

TRIBUTE TO GARY KADOW

HON. JACK QUINN

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 11, 1999

Mr. QUINN. Mr. Speaker, I rise today to honor Mr. Gary Kadow, President of Local 3367 of the American Federation of Government Employees, on the occasion of his retirement.

In 1987, Gary Kadow began his career with the Department of Housing and Urban Development in the Buffalo office as temporary Single-Family Loan Specialist in the Housing Division, and joined the union at that time. He eventually gained a permanent position as a Project Manager, and then Senior Project Manager in the Multi-Family section.

Gary's advocacy on behalf of the working men and women of our community is truly legendary. In recognition of that effort, Gary was elected President of Local 3367 in 1989. He was successfully re-elected every year since, and served nine years, to 1999. His tenure, the longest of any president in Local 3367's history, is one of tremendous accomplishment. On behalf of his membership, Gary Kadow brought in a viable dental plan, set up an effective leadership team including stewards in all the divisions, developed an active Albany Office unit, and organized an operating local Labor-management Participation Council. As a result of that leadership, membership tripled during his presidency.

In addition to his outstanding performance as a local president, Gary was elected a Regional Vice President of the National Council of HUD locals #222, serving in the New York-New Jersey region.

In 1993, The Honorable Henry Cisneros, Secretary of the Department of Housing and Urban Development, selected Gary to serve as a member of his NPR Task Force for the reinvention of HUD. During that year here in our Nation's Capital, Gary became the union contact with the Secretary, bringing his unique labor perspective, advocacy, and dedicated commitment to working men and women to the national forefront. He appeared before Congressional committees, participated in the national Labor-Management Partnership Council, and played a vital role in negotiating labor-management agreements.

In addition to the many awards and citations he has been honored with throughout his career, he was chosen as a founding member of the HUD Training Academy Board of Directors. Further, Gary was elected by the National Council of HUD Locals to Executive Vice President in 1995 and again in 1997.

Mr. Speaker, today I would like to join with the Kadow family, the Department of Housing and Urban Development, the American Federation of Government Employees, the National Council of HUD Locals, Local 3367, the AFL-CIO, and the countless working men and women of our entire Western New York community in tribute to Mr. Gary Kadow.

With retirement come many new opportunities. May Gary meet each new opportunity with the same enthusiasm and vigor in which he demonstrated throughout his brilliant career, and many those opportunities be as fruitful as those in his past.

Thank you, Gary, for your advocacy, tireless effort and personal commitment to our community, and for your friendship.

IN MEMORY OF ELVIS J. STAHR,
JR.**HON. IKE SKELTON**

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 11, 1999

Mr. SKELTON. Mr. Speaker, it has come to my attention that Elvis J. Stahr, Jr., governor emeritus of the Sigma Chi Foundation, scholar, war veteran, attorney, and public servant, passed away on November 11 after a battle with cancer. He was 82.

Stahr earned 4 years of straight A's as an undergraduate at the University of Kentucky (UK), was named a Rhodes Scholar, then studied at Oxford University for three years. He returned to the United States briefly before serving in the U.S. Army infantry in North Africa, India, and China during World War II. After serving in the Army, he practiced law for eight years and served as Grand Praetor for the Eastern province.

After serving as dean of the UK law school and university provost, Stahr was appointed as special assistant to the Secretary of the Army during the Korean war, and in 1956-57, he was executive director of President Eisenhower's committee on education beyond high school.

Stahr became vice chancellor of the University of Pittsburgh in early 1957, and in August 1958 he was named president of West Virginia University. In 1961, President Kennedy appointed him Secretary of the Army, a post in which he served until the summer of 1962 when he resigned to become the 12th president of Indiana University.

In 1968, the Audubon Society named Stahr its president, a position he maintained until 1979. After stepping down from the Audubon presidency, he served on several boards and committees, including those for the Acacia Mutual Life Insurance Company, the Chase Manhattan Bank, the Committee on the Constitutional System, and the Washington Conservation Round Table, of which he also served as chairman. He also continued to practice law in Washington, DC.

Stahr is survived by his wife of 52 years, Dorothy Howland Berkfield Stahr, three children and two grandchildren.

Mr. Speaker, Elvis J. Stahr, Jr's, contributions to his family, his country, and his fraternity make him a role model for young civic leaders. I am certain that the Members of the House will join me in honoring this fine American.

A TRIBUTE TO WILLIAM "BILL"
GORTON CREEL**HON. GEORGE RADANOVICH**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 11, 1999

Mr. RADANOVICH. Mr. Speaker, it is with great privilege to rise today to honor an outstanding American, Bill Creel. Bill is a civic leader and pipeliner, who is beloved by his family, friends, and state. He is a man whose devotion to family, friends, church and business of Bartlesville, Oklahoma is legendary. Bill is turning 70 years old on February 19th.

Born in Bartlesville in 1929, Bill has devoted his life to bettering the town he so loves. His

untiring work and generosity have earned him countless awards and recognition throughout his city and state.

Bill was a pioneer in oil exploration and pipelining. His career took him from Bartlesville to oil fiends throughout the world including North America, Europe, the Middle East, and Australia. After 29 years of service, Bill retired in 1979 as President of H.C. Price Company International.

Rather than enjoying a much-deserved retirement, Creel began his second career, turning his business and managerial skills toward helping his hometown of Bartlesville. Bill distinguished himself while serving as the President of the Bartlesville Area Chamber of Commerce by providing the necessary leadership to recruit new industries, develop tourism, and pass new sales tax legislation to fund economic development. His efforts on behalf of the Chamber of Commerce, the Girl Scouts, the Public Library, the Oklahoma Mozart Festival, Junior Achievement, the Rotary Club, Jane Phillips Hospital, Woolaroc, and St. Johns Catholic Church as well as several historical sites throughout the area earned him statewide recognition through a dedicated "Bill Creel Day" in the state of Oklahoma. In addition, Bill was awarded the Governor's Art Award, Outstanding Citizen Award, membership in the Piepliner's Hall of Fame, Girl Scouts Green Angel, Boy Scout's Eagle Award, Civitan International Citizen of the Year Award, Junior Achievement Leadership Award, Centennial Award and Historian of the Year.

Bill Creel is a great man, husband, father, friend and proud American. He deserves special recognition for the many contributions he has made to the advancement of civic improvement through the arts and education, commercial and economic development, and for accomplishing his lifelong goal of making the world a better place.

EXTENDING THE PRODUCTION TAX
CREDIT FOR HIGH TECHNOLOGY
WIND POWER**HON. WILLIAM M. THOMAS**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 11, 1999

Mr. THOMAS. Mr. Speaker, today I am reintroducing legislation to extend the placed in service date for the Production Tax Credit (PTC) for wind power for an additional 5 years. The present credit will expire on June 30, 1999. Wind equipment installed after that date will not qualify for the credit unless we act to extend the PTC now.

My bill will allow new high technology wind turbines installed during an additional five years to qualify for the 1.5 cent per kilowatt-hour PTC created under the bi-partisan Energy Policy Act of 1992.

The wind power industry's potential in the United States is enormous. Wind generating costs have fallen 80% over the past decade and further efficiencies are achievable. States like the Dakotas, Iowa, Maine, Minnesota, Texas and Colorado offer enormous generating potential. Americans are developing new wind technologies that will give us a competitive edge as this market expands.

In addition, wind offers one technology we can promote to achieve reductions in climate-
