SEC. 2. CHATTAHOOCHEE RIVER NATIONAL RECREATION AREA.

(a) FINDINGS.—The Congress finds that:

(1) The Chattahoochee River National Recreation Area is a nationally significant resource and the national recreation area has been adversely affected by land use changes occurring within and outside its boundaries.

(2) The population of the metropolitan Atlanta area continues to expand northward, leaving dwindling opportunities to protect the scenic, recreation, natural, and historic values of the 2,000-foot wide corridor adjacent to each bank of the Chattahoochee River and its impoundments in the 48-mile segment known as the area of national concern.

(3) The State of Georgia has enacted the Metropolitan River Protection Act in order to ensure the protection of the corridor located within 2,000 feet of each bank of the Chattahoochee River, or the 100-year flood plain, whichever is greater, and such corridor includes the area of national concern.

(4) Visitor use of the Chattahoochee River National Recreation Area has shifted dramatically since the establishment of the national recreation area from waterborne to water-related and land-based activities.

(5) The State of Georgia and its political subdivisions along the Chattahoochee River have indicated their willingness to join in cooperative efforts with the United States of America to link existing units of the national recreation area with a series of linear corridors to be established within the area of national concern and elsewhere on the river and provided Congress appropriates certain funds in support of such effort, funding from the State, its political subdivisions, private foundations, corporate entities, private individuals, and other sources will be available to fund more than half of the estimated cost of such cooperative effort.

(b) PURPOSES.—The purposes of this section are to—

(1) increase the level of protection of the remaining open spaces within the area of national concern along the Chattahoochee River and to enhance visitor enjoyment of such areas by adding land-based links between existing units of the national recreation area;

(2) assure that the national recreation area is managed to standardize acquisition, planning, design, construction, and operation of the linear corridors; and

(3) authorize the appropriation of Federal funds to cover a portion of the costs of the Federal, State, local, and private cooperative effort to add additional areas to the Chattahoochee River National Recreation Area in order to establish a series of linear corridors linking existing units of the national recreation area and to protect other undeveloped portions of the Chattahoochee River corridor.

(c) AMENDMENTS TO CHATTAHOOCHEE NRA ACT.—The Act of August 15, 1978, entitled "An Act to authorize the establishment of the Chattahoochee River National Recreation Area in the State of Georgia, and for other purposes" (Public Law 95-344; 16 U.S.C. 460ii et seq.) is amended as follows:

(1) Section 101 (16 U.S.C. 460ii) is amended as follows:

(A) By inserting after "numbered Chat-20,003, and dated September 1984" the following: "and on the maps entitled 'Chattahoochee River National Recreation Area Interim Boundary Maps 1, 2, and 3' and dated August 6, 1998".

(B) By amending the fourth sentence to read as follows: "After July 1, 1999, the Secretary of the Interior (in this Act referred to as the 'Secretary') may modify the boundaries of the recreation area to include other lands within the river corridor of the Chattahoochee River by submitting a revised map or other boundary description to the Congress. Such revised boundaries shall take effect on the date 6 months after the date of such submission unless, within such 6-month period, the Congress adopts a Joint Resolution disapproving such revised boundaries. Such revised map or other boundary description shall be prepared by the Secretary after consultation with affected landowners and with the State of Georgia and affected political subdivisions."

(C) By striking out "may not exceed approximately 6,800 acres." and inserting "may not exceed 10,000 acres."

(2) Section 102(f) (16 U.S.C. 460ii-1(f)) is repealed.

(3) Section 103(b) (16 U.S.C. 460ii-2(b)) is amended to read as follows:

"(b) COOPERATIVE AGREEMENTS.—The Secretary is authorized to enter into cooperative agreements with the State, its political subdivisions, and other entities to assure standardized acquisition, planning, design, construction, and operation of the national recreation area."

(4) Section 105(a) (16 U.S.C. 460ii-4(a)) is amended to read as follows:

"(a) AUTHORIZATION OF APPROPRIATIONS; ACCEPTANCE OF DONATIONS.—In addition to funding and the donation of lands and interests in lands provided by the State of Georgia, local government authorities, private foundations, corporate entities, and individuals, and funding that may be available pursuant to the settlement of litigation, there is hereby authorized to be appropriated for land acquisition not more than \$25,000,000 for fiscal years after fiscal year 1998. The Secretary is authorized to accept the donation of funds and lands or interests in lands to carry out this Act."

(5) Section 105(c) (16 U.S.C. 460ii-4(c)) is amended by adding the following at the end thereof: "The Secretary shall submit a new plan within 3 years after the enactment of this sentence to provide for the protection, enhancement, enjoyment, development, and use of areas added to the national recreation area. During the preparation of the revised plan the Secretary shall seek and encourage the participation of the State of Georgia and its affected political subdivisions, private

landowners, interested citizens, public officials, groups, agencies, educational institutions, and others."

(6) Section 102(a) (16 U.S.C. 460ii-1(a)) is amended by inserting the following before the period at the end of the first sentence: ", except that lands and interests in lands within the Addition Area depicted on the map referred to in section 101 may not be acquired without the consent of the owner thereof".
