PERSONAL EXPLANATION

Mrs. PRYCE of Ohio. Mr. Speaker, on October 20, 1998, I was absent due to an illness in my family. I received an official leave of absence from the Majority Leader in this regard.

However, had I been present, I would have voted in the following manner on the following legislation:

H. Res. 605—waiving points of order against the conference report to accompany the bill H.R. 4328 making appropriations for the Department of Transportation and related agencies for the fiscal year ending September 30, 1999, and for other purposes (Roll Call No. 536): AYE.

H. Res. 604—providing for consideration of the bill (S. 1132) to modify the boundaries of the Bandelier National Monument to include the lands within the headwaters of the Upper Alamo Watershed which drain into the Monument and which are not currently within the jurisdiction of a federal land management agency, to authorize purchase or donation of those lands, and for other purposes, and for consideration of the bill (S. 2133) an act to preserve the cultural resources of the Route 66 corridor and to authorize the Secretary of the Interior to provide assistance (Roll Call No. 537): AYE.

H.R. 4328—making appropriations for the Department of Transportation and related agencies for the fiscal year ending September 30, 1999, and for other purposes (Roll Call No. 538): AYE.

PROVIDING FOR ADJOURNMENT SINE DIE OF THE CONGRESS ON WEDNESDAY, OCTOBER 21, 1998, OR THURSDAY, OCTOBER 22, 1998

Mr. SOLOMON. Mr. Speaker, I offer a privileged concurrent resolution (H. Con. Res. 353) and ask for its immediate consideration.

The Clerk read the concurrent resolution, as follows:

H. CON. RES. 353

journs on the legislative day of Wednesday, October 21, 1998, or Thursday, October 22, 1998, on a motion offered pursuant to this concurrent resolution by its Majority Leader or his designee, it stand adjourned sine die, or until noon on the second day after Members are notified to reassemble pursuant to section 2 of this concurrent resolution, or until a time designated pursuant to section 3 of this resolution; and that when the Senate adjourns on Wednesday, October 21, 1998, or Thursday, October 22, 1998, on a motion offered pursuant to this concurrent resolution by its Majority Leader or his designee, it stand adjourned sine die, or until noon on the second day after Members are notified to reassemble pursuant to section 2 of this concurrent resolution.

Sec. 2. The Speaker of the House and the Majority Leader of the Senate, acting jointly after consultation with the Minority Leader of the House and the Minority Leader of the Senate, shall notify the Members of the House and the Senate, respectively, to reassemble whenever, in their opinion, the public interest shall warrant it.

Sec. 3. During any adjournment of the House pursuant to this concurrent resolution, the Speaker, acting after consultation with the Minority Leader, may notify the Members of the House to reassemble whenever, in his opinion, the public interest shall warrant it. After reassembling pursuant to this section, when the House adjourns on any day on a motion offered pursuant to this section by its Majority Leader or his designee, the House shall again stand adjourned pursuant to the first section of this concurrent resolution.

BANDELIER NATIONAL MONUMENT ADMINISTRATIVE IMPROVEMENT AND WATERSHED PROTECTION ACT OF 1998

Mr. YOUNG of Alaska. Mr. Speaker, pursuant to House Resolution 604, I call up the Senate bill (S. 1132) to modify the boundaries of the Bandelier National Monument to include the lands within the headwaters of the Upper Alamo Watershed which drain into the Monument and which are not currently within the jurisdiction of a Federal land management agency, to authorize purchase or donation of those lands, and for other purposes, and ask for its immediate consideration.

The Clerk read the title of the Senate bill.

The text of S. 1132 is as follows:

S. 1132

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Bandelier National Monument Administrative Improvement and Watershed Protection Act of 1998".

SEC. 2. FINDINGS AND PURPOSES.

(a) FINDINGS.—Congress finds that:

(1) Bandelier National Monument (hereinafter, the Monument) was established by Presidential proclamation on February 11, 1916, to preserve the archeological resources of a "vanished people, with as much land as may be necessary for the proper protection thereof . . ." (No. 1322; 39 Stat. 1746).

(2) At various times since its establishment, the Congress and the President have adjusted the Monument's boundaries and purpose to further preservation of archeological and natural resources within the Monument.

(A) On February 25, 1932, the Otowi Section of the Santa Fe National Forest (some 4,699 acres of land) was transferred to the Monument from the Santa Fe National Forest (Presidential Proclamation No. 1191; 17 Stat. 2503).

(B) In December of 1959, 3,600 acres of Frijoles Mesa were transferred to the National Park Service from the Atomic Energy Committee (hereinafter, AEC) and subsequently added to the Monument on January 9, 1991, because of "pueblo-type archeological ruins germane to those in the monument" (Presidential Proclamation No. 3388).

(C) On May 27, 1963, Upper Canyon, 2,882 acres of land previously administered by the AEC, was added to the Monument to preserve "their unusual scenic character together with geologic and topographic features, the preservation of which would implement the purposes" of the Monument (Presidential Proclamation No. 3539).

(D) In 1976, concerned about upstream land management activities that could result in flooding and erosion in the Monument, Congress included the headwaters of the Rito de los Frijoles and the Cañada de Cochiti Grant (a total of 7,310 acres) within the Monument's boundaries (Public Law 94-578; 90 Stat. 2732).

(E) In 1976, Congress created the Bandelier Wilderness, a 23,267 acres area that covers over 70 percent of the Monument.

(3) The Monument still has potential threats from flooding, erosion, and water quality deterioration because of the mixed ownership of the upper watersheds, along its western border, particularly in Alamo Canyon.

(b) PURPOSE.—The purpose of this Act is to modify the boundary of the Monument to allow for acquisition and enhanced protection of the lands within the Monument's upper watershed.

SEC. 3. BOUNDARY MODIFICATION.

Effective on the date of enactment of this Act, the boundaries of the Monument shall be modified to include approximately 935 acres of land comprised of the Elk Meadows subdivision, the Gardner parcel, the Clark parcel, and the Baca Land & Cattle Co. lands within the Upper Alamo watershed as depicted on the National Park Service map entitled "Proposed Boundary Expansion Map Bandelier National Monument" dated July, 1997. Such map shall be on file and available for public inspection in the offices of the Director of the National Park Service, Department of the Interior.

SEC. 4. LAND ACQUISITION.

(a) IN GENERAL.—Except as provided in subsections (b) and (c), the Secretary of the Interior is authorized to acquire lands and interests therein within the boundaries of the area added to the Monument by this Act by donation, purchase with donated or appropriated funds, transfer with another Federal agency, or exchange: *Provided*, That no lands or interests therein may be acquired except with the consent of the owner thereof.

(b) STATE AND LOCAL LANDS.—Lands or interests therein owned by the State of New Mexico or a political subdivision thereof may only be acquired by donation or exchange.

(c) ACQUISITION OF LESS THAN FEE INTERESTS IN LAND.—The Secretary may acquire less than fee interests in land only if the Secretary determines that such less than fee acquisition will adequately protect the Monument from flooding, erosion, and degradation of its drainage waters.

SEC. 5. ADMINISTRATION.

The Secretary of the Interior, acting through the Director of the National Park Service, shall manage the national Monument, including lands added to the Monument by this Act, in accordance with this Act and the provisions of law generally applicable to units of National Park System, including the Act of August 25, 1916, an Act to establish a National Park Service (39 Stat. 535; 16 U.S.C. 1 et seq.), and such specific legislation as heretofore has been enacted regarding the Monument.

SEC. 6. AUTHORIZATION OF APPROPRIATIONS.

There is authorized to be appropriated such sums as may be necessary to carry out the purpose of this Act.

The SPEAKER pro tempore (Mr. CAMP). Pursuant to House Resolution 604, the gentleman from Alaska (Mr. YOUNG) and the gentleman from California (Mr. MILLER) each will control 30 minutes.

The Chair recognizes the gentleman from Alaska (Mr. YOUNG).

Mr. YOUNG of Alaska. Mr. Speaker, I yield myself such time as I may consume.

(Mr. YOUNG of Alaska asked and was given permission to revise and extend his remarks.)

Mr. YOUNG of Alaska. Mr. Speaker, I urge my colleagues to support S. 1132.

Mr. Speaker, I rise in support of S. 1132 and urge my colleagues to pass this measure.

S. 1132 is a bill introduced by Senator JEFF BINGAMAN and has a companion bill, H.R. 3936 which was introduced by Congressman BILL REDMOND, both from the State of New Mexico. Mr. BINGAMAN and Mr. REDMOND have worked hard to develop a bill that will increase the size of Bandelier National Monument and protect its watershed.

Mr. Speaker, S. 1132 modifies the boundary to include lands within the upper watershed of the Bandelier National Monument which potentially can threaten the Monument with flooding, erosion, and water quality. The expansion will include approximately 935 acres of land and can only be acquired with the consent of the landowner. This boundary expansion will help enhance and protect the lands within the Bandelier National Monument.

I urge my colleagues to support S. 1132.

Mr. Speaker, I reserve the balance of my time.

Mr. MILLER of California. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, earlier today I objected to the consideration of this legislation because I felt that the minority was being treated unfairly and that this was a political maneuver to pass this legislation and intended to hold this bill up. As a result of that I received a letter from Mr. Tom Udall who said that even though this may benefit his opponent he asked that we release this legislation so that it could be passed because of its importance to the State of New Mexico and to the Nation. It is an area that he is familiar with.

The letter referred to is as follows:

A MESSAGE FROM TOM UDALL TO HOUSE DEMOCRATS

OCTOBER 20, 1998.

DEAR REPRESENTATIVE: I urge you to vote for S. 1132, the Bandelier National Monument Administrative Improvement and Wa-

tershed Protection Act of 1998 when it comes before the House of Representatives.

This important legislation, which was introduced and has been championed by my good friend, Sen. Jeff Bingaman, is essential in order to better protect Bandelier National Monument, one of the crown jewels of our marvelous National Park System. The bill authorizes a 955-acre expansion of Bandelier, a critical conservation purchase that will secure the last unprotected parcel of the park's headwaters. Protecting this parcel will prevent destruction of this pristine natural area by development and will prevent impacts to Bandelier's water quality, quantity, and archeological sites. The area also includes Alamo Spring, which is sacred to New Mexico's Indian pueblos and must be safeguarded. Funds to acquire these lands have already been set aside by Congress.

I know and cherish our state's natural heritage. I have hiked the canyons of Bandelier. These places must be protected for our families and children, and to preserve our quality of life. If I am elected to Congress in November, I shall be a strong voice for the balanced protection of the environment and the preservation of America's magnificent national parks and public lands.

I understand there is good reason for Democrats to hesitate on this bill. It was not introduced early enough to be heard by committees in the House, and many contend that it has not received an adequate review. Moreover, the Republicans have refused to give fair consideration to Democratic bills in the final days of the Congress.

Some may feel that passage of S. 1132 might benefit my opponent in the upcoming election. I believe that protecting Bandelier is not a partisan issue. More importantly, please believe me when I say that New Mexicans already know the truth about who should take credit for protecting Bandelier if S. 1132 passes Congress. My opponent has one of the worst anti-environmental voting records in the House of Representatives (he received a 8% score from the League of Conservation Voters). What may be achieved will be achieved in spite of him, not because of him, and the citizens of New Mexico know this.

Protecting Bandelier can't wait. Please vote for S. 1132.

Sincerely,

TOM UDALL,
*Candidate for the
House of Represent-
atives, 3rd Congres-
sional District of
New Mexico.*

Mr. MILLER of California. Mr. Speaker, I yield back the balance of my time.

Mr. YOUNG of Alaska. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The Senate bill is considered read for amendment, and pursuant to House Resolution 604, the previous question is ordered.

The Senate bill was ordered to be read a third time, was read the third time, and passed, and a motion to reconsider was laid on the table.

INTERNATIONAL ANTI-BRIBERY ACT OF 1998

Mr. BLILEY. Mr. Speaker, I ask unanimous consent to take from the Speaker's table the Senate bill (S. 2375) to amend the Securities Exchange Act of 1934 and the Foreign Corrupt Practices Act of 1977, to strengthen prohibitions on international bribery and
