PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-33. A joint resolution adopted by the Legislature of the State of Washington; to the Committee on Appropriations.

HOUSE JOINT MEMORIAL 4006

Whereas, more than three thousand eight hundred women in Washington will be diagnosed with breast cancer this year; and

Whereas, nearly one thousand women in Washington lost their lives to breast cancer in 1996; and

Whereas, women who die from breast cancer lose an average of twenty years of their life; and

Whereas, breast cancer is the second leading cause of cancer death in women; and

Whereas, the medical treatment costs of breast cancer nation-wide total over six billion dollars annually; and

Whereas, underfunded research into the causes of breast cancer have not yet determined a cause, prevention, or cure for the disease; and

Whereas, research into the cause and cure for all cancers totals only one-tenth of one percent of the federal budget; and

Whereas, the Senate and House of Representatives of the State of Washington honor and support the American Cancer Society's "Campaign 2.6" signature drive: Now, therefore, your Memorialists respectfully pray that the President of the United States and members of the United States Congress recommit to eradicating breast cancer by investing two billion six million dollars in breast cancer research between now and January 1, 2000, and mandate that cancer activists be among those who decide how that money is appropriated; be it

Resolved, That Copies of the Memorial be immediately transmitted to the Honorable William J. Clinton, President of the United States; the Honorable Patty Murray, United States Senator; the Honorable Linda Smith, United States Representative; John Seffrin of the American Cancer Society National Home Office; Sherry Bailey of the American Cancer Society National Home Office; Fran Visco of the National Breast Cancer Coalition; Willie Stewart, Chairman of the Board of Directors, Western Pacific Division of the American Cancer Society; Ann Marie Pomerinke, Chief Executive Officer, Western Pacific Division of the American Cancer Society; Theresa Miller of the Breast Cancer Task Force of the Western Pacific Division of the American Cancer Society; Deb Schiro of the division office of the Western Pacific Division of the American Cancer Society; the President of the United States Senate; the Speaker of the House of Representatives, and each member of Congress from the State of Washington.

POM-34. A resolution adopted by the Senate of the Commonwealth of Pennsylvania; to the Committee on Armed Services.

RESOLUTION

Whereas, the Base Closure and Realignment Commission was created pursuant to the Defense Base Closure and Realignment Act of 1990 to study the viability of United States military installations and to issue reports regarding the closure and realignment of select installations; and

Whereas, the commission thoroughly reviewed data and input from all interested parties, including the Department of Defense, which recommended Tobyhanna Army Depot for increased mission responsibility; and

Whereas, in its final deliberations, the Defense Base Closure and Realignment Commission concurred with the efficiency and productivity analyses of the Tobyhanna Army Depot work force; and

Whereas, the commission issued a report to the President of the United States on July 1, 1995, which recommended the transfer of the ground communications-electronics workload from the Sacramento Air Logistics Center, California, to the Tobyhanna Army Depot; and

Whereas, in recommending that the McClellan Air Force Base, Sacramento, California, should be closed, the commission directed that its ground communications-electronics workload transfer to Tobyhanna Army Depot; and

Whereas, this recommendation and others included in the commission's 1995 report were accepted by the President, submitted to the Congress of the United States and signed

as the Base Closure and Realignment Report of 1995 on July 13, 1995; and

Whereas, the commission's report indicated that the Tobyhanna Army Depot can perform the ground communications-electronics workload just as efficiently and more cost effective than the Sacramento Air Logistics Center; and

Whereas, the Tobyhanna Army Depot has proven to be one of the United States' most cost-effective installations; and

Whereas, the transfer of the ground communications-electronics workload to the Tobyhanna Army Depot would involve the movement of approximately 900 positions to the Tobyhanna Army Depot; and

Whereas, these 900 positions constitute a significant staff complement for the Tobyhanna Army Depot, although these 900 positions represent less than 10% of the total complement based at the Sacramento Air Logistics Center; and

Whereas, the Tobyhanna Army Depot is northeastern Pennsylvania's largest employer, and the transfer of these 900 positions would represent an important influx to the regional economy; and

Whereas, the Tobyhanna Army Depot has the capacity, capability and skills necessary to immediately perform a significant portion of the Sacramento Air Logistics Center's ground communications-electronics workload; and

Whereas, the Base Closure and Realignment Report of 1995 required that the President of the United States initiative workload transfers no later than July 13, 1997, and complete those transfers no later than July 13, 2001; and

Whereas, at the recommendation of the Secretary of Defense, the President of the United States of America accepted these decisions; and

Whereas, the transfer of the 900 ground communications-electronics positions to Tobyhanna Army Depot has not been initiated, even though this transfer was approved by the President of the United States and shown to be in the interests of cost-effectiveness and military efficiency; and

Whereas, it is apparent that leaders in the state of California seek to delay or prevent the movement of the ground communications-electronics workload to Tobyhanna; and

Whereas, the Commonwealth of Pennsylvania has been severely impacted by the Department of Defense base closure process in each round from 1988 to 1996 and has not sought special protection from these impacts; and

Whereas, these efforts by the elected officials of California will violate the intention of the 1995 Defense Base Closure and Realignment Commission, negate annual savings of \$160 million and impact the readiness of the nation's armed forces; Therefore be it

Resolved, That the Senate of the Commonwealth of Pennsylvania memorialize the President of the United States to effect the immediate transfer of the ground communications-electronics workload from the Sacramento Air Logistics Center to the Tobyhanna Army Depot; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States, to the presiding officers of each house of Congress and to each member of Congress from Pennsylvania.
