

REPORT CONCERNING THE CONTINUATION OF MOST-FAVORED-NATION STATUS FOR MONGOLIA—MESSAGE FROM THE PRESIDENT—PM 54

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Finance.

To the Congress of the United States:

On September 4, 1996, I determined and reported to the Congress that Mongolia is in full compliance with the freedom of emigration criteria of sections 402 and 409 of the Trade Act of 1974. This action allowed for the continuation of most-favored-nation (MFN) status for Mongolia and certain other activities without the requirement of an annual waiver.

As required by law, I am submitting an updated report to the Congress concerning the emigration laws and policies of Mongolia. You will find that the report indicates continued Mongolian compliance with U.S. and international standards in the area of emigration.

WILLIAM J. CLINTON.
