PERSONAL EXPLANATION

Mr. GOODLING. Mr. Speaker, on rollcall No. 794, the Callahan motion to disagree to the House amendment to Senate amendment No. 115 on the foreign assistance appropriations conference report, I am not recorded. I was in conference with the majority leader of the Senate at that time and unable to vote. Had I been present, I would have voted "yea."

WAIVING POINTS OF ORDER AGAINST CONFERENCE REPORT ON H.R. 2020, TREASURY, POSTAL SERVICE, AND GENERAL GOVERNMENT APPROPRIATIONS ACT, 1996

Mr. DIAZ-BALART. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 267 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 267

Resolved, That upon adoption of this resolution it shall be in order to consider the conference report to accompany the bill (H.R. 2020) making appropriations for the Treasury Department, the United States Postal Service, the Executive Office of the President, and certain independent agencies, for the fiscal year ending September 30, 1996, and for other purposes. All points of order against the conference report and against its consideration are waived. If the conference report is adopted, then a motion that the House insist on its disagreement to the amendment of the Senate numbered 132 shall be considered as adopted.

Mr. DIAZ-BALART. Mr. Speaker, for purposes of debate only, I yield the customary 30 minutes to the gentleman from California [Mr. BEILENSEN], pending which I yield myself such time as I may consume. During consideration of this resolution, all time yielded is for the purpose of debate only.

Mr. Speaker, House Resolution 267 is a rule waiving points of order for the conference report to accompany H.R. 2020, the Treasury, Postal Service, and general Government appropriations bill for fiscal year 1996. H.R. 2020 provides funds for the Treasury Department, the U.S. Postal Service, the Executive Office of the President, and certain independent agencies.

The rule waives points of order against the conference agreement and its consideration. In addition, the rule disposes of the amendment in disagreement by including a provision which considers the House's insistence on its disagreement to the amendment of the Senate, numbered 132, as adopted with the conference report's adoption. In other words, to demonstrate the resolve of the House, the rule self-executes out the amendment in disagreement so that the conference report can be passed expeditiously by both Chambers and sent to the President without further delay.

The amendment in disagreement concerned language prohibiting the use of funds for political advocacy by certain Federal grant recipients, and the conferees were unable to decide on advocacy language between Senator SIMPSON's version and Congressman ISTOOK's proposed compromise. The President has indicated that a veto would be likely if this political advocacy language were to be included with the Treasury, Postal bill, and, in a spirit of compromise and in order to get this bill signed as soon as possible, without risking another trip back from the Senate in the interim, this lone amendment in disagreement is disposed of in the rule.

Mr. Speaker, the conference agreement on H.R. 2020 provides \$11.6 billion in discretionary spending for fiscal year 1996, which is \$646 million less than the fiscal year 1995 level. Thus, this bill saves money and keeps us on a glidepath to a balanced budget in 7 years. There has been some bipartisan cooperation in getting this bill to the
