true friend to many Senators and staff on both sides of the aisle, and we all wish her well as she starts the next chapter of her life.

Congratulations, Kelly.

Mr. President, I join the distinguished minority leader in extending best wishes. Kelly has been a very valuable asset here in the Senate, mostly on the other side of the aisle, but she has a very pleasant personality. I have enjoyed visiting with her on occasion.

The PRESIDING OFFICER. The majority leader is recognized.

Mr. LOTT. Mr. President, we have worked out an agreement on the handling of the Defense of Marriage Act legislation.

Again, we have worked together through a lot of concerns. I think we have a fair agreement here.

I ask unanimous consent that on September 5, 1996, at 11 a.m., the Senate proceed to the consideration of H.R. 3396, the Defense of Marriage Act, and it be considered under the following constraints: I ask that the time for debate on the bill be limited to 2 hours, to be equally divided in the usual form, with 1 additional hour under Senator Byrd’s control.

I ask that Senator Kennedy or his designee be recognized to offer up to four first-degree amendments; that Senator Nickles or his designee be recognized to offer up to four first-degree amendments; that time on the amendments be limited to 45 minutes equally divided in the usual form, except that on the first Kennedy amendment there be 90 minutes, with no other amendments or motions to refer in order; that at the conclusion or yielding back of time, the Senate vote on each amendment; provided further that Senator Kennedy be recognized to offer the first amendment; and that the amendments be in order notwithstanding the adoption of a previous amendment.

I further ask unanimous consent that the amendments be submitted to each Senator for consideration prior to 5 p.m. on Tuesday, September 3, and that they be printed in the Record; provided further that either leader, following review of the submitted amendments, may void this agreement after notification, prior to 5 p.m. on Wednesday, September 4, 1996; that in all other discussion of all the amendments, the bill be read for a third time.

The PRESIDING OFFICER. Without objection, it is so ordered.

Mr. LOTT. Mr. President, I yield the floor.

I ask unanimous consent that, on Wednesday, September 4, 1996, or thereafter at a time to be determined by the majority leader after consultation with the Democratic leader, the Senate turn to the immediate consideration of S. 39, Calendar 422, an act to amend the Magnuson Fishery Conservation and Management Act, that debate on the bill be limited to 1 hour equally divided in the usual form, and only the following amendments be in order to the bill: The committee substitute, a manager’s amendment to be offered by me, Senator Stevens, an amendment to be offered by Senator Hollings, an amendment to be offered by Senator Kerry, up to two amendments to be offered by Senator Murray, up to two amendments to be offered by Senator Wyden, and up to four amendments to be offered by Senator Snowe.

Further I ask all points of order be waived and no other motions be in order to this bill.

Mr. PRESSLER. Mr. President, I am proud to be a cosponsor of H.R. 3269, a bill to make technical corrections in the law that governs the Impact Aid Program. This bill represents the culmination of months of hard work. I would like to thank the Chair, the leader of the Labor and Human Resources Committee, Senator Kashebaum for her diligent work in bringing this extremely important bill to the floor. Her efforts helped to ensure that primarily impacted schools will get the financial assistance they deserve and need.

Impact Aid is an important program for many schools. Impact Aid is a Federal responsibility. The program reimburses school districts that lost tax base due to a Federal presence, such as a military base or Indian reservation. This program provides funds for day-to-day school operations, such as buying books and paying teachers. These are not special funds for extra projects. This is a program based on the basic principle of fairness. We should fund the basics of education before we spend money on extra programs.

The expeditious passage of this bill today would ensure that many Federally impacted schools will have the funds needed to keep their doors open, literally, this fall. School districts depend on Impact Aid for basic operating expenses. This bill would ensure that payments are made in a timely manner.

I am particularly concerned about Section 2 of the Impact Aid program as...
