true friend to many Senators and staff on both sides of the aisle, and we all wish her well as she starts the next chapter of her life.

Congratulations, Kelly.

Mr. PRESIDENT, I join the distinguished minority leader in extending best wishes. Kelly has been a very valuable asset here in the Senate, mostly on the other side of the aisle, but she has a very pleasant personality. I have enjoyed visiting with her on occasion.

AUTHORITY FOR COMMITTEES TO REPORT

Mr. LOTT. Mr. President, I ask unanimous consent the committees have between 11 a.m. and 2 p.m. on Tuesday, August 27, to file legislative or executive reported legislation.

UNANIMOUS-CONSENT AGREEMENT—H.R. 3396

The PRESIDING OFFICER. The majority leader is recognized.

Mr. LOTT. Mr. President, we have worked out an agreement on the handling of the Defense of Marriage Act legislation.

Again, we have worked together through a lot of concerns. I think we have a fair agreement here. I ask unanimous consent that on September 5, 1996, at 10 a.m., the Senate proceed to the consideration of H.R. 3396, the Defense of Marriage Act, and it be considered under the following constraints: I ask that the time for debate on debate of the first amendment there be 90 minutes, with no other amendments or motions to refer in order; time on the amendment be limited to 2 hours, to be equally divided in the usual form, with 1 additional hour under Senator BYRD's control.

I ask that Senator KENNEDY or his designee be recognized to offer up to four first-degree amendments; that Senator NICKLES or his designee be recognized to offer up to four first-degree amendments; that time on the amendments be limited to 45 minutes equally divided in the usual form, except that on the first Kennedy amendment there be 90 minutes, with no other amendments or motions to refer in order; that at the conclusion or yielding back of time, the Senate vote on each amendment; provided further that Senator KENNEDY be recognized to offer the first amendment; and that the amendments be in order notwithstanding the adoption of a previous amendment.

I further ask unanimous consent that the amendments be submitted to each leader by 5 p.m. on Tuesday, September 3, and that they be printed in the RECORD; provided further that either leader, following review of the submitted amendments, may void this agreement after notification, prior to 5 p.m. on Wednesday, September 4, 1996; that following disposition of all the amendments, the bill be read for a third time.

The PRESIDING OFFICER. Without objection, it is so ordered.

Mr. LOTT. Mr. President, I yield the floor.

UNANIMOUS-CONSENT AGREEMENT—S. 39

Mr. STEVENS. Mr. President, I do thank the leader. I do now wish to propose a unanimous-consent agreement for Calendar No. 422, which is S. 39, the Sustainable Fisheries Act.

I ask unanimous consent that, on Wednesday, September 4, 1996, or thereafter at a time to be determined by the majority leader after consultation with the Democratic leader, the Senate turn to the immediate consideration of S. 39, Calendar 422, an act to amend the Magnuson Fishery Conservation and Management Act, that debate on the bill be limited to 1 hour equally divided in the usual form, and only the following amendments be in order to the bill: The committee substitute, a manager's amendment to be offered by me, Senator STEVENS, an amendment to be offered by Senator HOLLINGS; an amendment to be offered by Senator KERRY, up to two amendments to be offered by Senator MURRAY, up to two amendments to be offered by Senator WYDEN, and to four amendments to be offered by Senator SNOWE.

There shall be no more than 30 minutes, equally divided, on any one of the first- or second-degree amendments; the committee substitute shall be considered original text for the purpose of the other amendments; only relevant second-degree amendments shall be in order to the amendments by Senators HOLLINGS, KERRY, MURRAY, SNOWE, and WYDEN; no other amendments, first or second degree, shall be in order; all amendments shall be relevant to S. 39; that the time on second-degree amendments be limited to 30 minutes each.

Further I ask all points of order be waived and no other motions be in order to this bill.

The PRESIDING OFFICER. Without objection, it is so ordered.

Mr. STEVENS. Mr. President, I ask unanimous consent that the reading of the amendments be dispensed with.

The PRESIDING OFFICER. Without objection, it is so ordered.

Mr. PRESSLER. Mr. President, I am proud to be a cosponsor of H.R. 3269, a bill to make technical corrections in the law that governs the Impact Aid Program. This bill represents the culmination of months of hard work. I would like to thank the Chair, the Labor and Human Resources Committee, Senator KASSEBAUM for her diligent work in bringing this extremely important bill to the floor. Her efforts helped to ensure that generally impacted schools will get the financial assistance they deserve and need.

Impact Aid is an important program for many schools. Impact Aid is a Federal responsibility. The program reimburses school districts that lost tax base due to a Federal presence, such as a military base or Indian reservation. This program provides funds for day-to-day school operations, such as buying books and paying teachers. These are not special funds for extra projects. This is a program based on the basic principle of fairness. We should fund the basics of education before we spend money on extra programs.

The expeditious passage of this bill today would ensure that many Federally impacted schools will have the funds needed to keep their doors open, literally, this fall. School districts depend on Impact Aid for basic operating expenses. This bill would ensure that payments are made in a timely manner.

I am particularly concerned about Section 2 of the Impact Aid program as

School districts depend on Impact Aid for basic operating expenses. This bill would ensure that payments are made in a timely manner.

I am particularly concerned about Section 2 of the Impact Aid program as
it pertains to two school districts in South Dakota. Specifically, without passage of this critical bill, two South Dakota schools, Boneestell-Fairfax and Wagner, could stand to lose together almost $1 million. That must not be allowed to happen. Essentially, the bill before us would allow these school dis-
tricts to claim eligibility under Section 8003. The Boneestell-Fairfax and Wagner districts were in fact eligible for Impact Aid funds, but were unaware of their eligibility because of a change in the Federal statute. Unfortunately, the Department of Education could not allow these districts to amend their applications. Consequently, they were de-
Fraud of their own. That is why impact aid must remain a top Federal respons-
bility.

Unfortunately, getting this bill through has not been easy, in part be-
cause the current administration does not have its priorities straight. For the next year, the Clinton administration’s budget called for the Federal Government to lessen its com-
mitment to impact aid. Obtaining the appropriate level of funding is a struggle every year. There will be more battles over impact aid funding. I’m ready. I will continue to fight for our Nation’s children and federally impacted school districts. This is my commitment to those schools and the families they serve.

Again, I thank the chair of the Labor and Human Resources Committee, its ranking member and their counter-
parts in the House for their good work. I go to the Committee and to the President. This bill enjoys wide-
spread, bipartisan support. With the support of my colleagues, we can fulfill our legislative responsibility to fed-
eral funds. That is wrong. How can we deny funds that they deserved due to a technical error? How can we deny funds that they deserved due to an
