

and younger beginning in 1999, \$400 beginning in 1998, up to families of incomes of \$110,000, and if you are single, up to \$75,000.

You will see additional IRA's. You will see additional \$31 billion of loss in revenue, of tax benefits for individuals choosing to send their children to the first 2 years of college, \$1,500 off each year. The key is to make sure the colleges do not just increase their tuition, but it actually goes to the families and the kids. You will see businesses that will be able to benefit from the alternative minimum tax. You will see a slight increase in the tobacco tax, but it is going for health care.

We are finally getting a handle on Medicare, we are finally getting a handle on some other entitlements, and we are going to save this country not just for our kids, but our kids' kids.

I am very proud to be part of this Republican majority, I am proud of the work that JOHN KASICH has done, I am proud of the work that NEWT GINGRICH has done under tremendous criticism over his time as Speaker during the last 2½ years. It is a privilege to serve in the House of Representatives and represent the people of the Fourth Congressional District. It is a privilege to be on the Committee on the Budget and to serve with JOHN KASICH. It is a privilege to have NEWT GINGRICH as the Speaker of this House. I know many have been critical of his tenure over the last 2½ years, but I think history will be a very kind judge of NEWT GINGRICH.
