the reduction in force complies with the competitive procedures in §359.602(a).

§ 359.607 Records.

Each agency shall maintain current records needed to determine the retention standing of its competing appointees. The agency shall allow the inspection of its retention registers and related records by an appointee to the extent that they have a bearing on the appointee’s situation. The agency shall preserve intact all registers and records relating to a reduction-in-force action for at least 2 years from the effective date of the action.

§ 359.608 Transfer of function.

(a) Transfer of function means the transfer of the performance of a continuing function from one agency to one or more other agencies.

(b) A career appointee is entitled to accompany his or her function to the new agency without any change in tenure if the alternative is removal from the SES in the current agency under reduction in force.

Subpart G—Guaranteed Placement

§ 359.701 Coverage.

This subpart covers career appointees, other than reemployed annuitants, who are removed from the SES under any of the following conditions:

(a) Removal during the probationary period under subpart C of this part or under subpart D of this part for other than misconduct, neglect of duty, malfeasance, or other disciplinary reasons under §359.403, §359.404, or part 752, subpart F, of this chapter; if at the time of appointment to the SES the individual held a career or career-conditional appointment or an appointment of equivalent tenure, as determined by OPM. An appointment of equivalent tenure is considered to be an appointment in the excepted service other than an appointment—

(1) To a Schedule C position established under part 213 of this chapter;

(2) To a position that meets the same criteria as a Schedule C position; or

(3) To a position where the incumbent is traditionally changed upon a change in Presidential Administrations.

(b) Removal as a result of:

(1) Failure to be recertified under subpart C of this part;

(2) Less than fully successful executive performance under subpart E of this part; or

(3) A reduction in force under subpart F of this part. The appointee must have completed the required probationary period under the SES or was not required to serve a probationary period.

§ 359.702 Placement rights.

(a) An appointee covered by this subpart is entitled to be placed in a vacant civil service position (other than an SES position) in any agency that is—

(1) A continuing position at GS–15 or above, or equivalent, that will last at least three months; and
§ 359.703 Responsibility for placement.

The agency taking the removal action is responsible for placing the appointee in an appropriate position within the agency, or for arranging a transfer to an appropriate position in another agency. Any transfer must be mutually acceptable to the appointee and the gaining agency.

§ 359.704 Restrictions.

Placement of an appointee under this subpart shall not cause the separation or reduction in grade of any other employee.

§ 359.705 Pay.

(a) An appointee placed under this subpart in a position outside the SES (in the same or different agency) is entitled to receive basic pay at the highest of—

(1) The rate of basic pay in effect for the position in which the appointee is being placed (i.e., a rate of basic pay within the normal rate range of the position in which placed, consistent with the rules of the pay system covering such position);

(2) The rate of basic pay currently in effect for the position the appointee held immediately before being appointed to the SES; or

(3) The rate of basic pay in effect for the appointee immediately before removal from the SES.

(b)(1) The rate of basic pay under paragraph (a)(1) and (2) of this section includes any applicable locality payment under 5 U.S.C. 5304, special rate supplement under 5 U.S.C. 5305, or similar payment under other legal authority.

(2) When an employee is entitled to a payable rate of basic pay under paragraph (a)(2) or (3) of this section which exceeds the maximum payable rate of basic pay for the grade or level of the employee’s position after placement, the resulting saved rate is subject to the adjustment and termination rules in paragraphs (d) through (f) of this section.

(c)(1) For an employee placed in a General Schedule position, a saved rate established under this section may not be supplemented by a locality payment under 5 U.S.C. 5304, a special rate supplement under 5 U.S.C. 5305, or a similar payment under other legal authority.

(2) A saved rate established under this section is subject to the limitation on Senior Executive Service pay in 5 U.S.C. 5382 of the rate for level II of the Executive Schedule.

(d) A saved rate established under this section must be adjusted in connection with a pay schedule adjustment according to the following rules:

(1) When the maximum payable rate of basic pay for the grade or level of an employee’s position is increased while the employee is receiving a saved rate, the employee is entitled to a pay adjustment equal to 50 percent of the amount of the increase in that maximum payable rate, except as otherwise provided in this section.

(2) If an employee’s official worksite is changed while the employee is receiving a saved rate, a change in the applicable range maximum because of a change in an employee’s official worksite is not considered in applying paragraph (d)(1) of this section. Instead, any adjustment of the employee’s saved rate in conjunction with a change in official worksite must be determined under paragraph (e) of this section.
section. If an employee’s range maximum is increased because of a pay schedule adjustment on the same effective date as a change in the employee’s official worksite, the saved rate must be adjusted under paragraph (d)(1) of this section before applying paragraph (e) of this section.

(3) A change in an employee’s rate range maximum resulting from a change in the employee’s position (e.g., change in occupational series) that causes the employee to be covered by a different pay schedule does not result in application of paragraph (d)(1) of this section.

(4) When an employee’s saved rate becomes equal to or lower than the maximum payable rate of basic pay for the grade or level of the employee’s position, the employee is entitled to the maximum payable rate, and saved pay under this section ceases to apply.

(e) When an employee receiving a saved rate established under this section is covered by a pay system that provides different basic pay schedules based on geographic location (such as the General Schedule pay system), the saved rate must be adjusted in conjunction with a change in the employee’s official worksite consistent with the geographic conversion rule for retained rates under 5 CFR 536.303(b).

(f) A saved rate established under this section must be terminated if—

1. The employee has a break in service of 1 workday or more;
2. The employee is demoted based on unacceptable performance or conduct or at the employee’s request; or
3. The employee becomes entitled to a rate of basic pay that is equal to or higher than the saved rate.

(g) If an employee is receiving a saved rate established under this section on May 1, 2005 (when section 301 of Pub. L. 108–411 took effect), any locality payment under 5 U.S.C. 5304 formerly paid in addition to the employee’s saved rate no longer applies as of that date. Any locality-adjusted saved rate in effect and payable on April 30, 2005, must be converted to an equal saved rate effective on May 1, 2005. If the employee received no locality payment because of a pay limitation, no conversion under this paragraph is required.

§ 359.801 Agency authority.

This subpart sets the conditions under which an agency may furlough career appointees in the Senior Executive Service. The furlough of a non-career, limited term, or limited emergency appointee is not subject to this subpart. The furlough of a reemployed annuitant holding a career appointment also is not subject to the subpart.

§ 359.802 Definitions.

For the purpose of this subpart, furlough means the placing of an appointee in a temporary status without duties and pay because of lack of work or funds or other nondisciplinary reasons.

§ 359.803 Competition.

Any furlough for more than 30 calendar days, or for more than 22 workdays if the furlough does not cover consecutive calendar days, shall be made under competitive procedures established by the agency. The procedures shall be made known to the SES members in the agency.

§ 359.804 Length of furlough.

A furlough may not extend more than one year. It may be made only when the agency intends to recall the appointee within one year.

§ 359.805 Appeals.

A career appointee who has been furloughed and who believes this subpart or the agency’s procedures have not been correctly applied may appeal to the Merit Systems Protection Board under provisions of the Board’s regulations.
§ 359.806 Notice.

(a) An appointee is entitled to a 30 days' advance written notice of a furlough. The full notice period may be shortened, or waived, only in the event of unforeseeable circumstances, such as sudden emergencies requiring immediate curtailment of activities.

(b) The written notice shall advise the appointee of:

(1) The reason for the agency decision to take the furlough action.
(2) The expected duration of the furlough and the effective dates;
(3) The basis for selecting the appointee for furlough when some but not all Senior Executive Service appointees in a given organizational unit are being furloughed;
(4) The reason if the notice period is less than 30 days;
(5) The place where the appointee may inspect the regulations and records pertinent to the action; and
(6) The appointee's appeal rights, including the time limit for the appeal and the location of the Merit Systems Protection Board office to which the appeal should be sent.

§ 359.807 Records.

The agency shall preserve all records relating to an action under this subpart for at least one year from the effective date of the action.

Subpart I—Removal of Noncareer and Limited Appointees and Reemployed Annuitants

§ 359.901 Coverage.

(a) This subpart covers the removal from the SES of—

(1) A noncareer appointee;
(2) A limited emergency or a limited term appointee; and
(3) A reemployed annuitant holding any type of appointment under the SES.

(b) Coverage does not include, however, a limited emergency or a limited term appointee who is being removed for disciplinary reasons and who is covered by 5 CFR 752.601(c)(2).

§ 359.902 Conditions of removal.

(a) Authority. The agency may remove an appointee subject to this subpart at any time.

(b) Notice. The agency shall notify the appointee in writing before the effective date of the removal.

(c) Placement rights. An appointee covered by this subpart is not entitled to the placement rights provided for career appointees under subpart G of this part.

Subpart A—General Provisions

§ 362.101 Program administration.
(a) The Pathways Programs authorized under Executive Order 13562 consist of the following three Programs:
(1) The Internship Program;
(2) The Recent Graduates Program; and
(3) The Presidential Management Fellows (PMF) Program.
(b) An agency may rename the Programs specified in paragraphs (a)(1) through (3) of this section, provided that the agency-specific name includes the Pathways Program name identified in paragraph (a) of this section, e.g., Treasury Internship Program.
(c) Agencies must provide for equal employment opportunity in the Pathways Programs without regard to race, ethnicity, color, religion, sex (including pregnancy and gender identity), national origin, age, disability, sexual orientation, genetic information, or any other non-merit-based factor.

§ 362.102 Definitions.
For the purposes of this part:
Advanced degree means a professional or graduate degree, e.g., master’s, Ph.D., J.D.
Certificate program means post-secondary education, in a qualifying educational institution, equivalent to at least one academic year of full-time study that is part of an accredited college-level, technical, trade, vocational, or business school curriculum.
Director means the Director of OPM or his or her designee.
OPM means the Office of Personnel Management.
Participant Agreement means a written agreement between the agency and each Pathways Participant.

(2) Any of the following educational institutions or curricula that have been accredited by an accrediting body recognized by the Secretary of the U.S. Department of Education:
(i) A technical or vocational school;
(ii) A 2-year or 4-year college or university;
(iii) A graduate or professional school (e.g., law school, medical school); or
(iv) A post-secondary homeschool curriculum.

§ 362.103 Authority.
An agency may make an appointment under this part to a position defined in §213.3402 of this chapter, provided a Memorandum of Understanding between the head of the agency or his or her designee and OPM is in effect.

§ 362.104 Agency requirements.
(a) Memorandum of Understanding. In order to make any appointment under a Pathways authority, a Memorandum of Understanding (Pathways MOU) must be in effect between the head of an agency, or his or her designee, and OPM for the administration and use of Pathways Programs, to be re-executed no less frequently than every 2 years.
(b) The Director may revoke an agency’s Pathways MOU when agency use of these Programs is inconsistent with Executive Order 13562, this part, or the Pathways MOU.
(c) The Pathways MOU must:
(1) Include information about any agency-specific program labels that will be used, subject to the Federal naming conventions identified in §362.101 (e.g., OPM Internship Program);
(2) State the delegations of authority for the agency’s use of the Pathways Programs (e.g., department-wide vs. bureaus or components).
§ 362.105 Filling positions.

(a) Workforce Planning. Before filling any positions under these Programs, agencies should include measures in their workforce planning to ensure that an adequate number of permanent positions will be available to convert Pathways Participants who successfully complete their Programs.

(b) Announcements. When an agency accepts applications from individuals outside its own workforce, it must provide OPM information concerning Pathways Programs job opportunities as provided in each Pathways Program. For the purposes of this paragraph, “agency” means an Executive agency as defined in 5 U.S.C. 105 and the Government Printing Office. An Executive department may treat each of its bureaus or components (first major subdivision that is separately organized and clearly distinguished from other bureaus or components in work function and operation) as a separate agency or as part of one agency, but must do so consistent with its Delegated Examining Agreement.

(c) Appointments. (1) Agencies must fill positions under the Pathways Programs using the excepted service appointing authority provided by §213.3402 (a), (b), or (c) of this chapter, as applicable.

(2) Agencies must follow the procedures of part 302 of this chapter when filling a position under a Pathways Program.
(3) Appointments are subject to all the requirements and conditions governing term, career, or career-conditional employment, including investigation to establish an appointee’s qualifications and suitability.

(d) Eligibility. Except as set forth in this section, eligibility requirements for appointment under a Pathways Program are specified in each Pathways Program.

(e) Citizenship. (1) An agency may appoint a non-citizen provided that:
   (i) The Pathways Participant is lawfully admitted to the United States as a permanent resident or is otherwise authorized to be employed; and
   (ii) The agency is authorized to pay aliens under the annual Appropriations Act ban and any agency-specific enabling and appropriation statutes.

(2) A Pathways Participant must be a United States citizen to be eligible for noncompetitive conversion to the competitive service.

(f) Employment of relatives. In accordance with part 310 of this chapter, a Pathways Participant may work in the same agency with a relative when there is no direct reporting relationship and the relative is not in a position to influence or control the Participant’s appointment, employment, promotion or advancement within the agency.

(g) Length of Appointments. Except as provided in subpart G, Recent Graduate and PMF appointments under this authority may not exceed 2 years plus any agency-approved extension of up to 120 days.

(h) Terminations. An agency may terminate a Pathways Participant for reasons including misconduct, poor performance, or suitability under the provisions of this chapter.

(i) Performance and progress evaluation. Each Participant must be placed on a performance plan, as prescribed by part 430 of this chapter or other applicable law or regulation, establishing performance elements and standards that are directly related to acquiring and demonstrating the various leadership, technical, and/or general competencies expected of the Participant, as well as the elements and standards established for the duties assigned.

(j) Compensation. The rules for setting pay upon the initial appointment of a Participant are governed by the pay administration rules of the pay system or pay plan of the Participant’s position under the Pathways program. In determining the Participant’s compensation, agencies may also use any applicable pay flexibilities available under that pay system or pay plan (e.g., recruitment, relocation, and retention incentives under part 575 of this chapter; student loan repayments under part 537; and, for General Schedule positions, special rates under part 530, subpart G, and the superior qualifications and special needs pay setting authority and the maximum payable rate rule under part 531, subpart B).

§ 362.106 Participant Agreement.

Agencies must execute a written Participant Agreement with each Pathways Participant that clearly identifies expectations, including but not limited to:

(a) A general description of duties;
(b) Work schedules;
(c) The length of the appointment and termination date;
(d) Mentorship opportunities;
(e) Training requirements as applicable;
(f) Evaluation procedures that will be used for the Participant;
(g) Requirements for continuation and successful completion of the Program; and
(h) Minimum eligibility requirements for noncompetitive conversion to term or permanent competitive service employment according to the requirements of the applicable Pathways Program.

§ 362.107 Conversion to the competitive service.

(a) Subject to any limits on conversion imposed by the Director, and in accordance with the provisions of each Pathways Program, an agency may noncompetitively convert an eligible Pathways Participant to a term or permanent competitive service position.

(b) A Pathways Participant who is noncompetitively converted to a competitive service term appointment may
be subsequently converted noncompetitively to a permanent competitive service position.

(c) Noncompetitive conversion. (1) An Intern may be converted to a position within the employing agency or any other agency within the Federal Government.

(2) A Recent Graduate or Presidential Management Fellow may be converted within the employing agency. Agencies may not convert Recent Graduates or Presidential Management Fellows from other agencies.

(d) The provisions of the career transition assistance programs in subparts B, F and G of part 330 of this chapter do not apply to conversions made under this part.

(e) Time spent serving as a Pathways Participant counts towards career tenure when the individual is noncompetitively converted to a permanent position in the competitive service upon completion of the Program, with or without an intervening term appointment, and without a break in service of one day.

(f) Though Pathways Participants are eligible for noncompetitive conversion to the competitive service upon successful completion of their Program and any other applicable conversion requirements, service in a Pathways Program confers no right to further employment in either the competitive or excepted service. An agency wishing to convert a Pathways Participant must therefore execute the required actions to do so.

§ 362.108 Program oversight.

(a) The Director may establish caps on the number of Pathways Participants who may be appointed or converted in any Pathways Program within a specific agency or throughout the Federal Government.

(b) The Director may establish such caps based on agency or Government-wide use of the Pathways Programs, input from the Executive agencies, and consideration of the following:

(1) Agency MOU compliance;

(2) Agency approach to entry-level hiring;

(3) Agency engagement in sound workforce planning to ensure that an adequate number of permanent positions will be available to which Pathways Participants who successfully complete their Programs can be converted;

(4) Agency record in using the Pathways Programs as a supplement to competitive examining, rather than as a substitute for it;

(5) Agency record of publicizing their positions in the Pathways Programs and recruiting and selecting from a broad array of sources; and

(6) Any other information the Director deems relevant.

(c) In the event the Director determines that any caps would be appropriate, OPM will publish notice of such caps in a manner chosen by the Director.

§ 362.109 Reporting requirements.

Agencies must provide information requested by OPM regarding workforce planning strategies that includes:

(a) Information on the entry-level occupations targeted for filling positions under this part in the coming year;

(b) The percentage of overall hiring expected in the coming year under the Internship, Recent Graduates, and Presidential Management Fellows Programs; and

(c) For the previous year:

(1) The number of individuals initially appointed under each Pathways Program;

(2) The percentage of the agency’s overall hires made from each Pathways Program;

(3) The number of Pathways Participants, per Program, converted to the competitive service; and

(4) The number of Pathways Participants, per Program, who were separated.

§ 362.110 Transition.

OPM will provide written guidance for the orderly transition of employees currently appointed as students under the Student Educational Employment Program and current PMFs to the applicable Pathways Program and may revise that guidance as necessary.
Subpart B—Internship Program

§ 362.201 Agency authority.

The Internship Program provides students in high schools, colleges, trades schools and other qualifying educational institutions, as defined in § 362.102 of this part, the opportunity to explore Federal careers as paid employees while completing their education. Students appointed under this authority are referred to as Interns.

§ 362.202 Definitions.

In this subpart:

Student means an individual accepted for enrollment or enrolled and seeking a degree (diploma, certificate, etc.) in a qualifying educational institution, on a full or half-time basis (as defined by the institution in which the student is enrolled), including awardees of the Harry S. Truman Foundation Scholarship Program under Public Law 93–842. Students need not be in actual physical attendance, so long as all other requirements are met. An individual who needs to complete less than the equivalent of half an academic/vocational or technical course-load immediately prior to graduating is still considered a student for purposes of this Program.

§ 362.203 Filling positions.

(a) Announcement. (1) When an agency accepts applications from individuals outside its own workforce, it must provide OPM information concerning opportunities to participate in the agency’s Internship Program. For the purposes of this paragraph (a), “agency” means an Executive agency as defined in 5 U.S.C. 105 and the Government Printing Office. An Executive department may treat each of its bureaus or components (first major subdivision that is separately organized and clearly distinguished from other bureaus or components in work function and operation) as a separate agency or as part of one agency, but must do so consistently with its Delegated Examining Agreement. The information must include:

(i) Position title, series and grade;

(ii) Geographic location of the position, and

(iii) How to apply. A public source (e.g., a link to the agency’s Web site with information on how to apply) for interested individuals to seek further information about how to apply for Internship opportunities; and

(iv) Any other information OPM considers appropriate.

(2) OPM will publish information on Internship opportunities in such form as the Director may determine.

(b) Eligibility. Except as provided in paragraph (h) of this section, Interns must meet the definition of student in § 362.202 throughout the duration of their appointment.

(c) Qualifications. Individuals may be evaluated against either agency-developed standards or the OPM Qualification Standard for the position being filled.

(d) Appointments. (1) An agency may make Intern appointments, pursuant to its Pathways MOU, using the Schedule D excepted service appointing authority provided in §213.3402(a) of this chapter.

(2) Appointments may be made to any position for which the individual is qualified. The duties of the position to which the individual is appointed should be related to either the Intern’s academic or career goals.

(3) An agency may:

(i) Appoint an Intern for an initial period expected to last more than 1 year. Intern appointments are not required to have an end date. However, agencies are required to specify an end date of the appointment in the Participant Agreement with the Intern; or

(ii) Appoint an Intern on a temporary basis, not to exceed 1 year, to complete temporary projects, to perform labor-intensive tasks not requiring subject-matter expertise, or to fill traditional summer jobs. The agency may extend these temporary appointments as provided in part 213 of this chapter.

(e) Promotion. An agency may promote any Intern who meets the qualification requirements for the position. This provision does not confer entitlement to promotion.

(f) Classification. (1) Intern positions under the General Schedule or appropriate pay plan must be classified to the –99 series of the appropriate occupational group.

(2) Intern positions under the Federal Wage System must be classified to the
§ 362.204 Conversion to the competitive service.

(a) An agency may noncompetitively convert an Intern who is a U.S. citizen, to a term or permanent appointment in the competitive service.

(b) To be eligible for conversion, the Intern must have:

(1) Completed at least 640 hours of work experience acquired through the Internship Program, except as provided in paragraphs (c) and (d) of this section, while enrolled as a full-time or part-time, degree- or certificate-seeking student;

(2) Completed a course of academic study, within the 120-day period preceding the appointment, at a qualifying educational institution conferring a diploma, certificate, or degree;

(3) Received a favorable recommendation for appointment by an official of the agency or agencies in which the Intern served;

(4) Met the qualification standards for the position to which the Intern will be converted; and

(5) Met agency-specific requirements as specified in the agency’s Participant Agreement with the Intern.

(c)(1) An agency may evaluate, consider, and grant credit for up to one-half (320 hours) of the 640-hour service requirement in paragraph (b)(1) of this section for comparable non-Federal internship experience in a field or functional area related to the student’s target position and acquired while the student:

(i) Worked in, but not for, a Federal agency, pursuant to a formal internship agreement, comparable to the Internship Program under this subpart, between the agency and an accredited academic institution;

(ii) Worked in, but not for, a Federal agency, pursuant to a written contract with a third-party internship provider officially established to provide internship experiences to students that are comparable to the Internship Program under this subpart; or

(iii) Served as an active duty member of the armed forces (including the National Guard and Reserves), as defined in 5 U.S.C. 2101, provided the veteran’s discharge or release is under honorable conditions.

(2) Student volunteer service under part 308 of this chapter and other Federal programs designed to give internship experience to students (e.g., fellowships and similar programs), may be evaluated, considered, and credited under this section when the agency determines the experience is comparable to experience gained in the Internship Program.

(d) An agency may waive up to one-half (i.e., 320 hours) of the 640-hour minimum service requirement in paragraph (b)(1) of this section when an Intern completes 320 hours of career-related work experience under an Internship Program appointment and demonstrates high potential by outstanding academic achievement and exceptional job performance. For purposes of this paragraph:

(1) Outstanding academic achievement means an overall grade point average of 3.5 or better, on a 4.0 scale; standing in the top 10 percent of the student’s...
graduating class; and/or induction into a nationally-recognized scholastic honor society.

(2) Exceptional job performance means a formal evaluation conducted by the student’s Internship supervisor(s), consistent with the applicable performance appraisal program that results in a rating of record (or summary rating) of higher than Fully Successful or equivalent.

(e) An agency may not grant a credit or waiver (or a combination of a credit and waiver) totaling more than 320 hours of the 640-hour service requirement in paragraph (b)(1) of this section.

Subpart C—Recent Graduates Program

§ 362.301 Program administration.

The Recent Graduates Program provides an entry-level developmental experience designed to lead to a civil service career in the Federal Government after successfully completing 1 year under the Program, unless the training requirements of the position warrant a longer and more structured training program. Employment under the Recent Graduates Program may not exceed 2 years plus any agency approved extension of up to an additional 120 days. Individuals appointed under this authority are referred to as Recent Graduates. An agency wishing to participate in the Recent Graduates Program must:

(a) Identify in the MOU the duration of its Recent Graduates Program, including any criteria used to determine the need for a longer and more structured training program that exceeds 1 year;

(b) Ensure, within 90 days of appointment, that each Recent Graduate is assigned a mentor who is an employee outside the Recent Graduates’ chain of command;

(c) Ensure, within 45 days of appointment, that each Recent Graduate has an Individual Development Plan (IDP) that is approved by his or her supervisor; and

(d) Provide at least 40 hours of formal interactive training per year that advances the goals and competencies outlined in each Recent Graduate’s IDP. Mandatory annual training, such as information security and ethics training, does not count towards the 40-hour requirement.

§ 362.302 Eligibility.

(a) A Recent Graduate is an individual who obtained a qualifying associates, bachelors, master’s, professional, doctorate, vocational or technical degree or certificate from a qualifying educational institution, within the previous 2 years or other applicable period provided below.

(b)(1) Except as provided in paragraph (b)(2) of this section, an individual may apply for a position in the Recent Graduates Program only if the individual’s application is received not later than 2 years after the date the individual completed all requirements of an academic course of study leading to a qualifying associates, bachelor’s, master’s, professional, doctorate, vocational or technical degree or certificate from a qualifying educational institution.
§ 362.303 Filling positions.

(a) Announcement. (1) When an agency accepts applications from individuals outside its own workforce, it must provide OPM information concerning opportunities to participate in the agency’s Recent Graduates Program. For the purposes of this paragraph, “agency” means an Executive agency as defined in 5 U.S.C. 105 and the Government Printing Office. An Executive department may treat each of its bureaus or components (first major subdivision that is separately organized and clearly distinguished from other bureaus or components in work function and operation) as a separate agency or as part of one agency, but must do so consistent with its Delegated Examining Agreement. The information must include:

(i) Position title, series and grade;
(ii) Geographic location of the position;
(iii) How to apply. A public source (e.g., a link to the agency’s Web site with information on how to apply for interested individuals to seek further information about how to apply); and
(iv) Any other information OPM considers appropriate.

(2) OPM will publish information on Recent Graduate opportunities in such form as the Director may determine.

(b) Appointments. (1) An agency may make appointments to the Recent Graduates Program, pursuant to a Pathways MOU executed with the OPM, under Schedule D of the excepted service in accordance with part 362 of this chapter.

(2) An agency must appoint a Recent Graduate using the excepted service appointing authority provided by §213.3402(b) of this chapter.

(3)(i) An agency may make an initial appointment of a Recent Graduate to any position filled under this authority for which the Recent Graduate qualifies, up to the GS–09 level (or equivalent under another pay and classification system, such as the Federal Wage System), except as provided in paragraphs (b)(3)(ii) through (iv) of this section.

(ii) Initial appointments to positions for science, technology, engineering, or mathematics (STEM) occupations may be made at the GS–11 level, if the candidate possesses a Ph.D. or equivalent degree directly related to the STEM position the agency is seeking to fill.

(iii) Initial appointments to scientific and professional research positions at the GS–11 level for which the classification and qualification criteria for research positions apply, if the candidate possesses a master's degree or equivalent graduate degree directly related to the position the agency is seeking to fill.

(iv) Initial appointments to scientific and professional research positions at the GS–12 level for which the classification and qualification criteria for research positions apply, if the candidate possesses a Ph.D. or equivalent degree directly related to the position the agency is seeking to fill.

(v) Positions must have progressively more responsible duties that provide career advancement opportunities (i.e., positions must provide for career ladder advancement).

(c) Extensions. An agency may extend the Program period for up to an additional 120 days to cover rare or unusual circumstances or situations. The agency’s Pathways MOU must identify criteria for approving extensions.

(d) Qualifications. An agency must evaluate candidates using OPM Qualification Standards for the occupation and grade level of the position being filled.

(e) Promotions. An agency may promote any Recent Graduate who meets the qualification requirements for the position. This provision does not confer entitlement to promotion.
(f) **Trial period.** The duration of the Recent Graduates appointment in the excepted service is a trial period.

§ 362.304 **Movement between agencies.**

(a) A Recent Graduate may apply for and accept a new Recent Graduates appointment with another agency covered by this part, as long as the agency meets all the requirements for participating in the Recent Graduates Program.

(b) To move to the new agency, the Recent Graduate must separate from the current employing agency.

(c) The new employing agency must appoint the Recent Graduate without a break in service.

(d) Time served under the previous agency’s Recent Graduates Program is credited toward the Program requirements for noncompetitive conversion eligibility to the competitive service. Because there is no break in service, the Recent Graduate does not begin a new period in the Program upon moving to the new agency.

(e) The new employing agency’s plan must identify requirements for Program completion and eligibility for noncompetitive conversion.

§ 362.305 **Conversion to the competitive service.**

(a) An agency may noncompetitively convert a Recent Graduate who is a U.S. citizen to a competitive service term or permanent position when the Recent Graduate has:

(1) Successfully completed at least 1-year of continuous service in addition to all the requirements of the Recent Graduates Program;

(2) Demonstrated successful job performance consistent with the applicable performance appraisal program established under the agency’s approved performance appraisal system that results in a rating of record (or summary rating) of at least Fully Successful or equivalent and a recommendation for conversion by the first-level supervisor; and

(3) Met the OPM Qualification Standard for the competitive service position to which the Recent Graduate will be converted.

(b) An agency must make the noncompetitive conversion effective on the date the service requirement is met, or at the end of an agency-approved extension, if applicable.

§ 362.306 **Reduction in force and termination.**

(a) **Reduction in force.** Recent Graduates are in excepted service Tenure Group II for purposes of §351.502 of this chapter. Expiration of the Recent Graduates appointment is not otherwise subject to part 351 of this chapter.

(b) **Terminations.** (1) Except as provided in paragraph (b)(2) of this section, as a condition of employment, a Recent Graduate appointment expires at the end of the agency prescribed Program period, plus any agency-approved extension, unless the Participant is selected for noncompetitive conversion under §362.306.

(2) A Recent Graduate who held a career-conditional or career appointment in an agency immediately before entering the Program, and fails to complete the Program for reasons that are not related to misconduct, poor performance, or suitability, may, at the agency’s discretion, be placed in a permanent competitive service position, as appropriate, in the employing agency.

(2) The individual is still a student attending a qualifying educational institution, as defined in paragraph (2)(iii) of the definition of Qualifying educational institution in §362.102, and he or she expects to complete a qualifying advanced degree by August 31 of the academic year in which the competition is held.
(d) An individual may apply for the PMF Program more than once as long as he or she meets the eligibility criteria. However, if an individual becomes a finalist and subsequently applies for the Program during the next open announcement, the individual will forfeit his or her status as a finalist.
(e) OPM will select Fellow finalists based on an OPM evaluation of each candidate’s experience and accomplishments according to his or her application and the results of a rigorous structured assessment process.
(f) OPM will publish and provide participating agencies the Fellow finalists list for appointment consideration.
§ 362.404 Appointment and extension.

The IDP must be developed in consultation with the Agency PMF Coordinator and/or the mentor assigned to the Fellow under paragraph (b)(3) of this section.

(b) Required developmental activities.

(1) OPM will provide an orientation program for each class or cohort of Fellows and will provide information on available training opportunities known to it.

(2) The agency must provide each Fellow a minimum of 80 hours of formal interactive training per year that addresses the competencies outlined in the IDP. Mandatory annual training, such as information security and ethics training, does not count towards the 80-hour requirement.

(3) Within the first 90 days of a Fellow’s appointment, the agency must assign the Fellow a mentor, who is a managerial employee outside the Fellow’s chain of command.

(4) The agency must provide each Fellow with at least one rotational or developmental assignment with full-time management and/or technical responsibilities consistent with the Fellow’s IDP. With respect to this requirement:

(i) Each Fellow must receive at least one developmental assignment of 4 to 6 months in duration, with management and/or technical responsibilities consistent with the Fellow’s IDP. (ii) The developmental assignment may be within the Fellow’s organization, in another component of the agency, or in another Federal agency.

(5) The Fellow may receive other short-term rotational assignments of 1 to 6 months in duration, at the agency’s discretion.

(c) Promotion. An agency may promote any Fellow who meets the qualification requirements for the position. This provision does not confer entitlement to promotion.

§ 362.406 Movement between agencies.

§ 362.407 Withdrawal and readmission.

(a) Withdrawal. (1) A Fellow may withdraw from the Program at any time. (2) A Fellow who held a permanent appointment in the competitive service in an agency immediately before entering the Program, and who withdraws from the Program for reasons that are not related to misconduct, poor performance, or suitability, may, at the employing agency’s discretion, be placed in a permanent competitive service position, as appropriate, in that agency. An agency must submit written notification of approved readmission requests to OPM. The individual’s status in the Program upon readmission and reappointment must be addressed as part of the agency’s submission. The Director may overrule the agency’s decision to readmit and reappoint, and the Director’s decision is not subject to appeal.

§ 370.101 Purpose.

(a) The purpose of this part is to implement sections 209(b)(6) and (c) of the E-Government Act of 2002 (Pub. L. 107–347), which authorize the Office of Personnel Management to establish an Information Technology Exchange Program. This statute authorizes the temporary detail of information technology employees between the Federal Government and private sector organizations. The statute also gives Federal agencies the authority to accept private sector information technology employees detailed under the Information Technology Exchange Program.

(b) Agency heads, or their designees, may approve details as a mechanism for improving the Federal workforce’s competency in using information technology to deliver Government information and services. Details under this part allow Federal employees to serve with private sector organizations for a limited time period without loss of employee rights and benefits. Agencies may not make details under this part to circumvent personnel ceilings, or as a substitute for other more appropriate personnel decisions or actions. Approved details must meet the strategic program goals of the agency. The benefits to the Federal agency and the private sector organization are the primary considerations in initiating details; not the desires or personal needs of an individual employee.
§ 370.103 Eligibility.

(a) To be eligible for a detail under this part, an individual must:

(1) Work in the field of information technology management;

(2) Be considered an exceptional employee by the individual’s current employer; and

(3) Be expected by the individual’s current employer to assume increased information technology management responsibilities in the future.

(b) To be eligible for a detail under this part, a Federal employee, in addition to meeting the requirements of paragraph (a) of this section, must be serving in a position at the GS-11 level or above (or equivalent), under a career or career-conditional appointment or an appointment of equivalent tenure in the excepted service. For purposes of this part, positions of equivalent tenure in the excepted service are limited to permanent appointments. In addition, only career members of the Senior Executive Service are eligible to be detailed under this part.

(c) To be eligible to participate in the Information Technology Exchange Program, a private sector organization must be registered in the Central Contractor Registration Database located at http://www.ccr.gov, except as permitted by the Federal Acquisition Regulation (48 CFR 4.1102).

(d) To be eligible for a detail to a Federal agency under this part, a private sector employee, in addition to meeting the requirements of paragraph (a) of this section, must meet citizenship requirements for Federal employment in accordance with 5 CFR 7.3 and 338.101, as well as any other statutory limitation.

§ 370.104 Length of details.

(a) Details may be for a period of between 3 months and 1 year, and may be extended in 3-month increments for a total of not more than 1 additional year, in accordance with 5 U.S.C. 3702(d).

(b) Agencies may not approve or extend details after December 17, 2007. An individual serving on a detail prior to this date may continue to do so as long as the detail began or was extended on or before December 17, 2007.

(c) For the life of the ITEP, a Federal agency may not send an employee who has served on a detail under this part for more than 6 years during his or her Federal career. OPM may waive this provision upon request of the agency head, or his or her designee.

§ 370.105 Written agreements.

Before the detail begins, the agency and private sector organization must enter into a written agreement with the individual(s) detailed. The written agreement must be a three-party agreement between the Federal agency (agency head or designee), the individual (private sector or Federal), and the private sector organization. The written agreement must include, but is not limited to, the following elements:
(a) The duties to be performed, duration, and terms under which extensions to the detail may be granted;
(b) An individual development plan describing the core IT competencies and technical skills that the detailee will be expected to enhance or acquire;
(c) Whether the individual will be supervised by a Federal or private sector employee; and a description of the supervision;
(d) The requirement for Federal employees to return to their employing agency upon completion of the detail for a period equal to the length of the detail including any extensions; and
(e) The obligations and responsibilities of all parties as described in 5 U.S.C. 3702 through 3704.

§ 370.106 Terms and conditions.

(a) A Federal employee detailed under this part:
(1) Remains a Federal employee without loss of employee rights and benefits attached to that status. These include, but are not limited to:
   (i) Consideration for promotion;
   (ii) Leave accrual;
   (iii) Continuation of retirement benefits and health, life, and long-term care insurance benefits; and
   (iv) Pay increases the employee otherwise would have received if he or she had not been detailed;
(2) Remains covered for purposes of the Federal Tort Claims Act, and for purposes of injury compensation as described in 5 U.S.C. chapter 81; and
(3) Is subject to any action that may impact the employee's position while he or she is detailed.
(b) An individual detailed from a private sector organization under this part:
(1) Is deemed to be an employee of the Federal agency for purposes of:
   (i) Title 5, United States Code, chapter 73 (Suitability, Security, and Conduct);
(2) Remains covered for purposes of Title 5, United States Code, chapters 73 and 77 (Suitability, Security, and Conduct); and
(3) Is subject to such regulations as the President may prescribe; and
(5) Is covered by 5 U.S.C. chapter 81, Compensation for Work Injuries, as provided in 5 U.S.C. 3704(c).
(c) Individuals detailed under this part may be supervised either by Federal or private sector managers. For example, a Federal employee on detail to a private sector organization may be supervised by a private sector manager. Likewise, a private sector employee on detail to an agency may be supervised by a Federal manager.
§ 370.107 Details to small business concerns.

(a) The head of each agency must take such actions as may be necessary to ensure that, of the details made to private sector organizations in each calendar year, at least 20 percent are to small business concerns, in accordance with 5 U.S.C. 3703(e)(1).

(b) Agencies must round up to the nearest whole number when calculating the percentage of details to small business concerns needed to meet the requirements of this section. For example, if an agency detailed 11 individuals to private sector organizations during a given year, to meet the 20 percent requirement, that agency must have made at least 3 (rounded up from 2.2) of these details to small business concerns.

(c) For purposes of this section, “year” refers to the 12-month period beginning on date of the enactment of the Act, December 17, 2002, and each succeeding 12-month period in which any assignments are made. Assignments “made” in a year are those commencing in such year, in accordance with 5 U.S.C. 3703(e)(2).

(d) Agencies that do not meet the requirements of this section are subject to the reporting requirements in 5 U.S.C. 3703(e)(3).

(e) An agency that makes fewer than five details to private sector organizations in any year is not subject to this section.

§ 370.108 Reporting requirements.

(a) Agencies using this part must prepare and submit to OPM semiannual reports in accordance with 5 U.S.C. 3706 which must include:

(1) The total number of individuals detailed to, and the total number of individuals detailed from, the agency during the report period;

(2) A brief description of each detail reported under paragraph (a)(1) of this section including:

(i) The name of the detailed individual, and the private sector organization and the agency (including the specific bureau or other agency component) to or from which such individual was detailed;

(ii) The respective positions to and from which the individual was detailed, including the duties and responsibilities and the pay grade or level associated with each; and

(iii) The duration and objectives of the individual’s detail; and

(3) Such other information as OPM considers appropriate.

(b) Reports are due to OPM no later than April 7 and October 7 of each year for the immediately preceding 6-month periods ending March 31 and September 30, respectively.

(c) Agencies that do not meet the requirements of § 370.107 must prepare and submit annual reports to Congress in accordance with 5 U.S.C. 3703(e)(3), as appropriate.

§ 370.109 Agency plans.

Before detailing agency employees or receiving private sector employees under this part, an agency must establish an Information Technology Exchange Program Plan. The plan must include, but is not limited to, the following elements:

(a) Designation of the agency officials with authority to review and approve details;

(b) Estimated number of candidates needed, both private sector and Federal employees, to address IT workforce needs within the agency;

(c) Criteria for the selection of agency employees for a detail under this part. At a minimum, each agency must:

(1) Announce the detail, including eligibility requirements, to all eligible employees;

(2) Provide for employee nomination by their organization or self-nomination, to include endorsement by their respective supervisor;
(3) Forward nominations to designated agency reviewing and approving official for final selection.

(4) Consider:
   (i) The extent to which the employee’s current competencies and skills are being utilized in the agency;
   (ii) The employee’s capability to improve, enhance, or learn skills and acquire competencies needed in the agency; and
   (iii) The benefits to the agency which would result from selecting the employee for detail.

(d) Return rights and continuing service requirements for Federal employees returning from a detail; and

(e) Documentation and recordkeeping requirements sufficient to allow reconstruction of each action taken under this part to meet agency reporting requirements under § 370.108(a) and (b).

(g) **Interagency training** means training provided by one agency for other agencies or shared by two or more agencies.
(h) **State and local government** have the meanings given to these terms by section 4762 of title 42, United States Code.
(i) **Established contact hours** are the number of academic credit hours assigned to a course(s) times the number of weeks in a term times the number of terms required to complete the degree.

**§ 410.201 Responsibilities of the head of an agency.**

Agency employee development plans and programs should be designed to build or support an agency workforce capable of achieving agency mission and performance goals and facilitating continuous improvement of employee and organizational performance. In developing strategies to train employees, heads of agencies or their designee(s), under section 4103 of title 5, United States Code, and Executive Order 11348, are required to:
(a) Establish, budget for, operate, maintain, and evaluate plans and programs for training agency employees by, in, and through Government or non-Government facilities, as appropriate;
(b) Establish policies governing employee training, including a statement of the alignment of employee training and development with agency strategic plans, the assignment of responsibility to ensure the training goals are achieved, and the delegation of training approval authority to the lowest appropriate level;
(c) Establish priorities for training employees and allocate resources according to those priorities; and
(d) Develop and maintain plans and programs that:
(1) Identify mission-critical occupations and competencies;
(2) Identify workforce competency gaps;
(3) Include strategies for closing competency gaps; and
(4) Assess periodically, but not less often than annually, the overall agency talent management program to identify training needs within the agency as required by section 303 of Executive Order 11348.

[74 FR 65387, Dec. 10, 2009]

**§ 410.202 Responsibilities for evaluating training.**

Agencies must evaluate their training programs annually to determine how well such plans and programs contribute to mission accomplishment and meet organizational performance goals.

[74 FR 65387, Dec. 10, 2009]

**§ 410.203 Options for developing employees.**

Agencies may use a full range of options to meet their mission-related organizational and employee development needs, such as classroom training, on-the-job training, technology-based training, satellite training, employees’ self-development activities, coaching, mentoring, career development counseling, details, rotational assignments, cross training, and developmental activities at retreats and conferences.

Subpart C—Establishing and Implementing Training Programs

§ 410.301 Scope and general conduct of training programs.

(a) Authority. The requirements for establishing training programs and plans are found in section 4103(a) of title 5, United States Code, and Executive Order 11348.

(b) Alignment with other human resource functions. Training programs established by agencies under chapter 41 of title 5, United States Code, should be integrated with other personnel management and operating activities, under administrative agreements as appropriate, to the maximum possible extent.

§ 410.302 Responsibilities of the head of an agency.

(a) Specific responsibilities. (1) The head of each agency must prescribe procedures as are necessary to ensure that the selection of employees for training is made without regard to race, color, religion, sex (including pregnancy and gender identity), national origin, age (as defined by the Age Discrimination in Employment Act of 1967, as amended), disability, genetic information (including family medical history), marital status, political affiliation, sexual orientation, labor organization affiliation or non-affiliation, status as parent, or any other non-merit-based factor, unless specifically designated by statute as a factor that must be taken into consideration when awarding such benefits, or retaliation for exercising rights with respect to the categories enumerated above, where retaliation rights are available, and with proper regard for their privacy and constitutional rights as provided by merit system principles set forth in 5 U.S.C. 2301(b)(2).

(2) The head of each agency shall prescribe procedures as are necessary to ensure that the training facility and curriculum are accessible to employees with disabilities.

(3) The head of each agency shall not allow training in a facility that discriminates in the admission or treatment of students.

(b) Training of Presidential appointees. The Office of Personnel Management delegates to the head of each agency authority to authorize training for officials appointed by the President. In exercising this authority, the head of an agency must ensure that the training is in compliance with chapter 41 of title 5, United States Code, and with this part. This authority may not be delegated to a subordinate.

(2) Records. When exercising this delegation of authority, the head of an agency must maintain records that include:

(i) The name and position title of the official;

(ii) A description of the training, its location, vendor, cost, and duration; and

(iii) A statement justifying the training and describing how the official will apply it during his or her term of office.

(3) Review of delegation. Exercise of this authority is subject to U.S. Office of Personnel Management review.

(c) Training for the head of an agency. Since self-review constitutes a conflict of interest, heads of agencies must submit their own requests for training to the U.S. Office of Personnel Management for approval.

(d) The head of the agency shall establish the form and manner of maintaining agency records related to training plans, expenditures, and activities.

(e) The head of the agency shall establish written procedures which cover the minimum requirements for continued service agreements. (See also 5 CFR 410.310.)

(f) The head of each agency shall prescribe procedures, as authorized by section 402 of Executive Order No. 11348, for obtaining U.S. Department of State advice before assigning an employee who is stationed within the continental limits of the United States to training outside the continental United States that is provided by a foreign government, international organization, or instrumentality of either.

§ 410.303 Employee responsibilities.

Employees are responsible for self-development, for successfully completing and applying authorized training, and
§ 410.304 Funding training programs.

Section 4112 of title 5, United States Code, provides for agencies paying the costs of their training programs and plans from applicable appropriations or from other funds available. Training costs associated with program accomplishment may be funded by appropriations applicable to that program area. In addition, section 4109(a)(2) of title 5, United States Code, provides authority for agencies and employees to share the expenses of training.

§ 410.305 Establishing and using interagency training.

Executive departments, independent establishments, Government corporations subject to chapter 91 of title 31, the Library of Congress, and the Government Printing office may provide or share training programs developed for its employees of other agencies under section 4120 of title 5, United States Code, when this would result in better training, improved service, or savings to the Government. Section 302(d) of Executive Order 11348 allows agencies excluded from section 4102 of title 5, United States Code, when this would result in better training, improved service, or savings to the Government. Section 201(e) of Executive Order 11348 provides for the Office of Personnel Management to coordinate interagency training conducted by and for agencies (including agencies and portions of agencies excepted by section 4102(a) of Title 5, United States Code).

§ 410.306 Selecting and assigning employees to training.

(a) Each agency shall establish criteria for the fair and equitable selection and assignment of employees to training consistent with merit system principles specified in 5 U.S.C. 2301(b)(1) and (2).

(b) Persons on Intergovernmental Personnel Act mobility assignments may be assigned to training if that training is in the interest of the Government.

(1) A State or local government employee given an appointment in a Federal agency under the authority of section 3374(b) of title 5 of the United States Code, is deemed an employee of the Federal agency. The agency may provide training for the State or local government employee as it does for other agency employees.

(2) A State or local government employee on detail to a Federal agency under the authority of section 3374(c) of title 5 of the United States Code, is not deemed an employee of the Federal agency. However, the detailed State or local government employee may be admitted to training programs the agency has established for Federal personnel and may be trained in the rules, practices, procedures and/or systems pertaining to the Federal government.

(c) Subject to the prohibitions of § 410.308(a) of this part, an agency may pay all or part of the training expenses of students hired under the Student Career Experience Program (see 5 CFR 213.3202(d)(10)).

§ 410.307 Training for promotion or placement in other positions.

(a) General. In determining whether to provide training under this section, agencies should take into account:

(1) Agency authority to modify qualification requirements in certain situations as provided in the OPM Operating Manual for Qualification Standards for General Schedule Positions;

(2) Agency authority to establish training programs that provide intensive and directly job-related training to substitute for all or part of the experience (but not education, licensing, certification, or other specific credentials), required by OPM qualification standards. Such training programs may be established to provide employees with the opportunity to acquire the experience and knowledge, skills, and abilities necessary to qualify for another position (including at a higher grade) at an accelerated rate; and

(3) Time-in-grade restrictions on advancement (see 5 CFR 300.603(b)(6)).
§ 410.308 Training to obtain an academic degree.

(a) An agency may authorize training for an employee to obtain an academic degree under conditions prescribed at 5 U.S.C. 4107(a).

(b) Colleges and universities participating in an academic degree training program must be accredited by a nationally recognized body. A "nationally recognized body" is a regional, national, or international accrediting organization recognized by the U.S. Department of Education. The listing of accrediting bodies is available through the Department.

(c) The selection of employees for an academic degree training program must follow the requirements of §335.103(b)(3), §335.103(c)(1)(ii), and subpart A of part 300 of this chapter. The selection and assignment must be accomplished to meet one or more of the criteria identified in 5 U.S.C. 4107(a). Therefore, an agency may competently select and assign an employee to an academic degree training program that qualifies the employee for promotion to a higher graded position or to a position that requires an academic degree.
§ 410.309

(d) Agency heads must assess and maintain records on the effectiveness of training assignments under this section.

(e) On a periodic basis, OPM may request agency information on the use and effectiveness of training assignments under this section.

[60 FR 33277, June 15, 2004]

§ 410.309 Agreements to continue in service.

(a) Authority. Continued service agreements are provided for in section 4108 of title 5, United States Code. Agencies have the authority to determine when such agreements will be required.

(b) Requirements. (1) The head of the agency shall establish written procedures which include the minimum requirements for continued service agreements. These requirements shall include procedures the agency considers necessary to protect the Government’s interest should the employee fail to successfully complete training.

(2) An employee selected for training subject to an agency continued service agreement must sign an agreement to continue in service after training prior to starting the training. The period of service will equal at least three times the length of the training.

(3) The head of an agency shall establish procedures to compute length of training period for academic degree training programs in accordance with § 410.310(d).

(c) Failure to fulfill agreements. With a signed agreement, the agency has a right to recover training costs, except pay or other compensation, if the employee voluntarily separates from Government service. The agency shall provide procedures to enable the employee to obtain a reconsideration of the recovery amount or to appeal for a waiver of the agency’s right to recover.

§ 410.310 Computing time in training.

For the purpose of computing time in training for continued service agreements under section 4108 of title 5, United States Code:

(a) An employee on an 8-hour day work schedule assigned to training is counted as being in training for the same number of hours he or she is in pay status during the training assignment. If the employee is not in pay status during the training, the employee is counted as being in training for the number of hours he or she is granted leave without pay for the purpose of the training.

(b) For an employee on an alternative work schedule, the agency is responsible for determining the number of hours the employee is in pay status during the training assignment. If the employee is not in pay status during the training, the employee is counted as being in training for the number of hours he or she spends in class, in formal computer-based training, in satellite training, in formal self-study programs, or with the training instructor, unless a different method is determined by the agency.

(d) When an employee is pursuing an academic degree through an agency academic degree training program, an agency may compute the length of the academic degree training period based on the academic institution’s established contact hours.

Subpart D—Paying for Training Expenses

§ 410.401 Determining necessary training expenses.

(a) The head of an agency determines which expenses constitute necessary training expenses under section 4109 of title 5, United States Code.

(b) An agency may pay, or reimburse an employee, for necessary expenses incurred in connection with approved training as provided in section 4109(a)(2) of title 5, United States Code. Necessary training expenses do not include an employee’s pay or other compensation.
§ 410.402 Paying premium pay.

(a) Prohibitions. Except as provided by paragraph (b) of this section, an agency may not use its funds, appropriated or otherwise available, to pay premium pay to an employee engaged in training by, in, or through Government or non-government facilities.

(b) Exceptions. The following are excepted from the provision in paragraph (a) of this section prohibiting the payment of premium pay:

(1) Continuation of premium pay. An employee given training during a period of duty for which he or she is already receiving premium pay for overtime, night, holiday, or Sunday work shall continue to receive that premium pay. This exception does not apply to an employee assigned to full-time training at institutions of higher learning.

(2) Training at night. An employee given training at night because situations that he or she must learn to handle occur only at night shall be paid the applicable premium pay.

(3) Cost savings. An employee given training on overtime, on a holiday, or on a Sunday because the costs of the training, premium pay included, are less than the costs of the same training confined to regular work hours shall be paid the applicable premium pay.

(4) Availability pay. An agency shall continue to pay availability pay during agency-sanctioned training to a criminal investigator who is eligible for it under 5 U.S.C. 5545a and implementing regulations. Agencies may, at their discretion, provide availability pay to investigators during periods of initial, basic training. (See 5 CFR 550.185 (b) and (c).)

(5) Standby and administratively uncontrollable duty. An agency may continue to pay annual premium pay for regularly scheduled standby duty or administratively uncontrollable overtime work, during periods of temporary assignment for training as provided by 5 CFR 550.162(c).

(6) Firefighter overtime pay. (i) A firefighter compensated under part 550, subpart M, of this chapter shall receive basic pay and overtime pay for the firefighter’s regular tour of duty.

(ii) The special pay protection provided by paragraph (b)(6)(i) of this section does not apply to firefighters who voluntarily participate in training during non-duty hours, leave hours, or periods of excused absence. It also does not apply if the firefighter is entitled to a greater amount of pay based on actual work hours during the week in which training occurs.

(7) Agency exemption. An employee given training during a period not otherwise covered by a provision of this paragraph may be paid premium pay when the employing agency has been granted an exception to paragraph (a) of this section by the U.S. Office of Personnel Management.

(c) An employee who is excepted under paragraph (b) of this section is eligible to receive premium pay in accordance with the applicable pay authorities.

(d) Regulations governing overtime pay for employees covered by Fair Labor Standards Act (FLSA) during training, education, lectures, or conferences are found in § 551.423 of this chapter. The prohibitions on paying premium pay found in paragraph (a) of this section are not applicable for the purpose of paying FLSA overtime pay.

(e) Compensation for time spent traveling to and from training. (1) Compensation provisions are contained in 5 CFR 550.112(g) for time spent traveling for employees subject to title 5 of the United States Code.

(2) Compensation provisions are contained in 5 CFR 551.422 for time spent traveling for employees covered by the Fair Labor Standards Act. (See also 29 CFR 785.33 through § 785.41.)
§ 410.403 Payments for temporary duty training assignments.

Section 4109(a)(2) of title 5, United States Code, provides that an agency may pay, or reimburse an employee for, all or a part of the necessary expenses of training, including the necessary costs of travel; per diem expenses; or limited relocation expenses including transportation of the immediate family, household goods and personal effects:

(a) If an agency chooses to pay per diem, or in unusual circumstances the actual subsistence, expenses for an employee on a temporary duty training assignment, payment must be in accordance with 41 CFR part 301–7 or 41 CFR part 301–8 (or, for commissioned officers of the National Oceanic and Atmospheric Administration, in accordance with sections 404 and 405 of title 37, United States Code, and the Joint Federal travel Regulations for the Uniformed Services).

(b) An agency may pay a reduced per diem rate, such as a standardized payment less than the maximum per diem rate for a geographical area. If a reduced or standardized per diem rate was not authorized in advance of the travel and the fees paid to a training institution include lodging or meal costs, an appropriate deduction shall be made from the total per diem rate payable on the travel voucher (see 41 CFR 301–7.12).

(c) An agency may pay limited relocation expenses for the transportation of the employee’s immediate family, household goods and personal effects, including packing, crating, temporarily storing, draying, and unpacking the household goods in accordance with section 5724 of title 5, United States Code (or, for commissioned officers of the National Oceanic and Atmospheric Administration, in accordance with sections 406 and 409 of title 37, United States Code, and the Joint Federal travel Regulations for the Uniformed Services).

§ 410.404 Determining if a conference is a training activity.

Agencies may sponsor an employee’s attendance at a conference as a developmental assignment under section 4110 of title 5, United States Code, when—

(a) The announced purpose of the conference is educational or instructional;

(b) More than half of the time is scheduled for a planned, organized exchange of information between presenters and audience which meets the definition of training in section 4101 of title 5, United States Code;

(c) The content of the conference is germane to improving individual and/or organizational performance, and

(d) Development benefits will be derived through the employee’s attendance.

§ 410.405 Protection of Government interest.

The head of an agency shall establish such procedures as he or she considers necessary to protect the Government’s interest when employees fail to complete, or to successfully complete, training for which the agency pays the expenses.

Subpart E—Accepting Contributions, Awards, and Payments From Non-Government Organizations

§ 410.501 Scope.

(a) Section 4111 of title 5, United States Code, describes conditions for employee acceptance of contributions, awards, and payments made in connection with non-Government sponsored training or meetings which an employee attends while on duty or when the agency pays the training or meeting attendance expenses, in whole or in part.
Office of Personnel Management § 410.601

(b) This subpart does not limit the authority of an agency head to establish procedures on the acceptance of contributions, awards, and payments in connection with any training and meetings that are outside the scope of this subpart in accordance with laws and regulations governing Government ethics and governing acceptance of travel reimbursements from non-Federal sources.

§ 410.502 Authority of the head of an agency.

(a) In writing, the head of an agency may authorize an agency employee to accept a contribution or award (in cash or in kind) incident to training or to accept payment (in cash or in kind) of travel, subsistence, and other expenses incident to attendance at meetings if:

(1) The conditions specified in section 4111 of title 5, United States Code, are met; and

(2) In the judgment of the agency head, the following two conditions are met:

(i) The contribution, award, or payment is not a reward for services to the organization prior to the training or meeting; and

(ii) Acceptance of the contribution, award, or payment:

(A) Would not reflect unfavorably on the employee’s ability to carry out official duties in a fair and objective manner;

(B) Would not compromise the honesty and integrity of Government programs or of Government employees and their official actions or decisions;

(C) Would be compatible with the Ethics in Government Act of 1978, as amended; and

(D) Would otherwise be proper and ethical for the employee concerned given the circumstances of the particular case.

(b) Delegation of authority. An agency head may delegate authority to authorize the acceptance of contributions, awards, and payments under this section. The designated official must ensure that—

(1) The policies of the agency head are reflected in each decision; and

(2) The circumstances of each case are fully evaluated under conditions set forth in §410.502(a).

(c) Acceptance of contributions, awards, and payments. An employee may accept a contribution, award, or payment (whether made in cash or in kind) that falls within the scope of this section only when he or she has specific written authorization.

(d) When more than one non-Government organization participates in making a single contribution, award, or payment, the “organization” referred to in this subsection is the one that:

(1) Selects the recipient; and

(2) Administers the funds from which the contribution, award, or payment is made.

§ 410.503 Records.

An agency shall maintain, in such form and manner as the agency head considers appropriate, the following records in connection with each contribution, awards, or payment made and accepted under authority of this section: The recipient’s name; the organization’s name; the amount and nature of the contribution, award, or payment and the purpose for which it is to be used; and a copy of the written authorization required by §410.502(a).

Subpart F—Reporting

§ 410.601 Reporting.

(a) Each agency shall maintain records of training plans, expenditures, and activities in such form and manner as necessary to submit the recorded data to the Office of Personnel Management (OPM) through the OPM Governmentwide Electronic Data Collection System.

(b) Beginning December 31, 2006, each agency shall report the training data for its employees’ training and development at such times and in such form as required for the OPM Governmentwide Electronic Data Collection System, which is explained in the Guide to Personnel Recordkeeping and the Guide to Human Resources Reporting.
(c) Each agency shall establish a Schedule of Records for information required to be maintained by this chapter in accordance with regulations promulgated by the National Archives and Records Administration (NARA).

Subpart B—Succession Planning

412.201 Management succession.
412.202 Systematic training and development of supervisors, managers, and executives.

Subpart C—Senior Executive Service Candidate Development Programs

412.301 Obtaining approval to conduct a Senior Executive Service candidate development program (SESCDP).
412.302 Criteria for a Senior Executive Service candidate development program (SESCDP).

Subpart D—Executive Development

412.401 Continuing executive development.

AUTHORITY: 5 U.S.C. 1103 (c)(2)(C), 3396, 3397, 4101 et seq.

SOURCE: 74 FR 65388, Dec. 10, 2009, unless otherwise noted.

Subpart A—General Provisions

§ 412.101 Coverage.

This part applies to all incumbents of, and candidates for, supervisory, managerial, and executive positions in the General Schedule, the Senior Executive Service (SES), or equivalent pay systems also covered by part 410 of this chapter.

§ 412.102 Purpose.

(a) This part implements for supervisors, managers, and executives the provisions of 5 U.S.C. chapter 41, related to training, and 5 U.S.C. 3396, related to the criteria for programs of systematic development of candidates for the SES and the continuing development of SES members.

(b) This part identifies a continuum of leadership development, starting with supervisory positions and proceeding through management and executive positions Governmentwide. For this reason, this part provides requirements by which agencies:

(1) Develop the competencies needed by supervisors, managers, and executives;

(2) Provide learning through continuing development and training in the context of succession planning; and

(3) Foster a broad agency and Governmentwide perspective to prepare individuals for advancement, thus supplying the agency and the Government with an adequate number of well-prepared and qualified candidates to fill leadership positions.

Subpart B—Succession Planning

§ 412.201 Management succession.

The head of each agency, in consultation with OPM, must develop a comprehensive management succession program, based on the agency’s workforce succession plans, to fill agency supervisory and managerial positions. These programs must be supported by employee training and development programs. The focus of the program should be to develop managers as well as strengthen organizational capability, and to ensure an adequate number of well-prepared and qualified candidates for leadership positions. These programs must:

(a) Implement developmental training consistent with agency succession management plans;

(b) Provide continuing learning experiences throughout an employee’s career, such as details, mentoring, coaching, learning groups, and projects. These experiences should provide broad knowledge and practical experience linked to OPM’s Federal leadership competencies, as well as agency-identified, mission-related competencies, and should be consistent with the agency’s succession management plan; and

(c) Include program evaluations pursuant to 5 CFR 410.202.
§ 412.202 Systematic training and development of supervisors, managers, and executives.

All agencies must provide for the development of individuals in supervisory, managerial and executive positions, as well as individuals whom the agency identifies as potential candidates for those positions, based on the agencies’ succession plans. Agencies also must issue written policies to ensure they:

(a) Design and implement leadership development programs integrated with the employee development plans, programs, and strategies required by 5 CFR 410.201, and that foster a broad agency and Governmentwide perspective;

(b) Provide training within one year of an employee’s initial appointment to a supervisory position and follow up periodically, but at least once every three years, by providing each supervisor and manager additional training on the use of appropriate actions, options, and strategies to:

1. Mentor employees;
2. Improve employee performance and productivity;
3. Conduct employee performance appraisals in accordance with agency appraisal systems; and
4. Identify and assist employees with unacceptable performance.

(c) Provide training when individuals make critical career transitions, for instance from non-supervisory to manager or from manager to executive. This training should be consistent with assessments of the agency’s and the individual’s needs.

Subpart C—Senior Executive Service Candidate Development Programs

§ 412.301 Obtaining approval to conduct a Senior Executive Service candidate development program (SESCDP).

(a) An SESCDP is an OPM-approved training program designed to develop the executive qualifications of employees with strong executive potential to qualify them for and authorize their initial career appointment in the SES. An agency conducting an SESCDP may submit program graduates for Qualifications Review Board (QRB) review of their executive qualifications under 5 CFR 317.502. A program graduate certified by a QRB may receive an initial career appointment without further competition to any SES position for which he or she meets the professional and technical qualifications requirements.

(b) An agency covered by subchapter II of chapter 31 of title 5, United States Code, may apply to OPM to conduct an SESCDP alone or on behalf of a group of agencies. (In this subpart, the term “agency” refers to either a single agency or a group of agencies acting in partnership under this subpart.) Any agency developing an SESCDP must submit a policy document describing its program methodologies to OPM for formal approval before implementing the SESCDP. An agency must seek OPM approval every five years thereafter, and must also consult OPM before implementing a change substantially altering how the SESCDP complies with the requirements of this regulation. An agency implementing an SESCDP without first obtaining formal approval may not submit graduates of the program for QRB review.

(c) An agency that obtained OPM approval under previous regulations must apply for re-approval in accordance with requirements in paragraph (b) and this subpart before initiating a new SESCDP. All existing SESCDP approvals expire within 2 years after publication of this regulation.

(d) An agency covered by subchapter II of chapter 31 of title 5, United States Code, may authorize a major agency component employing senior executives to apply directly to OPM for approval to conduct an SESCDP. Such an application from a component must be accompanied by the agency’s written endorsement. To obtain approval, the component must meet the SESCDP requirements of this subpart independent of agency involvement.

(e) As always, agencies should be mindful of merit principles in carrying out their functions under this subpart.
§ 412.302 Criteria for a Senior Executive Service candidate development program (SESCDP).

(a) Executive Resources Board requirements. An agency’s Executive Resources Board (ERB) must oversee the SESCDP. The ERB ensures the development program lasts a minimum of 12 months and includes substantive developmental experiences that should equip a successful candidate to accomplish Federal Government missions as a senior executive. The agency ERB must oversee and be accountable for SESCDP recruitment, merit staffing, and assessment. The agency ERB must ensure the program follows SES merit staffing provisions in 5 CFR 317.501, subject to the condition explained in § 412.302(d)(1) of this part. The ERB also must oversee development, evaluation, progress in the program, and graduation of candidates, and submit for QRB review within 90 workdays of graduation those candidates determined by the ERB to possess the executive core qualifications. The ERB must also oversee the writing and implementation of a removal policy for program candidates who do not make adequate progress.

(b) Recruitment. In recruiting, the agency, consistent with the merit system principles in 5 U.S.C. 2301 (b)(1) and (2), takes into consideration the goal of achieving a diversified workforce. Recruitment for the program is from all groups of qualified individuals within the civil service, or all groups of qualified individuals whether or not within the civil service. The number of expected SES vacancies must be considered as one factor in determining the number of selected candidates.

(c) Senior Executive Service candidate development program requirements. An SESCDP lasts a minimum of 12 months. To graduate, a candidate must accomplish the requirements of the program established by his or her agency. Each individual participating in an SESCDP must have:

1. A documented development plan based upon a competency-based needs determination and approved by the agency ERB. The components of the development plan must:
   1. Address the executive core qualifications (ECQs);
   2. Address Federal Government leadership challenges crucial to the senior executive;
   3. Provide increased knowledge and understanding of the overall functioning of the agency, so the participant is prepared for a range of positions and responsibilities;
   4. Include interaction with senior employees outside the candidate’s department or agency to foster a broader perspective; and
   5. Have Governmentwide or multi-agency applicability in the nature and scope of the training;

2. A formal interagency and/or multi-sector training experience lasting at least 80 hours that addresses the ECQs and their application to SES positions Governmentwide. The training experience must include interaction with senior employees outside the candidate’s department or agency;

3. A developmental assignment of at least 4 months of full-time service to include at least one assignment of 90 continuous days in a position other than, and substantially different from, the candidate’s position of record. The assignment must include executive-level responsibility and differ from the candidate’s current and past assignments in ways that broaden the candidate’s experience, as well as challenge the candidate with respect to leadership competencies and the ECQs. Assignments need not be restricted to the agency, the Executive Branch, or the Federal Government, so long as they can be accomplished in compliance with applicable law and Federal and agency specific ethics regulations. The candidate is held accountable for organizational or agency results achieved during the assignment. If the assignment is in a non-Federal organization, the ERB must provide for adequate documentation of the individual’s actions and accomplishments and must determine the assignment will contribute to development of the candidate’s executive qualifications; and

4. A mentor who is a member of the SES or is otherwise determined by the ERB to have the knowledge and capacity to advise the candidate, consistent with goals of the SESCDP. The mentor
and the candidate are jointly responsible for a productive mentoring relationship; however, the agency must establish methods to assess these relationships and, if necessary, facilitate them or make appropriate changes in the interest of the candidate.

(d) An SESCDP is a training opportunity for which agencies must recruit consistent with merit system principles and paragraph (d)(1) of this section. An agency must provide procedures under which selections are made from among either all qualified persons or all qualified persons in the civil service. If selected, the individual participates in the agency's SESCDP.

(1) An individual who does not currently hold a career or career-type civil service appointment may only participate in an SESCDP by means of a Schedule B appointment authorized by 5 CFR 213.3202(j) to a full-time position created for developmental purposes connected with the SESCDP. Exercising its authority under §302.101(c)(6) of this chapter, OPM hereby exempts these full-time positions created for developmental purposes connected with the SESCDP from the appointment procedures of part 302 of this chapter. Competition for these appointments must be conducted pursuant to SES merit staffing procedures at §317.501 of this chapter, except agencies must follow the principle of veterans' preference as far as administratively feasible, in accordance with §302.101(c) of this chapter. Candidates serving under this Schedule B appointment may not be used to fill an agency's regular positions on a continuing basis.

(2) An individual who currently holds a career or career-type appointment in the civil service must be selected through SES merit staffing procedures at §317.501 of this chapter. Subject to the approval of the agency in which the selectee is employed, such an individual may be selected for and participate in an SESCDP in any agency while serving in his or her position of record. The individual may continue to participate in the SESCDP upon moving to other civil service positions under career or career-type appointment, assuming the employing agency approves. An SESCDP competition does not satisfy the requirements of part 335 of this chapter and therefore does not provide an independent basis to appoint or promote a career or career-type appointee.

(3) A career or career-type appointee may participate in an SESCDP conducted by an agency other than his or her employing agency under such terms as are mutually agreeable and outlined in a Memorandum of Understanding (MOU) signed by both agencies involved. The MOU should be submitted to OPM after the candidate is selected and before the program begins. Terms of the MOU must be consistent with applicable provisions of 5 U.S.C. chapter 41, and a copy must be provided to OPM. Either agency may decline or discontinue a candidate's participation if such terms cannot be negotiated or are not fulfilled.

(4) Any candidate's participation in an SESCDP is at the discretion of the employing agency and subject to provisions established under 5 CFR 412.302(a) for removing a participant who does not make adequate progress in the program.

(5) For purposes of this paragraph (d), a "career-type" appointment means a career or career-conditional appointment or an appointment of equivalent tenure. An appointment of equivalent tenure is considered to be an appointment in the excepted service that is placed in Group I or Group II under section 351.502(b).

Subpart D—Executive Development

§412.401 Continuing executive development.

(a) Each agency must establish a program or programs for the continuing development of its senior executives in accordance with 5 U.S.C 3396(a). Such agency programs must include preparation, implementation, and regular updating of an Executive Development Plan (EDP) for each senior executive. The EDPs will:

(1) Function as a detailed guide of developmental experiences to help SES members, through participation in short-term and longer-term experiences, meet organizational needs for leadership, managerial improvement, and organizational results;
(2) Address enhancement of existing executive competencies and such other competencies as will strengthen the executive's performance;

(3) Outline developmental opportunities and assignments to allow the individual to develop a broader perspective in the agency as well as Government-wide; and

(4) Be reviewed annually and revised as appropriate by an ERB or similar body designated by the agency to oversee executive development, using input from the performance evaluation cycle.

(b) Consistent with 5 U.S.C. 3396(d) and other applicable statutes, EDPs may provide for executive sabbaticals and other long-term assignments outside the Federal sector.

Subpart B—Performance Appraisal for General Schedule, Prevailing Rate, and Certain Other Employees

Source: 60 FR 43943, Aug. 23, 1995, unless otherwise noted.

§ 430.201 General.

(a) Statutory authority. Chapter 43 of title 5, United States Code, provides for the establishment of agency performance appraisal systems and requires the Office of Personnel Management (OPM) to prescribe regulations governing such systems. The regulations in this subpart in combination with statute set forth the requirements for agency performance appraisal system(s) and program(s) for employees covered by subchapter I of chapter 43.

(b) Savings provision. The performance appraisal system portion of an agency’s Performance Management Plan approved by OPM as of September 22, 1995 shall constitute an approved performance appraisal system under the regulations in this subpart until such time changes to the system are approved. No provision of the regulations in this subpart shall be applied in such a way as to affect any administrative proceeding related to any action taken under regulations in this chapter pending on September 22, 1995.

(c) Equivalent ratings of record. (1) If an agency has administratively adopted and applied the procedures of this subpart to evaluate the performance of its employees, the ratings of record resulting from that evaluation are considered ratings of record for reduction in force purposes.

(2) Other performance evaluations given while an employee is not covered by the provisions of this subpart are considered ratings of record for reduction in force purposes when the performance evaluation—

(i) Was issued as an officially designated evaluation under the employing agency’s performance evaluation system.

(ii) Was derived from the appraisal of performance against expectations that are established and communicated in advance and are work related, and

(iii) Identified whether the employee performed acceptably.

(3) When the performance evaluation does not include a summary level designator and pattern comparable to those established at § 430.208(d), the agency may identify a level and pattern based on information related to the appraisal process.

§ 430.202 Coverage.

(a) Employees and agencies covered by statute. (1) Section 4301(1) of title 5, United States Code, defines agencies covered by this subpart.

(2) Section 4301(2) of title 5, United States Code, defines employees covered by statute by this subpart. Besides General Schedule (GS/GM) and prevailing rate employees, coverage includes, but is not limited to, senior-level and scientific and professional employees paid under 5 U.S.C. 5376.

(b) Statutory exclusions. This subpart does not apply to agencies or employees excluded by 5 U.S.C. 4301(1) and (2), the United States Postal Service, or the Postal Rate Commission.

(c) Administrative exclusions. OPM may exclude any position or group of positions in the excepted service under the authority of 5 U.S.C. 4301(2)(G). The regulations in this subpart exclude excepted service positions for which employment is not reasonably expected to exceed the minimum period established under § 430.207(a) in a consecutive 12-month period.

(d) Agency requests for exclusions. Heads of agencies or their designees may request the Director of OPM to exclude positions in the excepted service. The request must be in writing, explaining why the exclusion would be in the interest of good administration.

§ 430.203 Definitions.

In this subpart, terms are defined as follows:

Additional performance element means a dimension or aspect of individual, team, or organizational performance that is not a critical or non-critical element. Such elements are not used in assigning a summary level but, like critical and non-critical elements, are
useful for purposes such as communicating performance expectations and serving as the basis for granting awards. Such elements may include, but are not limited to, objectives, goals, program plans, work plans, and other means of expressing expected performance.

Appraisal means the process under which performance is reviewed and evaluated.

Appraisal period means the established period of time for which performance will be reviewed and a rating of record will be prepared.

Appraisal program means the specific procedures and requirements established under the policies and parameters of an agency appraisal system.

Appraisal system means a framework of policies and parameters established by an agency as defined at 5 U.S.C. 4301(1) for the administration of performance appraisal programs under subchapter I of chapter 43 of title 5, United States Code, and this subpart.

Critical element means a work assignment or responsibility of such importance that unacceptable performance on the element would result in a determination that an employee’s overall performance is unacceptable. Such elements shall be used to measure performance only at the individual level.

Non-critical element means a dimension or aspect of individual, team, or organizational performance, exclusive of a critical element, that is used in assigning a summary level. Such elements may include, but are not limited to, objectives, goals, program plans, work plans, and other means of expressing expected performance.

Performance means accomplishment of work assignments or responsibilities.

Performance appraisal system: See Appraisal system.

Performance plan means all of the written, or otherwise recorded, performance elements that set forth expected performance. A plan must include all critical and non-critical elements and their performance standards.

Performance rating means the written, or otherwise recorded, appraisal of performance compared to the performance standard(s) for each critical and non-critical element on which there has been an opportunity to perform for the minimum period. A performance rating may include the assignment of a summary level within a pattern (as specified in §430.208(d)).

Performance standard means the management-approved expression of the performance threshold(s), requirement(s), or expectation(s) that must be met to be appraised at a particular level of performance. A performance standard may include, but is not limited to, quality, quantity, timeliness, and manner of performance.

Progress review means communicating with the employee about performance compared to the performance standards of critical and non-critical elements.

Rating of record means the performance rating prepared at the end of an appraisal period for performance of agency-assigned duties over the entire period and the assignment of a summary level within a pattern (as specified in §430.208(d)), or (2) in accordance with §531.404(a)(1) of this chapter. These constitute official ratings of record referenced in this chapter.

§ 430.204 Agency performance appraisal system(s).

(a) Each agency as defined at section 4301(1) of title 5, United States Code, shall develop one or more performance appraisal systems for employees covered by this subpart.

(b) An agency appraisal system shall establish agencywide policies and parameters for the application and operation of performance appraisal within the agency for the employees covered by the system. At a minimum, an agency system shall—

1. Establishing employee performance plans, including, but not limited to, critical elements and performance standards;

2. Communicating performance plans to employees at the beginning of an appraisal period;

3. Evaluating each employee during the appraisal period on the employee’s elements and standards;
(iv) Recognizing and rewarding employees whose performance so warrants;
(v) Assisting employees in improving unacceptable performance; and
(vi) Reassigning, reducing in grade, or removing employees who continue to have unacceptable performance, but only after an opportunity to demonstrate acceptable performance.

(2) Identify employees covered by the system;

(3) Specify the flexibilities an agency program established under the system has for setting—
   (i) The length of the appraisal period (as specified in § 430.206(a));
   (ii) The length of the minimum period (as specified in § 430.207(a));
   (iii) The number(s) of performance levels at which critical and non-critical elements may be appraised (as specified in § 430.206(b)(7)(i)(A) and (ii)(A)); and
   (iv) The pattern of summary levels that may be assigned in a rating of record (as specified in § 430.208(d));

(4) Include, where applicable, criteria and procedures for establishing separate appraisal programs under an appraisal system; and

(5) Require that an appraisal program shall conform to statute, the regulations of this chapter, and the requirements established by the appraisal system.

(c) Agencies are encouraged to involve employees in developing and implementing their system(s). When agencies involve employees, the method of involvement shall be in accordance with law.

[60 FR 43943, Aug. 23, 1995; 60 FR 47646, Sept. 13, 1995]

§ 430.205 Agency performance appraisal program(s).

(a) Each agency shall establish at least one appraisal program of specific procedures and requirements to be implemented in accordance with the applicable agency appraisal system. At a minimum, each appraisal program shall specify the employees covered by the program and include the procedures and requirements for planning performance (as specified in § 430.206), monitoring performance (as specified in § 430.207), and rating performance (as specified in § 430.208).

(b) An agency program shall establish criteria and procedures to address employee performance for employees who are on detail, who are transferred, and for other special circumstances as established by the agency.

(c) An agency may permit the development of separate appraisal programs under an appraisal system.

(d) Agencies are encouraged to involve employees in developing and implementing their program(s). When agencies involve employees, the method of involvement shall be in accordance with law.

§ 430.206 Planning performance.

(a) Appraisal period. (1) An appraisal program shall designate an official appraisal period for which a performance plan shall be prepared, during which performance shall be monitored, and for which a rating of record shall be prepared.

(2) Each program shall specify a single length of time as its appraisal period. The appraisal period generally shall be 12 months so that employees are provided a rating of record on an annual basis. A program's appraisal period may be longer when work assignments and responsibilities so warrant or performance management objectives can be achieved more effectively.

(3) Each program shall specify a single length of time as its appraisal period. The appraisal period generally shall be 12 months so that employees are provided a rating of record on an annual basis. A program’s appraisal period may be longer when work assignments and responsibilities so warrant or performance management objectives can be achieved more effectively.

(b) Performance plan. (1) Agencies shall encourage employee participation in establishing performance plans.

(2) Performance plans shall be provided to employees at the beginning of each appraisal period (normally within 30 days).

(3) An appraisal program shall require that each employee be covered by an appropriate written, or otherwise recorded, performance plan based on work assignments and responsibilities.

(4) Each performance plan shall include all elements which are used in deriving and assigning a summary level, including at least one critical element and any non-critical element(s).

(5) Each performance plan may include one or more additional performance elements, which—
   (i) Are not used in deriving and assigning a summary level, and
(i) Are used to support performance management processes as described at § 430.102(b).

(6) A performance plan established under an appraisal program that uses only two summary levels (pattern A as specified in § 430.208(d)(1)) shall not include non-critical elements.

(7) An appraisal program shall establish how many and which performance levels may be used to appraise critical and non-critical elements.

(8) Elements and standards shall be established as follows—

(i) For a critical element—

(A) At least two levels for appraisal shall be used with one level being “Fully Successful” or its equivalent and another level being “Unacceptable,” and

(B) A performance standard shall be established at the “Fully Successful” level and may be established at other levels.

(ii) For non-critical elements, when established—

(A) At least two levels for appraisal shall be used, and

(B) A performance standard(s) shall be established at whatever level(s) is appropriate.

(iii) The absence of an established performance standard at a level specified in the program shall not preclude a determination that performance is at that level.

§ 430.207 Monitoring performance.

(a) Minimum period. An appraisal program shall establish a minimum period of performance that must be completed before a performance rating may be prepared.

(b) Ongoing appraisal. An appraisal program shall include methods for appraising each critical and non-critical element during the appraisal period. Performance on each critical and non-critical element shall be appraised against its performance standard(s). Ongoing appraisal methods shall include, but not be limited to, conducting one or more progress reviews during each appraisal period.

(c) Marginal performance. Appraisal programs should provide assistance whenever performance is determined to be below “Fully Successful” or equivalent but above “Unacceptable.”

(d) Unacceptable performance. An appraisal program shall provide for—

(1) Assisting employees in improving unacceptable performance at any time during the appraisal period that performance is determined to be unacceptable in one or more critical elements; and

(2) Taking action based on unacceptable performance.

§ 430.208 Rating performance.

(a) As soon as practicable after the end of the appraisal period, a written, or otherwise recorded, rating of record shall be given to each employee.

(1) A rating of record shall be based only on the evaluation of actual job performance for the designated appraisal period.

(2) An agency shall not issue a rating of record that assumes a level of performance by an employee without an actual evaluation of that employee’s performance.

(3) Except as provided in § 430.208(i), a rating of record is final when it is issued to an employee with all appropriate reviews and signatures.

(b) Rating of record procedures for each appraisal program shall include a method for deriving and assigning a summary level as specified in paragraph (d) of this section based on appraisal of performance on critical elements and, as applicable, non-critical elements.

(1) A Level 1 summary (“Unacceptable”) shall be assigned if and only if performance on one or more critical elements is appraised as “Unacceptable.”

(2) Consideration of non-critical elements shall not result in assigning a Level 1 summary (“Unacceptable”).

(c) The method for deriving and assigning a summary level may not limit or require the use of particular summary levels (i.e., establish a forced distribution of summary levels). However, methods used to make distinctions among employees or groups of employees such as comparing, categorizing, and ranking employees or groups on the basis of their performance may be used for purposes other than assigning a summary level including, but not
limited to, award determinations and promotion decisions.

(d) **Summary levels.** (1) An appraisal program shall use one of the following patterns of summary levels:

<table>
<thead>
<tr>
<th>Pattern</th>
<th>Summary level</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>X</td>
</tr>
<tr>
<td>B</td>
<td>X</td>

<tr>

<td>E</td>
<td></td>
</tr>
<tr>
<td>F</td>
<td></td>
</tr>
<tr>
<td>G</td>
<td></td>
</tr>
<tr>
<td>H</td>
<td></td>
</tr>
</tbody>
</table>

(2) Within any of the patterns shown in paragraph (d)(1) of this section, summary levels shall comply with the following requirements:

(i) Level 1 through Level 5 are ordered categories, with Level 1 as the lowest and Level 5 as the highest;

(ii) Level 1 is “Unacceptable”;

(iii) Level 3 is “Fully Successful” or equivalent; and

(iv) Level 5 is “Outstanding” or equivalent.

(3) The term “Outstanding” shall be used only to describe a Level 5 summary.

(4) The designation of a summary level and its pattern shall be used to provide consistency in describing ratings of record and as a reference point for applying other related regulations, including, but not limited to, assigning additional retention service credit under §351.504 of this chapter.

(5) Under the provisions of §351.504(e) of this chapter, the number of years of additional retention service credit established for a summary level of a rating of record shall be applied in a uniform and consistent manner within a competitive area in any given reduction in force, but the number of years may vary:

(i) In different reductions in force;

(ii) In different competitive areas; and

(iii) In different summary level patterns within the same competitive area.

(e) A rating of record of “Unacceptable” (Level 1) shall be reviewed and approved by a higher level management official.

(f) The rating of record or performance rating for a disabled veteran shall not be lowered because the veteran has been absent from work to seek medical treatment as provided in Executive Order 5396.

(g) When a rating of record cannot be prepared at the time specified, the appraisal period shall be extended. Once the conditions necessary to complete a rating of record have been met, a rating of record shall be prepared as soon as practicable.

(h) Each rating of record shall cover a specified appraisal period. Agencies shall not carry over a rating of record prepared for a previous appraisal period as the rating of record for a subsequent appraisal period(s) without an actual evaluation of the employee’s performance during the subsequent appraisal period.

(i) When either a regular appraisal period or an extended appraisal period ends and any agency-established deadline for providing ratings of record passes or a subsequent rating of record is issued, an agency shall not produce or change retroactively a rating of record that covers that earlier appraisal period except that a rating of record may be changed—

(1) Within 60 days of issuance based upon an informal request by the employee;

(2) As a result of a grievance, complaint, or other formal proceeding permitted by law or regulation that results in a final determination by appropriate authority that the rating of record must be changed or as part of a bona fide settlement of a formal proceeding; or

(3) Where the agency determines that a rating of record was incorrectly recorded or calculated.

(j) A performance rating may be prepared at such other times as an appraisal program may specify for special circumstances including, but not limited to, transfers and performance on details.

§430.209 **Agency responsibilities.**

An agency shall—

(a) Submit to OPM for approval a description of its appraisal system(s) as specified in §430.204(b) of this subpart,
§ 430.210

and any subsequent changes that modify any element of the agency’s system(s) that is subject to a regulatory requirement in this part;

(b) Transfer the employee’s most recent ratings of record, and any subsequent performance ratings, when an employee transfers to another agency or is assigned to another organization within the agency in compliance with part 293 of this chapter and instructions in the OPM Operating Manual, THE GUIDE TO PERSONNEL RECORDKEEPING, for sale by the U.S. Government Printing Office, Superintendent of Documents;

(c) Communicate with supervisors and employees (e.g., through formal training) about relevant parts of its performance appraisal system(s) and program(s);

(d) Evaluate the performance appraisal system(s) and performance appraisal program(s) in operation in the agency;

(e) Report ratings of record data to the Central Personnel Data File in compliance with instructions in the OPM Operating Manual, FEDERAL WORKFORCE REPORTING SYSTEMS, for sale by the U.S. Government Printing Office, Superintendent of Documents;

(f) Maintain and submit such records as OPM may require; and

(g) Take any action required by OPM to ensure conformance with applicable law, regulation, and OPM policy.

§ 430.210 OPM responsibilities.

(a) OPM shall review and approve an agency’s performance appraisal system(s).

(b) OPM may evaluate the operation and application of an agency’s performance appraisal system(s) and program(s).

(c) If OPM determines that an appraisal system or program does not meet the requirements of applicable law, regulation, or OPM policy, it shall direct the agency to implement an appropriate system or program or to take other corrective action.
Office of Personnel Management

§ 430.303 Coverage.
This subpart applies to—
(a) All senior executives covered by subchapter II of chapter 31 of title 5, United States Code; and
(b) Agencies as defined in § 430.303.

§ 430.303 Definitions.
In this subpart—
Agency means an agency as that term is defined in 5 U.S.C. 3132(a)(1) and an Office of Inspector General, which is a separate agency for all provisions of the Senior Executive Service under the Inspector General Act of 1978 (5 U.S.C. App 6(d)).
Annual summary rating means the overall rating level that an appointing authority assigns at the end of the appraisal period after considering (1) the initial summary rating, (2) any input from the executive or a higher level review, and (3) the applicable Performance Review Board’s recommendations. This is the official final rating for the appraisal period.
Appointing authority means the department or agency head, or other official with authority to make appointments in the Senior Executive Service (SES).
Appraisal period means the established period of time for which a senior executive’s performance will be appraised and rated.
Critical element means a key component of an executive’s work that contributes to organizational goals and results and is so important that unsatisfactory performance of the element would make the executive’s overall job performance unsatisfactory.
Initial summary rating means an overall rating level the supervisor derives, from appraising the senior executive’s performance during the appraisal period in relation to the critical elements and performance standards and requirements, and forwards to the Performance Review Board.

Oversight official means the agency head or the individual specifically designated by the agency head who provides oversight of the performance management system and issues performance appraisal guidelines.
Performance means the accomplishment of the work described in the senior executive’s performance plan.
Performance appraisal means the review and evaluation of a senior executive’s performance against critical elements and performance standards and requirements.
Performance management system means the framework of policies and practices that an agency establishes under subchapter II of chapter 43 of title 5, United States Code, subpart A, and this subpart for planning, monitoring, developing, evaluating, and rewarding both individual and organizational performance and for using resulting performance information in making personnel decisions.
Performance requirement means a description of what a senior executive must accomplish, or the competencies demonstrated, for a critical element. A performance requirement establishes the criteria to be met to be rated at a specific level of performance and generally includes quality, quantity, timeliness, cost savings, manner of performance, or other factors.
Performance standard means a normative description of a single level of performance within five such described levels of performance ranging from unsatisfactory performance to outstanding performance. Performance standards provide the benchmarks for developing performance requirements against which actual performance will be assessed.
Progress review means a review of the senior executive’s progress in meeting the performance requirements. A progress review is not a performance rating.
Senior executive performance plan means the written critical elements and performance requirements against which performance will be evaluated during the appraisal period by applying the established performance standards. The plan includes all critical elements,
§ 430.304 SES performance management systems.

(a) To encourage excellence in senior executive performance, each agency must develop and administer one or more performance management systems for its senior executives in accordance with the system standards established in §430.305.

(b) Performance management systems must provide for—

(1) Identifying executives covered by the system;

(2) Monitoring progress in accomplishing critical elements and performance requirements and conducting progress reviews at least once during the appraisal period, including informing executives on how well they are performing;

(3) Establishing an official performance appraisal period for which an annual summary rating must be prepared;

(4) Establishing a minimum appraisal period of at least 90 days;

(5) Ending the appraisal period at any time after the minimum appraisal period is completed, but only if the agency determines there is an adequate basis on which to appraise and rate the senior executive’s performance and the shortened appraisal period promotes effectiveness; and

(6) Establishing criteria and procedures to address performance of senior executives who are on detail, temporarily reassigned, or transferred as described at §430.312(c)(1), and for other special circumstances established by the agency.

§ 430.305 System standards for SES performance management systems.

(a) Each agency performance management system must incorporate the following system standards:

(1) Use critical elements based on OPM-validated executive competencies to evaluate executive leadership and results, including the quality of the executive’s performance;

(2) Align performance requirements with agency mission and strategic planning initiatives;

(3) Define performance standards for each of the summary rating performance levels, which also may be used for the individual elements or performance requirements being appraised;

(4) Appraise each senior executive’s performance at least annually against performance requirements based on established performance standards and other measures;

(5) Derive an annual summary rating through a mathematical method that ensures executives’ performance aligns with level descriptors contained in performance standards that clearly differentiate levels above fully successful, while prohibiting a forced distribution of rating levels for senior executives;

(6) Establish five summary performance levels as follows:

(i) An outstanding level;

(ii) An exceeds fully successful level;

(iii) A fully successful level;

(iv) A minimally satisfactory level; and

(v) An unsatisfactory level;

(7) Include equivalency statements in the system description for agency-specific terms for the five summary performance levels aligning them with the five performance levels required in §430.305(a)(6); and

(8) Use performance appraisals as a basis to adjust pay, reward, retain, and develop senior executives or make other personnel decisions, including removals as specified in §430.312.

(b) An agency may develop its own performance management system for senior executives in accordance with the requirements of this section.

(c) OPM may establish, and refine as needed, a basic performance management system incorporating all requirements of this section, which agencies may adopt, with limited adaptation,
for performance management of its senior executives.

§ 430.306 Planning and communicating performance.

(a) Each senior executive must have a performance plan that describes the individual and organizational expectations for the appraisal period that clearly fall within the senior executive’s area of responsibility and control.

(b) Supervisors must develop performance plans in consultation with senior executives and communicate the plans to them in writing, including through the use of automated systems, on or before the beginning of the appraisal period.

(c) A senior executive performance plan must include—

(1) Critical elements. Critical elements must reflect individual performance results or competencies as well as organizational performance priorities within each executive’s respective area of responsibility and control, and be based on OPM-validated executive competencies.

(2) Performance standards. Performance plans must include the performance standards describing each level of performance at which a senior executive’s performance can be appraised. Performance standards describe the general expectations that must be met to be rated at each level of performance and provide the benchmarks for developing performance requirements.

(3) Performance requirements. At a minimum, performance requirements must describe expected accomplishments or demonstrated competencies for fully successful performance by the executive. An agency may establish performance requirements associated with other levels of performance as well. These performance requirements must align with agency mission and strategic planning initiatives. Performance requirements must contain measures of the quality, quantity, timeliness, cost savings, or manner of performance, as appropriate, expected for the applicable level of performance.

(d) Agencies may require a review of senior executive performance plans at the beginning of the appraisal period to ensure consistency of agency-specific performance requirements. Such reviews may be performed by the Performance Review Board (PRB) or another body of the agency’s choosing.

§ 430.307 Monitoring performance.

Supervisors must monitor each senior executive’s performance throughout the appraisal period and hold at least one progress review. At a minimum, supervisors must inform senior executives during the progress review about how well they are performing with regard to their performance plan. Supervisors must provide advice and assistance to senior executives on how to improve their performance. Supervisors and senior executives may also discuss available development opportunities for the senior executive.

§ 430.308 Appraising performance.

(a) Agencies must establish appropriate timelines for communicating performance plans, conducting appraisals, and assigning and communicating annual summary ratings.

(b) At least annually, agencies must appraise each senior executive’s performance in writing, including through the use of automated systems, and assign an annual summary rating at the end of the appraisal period.

(c) Agencies must appraise a senior executive’s performance on the critical elements and performance requirements in the senior executive’s performance plan.

(d) Agencies must base appraisals of senior executive performance on both individual and organizational performance as it applies to the senior executive’s area of responsibility and control, taking into account factors such as—

(1) Results achieved in accordance with agency mission and strategic planning initiatives;

(2) Overall quality of performance rendered by the executive,

(3) Performance appraisal guidelines that must be based upon assessments of the agency’s performance and are provided by the oversight official to senior executives, rating and reviewing officials, PRB members, and appointing authorities at the conclusion of the appraisal period and before completion of the initial summary ratings;
§ 430.309  Rating performance.

(a) When rating senior executive performance, each agency must—

(1) Comply with the requirements of this section, and

(2) Establish a PRB as described at § 430.311.

(b) Each performance management system must provide that an appraisal and rating for a career appointee’s performance may not be made within 120 days after the beginning of a new President’s term.

(c) When an agency cannot prepare an annual summary rating at the end of the appraisal period because the senior executive has not completed the minimum appraisal period or for other reasons, the agency must extend the executive’s appraisal period. Once the appropriate conditions are met, the agency will then prepare the annual summary rating.

(d) Senior executive performance appraisals and ratings are not appealable.

(e) Procedures for rating senior executives must provide for the following:

(1) Initial summary rating. The supervisor must develop an initial summary rating of the senior executive’s performance, in writing, including through the use of automated systems, and share that rating with the senior executive. The senior executive may respond in writing.

(2) Higher-level review (HLR). A senior executive may ask for a higher-level official to review the initial summary rating before the rating is given to the PRB. The agency must provide each senior executive an opportunity for review of the initial summary rating by an employee, or (with the consent of the senior executive) a commissioned officer in the uniformed services on active duty in the agency, in a higher level in the agency.

(i) A single review by an official at a higher level who did not participate in determining the executive’s initial summary rating will satisfy this requirement. An official providing HLR may not change the initial summary rating but may recommend a different rating to the PRB. HLR may be provided by an official who is at a higher level in the agency than the appointing authority who will approve the final rating under paragraph (e)(4) of this section.

(ii) When an agency cannot provide review by a higher-level official for an executive who receives an initial summary rating from the agency head because no such official exists in the agency, the agency must offer an alternative review as it determines appropriate, except that the review may not be provided by a member of the PRB or an official who participated in determining the initial summary rating.

(iii) If a senior executive declines review by agency-designated higher-level officials, the agency may offer an alternative review but it not obligated to do so. The agency must document the executive’s declination of the HLR opportunity provided by the agency before offering an alternative review.

(iv) Copies of findings and recommendations of the HLR official or the official performing an alternative review under paragraph (e)(2)(ii) through (iii) of this section must be given to the senior executive, the supervisor, and the PRB.

(3) PRB review. The PRB must receive and review the initial summary rating, the senior executive’s response to the initial rating if made, and findings and recommendations of any HLR or any alternative review under paragraph (e)(2) of this section before making recommendations to the appointing authority, as provided in § 430.311.

(4) Annual summary rating. The appointing authority must assign the annual summary rating of the senior executive’s performance after considering the applicable PRB’s recommendations. This rating is the official final rating for the appraisal period and
must be communicated to the executive in writing, including through the use of automated systems, in accordance with the timelines developed under § 430.308(a).

(5) Shortened appraisal periods. The procedures of this section apply whenever an agency terminates an appraisal period under § 430.304(b)(5).

§ 430.310 Details and job changes.
(a) When a senior executive is detailed or temporarily reassigned for 120 days or longer, the gaining organization must set performance goals and requirements for the detail or temporary assignment. The gaining organization must appraise the senior executive’s performance in writing, including through the use of automated systems, and this appraisal must be considered when deriving the initial summary rating.
(b) When a senior executive is reassigned or transferred to another agency after completing the minimum appraisal period, the supervisor must appraise the executive’s performance in writing, including through the use of automated systems, and this appraisal must be considered when deriving the initial summary rating.
(c) The most recent annual summary rating and any subsequent appraisals must be transferred to the gaining agency or organization. The gaining supervisor must consider the rating and appraisals when deriving the initial summary rating at the end of the appraisal period.

§ 430.311 Performance Review Boards (PRBs).
Each agency must establish one or more PRBs to make recommendations to the appointing authority on the performance of its senior executives.
(a) Membership. (1) Each PRB must have three or more members who are appointed by the agency head, or by another official or group acting on behalf of the agency head. Agency heads are encouraged to consider diversity and inclusion in establishing their PRBs.
(b) PRB members must be appointed in a way that assures consistency, stability, and objectivity in SES performance appraisal.
(3) When appraising a career appointee’s performance or recommending a career appointee for a performance-based pay adjustment or performance award, more than one-half of the PRB’s members must be SES career appointees.
(4) The agency must publish notice of PRB appointments in the Federal Register before service begins.
(b) Functions. (1) Each PRB must consider agency performance as communicated by the oversight official through the performance appraisal guidelines when reviewing and evaluating the initial summary rating, any senior executive’s response, and any higher-level official’s findings and recommendations on the initial summary rating or the results of an alternative review. The PRB may conduct any further review needed to make its recommendations. The PRB may not review an initial summary rating to which the executive has not been given the opportunity to respond in writing, including through the use of automated systems.
(2) The PRB must make a written recommendation, including through the use of automated systems, to the appointing authority about each senior executive’s annual summary rating, performance-based pay adjustment, and performance award.
(3) PRB members may not take part in any PRB deliberations involving their own appraisals, performance-based pay adjustments, and performance awards.

§ 430.312 Using performance results.
(a) Agencies must use performance appraisals as a basis for adjusting pay, granting awards, retaining senior executives, and making other personnel decisions. Performance appraisals also will be a factor in assessing a senior executive’s continuing development needs.
(b) Agencies are required to provide appropriate incentives and recognition (including pay adjustments and performance awards under part 534, subpart D) for excellence in performance.
(c) A career executive may be removed from the SES for performance reasons, subject to the provisions of part 359, subpart E, as follows:
§430.313 Training and evaluation.

(a) To assure effective implementation of agency performance management systems, agencies must provide appropriate information and training to agency leadership, supervisors, and senior executives on performance management, including planning and appraising performance.

(b) Agencies must periodically evaluate the effectiveness of their performance management system(s) and implement improvements as needed. Evaluations must provide for both assessment of effectiveness and compliance with relevant laws, OPM regulations, and OPM performance management policy.

(c) Agencies must maintain all performance-related records for no fewer than 5 years from the date the annual summary rating is issued, as required in 5 CFR 293.404(b)(1).

§430.314 OPM review of agency systems.

(a) Agencies must submit proposed SES performance management systems to OPM for approval. Agency systems must address the system standards and requirements specified in this subpart.

(b) OPM will review agency systems for compliance with the requirements of law, OPM regulations, and OPM performance management policy, including the system standards specified at §430.305.

(c) If OPM finds that an agency system does not meet the requirements and intent of subchapter II of chapter 43 of title 5, United States Code, or of this subpart, OPM will identify the requirements that were not met and direct the agency to take corrective action, and the agency must comply.

§430.401 Purpose.

(a) This subpart implements 5 U.S.C. 5307(d), as added by section 1322 of the Chief Human Capital Officers Act of 2002 (Title XIII of Public Law 107–296, the Homeland Security Act of 2002; November 25, 2002), which provides a higher aggregate limitation on pay for certain members of the Senior Executive Service (SES) under 5 U.S.C. 5382 and 5383 and employees in senior-level (SL) and scientific or professional (ST) positions paid under 5 U.S.C. 5376. In addition, this subpart is necessary to administer rates of basic pay for members of the SES under 5 U.S.C. 5382, as amended by section 1125 of the National Defense Authorization Act for Fiscal Year 2004. The regulations in this subpart strengthen the application of pay-for-performance principles to senior executives and senior professionals. Specifically, the statutory provisions authorize an agency to apply a higher maximum rate of basic pay for senior executives (consistent with 5 CFR part 534, subpart D, when effective) and apply a higher aggregate limitation on pay (consistent with 5 CFR part 530, subpart B) to its senior employees, but only after OPM, with OMB concurrence, has certified that the design and application of the agency’s appraisal systems for these employees make meaningful distinctions based on relative performance. This subpart establishes the certification criteria and procedures that OPM will apply in considering agency requests for such certification.

(b) Senior executives generally may receive an annual rate of basic pay up to the rate for level III of the Executive Schedule under 5 U.S.C. 5382 and 5 CFR part 534, subpart D, when effective. Senior employees generally may receive total compensation in a calendar year up to the rate for level I of the Executive Schedule under 5 U.S.C.
Office of Personnel Management

§ 430.403 System certification.

(a) The performance appraisal system(s) covering senior employees must be certified by OPM, with OMB concurrence, as making meaningful distinctions based on relative performance before an agency may apply a maximum annual rate of basic pay for senior executives equal to the rate for level II of the Executive Schedule or apply an annual aggregate limitation on payments to senior employees equal to the salary of the Vice President under 5 U.S.C. 5307(d)). OPM, with OMB concurrence, will certify an agency’s appraisal system(s) only when a review of that system’s design, application, and administration reveals that the agency meets the certification criteria established in § 430.404 and has followed the procedures for certifying agency appraisal systems in § 430.405.

(b) Except as provided in paragraph (c) of this section, agencies subject to 5 U.S.C. chapter 43 and 5 CFR part 430 seeking certification of their appraisal systems not covered by 5 U.S.C. chapter 43 for communicating what a senior employee is expected to do and the manner in which he/she is expected to do it, and may include contribution to agency performance, where appropriate.

Program performance measures means results-oriented measures of performance, whether at the agency, component, or function level, which include, for example, measures under the Government Performance and Results Act. PRB means Performance Review Board, as described at § 430.310.

Relative performance means the performance of a senior employee with respect to the performance of other senior employees, including their contribution to agency performance, where appropriate, as determined by the application of a certified appraisal system.

Senior employee means a senior executive or a senior professional.

Senior executive means a member of the Senior Executive Service (SES) paid under 5 U.S.C. 5383.

Senior professional means an employee in a senior-level (SL) or scientific or professional position (ST) paid under 5 U.S.C. 5376.

§ 430.403 System certification.

(a) The performance appraisal system(s) covering senior employees must be certified by OPM, with OMB concurrence, as making meaningful distinctions based on relative performance before an agency may apply a maximum annual rate of basic pay for senior executives equal to the rate for level II of the Executive Schedule or apply an annual aggregate limitation on payments to senior employees equal to the salary of the Vice President under 5 U.S.C. 5307(d)). OPM, with OMB concurrence, will certify an agency’s appraisal system(s) only when a review of that system’s design, application, and administration reveals that the agency meets the certification criteria established in § 430.404 and has followed the procedures for certifying agency appraisal systems in § 430.405.

(b) Except as provided in paragraph (c) of this section, agencies subject to 5 U.S.C. chapter 43 and 5 CFR part 430 seeking certification of their appraisal

§ 430.402 Definitions.

In this subpart—

Appraisal system means the policies, practices, and procedures an agency establishes under 5 U.S.C. chapter 43 and 5 CFR part 430, subparts B and C, or other applicable legal authority, for planning, monitoring, developing, evaluating, and rewarding employee performance. This includes appraisal systems and appraisal programs as defined at § 430.203 and performance management systems as defined at § 430.303.

OMB means the Office of Management and Budget.

OPM means the Office of Personnel Management.

Outstanding performance means performance that substantially exceeds the normally high performance expected of any senior employee, as evidenced by exceptional accomplishments or contributions to the agency’s performance.

Performance evaluation means the comparison of the actual performance of senior employees against their performance expectations and may take into account their contribution to agency performance, where appropriate.

Performance expectations means critical and other performance elements and performance requirements that constitute the senior executive performance plans (as defined in § 430.303) established for senior executives, the performance elements and standards that constitute the performance plans (as defined in § 430.203) established for senior professionals, or other appropriate means authorized under performance appraisal systems not covered by 5 U.S.C. chapter 43 for communicating what a senior employee is expected to do and the manner in which he/she is expected to do it, and may include contribution to agency performance, where appropriate.

Program performance measures means results-oriented measures of performance, whether at the agency, component, or function level, which include, for example, measures under the Government Performance and Results Act. PRB means Performance Review Board, as described at § 430.310.

Relative performance means the performance of a senior employee with respect to the performance of other senior employees, including their contribution to agency performance, where appropriate, as determined by the application of a certified appraisal system.

Senior employee means a senior executive or a senior professional.

Senior executive means a member of the Senior Executive Service (SES) paid under 5 U.S.C. 5383.

Senior professional means an employee in a senior-level (SL) or scientific or professional position (ST) paid under 5 U.S.C. 5376.

§ 430.403 System certification.

(a) The performance appraisal system(s) covering senior employees must be certified by OPM, with OMB concurrence, as making meaningful distinctions based on relative performance before an agency may apply a maximum annual rate of basic pay for senior executives equal to the rate for level II of the Executive Schedule or apply an annual aggregate limitation on payments to senior employees equal to the salary of the Vice President under 5 U.S.C. 5307(d)). OPM, with OMB concurrence, will certify an agency’s appraisal system(s) only when a review of that system’s design, application, and administration reveals that the agency meets the certification criteria established in § 430.404 and has followed the procedures for certifying agency appraisal systems in § 430.405.

(b) Except as provided in paragraph (c) of this section, agencies subject to 5 U.S.C. chapter 43 and 5 CFR part 430 seeking certification of their appraisal systems not covered by 5 U.S.C. chapter 43 for communicating what a senior employee is expected to do and the manner in which he/she is expected to do it, and may include contribution to agency performance, where appropriate.

Program performance measures means results-oriented measures of performance, whether at the agency, component, or function level, which include, for example, measures under the Government Performance and Results Act. PRB means Performance Review Board, as described at § 430.310.

Relative performance means the performance of a senior employee with respect to the performance of other senior employees, including their contribution to agency performance, where appropriate, as determined by the application of a certified appraisal system.

Senior employee means a senior executive or a senior professional.

Senior executive means a member of the Senior Executive Service (SES) paid under 5 U.S.C. 5383.

Senior professional means an employee in a senior-level (SL) or scientific or professional position (ST) paid under 5 U.S.C. 5376.
systems must submit systems that have been approved by OPM under § 430.312 or § 430.210, as applicable. In some agencies, the performance appraisal system(s) covers employees in many organizations and/or components, and their ability to meet the certification criteria in § 430.404 may vary significantly. In such cases, an agency may establish and/or submit separate performance appraisal systems for each of these distinct organizations and/or components to ensure timely certification of those performance appraisal system(s) that meet the criteria. New appraisal systems established under 5 CFR part 430, subpart B or C, as applicable based on the employees covered, must be approved by OPM.

(c) When an agency establishes a new appraisal system for the purpose of seeking certification under this subpart, the agency may submit that system for certification even if it has not yet been approved by OPM under § 430.312 or § 430.210, as applicable. OPM will certify, with OMB concurrence, only those systems that OPM determines meet the approval requirements of 5 CFR part 430, subpart B or C, as applicable.

(d) An agency must establish an appraisal system(s), as defined in § 430.402, for its senior professionals that meets the requirements of 5 CFR part 430, subpart B, and is separate from the system(s) established to cover its SES members under 5 CFR part 430, subpart C. For the purpose of certification under this subpart, such senior professional appraisal system(s) must meet the certification criteria set forth in § 430.404. At its discretion, an agency may include system features in its senior professional appraisal system(s) that are the same as, or similar to, the features of its SES appraisal system(s), as appropriate, including procedures that correspond to the higher level review procedures under § 430.308(b) and PRB reviews of summary ratings under § 430.308(c).

(e) For agencies subject to 5 U.S.C. chapter 43 and 5 CFR part 430, OPM approval of the agency performance appraisal system(s) is a prerequisite to certification. Agencies not subject to the appraisal provisions of 5 U.S.C. chapter 43 and 5 CFR part 430 and which are seeking certification of their appraisal system(s) under this subpart must submit appropriate documentation to demonstrate that each system complies with the appropriate legal authority that governs the establishment, application, and administration of that system.

§ 430.404 Certification criteria.

(a) To be certified, an agency’s applicable appraisal system(s) for senior executives or senior professionals must make meaningful distinctions based on relative performance and meet the other requirements of 5 U.S.C. chapter 43, as applicable, in addition to the particular criterion cited here (i.e., consultation). Such system(s) must provide for the following:

1. Alignment, so that the performance expectations for individual senior employees derive from, and clearly link to, the agency’s mission, GPRA strategic goals, program and policy objectives, and/or annual performance plans and budget priorities;

2. Consultation, so that the performance expectations for senior employees meet the requirements of 5 CFR part 430, subparts B and C, as applicable, and/or other applicable legal authority; are developed with the input and involvement of the individual senior employees who are covered thereby; and are communicated to them at the beginning of the applicable appraisal period, and/or at appropriate times thereafter;

3. Results, so that the performance expectations for individual senior employees apply to their respective areas of responsibility; reflect expected agency and/or organizational outcomes and outputs, performance targets or metrics, policy/program objectives, and/or milestones; identify specific programmatic crosscutting, external, and partnership-oriented goals or objectives, as applicable; and are stated in terms of observable, measurable, and/or demonstrable performance;

4. Balance, so that in addition to expected results, the performance expectations for individual senior employees include appropriate measures or indicators of employee and/or customer/
stakeholder feedback; quality, quantity, timeliness, and cost effectiveness, as applicable; and those technical, leadership and/or managerial competencies or behaviors that contribute to and are necessary to distinguish outstanding performance;

(5) Appropriate assessments of the agency’s performance—overall and with respect to each of its particular missions, components, programs, policy areas, and support functions—such as reports of the agency’s GPRA goals, annual performance plans and targets, program performance measures, and other appropriate indicators, as well as evaluation guidelines based, in part, upon those assessments, that are communicated by the agency head, or an individual specifically designated by the agency head for such purpose, to senior employees, appropriate senior employee rating and reviewing officials, and PRB members. These assessments and guidelines are to be provided at the conclusion of the appraisal period but before individual senior employee performance ratings are recommended, so that they may serve as a basis for individual performance evaluations, as appropriate. The guidance provided may not take the form of quantitative limitations on the number of ratings at any given rating level, and must conform to 5 CFR part 430, subpart B or C, as applicable;

(6) Oversight by the agency head or the individual specifically designated under paragraph (a)(5) of this section, who certifies, for a particular senior employee appraisal system, that—

(i) The senior employee appraisal process makes meaningful distinctions based on relative performance;

(ii) The results of the senior employee appraisal process take into account, as appropriate, the agency’s assessment of its performance against program performance measures, as well as other relevant considerations; and

(iii) Pay adjustments, cash awards, and levels of pay based on the results of the appraisal process accurately reflect and recognize individual performance and/or contribution to the agency’s performance;

(7) Accountability, so that final agency head decisions and any PRB recommendations regarding senior employee ratings consistent with 5 CFR part 430, subparts B and C, individually and overall, appropriately reflect the employee’s performance expectations, relevant program performance measures, and such other relevant factors as the PRB may find appropriate; in the case of supervisory senior employees, ratings must reflect the degree to which performance standards, requirements, or expectations for individual subordinate employees clearly link to organizational mission, GPRA strategic goals, or other program or policy objectives and take into account the degree of rigor in the appraisal of their subordinate employees;

(8) Performance differentiation, so that the system(s) includes at least one summary level of performance above fully successful, including a summary level that reflects outstanding performance, as defined in §430.402, and so that its annual administration results in meaningful distinctions based on relative performance that take into account the assessment of the agency’s performance against relevant program performance measures, as described in paragraph (a)(6) of this section, employee performance expectations, and such other relevant factors as may be appropriate. Relative performance does not require ranking senior employees against each other; such ranking is prohibited for the purpose of determining performance ratings. For equivalent systems that do not use summary ratings, the appraisal system must provide for clear differentiation of performance at the outstanding level; and

(9) Pay differentiation, so that those senior employees who have demonstrated the highest levels of individual performance and/or contribution to the agency’s performance receive the highest annual summary ratings or ratings of record, as applicable, as well as the largest corresponding pay adjustments, cash awards, and levels of pay, particularly above the rate for level III of the Executive Schedule. Agencies must provide for transparency in the processes for making pay decisions, while assuring confidentiality.

(b) Consistent with the requirements in section 3(a) of the Inspector General
Act of 1978, an agency’s Inspector General or an official he or she designates must perform the functions listed in paragraphs (a)(5) and (6) of this section for senior employees in the Office of the Inspector General.

§ 430.405 Procedures for certifying agency appraisal systems.

(a) General. To receive system certification, an agency must provide documentation demonstrating that its appraisal system(s), in design, application, and administration, meets the certification criteria in §430.404 as well as the procedural requirements set forth in this section.

(b) Certification requests. In order for an agency’s appraisal system to be certified, the head of the agency or designee must submit a written request for full or provisional certification of its appraisal system(s) to OPM. Certification requests may cover an agency-wide system or a system that applies to one or more agency organizations or components and must include—

(1) A full description of the appraisal system(s) to be certified, including—

(i) Organizational and employee coverage information;
(ii) Applicable administrative instructions and implementing guidance; and
(iii) The system’s use of rating levels that are capable of clearly differentiating among senior employees based on appraisals of their relative performance against performance expectations in any given appraisal period reflecting performance evaluation results that make meaningful distinctions based on relative performance, and which include—

(A) For the agency’s senior executives covered by 5 CFR part 430, subpart C, at least four, but not more than five, summary rating levels—an outstanding level, a fully successful level, an optional level between outstanding and fully successful, a minimally satisfactory level, and an unsatisfactory level;
(B) For the agency’s senior professionals covered by 5 CFR part 430, subpart B, at least three, but not more than five, summary levels—an outstanding level, a fully successful level, an optional level between outstanding and fully successful, an unacceptable level, and an optional level between fully successful and unacceptable; and
(C) For agencies not subject to 5 CFR part 430, subparts B and C, a summary rating level that reflects outstanding performance or a methodology that clearly differentiates outstanding performance, as defined in §430.402;

(2) A clearly defined process for reviewing—

(i) The initial summary ratings and ratings of record, as applicable, of senior employees to ensure that annual summary ratings or ratings of record are not distributed arbitrarily or on a rotational basis, and
(ii) In the case of senior employees with supervisory responsibilities—

(A) The performance standards, requirements, or expectations for the employees they supervise to ensure that they clearly link to organizational mission, GPRA strategic goals, or other program and policy objectives, as appropriate, and
(B) The performance standards, requirements, or expectations and the performance ratings of the employees they supervise to ensure that they reflect distinctions in individual and organizational performance, as appropriate;

(3) Documentation showing that the appraisal system(s) meets the applicable certification criteria, as follows:

(i) For provisional certification, the requirements in §430.404(a)(1)–(4); and
(ii) For full certification, all of the requirements in §430.404.

(4) For full certification, data on senior executive annual summary ratings and senior professional ratings of record, as applicable (or other documentation for agencies that do not use summary ratings), for the two appraisal periods preceding the request, as well as corresponding pay adjustments, cash awards, and levels of pay provided to those senior employees; and

(5) Any additional information that OPM and OMB may require to make a determination regarding certification.

(c) Certification actions. At the request of an agency, the Director of OPM, at his or her discretion and in accordance with the requirements of this subpart and with OMB concurrence,
may grant full or provisional certification of the agency’s appraisal system(s). OPM, with OMB concurrence, may—

(1) Grant full certification of an agency’s senior employee appraisal system(s) for 2 calendar years when an agency has demonstrated that it has designed and fully implemented and applied an appraisal system(s) for its senior executives or senior professionals, as applicable, that meets the certification criteria in §430.404 and the documentation requirements of this section.

(2) Grant provisional certification of an agency’s senior employee appraisal system(s) for 1 calendar year when an agency has designed, but not yet fully implemented or applied, an appraisal system(s) for its senior executives or senior professionals, as applicable, that meets the certification criteria in §430.404. OPM may extend provisional certification into the following calendar year in order to permit an agency to take any actions needed to adjust pay based on annual summary ratings, ratings of record, or other performance appraisal results determined during the calendar year for which the system was certified; or

(3) Suspend certification under paragraph (h) of this section if, at any time during the certification period, OPM, with OMB concurrence, determines that the agency appraisal system is not in compliance with certification criteria.

(d) Pay limitations. Absent full or provisional certification of its appraisal system(s), an agency must—

(1) Set a senior executive’s rate of basic pay at a rate that does not exceed the rate for level III of the Executive Schedule, consistent with 5 CFR part 534, subpart D, when effective; and

(2) Limit aggregate compensation paid to senior employees in a calendar year to the rate for level I of the Executive Schedule, consistent with 5 CFR part 534, subpart D, when effective.

(e) Full certification. (1) OPM, with OMB concurrence, may grant full certification when a review of the agency’s request and accompanying documentation demonstrates that the design, application, and administration of the agency’s appraisal system(s) meet the criteria in §430.404 and the documentation requirements of this section.

(2) An agency with a fully-certified appraisal system(s) may set the rate of basic pay under 5 CFR part 534, subpart D, when effective, for a senior executive covered by a certified system at a rate that does not exceed the rate for level II of the Executive Schedule and pay senior employees covered by certified system(s) aggregate compensation in a certified calendar year in an amount up to the Vice President’s salary under 3 U.S.C. 104.

(f) Provisional certification. (1) OPM, with OMB concurrence, may grant provisional certification when the design of an agency’s appraisal system(s) for senior executives or senior professionals, as applicable, meets the requirements set forth in this subpart, but insufficient documentation exists to determine whether the actual application and administration of the appraisal system(s) meet the requirements for full certification. OPM, with OMB concurrence, may grant provisional certification to an agency more than once.

(2) During the 1-year period of provisional certification, an agency may set the rate of basic pay for a senior executive covered by the provisionally certified system at a rate that does not exceed the rate for level II of the Executive Schedule (consistent with 5 CFR part 534, subpart D, when effective) and pay senior employees covered by provisionally certified systems aggregate compensation in the certified calendar year in an amount up to the Vice President’s salary under 3 U.S.C. 104 (consistent with 5 CFR part 530, subpart B).
(3) An agency must resubmit an application requesting provisional certification for every calendar year for which it intends to maintain provisional certification. An agency with a provisionally certified appraisal system(s) may request that OPM, with OMB concurrence, grant full certification upon a showing that its performance appraisal systems for senior executives and senior professionals, as applicable, meet the certification criteria in §430.404 and the documentation requirements in this section, particularly with respect to the implementation and administration of the system(s) over at least two consecutive performance appraisal periods.

(g) Annual reporting requirement. Agencies with certified appraisal systems must provide OPM with a general summary of the annual summary ratings and ratings of record, as applicable, and rates of basic pay, pay adjustments, cash awards, and aggregate total compensation (including any lump-sum payments in excess of the applicable aggregate limitation on pay that were paid in the current calendar year as required by §530.204) for their senior employees covered by a certified appraisal system at the conclusion of each appraisal period that ends during a calendar year for which the certification is in effect, in accordance with OPM instructions.

(h) Suspension of certification. (1) When OPM determines that an agency’s certified appraisal system is no longer in compliance with certification criteria, OPM, with OMB concurrence, may suspend such certification, as provided in paragraph (c)(3) of this section.

(2) An agency's system certification is automatically suspended when OPM withdraws performance appraisal system approval or mandates corrective action because of misapplication of the system as authorized under §§430.210(c), 430.312(c), and 430.403(e).

(3) OPM will notify the head of the agency at least 30 calendar days in advance of the suspension and the reason(s) for the suspension, as well as any expected corrective action. Upon such notice, and until its system certification is reinstated, the agency must set a senior executive’s rate of basic pay under 5 CFR part 534, subpart D, when effective, at a rate that does not exceed the rate for level III of the Executive Schedule. While certification is suspended, an agency must limit aggregate compensation received in a calendar year by a senior employee to the rate for level I of the Executive Schedule. Pay adjustments, cash awards, and levels of pay in effect prior to that notice will remain in effect unless OPM finds that any such decision and subsequent action was in violation of law, rule, or regulation.

(4) OPM, with OMB concurrence, may reinstate an agency’s suspended certification only after the agency has taken appropriate corrective action.

§ 432.103 Definitions.

For the purpose of this part—

(a) Acceptable performance means performance that meets an employee’s performance requirement(s) or standard(s) at a level of performance above “unacceptable” in the critical element(s) at issue.

(b) Critical element means a work assignment or responsibility of such importance that unacceptable performance on the element would result in a determination that an employee’s overall performance is unacceptable.

(c) Current continuous employment means a period of employment or service immediately preceding an action under this part in the same or similar positions without a break in Federal civilian employment of a workday.

(d) Opportunity to demonstrate acceptable performance means a reasonable chance for the employee whose performance has been determined to be unacceptable in one or more critical elements to demonstrate acceptable performance in the critical element(s) at issue.

(e) Reduction in grade means the involuntary assignment of an employee to a position at a lower classification or job grading level.

(f) Removal means the involuntary separation of an employee from employment with an agency.

(g) Similar positions mean positions in which the duties performed are similar in nature and character and require substantially the same or similar qualifications, so that the incumbents could be interchanged without significant training or undue interruption to the work.

(h) Unacceptable performance means performance of an employee that fails to meet established performance standards in one or more critical elements of such employee’s position.

§ 432.104 Addressing unacceptable performance.

At any time during the performance appraisal cycle that an employee’s performance is determined to be unacceptable in one or more critical elements, the agency shall notify the employee of the critical element(s) for which performance is unacceptable and inform the employee of the performance requirement(s) or standard(s) that must
be attained in order to demonstrate acceptable performance in his or her position. The agency should also inform the employee that unless his or her performance in the critical element(s) improves to and is sustained at an acceptable level, the employee may be reduced in grade or removed. For each critical element in which the employee’s performance is unacceptable, the agency shall afford the employee a reasonable opportunity to demonstrate acceptable performance, commensurate with the duties and responsibilities of the employee’s position. As part of the employee’s opportunity to demonstrate acceptable performance, the agency shall offer assistance to the employee in improving unacceptable performance.

§ 432.105 Proposing and taking action based on unacceptable performance.

(a) Proposing action based on unacceptable performance. (1) Once an employee has been afforded a reasonable opportunity to demonstrate acceptable performance pursuant to §432.104, an agency may propose a reduction-in-grade or removal action if the employee’s performance during or following the opportunity to demonstrate acceptable performance is unacceptable in 1 or more of the critical elements for which the employee was afforded an opportunity to demonstrate acceptable performance.

(2) If an employee has performed acceptably for 1 year from the beginning of an opportunity to demonstrate acceptable performance (in the critical element(s) for which the employee was afforded an opportunity to demonstrate acceptable performance), and the employee’s performance again becomes unacceptable, the agency shall afford the employee an additional opportunity to demonstrate acceptable performance before determining whether to propose a reduction in grade or removal under this part.

(3) A proposed action may be based on instances of unacceptable performance which occur within a 1 year period ending on the date of the notice of proposed action.

(4) An employee whose reduction in grade or removal is proposed under this part is entitled to:

(i) Advance notice. (A) The agency shall afford the employee a 30 day advance notice of the proposed action that identifies both the specific instances of unacceptable performance by the employee on which the proposed action is based and the critical element(s) of the employee’s position involved in each instance of unacceptable performance.

(B) An agency may extend this advance notice period for a period not to exceed 30 days under regulations prescribed by the head of the agency. An agency may extend this notice period further without prior OPM approval for the following reasons:

(1) To obtain and/or evaluate medical information when the employee has raised a medical issue in the answer to a proposed reduction in grade or removal;

(2) To arrange for the employee’s travel to make an oral reply to an appropriate agency official, or the travel of an agency official to hear the employee’s oral reply;

(3) To consider the employee’s answer if an extension to the period for an answer has been granted (e.g., because of the employee’s illness or incapacitation);

(4) To consider reasonable accommodation of a handicapping condition;

(5) If agency procedures so require, to consider positions to which the employee might be reassigned or reduced in grade; or

(6) To comply with a stay ordered by a member of the Merit Systems Protection Board under 5 U.S.C. 1208(b).

(C) If an agency believes that an extension of the advance notice period is necessary for another reason, it may request prior approval for such extension from the Chief, Family Programs and Employee Relations Division, Office of Labor Relations and Workforce Performance, Personnel Systems and Oversight Group, Office of Personnel Management, 1900 E Street NW., Washington, DC 20415.

(ii) Opportunity to answer. The agency shall afford the employee a reasonable time to answer the agency’s notice of proposed action orally and in writing.
§ 432.106 Appeal and grievance rights.

(a) Appeal rights. An employee covered under § 432.102(e) who has been removed or reduced in grade under this part may appeal to the Merit Systems Protection Board if the employee is:

1. In the competitive service and has completed a probationary or trial period;
2. In the competitive service serving in an appointment which is not subject to a probationary or trial period, and has completed 1 year of current continuous employment in the same or similar position(s) under other than a temporary appointment limited to 1 year or less;
3. A preference eligible in the excepted service who has completed 1 year of current continuous employment in the same or similar position(s); or
4. A nonpreference eligible in the excepted service who is covered by subparts C and D of part 752 of this chapter.

(b) Final written decision. The agency shall consider any answer of the employee and/or his or her representative furnished in response to the agency’s proposal. A decision to reduce in grade or remove an employee for unacceptable performance may be based only on those instances of unacceptable performance that occurred during the 1 year period ending on the date of issuance of the advance notice of proposed action under § 432.105(a)(4)(i). The agency shall issue written notice of its decision to the employee at or before the time the action will be effective. Such notice shall specify the instances of unacceptable performance by the employee on which the action is based and shall inform the employee of any applicable appeal and/or grievance rights.

Parties to the collective bargaining agreement and the employee is:

(i) In the competitive service and has completed a probationary or trial period.

(ii) In the competitive service, serving in an appointment which is not subject to a probationary or trial period, and has completed 1 year of current continuous employment in the same or similar position(s) under other than a temporary appointment limited to 1 year or less;

(iii) A preference eligible in the excepted service who has completed 1 year of current continuous employment in the same or similar position(s); or

(iv) A nonpreference eligible in the excepted service who is covered by subparts C and D of part 752 of the chapter.

(2) 5 U.S.C. 7114(a)(5) and 7121(b)(3), and the terms of an applicable collective bargaining agreement govern representation for employees in an exclusive bargaining unit who grieve a matter under this section through the negotiated grievance process.

(c) Election of forum. As provided at 5 U.S.C. 7121(e)(1), a bargaining unit employee who by law may file an appeal or a grievance, and who has exercised his or her option to appeal an action taken under this part to the Merit Systems Protection Board, may not also file a grievance on the matter under a negotiated grievance procedure. Likewise, a bargaining unit employee who has exercised his or her option to grieve an action taken under this part may not also file an appeal on the matter with the Merit Systems Protection Board.

§ 432.107 Agency records.

(a) When the action is affected. The agency shall preserve all relevant documentation concerning a reduction in grade or removal which is based on unacceptable performance and make it available for review by the affected employee or his or her representative. At a minimum, the agency’s records shall consist of a copy of the notice of the notice of proposed action, the answer of the employee when it is in writing, a summary thereof when the employee makes an oral reply, the written notice of decision and the reasons therefor, and any supporting material including documentation regarding the opportunity afforded the employee to demonstrate acceptable performance.

(b) When the action is not affected. As provided at 5 U.S.C. 4303(d), if, because of performance improvement by the employee during the notice period, the employee is not reduced in grade or removed, and the employee’s performance continues to be acceptable for 1 year from the date of the advanced written notice provided in accordance with § 432.105(a)(4)(i), any entry or other notation of the unacceptable performance for which the action was proposed shall be removed from any agency record relating to the employee.

Subpart A—Agency Awards

§ 451.101 Authority and coverage.

(a) Chapter 45 of title 5, United States Code authorizes agencies to pay a cash award to, grant time-off to, and incur necessary expense for the honorary recognition of, an employee (individually or as a member of a group) and requires the Office of Personnel Management to prescribe regulations governing such authority. Chapter 43 of title 5, United States Code, provides for recognizing and rewarding employees whose performance so warrants. The regulations in this subpart, in combination with chapters 43 and 45 of title 5, United States Code, and any other applicable law, establish the requirements for agency award programs.

(b) Section 4 of E.O. 11438 (Prescribing Procedures Governing Interdepartmental Cash Awards to the Members of the Armed Forces, December 3, 1968) requires the Office of Personnel Management to prescribe procedures for covering the cost of a cash award recommended by more than one agency for a member of the armed forces for the adoption or use of a suggestion, invention, or scientific achievement. Section 1 of E.O. 12828 (Delegation of Certain Personnel Management Authorities, January 5, 1993) delegates to the Office of Personnel Management the authority of the President to permit performance-based cash awards under 5 U.S.C. 4505a to be paid to categories of employees who would not be eligible otherwise.

(c) This subpart applies to employees as defined by section 2105 and agencies as defined by section 4501 of title 5, United States Code, except as provided in §§ 451.105 and 451.201(b).

(d) For the regulatory requirements for granting performance awards to Senior Executive Service (SES) employees under 5 U.S.C. 5384, refer to § 534.405 of this chapter.

(e) An agency may grant performance-based cash awards on the basis of a rating of record at the fully successful level (or equivalent) or above under the authority of 5 U.S.C. 4505a and the provisions of this part to eligible non-GS employees who are covered by 5 U.S.C. chapter 45 and this part and who are not otherwise covered by an explicit statutory authority for the payment of such awards, including 5 U.S.C. 5384 (SES performance awards).

§ 451.102 Definitions.

Award means something bestowed or an action taken to recognize and reward individual or team achievement that contributes to meeting organizational goals or improving the efficiency, effectiveness, and economy of the Government or is otherwise in the public interest. Such awards include, but are not limited to, employee incentives which are based on predetermined criteria such as productivity standards, performance goals, measurement systems, award formulas, or payout schedules.

Award program means the specific procedures and requirements established by an agency or a component of an agency for granting awards under subchapter I of chapter 43 and subchapter I of chapter 45 of title 5, United States Code, and this subpart.

§ 451.103 Agency award program(s).

(a) Agencies shall develop one or more award programs for employees covered by this subpart.

(b) Agencies are encouraged to involve employees in developing such programs. When agencies involve employees, the method of involvement shall be in accordance with law.

(c) An agency award program shall provide for—

(1) Obligating funds consistent with applicable agency financial management controls and delegations of authority; and

(2) Documenting justification for awards that are not based on a rating of record (as defined in § 430.203 of this chapter).

[60 FR 43946, Aug. 23, 1995; 60 FR 47646, Sept. 13, 1995]

§ 451.104 Awards.

(a) An agency may grant a cash, honorary, or informal recognition award,
or grant time-off without charge to leave or loss of pay consistent with chapter 45 of title 5, United States Code, and this part to an employee, as an individual or member of a group, on the basis of—

(1) A suggestion, invention, superior accomplishment, productivity gain, or other personal effort that contributes to the efficiency, economy, or other improvement of Government operations or achieves a significant reduction in paperwork;

(2) A special act or service in the public interest in connection with or related to official employment; or

(3) Performance as reflected in the employee’s most recent rating of record (as defined in §430.203 of this chapter), provided that the rating of record is at the fully successful level (or equivalent) or above, except that performance awards may be paid to SES members only under §534.405 of this chapter and not on the basis of this subpart.

(b) A cash award under this subpart is a lump sum payment and is not basic pay for any purpose.

(c) An award is subject to applicable tax rules, such as withholding.

(d) When an award is approved for—

(1) An employee of another agency, the benefiting agency shall make arrangements to transfer funds to the employing agency to cover the award. If the administrative costs of transferring funds would exceed the amount of the award, the employing agency shall absorb the award costs and pay the award; and

(2) A member of the armed forces for a suggestion, invention, or scientific achievement, arrangements shall be made to transfer funds to the agency having jurisdiction over the member in accordance with E.O. 11438, “Prescribing Procedures Governing Interdepartmental Cash Awards to the Members of the Armed Forces”.

(e) An award may be granted to a separated employee or the legal heir(s) or estate of a deceased employee.

(f) A time-off award granted under this subpart shall not be converted to a cash payment under any circumstances.

(g) When granting an award paid as a percentage of basic pay under 5 U.S.C. 4505(a)(2), the rate of basic pay used must include any applicable locality payment under 5 CFR part 531, subpart F; special rate supplement under 5 CFR part 530, subpart C; or similar payment or supplement under other legal authority. For an employee receiving a retained rate under 5 CFR part 536, subpart C (or similar authority, such as 5 CFR 359.705), the rate of basic pay is the maximum payable rate for the employee’s grade or level, rather than the retained rate.

(h) Programs for granting performance-based cash awards on the basis of a rating of record at the fully successful level (or equivalent) or above, as designed and applied, must make meaningful distinctions based on levels of performance.

§ 451.105 Award restrictions.

(a) In accordance with 5 U.S.C. 4508, agencies shall not grant awards under this subpart during a Presidential election period to employees who are—

(1) In a Senior Executive Service position and not a career appointee as defined under 5 U.S.C. 3132(a)(4); or

(2) In an excepted service position of a confidential or policy-determining character (schedule C).

(1) An Executive Schedule position, or

(2) A position for which pay is set in statute by reference to a section or level of the Executive Schedule.

§ 451.106 Agency responsibilities.

(a) In establishing and operating its award program(s), an agency shall assure that a program does not conflict with or violate any other law or Governmentwide regulation.

(b) When a recommended award would grant more than $10,000 to an individual employee, the agency shall submit the recommendation to OPM for approval.
§ 451.107  OPM responsibilities.

(a) OPM shall review and approve or disapprove each agency recommendation for an award that would grant more than $10,000 to an individual employee.

(b) When a recommended award would grant more than $25,000 to an individual employee, OPM shall review the recommendation and submit it (if approved) to the President for final approval.

(c) OPM shall review and approve or disapprove a request from the head of an Executive agency to extend the provisions of 5 U.S.C. 4505a to any category of employees within that agency that would not be covered otherwise.

(d) OPM may evaluate the operation and application of an agency’s award program(s).

§ 470.205 Initiation of research programs.

OPM will announce opportunities for research contracts by issuing Requests for Proposals (RFP’s) in accordance with Federal procurement regulations. Unsolicited proposals may be accepted; however the relevance of the proposed research to OPM research needs will determine the acceptability of the proposal.
Subpart C—Regulatory Requirements Pertaining to Demonstration Projects

§ 470.301 Program expectations.
(a) Demonstration projects permit the Office of Personnel Management and Federal agencies to test alternative personnel management concepts in controlled situations to determine the likely effects and ramifications of proposed changes before putting them into general effect. OPM will assist agencies, within available resources, in developing projects which demonstrate new or improved personnel methods.
(b) The demonstration project must be proposed in a research context. The project plan must include a research design which contains:
   (1) Measurable goals or objectives;
   (2) Acceptable expected results or outcomes;
   (3) A description of the procedures, methods and techniques to be demonstrated in achieving the desired goals or objectives;
   (4) An evaluation section describing the data collection and analysis procedures to be used to assess the success or failure of the project from a qualitative and quantitative standpoint; and
   (5) An itemization of all costs and benefits associated with the project, to the agency, the Government, and the community.
(c) OPM may establish and maintain activities which publish, exchange and apply the results of demonstration projects.
(d) OPM may seek legislation, or to the extent already authorized by law, make changes in regulation to implement permanently successful procedures, techniques, new management knowledge, and materials which improve personnel management programs or techniques.

§ 470.303 Eligible parties.
(a) Any Federal agency, or groups of two or more Federal agencies, eligible to propose demonstration projects under 5 U.S.C. 4701(a)(1) and 4701(b) may conduct demonstration projects after approval by the Office of Personnel Management and required Congressional and public review.
(b) While only a Federal agency may propose and conduct a demonstration project, the agency may be assisted in the development and evaluation of the project under contract or agreement with public or private institutions and organizations.

§ 470.305 Submission of proposals for demonstration projects.
(a) OPM will accept project proposals at any time. However, OPM may delay action for a reasonable amount of time on submitted proposals until comparisons can be made with other existing projects or with project proposals of a similar nature not yet received by OPM but known to be under development.
(b) Agencies must submit the project proposal in the form of a project plan to OPM for approval. OPM will prescribe the content of a project plan in its guidance and instructions, which at a minimum will contain the items identified in 5 U.S.C. 4703(b)(1) and 5 CFR 470.301(b).
(c) Agencies will outline, at the time proposed demonstration projects are submitted to OPM for approval, what discussions of the project have been held with labor organizations which have been accorded exclusive recognition for bargaining units containing employees involved in or affected by the proposed demonstration project.
(d) OPM may combine and evaluate similar project proposals received from different agencies as a single project, with the approval of the agencies involved.

§ 470.307 Notification responsibilities.
(a) 5 U.S.C. 4703 requires notification of tentatively approved demonstration project plans to Congress, employees, labor organizations, and the public.
(b) OPM shall:
   (1) Notify each House of the Congress 180 days in advance of the beginning of each project; and
   (2) Publish each tentatively approved project plan as a notice in the FEDERAL REGISTER.
(c) Each agency having a tentatively approved project plan shall:
   (1) Notify and make available copies of the project plan to:
§ 470.315 Project modification and extension.

(i) All employees who may be interested in or affected by the activities of the demonstration project; and

(ii) All labor organizations accorded exclusive recognition for bargaining units which include employees in or affected by the project plan.

(2) Certify to OPM in writing when and how the requirements of §470.307(c)(1) were carried out and document the manner in which it insured that all affected employees were notified.

(3) Observe the consultation and negotiation requirements of 5 U.S.C. 4709 (f) and (g).

§ 470.309 Public hearing.

(a) Notice of public hearing. OPM shall hold a public hearing no less than 30 days after the date of its notice in the Federal Register during which interested persons or organizations may present their written or oral views concerning the proposed demonstration project. The notice of public hearing shall be published in the Federal Register and shall:

(1) State the date, time, place and purpose of the hearing;

(2) Describe briefly the project;

(3) Indicate where more information and a copy of the project plan may be obtained;

(4) State the name and address of the person who will receive written comments from those unable to attend the hearing; and

(5) Indicate the date by which written comments must be received to be considered.

(b) Nature of public hearing. The hearing will be informal to encourage effective oral presentations by interested individuals and organizations. The presiding officer, designated by the Director, OPM, shall in his or her reasonable discretion regulate the course of the proceedings and the conduct of those present at the hearing by appropriate means.

(c) A written summary shall be made of the oral evidence.

(d) The record shall be left open for 2 weeks after the conclusion of the hearing to receive additional written data, views, and arguments from the parties participating in the hearing.

§ 470.311 Final project approval.

(a) The Office of Personnel Management will consider all timely relevant oral and written views, arguments, and data before final approval or disapproval of a project plan. OPM may request that the agency modify the tentatively approved project plan before final approval because of comments and data received from the Congress, the public, labor organizations, and affected employees. OPM will not permit the agency to implement the project until all required consultation or negotiation has been completed, including the conclusion of impasse resolution and negotiability disputes.

(b) The Office of Personnel Management shall provide a copy of the final version of the project plan to each House of the Congress at least 90 days in advance of the date the project is to take effect.

(c) Agencies involved in the project shall communicate the content of the final project plan to:

(1) Labor organizations and affected employees; and

(2) Individuals and groups known to be interested in the project’s activities.

§ 470.313 Project implementation regulations.

Agencies will prepare demonstration project implementing regulations, as appropriate, to replace Government-wide statutes and regulations waived for the project. Demonstration project implementing regulations issued pursuant to an OPM-approved demonstration project must be approved by OPM and shall have full force and authority pursuant to Title VI of the Civil Service Reform Act of 1978.

§ 470.315 Project modification and extension.

OPM-approved projects permit the testing of alternative personnel systems and procedures in accordance with the provisions of the project plan. The provisions of approved project plans will not be modified, duplicated in organizations not listed in the project plan, or extended by agencies to individuals or groups of employees not included in the project plan without the approval of the Office of Personnel Management. OPM will inform
§ 470.317 Project evaluation.

(a) Compliance evaluation. OPM will review the operation of the project periodically to determine its compliance with the requirements of this part and the approved project plan. If OPM determines that an agency is not meeting legal, regulatory, or project plan requirements, it may, as appropriate, direct the agency to take corrective action or terminate the project.

(b) Results evaluation. All approved project plans will contain an evaluation section to measure the impact of the project results in relation to its objectives and to determine whether or not permanent changes in law and/or regulation should be considered or proposed. Where the project plan provides for agency evaluation of project results, OPM will review those project evaluation efforts, may conduct evaluations of its own, on a sample basis, to verify results, and may report its own conclusions. If OPM or the agency determines that an experiment is creating a substantial hardship on, or is not in the best interest of, the public, the Federal Government, employees, or eligibles, even though the experiment is being conducted properly, OPM or the agency may jointly or unilaterally terminate the project.

PART 511—CLASSIFICATION UNDER THE GENERAL SCHEDULE

Subpart A—General Provisions

Sec.
511.101 Definitions.

Subpart B—Coverage of the General Schedule

511.201 Coverage of and exclusions from the General Schedule.
511.202 Authority of agency.
511.203 Exercise of authority.

Subparts C–E [Reserved]

Subpart F—Classification Appeals

511.601 Applicability of regulations.
(e) Position means the work, consisting of the duties and responsibilities, assigned by competent authority for performance by an employee.

Subpart B—Coverage of the General Schedule

§ 511.201 Coverage of and exclusions from the General Schedule.
This part and chapter 51 of the title 5, United States Code, apply to all positions in the agencies except those specifically excluded by section 5102 of title 5, United States Code. (5 U.S.C. 5102)

§ 511.204 Right to appeal.
(a) Employee appeal. An employee, or the employee’s designated representative acting on behalf of an employee, may request an Office decision as to:
(1) The appropriate occupational series or grade of the employee’s official position.
(2) The inclusion under or exclusion from chapter 51 of title 5, United States Code, of the employee’s official position, except in the case of a position located in the Office of the Architect of the Capitol.

Subpart F—Classification Appeals

§ 511.601 Applicability of regulations.
This subpart applies to a request from an employee or an agency for the Office to review the classification of a position subject to chapter 51 of title 5, United States Code, or for the Office to determine whether a position is subject to that chapter.

§ 511.602 Notification of classification decision.
An employee whose position is reclassified to a lower grade which is based in whole or in part on a classification decision is entitled to a prompt written notice from the agency. This includes employees who are eligible for retained grade or pay. If the reclassification is due to an Office classification certificate issued under the authority of 5 U.S.C. 5110, the agency will also explain the reasons for the reclassification action to the employee. This notice shall inform the employee:
(a) Of his or her right to appeal the classification decision to the agency (if the agency has an established appeal system and it has the authority to review the classification decision), or to the Office as provided in this subpart if such an appeal has not already been made:
(b) Of the time limits within which the employee’s appeal must be filed in order to preserve any retroactive benefits under § 511.703; and
(c) Any other appeal or grievance rights available under applicable law, rule, regulation or negotiated agreement.

§ 511.604 Filing an appeal.
(a) Employee appeal. An employee may appeal by writing to the Office directly, or by forwarding the appeal through the employing agency.
(b) Referral of an employee appeal to the Office. An agency shall forward, within 60 calendar days of its receipt in the agency, and employee’s appeal filed through the agency to the Office when:
(1) The employee has directed the appeal to the Office and the agency’s written decision is not favorable; or
§ 511.605 Time limits.

(a) Employees. (1) An employee may submit an appeal of his or her official position at any time. If the employee has suffered a loss in grade or pay, is not entitled to retained grade or pay, and desires retroactive adjustments, the time limits in § 511.703 must be observed.

(2) If the employee is appealing an agency decision or an Office classification certificate issued under 5 U.S.C. 5103 or 5110, the employee shall promptly appeal if he or she disagrees with the classification certificate. Employees must meet the time limits provided in § 511.703 in order to preserve the right to retroactive adjustment.

(b) Agency. An agency may appeal an Office classification certificate issued under authority of section 5103 or 5110 of title 5, United States Code, at any time. Heads of agencies should appeal prior to the implementation date of the certificate if they disagree with the classification rationale.

(c) Reconsideration. An employee or agency may request reconsideration of an Office appellate decision. The request must be in writing, and filed not later than 45 calendar days after the decision is issued. This time limit may be waived under exceptional circumstances by either the Director or the Director’s designee.

§ 511.606 Form and content of an appeal.

(a) Employee appeal. An employee’s appeal shall be in writing, and shall contain the reasons why the employee believes his or her position is erroneously classified, or should be brought under or excluded from chapter 51 of title 5, United States Code. The agency, when forwarding the employee’s appeal or when requested by the Office, shall furnish all relevant facts concerning the position and the agency’s justification for its classification decision. The agency shall also comment on the information submitted by the employee if requested to do so by the Office. Either the employee or agency may submit relevant information to the Office at any time following the initial filing of an appeal.

(b) Agency appeal. An agency’s appeal shall be in writing, and shall contain its reasons and justification for requesting a review of the Office’s certificate.

(c) Inspection of the Office’s appellate record. The employee, an employee’s representative and the agency will be permitted to inspect the Office’s appellate record on request. Agencies will make available to appellants copies of any and all information submitted by the agency to the Office with respect to the appellant’s individual appeal.

§ 511.607 Nonappealable issues.

(a) The following issues are not appealable to the Office under this subpart. Such issues may be reviewed under administrative or negotiated grievance procedures if applicable:

(1) The accuracy of the official position description including the inclusion or exclusion of a major duty in the official position description. When the accuracy of the official position description is questioned by the employee, the employee will be directed to review this matter with his or her supervisor. If management and the employee cannot resolve their differences informally, the accuracy of the position description should be reviewed in accordance with administrative or negotiated grievance procedures. If the accuracy of the position description cannot be resolved in this manner, the Office will decide the appeal on the basis of the actual duties and responsibilities assigned by management and performed by the employee;

(2) An assignment or detail out of the scope of normally performed duties as outlined in the official position description;

(3) The accuracy, consistency or use of agency supplemental classification guides; or,

(4) The title of the position unless a specific title is authorized in a published Office classification standard or
guide, or the title reflects a qualification requirement or authorized area of specialization.

(b) The following issues are neither appealable nor reviewable:

(1) The class, grade, or pay system of a position to which the employee is not officially assigned by an official personnel action;

(2) An agency’s proposed classification decision;

(3) The class, grade, or pay system of a position to which the employee is detailed or promoted on a time-limited basis, except that employees serving under time-limited promotion for 2 years or more may appeal the classification of their positions to the Office under these procedures.

(4) The classification of the employee’s position based on position-to-position comparisons and not standards;

(5) The accuracy of grade level criteria contained in an Office classification guide or standard; or

(6) A classification decision that has been issued by the Office under this subpart when there has been no change in the governing classification standard(s) or the major duties of the position.

§ 511.608 Employee representatives.

An employee may select a representative of his or her choice to assist in the preparation and presentation of an appeal. An agency may disallow an employee’s representative when the individual’s activities as a representative would cause a conflict of interest or position; an employee who cannot be released from his or her official duties because of the priority needs of the Government; or an employee whose release would give rise to unreasonable costs to the Government.

§ 511.609 Ascertainment of facts.

The employee, a designated representative, and the agency shall furnish such facts as may be requested by the Office within the time frames specified. The facts shall be in writing when so requested. The Office, in its discretion, may investigate or audit the position. A representative may not participate in OPM on-site audits unless specifically requested to do so by the Office.

§ 511.610 Notification.

The Office shall notify the employee, or a representative if one is designated, and the agency in writing of its decision.

§ 511.611 Cancellation of an employee appeal.

An employee’s appeal shall be cancelled and the employee so notified in writing in the following circumstances:

(a) On receipt of the employee’s written request for cancellation.

(b) On failure to prosecute, when the employee or the designated representative does not furnish requested information, or proceed with the advancement of the appeal.

The Office may at its discretion reopen a cancelled appeal on a showing that circumstances beyond the control of the employee prevented pursuing the appeal.

§ 511.612 Finality of decision.

An appellate decision made by the Office is final unless reconsidered by the Office. There is no further right of appeal. The Office may reconsider a decision at its discretion. The decision shall constitute a certificate which is mandatory and binding on all administrative, certifying, payroll, disbursing, and accounting officials of the Government. Agencies shall review their own classification decisions for identical, similar or related positions to insure consistency with the Office’s certificate.

§ 511.613 Appeals reconsideration by the Office.

The Office may, at its discretion, reopen and reconsider a certificate issued under this subpart.

(a) Requests which contain new and material information, or disagreements over the significance of information, will be remanded to the Director’s designee for a decision.

(b) The Office may reopen and reconsider a decision only when written argument or evidence is presented which
§ 511.614 Review by the Director.

The Director may, at his or her discretion, reopen and reconsider any decision when written argument or evidence is submitted which tends to establish that:

(a) The previous decision involves an erroneous interpretation of law or regulation, or a misapplication of established policy;

(b) The previous decision is of a predecisional nature involving a new or unreviewed policy consideration that may have effects beyond the actual case at hand, or is otherwise of such an exceptional nature as to merit the personal attention of the Director.

§ 511.615 Temporary compliance authority.

Agencies may use temporary or conditional compliance action, e.g., a temporary promotion or a temporary reassignment when available, if:

(a) A position has been certified by the Office under either section 5110 or 5112 of title 5, United States Code;

(b) The certificate has not been suspended; and,

(c) The agency or employee has requested reconsideration.

This authority will not be used if the position has been downgraded and the employee is entitled to retained grade under section 5362 of title 5, United States Code.

§ 511.616 Availability of information.

(a) The Office, upon a request which identifies the individual from whose file the information is sought, shall disclose the following information from an appeal file to a member of the public, except when the disclosure would constitute a clearly unwarranted invasion of personal privacy:

(1) Confirmation of the name of the individual from whose file the information is sought and the names of the other parties concerned;

(2) The status of the appeal;

(3) The results of the appeal (i.e., proper title, pay plan, series, and grade);

(4) the classification requested (i.e., title, pay plan, series, and grade); and

(5) With the consent of the parties concerned, other reasonably identified information from the file.

(b) The Office will disclose to the parties concerned the information contained in an appeal file in proceedings under this part. For the purposes of this section, the parties concerned means the Government employee or former Government employee involved in the proceedings, his or her representative designated in writing, and the representative of the agency or the Office involved in the proceeding.

Subpart G—Effective Dates of Position Classification Actions or Decisions

SOURCE: 46 FR 9915, Jan. 30, 1981, unless otherwise noted.

§ 511.701 Effective dates generally.

(a) Agency classification actions. (1) A classification action is a determination to establish or change the title, series, grade or pay system of a position based on application of published position classification standards or guides. This is a position action.

(i) The effective date of a position action taken by an agency shall be the date an official with properly delegated authority approves (certifies) the proposed classification. This is accomplished when the authorized official(s) signs the allocation of the position.

(ii) The effective date of a position action may be extended to correspond with the effective date of the personnel action when:

(A) The position is being changed to lower grade or pay; and

(B) The employee occupying the position is eligible for retained grade or pay under 5 U.S.C. 5362–5363.

(2) A position action is implemented by a personnel action. The personnel action must occur within a reasonable
period of time following the date of the position action.

(3) If the position action requires a personnel action which will result in a loss of grade or pay to the occupant of the position, the agency must advise the employee, in writing, of the position action and the proposed date of the personnel action. This notice shall be issued prior to taking a personnel action.

(4) Except as provided in §511.703, classification actions may not be made retroactive.

(b) Office of Personnel Management's classification decision. (1) The effective date of a classification decision made by means of a certificate issued under the authority of section 5110, title 5, United States Code is not earlier than the date of the certificate, and not later than the beginning of the fourth pay period following the date of the certificate, unless a subsequent date is specifically stated in the certificate. Except as otherwise provided by this paragraph the filing of an appeal of such a certificate does not delay its effective date.

(2) The implementation of the certificate may be suspended when it is determined before its effective date that a review of the classification decision is warranted and suspension is desirable. The determination to suspend implementation may be made by the Director or the Director’s designee. Suspending the implementation does not change the effective date of the decision except when the original decision requires that the grade or pay of the position be reduced and the employee is not entitled to retained grade or pay.

(3) When the original decision requires that the grade or pay of the position be reduced and the employee is not entitled to retained grade or pay, the reviewing authority, if sustaining the original decision, shall issue a new certificate and the effective date of the new certificate shall be not earlier than the date of the new decision and not later than the beginning of the fourth pay period following the date of the new decision, unless a subsequent date is specifically stated in the new decision.

§511.703 Retroactive effective date.

(a) Applicability. A retroactive effective date may be required only if the employee is wrongfully demoted.

(b) Downgrading. (1) The effective date of a classification appellate certificate or agency appellate decision can be retroactive only if it corrects a classification action which resulted in a loss of grade or pay. In order for the
decision to be made retroactive, the employee must file the initial request for review with either the agency or the Office not later than 15 calendar days after the effective date of the reclassification action.

(2) However, if the appellate decision raises the grade of the position above the original grade, retroactivity will apply only to the extent of restoration to the original grade.

(3) The right to a retroactive effective date provided by this section is preserved on subsequent appeals from an agency or Office classification decision when the subsequent appeal is filed not later than 15 calendar days following receipt of written notification of a final agency administrative decision or 15 calendar days after the effective date of the action taken as a result of the classification decision, whichever is later.

(c) Grade change based on new duties and responsibilities. Retroactivity may be based only on duties and responsibilities existing at the time of demotion and cannot be based on duties and responsibilities assigned later.

(d) Retroactivity when time limits are extended. The right to a retroactive effective date provided by this section may be preserved at the discretion of the Office, on a showing by the employee that he or she was not notified of the applicable time limit and was not otherwise aware of it, or that circumstances beyond his or her control prevented filing an appeal within the prescribed time limit.

530.203 Administration of aggregate limitation on pay.
530.204 Payment of excess amounts.
530.205 Records.

Subpart C—Special Rate Schedules for Recruitment and Retention

GENERAL PROVISIONS
530.301 Purpose and applicability.
Office of Personnel Management

§ 530.202

(1) Basic pay received as an employee of the executive branch or as an employee outside the executive branch to whom the General Schedule applies;

(2) Premium pay under 5 U.S.C. chapter 53, subchapter IV;

(3) Premium pay under 5 U.S.C. chapter 55, subchapter V;

(4) Incentives and performance-based cash awards under 5 U.S.C. chapters 45 and 53;

(6) Extended assignment incentives under 5 U.S.C. 5757;

(7) Supervisory differentials under 5 U.S.C. 5755;

(8) Post differentials under 5 U.S.C. 5925;

(9) Danger pay allowances under 5 U.S.C. 5928;

(10) Post differentials based on environmental conditions for employees stationed in nonforeign areas under 5 U.S.C. 5941(a)(2);

(11) Physicians’ comparability allowances under 5 U.S.C. 5948;

(12) Continuation of pay under 5 U.S.C. 8118;

(13) Lump-sum payments in excess of the aggregate limitation on pay as required by §530.204; and

(14) Other similar payments authorized under title 5, United States Code, excluding—

(i) Overtime pay under the Fair Labor Standards Act of 1938, as amended, and 5 CFR part 551;

(ii) Severance pay under 5 U.S.C. 5595;

(iii) Lump-sum payments for accumulated and accrued annual leave upon separation under 5 U.S.C. 5551 or 5552;

(iv) Back pay awarded to an employee under 5 U.S.C. 5596 because of an unjustified personnel action;

(v) Student loan repayments under 5 U.S.C. 5379; and

Aggregate limitation means the limitation on aggregate compensation received in any given calendar year as established by 5 U.S.C. 5307. For an executive branch employee (including employees in Senior Executive Service positions paid under 5 U.S.C. 5383 and employees in senior-level or scientific or professional positions paid under 5 U.S.C. 5376 covered by an applicable performance appraisal system that has been certified under 5 CFR part 430, subpart D, the limitation on aggregate compensation is equal to the total annual compensation payable to the Vice President under 3 U.S.C. 104 at the end of a calendar year.

Basic pay means the total amount of pay received at a rate fixed by law or administrative action for the position held by an employee, including any special rate under 5 CFR part 530, subpart C, or any locality-based comparability payment under 5 CFR part 531, subpart F, or other similar payment under other legal authority, before any deductions. Basic pay includes night and environmental differentials for prevailing rate employees under 5 U.S.C. 5343(f) and 5 CFR 532.511. Basic pay excludes additional pay of any other kind.

Discretionary payment means a payment an agency has discretion to make to an employee. Payments that are authorized to be made to an employee under the terms of a service agreement or preauthorized to be made to an employee at a regular fixed rate each pay period are not discretionary payments.

Employee has the meaning given that term in 5 U.S.C. 2105.

Estimated aggregate compensation means the agency’s projection of the aggregate compensation an employee actually would receive during a calendar year but for application of the aggregate limitation to future payments. This projection must be based upon known factors. Estimated aggregate compensation includes—

(1) The total amount of basic pay the employee will receive during the calendar year;
§ 530.203

(2) Any lump-sum payment of excess amounts from a previous calendar year, as described in §530.204;

(3) The total amount of nondiscretionary payments the employee would be entitled to receive during the calendar year; and

(4) The total amount of discretionary payments the employee would be authorized to receive during the calendar year.

§ 530.203 Administration of aggregate limitation on pay.

(a) Except as provided in paragraph (b) of this section, no executive branch employee or General Schedule employee in the legislative branch (or General Schedule employee in the judicial branch, excluding those paid under 28 U.S.C. 332(f), 603, and 604), may receive any allowance, differential, bonus, award, or other similar cash payment under title 5, United States Code, in any calendar year which, in combination with the employee’s basic pay (whether received under title 5, United States Code, or otherwise), would cause the employee’s aggregate compensation to exceed the rate for level I of the Executive Schedule on the last day of that calendar year (i.e., the aggregate limitation).

(b) (1) Subject to paragraph (b)(2) of this section, an employee in a Senior Executive Service position paid under 5 U.S.C. 5383 and an employee in a senior-level or scientific or professional position paid under 5 U.S.C. 5376 may not receive any allowance, differential, bonus, award, or other similar cash payment under title 5, United States Code, in any calendar year which, in combination with the employee’s basic pay, would cause the employee’s aggregate compensation to exceed the rate for level I of the Executive Schedule on the last day of that calendar year (i.e., the aggregate limitation).

(2) An employee covered by a performance appraisal system that has been certified under 5 CFR part 430, subpart D, may not receive any allowance, differential, bonus, award, or other similar cash payment under title 5, United States Code, in any calendar year which, in combination with the employee’s basic pay, would cause the employee’s aggregate compensation to exceed the total annual compensation payable to the Vice President under 3 U.S.C. 104 on the last day of that calendar year (i.e., the aggregate limitation).

(3) An agency must make corrective actions as provided in paragraphs (g) and (h) of this section if the agency underestimated or overestimated an employee’s aggregate compensation in a calendar year as a result of receiving or losing certification of its applicable performance appraisal system under 5 CFR part 430, subpart D.

(c) The aggregate limitations described in paragraphs (a) and (b) of this section apply to the aggregate compensation an employee actually received during the calendar year without regard to when the compensation was earned.

(d) When an agency authorizes a discretionary payment for an employee, the agency must defer any portion of such payment that, when added to the estimated aggregate compensation the employee is projected to receive, would cause the employee’s aggregate compensation during the calendar year to exceed the applicable aggregate limitation. Any portion of a discretionary payment deferred under this paragraph must be available for payment as provided in §530.204. When a discretionary payment is authorized but not required to be paid in the current calendar year, an agency official’s decision to set the payment date in the next calendar year is not considered a deferral under this paragraph.

(e) An agency may not defer or discontinue nondiscretionary payments for any period of time to make a discretionary payment that would otherwise cause an employee’s pay to exceed the applicable aggregate limitation. An agency may not defer or discontinue basic pay under any circumstance.

(f) If, after an agency defers discretionary payments as required by paragraph (d) of this section, the estimated aggregate compensation to which an employee is entitled exceeds the applicable aggregate limitation, the agency must defer all nondiscretionary payments (other than basic pay) as necessary to avoid payments in excess of
Office of Personnel Management § 530.204

that limitation. An agency must defer all nondiscretionary payments at the time when otherwise continuing to pay such payments would cause an employee’s estimated aggregate compensation for that calendar year to exceed the applicable aggregate limitation. An agency must pay any portion of a nondiscretionary payment deferred under this paragraph at a later date, as provided in §530.204.

(g)(1) If an agency determines that it underestimated an employee’s aggregate compensation at an earlier date in the calendar year, or the aggregate limitation applicable to the employee is reduced during the calendar year, the sum of the employee’s remaining payments of basic pay may exceed the difference between the aggregate compensation the employee has actually received to date in that calendar year and the applicable aggregate limitation. In such cases, the employee will become indebted to the Federal Government for any amount paid in excess of the applicable aggregate limitation. The head of the agency may waive the debt under 5 U.S.C. 5584, if warranted.

(2) To the extent that any excess amount is attributable to amounts that should have been deferred and would have been payable at the beginning of the next calendar year, an agency must extinguish the excess amount on January 1 of the next calendar year. As part of the correction of the error, the agency must deem the excess amount to have been paid on January 1 of the next calendar year (when the debt was extinguished) as if it were a deferred excess payment, as described in §530.204, and must consider this deemed deferred excess payment to be part of the employee’s aggregate compensation for the new calendar year.

(h) If an agency determines that it overestimated an employee’s aggregate compensation at an earlier date in the calendar year, which caused the agency to defer payments unnecessarily under this section, or the aggregate limitation applicable to the employee is increased during the calendar year, the agency may make appropriate corrective payments to the employee during the calendar year, notwithstanding §530.204.

§ 530.204 Payment of excess amounts.

(a) An agency must pay the amounts that were deferred because they were in excess of the aggregate limitation (as described in §530.203) as a lump-sum payment at the beginning of the following calendar year, except as otherwise provided in this section. This payment is part of the employee’s aggregate compensation for the new calendar year.

(b) If a lump-sum payment under paragraph (a) of this section causes an employee’s estimated aggregate compensation to exceed the aggregate limitation in the current calendar year, an agency must consider only the employee’s basic pay that is expected to be paid in the current year in determining the extent to which the lump-sum payment may be paid. An agency must defer all other payments, as provided in §530.203, in order to pay as much of the lump-sum excess amount as possible. Any payments deferred under this paragraph, including any portion of the lump-sum excess amount that was not payable, are payable at the beginning of the next calendar year, as provided in paragraph (a) of this section.

(c) If an employee transfers to another agency, the gaining agency is responsible for making any lump-sum payment required by paragraph (a) of this section. The previous employing agency must provide the gaining agency with documentation regarding the employee’s excess amount, as provided in §530.205. The previous employing agency must provide a fund transfer equal to the total cost of the lump-sum payment to the gaining agency through the Department of the Treasury’s Intra-Governmental Payment and Collection System. If an employee leaves Federal service, the employing agency is responsible for making the lump-sum payment to the employee as provided in paragraph (d) of this section.

(d) An agency must pay any excess amount regardless of the calendar year.
limitation under the following conditions:

(1) If an employee dies, the employing agency must pay the entire excess amount as part of the settlement of accounts, in accordance with 5 U.S.C. 5582.

(2) If an employee separates from Federal service, the employing agency must pay the entire excess amount following a 30-day break in service. If the individual is reemployed in the Federal service within the same calendar year as the separation, any previous payment of an excess amount must be considered part of that year’s aggregate compensation for the purpose of applying the aggregate limitation for the remainder of the calendar year.

§ 530.205 Records.

An agency must maintain appropriate records to administer this subpart and must transfer such records to any agency to which an employee may transfer. An agency must make such records available to any agency that may employ the employee later during the same calendar year. An agency’s records must document the source of any deferred excess amount remaining to the employee’s credit at the time of separation from the agency. In the case of an employee who separates from Federal service for at least 30 days, the agency records also must document any payment of a deferred excess amount made by the agency after separation.

Subpart C—Special Rate Schedules for Recruitment and Retention

Source: 70 FR 31287, May 31, 2005, unless otherwise noted.

GENERAL PROVISIONS

§ 530.301 Purpose and applicability.

(a) Purpose. This subpart contains OPM regulations implementing 5 U.S.C. 5305, which authorizes the establishment of special rates of pay for Federal employees in executive agencies to address significant recruitment or retention problems. This subpart also contains rules for determining an employee’s rate of pay when a special rate schedule is established, increased, decreased, or discontinued, or when conditions for coverage under a special rate schedule are changed. All other pay actions for special rate employees are governed by the pay-setting rules in 5 CFR parts 531 and 536.

(b) Applicability. Except as explained in §530.303(a), this subpart applies only to GS employees.

§ 530.302 Definitions.

In this subpart:

Agency means an executive agency as defined in 5 U.S.C. 105.

Authorized agency official means the head of the agency or an official who is authorized to act for the head of the agency in the matter concerned.

Employee has the meaning given that term in 5 U.S.C. 2105.

General Schedule or GS means the classification and pay system established under 5 U.S.C. chapter 51 and subchapter III of chapter 53. It also refers to the pay schedule of GS rates established under 5 U.S.C. 5332, as adjusted under 5 U.S.C. 5303 or other law (including GS rates payable to GM employees). Law enforcement officers (LEOs) receiving LEO special base rates are covered by the GS classification and pay system, but receive higher base rates of pay in lieu of GS rates at grades GS–3 through GS–10.

GM employee has the meaning given that term in 5 CFR 531.203.

GS rate means a rate of basic pay within the General Schedule, excluding any LEO special base rate and additional pay of any kind such as locality payments or special rate supplements. A rate payable to a GM employee is considered a GS rate.

Highest applicable rate range means the rate range applicable to an employee’s position that provides the highest rates of basic pay, excluding any retained rates. For example, a rate range of special rates may exceed an applicable locality rate range. In certain circumstances, the highest applicable rate range may consist of two types of pay rates from different pay schedules—e.g., a range where special rates (based on a fixed dollar supplement) are higher in the lower portion of the range and locality rates are higher in the higher portion of the range.
Law enforcement officer or LEO has the meaning given that term in 5 CFR 550.103.

LEO special base rate means a special base rate established for GS law enforcement officers at grades GS–3 through GS–10 under section 403 of the Federal Employees Pay Comparability Act of 1990 (section 529 of Pub. L. 101–509, November 5, 1990, as amended) which is used in lieu of a GS rate.

Locality payment has the meaning given that term in 5 CFR 531.602.

Locality rate means a GS rate or an LEO special base rate, if applicable, plus any applicable locality payment.

Official worksite means the official location of an employee’s position of record as determined under 5 CFR 531.605. Official worksite is synonymous with the term “official duty station” as used in 5 U.S.C. 7455.

OPM means the Office of Personnel Management.

Pay schedule means a set of rate ranges established for GS employees under a single authority—i.e., the General Schedule, an LEO special base rate schedule (for grades GS–3 through 10), a locality rate schedule based on GS rates, a locality rate schedule based on LEO special base rates (for grades GS–3 through 10), a special rate schedule under this subpart, or a similar schedule under 38 U.S.C. 7455. A pay schedule applies to or covers a defined category of employees based on established coverage conditions (e.g., official worksite, occupation). A pay schedule is considered to apply to or cover an employee who meets the established coverage conditions even when a rate under that schedule is not currently payable to the employee because of a higher pay entitlement under another pay schedule.

Position of record means an employee’s official position (defined by grade, occupational series, employing agency, LEO status, and any other condition that determines coverage under a pay schedule (other than official worksite)), as documented on the employee’s most recent Notification of Personnel Action (Standard Form 50 or equivalent) and current position description. A position to which an employee is temporarily detailed is not documented as a position of record. For an employee whose change in official position is followed within 3 workdays by a reduction in force resulting in the employee’s separation before he or she is required to report for duty in the new position, the position of record in effect immediately before the position change is deemed to remain the position of record through the date of separation.

Rate of basic pay means the rate of pay fixed by law or administrative action for the position held by an employee before any deductions, including a GS rate, an LEO special base rate, a locality rate, a special rate under this subpart or a similar rate under 38 U.S.C. 7455, or a retained rate, but excluding additional pay of any other kind.

Rate range or range means the range of rates of basic pay for a grade within an established pay schedule, excluding any retained rate. A rate range may consist of GS rates, LEO special base rates, locality rates, special rates, or similar rates under other legal authority.

Retained rate means a rate above the maximum rate of the rate range applicable to the employee which is payable under 5 CFR part 536 or, for a former member of the Senior Executive Service, under 5 CFR 359.705.

Special rate means a rate of pay within a special rate schedule established under this subpart.

Special rate schedule means a pay schedule established under this subpart to provide higher rates of pay for specified categories of GS positions or employees at one or more grades. An increased or decreased special rate schedule refers to an increase or decrease in one or more rate ranges within that schedule.

Special rate supplement means the portion of a special rate paid above an employee’s GS rate. However, for a law enforcement officer receiving an LEO special base rate who is also entitled to a special rate, the special rate supplement equals the portion of the special rate paid above the officer’s LEO special base rate. When a special rate schedule covers both LEO positions and other positions, the value of the special rate supplement will be less for law enforcement officers receiving an LEO
§ 530.303 Coverage.

(a) Under 5 U.S.C. 5305, OPM may establish special rates for employees paid under a statutory pay system (as defined in 5 U.S.C. 5302(1)) or any other pay system established by or under Federal statute for civilian positions in the executive branch. Special rates apply only to GS employees unless the approved schedule coverage criteria specifically state otherwise. OPM will establish special rate schedules covering employees under a non-GS pay system only at the request of the agency responsible for administering that system. Special rates apply only to GS employees unless the approved schedule coverage criteria specifically state otherwise.

(b) An employee's coverage under a special rate schedule is subject to the coverage conditions established by OPM for that schedule, except as provided in paragraph (c) of this section. The coverage conditions for a special rate schedule may be based on occupation, grade, employing agency, geographic location of official worksite, or other factors OPM may determine to be appropriate. An agency determination as to whether an employee meets the coverage conditions for a special rate schedule must be based on the employee's position of record and official worksite. An agency may be required to consider other employee-specific factors established by OPM to determine special rate coverage, such as special qualifications or certifications.

(c) An agency must pay the applicable special rate to any employee who meets the coverage conditions established by OPM with respect to a special rate schedule unless an authorized agency official determines that a category of employees of the agency will not be covered by a proposed or existing special rate schedule, subject to the following requirements:

(1) An authorized agency official may determine that a category of employees of the agency will not be covered by a special rate request or a proposed new special rate schedule. The official must provide written notice to OPM that identifies the specific category or categories of employees who will not be covered by the special rate schedule. The notice must be received by OPM before the effective date of the new special rate schedule.

(2) An authorized agency official may remove a category of employees of the agency from coverage under an existing special rate schedule. The official must provide written notice to OPM that identifies the specific category or categories of employees who will not be covered by the special rate schedule. The loss of coverage under a special rate schedule will become effective on the first day of the first pay period beginning on or after the date of the notice to OPM.

(d) An employee covered by a special rate schedule is not entitled to a special rate for any purpose with respect to any period during which the employee is entitled to a higher rate of basic pay under any other legal authority. For example, an employee is not entitled to a special rate if he or she is entitled to a higher locality rate or a retained rate.

§ 530.304 Establishing or increasing special rates.

(a) OPM may increase the minimum rates of pay otherwise payable to a category of employees in one or more areas or locations, grades or levels, occupational groups, series, classes, or subdivisions thereof, when it is necessary to address existing or likely significant recruitment or retention difficulties. OPM will consider the circumstances listed in paragraph (b) of this section and the factors listed in §530.306 when evaluating the need for special rates. When OPM establishes a minimum special rate under this authority, corresponding increases also...
may be made in one or more of the remaining rates of the affected grade or level. For any given grade, a minimum special rate may not exceed the maximum rate of basic pay for the rate range (excluding any locality rate, other special rate, or similar payment under other legal authority) by more than 30 percent. A special rate may not exceed the rate for level IV of the Executive Schedule.

(b) The circumstances considered by OPM in evaluating the need for special rates are the following:

(1) Rates of pay offered by non-Federal employers which are significantly higher than those payable by the Government within the area, location, occupational group, or other category of positions under GS pay system;

(2) The remoteness of the area or location involved;

(3) The undesirability of the working conditions or the nature of the work involved (including exposure to toxic substances or other occupational hazards);

(4) Locality pay authorized under 5 U.S.C. 5304 for the area involved;

(5) A nonforeign area cost-of-living allowance authorized under 5 U.S.C. 5941(a)(1) for the area involved; or

(6) Any other circumstances OPM considers appropriate.

(c) In setting the level of special rates within a rate range for a category of employees, OPM will compute the special rate supplement by adding a fixed dollar amount or a fixed percentage to all GS rates within that range, except that an alternate method may be used—

(1) For grades GS-1 and GS-2, where within-grade increases vary throughout the range; and

(2) In the nonforeign areas listed in 5 CFR 591.205 for special rate schedules established before January 1, 2012.

(d) If OPM establishes a special rate schedule that covers only law enforcement officers, OPM may compute the special rate supplement for grades GS–3 through 10 as a fixed percentage of LEO special base rates instead of GS rates. With respect to such a schedule, references to GS rates in §530.307 are deemed to be references to LEO special base rates.

(e) Using its authority in section 1918(a)(1) of the Non-Foreign Area Retirement Equity Assurance Act of 2009 in combination with its authority under 5 U.S.C. 5305, OPM may establish a separate special rate schedule for a category of employees who are in GS positions covered by a nonforeign area special rate schedule in effect on January 1, 2012, and who are employed in a nonforeign area before an OPM-specified effective date. Such a separate schedule may be established if the existing special rate schedule is being reduced. An employee’s coverage under the separate special rate schedule is contingent on the employee being continuously employed in a covered GS position in the nonforeign area after the OPM-specified effective date. Such a separate special rate schedule must be designed to provide temporary pay protection and be phased out over time until all affected employees are covered under the pay schedule that would otherwise apply to the category of employees in question.

§ 530.306 Evaluating agency requests for new or increased special rates.

(a) In evaluating agency requests for new or increased special rates, OPM may consider the following factors:

1. The number of existing vacant positions and the length of time they have been vacant;
2. The number of employees who have quit (i.e., voluntarily left Federal service), including, when available, a subcount of the number of employees who quit to take a comparable position offering higher pay;
3. Evidence to support a conclusion that recruitment or retention problems likely will develop (if such problems do not already exist) or will worsen;
4. The number of vacancies an agency tried to fill, compared to the number of hires and offers made;
5. The nature of the existing labor market;
6. The degree to which an agency has considered and used other available pay flexibilities to alleviate staffing problems, including the superior qualifications and special needs pay-setting authority in 5 CFR 531.212 and recruitment, relocation, and retention incentives under 5 CFR part 575;
7. The degree to which an agency has considered relevant non-pay solutions to staffing problems, such as conducting an aggressive recruiting program, using appropriate appointment authorities, redesigning jobs, establishing training programs, and improving working conditions;
8. The effect of the staffing problem on the agency’s mission;
9. The level of non-Federal rates paid for comparable positions. Data on non-Federal salary rates may be supplemented, if appropriate, by data on Federal salary rates for comparable positions established under a non-GS pay system; and

(b) In determining the level at which to set special rates, OPM may consider the following factors:

1. The pay levels that, in OPM’s judgment, are necessary to recruit or retain an adequate number of qualified employees based on OPM’s findings with respect to the factors set forth in paragraph (a) of this section;
2. The dollar costs that will be incurred if special rates are not authorized;
3. The level of pay for comparable positions; and
4. The need to provide for a reasonable progression in pay from lower grade levels to higher grade levels to avoid pay alignment problems (e.g., such as might result from applying the two-step promotion rule in 5 U.S.C. 5334(b)).

(c) No one factor or combination of factors specified in paragraph (a) or (b) of this section requires OPM to establish or increase special rates or to set special rates at any given level.

§ 530.307 OPM review and adjustment of special rate schedules.

(a) OPM may review an established special rate schedule at any time to determine whether that schedule should be increased, decreased, or discontinued, taking into account the circumstances listed in §530.304(b) and the factors listed in §530.306 that led to establishing the schedule. An authorized agency official may request that OPM conduct such a review of one or more special rate schedules.

(b) OPM may designate lead agencies to assist in the review of designated special rate schedules and to coordinate the collection of relevant data. Each affected agency is responsible for submitting complete supporting data upon request to OPM or the lead agency, as appropriate.

(c) OPM will adjust a special rate schedule by determining the amount of the special rate supplement to be paid on top of the current GS rate for each
rate range within the schedule. OPM will determine the extent to which special rate supplements are to be adjusted (increased or decreased), if at all, and when the special rate supplements are to be adjusted. As provided in 5 U.S.C. 5305(d), special rate schedule adjustments made by OPM have the force and effect of statute.

(d)(1) For special rate schedules computed by applying a fixed-percentage supplement on top of each GS rate within a rate range, OPM may require that a change in the underlying GS rate automatically results in an adjusted special rate schedule, unless OPM determines that an adjustment in the supplement percentage is appropriate for one or more special rate schedules.

(2) For special rate schedules computed by applying a fixed-dollar supplement on top of each GS rate within a rate range, OPM may require that special rate supplements generally be adjusted to reflect the increase in GS rates, unless OPM determines that a different adjustment is appropriate for one or more special rate schedules.

(e) If OPM determines that a special rate schedule, or a rate range within a special rate schedule, is no longer needed to ensure satisfactory recruitment or retention of qualified employees, OPM may discontinue the schedule or rate range. Consistent with §530.303(d), if all employees and positions covered by a special rate schedule or rate range are entitled to a higher rate of basic pay, the schedule or rate range (as applicable) will be automatically discontinued.

(f) OPM may change the established conditions for coverage under a special rate schedule at any time based on a reevaluation of the circumstances and factors that led to establishing the schedule. Expansion of coverage is equivalent to establishing a special rate schedule for a category of affected employees. Reduction of coverage is the equivalent of discontinuing a special rate schedule for a category of affected employees.

(g) When a special rate schedule is adjusted or discontinued, or when there is a change in a schedule’s coverage criteria, the rate of pay for affected employees must be set as provided in §§530.321 through 530.323.

§ 530.308 Treatment of special rate as basic pay.

Except as otherwise specifically provided under other legal authority, a special rate is considered a rate of basic pay only for the following purposes:

(a) The purposes for which a locality rate is considered to be a rate of basic pay in computing other payments or benefits to the extent provided by 5 CFR 531.610, except as otherwise provided in paragraphs (b) and (c) of this section;

(b) Computation of foreign area post differentials under 5 U.S.C. 5925(a) and danger pay allowances under 5 U.S.C. 5928; and

(c) Application of pay administration provisions for prevailing rate employees which consider rates of basic pay under the GS pay system in setting pay (except as otherwise provided in 5 CFR part 532), subject to the requirement that, if the employee’s actual special rate would not apply at the official worksite for the prevailing rate position, a special rate may be used only if it is a corresponding special rate on a special rate schedule that would cover the employee if his or her GS position of record were located at the same official worksite as the prevailing rate position, consistent with the geographic conversion rule in 5 CFR 531.205.

(70 FR 31287, May 31, 2005, as amended at 76 FR 68634, Nov. 7, 2011)

§ 530.309 Miscellaneous provisions.

(a) A special rate may be paid only for those hours for which an employee is in a pay status.

(b) A pay increase caused by an employee becoming entitled to a new or higher special rate supplement is not an equivalent increase in pay within the meaning of 5 U.S.C. 5335. (See 5 CFR 531.407(c).)

(c) A special rate is included in an employee’s total remuneration, as defined in 5 CFR 551.511(b), and straight time rate of pay, as defined in 5 CFR 551.512(b), for the purpose of overtime pay computations under the Fair Labor Standards Act of 1938, as amended.
(d) Consistent with §530.308, the reduction or termination of an employee’s special rate supplement in accordance with the requirements of this subpart is not an adverse action under 5 CFR part 752, subpart D, or an action under 5 CFR 930.211.

[70 FR 31287, May 31, 2005, as amended at 73 FR 66151, Nov. 7, 2008]

SECTION 530.321 General.

(a) This section and §§530.322 and 530.323 provide conversion rules for setting an employee’s pay when a special rate schedule is established, increased, decreased, or discontinued, or when an employee’s coverage under an existing special rate schedule is affected by a change in coverage criteria. These conversion rules do not apply to changes in an employee’s special rate entitlements based on a change in the employee’s position of record or official worksite. Pay-setting rules for other personnel actions affecting special rate employees are provided in 5 CFR parts 531 and 536. For example, if an employee becomes covered by a special rate schedule as a result of a change in the employee’s official worksite, the geographic conversion rule in 5 CFR 531.205 must be used to set the employee’s rate(s) of basic pay in the new location before considering any other simultaneous pay action (other than a general pay adjustment).

(b) The conversion rules in §§530.322 and 530.323 are considered general pay adjustments for the purpose of applying 5 CFR 531.206 (dealing with the order of precedence for processing simultaneous pay actions). The rate(s) of pay resulting from these conversion rules are considered the employee’s existing rate(s) of pay before processing the next simultaneous pay action in the order of precedence.

§530.322 Setting pay when a special rate schedule is newly established or increased.

(a) General rule. When an employee holds a position that becomes covered by a newly established special rate schedule (including a schedule for which coverage is expanded) or an increased special rate schedule within a schedule), the agency must set the employee’s special rate at the step (or relative position in range for a GM employee) of the grade on the new special rate schedule that corresponds to the employee’s existing numerical step (or relative position in range for a GM employee) as in effect immediately before the new special rate schedule takes effect, except as otherwise provided in this section. The corresponding special rate is determined by adding the applicable special rate supplement on top of the employee’s GS rate, subject to the limitation that no special rate may exceed the rate for level IV of the Executive Schedule. For an employee receiving an LEO special base rate, add the applicable special rate supplement to the GS rate for the employee’s grade and step, except as otherwise provided under §530.304(d).

(b) Employee entitled to a higher rate of basic pay. As provided in §530.303(d), if an employee meeting the coverage conditions for a newly established or increased special rate schedule is entitled to a higher rate of basic pay under other legal authority, the employee must be paid at that higher rate.

(c) Employee receiving a retained rate. When an employee is receiving a retained rate immediately before the employee’s position is covered by a newly established or increased special rate schedule, the agency must determine the employee’s rate of pay consistent with the requirements in 5 CFR part 536, subpart C (or 5 CFR 359.705 for a former member of the Senior Executive Service receiving a retained rate under that section).

[70 FR 31287, May 31, 2005, as amended at 73 FR 66151, Nov. 7, 2008]

§530.323 Setting pay when a special rate is discontinued or decreased.

(a) General. This section applies when a special rate applicable to a position is discontinued or decreased because of—

(1) A reduction or termination of the rates of the special rate schedule (or of rates of a rate range within a schedule); or

(2) The reduction in the scope of coverage of the special rate schedule.
(b) Employee entitled to pay retention. When a special rate applicable to a position is discontinued or decreased, and an employee holding the position is entitled to pay retention under 5 CFR part 536 as a result, the employee’s rate of pay must be set consistent with the requirements in 5 CFR part 536, subpart C.

(c) Employee not entitled to pay retention. When a special rate applicable to a position is discontinued or decreased, and an employee holding the position is not entitled to pay retention under 5 CFR part 536, the employee’s rate of pay is set in the highest applicable rate range at the grade and step (or relative position in range for a GM employee) that corresponds to the grade and step (or relative position in range for a GM employee) for the employee’s existing special rate (as in effect immediately before the schedule change).

(d) Employee receiving a retained rate. When a special rate applicable to a position is discontinued or decreased, and an employee holding the position is receiving a retained rate immediately before the schedule change, the employee’s rate of pay must be set consistent with the requirements in 5 CFR part 536, subpart C (or 5 CFR 359.705 for a former member of the Senior Executive Service receiving a retained rate under that section).

Subpart G [Reserved]

§ 531.202 Coverage.

This subpart covers employees who occupy positions classified and paid under the GS classification and pay system, as provided in 5 U.S.C. 5102 and 5331 or other applicable laws. Law enforcement officers (LEOs) receiving LEO special base rates are covered by the GS classification and pay system, but receive higher base rates of pay in lieu of GS rates at grades GS–3 through GS–10. This subpart also covers GS employees who receive special rates under 5 U.S.C. 5305 and 5 CFR part 530, subpart C.

§ 531.203 Definitions.

In this subpart:

Agency means an Executive agency as defined in 5 U.S.C. 105 or an agency in the legislative branch with employees covered by this subpart. To the extent that the regulations in this subpart relate to non-GS service in the Federal Government, agency includes any other agency in the Federal Government.

Demotion means a change of an employee, while continuously employed, from one GS grade to a lower GS grade, with or without a reduction in pay.

Employee means an employee as defined in 5 U.S.C. 2105 who is covered by this subpart. For the purpose of determining eligibility under the superior qualifications and special needs pay-setting authority in §531.212 and applying the maximum payable rate provisions in §§531.216 and 531.221 (which consider rates of pay received during non-GS service in the Federal Government), employee also includes any employee as defined in 5 U.S.C. 2105 and—

(1) An individual employed by the U.S. Postal Service or the Postal Rate Commission who would be considered an employee under 5 U.S.C. 2105 but for the exclusion in section 2105(e); and

(2) An individual employed by a Department of Defense or Coast Guard nonappropriated fund instrumentality...
Existing rate means the rate received immediately before a pay action takes effect, after processing a general pay adjustment and any other simultaneous pay action that is higher in the order of precedence under §531.206. For example, the existing rate immediately before a promotion action must reflect any geographic conversion under §531.205 and any simultaneous within-grade increase or quality step increase.

Federal Government means all entities of the Government of the United States, including the U.S. Postal Service and the Postal Rate Commission. The District of Columbia is deemed to be part of the Federal Government with respect to employees of the government of the District of Columbia (DC) who were first employed by that government before October 1, 1987. A Department of Defense or Coast Guard nonappropriated fund instrumentality (as described in 5 U.S.C. 2105(c)) is not considered part of the Federal Government except for the purpose of applying §§531.211 and 531.212 to employees covered by §531.216 upon employment in a GS position.

General Schedule or GS means the classification and pay system established under 5 U.S.C. chapter 51 and subchapter III of chapter 53. It also refers to the pay schedule of GS rates established under 5 U.S.C. 5332, as adjusted under 5 U.S.C. 5303 or other law (including GS rates payable to GM employees). Law enforcement officers (LEOs) receiving LEO special base rates are covered by the GS classification and pay system but receive higher base rates of pay in lieu of GS rates at grades GS–3 through GS–10.

Law enforcement officer or LEO has the meaning given that term in 5 CFR 550.103.

LEO special base rate means a special base rate established for GS law enforcement officers at grades GS–3 through GS–10 under section 403 of the Federal Employees Pay Comparability Act of 1990 (section 529 of Pub. L. 101–509, November 5, 1990, as amended) which is used in lieu of a GS rate.

Locality payment means a locality-based comparability payment payable to GS employees under 5 U.S.C. 5304 and 5 CFR part 531, subpart F.

Locality rate means a GS rate or an LEO special base rate, if applicable, plus any applicable locality payment.

Official worksite means the official location of the employee's position of record, as determined under 5 CFR 531.605.

OPM means the Office of Personnel Management.

Payable rate means the highest rate of basic pay to which an employee is
entitled based on the employee’s position of record, official worksite, and step (or relative position in range for a GM employee) or, if applicable, a retained rate.

Pay schedule means a set of rate ranges established for GS employees under a single authority—i.e., the General Schedule, an LEO special base rate schedule (for grades GS–3 through 10), a locality rate schedule based on GS rates, a locality rate schedule based on LEO special base rates (for grades GS–3 through 10), or a special rate schedule. A pay schedule applies to or covers a defined category of employees based on established coverage conditions (e.g., official worksite, occupation). A pay schedule is considered to apply to or cover an employee who meets the established coverage conditions even when a rate under that schedule is not currently payable to the employee because of a higher pay entitlement under another pay schedule.

Position of record means an employee’s official position (defined by grade, occupational series, employing agency, LEO status, and any other condition that determines coverage under a pay schedule (other than official worksite)), as documented on the employee’s most recent Notification of Personnel Action (Standard Form 50 or equivalent) and current position description. A position to which an employee is temporarily detailed is not documented as a position of record. For an employee whose change in official position is followed within 3 workdays by a reduction in force resulting in the employee’s separation before he or she is required to report for duty in the new position, the position of record in effect immediately before the position change is deemed to remain the position of record through the date of separation.

Promotion means a GS employee’s movement from one GS grade to a higher GS grade while continuously employed (including such a movement in conjunction with a transfer).

Rate of basic pay means the rate of pay fixed by law or administrative action for the position held by a GS employee before any deductions, including a GS rate, an LEO special base rate, a special rate, a locality rate, and a retained rate, but exclusive of additional pay of any other kind. For the purpose of applying the maximum payable rate rules in §§531.216 and 531.221 using a rate under a non-GS pay system as an employee’s highest previous rate, rate of basic pay means a rate of pay under other legal authority which is equivalent to a rate of basic pay for GS employees, as described in this definition, excluding a rate under §531.223. (See also 5 CFR 530.308, 531.610, and 536.307.)

Rate range or range means a range of rates of basic pay for a grade within an established pay schedule, excluding any retained rate. A rate range may consist of GS rates, LEO special base rates, locality rates, special rates, or, for non-GS employees, similar rates under other legal authority.

Reassignment means a change of an employee, while serving continuously in the same agency, from one position to another without promotion or demotion.

Reemployment means employment, including reinstatement or another type of appointment, after a break in service of at least 1 full workday.

Retained rate means a rate above the maximum rate of the rate range applicable to a GS employee which is payable under 5 CFR part 536 or, for a former member of the Senior Executive Service, under 5 CFR 359.705.

Special rate means a rate of pay within a special rate schedule established under 5 CFR part 530, subpart C, or a similar rate for GS employees established under other legal authority (e.g., 38 U.S.C. 7455). The term special rate does not include an LEO special base rate or an adjusted rate including market pay under 38 U.S.C. 7431(c).

Special rate schedule means a pay schedule established under 5 CFR part 530, subpart C, to provide higher rates of pay for specified categories of GS positions or employees at one or more grades or levels or a similar schedule established for GS employees under other legal authority (e.g., 38 U.S.C. 7455).

Special rate supplement means the portion of a special rate paid above an employee’s GS rate. However, for a law enforcement officer receiving an LEO special base rate who is also entitled to
Office of Personnel Management § 531.205

a special rate, the special rate supplement equals the portion of the special rate paid above the officer's LEO special base rate. When a special rate schedule covers both LEO positions and other positions, the value of the special rate supplement will be less for law enforcement officers receiving an LEO special base rate (since that rate is higher than the corresponding GS rate). The payable amount of a special rate supplement is subject to the Executive Schedule level IV limitation on special rates, as provided in 5 CFR 530.304(a).

Temporary promotion means a time-limited promotion with a not-to-exceed date or a specified term.

Transfer means a change of an employee, without a break in service of 1 full workday, from one branch of the Federal Government (executive, legislative, or judicial) to another or from one agency to another.

Where different pay schedules apply means, in the context of applying the geographic conversion rule, that an employee's official worksite is changed to a new location that would cause the employee to lose or gain coverage under a location-based pay schedule (i.e., locality rate schedule or special rate schedule) if the employee were to remain in the same position of record.

Within-grade increase has the meaning given that term in §531.403.

§ 531.204 Entitlement to other rates of pay.

(a) A law enforcement officer is entitled to LEO special base rates in lieu of GS rates at grades GS–3 through GS–10.

(b) When an employee’s GS rate or LEO special base rate is determined under the rules of this subpart, the agency must determine any other rate of basic pay to which the employee is entitled, including a locality rate under subpart F of this part and a special rate under 5 CFR part 530, subpart C, or other legal authority (e.g., 38 U.S.C. 7455). The employee is entitled to the highest applicable rate of basic pay as his or her payable rate. When an employee’s special rate is surpassed by a higher locality rate, his or her entitlement to a special rate is terminated, as provided in §530.303(d).

(c) When application of the rules in this subpart results in setting an employee’s payable rate in the highest applicable pay schedule (e.g., a locality rate schedule or a special rate schedule), the agency must determine the employee’s underlying GS rate or LEO special base rate, as applicable, based on that payable rate (i.e., by finding the corresponding underlying rate with the same grade and step (or relative position in range for a GM employee) as the payable rate).

§ 531.205 Converting pay upon change in location of employee's official worksite.

When an employee's official worksite is changed to a new location where different pay schedules apply, the agency must convert the employee’s rate(s) of basic pay to the applicable pay schedule(s) in the new location before processing any simultaneous pay action (other than a general pay adjustment, as provided in §531.206). The agency must first set the employee’s rate(s) of basic pay in the applicable pay schedule(s) in the new location based on his or her position of record (including grade and step (or a GM employee’s GS rate) immediately before the change in the employee’s official worksite. The resulting rate must be used as the existing rate in processing the next simultaneous pay action in the order of precedence, using the applicable pay schedules in the new location. In conjunction with any simultaneous pay
§ 531.206 Order of processing simultaneous pay actions.

When multiple pay actions with the same effective date affect an employee’s rate of basic pay, the actions will be processed in the following order:

(a) Process general pay adjustments before any individual pay action that takes effect at the same time. General pay adjustments include an annual adjustment in the General Schedule under 5 U.S.C. 5303; an adjustment in LEO special base rates; an adjustment of a locality pay percentage under subpart F of this part; the establishment or adjustment of a special rate schedule under 5 CFR part 530, subpart C, or similar legal authority (e.g., 38 U.S.C. 7455); and an adjustment of a retained rate under 5 CFR 359.705(d)(1) and 536.305(a)(1) based on the establishment or adjustment of a pay schedule.

(b) Convert the employee’s rate(s) of pay to reflect any change in the location of the employee’s official worksite, as prescribed in § 531.205 (or similar geographic conversion provision).

(c) Process any within-grade increase or quality step increase to which the employee is entitled.

(d) Process any promotion action using the rates of pay and rate ranges in the sequence prescribed in § 531.214.

(e) Except as otherwise provided in paragraphs (a) through (d) of this section or other regulation, process individual pay actions that take effect at the same time in the order that gives the employee the maximum benefit.

§ 531.207 Applying annual pay adjustments.

(a) Except as otherwise provided in this section, on the effective date of a GS pay adjustment under 5 U.S.C. 5303 or similar authority, an agency initially must set the GS rate of a GS employee at the new rate of the adjusted General Schedule corresponding to the employee’s grade and step in effect immediately before the effective date of the pay adjustment. Any simultaneous pay actions must be processed after the pay adjustment, as provided in § 531.206.

(b) For employees receiving a retained rate immediately before the effective date of a GS annual pay adjustment, the agency must adjust the employee’s rate of basic pay under the rules in 5 CFR 536.305 (or under 5 CFR 359.705 for former members of the Senior Executive Service receiving a retained rate under that section).

(c) For GM employees, the agency must follow the rules in § 531.244.

§ 531.211 Setting pay for a newly appointed employee.

(a) First appointment. An agency must set the payable rate of basic pay for an employee receiving his or her first appointment (regardless of tenure) as a civilian employee of the Federal Government at the minimum rate of the highest applicable rate range for the employee’s position of record, except as provided in § 531.212.

(b) Reemployment. For an employee who has previous civilian service in the Federal Government, an agency must set the payable rate of basic pay upon reemployment at the minimum rate of the highest applicable rate range for the employee’s position of record unless—

(1) The employee meets the conditions in § 531.212 and an agency determines it is appropriate to set pay under that section; or

(2) The employee is eligible for a higher payable rate under the maximum payable rate rule in § 531.221 and the agency chooses to apply that rule.

§ 531.212 Superior qualifications and special needs pay-setting authority.

(a) Agency authority. (1) An agency may use the superior qualifications or special needs pay-setting authority in 5 U.S.C. 5333 to set the payable rate of basic pay for an employee above the minimum rate of the highest applicable rate range for the employee’s position of record. The superior qualifications or special needs pay-setting authority may be used for—
Office of Personnel Management

§531.212

(i) A first appointment (regardless of tenure) as a civilian employee of the Federal Government; or

(ii) A reappointment that is considered a new appointment under 5 U.S.C. 5333 because it meets the conditions prescribed in paragraph (a)(2) and (3) of this section.

(2) An agency may use the superior qualifications and special needs pay-setting authority for a reappointment only when the employee has had a break in service of at least 90 days from the last period of civilian employment with the Federal Government, except as provided in paragraph (a)(3) of this section.

(3) Except as provided in paragraph (a)(5) of this section, an agency may use the superior qualifications and special needs pay-setting authority for a reappointment without requiring a 90-day break in service if the candidate’s civilian employment with the Federal Government during the 90-day period immediately preceding the appointment was limited to one or more of the following:

(i) A time-limited appointment in the competitive or excepted service;

(ii) A non-permanent appointment in the competitive or excepted service;

(iii) Employment with the government of the District of Columbia (DC) when the candidate was first appointed by the DC government on or after October 1, 1967;

(iv) An appointment as an expert or consultant under 5 U.S.C. 3109 and 5 CFR part 304;

(v) Employment under a provisional appointment designated under 5 CFR 316.403;

(vi) Employment under an Internship Program appointment under §213.3402(a) of this chapter; or

(vii) Employment as a Senior Executive Service limited term appointee or limited emergency appointee (as defined in 5 U.S.C. 3132(a)(5) and (a)(6), respectively) when the appointment must be cleared through the White House Office of Presidential Personnel.

(b) Superior qualifications or special needs determination. An agency may set the payable rate of basic pay of a newly appointed employee above the minimum rate of the grade under this section if the candidate meets one of the following criteria:

(1) The candidate has superior qualifications. An agency may determine
§531.212 that a candidate has superior qualifications based on the level, type, or quality of the candidate’s skills or competencies demonstrated or obtained through experience and/or education, the quality of the candidate’s accomplishments compared to others in the field, or other factors that support a superior qualifications determination. The candidate’s skills, competencies, experience, education, and/or accomplishments must be relevant to the requirements of the position to be filled. These qualities must be significantly higher than that needed to be minimally required for the position and/or be of a more specialized quality compared to other candidates; or
(2) The candidate fills a special agency need. An agency may determine that a candidate fills a special agency need if the type, level, or quality of skills and competencies or other qualities and experiences possessed by the candidate are relevant to the requirements of the position and are essential to accomplishing an important agency mission, goal, or program activity. A candidate also may meet the special needs criteria by meeting agency workforce needs, as documented in the agency’s strategic human capital plan.
(c) Pay rate determination. An agency may consider one or more of the following factors, as applicable in the case at hand, to determine the step at which to set an employee’s payable rate of basic pay using the superior qualifications and special needs pay-setting authority:
(1) The level, type, or quality of the candidate’s skills or competencies;
(2) The candidate’s existing salary, recent salary history, or salary documented in a competing job offer (taking into account the location where the salary was or would be earned and comparing the salary to payable rates of basic pay in the same location);
(3) Significant disparities between Federal and non-Federal salaries for the skills and competencies required in the position to be filled;
(4) Existing labor market conditions and employment trends, including the availability and quality of candidates for the same or similar positions;
(5) The success of recent efforts to recruit candidates for the same or similar positions;
(6) Recent turnover in the same or similar positions;
(7) The importance/criticality of the position to be filled and the effect on the agency if it is not filled or if there is a delay in filling it;
(8) The desirability of the geographic location, duties, and/or work environment associated with the position;
(9) Agency workforce needs, as documented in the agency’s strategic human capital plan; or
(10) Other relevant factors.
(d) Consideration of recruitment incentive. In determining whether to use the superior qualifications and special needs pay-setting authority and the level at which the employee’s payable rate of basic pay should be set, an agency must consider the possibility of authorizing a recruitment incentive under 5 CFR part 575, subpart A.
(e) Approval and documentation requirements. (1) An agency must approve each determination to use the superior qualifications and special needs pay-setting authority prior to the candidate entering on duty. Each determination must be made in writing and reviewed and approved by an official of the agency who is at least one level higher than the employee’s supervisor, unless there is no official at a higher level in the agency.
(2) An agency must document all of the following for each determination to use the superior qualifications and special needs pay-setting authority sufficient to allow reconstruction of the action taken in each case:
(i) The superior qualifications of the candidate under paragraph (b)(1) of this section or the special agency need for the candidate’s services under paragraph (b)(2) of this section which justifies a higher than minimum rate;
(ii) An explanation of the factor(s) and supporting documentation under paragraph (c) of this section which were used to justify the rate at which the employee’s pay is set. The written documentation must explain how the factors directly relate to the rate approved; and
(iii) The reasons for authorizing a higher than minimum rate instead of
or in addition to a recruitment incentive under 5 CFR part 575, subpart A.

(f) Ensuring compliance. An agency must establish appropriate internal guidelines and evaluation procedures to ensure compliance with the law, this section of OPM regulations, and agency policies.

§ 531.213 Setting pay upon change in position without a change in grade.

For an employee who is moved laterally (by transfer, reassignment, change in type of appointment, change in official worksite, or other change in position) from one GS position to a different GS position without a change in grade or a break in service, the agency must determine the employee’s payable rate of basic pay and any underlying rate(s) of basic pay based on the employee’s new position of record, new official worksite, and the step (or relative position in range for a GM employee) in effect before the position change. If an employee is eligible to receive a higher rate under the maximum payable rate rule in §531.221, the agency may choose to apply that rule. If an employee is entitled to pay retention, the agency must apply the rules in 5 CFR part 536.

[70 FR 31291, May 31, 2005, as amended at 73 FR 66152, Nov. 7, 2008]

§ 531.214 Setting pay upon promotion.

(a) General. An agency must set an employee’s payable rate of basic pay upon promotion following the rules in this section, consistent with 5 U.S.C. 5334(b). The promotion rule in 5 U.S.C. 5334(b) and the implementing rules in this section apply only to a GS employee who is promoted from one GS grade to a higher GS grade. Consistent with §531.206, any general pay adjustment that takes effect on the same day as a promotion action must be processed before applying the rules in this section.

(b) Geographic conversion. When an employee’s official worksite is changed to a new location where different pay schedules apply, the agency must convert the employee to the applicable pay schedule(s) and rate(s) of basic pay for the new official worksite based on the employee’s position of record before promotion as provided in §531.205 before processing a simultaneous promotion action.

(c) Simultaneous within-grade increase. When an employee is entitled to a within-grade increase or a quality step increase that is effective at the same time as a promotion, the agency must process that increase before processing the promotion action.

(d) Promotion rule—(1) General. An agency must determine an employee’s payable rate of basic pay upon promotion using the standard method in paragraph (d)(3) of this section or the alternate method in paragraph (d)(4) of this section, subject to the special rule in paragraph (d)(5) of this section for employees receiving a retained rate before promotion. A determination regarding whether the alternate method is used in place of the standard method depends on the pay schedules that apply to an employee before and after promotion, as provided in paragraph (d)(2) of this section. In this paragraph (d), references to an employee’s rate or range “before promotion” mean the rate or range before promotion but after any geographic conversion required by paragraph (b) of this section.

(2) Determining applicable method. The following rules govern determinations regarding which promotion method to use:

(i) Apply the standard method exclusively if the employee is covered by the same pay schedules before and after promotion. For example, an employee may be covered by the General Schedule and the same locality rate schedule before and after promotion.

(ii) Apply the alternate method if the employee is covered by different pay schedules before and after promotion and if the alternate method will produce a higher payable rate upon promotion than the standard method. For example, an employee may be covered after promotion by a special rate schedule that did not apply to him or her before promotion, and the alternate method will produce a higher rate.

(iii) Apply the standard method in all other circumstances, except that an agency may, at its sole and exclusive discretion, apply the alternate method.
for an employee covered by different pay schedules before and after promotion even though the method produces a lesser payable rate than the standard method, but only under the following conditions:

(A) The agency determines it would be inappropriate to use the standard method based on a finding that the higher pay for the position before promotion is not sufficiently related to the knowledge and skills required for the position after promotion; and

(B) The agency informs the employee of the determination to use the alternate method before the effective date of the promotion.

(3) **Standard method.** (1) The standard method of applying the promotion rule is presented in the following table:

<table>
<thead>
<tr>
<th>Promotion Rule—Standard Method</th>
</tr>

<tbody>
<tr>
<td><strong>Step A</strong></td>
</tr>
<tr>
<td><strong>Step B</strong></td>
</tr>
<tr>
<td><strong>Step C</strong></td>
</tr>
<tr>
<td><strong>Step D</strong></td>
</tr>
</tbody>
</table>

(ii) Example of standard method: A GS–11, step 5, employee in Los Angeles is promoted to a GS–12 position in Kansas City. In Kansas City, a special rate schedule would apply to the employee’s GS–11 position, but at GS–12 no special rate range applies; instead, just a locality rate range applies. Thus, different pay schedules apply to the employee in Kansas City before and after promotion. The agency determines that the standard method produces a higher rate than the alternate method because the employee is covered by a special rate schedule before promotion but not after promotion. The agency also determines it will not invoke the exception provision under paragraph (d)(2)(iii). The agency applies the standard method as follows:

| Step A | Apply the geographic conversion rule to determine the rates of basic pay for the GS–11, step 5, position in Kansas City. The pay schedules applicable to the employee in Kansas City are the General Schedule, the locality rate schedule applicable in Kansas City, and the special rate schedule applicable to the employee’s position in Kansas City. |
| Step B | Using the underlying General Schedule, increase the GS–11, step 5, rate by two within-grade increases, which produces the GS–11, step 7, rate. |
| Step C | The payable (highest) rate of basic pay for GS–11, step 7, is the corresponding GS–11, step 7, special rate that would be applicable to the GS–11 position in Kansas City. |
| Step D | The highest applicable rate range for the GS–12 position after promotion is the GS–12 locality rate range under the Kansas City locality rate schedule. Find the lowest step rate in that range that equals or exceeds the GS–11, step 7, special rate from step C. That step rate is the payable rate of basic pay upon promotion. |

(4) **Alternate method.** (1) The alternate method of applying the promotion rule, which involves using pay schedules applicable before promotion and then converting pay to a different schedule applicable after promotion, is presented in the following table:

<td>Identify the highest applicable rate range for the employee’s grade after promotion based on consideration of any pay schedule that applied to the employee’s position of record before promotion (after any geographic conversion). (Do not consider pay schedules that apply only to the employee’s new position of record after promotion. For example, if a particular special rate schedule applies only to an employee’s position of record after promotion, disregard that schedule in applying this step.) Find the lowest step in the highest applicable rate range that equals or exceeds the rate identified in step C. (If the rate identified in step C exceeds the maximum of the rate range identified in this step, the employee’s payable rate is that maximum rate, or, if the employee’s existing rate is higher than that maximum rate, a retained rate under 5 CFR part 536 equal to that existing rate.)</td>
</tr>
<tr>
<td>E</td>
<td>Convert the lowest step rate identified in step D to a corresponding step rate (same step) in the highest applicable rate range for the employee’s new position of record after promotion. <tr>
<td>F</td>
<td>If the alternate payable rate identified in step E exceeds the payable rate resulting from the standard method in paragraph (d)(3) of this section, the employee is entitled to the alternate rate upon promotion. Otherwise, the employee is entitled to the payable rate derived under the standard method, except as provided in paragraph (d)(2)(ii) of this section.</td>
</tr>
</tbody>
</table>

(ii) In applying step E of the table in paragraph (d)(4)(i) of this section, if the rate derived under step D was a retained rate, compare the retained rate to the highest applicable rate range identified in step E. If the retained rate exceeds the maximum of that rate range, the retained rate continues and is the employee’s alternate payable rate upon promotion. If the retained rate is below the rate range maximum, the employee’s alternate payable rate upon promotion is the maximum rate of the range (step 10).

(iii) Example of alternate method: A GS-7, step 7, employee in Atlanta is promoted to a GS-9 position in Washington, DC. The promotion involves not only a change in grade but also a change in the employee’s occupational series. In Washington, DC, no special rate schedule would apply to a GS-7 or GS-9 position in the old occupational series, but a special rate schedule does apply to the GS-9 position in the new occupational series. Thus, different pay schedules apply before and after promotion, and the alternate method would result in a higher rate than the standard method. As provided in paragraph (d)(2)(i) of this section, the agency must apply the alternate method and compare the result to the result derived under the standard method, as follows:

- **Step A** Apply the geographic conversion rule in §531.205 to determine the rates of basic pay for the GS-7, step 7, position in Washington, DC. Based on the GS–7, step 7, position before promotion (including the old occupational series), the pay schedules applicable to the employee in Washington, DC, would be the General Schedule and the locality rate schedule applicable in Washington, DC.
- **Step B** Using the underlying General Schedule, increase the GS–7, step 7, rate by two within-grade increases, which produces the GS–7, step 9, rate.
- **Step C** The payable (highest) rate of basic pay for GS–7, step 9, is the corresponding GS–7, step 9, locality rate in Washington, DC.
- **Step D** If the employee were promoted to a GS–9 position in the old occupational series, the highest applicable rate range for that GS–9 position after promotion would be the GS–9 locality rate range in Washington, DC. The GS–9, step 3, locality rate is the lowest step rate in that range that equals or exceeds the GS–7, step 9, locality rate from step C.
- **Step E** Convert the GS–9, step 3, locality rate to the higher GS–9, step 3, special rate that applies to the employee’s position after promotion (including the new occupational series). That GS–9, step 3, special rate is the payable rate of basic pay upon promotion.
- **Step F** Assume that the standard method would have compared the GS–7, step 9, locality rate directly to the higher GS–9 range of special rates and produced a rate of GS–9, step 1. Since the rate produced by the alternate method (GS–9, step 3) is greater than the rate produced by the standard method, the result of the alternate method is used.

(5) If employee was receiving a retained rate before promotion. (i) If an employee’s existing payable rate of basic pay before promotion is a retained rate, apply the applicable promotion methods in paragraphs (d)(3) or (d)(4) of this section as if the employee were receiving the maximum rate of the employee’s grade before promotion.

(ii) If the payable rate of basic pay after promotion determined under paragraph (d)(5)(i) of this section is greater than the employee’s existing retained rate, the employee is entitled to that payable rate.

(iii) If the existing retained rate is greater than the rate determined under
§531.215 Setting pay upon demotion.

(a) General. Except as otherwise provided in this section, an employee who is demoted is entitled to the minimum payable rate of basic pay for the lower grade unless the agency sets the employee’s pay at a higher rate under:

(1) The grade and pay retention rules in 5 CFR part 536, as applicable; or

(2) The maximum payable rate rule in §531.221, as applicable.

(b) Geographic conversion. If the employee’s official worksite after demotion is in a different geographic location where different pay schedules apply, the agency must first convert the employee’s payable rate of pay as required by §531.205 before setting the demoted employee’s pay using the grade and pay retention rules in 5 CFR part 536 or the maximum payable rate rule in §531.221.

(c) Expiration or termination of a temporary promotion. (1) When an employee is returned to the lower grade from which promoted on expiration or termination of a temporary promotion, the agency must set the employee’s payable rate of basic pay in the lower grade as if he or she had not been temporarily promoted, unless the agency sets pay at a higher rate under the maximum payable rate rule in §531.221.

(2) If a temporary promotion is made permanent immediately after the temporary promotion ends, the agency may not return the employee to the lower grade. (See §531.214(e).)

(d) Demotion upon failure to complete a supervisory probationary period. When an employee promoted to a supervisory or managerial position does not satisfactorily complete a probationary period established under 5 U.S.C. 3321(a)(2) and is returned to a position at the lower grade held before the promotion, the agency must set the employee’s payable rate of basic pay upon return to the lower grade as if the employee had not been promoted to the supervisory or managerial position, unless the agency sets pay at a higher rate under the maximum payable rate rule in §531.221. As provided in subpart D of this part, time during the temporary promotion may be creditable service towards GS within-grade increases in the lower grade.

(e) Temporary promotions. Pay is set for an employee receiving a temporary promotion on the same basis as a permanent promotion. Upon expiration or termination of the temporary promotion, pay is set as provided in §531.215(c). If a temporary promotion is made permanent immediately after the temporary promotion ends, the agency may not return the employee to the lower grade; instead, the agency must convert the employee’s temporary promotion to a permanent promotion without a change in pay.

(f) Corrections of demotions. The promotion rule in this section may not be used in correcting an erroneous demotion. (See §531.215(e).)

§ 531.216 Setting pay when an employee moves from a Department of Defense or Coast Guard non-appropriated fund instrumentality.

(a) General. This section governs the setting of pay for an employee who moves to a GS position in the Department of Defense or the Coast Guard from a position in a nonappropriated fund instrumentality (NAFI) as described in 5 U.S.C. 2105(c) of the Department of Defense or the Coast Guard, respectively, without a break in service of more than 3 days. If an employee moves from a NAFI position to a GS position with a break of more than 3 days or moves from a NAFI position in the Department of Defense or the Coast Guard to a GS position outside of the Department of Defense or the Coast Guard, respectively, the employee has no special conversion rights and this section does not apply.

(b) NAFI highest previous rate. For the purpose of this section, the term “NAFI highest previous rate” means the highest rate of basic pay received by an employee during service in a NAFI position, as described in 5 U.S.C. 2105(c).

(c) Voluntary move. (1) For a Department of Defense or Coast Guard employee who moves voluntarily, without a break in service of more than 3 days, from a NAFI position in the Department of Defense or the Coast Guard to a GS position in the Department of Defense or the Coast Guard, respectively, the agency may set the employee’s initial payable rate of basic pay at the lowest step rate in the highest applicable rate range currently in effect for the employee’s GS position of record and official worksite which equals or exceeds the employee’s NAFI highest previous rate of pay, or any lower step rate, except as provided in paragraph (c)(2) or (3) of this section. The employee’s initial payable rate of basic pay may not exceed the maximum step rate (step 10).

(2) If the highest applicable rate range would be different if the official worksite for the employee’s position of record were located at the place where the employee was stationed while earning the NAFI highest previous rate, the agency must determine the employee’s maximum payable rate of basic pay as follows:

(i) Identify the lowest step rate in the highest applicable rate range that was equal to or exceeded the NAFI highest previous rate. If the NAFI highest previous rate is less than the range minimum, identify the minimum step rate (step 1). If the NAFI highest previous rate exceeds the range maximum, identify the maximum step rate (step 10).

(ii) Identify the step rate in the highest applicable rate range for the employee’s current official worksite and position of record that corresponds to the step rate derived under paragraph (c)(2)(i) of this section. That corresponding rate is the maximum payable rate at which the agency may set the employee’s pay under this section, except as provided by paragraph (c)(3) of this section. The agency may set the employee’s rate of basic pay at any step rate that does not exceed that maximum payable rate.

(3) An agency may choose to apply the maximum payable rate rule in §531.221 based on a non-NAFI rate of basic pay if that rule provides a higher rate than provided by paragraph (c)(1) or (2) of this section.

(d) Involuntary move. (1) For a Department of Defense or Coast Guard employee who is moved involuntarily (as defined in paragraph (d)(3) of this section), without a break in service of more than 3 days, from a NAFI position in the Department of Defense or the Coast Guard to a GS position with substantially the same duties in the
§ 531.217 Special conversion rules for certain non-GS employees.

When an employee moves (without a break in service) to a GS position from a non-GS system under an authority in 5 U.S.C. chapters 47, 95, or similar provision of law, and that authority provides that an employee will be converted to GS-equivalent rates immediately before leaving the non-GS system, the employee is considered a GS employee in applying the provisions of this subpart.

§ 531.221 Maximum payable rate rule.

(a) General. (1) An agency may apply the maximum payable rate rule as described in this section to determine an employee’s payable rate of basic pay under the GS pay system at a rate higher than the otherwise applicable rate upon reemployment, transfer, reassignment, promotion, demotion, change in type of appointment, termination of a critical position pay authority under 5 CFR part 535, movement from a non-GS pay system, or termination of grade or pay retention under 5 CFR part 536. (NOTE: Special rules for GM employees are provided in § 531.247.) A payable rate set under this section must take effect on the effective date of the action involved. This section may not be used to set an employee’s rate of basic pay retroactively unless a retroactive action is required to comply with a nondiscretionary agency policy.

(2) At its discretion, an agency may set an employee’s rate(s) of basic pay at the maximum rate identified under this section or at a lower rate. However, the employee’s rate may not be lower than the rate to which he or she is entitled under any other applicable pay-setting rule.

(b) When highest previous rate is based on a GS rate or LEO special base rate. When an employee’s highest previous rate (as determined under § 531.222) is based on a GS rate or an LEO special base rate, an agency must set an employee’s payable rate of basic pay under the GS pay system at a rate higher than the otherwise applicable rate upon reemployment, transfer, reassignment, promotion, demotion, change in type of appointment, termination of a critical position pay authority under 5 CFR part 535, movement from a non-GS pay system, or termination of grade or pay retention under 5 CFR part 536.
maximum payable rate of basic pay that may be paid to the employee as follows:

(1) Compare the employee’s highest previous rate with the GS rates for the grade in which pay is currently being set. For this comparison, use the schedule of GS rates in effect at the time the highest previous rate was earned. In applying this paragraph to an employee who was a law enforcement officer receiving an LEO special base rate when the highest previous rate was earned, compare the highest previous rate to the applicable LEO special base rates in lieu of GS rates if the grade in which pay is currently being set is one of the grades from GS-3 through GS-10.

(2) Identify the lowest step in the grade at which the GS rate (or LEO special base rate, if applicable) was equal to or greater than the employee’s highest previous rate. If the employee’s highest previous rate was greater than the maximum GS rate (or LEO special base rate, if applicable) for the grade, identify the step 10 rate (i.e., maximum rate of the grade).

(3) Identify the rate on the currently applicable range of GS rates or LEO special base rates for the employee’s current position of record and grade that corresponds to the step identified in paragraph (b)(2) of this section. This rate is the maximum payable GS rate or LEO special base rate that the agency may pay the employee under this section.

(4) After setting the employee’s GS or LEO special base rate within the rate range for the grade (not to exceed the maximum payable rate identified in paragraph (b)(3) of this section), the agency must determine the employee’s maximum payable rate of basic pay based on the employee’s GS or LEO special base rate.

(c) When highest previous rate is based on a GS employee’s special rate. When a GS employee is reassigned under the conditions described in §531.222(c), the employee’s former special rate in effect immediately before the reassignment may be used as the employee’s highest previous rate. If the employee’s former special rate schedule is being adjusted on the effective date of the employee’s reassignment, the agency must determine what the employee’s special rate would have been on that adjusted schedule (before any other simultaneous action) and treat the resulting special rate as the employee’s former special rate in applying paragraph (c)(1) and (2) of this section. The agency must apply the maximum payable rate rule as follows:

(1) When the employee is assigned to an official worksite within the geographic boundaries of a formerly applicable special rate schedule, compare the former special rate to the rates of basic pay in the highest applicable rate range for the employee’s current position of record and current official worksite. Identify the lowest step rate in that range that equals or exceeds the former special rate (or the maximum step rate, if the former special rate exceeds the range maximum). That step rate is the employee’s maximum payable rate of basic pay.

(2) When the employee is assigned to an official worksite outside the geographic boundaries of the formerly applicable special rate schedule, determine the maximum payable rate as follows:

(i) Convert the former special rate to a corresponding rate (same step) in the current highest applicable rate range for the new official worksite based on the employee’s position of record immediately before the reassignment.

(ii) If the rate resulting from the geographic conversion under paragraph (c)(2)(i) of this section is a special rate, that converted special rate is deemed to be the employee’s former special rate and highest previous rate in applying paragraph (c)(2)(iii) of this section. If the resulting rate is not a special rate, this paragraph (c) may not be used to determine the employee’s maximum payable rate. Instead, paragraph (b) of this section must be used.

(iii) Compare the employee’s highest previous rate (i.e., the former special rate after the geographic conversion) with the rates on the current highest applicable rate range for the new official worksite based on the employee’s position of record after the reassignment. Identify the lowest step rate in that range that equals or exceeds the highest previous rate (or the maximum step rate, if the highest previous rate
§ 531.222 Rates of basic pay that may be used as the highest previous rate.

(a)(1) Subject to the conditions in this section and §531.223, the highest previous rate used in applying §531.221 is—

(i) The highest rate of basic pay previously received by an individual while employed in a civilian position in any part of the Federal Government (including service with the government of the District of Columbia for employees first employed by that government before October 1, 1987), without regard to whether the position was in the GS pay system; or

(ii) The highest rate of basic pay in effect when a GS employee held his or her highest GS grade and highest step within that grade.

(b) For periods of service as a GS employee, the highest previous rate may not be a special rate, except as provided in paragraph (c) of this section. If the highest previous rate is a locality rate, the underlying GS rate or an LEO special base rate associated with that locality rate must be used as the highest previous rate in applying §531.221(b).

(c) An agency may use a GS employee’s special rate established under 5 U.S.C. 5305 and 5 CFR part 530, subpart C, or 38 U.S.C. 7455 as the highest previous rate when all of the following conditions apply:

(1) The employee is reassigned to another position in the same agency at the same grade level;

(2) The special rate is the employee’s rate of basic pay immediately before the reassignment; and

(3) An authorized agency official finds that the need for the services of the employee, and the employee’s contribution to the program of the agency, will be greater in the position to which reassigned. An agency must make such determinations on a case-by-case basis. In each case, the agency must document the determination to use the special rate as an employee’s highest previous rate in writing.

(d) When an agency is barred from using a special rate established under 5 U.S.C. 5305 and 5 CFR part 530, subpart

§ 531.242 Setting pay upon loss of GM status.

(a) On loss of status as a GM employee under § 531.241 (except as provided in paragraph (b) of this section), an employee must receive his or her existing payable rate of basic pay, plus any of the following adjustments that may be applicable on the effective date of the loss of status, in the order specified:

1. The amount of any annual adjustment in GS rates under 5 U.S.C. 5303, and the amount of any adjustment in locality payments or special rate supplements, to which the employee otherwise would be entitled on that date;

2. The amount of any within-grade increase to which the employee otherwise would be entitled on that date under 5 U.S.C. 5335 and subpart D of this part;

3. The amount resulting from a promotion effective on that date (consistent with § 531.243(c));

4. In the case of an employee who loses GM status without a change of grade and whose GS rate falls between two steps of a GS grade, the amount of any increase needed to pay the employee the rate for the next higher step of that grade; and
§ 531.243 Promotion of a GM employee.

(a) Upon promotion, an employee’s status as a GM employee ends, as provided in § 531.241(b).

(b) When an employee loses status as a GM employee because of a temporary promotion and is returned to the lower grade upon expiration or termination of the temporary promotion under § 531.215(c)(1), he or she will be deemed to have been placed at the lowest step rate that equals or exceeds the employee’s former GS rate (as a GM employee) on the effective date of the temporary promotion, before applying any other step increases based on his or her service during the temporary promotion.

(c) A GM employee’s GS rate is used as the existing rate of pay in applying the promotion rule in § 531.214. A GM employee’s off-step GS rate in the grade before promotion is not converted to a GS step rate in applying the promotion rule, but the employee must be placed on a GS step rate in the post-promotion grade.

§ 531.244 Adjusting a GM employee’s rate at the time of an annual pay adjustment.

(a) On the effective date of an annual pay adjustment under 5 U.S.C. 5303 or similar authority, an agency must set the new GS rate for a GM employee as follows:

(1) For a GM employee whose GS rate equals a regular GS step rate, set the employee’s rate at the new step rate in the adjusted General Schedule that corresponds to the employee’s grade and step as in effect immediately before the effective date of the pay adjustment.

(2) For a GM employee whose GS rate is below the minimum rate of the GS rate range for the employee’s grade, increase the existing GS rate by the same percentage as the annual pay adjustment for the GS rate range applicable to the employee’s grade, with the result rounded to the nearest dollar (not to exceed the minimum rate of the range).

(3) For a GM employee whose GS rate is between GS step rates, apply the following method:

| Step | Using the rates and ranges in effect immediately before the annual pay adjustment, find the difference between the GM employee’s GS rate and the minimum rate of the GS rate range for the employee’s grade.
|-----------------------------|
| B | Find the difference between the maximum rate and minimum rate of the GS rate range in effect immediately before the annual pay adjustment. (If the GS maximum rate was not payable because of the EX level V pay limitation in 5 U.S.C. 5303(f), use the uncapped maximum rate.)
| C | Divide the result from step A by the result from step B. Carry this result to the seventh decimal place and truncate, rather than round, the result. This decimal factor represents the employee’s relative position in the rate range.
| D | Using rates and ranges in effect after the annual pay adjustment, find the difference between the maximum rate and minimum rate of the new GS rate range for the employee’s grade. (If the GS maximum rate was not payable because of the EX level V pay limitation, use the uncapped maximum rate.)
| E | Multiply the result from step D by the factor derived from step C.
| F | Add the result from step E to the minimum rate of the employee’s current GS rate range and round to the next higher whole dollar. The resulting rate is the GM employee’s new GS rate (subject to the EX level V pay limitation).

§ 531.245 Computing locality rates and special rates for GM employees.

Locality rates and special rates are computed for GM employees in the same manner as locality rates and special rates for other GS employees. The applicable locality payment or special rate supplement is added on top of the GM employee’s GS rate.
§ 531.246 Within-grade increases for GM employees.

GM employees are entitled to within-grade increases as provided under subpart D of this part. A within-grade increase may not cause a GM employee’s GS rate to exceed the maximum GS rate of his or her grade. GM employees may receive quality step increases as provided in subpart E of this part.

(73 FR 66153, Nov. 7, 2008)

§ 531.247 Maximum payable rate rule for GM employees.

(a) A rate received by a GM employee may qualify as a highest previous rate under § 531.222.

(b) As provided in §§ 531.221(a) and 531.241(b), if an employee loses status as a GM employee because of a transfer, promotion, demotion, or reassignment to a position in which the employee will no longer be a supervisor or management official, and if the employing agency after the action chooses to apply the maximum payable rate rule, the agency must follow the rules in § 531.221.

(c) If an employee retains GM status after an action that allows application of the maximum payable rate rule in § 531.221 to set the employee’s pay, the rules in § 531.221 must be applied in accordance with the following special provisions:

(1) In comparing the employee’s highest previous rate to an applicable rate range for the grade in which pay is being set, do not identify the lowest step rate that equals or exceeds the highest previous rate. Instead, identify the rate in the rate range that equals the highest previous rate unless that highest previous rate is below the range minimum or above the range maximum. If the highest previous rate is below the range minimum, identify the minimum rate (step 1) of the grade. If the highest previous rate is above the range maximum, identify the maximum rate (step 10) of the grade.

(2) In applying § 531.221(b) for an employee whose highest previous rate is a GS rate, the highest previous rate must be compared to the GS rate range for the grade in which pay is currently being set, but which was in effect at the time the highest previous rate was earned. If the highest previous rate was earned while the current GS rate range was in effect, the rate identified under paragraph (c)(1) of this section is the maximum payable GS rate. Otherwise, based on the rate identified in paragraph (c)(1) of this section, the agency must determine the corresponding rate in the current GS rate range for the grade in which pay is currently being set. That corresponding rate is the maximum payable GS rate. If the highest previous rate was above the range minimum and below the range maximum, the corresponding rate in the current GS rate range must be derived as follows:

Step A ........... Find the difference between the employee’s highest previous rate and the minimum rate for the GS rate range (for the employee’s current grade) in effect at the time the highest previous rate was earned.

Step B ........... Find the difference between the maximum rate and the minimum GS rate for the rate range identified in step A. (If the GS maximum rate was not payable because of the EX level V pay limitation, use the uncapped maximum rate.)

Step C ........... Divide the result from step A by the result from step B. Carry this result to the seventh decimal place and truncate, rather than round, the result. This decimal factor represents the employee’s relative position in the rate range.

Step D ........... Using the current GS rate range (for the employee’s current grade), find the difference between the maximum rate and the minimum rate. (If the maximum GS rate was not payable because of the EX level V pay limitation, use the uncapped maximum GS rate.)

Step E ........... Multiply the result from step D by the factor derived under step C.
Step F ............ Add the result from step E to the minimum rate for the employee’s current GS rate range and round to the next higher whole dollar. This rate is the maximum payable GS rate the agency may pay the employee (subject to the EX level V pay limitation).

(3) In applying §531.221(c) for an employee whose highest previous rate is a special rate, the highest previous rate (after any geographic conversion) must be compared directly to the current highest applicable rate range for the employee’s position of record and official worksite after reassignment. Thus, the rate identified under paragraph (c)(1) of this section is the maximum payable rate of basic pay.

The following are the principal authorities for the regulations in this subpart:

(a) Section 2301(b)(3) of title 5, United States Code, provides in part that “appropriate incentives and recognition should be provided for excellence in performance.”

(b) Section 5301(a)(2) of title 5, United States Code, provides that “pay distinctions be maintained in keeping with work and performance distinctions.”

(c) Section 5338 of title 5, United States Code, provides that “The Office of Personnel Management may prescribe regulations necessary for the administration of this section.”

§ 531.402 Employee coverage.

(a) Except as provided in paragraph (b) of this section, this subpart applies to employees who—

(1) Are classified and paid under the General Schedule;

(2) Occupy permanent positions; and

(3) Are paid less than the maximum rate of their grade.

(b) This subpart does not apply to any employee who is appointed by the President, by and with the advice and consent of the Senate.

[70 FR 31301, May 31, 2005]

§ 531.403 Definitions.

In this subpart:

Acceptable level of competence means performance by an employee that warrants advancement of the employee’s rate of basic pay to the next higher step of the grade or the next higher rate within the grade (as defined in this section) of his or her position, subject to the requirements of §531.404 of this subpart, as determined by the head of the agency (or designee).

Agency means an agency with employees covered by this subpart, as provided in §531.402.

Calendar week means a period of any seven consecutive calendar days.

Critical element has the meaning given that term in §430.203 of this chapter.

Employee has the meaning given that term in 5 U.S.C. 2105, except that for the purpose of applying the provisions regarding equivalent increases and creditable service with respect to non-GS service, employee also includes—

(1) An individual employed by the U.S. Postal Service or the Postal Rate Commission who would be considered an employee under 5 U.S.C. 2105 but for the exclusion in section 2105(e); and
(2) An individual employed by a non-appropriated fund instrumentality for service that is creditable under §531.406(b)(4).

Equivalent increase means an increase in an employee’s rate of basic pay, or an opportunity for such an increase under a non-GS pay system, as described in §531.407.

General Schedule or GS means the classification and pay system established under 5 U.S.C. chapter 51 and subchapter III of chapter 53. The term also refers to the pay schedule of GS rates established under 5 U.S.C. 5332, as adjusted under 5 U.S.C. 5303 or other law (including GS rates payable to GM employees). Law enforcement officers receiving LEO special base rates are covered by the GS classification and pay system, but receive higher base rates of pay in lieu of GS rates at grades GS–3 through GS–10.

GM employee has the meaning given that term in 5 CFR 531.203.

GS rate means a rate of basic pay within the General Schedule, excluding additional pay of any kind such as locality payments under subpart F of this part and special rate supplements under 5 CFR part 530, subpart C, or 38 U.S.C. 7455. A rate payable to a GM employee is considered a GS rate.

Law enforcement officer or LEO has the meaning given that term in 5 CFR 550.103.

LEO special base rate means a special base rate established for GS law enforcement officers at grades GS–3 through GS–10 under section 403 of the Federal Employees Pay Comparability Act of 1990 (section 520 of Pub. L. 101–509, November 5, 1990, as amended) which is used in lieu of a GS rate.

Next higher rate within the grade for a GM employee means the rate of basic pay that exceeds the employee’s existing rate of basic pay by one within-grade increase, not to exceed the maximum rate of the grade. For the purpose of this definition, a within-grade increase equals the dollar value of the GS within-grade increase for the applicable grade (excluding any locality payment, special rate supplement, or any other additional payment).

Permanent position means a position filled by an employee whose appointment is not designated as temporary by law and does not have a definite time limitation of one year or less. “Permanent position” includes a position to which an employee is promoted on a temporary or term basis for at least one year.

Promotion means an employee’s movement from one grade or level to a higher grade or level while continuously employed (including such a movement in conjunction with a transfer).

Rate of basic pay means the rate of pay fixed by law or administrative action for the position held by an employee before any deductions and exclusive of additional pay of any kind.

For an employee covered by the General Schedule, that rate of basic pay is the GS rate or, if applicable, an LEO special base rate.

Scheduled tour of duty means any work schedule established for an employee in accordance with the regular procedures for the establishment of workweeks in §610.111 of this chapter. For a full-time employee this includes the basic 40-hour workweek. For a part-time employee this is any regularly scheduled work of less than 40-hours during the administrative workweek.

Temporary promotion means a time-limited promotion with a not-to-exceed date or a specified term.

Waiting period means the minimum time requirement of creditable service to become eligible for consideration for a within-grade increase.

Within-grade increase is synonymous with the term “step increase” used in 5 U.S.C. 5335 and means—* *

(1) A periodic increase in an employee’s rate of basic pay from one step of the grade of his or her position to the next higher step of that grade in accordance with section 5335 of title 5, United States Code, and this subpart; or

(2) For a GM employee whose rate does not equal a regular GS step rate (i.e., an off-step rate), a periodic increase in an employee’s rate of basic pay from the employee’s current rate to the next higher rate within the
§ 531.404 Earning within-grade increase.

An employee paid at less than the maximum rate of the grade of his or her position shall earn advancement in pay to the next higher step of the grade or the next higher rate within the grade (as defined in § 531.403) upon meeting the following three requirements established by law:

(a) The employee’s performance must be at an acceptable level of competence, as defined in this subpart. To be determined at an acceptable level of competence, the employee’s most recent rating of record (as defined in § 430.203 of this chapter) shall be at least Level 3 (‘‘Fully Successful’’ or equivalent).

(1) When a within-grade increase decision is not consistent with the employee’s most recent rating of record a more current rating of record must be prepared.

(2) The rating of record used as the basis for an acceptable level of competence determination for a within-grade increase must have been assigned no earlier than the most recently completed appraisal period.

(b) The employee must have completed the required waiting period for advancement to the next higher step of the grade of his or her position.

(c) The employee must not have received an equivalent increase during the waiting period.

§ 531.405 Waiting periods for within-grade increase.

(a) Length of waiting period. (1) For an employee with a scheduled tour of duty, the waiting periods for advancement to the next higher step in all General Schedule grades (or the next higher rate within the grade, as defined in § 531.403) are:

(i) Rate of basic pay less than the rate of basic pay at step 4–52 calendar weeks of creditable service;

(ii) Rate of basic pay equal to or greater than the rate of basic pay at step 4 and less than the rate of basic pay at step 7–104 calendar weeks of creditable service; and

(iii) Rate of basic pay equal to or greater than the rate of basic pay at step 7–156 calendar weeks of creditable service.

(2) For an employee without a scheduled tour of duty, the waiting periods for advancement to the next higher step of all General Schedule grades (or the next higher rate within the grade, as defined in § 531.403) are:

(i) Rate of basic pay less than the rate of basic pay at step 4–260 days of creditable service in a pay status over a period of not less than 52 calendar weeks;

(ii) Rate of basic pay equal to or greater than the rate of basic pay at step 4 and less than the rate of basic pay at step 7–520 days of creditable service in a pay status over a period of not less than 104 calendar weeks; and

(iii) Rate of basic pay equal to or greater than the rate of basic pay at step 7–780 days of creditable service in a pay status over a period of not less than 156 calendar weeks.

(b) Commencement of a waiting period. A waiting period begins:

(1) On the first appointment as an employee of the Federal Government, regardless of tenure;

(2) On receiving an equivalent increase; or

(3) After a period of nonpay status or a break in service (alone or in combination) in excess of 52 calendar weeks, unless the nonpay status or break in service is creditable service under § 531.406 of this subpart.

(c) A waiting period is not interrupted by non-workdays intervening between an employee’s last scheduled workday in one position and his or her first scheduled workday in a new position.

§ 531.406 Creditable service.

(a) General. Civilian employment in any branch of the Federal Government (executive, legislative, or judicial) or with a Government corporation as defined in section 103 of title 5, United States Code, is creditable service in the computation of a waiting period. Service credit is given during this employment for periods of annual, sick, and other leave with pay; advanced annual and sick leave; service under a temporary or term appointment; and service under an interim appointment made under §772.102 of this chapter. Depending on the specific provision of law or regulation, service may be creditable for the completion of one waiting period or for the completion of successive waiting periods. Paragraph (b) of this section identifies service which is creditable in the computation of a single waiting period. Paragraph (c) identifies service which is creditable in the computation of successive waiting periods.

(b) Service creditable for one within-grade increase. (1) Military service as defined in section 8331(13) of title 5, United States Code, is creditable service in the computation of a waiting period when an employee is reemployed with the Federal Government not later than 52 calendar weeks after separation from such service or hospitalization continuing thereafter for a period of not more than one year.

(2) Time in a nonpay status (based upon the tour of duty from which the time was charged) is creditable service in the computation of a waiting period for an employee with a scheduled tour of duty when it does not exceed an aggregate of:

(i) Two workweeks in the waiting period for an employee whose rate of basic pay is less than the rate of basic pay for step 4 of the applicable grade;

(ii) Four workweeks in the waiting period for an employee whose rate of basic pay is equal to or greater than the rate of basic pay for step 4 of the applicable grade and less than the rate of basic pay for step 7 of the applicable grade; and

(iii) Six workweeks in the waiting period for an employee whose rate of basic pay is equal to or greater than the rate of basic pay for step 7 of the applicable grade.

(3) Except as provided in paragraph (c) of this section, time in a nonpay status (based upon the tour of duty from which the time was charged) that is in excess of the allowable amount shall extend a waiting period by the excess amount.

(4) Service by an employee of a non-appropriated fund instrumentality of the Department of Defense or the Coast Guard, as defined in 5 U.S.C. 2105(c), who moves, within the civil service employment system of the Department of Defense or the Coast Guard, respectively, and without a break in service of more than 3 days, to a position classified and paid under the General Schedule, is creditable service in the computation of a waiting period.

(c) Service creditable for successive within-grade increases. (1) A leave of absence from a position in which an employee is covered by this subpart, whether the employee is on leave without pay or is considered to be on furlough, is creditable service in the computation of waiting periods for successive within-grade increases when:

(i) The employee is absent for the purpose of engaging in military service as defined in section 8331(13) of title 5, United States Code, and returns to a pay status through the exercise of a restoration right provided by law, Executive order, or regulation;

(ii) The employee is receiving injury compensation under subchapter I of chapter 81 of title 5, United States Code;

(iii) The employee is performing service that is creditable under section 8332(b) (5) or (7) of title 5, United States Code;

(iv) The employee is temporarily employed by another agency in a position covered by this subpart; or

(v) The employee is assigned to a State or local government or institution of higher education under sections 3371–3376 of title 5, United States Code.

(2) The period from the date of an employee’s separation from Federal service with a restoration or reemployment right granted by law, Executive order, or regulation to the date of restoration or reemployment with the
§ 531.407 Equivalent increase determinations.

(a) GS employees. For a GS employee, an equivalent increase is considered to occur at the time of any of the following personnel actions:

(1) A within-grade increase, excluding a quality step increase granted under subpart E of this part or an interim within-grade increase if that increase is later terminated under § 531.414;

(2) A promotion (permanent or temporary) to a higher grade, including the promotion of an employee receiving a retained rate under 5 CFR 359.705 or 5 CFR part 536 that does not result in a pay increase, but excluding—
   (i) A temporary promotion if, at the end of the temporary promotion, the employee is returned to the grade from which promoted; or
   (ii) A promotion to a higher-graded supervisory or managerial position when the employee does not satisfactorily complete a probationary period established under 5 U.S.C. 3321(a)(2) and is returned to a position at the lower grade held before promotion;

(3) Application of the maximum pay-able rate rule in § 531.221 that results in a higher step rate within the employee’s GS grade (or an increase for a GM employee to the next higher rate within the grade), except for application of that rule in a demotion to the extent that the employee’s rate of basic pay after demotion does not exceed the lowest step rate that equals or exceeds the employee’s rate of basic pay immediately before the demotion;

(4) Application of the superior qualifications and special needs pay-setting authority in § 531.212 that results in a higher step rate within the employee’s GS grade (or an increase for a GM employee to the next higher rate within the grade); or

(5) Application of the qualifications pay authority in 5 U.S.C. 9814 to an employee of the National Aeronautics and Space Administration, when the employee fulfills the 1-year service requirement in the position for which qualifications pay was paid or in a successor position.

(b) Non-GS employees who move to the GS pay system. When an employee performs service under a non-GS pay system for Federal employees and that service is potentially creditable towards a GS within-grade increase waiting period, an equivalent increase is considered to occur at the time of any of the following personnel actions in the non-GS pay system:

(1) A promotion to a higher grade or work level within the non-GS pay system (unless the promotion is cancelled and the employee’s rate of basic pay is redetermined as if the promotion had not occurred); or

(2) An opportunity to receive a within-level or within-range increase that results in forward movement in the applicable range of rates of basic pay (including an increase granted immediately upon movement to the non-GS pay system from another pay system—e.g., to account for the value of accrued within-grade increases under the former pay system or to provide a promotion-equivalent increase), where “forward movement in the applicable range” means any kind of increase in the employee’s rate of basic pay other than an increase that is directly and exclusively linked to—
   (i) A general structural increase in the employee’s basic pay schedule or rate range (including the adjustment of a range minimum or maximum); or
   (ii) The employee’s placement under a new basic pay schedule within the same pay system, when such placement results in a nondiscretionary basic pay
increase to account for occupational pay differences.

(c) Locality rates and special rates. Since locality rates under subpart F of this part and special rates under 5 CFR part 530, subpart C, and similar rates under other legal authority (e.g., 38 U.S.C. 7455) are not rates of basic pay for the purpose of this subpart, increases in pay resulting from an adjustment in an employee’s locality payment or special rate supplement or from placement on a new locality rate or special rate schedule are not considered in making equivalent increase determinations.

§ 531.408 [Reserved]

§ 531.409 Acceptable level of competence determinations.

(a) Responsibility. The head of the agency or other agency official to whom such authority is delegated shall determine which employees are performing at an acceptable level of competence.

(b) Basis for determination. When applicable, an acceptable level of competence determination shall be based on a current rating of record made under part 430, subpart B, of this chapter. For those agencies not covered by chapter 43 of title 5, United States Code, and for employees in positions excluded from 5 U.S.C. 4301, an acceptable level of competence determination shall be based on performance appraisal requirements established by the agency. If an employee has been reduced in grade because of unacceptable performance and has served in one position at the lower grade for at least the minimum period established by the agency, a rating of record at the lower grade shall be used as the basis for an acceptable level of competence determination.

(c) Delay in determination. (1) An acceptable level of competence determination shall be delayed when, and only when, either of the following applies:

(i) An employee has not had the minimum period of time established at § 430.207(a) of this chapter to demonstrate acceptable performance because he or she has not been informed of the specific requirements for performance at an acceptable level of competence in his or her current position, and the employee has not been given a performance rating in any position within the minimum period of time (as established at § 430.207(a) of this chapter) before the end of the waiting period; or

(ii) An employee is reduced in grade because of unacceptable performance to a position in which he or she is eligible for a within-grade increase or will become eligible within the minimum period as established at § 430.207(a) of this chapter.

(2) When an acceptable level of competence determination has been delayed under this subpart:

(i) The employee shall be informed that his or her determination is postponed and the appraisal period extended and shall be told of the specific requirements for performance at an acceptable level of competence.

(ii) An acceptable level of competence determination shall then be made based on the employee’s rating of record completed at the end of the extended appraisal period.

(iii) If, following the delay, the employee’s performance is determined to be at an acceptable level of competence, the within-grade increase will be granted retroactively to the beginning of the pay period following completion of the applicable waiting period.

(d) Waiver of requirement for determination. (1) An acceptable level of competence determination shall be waived and a within-grade increase granted when an employee has not served in any position for the minimum period under an applicable agency performance appraisal program during the final 52 calendar weeks of the waiting period for one or more of the following reasons:

(i) Because of absences that are creditable service in the computation of a waiting period or periods under § 531.406 of this subpart;

(ii) Because of paid leave;
§ 531.410

(iii) Because the employee received service credit under the back pay provisions of subpart H of part 550 of this chapter;

(iv) Because of details to another agency or employer for which no rating has been prepared;

(v) Because the employee has had insufficient time to demonstrate an acceptable level of competence due to authorized activities of official interest to the agency not subject to appraisal under part 430 of this chapter (including, but not limited to, labor-management partnership activities under section 2 of Executive Order 12871 and serving as a representative of a labor organization under chapter 71 of title 5, United States Code); or

(vi) Because of long-term training.

(2) When an acceptable level of competence determination has been waived and a within-grade increase granted under paragraph (d)(1) of this section, there shall be a presumption that the employee would have performed at an acceptable level of competence had the employee performed the duties of his or her position of record for the minimum period under the applicable agency performance appraisal program.

(e) Notice of determination. (1) A level of competence determination shall be communicated to an employee in writing as soon as possible after completion of the waiting period or other period upon which it was based.

(2) When the head of an agency or his or her designee determines that an employee's performance is not at an acceptable level of competence, the negative determination shall be communicated to the employee in writing and shall:

(i) Set forth the reasons for any negative determination and the respects in which the employee must improve his or her performance in order to be granted a within-grade increase under § 531.411 of this subpart.

(ii) Inform the employee of his or her right to request that the appropriately designated agency official reconsider the determination.

§ 531.410 Reconsideration of a negative determination.

(a) When an agency head, or his or her designee, issues a negative determination the following procedures are established in accordance with section 5335(c) of title 5, United States Code for reconsideration of the negative determination:

(1) An employee or an employee's personal representative may request reconsideration of a negative determination by filing, not more than 15 days after receiving notice of determination, a written response to the negative determination setting forth the reasons the agency shall reconsider the determination;

(2) When an employee files a request for reconsideration, the agency shall establish an employee reconsideration file which shall contain all pertinent documents relating to the negative determination and the request for reconsideration, including copies of the following:

(i) The written negative determination and the basis therefore;

(ii) The employee's written request for reconsideration;

(iii) The report of investigation when an investigation is made;

(iv) The written summary or transcript of any personal presentation made; and

(v) The agency's decision on the request for reconsideration.

The file shall not contain any document that has not been made available to the employee or his or her personal representative with an opportunity to submit a written exception to any summary of the employee's personal presentation;

(3) An employee in a duty status shall be granted a reasonable amount of official time to review the material relied upon to support the negative determination and to prepare a response to the determination; and

(4) The agency shall provide the employee with a prompt written final decision.

(b) The time limit to request a reconsideration may be extended when the employee shows he or she was not notified of the time limit and was not otherwise aware of it, or that the employee was prevented by circumstances
Office of Personnel Management § 531.414

$beyond his or her control from requesting reconsideration within the time limit.

(c) An agency may disallow as an employee’s personal representative an individual whose activities as a representative would cause a conflict of interest of position, an employee whose release from his or her official duties and responsibilities would give rise to unreasonable costs to the Government, or an employee whose priority work assignment precludes his or her release from official duties and responsibilities. Section 7114 of title 5, United States Code, and the terms of any applicable collective bargaining agreement govern representation for employees in an exclusive bargaining unit.

(d) When a negative determination is sustained after reconsideration, an employee shall be informed in writing of the reasons for the decision and of his or her right to appeal the decision to the Merit Systems Protection Board. However, for an employee covered by a collective bargaining agreement a reconsideration decision that sustains a negative determination is only reviewable in accordance with the terms of the agreement.

§ 531.412 Effective date of a within-grade increase.

(a) Except as provided in paragraph (b) of this section, a within-grade increase shall be effective on the first day of the first pay period following completion of the required waiting period and in compliance with the conditions of eligibility. Interim within-grade increases shall become effective as provided in § 541.414(b).

(b) When an acceptable level of competence is achieved at some time after a negative determination, the effective date is the first day of the first pay period after the acceptable determination has been made.

§ 531.413 Reports and evaluation of within-grade increase authority.

(a) Reports. The Office of Personnel Management may require agencies to maintain records and report on the use of the authority to grant or withhold within-grade increases.

(b) Evaluation. The Office of Personnel Management may evaluate an agency’s use of the authority to grant or withhold within-grade increases. An agency shall take any corrective action required by the Office.

§ 531.414 Interim within-grade increase.

(a) An interim within-grade increase shall be granted to an employee who has:

(1) Appealed a negative within-grade increase determination to the Merit Systems Protection Board under 5 U.S.C 5335(c); and

(2) Been granted a favorable within-grade increase determination under the interim relief provisions of 5 U.S.C. 7701(b)(2).

(b) An interim within-grade increase granted under paragraph (a) of this section shall become effective on the date of the appellate decision ordering interim relief under 5 U.S.C. 7701(b)(2).

(c) If the final decision of the Merit Systems Protection Board upholds the negative within-grade increase determination, an interim within-grade increase granted under this section shall be terminated on the date of the Board’s final decision.

§ 531.501
(d) If the final decision of the Merit Systems Protection Board overturns the negative within-grade increase determination, an interim within-grade increase granted under this section shall be made permanent and shall be granted retroactively to the first day of the first pay period beginning on or after completion of the applicable waiting period.

(e) An employee may not appeal the termination of an interim within-grade increase under paragraph (c) of this section.

Subpart F—Locality-Based Comparability Payments

SOURCE: 58 FR 69174, Dec. 30, 1993, unless otherwise noted.

§ 531.601 Purpose.

This subpart contains Office of Personnel Management (OPM) regulations implementing 5 U.S.C. 5304, which authorizes locality payments in defined geographic areas for GS employees and other categories of employees to whom locality payments are extended. These regulations must be read together with 5 U.S.C. 5304.

[70 FR 31302, May 31, 2005]

§ 531.602 Definitions.

In this subpart:

CSA means the geographic scope of a Combined Statistical Area, as defined by the Office of Management and Budget (OMB) in OMB Bulletin No. 13–01, plus any areas subsequently added to the CSA by OMB.

Employee means—

(1) An employee in a position to which 5 U.S.C. chapter 53, subchapter III, applies, including a GM employee, and whose official worksite is located in a locality pay area; and

(2) An employee in a category of positions described in 5 U.S.C. 5304(h)(1)(A)–(D) for which the President (or designee) has authorized locality-based comparability payments under 5 U.S.C. 5304(h) and whose official worksite is located in a locality pay area.

General Schedule or GS means the classification and pay system established under 5 U.S.C. chapter 51 and subchapter III of chapter 53. It also refers to the pay schedule of GS rates established under 5 U.S.C. 5332, as adjusted under 5 U.S.C. 5303 or other law (including GS rates payable to GM employees). Law enforcement officers (LEOs) receiving LEO special base rates are covered by the GS classification and pay system, but receive higher base rates of pay in lieu of GS rates at grades GS–3 through GS–10.

GM employee has the meaning given that term in 5 CFR 531.203.

GS rate means a rate of basic pay within the General Schedule, excluding any LEO special base rate and additional pay of any kind such as locality payments or special rate supplements. A rate payable to a GM employee is considered a GS rate.

Law enforcement officer or LEO has the meaning given that term in 5 CFR 550.105.

LEO special base rate means a special base rate established for GS law enforcement officers at grades GS–3 through GS–10 under section 403 of the Federal Employees Pay Comparability Act of 1990 (section 529 of Pub. L. 101–509, November 5, 1990, as amended) which is used in lieu of a GS rate.

Locality pay area means an area listed in §531.603 of this part, as established and modified under 5 U.S.C. 5304 by the Pay Agent designated by the President under 5 U.S.C. 5304(d)(1).

Locality payment means a locality-based comparability payment payable under 5 U.S.C. 5304 and this subpart. An employee’s locality payment is the difference between the employee’s locality rate and the employee’s scheduled annual rate of pay.

Locality pay percentage means the percentage authorized for a locality pay area under 5 U.S.C. 5304 or 5304a which is used to compute a locality payment (before applying any maximum pay limitations under §531.606).

Locality rate means a scheduled annual rate of pay plus an applicable locality payment. An employee’s locality rate is computed under §531.604.

MSA means the geographic scope of a Metropolitan Statistical Area, as defined by the Office of Management and
§ 531.603 Locality pay areas.

(a) Locality rates of pay under this subpart shall be payable to employees whose official worksites are located in the locality pay areas listed in paragraph (b) of this section.

(a) An annual locality rate consists of a scheduled annual rate of pay plus an applicable locality payment (representing an annual dollar amount), as determined under paragraph (b) of this section.

(b) An agency determines an employee’s locality rate by—

(1) Determining the employee’s official worksite consistent with the rules in § 531.605;

(2) Determining the locality pay area in which the employee’s official worksite is located, consistent with the locality pay areas established in § 531.603;

(3) Identifying the locality pay percentage in effect in the applicable locality pay area;

(4) Increasing the employee’s scheduled annual rate of pay by the applicable locality pay percentage and rounding the result to the nearest whole dollar (counting 50 cents and over as the next higher dollar); and

(5) Applying any applicable limitation as described in § 531.606.

(c) A locality rate may be expressed as an hourly, daily, weekly, or biweekly rate, as provided in § 531.607.

§ 531.605 Determining an employee’s official worksite.

(a)(1) Except as otherwise provided in this section, the official worksite is the location of an employee’s position of

record where the employee regularly performs his or her duties.

(2) If the employee's work involves recurring travel or the employee's work location varies on a recurring basis, the official worksite is the location where the work activities of the employee's position of record are based, as determined by the employing agency, subject to the requirement that the official worksite must be in a locality pay area in which the employee regularly performs work.

(3) An agency must document an employee's official worksite on an employee's Notification of Personnel Action (Standard Form 50 or equivalent).

(b) For an employee who is relocated and authorized to receive relocation expenses under 5 U.S.C. chapter 57, subchapter II (or similar authority), the official worksite is the established worksite for the position in the area to which the employee has been relocated. For an employee authorized to receive relocation expenses under 5 U.S.C. 5737 in connection with an extended assignment resulting in a temporary change of station, the worksite associated with the extended assignment is the official worksite. (See 41 CFR 302–1.1.)

(c) For an employee whose assignment to a new worksite is followed within 3 workdays by a reduction in force resulting in the employee’s separation before he or she is required to report for duty at the new location, the official worksite in effect immediately before the assignment remains the official worksite through the date of separation.

(d) For an employee covered by a telework agreement, the following rules apply:

(1) If the employee is scheduled to work at least twice each biweekly pay period on a regular and recurring basis at the regular worksite for the employee’s position of record, the regular worksite (where the employee's work activities are based) is the employee's official worksite. However, in the case of such an employee whose work location varies on a recurring basis, the employee need not work at least twice each biweekly pay period at the regular official worksite (where the employee's work activities are based) as long as the employee is regularly performing work within the locality pay area for that worksite.

(2) An authorized agency official may make an exception to the twice-in-a-pay-period standard in paragraph (d)(1) of this section in appropriate situations of a temporary nature, such as the following:

(i) An employee is recovering from an injury or medical condition;

(ii) An employee is affected by an emergency situation, which temporarily prevents the employee from commuting to his or her regular official worksite;

(iii) An employee has an extended approved absence from work (e.g., paid leave);

(iv) An employee is in temporary duty travel status away from the official worksite;

(v) An employee is temporarily detailed to work at a location other than a location covered by a telework agreement.

(3) If an employee covered by a telework agreement does not meet the requirements of paragraphs (d)(1) or (d)(2) of this section, the employee's official worksite is the location of the employee's telework site.

(4) An agency must determine a telework employee’s official worksite on a case-by-case basis. A determination made under this paragraph (d) is within the sole and exclusive discretion of the authorized agency official, subject only to OPM review and oversight.

(e) In applying paragraph (d) of this section for the purpose of other location-based pay entitlements under other regulations that refer to this section, the reference to a locality pay area is deemed to be a reference to the applicable geographic area associated with the given pay entitlement. For example, for the purpose of special rates under 5 CFR part 530, subpart C, the reference to a locality pay area is deemed to be a reference to the geographic area covered by a special rate schedule.

§ 531.606 Maximum limits on locality rates.

(a) Except as provided by paragraph (b) of this section, a locality rate may
§ 531.607 Computing hourly, daily, weekly, and biweekly locality rates.

(a) Apply the following methods to convert an annual locality rate to an hourly, daily, weekly, or biweekly rate:

(1) To derive an hourly rate, divide the annual locality rate by 2,087 and round to the nearest cent, counting one-half cent and over as the next higher cent.

Example:

Annual locality rate = $50,000
Computation of hourly rate: $50,000 \div 2,087 = 23.957 or $23.96.

(2) To derive a daily rate, multiply the hourly rate by the number of daily hours of service required by the employee's basic daily tour of duty.

Example:

Hourly rate = $23.96
Daily hours = 8
Computation of daily rate: $23.96 \times 8 = $191.68

(3) To derive a weekly or biweekly rate, multiply the hourly rate by 40 or 80, as applicable.

Example:

Hourly rate = $23.96
Biweekly hours = 80
Computation of biweekly rate: $23.96 \times 80 = $1,916.80

(b) Notwithstanding paragraph (a) of this section, for a firefighter whose pay is computed under 5 U.S.C. 5545b, a firefighter hourly locality rate is computed using a divisor of 2,756 hours instead of 2,087, as prescribed in 5 CFR part 550, subpart M. Also, such a firefighter’s weekly and biweekly locality rates must be based on the firefighter’s extended tour of duty as prescribed in that subpart.

(a) An employee must receive the greatest of the following rates of pay, as applicable—

§ 532.103 Coverage.

The provisions of this part shall apply to prevailing rate employees and agencies covered by section 5342 of title 5, United States Code.

§ 532.105 Pay-fixing authority.

The head of each agency shall authorize application of the rates established by the lead agency or the Office of Personnel Management (OPM) to prevailing rate employees within the appropriate wage area, in accordance with the provisions of this part.

Subpart B—Prevailing Rate Determinations

§ 532.201 Definitions.

For the purposes of this part:

*Full-scale survey* means a survey conducted at least every 2 years in which data are collected from a current sampling of establishments in the private sector by personal visit of data collectors.

*Host activity* is the local Federal activity designated by the lead agency to obtain employment statistics from other Federal activities in the wage area and to provide support facilities and clerical assistance for the wage survey.

*Lead agency* means the agency designated by the Office of Personnel Management to plan and conduct wage surveys, analyze wage survey data, and determine and issue required wage schedules for a wage area.

*Survey area* means that part of the wage area where the private enterprise establishments included in the wage survey are located.

*Wage area* means that geographic area within which a single set of regular wage schedules is applied uniformly by Federal installations to covered occupations.

*Wage change survey* means a survey in which rate change data are collected from the same establishments and for the same establishment occupations represented in the full-scale survey. These data may be collected by telephone, mail, or personal visit.

(a) Each nonsupervisory and leader regular wage schedule shall have 15 grades, which shall be designated as follows:

(1) *WG* means an appropriated fund nonsupervisory grade;

(2) *WL* means an appropriated fund leader grade;

(4) Step 5 set at 112 percent of the step 2 rate.
§ 532.207 Time schedule for wage surveys.
(a) Wage surveys shall be conducted on a 2-year cycle at annual intervals.
(b) A full-scale survey shall be made in the first year of the 2-year cycle and shall include development of a current sample of establishments and the collection of wage data by visits to establishments.
(c) A wage-change survey shall be made every other year using only the same employers, occupations, survey jobs, and establishment weights used in the preceding full-scale survey. Data may be collected by telephone, mail, or personal contact.
(d) Scheduling of surveys shall take into consideration the following criteria:
§ 532.209  Lead agency.

(a) The Office of Personnel Management shall select a lead agency for each appropriated and nonappropriated fund wage area based on the number of agency employees covered by the regular wage schedule for that area and the capability of the agency in providing administrative and clerical support at the local level necessary to conduct a wage survey.

(b) OPM may authorize exceptions to these criteria where this will improve the administration of the local wage survey.

(c) The listing in appendix A to this subpart shows the lead agency for each appropriated fund wage area. The Department of Defense is the lead agency for each nonappropriated fund wage area.

[55 FR 46141, Nov. 1, 1990]

§ 532.211  Criteria for establishing appropriated fund wage areas.

(a) Each wage area shall consist of one or more survey areas along with nonsurvey areas, if any.

1. Survey area: A survey area is composed of the counties, parishes, cities, or townships in which survey data are collected. Except in very unusual circumstances, a wage area that includes a Metropolitan Statistical Area shall have the Metropolitan Statistical Area as the survey area or part of the survey area.

2. Nonsurvey area: Nonsurvey counties, parishes, cities, or townships may be combined with the survey area(s) to form the wage area through consideration of the criteria in paragraph (d)(1) of this section.

(b) Wage areas shall include wherever possible a recognized economic community such as a Metropolitan Statistical Area or a political unit such as a county. Two or more economic communities or political units, or both, may be combined to constitute a single wage area; however, except in unusual circumstances and as an exception to the criteria, an individually defined Metropolitan Statistical Area or county shall not be subdivided for the purpose of defining a wage area.

(c) Except as provided in paragraph (a) of this section, wage areas shall be established when:

1. There is a minimum of 100 wage employees of one agency subject to the regular schedule and the agency involved indicates that its local installation has the capacity to do the survey; and

2. There is, within a reasonable commuting distance of the concentration of Federal employment:

i. A minimum of either 20 establishments within survey specifications having at least 50 employees each; or 10 establishments having at least 50 employees each, with a combined total of 1,500 employees; and

ii. The total private enterprise employment in the industries surveyed in the survey area is at least twice the Federal wage employment in the survey area.

(d)(1) Adjacent economic communities or political units meeting the separate wage area criteria in paragraphs (b) and (c) of this section may be combined through consideration of:

i. Distance, transportation facilities, and geographic features;

ii. Commuting patterns; and

(iii) Similarities in overall population, employment, and the kinds and sizes of private industrial establishments.

[55 FR 46141, Nov. 1, 1990]
(2) Generally, the criteria listed in paragraph (d)(1) of this section are considered in the order listed.

(3) When two wage areas are combined, the survey area of either or both may be used, depending on the concentrations of Federal and private employment and locations of establishments, the proximity of the survey areas to each other, and the extent of economic similarities or differences as indicated by relative levels of wage rates in each of the potential survey areas.

(e) Appropriated fund wage and survey area definitions are set out as appendix C to this subpart and are incorporated in and made part of this section.

(f) A single contiguous military installation defined as a Joint Base that would otherwise overlap two separate wage areas shall be included in only a single wage area. The wage area of such a Joint Base shall be defined to be the wage area with the most favorable payline based on an analysis of the simple average of the 15 non-supervisory second step rates on each one of the regular wage schedules applicable in the otherwise overlapped wage areas.

§ 532.213 Industries included in regular appropriated fund wage surveys.

(a) The lead agency must include the industries in the following North American Industry Classification System (NAICS) codes in all regular appropriated fund wage surveys:

(b) A lead agency may add other industry classes to a regular survey in an area where these industries account for significant proportions of local private employment of the kinds and levels found in local Federal employment.

(c) Specifically excluded from all wage surveys for regular wage schedules are food service and laundry establishments and industries having peculiar employment conditions that directly affect the wage rates paid and that are the basis for special wage surveys.

§ 532.215 Establishments included in regular appropriated fund surveys.

(a) All establishments having a total employment of 50 or more employees in the prescribed industries within a survey area shall be included within the survey universe. On rare occasions and as an exception to the rule, OPM may authorize lower minimum size levels based on a recommendation of the lead agency for the wage area.

(b) Establishments to be covered in surveys shall be selected under standard probability sample selection procedures. In areas with relatively few establishments, surveys shall cover all

§ 532.219 Criteria for establishing non-appropriated fund wage areas.

(a) Each wage area shall consist of one or more survey areas along with nonsurvey areas, if any, having non-appropriated fund employees.

(1) Survey area: A survey area is composed of the counties, parishes, cities, or towns in which survey data are collected.

(2) Nonsurvey area: Nonsurvey counties, parishes, or towns may be combined with the survey area to form the wage area through consideration of the criteria in paragraph (c) of this section.

(b) Wage areas shall be established when:

(1) There is a minimum of 26 NAF wage employees in the survey area and local activities have the capability to do the survey; and

(2) There is within the survey area a minimum of 1,800 private enterprise employees in establishments within survey specifications.

(b) A lead agency may add other industry classes from within the wholesale, retail, and service industry divisions in an area where these industries account for significant proportions of local private employment of the kinds and levels found in local NAP employment.

(c) Additional industries shall be defined in terms of entire industry classes (fourth digit breakdown).

§ 532.223 Establishments included in regular nonappropriated fund surveys.

(a) All establishments having 20 or more employees in the prescribed industries within a survey area must be included in the survey universe. Establishments in NAICS codes 4471, 4522, 71391, and 71395 must be included in the survey universe if they have eight or more employees.

§ 532.225  Agency wage committee.

(a) Each lead agency shall establish an agency wage committee for the purpose of considering matters relating to the conduct of wage surveys, the establishment of wage schedules and making recommendations thereon to the lead agency.

(b) The Agency Wage Committee shall consist of five members, with the chairperson and two members designated by the head of the lead agency, and the remaining two members designated as follows:

(1) For the Department of Defense Wage Committee, one member shall be designated by each of the two labor organizations having the largest number of wage employees covered by exclusive recognition in the Department of Defense; and

(2) For other lead agencies, two members shall be designated by the labor organization representing the largest number of wage employees by exclusive recognition in the agency.

(c) Recommendations of agency wage committees shall be developed by majority vote. Any member of an agency wage committee may submit a minority report to the lead agency along with the recommendations of the committee.

§ 532.229  Local wage survey committee.

(a)(1) A lead agency shall establish a local wage survey committee in each wage area for which it has lead agency responsibility and in which a labor organization represents, by exclusive recognition, wage employees subject to the wage schedules for which the survey is conducted.

(2) The local wage survey committee shall assist the lead agency in the conduct of wage surveys and make recommendations to the lead agency thereon.

(b)(1) Local wage survey committees shall consist of three members, with the chairperson and one member recommended by Federal agencies and designated by the lead agency, and one member recommended by the labor organization having the largest number of wage employees under the regular wage schedule who are under exclusive recognition in the wage area.
(2) All members of local wage survey committees for appropriated fund surveys shall be Federal employees appointed by their employing agencies.

(3) Members for nonappropriated fund surveys shall be nonappropriated fund employees appointed by their employing agencies.

(4) The member recommended by the labor organization must be an employee of a Federal activity for appropriated fund surveys or nonappropriated fund activity for nonappropriated fund surveys who is covered by one of the regular wage schedules in the wage area in which the activity is located.

(5) In selecting and appointing employees recommended by labor organizations and by Federal agencies to serve as committee members, consideration shall be given to the requirement in the prevailing rate law for labor and agency representatives to participate in the wage survey process, the qualifications of the recommended employees, the need of the employees' work units for their presence on the job, and the prudent management of available financial and human resources. Employing agencies and activities shall cooperate and appoint the recommended employees unless exceptional circumstances prohibit their consideration. When the recommended employees cannot be appointed to serve as local wage survey committee members, the responsible lead agency or labor organization shall provide additional recommendations expeditiously to avoid any delay in the survey process.

(6) Employers shall cooperate and release appointed employees for committee proceedings unless the employers can demonstrate that exceptional circumstances directly related to the accomplishment of the work units' missions require their presence on their regular jobs. Employees serving as committee members are considered to be on official assignment to an interagency function, rather than on leave.

(c) A local wage survey committee shall be established before each full-scale wage survey. Responsibility for providing members shall remain with the same agency and the same labor organization until the next full-scale survey.

(d) Recommendations of local wage survey committees shall be developed by majority vote. Any member of a local wage survey committee may submit a minority report to the lead agency relating to any local wage survey committee majority recommendation.

(e) The lead agency shall establish the type of local wage survey organization it considers appropriate in a wage area which does not qualify for a local wage survey committee under paragraph (a) of this section.

§ 532.231 Responsibilities of participating organizations.

(a) The Office of Personnel Management:

(1) Defines the boundaries of wage and survey areas;

(2) Prescribes the required industries to be surveyed;

(3) Prescribes the required job coverage for surveys;

(4) Designates a lead agency for each wage area;

(5) Establishes, jointly with lead agencies, a nationwide schedule of wage surveys;

(6) Arranges for technical services with other Government agencies;

(7) Considers recommendations of the national headquarters of any agency or labor organization relating to the Office of Personnel Management's responsibilities for the Federal Wage System; and

(8) Establishes wage schedules and rates for prevailing rate employees who are United States citizens outside of the United States, District of Columbia, the Commonwealth of Puerto Rico, the Canal Zone, the Territories and Possessions of the United States, and the Trust Territory of the Pacific Islands.

(b) Federal Prevailing Rate Advisory Committee. This committee functions in accordance with the requirements set forth under section 5347 of title 5, United States Code.
Employing agencies—

(1) Heads of agencies. The head of an agency is responsible, within the policies and procedures of the Federal Wage System, for authorizing application of wage schedules developed by a lead agency and fixing and administering rates of pay for wage employees of his/her organization.

(2) Heads of local activities. The head of each activity in a wage area is responsible for providing employment information, wage survey committee members, the prescribed number of data collectors, and any other assistance needed to conduct local wage survey committee functions.

(d) Lead agencies are responsible for:

(1) Planning and conducting the wage survey for that area;

(2) Developing survey specifications and providing or arranging for the identification of establishments to be surveyed;

(3) Officially ordering wage surveys;

(4) Establishing wage schedules, applying wage schedules authorized by the head of the agency; and

(5) Referring pertinent matters to the agency wage committee and the Office of Personnel Management.

(e) Agency wage committees. As appropriate, agency wage committees consider and make recommendations to the lead agency on wage schedules and any matters involving survey specifications for full-scale surveys if the lead agency chooses not to accept recommendations of the local wage survey committee or those in a minority report filed by a local wage survey committee member.

(f) Local wage survey committees. The local wage survey committee plans and conducts the wage survey in the designated wage area.

§ 532.233 Preparation for full-scale wage surveys.

(a) The local wage survey committee, prior to each full-scale survey:

(1) Shall hold a public hearing to receive recommendations from interested parties concerning the area, industries, establishments and jobs to be covered in the wage survey.

(b) Prepare a summary of the hearings and submit it to the lead agency together with the committees’ recommendations concerning the survey specifications prescribed in paragraph (c) of this section.

(3) May make any other recommendations concerning the local wage survey which it considers appropriate.

(b) The lead agency shall consider the local wage survey committee’s report if:

(1) The lead agency proposes not to accept the recommendations of the local wage survey committee concerning the specifications of the local wage survey; or

(2) The local wage survey committee’s report is accompanied by a minority report.

(c) The lead agency shall develop survey specifications after taking into consideration the reports and recommendations received from the local wage survey committee and, if applicable, the agency wage committee. The survey specifications shall include:

(1) The counties to be surveyed;

(2) The industries to be surveyed;

(3) The standard minimum size of establishments to be surveyed;

(4) Establishments to be surveyed with certainty; and

(5) The survey jobs.

(d) A list of establishments to be surveyed shall be prepared through use of statistical sampling techniques in accordance with the specifications developed by the lead agency. A copy of this list shall be forwarded to the local wage survey committee.

(e) Selection and appointment of data collectors. (1) The local wage survey committee, after consultation with the lead agency, shall determine the number of regular and alternate data collectors needed for the survey based upon the estimated number and location of establishments to be surveyed.

(2) Wage data for appropriated fund surveys shall be collected by teams consisting of one local Federal Wage System employee recommended by the committee member representing the qualifying labor organization and one Federal employee recommended by Federal agencies. The data collectors
shall be selected and appointed by their employing agency.

(3) Wage data for nonappropriated fund surveys shall be collected by teams, each consisting of one local nonappropriated fund employee recommended by the committee member representing the qualifying labor organization and one nonappropriated fund employee recommended by non-appropriated fund activities. The data collectors shall be selected and appointed by their employing agency.

(4) The local wage survey committee shall provide employers with the names of employees recommended by labor organizations and by Federal agencies to serve as data collectors and shall indicate the number of regular and alternate data collectors to be selected and appointed by the employers.

(5) In selecting and appointing employees recommended by labor organizations and by Federal agencies to serve as data collectors, consideration shall be given to the requirement in the prevailing rate law for labor and agency representatives to participate in the wage survey process, the qualifications of the recommended employees, the need of the employees’ work units for their presence on the job, and the prudent management of available financial and human resources. Employing agencies and activities shall cooperate and appoint the recommended employees unless exceptional circumstances prohibit their consideration. When the required number of employees cannot be appointed to serve as data collectors from among those recommended, the local wage survey committee shall obtain additional recommendations expeditiously to avoid any delay in the survey process.

(6) Employers shall cooperate and release appointed employees to serve as data collectors throughout the duration of the data collection period unless the employers can demonstrate that exceptional circumstances directly related to the accomplishment of the work units’ missions require their presence on their regular jobs. Employees serving as data collectors are considered to be on official assignment to an interagency function, rather than on leave.

(f)(1) Each member of a local wage survey committee, each data collector, and any other person having access to data collected must retain this information in confidence, and is subject to disciplinary action by the employing agency or activity if the employee violates the confidence of data secured from private employers.

(2) Any violation of the above provision by a Federal employee must be reported to the employing agency and, in the case of a participant designated by a labor organization, to the recognized labor organization and its headquarters, and shall be cause for the lead agency immediately to remove the offending person from participation in the wage survey function.

§ 532.235 Conduct of full-scale wage survey.

(a) Wage survey data shall not be collected before the date the survey is ordered by the lead agency.

(b) Data collection for a full-scale wage survey shall be accomplished by personal visit to the establishment. The following required data shall be collected:

(1) General information about the size, location, and type of product or service of the establishment sufficient to determine whether the establishment is within the scope of the survey and properly weighted, if the survey is a sample survey;

(2) Specific information about each job within the establishment that is similar to one of the jobs covered by the survey, including a brief description of the establishment job, the number of employees in the job, and their rate(s) of pay to the nearest mill (including any cost-of-living adjustments required by contract or that are regular and customary and monetary bonuses that are regular and customary); and

(3) Any other information the lead agency believes is appropriate and useful in determining local prevailing rates.

(c) The data collectors shall submit the data they collect to the local wage survey committee together with their
§ 532.237 Review by the local wage survey committee.

(a) The local wage survey committee shall review all establishment information and survey job data collected in the wage survey for completeness and accuracy and forward all of the data collected to the lead agency together with a report of its recommendations concerning the use of the data. The local wage survey committee may make any other recommendations concerning the wage survey which it considers appropriate.

§ 532.239 Review by the lead agency.

(a) The lead agency shall review all material and wage survey data forwarded by the local wage survey committee to:

(1) Assure that the survey was conducted within the prescribed procedures and specifications;
(2) Consider matters included in the local wage survey committee report and recommendations;
(3) Exclude unusable data;
(4) Resolve questionable job matching and wage rate data; and
(5) Verify all computations reported on wage data collection forms.

(b) The lead agency shall determine whether the usable data collected in the wage survey are adequate for computing paylines, according to the following criteria:

(1) The wage survey data collected in an appropriated fund wage survey are adequate if the unweighted job matches include at least one survey job in the WG–01 through 04 range, one survey job in the WG–05 through 08 range, and two survey jobs in the WG–09 and above range, each providing at least 20 samples; and at least six other survey jobs, each providing at least 10 samples.

(2) The wage survey data collected in a nonappropriated fund wage survey are adequate if the unweighted job matches include at least two survey jobs in the NA–01 through 04 range providing 10 samples each, one survey job in the NA–01 through 04 range and three survey jobs in the NA–05 through 15 range providing five samples each; two other survey jobs, each providing at least five samples, and at least 100 unweighted samples for all survey jobs combined are used in the computation of the final payline.

(c)(1) If the wage survey data do not meet the adequacy criteria in paragraph (b) of this section, the lead agency shall analyze the data, construct lines and wage schedules, submit them to the agency wage committee for its review and recommendations and issue wage schedules, in accordance with the requirements of this subpart, as if the adequacy criteria were met.

(2) The lead agency may determine such a wage area to be adequate if the quantity of data obtained is large enough to construct paylines even though it was obtained for fewer than the prescribed number of jobs, or at different grade levels, or in different combinations than prescribed in paragraph (b) of this section.

(3) The lead agency may not determine a nonappropriated fund wage area to be adequate if fewer than 100 usable unweighted job matches were used in the final payline computation.

(d) If the lead agency determines a wage area to be inadequate under paragraph (c) of this section, it shall promptly refer the problem to OPM for resolution. OPM shall:

(1) Authorize the lead agency to continue to survey the area if the lead agency believes the survey is likely to be adequate in the next full-scale survey;
(2) Authorize the lead agency to expand the scope of the survey; or
(3) Abolish the wage area and establish it as part of one or more other wage areas.

§ 532.241 Analysis of usable wage survey data.

(a)(1) The lead agency shall compute a weighted average rate for each appropriated fund survey job having at least 10 unweighted matches and for each
nonappropriated fund job having at least 5 unweighed matches. The weighted average rates shall be computed using the survey job data collected in accordance with §§532.235 and 532.247 and the establishment weight.

(2)(i) Incentive and piece-work rates shall be excluded when computing weighted average rates if, after establishment weights have been applied, 90 percent or more of the total usable wage survey data reflect rates paid on a straight-time basis only.

(ii) When sufficient incentive and piece-work rate data are obtained, the full incentive rate shall be used in computing the job weighted average rate when it is equal to or less than the average nonincentive rate. If the full incentive rate is greater than the average nonincentive rate, the incentive rate shall be discounted by 15 percent. The discounted incentive rate shall be compared with the guaranteed minimum rate and the average nonincentive rate, and the highest rate shall be used in computing the job weighted average rate.

(b) The lead agency shall compute paylines using the weighted average rates computed under paragraph (a) of this section.

(1) The lead agency shall compute unit and frequency paylines using the straight-line, least squares regression formula: $Y = a + bx$, where $Y$ is the hourly rate, $x$ is the grade, $a$ is the intercept of the unit payline, $a_i$ is the intercept of the frequency payline, $b$ is the slope of the unit payline, and $b_i$ is the slope of the frequency payline. A midpoint line may be computed using the paylines based on all of the usable survey job data as described in paragraph (b)(1) of this section, and a second midpoint line may be computed using the paylines based on limited survey job data authorized in paragraph (b)(2) of this section.

(4) The lead agency may compute other paylines for the purpose of instituting changes in the scope of the survey.

(c) Usable data obtained from a particular establishment may not be modified or deleted in order to reduce the effect of an establishment’s rates on survey findings, i.e., data will not be deleted or modified to avoid establishment domination.

§ 532.243 Consultation with the agency wage committee.

(a) The lead agency shall submit to the agency wage committee:

(1) The data collected in the wage survey;

(2) The report and recommendations of the local wage survey committee concerning the use of data;

(3) The lead agency’s analysis of the data; and

(4) The lines computed from the data.

(b) After considering the information available to it, the agency wage committee shall report to the lead agency its recommendation for a proposed wage schedule derived from the data.

§ 532.245 Selection of payline and issuance of wage schedules.

(a) The lead agency shall select a payline and construct wage schedules therefrom for issuance as the regular wage schedules for the wage area, after considering all of the information, analysis, and recommendations made

available to it pursuant to this subpart.

(b)(1) The lead agency shall prepare and maintain a record of all of the analysis and deliberations made under this subpart, documenting fully the basis for its determination under paragraph (a) of this section.

(2) The lead agency shall include in the record all of the wage survey data obtained and the recommendations and reports received from the local wage survey committee and the agency wage committee.

(c)(1) The lead agency shall issue the nonsupervisory, leader, and supervisory regular wage schedules for the local wage area, showing the rates of pay for all grades and steps.

(2) The wage schedules shall have a single effective date for all employees in the wage area, determined by the lead agency in accordance with 5 U.S.C. 5344.

(d) The head of each agency having employees in the local wage area to whom the regular wage schedules apply shall authorize the application of the wage schedules issued under paragraph (c) of this section, effective on the date specified by the lead agency.

§ 532.251 Special rates.

(a) A lead agency, with the approval of OPM, may establish special rates for use within all or part of a wage area for a designated occupation or occupational specialization and grade, in lieu of rates on the regular schedule. OPM may authorize special rates to the extent it considers necessary to overcome existing or likely significant handicaps in the recruitment or retention of well-qualified personnel when these handicaps are due to any of the following circumstances:

(1) Rates of pay offered by private sector employers for an occupation or occupational specialization and grade are significantly higher than those paid by the Federal Government within the competitive labor market;

(2) The remoteness of the area or location involved; or

(3) Any other circumstances that OPM considers appropriate.

(b) In authorizing special rates, OPM shall consider—

(1) The number of existing or likely vacant positions and the length of time they have been vacant, including evidence to support the likelihood that a recruitment problem will develop if one does not already exist;

(2) The number of employees who have or are likely to quit, including the number quitting for higher pay positions and evidence to support the likelihood that employees will quit;

(3) The number of vacancies employing agencies tried to fill and the number of hires and offers made;

(4) The nature of the existing labor market;

(5) The degree to which employing agencies have considered or used increased minimum rates for hard-to-fill positions;

(6) The degree to which employing agencies have considered relevant non-pay solutions to the staffing problem, such as conducting an aggressive recruiting program, using appropriate appointment authorities, redesigning jobs, establishing training programs, and improving working conditions;

(7) The impact of the staffing problem on employers’ missions;

(8) The level of private sector rates paid for comparable positions; and

(9) As appropriate, the extent to which the use of unrestricted rates authorized under § 532.801 of this part was considered.

(c) In determining at what level to set special rates, OPM shall consider—

(1) The level of rates it believes necessary to recruit or retain an adequate number of well-qualified persons;

(2) The offsetting costs that will be incurred if special rates are not authorized; and

(3) The level of private sector rates paid for comparable positions.

(d) No one factor or combination of factors specified in paragraphs (b) or (c) of this section requires special rates to be established or to be adjusted to any given level. Each request to establish special rates shall be judged on its own merits, based on the extent to which it meets these factors. Increased minimum rates are not a prerequisite to the establishment of special rates under this section.

(e) Special rates shall be based on private sector wage data, or a percentage thereof, as specified by OPM at the time the special rates are authorized. The private sector data shall be calculated as a weighted average or
payline, as appropriate. A single rate shall be used when this represents private sector practice, and five rates shall be used when rate ranges are used by the private sector. When a five-step rate range is used, the differentials between steps shall be set in accordance with §532.203(f) of this subpart.

(f) Once approved by OPM, special rates may be adjusted by the lead agency on the same cycle as the applicable regular schedule to the extent deemed necessary to ensure the continued recruitment or retention of well-qualified personnel. The amount of the special rate adjustment may be up to the percentage (rounded to the nearest one-tenth of 1 percent) by which the market rate has changed since the last adjustment. Special rates may not exceed the percentage of market rates initially approved by OPM unless a request for higher special rates is made and approved under paragraphs (a) through (e) of this section.

(g) Any special rates established under paragraph (a) of this section shall be shown on the regular schedule or published as an amendment to the regular schedule and shall indicate the wage area (or part thereof) and each occupation or occupational specialization and grade for which the rates are authorized. These rates shall be paid by all agencies having such positions in the wage area (or part thereof) specified.

(h) The scheduled special rate payable under this section may not, at any time, be less than the unrestricted (uncapped) rate otherwise payable for such positions under the applicable regular wage schedule.

(i) If a special rate is terminated under paragraph (f) of this section, the lead agency shall provide written notice of such termination to OPM.

(j) Employers using special rates shall maintain current recruitment and retention data for all authorized special rates. Such data shall be made available to the lead agency prior to the wage area regular schedule adjustment date for the purpose of determining whether there is a continuing need for special rates and the amount of special rate adjustment necessary to recruit or retain well-qualified employees.

§ 532.253 Special rates or rate ranges for leader, supervisory, and production facilitating positions.

(a) When special rates or rate ranges are established for nonsupervisory positions, a lead agency also shall establish special rates for leader, supervisory, and production facilitating positions, classified to the same occupational series and title, that lead, supervise, or perform production facilitating work directly relating to the nonsupervisory jobs covered by the special rates.

(b) The step rate structure shall be the same as that of the related nonsupervisory special rate or rate range.

(c) The following formulas shall be used to establish a special rate or rate range:

(1) A single rate shall equal the top step of the appropriate leader, supervisory, or production facilitating grade on the regular schedule, plus the cents per hour difference between the top step of the appropriate nonsupervisory grade on the regular schedule and the special nonsupervisory rate.

(2) For a multiple rate range, the step 2 rate shall equal the step 2 rate of the appropriate leader, supervisory, or production facilitating grade on the regular schedule, plus the cents per hour difference between the prevailing rate of the appropriate nonsupervisory grade on the regular schedule and the prevailing rate of the special rate position. Other required step rates shall be computed in accordance with the formula established in §532.203 of this subpart.

§ 532.254 Special schedules.

(a) A lead agency, with the approval of OPM, may establish special schedules for use within an area for specific occupations that are critical to the mission of a Federal activity based on findings that—
(1) Unusual prevailing pay practices exist in the private sector that are incompatible with regular schedule practices, and serious recruitment or retention problems exist or will likely develop if employees are paid from the authorized regular schedule; or
(2) Administrative considerations require the establishment of special schedules to address unique agency missions or other unusual circumstances that OPM considers appropriate.

(b) An OPM authorization for a special schedule shall include instructions for its construction, application, and administration.

(c) Unless otherwise specified, positions covered by special schedules shall be subject to the general provisions of this part and to other applicable rules and regulations of OPM.

§ 532.255 Regular appropriated fund wage schedules in foreign areas.

(a) The Department of Defense shall establish and issue regular appropriated fund wage schedules for U.S. citizens who are employees in foreign areas. These wage schedules shall provide rates of pay for nonsupervisory, leader, supervisory, and production facilitating employees.

(b) Schedules shall be—
(1) Computed on the basis of a simple average of all regular appropriated fund wage area schedules in effect on December 31; and
(2) Effective on the first day of the first pay period that begins on or after January 1 of the succeeding year.

(c) Step 2 rates for each nonsupervisory grade shall be derived by computing a simple average of each step 2 rate for each of the 15 grades of all nonsupervisory wage rate schedules designated in paragraph (b) of this section.

(d) Through the use of the step 2 rates derived under the schedule averaging process, the step rates for each of the 15 grades of the nonsupervisory schedule and all scheduled pay rates for leaders and supervisors will be developed by using the standard formulas established in 5 CFR 532.203, Structure of regular wage schedules.

§ 532.257 Regular nonappropriated fund wage schedules in foreign areas.

(a) The Department of Defense shall establish and issue regular nonappropriated fund wage schedules for U.S. citizens who are wage employees in foreign areas. These schedules will provide rates of pay for nonsupervisory, leader, and supervisory employees.

(b) Schedules will be—
(1) Computed on the basis of a simple average of all regular nonappropriated fund wage area schedules defined for the 48 contiguous states and the District of Columbia in effect on the first Sunday in January; and
(2) Effective on the first Sunday in January of each year.

(c) Step 2 rates for each nonsupervisory grade will be derived by computing a simple average of each step 2 rate for each of the 15 grades of all nonsupervisory wage rate schedules designated in paragraph (b) of this section.

(d) Through the use of the step 2 rates derived under the schedule averaging process, the step rates for each of the 15 grades of the nonsupervisory schedule and all scheduled pay rates for leaders and supervisors will be developed by using the standard formulas established in 5 CFR 532.203, Structure of regular wage schedules.

§ 532.259 Special appropriated fund wage schedules for U.S. insular areas.

(a) Lead agencies shall establish and issue special wage schedules for U.S. civil service wage employees in certain U.S. insular areas. The Department of Defense is the lead agency for Guam,
§ 532.261 Special wage schedules for leader and supervisory wage employees in the Puerto Rico wage area.

(a) The Department of Defense shall establish special wage schedules for leader and supervisory wage employees in the Puerto Rico wage area.

(b) The step 2 rate for each grade of the leader wage schedule shall be equal to 120 percent of the rate for step 2 of the corresponding grade of the nonsupervisory regular wage schedule for the Puerto Rico wage area.

(c) The step 2 rate for the supervisory wage schedule shall be:

(1) For grades WS–1 through WS–10, equal to the rate for step 2 of the corresponding grade of the nonsupervisory regular wage schedule for the Puerto Rico wage area, plus 60 percent of the rate for step 2 of WG–10;

(2) For grades WS–11 through WS–18, the second rate of WS–10 plus 5, 11.5, 19.6, 29.2, 40.3, 52.9, 67.1, and 82.8 percent, respectively, of the difference between the step 2 rates of WS–10 and WS–19; and

(3) For grade WS–19, the third rate in effect for General Schedule grade GS–14 at the time of the area wage schedule adjustment. The WS–19 rate shall include any cost of living allowance payable for the area under 5 U.S.C. 5941.

(d) Step rates shall be developed by using the formula established in §532.203 of this subpart.

§ 532.263 Special wage schedules for production facilitating positions.

(a) The lead agency in each FWS wage area shall establish special nonsupervisory and supervisory production facilitating wage schedules for employees properly allocable to production facilitating positions under applicable Federal Wage System job grading standards.

(b) Nonsupervisory schedules shall have 11 pay levels, and supervisory schedules shall have 9 pay levels.

(c) Pay levels and rates of pay for nonsupervisory (WD) schedules and supervisory (WN) schedules shall be identical to the pay levels and rates of pay for the corresponding grades on the local FWS regular supervisory wage schedule. Pay levels shall be determined in accordance with the following table:

§ 532.265 Special wage schedules for apprentices and shop trainees.

(a) Agencies may establish special wage schedules for apprentices and shop trainees who are included in:

(1) Formal apprenticeship programs involving training for journeyman level duties in occupations that are recognized as apprenticeable by the Bureau of Apprenticeship and Training, U.S. Department of Labor; or

(2) Formal shop trainee programs involving training for journeyman level duties in nonapprenticeable occupations that require specialized trade or craft skill and knowledge.

(b) Special schedules shall consist of a single wage rate for each training period. Wage rates shall be determined as follows:

(1) Rates shall be based on the current second step rate of the target journeyman grade level on the regular nonsupervisory wage schedule for the area where the apprentice or trainee is employed.

(2) The entrance rate shall be computed at 65 percent of the journeyman level, step 2, rate, or the WG–1, step 1, rate, whichever is greater.

(3) When the WG–1, step 1, rate is used, the apprentice rate shall be increased by a minimum of 5 cents per hour for each succeeding increment interval until the rate obtained by this method equals the rate computed under the formula. No increase shall be less than 5 cents per hour.

(c) Advancement to higher increments shall be at 26-week intervals, regardless of the total length of the training period. Intermediate rates shall be established by subtracting the entrance rate from the journeyman level, step 2 rate, and dividing the difference by the number of 26-week periods of the particular training term. The resulting quotient equals the increment for each succeeding rate.

(d) Agencies may hire at advanced rates or accelerate progression through scheduled wage rates if prescribed by approved agency training standards or programs.

(e) If the employee is promoted to the target job or to a job at the same grade level, the promotion shall be to the second step rate. If the employee is assigned to a job at a grade level that is less than the grade level of the target job, existing pay fixing rules shall be followed.

(d) The data collected in a special wage survey shall be considered adequate if there are as many weighted matches used in computing the nonsupervisory payline as there are employees covered by the special wage rate schedules.

(e) Each survey job used in computing the nonsupervisory payline must include a minimum of three unweighted matches.

(f) Special schedules shall have three step rates with the payline fixed at step 2. Step 1 shall be set at 96 percent of the payline rate, and step 3 shall be set at 104 percent of the payline rate.

(g) The waiting period for within-grade increases shall be 26 weeks between steps 1 and 2 and 78 weeks between steps 2 and 3.

(h) Special wage schedules shall be effective on the same date as the regular wage schedules for the Puerto Rico wage area.

(a) The Department of Defense shall establish special wage schedules for nonsupervisory, leader, and supervisory wage employees of the Corps of Engineers, U.S. Army, who are engaged in operating lock and dam equipment or who repair and maintain navigation lock and dam operating machinery and equipment.

(b) Employees shall be subject to one of the following pay provisions:

(1) If all navigation lock and dam installations under a District headquarters office are located within a single wage area, the employees shall be paid from special wage schedules having rates identical to the regular wage schedule applicable to that wage area.

(2) If navigation lock and dam installations under a District headquarters office are located in more than one wage area, employees shall be paid from a special wage schedule having rates identical to the regular wage schedule authorized for the headquarters office.

(c) Each special wage schedule shall be effective on the same date as the regular schedule on which it is based.

5 CFR Ch. I (1–1–17 Edition) § 532.271 Special wage schedules for National Park Service positions in overlap areas.

(a)(1) The Department of the Interior shall establish special schedules for wage employees of the National Park Service whose duty station is located in one of the following NPS jurisdictions:

(i) Blue Ridge Parkway;

(ii) Natchez Trace Parkway; and

(iii) Great Smoky Mountains National Park.

(2) Each of these NPS jurisdictions is located in (i.e., overlaps) more than one FWS wage area.

(b) The special overlap wage schedules in each of the NPS jurisdictions shall be based on a determination concerning which regular nonsupervisory wage schedule in the overlapped FWS wage areas provides the most favorable payline for the employees.
(c) The most favorable payline shall be determined by computing a simple average of the 15 nonsupervisory second step rates on each one of the regular schedules authorized for each wage area overlapped. The highest average obtained by this method will identify the regular schedule that produces the most favorable payline.

(d) Each special schedule shall be effective on the same date as the regular schedule on which it is based.

(e) If there is a change in the identification of the most favorable payline, the special schedule for the current year shall be issued on its normal effective date. The next special schedule shall be issued on the effective date of the next regular schedule that produced the most favorable payline for the NPS jurisdiction in the previous year.

§ 532.273 Special wage schedules for United States Information Agency Radio Antenna Rigger positions.

(a) The United States Information Agency shall establish special wage schedules for Radio Antenna Riggers employed at transmitting and relay stations in the United States.

(b) The wage rate shall be the regular wage rate for the appropriate grade for Radio Antenna Rigger for the wage area in which the station is located, plus 25 percent of that rate.

(c) The 25 percent differential shall be in lieu of any environmental differential that would otherwise be payable.

(d) The special schedules shall be effective on the same date as the regular wage schedules for the wage area in which the positions are located.

§ 532.275 Special wage schedules for ship surveyors in Puerto Rico.

(a) The Department of Defense shall establish special wage schedules for nonsupervisory ship surveyors and supervisory ship surveyors in Puerto Rico.

(b) Rates shall be computed as follows:

(1) The step 2 rate for nonsupervisory ship surveyors shall be set at 149.5 percent of the WG–10, step 2, rate on the overseas schedule.

(2) The step 2 rate of supervisory ship surveyors shall be set at 166.75 percent of the WG–10, step 2, rate on the overseas schedule.

(3) Step rates shall be developed by using the standard formulas established in §532.203 of this part.

(c) The special wage schedules shall be effective on the same date as the regular wage schedules applicable to the Puerto Rico wage area.

§ 532.277 Special wage schedules for U.S. Navy positions in Bridgeport, California.

(a) The Department of Defense shall establish special wage schedules for prevailing rate employees at the United States Marine Corps Mountain Warfare Training Center in Bridgeport, California.

(b) Schedules shall be established by increasing the step 2 rates on the Reno, Nevada, regular wage schedule by 10 percent.

(c) Step rates shall be developed by using the standard formulas established in §532.203 of this subpart.

(d) The special wage schedules shall be effective on the same date as the regular wage schedules applicable to the Reno, Nevada, wage area.

§ 532.281 Special wage schedules for divers and tenders.

(a) Agencies are authorized to establish special schedule payments for prevailing rate employees who perform diving and tending duties.

(b) Employees who perform diving duties shall be paid 175 percent of the locality WG–10, step 2, rate for all payable hours of the shift.

(c) Employees who perform tending duties shall be paid at the locality WG–10, step 2, rate for all payable hours of the shift.

(d) Employees whose regular scheduled rate exceeds the diving/tending rate on the day they perform such duties shall retain their regular scheduled rate on that day.

(e) An employee's diving/tending rate shall be used as the basic rate of pay
§ 532.283 Special wage schedules for nonappropriated fund tipped employees classified as waiter/waitress.

(a) Tipped employees shall be paid from the regular nonappropriated fund (NAF) schedule applicable to the employee's duty station.

(b) A tip offset may be authorized for employees classified as Waiter/Waitress. For purposes of this section, a tipped employee is one who is engaged in an occupation in which he or she customarily and regularly receives more than $30 a month in tips, and a tip offset is the amount of money by which an employer, in meeting legal minimum wage standards, may reduce a tipped employee's cash wage in consideration of the receipt of tips.

(c) A tip offset may be established, abolished, or adjusted by NAF instrumentalities on an annual basis and at such additional times as new or revised minimum wage statutes require. The amount of any tip offset may vary within a single instrumentality based on location, type of service, or time of service.

(d) If tipped employees are represented by a labor organization holding exclusive recognition, the employing NAF instrumentality shall negotiate with such organization to arrive at a determination as to whether, when, and how much tip offset shall be applied. Changes in tip offset practices may be made more frequently than annually as a result of collective bargaining agreement.

(e) Tip offset practices shall be governed by the Fair Labor Standards Act, as amended, or the applicable statutes of the State, possession or territory where an employee works, whichever provides the greater benefit to the employee. In locations where tip offset is prohibited by law, the requirements of paragraphs (c) and (d) of this section do not apply.

§ 532.285 Special wage schedules for supervisors of negotiated rate Bureau of Reclamation employees.

(a) The Department of the Interior shall establish and issue special wage schedules for wage supervisors of negotiated rate wage employees in the Bureau of Reclamation. These schedules shall be based on annual special wage surveys conducted by the Bureau of Reclamation in each special wage area.

Survey jobs representing Bureau of Reclamation positions at up to four levels will be matched to private industry jobs in each special wage area. Special schedule rates for each position will be based on prevailing rates for that particular job in private industry.

(b) Each supervisory job shall be described at one of four levels corresponding to the four supervisory situations described in Factor I and four levels of Subfactor IIIA of the FWS Job Grading Standard for Supervisors. They shall be titled in accordance with regular FWS practices, with the added designation of level I, II, III, or IV. The special survey and wage schedule for a given special wage area includes only those occupations and levels having employees in that area. For each position on the special schedule, there shall be three step rates. Step 2 is the prevailing rate as determined by the survey; step 1 is 96 percent of the prevailing rate; and step 3 is 104 percent of the prevailing rate.

(c) For each special wage area, the Bureau of Reclamation shall designate and appoint a special wage survey committee, including a chairperson and two other members (at least one of whom shall be a supervisor paid from the special wage schedule), and one or more two-person data collection teams (each of which shall include at least one supervisor paid from the special wage schedule). The local wage survey committee shall determine the prevailing rate for each survey job as a weighted average. Survey specifications are as follows for all surveys:

(1) Based on Bureau of Reclamation activities and types of supervisory positions in the special wage area, the Bureau of Reclamation must survey private industry companies, with no
minimum employment size requirement for establishments, in the following North American Industry Classification System code subsectors:

(2) Each local wage survey committee shall compile lists of all companies in the survey area known to have potential job matches. For the first survey, all companies on the list will be surveyed. Subsequently, companies shall be removed from the survey list if they prove not to have job matches, and new companies will be added if they are expected to have job matches. Survey data will be shared with other local wage survey committees when the data from any one company is applicable to more than one special wage area.

(3) For each area, survey job descriptions shall be tailored to correspond to the position of each covered supervisor in that area. They will be described at one of four levels (I, II, III, or IV) corresponding to the definitions of the four supervisory situations described in Factor I and four levels of Subfactor IIA of the FWS Job Grading Standard for Supervisors. A description of the craft, trade, or labor work supervised will be included in each supervisory survey job description.

(d) Special wage area boundaries shall be identical to the survey areas covered by the special wage surveys. The areas of application in which the special schedules will be paid are generally smaller than the survey areas, reflecting actual Bureau of Reclamation worksites and the often scattered location of surveyable private sector jobs. Special wage schedules shall be established in the following areas:

§ 532.287 Special wage schedules for nonappropriated fund automotive mechanics.

(a) The Department of Defense (DOD) will establish a flat rate pay system for nonappropriated fund (NAF) automotive mechanics. This flat rate pay system will take into account local prevailing rates, the mechanic’s skill level, and the standard number of hours required to complete a particular job.

(b) DOD will issue special wage schedules for NAF automotive mechanics who are covered by the flat rate pay system. These special schedules will provide rates of pay for non-supervisory, leader, and supervisory employees. These special schedule positions will be identified by pay plan codes XW (non-supervisory), XY (leader), and XZ (supervisory), grades 8–10, and will use the Federal Wage System occupational code 5823.

(c) DOD will issue special wage schedules for NAF automotive mechanics based on annual special flat rate surveys of similar jobs conducted in each special schedule wage area.

(1) The survey area for these special surveys will include the same counties as the regular NAF survey area.

(2) The survey jobs used will be Automotive Worker and Automotive Mechanic.

(3) The special surveys will include data on automotive mechanics that are paid under private industry flat rate pay plans as well as those paid by commission.

(4) In addition to all standard North American Industry Classification System (NAICS) codes currently used on the regular surveys, the industries surveyed will include—

<table>
<thead>
<tr>
<th>2012 NAICS Codes</th>
<th>2012 NAICS Industry titles</th>
</tr>

<td>General automotive repair.</td>
</tr>
<tr>
<td>811191</td>
<td>Automotive oil change and lubrication shops.</td>
</tr>
</tbody>
</table>

(5) The surveys will cover establishments with a total employment of eight or more.

(6) The special schedules for NAF automotive mechanics will be effective on the same dates as the regular wage schedules in the NAF FWS wage area.

(d) New employees will be hired at step 1 of the position under the flat rate pay system. Current employees will be moved to these special wage schedules on a step-by-step basis. Pay retention will apply to any employee whose rate of basic pay would otherwise be reduced as a result of placement in these new special schedules.

(2) These special wage schedules will provide rates of pay for nonsupervisory, leader, and supervisory employees. These special schedule positions will be identified by pay plan codes XR (nonsupervisory), XT (leader), and XU (supervisory).

(b) The Vicksburg District of the Mississippi Valley Division is comprised of the following four lakes:

(1) Grenada Lake in Grenada County, MS

(2) Enid Lake in Yalobusha County, MS

(3) Sardis Lake in Panola County, MS

(4) Arkabutla Lake in Tate County, MS

(c) Special wage schedules shall be established at the same time and with rates identical to the Memphis, TN, appropriated fund wage schedule.

APPENDIX C TO SUBPART B OF PART 532—APPROPRIATED FUND WAGE AND SURVEY AREAS

This appendix lists the wage area definitions for appropriated fund employees. With a few exceptions, each area is defined in terms of county units, independent cities, or, in the New England States, of entire township or city units. Each wage area definition consists of:

1. Wage area title. Wage areas usually carry the title of the principal city in the area. Sometimes, however, the area title reflects a broader geographic area, such as Wyoming or Eastern Tennessee.
2. Survey area definition. Lists each county, independent city, or township in the survey area.
3. Area of application definition. Lists each county, independent city, or township which, in addition to the survey area, is in the area of application.

5 CFR Ch. I (1–1–17 Edition)

This appendix lists the wage area definitions for NAF employees. With a few exceptions, each area is defined in terms of county units or independent cities. Each wage area definition consists of:

1. Wage area title. Wage areas usually carry the title of the county or counties surveyed.
2. Survey area definition. Lists each county or independent city in the survey area.
3. Area of application definition. Lists each county or independent city which, in addition to the survey area, is in the area of application.

(b) For wage surveys involving the specialized Federal industry “Artillery and Combat Vehicles” in paragraph (a) of this section, the lead agency must limit special job coverage for industries in NAICS codes 2211, 2212, 32732, 481, 4862, 5621, 492, 5171, 5172, and 5173 to automotive mechanic, diesel engine mechanic, and heavy mobile equipment mechanic.

(c) For nonappropriated fund wage surveys, the lead agency must use NAICS codes 71111, 72211, 72221, 72231, 72222, and 7224 (eating and drinking places) when it determines a wage schedule for a specialized industry.

§ 532.317 Use of data from the nearest similar area.

(a) (1) For prevailing rate employees other than those in the Department of Defense, the lead agency shall, in establishing the regular schedule under the provisions of this subpart, analyze and use the acceptable data from the nearest similar wage area together with the data obtained from inside the local wage survey area. The regular schedule for Department of Defense prevailing rate employees shall be based on local wage data only.

(2) The total number of job matches obtained from the nearest similar wage area shall be equal to the number required for adequacy in §532.309(a)(2) and (3) of this subpart for appropriated fund surveys and §532.309(b)(2) of this subpart for nonappropriated fund surveys.

(3) Data shall be selected for inclusion on the basis of the most populous survey jobs as determined by the weighted job matches found in the dominant industry in the selected reference area. In identifying survey jobs for which reference area samples will be included, the jobs required at limited grade ranges shall be selected before jobs in the unlimited grade range. When there is a tie in the selection procedure, the highest graded job shall be selected first.

(4) If there are two dominant industries for which data are obtained from nearest similar areas, the procedure described in paragraph (a)(2) of this section shall be applied independently for each of the specialized industries.

(b)(1) The wage rates established for a grade by using data from the nearest similar area may not exceed the wage rates for the same grade in the nearest similar area.

(2) If data are obtained from two nearest similar areas for two dominant industries, the wage rates established for a grade by using these data may not exceed the higher of the wage rates for the same grade in the two nearest similar areas.

(c) The wage data obtained from the nearest similar area or areas may not be used to reduce the wage rates for any grade in the local area below the rates that would be established for that grade without the use of the data from the nearest similar area or areas.

[55 FR 46179, Nov. 1, 1990]

§ 532.401 Definitions.

In this subpart: Change to lower grade means a change in the position of an employee who, while continuously employed—

(1) Moves from a position in one grade of a prevailing rate schedule established under this part to a position in a lower grade of the same type prevailing rate schedule, whether in the same or different wage area;

(2) Moves from a position under a prevailing rate schedule established under this part to a position under a different prevailing rate schedule (e.g., WL to WG) with a lower representative rate; or

(3) Moves from a position not under a prevailing rate schedule to a position with a lower representative rate under a prevailing rate schedule.
Equivalent increase means an increase or increases in an employee's rate of basic pay equal to or greater than the difference between the rate of pay for the grade and step occupied by the employee and the rate of pay for the next higher step of that grade, except in the situations specified in §532.417 of this subpart. In the case of a promotion, the grade and step occupied means the grade and step to which promoted.

Existing scheduled rate of pay means the scheduled rate of pay received immediately before the effective date of a transfer, reassignment, promotion, change to a lower grade, within-grade increase, or revision of a wage schedule.

Highest previous rate means the highest scheduled rate of pay previously paid to a person while employed in a job in any branch of the Federal Government, a mixed-ownership corporation, or the government of the District of Columbia. It is based on a regular tour of duty under an appointment not limited to 90 days or less, or for a continuous period of no less than 90 days under one or more appointments without a break in service.

Promotion means a change in the position of an employee who, while continuously employed—

(1) Moves from a position in one grade of a prevailing rate schedule established under this part to a position in a higher grade of the same type prevailing rate schedule, whether in the same or different wage area;

(2) Moves from a position under a prevailing rate schedule established under this part to a position under a different prevailing rate schedule (e.g., WG to WL) with a higher representative rate; or

(3) Moves from a position not under a prevailing rate schedule to a position with a higher representative rate under a prevailing rate schedule.

Rate of basic pay means the scheduled rate of pay plus any night or environmental differential.

Reassignment means a change of an employee, while serving continuously in the same agency, from one job to another without promotion or change to a lower grade.

Representative rate means the going rate, i.e., the rate or step keyed to the prevailing rate determination. For example:

(1) The established rate on a single rate schedule;

(2) The second rate on a five-rate regular wage schedule;

(3) The fourth rate on the General Schedule; or

(4) The fourth rate of a class under the Foreign Service Officer and Foreign Service Staff schedule.

Retained rate means the rate of pay an employee is receiving which is higher than the maximum scheduled rate of pay of the Federal Wage System grade or pay level to which the employee is assigned.

Scheduled rate of pay means the rate of pay fixed by law or administrative action, including a retained rate of pay, for the job held by an employee before any deductions and exclusive of additional pay of any kind.

§532.403 New appointments.

(a) Except as provided in paragraphs (b) and (c) of this section, a new appointment to a position shall be made at the minimum rate of the appropriate grade.

(b) An agency may make a new appointment at a rate above the minimum rate of the appropriate grade in recognition of an appointee's special qualifications.

(c) An agency shall make a new appointment at a step-rate above the minimum rate of a grade if the lead agency for the wage area has designated, in accordance with §532.249, a step-rate above the first step-rate of a grade as the minimum step-rate at which a position may be filled.

§532.405 Use of highest previous rate.

(a)(1) Subject to the provisions of §532.407 of this subpart and part 536 of this chapter, when an employee is reemployed, reassigned, transferred, promoted, or changed to a lower grade, the agency may fix the pay at any rate of the new grade which does not exceed the employee's highest previous rate.
(2) However, if the employee’s highest previous rate falls between two step-rates of the new grade, the agency may fix the pay at the higher of the two.

(b)(1) When an employee’s type of appointment is changed in the same job, an agency may continue to pay the existing scheduled rate or may pay any higher rate of the grade which does not exceed the employee’s highest previous rate.

(2) However, if the highest previous rate falls between two step rates of the grade, the agency may pay the higher rate.

(c)(1) The highest previous rate, if earned in a wage job, is the current rate of the grade and step-rate of the former job on the same type of wage schedule in the wage area in which the employee is being employed, or the actual earned rate, whichever is higher.

(2) If earned on a General Schedule or another pay system other than the Federal Wage System, it is the current rate for the same grade and rate of that schedule.

(d) The highest previous rate may be based upon a rate of pay received during a temporary promotion, so long as the temporary promotion is for a period of not less than 1 year. This limitation does not apply upon permanent placement in a position at the same or higher grade.

§ 532.409 Grading or regrading of positions.

Except as provided in §532.703(b)(10), a change in an employee’s rate of basic pay as a result of the grading or regrading of the employee’s position shall be effective on the date the grading or regrading action is finally approved by the agency or on a subsequent specifically stated date.

§ 532.411 Details.

An appropriated fund employee detailed to a position other than the position to which appointed shall be paid at the rate of the position to which appointed.

§ 532.413 Simultaneous action.

(a) If an employee becomes entitled to more than one pay change at the same time, the employing agency shall process the pay changes in the order which will provide the maximum benefit, except as required by paragraph (b) of this section.

(b) If an employee becomes entitled to an increase in pay and subject to a personnel or appointment change at the same time, the increased rate of pay is deemed to be the employee’s existing scheduled rate of pay when the personnel or appointment change is processed.

§ 532.415 Application of new or revised wage schedules.

(a) The head of each installation or activity in a wage area shall place new or revised wage schedules into effect at the beginning of the first full shift on the date specified on the schedule by the lead agency.

(b) No agency may retroactively change any personnel or pay actions taken between the effective date of a new or revised wage schedule and the date it is actually put into effect if the personnel or pay actions taken during this period of time are more advantageous to an employee than the same personnel or pay action would have been had the new or revised wage schedule into effect at the beginning of the first full shift on the date specified on the schedule by the lead agency.
§ 532.417 Within-grade increases.

(a) An employee paid under a regular Federal Wage System schedule with a work performance rating of satisfactory or better shall advance automatically to the next higher step within the grade in accordance with section 5343(e)(2) of title 5, United States Code.

(b) Waiting periods for within-grade increases shall begin:

(1) On the first day of a new appointment as an employee subject to this part;
(2) On the first day of a period of service after a break in service or time in a nonpay status in excess of 52 weeks; or
(3) On receipt of an equivalent increase.

(c) Creditable service. The following periods of time shall be considered creditable service for purposes of waiting periods for within-grade increases:

(1) Time during which an employee is in receipt of pay, including periods of leave with pay;
(2) Time during which an employee with a prearranged regular scheduled tour of duty is in a nonpay status to the extent that the time in a nonpay status does not exceed, in the aggregate:
   (i) One workweek in the waiting period for step 2;
   (ii) Three workweeks in the waiting period for step 3; or
   (iii) Four workweeks in the waiting period for steps 4 and 5;
(3) Time during which an employee or former employee is on leave of absence or is separated from Federal service and is entitled to continuation of pay or compensation under subchapter I of chapter 81 of title 5, United States Code. This does not apply to prevailing rate employees within a Department of Defense or Coast Guard non-appropriated fund instrumentality;
(4) A period of military service when:
   (i) An employee is on leave of absence to perform such service and returns to pay status through the exercise of a restoration right provided by law, Executive order, or regulation; or
   (ii) A former employee is reemployed with the Federal Service not later than 52 calendar weeks after separation from such service or hospitalization continuing thereafter for a period of not more than one year. Military service means honorable active service in the Armed Forces, in the Regular or Reserve Corps of the Public Health Service after June 30, 1960, or as a commissioned officer of the Environmental Science Services Administration after June 30, 1961, but does not include service in the National Guard, except when ordered to active duty in the service of the United States.
(5) The time between an employee’s separation from an earlier position and the date of the employee’s return to a civilian position through the exercise of a reemployment right granted by law, Executive Order, or regulation;
(6) Time during which an employee is performing service, which is creditable under section 8332(b) (5) or (7) of title 5, United States Code;
(7) The time during which an employee is detailed to a non-Federal position under subchapter VI of chapter 33 of title 5, United States Code; and
(8) Nonworkdays intervening between an employee’s last regularly scheduled workday in one position and the first regularly scheduled workday in a new position.

(d) Effective date. A within-grade increase shall be effective at the beginning of the first applicable pay period following the day an employee becomes eligible for the increase.
§ 532.419

(e) Equivalent increase. The following shall not be counted as equivalent increases:

1. Application of a new or revised wage schedule or application of a new pay or evaluation plan;
2. Payment of additional compensation in the form of nonforeign or foreign post differentials or nonforeign cost-of-living allowances;
3. Adjustment of the General Schedule;
4. Premium payment for overtime and holiday duty;
5. Payment of night shift differential;
6. Hazard pay differentials;
7. Payment of rates above the minimum rate of the grade in recognition of specific qualifications, or in jobs in specific hard-to-fill occupations;
8. Correction of an error in a previous demotion or reduction in pay;
9. Temporary limited promotion followed by change to lower grade to the former or a different lower grade;
10. A transfer or reassignment in the same grade and step to another local wage area with a higher wage schedule;
11. Repromotion to a former or intervening grade of any employee whose earlier change to lower grade was not for cause and was not at the employee’s request; and
12. An increase resulting from the grant of a quality step increase under the General Schedule.

§ 532.501 Definitions.

In this subpart:
Administrative workweek means a period of seven consecutive calendar days.
Basic workweek for full time employees means the days and hours within an administrative workweek which make up the employee’s regularly scheduled 40-hour workweek.
Environmental differential means a differential paid for a duty involving unusually severe hazards or working conditions.
Irregular or occasional overtime work means overtime work which is not part of the regularly scheduled administrative workweek.
Night shift differential means the differential paid the employee when the majority of regularly scheduled non-overtime hours worked fall between 3 p.m. and 8 a.m.
Overtime work means authorized and approved hours of work performed by an employee in excess of eight hours in a day or in excess of 40 hours in an administrative workweek, and includes irregular or occasional overtime work and regular overtime work.

Sunday work means work performed during a regularly scheduled tour of duty within a basic workweek when any part of that work which is not overtime work is performed on Sunday.
Regular overtime work means overtime work which is a part of the regularly scheduled administrative workweek.
Regularly scheduled administrative workweek means:
1. For full-time employees, the period within an administrative workweek within which employees are scheduled to be on duty regularly.
2. For part-time employees, it means the days and hours within an administrative workweek during which these employees are scheduled to be on duty regularly.
Tour of duty means the hours of a day, i.e., a daily tour of duty, and the days of an administrative workweek, i.e., a weekly tour of duty, that are
scheduled in advance and during which an employee is required to perform on a regularly recurring basis.

§ 532.504 Compensatory time off.

(a) At the request of an employee, the head of an agency may grant compensatory time off from an employee's tour of duty instead of payment under §532.503 or the Fair Labor Standards Act of 1938, as amended, for an equal amount of irregular or occasional overtime work.

(b) At the request of an employee, the head of an agency may grant compensatory time off from an employee's basic work requirement under a flexible work schedule under 5 U.S.C. 6122 instead of payment under §532.503 or the Fair Labor Standards Act of 1938, as amended, for an equal amount of overtime work, whether or not irregular or occasional in nature.

(c) An agency may not require that an employee be compensated for overtime work with an equal amount of compensatory time off from the employee's tour of duty. An employee
§ 532.505 Night shift differentials.

(a) Employees shall be entitled to receive night shift differentials in accordance with section 5343 of title 5, United States Code.

(b) Absence on holidays. An employee regularly assigned to a shift for which a night shift differential is payable shall be paid the night shift differential for a period of excused absence on a legal holiday or other day off from duty granted by Executive or administrative order.

(c) Travel status. An employee regularly assigned to a shift for which a night shift differential is payable shall be paid the night shift differential for hours of the employee’s tour of duty while in official travel status, regardless of whether the employee is performing work.

(d) Temporary tour of duty. (1) An employee regularly assigned to a night shift who is temporarily assigned to a day shift or to a night shift having a lower night shift differential shall continue to receive the regular night shift differential, a temporary detail for training purposes is also included—see 5 CFR 410.602.

(2) An employee regularly assigned to a night shift, who is temporarily assigned to another night shift having a higher differential, shall be paid the higher differential if a majority of the employee’s regularly scheduled non-overtime hours of work on the temporary shift fall within hours having the higher differential.

(3) An employee regularly assigned to a day shift who is temporarily assigned to a night shift shall be paid a night shift differential.

(e) Leave with pay. (1) An employee regularly assigned to a night shift shall be paid a night shift differential during a period of leave with pay.

(2) An employee regularly assigned to a day shift who is temporarily assigned to a night shift shall be paid a night shift differential for any leave with pay taken when scheduled to work night shifts.

(3) An employee assigned to a regular rotating schedule involving work on both day and night shifts shall be paid a night shift differential only for any leave with pay taken when scheduled to work night shifts.

(4) An employee who is not regularly assigned to a day shift or a night shift but whose shift is changed at irregular intervals shall be paid a night shift differential during leave with pay if the employee received a night shift differential for the last shift worked preceding leave with pay.

§ 532.507 Pay for holiday work.

(c) An employee who is entitled to holiday premium pay and who is required to report for work on a holiday shall be paid at least two hours of holiday pay whether or not work is actually performed.

§ 532.509 Pay for Sunday work.

A wage employee whose regular work schedule includes a period of service of up to 8 hours which is not overtime work, a part of which is on Sunday, is entitled to additional pay under the provisions of section 5544 of title 5, United States Code.

[76 FR 52539, Aug. 23, 2011]
§ 532.511 Environmental differentials.

(a) Entitlements to environmental differential pay. (1) In accordance with section 5343(c)(4) of title 5, United States Code, an employee shall be paid an environmental differential when exposed to a working condition or hazard that falls within one of the categories approved by the Office of Personnel Management.

(2) Each installation or activity must evaluate its situations against the guidelines issued by the Office of Personnel Management to determine whether the local situation is covered by one or more of the defined categories.

(b) Amount of environmental differential payable. (1) An employee entitled to an environmental differential shall be paid an amount equal to the percentage rate authorized by the Office of Personnel Management for the category in which the working condition or hazard falls, multiplied by the rate for the second step of WG–10 for the appropriated fund employees and NA–10 for the nonappropriated fund employees on the current regular non-supervisory wage schedule for the wage area for which the differential is payable, counting one-half cent and over as a whole cent.

(2) An employee entitled to an environmental differential on an actual exposure basis shall be paid a minimum of one hour’s differential pay for the exposure. For exposure beyond one hour, the employee shall be paid in increments of one quarter hour for each 15 minutes or portion thereof in excess of 15 minutes. Entitlement begins with the first instance of exposure and ends one hour later, except that when exposure continues beyond the hour, it shall be considered ended at the end of the quarter hour in which exposure actually terminated.

(3) An employee entitled to an environmental differential on the basis of hours in a pay status shall be paid for all hours in a pay status on the day on which he/she is exposed to the situation.

(4) An employee may not be paid more than one environmental differential for a particular period of work.

(5) The payment of environmental differential pay is computed on the basis of the highest environmental differential rate authorized during the period of entitlement.

(6) The number of hours an employee is paid environmental differential shall not exceed the number of hours of duty performed by the employee on the day of exposure except as required by paragraph (b)(3) of this section.

(c) Basic pay. Environmental differential pay is part of basic pay and shall be used to compute premium pay (pay for overtime, holiday, or Sunday work), the amount from which retirement deductions are made, and the amount on which group life insurance is based. It is not part of basic pay for purposes of lump-sum annual leave payments and severance pay nor is its loss an adverse action.

(d) The schedule of environmental differentials is set out as appendix A to this subpart and is incorporated in and made a part of this section.

§ 532.513 Flexible and compressed work schedules.

Federal Wage System employees who are authorized to work flexible and compressed work schedules under sections 6122 and 6127 of title 5, United States Code, shall be paid premium pay in accordance with subchapter II of chapter 61 of title 5, United States Code. Subpart D of part 610 of this chapter supplements subchapter II and must be read together with it.

APPENDIX A TO SUBPART E OF PART 532—SCHEDULE OF ENVIRONMENTAL DIFFERENTIALS PAID FOR EXPOSURE TO VARIOUS DEGREES OF HAZARDS, PHYSICAL HARDSHIPS, AND WORKING CONDITIONS OF AN UNUSUAL NATURE

This appendix lists the environmental differentials authorized for exposure to various degrees of hazards, physical hardships, and working conditions of an unusual nature.

- Working adjacent to the walls of an unshored excavation at depths greater than 1.8 meters (6 feet) (except when the full depth of the excavation is in stable solid rock, hard slag, or hard shale, or the walls have been graded to the angle of repose; that is, where the danger of slides is practically eliminated), when work is performed at a distance from the wall which is less than the height of the wall.

Subpart F—Job Grading System

§ 532.601 General.

The Office of Personnel Management shall establish a job grading system in accordance with section 5346 of title 5, United States Code. Appropriate instructions to agencies on the application of the job grading system shall be published by the Office of Personnel Management. Agencies are required to grade all jobs subject to this part in accordance with such instructions.

Subpart G—Job Grading Reviews and Appeals

§ 532.701 General.

A prevailing rate employee may at any time appeal the occupational series, grade, or title to which the employee’s job is assigned, but may not appeal under this subpart the standards established for the job, nor other matters such as the accuracy of the job description, the rate of pay, or the propriety of a wage schedule rate. The filing of a job-grading appeal does not negate any other appeal or grievance rights which may be available under applicable law, rule, regulation, or negotiated agreement.

[51 FR 15016, Apr. 3, 1986; 61 FR 8151, Apr. 5, 2006]

§ 532.703 Agency review.

(a) Each agency shall establish a system processing an employee’s application for review of the correctness of the series, grade or title of the employee’s job.

Note: Application for review will be hereafter referred to as an “application”.

(b) In establishing the system required by this subpart, an agency, as a
§ 532.703

minimum, shall provide that the following requisites be met.

(1) The provisions of the system shall be published and the agency’s employees shall be informed where a published copy is available for review.

(2) An application shall be in writing and contain the reasons the employee believes the position is erroneously graded.

(3) An application may be filed at any time. However, when the application involves a downgrading or other job-grading action which resulted in a reduction in grade or loss or pay, in order to be entitled to retroactive corrective action, an employee must request a review under the provisions of this subpart within 15 calendar days of the effective date of the change to lower grade.

(4) An employee may select a representative, and the employee and the representative, when the representative is also employed by the same agency, shall be granted a reasonable time in presenting the application and shall be assured freedom from restraint, interference, coercion, or reprisal in presenting the application.

(5) An employee shall promptly furnish such facts as may be requested by the agency.

(6) An application shall be canceled and the employee so notified in the following circumstances:

(i) On receipt of a written request by the employee;

(ii) Failure of the employee to furnish required information or otherwise fail to proceed with the advancement of his application in a timely manner; however, instead of cancellation for failure by the employee to prosecute, the application may be adjudicated by the agency if the information is sufficient for that purpose; or

(iii) On notice that the employee has left the job, except when the employee would be entitled to the retroactive benefits including benefits allowable after the death of an employee appellant.

(7) The application shall be processed and decided promptly. No more than one level of review may be established within an agency before a final decision is issued, and that level of review, when possible, must be above the level of classification authority which classified the position.

(8) When an employee applies for a review of a downgrading or other job-grading action that resulted in a reduction of pay, and the decision of an agency reverses in whole or in part the downgrading or other job-grading action, the effective date of that decision shall be retroactive to the effective date of the action being reviewed when the initial application to the agency was submitted in accordance with paragraph (b)(3) of this section. However, when the agency decision raises the grade or level of the job above its grade or level immediately preceding the downgrading, retroactivity shall apply only to the extent of restoration to the grade or level immediately preceding the downgrading.

(9) The right to a retroactive effective date is preserved when an agency finds that an employee was not notified of the applicable time limit for review and was not otherwise aware of the limit or that circumstances beyond the employee’s control prevented filing the application within the prescribed time limit.

(10) The effective date of a change in the series, title or grade of a job shall be specified in the agency decision and, unless otherwise required by this subpart, may not be earlier than the date of the decision. However, in no case may it be later than the beginning of the first pay period which begins after the 60th calendar day from the date the application was filed. However, when the agency decision will result in a downgrading or other job-grading action that will reduce the pay of the incumbent of the job, the effective date may not be set earlier than the date on which the decision can be effected in accordance with procedures required by applicable law and regulation. The retroactive reclassification may be based only on duties and responsibilities existing at the time of downgrading or loss of pay and not on duties and responsibilities later assigned.

(11) When an application has been properly filed and the employee dies before the application has been processed, if a favorable decision would entitle the employee to retroactive corrective action, the application will be
processed to completion after the employee’s death and any appropriate corrective action made by amending the records of the agency.

(12) The decision on an application shall:
(i) Be based on the record,
(ii) Be in writing,
(iii) Inform the employee either in the decision or as an attachment to the decision of the reasons for the decision, including an analysis of the employee’s job, i.e., comparing the job with the appropriate standard, and
(iv) Inform the employee of the right to appeal the decision to the Office of Personnel Management and of the time limits within which the application must be filed.

(c) The agency is responsible for compiling and maintaining a job-grading review file which will constitute the record and which will not contain any document or information which the employee has not been given an opportunity to review.

§ 532.705 Appeal to the Office of Personnel Management.

(a)(1) An employee may appeal the occupation series, grade or title of the job to the appropriate office of the Office of Personnel Management only (i) after the agency has issued a decision under the system established under § 532.703; and (ii) if the employee files the appeal with the Office of Personnel Management within 15 calendar days after receipt of the decision of the agency.

(2) The Office of Personnel Management may extend this time limit if it is shown that the employee was not notified of the applicable time limit and was not otherwise aware of the limit, or that circumstances beyond the employee’s control prevented filing an appeal within the prescribed time limit.

(b) An employee shall make the appeal in writing and shall identify specifically the portions of the decision or job analysis of the agency with which the employee disagrees.

(c) The Office of Personnel Management shall base its decision on the record established in the agency, except that when the Office of Personnel Management investigates or audits the job it may take the results of the investigation or audit into consideration. In the event the Office of Personnel Management audits the job, the employee’s representative may not be present.

(d) The Office of Personnel Management shall notify the employee and the agency in writing of its decision. The effective date of a change in the series, title and grade of a job directed by the Office of Personnel Management shall be specified in the decision of the Office of Personnel Management, computed from the date the employee filed the application with the agency, and determined under § 532.703(b)(10). However, when the decision will result in a downgrading or other job-grading action that will reduce the pay of the incumbent of the job, the effective date may not be set earlier than the date on which the decision can be effected in accordance with procedures required by applicable law and regulation.

(e) The appeal of an employee shall be canceled and the employee so notified in the following circumstances:

(1) On receipt of the employee’s written request;

(2) On failure to prosecute, when the employee does not furnish requested information and duly proceed with the advancement of the appeal; however, instead of cancellation for failure to prosecute, an appeal may be adjudicated if the information is sufficient for that purpose. The Office of Personnel Management may reopen a canceled appeal on a showing that circumstances beyond the control of the employee prevented the employee from prosecuting the appeal; or

(3) On notice that the employee has left the job, except when entitled to retroactive benefits, including benefits allowable after the death of an appellant.

(f) The Office of Personnel Management may, at its discretion, reopen and reconsider any job-grading decision made by the Office when requested by an employee or an agency. This authority may be used under circumstances such as the following:

(1) An employee or an agency presents material facts not previously considered by the Office;
(2) There is room for reasonable doubt as to the appropriateness of the decision; or
(3) The potential impact of a decision on similar jobs is sufficiently significant to make further review of the decision desirable.

(g) The Director of the Office of Personnel Management may, at his or her discretion, reopen and reconsider any previous decision when the party requesting reopening submits written argument or evidence which tends to establish that:
(1) New and material evidence is available that was not readily available when the previous decision was issued;
(2) The previous decision involves an erroneous interpretation of law or regulation or a misapplication of established policy; or
(3) The previous decision is of a precedential nature involving a new or unreviewed policy consideration that may have effects beyond the actual case at hand, or is otherwise of such an exceptional nature as to merit the personal attention of the Director of the Office of Personnel Management.

(h) A final decision by the Office of Personnel Management constitutes a certificate which is mandatory and binding on all administrative, certifying, payroll, disbursing, and accounting officials of the Government.

Subpart H—Payment of Unrestricted Rates for Recruitment or Retention Purposes

§ 532.801 Payment of unrestricted rates for recruitment or retention purposes.

(a) When authorized by specific statutory authority providing for exceptions to pay limitations imposed by statute, the Office of Personnel Management (OPM) may approve exceptions to the pay limitations if OPM determines that such exceptions are necessary to ensure the recruitment or retention of qualified employees.

(b) Requests for payment of unrestricted rates under this subpart shall be submitted by employing agencies' headquarters to the appropriate lead agency. The lead agency shall coordinate each request with other agencies, as necessary, and submit a consolidated request to OPM. The consolidated request shall include any available supporting wage survey data and a formal recommendation by the lead agency to approve or disapprove the request.

(c) Rates authorized under paragraph (a) of this section shall be equal to the regular or special schedule unrestricted (uncapped) rates and may be authorized for use within all or part of a wage area for a designated occupation or occupational specialization and grade.

(d) In approving rates under this subpart, OPM shall consider the factors specified in §532.251(b) of this part.

(e) The unrestricted rates authorized under this subpart shall be shown on
the appropriate regular or special schedule or as an amendment to the schedule and shall indicate the wage area (or part thereof) and each occupation or occupational specialization and grade for which the rates are authorized. These rates shall be paid by all agencies having such positions in the wage area (or part thereof) specified.

§ 534.201 General.

Under subchapter V of chapter 53 of title 5, United States Code (U.S.C. 5351–5356), agencies may pay stipends and provide certain services to certain student-employees assigned or attached to hospitals, clinics, or medical or dental laboratories operated by agencies. Student-employees covered under the program are excluded from certain provisions of law relating to classification, General Schedule pay, premium pay, leave, and hours of duty. This subpart authorizes the coverage of certain positions under this program and establishes maximum stipends for student-employees in the program.

§ 534.202 Coverage.

In addition to the student-employees specified in 5 U.S.C. 5351(2)(A), the following student-employees are covered under this program, provided they are assigned or attached principally for training purposes to a hospital, clinic, or medical or dental laboratory operated by an agency:

(1) Any student-employee whom an agency finds is properly covered under this program, provided that the student-employee is a registered student at an accredited academic institution and that the assignment or attachment

¹The maximum money amount in each case is derived by subtracting from the statutory salary for the appropriate grade a sum equivalent to three step increments of that grade. This amount includes overtime pay, maintenance allowances, and other payments in money or kind.

(b) An agency may pay a student-employee a stipend in excess of the amount prescribed under paragraph (a) of this section only if the Office of Personnel Management has determined that a higher maximum stipend is warranted for the student-employee.

(c) Maximum stipends for positions in the Public Health Service in which duty requires intimate contact with persons afflicted with leprosy are increased above the rates prescribed in paragraph (a) of this section to the same extent that additional pay is provided by Public Health Service Regulations (42 CFR 22.1) for employees subject to the General Schedule (part 531 of this chapter).

(d) Overtime pay, maintenance allowances, and other payments in money or kind for a student-employee must be considered as part of the student-employee’s stipend for the purposes of this section, and therefore, may not be used to cause the stipend to exceed the maximum stipend established under this section.

(e) A trainee at a non-Federal hospital, clinic, or medical or dental laboratory who is assigned to a Federal hospital, clinic, or medical or dental laboratory as an affiliate for a part of his or her training may not receive a stipend from the Federal agency other than any maintenance allowance that is provided.
§ 534.204 Previous authorizations.

The provisions of this subpart do not terminate any authorization approved by the Civil Service Commission or the Office of Personnel Management before February 15, 1979, and such authorizations remain in effect until modified or terminated by an agency or the Office of Personnel Management in accordance with the provisions of this subpart.

Subpart C—Basic Pay for Employees of Temporary Organizations

SOURCE: 67 FR 3582, Jan. 25, 2002, unless otherwise noted.

§ 534.301 Purpose.

This subpart provides rules for determining the rate of basic pay and locality-adjusted rate of basic pay for employees who are appointed to positions in temporary organizations and compensated under 5 U.S.C. 3161. Such temporary organizations are established by law or Executive order. This subpart does not provide authority to establish other forms of compensation and benefits not authorized by title 5, United States Code, or another specific statutory authority.

[67 FR 63049, Oct. 10, 2002]

§ 534.302 Coverage.

This subpart applies to employees in executive level and staff positions in temporary organizations. Such employees are not subject to the provisions applicable to General Schedule employees covered by chapter 51 and subchapter III of chapter 53 of title 5, United States Code.

[67 FR 63049, Oct. 10, 2002]

§ 534.303 Basic pay for executive level positions.

(2) In establishing rates of basic pay for staff and other non-executive level positions of temporary organizations, the head of a temporary organization must give consideration to the significance, scope, and technical complexity of the position and the qualifications required for the work involved. The head of a temporary organization must also take into account the rates of pay applicable to Federal employees who have duties that are similar in terms of difficulty and responsibility.

(b) Employees in staff and other non-executive level positions of temporary organizations must be paid locality payments in addition to basic pay in the same manner as employees covered by 5 U.S.C. 5304. Locality-adjusted rates of basic pay for grade GS–15 of the General Schedule under 5 U.S.C. 5304, for the locality pay area involved (not to exceed the rate for level IV of the Executive Schedule).

(2) Notwithstanding the limitations in paragraphs (a) and (b) of this section, the rate of basic pay and locality-adjusted rate of basic pay for a senior staff position of a temporary organization may, in a case determined by the head of a temporary organization to be exceptional, exceed the maximum rates established under those paragraphs. However, the higher payable rates may not exceed the rate for level III of the Executive Schedule.

§ 534.305 Pay periods and computation of pay.

(a) The requirements of 5 U.S.C. 5504, must be applied to employees of temporary organizations. This includes requirements for biweekly pay periods and requirements for converting an annual rate of basic pay to a basic hourly, daily, weekly, or biweekly rate.

(b) Employees of temporary organizations must receive basic pay on an hourly basis.
Subpart D—Pay and Performance Awards Under the Senior Executive Service

§ 534.401 Purpose.

This subpart contains the rules for setting and adjusting rates of basic pay and granting performance awards for members of the Senior Executive Service (SES), as provided by 5 U.S.C. 5382, 5383, and 5384. An agency must set and adjust the rate of basic pay for an SES member on the basis of the employee’s performance and/or contribution to the agency’s performance, as determined by the agency through the administration of its performance management system(s) for senior executives. These regulations must be read in combination with applicable statutes and with the regulations for the approval of an SES performance management system under 5 CFR part 430, subpart C, and certification of an SES performance appraisal system under 5 CFR part 430, subpart D.

§ 534.402 Definitions.

In this subpart—

Agency means an executive agency or military department, as defined by 5 U.S.C. 105 and 102.

Authorized agency official means the head of an agency or an official who is authorized to act for the head of the agency in the matter concerned. The agency’s Inspector General is the authorized agency official for senior executive positions in the Office of the Inspector General, consistent with the requirements in section 3(a) of the Inspector General Act of 1978.

Outstanding performance means performance that substantially exceeds the normally high performance expected of any senior executive, as evidenced by exceptional accomplishments or contributions to the agency’s performance.

Performance expectations means the critical and other performance elements and performance requirements that constitute the senior executive performance plans (as defined in §430.303). PRB means Performance Review Board, as described in §430.310.

Rate of basic pay means the rate of pay fixed by law or administrative action for the senior executive, within the established SES rate range or, in the case of a senior executive entitled to pay retention, the employee’s retained rate of pay, excluding any applicable locality-based comparability payments under 5 U.S.C. 5304, but before any deductions and exclusive of additional pay of any other kind.

Relative performance means the performance of a senior executive with respect to the performance of other senior executives, including their contribution to agency performance, where appropriate, as determined by the application of a certified performance appraisal system under 5 CFR part 430, subpart D.

Senior executive means a member of the Senior Executive Service (SES) paid under 5 U.S.C. 5383.

SES rate means a rate of basic pay within the SES rate range assigned to a member of the SES under §534.403(a).

SES rate range means the range of rates of basic pay established for the SES under 5 U.S.C. 5382 and §534.403(a).

§ 534.403 SES rate range.

(a) SES rate range. (1) On the first day of the first applicable pay period beginning on or after January 1, 2004, the minimum rate of basic pay of the SES rate range is set at an amount equal to the minimum rate of basic pay under 5 U.S.C. 5376 for senior-level positions (excluding any locality-based comparability payment under 5 U.S.C. 5304). The minimum rate of basic pay for the SES rate range will increase consistent with any increase in the minimum rate of basic pay for senior-level positions under 5 U.S.C. 5376. An SES member may not receive less than the minimum rate of the SES rate range. Except as provided in paragraph (a)(2) of this section, the maximum rate of basic pay of the SES rate range is set at the rate for level III of the Executive Schedule. An SES member’s rate of basic pay must be set at one of the rates within the SES rate range.
based on the senior executive’s performance and/or contribution to the agency’s performance.

(2) The maximum rate of basic pay of the SES rate range is set at the rate for level II of the Executive Schedule for senior executives in an agency who are covered by a performance appraisal system that makes meaningful distinctions based on relative performance, as certified by the Office of Personnel Management (OPM), with concurrence by the Office of Management and Budget (OMB) under 5 U.S.C. 5307(d) and 5 CFR part 430, subpart D. A senior executive’s rate of basic pay may not exceed the maximum rate of the applicable SES rate range, except as provided in §534.404(h)(2). The applicable maximum rate of basic pay for the SES rate range will increase with any increase in the rate for levels II or III of the Executive Schedule under 5 U.S.C. 5318.

(3) Rates of basic pay higher than the rate for level III of the Executive Schedule but less than or equal to the rate for level II of the Executive Schedule generally are reserved for those senior executives who have demonstrated the highest levels of individual performance and/or made the greatest contributions to the agency’s performance, as determined by the agency through the administration of its performance appraisal system for senior executives, or, in the case of newly-appointed senior executives, those who possess superior leadership or other competencies, consistent with the agency’s strategic human capital plan.

(b) Suspension of certification of performance appraisal system. A senior executive whose rate of basic pay is higher than the rate for level III of the Executive Schedule may not suffer a reduction in pay because his or her agency’s applicable performance appraisal system certification is suspended under 5 CFR 430.405(b). The senior executive will continue to receive his or her current SES rate and is not eligible for a pay adjustment until the senior executive is assigned to a position that would allow the employee to receive a pay adjustment or until certification of the employing agency’s applicable performance appraisal system is reinstated under 5 CFR part 430, subpart D. The SES rate of pay is not considered a retained rate of pay for the purpose of applying 5 U.S.C. 3594 and 5 CFR part 359, subpart G, or 5 U.S.C. 5363 and 5 CFR part 536, subpart C.

§ 534.404 Setting and adjusting pay for senior executives.

(a) Setting pay upon initial appointment to the SES. An authorized agency official may set the rate of basic pay of an individual at any rate within the SES rate range upon initial appointment to the SES, subject to the limitation on the maximum rate of basic pay in §534.403(a). Rates of basic pay above the rate for level III of the Executive Schedule but less than or equal to the rate for level II of the Executive Schedule generally are reserved for those newly-appointed senior executives who possess superior leadership or other competencies, as determined by the agency as part of its strategic human capital plan. In setting a new senior executive’s rate of basic pay, an agency must consider the nature and quality of the individual’s experience, qualifications, and accomplishments as they relate to the requirements of the SES position, as well as the individual’s current responsibilities.

(b) Adjusting the pay of SES members. (1) An authorized agency official may adjust (increase or reduce) the rate of basic pay of a senior executive consistent with the agency’s plan for setting and adjusting SES rates of basic pay under paragraph (g) of this section.

(2) A senior executive who receives an annual summary rating of outstanding performance must be considered for an annual pay increase, subject to the limitation on the maximum rate of basic pay in §534.403(a).

(3) An agency may provide a pay increase to allow a senior executive to advance his or her relative position within the SES rate range only upon a determination by the authorized agency official that the senior executive’s individual performance and/or contributions to agency performance so warrant. In assessing a senior executive’s performance and/or contribution.
§ 534.404

to the agency’s performance, the authorized agency official may consider such things as unique skills, qualifications, or competencies that the individual possesses, and their significance to the agency’s performance, as well as the senior executive’s current responsibilities. Senior executives who demonstrate the highest levels of individual performance and/or make the greatest contributions to the agency’s performance, as determined by the agency through the administration of its performance appraisal system or, in the case of newly-appointed senior executives, those who possess superior leadership or other competencies, as determined by the agency as part of its strategic human capital plan, must receive the highest rates of basic pay or pay adjustments.

(4)(i) On the effective date of an increase in the minimum or maximum rate of basic pay of the SES rate range under §534.403(a)(1) or (2), an authorized agency official may increase the rate of basic pay of a senior executive who meets or exceeds his or her performance expectations by an amount that does not exceed the amount necessary to maintain the senior executive’s relative position in the SES rate range, except as provided in paragraph (b)(4)(ii) and (b)(4)(iii) of this section. A pay increase made under this paragraph is not considered a pay adjustment for the purpose of applying §534.404(c).

(ii) A pay increase under paragraph (b)(4)(i) of this section may not be provided to a senior executive whose rate of basic pay is at or below the rate for level III of the Executive Schedule unless the senior executive has received an annual summary rating of outstanding for the most recently completed appraisal period and the agency head or designee who performs the functions described in 5 CFR 430.404(a)(5) or (6) (including the Inspector General, where applicable) has approved the increase in pay. However, in the case of a senior executive whose rate of basic pay is above the rate for level III of the Executive Schedule and who has been rated below outstanding, but above fully successful, for the most recently completed appraisal period, the agency head or designee who performs the functions described in 5 CFR 430.404(a)(5) or (6) (including the Inspector General, where applicable) may approve such a pay increase in limited circumstances, such as for an exceptionally meritorious accomplishment.

(5) A senior executive who receives a summary rating of less than fully successful may not receive an increase in pay for the current appraisal period.

(6) An authorized agency official may reduce the rate of basic pay of a senior executive for performance and/or disciplinary reasons, consistent with the restrictions on reducing the rate of basic pay of a career senior executive in paragraph (j) of this section and in §534.406(b).

(c) 12-month rule. (1) An authorized agency official may adjust (i.e., increase or reduce) the rate of basic pay of a senior executive not more than once during any 12-month period. However, an agency may make a determination to provide an additional pay increase under certain conditions as prescribed in paragraph (c)(3) and (4) of this section without regard to whether the senior executive has received a pay adjustment during the previous 12-month period.

(2) The following pay actions are considered pay adjustments for the purpose of applying this paragraph:

(i) The setting of an individual’s rate of basic pay upon initial appointment or reappointment to the SES under paragraphs (a) and (i)(1) of this section and upon reinstatement to the SES under paragraph (i)(2)(ii) of this section; and
(ii) Any adjustment (increase or reduction) in an SES rate of basic pay granted to a senior executive, except as provided in paragraph (c)(3) of this section.

(3) The following pay actions are not considered pay adjustments for the purpose of applying this paragraph:

(i) The conversion of senior executives to the new SES pay system under §534.406 and the conversion of other employees to equivalent senior executive positions;

(ii) A determination by an authorized agency official to make a zero adjustment in pay after reviewing a senior executive’s annual summary rating;

(iii) A zero adjustment in pay made during the 12-month period preceding the first day of the first applicable pay period beginning on or after January 1, 2004, caused by the former limitation on basic pay plus locality-based comparability payments under 5 U.S.C. 5304(g)(2) for a senior executive who was granted an increase in his or her rate of basic pay that did not result in an actual increase in pay;

(iv) A determination to provide an additional pay increase under paragraph (f) of this section when there is an increase in Executive Schedule rates of pay;

(v) [Reserved]

(vi) A determination to provide a pay increase under paragraph (b)(4) of this section to allow a senior executive to maintain his or her relative position in the SES rate range; and

(vii) An increase in pay equivalent to the minimum amount necessary to ensure that a senior executive’s rate of basic pay does not fall below the minimum rate of the SES rate range.

(d) Adjustments in pay prior to certification of applicable performance appraisal system. An authorized agency official may adjust a senior executive’s rate of basic pay converted under §534.406 on the first day of the first applicable pay period beginning on or after January 1, 2004, or on any date thereafter prior to obtaining certification under 5 CFR part 430, subpart D, but only up to the rate for level III of the Executive Schedule. The authorized agency official may provide an increase in pay if warranted under the conditions prescribed in paragraph (b) of this section and the senior executive is otherwise eligible for such an increase (i.e., he or she did not receive a pay adjustment under §534.404(c) during the previous 12-month period). An adjustment in pay made under this paragraph is considered a pay adjustment for the purpose of applying §534.404(c).

(e) Adjustments in pay after certification of applicable performance appraisal system. (1) In the case of an agency that obtains certification of a performance appraisal system for senior executives under 5 CFR part 430,
§ 534.404

subpart D, an authorized agency official may increase a covered senior executive's rate of basic pay up to the rate for level II of the Executive Schedule, consistent with the limitations in §534.403(a)(3). The authorized agency official may provide an increase in pay if warranted under the conditions prescribed in paragraph (b) of this section and if the senior executive is otherwise eligible for such an increase (i.e., he or she did not receive a pay adjustment under §534.404(c) during the previous 12-month period). An adjustment in pay made under this paragraph is considered a pay adjustment for the purpose of applying §534.404(c).

(2) [Reserved]

(f) Effect of increase in Executive Schedule rates of pay. (1) If there is an additional increase in the rates for the Executive Schedule in a calendar year, and if that increase becomes effective on the first day of the first pay period beginning on or after January 1 (i.e., the date prescribed in 5 U.S.C. 5318), an agency may review any previous determination to adjust the pay of a senior executive that was made effective on or after the effective date of the first increase in the rates for the Executive Schedule to determine whether, and to what extent, an additional pay increase may be warranted for senior executives based on the same criteria used for the previous determination. If the agency determines that an additional pay increase is warranted, that increase must be made effective as of the effective date of the previous pay increase and is not considered a pay adjustment for the purpose of applying §534.404(c).

(2) If there is an increase in the rates of pay for the Executive Schedule under 5 U.S.C. 5318 after an agency has already granted pay increases to its senior executives following the applicable performance appraisal period, an agency may review any previous determination to increase the pay of a senior executive whose rate of basic pay is equivalent to the rate for level II (if covered under a performance appraisal system that is certified) or level III (if covered under a performance appraisal system that is not certified) when the applicable maximum rate is increased to determine whether, and to what extent, an additional pay increase may be warranted for the senior executive based on the same criteria used for the previous determination. The determination to provide an additional pay increase must be approved and made effective as of the effective date of increases in the Executive Schedule under 5 U.S.C. 5318 (i.e., the first day of the first pay period beginning on or after January 1). An additional pay increase under this paragraph is not considered a pay adjustment for the purpose of applying §534.404(c).

(g) Agency plan for setting and adjusting SES rate of basic pay. Each agency must establish a plan for setting and adjusting the rates of basic pay for SES members. Agencies must provide for transparency in the processes for making pay decisions, while assuring confidentiality. In developing its plan for setting and adjusting SES rates, an agency may consider the senior executive's broad scope of authority and level of responsibility and his or her personal accountability for the success (or failure) of an agency's programs. The agency's plan must require that any decisions to adjust pay must reflect meaningful distinctions among senior executives based on individual performance and/or contribution to agency performance and must include—

(1) The criteria that will be used to set and adjust a senior executive's rate of basic pay to ensure that individual pay rates or pay adjustments, as well as their overall distribution within the SES rate range, reflect meaningful distinctions within a single performance rating level (e.g., the higher the employee's relative performance within a rating level, the higher the pay adjustment) and/or between performance rating levels (e.g., the higher the rating level, the higher the pay adjustment);

(2) The criteria that will be used to set and adjust a senior executive's rate of basic pay at a rate that exceeds the rate for level III of the Executive Schedule if the applicable agency performance appraisal system has been certified under 5 CFR part 430, subpart D;

(3) The designation of the authorized agency official who has authority to set and adjust SES rates of pay for individual senior executives, subject to
the requirement that the agency head or designee who performs the functions described in 5 CFR 430.404(a)(5) and (6) (including the Inspector General, where applicable) must approve any determination to set a senior executive’s rate of basic pay higher than the rate for level III of the Executive Schedule and must approve any determination to increase a senior executive’s rate of basic pay more than once in any 12-month period; and

(4) The administrative and management controls that will be applied to ensure compliance with applicable statutes, OPM’s regulations, the agency’s plan, and, where applicable, the certification requirements set forth in 5 CFR 430, subpart D, and the limitation on the maximum rate of basic pay in §534.403(a).

(h) Setting pay upon transfer. (1) An authorized agency official may set the pay of a senior executive transferring from another agency at any rate within the SES rate range, subject to the limitation on the maximum rate of basic pay in §534.403(a) and the restrictions on reducing the pay of career senior executives in paragraph (h)(2) of this section (upon transfer to an agency whose applicable performance appraisal system is not certified) and in §534.406(b) (for 12 months following the effective date of the new SES pay system). If pay is set at the same SES rate the senior executive received in his or her former agency, the action is not considered a pay adjustment for the purpose of applying §534.404(c).

(2) A senior executive whose rate of basic pay is higher than the rate for level III of the Executive Schedule may not suffer a reduction in pay as a result of transferring to an agency where the maximum rate of basic pay for the applicable SES rate range is equal to the rate for level III of the Executive Schedule. The senior executive will continue to receive his or her current SES rate and is not eligible for a pay adjustment until the senior executive is assigned to a position that would allow the employee to receive a pay adjustment or the employing agency’s applicable performance appraisal system is certified under 5 CFR part 430, subpart D. The SES rate of pay is not considered a retained rate of pay for the purpose of applying 5 U.S.C. 3594 and 5 CFR part 359, subpart G, or 5 U.S.C. 5363 and 5 CFR part 536, subpart C.

(1) Setting pay following a break in SES service—(1) General. Upon reappointment to the SES, an authorized agency official may set the rate of basic pay of a former senior executive at any rate within the SES rate range, subject to the limitations in §534.403(a). If there has been a break in SES service of more than 30 days. If there has been a break in SES service of 30 days or less, the senior executive’s rate of basic pay may be set at any rate within the SES rate range (without regard to whether the employee received a pay adjustment during the previous 12-month period), but not higher than the senior executive’s former SES rate of basic pay. Where there has been a break in SES service of 30 days or less, the agency head or designee who performs the functions described in 5 CFR 430.404(a)(5) and (6) (including the Inspector General, where applicable) may approve a higher rate than the senior executive’s former rate of basic pay, if warranted. Setting a rate of basic pay upon reappointment to the SES is considered a pay adjustment under §534.404(c).

(2) Reinstatement from a Presidential appointment requiring Senate confirmation. The following provisions apply to a former career senior executive who is reinstated under 5 CFR 317.703:

(i) If the individual elected to remain subject to the SES pay provisions while serving under a Presidential appointment, his or her SES rate may be adjusted upon reinstatement to the SES, whether in the agency where the individual held the Presidential appointment or in another agency, if at least 12 months have elapsed since the employee’s last SES pay adjustment. If fewer than 12 months have elapsed since the employee’s last SES pay adjustment, an authorized agency official may approve an additional pay increase under §534.404(c)(4) if the additional pay increase is warranted. Any pay adjustment must be made in accordance with paragraphs (b), (d), and (e) of this section and the agency’s plan for adjusting SES rates of pay in paragraph (g) of this section.
(ii) If the individual did not elect to remain subject to the SES pay provisions while serving under a Presidential appointment, his or her SES rate may be set upon reinstatement to the SES at any rate within the SES rate range, subject to the limitations in §534.403(a).

(iii) Setting a rate of basic pay upon reinstatement to the SES under paragraphs (i)(2)(i) and (ii) of this section is considered a pay adjustment for the purpose of applying §534.404(c).

(j) Restrictions on reducing the pay of career senior executives. (1) An authorized agency official may reduce a career senior executive’s SES rate of basic pay by not more than 10 percent for performance or disciplinary reasons, subject to the restriction on reducing the pay of career senior executives in §534.406(b) or setting pay below the minimum rate of the SES rate range in §534.403(a).

(2) The SES rate of basic pay of a career senior executive may be reduced without the employee’s consent by the senior executive’s agency or upon transfer of function to another agency only—

(i) If the senior executive has received a less than fully successful annual summary rating under 5 CFR part 430, subpart C, or has otherwise failed to meet the performance requirements for a critical element as defined in 5 CFR 430.303; or

(ii) As a disciplinary or adverse action resulting from conduct-related activity, including, but not limited to, misconduct, neglect of duty, or malfeasance.

(3) Prior to reducing a career senior executive’s rate of basic pay, the agency must provide the senior executive with the following:

(i) Written notice of such reduction at least 15 days in advance of its effective date;

(ii) A reasonable period of time, but not less than 7 days, for the senior executive to respond to such notice orally and/or in writing and to furnish affidavits and other documentary evidence in support of that response;

(iii) An opportunity to be represented in the matter by an attorney or other representative;

(iv) A written decision and specific reasons for the pay reduction at the earliest practicable date after the senior executive’s response, if any; and

(v) An opportunity to request, within 7 days after the date of that decision, reconsideration by the head of the agency, whose determination with respect to that request will be final and not subject to further review.

(4) Reductions in pay under paragraph (j) of this section are not appealable under 5 U.S.C. 7543.

§534.405 Performance awards.

(a) This section covers the payment of performance awards to career appointees in the Senior Executive Service (SES).

(1) To be eligible for an award, the individual must have been an SES career appointee as of the end of the performance appraisal period; and the individual’s most recent performance rating of record under part 430, subpart C, of this chapter for the appraisal period must have been “Fully Successful” or higher.

(2) Individuals eligible for a performance award include:

(i) A former SES career appointee who elected to retain award eligibility under 5 CFR part 317, subpart H. If the rate of basic pay of the individual is higher than the maximum rate of basic pay for the applicable SES rate range, the maximum rate of that SES rate range is used for crediting the agency award pool under paragraph (b) of this section and the amount the individual may receive under paragraph (c) of this section.

(ii) A reemployed annuitant with an SES career appointment.

(iii) An SES career appointee who is on detail. If the detail is to another agency, eligibility is in the individual’s official employing agency, i.e., the agency from which detailed. If the appointee is on a reimbursable detail, the agency to which the appointee is detailed may reimburse the employing agency for some or all of any award, as agreed upon by the two agencies; but the reimbursement does not affect the
award pool for either agency as calculated under paragraph (b) or this section.

(3) When making recommendations on performance awards, more than one-half of the membership of a Performance Review Board must be career SES appointees. The only exception is if OPM has determined under §430.307(d) of this chapter that the Board does not have to have a majority of career members when making recommendations on performance appraisals of career appointees because there exists an insufficient number of career appointees.

(4) The agency head must consider the recommendations of the Performance Review Board (PRB), but the agency head has the final authority as to who is to receive a performance award and the amount of the award.

(b)(1) The total amount of performance awards paid during a fiscal year by an agency may not exceed the greater of—

(i) Ten percent of the aggregate career SES rates of basic pay for the agency as of the end of the fiscal year prior to the fiscal year in which the award payments are made; or

(ii) Twenty percent of the average annual rates of basic pay for career SES appointees of the agency as of the end of the fiscal year prior to the fiscal year in which the award payments are made.

(2) In determining the aggregate career SES rates of basic pay and the average annual rate of basic pay as of the end of FY 2003 for the purpose of applying paragraph (b) of this section, agencies must use the annual rate of basic pay, plus any applicable locality-based comparability payment under 5 U.S.C. 5304 or special geographic pay adjustment established for law enforcement officers under section 404(a) of the Federal Employees Pay Comparability Act of 1990 (Pub. L. 101-509), which the SES appointees were receiving at the end of FY 2003.

(c) The amount of a performance award paid to an individual career appointee may not be less than 5 percent nor more than 20 percent of the appointee's SES rate of basic pay as of the end of the performance appraisal period.

(d) OPM shall issue guidance concerning the distribution of performance awards within an agency.

(e) Agencies shall submit their distribution of performance awards, the total amount of awards, and the aggregate payroll or average rate of basic pay as computed under paragraph (b) of this section to OPM no later than 14 days after the date the performance awards are approved by the agency. If OPM determines that an agency's payments do not meet the requirements of law or regulations, the agency shall take any corrective action directed by OPM.

(f) Performance awards must be paid in a lump sum except in those instances when it is not possible to pay the full amount because of the applicable aggregate limitation on pay during a calendar year under 5 CFR part 530, subpart B. In that case, any amount in excess of the applicable aggregate limitation must be paid at the beginning of the following calendar year in accordance with 5 CFR part 530, subpart B. The full performance award, however, is charged against the agency bonus pool under §534.405(b) for the fiscal year in which the initial payment was made.

§534.406 Conversion to the SES pay system.

(a) On the first day of the first applicable pay period beginning on or after January 1, 2004, agencies must convert an existing SES rate of basic pay for a senior executive to an SES rate of basic pay that is equal to the employee's rate of basic pay, plus any applicable locality-based comparability payment under 5 U.S.C. 5304 which the senior executive was receiving immediately before that date, except as provided in paragraph (b) of this section. The newly converted rate is the senior executive's SES rate of basic pay. An agency's establishment of an SES rate of basic pay for a senior executive under this paragraph is not considered
a pay adjustment for the purpose of applying §534.404(c).

(b) An SES member’s rate of basic pay, plus any applicable locality-based comparability payment under 5 U.S.C. 5304 to which the employee was entitled on November 24, 2003, may not be reduced for 1 year after the first day of the first applicable pay period beginning on or after January 1, 2004. If an SES member’s rate of basic pay, plus any applicable locality-based comparability payment under 5 U.S.C. 5304 to which the employee was entitled on November 23, 2003, is higher than the rate in effect immediately prior to the first day of the first applicable pay period beginning on or after January 1, 2004, the agency must use the higher rate for the purpose of converting SES members to the SES pay system.

(c) An SES member who is assigned to a position outside the 48 contiguous States and the District of Columbia to a position overseas or in Alaska, Hawaii, Guam or the Commonwealth of the Northern Mariana Islands, Puerto Rico, the U.S. Virgin Islands, or other U.S. territories and possessions as of the first day of the first applicable pay period beginning on or after January 1, 2004, will be converted to a new rate of basic pay that equals the senior executive’s current rate of basic pay, plus the amount of locality pay authorized under 5 U.S.C. 5304 for the applicable locality pay area upon the employee’s initial reassignment to a position in the 48 contiguous States or the District of Columbia. The adjustment will be prospective, not retroactive, and it will not be considered a pay adjustment for the purpose of applying §534.404(c). If the senior executive’s rate of basic pay did not exceed the rate for level III of the Executive Schedule while assigned to a position outside the 48 contiguous States or the District of Columbia, upon initial reassignment to a locality pay area the senior executive’s converted rate of basic pay may not exceed the rate for level III of the Executive Schedule. The newly converted rate is the senior executive’s SES rate of basic pay.

(d) On the first day of the first applicable pay period beginning on or after January 1, 2004, a law enforcement officer (LEO), as defined in 5 CFR 531.301, who is a member of the SES will have his or her rate of basic pay, plus any applicable special geographic pay adjustment established for LEOs under section 404(a) of the Federal Employees Pay Comparability Act of 1990 (Pub. L. 101–509) to which he or she was entitled immediately before that date, converted to a new SES rate of basic pay. The newly converted rate is the senior executive’s SES rate of basic pay, and any pay adjustments approved on or after January 11, 2004, must be computed based on the senior executive’s converted rate of basic pay. Conversion to a new SES rate of basic pay is not considered a pay adjustment for the purpose of applying §534.404(c).

§ 534.407 Pay computation and aggregate compensation.

(a) Except as provided in paragraph (b) of this section, pay for members of the SES must be computed in accordance with 5 U.S.C. 5504(b).

(b) To determine the hourly rate of pay for members of the SES, divide the annual SES rate of basic pay by 2,087 and round to the nearest cent, counting one-half cent and over as a whole cent. To derive the biweekly rate, multiply the hourly rate by 80.

(c) Senior executives are subject to the applicable aggregate limitation on pay in 5 CFR part 530, subpart B.

§ 534.408 Restrictions on premium pay and compensatory time.

(a) Under 5 U.S.C. 5541(2)(xvi) and 5 CFR 550.101(b)(18), members of the Senior Executive Service (SES) are excluded from premium pay, including overtime pay.

(b) Since SES members are not eligible for overtime pay, they also are not eligible for compensatory time in lieu of overtime pay for work performed as an SES member. SES members are eligible, however, for compensatory time off for religious purposes under 5 U.S.C. 5550a and 5 CFR part 550, subpart J.

Office of Personnel Management

Subpart E—Pay for Senior-Level and Scientific or Professional Positions

Source: 79 FR 12357, Mar. 5, 2014, unless otherwise noted.

§ 534.501 Purpose.

This subpart provides rules for setting and adjusting rates of basic pay for senior-level (SL) and scientific or professional (ST) employees under 5 U.S.C. 5376. Section 5376, as amended by section 2 of the Senior Professional Performance Act of 2008 (Pub. L. 110–372, October 8, 2008), promotes performance-based pay by enabling an agency that attains certification of a performance appraisal system covering senior professionals to fix rates of basic pay for those employees up to the rate payable for level II of the Executive Schedule. Under 5 U.S.C. 5307(d) and subpart D of part 430 of this chapter, the Office of Personnel Management (OPM), with Office of Management and Budget (OMB) concurrence, grants certification only to a performance appraisal system that, in its design and application, makes meaningful distinctions based upon relative performance. This subpart implements the purpose of the law by providing for pay determinations for SL and ST employees to be based on individual performance, contributions to the agency’s performance, or both, as determined through administration of the agency’s performance management system(s) for SL and ST employees.

§ 534.502 Coverage.

(a) This subpart implements 5 U.S.C. 5376 and applies to—

(1) Senior-level (SL) positions classified above GS–15 pursuant to 5 U.S.C. 5108; and

(2) Scientific or professional (ST) positions established under 5 U.S.C. 3104.

(b) This subpart does not apply to—

(1) Senior Executive Service positions established under 5 U.S.C. 3132, unless the incumbent of the position declined to convert to the SES and, under §317.303 of this chapter, remained at grade GS–16, 17, or 18 (now the SL pay system) or under the ST pay system;

(2) Positions in the Federal Bureau of Investigation and Drug Enforcement Administration Senior Executive Service, Defense Intelligence Executive Service, or Senior Cryptologic Executive Service; or

(3) Positions for which pay is fixed by administrative action and is limited to level IV of the Executive Schedule under 5 U.S.C. 5373.

§ 534.503 Definitions.

In this subpart—

Agency means—

(1) An Executive agency as defined in 5 U.S.C. 105;

(2) The Library of Congress; and

(3) Any other entity that is not part of an Executive agency, for which OPM has approved establishment of one or more scientific or professional positions under 5 U.S.C. 3104.

Authorized agency official means the head of an agency or an official who is authorized to act for the head of the agency in the matter concerned.

Certified means having the certification that OPM, with OMB concurrence, grants under 5 U.S.C. 5307(d) and part 430, subpart D of this chapter only to a performance appraisal system that makes, in its design and application, meaningful distinctions based on relative performance. In this subpart, the term “certified” refers to a performance appraisal system that has this certification, including a performance appraisal system for which certification has been reinstated after suspension under §430.405(h) of this chapter.

Movement means a change of an SL or ST employee from one SL or ST position to a different SL or ST position without a break in service under procedures that meet applicable requirements for staffing positions in the competitive service and excepted service. As used in this subpart, the term “movement” applies only to an appointment, not a detail, and is used without reference to the pay consequences of an action. Unless otherwise specified, the term refers to position changes both within and between agencies.

Not certified means lacking the certification that OPM, with OMB concurrence, grants under 5 U.S.C. 5307(d) and
§ 534.504  Pay range.

(a) A rate of basic pay under this subpart must be—

(1) Not less than 120 percent of the minimum rate of basic pay payable for GS–15 of the General Schedule, and

(2) Not greater than—

(i) The rate of basic pay payable for level III of the Executive Schedule (EX–III), or

(ii) In the case of an SL or ST employee who is covered by a certified performance appraisal system or whose established rate of basic pay is preserved under §534.509, the rate of basic pay payable for level II of the Executive Schedule (EX–II).

(b) An agency may not set or adjust the rate of basic pay for an SL or ST employee higher than the maximum in—

(1) Paragraph (a)(2)(i) of this section (i.e., EX–III) when the SL or ST employee is covered by a performance appraisal system that is not certified or when the SL or ST employee is not subject to a performance appraisal system, except as provided in §534.509; or

Rating of record means the performance rating prepared at the end of an appraisal period for performance of agency-assigned duties over the entire period and the assignment of a summary level within a pattern as specified in §430.208(d) of this chapter that has been reviewed and approved in accordance with §534.505(a).
§ 534.505 Written procedures.

(a) Each agency with positions subject to this subpart must establish written procedures for setting the rate of basic pay and increasing the rate of basic pay of incumbents of the positions in accordance with law and this subpart. Agencies must provide for transparency in the processes for making pay decisions, while assuring confidentiality. The agency’s plan for setting and increasing rates of basic pay must reflect meaningful distinctions among SL and ST employees based on individual performance, contribution to agency performance, or both, and must include—

(1) The criteria that will be used to set and increase a senior professional’s rate of basic pay to ensure that individual pay rates or pay increases, as well as their overall distribution within the senior professional pay range, reflect meaningful distinctions within a single performance level (e.g., the higher the employee’s relative performance within a rating level, the higher the pay increase), between performance rating levels (e.g., the higher the rating level, the higher the pay increase), or both;

(2) The criteria that will be used to set and increase a senior professional’s rate of basic pay at a rate that exceeds the rate for level III of the Executive Schedule if the applicable agency performance appraisal system has been certified under part 430, subpart D of this chapter;

(3) Any system, methods, or criteria the agency uses to establish pay ranges applicable to various SL or ST positions within the pay range that applies under §534.504(a), consistent with the requirement that pay be determined based upon individual performance, contributions to the agency’s performance, or both;

(4) The designation of the authorized agency official(s) who will have the authority to set and adjust rates of basic pay for SL and ST employees, subject to the requirements of paragraph (c) of this section; and

(b) Each agency’s written procedure must provide that, effective at the beginning of the first applicable pay period commencing on or after the first day of the month in which an adjustment takes effect under 5 U.S.C. 5303 in the rates of basic pay under the General Schedule, the head of an agency will adjust a senior professional’s rate of basic pay under the provisions of §534.507.

(c) The following actions must be approved by the agency head or by a designee who provides the certifications described in §430.404(a)(6)(i), (ii) and (iii) of this chapter for all senior professionals in the agency, and this approval authority may not be further delegated:

(1) Any pay-setting action under §534.506 or any pay increase under §534.507 that results in a rate of basic pay that is within the highest 10 percent of the applicable rate range under §534.504. A rate of basic pay equal to or
above the amount derived using the following rules is considered to be within the highest 10 percent of the applicable pay range (in 2015, $177,166 or above if the applicable system is certified, or $164,026 or above if the applicable system is not certified or performance appraisal does not apply):

(i) Subtract the minimum rate of basic pay from the maximum rate of basic pay for the applicable rate range under §534.504 (in 2015, $183,300 − $121,956 = $61,344 if the applicable system is certified, or $168,700 − $121,956 = $46,744 if the applicable system is not certified or performance appraisal does not apply);

(ii) Multiply the amount derived in paragraph (c)(1)(i) of this section by 0.10 (in 2015, $61,344 × 0.10 = $6,134 if the applicable system is certified, or $46,744 × 0.10 = $4,674 if the applicable system is not certified or performance appraisal does not apply); and

(iii) Subtract the amount derived in paragraph (c)(1)(ii) of this section from the maximum rate of basic pay applicable under §534.504 (in 2015, $183,300 − $6,134 = $177,166 if the applicable system is certified, or $168,700 − $4,674 = $164,026 if the applicable system is not certified or performance appraisal does not apply);

(2) Any pay increase under §534.507 that results in a rate of basic pay more than 10 percent above the SL or ST employee’s rate of basic pay as in effect on the last day of the preceding fiscal year or, if the individual was first appointed as an SL or ST employee in the agency after the last day of the preceding fiscal year, more than 10 percent above the rate of basic pay set at the time of that appointment. A rate of basic pay more than 10 percent above the applicable rate of basic pay is considered to be any rate of basic pay that exceeds the amount derived by multiplying the applicable rate of basic pay by a factor of 1.1;

(3) Any pay-setting action under §534.506(c)(2) that results in a higher rate of basic pay than the senior professional had upon leaving the agency; and

(4) Any off-cycle pay increase under §534.510.

(d) An agency must keep its written procedures for setting and increasing rates of basic pay up to date, make them available to affected SL and ST employees, periodically provide training or supplemental guidance to clarify how they are applied, and provide a copy to OPM upon request.

(e)(1) The head of an agency may delegate to an Inspector General the authority to set and adjust pay for senior professionals in the Office of the Inspector General, including authority for pay actions described in paragraph (c) of this section.

(2) An agency head who delegates to an Inspector General the authority to set and adjust pay for all senior professionals in the Office of the Inspector General, including all pay actions described in paragraph (c) of this section, may exclude those senior professionals from the count of agency senior professionals for the purpose of determining whether centralized review under paragraph (a)(5) of this section is required.

(3) An Inspector General to whom an agency head delegates authority to set and adjust pay for 10 or more senior professionals in the Office of the Inspector General must provide the centralized review required by paragraph (a)(5) of this section and may use Federal employees from outside the agency for that purpose or from the Inspector General community, whether or not in the same agency.

(f)(1) A panel performing centralized review under paragraphs (a)(5) or (e)(3) of this section for a senior professional who holds a career or career-conditional appointment or an appointment of equivalent tenure in the excepted service must have a majority of career appointees.

(2) For the purpose of paragraph (f)(1) of this section, a career appointee is considered to be a career SES member or a senior professional who holds a career or career-conditional appointment or an appointment of equivalent tenure in the excepted service.

(3) An agency head may include Federal employees from outside the agency on a panel performing centralized review.

(4) An agency using the discretion provided in §430.403(d) of this chapter...
must do so in accordance with paragraphs (a)(5), (e) and (f) of this section, as applicable.

§ 534.506 Setting a rate of basic pay upon appointment.

(a) An authorized agency official may set the rate of basic pay of an individual who is not currently an SL or ST appointee of the agency at any rate within the applicable rate range under § 534.504(a) upon appointment to an SL or ST position in the agency, subject to the requirements of this section. In setting a new senior professional’s rate of basic pay, an agency must consider the nature and quality of the individual’s experience, accomplishments, and any unique skills, qualifications, or competencies the individual possesses as they relate to requirements of the senior professional position and its impact on the agency’s performance. Rates of basic pay above the rate for level III of the Executive Schedule, but less than or equal to the rate for level II of the Executive Schedule, generally are reserved for those newly appointed senior professionals who possess superior leadership, scientific, professional or other competencies necessary to address key program and mission requirements, as determined by the agency through its strategic human capital planning process.

(b) Consistent with the agency’s written procedures and paragraph (a) of this section, an authorized agency official may set the rate of basic pay for an SL or ST employee upon transfer from another agency at any rate of basic pay within the pay range that applies to the SL or ST position under § 534.504(a), except as provided in § 534.509(a).

(c)(1) Consistent with the agency’s written procedures and paragraph (a) of this section, except as provided in paragraph (c)(2) of this section, an authorized agency official may set pay upon reappointment of a former SL or ST employee at any rate of basic pay within the pay range that applies to the SL or ST position under § 534.504(a).

(2) If a former agency SL or ST employee is reappointed within 30 days to the same position or a successor position in the same agency, the agency may not give the individual a higher rate of basic pay upon reappointment unless the agency head or a designee who provides the certifications described in § 430.404(a)(6)(1), (ii) and (iii) of this chapter for all senior professionals in the agency determines that a higher rate of basic pay is warranted.

§ 534.507 Annual increases in basic pay.

(a)(1) Effective at the beginning of the first applicable pay period commencing on or after the first day of the month in which an adjustment takes effect under 5 U.S.C. 5303 in the rates of basic pay under the General Schedule, the head of an agency must adjust a senior professional’s rate of basic pay under paragraph (b) of this section by an amount he or she considers appropriate, subject to the applicable maximum rate under § 534.504(a), the agency’s written procedures under § 534.505, and the provisions of this section.

(2) A determination by an authorized agency official to make a zero adjustment in pay after reviewing a senior professional’s current rating of record or performance rating meets the requirement of paragraph (a)(1) of this section only if the notice required by paragraph (h) of this section is provided to the senior professional.

(b)(1) An agency may provide a pay increase to a senior professional only upon a determination by the authorized agency official that the senior professional’s performance and/or contributions to agency performance so warrant.

(2) Increases resulting in a rate of basic pay that exceeds the rate for level III of the Executive Schedule, but is less than or equal to the rate for level II of the Executive Schedule, are reserved for those senior professionals who demonstrate the highest levels of individual performance, make the greatest contributions to the agency’s performance, or both, as determined by the agency through the administration
of its performance management system.

(3) A pay increase must reflect the agency’s judgment concerning the value of the employee’s characteristic and continuing service to the agency in the SL or ST position. A single noteworthy contribution that is not characteristic of the employee’s continuing performance requirements, individual performance or contributions to the agency’s performance should be recognized by an appropriate award under part 451, subpart A of this chapter or other appropriate authority, rather than by a permanent increase in the rate of basic pay.

(c) An agency must document the basis for each pay increase granted under paragraph (b) by means of—

(1) A current rating of record; or

(2) A performance rating that covers a period of at least 90 days and is assigned in accordance with subpart B of part 430 of this chapter and the centralized review required by §534.505(a)(5), but only if a rating of record is not available or does not reflect current performance.

(d) Any increase under this section that results in a rate of basic pay above the rate for level III of the Executive Schedule may not be made effective unless—

(1) The rating of record or performance rating used to justify the increase covers a period of at least 90 days of performance during which the applicable performance appraisal system has continuously been certified under 5 U.S.C. 5307(d) and part 430, subpart D of this chapter;

(2) The rating of record or performance rating used to justify the increase becomes final while the applicable performance appraisal system is certified;

(3) The rating and pay increase are reviewed and approved in accordance with §534.505(a);

(4) The pay increase is approved in accordance with §534.505(c), as applicable, and the agency’s written procedures; and

(5) The pay increase becomes effective while the applicable performance appraisal system is certified.

(e) Upon the initial certification under 5 U.S.C. 5307(d) and part 430, subpart D of this chapter by OPM, with OMB concurrence, of an agency performance appraisal system covering SL or ST employees, OPM may waive the requirement of paragraph (d)(1) of this section. The requirement may be waived only if OPM determines that the agency has, for a period of no less than 90 days prior to certification, consistently applied the same performance appraisal system to covered SL or ST employees in a manner consistent with certification. If OPM waives this requirement, OPM will notify the agency in writing.

(f) Except as required by paragraph (g) of this section, a pay increase under this section may not be provided to an employee—

(1) Who has a current rating of record below Level 3 (Fully Successful or equivalent), as described in §430.208 of this chapter; or

(2) Who, after receiving a rating of record at Level 3 or above, receives a more recent performance rating that rates performance in a critical element at a level below Fully Successful, as described in §430.206(b)(8)(i) of this chapter.

(g) An SL or ST employee whose rate of basic pay would otherwise fall below the minimum rate of the SL and ST pay range under §534.504(a)(1) must be provided a pay adjustment sufficient to maintain the minimum rate of basic pay.

(h)(1) If the rates of basic pay under the General Schedule are increased under 5 U.S.C. 5303 on the date specified in paragraph (a)(1) of this section and the agency head decides upon a zero adjustment for an SL or ST employee who has a current rating of record or applicable performance rating at Level 3 or above, as described in §430.208 of this chapter, the agency must communicate the reasons for that decision to the employee in writing.

(2) Paragraph (h)(1) of this section does not apply to a senior professional with a rate of basic pay described in §534.505(c)(1) unless—

(i) The rates of basic pay for the Executive Schedule are also increased on the date specified in paragraph (a)(1) of this section; and
§ 534.509 Preservation of an established rate of basic pay.

(a) An SL or ST employee whose rate of basic pay is higher than the rate for level III of the Executive Schedule may not suffer a reduction in pay as a result of transfer to an SL or ST position in another agency where the maximum rate of basic pay for the applicable SL or ST rate range is equal to the rate for level III of the Executive Schedule.

(b) An SL or ST employee whose rate of basic pay is higher than the rate for level III of the Executive Schedule may not suffer a reduction in pay because his or her agency’s applicable performance appraisal system certification expires or is suspended under § 430.405(h) of this chapter. See § 530.203(g) and (h) of this chapter for treatment of the aggregate pay limit when certification status changes during the calendar year.

(c) An agency may continue an SL or ST employee’s rate of basic pay above the rate for level III of the Executive Schedule upon that employee’s movement within the agency to another SL or ST position that is not under a certified appraisal system.
§ 534.510 Off-cycle pay increases.

(a) An authorized agency official may provide an off-cycle pay increase to a senior professional if, and only if, the agency head or a designee who provides the certifications described in § 534.507(b) through (e), except that the agency must also provide information to explain how each applicable factor was considered in determining the pay increase. This information may be derived from the agency's written pay procedures established under § 534.505, agency performance management system activities, or other sources the agency deems useful for this purpose.

(b) The need to offer a pay increase to reassign a senior professional to a position that has a substantially greater impact on agency performance; and

(d) If the maximum rate of basic pay applicable to an agency's senior professionals increases during the 1 year period following the annual pay adjustment under §534.507(a)(1) for reasons other than a change in the certification status of an applicable performance appraisal system, the agency head may consider such factors as—

(1) A senior professional's exceptionally meritorious accomplishments that contribute significantly to the agency's performance;

(2) The need to offer a pay increase to reassign a senior professional to a position that has a substantially greater impact on agency performance; and

(3) The need to retain a senior professional whose contributions are critical to the agency and who is likely to leave the agency in the absence of a pay increase.

§ 534.510 Off-cycle pay increases.

(a) An authorized agency official may provide an off-cycle pay increase to a senior professional if, and only if, the agency head or a designee who provides the certifications described in

§ 534.504(a)(6)(i), (ii) and (iii) of this chapter for all senior professionals in the agency determines an off-cycle pay increase is warranted and approves the amount of the increase, subject to the requirements of this section and the agency's written procedures established under §534.505. The authority to approve an off-cycle pay increase under this section may not be further delegated.

(b) Except as provided in paragraph (d) of this section, an off-cycle pay increase must be supported by factors that distinguish the level of the senior professional's performance and/or contributions to agency performance from that of his or her peers, as applicable, and from that sufficiently rewarded through the annual pay adjustment. In assessing the warrant for an off-cycle pay increase, the approving official may consider such factors as—

(1) A senior professional's exceptionally meritorious accomplishments that contribute significantly to the agency's performance;

(2) The need to offer a pay increase to reassign a senior professional to a position that has a substantially greater impact on agency performance; and

(3) The need to retain a senior professional whose contributions are critical to the agency and who is likely to leave the agency in the absence of a pay increase.

§ 534.510 Off-cycle pay increases.

(a) An authorized agency official may provide an off-cycle pay increase to a senior professional if, and only if, the agency head or a designee who provides the certifications described in

§ 534.504(a)(6)(i), (ii) and (iii) of this chapter for all senior professionals in the agency determines an off-cycle pay increase is warranted and approves the amount of the increase, subject to the requirements of this section and the agency's written procedures established under §534.505. The authority to approve an off-cycle pay increase under this section may not be further delegated.

(b) Except as provided in paragraph (d) of this section, an off-cycle pay increase must be supported by factors that distinguish the level of the senior professional's performance and/or contributions to agency performance from that of his or her peers, as applicable, and from that sufficiently rewarded through the annual pay adjustment. In assessing the warrant for an off-cycle pay increase, the approving official may consider such factors as—

(1) A senior professional's exceptionally meritorious accomplishments that contribute significantly to the agency's performance;

(2) The need to offer a pay increase to reassign a senior professional to a position that has a substantially greater impact on agency performance; and

(3) The need to retain a senior professional whose contributions are critical to the agency and who is likely to leave the agency in the absence of a pay increase.

§ 534.510 Off-cycle pay increases.

(a) An authorized agency official may provide an off-cycle pay increase to a senior professional if, and only if, the agency head or a designee who provides the certifications described in
or a designee who provides the certifications described in §430.404(a)(6)(i), (ii) and (iii) of this chapter for all senior professionals in the agency may consider whether, and to what extent, an additional pay increase may be warranted for a senior professional based on the same criteria used in determining his or her annual pay increase. However, if the increase in maximum rate of basic pay is due to a change in the certification status of an applicable performance appraisal system, the requirements of paragraphs (a), (b), and (c) of this section apply.

(e) An off-cycle pay increase granted under this section will be effective prospectively, not retroactively.

§534.511 Exemption from performance appraisal requirements.

(a) An agency responsible for setting and adjusting rates of basic pay for SL or ST employees or positions excluded from performance appraisal by or under statute is, with respect to those employees or positions, exempt from any provision of this subpart to the extent that it makes a pay determination contingent upon performance appraisal, including—

(1) Section 534.505(a)(1), (2) and (3) to the extent these paragraphs require that an agency’s plan for setting and increasing rates of basic pay reflect meaningful distinctions among SL and ST employees based upon individual performance and include criteria that ensure individuals with the highest levels of individual performance, or the greatest contributions to agency performance, or both, receive the highest pay increases. The agency must still provide written procedures for setting and adjusting rates of pay for covered SL and ST employees that specify criteria that will be applied consistent with applicable law. The remaining provisions of §534.505 apply, except for references in §534.505(a)(5) to compliance with certification requirements and centralized review of ratings and pay actions;

(2) Section 534.507(b), (c), (d), (e), and (f). The agency must still document in writing the basis for each pay increase under §534.507 in accordance with criteria specified in the agency’s written procedures under §534.505(a); and

(3) Section 534.510(b) and (c). The agency must still document in writing the basis for each off-cycle pay increase under §534.510 in accordance with criteria specified in the agency’s written procedures under §534.505(a).

(b) Except as specified in paragraph (a) of this section, an agency responsible for setting and adjusting rates of basic pay for SL or ST employees excluded from performance appraisal by or under statute is subject to the requirements of this subpart with respect to those employees.

(c) The maximum rate of basic pay for an SL or ST employee or position not subject to performance appraisal is the maximum rate described in §534.504(a)(2)(ii). An agency head who uses the exemption in paragraph (a) of this section to set the rate of basic pay for SL or ST employees who are not subject to performance appraisal may not certify that those employees are covered by a performance appraisal system meeting the certification criteria established in part 430, subpart D of this chapter for purposes of authorizing rates of basic pay above the rate for level III of the Executive Schedule.

(d) Notwithstanding paragraph (c) of this section, an agency responsible for setting and adjusting rates of basic pay for SL or ST employees or positions excluded from performance appraisal by or under statute is subject to §534.509(a) when setting a rate of basic pay for an SL or ST employee upon transfer to such a position. The agency may also apply §534.509(c) upon movement of an SL or ST employee whose rate of basic pay was initially set under §534.509(a) or (c) to another SL or ST position that is excluded from performance appraisal. Pay may be reduced upon the movement only as provided in §534.508. In either case, the employee will not be eligible for a pay increase until he or she is appointed to an SL or ST position that is subject to a certified performance appraisal system or until his or her rate of basic pay is less than the rate for level III of the Executive Schedule.
§ 534.601 Coverage.

(a) This subpart implements 5 U.S.C. 5372b and applies to administrative appeals judge positions, the duties of which are not classifiable above GS–15 under 5 U.S.C. 5108 and which primarily involve reviewing decisions of administrative law judges appointed under 5 U.S.C. 3105 and rendering final administrative decisions.

(b) This subpart does not apply to—

1. Senior-level positions classified above GS–15 pursuant to 5 U.S.C. 5108;
2. Scientific or professional positions established under 5 U.S.C. 3104;
3. Senior Executive Service positions established under 5 U.S.C. 3132 or 3151;
4. Positions for which pay is fixed by administrative action and limited to level IV of the Executive Schedule under 5 U.S.C. 5373;
5. Administrative law judge positions appointed under 5 U.S.C. 3105;
6. Positions in agencies that are excluded from chapter 51 of title 5, United States Code, by section 5102(a) or 5102(c) or other provision of law.

§ 534.602 Definitions.

Administrative appeals judge position means a position not classified above GS–15 under 5 U.S.C. 5108 and for which the duties primarily involve reviewing decisions of administrative law judges appointed under 5 U.S.C. 3105 and rendering final administrative decisions.

Administrative law judge means an individual in an administrative law judge position as that term is defined in section 930.202 of this chapter.

Agency means an Executive agency, as defined in 5 U.S.C. 105, excluding the U.S. General Accounting Office.

Head of an agency means the head of an Executive agency or an official who has been delegated the authority to act for the head of the agency in the matter concerned.

§ 534.603 Rates of basic pay.

(a) The administrative appeals judge pay system (AA) has six rates of basic pay—AA–1, 2, 3, 4, 5, and 6. These rates correspond to the rates of basic pay for AL–3/A, B, C, D, E, and F, respectively, of the administrative law judge pay system established under 5 U.S.C. 5372 and part 930, subpart B, of this chapter.

(b) The rates of basic pay of the administrative appeals judge pay system will be adjusted at the same time and in the same manner as adjustments are made in the corresponding rates of basic pay for the administrative law judge pay system under 5 U.S.C. 5372.

§ 534.604 Pay administration.

(a) The head of each agency must fix the rate of basic pay for each administrative appeals judge position within the agency.

(b) Upon initial appointment, an agency must set the rate of basic pay of an administrative appeals judge at the minimum rate AA–1 of the administrative appeals judge pay system, except as provided in paragraphs (b)(1), (b)(2), and (b)(3) of this section.

1. An agency must set the pay of an employee under the General Schedule pay system who is appointed to an administrative appeals judge position without a break in service at the lowest rate AA–1 of the administrative appeals judge pay system that equals or exceeds the rate of basic pay the employee received immediately prior to such appointment, not to exceed the rate of basic pay for AA–6. If the resulting basic pay increase is less than one-half of the dollar value of the employee’s next within-grade increase, the agency must set the employee’s rate of basic pay at the next higher rate of basic pay in the basic rate range of the administrative appeals judge pay system.

2. An agency may offer an administrative appeals judge applicant with prior Federal service a rate up to the lowest rate of basic pay of the administrative appeals judge pay system that equals or exceeds the employee’s highest previous rate of basic pay in a Federal civil service position, not to exceed the rate of basic pay for AA–6.

3. An agency may offer an administrative appeals judge applicant with superior qualifications who is not a current Federal employee a higher than minimum rate when such a rate is
Office of Personnel Management

§ 535.102

clearly necessary to meet the needs of the Government. An agency may pay a higher than minimum rate of pay that is next above the applicant’s existing pay or earnings, up to the maximum rate AA–6. Superior qualifications for applicants include, but are not limited to, having legal practice before the hiring agency, having practice in another forum with legal issues of concern to the hiring agency, or having an outstanding reputation among others in the field.

(c) Administrative appeals judges will advance successively to rates AA–2, 3, and 4 upon completion of 52 weeks of service in the next lower rate, and to rates 5 and 6 upon completion of 104 weeks of service in the next lower rate. Advancement to a higher rate takes effect on the first day of the first pay period beginning on or after completion of the required period of service. Time in a nonpay status is creditable service in the computation of a waiting period so far as it does not exceed 2 weeks for each 52 weeks of service. Time in a nonpay status is fully creditable if the absence is due to military service, as defined in 5 U.S.C. 8331(13), or receipt of injury compensation under chapter 81 of title 5, United States Code. Time under pay systems outside the administrative appeals judge pay system is not creditable service in computing the required waiting period, except that time under the administrative law judge pay system established under 5 U.S.C. 5372 is creditable when an individual moves from that system to the administrative appeals judge pay system without a break in service.

(d) An agency must use the following procedures to convert an administrative appeals judge’s annual rate of basic pay to an hourly, daily, weekly, or biweekly rate:

(1) To derive an hourly rate, divide the annual rate of pay by 2,087 and round to the nearest cent, counting one-half cent and over as the next higher cent.

(2) To derive a daily rate, multiply the hourly rate by the number of daily hours of service required by the administrative appeals judge’s basic daily tour of duty.

(3) To derive a weekly or biweekly rate, multiply the hourly rate by 40 or 80, as the case may be.

§ 534.605 Conversion.

On the first day of the first pay period beginning on or after December 11, 2001, agencies must convert the rate of basic pay of an administrative appeals judge to the lowest rate of basic pay provided by § 534.603(a) of this subpart that equals or exceeds the rate of basic pay the administrative appeals judge received immediately before that date.

PART 535—CRITICAL POSITION PAY AUTHORITY

§ 535.101 Purpose.

The purpose of this part is to provide a regulatory framework for the critical position pay authority authorized by 5 U.S.C. 5377. The Office of Personnel Management (OPM), in consultation with the Office of Management and Budget (OMB), may grant authority to the head of an agency to fix the rate of basic pay for one or more positions under this part.

§ 535.102 Definitions.

Agency has the meaning given that term in 5 U.S.C. 5102.

Critical position means a position for which OPM has granted authority to the head of an agency to exercise the pay-setting authority provided in 5 U.S.C. 5377.

Critical position pay authority means the authority that may be granted to the head of an agency by OPM under 5 U.S.C. 5377 to set the rate of basic pay for a given critical position under the provisions of that section.
§ 535.103 Authority.

(a) Subject to a grant of authority from OPM in consultation with OMB and all other requirements in this part, the head of an agency may fix the rate of basic pay for a critical position at a rate not less than the rate of basic pay that would otherwise be payable for the position, but not greater than—

(1) The rate payable for level II of the Executive Schedule (unless paragraph (a)(2) or (a)(3) of this section applies);  
(2) The rate payable for level I of the Executive Schedule in exceptional circumstances based on information and data that justify a rate higher than the rate payable for level II of the Executive Schedule; or
(3) A rate in excess of the rate for level I of the Executive Schedule that is established in rare circumstances with the written approval of the President.

(b) The head of an agency may exercise his or her critical position pay authority only—

(1) When such a position requires expertise of an extremely high level in a scientific, technical, professional, or administrative field and is critical to the agency’s successful accomplishment of an important mission; and
(2) To the extent necessary to recruit or retain an individual exceptionally well-qualified for the critical position.

(c) If critical position pay authority is granted for a position, the head of an agency may determine whether it is appropriate to exercise the authority with respect to any proposed appointee or incumbent of the position.

(d) An agency granted critical position pay authority may continue to use the authority for an authorized position as long as needed. OPM will monitor the use of critical position pay authorities annually, through the agency’s required reports under §535.107, and will terminate the authority associated with a given position after notifying the agency if, in OPM’s judgment in consultation with OMB, the authority is no longer needed.

§ 535.104 Requests for and granting critical position pay authority.

(a) An agency may request critical position pay authority only after determining that the position in question cannot be filled with an exceptionally well-qualified individual through the use of other available human resources flexibilities and pay authorities. Agency requests must include the information in paragraph (d) of this section. OPM, in consultation with OMB, will review agency requests. OPM will advise the requesting agency as to whether the request is approved and when the agency’s critical position pay authority becomes effective.

(b) A request for critical position pay authority (or authorities) must be signed by the head of an agency and submitted to OPM. Requests covering multiple positions must include a list of the positions in priority order. The head of an agency may request coverage of positions of a type not listed in 5 U.S.C. 5377(a)(2), as authorized by 5 U.S.C. 5377(i)(2) and Executive Order 13415.

(c) Requests for critical position pay authority to set pay above the rate for level II of the Executive Schedule and up to the rate for level I of the Executive Schedule because of exceptional circumstances require information and data that justify the higher pay. Requests for critical position pay authority to set pay above the rate for level I of the Executive Schedule due to rare circumstances require approval by the President. The head of an agency must submit such requests to OPM with the information required in paragraph (d) of this section. If OPM, in consultation with OMB, concurs with a request to set pay above the rate for level I of the Executive Schedule, OPM will seek the President’s approval. The President...
may establish a maximum limitation on the critical pay rate.
(d) At a minimum, all requests for critical position pay authority must include:
(1) Position title;
(2) Position appointment authority (for Senior Executive Service positions, appointment authority for any incumbent);
(3) Pay plan and grade/level;
(4) Occupational series of the position;
(5) Geographic location of the position;
(6) Current salary of the position or incumbent;
(7) Name of incumbent (or “Vacant”);
(8) Length of time the incumbent has been in the position or length of time the position has been vacant;
(9) A written evaluation of the need to designate the position as critical. Such an evaluation must include—
(i) The kinds of work required by the position and the context within which it operates;
(ii) The range of positions and qualification requirements that characterize the occupational field, including those that require extremely high levels of expertise;
(iii) The rates of pay reasonably and generally required in the public and private sectors for similar positions; and
(iv) The availability of individuals who possess the qualifications to do the work required by the position;
(10) Documentation, with appropriate supporting data, of the agency’s experience and, as appropriate, the experience of other organizations, in efforts to recruit or retain exceptionally well-qualified individuals for the position or for a position sufficiently similar with respect to the occupational field, required qualifications, and other pertinent factors, to provide a reliable comparison;
(11) Assessment of why the agency could not, through diligent and comprehensive recruitment efforts and without using the critical position pay authority, fill the position within a reasonable period with an individual who could perform the duties and responsibilities in a manner sufficient to fulfill the agency’s mission. This assessment must include a justification as to why the agency could not, as an effective alternative, use other human resources flexibilities and pay authorities, such as recruitment, relocation, and retention incentives under 5 CFR part 575;
(12) An explanation regarding why the position should be designated a critical position and made eligible for a higher rate of pay under this part within its organizational context (i.e., relative to other positions in the organization) and, when applicable, how it compares with other critical positions in the agency. The agency must include an explanation of how it will deal with perceived inequities among agency employees (e.g., situations in which employees in positions designated as critical would receive higher rates of pay than their peers, supervisors, or other employees in positions with higher-level duties and responsibilities);
(13) Documentation of the effect on the successful accomplishment of important agency missions if the position is not designated as a critical position, including an explanation and justification for OPM and OMB to expedite processing in cases where the agency believes that urgency warrants expedited processing;
(14) Any additional information the agency may deem appropriate to demonstrate that higher pay is needed to recruit or retain an employee for a critical position;
(15) Unless the position is an Executive Schedule position, a copy of the position description and qualification standard for the critical position; and
(16) The desired rate of basic pay for requests to set pay above the rate for level II of the Executive Schedule and justification to show that such a rate is necessary to recruit and retain an individual exceptionally well-qualified for the critical position.
§ 535.105 Setting and adjusting rates of basic pay.
(a) The rate of basic pay for a critical position may not be less than the rate of basic pay, including any locality-based comparability payments established under 5 U.S.C. 5304 or special rate supplement under 5 U.S.C. 5306 or other similar payment or supplement
§ 535.106 Treatment as rate of basic pay.

A critical position pay rate is considered a rate of basic pay for all purposes, including any applicable premium pay, except—

(a) Application of any saved pay or pay retention provisions (e.g., 5 U.S.C. 5363); or

(b) Application of any adverse action provisions (e.g., 5 U.S.C. 7512).

§ 535.107 Annual reporting requirements.

(a) OPM must submit an annual report to Congress on the use of the critical position pay authority. Agencies must submit the following information to OPM by January 31 of each year on their use of critical position pay authority for the previous calendar year:

(1) The name, title, pay plan, and grade/level of each employee receiving a higher rate of basic pay under this subpart;

(2) The annual rate or rates of basic pay paid in the preceding calendar year to each employee in a critical position;

(3) The beginning and ending dates of such rate(s) of basic pay, as applicable;

(4) The rate or rates of basic pay that would have been paid but for the grant of critical position pay. This includes what the rate or rates of basic pay were, or would have been, without critical position pay at the time critical position pay is initially exercised and any subsequent adjustments to basic pay that would have been made if critical position pay authority had not been exercised; and

(5) Whether the authority is still needed for the critical position(s).

536.104 Reasonable offer.
536.105 Comparing grades under different pay systems.

Subpart B—Grade Retention

536.201 Mandatory grade retention.
536.202 Optional grade retention.
536.203 Additional eligibility requirements for grade retention.
536.204 Period of grade retention.
536.205 Applicability of retained grade.
536.206 Determining an employee’s rate of basic pay under grade retention.
Office of Personnel Management

§ 536.102 Purpose.

This part contains OPM regulations for the administration of grade and pay retention. This part supplements and implements the provisions of 5 U.S.C. 5361–5366 and must be read together with those sections of law. Under 5 U.S.C. 5362, an employee under a covered pay system who is placed in a lower grade (e.g., as a result of a reduction in force or when his or her position is reduced in grade as a result of a reclassification) is entitled to retain the grade held immediately before the reduction for a period of 2 years under the circumstances prescribed in this part. Under 5 U.S.C. 5363, an employee whose rate of basic pay otherwise would be reduced as a result of a management action is entitled to retain his or her rate of basic pay under the circumstances prescribed in this part.

§ 536.102 Coverage.

(a) Subject to the exclusions in paragraphs (b) through (e) of this section, this part covers any employee who, at the time this part is applied—

(1) Is in a covered pay system; or

(2) Is moving to a position under a covered pay system from a position not under a covered pay system, as long as the individual was an employee as defined in 5 CFR 536.103 while serving in the position in a noncovered pay system.

(b) An agency may not provide grade or pay retention under this part to an employee who—

(1) Is reduced in grade or pay for personal cause or at the employee’s request;

(2) Was employed on a temporary or term basis immediately before the action causing the reduction in grade or pay;

(3) Does not satisfactorily complete the probationary period prescribed by 5 U.S.C. 3321(a)(2), and, as a result, is removed from a supervisory or managerial position;

(4) Is entitled to receive a saved rate of basic pay under 5 U.S.C. 3594(c) and 5 CFR 359.705 because of removal from the Senior Executive Service and placement in a civil service position (other than a Senior Executive Service position) under 5 U.S.C. 3594(b)(2); or

(5) Moves from an Executive Schedule position paid under 5 U.S.C. chapter 53, subchapter II, or a position whose rate of pay is fixed by law at a rate equal to a rate for the Executive Schedule;

(6) Moves between positions not under a covered pay system or from a position under a covered pay system to a position not under a covered pay system.
§ 536.103 Definitions.

For the purpose of this part:

Authorized agency official means the head of the agency or an official who is authorized to act for the head of the agency in the matter concerned.

Comparison rate means—

(1) For the purpose of comparing grades that are under different covered pay systems under §536.105 and after applying any applicable geographic conversion under §536.105(b) for positions with different official worksites—

(i) The highest rate of basic pay that applies to the fourth step of the grade for a position covered by the General Schedule; and

(ii) The highest rate of basic pay that applies to the second step of the grade of a position under a regular prevailing rate system established under 5 U.S.C. chapter 53, subchapter IV, or in the case of a prevailing rate position with a single rate, the single rate of basic pay for that position; and

(2) For the purpose of comparing grades or levels of work in making reasonable offer determinations when one of the grades or levels of work is not under a covered pay system and after applying any applicable geographic conversion rules under §536.105(b) for positions with different official worksites—

(i) The maximum payable rate of basic pay that applies to the grade of a position covered by the General Schedule;

(ii) The maximum payable rate of basic pay that applies to the grade of a position under a regular prevailing rate system established under 5 U.S.C. chapter 53, subchapter IV, or in the case of a prevailing rate position with a single rate, the single rate of basic pay for that position; and

(iii) The maximum payable rate of basic pay that applies to the grade or level of work in the case of a position not covered by paragraph (2)(i) or (ii) of this definition. In the case of a position with a single rate under such a schedule, the single rate of basic pay for that position is the comparison rate.

Covered pay system means a covered pay schedule as defined in 5 U.S.C. 5361(5)—i.e., the General Schedule pay system established under 5 U.S.C. chapter 53, subchapter III; a prevailing rate system established under 5 U.S.C. chapter 53, subchapter IV; or a special occupational pay system established under 5 U.S.C. chapter 53, subchapter IX. The various prevailing rate systems under 5 U.S.C. chapter 53, subchapter IV, are considered separate systems if they have separate job grading structures.

Employed on a temporary or term basis means employment under an appointment having a definite time limitation or designated as temporary or term.

Employee has the meaning given that term in 5 U.S.C. 2105, except that employee also includes—

(1) An individual employed by the U.S. Postal Service or the Postal Rate Commission who would be considered an employee under 5 U.S.C. 2105 but for the exclusion in section 2105(e); and

(2) An individual employed by a Department of Defense or Coast Guard nonappropriated fund instrumentality (as described in 5 U.S.C. 2105(c)) who is moved without a break in service of
more than 3 days from employment in such an instrumentality to a position under a covered pay system in the same agency.

General Schedule or GS means the classification and pay system established under 5 U.S.C. chapter 51 and subchapter III of chapter 53. This term also refers to the pay schedule established under 5 U.S.C. 5332.

Highest applicable rate range means the rate range applicable to an employee based on a given position of record and official worksite that provides the highest rates of basic pay, excluding any retained rates. For example, a rate range of special rates under 5 U.S.C. 5305 may exceed an applicable locality rate range under 5 U.S.C. 5304 for General Schedule employees. In certain circumstances, the highest applicable rate range may consist of two types of pay rates from different pay schedules—e.g., a range where special rates are higher in the lower portion of the range and locality rates are higher in the higher portion of the range.

Management action means an action (not for personal cause) by an agency official not initiated or requested by an employee which may adversely affect the employee’s grade or rate of basic pay. However, an employee’s placement in or transfer to a position under a formal employee development program established by an agency for recruitment and employee advancement purposes (e.g., Recent Graduates Program) is considered a management action even though the employee initiates or requests such placement or transfer.

Official worksite means the official location of the employee’s position of record as determined under the rules of the applicable pay system (e.g., 5 CFR 531.605 for General Schedule employees). Official worksite is synonymous with the term “official duty station” as used in 5 U.S.C. 5363(c).

OPM means the Office of Personnel Management.

Payable rate means the highest rate of basic pay to which an employee is entitled based on the employee’s position of record, official worksite, and step (or relative position in range for a GM employee) or, if applicable, a retained rate.

Pay schedule means a set of rate ranges established under a single authority—i.e., the General Schedule, a law enforcement officer special base rate schedule (for grades GS–3 through 10) under section 403 of FEPCA; a prevailing rate schedule (including a special schedule or special rate schedule) under 5 U.S.C. chapter 53, subchapter IV; a locality rate schedule under 5 U.S.C. 5304 based on GS rates; a locality rate schedule under 5 U.S.C. 5304 based on law enforcement officer special base rates (for grades GS–3 through 10); or a special rate schedule under 5 U.S.C. 5305 or similar authority. A pay schedule applies to or covers a defined category of employees based on established coverage conditions (e.g., official worksite, occupation). A pay schedule is considered to apply to or cover an employee who meets the established coverage conditions even when a rate under that schedule is not currently payable to the employee because of a higher pay entitlement under another pay schedule.

Position of record means an employee’s official position (defined by grade, occupational series, employing agency, LEO status, and any other condition that determines coverage under a pay schedule (other than official worksite)), as documented on the employee’s most recent Notification of Personnel Action (Standard Form 50 or equivalent) and current position description. A position to which an employee is temporarily detailed is not documented as a position of record. For an employee whose change in official position is followed within 3 workdays by a reduction in force resulting in the employee’s separation before he or she is required to report for duty in the new position, the position of record in effect immediately before the position change is deemed to remain the position of record through the date of separation.

Prevailing rate employee has the meaning given that term in 5 U.S.C. 5342(a)(2) and refers to an employee in a position covered by a prevailing rate system or schedule established under 5 U.S.C. chapter 53, subchapter IV.
§ 536.104 Reasonable offer.

(a) For the purpose of determining whether grade retention eligibility or entitlement must be terminated under §536.207 or 536.208, the offer of a position is a reasonable offer if the position's grade is equal to or higher than the retained grade and if all the conditions in paragraph (c) of this section are met. If the offered position is in a different pay system, §536.105 must be applied to determine whether the grade of the offered position is equal to or greater than the retained grade.

(b) For the purpose of determining whether pay retention eligibility or entitlement must be terminated under §536.308, the offer of a position is a reasonable offer if the employee's rate of basic pay in the position would be equal to or greater than the rate to which the employee is or would be entitled under the pay retention provisions and if all the conditions in paragraph (c) of this section are met.

(c) An offer of a position must meet the following additional conditions to qualify as a reasonable offer:

(1) The offer must be in writing and must include an official position description of the offered position;

(2) The offer must inform the employee that entitlement to grade or pay retention will terminate if the offer is declined and that the employee
may appeal the reasonableness of the offer as provided in §536.402;

(3) The offered position must be of equal or greater tenure than the employee’s position before the action resulting in the grade or pay retention entitlement;

(4) The offered position must be full-time, unless the employee’s position immediately before the action resulting in entitlement to grade or pay retention was less than full-time, in which case the offered position must have a work schedule providing for no fewer hours of work per week or per pay period than the position held before the action; and

(5) The offered position must be in the same commuting area as the employee’s position immediately before the offer, unless the employee is subject to a mobility agreement or a published agency policy that requires employee mobility.

§ 536.105 Comparing grades under different pay systems.

(a) General. An agency must compare the comparison rates (as defined in §536.103) of the applicable grades to determine whether a grade of a position is equal to, higher than, or lower than the grade of another position when—

(1) Determining eligibility for grade retention upon movement from a position under a covered pay system to a lower-graded position under a different covered pay system (including determinations under §536.203 that involve different covered pay systems);

(2) Determining whether grade retention eligibility is lost or grade retention is terminated when an employee is placed in a lower-graded position under a different covered pay system and the action is taken for personal cause or at the employee’s request;

(3) Determining whether grade retention eligibility is lost or grade retention is terminated based on movement to a position under a different covered pay system with an equal or higher grade;

(4) Determining whether grade retention eligibility is lost or grade retention is terminated based on declination of a reasonable offer of a position under a different pay system with an equal or higher grade; and

(5) Determining whether pay retention eligibility is lost or a retained rate is terminated when an employee is placed in a lower-graded position under a different covered pay system and the action is taken for personal cause or at the employee’s request.

(b) Geographic conversion. When comparing positions under paragraph (a) of this section which are stationed in different geographic locations where different pay schedules apply, the comparison rate of the employee’s existing position of record (as in effect before the movement to a position in a different pay system) must be determined as if the official worksite of that position of record were the same as the official worksite of the new or offered position of record. Geographic conversion is not necessary for the purpose of comparing grades if an employee is being moved to (or given a reasonable offer of) a position under the same covered pay system (i.e., same grading structure).

Subpart B—Grade Retention

SOURCE: 70 FR 31305, May 31, 2005, unless otherwise noted.

§ 536.201 Mandatory grade retention.

(a) Subject to the requirements in this section and in §§536.102 and 536.203, an agency must provide grade retention to an employee who moves from a position under a covered pay system to a lower-graded position under a covered pay system as a result of—

(1) Reduction in force procedures, or

(2) A reclassification process.

(b) An agency must apply §536.105 in determining whether a position under a different covered pay system is a lower-graded position.

(c) An employee’s movement to a lower-graded position is considered to be the result of reduction in force procedures when the employee has received a specific reduction in force notice and—

(1) The employee is placed in the position offered in the notice; or
§ 536.202 Optional grade retention.

(a) Subject to the requirements in §§536.102 and 536.203, an authorized agency official may provide grade retention to an employee moving from a position under a covered pay system to a lower-graded position under a covered pay system when—

(1) Management announces a reorganization or reclassification decision in writing (including a general notice or a specific notice) that may or would affect the employee; and

(2) The employee moves to a lower-graded position (either at the employee’s initiative or in response to a management-initiated offer) on or before the date the announced reorganization or reclassification is effected.

(b) An agency must apply §536.105 in determining whether a position under a different covered pay system is a lower-graded position.

(c) When an employee is offered a position with grade retention under this section in anticipation of a reduction in grade, the agency must inform the employee in writing that acceptance of the position is not required and that declination of the offer will not affect the employee’s entitlement to grade retention under §536.201 if the agency actually moves the employee to the lower-graded position.

(d) Eligibility for grade retention under §536.201(a)(1) only if the employee has served for at least 52 consecutive weeks in one or more positions under a covered pay system at one or more grades higher than that lower grade. Such service is deemed to include service performed by an employee of a nonappropriated fund instrumentality of the Department of Defense or the Coast Guard (as defined in 5 U.S.C. 2105(c)) who is moved to a position in the civil service employment system of the Department of Defense or the Coast Guard, respectively, without a break in service of more than 3 days.

§ 536.203 Additional eligibility requirements for grade retention.

(a) An employee is eligible for grade retention under §536.201(a)(1) only if the employee has served for at least 52 consecutive weeks in one or more positions under a covered pay system at one or more grades higher than the grade of the position in which the employee is being placed. Such service is deemed to include service performed by an employee of a nonappropriated fund instrumentality of the Department of Defense or the Coast Guard (as defined in 5 U.S.C. 2105(c)) who is moved to a position in the civil service employment system of the Department of Defense or the Coast Guard, respectively, without a break in service of more than 3 days.

(b) An employee is eligible for grade retention under §536.201(a)(2) based on a reclassification of his or her position only if, immediately before the reduction in grade, that position was classified at the existing grade or a higher grade for a continuous period of at least 1 year.

(c) An employee is eligible for grade retention under §536.202 only if, immediately before being placed in the lower grade, the employee has served for at least 52 consecutive weeks in one or more positions under a covered pay system at one or more grades higher than that lower grade. Such service is deemed to include service performed by an employee of a nonappropriated fund instrumentality of the Department of Defense or the Coast Guard (as defined in 5 U.S.C. 2105(c)) who is moved to a position in the civil service employment system of the Department of Defense or the Coast Guard, respectively, without a break in service of more than 3 days.

(d) Eligibility for grade retention under §536.201 or §536.202 ceases under the conditions specified in §536.207.

§ 536.204 Period of grade retention.

(a) Unless grade retention is terminated under §536.208, an employee is
§ 536.205 Applicability of retained grade.

(a) Except as provided in paragraph (b) of this section, an agency must treat an employee’s retained grade as the employee’s grade for all purposes, including pay and pay administration, premium pay, retirement, life insurance, and eligibility for training. If the employee’s actual position of record is under a different covered pay system than the covered pay system associated with the retained grade, the agency also must treat the employee as being under the covered pay system associated with the retained grade for the same purposes.

(b) An agency may not use an employee’s retained grade—

(1) In any reduction in force procedure;

(2) To determine whether an employee has been reduced in grade for the purpose of terminating grade or pay retention (i.e., based on personal cause or at the employee’s request);

(3) To determine whether an employee retains status as a GM employee (as defined in 5 CFR 531.203); or

(4) To determine whether an employee is exempt or nonexempt from the Fair Labor Standards Act of 1938, as amended.

§ 536.206 Determining an employee’s rate of basic pay under grade retention.

(a) General. (1) When an employee becomes entitled to grade retention or becomes covered by one or more different pay schedules (because of a change in the employee’s position of record, a change in the employee’s official worksite, or the establishment of a new pay schedule) during a period of grade retention, the agency must apply the rules in this section to determine the employee’s rate of basic pay.

(2) This section does not apply to an employee whose entitlement to grade retention is terminated under one of the conditions in §536.208. (See §536.208(d).)

(b) Preexisting rate within a range. If an employee is entitled to a rate of basic pay within the applicable range immediately before the action resulting in application of this section, the employee is entitled to the rate(s) of basic pay in the applicable pay schedule(s) for the employee’s position of record after the action (including the retained grade) which correspond to the employee’s grade and step (or relative position in range for a GM employee) immediately before the action. The employee’s payable rate is the corresponding rate in the highest applicable rate range for the employee’s position of record after the action (including the retained grade). If an employee’s rate of basic pay otherwise would be reduced because of placement under a lower-paying pay schedule (excluding any reduction that results from a geographic conversion), the employee would be eligible for pay retention under subpart C of this part to the same extent as other employees holding the same position of record whose actual grade is the same as the employee’s retained grade.

(c) Preexisting retained or saved rate. (1) If an employee is entitled to a retained rate immediately before the action resulting in application of this section, the agency must determine the employee’s payable rate of basic pay under §§536.303 and 536.304.
§ 536.207 Loss of eligibility for grade retention.

(a) Eligibility for grade retention as a result of an entitlement under §536.201 ceases if any of the following conditions occurs after the employee receives written notice of the reduction in grade, but before the commencement of the 2-year period of grade retention:

(1) The employee has a break in service of 1 workday or more;

(2) The employee is reduced in grade for personal cause or at the employee's request (based on the actual grade of the employee's position rather than the employee's retained grade and, when a movement to a different covered pay system is involved, a comparison of comparison rates under §536.105);

(3) The employee moves to a position under a covered pay system with a grade that is equal to or higher than the retained grade and, when a movement to a different covered pay system is involved, a comparison of comparison rates under §536.105;

(4) The employee declines a reasonable offer of a position with a grade equal to or higher than the retained grade (as determined under §§536.104 and 536.105);

(5) The employee elects in writing to terminate the benefits of grade retention; or

(6) The employee moves to a position not under a covered pay system.

(b) Eligibility for grade retention as a result of entitlement under §536.202 ceases if any of the following conditions occurs at any time after management informs the employee of an impending reorganization or reclassification that will or could result in a reduction in grade, but before the commencement of the 2-year period of grade retention:

(1) Any of the conditions listed in paragraph (a) of this section except that an employee's request for placement in a lower-graded position, in lieu of displacing another employee at his or her grade under reduction in force procedures, is not a declination of a reasonable offer for grade retention purposes; or

(2) The employee fails to enroll in, or to comply with reasonable written requirements established to assure full consideration under, a program providing priority consideration for placement.

(c) If an employee loses eligibility for grade retention under this section, the employee's rate of basic pay must be set in accordance with the pay-setting rules and pay rates applicable to the employee's position of record (e.g., 5 CFR part 531, subpart B, for GS positions). An employee is not eligible for pay retention under subpart C of this part based on an action that provided eligibility for grade retention if the employee elects to terminate eligibility for grade retention under paragraph (a)(5) or (b) of this section.

[70 FR 31305, May 31, 2005, as amended at 73 FR 66155, Nov. 7, 2008]

§ 536.208 Termination of grade retention.

(a) Grade retention under §536.201 terminates if any of the conditions listed in §536.207(a) occurs after commencement of the 2-year period of grade retention.

(b) Grade retention under §536.202 terminates if any of the conditions listed in §536.207(b) occurs after the commencement of the 2-year period of grade retention.

(c) Termination of grade retention benefits takes effect—

(1) At the end of the day before separation from service if termination is the result of a break in service;

(2) At the end of the day before placement if the termination is the result of
the employee’s placement in another position; or
(3) At the end of the last day of the pay period in which the employee—
   (i) Declines a reasonable offer;
   (ii) Elects to terminate grade retention benefits (except that, if an
        employee’s election specifically provides that the termination
        will take effect at the end of a later pay period, the election
        is considered to be made effective on the last day of that later pay
        period for the purpose of applying this paragraph); or
   (iii) Fails to enroll in, or comply with reasonable written requirements
        established to assure full consideration under, a program providing
        priority consideration for placement.
(d) If an employee’s entitlement to grade retention terminates under this
   section, the employee’s rate of basic pay must be set in accordance with
   the pay-setting rules and pay rates applicable to the employee’s position of
   record (e.g., 5 CFR part 531, subpart B, for GS positions). An employee is not
   entitled to pay retention under subpart C of this part based on a reduction in
   basic pay resulting from waiver of the employee’s grade retention entitlement
   under paragraph (a)(5) or (b) of §536.207.

Subpart C—Pay Retention

Source: 70 FR 31310, May 31, 2005, unless otherwise noted.

§536.301 Mandatory pay retention.

(a) Subject to the requirements in §536.102 and this section, an agency
must provide pay retention to an employee who moves between positions
under a covered pay system or from a position not under a covered pay sys-
tem to a position under a covered pay system and whose payable rate of basic
pay otherwise would be reduced (after application of any applicable geo-
graphic conversion under §536.303(a)) as a result of—
(1) The expiration of the 2-year period of grade retention under subpart B
   of this part;
(2) A reduction in force or reclassification action that places an employee
   in a lower-graded position when the employee does not meet the eligibility
   requirements for grade retention under subpart B of this part;
(3) A management action that places an employee in a non-special rate posi-
tion or in a lower-paid special rate position from a special rate position;
(4) A management action that places an employee under a different pay
   schedule;
(5) A management action that places an employee in a formal employee de-
   velopment program generally utilized Governmentwide (e.g., Recent Grad-
   uates Program); or
(6) A reduction or elimination of scheduled rates, special schedules, or
   special rate schedules, excluding—
   (i) A statutory reduction in scheduled rates of pay under the General
       Schedule, including a reduction authorized under 5 U.S.C. 5303(b); or
   (ii) A statutory reduction in a prevailing rate schedule established under
(b) An agency must establish a retained rate when application of a pro-
motion increase rule for General Schedule or prevailing rate employees
results in a payable rate of basic pay that exceeds the maximum rate of the
highest applicable rate range for the employee’s new position. (See the pro-
motion increase rules in 5 U.S.C. 5334(b) and 5 CFR 531.214 for GS em-
ployees and in 5 CFR 532.407 for prevailing rate employees—in particular,
the special provisions in these promotion increase rules on establishing a re-
tained rate equal to an employee’s existing rate when that existing rate
exceeds the applicable range maximum.) Once established, such a re-
tained rate is governed by the provisions of this subpart.
(c) If an employee’s official worksite changes in conjunction with an action
that may entitle the employee to pay retention under paragraph (a) of this
section, the agency must apply the geographic conversion rule in §536.303(a)
before determining whether an employee’s rate of basic pay otherwise
would be reduced.
(d) An employee is considered “placed” under paragraph (a)(2), (3), (4),
and (5) of this section only when the
§ 536.302 Optional pay retention.

(a) Subject to the requirements in §536.102 and this section, an authorized agency official may provide pay retention to an employee not entitled to pay retention under §536.301, but whose payable rate of basic pay otherwise would be reduced (after application of any applicable geographic conversion under §536.303(a)) as the result of a management action. This includes a management action to move an employee’s position, without a break in service of more than 3 days, from a Department of Defense or Coast Guard nonappropriated fund instrumentality (as defined in 5 U.S.C. 2105(c)) to a position under a covered pay system in the same agency.

(b) If an employee’s official worksite changes in conjunction with an action that may entitle the employee to pay retention under §536.301, but whose payable rate of basic pay otherwise would be reduced (after application of any applicable geographic conversion under §536.303(a)) as the result of a management action, this includes a geographic conversion at time of action that may provide initial entitlement to pay retention.

(c) The agency must apply the geographic conversion rule in §536.303(a) before determining whether an employee’s rate of basic pay otherwise would be reduced.

(d) Eligibility for pay retention under this section ceases under the conditions specified in §536.308.

§ 536.303 Geographic conversion.

(a) Geographic conversion at time of action that may provide initial entitlement to pay retention. If, in conjunction with a pay action that may entitle the employee to pay retention under §§536.301 or 536.302, an employee’s official worksite is changed to a new location where different pay schedules apply, the agency must convert the employee’s rate(s) of basic pay to the applicable pay schedule(s) in the new location before applying the pay retention rules in this subpart or any other simultaneous pay action (other than a general pay adjustment). The agency must identify the highest applicable rate range that would apply to the employee’s position of record before the pay action as if that position were stationed at the new official worksite and determine the employee’s converted payable rate of basic pay based on the step (or relative position in range for a GM employee) in that range that corresponds to the employee’s step (or relative position in range for a GM employee) before the pay action. A reduction in an employee’s payable rate of basic pay resulting from this geographic conversion is not a basis for entitlement to pay retention. The pay retention rules in this subpart must be applied as if the employee’s payable rate of basic pay after geographic conversion is the employee’s existing payable rate of basic pay in effect immediately before the action.

(b) Geographic conversion when a retained rate employee’s official worksite is changed. When an employee is receiving a retained rate and the employee’s official worksite is changed to a new location where different pay schedules apply, the agency must apply the following rules (after applying any simultaneous general pay adjustment under §536.305) to derive the converted retained rate that will be used as the existing retained rate in determining the employee’s pay retention entitlement in the new position of record and at the new official worksite:

(1) Identify the maximum rate for the highest applicable rate range that applies to the employee’s former position of record based on the former official worksite;

(2) Identify the maximum rate for the highest applicable rate range that would apply to the employee’s former position of record if the employee were stationed at the official worksite for the new position of record;

(3) Divide the maximum rate identified in paragraph (b)(2) of this section by the maximum rate identified in paragraph (b)(1) of this section and

§ 536.304 Determining an employee’s pay retention entitlement.

(a) General. (1) When an employee becomes entitled to pay retention under §536.301 or 536.302 or undergoes a change in his or her position of record or pay schedule while receiving a retained rate (when the terminating conditions for pay retention under §536.308 do not apply), the agency must determine the employee’s pay retention entitlement following the rules in this section.

(2) Any general pay adjustment (including a retained rate adjustment under §536.305) that takes effect on the same date as an action described in paragraph (a)(1) of this section must be processed first, before any other pay action and before applying the rules in paragraphs (a)(3), (a)(4), (b), or (c) of this section, as applicable.

(3) If the location of an employee’s official worksite changes in conjunction with an action that may provide initial entitlement to pay retention, the agency must apply the geographic conversion rule under §536.303(a) before applying the rules in paragraph (b) of this section. The converted rate of basic pay must be treated as the employee’s existing payable rate of basic pay in applying those rules.

(4) If the location of an employee’s official worksite changes while he or she is receiving a retained rate, the agency must apply the geographic conversion rule under §536.303(b) before applying the rules in paragraph (c) of this section. The converted retained rate must be treated as the employee’s existing retained rate in applying those rules.

(5) When an employee’s pay retention entitlement is established or redetermined under this section on the same effective date as other pay actions that affect an employee’s rate of basic pay, the actions must be processed in the order prescribed under the rules governing the covered pay system of the employee’s position of record (e.g., 5 CFR 531.206 for GS positions and 5 CFR 532.413 for Federal Wage System positions).

(6) In applying this section, an agency must convert an employee’s existing annual rate of pay to an hourly rate of pay if the employee’s new position is under a pay system that uses only hourly rates. An agency must convert an employee’s existing hourly rate of pay to an annual rate of pay if the employee’s new position is under a pay system that uses annual rates of pay.

(b) Determining initial pay retention entitlement. When an employee becomes entitled to pay retention under §536.301 or 536.302, the agency must determine the employee’s pay retention entitlement under the following rules (subject to the requirements in paragraph (a) of this section):

(1) If an employee’s existing payable rate of basic pay is less than or equal to the maximum rate of the highest applicable rate range for the grade of the employee’s position of record immediately after the event causing the pay retention entitlement, the employee is entitled to the lowest rate of basic pay in such rate range that equals or exceeds the employee’s existing payable rate of basic pay. If an employee’s payable rate of basic pay is set at or below the maximum rate of the highest applicable rate range, pay retention under this subpart ceases to apply to the employee.

(2) If the employee’s existing payable rate of basic pay is greater than the maximum rate of the highest applicable rate range for the grade of the employee’s position immediately after the event causing the pay retention entitlement, the employee is entitled to a retained rate equal to the employee’s existing payable rate of basic pay, subject to the limitations in paragraph (b)(3) of this section.

(3) A newly established retained rate may not exceed—
§ 536.305 Adjusting an employee’s retained rate when a pay schedule is adjusted.

(a)(1) Except as otherwise provided in this section, when the maximum rate of the highest applicable rate range for an employee’s position of record is increased while the employee is receiving a retained rate, the employee is entitled to 50 percent of the amount of the increase in that maximum rate, subject to the maximum rate limitation in §536.306. This 50-percent adjustment rule applies only when the maximum
rate increases are attributable to the adjustment of the employee's existing pay schedule or the establishment of a new pay schedule that covers the employee's existing position of record.

(2) As provided in 5 CFR 531.206, a retained rate adjustment under paragraph (a)(1) of this section is a general pay adjustment that must be applied before any geographic conversion under §536.303(b) or any other simultaneous pay action. The retained rate adjustment under paragraph (a)(1) of this section must be determined based on the employee's position of record and official worksite as in effect immediately before the effective date of the adjustment.

(3) Consistent with 5 U.S.C. 5363(c), a change in the maximum rate of the highest applicable rate range based on a change in the employee's official worksite is not considered in applying paragraph (a)(1) of this section. The employee's new retained rate must be determined under the geographic conversion rule in §536.303(b).

(4) Paragraph (a)(1) of this section does not apply to an increase in an employee's highest applicable rate range that results from a change in the employee's position of record. Such an increase is not attributable to an adjustment in the pay schedule applicable to the employee's position and thus is not an increase as described in 5 U.S.C. 5363(b)(2)(B).

(b) When a pay schedule adjustment causes an employee's retained rate (after any adjustment under this section) to become equal to or lower than the maximum rate of the highest applicable rate range for the grade of the employee's position, the employee is entitled to the maximum rate of the highest applicable rate range, and pay retention ceases to apply.

§536.306 Limitation on retained rates.

(a) A retained rate may not at any time exceed the rate payable for level IV of the Executive Schedule.

(b) When an employee's retained rate is limited under this section, an agency may not apply this subpart or the provisions of any other law or regulation to the rate of basic pay the employee would have received but for this limitation.

§536.307 Treatment of a retained rate as basic pay for other purposes.

(a) A retained rate is considered to be an employee's rate of basic pay for the purpose of computing or applying—

(1) Retirement deductions, contributions, and benefits under 5 U.S.C. chapters 83 and 84;

(2) Life insurance premiums and benefits under 5 U.S.C. chapter 87;

(3) Premium pay under 5 U.S.C. chapter 55, subchapter V, and 5 CFR part 532 and part 550, subparts A and I;

(4) Severance pay under 5 U.S.C. 5595 and 5 CFR part 550, subpart G;

(6) Nonforeign area cost-of-living allowances and post differentials under 5 U.S.C. 5941(a) and 5 CFR part 591, subpart B;

(7) Lump-sum payments for accumulated and annual leave under 5 CFR part 550, subpart L;

(8) General Schedule pay administration provisions (e.g., promotion increases) to the extent provided in 5 CFR part 531, subpart B;

(9) Pay administration provisions for prevailing rate employees to the extent provided in 5 CFR part 532;

(10) Adverse action provisions in 5 CFR part 752;

(11) Other provisions as specified in other statutes or regulations; and

(12) Payments and benefits equivalent to those listed in this section under other legal authorities, as determined by the head of the agency or other authorized official responsible for administering such payments or benefits.

(b) For the purpose of applying other laws and regulations not listed in paragraph (a) of this section to an employee receiving a retained rate, the employee's rate of basic pay is deemed to be the applicable maximum rate of basic pay for the employee's position of record (e.g., the maximum rate of basic pay for a locality rate range or special rate range, as applicable, for the purpose of computing a percentage-based award under 5 CFR 451.104(g)).

[70 FR 31310, May 31, 2005, as amended at 73 FR 66156, Nov. 7, 2008]
§ 536.308 Loss of eligibility for or termination of pay retention.

(a) Eligibility for pay retention ceases if any of the following conditions occurs at any time after the employee has received written notification that the employee’s pay will be reduced, and entitlement to pay retention terminates if any of the following conditions occurs after the commencement of pay retention:

(1) The employee has a break in service of 1 workday or more;
(2) The employee is entitled to a rate of basic pay under a covered pay system which is equal to or greater than the employee’s retained rate (after applying any applicable geographic conversion under paragraph (b) of this section), except that entitlement to a retained rate will not be terminated based on entitlement to an equal or higher rate of basic pay during a temporary promotion or temporary reassignment but will be held in abeyance during that temporary period.
(3) The employee declines a reasonable offer (as determined under § 536.104) of a position in which the employee’s rate of basic pay would be equal to or greater than the employee’s retained rate (after applying any applicable geographic conversion under paragraph (b) of this section);
(4) The employee is reduced in grade for personal cause or at the employee’s request (based on the actual grade of the employee’s position rather than the employee’s retained grade and, when a movement to a different covered pay system is involved, a comparison of rates under § 536.105); or
(5) The employee moves to a position not under a covered pay system.

(b) When the rate comparison required by paragraph (a)(2) or (3) of this section involves a new or offered position that is located in a different geographic area where different pay schedules would apply to the employee’s existing position of record, the agency must convert the employee’s existing retained rate using the geographic conversion rules in § 536.303(b) before making the rate comparison. The converted retained rate must be compared to the payable rate of basic pay for the new or offered position in determining whether the rate of basic pay for an offered position is equal to or higher than the employee’s retained rate.

(c) Termination of pay retention benefits takes effect—

(1) At the end of the day before separation from service if termination is the result of a break in service;
(2) At the end of the day before the employee becomes entitled to an equal or greater rate as described in paragraph (a)(2) of this section;
(3) At the end of the day before placement or movement if the termination is the result of the employee’s placement in or movement to another position; or
(4) At the end of the last day of the pay period in which the employee declines a reasonable offer.

(d) If an employee’s eligibility for pay retention ceases or entitlement to pay retention terminates under this section, the employee’s rate of basic pay must be set using the pay-setting rules applicable to the employee’s position of record (e.g., 5 CFR part 531, subpart B, for GS positions). However, when an employee’s retained rate is terminated under paragraph (a)(2) or (3) of this section and the employee’s grade is unchanged, the employee’s payable rate of basic pay may not be set below the maximum rate of the highest applicable rate range.

(70 FR 31310, May 31, 2005, as amended at 73 FR 66156, Nov. 7, 2008)

§ 536.309 Converting retained rates on May 1, 2005.

(a) Consistent with section 301(d)(2) of Public Law 108–411, an agency must convert an employee’s retained rate or similar rate, as described in paragraph (b) of this section, to a retained rate under this subpart on May 1, 2005. The new retained rate must equal the retained rate in effect on April 30, 2005, as adjusted to include any applicable locality payment under 5 U.S.C. 5304 or similar provision of law.

(b) This section applies to an employee under a covered pay system who, on April 30, 2005, was receiving—

(1) A retained rate under 5 U.S.C. 5363;
(2) A rate paid under the authority of 5 U.S.C. 5334(b) or 5 U.S.C. 5362 which was greater than the maximum rate of

§ 536.401 Placement and classification plans.

(a) Agencies which employ individuals subject to this part are required to establish in writing placement and classification plans.

(b) The placement and classification plans must commit the agency to:

(1) Identify and correct classification errors; and

(2) Correct position management problems; and

(3) Carry out specific planned efforts to place employees subject to this part; and

(4) Pursue placement efforts that do not adversely affect affirmative action goals.

§ 536.402 Appeal of termination of benefits because of reasonable offer.

(a) Except as provided for in paragraph (e) of this section, an employee whose grade or pay retention benefits are terminated on the grounds the employee declined a reasonable offer of a position the grade or pay of which is equal to or greater than his or her retained grade or pay may appeal the termination to the Office of Personnel Management.

(b) An employee who appeals under this section shall file the appeal in writing with the Office of Personnel Management not later than 20 calendar days after being notified that his or her retained grade or pay may be appealed the termination to the Office of Personnel Management.

(c) The Office of Personnel Management may conduct any investigation or hearing it determines necessary to ascertain the facts of the case.

(d) If a decision by the Office of Personnel Management on an appeal under this section requires corrective action by an agency, including the retroactive or prospective restoration of grade or pay retention benefits, the agency shall take that corrective action.

(e) Termination of benefits based on a declination of a reasonable offer by an employee in an exclusively recognized bargaining unit may be reviewed.
under the negotiated grievance and arbitration procedures in accordance with chapter 71 of title 5, United States Code, and the terms of any applicable collective bargaining agreement. An employee in an exclusively recognized bargaining unit may not appeal a termination of benefits to the Office of Personnel Management if the grievance procedure of the agreement by which he or she is covered provides for this review.

(f) Decisions issued by the Office of Personnel Management shall be considered final decisions. OPM may, at its discretion, reconsider an original appeal decision when new and material information is presented, in writing, by the employee or the agency, which establishes a reasonable doubt as to the appropriateness of the original decision. The request must show that the information was not readily available when the decision was issued. A request for reconsideration of an original appeal decision must be submitted to OPM within 30 calendar days of the date of the original decision.

§ 536.403 Documentation.

The application of the provisions of this part shall be documented in writing as a permanent part of the employee’s Official Personnel Folder. As a minimum this documentation will include a copy of the letter described in §536.404.

§ 536.404 Issuance of employee letters.

When an employee is entitled to grade and/or pay retention, the employing agency shall give to the employee, with a copy of the Notification of Personnel Action (SF-50) documenting entitlement to grade and/or pay retention, a letter describing the circumstances warranting grade and/or pay retention, and the nature of that entitlement.

§ 537.101 Purpose.

This part implements 5 U.S.C. 5379, which authorizes agencies to establish a student loan repayment program for the purpose of recruiting or retaining highly qualified personnel. Under such a program, an agency may agree to repay (by direct payment to the loan holder on behalf of the employee) all or part of any outstanding qualifying student loan or loans previously taken out by a job candidate to whom an offer of employment has been made, or by a current employee of the agency.

§ 537.102 Definitions.

The definitions in this section apply only to part 537. In this part:

Agency has the meaning given that term in subparagraphs (A) through (E) of 5 U.S.C. 4101(1).

Authorized agency official means the head of an Executive agency or an official who is authorized to act for the head of the agency in the matter concerned.

Employee means an employee of an agency who satisfies the definition of the term in 5 U.S.C. 2105.

Loan payment means the net payment made by an agency to the holder of a student loan (after deducting any tax withholdings that may be made from the gross student loan repayment benefit credited to the employee).

Service agreement means a written agreement between an agency and an employee (or job candidate) under which the employee (or job candidate) agrees to a specified period of service in exchange for student loan repayment benefits, subject to the conditions set forth under this part.

Student loan repayment benefit means the benefit provided to an employee under this part in which an agency repays (by a direct payment on behalf of the employee) a qualifying student loan as described in §537.106(b) previously taken out by such employee. The dollar value of this benefit is the gross amount credited to the employee at the time of a loan payment to the holder of the student loan, before deducting any employee tax withholdings from that gross amount as described in §537.106(a)(6)(iii). A student loan repayment benefit is not considered basic pay for any purpose.

Time-limited appointment means a non-permanent appointment including—

(1) A temporary appointment under 5 CFR part 316, subpart D, or similar authority;
(2) A term appointment under 5 CFR part 316, subpart C, or similar authority;
(3) An overseas limited appointment with a time limitation under 5 CFR part 301, subpart B;
(4) A limited term or limited emergency appointment in the Senior Executive Service, as defined in 5 U.S.C. 3132(a), or an equivalent appointment made for similar purposes;
(5) A Veterans Recruitment Appointment under 5 CFR part 307;
(6) A Presidential Management Fellows Program appointment under §213.3402(c) of this chapter;
(7) A Recent Graduates Program appointment under §213.3402(b) of this chapter; and
(8) An appointment under the fellowship and similar programs authority at 5 CFR 213.3102(r).

§ 537.103 Agency student loan repayment plans.

Before providing student loan repayment benefits under this part, an agency must establish a student loan repayment plan. This plan must include the following elements:

(a) The designation of officials with authority to review and approve offering student loan repayment benefits (which may parallel the approval delegations used for other recruitment, relocation, and retention incentives);
§ 537.104 Employee eligibility.

(a) Subject to the conditions in 5 U.S.C. 5379 and this part, an authorized agency official may approve student loan repayment benefits to recruit a highly qualified job candidate or retain a highly qualified employee who, during the service period established under a service agreement (consistent with § 537.107), will be serving under—

(1) An appointment other than a time-limited appointment; or

(2) A time-limited appointment if—

(i) The employee (or job candidate) will have at least 3 years remaining under the appointment after the beginning of the service period established under a service agreement; or

(ii) The time-limited appointment authority leads to conversion to another appointment of sufficient duration so that his or her employment with the agency is projected to last for at least 3 additional years after the beginning of the service period established under a service agreement.

(b) An employee occupying a position that is excepted from the competitive service because of its confidential, policy-determining, policy-making, or policy-advocating character is ineligible for student loan repayment benefits.

(c) An employee becomes ineligible for student loan repayment benefits under the conditions described in § 537.108.

§ 537.105 Criteria for payment.

(a) General criteria. Before authorizing student loan repayment benefits for an employee (or job candidate), an agency must make a written determination that—

(1) The employee (or job candidate) is highly qualified and otherwise eligible (as described in § 537.104); and

(2) (i) In a case where the authorization is granted to recruit a job candidate to fill an agency position, the agency otherwise would encounter difficulty in filling a position with a highly qualified individual; or

(ii) In a case where the authorization is granted to retain a current employee of the agency, the employee otherwise is likely to leave the agency for employment outside the Federal service and it is essential to retain the employee based on the employee’s high or unique qualifications or a special need of the agency.

(b) Retention considerations. In making a determination under paragraph (a)(2)(ii) of this section, an agency must consider the extent to which the employee’s departure would affect the agency’s ability to carry out an activity or perform a function that is deemed essential to its mission.

(c) Current Federal employees. An agency may not authorize student loan repayment benefits to recruit an individual from outside the agency who is currently employed in the Federal service.

(d) Selection. When selecting employees (or job candidates) to receive student loan repayment benefits, agencies must ensure that benefits are awarded without regard to race, color, religion, sex (including pregnancy and gender identity), national origin, age (as defined by the Age Discrimination in Employment Act of 1967, as amended), disability, genetic information (including
§ 537.106 Conditions and procedures for providing student loan repayment benefits.

(a) General conditions.

(1) Student loan repayment benefits may be provided at the discretion of the agency and are subject to such terms, limitations, or conditions as may be mutually agreed to in writing by the agency and the employee (or job candidate) as part of a service agreement under § 537.107.

(2) The student loan to be repaid must be a qualifying student loan as set forth in paragraph (b) of this section.

(3) The agency must document in writing each approval of student loan repayment benefits. An authorized agency official must review and approve each written determination. The written determination must show the employee (or job candidate) meets the criteria specified in § 537.105.

(4) An authorized agency official must approve student loan repayment benefits in connection with a recruitment action before the job candidate actually enters on duty in the position for which he or she was recruited. The agency and the job candidate may sign the service agreement consistent with § 537.107 before the job candidate begins serving in the position, but the agency may not begin making loan payments until the job candidate begins serving in the position.

(5) Student loan repayment benefits are in addition to basic pay and any other form of compensation otherwise payable to the employee involved.

(6) Appropriate tax withholdings must be deducted or applied at the time any payment is made. Since these tax implications could create a financial hardship for the recipient of the student loan repayment benefit, agencies may lessen the impact of tax withholdings on an employee’s paycheck in one of the following ways:

(i) Make smaller payments at periodic intervals throughout the year, rather than issue payments under this part in one lump sum:

(ii) Allow the employee to write a check to the agency to cover his or her tax liability, rather than have the tax liability withheld from the employee’s paycheck;

(iii) Deduct the amount of taxes to be withheld from the student loan repayment benefit before the balance is issued as a loan payment to the holder of the loan.

NOTE TO § 537.106(a)(6): Contact the Internal Revenue Service for further details concerning these options, as well as the tax withholding implications of payments under this part.

(b) Qualifying student loans.

(1) The agency may make loan payments only for student loan debts that are outstanding at the time the agency and the employee (or job candidate) enter into a service agreement. Before authorizing loan payments, an agency must verify with the holder of the loan that the employee (or job candidate) has an outstanding student loan that qualifies for repayment under this part. The agency must verify remaining balances to ensure that loans are not overpaid.

(2) The agency may repay more than one loan if the employee’s student loan repayment benefit does not exceed the limits set forth in paragraph (c) of this section.

(3) These regulations do not impose a limit on the age of a student loan for qualification purposes. The agency may, however, specify in its agency plan that only student loans made within a certain timeframe are eligible for repayment.

(c) Benefit amount.

(1) In determining the amount of student loan repayment benefits to approve, an agency must consider the employee’s (or job candidate’s) value to the agency and how far in advance the agency is permitted to commit funds. If an agency decides...
to make additional student loan repayment benefits contingent on budget levels or other factors, it must address these contingent benefits in the written service agreement as described in §537.107(a).

(2) The amount of student loan repayment benefits provided by an agency is subject to both of the following limits:

(i) $10,000 per employee per calendar year; and

(ii) A total of $60,000 per employee.

(3) In applying the limits in paragraph (c)(2) of this section, the agency must count the full student loan repayment benefit (i.e., before deducting any tax withholdings as described in paragraph (a)(6)(iii) of this section).

(d) Employee responsibility. Loan payments made by an agency under this part do not exempt an employee from his or her responsibility and/or liability for any loan(s) the individual has taken out. The employee also is responsible for any income tax obligations resulting from the student loan repayment benefit.

§ 537.107 Service agreements.

(a) Before an employing agency makes any loan payments for an employee, the employee (or job candidate) must sign a written service agreement to complete a specified period of service with the agency and to reimburse the agency for the student loan repayment benefit when required by §537.109. The service agreement also may specify any other employment conditions the agency considers to be appropriate, including the employee’s (or job candidate’s) position and the duties he or she is expected to perform, his or her work schedule, his or her level of performance, and the geographic location of his or her position. (See §§537.108 and 537.109.) The service agreement may address the possibility that, during the period the agreement is in effect, the agency may modify the agreement to provide student loan repayment benefits in addition to those fixed in the agreement based on contingencies or conditions specified in the agreement.

(b) The minimum period of service to be established under a service agreement is 3 years, regardless of the amount of student loan repayment benefits authorized. The agency and the employee may mutually agree to modify an existing service agreement, subject to the limitations at §537.106(c)(2), to provide additional student loan repayment benefits for additional service without the need for an entirely new service agreement (which would require a new 3-year minimum service period). Periods of leave without pay, or other periods during which the employee is not in a pay status, do not count toward completion of the required service period. Thus, the service completion date must be extended by the total amount of time spent in nonpay status. However, as provided by 5 CFR 533.107, absence because of uniformed service or compensable injury is considered creditable toward the required service period upon reemployment.

(c) A service agreement made under this part in no way constitutes a promise of, or right or entitlement to, appointment, continued employment, or noncompetitive conversion to the competitive service. This condition should be stated in the service agreement.

(d) The service period begins on the date specified in the service agreement. That beginning date may not be—

(1) Earlier than the date the service agreement is signed; or

(2) Earlier than the date the individual begins serving in the position for which he or she was recruited (when student loan repayment benefits are approved to recruit a job candidate to fill an agency position).

(e) The service agreement must contain a provision addressing whether the individual would be required to reimburse the paying agency for student loan repayment benefits if he or she voluntarily separates from the paying agency to work for another agency before the end of the service period. (See §537.109(b)(3).)

(f) The agency may include in a service agreement specific conditions (in addition to those required by law) that trigger the loss of eligibility for student loan repayment benefits and/or a requirement that the employee reimburse the agency for student loan repayment benefits already received. (See §§537.108(a)(3) and 537.109(a)(2).)
However, a service agreement may not require reimbursement based on—

(1) An employee’s failure to maintain performance at a particular level (unless the employee is separated based on unacceptable performance); or

(2) An involuntary separation for reasons other than misconduct, unacceptable performance, or a negative suitability determination under 5 CFR part 731 (e.g., an involuntary separation resulting from a reduction in force or medical reasons).

§ 537.108 Loss of eligibility for student loan repayment benefits.

(a) An employee receiving student loan repayment benefits from an agency is ineligible for continued benefits from that agency if the employee—

(1) Separates from the agency;

(2) Does not maintain an acceptable level of performance, as determined under standards and procedures prescribed by the agency; or

(3) Violates a condition in the service agreement, if the agreement specifically provides that eligibility is lost when the condition is violated.

(b) For the purpose of applying paragraph (a)(2) of this section, an acceptable level of performance is one that is equivalent to level 3 (“Fully Successful” or equivalent) or higher, as described in 5 CFR 430.208(d). An employee loses eligibility for student loan repayment benefits if his or her most recent official performance evaluation does not meet this requirement.

§ 537.109 Employee reimbursements to the Government.

(a) An employee is indebted to the Federal Government and must reimburse the paying agency for the amount of any student loan repayment benefits received under a service agreement if he or she—

(1) Fails to complete the period of service required in the applicable service agreement (except as provided by paragraph (b) of this section); or

(2) Violates any other condition that specifically triggers a reimbursement requirement under the agreement.

(b) An agency may not apply paragraph (a) of this section based on an employee’s failure to complete the required period of service established under a service agreement if—

(1) The employee is involuntarily separated for reasons other than misconduct, unacceptable performance, or a negative suitability determination under 5 CFR part 731; or

(2) The employee leaves the paying agency voluntarily to enter into the service of any other agency, unless reimbursement to the agency is otherwise required in the service agreement, as provided by §537.107(e).

(c) If an agency and an employee mutually agree to modify an existing service agreement to provide additional student loan repayment benefits for additional service (as provided by §537.107(b)), the modified service agreement may stipulate that, if the employee completes the initial service period but fails to complete the additional service period, he or she is required to reimburse the paying agency only for the amount of any student loan repayment benefits received during the additional service period.

(d) If an employee fails to reimburse the paying agency for the amount owed under paragraph (a) of this section, a sum equal to the amount outstanding is recoverable from the employee under the agency’s regulations for collection by offset from an indebted Government employee under 5 U.S.C. 5514 and 5 CFR part 550, subpart K, or through the appropriate provisions governing Federal debt collection if the individual is no longer a Federal employee.

(e) An authorized agency official may waive, in whole or in part, a right of recovery of an employee’s debt if he or she determines that recovery would be against equity and good conscience or against the public interest. (See 5 U.S.C. 5379(c)(3).)

(f) Any amount reimbursed by, or recovered from, an employee under this section must be credited to the appropriation account from which the amount involved was originally paid. Any amount so credited must be merged with other sums in such account and must be available for the same purposes and time period, and subject to the same limitations (if any), as the sums with which merged. (See 5 U.S.C. 5379(c)(4).)
§ 537.110 Records and reports.

(a) Each agency must keep a record of each determination to provide student loan repayment benefits under this part and make such records available for review upon request by OPM. Such a record may be destroyed when 3 years have elapsed since the end of the service period specified in the employee's service agreement unless any dispute has arisen regarding the agreement. If the service agreement has not been fulfilled, there are other disputes regarding the agreement or the loan payouts, or the agreement has become the subject of litigation, the records should be kept until the agency is notified by agency counsel that all pending claims have been resolved, all litigation concluded, and any applicable periods for seeking further review has elapsed. If debt collection is pursued against the employee for repayments made by the agency, the agency must keep the records until the agency is notified by agency counsel that the debt is fully collected, compromised, or settled finally and that any applicable period for seeking further review has elapsed.

(b) By March 31st of each year, each agency must submit a written report to OPM containing information about student loan repayment benefits it provided to employees during the previous calendar year. Each report must include the following information:

1. The number of employees who received student loan repayment benefits;
2. The job classifications of the employees who received student loan repayment benefits; and

Office of Personnel Management

§ 550.106 Annual maximum earnings limitation.

(a)(1) For any pay period in which the head of an agency (or designee), or the Office of Personnel Management on its own motion, determines that an emergency exists, the agency must pay an affected employee premium pay under the limitations described in paragraph (c) of this section and §550.107 instead of under the biweekly limitation described in §550.105(a). An employee is affected if he or she has been determined by the head of the agency (or designee) to be performing work in connection with the emergency or its aftermath. (See definition of "emergency" in §550.103.)

(b)(1) For any pay period in which the head of an agency (or designee), in his or her sole discretion, determines that an employee is needed to perform work that is critical to the mission of the agency, the agency may pay premium pay under the limitations described in paragraph (c) of this section and §550.107 instead of under the biweekly limitation described in §550.105(a).

(c) In any calendar year during which an employee has been determined to be performing emergency or mission-critical work as provided in paragraphs (a) or (b) of this section, the employee may receive premium pay under this subpart (excluding the types of premium pay identified in §550.107) only to the extent that the payment does not cause the total of his or her basic pay and premium pay for the calendar year to exceed the greater of—

(1) The maximum annual rate of basic pay payable for GS–15 (including any applicable locality-based comparability payment under section 5304 or similar provision of law and any applicable special rate of pay under 5 U.S.C. 5305 or similar provision of law) in effect on the last day of the calendar year; or

(2) The annual rate payable for level V of the Executive Schedule in effect on the last day of the calendar year.

(d) The annual rates under paragraphs (c)(1) and (2) of this section must be computed as follows:

(1) Compute an hourly rate by dividing the published annual rate of basic pay by 2,087 hours and rounding the result to the nearest cent;

(2) Compute a biweekly rate by multiplying the hourly rate from paragraph (d)(1) of this section by 80 hours;

(3) Compute an annual rate of pay by multiplying the biweekly rate from paragraph (d)(2) of this section by the
§ 550.107 Premium payments capped on a biweekly basis when an annual limitation otherwise applies.

(a) The following types of premium pay remain subject to a biweekly limitation when other premium payments are subject to an annual limitation under §550.106:

(2) Administratively uncontrollable overtime pay under 5 U.S.C. 5545(c)(2);

(b) An employee must receive premium pay of the types identified in paragraph (a) of this section before receiving any other type of premium pay.

(c) In any pay period during which an employee is subject to an annual limitation under §550.106, the employee may receive the types of premium pay identified in paragraph (a) of this section only to the extent that the payment does not cause the total of his or her basic pay and such premium pay for the pay period to exceed the greater of—

(1) The maximum biweekly rate of basic pay payable for GS–15 (including any applicable locality-based comparability payment under section 5304 or similar provision of law and any applicable special rate of pay under 5 U.S.C. 5305 or similar provision of law); or

(2) The biweekly rate payable for level V of the Executive Schedule.

(d) The biweekly rates under paragraph (c) of this section are computed as provided in §550.105(d).

(e) Premium pay paid, or projected to be paid, under this section is included in determining whether the sum of the employee’s basic pay and premium pay would exceed the annual limitation under §550.106.

§ 550.111 Authorization of overtime pay.

(a) Except as provided in paragraphs (d), (f), and (g) of this section, overtime work means work in excess of 8 hours in a day or in excess of 40 hours in an administrative workweek that is—

(1) Officially ordered or approved; and

(2) Performed by an employee. Hours of work in excess of 8 in a day are not included in computing hours of work in excess of 40 hours in an administrative workweek.

(b) Except as otherwise provided in this subpart, a department shall pay for overtime work at the rates provided in §550.113.

(c) Overtime work in excess of any included in a regularly scheduled administrative workweek may be ordered or approved only in writing by an officer or employee to whom this authority has been specifically delegated.

(d) For an employee for whom the first 40 hours of duty in an administrative workweek is his basic workweek...
under § 610.111(b) of this chapter, overtime work means work in excess of 40 hours in an administrative workweek that is:

(1) Officially ordered or approved, and

(2) Performed by an employee, when the employee’s basic pay exceeds the minimum rate for GS–10 (including any applicable special rate of pay for law enforcement officers or special pay adjustment for law enforcement officers under section 403 or 404 of the Federal Employees Pay Comparability Act of 1990 (Pub. L. 101–509), respectively; a locality-based comparability payment under 5 U.S.C. 5304; and any applicable special rate of pay under 5 U.S.C. 5305 or similar provision of law) or when the employee is engaged in professional or technical, engineering or scientific activities. For purposes of this section and section 5542(a) of title 5, United States Code, an employee is engaged in professional or technical, engineering or scientific activities when he or she is assigned to perform the duties of a professional or support technician position in the physical, mathematical, natural, medical, or social sciences or engineering or architecture.

(e) Notwithstanding paragraphs (a) and (d) of this section, when an employee’s basic workweek includes a daily tour of duty of more than 8 hours and his hourly rate of basic pay exceeds the hourly rate of overtime pay provided by § 550.113, the department shall pay him at his basic rate of pay for each hour of his daily tour of duty within his basic workweek.

(f) (1) Except as provided in paragraph (f)(2) of this section, for any criminal investigator receiving availability pay under § 550.181, overtime work means actual work that is scheduled in advance of the administrative workweek—

(i) In excess of 10 hours on a day containing hours that are part of such investigator’s basic 40-hour workweek; or

(ii) On a day not containing hours that are part of such investigator’s basic 40-hour workweek.

(2) Notwithstanding paragraph (f)(1) of this section, all overtime work scheduled in advance of the administrative workweek on a day containing part of a criminal investigator’s basic 40-hour workweek must be compensated under this section if both of the following conditions are met:

(i) The overtime work involves protective duties authorized by section 3056(a) of title 18, United States Code, or section 2709(a)(3) of title 22, United States Code; and

(ii) The investigator performs on that same day at least 2 consecutive hours of overtime work that are not scheduled in advance of the administrative workweek and are compensated by availability pay.

(3) Any work that would be overtime work under this section but for paragraphs (f)(1) and (f)(2) of this section will be compensated by availability pay under § 550.181.

(g) For firefighters compensated under subpart M of this part, overtime work means officially ordered or approved work in excess of 106 hours in a biweekly pay period, or, if the agency establishes a weekly basis for overtime pay computations, in excess of 53 hours in an administrative workweek.

(h) Availability hours, as described in § 550.182(c), are not hours of work for the purpose of determining overtime pay under this section.

(i) An employee is not entitled to overtime pay under this subpart for time spent in training, except as provided in § 410.402 of this chapter.

(j) For Border Patrol agents covered by 5 U.S.C. 5550 and subpart P of this part, overtime work means hours of work in excess of applicable thresholds, as specified in § 550.1623, excluding hours that are—

(1) Compensated by payment of an overtime supplement for regularly scheduled overtime within the agent’s regular tour of duty under § 550.1621;

(2) Compensated by the earning of compensatory time off under § 550.1625; or

(3) Used in substitution or application under § 550.1626.

§ 550.112 Computation of overtime work.

The computation of the amount of overtime work of an employee is subject to the following conditions:

(a) Time spent in principal activities. Principal activities are the activities that an employee is employed to perform. They are the activities that an employee performs during his or her regularly scheduled administrative workweek (including regular overtime work) and activities performed by an employee during periods of irregular or occasional overtime work authorized under § 550.111. Overtime work in principal activities shall be credited as follows:

(1) An employee shall be compensated for every minute of regular overtime work.

(2) A quarter of an hour shall be the largest fraction of an hour used for crediting irregular or occasional overtime work under this subpart. When irregular or occasional overtime work is performed in other than the full fraction, odd minutes shall be rounded up or rounded down to the nearest full fraction of an hour used to credit overtime work.

(b) Time spent in preshift or postshift activities. A preshift activity is a preparatory activity that an employee performs prior to the commencement of his or her principal activities, and a postshift activity is a concluding activity that an employee performs after the completion of his or her principal activities. Such activities are not principal activities as defined in paragraph (a) of this section.

(1) (i) If the head of a department reasonably determines that a preshift or postshift activity is closely related to an employee’s principal activities, and is indispensable to the performance of the principal activities, and that the total time spent in that activity is more than 10 minutes per daily tour of duty, he or she shall credit all of the time spent in that activity, including the 10 minutes, as hours of work.

(ii) If the time spent in a preshift or postshift activity is compensable as hours of work, the head of the department shall schedule the time period for the employee to perform that activity. An employee shall be credited with the actual time spent in that activity during the time period scheduled by the head of the department. In no case shall the time credited for the performance of an activity exceed the time scheduled by the head of the department. If the time period scheduled by the head of the department for the performance of a preshift or postshift activity is outside the employee’s daily tour of duty, the employee shall be credited with the time spent performing that activity in accordance with paragraph (a)(2) of this section.

(2) A preshift or postshift activity that is not closely related to the performance of the principal activities is considered a preliminary or postliminary activity. Time spent in preliminary or postliminary activities is excluded from hours of work and is not compensable, even if it occurs between periods of activity that are compensable as hours of work.

(c) Leave with pay. An employee’s absence from duty on authorized leave with pay under subchapter I of chapter 61 of title 5, United States Code, during the time when he would otherwise have been required to be on duty during a basic workweek (including authorized absence on a legal holiday, on a nonworkday established by Executive or administrative order, and on compensatory time off as provided in § 550.114) is deemed employment and does not reduce the amount of overtime pay to which the employee is entitled during an administrative workweek. Leave of absence with pay under subchapter I of chapter 61 of title 5, United States Code, is charged only for an absence that occurs during a basic workweek.

(d) Leave without pay. (1) For a period of leave without pay in an employee’s basic workweek, an equal period of service performed outside the basic workweek, but in the same administrative workweek, shall be substituted and paid for at the rate applicable to his basic workweek before any remaining period of service may be paid for at the overtime rate on the basis of exceeding 40 hours in a workweek.

(2) For a period of leave without pay in an employee’s daily tour of duty, an equal period of service performed outside the daily tour, but in the same workday, shall be substituted and paid
for at the rate applicable to his daily tour of duty before any remaining period of service may be paid for at the overtime rate on the basis of exceeding 8 hours in a workday.

(e) **Absence during overtime periods.** Except as provided by paragraph (a) of this section, as expressly authorized by statute, or to the extent authorized while the employee is in a travel status, a period is counted as overtime work only when the employee actually performs work during the period or is taking compensatory time off as provided in § 550.114.

(f) **Night, Sunday, or holiday work.** Hours of night, Sunday, or holiday work are included in determining for overtime pay purposes the total number of hours of work in an administrative workweek.

(g) **Time in travel status.** Time in travel status away from the official duty station of an employee is deemed employment only when:

1. It is within his regularly scheduled administrative workweek, including regular overtime work; or
2. The travel—
   1. Involves the performance of actual work while traveling;
   2. Is incident to travel that involves the performance of work while traveling;
   3. Is carried out under such arduous and unusual conditions that the travel is inseparable from work; or
   4. Results from an event which could not be scheduled or controlled administratively, including travel by an employee to such an event and the return of the employee to his or her official-duty station.

(h) **Call-back overtime work.** Irregular or occasional overtime work performed by an employee on a day when work was not scheduled for him, or for which he is required to return to his place of employment, is deemed at least 2 hours in duration for the purpose of premium pay, either in money or compensatory time off.

1. Periods of duty that are compensated by annual premium pay under 5 U.S.C. 5545(c) (1) or (2) shall not be credited for the purpose of determining hours of work in excess of 8 hours in a day.

(j) **Official duty station.** An agency may prescribe a mileage radius of not greater than 50 miles to determine whether an employee’s travel is within or outside the limits of the employee’s official duty station for determining entitlement to overtime pay for travel under paragraph (g) of this section except that—

1. An agency’s definition of an employee’s official duty station for determining overtime pay for travel may not be smaller than the definition of “official station and post of duty” under the Federal Travel Regulation issued by the General Services Administration (41 CFR 300–3.1); and
2. Travel from home to work and vice versa is not hours of work. When an employee travels directly from home to a temporary duty location outside the limits of his or her official duty station, the time the employee would have spent in normal home to work travel shall be deducted from hours of work.

(k) **Standby duty.** (1) An employee is on duty, and time spent on standby duty is hours of work if, for work-related reasons, the employee is restricted by official order to a designated post of duty and is assigned to be in a state of readiness to perform work with limitations on the employee’s activities so substantial that the employee cannot use the time effectively for his or her own purposes. A finding that an employee’s activities are substantially limited may not be based on the fact that an employee is subject to restrictions necessary to ensure that the employee will be able to perform his or her duties and responsibilities, such as restrictions on alcohol consumption or use of certain medications.

2. An employee is not considered restricted for “work-related reasons” if, for example, the employee remains at the post of duty voluntarily, or if the restriction is a natural result of geographic isolation or the fact that the employee resides on the agency’s premises. For example, in the case of an employee assigned to work in a remote wildland area or on a ship, the fact that the employee has limited mobility when relieved from duty would not be a
basis for finding that the employee is restricted for work-related reasons.

(l) On-call status. An employee is off duty, and time spent in an on-call status is not hours of work if—

(1) The employee is allowed to leave a telephone number or carry an electronic device for the purpose of being contacted, even though the employee is required to remain within a reasonable call-back radius; or

(2) The employee is allowed to make arrangements for another person to perform any work that may arise during the on-call period.

(m) Sleep and meal time. (1) Bona fide sleep and meal periods may not be considered hours of work, except as provided in paragraphs (m)(2), (m)(3), and (m)(4) of this section. If a sleep or meal period is interrupted by a call to duty, the time spent on duty is hours of work.

(2) Sleep and meal periods during regularly scheduled tours of duty are hours of work for employees who receive annual premium pay for regularly scheduled standby duty under 5 U.S.C. 5545(c)(1).

(3) When employees are assigned to work shifts of 24 hours or more during which they must remain within the confines of their duty station in a standby status, and for which they do not receive annual premium pay for regularly scheduled standby duty under 5 U.S.C. 5545(c)(1), the amount of bona fide sleep and meal time excluded from hours of work may not exceed 8 hours in any 24-hour period. No sleep time may be excluded unless the employee had the opportunity to have an uninterrupted period of at least 5 hours of sleep during the applicable sleep period. For work shifts of less than 24 hours, agencies may not exclude on-duty sleep periods from hours of work, but must exclude bona fide meal periods during which the employee is completely relieved from duty.

(4) For firefighters compensated under 5 U.S.C. 5545b, on-duty sleep and meal time may not be excluded from hours of work.

§ 550.113 Computation of overtime pay.

(a) For each employee whose rate of basic pay does not exceed the minimum rate for GS–10 (including any applicable special rate of pay for law enforcement officers or special pay adjustment for law enforcement officers under section 403 or 404 of the Federal Employees Pay Comparability Act of 1990 (Pub. L. 101–509), respectively; a locality-based comparability payment under 5 U.S.C. 5304; and any applicable special rate of pay under 5 U.S.C. 5305 or similar provision of law), the overtime hourly rate is 11⁄2 times his or her hourly rate of basic pay.

(b) For each employee whose rate of basic pay exceeds the minimum rate for GS–10 (as determined under paragraph (a) of this section), the overtime hourly rate is equal to the greater of—

(i) one and one-half times the applicable minimum hourly rate of basic pay for GS–10 (as determined under paragraph (a) of this section); or (ii) the employee’s hourly rate of basic pay, except as provided in 5 U.S.C. 5542(a)(3) and (5).

(c) An employee is paid for overtime work performed on a Sunday or a holiday at the same rate as for overtime work performed on another day.

(d) An employee whose rate of basic pay is fixed on an annual or monthly basis and adjusted from time to time in accordance with prevailing rates by a wage board or similar administrative authority serving the same purpose is entitled to overtime pay in accordance with the provisions of section 5544 of title 5, United States Code. The rate of pay for each hour of overtime work of such an employee is computed as follows:

(1) If the rate of basic pay of the employee is fixed on an annual basis, divide the rate of basic pay by 2,087 and multiply the quotient by one and one-half; and
Office of Personnel Management

§ 550.114  Compensatory time off.

(a) At the request of an agency (or designee) may grant compensatory time off from an employee’s tour of duty instead of payment under § 550.113 for an equal amount of overtime work, whether or not irregular or occasional in nature.

(b) At the request of an employee, as defined in 5 U.S.C. 2105, the head of an agency (or designee) may grant compensatory time off from an employee’s basic work requirement under a flexible work schedule under 5 U.S.C. 6122 instead of payment under § 550.113 for
of the pay period ending 3 years after May 14, 2007 must—

(1) Receive payment for such unused compensatory time off at the dollar value prescribed in paragraph (g) of this section; or

(2) Forfeit the unused compensatory time off, unless the failure to take the compensatory time off is due to an exigency of the service beyond the employee’s control, in which case the agency head must provide payment for the unused compensatory time off at the dollar value prescribed in paragraph (g) of this section.

(f)(1) Except as provided in paragraph (f)(2) of this section, an employee with unused compensatory time off under paragraph (a) or (b) of this section who transfers to another agency or separates from Federal service before the expiration of the time limit established under paragraphs (d) or (e) of this section may receive overtime pay or forfeit the unused compensatory time off, consistent with the employing agency’s policy established under paragraphs (d) and (e) of this section.

(2) If an employee with unused compensatory time off under paragraph (a) or (b) of this section separates from Federal service or is placed in a leave without pay status under the following circumstances, the employee must be paid for unused compensatory time off, consistent with the employing agency’s policy established under paragraphs (d) and (e) of this section:

(i) The employee separates or is placed in a leave without pay status because of an on-the-job injury with entitlement to injury compensation under 5 U.S.C. chapter 81.

(ii) The employee separates or is placed in a leave without pay status because of extending the customary business hours into the hours of the pay period during which compensatory time off was earned by performing overtime work.

§ 550.121 Authorization of night pay differential.

(a) Except as provided by paragraph (b) of this section, nightwork is regularly scheduled work performed by an employee between the hours of 6 p.m. and 6 a.m. Subject to §550.122, and except as otherwise provided in this subpart, an employee who performs nightwork is entitled to pay for that work at his or her rate of basic pay plus a night pay differential amounting to 10 percent of his or her rate of basic pay.

(b) The head of a department may designate a time after 6 p.m. and a time before 6 a.m. as the beginning and end, respectively, of nightwork for the purpose of paragraph (a) of this section, at a post outside the United States where the customary business hours extend into the hours of nightwork provided by paragraph (a) of this section. Times so designated as the beginning or end of nightwork shall correspond reasonably with the end or beginning, respectively, of the customary hours of business in the locality.

(c) An employee is not entitled to night pay differential while engaged in training, except as provided in §410.402 of this chapter.

§ 550.122 Computation of night pay differential.

(a) Absence on holidays or in travel status. An employee is entitled to a night pay differential for a period when he is excused from nightwork on a holiday or other nonworkday and for night hours of his tour of duty while he is in an official travel status, whether performing actual duty or not.

(b) Absence on leave. An employee is entitled to a night pay differential for a period of paid leave only when the
total amount of that leave in a pay period, including both night and day hours, is less than 8 hours.

(c) Relation to overtime, Sunday, and holiday pay. Night pay differential is in addition to overtime, Sunday, or holiday pay payable under this subpart and it is not included in the rate of basic pay used to compute the overtime, Sunday, or holiday pay.

(d) Temporary assignment to a different daily tour of duty. An employee is entitled to a night pay differential when he or she is temporarily assigned during the administrative workweek to a daily tour of duty that includes night-work. This temporary change in a daily tour of duty within the employee’s regularly scheduled administrative workweek is distinguished from a period of irregular or occasional overtime work in addition to the employee’s regularly scheduled administrative workweek.

(e) Border Patrol agents. For a Border Patrol agent covered by 5 U.S.C. 5550 and subpart P of this part, no night pay differential is payable for regularly scheduled overtime hours within the agent’s regular tour of duty, as required by 5 U.S.C. 5550(b)(2)(C), (b)(3)(C), and (c)(1)(A). The overtime supplement payable for such scheduled overtime hours is not part of the agent’s rate of basic pay used in computing the night pay differential for other hours that qualify for such a differential.

§ 550.131 Authorization of pay for holiday work.

(a) Except as otherwise provided in this subpart, an employee who performs holiday work is entitled to pay at his or her rate of basic pay plus premium pay at a rate equal to his or her rate of basic pay for that holiday work that is not in excess of 8 hours.

(b) An employee is entitled to pay for overtime work on a holiday at the same rate as for overtime work on other days.

(c) An employee who is assigned to duty on a holiday is entitled to pay for at least 2 hours of holiday work.

(d) An employee is not entitled to holiday premium pay while engaged in training, except as provided in § 410.402 of this chapter.

§ 550.132 Relation to overtime, night, and Sunday pay.

(a) Premium pay for holiday work is in addition to overtime pay or night pay differential, or premium pay for Sunday work payable under this subpart and is not included in the rate of basic pay used to compute the overtime pay or night pay differential or premium pay for Sunday work.

(b) Notwithstanding premium pay for holiday work, the number of hours of holiday work are included in determining for overtime pay purposes the total number of hours of work performed in the administrative workweek in which the holiday occurs.

(c) The number of regularly scheduled hours of duty on a holiday that fall within an employee’s basic workweek on which the employee is excused from duty are part of the basic workweek for overtime pay computation purposes.

(d) For a Border Patrol agent covered by 5 U.S.C. 5550 and subpart P of this part, no holiday premium pay is payable for regularly scheduled overtime hours within the agent’s regular tour of duty, as required by 5 U.S.C. 5550(b)(2)(C), (b)(3)(C), and (c)(1)(A). The overtime supplement payable for such scheduled overtime hours is not part of the agent’s rate of basic pay used in computing the holiday premium pay for other hours that qualify for such premium pay.

§ 550.141 Authorization of premium pay on an annual basis.

An agency may pay premium pay on an annual basis, instead of the premium pay prescribed in this subpart for regularly scheduled overtime, night, holiday, and Sunday work, to an employee in a position requiring him for that work.
or her regularly to remain at, or within the confines of, his or her station during longer than ordinary periods of duty, a substantial part of which consists of remaining in a standby status rather than performing work. Premium pay under this section is determined as an appropriate percentage, not in excess of 25 percent, of that part of the employee’s rate of basic pay which does not exceed the minimum rate of basic pay for GS–10 (including any applicable locality-based comparability payment under 5 U.S.C. 5304 or special rate of pay under 5 U.S.C. 5305 or similar provision of law).

§ 550.142 General restrictions.

An agency may pay premium pay under § 550.141 only if that premium pay, over a period appropriate to reflect the full cycle of the employee’s duties and the full range of conditions in his position, would be:

(a) More than the premium pay which would otherwise be payable under this subpart for the hours of actual work customarily required in his position, excluding standby time during which he performs no work; and

(b) Less than the premium pay which would otherwise be payable under this subpart for the hours of duty required in his position, including standby time during which he performs no work.

§ 550.143 Bases for determining positions for which premium pay under § 550.141 is authorized.

(a) The requirement for the type of position referred to in § 550.141 that an employee regularly remain at, or within the confines of, his station must meet all the following conditions:

(1) The requirement must be definite and the employee must be officially ordered to remain at his station. The employee’s remaining at his station must not be merely voluntary, desirable, or a result of geographic isolation, or solely because the employee lives on the grounds.

(2) The hours during which the requirement is operative must be included in the employee’s tour of duty. This tour of duty must be established on a regularly recurring basis over a substantial period of time, generally at least a few months. The requirement must not be occasional, irregular, or for a brief period.

(3) The requirement must be associated with the regularly assigned duties of the employee’s job, either as a continuation of his regular work which includes standby time, or as a requirement to stand by at his post to perform his regularly assigned duties if the necessity arises.

(b) The words “at, or within the confines, of his station”, in § 550.141 mean one of the following:

(1) At an employee’s regular duty station.

(2) In quarters provided by an agency, which are not the employee’s ordinary living quarters, and which are specifically provided for use of personnel required to stand by in readiness to perform actual work when the need arises or when called.

(3) In an employee’s living quarters, when designated by the agency as his duty station and when his whereabouts is narrowly limited and his activities are substantially restricted. This condition exists only during periods when an employee is required to remain at his quarters and is required to hold himself in a state of readiness to answer calls for his services. This limitation on an employee’s whereabouts and activities is distinguished from the limitation placed on an employee who is subject to call outside his tour of duty but may leave his quarters provided he arranges for someone else to respond to calls or leaves a telephone number by which he can be reached should his services be required.

(c) The words “longer than ordinary periods of duty” in § 550.141 mean more than 40 hours a week.

(d) The words “a substantial part of which consists of remaining in a standby status rather than performing work” in § 550.141 refer to the entire tour of duty. This requirement is met:

(1) When a substantial part of the entire tour of duty, at least 25 percent, is spent in a standby status which occurs throughout the entire tour;

(2) If certain hours of the tour of duty are regularly devoted to actual work
and others are spent in a standby status, that part of the tour of duty devoted to standing by is at least 25 percent of the entire tour of duty; or

(3) When an employee has a basic workweek requiring full-time performance of actual work and is required, in addition, to perform standby duty on certain nights, or to perform standby duty on certain days not included in his basic workweek.

(e) An employee is in a standby status, as referred to in §550.141, only at times when he is not required to perform actual work and is free to eat, sleep, read, listen to the radio, or engage in other similar pursuits. An employee is performing actual work, rather than being in a standby status, when his full attention is devoted to his work, even though the nature of his work does not require constant activity (for example, a guard on duty at his post and a technician continuously observing instruments are engaged in the actual work of their positions). Actual work includes both work performed during regular work periods and work performed when called out during periods ordinarily spent in a standby status.

§550.144 Rates of premium pay payable under §550.141.

(a) An agency may pay the premium pay on an annual basis referred to in §550.141 to an employee who meets the requirements of that section, at one of the following percentages of that part of the employee’s rate of basic pay which does not exceed the minimum rate of basic pay for GS–10 (including any applicable locality-based comparability payment under 5 U.S.C. 5304 or special rate of pay under 5 U.S.C. 5305 or similar provision of law):

(1) A position with a tour of duty of the 24 hours on duty, 24 hours off duty type and with a schedule of: 60 hours a week—5 percent, unless 25 or more hours of actual work is customarily required, in which event—10 percent; 72 hours a week—15 percent, unless 24 or more hours of actual work is customarily required, in which event—20 percent; 84 hours or more a week—25 percent.

(2) A position with a tour of duty requiring the employee to remain on duty during all daylight hours each day, or for 12 hours each day, or for 24 hours each day, with the employee living at his station during the period of his assignment to his tour, and with a schedule of: 5 days a week—5 percent, unless 25 or more hours of actual work is customarily required, in which event—10 percent; 6 days a week—15 percent, unless 30 or more hours of actual work is customarily required, in which event 20 percent; 7 days a week—25 percent.

(3) A position in which the employee has a basic workweek requiring fulltime performance of actual work, and is required, in addition, to remain on standby duty: 14 to 18 hours a week on regular workdays, or extending into a nonworkday in continuation of a period of duty within the basic workweek—15 percent; 19 to 27 hours a week on regular workdays, or extending into a nonworkday in continuation of a period of duty within the basic workweek—20 percent; 28 or more hours a week on regular workdays, or extending into a nonworkday in continuation of a period of duty within the basic workweek—25 percent; 7 to 9 hours on one or more of his regular weekly nonworkdays—15 percent; 10 to 13 hours on one or more of his regular weekly nonworkdays—20 percent; 14 or more hours on one or more of his regular weekly nonworkdays—25 percent.

(4) When an agency pays an employee one of the rates authorized by paragraph (a)(1), (2), or (3) of this section, the agency shall increase this rate by adding (i) 21⁄2 percent to the rate when the employee is required to perform Sunday work on an average of 20 to 40 Sundays over a year’s period or (ii) 5 percent to the rate when the employee is required to perform Sunday work on an average of 41 or more Sundays over a year’s period but the rate thus increased may not exceed 25 percent.

(b) If an employee is eligible for premium pay on an annual basis under §550.141, but none of the percentages in paragraph (a) of this section are applicable, or unusual conditions are present which seem to make the applicable rate unsuitable, the agency may propose a rate of premium pay on an annual basis for OPM approval. The proposal shall include full information
§ 550.151 Authorization of premium pay on an annual basis.

An agency may pay premium pay on an annual basis, instead of other premium pay prescribed in this subpart (except premium pay for regular overtime work, and work at night, on Sundays, and on holidays), to an employee in a position in which the hours of duty cannot be controlled administratively and which requires substantial amounts of irregular or occasional overtime work, with the employee generally being responsible for recognizing, without supervision, circumstances which require the employee to remain on duty. Premium pay under this section is determined as an appropriate percentage, not less than 10 percent nor more than 25 percent, of the employee’s rate of basic pay (as defined in §550.103).

§ 550.152 [Reserved]

§ 550.153 Bases for determining positions for which premium pay under §550.151 is authorized.

(a) The requirement in §550.151 that a position be one in which the hours of duty cannot be controlled administratively is inherent in the nature of such a position. A typical example of a position which meets this requirement is that of an investigator of criminal activities whose hours of duty are governed by what criminals do and when they do it. He is often required to perform such duties as shadowing suspects, working incognito among those under suspicion, searching for evidence, meeting informers, making arrests, and interviewing persons having knowledge of criminal or alleged criminal activities. His hours on duty and place of work depend on the behavior of the criminals or suspected criminals and cannot be controlled administratively. In such a situation, the hours of duty cannot be controlled by such administrative devices as hiring additional personnel, rescheduling the hours of duty (which can be done when, for example, a type of work occurs primarily at certain times of the day); or granting compensatory time off duty to offset overtime hours required.

(b) In order to satisfactorily discharge the duties of a position referred to in §550.151, an employee is required to perform substantial amounts of irregular or occasional overtime work. In regard to this requirement:

(1) A substantial amount of irregular or occasional overtime work means an average of at least 3 hours a week of that overtime work.

(2) The irregular or occasional overtime work is a continual requirement, generally averaging more than once a week.

(3) There must be a definite basis for anticipating that the irregular or occasional overtime work will continue over an appropriate period with a duration and frequency sufficient to meet the minimum requirements under paragraphs (b)(1) and (2) of this section.

(c) The words in §550.151 that an employee is generally “responsible for recognizing, without supervision, circumstances which require him to remain on duty” mean that:

(1) The responsibility for an employee remaining on duty when required by circumstances must be a definite, official, and special requirement of his position.

(2) The employee must remain on duty not merely because it is desirable, but because of compelling reasons inherently related to continuance of his duties, and of such a nature that failure to carry on would constitute negligence.

(3) The requirement that the employee is responsible for recognizing
circumstances does not include such clear-cut instances as, for example, when an employee must continue working because a relief fails to report as scheduled.

(d) The words “circumstances which require him to remain on duty” as used in §550.151 mean that:

(1) The employee is required to continue on duty in continuation of a full daily tour of duty or that after the end of his regular workday, the employee resumes duty in accordance with a pre-arranged plan or an awaited event. Performance of only call-back overtime work referred to in §550.112(h) does not meet this requirement.

(2) The employee has no choice as to when or where he may perform the work when he remains on duty in continuation of a full daily tour of duty. This differs from a situation in which an employee has the option of taking work home or doing it at the office; or doing it in continuation of his regular hours of duty or later in the evening. It also differs from a situation in which an employee has such latitude in his working hours, as when in a travel status, that he may decide to begin work later in the morning and continue working later at night to better accomplish a given objective.

§550.154 Rates of premium pay payable under §550.151.

(a) An agency may pay the premium pay on an annual basis referred to in §550.151 to an employee who meets the requirements of that section, at one of the following percentages of the employee’s rate of basic pay (as defined in §550.103):

(1) A position which requires an average of at least 3 but not more than 5 hours a week of irregular or occasional overtime work—10 percent;

(2) A position which requires an average of over five but not more than 7 hours a week of irregular or occasional overtime work—15 percent;

(3) A position which requires an average of over seven but not more than 9 hours a week of irregular or occasional overtime work—20 percent;

(4) A position which requires an average of over 9 hours a week of irregular or occasional overtime work—25 percent.

(b) If an agency proposes to pay an employee premium pay on an annual basis under §550.151 but unusual conditions seem to make the applicable rate in paragraph (a) of this section unsuitable, the agency may propose a rate of premium pay on an annual basis for OPM approval. The proposal shall include full information bearing on the frequency and duration of the irregular or occasional overtime work required; the nature of the work which prevents hours of duty from being controlled administratively; the necessity for the employee being generally responsible for recognizing, without supervision, circumstances which require him to remain on duty; and any other pertinent conditions.

(c) The period of time during which an employee continues to receive premium pay on an annual basis under §550.151 under the authority of paragraphs (c) or (g) of §550.162 is not considered in computing the average hours of irregular and occasional overtime work under this section.

§550.161 Responsibilities of the agencies.

The head of each agency, or an official who has been delegated authority to act for the head of an agency in the matter concerned, is responsible for:

(a) Fixing tours of duty; ordering employees to remain at their stations in a standby status; and placing responsibility on employees for remaining on duty when required by circumstances.

(b) Determining, in accordance with section 5545(c) of title 5, United States Code, and this subpart, which employees shall receive premium pay on an annual basis under §550.141 or §550.151. These determinations may not be retroactive.
§ 550.162 Payment provisions.

(a) Except as otherwise provided in this section, an employee’s premium pay on an annual basis under § 550.141 or § 550.151 begins on the date that he enters on duty in the position concerned for purposes of basic pay, and ceases on the date that he ceases to be paid basic pay in the position.

(b) When an employee is in a position in which conditions warranting premium pay on an annual basis under § 550.141 or § 550.151 exist only during a certain period of the year, such as during a given season, an agency may pay the employee premium pay on an annual basis only during the period he is subject to these conditions.

(c) An agency may continue to pay an employee premium pay on an annual basis under § 550.141 or § 550.151:

(1) For a period of not more than 10 consecutive prescribed workdays on temporary assignment to other duties in which conditions do not warrant payment of premium pay on an annual basis, and for a total of not more than 30 workdays in a calendar year while on such a temporary assignment.

(2) For an aggregate period of not more than 60 prescribed workdays on temporary assignment to a formally approved program for advanced training duty directly related to duties for which premium pay on an annual basis is payable.

An agency may not continue to pay an employee premium pay on an annual basis under this paragraph for more than 60 workdays in a calendar year.

(d) When an employee is not entitled to premium pay on an annual basis under § 550.141, he is entitled to be paid for overtime, night, holiday, and Sunday work in accordance with other sections of this subpart.

(e) An agency shall continue to pay an employee premium pay on an annual basis under this paragraph for more than 60 workdays in a calendar year.

(f) Unless an agency discontinues authorization of premium pay under § 550.141 or § 550.151 for all similar positions, it may not discontinue authorization of such premium pay for an individual employee’s position—

(1) During a period of paid leave elected by the employee and approved by the agency in lieu of benefits under the Federal Employees’ Compensation Act, as amended (5 U.S.C. 8101 et seq.), following a job-related injury;
(2) During a period of continuation of pay under the Federal Employees' Compensation Act, as amended (5 U.S.C. 8101 et seq.);

(3) During a period of leave without pay, if the employee is in receipt of benefits under the Federal Employees' Compensation Act, as amended (5 U.S.C. 8101 et seq.). (Note: No premium pay is payable during leave without pay; however, the continued authorization may prevent a reduction in an employee's retirement benefits if the leave without pay period occurs during the employee's high-3 average salary period.)

(g) Notwithstanding paragraph (c)(1) of this section, an agency may continue to pay premium pay under §550.151 to an employee during a temporary assignment that would not otherwise warrant the payment of AUO pay, if the temporary assignment is directly related to a national emergency declared by the President. An agency may continue to pay premium pay under §550.151 for not more than 30 consecutive workdays for such a temporary assignment and for a total of not more than 90 workdays in a calendar year while on such a temporary assignment.

§550.163 Relationship to other payments.

(a) An employee receiving premium pay on an annual basis under §550.141 may not receive premium pay for regular overtime work or work at night or on a holiday or on Sunday under any other section of this subpart. An agency shall pay the employee in accordance with §§550.113 and 550.114 for irregular or occasional overtime work.

(b) An employee receiving premium pay on an annual basis under §550.151 may not receive premium pay for irregular or occasional overtime work under any other section of this subpart. An agency shall pay the employee in accordance with other sections of this subpart for regular overtime work, and work at night, on Sundays, and on holidays.

(c) Overtime, night, holiday, or Sunday work paid under any statute other than subchapter V of chapter 55 of title 5, United States Code, is not a basis for payment of premium pay on an annual basis under §550.141 or §550.151.

(d) (1) Except as provided in paragraph (d)(2) of this section, premium pay on an annual basis under §550.141 or §550.151 is not base pay and is not included in the base used in computing foreign and nonforeign allowances and differentials, or any other benefits or deductions that are computed on base pay alone.

(2) Premium pay on an annual basis under §550.141 is base pay for the purpose of section 5595(c), section 8114(e), section 8331(3), and section 8704(c) of title 5, United States Code.

(e) Premium pay on an annual basis under §550.141 or §550.151 may not be paid to a criminal investigator receiving availability pay under §550.161.

§550.164 Construction and computation of existing aggregate rates.

(a) Pursuant to section 208(b) of the act of September 1, 1954 (68 Stat. 1111), nothing in this subpart relating to the payment of premium pay on an annual basis may be construed to decrease the existing aggregate rate of pay of an employee on the rolls of an agency immediately before the date section 5545(c) of title 5, United States Code, is made applicable to him by administrative action.

(b) When it is necessary to determine an employee's existing aggregate rate of pay (referred to in this section as existing aggregate rate), an agency shall determine it on the basis of the earnings the employee would have received over an appropriate period (generally 1 year) if his tour of duty immediately before the date section 5545(c) of title 5, United States Code, is made applicable to him had remained the same. In making this determination, basic pay and premium pay for overtime, night, holiday, and Sunday work are included in the earnings the employee would have received. Premium pay for irregular or occasional overtime work may be included only if it was of a significant
amount in the past and the conditions which required it are expected to continue.

(c) An agency shall recompute an employee’s rate of pay based on premium pay on an annual basis when he received subsequent increases in his rate of basic pay in order to determine whether or not the employee should continue to receive an existing aggregate rate or be paid premium pay on an annual basis.

(d) Except as otherwise provided by statute, an agency may not use subsequent increases in an employee’s rate of basic pay to redetermine or increase the employee’s existing aggregate rate. However, these increases shall be used for other pay purposes, such as the computation of retirement deductions and annuities, payment of overseas allowances and post differentials, and determination of the highest previous rate under part 531 of this chapter.

(e) When an agency elects to pay an employee premium pay on an annual basis, he is entitled to continue to receive hourly premium pay properly payable under sections 5542, 5543, 5545 (a) and (b), and 5546 of title 5, United States Code, until his base pay plus premium pay on an annual basis equals or exceeds his existing aggregate rate. When this occurs, the agency shall pay the employee his base pay plus premium pay on an annual basis.

(f) Except when terminated under paragraph (e) of this section, an agency shall continue to pay an employee an existing aggregate rate so long as:

(1) He remains in a position to which §550.141, §550.151, or §550.162(c) is applicable;

(2) His tour of duty does not decrease in length; and

(3) He continues to perform equivalent night, holiday, and irregular or occasional overtime work.

(g) If an employee who is entitled to an existing aggregate rate moves from one position to another in the same agency, both of which are within the scope of section 5545(c) of title 5, United States Code, he is entitled to be paid an existing aggregate rate in the new position such as he would have received had he occupied that position when the agency elected to make section 5545(c) applicable to it.

PAY FOR SUNDAY WORK

§ 550.171 Authorization of pay for Sunday work.

(a) An employee is entitled to pay at his or her rate of basic pay plus premium pay at a rate equal to 25 percent of his or her rate of basic pay for each hour of Sunday work (as defined in §550.103).

(b) An employee is not entitled to Sunday premium pay while engaged in training, except as provided in §410.402 of this chapter.

§ 550.172 Relation to overtime, night, and holiday pay.

(a) Premium pay for Sunday work is in addition to premium pay for holiday work, overtime pay, or night pay differential payable under this subpart and is not included in the rate of basic pay used to compute the pay for holiday work, overtime pay, or night pay differential.

(b) For a Border Patrol agent covered by 5 U.S.C. 5550 and subpart P of this part, no Sunday premium pay is payable for regularly scheduled overtime hours within the agent’s regular tour of duty, as required by 5 U.S.C. 5550(b)(2)(C), (b)(3)(C), and (c)(1)(A). The overtime supplement payable for such scheduled overtime hours is not part of the agent’s rate of basic pay used in computing the Sunday premium pay for other hours that qualify for such premium pay.

LAW ENFORCEMENT AVAILABILITY PAY

§ 550.181 Coverage.

(a) Each employee meeting the definition of criminal investigator in §550.103, and fulfilling the conditions and requirements of 5 U.S.C. 5545a and §§550.181 through 550.186, must receive availability pay to compensate the criminal investigator for unscheduled duty in excess of the 40-hour workweek based on the needs of the employing agency, except as provided in paragraph (b) of this section.

§ 550.182 Eligibility.

(a) An employee is eligible for availability pay when the employee is required to perform unscheduled duty because of an emergency or unforeseen circumstance that arises during the employee’s regular tour of duty, including unscheduled overtime hours identified for availability pay scheduled in advance.

(b) Availability pay is not payable for unscheduled overtime hours, as defined in §550.103, that are scheduled in advance.

Office of Personnel Management

§ 550.182 Unscheduled duty.

(a) Unscheduled Duty Hours. For the purpose of availability pay, unscheduled duty hours are those hours during which a criminal investigator performs work, or (except for a special agent in the Diplomatic Security Service) is determined by the employing agency to be available for work, that are not—

(1) Part of the 40-hour basic workweek of the investigator; or

(2) Regularly scheduled overtime hours compensated under 5 U.S.C. 5542 and § 550.111.

(b) Regularly Scheduled Overtime Hours. For criminal investigators receiving availability pay, regularly scheduled overtime hours compensated under 5 U.S.C. 5542 and § 550.111 are those overtime hours scheduled in advance of the investigator’s administrative workweek, excluding—

(1) The first 2 hours of overtime work on any day containing a part of the investigator’s basic 40-hour workweek, as required by § 550.111(f)(1)); or

(2) The first 2 hours of overtime work performing protective duties authorized by section 3066(a) of title 18, United States Code, or section 2709(a)(3) of title 22, United States Code, on any day containing a part of the investigator’s basic 40-hour workweek, unless the investigator performs 2 or more consecutive hours of unscheduled overtime work on that same day.

(c) Actual work hours. To be considered to be performing work under paragraph (a) of this section, a criminal investigator must be performing work as officially ordered or approved, including work performed without specific supervisory preapproval, if circumstances require the criminal investigator to perform the duty to meet the needs of the employing agency, subject to agency policies and procedures (including any requirements for after-the-fact validation or approval).

(d) Availability Hours. To be considered available for work under paragraph (a) of this section, a criminal investigator must be determined by the employing agency to be generally and reasonably accessible to perform unscheduled duty based on the needs of the agency. Generally, the agency will place the investigator in availability status by directing the investigator to be available during designated periods to meet agency needs, as provided by agency policies and procedures. Placing the investigator in availability status is not considered scheduling the investigator for overtime hours compensated under 5 U.S.C. 5542 and § 550.111. Availability hours may include hours during which an investigator places himself or herself in availability status to meet the needs of the agency, subject to agency policies and procedures (including any requirements for after-the-fact validation or approval). A special agent in the Diplomatic Security Service may not be credited with availability hours and will be credited with only hours actually worked.

(e) Ensuring availability. Except as provided in paragraphs (e) and (f) of this section, an employing agency shall ensure that each criminal investigator’s hours of unscheduled duty are sufficient to enable the investigator to meet the substantial hours requirement in § 550.183 and make the certification required under § 550.184.

(f) Voluntary opt-out. Notwithstanding paragraph (d) of this section, an employing agency may, at its discretion, approve a criminal investigator’s voluntary request that the investigator generally be assigned no overtime work (including unscheduled duty) for a designated period of time because of a personal or family hardship situation. The investigator must sign a written statement documenting this request and his or her understanding that availability pay will not be payable during the designated period.

(g) When availability pay is suspended. The employing agency is not subject to the requirement of paragraph (d) of this section in the case of a criminal investigator for whom availability pay is suspended in accordance with
§ 550.183

§ 550.184(d) due to denial or cancellation of the required certification based on—

(1) Failure to perform unscheduled duty as assigned or reported; or

(2) Inability to perform unscheduled duty for an extended period because of a physical or health condition.

§ 550.183 Substantial hours requirement.

(a) A criminal investigator shall be eligible for availability pay only if the annual average number of hours of unscheduled duty per regular workday is 2 hours or more, as certified in accordance with §550.184. This average is computed by dividing the total unscheduled duty hours for the annual period (numerator) by the number of regular workdays (denominator).

(b) For the purpose of this section, regular workday means each day in the criminal investigator’s basic workweek during which the investigator works at least 4 hours, excluding—

(1) Overtime hours compensated under 5 U.S.C. 5542 and §550.111;

(2) Unscheduled duty hours compensated by availability pay under 5 U.S.C. 5545a and this subpart; and

(3) Hours during which an investigator is engaged in agency-approved training, is traveling under official travel orders, is on approved leave, or is on excused absence with pay (including paid holidays).

(c) In computing average hours under paragraph (a) of this section, the total unscheduled duty hours in the numerator shall include—

(1) Any unscheduled duty hours on a regular workday; and

(2) Any unscheduled duty hours actually worked by an investigator on days that are not regular workdays.

[59 FR 66151, Dec. 23, 1994]

§ 550.184 Annual certification.

(a) Each newly hired criminal investigator who will receive availability pay and the appropriate supervisory officer (as designated by the head of the agency or authorized designee) shall make an initial certification to the head of the agency attesting that the investigator is expected to meet the substantial hours requirement in §550.183 during the upcoming 1-year period. A similar certification shall be made for a criminal investigator who will begin receiving availability pay after a period of nonreceipt (e.g., a designated voluntary opt-out period under §550.182(e)).

(b) Each criminal investigator who is receiving availability pay and the appropriate supervisory officer (as designated by the head of the agency or authorized designee) shall make an annual certification to the head of the agency attesting that the investigator currently meets, and is expected to continue to meet during the upcoming 1-year period, the substantial hours requirement in §550.183.

(c) A certification shall no longer apply when the employee separates from Federal service, is employed by another agency, moves to a position that does not qualify as a criminal investigator position, or begins a voluntary opt-out period under §550.182(e).

(d) The employing agency shall ensure that criminal investigators receiving availability pay comply with the substantial hours requirement in §550.183, as certified in accordance with this section. The employing agency may deny or cancel a certification based on a finding that an investigator has failed to perform unscheduled duty (availability or work) as assigned or reported, or is unable to perform unscheduled duty for an extended period due to physical or health reasons. If a certification is denied or canceled, the investigator’s entitlement to availability pay shall be suspended for an appropriate period, consistent with agency policies. If the investigator’s certification was valid when made, the suspension of availability pay shall be effected prospectively.

(e) An involuntary suspension of availability pay resulting from a denial or cancellation of certification under paragraph (d) of this section is a reduction in pay for the purpose of applying the adverse action procedures of 5 U.S.C. 7512 and part 752 of this chapter, except for special agents in the Foreign Service. For special agents in the Foreign Service, an involuntary suspension of availability pay resulting from a denial or cancellation of certification...

(a) Standby duty pay under §550.141 and administratively uncontrollable overtime pay under §550.151 may not be paid to a criminal investigator receiving availability pay. Receipt of availability pay does not affect an investigator’s entitlement to other types of premium pay (including overtime pay under §550.111) based on hours other than unscheduled duty hours. However, a criminal investigator receiving availability pay may not be paid any other premium pay based on unscheduled duty hours.

(b) Availability pay is treated as part of basic pay or basic salary only for the following purposes:

(1) 5 U.S.C. 5524a, pertaining to advances in pay;

(2) 5 U.S.C. 5595(c), pertaining to severance pay;

(c) The minimum wage and the hours of work and overtime pay provisions of the Fair Labor Standards Act do not apply to criminal investigators receiving availability pay.

§ 550.185 Payment of availability pay.

(a) Availability pay is paid only for periods of time during which a criminal investigator receives basic pay. Availability pay is an amount equal to the lesser of—

(1) 25 percent of a criminal investigator’s rate of basic pay, as defined in §550.103, including amounts designated as “salary” for special agents in the Diplomatic Security Service; or

(2) The maximum amount that may be paid to avoid exceeding the maximum earnings limitation on premium pay for law enforcement officers in 5 U.S.C. 5547(c).

(b) Except as provided in paragraph (c) of this section, a criminal investigator who is eligible for availability pay shall continue to receive such pay during any period such investigator is attending agency-sanctioned training, on agency-ordered travel status, on agency-approved leave with pay, or on excused absence with pay for relocation purposes.

(c) Agencies may, at their discretion, provide availability pay to criminal investigators during training that is considered initial, basic training usually provided in the first year of service.

(d) Agencies may, at their discretion, provide for the continuation of availability pay when a criminal investigator is on excused absence with pay, except where payment is mandatory under paragraph (b) of this section.

(e) The amount of availability pay payable to a criminal investigator for a pay period is not affected by the occurrence of a paid holiday during that period.

§ 550.186 Relationship to other payments.

(a) Standby duty pay under §550.141 and administratively uncontrollable overtime pay under §550.151 may not be paid to a criminal investigator receiving availability pay. Receipt of availability pay does not affect an investigator’s entitlement to other types of premium pay (including overtime pay under §550.111) based on hours other than unscheduled duty hours. However, a criminal investigator receiving availability pay may not be paid any other premium pay based on unscheduled duty hours.

(b) Availability pay is treated as part of basic pay or basic salary only for the following purposes:

(1) 5 U.S.C. 5524a, pertaining to advances in pay;

(2) 5 U.S.C. 5595(c), pertaining to severance pay;

(3) 5 U.S.C. 8114(e), pertaining to workers’ compensation;

(4) 5 U.S.C. 8331(3) and 5 U.S.C. 8401(4), pertaining to retirement benefits;

(5) Subchapter III of chapter 84 of title 5, United States Code, pertaining to the Thrift Savings Plan;

(8) For any other purposes explicitly provided for by law or as the Office of Personnel Management or the Secretary of State (for matters exclusively within the jurisdiction of the Secretary) may prescribe by regulation.

(c) The minimum wage and the hours of work and overtime pay provisions of the Fair Labor Standards Act do not apply to criminal investigators receiving availability pay.

§ 550.187 Transitional provisions.

(a) Except as provided in paragraph (b) of this section, not later than the first day of the first pay period beginning on or after October 30, 1994, each criminal investigator qualified to receive availability pay and the appropriate supervisory officer (as designated by the agency head or authorized designee) shall make an initial certification to the head of the agency that the investigator is expected to meet the substantial hours requirement in §550.183. The head of an agency may prescribe procedures necessary to administer this paragraph.

(b)(1) In the case of criminal investigators who are employed in offices of Inspectors General and who, immediately prior to September 30, 1994, were not receiving administratively uncontrollable overtime pay, or were receiving such pay at a rate of less than 25 percent, the employing office may delay implementation of availability pay; however, availability pay shall be implemented (in accordance with §§ 550.181 through 550.186) no later than—

(i) September 30, 1995, for investigators who are not receiving administratively uncontrollable overtime pay; or

(ii) The first day of the last pay period ending on or before September 30, 1995, for investigators who were receiving administratively uncontrollable overtime pay at a rate of less than 25 percent immediately prior to September 30, 1994.

(2) A criminal investigator who is employed in an Inspector General office and was receiving administratively uncontrollable overtime pay at a rate of less than 25 percent immediately prior to September 30, 1994, shall continue to receive at least that rate or a higher rate, if increased by the employing agency, until the availability pay provision is implemented for the position (no later than as provided in paragraph (b)(1)(i) of this section).

(3) Implementation of availability pay for criminal investigators under paragraph (b)(1) of this section shall be in accordance with the requirements and conditions set forth in §§550.181 through 550.186. § 550.206 Waiver of repayment.

The head of an agency may waive in whole or in part a right of recovery of an advance payment under 5 U.S.C. 5524a and this subpart if he or she determines that recovery would be against equity and good conscience or against the public interest under criteria established by the agency.

(a) Purpose. This subpart provides regulations to administer subchapter III (except sections 5524a and 5525) of chapter 55 of title 5, United States Code. The regulations provide for Governmentwide uniformity in making payments during an evacuation to employees or their dependents, or both, who are evacuated in the United States because of natural disasters or for military or other reasons that create imminent danger to their lives.

(b) Applicability. This subpart applies to—

(1) Executive agencies, as defined in section 105 of title 5, United States Code.
(2) Employees of an agency who are U.S. citizens or who are U.S. nationals;
(3) Employees of an agency who are not citizens or nationals of the United States, but who were recruited with a transportation agreement that provides return transportation to the area from which recruited; and
(4) Alien employees of an agency hired within the United States.

(c) Authority. The head of an agency may make advance payments and evacuation payments and pay special allowances as provided by this subpart. If the head of an agency proposes to issue regulations that deviate from the provisions of this subpart, prior approval of the agency regulations, as required by section 4(b) of Executive Order 10982 of December 25, 1961, must be secured from the Office of Personnel Management.

(d) Administration. The head of an agency having employees subject to this subpart is responsible for the proper administration of this subpart. Payment of advance payments and evacuation payments and any required adjustments shall be made in accordance with procedures established by the agency.

§ 550.402 Definitions.

Agency means an Executive agency, as defined in section 103 of title 5, United States Code.

Day means a calendar day, except when otherwise specified by the head of an agency.

Dependent means a family member of the employee residing with the employee and dependent on the employee for support.

Designated representative means a person 16 years of age or over who is named by an employee for the purpose of caring for a dependent.

(2) Maintain a common residence, and intend to continue to do so (or would maintain a common residence but for an assignment abroad or other employment-related, financial, or similar obstacle);
(3) Are at least 18 years of age and mentally competent to consent to contract;
(4) Share responsibility for a significant measure of each other’s financial obligations;
(5) Are not married or joined in a civil union to anyone else;
(6) Are not the domestic partner of anyone else;
(7) Are not related in a way that, if they were of opposite sex, would prohibit legal marriage in the U.S. jurisdiction in which the domestic partnership was formed;
(8) Are willing to certify, if required by the agency, that they understand that willful falsification of any documentation required to establish that an individual is in a domestic partnership may lead to disciplinary action and the recovery of the cost of benefits received related to such falsification, as well as constitute a criminal violation under 18 U.S.C. 1001, and that the method for securing such certification, if required, will be determined by the agency; and

§ 550.403 Advance payments; evacuation payments; special allowances.

(a) An advance payment of pay, allowances, and differentials may be made to an employee who has received an order to evacuate, provided that, in the opinion of the agency head or designated official, payment in advance of the date on which an employee otherwise would be entitled to be paid is required to help the employee defray immediate expenses incidental to the evacuation.

(b) Evacuation payments of pay, allowances, and differentials may be made to an employee during an evacuation and shall be paid on the employee’s regular pay days when feasible.

(c) Special allowances, including travel expenses and per diem, may be paid to evacuated employees to offset any direct added expenses that are incurred by the employee as a result of his or her evacuation or the evacuation of his or her dependents.

(d) An advance payment or an evacuation payment may be paid to the employee, a dependent 16 years of age or over, or a designated representative. When payment is made to someone other than the employee, prior written authorization by the employee must have been provided to the authorizing agency official.

(e) Any agency may make payments in an evacuation situation to an employee of another Federal agency (or his or her dependent(s) or personal representative) who has received an order to evacuate. When a payment is made under this subpart by an agency other than the employee’s agency, the agency making the payment shall immediately report the amount and date of the payment to the employee’s agency in order that prompt reimbursement may be made.

§ 550.404 Computation of advance payments and evacuation payments; time periods.

(a) Payments shall be based on the rate of pay (including allowances, differentials, or other authorized payments) to which the employee was entitled immediately before the issuance of the order of evacuation. All deductions authorized by law, such as retirement or social security deductions, authorized allotments, Federal withholding taxes, and others, when applicable, shall be made before advance payments or evacuation payments are made.

(b)(1) The amount of advance payments shall cover a time period not to exceed 30 days or a lesser number of days, as determined by the authorizing agency official.

(2) Evacuation payments shall cover the period of time during which the order to evacuate remains in effect, unless terminated earlier, but shall not exceed 180 days. When feasible, evacuation payments shall be paid on the employee’s regular pay days.
§ 550.406 Work assignments during evacuation; return to duty.

(a) Evacuated employees at safe havens may be assigned to perform any that may result from evacuation travel arrangements.

(b) Subsistence expenses for an evacuated employee or his or her dependents shall be determined at applicable per diem rates for the safe haven or for a station other than the safe haven that has been approved by appropriate authority. Such subsistence expenses shall begin to be paid on the date following arrival and may continue until terminated. The subsistence expenses shall be computed on a daily rate basis, as follows:

(1) An agency must compute the applicable maximum per diem rate by using the "lodgings-plus per diem system," as defined in the FTR, for the employee and each dependent who is 12 years of age or over. For each dependent under 12 years of age, the per diem rate is one-half of the applicable maximum per diem rate for employees and dependents who are 12 years of age or over. An agency may pay these maximum rates for a period not to exceed the first 30 days of evacuation.

(2) If, after expiration of the 30-day period, the evacuation has not been terminated, the per diem rate shall be computed at 60 percent of the rates prescribed in paragraph (b)(1) of this section until a determination is made by the agency that subsistence expenses are no longer authorized. This rate may be paid for a period not to exceed 180 days after the effective date of the order to evacuate.

(3) The daily rate of the subsistence expense allowance actually paid an employee shall be either a rate determined in accordance with paragraphs (b) (1) and (2) of this section or a lower rate determined by the agency to be appropriate for necessary living expenses.

(c) Payment of subsistence expenses shall be decreased by the applicable per-person amount for any period during which the employee is authorized regular travel per diem in accordance with the FTR.

§ 550.407 Termination of payments during evacuation.

Advance payments or evacuation payments terminate when the agency determines that—

(a) The employee is assigned to another duty station outside the evacuation area;

(b) The employee abandons or is otherwise separated from his or her position;

(c) The employee’s employment is terminated by his or her transfer to retirement rolls or other type of annuity based on cessation of civilian employment;

(d) The employee resumes his or her duties at the duty station from which he or she was evacuated;

(e) The agency determines that payments are no longer warranted; or

(f) The date the employee is determined to be covered by the Missing Persons Act (50 App. U.S.C. 1001 et seq.), unless payment is earlier terminated under these regulations.

§ 550.408 Review of accounts; service credit.

(a) The payroll office having jurisdiction over the employee’s account shall review each employee’s account for the purpose of making adjustments at the earliest possible date after the evacuation is terminated (or earlier if the circumstances justify), after the employee returns to his or her assigned duty station, or when the employee is reassigned officially.

(b) The employee’s pay shall be adjusted on the basis of the rates of pay, allowances, or differentials, if any, to which he or she would otherwise have been entitled under all applicable statutes other than section 5527 of title 5, United States Code. Any adjustments in the employee’s account shall also reflect advance payments made to the employee under §550.403(a) of this subpart.

(c)(1) After an employee’s account is reviewed as required by paragraph (a) of this section, if it is found that the employee is indebted for any part of the advance payment made to him or her or his or her dependent(s) or designated representative, recovery of the indebtedness shall be effected by the payroll office having jurisdiction over the employee’s account, unless a waiver of recovery has been approved. Repayment of the indebtedness may be made either in full or in partial payments, as determined by the head of the agency or designated official.

(2) Recovery of indebtedness for advance payment shall not be required when it is determined by the head of the agency or designated official that the recovery would be against equity or good conscience or against the public interest. Findings that formed the basis for waiver of recovery shall be filed in the employee’s personnel folder on the permanent side.

(d) For the period or periods covered by any payments made under this subpart, the employee shall be considered as performing active Federal service without a break in service.

§ 550.409 Evacuation payments during a pandemic health crisis.

(a) An agency may order one or more employees to evacuate from their worksite and perform work from their home (or an alternative location mutually agreeable to the agency and the employee) during a pandemic health crisis without regard to whether the agency and the employee have a telework agreement in place at the
time the order to evacuate is issued. Under these circumstances, an agency may designate the employee’s home (or an alternative location mutually agreeable to the agency and the employee) as a safe haven and provide evacuation payments to the employee. An agency must compute the evacuation payments and determine the time period during which such payments will be made in accordance with §550.404. An evacuated employee at a safe haven may be assigned to perform any work considered necessary or required to be performed during the period of evacuation without regard to his or her grade, level, or title. The employee must have the necessary knowledge and skills to perform the assigned work. Failure or refusal to perform assigned work may be a basis for terminating evacuation payments, as well as disciplinary action.

(b) The head of an agency, in his or her sole and exclusive discretion, may grant special allowance payments, based upon a case-by-case analysis, to offset the direct added expenses incidental to performing work from home (or an alternative location mutually agreeable to the agency and the employee) during a pandemic health crisis.

(c) An agency may terminate evacuation payments under the conditions listed in §550.407. An agency must make any necessary adjustments in pay consistent with §550.408 after the evacuation is terminated.

§550.502 Definitions.

In this subpart:

Employee means a person holding a position.

Pay means pay paid for services in a position but excludes fees paid on other than a time basis.

Position has the meaning given that term by section 5531 of title 5, United States Code.

Week means the period of 7 calendar days from Sunday through Saturday.

§550.503 Exceptions in emergencies.

Section 5533(a) of title 5, United States Code, does not apply to pay from a position for services performed under emergency conditions relating to health, safety, protection of life or property, or national emergency.

§550.504 Other exceptions.

(a) When a department, agency, or the government of the District of Columbia encounters difficulty in obtaining employees to perform required personal services because of section 5533(a) of title 5, United States Code, it may make an exception from that section upon determining that the required services cannot be readily obtained otherwise. The exception shall specify the position(s) to which it applies.

(b) The Office of Personnel Management will publish exceptions of general application.

Subpart E—Pay From More Than One Position

§550.501 Scope.

(a) Applicability. (1) This subpart and section 5533 of title 5, United States Code, apply in determining an employee’s entitlement to receive pay from more than one position.

(2) This subpart and section 5533(a) of title 5, United States Code, apply only to an employee holding more than one position when the aggregate number of hours worked during a week exceeds 40.

(b) Coverage. This subpart and section 5533(a) of title 5, United States Code, apply to each department and agency (including each corporation owned or controlled by the Government of the United States and including non-appropriated fund instrumentalities under the jurisdiction of the armed forces) in the legislative (except as provided in section 5533(c) of that title), judicial, and executive branches of the Government of the United States and to the government of the District of Columbia.
§ 550.505 Report to OPM.

OPM may require a department, agency, or the government of the District of Columbia to submit a periodic report on its use of the exceptions from section 5533(a) of title 5, United States Code.

Subpart F—Computation of Pay for Biweekly Pay Periods

SOURCE: 70 FR 24477, May 10, 2005, unless otherwise noted.

§ 550.601 Purpose.

This subpart provides regulations to implement 5 U.S.C. 5504 to compute pay on a biweekly pay period basis for employees in an agency, as defined in §550.603.

§ 550.602 Coverage.

(a) This subpart applies to—
(1) An employee in or under an agency, except an employee excluded by paragraph (b) of this section;
(2) The head of an agency;
(3) The head of a military department, as defined in 5 U.S.C. 102;
(4) A Foreign Service officer;
(5) A member of the Senior Foreign Service;
(6) A member of the Senior Executive Service; or
(7) A member of the Federal Bureau of Investigation and Drug Enforcement Administration Senior Executive Service.

(b) This subpart does not apply to—
(1) An employee on the Isthmus of Panama in the service of the Panama Canal Commission; or
(2) An employee or individual excluded from the definition of employee in 5 U.S.C. 5541(2), except employees excluded by 5 U.S.C. 5541(2)(i), (ii), and (xiv) through (xvii) are covered by this subpart.

§ 550.603 Definitions.

In this subpart—

Agency means an executive agency, as defined in 5 U.S.C. 105.

Employee has the meaning given that term in 5 U.S.C. 2105.

§ 550.604 Biweekly pay periods and computation of pay.

Agencies must apply the biweekly pay period and computation of pay provisions of 5 U.S.C. 5504 for employees covered by §550.602(a).

§ 550.605 Exceptions.

An agency head or designee may deem that an employee excluded from coverage under §550.602(b)(2) is covered by 5 U.S.C. 5504 in situations where he or she determines that continuing to calculate the pay of such employees on a monthly or other basis would diminish the level of services provided to the public by the agency. An agency head or designee may also deem that otherwise excluded employees are covered by 5 U.S.C. 5504 when he or she determines that computing the pay of such employees under that provision of law would provide cost savings in agency operations.

§ 550.606 Reporting exceptions to OPM.

Each agency must notify OPM in writing of any exceptions made under §550.605.

Subpart G—Severance Pay

SOURCE: 55 FR 6593, Feb. 26, 1990, unless otherwise noted.

§ 550.701 Introduction.

This subpart contains regulations of the Office of Personnel Management to implement the provisions of 5 U.S.C. 5595. These regulations authorize severance pay for employees who are involuntarily separated from Federal service and who meet other conditions of eligibility.

§ 550.702 Coverage.

Except as provided in 5 U.S.C. 5595(a)(2) (i) through (viii), this subpart applies to each full-time or part-time employee; that is, an employee with a regularly scheduled tour of duty who is
serving under a qualifying appointment, as defined in §550.703.

§ 550.703 Definitions.

In this subpart:

Agency means an agency as defined in 5 U.S.C. 5595(a)(1), except the government of the District of Columbia.

Commuting area means the geographic area surrounding a work site that encompasses the localities where people live and reasonably can be expected to travel back and forth daily to work, as established by the employing agency based on the generally held expectations of the local community. When an employee’s residence is within the standard commuting area for a work site, the work site is within the employee’s commuting area. When an employee’s residence is outside the standard commuting area for a proposed new work site, the employee’s commuting area is deemed to include the expanded area surrounding the employee’s residence and including all destinations that can be reached via a commuting trip that is not significantly more burdensome than the current commuting trip. This excludes a commuting trip from a residence where the employee planned to stay only temporarily until he or she could find a more permanent residence closer to his or her work site. For this purpose, a commuting trip to a new work site is considered significantly more burdensome if it would compel the employee to change his or her place of residence in order to continue employment, taking into account commuting time and distance, availability of public transportation, cost, and any other relevant factors.

Comparison rate has the meaning given that term in §536.103 of this chapter, except paragraph (2) of that definition should be used for the purpose of comparing grades or levels of work for all situations not covered by paragraph (1) of that definition.

Employee (for the purpose of establishing initial entitlement to severance pay upon separation) means an employee as defined in 5 U.S.C. 5595(a)(2), excluding an individual employed by the government of the District of Columbia.

Immediate annuity means—

(a) A recurring benefit payable under a retirement system applicable to Federal civilian employees or members of the uniformed services that the individual is eligible to receive (disregarding any offset described in §550.704(b)(5)) at the time of the involuntary separation from civilian service or that begins to accrue within 1 month after such separation, excluding any Social Security retirement benefit; or

(b) A benefit that meets the conditions in paragraph (a) of this definition, except that the benefit begins to accrue more than 1 month after separation solely because the employee elected a later commencing date (such as allowed under §842.204 of this chapter).

Inefficiency means unacceptable performance or conduct that leads to a separation under part 432 or 752 of this chapter or an equivalent procedure.

Involuntary separation means a separation initiated by an agency against the employee’s will and without his or her consent for reasons other than inefficiency, including a separation resulting from the expiration of a time-limited appointment effected within 3 calendar days after separation from a qualifying appointment. In addition, when an employee is separated because he or she declines to accept reassignment outside his or her commuting area, the separation is “involuntary” if the employee’s position description or other written agreement does not provide for such a reassignment. However, an employee’s separation is not “involuntary” if, after such a written mobility agreement is added, the employee accepts one reassignment outside his or her commuting area, but subsequently declines another such reassignment.

Employed by the Government of the United States refers to employment by any part of the Government of the United States, including the United States Postal Service and similar independent entities, but excluding enlistment or activation in the armed forces (as defined in 5 U.S.C. 2101).
Nonqualifying appointment means an appointment that does not convey eligibility for severance pay under this subpart, including—
(a) An appointment at a noncovered agency;
(b) An appointment in which the employee has an intermittent work schedule;
(c) A Presidential appointment;
(d) An emergency appointment;
(e) An excepted appointment under Schedule C; a noncareer appointment in the Senior Executive Service, as defined in 5 U.S.C. 3132(a); or an equivalent appointment made for similar purposes; and
(f) A time-limited appointment (except for a time-limited appointment that is qualifying because it is made effective within 3 calendar days after separation from a qualifying appointment), including—
(1) A term appointment;
(2) An overseas limited appointment with a time limitation;
(3) A limited term or limited emergency appointment in the Senior Executive Service, as defined in 5 U.S.C. 3132(a); or an equivalent appointment made for similar purposes;
(4) A Veterans Recruitment Appointment under part 307 of this chapter; and
(5) A Presidential Management Fellows Program appointment under §213.3402(c) of this chapter.

Qualifying appointment means—
(a) A career or career-conditional appointment in the competitive service or the equivalent in the excepted service;
(b) A career appointment in the Senior Executive Service;
(c) An excepted appointment without time limitation, except under Schedule C or an equivalent appointment made for similar purposes;
(d) An overseas limited appointment without time limitation;
(e) A status quo appointment, including one that becomes indefinite when the employee is promoted, demoted, or reassigned;
(f) A time-limited appointment in the Foreign Service, when the employee was assigned under a statutory authority that carried entitlement to reemployment in the same agency, but this right of reemployment has expired; and
(g) A time-limited appointment (including a series of time-limited appointments by the same agency without any intervening break in service) for full-time employment that takes effect within 3 calendar days after the end of one of the qualifying appointments listed in paragraphs (a) through (f) of this definition, provided the time-limited appointment is not nonqualifying on grounds other than the time-limited nature of the appointment.

Rate of basic pay means the rate of pay fixed by law or administrative action for the position held by an employee, excluding additional pay of any kind except the following, as applicable:
(1) Any locality payment under 5 CFR part 531, subpart F; special rate supplement under 5 CFR part 530, subpart C; or similar payment or supplement under other legal authority;
(2) Annual premium pay under 5 U.S.C. 5545(c) or availability pay under 5 U.S.C. 5545a;
(3) Straight-time pay for regular overtime hours for firefighters under 5 U.S.C. 5545b (as provided in §550.1305(b));
(4) Night differential for prevailing rate employees under 5 U.S.C. 5343(f);
and
(5) An overtime supplement for regularly scheduled overtime within a Border Patrol agent’s regular tour of duty under 5 U.S.C. 5550 (as required by 5 U.S.C. 5550(d)(1)(A)).

Reasonable offer means the offer of a position that meets all the following conditions:
(a) The offer is in writing;
(b) The employee meets established qualification requirements; and
(c) The offered position is—
(1) In the employee’s agency, including an agency to which the employee is transferred with his or her function in a transfer of functions between agencies;
(2) Within the employee’s commuting area, unless geographic mobility is a condition of employment;
(3) Of equal or greater tenure and with the same work schedule (part-time or full-time); and
§ 550.706 Criteria for meeting the requirement for involuntary separation.

(a) An employee who resigns because he or she expects to be involuntarily separated is considered to have been involuntarily separated if the employee resigns after receiving—

(1) One or more qualifying appointments;

(2) One or more nonqualifying temporary appointments that precede the current qualifying appointment; or

(3) An appointment to a position in a nonappropriated fund instrumentality of the Department of Defense or the Coast Guard that precedes the current qualifying appointment in the Department of Defense or the Coast Guard, respectively.

(b) When a break in service that is covered by severance pay interrupts otherwise continuous Federal employment, the entire period is considered continuous service.

(c) The period during which an employee receives continuation of pay or compensation for an injury on the job under chapter 81 of title 5, United States Code, is considered continuous Federal service.

§ 550.707 Computation of severance pay fund.

(a) Basic severance pay allowance. Except as provided in paragraph (b) of this section, the basic severance pay allowance consists of the following:

1. One week of pay at the rate of basic pay for the position held by the employee at the time of separation for each full year of creditable service through 10 years;

2. Two weeks of pay at the rate of basic pay for the position held by the employee at the time of separation for each full year of creditable service beyond 10 years; and

3. Twenty-five percent of the otherwise applicable amount for each full 3 months of creditable service beyond the final full year.

(b) Basic severance pay allowance for employees with variable work schedules or rates of basic pay. In the following circumstances, the weekly rate of basic pay used in computing the basic severance pay allowance must be determined based on the weekly average for the last position held by the employee during the 26 biweekly pay periods immediately preceding separation, as follows:

1. For positions in which the number of hours in the employee’s basic work schedule (excluding overtime hours) varies during the year because of part-time work requirements, compute the weekly average of those hours and multiply that average by the hourly rate of basic pay in effect at separation.

2. For positions in which the rate of annual premium pay for standby duty regularly varies throughout the year, compute the average standby duty premium pay percentage and multiply that percentage by the weekly rate of basic pay (as defined in §550.103) in effect at separation.

3. For prevailing rate positions in which the amount of night shift differential pay under 5 U.S.C. 5343(f) varies from week to week under a regularly recurring cycle of work schedules, determine for each week in the averaging period the value of night shift differential pay expressed as a percentage of each week’s scheduled rate of pay (as defined in §532.401 of this chapter), compute the weekly average percentage, and multiply that percentage by the weekly scheduled rate of pay in effect at separation.

4. For positions with seasonal work requirements, compute the weekly average of hours in a pay status (excluding overtime hours) and multiply that average by the hourly rate of basic pay in effect at separation.

5. For positions held by firefighters compensated under subpart M of this part, where the firefighter has a recurring cycle of variable workweeks within his or her regular tour of duty (as defined in §550.1302), compute the weekly average of hours in the regular tour of duty and determine the weekly rate of basic pay based on the average workweek and the rate of basic pay in effect at separation.

(c) Age adjustment allowance. The basic severance pay allowance is augmented by an age adjustment allowance consisting of 2.5 percent of the basic severance pay allowance for each full 3 months of age over 40 years.
Office of Personnel Management

§ 550.709

(a) Severance pay accrues on a day-to-day basis following the recipient’s separation from Federal employment. If severance pay begins in the middle of a pay period, 1 day of severance pay accrues for each workday or applicable holiday left in the pay period at the same rate at which basic pay would have accrued if the recipient were still employed. Thereafter, accrual is based on days from Monday through Friday, with each day worth one-fifth of 1 week’s severance pay. Accrual ceases when the severance pay entitlement is suspended or terminated, as provided in §§550.710 and 550.711. If severance pay is suspended during a nonqualifying time-limited appointment as provided in §550.710, accrual will resume following separation from that appointment.

(b) Severance payments must be made at the same pay period intervals that salary payments would be made if the recipient were still employed. The amount of the severance payment is computed using the recipient’s rate of basic pay in effect immediately before separation, with credit for each day of severance pay accrual during the pay period corresponding to the payment date. A severance payment is subject to appropriate deductions for income and Social Security taxes. Severance payments are the responsibility of the agency employing the recipient at the time of the involuntary separation that triggered the current entitlement to severance pay.

(c) When an individual receives severance pay as the result of an involuntary separation from a qualifying time-limited appointment, the severance payment is based on the rate of basic pay received at the time of that separation. Severance payments are the responsibility of the agency that employed the individual under the qualifying time-limited appointment.

(d) When an individual is in a nonpay status immediately before separation, the amount of the severance pay is determined using the basic pay that he or she would have received if he or she had been in a pay status at the time of separation.

(e) When an individual’s severance pay fund is computed under §550.707(b) using an average rate of basic pay, that average rate is used to determine the amount of the severance payment. Exception: In the case of a seasonal employee, the agency may choose instead to use the employee’s rate of basic pay at separation (as computed based on the employee’s work schedule during the established seasonal work period).
§ 550.710 Suspension of severance pay.

When an individual entitled to severance pay is employed by the Government of the United States or the government of the District of Columbia under a nonqualifying time-limited appointment, severance pay must be suspended during the life of the appointment. Severance pay resumes, without any recomputation, when the employee separates from the nonqualifying time-limited appointment. The resumed severance payments are the responsibility of the agency that originally triggered the individual’s severance pay entitlement by separating the individual while he or she was serving under a qualifying appointment.

[64 FR 69178, Dec. 10, 1999]

§ 550.711 Termination of severance pay entitlement.

Entitlement to severance pay ends when—

(a) The individual entitled to severance pay is employed by the Government of the United States or the government of the District of Columbia, unless employed under a nonqualifying time-limited appointment as described in §550.710; or

(b) The severance pay fund is exhausted.

[64 FR 69178, Dec. 10, 1999]

§ 550.712 Reemployment; recredit of service.

(a) When a former employee is reemployed, the employing agency shall record on the appointment document the number of weeks of severance pay received (including partial weeks).

(b) If an employee again becomes entitled to severance pay, the agency in which entitlement arises shall recompute the severance pay allowance on the basis of all creditable service and current age and deduct from the number of weeks it would take to exhaust the allowance the number of weeks for which severance pay previously was received.

§ 550.713 Records.

Agencies shall maintain records, by fiscal year, of the number of employees who receive severance pay and the total amount of severance pay paid. The Office of Personnel Management may require agencies to report such information to the Office.

§ 550.714 Panama Canal Commission employees.

(a) Notwithstanding any other provisions of this subpart, an employee separated from employment with the Panama Canal Commission as a result of the implementation of any provision of the Panama Canal Treaty of 1977 and related agreements shall not be entitled to severance pay if he or she—

(1) Receives a written offer of reasonably comparable employment when such offer is made before separation from Commission employment;

(2) Accepts reasonably comparable employment within 30 days after separation from Commission employment; or

(3) Was hired by the Commission on or after December 18, 1997.

(b) The term reasonably comparable employment means a position that meets all the following conditions:

(1) The position is with the Panamanian public entity that assumes the functions of managing, operating, and maintaining the Panama Canal as a result of the Panama Canal Treaty of 1977:

(2) The rate of basic pay of the position is not more than 10 percent below the employee’s rate of basic pay as a Panama Canal Commission employee;

(3) The position is within the employee’s commuting area;
(4) The position carries no fixed time limitation as to length of appointment; and
(5) The work schedule (that is, part-time or full-time) of the position is the same as that of the position held by the employee at the Panama Canal Commission.

(c) A Panama Canal Commission employee who resigns prior to receiving an official written notice that he or she will not be offered reasonably comparable employment shall be considered to be voluntarily separated. Section 550.706(a) shall be applied, as appropriate, to any employee who resigns after receiving such notice.

(d) Except as otherwise provided by paragraphs (a) through (c) of this section, the provisions of this subpart remain applicable to Panama Canal Commission employees.

§ 550.802 Coverage.

(a) Except as provided in paragraph (b) of this section, this subpart applies to employees, as defined in §550.803 of this subpart.
(b) This subpart does not apply to—
(1) Employees of the government of the District of Columbia; and
(2) Employees of the Tennessee Valley Authority.

§ 550.803 Definitions.

In this subpart:

Agency has the meaning given that term in section 5596(a) of title 5, United States Code.

Appropriate authority means an entity having authority in the case at hand to correct or direct the correction of an unjustified or unwarranted personnel action, including (a) a court, (b) the Comptroller General of the United States, (c) the Office of Personnel Management, (d) the Merit Systems Protection Board, (e) the Equal Employment Opportunity Commission, (f) the Federal Labor Relations Authority and its General Counsel, (g) the Foreign Service Labor Relations Board, (h) the Foreign Service Grievance Board, (i) an arbitrator in a binding arbitration case, and (j) the head of the employing agency or another official of the employing agency to whom such authority is delegated.

Collective bargaining agreement has the meaning given that term in section 7103(a)(8) of title 5, United States Code, and (with respect to members of the Foreign Service) in section 1002 of the Foreign Service Act of 1980 (22 U.S.C. 4102(4)).

Employee means an employee of an agency. When the term employee is used to describe an individual who is making a back pay claim, it also may mean a former employee.

Grievance has the meaning given that term in section 7103(a)(9) of title 5, United States Code, and (with respect to members of the Foreign Service) in section 1101 of the Foreign Service Act of 1980 (22 U.S.C. 4131). Such a grievance includes a grievance processed under an agency administrative grievance system, if applicable.
Pay, allowances, and differentials means pay, leave, and other monetary employment benefits to which an employee is entitled by statute or regulation and which are payable by the employing agency to an employee during periods of Federal employment. Agency and employee contributions to a retirement investment fund, such as the Thrift Savings Plan, are not covered.

Monetary benefits payable to separated or retired employees based upon a separation from service, such as retirement benefits, severance payments, and lump-sum payments for annual leave, are not covered.

Unfair labor practice means an unfair labor practice described in section 7116 of title 5, United States Code, and (with respect to members of the Foreign Service) in section 1015 of the Foreign Service Act of 1980 (22 U.S.C. 4115). Unjustified or unwarranted personnel action means an act of commission or an act of omission (i.e., failure to take an action or confer a benefit) that an appropriate authority subsequently determines, on the basis of substantive or procedural defects, to have been unjustified or unwarranted under applicable law, Executive order, rule, regulation, or mandatory personnel policy established by an agency or through a collective bargaining agreement. Such actions include personnel actions and pay actions (alone or in combination).

§ 550.804 Determining entitlement to back pay.

(a) When an appropriate authority has determined that an employee was affected by an unjustified or unwarranted personnel action, the employee shall be entitled to back pay under section 5596 of title 5, United States Code, and this subpart only if the appropriate authority finds that the unjustified or unwarranted personnel action resulted in the withdrawal, reduction, or denial of all or part of the pay, allowances, and differentials otherwise due the employee.

(b) The requirement for a “timely appeal” is met when:

(1) An employee or an employee’s personal representative initiates an appeal or grievance under an appeal or grievance system, including appeal or grievance procedures included in a collective bargaining agreement; a claim against the Government of the United States; a discrimination complaint; or an unfair labor practice charge; and

(2) An appropriate authority accepts that appeal, grievance, claim, complaint, or charge as timely filed.

(c) The requirement for an “administrative determination” is met when an appropriate authority determines, in writing, that an employee has been affected by an unjustified or unwarranted personnel action that resulted in the withdrawal, reduction, or denial of all or part of the pay, allowances, and differentials otherwise due the employee.

(d) The requirement for “correction of the personnel action” is met when an appropriate authority, consistent with law, Executive order, rule, regulation, or mandatory personnel policy established by an agency or through a collective bargaining agreement, after a review, corrects or directs the correction of an unjustified or unwarranted personnel action that resulted in the withdrawal, reduction, or denial of all or part of the pay, allowances, and differentials otherwise due the employee.

(e)(1) The pay, allowances, and differentials paid as back pay under this subpart (including payments made under any grievance or arbitration decision or any settlement agreement) may not exceed that authorized by any applicable law, rule, regulation, or collective bargaining agreement, including any applicable statute of limitations.

(2) An agency may not authorize pay, allowances, and differentials under this subpart in any case for a period beginning more than 6 years before the date of the filing of a timely appeal, or, absent such filing, the date of the administrative determination that the employee is entitled to back pay, consistent with 31 U.S.C. 3702(b). (See also §178.104 of this chapter.)

(3) For back pay claims dealing with payments under the Fair Labor Standards Act of 1938, as amended (29 U.S.C. 207, et seq.), an agency must apply the 2-year statute of limitations (3 years

§ 550.804 Determining entitlement to back pay.

(a) When an appropriate authority has determined that an employee was affected by an unjustified or unwarranted personnel action, the employee shall be entitled to back pay under section 5596 of title 5, United States Code, and this subpart only if the appropriate authority finds that the unjustified or unwarranted personnel action resulted in the withdrawal, reduction, or denial of all or part of the pay, allowances, and differentials otherwise due the employee.

(b) The requirement for a “timely appeal” is met when:

(1) An employee or an employee’s personal representative initiates an appeal or grievance under an appeal or grievance system, including appeal or grievance procedures included in a collective bargaining agreement; a claim against the Government of the United States; a discrimination complaint; or an unfair labor practice charge; and

(2) An appropriate authority accepts that appeal, grievance, claim, complaint, or charge as timely filed.

(c) The requirement for an “administrative determination” is met when an appropriate authority determines, in writing, that an employee has been affected by an unjustified or unwarranted personnel action that resulted in the withdrawal, reduction, or denial of all or part of the pay, allowances, and differentials otherwise due the employee.

(d) The requirement for “correction of the personnel action” is met when an appropriate authority, consistent with law, Executive order, rule, regulation, or mandatory personnel policy established by an agency or through a collective bargaining agreement, after a review, corrects or directs the correction of an unjustified or unwarranted personnel action that resulted in the withdrawal, reduction, or denial of all or part of the pay, allowances, and differentials otherwise due the employee.

(e)(1) The pay, allowances, and differentials paid as back pay under this subpart (including payments made under any grievance or arbitration decision or any settlement agreement) may not exceed that authorized by any applicable law, rule, regulation, or collective bargaining agreement, including any applicable statute of limitations.

(2) An agency may not authorize pay, allowances, and differentials under this subpart in any case for a period beginning more than 6 years before the date of the filing of a timely appeal, or, absent such filing, the date of the administrative determination that the employee is entitled to back pay, consistent with 31 U.S.C. 3702(b). (See also §178.104 of this chapter.)

(3) For back pay claims dealing with payments under the Fair Labor Standards Act of 1938, as amended (29 U.S.C. 207, et seq.), an agency must apply the 2-year statute of limitations (3 years
§ 550.805 Back pay computations.

(a) When an appropriate authority corrects or directs the correction of an unjustified or unwarranted personnel action that resulted in the withdrawal, reduction, or denial of all or part of the pay, allowances, and differentials otherwise due an employee—

(1) The employee shall be deemed to have performed service for the agency during the period covered by the corrective action; and

(2) The agency shall compute for the period covered by the corrective action the pay, allowances, and differentials the employee would have received if the unjustified or unwarranted personnel action had not occurred.

(b) No employee shall be granted more pay, allowances, and differentials under section 5596 of title 5, United States Code, and this subpart than he or she would have been entitled to receive if the unjustified or unwarranted personnel action had not occurred.

(c) Except as provided in paragraph (d) of this section, in computing the amount of back pay under section 5596 of title 5, United States Code, and this subpart, an agency may not include—

(1) Any period during which an employee was not ready, willing, and able to perform his or her duties because of an incapacitating illness or injury; or

(2) Any period during which an employee was unavailable for the performance of his or her duties for reasons other than those related to, or caused by, the unjustified or unwarranted personnel action.

(d) In computing the amount of back pay under section 5596 of title 5, United States Code, and this subpart, an agency shall grant, upon request of an employee, any sick or annual leave available to the employee for a period of incapacitation if the employee can establish that the period of incapacitation was the result of illness or injury.

(e) In computing the net amount of back pay payable under section 5596 of title 5, United States Code, and this subpart, an agency must make the following offsets and deductions (in the order shown) from the gross back pay award:

(1) Any outside earnings (gross earnings less any associated business losses and ordinary and necessary business expenses) received by an employee for other employment (including a business enterprise) undertaken to replace the employment from which the employee was separated by the unjustified or unwarranted personnel action during the interim period covered by the corrective action. Do not count earnings from additional or “moonlight” employment the employee may have engaged in while Federally employed (before separation) and while erroneously separated.

(2) Any erroneous payments received from the Government as a result of the unjustified or unwarranted personnel action, which, in the case of erroneous payments received from a Federal employee retirement system, must be returned to the appropriate system. Such payments must be recovered from the back pay award in the following order:

(i) Retirement annuity payments (i.e., gross annuity less deductions for life insurance and health benefits premiums, if those premiums can be recovered by the affected retirement system from the insurance carrier);

(ii) Refunds of retirement contributions (i.e., gross refund before any deductions);

(iii) Severance pay (i.e., gross payments before any deductions); and

(iv) A lump-sum payment for annual leave (i.e., gross payment before any deductions).

(3) Authorized deductions of the type that would have been made from the employee’s pay (if paid when properly due) in accordance with the normal order of precedence for deductions from pay established by the agency, subject to any applicable law or regulation, including, but not limited to, the following types of deductions, as applicable:

(i) Mandatory employee retirement contributions toward a defined benefit plan, such as the Civil Service Retirement System or the defined benefit component of the Federal Employees Retirement System;

(ii) Social Security taxes and Medicare taxes;
§ 550.806 Interest computations.

(a)(1) Interest begins to accrue on the date or dates (usually one or more pay dates) on which the employee would have received the pay, allowances, and differentials due for each date described in paragraph (e) of this section, interest shall be included in the amount from which deductions for erroneous payments are made, as required by §550.805(e)(2) of this part.

(2) An agency shall credit annual leave restored to an employee as a result of the correction of an unjustified or unwarranted personnel action in excess of the maximum leave accumulation authorized by law to a separate leave account for use by the employee. The employee shall schedule and use annual leave in such a separate leave account as follows:

(1) A full-time employee shall schedule and use excess annual leave of 416 hours or less by the end of the leave year in progress 2 years after the date on which the annual leave is credited to the separate account. The agency shall extend this period by 1 leave year for each additional 208 hours of excess annual leave or any portion thereof.

(2) A part-time employee shall schedule and use excess annual leave in an amount equal to or less than 20 percent of the employee’s scheduled tour of duty over a period of 52 calendar weeks by the end of the leave year in progress 2 years after the date on which the annual leave is credited to the separate account. The agency shall extend this period by 1 leave year for each additional number of hours of excess annual leave, or any portion thereof, equal to 10 percent of the employee’s scheduled tour of duty over a period of 52 calendar weeks.

(h) Agencies must correct errors that affect an employee’s Thrift Savings Plan account consistent with regulations prescribed by the Federal Retirement Thrift Investment Board. (See parts 1605 and 1606 of this title.)

§ 550.806 Interest computations.

(a)(1) Interest begins to accrue on the date or dates (usually one or more pay dates) on which the employee would have received the pay, allowances, and differentials if the unjustified or unwarranted personnel action had not occurred.

(2) Interest accrual ends at a time selected by the agency that is no more than 30 days before the date of the back pay interest payment. No interest is payable if a complete back pay payment is made within 30 days after any erroneous withdrawal, reduction, or denial of a payment, and the interest accrual ending date is set to coincide with the interest accrual starting date.

(b) In computing the amount of interest due under section 5596 of title 5, United States Code, the agency shall reduce the amount of pay, allowances, and differentials due for each date described in paragraph (a) of this section by an amount determined as follows:

(1) Divide the employee’s earnings from other employment during the period covered by the corrective action, as described in §550.805(e)(1) of this part, by the total amount of back pay prior to any deductions;

(2) Multiply the ratio obtained in paragraph (b)(1) of this section by the amount of pay, allowances, and differentials due for each date described in paragraph (a) of this section.

(c) The agency shall compute interest on the amount of back pay computed
under section 5506 of title 5, United States Code, and this subpart before making deductions for erroneous payments, as required by §550.805(e)(2) of this part.

(d) The rate or rates used to compute the interest payment shall be the annual percentage rate or rates established by the Secretary of the Treasury as the overpayment rate under section 6621(a)(1) of title 26, United States Code (or its predecessor statute), for the period or periods of time for which interest is payable.

(e) On each day for which interest accrues, the agency shall compound interest by dividing the applicable interest rate (expressed as a decimal) by 365 (366 in a leap year).

(f) The agency shall compute the amount of interest due, and shall issue the interest payment within 30 days of the date on which accrual of interest ends.

(g) To the extent administratively feasible, the agency shall issue payments of back pay and interest simultaneously. If all or part of the payment of back pay is issued on or before the date on which accrual of interest ends and the interest payment is issued after the payment of back pay is issued, the amount of the payment of back pay shall be subtracted from the accrued amount of back pay and interest, effective with the date the payment of back pay was issued. Interest shall continue to accrue on the remaining unpaid amount of back pay (if any) and interest until the date on which accrual of interest ends.

§550.807 Payment of reasonable attorney fees.

(a) An employee or an employee’s personal representative may request payment of reasonable attorney fees related to an unjustified or unwarranted personnel action that resulted in the withdrawal, reduction, or denial of all or part of the pay, allowances, and differentials otherwise due the employee. Such a request may be presented only to the appropriate authority that corrected or directed the correction of the unjustified or unwarranted personnel action. However, if the finding that provides the basis for a request for payment of reasonable attorney fees is made on appeal from a decision by an appropriate authority other than the employing agency, the employee or the employee’s personal representative shall present the request to the appropriate authority from which the appeal was taken.

(b) The appropriate authority to which such a request is presented shall provide an opportunity for the employing agency to respond to a request for payment of reasonable attorney fees.

(c) Except as provided in paragraph (e) of this section, when an appropriate authority corrects or directs the correction of an unjustified or unwarranted personnel action that resulted in the withdrawal, reduction, or denial of all or part of the pay, allowances, and differentials otherwise due an employee, the payment of reasonable attorney fees shall be deemed to be warranted only if—

(1) Such payment is in the interest of justice, as determined by the appropriate authority in accordance with standards established by the Merit Systems Protection Board under section 7701(g) of title 5, United States Code; and

(2) There is a specific finding by the appropriate authority setting forth the reasons such payment is in the interest of justice.

(d) When an appropriate authority determines that such payment is warranted, it shall require payment of attorney fees in an amount determined to be reasonable by the appropriate authority. When an appropriate authority determines that such payment is not warranted, no such payment shall be required.

(e) When a determination by an appropriate authority that an employee has been affected by an unjustified or unwarranted personnel action that resulted in the withdrawal, reduction, or denial of all or part of the pay, allowances, and differentials otherwise due the employee is based on a finding of discrimination prohibited under section 2302(b)(1) of title 5, United States Code, the payment of attorney fees shall be in accordance with the standards prescribed under section 706(k) of
§ 550.808

the Civil Rights Act of 1964, as amended (42 U.S.C. 2000e–5(k)).

(f) The payment of reasonable attorney fees shall be allowed only for the services of members of the Bar and for the services of law clerks, paralegals, or law students, when assisting members of the Bar. However, no payment may be allowed under section 5596 of title 5, United States Code, and this subpart for the services of any employee of the Federal Government, except as provided in section 205 of title 18, United States Code, relating to the activities of officers and employees in matters affecting the Government.

(g) A determination concerning whether the payment of reasonable attorney fees is in the interest of justice and concerning the amount of any such payment shall be subject to review or appeal only if provided for by statute or regulation.

(h) This section does not apply to any administrative proceeding that was pending on January 11, 1979.

APPENDIX A TO SUBPART H OF PART 550—INFORMATION ON COMPUTING CERTAIN COMMON DEDUCTIONS FROM BACK PAY AWARDS

To determine the net back payment owed an employee, an agency must make certain required deductions. (See §550.805(e)(3).) To compute these deductions, an agency must determine the appropriate base or follow other rules, consistent with applicable law. Some deductions, such as tax deductions, are not subject to OPM regulation. To assist agencies, this appendix summarizes the rules for certain common deductions. For further information on Federal tax deductions from back pay awards, please contact the Internal Revenue Service directly or review relevant IRS publications.

Subpart I—Pay for Duty Involving Physical Hardship or Hazard

AUTHORITY: 5 U.S.C. 5545(d), 5548(b).

§ 550.901 Purpose.

This subpart prescribes the regulations required by sections 5545(d) and 5548(b) of title 5, United States Code, for the payment of differentials for duty involving unusual physical hardship or hazard to employees.

[56 FR 20344, May 3, 1991]

§ 550.902 Definitions.

In this subpart: Agency has the meaning given that term in 5 U.S.C. 5102(a)(1).

Duty involving physical hardship means duty that may not in itself be hazardous, but causes extreme physical discomfort or distress and is not adequately alleviated by protective or mechanical devices, such as duty involving exposure to extreme temperatures for a long period of time, arduous physical exertion, or exposure to fumes, dust, or noise that causes nausea, skin, eye, ear, or nose irritation.

Employee means an employee covered by the General Schedule (i.e., covered by chapter 51 and subchapter III of chapter 53 of title 5, United States Code).

Hazardous duty means duty performed under circumstances in which an accident could result in serious injury or death, such as duty performed on a high structure where protective facilities are not used or on an open structure where adverse conditions such as darkness, lightning, steady rain, or high wind velocity exist.

Hazard pay differential means additional pay for the performance of hazardous duty or duty involving physical hardship.

Head of an agency means the head of an agency or an official who has been delegated the authority to act for the head of the agency in the matter concerned.

§ 550.903 Establishment of hazard pay differentials.

(a) A schedule of hazard pay differentials, the hazardous duties or duties involving physical hardship for which they are payable, and the period during which they are payable is set out as appendix A to this subpart and incorporated in and made a part of this section.

(b) Amendments to appendix A of this subpart may be made by OPM on its own motion or at the request of the head of an agency (or authorized designee). The head of an agency (or authorized designee) may recommend the rate of hazard pay differential to be established and must submit, with its request for an amendment, information about the hazardous duty or duty involving physical hardship showing—

(1) The nature of the duty;
(2) The degree to which the employee is exposed to hazard or physical hardship;
(3) The length of time during which the duty will continue to exist;
(4) The degree to which control may be exercised over the physical hardship or hazard; and
(5) The estimated annual cost to the agency if the request is approved.

§ 550.904 Authorization of hazard pay differential.

(a) An agency shall pay the hazard pay differential listed in appendix A of this subpart to an employee who is assigned to and performs any duty specified in appendix A of this subpart. However, hazard pay differential may not be paid to an employee when the hazardous duty or physical hardship has been taken into account in the classification of his or her position, without regard to whether the hazardous duty or physical hardship is grade controlling, unless payment of a differential has been approved under paragraph (b) of this section.

(b) The head of an agency may approve payment of a hazard pay differential when—

(1) The actual circumstances of the specific hazard or physical hardship have changed from that taken into account and described in the position description; and

(2) Using the knowledge, skills, and abilities that are described in the position description, the employee cannot control the hazard or physical hardship; thus, the risk is not reduced to a less than significant level.

(c) For the purpose of this section, the phrase “has been taken into account in the classification of his or her position” means that the duty constitutes an element considered in establishing the grade of the position—i.e., the knowledge, skills, and abilities required to perform that duty are considered in the classification of the position.

(d) The head of the agency shall maintain records on the use of the authority described in paragraph (b) of this section, including the specific hazardous duty or duty involving physical hardship, the authorized position description(s); the number of employees paid the differential; documentation of the conditions described in paragraph (b) of this section; and the annual cost to the agency.

(e) So that OPM can evaluate agencies’ use of this authority and provide the Congress and others with information regarding its use, each agency shall maintain such other records and submit to OPM such other reports and data as OPM shall require.

[59 FR 33416, June 29, 1994]

§ 550.905 Payment of hazard pay differential.

(a) When an employee performs duty for which a hazard pay differential is authorized, the agency must pay the hazard pay differential for the hours in a pay status on the day (a calendar day or a 24-hour period, when designated by the agency) on which the duty is performed, except as provided in paragraph (b) of this section. Hours in a pay status for work performed during a continuous period extending over 2 days must be considered to have been performed on the day on which the work began, and the allowable differential must be charged to that day.

(b) Employees may not be paid a hazardous duty differential for hours for which they receive annual premium pay for regularly scheduled standby duty under § 550.141, annual premium pay for administratively uncontrolable overtime work under § 550.151, or availability pay for criminal investigators under § 550.181.

[64 FR 69180, Dec. 10, 1999]

§ 550.906 Termination of hazard pay differential.

An agency shall discontinue payment of hazard pay differential to an employee when—

(a) One or more of the conditions requisite for such payment ceases to exist;

(b) Safety precautions have reduced the element of hazard to a less than significant level of risk, consistent with generally accepted standards that may be applicable, such as those published by the Occupational Safety and Health Administration, Department of Labor; or

(c) Protective or mechanical devices have adequately alleviated physical discomfort or distress.

§ 550.907 Relationship to additional pay payable under other statutes.

Hazard pay differential is in addition to any additional pay or allowances payable under other statutes. It shall
not be considered part of the employ-

ee’s rate of basic pay in computing ad-
ditional pay or allowances payable
under other statutes.

| (2) Traveling under hazardous conditions. (a) When travel secondary or unimproved roads to isolated mountain top installations is required at night, or under adverse weather conditions (such as snow, rain, or fog) which limits visibility to less than 30 meters (100 feet), when there is danger of rock, mud, or snow slides. (b) When travel in the wintertime, either on foot or by means of vehicle, over secondary or unimproved roads or snow trails, in sparsely settled or isolated areas to isolated installations is required when there is danger of avalanches, or during "whiteout" phenomenon which limits visibility to less than 3 meters (10 feet). (c) When work or travel in sparsely settled or isolated areas results in exposure to temperatures and/or wind velocity shown to be of considerable danger, or very great danger, on the windchill chart (appendix A–1), and shelter (other than temporary shelter) or assistance is not readily available. (3) Snow or ice removal operations. When participating in snowplowing or snow or ice removal operations, regardless of whether on primary, secondary or other class of roads, when (a) there is danger of avalanche, or (b) there is danger of missing the road and falling down steep mountainous slopes because of lack of snow stakes, "whiteout" conditions, or sloping ice-pack covering the snow. (4) Water search and rescue operations. Participating as a member of a water search and rescue team in adverse weather conditions when winds are blowing at 56 kmh (35 m.p.h.) (classified as gale winds) or in water search and rescue operations conducted at night. (5) Travel on Lake Pontchartrain. (a) When embarking, disembarking or traveling in small craft (boat) on Lake Pontchartrain when wind direction is from north, northeast, or northwest, and wind velocity is over 7.7 meters per second (15 knots); or, (b) When travelling in small crafts, where craft is not radar equipped, on Lake Pontchartrain is necessary due to emergency or unavoidable conditions and the trip is made in a dense fog under fog run procedures. (6) Hazardous boarding or leaving of vessels. When duties (a), (b), or (c) are performed under adverse conditions of foul weather, ice, or night and when the sea state is high (0.9 meter (3 feet) and above): (a) Boarding or leaving vessels at sea or standing offshore during lightening or personnel transfer operations. (b) Boarding, leaving, or transferring equipment between small boats or rafts and steep, rocky, or coral surrounded shorelines. (c) Transferring equipment between a small boat and rudimentary dock by improvised or temporary facility such as an unfastened plank leading from boat to dock. (7) Small craft tests under unsafe sea conditions. Conducting craft tests to determine the seakeeping characteristics of small craft in a seaway when U.S. storm warnings normally indicate unsafe seas for a particular size craft. (8) Working on a drifting sea ice floe. When the job requires that the work be performed out on sea ice, e.g., installing scientific instruments and making observations for research purposes. Exposure to Physiological Hazards: (1) Pressure chamber subject. (a) Participating as a subject in diving research tests which seek to establish limits for safe pressure profiles by working in a pressure chamber simulating diving or, as an observer to the test or as a technician assembling underwater mock-up components for the test, when the observer or technician is exposed to high pressure gas piping systems, gas cylinders, and pumping devices which are susceptible to explosive ruptures. (b) Working in pressurized sonar domes. Performing checkout of sonar system after sonar dome has been pressurized. This may include such duties as changing transducer elements, setting of transducer turntables, checking of cables, piping, valves, circuits, underwater telephone, and pressurization pluS.

Subpart J—Adjustment of Work Schedules for Religious Observances

§ 550.1001 Coverage.

This subpart applies to each employee in or under an executive agency as defined by section 105 of title 5, United States Code.

§ 550.1002 Compensatory time off for religious observances.

(a) These regulations are issued pursuant to title IV of Public Law 95–390, enacted September 29, 1978. Under the law and these regulations, an employee whose personal religious beliefs require the abstention from work during certain periods of time may elect to engage in overtime work for time lost for meeting those religious requirements.

(b) To the extent that such modifications in work schedules do not interfere with the efficient accomplishment of an agency’s mission, the agency shall in each instance afford the employee the opportunity to work compensatory overtime and shall in each instance grant compensatory time off to an employee requesting such time off for religious observances when the employee’s personal religious beliefs require that the employee abstain from work during certain periods of the workday or workweek.

(c) For the purpose stated in paragraph (b) of this section, the employee may work such compensatory overtime before or after the grant of compensatory time off. A grant of advanced compensatory time off should be repaid
Office of Personnel Management

§ 550.1103
by the appropriate amount of compensatory overtime work within a reasonable amount of time. Compensatory overtime shall be credited to an employee on an hour for hour basis or authorized fractions thereof. Appropriate records will be kept of compensatory overtime earned and used. (d) The premium pay provisions for overtime work in subpart A of part 550 of title 5, Code of Federal Regulations, and section 7 of the Fair Labor Standards Act of 1938, as amended, do not apply to compensatory overtime work performed by an employee for this purpose.

(d) The premium pay provisions for overtime work in subpart A of part 550 of title 5, Code of Federal Regulations, and section 7 of the Fair Labor Standards Act of 1938, as amended, do not apply to compensatory overtime work performed by an employee for this purpose.

§ 550.1103 Excluded debts. The procedures contained in this subpart do not apply to—
(i) Debts arising under the Internal Revenue Code (26 U.S.C. 1 et seq.);
(ii) Debts arising under the tariff laws of the United States;
(iii) Any case where collection of a debt by salary offset is explicitly provided for or prohibited by another statute (e.g., travel advances in 5 U.S.C. 5705 and employee training expenses in 5 U.S.C. 4108); or
(iv) Any other debt excluded by the FCCS or 31 CFR part 285.

Subpart K—Collection by Offset From Indebted Government Employees

AUTHORITY: 5 U.S.C. 5514; sec. 8(1) of E.O. 11609; redesignated in sec. 2–1 of E.O. 12107.

SOURCE: 49 FR 27472, July 3, 1984, unless otherwise noted.

§ 550.1101 Purpose.
This subpart provides the standards to be used by Federal agencies to prepare regulations implementing 5 U.S.C. 5514 and by OPM to review and approve such agency regulations, and establishes procedural guidelines to recover debts from the current pay account of an employee when the employee’s creditor and paying agencies are not the same.

§ 550.1102 Scope.
(a) Coverage. This subpart applies to agencies and employees defined by § 550.1103.

(b) Applicability. This subpart and 5 U.S.C. 5514 apply in recovering certain debts by administrative offset, except where the employee consents to the recovery, from the current pay account of the employee. Because salary offset is a type of administrative offset, debt collection procedures for salary offset which are not specified in 5 U.S.C. 5514 and these regulations should be consistent with the provisions of the Federal Claims Collections Standards (FCCS) (dealing with centralized administrative offset under 31 U.S.C. 3716). Section 550.1108 addresses the use of centralized administrative offset procedures to effect salary offset. Generally, the procedures under § 550.1109 should apply only when centralized administrative offset cannot be accomplished.

(1) Excluded debts. The procedures contained in this subpart do not apply to—

(1) Debts arising under the Internal Revenue Code (26 U.S.C. 1 et seq.);

(2) Waiver requests. This subpart does not preclude an employee from requesting waiver of an erroneous payment under 5 U.S.C. 5584, 10 U.S.C. 2774, or 32 U.S.C. 716, or in any way questioning the amount or validity of a debt, in the manner prescribed by the head of the responsible agency. Similarly, this subpart does not preclude an employee from requesting waiver of the collection of a debt under any other applicable statutory authority.

(3) Compromise, suspension, or termination of collection actions. This subpart does not preclude the compromise, suspension, or termination of collection actions, where appropriate, as provided in the FCCS (31 CFR 900.4) or the use of alternative dispute resolution methods if they are not inconsistent with agency-specific laws and regulations.

§ 550.1103 Definitions.
For purposes of this subpart—

Agency means an executive department or agency; a military department; the United States Postal Service; the Postal Regulatory Commission; any nonappropriated fund instrumentality described in 5 U.S.C. 2105(c); the United States Senate; the United States House of Representatives; any court, court administrative office, or
§ 550.1104 Instrumentality in the judicial or legislative branches of the Government; or a Government corporation. If an agency under this definition is a component of an agency, the broader definition of agency may be used in applying the provisions of 5 U.S.C. 5514(b) (concerning the authority to prescribe regulations).

Credit Agency means the agency to which the debt is owed, including a debt collection center when acting in behalf of a creditor agency in matters pertaining to the collection of a debt (as provided in § 550.1110).

Debt means an amount owed to the United States from sources which include loans insured or guaranteed by the United States and all other amounts due the United States from fees, leases, rents, royalties, services, sales of real or personal property, overpayments, penalties, damages, interest, fines and forfeitures (except those arising under the Uniform Code of Military Justice), and all other similar sources.

Debt collection center means the Department of the Treasury or other Government agency or division designated by the Secretary of the Treasury with authority to collect debts on behalf of creditor agencies in accordance with 31 U.S.C. 3711(g).

Disposable pay means that part of current basic pay, special pay, incentive pay, retired pay, retainer pay, or in the case of an employee not entitled to basic pay, other authorized pay remaining after the deduction of any amount required by law to be withheld (other than deductions to execute garnishment orders in accordance with parts 581 and 582 of this chapter). Among the legally required deductions that must be applied first to determine disposable pay are levies pursuant to the Internal Revenue Code (title 26, United States Code) and deductions described in § 581.105(b) through (f) of this chapter.

Employee means a current employee of an agency, including a current member of the Armed Forces or a Reserve of the Armed Forces (Reserves).

FCCS means the Federal Claims Collections Standards published in 31 CFR parts 900 through 904.

Paying agency means the agency employing the individual and authorizing the payment of his or her current pay.

Salary offset means an administrative offset to collect a debt under 5 U.S.C. 5514 by deduction(s) at one or more officially established pay intervals from the current pay account of an employee without his or her consent.

Waiver means the cancellation, remission, forgiveness, or non-recovery of a debt allegedly owed by an employee to an agency as permitted or required by 5 U.S.C. 5584, 10 U.S.C. 2774, or 32 U.S.C. 716, 5 U.S.C. 8346(b), or any other law.

§ 550.1105 Agency regulations.

Under this subpart and 5 U.S.C. 5514, each creditor agency must issue regulations, subject to approval by the Office of Personnel Management (OPM), governing the collection of a debt by salary offset. Each agency is responsible for assuring that the regulations governing collection of internal debts are uniformly and consistently applied to all its employees. Agency regulations issued under authority of 5 U.S.C. 5514 must contain the following minimum provisions:

(a) Applicability or scope. Indicate whether regulations cover internal or Government-wide collections under 5 U.S.C. 5514, or both.

(b) Entitlement to notice, hearing, written responses and decisions. Identify when the employee is entitled to notice, when hearings will be offered, when the employee is entitled to a response or decision after exercising his or her rights under § 5514 and this subpart, and if the hearing official’s decision is not in the employee’s favor or the employee chooses not to request a hearing, what other rights and remedies are available under the statutes or regulations governing the program that requires the collection to be made. Except as provided in paragraph (c) of this section, each employee from whom the creditor agency proposes to collect a debt under this subpart is entitled to receive from the creditor agency—
Office of Personnel Management § 550.1104

(1) A written notice as described in paragraph (d) of this section;

(2) The opportunity to petition for a hearing and, if a hearing is given, to receive a written decision from the official holding the hearing on the following issues:

(i) The determination of the creditor agency concerning the existence or amount of the debt; and

(ii) The repayment schedule, if it was not established by written agreement between the employee and the creditor agency.

(c) Exception to entitlement to notice, hearing, written responses, and final decisions. In regulations covering internal collections, an agency must except from the provisions of paragraph (b) of this section—

(1) Any adjustment to pay arising out of an employee’s election of coverage or a change in coverage under a Federal benefits program requiring periodic deductions from pay, if the amount to be recovered was accumulated over 4 pay periods or less;

(2) A routine intra-agency adjustment of pay that is made to correct an overpayment of pay attributable to clerical or administrative errors or delays in processing pay documents, if the overpayment occurred within the 4 pay periods preceding the adjustment and, at the time of such adjustment, or as soon thereafter as practical, the individual is provided written notice of the nature and the amount of the adjustment and point of contact for contesting such adjustment; or

(3) Any adjustment to collect a debt amounting to $50 or less, if, at the time of such adjustment, or as soon thereafter as practical, the individual is provided written notice of the nature and the amount of the adjustment and a point of contact for contesting such adjustment.

(d) Notification before deductions begin. Provide for notification before deductions begin. Except as provided in paragraph (c) of this section, deductions under the authority of 5 U.S.C. 5514 must not be made unless the head of the creditor agency (or authorized designee) provides the employee a written notice at least 30 days before any deduction begins. (For debts outstanding more than 10 years on or before June 11, 2009, see also 31 CFR 285.7(d) for additional notification requirements.)

The written notice must state at a minimum:

(1) The creditor agency’s determination that a debt is owed, including the origin, nature, and amount of that debt;

(2) The creditor agency’s intention to collect the debt by means of deduction from the employee’s current disposable pay account;

(3) The frequency and amount of the intended deduction (stated as a fixed dollar amount or as a percentage of pay, not to exceed 15 percent of disposable pay except as provided in paragraph (i) of this section) and the intention to continue the deductions until the debt is paid in full or otherwise resolved;

(4) An explanation of the creditor agency’s policy concerning interest, penalties, and administrative costs, including a statement that such assessments must be made unless excused in accordance with the FCCS as defined in §550.1103;

(5) The employee’s right to inspect and copy Government records relating to the debt or, if employee or his or her representative cannot personally inspect the records, to request and receive a copy of such records;

(6) If not previously provided, the opportunity (under terms agreeable to the creditor agency) to establish a schedule for the voluntary repayment of the debt or to enter into a written agreement to establish a schedule for repayment of the debt in lieu of offset. The agreement must be in writing, signed by both the employee and the creditor agency; and documented in the creditor agency’s files (see the FCCS);

(7) The employee’s right to a hearing conducted by an official arranged by the creditor agency (an administrative law judge, or alternatively, a hearing official not under the control of the head of the agency) if a petition is filed as prescribed by the creditor agency;

(8) The method and time period for petitioning for a hearing;

(9) That the timely filing of a petition for hearing will stay the commencement of collection proceedings;

(10) That a final decision on the hearing (if one is requested) will be issued
§ 550.1104

at the earliest practical date, but not
later than 60 days after the filing of the
petition requesting the hearing unless
the employee requests and the hearing
official grants a delay in the pro-
cedings;

(11) That any knowingly false or friv-
olous statements, representations, or
evidence may subject the employee to:

(i) Disciplinary procedures appro-
priate under chapter 75 of title 5,
United States Code, part 752 of title 5,
Code of Federal Regulations, or any
other applicable statutes or regula-
tions;

(ii) Penalties under the False Claims
Act, §§ 3729–3731 of title 31, United
States Code, or any other applicable
statutory authority; or

(iii) Criminal penalties under §§ 286,
287, 1001, and 1002 of title 18, United
States Code or any other applicable
statutory authority.

(12) Any other rights and remedies
available to the employee under stat-
tutes or regulations governing the pro-
gram for which the collection is being
made; and

(13) Unless there are applicable con-
tractual or statutory provisions to the
contrary, that amounts paid on or de-
ducted for the debt which are later
waived or found not owed to the United
States will be promptly refunded to the
employee.

(e) Petitions for hearing. (1) Prescribe
the method and time period for peti-
tioning for a hearing. Ordinarily, a
hearing may be requested by filing a
written petition addressed to the ap-
propriate creditor agency official stat-
ing why the employee believes the de-
termination of the creditor agency con-
cerning the existence or amount of the
debt is in error.

(2) The employee’s petition or state-
ment must be signed by the employee
and fully identify and explain with rea-
sonable specificity all the facts, evi-
dence and witnesses, if any, which the
employee believes support his or her
position.

(f) Petitions for hearing made after time
expires. Prescribe the action to be
taken on a petition for hearing made
after the expiration of the period pro-
vided in the notice described in para-
graph (d) of this section. Ordinarily a
creditor agency should accept requests
if the employee can show that the
delay was because of circumstances be-

yond his or her control or because of
failure to receive notice of the time
limit (unless otherwise aware of it).

(g) Form of hearings, written responses,
and final decisions. (1) Define the form
and content of hearings, written re-
sponses, and written decisions to be
provided when the employee exercises
his or her rights under § 5514 and this
subpart.

(2) The form and content of hearings
granted under this subpart will depend
on the nature of the transactions giv-
ing rise to the debts included within
each debt collection program. Agencies
should refer to the FCCS for informa-
tion on hearing form and content.

(3) Written decisions provided after a
request for hearing must, at a mini-
um, state the facts purported to evi-
dence the nature and origin of the al-
leged debt; the hearing official’s anal-
ysis, findings and conclusions, in light
of the hearing, as to the employee’s
and/or creditor agency’s grounds, the
amount and validity of the alleged debt
and, where applicable, the repayment
schedule.

(h) Method and source of deductions.
Identify the method and source of de-
ductions. At a minimum, agency regu-
lations must identify the method of
collection as salary offset and the
source of deductions as current dispos-
able pay, except as provided in para-
graphs (l) and (m) of this section.

(i) Limitation on amount of deductions.
Prescribe the limitations on the
amount of the deduction. Ordinarily,
the size of installment deductions must
bear a reasonable relationship to the
size of the debt and the employee’s
ability to pay (see the FCCS at 31 CFR
901.8). However, the amount deducted
for any period under this subpart may
not exceed 15 percent of the disposable
pay from which the deduction is made,
unless the employee has agreed in writ-

ging to the deduction of a greater
amount or a higher deduction has been
ordered by a court under section 124 of

(j) Duration of deductions. Prescribe
the duration of deductions under this
subpart. Ordinarily, debts must be col-
lected in one lump sum where possible.
However, if the employee is financially
Office of Personnel Management

§ 550.1106

Unable to pay in one lump sum or the amount of the debt exceeds 15 percent of disposable pay (or other applicable limitation as provided in paragraph (i) of this section) for an officially established pay interval, collection must be made in installments. Such installment deductions must be made over a period not greater than the anticipated period of active duty or employment, as the case may be, except as provided in paragraphs (1) and (m) of this section.

(k) When deductions may begin. Prescribe when deductions will be scheduled to begin in internal agency collections.

(1) Liquidation from final check. Provide for offset under 31 U.S.C. 3716, if the employee retires or resigns or if his or her employment or period of active duty ends before collection of the debt is completed, from subsequent payments of any nature (e.g., final salary payment, lump-sum leave, etc.) due the employee from the paying agency as of the date of separation to the extent necessary to liquidate the debt.

(m) Recovery from other payments due a separated employee. Provide for offset under 31 U.S.C. 3716 from later payments of any kind due the former employee from the United States, where appropriate, if the debt cannot be liquidated by offset from any final payment due the former employee as of the date of separation. (See the FCCS.)

(n) Interest, penalties, and administrative costs. Provide for the assessment of interest, penalties, and administrative costs on debts being collected under this subpart. These charges and the waiving of them must be prescribed in accordance with the FCCS.

(o) Non-waiver of rights by payments. Provide that an employee’s involuntary payment, of all or any portion of a debt being collected under 5 U.S.C. 5514 must not be construed as a waiver of any rights which the employee may have under 5 U.S.C. 5514 or any other provision of contract or law, unless there are statutory or contractual provisions to the contrary.

(p) Refunds. (1) Provide for promptly refunding to the appropriate party, amounts paid or deducted under this subpart when—

(i) A debt is waived or otherwise found not owing to the United States (unless expressly prohibited by statute or regulation); or

(ii) The employee’s paying agency is directed by an administrative or judicial order to refund amounts deducted from his or her current pay.

(2) Refunds do not bear interest unless required or permitted by law or contract.

§ 550.1105 Review and approval of agency regulations.

(a) Initial OPM review of agency regulations. (1) Creditor agencies must submit regulations to the Office of Personnel Management (OPM) for review in accordance with 5 U.S.C. 5514 and this subpart prior to publication of final regulations or prior to implementation, if intragency collection procedures are not published. Submissions must be for agency-wide and/or Government-wide collections.

(2) Creditor agency regulations must contain all provisions specified in §550.1104. If agency regulations are incomplete, OPM will return them with information as to what must be done to obtain approval.

(b) Proposed changes in salary offset regulations. If a creditor agency proposes significant changes in the regulations covering provisions specified in §550.1104, the proposed revisions must be submitted to OPM for review and approval prior to implementation.

(c) Supplemental regulations. When a creditor agency has issued approved regulations covering the provisions specified in §550.1104, the agency may issue any supplemental regulations or instructions, consistent with its approved regulations, which are necessary for solely internal operations, without prior OPM approval.

§ 550.1106 Time limit on collection of debts.

Agencies may initiate salary offset to collect a debt without time limitations on any debt outstanding after the Government’s right to collect the debt.
§ 550.1107 Obtaining the services of a hearing official.

(a) When the debtor does not work for the creditor agency and the creditor agency cannot provide a prompt and appropriate hearing before an administrative law judge or before a hearing official furnished pursuant to another lawful arrangement, the creditor agency may contact an agent of the paying agency designated in appendix A of part 581 of this chapter to arrange for a hearing official, and the paying agency must then cooperate as provided by the FCCS as defined in § 550.1103 and provide a hearing official.

(b) When the debtor works for the creditor agency, the creditor agency may contact any agent (of another agency) designated in appendix A of part 581 of this chapter to arrange for a hearing official. Agencies must then cooperate as required by the FCCS and provide a hearing official.

(c) The determination of a hearing official designated under this section is considered to be an official certification regarding the existence and amount of the debt for purposes of executing salary offset under 5 U.S.C. 5514. A creditor agency may make a certification to the Secretary of the Treasury under § 550.1108 or a paying agency under § 550.1109 regarding the existence and amount of the debt based on the certification of a hearing official. If a hearing official determines that a debt may not be collected via salary offset, but the creditor agency finds that the debt is still valid, the creditor agency may still seek collection of the debt through other means, such as offset of other Federal payments, litigation, etc.

§ 550.1108 Requesting recovery through centralized administrative offset.

Under 31 U.S.C. 3716, creditor agencies must notify the Secretary of the Treasury of all debts that are delinquent as defined in the FCCS (over 180 days) so that recovery may be made by centralized administrative offset. This includes those debts the agency seeks to recover from the pay account of an employee of another agency via salary offset. The Secretary of the Treasury and other Federal disbursing officials will match payments, including Federal salary payments, against these debts. Where a match occurs, and all the requirements for offset have been met, the payments will be offset to collect the debt. Prior to offset of the pay account of an employee, an agency must comply with the requirements of 5 U.S.C. 5514, this subpart, and agency regulations issued thereunder. Specific procedures for notifying the Secretary of the Treasury of a debt for purposes of collection by centralized administrative offset are contained in 31 CFR part 285 and the FCCS. At its discretion, a creditor agency may notify the Secretary of the Treasury of debts that have been delinquent for 180 days or less, including debts the agency seeks to recover from the pay account of an employee via salary offset.

[63 FR 72101, Dec. 31, 1998]

§ 550.1109 Requesting recovery when the current paying agency is not the creditor agency.

When possible, salary offset through the centralized administrative offset procedures in § 550.1108 should be attempted before applying the procedures in this section.

(a) Responsibilities of creditor agency.

Upon completion of the procedures established by the creditor agency under 5 U.S.C. 5514, the creditor agency must do the following:

(1) The creditor agency must certify, in writing, that the employee owes the debt, the amount and basis of the debt, the date on which payment(s) is due, the date the Government’s right to collect the debt first accrued, and that the creditor agency’s regulations implementing 5 U.S.C. 5514 have been approved by OPM.

(2) If the collection must be made in installments, the creditor agency also must advise the paying agency of the amount or percentage of disposable pay to be collected in each installment, and

If the creditor agency wishes, the number and the commencing date of the installments (if a date other than the next officially established pay period is required).

(3) Unless the employee has consented to the salary offset in writing or signed a statement acknowledging receipt of the required procedures and the written consent or statement is forwarded to the paying agency, the creditor agency also must advise the paying agency of the action(s) taken under 5 U.S.C. 5514 and give the date(s) the action(s) was taken.

(4) Except as otherwise provided in this paragraph, the creditor agency must submit a debt claim containing the information specified in paragraphs (a)(1) through (3) of this section and an installment agreement (or other instruction on the payment schedule), if applicable, to the employee’s paying agency.

(5) If the employee is in the process of separating, the creditor agency must submit its debt claim to the employee’s paying agency for collection as provided in §550.1104(c)(1). The paying agency must certify the total amount of its collection and notify the creditor agency and the employee as provided in paragraph (c)(1) of this section. If the paying agency is aware that the employee is entitled to payments from the Civil Service Retirement and Disability Fund, or other similar payments, it must provide written notification to the agency responsible for making such payments that the debtor owes a debt (including the amount) and that the provisions of this section have been fully complied with. However, the creditor agency must submit a properly certified claim to the agency responsible for making such payments before the collection can be made.

(6) If the employee is already separated and all payments due from his or her former paying agency have been paid, the creditor agency may request, unless otherwise prohibited, that money due and payable to the employee from the Civil Service Retirement and Disability Fund (5 CFR 831.1801 et seq.), or other similar funds, be administratively offset to collect the debt. (See 31 U.S.C. 3716 and the FCCS.)

(b) Responsibilities of paying agency—

(1) Complete claim. When the paying agency receives a properly certified debt claim from a creditor agency, deductions should be scheduled to begin prospectively at the next officially established pay interval. The employee must receive written notice that the paying agency has received a certified debt claim from the creditor agency (including the amount) and written notice of the date deductions from salary will commence and of the amount of such deductions.

(2) Incomplete claim. When the paying agency receives an incomplete debt claim from a creditor agency, the paying agency must return the debt claim with a notice that procedures under 5 U.S.C. 5514 and this subpart must be provided and a properly certified debt claim received before action will be taken to collect from the employee’s current pay account.

(3) Review. The paying agency is not required or authorized to review the merits of the determination with respect to the amount or validity of the debt certified by the creditor agency.

(c) Employees who transfer from one paying agency to another. (1) If, after the creditor agency has submitted the debt claim to the employee’s paying agency, the employee transfers to a position served by a different paying agency before the debt is collected in full, the paying agency from which the employee separates must certify the total amount of the collection made on the debt. One copy of the certification must be furnished to the employee, another to the creditor agency along with notice of the employee’s transfer. However, the creditor agency must submit a properly certified claim to the new paying agency before collection can be resumed.

(2) When an employee transfers to another paying agency, the creditor agency need not repeat the due process procedures described by 5 U.S.C. 5514 and this subpart to resume the collection. However, the creditor agency is responsible for reviewing the debt upon receiving the former paying agency’s notice of the employee’s transfer to make
§ 550.1110 Debt collection centers.

A debt collection center may act in behalf of a creditor agency to collect claims via salary offset consistent with this section, subject to any limitations on its authority established by the creditor agency it represents or by the U.S. Department of the Treasury.

(a) A debt collection center may be authorized to enter into a written agreement with the indebted employee regarding the repayment schedule or, in the absence of such agreement, to establish the terms of the repayment schedule.

(b) A debt collection center may make certifications to the Secretary of the Treasury under § 550.1108 or to a paying agency under § 550.1109 based on the certifications it has received from the creditor agency or a hearing official.

(c) A debt collection center responsible for collecting a particular debt may arrange for a hearing on the existence or amount of the debt.

(d) A debt collection center responsible for collecting a particular debt may arrange for a hearing on the existence or amount of the debt or the repayment schedule by an administrative law judge or, alternatively, another hearing official not under the supervision or control of the head of the creditor agency or the debt collection center.

§ 550.1201 Purpose, applicability, and administration.

(a) Purpose. This subpart provides regulations to implement sections 5551, 5552, and 6306 of title 5, United States Code, and must be read together with those sections. Sections 5551 and 5552 provide for the payment of a lump-sum payment for accumulated and accrued annual leave when an employee:

(1) Separates from Federal service; or

(2) Enters on active duty in the armed forces and elects to receive a lump-sum payment for accumulated and accrued annual leave. Section 6306 requires that when an employee is re-employed in the Federal service prior to the expiration of the lump-sum period, he or she must refund an amount equal to the pay covering the period between the date of reemployment and the expiration of the period of annual leave (i.e., the lump-sum leave period).

(b) Applicability. This subpart applies to—

(1) Any employee who separates, dies, or transfers under the conditions prescribed in § 550.1203; and

(2) Any employee or individual employed by a territory or possession of the United States who enters on active duty in the armed forces and who elects to receive a lump-sum payment for accumulated and accrued annual leave.

(c) Administration. The head of an agency having employees subject to this subpart is responsible for the proper administration of this subpart.

§ 550.1202 Definitions.

In this subpart—Accumulated and accrued annual leave means any annual leave accumulated and accrued, as these terms are defined in §630.201 of this chapter, plus any annual leave credited to an employee under 5 U.S.C. 6304(c) and §630.301(d) of this chapter and any annual leave restored under 5 U.S.C. 6304(d). Accumulated and accrued annual leave does not include annual leave received by a leave recipient under the voluntary leave transfer or leave bank programs established under subchapters III and IV of chapter 63 of title 5, United States Code, or annual leave advanced to an employee under 5 U.S.C. 6302(d).

Administrative workweek has the meaning given that term in §610.102 of this chapter.
Agency means—(1) An executive agency and a military department as defined in sections 105 and 102 of title 5, United States Code, respectively; and 
(2) A legislative or judicial agency or a unit of the legislative or judicial branch of the Federal Government that has positions in the competitive service.

Employee has the meaning given that term in 5 U.S.C. 2105.

Lump-sum payment means a final payment to an employee for accumulated and accrued annual leave.

Mixed tour of duty means a condition of employment for positions in which a fluctuating workload requires an employee to work full-time or part-time for a limited portion of the year and on an intermittent basis for the remainder of the year.

Rate of basic pay means the rate of pay fixed by law or administrative action for the position held by an employee, including any applicable locality payment under 5 CFR part 531, subpart F; special rate supplement under 5 CFR part 530, subpart C; or similar payment or supplement under other legal authority, before any deductions and exclusive of additional pay of any other kind.

Transfer means the movement of an employee to another position without a break in service of 1 workday or more.

§ 550.1203 Eligibility.

(a) An agency must make a lump-sum payment for accumulated and accrued annual leave when an employee—
(1) Separates or retires from the Federal service;
(2) Dies; or
(3) Transfers to a position that is not covered by subchapter I of chapter 63 of title 5, United States Code, and his or her accumulated and accrued annual leave cannot be transferred, except as provided in paragraphs (c), (d), and (e) of this section.

(b) The Department of Defense (DOD) must make a lump-sum payment to an employee who has unused annual leave that was restored under 5 U.S.C. 6304(d)(3) when he or she transfers from a DOD installation undergoing closure or realignment to a position in any other department or agency of the Federal Government or moves to a position within DOD not located at an installation undergoing closure or realignment.

(c) An employee who enters on active duty in the armed forces may elect to receive a lump-sum payment for accumulated and accrued annual leave or may request to have the annual leave remain to his or her credit until return from active duty. However, an agency must make a lump-sum payment for any annual leave previously restored under 5 U.S.C. 6304(d) when the employee enters active duty. The agency may not recredit the restored leave when the employee returns to Federal service.

(d) An employee who transfers to a position in a public international organization under 5 U.S.C. 3582 may elect to retain accumulated and accrued annual leave to his or her credit at the time of transfer or receive a lump-sum payment for such annual leave under 5 U.S.C. 3582(a)(4). However, the agency must make a lump-sum payment for any annual leave previously restored under 5 U.S.C. 6304(d) when the employee transfers to a position within DOD not located at an installation undergoing closure or realignment. The agency may not recredit the leave under these circumstances.

(e) An agency must make a lump-sum payment to an employee who transfers to a position excepted from subchapter I of chapter 63 of title 5, United States Code, by 5 U.S.C. 6301(2)(x)–(xiii) for any annual leave restored under 5 U.S.C. 6304(d) upon transfer to an excepted position. However, the agency may not make a lump-sum payment for any annual leave in the employee’s regular leave account upon transfer to the excepted position. The agency must hold such annual leave in abeyance for recredit if the employee is subsequently reemployed without a break in service in a position to which his or her accumulated and accrued annual leave may be transferred. If the employee later becomes eligible for a lump-sum payment under the conditions specified in this section, the current employing agency must make a lump-sum payment under the lump-sum payment under §550.1205(b).
based on the pay the employee was receiv-
ing immediately before the date of the transfer to the position excepted by 5 U.S.C. 6301(2)(x)–(xiii). An employee who elects to retain his or her leave benefits upon accepting a Presidential appointment, as permitted by 5 U.S.C. 3392(c), is not entitled to receive a lump-sum payment.

(f) In the case of an employee who transfers to a position that is not covered by subchapter I of chapter 63 of title 5, United States Code, and to which only a portion of his or her accumulated and accrued annual leave may be transferred, the agency must make a lump-sum payment for any remaining annual leave that cannot be transferred. The agency must compute the lump-sum payment under §550.1205(b) based on the pay the employee was receiving immediately before the date of the transfer to the position not covered by subchapter I of chapter 63 of title 5, United States Code. This does not apply to an employee transferring to an excepted position covered by paragraph (e) of this section.

(g) An agency must make a lump-sum payment for accumulated and accrued annual leave to an employee in a missing status (as defined in 5 U.S.C. 5561(5)) on or after January 1, 1965, or the employee may elect to have such leave restored in a separate leave account under 5 U.S.C. 6304(d)(2) upon his or her return to Federal service. The agency must compute the lump sum payment under §550.1205(b) based on the rate of pay in effect at the time the annual leave became subject to forfeiture under 5 U.S.C. 6304(a), (b), or (c).

(h) An agency may not make a lump-sum payment for accumulated or accrued annual leave to—(1) An employee who transfers between positions covered by subchapter I of chapter 63 of title 5, United States Code;

(2) An employee who transfers to a position not covered by subchapter I of chapter 63 of title 5, United States Code, but to which all of his or her accumulated and accrued annual leave may be transferred;

(3) An employee who transfers to the government of the District of Columbia or the U.S. Postal Service;

(4) A nonappropriated fund employee of the Department of Defense or the Coast Guard who moves without a break in service of more than 3 days to an appropriated fund position within the Department of Defense or the Coast Guard, respectively, under 5 U.S.C. 6308(b); or

(5) An employee who is concurrently employed in more than one part-time position and who separates from one of the part-time positions. Instead, the former employing agency must transfer the employee’s accumulated and accrued annual leave to the current agency (if the part-time positions are in different agencies) or credit the employee’s annual leave account in the current position (if the part-time positions are in the same agency).

(6) An employee who elects to retain his or her leave benefits upon accepting a Presidential appointment, as permitted by 5 U.S.C. 3392(c).

(i) An agency must establish a policy for determining when an employee in a continuing employment program with a mixed tour of duty will receive a lump-sum payment for annual leave. The agency may choose to pay an employee a lump-sum payment when he or she is assigned intermittent duty or hold the employee’s annual leave in abeyance during intermittent duty and recredit it when the employee returns without a break in service to full-time or part-time employment. If the agency decides to hold the employee’s annual leave in abeyance, it must also hold in abeyance the credit for any fractional pay period earned and recredit the annual leave on a pro rata basis, as provided in §630.204 of this chapter, when the employee returns to full-time or part-time employment. In developing its policy, each agency must consider the likelihood that the employee will return to work, as well as the agency’s mission requirements and staffing needs. The agency’s policy must ensure that employees are treated in a fair and equitable manner.

§550.1204 Projecting the lump-sum leave period.

(a) A lump-sum payment must equal the pay an employee would have received had he or she remained in the Federal service until the expiration of the accumulated and accrued annual leave to the employee’s credit. The
agency must project the lump-sum period leave beginning on the first workday (counting any holiday) occurring after the date the employee becomes eligible for a lump-sum payment under §550.1203 and counting all subsequent workdays and holidays until the expiration of the period of annual leave. The period of leave used for calculating the lump-sum payment must not be extended by any holidays under 5 U.S.C. 6103 (or applicable Executive or administrative order) which occur immediately after the date the employee becomes eligible for a lump-sum payment under §550.1203; annual leave donated to an employee under the leave transfer or leave bank programs under subparts I and J of part 630 of this chapter; unused compensatory time off earned under 5 U.S.C. 5543 and §550.114(d) or §551.531(d) or under 5 U.S.C. 5542(g) and §550.1625; or credit hours accumulated under an alternative work schedule established under 5 U.S.C. 6126.

(b) For employees whose annual leave was held in abeyance immediately prior to becoming eligible for a lump-sum payment, the agency must project the lump-sum payment beginning on the first workday occurring immediately after the date the employee becomes eligible for a lump-sum payment under §550.1203, consistent with paragraph (a) of this section.

§550.1205 Calculating a lump-sum payment.

(a) An agency must compute a lump-sum payment based on the types of pay listed in paragraph (b) of this section, as in effect at the time the affected employee becomes eligible for a lump-sum payment under §550.1203 and any adjustments in pay included in paragraphs (b)(2), (3), and (4) of this section. The agency must calculate a lump-sum payment by multiplying the number of hours of accumulated and accrued annual leave by the applicable hourly rate of pay, including other applicable types of pay listed in paragraph (b) of this section, or by using a mathematically equivalent method, such as multiplying weeks of annual leave by the applicable weekly rate of pay. If the agency calculates a lump-sum payment using weekly rates, the number of weeks of annual leave must be rounded to the fourth decimal place (e.g., 0.4444). The agency must convert an annual rate of pay to an hourly rate of pay by dividing the annual rate of pay by 2,087 (or 2,756 for firefighters, if applicable) and rounding it to the nearest cent, counting one-half cent and over as the next higher cent.

(b) The agency must compute a lump-sum payment using the following types of pay and pay adjustments, as applicable:

(1) An employee’s rate of basic pay (as defined in §550.1202);

(2) Any statutory adjustments in pay or any general system-wide increases in pay, such as adjustments under sections 5303, 5304, 5305, 5318, 5362, 5363, 5372, 5372a, 5376, 5382, or 5392 of title 5, United States Code, that become effective during the lump-sum leave period. The agency must adjust the lump-sum payment to reflect the increased rate on and after the effective date of the pay adjustment.

(3) In the case of a prevailing rate employee, the agency must include in the lump-sum payment the scheduled rate of pay under 5 U.S.C. 5343, 5348, or 5349 and any applicable adjustments in rates that are determined under 5 U.S.C. 5343, 5348, or 5349 that become effective during the lump-sum leave period. The agency must adjust the lump-sum payment to reflect the increased prevailing rate on and after the effective date of the rate adjustment.

(4) A within-grade increase under 5 U.S.C. 5335 or 5343(e)(2) if the employee has met the requirements of §531.404 or §532.417 of this chapter prior to the date the employee becomes eligible for a lump-sum payment under §550.1203.

(5) The following types of premium pay (to the extent such premium pay was actually payable to the employee):

(i) Night differential under 5 U.S.C. 5343(f) at the applicable percentage rate received by a prevailing rate employee for all regularly scheduled periods of night shift duty covered by the unused annual leave as if the employee had continued to work beyond the effective date of separation, death, or transfer. In the case of an employee who is assigned to a regular rotating schedule involving work on both day
§ 550.1205

and night shifts, the night differential is payable for that portion of the lump-sum period that would have occurred when the employee was scheduled to work night shifts.

(ii) Premium pay under 5 U.S.C. 5545(c) or 5545a if the employee was receiving premium pay for the pay period immediately prior to the date the employee became eligible for a lump-sum payment under §550.1203. The agency must base the lump-sum payment on the percentage rate received by the employee for the pay period immediately prior to the date the employee became eligible for a lump-sum payment under §550.1203. In cases where the amount of premium pay actually payable in the final pay period was limited by a statutory cap, the agency must base the lump-sum payment on a reduced percentage rate that reflects the actual amount of premium pay the employee received in that pay period.

(iii) Overtime pay under 5 U.S.C. 5545b and §550.1304 of this chapter for overtime hours in an employee’s uncommon tour of duty (as defined in §630.201 of this chapter), established in accordance with §630.210 of this chapter. The uncommon tour of duty must be applicable to the employee for the pay period immediately prior to the date the employee became eligible for a lump-sum payment under §550.1203. The agency must calculate overtime pay using the same methodology it used to calculate the employee’s entitlement to overtime pay as provided in §550.1304 of this chapter in the pay period immediately prior to the date the employee became eligible for a lump-sum payment under §550.1203. An agency may not change an employee’s work schedule for the sole purpose of avoiding or providing payment of overtime pay in a lump-sum payment.

(iv) An overtime supplement for regularly scheduled overtime within a Border Patrol agent’s regular tour of duty under 5 U.S.C. 5550, as in effect immediately prior to the date the agent became eligible for a lump-sum payment under §550.1203. The agency must base the lump-sum payment on the agent’s assigned overtime supplement percentage. The assigned percentage will be considered fixed for the duration of the lump-sum annual leave projection period described in §550.1204, even if an annual period for elections under 5 U.S.C. 5550 begins during that projection period. In cases where the amount of the overtime supplement actually payable in a pay period was limited by a statutory cap, the agency must base the lump-sum payment on a reduced percentage rate that reflects the actual amount of the overtime supplement the agent could receive in a pay period.

(6) Overtime pay under the Fair Labor Standards Act of 1938, as amended (FLSA), for overtime work that is regularly scheduled during an employee’s established uncommon tour of duty, as defined in §630.201(b)(1) of this chapter and established under §630.210(a) of this chapter, for which the employee receives standby duty pay under 5 U.S.C. 5545(c)(1). The agency must include FLSA overtime pay in a lump-sum payment if an uncommon tour of duty was applicable to the employee for the pay period immediately prior to the date the employee became eligible for a lump-sum payment under §550.1203. The agency must calculate FLSA overtime pay using the same methodology it used to calculate the employee’s entitlement to FLSA overtime pay for the pay period immediately prior to the date the employee became eligible for a lump-sum payment under §550.1203. An agency may not change an employee’s work schedule for the sole purpose of avoiding or providing payment of FLSA overtime pay in a lump-sum payment.

(7) A supervisory differential under 5 U.S.C. 5755 based on the percentage rate (or dollar amount) received by the employee for the pay period immediately prior to the date the employee became eligible for a lump-sum payment under §550.1203.

(8) A cost-of-living allowance and/or post differential in a nonforeign area under 5 U.S.C. 5924(1) and the Standardized Regulations (Government Civilians,
§ 550.1206 Refunding a lump-sum payment.

(a) When an employee who received a lump-sum payment for accumulated and accrued annual leave under 5 U.S.C. 5551 is reemployed in the Federal service prior to the end of the period covered by the lump-sum payment, the employee must refund to the employing agency an amount equal to the pay included in the lump-sum payment under §550.1205(b) that covers the period between the date of reemployment and the expiration of the lump-sum leave period, except as provided in paragraphs (b) and (c) of this section. The agency must compute the refund based on the pay used to compute the lump-sum payment under §550.1205(b).

(b) An employee who is reemployed in a position listed in 5 U.S.C. 6301(2)(ii), (iii), (vi), or (vii) is not required to refund a lump-sum payment under paragraph (a) of this section.

(c) An employee who is reemployed in a position that has no leave system to which annual leave can be recredited is not required to refund a lump-sum payment under paragraph (a) of this section, except that individuals reemployed as Presidential appointees must refund a lump-sum payment and the annual leave will be held in abeyance, as provided in §550.1207(e).

(d) An individual first hired by the District of Columbia government on or after October 1, 1987, who received a lump-sum payment upon separation from the District of Columbia government and who is employed by the Federal Government prior to the expiration of the lump-sum leave period must refund the lump-sum payment, and the agency must recredit the annual leave under §550.1207.
§ 550.1207 Recrediting annual leave.

(a) When an employee pays a full refund to an agency under § 550.1206(a), the agency must recredit to the employee an amount of annual leave equal to the days or hours of work (including holidays) remaining between the date of reemployment and the expiration of the lump-sum period. The recredited annual leave is available for use by the employee on and after the date the annual leave is recredited. The agency must recredit annual leave as follows:

(1) When an employee is reemployed in the Federal service in a position covered by subchapter I of chapter 63 of title 5, United States Code, the employing agency must recredit an amount of annual leave equal to the days or hours of work (including holidays) remaining between the date of reemployment and the expiration of the lump-sum period.

(2) When an employee is reemployed in the Federal service in a position that is not covered by subchapter I of chapter 63 of title 5, United States Code, but is covered by a different leave system, the employing agency must recredit to the employee an amount of annual leave representing the days or hours of work (including holidays) remaining between the date of reemployment and the expiration of the lump-sum period, as determined under § 630.501(b) of this chapter. If the unexpired period of leave covers a larger amount of leave than can be recredited under the different leave system, the employee must refund only the amount that represents the leave that can be recredited.

(3) When an employee is reemployed prior to the expiration of the lump-sum leave period, the agency may not recredit to the employee the annual leave restored under 5 U.S.C. 6304(d) that was included in a lump-sum payment. The agency must subtract such restored annual leave from the lump-sum leave period before it determines the amount of annual leave to recredit under paragraph (a)(1) of this section.

(b) Any annual leave the agency recredits to the employee under paragraph (a) of this section is subject at the beginning of the next leave year to the maximum annual leave limitation established by 5 U.S.C. 6304(a), (b), (c), or (f), as appropriate, for the position in which the employee is reemployed, except as provided in paragraphs (c) and (d) of this section.

(c) If the amount of annual leave to be recredited under paragraph (a) of this section is more than the maximum annual leave limitation for the position in which reemployed, and the employee’s former maximum annual leave limitation was established under 5 U.S.C. 6304(a), (b), (c), or (f), as appropriate, the agency must establish the employee’s new maximum annual leave limitation on the date of reemployment as a personal leave ceiling equal to the amount of annual leave to be recredited under paragraph (a) of this section. The new maximum annual leave limitation is subject to reduction in the same manner as provided in 5 U.S.C. 6304(c) until the employee’s accumulated annual leave is equal to or less than the new maximum annual leave limitation for the position in which reemployed.

(d) If the amount of annual leave to be recredited under paragraph (a) of this section is more than the maximum annual leave limitation for the position in which the employee is reemployed, and the employee’s former maximum annual leave limitation was established under an authority other than 5 U.S.C. 6304(a), (b), (c), or (f), as appropriate, the agency must establish the employee’s new maximum annual leave limitation on the date of reemployment as a personal leave ceiling equal to the employee’s former maximum annual leave limitation. The new maximum annual leave limitation is subject to reduction in the same manner as provided in 5 U.S.C. 6304(c) until the employee’s accumulated annual leave is equal to or less than the

(e) An employee who retired from the Federal Government and received a lump-sum payment under § 550.1203 of this chapter, and who is reemployed under a temporary appointment of less than 90 days prior to the expiration of the lump-sum leave period, is required to refund the lump-sum payment, and the agency must recredit the annual leave under § 550.1207. The employee may use the recredited annual leave during the temporary appointment.

§ 550.1207 Recrediting annual leave.

(a) When an employee pays a full refund to an agency under § 550.1206(a), the agency must recredit to the employee an amount of annual leave equal to the days or hours of work (including holidays) remaining between the date of reemployment and the expiration of the lump-sum period. The recredited annual leave is available for use by the employee on and after the date the annual leave is recredited. The agency must recredit annual leave as follows:

(1) When an employee is reemployed in the Federal service in a position covered by subchapter I of chapter 63 of title 5, United States Code, the employing agency must recredit an amount of annual leave equal to the days or hours of work (including holidays) remaining between the date of reemployment and the expiration of the lump-sum period.

(2) When an employee is reemployed in the Federal service in a position that is not covered by subchapter I of chapter 63 of title 5, United States Code, but is covered by a different leave system, the employing agency must recredit to the employee an amount of annual leave representing the days or hours of work (including holidays) remaining between the date of reemployment and the expiration of the lump-sum period, as determined under § 630.501(b) of this chapter. If the unexpired period of leave covers a larger amount of leave than can be recredited under the different leave system, the employee must refund only the amount that represents the leave that can be recredited.

(3) When an employee is reemployed prior to the expiration of the lump-sum leave period, the agency may not recredit to the employee the annual leave restored under 5 U.S.C. 6304(d) that was included in a lump-sum payment. The agency must subtract such restored annual leave from the lump-sum leave period before it determines the amount of annual leave to recredit under paragraph (a)(1) of this section.

(b) Any annual leave the agency recredits to the employee under paragraph (a) of this section is subject at the beginning of the next leave year to the maximum annual leave limitation established by 5 U.S.C. 6304(a), (b), (c), or (f), as appropriate, for the position in which the employee is reemployed, except as provided in paragraphs (c) and (d) of this section.

(c) If the amount of annual leave to be recredited under paragraph (a) of this section is more than the maximum annual leave limitation for the position in which reemployed, and the employee’s former maximum annual leave limitation was established under 5 U.S.C. 6304(a), (b), (c), or (f), as appropriate, the agency must establish the employee’s new maximum annual leave limitation on the date of reemployment as a personal leave ceiling equal to the amount of annual leave to be recredited under paragraph (a) of this section. The new maximum annual leave limitation is subject to reduction in the same manner as provided in 5 U.S.C. 6304(c) until the employee’s accumulated annual leave is equal to or less than the new maximum annual leave limitation for the position in which reemployed.

(d) If the amount of annual leave to be recredited under paragraph (a) of this section is more than the maximum annual leave limitation for the position in which the employee is reemployed, and the employee’s former maximum annual leave limitation was established under an authority other than 5 U.S.C. 6304(a), (b), (c), or (f), as appropriate, the agency must establish the employee’s new maximum annual leave limitation on the date of reemployment as a personal leave ceiling equal to the employee’s former maximum annual leave limitation. The new maximum annual leave limitation is subject to reduction in the same manner as provided in 5 U.S.C. 6304(c) until the employee’s accumulated annual leave is equal to or less than the
§ 550.1302

Subpart M—Firefighter Pay

Authority: 5 U.S.C. 5545b, 5548, and 5553.

Source: 63 FR 64593, Nov. 23, 1998, unless otherwise noted.

§ 550.1301 Purpose, applicability, and administration.

(a) Purpose. This subpart provides regulations governing the pay of covered Federal firefighters. It implements sections 5542(f) and 5545b of title 5, United States Code, as added by section 628 of section 101(h) of Pub. L. 105–277, and must be read together with those sections of law.

(b) Applicability. This subpart applies to any firefighter as defined in §550.1302.

(c) Administration. The head of an agency having employees subject to this subpart is responsible for the proper administration of this subpart.

§ 550.1302 Definitions.

In this subpart:

Annual rate of basic pay (except as otherwise provided in §§550.1305 and 550.1308) means the annual rate fixed under the rate schedule applicable to the position held by the firefighter, including a locality rate schedule established under 5 U.S.C. 5304 or a special rate schedule established under 5 U.S.C. 5305, before any deductions and exclusive of additional pay of any other kind.

Basic 40-hour workweek means—
(1) A standard 40-hour workweek consisting of five 8-hour workdays that is part of the firefighter’s regular tour of duty; or
(2) A designated block of hours within a firefighter’s regular tour of duty that, on a fixed and recurring basis, consists of 40 hours of actual work during each administrative week (or 80 hours of actual work in each biweekly pay period), excluding sleep and standby duty hours, provided the regular tour of duty does not consist primarily of 24-hour shifts.

Firefighter means an employee—
(1) Whose regular tour of duty, as in effect throughout the year, averages at least 106 hours per biweekly pay period; and
(2) Who is in a position—
(i) Covered by the General Schedule and classified in the Fire Protection and Prevention Series, GS–0081, consistent with standards published by the Office of Personnel Management;
(ii) In a demonstration project established under chapter 47 of title 5, United States Code, or an alternative personnel system under a similar authority, which otherwise would be covered by the General Schedule, and which is classified in the Fire Protection and Prevention Series, GS–0081, consistent with standards published by the Office of Personnel Management, but only if application of 5 U.S.C. 5545b has not been waived; or
(iii) Covered by the General Schedule and classified in the GS–0099, General Student Trainee Series (as required by §362.203(e) of this chapter), if the position otherwise would be classified in the GS–0081 series.

Firefighter hourly rate of basic pay means an hourly rate computed by dividing the applicable annual rate of

maximum annual leave limitation for the position in which reemployed.

(e) When an employee is reemployed in a position listed in 5 U.S.C. 6301(2)(x)–(xiii), the agency must recredit and hold in abeyance the amount of annual leave that would have been recredited under paragraph (a) of this section. The agency must include unused annual leave in a lump-sum payment when the employee becomes eligible for a lump-sum payment under §550.1203. If the employee transfers from a position listed in 5 U.S.C. 6301(2)(x)–(xiii) to a position covered by subchapter I of chapter 63 of title 5, United States Code, or to a position under a different formal leave system to which his or her annual leave can be recredited, the employing agency must recredit the annual leave to the employee’s credit as provided in paragraph (a) of this section.

(f) An agency must document the calculation of an employee’s lump-sum payment as provided in §550.1205(b) so as to permit the subsequent calculation of any refund required under §550.1206(a) and any recredit of annual leave required under this section.
§ 550.1303 Hourly rates of basic pay.

(a) For firefighters with a regular tour of duty that does not include a basic 40-hour workweek (e.g., firefighters whose schedules generally consist of 24-hour shifts with a significant amount of designated standby and sleep time), the hourly rate of basic pay is computed by dividing the applicable annual rate of basic pay by 2756 hours. The resulting firefighter hourly rate of basic pay is multiplied by all nonovertime hours to determine the pay for those hours.

(b) For firefighters with a regular tour of duty that includes a basic 40-hour workweek, the hourly rate of basic pay is computed by dividing the applicable annual rate of basic pay by—

(1) 2087 hours, for hours within the basic 40-hour workweek (or 80-hour biweekly pay period); and

(2) 2756 hours, for any additional nonovertime hours.

(c) A firefighter’s daily, weekly, or biweekly rate of basic pay must be computed using the applicable rates, as derived under paragraphs (a) and (b) of this section.

(d) If a firefighter takes leave without pay during his or her regular tour of duty, the agency shall substitute any irregular hours worked in the same biweekly pay period for those hours of leave without pay. (If a firefighter’s overtime pay is computed on a weekly basis, the irregular hours must be worked in the same administrative workweek.) For firefighters whose regular tour of duty includes a basic 40-hour workweek, the agency shall first substitute irregular hours for hours of leave without pay in the basic 40-hour workweek, which are paid at an hourly rate based on the 2087 divisor. All other substituted hours are paid at an hourly rate based on the 2756 divisor, using the applicable overtime rate for overtime hours. The annual rate used to compute any such hourly rate is the annual rate in effect at the time the hour was actually worked.

§ 550.1304 Overtime hourly rates of pay.

(a) For a firefighter who is covered by (i.e., nonexempt from) the overtime provisions of the Fair Labor Standards Act (FLSA), the overtime hourly rate of pay equals 1½ times the firefighter hourly rate of basic pay for that firefighter, as established under §550.1303(a) and (b)(2).

(b) For a firefighter who is exempt from the FLSA, the overtime hourly rate is computed as provided in §550.113(e).

(c) For any firefighter, overtime pay for any pay period is derived by multiplying the applicable overtime hourly rate by all overtime hours within that period.
§ 550.1305 Treatment as basic pay.

(a) The sum of pay for nonovertime hours that are part of a firefighter’s regular tour of duty (as computed under § 550.1303) and the straight-time portion of overtime pay for hours in a firefighter’s regular tour of duty is treated as basic pay only for the following purposes:

1. Retirement deductions and benefits under chapters 83 and 84 of title 5, United States Code;
2. Life insurance premiums and benefits under chapter 87 of title 5, United States Code;
3. Severance pay under section 5595 of title 5, United States Code;
4. Cost-of-living allowances and post differentials under section 5941 of title 5, United States Code; and
5. Advances in pay under section 5524a of title 5, United States Code.

(b) The straight-time portion of overtime pay for hours in a firefighter’s regular tour of duty is derived by multiplying the applicable firefighter hourly rate of basic pay computed under § 550.1303(a) and (b)(2) by the number of overtime hours in the firefighter’s regular tour of duty.

(c) Pay for any nonovertime hours outside a firefighter’s regular tour of duty is computed using the firefighter hourly rate of basic pay as provided in § 550.1303(a) and (b)(2), but that pay is not considered basic pay for any purpose, except in applying §§ 550.105 and 550.106.

(d) For firefighters compensated under § 550.1303(b), pay for nonovertime hours within the regular tour of duty, but outside the basic 40-hour workweek, is basic pay only for the purposes listed in paragraph (a) of this section and for the purpose of applying § 410.402(b)(6) of this chapter.

(e) Locality pay under 5 U.S.C. 5304 is basic pay for firefighters only to the extent provided in this subpart, § 531.610 of this chapter, or other specific provision of law.

§ 550.1306 Relationship to other entitlements.

(a) A firefighter who is compensated under this subpart is entitled to overtime pay as provided under this subpart, but may not receive additional premium pay under any other provision of subchapter V of chapter 55 of title 5, United States Code, including night pay, Sunday pay, holiday pay, and hazardous duty pay. A firefighter is not entitled to receive paid holiday time off when not working on a holiday, but may be allowed to use annual or sick leave, as appropriate, or may be granted excused absence at the agency’s discretion.

(b) A firefighter who is subject to section 7(k) of the Fair Labor Standards Act (FLSA) and who is subject to this subpart is deemed to be appropriately compensated under section 7(k) of the FLSA if the requirements of § 550.1304(a) are satisfied.

(c) In computing a lump-sum payment for accumulated annual leave under 5 U.S.C. 5551 and 5552 for firefighters with an uncommon tour of duty established under § 630.210 of this chapter for leave purposes, an agency must use the rates of pay for the position held by the firefighter that apply to hours in that uncommon tour of duty, including regular overtime pay for such hours.

(d) A firefighter compensated under this subpart shall receive basic pay and overtime pay for his or her regular tour of duty in any week in which attendance at agency-sanctioned training reduces the hours in the firefighter’s regular tour of duty, as provided in § 410.402(b)(6) of this chapter.

(e) In applying the compensatory time off provision in § 550.114(c), compare the firefighter’s annual rate of basic pay to the annual rate of basic pay for GS–10, step 10.

§ 550.1307 Authority to regularize paychecks.

Upon a written request from the head of an agency (or designee), the Office of Personnel Management may approve an agency’s plan to reduce or eliminate variation in the amount of firefighters’ biweekly paychecks caused by work
§ 550.1401 Purpose.

This subpart contains OPM regulations implementing 5 U.S.C. 5550b, which establishes a separate type of compensatory time off. Subject to the conditions specified in this subpart, an employee is entitled to earn, on an hour-for-hour basis, compensatory time off for time in a travel status away from the employee’s official duty station when the travel time is not otherwise compensable.

§ 550.1402 Coverage.

This subpart applies to an employee as defined in 5 U.S.C. 5541(2) who is employed by an agency. In accordance with section 1111 of Public Law 110–181, an employee whose pay is fixed and adjusted from time to time in accordance with prevailing rates under subchapter IV of chapter 53 of title 5, United States Code, or by a wage board or similar administrative authority serving the same purpose, is covered by this subpart effective April 27, 2008.

[73 FR 30455, May 28, 2008]

§ 550.1403 Definitions.

In this subpart:

Accrued compensatory time off means the compensatory time off earned by an employee that has not been used or forfeited.

Agency means an Executive agency as defined in 5 U.S.C. 105.

Authorized agency official means the head of the agency or an official who is authorized to act for the head of the agency in the matter concerned.

Compensable refers to periods of time that are creditable as hours of work for the purpose of determining a specific pay entitlement, even when that work time may not actually generate additional compensation because of applicable pay limitations.

Compensatory time off means compensatory time off for travel that is credited under the authority of this subpart.

Official duty station means the geographic area surrounding an employee’s regular work site that is the same as the area designated by the employing agency for the purpose of determining whether travel time is compensable for the purpose of determining overtime pay, consistent with the regulations in 5 CFR 550.112(j) and 551.422(d).

Regular working hours means the days and hours of an employee’s regularly scheduled administrative workweek established under 5 CFR part 610.

Scheduled tour of duty for leave purposes means an employee’s regular hours for which he or she may be charged leave under 5 CFR part 630 when absent. For full-time employees, it is the 40-hour basic workweek as defined in 5 CFR 610.102. For employees with an uncommon tour of duty as defined in 5 CFR 630.201, it is the uncommon tour of duty.

Travel means officially authorized travel—i.e., travel for work purposes that is approved by an authorized agency official or otherwise authorized under established agency policies. Time spent traveling in connection with union activities is excluded.

Travel status means travel time as described in §550.1404 that is creditable in accruing compensatory time off for travel under this subpart, excluding travel time that is otherwise compensable under other legal authority.

[70 FR 3856, Jan. 27, 2005, as amended at 72 FR 19098, Apr. 17, 2007]

§ 550.1404 Creditable travel time.

(a) General. Subject to the conditions specified in this subpart, an agency must credit an employee with compensatory time off for time in a travel status if—
(1) The employee is required to travel away from the official duty station; and
(2) The travel time is not otherwise compensable hours of work under other legal authority.

(b)(1) Travel status. Time in a travel status includes the time an employee actually spends traveling between the official duty station and a temporary duty station, or between two temporary duty stations, and the usual waiting time that precedes or interrupts such travel, subject to the exclusion specified in paragraph (b)(2) of this section and the requirements in paragraph (c), (d) and (e) of this section. Time spent at a temporary duty station between arrival and departure is not time in a travel status. Time in a travel status ends when the employee arrives at the temporary duty worksite or his or her lodging in the temporary duty station, wherever the employee arrives first. Time in a travel status resumes when an employee departs from the temporary duty worksite or his or her lodging in the temporary duty station, from whichever the employee departs last. Travel time in connection with an employee’s permanent change of station is not time in a travel status. Determinations regarding what is creditable as “usual waiting time” are within the sole and exclusive discretion of the employing agency.

(2) If an employee experiences an extended (i.e., not usual) waiting time between actual periods of travel during which the employee is free to rest, sleep, or otherwise use the time for his or her own purposes, the extended waiting time is not creditable as time in a travel status.

(c) Travel between home and a temporary duty station. (1) If an employee is required to travel directly between his or her home and a temporary duty station outside the limits of the employee’s official duty station, the travel time is creditable as time in a travel status if otherwise qualifying under this subpart. However, the agency must deduct from such travel hours the time the employee would have spent in normal home-to-work or work-to-home commuting.

(2) In the case of an employee who is offered one mode of transportation and who is permitted to use an alternative mode of transportation, or who travels at a time or by a route other than that selected by the agency, the agency must determine the estimated amount of time in a travel status the employee would have had if the employee had used the mode of transportation offered by the agency or traveled at the time or by the route selected by the agency. In determining time in a travel status under this subpart, the agency must credit the employee with the lesser of the estimated time in a travel status or the actual time in a travel status.

(3) In the case of an employee who is on a multiple-day travel assignment and who chooses, for personal reasons, not to use temporary lodgings at the temporary duty station, but to return home at night or on a weekend, only travel from home to the temporary duty station on the 1st day and travel from the temporary duty station to home on the last day that is otherwise qualifying as time in a travel status under this subpart is mandatorily creditable (subject to the deduction of normal commuting time). Travel to and from home on other days is not creditable travel time unless the agency, at its discretion, determines that credit should be given based on the net savings to the Government from reduced lodging costs, considering the value of lost labor time attributable to compensatory time off. The dollar value of an hour of compensatory time off for this purpose is equal to the employee’s hourly rate of basic pay as defined in §550.103.

(d) Time spent traveling to or from a transportation terminal as part of travel away from the official duty station. If an employee is required to travel between home and a transportation terminal (e.g., airport or train station) within the limits of his or her official duty station as part of travel away from that duty station, the travel time outside regular working hours to or from the terminal is considered to be equivalent to commuting time and is not creditable time in a travel status. If the transportation terminal is outside the limits of the employee’s official duty station, the travel time to or from the terminal outside regular working hours is creditable as time in
§ 550.1405 Crediting compensatory time off.

(a) Upon a request filed in accordance with the procedures established under paragraph (b) of this section, an employee is entitled to credit for compensatory time off for travel under the conditions specified in this subpart. The employing agency must credit an employee with compensatory time off for creditable time in a travel status as provided in §550.1404. The agency may authorize credit in increments of one-tenth of an hour (6 minutes) or one-quarter of an hour (15 minutes). Agencies must track and manage compensatory time off granted under this subpart separately from other forms of compensatory time off.

(b) An employee must comply with his or her agency’s procedures for requesting credit of compensatory time off under this section. Employees must file such requests within the time period required by the agency. An employee’s request for credit of compensatory time off for travel may be denied if the request is not filed within the time period required by the agency.

§ 550.1406 Use of accrued compensatory time off.

(a) An employee must request permission from his or her supervisor to schedule the use of his or her accrued compensatory time off in accordance with agency-established policies and procedures.

(b) Compensatory time off may be used when the employee is granted time off from his or her scheduled tour of duty established for leave purposes. An employee must use earned compensatory time off under this subpart in increments of one-tenth of an hour (6 minutes) or one-quarter of an hour (15 minutes). Agencies must charge compensatory time off in the chronological order in which it was earned, with compensatory time off earned first being charged first.

§ 550.1407 Forfeiture of unused compensatory time off.

(a) After 26 pay periods. (1) Except as provided in paragraphs (a)(2) and (e) of this section, an employee must use accrued compensatory time off by the end of the 26th pay period after the pay period during which it was earned. If an employee fails to use the compensatory time off within 26 pay periods after it was earned, he or she must forfeit such compensatory time off.

(2) If an employee with unused compensatory time off separates from Federal service or is placed in a leave without pay status in the following circumstances and later returns to service with the same (or successor) agency, the employee must use all of the compensatory time off by the end of the 26th pay period following the pay period in which the employee returns to duty, or such compensatory time off will be forfeited:

(i) The employee separates or is placed in a leave without pay status to perform service in the uniformed services (as defined in 38 U.S.C. 4303 and 5 CFR 353.102) and later returns to service through the exercise of a reemployment right provided by law, Executive order, or regulation; or

(ii) The employee separates or is placed in a leave without pay status because of an on-the-job injury with entitlement to injury compensation under 5 U.S.C. chapter 81 and later recovers sufficiently to return to work.
§ 550.1403 Inapplicability of premium pay and aggregate pay caps.

Accrued compensatory time off under this subpart is not considered in applying the premium pay limitations established under 5 U.S.C. 5547 and 5 CFR 550.105 through 550.107 or the aggregate limitation on pay established under 5 U.S.C. 5307 and 5 CFR part 530, subpart B.

Subpart O—Flag Recognition Benefit for Fallen Federal Civilian Employees

AUTHORITY: 5 U.S.C. 5570 note; also issued under Sec. 2 of Pub. L. 112-73, 125 Stat. 784-785.

SOURCE: 79 FR 53602, Sept. 10, 2014, unless otherwise noted.

§ 550.1501 General.

(a) Statutory authority. This subpart implements the Civilian Service Recognition Act of 2011 (Public Law 112–73; December 20, 2011), reprinted as a note to 5 U.S.C.A. 5570, which authorizes agencies to give a flag of the United States to a beneficiary of a Federal civilian employee who dies of injuries incurred in connection with his or her employment with the Federal Government, under specific circumstances.

(b) Eligibility. Agencies may furnish a flag to the beneficiary (as defined in §550.1503) of an eligible employee (as specified in §550.1504) who died on or after December 20, 2011.

§ 550.1502 Coverage.

This subpart applies to—

(a) Executive agencies as defined in section 105 of title 5, United States Code, the United States Postal Service, and the Postal Regulatory Commission; and

(b) Employees as defined in section 2105 of title 5, United States Code; an officer or employee of the United States Postal Service; and an officer or employee of the Postal Regulatory Commission.

§ 550.1503 Definitions.

In this subpart—

Agency means an Executive agency as defined in 5 U.S.C. 105, the United
§ 550.1504  Eligibility.

(a) An authorized agency official may, upon the request of a beneficiary, furnish one United States flag for an individual who—

(1) Was an employee of the agency at the time of death; and

(2) Died of injuries incurred in connection with such individual’s employment with the Federal Government suffered as a result of—

(i) A criminal act;

(ii) An act of terrorism;

(iii) A natural disaster; or

(iv) Other circumstances, as determined by the President.

(b) An authorized agency official may not furnish a flag when the death is the result of—

(1) Unlawful or negligent action of the employee; or

(2) Willful misconduct of the employee; or

(3) Activities unrelated to the employee’s status as a Federal employee.

(c) The decision whether to furnish a flag to the beneficiary of an eligible employee is at the discretion of the agency. When an authorized agency official determines the agency will furnish a flag for a deceased eligible employee, the official must follow the order of precedence specified in § 550.1505.

§ 550.1505  Order of precedence.

If the authorized agency official determines the agency will furnish a flag, it must be issued to one beneficiary pursuant to the following order of precedence—

(a) The widow or widower;

(b) If none, to a child (including step, foster, or adopted child), according to age (i.e., oldest to youngest);

(c) If none, to a parent (including step, foster, or adoptive parent);

(d) If none, to a sibling (including step, half, or adopted sibling), according to age (i.e., oldest to youngest);

If none, to any individual related by blood or close family affiliation.

§ 550.1506  Beneficiary’s receipt of a flag.

One eligible beneficiary, following the order of precedence in § 550.1505, may be provided a flag by the agency once the agency has—

(a) Documented the date and nature of death of the employee and certified that it conforms to the eligibility criteria in § 550.1504;

(b) Received a request from a beneficiary; and

(c) Established the beneficiary’s relationship to the deceased employee and determined whether the beneficiary may receive the flag, consistent with the order of precedence under § 550.1505.

§ 550.1507  Agency responsibilities.

To efficiently and effectively implement the provisions of the law and these regulations, an agency that wishes to furnish a flag pursuant to this part must—

(a) Establish procedures for procuring and furnishing a flag, including reaching out to survivors of known eligible employees to provide information and offer assistance on obtaining a flag;

(b) Notify its employees of the flag benefit annually; and

(c) Disclose information necessary to prove that a deceased individual is an eligible employee as described in § 550.1504 to the extent that such information is not classified and to the extent that such disclosure does not endanger the national security of the United States.
Subpart P—Overtime Pay for Border Patrol Agents

§ 550.1601 Purpose and authority.

This subpart contains OPM regulations to implement section 2 of the Border Patrol Agent Pay Reform Act of 2014 (Pub. L. 113–277), which added section 5550 in title 5, United States Code, and made related statutory amendments. The Act created a special overtime pay program for Border Patrol agents in the U.S. Customs and Border Protection component within the Department of Homeland Security. OPM has authority under 5 U.S.C. 5548(a) to regulate subchapter V (Premium Pay) of chapter 55 of title 5, United States Code, and the Act’s amendments to sections 5542 and 5547. OPM was also granted broad authority to promulgate necessary regulations to carry out the Act and the amendments made by the Act under section 2(h) of the Act.

§ 550.1602 Coverage.

This subpart applies to an employee of the U.S. Customs and Border Protection component of the Department of Homeland Security (or any successor organization) who holds a position assigned to the Border Patrol Enforcement classification series 1896 or any successor series, consistent with classification standards established by OPM. Such an employee is referred to as a “Border Patrol agent” or “agent” in this subpart.

§ 550.1603 Definitions.

For the purpose of this subpart—

Advanced training means all training, other than initial training, provided on a whole-workday basis. Advanced training excludes training that covers only part of an 8-hour basic workday.

Agent means a Border Patrol agent.

Annual period means a 1-year period that begins on the first day of the first pay period beginning on or after January 1 of a given year and ends on the day before the first day of the first pay period beginning on or after January 1 of the next year. The term “year” in 5 U.S.C. 5550(b)(1)(A) and (C) and the term “leave year” in 5 U.S.C. 5542(g)(5)(A) are interpreted to be an annual period as defined here.

Basic regular tour of duty means an officially established weekly regular tour of duty consisting of five 8-hour workdays (including no overtime hours) for which no overtime supplement is payable.

Basic workday means the 8 non-overtime hours on a day within an agent’s basic workweek.

Basic workweek, for full-time employees, means the 40-hour workweek established in accordance with 5 CFR 610.111.

Border Patrol agent means an employee to whom this subpart applies, as provided in §550.1602.

CBP means the component of the Department of Homeland Security known as U.S. Customs and Border Protection (or any successor organization). When this term is used in the context of CBP making determinations or taking actions, it means management officials of CBP who are authorized to make the given determination or take the given action.

Hybrid pay period means a biweekly pay period within which—

(1) An agent has one type of established regular tour of duty for one part of the pay period and another type of regular tour of duty for a different part of the pay period; or

(2) An individual is employed as an agent for only a portion of the pay period.

Initial training means training for newly hired agents—including initial orientation sessions, basic training, and other preparatory activities—provided prior to the agent’s first regular work assignment in which he or she will be authorized to make arrests and carry a firearm.

Irregular overtime work means officially ordered or approved overtime work that is not regularly scheduled overtime work—i.e., overtime work that is not part of the agent’s regularly scheduled administrative workweek.
§ 550.1604 Authority of U.S. Customs and Border Protection.

Authorized management officials of U.S. Customs and Border Protection are responsible for determining the mission requirements and operational needs of the organization and have the right to assign scheduled and unscheduled work as necessary to meet those requirements and needs, regardless of an agent’s officially established regular tour of duty. (See subsections (a)

§ 550.1605 Interpretation instruction.

As required by section 2(f) of the Border Patrol Agent Pay Reform Act of 2014 (Public Law 113–277), nothing in section 2 of the Act or this subpart may be construed to require compensation of an agent other than for hours during which the agent is actually performing work or using approved paid leave or other paid time off. This section does not prevent CBP from granting paid excused absence from an agent’s basic workweek under other authority.

ASSIGNMENT OF REGULAR TOUR OF DUTY AND OVERTIME SUPPLEMENT

§ 550.1611 Assignments for an annual period.

(a) Annual period. The assignment of a regular tour of duty and overtime supplement to an agent is in effect for a full annual period (or the portion of such period during which the individual is employed as an agent), except as otherwise provided in this subpart. The annual period is a 1-year period that begins on the first day of the first pay period beginning on or after January 1 of a given year and ends on the day before the first day of the first pay period beginning on or after January 1 of the next year.

(b) Information regarding annual election opportunity. No later than November 1 of each year, CBP must provide each currently employed agent with information regarding the opportunity to elect a regular tour of duty and corresponding overtime supplement for the next annual period. The information must include an explanation of election options and procedures. For an agent who will be in initial training status on the first day of the annual period, this paragraph is not applicable, and §550.1621(a) and (b) will apply instead.

(c) Annual election opportunity. No later than December 1 of each year, an agent to whom paragraph (b) of this section is applicable may make an election among three options for the regular tour of duty and corresponding overtime supplement (as described in §550.1621) that the agent wishes to be applicable to him or her during the next annual period.

(d) Failure to make an election. If an agent fails to make a timely election under paragraph (c) of this section, CBP must assign the agent a Level 1 regular tour of duty for the annual period (i.e., deemed election) with a 25 percent overtime supplement, except as otherwise provided in paragraph (f) of this section or §550.1622.

(e) Effect of agent election. CBP must assign an agent the regular tour of duty elected by the agent under paragraph (c) or (d) of this section unless CBP informs the agent of an alternative assignment, as provided under paragraph (f) of this section or §550.1622. CBP may change the assignment during the annual period, as provided under §550.1612(d). An annual election under paragraph (c) or (d) of this section that is superseded as provided under paragraph (f) of this section or §550.1622 remains as the default election in the event that the superseding circumstances cease to be applicable, subject to §550.1612(d).

(f) Management assignment to tour. CBP may assign a different regular tour of duty than that elected by the agent under paragraph (c) or (d) of this section for an upcoming annual period under the following circumstances:

(1) An agent who is assigned canine care duties must be assigned a Level 1 regular tour of duty, subject to §550.1622(c);

(2) An agent who is unable to perform overtime on a daily basis, as determined by CBP, must be assigned a Basic regular tour of duty with no overtime supplement until such time as CBP determines the agent is able to perform the required overtime on a daily basis, subject to the rules in §550.1612(e);

(3) An agent who holds a position at CBP headquarters, as a training instructor at a CBP training facility, or as a fitness instructor—or who holds another type of position that CBP has determined to be an administrative position—must be assigned a Basic regular tour of duty unless CBP determines a Level 1 or Level 2 regular tour of duty may be assigned to the agent based on a comprehensive staffing
analysis conducted for the agent’s duty station as required by section 2(e) of the Border Patrol Agent Pay Reform Act of 2014 (Public Law 113–277);

(4) CBP determines that an agent must be assigned to a Level 1 regular tour of duty to ensure that not more than 10 percent (or higher percentage established under §550.1614(b)) of agents stationed at a location are assigned to a Level 2 regular tour of duty or a Basic regular tour of duty, as required by 5 U.S.C. 5550(b)(1)(E) and §550.1614; or

(5) CBP determines that assignment of a different regular tour of duty is necessary to comply with the pay assignment continuity provisions in 5 U.S.C. 5550(b)(1)(G) and §550.1615, notwithstanding any other provision of law or this subpart (including paragraphs (f)(1) through (4) of this section).

(g) Temporary detail. If an agent is serving in a position under a temporary detail, that position may not be considered, for the purpose of applying paragraph (f)(3) of this section, to be the position held by the agent during the first 90 days of the detail. After completing 90 days under a temporary detail, an agent will be considered, for the purpose of applying paragraph (f)(3) of this section, to hold the position to which temporarily detailed for the remainder of the detail, notwithstanding the agent’s official position of record.

§550.1612 Assignments made at other times.

(a) Initial training period. An individual who is newly hired as an agent must be assigned a Basic regular tour of duty during any period of initial training. After completing any period of initial training, an agent must be assigned a Level 1 regular tour of duty for any portion of the annual period remaining at that point, except under applicable circumstances described in paragraph (f) of §550.1611 or paragraph (b) of this section.

(b) Election by new agent. An agent who would otherwise be assigned a regular tour of duty under paragraph (a) of this section may submit an election of a different regular tour of duty to be effective on a prospective basis for the remaining portion of the annual period. CBP must provide the agent with election information no later than the date the agent begins a regular work assignment (i.e., after completing any period of initial training). CBP must assign an agent the regular tour of duty elected by the agent under this section unless CBP informs the agent of an alternative assignment based on the circumstances described in paragraph (f) of §550.1611. Such election must be submitted to CBP no later than 30 days after the agent begins a regular work assignment and, if approved by CBP, is effective on the first day of the first pay period beginning on or after the later of—

(1) The date the election was submitted; or

(2) The date the agent completed initial training.

(c) Related election for new agent’s first annual period. An individual who is newly hired as an agent during the period beginning on November 2 and ending on the day before the first day of the next annual period may make an election to take effect at the beginning of the next annual period notwithstanding the normally applicable December 1 election deadline, if the agent will not be in initial training status on the first day of the annual period. Such election must be submitted no later than 30 days after receiving election information, but before the first day of the annual period. Such an election is subject to the same requirements and conditions that apply to an election for an annual period under paragraphs (e) and (f) of §550.1611. If such election is not made, CBP must assign the agent a Level 1 regular tour of duty with a 25 percent overtime supplement for the next annual period, except under applicable circumstances described in paragraph (f) of §550.1611.

(d) Change in tour during annual period. CBP may change an agent’s assigned regular tour of duty during an annual period based on a change in the circumstances described in §550.1611(f) or in §550.1622. For example, an agent’s regular tour of duty may be changed one or more times during an annual period as necessary to comply with the pay assignment continuity provision described in §550.1611(f)(5). As provided in §550.1611(e), an annual election
under §550.1611(c) or (d) that is superseded by operation of §550.1611(f) or §550.1622 remains as the default election and becomes effective in the event that §550.1611(f) or §550.1622 ceases to be applicable. A tour change under this paragraph is effective with the change in circumstances, as determined by CBP, except as otherwise provided in paragraph (e)(2) of this section and §550.1622(c)(2).

(e) Inability determination and effective date of tour change. The action to assign a Basic regular tour of duty based on a determination that an agent is unable to perform overtime on a daily basis under §550.1611(f)(2) is subject to the following rules:

(1) The inability determination may be made—

(i) When an agent’s law enforcement authority is revoked (e.g., in connection with an investigation, loss of security clearance, or a suspension);

(ii) When an agent is unable to perform overtime duties for an extended period due to physical or health reasons; or

(iii) For any other appropriate reason, as determined by CBP, but excluding inability based on lack of work (as opposed to inability based on the employee’s availability).

(2) The change to a Basic regular tour of duty is effective on the next workday following a CBP inability determination, except that—

(i) CBP may delay the effective date to coincide with the beginning of a week or a biweekly pay period;

(ii) CBP may delay the effective date as necessary to allow an agent who is able to work during regular time to exhaust a positive balance of unused compensatory time off (by applying that balance against the newly accruing overtime hours debt resulting from work during regular time);

(iii) CBP may delay the effective date as necessary to allow an agent to use accrued paid leave or other paid time off if the agent will be performing no work during regular time for a continuous period;

(iv) CBP may delay the effective date during a continuous period of leave without pay granted under 5 U.S.C. chapter 63, subchapter V (dealing with family and medical leave); and

(v) CBP must delay the effective date during any period of paid leave, continuation of pay, or leave without pay granted in connection with application of 5 U.S.C. chapter 81 (dealing with workers’ compensation due to a job-related injury).

§550.1613 Selection of agents for assignment.

If application of paragraphs (f)(3) and (4) of §550.1611 (or application of those paragraphs through §550.1612) requires CBP to select agents for assignment to a particular regular tour of duty out of a pool of agents who prefer a different assignment, CBP must make any such selection consistent with an established written plan that includes the criteria that will be considered and the priority of those criteria. Such plan must be consistent with the requirements of this subpart.

§550.1614 Limit on percentage of agents who do not have a Level 1 regular tour of duty.

(a) CBP must take such action as is necessary, including unilateral assignment of agents to a Level 1 regular tour of duty, to ensure that not more than 10 percent of agents stationed at a location are assigned to a Level 2 regular tour of duty or a Basic regular tour of duty, as required by 5 U.S.C. 5550(b)(1)(E), notwithstanding any other provision of law or this subpart, except as provided by paragraphs (b), (c), and (d) of this section. For the purpose of this paragraph, the term “location” means a Border Patrol sector, which includes all subordinate organizational structures and related geographic areas within the sector (e.g., stations).

(b) CBP may waive the 10 percent limit in paragraph (a) of this section and apply a higher percentage limit if CBP determines it is able to adequately fulfill its operational requirements under that higher limit based on a comprehensive staffing analysis conducted for the agent’s duty station under section 2(e) of the Border Patrol Agent Pay Reform Act of 2014 (Pub. L. 113–277).

(c) The 10 percent limit in paragraph (a) does not apply to agents working at
§ 550.1615 Pay assignment continuity.

(a) Plan. (1) In consultation with OPM, CBP must develop and implement a plan to ensure, to the greatest extent practicable, that the assignment of a regular tour of duty to an agent during all consecutive 3-year periods within the control period specified in paragraph (b) of this section produces an average overtime supplement percentage (during each 3-year period) that is consistent with the agent’s average overtime supplement percentage during the course of the agent’s career prior to the beginning of that control period, subject to paragraph (c) of this section. The purpose of this plan is to protect the retirement fund and ensure that agents are not able to artificially enhance their retirement annuities during the period when the high-3 average pay may be determined (in accordance with 5 U.S.C. 8331(4) or 5 U.S.C. 8401(3)).

(2) In applying paragraph (a)(1) of this section, the career average overtime supplement percentage for an agent is the greater of—

(i) The average of overtime supplement percentages (25 percent, 12.5 percent, or 0 percent) assigned during service as an agent on or after January 10, 2016, that is prior to the beginning of the agent’s control period (as specified in paragraph (b) of this section); or

(ii) The average of the overtime supplement percentages during all service as an agent that is prior to the beginning of the agent’s control period (as specified in paragraph (b) of this section), with assigned overtime supplement percentages (25, 12.5, or 0 percent) assigned during service on or after January 10, 2016, and with assigned percentages of administratively uncontrollable overtime under 5 U.S.C. 5545(c)(2) treated as overtime supplement percentages for any period of service prior to January 10, 2016.

(b) Control period. The period of time during which CBP must control an agent’s assignment to a regular tour of duty (i.e., the control period) begins on the date 3 years before the agent meets age and service requirements for an immediate retirement and remains in effect during all subsequent service in a Border Patrol agent position. If, as of January 10, 2016, the date that is 3 years before the agent first met age and service requirements for an immediate retirement has already passed, then the agent’s control period is considered to have begun on January 10, 2016.

(c) Consistency requirement. (1) The consistency requirement in paragraph (a) of this section is considered to be met when the agent’s average overtime supplement percentage during all consecutive 3-year periods within the control period specified in paragraph (b) of this section is within 2.5 percentage points of the agent’s average overtime supplement percentage during the course of the agent’s career prior to the beginning of that control period, except as provided in paragraph (c)(2) of this section.

(2) Notwithstanding the consistency requirement in paragraph (a) of this section, the CBP plan may allow an agent to be assigned a regular tour of duty that provides an overtime supplement percentage that is less than that necessary to produce an average percentage (during all consecutive 3-year periods within the control period specified in paragraph (b)) that is consistent with the agent’s career average percentage if—

(i) The agent’s overtime supplement is limited by the premium pay cap under §§550.105 and 550.107 and the
agent voluntarily elects a regular tour of duty providing such a lesser overtime supplement percentage that is approved by CBP; or

(ii) CBP determines an agent is unable to perform overtime on a daily basis due to a physical or medical condition affecting the agent and assigns the agent a Basic regular tour of duty, as described in §550.1611(f)(2), (but only if such assignment makes it impossible to satisfy the consistency requirement during any given consecutive 3-year period).

(d) CBP authority. (1) CBP may take such action as is necessary, including the unilateral assignment of a regular tour of duty to implement the plan described in paragraph (a) of this section, notwithstanding any other provision of law or this subpart, except as provided in paragraph (d)(2) of this section.

(2) Notwithstanding the requirements of 5 U.S.C. 5550(b)(1)(G) and this section, CBP is authorized to assign agents to regular tours of duty as necessary to meet operational requirements. Before exercising the authority to allow assignment of a regular tour of duty that does not comply with the plan described in paragraph (a) of this section, CBP must first determine that it cannot adequately address the specific operational requirements in question by other means, such as the assignment of overtime work outside the regular tour of duty to the affected agent or other agents. If this authority is exercised, CBP must return an affected agent to a regular tour of duty that complies with the plan described in paragraph (a) of this section as soon as possible.

(e) Reporting requirements—(1) Annual data reporting for agents within their control period. For each agent within the control period specified in paragraph (b) of this section, CBP must provide to OPM no later than March 30th of each year the following information (in a format specified by OPM) based on data compiled through the end of the most recent annual period:

(i) The date the agent became subject to controls on the assignment to a regular tour of duty;

(ii) The date the agent will become subject to mandatory separation under 5 U.S.C. 8335(b) or 5 U.S.C. 8425(b);

(iii) The service computation date based on eligibility under 5 U.S.C. 8336(c) or 5 U.S.C. 8412(d);

(iv) The average overtime supplement percentage during the course of the agent’s career prior to the beginning of the control period specified in paragraph (b);

(v) The average overtime supplement percentage for the time period beginning with the date the agent became subject to controls on the assignment to a regular tour of duty and ending on the last day of the most recent annual period;

(vi) The average overtime supplement percentage for the last three annual periods (excluding any time that was not within a control period specified in paragraph (b) of this section);

(vii) The average overtime supplement percentage for the most recent annual period (excluding any time that was not within a control period specified in paragraph (b) of this section), and;

(viii) Any other information requested by OPM.

(2) Annual data reporting for all agents. No later than March 30th of each year, CBP must provide to OPM the following information (in a format specified by OPM) for each agent compiled for the preceding calendar year based on salary payments made during that year:

(i) The amount of earnings subject to retirement deductions, including overtime supplement payments, received during the most recent calendar year;

(ii) The amount of earnings subject to retirement deductions during the most recent calendar year minus the total amount of the overtime supplement payments during that year;

(iii) The service computation date based on eligibility under 5 U.S.C. 8336(c) or 5 U.S.C. 8412(d) (i.e., the “regular” SCD);

(iv) The service computation date computed with credit for law enforcement officer service, and any other service creditable for eligibility under 5 U.S.C. 8336(c) or 5 U.S.C. 8412(d) (i.e., the “LEO” SCD);

(v) Date of birth;

(vi) Gender;

(vii) Retirement system (e.g., CSRS, FERS, FERS–RAE, FERS–FRAE); and
§ 550.1616 Corrective actions.

(a) Except at provided in paragraph (b) of this section, an error made in connection with the assignment of an agent’s regular tour of duty (including any associated overtime supplement) must be corrected as soon as possible.

(b) A retroactive correction of a tour assignment (i.e., actual assigned work schedule as opposed to an error in the payroll system) may not be made in the following circumstances, unless CBP determines there exists, in connection with an agent’s assigned tour, evidence of fraud, misrepresentation, fault, or lack of good faith on the part of the affected agent:

(1) Correction of an error in applying the consistency requirement described in §§ 550.1611(f)(5) and 550.1615; and

(2) Correction of an error that caused an employee to have a Level 1 regular tour of duty based solely on misapplication of the applicable percentage limitation described in §§ 550.1611(f)(4) and 550.1614.

§ 550.1621 Rules for types of regular tour of duty.

(a) Level 1 regular tour of duty. For an agent with a Level 1 regular tour of duty and a 25 percent overtime supplement, the following rules apply:

(1) The agent has an officially established weekly regular tour of duty generally consisting of five 10-hour workdays (an 8-hour basic workday and 2 regularly scheduled overtime hours);

(2) The agent’s 8-hour basic workday (regular time) may be interrupted by an unpaid off-duty meal break;

(3) The obligation to perform 2 hours of overtime work on a day including part of the agent’s regular tour of duty does not apply if the agent performs no work during regular time on that day, subject to paragraph (e) of this section;

(4) As compensation for regularly scheduled overtime hours within the regular tour of duty, the agent is entitled to an overtime supplement equal to 25 percent of the agent’s hourly rate of basic pay times the number of paid hours of regular time for the agent in the pay period (subject to the premium cap in §§ 550.105 and 550.107 and the restriction in § 550.1626(a)(5)), and no additional compensation or compensatory time off may be provided for such overtime hours;

(5) For any additional regularly scheduled overtime hours outside the regular tour of duty, the agent is entitled to overtime pay as provided in § 550.1624, except as otherwise provided by § 550.1626;

(6) For any irregular overtime hours, the agent is entitled to be credited with compensatory time off as provided in § 550.1624, except as otherwise provided by § 550.1626;

(7) The agent must be charged corresponding amounts of paid leave, compensatory time off, other paid time off, or time in nonpay status for each hour (or part thereof) the agent is absent from duty during regular time, as provided in § 550.1634, except as otherwise provided in § 550.1626(a); and

(8) If the agent is absent during regularly scheduled overtime hours within the agent’s regular tour of duty that the agent is obligated to work, the agent accrues an obligation to perform...
other overtime work for each hour (or part thereof) the agent is absent, and such obligation must be satisfied as provided in §550.1626.

(b) **Level 2 regular tour of duty.** For an agent with a Level 2 regular tour of duty and a 12.5 percent overtime supplement, the following rules apply:

1. The agent has an officially established weekly regular tour of duty generally consisting of five 9-hour workdays (an 8-hour basic workday and 1 regularly scheduled overtime hour);
2. The agent’s 8-hour basic workday (regular time) may be interrupted by an unpaid off-duty meal break;
3. The obligation to perform 1 hour of overtime work on a day including part of the agent’s regular tour of duty does not apply if the agent performs no work during regular time on that day, subject to paragraph (e) of this section;
4. As compensation for regularly scheduled overtime hours within the regular tour of duty, the agent receives an overtime supplement equal to 12.5 percent of the agent’s hourly rate of basic pay times the number of paid hours of regular time for the agent in the pay period (subject to the premium cap in §§550.105 and 550.107 and the restriction in §550.1626(a)(5)), and no additional compensation or compensatory time off may be provided for such overtime hours;
5. For any additional regularly scheduled overtime hours outside the regular tour of duty, the agent is entitled to overtime pay as provided in §550.1624, except as otherwise provided by §550.1626;
6. For any irregular overtime hours, the agent is entitled to be credited with compensatory time off as provided in §550.1625, except as otherwise provided by §550.1626;
7. The agent must be charged corresponding amounts of paid leave, compensatory time off, other paid time off, or time in nonpay status for each hour (or part thereof) the agent is absent from duty during regular time, as provided in §550.1634, except as otherwise provided in §550.1626(a); and
8. If the agent is absent during regularly scheduled overtime hours within the agent’s regular tour of duty that the agent is obligated to work, the agent accrues an obligation to perform other overtime work for each hour (or part thereof) the agent is absent, and such obligation must be satisfied as provided in §550.1626.

(c) **Basic regular tour of duty.** For an agent with a Basic regular tour of duty that includes no scheduled overtime hours and provides no overtime supplement, the following rules apply:

1. The agent has an officially established weekly regular tour of duty generally consisting of five 8-hour basic workdays;
2. The agent’s 8-hour basic workday (regular time) may be interrupted by an unpaid off-duty meal break;
3. For any regularly scheduled overtime hours, the agent is entitled to overtime pay as provided in §550.1624, except as otherwise provided by §550.1626;
4. For any irregular overtime hours, the agent is entitled to be credited with compensatory time off as provided in §550.1625, except as otherwise provided by §550.1626;
5. The agent must be charged corresponding amounts of paid leave, compensatory time off, other paid time off, or time in nonpay status for each hour (or part thereof) the agent is absent from duty during regular time, as provided in §550.1634, except as otherwise provided in §550.1626(a).

(d) **Effect of premium pay cap.** If a premium pay cap established under 5 U.S.C. 5547 and §§550.105 and 550.107 limits payment of an overtime supplement or regularly scheduled overtime pay, or limits crediting of compensatory time off, the affected agent is still required to perform assigned overtime work.

(e) **Meaning of “work”**. In applying paragraphs (a)(3) and (b)(3) of this section, the term “work” refers to paid hours of work, consistent with §550.112, except that paid leave and other paid time off when an agent is excused from duty are not considered to be work hours. Official time under 5 U.S.C. 7131 during regular time is considered to be paid hours of “work” during the time an employee otherwise would be in a duty status.

(f) **Approval of absences.** Any absence during obligated overtime hours (as described in paragraphs (a)(8) and (b)(8) of this section) is subject to management approval under CBP policies.
§ 550.1622 Circumstances requiring special treatment.

(a) General. The rules in paragraphs (b) and (c) of this section provide for special treatment based on specified circumstances and apply notwithstanding any other provision of this subpart.

(b) Advanced training. (1) During the first 60 days of advanced training in a calendar year, an agent’s assigned regular tour of duty must be considered to continue and the agent must be deemed to have worked during any nonwork period within obligated overtime hours for the purpose of determining the agent’s total hours to be compared to the applicable overtime threshold (as provided in §550.1623(a)(2)(iv)), except as provided under paragraph (b)(2) of this section.

(2) If an agent, during the period covered by paragraph (b)(1) of this section, performs creditable overtime work outside the agent’s regular tour of duty on a day when the agent performed less than the required amount of obligated overtime work, the overtime work outside the regular tour of duty must be applied towards the obligated overtime hours, as provided in §550.1626(b). After any such substitution, CBP must credit the agent with hours of work for any remaining nonwork time during obligated overtime hours on the same day for the purpose of determining the agent’s total hours to be compared to the applicable overtime threshold. For example, if an agent performs 2 creditable hours of regularly scheduled overtime work outside the agent’s Level 1 regular tour of duty on a training day when the agent performed half an hour of work during the 2 hours of obligated overtime, CBP would substitute 1.5 hours of regularly scheduled overtime outside the regular tour of duty for 1.5 hours of obligated overtime when no work was performed. CBP would not provide the agent with any credit for nonwork hours under paragraph (b)(1) of this section, since the 0.5 hours of actual work plus the 1.5 substituted hours account for the entire 2-hour period. The agent would be paid for the unsubstituted half hour of creditable regularly scheduled overtime work under §550.1624.

(3) For days of advanced training in excess of 60 days in a calendar year, an agent must be assigned a Basic regular tour of duty and be treated accordingly. If this results in a hybrid pay period in which an agent has two types of regular tours of duty within the same biweekly pay period, CBP must determine the number of overtime hours outside the regular tour of duty as provided in §550.1623(c). For an agent who is assigned a Basic regular tour of duty during advanced training under this paragraph, CBP must change the agent’s regular tour of duty to the type in effect before the Basic tour was assigned when the agent is no longer participating in advanced training.

(4) Paragraphs (b)(1) through (3) of this section apply solely to advanced training that is provided in whole-workday increments (i.e., covering an entire 8-hour basic workday).

(c) Canine care. (1) For an agent assigned to provide care for a canine and assigned to the Level 1 regular tour of duty border patrol rate of pay, the combined sum of basic pay plus the 25 percent overtime supplement is considered to provide compensation for all canine care. Such an agent must be credited with 1 hour of regularly scheduled overtime work as part of the regular tour of duty on each day containing a part of that tour, without regard to the actual duration of such care or the time and day when such care was actually provided. That leaves the agent with an additional obligation to perform 1 other hour of regularly scheduled overtime work as part of the regular tour of duty on each day containing a part of the employee’s tour, if the agent performs work during regular time on that day and thus has obligated overtime hours. An agent may receive no other compensation or compensatory time off for hours of canine care beyond what is specifically provided under this paragraph.

(2) If an agent is generally assigned to provide care for a canine, but is temporarily relieved of that duty for any reason (e.g., no dog available), the agent may not receive the 1-hour credit for canine care on a day when the agent is relieved from providing canine care. If the period during which the
agent is temporarily relieved from providing canine care lasts more than two full pay periods, CBP must assign the agent’s tour based on the agent’s default election for the annual period as provided in §550.1611(c) or (d) unless other circumstances described in paragraph (f) of §550.1611 are applicable. For shorter periods, the Level 1 regular tour of duty assigned based on canine care responsibilities will continue unless the agent requests a different tour based on the agent’s default election for the annual period.

§550.1623 Overtime work outside the regular tour of duty.

(a) General. (1) For the purpose of determining hours of overtime work outside an agent’s regular tour of duty in order to apply §§550.1624, 550.1625, and 550.1626, CBP must apply the applicable biweekly overtime threshold prescribed in paragraphs (b) and (c) of this section. An agent’s total hours of work (as determined under paragraph (a)(2) of this section) must be compared to the applicable threshold, and hours in excess of that threshold are overtime hours in applying §§550.1624, 550.1625, and 550.1626. The 8-hour daily and 40-hour weekly overtime thresholds under 5 U.S.C. 5542(a) and §550.111 are not applicable to agents.

(2) An agent’s total hours of work in a pay period for the purpose of applying applicable overtime thresholds is equal to the sum of:

(i) Time determined to be hours of work in duty status (regular time or overtime), subject to this subpart, 5 U.S.C. 4109 and 5 CFR 410.402 (related to training periods), and 5 U.S.C. 5542(b) and §550.112 (establishing general rules), except that paragraphs (d) and (e) of §550.112 are superseded by §550.1626;

(ii) Paid leave or other paid time off during a period of nonduty status within an agent’s regular time;

(iii) Obligated overtime hours during which no work is performed (creating a debt of hours) and for which no substitution is made under §550.1626(b);

(iv) Nonwork hours deemed to be hours of work during obligated overtime hours on a day of advanced training under §550.1622(b); and

(v) Overtime hours normally scheduled within an agent’s regular tour of duty that an agent is not obligated to work because the agent performs no work during regular time on that day (as provided in paragraphs (a)(3) and (b)(3) of §550.1621).

(b) Overtime thresholds for standard tours. (1) The applicable biweekly overtime threshold prescribed in paragraph (b)(2) of this section applies during a pay period to an agent whose regular tour of duty is fixed at one of the three standard tours for the entire pay period. (2) For an agent covered by paragraph (b)(1) of this section, the threshold used to determine whether an agent has performed overtime work outside the regular tour of duty in a given pay period is—

(i) 100 hours for a Level 1 regular tour of duty;

(ii) 90 hours for a Level 2 regular tour of duty; or

(iii) 80 hours for a Basic regular tour of duty.

(c) Overtime threshold for hybrid pay period. (1) For a hybrid pay period in which an agent has one type of regular tour of duty in effect for one part of the period and another type for another part of the period, the threshold used to determine whether an agent has performed overtime work outside the regular tour of duty in a given pay period is equal to the sum of the regular time hours (paid or unpaid) and the number of normally scheduled overtime hours within a regular tour of duty (whether obligated or not and whether worked or not) in the pay period. For example, if an agent has a Level 1 regular tour of duty in the first week of a pay period and a Level 2 regular tour of duty in the second week, the agent’s regular time hours would be 40 in the first week and 40 in the second week and the normally scheduled overtime hours would be 10 (5 days times 2 hours each day) in the first week and 5 (5 days times 1 hour each day) in second week, resulting in an biweekly overtime threshold of 95 hours.

(2) For a hybrid pay period in which an individual is employed as a Border Patrol agent for only part of the pay period, the threshold used to determine
whether an agent has performed overtime work outside the regular tour of duty in a given pay period is equal to the sum of the paid regular time hours (paid or unpaid) and the number of normally scheduled overtime hours within a regular tour of duty (whether obligated or not and whether worked or not) during the portion of the pay period the individual was employed as an agent. For example, if an individual is employed as an agent only during the second week of a pay period and has a Level 1 regular tour of duty, the overtime threshold would be 50 hours (40 regular time hours plus 10 normally scheduled overtime hours) in determining whether the agent has overtime hours in that week that are compensable under §§550.1624, 550.1625, and 550.1626.

§ 550.1624 Regularly scheduled overtime outside the regular tour of duty.

(a) Coverage. Any regularly scheduled overtime hours outside an agent’s regular tour of duty, as specified in §550.1623, are covered by this section, except that such hours are excluded from coverage under this section when required by the superseding provisions in §550.1626.

(b) Rates. Agents receive overtime pay at the rates specified under 5 U.S.C. 5542(a) and §550.113 for regularly scheduled overtime hours covered by paragraph (a) of this section, subject to the premium pay limitation established under 5 U.S.C. 5547 and §§550.105 and 550.107. An agent’s rate of basic pay (without any overtime supplement) is used in computing overtime pay for such hours.

(c) Avoiding additional regularly scheduled overtime. (1) As required by section 2(c)(2) of the Border Patrol Agent Pay Reform Act of 2014 (Public Law 113–277), CBP must, to the maximum extent practicable, avoid the use of regularly scheduled overtime work by agents outside of the regular tour of duty.

(2) Notwithstanding paragraph (c)(1) of this section, CBP may allow use of regularly scheduled overtime work outside an agent’s regular tour of duty if an agent volunteers to perform such overtime (e.g., to reduce an overtime hours debt).

§ 550.1625 Irregular overtime and compensatory time off.

(a) Coverage. An agent is entitled to compensatory time off as provided in this section for irregular overtime hours outside an agent’s regular tour of duty, as specified in §550.1623, except that such hours are excluded from coverage under this section (except paragraph (c) of this section) when required by the superseding provisions in §550.1626. The compensatory time off provisions in 5 U.S.C. 5543 and 5 CFR 550.114 are not applicable to an agent.

(b) Earning on an hour-for-hour basis for irregular overtime. Subject to the limitations specified in this section and the superseding provisions in §550.1626, an agent must receive compensatory time off for an equal amount of time spent performing irregular overtime work.

(c) Call-back overtime work. Notwithstanding paragraph (b) of this section, consistent with 5 U.S.C. 5542(b)(1) and §550.112(h), an agent must be deemed to have performed 2 hours of irregular overtime work for a lesser amount of irregular overtime work if—

(1) An agent is required perform such work on a day when the agent was not scheduled to work; or

(2) An agent is required to return to the agent’s place of employment to perform such work.

(d) Earning limited by premium pay cap. An agent may not be credited with earning compensatory time off if the value of such time off would cause the sum of the agent’s basic pay and premium pay in the given pay period to exceed the limitation established under 5 U.S.C. 5547 and §§550.105 and 550.107 in the period in which it was earned. The dollar value of compensatory time off for the purpose of this paragraph is the amount of overtime pay the agent would have received for the period during which compensatory time off was earned if the overtime had been regularly scheduled outside the agent’s regular tour of duty.

(e) Pay period limit. (1) An agent may not earn more than 10 hours of compensatory time off during any pay period unless—
Office of Personnel Management § 550.1626

(i) CBP, as it determines appropriate, approves in writing a waiver of the 10-hour limit; and

(ii) Such waiver approval is executed in advance of the performance of any work for which compensatory time off is earned.

(2) If a waiver of the 10-hour limit described in paragraph (e)(1) of this section is not granted, the agent involved may not be ordered to perform the associated overtime work.

(f) Annual period limit. An agent may not earn more than 240 hours of compensatory time off during an annual period.

(g) Usage. (1) An agent may use compensatory time off by being excused from duty during regular time (in an amount equal to the compensatory time off being used) during the agent’s basic workweek.

(2) An agent’s balance of unused compensatory time off is used to satisfy an overtime hours debt, as provided in § 550.1626(c)(1).

(h) Time limit for usage and forfeiture. An agent must use any hours of compensatory time off not later than the end of the 26th pay period after the pay period during which the compensatory time off was earned. Any compensatory time off not used within that time limit, or prior to separation from an agent position, is forfeited and not available for any purpose, regardless of the circumstances. An agent may not receive any cash value for unused compensatory time off. An agent may not receive credit towards the computation of the agent’s retirement annuity for unused compensatory time off.

§ 550.1626 Leave without pay during regular time and absences during obligated overtime hours.

(a) Substitution for leave without pay during regular time. (1) For any period of leave without pay during an agent’s regular time (basic workweek), an equal period of work outside the agent’s regular time in the same pay period must be substituted to the extent such work was performed. Any time substituted for leave without pay must be treated for all pay computation purposes as if it were regular time (except as provided in paragraph (a)(5) of this section) and may not be considered an overtime hour of work for any purpose, including §§ 550.1621(a)(4) and (b)(4), 550.1624, and 550.1625.

(b) Substitution for absences during obligated overtime hours within the regular tour of duty. (1) For a period of absence during obligated overtime hours within an agent’s regular tour of duty, an equal period of work outside the agent’s regular tour of duty in the same pay period must be substituted to the extent such work was performed. Any time so substituted must be treated for all pay computation purposes as if it were obligated overtime work and
may not be considered an overtime hour of work for any other purpose, including §§550.1624 and 550.1625.

(2) In substituting hours of work under paragraph (b)(1) of this section, work performed on the same day as the period of absence must be substituted first in circumstances described in §550.1622(b)(2). Hours substituted under this paragraph must be substituted in the following priority order: first, irregular overtime hours; and second, regularly scheduled overtime hours outside the regular tour of duty.

(3) After substituting hours under paragraph (b)(2) of this section, any remaining hours used for substitution under paragraph (b)(1) of this section must be substituted in the following priority order: first, irregular overtime hours; and second, regularly scheduled overtime hours outside the regular tour of duty.

(4) The substitution of overtime hours outside the regular tour of duty for obligated overtime hours not worked is solely for pay computation purposes. The substitution does not change the hours of an agent’s regular tour of duty. The hours that are substituted are considered to have been performed when they were worked, not during the obligated overtime hours for which they are substituted.

(c) Application of compensatory time off or future overtime work to offset overtime hours debt. (1) If a Border Patrol agent does not have sufficient additional work in a pay period to substitute for all periods of absence during obligated overtime hours within the agent’s regular tour of duty for that pay period, any unused balance of compensatory time off hours previously earned under §550.1625 must be applied towards the newly accrued overtime hours debt.

(2) If an agent has a remaining overtime hours debt after applying paragraphs (b) and (c)(1) of this section, any additional overtime work outside the agent’s regular tour of duty in subsequent pay periods that would otherwise be credited under §550.1624 or §550.1625 must be applied towards the overtime hours debt until that debt is satisfied. The application of such hours must be done in the following priority order: first, irregular overtime hours; and second, regularly scheduled overtime hours outside the regular tour of duty. Any overtime hour applied under this paragraph (c)(2) may not be considered an overtime hour of work for any other purpose.

(d) Unsatisfied overtime hours debt at movement to a non-agent position or separation. (1) Any unsatisfied overtime hours debt that exists at the time of movement to a non-agent position or separation from Federal service must be recovered to the extent possible by offsetting the affected employee’s positive balance (if any) of annual leave, time-off awards, or compensatory time off for travel. In cases where the offset will totally eliminate the debt, an agent’s balances must be applied in the following order: first, the balance of annual leave; second, the balance of time-off awards; and third, the balance of compensatory time off for travel.

(2) Any unsatisfied overtime hours debt that exists at the time of movement to a non-agent position or separation from Federal service after applying paragraph (d)(1) of this section must be converted to a monetary debt equal to the result of multiplying the agent’s hourly rate of basic pay at the time of movement to a non-agent position or separation by the number of hours in the overtime hours debt. CBP must follow standard debt collection procedures to recover any debt.

RELATIONSHIP TO OTHER PROVISIONS

§ 550.1631 Other types of premium pay.

(a) An agent may not receive premium pay for night, Sunday, or holiday work for hours of regularly scheduled overtime work within the agent’s regular tour of duty.

(b) An agent may receive premium pay for night, Sunday, or holiday work, as applicable, for hours not covered by paragraph (a) of this section, in accordance with 5 U.S.C. 5545(a) and (b) and section 5546 and corresponding regulations, except that section 5546(d) does not apply. (For an agent, pay for overtime work on a Sunday or holiday is determined under 5 U.S.C. 5542(g), not under section 5546(d).) The agent’s rate of basic pay (without any overtime supplement) must be used in computing such premium payments.
(c) An agent may not be paid standby duty premium pay under 5 U.S.C. 5545(c)(1) or administratively uncontrollable overtime pay under 5 U.S.C. 5545(c)(2).

§ 550.1632 Hazardous duty pay.

An agent is eligible for hazardous duty pay, subject to the requirements in 5 U.S.C. 5545(d) and subpart I of this part. The agent’s rate of basic pay (without any overtime supplement) must be used in computing any hazardous duty pay.

§ 550.1633 Treatment of overtime supplement as basic pay.

Regularly scheduled overtime pay within an agent’s regular tour of duty is treated as part of basic pay or basic salary only for the following purposes:

(a) 5 U.S.C. 5524a and 5 CFR part 550, subpart B, pertaining to advances in pay;
(b) 5 U.S.C. 5595(c) and 5 CFR part 550, subpart G, pertaining to severance pay;
(c) 5 U.S.C. 8114(e), pertaining to workers’ compensation;
(d) 5 U.S.C. 8331(3) and 5 U.S.C. 8401(4) and related provisions that rely on the definition in those paragraphs, pertaining to retirement benefits;
(e) Subchapter III of chapter 84 of title 5, United States Code, pertaining to the Thrift Savings Plan;
(f) 5 U.S.C. 8704(c), pertaining to life insurance; and
(g) For any other purposes explicitly provided for by law or as the Office of Personnel Management may prescribe by other regulation.

§ 550.1634 Leave and other paid time off.

(a) An agent is subject to the rules governing leave accrual and usage under 5 U.S.C. chapter 63 on the same basis as other employees. The tour of duty for leave accrual and usage purposes is the basic workweek, which excludes regularly scheduled overtime hours within the regular tour of duty established under this subpart. The agent must be charged corresponding amounts of leave for each hour (or part thereof) the agent is absent from duty during regular time (except that full days off for military leave must be charged when required).

(b) An agent is subject to the normally applicable rules governing other types of paid time off (such as holiday time off under 5 U.S.C. chapter 61, compensatory time off for religious observances under subpart J of this part, or compensatory time off for travel under subpart N of this part) on the same basis as other covered employees. The tour of duty used in applying those rules is the basic workweek, which excludes regularly scheduled overtime hours within the regular tour of duty established under this subpart. The agent must be charged corresponding amounts of paid time off for each hour (or part thereof) the agent is absent from duty during regular time.

(c) In computing a lump-sum annual leave payment under 5 U.S.C. 5551-5552, an overtime supplement for an agent’s regularly scheduled overtime hours within the agent’s regular tour of duty is included, as provided in §550.1205(b)(5)(iv).

§ 550.1635 Alternative work schedule.

An agent may not have a flexible or compressed work schedule under 5 U.S.C. chapter 61, subchapter II. The regular tour of duty established under this subpart is a special work schedule established under 5 U.S.C. 5550. CBP may allow flexible starting and stopping times for an agent’s basic workday if it determines such flexibility is appropriate for the position in question.

The minimum wage and the hours of work and overtime pay provisions of the Fair Labor Standards Act do not apply to Border Patrol agents. (See also 5 CFR 551.217.)

§ 550.1637 Travel time.

(a) A Border Patrol agent’s travel time to and from home and the agent’s regular duty station (or to an alternative work location within the limits of the agent’s official duty station, as defined in §550.112(j)) may not be considered hours of work under any provision of law.

(b) Official travel time away from an agent’s official duty station may be creditable hours of work as provided in
§ 550.1638  
§ 550.112(g). When an agent travels directly between home and a temporary duty location outside the limits of the agent’s official duty station (as defined in §550.112(j)), the time the agent would have spent in normal home to work travel must be deducted from any creditable hours of work while traveling.

§ 550.1638  Official time.
An agent who uses official time under 5 U.S.C. 7131 may be assigned to a Level 1 or Level 2 regular tour of duty, but is required to perform agency work during obligated overtime hours or to accrue an overtime hours debt. Official time may be used during overtime hours only when, while the agent is engaged in the performance of agency work, an event arises incident to representational functions that must be immediately addressed during the overtime hours. CBP may excuse the agent from duty during scheduled obligated overtime hours if it determines that an agent’s official time duties during the basic workday make it impracticable to perform agency work during the scheduled obligated overtime hours on that day. The agent will accrue an overtime hours debt for that excused time. If CBP excuses the agent in this manner, then it must provide the agent with an opportunity to eliminate the resulting overtime hours debt by performing agency work outside the agent’s regular tour of duty at another time. As provided in §550.1621(e), official time during regular time is considered to be “work” when an agent otherwise would be in a duty status in applying paragraphs (a)(3) and (b)(3) of §550.1621.

(a) Office of Personnel Management. Section 4(f) of the Act authorizes the Office of Personnel Management (OPM) to administer the provisions of the Act to any person employed by the Government of the United States, as specified in that section.

(b) The Equal Employment Opportunity Commission administers the equal pay provisions contained in section 6(d) of the Act.

(c) The Department of Labor administers the Act for the government of the District of Columbia and the following United States Government entities:

(1) The Library of Congress;
(2) The United States Postal Service;

(4) The Tennessee Valley Authority.

(d) Office of Compliance. The Congressional Accountability Act of 1995, as
§ 551.103 Coverage.

(a) Covered. Any employee of an agency who is not specifically excluded by another statute is covered by the Act. This includes any person who is:

(1) Defined as an employee in section 2105 of title 5, United States Code;

(2) A civilian employee appointed under other appropriate authority; or

(3) Suffered or permitted to work by an agency whether or not formally appointed.

(b) Not covered. The following persons are not covered by the Act:

(1) A person appointed under appropriate authority without compensation;

(2) A trainee;

(3) A volunteer; or

(4) A member of the Uniformed Services.

§ 551.104 Definitions.

In this part—

Act or FLSA means the Fair Labor Standards Act of 1938, as amended (29 U.S.C. 201 et seq.).

Administrative employee means an employee who meets the administrative exemption criteria in § 551.206.

Agency means any instrumentality of the United States Government, or any constituent element thereof acting directly or indirectly as an employer, as this term is defined in section 3(d) of the Act and in this section, but does not include the entities of the United States Government listed in § 551.102(c) for which the Department of Labor administers the Act or § 551.102(d)(1) through (8), whose employees are covered by the Congressional Accountability Act of 1995, as amended, which makes applicable the rights and protections of the FLSA and assigns certain administrative responsibilities to the Office of Compliance.

Claims means a written allegation regarding a current or former employee concerning the employee’s FLSA exemption status determination or entitlement to minimum wage or overtime pay for work performed under the Act. The term claim is used generically in subpart G and includes complaints under the child labor provisions of the Act.

Claim period means the time during which the cause or basis of the claim occurred.

Claimant means any party who files an FLSA claim.

Customarily and regularly means a frequency which must be greater than occasional but which may be less than constant. Tasks or work performed customarily and regularly includes work normally and recurrently performed every workweek. It does not include isolated or one-time tasks.

Directly and closely related means work that is directly and closely related to the performance of exempt work which is also considered exempt work. The phrase directly and closely related means tasks that are related to exempt duties and that contribute to or facilitate performance of exempt work. Directly and closely related work may include typically nonexempt tasks that arise out of and are integral to exempt duties. Those nonexempt tasks must be performed by the exempt employee to perform his or her exempt work. Work directly and closely related to the performance of exempt duties may also include recordkeeping; maintaining various records pertaining to workload or employee performance; monitoring and adjusting machinery; taking notes; using the computer to create documents or presentations; opening the mail for the purpose of reading it and making decisions; and using a photocopier or fax machine. Work which both workers and supervisors are required to perform is considered to be closely related to the primary duty of the position (for example,
physical training during tours of duty for firefighting and law enforcement personnel) and is exempt work. Work is not *directly and closely* related if the work is remotely related or completely unrelated to exempt duties. The following examples illustrate the type of work that is and is not normally considered as *directly and closely* related to exempt work:

(1) Work is closely related to exempt supervisory work when it contributes to the effective supervision of subordinate workers, or the smooth functioning of the unit supervised, or both. A supervisor who spot checks and examines the work of subordinates to determine whether they are performing their duties properly, and whether the product is satisfactory, is performing work which is directly and closely related to managerial and supervisory functions, so long as the checking is distinguishable from the work ordinarily performed by a nonexempt inspector.

(2) Depending upon the nature of an organization, a supervisor who sets up a machine may be engaged in exempt work. In some cases the setup work, or adjustment of the machine for a particular job, is typically performed by the same employees who operate the machine. In such cases, setup work is part of the production operation and is not exempt. In other cases, the setting up of the work is a highly skilled operation which the ordinary production worker typically does not perform. In large plants, non-supervisors may perform such work. However, particularly in small plants, such work may be a regular duty of the executive employee and is directly and closely related to the executive employee’s responsibility for the subordinates’ work performance and for the adequacy of the final product. In addition, performing setup work that requires special skills typically is not performed by production employees in the occupation, and does not approach the volume that would justify hiring a specially trained employee to perform. Such closely related work may include performing infrequently recurring or one-time tasks which are impractical to delegate, because they would disrupt normal operations or take longer to explain than to perform. Under such circumstances, it is exempt work.

(3) A management analyst may take extensive notes recording the flow of work and materials through an organization; the analyst may personally use a computer to type a report and create a proposed table of organization. Standing alone, or separated from the primary duty, such note-taking and typing would not be exempt. However, because this work is necessary for analyzing the data and making recommendations (which is exempt work), it is directly and closely related to exempt work.

(4) A traffic manager in charge of planning an organization’s transportation function, including identifying the most economical and quickest routes for shipping material to and from the activity, contracting for common-carrier and other transportation facilities, negotiating with carriers for adjustments for damages to material, and making the necessary rearrangements resulting from delays, damages or irregularities in transit, is performing exempt work. If the employee also spends part of the day taking telephone orders for local deliveries, such order-taking is a routine function and is not directly and closely related to the exempt work.

(5) An example of work directly and closely related to exempt professional duties is a chemist performing non-exempt tasks such as cleaning a test tube in the middle of an original experiment, even though such tasks can be assigned to laboratory assistants.

(6) A teacher performs work directly and closely related to exempt duties when, while taking students on a field trip, the teacher drives a school van or monitors the students’ behavior in a restaurant.

*Educational establishment* means a nursery school, an elementary or secondary school system, an institution of higher education, other educational institutions, and in certain circumstances, training facilities. The term *other educational establishment* includes special schools for mentally or physically disabled or gifted children, regardless of any classification of such schools as elementary, secondary, or higher.
§ 551.104

Emergency means a temporary condition that poses a direct threat to human life or safety, serious damage to property, or serious disruption to the operations of an activity, as determined by the employing agency.

Employ means to engage a person in an activity that is for the benefit of an agency, including any hours of work that are suffered or permitted.

Employee means a person who is employed—

(1) As a civilian in an Executive agency, as defined in section 105 of title 5, United States Code;

(2) As a civilian in a military department, as defined in section 102 of title 5, United States Code;

(3) In a nonappropriated fund instrumentality of an Executive agency or a military department;

(4) In a unit of the judicial branch of the Government that has positions in the competitive service; or

(5) In the Government Printing Office.

Employer, as defined in section 3(d) of the Act, means any person acting directly or indirectly in the interest of an employer in relation to an employee and includes a public agency, but does not include any labor organization (other than when acting as an employer) or anyone acting in the capacity of officer or agent of such labor organization.

Executive employee means an employee who meets the executive exemption criteria in §551.205.

Exempt area means any foreign country, or any territory under the jurisdiction of the United States, other than the following locations:

(1) A State of the United States;

(2) The District of Columbia;

(3) Puerto Rico;

(4) The U.S. Virgin Islands;

(5) Outer Continental Shelf Lands as defined in the Outer Continental Shelf Lands Act (67 Stat. 462);

(6) American Samoa;

(7) Guam;

(8) Commonwealth of the Northern Mariana Islands;

(9) Midway Atoll;

(10) Wake Island;

(11) Johnston Island; and

(12) Palmyra.

Filed means a claim has been properly submitted by the claimant. The claimant must deliver the claim to the appropriate office within the agency or OPM, whichever is deciding the FLSA claim. The claim must be postmarked or date-stamped in order to establish the time of delivery.

FLSA exempt means not covered by the minimum wage and overtime provisions of the Act.

FLSA exemption status means an employee's designation as either FLSA exempt or FLSA nonexempt from the minimum wage and overtime provisions of the Act.

FLSA nonexempt means covered by the minimum wage and overtime provisions of the Act.

FLSA overtime pay means overtime pay under this part.

FLSA pay claim means a claim concerning an employee's entitlement to minimum wage or overtime pay for work performed under the Act.

Formulate, affect, interpret, or implement management policies or operating practices means perform work that involves management policies or operating practices which range from specific objectives and practices of a small field office to broad national goals expressed in statutes or Executive orders. Employees performing such work make policy decisions or participate indirectly through developing or recommending proposals that are acted on by others. The work of employees who significantly affect the execution of management policies involves obtaining compliance with such policies by other individuals or organizations, within or outside of the Federal Government, or making significant determinations furthering the operation of programs and accomplishment of program objectives. Administrative employees engaged in such work typically perform one or more phases of program management (that is, planning, developing, promoting, coordinating, controlling, or evaluating operating programs of the employing organization or of other organizations subject to regulation or other controls).

Hours of work means all time spent by an employee performing an activity for the benefit of an agency and under the control or direction of the agency.
Office of Personnel Management

§ 551.104

Hours of work are creditable for the purpose of determining overtime pay under subpart D of this part. Section 551.401 of subpart D further explains this term. However, whether time is credited as hours of work is determined by considering many factors, such as the rules in subparts D and E of this part, provisions of law, Comptroller General decisions, OPM decisions and policy guidance, agency policy, negotiated agreements, the rules in part 550 of this chapter (for hours of work for travel), and the rules in part 410 of this chapter (for hours of work for training).

Management means performing activities such as interviewing, selecting, and training of employees; setting and adjusting their rates of pay and hours of work; directing the work of employees; maintaining production or financial records for use in supervision or control; appraising employees’ productivity and efficiency for the purpose of recommending promotions or other changes in status; handling employee complaints and grievances; disciplining employees; planning the work; determining the techniques to be used; apportioning the work among the employees; determining the type of materials, supplies, machinery, equipment, or tools to be used or merchandise to be bought, stocked and sold; controlling the flow and distribution of materials or merchandise and supplies; providing for the safety and security of the employees or the property; planning and controlling the budget; and monitoring or implementing legal compliance measures.

Nonexempt area means any of the following locations:
(1) A State of the United States;
(2) The District of Columbia;
(3) Puerto Rico;
(4) The U.S. Virgin Islands;
(5) Outer Continental Shelf Lands as defined in the Outer Continental Shelf Lands Act (67 Stat. 462);
(6) American Samoa;
(7) Guam;
(8) Commonwealth of the Northern Mariana Islands;
(9) Midway Atoll;
(10) Wake Island;
(11) Johnston Island; and
(12) Palmyra.

Official position means the position to which the employee is officially assigned by means of a personnel action authorized by the agency.

Perform work in connection with an emergency means perform work that is directly related to resolving or coping with an emergency, or its immediate aftermath, as determined by the employing agency.

Preserve the claim period means establish the period of possible entitlement to back pay by filing a written claim. The date the agency or OPM receives the claim preserves the claim period and is the date that determines the period of possible entitlement to back pay.

Primary duty typically means the duty that constitutes the major part (over 50 percent) of an employee’s work. A duty constituting less than 50 percent of an employee’s work (alternative primary duty) may be credited as the primary duty for exemption purposes provided that duty:
(1) Constitutes a substantial, regular part of the work assigned and performed;
(2) Is the reason for the existence of the position; and
(3) Is clearly exempt work in terms of the basic nature of the work, the frequency with which the employee must exercise discretion and independent judgment as discussed in §551.206, and the significance of the decisions made.

Professional employee means an employee who meets the professional exemption criteria in §551.207.

Reckless disregard of the requirements of the Act means failure to make adequate inquiry into whether conduct is in compliance with the Act.

Recognized organizational unit means an established and defined organizational entity which has regularly assigned employees and for which a supervisor is responsible for planning and accomplishing a continuing workload. This distinguishes supervisors from leaders of temporary groups formed to perform assignments of limited duration.

(1) The term recognized organizational unit is intended to distinguish between a mere collection of employees assigned from time to time to a specific job or series of jobs and a unit with
permanent status and function. A recognized organizational unit must have
a permanent status and a continuing function. For example, a large human
resources department might have subdivisions for labor relations, pensions
and other benefits, equal employment opportunity, and recruitment and
placement, each of which has a permanent status and function.

(2) A recognized organizational unit may move from place to place. The
mere fact that the employee works in more than one location does not invali-
date the exemption if other factors show that the employee is actually in
charge of a recognized organizational unit with a continuing function in the
organization.

(3) Continuity of the same subordi-
nates is not essential to the existence
of a recognized organizational unit
with a continuing function. An other-
wise exempt employee will not lose the
exemption merely because the em-
ployee draws and supervises workers
from a pool or supervises a team of
workers drawn from other recognized
organizational units, if other factors
are present that indicate the employee
is in charge of a recognized organiza-
tional unit with a continuing function.

Statute of limitations means the time
frame within which an FLSA pay claim
must be filed, starting from the date
the right accrued. All FLSA pay claims
filed on or after June 30, 1994, are sub-
ject to a 2-year statute of limitations,
except in cases of willful violation
where the statute of limitations is 3
years.

Suffered or permitted work means any
work performed by an employee for the
benefit of an agency, whether re-
quested or not, provided the employee’s
supervisor knows or has reason to be-
lieve that the work is being performed
and has an opportunity to prevent the
work from being performed.

Title 5 overtime pay, for the purpose of
§551.211, means overtime pay under
part 550 of this chapter.

Trainee means a person who does not
meet the definition of “employee” in
this section and who is assigned or at-
tached to a Federal activity primarily
for training. A person who attends a training program under the following
conditions is considered a trainee and
is not a Federal employee for purposes
of the Act:

(1) The training, even though it in-
cludes actual operation of the facilities
of the Federal activity, is similar to
that given in a vocational school or
other institution of learning;

(2) The training is for the benefit of
the individual;

(3) The trainee does not displace reg-
ular employees, but is supervised by
them;

(4) The Federal activity which pro-
vides the training derives no imme-
diate advantage from the activities of
the trainee; on occasion its operations
may actually be impeded;

(5) The trainee is not necessarily en-
titled to a job with the Federal activ-
ity at the completion of the training
period; and

(6) The agency and the trainee under-
stand that the trainee is not entitled
to the payment of wages from the
agency for the time spent in training.

Two or more other employees means
the equivalent of two or more full-time
employees. For the purpose of this defi-
nition, an employee is equal to a full-
time equivalent (FTE). For example,
one full-time and two half-time em-
ployees are equivalent to two full-time
employees.

Volunteer means a person who does
not meet the definition of employee in
this section and who volunteers or do-
nates his or her service, the primary
benefit of which accrues to the per-
former of the service or to someone
other than the agency. Under such cir-
cumstances there is neither an ex-
pressed nor an implied compensation
agreement. Services performed by such
a volunteer include personal services
that, if left unperformed, would not ne-
cessitate the assignment of an em-
ployee to perform them.

Willful violation means a violation in
circumstances where the agency knew
that its conduct was prohibited by the
Act or showed reckless disregard of the
requirements of the Act. All of the
facts and circumstances surrounding
the violation are taken into account in
determining whether a violation was
willful.

Workday means the period between
the commencement of the principal ac-
tivities that an employee is engaged to
perform on a given day and the cessation of the principal activities for that day. The term is further explained in §551.411.

*Worktime*, for the purpose of determining FLSA exemption status, means time spent actually performing work. This excludes periods of time during which an employee performs no work, such as standby time, sleep time, meal periods, and paid leave.

*Worktime in a representative workweek* means the average worktime over a period long enough to even out normal fluctuations in workloads and is representative of the job as a whole.

*Workweek* means a fixed and recurring period of 168 hours—seven consecutive 24-hour periods. It need not coincide with the calendar week but may begin on any day and at any hour of a day. For employees subject to part 610 of this chapter, the workweek must be the same as the administrative workweek defined in §610.102 of this chapter.

*Workweek basis* means the unit of time used as the basis for applying overtime standards under the Act and, for employees under flexible or compressed work schedules, under 5 U.S.C. 6121(6) or (7). The Act takes a single workweek as its standard (except for employees engaged in fire protection or law enforcement activities under section 7(k) of the Act) and does not permit the averaging of hours over two or more weeks, except for employees engaged in fire protection or law enforcement activities under section 7(k) of the Act.

**Subpart B—Exemptions and Exclusions**

Source: 72 FR 32765, Sept. 17, 2007, unless otherwise noted.

§551.201 Agency authority.

The employing agency must review and make a determination on each employee’s exemption status.

§551.202 General principles.

In all exemption determinations, the agency must observe the following principles:

(a) Each employee is presumed to be FLSA nonexempt unless the employing agency correctly determines that the employee clearly meets the requirements of one or more of the exemptions of this subpart and such supplemental interpretations or instructions issued by OPM. The agency must designate an employee FLSA exempt when the agency correctly determines that the employee meets the requirements of one or more of the exemptions of this subpart and such supplemental interpretations or instructions issued by OPM.

(b) Exemption criteria must be narrowly construed to apply only to those employees who are clearly within the terms and spirit of the exemption.

(c) The burden of proof rests with the agency that asserts the exemption.

(d) An employee who clearly meets the criteria for exemption must be designated FLSA exempt. If there is a reasonable doubt as to whether an employee meets the criteria for exemption, the employee will be designated FLSA nonexempt.

(e) While established position descriptions and titles may assist in making initial FLSA exemption determinations, the designation of an employee as FLSA exempt or nonexempt must ultimately rest on the duties actually performed by the employee.

(f) Although separate criteria are provided for the exemption of executive, administrative, and professional employees, those categories are not mutually exclusive. Employees who perform a combination of exempt duties set forth in this regulation may also qualify for exemption. For example, an employee whose primary duty involves a combination of exempt administrative and exempt executive work may qualify for exemption, *i.e.*, work that is exempt under one section of this part will not defeat the exemption under any other section.

(g) Failure to meet the criteria for exemption under what might appear to be the most obvious criteria does not preclude exemption under another category. For example, an engineering technician who fails to meet the professional exemption criteria may be performing exempt administrative work, or an administrative officer who fails to meet the administrative criteria may be performing exempt executive work.
(b) Although it is normally feasible and more convenient to identify a single exemption category, this is not always appropriate. An exemption may be based on a combination of functions, no one of which constitutes the primary duty, or the employee’s primary duty may involve two categories which are intermingled and difficult to segregate. This does not preclude designating an employee FLSA exempt, provided the work as a whole clearly meets the other exemption criteria. The agency is responsible for showing and documenting that the work as a whole clearly meets one or more of the exemption criteria.

§ 551.203 Salary-based nonexemption.
(a) An employee, including a supervisory employee, whose annual rate of basic pay is less than $23,660 is nonexempt, unless:
(1) The employee is subject to §551.211 (Effect of performing different work or duties for a temporary period of time on FLSA exemption status); or
(2) The employee is subject to §551.212 (Foreign exemption criteria); or
(3) The employee is a professional engaged in the practice of law or medicine as prescribed in paragraphs (c) and (d) of §551.208.

(b) For the purpose of this section, “rate of basic pay” means the rate of pay fixed by law or administrative action for the position held by an employee, including any applicable locality payment under 5 CFR part 531, subpart F, special rate supplement under 5 CFR part 530, subpart C, or similar payment or supplement under other legal authority, before any deductions and exclusive of additional pay of any other kind, such as premium payments, differentials, and allowances.

§ 551.204 Nonexemption of certain employees.
(a) Certain nonsupervisory white-collar employees are FLSA nonexempt (unless the employees are subject to §551.211 (Effect of performing different work or duties for a temporary period of time on FLSA exemption status) or §551.212 (Foreign exemption criteria)) because they do not fit any of the exemption categories. They include:
(1) Employees in equipment operating and protective occupations, and most clerical occupations;
(2) Employees performing technician work in positions properly classified below GS–9 (or the equivalent level in other white-collar pay systems) and many, but not all, of those positions properly classified at GS–9 or above (or the equivalent level in other white-collar pay systems); and
(3) Employees at any grade, or equivalent level, in occupations requiring highly specialized, technical skills and knowledge that can be acquired only through prolonged job training and experience, such as in the Air Traffic Control series, or in the Aircraft Operations series unless such employees are performing predominantly administrative functions rather than the technical work of the occupation.

(b) Nonsupervisory employees in the Federal Wage System or in other comparable wage systems are nonexempt, unless the employees are subject to §551.211 (Effect of performing different work or duties for a temporary period of time on FLSA exemption status) or §551.212 (Foreign exemption criteria).

§ 551.205 Executive exemption criteria.
(a) An executive employee is an employee whose primary duty is management (as defined in §551.104) of a Federal agency or any subdivision thereof (including the lowest recognized organizational unit with a continuing function) and who:
(1) Customarily and regularly directs the work of two or more other employees. However, an employee who merely assists the manager of a particular department and supervises two or more employees only in the actual manager’s absence does not meet this requirement. In addition, hours worked by an employee cannot be credited more than once for different executives. This takes into consideration those organizations that use matrix management, i.e., a system of “shared” leadership, where supervision cuts across product and service lines in terms of accessing activities and advising top management on business operations, but where the supervisor/leader does not have the operating authority
over all employees. Thus, a shared responsibility for the supervision of the same two employees in the same recognized organizational unit does not satisfy this requirement. However, a full-time employee who works 4 hours for one supervisor and 4 hours for a different supervisor will be credited as a half-time employee for both supervisors; and

(2) Has the authority to hire or fire other employees or whose suggestions and recommendations as to the hiring, firing, advancement, promotion, or any other change of status of other employees, are given particular weight.

(b) Particular weight. Criteria to determine whether an employee’s suggestions and recommendations are given particular weight by higher-level management include, but are not limited to: whether it is part of the employee’s job duties to make such suggestions and recommendations; the frequency with which such suggestions and recommendations are made or requested; and the frequency with which the employee’s suggestions and recommendations are relied upon. Generally, an executive’s suggestions and recommendations must pertain to employees whom the executive customarily and regularly directs. Particular weight does not include consideration of an occasional suggestion with regard to the change in status of a co-worker. An employee’s suggestions and recommendations may still be deemed to have particular weight even if a higher level manager’s recommendation has more importance and even if the employee does not have authority to make the ultimate decision as to the employee’s change in status.

§ 551.206 Administrative exemption criteria.

An administrative employee is an employee whose primary duty is the performance of office or non-manual work directly related to the management or general business operations, as distinguished from production functions, of the employer or the employer’s customers and whose primary duty includes the exercise of discretion and independent judgment with respect to matters of significance.

(a) In general, the exercise of discretion and independent judgment involves the comparison and the evaluation of possible courses of conduct, and acting or making a decision after the various possibilities have been considered. The term “matters of significance” refers to the level of importance or consequence of the work performed.

(b) The phrase discretion and independent judgment must be applied in light of all the facts involved in the particular employment situation in which the question arises. Factors to consider when determining whether an employee exercises discretion and independent judgment with respect to matters of significance include, but are not limited to, whether the employee:

1. Has authority to formulate, affect, interpret, or implement management policies or operating practices;
2. Carries out major assignments in conducting the operations of the organization;
3. Performs work that affects the organization’s operations to a substantial degree, even if the employee’s assignments are related to operation of a particular segment of the organization;
4. Has authority to commit the employer in matters that have significant financial impact;
5. Has authority to waive or deviate from established policies and procedures without prior approval;
6. Has authority to negotiate and bind the organization on significant matters;
7. Provides consultation or expert advice to management;
8. Is involved in planning long- or short-term organizational objectives;
9. Investigates and resolves matters of significance on behalf of management; and
10. Represents the organization in handling complaints, arbitrating disputes, or resolving grievances.

(c) The exercise of discretion and independent judgment implies that the employee has authority to make an independent choice, free from immediate direction or supervision. However, an employee can exercise discretion and independent judgment even if the employee’s decisions or recommendations are reviewed at a higher
level. Thus, the term *discretion and independent judgment* does not require that decisions made by an employee have a finality that goes with unlimited authority and a complete absence of review. The decisions made as a result of the exercise of discretion and independent judgment may consist of recommendations for action rather than the actual taking of action. The fact that an employee’s decision may be subject to review and that upon occasion the decisions are revised or reversed after review does not mean that the employee is not exercising discretion and independent judgment.

(d) An organization’s workload may make it necessary to employ a number of employees to perform the same or similar work. The fact that many employees perform identical work or work of the same relative importance does not mean that the work of each such employee does not involve the exercise of discretion and independent judgment with respect to matters of significance.

(e) The exercise of discretion and independent judgment must be more than the use of skill in applying well-established techniques, procedures, or specific standards described in manuals or other sources.

(f) The use of manuals, guidelines, or other established procedures containing or relating to highly technical, scientific, legal, financial, or other similarly complex matters that can be understood or interpreted only by those with advanced or specialized knowledge or skills does not preclude exemption. Such manuals and procedures provide guidance in addressing difficult or novel circumstances and thus use of such reference material would not affect an employee’s exemption status. However, employees who simply apply well-established techniques or procedures described in manuals or other sources within closely prescribed limits to determine the correct response to an inquiry or set of circumstances will be nonexempt.

(g) An employee does not exercise discretion and independent judgment with respect to matters of significance merely because the employer will experience financial losses if the employee fails to perform the job properly. For example, a messenger who is entrusted with carrying large sums of money does not exercise discretion and independent judgment with respect to matters of significance even though serious consequences may flow from the employee’s neglect. Similarly, an employee who operates very expensive equipment does not exercise discretion and independent judgment with respect to matters of significance merely because improper performance of the employee’s duties may cause serious financial loss to the employer.

(h) Employees in certain occupations typically assist and support line managers and assume facets of the overall management function. Neither the location of the work nor the number of employees performing the same or similar work turns such work into a production function. For example, independent agencies or agency components often provide centralized human resources, information systems, procurement and acquisition, or financial management services as support services to other agencies or agency components. However, this does not change the inherent administrative nature of the work performed to line or production work. Similarly, employees who develop, interpret, and oversee agency or Governmentwide policy are performing management support functions. Some of these activities may be performed by employees who would otherwise qualify under another exemption. Depending upon the purpose of the work and the organizational context, work in certain occupations may be either exempt or nonexempt. For example, criminal investigators who perform work directly related to the internal management of the agency and typically would be expected to provide recommendations of great significance based on the analysis of investigative findings would likely be considered as performing a staff function. In contrast, the performance of investigative and inspecutorial work to confirm whether specific regulatory requirements have been met for an investigatory/inspecutorial component of any agency would likely be considered as performing a line rather than a staff function.
(i) An employee who leads a team of other employees assigned to complete major projects (such as acquisitions; negotiating real estate transactions or collective bargaining agreements; designing and implementing productivity improvements; oversight, compliance, or program reviews; investigations) generally meets the duties requirements for the administrative exemption, even if the employee does not have direct supervisory responsibility over the other employees on the team. An example is a lead auditor who oversees an audit team in an auditing agency and who is assigned responsibility for leading a major audit requiring the use of substantial agency resources. This auditor is responsible for proposing the parameters of the audit and developing a plan of action and milestones to accomplish the audit. Included in the plan are the methodologies to be used, the staff and other resources required to conduct the audit, proposed staff member assignments, etc. When conducting the audit, the lead auditor makes on-site decisions and/or proposes major changes to managers on matters of significance in accomplishing the audit, including deviations from established policies and practices of the agency.

(j) An executive assistant or administrative assistant to a high level manager or senior executive generally meets the duties requirements for the administrative exemption if such employee, without specific instructions or prescribed procedures, has been delegated authority regarding matters of significance.

(k) Human resources employees who formulate, interpret or implement human resources management policies generally meet the duties requirements for the administrative exemption. In addition, when interviewing and screening functions are performed by the human resources employee who makes the hiring decision or makes recommendations for hiring from a pool of qualified applicants, such duties constitute exempt work, even though routine, because this work is directly and closely related to the employee’s exempt functions.

(l) Management analysts who study the operations of an organization and propose changes in the organization, program analysts who study program operations and propose changes to the program, and other management advisors generally meet the duties requirements for the administrative exemption.

(m) Acquisition employees with authority to bind the organization to significant purchases generally meet the duties requirements for the administrative exemption even if they must consult with higher management officials when making a commitment.

(n) Ordinary inspection work generally does not meet the duties requirements for the administrative exemption. Inspectors normally perform specialized work along standardized lines involving well-established techniques and procedures which may have been catalogued and described in manuals or other sources. Such inspectors rely on techniques and skills acquired by special training or experience. They have some leeway in the performance of their work but only within closely prescribed limits.

§ 551.208 Learned professionals.

(a) To qualify for the learned professional exemption, an employee’s primary duty must be the performance of work requiring knowledge of an advanced type in a field of science or learning customarily acquired by a prolonged course of specialized intellectual instruction or requiring invention, imagination, originality or talent in a recognized field of artistic or creative endeavor. Learned professionals, creative professionals, and computer employees are described in §§551.208, 551.209, and 551.210, respectively.

§ 551.209 Learned professionals.

To qualify for the professional exemption, an employee’s primary duty must be the performance of work requiring knowledge of an advanced type in a field of science or learning customarily acquired by a prolonged course of specialized intellectual instruction or requiring invention, imagination, originality or talent in a recognized field of artistic or creative endeavor.
requiring advanced knowledge is predominantly intellectual in character and includes work requiring the consistent exercise of discretion and judgment, as distinguished from performance of routine mental, manual, mechanical or physical work. An employee who performs work requiring advanced knowledge generally uses the advanced knowledge to analyze, interpret or make deductions from varying facts or circumstances. Advanced knowledge cannot be attained at the high school level;

(2) The advanced knowledge must be in a field of science or learning which includes the traditional professions of law, medicine, theology, accounting, actuarial computation, engineering, architecture, teaching, various types of physical, chemical and biological sciences, pharmacy, and other similar occupations that have a recognized professional status as distinguished from the mechanical arts or skilled trades where in some instances the knowledge is of a fairly advanced type, but is not in a field of science or learning; and

(3) The advanced knowledge must be customarily acquired by a prolonged course of specialized intellectual instruction which restricts the exemption to professions where specialized academic training is a standard prerequisite for entrance into the profession. The best prima facie evidence that an employee meets this requirement is possession of the appropriate academic degree. However, the word “customarily” means that the exemption is appropriate for employees in such professions who have substantially the same knowledge level and perform substantially the same work as the degreed employees, but who attained the advanced knowledge through a combination of work experience and intellectual instruction. For example, the learned professional exemption is appropriate in unusual cases where a lawyer has not gone to law school, or a chemist does not possess a degree in chemistry. However, the learned professional exemption is not applicable to occupations that customarily may be performed with only the general knowledge acquired by an academic degree in any field, with knowledge acquired through an apprenticeship, or with training in the performance of routine mental, manual, mechanical, or physical processes. The learned professional exemption also does not apply to occupations in which most employees have acquired their skill by experience rather than by advanced specialized intellectual instruction. The position of Engineering Technician is an example of such an occupation where the employee collects, observes, tests and records factual scientific data within the oversight of professional engineers, and performs work using knowledge acquired through on-the-job and classroom training rather than by acquiring the knowledge through prolonged academic study.

(b) Expansion of professional exemption. The areas in which the professional exemption may be applicable are expanding. As knowledge is developed, academic training is broadened and specialized degrees are offered in new and diverse fields, thus creating new specialists in particular fields of science or learning. When an advanced specialized degree has become a standard requirement for a particular occupation, that occupation may have acquired the characteristics of a learned profession. Accrediting and certifying organizations similar to those listed in this section also may be created in the future. Such organizations may develop similar, specialized curriculums and certification programs which, if a standard requirement for a particular occupation, may indicate that the occupation has acquired the characteristics of a learned profession.

(c) Practice of law. (1) This exemption applies to an employee in a professional legal position requiring admission to the bar and involved in preparing cases for trial and/or the trial of cases before a court or an administrative body or persons having quasi-judicial power; rendering legal advice and services; preparing interpretive and administrative orders, rules, or regulations; drafting, negotiating, or examining contracts or other legal documents; drafting, preparing formal comments, or otherwise making substantive recommendations with respect to proposed legislation; editing and
preparing for publication statutes enacted by Congress and opinions or decisions of a court, commission, or board; and drafting and reviewing decisions for consideration and adoption by agency officials. 

(2) Section 551.203 (Salary-based non-exemption) does not apply to the employees described in this section.

(d) Practice of medicine. (1) An employee who holds a valid license or certificate permitting the practice of medicine or any of its branches and is actually engaged in the practice of the profession is exempt. The exemption applies to physicians and other practitioners licensed and practicing in the field of medical science and healing or any of the medical specialties practiced by physicians or practitioners. The term ‘physicians’ includes medical doctors, including general practitioners and specialists, osteopathic physicians (doctors of osteopathy), podiatrists, dentists (doctors of dental medicine), and optometrists (doctors of optometry or bachelors of science in optometry).

(2) An employee who holds the required academic degree for the general practice of medicine and is engaged in an internship or resident program pursuant to the practice of the profession is exempt. Employees engaged in internship or resident programs, whether or not licensed to practice prior to commencement of the program, qualify as exempt professionals if they enter such internship or resident programs after the earning of the appropriate degree required for the general practice of their profession.

(3) Section 551.203 (Salary-based non-exemption) does not apply to the employees described in this section.

(e) Accounting. Certified public accountants generally meet the duties requirements for the learned professional exemption. An employee performing similar professional work in a position with a positive educational requirement and requiring the application of accounting theories, concepts, principles, and standards may qualify as an exempt learned professional. However, accounting clerks and technicians and other employees who normally perform a great deal of routine work generally will not qualify as exempt professionals.

(f) Engineering. Engineers generally meet the duties requirements for the learned professional exemption. Professional engineering work typically involves the application of a knowledge of such engineering fundamentals as the strength and strain analysis of engineering materials and structures, the physical and chemical characteristics of engineering materials such as elastic limits, maximum unit stresses, coefficients of expansion, workability, hardness, tendency to fatigue, resistance to corrosion, engineering adaptability, and engineering methods of construction and processing. Exempt professional engineering work includes equivalent work performed in any of the specialized branches of engineering (e.g., electrical, mechanical, or materials engineering). On unusual occasions, engineering technicians performing work comparable to that performed by professional engineers on the basis of advanced knowledge may also be exempt. In such instances, the employee actually is performing the work of an occupation that generally requires a specialized academic degree and is performing substantially the same work as the degreed employee, but has gained the same advanced knowledge through a combination of work experience and intellectual instruction which has provided both theoretical and practical knowledge of the specialty, including knowledge of related disciplines and of new developments in the field.

(g) Architecture. Architects generally meet the duties requirements for the learned professional exemption. Professional architectural work typically requires knowledge of architectural principles, theories, concepts, methods, and techniques; a creative and artistic sense; and an understanding and skill to use pertinent aspects of the construction industry, as well as engineering and the physical sciences related to the design and construction of new, or the improvement of existing, buildings.

(h) Teachers. A teacher is any employee with a primary duty of teaching, tutoring, instructing or lecturing in the activity of imparting knowledge and who is employed and engaged in
this activity as a teacher in an educational establishment by which the employee is employed.

(1) A teacher performs exempt work when serving, for example, as a regular academic teacher; teacher of kindergarten or nursery school pupils; teacher of gifted or disabled children; teacher of skilled and semi-skilled trades and occupations; teacher engaged in automobile driving instruction; aircraft flight instructor; home economics teacher; or vocal or instrumental music instructor. A faculty member who is engaged as a teacher but also spends a considerable amount of time in extracurricular activities such as coaching athletic teams or acting as a moderator or advisor in such areas as drama, speech, debate, or journalism is engaged in teaching. Such activities are a recognized part of an educational establishment’s responsibility in contributing to the educational development of the student. An instructor in an institution of higher education or another educational establishment whose primary duty is teaching, tutoring, instructing, or lecturing in the activity of imparting knowledge is also an exempt teacher.

(2) The possession of an elementary or secondary teacher’s certificate provides a clear means of identifying the individuals contemplated as being within the scope of the exemption for teaching professionals. Teachers who possess a teaching certificate qualify for the exemption regardless of the terminology (e.g., permanent, conditional, standard, provisional, temporary, emergency, or unlimited) used by appropriate certifying entities. However, a teacher’s certificate is not generally necessary for post-secondary educational establishments.

(3) Exempt teachers do not include teachers of skilled and semi-skilled trade, craft, and laboring occupations when the paramount knowledge is the knowledge of and the ability to perform the trade, craft, or laboring occupation. Conversely, if the primary requirement of the post-secondary education instructor is the ability to instruct, as opposed to knowledge of and ability to perform a trade, craft, or laboring occupation, then the position may be exempt.

(4) Section 551.203 (Salary-based non-exemption) does not apply to the employees described in this section.

(i) Medical technologists. Registered or certified medical technologists who have successfully completed 3 academic years of pre-professional study in an accredited college or university, plus a 4th year of professional course work in a school of medical technology approved by the Council of Medical Education of the American Medical Association, generally meet the duties requirements for the learned professional exemption.

(j) Nurses. Registered nurses who are registered by the appropriate State examining board generally meet the duties requirements for the learned professional exemption. Licensed practical nurses and other similar health care employees, however, generally do not qualify as exempt learned professionals because possession of a specialized advanced academic degree is not a standard prerequisite for entry into such occupations.

(k) Dental hygienists. Dental hygienists who have successfully completed 4 academic years of pre-professional and professional study in an accredited college or university approved by the Commission on Accreditation of Dental and Dental Auxiliary Educational Programs of the American Dental Association generally meet the duties requirements for the learned professional exemption.

(l) Physician assistants. Physician assistants who have successfully completed 4 academic years of pre-professional and professional study, including graduation from a physician assistant program accredited by the Accreditation Review Commission on Education for the Physician Assistant, and who are certified by the National Commission on Certification of Physician Assistants, generally meet the duties requirements for the learned professional exemption.

(m) Paralegals. Paralegals and legal assistants generally do not qualify as exempt learned professionals because an advanced, specialized academic degree is not a standard prerequisite for entry into the field. Although many
paralegals possess general 4-year advanced degrees, most specialized paralegal programs are 2-year associate degree programs from a community college or equivalent institution. However, the learned professional exemption is applicable to paralegals who possess advanced, specialized degrees in other professional fields and apply advanced knowledge in that field in the performance of their duties. In addition, a paralegal who fails to meet the professional exemption criteria may be performing exempt administrative work, e.g., overseeing a full range of support services for a large legal office.

§ 551.209 Creative professionals.
(a) To qualify for the creative professional exemption, an employee’s primary duty must be the performance of work requiring invention, imagination, originality, or talent in a recognized field of artistic or creative endeavor as opposed to routine mental, manual, mechanical, or physical work. The work performed must be “in a recognized field of artistic or creative endeavor,” including such fields as music, writing, acting, and the graphic arts. The exemption does not apply to work which can be produced by a person with general manual or intellectual ability and training. The requirement of “invention, imagination, originality, or talent” distinguishes the creative professions from work that primarily depends on intelligence, diligence, and accuracy. The duties of employees vary widely, and exemption as a creative professional depends on the extent of the invention, imagination, originality, or talent exercised by the employee. Determination of exempt creative professional status must be made on a case-by-case basis. This requirement generally is met by actors, musicians, composers, conductors, and soloists; painters who at most are given the subject matter of their painting; and writers who choose their own subjects and hand in a finished piece of work to their employers. This requirement generally is not met by a person who is employed as a retoucher of photographs, since such work is not properly described as creative in character.

§ 551.210 Computer employees.
(a) Computer systems analysts, computer programmers, software engineers, or other similarly skilled workers in the computer field are eligible for exemption as professionals under section 13(a)(1) of the Act and under section 13(a)(17) of the Act. Because job titles vary widely and change quickly in the computer industry, job titles are not determinative of the applicability of this exemption.

(b) The exemption in section 13(a)(17) of the Act applies to any computer employee whose annual remuneration exceeds the salary-based nonexemption prescribed in §551.203. The exemption in section 13(a)(17) applies to any computer employee compensated on an hourly basis at a rate of basic pay (as defined in §551.203(b)) not less than
§ 551.211 Effect of performing different work or duties for a temporary period of time on FLSA exemption status.

(a) Applicability. Performing different work or duties for a temporary period of time may affect an employee’s exemption status.

(1) When applicable. This section applies only when an employee must perform work or duties that are not consistent with the employee’s primary duties for an extended period, that is, for more than 30 consecutive calendar days—the “30-day test.” The period of performing different work or duties may or may not involve a different geographic duty location. The exemption status of an employee temporarily performing different work or duties must be determined as described in this section.

(2) When not applicable. This section does not apply when an employee is detailed to an identical additional position as the employee’s position or to a position at the same level with the same basic duties and exemption status as the employee’s position.

(b) An agency generally may not change an employee’s exemption status based on a snapshot of the employee’s duties during a particular week, unless the week involves emergency work under paragraph (f) of this section. An agency must:

(1) Assess an employee’s temporary work or duties over a reasonable period...
of time (the 30-day test), compare them with the primary duties upon which the employee’s exemption status is based, and determine the employee’s exemption status as described in §§551.203 through 551.210; and

(2) Ensure that it does not avoid reassessing, and perhaps changing, an employee’s exemption status by breaking up periods of temporary work or duties with periods of having the employee perform his or her regular work or duties. For example, an agency may not assign exempt employees to perform nonexempt work or duties for 29 consecutive calendar days, return them to their exempt duties for two or three days, then assign them again to perform nonexempt work for another 29 days.

(c) Aggregation of more than 30 nonconsecutive calendar days over an extended period does not meet the 30-day test and may not be used to change an employee’s exemption status. For example, if a nonexempt employee performs nonexempt duties 4 days in one week, 2 days in the following week, and so on over a period of weeks or months, the days of nonexempt work may not be aggregated for the purpose of changing the employee’s exemption status.

(d) **Effect on nonexempt employees.** (1) A nonexempt employee who must temporarily perform work or duties that are different from the employee’s primary duties remains nonexempt for the entire period of temporary work or duties unless both of the following conditions are met:

(i) The period of temporary work or duties exceeds 30 consecutive calendar days; and

(ii) The employee’s primary duties for the period of temporary work are exempt as defined in this part.

(2) If a nonexempt employee becomes nonexempt under the criteria in paragraph (d)(1) of this section:

(i) The employee must be considered nonexempt for the entire period of temporary work or duties; and

(ii) If the employee received FLSA overtime pay for work performed during the first 30 consecutive calendar days of the temporary work or duties, the agency must recalculate the employee’s total pay retroactive to the beginning of that period because the employee is no longer entitled to the FLSA overtime pay received but may be owed title 5 overtime pay, or its equivalent.

(e) **Effect on exempt employees.** (1) An exempt employee who must temporarily perform work or duties that are different from the employee’s primary duties remains exempt for the entire period of temporary work or duties unless both of the following conditions are met:

(i) The period of temporary work or duties exceeds 30 consecutive calendar days; and

(ii) The employee’s primary duties for the period of temporary work are not exempt as defined in this part.

(2) If an exempt employee becomes nonexempt under the criteria in paragraph (e)(1) of this section:

(i) The employee must be considered nonexempt for the entire period of temporary work or duties; and

(ii) If the employee received title 5 overtime pay, or its equivalent, for work performed during the first 30 consecutive calendar days of the temporary work or duties, the agency must recalculate the employee’s total pay retroactive to the beginning of that period because the employee may no longer be entitled to some or all of the title 5, or equivalent, overtime pay received but may be owed FLSA overtime pay.

(f) **Emergency situation.** Notwithstanding any other provision of this section, and regardless of an employee’s grade or equivalent level, the agency may determine that an emergency situation exists that directly threatens human life or safety, serious damage to property, or serious disruption to the operations of an activity, and there is no recourse other than to assign qualified employees to temporarily perform work or duties in connection with the emergency. In such a designated emergency:

(1) **Nonexempt employee.** A nonexempt employee remains nonexempt whether the employee performs nonexempt work or exempt work during the emergency; and

(2) **Exempt employee.** The exemption status of an exempt employee must be determined on a workweek basis. The
exemption status determination of exempt employees will result in the employee either remaining exempt or becoming nonexempt for that workweek, as described in paragraphs (f)(2)(i) and (f)(2)(ii) of this section.

(i) *Remain exempt.* An exempt employee remains exempt for any workweek in which the employee’s primary duties for the period of emergency work are exempt as defined in this part.

(ii) *Become nonexempt.* An exempt employee becomes nonexempt for any workweek in which the employee’s primary duties for the period of emergency work are nonexempt as defined in this part.

§ 551.212 Foreign exemption criteria.

*Foreign exemption* means a provision of the Act under which the minimum wage, overtime, and child labor provisions of the Act do not apply to any employee who spends all hours of work in a given workweek in an exempt area.

(a) *Application.* When the foreign exemption applies, the minimum wage, overtime, and child labor provisions of the Act do not apply to any employee who spends all hours of work in a given workweek in an exempt area. When an employee meets one of the two criteria in paragraph (b) of this section, the foreign exemption applies until the employee spends any hours of work in any nonexempt area as defined in §551.104.

(b) *Foreign exemption applies.* If an employee meets one of the two following criteria, the employee is subject to the foreign exemption of the Act and the minimum wage, overtime, and child labor provisions of the Act do not apply:

(1) The employee is permanently stationed in an exempt area and spends all hours of work in a given workweek in one or more exempt areas; or

(2) The employee is not permanently stationed in an exempt area, but spends all hours of work in a given workweek in one or more exempt areas.

(c) *Foreign exemption does not apply.* For any given workweek, the minimum wage, overtime, and child labor provisions of the Act apply to an employee permanently stationed in an exempt area who spends any hours of work in any nonexempt area. For that workweek, the employee is not subject to the foreign exemption, and the agency must determine the exemption status of such an employee as described in paragraphs (c)(1) and (c)(2) of this section. The foreign exemption does not resume until the employee again meets one of the criteria in paragraph (b) of this section.

(1) *Same duties.* If the duties performed during that workweek are consistent with the primary duties of the employee’s official position, the agency must designate the employee the same FLSA exemption status as if the employee were permanently stationed in any nonexempt area.

(2) *Different duties.* If the duties performed during that workweek are not consistent with the primary duties of the employee’s official position:

(i) The agency must first designate the employee the same FLSA exemption status as the employee would have been designated based on the duties included in the employee’s official position if the employee was permanently stationed in any nonexempt area; and

(ii) The agency must determine the employee’s exemption status for that workweek by applying §551.211.

(d) *Resumption of foreign exemption.* When an employee returns to any exempt area from performing any hours of work in any nonexempt area, the employee is not subject to the foreign exemption until the employee meets one of the criteria in paragraph (b) of this section.

§ 551.213 Exemption of employees receiving availability pay.

The following employees are exempt from the hours of work and overtime pay provisions of the Act:

(a) A criminal investigator receiving availability pay under §550.181(a) of this chapter, as provided in 29 U.S.C. 213(a)(16);

(b) A pilot employed by U.S. Customs and Border Protection or its successor who is a law enforcement officer as defined in section 5541(3) of title 5, United States Code, and who receives availability pay under section 5546a(i) of title 5, United States Code.
§ 551.214 Statutory exclusion.
A customs officer who receives overtime pay under subsection (a) or premium pay under subsection (b) of 19 U.S.C. 267 and under 19 CFR 24.16 for time worked may not receive pay or other compensation for that work under any other provision of law.

§ 551.215 Fire protection activities and 7(k) coverage for FLSA pay and exemption determinations.

(a) The Office of Personnel Management may determine that the provisions and section 7(k) of the Act apply to certain categories of fire protection employees based on appropriate factors, such as the type of premium payments they receive (see §551.501(a)(1) and (5) and §551.541).

(b) Fire protection activities. Fire protection activities involve the performance of functions directly concerned with the response to and the control and extinguishment of fires; or performance of inspection of facilities and equipment for the primary purpose of reducing or eliminating fire hazards by trained firefighters eligible for reassignment to fire control and suppression or prevention duties; or provision of the primary (i.e., the first called) rescue and ambulance service in connection with fire protection functions.

(c) Engaged in fire protection activities. (1) An employee (including a firefighter, paramedic, emergency medical technician, rescue worker, ambulance personnel, or hazardous materials worker) is considered engaged in fire protection activities for the purpose of determining possible application of section 7(k) of the Act as provided for in §551.501(a)(1) and (5) and §551.541 if the employee:
   (i) Is trained in fire suppression, has authority and responsibility to engage in fire suppression, and is employed by an organization with fire suppression as a primary mission; and
   (ii) Is engaged in the prevention, control, and extinguishment of fires or response to emergency situations where life, property, or the environment is at risk.

   (2) Subject to the requirements of paragraph (c)(1) of this section, the following types of employees are engaged in fire protection activities for the purpose of determining possible application of section 7(k) of the Act:
      (i) Employees in positions properly classified in the Fire Protection and Prevention series, including any qualified firefighter who is assigned to perform support functions (e.g., communications or dispatching functions, equipment maintenance or repair) or who is transferred to an administrative or supervisory position within the fire protection activity, except when such administrative or supervisory work exempts the employee under executive, administrative, and professional considerations;
      (ii) Employees in positions properly classified in other series, such as Forestry Technician, for whom fire protection functions constitute substantially full-time assignments throughout the year, or for the duration of a specified fire season within the year;
      (iii) Temporary employees hired solely to perform fire suppression work on an as-needed basis;
      (iv) Members of rescue and ambulance crews with fire suppression training, authority, and responsibility, who are part of a fire suppression organization, as described in paragraph (c)(1)(i) of this section; and
      (v) Any other employee in any workweek in which the employee performs fire control or suppression work for 80 percent or more of the total hours worked.

(d) Not engaged in fire protection activities. Examples of types of employees who are not engaged in fire protection activities for the purpose of applying section 7(k) of the Act (as provided for in §551.501(a)(1) and (5) and §551.541) include the following:
   (1) Professional engineers, engineering technicians, and similar employees involved in fire protection research or in the design and development of fire protection and prevention equipment and materials;
   (2) Employees who perform functions that support fire protection activities but who are not trained, qualified firefighters eligible for reassignment to fire control and suppression or prevention duties. Supporting functions (such as maintenance of fire apparatus, equipment, alarm systems, etc., or communications and dispatching work
or preparation of records and reports) are included when performed by firefighters but are not included when performed by mechanics, communications systems and radio operators, clerks, or other employees;

(3) Employees whose primary duties are not related to fire protection but who perform fire control or suppression work on an as needed basis, provided that the fire control or suppression work constitutes less than 80 percent of the employees' hours of work within any workweek; and

(4) Employees on rescue and ambulance crews who:
   (i) Are not trained in fire suppression;
   (ii) Do not have fire suppression authority and responsibility; or
   (iii) Are employed by an organization, such as a hospital, that does not have fire suppression as a primary mission.

§ 551.216 Law enforcement activities and 7(k) coverage for FLSA pay and exemption determinations.

(a) The Office of Personnel Management may determine that the provisions of section 7(k) of the Act apply to certain categories of law enforcement employees based on appropriate factors, such as the type of premium payments they receive (see §§ 551.501(a)(1) and (5) and 551.541).

(b) Law enforcement activities. Law enforcement activities involve work directly and primarily concerned with:

(1) Patrol and control functions that include patrolling an area to enforce law and order and to protect the lives, property, and civil rights of individuals through the prevention and detection of criminal acts; responding to complaints, violations, accidents, and emergencies; investigating for clues at the scene of a crime, interviewing witnesses, and evaluating evidence to locate suspects; and apprehending and arresting persons suspected of, or wanted for, criminal violations under a statutorily prescribed arrest authority;

(2) Executing the orders of a Federal court, including serving civil writs and criminal warrants issued by Federal courts; tracing and arresting persons wanted by warrants; and seizing and disposing of property under court orders;

(3) Planning and conducting investigations relating to alleged or suspected violations of criminal laws, including the arrest of suspected or wanted persons under a statutorily prescribed arrest authority;

(4) Security functions in a correctional institution involving direct custody and safeguarding of inmates charged with or convicted of violations of criminal laws;

(5) Rescue and ambulance functions that provide the primary (i.e., the first called) service in connection with law enforcement activities described above.

(c) Engaged in law enforcement activities. The following employees are engaged in law enforcement activities for the purpose of determining possible application of section 7(k) of the Act as provided for in § 551.501(a)(1) and (5) and § 551.541:

(1) Employees in positions properly classified in the Police series, and employees in positions that would be otherwise classifiable in that series if covered by classification criteria of chapter 51 of title 5, U.S. Code;

(2) Employees whose primary duties involve patrol and control functions performed for the purpose of detecting and apprehending persons suspected of violating criminal laws;

(3) Employees in positions properly classified in the U.S. Marshal series;

(4) Employees in positions properly classified in the Criminal Investigating series, and other employees performing criminal investigation as their primary duty, except as provided for in § 551.213 (Exemption of employees receiving availability pay);

(5) Employees in positions properly classified in the Correctional Officer series, Guard series, or other series, whose primary duty is to maintain custody of inmates of a correctional institution; and

(6) Employees on rescue and ambulance crews that provide the primary service in connection with law enforcement functions, provided that crew members have received intensive training in specialized rescue and first aid procedures applicable to law enforcement emergencies (e.g., gunshot wounds, riot and accident victims) and

§ 551.311  Subminimum wage.

§ 551.401 General Provisions

§ 551.401 Basic principles.

(a) All time spent by an employee performing an activity for the benefit of an agency and under the control or direction of the agency is “hours of work.” Such time includes:

(1) Time during which an employee is required to be on duty;

(2) Time during which an employee is suffered or permitted to work; and

(3) Waiting time or idle time which is under the control of an agency and which is for the benefit of an agency.

(b) For an employee, as defined in 5 U.S.C. 5541(2), hours in a paid nonwork status (e.g., paid leave, holidays, compensatory time off, or excused absences) are “hours of work” under this part.

(c) Hours in an unpaid nonwork status (e.g., leave without pay, furlough, absence without leave) are not “hours of work” under this part.

(d) Time that is considered hours of work under this part shall be used only to determine an employee’s entitlement to minimum wages or overtime pay under the Act, and shall not be used to determine hours of work for pay administration under title 5, United States Code, or any other authority.

(e) Irregular or occasional overtime work performed by an employee on a day on which work was not scheduled for that employee or for which the employee is required to return to his or her place of employment is deemed at least 2 hours in duration for the purpose of determining whether the employee may be entitled to overtime pay under this part, either in money or compensatory time off.

(f) For the purpose of determining hours of work in excess of 8 hours in a day under this part, agencies shall credit hours of work under § 410.402 of this chapter, part 532 of this chapter and 5 U.S.C. 5544, and part 550 of this chapter, as applicable.

§ 551.402 Agency responsibility.

(a) An agency is responsible for exercising appropriate controls to assure that only that work for which it intends to make payment is performed.

(b) An agency shall keep complete and accurate records of all hours worked by its employees.

Application of Principles in Relation to Normal Workday

§ 551.411 Workday.

(a) For the purposes of this part, workday means the period between the commencement of the principal activities that an employee is engaged to perform on a given day, and the cessation of the principal activities for that day. All time spent by an employee in the performance of such activities is hours of work. The workday is not limited to a calendar day or any other 24-hour period.

(b) Any rest period authorized by an agency that does not exceed 20 minutes and that is within the workday shall be considered hours of work.

(c) Bona fide meal periods are not considered hours of work, except for on-duty meal periods for employees engaged in fire protection or law enforcement activities who receive compensation for overtime hours of work under 5 U.S.C. 5545(c)(1) or (2) or 5545b. However, for employees engaged in fire protection or law enforcement activities who have periods of duty of more than 24 hours, on-duty meal periods may be excluded from hours of work by agreement between the employer and the

§ 551.412 Agency responsibility.

(a) An agency is responsible for exercising appropriate controls to assure that only that work for which it intends to make payment is performed.

(b) An agency shall keep complete and accurate records of all hours worked by its employees.
§ 551.412 Preparatory or concluding activities.

(a)(1) If an agency reasonably determines that a preparatory or concluding activity is closely related to an employee's principal activities, and is indispensable to the performance of the principal activities, and that the total time spent in that activity is more than 10 minutes per workday, the agency shall credit all of the time spent in that activity, including the 10 minutes, as hours of work.

(2) If the time spent in a preparatory or concluding activity is compensable as hours of work, the agency shall schedule the time period for the employee to perform that activity. An employee shall be credited with the actual time spent in that activity during the time period scheduled by the agency. In no case shall the time credited for the performance of an activity exceed the time scheduled by the agency. The employee shall be credited for the time spent performing preparatory or concluding activities in accordance with paragraph (b) of § 551.521 of this part.

(b) A preparatory or concluding activity that is not closely related to the performance of the principal activities is considered a preliminary or postliminary activity. Time spent in preliminary or postliminary activities is excluded from hours of work and is not compensable, even if it occurs between periods of activity that are compensable as hours of work.

§ 551.421 Regular working hours.

(a) Under the Act there is no requirement that a Federal employee have a regularly scheduled administrative workweek. However, under title 5 United States Code, and part 610 of this chapter, the head of an agency is required to establish work schedules for his or her employees. In determining what activities constitute hours of work under the Act, there is generally a distinction based on whether the activity is performed by an employee during regular working hours or outside regular working hours. For purposes of this part, “regular working hours” means the days and hours of an employee’s regularly scheduled administrative workweek established under part 610 of this chapter.

(b) [Reserved]

§ 551.422 Time spent traveling.

(a) Time spent traveling shall be considered hours of work if:

(1) An employee is required to travel during regular working hours;

(2) An employee is required to drive a vehicle or perform other work while traveling;

(3) An employee is required to travel as a passenger on a one-day assignment away from the official duty station; or

(4) An employee is required to travel as a passenger on an overnight assignment away from the official duty station during hours on nonworkdays that correspond to the employee’s regular working hours.

(b) An employee who travels from home before the regular workday begins and returns home at the end of the workday is engaged in normal “home to work” travel; such travel is not hours of work. When an employee travels directly from home to a temporary duty location outside the limits of his or her official duty station, the time the employee would have spent in normal home to work travel shall be deducted from hours of work as specified in paragraphs (a)(2) and (a)(3) of this section.

(c) An employee who is offered one mode of transportation, and who is permitted to use an alternative mode of transportation, or an employee who travels at a time other than that selected by the agency, shall be credited with the lesser of:

(1) The actual travel time which is hours of work under this section; or

(2) The estimated travel time which would have been considered hours of work under this section had the employee used the mode of transportation
§ 551.423

offered by the agency, or traveled at the time selected by the agency.

(d) Except as provided in paragraph (b) of this section, an agency may prescribe a mileage radius of not greater than 50 miles to determine whether an employee's travel is within or outside the limits of the employee's official duty station for determining entitlement to overtime pay for travel under this part. However, an agency's definition of an employee's official duty station for determining overtime pay for travel may not be smaller than the definition of "official station and post of duty" under the Federal Travel Regulation issued by the General Services Administration (41 CFR 300-3.1).

§ 551.423 Time spent in training or attending a lecture, meeting, or conference.

(a) Time spent in training, whether or not it is under the purview of part 410 of this chapter, shall be administered as follows:

(1) Time spent in training during regular working hours shall be considered hours of work.

(2) Time spent in training outside regular working hours shall be considered hours of work if:

(i) The employee is directed to participate in the training by his or her employing agency; and

(ii) The purpose of the training is to improve the employee's performance of the duties and responsibilities of his or her current position.

(3) Time spent in apprenticeship or other entry level training, or internship or other career related work study training, or training under the Veterans Recruitment Act (5 CFR part 307) outside regular working hours shall not be considered hours of work, provided no productive work is performed during such periods, except as provided by §410.402(b) of this chapter and paragraphs (f) and (g) of §551.401.

(4) Time spent by an employee performing work for the agency during a period of training shall be considered hours of work.

(b) The following phrases contained in paragraph (a) of this section, are further clarified:

(1) Directed to participate means that the training is required by the agency and the employee’s performance or continued retention in his or her current position will be adversely affected by nonenrollment in such training. The fact that an agency pays for all or part of the expenses of training does not create an entitlement to overtime hours of work unless participation in the training is directed by the agency.

(2) Training “to improve the employee’s performance * * * of his or her current position” is distinguished from upward mobility training or developmental training to provide an employee the knowledge or skills needed for a subsequent position in the same career field.

(c) Time spent by an employee within an agency’s allowance of preparatory time for attendance at training shall be considered hours of work if such preparatory time is:

(1) During an employee’s regular working hours; or

(2) Outside the employee’s regular working hours, and the purpose of the training meets the requirements of paragraph (a)(2) of this section.

(d) Time spent attending a lecture, meeting, or conference shall be considered hours of work if attendance is:

(1) During an employee’s regular working hours; or

(2) Outside an employee’s regular working hours, and

(i) The employee is directed by an agency to attend such an event; or

(ii) The employee performs work for the benefit of the agency during such attendance.

§ 551.424 Time spent adjusting grievances or performing representational functions.

(a) Time spent by an employee adjusting his or her grievance (or any appealable action) with an agency during the time the employee is required to be on the agency’s premises shall be considered hours of work.
§ 551.432 Sleep time.

(a) Except as provided in paragraph (b) of this section, bona fide sleep time that fulfills the following conditions shall not be considered hours of work if:

(1) The work shift is 24 hours or more; and

(2) During such time there are adequate facilities such that an employee may usually enjoy an uninterrupted period of sleep; and

(b) An employee is on duty, and time spent on standby duty is hours of work if: a designated post of duty and is assigned to be in a state of readiness to perform work with limitations on the employee’s activities so substantial that the employee cannot use the time effectively for his or her own purposes. A finding that an employee’s activities are substantially limited may not be based on the fact that the employee is subject to restrictions necessary to ensure that the employee will be able to perform his or her duties and responsibilities, such as restrictions on alcohol consumption or use of certain medications.

(2) An employee is not considered restricted for “work-related reasons” if, for example, the employee remains at the post of duty voluntarily, or if the restriction is a natural result of geographic isolation or the fact that the employee resides on the agency’s premises. For example, in the case of an employee assigned to work in a remote wildland area or on a ship, the fact that the employee has limited mobility when relieved from duty would not be a basis for finding that the employee is restricted for work-related reasons.

(b) An employee will be considered off duty and time spent in an on-call status shall not be considered hours of work if:

(1) The employee is allowed to leave a telephone number or to carry an electronic device for the purpose of being contacted, even though the employee is required to remain within a reasonable call-back radius; or

(2) The employee is allowed to make arrangements such that any work which may arise during the on-call period will be performed by another person.

§ 551.431 Time spent on standby duty or in an on-call status.

(a)(1) An employee is on duty, and time spent on standby duty is hours of work if; for work-related reasons, the employee is restricted by official order to a designated post of duty and is assigned to be in a state of readiness to perform work with limitations on the employee’s activities so substantial that the employee cannot use the time effectively for his or her own purposes. A finding that an employee’s activities are substantially limited may not be based on the fact that the employee is subject to restrictions necessary to ensure that the employee will be able to perform his or her duties and responsibilities, such as restrictions on alcohol consumption or use of certain medications.

(2) An employee is not considered restricted for “work-related reasons” if, for example, the employee remains at the post of duty voluntarily, or if the restriction is a natural result of geographic isolation or the fact that the employee resides on the agency’s premises. For example, in the case of an employee assigned to work in a remote wildland area or on a ship, the fact that the employee has limited mobility when relieved from duty would not be a basis for finding that the employee is restricted for work-related reasons.

(b) An employee will be considered off duty and time spent in an on-call status shall not be considered hours of work if:

(1) The employee is allowed to leave a telephone number or to carry an electronic device for the purpose of being contacted, even though the employee is required to remain within a reasonable call-back radius; or

(2) The employee is allowed to make arrangements such that any work which may arise during the on-call period will be performed by another person.

(3) There are at least 5 hours available for such time during the sleep period.

(b) For employees engaged in law enforcement or fire protection activities who receive annual premium pay under 5 U.S.C. 5545(c)(1) or (2), the requirements of paragraph (a) of this section apply, except that on-duty sleep time may be excluded from hours of work only if the work shift is more than 24 hours.

(c) The total amount of bona fide sleep and meal time that may be excluded from hours of work may not exceed 8 hours in a 24-hour period.

(d) If sleep time is interrupted by a call to duty, the time spent on duty is considered hours of work.

(e) On-duty sleep and meal time during regularly scheduled hours for which standby duty premium pay under 5 U.S.C. 5545(c)(1) is payable may not be excluded from hours of work.

(f) For firefighters compensated under 5 U.S.C. 5545b, on-duty sleep and meal time may not be excluded from hours of work.

Subpart E—Overtime Pay Provisions

SOURCE: 45 FR 85665, Dec. 30, 1980, unless otherwise noted.

BASIC PROVISIONS

§ 551.501 Overtime pay.

(a) An agency shall compensate an employee who is not exempt under subpart B of this part for all hours of work in excess of 8 in a day or 40 in a workweek at a rate equal to one and one-half times the employee's hourly regular rate of pay, except that an employee shall not receive overtime compensation under this part—

(1) On the basis of periods of duty in excess of 8 hours in a day when the employee receives compensation for that duty under 5 U.S.C. 5545(c)(1) or (2) or 5545b;

(2) On the basis of hours of work in excess of 8 hours in a day that are not overtime hours of work under §410.402 of this chapter, part 532 of this chapter and 5 U.S.C. 5544, or part 550 of this chapter;

(3) On the basis of hours of work in excess of 8 hours in a day for an employee covered by 5 U.S.C. 5544 for any hours in a standby or on-call status or while sleeping or eating;

(4) On the basis of hours of work in excess of 8 hours in a day for an individual who is not an employee, as defined in 5 U.S.C. 5541(2), for purposes of 5 U.S.C. 5542, 5543, and 5544;

(5) On the basis of hours of work in excess of 40 hours in a workweek for an employee engaged in fire protection or law enforcement activities when the employee is receiving compensation under 5 U.S.C. 5545(c)(1) or (2) or 5545b, or is not an employee (as defined in 5 U.S.C. 5541(2)) for the purposes of 5 U.S.C. 5542, 5543, and 5544;

(6) For hours of work that are not "overtime hours," as defined in 5 U.S.C. 6121, for employees under flexible or compressed work schedules;

(7) For hours of work compensated by compensatory time off under §551.531 of this part; and

(8) For fractional hours of work, except as provided in §551.521 of this part.

(b) An employee's "workweek" is a fixed and recurring period of 168 hours—seven consecutive 24-hour periods. It need not coincide with the calendar week but may begin on any day and at any hour of a day. For employees subject to part 610 of this chapter, the workweek shall be the same as the administrative workweek defined in §610.102 of this chapter.

(c) In this subpart, "irregular or occasional overtime work" is overtime work that is not scheduled in advance of the employee's workweek.

(d) The maximum earnings limitations described in §§550.105, 550.106, and 550.107 of this chapter do not apply to overtime pay due the employee under this subpart.

OVERTIME PAY COMPUTATIONS

§ 551.511 Hourly regular rate of pay.

(a) An employee's "hourly regular rate" is computed by dividing the total
remuneration paid to an employee in the workweek by the total number of hours of work in the workweek for which such compensation was paid.

(b) “Total remuneration” includes all remuneration for employment paid to, or on behalf of, an employee except:

(1) Payments as rewards for service the amount of which is not measured by or dependent on hours of work, production, or efficiency (e.g., a cash award for a suggestion made by an employee and adopted by an agency);

(2) Reimbursements for travel expenses, or other similar expenses, incurred by an employee in furtherance of an agency’s interest, which are not related to hours of work;

(3) Payments made in recognition of services performed during a given period, if both the fact that payment is to be made and the amount of the payment are determined at the sole discretion of the agency (i.e., discretionary cash awards or bonuses);

(4) Contributions by an agency to a fund for retirement, insurance, or similar benefits;

(5) Extra compensation provided by a premium rate paid for hours of work performed by an employee in excess of eight in a day, or in excess of the normal workweek applicable to the employee;

(6) Extra compensation provided by a premium rate paid for hours of work performed by an employee on a Sunday or a holiday where such premium rate is at least one and one-half times the employee’s rate of pay for work performed in nonovertime hours on other days; or

(7) Extra compensation provided by a premium rate paid for hours of work performed by an employee outside his or her regular working hours, where such premium rate is at least one and one-half times the employee’s rate of pay for work performed in nonovertime hours.

§ 551.512 Overtime pay entitlement.

(a) An employee’s overtime entitlement under this subpart includes:

(1) The straight time rate of pay times all overtime hours worked; plus

(2) One-half times the employee’s hourly regular rate of pay times all overtime hours worked.

(b) An employee’s “straight time rate of pay” is equal to the employee’s rate of pay for his or her position (exclusive of any premiums, differentials, or cash awards or bonuses) except for an employee who is authorized annual premium pay under §550.141 or §550.151 of this chapter. For an employee who is authorized annual premium pay, straight time rate of pay is equal to basic pay plus annual premium pay divided by the hours for which the basic pay plus annual premium pay are intended.

(c) An employee has been paid in compliance with the overtime pay provisions of this subpart only if the employee has received pay at a rate at least equal to the employee’s straight time rate of pay for all nonovertime hours of work in the workweek.

§ 551.513 Entitlement to other forms of pay.

Overtime pay under this subpart shall be paid in addition to all pay, other than overtime pay, to which the employee is entitled under title 5, United States Code, or any other authority. An employee entitled to overtime pay under this subpart and overtime pay under any authority outside of title 5, United States Code, shall be paid under whichever authority provides the greater overtime pay entitlement in the workweek.

§ 551.514 Nondiscretionary bonuses.

(a) When an employee earns a nondiscretionary cash award or bonus (as opposed to discretionary cash awards or bonuses as described in §551.11(b)(3)), the bonus must be taken into account in determining overtime pay for the period of time during which the bonus was earned. An agency may meet the overtime pay requirements for the bonus period by using one of the procedures described in paragraphs (b) and (c) of this section. The procedures in
paragraphs (b)(1) and (b)(2) of this section calculate the additional overtime pay the employee is due. The procedures in paragraphs (b)(3), (c)(2), and (c)(3) of this section describe methods where the overtime pay requirements are met in the calculation or distribution of the bonus itself.

(b) Individual computation methods—
(1) Week-by-week recomputation method. The agency may compute the additional overtime pay owed an employee by allocating the nondiscretionary bonus payable under the agency bonus plan to the weeks or hours during which it was earned and recomputing the employee’s total remuneration, hourly regular rate, and overtime pay for each applicable workweek in the bonus period.

(2) Bonus hourly rate method. The agency may assume that an equal amount of the nondiscretionary bonus applies to each hour worked during the bonus period and derive a bonus hourly rate by dividing the employee’s total bonus by the total number of hours worked by the employee during the bonus period. Then the agency may compute the employee’s additional overtime pay by multiplying one-half of that bonus hourly rate by the total number of overtime hours worked by the employee during the bonus period.

(3) Percentage bonus method. An agency may establish a nondiscretionary bonus as a fixed percentage of total pay (i.e., total remuneration before considering the group bonus, including straight time pay for any overtime hours, plus any half-rate overtime pay under §551.512(a)(2)) earned by employees in the bonus period. This method may not be used to circumvent any bonus limitations that might otherwise apply. At the agency’s discretion, the portion of the bonus attributable to the employee’s half-rate overtime pay under §551.512(a)(2) may be excluded in applying bonus limitations, since it can be viewed as constituting additional FLSA overtime pay. (This method does not apply to nondiscretionary bonuses established as a percentage of a segment of pay, such as ratings-based cash awards under §451.104(g) of this chapter that are expressed as a percentage of basic pay, excluding locality adjustments. To meet overtime pay requirements for these types of bonuses, use one of the methods described in paragraphs (b)(1) or (b)(2) of this section.)

(c) Group-based bonus distribution methods. (1) For employees who have earned nondiscretionary group cash awards or bonuses, payment of a bonus under one of the methods of distribution described in paragraphs (c)(2) and (c)(3) of this section is considered to be in full compliance with the overtime pay requirements of this subpart. These methods may not be used to circumvent any bonus limitations that might otherwise apply.

(2) Percentage method. (i) Identify the amount of the group bonus under the agency’s bonus plan and the period of time during which it was earned;

(ii) Establish the group bonus as a percentage of the total pay (i.e., total remuneration before considering the group bonus, including straight time pay for any overtime hours, plus any half-rate overtime pay under §551.512(a)(2)) earned by employees in the group during the bonus period; and

(iii) Multiply the percentage in paragraph (c)(2)(ii) of this section times each individual employee’s total pay earned during the bonus period to determine each employee’s share of the group bonus.

(3) Boosted hour method. (i) Identify the amount of the group bonus under the agency’s bonus plan and the period of time during which it was earned;

(ii) Determine the total number of boosted hours for all employees under the group bonus plan by adding up the total number of hours of work by those employees (nonovertime and overtime hours) and increasing that sum by one-half of the total number of overtime hours;

(iii) Divide the amount of the group bonus by the total number of boosted hours for all employees under the group bonus plan to determine the amount of the bonus allocable to each hour; and (iv) Multiply this hourly bonus amount by the number of boosted hours credited to each individual employee in the bonus period to determine each employee’s share of the group bonus.

Fractional Hours of Work

§ 551.521 Fractional hours of work.
(a) An employee shall be compensated for every minute of regular overtime work.
(b) A quarter of an hour shall be the largest fraction of an hour used for crediting irregular or occasional overtime work under this subpart. When irregular or occasional overtime work is performed in other than the full fraction, odd minutes shall be rounded up or rounded down to the nearest full fraction of an hour used to credit overtime work.

[48 FR 36806, Aug. 15, 1983]

Compensatory Time Off

§ 551.531 Compensatory time off.
(a) At the request of an employee who is not exempt under subpart B of this part, the head of an agency (or designee) may grant compensatory time off from an employee's tour of duty instead of payment under § 551.501 for an equal amount of irregular or occasional overtime work.
(b) At the request of an employee, as defined in 5 U.S.C. 2105, the head of an agency may grant compensatory time off from an employee's basic work requirement under a flexible work schedule under 5 U.S.C. 6122 instead of payment under § 551.501 of this part for an equal amount of overtime work, whether or not irregular or occasional in nature.
(c) An agency may not require that an employee be compensated for overtime work under this subpart with an equivalent amount of compensatory time off from the employee's tour of duty. An employee may not directly or indirectly intimidate, threaten, or coerce, or attempt to intimidate, threaten, or coerce any other employee for the purpose of interfering with such employee's rights to request or not to request compensatory time off in lieu of payment for overtime hours.
(d) If compensatory time off earned under paragraph (a) or (b) of this section is not taken within 26 pay periods after the pay period during which it was earned or if the employee transfers or separates from an agency before using the compensatory time, the employee must be paid for overtime work at the dollar value prescribed in paragraph (g) of this section.
(e) Compensatory time off to an employee's credit as of May 14, 2007 must be used by the end of the pay period ending 3 years after May 14, 2007. If the earned compensatory time off is not taken by the end of the pay period ending 3 years after May 14, 2007, the employee must be paid for overtime work at the dollar value prescribed in paragraph (g) of this section.
(f) If an employee with unused compensatory time off under paragraphs (a), (b), or (e) of this section separates from Federal service or is placed in a leave without pay status under the following circumstances, the employee must be paid for overtime work at the overtime rate at the dollar value prescribed in paragraph (g) of this section:
1. The employee is separated or placed in a leave without pay status to perform service in the uniformed services (as defined in 38 U.S.C. 4303 and § 353.102); or
2. The employee is separated or placed in a leave without pay status because of an on-the-job injury with entitlement to injury compensation under 5 U.S.C. chapter 81.
(g) The dollar value of compensatory time off when it is liquidated is the amount of overtime pay the employee otherwise would have received for hours of the pay period during which compensatory time off was earned by performing overtime work.

§ 551.541 Employees engaged in fire protection activities or law enforcement activities.
(a) An employee engaged in fire protection activities or law enforcement activities (as described in §§ 551.215 and 551.216, respectively) who receives compensation for those activities under 5 U.S.C. 5545(c)(1) or (2) or 5545b, or does not meet the definition of “employee” in 5 U.S.C. 5541(2) for the purposes of 5 U.S.C. 5542, 5543, and 5544, is subject to section 7(k) of the Act and this section.
§ 551.601  Minimum age standards.

(a) 16-year minimum age. The Act, in section 3(1), sets a general 16-year minimum age, which applies to all employment subject to its child labor provisions, with certain exceptions not applicable here.

(b) 18-year minimum age. The Act, in section 3(1), also sets an 18-year minimum age with respect to employment in any occupation found and declared by the Secretary of Labor to be particularly hazardous for the employment of minors of such age or detrimental to their health or well-being.

(c) All work in fire suppression is deemed hazardous for the employment of individuals under 18 years of age. All work in fire protection and prevention is particularly hazardous for the employment of individuals between 16 and 18 years of age, except the following:

1. Work in offices or in repair or maintenance shops without exposure to hazardous materials;
2. Work in the construction, operation, repair, or maintenance of living and administrative quarters in firefighting camps without exposure to hazardous materials;
3. Work in forest protection, such as clearing fire trails or roads, piling and burning slash, maintaining firefighting equipment, or acting as fire lookout or fire patrolman away from the actual logging operations, provided that this provision shall not apply to the felling or bucking of timber, the collecting or transporting of logs, the operation of power-driven machinery, the handling or use of explosives, and work on trestles;
4. Work in the clean-up service outside of a structure after a fire has been declared by the fire official in charge to be under control; and
5. Work assisting in the administration of first aid.

§ 551.602 Responsibilities.

(a) Agencies must remain cognizant of and abide by regulations and orders published in part 570 of title 29, Code of Federal Regulations, by the Secretary of Labor regarding the employment of individuals under the age of 18 years. These regulations and orders govern the minimum age at which persons under the age of 18 years may be employed and the occupations in which they may be employed. Persons under the age of 18 years must not be employed or engaged in occupations or engage in work deemed hazardous by the Secretary of Labor.

(b) OPM will decide complaints concerning the employment of persons under the age of 18 years. Complaints must be filed following the procedures set forth in subpart G of this part.

Subpart F—Child Labor

§ 551.601 Minimum age standards.

(See § 551.501(a)(1) and (5)). Such an employee shall be paid at a rate equal to one and one-half times the employee’s hourly regular rate of pay for those hours in a tour of duty which exceed the overtime standard for a work period specified in section 7(k) of the Act.

(b) The tour of duty of an employee covered by paragraph (a) of this section shall include all time the employee is on duty. Meal periods and sleep periods are included in the tour of duty except as otherwise provided in §§ 551.411(c) and 551.432(b).

(c) Each agency shall establish the “work period” to be used for application of section 7(k) of the Act. The work period shall be at least seven days and not more than 28 days.

(d) A firefighter subject to section 7(k) of the Act who is compensated under part 550, subpart M, of this chapter is deemed to be appropriately compensated under section 7(k) of the Act and this part if the requirements of § 550.1304(a) of this chapter are satisfied. (See 5 U.S.C. 5545b(d)(2).)

§ 551.701 Applicability.

(a) Applicable. This subpart applies to FLSA exemption status determination claims, FLSA pay claims for minimum wage or overtime pay for work performed under the Act, and complaints arising under the child labor provisions of the Act.

(b) Not applicable. This subpart does not apply to claims or complaints arising under the equal pay provisions of the Act. The equal pay provisions of the Act are administered by the Equal Employment Opportunity Commission.

§ 551.702 Time limits.

(a) Claims. A claimant may at any time file a complaint under the child labor provisions of the Act or an FLSA claim challenging the correctness of his or her FLSA exemption status determination. A claimant may also file an FLSA claim concerning his or her entitlement to minimum wage or overtime pay for work performed under the Act; however, time limits apply to FLSA pay claims. All FLSA pay claims filed on or after June 30, 1994, are subject to a 2-year statute of limitations (3 years for willful violations).

(b) Statute of limitations. An FLSA pay claim filed on or after June 30, 1994, is subject to the statute of limitations contained in the Portal-to-Portal Act of 1947, as amended (section 255a of title 29, United States Code), which imposes a 2-year statute of limitations, except in cases of a willful violation where the statute of limitations is 3 years. In deciding a claim, a determination must be made as to whether the cause or basis of the claim was the result of a willful violation on the part of the agency.

(c) Preserving the claim period. A claimant or a claimant's designated representative may preserve the claim period by submitting a written claim either to the agency employing the claimant during the claim period or to OPM. The date the agency or OPM receives the claim is the date that determines the period of possible entitlement to back pay. The claimant is responsible for proving when the claim was received by the agency or OPM, such as by filing the claim using certified, return receipt mail, or by requesting that the agency or OPM provide written acknowledgment of receipt of the claim. If a claim for back pay is established, the claimant will be entitled to pay for a period of up to 2 years (3 years for a willful violation) back from the date the claim was received.

§ 551.703 Avenues of review.

(a) Negotiated grievance procedure (NGP) as exclusive administrative remedy. If at any time during the claim period, a claimant was a member of a bargaining unit covered by a collective bargaining agreement that did not specifically exclude matters under the Act from the scope of the NGP, the claimant must use that NGP as the exclusive administrative remedy for all claims under the Act. There is no right to further administrative review by the agency or by OPM. The remaining sections in this subpart (that is, §§551.704 through 551.710) do not apply to such employees.

(b) Non-NGP administrative review by agency or OPM. A claimant may file a claim with the agency employing the claimant during the claim period or with OPM, but not both simultaneously, regarding matters arising under the Act if, during the entire claim period, the claimant:

(1) Was not a member of a bargaining unit, or

(2) Was a member of a bargaining unit not covered by a collective bargaining agreement, or

(3) Was a member of a bargaining unit covered by a collective bargaining agreement that specifically excluded matters under the Act from the scope of the NGP.

(c) Judicial review. Nothing in this subpart limits the right of a claimant to bring an action in an appropriate United States court. Filing a claim with an agency or with OPM does not satisfy the statute of limitations governing FLSA claims filed in court. OPM will not decide an FLSA claim that is in litigation.

§ 551.704 Claimant's representative.

A claimant may designate a representative to assist in preparing or presenting a claim. The claimant must
§ 551.705 Filing an FLSA claim.

(a) Filing an FLSA claim. A claimant may file an FLSA claim with either the agency employing the claimant during the claim period or with OPM, but a claimant cannot pursue the same claim with both at the same time. OPM encourages a claimant to obtain a decision on the claim from the agency before filing the claim with OPM. However, this is a matter of personal discretion and a claimant is not required to do this; a claimant may use either avenue. A claimant who receives an unfavorable decision on a claim from the agency may still file the claim with OPM. However, a claimant may not file the claim with the agency after receiving an unfavorable decision from OPM. An OPM decision on a claim is final and is not subject to further administrative review.

(b) FLSA claim filed with agency. An FLSA claim filed with an agency should be made according to appropriate agency procedures. At the request of the claimant, the agency may forward the claim to OPM on the claimant’s behalf. The claimant is responsible for ensuring that OPM receives all the information requested in paragraph (c) of this section.

(c) FLSA claim filed with OPM. An FLSA claim filed with OPM must be made in writing and must be signed by the claimant or the claimant’s representative. Relevant information may be submitted to OPM at any time following the initial submission of a claim to OPM and prior to OPM’s decision on the claim. The claim must include the following:

1. The identity of the claimant (see §551.706(a)(2) regarding requesting confidentiality) and any designated representative, the agency employing the claimant during the claim period, the position (job title, series, and grade, or equivalent level) occupied by the claimant during the claim period, and the current mailing address, commercial telephone number, and facsimile machine number, if available, of the claimant and any designated representative;

2. A description of the nature of the claim and the specific issues or incidents giving rise to the claim, including the time period covered by the claim;

3. A description of actions taken by the claimant to resolve the claim within the agency and the results of any actions taken;

4. A copy of any relevant decision or written response by the agency;

5. Evidence available to the claimant or the claimant’s designated representative which supports the claim, including the identity, commercial telephone number, and location of other individuals who may be able to provide information relating to the claim;

6. The remedy sought by the claimant;

7. Evidence, if available, that the claim period was preserved in accordance with §551.702. The date the claim is received by the agency or OPM becomes the date on which the claim period is preserved;

8. A statement from the claimant that he or she was or was not a member of a collective bargaining unit at any time during the claim period;

9. If the claimant was a member of a bargaining unit, a statement from the claimant that he or she was or was not covered by a negotiated grievance procedure at any time during the claim period, and if covered, whether that procedure specifically excluded the claim from the scope of the negotiated grievance procedure;

10. A statement from the claimant that he or she has or has not filed an action in an appropriate United States court; and

§ 551.705 designate the representative in writing. A representative may not participate in OPM interviews unless specifically requested to do so by OPM. An agency may disallow a claimant’s representative who is a Federal employee in any of the following circumstances:

(a) When the individual’s activities as a representative would cause a conflict of interest or position;

(b) When the designated representative cannot be released from his or her official duties because of the priority needs of the Government; or

(c) When the release of the designated representative would give rise to unreasonable costs to the Government.
§ 551.706 Responsibilities.

(a) Claimant—(1) Providing information to OPM. For all FLSA claims, the claimant or claimant’s designated representative must provide any additional information requested by OPM within 15 workdays after the date of the request, unless the claimant or the claimant’s representative requests additional time and OPM grants a longer period of time in which to provide the requested information. The disclosure of information by a claimant is voluntary. However, OPM may be unable to render a decision on a claim without the information requested. In such a case, the claim will be cancelled without further action being taken by OPM. In the case of an FLSA pay claim, it is the claimant’s responsibility to provide evidence that the claim period was preserved in accordance with § 551.702 and of the liability of the agency and the claimant’s right to payment.

(2) Requesting confidentiality. If the claimant wishes the claim to be treated confidentially, the claim must specifically request that the identity of the claimant not be revealed to the agency. Witnesses or other sources may also request confidentiality. OPM will make every effort to conduct its investigation in a way to maintain confidentiality. If OPM is unable to obtain sufficient information to render a decision and preserve the requested confidentiality, OPM will notify the claimant that the claim will be cancelled with no further action by OPM unless the claimant voluntarily provides written authorization for his or her name to be revealed.

(b) Agency. (1) In FLSA exemption status determination claims, the burden of proof rests with the agency that asserts the FLSA exemption.

(2) The agency must provide the claimant with a written acknowledgment of the date the claim was received.

(3) Upon a claimant’s request, and subject to any Privacy Act requirements, an agency must provide a claimant with information relevant to the claim.

(4) The agency must provide any information requested by OPM within 15 workdays after the date of the request, unless the agency requests additional time and OPM grants a longer period of time in which to provide the requested information.

§ 551.707 Withdrawal or cancellation of an FLSA claim.

(a) Withdrawal. OPM may grant a request from the claimant or claimant’s representative to withdraw an FLSA claim at any time before OPM issues its decision. The claimant or the claimant’s representative must submit the request in writing to OPM.

(b) Cancellation. OPM may, at its discretion, cancel an FLSA claim if the claimant or the claimant’s representative fails to provide requested information within 15 workdays after the date of the request, unless the claimant or the claimant’s representative requests additional time and OPM grants a longer period of time in which to provide the requested information. OPM may, at its discretion, reconsider a cancelled claim on a showing that circumstances beyond the claimant’s control prevented pursuit of the claim.

§ 551.708 Finality and effect of OPM FLSA claim decision.

(a) OPM will send an FLSA claim decision to the claimant or the claimant’s representative and the agency. An FLSA claim decision made by OPM is final. There is no further right of administrative appeal. However, at its discretion, OPM may reconsider its FLSA claim decision when material information was not considered or there was a material error of law, regulation, or fact in the original decision. The request must be submitted in writing and received by OPM within 45 calendar days after the date of the decision. At its unreviewable discretion, OPM may waive the time limit.

(b) A decision by OPM under the Act is binding on all administrative, certifying, payroll, disbursing, and accounting officials of agencies for which OPM administers the Act.

(c)(1) Upon receipt of a decision, the agency employing the claimant during
the claim period must take all necessary steps to comply with the decision, including adherence to compliance instructions provided with the decision. All compliance actions must be completed within the time specified in the decision, unless an extension of time is requested by the agency and granted by OPM.

(2) The agency should identify all similarly situated current and former employees to ensure that they are treated in a manner consistent with the decision on FLSA coverage, informing them in writing of their right to file an FLSA claim with the agency or OPM.

§ 551.709 Availability of information.

(a) Except when the claimant has requested confidentiality, the agency and the claimant must provide to each other a copy of all information submitted with respect to the claim.

(b) When a claimant has not requested confidentiality, OPM will disclose to the parties concerned the information contained in an FLSA claim file. When a claimant has requested confidentiality, OPM will delete any information identifying the claimant before disclosing the information in an FLSA claim file to the parties concerned. For the purposes of this subpart, "the parties concerned" means the claimant, any representative designated in writing, and any representative of the agency or OPM involved in the proceeding.

(c) Except when the claimant has requested confidentiality or the disclosure would constitute a clearly unwarranted invasion of personal privacy, OPM, upon a request which identifies the individual from whose file the information is sought, will disclose the following information from a claim file to a member of the public:

(1) Confirmation of the name of the individual from whose file the information is sought and the names of the other parties concerned;
(2) The remedy sought;
(3) The status of the claim;
(4) The decision on the claim; and
(5) With the consent of the parties concerned, other reasonably identified information from the file.

§ 551.710 Where to file an FLSA claim with OPM.

An FLSA claim must be filed with the OPM Classification Appeals and FLSA Program, 1900 E Street, NW., Washington, DC 20415–0001.

Subpart A—General Provisions

§ 553.101 Applicability.

This part applies to employment of civilian annuitants who would be subject to termination of annuity or annuity offset under 5 U.S.C. 8344 or 5 U.S.C. 8468. Agencies may request exceptions as provided in subpart B of this part from the reemployed annuitant provisions of 5 U.S.C. 8344 (for Civil Service Retirement System annuitants) or 8468 (for Federal Employees’ Retirement System annuitants), as appropriate.

[65 FR 19644, Apr. 12, 2000]

§ 553.102 Definitions.

(a) Agency, as used in this part, means an executive agency as defined in 5 U.S.C. 105.

(b) Annuitant, as used in this part, refers to a current or former civilian employee who is receiving, or meets the
Office of Personnel Management

§ 553.201 Requesting OPM approval for reemployment without reduction or termination of annuity in individual cases.

(a) Request by agency head. The head of an agency may request OPM to approve individual exceptions on a case-by-case basis to meet temporary hiring needs based on an emergency or other unusual circumstances or when the agency has encountered exceptional difficulty in recruiting or retaining a qualified candidate for a particular position. Authority to submit such a request may not be redelegated to an official below the agency’s headquarters level.

(b) Requirements for all requests. (1) Each request must identify the individual for whom the exception is requested, the appointing authority to be used, and the position to which he or she will be appointed.

(2) The request must be submitted in accordance with the criteria set out in paragraphs (c), (d), (e), or (f) of this section.

(3) Unless the request is submitted in accordance with paragraph (e) of this section, the individual must be off the agency’s rolls before submission.

(c) Requests based on an emergency hiring need. An agency may request reemployment without penalty for an individual whose services are needed on a temporary basis to respond to an emergency involving a direct threat to life or property. Requests submitted on that basis must meet the following criteria:

(1) Nature of emergency. Describe the military threat, natural disaster, or other unforeseen occurrence, the date it occurred, and the expected duration of the emergency response effort.

(2) Need for the individual’s services. The agency must show either that the individual is uniquely qualified for the emergency response work to be done or that the number of positions to be filled and/or urgency of response justifies making the particular appointment without further delay. OPM will not approve reemployment without penalty under 5 U.S.C. 8344, or 8468 solely to meet normal seasonal workload fluctuations.

(d) Requests based on severe recruiting difficulty. Generally, requests for exceptions will be based on exceptional difficulty in recruiting a qualified candidate for a particular position. Requests submitted on this basis must include a description of the length, breadth, and results of the agency’s recruiting efforts for the position and any other factors demonstrating that a
§ 553.202 Request for delegation of authority to approve reemployment without reduction or termination of annuity in emergencies or other unusual circumstances.

(a) Request by agency head. The head of an agency may request OPM to delegate to the agency authority to approve individual exceptions on a case-by-case basis in specific circumstances. Authority to submit such a request may not be redelegated to an official below the agency’s headquarters level (or, in the case of the Department of Defense, to an official below the headquarters level of the military department or Defense agency).

(b) Content of request. The request for delegation must include:

(1) Description of the situations for which authority is requested. The situation must result from emergencies posing immediate and direct threat to life or property or from other unusual circumstances.

(2) Identification of the occupations, grades, and locations of positions that might be filled under the delegated authority.

(3) Statement of the expected duration of the reemployment to be approved under the requested authority.

(c) Delegation agreement. OPM will set out the conditions for use of each authority that it delegates under the provisions of this section in a delegation agreement. The agreement will remain in effect without time limit unless OPM specifies a termination date in the agreement, or unless OPM withdraws the delegated authority upon finding that the circumstances justifying the delegation have changed substantially or that the agency has failed to manage the authority in accordance with the conditions set in the agreement.

(g) Length of exceptions. OPM may specify a time limit for reemployment without penalty of any individual approved under this subpart. If the agency wishes to continue the exception for an individual beyond the specified time, the request for renewal must demonstrate that the conditions justifying the initial exception still exist.

§ 553.203 Status of individuals serving without reduction.

Annuitants reemployed with full salary and annuity under an exception granted in accordance with this part are not considered employees for purposes of subchapter III of chapter 83 or chapter 84 of title 5, United States Code. They may not elect to have retirement contributions withheld from their pay; they may not use any employment for which an exception is granted as a basis for a supplemental or recomputed annuity; and they may not participate in the Thrift Savings Plan.

§ 572.101 Agency authority.

(a) An agency may determine which positions qualify for the payment of a new appointee’s travel expenses to the first post of duty. Payment of travel and transportation expenses will be in accordance with the Federal Travel Regulation (FTR) (41 CFR chapters 301–304).

(b) An agency may determine which interviewees are eligible for payment of pre-employment interview travel expenses. Payment of these travel expenses will be in accordance with the FTR.

[56 FR 28307, June 20, 1991]

§ 572.102 Agency discretion.

Payment of travel expenses for any individual candidate or appointee will be at the discretion of the employing agency. A decision by one agency that payment is appropriate for a particular position does not require a like determination by any other agency filling similar positions. A decision made in connection with one specific vacancy does not require a like decision in connection with future vacancies. In deciding to pay travel and transportation or interview expenses in filling any position, the agency should consider such factors as availability of funds as well as the desirability of conducting interviews for a particular job or offering a recruiting incentive to a particular candidate.

§ 572.103 Recordkeeping.

Each agency will maintain records of payments made under this authority and will make those records available to OPM on request.

575.209 Payment of relocation incentives.
§ 575.101 Purpose.

This subpart contains regulations implementing 5 U.S.C. 5753, which authorizes payment of recruitment incentives. An agency may pay a recruitment incentive to a newly appointed employee under the conditions specified in this subpart provided the agency has determined that the employee's position is likely to be difficult to fill in the absence of an incentive.

§ 575.102 Definitions.

In this subpart:
Agency means an executive agency or a legislative branch agency included in 5 U.S.C. 5102(a)(1).
Authorized agency official means the head of an agency or an official who is authorized to act for the head of the agency in the matter concerned.
Competencies means the knowledge, skills, abilities, behaviors, and other characteristics an individual needs to perform the duties of a position.
Employee has the meaning given that term in 5 U.S.C. 2105, except that the
term also includes an employee described in 5 U.S.C. 2105(c). For the purpose of determining whether an individual was an employee of the Federal Government during the 90-day period referred to in the definition of newly appointed, employee also includes an employee described in 5 U.S.C. 2105(e).

For the purpose of §575.109(d), an employee means an individual not yet employed who has received a written offer to be newly appointed or reappointed and has signed the written service agreement required by §575.110 before payment of the recruitment incentive.

Executive agency has the meaning given that term in 5 U.S.C. 105.

Newly appointed refers to—

(1) The first appointment, regardless of tenure, as an employee of the Federal Government;

(2) An appointment of a former employee of the Federal Government following a break in Federal Government service of at least 90 days; or

(3) An appointment of an individual in the Federal Government when his or her service in the Federal Government during the 90-day period immediately preceding the appointment was not in a position excluded by §575.104 and was limited to one or more of the following:

(i) A time-limited appointment in the competitive or excepted service;

(ii) A non-permanent appointment in the competitive or excepted service;

(iii) Employment with the government of the District of Columbia (DC) when the candidate was first appointed by the DC government on or after October 1, 1987;

(iv) An appointment as an expert or consultant under 5 U.S.C. 3109 and 5 CFR part 304;

(v) Employment under a provisional appointment designated under 5 CFR 316.403;

(vi) Employment under an Internship Program appointment under §213.3402(a) of this chapter; or

(vii) Employment as a Senior Executive Service limited term appointee or limited emergency appointee (as defined in 5 U.S.C. 3132(a)(5) and (a)(6), respectively).

OPM means the Office of Personnel Management.

Rate of basic pay means the rate of pay fixed by law or administrative action for the position to which an employee is or will be appointed before deductions and including any special rate under 5 CFR part 530, subpart C, or similar payment under other legal authority, and any locality-based comparability payment under 5 CFR part 531, subpart F, or similar payment under other legal authority, but excluding additional pay of any other kind. For example, a rate of basic pay does not include additional pay such as night shift differentials under 5 U.S.C. 5343(f) or environmental differentials under 5 U.S.C. 5343(c)(4).

Service agreement means a written agreement between an agency and an employee under which the employee agrees to a specified period of employment of not less than 6 months or more than 4 years with the agency in return for payment of a recruitment incentive.

§575.103 Eligible categories of employees.

(a) Except as provided in §575.104, an Executive agency may pay a recruitment incentive to an employee appointed or placed in the following categories of positions:

(1) A General Schedule position paid under 5 U.S.C. 5332 or 5305 (or similar special rate authority);

(2) A senior-level or scientific or professional position paid under 5 U.S.C. 5376;

(3) A Senior Executive Service position paid under 5 U.S.C. 5383 or a Federal Bureau of Investigation and Drug Enforcement Administration Senior Executive Service position paid under 5 U.S.C. 3151;

(4) A position as a law enforcement officer, as defined in 5 CFR 550.103;

(5) A position under the Executive Schedule paid under 5 U.S.C. 5311–5317 or a position the rate of pay for which is fixed by law at a rate equal to a rate for the Executive Schedule;
§ 575.104 Ineligible categories of employees.

An agency may not pay a recruitment incentive to an employee in—

(a) A position to which an individual is appointed by the President, by and with the advice and consent of the Senate;

(b) A position in the Senior Executive Service as a noncareer appointee (as defined in 5 U.S.C. 3132(a)(7));

(c) A position excepted from the competitive service by reason of its confidential, policy-determining, policy-making, or policy-advocating character; or

(d) A position not otherwise covered by the exclusions in paragraphs (a), (b), and (c) of this section—

(1) To which an individual is appointed by the President without the advice and consent of the Senate, except a Senior Executive Service position in which the individual serves as a career appointee (as defined in 5 U.S.C. 3132(a)(4));

(2) Designated as the head of an agency, including an agency headed by a collegial body composed of two or more individual members;

(3) In which the employee is expected to receive an appointment as the head of an agency; or

(4) To which an individual is appointed as a Senior Executive Service limited term appointee or limited emergency appointee (as defined in 5 U.S.C. 3132(a)(5) and (a)(6), respectively) when the appointment must be cleared through the White House Office of Presidential Personnel.

§ 575.105 Applicability to employees.

(a) A recruitment incentive may be paid under the conditions prescribed in this subpart to an employee who is newly appointed to a position listed in §575.103 that is likely to be difficult to fill, as determined under §575.106.

(b)(1) An agency may target groups of similar positions (excluding positions covered by §575.103(a)(2), (a)(3), or (a)(5) or those in similar categories approved by OPM under §575.103(a)(7)) that have been difficult to fill in the past or that may be difficult to fill in the future and make the required determination to offer a recruitment incentive to newly-appointed employees on a group basis.

(2) An agency must define a targeted category of positions using factors that relate to the conditions described in §575.106(b). Factors that may be appropriate include the following: occupational series, grade level, distinctive job duties, unique competencies required for the positions, and geographic location.

(3) An agency must review each decision to target a group of similar positions for the purpose of granting a recruitment incentive at least annually to determine whether the positions are still likely to be difficult to fill. An authorized agency official must certify this determination in writing. If an agency determines the positions are no longer likely to be difficult to fill, the agency may not offer a recruitment incentive to newly-appointed employees in that group on a group basis.

(c) An agency may not commence a recruitment incentive service agreement during—

(1) A period of employment established under any service agreement required for a relocation incentive under 5 CFR part 575, subpart B, or

(2) A period of employment established under any service agreement required for a retention incentive or for which an employee receives retention incentive payments without a service agreement under 5 CFR part 575, subpart C.

§ 575.106 Authorizing a recruitment incentive.

(a) Authority of authorized agency official. An authorized agency official retains sole and exclusive discretion, subject only to OPM review and oversight, to—

(1) Determine when a position is likely to be difficult to fill under paragraph (b) of this section;
(2) Approve a recruitment incentive for an employee under §575.105;
(3) Establish the criteria for determining the amount of a recruitment incentive and the length of a service period under §§575.109(a) and 575.110(a), respectively;
(4) Request a waiver from OPM of the limitation on the maximum amount of a recruitment incentive under §575.109(c); and
(5) Establish the criteria for terminating a service agreement under §575.111.

(b) Factors for determining when a position is likely to be difficult to fill. An agency in its sole and exclusive discretion, subject only to OPM review and oversight, may determine that a position is likely to be difficult to fill if the agency is likely to have difficulty in recruiting candidates with the competencies required for the position (or group of positions) in the absence of a recruitment incentive. An agency must consider the following factors, as applicable to the case at hand, in determining whether a position (or group of positions) is likely to be difficult to fill in the absence of a recruitment incentive and in documenting this determination as required by §575.108:

(1) The availability and quality of candidates possessing the competencies required for the position, including the success of recent efforts to recruit candidates for the position or similar positions using indicators such as offer acceptance rates, proportion of positions filed, and the length of time required to fill similar positions;
(2) The salaries typically paid outside the Federal Government for similar positions;
(3) Recent turnover in similar positions;
(4) Employment trends and labor-market factors that may affect the agency’s ability to recruit candidates for similar positions;
(5) Special or unique competencies required for the position;
(6) Agency efforts to use non-pay authorities, such as special training and work scheduling flexibilities, to resolve difficulties alone or in combination with a recruitment incentive;
(7) The desirability of the duties, work or organizational environment, or geographic location of the position; and
(8) Other supporting factors.

(c) An agency may determine that a position (or group of positions) is likely to be difficult to fill if OPM has approved the use of a direct-hire authority applicable to the position (or group of positions) under 5 CFR part 337, subpart B.

§ 575.107 Agency recruitment incentive plan and approval levels.

(a) Before paying recruitment incentives under this subpart, an agency must establish a recruitment incentive plan. The plan must include the following elements:

(1) The designation of officials with authority to review and approve payment of recruitment incentives (subject to paragraph (b) of this section), including the circumstances under which an official has the authority to approve payment without higher-level approval under paragraph (b)(2) of this section, and the designation of officials with authority to waive the repayment of a recruitment incentive under §575.111(h);
(2) The categories of employees who are prohibited from receiving recruitment incentives;
(3) Required documentation for determining that a position is likely to be difficult to fill;
(4) Any requirements for determining the amount of a recruitment incentive;
(5) The payment methods that may be authorized;
(6) Requirements governing service agreements, which, at a minimum, must include—

(i) The criteria for determining the length of a service period;
(ii) The conditions for terminating a service agreement; and
(iii) The obligations of the agency and the employee, as applicable, if an agency terminates a service agreement; and
(7) Documentation and recordkeeping requirements sufficient to allow reconstruction of the action and to fulfill the requirements of §§575.112 and 575.113.

(b)(1) Except as provided in paragraph (b)(2) of this section, an authorized agency official who is at least one level higher than the employee’s supervisor must review and approve each determination to pay a recruitment incentive to a newly appointed employee, unless there is no official at a higher level in the agency. The authorized agency official must review and approve the recruitment incentive determination before the agency may pay the incentive to the employee.

(2) When necessary to make a timely offer of employment, an authorized agency official may establish criteria in advance for offering recruitment incentives to newly-appointed employees and may authorize an official who is not lower than a candidate’s supervisor to use these criteria to offer a recruitment incentive (in any amount within a pre-established range) to a candidate without further review or approval.

(c) Unless the head of the agency determines otherwise, an agency recruitment incentive plan must apply uniformly across the agency.

§575.108 Approval criteria and written determination.

(a) For each determination to pay a recruitment incentive under this subpart, an agency must document in writing—

(1) The basis for determining that a position is likely to be difficult to fill, as determined under §575.106;
(2) The basis for authorizing a recruitment incentive; and
(3) The basis for the amount and timing of the approved recruitment incentive payment and the length of the required service period.

(b) An agency must make the determination to pay a recruitment incentive before the prospective employee enters on duty in the position for which recruited.

§575.109 Payment of recruitment incentives.

(a) An authorized agency official must establish the criteria for determining the amount of a recruitment incentive. An agency may pay a recruitment incentive—

(1) As an initial lump-sum payment at the commencement of the service period required by the service agreement or before the start of the service period, as authorized by paragraph (d) of this section;

(2) In installments throughout the service period required by the service agreement;

(3) As a final lump-sum payment upon the completion of the full service period required by the service agreement; or

(4) In a combination of these payment methods.

(b)(1) Except as provided in paragraph (c) of this section, the total amount of recruitment incentive payments paid to an employee in a service period may not exceed 25 percent of the annual rate of basic pay of the employee at the beginning of the service period multiplied by the number of years (including fractions of a year) in the service period (not to exceed 4 years).

(2) For hourly rate employees who do not have a scheduled annual rate of basic pay, compute the annual rate required for paragraph (b)(1) of this section by multiplying the applicable hourly rate in effect at the beginning of the service period by 2,087 hours.

(3) For the purpose of determining the number of years in a service period under paragraph (b)(1) of this section, divide the total number of calendar days in the service period by 365 and round the result to two decimal places. For example, a service period covering 39 biweekly pay periods equals 546 days, and 546 days divided by 365 days equals 1.50 years.

(c)(1) An authorized agency official may request that OPM waive the limitation in paragraph (b)(1) of this section for an employee or group of employees based on a critical agency need. The authorized agency official...
must determine that the competencies required for the position(s) are critical to the successful accomplishment of an important agency mission, project, or initiative (e.g., programs or projects related to a national emergency or implementing a new law or critical management initiative). Under such a waiver, the total amount of recruitment incentive payments paid to an employee in a service period may not exceed 50 percent of the employee’s annual rate of basic pay at the beginning of the service period multiplied by the number of years (including fractions of a year) in the service period. However, in no event may a waiver provide total recruitment incentive payments exceeding 100 percent of the employee’s annual rate of basic pay at the beginning of the service period.

(2) Waiver requests must include—
(i) A description of the critical agency need the proposed recruitment incentive would address;
(ii) The documentation required by §575.108;
(iii) The proposed recruitment incentive payment amount and a justification for that amount;
(iv) The timing and method of making the recruitment incentive payments;
(v) The service period required; and
(vi) Any other information pertinent to the case at hand.

(d) An agency may pay a recruitment incentive to an employee who has not yet entered on duty once the employee has signed a service agreement established under §575.110.

(e) A recruitment incentive is not part of an employee’s rate of basic pay for any purpose.

(f) Payment of a recruitment incentive is subject to the aggregate limitation on pay under 5 CFR part 530, subpart B.

§575.110 Service agreement requirements.

(a) Before paying a recruitment incentive, an agency must require the employee to sign a written service agreement to complete a specified period of employment with the agency (or successor agency in the event of a transfer of function). An authorized agency official must establish the criteria for determining the length of a service period. The service period may not be less than 6 months and may not exceed 4 years.

(b)(1) The service agreement must include the commencement and termination dates of the required service period. Except as provided in paragraphs (b)(2) and (b)(3) of this section, the required service period must begin upon the commencement of service with the agency. The service period must terminate on the last day of a pay period.

(2) If service with the agency does not begin on the first day of a pay period, the agency must delay the service period commencement date so that a required service period begins on the first day of the first pay period beginning on or after the commencement of service in the agency.

(3) An agency may delay a service agreement commencement date until after the employee completes an initial period of formal training or required probationary period when continued employment in the position is contingent on successful completion of the formal training or probationary period. The agency must make the determination to pay a recruitment incentive before the employee enters on duty in the position. However, the service agreement must specify that if an employee does not successfully complete the training or probationary period before the service period commences, the agency is not obligated to pay any portion of the recruitment incentive to the employee.

(c) The service agreement must specify the total amount of the incentive, the method of paying the incentive, and the timing and amounts of each incentive payment, as established under §575.109.

(d) The service agreement must include the conditions under which the agency must terminate the service agreement (i.e., if an employee is demoted or separated for cause, receives a rating of record of less than “Fully Successful” or equivalent, or otherwise fails to fulfill the terms of the service agreement) and the conditions under which the employee must repay a recruitment incentive under §575.111.
§ 575.111 Termination of a service agreement.

(a) An authorized agency official may unilaterally terminate a recruitment incentive service agreement based solely on the management needs of the agency. For example, an agency may terminate a service agreement when the employee’s position is affected by a reduction in force, when there are insufficient funds to continue the planned incentive payments, or when the agency assigns the employee to a different position (if the different position is not within the terms of the service agreement).

(b) An authorized agency official must terminate a recruitment incentive service agreement if an employee is demoted or separated for cause (i.e., for unacceptable performance or conduct), if the employee receives a rating of record (or an official performance appraisal or evaluation under a system not covered by 5 U.S.C. chapter 43 or 5 CFR part 430) of less than “Fully Successful” or equivalent, or if the employee otherwise fails to fulfill the terms of the service agreement.

(c) The termination of a service agreement is not grievable or appealable.

(d) The agency must notify an employee in writing when it terminates a recruitment incentive service agreement.

(e) If an authorized agency official terminates a service agreement under paragraph (a) of this section, the employee is entitled to all recruitment incentive payments that are attributable to completed service and to retain any portion of a recruitment incentive payment he or she received that is attributable to uncompleted service.

(f) The service agreement may include any other terms or conditions that, if violated, will result in termination of the service agreement under §575.111(b). For example, the service agreement may specify the employee’s work schedule, type of position, and the duties he or she is expected to perform. In addition, the service agreement may address the extent to which periods of time on detail, in a nonpay status, or in a paid leave status are creditable towards the completion of the service period.

§ 575.111 Termination of a service agreement.

(a) An authorized agency official may unilaterally terminate a recruitment incentive service agreement based solely on the management needs of the agency. For example, an agency may terminate a service agreement when the employee’s position is affected by a reduction in force, when there are insufficient funds to continue the planned incentive payments, or when the agency assigns the employee to a different position (if the different position is not within the terms of the service agreement).

(b) An authorized agency official must terminate a recruitment incentive service agreement if an employee is demoted or separated for cause (i.e., for unacceptable performance or conduct), if the employee receives a rating of record (or an official performance appraisal or evaluation under a system not covered by 5 U.S.C. chapter 43 or 5 CFR part 430) of less than “Fully Successful” or equivalent, or if the employee otherwise fails to fulfill the terms of the service agreement.

(c) The termination of a service agreement is not grievable or appealable.

(d) The agency must notify an employee in writing when it terminates a recruitment incentive service agreement.

(e) If an authorized agency official terminates a service agreement under paragraph (a) of this section, the employee is entitled to all recruitment incentive payments that are attributable to completed service and to retain any portion of a recruitment incentive payment he or she received that is attributable to uncompleted service.

(f) The service agreement may include any other terms or conditions that, if violated, will result in termination of the service agreement under §575.111(b). For example, the service agreement may specify the employee’s work schedule, type of position, and the duties he or she is expected to perform. In addition, the service agreement may address the extent to which periods of time on detail, in a nonpay status, or in a paid leave status are creditable towards the completion of the service period.

(g) If an employee fails to reimburse the paying agency for the full amount owed under paragraph (f) of this section, the amount outstanding must be recovered from the employee under the agency’s regulations for collection by offset from an indebted Government employee under 5 U.S.C. 5514 and 5 CFR part 550, subpart K, or through the appropriate provisions governing Federal debt collection if the individual is no longer a Federal employee.

(h) If an employee received recruitment incentive payments in excess of the amount that would be attributable to the completed portion of the service period, he or she must repay the excess amount, except when an authorized agency official waives the requirement to repay the excess amount under paragraph (h) of this section.

(i) If an employee received recruitment incentive payments in excess of the amount that would be attributable to the completed portion of the service period, he or she must repay the excess amount, except when an authorized agency official waives the requirement to repay the excess amount under paragraph (h) of this section.

(j) If an employee received recruitment incentive payments in excess of the amount that would be attributable to the completed portion of the service period, he or she must repay the excess amount, except when an authorized agency official waives the requirement to repay the excess amount under paragraph (h) of this section.
waive the requirement to repay the excess amount when, in the judgment of the official, collection of the excess amount would be against equity and good conscience and not in the best interest of the United States.

(i) The full amount of the authorized recruitment incentive must be prorated across the length of the service period to determine the amount of the recruitment incentive attributable to completed service and uncompleted service under this section.

(j) Notwithstanding paragraph (f) of this section, if an agency terminates a service agreement under paragraph (b) of this section when an employee is separated as a result of material false or inaccurate statements or deception or fraud in examination or appointment, or as a result of failing to meet employment qualifications, the employee must repay all recruitment incentive payments received under that service agreement.

§ 575.112 Internal monitoring requirements and revocation or suspension of authority.

(a) Each agency must monitor the use of recruitment incentives to ensure that its recruitment incentive plan and the payment of recruitment incentives are consistent with the requirements and criteria established under 5 U.S.C. 5753 and this subpart.

(b) When OPM finds that an agency is not paying recruitment incentives consistent with the agency’s recruitment incentive plan and the criteria established under 5 U.S.C. 5753 and this subpart or otherwise determines that the agency is not using this authority selectively and judiciously, OPM may—

(1) Direct the agency to revoke or suspend the authority granted to any organizational component in the agency and, with respect to any category or categories of employees, require that the agency obtain OPM’s approval before paying a recruitment incentive to such employees; or

(2) Revoke or suspend the authority granted to the agency under this subpart for all or any part of the agency and, with respect to any category or categories of employees, require that the agency obtain OPM’s approval before paying a recruitment incentive to such employees.

§ 575.113 Records and reports.

Each agency must keep a record of each determination to pay a recruitment incentive and make such records available for review upon OPM’s request.

Subpart B—Relocation Incentives

SOURCE: 70 FR 25743, May 13, 2005, unless otherwise noted.

§ 575.201 Purpose.

This subpart contains regulations implementing 5 U.S.C. 5753, which authorizes payment of relocation incentives. An agency may pay a relocation incentive to a current employee who must relocate to accept a position in a different geographic area under the conditions specified in this subpart provided the agency determines that the position is likely to be difficult to fill in the absence of an incentive.

§ 575.202 Definitions.

In this subpart:

Agency means an executive agency or a legislative branch agency included in 5 U.S.C. 5102(a)(1).

Authorized agency official means the head of an agency or an official who is authorized to act for the head of the agency in the matter concerned.

Competencies means the knowledge, skills, abilities, behaviors, and other characteristics an employee needs to perform the duties of a position.

Employee has the meaning given that term in 5 U.S.C. 2105, except that the term also includes an employee described in 5 U.S.C. 2105(c). For the purpose of determining whether an individual had status as an employee of the Federal Government immediately prior to the relocation (i.e., in §575.205(a)(2)), employee also includes an employee described in 5 U.S.C. 2105(e).

Executive agency has the meaning given that term in 5 U.S.C. 105.
§ 575.203 Eligible categories of employees.

(a) Except as provided in §575.204, an Executive agency may pay a relocation incentive to an employee in the following categories of positions:

(1) A General Schedule position paid under 5 U.S.C. 5332 or 5305 (or similar special rate authority);

(2) A senior-level or scientific or professional position paid under 5 U.S.C. 5376;

(3) A Senior Executive Service position paid under 5 U.S.C. 3132(a)(4) or a Federal Bureau of Investigation and Drug Enforcement Administration Senior Executive Service position paid under 5 U.S.C. 3151;

(4) A position as a law enforcement officer, as defined in 5 CFR 550.103;

(5) A position under the Executive Schedule paid under 5 U.S.C. 5311–5317 or a position the rate of pay for which is fixed by law at a rate equal to a rate for the Executive Schedule;

(b) A prevailing rate position, as defined in 5 U.S.C. 5342(a)(3); or

(c) Any other position in a category for which payment of relocation incentives has been approved by OPM at the request of the head of an executive agency.

§ 575.204 Ineligible categories of employees.

An agency may not pay a relocation incentive to an employee in—

(a) A position to which an individual is appointed by the President, by and with the advice and consent of the Senate;

(b) A position in the Senior Executive Service as a noncareer appointee (as defined in 5 U.S.C. 3132(a)(7));

(c) A position excepted from the competitive service by reason of its confidential, policy-determining, policy-making, or policy-advocating character; or

(d) A position not otherwise covered by the exclusions in paragraphs (a), (b), and (c) of this section—

(1) To which an individual is appointed by the President without the advice and consent of the Senate, except a Senior Executive Service position in which the individual serves as a career appointee (as defined in 5 U.S.C. 3132(a)(4));

(2) Designated as the head of an agency, including an agency headed by a collegial body composed of two or more individual members;

(3) In which the employee is expected to receive an appointment as the head of an agency; or

(4) To which an individual is appointed as a Senior Executive Service limited term appointee or limited emergency appointee (as defined in 5 U.S.C. 3132(a)(5) and (a)(6), respectively) when the appointment must be cleared through the White House Office of Presidential Personnel.

§ 575.205 Applicability to employees.
(a) An agency may pay a relocation incentive under the conditions prescribed in this subpart to an employee who—
(1) Relocates to a different geographic area (permanently or temporarily) to accept a position listed in § 575.203 in an agency when the position is likely to be difficult to fill, as determined under § 575.206; and
(2) Is an employee of the Federal Government immediately before the relocation.
(b) An agency may pay a relocation incentive under paragraph (a) of this section when an employee must relocate to accept a position or assignment in a different geographic area. A position is considered to be in a different geographic area if the worksite of the new position is 50 or more miles from the worksite of the position held immediately before the move. If the worksite of the new position is less than 50 miles from the worksite of the position held immediately before the move, but the employee must relocate (i.e., establish a new residence) to accept the position, an authorized agency official may waive the 50-mile requirement and pay the employee a relocation incentive subject to the requirements of this subpart. In all cases, the employee must establish a residence in the new geographic area before the agency may pay a relocation incentive to the employee. A relocation incentive may be paid only if the employee maintains residency in the new geographic area for the duration of the service agreement.
(c) A relocation incentive may be paid only when the employee’s rating of record (or an official performance appraisal or evaluation under a system not covered by 5 U.S.C. chapter 43 or 5 CFR part 430) for the position held immediately before the move is at least “Fully Successful” or equivalent.
(d) An agency may not commence a relocation incentive service agreement during—
(1) A period of employment established under any service agreement required for a recruitment incentive previously authorized under this subpart.
(e) An agency may commence a relocation incentive service agreement during a period of employment established under a service agreement for a previously authorized retention incentive or for which an employee is receiving previously authorized retention incentive payments without a service agreement under 5 CFR part 575, subpart C. The service period under such a relocation incentive service agreement and the service period required by the retention incentive service agreement, if applicable, must be fulfilled concurrently.

§ 575.206 Authorizing a relocation incentive.
(a) Authority of authorized agency official. An authorized agency official retains sole and exclusive discretion, subject only to OPM review and oversight, to—
(1) Determine when a position is likely to be difficult to fill under paragraph (b) of this section;
(2) Approve a relocation incentive for an employee under § 575.205;
(3) Establish the criteria for determining the amount of a relocation incentive and the length of a service period under §§ 575.209 and 575.210, respectively;
(4) Request a waiver from OPM of the limitation on the maximum amount of a relocation incentive under § 575.209(c); and
(5) Establish the criteria for terminating a service agreement under § 575.211.
(b) Factors for determining when a position is likely to be difficult to fill. An agency in its sole and exclusive discretion, subject only to OPM review and oversight, may determine that a position is likely to be difficult to fill if the agency is likely to have difficulty recruiting candidates with the competencies required for the position (or group of positions) in the absence of a relocation incentive. An agency must consider the following factors, as applicable to the case at hand, in determining whether a position (or group of
§ 575.207 Agency relocation incentive plan and approval levels.

(a) Before paying relocation incentives under this subpart, an agency must establish a relocation incentive plan. This plan must include the following elements:

(1) The designation of officials with authority to review and approve payment of relocation incentives (subject to paragraph (b) of this section) and the designation of officials with authority to waive the repayment of a relocation incentive under §575.211(h);

(2) The categories of employees who are prohibited from receiving relocation incentives;

(3) Required documentation for determining that a position (or group of positions) is likely to be difficult to fill;

(4) Any requirements for determining the amount of a relocation incentive;

(5) The payment methods that may be authorized;

(6) Requirements governing service agreements which, at a minimum, must include—

(1) The criteria for determining the length of a service period under a service agreement;

(2) The conditions for terminating a service agreement; and

(3) The obligations of the agency and the employee, as applicable, if an agency terminates a service agreement;

(7) Documentation and recordkeeping requirements sufficient to allow reconstruction of the action and fulfill the requirements of §§575.212 and 575.213.

(b) (1) Except as provided in paragraph (b)(2) of this section, an authorized agency official who is at least one level higher than the employee’s supervisor must review and approve each determination to pay a relocation incentive, unless there is no official at a higher level in the agency. The authorized agency official must review and approve the relocation incentive determination before the agency pays the incentive to the employee.

(2) The higher level approval required by paragraph (b)(1) of this section is not needed when approving coverage of individual employees under a previously approved relocation incentive authorization if the case-by-case approval requirement is waived under §575.208(b).

(c) Unless the head of the agency determines otherwise, an agency relocation incentive plan must apply uniformly across the agency.

§ 575.208 Approval criteria and written determination.

(a)(1) For each determination to pay a relocation incentive under this subpart, an agency must document in writing—
Office of Personnel Management

§ 575.209 Payment of relocation incentives.

(a) An authorized agency official must establish the criteria for determining the amount of a relocation incentive. An agency may pay a relocation incentive—

(1) As an initial lump-sum payment at the commencement of the service period required by the service agreement;

(2) In installments throughout the service period required by the service agreement;

(3) As a final lump-sum payment upon the completion of the full service period required by the service agreement; or

(4) In a combination of these payment methods.

(b)(1) Except as provided in paragraph (c) of this section, the total amount of relocation incentive payments paid to an employee in a service period may not exceed 25 percent of the annual rate of basic pay of the employee at the beginning of the service period multiplied by the number of years (including fractions of a year) in the service period (not to exceed 4 years).

(2) For hourly rate employees who do not have a scheduled annual rate of basic pay, compute the annual rate required for paragraph (b)(1) of this section by multiplying the applicable hourly rate in effect at the beginning of the service period by 2,087 hours.

(3) For the purpose of determining the number of years in a service period under paragraph (b)(1) of this section, divide the total number of calendar days in the service period (as established under §575.208) by 365 and round the result to two decimal places. For example, a service period covering 39 biweekly pay periods equals 546 days, and 546 days divided by 365 days equals 1.50 years.

(c)(1) An authorized agency official may request that OPM waive the limitation in paragraph (b)(1) of this section for an employee based on a critical agency need. The authorized agency official must determine that the competencies required for the position are critical to the successful accomplishment of an important agency mission, project, or initiative (e.g., programs or projects related to a national emergency or implementing a new law or critical management initiative). Under...
§575.210  Service agreement requirements.

(a) Before paying a relocation incentive, an agency must require the employee to sign a written service agreement to complete a specified period of employment with the agency (or successor agency in the event of a transfer of function) at the new duty station. An authorized agency official must establish the criteria for determining the length of a service period. The service period may not exceed 4 years.

(b)(1) The service agreement must include the commencement and termination dates of the required service period. Except as provided under paragraphs (b)(2) and (b)(3) of this section, the required service period must begin upon the commencement of service at the new duty station. The service period must terminate on the last day of a pay period.

(2) If service at the new duty station does not begin on the first day of a pay period, the agency must delay the service period commencement date so that a required service period begins on the first day of the first pay period beginning on or after the commencement of service at the new duty station.

(3) An agency may delay a service agreement commencement date until after the employee completes an initial period of formal training when continued employment in the position is contingent on successful completion of the formal training. The agency must make the determination to pay a relocation incentive before the employee enters on duty in the position, as required by §575.208(a)(3). However, the service agreement must specify that if an employee does not successfully complete the training before the service period commences, the agency is not obligated to pay any portion of the relocation incentive to the employee.

(c) The service agreement must specify the total amount of the incentive, the method of paying the incentive, and the timing and amount of each incentive payment, as established under §575.209.

(d) The service agreement must include the conditions under which the agency must terminate the service agreement (i.e., if an employee is demoted or separated for cause, receives a rating of record of less than “Fully Successful” or equivalent, fails to maintain residency in the new geographic area for the duration of the service agreement, or otherwise fails to fulfill the terms of the service agreement) and the conditions under which the employee must repay a relocation incentive under §575.211. An agency must define the limits of the new geographic area in the service agreement for the purpose of determining whether an employee maintains residency in that geographic area for the duration of the service agreement.

(e) The service agreement must include the conditions under which the agency may terminate the service agreement before the employee completes the agreed-upon service period. The service agreement must specify the effect of the termination under §575.211, including the conditions under
Office of Personnel Management

which the agency will pay an additional relocation incentive payment for partially completed service under §575.211(e) and (f).

(f) The service agreement may include any other terms or conditions that, if violated, will result in termination of the service agreement. For example, the service agreement may specify the employee’s work schedule, type of position, and the duties he or she is expected to perform. In addition, the service agreement may address the extent to which periods of time on detail, in a nonpay status, or in a paid leave status are creditable towards the completion of the service period.

§575.211 Termination of a service agreement.

(a) An authorized agency official may unilaterally terminate a relocation incentive service agreement based solely on the management needs of the agency. For example, an agency may terminate a service agreement when the employee’s position is affected by a reduction in force, when there are insufficient funds to continue the planned incentive payments, or when the agency assigns the employee to a different position (if the different position is not within the terms of the service agreement).

(b) An authorized agency official must terminate a relocation incentive service agreement if an employee is demoted or separated for cause (i.e., for unacceptable performance or conduct), if the employee receives a rating of record (or an official performance appraisal or evaluation under a system not covered by 5 U.S.C. chapter 43 or 5 CFR part 430) of less than “Fully Successful” or equivalent, if the employee fails to maintain residency in the new geographic area for the duration of the service agreement, or if the employee otherwise fails to fulfill the terms of the service agreement.

(c) The termination of a service agreement is not grievable or appealable.

(d) The agency must notify an employee in writing when it terminates a relocation incentive service agreement.

(e) If an authorized agency official terminates a service agreement under paragraph (a) of this section, the employee is entitled to all relocation incentive payments attributable to completed service and to retain any portion of a relocation incentive payment he or she received that is attributable to uncompleted service.

(f) If an authorized agency official terminates a service agreement under paragraph (b) of this section, the employee is entitled to retain relocation incentive payments previously paid by the agency that are attributable to the completed portion of the service period. If the employee received relocation incentive payments that are less than the amount that would be attributable to the completed portion of the service period, the agency is not obligated to pay the employee the amount attributable to completed service, unless the agency agreed to such payment under the terms of the relocation incentive service agreement. If the employee received relocation incentive payments in excess of the amount that would be attributable to the completed portion of the service period, he or she must repay the excess amount, except when an authorized agency official waives the requirement to repay the excess amount under paragraph (h) of this section.

(g) If an employee fails to reimburse the paying agency for the full amount owed under paragraph (f) of this section, the amount outstanding must be recovered from the employee under the agency’s regulations for collection by offset from an indebted Government employee under 5 U.S.C. 5514 and 5 CFR part 550, subpart K, or through the appropriate provisions governing Federal debt collection if the individual is no longer a Federal employee.

(h) If an employee received relocation incentive payments in excess of the amount that would be attributable to the completed portion of the service period under paragraph (f) of this section, an authorized agency official may waive the requirement to repay the excess amount when, in the judgment of the official, collection of the excess amount would be against equity and good conscience and not in the best interest of the United States.
§ 575.212 Internal monitoring requirements and revocation or suspension of authority.

(a) Each agency must monitor the use of relocation incentives to ensure that the agency’s relocation incentive plan and the payment of relocation incentives are consistent with the requirements and criteria established under 5 U.S.C. 5753 and this subpart.

(b) When OPM finds that an agency is not paying relocation incentives consistent with the agency’s relocation incentive plan and the criteria established under this subpart or otherwise determines that the agency is not using this authority selectively and judiciously, OPM may—

(1) Direct the agency to revoke or suspend the authority granted to any organizational component in the agency and, with respect to any category or categories of employees, require that the component obtain approval from the agency’s headquarters level before paying a relocation incentive to such employees; or

(2) Revoke or suspend the authority granted to the agency under this subpart for all or any part of the agency and, with respect to any category or categories of employees, require that the agency obtain OPM’s approval before paying a relocation incentive to such employees.

§ 575.213 Records and reports.

Each agency must keep a record of each determination to pay a relocation incentive and make such records available for review upon OPM’s request.

Subpart C—Retention Incentives

Source: 70 FR 25747, May 13, 2005, unless otherwise noted.

§ 575.301 Purpose.

This subpart contains regulations implementing 5 U.S.C. 5754, which authorizes payment of retention incentives. An agency may pay a retention incentive to a current employee under the conditions specified in this subpart when an agency determines that the unusually high or unique qualifications of the employee or a special need of the agency for the employee’s services makes it essential to retain the employee and that the employee would be likely to leave in the absence of an incentive.

§ 575.302 Definitions.

In this subpart:

Agency means an executive agency or a legislative branch agency included in 5 U.S.C. 5102(a)(1).

Authorized agency official means the head of an agency or an official who is authorized to act for the head of the agency in the matter concerned.

Competencies means the knowledge, skills, abilities, behaviors, and other characteristics an employee needs to perform the duties of a position.

Employee has the meaning given that term in 5 U.S.C. 2105, except that the term also includes an employee described in 5 U.S.C. 2105(c).

Executive agency has the meaning given that term in 5 U.S.C. 105.

OPM means the Office of Personnel Management.

Rate of basic pay means the rate of pay fixed by law or administrative action for the position to which an employee is appointed before deductions and including any special rate under 5 CFR part 530, subpart C, or similar payment under other legal authority, and any locality-based comparability payment under 5 CFR part 531, subpart F, or similar payment under other legal authority, but excluding additional pay of any other kind. For example, a rate of basic pay does not include additional pay such as night shift differentials.
Office of Personnel Management

§ 575.303 Eligible categories of employees.

(a) Except as provided in §575.304, an Executive agency may pay a retention incentive to a current employee who holds—

(1) A General Schedule position paid under 5 U.S.C. 5332 or 5305 (or similar special rate authority);

(2) A senior-level or scientific or professional position paid under 5 U.S.C. 5376;

(3) A Senior Executive Service position paid under 5 U.S.C. 5383 or a Federal Bureau of Investigation and Drug Enforcement Administration Senior Executive Service position paid under 5 U.S.C. 3151;

(4) A position as a law enforcement officer, as defined in 5 CFR 550.103;

(5) A position under the Executive Schedule paid under 5 U.S.C. 5311–5317 or a position the rate of pay for which is fixed by law at a rate equal to a rate for the Executive Schedule;

(6) A prevailing rate position, as defined in 5 U.S.C. 5342(a)(3); or

(7) Any other position in a category for which payment of retention incentives has been approved by OPM at the request of the head of an executive agency.

(b) A position in the Senior Executive Service as a noncareer appointee (as defined in 5 U.S.C. 3132(a)(7));

(c) A position excepted from the competitive service by reason of its confidential, policy-determining, policy-making, or policy-advocating character; or

(d) A position not otherwise covered by the exclusions in paragraphs (a), (b), and (c) of this section—

(1) To which an individual is appointed by the President without the advice and consent of the Senate, except a Senior Executive Service position in which the individual serves as a career appointee (as defined in 5 U.S.C. 3132(a)(4));

(2) Designated as the head of an agency, including an agency headed by a collegial body composed of two or more individual members;

(3) In which the employee is expected to receive an appointment as the head of an agency;

(4) To which an individual is appointed as a Senior Executive Service limited term appointee or limited emergency appointee (as defined in 5 U.S.C. 3132(a)(5) and (a)(6), respectively) when the appointment must be cleared through the White House Office of Presidential Personnel.

§ 575.305 Applicability to employees.

(a) An agency may pay a retention incentive to an individual employee under the conditions prescribed in this subpart when the agency determines that—

(1) The unusually high or unique qualifications (i.e., competencies) of the employee or a special need of the agency for the employee’s services makes it essential to retain the employee; and

(2) The employee would be likely to leave the Federal service in the absence of a retention incentive.

(b) Except as provided in paragraph (c) of this section, an agency may pay a retention incentive to a group or category of employees under the conditions prescribed in this subpart when the agency determines that—

(1) The unusually high or unique qualifications (i.e., competencies) of
§ 575.306 Authorizing a retention incentive.

(a) Authority of authorized agency official. An authorized agency official retains sole and exclusive discretion, subject only to OPM review and oversight, to—

(1) Determine when the unusually high or unique qualifications (i.e., competencies) of an employee or a special need of the agency for the employee’s services makes it essential to retain the employee and when the employee would be likely to leave the Federal service in the absence of a retention incentive;

(2) Determine when a group or category of employees has unusually high or unique qualifications (i.e., competencies) or when an agency has a special need for the employees’ services that makes it essential to retain the employees in that group or category and when there is a high risk that a significant number of employees in the group would be likely to leave the Federal service in the absence of a retention incentive;

(3) Approve a retention incentive for an employee in a position (or positions) listed in §§ 575.303(c) in a position (or positions) listed in §575.303;

(4) Establish the criteria for determining the amount of a retention incentive and the length of a service period under §§ 575.309 and 575.310, respectively;

(5) Request a waiver from OPM of the limitation on the maximum amount of a retention incentive for an employee (or group or category of employees) under §575.309(e); and

(6) Establish the criteria for terminating a service agreement or retention incentive payments under §575.311.

(b) Factors for authorizing a retention incentive for an individual employee. An agency must consider the following factors, as applicable to the case at hand, in determining whether the unusually high or unique qualifications of an employee or a special need of the agency for an employee’s services makes it essential to retain the employee and that the employee would be likely to leave the Federal service in the absence of a retention incentive:

(1) Employment trends and labor market factors such as the availability and quality of candidates in the labor market possessing the competencies required for the position and who, with minimal training, cost, and disruption of service to the public, could perform the full range of duties and responsibilities of the employee’s position at the level performed by the employee;

(2) The quality and availability of the potential sources of employees that are identified in any agency succession plan (e.g., succession plans required for leadership positions), who possess the competencies required for the position, and who, with minimal training, cost, and disruption of service to the public, could perform the full range of duties and responsibilities of the employee’s position at the level performed by the employee;

(3) The success of recent efforts to recruit candidates and retain employees with competencies similar to those possessed by the employee for positions similar to the position held by the employee;

(4) Special or unique competencies required for the position;

(5) Agency efforts to use non-pay authorities to help retain the employee.
instead of or in addition to a retention incentive, such as special training and work scheduling flexibilities or improving working conditions;

(6) The desirability of the duties, work or organizational environment, or geographic location of the position;

(7) The extent to which the employee’s departure would affect the agency’s ability to carry out an activity, perform a function, or complete a project that the agency deems essential to its mission;

(8) The salaries typically paid outside the Federal Government; and

(9) Other supporting factors.

(c) Factors for authorizing a retention incentive for a group or category of employees.

(1) An agency must consider the factors in paragraph (b) of this section as they relate to determining whether a group or category of employees—

(i) Has unusually high or unique qualifications (i.e., competencies) or that the agency has a special need for the employees’ services that makes it essential to retain the employees in that category; and

(ii) That it is reasonable to presume that there is a high risk that a significant number of employees in the targeted category would be likely to leave the Federal service in the absence of a retention incentive.

(2) An agency must narrowly define a targeted category of employees using factors that relate to the conditions described in paragraph (c)(1) of this section. Factors that may be appropriate include the following: occupational series, grade level, distinctive job duties, unique competencies required for the position, assignment to a special project, minimum agency service requirements, organization or team designation, geographic location, and required rating of record. (While a rating of record of higher than the “Fully Successful” rating of record required by § 575.305(d) may be a factor used in defining the targeted category, a rating of record by itself is not sufficient to justify a retention incentive. A rating of record may function as a supporting factor in authorizing an incentive or setting the incentive rate only to the extent it directly relates to the conditions in paragraph (d) of this section.)

(d) An agency must document the determinations required under paragraphs (b) and (c) of this section as required by § 575.308.

§ 575.307 Agency retention incentive plan and approval levels.

(a) Before paying retention incentives under this subpart, an agency must establish a retention incentive plan. This plan must include the following elements:

(1) The designation of officials with authority to review and approve payment of retention incentives, subject to paragraph (b) of this section;

(2) The categories of employees who are prohibited from receiving retention incentives;

(3) Required documentation for determining that an employee would be likely to leave the Federal service;

(4) Any requirements for determining the amount of a retention incentive;

(5) The payment methods that may be authorized;

(6) Requirements governing service agreements which, at a minimum, must include—

(i) The criteria for determining the length of a service period under a service agreement;

(ii) The conditions for terminating a service agreement;

(iii) The obligations of the agency if the agency terminates a service agreement; and

(iv) The conditions for terminating retention incentive payments when no service agreement is required (see § 575.310(f)); and

(7) Documentation and recordkeeping requirements sufficient to allow reconstruction of the action and fulfill the requirements of §§ 575.312 and 575.313.

(b)(1) Except as provided in paragraph (b)(2) of this section, an authorized agency official who is at least one level higher than the employee’s (or group of employees’) supervisor must review and approve each determination to pay a retention incentive to an individual or group of employees, unless there is no official at a higher level in
§ 575.308 Approval criteria and written determination.

(a) An agency in its sole and exclusive discretion, subject only to OPM review and oversight, may approve a retention incentive for an individual employee or group or category of employees using the approval criteria in §575.306.

(b) For each determination to pay a retention incentive under this subpart, an agency must document in writing—

(1) The basis for determining that the unusually high or unique qualifications of the employee (or group of employees) or a special need of the agency for the employee’s (or group of employees’) services makes it essential to retain the employee(s);

(2) The basis for determining that the employee (or a significant number of employees in a group) would be likely to leave the Federal service in the absence of a retention incentive; and

(3) The basis for establishing the amount and timing of the approved retention incentive payment and the length of the required service period.

§ 575.309 Payment of retention incentives.

(a) An authorized agency official must determine the criteria for determining the amount of a retention incentive. An agency must establish a single retention incentive rate for each individual or group of employees that is expressed as a percentage of the employee’s rate of basic pay. Except as provided in paragraph (e) of this section, a retention incentive rate may not exceed—

(1) 25 percent, if authorized for an individual employee; or

(2) 10 percent, if authorized for a group or category of employees.

(b) An agency may pay a retention incentive in—

(1) Installments after the completion of specified periods of service; or

(2) A single lump-sum payment after completion of the full service period.

(c) (1) An installment payment is derived by multiplying the rate of basic pay the employee earned in the installment period by a percentage not to exceed the incentive percentage rate established for the employee under paragraph (a) of this section. For example, an agency establishes a retention incentive percentage rate of 10 percent for an employee. The employee has a service agreement that provides for a retention incentive installment payment after completion of 6 pay periods of service at the full percentage rate established for the employee. The employee earns $15,000 during the 6 pay periods of service ($2,500 biweekly rate of basic pay × 6). Upon completion of that service period, the employee will receive the accrued retention incentive installment payment of $1,500 ($15,000 × .10).

(2) If the retention incentive installment payment percentage is less than the full percentage rate established for the employee under paragraph (a) of this section, any accrued portion of the retention incentive that is not paid as an installment payment during the service period must be paid as part of a final installment payment to the employee after completion of the full service period under the terms of the service agreement established under §575.310. For example, an agency establishes a retention incentive percentage rate of 10 percent for an employee. The employee’s service agreement provides for a 7 percent retention incentive installment payment after completion of 6 pay periods of service. The employee earns $15,000 during the 6 pay periods of service ($2,500 biweekly rate of basic pay × 6). Upon completion of that installment period, the employee accrues a retention incentive installment payment of $1,500 ($15,000 × .10). However,
under the terms of the service agreement, the employee will receive a $1,050 retention incentive installment payment ($15,000 × .07). The agency must pay the accrued but unpaid portion of the retention incentive payment of $450 ($1,500 − $1,050) as a final lump-sum payment upon completion of the full service period required by the service agreement.

(3) An agency may not pay a retention incentive as an initial lump-sum payment at the start of a service period or in advance of fulfilling the service period for which the retention incentive is being paid.

(d) A retention incentive payment paid as a single lump-sum payment upon completion of the full service period required by the service agreement is derived by multiplying the retention incentive percentage rate established under paragraph (a) of this section by the total basic pay the employee earned during the full service period. For example, an agency establishes a retention incentive percentage rate of 10 percent for an employee. The employee has a service agreement that provides for a single lump-sum retention incentive payment after completion of the full service period required by the service agreement (i.e., 26 pay periods). The employee earns $65,000 during the 26 pay periods of service ($2,500 biweekly rate of basic pay × 26). Upon completion of the full service period, the employee will receive a single lump-sum retention incentive payment of $6,500 ($65,000 × .10).

(e)(1) An authorized agency official may request that OPM waive the limitation in paragraph (a) of this section and permit the agency to pay an individual employee or group of employees a retention incentive of up to 50 percent of the employee’s basic pay based on a critical agency need. In addition to the determination required by §575.308, the authorized agency official must determine that the employee’s (or group of employees’) unusually high or unique qualifications (i.e., competencies) are critical to the successful accomplishment of an important agency mission, project, or initiative (e.g., programs or projects related to a national emergency or implementing a new law or critical management initiative).

(2) Waiver requests must include—

(i) A description of the employee’s work requirements and responsibilities or, if requesting a group retention incentive, a description of the group or category of employees and the number of employees to be covered by the proposed retention incentive;

(ii) A description of the critical agency need the proposed retention incentive would address;

(iii) The written documentation required by §575.308;

(iv) The proposed retention incentive percentage rate and a justification for that percentage;

(v) The timing and method of making the retention incentive payments;

(vi) The service period required; and

(vii) Any other information pertinent to the case at hand.

(3) OPM may require that waiver requests for groups or categories of employees be coordinated with other agencies having similarly situated employees in the same category.

(4) Notwithstanding §575.310(f), an authorized agency official must require a signed written service agreement for any employee who may receive a higher retention incentive as a result of approval of a waiver of the maximum limit on the amount of a retention incentive under paragraph (e)(1) of this section.

(f) An agency may not offer or authorize a retention incentive for an individual prior to employment with the agency.

(g) An agency may not commence a group or individual retention incentive service agreement or provide a group or individual retention incentive without a service agreement under §575.310(f) for any biweekly pay period during—

(1) A period of employment established under any service agreement required for the payment of a recruitment incentive under 5 CFR part 575, subpart A, or a relocation incentive under 5 CFR part 575, subpart B, (see 5 CFR 575.205(e) regarding the authority to commence a relocation incentive service agreement during a period of
§ 575.310 Service agreement requirements.

(a) Before paying a retention incentive, an agency must require an employee, including each employee covered by a group retention incentive authorization and any employee who may receive a higher retention incentive as a result of an approved waiver of the maximum limit on the amount of a retention incentive under §575.309(e), to sign a written service agreement to complete a specified period of employment with the agency (or successor agency in the event of a transfer of function). An authorized agency official must determine the length of a service period. A written service agreement is not required under the condition described in paragraph (f) of this section.

(b) The service agreement must include the commencement and termination dates of the required service period. The service period must begin on the first day of a pay period and end on the last day of a pay period.

(c) The service agreement must specify the retention incentive percentage rate established under §575.309(a); whether the incentive will be paid in installments or in a lump-sum payment upon completion of the service period provided in the service agreement; whether any installment payments will be paid at less than the full retention incentive percentage rate established under §575.309(a), with the accrued but unpaid incentive payment being paid in a lump sum upon completion of the full service period required by the service agreement under §575.309(c)(2); and the timing of incentive payments.

(d) The service agreement must include the conditions under which the agency must terminate the service agreement before the employee completes the agreed-upon service period (i.e., if an employee is demoted or separated for cause, receives a rating of record of less than “Fully Successful” or equivalent, or otherwise fails to fulfill the terms of the service agreement) under §575.311. The service agreement must specify the effect of a termination, including the conditions under which the agency will pay an additional retention incentive payment for partially completed service under §575.311(e) and (f).

(e) The service agreement may include any other terms or conditions that, if violated, will result in a termination of the service agreement under §575.311(b). For example, the service agreement may specify the employee’s work schedule, type of position, and the duties he or she is expected to perform. In addition, the service agreement may address the extent to which periods of time on detail, in a nonpay status, or in paid leave status are creditable towards the completion of the service period.

(f) A written service agreement is not required if the agency—

(1) Pays the retention incentive in biweekly installments; and

(2) Sets each biweekly installment payment at the full retention incentive percentage rate established for the employee under §575.309(a).

§ 575.311 Continuation, reduction, and termination of retention incentives.

(a)(1) For each retention incentive that is subject to a service agreement,
an authorized agency official must review the determination to pay a retention incentive at least annually to determine whether the original determination still applies or whether payment is still warranted as provided in paragraph (a)(2) of this section, and must certify this determination in writing.

(2) An authorized agency official must terminate a retention incentive service agreement when conditions change such that the original determination to pay the retention incentive no longer applies (e.g., when the agency assigns the employee to a different position that is not within the terms of the service agreement) or when payment is no longer warranted after considering factors such as—

(i) Whether a retention incentive is needed to retain the employee (or group of employees),

(ii) Whether labor-market factors make it more likely (or reasonably likely) to recruit a candidate with competencies similar to those possessed by the employee (or group of employees), or

(iii) Whether the agency’s need for the services of the employee (or group or category of employees) has been reduced to a level that makes it unnecessary to continue paying a retention incentive.

(3) An authorized agency official may terminate unilaterally a retention incentive service agreement based solely on the management needs of the agency, even if the conditions giving rise to the original determination to pay the incentive still exist. For example, an agency may terminate a service agreement when there are insufficient funds to continue the planned retention incentive payments.

(b) An authorized agency official must terminate a retention incentive service agreement when—

(1) The employee is demoted or separated for cause (i.e., for unacceptable performance or conduct);

(2) The employee receives a rating of record (or an official performance appraisal or evaluation under a system not covered by 5 U.S.C. chapter 43 or 5 CFR part 430) of less than “Fully Successful” or equivalent; or

(3) The employee otherwise fails to fulfill the terms of the service agreement.

(c) If an authorized agency official terminates a service agreement under paragraph (a) of this section, the employee is entitled to retain any retention incentive payments that are attributable to completed service and to receive any portion of a retention incentive payment owed by the agency for completed service.

(d) If an authorized agency official terminates a service agreement under paragraph (b) of this section, the employee is entitled to retain retention incentive payments previously paid by the agency that are attributable to the completed portion of the service period. If the employee received retention incentive payments that are less than the amount that would be attributable to the completed portion of the service period, the agency is not obligated to pay the employee the amount attributable to completed service, unless the agency agreed to such payment under the terms of the retention incentive service agreement.

(e) To determine the amount of retention incentive payments that may be owed to an employee for completed service under paragraphs (c) and (d) of this section, multiply the total rate of basic pay the employee earned during the completed portion of the service period by the retention incentive percentage rate established for the employee under §575.309(a) and subtract the amount of retention incentive payments already paid to the employee from this product. The difference is the amount owed to the employee for completed service.

(f)(1) For retention incentives that are paid when no service agreement is required under §575.310(f), an agency must review each determination to pay the incentive at least annually to determine whether payment is still warranted. An authorized agency official must certify this determination in writing.

(2) An agency may continue paying a retention incentive to an employee when no service agreement is required as long as the conditions giving rise to the original determination to pay the incentive still exist.
§ 575.312  Internal monitoring requirements and revocation or suspension of authority.

(a) Each agency must monitor the use of retention incentives to ensure that its retention incentive plan and the payment of retention incentives are consistent with the requirements and criteria established under 5 U.S.C. 5754 and this subpart.

(b) When OPM finds that an agency is not paying retention incentives consistent with the agency’s retention incentive plan and the criteria established under 5 U.S.C. 5754 or this subpart or otherwise determines that the agency is not using this authority selectively and judiciously, OPM may—

(1) Direct the agency to revoke or suspend the authority granted to any organizational component of the agency and, with respect to any category or categories of employees, require that the component obtain approval from the agency’s headquarters level before paying a retention incentive to such employees; or

(2) Revoke or suspend the authority granted to the agency under this subpart for all or any part of the agency and, with respect to any category or categories of employees, require that the agency obtain OPM’s approval before paying a retention incentive to such employees.

§ 575.313  Records and reports.

Each agency must keep a record of each determination to pay a retention incentive under this section.
incentive and make such records available for review upon OPM’s request.

§575.314 Retention incentives for employees likely to leave for a different position in the Federal service.

(a) Authority. (1) An agency in its sole and exclusive discretion, subject only to OPM review and oversight, may approve a retention incentive for an individual employee under the conditions prescribed in this section when the agency determines that—
   (i) Given the agency’s mission requirements and employee’s competencies, the agency has a special need for the employee’s services that makes it essential to retain the employee in his or her current position during a period of time before the closure or relocation of the employee’s office, facility, activity, or organization; and
   (ii) The employee would be likely to leave for a different position in the Federal service in the absence of a retention incentive.

(2) An agency in its sole and exclusive discretion, subject only to OPM review and oversight, may approve a retention incentive for a group or category of employees (subject to the exclusions in §575.305(c)) under the conditions prescribed in this section when the agency determines that—
   (i) Given the agency’s mission requirements and employees’ competencies, the agency has a special need for the employees’ services that makes it essential to retain the employees in their current positions during a period of time before the closure or relocation of the employees’ office, facility, activity, or organization; and
   (ii) There is a high risk that a significant number of the employees in the group would be likely to leave for different positions in the Federal service in the absence of a retention incentive.

(b) Employee eligibility. An agency may pay a retention incentive to an employee under this section when—
   (1) The employee holds a position listed in §575.303, and is not excluded by §575.304; and
   (2) The employee’s rating of record (or an official performance appraisal or evaluation under a system not covered by 5 U.S.C. chapter 43 or 5 CFR part 430) is at least “Fully Successful” or equivalent; and
   (3) The agency has provided a general or specific written notice to the employee that his or her position may or would be affected by the closure or relocation of the employee’s office, facility, activity, or organization (e.g., the employee’s position may or would move to a new geographic location or the employee’s position may or would be eliminated).

(c) Retention incentive plan and approval levels. Before authorizing a retention incentive under this section, an agency must include in its retention incentive plan established under §575.307(a) the conditions and requirements governing the use of retention incentives under this section for employees who would be likely to leave for a different position in the Federal service before the closure or relocation of the employee’s office, facility, activity, or organization, including a designation of the authorized agency officials who may approve retention incentives under this section, consistent with the approval requirements in §575.307(b).

(d) Approval criteria and written determination. (1) For each determination to pay a retention incentive under this section, an agency must document in writing—
   (i) The basis for determining the agency has a special need for the employee’s (or group of employees’) services that makes it essential to retain the employee(s), based on the agency’s mission needs and the employee(s)’ competencies, during a period of time before the closure or relocation of the employee’s (or group of employees’) competencies, during a period of time before the closure or relocation of the employee’s (or group of employees’) office, facility, activity, or organization; and
   (ii) The basis for determining, in the absence of a retention incentive, the employee (or a significant number of employees in a group) would be likely to leave for a different position in the Federal service; and
§ 575.314  Payment of retention incentives. (1) Except as provided in paragraph (e)(2) of this section, the provisions regarding computing and paying retention incentives under §575.309 apply to computing and paying retention incentives under this section for employees who would be likely to leave for a different position in the Federal service before the closure or relocation of the their office, facility, activity, or organization.

(2) An agency may not pay retention incentives under this section in bi-weekly installments at the full retention incentive percentage rate established for the employee under §575.309(a).

(f) Service agreement requirements. (1) The service agreement provisions in §§575.310(b) through 575.310(e) apply to retention incentive service agreements under this section, subject to the additional requirements in paragraphs (f)(2) through (f)(5) of this section.

(2) Before paying a retention incentive under this section, an agency must require an employee, including each employee covered by a group retention incentive authorization, to sign a written service agreement to complete a specified period of employment with the agency.

(3) In no event, may the service period under a service agreement established under this paragraph extend past the date on which the employee’s position is actually affected by the relocation or closure of the employee’s office, facility, activity, or organization (e.g., the date the employee’s position moves to a new geographic location or the date the employee’s position is eliminated).

(4) In addition to the terminating conditions in §§575.310(d) and (e), the service agreement must include the

(iii) The basis for establishing the amount and timing of the approved retention incentive payment and the length of the required service period.

(2) An agency must address the following factors when documenting the determination required by paragraph (a) of this section for an individual employee:

(i) The factors for authorizing a retention incentive for an individual employee described in §575.306(b) as they relate to a determination made under paragraph (a)(1) of this section;

(ii) The extent to which the employee’s departure for a different position in the Federal service would affect the agency’s ability to carry out an activity, perform a function, or complete a project the agency deems essential to its mission before and during the closure or relocation period (e.g., the agency’s need to retain the employee to ensure minimal disruption in the performance of mission-critical functions, continuity of key operations, or minimal disruption of service to the public before and during the closure or relocation; to train new employees who will move with the organization to the new geographic location; to assist with the actual closure or relocation of the office, facility, activity, or organization; or to perform similar mission-essential functions before or during the closure or relocation);

(iii) The competencies possessed by the employee that are essential to retain; and

(iv) The agency (which may be in the executive, judicial, or legislative branch) for which the employee would be likely to leave for a different position in the Federal service before the closure or relocation of the their office, facility, activity, or organization.

(3) An agency must address the following factors when documenting the determination required by paragraph (a) of this section for a group or category of employees:

(i) The factors for authorizing a retention incentive for a group or category of employees described in §575.306(c) as they relate to the determination made under paragraph (a)(2) of this section; and

(ii) The factors in paragraphs (d)(2)(ii) through (d)(2)(iv) of this section as they relate to the determination made under paragraph (a)(2) of this section for the group or category of employees.

(4) An agency must narrowly define a targeted category of employees using factors that relate to the conditions described in §575.306(c)(2), except that each group retention incentive authorized under this section may cover no more than one occupational series.
conditions under which the agency must terminate the service agreement under paragraph (g) of this section, including the conditions under which the agency will pay an additional retention incentive payment for partially completed service under §575.311.

(5) The service agreement must include a notification to the employee that the agency will review the determination to pay the retention incentive at least annually to determine whether payment is still warranted, as required by paragraph (g) of this section.

(g) Termination of retention incentives.

(1) The provisions in §575.311 regarding termination of retention incentive service agreements and paragraphs (g)(2) through (g)(4) of this section apply to the termination of retention incentives authorized under this section. Each determination to pay a retention incentive under this section must be reviewed at least annually to determine if payment is still warranted. An authorized agency official must certify this determination in writing.

(2) In addition to the terminating conditions in §575.311(a) and (b), an authorized agency official must terminate a retention incentive service agreement under this section if—

(i) The closure or relocation is cancelled or no longer affects the employee’s position;

(ii) The employee moves to another position not affected by the closure or relocation (including another position within the same agency);

(iii) For relocation situations, the employee accepts the agency’s offer to relocate with his or her the office, facility, activity, or organization and, thus, the employee is no longer likely to leave for a different position in the Federal service; or

(iv) The employee moves to a different position in the same office, facility, activity, or organization subject to closure or relocation that is not covered by the employee’s service agreement. In this situation, the agency may authorize a new retention incentive for the employee under this section, as appropriate.

(3) If an authorized agency official terminates a service agreement under paragraph (g)(2)(ii) or (iv) of this section in cases in which the employee’s movement to another position is by management action and not at the employee’s request or under paragraph (g)(2)(i) of this section, the employee is entitled to retain any retention incentive payments that are attributable to completed service and to receive any portion of a retention incentive payment owed by the agency for completed service.

(4) If an authorized agency official terminates a service agreement in termination actions under paragraph (g)(2) of this section that are not covered by paragraph (g)(3) of this section, the employee is entitled to retain retention incentive payments previously paid by the agency that are attributable to the completed portion of the service period. If the employee received retention incentive payments that are less than the amount that would be attributable to the completed portion of the service period, the agency is not obligated to pay the employee the amount attributable to completed service, unless the agency agreed to such payment under the terms of the retention incentive service agreement.

(h) Monitoring requirements.

(1) The monitoring requirements in §575.312 apply to retention incentives authorized under this section.

(i) Records and reports. In addition to the recordkeeping requirements in §575.313, each agency must submit a written report to OPM by March 31 of each year on the use of retention incentives under this section. Each report must include—

(1) A description of how the authority to pay retention incentives under this section was used in the agency during the previous calendar year;

(2) The number and dollar amount of retention incentives paid during the previous calendar year to individuals under this section by occupational series and grade, pay level, or other pay classification;

(3) The agency (which may be in the executive, judicial, legislative branch) to which each employee would be likely to leave in the absence of a retention incentive;

(4) Each employee’s official worksite and the geographic location of the
agency (which may be in the executive, judicial, or legislative branch) for which each employee would be likely to leave in the absence of a retention incentive; and
(5) Other information, records, reports, and data as OPM may require.

Subpart D—Supervisory Differentials

SOURCE: 56 FR 20338, May 3, 1991, unless otherwise noted.

§ 575.401 Purpose.

This subpart provides regulations to implement 5 U.S.C. 5755, which authorizes payment of a supervisory differential to an employee under the General Schedule who has supervisory responsibility for one or more civilian employees not under the General Schedule if one or more of the subordinate civilian employees would, in the absence of such a differential, be paid more than the supervisory employee.

§ 575.402 Delegation of authority.

(a) The head of an agency may pay a supervisory differential to a supervisor who is—
(1) In a General Schedule position paid under 5 U.S.C. 5332; and
(2) Responsible for providing direct, technical supervision over the work of one or more civilian employees whose positions are not under the General Schedule if the continuing pay (as determined under § 575.405(d) of this part) of one or more of the subordinates would, in the absence of such a differential, be more than the continuing pay (as determined under § 575.405(c) of this part) of the supervisor.

(b) A supervisory differential may not be paid on the basis of supervising a civilian employee whose rate of basic pay exceeds the maximum rate of basic pay established for grade GS–15 on the pay schedule applicable to the GS supervisor, including a schedule for any applicable special rate under 5 CFR part 530, subpart C; locality-based comparability payment under 5 CFR part 531, subpart F; or similar payment or supplement under other legal authority.

§ 575.403 Definitions.

In this subpart:
Agency has the meaning given that term in 5 U.S.C. 5102.
Continuing pay means the aggregate of all continuing payments and annual premium pay received by an employee at any one time.
Continuing payment means basic pay and any other form of pay that is paid in the same manner and at the same time as basic pay—i.e., for periods during which an employee receives basic pay.
Employee has the meaning given that term in 5 U.S.C. 5102.
Head of agency means the head of an agency or an official who has been delegated the authority to act for the head of the agency in the matter concerned.
Rate of basic pay means the rate of pay fixed by law or administrative action for the position to which the employee is or will be appointed before deductions and including any special rate under 5 CFR part 530, subpart C; locality-based comparability payment under 5 CFR part 531, subpart F; or similar payment or supplement under other legal authority, but excluding additional pay of any other kind. For example, rate of basic pay excludes a night differential under 5 U.S.C. 5343(f), an environment differential under 5 U.S.C. 5343(c)(4), or a similar payment under other legal authority.
Supervisor has the meaning given that term in 5 U.S.C. 7103(a)(10).

§ 575.404 Use of authority.

(a) Each determination to pay a supervisory differential shall be made in writing under procedures established by each agency.

(b) The procedures established by each agency under paragraph (a) of this section shall provide that—
(1) Each determination to pay a supervisory differential, including the amount of such differential, shall be reviewed and approved by an official of the agency who is at higher level than the official who made the initial decision, unless there is no official at a higher level in the agency; and

(2) In determining whether to use the authority under 5 U.S.C. 5755 and this subpart and in determining the amount of such differential, the relationship in pay among supervisors under the General Schedule in the same organizational component of the agency shall be considered, as well as the relationship in pay between the supervisor and his or her subordinate(s).

(3) Each determination to pay a supervisory differential shall be documented.

§ 575.405 Calculation and payment of supervisory differential.

(a) A supervisory differential shall be calculated as a percentage of the supervisor’s rate of basic pay or as a dollar amount and shall be paid in the same manner and at the same time as the supervisor’s basic pay—i.e., the differential shall be paid at an hourly rate for each hour during which the supervisor receives basic pay.

(b) The amount of a supervisory differential shall not cause the supervisor’s continuing pay, as determined under paragraph (c) of this section, to exceed the continuing pay of the highest paid subordinate not under the General Schedule, as determined under paragraph (d) of this section, by more than 3 percent.

(c) For purposes of comparing the continuing pay of a supervisor whose position is under the General Schedule with the continuing pay of a subordinate whose position is not under the General Schedule, the following payments shall be included in determining the amount of continuing pay received by the subordinate:

(1) Basic pay, excluding a night or environmental differential under 5 U.S.C. 5343(f) or 5343(c)(4), respectively, or similar payment under other legal authority;

(2) Any other continuing payment, except Sunday or holiday pay under 5 U.S.C. chapter 55, subchapter V; recruitment or relocation incentives under 5 U.S.C. 5753; retention incentives under 5 U.S.C. 5754; or similar payments under other legal authority; and

(3) Premium pay paid on an annual basis under an authority similar to 5 U.S.C. 5545(c).

(e) For the purpose of making any of the comparisons required by this subpart, continuing pay shall be calculated on an annual basis for both the supervisor and the subordinate.

(f) Payment of a supervisory differential is subject to the aggregate limitation on pay under 5 U.S.C. 5307 and subpart B of part 530 of this chapter.

(g) A supervisory differential shall not be considered part of the supervisor’s rate of basic pay for any purpose.

§ 575.406 Adjustment or termination of supervisory differential.

(a) An agency may establish procedures that allow for adjusting or terminating a supervisory differential at any time the agency determines it is appropriate to do so.

(b) A supervisory differential shall be terminated when the continuing pay of the supervisor (not including the supervisory differential) exceeds the continuing pay of the highest paid subordinate whose position is not under the General Schedule.

(c) A supervisory differential shall be reduced or terminated, as appropriate, when the continuing pay of the supervisor (including the supervisory differential) exceeds the continuing pay of the highest paid subordinate whose position is not under the General Schedule by more than 3 percent.

(d) The effective date of a reduction or termination of a supervisory differential under paragraph (b) or (c) of this section shall be not later than 30 calendar days after the date on which the event that necessitates the reduction or termination occurs.

(e) Each determination to adjust a supervisory differential shall be made in writing under procedures established by each agency similar to those established under §575.404 of this part.

(f) The reduction or termination of a supervisory differential may not be appealed. However, the preceding sentence shall not be construed to extinguish or lessen any right or remedy under subchapter II of chapter 12 of title 5, United States Code, or under any of the laws referred to in 5 U.S.C. 2302(d).

§ 575.407 Records.

(a) Each agency shall keep a record of each determination required by §§575.404(a) and 575.406(e) of this part. Each record shall contain sufficient information to allow reconstruction of the action, including the basis for determining the amount of the differential and the comparison of continuing pay required by §575.405(b) of this part.

(b) Each agency shall submit a report of each determination made to establish, adjust, or terminate a supervisory differential as a part of its regular submission to OPM’s Central Personnel Data File.

Subpart E—Extended Assignment Incentives

SOURCE: 68 FR 53669, Sept. 12, 2003, unless otherwise noted.

§ 575.501 Purpose.

This subpart contains OPM regulations implementing 5 U.S.C. 5757, which authorizes the payment of extended assignment incentives. Subject to the requirements of this subpart, an agency may pay an extended assignment incentive to eligible Federal employees assigned to positions located in a territory or possession of the United States, the Commonwealth of Puerto Rico, or the Commonwealth of the Northern Mariana Islands who agree to complete a specified additional period of employment with the agency in that location.

§ 575.502 Definitions.

In this subpart:

Authorized agency official means the head of an agency or an official who is authorized to act for the head of the agency in the matter concerned.

Employee means an employee of an agency who satisfies the definition of that term in 5 U.S.C. 2105.

Involuntarily reassigned refers to a reassignment initiated by an agency against an employee’s will and without the employee’s consent for reasons other than cause on charges of misconduct, delinquency, or inefficiency.

Involuntarily separated refers to a separation initiated by an agency against an employee’s will and without the employee’s consent for reasons other than cause on charges of misconduct, delinquency, or inefficiency. In addition, when an employee is separated because he or she declines to accept reassignment to another geographic area outside one of the covered locations, the separation is involuntary if the employee’s position description or other written agreement does not provide for such reassignment. However, an employee’s separation is not involuntary
if, after such a written mobility agree-
ment is added, the employee accepts
one reassignment outside his or her
particular territory, possession, or
commonwealth, but subsequently de-
clines another reassignment. An em-
ployee's separation as a result of dis-
ability retirement, a disability that
prevents an employee from continuing
Federal service or is the basis for separa-
tion by the agency as determined by ac-
ceptable medical evidence, or the
death of an employee is considered to
be an involuntary separation.

Rate of basic pay means the rate of
pay fixed by law or administrative ac-
tion for the position held by an em-
ployee, including any special rate
under 5 CFR part 530, subpart C; local-
ity-based comparability payment
under 5 CFR part 531, subpart F; or
similar payment under other legal au-
thority, but before deductions and ex-
clusive of additional pay of any other
kind. For example, a rate of basic pay
may not include nonforeign area cost-
of-living allowances under 5 U.S.C.
5941, night shift differentials under 5
U.S.C. 5343(f), or environmental dif-
fierentials under 5 U.S.C. 5343(c)(4).

Service agreement means a written
agreement between an agency and an
employee under which the employee
agrees to a specified period of employ-
ment with the agency in a particular
territory, possession, or common-
wealth in return for payment of an ex-
tended assignment incentive.

Service period means an agreed-upon
period of employment an employee is
obligated to complete under a service
agreement.

Territory, possession, or commonwealth
means a territory or a possession of the
Unity States, the Commonwealth of
Puerto Rico, or the Commonwealth of
the Northern Mariana Islands.

§ 575.503 Who may approve the pay-
ment of an extended assignment in-
centive?
An authorized agency official must re-
view and approve the offer of an ex-
tended assignment incentive for an em-
ployee, including the amount of such
incentive. The authorized agency offi-
cial must be at a higher level than the
official who made the initial decision
to offer an extended assignment in-
centive, unless there is no official at a
higher level in the agency.

§ 575.504 What requirements must an
agency satisfy before authorizing
the payment of an extended assign-
ment incentive?

Before paying an extended assign-
ment incentive under this subpart, an
agency must establish an extended as-
signment incentive plan. This plan
must include the following elements:
(a) The designation of authorized
agency officials who must review and
approve the payment of extended as-
signment incentives;
(b) The categories of employees
which are prohibited from receiving an
extended assignment incentive;
(c) The criteria that must be met or
considered in authorizing extended as-
signment incentives, including criteria
for determining the size of an incen-
tive;
(d) The requirements governing serv-
ices agreements, including the obliga-
tions of the agency and the employee
when the service period is not com-
pleted;
(e) The procedures for paying ex-
tended assignment incentives; and
(f) Documentation and recordkeeping
requirements sufficient to allow recon-
struction of the action.

§ 575.505 What criteria must an agency
use to determine who will receive
an extended assignment incentive?

(a) An agency must base the payment
of an extended assignment incentive on
a written determination that—
(1) The eligible employee has com-
pleted at least 2 years of continuous
service immediately before the com-
encement of the service agreement in
one or more civil service positions lo-
cated in a particular territory, posses-
sion, or commonwealth;
(2) It is in the best interest of the
Government to encourage the em-
ployee to complete a specified addi-
tional period of employment with the
agency in that location; and
(3) Replacing the employee with an-
other employee possessing the required
qualifications and experience would be
difficult.
§ 575.506 When is an agency prohibited from paying an extended assignment incentive?

(a) An extended assignment incentive may not be paid to the head of an agency, including an agency headed by a collegial body composed of two or more individual members.

(b) An agency may not begin paying an extended assignment incentive to an otherwise eligible employee who is receiving or fulfilling the requirements of a service agreement for the payment of a recruitment, relocation, or retention incentive. (See 5 CFR part 575, subparts A, B, and C.)

§ 575.507 What is the maximum extended assignment incentive that may be paid for a period of service?

(a) The total amount of extended assignment incentive payments that may be paid for a service period may not exceed the greater of—

(1) An amount equal to 25 percent of the annual rate of basic pay of the employee at the beginning of the service period times the number of years (including fractions of a year) in the service period; or

(2) $15,000 per year (including fractions of a year) in the service period.

(b) For hourly rate employees who do not have a scheduled annual rate of basic pay, the annual rate in paragraph (a) of this section is computed by multiplying the applicable hourly rate in effect at the beginning of the service period by 2,087 hours.

(c) The number of years in the service period is computed by dividing the total number of calendar days in the service period (as established under § 575.510(a)) by 365 and rounding the result to two decimal places. For example, a service period covering 39 bi-weekly pay periods equals 546 days, and 546 days divided by 365 days equals 1.50 years.

§ 575.508 What is the maximum amount of service that may be covered by an extended assignment incentive?

An employee’s total service under one or more extended assignment incentive service agreements with a particular agency for service in a particular territory, possession, or commonwealth may not exceed 5 years. For this purpose, a year is equal to 365 days, resulting in a total service limit of 1,825 days.

§ 575.509 Is an extended assignment incentive considered basic pay for any purpose?

No, an extended assignment incentive is not considered part of an employee’s rate of basic pay for any purpose, nor is it included for the purpose of calculating a lump-sum payment for annual leave under 5 CFR 550.1205.

§ 575.510 What requirements are associated with service agreements?

(a) Before paying an extended assignment incentive, the agency must require the employee to sign a written service agreement to complete a specified period of employment with the agency in a particular territory, possession, or commonwealth. The service period must meet the following conditions:

(1) The service period must begin on the first day of a pay period and end on the last day of a pay period; and

(2) The service period must not cause an employee to exceed the 5-year lifetime limitation described in § 575.508.

(b) In addition to the service requirement in paragraph (a) of this section, the service agreement may specify other terms and conditions of employment applicable to the employee. For example, the service agreement may...
specify the employee's work schedule, type of position, and performance level. In addition, the service agreement may address the extent to which periods of time on a detail, in a nonpay status, or in a leave status are creditable towards the completion of the service period.

(c) The service agreement must specify the method of payment of an extended assignment agreement. The agency may choose to pay an extended assignment incentive in an initial lump-sum payment at the beginning of the service period, in installments at the end of specified periods throughout the service period (biweekly, monthly, quarterly, etc.), in a lump-sum payment at the end of the entire service period, or through a combination of payment methods.

(d) The service agreement must include the conditions under which the employee would be required to repay an extended assignment incentive under §575.513.

(e) The service agreement must specify the conditions under which the payment of an extended assignment incentive may be terminated by the agency under §575.512.

(f) The service agreement must specify the conditions under which the agency may be obligated to pay an additional incentive payment for partially completed service, as provided in §575.513(d).

(g) The service agreement must specify the conditions under which the agency may impose a repayment penalty under §575.513(e) for an employee who fails to fulfill the terms of the service agreement.

(h) The service agreement must specify the conditions under which the agency may be obligated to pay an incentive payment attributable to some or all of the employee's uncompleted service for employees covered by §575.511 or §575.512.

§575.511 What happens when an employee is involuntarily separated or involuntarily reassigned prior to completion of the service period?

An employee who is involuntarily separated or is involuntarily reassigned to a position outside the particular territory, possession, or commonwealth involved is not indebted to the Federal Government for any extended assignment incentive payments he or she has received. The employee is entitled to keep all incentive payments received and, if applicable, is entitled to receive any additional amount representing the difference between the amount received and the prorated share of the total incentive attributable to completed service. The employee may receive a portion or all of the incentive payment attributable to uncompleted service only to the extent provided in the service agreement.

§575.512 When may an agency terminate a service agreement?

(a) An agency may unilaterally terminate a service agreement based solely on the business needs of the agency. For example, an authorized agency official may terminate a service agreement when the employee's position is affected by a reduction in force or when there are insufficient funds to continue the planned incentive payments.

(b) If an agency terminates a service agreement under paragraph (a) of this section, the employee is entitled to keep all incentive payments received and, if applicable, is entitled to receive any additional amount representing the difference between the amount received and the prorated share of the total incentive attributable to completed service. The employee may receive a portion or all of the incentive payment attributable to uncompleted service only to the extent provided in the service agreement.

§575.513 What are the agency's and the employee's obligations when an employee fails to fulfill the terms of a service agreement?

(a) This section does not apply when an employee is involuntarily separated or involuntarily reassigned to a position outside the particular territory, possession, or commonwealth involved, as provided in §575.511 or when an agency unilaterally terminates a service agreement under §575.512.
§ 575.513  

(b) Except as provided in paragraph (g) of this section, an employee is indebted to the Federal Government and must repay the paying agency for an appropriate portion of an extended assignment incentive received by the employee if—

(1) The employee fails to complete the period of employment required in his or her service agreement; or

(2) The employee violates any other condition specified in the service agreement that would trigger termination of the agreement.

(c)(1) If an employee does not fulfill the terms of a service agreement under the circumstances prescribed in paragraph (b) of this section and has received incentive payments whose value as a percentage of the planned total sum of incentive payments for the entire service period exceeds the percentage reflecting the portion of the service period completed by the employee, he or she must repay the excess payment and any additional repayment penalty imposed by the agency under paragraph (e) of this section, except when an authorized agency official waives the requirement to repay the excess amount under paragraph (g) of this section.

(2) For example, consider an employee who signed a 364-day (26 pay period) service agreement to receive a total extended assignment payment of $24,501 in two equal installment payments—i.e., $12,250.50 at the end of 13 pay periods of completed service and $12,250.50 at the end of the required service period. If the employee voluntarily leaves after 20 pay periods (280 days), the employee will have received only 50 percent of the total extended assignment incentive while completing 76.9 percent (280/364) of the service agreement. The agency may pay the employee an additional amount of up to 20 percent of the incentive payment that is attributable to completed service, as allowed under the terms of the service agreement, assuming the agency does not impose an additional repayment penalty for failure to fulfill the service period under paragraph (e) of this section.

(d)(1) If an employee does not fulfill the terms of the service agreement under the circumstances prescribed in paragraph (b) of this section and has received incentive payments whose value as a percentage of the planned total sum of incentive payments for the entire service period is less than or equal to the percentage reflecting the portion of the service period completed by the employee, the employee has no repayment obligation unless the agency imposes an additional repayment penalty under paragraph (e) of this section. The agency may pay an additional incentive payment for some or all of the service completed by the employee if such additional payment is required by the service agreement. The total amount of incentive payments received by the employee may not exceed the prorated share of the planned incentive attributable to completed service.

(e) An agency may impose an additional repayment penalty on an employee who does not fulfill the terms of a service agreement. This repayment penalty is in addition to any repayment required by paragraph (c) of this section. The specific terms and conditions governing the repayment penalty must be included in the service agreement. For example, an agency may adopt a schedule or formula that provides for varying penalty amounts based on the portion of the service period completed by the employee.

(f) If an employee fails to reimburse the paying agency for the full amount owed under this section, the amount outstanding must be recovered from
the employee under the agency’s regulations for collection by offset from an indebted Government employee under 5 U.S.C. 5514 and 5 CFR part 550, subpart K, or through the appropriate provisions for debt collection if the individual is no longer a Federal employee.

(g) If an employee received extended assignment incentive payments in excess of the amount that would be attributable to the completed portion of the service period under paragraph (c) of this section, an authorized agency official may waive the requirement to repay the excess amount when, in the judgment of the official, collection of the excess amount would be against equity and good conscience and not in the best interest of the United States.

§ 575.514 What are an agency’s monitoring responsibilities?

Each agency must monitor the use of extended assignment incentives to ensure that the agency’s extended assignment incentive plan and the payment of extended assignment incentives are consistent with the requirements and criteria established under 5 U.S.C. 5757 and this subpart.

PART 576—VOLUNTARY SEPARATION INCENTIVE PAYMENTS

Subpart A—Voluntary Separation Incentive Payments

Sec. 576.101 Definitions.
576.102 Voluntary Separation Incentive Payment implementation plans.
576.103 Offering Voluntary Separation Incentive Payments to employees.
576.104 Additional agency requirements.
576.105 Existing Voluntary Separation Incentive Payment authorities.

Subpart B—Waiver of Repayment of Voluntary Separation Incentive Payments

Sec. 576.201 Definitions.
576.202 Repayment requirement.
576.203 Waivers of the Voluntary Separation Incentive Repayment requirement.
§ 576.101 Definitions.

In this part:

Employee, as defined in 5 U.S.C. 3521, means an employee as defined under 5 U.S.C. 2105 employed by an agency and an individual employed by a county committee established under section 8(b)(5) of the Soil Conservation and Domestic Allotment Act (16 U.S.C. 590h(b)(5)) who—

(1) Is serving under an appointment without time limitation; and
(2) Has been currently employed for a continuous period of at least 3 years.

Specific designee means a senior officer or official within an agency who has been specifically designated to sign requests for authority to offer Voluntary Separation Incentive Payments for, or in place of, the head of the agency. Examples include the Chief Human Capital Officer, the Assistant Secretary for Administration, the Director of Human Resources Management, or a deputy of one of these persons.

§ 576.102 Voluntary Separation Incentive Payment implementation plans.

(a) In accordance with section 3522(b) of title 5, United States Code, a plan submitted by the head of an agency, or his or her specific designee, must include:

(1) Identification of the specific positions and functions to be reduced or eliminated, identified by organizational unit, geographic location, occupational series, grade level and any other factors related to the position;
(2) A description of the categories of employees who will be offered incentives identified by organizational unit, geographic location, occupational series, grade level and any other factors, such as skills, knowledge, or retirement eligibility (as discussed in implementing guidance);
(3) The time period during which incentives may be paid;
(4) The number and maximum amounts of Voluntary Separation Incentive Payments to be offered;
(5) A description of how the agency will operate without the eliminated or restructured positions and functions;
(6) A proposed organizational chart displaying the expected changes in the agency’s organizational structure after the agency has completed the incentive payments;
(7) A short explanation of how Voluntary Early Retirement Authority will be used in conjunction with separation incentives, if the agency has requested, or will request, that authority; and
(8) A description of how Voluntary Separation Incentives offered under another statutory authority are being used, if the agency is offering incentives under any other statutory authority.

(b) When submitting a plan to OPM, the agency may submit either:

(1) A specific Voluntary Separation Incentive Payment implementation plan outlining the intended use of the incentive payments, or
(2) The agency’s human capital plan, which outlines the intended use of the incentive payments and the expected changes in the agency’s organizational structure after the agency has completed the incentive payments. If the human capital plan is submitted, it must include the information specified in paragraph (a) of this section.

(c) OPM will consult with the Office of Management and Budget regarding the plan and any subsequent modifications, and will notify the agency head in writing when the plan is approved. The review may include a consideration of costs and benefits associated with using the authority. If there are questions concerning the agency’s plan, OPM reserves the right to contact the agency, inform agency staff of its concerns, and require that the agency revise the plan to bring it into conformance with these regulations. The agency must obtain OPM approval before offering incentives under this authority.
§ 576.103 Offering Voluntary Separation Incentive Payments to employees.

(a) Agencies may make offers of Voluntary Separation Incentive Payments to employees who agree to voluntarily separate by resignation, early retirement, or optional retirement.

(b) Each time an agency with authority to offer Voluntary Separation Incentive Payments establishes a window period for acceptance of Voluntary Separation Incentive applications, it may limit offers to its employees based on an established opening and closing date or the acceptance of a specified number of applications. However, at the time of the offer, the agency must notify its employees that it retains the right to limit the number of Voluntary Separation Incentive Payment offers by use of a specific closing date or by receipt of a specified number of applications.

(c) An agency’s downsizing and/or re-shaping strategy may change, necessitating a change in the offer notice to employees. If the amended notice includes a revised closing date, or a revised number of applications to be accepted, the new date or number of applications must be announced to the same group of employees included in the original announcement. If a new or separate notice includes a new window period with a new closing date, or a new instance of a specific number of applications to be accepted, the new window period or number of applications to be accepted may be announced to a different group of employees as long as the new group is covered by the approved Voluntary Separation Incentive Payment authority.

(d) Section 4311 of title 38, United States Code, requires that, for all practical purposes, agencies treat employees on military duty as though they were still on the job. Further, employees are not to be disadvantaged because of their military duty. In accordance with these provisions, employees on military duty who would otherwise be eligible for an offer of a Voluntary Separation Incentive Payment will have 30 days following their return to duty to either accept or reject an offer of a Voluntary Separation Incentive Payment. This is true even if the Voluntary Separation Incentive Payment authority provided by OPM has expired.

(e) An employee may separate from the service voluntarily, with a Voluntary Separation Incentive Payment, if, on the date of separation, the employee:

(1) Is serving in a position covered by a Voluntary Separation Incentive Payment offer; and

(2) Meets the definition of employee discussed in 5 U.S.C. 3521.

(f) Agencies are responsible for ensuring that employees are not coerced into accepting a Voluntary Separation Incentive Payment. If an agency finds any instances of coercion, it must take appropriate corrective action.

(g) An agency may not offer Voluntary Separation Incentive Payments beyond the stated expiration date of an authority or assign an effective date for a Voluntary Separation Incentive Payment that is beyond the time period for paying a Voluntary Separation Incentive Payment that was stated in the agency’s approved Voluntary Separation Incentive Payment plan.

(h) An agency may not offer Voluntary Separation Incentive Payments to employees who are outside the scope of the Voluntary Separation Incentive Payment authority approved by OPM.

(i) OPM may amend, limit, or terminate Voluntary Separation Incentive Payment authority if it determines that the agency is no longer undergoing the condition(s) that formed the basis for its approval or to ensure that the law and regulations governing Voluntary Separation Incentive Payments, including the Voluntary Separation Incentive Payment usage reporting requirements, are being properly followed.

§ 576.104 Additional agency requirements.

After OPM approves an agency plan for Voluntary Separation Incentive Payments, the agency must immediately notify OPM of any subsequent changes in the conditions that served as the basis for the approval of the Voluntary Separation Incentive Payment authority.

[80 FR 57586, Dec. 4, 2015]
§ 576.105 Existing Voluntary Separation Incentive Payment authorities.

As provided in section 1313(a)(3) of Public Law 107–296, any agency exercising Voluntary Separation Incentive authority in effect on January 24, 2003, may continue to offer Voluntary Separation Incentives consistent with that authority until that authority expires. An agency that is eligible to offer Voluntary Separation Incentive Payments under this authority and under any other statutory authority may choose which authority it wishes to use, or offer incentives under both.

§ 576.203 Waivers of the Voluntary Separation Incentive Repayment requirement.

(a)(1) If the proposed reemployment is with an agency other than the Government Accountability Office, the United States Postal Service, or the Postal Rate Commission, the Director of the Office of Personnel Management may, at the request of the head of the agency, waive the repayment if—

(i) The individual involved possesses unique abilities and is the only qualified applicant available for the position; or

(ii) In case of an emergency involving a direct threat to life or property, the individual—

(A) Has skills directly related to resolving the emergency; and

(B) Will serve on a temporary basis only so long as that individual’s services are made necessary by the emergency.

(2) If the proposed reemployment is with an entity in the legislative branch, the head of the entity or the appointing official may waive the repayment if the individual involved possesses unique abilities and is the only qualified applicant available for the position.

(3) If the proposed reemployment is with the judicial branch, the Director of the Administrative Office of the United States Courts may waive the repayment if the individual involved possesses unique abilities and is the only qualified applicant available for the position.

(4) The repayment waiver provisions under this section do not extend to a repayment obligation resulting from employment under a personal services contract or other direct contract.

(b) For a Voluntary Separation Incentive Payment made under statutory authority other than subpart A of this part, the agency should review the authorizing statute and, if a waiver is permitted, submit a request as specified by that statute.

(a) A party using this part shall serve legal process on the agent designated in appendix A to this part, or if no agent has been designated for the governmental entity having payment responsibility for the moneys involved, then upon the head of that governmental entity, which has moneys due and payable to the obligor. Where the legal process is directed to, and the purpose of the legal process is to compel a governmental entity which holds moneys which are otherwise payable to an individual, to make a payment from such moneys in order to satisfy a legal obligation of such individual to provide child support or make alimony payments, the legal process need not expressly name the governmental entity as a garnishee. 

(b) Service shall be accomplished pursuant to State procedures in effect pursuant to subsection (a)(1) or (b) of section 666 of title 42 of the United States Code. The designated agent shall note the date and time of receipt on the legal process. The governmental entity shall make every reasonable effort to facilitate proper service of process on its designated agent(s). If legal process is not directed to any particular official within the entity, or if it is addressed to the wrong individual, the recipient shall, nonetheless, forward the legal process to the designated agent. However, valid service is not accomplished until the legal process is received in the office of the designated agent. Moreover, the Government will not be liable for any costs or damages resulting from an agency’s
failure to timely serve process or to correct faulty service of process. 

(c) Where it does not appear from the face of the process that it has been brought to enforce the legal obligation(s) defined in §581.102(d) and/or (e), the process must be accompanied by a certified copy of the court order or other document establishing such legal obligation(s).

(d) Where the State or local law provides for the issuance of legal process without a support order, such other documentation establishing that it was brought to enforce legal obligation(s) defined in §581.102(d) and/or (e) must be submitted.

(e) In order for the party who caused the legal process to be served to receive the additional five (5) percent provided for in either §581.402(a) or (b), it must appear on the face of the legal process that the process was brought for the enforcement of a support order for a period which is twelve (12) weeks in arrears, or a certified copy of the support order, or other evidence acceptable to the head of the governmental entity, establishing this fact, must be submitted.

§ 581.203 Information minimally required to accompany legal process.

(a) Sufficient identifying information must accompany the legal process in order to enable processing by the governmental entity named. Therefore, the following identifying information about the obligor, if known, is requested:

(1) Full name;
(2) Date of birth;
(3) Employment number, social security number, Department of Veterans Affairs claim number, or civil service retirement claim number;
(4) Component of the governmental entity for which the obligor works, and the official duty station or worksite; and
(5) Status of the obligor, e.g., employee, former employee, or annuitant.

(b) If the information submitted is not sufficient to identify the obligor, the legal process shall be returned directly to the court, or other authority, with an explanation of the deficiency. However, prior to returning the legal process, if there is sufficient time, an attempt should be made to inform the party who caused the legal process to be served, or the party’s representative, that it will not be honored unless adequate identifying information is supplied.

Subpart C—Compliance With Process

§ 581.301 Suspension of payment.

Upon proper service of legal process, together with all supplementary documents and information as required by §§581.202 and 581.203, the head of the governmental entity, or his/her designee, shall identify the obligor to whom that governmental entity holds moneys due and payable as remuneration for employment and shall suspend, i.e., withhold, payment of such moneys for the amount necessary to permit compliance with the legal process in accordance with this part.

[48 FR 26280, June 7, 1983]

§ 581.302 Notification of obligor.

(a) As soon as possible, but not later than fifteen (15) calendar days after the date of valid service of legal process, the agent designated to accept legal process shall send to the obligor, at his or her duty station or last known home address, written notice:

(1) That such process has been served, including a copy of the legal process, and, if submitted, such other documents as may be required by §581.202;
(2) Of the maximum garnishment limitations set forth in §581.402, with a request that the obligor submit supporting affidavits or other documentation necessary for determining the applicable percentage limitation;
(3) That by submitting supporting affidavits or other necessary documentation, the obligor consents to the disclosure of such information to the garnishor; and
§ 581.303  Response to legal process or interrogatories.

(a) Whenever the designated agent is validly served with legal process pursuant to State procedures in effect pursuant to subsection (a)(1) or (b) of section 666 of title 42, United States Code, within 30 calendar days, or within such longer period as may be prescribed by applicable State law, the agent shall comply with all applicable provisions of section 666, including as follows:

(1) If an agent is served with notice concerning amounts owed by an obligor to more than one person, the agent shall comply with section 666(b)(7);

(2) Allocation of moneys due and payable to an individual under section 666(b) shall be governed by section 666(b) and the regulations prescribed under such section by the Secretary of Health and Human Services;

(3) Such moneys as remain after compliance with paragraphs (a)(1) and (a)(2) of this section shall be available to satisfy any other such legal process on a first-come, first-served basis, with any such legal process being satisfied out of such moneys as remain after the satisfaction of all such legal process which have been previously served;

(4) The agent or the agent’s counsel or other designee shall respond within 30 calendar days to interrogatories which accompany legal process if the information sought in the interrogatory is not available to the entity to which it was sent, and the proper entity is known, the recipient shall forward the interrogatory to the appropriate entity in sufficient time to allow for a timely response.

(b) If State or local law authorizes the issuance of interrogatories prior to or after the issuance of legal process, the agent shall respond to the interrogatories within thirty (30) calendar days after receipt: Provided, That the document(s) required by §581.202(c) have been presented.

§ 581.304  Nonliability for disclosure.

(a) No Federal employee whose duties include responding to interrogatories pursuant to §581.303(b), shall be subject to any disciplinary action or civil or criminal liability or penalty for any disclosure of information made by him/her in connection with the carrying out of any duties pertaining directly or indirectly to answering such interrogatories.

(b) However, a governmental entity would not be precluded from taking disciplinary action against an employee who consistently or purposely failed to provide correct information requested by interrogatories.

§ 581.305  Honoring legal process.

(a) The governmental entity shall comply with legal process, except where the process cannot be complied with because:

(1) It does not, on its face, conform to the laws of the jurisdiction from which it was issued;

(2) The legal process would require the withholding of funds not deemed moneys due from, or payable by, the United States as remuneration for employment;

(3) The legal process is not brought to enforce legal obligation(s) for alimony and/or child support;

(4) It does not comply with the mandatory provisions of this part; or
(5) An order of a court of competent jurisdiction enjoining or suspending the operation of the legal process has been served on the governmental entity.

(b) Where notice is received that the obligor has appealed either the legal process or the underlying alimony and/or child support order, payment of moneys subject to the legal process shall be suspended; i.e., moneys shall continue to be withheld, but these amounts shall be retained by the governmental entity until the entity is ordered by the court, or other authority, to resume payments or otherwise disburse the suspended amounts. However, no suspension action shall be taken where the applicable law of the jurisdiction wherein the appeal is filed requires compliance with the legal process while an appeal is pending. Where the legal process has been issued by a court in the District of Columbia, a motion to quash shall be deemed equivalent to an appeal.

(c) Under the circumstances set forth in §581.305 (a) or (b), or where the governmental entity is directed by the Justice Department not to comply with the legal process, the entity shall respond directly to the court, or other authority, setting forth its objections to compliance with the legal process. In addition, the governmental entity shall inform the party who caused the legal process to be served, or the party’s representative, that the legal process will not be honored. Thereafter, if litigation is initiated or threatened, the entity shall immediately refer the matter to the United States Attorney for the district from which the legal process issued. To ensure uniformity in the executive branch, governmental entities which have statutory authority to represent themselves in court shall coordinate their representation with the United States Attorney.

(d) If a governmental entity is served with more than one legal process for the same moneys due or payable to an individual, the entity shall comply with §581.303(a). Provided, That in no event will the total amount garnished for any pay or disbursement cycle exceed the applicable limitation set forth in §581.402.

(e) Neither the United States, any disbursing officer, nor any governmental entity shall be liable for any payment made from moneys due from, or payable by, the United States to any individual pursuant to legal process regular on its face, if such payment is made in accordance with this part.

(2) Neither the United States, any disbursing officer, nor any governmental entity shall be liable under this part to pay money damages for failure to comply with legal process.

(f) Governmental entities affected by legal process served under this part shall not be required to vary their normal pay or disbursement cycles to comply with the legal process. However, legal process, valid at the time of service, which is received too late to be honored during the disbursement cycle in which it is received, shall be honored to the extent that the legal process may be satisfied during the next disbursement cycle within the limits set forth in §581.402. The fact that the legal process may have expired during this period would not relieve the governmental entity of its obligation to honor legal process which was valid at the time of service. If, in the next disbursement cycle, no further payment will be due from the entity to the obligor, the entity shall follow the procedures set forth in §581.306.

(g) If a governmental entity receives legal process which, on its face, appears to conform to the laws of the jurisdiction from which it was issued, the entity shall not be required to ascertain whether the authority which issued the legal process had obtained personal jurisdiction over the obligor.

(h) A failure by the party bringing the garnishment action to comply with the provisions of the Uniform Reciprocal Enforcement of Support Act (URESA) or the Revised Uniform Reciprocal Enforcement of Support Act by itself shall not be a valid basis for a governmental entity to refuse to comply with legal process.

§ 581.306 Lack of moneys due from, or payable by, a governmental entity served with legal process; transfer of service of legal process to another governmental entity.

(a) When legal process is served on a governmental entity, and the individual identified in the legal process as the obligor is found not to be entitled to moneys (the entitlement to which is based upon remuneration for employment) due from, or payable by, the governmental entity, the entity shall follow the procedures set forth in the legal process for that contingency or, if no procedures are set forth therein, shall return the legal process to the court, or other authority from which it was issued, and advise the court, or other authority, that no moneys, the entitlement to which is based upon remuneration for employment, are due from, or payable by, the governmental entity to the named individual.

(b) Where it appears that remuneration for employment is only temporarily exhausted or otherwise unavailable, the court, or other authority, shall be fully advised as to why, and for how long, the remuneration will be unavailable, if that information is known by the governmental entity.

(c) In instances where an employee obligor separates from his/her employment with a governmental entity which is presently honoring a continuing legal process, the entity shall inform the party who caused the legal process to be served, or the party’s representative, and the court, or other authority, that the payments are being discontinued. In cases where the obligor has a Thrift Savings Fund account, or has retired, or has separated and requested a refund of retirement contributions, or transferred, or is receiving benefits under the Federal Employees’ Compensation Act, or where the employee obligor has been employed by either another governmental entity or by a private employer, and where this information is known by the governmental entity, the governmental entity shall provide the party with the designated agent for the new disbursing governmental entity or with the name and address of the private employer.

(d) In instances where an employee obligor, who is employed by a governmental entity which is honoring a continuing legal process, enters phased retirement status in accordance with part 831, subpart Q, and part 848 of this chapter, the entity must inform the party who caused the legal process to be served, or the party’s representative, and the court or other authority, that remuneration for employment will continue at a reduced rate and that the employee obligor will be receiving a phased retirement annuity. The governmental entity must provide the party with the designated agent at the Office of Personnel Management who is responsible for the disbursement of retirement benefits.

§ 581.307 Compliance with legal process requiring the payment of attorney fees, interest, and/or court costs.

Before complying with legal process that requires withholding for the payment of attorney fees, interest, and/or court costs, the governmental entity must determine that the legal process meets both of the following requirements:

(a) The legal process must expressly provide for inclusion of attorney fees, interest, and/or court costs as (rather than in addition to) child support and/or alimony payments;

(b) The awarding of attorney fees, interest, and/or court costs as child support and/or alimony must be within the authority of the court, authorized official, or authorized State agency that issued the legal process. It will be deemed to be within the authority of the court, authorized official, or authorized State agency to award attorney fees as child support and/or alimony if such order is not in violation of or inconsistent with State or local law, even if State or local law does not expressly provide for such an award.

Subpart D—Consumer Credit Protection Act Restrictions

§ 581.401 Aggregate disposable earnings.

The “aggregate disposable earnings”, when used in reference to the amounts due from, or payable by, the United States or the District of Columbia which are garnishable under the Consumer Credit Protection Act for child support and/or alimony, are the obligor’s remuneration for employment less those amounts deducted in accordance with §581.105.

§ 581.402 Maximum garnishment limitations.

(a) Except as provided in paragraph (b) of this section, pursuant to section 1673(b)(2) (A) and (B) of title 15 of the United States Code (the Consumer Credit Protection Act, as amended), unless a lower maximum garnishment limitation is provided by applicable State or local law, the maximum part of the aggregate disposable earnings subject to garnishment to enforce any support order(s) shall not exceed:

(1) Fifty percent of the obligor’s aggregate disposable earnings for any workweek, where the obligor asserts by affidavit, or by other acceptable evidence, that he or she is supporting a spouse, a dependent child, or both, other than the former spouse, child, or both, for whose support such order is issued, except that an additional five percent will apply if it appears on the face of the legal process, or from other evidence submitted in accordance with §581.202(d), that such earnings are to enforce a support order for a period which is 12 weeks prior to that workweek.

(2) Sixty percent of the obligor’s aggregate disposable earnings for any workweek, where the obligor fails to assert by affidavit or establishes by other acceptable evidence, that he or she is supporting a spouse, dependent child, or both, other than a former spouse, child, or both, with respect to whose support such order is issued, except that an additional five percent will apply if it appears on the face of the legal process, or from other evidence submitted in accordance with §581.202(d), that such earnings are to enforce a support order for a period which is 12 weeks prior to that workweek.

(3) Where, under §581.302(a)(2), an obligor submits evidence that he or she is supporting a second spouse, child, or both a second spouse and dependent child, copies of the evidence shall be sent by the governmental entity to the garnishor, or the garnishor’s representative, as well as to the court, or other authority as specified in §581.102(f)(1), together with notification that the obligor’s support claim will be honored. If the garnishor disagrees with the obligor’s support claim, the garnishor should immediately refer the matter to the court, or other authority, for resolution.

(b) In instances where an obligor is receiving remuneration from more than one governmental entity, an authority described in §581.102(f)(1) may apply the limitations described in paragraph (a) of this section to the total remuneration, i.e., to the combined aggregate disposable earnings received by the obligor.

582.401 Aggregate disposable earnings.
Office of Personnel Management

§ 582.102 Definitions.

In this part—(1) Agency means each agency of the executive branch of the Federal Government, excluding the United States Postal Service, the Postal Rate Commission, and the General Accounting Office; agency does not include the government of the District of Columbia or the territories and possessions of the United States. (Section 5520a(j)(1) of title 5 of the United States Code provides that separate implementing regulations shall be promulgated by the legislative branch and the judicial branch; section 5520a(k) provides that separate implementing regulations shall be promulgated with regard to members of the uniformed services; and Executive Order 12897 provides that separate implementing regulations shall be promulgated with regard to employees of the United States Postal Service. The regulations promulgated for employees of the United States Postal Service also apply to employees of the Postal Rate Commission.)

(2) Employee or employee-obligor means an individual who is employed by an agency as defined in this section, including a reemployed annuitant, an individual engaged in phased employment as defined in part 831, subpart Q, and part 848 of this chapter, and a retired member of the uniformed services, a retired member of the uniformed services, or an individual whose service is based on a contract, including an individual who provides personal services based on a contract with an agency.

(3) Legal process means any writ, order, summons, or other similar process in the nature of garnishment, which may include an attachment, writ of execution, court ordered wage assignment, or tax levy from a State or local government, which—

(A) Is issued by:

(i) A court of competent jurisdiction, including Indian tribal courts, within any State, territory, or possession of the United States, or the District of Columbia. As stated in § 582.101, pay is subject to legal process in the same manner and to the same extent as if the agency were a private person. There is, therefore, no requirement in this part that, for example, legal process be signed by a Judge; or.

(ii) Orders an agency to withhold an amount from the pay of an employee-obligor and to make a payment of such withholding to a person, for a specifically described satisfaction of a legal debt of the employee-obligor, or recovery of attorney fees, interest, or court costs;

(B) An authorized official pursuant to an order of a court of competent jurisdiction or pursuant to State or local law; or

(C) A State agency authorized to issue income withholding notices pursuant to State or local law;

(ii) Orders an agency to withhold an amount from the pay of an employee-obligor and to make a payment of such withholding to a person, for a specifically described satisfaction of a legal debt of the employee-obligor, or recovery of attorney fees, interest, or court costs;

(4) Person may include an individual, partnership, corporation, association, joint venture, private organization or other legal entity, and includes the plural of that term; person may include any of the entities that may issue legal
§ 582.103

In determining the amount of pay subject to garnishment under this part, there shall be excluded amounts which:

(a) Are owed by the employee-obligor to the United States;

(b) Are required by law to be deducted from the employee-obligor’s pay, including, but not limited to amounts deducted in compliance with the Federal Insurance and Contributions Act (FICA), including amounts deducted for Medicare and for Old Age, Survivor, and Disability Insurance (OASDI);

(c) Are properly withheld for Federal, State, or local income tax purposes, if the withholding of the amounts is authorized or required by law and if amounts withheld are not greater than would be the case if the employee-obligor claimed all dependents to which the employee-obligor were entitled.

The withholding of additional amounts pursuant to section 3402(i) of title 26 of the United States Code may be permitted only when the employee-obligor presents evidence of a tax obligation which supports the additional withholding;

(d) Are deducted as health insurance premiums;

(e) Are deducted as normal retirement contributions, not including amounts deducted for supplementary coverage. For purposes of this section, all amounts contributed under sections 8351 and 8432(a) of title 5 of the United States Code to the Thrift Savings Fund are deemed to be normal retirement contributions. Except as provided in this paragraph, amounts voluntarily contributed toward additional retirement benefits are considered to be supplementary;

(f) Are deducted as normal life insurance premiums from salary or other remuneration for employment, not including amounts deducted for supplementary coverage. Federal Employees’ Group Life Insurance premiums for “Basic Life” coverage are considered to be normal life insurance premiums; all optional Federal Employees’ Group Life Insurance premiums and any life insurance premiums paid for by allotment are considered to be supplementary.

(g) Amounts withheld in compliance with legal process based on child support and/or alimony indebtedness are not exclusions.

Subpart B—Service of Legal Process

§ 582.201 Agent to receive process.

(a) Except as provided in appendix A to this part, appendix A to 5 CFR part 581 lists agents designated to accept service of process under part 581 and this part.

(b) United States Attorneys are not considered appropriate agents to accept service of process.

§ 582.202 Service of legal process.

(a) A person using this part shall serve interrogatories and legal process on the agent to receive process as explained in §582.201. Where the legal
process is directed to an agency, and the purpose of the legal process is to compel an agency to garnish an employee’s pay, the legal process need not expressly name the agency as a garnishee.

(b) Service of legal process may be accomplished by certified or registered mail, return receipt requested, or by personal service only upon the agent to receive process as explained in §582.201, or if no agent has been designated, then upon the head of the employee-obligor’s employing agency. The designated agent shall note the date and time of receipt on the legal process.

(c) Parties bringing garnishment actions shall comply with the service of process provisions in this section. Service will not be effective where parties fail to comply with the service of process provisions of this section, notwithstanding whether the person bringing the garnishment action has complied with the service of process requirements of the jurisdiction issuing the legal process.

§ 582.203 Information minimally required to accompany legal process.

(a) Sufficient identifying information must accompany the legal process in order to enable processing by the agency. Parties seeking garnishment actions, therefore, should provide as many of the following identifying pieces of information concerning the employee-obligor as possible:

(1) Full name;
(2) Date of birth;
(3) Employment number or social security number;
(4) Component of the agency for which the employee-obligor works;
(5) Official duty station or worksite;
and
(6) Home address or current mailing address.

(b) If the information submitted is not sufficient to identify the employee-obligor, the legal process shall be returned directly to the court, or other authority, with an explanation of the deficiency. However, prior to returning the legal process, if there is sufficient time prior to the time limits imposed in §582.303, an attempt should be made to inform the person who caused the legal process to be served, or the person’s representative, that it will not be honored unless adequate identifying information is supplied.

§ 582.204 Electronic disbursement.

The party designated to receive the garnished funds may forward a written request to the garnishing agency to have the funds remitted by electronic funds transfer, rather than by paper check. The request shall include the designated party’s name, address, and deposit account number, and the name, address, and 9-digit routing transit number of the designated party’s financial institution. Written requests accompanying service of process will be honored beginning with the first remission of garnished funds. Written requests received by the agency subsequent to service of process will be honored in as timely a manner as the agency deems feasible.

Subpart C—Compliance With Legal Process

§ 582.301 Suspension of payment.

Upon proper service of legal process as specified in §§582.202 and 582.203, the agency shall suspend, i.e., withhold, payment of such moneys for the amount necessary to permit compliance with the legal process in accordance with this part.

§ 582.302 Notification of employee-obligor.

(a) As soon as possible, but not later than 15 calendar days after the date of valid service of legal process, the agent designated to accept legal process shall send to the employee-obligor, at his or her duty station or last known home address, written notice that such process has been served, including a copy of the legal process;

(b) The agency may provide the employee-obligor with the following additional information:

(1) Copies of any other documents submitted in support of or in addition to the legal process;
(2) Notice that the United States does not represent the interests of the employee-obligor in the pending legal proceedings; and
§ 582.303 Response to legal process or interrogatories. 
(a) Whenever the designated agent is validly served with legal process, the agent shall respond within 30 calendar days after receipt, or within such longer period as may be prescribed by applicable State or local law. The agent shall also respond within this time period to interrogatories which accompany legal process. Notwithstanding State law, an agent need only respond once to legal process.

(b) If State or local law authorizes the issuance of interrogatories prior to or after the issuance of legal process, the agent shall respond to the interrogatories within 30 calendar days after being validly served, or within such longer period as may be prescribed by applicable State or local law.

§ 582.304 Nonliability for disclosure. 
(a) No agency employee whose duties include responding to interrogatories pursuant to § 582.303(b), shall be subject to any disciplinary action or civil or criminal liability or penalty for any disclosure of information made in connection with the carrying out of any duties pertaining directly or indirectly to answering such interrogatories.

(b) However, an agency would not be precluded from taking disciplinary action against an employee who consistently or purposely failed to provide correct information requested by interrogatories.

§ 582.305 Honoring legal process. 
(a) The agency shall comply with legal process, except where the process cannot be complied with because:

(1) It is not regular on its face.

(2) The legal process would require the withholding of funds not deemed pay as described in § 582.102(a)(5).

(3) It does not comply with section 5520a of title 5 of the United States Code or with the mandatory provisions of this part; or

(4) An order of a court of competent jurisdiction enjoining or suspending the operation of the legal process has been served on the agency.

(b) While an agency will not comply with legal process which, on its face, indicates that it has expired or is otherwise no longer valid, legal process will be deemed valid notwithstanding the fact that the underlying debt and/or the underlying judgment arose prior to the effective date of section 5520a of title 5 of the United States Code.

(c)(1) The filing of an appeal by an employee-obligor will not generally delay the processing of a garnishment action. If the employee-obligor establishes to the satisfaction of the employee-obligor’s agency that the law of the jurisdiction which issued the legal process provides that the processing of the garnishment action shall be suspended during an appeal, and if the employee-obligor establishes that he or she has filed an appeal, the employing agency shall comply with the applicable law of the jurisdiction and delay or suspend the processing of the garnishment action.

(d) Under the circumstances set forth in § 582.305 (a) or (b), or where the agency is directed by the Justice Department not to comply with the legal process, the agency shall respond directly to the court, or other authority, setting forth its reasons for non-compliance with the legal process. In addition, the agency shall inform the person who caused the legal process to be served, or the person’s representative, that the legal process will not be honored. Thereafter, if litigation is initiated or appears imminent, the agency shall immediately refer the matter to the United States Attorney for the district from which the legal process issued. To ensure uniformity in the executive branch, agencies which have statutory authority to represent themselves in court shall coordinate their representation with the United States Attorney.
(e) In the event that an agency is served with more than one legal process or garnishment order with respect to the same payments due or payable to the same employee, the agency shall satisfy such processes in priority based on the time of service. Provided, That in no event will the total amount garnished for any pay or disbursement cycle exceed the applicable limitation set forth in §582.402. Provided further, That processes which are not limited in time shall preserve their priority based on time of service until fully satisfied. Generally, a modified order will retain its original priority while a time limited order will lose its priority after it has expired.

(f) Legal process to which an agency is subject under sections 459, 461, and 462 of the Social Security Act (42 U.S.C. 659, 661, and 662) for the enforcement of an employee’s legal obligation to provide child support or to make alimony payments, including child support or alimony arrearages, shall have priority over any legal process to which an agency is subject under this part. In addition to having priority, compliance with legal process to which an agency is subject under sections 459, 461, and 462 of the Social Security Act may exhaust the moneys available for compliance with legal process under this part. See §582.402(a).

(g) (1) Neither the United States, and executive agency, nor any disbursing officer shall be liable for any payment made from moneys due from, or payable by, the United States to any individual pursuant to legal process regular on its face, if such payment is made in accordance with this part.

(2) Neither the United States, an executive agency, nor any disbursing officer shall be liable under this part to pay money damages for failure to comply with the legal process.

(h) Agencies affected by legal process served under this part shall not be required to vary their normal pay or disbursement cycles to comply with the legal process. However, legal process, valid at the time of service, which is received too late to be honored during the disbursement cycle in which it is received, shall be honored, to the extent that the legal process may be satisfied, during the next disbursement cycle within the limits set forth in §582.402. The fact that the legal process may have expired during this period would not relieve the agency of its obligation to honor legal process which was valid at the time of service. If, in the next disbursement cycle, no further payment will be due from the agency to the employee-obligor, the agency shall follow the procedures set forth in §582.306.

(i) Agencies need not establish escrow accounts in order to comply with legal process. Therefore, even if the amount garnished by an agency in one disbursement cycle is not sufficient to satisfy the entire indebtedness, the agency need not retain those funds until the amount retained would satisfy the entire indebtedness. On the contrary, agencies will, in most instances, remit the garnished amount after each disbursement cycle. Agencies need not pro-rate payments for less than a full disbursement cycle.

(j) If an agency receives legal process which is regular on its face, the agency shall not be required to ascertain whether the authority which issued the legal process had obtained personal jurisdiction over the employee-obligor.

(k) At the discretion of the executive agency, the agency’s administrative costs in executing a garnishment may be added to the garnishment amount and the agency may retain costs recovered as offsetting collections. To facilitate recovery of these administrative costs, an administrative fee may be assessed for each legal process that is received and processed by an agency, provided that the fee constitutes the agency’s administrative costs in executing the garnishment action.

(l) Where an employee-obligor has filed a bankruptcy petition under section 301 or 302 of title 11 of the United States Code, or is the debtor named in an involuntary petition filed under section 303 of title 11, the agency must cease garnishment proceedings affected by the automatic stay provision, section 362(a) of title 11. Upon filing a petition in bankruptcy or upon learning that he or she is the debtor named in an involuntary petition, the employee-obligor should immediately notify the agency. To enable the agency to determine if the automatic stay applies, the
§ 582.306 Lack of entitlement by the employee-obligor to pay from the agency served with legal process.

(a) When legal process is served on an agency and the individual identified in the legal process as the employee-obligor is found not to be entitled to pay from the agency, the agency shall follow the procedures set forth in the legal process for that contingency or, if no procedures are set forth therein, the agency shall return the legal process to the court, or other authority, from which it was issued, and advise the court, or other authority, that the identified employee-obligor is not entitled to any pay from the agency.

(b) Where it appears that the employee-obligor is only temporarily not entitled to pay from the agency, the court, or other authority, shall be fully advised as to why, and for how long, the employee-obligor’s pay will not be garnished, if that information is known by the agency and if disclosure of that information would not be prohibited.

(c) In instances where an employee-obligor separates from employment with an agency that had been honoring a continuing legal process, the agency shall inform the person who caused the legal process to be served, or the person’s representative, and the issuing court, or other authority, that the garnishment action is being discontinued. In cases where the employee-obligor has been employed by either another agency or by a private employer, and where this information is known by the agency, the agency shall provide the person with the designated agent for the new employing agency or with the name and address of the private employer.

Subpart D—Consumer Credit Protection Act Restrictions

§ 582.401 Aggregate disposable earnings.

In accordance with the Consumer Credit Protection Act, the aggregate disposable earnings under this part are the employee-obligor’s pay less those amounts excluded in accordance with §582.103.

§ 582.402 Maximum garnishment limitations.

Pursuant to section 1673(a)(1) of title 15 of the United States Code (the Consumer Credit Protection Act, as amended) and the Department of Labor regulations to title 29, Code of Federal Regulations, part 870, the following limitations are applicable:

(a) Unless a lower maximum limitation is provided by applicable State or local law, the maximum part of an employee-obligor’s aggregate disposable earnings subject to garnishment to enforce any legal debt other than an order for child support or alimony, including any amounts withheld to offset administrative costs as provided for in §582.305(k), shall not exceed 25 percent of the employee-obligor’s aggregate disposable earnings for any workweek. As appropriate, State or local law should be construed as providing a lower maximum limitation where legal process may only be processed on a one at a time basis. Where an agency is garnishing 25 percent or more of an employee-obligor’s aggregate disposable earnings for any workweek in compliance with legal process to which an agency is subject under sections 459, 461, and 462 of the Social Security Act, no additional amount may be garnished in compliance with legal process.
under this part. Furthermore, the following dollar limitations, which are contained in title 29 of the Code of Federal Regulations, part 870, must be applied in determining the garnishable amount of the employee’s aggregate disposable earnings:

(1) If the employee-obligor’s aggregate disposable earnings for the workweek are in excess of 40 times the Fair Labor Standards Act (FLSA) minimum hourly wage, 25 percent of the employee-obligor’s aggregate disposable earnings may be garnished. For example, effective September 1, 1997, when the FLSA minimum wage rate is $5.15 per hour, this rate multiplied by 40 equals $206.00 and thus, if an employee-obligor’s disposable earnings are in excess of $206.00 for a workweek, 25 percent of the employee-obligor’s disposable earnings are subject to garnishment.

(2) If the employee-obligor’s aggregate disposable earnings for a workweek are less than 40 times the FLSA minimum hourly wage, garnishment may not exceed the amount by which the employee-obligor’s aggregate disposable earnings exceed 30 times the current minimum wage rate. For example, at an FLSA minimum wage rate of $5.15 per hour, the amount of aggregate disposable earnings which may not be garnished is $154.50 ($5.15 × 30). Only the amount above $154.50 is garnishable.

(3) If the employee-obligor’s aggregate disposable earnings in a workweek are equal to or less than 30 times the FLSA minimum hourly wage, the employee-obligor’s earnings may not be garnished in any amount.

(b) There is no limit on the percentage of an employee-obligor’s aggregate disposable earnings that may be garnished for a Federal, State or local tax obligation or in compliance with an order of any court of the United States having jurisdiction over bankruptcy cases under Chapter 11 of the United States Code. Orders from courts having jurisdiction over bankruptcy cases under Chapter 7 or Chapter 11 of the United States Code are subject to the maximum garnishment restrictions in §582.402(a).

§ 591.101 Purpose.

This subpart prescribes the regulations authorized by section 5903 of title 5, United States Code, for the payment of uniform allowances.

§ 591.102 Definitions.

Employee means an employee in or under an agency.

Category of employees means any group of employees designated by an agency that has the same basic uniform requirements.

Head of agency means the head of an agency or an official who has been delegated the authority to act for the head of the agency in the matter concerned.

Uniform means a specified article or articles of clothing that may include, but is not limited to, such items as shoes, boots, hats, shirts, slacks, skirts, or outerwear an employee is required by an agency to wear to provide a distinctive and easily identifiable appearance in performing his or her job.
§ 591.103 Governmentwide maximum uniform allowance rate.

Unless a higher initial maximum uniform allowance rate is payable under §591.104 to an employee who is required by statute, regulation, or an agency’s written administrative procedures to wear a uniform, the head of each agency concerned, out of funds available, shall—

(a) Pay an allowance for a uniform not to exceed $800 a year; or

(b) Furnish a uniform at a cost not to exceed $800 a year.

(c) Any agency which provides a uniform allowance under paragraph (a) of this section must establish policies to administer the uniform allowance program, including uniform standards acceptable to the agency.

§ 591.104 Higher initial maximum uniform allowance rate.

(a) The head of an agency may establish one or more initial maximum uniform allowance rates greater than the Governmentwide maximum uniform allowance rate established under §591.103.

(b) A higher initial maximum uniform allowance rate established under this section may not exceed the average total uniform cost for the minimum basic uniform for the affected employees and, except as provided in paragraph (c) of this section, applies only to the year in which the employee becomes subject to a requirement to wear the uniform.

(c) An agency that establishes one or more higher initial maximum uniform allowance rates under this section may divide the cost of the minimum basic uniform and continue a higher initial maximum uniform allowance for the year following the year the employee first becomes subject to the requirement to wear the uniform, provided the agency publishes a notice of its intention to continue such payments in the Federal Register for notice and comment.

(d) Before establishing a higher initial maximum uniform allowance rate under this section, an agency shall publish in the Federal Register for notice and comment—

(1) A description and justification of the circumstances requiring a higher initial maximum uniform allowance rate;

(2) An estimate of the number of employees affected;

(3) The specific items required for the basic uniform and the average total uniform cost for the affected employees;

(4) The amount of the proposed higher initial maximum uniform allowance rate to be paid during the year the employee first becomes subject to the uniform requirement;

(5) The proposed effective date of the higher initial maximum uniform allowance rate; and,

(6) The intent of the agency (if any) to divide the cost of a minimum basic uniform and continue to make higher initial maximum basic uniform allowance payments in the year following the year the employee first becomes subject to the uniform requirement.

(e) So that OPM can evaluate agencies’ use of this authority and provide the Congress and others with information regarding the use of a higher initial maximum uniform allowance rate, each agency concerned shall maintain such other records and submit to OPM such other reports and data as OPM shall require.

(f) When OPM determines that an agency is using this authority inappropriately, OPM may require its prior approval before that agency establishes any future higher initial maximum uniform allowance rate.

(g) An agency may increase a higher initial maximum uniform allowance rate only as a result of an increase in the average total uniform cost for the affected employees. Before effecting an increase under this paragraph, an agency shall follow the notice and comment...
Office of Personnel Management

§ 591.201 Definitions.

In this subpart—

Agency means an Executive agency as defined in section 105 of title 5, United States Code, but does not include Government-controlled corporations.

For an employee whose change in official position is followed within 3 workdays by a reduction in force resulting in the employee’s separation before he or she is required to report for duty in the new position, the position of record in effect immediately before the position change is deemed to remain the position of record through the date of separation.

§ 591.202 Why does the Government pay COLAs?

The Government pays COLAs as additional compensation to certain civilian Federal employees in specified nonforeign areas in consideration of higher living costs in the local area compared with living costs in the Washington, DC, area.

§ 591.203 Why does the Government pay post differentials?

The Government pays post differentials to certain civilian Federal employees in specified nonforeign areas as a recruitment incentive based on conditions of environment in the local area compared with conditions in the continental United States. Post differentials are designed to attract persons from outside the area to work for the Federal Government in the post differential area.

§ 591.204 Who can receive COLAs and post differentials?

(a) Agencies pay COLAs and post differentials authorized under this subpart to civilian Federal employees whose rates of basic pay are fixed by statute. The following pay plans are covered by this subpart:
   (1) General Schedule,

   (d) Agencies pay post differentials to employees covered by paragraphs (a) or (b) of this section whose official worksite or detail to temporary duty is in a post differential area as defined in §591.231 and who are eligible to receive a post differential under §591.233.

§ 591.205 Which areas are nonforeign areas?

(a) The nonforeign areas are States, commonwealths, territories, and possessions of the United States outside the 48 contiguous United States and any additional areas the Secretary of State designates as being within the scope of Part II of Executive Order 10600, as amended.
   (b) The following areas are nonforeign areas:
      (1) State of Alaska;
(2) State of Hawaii;
(3) American Samoa (including the island of Tutuila, the Manua Islands, and all other islands of the Samoa group east of longitude 171 degrees west of Greenwich, together with Swains Island);
(4) Commonwealth of Puerto Rico;
(5) Commonwealth of the Northern Mariana Islands;
(6) Howland, Baker, and Jarvis Islands;
(7) Johnston Atoll;
(8) Kingman Reef;
(9) Midway Atoll;
(10) Navassa Island;
(11) Palmyra Atoll;
(12) Territory of Guam;
(13) United States Virgin Islands;
(14) Wake Atoll;
(15) Any small guano islands, rocks, or keys that, in pursuance of action taken under the Act of Congress, August 18, 1856, are considered as pertaining to the United States; and
(16) Any other islands outside of the contiguous 48 states to which the U.S. Government reserves claim.

§ 591.209 What is a price index?

(a) The price index is the COLA area price divided by the DC area price and multiplied by 100.

(b) Example:

COLA Area Average Price for Item A = $1.233

§ 591.215 (b)

OPM has established the following COLA areas:
(a) City of Anchorage, AK, and 80-kilometer (50-mile) radius by shortest route using paved roads when available, as measured from the Federal courthouse to the official duty station;
(b) City of Fairbanks, AK, and 80-kilometer (50-mile) radius by shortest route using paved roads when available, as measured from the Federal courthouse to the official duty station;
(c) City of Juneau, AK, and 80-kilometer (50-mile) radius by shortest route using paved roads when available, as measured from the Federal courthouse to the official duty station;
(d) Rest of the State of Alaska;
(e) City and County of Honolulu, HI;
(f) County of Hawaii, HI;
(g) County of Kauai, HI;
(h) County of Maui (including Kalawao County), HI;
(i) Commonwealth of Puerto Rico; and
(j) Territory of Guam and Commonwealth of the Northern Mariana Islands; and
(k) U.S. Virgin Islands.

§ 591.215 (b)
DC Area Average Price for Item A = $1.164

Computation:

$1.233 / $1.164 = 1.0592783

1.0592783 × 100 = 105.92783.

(c) In the case of the final index, OPM rounds the index to two decimal places.

§ 591.210 What are weights?

(a) A weight is the relative importance or share of a subpart of a group compared with the total for the group. A weight is frequently expressed as a percentage. For example, in a pie chart, each wedge has a percentage that represents its relative importance or the size of the wedge compared with the whole pie.

(b) OPM uses two kinds of weights: Consumer expenditure weights and employment weights.

(1) Consumer expenditure weights. The consumer expenditure weight for a category of expenditures (e.g., Food) is the relative importance or share (often expressed as a percentage) of that category in terms of total consumer expenditures. OPM derives consumer expenditure weights from the tabulated results of the Bureau of Labor Statistics (BLS) Consumer Expenditure Survey (CES).

(2) Employment weights. The employment weight is the relative employment population of the survey area compared with the employment population of the COLA area as a whole. OPM uses the number of General Schedule employees in the survey area to compute employment weights. OPM uses these employment weights as described in §591.216(b).

§ 591.211 What are the categories of consumer expenditures?

OPM uses three different types of categories: Major expenditure groups, primary expenditure groups, and detailed expenditure categories.

(a) Major expenditure groups. OPM groups expenditures into nine major expenditure groups (MEGs). These categories are food, shelter and utilities, clothing, transportation, household furnishings and supplies, medical, education and communication, recreation, and miscellaneous.

(b) Primary expenditure groups. OPM subdivides each MEG into primary expenditure groups (PEGs). There are approximately 40 PEGs.

(c) Detailed expenditure categories. OPM further subdivides each PEG into other categories down to the detailed expenditure categories (DECs), which are generally equivalent to the most detailed level of tabulated CES categories. OPM classifies each DEC into one of the PEGs to aggregate DECs with similar demand and cost characteristics into PEGs. Alternatively, OPM may remove the DEC entirely from the list of expenditures. Therefore, the classification of the DECs into PEGs and sub-PEGs does not necessarily follow that used in published CES tables.

§ 591.212 How does OPM select survey items?

(a) OPM selects a sufficient number of items to represent PEGs and reduce overall price index variability. In selecting these items, OPM applies the following guidelines. The item should be—

(1) Relatively important (i.e., represent a DEC with a relatively large weight) within the PEG;

(2) Relatively easy to find in both COLA and DC areas;

(3) Relatively common, i.e., what people typically buy;

(4) Relatively stable over time, e.g., not a fad item; and

(5) Subject to similar supply and demand functions.

(b) To the extent practical, the items OPM surveys in the COLA area must be identical to the items that OPM surveys in the DC area or be of closely similar quality and quantity, with quantities adjusted as necessary. An example of a quantity adjustment is converting prices for 10 and 12 oz. packages to a price per pound.

(c) Within any DEC, OPM may specify items that differ in quality and quantity from other items specified for the same DEC. However, when OPM compares prices for such items between the COLA area and the DC area, OPM compares prices of like products.
§ 591.213 What prices does OPM collect?

(a) OPM surveys the price charged to the consumer at the time of the survey. The price includes any sales, excise, or general business tax passed on to the consumer at the time of sale and any discounts, mark-downs, or “sales” in progress at the time the price was collected.

(b) Exceptions: (1) OPM does not collect coupon prices, clearance prices, going-out-of-business prices, or area-wide distress sale prices.

(2) OPM prices automobiles at dealers and obtains the sticker (i.e., non-negotiated) price for the model and specified options. The prices are the manufacturer’s suggested retail price (including options), destination charges, additional shipping charges, appropriate dealer-added items or options, dealer mark-up, and taxes.

(3) OPM estimates prices for selected items, such as health insurance and K-12 education, based on employee usage of the item. For example, OPM estimates health insurance prices based on the employee’s share of the premium costs and weights reflecting Federal enrollment, as reported in OPM’s Central Personnel Data File, in the various plans available to Federal employees in each area.

§ 591.214 How does OPM collect prices?

(a) OPM collects most prices by visiting or calling retail outlets in each survey area and observing or verbally obtaining the item prices.

(b) OPM prices some items by catalog, Internet, or a similar source. Other items, not normally sold within an area, may be priced in a different area. In either case, the price of such items includes any applicable taxes, shipping, and handling charges. When an item is normally sold within an area but is not available at the time of survey, OPM may, on a case-by-case basis, use the price of the item in a neighboring survey or COLA area.

§ 591.215 Where does OPM collect prices in the COLA and DC areas?

(a) Survey areas. Each COLA area has one survey area, except Hawaii County, HI, and the U.S. Virgin Islands COLA areas. Hawaii County has two survey areas: the Hilo area and the Kailua Kona/Waimea area. The U.S. Virgin Islands also has two survey areas: the Island of St. Croix and the Islands of St. Thomas and St. John. The Washington, DC, area has three survey areas: the District of Columbia, the Maryland suburbs of the District of Columbia, and the Virginia suburbs of the District of Columbia. OPM collects non-housing data throughout the survey area, and for selected items such as golf, snow skiing, and air travel, OPM collects non-housing data in additional geographic locations. OPM may collect housing data throughout the survey area or in specific housing data collection areas. The following table shows the survey areas:

¹ For selected items, such as golf, snow skiing, and air travel, these survey areas may include additional geographic locations beyond these jurisdictions.

² OPM may collect housing data in other areas in Puerto Rico that have a significant concentration of Federal employees stationed in those areas.

³ OPM collects housing data in St. John. OPM also may collect non-housing data from selected outlets in St. John.

(b) Rest of the State of Alaska COLA area. OPM may collect survey data on-site, use alternative indicators of relative living costs (e.g., price and cost information published by the University of Alaska), or both. If the use of alternative indicators would result in a
COLA rate reduction, OPM will conduct onsite surveys in one or more locations in the Rest of the State of Alaska COLA area, before making a reduction, to ensure that the reduction is warranted.

(c) Determining Survey Coverage. To aid OPM in determining survey coverage, OPM may from time to time conduct surveys of Federal employees in the COLA areas and/or the Washington, DC, area to determine where employees shop and what they spend on certain goods or services and to collect other information related to the price surveys and the calculation of price indexes.

§ 591.216 How does OPM combine survey data for the DC area and for COLA areas with multiple survey areas?

(a) Washington, DC, area. For each survey item except shelter, OPM averages separately the prices collected in each of the DC survey areas identified in § 591.215(a) and then averages these average prices together using equal weights to compute an overall average by item for the DC area.

(b) COLA areas with multiple survey areas. OPM computes weighted average indexes at the item, PEG, MEG, and/or overall level by using the corresponding indexes and Federal employment weights from each survey area within the COLA area.

§ 591.217 In which outlets does OPM collect prices?

OPM collects prices in popular outlets in each survey area. OPM selects these outlets based on their proximity to the housing data collection areas, accessibility by road, physical size, advertising, and other characteristics that reflect sales volume. To the extent practical, OPM prices like items in the same types of outlets in the COLA areas and the Washington, DC, area. As warranted, OPM also may conduct point-of-purchase surveys and select outlets based on the results of those surveys.

§ 591.218 How does OPM compute price indexes?

Except for shelter and energy utilities, OPM averages by item the prices collected in each survey area. For the Washington, DC, area, OPM computes a simple average for each item based on the average prices from each DC survey area. On an item-by-item basis, OPM divides the COLA survey area average price by the DC average price and produces a price index.

§ 591.219 How does OPM compute shelter price indexes?

(a) In addition to rental and rental equivalence prices and/or estimates, OPM obtains for each unit surveyed information about the important characteristics of the unit, such as size, number of bathrooms, and other amenities that reflect the quality of the unit.

(b) OPM then uses these characteristics and rental prices and/or estimates in hedonic regressions (a type of multiple regression) to compute for each COLA survey area the price index for rental and/or rental equivalent units of comparable quality and size between the COLA survey area and the Washington, DC, area.

§ 591.220 How does OPM calculate energy utility cost indexes?

(a) OPM calculates energy utility cost indexes based on the relative cost of maintaining a standard size dwelling in each area at a given ambient temperature and the cost of other energy uses. Although the dwelling size may vary from one COLA survey area to another, OPM compares the utility cost for the same size dwelling in the COLA survey area and the Washington, DC, area.

(b) OPM applies the following six-step process to compute a cost index(es) for heating and cooling a standard home to a given ambient temperature and to combine the cost index(es) by energy type (e.g., electricity and natural gas) with cost indexes for other energy uses.

1. OPM obtains technical information about the requirements by major energy type for heating and cooling a standard size dwelling, built
Office of Personnel Management

§ 591.222 How does OPM compute the consumer expenditure weights it uses to combine price indexes?

OPM uses the following ten-step process to compute consumer expenditure weights:
(a) Step 1. OPM obtains the latest BLS tabulated CES data nationwide and for the Washington, DC, area.
(b) Step 2. In both the nationwide and DC area tabulated data, OPM replaces the homeowners’ expenditures for shelter with estimated rental values of owned homes that are available elsewhere in tabulated CES data. Note: These replacements are consistent with the rental equivalence approach described in §591.219.
(c) Step 3. OPM selects the central income groups in the nationwide CES tabulation.
(d) Step 4. OPM calculates the expenditure shares (i.e., percentages) for each central income group by dividing each of its DEC expenditures by total expenditures for the income group.
OPM also calculates expenditure shares for total nationwide expenditures by dividing each nationwide DEC expenditure by total nationwide expenditures.
(e) Step 5. OPM computes a democratic distribution of expenditure shares by averaging the central income groups’ shares at each DEC and higher level of aggregation.
(f) Step 6. OPM computes a set of ratios by dividing each expenditure share of the nationwide democratic distribution by the corresponding expenditure share of the total national distribution.
(g) Step 7. OPM computes estimated expenditures for Washington DC for each DC DEC and higher level of aggregation that BLS reported by multiplying the reported expenditure by the corresponding ratio derived in Step 6.
(h) Step 8. For each DC DEC and higher level of aggregation that BLS did not report, OPM computes expenditures for DC by distributing the DC expenditure calculated in step 7 using the distribution of expenditure shares derived in step 5.
(i) Step 9. As described in §591.211(c), OPM classifies each DEC and aggregate into PEGs.
(j) Step 10. OPM computes expenditure weights by dividing each DEC or aggregate by the total expenditure derived from the DC expenditure computed in step 8. Therefore, the sum of the MEGs, PEGs, and DECs, will separately total 100, i.e., so that all consumer expenditures in the original tabulation are accounted for.

§ 591.222 How does OPM use the expenditure weights to combine price indexes?

OPM uses a three-step process to combine price indexes.
(a) Step 1. For each DEC represented by one or more items for which OPM could make valid price comparisons (e.g., OPM was able to collect representative prices in both the COLA and DC areas), OPM computes the unweighted geometric average (the nth root of the product of n numbers) of the price index(es) of all item(s) representing the DEC.
(b) Step 2. OPM multiplies the price index for each DEC by its expenditure.
weight, sums the cross products, and divides by the sum of the weights used in the calculation. This produces a price index for the level of aggregation (e.g., PEG or sub-PEG) in which the DEC is categorized.

(c) Step 3. OPM repeats the process described in Step 2 at each level of aggregation within the PEG to produce a price index for the PEG, at the PEG level to produce an index for the MEG, and at the MEG level to produce the overall price index for the COLA area.

§ 591.223 When does OPM conduct COLA surveys?

(a) OPM conducts a survey in each COLA area once every 3 years on a rotational basis and surveys the Washington, DC, area concurrently with each COLA area survey. The order of the COLA area surveys is as follows:

1. Year 1. All COLA areas in the Commonwealth of Puerto Rico and the U.S. Virgin Islands.
2. Year 2. All COLA areas in the State of Alaska, except as provided in paragraph (b)(2) of this section.
3. Year 3. All COLA areas in the State of Hawaii and the Territory of Guam and CNMI.

(b) Exceptions:

1. Nothing in this subpart precludes OPM from conducting interim surveys or implementing some other change in response to conditions caused by a natural disaster or similar emergency, provided OPM publishes a notice or rule in the Federal Register explaining the change and the reason(s) for it.
2. As provided in §591.215(c), OPM does not conduct surveys in the Rest of the State of Alaska COLA area unless COLA rate reductions appear warranted.

§ 591.224 How does OPM adjust price indexes between surveys?

(a) OPM adjusts price indexes between the triennial surveys in each COLA area that is not surveyed in that year. To do this, OPM uses the annual or biennial change in the Consumer Price Index (CPI) for the COLA area relative to the annual or biennial change in the CPI for the Washington, DC, area. OPM uses the annual change for those areas surveyed the preceding year. OPM uses the biennial change for those areas surveyed 2 years before.

(b) Paragraph (a) of this section applies beginning with the effective date of the results of the 2005 survey conducted in Puerto Rico and the U.S. Virgin Islands.

(c) Based on additional housing data that may be collected before the 2005 survey conducted in Puerto Rico and the U.S. Virgin Islands, OPM will adjust as warranted the price indexes and COLA rates for Puerto Rico, the U.S. Virgin Islands, and the COLA areas in the State of Alaska. OPM will implement any such adjustments on a one-time basis on the effective date of the results of the 2004 surveys conducted in Hawaii and Guam/CNMI, and subject to §591.228, OPM will publish such adjustments as provided in §591.229.

§ 591.225 Which CPIs does OPM use?

OPM uses the following CPIs:

(a) For the Washington, DC, area—the BLS Consumer Price Index, All Urban Consumers (CPI-U);

(b) For all COLA areas in the State of Alaska—the BLS CPI-U for Anchorage, AK;

(c) For all COLA areas in the State of Hawaii and for Guam and the CNMI—the BLS CPI-U for Honolulu, HI; and

(d) For Puerto Rico and the U.S. Virgin Islands—the Puerto Rico CPI as produced by the Puerto Rico Department of Work and Human Resources.

§ 591.226 How does OPM apply the CPIs?

(a) OPM uses a three-step process to adjust price indexes by relative annual or biennial changes in the CPIs. For steps 1 and 2, OPM computes the annual change by dividing the CPI from 1 year after the survey by the CPI from the time of the survey. OPM computes the biennial change by dividing the CPI from 2 years after the survey by the CPI from the time of the survey.

1. Step 1. OPM computes the annual or biennial CPI change for the COLA area.
2. Step 2. OPM computes the annual or biennial CPI change for the DC area.

§ 591.228 How does OPM conduct COLA surveys?
§ 591.231 Which areas are post differential areas?

OPM has established the following post differential areas:

(a) American Samoa as defined in § 591.205,
(b) Territory of Guam,
(c) Commonwealth of the Northern Mariana Islands,
(d) Johnston Atoll (including Sand Island),
§ 591.232 How does OPM establish and review post differentials?

(a) OPM establishes a post differential by rulemaking if Government agencies require it for recruitment purposes and if one or more of the following conditions exist:
(1) Extraordinarily difficult living conditions,
(2) Excessive physical hardship, and/or
(3) Notably unhealthful conditions.
(b) OPM periodically reviews with Federal agencies whether conditions of environment have changed in the post differential areas and whether payment of the post differential continues to be warranted as a recruitment incentive.

§ 591.233 Who can receive a post differential?

An employee must meet all of the following conditions to be eligible to receive a post differential:
(a) The employee must be a citizen or national of the United States,
(b) The employee’s official worksite or detail to temporary duty must be in the post differential area, and
(c) Immediately prior to being assigned to duty in the post differential area, the employee must have maintained his or her actual place(s) of residence outside the post differential area for an appropriate period of time (generally at least 1 year or more), except as provided in § 591.234.

§ 591.234 Under what circumstances may people recruited locally receive a post differential?

(a) Current residents of the area qualify for a post differential if they were originally recruited from outside the differential area and have been in substantially continuous employment by the United States or by U.S. firms, interests, or organizations.
(b) Examples of persons recruited locally but eligible to receive a post differential include, but are not limited to—
(1) Those who were originally recruited from outside the area and have been in substantially continuous employment by other Federal agencies, contractors of Federal agencies, or international organizations in which the U.S. Government participates and whose conditions of employment provide for their return transportation to places outside the post differential area,
(2) Those who are temporarily present in the post differential area for travel or formal study at the time they are hired and have maintained actual places of residence outside the area for an appropriate period of time, and
(3) Those who are discharged from U.S. military service in the differential area to accept employment with a Federal agency and have maintained actual places of residence outside the differential area for an appropriate period of time.

§ 591.235 When do COLA and post differential payments begin?

(a) Agencies begin paying an employee a COLA or post differential on the effective date of the change in the employee’s official worksite to an official worksite within the COLA or post differential area or, in the case of local recruitment, on the effective date of the appointment.
(b) For an employee detailed to temporary duty in a post differential area and who is otherwise eligible for a post differential, agencies must begin paying a post differential after 42 consecutive calendar days of temporary duty in the post differential area.

§ 591.236 When do COLA and post differential payments end?

Subject to § 591.237(a), agencies stop paying an employee a COLA or post differential on—
(a) Separation,
(b) The effective date of assignment or transfer to a new official worksite outside the COLA or post differential area, or
(c) In the case of an employee on detail to temporary duty in a post differential area, the ending date of the detail.
§ 591.237 Under what circumstances may employees on leave or travel receive a COLA and/or post differential?

(a) An employee on leave or travel may receive a COLA or post differential only if the agency anticipates that the employee will return to duty in the area. Exceptions: If the employee does not return to duty in the area, the agency may still pay a COLA and/or a post differential for the period of leave or travel, subject to paragraph (b) of this section, if the agency determines that—

(1) It is in the public interest not to return the employee to the official worksite, or

(2) The employee will not return because of compelling personal reasons or circumstances over which the employee has no control.

(b) Post differentials. Agencies may pay a post differential to an employee only during the employee’s first 42 consecutive calendar days of absence from the post differential area.

§ 591.238 How do agencies pay COLAs and post differentials?

(a) Agencies pay COLAs and post differentials as a percentage of an employee’s hourly rate of basic pay, including a retained rate of pay under 5 U.S.C. 3594(c) or 5363, for those hours during which the employee receives basic pay. This includes all periods of paid leave, detail, or travel status outside the COLA or post differential area.

(b) Agencies pay employees eligible for both a COLA and a post differential the full amount of the COLA, plus so much of the post differential as will not cause the combined total of the COLA and post differential to exceed 25 percent of the hourly rate of basic pay.

§ 591.239 How do agencies treat COLAs and post differentials for the purpose of overtime pay and other entitlements?

(a) Agencies include COLAs in the employee’s straight time rate of pay and include COLAs and post differentials in an employee’s regular rate of pay for computing overtime pay entitlements for nonexempt employees under the Fair Labor Standards Act of 1938, as amended.

(b) Agencies may not include a COLA or post differential as part of an employee’s rate of basic pay for the purpose of computing entitlements to overtime pay, retirement, life insurance, or any other additional pay, COLA, or post differential under title 5, United States Code.

(c) Payment of a COLA or post differential is not an equivalent increase in pay within the meaning of 5 U.S.C. 5335.

§ 591.240 How are agency and employee representatives involved in the administration of the COLA and post differential programs?

(a) OPM may establish a COLA Advisory Committee in each COLA survey area. The committees are composed of agency and employee representatives from the COLA survey area and one or more representatives from OPM.

(b) To the extent practical, the COLA Advisory Committees coordinate and work with the Survey Implementation Committee established pursuant to Caraballo, et al. v. United States, No. 1997–0027 (D.V.I).

§ 591.241 What are the key activities of the COLA Advisory Committees?

(a) The COLA Advisory Committees may—

(1) Advise and assist OPM in planning living-cost surveys;

(2) Provide or arrange for observers for data collection during living-cost surveys;

(3) Advise OPM on its administration of the COLA program, including survey methodology; and

(5) Assist OPM in disseminating information to affected employees about the living-cost surveys and the COLA program.

(b) The committees also may advise OPM on special situations or conditions, such as hurricanes and earthquakes, as they relate to OPM’s authority under § 591.223(b) to conduct interim surveys or implement some other change in response to conditions caused by a natural disaster or similar emergency.
§ 591.242 What is the tenure of a COLA Advisory Committee?

OPM may establish a COLA Advisory Committee in each area prior to each living-cost survey conducted in that area. OPM will appoint committee members for 3-year renewable terms. To the extent practical, the committee will continue to exist between surveys, but OPM may periodically review with the committee whether there is a continuing need for the committee.

§ 591.243 How many members are on each COLA Advisory Committee?

A COLA Advisory Committee has up to 12 members composed of OPM representatives and other agency and employee representatives, unless OPM determines that the committee should be larger. In determining the number of committee members, OPM considers the amount of work the committee is likely to be requested to do (based on the size and complexity of the local living-cost survey) and the availability of employee and agency representatives to participate as committee members.

§ 591.244 How does OPM select COLA Advisory Committee members?

(a) In establishing a COLA Advisory Committee, OPM invites local agencies and employee organizations to nominate committee members. OPM also invites COLA Defense Corporations and the local Federal Executive Board or Federal Executive Association each to nominate committee members. Subject to § 591.243, OPM selects committee members from these nominations in a manner designed to achieve a balanced representation that is reflective of agencies and employee organizations in the area. OPM may select additional nominees to serve as alternates to the primary committee members. OPM designates not more than two OPM representatives to serve on each committee.

(b) Each Executive agency, as defined in 5 U.S.C. 105, must cooperate and release appointed employees for committee proceedings and activities unless the agency can demonstrate that exceptional circumstances directly related to accomplishing the mission of the employee’s work unit require his or her presence on the job. Executive agency employees serving as committee members are considered to be on official assignment to an interagency function, rather than on leave, and are eligible to receive reimbursement for authorized travel expenses from their respective agencies.

APPENDIX A TO SUBPART B OF PART 591—PLACES AND RATES AT WHICH ALLOWANCES ARE PAID

This appendix lists the places approved for a cost-of-living allowance and shows the authorized allowance rate for each area. The allowance rate shown is paid as a percentage of an employee’s rate of basic pay. The rates are subject to change based on the results of future surveys.

Subpart C—Allowance Based on Duty at Remote Worksites

§ 591.301 Purpose.
This subpart prescribes the regulations required by section 5942 of title 5, United States Code, for the payment of an allowance based on duty at remote worksites.

§ 591.302 Coverage.
(a) Agencies. This subpart applies to executive departments as defined in section 101 of title 5, United States Code, and to independent establishments as defined in section 104 of title 5, United States Code, but does not apply to Government corporations as defined in section 103 of title 5, United States Code.
(b) Employee. This subpart applies to each employee assigned to a permanent duty station at or within a designated remote duty post, except an employee who is a permanent or temporary resident at the remote duty post, and except foreign nationals employed at remote duty posts in foreign countries.

§ 591.303 Responsibilities of agencies and the Office of Personnel Management.
(a) Each agency is responsible for:
(1) Establishing and subsequently adjusting, in accordance with the provisions of this subpart, an allowance for each remote duty post at which the agency has employees and which meets the criteria in paragraph (a)(1) of §591.304, as restricted by paragraph (b) of §591.304;
(2) Advising the Office of Personnel Management of each establishment or adjustment of an allowance under paragraph (a)(1) of this section, and of the basis for such establishment or adjustment;
(3) Submitting a recommendation to the Office of Personnel Management to establish or adjust an allowance for each remote duty post at which the agency has employees and which meets the criteria in paragraph (a)(2) or (a)(3) or paragraph (c) of §591.304; and
(4) Advising the Office of Personnel Management in a timely manner of any changes in a duty post or commuting conditions or other factors that may affect an allowance that has been authorized by the Office of Personnel Management under paragraph (b) of this section.
(b) The Office of Personnel Management is responsible for:
(1) Establishing and subsequently adjusting, in accordance with the provisions of this subpart, an allowance for each remote duty post which does not meet the criteria in paragraph (a)(1) of §591.304, but does meet the criteria in paragraph (a)(2) or (a)(3) or paragraph (c) of §591.304;
(2) Reviewing each establishment or adjustment of an allowance by an agency under paragraph (a)(1) of this section to determine if such establishment or adjustment is in accordance with the provisions of this subpart; and
(3) Directing the termination or adjustment of any allowance determined by the Office to be not in accordance with the provisions of this subpart, which termination or adjustment shall be implemented by the agency without delay.
(c) Each allowance which has been authorized by the Office of Personnel Management or the Civil Service Commission on or before February 1, 1979, and which is authorized for a remote duty post which meets the criteria in paragraph (a)(1) of §591.304, shall be subject to further adjustment by the agency under paragraph (a)(1) of this section as if such allowance had been initially authorized by the agency under that paragraph.

§ 591.304 Criteria for determining remoteness.
(a) Except as provided by paragraphs (b) and (c) of this section, a duty post shall be determined to be a remote duty post for basic allowance eligibility purposes when:
(1) Normal ground transportation (e.g., automobile, train, bus) is available on a daily basis and the duty post is 80 kilometers (50 miles), or more, one way from the nearest established community or suitable place of residence.
Distance shall be computed in road or rail kilometers (miles) over the most direct route traveled from the center of the city, or other appropriate point for large cities or areas; or

(2) Daily commuting is impractical because the location of the duty post and available transportation are such that agency management requires employees to remain at the duty post for their workweek as a normal and continuing part of the conditions of employment; or

(3) Transportation may be accomplished only by boat, aircraft, or unusual conveyance, or under extraordinary conditions, and the distance, time, and commuting conditions result in expense, inconvenience, or hardship significantly greater than that encountered in metropolitan area commuting. A determination may only be made on an individual location basis.

(b) Except when the criteria in paragraph (a)(2) or (3) of this section are met, the criteria in paragraph (a)(1) of this section are not met:

(1) When the duty post is within the boundary of a metropolitan area, a developed urban area, or community of sufficient size to provide adequate consumer facilities; and

(2) When the duty post is within 80 kilometers (50 miles) of the center of, or other appropriate point for large cities or areas, a metropolitan area, a developed urban area, or community of sufficient size to provide adequate consumer facilities. (This generally excludes a post of duty within 80 kilometers (50 miles) of any city of 5,000 or more population.)

(c) A determination of remoteness for a duty post outside the 50 United States will be made on an individual location basis, taking into consideration the distance, time, and commuting conditions, and the extent to which these factors result in significant expense, inconvenience, or hardship.

§ 591.305 Allowance rates.

(a) General. An allowance rate may not exceed $10 a day. An allowance rate shall be established for each post of duty determined to be remote under § 591.304, and shall be terminated or adjusted as warranted. In determining the amount of the allowance rate, the following shall be considered:

(1) Transportation expenses incurred in commuting to the remote post of duty as compared to transportation expenses (including cost of public transportation service) representative of those incurred in metropolitan areas within the United States or overseas as appropriate as periodically determined by the Office of Personnel Management.

(2) Expenses incurred for lodging, meals, other services, and miscellaneous expenses when it is not feasible for an employee to commute daily as at duty posts determined under § 591.304(a)(2).

(3) Inconvenience or hardship associated with commuting to the remote duty post taking into account such factors as travel time, road conditions and terrain, type and quality of vehicle, and climate conditions, and conditions that exist at those duty posts determined by the Office of Personnel Management to meet the criteria in § 591.304(a)(2).

(4) Operational or workload demands, weather conditions, or other situations which require an employee to report to or remain at this post of duty substantially beyond his or her normal arrival or departure time with respect to those duty posts meeting the criteria in § 591.304(a)(2).

(b) Authorized allowance rates. Each authorized allowance rate for each duty post may consist of up to three parts, separately stated as appropriate, and the authorized allowance rate shall be paid as provided in § 591.306, but no employee may be paid more than $10 a day. The parts which make up the authorized allowance rate are:

(1) Transportation allowance—(i) Commuting by private motor vehicle. A transportation allowance schedule showing the daily transportation expense rate to be paid under the distances and conditions described, when commuting by private motor vehicle is set out as appendix A to this subpart and is incorporated in and made part of this section.
§ 591.307  Payment of allowance rate.

(a) An authorized allowance rate is earned on a daily basis; however, where appropriate for administrative convenience, the rate may be averaged taking into consideration the number of non-commuting days over a period of time, and paid for each workday, excluding days in a nonpay status and period of extended absence.

(b) The transportation allowance is paid only when expense is incurred and at the lowest rate consistent with available transportation.

(c) The inconvenience or hardship allowance is paid regardless of eligibility for the transportation expense part of the allowance rate when the employee is otherwise eligible.

(d) Except as provided under §591.305(b)(4)(ii), when the necessity for remaining at the post of duty for the workweek is the basis for the allowance under §591.304(a)(2), the allowance...
§ 591.308 Relationship to additional pay payable under other statutes.

An allowance authorized under this subpart is in addition to any additional pay or allowances payable under other statutes. It shall not be considered part of the employee’s rate of basic pay in computing additional pay or allowances payable under other statutes.

§ 591.309 Effective date for payment of allowances.

When an allowance is authorized for a remote duty post, the authorization shall specify the effective date that an agency shall begin paying the allowance to its employees, except that a date earlier than January 8, 1971, may not be specified.

§ 591.310 Effect of regulations in this subpart on allowances established under previous statutes.

Regulations in this subpart do not require a reduction in the allowance rates authorized under previous statutes unless an adjustment is determined to be warranted on the basis of a change in facts and circumstances on which that previous allowance was established.

Degree A Commuting Conditions

Good paved roads; climatic conditions cause intermittent driving difficulty.

Degree B Commuting Conditions

Roads typically fair but may be good for part of distance or may be unpaved for short distances; climatic conditions during part of a season, in relation to terrain, contribute to additional cost.

Degree C Commuting Conditions

Fair to poor roads; unpaved for part of distance, or travel over range; hilly or mountainous terrain; climatic conditions during most of a season contribute to additional cost.

(a) Purpose. This subpart prescribes the regulations required by section
§ 591.402 Definitions.

Adult, a term used in the Department of State Standardized Regulations (Government Civilians, Foreign Areas), means a family member who is 21 years of age or older.

Domestic partner means a person in a domestic partnership with an employee or annuitant of the same sex.

Domestic partnership means a committed relationship between two adults of the same sex in which the partners—

(1) Are each other’s sole domestic partner and intend to remain so indefinitely;

(2) Maintain a common residence, and intend to continue to do so (or would maintain a common residence but for an assignment abroad or other employment-related, financial, or similar obstacle);

(3) Are at least 18 years of age and mentally competent to consent to contract;

(4) Share responsibility for a significant measure of each other’s financial obligations;

(5) Are not married or joined in a civil union to anyone else;

(6) Are not the domestic partner of anyone else;

(7) Are not related in a way that, if they were of opposite sex, would prohibit legal marriage in the U.S. jurisdiction in which the domestic partnership was formed;

(8) Are willing to certify, if required by the agency, that they understand that willful falsification of any documentation required to establish that an individual is in a domestic partnership may lead to disciplinary action and the recovery of the cost of benefits received related to such falsification, as well as constitute a criminal violation under 18 U.S.C. 1001, and that the method for securing such certification, if required, will be determined by the agency; and

(9) Are willing promptly to disclose, if required by the agency, any dissolution or material change in the status of the domestic partnership.

Family member means one or more of the following relatives of an employee who would normally reside with the employee except for circumstances warranting the granting of a separate maintenance allowance, but who do not receive from the Government an allowance similar to that granted to the employee and who is not deemed to be a family member of another employee for the purpose of determining the amount of a separate maintenance allowance or similar allowance:

(1) Children who are unmarried and under 21 years of age or who, regardless of age, are incapable of self-support, including natural children, step and adopted children, and those under legal guardianship or custody of the employee, or of the employee’s spouse or domestic partner, when they are expected to be under such legal guardianship or custody at least until they reach 21 years of age and when dependent upon and normally residing with the guardian;

(2) Parents (including step and legally adoptive parents) of the employee, or of the employee’s spouse or domestic partner, when such parents are at least 51 percent dependent on the employee for support;

(3) Sisters and brothers (including step or adoptive sisters and brothers) of the employee, or of the employee’s spouse or domestic partner, when such
sisters and brothers are at least 51 percent dependent on the employee for support, unmarried and under 21 years of age, or regardless of age, are incapable of self-support;

(4) Spouse, excluding a spouse independently entitled to and receiving a similar allowance; or

(5) Domestic partner, excluding a domestic partner independently entitled to and receiving a similar allowance.

Johnston Island, also called Johnston Atoll, is a possession of the United States located 717 nautical miles southwest of Honolulu, Hawaii.

Separate maintenance allowance means an allowance to assist an employee assigned to Johnston Island who is compelled by reason of dangerous, notably unhealthful, or excessively adverse living conditions at Johnston Island, or for the convenience of the Government, to meet the additional expense of maintaining family members at a location other than Johnston Island.

§ 591.403 Amount of payment.

(a) The annual rate of the separate maintenance allowance paid to an employee is determined by the number of individuals, including a spouse, a domestic partner, and/or one or more other family members, who are maintained at a location other than Johnston Island.

(b) The annual rates for the separate maintenance allowance paid to employees assigned to Johnston Island shall be the same as the annual rates for the separate maintenance allowance established by the Department of State in its Standardized Regulations (Government Civilians, Foreign Areas). The annual rates shall not vary by location of the separate household.

(c) The annual rates of the separate maintenance allowance shall be adjusted on the first day of the first pay period beginning on or after July 1, 1996 and, subsequently, on the first day of the first pay period beginning on or after the effective date established for adjustment of annual rates for the separate maintenance allowance in the Standardized Regulations (Government Civilians, Foreign Areas).

§ 591.404 Method of payment.

(a) Separate maintenance allowance rates are paid from the employee’s date of arrival at Johnston Island to the employee’s date of departure from Johnston Island. No deductions are necessary for details away from Johnston Island or for partial days. The separate maintenance allowance shall be computed and paid at daily rates as follows:

1. Divide the annual rate of payment by the number of days in the applicable calendar year to obtain a daily rate (counting one half-cent and over as a whole cent);

2. Multiply the daily rate by 14 to obtain a biweekly rate; and

3. Multiply the daily rate by the number of days involved to obtain the rate for any period.

(b) A separate maintenance allowance is not part of an employee’s rate of basic pay for any purpose.

(c) The rate for any pay period shall be computed at the daily rate applicable on the first day of that pay period.

§ 591.405 Responsibilities of agencies.

Agencies with employees stationed at Johnston Island may require reasonable verification of relationship and dependency.

§ 591.406 Records and reports.

So that the Office of Personnel Management can evaluate agencies’ use of this authority and provide the Congress and others with information regarding the use of a nonforeign separate maintenance allowance, each agency shall maintain such records and submit to the Office of Personnel Management reports and data as requested.

PART 595—PHYSICIANS’ COMPARABILITY ALLOWANCES

Sec.

595.101 Purpose.

595.102 Who is covered by this program?
§ 595.101 Purpose.

Section 5948 of title 5, United States Code, authorizes the payment of allowances to certain eligible Federal physicians who enter into service agreements with their agencies. These allowances are paid only to categories of physicians for which the agency is experiencing recruitment and retention problems and are fixed at the minimum amounts necessary to deal with such problems. The President has delegated regulatory responsibility for this program to the Director of OPM, acting in consultation with the Office of Management and Budget. This part contains the regulations, criteria and conditions which the Director of OPM, in consultation with the Director of the Office of Management and Budget, has prescribed for the administration of the physicians’ comparability allowance program. This part supplements and implements 5 U.S.C. 5948 and should be read together with that section of law.

§ 595.102 Who is covered by this program?

(a) This program covers individuals employed as physicians under the Federal pay systems listed in 5 U.S.C. 5948(g)(1), except as provided in 5 U.S.C. 5948(b). For the purposes of this part, an individual is employed as a physician only if he or she is serving in a position the duties and responsibilities of which could not be satisfactorily performed by an incumbent who is not a physician.

(b) Section 5948(b) of title 5, United States Code, prohibits the payment of physicians’ comparability allowances to certain physicians, including physicians who are reemployed annuitants. For the purpose of applying this prohibition, reemployed annuitant means an individual who is receiving or has title to and has applied for an annuity under any retirement program of the Government of the United States, or the government of the District of Columbia, on the basis of service as a civilian employee.

(c) Physicians employed and paid under title 38, United States Code, and Commissioned Corps officers of the Public Health Service under title 42, United States Code, are not eligible for physicians’ comparability allowances.

§ 595.103 What requirements must agencies establish for determining which physician positions are covered?

(a) The head of each agency must determine categories of physician positions for which there is a significant recruitment and retention problem, and physicians’ comparability allowances may be paid only to physicians serving in positions in such categories.

(b) In determining categories of physician positions, the head of each agency must, as a minimum, establish as separate categories the following types of positions:

(1) Positions primarily involving the practice of medicine or direct service to patients, involving the performance of diagnostic, preventive, or therapeutic services to patients in hospitals, clinics, public health programs, diagnostic centers, and similar settings, but not including positions described in paragraph (b)(3) of this section;

(2) Positions primarily involving the conduct of medical research and experimental work, including the conduct of medical work pertaining to food, drugs, cosmetics, and devices (or the review or evaluation of such medical research and experimental work), or the identification of causes or sources of disease or disease outbreaks;

(3) Other positions.

Source: 44 FR 40876, July 13, 1979, unless otherwise noted.
§ 595.105 What criteria must be used to determine the amount of a physicians' comparability allowance?

(a) The amount of the comparability allowance payable for each category of physician positions established under § 595.103 must be the minimum amount necessary to deal with the recruitment and retention problem identified under § 595.104 for that category of positions. In determining this amount, the agency head must consider the relative earnings, responsibilities, expenses, workload, working conditions, conditions of employment, and personnel benefits for physicians in each category and for comparable physicians inside and outside the Federal Government.

(b) Agencies may not pay a physicians' comparability allowance in excess of $14,000 annually to a physician with 24 months or less of service as a Government physician. Agencies may not pay a physicians' comparability allowance in excess of $30,000 annually to a physician with more than 24 months of service as a Government physician.

(c) In determining length of service as a Government physician, agencies must exclude periods of leave without pay. However, agencies may credit any prior service as a Government physician, including—

(1) Prior service as a physician under sections 7401 and 7405 of title 38, United States Code; and

(2) Prior active service as a medical officer in the Commissioned Corps of the Public Health Service under title II of the Public Health Service Act (42 U.S.C. chapter 6A).

(d) A physician who is employed on a regularly scheduled part-time basis of half-time or more is eligible to receive a physicians' comparability allowance, but any such allowance must be prorated according to the proportion of the physicians' work schedule to full-time employment. A physician who is employed on less than a half-time or
§ 595.106

An intermittent basis is excluded from the physicians’ comparability allowance program.

(e) A physician who is serving with the Government under a loan repayment program must have the amount of any loan being repaid deducted from any physicians’ comparability allowance for which he or she is eligible and may receive only that portion of such allowance which exceeds the amount of the loan being repaid during the period of employment required by the service agreement under the student loan repayment program.

§ 595.106 What termination and refund provisions are required?

Each service agreement entered into by an agency and a physician under the comparability allowance program must prescribe the terms under which the agreement may be terminated and the amount of allowance, if any, required to be refunded by the physician for each reason for termination. In the case of each service agreement covering a period of service of more than 1 year, the service agreement must include a provision that, if the physician completes more than 1 year of service pursuant to the agreement, but fails to complete the full period of service specified in the agreement either voluntarily or because of misconduct by the physician, the physician must refund the amount of allowance he or she has received under the agreement for the 26 weeks of service immediately preceding the termination (or for a longer period, if specified in the agreement).

[69 FR 27818, May 17, 2004]

§ 595.107 What are the requirements for implementing a physicians’ comparability allowance program?

(a) An agency may not enter into any service agreement under 5 U.S.C. 5948 until the agency’s plan for implementing the physicians’ comparability allowance program has been submitted to and approved by the Office of Management and Budget in accordance with this section and such instructions as the Office of Management and Budget may prescribe.

(b) The agency must submit to the Office of Management and Budget a complete description of its plan for implementing the physicians’ comparability allowance program, including the following:

(1) An identification of the categories of physician positions the agency has established under §595.103, and of the basis for such categories;

(2) An explanation of the determination that a recruitment and retention problem exists for each such category, in accordance with the criteria in §595.104; and

(3) An explanation of the basis for the amount of comparability allowance determined necessary for each category of physician position under §595.105.

(c) The Office of Management and Budget (OMB) will review each agency’s plan for implementing the physicians’ comparability allowance program and determine whether the plan is consistent with 5 U.S.C. 5948 and the requirements of this part. The Office of Management and Budget will advise the agency within 45 calendar days after receipt of the plan as to whether the plan is consistent with 5 U.S.C. 5948 and this part or what changes need to be made.

This subpart applies to each employee to whom subpart A of part 550 applies and to each employee whose pay is fixed and adjusted from time to time under section 5343 or 5349 of title 5, United States Code, or by a wage board or similar administrative authority serving the same purpose.

[42 FR 3297, Jan. 18, 1977]

§ 610.102 Definitions.

In this subpart:

Administrative workweek means any period of 7 consecutive 24-hour periods designated in advance by the head of the agency under section 6101 of title 5, United States Code.

Agency means an Executive agency and a military department as defined by sections 105 and 102 of title 5, United States Code.

Basic workweek, for full-time employees, means the 40-hour workweek established in accordance with §610.111.

Employee means an employee of an agency to whom this subpart applies.

Head of agency means the head of an agency or an official who has been delegated the authority to act for the head of the agency in the matter concerned.

Regularly scheduled administrative workweek, for a full-time employee, means the period within an administrative workweek, established in accordance with §610.111, within which the employee is regularly scheduled to work. For a part-time employee, it means the officially prescribed days and hours within an administrative workweek during which the employee is regularly scheduled to work.

Tour of duty means the hours of a day (a daily tour of duty) and the days of an administrative workweek (a weekly tour of duty) that constitute an employee’s regularly scheduled administrative workweek.

(5 U.S.C. 5548 and 6101(c))

WORKWEEK

§ 610.111 Establishment of workweeks.

(a) The head of each agency, with respect to each full-time employee to whom this subpart applies, shall establish by a written agency policy statement:

(1) A basic workweek of 40 hours which does not extend over more than 6 of any 7 consecutive days. Except as provided in paragraphs (b), (c), and (d) of this section, the written agency policy statement shall specify the days and hours within the administrative workweek that constitute the basic workweek.

(2) A regularly scheduled administrative workweek that consists of the 40-hour basic workweek established in accordance with paragraph (a)(1) of this section, plus the period of regular overtime work, if any, required of each employee. Except as provided in paragraphs (b), (c), and (d) of this section,
§610.121 Establishment of work schedules.

(a) Except when the head of an agency determines that the agency would be seriously handicapped in carrying out its functions or that costs would be substantially increased, he or she shall provide that—

(1) Assignments to tours of duty are scheduled in advance of the administrative workweek over periods of not less than 1 week;

(2) The basic 40-hour workweek is scheduled on 5 days, Monday through Friday when possible, and the 2 days outside the basic workweek are consecutive;

(3) The working hours in each day in the basic workweek are the same;

(4) The basic nonovertime workday may not exceed 8 hours;

(5) The occurrence of holidays may not affect the designation of the basic workweek; and

(6) Breaks in working hours of more than 1 hour may not be scheduled in a basic workday.

(b) The head of an agency shall schedule the work of his or her employees to accomplish the mission of the agency. The head of an agency shall schedule an employee’s regularly scheduled administrative workweek so that it corresponds with the employee’s actual work requirements.

(1) The head of an agency shall establish a basic work requirement for each employee as defined in section 6121 of title 5, United States Code. A flexible or compressed work schedule is a scheduled tour of duty and all work performed by an employee within the basic work requirement is considered regularly scheduled work for premium pay and hours of duty purposes.

(5 U.S.C. 5548 and 6101(c))

§ 610.202 Determining the holiday.

For purposes of pay and leave, the day to be treated as a holiday is determined as follows:

(a) Except when employees are entitled to a different holiday under 5 U.S.C. 6103(b)(3), an employee's holiday is the day designated by 5 U.S.C. 6103(a) whenever part of the employee's basic workweek (as defined in §610.102) or basic work requirement (as defined in 5 U.S.C. 6121(3)) is scheduled on that day.

(b) When a holiday falls on a non-workday outside an employee's basic workweek, the day to be treated as his or her holiday is determined in accordance with sections 6103(b) and (d) of title 5, United States Code, and Executive Order 11582.

(c) When an agency determines the holiday in accordance with section 6103(d) of title 5, United States Code, for an employee under a compressed work schedule, the agency shall select a workday for the holiday that is in the same biweekly pay period as the date of the actual holiday designated under 5 U.S.C. 6103(a) or in the biweekly pay period immediately preceding or following that pay period.

(d) The provisions of section 6103(b)(3) of title 5, United States Code, on determining holidays for certain employees at duty posts outside the United States

(8) Midway Atoll;
(9) Wake Island;
(10) Johnston Island; and
(11) Palmyra.

§ 610.301 Purpose.
The purpose of this subpart is to provide uniform and equitable standards under which regular employees paid at daily, hourly, or piecework rates may be relieved from duty with pay by administrative order.

§ 610.302 Policy statement.
The authority in this subpart may be used only to the extent warranted by good administration for short periods of time not generally exceeding 3 consecutive work days in a single period of excused absence. This authority may not be used in situations of extensive duration or for periods of interrupted or suspended operations such as ordinarily would be covered by the scheduling of leave, furlough, or the assignment of other work. In this subpart:
Administrative order means an order issued by an authorized official of an agency relieving regular employees from active duty without charge to leave or loss of pay.
Regular employees means employees paid at daily, hourly, or piecework rates who have a regular tour of duty, and whose appointments are not limited to 90 days or less or who have been currently employed for a continuous period of 90 days under one or more appointments without a break in service.

§ 610.304 Coverage.
This subpart applies to regular employees of the Federal Government paid at daily, hourly, or piecework rates. This subpart does not apply to experts and consultants.

§ 610.305 Standards.
An administrative order may be issued under this subpart when:
(a) Normal operations of an establishment are interrupted by events beyond the control of management or employees;
(b) For managerial reasons, the closing of an establishment or portions thereof is required for short periods; or
(c) It is in the public interest to relieve employees from work to participate in civil activities which the Government is interested in encouraging.
(d) The circumstances are such that an administrative order under paragraph (a), (b), or (c) of this section is not appropriate and the agency under its regulations excuses, or is authorized to excuse, without charge to leave or loss of pay, employees paid on an annual basis.

§ 610.306 Supplemental regulations.
Each agency is authorized to issue supplemental regulations not inconsistent with this subpart.
Subpart D—Flexible and Compressed Work Schedules

§ 610.404 Requirement for time-accounting method.

An agency that authorizes a flexible work schedule or a compressed work schedule under this subpart shall establish a time-accounting method that will provide affirmative evidence that each employee subject to the schedule has worked the proper number of hours in a biweekly pay period.

§ 610.405 Holiday for part-time employees on flexible work schedules.

If a part-time employee is relieved or prevented from working on a day within the employee’s scheduled tour of duty that is designated as a holiday by Federal statute or Executive order, the employee is entitled to basic pay for the number of hours of the compressed work schedule on that day.

§ 610.406 Holiday for employees on compressed work schedules.

(a) If a full-time employee is relieved or prevented from working on a day designated as a holiday by Federal statute or Executive order, the employee is entitled to basic pay for the number of hours of the compressed work schedule on that day.

(b) If a part-time employee is relieved or prevented from working on a day within the employee’s scheduled tour of duty that is designated as a holiday by Federal statute or Executive order, the employee is entitled to basic pay for the number of hours of the compressed work schedule on that day. When a holiday falls on a non-workday of a part-time employee, he or she is not entitled to an in-lieu-of day for that holiday.

§ 610.407 Premium pay for holiday work for employees on compressed work schedules.

(a) An employee on a compressed schedule who performs work on a holiday is entitled to basic pay, plus premium pay at a rate equal to basic pay, for the work that is not in excess of the employee’s compressed work schedule for that day. For hours worked on a holiday in excess of the compressed work schedule, a full-time employee is entitled to overtime pay under applicable provisions of law and a part-time employee is entitled to straight time pay or overtime pay, depending on whether the excess hours are non-overtime hours or overtime hours.

(b) An employee on a compressed work schedule is not entitled to holiday premium pay while engaged in training, except as provided in § 410.402 of this chapter.

§ 610.408 Use of credit hours.

§ 630.205 Credit for prior work experience and experience in a uniformed service for determining annual leave accrual rate.

(a) The head of an agency or his or her designee may, at his or her sole discretion, provide credit for service that otherwise would not be creditable under 5 U.S.C. 6303(a) for the purpose of determining the annual leave accrual rate of an individual receiving his or her first appointment (regardless of tenure) as a civilian employee of the Federal Government or an employee who is reappointed following a break in service of at least 90 calendar days after his or her last period of civilian Federal employment. The head of the agency or his or her designee must determine that the skills and experience the employee possesses are—

(1) Essential to the new position and were acquired through performance in a prior position having duties that directly relate to the duties of the position to which he or she is being appointed; and

(2) Necessary to achieve an important agency mission or performance goal.

(b) Notwithstanding 5 U.S.C. 6303(a), the head of an agency or his or her designee may, at his or her sole discretion, provide credit for active duty uniformed service that otherwise would not be creditable under 5 U.S.C. 6303(a) for the purpose of determining the annual leave accrual rate of an employee who is a retired member of a uniformed service as defined by 38 U.S.C. 4303. The head of the agency or his or her designee must determine that the skills and experience the employee possesses are—

(1) Essential to the new position and were acquired through performance in a position in the uniformed services having duties that directly relate to the duties of the position to which he or she is being appointed; and

(2) Necessary to achieve an important agency mission or performance goal.

(c) When the head of an agency or his or her designee makes a determination to provide service credit for prior work experience or active duty in the uniformed services under paragraph (a) or
§ 630.206 Minimum charge.

(a) Unless an agency establishes a minimum charge of less than one hour, or establishes a different minimum charge through negotiations, the minimum charge for leave is one hour, and additional charges are in multiples thereof. If an employee is unavoidably or necessarily absent for less than one hour, or tardy, the agency, for adequate reason, may excuse him without charge to leave.

(b) When an employee is charged with leave for an unauthorized absence or tardiness, the agency may not require him to perform work for any part of the leave period charged against his account.

§ 630.207 Travel time.

The travel time granted an employee under section 6303(d) of title 5, United States Code, is inclusive of the time necessarily occupied in traveling to agency before completing 1 full year of continuous service with the appointing agency—

(1) Any credit under paragraph (a) or (b) of this section must be subtracted from the employee’s total creditable service before the employee transfers or separates, and the agency must establish a new service computation date for leave accrual purposes under 5 U.S.C. 6303(a);

(2) Any annual leave accrued or accumulated by an employee as a result of receiving credit for service under paragraph (a) or (b) of this section remains to the credit of the employee; and

(3) The agency must—

(i) Transfer the annual leave balance to the new employing agency under 5 CFR 630.501 if the employee is transferring to a position to which annual leave may be transferred; or

(ii) Make a lump-sum payment under 5 CFR 550.1205 for any unused annual leave if the employee is separating from Federal service or moving to a position to which annual leave cannot be transferred.

and from his post of duty and (a) the United States, or (b) his place of residence, which is outside the area of employment, in the Commonwealth of Puerto Rico or the territories or possessions of the United States. The employee shall designate his place of residence in his request for leave under section 6303(d) of title 5, United States Code.

§ 630.208 Reduction in leave credits.

(a) When the number of hours in a nonpay status in a full-time employee's leave year equals the number of basepay hours in a pay period, the agency shall reduce his credits for leave by an amount equal to the amount of leave the employee earns during the pay period. When the employee's number of hours of nonpay status does not require a reduction of leave credits, the agency shall drop those hours at the end of the employee's leave year. For the purpose of determining the reduction of leave credits under this paragraph when an employee has one or more breaks in service during a leave year, the agency shall include all hours in a nonpay status (other than nonpay status during a fractional pay period when no leave accrues) for each period of service during the leave year in which annual leave accrued.

(b) An employee who is in a nonpay status for his entire leave year does not earn leave.

(c) When a reduction in leave credits results in a debit to an employee's annual leave account at the end of a leave year, the agency shall:

(1) Carry the debit forward as a charge against the annual leave to be earned by the employee in the next leave year; or

(2) Require the employee to refund the amount paid him for the period covering the leave for which he is indebted; or

(2) Deduct that amount from any pay due him.

An employee who enters active military service with a right of restoration is deemed not separated for the purpose of this paragraph.

(b) This section does not apply when an employee:

(1) Dies;

(2) Retires for disability; or

(3) Resigns or is separated because of disability which prevents him from returning to duty or continuing in the service, and which is the basis of the separation as determined by his agency on medical evidence acceptable to it.

§ 630.210 Uncommon tours of duty.

(a) An agency may require that an employee with an uncommon tour of duty accrue and use leave on the basis of that uncommon tour of duty. The leave accrual rates for such employees shall be directly proportional (based on the number of hours in the biweekly tour of duty and the accrual rate of the corresponding leave category) to the standard leave accrual rates for employees who accrue and use leave on the basis of an 80-hour biweekly tour of duty. One hour (or appropriate fraction thereof) of leave shall be charged for each hour (or appropriate fraction thereof) of absence from the uncommon tour of duty.

(b) When an employee is converted to a different tour of duty for leave purposes, his or her leave balances shall be converted to the proper number of hours based on the proportion of hours in the new tour of duty compared to the former tour of duty.

(c) An agency shall establish an uncommon tour of duty for each firefighter compensated under part 550, subpart M, of this chapter. The uncommon tour of duty shall correspond directly to the firefighter's regular tour of duty, as defined in §550.1302 of this chapter, so that each firefighter accrues and uses leave on the basis of that tour.

§ 630.211 Exclusion of Presidential appointees.

(a) Authority. (1) Section 6301(2)(xi) of title 5, United States Code, authorizes the President to exclude certain Presidential appointees in the executive branch or the government of the District of Columbia from the annual and sick leave provisions of subchapter I of chapter 63 of title 5, United States Code, and from the related provisions of this part.

(2) The President, by Executive Order 10540, as amended, has delegated to the Office of Personnel Management the responsibility for making exclusions under section 6301(2)(xi), and the Office of Personnel Management has delegated responsibility to the head of each agency consistent with the provisions of this section.

(3) Presidential appointees in positions where the rate of basic pay is equal to or exceeds the rate for level V of the Executive Schedule are already excluded from the annual and sick leave provisions by 5 U.S.C. 6301(2)(x). Therefore, no further action by an agency is necessary to exclude these appointees.

(b) Criteria for exclusions. The head of an agency may exclude an officer in the agency from the annual and sick leave provisions only if the officer meets all of the following criteria:

(1) The officer is a Presidential appointee;

(2) The officer is not a United States attorney or United States marshal; and

(3) The officer’s responsibilities for carrying out the duties of the position continue outside normal duty hours and while away from the normal duty post.

(c) Revocation of exclusion. The head of an agency may revoke an exclusion from the annual and sick leave provisions which was made under this section.

(d) Reports. The head of an agency must report any exclusion, or revocation of an exclusion, authorized under this section to the Office of Personnel Management.

(e) Continuation of previous authorizations. Any officer in an agency who was excluded by action of the President or the Civil Service Commission prior to February 15, 1979, from the annual and sick leave provisions under the authority of 5 U.S.C. 6301(2)(xi) shall continue to be excluded from annual and sick leave unless the exclusion is revoked by the agency under the provisions of this section.

§ 630.212 Use of annual leave to establish initial eligibility for retirement or continuation of health benefits.

(a) An employee may elect to use annual leave and remain on the agency’s rolls in order to establish initial eligibility for immediate retirement under 5 U.S.C. 8336, 8412, or 8414, and/or to establish initial eligibility under 5 U.S.C. 8905 to continue health benefits coverage into retirement, as provided in:

(1) Section 351.606(b)(1) for an employee who would otherwise have been separated by reduction in force procedures under part 351 of this chapter; or

(2) Section 351.606(b)(2) of this chapter for an employee who would otherwise have been separated by adverse action procedures under authority of part 752 of this chapter because of the employee’s decision to decline relocation (including transfer of function).

(b) Annual leave that may be used for the purposes described in paragraph (a) of this section includes all accumulated, accrued, and restored annual leave to the employee’s credit prior to the effective date of the reduction in force or relocation (including transfer of function) and annual leave earned by an employee while in a paid leave status after the effective date of the reduction in force or relocation (including transfer of function).

(1) Annual leave that may be used for the purposes described in paragraph (a) of this section includes all accumulated, accrued, and restored annual leave to the employee’s credit prior to the effective date of the reduction in force or relocation (including transfer of function) and annual leave earned by an employee while in a paid leave status after the effective date of the reduction in force or relocation (including transfer of function).

(2) Annual leave that is advanced to an employee under 5 U.S.C. 6302(d), including any advance annual leave that may be credited to an employee’s leave account after the effective date of the reduction in force or relocation (including transfer of function), may not be used for purpose of this section.

(3) For purposes of this section, the employing agency may approve the use of any or all annual leave donated to an employee under part 630, subpart I, of this chapter (Voluntary Leave Transfer Program), or made available to the employee under part 630, subpart J, of this chapter (Voluntary Leave
§ 630.301 Annual leave accrual and accumulation—Senior Executive Service, Senior-Level, and Scientific and Professional Employees.

(a) Annual leave accrues at the rate of 1 day (8 hours) for each full biweekly pay period for an employee who is covered by 5 U.S.C. 6301, who is employed for the full pay period, and who—

(1) Holds a position in the Senior Executive Service (SES) which is subject to 5 U.S.C. 5383; or

(2) Holds a senior-level (SL) or scientific or professional (ST) position which is subject to 5 U.S.C. 5376.

(b) The head of an agency may request that OPM authorize an annual leave accrual rate of 1 full day (8 hours) for each biweekly pay period for additional categories of employees who are covered by 5 U.S.C. 6301 and who hold positions that are determined by OPM to be equivalent to positions subject to the pay systems under 5 U.S.C. 5383 or 5376. Such a request must include documentation that the affected pay system is equivalent to the SES or SL/ST pay system because it meets all three of the following conditions:

(1) Pay rates are established under an administratively determined (AD) pay system that was created under a separate statutory authority. If an AD position has a single rate of pay established under an authority outside of 5 U.S.C. chapters 51 and 53, that single rate (excluding locality pay) must be higher than the rate for GS–15, step 10 (excluding locality pay). If an AD position is paid within a rate range established under an authority outside of 5 U.S.C. chapters 51 and 53, the minimum rate of the rate range (excluding locality pay) must be at least equal to the minimum rate for the SES and SL/ST pay systems (120 percent of the rate for GS–15, step 1, excluding locality pay), and the maximum rate of the rate range (excluding locality pay) must be at least equal to the rate for level IV of the Executive Schedule;

(2) Covered positions are equivalent to a “Senior Executive Service position” as defined in 5 U.S.C. 3132(a)(2), a senior-level position (i.e., a non-executive position that is classified above GS–15, such as a high-level special assistant or a senior attorney in a highly-specialized field who is not a manager, supervisor, or policy advisor), or a scientific or professional position as described in 5 U.S.C. 3104; and

(3) Covered positions are subject to a performance appraisal system established under 5 U.S.C. chapter 43 and 5 CFR part 430, subparts B and C, or other applicable legal authority, for planning, monitoring, developing, evaluating, and rewarding employee performance.

(c) If OPM approves an agency’s request to cover additional categories of employees, the higher annual leave accrual rate will become effective for the pay period during which OPM approves the agency’s request. Agencies must credit annual leave at the 8-hour accrual rate for affected employees who are employed for the full pay period.

(d) An employee who moves to a position not covered by this section will no longer be entitled to the higher annual leave accrual rate established under paragraph (a) or (b) of this section, except as provided in 5 U.S.C. 6303(a).

(e) Unused annual leave accrued by an employee while serving in a position subject to one of the pay systems under 5 U.S.C. 5383 (Senior Executive Service) or 5 U.S.C. 5376 (Senior-Level and Scientific or Professional) or 10 U.S.C. 1607(a) (Intelligence Senior Level), shall accumulate for use in succeeding years until it totals not more than 90 days (720 hours) at the beginning of the first full biweekly pay period (or corresponding period for an employee who is not paid on the basis of biweekly pay periods) occurring in a calendar year.

(f) When an employee in a position outside of those listed in paragraph (e) of this section moves to a position covered by paragraph (e) of this section, any annual leave accumulated prior to movement shall remain to the employee’s credit.
§ 630.302 Maximum annual leave accumulation—forty-five day limitation.

(a) The effective date on which an employee (otherwise eligible thereunder) becomes subject to section 6304(b) of title 5, United States Code, is the:

(1) Date of his entry on duty when he is employed locally;

(2) Date of his arrival at a post of regular assignment for duty; or

(3) Date on which he begins to perform duty in an area outside the United States and the area of recruitment or from which transferred, when the employee is required to perform duty en route to his post of regular assignment for duty.

(b) An employee in the Senior Executive Service who, as of the first day of the first pay period beginning after October 13, 1994, has accumulated annual leave in excess of 90 days (720 hours) is entitled to retain that leave as a personal leave ceiling. The leave shall be credited to the employee and shall be subject to reduction in the following manner:

(1) Annual leave credited to an employee shall be based on the amount of annual leave accumulated by the employee as of the end of the pay period preceding the first pay period beginning after October 13, 1994. The credited leave shall exclude—

(i) Any annual leave restored to the employee under 5 U.S.C. 6304(d); and

(ii) Any annual leave advanced to the employee under 5 U.S.C. 6302(d) that had not yet been earned.

(2) Annual leave credited to an employee that is in excess of 90 days (720 hours) shall be subject to reduction in the same manner as provided in 5 U.S.C. 6304(c) until the employee’s accumulated annual leave is equal to or less than 90 days (720 hours). For the 1994 leave year, 5 U.S.C. 6304(c) shall be applied only for leave earned and used between the start of the first pay period beginning after October 13, 1994, and the end of the 1994 leave year.

(c) Agencies shall notify affected employees and maintain records on the accumulated annual leave credited to each employee under paragraph (h) of this section and on any reductions in the credited annual leave made under 5 U.S.C. 6304(c). If the employee transfers to another agency, such records shall be provided to the gaining agency.

may carry forward the full amount thereof that is unused at the end of the current leave year;

(3) When, on the date prescribed by paragraph (c) of this section, the amount of an employee's accumulated and accrued annual leave is more than 45 days, he may carry forward the amount of unused annual leave to his credit at the end of the current leave year that does not exceed:

(i) 45 days, if he is not entitled to a greater accumulation under section 6304(c) of title 5, United States Code; or

(ii) The amount he is entitled to accumulate under section 6304(c) of that title, if that amount is greater than 45 days.

(c) For the purposes of paragraph (b) of this section, an agency shall determine the amount of an employee's accumulated and accrued annual leave at the end of the pay period which includes:

(1) The date on which the employee departs from his post of regular assignment for transfer or reassignment, except that when the employee is required to perform duty en route in an area in which he would be subject to section 6304(b) of title 5, United States Code, if assigned there, it is the date on which he ceases to perform the duty; or

(2) The date on which final administrative approval is given to effect a change in the employee's duty station when he is on detail or leave in the United States, or in an area (the Commonwealth of Puerto Rico or a territory or possession of the United States) from which he was recruited or transferred.

§ 630.303 Part-time employees; earnings.

A part-time employee for whom there has been established in advance a regular tour of duty on 1 or more days during each administrative workweek, and a part-time employee on a flexible work schedule for whom there has been established only a biweekly work requirement, earn annual leave as follows:

(a) An employee with less than 3 years of service earns 1 hour of annual leave for each 20 hours in a pay status.

(b) An employee with 3 but less than 15 years of service earns 1 hour of annual leave for each 13 hours in a pay status.

(c) An employee with 15 years or more of service earns 1 hour of annual leave for each 10 hours in a pay status.

§ 630.304 Accumulation limitation for part-time employees.

A part-time employee may accumulate not more than 240 or 360 hours' annual leave on the same basis that a full-time employee may accumulate not more than 30 or 45 days' annual leave.

§ 630.305 Designating agency official to approve exigencies.

Before annual leave may be restored under 5 U.S.C. 6304, the determination that an exigency is of major importance and that therefore annual leave may not be used by employees to avoid forfeiture must be made by the head of the agency or someone designated to act for him or her on this matter. Except where made by the head of the agency, the determination may not be made by any official whose leave would be affected by the decision.

§ 630.306 Time limit for use of restored annual leave.

(a) Except as otherwise authorized under paragraphs (b) and (c) of this section or other regulation, annual leave restored under 5 U.S.C. 6304(d) must be scheduled and used not later than the end of the leave year ending 2 years after:

(1) The date of restoration of the annual leave forfeited because of administrative error; or

(2) The date fixed by the agency head, or his or her designee, as the termination date of the exigency of the public business that resulted in forfeiture of the annual leave; or,

(3) The date the employee is determined to be recovered and able to return to duty if the leave was forfeited because of sickness.

(b) Annual leave restored to an employee under 5 U.S.C. 6304(d)(3) must be scheduled and used within the time
§ 630.307 Time limit for use of restored annual leave—former missing employees.

Annual leave restored under section 5562 of title 5, United States Code, shall be used within a time limit to be prescribed by the Office of Personnel Management in each case taking into consideration the amount of the restored leave and other relevant factors.

§ 630.308 Scheduling of annual leave.

(a) Except as provided in paragraph (b) of this section and §§ 630.310 and 630.311, before annual leave forfeited under 5 U.S.C. 6304 may be considered for restoration under that section, use of the annual leave must have been scheduled in writing before the start of the third biweekly pay period prior to the end of the leave year.

(b) The requirement for advance scheduling of annual leave in paragraph (a) of this section shall not apply to an employee who is covered by 5 U.S.C. 6304(d)(3). When coverage under 5 U.S.C. 6304(d)(3) terminates during a leave year, the employee shall make a reasonable effort to comply with the scheduling requirement in paragraph (a) of this section. The head of the agency or his or her designee may exempt employees from the advance scheduling requirement in paragraph (a) of this section if coverage under 6304(d)(3) terminated during the leave year and the employee was unable to comply with the advance scheduling requirement due to circumstances beyond his or her control.

[50 FR 29937, July 23, 1985]

§ 630.309 Time limit for use of restored annual leave—extended exigency of the public business.

(a) Annual leave restored under 5 U.S.C. 6304(d)(1)(B) because of an extended exigency, as defined in paragraph (b) of this section, must be scheduled and used within a time period that equals twice the number of full calendar years, or parts thereof, that the exigency existed. This time period begins at the beginning of the leave year following the leave year in which the exigency is declared to be ended.

(b) An extended exigency means an exigency of such significance as to—

(1) Threaten the national security, safety, or welfare;
(2) Last more than 3 calendar years;
(3) Affect a segment of an agency or occupational class; and
(4) Preclude subsequent use of both restored and accrued annual leave within the time limit specified in § 630.306.

[50 FR 2997, July 23, 1985]
§ 630.311 Scheduling of annual leave by employees determined necessary to respond to the “National Emergency by Reason of Certain Terrorist Attacks.”

(a) The “National Emergency by Reason of Certain Terrorist Attacks” (Presidential Proclamation of September 14, 2001) is deemed to be an exigency of the public business for the purpose of restoring annual leave forfeited under 5 U.S.C. 6304.

(b) For any employee who forfeits annual leave under 5 U.S.C. 6304 at the beginning of a leave year because the agency determined the employee’s services were required in response to the national emergency, the forfeited annual leave is deemed to have been scheduled in advance for the purpose of 5 U.S.C. 6304(d)(1)(B) and § 630.308.

(c) Annual leave restored under 5 U.S.C. 6304(d) because of the national emergency must be scheduled and used within the time limits prescribed in paragraphs (c)(1) and (c)(2) of this section:

(1) A full-time employee must schedule and use excess annual leave of 416 hours or less by the end of the leave year in progress 2 years after the date the employee’s services are no longer required by the national emergency. The agency must extend this period by 1 leave year for each additional 208 hours of excess annual leave or any portion thereof.

(2) A part-time employee must schedule and use excess annual leave in an amount equal to or less than 20 percent of the number of hours in the employee’s scheduled annual tour of duty by the end of the leave year in progress 2 years after the date the employee’s services are no longer required by the national emergency. The agency must extend this period by 1 leave year for each additional number of hours of excess annual leave, or any portion thereof, equal to 10 percent of the number of hours in the employee’s scheduled annual tour of duty.

(d) The time limits established under paragraphs (c)(1) and (c)(2) of this section for using restored annual leave accounts do not apply for the entire period during which an employee’s services are required for the national emergency. When coverage under paragraphs (a) and (b) of this section ends, a new time limit will be established under paragraph (c) of this section for all annual leave restored to an employee under 5 U.S.C. 6304(d).

(e) An employee whose services were determined essential during the national emergency, but who subsequently moves to a position not considered essential, must make a reasonable effort to comply with the scheduling requirement in § 630.308(a). The head of the agency or his or her designee may exempt such an employee from the advance scheduling requirement in § 630.308(a) if coverage under paragraphs (a) and (b) of this section terminated during the leave year and the employee can demonstrate that he or she was unable to comply with the advance scheduling requirement due to circumstances beyond his or her control.

(3) Provides care for a family member—

(i) Who is incapacitated by a medical or mental condition or attends to a family member receiving medical, dental, or optical examination or treatment;

(4) Makes arrangements necessitated by the death of a family member or attends the funeral of a family member;

(6) Must be absent from duty for purposes relating to his or her adoption of a child, including appointments with adoption agencies, social workers, and attorneys; court proceedings; required travel; and any other activities necessary to allow the adoption to proceed.

(b) The amount of sick leave granted to an employee during any leave year for the purposes described in paragraphs (a)(3)(i), (a)(3)(iii), and (a)(4) of this section may not exceed a total of 104 hours (or, for a part-time employee or an employee with an uncommon tour of duty, the number of hours of sick leave he or she normally accrues during a leave year).

(c) The amount of sick leave granted to an employee during any leave year for the purposes described in paragraph (a)(3)(ii) of this section may not exceed a total of 480 hours (or, for a part-time employee or an employee with an uncommon tour of duty, an amount of sick leave equal to 12 times the average number of hours in his or her scheduled tour of duty each week), subject to the limitation found in paragraph (d) of this section.

(d) If, at the time an employee uses sick leave to care for a family member with a serious health condition under paragraph (c) of this section, he or she has used any portion of the sick leave authorized under paragraph (b) of this section during that leave year, the agency must subtract that amount from the maximum number of hours in his or her scheduled tour of duty each week, subject to the limitation found in paragraph (d) of this section.

(e) If the number of hours in the employee’s tour of duty is changed during the leave year, his or her entitlement to use sick leave for the purposes described in paragraphs (a)(3) and (4) of this section must be recalculated based on the new tour of duty.

(1) Up to 240 hours to a full-time employee—

(i) Who is incapacitated for the performance of his or her duties by physical or mental illness, injury, pregnancy, or childbirth;

(ii) For a serious health condition of the employee or a family member;

(iii) When the employee would, as determined by the health authorities having jurisdiction or by a health care provider, jeopardize the health of others by his or her presence on the job because of exposure to a communicable disease;

(iv) For purposes relating to the adoption of a child; or

(v) For the care of a covered service-member with a serious injury or illness, provided the employee is exercising his or her entitlement under 5 U.S.C. 6382(a)(3).

(2) Up to 104 hours to a full-time employee—

Office of Personnel Management § 630.406

(iv) To make arrangements necessitated by the death of a family member or to attend the funeral of a family member.

(b) Two hundred forty hours is the maximum amount of advanced sick leave an employee may have to his or her credit at any one time. For a part-time employee (or an employee on an uncommon tour of duty), the maximum amount of sick leave an agency may advance must be prorated according to the number of hours in the employee’s regularly scheduled administrative workweek.

[75 FR 75373, Dec. 3, 2010]

§ 630.403 Substitution of sick leave for unpaid family and medical leave to care for a covered servicemember.

The amount of accumulated and accrued sick leave an employee may substitute for unpaid family and medical leave under 5 U.S.C. 6382(a)(3) for leave to care for a covered servicemember may not exceed a total of 26 administrative workweeks in a single 12-month period (or, for a part-time employee or an employee with an uncommon tour of duty, an amount of sick leave equal to 26 times the average number of hours in his or her scheduled tour of duty each week).

[75 FR 75373, Dec. 3, 2010]

§ 630.404 Requesting sick leave.

An employee must file an application—written, oral, or electronic, as required by the agency—for sick leave within such time limits as the agency may require. The employee must request advance approval for sick leave for the purpose of receiving medical, dental, or optical examination or treatment and, to the extent possible, for the purposes described in § 630.401(a)(3), (4), and (6).

§ 630.405 Supporting evidence for the use of sick leave.

(a) An agency may grant sick leave only when the need for sick leave is supported by administratively acceptable evidence. An agency may consider an employee’s self-certification as to the reason for his or her absence as administratively acceptable evidence, regardless of the duration of the absence. An agency may also require a medical certificate or other administratively acceptable evidence as to the reason for an absence for any of the purposes described in § 630.401(a) for an absence in excess of 3 workdays, or for a lesser period when the agency determines it is necessary.

(b) An employee must provide administratively acceptable evidence or medical certification for a request for sick leave no later than 15 calendar days after the date the agency requests such medical certification. If it is not practicable under the particular circumstances to provide the requested evidence or medical certification within 15 calendar days after the date requested by the agency despite the employee’s diligent, good faith efforts, the employee must provide the evidence or medical certification within a reasonable period of time under the circumstances involved, but no later than 30 calendar days after the date the agency requests such documentation. An employee who does not provide the required evidence or medical certification within the specified time period is not entitled to sick leave.

(c) An agency may request an employee requesting sick leave to care for a family member under § 630.401(a)(3)(ii) to provide an additional written statement from the health care provider concerning the family member’s need for psychological comfort and/or physical care. The statement must certify that—

(1) The family member requires psychological comfort and/or physical care;
(2) The family member would benefit from the employee’s care or presence; and
(3) The employee is needed to care for the family member for a specified period of time.

§ 630.406 Use of sick leave during annual leave.

Subject to § 630.401(b) through (e), an agency may grant sick leave to an employee during a period of annual leave...
§ 630.407 Sick leave used in the computation of an annuity.

Sick leave used in the computation of an annuity is charged against an employee’s sick leave account and may not thereafter be used, transferred, or recredited. All sick leave to the credit of an employee as of the date of his or her retirement (or death) and reported to OPM for credit towards the calculation of an annuity is considered used.

§ 630.408 Records on the use of sick leave.

An agency must maintain records of the amount of sick leave used by an employee for family care purposes and to make arrangements for or attend the funeral of a family member under §630.401(a)(3) and (4). The records must be sufficient to ensure that an employee does not exceed the limitations in §630.401(b) and (c).

(a) When an employee transfers between positions under subchapter I of chapter 63 of title 5, United States Code, the agency from which he transfers shall certify his annual leave account to the employing agency for credit or charge.

(e) An employee who transfers to a position under a different leave system to which he or she can transfer only a part of his or her sick leave is entitled to a recredit of the untransferred sick leave (without regard to the date of the original transfer) if the employee returns to the leave system under which it was earned on or after December 2, 1994.

(f) An employee who transfers to a position to which he or she cannot transfer his or her sick leave is entitled to a recredit of the untransferred sick leave (without regard to the date of the original transfer) if the employee returns to the leave system under which it was earned on or after December 2, 1994.

(g) The recredit of sick leave under this section shall be supported by written documentation available to the
employing agency in its official personnel records concerning the employee, the official records of the employee's former employing agency, copies of contemporaneous earnings and leave statement(s) provided by the employee, or copies of other contemporaneous written documentation acceptable to the agency.

(h) The sick leave to be recredited under this section must have been accrued under 5 U.S.C. 6307 or transferred to the employee's credit under 5 U.S.C. 6308 (or the corresponding provisions of prior statutes).

§ 630.503 Leave from former leave systems.

An employee who earned leave under the leave acts of 1936 or any other leave system merged under subchapter I of chapter 63 of title 5, United States Code, is entitled to a recredit of that leave under that subchapter if he would have been entitled to recredit for it on reentering the leave system under which it was earned. However, this section does not revive leave already forfeited.

§ 630.504 Reestablishment of leave account after military service.

(a) When an employee leaves his or her civilian position to enter the military service, the employing agency shall certify his or her leave account for credit or charge.

(b) If the employee returns to a civilian position following military service, the agency to which the employee returns shall reestablish the certified leave account as a credit or charge (without regard to the date he or she left the civilian position) when the employee is—

(1) Restored in accordance with a right of restoration after separation from active military duty or hospitalization continuing thereafter as provided by law or in accordance with the mandatory provisions of a statute, Executive order, or regulation; or

(2) Reemployed in a position under subchapter I of chapter 63 of title 5, United States Code, on or after December 2, 1994.

(c) For the purpose of documenting a returning employee's entitlement to a recredit of sick leave under this section, the documentation criteria established in §630.502(g) shall apply.

[59 FR 62272, Dec. 2, 1994]

§ 630.505 Restoration after appeal.

When an employee is restored to an agency as a result of an appeal, the agency shall reestablish his leave account as a credit or charge as it was at the time of separation.

(b) When an employee moves between positions under subchapter I of chapter 63 of title 5, United States Code, covered by different leave charging systems within the same agency, his leave is transferable in accordance with paragraph (a) of this section, unless the agency establishes a different policy making fractions of an hour of leave transferable.

Month means a period which runs from a given day in 1 month through the date preceding the numerically corresponding day in the next month.

Service abroad means service on and after September 6, 1960, by an employee at a post of duty outside the United States and outside the employee's place of residence if his place of residence is in the Commonwealth of Puerto Rico or a territory or possession of the United States.

[33 FR 12475, Sept. 4, 1967, as amended at 60 FR 67287, Dec. 29, 1995]
§ 630.602 Coverage.

An employee who meets the requirements of section 6304(b) of title 5, United States Code, for the accumulation of a maximum of 45 days of annual leave earns and may be granted home leave in accordance with section 6305(a) of that title and this subpart.

§ 630.603 Computation of service abroad.

For the purpose of this subpart, service abroad:

(a) Begins on the date of the employee’s arrival at a post of duty outside the United States, or on the date of his entrance on duty when recruited abroad;

(b) Ends on the date of the employee’s departure from the post for separation or for assignment in the United States, or on the date of his separation from duty when separated abroad; and

(c) Includes (1) absence in a nonpay status up to a maximum of 2 workweeks within each 12 months of service abroad, (2) authorized leave with pay, (3) time spent in the Armed Forces of the United States which interrupts service abroad (but only for eligibility, not leave-earning, purposes), and (4) a period of detail.

In computing service abroad, full credit is given for the day of arrival and the day of departure.

§ 630.604 Earning rates.

(a) For each 12 months of service abroad, an employee earns home leave at the following rate:

(1) An employee who accepts an appointment to, or occupies, a position for which the agency has prescribed the requirement that the incumbent accept assignments anywhere in the world as the needs of the agency dictate—15 days.

(2) An employee who is serving with a U.S. mission to a public international organization—15 days.

(3) An employee who is serving at a post for which payment of a foreign or nonforeign (but not a tropical) differential of 20 percent or more is authorized by law or regulation—15 days.

(4) An employee not included in paragraph (a) (1), (2), or (3) of this section who is serving at a post for which payment of a foreign or territorial (but not a tropical) differential of at least 10 percent but less than 20 percent is authorized by law or regulation—10 days.

(5) An employee not included in paragraph (a) (1), (2), (3), or (4) of this section—5 days.

(6) An employee included under (a) (1) through (5) of this section whose civilian service abroad is interrupted by a tour of duty in the Armed Forces of the United States, for the duration of such tour—0 (zero) days.

(b) An agency shall credit home leave to an employee’s leave account, as earned, in multiples of 1 day.

§ 630.605 Computation of home leave.

(a) For each month of service abroad, an employee earns home leave under the rates fixed by §630.604(a) in the amounts set forth in the following table:

(b) When an employee moves between different home leave-earning rates during a month of service abroad, or when a change in the differential during a month of service abroad results in a different home leave-earning rate, the agency shall credit the employee with the amount of home leave for the month at the rate to which he was entitled before the change in his home leave-earning rate.
§ 630.606 Grant of home leave.

(a) Entitlement. Except as otherwise authorized by statute, an employee is entitled to home leave only when he has completed a basic service period of 24 months of continuous service abroad. This basic service period is terminated by (1) a break in service of 1 or more workdays, or (2) an assignment (other than a detail) to a position in which an employee is no longer subject to section 6305(a) of title 5, United States Code.

(b) Agency authority. A grant of home leave is at the discretion of an agency. An agency may grant home leave in combination with other leaves of absence in accordance with established agency policy.

(c) Limitations. An agency may grant home leave only:

(1) For use in the United States, the Commonwealth of Puerto Rico, or a territory or possession of the United States; and

(2) During an employee’s period of service abroad, or within a reasonable period after his return from service abroad when it is contemplated that he will return to service abroad immediately or on completion of an assignment in the United States.

Home leave not granted during a period named in paragraph (c)(2) of this section may be granted only when the employee has completed a further substantial period of service abroad. This further substantial period of service abroad may not be less than the tour of duty prescribed for the employee’s post of assignment, except when the agency determines that an earlier grant of home leave is warranted in an individual case.

(d) Charging of home leave. The minimum charge for home leave is 1 day and additional charges are in multiples thereof.

(e) Refund for home leave. An employee is indebted for the home leave used by him when he fails to return to service abroad after the period of home leave, or after the completion of an assignment in the United States. However, a refund for this indebtedness is not required when (1) the employee has completed not less than 6 months’ service in an assignment in the United States following the period of home leave; (2) the agency determines that the employee’s failure to return was due to compelling personal reasons of a humanitarian or compassionate nature, such as may involve physical or mental health or circumstances over which the employee has no control; or (3) the agency which granted the home leave determines that it is in the public interest not to return the employee to his overseas assignment.

§ 630.607 Transfer and recredit of home leave.

An employee is entitled to have his home leave account transferred or recredited to his account when he moves between agencies or is reemployed without a break in service of more than 90 days.

Subpart G—Shore Leave

§ 630.701 Coverage.

This subpart applies to an employee as defined in section 6301 of title 5, United States Code, who is regularly assigned to duties aboard an oceangoing vessel. An employee is considered to be regularly assigned when his continuing duties are such that all or a significant part of them require that he serve aboard an oceangoing vessel. Temporary assignments of a shore-based employee, such as for limited work projects or for training, do not constitute a regular assignment.

§ 630.702 Definitions.

Extended voyage means a voyage of not less than 7 consecutive calendar days duration.

Oceangoing vessel means a vessel in use on the high seas or the Great Lakes; but does not include a vessel which operates primarily on rivers, other lakes, bays, sounds or within the 3-nautical-mile limit of the coastal area of the 48 contiguous States, except when used in mapping, charting, or surveying operations or when in or sailing to or from foreign, territorial, Hawaiian, or Alaskan waters, or waters outside its normal area of operations or outside the 3-nautical-mile limit.
§ 630.703 Computation of shore leave.

(a) An employee earns shore leave at the rate of 1 day of shore leave for each 15 calendar days of absence on one or more extended voyages.

(b) (1) For an employee who is an officer or crewmember, a voyage begins either on the date he assumes his duties aboard an oceangoing vessel to begin preparation for a voyage or on the date he comes aboard when a voyage is in progress. The voyage terminates on the date he ceases to be an officer or crewmember of the oceangoing vessel or on the date on which he is released from assignment of his duties relating to that voyage aboard the oceangoing vessel or on the date at which he returns to the port of origin or the termination date of the voyage, whichever is earlier.

(2) For an employee other than an officer or crewmember, a voyage begins on the date of sailing and terminates on the date the oceangoing vessel returns to a port at which the employee will disembark in completion of his assignment aboard the vessel, or on the date he is released from his assignment aboard the vessel, whichever is earlier.

(c) In computing days of absence, an agency shall include (1) the beginning date of a voyage and the termination date of a voyage; (2) the days an employee spends traveling to join an oceangoing vessel to which assigned when the vessel is at a place other than the port of origin; (3) the days an employee spends traveling between oceangoing vessels when the employee is assigned from one vessel to another; (4) the period representing the number of days within which an employee is reasonably expected to return to the port of origin when his oceangoing vessel’s voyage is terminated, or his employment as an officer or crewmember is terminated, at a port other than the port of origin; (5) for an employee who is an officer or crewmember, the days on which he is on sick leave when he becomes sick during a voyage (whether or not continued as a member of the crew) but not beyond the termination date of the voyage of the oceangoing vessel or his repatriation to the port of origin, whichever is earlier; (6) for an employee other than an officer or crewmember, the days on which he is carried on sick leave but not beyond the date on which he returns to the port of origin or the termination date of the voyage, whichever is earlier; and (7) the days of approved leave from a vessel (paid or unpaid) during a voyage.

§ 630.704 Granting shore leave.

(a) Authority. (1) An employee has an absolute right to use shore leave, subject to the right of the head of the agency to fix the time at which shore leave may be used.

(2) Shore leave may be granted during a voyage only when requested by an employee.

(3) An employee shall submit his request for shore leave in writing and whenever an employee’s request for shore leave is denied, the denial shall be in writing.

(b) Accumulation. Shore leave is in addition to annual leave and may be accumulated for future use without limitation.

(c) Charge for shore leave. The minimum charge for shore leave is one day and additional charges are in multiples thereof.

(d) Lump-sum payment. Shore leave may not be the basis for lump-sum payment on separation from the service.

(e) Terminal leave. (1) Except as provided by paragraph (e)(2) of this section, an agency shall not grant shore leave to an employee as terminal leave. For the purpose of this paragraph terminal leave is approved absence immediately before an employee’s separation when an agency knows the employee will not return to duty before the date of his separation.

(2) An agency shall grant shore leave as terminal leave when the employee’s inability to use shore leave was due to circumstances beyond his control and not due to his own act or omission.

(f) Forfeiture of shore leave. Shore leave not granted before (1) separation from the service, or (2) official assignment (other than by temporary detail)
to a position in which the employee does not earn shore leave, is forfeited. When an official assignment will result in forfeiture of shore leave, the agency to the extent administratively practicable shall give an employee an opportunity to use the shore leave he has to his credit either before the reassignment or not later than 6 months after the date of his reassignment when the agency is unable to grant the shore leave before the reassignment.

§ 630.1101 Purpose, applicability, and administration.

(a) Purpose. This subpart provides regulations to implement section 6391 of title 5, United States Code, and must be read together with section 6391. Section 6391 of title 5, United States Code, provides that in the event of a major disaster or emergency, as declared by the President, that results in severe adverse effects for a substantial number of employees, the President may direct the Office of Personnel Management (OPM) to establish an emergency leave transfer program under which an employee may donate unused annual leave for transfer to employees of his or her agency or to employees in other agencies who are adversely affected by such disaster or emergency.

(b) Applicability. This subpart applies to any individual who is defined as an “employee” in 5 U.S.C. 6331(1) and who is employed in—

(1) An Executive agency; or
(2) The Judicial branch.

(c) Administration. The head of each agency having employees subject to this subpart is responsible for the proper administration of this subpart. Each Federal agency must establish and administer procedures to permit the voluntary transfer of annual leave consistent with this subpart.

(a) When directed by the President, OPM will establish an emergency leave transfer program that permits an employee to donate his or her accrued annual leave to employees of the same or other agencies who are adversely affected by a disaster or emergency as defined in §630.1102. In certain situations, OPM may delegate to an agency the authority to establish an emergency leave transfer program.

(b) OPM will notify agencies of the establishment of an emergency leave transfer program for a specific disaster or emergency, as declared by the President. Once notified, each agency affected by the disaster or emergency is authorized to do the following:

(d) The employee's application must be accompanied by the following information:

(1) The name, position title, and grade or pay level of the potential emergency leave recipient;

(2) A statement describing his or her need for leave from the emergency leave transfer program; and

(3) Any additional information that may be required by the potential leave recipient's employing agency.

(e) An agency may determine a time period by which an employee must apply to become an emergency leave recipient after the occurrence of a disaster or emergency, as defined in §630.1102.
§ 630.1106 Agency review of an application to become an emergency leave recipient.

An agency must review an application to become an emergency leave recipient under procedures the agency has established for the purpose of determining that a potential leave recipient is or has been affected by a disaster or emergency, as defined in § 630.1102.

§ 630.1107 Notification of approval or disapproval of an application to become an emergency leave recipient.

Once the employee’s application to become an emergency leave recipient is either approved or disapproved, the agency must notify the employee (or his or her personal representative who made application on the employee’s behalf) within 10 calendar days (excluding Saturdays, Sundays, and legal public holidays) after the date the application was received (or the date established by the agency, if that date is later). If disapproved, the agency must give the reason for its disapproval.

§ 630.1108 Use of available paid leave.

An approved emergency leave recipient is not required to exhaust his or her accrued annual and sick leave before receiving donated leave under the emergency leave transfer program and the recipient is eligible to be placed in a paid leave status using transferred annual leave.

§ 630.1109 Donating annual leave.

An employee may voluntarily submit a written request to his or her agency that a specified number of hours of his or her accrued annual leave, consistent with the limitations in § 630.1110, be transferred from his or her annual leave account to an emergency leave transfer program established under § 630.1103. An emergency leave donor may not donate annual leave for transfer to a specific emergency leave recipient under this subpart. Donated annual leave not used by an emergency leave recipient must be returned to the emergency leave donor(s) and/or leave banks as provided in § 630.1117.

§ 630.1110 Limitation on the amount of annual leave donated by an emergency leave donor.

(a) An emergency leave donor may not contribute less than 1 hour or more than 104 hours of annual leave in a leave year to an emergency leave transfer program. Each agency may establish written criteria for waiving the 104-hour limitation on donating annual leave in a leave year.

(b) Annual leave donated to an emergency leave transfer program may not be applied against the limitations on the donation of annual leave under the voluntary leave transfer or leave bank programs established under 5 U.S.C. 6332 and 6362, respectively.

§ 630.1111 Limitation on the amount of donated annual leave received by an emergency leave recipient.

An emergency leave recipient may receive a maximum of 240 hours of donated annual leave at any one time from an emergency leave transfer program for each disaster or emergency. After taking into consideration the amount of donated annual leave available to all approved emergency leave recipients and the needs of individual emergency leave recipients, an employing agency may allow an employee to receive additional disbursements of donated annual leave based on the employee’s continuing need. Each disbursement of transferred annual leave may not exceed 240 hours.

§ 630.1112 Transferring donated annual leave between agencies.

(a) If an agency does not receive sufficient amounts of donated annual leave to meet the needs of approved emergency leave recipients within the agency, the agency may contact OPM to obtain assistance in receiving donated annual leave from other agencies. The agency must notify OPM of the total amount of donated annual leave needed for transfer to the agency’s approved emergency leave recipients. OPM will solicit and coordinate the transfer of donated annual leave from other Federal agencies to affected agencies who may have a shortfall of donated annual leave. OPM will determine the period of time for which donations of accrued annual leave may be
§ 630.1113 Using donated annual leave.

(a) Any donated annual leave an emergency leave recipient receives from an emergency leave transfer program may be used only for purposes related to the disaster or emergency for which the emergency leave recipient was approved. Each agency is responsible for ensuring that annual leave donated under the emergency leave transfer program is used appropriately.

(b) Annual leave transferred under this subpart may be—

1. Substituted retroactively for any period of leave without pay used because of the adverse effects of the disaster or emergency; or

2. Used to liquidate an indebtedness incurred by the emergency leave recipient for advanced annual or sick leave used because of the adverse effects of the disaster or emergency. The agency may advance annual or sick leave, as appropriate (even if the employee has available annual and sick leave), so that the emergency leave recipient is not forced to use his or her accrued leave before donated annual leave becomes available.

§ 630.1114 Accrual of leave while using donated annual leave.

While an emergency leave recipient is using donated annual leave from an emergency leave transfer program, annual and sick leave continue to accrue to the credit of the employee at the same rate as if he or she were in a paid leave status under 5 U.S.C. chapter 63, subchapter I, and will be subject to the limitations imposed by 5 U.S.C. 6304(a), (b), (c), and (f) at the end of the leave year in which the transferred annual leave is received.

§ 630.1115 Limitations on the use of donated annual leave.

Donated annual leave transferred to a leave recipient under this subpart may not be—

(a) Included in a lump-sum payment under 5 U.S.C. 5551 or 5552;

(b) Recredited to a former employee who is reemployed by a Federal agency; or

(c) Used to establish initial eligibility for immediate retirement or acquire eligibility to continue health benefits into retirement under 5 U.S.C. 6302(g).

§ 630.1116 Termination of a disaster or emergency.

The disaster or emergency affecting the employee as an emergency leave recipient terminates at the earliest occurrence of the following conditions.

(a) When the employing agency determines that the disaster or emergency has terminated;

(b) When the employee’s Federal service terminates;
Office of Personnel Management § 630.1201

(c) At the end of the biweekly pay period in which the employee, or his or her personal representative, notifies the emergency leave recipient’s agency that he or she is no longer affected by such disaster or emergency;

(d) At the end of the biweekly pay period in which the employee’s agency determines, after giving the employee or his or her personal representative written notice and an opportunity to answer orally or in writing, that the employee is no longer affected by such disaster or emergency;

(e) At the end of the biweekly pay period in which the employee’s agency receives notice that OPM has approved an application for disability retirement for the emergency leave recipient under the Civil Service Retirement System or the Federal Employees’ Retirement System, as appropriate.

§ 630.1117 Procedures for returning unused donated annual leave to emergency leave donors and leave banks.

(a) When a disaster or emergency is terminated, any unused annual leave donated to the emergency leave transfer program must be returned by the employing agency to the emergency leave donors, and if annual leave was donated by any leave bank(s) it must be returned to the leave bank(s).

(b) Each agency must determine the amount of annual leave to be restored to any leave bank and/or to each of the emergency leave donors who, on the date leave restoration is made, is employed in the Federal service. The amount of unused annual leave to be returned to each emergency leave donor and/or leave bank must be proportional to the amount of annual leave donated by the employee or the leave bank to the emergency leave transfer program for such disaster or emergency, and must be returned according to the procedures outlined in §630.911(b). Any unused annual leave remaining after the distribution will be subject to forfeiture.

(c) Annual leave donated to an emergency leave transfer program for a specific disaster or emergency may not be transferred to another emergency leave transfer program established for a different disaster or emergency.

(d) At the election of the emergency leave donor, the employee may choose to have the agency restore unused donated annual leave by crediting the restored annual leave to the emergency leave donor’s annual leave account in either the current leave year or the first pay period of the following leave year.

§ 630.1118 Protection against coercion.

(a) An employee may not directly or indirectly intimidate, threaten, or coerce, or attempt to intimidate, threaten, or coerce, any emergency leave donor or emergency leave recipient for the purpose of interfering with any right such employee may have with respect to donating, receiving, or using annual leave under this subpart.

(b) For the purpose of paragraph (a) of this section, the term “intimidate, threaten, or coerce” includes promising to confer or conferring any benefit (such as appointment or promotion or compensation) or effecting or threatening to effect any reprisal (such as deprivation of appointment, promotion, or compensation).

(vii) Chapter 15, which authorizes calling the National Guard and State militia into Federal service in the case of insurrections and national emergencies.

Covered military member means the employee’s spouse, son, daughter, or parent on covered active duty or call to covered active duty status.

Employee means an individual to whom this subpart applies.

Essential functions means the fundamental job duties of the employee’s position, as defined in 29 CFR 1630.2(n). An employee who must be absent from work to receive medical treatment for a serious health condition is considered to be unable to perform the essential functions of the position during the absence for treatment.

Family and medical leave means an employee’s entitlement to 12 administrative workweeks of unpaid leave for certain family and medical needs, as prescribed under sections 6301 through 6307 of title 5, United States Code.

Such placement is made by or with the agreement of the State as a result of a voluntary agreement by the parent or guardian that the child be removed from the home, or pursuant to a judicial determination of the necessity for foster care, and involves agreement between the State and foster family to take the child. Although foster care may be with relatives of the child, State action is involved in the removal of the child from parental custody.

Health care provider means—

1. A licensed Doctor of Medicine or Doctor of Osteopathy or a physician who is serving on active duty in the uniformed services and is designated by the uniformed service to conduct examinations under this subpart;

2. Any health care provider recognized by the Federal Employees Health Benefits Program or who is licensed or certified under Federal or State law to provide the service in question;

4. A Christian Science practitioner listed with the First Church of Christ, Scientist, in Boston, Massachusetts; or

5. A Native American, including an Eskimo, Aleut, and Native Hawaiian, who is recognized as a traditional healing practitioner by native traditional religious leaders who practices traditional healing methods as believed, expressed, and exercised in Indian religions of the American Indian, Eskimo, Aleut, and Native Hawaiians, consistent with Public Law 95–314, August 11, 1978 (92 Stat. 469), as amended by Public Law 103–344, October 6, 1994 (108 Stat. 3125).

In loco parentis refers to the situation of an individual who has day-to-day responsibility for the care and financial support of a child or, in the case of an employee, who had such responsibility for the employee when the employee was a child. A biological or legal relationship is not necessary.
Incapacity means the inability to work, attend school, or perform other regular daily activities because of a serious health condition or treatment for or recovery from a serious health condition.

Intermittent leave or leave taken intermittently means leave taken in separate blocks of time, rather than for one continuous period of time, and may include leave periods of 1 hour to several weeks. Leave may be taken for a period of less than 1 hour if agency policy provides for a minimum charge for leave of less than 1 hour under §630.206(a).

Leave without pay means an absence from duty in a nonpay status. Leave without pay may be taken only for those hours of duty comprising an employee’s basic workweek.

Parent means a biological, adoptive, step, or foster father or mother, or any individual who stands or stood in loco parentis to an employee meeting the definition of son or daughter below. This term does not include parents “in law.”

Reduced leave schedule means a work schedule under which the usual number of hours of regularly scheduled work per workday or workweek of an employee is reduced. The number of hours by which the daily or weekly tour of duty is reduced are counted as leave for the purpose of this subpart.

Regularly scheduled has the meaning given that term in §610.102 of this chapter.

Regularly scheduled administrative workweek has the meaning given that term in §610.102 of this chapter.

Serious health condition. (1) Serious health condition means an illness, injury, impairment, or physical or mental condition that involves—

(i) Inpatient care (i.e., an overnight stay) in a hospital, hospice, or residential medical care facility, including any period of incapacity or any subsequent treatment in connection with such inpatient care; or

(ii) Continuing treatment by a health care provider that includes (but is not limited to) examinations to determine if there is a serious health condition and evaluations of such conditions if the examinations or evaluations determine that a serious health condition exists. Continuing treatment by a health care provider may include one or more of the following—

(A) A period of incapacity of more than 3 consecutive calendar days, including any subsequent treatment or period of incapacity relating to the same condition, that also involves—

(1) Treatment two or more times by a health care provider, by a health care provider under the direct supervision of the affected individual’s health care provider, or by a provider of health care services under orders of, or on referral by, a health care provider; or

(2) Treatment by a health care provider on at least one occasion which results in a regimen of continuing treatment under the supervision of the health care provider (e.g., a course of prescription medication or therapy requiring special equipment to resolve or alleviate the health condition).

(B) Any period of incapacity due to pregnancy or childbirth, or for prenatal care, even if the affected individual does not receive active treatment from a health care provider during the period of incapacity or the period of incapacity does not last more than 3 consecutive calendar days.

(C) Any period of incapacity or treatment for such incapacity due to a chronic serious health condition that—

(1) Requires periodic visits for treatment by a health care provider or by a health care provider under the direct supervision of the affected individual’s health care provider;

(2) Continues over an extended period of time (including recurring episodes of a single underlying condition); and

(3) May cause episodic rather than a continuing period of incapacity (e.g., asthma, diabetes, epilepsy, etc.). The condition is covered even if the affected individual does not receive active treatment from a health care provider during the period of incapacity or the period of incapacity does not last more than 3 consecutive calendar days.

(D) A period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective. The affected individual must be under the continuing supervision of, but need not be receiving active treatment by, a health care provider (e.g., Alzheimer’s, severe stroke, or terminal stages of a disease).
Office of Personnel Management § 630.1202

(E) Any period of absence to receive multiple treatments (including any period of recovery) by a health care provider or by a provider of health care services under orders of, or on referral by, a health care provider, either for restorative surgery after an accident or other injury or for a condition that would likely result in a period of incapacity or more than 3 consecutive calendar days in the absence of medical intervention or treatment (e.g., chemotherapy/radiation for cancer, physical therapy for severe arthritis, dialysis for kidney disease).

(2) Serious health condition does not include routine physical, eye, or dental examinations; a regimen of continuing treatment that includes the taking of over-the-counter medications, bed-rest, exercise, and other similar activities that can be initiated without a visit to the health care provider; a condition for which cosmetic treatments are administered, unless inpatient hospital care is required or unless complications develop; or an absence because of an employee's use of an illegal substance, unless the employee is receiving treatment for substance abuse by a health care provider or by a provider of health care services on referral by a health care provider. Ordinarily, unless complications arise, the common cold, the flu, earaches, upset stomach, minor ulcers, headaches (other than migraines), routine dental or orthodontia problems, and periodontal disease are not serious health conditions. Allergies, restorative dental or plastic surgery after an injury, removal of cancerous growth, or mental illness resulting from stress may be serious health conditions only if such conditions require inpatient care or continuing treatment by a health care provider.

Son or daughter means a biological, adopted, or foster child; a step child; a legal ward; or a child of a person standing in loco parentis who is—

(1) Under 18 years of age; or

(2) 18 years of age or older and incapable of self-care because of a mental or physical disability. A son or daughter incapable of self-care requires active assistance or supervision to provide daily self-care in three or more of the "activities of daily living" (ADL's) or "instrumental activities of daily living" (IADL's). Activities of daily living include adaptive activities such as caring appropriately for one's grooming and hygiene, bathing, dressing, and eating. Instrumental activities of daily living include cooking, cleaning, shopping, taking public transportation, paying bills, maintaining a residence, using the telephones and directories, using a post office, etc. A "physical or mental disability" refers to a physical or mental impairment that substantially limits one or more of the major life activities of an individual as defined in 29 CFR 1630.2 (h), (i) and (j).

Son or daughter on covered active duty or call to covered active duty status means the employee's biological, adopted, or foster child, stepchild, legal ward, or a child for whom the employee stood in loco parentis, who is on covered active duty or call to covered active duty status, and who is of any age.

Spouse, as defined in the statute, means a husband or wife. For purposes of this definition, husband or wife refers to the other person with whom an individual entered into marriage as defined or recognized under State law for purposes of marriage in the State where the marriage was entered into or, in the case of a marriage entered into outside of any State, if the marriage is valid in the place where entered into and could have been entered into in at least one State. This definition includes an individual in a same-sex or common law marriage that either:

(1) Was entered into in a State that recognizes such marriages, or

(2) If entered into outside of any State, is valid in the place where entered into and could have been entered into in at least one State.

State means any State of the United States or the District of Columbia or any Territory or possession of the United States.

Tour of duty has the meaning given that term in §610.102 of this chapter.

(a) An employee shall be entitled to a total of 12 administrative workweeks of unpaid leave during any 12-month period for one or more of the following reasons:

1. The birth of a son or daughter of the employee and the care of such son or daughter;
2. The placement of a son or daughter with the employee for adoption or foster care;
3. The care of a spouse, son, daughter, or parent of the employee, if such spouse, son, daughter, or parent has a serious health condition; or
4. A serious health condition of the employee that makes the employee unable to perform any one or more of the essential functions of his or her position.

5. Any qualifying exigency arising out of the fact that the employee’s spouse, son, daughter, or parent is a covered military member on covered active duty (or has been notified of an impending call or order to covered active duty) in the Armed Forces.

(b) An employee must invoke his or her entitlement to family and medical leave under paragraph (a) of this section, subject to the notification and medical certification requirements in §§630.1207 and 630.1208. An employee may not retroactively invoke his or her entitlement to family and medical leave. However, if an employee and his or her personal representative are physically or mentally incapable of invoking the employee’s entitlement to FMLA leave during the entire period in which the employee is absent from work for an FMLA-qualifying purpose, any qualifying exigency arising out of the fact that the employee’s spouse, son, daughter, or parent is a covered military member on covered active duty (or has been notified of an impending call or order to covered active duty) in the Armed Forces.

(c) The 12-month period referred to in paragraph (a) of this section begins on the date an employee first takes leave for a family or medical need specified in paragraph (a) of this section and continues for 12 months. An employee is not entitled to 12 additional workweeks of leave until the previous 12-month period ends and an event or situation occurs that entitles the employee to another period of family or medical leave. This may include a continuation of a previous situation or circumstance.

(d) The entitlement to leave under paragraphs (a)(1) and (2) of this section shall expire at the end of the 12-month period beginning on the date of birth or placement. Leave for a birth or placement must be concluded within this 12-month period. Leave taken under paragraphs (a)(1) and (2) of this section, may begin prior to or on the actual date of birth or placement for adoption or foster care, and the 12-month period, referred to in paragraph (a) of this section begins on that date.

(e) Leave under paragraph (a) of this section is available to full-time and part-time employees. A total of 12 administrative workweeks will be made available equally for a full-time or part-time employee in direct proportion to the number of hours in the employee’s regularly scheduled administrative workweek. The 12 administrative workweeks of leave will be calculated on an hourly basis and will equal 12 times the average number of hours in the employee’s regularly scheduled administrative workweek. If the number of hours in an employee’s workweek varies from week to week, a weekly average of the hours scheduled over the 12 weeks prior to the date leave commences shall be used as the basis for this calculation. Any holidays authorized under 5 U.S.C. 6103 or by Executive order and nonworkdays established by Federal statute, Executive order, or administrative order that occur during the period in which the employee is on family and medical leave.
leave may not be counted toward the 12-week entitlement to family and medical leave.

(f) If the number of hours in an employee’s regularly scheduled administrative workweek is changed during the 12-month period of family and medical leave, the employee’s entitlement to any remaining family and medical leave will be recalculated based on the number of hours in the employee’s current regularly scheduled administrative workweek.

(g) Each agency shall inform its employees of their entitlements and responsibilities under this subpart, including the requirements and obligations of employees.

(h) An agency may not put an employee on family and medical leave and may not subtract leave from an employee’s entitlement to leave under paragraph (a) of this section unless the agency has obtained confirmation from the employee of his or her intent to invoke entitlement to leave under paragraph (b) of this section. An employee’s notice of his or her intent to take leave under §630.1207 may suffice as the employee’s confirmation.

§630.1204 Qualifying exigency leave.

(a) An employee may take FMLA leave while the employee’s spouse, son, daughter, or parent (the “covered military member”) is on covered active duty or call to covered active duty status of a covered military member; and

(ii) To attend family support or assistance programs and informational briefings sponsored or promoted by the military, military service organizations, or the American Red Cross that are related to the covered active duty or call to covered active duty status of a covered military member.

(3) Childcare and school activities. (i) To arrange for alternative childcare when the covered active duty or call to covered active duty status of a covered military member necessitates a change in the existing childcare arrangement for a child;

(ii) To provide childcare on an urgent, immediate need basis (but not on a routine, regular, or everyday basis) when the need to provide such care arises from the covered active duty or call to covered active duty status of a covered military member for a child;

(iii) To enroll in or transfer to a new school or day care facility a child, when enrollment or transfer is necessitated by the covered active duty or call to covered active duty status of a covered military member; and

(iv) To attend meetings with staff at a school or a daycare facility, such as meetings with school officials regarding disciplinary measures, parent-teacher conferences, or meetings with school counselors, for a child when such meetings are necessary due to circumstances arising from the covered active duty or call to covered active duty status of a covered military member.

(v) For purposes of paragraphs (a)(3)(i) through (a)(3)(iv) of this section, “child” means a biological, adopted, or foster child, a stepchild, or a legal ward of a covered military member, or a child for whom a covered military member stands in loco parentis, who is either under age 18, or age 18 or older and incapable of self-care because of a mental or physical disability at the time the FMLA leave is to commence.

(4) Financial and legal arrangements.

(i) To make or update financial or legal arrangements to address the covered military member’s absence while on covered active duty or call to covered active duty status, such as preparing

873
§ 630.1204

5 CFR Ch. 1 (1–1–17 Edition)

and executing financial and health care powers of attorney, transferring bank account signature authority, enrolling in the Defense Enrollment Eligibility Reporting System (DEERS), obtaining military identification cards, or preparing or updating a will or living trust; and

(ii) To act as the covered military member’s representative before a Federal, State, or local agency for purposes of obtaining, arranging, or appealing military service benefits while the covered military member is on covered active duty or call to covered active duty status, and for a period of 90 days following the termination of the covered military member’s covered active duty status.

(5) Counseling. To attend counseling provided by someone other than a health care provider for oneself, for the covered military member, or for a child as defined in paragraph (a)(3)(v) of this section, provided that the need for counseling arises from the covered active duty or call to covered active duty status of a covered military member.

(6) Rest and recuperation. To spend time with a covered military member who is on short-term, temporary, rest and recuperation leave during the period of deployment. Eligible employees may take up to 5 days of leave for each instance of rest and recuperation.

(7) Post-deployment activities. (i) To attend arrival ceremonies, reintegration briefings and events, and any other official ceremony or program sponsored by the military for a period of 90 days following the termination of the covered military member’s covered active duty status; and

(ii) To address issues that arise from the death of a covered military member while on covered active duty status, such as meeting and recovering the body of the covered military member and making funeral arrangements.

(8) Additional activities. To address other events that arise out of the covered military member’s covered active duty or call to covered active duty status, provided that the agency and employee agree that such leave qualifies as an exigency, and that they agree to both the timing and duration of such leave.

(b) An employee is eligible to take FMLA leave because of a qualifying exigency when the covered military member is on covered active duty or call to covered active duty status as a member of a regular component of the Armed Forces, or when the covered military member is on covered active duty or call to covered active duty status in support of a contingency operation pursuant to one of the provisions of law identified in the definition of covered active duty or call to covered active duty status as either a member of the reserve components (Army National Guard of the United States, Army Reserve, Navy Reserve, Marine Corps Reserve, Air National Guard of the United States, Air Force Reserve, and Coast Guard Reserve), or a retired member of the Regular Armed Forces or Reserve.

(c) For those called to covered active duty status in support of a contingency operation—

(1) A call to active duty for purposes of leave taken because of a qualifying exigency refers to a Federal call to active duty. State calls to active duty are not covered unless under order of the President of the United States pursuant to one of the provisions of law identified in paragraph (b) of this section in support of a contingency operation.

(2) For such members, the active duty orders of a covered military member will generally specify whether the servicemember is serving in support of a contingency operation by citation to the relevant section of title 10 of the United States Code or by reference to the specific name of the contingency operation, or both. A military operation qualifies as a contingency operation if it:

(i) Is designated by the Secretary of Defense as an operation in which members of the Armed Forces are or may become involved in military actions, operations, or hostilities against an enemy of the United States or against an opposing military force; or

(ii) Results in the call or order to, or retention on, active duty of members of the uniformed services under section 688, 12301(a), 12302, 12304, 12305, or 12406, or chapter 15 of title 10 of the United States Code, or any other provision of
law during a war or during a national emergency declared by the President or Congress. (See 10 U.S.C. 101(a)(13).)

§ 630.1205 Intermittent leave or reduced leave schedule.

(a) Leave under § 630.1203(a)(1) or (2) of this part shall not be taken intermittently or on a reduced leave schedule unless the employee and the agency agree to do so.

(b) Leave under § 630.1203(a)(3) or (4) may be taken intermittently or on a reduced leave schedule when medically necessary, subject to §§ 630.1207 and 630.1208(b)(6). Leave under § 630.1203(a)(5) may be taken on an intermittent or reduced leave schedule basis, subject to §§ 630.1207 and 630.1209.

(c) If an employee takes leave under § 630.1203(a)(3) or (4) of this part intermittently or on a reduced leave schedule that is foreseeable based on planned medical treatment or recovery from a serious health condition, the agency may place the employee temporarily in an available alternative position for which the employee is qualified and that can better accommodate recurring periods of leave. Upon returning from leave, the employee is entitled to be returned to his or her permanent position or an equivalent position, as provided in § 630.1210(a) of this part.

(d) For the purpose of applying paragraph (c) of this section, an alternative position need not consist of equivalent duties, but must be in the same commuting area and must provide—

(1) An equivalent grade or pay level, including any applicable locality payment under 5 CFR part 531, subpart F; special rate supplement under 5 CFR part 530, subpart C; or similar payment or supplement under other legal authority;

(2) The same type of appointment, work schedule, status, and tenure; and

(3) The same employment benefits made available to the employee in his or her previous position (e.g., life insurance, health benefits, retirement coverage, and leave accrual).

(f) Only the amount of leave taken intermittently or on a reduced leave schedule, as these terms are defined in § 630.1202, shall be subtracted from the total amount of leave available to the employee under § 630.1203(e) and (f).

§ 630.1206 Substitution of paid leave.

(a) Except as provided in paragraph (b) of this section, leave taken under § 630.1203(a) of this part shall be leave without pay.

(b) An employee may elect to substitute the following paid leave for any or all of the period of leave without pay to be taken under § 630.1203(a)—

(1) Accrued or accumulated annual or sick leave under subchapter I of chapter 63 of title 5, United States Code, consistent with current law and regulations governing the granting and use of annual or sick leave;

(2) Advanced annual or sick leave approved under the same terms and conditions that apply to any other agency employee who requests advanced annual or sick leave; and

(3) Leave made available to an employee under the Voluntary Leave Transfer Program or the Voluntary Leave Bank Program consistent with subparts I and J of part 630 of this chapter.

(c) An agency may not deny an employee’s right to substitute paid leave under paragraph (b) of this section for any or all of the period of leave without pay to be taken under § 630.1203(a).

(d) An agency may not require an employee to substitute paid leave under paragraph (b) of this section for any or all of the period of leave without pay to be taken under § 630.1203(a).

(e) An employee shall notify the agency of his or her intent to substitute paid leave under paragraph (b) of this section for the period of leave without pay to be taken under § 630.1203(a) prior to the date such paid leave commences. An employee may not retroactively substitute paid leave...
§ 630.1207 Notice of leave.

(a) If leave taken under §630.1203(a) of this part is foreseeable based on an expected birth, placement for adoption or foster care, or planned medical treatment, the employee shall provide notice to the agency of his or her intention to take leave not less than 30 calendar days before the date the leave is to begin. If the date of birth or placement or planned medical treatment requires leave to begin within 30 calendar days, the employee shall provide such notice as is practicable.

(b) If leave taken under §630.1203(a)(3) or (4) of this part is foreseeable based on planned medical treatment, the employee shall consult with the agency and make a reasonable effort to schedule medical treatment so as not to disrupt unduly the operations of the agency, subject to the approval of the health care provider. The agency may, for justifiable cause, request that an employee reschedule medical treatment, subject to the approval of the health care provider.

(c) If the need for leave taken under §630.1203(a)(5) is foreseeable, the employee must provide notice as soon as practicable, regardless of how far in advance the leave is being requested.

(d) If the need for leave is not foreseeable—e.g., a medical emergency or the unexpected availability of a child for adoption or foster care, and the employee cannot provide 30 calendar days’ notice of his or her need for leave, the employee shall provide notice within a reasonable period of time appropriate to the circumstances involved. If necessary, notice may be given by an employee’s personal representative (e.g., a family member or other responsible party). If the need for leave is not foreseeable and the employee is unable, due to circumstances beyond his or her control, to provide notice of his or her need for leave, the leave may not be delayed or denied.

(e) If the need for leave is foreseeable, and the employee fails to give 30 calendar days’ notice with no reasonable excuse for the delay of notification, the agency may delay the taking of leave under §630.1203(a) of this part until at least 30 calendar days after the date the employee provides notice of his or her need for family and medical leave.

(f) An agency may waive the notice requirements under paragraph (a) of this section and instead impose the agency’s usual and customary policies or procedures for providing notification of leave. The agency’s policies or procedures for providing notification of leave must not be more stringent than the requirements in this section. However, an agency may not deny an employee’s entitlement to leave under §630.1203(a) of this part if the employee fails to follow such agency policies or procedures.

(g) An agency may require that a request for leave under §630.1203(a)(1) and (2) be supported by evidence that is administratively acceptable to the agency.

§ 630.1208 Medical certification.

(a) An agency may require that a request for leave under §630.1203(a)(3) or (4) be supported by written medical certification issued by the health care provider of the employee or the health care provider of the spouse, son, daughter, or parent of the employee, as appropriate. An agency may waive the requirement for an initial medical certificate in a subsequent 12-month period if the leave under §630.1203(a)(3) or (4) is for the same chronic or continuing condition.

(b) The written medical certification shall include—

(1) The date the serious health condition commenced;

(2) The probable duration of the serious health condition or specify that the serious health condition is a chronic or continuing condition with an unknown duration and whether the patient is presently incapacitated and the likely duration and frequency of episodes of incapacity;
(3) The appropriate medical facts within the knowledge of the health care provider regarding the serious health condition, including a general statement as to the incapacitation, examination, or treatment that may be required by a health care provider;

(4) For the purpose of leave taken under §630.1203(a)(3) of this part—
   (i) A statement from the health care provider that the spouse, son, daughter, or parent of the employee requires psychological comfort and/or physical care; needs assistance for basic medical, hygienic, nutritional, safety, or transportation needs or in making arrangements to meet such needs; and would benefit from the employee's care or presence; and
   (ii) A statement from the employee on the care he or she will provide and an estimate of the amount of time needed to care for his or her spouse, son, daughter, or parent;

(5) For the purpose of leave taken under §630.1203(a)(4), a statement that the employee is unable to perform one or more of the essential functions of his or her position or requires medical treatment for a serious health condition, based on written information provided by the agency on the essential functions of the employee's position or, if not provided, discussion with the employee about the essential functions of his or her position; and

(6) In the case of certification for intermittent leave or leave on a reduced leave schedule under §630.1203(a)(3) or (4) for planned medical treatment, the dates (actual or estimates) on which such treatment is expected to be given, the duration of such treatment, and the period of recovery, if any, that specify that the serious health condition is a chronic or continuing condition with an unknown duration and whether the patient is presently incapacitated and the likely duration and frequency of episodes of incapacity.

(c) The information on the medical certification shall relate only to the serious health condition for which the current need for family and medical leave exists. The agency may not require any personal or confidential information in the written medical certification other than that required by paragraph (b) of this section. If an employee submits a completed medical certification signed by the health care provider, the agency may not request new information from the health care provider. However, a health care provider representing the agency, including a health care provider employed by the agency or under administrative oversight of the agency, may contact the health care provider who completed the medical certification, with the employee's permission, for purposes of clarifying the medical certification.

(d) If the agency doubts the validity of the original certification provided under paragraph (a) of this section, the agency may require, at the agency's expense, that the employee obtain the opinion of a second health care provider designated or approved by the agency concerning the information certified under paragraph (b) of this section. Any health care provider designated or approved by the agency shall not be employed by the agency or be under the administrative oversight of the agency on a regular basis unless the agency is located in an area where access to health care is extremely limited—e.g., a rural area or an overseas location where no more than one or two health care providers practice in the relevant specialty, or the only health care providers available are employed by the agency.

(e) If the opinion of the second health care provider differs from the original certification provided under paragraph (a) of this section, the agency may require, at the agency's expense, that the employee obtain the opinion of a third health care provider designated or approved jointly by the agency and the employee concerning the information certified under paragraph (b) of this section. The opinion of the third health care provider shall be binding on the agency and the employee.

(f) To remain entitled to family and medical leave under §630.1203(a)(3) or (4) of this part, an employee or the employee's spouse, son, daughter, or parent must comply with any requirement from an agency that he or she submit to examination (though not treatment) to obtain a second or third medical certification from a health care provider.
§ 630.1209 Certification for leave taken because of a qualifying exigency.

(a) Active duty orders. The first time an employee requests leave because of a qualifying exigency arising out of the covered active duty or call to covered active duty status of a covered military member, an agency may require the employee to provide a copy of the covered military member’s active duty orders or other documentation issued by the military that indicates the covered military member is on covered active duty or call to covered active duty status, and the dates of the covered military member’s active duty service. This information need only be provided to the agency once. A copy of new active duty orders or other documentation issued by the military must be provided to the agency if the need for leave because of a qualifying exigency arises out of a different covered active duty or call to covered active duty status of the same or a different covered military member.

(b) Required information. An agency may require that leave for any qualifying exigency specified in §630.1204 be supported by a certification from the employee that sets forth the following information:
Office of Personnel Management

§ 630.1210 Protection of employment and benefits.

(a) Any employee who takes leave under §630.1208(a) of this part shall be entitled, upon return to the agency, to be returned to—

1. The same position held by the employee when the leave commenced; or
2. An equivalent position with equivalent benefits, pay, status, and other terms and conditions of employment.

(b) For the purpose of applying paragraph (a)(2) of this section, an equivalent position must be in the same commuting area and must carry or provide at a minimum—

1. The same or substantially similar duties and responsibilities, which must entail substantially equivalent skill, effort, responsibility, and authority;
2. An equivalent grade or pay level, including any applicable locality payment under 5 CFR part 531, subpart F; special rate supplement under 5 CFR part 530, subpart C; or similar payment or supplement under other legal authority;
3. The same type of appointment, work schedule, status, and tenure;
4. The same employment benefits made available to the employee in his or her previous position (e.g., life insurance, health benefits, retirement coverage, and leave accrual);
5. The same or equivalent opportunity for a within-grade increase, performance award, incentive award, or other similar discretionary and non-discretionary payments, consistent with applicable laws and regulations; however, the entitlement to be returned to an equivalent position does not extend to intangible or unmeasurable aspects of the job.
§ 630.1210

(6) The same or equivalent opportunity for premium pay consistent with applicable law and regulations under 5 CFR part 550, subpart A, or 5 CFR part 551, subpart E; and

(7) The same or equivalent opportunity for training or education benefits consistent with applicable laws and regulations, including any training that an employee may be required to complete to qualify for his or her previous position.

(c) As a result of taking leave under §630.1203(a) of this part, an employee shall not suffer the loss of any employment benefit accrued prior to the date on which the leave commenced.

(d) Except as otherwise provided by or under law, a restored employee shall not be entitled to—

(1) The accrual of any employment benefits during any period of leave; or

(2) Any right, benefit, or position of employment other than any right, benefit, or position to which the employee would have been entitled had the employee not taken the leave.

(e) For the purpose of applying paragraph (d) of this section, the same entitlements and limitations in law and regulations that apply to the position, pay, benefits, status, and other terms and conditions of employment of an employee in a leave without pay status shall apply to any employee taking leave without pay under this part, except where different entitlements and limitations are specifically provided in this subpart.

(f) An employee is not entitled to be returned to the same or equivalent position under paragraph (a) of this section if the employee would not otherwise have been employed in that position at the time the employee returns from leave.

(g) An agency may not return an employee to an equivalent position where written notification has been provided that the equivalent position will be affected by a reduction in force if the employee's previous position is not affected by a reduction in force.

(h) As a condition to returning an employee who takes leave under §630.1203(a)(4), an agency may establish a uniformly applied practice or policy that requires all similarly-situated employees (i.e., same occupation, same serious health condition) to obtain written medical certification from the health care provider of the employee that the employee is able to perform the essential functions of his or her position. An agency may delay the return of an employee until the medical certification is provided. The same conditions for verifying the adequacy of a medical certification in §630.1208(c) apply to the medical certification to return to work. No second or third opinion on the medical certification to return to work may be required. An agency may not require a medical certification to return to work during the period the employee takes leave intermittently or under a reduced leave schedule under §630.1205.

(i) If an agency requires an employee to obtain written medical certification under paragraph (h) of this section before he or she returns to work, the agency shall notify the employee of this requirement before leave commences, or to the extent practicable in emergency medical situations, and pay the expenses for obtaining the written medical certification. An employee's refusal or failure to provide written medical certification under paragraph (h) of this section may be grounds for appropriate disciplinary or adverse action, as provided in part 752 of this chapter.

(j) An agency may require an employee to report periodically to the agency on his or her status and intention to return to work. An agency's policy requiring such reports must take into account all of the relevant facts and circumstances of the employee's situation.

(k) An employee's decision to invoke FMLA leave under §630.1203(a) does not prohibit an agency from proceeding with appropriate actions under part 432 or part 752 of this chapter.

(l) An employee who does not comply with the notification requirements in §630.1207 and does not provide medical certification signed by the health care
§ 630.1211 Health benefits.

An employee enrolled in a health benefits plan under the Federal Employees Health Benefits Program (established under chapter 89 of title 5, United States Code) who is placed in a leave without pay status as a result of entitlement to leave under § 630.1203(a) of this part may continue his or her health benefits enrollment while in the leave without pay status and arrange to pay the appropriate employee contributions into the Employees Health Benefits Fund (established under section 8909 of title 5, United States Code). The employee shall make such contributions consistent with 5 CFR 890.502.

§ 630.1212 Greater leave entitlements.

(a) An agency shall comply with any collective bargaining agreement or any agency employment benefit program or plan that provides greater family or medical leave entitlements to employees than those provided under this subpart. Nothing in this subpart prevents an agency from amending such policies, provided the policies comply with the requirements of this subpart.

(b) The entitlements established for employees under this subpart may not be diminished by any collective bargaining agreement or any employment benefit program or plan.

(c) An agency may adopt leave policies more generous than those provided in this subpart, except that such policies may not provide entitlement to paid time off in an amount greater than that otherwise authorized by law or provide sick leave in any situation in which sick leave would not normally be allowed by law or regulation.

(d) The entitlements under sections 6381 through 6387 of title 5, United States Code, and this subpart do not modify or affect any Federal law prohibiting discrimination. If the entitlements under sections 6381 through 6387 of title 5, United States Code, and this subpart conflict with any Federal law prohibiting discrimination, an agency must comply with whichever statute provides greater entitlements to employees.

§ 630.1213 Records and reports.

(a) So that OPM can evaluate the use of family and medical leave by Federal employees and provide the Congress and others with information about the use of this entitlement, each agency shall maintain records on employees who take leave under this subpart and submit to OPM such records and reports as OPM may require.

(b) At a minimum, each agency shall maintain the following information concerning each employee who takes leave under this subpart:

1. The employee’s rate of basic pay, as defined in 5 CFR 550.103;
2. The occupational series for the employee’s position;
3. The number of hours of leave taken under § 630.1203(a) of this part, including any paid leave substituted for leave without pay under § 630.1206(b); and
4. Whether leave was taken—
   (i) Under § 630.1203(a)(1), (2) or (3) of this part; or
   (ii) Under § 630.1203(a)(4) of this part.

(c) When an employee transfers to a different agency, the losing agency shall provide the gaining agency with information on leave taken under § 630.1203(a) of this part by the employee during the 12 months prior to the date of transfer. The losing agency shall provide the following information:

1. The beginning and ending dates of the employee’s 12-month period, as determined under § 630.1203(c) of this part; and
2. The number of hours of leave taken under § 630.1203(a) of the part during the employee’s 12-month period,
§ 630.1301 Purpose and authority.

This subpart implements 5 U.S.C. 6329, which establishes a leave category, to be known as "disabled veteran leave," for an eligible employee who is a veteran with a service-connected disability rated at 30 percent or more. Such an employee is entitled to this leave for purposes of undergoing medical treatment for such disability. Disabled veteran leave must be used during the 12-month period beginning on the first day of employment. OPM’s authority to regulate section 6329 is found in section 2(d) of Public Law 114–75.

§ 630.1302 Applicability.

This subpart applies to an employee who is a veteran with a service-connected disability rated at 30 percent or more, subject to the conditions specified in this subpart. This subpart does not apply to employees of the United States Postal Service or the Postal Regulatory Commission who are subject to regulations issued by the Postmaster General to implement 5 U.S.C. 6329.

§ 630.1303 Definitions.

In this subpart:

12-month eligibility period means the continuous 12-month period that begins on the first day of employment. For an employee who was eligible (or later determined to have been eligible) for disabled veteran leave as an employee of the United States Postal Service or the Postal Regulatory Commission and who subsequently commences employment covered by this subpart, the 12-month eligibility period is the period that began on the first day of employment with the United States Postal Service or the Postal Regulatory Commission (as determined under regulations issued by the Postmaster General to implement 5 U.S.C. 6329).

Agency means an agency of the Federal Government. In the case of an agency in the Executive branch, it means an Executive agency as defined in 5 U.S.C. 105. When the term "agency" is used in the context of an agency making determinations or taking actions, it means management officials of the agency who are authorized by the agency head to make the given determination or take the given action.

Employee has the meaning given that term in 5 U.S.C. 2105.

Employment means service as an employee during which the employee is covered by a leave system under which leave is charged for periods of absence. This excludes service in a position in which the employee is not covered by 5 U.S.C. 6329 due to application of another statutory authority.

First day of employment means the first day of service that qualifies as employment that occurs on the later of—

1. The earliest date an employee is hired after the effective date of the employee’s qualifying service-connected disability, as determined by the Veterans Benefits Administration; or
2. The effective date of the employee’s qualifying service-connected disability, as determined by the Veterans Benefits Administration.

Health care provider has the meaning given that term in § 630.1202.

Hired means the action of—

1. Receiving an initial appointment to a civilian position in the Federal Government in which the service qualifies as employment under this subpart;
2. Receiving a qualifying reappointment to a civilian position in the Federal Government in which the service qualifies as employment under this subpart; or
3. Returning to duty status in a civilian position in the Federal Government in which the service qualifies as employment under this subpart, when such return immediately followed a
break in civilian duty (with the employee in continuous civilian leave status) to perform military service.

*Medical certificate* means a written statement signed by a health care provider certifying to the treatment of a veteran’s qualifying service-connected disability.

*Medical treatment* means any activity carried out or prescribed by a health care provider to treat a veteran’s qualifying service-connected disability.

*Military service* means “active military, naval, or air service” as that term is defined in 38 U.S.C. 101(24).

*Qualifying reappointment* means an appointment of a former employee of the Federal Government following a break in employment of at least 90 calendar days.

*Qualifying service-connected disability* means a veteran’s service-connected disability rated at 30 percent or more by the Veteran Benefits Administration, including a combined degree of disability of 30 percent or more that reflects the combined effect of multiple individual disabilities, which resulted in the award of disability compensation under title 38, United States Code. A temporary disability rating under 38 U.S.C. 1156 is considered a valid rating in applying this definition for as long as it is in effect.

*Service-connected* has the meaning given such term in 38 U.S.C. 101(16).

*Veteran* has the meaning given such term in 38 U.S.C. 101(2).

*Veterans Benefits Administration* means the Veterans Benefits Administration of the Department of Veterans Affairs.

§ 630.1304 Eligibility.

(a) An employee who is a veteran with a qualifying service-connected disability is entitled to disabled veteran leave under this subpart, which will be available for use during the 12-month eligibility period beginning on the first day of employment. For each employee, there is a single first day of employment.

(b) In order to be eligible for disabled veteran leave, an employee must provide to the agency documentation from the Veterans Benefits Administration certifying that the employee has a qualifying service-connected disability. The documentation should be provided to the agency—

(1) Upon the first day of employment, if the employee has already received such certifying documentation; or

(2) For an employee who has not yet received such certifying documentation from the Veterans Benefits Administration, as soon as practicable after the employee receives the certifying documentation.

(c) Notwithstanding paragraph (b) of this section, an employee may submit certifying documentation at a later time, including after a period of absence for medical treatment, as described in §630.1306(c). The 12-month eligibility period is fixed based on the first day of employment and is not affected by the timing of when certifying documentation is provided.

(d) If an employee’s service-connected disability rating is decreased or discontinued during the 12-month eligibility period such that the employee no longer has a qualifying service-connected disability—

(1) The employee must notify the agency of the effective date of the change in the disability rating; and

(2) The employee is no longer eligible for disabled veteran leave as of the effective date of the rating change.

§ 630.1305 Crediting disabled veteran leave.

(a) Upon receipt of the certifying documentation under §630.1304, an agency must credit 104 hours of disabled veteran leave to a full-time, nonseasonal employee or a proportionally equivalent amount for employees with part-time, seasonal, or uncommon tours of duty, except as otherwise provided in this section.

(b) The proportional equivalent of 104 hours for a full-time employee is determined for employees with other schedules as follows:

(1) For an employee with a part-time work schedule, the 104 hours is prorated based on the number of hours in the part-time schedule (as established for leave charging purposes) relative to a full-time schedule (e.g., 52 hours for a half-time schedule);

(2) For an employee with a seasonal work schedule, the 104 hours is prorated based on the total projected
§ 630.1306 Requesting and using disabled veteran leave.

(a) An employee may use disabled veteran leave only for the medical treatment of a qualifying service-connected disability. The medical treatment may include a period of rest, but only if such period of rest is specifically ordered by the health care provider as part of a prescribed course of treatment for the qualifying service-connected disability.

(b)(1) An employee must file an application—written, oral, or electronic, as required by the agency—to use disabled veteran leave. The application must include a personal self-certification by the employee that the requested leave will be (or was) used for purposes of being furnished medical treatment for a qualifying service-connected disability. The application must also include the specific days and hours of absence required for the treatment. The application must be submitted within such time limits as the agency may require.

(2) An employee must request approval to use disabled veteran leave in advance unless the need for leave is critical and not foreseeable—e.g., due
to a medical emergency or the unexpected availability of an appointment for surgery or other critical treatment. The employee must provide notice within a reasonable period of time appropriate to the circumstances involved. If the agency determines that the need for leave is critical and not foreseeable and that the employee is unable to provide advance notice of his or her need for leave, the leave may not be delayed or denied.

(c)(1) When an employee did not provide the agency with certification of a qualifying service-connected disability before having a period of absence for treatment of such disability, the employee is entitled to substitute approved disabled veteran leave retroactively for such period of absence (excluding periods of suspension or absence without leave (AWOL), but including leave without pay, sick leave, annual leave, compensatory time off, or other paid time off) in the 12-month eligibility period. Such retroactive substitution cancels the use of the original leave or paid time off and requires appropriate adjustments. In the case of retroactive substitution for a period when an employee used advanced annual leave or advanced sick leave, the adjustment is a liquidation of the leave indebtedness covered by the substitution.

(2) An agency may require an employee to submit the medical certification described in §630.1307(a) before approving such retroactive substitution.

§ 630.1307 Medical certification.

(a) In addition to the employee’s self-certification required under §630.1306(b)(1), an agency may additionally require that the use of disabled veteran leave be supported by a signed written medical certification issued by a health care provider.

(b) When an agency requires a signed written medical certification by a health care provider, the agency may specify that the certification include—

(1) A statement by the health care provider that the medical treatment is for one or more service-connected disabilities of the employee that resulted in 30 percent or more disability rating;

(2) The date or dates of treatment or, if the treatment extends over several days, the beginning and ending dates of the treatment;

(3) If the leave was not requested in advance, a statement that the treatment required was of an urgent nature or there were other circumstances that made advance scheduling not possible; and

(4) Any additional information that is essential to verify the employee’s eligibility.

(c)(1) An employee must provide any required written medical certification no later than 15 calendar days after the date the agency requests such medical certification, except as otherwise allowed under paragraph (c)(2) of this section.

(2) If the agency determines it is not practicable under the particular circumstances for the employee to provide the requested medical certification within 15 calendar days after the date requested by the agency despite the employee’s diligent, good faith efforts, the employee must provide the medical certification within a reasonable period of time under the circumstances involved, but no later than 30 calendar days after the date the agency requests such documentation.

(3) An employee who does not provide the required evidence or medical certification within the specified time period is not entitled to use disabled veteran leave, and the agency may, as appropriate and consistent with applicable laws and regulations—

(i) Charge the employee as absent without leave (AWOL); or

(ii) Allow the employee to request that the absence be charged to leave without pay, sick leave, annual leave, or other forms of paid time off.

§ 630.1308 Disabled veteran leave forfeiture, transfer, reinstatement.

(a) Disabled veteran leave not used during the 12-month eligibility period may not be carried over to subsequent years and must be forfeited.

(b) If a change in the employee’s disability rating during the 12-month eligibility period causes the employee to no longer have a qualifying service-connected disability (as described in
any unused disabled veteran leave to the employee’s credit as of the effective date of the rating change must be forfeited.

(c) When an employee with a positive disabled veteran leave balance transfers between positions in different agencies, or transfers from the United States Postal Service or Postal Regulatory Commission to a position in another agency, during the 12-month eligibility period, the agency from which the employee transfers must certify the number of unused disabled veteran leave hours available for credit by the gaining agency. The losing agency must also certify the expiration date of the employee’s 12-month eligibility period to the gaining agency. Any unused disabled veteran leave will be forfeited at the end of that eligibility period.

For the purpose of this paragraph, the term “transfers” means movement from a position in one agency (or the United States Postal Service or Postal Regulatory Commission) to a position in another agency without a break in employment of 1 workday or more in circumstances where service in both positions qualifies as employment under this subpart.

(d)(1) An employee covered by this subpart, or an employee of the United States Postal Service or Postal Regulatory Commission, with a balance of unused disabled veteran leave who has a break in employment of at least 1 workday during the employee’s 12-month eligibility period, and later commences employment covered by 5 U.S.C. 6329 within that same eligibility period, is entitled to a recredit of the unused balance.

(2) When an employee has a break in employment as described in paragraph (d)(1) of this section, the losing agency must certify the number of unused disabled veteran leave hours available for recredit by the gaining agency. The losing agency must also certify the expiration date of the employee’s 12-month eligibility period. Any unused disabled veteran leave must be forfeited at the end of that eligibility period.
