outpatient satellite facility and has gone on to develop seven more of these centers throughout South Florida.

Fred has also taken his duties beyond Mount Sinai and has dedicated his leadership and vision to over 50 local and national organizations. His participation in many state and federal committees has been critical to the passage of significant legislation.

We thank Fred for his endless dedication to Miami’s health care industry and for making Mount Sinai Medical Center, a national, not-for-profit, independent teaching hospital a force to be reckoned with nationally. His efforts will leave a mark on South Florida for many years to come and although he will be greatly missed, we wish him the best of luck in all of his future endeavors, where he will assuredly excel.

CONGRATULATIONS TO DICK AND BOB ANDERSON OF ANDERSON FARMS

HON. GEORGE P. RADANOVICH
OF CALIFORNIA
IN THE HOUSE OF REPRESENTATIVES
Thursday, April 23, 1998

Mr. RADANOVICH. Mr. Speaker, I rise today to congratulate Dick and Bob Anderson of Anderson Farms for receiving the Fresno County Farm Bureau’s Distinguished Service Award. The Andersons have been providing dedicated service to the agricultural community since the 1940’s and are very deserving of this honor.

Dick and Lesta Anderson began farming in Tulare in 1940. Over the years, both of their sons, Bob and Craig, and grandchildren have joined in the family farming enterprises.

In 1974, the Andersons purchased land and equipment in the Huron area from the Giffen Ranch. They started Vasto Valle Farms, Inc., where Bob Anderson served as the ranch manager. During the first year, with only one tractor operating, they managed to harvest tomatoes and a variety of row crops. During the 1970’s they primarily farmed tomatoes, onions, melons, and lettuce.

In the 1980’s, the water situation and commodity prices affected their cropping patterns. The Andersons added many vegetable crops which were new to the Westside. These crops included peppers, mixed melons, corn, celery, garlic, broccoli, leaf lettuce, cauliflower, beans, and cabbage. With their increased interest in vegetable production, the Andersons recognized the opportunity of building and operating their own cold storage facility and began to ship vegetables under their own labels of Anderson Farms.

In 1977, the Andersons formed a partnership and built a state of the art greenhouse nursery in Huron. The Plantel Central Valley Nursery now has 127,000 square feet of greenhouse space, with plenty of room for expansion.

Anderson Farms has grown significantly over the years. The Andersons now plant vegetables during every month of the year. In 1998, the Andersons expected to grow about 6,400 acres of vegetables.

Dick and Bob Anderson have always been supportive of their community. They have both served on the Board of Directors of the Huron Ginning Company. They support local schools and help students with their projects and activities. Bob’s son, Mark, is currently in charge of Anderson Farms fresh fruit and vegetable sales and is Vice Chairman of the California Cantaloupe Advisory Board. His daughter, Robyn Black, is Deputy Director of the California Department of Industrial Relations. Robyn has served as an advisory board member of California Agriculture in the Classroom and is a member of the California Farm Water Coalition Board of Directors.

The Andersons are a four generation farming family. Their love of farming keeps them searching for new and innovative methods of keeping up with the constantly changing times.

Mr. Speaker, it is with great honor that I congratulate Dick and Bob Anderson for receiving the Fresno County Farm Bureau’s Distinguished Service Award. It is their exceptional support of the labor to farming that warrants this recognition. I ask my colleagues to join me in wishing Dick and Bob Anderson many more years of success.

WORKERS MEMORIAL DAY: LABOR TO NEIGHBOR AWARD

HON. BOB FILNER
OF CALIFORNIA
IN THE HOUSE OF REPRESENTATIVES
Thursday, April 23, 1998

Mr. FILNER. Mr. Speaker, I rise today to recognize the Sheet Metal Workers Union Local 206 and the Ironworkers Union Local 229, as they are honored by the San Diego Imperial Counties Labor Council, AFL-CIO for their strong support of the Labor to Neighbor program. The Labor to Neighbor program educates and involves union members and their families in the campaign to protect jobs and the future of working people in San Diego and Imperial Counties.

The Sheet Metal Workers Local 206 is being recognized for its leadership role in the Farm Team Project that recruits and develops future candidates for all levels of elected office throughout our area. They also provided major financial assistance for the Voter List Project and for the fight against Proposition 226, the thinly-veiled attack on organized labor’s right to participate in our democratic process.

The Ironworkers Local 229 is being recognized for their ongoing commitment to Labor to Neighbor, having been also recognized last year with this same honor. Local 229 organized an annual Labor to Neighbor fund-raising golf tournament to support efforts to educate union members on important issues and elections throughout San Diego and Imperial Counties.

For these activities, the San Diego Imperial Counties Labor Council, AFL-CIO recognizes the Sheet Metal Workers Union Local 206 and the Ironworkers Local 229 with the “Labor to Neighbor Award.” I am pleased to join in honoring their contributions to the working families of both San Diego County and Imperial County.

PUNJAB POLICE FOUND GUILTY OF HARASSING REPORTER

HON. GERALD B.H. SOLOMON
OF NEW YORK
IN THE HOUSE OF REPRESENTATIVES
Thursday, April 23, 1998

Mr. SOLOMON. Mr. Speaker, on April 22, 1998, Burning Punjab reported that two Punjab policemen were found guilty of harassing a Hindu journalist, Sanjiv Sharma, and three other members of his family. Police Sub-Inspector Girdham Singh and police officer Baljit Singh tortured Sanjiv Sharma, his father Chander Muni Lal, his friend Ranjiv Thakur (a Chandigarh car dealer), and lawyer Ajit Singh. The police in “the world’s largest democracy” are harassing journalists, lawyers, private businessmen, and old men! This does not give me a great deal of confidence in the Punjab police.

On September 21, 1996, Mr. Sharma had appeared at a hearing in Patiala. On their way home, they were intercepted at Bahadurgarh, according to Burning Punjab, by a police officer who brought them back to Patiala, where they were beaten. The four men filed a complaint with the high court, which ordered the district magistrate to investigate the matter. The investigation report said the police had arrested these persons on false accusations. These persons were arrested because they were editors of a newspaper critical of the police. They were beaten and tortured.

Unfortunately, this conduct is typical of the Punjab police. Here is a police force which kidnapped human-rights activist Jaswant Singh Khaira, which just last month raped 17-year-old Hardip Kaur, and which has murdered thousands of Sikhs and collected cash bounties for doing so. These are not the actions of a law-enforcement agency in a democratic state. They are the actions of a tyrannical occupying force. We must take strong action to stop this routine oppression.

The United States must speak out for basic human rights in Punjab, Khyber Pakhtunkhwa. We should impose strong sanctions on this corrupt regime and speak out in support of a free and fair plebiscite on the political status of Punjab, Pakistan. These measures will help to end the kind of tyrannical abuses that were inflicted on Sanjiv Sharma.

CUBAN-AMERICAN ARTIST XAVIER CORTADA

HON. ILEANA ROS-LEHTINEN
OF FLORIDA
IN THE HOUSE OF REPRESENTATIVES
Thursday, April 23, 1998

Ms. ROS-LEHTINEN. Mr. Speaker, I would like to pay tribute to Xavier Cortada for his newly unveiled exhibition entitled, “Cubaba.” Having exhibited on four different continents, this month marks the inception of Xavier’s first solo show in his hometown of Miami, Florida. Growing up Cubano in Miami was the foundation that inspired Xavier to paint the enlightening cultural celebration that is Cubaba. With combined elements of Hispanic culture and of Anglo-American college life, Xavier gave life to the feelings of “identity and belonging, about then and now, about being Cuban, being American, being both and being neither.” The renegotiation of identity that mirrors members of the Cuban generation who find themselves “on the hyphen.”
