

Administration Act on August 20, 1994, I hereby report to the Congress that pursuant to section 204(b) of the International Emergency Economic Powers Act, 50 U.S.C. 1703(b) ("the Act"), I have today exercised the authority granted by the Act to issue an Executive order (a copy of which is attached) to revise the existing procedures for processing export license applications submitted to the Department of Commerce.

The Executive order establishes two basic principles for processing export license applications submitted to the Department of Commerce under the Act and the Regulations, or under any renewal of, or successor to, the Export Administration Act and the Regulations. First, all such license applications must be resolved or referred to me for resolution no later than 90 calendar days after they are submitted to the Department of Commerce. Second, the Departments of State, Defense, and Energy, and the Arms Control and Disarmament Agency will have the authority to review any such license application. In addition, the Executive order sets forth specific procedures including intermediate time frames, for review and resolution of such license applications.

The Executive order is designed to make the licensing process more efficient and transparent for exporters while ensuring that our national security, foreign policy, and nonproliferation interests remain fully protected.

WILLIAM J. CLINTON.
