POM-260. A resolution adopted by the Legislature of the State of Alaska relative to tobacco settlement funds; to the Committee on Finance.

LEGISLATIVE RESOLVE NO. 5

Whereas the State of Alaska, taking all of the risks inherent in litigation, brought suit against major cigarette and smokeless tobacco manufacturers based on state anti-trust and consumer protection claims solely to collect the state's smoking-related expenditures; and

Whereas none of the claims asserted by the state were based on a Medicaid recoupment statute or included the assertion of claims based on federal law for the federal government's tobacco-related medical expenditures; and

Whereas the State of Alaska entered into a settlement agreement in state court based on state antitrust and consumer protection law claims with cigarette and smokeless tobacco companies for \$669,000,000 on November 23, 1998; and

Whereas the federal government, through the Health Care Finance Administration, has asserted that it is entitled to a significant share of the state settlement on the basis that it represents the federal share of Medicaid costs; and

Whereas the federal government declined to bring its own action to assert a claim for the federal money it spent for the treatment of smoking-related illnesses in Alaska and provided no assistance to the state during the litigation or during settlement negotiations; and
