

CONGRATULATING USUHS ON ITS  
25TH ANNIVERSARY**HON. CONSTANCE A. MORELLA**

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 18, 1997*

Mrs. MORELLA. Mr. Speaker, last year this House overwhelmingly endorsed and recognized the important role of the Uniformed Services University of the Health Sciences in maintaining the health and readiness of our Nation's Armed Forces. Today I am proud to congratulate this fine institution, located in my congressional district in Bethesda, MD, on its 25th anniversary.

Public Law 92-426 established USUHS in 1972 to ensure continuity and leadership for uniformed medicine. USUHS has graduated 2,470 military medical officers; 2,276 of them continue in active duty today, constituting 17 percent of Department of Defense's physician force.

USUHS has met every goal and mission envisioned by the founders of the remarkable institution, the West Point of military medicine. The overall USUHS retention rate is an incredible 93 percent. Of those who have completed their original obligation, 85 percent continue on active duty in service to their Nation.

The high level of performance and deployability of USUHS graduates was validated during congressional hearings in 1994. The three Surgeons General and USUHS graduates who served in Operations Desert Shield and Desert Storm testified that USUHS physicians were immediately deployable to combat areas and aptly utilized combat, field sanitation, unconventional warfare, and preventive medicine training.

In addition, USUHS provides products and services to DOD that should be recognized and factored in to the cost-effectiveness of the University: one, the newly accredited Graduate School of Nursing provides family nurse practitioners and registered nurse anesthetists for the Federal Nursing Chiefs; two, the Office of Graduate Medical Education provides consultation on internship, residency, and fellowship training programs for DOD and is the administrative office for the National Capital Military Medical Education Consortium; three, the Graduate Education Programs have granted over 444 graduate degrees; and four, in 1996, the Office of Continuing Education for Health Professionals [CHE] provided 107 accredited programs with an attendance of 3,500 physicians and 3,031 nurses. USUHS CHE generated cost-avoidance for DOD by eliminating extensive travel expenses and time away from the hospitals and clinics. In 1996, the Military Training Network, part of CHE, developed and implemented policy guidance and ensured compliance with curriculum and administrative standards for resuscitative and trauma medicine training programs for 242,663 DOD personnel.

Those who say that the university is too expensive are wrong. The cost-effectiveness of USUHS should be judged based on all of the products and services it provides to the Nation. The General Accounting Office report of September 1995 substantiated that USUHS costs are comparable to scholarship costs based on expected years of service and all Federal costs. And, this conclusion was reached by GAO without considering all of the

other products and services provided by USUHS.

The facts demonstrate that USUHS has more than met its mandated mission. There is no doubt that the university is providing a corps of career-oriented, dedicated, military medical officers who will lead the military health care system into the 21st century.

In conclusion, I want to recognize and congratulate the superb faculty and staff of USUHS for a job well done. Happy Anniversary to our Nation's Uniformed Services University of the Health Sciences.

DEPARTMENT OF LABOR, HEALTH  
AND HUMAN SERVICES, AND  
EDUCATION AND RELATED  
AGENCIES APPROPRIATIONS  
ACT, 1998

SPEECH OF

**HON. PATSY T. MINK**

OF HAWAII

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, September 16, 1997*

The House in Committee of the Whole House on the State of the Union had under consideration the bill (H.R. 2264) making appropriations for the Departments of Labor, Health and Human Services, and Education, and related agencies, for the fiscal year ending September 30, 1998, and for other purposes:

Mrs. MINK of Hawaii. Mr. Chairman, the Hoekstra amendment, HA 356, bars the use of Federal funds to pay for an election officer to continue overseeing the election of any officer or trustee of the International Brotherhood of Teamsters.

The Government has already spent about \$17 million to oversee the Teamsters' 1996 election because the Bush administration's 1989 consent decree obligated the Government to do so. The consent decree, signed by the Government in 1989 said:

"The union defendants consent to the Election officer, at Government expense, to supervise the 1996 IBT elections."

The election officer concluded on August 21, 1997 that the 1996 election had to be run again because the election protests filed with the officer uncovered campaign misconduct that, she concluded, "could have persuaded at least a small percent" of the voters and "affected the outcome."

Given these facts, Mr. HOEKSTRA'S amendment, if enacted, bars funding necessary to supervise the court ordered re-run of the 1996 election.

The election officer has explained why she thinks we need to proceed with this re-run election:

[T]he election of International officers is the clearest expression of the control of the members over their Union; it is also the key to insuring that organized crime, employers, or any other outsiders do not use the Union for their own purposes. To avoid a rerun because of the disruption it brings could allow this union to lose its most valuable resource: the support, participation, and confidence of its membership. Such a result cannot be allowed.

A study of the recent history of the Teamsters shows we have come a long way in our effort to rid this union of mob influence.

In 1986, former Chief Circuit Judge Irving R. Kaufman, the chair of President Reagan's

Commission on Organized Crime, concluded that the mob's influence of the Teamsters was both intrusive and pervasive and insisted that President Reagan prosecute the Teamsters and use of civil RICO statute to take over the union.

In 1989, the Bush administration entered into a consent decree, the one I've mentioned already, that permitted the Federal district court to take over the union, to appoint a monitor, and to appoint an election officer. This consent decree also changed the Teamsters' constitution, providing for the unprecedented direct election of the Teamsters' top officers by the rank and file members.

By 1989, we had learned some hard lessons when we had not been vigilant in the supervision of union elections. The Permanent Subcommittee on Investigations was highly critical of one union election, after 20 months of a government trusteeship, that resulted in the mob-dominated union officers being replaced by a slate allegedly tied to these same officers. Thus, the scrutiny of the Teamsters' election was intense.

The Bush administration's consent decree split the anticipated burden of the first two elections, requiring that the Teamsters pay the \$21 million necessary to run the first election in 1991, and that the Government pay the cost of second election.

Therefore, I believe we are legally obligated by the consent decree, agreed to by the Bush administration. This House can not support the Hoekstra amendment without being in contempt of a court order.

CONGRATULATIONS TO VAROUJAN  
BALOTIAN, TAMAR KATAROYAN,  
AND MANO HANDIAN**HON. GEORGE P. RADANOVICH**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 18, 1997*

Mr. RADANOVICH. Mr. Speaker, I rise today to congratulate three outstanding individuals from the Armenian General Athletic Union. These individuals exemplify leadership in their organization that has earned them the Homenetmen Member of the Year Award, Athlete of the Year Award, and Scout of the Year Award.

The Armenian General Athletic Union serves the sporting needs of Fresno's Armenian community with competitive tournaments that emphasize fraternity and shared accomplishment. Fresno's chapter has nine competitive teams that participate in events statewide, as well as a Boy Scout Troop.

This year's recipient of the Homenetmen Member of the Year was Varoujan Balotian. Balotian is one of the founding members of the Fresno chapter and is also one of the first members of the central executive committee. Balotian's guidance and dedication has shaped the Armenian General Athletic Union into the fine organization that it is today. However, Balotian's success is not limited to the union, as he is a long-time manager at one of Fresno's finest mens stores.

Athlete of the Year was awarded to 18-year-old Tamar Kataroyan. This award is presented to only one athlete from a random selection between the 16 chapters in the western region. Kataroyan has been involved in all aspects of the organization including the coaching of youth and participation in tournaments.

Kataroyan's excellence in basketball has taken her all the way to the 5th Annual World Olympics in New York and has also secured her a full basketball scholarship at UC Irvine.

Mano Handian was recognized as Scout of the Year. He is a scout for the Union's own Troop No. 12. He has accomplished a great deal for himself and the Armenian General Athletic Union. He was born in Lebanon and currently attends Fresno City College. His fine leadership over the organization's Boy Scouts, Explorers, and Cub Scouts has earned him this high honor.

Mr. Speaker, it is with great honor that I congratulate these three individuals. I commend Varoujan Balotian, Tamar Kataroyan, and Mano Handian on their accomplishments in the Armenian General Athletic Union and ask my colleagues to join me in congratulating them.

**BILL REGARDING SALLIE MAE  
BOND REFINANCING**

**HON. DAVID E. SKAGGS**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 18, 1997*

Mr. SKAGGS. Mr. Speaker, today I have introduced legislation to correct an unfair practice that is occurring as a result of the privatization of Sallie Mae.

While Sallie Mae was a Government-sponsored enterprise, it purchased tax-exempt municipal bonds issued by public colleges and private universities. Now that Sallie Mae is being privatized, it has adopted a policy of allowing its clients to waive the redemption premiums for those bonds, but only if the clients use Sallie Mae's private subsidiary as an investment banker for the transaction. I would have no objection to this business practice if the bonds in question were acquired after privatization. However, having acquired the bonds as a Government-sponsored enterprise, Sallie Mae has an advantage that private investment bankers cannot match. The tie-in requirement to qualify for this sweetheart arrangement, which no private competitor can match, is simply unfair.

The legislation I introduced today would prohibit Sallie Mae from conditioning the waiver of redemption premiums related to pre-1997 bonds on the use of its subsidiary, so that all broker-dealer firms can have the same opportunity to compete for the business of handling refinancing of Sallie Mae securities.

**TRIBUTE TO JIM AND CAROL  
BAUM**

**HON. JERRY WELLER**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 18, 1997*

Mr. WELLER. Mr. Speaker, I rise today to honor the hard work and dedication of Jim and Carol Baum, the owners and operators of Baum's, Inc. in Morris, IL. The Baum's have been named the 1997 Illinois Retail Merchants of the Year.

Baum's Department Store has been an institution in my hometown of Morris since 1874. Jim and Carol have been running the business

since the 1960's. Jim serves as the president and CEO, while Carol serves as the chief buyer and merchandise manager.

Both Baum's are extremely active in the Morris community. Many people often wonder how they have time to operate such a successful business. Jim, a veteran, serves on the board of the Grundy County National Bank, and is active in the chamber, many of the local community development organizations, the Morris Hospital, and our schools. Carol is active in the Presbyterian Church of Morris, the Daughters of the American Revolution, and the Morris Women's Club.

I have had the pleasure of working with Jim on many local issues and projects important to the area. Jim has been recognized, and deservedly so, for his strong commitment and success in revitalizing the Morris riverfront area.

The Baum's have been generous in sharing their wealth of experience as retailers on both a national level and the local level. Jim has served as a guest speaker and seminar presenter on many occasions throughout the country. Many of my colleagues may have run into Jim Baum within the halls of Congress during one of Jim's trips to Washington to lobby on behalf of his fellow retailers. Locally, Jim runs the local morning coffee hour in our hometown of Morris. This is where the who's who talks about what is really happening.

It is truly fitting that this outstanding couple is being honored by their peers as the Retail Merchants of the Year. They are both true leaders who have given back more to their community than could ever have been expected. I wish both Jim and Carol Baum continued success in all their endeavors.

**CONGRATULATIONS TO DOROTHY  
(DOT) SLAMIN HILL**

**HON. JOSEPH P. KENNEDY II**

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 18, 1997*

Mr. KENNEDY of Massachusetts. Mr. Speaker, one of the pleasures of serving in this great body is the opportunity to recognize the exceptional individuals of our Nation. I rise today to pay tribute to such a person, Ms. Dorothy (Dot) Slamin Hill, for her many contributions to the City of Waltham, MA. This evening there will be a dinner honoring Dot for her 50 years as leader of the American Legion Post 156 Marching Band, as well as her outstanding public service to her neighbors.

I would like to add my congratulations to Dot on this special occasion and want to take this time to briefly touch on her many achievements. In 1933, Dot became the first woman to win the American Legion National Drum Major Competition. Over the years, she has led the American Legion Post 156 Marching Band in many prestigious events, such as the Saint Patrick's Day Parade in Dublin, Ireland in 1984, and the Moscow May Day Parade in 1990. She has served as Commander of the American Legion Post 156 for 5 terms and is the permanent Massachusetts representative to the American Legion National Convention.

In addition to her many accomplishments with the American Legion, Dot has compiled a very distinguished record of community activism. She has taken a great interest in the

youth of her community, serving on the Waltham School Committee and on the board of directors of the YMCA. Dot was also the first woman member of her local Kiwanis Club, and has dedicated her time to many civic activities, including Waltham Community Access Television, and the Waltham Senior High Scholarship Committee.

Mr. Speaker, I ask that you, and the other Members, join with me in honoring Dot for her many years of devotion to her community and acknowledge her exemplary service as a role model and civic leader.

**CONGRATULATIONS TO TIM AND  
CHARLOTTE TRAVIS**

**HON. SCOTT McINNIS**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 18, 1997*

Mr. McINNIS. Mr. Speaker, on September 23 of this month, Tim and Charlotte Travis of Brighton, CO, will receive the Colorado Sports Couple of the Year award from the downtown Denver chapter of Ducks Unlimited. This is the very same chapter that Tim founded nearly 20 years ago when he first became affiliated with the organization.

In recent years, the Travis' have increased the amount of money they have been able to donate to Ducks Unlimited and the Denver chapter has expressed their gratification by extending them this honor. The Denver chapter will also be creating a wetlands project in eastern Colorado which will be dedicated in the Travis' name.

I too, would like to extend my gratification to the Travis' for their many years of giving to this organization as well as to the sporting way of life which we treasure in the great State of Colorado.
