"HOUSE JOINT RESOLUTION 1

"Whereas, the 10th Amendment to the Constitution of the United States reads as follows: "The powers not delegated to the United States by the Constitution, nor prohibited by it to the states, are reserved to the states respectively, or to the people."; and

"Whereas, the 10th Amendment defines the total scope of federal power as being that specifically granted by the United States Constitution and no more; and

"Whereas, the scope of power defined by the 10th Amendment means that the federal government was created by the states specifically to be an agent of the states; and

"Whereas, today, in 1995, the states are demonstrably treated as agents of the federal government; and

"Whereas, numerous resolutions have been forwarded to the federal government by the New Hampshire general court without any response or result from Congress or the federal government; and

"Whereas, many federal mandates are directly in violation of the 10th Amendment of the Constitution of the United States; and

"Whereas, the United States Supreme Court has ruled in *New York v. United States*, 112 S. Ct. 2408 (1992), the Congress may not simply commandeer the legislative and regulatory processes of the states; and

"Whereas, a number of proposals from previous administrations and some now pending from the present administration and from Congress may further violate the United States Constitution; Now, therefore, be it

*Resolved by the Senate and House of Representatives in General Court convened:* That the state of New Hampshire hereby claims sovereignty under the 10th Amendment to the Constitution of the United States over all powers not otherwise enumerated and granted to the federal government by the United States Constitution; and

"That this serve as notice and demand to the federal government, as our agent, to cease and desist, effective immediately, mandates that are beyond the scope of its constitutionally delegated powers; and

"That copies of this resolution be sent by the house clerk to the President of the United States, the Speaker of the United States House of Representatives, the President of the United States Senate, the Speaker of the House and the President of the Senate of each state's legislature of the United States of America, and New Hampshire's Congressional delegation"

"SENATE JOINT RESOLUTION 9

"Whereas, in the 1930s, the Congress of the United States assumed the responsibility for developing a federally administered retirement program to place the various railroad pension plans on a solid financial basis; and

"Whereas, the railroad retirement system today covers over 1 million individuals who have contributed over the years in good faith and have legitimate expectations of receiving their benefits; and

"Whereas, the National Performance Review Board proposes to transfer the functions of the Railroad Retirement Board to the Social Security Administration, other federal agencies, and private sector service providers; and

"Whereas, this proposal would privatize and terminate a program that has worked well and provided retirement security of 1.3 million active, retired, and disabled rail workers and their families for nearly 60 years; Now, therefore, be it.

*Resolved by the General Assembly of Maryland,* That the United States Congress reject the proposal by the National Performance Review Board to transfer the functions of the Railroad Retirement Board to the Social Security Administration, other federal agencies, and private sector service providers; and be it further.
