Mr. CUNNINGHAM. Mr. Speaker, I rise today to speak in honor of John D’Amelio, the president of the California School Boards Association of 1998 of his continuous efforts on behalf of children and education throughout his community and throughout the state of California.

John D’Amelio, a retired teacher, has been a board member of the Escondido Union High School District in San Diego County for eight years. In 1996 he was appointed by Governor Pete Wilson to serve on the Commission for the Establishment of Academic Content and Performance Standards. D’Amelio has been an active contributor to CSBA, and has served as a member of the association’s Delegate Assembly since 1990 and as a regional director since 1992. In addition he has served on a number of CSBA committees, including the Legislative Network, Education Legal Alliance Committee, Nominating Committee, Annual Conference Committee and Assessment Task Force.

Throughout his many years of serving the community as a teacher and board member, D’Amelio also found time to volunteer outside of these roles. He founded a community organization for at-risk minorities, served as a director on a preschool board, and became a classroom “grandpa.”

Mr. Speaker, I wish to publicly thank John D’Amelio for his dedication to the youth of California. He is one who understands the value of education and has had the goodness to sacrifice much of his life to such a noble cause.

MARY MCAFEE WINS MILKEN AWARD

HON. HEATHER WILSON

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Friday, October 9, 1998

Mrs. WILSON. Mr. Speaker, during a time when the kids of this nation search for role models, Mary McAfee has become one to her students. Zuni Elementary School principal Mary McAfee was recently awarded $25,000 from the Milken Family Foundation. The Milken award is given to only 165 educators nationwide who display excellence in education.

During her six years as Zuni Elementary’s principal, Mary has improved curriculum, focusing on the enhancement of her school’s technology, and for adapted learning to “real world” situations. Teachers at Zuni think she is an exceptional and caring principal, and one of New Mexico’s best.

Mary McAfee is a role model for us all. She has put in countless hours and effort to improve our future by improving the schools our children attend. Mary was nominated by her co-workers to recognize the hard work she has done to improve our children’s education. And, she is just one of the great educators in New Mexico.

Thanks to the Milken Foundation for recognizing one of New Mexico’s best, and thanks to Ms. McAfee for her dedication to her students and teachers.
