**ANNOUNCEMENT REGARDING PREPRINTING OF AMENDMENTS ON H.R. 2391, WORKING FAMILIES FLEXIBILITY ACT**

(Ms. GREENE of Utah asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. GREENE of Utah. Mr. Speaker, the Committee on Rules is planning to meet this Wednesday, July 24, to grant a rule which may limit the kinds of amendments which may be offered to H.R. 2391, the Working Families Flexibility Act, also known as the comp time bill.

The rule may, at the request of the Committee on Economic and Educational Opportunities, include a provision requiring amendments be preprinted in the amendment section of the CONGRESSIONAL RECORD.

Amendments to be preprinted should be signed by the Member and submitted at the Speaker's table. The bill may be considered for amendment under the 5-minute rule, with a possible overall time limitation on the amendment process. Members should use the Office of Legislative Counsel to ensure that their amendments are properly drafted, and should check with the office of the Parliamentarian to be certain their amendments comply with the rules of the House. It is not necessary to submit amendments to the Committee on Rules or to testify.

A motion to reconsider was laid on the table.

The SPEAKER pro tempore. Under a previous order of the House, the gentlewoman from Illinois [Mrs. COLLINS] is recognized for 5 minutes.

[Mrs. COLLINS of Illinois addressed the House. Her remarks will appear hereafter in the Extensions of Remarks.]

**ON THE DEATH OF CAPTAIN KEVORKIAN IN CRASH OF TWA FLIGHT 800**

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from California [Mr. DORNAN] is recognized for 5 minutes.

Mr. DORNAN. Mr. Speaker, I had the last special order on Thursday, or maybe it was the next to the last. I had just been told that I had a constituent from my district that had died on TWA flight 800. I stood at this very microphone at the Speaker's desk and said that sometime over the weekend I would find out if it was a baby, a young child with his mom and dad, or traveling alone, maybe; a teenager; whether it might be a stewardess, one of the crew. I said the tragic news might be someone that lived in Anaheim or

Santa Ana, CA, one of the small parts of about 10 other cities that I have, like Orange or Tuscan or Westminster, or I said it could be from my own town of Garden Grove.

Mr. Speaker, about 24 hours after I spoke, I found out that my constituent who died in that terrible, horrific accident was a male. He was from my hometown of Garden Grove, and he was the pilot, Captain Kevorkian. I remember being on a TWA flight and this captain coming back during the short break at altitude, coming back to say hello to me, tell me that he was a neighbor just a few blocks away, and I teased him about his name, because of the infamous Dr. Kevorkian.

I could not have been more shocked. There are towns like Montoursville, PA, that have been just shattered by this, but I will now proceed to find out if Captain Kevorkian was a military pilot or if he learned to fly as a young man, hanging around what we used to call the gas pit flyers. They would beg rides until they got enough money up to take some pilot training lessons, and then find somebody that would sponsor them. More and more of our pilots, as we downsize our military, are coming from such programs.

But this was a sharp pilot that would have gotten on the radio immediately if a small device had caught fire on the aircraft, as happened with ValuJet down in Florida, that crashed into the Everglades. This was just such a catastrophic accident that the odds are narrowing almost to zero that a plane of the size of a 747 and with its excellent flight safety record could possibly have had some juxtaposition of events to cause this massive explosion.

Just as I left the news to come out here, they have located what they think is the fuselage, four more bodies. They still have not reached the halfway point of 115 remains out of 230. I think what we are going to have to do to play our constitutional role is have Mr. Clinton come up here, close these doors, as we did once on Nicaragua, and once on a story that a nation had gotten nuclear weapons, and we are still not sure about the story, and that we have to have a closed session, with all the guards guarding all the exits, and have the Senators come over here and have the Commander-in-Chief take the well, and with 534, now with Bill Emerson's tragic passing, with 534 Members, decide a course of action, a direct course of action; that if our FBI and our international investigators narrow it down to a few mass serial assassins, as we did with the two people that Qadhafi is still hiding in Libya, that this Congress will talk it down with Mr. Clinton and give him the go-ahead that we will support him for the type of direct action that Ronald Reagan took against Libya shortly after the LaBelle disco bombing on April 5, 1986.

We have to pull together as a country and we cannot let these people flounder the way the families from Pan American 103 have suffered over these years
