FAIRNESS IN TREATMENT—THE DRUG AND ALCOHOL ADDICTION RECOVERY ACT OF 1999

● Mr. WELLSTONE. Mr. President, I rise today to introduce legislation that will ensure that private health insurance companies cover the costs for drug and alcohol addiction treatment services at the same level that they pay for treatment for other diseases. The purpose of this bill is to end discrimination in insurance coverage for drug and alcohol addiction treatment. This bill, entitled Fairness in Treatment: The Drug and Alcohol Addiction Recovery Act of 1999, offers the necessary provisions to provide this assurance.

For too long, the problem of drug and alcohol addiction has been viewed as a moral issue, rather than as a disease. Too often, a cloak of secrecy has surrounded this problem, causing people who have this disease to feel ashamed and afraid to seek treatment for their symptoms for fear that they will be seen as admitting to a moral failure, or a weakness in character. We have all seen portrayals of alcoholics and addicts that are intended to be humorous or derogatory, and only reinforce the biases against people who have problems with drug and alcohol addiction. I cannot imagine this type of portrayal of someone who has another kind of chronic illness, a heart problem, or who happens to carry a gene that predisposes them to diabetes.
