

commitment to ensure that the service of our fighting men and women is properly honored and not forgotten.

A TRIBUTE TO MR. ERNIE LEWIN  
AND MR. RALPH FREEMAN

**HON. MICHAEL P. FORBES**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 23, 1999*

Mr. FORBES. Mr. Speaker, I rise today in the House of Representatives to pay tribute to two very special Long Island citizens, Mr. Ernie Lewin and Mr. Ralph Freeman. These two citizens recently received well-deserved honor for their service to Long Island's community. Throughout their career as farmers on Long Island, both individuals have greatly benefited their fellow farmers and their less fortunate neighbors.

Mr. Lewin received the Amherst Davis Memorial Farmer Citizen Award at the Long Island Farm Bureau's annual awards dinner dance, held on Saturday, March 27. This honor recognizes the many sacrifices that Mr. Lewin has made over his career to aid the less fortunate. His farm in Calverton, Long Island regularly donates surplus produce to local soup kitchens and churches. He has also helped to set up a program where people can pick their own produce and operate their own farm stand. This program has enabled many people to get first hand experience as an entrepreneur and learn the responsibility of running a company.

Lewin has served for 45 years with the Grange League Federation and is a member of the National Potato Council, Potato Board, Potato Advisory Committee of Cornell Cooperative Extension, Farm Credit Board and the advisory board for Cornell University's research lab. Mr. Lewin is also involved in many notable community organizations, such as the Lions Club in which Lewin has had a 25-year membership. Lewin is also a proud trustee of the Baiting Hollow Congregational Church.

Mr. Freeman was the 1999 recipient of the Long Island Farm Bureau's Citizen Award for his contributions to the community. This honor is a true testament to his work in helping his fellow farmers. Mr. Freeman has worked as a Cornell Cooperative Extension educator to directly help the farmers in his community. His role as educator is to instruct owners and managers of commercial production and marketing firms in greenhouses and related industries. His efforts have helped local businesses increase their profit and productivity.

Mr. Freeman is also a widely published author and a frequent speaker. He is known nationally and internationally for his expertise in floriculture. In the community, Mr. Freeman is an active member of the Eastport Bible Church and Gideon's International.

Mr. Speaker, I ask my colleagues in the U.S. House of Representatives to join me in honoring the efforts of these two very special Long Islanders who have devoted their lives to help others. I only hope that we learn from these two individuals and that they continue their fine work in our community.

PERSONAL EXPLANATION

**HON. ROGER F. WICKER**

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 23, 1999*

Mr. WICKER. Mr. Speaker, on rollcall No. 51, on House Congressional Resolution 774, Women's Business Center Amendments Act of 1999, I was unavailable to vote because I was returning from a bipartisan Congressional Delegation trip to Russia. The objectives of this four-day trip included meetings with the Russian Duma and other governmental officials concerning the missile defense threat as outlined in the report of the Rumsfeld Commission. Our delegation was joined in Moscow by former Secretary Don Rumsfeld and two members of his commission, Mr. Jim Woolsey and Mr. William Schneider, Jr.

Had I been present, I would have voted "yea."

IN HONOR OF THE NEW YORK UNIVERSITY CHILD STUDY CENTER

**HON. CAROLYN B. MALONEY**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 23, 1999*

Mrs. MALONEY of New York. Mr. Speaker, I rise today to pay tribute to the NYU Child Study Center, a unique multi-specialty program at New York University School of Medicine.

The NYU Child Study Center is an innovative program dedicated to offering complete child and adolescent psychiatric care that is fully integrated with scientific research and education.

The Center's research considerably advances the understanding of the causes and treatments of child mental disorders. In addition, the Center collaborates with public, parochial and private school systems to provide invaluable preventive resources to families.

The NYU Child Study Center is an indispensable resource for parents, educators and child health and mental health professionals both in New York and across the United States.

The premier clinicians at the NYU Center implement the knowledge gained from research and translate it into care that incorporates the most up-to-date information about the causes, symptoms and treatments of mental disorders.

Some of the programs in the Center's clinical care area include: Furman Diagnostic Service to assess treatment and long-term follow up; NYU Summer Program for Kids with ADHD; Young Adult Inpatient Program; Port Washington Alternative Learning Program for at-risk adolescents; Family Studies Program to prevent future problems in couples and families at risk; Prevention and Relationship Enhancement Program to promote healthy relationships; Unique Minds, to assist families of learning disabled children; and NYU Child Study Center East for children with Attention Deficit Hyperactivity Disorder and learning disorders.

The Center's other main missions include advanced training for mental health professionals; research in areas such as pediatric

psychopharmacology, children at risk, attention deficit hyperactivity and related disorders, and child and adolescent anxiety disorders; and educational outreach and prevention for parents, educators, pediatricians and other mental health professionals.

Mr. Speaker, I am honored to bring to your attention the NYU Child Study Center. The Center provides an invaluable service to New York's children and their families, and for children across the country. It is an honor to have such an important institution located in my district.

TRIBUTE TO CAPTAIN DALE O.  
SNODGRASS

**HON. IKE SKELTON**

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 23, 1999*

Mr. SKELTON. Mr. Speaker, today I wish to recognize a truly outstanding naval officer, Captain Dale O. Snodgrass, U.S. Navy. Captain Snodgrass will soon be completing his assignment as the Director of the Navy Liaison Office to the House of Representatives, which will also bring to a close a long and distinguished career in the U.S. Navy. It is a pleasure for me to recognize just a few of his many outstanding achievements.

A native of Long Island, New York, Captain Snodgrass graduated from the University of Minnesota and was commissioned an Ensign in August 1972. He was designated a naval Aviator in December 1973. He reported to Fighter Squadron 124 as one of the first two newly winged Aviators selected for F-14 training. After being the first non-fleet experienced Aviator to carrier qualify the F-14, he reported to Fighter Squadron 142 in January 1975. Completing his tour in May 1978, he reported to Fighter Squadron 101, the F-14 Training Squadron, as a Fight Instructor and Landing Signal Officer. Following his instructor tour, he reported to Carrier Air Wing 8 as the Senior Landing Signal Officer.

After a 2 year tour in Air Wing 8, he reported to Fighter Squadron 43 as an Adversary Instructor, serving as Operations Officer. Returning to the Fleet in January 1985, Captain Snodgrass served in Fighter Squadron 143 as Operations and Maintenance Officer. In 1986 Captain Snodgrass was selected as the Navy's "Fighter Pilot of the Year" and "Top Cat of the Year."

Reporting to Fighter Squadron 101 in January 1988, he served as the Executive Officer until May 1988. Captain Snodgrass subsequently joined Fighter Squadron 33 as Executive Officer later the same month. He assumed command of Fighter Squadron 33 in September 1989, while embarked in the USS *America* (CV 66) in the Red Sea. Upon completion of his sixth deployment, he led his squadron through an accelerated training cycle that culminated with combat operations in support of "DESERT STORM." His Commanding Officer's tour ended with yet another underway Change of Command in the Red Sea in February 1991.

Captain Snodgrass then reported to the USS *Theodore Roosevelt* (CVN 71) as Navigator. Assuming additional duties as Battle Group Navigator, he planned coordinated and safely executed Battle Group navigation and transit in the Red Sea, Mediterranean, Atlantic, and Caribbean. His Navigation Department

and Staff was subsequently selected for the U.S. Atlantic Fleet's Navigation award for 1992. Transferring in March 1993, he reported to the Chief of Naval Operations for Air Warfare as Head, Aviation Manpower, Undergraduate Flight Training and Trainer Aircraft sections. In September 1994, Captain Snodgrass reported as Commander, Fighter Wing, U.S. Atlantic Fleet. Under his command, TOMCAT precision strike and single citing of the entire community as NAS Oceana became a reality. His tour as Commodore ended with a Change of Command in January 1997. In February 1997, Captain Snodgrass relocated to Washington, DC, as Director, Navy Liaison, U.S. House of Representatives.

Mr. Speaker, Dale Snodgrass has made many sacrifices during his 26 year naval career. Dale has spent a significant amount of time away from his family to support the vital role our naval forces play in ensuring the security of our great Nation. Captain Snodgrass, a great credit to the U.S. Navy and the country he so proudly served, will retire on 23 March 1999 and move to St. Augustine, Florida. As he now prepares to depart the Navy for new challenges ahead, I call upon my colleagues from both sides of the aisle to wish him every success, as well as fair winds and following seas, always.

#### TRIBUTE TO CAROL FOREST

### HON. ANNA G. ESHOO

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 23, 1999*

Ms. ESHOO. Mr. Speaker, I rise today to honor Carol Forest, an extraordinary citizen of San Mateo County, California, who will be inducted into the San Mateo County Women's Hall of Fame of Friday, March 26, 1999.

Carol Forest has spent more than thirty years in education and has dedicated herself to alternative education. She was instrumental in the establishment of the Jefferson Union High School District's GED Center in 1986, and under her leadership, this program has grown from graduating fifty students per year to more than two hundred per year. Carol has focused on getting at-risk youth back on track. She's done this through providing counseling, intervention and prevention programs, vocational training and employment services.

In 1990 she helped to form the Daly City Youth Health Center. This facility has secured over \$2 million in grant funding and has provided critical services to over seven thousand teens. Since its inception the staff has grown from five to thirty one and includes three paid teen health advocates.

Carol Forest did not stop there. She also established the Tools for Survival Program which gives added support to high school dropouts who are seeking their Graduate Equivalent Degree. Carol has been instrumental in establishing the San Francisco Buddhist Center, where she mentors other women in their search for spiritual development.

Mr. Speaker, Carol Forest is an outstanding woman and I salute her for her compassion, for her vision and for her commitment to making sure every child has a chance. I ask my colleagues to join me in honoring her on being inducted into the San Mateo County Women's Hall of Fame.

CONGRATULATING STUDENTS OF BYRD ELEMENTARY SCHOOL FOR THEIR ANTI-SMOKING PROGRAM

### HON. MARGE ROUKEMA

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 23, 1999*

Mrs. ROUKEMA. Mr. Speaker, I rise to congratulate the students of Byrd Elementary School in Glen Rock, New Jersey, on their efforts to spread the word about the dangers of smoking. The students, assisted by representatives of the New Jersey Breathes program, are conducting a week-long tobacco awareness program, including a school-wide assembly, demonstrations, a poster contest and a composition contest. In addition, the school nurse, Ms. Judy Mullane, has visited each class to discuss smoking and health. The initiatives taken by these students, their teachers and the school district should be commended and mirrored in schools across our nation. As a former teacher myself, I know how extremely important it is to teach children to say no to tobacco. This is a problem that adds thousands of children to the tobacco addiction rolls every day. One of the most effective ways to stop it is through educational initiatives similar to the one we are seeing at Byrd Elementary School.

As a Member of Congress, I have long supported legislation that would limit the spread of tobacco addiction to young people. It is essential that we stand up for the health of our children and help keep them from becoming addicted to the most widespread drug threatening our society—tobacco. The average smoker takes his or her first puff of a cigarette at age 11. If adults choose to smoke, that's a poor decision but one they are allowed to make for themselves. But if children are lured into smoking, that is a moral crime and should be a statutory crime.

Last year, I was a co-sponsor of the NOT for Kids Act, which would raise the price of a pack of cigarettes by \$1.50 over 3 years. Raising the price of cigarettes has a direct and measurable impact on reducing smoking among children. From 1982 to 1992, the price of cigarettes went up 50 percent and the percentage of teen-agers who smoke steadily dropped. Cigarette prices leveled off in 1992 and we've seen an increase since.

I have also supported the national settlement of tobacco lawsuits. First, we must be certain that none of the settlement money is diverted by the federal government. To ensure that, I have co-sponsored H.R. 351. At least part of the money from these settlements should be used for public education programs about the dangers of smoking to young people. These programs should be directed at our young people through their schools so that we can reach them before it is too late. It is far more effective to prevent tobacco addiction that to stop it once it has begun.

It is important to note that the anti-smoking effort in Glen Rock goes beyond the school system. Matthew Kopacki, owner of Rock Ridge Pharmacy, has stopped selling cigarettes in his pharmacy after the death of one of his employees from lung cancer. Mayor Jacquelyn Kort is among those speaking at Byrd Elementary School. And the New Jersey Breathes program is being supported by the Robert Wood Johnson Foundation.

I would like to ask all my colleagues in the U.S. House of Representatives to join me in thanking Principal Hal Knapp, Mayor Kort, Nurse Mullane, Mr. Kopacki, New Jersey Breathes Director Dr. Larry Downs and all the teachers and other staff involved in this important project. But beyond this group, I want to make a special appeal to the parents, grandparents, aunts, uncles, big sisters and brothers and all other adults who play an influential role in the lives of the students of Byrd Elementary School. We all know that children imitate the behavior of adults. Please set a good example for these and all children by not smoking.

A FREE PRESS IS ESSENTIAL FOR THE FUTURE FREEDOM IN RUSSIA—HOUSE CONCURRENT RESOLUTION 67

### HON. TOM LANTOS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 23, 1999*

Mr. LANTOS. Mr. Speaker, today I am introducing House Concurrent Resolution 67, which expresses the sense of the Congress that freedom of the news media and freedom of expression are vital to the development and consolidation of democracy in Russia and that the United States should actively support such freedoms. Joining me in introducing this legislation are the gentleman from New York, Mr. GILMAN, the chairman of the Committee on International Relations; the gentleman from Connecticut, Mr. GEJENSON, the ranking Democratic member of the Committee on International Relations; and the gentleman from Nebraska, Mr. BEREUTER, who is a senior member of the Committee.

Mr. Speaker, we are introducing this legislation today because this afternoon the Prime Minister of Russia, Yevgeny Primakov, arrives in the United States for meetings with Vice President GORE. I doubt, Mr. Speaker, that media freedom in Russia is a leading topic on the agenda for the meetings that are scheduled to take place over the next few days during Prime Minister Primakov's visit to our country. It is an issue, however, that ought to be very high on that agenda.

This resolution expresses our unequivocal belief in the necessity of a free and vibrant news media in Russia. No other institution is as essential to the growth of a democratic society than a press unhindered by pressure from governmental authorities, one with the unquestioned ability to shed light upon the deeds and intentions of those with power and influence. Russia—a nation which has been fighting for the last decade to replace communist oppression with strongly-rooted institutions that respect individual freedoms—must ensure the independence of its media in order to maintain and continue the progress of the last ten years.

The enormity of the Russian reform process is breathtaking, and few can doubt the success of governmental initiatives in drastically improving the human rights situation across this immense nation. I vividly recall my service in this House during the 1980's, when many of us, Republicans and Democrats alike, worked doggedly to oppose the repressive policies and practices of the Soviet regime. We focused attention of the persecution of Nobel
