

Following ratification of term limits, politicians would no longer view Congress as a lifetime career. The era of constant campaigning and the short-sighted policy making that comes with it would come to an end. Incumbent advantages would be limited. Elections would become more competitive. Voters would have a wider electoral choice as more and more people run for office. Instead of making political choices to preserve their seats, Members would be more likely to make the tough choices necessary to preserve our Nation.

When our Founding Fathers wrote the Constitution, they limited Government by disbursing power between the branches of Government. Checks and balances were created to provide oversight amongst the branches, and to ensure that Government remained loyal to the people, all other powers were specifically reserved for the people.

Over 80 percent of Americans favor limiting congressional terms; 22 of 23 initiative States have passed term limits for their Federal delegations and the 23d State should pass term limits this year.

Despite this overwhelming support, this body has voted on term limits only three times this century. Even worse, term limits has never made it to the floor of the House of Representatives. I was responsible for initiating two of the three votes in the Senate. The first time we received 30 votes, the second time 39 voted with us.

It is now time for the whole of Congress to answer the call of the people. The success of grass roots groups is impressive but incomplete. Congress must act to bring term limits to the millions of Americans whose wishes for a citizen legislature have been ignored at the State level.

My amendment would impose term limits on all Members of Congress. Senators would be limited to serving no more than two consecutive 6-year terms and Representatives would be limited to six consecutive 2-year terms.

Only elections following the amendment's ratification would be counted, and appointments and special elections would be excluded from the limits.

Mr. President, it is time we return to the fundamental belief of our Founders—that holding public office is a public service, not a lifetime career.

Term limits will restore the competition, responsiveness, and diversity intended by the Framers of the Constitution and demanded by our constituents.●
