

same battles that have made Bob Rubin's reputation.

Larry Summers, as Deputy Treasury Secretary, has earned Bob Rubin's confidence as his envoy to key countries in critical negotiations in the global financial crisis and in many other important jobs. He inherits a healthy economy, sound federal finances, and a strong team at the Treasury Department. But if the past few years are any guide, Mr. President, he will not lack for challenges.

I noticed that he thanked his teachers today in accepting the new opportunity President Clinton has offered him. Surely he had no more valuable teacher than Bob Rubin. That should give us all confidence that the Treasury Department remains in good hands.●

HONORING GLORIA "PAT" HUTH

● Mr. ABRAHAM. Mr. President, I rise today to honor Mrs. Gloria "Pat" Huth upon her retirement which will be celebrated on May 18, 1999.

Gloria "Pat" Huth was born on St. Patrick's Day to Mary and Martin Halasz. Mr. and Mrs. Halasz immigrated to the United States from Hungary.

Pat Huth graduated from Bad Axe High School, and earned her Bachelor of Arts degree from Michigan State University. In 1962, she married her husband, Robert, Sr. She began teaching with the Van Dyke school system, taking time off from full-time teaching to raise her sons, Robert, Jr. and Jeff. Mrs. Huth always believed in the value of education and stressed that point to her students and her sons; her sons obtained Juris Doctor and Doctor of Medicine degrees, respectively.

After her boys began attending elementary school, Pat Huth returned to full-time teaching. In 1971, she began teaching at Neil E. Reid school in the L'Anse Creuse School District. In 1974, she was among eight teachers that left Neil E. Reid with their principal, Joseph Carkenord to open the new elementary school, Tenniswood, in Clinton Township, Michigan. Along the way, Pat obtained her Masters of Education Degree from Eastern Michigan University.

In 1979, she received an Educational Specialist Degree (EDS) from Oakland University. She was always continuing to attend school so that she could stay on top of trends and issues to help her students.

Mrs. Huth taught second grade for the L'Anse Creuse schools for 29 years and was a full-time teacher in Michigan for 33 years. Additionally, 8 years were spent as a substitute teacher for different school districts in Macomb County.

Among Pat's interests are serving in the Philanthropic Educational Organization (PEO). She has been a member of St. Louis Parish since 1973. Now Pat Huth considers among her hobbies enjoying three (and soon to be four)

grandchildren and stressing the value of education for all those that are fortunate enough to have contact with her.

I want to express my congratulations to Pat Huth upon her retirement. Most importantly, I would like to thank her for her years of commitment to the education of children. Pat, you truly are an example for others to follow.

Mr. President, I yield the floor.●

A SALUTE TO LYTTLETON MACON YATES, SR.

● Mr. ROBB. Mr. President, I rise today to salute a member of our Senate family, and a fellow Virginian, Lyttleton Macon Yates, Sr.

Lyt Yates—of the Sergeant at Arms, Printing Graphics and Direct Mail Branch—will retire on July 25, 1999 after twenty-seven years of loyal service to the United States Senate. He started his career on May 15, 1972 as a Computer Operator with the Sergeant at Arms Computer Center, and has worked his way up the ladder to his current position as Supervisor. On behalf of his Senate family, I thank Lyt Yates for nearly three decades of outstanding and dedicated service to the United States Senate—and I wish him well in the years ahead.●

BOSTON MILLS/BRANDYWINE SKI RESORT

● Mr. VOINOVICH. Mr. President, today I am pleased to recognize Boston Mills/Brandywine Ski Resort in Peninsula, OH. Boston Mills/Brandywine recently was awarded the Times Mirror Company's Silver Eagle Award for Environmental Excellence for their efforts in the area of energy conservation. In response to the local community's increasing energy demands during seasonal snowmaking operations, Boston Mills recently installed a \$1.5 million advanced snowmaking system which monitors data from a nearby pumping station, weather stations, and snowmaking machines to provide for maximum snow production at maximum power efficiency. This effort has enabled the area to produce the same amount of snow in less time, and at a savings of 962,000 kilowatt hours of electricity, which represents 69.5 percent of the community's electricity consumption. In addition, by leasing new grooming vehicles which operate

on 33 percent less fuel and reduce grooming time, the area was able to reduce diesel fuel consumption by 46.9 percent, or 9,404 gallons. I am proud to report on the positive impact that the Boston Mills/Brandywine Ski Resort has had on the local community in Peninsula and commend them for the example they have set in civic leadership on this front. I congratulate them on their award and believe the praise they have received for their efforts in environmental stewardship is well deserved.●

HONORING OLIVER OCASEK

● Mr. DEWINE. Mr. President, I rise today to honor a great Ohioan and a good friend. On May 20, Oliver Ocasek will receive the YMCA of the USA's Volunteerism Award—in honor of his more than 50 years of service to youth organizations.

It was a great privilege for me to serve with Oliver Ocasek in the State Senate, and I can tell you from personal experience he was an extremely valuable legislator throughout his 28 years in the Senate.

He realized then, and realizes now, that one of the most important things we can do—as legislators, parents and citizens—is reach out to young people. That was a keystone of his Senate career, and indeed has been a central part of his whole life.

In addition to his work in the Senate, he has also been a distinguished professional educator, serving as teacher, principal, superintendent, college professor, and member of the State Board of Education.

Mr. President, I join all Ohioans in paying tribute to Oliver Ocasek on the occasion of this richly deserved award.●

PRIVATE FIRST CLASS WALTER WETZEL MEMORIAL

● Mr. ABRAHAM. Mr. President, I rise today to honor Private First Class Walter C. Wetzel, one of Macomb County's greatest war heroes, who will be honored Saturday, May 15, 1999. On that day, the lobby in the new Macomb County Administration Building will be dedicated as the Private First Class Walter Wetzel Memorial where a

bronze bust of Private Wetzel will be unveiled.

ON April 3, 1945, Private Wetzel, a Roseville resident, was serving as a member of an Army anti-tank unit, when they came under attack by a German offensive. As Wetzel warned his fellow soldiers of the attack, two live grenades were thrown through the window of the farmhouse where his unit was positioned; Wetzel then shielded his men by covering the grenades with his body, sacrificing his life to save the lives of the others in his unit.

As the ultimate recognition for his bravery and honor, the military posthumously awarded Private First Class Wetzel the Medal of Honor.

The memorial and sculpture are well-deserved tributes for the heroism of private Wetzel who made the ultimate sacrifice to protect the sacred values our country is founded upon.

Private Wetzel's commitment to fight and sacrifice to protect the United States and the freedoms Americans cherish is to be commended. He deserves both respect and admiration by everyone for his dedication to our country.●
