SENATE RESOLUTION NO. 163

Whereas, Federal departments such as the Environmental Protection Agency have sought to implement strict standards on American farmers regarding pesticide use; and

Whereas, Certain nations allow the use of pesticides that are prohibited for use by American farmers and the export to the United States of agricultural products growth with the assistance of these pesticides; and

Whereas, This provides an unfair advantage to other nations and their citizens over American farmers and American agricultural workers who depend on this productivity for their livelihood; and

Whereas, The United States' agriculture is a vital industry to the nation's economy and quality of life; and

Whereas, Protecting our citizens by proven science and policy is of paramount importance to American citizens; and

Whereas, No nation should be allowed to export items into our nation using methods such as certain pesticides that the government of the United States prohibits its own farmers from using based on debatable claims of health and environmental concerns; now, therefore, be it

Resolved by the Senate, That we memorialize the Congress of the United States to prohibit the importation of agricultural and other food items from nations that do not have the same requirements, standards, and restrictions on allowable pesticides and chemicals used in the production, preservation, and growth of the products in future trade agreements; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

POM-392. A resolution adopted by the Senate of the Legislature of the Commonwealth of Massachusetts; to the Committee on Appropriations.

RESOLUTIONS

Whereas, although we believe that the United States should retain its position as the strongest military Nation in the world, we also believe that the security of our Nation is dependent fundamentally not on military might, but on the well-being and vitality of our citizens; and

Whereas, programs which sustain and improve the health, education, and affordable housing, environmental protection, and safety of our citizens are being transferred from the Federal to the State governments; and

Whereas, the funds being provided by the Federal Government to the States are insufficient to fulfill these responsibilities; and

Whereas, the seven countries currently identified as our potential adversaries have a combined military budget of 15 billion dollars, while the United States military budget for 1997 is 265 billion dollars; and

Whereas, the United States military budget remains at cold war levels and contains: 114 billion dollars not requested by the Pentagon, 25 billion dollars for 10,000 nuclear weapons and their delivery systems, and 40 billion dollars in excess and what many former military leaders and leading executives consider sufficient; and

Whereas, current Pentagon spending outweighs all military threats, and creates fewer jobs than increased spending on domestic programs would deliver; and

Whereas, shifting funds from the military to repairing our infrastructure would dramatically improve the lives of our citizens and strengthen our ability to complete successfully in the world market; and

Whereas, sufficient amounts of money need to be redirected from the military budget to the several States so that the States can meet the critical needs of rebuilding communities and inner cities, repairing schools, educating children, reducing hunger, providing housing, improving transportation, protecting the environment, and obtaining a decent level of health care and safety for all of our citizens, thereby increasing fundamentally our security and well-being; Now, therefore, be it

Resolved, That the Massachusetts Senate memorialize the President and the Congress of the United States to shift sufficient funds from the military to the States for the improvement of the lives of citizens; and be it further

Resolved, That a copy of these resolutions be transmitted forthwith by the clerk of the Senate to the President of the United States, the Presiding Officers of each branch of Congress and the Members thereof from this commonwealth.

Whereas, Congress in said act forbade use of Federal funds to provide SSI benefits and food stamp benefits for financially needy immigrants lawfully residing in the United States; and

Whereas, legal immigrants pay taxes and contribute in many ways to the productivity and vitality of our communities; and

Whereas, the United States was founded and built by immigrants; and
