EXPLANATORY STATEMENT, DIVISION H

DIVISION H—LEGISLATIVE BRANCH APPROPRIATIONS ACT, 2008

Following is an explanation of the effects of this division of the House amendment to the Senate amendment to H.R. 2764 (hereafter referred to as "the amended bill") relative to the versions of the Legislative Branch Appropriations Act, 2008, H.R. 2771 passed by the House of Representatives, and S. 1686 reported by the Senate Appropriations Committee.

Many items in both versions of the Legislative Branch Appropriations bills are identical and are included in the amended bill without change. The Appropriations Committees have endorsed statements of policy contained in the House and Senate reports accompanying the respective Legislative Branch Appropriations bills unless amended or restated herein. With respect to those items in the amended bill that differ between House and Senate Legislative Branch bills, the Committees have agreed to the following with the appropriate section numbers, punctuation, and other technical corrections:

HOUSE OF REPRESENTATIVES

The Appropriations Committees agree to appropriate \$1,188,211,000 for House operations. Inasmuch as these items relate solely to the House, and in accord with long practice under which each body determines its own housekeeping requirements and the other concurs without intervention, the Senate has accepted the proposal of the House.

The amended bill includes \$30,000 as proposed by the House and the Senate.

CAPITOL POLICE

SALARIES

The amended bill provides \$232,800,000 for salaries and benefits of the United States Capitol Police (USCP), instead of \$224,500,000 as proposed by the House and \$225,930,000 as proposed by the Senate. This level will support current sworn staffing of 1,671 and 10 new officers associated with Library of Congress attrition. An additional 21 new officers for the Capitol Visitor Center are authorized for fiscal year 2008, providing total sworn personnel of 1,702. In addition, funding is provided to support 391 civilian personnel.

The Chief of Police is to submit a prioritized listing of the current authorized 414 civilian personnel to the Appropriations Committees no later than February 1, 2008.

The amended bill includes costs associated with additional duty hours. Section 1003 transfers funds from the Architect of the Capitol to the USCP for security costs associated with the utility tunnel repairs and asbestos abatement. Understanding this is a multi-year project, the Chief of Police is to provide the Appropriations Committees with a cost-benefit analysis of continuing to provide this security with overtime versus additional new officers by March 3, 2008. The Committees have denied \$500,500 in overtime associated with the new requirement of staffing the New Visitor Experience at the Library of Congress beginning April 1, 2008. Should the Librarian of Congress open this facility prior to the public opening of the Capitol Visitor Center, associated overtime must be funded within the Library of Congress appropriation.

GENERAL EXPENSES

The amended bill provides \$48,900,000 for general expenses of the Capitol Police, instead of \$61,500,000 as proposed by the House and \$58,070,000 as proposed by the Senate. The Committees direct that \$4,600,000 for general expenses in support of the 2008 conventions be funded with available unobligated balances, subject to the approval of the Appropriations Committees.

ADMINISTRATIVE PROVISIONS

(INCLUDING TRANSFER OF FUNDS)

The Committees have included an administrative provision, section 1001, which authorizes transfers between various accounts upon the approval of the Appropriations Committees. Sec. 1002 provides advance payment authority for subscription services, subject to prior notification. In regard to any advance payment for subscription services, a discount offered to the USCP must exceed the cost of the funds per the rate published by the United States Treasury (I TFM 6-8040.40). Section 1003 provides for security costs associated with the utility tunnel project. Section 1004 includes language that finalizes the merger of the Library of Congress Police into the Capitol Police.

As a result of cumulative operating plan funding realignments between pay and non-pay, the relationship between the pay base and authorized FTEs has become out of balance. To correct this imbalance, with the submission of the fiscal 2008 operating plans, appropriations adjustments must be reflected in the authorized FTE base to coincide with the base funding reflected in pay. The Committees direct the Capitol Guide Service and the Architect of the Capitol to take no action to eliminate staff-led tours of the U.S. Capitol. Members view staff-led tours as an important part of their constituent service duties and feel strongly that they must be allowed to continue after the Capitol Visitor Center opens. Obviously, temporary curtailments are allowed, as they are now, in the event of an emergency or to accommodate large events in the Capitol (such as the State of the Union Address, inaugurations, state funerals, joint addresses).

The Committee directs that all staff members who conduct tours of the Capitol be required to receive training on the history of the Capitol and Congress. The Committee directs the Chief Executive Officer for Visitor Services to submit for approval by the Committee on House Administration, the Senate Committee on Rules, and the House and Senate Committees on Appropriations, within 60 days of enactment of this Act, a plan to allow for the continuation of staff-led tours. The plan must include an out-year funding plan to facilitate the tours and also identify any training or certification recommendations. Any life safety or security concerns should also be identified in this report.

Section 210 applies an across-the-board cut to all agencies of .25%.
