

of taxpayers' money and the 20 years of BLM expertise that went into providing the basis for our recommendation.

Again, while I am disappointed that Utah wilderness will not be included in this package, there is a silver lining in this cloud. Mr. President, as you know, Utah is preparing to host the 2002 Winter Olympics. Last fall, Senator HATCH and I introduced the Snowbasin Land Exchange, which would authorize the Forest Service to enter into a land exchange with the Snowbasin ski resort to exchange 1,320 acres of Forest Service land around Snowbasin for over 4,000 acres throughout the Wasatch Front. It is an equal value exchange, and a win-win situation for both parties. Not only for the Olympics, but for other reasons as well.

For example, in Utah open space in some areas is at a premium. As our population swells each year as thousands of people from other States like California and New Jersey come to Utah because of our quality of life, our precious open spaces along the Wasatch Front are rapidly disappearing. As part of this exchange, the Forest Service will acquire lands along the Bonneville Shoreline Trail which is one of the most heavily used recreational trails in northern Utah. The people of Weber County will benefit as the critical wildlife habitat along the benches above Ogden is preserved along with the open spaces. Development will be prevented from encroaching upon these areas. Again, it is a win-win situation arranged for through this exchange.

Unfortunately, the Snowbasin exchange was caught up in the politics of the day and for various reasons, this legislation had the brakes put on it by the Clinton administration. Snowbasin and the Utah delegation proceeded through months of negotiations with the Forest Service and finally reached agreements on virtually every one of the administration's concerns. This legislation is necessary for the successful implementation of the 2002 Winter Olympics and I know that my colleagues are as concerned as I am that this legislation is implemented so Snowbasin may proceed to prepare for the men's and women's downhill. We all want a successful Olympic event. This legislation is included as part of the chairman's package and I am pleased that we can finally act upon this bill.

Again, Mr. President, I thank the chairman for his willingness to move this package and I encourage my colleagues to support it. I thank the Chair.

VIOLENCE IN LIBERIA

Mr. PELL. Mr. President, I am distressed at the latest outbreak of violence in Liberia. Yesterday, young gang members fired upon the U.S. Embassy, prompting the marines to return fire. Fortunately, no Americans were injured. Since this exchange, the situation in Monrovia has calmed down and the State Department has called this an isolated incident. Nevertheless, this spasm of violence demonstrates the intractability of the conflict in Liberia and the need for a diplomatic solution.

I believe the United States should remain committed to securing a peaceful solution in Liberia. I applaud the work of Assistant Secretary of State for African Affairs, George Moose, and Deputy Assistant Secretary of State William Twaddell. Their diplomatic efforts to implement a cease-fire are important to U.S. national interests. In addition, I commend the administration's
