

Although I continue to object to the privatization section of this legislation, I will be supporting the bill because it includes authorization for needed Federal expenditures. In addition, I am extremely pleased that the bill also includes, at my request, language eliminating the dual mandate of the FAA. This new language will clearly direct the FAA to promote the safety of air travel, not promote the airline industry. I have long sought this change in the FAA's authorizing statute and I thank the committee for including this in the bill we are considering today.

Mr. SHUSTER. Madam Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. (Ms. GREENE of Utah). The question is on the motion offered by the gentleman from Pennsylvania [Mr. SHUSTER], that the House suspend the rules and pass the bill, H.R. 3539, as amended.

The question was taken.

Mr. CANADY of Florida. Madam Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Pursuant to clause 5 of rule I and the Chair's prior announcement, further proceedings on this motion will be postponed.

The point of no quorum is considered withdrawn.
