LEGISLATIVE PROGRAM

(Mr. HOYER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. HOYER. Mr. Speaker, I rise for the purpose of inquiring of the distinguished majority leader the schedule for the coming week.

Mr. ARMEY. Mr. Speaker, will the gentleman yield?

Mr. HOYER. I yield to the gentleman from Texas.

Mr. ARMEY. Mr. Speaker, I would like to just take a moment to thank the members of the Foreign Operations Appropriations Subcommittee, the Committee on Commerce and the Com-

mittee on Science on both sides of the aisle for their cooperation that enabled us to complete this week's work tonight and have had now our last vote for the week.

We will be in session tomorrow pro forma only. We will not be in session on Monday. But to get to the point of the question, Mr. Speaker, the House will not be in session on Monday, October 16. There will be no recorded votes on Monday.

On Tuesday, the House will meet at 12:30 p.m. for morning hour and at 2 p.m. for legislative business.

After 1-minute we pan to take up 10 bills under suspension of the rules. These bills are H.R. 1715, a bill to reverse the Supreme Court decision in Adams versus Barrett; H.R. 1606, the Harry Kizirian Post Office Designation Act; H.R. 1026, the Winfield Scott Stratton Post Office Designation Act; H.R. 587, Biotechnical Process Patents Act; H.R. 1506, Digital Performance Rights in Sound Recordings Act; H.R. 2070, Providing for the United States distribution of the "Fragile Ring of Life" film; H.R. 629, the Fall River Visitor Center Act; S. 268, Collection of Fees for Triploid Grass Carp Certification Inspection; H.R. 1743, Water Resources Research Act Amendments of 1995; and H.R. 2353, Extending Certain Veterans' Affairs Health and Medical Care Expiring Authorities.

Members should be advised that any recorded votes ordered on these suspensions will be postponed until 5 p.m. on Tuesday next.

On Wednesday and Thursday, the House will met at 10 a.m. for legislative business. We plan to complete consideration of H.R. 39, the Fishery Conservation and Management Amendments of 1995, before turning to H.R. 2259, Disapproving Certain Sentencing Guidelines, which will be subject to a rule.

The House will then consider H.R. 2425, the Medicare Preservation Act of 1995, also subject to a rule.

Members should also be advised that conference reports may be brought to the floor at any time.

There will be no recorded votes on Friday, October 20, and we hope to have Members on their way home to their families by 6 p.m. on Thursday.

I thank the gentleman for yielding to me.

Mr. HOYER. Mr. Speaker, I thank the distinguished majority leader for informing us of the schedule next week.

I would ask the gentleman if he knows specifically when the Medicare bill will be going to the Committee on Rules?

Mr. ARMEY. Mr. Speaker, if the gentleman will continue to yield, we will be going to Rules on Wednesday.

Mr. HOYER. Is it the intention to bring the bill up on the floor on Thursday?

Mr. ARMEY. Yes, Mr. Speaker.

Mr. HOYER. So can I ask the gentleman, obviously that will be one day,
