 (B) for fiscal year 1999, \$691,493,000.

(5) For alteration or removal of bridges over navigable waters of the United States constituting obstructions to navigation, and for personnel and administrative costs associated with the Bridge Alteration Program—

(A) for fiscal year 1998, \$17,000,000; and

(B) for fiscal year 1999, \$26,000,000, to remain available until expended.

(6) For environmental compliance and restoration at Coast Guard facilities (other than parts and equipment associated with operations and maintenance), \$26,000,000 for each of fiscal years 1998 and 1999, to remain available until expended.

SEC. 102. AUTHORIZED LEVELS OF MILITARY STRENGTH AND TRAINING.

(a) ACTIVE DUTY STRENGTH.—The Coast Guard is authorized an end-of-year strength for active duty personnel of—

(1) 37,944 as of September 30, 1998; and
(2) 38,038 as of September 30, 1999.

(b) MILITARY TRAINING STUDENT LOADS.—The Coast Guard is authorized average military training student loads as follows:

(1) For recruit and special training—

(A) for fiscal year 1998, 1,424 student years; and

(B) for fiscal year 1999, 1,424 student years.

(2) For flight training—

(A) for fiscal year 1998, 98 student years; and

(B) for fiscal year 1999, 98 student years.

(3) For professional training in military and civilian institutions—

(A) for fiscal year 1998, 283 student years; and

(B) for fiscal year 1999, 283 student years.

(4) For officer acquisition—

(A) for fiscal year 1998, 814 student years; and

(B) for fiscal year 1999, 810 student years.

SEC. 103. LORAN-C.

(a) FISCAL YEAR 1999.—There are authorized to be appropriated to the Department of Transportation, in addition to the funds authorized for the Coast Guard for operation of the LORAN-C System, for capital expenses related to LORAN-C navigation infrastructure, \$10,000,000 for fiscal year 1999. The Secretary of Transportation may transfer from the Federal Aviation Administration and other agencies of the department funds appropriated as authorized under this section in order to reimburse the Coast Guard for related expenses.

(b) COST-SHARING PLAN.—Not later than 6 months after the date of enactment of this Act, the Secretary of Transportation shall develop and submit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives a plan for cost-sharing arrangements among Federal agencies for such capital and operating expenses related to LORAN-C navigation infrastructure, including such expenses of the Coast Guard and the Federal Aviation Administration.

TITLE II—COAST GUARD MANAGEMENT

SEC. 201. SEVERANCE PAY.

(a) WARRANT OFFICERS.—Section 286a(d) of title 14, United States Code, is amended by striking the last sentence.

(b) SEPARATED OFFICERS.—Section 286a of title 14, United States Code, is amended by striking the period at the end of subsection (b) and inserting “; unless the Secretary determines that the conditions under which the officer is discharged or separated do not warrant payment of that amount of severance pay.”

(c) EXCEPTION.—Section 327 of title 14, United States Code, is amended by striking the period at the end of paragraph (b)(3) and inserting “; unless the Secretary determines that the conditions under which the officer is discharged or separated do not warrant payment of that amount of severance pay.”

SEC. 202. AUTHORITY TO IMPLEMENT AND FUND CERTAIN AWARDS PROGRAMS.

Section 93 of title 14, United States Code, is amended—

(1) by striking “and” after the semicolon at the end of paragraph (u);

(2) by striking the period at the end of paragraph (v) and inserting “; and”; and

(3) by adding at the end the following new paragraph:

“(w) provide for the honorary recognition of individuals and organizations that significantly contribute to Coast Guard programs, missions, or operations, including State and local governments and commercial and nonprofit organizations, and pay for, using any appropriations or funds available to the Coast Guard, plaques, medals, trophies, badges, and similar items to acknowledge such contribution (including reasonable expenses of ceremony and presentation).”

Section 93 of title 14, United States Code, as amended by section 202 of this Act, is further amended—

(1) by striking “and” after the semicolon at the end of paragraph (v);

(2) by striking the period at the end of paragraph (w) and inserting “; and”; and

(3) by adding at the end the following new paragraph:

“(x) rent or lease, under such terms and conditions as are considered by the Secretary to be advisable, commercial vehicles to transport the next of kin of eligible retired Coast Guard military personnel to attend funeral services of the service member at a national cemetery.”

SEC. 204. AUTHORITY TO REIMBURSE NOVATO, CALIFORNIA, REUSE COMMISSION.

The Commandant of the United States Coast Guard may use up to \$25,000 to provide economic adjustment assistance for the City of Novato, California, for the cost of revising the Hamilton Reuse Planning Authority's reuse plan as a result of the Coast Guard's request for housing at Hamilton Air Force Base. If the Department of Defense provides such economic adjustment assistance to the City of Novato on behalf of the Coast Guard, then the Coast Guard may use the amount authorized for use in the preceding sentence to reimburse the Department of Defense for the amount of economic adjustment assistance provided to the City of Novato by the Department of Defense.

SEC. 205. LAW ENFORCEMENT AUTHORITY FOR SPECIAL AGENTS OF THE COAST GUARD INVESTIGATIVE SERVICE.

(a) AUTHORITY.—Section 95 of title 14, United States Code, is amended to read as follows:

“**§ 95. Special agents of the Coast Guard Investigative Service law enforcement authority**

“(a)(1) A special agent of the Coast Guard Investigative Service designated under subsection (b) has the following authority:

“(A) To carry firearms.

“(B) To execute and serve any warrant or other process issued under the authority of the United States.

“(C) To make arrests without warrant for—

“(i) any offense against the United States committed in the agent's presence; or

“(ii) any felony cognizable under the laws of the United States if the agent has probable cause to believe that the person to be arrested has committed or is committing the felony.

“(2) The authorities provided in paragraph (1) shall be exercised only in the enforcement of statutes for which the Coast Guard has law enforcement authority, or in exigent circumstances.

“(b) The Commandant may designate to have the authority provided under subsection (a) any special agent of the Coast Guard Investigative Service whose duties include conducting, supervising, or coordinating investigation of criminal activity in programs and operations of the United States Coast Guard.

“(c) The authority provided under subsection (a) shall be exercised in accordance with guidelines prescribed by the Commandant and ap-

proved by the Attorney General and any other applicable guidelines prescribed by the Secretary of Transportation or the Attorney General.”

(b) CLERICAL AMENDMENT.—The table of sections at the beginning of chapter 5 of title 14, United States Code, is amended by striking the item related to section 95 and inserting the following:

“95. Special agents of the Coast Guard Investigative Service law enforcement authority.”

SEC. 206. REPORT ON EXCESS COAST GUARD PROPERTY.

Not later than 9 months after the date of enactment of this Act, the Administrator of the General Services Administration and the Commandant of the Coast Guard shall submit to the Congress a report on the current procedures used to dispose of excess Coast Guard property and provide recommendations to improve such procedures. The recommendations shall take into consideration measures that would—

(1) improve the efficiency of such procedures;

(2) improve notification of excess property decisions to and enhance the participation in the property disposal decisionmaking process of the States, local communities, and appropriate nonprofit organizations;

(3) facilitate the expeditious transfer of excess property for recreation, historic preservation, education, transportation, or other uses that benefit the general public; and

(4) ensure that the interests of Federal taxpayers are protected.

SEC. 207. FEES FOR NAVIGATION ASSISTANCE SERVICE.

Section 2110 of title 46, United States Code, is amended by adding at the end thereof the following:

“(k) The Secretary may not plan, implement or finalize any regulation that would promulgate any new maritime user fee which was not implemented and collected prior to January 1, 1998, including a fee or charge for any domestic icebreaking service or any other navigational assistance service. This subsection expires on September 30, 2001.”

SEC. 208. AIDS TO NAVIGATION REPORT.

Not later than 18 months after the date of enactment of this Act, the Commandant of the Coast Guard shall submit to Congress a report on the use of the Coast Guard's aids to navigation system. The report shall include an analysis of the respective use of the aids to navigation system by commercial interests, members of the general public for personal recreation, Federal and State government for public safety, defense, and other similar purposes. To the extent practicable within the time allowed, the report shall include information regarding degree of use of the various portions of the system.

TITLE III—MARINE SAFETY

SEC. 301. EXTENSION OF TERRITORIAL SEA FOR CERTAIN LAWS.

(a) PORTS AND WATERWAYS SAFETY ACT.—Section 102 of the Ports and Waterways Safety Act (33 U.S.C. 1222) is amended by adding at the end the following:

“(5) ‘Navigable waters of the United States’ includes all waters of the territorial sea of the United States as described in Presidential Proclamation 5928 of December 27, 1988.”

(b) SUBTITLE II OF TITLE 46.—

(1) Section 2101 of title 46, United States Code, is amended—

(A) by redesignating paragraph (17a) as paragraph (17b); and

SEC. 303. GREAT LAKES PILOTAGE ADVISORY COMMITTEE.

Section 9307 of title 46, United States Code, is amended to read as follows:

"§9307. Great Lakes Pilotage Advisory Committee

"(a) The Secretary shall establish a Great Lakes Pilotage Advisory Committee. The Committee—

"(1) may review proposed Great Lakes pilotage regulations and policies and make recommendations to the Secretary that the Committee considers appropriate;

"(2) may advise, consult with, report to, and make recommendations to the Secretary on matters relating to Great Lakes pilotage;

"(3) may make available to the Congress recommendations that the Committee makes to the Secretary; and

"(4) shall meet at the call of—

"(A) the Secretary, who shall call such a meeting at least once during each calendar year; or

"(B) a majority of the Committee.

"(b)(1) The Committee shall consist of 7 members appointed by the Secretary in accordance with this subsection, each of whom has at least

5 years practical experience in maritime operations. The term of each member is for a period of not more than 5 years, specified by the Secretary. Before filling a position on the Committee, the Secretary shall publish a notice in the Federal Register soliciting nominations for membership on the Committee.

"(2) The membership of the Committee shall include—

"(A) 3 members who are practicing Great Lakes pilots and who reflect a regional balance;

"(B) 1 member representing the interests of vessel operators that contract for Great Lakes pilotage services;

"(C) 1 member representing the interests of Great Lakes ports;

"(D) 1 member representing the interests of shippers whose cargoes are transported through Great Lakes ports; and

"(E) 1 member representing the interests of the general public, who is an independent expert on the Great Lakes maritime industry.

"(c)(1) The Committee shall elect one of its members as the Chairman and one of its members as the Vice Chairman. The Vice Chairman shall act as Chairman in the absence or incapacity of the Chairman, or in the event of a vacancy in the office of the Chairman.

"(2) The Secretary shall, and any other interested agency may, designate a representative to participate as an observer with the Committee. The representatives shall, as appropriate, report to and advise the Committee on matters relating to Great Lakes pilotage. The Secretary's designated representative shall act as the executive secretary of the Committee and shall perform the duties set forth in section 10(c) of the Federal Advisory Committee Act (5 U.S.C. App.).

"(d)(1) The Secretary shall, whenever practicable, consult with the Committee before taking any significant action relating to Great Lakes pilotage.

"(2) The Secretary shall consider the information, advice, and recommendations of the Committee in formulating policy regarding matters affecting Great Lakes pilotage.

"(e)(1) A member of the Committee, when attending meetings of the Committee or when otherwise engaged in the business of the Committee, is entitled to receive—

"(A) compensation at a rate fixed by the Secretary, not exceeding the daily equivalent of the current rate of basic pay in effect for GS-18 of the General Schedule under section 5332 of title 5 including travel time; and

"(B) travel or transportation expenses under section 5703 of title 5.

"(2) A member of the Committee shall not be considered to be an officer or employee of the United States for any purpose based on their receipt of any payment under this subsection.

"(f)(1) The Federal Advisory Committee Act (5 U.S.C. App.) applies to the Committee, except that the Committee terminates on September 30, 2003.

"(2) 2 years before the termination date set forth in paragraph (1) of this subsection, the Committee shall submit to the Congress its recommendation regarding whether the Committee should be renewed and continued beyond the termination date.".

SEC. 304. ALCOHOL TESTING.

(a) ADMINISTRATIVE PROCEDURE.—Section 7702 of title 46, United States Code, is amended by striking the second sentence of subsection (c)(2) and inserting the following: "The testing may include preemployment (with respect to dangerous drugs only), periodic, random, and reasonable cause testing, and shall include post-accident testing."

(d) POST SERIOUS MARINE CASUALTY TESTING.—

(1) Chapter 23 of title 46, United States Code, is amended by inserting after section 2303 the following:

"§2303a. Post serious marine casualty alcohol testing

"(a) The Secretary shall establish procedures to ensure that after a serious marine casualty occurs, alcohol testing of crew members or other persons responsible for the operation or other safety-sensitive functions of the vessel or vessels involved in such casualty is conducted no later than 2 hours after the casualty occurs, unless such testing cannot be completed within that time due to safety concerns directly related to the casualty.

"(b) The procedures in subsection (a) shall require that if alcohol testing cannot be completed within 2 hours of the occurrence of the casualty, such testing shall be conducted as soon thereafter as the safety concerns in subsection (a) have been adequately addressed to permit such testing, except that such testing may not be required more than 8 hours after the casualty occurs."

(2) The table of sections at the beginning of chapter 23 of title 46, United States Code, is amended by inserting after the item related to section 2303 the following:

"2303a. Post serious marine casualty alcohol testing."

SEC. 305. PROTECT MARINE CASUALTY INVESTIGATIONS FROM MANDATORY RELEASE.

Section 6305(b) of title 46, United States Code, is amended by striking all after "public" and inserting a period and "This subsection does not require the release of information described by section 552(b) of title 5 or protected from disclosure by another law of the United States."

SEC. 306. SAFETY MANAGEMENT CODE REPORT AND POLICY.

(a) REPORT ON IMPLEMENTATION AND ENFORCEMENT OF THE INTERNATIONAL SAFETY MANAGEMENT CODE.—

(1) The Secretary of Transportation (in this section referred to as the "Secretary") shall conduct a study—

(A) reporting on the status of implementation of the International Safety Management Code (hereinafter referred to in this section as "Code");

(B) detailing enforcement actions involving the Code, including the role documents and reports produced pursuant to the Code play in such enforcement actions;

(C) evaluating the effects the Code has had on marine safety and environmental protection, and identifying actions to further promote marine safety and environmental protection through the Code;

(D) identifying actions to achieve full compliance with and effective implementation of the Code; and

(E) evaluating the effectiveness of internal reporting and auditing under the Code, and recommending actions to ensure the accuracy and candidness of such reporting and auditing. These recommended actions may include proposed limits on the use in legal proceedings of documents produced pursuant to the Code.

(2) The Secretary shall provide opportunity for the public to participate in and comment on the study conducted under paragraph (1).

(3) Not later than 18 months after the date of enactment of this Act, the Secretary shall submit to the Congress a report on the results of the study conducted under paragraph (1).

(b) POLICY.—

(1) Not later than 9 months after submission of the report in subsection (a)(3), the Secretary shall develop a policy to achieve full compliance with and effective implementation of the Code. The policy may include—

(A) enforcement penalty reductions and waivers, limits on the use in legal proceedings of documents produced pursuant to the Code, or other

incentives to ensure accurate and candid reporting and auditing;

(B) any other measures to achieve full compliance with and effective implementation of the Code; and

(C) if appropriate, recommendations to Congress for any legislation necessary to implement one or more elements of the policy.

(2) The Secretary shall provide opportunity for the public to participate in the development of the policy in paragraph (1).

(3) Upon completion of the policy in paragraph (1), the Secretary shall publish the policy in the Federal Register and provide opportunity for public comment on the policy.

SEC. 307. OIL AND HAZARDOUS SUBSTANCE DEFINITION AND REPORT.

(a) DEFINITION OF OIL.—Section 1001(23) of the Oil Pollution Act of 1990 (33 U.S.C. 2701(23)) is amended to read as follows:

“(23) ‘oil’ means oil of any kind or in any form, including petroleum, fuel oil, sludge, oil refuse, and oil mixed with wastes other than dredged spoil, but does not include any substance which is specifically listed or designated as a hazardous substance under subparagraphs (A) through (F) of section 101(14) of the Comprehensive Environmental Response, Compensation, and Liability Act (42 U.S.C. 9601) and which is subject to the provisions of that Act.”.

(b) REPORT.—Not later than 6 months after the date of enactment of this Act, the Commandant of the Coast Guard shall submit a report to the Congress on the status of the joint evaluation by the Coast Guard and the Environmental Protection Agency of the substances to be classified as oils under the Federal Water Pollution Control Act and title I of the Oil Pollution Act of 1990, including opportunities provided for public comment on the evaluation.

SEC. 308. NATIONAL MARINE TRANSPORTATION SYSTEM.

(a) IN GENERAL.—The Secretary of Transportation, through the Coast Guard and the Maritime Administration, shall, in consultation with the National Ocean Service of the National Oceanic and Atmospheric Administration, the Corps of Engineers, and other interested Federal agencies and departments, establish a task force to assess the adequacy of the nation’s marine transportation system (including ports, waterways, harbor approach channels, and their intermodal connections) to operate in a safe, efficient, secure, and environmentally sound manner.

(b) TASK FORCE.—

(1) The task force shall be chaired by the Secretary of Transportation or his designee and may be comprised of the representatives of interested Federal agencies and departments and such other nonfederal entities as the Secretary deems appropriate.

(2) The provisions of the Federal Advisory Committee Act shall not apply to the task force.

(c) ASSESSMENT.—

(1) In carrying out the assessment under this section, the task force shall examine critical issues and develop strategies, recommendations, and a plan for action. Pursuant to such examination and development, the task force shall—

(A) take into account the capability of the marine transportation system, the adequacy of depth of approach channels and harbors, and the cost to the Federal Government to accommodate projected increases in foreign and domestic traffic over the next 20 years;

(B) consult with senior public and private sector officials, including the users of that system, such as ports, commercial carriers, shippers, labor, recreational boaters, fishermen, and environmental organizations;

(C) sponsor public and private sector activities to further refine and implement (under existing authority) the strategies, recommendations, and plan for action;

(D) evaluate the capability to dispose of dredged materials that will be produced to ac-

commodate projected increases referred to in subparagraph (A); and

(E) evaluate the future of the navigational aid system including the use of virtual aids to navigation on electronic charts.

(2) The Secretary shall report to Congress on the results of the assessment no later than July 1, 1999. The report shall reflect the views of both the public and private sectors. The Task Force shall cease to exist upon submission of the report in this paragraph.

SEC. 309. AVAILABILITY AND USE OF EPIRBs FOR RECREATIONAL VESSELS.

The Secretary of Transportation, through the Coast Guard and in consultation with the National Transportation Safety Board and recreational boating organizations, shall, within 24 months of the date of enactment of this Act, assess and report to Congress on the use of emergency position indicating beacons (EPIRBs) and similar devices by operators of recreational vessels on the Intracoastal Waterway and operators of recreational vessels beyond the Boundary Line. The assessment shall at a minimum—

(1) evaluate the current availability and use of EPIRBs and similar devices by the operators of recreational vessels and the actual and potential contribution of such devices to recreational boating safety; and

(2) provide recommendations on policies and programs to encourage the availability and use of EPIRBs and similar devices by the operators of recreational vessels.

SEC. 310. SEARCH AND RESCUE HELICOPTER COVERAGE.

Not later than 9 months after the date of enactment of this Act, the Commandant shall submit a report to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives—

(1) identifying waters out to 50 miles from the territorial sea of Maine and other States that cannot currently be served by a Coast Guard search and rescue helicopter within 2 hours of a report of distress or request for assistance from such waters;

(2) providing options for ensuring that all waters of the area referred to in paragraph (1) can be served by a Coast Guard search and rescue helicopter within 2 hours of a report of distress or request for assistance from such waters;

(3) providing an analysis assessing the overall capability of Coast Guard search and rescue assets to serve each area referred to in paragraph (1) within 2 hours of a report of distress or request for assistance from such waters; and

(4) identifying, among any other options the Commandant may provide as required by paragraph (2), locations in the State of Maine that may be suitable for the stationing of a Coast Guard search and rescue helicopter and crew, including any Coast Guard facility in Maine, the Bangor Air National Guard Base, and any other locations.

SEC. 311. PETROLEUM TRANSPORTATION.

(a) DEFINITIONS.—In this section:

(1) FIRST COAST GUARD DISTRICT.—The term “First Coast Guard District” means the First Coast Guard District described in section 3.05-1(b) of title 33, Code of Federal Regulations.

(2) SECRETARY.—The term “Secretary” means the Secretary of the department in which the Coast Guard is operating.

(3) WATERS OF THE NORTHEAST.—The term “waters of the Northeast”—

(A) means the waters subject to the jurisdiction of the First Coast Guard District; and

(B) includes the waters of Long Island Sound.

(b) REGULATIONS RELATING TO WATERS OF THE NORTHEAST.—

(1) TOWING VESSEL AND BARGE SAFETY FOR WATERS OF THE NORTHEAST.—

(A) IN GENERAL.—Not later than December 31, 1998, the Secretary shall promulgate regulations for towing vessel and barge safety for the waters of the Northeast.

(B) INCORPORATION OF RECOMMENDATIONS.—

(i) IN GENERAL.—Except as provided in clause (ii), the regulations promulgated under this paragraph shall give full consideration to each of the recommendations for regulations contained in the report entitled “Regional Risk Assessment of Petroleum Transportation in the Waters of the Northeast United States” issued by the Regional Risk Assessment Team for the First Coast Guard District on February 6, 1997, and the Secretary shall provide a detailed explanation if any recommendation is not adopted.

(ii) EXCLUDED RECOMMENDATIONS.—The regulations promulgated under this paragraph shall not incorporate any recommendation referred to in clause (i) that relates to anchoring or barge retrieval systems.

(2) ANCHORING AND BARGE RETRIEVAL SYSTEMS.—

(A) IN GENERAL.—Not later than November 30, 1998, the Secretary shall promulgate regulations under section 3719 of title 46, United States Code, for the waters of the Northeast, that shall give full consideration to each of the recommendations made in the report referred to in paragraph (1)(B)(i) relating to anchoring and barge retrieval systems, and the Secretary shall provide a detailed explanation if any recommendation is not adopted.

(B) RULE OF CONSTRUCTION.—Nothing in subparagraph (A) prevents the Secretary from promulgating interim final regulations that apply throughout the United States relating to anchoring and barge retrieval systems that contain requirements that are as stringent as the requirements of the regulations promulgated under subparagraph (A).

SEC. 312. SEASONAL COAST GUARD HELICOPTER AIR RESCUE CAPABILITY.

The Secretary of Transportation is authorized to take appropriate actions to ensure the establishment and operation by the Coast Guard of a helicopter air rescue capability that—

(1) is located at Gabreski Airport, Westhampton, New York; and

(2) provides air rescue capability from that location from April 15 to October 15 each year.

SEC. 313. SHIP REPORTING SYSTEMS.

Section 11 of the Ports and Waterways Safety Act (Public Law 92-340; 33 U.S.C. 1230), is amended by adding at the end of the following:

“(d) SHIP REPORTING SYSTEMS.—The Secretary, in cooperation with the International Maritime Organization, is authorized to implement and enforce two mandatory ship reporting systems, consistent with international law, with respect to vessels subject to such reporting systems entering the following areas of the Atlantic Ocean: Cape Cod Bay, Massachusetts Bay, and Great South Channel (in the area generally bounded by a line starting from a point on Cape Ann, Massachusetts at 42 deg. 39’ N., 70 deg. 37’ W; then northeast to 42 deg. 45’ N., 70 deg. 13’ W; then southeast to 42 deg. 10’ N., 68 deg. 31’ W; then south to 41 deg. 00’ N., 68 deg. 31’ W; then west to 41 deg. 00’ N., 69 deg. 17’ W; then northeast to 42 deg. 05’ N., 70 deg. 02’ W, then west to 42 deg. 04’ N., 70 deg. 10’ W; and then along the Massachusetts shoreline of Cape Cod Bay and Massachusetts Bay back to the point on Cape Ann at 42 deg. 39’ N., 70 deg. 37’ W) and in the coastal waters of the Southeastern United States within about 25 nm along a 90 nm stretch of the Atlantic seaboard (in an area generally extending from the shoreline east to longitude 80 deg. 51.6’ W with the southern and northern boundary at latitudes 30 deg. 00’ N., 31 deg. 27’ N., respectively).”.

TITLE IV—MISCELLANEOUS

SEC. 401. VESSEL IDENTIFICATION SYSTEM AMENDMENTS.

(a) IN GENERAL.—Chapter 121 of title 46, United States Code, is amended—

(1) by striking “or is not titled in a State” in section 12102(a);

(2) by adding at the end thereof the following:

"§12124. Surrender of title and number

"(a) A documented vessel shall not be titled by a State or required to display numbers under chapter 123, and any certificate of title issued by a State for a documented vessel shall be surrendered in accordance with regulations prescribed by the Secretary of Transportation.

"(b) The Secretary may approve the surrender under subsection (a) of a certificate of title for a vessel covered by a preferred mortgage under section 31322(d) of this title only if the mortgagee consents."

SEC. 408. PENALTY FOR VIOLATION OF INTERNATIONAL SAFETY CONVENTION.

(a) IN GENERAL.—Section 2302 of title 46, United States Code, is amended by adding at the end the following new subsection:

"(e)(1) A vessel may not transport Government-impelled cargoes if—

"(A) the vessel has been detained and determined to be substandard by the Secretary for violation of an international safety convention to which the United States is a party, and the Secretary has published notice of that detention and determination in an electronic form, including the name of the owner of the vessel; or

"(B) the operator of the vessel has on more than one occasion had a vessel detained and determined to be substandard by the Secretary for violation of an international safety convention to which the United States is a party, and the Secretary has published notice of that detention and determination in an electronic form, including the name of the owner of the vessel.

"(2) The prohibition in paragraph (1) expires for a vessel on the earlier of—

"(A) 1 year after the date of the publication in electronic form on which the prohibition is based; or

"(B) any date on which the owner or operator of the vessel prevails in an appeal of the violation of the relevant international convention on which the detention is based.

"(3) As used in this subsection, the term 'Government-impelled cargo' means cargo for which a Federal agency contracts directly for shipping by water or for which (or the freight of which) a Federal agency provides financing, including financing by grant, loan, or loan guarantee, resulting in shipment of the cargo by water."

(b) EFFECTIVE DATE.—The amendment made by subsection (a) takes effect January 1, 1999.

SEC. 409. COAST GUARD CITY, USA.

The Commandant of the Coast Guard may recognize the community of Grand Haven, Michigan, as "Coast Guard City, USA". If the Commandant desires to recognize any other community in the same manner or any other community requests such recognition from the Coast Guard, the Commandant shall notify the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives 90 days prior to approving such recognition.

SEC. 410. CONVEYANCE OF COMMUNICATION STATION BOSTON MARSHFIELD RECEIVER SITE, MASSACHUSETTS.

(a) AUTHORITY TO CONVEY.—

(1) IN GENERAL.—The Commandant of the Coast Guard may convey, by an appropriate

means of conveyance, all right, title, and interest of the United States in and to the Coast Guard Communication Station Boston Marshfield Receiver Site, Massachusetts, to the Town of Marshfield, Massachusetts (the "Town") unless the Commandant, or his delegate, in his sole discretion determines that the conveyance would not provide a public benefit.

(a) AUTHORITY TO CONVEY.—The Secretary of Transportation may convey, without consideration, to the State of North Carolina (in this section referred to as the "State"), all right, title, and interest of the United States in and to a parcel of real property, together with any improvements thereon, in Ocracoke, North Carolina, consisting of such portion of the Coast Guard Station Ocracoke, North Carolina, as the Secretary considers appropriate for purposes of the conveyance.

(b) CONDITIONS.—The conveyance under subsection (a) shall be subject to the following conditions:

(1) That the State accept the property to be conveyed under that subsection subject to such easements or rights of way in favor of the United States as the Secretary considers to be appropriate for—

(A) utilities;

(B) access to and from the property;

(C) the use of the boat launching ramp on the property; and

(D) the use of pier space on the property by search and rescue assets.

(2) That the State maintain the property in a manner so as to preserve the usefulness of the easements or rights of way referred to in paragraph (1).

(3) That the State utilize the property for transportation, education, environmental, or other public purposes.

(c) REVERSION.—(1) If the Secretary determines at any time that the property conveyed under subsection (a) is not being used in accordance with subsection (b), all right, title, and interest in and to the property, including any improvements thereon, shall revert to the United States, and the United States shall have the right of immediate entry thereon.

(2) Upon reversion under paragraph (1), the property shall be under the administrative jurisdiction of the Administrator of General Services.

(d) DESCRIPTION OF PROPERTY.—The exact acreage and legal description of the property

conveyed under subsection (a), and any easements or rights of way granted under subsection (b)(1), shall be determined by a survey satisfactory to the Secretary. The cost of the survey shall be borne by the State.

(e) ADDITIONAL TERMS AND CONDITIONS.—The Secretary may require such additional terms and conditions with respect to the conveyance under subsection (a), and any easements or rights of way granted under subsection (b)(1), as the Secretary considers appropriate to protect the interests of the United States.

SEC. 414. CONVEYANCE OF COAST GUARD PROPERTY IN SAULT SAINTE MARIE, MICHIGAN.

(a) REQUIREMENT TO CONVEY.—The Secretary of Transportation (in this section referred to as the "Secretary") shall promptly convey, without consideration, to American Legion Post No. 3 in Sault Sainte Marie, Michigan, all right, title, and interest of the United States in and to the parcel of real property described in section 202 of the Water Resources Development Act of 1990 (Public Law 101-640), as amended by section 323 of the Water Resources Development Act of 1992 (Public Law 102-580), comprising approximately 0.565 acres, together with any improvements thereon.

(b) CONDITION.—The conveyance under subsection (a) shall be subject to the condition that the property be used as a clubhouse for the American Legion Post No. 3.

(c) REVERSION.—(1) If the Secretary determines at any time that the property conveyed under subsection (a) is not being used in accordance with subsection (b), all right, title, and interest in and to the property, including any improvements thereon, shall revert to the United States, and the United States shall have the right of immediate entry thereon.

(2) Upon reversion under paragraph (1), the property shall be under the administrative jurisdiction of the Administrator of General Services.

(d) DESCRIPTION OF PROPERTY.—The exact acreage and legal description of the property conveyed under subsection (a) shall be determined by a survey satisfactory to the Secretary. The cost of the survey shall be borne by the American Legion Post No. 3.

(e) ADDITIONAL TERMS AND CONDITIONS.—The Secretary may require such additional terms and conditions with respect to the conveyance under subsection (a) as the Secretary considers appropriate to protect the interests of the United States.

SEC. 415. INTERIM AUTHORITY FOR DRY BULK CARGO RESIDUE DISPOSAL.

(a) IN GENERAL.—

(1) Subject to subsection (b), the Secretary of Transportation shall continue to implement and enforce the United States Coast Guard 1997 Enforcement Policy for Cargo Residues on the Great Lakes and revisions thereto that are made in accordance with that Policy (hereinafter in this section referred to as the "Policy") for the purpose of regulating incidental discharges from vessels of residues of dry bulk cargo into the waters of the Great Lakes under the jurisdiction of the United States.

(2) Any discharge under this section shall comply with all terms and conditions of the Policy.

(b) EXPIRATION OF INTERIM AUTHORITY.—The Policy shall cease to have effect on the date which is the earliest of—

(1) the effective date of regulations promulgated pursuant to legislation enacted subsequent to the enactment of this Act providing for the regulation of incidental discharges from vessels of dry bulk cargo residue into the waters of the Great Lakes under the jurisdiction of the United States is enacted; or

(2) September 30, 2002.

SEC. 416. CONVEYANCE OF LIGHTHOUSES.

(a) AUTHORITY TO CONVEY.—

(1) IN GENERAL.—The Commandant of the Coast Guard, or the Administrator of the Gen-

eral Services Administration, as appropriate, may convey, by an appropriate means of conveyance, all right, title, and interest of the United States in and to each of the following properties:

(A) Light Station Sand Point, located in Escanaba, Michigan, to the Delta County Historical Society.

(B) Light Station Dunkirk, located in Dunkirk, New York, to the Dunkirk Historical Lighthouse and Veterans' Park Museum.

(C) The Mukilteo Light Station, located in Mukilteo, Washington, to the City of Mukilteo.

(D) Eagle Harbor Light Station, located in Michigan, to the Keweenaw County Historical Society.

(E) Cape Decision Light Station, located in Alaska, to the Cape Decision Lighthouse Society.

(F) Cape St. Elias Light Station, located in Alaska, to the Cape St. Elias Light Keepers Association.

(G) Five Finger Light Station, located in Alaska, to the Juneau Lighthouse Association.

(H) Point Retreat Light Station, located in Alaska, to the Alaska Lighthouse Association.

(I) Hudson-Athens Lighthouse, located in New York, to the Hudson-Athens Lighthouse Preservation Society.

(J) Georgetown Light, located in Georgetown County, South Carolina, to the South Carolina Department of Natural Resources.

(K) Coast Guard Light Station Two Harbors, located in Lake County, Minnesota, to the Lake County Historical Society.

(2) IDENTIFICATION OF PROPERTY.—The Commandant or Administrator, as appropriate, may identify, describe, and determine the property to be conveyed under this subsection.

(3) EXCEPTION.—The Commandant or Administrator, as appropriate, may not convey any historical artifact, including any lens or lantern, located on the property at or before the time of the conveyance.

(b) TERMS OF CONVEYANCE.—

(1) IN GENERAL.—The conveyance of property under this section shall be made—

(A) without payment of consideration; and

(B) subject to the terms and conditions required by this section and other terms and conditions the Commandant or the Administrator, as appropriate, may consider, including the reservation of easements and other rights on behalf of the United States.

(2) REVERSIONARY INTEREST.—In addition to any term or condition established under this section, the conveyance of property under this section shall be subject to the condition that all right, title, and interest in the property shall immediately revert to the United States if—

(A) the property, or any part of the property—

(i) ceases to be used as a nonprofit center for public benefit for the interpretation and preservation of maritime history;

(ii) ceases to be maintained in a manner that is consistent with its present or future use as a site for Coast Guard aids to navigation or compliance with this Act; or

(iii) ceases to be maintained in a manner consistent with the conditions in paragraph (5) established by the Commandant or the Administrator, as appropriate, pursuant to the National Historic Preservation Act of 1966 (16 U.S.C. 470 et seq.); or

(B) at least 30 days before that reversion, the Commandant or the Administrator, as appropriate, provides written notice to the owner that the property is needed for national security purposes.

(3) MAINTENANCE OF NAVIGATION FUNCTIONS.—The conveyance of property under this section shall be made subject to the conditions that the Commandant or Administrator, as appropriate, considers to be necessary to assure that—

(A) the lights, antennas, and associated equipment located on the property conveyed, which are active aids to navigation, shall continue to be operated and maintained by the

United States for as long as they are needed for this purpose;

(B) the owner of the property may not interfere or allow interference in any manner with aids to navigation without express written permission from the Commandant or Administrator, as appropriate;

(C) there is reserved to the United States the right to relocate, replace, or add any aid to navigation or make any changes to the property conveyed as may be necessary for navigational purposes;

(D) the United States shall have the right, at any time, to enter the property without notice for the purpose of operating, maintaining and inspecting aids to navigation, and for the purpose of enforcing compliance with subsection (b); and

(E) the United States shall have an easement of access to and across the property for the purpose of maintaining the aids to navigation in use on the property.

(4) OBLIGATION LIMITATION.—The owner of the property is not required to maintain any active aid to navigation equipment on the property, except private aids to navigation permitted under section 83 of title 14, United States Code.

(5) MAINTENANCE OF PROPERTY.—The owner of the property shall maintain the property in a proper, substantial, and workmanlike manner, and in accordance with any conditions established by the Commandant or the Administrator, as appropriate, pursuant to the National Historic Preservation Act of 1966 (16 U.S.C. 470 et seq.), and other applicable laws.

(c) DEFINITIONS.—In this section:

(1) AIDS TO NAVIGATION.—The term "aids to navigation" means equipment used for navigation purposes, including but not limited to, a light, antenna, sound signal, electronic navigation equipment, or other associated equipment which are operated or maintained by the United States.

(2) OWNER.—The term "owner" means the person identified in subsection (a)(1), and includes any successor or assign of that person.

(3) DELTA COUNTY HISTORICAL SOCIETY.—The term "Delta County Historical Society" means the Delta County Historical Society (a nonprofit corporation established under the laws of the State of Michigan, its parent organization, or subsidiary, if any).

(4) DUNKIRK HISTORICAL LIGHTHOUSE AND VETERANS' PARK MUSEUM.—The term "Dunkirk Historical Lighthouse and Veterans' Park Museum" means Dunkirk Historical Lighthouse and Veterans' Park Museum located in Dunkirk, New York, or, if appropriate as determined by the Commandant, the Chautauqua County Armed Forces Memorial Park Corporation, New York.

(5) LAKE COUNTY HISTORICAL SOCIETY.—The term "Lake County Historical Society" means the Lake County Historical Society (a nonprofit corporation established under the laws of the State of Minnesota), its parent organization or subsidiary, if any, and its successors and assigns.

(d) NOTIFICATION.—Not less than one year prior to reporting to the General Services Administration that a lighthouse or light station eligible for listing under the National Historic Preservation Act of 1966 (16 U.S.C. 470 et seq.) and under the jurisdiction of the Coast Guard is excess to the needs of the Coast Guard, the Commandant of the Coast Guard shall notify the State in which the lighthouse or light station is located, (including the State Historic Preservation Officer, if any) the appropriate political subdivision of that State, and any lighthouse, historic, or maritime preservation organizations in that State, that such property is excess to the needs of the Coast Guard.

(e) EXTENSION OF PERIOD FOR CONVEYANCE OF WHITLOCK'S MILL LIGHT.—Notwithstanding section 1002(a)(3) of the Coast Guard Authorization Act of 1996, the conveyance authorized by section 1002(a)(2)(AA) of that Act may take place

after the date required by section 1002(a)(3) of that Act but no later than December 31, 1998.

SEC. 417. CONVEYANCE OF COAST GUARD LORAN STATION NANTUCKET.

(a) AUTHORITY TO CONVEY.—

(1) IN GENERAL.—The Commandant of the United States Coast Guard may convey, by an appropriate means of conveyance, all right, title, and interest of the United States in and to approximately 29.4 acres of land, together with the improvements thereon, at Coast Guard LORAN Station Nantucket, Nantucket, Massachusetts, to the Town of Nantucket, Massachusetts ("the Town") unless the Commandant, or his delegate, in his sole discretion determines that the conveyance would not provide a public benefit.

(2) IDENTIFICATION OF PROPERTY.—

(A) The Commandant may identify, define, describe, and determine the real property to be conveyed under this section.

(B) The Commandant shall determine the exact acreage and legal description of the property to be conveyed under this section by a survey satisfactory to the Commandant. The cost of the survey shall be borne by the Town.

(b) TERMS OF CONVEYANCE.—

(1) IN GENERAL.—The conveyance of real property under this section shall be made—

(A) without payment of consideration; and

(B) subject to the following terms and conditions:

(i) The Town shall not, upon the property conveyed, allow, conduct, or permit any activity, or operate, allow, or permit the operation of, any equipment or machinery, that would interfere or cause interference, in any manner, with any aid to navigation located upon property retained by the United States at Coast Guard LORAN Station Nantucket, without the express written permission from the Commandant.

(ii) The Town shall maintain the real property conveyed in a manner consistent with the present and future use of any property retained by the United States at Coast Guard LORAN Station Nantucket as a site for an aid to navigation.

(iii) Any other terms and conditions the Commandant considers appropriate to protect the interests of the United States, including the reservation of easements or other rights on behalf of the United States.

(2) REVERSIONARY INTEREST.—The conveyance of real property pursuant to this section shall be subject to the condition that all right, title, and interest in such property shall immediately revert to the United States if—

(A) the property, or any part thereof, ceases to be owned and used by the Town;

(B) the Town fails to maintain the property conveyed in a manner consistent with the terms and conditions in paragraph (1); or

(C) at least 30 days before such reversion, the Commandant provides written notice to the Town that the property conveyed is needed for national security purposes.

SEC. 418. CONVEYANCE OF DECOMMISSIONED COAST GUARD VESSELS.

(a) IN GENERAL.—The Commandant of the Coast Guard may convey all right, title, and interest of the United States in and to each of 2 decommissioned "White Class" 133-foot Coast Guard vessels to Canvasback Mission, Inc. (a nonprofit corporation under the laws of the State of Oregon; in this section referred to as "the recipient"), without consideration, if—

(1) the recipient agrees—

(A) to use the vessel for purposes of providing medical services to Central and South Pacific island nations;

(B) not to use the vessel for commercial transportation purposes except those incident to the provisions of those medical services;

(C) to make the vessel available to the United States Government if needed for use by the Commandant in times of war or a national emergency; and

(D) to hold the Government harmless for any claims arising from exposure to hazardous materials, including asbestos and polychlorinated biphenyls (PCBs), after conveyance of the vessel, except for claims arising from the use by the Government under paragraph (1)(C);

(2) the recipient has funds available that will be committed to operate and maintain each vessel conveyed in good working condition, in the form of cash, liquid assets, or a written loan commitment, and in the amount of at least \$400,000 per vessel; and

(3) the recipient agrees to any other conditions the Commandant considers appropriate.

(b) MAINTENANCE AND DELIVERY OF VESSELS.—Prior to conveyance of a vessel under this section, the Commandant shall, to the extent practical, and subject to other Coast Guard mission requirements, make every effort to maintain the integrity of the vessel and its equipment until the time of delivery. If a conveyance is made under this section, the Commandant shall deliver the vessel at the place where the vessel is located, in its present condition, and without cost to the Government. The conveyance of the vessel under this section shall not be considered a distribution in commerce for purposes of section 6(e) of Public Law 94-469 (15 U.S.C. 2605(e)).

(c) OTHER EXCESS EQUIPMENT.—The Commandant may convey to the recipient of a vessel under this section any excess equipment or parts from other decommissioned Coast Guard vessels for use to enhance the vessel's operability and function as a medical services vessel in Central and South Pacific Islands.

SEC. 419. AMENDMENT TO CONVEYANCE OF VESSEL S/S RED OAK VICTORY.

Section 1008(d)(1) of the Coast Guard Authorization Act of 1996 is amended by striking "2 years" and inserting "3 years".

SEC. 420. TRANSFER OF OCRACOKE LIGHT STATION TO SECRETARY OF THE INTERIOR.

The Administrator of the General Services Administration shall transfer administrative jurisdiction over the Federal property consisting of approximately 2 acres, known as the Ocracoke Light Station, to the Secretary of the Interior, subject to such reservations, terms, and conditions as may be necessary for Coast Guard purposes. All property so transferred shall be included in and administered as part of the Cape Hatteras National Seashore.

SEC. 421. VESSEL DOCUMENTATION CLARIFICATION.

Section 12102(a)(4) of title 46, United States Code, and section 2(a) of the Shipping Act, 1916 (46 U.S.C. App. 802(a)) are each amended by—

(1) striking "president or other"; and

(2) inserting a comma and "by whatever title," after "chief executive officer".

SEC. 422. DREDGE CLARIFICATION.

Section 5209(b) of the Oceans Act of 1992 (46 U.S.C. 2101 note) is amended by adding at the end thereof the following:

"(3) A vessel—

"(A) configured, outfitted, and operated primarily for dredging operations; and

"(B) engaged in dredging operations which transfers fuel to other vessels engaged in the same dredging operations without charge."

SEC. 423. DOUBLE HULL ALTERNATIVE DESIGNS STUDY.

Section 4115(e) of the Oil Pollution Act of 1990 (46 U.S.C. Code 3703a note) is amended by adding at the end thereof the following:

"(3)(A) The Secretary of Transportation shall coordinate with the Marine Board of the National Research Council to conduct the necessary research and development of a rationally based equivalency assessment approach, which accounts for the overall environmental performance of alternative tank vessel designs. Notwithstanding the Coast Guard opinion of the application of sections 101 and 311 of the Clean Water Act (33 U.S.C. 1251 and 1321), the intent

of this study is to establish an equivalency evaluation procedure that maintains a high standard of environmental protection, while encouraging innovative ship design. The study shall include:

“(i) development of a generalized cost spill data base, which includes all relevant costs such as clean-up costs and environmental impact costs as a function of spill size;

“(ii) refinement of the probability density functions used to establish the extent of vessel damage, based on the latest available historical damage statistics, and current research on the crash worthiness of tank vessel structures;

“(iii) development of a rationally based approach for calculating an environmental index, to assess overall outflow performance due to collisions and groundings; and

“(iv) application of the proposed index to double hull tank vessels and alternative designs currently under consideration.

“(B) A Marine Board committee shall be established not later than 2 months after the date of enactment of the Coast Guard Authorization Act of 1998. The Secretary of Transportation shall submit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure in the House of Representatives a report on the results of the study not later than 12 months after the date of enactment of the Coast Guard Authorization Act of 1998.

“(C) Of the amounts authorized by section 1012(a)(5)(A) of this Act, \$500,000 is authorized to carry out the activities under subparagraphs (A) and (B) of this paragraph.”

SEC. 424. VESSEL SHARING AGREEMENTS.

(a) Section 5 of the Shipping Act of 1984 (46 U.S.C. App. 1704) is amended by adding at the end thereof the following:

“(g) VESSEL SHARING AGREEMENTS.—An ocean common carrier that is the owner, operator, or bareboat, time, or slot charterer of a United States-flag liner vessel documented pursuant to sections 12102(a) or (d) of title 46, United States Code, is authorized to agree with an ocean common carrier that is not the owner, operator or bareboat charterer for at least one year of United States-flag liner vessels which are eligible to be included in the Maritime Security Fleet Program and are enrolled in an Emergency Preparedness Program pursuant to subtitle B of title VI of the Merchant Marine Act, 1936 (46 U.S.C. App. 1187 et seq.), to which it charters or subcharters the United States-flag vessel or space on the United States-flag vessel that such charterer or subcharterer may not use or make available space on the vessel for the carriage of cargo reserved by law for United States-flag vessels.”

(b) Section 10(c)(6) of the Shipping Act of 1984 (46 U.S.C. App. 1709(c)(6)) is amended by inserting “authorized by section 5(g) of this Act, or as” before “otherwise”.

(c) Nothing in this section shall affect or in any way diminish the authority or effectiveness of orders issued by the Maritime Administration pursuant to sections 9 and 41 of the Shipping Act, 1916 (46 U.S.C. App. 808 and 839).

(d) Section 3(6)(B) of the Shipping Act of 1984 (46 U.S.C. App. 1702(6)(B)) is amended by striking “parcel-tanker.” and inserting “parcel-tanker or by vessel when primarily engaged in the carriage of perishable agricultural commodities (i) if the common carrier and the owner of those commodities are wholly-owned, directly or indirectly, by a person primarily engaged in the marketing and distribution of those commodities and (ii) only with respect to the carriage of those commodities.”

SEC. 425. REPORTS.

(a) SWATH TECHNOLOGY.—The Commandant of the Coast Guard shall, within 18 months after the date of enactment of this Act, report to the Senate Committee on Commerce, Science, and

Transportation and the House Committee on Transportation and Infrastructure on the applicability of Small Waterplane Area Twin Hull (SWATH) technology, including concepts developed by the United States Office of Naval Research, to the design of Coast Guard vessels.

(b) MARINE GUIDANCE SYSTEMS.—The Secretary of Transportation shall, within 12 months after the date of the enactment of this Act, evaluate and report to the Congress on the suitability of marine sector laser lighting, cold cathode lighting, and ultraviolet enhanced vision technologies for use in guiding marine vessels and traffic.

SEC. 426. REPORT ON TONNAGE CALCULATION METHODOLOGY.

The Administrator of the Panama Canal Commission shall, within 90 days of the date of enactment of this Act, submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report detailing the methodology employed in the calculation of the charge of tolls for the carriage of on-deck containers and the justification thereof.

SEC. 427. AUTHORITY TO CONVEY NATIONAL DEFENSE RESERVE FLEET VESSELS.

(a) AUTHORITY TO CONVEY.—Notwithstanding any other law, the Secretary of Transportation (referred to in this section as “the Secretary”) may convey all right, title, and interest of the Federal Government in and to either or both of the vessels S.S. AMERICAN VICTORY (United States official number 248005) and S.S. HATTIESBURG VICTORY (United States official number 248651) to The Victory Ship, Inc., located in Tampa, Florida (in this section referred to as the “recipient”), and the recipient may use each vessel conveyed only as a memorial to the Victory class of ships.

(b) TERMS OF CONVEYANCE.—

(1) DELIVERY OF VESSEL.—In carrying out subsection (a), the Secretary shall deliver a vessel—

(A) at the place where the vessel is located on the date of conveyance;

(B) in its condition on that date; and

(C) at no cost to the Federal Government.

(2) REQUIRED CONDITIONS.—The Secretary may not convey a vessel under this section unless—

(A) the recipient agrees to hold the Government harmless for any claims arising from exposure to hazardous material, including asbestos and polychlorinated biphenyls, after conveyance of the vessel, except for claims arising before the date of the conveyance or from use of the vessel by the Government after that date; and

(B) the recipient has available, for use to restore the vessel, in the form of cash, liquid assets, or a written loan commitment, financial resources of at least \$100,000.

(3) ADDITIONAL TERMS.—The Secretary may require such additional terms in connection with the conveyance authorized by this section as the Secretary considers appropriate.

(c) OTHER UNNEEDED EQUIPMENT.—The Secretary may convey to the recipient of any vessel conveyed under this section any unneeded equipment from other vessels in the National Defense Reserve Fleet, for use to restore the vessel conveyed under this section to museum quality.

SEC. 428. AUTHORITY TO CONVEY NATIONAL DEFENSE RESERVE FLEET VESSEL, JOHN HENRY.

(a) AUTHORITY TO CONVEY.—Notwithstanding any other law, the Secretary of Transportation (in this section referred to as “the Secretary”) may convey all right, title, and interest of the United States Government in and to the vessel JOHN HENRY (United States official number 599294) to a purchaser for use in humanitarian

relief efforts, including the provision of water and humanitarian goods to developing nations.

(b) TERMS OF CONVEYANCE.—

(1) DELIVERY OF VESSEL.—In carrying out subsection (a), the Secretary shall deliver the vessel—

(A) at the place where the vessel is located on the date of conveyance;

(B) in its condition on that date;

(C) at no cost to the United States Government; and

(D) only after the vessel has been redesignated as not militarily useful.

(2) REQUIRED CONDITIONS.—The Secretary may not convey a vessel under this section unless—

(A) competitive procedures are used for sales under this section;

(B) the vessel is sold for not less than the fair market value of the vessel in the United States, as determined by the Secretary of Transportation;

(C) the recipient agrees that the vessel shall not be used for commercial transportation purposes or for the carriage of cargoes reserved to United States flag commercial vessels under section 901(b) and 901f of the Merchant Marine Act, 1936 (46 U.S.C. App. 1241(b) and 1241f);

(D) the recipient agrees to hold the Government harmless for any claims arising from exposure to hazardous material, including asbestos and polychlorinated biphenyls, after the conveyance of the vessel, except for claims arising before the date of the conveyance or from use of the vessel by the Government after that date; and

(E) the recipient provides sufficient evidence to the Secretary that it has financial resources in the form of cash, liquid assets, or a written loan commitment of at least \$100,000.

(F) the recipient agrees to make the vessel available to the Government if the Secretary requires use of the vessel by the Government for war or national emergency.

(G) the recipient agrees to document the vessel under chapter 121 of title 46, United States Code.

(3) ADDITIONAL TERMS.—The Secretary may require such additional terms in connection with the conveyance authorized by this section as the Secretary considers appropriate.

(c) PROCEEDS.—Any amounts received by the United States as proceeds from the sale of the M/V JOHN HENRY shall be deposited in the Vessel Operations Revolving Fund established by the Act of June 2, 1951 (chapter 121; 46 U.S.C. App. 1241a) and shall be available and expended in accordance with section 6(a) of the National Maritime Heritage Act (16 U.S.C. App. 5405(a)).

SEC. 429. APPLICABILITY OF AUTHORITY TO RELEASE RESTRICTIONS AND ENCUMBRANCES.

Section 315(c)(1) of the Federal Maritime Commission Authorization Act of 1990 (Public Law 101-595; 104 Stat. 2988) is amended—

(1) by striking “3 contiguous tracts” and inserting “4 tracts”; and

(2) by striking “Tract A” and all that follows through the end of the paragraph and inserting the following:

“Tract 1—Commencing at a point N45° 28' 31" E 198.3 feet from point ‘A’ as shown on plat of survey of ‘Boundary Agreement of CAFB’ by D.W. Jessen and Associates, Civil Engineers, Lake Charles, Louisiana, dated August 7, 1973, and filed in Plat Book 23, at page 20, Records of Calcasieu Parish, Louisiana; thence S44° 29' 09" E 220 feet; thence N45° 28' 31" E 50 feet; thence N44° 29' 09" W 220 feet; thence S45° 28' 31" W 50 feet to the point of commencement and containing 11,000 square feet (0.2525 acres).”

"Tract 2—Commencing at a point N45° 28' 31" E 198.3 feet from point 'A' as shown on plat of survey of 'Boundary Agreement of CAFB' by D.W. SEC. 430. BARGE APL-60.

(a) IN GENERAL.—Notwithstanding section 27 of the Merchant Marine Act, 1920 (46 U.S.C. App. 883), section 8 of the Act of June 19, 1886 (46 U.S.C. App. 289), and section 12106 of title 46, United States Code, the Secretary may issue a certificate of documentation with appropriate endorsement for employment in the coastwise trade for the barge APL-60 (United States official number 376857).

(b) LIMITATIONS.—The vessel described in subsection (a) may be employed in the coastwise trade only for the purpose of participating in the ship disposal initiative initially funded by

the Department of Defense Appropriations Act, 1999, for the duration of that initiative.

(c) TERMINATION.—A coastwise endorsement issued under subsection (a) shall terminate on the earlier of—

(1) the completion of the final coastwise trade voyage associated with the ship disposal initiative described in subsection (b); or

(2) the sale or transfer of the vessel described in subsection (a) to an owner other than the owner of the vessel as of October 1, 1998.

SEC. 431. VESSEL FINANCING FLEXIBILITY.

The Secretary of Transportation may guarantee obligations under section 1103 of the Merchant Marine Act, 1936 (46 App. U.S.C.1273), for the vessels planned for construction to be purchased by the American West Steamboat Company and to be named QUEEN OF THE YUKON, which will operate on the Yukon and Tanana Rivers, and EMPRESS OF THE NORTH, which will operate in Alaska, Washington, and Oregon. Notwithstanding sections 509, 1103(c), and 1104A(b) of the Merchant Marine Act, 1936 (46 App. U.S.C. 1159, 1273(c), and 1274(b)), the Secretary of Transportation may guarantee obligations of 87½ percent of the purchase price of such vessels. Each obligation guaranteed under this section may have a maturity date of 25 years from the date of delivery of the vessel concerned.

SEC. 432. HYDROGRAPHIC FUNCTIONS.

(a) EFFECTIVE DATE.—Subsections (b) and (c) shall take effect immediately after the later of—

(1) the enactment of the Hydrographic Services Improvement Act of 1998; or

(2) the enactment of this Act.

(b) AUTHORIZATION OF APPROPRIATIONS.—Section 306 of the Hydrographic Services Improvement Act of 1998 is amended to read as follows:

"SEC. 306. AUTHORIZATION OF APPROPRIATIONS.
"There is authorized to be appropriated to the Administrator the following:

"(1) To carry out nautical mapping and charting functions under the Act of 1947 and sections 303 and 304, except for conducting hydrographic surveys, \$33,000,000 for fiscal year 1999, \$34,000,000 for fiscal year 2000, and \$35,000,000 for fiscal year 2001.

"(2) To conduct hydrographic surveys under section 303(a)(1), including the leasing of ships, \$33,000,000 for fiscal year 1999, \$35,000,000 for fiscal year 2000, and \$37,000,000 for fiscal year 2001. Of these amounts, no more than \$16,000,000 is authorized for any one fiscal year to operate hydrographic survey vessels owned and operated by the Administration.

"(3) To carry out geodetic functions under the Act of 1947, \$25,000,000 for fiscal year 1999, \$30,000,000 for fiscal year 2000, and \$30,000,000 for fiscal year 2001.

"(4) To carry out tide and current measurement functions under the Act of 1947, \$22,500,000 for each of fiscal years 1999 through 2001. Of these amounts \$4,500,000 is authorized for each fiscal year to implement and operate a national quality control system for real-time tide and current and maintain the national tide network, and \$7,000,000 is authorized for each fiscal year to design and install real-time tide and current data measurement systems under section 303(b)(4)."

(c) REPEAL OF REPORT REQUIREMENTS.—Section 305 of the Hydrographic Services Improvement Act of 1998 is amended by striking subsections (a) and (d).

TITLE V—ADMINISTRATIVE PROCESS FOR JONES ACT WAIVERS

SEC. 501. FINDINGS.

The Congress finds that—

(1) current coastwise trade laws provide no administrative authority to waive the United-States-built requirement of those laws for the limited carriage of passengers for hire on vessels built or rebuilt outside the United States;

(2) requests for such waivers require the enactment of legislation by the Congress;

(3) each Congress routinely approves numerous such requests for waiver and rarely rejects any such request; and

(4) the review and approval of such waiver requests is a ministerial function which properly should be executed by an administrative agency with appropriate expertise.

SEC. 502. ADMINISTRATIVE WAIVER OF COASTWISE TRADE LAWS.

Notwithstanding sections 12106 and 12108 of title 46, United States Code, section 8 of the Act of June 19, 1886 (46 U.S.C. App. 289), and section 27 of the Merchant Marine Act, 1920 (46 U.S.C. App. 883), the Secretary of Transportation may issue a certificate of documentation with appropriate endorsement for employment in the coastwise trade as a small passenger vessel or an uninspected passenger vessel for an eligible vessel authorized to carry no more than 12 passengers for hire if the Secretary, after notice and an opportunity for public comment, determines that the employment of the vessel in the coastwise trade will not adversely affect—

(1) United States vessel builders; or

(2) the coastwise trade business of any person who employs vessels built in the United States in that business.

SEC. 503. REVOCATION.

The Secretary may revoke an endorsement issued under section 502, after notice and an opportunity for public comment, if the Secretary determines that the employment of the vessel in the coastwise trade has substantially changed since the issuance of the endorsement, and—

(1) the vessel is employed other than as a small passenger vessel or an uninspected passenger vessel; or

(2) the employment of the vessel adversely affects—

(A) United States vessel builders; or

(B) the coastwise trade business of any person who employs vessels built in the United States.

SEC. 504. DEFINITIONS.

In this title:

(1) SECRETARY.—The term "Secretary" means the Secretary of Transportation.

(2) ELIGIBLE VESSEL.—The term "eligible vessel" means a vessel that—

(A) was not built in the United States and is at least 3 years of age; or

(B) if rebuilt, was rebuilt outside the United States at least 3 years before the certification requested under section 502, if granted, would take effect.

(3) SMALL PASSENGER VESSEL; UNINSPECTED PASSENGER VESSEL; PASSENGER FOR HIRE.—The terms "small passenger vessel", "uninspected passenger vessel", and "passenger for hire" have the meaning given such terms by section 2101 of title 46, United States Code.

SEC. 505. SUNSET.

(a) IN GENERAL.—Subject to subsection (b), this title (other than this section) shall have no force or effect on or after September 30, 2002.

(b) ENDORSEMENTS CONTINUE.—Any certificate or endorsement issued under section 502 before the date referred to in subsection (a) of this section shall continue in effect until otherwise invalidated or revoked under chapter 121 of title 46, United States Code.

TITLE VI—HARMFUL ALGAL BLOOMS AND HYPOXIA

SEC. 601. SHORT TITLE.

This title may be cited as the "Harmful Algal Bloom and Hypoxia Research and Control Act of 1998".

SEC. 602. FINDINGS.

The Congress finds that—

(1) the recent outbreak of the harmful microbe *Pfiesteria piscicida* in the coastal waters of the United States is one example of potentially harmful algal blooms composed of naturally occurring species that reproduce explosively and that are increasing in frequency and intensity in the Nation's coastal waters;

(2) other recent occurrences of harmful algal blooms include red tides in the Gulf of Mexico and the Southeast; brown tides in New York and Texas; ciguatera fish poisoning in Hawaii,

Florida, Puerto Rico, and the United States Virgin Islands; and shellfish poisonings in the Gulf of Maine, the Pacific Northwest, and the Gulf of Alaska;

(3) in certain cases, harmful algal blooms have resulted in fish kills, the deaths of numerous endangered West Indian manatees, beach and shellfish bed closures, threats to public health and safety, and concern among the public about the safety of seafood;

(4) according to some scientists, the factors causing or contributing to harmful algal blooms may include excessive nutrients in coastal waters, other forms of pollution, the transfer of harmful species through ship ballast water, and ocean currents;

(5) harmful algal blooms may have been responsible for an estimated \$1,000,000,000 in economic losses during the past decade;

(6) harmful algal blooms and blooms of non-toxic algal species may lead to other damaging marine conditions such as hypoxia (reduced oxygen concentrations), which are harmful or fatal to fish, shellfish, and benthic organisms;

(7) according to the National Oceanic and Atmospheric Administration in the Department of Commerce, 53 percent of United States estuaries experience hypoxia for at least part of the year and a 7,000 square mile area in the Gulf of Mexico off Louisiana and Texas suffers from hypoxia;

(8) according to some scientists, a factor believed to cause hypoxia is excessive nutrient loading into coastal waters;

(9) there is a need to identify more workable and effective actions to reduce nutrient loadings to coastal waters;

(10) the National Oceanic and Atmospheric Administration, through its ongoing research, education, grant, and coastal resource management programs, possesses a full range of capabilities necessary to support a near and long-term comprehensive effort to prevent, reduce, and control harmful algal blooms and hypoxia;

(11) funding for the research and related programs of the National Oceanic and Atmospheric Administration will aid in improving the Nation's understanding and capabilities for addressing the human and environmental costs associated with harmful algal blooms and hypoxia; and

(12) other Federal agencies such as the Environmental Protection Agency, the Department of Agriculture, and the National Science Foundation, along with the States, Indian tribes, and local governments, conduct important work related to the prevention, reduction, and control of harmful algal blooms and hypoxia.

SEC. 603. ASSESSMENTS.

(a) ESTABLISHMENT OF INTER-AGENCY TASK FORCE.—The President, through the Committee on Environment and Natural Resources of the National Science and Technology Council, shall establish an Inter-Agency Task Force on Harmful Algal Blooms and Hypoxia (hereinafter referred to as the "Task Force"). The Task Force shall consist of the following representatives from—

- (1) the Department of Commerce (who shall serve as Chairman of the Task Force);
- (2) the Environmental Protection Agency;
- (3) the Department of Agriculture;
- (4) the Department of the Interior;
- (5) the Department of the Navy;
- (6) the Department of Health and Human Services;
- (7) the National Science Foundation;
- (8) the National Aeronautics and Space Administration;
- (9) the Food and Drug Administration;
- (10) the Office of Science and Technology Policy;
- (11) the Council on Environmental Quality; and
- (12) such other Federal agencies as the President considers appropriate.

(b) ASSESSMENT OF HARMFUL ALGAL BLOOMS.—

(1) Not later than 12 months after the date of enactment of this title, the Task Force, in cooperation with the coastal States, Indian tribes, and local governments, industry (including agricultural organizations), academic institutions, and non-governmental organizations with expertise in coastal zone management, shall complete and submit to the Congress an assessment which examines the ecological and economic consequences of harmful algal blooms, alternatives for reducing, mitigating, and controlling harmful algal blooms, and the social and economic costs and benefits of such alternatives.

(2) The assessment shall—

(A) identify alternatives for preventing unnecessary duplication of effort among Federal agencies and departments with respect to harmful algal blooms; and

(B) provide for Federal cooperation and coordination with and assistance to the coastal States, Indian tribes, and local governments in the prevention, reduction, management, mitigation, and control of harmful algal blooms and their environmental and public health impacts.

(c) ASSESSMENT OF HYPOXIA.—

(1) Not later than 12 months after the date of enactment of this title, the Task Force, in cooperation with the States, Indian tribes, local governments, industry, agricultural, academic institutions, and non-governmental organizations with expertise in watershed and coastal zone management, shall complete and submit to the Congress an assessment which examines the ecological and economic consequences of hypoxia in United States coastal waters, alternatives for reducing, mitigating, and controlling hypoxia, and the social and economic costs and benefits of such alternatives.

(2) The assessment shall—

(A) establish needs, priorities, and guidelines for a peer-reviewed, inter-agency research program on the causes, characteristics, and impacts of hypoxia;

(B) identify alternatives for preventing unnecessary duplication of effort among Federal agencies and departments with respect to hypoxia; and

(C) provide for Federal cooperation and coordination with and assistance to the States, Indian tribes, and local governments in the prevention, reduction, management, mitigation, and control of hypoxia and its environmental impacts.

(e) DISESTABLISHMENT OF TASK FORCE.—The President may disestablish the Task Force after submission of the plan in section 604(d).

SEC. 604. NORTHERN GULF OF MEXICO HYPOXIA.

(a) ASSESSMENT REPORT.—Not later than May 30, 1999, the Task Force shall complete and submit to Congress and the President an integrated assessment of hypoxia in the northern Gulf of Mexico that examines: the distribution, dynamics, and causes; ecological and economic consequences; sources and loads of nutrients transported by the Mississippi River to the Gulf of Mexico; effects of reducing nutrient loads; methods for reducing nutrient loads; and the social and economic costs and benefits of such methods.

(b) SUBMISSION OF A PLAN.—No later than March 30, 2000, the President, in conjunction with the chief executive officers of the States, shall develop and submit to Congress a plan, based on the integrated assessment submitted under subsection (a), for reducing, mitigating, and controlling hypoxia in the northern Gulf of Mexico. In developing such plan, the President shall consult with State, Indian tribe, and local governments, academic, agricultural, industry, and environmental groups and representatives. Such plan shall include incentive-based partnership approaches. The plan shall also include the social and economic costs and benefits of the measures for reducing, mitigating, and controlling hypoxia. At least 90 days before the President submits such plan to the Congress, a summary of the proposed plan shall be published in

the Federal Register for a public comment period of not less than 60 days.

SEC. 605. AUTHORIZATION OF APPROPRIATIONS.

There are authorized to be appropriated to the Secretary of Commerce for research, education, and monitoring activities related to the prevention, reduction, and control of harmful algal blooms and hypoxia, \$15,000,000 for fiscal year 1999, \$18,250,000 for fiscal year 2000, and \$19,000,000 for fiscal year 2001, to remain available until expended. The Secretary shall consult with the States on a regular basis regarding the development and implementation of the activities authorized under this section. Of such amounts for each fiscal year—

(1) \$1,500,000 for fiscal year 1999, \$1,500,000 for fiscal year 2000, and \$2,000,000 for fiscal year 2001 may be used to enable the National Oceanic and Atmospheric Administration to carry out research and assessment activities, including procurement of necessary research equipment, at research laboratories of the National Ocean Service and the National Marine Fisheries Service;

(2) \$4,000,000 for fiscal year 1999, \$5,500,000 for fiscal year 2000, and \$5,500,000 for fiscal year 2001 may be used to carry out the Ecology and Oceanography of Harmful Algal Blooms (ECOHAB) project under the Coastal Ocean Program established under section 201(c) of Public Law 102-567;

(3) \$1,000,000 for fiscal year 1999, \$2,000,000 for fiscal year 2000, and \$2,000,000 for fiscal year 2001 may be used by the National Ocean Service of the National Oceanic and Atmospheric Administration to carry out a peer-reviewed research project on management measures that can be taken to prevent, reduce, control, and mitigate harmful algal blooms;

(4) \$5,500,000 for each of the fiscal years 1999, 2000, and 2001 may be used to carry out Federal and State annual monitoring and analysis activities for harmful algal blooms administered by the National Ocean Service of the National Oceanic and Atmospheric Administration; and

(5) \$3,000,000 for fiscal year 1999, \$3,750,000 for fiscal year 2000, and \$4,000,000 for fiscal year 2001 may be used for activities related to research and monitoring on hypoxia by the National Ocean Service and the Office of Oceanic and Atmospheric Research of the National Oceanic and Atmospheric Administration.

SEC. 606. PROTECTION OF STATES' RIGHTS.

(a) Nothing in this title shall be interpreted to adversely affect existing State regulatory or enforcement power which has been granted to any State through the Clean Water Act or Coastal Zone Management Act of 1972.

(b) Nothing in this title shall be interpreted to expand the regulatory or enforcement power of the Federal Government which has been delegated to any State through the Clean Water Act or Coastal Zone Management Act of 1972.

Mr. BAUCUS. I understand that the House has sent the Senate a substitute to H.R. 2204, the Coast Guard Authorization Act of 1998, that includes a provision that would amend the Clean Water Act.

Mr. CHAFEE. The Senator is correct. The version of H.R. 2204 that first passed the House last year included a section that made a change to the Clean Water Act to clarify liability concerns of the oil spill response industry. The Senate-passed H.R. 2204 on Monday, October 12, 1998, but it did not include the provision. The House amendment that is now before the Senate includes this provision in section 411(b).

Mr. BAUCUS. Senator, would you please describe the intent of the provision?

Mr. CHAFEE. The intent of this provision is to make it clear that discharges incidental to mechanical removal authorized by the President are not themselves separate and distinct acts of discharge within the meaning of the Clean Water Act. Our purpose is that persons, such as cleanup contractors, whose sole connection to discharges is cleanup or removal, will not be held responsible for unavoidable inconsequential discharges which are a function only of available response technology. For example, mechanical removal activities such as the "decanting" or separation of water from recovered oil usually involve the return of excess water into the response area. Since mechanical removal devices do not operate with 100% efficiency, some oil from the original discharge is entrained with the return water flow to the water body being mechanically cleaned.

Section 411(b) is not intended to alter the liability of responsible parties in any fashion. It is not intended to enable a responsible party to attribute any portion of the oil originally spilled to a subsequent release incident to the mechanical oil removal process. In other words, this provision is not intended to alter Congress' intent as expressed in section 311(c)(4)(B) of the Clean Water Act. It is limited solely to actions approved by the President in accordance with Clean Water Act section 311(c). In addition, this provision does not alter in any way the penalty calculation set forth in this section.

Mr. BAUCUS. Thank you.

Mr. MCCAIN. Mr. President, I rise in support of the Coast Guard Reauthorization Act. The House recently passed an amended version of the Senate Coast Guard bill. While I support the overall reauthorization of the Coast Guard, I want to comment on several provisions contained in the House passed bill.

There is currently an administrative process in place to convey excess Federal government property. I believe that legislation which mandates the transfer or disposal of Federal property under terms which circumvent the established administrative procedures is inappropriate. Consequently, the Senate bill used discretionary language to address certain conveyances requested by individual senators. However, the House bill includes mandatory legislative conveyances. In this case only, I am accepting the mandatory language because I am satisfied that the Coast Guard is willing and prepared to make each of these particular conveyances.

Another important difference between the House and Senate passed bills relates to drug interdiction. I sponsored an amendment in the Senate bill which would have established criminal sanctions for the knowing failure to obey an order to land an airplane. As a former pilot, let me clearly state that this provision was not designed to put any pilot at risk of an arbitrary or random forced landing. Arbi-

trary or random forced landings are impermissible under the Senate provision. As with all aviation legislation in which I have been involved, safety is a top priority. Under current law, if a Federal law enforcement officer who is enforcing drug smuggling or money laundering laws witnesses a person loading tons of cocaine onto a plane in Mexico, sees the plane take off and enter the United States, he may issue an order to land, and if the pilot knowingly disobeys that order, there is currently no criminal penalty associated with such a failure to obey the order.

The criminal sanctions contained in the Senate bill would only be applied to a person who knowingly disobeyed an order to land issued by a Federal law enforcement agent who is enforcing drug smuggling or money laundering laws. The bill would also require the Federal Aviation Administration (FAA) to write regulations defining the means by and circumstances under which it would be appropriate to order an aircraft to land. One of the FAA's essential missions is aviation safety. Accordingly, the FAA would be required to ensure that any such order is clearly communicated in accordance with international standards. Moreover, the FAA would be further required to specify when an order to land may be issued based on observed conduct, prior information, or other circumstances. Therefore, orders to land would have to be justifiable, not arbitrary or random. Orders to land would only be issued in cases where the authorized federal law enforcement agent has observed conduct or possesses reliable information which provides sufficient evidence of a violation of Federal drug smuggling or money laundering laws. If enacted, I would take every step possible to ensure that this provision does not diminish safety in any way.

Last year, 430 metric tons of cocaine entered the United States from Mexico. In 1995, drugs cost taxpayers an estimated \$109 billion. The average convicted drug smuggler was sentenced to only 4.3 years in jail, and is expected to serve less than half of that sentence. It is incumbent on all of us to fight the war on drugs with every responsible and safe measure at our disposal. The provision in the Senate bill would help those men and women who fight the war on drugs at our borders by providing an additional penalty for those who knowingly disobey the law.

A provision included in both the House and Senate bill relates to the International Safety Management Code (ISM Code). On July 1, 1998, the owners and operators of passenger vessels, tankers and bulk carriers were required to have in place safety management systems which meet the requirements of the ISM Code. On July 1, 2002, all other large cargo ships and self-propelled mobile offshore drilling units will have to comply. Companies and vessels not ISM Code-certified are not permitted to enter U.S. waters.

Shipowners required to comply with the ISM Code have raised concerns that the ISM Code may be misused. The ISM Code requires a system of internal audits and reporting systems which are intended to encourage compliance with applicable environmental and vessel safety standards. However, the documents produced as a result of the ISM Code would also provide indications of past non-conformities. Obviously, for this information to be useful in rectifying environmental and safety concerns, it must be candid and complete. However, this information, prepared by shipowners or operators, may be used in enforcement actions against a shipowner or operator, crews and shoreside personnel by governmental agencies and may be subject to discovery in civil litigation.

The provision in both the Senate and House bills would require the Secretary to conduct a study to examine the operation of the ISM Code, taking into account the effectiveness of internal audits and reports. After completion of the study, the Secretary is required to develop a policy to achieve full compliance with and effective implementation of the ISM Code. Under the provision, the public shall be given the opportunity to participate in and comment on the study. In addition, it may be appropriate for the Secretary to form a working group of affected private parties to assist in the development of the study and the issuance of the required policy and any resulting legislative recommendations. Any private citizen who is a member of any such working group cannot receive any form of government funds, reimbursement or travel expenses for participation in, or while a member of, the working group.

The bill also includes a provision that would fix a curious conflict in maritime statutes that currently prohibits U.S. and foreign commercial vessel operators from agreeing among themselves to comply with the Maritime Administration's cargo preference policies concerning vessel sharing agreements, but allows the Maritime Administration to impose those policies on the agreements themselves. The vessel sharing agreement provision in the bill would allow the commercial vessel operators to voluntarily comply with that policy. This provision is consistent with a recent U.S. appeals court decision on this issue and simply preserves the status quo. The proper place to resolve concerns with cargo preference, many of which I share, is in the cargo preference statutes themselves.

● Mr. INOUE. Mr. President, I rise today in support of the Coast Guard Authorization Act.

Since 1790 the U.S. Coast Guard and its predecessor services have done a truly outstanding job of protecting America's coasts and maritime interests. Today, the Coast Guard is recognized as the "Premier Maritime Service in the World" and a model of efficiency within the federal government.

Despite drastic reductions in resources and personnel over the last several years, the result of government downsizing and shrinking budgets, the Coast Guard has admirably maintained a high level of service. The Coast Guard has met the challenges of a growing number of missions while continuously improving performance in its existing mission areas of law enforcement, maritime safety, marine environmental protection, and national security. With personal strength at the lowest level since 1967, and the smallest fleet of aircraft and seagoing cutters since 1989, the men and women of the Coast Guard continue to provide outstanding service to our nation. Since 1992, the number of fisheries boarding conducted by Coast Guard personnel has increased by 62%. Since 1983, the number of undocumented migrants interdicted by the Coast Guard has grown by 635%. Last year, arrests of cocaine traffickers were up 1000%, and cocaine seizures were triple the previous year. Through these incredible interdiction efforts, the Coast Guard kept more than 468 million cocaine "hits" and 100 million marijuana "joints" off American streets last year. The estimated street value of these seizures is more than \$4.2 billion—\$1 billion more than the Coast Guard's entire 1997 discretionary budget.

The return on investment provided to the American taxpayer by the Coast Guard is not unique to its drug enforcement mission. In the area of Search and Rescue alone, the Coast Guard provided the American public with a 4-to-1 return on investment last year represented by 5,000 lives saved and 65,000 persons assisted. Further, Coast Guard prevention efforts have contributed to a 50% reduction in major oil spills over the past 10 years and a 43% decline in recreational boating deaths since 1970.

Mr. President, many in this country have no knowledge of the U.S. Coast Guard. Many do not realize the Coast Guard operates throughout the world and, in addition to its many other missions, is this nation's fifth armed service. Many do not realize that the U.S. Coast Guard participated extensively in the Persian Gulf War and, in fact, still has personnel in the Persian Gulf enforcing the embargo against Iraq, as well as in other "hot spots" around the world. Coast Guard cutters, aircraft and personnel routinely deploy throughout the world in support of Coast Guard missions ranging from search and rescue, law enforcement, and environmental protection to ice breaking, port security, and vessel safety.

Mr. President, the U.S. Coast Guard is an agency in which the U.S. should invest, not divest. This bill authorizes adequate funding and includes other provisions to allow the Coast Guard to continue to carry out its important work. For these reasons, I urge the passage of this important measure.●

Mr. LEVIN. Mr. President, I have serious objections to a provision in the

Coast Guard authorization bill that was inserted in the House bill in a managers amendment with no hearings or vote in the Senate. This provision grants a waiver of existing law for a single vessel operating on the Great Lakes and elsewhere against the wishes of both Michigan Senators and other Senators and in circumvention of a Customs Service ruling regarding the type of dredge work this vessel is allowed to perform.

This waiver is a discriminatory provision which gives special treatment and a competitive advantage to one vessel at the expense of its competitors.

Mr. President, the granting of this waiver will be detrimental to other dredgers on the Great Lakes and elsewhere who are abiding by U.S. law and U.S. Customs Service interpretations of the Jones Act. The hopper dredge vessel *Columbus*, the vessel seeking the waiver, was challenged by a competitor for violating the Jones Act because it was performing dredging work that was not allowed under that Act. That challenge was upheld by the U.S. Customs Service. However, instead of abiding by or appealing the Customs Service ruling, a legislative waiver was sought to circumvent that ruling. The waiver was granted by the House, but not the Senate because the Senate passed Coast Guard authorization bill did not contain this discriminatory provision.

I want to make clear that the only reason this waiver will be included in the final Coast Guard authorization bill is due to the circumstances under which this bill is being considered. Under normal circumstances, I believe the Senate would have removed this provision from the final bill.

Next year I will introduce legislation to repeal the Jones Act waiver that is contained in the Coast Guard authorization bill, H.R. 2204, for the vessel *Columbus*. Mr. Chairman, it's my understanding that you and Senator SNOWE will work with me to repeal this waiver as early as possible next year.

Ms. SNOWE. I recognize the concerns of the senior Senator from Michigan about this waiver. I will work with you to repeal the Jones Act waiver for the vessel *Columbus*.

Mr. MCCAIN. I also recognize the Senator's concerns and I will work with the Senator from Michigan to find a solution that eliminates an unfair competitive disadvantage when the Commerce Committee considers the legislation as early as possible next year. This is a complex issue and I am sure that the Senator from Michigan would agree that fairness to all parties involved must be taken into account in addressing it. I would also like to address the broader issue of what type of dredging should be conducted on the Great Lakes so there is clarification on this issue in the future.

Mr. LOTT. Mr. President, I ask unanimous consent the Senate agree to the amendment of the House.

The PRESIDING OFFICER. Without objection, it is so ordered.

Mr. LOTT. Mr. President, I understand most all of the legislative and Executive Calendar items that can be cleared have been considered by the Senate. We are still working on some of the nominations for clearance. I thank all of my colleagues for their cooperation in the 105th Congress. I hope they have a good campaign season and period at home with their constituents and that we can work together on some very important issues in the 106th Congress.

We will have the final close in a few moments, but I understand there are at least one or two Senators who will have statements before we get to that.

Once again, I suggest the absence of a quorum.

The PRESIDING OFFICER. The clerk will call the roll.

The assistant legislative clerk proceeded to call the roll.

Mr. DEWINE. Mr. President, I ask unanimous consent that the order for the quorum call be rescinded.

The PRESIDING OFFICER. Without objection, it is so ordered.

THE RICKY RAY BILL

Mr. DEWINE. Mr. President, first let me thank the majority leader for the passage of the Ricky Ray bill, which just occurred a few moments ago. This is a bill that I introduced, along with Senator BOB GRAHAM, here in the Senate. It was introduced in the House of Representatives by Representative TAUZIN. It has certainly been worked on and helped immensely by Speaker GINGRICH, by Congressman HYDE and by Senator JEFFORDS. It is a bill which I believe will do some justice in regard to a great tragedy. It is a great tragedy that has afflicted thousands and thousands of Americans through literally no fault of their own. These are hemophiliacs who received tainted blood. Many of them have died as a result of that. Many of them are suffering today, and their families are suffering. They have tremendous expenses. They have the normal expenses of being hemophiliac and on top of that they now have AIDS. The reason for this bill is to correct this injustice. The injustice was that the Federal Government was simply not vigilant, did not do what it should have done to protect the precious blood supply of this country.

Those of us who have worked on this bill for the last several years, I think, have felt this was not just another bill in the Congress. We have seen and we have talked firsthand to the families who have suffered. I met in my office with a man from Ohio whose son died. His son died because of this tainted blood. As the father, one of the caregivers of this child who had hemophilia, he was the one who had to administer the blood. To talk to this father, with tears in his eyes, in my office, was something I will never forget. This bill will not bring his son back. It will not bring back those who have died. But what it will do for those families is give them some compensation,
