MURDER IN JASPER, TEXAS

(Ms. JACKSON-LEE of Texas asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON-LEE of Texas. Mr. Speaker, I rise this morning as a Texan and as an American to express my disbelief over the horrendous crime that occurred in Jasper, Texas, that is now being called one of the most vicious racial crimes in modern Texas history.

In fact, the local prosecutor there in Jasper said that in his 20 years of being a prosecutor, he had never seen such a brutal crime.

I would like to send my deepest condolences to the family of James Byrd, Jr. This family is now dealing with the harsh realities of hate crime in America. Three men, who are alleged to be connected with white supremacy groups, have been charged with murdering a black man by chaining him to a pickup truck and dragging him almost three miles on a winding road through the woods of east Texas.

The victim's torso was found one place, his head another place, and his arm another place. Along the way, the victim was dismembered. This murder painfully illustrates the racial hatred that still exists in our society today.
