

For forty-one years the Downriver Guidance Clinic has been at the forefront of providing exceptional health care, mental health services and support to those people who are in need. The Downriver Guidance Clinic has enhanced the quality of life for children, adults and families in the Downriver community. Their programs have built foundations of support for children with behavioral problems, first time parents, teenage mothers, and adults who need help coping with unexpected changes in life.

What is truly remarkable about the Downriver Guidance Center are the innovative and progressive programs they provide. The Opportunity Center combines traditional therapy, volunteer mentoring, and other activities to assist young people who need extra help interacting with parents, teachers and peers. Their Center for Excellence focuses on evaluating and assessing programs as a means for improved services. The Downriver Guidance Center programs continue to reach out to the community by providing employment programs that help ease chronically unemployed people into the workforce. The Center also provides an early childhood development which encourages good emotional and physical health ensuring that children enter school ready to learn.

The accomplishments and work of the Downriver Guidance Center are to be commended. Their impact on the Downriver Community of the future is immeasurable. I applaud the Downriver Guidance Center for all the help they give others as they strive to meet the ever changing needs of the community they serve.●
