PERSONAL EXPLANATION

Mrs. CAPPS. Mr. Speaker, on rollcalls No. 121 and 122, an airline delay due to mechanical failure caused me to be late. Had I been present, I would have voted "yea."

PERSONAL EXPLANATION

Mr. OSE. Mr. Speaker, I was inadvertently detained due to a canceled flight, and therefore was not present to vote today for rollcall number 121. Had I been present, I would have voted "yea."

Mr. Speaker, I was inadvertently detained due to a canceled flight, and therefore was not present to vote today for rollcall number 122. Had I been present, I would have voted "yea."

PERSONAL EXPLANATION

Mr. GREEN of Texas. Mr. Speaker, on May 6, 1999, I missed four votes because I was unavoidably detained in my district. If I had been present I would have voted "no" on rollcall 117; "yes" on rollcall 118; "no" on rollcall 119; and "yes" on rollcall 120.

ANNOUNCEMENT OF INTENTION TO OFFER ON TOMORROW MOTION TO INSTRUCT ON H.R. 1141, 1999 EMERGENCY SUPPLEMENTAL APPROPRIATIONS ACT

Mr. DEUTSCH. Mr. Speaker, pursuant to clause 7(c) of rule XXII, I hereby notify the House of my intention tomorrow to offer the following motion to instruct House conferees on H.R. 1141, the emergency supplemental appropriations bill.

Motion to instruct conferees on H.R. 1141: Mr. Deutsch moves that the managers on the part of the House at the conference on the disagreeing votes of the two Houses on the amendment of the Senate to the bill H.R. 1141 be instructed to instruct on the funding level of \$621 million contained under the heading "Central America And The Caribbean Emergency Disaster Recovery Fund" of the House bill for necessary expenses to address the effects of hurricanes in Central America and the Caribbean and the earthquake in Colombia.

BECOME A PART OF THE "I WILL" FOUNDATION

(Mr. TANCREDO asked and was given permission to address the House for 1 minute and to revise and extend his remarks and include extraneous material.)

Mr. TANCREDO. Mr. Speaker, the issue I want to rise today to discuss is actually to draw attention to a couple of people in my district. I represent the area that includes Columbine High School in which we had such a tragic event a short time ago.

We keep talking about what we can do to stop something like this from happening again. Eventually, it all gets down to changing people's hearts. That is really all that can happen. But there

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated for:

Mr. KASICH. Mr. Speaker, on Tuesday, May 11, 1999, I was unable to record a vote by electronic device on Roll Number 122, acknowledging the dedication and sacrifice made by the men and women who have lost their lives while serving as law enforcement officers. Had I been present, I would have voted "yea" on Roll Number 122.

PERSONAL EXPLANATION

Ms. SLAUGHTER. Mr. Speaker, I was unable to be present for rollcall votes 121 and 122. Had I been present, I would have voted "yea" on both rollcall votes 121 and 122.

is something that is going on that can work in that direction, and I want to draw attention to it.

Two teachers, one Mary Catherine Bradshaw in Hillsboro High School in Nashville, and Heather Beck, a teacher at Green Mountain High School in Colorado, and also a student, Rebecca Hunter, they have created a pledge, a pledge which I will enter into the record, a pledge they ask each student to take.

It says: As a part of the blank community, I will pledge to be a part of the solution. I will eliminate taunting from my own behavior. I will encourage others to do the same. I will do my part to make my school a safe place by being more sensitive to others. I will set the example of a caring individual. I will not let my word or actions hurt others. I will become a part of the solution.

This is the real way to address it.

Mr. Speaker, I include the following for the RECORD:

Please print this out and sign this petition.
As a part of the _____ Community, I will . . .

I will pledge to be a part of the solution.
I will eliminate taunting from my own behavior.

I will encourage others to do the same.
I will do my part to make _____ a safe place by being more sensitive to others.

I will set the example of a caring individual.

I will not let my word or actions hurt others.

. . . and if others won't become a part of the solution, I will.

Signing here reflects your commitment to your pledge through graduation 1999.

GETTING A BETTER RETURN ON INVESTMENT

(Mr. SMITH of Michigan asked and was given permission to address the House for 1 minute and to revise and extend his remarks and include extraneous material.)

Mr. SMITH of Michigan. Mr. Speaker, just reporting to my colleagues, today at our Social Security Task Force meeting, Roger Ibbotson was one of the witnesses, and he estimated that the stock market would increase to 100,000 by the year 2025. So as we talk about the possibility of taking advantage of some of the investment money coming in in Social Security taxes and helping to solve the Social Security problem by using some of that money for private retirement investment accounts, if his estimates are a little bit high or a little bit low, and I would recall to our attention that it was Dr. Ibbotson that said in 1974 that the stock market would go from 1,000 to 10,000. Of course, that was at a time when the stock market was significantly depressed.

So as we look for real solutions to Social Security, I think it is becoming more agreed that part of the effort that we must take is getting a better return

on the investment that workers of this country pay in.

Doctor Gary Burtless also testified before our Social Security Task Force today and agreed that long-term investment rates can enhance Social Security.

Dr. Gary Burtless is a Senior Fellow in Economic Studies with the Brookings Institution. Dr. Burtless has published various articles on Social Security, Medicare and social welfare, and testified before several House and Senate committees. He has published various articles and presented testimony.

Dr. Roger Ibbotson, Professor of finance at Yale School of Management, also serves as Chairman of Ibbotson Associates, which publishes an annual Yearbook of stock, bonds, treasury bill, and inflation rates. He has been recognized as a leading expert in measuring rates of return for the past twenty years.

Our bi-partisan Social Security Task Force meets every week on Tuesday at noon. All members are welcome to attend and I will again send out a report to, colleagues on today's hearing.

DIFFICULT VOTE FOR CONGRESS ON EMERGENCY SUPPLEMENTAL

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Indiana (Mr. SOUDER) is recognized for 5 minutes.

Mr. SOUDER. Mr. Speaker, last week and probably again either Thursday of this week or early next week we will have one of the most difficult votes that a Congress can cast, and that is on our emergency supplemental.

It might be called a war-plus bill. It is not just to forward fund the war, because there are over \$3 billion to for-

ward fund the war; and it is not just monies that could escalate the war, because there are multiple categories in this bill, including money intended to rebuild our national defense that could, in fact, expand this to a ground war, and the motion to limit that was defeated.

So this, in fact, is not just a funding bill for the war, however, because it also includes important funds to rebuild what has been a devastating number of years on our military, where we do not have the readiness and where we have sent troops into battle without being properly prepared and without the munitions necessary. We have weakened ourselves around the world, and I realize that.

It also has important funds for our agricultural catastrophes, and it may even have things for Hurricane Mitch and the victims of the earthquake in Colombia in this bill. It has a pay boost for our veterans.

But, ultimately, this is a vote on war. And that becomes a very difficult subject for Members of Congress to handle in their districts because, in fact, we have troops on the ground, and none of us want to be perceived as weakening them and putting them in the battle without adequate supplies. At the same time, many of us have strong reservations about this war, that, in fact, it is not winnable and, in fact, we are putting our soldiers' lives unnecessarily at danger by continuing to fund this war.

I have been regularly visiting high schools and elementary schools in my district since the first of the year as part of the Committee on Education and the Workforce efforts to look at the Elementary and Secondary Education Act. And when I talk to students, whether about the drug-free school program or school violence, inevitably the war comes up. Because many of them are concerned that they may soon become involved in this, especially if it expands to a ground war and we should have to resort to a draft, which in fact we might have to do if we need 400,000 troops.

The question I get regularly asked, since I express my skepticism that this war cannot be successful and we have had a poor strategy, is how do we stop genocide and the ethnic cleansing around the world if in fact we do not fight this war; and what are we to do to show our disapproval if we do not go to war? These are difficult questions but not easily addressed or solved merely by saying, therefore, we are going to bomb everybody who we disagree with or who we think has committed genocide.

Clearly, this has been a problem in the past. It has happened in Turkey vis-a-vis the Armenians. We watched the Communists overrun Hungary. And many of us, I was only 6 years old at the time of the Hungarian revolution, but many Americans felt we should have intervened at that point.
