

# EXTENSIONS OF REMARKS

SALUTING THE SPIRIT OF  
WALTER PAYTON

**HON. J. DENNIS HASTERT**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 2, 1999*

Mr. HASTERT. Mr. Speaker, yesterday was a sad day for everyone in Chicagoland and for everyone who loved sports. But it was also a sad day for everyone who cherished the life of a special man whose influence extended far beyond the stadiums in which he played.

With the death of Walter Payton, we not only have lost one of football's greatest stars, but we have also lost one of America's greatest citizens.

His nickname was "Sweetness," the perfect description for a Hall of Fame running-back whose silky smooth performance on the football field was the bane of most defenses.

There is no doubt that Walter Payton will be remembered for his records, especially his remarkable all-time rushing total of 16,726 yards over his 13-year career. More importantly, however, he will be remembered for the grace and dignity with which he carried himself both on and off the field.

A lifelong Chicago Bears fan, I have sat in the bitter cold of Soldier Field only to have my spirit warmed by Water Payton's fierce determination and his amazing feats of athletic prowess. But I also saw the way he warmed people's hearts in his everyday life. He was someone who recognized the power of faith and the value of teamwork.

As a local business owner in my district, Walter Payton played an important role in the economic revitalization of downtown Aurora, IL. While he built a successful restaurant and created new jobs for the area, he also became an integral part of the community.

It was the same with the Bears. Walter Payton was the glue that often held a fractious team together. By his own example and leadership, he helped younger players meet new challenges, while at the same time encouraging veterans to reach new heights.

As a high school coach, I saw the way Walter Payton inspired young athletes to strive to do their best. He was a true role model because he exemplified an important life lesson that teaches us that success requires hard work, discipline, and concentration.

It was a philosophy that made him physically powerful and spiritually centered. And it should come as no surprise that he approached his recent illness head-on, with the same courage and grit he displayed on the field.

But there was another side to Walter Payton—the playful and mischievous side that delighted fans, friends, and teammates. Walter Payton had the confidence to live his life to the fullest. And he had the rare ability to make us revel in that life along with him.

Just last February, Walter Payton said: "It's just like football. You never know when or what your last play is going to be. You just

play it and play it because you love it. Same way with life. You live life because you love it. If you can't love it, you just give up hope."

Walter Payton never gave up hope. It is with fondness for that spirit that we remember him today and forever.

#### CONGRATULATIONS TO THE CLEVELAND BROWNS

### HON. STEPHANIE TUBBS JONES

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 2, 1999*

Mrs. JONES of Ohio. Mr. Speaker, I rise today to congratulate the Cleveland Browns football team on their first NFL win as an expansion team. This win, in only their 8th game since being reincarnated, was impressive and magical. As a loyal fan of the team, I watched quarterback Tim Couch's last second "Hail Mary" 56-yard pass sail into the awaiting hands of wide receiver Kevin Johnson. The prayers of Cleveland fans were answered with the 21–16 win.

I applaud the team and its "never-say-die" attitude and efforts to win against the New Orleans Saints in this game. The two first-year players involved in the winning play, Couch and Johnson, have proven themselves stars already in their rookie season. But the efforts of the whole team and the entire Browns organization must be applauded. From owner Al Lerner and Team President Carmen Policy down to the individual players, everyone has exemplified themselves and the City of Cleveland by playing with the heart of champions.

I congratulate the Cleveland Browns on this historic win, the first of what will undoubtedly be many exciting victories.

#### HONORING STAVROS NICHOLAS KALOMIRIS AND VIOLET RECKAS

### HON. GEORGE RADANOVICH

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 2, 1999*

Mr. RADANOVICH. Mr. Speaker, I rise today to honor Stavros Kalomiris and Violet Reckas. They were the recipients of St. George Greek Church's Georgie Awards.

Stavros Nicholas Kalomiris: Stavros was born in Anniston, Alabama, on April 2, 1925. His family moved to Fresno when he was 8 months old. Stavros graduated from Fresno High School in 1943. He then joined the Marine Corps after graduation and served in the Pacific Theater for 3 years. Stavros saw action on Iwo Jima. He returned to Fresno after the war.

On February 17th, 1952, he married Clara Mitchell from Stockton, California. They have 3 children and 7 grandchildren. Stavros worked for the City of Fresno, Street Department, for 25 years and retired in 1978.

Stavros served on the St. George Parish Council in 1959 and 60. He also served as St. George Youth Advisor for over 10 years and ran Camp Keola at Huntington Lake for many years before St. Nicholas Ranch was established. Stavros assisted Father Bakas at St. Nicholas Ranch by transporting campers to and from the ranch.

Stavros has been a life long member of St. George Golden Age activities as tour director for over 10 years and a member of the Order of Ahepa for over 40 years.

Stavros volunteers at Special Olympics every year. He and his family have been a very important part of St. George Church and the Greek Community for many years.

Violet Reckas: Vi is one of nine children born to Peter and Vasiliki Reckas. A native of Fresno, Vi's affinity for ecclesiastical music came naturally: her father was a cantor for the Church which, at the time, was but a few blocks away from the family home. Vi attended Edison High School, and wound up working in the family bakery during World War II while her brothers were away.

The St. George Choir has been organized by her brother John prior to the war. Vi took over the direction of the choir at the urging of Dr. Limberakis during his tenure at St. George. During the 80's, Vi's outstanding work with the choir was recognized by (Bishop) Metropolitan Anthony Lakovos with a Gold Medallion. Vi's involvement with the choir became somewhat curtailed in 1991 when a tumor was discovered.
