

As I said 2 months ago, I don't think Congress should take care of its own business before it takes care of the people's business. I stated that if the congressional leadership were to follow through on its plan to send me its own funding bill before finishing work on the rest of the budget, I would veto it. I am now following through on that commitment.

I urge the Congress to move forward promptly on completing the FY 1996 appropriations bills in a form that I can accept.

WILLIAM J. CLINTON.

THE WHITE HOUSE, October 3, 1995.

The SPEAKER pro tempore. The objections of the President will be spread at large upon the Journal, and the veto message and bill will be printed as a House document.

Mr. DAVIS. Madam Speaker, I ask unanimous consent to postpone consideration of the President's veto message on the bill H.R. 1854 until Thursday, October 12, 1995.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Virginia?

There was no objection.
