MAKING IN ORDER ON THURSDAY, JULY 30, 1998, CONSIDERATION OF HOUSE JOINT RESOLUTION 120, DISAPPROVING EXTENSION OF WAIVER AUTHORITY WITH RESPECT TO VIETNAM

Mr. SOLOMON. Mr. Speaker, I ask unanimous consent that it be in order at any time on the legislative day of Thursday, July 30, 1998, to consider in the House the joint resolution (H.J. Res. 120) disapproving the extension of the waiver of authority contained in section 402(c) of the Trade Act of 1974 with respect to Vietnam; that the joint resolution be considered as read for amendment; that all points of order against the joint resolution and against its consideration be waived; that the joint resolution be debatable for 1 hour equally divided and controlled by the chairman of the Committee on Ways and Means (in opposition to the joint resolution) and the gentlewoman from California (Ms. LOFGREN) or her designee in support of the joint resolution; that pursuant to sections 152 and 153 of the Trade Act, the previous question be considered as ordered on the joint resolution to final passage without intervening motion; and that the provisions of sections 152 and 153 of the Trade Act of 1974 shall not otherwise apply to any joint resolution disapproving the extension of the waiver authority contained in section 402(c) of the Trade Act of 1974 with respect to Vietnam for the remainder of the second session of the 105th Congress.

Mr. Speaker, it is the intention of this unanimous consent request that the majority manager in opposition to the joint resolution, who will probably be the gentleman from Illinois (Mr. CRANE), will yield half of his time to a majority Member in support of the joint resolution; that will be the gentleman from California (Mr. ROHRABACHER); and that the minority Member in support of the joint resolution, the gentlewoman from California (Ms. LOFGREN) on the Democrat side of the aisle yield half of her time to a minority Member in opposition to the joint resolution, and that will probably be the gentleman from California (Mr. MATSUI).

The SPEAKER pro tempore (Mr. QUINN). Is there objection to the request of the gentleman from New York?

There was no objection.

GENERAL LEAVE

Mr. LEWIS of California. Mr. Speaker, I ask unanimous consent that all Members have 5 legislative days in which to revise and extend their re-

marks on the further consideration of the bill, H.R. 4194, and that I be permitted to include tables, charts and other extraneous material.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

DEPARTMENTS OF VETERANS AFFAIRS AND HOUSING AND URBAN DEVELOPMENT, AND INDEPENDENT AGENCIES APPROPRIATIONS ACT, 1999

The SPEAKER pro tempore. Pursuant to House Resolution 501 and rule XXIII, the Chair declares the House in the Committee of the Whole House on the State of the Union for the further consideration of the bill, H.R. 4194.

□ 1320

IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the State of the Union for the further consideration of the bill (H.R. 4194) making appropriations for the Departments of Veterans Affairs and Housing and Urban Development, and for sundry independent agencies, boards, commissions, corporations, and offices for the fiscal year ending September 30, 1999, with Mr. COMBEST in the chair.

The Clerk read the title of the bill.

The CHAIRMAN. When the Committee of the Whole rose on Thursday July 23, 1998, the request for a recorded vote on the amendment offered by the gentleman from Indiana (Mr. ROEMER) had been postponed and the bill was open from page 72, line 3, through page 72, line 16.

Are there further amendments to this portion of the bill?

If not, the Clerk will read.

The Clerk read as follows:

SCIENCE, AERONAUTICS AND TECHNOLOGY

For necessary expenses, not otherwise provided for, in the conduct and support of science, aeronautics and technology research and development activities, including research, development, operations, and services; maintenance; construction of facilities including repair, rehabilitation, and modification of real and personal property, and acquisition or condemnation of real property, as authorized by law; space flight, spacecraft control and communications activities including operations, production, and services; and purchase, lease, charter, maintenance and operation of mission and administrative aircraft, \$5,541,600,000, to remain available until September 30, 2000.

MISSION SUPPORT

For necessary expenses, not otherwise provided for, in carrying out mission support for human space flight programs and science, aeronautical, and technology programs, including research operations and support; space communications activities including operations, production and services; maintenance; construction of facilities including repair, rehabilitation, and modification of facilities, minor construction of new facilities and additions to existing facilities, facility planning and design, environmental compliance and restoration, and acquisition or con-

demnation of real property, as authorized by law; program management; personnel and related costs, including uniforms or allowances therefor, as authorized by 5 U.S.C. 5901-5902; travel expenses; purchase, lease, charter, maintenance, and operation of mission and administrative aircraft; not to exceed \$35,000 for official reception and representation expenses; and purchase (not to exceed 33 for replacement only) and hire of passenger motor vehicles; \$2,458,600,000, to remain available until September 30, 2000.

OFFICE OF INSPECTOR GENERAL

For necessary expenses of the Office of Inspector General in carrying out the Inspector General Act of 1978, as amended, \$19,000,000.

ADMINISTRATIVE PROVISIONS

Notwithstanding the limitation on the availability of funds appropriated for "Human space flight", "Science, aeronautics and technology", or "Mission support" by this appropriations Act, when any activity has been initiated by the incurrence of obligations for construction of facilities as authorized by law, such amount available for such activity shall remain available until expended. This provision does not apply to the amounts appropriated in "Mission support" pursuant to the authorization for repair, rehabilitation and modification of facilities, minor construction of new facilities and additions to existing facilities, and facility planning and design.

Notwithstanding the limitation on the availability of funds appropriated for "Human space flight", "Science, aeronautics and technology", or "Mission support" by this appropriations Act, the amounts appropriated for construction of facilities shall remain available until September 30, 2001.

Notwithstanding the limitation on the availability of funds appropriated for "Mission support" and "Office of Inspector General", amounts made available by this Act for personnel and related costs and travel expenses of the National Aeronautics and Space Administration shall remain available until September 30, 1999 and may be used to enter into contracts for training, investigations, costs associated with personnel relocation, and for other services, to be provided during the next fiscal year.

NASA shall develop a revised appropriation structure for submission in the Fiscal Year 2000 budget request consisting of two basic appropriations (the Human Space Flight Appropriation and the Science, Aeronautics and Technology Appropriation) with a separate (third) appropriation for the Office of Inspector General. The appropriations shall each include the planned full costs (direct and indirect costs) of NASA's related activities and allow NASA to shift civil service salaries, benefits and support between and/or among appropriations or accounts, as required, for the safe, timely, and successful accomplishment of NASA missions.

None of the funds made available by this Act may be used for feasibility studies for, or construction or procurement of satellite hardware for, a mission to a region of space identified as an Earth LaGrange point, other than for the Solar and Heliospheric Observatory (SOHO), Advanced Composition Explorer (ACE), or Genesis mission. Such funds shall also not be used for the addition of an Earth-observing payload to any of the missions named in the preceding sentence.

NATIONAL CREDIT UNION ADMINISTRATION

CENTRAL LIQUIDITY FACILITY

During fiscal year 1999, gross obligations of the Central Liquidity Facility for the principal amount of new direct loans to member credit unions, as authorized by the National Credit Union Central Liquidity Facility Act
