

reasons for Medicare to limit disenrollment—but those economic reasons are going to kill some of our seniors and disabled. Thus, I support repeal of the BBA lock-in.

We simply do not know enough about quality of care in HMO's to justify a lock-in. Perhaps some day when there are much better measurements of outcomes and quality we could put a limit on the timing of enrollment and disenrollment. But that time is not here yet, and I fear the proposed lock-in will be deadly.

Friends of the managed care movement should support this amendment, because it will remove a fear that many Medicare beneficiaries will have of joining an HMO and then being stuck in it for most of a year. If there is continuous open enrollment and disenrollment, more people are likely to try managed care without the fear of being stuck in a nonresponsive bureaucracy or assigned to a quack of a gatekeeper.

Mr. Speaker, I do not expect this legislation to move in the 105th Congress—but as we get closer to 2002 and the lock in of beneficiaries, I expect that the interest will grow dramatically. I urge my colleagues to support this legislation in the months to come.

#### TRIBUTE TO MARY JEANNE KLYN

### HON. ROB PORTMAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, October 22, 1997*

Mr. PORTMAN. Mr. Speaker, I would like to take this opportunity to recognize a friend and constituent, University of Cincinnati Vice President for Public Affairs Mary Jeanne Klyn. Mrs. Klyn, or MJ as she is known by her many fans, will be retiring in February 1998, after 22 years of service to the university.

In 1975, when she came to UC from the Greater Cleveland Growth Association, MJ was named the university's first-ever female vice president. During her term at UC, MJ has developed a legendary reputation as a committed, energetic, and effective representative of the university.

She first demonstrated leadership in the successful campaign to bring UC into the State university system. Since then, she has secured stable funding for UC's academic and research programs, and has worked hard for building projects that mark the rebirth of the university's campus. She played a key role in the Shoemaker Center, the Barrett Cancer Center, and the designation of the UC College of Engineering as one of only 10 NASA Federal Research Centers.

Throughout her time of service to the university, she has also become known as a dedicated advocate for the entire city of Cincinnati. A consultant to the Greater Cincinnati Chamber of Commerce, MJ has served as member of the boards of WCET public television and the Cincinnati Convention and Visitors Bureau. She chaired the chamber's Committee to Welcome New Industries, and is a member of Women in Communication, and a recent recipient of their Movers and Shakers Award.

University of Cincinnati President Joseph A. Steger said, "It is rare that we can say in truth that someone is irreplaceable, but M.J. truly is. She has helped orchestrate most of the major

strides achieved by the university over the past two decades. There is no question that she is beloved by everyone."

MJ is beloved in Cincinnati and will be missed by the university. Those of us who have had the privilege of working with her look forward to continuing friendship and wish her well.

#### TRIBUTE TO THE CITICENTRE DANCE THEATRE

### HON. RONALD V. DELLUMS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, October 22, 1997*

Mr. DELLUMS. Mr. Speaker, on October 26, 1997, the CitiCentre Dance Theatre will be celebrating their 20th anniversary. Founded in 1977 by Halifu Osumare, CitiCentre Dance Theatre is Oakland's oldest multiethnic arts organization. CitiCentre is also dedicated to the principal of bringing dance and the community together.

CitiCentre understands that dance rejuvenates and reinvigorates the community, and believes strongly that dance must be returned to ordinary people. Through the diverse offering of dance classes—from belly dance and ballet, to jazz and African dance forms, this unique organization allows people of all ages and background to come together to experience the joy of dance. CitiCentre has done a lot to accomplish their goals in their 20 years of existence. CitiCentre has averaged over 600 students per month taking classes. It was also estimated that 100,000 East Bay residents have received dance instruction at CitiCentre.

CitiCentre is a community center that reflects diversity and the spirit of the East Bay. Through dance, they have explored the commonalities among cultures, and how racial and cultural diversity can work to enrich the participants, which can only lead to a greater understanding among each other. CitiCentre is also dedicated to the preservation and presentation of the dance heritage of people of African descent. These classes include West African, Congolese, Brazilian, Cuban, Haitian, Jazz, and Tap. The instruction teaches more than just dance steps, it communicates the world views of these related cultures. CitiCentre also works with the local schools, the police department, as well as other community groups to expose the young people to the art of dance.

Over the years, CitiCentre has acquired nationally known expert performers and instructors. Expanding over a wide variety of dance companies, these performers and instructors were affiliated with such groups as: the Dance Theater of Harlem, the Bill T. Jones Co., the Alvin Ailey Dance Theater, and Les Ballet Africains. This gives the ordinary person the unique opportunity to work with and learn from world famous dancers.

CitiCentre is a community-based organization that doesn't sacrifice the excellence and professionalism in the interest of its community spirit. When cultures come together and interact CitiCentre becomes the unique multicultural face of my district, a community of diverse people and cultures. I take pride in their accomplishments and growth as the community celebrates 20 years of dance with CitiCentre.

ST. MARY'S SCHOOL

### HON. GLENN POSHARD

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, October 22, 1997*

Mr. POSHARD. Mr. Speaker, it gives me great pleasure to congratulate St. Mary's School in Mattoon, IL for being named the 1997 State Champion of Illinois for the President's Council on Physical Fitness and Sports. This is the third year in a row the school has won this prestigious award. St. Mary's performance during the 1996-97 school year, in which 67.69 percent of students performed at the 85th percentile rank, was the best among all Illinois schools.

It is not by accident or luck that St. Mary's has performed so well in this nationally recognized competition. The physical requirements are among the most demanding in high school sports, and include a 1 mile run-walk, curl-ups, a sit and reach stretch, pull-ups, and a shuttle run. The students train hard under the tutelage of Mike Martin, who puts in countless hours, year after year, even going as far as to construct weights and an obstacle course. Our Nation has many heroes in the world of sports, from Michael Jordan, Mark McGuire and Cal Ripken, Jr., to Jackie Joyner-Kersey and Tara Lipinski. But none is more important than Mike Martin who gives of himself so that others may reach new heights. This kind of dedication is truly remarkable.

Mr. Speaker, we hear a great deal today about how America's youth are unmotivated, lazy, and apathetic. I beg to disagree. The students at St. Mary's are proving what hard work can accomplish. The benefits of good health are just the beginning. They are learning habits and values, such as discipline, teamwork, and respect, that will lead to success in their future endeavors. As a former high school coach, I know about the joys of athletic competition; the beauty in giving your all, and win or lose, not being ashamed because you gave your maximum effort. We sometimes lose sight of these ideals among the contract disputes and big money of professional sports, but they are alive and well in Mattoon, IL. I am proud to represent St. Mary's school and the Mattoon area in the U.S. Congress, and salute them again for this magnificent achievement.

#### TRIBUTE TO KATE BROGAN

### HON. MICHAEL PAPPAS

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, October 22, 1997*

Mr. PAPPAS. Mr. Speaker, I rise today to call attention to the outstanding service of Kate Brogan of Branchburg, a young girl that should serve as a role model to all of us.

Miss Brogan has showed us that expressions of love and compassion need not be hindered by one's age. Whether we are 9 or 99, this country can only grow stronger when generations come to serve one another.

When Kate was only 8, she began helping her disabled, elderly neighbor Marjorie Martin. Kate helped with household chores and enjoyed keeping Ms. Martin company, whether it was playing games or just talking. Now 14,
