WASHINGTON, WEDNESDAY, MAY 26, 1999

No. 77

House of Representatives

The House met at 10 a.m. and was called to order by the Speaker pro tempore (Mr. SUNUNU).

DESIGNATION OF THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore laid before the House the following communication from the Speaker:

WASHINGTON, DC,
May 26, 1999.

I hereby appoint the Honorable JOHN E. SUNUNU to act as Speaker pro tempore on this day.

J. DENNIS HASTERT,
Speaker of the House of Representatives.

PRAYER

The Chaplain, Reverend James David Ford, D.D., offered the following prayer:

We learn from the book of Psalms that we should make a joyful noise to You, O God, and that we should break forth into joyous song and sing praises. With all of the suffering and pain in the world, let us begin our day by giving thanks to You, gracious God, for Your goodness and Your love to us and to all people. You lead us when we are lost; You comfort us when we are weak; You forgive us when we have missed the mark, and You show us the path of good will and peace. With gratefulness and praise we laud Your name and ask for Your blessing. This is our earnest prayer. Amen.

THE JOURNAL

The SPEAKER pro tempore. The Chair has examined the Journal of the last day's proceedings and announces to the House his approval thereof.

Pursuant to clause 1, rule I, the Journal stands approved.

PLEDGE OF ALLEGIANCE

The SPEAKER pro tempore. Will the gentleman from Mississippi (Mr.

SHOWS) come forward and lead the House in the Pledge of Allegiance.

Mr. SHOWS led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

MESSAGE FROM THE SENATE

A message from the Senate by Mr. Lundregan, one of its clerks, announced that the Senate had passed without amendment a bill of the House of the following title:

H.R. 1183. An act to amend the Fastener Quality Act to strengthen the protection against the sale of mismarked, misrepresented, and counterfeit fasteners and eliminate unnecessary requirements, and for other purposes.

The message also announced that the Senate had passed a bill of the following title, in which the concurrence of the House is requested:

S. 254. An act to reduce violent juvenile crime, promote accountability by and rehabilitation of juvenile criminals, punish and deter violent gang crime, and for other purposes.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. The Chair will entertain 15 one-minute speeches on each side.

AMERICANS DESERVE ANSWERS, NOT QUESTIONS

(Mr. BURR of North Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BURR of North Carolina. Mr. Speaker, I rise today to tell a story, an entertaining story of spies and secrets. Some may even think it sounds like a James Bond movie, but unfortunately, it is not a fictional tale.

I am, of course, referring to the Select Committee's report that was released yesterday, a report that details acts of espionage compromising our most precious military secrets. These findings frightened me months ago when I was briefed and they disgust me today.

What is the difference between a Bond movie and the Select Committee's report? In the Bond movie, the Department of Justice would have allowed wiretaps. In a Bond movie, we would have gotten the bad guy.

All the American people have gotten out of this process are questions. Why did the Department of Justice limit the investigation? Why did the Department of Justice drag their feet? Why was not the President told and, if he was, why did he not do anything? Why, why, why?

The American people, Mr. Speaker, deserve answers, not questions.

CONSUMER SAFETY WITH GUNS

(Ms. JACKSON-LEE of Texas asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON-LEE of Texas. Mr. Speaker, as we move toward Memorial Day to honor this Nation's heroes who have given their lives to save us and to give us liberty and freedom, I want to rise today to say that I am serious about our children, serious about the violence, the death, the pain, the anguish. Serious about Americans who wish that we would act in honor of our children, in honor of those who we have lost, and yes, in honor of those who gave their lives for our freedom.

Mr. Speaker, is it not interesting that this little toy with its plastic eyes is regulated by the Consumer Product Safety Commission, and yes, this little fellow is likewise regulated, because we know children who do not understand the danger of putting things in their

mouth have to be protected. But yet, guns, Mr. Speaker, are allowed to be in the hands of our children. There are no safety locks and, in fact, we do not understand that we must be serious about protecting our children, Mr. Speaker.

Pass the Gun Law Safety Act this week.

U.S. NUCLEAR ARSENAL COMPROMISED

(Mr. SCHAFFER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SCHAFFER. Mr. Speaker, people in the White House talk an awful lot about "the children." Well, today, our children are a lot less safe and a lot less secure because our entire nuclear arsenal has been compromised.

Communist China acquired our most sophisticated technology, some by theft but even more right through the front door. This administration has sold the Chinese communists high-speed supercomputers, sophisticated satellite launch technology, state-of-the-art machine tools and ultra sophisticated nuclear energy design technology. Communist China now sells our technology to Iran and other rogue nations, but we do nothing. The White House covers it up and even denies China has done it.

We are discovering now that in 1995 communist China had stolen the crown jewel of our nuclear arsenal and yet this administration did nothing about it. If the President is to be believed, no one even informed the Commander in Chief.

Well, now, communist China has 13 nuclear missiles which are more accurate, more deadly, because of White House actions, aimed at our children.

CONGRATULATIONS TO UNION CARBIDE CORPORATION TECH- NICAL CENTER

(Mr. WISE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WISE. Mr. Speaker, this is a noteworthy week in South Charleston, West Virginia, as Union Carbide Technical Center celebrates its 50th anniversary. As an innovator for Union Carbide's activities located worldwide, the Tech Center was located in April 1949 in the original research building. I want to congratulate Union Carbide's CEO, Dr. William Joyce, the employees and the retirees of the Technical Center, as we look forward to continuing a very productive working relationship.

The Tech Center, in addition to being a highly profitable and decorated organization, has also been an excellent corporate citizen in its involvement as volunteers in the area and a good partner for the community.

Since its location 50 years ago, the site has grown to approximately 650 acres, and the technical center offers

worldwide assistance to Union Carbide in its manufacturing businesses and research, development and engineering. It comes as no surprise that Union Carbide has won awards for three of its products and services primarily developed at the technical center.

We want to congratulate again Union Carbide for being a good citizen and its 50th anniversary.

WANG GOT GUNS AND CLINTON GOT CASH

(Mr. PITTS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PITTS. Mr. Speaker, I would like to respond to my Second Amendment-loving friend on the liberal side of the aisle. If the administration and its defenders in Congress are so concerned about guns, then why did the Clinton administration sign a waiver on February 2, 1996 for a Chinese gun company to import 100,000 additional assault weapons and millions of bullets?

Here is some information that my colleagues on the other side might not want to hear. Four days later, on February 6, 1996, the Chinese arms exporter attended a White House fund-raiser; I mean a coffee, that raised money, but it was not a fund-raiser. That exporter was named Wang Jun.

In obtaining a visa he had filed a letter from Ernest Green, a close Clinton friend and top fund-raiser. The day after he had coffee with the President, Ernest Green's wife contributed \$50,000 to the DNC. Her contribution the year before was \$250.

Can anyone imagine why suddenly Wang got his guns on American streets and Clinton got his campaign cash?

WAR IN KOSOVO

(Mr. TRAFICANT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TRAFICANT. Mr. Speaker, the headlines read, crisis in Kosovo. Conflict in Kosovo. Spare me, Mr. Speaker. This is war in Kosovo, stone-cold war. And it is time, it is time to support independence for Kosovo. There will be no long-lasting peace without it. It is time to arm the KLA and send Milosevic looking over his shoulder, and it is time to arrest Milosevic for war crimes.

One last point. After it is over, Europe should clean up Kosovo and Europe should pay for the concrete and steel to rebuild Kosovo, not the American people.

REJECT AMENDMENT TO INCREASE MILK TAX

(Mr. GREEN of Wisconsin asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GREEN of Wisconsin. Mr. Speaker, later today the House is expected to consider an amendment to the agricultural appropriations act that would essentially prevent Secretary Glickman from implementing his proposed very modest milk marketing reforms.

This amendment is terrible public policy. It would reinforce what I call the milk tax, government-imposed costs on dairy products, costs to the tune of \$1 billion annually.

In a recent letter, Citizens Against Government Waste said it "opposes any effort to artificially mandate higher milk prices and will score the vote for such an amendment as a vote against the U.S. taxpayer." Against the U.S. taxpayer.

This amendment is bad for taxpayers, it is bad for consumers, and yes, it is bad for family farms. I urge my colleagues to join me later today in rejecting this amendment to increase the milk tax.

GUN VIOLENCE IN OUR SCHOOLS

(Mrs. CAPPS asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. CAPPS. Mr. Speaker, as a school nurse I rise today to address a national crisis in our schools: gun violence. I spent last weekend with my two grandchildren. Hugging them, my heart ached for the parents and grandparents whose kids attend Heritage and Columbine High School.

Something is terribly wrong when school shootings become commonplace in our society. There is no simple solution to youth violence, but common sense gun control is an important place to start.

Mr. Speaker, we worry about the safety of our children's toys, but we do not have child safety locks on guns. Let us get real.

Last week, the Senate passed sensible legislation that will save lives. Now the House must act. Not next month, today. Each day, 13 children under age 19 are killed because of guns.

Mr. Speaker, Congress should listen to parents, grandparents and students everywhere and act now to stop this national epidemic.

DOD AUTHORIZATION BILL

(Mr. RYUN of Kansas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. RYUN of Kansas. Mr. Speaker, the United States military has been stretched to the point of breaking. Congress has had to increase the President's defense budget by \$50 billion over the last five years just to add to important unfunded requirements. While operational commitments around the world have increased by 300 percent since 1989, the Air Force and Army have been reduced by 45 percent, the Navy, 36 percent, and the Marines,
