#### SENATE RESOLUTION 189— NATIONAL DRUG AWARENESS DAY

Mr. GRASSLEY (for himself, Mr. BIDEN, Mr. DOLE, Mr. D'AMATO, Mr. MURKOWSKI, Mr. HATCH, Mr. ABRAHAM, Mr. HELMS, Mr. PRESSLER, Mr. BRYAN, Mr. THURMOND, Mrs. FEINSTEIN, Mr. NICKLES, Mr. COVERDELL, and Mr. STEVENS) submitted the following resolution; which was considered and agreed to:

S. RES. 189

Whereas illegal drug use among the youth of America is on the increase;

Whereas illegal drug use is a major health problem, ruining thousands of lives and costing billions of dollars;

Whereas illegal drug use contributes to crime on the streets and in the homes of this nation;

Whereas national attention has turned from illegal drug use to other issues, and support for sustained programs has decreased;

Whereas public awareness and sustained programs are essential to combat an ongoing social problem;

Whereas the answer to the illegal drug problem lies in America's communities, with local people involved in grass roots activities to keep their communities safe and drug free, and in encouraging personal responsibility;

Whereas the annual Red Ribbon Celebration, coordinated by the National Family Partnership and involving over 80,000,000 Americans in prevention activities each year, commemorates the sacrifices of people on the front lines in the war against illegal drug use;

Whereas substance abuse prevention, law enforcement, international narcotics control, and community awareness efforts contribute to preventing young people from starting illegal drug use; and

Whereas the American people have a continuing responsibility to combat illegal drug use: Now, therefore, be it

*Resolved*, That the Senate designate Wed., Nov. 1, 1995, as "National Drug Awareness Day".

Mr. GRASSLEY. Mr. President, in recent weeks we have seen mounting evidence that teenage drug use in this country is on the increase after more than a decade of decline. One of the principal reasons for this change is that we have lost the public message that drug use is wrong. As a result, a new generation of America's young people are growing up without a clear message about the dangers of drug use. This is not a situation that we can afford to let continue. The last time this happened, in the 1960's and 1970's, we saw an epidemic of use that cost us tens of thousands of lives. Now we see teenage drug use on the rise again. Recent surveys confirm this disturbing trend and indications are that data to be released in the next few days will only confirm the worst fears. It is for this reason that Senator DOLE and I held a press conference yesterday with major family groups, including the National Family Partnership, National Families in Action, CADCA, and PRIDE, to draw attention to the problems of returning teen drug use and the dangerous normalization of this use you can now see and hear on TV, in the movies, and in rock music. For this reason I am submitting a Senate resolution, cosponsored by over a dozen members, to declare November 1, 1995, National Drug Awareness Day. It is important that we all recognize the importance of the issue. We need to renew our commitment to fighting drug use, to prevent a new generation from becoming victims of those who would mislead them into believing that drug use is just an alternative lifestyle with no adverse consequences. Drugs kill, they maim, they ruin lives, they cripple potential. We saw what happened when we ignored the problem once. We cannot let this happen again.
