Mr. Woodall of Georgia

Granted a structured rule providing four hours of general debate, with three hours confined to the congressional budget equally divided and controlled by the chair and ranking minority member of the Committee on the Budget and one hour on the subject of economic goals and policies equally divided and controlled by Rep. Brady of Texas and Rep. Hinchey of New York or their designees. The rule waives all points of order against consideration of the concurrent resolution. The rule makes in order only those amendments printed in the Rules Committee report. Each such amendment may be offered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, and shall not be subject to amendment. The rule waives all points of order against the amendments printed in the report except that the adoption of an amendment in the nature of a substitute shall constitute the conclusion of consideration of the concurrent resolution for amendment. The rule provides, upon the conclusion of consideration of the concurrent resolution for amendment, a final period of general debate, which shall not exceed 20 minutes equally divided and controlled by the chair and ranking minority member of the Committee on the Budget. The rule permits the chair of the Committee on the Budget to offer amendments in the House pursuant to section 305(a)(5) of the Congressional Budget Act of 1974 to achieve

mathematical consistency. The rule provides that the concurrent resolution shall not be subject to a demand for division of the question.

Finally, the rule provides that it shall be in order at any time on the legislative day of March 29, 2012, for the Speaker to entertain motions that the House suspend the rules, as though under clause 1 of rule XV, relating to a measure extending expiring surface transportation authority.

Record Vote No. 84

Date: May 2, 2011

Measure: H.R. 3

Motion by: Mr. McGovern

Summary of motion:

To make in order separately and provide the appropriate waivers for amendment each of the following amendments: Del. Norton (DC), #2, would permit the District of Columbia government to spend its local taxpayer-raised funds on abortions for low-income women; Rep. Biggert (IL), #3, would strike sections 303 through 307, 309, 310, and Title II, and the word "authorized" in sections 301 and 302; Rep. Chu (CA), #4, would make clear that provisions under current law that require that the federal government help protect access to appropriate medical care, do nothing to restrict doctors' ability to fully disclose treatment options and other health information to patients, and do nothing to violate ethical standards of health care professionals or informed consent between doctor and patient are still in force under this bill; Rep. Engel (NY), #6, would reinstate conscience protections for health providers who provide abortion services as well as those who do not; Rep. Baldwin (WI), #7, would prohibit the bill from taking effect should it cause taxes for small businesses or individuals to increase; Rep. Chu (CA), #8, would exclude cases of a woman with cancer who needs life saving treatment incompatible with continuing the pregnancy from the requirements of the legislation relating to federal funding, health benefit plans and the limitations on federal facilities and employees; Rep. Maloney (NY), #9, would require the Federal Trade Commission to promulgate rules under the Federal Trade Commission Act declaring it an unfair or deceptive act for an entity, such as a crisis pregnancy center, to advertise as a provider of abortion services if the entity does not provide abortion services. Similarly, if an entity that does provide abortions it is prohibited from advertising that it does not provide abortions. Agencies that are not deceptive in their advertising or marketing will not be affected by this bill; Rep. Crowley (NY), #10, would provide that the provisions of H.R. 3 shall not take effect if the tax liability of any taxpayer (including individuals and small businesses) would be increased; Rep. Nadler (NY), #11, would strike Title II of the bill; Rep. Quigley (IL), #12, would provide that the provisions of the bill shall not take effect until the President, or his designee, certifies that this bill will not affect the availability of insurance that includes abortion coverage in the private insurance market; Rep. Moore (WI), #13, would delay the effective date for this Act (H.R. 3) until the Secretary of Health and Human Services determines that it would not result in a reduction in access to comprehensive health care coverage for low-income women; Rep. Jackson Lee (TX), #15, would delay the effective date of the act until the AG certifies to Congress that this act will not violate any Constitutionally guaranteed right; Rep. Jackson Lee (TX), #16, would carve out an exception to the act for instances where continuing a pregnancy could result in severe long-lasting damage to a women's health; Rep. Grijalva (AZ), #17, would require that a review be conducted by the Secretary of the Treasury to ensure that the tax penalties created by this act will not have a disparate impact

Ellison (MN), #3, would require the Secretary of Health and Human Services to submit to Congress a report of the impact of H.R. 1213 on the uninsured rate in the United States; Rep. Waters (CA), #5, would prevent the bill from taking effect if the Secretary of Health and Human Services certifies that a significant number of uninsured Americans would have difficulty obtaining affordable health insurance coverage without being able to access a Health Benefit Exchange; Rep. Waters (CA), #6, would prevent the bill from taking effect until legislation is enacted that repeals the requirement for states to establish Health Benefit Exchanges; Rep. Waters (CA), #7, would prevent the bill from taking effect if the Governors of five or more states each certify that their states may be unable to afford to establish a Health Benefit Exchange without any federal assistance; Rep. Waters (CA), #9, would require, within 6 months after enactment, the Secretary of Health and Human Services to submit to Congress a report on the extent to which uninsured Americans will have difficulty obtaining affordable health insurance coverage without being able to access such coverage through Health Benefit Exchanges; Rep. Welch (VT), #10, would direct the Government Accountability Office to conduct a study to determine the extent to which the repeal of funding to states for Health Benefit Exchanges will result in a decrease of the number of individuals who have access to health insurance.

Motion by: Mr. Hastings of Florida

Summary of motion:

To make in order and provide the appropriate waivers for amendment #14, offered by Rep. Castor (FL), which would ensure that coal combustion residuals that are beneficially reused may not be regulated as hazard material; amendment #2, offered by Rep. Cohen (TN), which would require the Administrator to revise the disposal criteria upon which the bill relies, to ensure that human health and the environment are protected from the risks posed by coal combustion residuals; amendment #16, offered by Rep. Ellison (MN), which would require that if section 4011 of the Solid Waste Disposal Act, as added by this bill, authorizes the appropriation of funds but does not comply with Cut-Go, then this section of the bill will no longer be effective; amendment #5, offered by Rep. Jackson Lee (TX), which would allow the Administrator to retain the authority to revise criteria for the disposal of coal combustion residuals; amendment #13, offered by Rep. Keating (MA), which would require structures to address groundwater monitoring and dust control according to the Environmental Protection Agency's proposed criteria; amendment #3, offered by Rep. Kissell (NC), which would require that materials used for addition to existing structures or construction of new structures (for coal combustion residuals) come from U.S. materials, except as specified in the amendment; and amendment #12, offered by Rep. Sewell (AL), which would require that the lead state agency responsible for implementing the coal combustion residuals permit program receive from each permittee: 1) a description of how structure will protect against coal combustion residuals 2) a plan addressing spills of coal combustion residuals.

Measure: H.R. 2838

Motion by: Ms. Slaughter

Summary of motion:

To make in order en bloc and provide the necessary waivers for amendment #24, offered by Rep. Baldwin (WI), which would prohibit funds from being used to design, develop or procure Coast Guard Offshore Patrol Cutter ships unless the main diesel engines are manufactured in the United States and made by American workers. To address any concerns that this could be a single source contract, this provision may be waived to ensure competition and the best value to the taxpayer; amendment #21, offered by Rep. Brown (FL), which would authorize the Corp of Engineer to construct projects that are critical to navigation safety; amendment #23, offered by Rep. Dingell (MI) and Rep. Slaughter (NY), which would allow a State to enact and enforce such laws as the States deems necessary to develop, implement, and enforce ballast water standards and programs established by the State; amendment #7, offered by Rep. Farr (CA), which would reauthorize the Marine Debris Programs within the United States Coast Guard and the National Oceanic Atmospheric Administration; amendment #5, offered by Rep. Kissell (NC), which would prohibit the U.S. Coast Guard from procuring items classified as textiles and apparel that are not grown, reprocessed, reused, or produced in the United States; amendment #33, offered by Rep. Lipinski (IL), which would require a report on the country of origin for goods and supplies and to promote acquisitions from domestic suppliers when possible; amendment #25, offered by Rep. Richardson (CA), which would give Port Security Grant recipients the flexibility to use some of their Port Security Grant funds for personnel expenses, which are currently prohibited from being used to fund statutorily-mandated security personnel costs; amendment #26, offered by Rep. Richardson (CA), which would allow recipients of the Port Security Grant program the ability to choose whether it is more cost effective to fix or replace defective security equipment; amendment #27, offered by Rep. Richardson (CA), which would ensure that when the Marine Transportation System Assessment and Strategy is drafted it includes a plan to identify maritime projects of national significance, steps taken to implement actions recommended by the 9/11 Commission regarding 100 percent screening at ports, and a plan with recommended actions for fully utilizing the Harbor Maintenance Trust Fund; amendment #1, offered by Rep. Sanchez (CA), which would require the Commandant to report to Congress about the threat of, vulnerability to, and consequence of an act of terrorism using a small vessel to attack United States vessels, ports, or maritime interests; amendment #15, offered by Rep. Thompson (MS), which would add a new section to the end of Title IV of H.R. 2838 to allow Port Security Grant Program recipients (port operators) - for fiscal years 2007 to 2009 to hold off on expending funds for procurement and installation of biometric readers, as required under 46 U.S.C. 70105, until a year after the regulation for the Transportation Worker Identification Credential biometric readers is issued by the Coast Guard.; and amendment #16, offered by Rep. Thompson (MS), which would modify Section 310 of H.R. 2838 to allow the Secretary of Homeland Security to access Coast Guard fixed-wing aircraft in the event of a terrorist incident and would add

Evans (DD-754) on June 3, 1969 be commemorated by having their names added to the Vietnam Veterans Memorial Wall. The Evans had been operating in support of the Vietnam War immediately prior to diversion to a SEATO exercise just outside of the designated war zone, where a collision took place with HMAS Melbourne, an Australian aircraft carrier, on the night of June 3, 1969, resulting in the deaths of 74 personnel. The families and other shipmates and friends of the lost sailors have been working for years to get them added to the wall, noting that not only had they just left the designated war zone, but were due to return on completion of exercise.

To make in order and provide the appropriate waivers for amendment #85, offered by Rep. Thornberry (TX), which would amend the United States Information and Educational Exchange Act of 1948 (known as the Smith-Mundt Act) and the Foreign Relations Authorization Act, Fiscal Years 1986 and 1987 to clarify the authorities of the Department of State and the Broadcasting Board of Governors to prepare, disseminate and use public diplomacy information abroad and to strike the current ban on domestic dissemination of such material. Would clarify that the Smith-Mundt Act's provisions related to public diplomacy information do not apply to other Federal departments or agencies (including the Department of Defense).

Result: Defeated 1–8.

Motion by: Mr. Hastings of Florida
Summary of motion:

To make in order and provide the appropriate waivers for the following amendments to H.R. 5743, which would be en bloc 3: amendment #8, offered by Rep. Clarke, would require a threat assessment for cyber threats to critical infrastructure; amendment #6, offered by Rep. Cuellar (TX), would direct each agency that deals with classified documents to report back in 1 year potential security risks associated with the acquisition of computer hardware. Would require the agencies report to Congress with recommendations of what steps need to be taken to ensure computer hardware that is acquired for use with classified documents is not at risk being used to disclose information to outside sources; amendment #7, offered by Rep. Cuellar (TX), which would direct the Director on National Intelligence and the Secretary of Defense to work together to develop and implement a combined National and Defense Intelligence Strategy in conjunction with existing strategies; amendment #11, offered by Rep. Hahn (CA), which would require the Civil Liberties Protection Officer to review on an ongoing basis, and prepare, as necessary, privacy impact assessments on, the cybersecurity policies, programs, and activities of the Intelligence Community for such purposes as ensuring compliance with all relevant constitutional and legal protections; amendment #13, offered by Rep. Hahn (CA), which would establish the sense of Congress that the Intelligence community should prioritize the security of our nation’s ports as they play a crucial role to our

nation’s supply chain and economy; amendment #16, offered by Rep. Hahn (CA), which would require the Director of Intelligence to ensure that each element of the intelligence community appropriately coordinates with Federal, State, and local officials responsible for the protection of United States ports to detect, prevent, and respond to potential terrorist activity; amendment #9, offered by Rep. Hinchey (NY), which would require the Director of National Intelligence (DNI) to report to the House and Senate Intelligence panels on information it has regarding the human rights violations of the military government in Argentina that resulted in 30,000 disappearances between the mid-1970’s and mid-1980’s; amendment #19, offered by Rep. Holt (NJ), which would require the AG and DNI to reveal how many U.S. Persons had their domestic communications intercepted since the implementation of the FISA Amendments Act; amendment #20, offered by Rep. Holt (NJ), which would amend the National Security Act of 1947 to provide administrative penalties, up to and including termination, for any officer or employee of an intelligence community element who retaliates against an intelligence community employee or contractor who reports covered information (a violation of any law, rule, or regulation, or gross mismanagement, a gross waste of funds, an abuse of authority, or a substantial and specific danger to public health or safety) to an authorized member of Congress; amendment #21, offered by Rep. Holt (NJ), which would prohibit any Intelligence Community employee or contractor from engaging in the assassination/targeted killing of a U.S. person unless specific criteria are met; amendment #22, offered by Rep. Holt (NJ), which would require the Director of National Intelligence and Director of the CIA to publicly disclose any legal opinions or memoranda used to justify the President’s target killing program against United States persons; amendment #2, offered by Rep. Jackson Lee (TX), which would prevent any of the funds authorized under this Act from being used to violate a person’s civil liberties; and amendment #15, offered by Rep. Thompson (CA) and Rep. Heck (NV), which would direct the National Reconnaissance Office to establish and implement a program to utilize, train and deploy SCI cleared undergraduate and graduate students from the Science, Technology, Engineering and Math (STEM) areas of study.
