PERSONAL EXPLANATION

Mr. EWING. Mr. Speaker, I missed all votes today because I was in my district with James Lee Witt, the Director of the Federal Emergency Management Agency, to visit several of the areas in Champaign County which were devastated by tornadoes last weekend and to help formulate the Federal Government's response. Had I been present, I would have voted for passage of H.R. 3019, the omnibus appropriations bill conference report.

REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.R. 2723

Mr. BISHOP. Mr. Speaker, I ask unanimous consent that my name be removed as a cosponsor of H.R. 2723, the Work and Family Integration Act.

The SPEAKER pro tempore (Mr. LAHOOD). Is there objection to the request of the gentleman from Georgia?

There was no objection.

PARLIAMENTARY INQUIRY

Mr. SABO. Mr. Speaker, I have a parliamentary inquiry.

The SPEAKER pro tempore. The gentleman will state it.

Mr. SABO. Mr. Speaker, the Congressional Budget Act sets up procedures to allow the appropriations process to move forward in situations when the budget resolution is behind schedule. I would like to inquire of the Chair whether these procedures have been followed.

In particular, if the conference report on the budget resolution is not adopted by April 15, section 603 of the Budget Act directs the chairman of the Committee on the Budget to submit to the House a spending allocation to the Committee on Appropriations for the coming fiscal year. The allocation is to be based on the discretionary spending limits set by law. Its purpose is to allow the House to begin work on appropriation bills.

Section 603 of the Budget Act requires this allocation to be filed as soon as practicable after April 15. When I was chairman of the Committee on the Budget, I submitted this allocation when it was required, and my predecessor, Leon Panetta, did as well.

If we are to avoid running the Government on continuing resolutions again this year, it is essential that the appropriations process get started. The April 15 deadline set by the Budget Act for completion of the budget resolution passed more than a week ago, and the House markup has not even been scheduled.

Therefore, Mr. Speaker, I would like to inquire whether a fiscal year 1997 spending allocation to the Committee on Appropriations has been submitted to the House as required by section 603 of the Congressional Budget Act.
