

Currently, the MACAA serves individuals and families in Baltimore City and 23 counties throughout Maryland. Working with 1000 agencies nationwide, CAA's serve 98% of our Nation's cities and counties and are a primary source of support for the more than 38 million Americans living in poverty in rural and urban areas. Services provided by CAA's and their dedicated volunteers include employment training, adult and child educational services, senior assistance, income management, housing and rental assistance, emergency services and food and nutritional relief. Whether it is through the exchange of information on poverty issues, the provision of services and assistance, the development of funding resources, or the effort to influence public policy, the ultimate mission of these agencies and volunteers is to assist low-income citizens to achieve a higher level of self-sufficiency.

Mr. President, for more than 30 years, MACAA has sponsored this annual conference which brings together hundreds of individuals involved in the effort to eliminate poverty. Appropriately, this May has been designated National Community Action Month, and May 4-10 has been designated National Community Action week to publicize the achievements of CAA's and to emphasize their continuing importance in our communities. This is a most fitting occasion to celebrate a coalition such as MACAA, which is so integral to the health and well being of citizens throughout Maryland. I am pleased to congratulate the MACAA for thirty years of invaluable service, and for their efforts to, to borrow the CAA credo, provide a "hand up, not a hand out."•

#### TRIBUTE TO RITCHIE BERNARD, THE 1999 LONDONDERRY BUSINESS PERSON OF THE YEAR

• Mr. SMITH of New Hampshire. Mr. President, I rise today to pay tribute to Ritchie Bernard of Londonderry, New Hampshire, for being named the "1999 Business Person of the Year" by the Londonderry Business Council. I congratulate him for his record of excellence in business and community development.

Ritchie owns the House of Samurai in Londonderry, New Hampshire. Dedicated to educating the youth of Londonderry in the martial arts, the House of Samurai is currently celebrating its 25th anniversary.

As a devoted contributor to the Londonderry business community, Ritchie has served on the Board of Directors of the Londonderry Rotary Club, the Londonderry Chamber of Commerce, and the Greater Derry Boys and Girls Club. His activism extends far beyond the business realm and is evident by his participation in various community organizations and causes. Ritchie is highly regarded in the Londonderry community and across the state for his karate school programs, his support of

town programs, and his involvement in many volunteer organizations.

Small business is the backbone of our economy in the United States. I am proud to honor Ritchie for preserving and establishing a thriving business in New Hampshire. He has devoted himself to working toward the betterment of the community through his activism and his desire to educate the youth of New Hampshire in the martial arts.

Mr. President, as a former small business owner myself, I understand the demands of running a business. I commend Ritchie for his diligent work in his business as well as the devotion he has shown to the community. I wish to congratulate Ritchie on receiving this distinguished award, and it is an honor to represent him in the United States Senate.●

#### HONORING SENATOR JOE BIDEN ON THE OCCASION OF HIS 10,000TH VOTE

• Mr. REID. Mr. President, two American soldiers have died in Kosovo, the first American casualties of a war to stop a genocide.

The contrast between what is unfolding in the Balkans, and what is happening here in Congress, could not be more clear.

A dictatorship, like the government of Slobodan Milosevic, imposes its will through force.

A democracy expresses its will through the act of voting.

Every vote that we cast in this body is an affirmation of the power of a democracy to solve its problems peacefully.

Today, my colleague and good friend JOE BIDEN cast his 10,000 vote in this body. That number reflects a record of public service matched by very few even in an institution like this one, through which so many great men and women have passed.

As Senators, we are all Members of a very exclusive club. We have been sent here on behalf of the good people of our respective States, to do their business.

With his 10,000th vote, JOE BIDEN has joined an even more exclusive club.

Over the history of this republic, thousands of men and women have served as Senators. But only a very few can say that they did such a good job—and kept doing a good job over such a long period of time—that they lasted long enough to vote as many times, on as many different issues, as JOE BIDEN.

But the thing that impresses me the most about JOE BIDEN's 27 years in the Senate isn't what he has done on the floor, or the number of votes he has cast—although his leadership, courage and dedication are well-known to those of us who are privileged to serve with him every day.

Instead, what impresses me most is his role as a husband to his wife Jill, and father to his sons Beau and Hunter and his daughter Ashley.

JOE BIDEN still lives in Delaware with his family and commutes every

day between Delaware and Washington on the train.

Those 10,000 votes represent thousands of hours spent alone on the train to Delaware so that JOE BIDEN could spend a few precious hours with his family each night before returning to Washington on the train the next morning.

I also want to talk about the courage that my friend JOE BIDEN has shown during his long tenure as a Senator. I want to do this so that people know just what that number—10,000 votes—really means.

Only one month after first being elected to the Senate in 1972, JOE's first wife Neilia died tragically in an automobile accident along with his one-year old daughter.

In 1988, JOE was almost killed by a brain aneurysm. He underwent two risky operations and returned to the Senate after only a few months.

Mr. President, I speak of these tragedies today because I know that it has not been easy for JOE. But he has never complained—just done his work. Senator BIDEN is a great orator, but an even Better father, husband and friend.

When you see what he has had to overcome, that gives a whole new meaning to that number 10,000.

Those of us who work with JOE BIDEN have long known of his dedication to the ideals of this body, and his devotion to his family.

With the attention that his 10,000th vote should bring, I hope that more people are able to see the qualities that we are privileged to see every day.●

#### RECOGNIZING NEVADAN JERRY CRUM

• Mr. BRYAN. Mr. President, I rise today to recognize an outstanding Nevadan for his exemplary volunteer service to the disabled community both in Northern Nevada and across the United States. Jerry Crum has become a recognized leader through his advocacy on behalf of people afflicted with Chronic Fatigue Immune Dysfunction Syndrome, CFIDS. Since being diagnosed with CFIDS himself in the mid 1980's, Jerry has worked to increase awareness of this often misunderstood disease, and to improve the lives of those who suffer from it.

Jerry was incapacitated through much of the 1980's. After several years in and out of hospitals, however, he made a strong, though not complete recovery. As his strength increased, so did his efforts to help others with this debilitating condition. At the same time, he also saw that people with other disabilities and chronic illnesses had encountered many of the obstacles he had. He then sought to share his story with others, and to teach others with disabilities how to be effective advocates for themselves.

In 1990, Jerry became a charter member of the CFIDS lobbying organization called CACTUS. In 1992, he helped start the CFIDS Association of America's

Public Policy Action Committee, and later founded "Lobby Day," an opportunity for people with CFIDS to travel to Washington, DC to meet with their federal representatives and advance funding and policy needs of CFIDS. Since then, he has testified at a Senate hearing examining the affects of this illness.

Although Jerry has always spoken on behalf of all people with disabilities, he specifically expanded his focus in 1998 to include people with lymphoma when he was diagnosed with this rare form of cancer himself. He became active in the Carson Advocates for Cancer and was the Nevada co-chair of the 1998 National Cancer March. He came to Washington again, and marched along-side cancer survivors such as Norman Schwarzkopf as they crusaded to encourage research to find a cure for this terrible disease.

Jerry has been a catalyst in bringing advocates together to achieve victories for the disabled. I thank him for his service to Nevada and to all who suffer from chronic, disabling conditions such as CFIDS. He has made Nevada proud.●

#### TRIBUTE TO RE/MAX 1ST CHOICE OF LONDONDERRY, NEW HAMPSHIRE

● Mr. SMITH of New Hampshire. Mr. President, I rise today to pay tribute to RE/MAX 1st Choice of Londonderry, New Hampshire, for being named "Company of the Year" by the Londonderry Business Council. It is indeed a prestigious honor.

RE/MAX 1st Choice is a fast growing real estate business that has recently opened in Londonderry. Under the direction of Arlene Hajjar, RE/MAX 1st Choice has worked hard to establish itself within the real estate market of Londonderry.

RE/MAX 1st Choice has worked hard for the community. It has sponsored a number of activities to benefit both charities and the community as a whole. Admirable business practices, community involvement, and charitable donations and sponsorships have made the company a rising force in the Londonderry business community. Its dedication to the town has been admirable and gracious.

Arlene has been one of the main reasons behind RE/MAX 1st Choices' success. She is a member of the Londonderry Business Council and works diligently to represent the business community. She has helped shape not only her company, but also the community through her activism with the town.

As a former real estate business owner, I understand the demands and the trials associated with owning and operating a real estate business. I commend Arlene Hajjar and the staff of RE/MAX 1st Choice on their success. I wish them the best of luck and congratulate them once again for receiving this award. It is an honor to represent them in the United States Senate.●

#### CONGRATULATING VALLEY HIGH SCHOOL

● Mr. HARKIN. Mr. President, I ask my colleagues to join me in congratulating the students and teachers from Valley High School in West Des Moines, IA for achieving the top score in the 1999 National GRAMMY Signature School Competition.

It took hard work and dedication to achieve this honor, and I congratulate the students, teachers, and others who make it happen. Valley High School enrolls over 2,200 students, and fully 600 students, nearly a third of the student body, participates in one or more music programs. On February 4, 1999 the GRAMMY Signature School designated Valley High School the best music program among 250 public schools from around the country. They were judged by a panel of top musical educators and professionals and were selected based on their high level of commitment to music education.

In light of this announcement, U.S. Secretary of Education Richard W. Riley, said, "At a time when creativity and communication skills are at a premium, schools like those being recognized at this program are using arts for their rich potential to captivate and engage students in the process of learning. The arts help children learn to solve problems, think creatively, and develop mental discipline, which are valuable skills for any academic endeavor."

Mr. President, year after year underfunded public schools continue to slash funding for all forms of arts and humanities education, thereby weakening the strong cultural heritage the United States has always enjoyed. We should therefore commend the students and teachers of the Valley High School music program for their commitment to a quality music education, and the benefits their efforts reap upon the cultural landscape of the state of Iowa. It is a true honor to serve as their Senator, and I believe they are examples of what all Americans should strive to be.●

#### GIRL SCOUTS FROM KETCHIKAN

● Mr. MURKOWSKI. Mr. President, I rise today to recognize the work of three Girl Scouts from Ketchikan, Alaska. Angela Pfeifer, Chelsea Pfeifer and Tennille Walker are each working towards the Girl Scout Gold Award. As a part of their service, they are attempting to enhance the visibility, respect and care of the American flag in Ketchikan.

The following is an excerpt from a letter in which Chelsea explains the pride and respect she has for our nation's flag.

This Spring Break I went down to Florida to visit my grandparents. My Grandfather served in World War II. At 87, he still put up the U.S. flag every morning, and takes it down every night. It makes my think of the number of people who died serving this country, so that we could have the freedoms that

we enjoy today. The flag serves as a symbol of the respect and honor that should be given to those who fought. I observed that many of the retired people display the Flag proudly on a daily basis outside their homes. It would be my goal to see that my generation carry out this tradition and be proud to be an American.

In their efforts to instill this same sense of pride and respect, Chelsea, Angela and Tennille have conducted school assemblies at Ketchikan area elementary schools, have placed flags in every classroom at Ketchikan High School and have spoken to local governments officials about erecting a new flag pole in Ketchikan City Park.

Currently, there is no flag flying in Ketchikan City Park. Angela, Chelsea and Tennille have addressed this with Ketchikan—Gateway Borough Mayor Jack Shay. As a result, the Mayor and Borough Assembly agreed to install a flag pole in City Park.

It is my honor to present these three outstanding Alaskans with an American flag flown over the United States Capitol. The flag will be presented to the City of Ketchikan on June 14, 1999, Flag Day, and will be the first flag to fly in City Park.

I commend the work of Angela, Chelsea and Tennille and the Girl Scouts of Ketchikan. They have shown their ability to make a difference and have made a lasting impression on their community.●

#### 75TH ANNIVERSARY OF THE VERMONT STATE PARK SYSTEM

● Mr. JEFFORDS. Mr. President, I rise today to recognize the 75th anniversary of the Vermont State Park System.

In 1924 Frances Humphreys donated the peak of Mt. Philo and surrounding lands to the State of Vermont as the first State Park. Mt. Philo was the perfect location for the first park; looking east from the summit one views Lake Champlain, North America's most beautiful lake stretching as far as the eye can see to the north and south; looking west one views the Green Mountain range rolling across Vermont to the Connecticut River. There are limitless recreational opportunities within and surrounding our first park.

After 75 years, Vermont now has 50 State Parks, from Alburg Dunes on Lake Champlain, to Wilgus on the Connecticut River; from Mount Mansfield, Vermont's highest peak to Quechee, our deepest gorge.

Vermont's State Parks are rich in history. Many of the nation's first ski trails were carved out in Vermont State Parks by the Civilian Conservation Corps, creating the New England ski industry. Under the direction Perry Merrill, who oversaw the State Parks for 37 years, more than 40,000 "CCC Boys" created a parks infrastructure that is intact, and unparalleled even today.

Recognition should also go to the many Vermonters who, over the years, have followed the example of Frances
