

be placed in a blocked account in the United States. Negotiations for the sale of the M/V Bar, now blocked in New Orleans, are underway and are likely to be concluded prior to my next report.

Other than the M/V Bar, the four remaining Yugoslav-owned vessels are beneficially owned by Jugooceanija, Plovidba of Kotor, Montenegro, and managed by Milena Ship Management Co. Ltd. in Malta. These vessels have many unpaid U.S. creditors for services and supplies furnished during the time they have been blocked in the United States; moreover, the owner appears to have insufficient resources to provide for the future upkeep and maintenance needs of these vessels and their crews. The United States is notifying the UNSC's Serbian Sanctions Committee of the United States's intention to license some or all of these remaining four vessels upon the owner's request.

With the FAC-licensed sales of the M/V Kapetan Martinovic and the M/V Bor, those vessels were removed from the list of blocked FRY entities and merchant vessels maintained by FAC. The new owners of several formerly Yugoslav-owned vessels, which have been sold in other countries, have petitioned FAC to remove those vessels from the list. FAC, in coordination with the Department of State, is currently reviewing the sale terms and conditions for those vessels to ascertain whether they comply with U.N. sanctions objectives and UNSC's Serbian Sanctions Committee practice.

During the past 6 months, U.S. financial institutions have continued to block funds transfers in which there is an interest of the Government of the FRY (S/M) or an entity or undertaking located in or controlled from the FRY (S/M), and to stop prohibited transfers to persons in the FRY (S/M). Such interdicted transfers have accounted for \$125.6 million since the issuance of Executive Order No. 12808, including some \$9.3 million during the past 6 months.

To ensure compliance with the terms of the licenses that have been issued under the program, stringent reporting requirements are imposed. More than 279 submissions have been reviewed by FAC since the last report, and more than 125 compliance cases are currently open.

6. Since the issuance of Executive Order No. 12810, FAC has worked closely with the U.S. Customs Service to ensure both that prohibited imports and exports (including those in which the Government of the FRY (S/M) or Bosnian Serb authorities have an interest) are identified and interdicted, and that permitted imports and exports move to their intended destination without undue delay. Violations and suspected violations of the embargo are being investigated and appropriate enforcement actions are being taken. There are currently 37 cases under active investigation. Since the last report, FAC has collected nine civil penalties total-

ing nearly \$20,000. Of these, five were paid by U.S. financial institutions for violative funds transfers involving the Government of the FRY (S/M), persons in the FRY (S/M), or entities located or organized in or controlled from the FRY (S/M). Three U.S. companies and one air carrier have also paid penalties related to exports or unlicensed payments to the Government of the FRY (S/M) or persons in the FRY (S/M) or other violations of the Regulations.

7. The expenses incurred by the Federal Government in the 6-month period from November 30, 1994, through May 29, 1995, that are directly attributable to the authorities conferred by the declaration of a national emergency with respect to the FRY (S/M) and the Bosnian Serb forces and authorities are estimated at about \$3.5 million, most of which represent wage and salary costs for Federal personnel. Personnel costs were largely centered in the Department of the Treasury (particularly in FAC and its Chief Counsel's Office, and the U.S. Customs Service), the Department of State, the National Security Council, the U.S. Coast Guard, and the Department of Commerce.

8. The actions and policies of the Government of the FRY (S/M), in its involvement in and support for groups attempting to seize and hold territory in the Republics of Croatia and Bosnia and Herzegovina by force and violence, and the actions and policies of the Bosnian Serb forces and the authorities in the areas of Bosnia and Herzegovina under their control, continue to pose an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States. The United States remains committed to a multilateral resolution of the conflict through implementation of the United Nations Security Council resolutions.

I shall continue to exercise the powers at my disposal to apply economic sanctions against the FRY (S/M) and the Bosnian Serb forces, civil authorities, and entities, as long as these measures are appropriate, and will continue to report periodically to the Congress on significant developments pursuant to 50 U.S.C. 1703(c).

WILLIAM J. CLINTON.
