RECOGNITION OF THE SERVICES AND SACRIFICES MADE BY THE VETERANS OF THE TERRITORY OF GUAM AND U.S. PACIFIC ISLANDS

HON. ROBERT A. UNDERWOOD OF GUAM
IN THE HOUSE OF REPRESENTATIVES
Tuesday, September 16, 1997

Mr. UNDERWOOD. Mr. Speaker, on a recent press release, the Vietnam Veterans of America claimed that their Eighth National Convention held last August was an “historic occasion.” I could not help but fully agree with this claim. Aside from the record attendance and the presence of Vice-President AL Gore, this convention saw the first ever representation of Guam’s veterans.

Frank San Nicolas, the president of Guam chapter 668 of the Vietnam Veterans of America, is one of Guam’s outstanding Vietnam veterans. Frank has been active with the association on Guam and he took part in the convention to emphasize the role of Guam and its veterans to focus attention on the problems currently encountered by veterans from Guam. Among the resolutions and constitutional changes adopted at the convention to outline organization’s agenda for the next 2 years, one honoring the veterans of Guam was approved. I would like to submit a copy of this resolution for the CONGRESSIONAL RECORD:
